

Loving Daughters

January 15, 2016

DISCLAIMER: This game is rated X and isn't suitable for anyone under 18, and maybe not for some people over 18. But it IS fun! The authors oppose all versions of child sexual exploitation. This game is strictly a sexual fantasy, and we hope you will enjoy every minute of it.

This is the second version of Loving Daughters and replaces the first one from December, 2016. You can download the game by going to the Horniest Place on Earth:

<http://www.asstr.org/files/Authors/sevispac/www/Home/page0.html>

Once you have the LovingDaughters.zip file, double click to open it. It contains the pdf files for the game.

Loving Daughters is suitable for solitaire play in case you're not in the kind of wild relationship that can provide multiple players. If you are, please let me know how to join.

This is a game for 1 to 6 players. You guide young teenage Girls through the pitfalls of adolescence, helping them overcome their inhibitions and enjoy every kind of sex they can, as soon as they can. Thanks to the Naked in School program, the age of consent has been drastically lowered and sex is encouraged as soon after puberty as possible.

Printing out and putting together this game is a big hassle, but it's worth it. Also, it's free. If it results in any fucking which would not have otherwise occurred, we will have achieved our goal.

Most of the locations, characters and events in this game have been taken from stories on our web site at The Horniest Place on Earth:

Cum and visit. We're always glad to hear from our readers.

Love,

Persephone and sevispac

Version Changes from Dec 17, 2016

Here are the changes for the January, 2017 version. If you did the work to print out and set up the old version, you can keep part of it with the new one. Here are the files that were changed and have to be reprinted:

- Game Rules – Lots of small changes, but the main difference is in the Sequence of Play. Now girls can do multiple activities each turn instead of just one. This makes the game go faster and helps them be sluttier.
- Event Cards – This is the biggest change. The Event Cards have been divided into three different decks. These need to be printed on both sides and cut out again.
- Event Reverse Side – Use with the Event Cards.
- Girl on Girl Cards – Minor changes. Compare to the old cards and cut out only the changes.
- Tables – Reprint for minor changes.
- Profiles – Minor changes, but you print these for every game anyway.

This is a lot, but at least you don't have to reprint the maps, money, or Girls.

Introduction

Loving Daughters is a fun and sexy board game for 1 to 6 players in which you guide a young teenage Girl through adolescence. She becomes more and more sexually active as she learns to flirt, has new sexual adventures, and decorates her body, blossoming from a sweet, well-behaved, innocent angel into a total cum slut. The first Girl to lose all her clothes, receive 10 facials and 10 fucks, and go to work at *Her Daddy's House Teen Bordello*, wins the game! But the goal isn't so much to win as it is to have fun. Play it with someone you want to fuck.

Lots of the locations, girls and events in this game are described in stories at *The Horniest Place on Earth*, <http://www.asstr.org/files/Authors/Sephy/www/>. Cum visit us! We welcome suggestions, stories of game play, and sex stories.

Game Play

1. Players guide any number of Girls up to six total. There should be at least two Girls in each game. Players receive a Girl's Profile for each Girl they play in the game (yes, you can have more than one Girl to play with), which they use to record the Girl's name, age, progressive loss of clothing, Flirts available, and Facials and Fucks received. There is no set route to follow; Girls may stay on the Street or go to any Location they choose, in any order, as long as they end up at Her Daddy's House completely naked, cum stained and well fucked. Players occasionally receive Event Cards through the course of the game.
2. **Sisters:** If a player controls more than one girl they are considered sisters. If they are the same age they are considered twins and use the same rolls on the At Start Table.
3. Cheating in this game should be punished with a spanking.
4. The rules are sometimes open to interpretation. When this happens you should use common sense rather than legal hair splitting. For example, if a store will sell a maximum of two nipple piercing and another place will sell one, you do not have three titties. You're still limited to two. If players can't agree they should resolve the question with a friendly roll of the dice, or better yet by fucking. This can result in a long, fun game.
5. Sometimes the rules call for a range of money or flirts, for example \$100-\$600. This means you should roll the appropriate number of dice to determine the amount.

Setting Up the Game

6. Print out everything, including the maps, a Profile for each Girls and enough SevisBucks to go around. To reduce the amount of work involved, print the following quantities of SevisBucks for 2 Girls, then print more later if necessary: 0 sheets of 1's, 2 sheets of 5's, 1 sheets of 10's, 2 sheets of 20's, 1 sheets of 50's, 2 sheet of 100's, and 1 sheet of 500's. Carefully cut out all the Sevisbucks and game cards. Add a sheet of 5's, 20's and 100's for each additional player as needed.
7. Appoint one player to be the Banker.
8. Fill out a Profile for each Girl. She gets \$350 to start. Assemble all game board sheets as shown on the small map. Carefully cut out the Event Cards and Girl on Girl Cards. Shuffle each of the three Event decks and the Girl on Girl deck and place them near the board.

9. Cut out the Daddy tokens and place them on the board using the numbered locations on the small game map. Daddies may be put anywhere in their building/room/location, but if you can't agree on a square, use the one on the small map. Girls must land on these spaces to flirt with Daddies. Daddies do not move during the game.
10. Select a playing piece for each Girl and paper clip her corresponding picture to her Profile. Pictures need not match descriptions (but it's fun if they do.) Place them at home on any Start space, one Girl per space according to Sequence of Play below.

Profiles

11. **Lucky Number.** Roll one die for each Girl, which determines her Lucky Number. Whenever they roll that number on one die during the game, for any reason - moves, events, whatever - they immediately draw an Event Card.
12. Each player fills out the Profile for his Girl. He picks her name, age, and hair color. Age must be 13 to 18. See Age Table for to determine her school and booby size. Roll on the Start Table for each Girl if desired.
13. Keep records in pencil and using markers provided. There will be changes!
14. Rules about booby size usually include larger sizes, so you enjoy the benefits of big boobies if you have huge ones, for example.

Sequence of Play

15. All Girls start at Home, fully dressed and wearing pants unless the At Start Table says she is lucky enough to be wearing a skirt. All players roll one die, the lowest number goes first and play progresses clockwise.
16. Do the following in order for each girl, one at a time, **IF APPLICABLE**:
 - a. Every turn (even if you lose that turn)
 - i. Pay \$5 Girl Slut dues.
 - ii. Roll on the Fresh Cum Table.
 - iii. Roll for your move. If you roll your lucky number, draw an Event card. Use it, trade it, keep it, or discard it. If you use it and it says to lose a turn(s), stop now and lose the rest of this turn.
 - b. Move your Girl one of three ways:
 - i. Walk and/or Hitchhike
 - ii. Ride your bike
 - iii. Take the school bus
 - c. Do as many of these activities as you want to or can, **in any order**. If it you lose a turn(s), stop immediately and lose your next turn, too.
 - Use an Event card you kept
 - Flirt with Daddy for a Reward
 - Draw a Girl on Girl card if you're on a Mommy counter
 - Buy or sell merchandise
 - Earn money from jobs, including hooking
 - Try out for SECS squad or Faceball team
 - d. If you're on the same square with another Girl, roll to have a Girl on Girl encounter. You can also trade cards and money with other Girls on the same square.

Movement

17. Players move their Girl(s) in one of three ways. They can always use the number that they rolled to move her that number of spaces or less in any direction, horizontally, vertically or diagonally or any combination, including not moving at all. This is called walking. If you're walking there is no difference whether you are on grey or tan squares, black road squares or any floor squares.
18. When a card tells you to move IMMEDIATELY, pick up your piece and put it in the specified location.
19. Girls may not move through walls or windows such as that at *Victoria's Little Sister*, but corners do not block diagonal moves. No other board features prevent movement. Doors are always unlocked and open to pretty Girls.
20. **Riding your bike:** Girls under 16 can ride their bike to speed up movement on the road. You must start your turn on a road square. You may double your movement roll, but it all moves must be spent on roads.
21. **The School Bus:** Whenever you begin your turn on a road square you can ride the bus, but there's no bus service from your house, so you can't use it until you've been to your school.
- Unless you're in the SECS Squad Ms Grundy will try to keep you off the bus if she can see your boobies or your pussy or you have fresh cum on your face. Roll one die. On a 5 or 6 she won't let you on the bus.
 - The bus will let you off at a square next to the entrance to any school. If you catch the bus from any school entrance square it will take you home to a square next to any Start square, but you will have to walk back to school. The bus will also take you to after school jobs on Event cards.
22. **Hitchhiking:** Girls can hitchhike if they are topless, bottomless, **or** braless with medium or bigger boobies so they can flash the driver. High School Girls can always hitchhike to school. As soon as you reach a road square you may put out your thumb. This means you can walk before and after hitchhiking as long as you don't exceed your movement roll while walking.
- Spend 1-5 Flirts and roll a die. Subtract 1 from the die roll if you're naked. If your roll is less than or equal to the Flirts you spent, you were picked up and can move to any other road square. Otherwise you have to stop where you are. Either way, roll again. Subtract 1 from the die roll if you're naked. On a 0 or 1 receive one Facial or Fuck from your enthusiastic driver (if otherwise eligible).
23. The road does not 'wrap around' - if you follow the road off the map near Central High School, you do not reappear by Tenyari.

How to Win

24. The first girl to arrive at Her Daddy' House Teen Bordello totally nude with 10 Facials and 10 Fucks wins the game. If there is only one player the game ends when the last girl does this.

Collecting Flirts

25. Lots of things you do in this game earn Flirts so you can flirt with Daddies for a Facial - suck his cock to receive a spurt of delicious, hot stringy cum - or a Fuck, after you've had **The Shot** and lost your panties. There are a lot of ways to receive Flirts, and lots of ways to get bonuses when you receive Flirts. Flirt modifiers are cumulative, you receive all that are applicable every time. The Flirt Table shows costs and bonuses.
26. You can't receive more than 50 flirts at once because it might give Daddy a heart attack!

Rewards: Facials and Fucks

27. Stripping nude, receiving many facefuls of cum and getting repeatedly fucked by Daddies is how you win this game. Plus it's just plain fun! Whenever you have enough Flirts, you can visit any Daddy (land on his space) and flirt with him for a reward. Sometimes the rules will say if it's a Facial or a Fuck; but if it can be either, roll a die to find out what Daddy does to you. 1-3 he cums on your face, 4-6 he fucks you instead!

28. It takes 10 Facials and 10 Fucks to win the game, but sometimes you receive excess rewards before you get to Her Daddy's House. You should still record these, because sometimes you might lose some. Plus, it's fun.

29. Usually you can only get one Fuck or one Facial at a time, then you must visit a different Daddy, but Girls can roll on the Fucking Table or Facial Table (respectively) for extra results. Girls can't be Fucked until they've had **The Shot** and lost their panties.

30. **The Shot.** This magical medical miracle prevents pregnancy and all sexually transmitted diseases for one year. You can get it at your school Counselor's Office for \$100.

31. **Kinky Daddies** are into anal. They are marked with a (k). Roll every time you get a reward from one. On a 1 he gets so excited that he does you both ways. Get a free Fuck. On a 6 (also a 5 for anal virgins) you chicken out and don't get any Fucks, but waste your Flirts.

32. **Virgins.** Most Girls start the game as a virgin in all three ways. Her first Fuck is free (no Flirts required) and takes her virginity, and her first Facial is free and takes her oral virginity even if she doesn't roll to become a cock sucker. Anal virgins get their first Fuck free from a kinky Daddy! The Vaginal-Oral-Anal (VOA) **merit badge** is completed when a Girl Slut loses all three virginities.

33. **Sucking Cock:** Younger girls are less likely to know how to properly suck cock. Girls can check off the cock sucker box on their Profile as follows.

- All 18 year old Girls are already experienced cock suckers.
- Any oral virgin who receives a Facial rolls one die. Modify the roll by her age:
 - +2 age 13
 - +1 age 14
 - -1 age 16
 - -2 age 17
- If she rolls a modified 3 or lower she has just learned how to properly suck cock and permanently checks her cocksucker box. Girl Sluts receive the Sticky Lips merit badge. Otherwise she does not receive the Facial she paid for. Nevertheless she loses her oral virginity the first time she rolls for a Facial.
- Girls learn how to Deep Throat based on Event Cards and the Facial Table.

34. **Fresh cum:** If the Facials Table says you can wear your Daddy's cum you may place a SPLAT maker in the Fresh Cum box on your Profile. While you're wearing fresh cum, the cost of Facials and Fucks is reduced by 1 Flirt. You can wipe your face at any time by removing the SPLAT counter from the Fresh Cum box. On every Move roll check the result on the Fresh Cum table. You may have more than one SPLAT marker on your face at a time from more than one load of cum. Only one load dries out at a time.

35. Note: Most Daddies can only be visited once per Girl per game. The only exceptions are the boys in the shower, Phil Mayback of Horny Spirit, George Kitanopolous at PAPAS, and Mr Hirundi at Suckers. You can visit each shower twice per game, but you have to get a reward from another Daddy in between visits. Phil Mayback will share his love with you twice per game. George Kitanopolous does Girls under 17 three times and other Girls once, and Mr Hirundi has an inexhaustible amount of love to give, but not twice in a row.

36. If the Daddy marker is actually a Mommy, such as Charlotte Wilcox of the Girl Sluts, Facials and Fucks are not allowed. Instead draw a Girl on Girl card and just use your half of the result. No Flirts are needed.

Event Cards

37. Event cards are acquired **whenever** you roll your Lucky Number on one die, or if a rule says you get one. Each card identifies an Area at the bottom of the card. If you are in that Area you use the card. If not, you can give it to another girl who is in the correct Area, whether she wants it or not. If that girl is your twin, you may keep the card yourself. Other Girls may buy it from you or pay you NOT to give it to her at any agreed price. Other players have priority over sisters when buying or avoiding cards. Discard the event if it isn't used. If there is a location on the card you keep it and use it when you get there.

38. There are three Event decks,; Virgin, Active Angel, and Naked. Players may draw from the Virgin deck if their Girl has any of her three virginities in tact, from the Active Angel deck as soon as she loses at least one virginity, and the Naked deck anytime she is currently naked. If a girl is eligible to draw from more than one deck, the player selects which one. Cards can be traded and used – and affect – Girls who are not eligible to draw them.

39. Event cards can be traded when they're drawn or when two Girls are on the same square. Money can also be exchanged.

40. Some cards say they can be kept, but this is just a reminder. You can hold any card until you use it unless it says otherwise.

41. Some cards have effects that last for more than one turn. This does not prevent you from using other Event cards normally.

42. The Banker holds the discard pile, and when the Event cards in play are used, shuffles and returns the discards to play.

43. If an event card contains a location you must go there to receive the benefit.

GIRL on GIRL Encounters

44. If a Girl is on a space already occupied by another Girl, she can choose to enjoy Girl on Girl action. Each rolls one die, and if they both roll odds (or evens), one Girl on Girl Action Card is drawn, which may be played immediately, held until later or sold to another Girl. (Example: If Amelia moves onto Penny's space, she draws a Girl on Girl card, which affects both Girls.) If the Girls do not roll the same, they just wait quietly side by side until either Girl moves on. No trying again until they both have a Daddy encounter!

45. Sisters who have an incestuous Girl on Girl encounter must each have a Daddy encounter before they are eligible for another one. The Daddies must be in different areas.

46. Note: Girl on Girl Action can't happen while a Girl is already getting a Facial or getting Fucked by a Daddy. Instead, when a girl enters a space where another Girl just got a Reward, she can use the appropriate number of Flirts to get the same Reward. If either Girl is a Girl Slut she earns her Group Sex **merit badge**.

Clothing and Uniforms

47. All Girls start the game at home, fully dressed. During the course of the game they gradually undress and improve their sexual skills until they are beautifully nude sluts covered in cum. As the game progresses, check off the clothing on your Profile until it has all been checked off - and chucked off. Girls may join the Girl Sluts or the School Erotic Cheerleader Squad, and adopt their uniforms, usually for the remainder of the game. If you wear a uniform, underline that item(s) on your clothing list, until that, too, is happily cast aside.

48. Girls start the game wearing a jacket and pants (or a skirt if they're lucky). These outer garments must be removed before the items they cover: bra and panties (respectively). Belts must be removed before pants or skirts, but panties may be removed while wearing a skirt.
49. There are many places to buy clothes in the mall. Girls can buy skirts to replace pants.
50. Girls retain their old clothes when they obtain new ones, including when they receive Girl Sluts or SECS Squad uniforms. The old clothes may be sold in the **AWSOME GIRLS** thrift store. Regular clothes (including skirts) can also be bought there.
51. Wearing SECS Squad uniform makes your Girl effectively nude for most purposes, but she still has to be totally nude to enter Her Daddy's House.
52. Girl Sluts and SECS Squad Girls cannot purchase alternate clothing at the Mall, they must wear their uniform only unless the rules say otherwise. If a Girl quits, she must change back into her old clothes if she still has them, or buy new ones, keeping the same number and type of clothes on her Profile. No other clothes may be purchased until uniform parts are replaced. This also applies to honorary members.
53. If you receive an Event Card that says you **ADD** clothes, uncheck any chosen item from your list, even if it means violating a uniform requirement.

Repeat Visits

There are many locations that provide you with money, Flirts, or rewards. You aren't allowed to leave and reenter to "game the system" and take advantage un-realistically. Generally you must get a reward from a Daddy in a different Area before you return to a shop or business.

The Short Game

54. Girls do not have to have **The Shot** before they can be fucked.
55. Girls receive the effects of Event Cards immediately and do not have to go to any location. For example you do not have to go to the elementary school for Show-and-Tell or Sucker's for Amateur Night.
56. Girls can pay 25 flirts to lose one item of clothing.
57. A total of 10 rewards is needed to win.

Locations

58. Every Location (Sucker's Restaurant, Horny Spirit Mall Kiosk, etc) starts with a Daddy present. You may only flirt for a reward when you are on a Daddy's space. Even if you have enough Flirts for more than one, you can only receive one reward per visit.
59. There are five Areas in the game: Three schools, the Street and the Mall. Businesses are all located in the Mall or on the Street. Some rules refer to being in an Area or leaving an Area.

Home

The "Start" squares are your home. You can use any one you want. Events and movement, including Girl on Girl encounters, can take place at home.

The Street and Hooking

60. The Street is regarded as an Area, where you might encounter other Girls, passing cars, events, etc. There are no horny Daddies on the Street, unless an Event Card says you meet one. The street is the only Area that is considered outside, unless you are in one of the buildings like Sucker's Restaurant or Her Daddy's House.

61. Girls can work the street for money. They must be eligible for Fucking (Have **The Shot** and no panties) and must not be virgins in their mouth or pussy.
62. Each time you turn a trick you can pay \$50 for a Pimp before you roll on the Hooking Table.
63. Stop on a road square, or inside *Her Daddy's House* and roll on the Hooking Table.
64. Girl Sluts qualify for the Working Girl **merit badge** when they get paid to turn their first trick.

Schools

65. There are three Schools in Loving Daughters, Miss Henderson's Elementary School, Tenyari Middle School and Central High School. Girls age 16-18 are in High School, girls age 13-15 are in Middle School.
66. The schools have multiple rooms with a Daddy in most of them, as well as various extracurricular activities. Tenyari and Central also host a mandatory Naked In School program. NiS Event cards allow a Girl strip naked.
67. Girls in the wrong school who flirt with a Daddy must pay their Flirts and roll one die. On a 6 they will be expelled outside the entrance and lose the Flirts they paid. They may not reenter that school for the rest of the game except using an Event card.
68. Usually when an NiS Girl leaves her School, she has to resume wearing whatever clothes she would otherwise have on.
69. Showers: Both schools have a shower, where Girls may encounter 2-6 boys at once. (Ignore a roll of 1.) Boys in the shower are just like Daddies, but you can use multiple Flirts to get one Fuck or Facial from each boy. Girl Sluts qualify for the Group Sex **merit badge** if they get a reward from 2 or more boys.

Miss Henderson's Elementary School

70. The students at Miss Henderson's Elementary aren't old enough to be sexually active yet, but the Principal occasionally invites Girls from Tenyari and Central to provide erotic demonstrations to show the young students what they have to look forward to. It also conducts junior beauty pageants and Miss Lolita contests where older Girls are asked to be judges.
71. Locations:
 - Classroom 1 (Teacher Kimberly Scott - treat as a Girl on Girl encounter)
 - Classroom 2 (Teacher Nancy Everett - treat as a Girl on Girl encounter) Principal's Office (Principal Wayne Mitchell (k))
 - Playroom and Playground (No Daddy present)

Tenyari Middle School

72. Tenyari Middle School hosts students from Grade 7 to 9. Many pretty young Girls are becoming sexually active and aware of their developing bodies, and learning to love their Daddy's cum.
73. Many Girls try out for the Faceball team: If one or more Girls is in the Tenyari Gymnasium, each time another Girl enters they each roll one die to try out, and the highest number receives a free Facial, no Flirts required. In the event of a tie for the high number, every with that roll Girl wins. Each girl can enter once.
74. Locations:
 - Principal's Office (Principal Howard Clark) Counselor's Office (Counselor James George) Classroom 1 (Teacher Nathan Baker)
 - Classroom 2 (Teacher Marie Bourassa - treat as a Girl on Girl encounter)

- Classroom 3 (Teacher Jacob Epps(k))
- Cafeteria (Attendant Billy Sullivan (k))
- Gymnasium (Teacher Sylvia Walker - treat as a Girl on Girl encounter)
- Showers (2-6 naked, horny teenage boys)

Central High School

75. Central High School hosts students in 10th, 11th and 12th Grades. The Girls of Central High are almost all sexually active, talented sluts whose beauty is only exceeded by their sexual appetite. Central High has a Naked In School program, as well as the School Erotic Cheerleader Squad (SECS), with its signature uniform of exposed-nipple bra and tiny, flimsy skirt that frames and exposes your beautiful pussy. Regular bra and panties are expressly forbidden when wearing the SECS uniform.

76. Any CHS Girl may audition for the SECS Squad by entering the Central High gym, and a die roll of 1-3 wins the audition. The new uniform replaces your regular clothes. Treat the Uniform as if your Girl were fully nude except for winning the game. Girls may audition for the SECS Squad only once per game.

77. Locations:

- Principal's Office (Principal Kevin Harriman) Counselor's Office (Counselor Evan Slough)
- Classroom 1 (Teacher Timothy Van Deusen)
- Classroom 2 (Teacher Lyle Carver)
- Classroom 3 (Teacher Eric Lambert)
- Cafeteria (Attendant Royce Martin (k))
- Gymnasium (1-4: Teacher Harry Brooks; 5-6: Teacher Stephanie Kyle, treat as a Girl on Girl encounter)
- Showers (2-6 naked, horny teenage boys)

The Mall

78. The Mall is similar to the Street except it is considered indoors. It has lots of fun shops and services to help the Girls on their quest for nudity and sex. Within the Mall, you will find:

The Purrfect Pussy

79. This store styles your pussy hair and sells nipple piercings, Vejazzle, suggestive tattoos, and body jewelry.

80. Titty Tats cost \$100 and earn 1 bonus Flirt when it can be seen. Maximum of two per Girl.

81. Pussy Tats cost \$150 and earns 2 bonus Flirt when it can be seen. Maximum of one per Girl.

82. A shaved pussy costs \$100 and earns 1 bonus Flirt when it can be seen.

83. A nipple piercing costs \$100 (total of 2 max), and earns 1 bonus Flirt, when people can see the piercing. Girls must be over 16.

84. Any Vejazzle item - pussy bling - costs \$250. Whenever your pretty, bejeweled pussy can be seen by others, i.e., no panties or skirt, or custom panties from Living Dolls, you receive 2 bonus Flirts.

85. They will dye your hair any color for \$50. In addition to the natural colors you can go Wild, with metallic streaks, cotton candy colors, or matching pussy hair. Wild hair gives you 1 bonus Flirt.

Daddy: Steve Jackson

PAPAS

86. The Parent's Association for the Advancement of Adolescent Sex has a bookstore and art gallery in the Mall. If any Girl had her picture taken at Williamson Modeling, their erotic pictures will instantly be on display at PAPAS and rewards at PAPAS will cost 2 less Flirts for Girls under 17.

Daddy: George Kitanopolous – Each girl under 17 can visit this Daddy up to three times, but not in a row.

AWSOME Girls Store

87. The AWSOME (Adolescent Waiver for Sexual Observation and Mutual Experimentation) Program allows underage girls to enjoy the same sexual and social liberties as their older counterparts.

88. Girls under 15 can join the AWSOME program for \$100. This lets them behave as if they aren't underage.

89. They also run a thrift store. If you recently obtained new clothes, you can sell your old ones here and receive \$20 per item. You can also buy clothes for \$30 per item when required. You can buy skirts to replace your pants.

Daddy: Kristos Galanakis – Fucks only Girls under 15. Facials for all.

Williamson Erotic Modeling

90. Mr. Williamson hires Girls for erotic photo shoots. Girls can miss one turn to work here and collect 2-12 Flirts and \$50 pay for posing nude. Girls get an additional \$10 for each Flirt bonus they enjoy and \$50 for each booby size above medium. All decorations are considered visible.

Daddy: James Williamson

Horny Spirit Kiosk

91. The Horny Spirit Kiosk sells pre-mixed doses of their body-enhancing aphrodisiac for \$100 each. When a Girl is using Horny Spirit, she is temporarily Bimbofied. Her Boobies grow two sizes and she receives double Flirts for the duration of the enhancement. Girls can carry it with them and take it whenever they want. The effect wears off when she rolls her lucky number on a Move, but If she takes it to the Food Court first she can pay \$20 to mix Horny Spirit with Alcohol, and it won't wear off until the second time she rolls her lucky number. When that happens she wanders off and loses two articles of clothing, because she's a silly Bimbo:

There are 12 locations she can wander off to, 11 in the Mall. Roll a die. On a 1-3 use the left half of the Mall, 3-6 the right half. The Food Court is in the right half. Roll a second die and pick the store starting counter-clockwise from the top left. For example, a roll of 5 followed by 3 would be Bob's Burgers. Put her in the back room of that location. A 6 on the right half of the Mall sends her home.

Daddy: Phil Mayback – Each Girl can visit this Daddy twice in a row due to his Horny Spirit stamina. These two rewards take one turn each.

Natural Wonders Physical Enhancements

92. Natural Wonders offers a permanent booby enhancement which allows multiple Flirts for the remainder of the game.

93. Each enhancement costs \$500. These are slow acting, so a Girl cannot receive another enhancement until she goes back to any school first. You can get up to 3 enhancements with a 5 bonus for each one.

94. Enhancements replace your original boob size and all its effects.

The Daddy here will be (die roll 1-3) Daddy Peter Maxwell, or (die roll 4-6) receptionist Robin Gerlach, a Girl on Girl encounter.) Roll every time a Girl enters Natural Wonders.

Living Dolls Fashions

95. Living Dolls specializes in body piercings and jewelry for teenage girls, and fashions to compliment and enhance their jewelry. Nipple piercings cost \$50 each and a 1 bonus to each Flirt when they can be seen, and pussy piercings cost \$100 each and add a 2 Flirt bonus when they are visible. Maximum of 1 piercing each per Girl per visit.

96. All clothing is \$150 per piece. A Living Dolls top shows off her nipple piercing, and shorts or skirts have revealing cut-away panels that display her pierced pussy.

97. Living Dolls hires Girls to pose in their display window; miss one turn to earn \$50 and 2-12 Flirts.

98. Note: Panties with cut-away panels to expose a pussy piercing is not the same as not having panties, they make your pussy jewelry visible but don't permit Fucks.

Daddy: Mike Sebring

Victoria's Little Sister

99. THE Lingerie shop for sexy teens, from *Victoria's Secret!* Victoria's Little Sister sells intimate lingerie, sex toys and more. One of VLS most popular features is trying on clothes - there are no changing rooms; customers strip in public and try on their sexy lingerie in the big picture window at the front of the store, where everyone can watch. If you buy lingerie from Victoria's Little Sister, you can declare that you are changing on display, and spend 1 turn to receive 4-24 (die roll x 4) Flirts.

Lingerie costs between \$50 and \$200 per set. When you replace any item of regular clothing with a new one from Victoria's Little Sister (and it can be seen) you receive additional Flirts. For the purposes of this game, Victoria's Little Sister sells matching Bras and Panty sets, in 4 tiers.

- Tier 1, \$50: 1 Flirt bonus (conceals piercings, tats, etc.). Pushup bras, tiny thong panties, etc.
- Tier 2, \$100: 2 Flirt bonus. Lacy and revealing.
- Tier 3, \$150: 3 Flirt bonus. See thru.
- Tier 4, \$200: 4 Flirt bonus. Tiny strings that decorate and conceal nothing.

100. Lingerie has to be visible to have the desired effect. VLS lingerie beyond tier 1 also displays all decorations including piercings, vejjazzling, etc. Tier 3 and 4 is also the same as being braless: It doesn't prevent you from the benefits of being topless or naked, and you can be fucked. If you are wearing nothing but Tier 4 you are also considered naked for the purpose of winning the game.

101. Sex toys cost \$50 each. They provide double Flirts for all Girl on Girl action that uses one, and extra Flirts when you Masturbate in public. You can only use them once because you always give them away to the little girls who see them and are curious, but there is no limit to the number you can buy.

102. 'Fuck Me' shoes cost \$50. They give you a 1 Flirt bonus. Shoes aren't clothing and don't affect nudity.

Daddy: Brandon Norris

Food Court

103. A Girl over 14 or AWSOME can choose to miss one turn to work here if she is topless, collecting 2-12 Flirts and \$50 (\$100 if nude) pay as they show off for the customers and tease the cooks. Blondes earn \$50 additional. You can be hired once per Mall visit.

104. The Food Court serves alcohol to AWSOME Girls or Girls over 15 (if your boobies are medium or larger you can pass for 16). A drink costs \$20 and buys one free Flirt, with a three drink limit. It can also be taken with Horny Sprit Enhancer (see above).

Daddy: Milton Lewis

Bobby's Big Burger Bar

105. A Redhead or a Girl under 16 can choose to miss one turn to work here, collecting 2-12 Flirts and \$50 (\$100 if nude) pay as they show off for the customers. You can be hired once per Mall visit.

Daddy: Bob Curtis (k)

Coffee Shop

106. A Brunette can choose to miss one turn to work here, collecting 2-12 Flirts and \$50 (\$100 if nude) pay as they show off for the customers. You can be hired once per Mall visit.

Daddy: Tim Warner

Other Locations

Bathrooms

107. There are several boys and girls bathrooms in the Game. Girls are welcome to use either one unless they are Naked in School, when they must use the boys room. All bathrooms have cameras in them, and Girls are encouraged to be happy little exhibitionists. Whenever a Girl starts in a bathroom, the player rolls one die to see what happens:

- 1-2:
(Boys room) Receive an Event card and find out what happens to you.
(Girls room) Receive a Girl-on-Girl card and use your half of the brief encounter.
- 3-5: You're on camera! Put on a sexy show and receive 5 free Flirts.
- 6: Hi Daddy! Wanna play? Receive a free Facial. (Boys room only)

Girls aren't allowed to visit another bathroom until they've received a reward from a Daddy.

The Park

108. There are two parks on the map, one next to Girl Sluts and the other by Sucker's.

109. Virgins (all three ways) are allowed to strip naked here. Stay as long as you want until you roll a 5 or 6. Lose a turn and roll a die:

- 1-3: Get caught and earn 5 flirts.
- 4: No effect.
- 5-6: Chicken out and leave the park permanently.

The Church of the Divine Orgasm

110. Reverend Modeus is always present and eager to offer his hard cock to any Girl who comes in.

111. Holy Communion: If every Girl in the game stops at the Church at the same time, they can share Holy Communion - Reverend Modeus and his deacons will give one free Facial each to all the Girls at once, no Flirts required. This only happens once per game.

Daddy: Reverend Modeus

Girl Slut Headquarters

112. Girl Sluts are an improvement on the Girl Scouts, teaching young Girls how to enhance and enjoy their blossoming sexuality. Girl Sluts have all sorts of advantages.

113. Any Girl can join by visiting the recruiters at Girl Slut Headquarters and paying a \$50 membership fee to the bank.

114. All active Girl Sluts pay the banker a membership fee of \$5 every turn.

115. You can leave the Girl Sluts whenever you like, and receive all your old clothes.

116. Girls cannot be a member of the Girl Sluts and the SECS Squad at the same time.

117. The Girl Sluts uniform replaces your regular clothes, and consists of a see-through blouse, vest, sash and skirt, but no bra or panties. Even though you're not wearing panties, you are still wearing a skirt. You can be fucked, but your pretty pussy is not publicly visible.

118. The blouse doesn't conceal anything, but the vest conceals little boobies and the sash conceals one booby. You are considered topless if you're only wearing the blouse on top. You are topless AND bottomless if you are wearing only the blouse, but you're still not naked.

119. Official Girl Slut Sex toys are available for \$100 each, but they can only be used once because Girl Sluts always give them away to their friends after one use.

120. Girl Sluts can earn merit badges which provide bonus Flirts. They are only earned by active Girl Sluts; you must re-qualify if you met the requirement at any other time.

121. If a Girl leaves the Girl Sluts she loses her merit badge bonuses but regains them if she rejoins. The merit badge rules are described in the rules and Event cards.

122. Honorary Girl Sluts pay no membership fee or dues, but they cannot earn merit badges. They follow all other Girl Slut rules.

Daddy: Die roll 1-4 Charlotte Wilcox (treat as a Girl on Girl encounter) or 5-6 Phil Armstrong.

The Pink Pussy

123. Girls love to show off as strippers at The Pink Pussy. This club hires AWESOME Girls and Girls over 15. Go on either of the two stages there and lose one turn to dance. The patrons will put \$10 to \$60 in your panties, \$20 extra if you aren't wearing any!

124. Girl on Girl encounters are encouraged at the Pink Pussy. Any time two girls are on stage together they each receive double the amount of their dance money from the rule above, plus the normal Girl on Girl encounter.

125. Lap Dancing. Girls can lose one turn to receive \$20 for a lap dance twice per visit.

126. The Pink Pussy is also the proud sponsor of Girl Slut Passel 129. If this event card is played, every Girl Slut can move immediately to The Pink Pussy. Girl Sluts can participate in all the activities above, after which they can choose to go home with a patron and lose a turn to roll on the Hooking Table, after which she is placed on any Start square.

Daddy: Mr. Wilkenson

Suckers Restaurant

127. Ahh, Suckers. Everybody loves this place. Suckers only serves two things, Nachos & Cheese and Wine Coolers, but that doesn't matter. Customers come here to pay for exquisite, mind-blowing oral sex from the Girls on the menu. Overseas business traveler Mr Hirundi is

always here, ready to give any Girl a \$100 tip and a massive Facial. Suckers is owned and operated by its all-female staff; Mr Hirundi is the only Daddy who's always here.

128. In addition to Mr Hirundi, Girls who want to be on the menu at Suckers must meet the following requirements: They must be a Cock Sucker or know how to Deep Throat, be over 14 or AWESOME, and not be a current member of Girl Sluts or the SECS Squad. Girls on the menu at Suckers miss TWO turns after they receive \$60-\$360 (6 dice x 10) cash and can Flirt with up to two customers. This is one activity.

129. Remember, no Fucking is allowed at Suckers, Facials only!

130. Daddy: Mr Hirundi, who also pays each Girl a \$100 tip when he sprays their face with hot, sticky delicious cum.

Her Daddy's House Teen Bordello

131. This is the ultimate destination of each little angel. When she has accumulated 10 or more Fucks, or more 10 Facials, and is fully nude she wins the game by being the first to arrive here.

132. Girls can also earn money by hooking at Her Daddy's House. See Working the Street, above. Girls under 15 receive double pay as Fuckable 14s.

133. Daddy: Bob

Cut the playing pieces above into 10 long strips, each with one girl. Fold girl back-to-back. Fold base at each girl's foot out 90 degrees. Fold the long white strip under. Paste interior surfaces together. Move girl so she stands up on the base. Fold girl flush with base for storage.

All pictures are high resolution and suitable for printing on Photo paper.

Folded up pieces:

Event Card Printing

This file contains three kinds of Event Cards plus Girl on Girl Cards. The Event cards are:

- Virgin (2 pages),
- Active Angel (4 pages)
- Naked (3 pages).

Printing them is tricky, because different printers can give different results. Also your printer may not print near the paper's edge.

One way to print them is to start with one page below. Print it, then turn it over and print the back using the correct page in the Event Reverse Side file. The reverse sides are designed to align, but use care to print the correct reverse. Once you are confident, print the remaining pages. Card stock paper is recommended. Double check them before you cut them out. Good luck.
