

White Slave Couple Initiation

My wife and I have been married for five years now and we recently got into swinging. My wife has never been satisfied with my less than average penis and I have always submitted to her whims and wishes. In pursuit of a large black cock to satisfy her we replied to an advert for white couples to join a club for the gratification of black youth, my story picks up at the beginning of the initiation ceremony where we meet our new master on a makeshift stage at a youth club in a rundown area of town.

It is time to show our subservience to our new masters, we are brought out in front of the club, the young black males who are to humiliate us for the pleasure of the gathered audience assemble, my wife is pushed out onto the stage, they strip her in front of the audience before they force her to her knees in front of them, the leader produces a dog collar which is fastened round her neck and a lead attached. He drags her to the front of the stage where she is made to spread her legs showing her cunt to all, I am sure it is still all red and swollen, still dripping semen from the afternoons gang bang just as my ravaged anus is. I feel a rough push to my back and I stumble out, teetering on high heels dressed in a skimpy pink tutu ballet outfit, the audience howls with laughter, I have to curtsy to them as calls of sissy fagg and cock sucking white pussy humiliate me further.

I am made to bend over by my wife and spread my ass cheeks showing my freshly broken in gaping asshole, I can feel spunk dribbling down the inside of my legs as I expose myself to the audience.

The leader calms the audience, "Tonight we start with a couple from the upmarket houses across town, they replied to our advert for cuckolds and sluts" The audience howls with laughter, cat calls of 'fuck them bitches good' and 'show her what she's missin' amongst calls to do her up her arse and others.

The leader spoke again "As part of their initiation this married slut needs a cum bath, and, so all the cuckold faggots can get their monthly cum, her faggot husband will rim their assholes and wank them onto her face and tits."

The audience applauds as a line of nine white men shuffle onto the stage, each one is dressed in a pink ballet tutu's complete with wigs, opaque stockings and suspenders with their panties round their ankles each one is handcuffed and has a chastity cage on his penis.

I am made to kneel down facing my wife, the first one in the queue stands between us and hands a little key to my wife, she unlocks the chastity cage and hands them back to their owner, a hand pushes my face into the mans bottom so that my face is between his cheeks. I begin to lick his asshole as instructed while reaching round and wanking his rapidly hardening cock. He pushes back against my tongue and forward as I rub his cock, he groans loudly as he spurts his cum on my wife's face and tits as she kneels in front of him. The second cuckold steps up, my wife unlocks his cock and I wank him off while rimming his ass hole, I get the feeling that soon I will be shuffling along in that line desperate for a chance to cum and willing to be humiliated for entertainment. None of these cuckolded white men need much stimulation to unload on my wife and she is soon dripping with semen. My tongue barely touches their loose, hairless ass holes before their cocks are hard and the groans and bucking back and forth begin as they unload

onto my wife's waiting face. I see my wife each time the line moves, her face is streaked in cum, it is matted in her hair and across her tits, she keeps her mouth closed. The audience applaud as each cuckold squirts their cum on my wife. The last one shudders and groans as my tongue swirls across his anus, my soft hands massage his semi hard cock, I can tell he is close, a sharp intake of breathe, his puckered anus twitches and his cock pulsates, he lets out a mournful groan as he shoots his load.

I now kneel facing my wife, she is dripping in spunk.

"You're turn cucky," the leader says, "why not add your tribute and wank off onto your wife"

The audience begins to chant, "wank" "wank" "wank" as I get to my feet and look down at my wife spunk dripping off her nose and chin and dribbling across her tits, I begin to stroke my little cock, I soon add my squirts of spunk to the others, to their laughter and applause, our humiliation is only starting. A bench is brought out, I am to lie on it face up, my arms and legs are secured so I cannot get up, my wife is instructed to rub her spunk covered tits all over my face before lying down on top of me with her gaping sloppy pussy over my face, she too is secured. I look up between her legs as the first black cock appears, I am to be forced to watch my wife ravaged in either hole by these black youths, while receiving a face full of her cum mixed with theirs as a wave of semen flows from her sloppy cunt each time the bulbous head of the black shaft inside her withdraws only to drive back in. I am also all too aware that is not however all, my legs are spread open and the nudge of someone's cock on my tender ass hole reminds me that we are both fuck toys so she is going to have to watch my poor abused cock get erect and squirt each time a black cock invades my sore, stretched but willing ass.

Our owner addresses the audience "Anyone wanna go on the white bitch fuckathon?" he asks, there is a roar of approval from the audience and I can hear chairs sliding back and people clambering up onto the stage.

"Fuck either or both, cum in them, on them or in a willing white mouth, just enjoy" he announced as the first cock slides past my face into my wife as the owners hairy black balls come to rest on my nose.

We are fucked for over an hour as a line of black youths repeatedly fucks my wife's pussy or ass. Each one expects his balls licked and cock cleaned, each one makes sure my wife's pussy oozes cum into my open mouth; some even make me lick their sweaty assholes in gratitude. My wife fairs no better, my little cock squirts as they use my sorry ass, they cum in me or in my wife's mouth and always expect her to clean their dirty cocks.

We are finally released and as we stand shakily on the makeshift stage, allowing the circulation back to our arms and legs as our cum soaked bodies adjust to standing up. The leader comes out on stage again with a large naked black youth who joins us. " Well didn't they do well?" he shouts to raucous laughter.

"Are you ready to commit to being a slave?" He asks.

"Yes sir" we reply

"This is Jake, he is your new master, he likes to fuck white pussy, he likes to fuck white ass, he likes to fuck white faces and he loves white tongues up his ass, but shit, that's what you signed up for aint it sluts?" he laughs.

Jake hands my wife a chastity cock cage and motions for her to lock my cock inside it. My pink tutu is soaked in cum and I hold it up exposing my limp little cock. My wife snaps the cage shut and kisses my cheek.

"Kneel sissy" Master Jake commands

I kneel by his side, his big cock hanging by my face, I kiss it tentatively hoping he will accept my submission, he grabs my wife by the waist pulling her naked body to his side his hand between her buttocks already fingering her sloppy asshole with me kneeling at their feet our initiation into serving our superior black masters is complete, we are now his slaves.

Just a fantasy, I hope you enjoy
