

Sissy Slut for Daddy

A familiar silhouette appeared through the frosted glass of the front door, the knock came and I smoothed down my outfit and opened the door.

"Hello sissy" he said as he entered the hallway.

"Hello Daddy" I reply closing and locking the door

We embrace, I press my hard cock against him through my panties and baby doll nighty and one hand feels his crotch as the other stretches round his waist. His hands lift the back of my nightie revealing my bottom with my suspenders and panties.

"Has my little sissy missed her Daddy?" He asks

"Oh yes Daddy, I have thought of nothing else since our last meeting" I reply.

My name is Steve, I am a slim male mid forties not very well endowed and I have cross dressed for many years since before I was married. I meet men through bi-sexual websites which is where I met Daddy. He has been my regular master for a couple of years. He is discreet and kind and I love our meetings. Daddy follows me through to the sitting room where all is prepared. I place an executive type chair in the centre of the room with a fur throw over it and a foot stool. This is Daddy's throne where I worship him. There is a table to the side for his things.

"Tea Daddy?" I enquire.

"Yes please sissy" Daddy replies.

Daddy undresses while I am in the kitchen making his cup of tea. I return to the living room to find him relaxing naked on his throne, his large hairy body filling the chair, his legs parted showing his lovely hairy cock nestling between his legs with his big beautiful hairy balls.

I place his tea on the table to the side of the chair, Daddy has put some things on the table, a collar with lead, an inflating butt plug and some lube.

I stand in front of Daddy my eyes drawn to his hairy crotch, he sips his tea.

"Very nice" he says

"Sissy are you staring at Daddies cock?" He asks.

"Yes Daddy, I can't help it, it's so lovely and I have missed it so much" I reply.

"Well a good sissy should be properly dressed" he says putting down his cup and picking up the collar.

"Yes Daddy" I reply

"Come and kneel in here" he orders pointing at the floor between his legs. I kneel between his legs, his cock is so close I want so much to push my face against it. Daddy reaches forward and fastens the collar round my neck and attaches the lead.

"Now over my knee sissy" he orders

I love this bit, Daddy will plug my little sissy hole until he wants to use it for his pleasure. Daddy sometimes spansks me at this point too because he knows I will have been naughty while he has been away, sometimes he waits until I have confessed my naughty actions to him before dealing out my punishment.

I lean over his knee, my hard little cock twitching and jerking as it makes contact with his leg. Daddy pulls the gusset of my panties clear of my bottom and I feel the wet tip of the butt plug slip between my cheeks and press against my sissy hole. Daddy teases me pushing it gently against my hole then backing off as I yield to him, as it penetrates me he pulls it back watching as my hole stretches and closes until he finally allows my hole to suck it in closing tightly around the

narrow stem at its base. I hear the hiss of air as Daddy squeezes the bulb to inflate the plug, it grows inside me, filling my bowel with its black latex form.

"How full shall we make you today sissy?" Daddy asks

"Mmmm, very full Daddy please, as if it were your lovely Daddy cock inside me" I gasp in reply

"You are such a dirty slut sissy, and so determined to please Daddy, fully inflated it will be!" He chortles.

"Now kneel back down there" he commands pointing between his legs "and put your face in my crotch, I want to hear what you have been up to since our last session"

I get on the floor my face in his crotch, his pubic hair rubbing on my face, the smell of his body filling my nose.

I kiss the base of his hairy cock which is pointing straight up his belly, not fully hard yet, the head still hidden by his foreskin.

"Mmmm, I love your cock Daddy" I moan

"Good sissy, Daddy likes a dedicated cock sucker, so what has my little slut been doing while I have been away?"

"Have you been sucking other men's cocks sissy? tasting their creamy cum?

Behaving like the total slut you really are?" Daddy asks

I reply without lifting my head from his crotch. "Yes Daddy, I met an older man from the site last week, I went to his house and dressed up for him."

"What else did he make you do sissy?" Daddy asks

"I knelt before him and he made me take off his trousers and kiss his cock through his boxers, Daddy, then I had to pull his boxers down and he made me play with his cock." I said, I kissed his cock as I finished.

"Was his cock nice and big sissy?" Daddy asks.

"Not as big as yours Daddy, I had to suck it for him and he made me suck his balls too. I sucked him until he squirted his cum in my mouth and I swallowed it all down." I continued.

"Did he let you cum sissy?" Daddy asks

"Yes Daddy, he let me wank over his bottom and rub my little cock between the cheeks of his bottom in a pretend fuck. He liked my little cock and balls and fondled them while he rubbed his big cock between the cheeks of my bottom."

"You have been a naughty little sissy while Daddy has not been here, I shall punish you later, first Daddy wants licking in his special place" Daddy responds.

I move my mouth down as Daddy moves forward, I kiss down past his hairy balls and start to lick his perineum, I tickle his anus with my tongue as I lick from there to his balls. Daddy likes me to look up at him while I do this so he can drink his tea watching me and then verbally abuse me.

Daddy calls me his ass licking slut, dirty cocksucker, sissy bitch, he calls me a slack arsed slut who will do anything for cock, a faggot whose cock is too small to be of use.

He tells me lick his ass and just beneath his balls, all I can do is moan with pleasure as I lick him.

When he allows, I suck each of his big balls in turn kissing and licking his crotch before I get the order to kiss up the shaft of his cock.

When I get to the head I put my mouth over the tip and rub my tongue across his frenulum and the base of the corona where his foreskin attaches, his cock jerks with every touch. I lick right round the corona before taking the head of his

lovely cock into my hot wet mouth, I suck and kiss the big mushroom head of Daddies cock, I moan and groan with pleasure, one hand gripping Daddies shaft and one fondling his balls and rubbing his anus. All I can think of is the taste of his cum as his pre-cum oozes into my mouth.

I am humping wildly trying to get some friction from my panties as my little cock strains against the delicate fabric, the butt plug adding to the sensations driving my poor sissy cock wild.

"Do you want my cum sissy?" Daddy asks

"Do you want to feel my cock explode in that hot little mouth sissy?"

"Mmmm" I reply "mmmmmm"

My head bobbing up and down on his cock, I feel his big heavy balls move and his sac tightens, my finger pushes gently on his anus as his. Muscles begin to make it contract, then my reward, huge spurts of Daddy juice splashing on my tongue, filling my mouth and throat with lovely hot cum. I suck every last drop from his cock, kissing it gently as it softens, before thanking Daddy for his cum.

Daddy smiles down at me as I look up at him over his soft glistening cock.

"That was excellent sissy, one of your best" he says

I thank him for his kind words.

As I stand before him, knees together, panties down, tissue in hand pulling myself off as my reward he drops a bombshell.

"Next week sissy, I want you to take Wednesday of work. You will come to my house and from there we are going to a sauna where I expect you to do as you are told" he tells me.

I cum in a wild squirting climax, my bottom gripping its plug as my little balls empty into the tissue. I can't wait!!!
