

Nightingale Minigales 2012

Please read [disclaimer](#) and [summary](#) at the end of document

Our first child was a few months old. Beth regularly breast-fed him with her big mouthwatering tits, which almost made me drool. I accidentally discovered that sometimes she got horny while she nursed the baby. I talked her into letting me eat her out while she did. So I often nursed my wife's leaky pussy while our baby nursed her luscious tits, making sure the baby was sucking the sweet milk of a happy mom. Naturally the baby had to suck harder.

A Nightingale Classic

Baby Care

Beth was not comfortable with letting me fuck her in either sizzling hole while breast-feeding. After quite some coaxing, she reluctantly agreed to give me blowjobs that were reserved at first. It was unfortunate that we could not find a practical position for us to sixty-nine while she nursed, so I had to switch between feeding her my cock and eating her juicy pussy. Mom's visit came to destroy most of that, making both of us hornier.

THE PATERNAL GRANDMA

On the Saturday mom's visit started, Beth nursed the baby while mom and I sat on the opposite sofa. We chatted while the baby hungrily sucked his mom's full tit like there was no tomorrow. Watching that stirred my cock.

"I am feeling jealous here," I said. "Mom, why don't you breast-feed me like Beth's doing her baby?"

"You are too old for that," mom laughed innocently.

"I guess if I were, I wouldn't be asking for it," I said. "I think severing me a little early made me always fascinated with breast-feeding and hungry for it. Why don't you nurse me a little?"

"You know I don't have milk in my breasts now," she said.

"Breast-feeding's a lot more than feeding," I said. "You know it isn't the same as bottle-feeding even if you use fresh breast milk. It's a full emotional and bonding experience that nurtures the mother-son relationship."

"You are serious, aren't you?" she said in surprise.

Beth followed our dialogue, smiling.

"I guess so," I said. "Do you want me to cry? It may disturb the baby."

"Oh, no," she said. "I know you are crazy enough to do that. Come here, you big little baby."

"Your boobs are big, firm and appetizing more than ever," I said. "I don't know how I let you wean me."

"That wasn't easy at all," she said. "You were so attached to them."

"I am glad I had good taste in women's boobs even then," I teased.

"It wasn't like that," she said.

"Didn't I show any interest in your friends' boobs if they were big and firm then?" I asked.

"I don't think so," she said.

"Would they have breast-fed me, had I done that?" I asked.

"I don't know, but I don't think so," she said.

"You think I may have better luck with them now?" I teased.

"I don't think so," she said. "What woman would breast-feed her friend's son when he's in his twenties?"

"Any wise woman would," I said. "I bet it would be much more fun that when she breast-fed her own children."

"You are being naughty," she said.

"What's naughty about making the woman who's nice to me feel good?" I said. "Babies are focused on their own selfish interests. They don't know how to show the woman breast-feeding them a good time if they want to."

"A mother who breast-feeds her baby has a good time," she said. "You can even ask your wife."

"That's because of psychological and emotional reasons, not because the baby knows what he's doing," I said.

"He instinctively sucks his mom's nipples," she said.

"Out of hunger," I said. "He has no clue that he can even make her enjoy the physical aspect of it."

"She does anyway," she said.

"Does a baby become a better nipple sucker as he gets older?" I asked.

"I guess," she said. "He becomes less clumsy and bites less."

"Does he become playful?" I asked.

"A little when he isn't too hungry," she said.

"I bet his mom weans him before he's good at it," I said.

"What he tries to do is draw milk, and he's pretty good at that," she said. "His life depends on it."

"I can see that but fun rarely comes with necessity," I said. "A baby needs to play with his mom's boobs to develop a more mature relationship with them just like he plays with his food when he's a little older."

"He does a little at the end of his meal," she said.

"I saw Lucas do that, but it wasn't good enough," I said. "He and his lovely mom need more."

"I don't know about that," she said.

"Let me get at your big boobs and see what I can do with them," I said. "I missed them so much. You understand that a baby falls in love with his mom's pretty boobs at first sight and never falls out of love with them, don't you?"

"I've never thought about it," she said, "but it may be true."

"It's true, mom," I said. "I am still in love with your fantastic boobs. Despite being away from them for a very long time, I still think they are the best boobs in the world with Beth's a close second."

"Thank you," she said.

"It was cruel of you to keep me away from them for so long," I said. "You should never keep me away from my favorite boobs, the boobs I loved most for a long time."

"Guys' relationship with their mothers' boobs ends when they are weaned," she said.

"That isn't true, mom," I said. "I've just told you we remain in love with them forever. If the guy's mom has great boobs, they become the ideal boobs he's looking for in girls. As you can see, Beth has great boobs like you."

"I didn't think of it that way," she said.

"You should," I said. "A guy's relationship with his mom is much bigger than what meets the eye."

"That may be true," she said.

"Everything I tell you is true and can stand the test of time," I said.

Mom pulled me to her lap and fished out her right tit as I lay across her thighs. I was surprised she would actually go with it, but maybe seeing Beth do it brought up old sweet memories and persuaded her to do it. She brought my head to her tit, and I showered her tit with light kisses all over before I pounced on her nipple like a starving baby. Maintaining eye contact with her like any baby would, I sucked her nipple hungrily. She gasped and her nipple grew to full hardness in my mouth. I sucked as hard as I could, feeling my cock get hard.

"Ouch!" she said. "You are sucking too hard."

"I am too hungry," I said. "I haven't been nursed for ages. Besides, some babies bite. I didn't."

Holding her eyes with mine, I sucked gently. Her nipple was thick and very sensitive. I sucked her nipple harder and harder until I felt her holding her breath and then sucked more and more gently. I kept varying the pressure of my nursing, keeping her sensitivity at its fullest.

"Your boob's beautiful, and your nipple's so delicious I can never get enough of it," I said.

"You like that, you big baby?" she moaned.

My answer was mumbled and moaned over her stiff nipple.

Although I did not mean it at the beginning, it suddenly dawned on me that I was using the technique I usually used on Beth to turn her pussy to mush. I thought that might be what I was doing to mom. Maybe that was why she let me nurse longer than I expected and why my cock became rock hard.

“The other one, mom,” I said. “Baby’s still hungry. Baby loves both big luscious boobs.”

Her nipple was red and fully erect. She shrugged, tucked her right breast away and fished out the other one. I pounced on her tit with the same hunger after I showered it with kisses. Her nipple was erect and ready, but I went through the whole process anyway. I kept staring into her eyes the whole time. The way her eyes defocused every now and then made me sure that she was getting excited, probably more than Beth. After all, my baby did not have my experience with tits. He probably was not as horny either. I sucked mom’s nipple playfully but without using my tongue. My cock throbbed. I did not know what Beth made out of the situation.

“Mom, let me and Lucas each take a nipple, and let’s see who the better nipple sucker is,” I said.

“Are you serious?” she asked.

“Of course,” I said. “Beth, bring the baby over here.”

Mom shook her head as the baby took her left nipple and I took her right nipple. We sucked her nipples for several seconds. I thought he did harder than me.

“Who’s the better nipple sucker?” I asked.

“You,” said mom.

“Let’s switch,” I said. “Let him try the other nipple.”

The baby and I again pounced on mom’s sweet nipples and sucked them for several seconds.

“Am I still the winner?” I said, holding her tit with both hands.

“Yes,” said mom.

“I guess one gets better with age and experience,” I said.

“He apparently does,” she said.

“No wonder you liked having me suck your nipples better,” I said to Beth, making her blush.

“You are silly,” she said.

“I think the baby had enough,” mom said, pulling her breast from me.

“No,” I shouted. “I am a big baby now. Baby’s very hungry. Baby loves mom’s big boobs so much.”

She smiled and let me have it again, holding my head to her tit. This time I used my tongue and lips liberally to tease her nipple since she could not pull her tit away from me without raising suspicion. She was obviously enjoying herself. She let out a gasp and blushed, leaving no doubt in my mind about the state of her pussy.

“Baby’s still hungry,” I said, leaving her tit.

She gave me her right tit, upon which I bestowed the same joys. I figured by then that she must have a sticky pussy and wet panties. I also thought Beth must have already put the baby to sleep.

“Mom, does it excite you to nurse like it does to Beth?” I said.

“Yes, a little,” said mom, blushing.

“It does that to me too,” I said. “Can you see that the relationship between son and mom is thicker than milk?”

“Yes,” she said.

“The more playful the son, the deeper the relationship,” I said. “Don’t you think so too?”

“I guess,” she said.

“Can you see that a baby should play with his mom’s boobs?” I said.

“I guess so,” she said.

“Mom, watching the baby nurse and doing it myself make me excited,” I said. “Can Beth go down on me while I nurse? She shouldn’t be left out especially that it makes her excited too.”

She blushed deeply and stayed silent for a few seconds.

“You, two, decide,” she said finally.

“Go for it, honey,” I said to Beth. “I am ready to nurse you.”

“Are you out of your mind?” she cried in disbelief. “Your mom’s here. That’s outrageous.”

“I already got her permission,” I called. “She understands that we both need it.”

Mom nodded slightly.

"I am sure you are crazy," said Beth as she moved to me.

"You are a big girl, Beth," I said. "You need to nurse my big lollipop and show off your nursing skills."

As I continued to suck mom's sweet nipple, I twisted my hips to give Beth more access, thrusting my pelvis outrageously to emphasize my big boner. Meanwhile, I used my hands to knead and squeeze both mom's tits.

"Mmm," Beth moaned as she popped my hard cock out. "Horny baby needs someone to nurse his big sucker."

"Doesn't his horny big girl need that too?" I said.

"Yes," hissed Beth.

As mom glanced at my hard cock, I fished out her left tit and held her tits together. I took turns sucking and nibbling her sweet nipples. I licked and teased her tits all over while she watched Beth's skillful tongue and mouth take good care of my rock hard cock. Mom's lust gradually took control of her.

"This is what I call crotch feeding," I said to mom. "Can you see how the baby's mom's hungry for it?"

"Yes," she hissed.

"The baby's mom wants to play too," I said.

"Yes," she hissed.

"It also deepens the relationship between the two," I said.

"Yes," she hissed.

"I am hungry for it," I said.

"Yes," she said absentmindedly.

"You are a mother too," I said.

"Yes," she said.

"You must need it too," I said.

"Yes," she hissed.

"I want you to crotch-feed me too," I said.

"What are you talking about?" she asked in panic.

"I am talking about your wet pussy," I whispered in her ear. "Isn't it mushy, sticky and tingling to be eaten?"

She blushed deeply, but did not answer.

"It's another effective way to deepen the relationship," I said.

"Not between a son and his mom," she said.

"It is," I said. "That's why the mom gets ready for it."

"She isn't ready for it," she said.

"She is, mom," I said. "Her little pussy opens up and drools. Big horny baby knows how horny his mom is."

"Big baby shouldn't think like that about his mom," she said.

"He has to when they are both so horny," I said, making her blush. "The baby has to be nice to his hot mom like she's nice to him. He can't let her copious juices soak through her clothes and go to waste while he's very thirsty."

She did not resist when I lowered her dress over her shoulders and got rid of her bra, setting her tits completely free. I pushed Beth away and knelt between mom's feet on the floor. I hiked mom's dress over her hips and got rid of her wet panties. Her brain must have stopped. Her face was beet-red, but she did not resist. She could only help by lifting her ass slightly. I chewed the wet crotch of her panties before putting them aside.

"Baby's mom's so horny and wet," I said. "She's mouthwatering. Baby has to suck her dry."

She groaned.

"Mother's pussy's so pretty," I said.

She let out a high moan when my tongue made first contact with her wet pussy lips. As I lapped up her copious juices, I pulled her ass to the edge of the sofa and pushed her knees against her tits, utterly exposing her pussy and asshole. I also swabbed her asshole with my tongue, making her gasp. I rimmed it until she squirmed, showing that she was receptive to what I had in mind for her. While I licked her asshole, I guided her hands to her ass. She spread it wide, utterly exposing her sensitive asshole and feeding it to me shamelessly.

"Your little asshole looks sweet and tastes sweeter," I said, admiring her asshole. "It has to be devoured too."

She just moaned.

“Do you like how I lick it and toy with it?” I asked.

“Yes,” she hissed.

“I like that too,” I said. “Let’s do more of it. This baby isn’t only all about sucking his mom’s luscious tits.”

She squirmed on my tongue, moaning happily, until she came, her asshole twitching around my tongue tip.

“Your asshole’s so hot and sensitive,” I said. “Did it have fun?”

“Yes,” she gasped.

“You are a very hot mom,” I said. “Big baby loves to play with his hot mom. I love to play with sweet assholes.”

She moaned.

“Your juicy pussy’s drenched,” I said. “Let me clean it up for you. Do you want me to do that?”

“Yes,” she hissed.

“You like having me play with your luscious orifices?” I teased.

“Yes,” she hissed.

“They are so hot,” I said. “I prefer that to sucking your delicious nipples and playing with your fine tits.”

She groaned.

“Don’t you enjoy that more too?” I said.

“Yes,” she hissed.

“Babies love to play with hot moms,” I said. “I think that’s why Lucas loves sucking Beth’s sweet nipples.”

She moaned.

Mom moaned and squirmed as my tongue danced playfully on her leaky pussy, ridding her of her inhibitions. After lapping her pussy dry if it did not leak constantly, I moved off and pushed Beth’s face into her pussy.

“Your mother-in-law’s pussy’s delicious,” I said. “Bond with her.”

To my knowledge, Beth had never done anything like that before, but we all were hornier than ever before. They both gasped when Beth’s face touched mom’s hot pussy. Beth tentatively acquainted herself with mom’s moist folds, and they hit it off, both moaning happily as I humped Beth’s face and Beth licked mom’s hot pussy eagerly.

While mom moaned joyfully, I bent over behind Beth. I hiked Beth’s dress, exposing her bare plugged ass. I lapped Beth’s sticky pussy and rimmed her stretched asshole a little, making her moan into mom’s pussy. Mom watched as I wormed two fingers into Beth’s pussy and swirled them well inside, getting them well soaked with pussy juices. I extended my sticky fingers to mom. She reluctantly sucked them, and I swirled them within her moaning mouth as she sucked them more and more eagerly.

Climbing onto the sofa, I straddled mom’s legs and by the ankles pushed her legs further back.

“The big baby’s mom can’t be the only one not being fed,” I said, pushing my hard cock in her face.

She turned her face away. I held her face and rubbed my leaky cock head over her lips.

“Hot moms love big cocks,” I said, teasing her lips with my cock head. “Baby’s cock’s big enough for mom.”

She still tried to avoid my cock.

“We’ll all nurse today,” I said as I slowly pushed my cock into her mouth. “You are a big girl. You need cock.”

Mom finally surrendered and opened her mouth for my hard cock. I pushed my cock in, and she sucked it tentatively as I gently thrust in her mouth.

“You are now being a good mom,” I said as she sucked my cock more and more eagerly. “You are a dirty mom.”

She soon sucked my cock hungrily, letting me fuck her mouth deeper and deeper. I soon fucked her face balls deep. She moaned over my cock while I massaged her tonsils thoroughly with my bulbous cock head.

“Honey, give her a nice rimming too,” I called to Beth. “She has a mouthwatering asshole that loves to play.”

“I am doing that already,” she called.

“That’s my girl,” I said. “Make your horny mother-in-law feel at home.”

As mom sucked my cock deeply, she coated it with a thick layer of saliva. I put her copious drool to good use as I occasionally pulled out to rub and slap her face with my sticky cock. She liked that and started to do it on her own.

“You are a very good cocksucker, mom,” I said. “I am proud of you. You should suck my big cock very often.”

“You have a big juicy cock,” she said. “It’s a delight to suck.”

“You are a good slut, mom,” I said. “Suck it. Show your horny son how much you love his big cock.”

She reluctantly let me take my cock away from her mouth several minutes later.

“Don’t panic, mom,” I said. “You’ll get your fill of it and then some. I won’t leave you hungry. This horny baby loves his slut mom. He’ll show her the hottest time of her life.”

Climbing off mom, I knelt behind Beth. I sank my cock slowly into Beth’s pussy and let it soak there while I teased her clit. Beth moaned into mom’s asshole. I yanked my dripping cock from Beth’s pussy and returned it to my eager mom, who swallowed it balls deep in her eager mouth.

“This is another flavor of my wife’s fine original fresh pussy juice, not from concentrate and without any preservatives or additives,” I said as I thrust in mom’s hungry mouth.

Mom sucked my cock eagerly, pulling me by the ass.

“You are a dirty cocksucker, aren’t you?” I teased, slapping her face with my cock.

“Yes,” she said.

“I love dirty cocksuckers,” I said. “I give them all the cock they can handle and then some.”

“I want that,” she moaned.

“You’ll get it, mom,” I said. “You and my big cock belong together.”

“We sure do,” she said. “Thank you, baby.”

“I am so happy you love my big cock so much,” I said.

“Of course I love your big cock, baby,” she said.

“I love every part of your horny body,” I said. “I am going to enjoy it in every possible way.”

“Yes,” she hissed. “I want you to.”

“Are you going to enjoy my big cock in every possible way too?” I teased.

“Oh, yes,” she hissed.

“You are a perfect mom for me,” I said.

“You are a perfect son for me too,” she said.

Beth moaned again into mom’s ass when I sank my cock back into her pussy. I teased her clit again. While keeping my cock in her dripping pussy, I slowly pulled her butt plug out of her ass.

“Taste my slut wife’s luscious ass,” I said, offering mom the butt plug.

She pursed her lips and turned away.

“Come on, mom,” I encouraged, turning her face back straight. “Be a good girl. She has her tongue up your ass, and you refuse to taste hers? That isn’t fair. Besides, her asshole’s delicious. You’ll love it.”

As mom reluctantly opened her mouth and let me push the butt plug in, I removed my cock from Beth’s pussy and pushed it gently into her relaxed asshole. Beth gasped and raised her head high as I stuffed her sizzling ass. She soon returned to eating mom’s ass as my hard cock disappeared slowly up her own. When my balls rested against her pussy, I let my cock rest there while I fingered her clit lightly, making her asshole spasm around me.

Mom tasted the butt plug tentatively before she sucked it into her mouth and proceeded to suck it eagerly.

“Taste the flavor of my wife’s fine ass on my big cock,” I said, replacing the butt plug with my cock.

Mom opened her mouth, and I slowly sank my cock inside. I did not stop until my balls pressed against her chin. I stroked my cock back and forth, letting her suck it hungrily for a while. I thought it was about time she tried my cock elsewhere in her body. I yanked my cock out of her mouth and gave her a long deep kiss. She kissed back feverishly, her tongue wrestling with mine wildly while I squeezed her tits and pinched her stiff nipples.

“I’ll give you more of my big cock very soon,” I said, breaking the kiss.

Leaving the butt plug up Beth’s ass, I ran to the bedroom and brought lube. I squirted lube along my shaft.

“Lube my big fat cock well I can slide it smoothly into the tightest of horny fuck holes,” I said as I pushed my cock toward mom. “It has two horny sluts to take care of.”

“You are a bad boy,” she said, spreading the lube on my cock with her left hand.

Mom rubbed the lube thoroughly into the head and the shaft. I stepped off the sofa and replaced Beth's butt plug with two slick fingers. She gasped and looked back at me, detaching her mouth from mom's crotch. Beth moaned and humped her ass back into my fingers.

"Honey, ride mom's face while I take care of her nether fuck holes," I directed, taking my fingers out of her ass.

As Beth got up and moved onto the sofa, I stuck my slick fingers into mom, one into the pussy and the other up the ass. I pumped my fingers all the way in and out of mom's fuck holes, making her moan. Beth grabbed mom's ankles and mounted her face. Beth moaned as mom's tongue worked at her pussy. I soon had two fingers fucking each of mom's holes. I lubed my fingers thoroughly, working lube inside mom's tight asshole. With more lube, I used three fingers on mom's asshole and one on her pussy. My cock throbbed as I readied her tight asshole for it.

"Your asshole's so tight," I said. "Doesn't dad ever fuck it?"

"No, darling," said mom, her asshole twitching. "Nobody has ever fucked my ass."

"Had they known what they had on their hands, they'd have," I said.

"They wanted to, but I didn't let them," she said.

"You've been a good girl, haven't you?" I said, pushing the butt plug up her ass.

"Oh, yes, but I am now being a bad girl," she said, squirming against the butt plug.

"You are still a good girl," I said. "You are being a dirty girl. Dirty girls are good girls."

"I feel I am being bad," she said as her asshole dilated and accepted the butt plug little by little.

"Your juicy pussy and sweet asshole feel like they belong to the best girl in the world," I said.

After removing my fingers from mom's pussy, I rubbed my cock head up and down her slick pussy lips.

"Mom, I am going to fuck you," I said. "Are you ready to nurse my big cock with your cock-craving pussy?"

"Yes," she hissed. "My pussy's so hungry for it."

"Don't be shy," I said. "Ask me to fuck you with my big cock."

"Please fuck my horny pussy with your big cock," she begged, her pussy oozing fresh juices on my cock head.

She gasped as my cock head opened her dripping pussy and my glistening shaft slid in. My shaft sank all the way in little by little, eliciting several gasps from her. I fucked her with long smooth strokes, and she humped back, stroke for stroke. I pushed my sticky fingers back into Beth's ass as I used my free hand to tease mom's nipples.

"You love whoring yourself to me, mom, don't you?" I teased, fucking mom harder.

"Oh, yes," gasped mom. "You are a good fucker."

"You are a hot slut yourself," I said. "I love fucking you."

"Fuck me, baby," she gasped. "Fuck your slut mom."

"I am going to fuck you better than cheap whores," I said.

"Do that, baby," she gasped.

Since mom had not come yet, her juices flowed freely. I gave her a series of deep, hard thrusts that made her come in a minute. She gasped and groaned into Beth's pussy as I drilled her twitching pussy. She gushed copiously onto my pumping shaft, shoving her hips lustfully into mine. She relaxed limply when her long, hard orgasm ended.

While mom recovered, I stroked my cock slowly in her pussy. As soon as she resumed eating Beth's pussy, I removed my cock from her pussy and aimed it at her asshole as I popped the butt plug out of her ass and into Beth's.

"Do you want it up your horny ass, mom," I said as I squeezed lube on my cock head and shaft.

"Yes," hissed mom.

"Be a good girl, mom," I said. "Beg for it like the dirty whore we both know you are."

"Please fuck my horny asshole with your big cock, baby," she moaned. "Take my virgin ass. Make it yours."

Her asshole dilated slowly as I pushed my cock in gently until my bulbous knob popped up her ass, making her grunt. The inward slide was smoother. She gasped as my shaft sank all the way into her tight ass. I paused there while I stroked her clit with my thumb, making her shudder as her tightly stretched asshole twitched around me.

"Mom, you have a sizzling ass," I said.

"Your big cock feels incredible inside it," she said.

"Your fantastic ass now belongs to me," I said.

“Yes,” she hissed.

“You are now my dirty ass whore,” I said.

“Yes,” she hissed.

As I thrust gently in mom’s clamping asshole, I removed the butt plug from Beth’s ass and had her suck it.

“Mom, feel free to finger fuck Beth’s ass, she loves it,” I said.

Mom wet two fingers in her own drenched pussy and then used them on Beth’s asshole. I pumped my thumb in mom’s leaky pussy while using my free hand to squeeze her tits and pinch her nipples. Her horny asshole milked my entire shaft deliciously, revealing its natural lust for hard cock.

As our ass fucking progressed, it got hotter and harder. My thumb was more active at mom’s erect clit and wet pussy. My heavy balls made audible sounds as they slapped the back of her ass. My thrusts got harder and were accompanied by harder pinching of her nipples and clit. When she stiffened, my thrusts got even harder. Her pussy gushed around my fingers, and her asshole twitched around my cock as her body convulsed in a violent orgasm.

Beth came in mom’s mouth as I pounded mom’s ass until her orgasm subsided. I lubed my cock and climbed behind Beth. I fucked Beth’s ass until she came again in mom’s mouth. I refreshed the lube and drilled mom’s ass.

While mom shook in orgasm, I pounded her ass vigorously. Her asshole milked my cock wildly.

“I am flooding your horny ass with thick creamy come,” I announced as my come exploded into her hot bowels.

“Yes, yes,” she hissed as I slammed into her twitching asshole. “Fill my slutty ass with your hot come, baby.”

Our combined orgasms drained my balls deep inside her ass. She went limp, and I stopped moving as my cock shriveled within her ass. Finally I popped my cock out of her asshole with a soft plop.

“Beth, mom’s drenched down there,” I said. “I am sure she can use your tongue.”

As Beth moved into position, I gave mom my cock to suck. She sucked my cock clean and revived it. I knelt behind Beth and fucked her ass while she continued to lick all the juices off mom’s pussy and ass. She then fingered mom’s come-filled ass. She tasted her sticky fingers and liked the taste. She swirled her fingers again within mom’s ass and sucked her fingers dry. The next time she let mom have a taste of her own come-filled ass.

My cock was harder than rock, plowing my wife’s ass deeply while she and my mom shared the hefty come load I had deposited deep inside mom’s cock-hungry ass. After Beth came, I sat her next to mom.

“You are holding your legs back like a cheap whore,” I said to mom as I lowered her feet to the floor. “Why don’t you take a break while you suck my cock like a cheap whore?”

Standing before my two sluts, I thrust my hard cock between their faces and let them take turns sucking it. Being fast learners, they occasionally rubbed and slapped each other’s face with my sticky cock.

After a while, I arranged Beth on her knees on the floor, letting her rest her head and shoulders on the sofa. I crouched astride her and sank my cock into her ass. My poor wife shivered, and her asshole twitched as my cock slid deep in her ass. She was so horny after all the action she had witnessed and taken part in. I took her ass with long, rhythmic strokes. Her asshole milked me in the same rhythm I used on her. She moaned and pushed her ass back for every new thrust as her fingers teased her pussy.

Beth came wildly around my cock. I fucked her ass gently until she recovered. I gently popped my cock out of her ass and let mom suck it while Beth fingered her own pussy lazily. I was soon astride Beth. She gasped when I shoved my cock head into her drenched pussy. I sank my shaft back up her needy asshole and resumed our heated ass fuck. Within two minutes, she was gasping for air as she got ready to come. Her ass bucked back to take my cock deeply as she shook her head from side to side. She stiffened, and her body convulsed in pleasure. Her asshole milked my cock wildly as I skewered her deeply again and again throughout her orgasm.

Mom sucked my cock while Beth panted for air, recovering from her hard orgasm. I pulled mom to her feet and, holding her by the ass, I pushed my cock into her pussy as deep as it would go. She moaned and her pussy squeezed my cock. I took the chance to kiss her. We started gently, but gradually our kiss got wilder as three of my fingers slid into her ass. We broke the kiss, and my cock pumped her milking pussy while my fingers pumped her hot ass.

“Do you want it in your hot ass again, you cock-craving slut?” I asked.

“Yes,” she hissed, her pussy and asshole twitching in unison.

“Bend over,” I said as I pulled out and turned her around.

She bent over, and I slid my cock into her ass.

“Play with your tits, you dirty fuck slut,” I said as I squeezed her pussy and thrust in her tight asshole.

She obliged me right away. I occasionally spread her ass and watched my cock drill her offered asshole hard.

While my hard cock fucked mom's ass hard and deep, my fingers played with her dripping pussy. Her copious leakage soaked my fingers. I fucked her ass hard, making her tits jiggle in her hands. She grunted with every thrust and shoved her ass back. I held her tightly with one arm, my free hand pumping her pussy as she convulsed in my arms. My faithful cock pounded her ass mercilessly throughout her orgasm. When her orgasm subsided, she could hardly stand on her feet. I popped my cock out of her well-fucked ass and helped her onto the sofa.

Beth pounced on my cock and sucked it eagerly. I bent over and fingered her nether holes, eliciting a few moans and gasps from her full mouth. I pulled my cock from her mouth and put her on her knees on the sofa next to mom. I used my tongue to fuck Beth's asshole while I fucked her dripping pussy with two fingers. I dipped my hard cock in mom's mouth before I sank it into Beth's pussy. I fucked Beth while working my thumb around within her asshole.

Beth came quickly. I lubed her asshole and switched my cock to her ass. She moaned and grunted as I swung her ass back and forth over my hard shaft. I suddenly popped my cock out of her ass and pushed it into mom's waiting mouth. I fucked mom's throat for a while before I took it to Beth's pussy. I switched my cock between Beth's fuck holes and mom's mouth repeatedly until Beth came while I skewered her ass mercilessly.

As Beth recovered from her orgasm, I arranged mom in the same position next to her. I used two fingers to fuck each of mom's nether holes before I drove my cock all the way into her sticky pussy. I fucked her while fingering her hot asshole. She humped back lustfully by the time I switched my cock to her asshole. By the time I needed to hop into another hole, Beth was ready, so I shoved my cock into her leaky pussy and put it to her.

Each horny hole took its fair share of deep drilling until mom was ready to come. I gave mom's ass a couple of extra minutes, taking her through her orgasmic convulsions. Next I dedicated my cock to my wife's pussy and ass. When Beth's ass finished twitching around my cock, I shoved my cock into her pussy and let my come burst into the depths of her mushy pussy. I let her clean my cock with her mouth.

"Your turn to clean Beth with your tongue," I said to mom while Beth's tongue licked the juices off my cock.

Mom used her tongue eagerly on Beth's tender pussy and ass. Meanwhile, I used my tongue on mom's relaxed holes. We had just finished getting the ladies' cracks clean when the baby started crying.

"I am glad he let us have fun this long," smiled Beth as she straightened her dress and answered her baby's call.

While Beth cared for the baby, I sat next to mom on the sofa, and she proceeded to suck my soft cock.

"You don't get enough, do you?" I teased. "You are a slut after my heart."

My cock did not stay soft for long.

"Not with your hot cock looking me in the eye," she smiled. "You have a mouthwatering cock."

"I'd say you were looking it in the eye," I said as I reached over and proceeded to fondle her ass.

"Whatever," she mumbled as she sucked my cock deeper and deeper.

We moved into the sixty-nine position. I used my tongue and fingers to keep her fuck holes occupied while she devoured my hard cock. She came, and I pushed her off and sat up.

"How do you like to breast-feed me while I crotch-feed your cock-hungry ass?" I offered.

"Mmm, I'd love that," she said as she crawled toward me.

"Can you see how wonderful breast-feeding can be?" I said.

"I love all kinds of feeding and being fed by my baby," she said.

She moaned as she straddled me and slowly impaled her ass on my stiff shaft, moaning as her asshole sucked my cock in. I captured a stiff nipple between my lips and sucked it in. She shuddered, and her asshole twitched. I nursed her tits one after the other while I spread and bounced her ass on my cock. She milked her tits into my mouth while her ass milked my cock. We continued our leisurely ass fuck until she came while I gently bit her sweet nipple.

When Beth joined us, I let her sit on my cock. She worked her stretched asshole up and down my shaft while mom licked her pussy. From the intensity of Beth's orgasm I could tell mom was doing a great job on her pussy.

After Beth recovered, I arranged her and mom in the sixty-nine position with mom on top. I pushed my cock into mom's mouth for a little deep sucking, and then I moved around and put it in her pussy. Beth licked mom's clit and my balls while she fingered mom's ass. After mom came, I gave Beth more access to mom's pussy when I moved my cock to mom's ass, replacing Beth's fingers. I grabbed mom's heavy tits and put it to her eager ass.

While fucking mom's ass, I removed my cock from her several times and sank it into Beth's eager mouth. Mom finally gushed in Beth's sucking mouth while I drilled her twitching asshole vigorously. I gently removed my cock

from mom's stretched asshole. As soon as my cock popped out, Beth slid two fingers up mom's ass. I rolled the two ladies over, getting Beth on top. I put my hand on the back of Beth's head and fucked her throat for a couple of minutes. I moved around again and knelt behind her.

Mom had two fingers in each of Beth's fuck holes and was fucking her vigorously, causing Beth to moan and grunt. Seeing my cock approach Beth's pussy, mom removed her fingers from it and guided my hard shaft into its target. I gave Beth the same treatment I had just given mom. When I pulled my cock from Beth's freshly fucked ass, I moved Beth aside and lowered my cock into mom's mouth.

While mom sucked my cock eagerly, I fondled her tits. A few minutes later, I turned around and straddled her belly. I spit between her tits before I took them for a final ride. She squeezed her tits around my shaft, and I gave her cleavage a hard fucking. When it was time for me to come, I spewed all my come on her face and open mouth. Her tongue got some of the flying come and the rest landed on her face. Beth eagerly lapped the come off mom's face.

Beth graciously shared my come with mom, and they teamed up and revived my cock. Our hot night did not come to an end soon. I came in mom's pussy and in Beth's ass before we called it a night.

The next time Beth breast-fed the baby, she was sitting in my lap, her asshole tightly stretched around my thrusting hard cock while mom licked and fingered her dripping pussy.

"The baby grows well when he's nursed by a happy mom," I said.

"Are you sure he doesn't turn hornier than his dad?" teased Beth.

"I hope he does as long as he doesn't take his hot mom away from his dad," I said.

"You better be careful," she teased. "You are doing that to your dad."

"I wouldn't mind sharing if he got himself a hot harem and shared them with me," I said.

"I won't be one of his sluts," she said. "If he wants to fuck tramps, he isn't getting any of my horny holes."

"You can't handle competition?" I teased. "You should be able to handle the little tramps yet to be born."

"I just don't want to break their hearts," she said.

"Don't feel bad about them," I teased. "I'd fuck them."

"What do they call a guy who lusts for unborn girls?" she teased.

"A normal guy," I said.

"Yeah, right," she said.

"Nick, she's running like a river," said mom. "Are you really going to let her fuck her baby?"

"Only if we get a baby girl next time and he trades in two young tramps for his slut mom," I said.

"You must really love me if you want three young sluts in exchange for me," said Beth.

"Not in exchange for you, baby," I said. "They are in addition to half of you."

"You deserve each other," said mom.

"We agree," said Beth.

Mom got her pussy, ass and tits fucked, and she even sucked my cock, while she played with the baby.

"Your dad's a very horny guy," she told him. "He isn't leaving your mom or his alone. Will you take after him?"

"He should just in case I needed help with his mom," I said.

The rest of mom's visit was as fabulous. Her holes had never been that happy, busy, loose or sticky.

"You think your mom's visit can be so much fun?" I teased Beth after we saw mom off.

"You want to fuck her too?" asked Beth.

"Is that the only way her visit could be a lot of fun?" I teased.

"Nick, you were all over your mom you fucked her ten times as much as your dad did on their honeymoon," she said. "Are you telling me there is anything mom can do to compete with that without whoring herself to you?"

"I can't say for sure it's impossible even if I can't think of a single way," I said.

"I don't think that can work with mom," she said. "My mom's more conservative than yours."

"I couldn't see that before what happened with mom," I said.

"I don't know," she said. "I'll leave you on your own. Be careful, but good luck."

"Consider your mom fucked," I assured. "You and I are going to have the happiest mothers-in-laws ever."

THE MATERNAL GRANDMA

Victoria arrived on Saturday morning. She held the baby most of the time till lunch. I took them out to lunch.

Beth made sure her mom had everything she needed to take care of the baby for a week.

“Victoria, excuse me and Beth for a little while,” I said. “If the baby bothers you, you can bring it over.”

“Go ahead,” said Victoria. “He isn’t going to bother me. I’ve taken care of babies before.”

“They turned to be very sexy babies,” I said, pulling Beth to me. “You think you can do that for our baby?”

“He’s already very beautiful,” she said.

“There is a big difference between being very beautiful and being very sexy,” I said. “We want him to make girls wet like I do to his mom.”

“Nick!” chided Beth with a blush, elbowing me.

Her mom blushed too.

“You think you can help him with that?” I said.

“He’s still too young for that,” said Victoria.

“I know, but I think we need to start working on that right away,” I said.

“I don’t know about that,” she said.

“I am sure this is making his sexy mom wet,” I teased. “Not only she isn’t wearing diapers, but she isn’t wearing panties either. I better take her away and clean her up.”

“Nick, stop it!” chided Beth.

“Well, are you wet or not?” I said.

“You can’t talk like that in front of mom,” she said.

“I am sure she knows it’s okay for a hot mom to get wet for her husband,” I said. “So, are you wet?”

“Yes,” she said, blushing.

“I am not too shy to admit that I am thirsty,” I said. “I am ready to clean you up.”

“Stop it,” she said.

“Are you a big baby?” I teased. “Do you need your mom to clean you up?”

“You are embarrassing me,” she said.

“Victoria, don’t feel bad about her,” I said. “She gets wetter when she’s embarrassed.”

She blushed deeper.

“Can’t you see?” I teased, scooping Beth in my arms. “I have to run.”

As I carried Beth, her dress fell down, exposing her bare ass to her mom.

“We’ll be back as soon as I can get her dry,” I said as I walked away. “I am not all that good at that though. She somehow always manages to get wetter and wetter.”

“Stop it, Nick!” she said.

“I think I should, or we’d leave a wet trail,” I teased.

As soon as we got into the bedroom, I deposited Beth on the bed. I left the door open. I pushed my pants and underwear down and pushed my hard cock into her dripping pussy. I pinned her legs down and pounded her pussy.

“You embarrassed me in front of my mom,” she gasped.

“You didn’t want her to know that her prize daughter turned into a dirty whore for her horny husband?” I said. “Moms always think their daughters are sluts. I just reminded her of that. You think that made her wet too?”

“You think she’s a whore?” she gasped.

“I think she still has a usable pussy that craves cock and can be stuffed tightly with my big one,” I said.

“That doesn’t mean she’d let you stuff it for her,” she gasped.

“Her little pussy needs to assert itself and force her onto my big cock,” I said.

“My mom isn’t like that,” she gasped.

"In that case, I got my work cut out for me," I said.

"Good luck," she gasped.

She soon came.

Although we were quiet, Victoria could have overheard us if the television was not loud. The television was not loud because of the baby, so she must have heard her daughter gasp and groan happily.

While Beth recovered, I lubed her asshole. I fucked it gently until she responded to my thrusts.

Beth got fucked in all her holes for several hours. I shot my first come load in her mouth. I shot the next come load up her ass and the next down her throat. The next two come loads went up her ass, which I plugged before I pumped my last come load into her pussy.

Beth and I showered before we came down to her mom just in time for dinner. Beth had to walk funny, but she was obviously sated and happy. So was I.

"Did we take too long?" I said to Victoria. "I hope your grandkid didn't give you a hard time."

"No, he was very good," she said.

"I don't know whom you should really blame," I said. "You have a greedy daughter and a stubborn son-in-law. I don't quit until I've accomplished my mission."

"I am greedy?" protested Beth. "You are insatiable. I can't keep up with you."

"I can't quit before I've accomplished my job," I said. "Would you rather I'd quit before that?"

"Of course not, but don't accuse me of being greedy," she said. "I am normal. Contrary to common beliefs, women need a lot of sex. Men complain about lack of sex, but most women complain about lack of satisfaction."

"You don't complain about lack of satisfaction, do you?" I said.

"I don't," she said. "I am not sure you don't complain about lack of sex though."

"I don't, but I'd love it if you could handle more," I said.

"I give you more sex than all my friends combined give their husbands, but you want more," she said.

"Sex is so good," I said. "Victoria, do you blame me for wanting more?"

Victoria was caught off guard.

"I guess not," she said.

"Well, stud, I am done for the day," said Beth. "If you want more, you have to find some other way."

"Can you refer me to one of your unsatisfied friends?" I teased.

"If I did, the slut would move in with us," she said. "I am not doing that."

"Victoria, do you have any friends who wouldn't move in if they experienced the best sex of their lives?" I said.

"Are you that good?" said Victoria.

"He is and then some," said Beth.

"All my friends are married," said Victoria.

"I have nothing against married women," I smiled. "Their husbands have something against me."

"The ones I know would probably move in with you," she said.

"There is no way I am having sex with whores," I said.

"Of course not," said Beth.

"I prefer married women especially if married to me," I said.

"You only have one wife," she said.

"What about your sister?" I asked.

"She's engaged," she said. "She'd dump him."

"What about you, Victoria?" I said. "You are a hot married woman. Beth wouldn't mind if you moved in."

Victoria was speechless for several seconds, but I continued to await her answer.

"I am your mother-in-law," she finally said, blushing. "I am a married woman too."

"I love married women," I said. "I don't mind that you are my mother-in-law either. On the contrary, I think you deserve satisfaction much more than strangers. Besides, you look like a very hot married woman. I like that."

“Beth would never talk to me,” she said. “I’d lose you both.”

“No, mom,” said Beth. “Feel free to help yourself to Nick. I wouldn’t mind it one bit. I’d appreciate your help.”

“I can’t cheat on your dad,” said Victoria.

“You wouldn’t have to cheat,” I said. “If you gave him all the sex he could handle, giving the leftovers away to a needy horny stud isn’t really cheating. He’d already taken what he can. You shouldn’t throw away the rest.”

“You are not serious,” she said.

“I actually am,” I said. “You’d only hurt yourself...and me. You wouldn’t hurt him either way.”

“You’d really have sex with me if I agreed?” she said.

“I’d love it,” I said. “You are so hot I’d actually send you home unable to walk, sit down or talk but happy.”

“You are a bad boy,” she said. “A man shouldn’t lust for his mother-in-law.”

“He can’t help it when his mother-in-law’s as hot as mine,” I said. “Don’t underestimate yourself.”

“This is a shock to me,” she said. “I don’t know what to say.”

“Say yes,” I smiled.

“I can’t,” she said.

“Try it,” I said.

“I can’t,” she said.

“I am going to have sex with you if you are wet,” I said. “There is no way I’d let you crave it and not get it.”

She blushed deeply but did not reply.

“Let’s now get ready for dinner out,” I said. “We’ll figure out a way to take care of my hot mother-in-law later.”

Beth took the baby and went upstairs. Victoria went to her room to get ready. I followed her in.

“Wear this without underwear,” I said to Victoria, pointing to a red little dress, red heels and purse on her bed.

“I can’t,” she said. “I am a married woman. What would Beth think?”

“I am not going to rape you,” I said. “You are a hot married woman, and you are going out to dinner, looking and feeling like one. You have great tits and ass, and you are going to show them off if only for me.”

“Nick, I am serious I can’t,” she said.

“You can, and you will,” I said. “I want to show Beth that she’s going to be a hot woman at your age. She better not give birth to girls, or their boyfriends and husbands would lust for her like I lust for her hot mom.”

Before she could reply, I turned around and left, closing the door behind me.

We were going to leave half an hour later.

Beth took more time than her mom. Victoria came out walking shyly, dressed as I asked her to. The dress hugged her curves, displayed half of her tits and most of her legs.

“Nick, I can’t go out like that,” said Victoria. “This is outrageous. I didn’t do it on dates when I was young.”

“When were you planning to dress like this?” I asked. “When you were eighty?”

“I wasn’t planning to wear this ever,” she said. “I feel naked.”

“You mean you’d gladly take it off for me?” I teased.

“Nick, I am serious,” she said.

“I don’t want you to take it off for me just yet,” I said. “We don’t have time now, but I assure you you will.”

“Nick!” she chided.

“Just like I thought, you have great tits,” I said. “Does it make you wet?”

“Nick!” she chided.

“If it doesn’t, there is no point in wearing it,” I said. “You may take it off if it doesn’t.”

“It does, and that’s a problem,” she said, blushing.

“Let me guess,” I said. “The problem’s that you don’t remember the last time anything did.”

“Nick, it’s going to ruin the dress when I sit down,” she said.

"I am glad you mentioned that," I said. "You've apparently been a good girl all your life. In this situation, you'd pull the back of the dress from under your hot ass so you'd leave a wet spot on the seat, not the dress."

"Are you serious?" she said.

"You'd rather leave a wet spot on the back of your dress?" I said.

"Of course not," she said.

"Beth and you will be sitting on either side of me so you won't smell each other's aroma," I said.

"You think I can go out like this?" she said. "It outlines my nipples. My nipples are too big to hide."

"Everyone would think you are sluttier than Beth," I said. "My opinion counts most though, and I know that you are not sluttier than Beth yet. Your daughter's a dirty girl."

"That's great," she said.

"Are you going to be a good girl and let me feel up your hot ass quickly before we leave?" I asked.

"No way," she said. "You somehow got me to dress outrageously, but you can't make me behave outrageously."

"I don't want to make you do anything," I said. "You dressed outrageously because you wanted to. I want you to behave outrageously because you want to. You are too hot not to. You were built for fun: yours and mine."

"I don't think so," she said.

"If you are a good girl, I'll let you suck my big cock and drink my creamy come tonight after Beth goes to bed," I said. "She admitted she was out of commission for the day. She wouldn't mind at all. She wouldn't know either."

"You are disgusting," she said. "I am not going to do that."

"Are you going to be a bad girl so I won't let you suck my big juicy cock and drink my hot thick come?" I teased. "Is that what you are saying? You are going to be a dirty girl?"

"I am going to be a good girl, but I am not going to suck your cock," she said.

"It isn't up to you," I said. "If you are a good girl, I am going to let you suck my big fat cock and swallow my warm creamy come. If you are a bad girl, I'll spank your bare hot ass. You just decide to be good or bad."

"I've always been a good girl," she said. "Nothing's going to change about that."

"I hope not," I said. "What changed is that now you know that good girls suck cock and drink come."

"They don't," she said.

"They do, and they love every second of it," I said. "You can ask your daughter too, but you know that already."

"You've corrupted her," she said.

"I don't call that corruption, but I thought *you* taught her to be a fuck toy for her boyfriend and husband," I said.

"I didn't," she said.

"You should have," I said. "I enjoyed doing that anyway. I'll also enjoy teaching her hot mom."

"She isn't going to let you," she said.

"Are you sure the last thing you'll drink tonight won't be my delicious creamy come?" I said.

"Of course," she said.

"I am not going to let you waste your luscious lips," I said, looking at her lips. "I am going to let you suck my big juicy cock to your heart's content and swallow my hot thick come to the last drop because you deserve it."

"That won't happen," she said.

"We'll see," I said.

"We will," she said.

She sat down at the edge of the sofa. I immediately whipped out my hard cock and balls and stood before her.

"Nick, what are you doing?" she said in shock, looking away. "Please put it away."

"Victoria, this is the big cock you'll suck if you are a good girl," I said. "I've already taken it out. I am not putting it back in until you've taken a good look at it, so look straight at it and let's get it over with."

"I can't," she said.

"I'll keep it out until you can," I said. "You may want to do that before Beth comes down."

"Please put it away before she comes down," she said.

“You take a good look, and I’ll put it away,” I said.

“You shouldn’t do this,” she said.

“I am doing it for a good cause,” I said. “This is an incentive for you to be a good girl.”

She slowly turned her face forward and looked at my pulsing cock.

“It’s so big and hard,” she whispered.

“Can you see how it throbs with every heartbeat?” I said softly.

“Yes,” she hissed.

“Can you see how thick and juicy it is?” I said.

“Yes,” she hissed.

“Isn’t this the kind of big fat cock you’d love to suck when you’ve been a good girl?” I said.

“Yes,” she hissed. “I mean no. I am a married woman.”

“You think married women don’t deserve to indulge and suck big lollipops?” I said.

“It isn’t right,” she whispered.

“Your daughter’s a lucky bitch to have it in every hole she has all she wants, isn’t she?” I said.

“Yes,” she hissed.

“It’s a very respectable cock, isn’t it?” I said.

“Yes,” she hissed.

“Give it a kiss on the head,” I said.

“I can’t,” she said.

“You are a hot woman,” I said as I slowly advanced my cock head toward her mouth. “Hot women respect cock. Show your respect. Give it a kiss on the head.”

“This is wrong,” she said lowly.

“Showing respect is never wrong,” I said. “It’s okay to be a polite woman.”

She hesitated before she slowly leaned forward and pecked my engorged cock head, making my cock twitch.

“You are a good girl, Victoria,” I said as I shoved my cock and balls in my pants and zipped up. “Now it’s my turn to show some respect to your juicy little pussy.”

“What?” she said in panic as I knelt before her.

“I want to kiss your little pussy like you kissed my big cock,” I said. “You don’t even have to talk me into that.”

“I can’t,” she said lowly.

“I expect your little pussy to be as soaked as my cock’s hard,” I said, gently parting her knees. “Show it to me.”

“I can’t,” she said.

“I can already smell it, and I like how it smells,” I said. “Let me see it.”

She whimpered and relaxed her legs, letting me pull her knees apart. Her pussy was soaked.

“Why are you shy?” I said, admiring her juicy pussy. “You have an adorable pussy. You should show it off.”

She whimpered.

“Move your ass forward,” I said, pulling her hips forward. “Show it off properly.”

She slid her ass forward.

“Lean back,” I said, pushing her shoulders back. “Let me see it in all its glory.”

She leaned back, and I raised her legs, pushing her knees toward her tits.

“You have a beautiful pussy,” I said, spreading her dripping pussy with my thumbs.

She groaned.

“You have a sweet little asshole too,” I said, spreading her cheeks and exposing her pink little asshole.

“We shouldn’t do that,” she whimpered.

She then gasped when my lips touched her asshole in our first kiss after her kiss to my cock head.

“What are you doing?” she said, her asshole tensing.

"I am kissing your mouthwatering asshole to show you how beautiful I think it is," I smiled at her.

"You shouldn't do that," she said as I lowered my mouth to her asshole again.

She tensed again as I applied my lips and tongue to her asshole, giving it a long deep kiss.

"That's dirty," she gasped as I probed her asshole with my tongue tip.

She gave up when I continued to lick and probe her asshole, which relaxed a minute later. She moaned, letting me have my way with her little asshole. She soon started to squirm. Before long, she humped my tongue. I guided her hands to her ass, and the hussy spread her ass lewdly. That freed my hands, and I fondled her tits and pinched her stiff nipples. She got more and more receptive to my ministrations.

"This feels so good," she moaned.

She continued to get hotter, and I picked up the pace until she had an anal orgasm. She gasped and shook wildly while her asshole ecstatically twitched around my tongue tip. I held the backs of her knees pinning her legs.

"I can't believe that," she gasped when her orgasm subsided.

"You have a hot little asshole," I smiled at her as I swirled a finger within her soaked pussy.

"I didn't know I could have an orgasm like that," she gasped as I popped my slick fingertip up her asshole.

"This knowledge's reserved to dirty girls," I teased, sliding my index finger into her pussy.

"What are you doing?" she asked, her orifices tightening, as I wormed my two fingers into her fuck holes.

"I haven't kissed your juicy pussy yet," I said. "I promised I would."

She gasped when my lips closed around her clit in a soft kiss. I gently worked my fingers in and out of her pussy and ass while sucking her clit. She moaned and squirmed. Her pussy leaked profusely. I effortlessly made her come. Her pussy gushed and both holes twitched wildly around my fingers as I jerked them vigorously within her.

While she recovered, I gently licked her drenched pussy while squeezing my slick index finger into her asshole. She moaned and squirmed but kept her ass spread wide. My fingers were all the way up her ass by the time she humped my face. I tortured her a little before easily making her come. I jerked my fingers within her twitching asshole while she convulsed wildly in her third orgasm.

She moaned softly while I cleaned her drenched pussy with my tongue.

"Your asshole's so tight," I said. "Have you ever been fucked up the ass?"

"No," she said, her asshole clenching defensively.

"Don't worry about that," I said. "I'll take care of it. I won't send you home with any of your holes a stranger to my big cock and creamy come."

"You are too big for that," she said nervously.

"Victoria, I am a real ass fucker," I said. "I know how to handle virgin assholes. I am not a jerk who'd callously shove his big cock up a delicate asshole and ruin it forever. That's why I've already started to prepare your asshole."

"You think it can fit there?" she asked, her asshole twitching.

"It's my job to make my big cock fit balls deep in every one of your three hot fuck holes without any discomfort or pain," I said. "Relax. I've done it before to other sluts. You'll love being my dirty ass whore like your daughter."

She trembled.

"You'll take your first enema tonight and then every morning," I said. "Your hot ass will always be squeaky clean and ready for fun and games. You'll also wear a butt plug like Beth so my come doesn't leak out of your ass."

She whimpered, and her asshole twitched.

"Thank you for letting me kiss your luscious pussy and asshole," I said, slowly pulling my fingers out of her ass.

"You did more than kissed them," she said.

With a smile, I took my fingers to my mouth and sucked them while looking her in the eye.

"I enjoyed that anyway," I said.

While she straightened her dress, I got up and whipped my hard cock and balls out.

"Suck my big cock a little," I said, thrusting my throbbing cock in her face. "Get a preview of what's to come."

"Nick, you'll get us caught," she said, staring at my cock.

"Suck my big cock, Victoria," I said, gently pulling her head. "Don't worry about a thing. We won't get caught."

She opened her mouth, and I slid my cock head in. She sucked it tentatively. I thrust gently in her mouth, and she sucked my cock more and more eagerly.

“I knew that your hot lips were made for my big cock, you dirty cocksucker,” I teased.

She sucked my cock hungrily.

“Can you deep throat?” I asked, tilting her face up with my cock halfway in her mouth.

She shook her head no.

“Tonight I’ll teach you how to deep throat my big cock,” I said. “As I promised, it’s going to go balls deep in every hot fuck hole you have, and you’ll love every moment of it and hunger for more.”

She resumed sucking my cock.

“Are you going to be a good girl tonight?” I said, tilting her face up.

She nodded.

“If you are a very good girl, I may fuck you silly tonight, but you have to be a very good girl,” I said.

She nodded.

“I’ve already got you an enema package and a butt plug,” I said. “You are going to get your first enema as soon as we come back home so I can get to toy with your little asshole as soon as Beth goes to bed.”

She nodded.

“I won’t waste time,” I said. “I’ll stealthily toy with your virgin asshole at dinner. Beth wouldn’t notice. When we come home, I’ll play with it seriously. We’ll get your little asshole ready for my big cock before you know it.”

She nodded.

“You’ve been a good girl,” I said, taking my cock out of her mouth. “Thank you.”

“I can’t believe what we’ve just done in the living room,” she gasped.

“Wait until Beth goes to bed,” I said as I zipped up. “You are in for the hottest time of your life ever.”

“You are a very horny guy,” she said.

“Your lipstick’s messed up, you dirty cocksucker,” I said, pulling her up to her feet. “Let’s mess it up more.”

She was surprised when my lips touched hers, but she kissed back right away. I felt up her ass through her dress before I pulled it up and fondled her bare ass freely while we kissed feverishly. She ground her pussy into my boner.

“I love feeling up your hot virgin ass,” I said, holding her bare ass and touching her asshole with a fingertip.

“You are a dirty boy,” she said.

“Do you like how I treat my dirty mother-in-law?” I said as I spread her ass and popped my fingertip in.

“Yes,” she hissed, her asshole twitching.

“I love your sweet asshole,” I said.

“I love your big cock,” she said.

She refreshed her lipstick, and we got to sit down politely for a few minutes before Beth came down.

“Doesn’t your hot mom look really hot in her hot little red dress?” I said to Beth, making Victoria blush slightly.

“She sure does,” said Beth. “You’ll be staring at her all night, aren’t you?”

“I’ll stare at you a little,” I teased.

“Yeah, right,” she said.

On our way to the garage, I gave Victoria’s ass a gentle squeeze. She smiled nervously. I gave Beth’s ass a squeeze when I opened the back door for her and gave her mom another one when I opened the passenger door for her while Beth was busy with placing the car seat.

“Pull the back of your dress up, and spread your legs a little,” I whispered to Victoria. “Let your pussy breathe.”

She did not pull the back of her dress up right away. I waited for her until she did before I closed the door. Beth pulled the back of her dress nonchalantly, and I closed her door.

When we parked at the restaurant, I carried the baby with my left hand and felt up Victoria’s ass with my right hand as Beth walked to my left. Victoria tensed up a little in the beginning.

When we sat down in our booth, the baby ended up between me and his mom to my right; Victoria, my left.

While we looked at the menu, I snuck my left hand behind Victoria and popped a fingertip up her asshole. She tensed up, and I patiently swirled my fingertip within her asshole, loosening it up. My right hand was in my lap. As I snuck a butter packet off the table, I took my hand off her ass. I generously scooped butter on my fingertips and applied it to her asshole. I carefully and thoroughly buttered up her asshole, and my fingers slid in and out of it smoothly. Her asshole instinctively milked them.

In the course of dinner, I took my hard cock out and led Victoria's right hand to it. She was startled, but she managed to stroke my cock several times. We had casual conversation while I continued to ream out her asshole with my buttery fingers. I took them out of her ass occasionally. By the end of dinner, I was able to get three fingers halfway up her tight asshole. At the end, I used a napkin to wipe her greasy asshole and my fingers and zipped up.

On the way to the car, I felt up Victoria's ass a few times. I opened the doors for both of them.

When we arrived at home, Victoria headed to her room. Beth and I changed quickly and went down to the living room. Beth took her tit out and nursed the baby. I took my hard cock out and thrust it in her face.

"Are you crazy?" she said. "You want mom to catch us?"

"I want her to catch us doing what?" I said. "Is it wrong for my wife to suck my big cock?"

"Not in front of her," she said.

"We are not doing it in front of her," I said. "I am sure she'll take a while before she comes down."

"We don't know what she'd do," she said.

"What would you do if you caught your sister sucking her fiancé's little cock in the living room?" I said.

"I'd go back," she said.

"Exactly," I said, pushing my cock into her mouth.

She opened her mouth and reluctantly sucked my cock. I held the back of her head and thrust in her throat.

"Do a good job," I said. "Let her know that her slut daughter's a dirty cocksucker. There is an excuse for good cocksuckers to suck cock but not for mediocre cocksuckers."

She sucked my cock more and more eagerly, and I fucked her throat.

"Tell him that his slut mom loves sucking his horny dad's big cock as much as he loves sucking her big tits," I said, slapping her face with my sticky cock.

"You are a pervert," she said. "He's still underage."

"He's lucky I haven't found a good position to fuck his mom's big tits while she nursed him," I said.

"It's bad enough that you fuck her ass while she nurses him," she said.

"He can't blame me when the slut comes her ass off when I do," I said. "Tell him, or I will."

"Can you see, sweetheart, how much I love to suck your horny daddy's big fat cock?" she said to the baby. "I love it as much as you love nursing your slut mom's big fat tits."

"Your slut mom's a good girl," I said. "Good moms are good whores for their horny husbands. Be proud of her."

She deep throated my cock for several minutes. I finally put it away and kissed her deeply. I then wiped her face.

"She was braless, wasn't she?" she said.

"You think I kept staring at her?" I said.

"You couldn't have missed that," she said.

"I didn't," I said. "You think the hussy's taking after her slut daughter?"

"I don't think she's wearing a butt plug," she said.

"You did that to compensate for wearing your silly bras," I said.

"You want me to walk around with a wet top?" she said.

"The advantage of that is that nobody would have noticed if I came all over your tits," I said.

"That's all you care about," she said.

"I care about your hot ass more," I teased.

"How can you not?" she said.

Victoria joined us several minutes later.

"You looked so hot tonight," I said to Victoria.

“Thank you,” she said.

“I especially loved how your dress hugged and emphasized your lush tits and fine ass,” I said.

“I am glad you like it and liked them,” she said.

“If you feel jealous of Beth, I’ll gladly nurse your luscious tits,” I said.

“I’ll keep that in mind,” she said.

“You don’t even have to feel jealous,” I said. “I’d do it if I felt jealous of him. He’s sucking great tits.”

“The poor guy doesn’t even know what jealous is,” she said.

“I am sure he would if I grabbed his mom’s other big tit,” I said.

“You should be nicer to your son,” she said.

“I am,” I said. “I am trying to nurse his grandma’s big tits.”

“That’s so nice of you,” she teased.

Beth lounged with us for about an hour before she excused herself.

“I have to put the baby to sleep and go to bed myself,” said Beth, getting up.

“It’s too bad that you can’t handle my company,” I teased.

“It’s too bad for you,” she teased.

Beth kissed me goodnight, and both Victoria and I kissed the baby goodnight.

“Get the butt plug and the lube,” I said to Victoria as soon as we were out of Beth’s earshot. “Let’s have fun.”

“Right away?” she said.

“I’ve recharged,” I said. “I can fuck you all night. We need to start right away if you don’t want Beth to wake up and catch us while I am drilling your cock-starved fuck holes, especially your sweet asshole, in her living room.”

“Are you really insatiable?” she said.

“I am really insatiable when I am with a hot cock-craving slut,” I said.

“I’ll be right back,” she said, getting up.

“Lose your underwear too,” I said. “You are not allowed to wear underwear around here.”

“Okay,” she said.

She soon returned with the butt plug and the lube. I put them aside.

“Kneel down here, and bend over the sofa,” I said. “Push your hot ass out proudly.”

She got into position, and I helped her push her ass out lewdly.

“Hike your dress, and let’s see your hot ass,” I said. “I know the inside of it more than I know the outside of it.”

She hiked her dress, exposing her ass.

“Wiggle that sexy ass of yours, and shake it,” I said. “Show me you are proud of it. I only fuck proud asses.”

She shook and wiggled her ass, making her cheeks jiggle.

“Spread it, and wink with your asshole,” I instructed.

She complied, making my cock throb.

“It’s very beautiful,” I said. “Spread it, and pucker up for a kiss. It was made for kissing as much as fucking.”

She spread her ass and squeezed her asshole. I gave it a long gentle kiss, making her moan.

“Do you like being a dirty girl for your horny son-in-law and his big cock?” I asked.

“Yes,” she hissed.

“Victoria, your hot ass is mine,” I said. “I am the only one who can play with it and fuck it. Do you understand?”

“Yes,” she hissed.

“Are you going to be a good girl and reserve it to the big cock it belongs to?” I said.

“Yes,” she hissed.

“I am going to eat your luscious asshole,” I said, taking her hands off her ass.

Holding her ass with both hands, I proceeded to lick her asshole and tease it. I toyed with it, making her moan and squirm for a few minutes before I let her come with my tongue tip inside her twitching asshole. I lapped up her copious juices while she recovered.

“Victoria, I am going to fuck your hot virgin ass in half an hour, but we are going to take this half hour to get it ready for my big cock,” I said. “I never hurt my dirty whore’s delicate little asshole. Aren’t you my dirty whore?”

“Yes,” she hissed. “Thank you.”

“Spread it, and let’s get it ready for the big cock it belongs to,” I said, grabbing the lube.

She spread her ass wide with both hands, and I generously squeezed lube on her asshole. Her asshole clenched at the coolness of the lube. I worked most of the lube inside her asshole with my middle finger. I added lube and gently corkscrewed two fingers into her asshole. I freed my boner as I patiently squeezed a third finger in. She moaned and humped my fingers. Five minutes later, her asshole stretched comfortably around the bases of my fingers.

“You like getting your horny but virgin asshole ready for the big cock it belongs to, you dirty whore?” I teased.

“Yes,” she hissed, her asshole twitching.

“So do I,” I said, twisting my fingers within her asshole.

Her asshole squeezed my fingers as I slowly pulled them out.

“I’ll pop the butt plug in to keep your asshole relaxed,” I said, adding lube to her glistening asshole.

“Okay,” she breathed.

Her asshole stretched wider and wider under the gentle but firm pressure of the glass butt plug. That looked so hot. She moaned as it stretched and stuffed her ass.

“It’s so big,” she breathed as the butt plug stretched her asshole wide around its thickest point.

“Does it hurt you?” I said, watching her excited pussy leak.

“Not at all,” she moaned. “I love it.”

“You’ll love the real thing even more,” I said.

“I know,” she moaned. “I can’t wait.”

Her asshole soon clenched around the neck of the butt plug. I looked inside her red rectum.

“You are so wet,” I said. “Do you want me to fuck your dripping pussy a little?”

“Yes, please,” she moaned.

“Do you want to whore your hot married little pussy to your horny son-in-law’s big fat cock, you dirty married whore?” I said as I touched my cock head to her soaked pussy, making her gasp.

“Yes,” she hissed.

“You enjoy being a dirty girl for me, don’t you?” I teased as I firmly pushed my cock into her pussy.

“Yes,” she gasped.

She stiffened as soon as my cock head forced her pussy open and popped in, stretching it around the shaft.

“I am coming,” she gasped, shaking.

“You are hornier than a bitch in heat, aren’t you?” I teased, feeding her twitching pussy more of my hard cock.

“Yes,” she hissed. “I’ve never come like this.”

“Now you know which cock you belong to,” I teased, shoving my cock deeper into her gushing pussy.

“Yes,” she hissed.

“Which cock?” I said.

“I belong to your big cock,” she gasped.

She convulsed ecstatically while I squeezed her tits tightly and pounded her shaking frame. I slowed down only when she went limp, gasping for air.

“That was the most incredible orgasm I’ve ever had,” she gasped as she recovered.

“Are you ready to get fucked silly during your stay here?” I asked.

“Oh, yes,” she hissed.

“Busy whores won’t have anything on you,” I said.

"I want that," she gasped.

"Let me work on fulfilling my promise to you," I said.

"Which promise?" she asked.

"I promised to let you suck my big cock to your heart's content and swallow my come if you were a good girl," I said. "You've been a very good girl."

"Yes, I want to suck your amazing cock," she gasped as I slowly withdrew from her.

"Take your fine tits out, and go for it," I said, getting up.

She turned around onto her knees, facing my glistening cock, and pulled her top down, exposing her big tits.

"Get rid of my pants and underwear," I instructed.

"You have such a gorgeous cock," she said, admiring my cock, as she pulled my pants down.

"It's going to show you the hottest time of your single and married lives," I said.

"It already has," she said. "You are an incredible lover. Beth's so lucky to have you."

"Victoria, you hot slut, the jerks you've ever met had no clue how lucky they were for meeting you," I said.

"Thank you," she said.

She held my hips and proceeded to lick and suck her juices off my cock head and shaft.

"I've never been this wet," she smiled.

"You need to be treated like the dirty girl you are," I said.

"Yes," she hissed.

"Do you want me to treat you like the dirtiest whore in town?" I said.

"Yes," she hissed.

She sucked my cock eagerly. A couple of minutes later, I helped her take my cock deeper and deeper. She was soon excited about swallowing my cock balls deep down her throat.

"I am proud of you," I said, slapping her face with my sticky cock, as she gave me her biggest smile ever.

"Thank you so much, Nick," she said.

"Thank me by having the best time of your life, sucking my big cock," I said.

"I will," she said.

She hungrily deep throated my cock, and I thrust gently in her throat.

"Oh, Nick, I love being your dirty whore," she said, smiling at me.

"Are you sure?" I teased.

"Oh, yes," she said.

"I fuck my dirty whores like the dirtiest whores in the world," I said. "Are you up for that?"

"That's what I've been dreaming about," she said.

"Suck my big cock, you dirty married whore," I said. "Show me that your mouth was made for my big cock."

She did devotedly. I bent over and fondled her tits, pinching her stiff nipples and pulling them.

"Sit on the sofa, and let me fuck your big tits," I said. "It's what they were made for."

She complied readily, and squeezed her tits around my cock. I fucked her cleavage while pinching her nipples.

"Lean back, and let me fuck your horny pussy again," I said.

She leaned back and pulled her legs over her head. I pinned them down and fucked her pussy through several orgasms, each harder than the previous one. She gasped and moaned happily, praising me constantly.

"Victoria, you've been so good I want to fuck you in every hole and come inside them," I said. "Do you want me to send you to bed all your slutty fuck holes full of my creamy come?"

"Yes," she hissed.

"Are you ready to have your virgin asshole deflowered and fucked royally?" I asked.

"Yes," she hissed, her pussy twitching.

"Suck my big cock first," I said, pulling out of her drenched pussy. "Get it clean for your cock-hungry asshole."

“With pleasure,” she said as I knelt before her.

Her pussy was soaked. I could only do so much to clean it up with my tongue. I then got up and offered her my dripping cock. She sat up and swallowed it eagerly. I fucked her throat for a minute.

“Lie back, and spread your virgin ass for the last time,” I said as I knelt down. “It will never be virgin again.”

She lay back and pulled her legs over her head, spreading her plugged ass with both hands. Her pussy leaked.

“Are you excited about getting your virgin ass fucked royally?” I said as I gently pulled the base of her butt plug.

“Yes,” she hissed as her asshole dilated to let the thicker part of the plug slide out.

“So am I, Victoria,” I said. “You are giving me a very precious gift by making your luscious ass mine forever.”

She moaned when the thickest point of the butt plug stretched her asshole wide.

“Your asshole’s so pretty,” I said, gently working the butt plug in and out of her ass. “I’ll enjoy fucking it silly.”

“It’s so horny,” she moaned. “It’s so hungry for your big cock.”

She gasped when I popped the butt plug out of her ass. I offered it to her, and she sucked it without hesitation.

“Lube my big cock thoroughly, my dirty whore,” I said as I handed her the lube and thrust my cock in her face.

She gave my throbbing cock a thick coat of lube with the butt plug still in her mouth.

“Beg me to fuck your virgin ass and make you my exclusive dirty whore,” I said as I knelt before her and took the butt plug out of her mouth while parking my engorged cock head at her splayed asshole.

“Please fuck my horny virgin ass with your big cock and make me your exclusive dirty whore,” she said.

“I am going to fuck your horny ass open, you dirty whore,” I said, popping my cock head past her asshole.

“Yes,” she gasped.

Her asshole clenched defensively. I fondled her tits and teased her stiff nipples while I paused. Her asshole relaxed gradually, and I proceeded to feed it my cock little by little.

“It’s so big and nice,” she moaned, smiling.

“Your ass is sizzling hot,” I said, thrusting gently into her ass. “I am going to fuck it to oblivion.”

She stiffened and came when I shoved the last inch of my cock up her ass. I thrust gently into her convulsing ass, squeezing her tits tightly, while she shook wildly. She finally went limp, and I fucked her ass with long slow strokes.

“That was incredible,” she gasped.

“You like being my dirty ass whore?” I teased.

“I love it,” she gasped. “It’s so hot.”

When she recovered, I fucked her ass at an accelerating pace. I pounded her receptive ass through several hard orgasms. Her drenched pussy leaked so much it lubed my cock and her asshole.

“You are a real stud,” she gasped almost after every orgasm. “You must be the best fucker in the world.”

“You are a real slut,” I replied with a smile. “You must be the dirtiest mother-in-law in the world.”

After several orgasms, I switched my cock between her pussy and ass, and I finally included her mouth.

“Do you want to swallow my come like I promised?” I asked, slapping her face with my cock.

“Yes,” she hissed.

“Get down on your knees, and get what you’ve earned,” I said as I popped the butt plug up her ass.

She knelt down and deep throated my cock eagerly. I fucked her throat reasonably hard.

“Open wide,” I said as my cock swelled. “Your prize has arrived.”

She opened her mouth, and I shot my come against the back of her throat. She swirled it and swallowed it all.

She continued to suck my cock until it was hard again.

My next come load went deep up her twitching ass well over an hour later.

It was after two in the morning when I shot my last come load deep in her pussy. The butt plug up her ass kept my come inside. She was completely fucked out but happy as she sucked my cock clean and I cleaned her pussy.

“You are incredible,” she said. “Beth must be the luckiest wife in the world.”

“Are you going to be the luckiest mother-in-law in the world by whoring your hot slutty self to me?” I asked.

“I already am,” she said.

"Is my dirty whore happy?" I asked.

"She's never been this happy," she said.

She was so tired I carried her and put her in bed. We concluded our hot night with a deep goodnight kiss.

Beth and I woke up at eight. She could not sleep later while she had a baby. She was coming out of the shower when I got up and headed to the bathroom.

"Have you recovered?" I asked, pointing to my boner.

"I had to," she said. "If I didn't, you'd go off fucking some slut or another."

"Get your baby down, and get your ass ready for some serious morning drilling while you nurse him," I said.

"You want to fuck me in the living room with mom here?" she asked.

"I am sure we can fuck for an hour or more before she wakes up," I said. "It's Sunday."

When I went down, she was on her knees bent over the baby, nursing him, as he lay on the sofa. I knelt behind her and hiked her dress, exposing her plugged ass. I aimed my cock at her leaky pussy and proceeded to fuck her.

"Little man, did you say good morning to your slut mom, or do you say good morning to her by sucking her tits?" I said to the baby. "Your dad says good morning to her by fucking her in every hole she has."

"He may get mad at you for using his mom like a whore," she said, fucking back.

"She isn't complaining," I said. "She's soaked."

"That may make him mad at the two of us," she said.

"We are making sure he drinks the milk of a happy woman," I said.

"We sure are," she said.

"You think the sex hormones in your milk will make him a horny guy?" I said.

"Unfortunately they are female sex hormones," she said.

"You mean he may turn gay?" I said.

"I don't think so because of the come you feed his mom," she said. "I think that cancels out my sex hormones."

"I guess I should feed you more come," I said.

"You don't want my milk to taste of come and make him develop a taste for come though," she said.

"Hey, kid, if you turn gay, I'll disown you," I said. "I want you to be a horny stud like your dad. I'll even share your slut mom with you if you earn her. I'll let you share your girlfriends with me too."

"You sure are a great dad," she said.

"Of course," I said, fucking her harder.

She soon came, and I unplugged her ass and put the butt plug on the end table. I squeezed lube on my cock and pushed it into her asshole. She moaned as I filled her horny ass with cock.

"Last night after putting the baby to bed, I tried to go to sleep, but sleep eluded me," she said as I fucked her ass at an easy pace. "I thought about coming down to chat with you and my mom for half an hour or so."

"That was a great idea," I said. "Why didn't you come down?"

"When I came down, I found my mom on her knees sucking your big cock like her life depended on it," she said.

"Are you sure?" I said. "Your must have been seeing things. Your mom isn't like that. She's a good woman."

"I am sure," she said. "She had her dress collected around her waist, and she was telling you how she loved being your dirty whore. She sucked your big hard cock like a dirty whore no less."

"If that's true, she must be a dirty slut," I said. "I didn't know I was marrying into a slutty family."

"How did you get her to do that within twenty minutes?" she asked.

"You mean how did I get her to be a dirty slut?" I teased. "I think she was born that way."

"You naturally spent half the night fucking her," she said.

"If she were half as dirty as you've just described, I wouldn't be able to keep her away from my cock," I said.

"No wonder she's still asleep," she said. "She must need days to recover. Did you fuck her in the ass?"

"If she was that horny, I am sure she must have gotten me to fuck her in every horny hole she had," I said. "I wouldn't put it past her to have swallowed my come in every hole too."

"I didn't know my mom could be such a whore," she said.

"Oh, you thought you were genetically modified?" I teased.

"I know I got my genes from her, but she's a married woman," she said. "Heck, she's a grandma."

"She's a wise woman," I said. "The wiser a woman is, the more she values good cock."

"You are happy, aren't you?" she said.

"Of course I am happy for being married to the hottest slut in the world," I said.

"Which happens to be the daughter of the dirtiest slut mother-in-law in the world," she said.

"You think she's dirtier than my mom?" I said.

"Yes," she said.

"I don't know whether to feel proud or embarrassed," I said.

"You should feel happy," she said. "Regardless of which is the dirtier whore, they are both your dirty whores."

"I told you I was happy," I teased.

During the following hour, I switched my cock between her pussy and ass several times. I even had her suck my cock while she continued to nurse the baby. She came many times.

It was while I watched Beth's stretched asshole as I fucked it deeply at an easy pace that I noticed a movement in my peripheral vision. When I looked up, I saw Victoria. I beckoned her just as she backed up and turned to leave. She hesitated, and I insisted. She finally came over.

"Good morning," said Victoria lowly, startling Beth.

"Good morning, Victoria," I said, thrusting in Beth's ass. "Kneel down, and spread your slut daughter's ass."

"Are you having sex while she's nursing the baby?" she asked.

"You should have seen her deep throat my cock while she did," I said. "His slut mom's my slut wife."

"You are having anal sex," she said as she knelt next to me.

"That's why I want you to spread her ass for me," I said. "The slut loves it."

"This is so depraved," she said as she reached out and spread her daughter's offered ass.

"It's fun to have a cock-craving wife," I said. "Can you see how her horny asshole swallows my big cock?"

"Yes," she said lowly as I reached under her dress and captured the base of her butt plug.

"Can you see that I fuck your horny daughter properly?" I said as I pulled her butt plug.

"Yes," she said as the butt plug slid out.

"Sluts apparently love to have their assholes stretched wide and fucked deeply," I said, pumping the butt plug.

"Yes," she said.

"You think I should fuck her horny ass harder?" I said, picking up the pace with both asses.

"Yes," she said.

"Do you know that she's so dirty she'll suck my big cock when I take it out of her ass?" I said.

"She is?" she said.

"Yes," I said. "She keeps her ass squeaky clean."

Beth came soon. I pounded her ass vigorously while jerking the butt plug within her mom's ass.

"Can you see how her asshole gapes?" I said when I pulled out of Beth's ass.

"Yes," said Victoria.

"Keep it spread," I said, getting up. "I'll let it rest for a few minutes."

Victoria hesitated when I offered her my cock. She did not resist when I held the back of her head.

"Your mom now knows that you are a whore," I said.

Beth looked back to see me fuck her mom's throat.

"She knows that you have a delicious asshole too," I said.

"You are a horny pervert," she said.

"Your daughter's being a bad girl," I said to Victoria while thrusting in her throat.

“You like this,” said Beth.

“Of course not,” I said. “I want my wife to be a very good girl like her mom.”

“My mom’s being a very bad girl now,” she said.

“Bend over next to her,” I said, slapping Victoria’s face with my cock. “Let’s show her you are a good girl.”

Victoria let go of Beth’s ass and bent over next to her.

“I am going to fuck your pussy first,” I said as I hiked Victoria’s dress and rubbed her leaky pussy with my cock head. “Beg me to fuck your married pussy and show your daughter that you are a dirty married whore.”

“Please fuck my horny married pussy and show my daughter that I am a dirty married whore for you,” she said.

Her statement was followed by a gasp as I slid my hard cock halfway into her soaked pussy.

“You are a married woman,” said Beth as I fucked her mom at an accelerating pace. “How did he seduce you?”

“Your husband’s the horniest and best lover in the world,” gasped Victoria. “I haven’t had sex until he seduced me last night and showed me what sex was all about.”

“He didn’t seduce you,” said Beth. “He turned you into a whore for his big cock.”

“Yes, sweetie,” gasped Victoria, stiffening.

Victoria shook in orgasm, and I drilled her gushing pussy vigorously.

“She’s a total whore for you,” said Beth as her mom convulsed wildly.

“I told you she was a good girl,” I said.

When Victoria recovered, I popped the butt plug out of her ass and pushed it into Beth’s mouth.

“You are dirty,” said Beth before she took her mom’s butt plug in her mouth.

“Be a good girl, and return the favor,” I said, lubing Victoria’s asshole. “Spread your mom’s horny ass.”

The baby was asleep. Beth let go of him and spread her mom’s ass. I impaled it on my cock and proceeded to fuck it at an accelerating pace.

“You are letting him fuck you in the ass,” said Beth, taking the butt plug out of her mouth.

“There is nothing I wouldn’t let your husband do to me,” gasped Victoria.

“Have you ever let dad fuck your ass?” said Beth.

“Of course not,” gasped Victoria. “I am not your dad’s whore.”

“You’ve completely corrupted her,” said Beth.

“I spoil her,” I said. “I give her all the cock she can handle and then some.”

Beth did not hesitate to taste her mom’s ass on my cock.

By lunch time, they had eaten my come out of each other’s ass.

After lunch, Victoria squatted in my lap in the cowgirl position, and I sucked her tits while I fucked her pussy and ass. I fondled her tits and pinched her nipples while I fucked her throat in the reverse doggy position.

The rest of the day and every evening of the week was an open orgy. I fucked Victoria in every hole she had while she held the baby. I also fucked her tits while she talked to him about how horny his dad was. I fucked her pussy and ass while she held him on her chest.

Victoria even talked to her husband and her other daughter on the phone, telling them she was holding the baby and playing with him. She did not tell them that I was meanwhile holding her tits and playing with them while I fucked her eager ass vigorously and that was the main reason she was gasping.

“Your mom’s visit turned out to be even more fun,” I said to Beth.

“Thanks to your perversion and my mom’s depravedness,” she said.

“I am the same pervert, but your mom’s a total whore,” I said.

“That’s true,” she said.

“Let’s hope we can have fun next week too,” I said.

“You want to seduce my engaged little sister?” she said.

“Of course not,” I said. “I am just hoping she’s a slut like her mom and sister.”

“Yeah, right,” she said.

THE MATERNAL AUNT

Victoria spent Friday afternoon getting fucked silly before I sent her home well-fucked and full of come in all sated holes. Her daughter, Lisa, arrived on the following morning.

“Are you getting prettier every time, or am I getting more appreciative of beauty?” I said to Lisa.

“You are getting more flirtatious,” said Beth as Lisa blushed.

“Maybe your sister agrees with me that she’s getting sexier every time,” I said. “Let her answer.”

“I don’t think so, but thank you,” said Lisa.

“Don’t be shy,” I said. “I think your sister’s a little jealous because I no longer flirt with her.”

“Why don’t you flirt with her?” asked Lisa.

“I am busy doing hotter things with her and to her,” I said.

She blushed.

“You don’t have to blush,” I said. “I just think teasing her sister is hotter.”

“Don’t tease my little sister,” said Beth.

“She’d rather I flirt with her,” I smiled at Lisa.

“Of course,” said Beth.

“I like your boobs, but unfortunately I can’t show you that while I am renting them out to our son,” I said.

“You are renting them out?” she said. “How much is he paying?”

“I am renting them out as long as he keeps ridding them of their milk,” I said.

“I am not only boobs,” she said. “I have other parts.”

“I don’t flirt with your other parts,” I said. “Those I use them heavily as you know.”

“You are outrageous,” she said. “You shouldn’t speak like that in front of Lisa.”

“Lisa’s family, aren’t you?” I said to Lisa.

“Yes,” she said shyly.

“You are engaged too,” I said. “You know that a husband has to use his wife’s parts heavily but properly.”

“Yes,” she said shyly.

“Your sister’s complaining,” I said.

“I am not complaining about that,” said Beth. “I am complaining about your telling my sister all about it.”

“I am only telling her that between me and my son we are using her sister thoroughly,” I said.

“As a matter of fact, you are,” she said.

“You are a big girl, Lisa,” I said. “You should know that a baby sucks his mom dry, and hers has a juicy mom.”

“I love it though,” she said.

“Me too,” I said. “Who doesn’t like having a juicy wife?”

We sat down in the living room, and Beth was soon nursing the baby.

“This baby’s sure a lucky one to have those big fine tits,” I teased.

“You think he likes big tits like his dad?” said Beth.

“Your tits aren’t only big, but they are also gorgeous,” I said. “Unfortunately he can’t use them properly.”

“You are a dirty dad,” she chided. “Babies don’t use their moms’ tits like you think.”

“That’s because they are naïve,” I said. “They don’t know any better.”

“Like you knew better and used your mom’s tits properly,” she said.

“I was naïve too, but I have the decency to regret it,” I said.

“Do you have the decency or the indecency to regret it?” she teased.

“I have the decency because I think it’s the right thing,” I said.

“How exactly do you suggest a baby can use his mom’s tits?” she asked.

"I know his thing's too small and useless, but he at least can pee on them," I said.

"You are disgusting," she said. "You want him to pee where he eats?"

"Only a few months ago, he was drinking his pee straight," I said. "Is he too good for that now?"

"Yes, my baby's too good for that," she said. "I am not letting his dad do anything bad to his mom's tits either."

"Like I'd do anything bad to my wife's lovely tits," I said.

"I am not letting you have sex with them or shoot your sticky stuff all over them until he's weaned," she said.

"I don't think so," I said. "He's lucky I don't do that while he's nursing."

"You are a disgusting pervert," she said.

"I have the right to use my wife's parts," I said. "That isn't disgusting or perverse. What do you think, Lisa?"

"I don't know," said Lisa shyly. "I've never thought about that."

"Don't you think I have the right to use my wife's tits fully when he isn't using them as long as I don't ruin them for him or prevent him to use them whenever he wants?" I said.

"You shouldn't desecrate them though," she said.

"If that's desecrating, should she let me do it ever?" I asked Lisa.

"I don't know," she said.

"What would you do if you were in her place?" I asked.

"It isn't easy to imagine it now," she said.

"If I were your husband, I wouldn't let you get away with that," I said.

"Thankfully you are not," said Beth.

"I hope he remembers this for you when he's big and useful," I said.

"I am not going to tell him how perverse his dad was," she said.

"I may tell him myself," I said. "I want him to let me use his wife's tits for my letting him use my wife's."

"If you were that perverse then, you'd be old and useless," she said.

"Don't count on it," I said.

After lunch, I went with Lisa to her room.

"Lisa, I got you this outfit, these shoes and this purse so you'll wear for our dinner out tonight," I said.

"You didn't have to do that," she said.

"There is a catch," I smiled.

"What?" she said.

"You can't wear underwear with them," I smiled.

"I never go without underwear even in the house," she said.

"You are a hot young woman," I said. "If you don't have fun now, when are you going to? You are not married yet, so have some fun in a safe environment."

"I'll think about it, but I doubt it especially with how revealing it is," she said.

"The girls who wear it aren't more deserving of it," I said. "Think well about it. I want you to look your best."

"I will," she said. "Thank you."

Beth nursed the baby after lunch. I motioned Lisa to come to the kitchen, and she did.

"You heard your sister act high and mighty about being a proper mom, right?" I said.

"Yes," she said.

"Hide here, and watch," I said.

"What are you going to do?" she asked.

"I'll show you that she's a pervert," I said. "Just hide and watch. When you have enough, come over, and give her a hard time about doing that while nursing her baby."

"It isn't something bad, is it?" she said.

"Not really," I said. "You are a big girl. You can handle some adult play."

“Okay,” she said.

“Give me at least five minutes, and then come out,” I said.

“Okay,” she said.

“Promise,” I said.

“I promise,” she said.

“Your naughty sister gets turned on by nursing her baby,” I said. “Watch, and enjoy.”

My boner throbbed as I approached Beth.

“Are you ready to show your little baby what a slut his mom is?” I teased lowly.

“Am I going to show the little baby or his aunt?” she said quietly.

“Both,” I said.

“Yes,” she whispered. “I am horny.”

“Is this what you want?” I said as I whipped my hard cock out and thrust it in her face.

“Yes,” she hissed.

She opened her mouth and leaned forward when I pushed my cock forward. She proceeded to suck my cock eagerly. She soon deep throat it hungrily. I occasionally took it out and slapped or rubbed her face with it.

“You must be proud of your slut mom, aren’t you?” I teased, rubbing my sticky cock over her left cheek.

He naturally was oblivious to all that.

“She’s a great cocksucker,” I said. “You should be very proud of her.”

Beth took my cock back in her mouth and sucked it eagerly. I held the back of her head and fucked her throat. I waved Lisa in with my free hand. She reluctantly came over.

“Beth, what are you doing?” asked Lisa as I continued to thrust in her sister’s throat.

“Nursing makes me so horny,” said Beth, briefly taking my cock out of her mouth.

“Is this how you respect your baby?” said Lisa. “You are doing this while nursing him?”

“His dad isn’t using my tits,” said Beth, rubbing her face with my cock. “He’s using my mouth and face.”

“Lisa, can you get your dirty sister a few paper towels so she can wipe her face and mouth?” I said.

“Sure,” said Lisa.

Lisa brought the paper towels. She waited for a minute while I fucked her sister’s throat. I finally pulled back and got rid of my shorts and underwear. Lisa handed Beth the paper towels. I sat on the opposite end of the sofa while Beth wiped her face. Lisa stood before Beth.

“I am getting jealous,” I said to Lisa. “Are you going to be a good girl and let me nurse your fine tits?”

“You are not a baby, and I am not your mom,” said Lisa.

“That’s okay,” said Beth. “He’s a big baby. Our mom and his mom let him nurse their tits.”

“They did?” said Lisa in surprise.

“Yes, and they liked it,” said Beth. “You can sit in his lap and let him nurse your tits a little.”

“I am his sister-in-law,” said Lisa.

“That’s okay,” said Beth. “It’s fun. Give it a try. You’d like it. He already likes your tits.”

“He isn’t dressed,” said Lisa.

“Don’t worry about that,” said Beth. “He likes to show off his big cock. Sit in his lap, and let him at your tits.”

To help Lisa make up her mind, I got up and gently pulled her toward me.

“Before you sit in my lap, I’d like you to kneel down and give my big cock a kiss to show it that you have no hard feelings,” I said. “This is clean family fun, so, if you have a dirty mind, don’t let it go wild.”

“I can’t kiss your thing,” said Lisa.

“Go ahead, and kiss it,” said Beth. “It means a lot to him. It feeds his ego and makes him feel good about you.”

“Take a good look at it, and give it a nice kiss,” I said, gently nudging Lisa’s shoulders down. “It likes to be appreciated by hot women. You are definitely a hot woman, and a hot woman appreciates a big juicy cock.”

Lisa reluctantly went down to her knees. My cock throbbed before her eyes.

"It's so big," she said lowly as she inspected my cock.

"It's beautiful, isn't it?" said Beth.

"Yes," said Lisa.

"It's so juicy and appetizing," said Beth. "That's why I can't resist it. It deserves to be kissed, doesn't it?"

"Yes," hissed Lisa.

"Show it you are a good girl," I said. "Good girls like you can't resist my big fat cock. Kiss it."

Lisa tentatively kissed my cock head, making my cock twitch.

"Thank you," I said as I tilted her face up and tapped its side with my bulbous cock head. "You are a good girl."

She did not reply.

"Are you going to let me kiss your luscious tits before I nurse them?" I said as I sat down and pulled her to me.

"I don't know," she said lowly as she came toward me.

She cooperated as I helped her sit in my lap, facing me.

"Don't you think it's my right to be a good boy and kiss them?" I said as I pulled her top up and off.

"I don't know," she said lowly.

"It is," I said, unfastening her bra. "You'll be a good girl and let me kiss them, won't you?"

"Yes," she hissed as I tossed her bra aside, exposing her lovely tits with the stiff pink nipples.

"They are so sweet," I said, admiring her tits. "They deserve to be kissed. I am lucky I beat your babies to them."

She gasped softly when I kissed her right nipple. She gasped again when I kissed her left nipple.

She gasped sharply when I took her right nipple in my mouth and sucked it. I held her bare waist and sucked her nipple firmly for a minute. She stiffened initially and then relaxed. Her hand came behind my head. I lowered my hands to her ass, and pulled her closer to my hard cock as I took her left nipple in my mouth.

"You think your nephew's getting jealous of his dad as he sucks his aunt's delectable nipples?" I teased.

"Why is that?" said Beth. "I have the bigger tits, and mine are full of delicious milk."

"Maybe you are getting jealous of your sister," I said.

"Why is that?" she said.

"She has the better tit sucker and the one with the big cock," I said.

"Don't be so full of yourself," she said. "My baby makes me so horny I'd do the dirtiest things. I don't think you can do that to my sister as easily no matter how good a tit sucker you think you are."

"If that's true, it may be because you are a cock-craving slut and she isn't," I said.

"That isn't my problem," she teased.

"Your sister's a very hot girl," I said. "You shouldn't feel so confident about winning."

"If you can turn my little sister into a dirty little slut that can compete with me, knock yourselves out," she said.

"Lisa, work with me," I said. "Let's beat your slut sister. She doesn't take you seriously. I know we can win."

Lisa gasped and moaned, holding my head, as I sucked her nipples eagerly, regularly switching my mouth between them. She did not resist as I gradually pulled her skirt up and pulled her pussy closer to my throbbing cock. Within five minutes, I was tightly holding her ass through her panties, and she was subtly humping my boner.

Once we settled into that, I gradually pulled the back of her panties toward her left ass cheek. Within a couple of minutes, I had her ass crack exposed, the back of her panties out of the way. She did not resist but trembled when I spread her ass and pulled her pussy into my hard cock. She trembled as I touched her asshole with my middle finger.

"Don't let her know that I am touching your hot ass," I whispered as I gently pressed my finger into her asshole.

"You shouldn't do that," she whispered, trembling.

"I like your hot ass too much," I said. "Relax. I am going to loosen up your little asshole for you. You'll love it."

"I don't know," she said lowly.

Her asshole relaxed under my fingertip. Her pussy was also exposed. It leaked over the base of my cock. She did not protest when I pushed my cock inside her panties, making its entire length press into her bare flesh.

“Lisa, I want you to hold the lube for me and squeeze some on my fingers,” I said, handing her the lube with my left hand. “It will help your sweet little asshole relax and accept my fingers smoothly and painlessly.”

“I’ve never done anything like that,” she said nervously.

“I know,” I said. “That’s what makes it even more important that we do this. You deserve the best.”

“Wouldn’t that hurt?” she said.

“No way,” I said. “Nick doesn’t hurt his little sluts. You are Nick’s little slut, aren’t you?”

“Yes,” she hissed, trembling.

“Squeeze lube generously on my fingers,” I whispered.

She squeezed lube on my fingers, and I took them to her asshole. She tensed as I massaged her asshole and worked some of the lube inside it.

“Relax, Lisa,” I whispered, swirling my slick finger within her asshole. “Tight little assholes are your horny brother-in-law’s favorite toys. Your sweet asshole’s in good hands. It’s going to have a lot of fun tonight.”

She moaned and squirmed, leaking profusely on my cock and balls while I worked my fingers inside her virgin asshole. Before long I had two fingers all the way in. I reamed her asshole out for a few minutes while sucking her nipples. She moaned quietly, holding my head and humping my cock and fingers more and more urgently.

“Are you going to be a good girl and go to dinner with us without underwear?” I whispered.

“Yes,” she hissed.

“I’ll stop sucking your delicious tits and finger fucking your sizzling asshole,” I said. “I’ll just watch you hump my big cock and slick fingers to orgasm. I want to show your sister that you are a hot slut. Will you do that for me?”

“Wouldn’t she get mad at me?” she asked.

“Of course not,” I said. “She challenged you to be hornier than her. Besides, you are my little slut. Good sluts do as their studs tell them to do. If you want the best sex of your life, you need to move your hot little ass literally.”

Lisa hesitated for a few seconds before she started humping my cock and fingers at an accelerating pace. Beth watched. I held the panties out of the way with my right hand as I held my left hand for Lisa to finger fuck her ass.

“Show her you are a dirty slut for her horny husband,” I whispered. “Show her that you love his big cock as much as she does. Show her that her husband’s big cock’s your favorite cock and idol. Be completely shameless.”

Lisa thrust her ass back and forth harder and harder. She soon stiffened and came. She did not announce her orgasm. She just shook wildly and gasped breathlessly. I held her ass tightly and jerked my fingers within her twitching asshole until she went limp. She was out of breath but feeling good.

She returned my smile with a shy smile. I pulled her to me, and we had our first kiss, which was long and fiery.

“Do you know what you are going to do next?” I whispered.

“What?” she gasped.

“You are going to work my big cock inside your hot little pussy,” I whispered. “When it’s balls deep inside you, you’ll look her in the eye and tell her that you love her husband’s big cock more than any other cock in the world.”

Her pussy and asshole twitched.

“Are you going to be a good little slut for me and do that for me and my big fat cock?” I whispered.

“Yes,” she hissed, her orifices twitching again.

“Do it, Lisa,” I whispered. “Show your sister she should be jealous of her horny husband’s new hot little slut.”

While holding her panties and keeping my fingers up Lisa’s ass, I helped her raise her ass and guide my cock into her pussy. She grunted when my cock head opened her drenched pussy and slid in.

“It’s big,” she gasped.

“You are my little slut, but you are dirty enough to handle your brother-in-law’s big cock, aren’t you?” I teased.

“Yes,” she hissed.

She moaned and gasped as she worked her pussy down my shaft.

“It stuffs my little pussy so tightly,” she whispered. “I love how it feels inside me.”

“So do I, you hot little slut,” I whispered. “This is only the beginning though. You’ll love being my little whore.”

She was oblivious to her sister, who watched intently.

When she shoved her ass down, taking the last of my cock into her pussy, she stiffened and came.

"I am coming," she gasped, announcing her orgasm.

"Come for my big cock, my little whore," I urged. "Show your slut sister she doesn't have exclusive genes."

She convulsed ecstatically, her orifices twitching madly around my cock and fingers. I jerked my fingers within her as her pussy gushed around my cock.

"That was amazing," she gasped when her orgasm subsided.

"Tell her," I whispered.

"Beth, I love your husband's big cock more than any other cock in the world," she said, looking at Beth.

"You are a whore," said Beth. "Your fiancé doesn't know what a dirty whore his fiancée is."

"Of course she's a whore," I said. "She's my dirty whore, nobody else's. Isn't that right, Lisa?"

"Yes," said Lisa.

"Tell her you are my whore and that's none of your fiancé's business," I said.

"I am your husband's dirty whore, and that's none of my fiancé's business," said Lisa, her holes twitching.

"Any girl can come her ass off when she impales her little pussy on a big fat cock," said Beth. "Let's see what else your self-proclaimed dirty whore can do. Let her show me how clueless her fiancé is."

"You are going to show her that you deserve to be my dirty whore, aren't you?" I asked Lisa.

"Yes," she said. "I am going to let you fuck me like I've never been fucked before."

"Why don't you come your hot little ass off all you can on my big cock?" I said. "I'll use you thoroughly later."

"Okay," said Lisa, riding my cock. "I want you to use me like a cheap whore."

"Tell her you have a virgin asshole and you are going to let me fuck it royally and fill it with hot creamy come," I whispered, making her holes twitch.

"Beth, I have a virgin asshole," she gasped. "I'll let your husband fuck it royally and fill it with creamy come."

"He's apparently turned you into a real whore," said Beth. "Your fiancé would have been very proud of you."

"Of course I am a real whore," gasped Lisa. "My fiancé's a nice guy. He can't handle me. You'll see."

"He'd have been better off proposing to a whore," teased Beth.

"Are you going to let me fuck your hot tits and come all over them?" I whispered.

"I am dirtier than any whore," said Lisa. "I'll also let your husband fuck my tits and come all over them."

"You think you are a big whore, but you can't even suck his big cock like you saw me suck it," said Beth.

"I'll do my best," gasped Lisa. "What matters most is that I'll never say no to him."

"I'll teach her how to suck my big cock," I said. "Being a big whore is all about attitude and ambition."

"Do you aspire to be your brother-in-law's biggest whore?" said Beth.

"Yes," gasped Lisa. "I'll never say no to him or to his amazing cock."

"You'll face stiff competition," said Beth. "Are you going to call your fiancé while you hold the baby and Nick fucks your ass? Your mom called your dad and you on the phone while she held the baby and Nick fucked her ass."

"Nick fucked mom?" gasped Lisa, her holes twitching.

"You thought you were the only whore in town?" laughed Beth. "Nick fucked his own mom in every hole."

"Is that true?" gasped Lisa.

"They all wanted the big cock you are enjoying," I said. "They were all hot sluts. I don't say no to my whores."

"What do you think now?" teased Beth. "Are you up to the challenge?"

"Yes," gasped Lisa, stiffening. "I am more persistent now."

Lisa shook in a hard orgasm and then went limp.

"Don't let your sister intimidate you," I said. "You'll be one of my biggest whores. I only fuck the best."

"Thank you," said Lisa quietly.

She kissed me gently on the mouth.

"Being one of the best means that you need to come on my big cock many times," I said. "You are not done."

"Of course not," she said, rocking on my cock. "I'll show her I am serious about being her husband's whore."

"Beth, I love your sister," I said.

"Do you love her enough to give her the best fucking of her life?" said Beth.

"He already has," gasped Lisa.

"I obviously love her much more than that," I smiled.

"Nick, I love your big cock," she gasped.

"Enjoy it, baby," I said. "Your slut mom didn't spare an effort to enjoy it with every hole she had."

"I wouldn't have believed mom would do that had I not tried it myself," she gasped.

"I bet you didn't even know you were such a dirty whore yourself," I said.

"Not that either," she gasped. "Am I ever glad I've found out."

"I bring the best of hot women," I teased.

"You apparently do," she gasped.

"Is your little pussy happy?" I teased.

"Oh, yes," she gasped. "It's never been this happy."

"What about the little slut attached to it?" I teased.

"She's very happy too," she gasped.

"Am I being good to my little slut?" I teased.

"Oh, yes," she gasped. "You are incredible. You are the best ever."

"Am I good to my hot sister-in-law?" I teased.

"Oh, yes," she gasped. "Nobody has ever been this good to me."

"You think that may be because I love your great tits?" I teased.

"I don't think so," she gasped. "I think you love a lot more than that about me."

"I love your little pussy and tight asshole," I said. "I am going to fuck them silly."

"I want you to," she gasped. "It's going to be out of this world."

"You want me to take full advantage of my dirty little whore, don't you?" I teased.

"Yes," she gasped.

"I will," I promised.

"Thank you," she gasped.

"You've completely corrupted my little sister," said Beth. "She's thanking you for using her like a dirty whore."

"That's what she is," I said. "Isn't that, right, Lisa?"

"Yes, I am your dirty whore," gasped Lisa. "You are supposed to use me accordingly."

"Tell your sister what you are," I said.

"Beth, I am your husband's dirty whore," she gasped, stiffening. "I want him to use me like a dirty whore."

Lisa shook in orgasm, and I wiggled my fingers within her twitching asshole until her orgasm subsided.

"Rest assured he will," said Beth. "You didn't see the depravities he had your mom do."

"She must have been a dirty whore like me," gasped Lisa.

"What she had been didn't matter," said Beth. "What mattered was what he turned her into."

"I am so happy he's turned me into his dirty whore," gasped Lisa.

"So am I, Lisa," I said, rocking her gently. "I am pleased with you as long as you keep coming on my big cock."

"You have an amazing cock," she gasped. "I never thought I could come all I wanted on a cock."

"I'll spank your hot little ass if you don't take full advantage of it," I said.

"I will," she said. "Trust me on that. This is wilder than my wildest dreams."

"You haven't even scratched the surface, baby," I said. "I'll show you how your fantastic body should be used."

"Yes," she hissed. "I am so lucky."

She lowered her mouth to mine, and we kissed feverishly. While we kissed, she picked up the pace. We kissed passionately until she stiffened in her next orgasm.

She moaned when I returned my mouth to her left nipple. I sucked her nipples while she rode my cock to her next orgasm, sucking them harder as her orgasm approached.

“Beth, you are so lucky to have Nick,” gasped Lisa when her orgasm subsided.

“My entire family’s so lucky,” teased Beth.

“We are,” gasped Lisa. “I am not sure about dad though.”

“I am sure he appreciates having a happier wife,” I said. “I think your fiancé does too.”

“I think he’d like it as long as he didn’t know about it,” she gasped.

“When you talk to him on the phone, you are not going to tell him that I am fucking your horny ass so well you are about to pass out, are you?” I teased.

“No way,” she said. “He doesn’t need to know that I’ve become a dirty whore for you.”

“You are a good fiancée,” I teased. “At least, that’s what he should think. I think you are an amazing fiancée.”

“I think you are a wonderful husband,” she smiled.

“Am I a decent brother-in-law?” I teased.

“I don’t know about decent, but you are the best brother-in-law in the world,” she smiled.

“That’s good enough,” I said.

“Why are you so humble?” teased Beth.

“Because I am a great guy,” I smiled.

“You are,” said Lisa.

“Lisa, get fucked as hard as you can,” I said. “Don’t worry about tiring. If you tire, I’ll take over. Your little pussy’s going to get all the cock it can handle and then some.”

“You are a lot better than my wildest dreams,” she gasped, riding my cock energetically.

“That’s because you aren’t this hot in your dreams,” I said. “Whenever you need to get really fucked, come to me. I’ll always be there for you.”

“I will,” she gasped.

“I’ll gladly fuck you better, harder and more than your fiancé ever will,” I said.

“I know, and I’d love that,” she gasped.

“I won’t share your luscious ass with him or with anybody else though,” I said, making her asshole twitch.

“That’s better,” she gasped. “I want it to belong to you and only you.”

Lisa tired after she had five more orgasms.

“If you want me to fuck you more, show me you are a dirty whore,” I said as I pulled my fingers out of her ass and pushed them into her mouth.

“Of course I am your dirty whore,” she smiled.

She eagerly sucked my fingers. When she finished toying with my fingers, I flipped her onto her back, her legs over her head. I pulled out and rid her of her panties and skirt. I lubed her asshole and pushed two fingers in.

“I am going to deflower your sweet asshole after dinner,” I said, reaming out her asshole with two slick fingers. “I am already getting it ready for that. You’ll love it when I finally claim it for my big cock.”

“Thank you,” she said.

“Thank you for making your fantastic body mine,” I said.

“I wish you deflowered all of me a long time ago,” she said.

“That’s okay, baby,” I said. “From now on, you are mine. I am going to fuck you silly in every conceivable way. I’ll make sure your lucky fiancé has a very happy little slut on his arm.”

“Yes,” she hissed. “Thank you.”

“Your little pussy’s still hungry for my big cock, isn’t it?” I said as I pushed my sticky fingers into her mouth.

She moaned affirmatively on my fingers as I rubbed her drenched pussy with my cock head.

“Are you going to be a good girl and beg me to fuck it?” I teased.

“Please fuck my little pussy,” she begged. “Please fuck your little slut.”

“Guide it in,” I said, pinning her legs down. “Give my big cock the little pussy that belongs to it.”

“Yes,” she hissed, pressing my cock head into her wet pussy. “My little pussy belongs to your big cock.”

“You all belong to my big cock, don’t you?” I said, stuffing her hot pussy with my hard cock.

“Yes,” she hissed.

“Your son’s going to get used to sleeping to the sounds of sex and dirty talking,” said Beth.

“That’s what he gets for getting born to a horny dad and a slut mom,” I said, drilling Lisa’s pussy.

“He also has a slut aunt,” gasped Lisa.

“He has slut grandmas too,” said Beth.

“When you are a fish, you have to learn to swim,” I said.

Lisa came over ten times in the following forty minutes.

“You are amazing,” she gasped. “Don’t you ever tire?”

“I do, but I take frequent breaks,” I said.

“When do you take them?” she gasped.

“After each of your orgasms,” I smiled. “That’s why I never tire when fucking hot sluts.”

“I’ve never met anybody like you,” she gasped.

“Lisa, you’ve only had a few boyfriends, and you’ve met *me*,” I said.

“I am so lucky,” she said.

“Are you ready to kneel down and learn how to suck and worship the big cock you belong to?” I said.

“Yes,” she hissed.

Lisa knelt on the floor and proceeded to suck my sticky cock as I stood before her.

“Your slut aunt loves to nurse too,” Beth said to the baby.

Lisa swallowed my cock within five minutes and spent the following ten minutes showing me how grateful she was for my allowing her to stuff her throat with my cock.

“Get on your knees on the sofa and push your hot ass out proudly,” I instructed, slapping her face with my cock. “I am going to fuck you from behind like the bitch in heat you are.”

As soon as she got into position, I knelt down and spread her ass. I admired her little asshole for several seconds.

“You have a gorgeous ass and a mouthwatering asshole,” I said. “I am going to enjoy using it for what it’s for.”

“Me too,” she moaned.

“It looks so sweet and innocent, but we both know how hungry it is for my big cock,” I said, fondling her ass.

“Yes,” she hissed.

Her asshole clenched and she gasped when I touched it with my tongue tip. I teased it with my tongue tip for a while, making her gasp and squirm. Her asshole relaxed, and I ate it hungrily to a wild orgasm. I held my tongue tip inside her twitching asshole until her orgasm subsided.

“I can’t wait to have you fuck my horny ass,” she gasped.

“Me neither,” I said.

While she recovered, I cleaned up her drenched pussy, and it started to get wet again. I ate it to another orgasm.

“Are you ready for more?” I asked, popping my left thumb up her asshole.

“Yes,” she hissed.

“My little slut will get all the cock she can handle and then some,” I said, pushing my cock into her pussy.

“Yes,” she hissed, pushing her ass back for the rest of my cock.

With my thumb up her ass, I grabbed a firm tit in my free hand and proceeded to fuck her pussy hard.

The baby was asleep in his mom’s arms as she watched her sister get fucked silly.

“Your big cock feels wonderful in every position,” gasped Lisa.

“So does your little pussy,” I said, fucking her harder.

Lisa came again and again, drenching my cock and balls in her flowing juices.

“I can’t take it anymore,” she finally gasped after her eleventh orgasm in that position.

“Kneel down, and suck it,” I instructed. “Show it how grateful you are.”

“With pleasure,” she gasped.

Before I let her do that, I licked her drenched pussy clean. She deep throated my cock for five minutes.

“Are you ready to show your sister how good you are?” I said, slapping her face with my cock. “Do you want me to fuck your tits and drench them with creamy come?”

“Oh, yes,” she said excitedly. “I’d love that.”

“Let’s do it,” I said, helping her onto the sofa next to her sister.

She squeezed her tits around my cock, and I squeezed lube in her cleavage. I fucked her tits vigorously for a few minutes before I pulled back and shot my come all over them. She rubbed my come into her tits. She sucked her sticky fingers, and I gave her my cock to suck dry.

“Turn toward your sister,” I instructed. “Show her your glazed tits.”

Lisa turned toward Beth, and I nodded at Beth. Lisa was startled as Beth leaned over and licked her sticky tits.

“What are you doing?” asked Lisa in surprise.

“Relax,” I said. “She wants to clean your tits up for you. You can’t wash them, and you can’t lick them clean.”

“This is weird,” she said.

“You’ll get used to it and enjoy it,” I said. “You are no longer an innocent little girl.”

Lisa relaxed gradually as Beth licked her tits clean. She did not even protest when her sister sucked her nipples.

“Lisa, there is an enema package in your nightstand,” I said. “Use it to wash your insides thoroughly. When you are done with it, bring the butt plug and the lube that are there down. We need to get you ready for dinner.”

“Okay,” said Lisa, getting up.

“You got yourself another week of hot fun,” said Beth after Lisa left.

“I am going to enjoy using your little sister,” I said.

“The little slut will love it so much,” she said.

“I now feel better that it runs in the family,” I said.

“On both sides,” she said.

“We are not sure yet,” I said.

“You want to fuck Alex first,” she said.

“We can’t jump to conclusions,” I said.

“Yeah, right,” she said.

“Put the baby in his bed, and come back to suck my cock until your slut sister’s back,” I said.

When Beth came back, she knelt down and sucked my hardening cock for a few minutes. I arranged her on her knees on the sofa and fucked her pussy to orgasm. I took the butt plug out of her ass and put it in her mouth. I lubed her asshole and fucked her ass, making her moan over the butt plug. I switched my cock back and forth between her pussy and asshole after each orgasm.

Lisa came down, carrying the butt plug and the lube, while I fucked Beth’s ass to her sixth orgasm.

“Taste your sister’s hot ass on my big cock,” I said to Lisa, popping my cock out of Beth’s ass.

Lisa did not hesitate to go down and swallow my cock. Meanwhile, I returned Beth’s butt plug to her ass. Beth straightened her dress and sat on the sofa.

“How did it taste?” I asked, slapping Lisa’s face with my cock.

“Not bad,” she said.

“I am glad you liked it,” I said. “You are going to eat my come out of each other’s well-fucked ass.”

“We are?” she said.

“Of course,” I said. “You are real whores, aren’t you?”

“We sure are,” she said.

Lisa was still naked. She let me put her on her back on the sofa and push her legs over her head.

“Spread your virgin ass,” I said, guiding her hands to her ass. “It won’t go to bed tonight virgin.”

“I am so excited about that,” she said, spreading her ass.

“Beth, aren’t you proud of how slutty your little sister is?” I teased as I looked at Lisa’s splayed asshole.

“Of course I am,” said Beth. “I am sure her fiancé would have been even prouder.”

“Should, not would,” I said.

Lisa’s pussy was wet. I gave her fresh asshole a gentle kiss, making her gasp. I ate it eagerly to a quick orgasm. I licked her pussy clean while working lube inside her asshole. She moaned and squirmed. A minute later, I squeezed a third finger in. A few minutes later, my fingers were all the way in. I twisted them gently, reaming out her asshole wider. I finger fucked her asshole slowly for a minute.

Beth lubed the butt plug when I held it up. I slowly withdrew my fingers from Lisa’s asshole and pushed the butt plug in, taking my time as her asshole tightened up and then dilated. Lisa moaned as the butt plug slid up her ass.

“I’ll replace it with my big cock after dinner,” I said when the butt plug was halfway up her ass.

“Yes,” she hissed.

She moaned and squirmed as the butt plug stretched her asshole wide with its thickest point. It soon popped in, making her gasp. I kissed her ass on the cheek.

“You are now a hot-assed woman ready for dinner and ready to get your virgin ass deflowered and fucked royally like the dirtiest of whores,” I smiled as I stood up and pushed my cock into her dripping pussy.

“Yes,” she hissed as my cock stuffed her pussy, which felt tighter because of the butt plug.

After a slow fuck to orgasm, she sucked my cock clean. I pulled her up and gave her a nice long kiss, squeezing her plugged ass firmly.

“Let’s get ready for dinner,” said Beth.

“My little whore’s going to suck my big cock on the drive to the restaurant,” I said to Lisa.

“Sure,” she said.

Lisa wore the outfit I gave her without underwear. Beth wore a little dress without panties. Both asses were plugged. I verified that by hiking the skirt of each and giving each bare ass a squeeze.

To make it easier for Lisa, I got into the car with my hard cock sticking out. She fondled it while I backed out of the garage. As soon as we drove away, she leaned to the side and took my cock in her mouth. I occasionally reached out and squeezed her bare ass or tugged the base of her butt plug.

My hard cock went back inside my pants until we got to our booth. As soon as we settled down, it was in Lisa’s right hand. I fingered her leaky pussy with my left hand.

“This is the dirtiest thing I’ve ever done in public,” said Lisa.

“You are a shameless dirty girl,” I teased as I took my glistening fingers to my mouth.

Only when we started our main course, I proceeded to fuck her ass with the butt plug very gently at first.

“You are a very dirty girl,” I teased as she humped the butt plug.

“Yes, but I love it,” she said.

“Your dad’s shameless,” Beth said to the baby. “Don’t take him as a role model.”

“Don’t take your slut mom’s clueless dad as a role model either,” I teased. “His slut wife whores her ass out to your stud dad while your grandpa doesn’t have the slightest clue.”

“You are outrageous,” she said.

“I’d rather have him take after me even if I have to share his slut mom with him,” I said.

“If he turned out like you, I’d whore my ass to him behind your back,” she said.

“You can’t,” I said. “I am not as trusting as his grandpas or as useless in bed.”

“I’ll let you fuck me if I have to, but don’t take after your dad,” she said to him.

“Your dad’s working hard to make quite a few cock-craving sluts happy,” I said. “You can testify to that. If you don’t take after him, he’ll gladly take care of your girlfriends, wife and sisters-in-law. It’s your choice.”

“You are corrupting the baby,” she protested.

“I want him to fuck all the good girls he meets,” I said.

“They wouldn’t be good girls anymore,” she said.

“They would, but they’d be his dirty whores too,” I said.

“You want him to corrupt all the good girls he can,” she accused.

“Not if they don’t want him to,” I said.

“Their problem is that they would want him to,” she said.

“You can’t blame him for being a stud and making good girls and himself happy he is,” I said.

“Your dad’s hopeless,” she said to him.

“Lisa, don’t you want your nephew to be a stud and have all the hot girls succumb to his big cock?” I asked.

“Yes,” hissed Lisa, “but only the best girls.”

“Of course,” I said. “He has his dad to take after. Can’t you see his dad pick out the best sluts?”

“Don’t listen to your slut aunt,” Beth said to the baby. “She’s a whore.”

“You can’t fool him for long,” I said. “He’ll soon grow up and find out that his mom’s a very dirty whore too.”

“Only for his dad,” she said.

“That’s the case with his aunt and grandmas too,” I teased.

“Poor baby, your dad’s going to corrupt you so he can fuck your girlfriends and wife,” she said.

“His sisters-in-law too,” I said. “I’ll train them so they can please him well.”

“You are so altruistic,” she teased.

“If I am pleasing them and him besides myself, then I am pretty altruistic,” I said.

“We can’t win an argument with your dad,” she said. “I hope you will.”

“All you have to do to win an argument with me is to have a good point,” I said.

“I don’t think so,” she said.

“How is your virgin little asshole doing?” I asked Lisa.

“It’s getting so hungry for this,” she said, squeezing my boner.

“It’s going to get fed to satiation,” I assured.

“Thank you,” she said.

“Anything for my little whore,” I said.

Lisa had fun during dinner anally, vaginally and manually. I made her come by the end of dinner. She sucked my cock on the way back home. I fucked her ass with the butt plug on stop lights, making her moan over my cock.

“Beth, make sure the baby’s awake so he can witness his slut aunt’s anal defloration,” I said when I sat on the sofa and Lisa knelt between my legs.

“You want to make sure he turns to be a dirty baby,” said Beth as her sister resumed deep throating my cock.

“I want him to learn how to handle girls at an early age,” I said.

“Okay,” she said, getting up. “I am afraid he may get toddler girls to suck his cock in a couple of years.”

Lisa was on her back on the sofa, spreading her ass with both hands, and I was working the butt plug in and out of her asshole when Beth came back with the baby awake and quiet. Beth held him up facing where I worked on his moaning aunt’s splayed asshole.

“Your slut aunt’s about to take your dad’s big cock up her virgin but horny asshole,” said Beth.

“Do you want to taste your aunt’s delicious virgin asshole on her butt plug?” I asked, offering him the butt plug.

“Nick, you can’t do that,” said Beth. “His immune system isn’t developed. He may get seriously sick.”

“He’s going to get seriously sick anyway,” I said. “All babies do, but they don’t get to be the last person to taste their hot aunts’ virgin assholes. He’ll never get another chance to taste it.”

“That’s sick anyway,” she said.

“Take out his little index finger and dip it in her virgin asshole,” I said. “He should taste it on his own finger.”

“You are not serious,” she said.

“I want my son to be a stud,” I said. “Let him taste his first virgin asshole.”

“Your dad’s such a pervert,” she said, singling out the baby’s right little finger and guiding it to her sister’s asshole. “I am sure you are going to grow into a pervert like him, so you might as well start now.”

While that happened, I lubed my cock thoroughly. The baby sucked his sticky finger and seemed to like it.

“He’s already taking after his horny dad,” commented Beth.

“Sweetheart, listen to your slut aunt beg your dad deflower and take her virgin ass, which she can’t give to anybody else except you if you want it when you grow up,” I said, aiming my glistening cock at Lisa’s asshole.

“Please fuck my virgin asshole, and claim your dirty little whore,” begged Lisa as I pressed my cock into her ass.

As Lisa’s asshole dilated and accepted my cock head, I pushed her butt plug into Beth’s mouth. I held Lisa’s ankles tightly and pushed more firmly into her ass, popping my cock head in. She gasped softly.

“Are you proud of your dad?” said Beth. “He’s penetrated your slut aunt’s virgin asshole. It’s no longer virgin.”

The baby smiled and flailed his arms.

“The pervert is,” she said.

“Babies are never perverts,” I said. “They are perfectly pure and innocent. This shows you that what his horny dad and slut aunt are doing is innocent and perfectly pure.”

Beth carried the baby in her lap, and I slowly fed his aunt’s ass the rest of my hard cock. She gasped and moaned at the sensations, occasionally trembling.

“This feels amazing,” moaned Lisa. “Your cock’s so big and hard. It feels so good up my ass.”

“You have a fantastic ass, Lisa,” I said. “I am honored it’s exclusively mine.”

“The honor’s all mine,” she said.

“You mean the dishonor, you perverts,” chided Beth.

When I pushed the last of my cock up Lisa’s ass and my balls pressed into the back of her ass, she stiffened.

“I am coming on your amazing cock, Nick,” gasped Lisa, shaking in orgasm.

“Come, my little whore,” I said. “This is what you were made for.”

While she convulsed in orgasm, I pinned her legs down and drilled her twitching asshole with tiny but fast strokes. She shook wildly in a long orgasm. When her orgasm subsided, I fucked her ass with long slow strokes.

“That was incredible,” she gasped. “I can’t wait to call my fiancé while you fuck my ass.”

“I’ll gladly oblige you,” I said. “I don’t spare an effort to support and encourage my dirty whores.”

“You are the best,” she gasped.

“I am always good to my dirty whores,” I said, picking up the pace. “They are so good to me after all.”

“Fuck my ass, Nick,” smiled Lisa. “This is definitely what I was made for.”

“Aren’t you happy your brother-in-law knows what you were made for, you little whore?” I said.

“Oh, yes,” she gasped. “Most of all, I am happy he knows how to use me for what I was made for and he does.”

“That’s what I do best,” I said.

“Your daddy’s making your slut aunt very happy,” she gasped to the baby.

“Your slut aunt’s happy because she’s your daddy’s dirty little whore,” said Beth.

“That’s true, sweetheart,” gasped Lisa. “If you are good, I may become your dirty whore as well. My asshole’s no longer virgin, but you’d be able to taste it with your tongue and cock.”

“As soon as he can fuck, he’ll be busy to his balls and eyeballs in cock-craving fine ass,” I said. “All he needs to do is to have a cock and balls like his dad.”

Lisa soon came. I added lube and fucked her ass a little harder after each anal orgasm, making her come a little harder and praise me and my cock a little more lavishly. I let her come ten times before I pulled out and offered my sticky cock to Beth, who did not hesitate to deep throat it eagerly for a few minutes. I returned my cock to Lisa’s ass and made her come twice before I pulled out.

“Show your gratitude, my little whore,” I said, pulling Lisa’s head to my cock.

“With pleasure,” said Lisa.

Lisa deep throated my cock hungrily.

"I've just initiated your luscious ass," I said, slapping Lisa's face with my cock. "I'll fuck it silly all night."

"Yes," she hissed.

"Do you want to call your fiancé and tell him how much fun you are having with your little nephew?" I said.

"Sure," she said.

"We don't want you to lie to him," I said. "We want you to be playing with your nephew while I fuck your ass."

"Okay," she said.

"Sit in my lap, and impale your ass with my big cock," I said as I sat on the sofa and lubed my cock.

She sat in my lap, and I spread her ass for her and helped her get it impaled deeply on my cock.

"Are you good?" I said, squeezing her tits.

"Yes," she said.

"Beth, give her the phone and headset so she can dial her fiancé," I said.

Beth handed Lisa the phone, and Lisa put the earpiece in her ear and dialed her fiancé's number as I thrust in her ass from below, bouncing her, while holding and squeezing her tits.

"Hand her the baby as soon as he answers, and stand before her so she doesn't drop him," I said.

"Hi, honey," said Lisa as her fiancé picked up.

Beth handed her the baby and stood in front of her.

"Hi, Lisa, honey," answered her fiancé. "How is your visit going?"

"I am having a great time," gasped Lisa. "I have an adorable nephew."

"Why are you out of breath?" he asked. "Are you okay?"

"I am bouncing him," she gasped. "He's so cute. He likes it so much."

"I miss you so much," he said.

"I miss you too, baby," she gasped. "I wish you were here so you could see me have an amazing time."

"Me too," he said. "I am glad you are enjoying yourself."

"Oh, yes, honey," she gasped. "I love the baby. My sister and her husband are showing me a great time too."

"That's great," he said.

"Say hi to him," I said lowly.

"They say hi to you," she gasped.

"Say hi to them," he said.

"He says hi to you," she gasped.

"Tell him he's so lucky to have a very sexy fiancée like you," I said, pinching her stiff nipples.

"Nick says you are so lucky to have a very sexy fiancée like me," she gasped.

"I know that," he said.

"I like you so much I feel so lucky you are my sister-in-law," I said.

"He likes me so much he feels so lucky I am his sister-in-law," she gasped.

"You are a very likeable person," he said.

"I love him so much I am so lucky he's my brother-in-law too," she gasped.

"He's a nice guy," he said.

"He's an incredible guy," she gasped. "This time I saw a side of him I've never seen before, and I love it."

"I am glad you get along so well," he said as I fucked her ass harder.

"We get along wonderfully," she gasped, her orgasm approaching.

"I'll talk to you later," he said. "I love you."

"I love you too, honey," she gasped, stiffening.

Beth hung up and took the baby as her sister went into a wild anal orgasm. I drilled Lisa's shaking asshole hard.

"I can't believe that," gasped Lisa, jerking her ass wildly on my hard cock.

"You are a good little whore, Lisa," I said. "I am so proud of you."

"Thank you, lover," she gasped.

After Lisa recovered, I resumed fucking her ass, and she dialed her mom and held the baby.

"Hi, mom," gasped Lisa. "How are you?"

"I am good," said Victoria. "Why are you gasping? What are you doing?"

"I am bouncing Lucas," gasped Lisa. "He's so adorable."

"I know," said Victoria. "I miss him already."

"Actually his dad's bouncing the two of us," gasped Lisa.

"What do you mean?" asked Victoria.

"I am in Nick's lap, holding Lucas in my hands," gasped Lisa. "Nick's bouncing me, and I am bouncing Lucas."

"You are in Nick's lap?" asked Victoria.

"Yes," gasped Lisa. "He has my butt impaled deeply so I don't fall off his lap."

"What?" said Victoria. "What are you saying?"

"Nick has my butt impaled so I don't fall off his lap with the baby," gasped Lisa. "Hold on. I am going to come."

Lisa stiffened and shook in orgasm. Beth took the baby.

"Yes, yes," gasped Lisa. "My horny ass is coming on your big cock."

"Lisa, what's going on?" said Victoria. "Is that a silly joke?"

"No, mom," gasped Lisa. "Nick deflowered my ass after dinner, and it was the best thing in my life ever."

"What about Derek?" asked Victoria.

"Derek doesn't know about this," gasped Lisa. "He's never fucked me up the ass. Please don't tell him or dad."

"You know that's wrong," said Victoria.

"I am not sure about that, mom," gasped Lisa. "It's incredible. If you tried it, you wouldn't say that."

"I am your mom," protested Victoria. "Don't talk like that to me."

"Didn't Nick try anything with you last week?" asked Lisa. "He's a very horny guy, and you are a hot mom."

"Lisa, stop this," admonished Victoria.

"Was he fucking you up the ass when you called me?" said Lisa. "Don't be shy. His cock's still up my ass."

"Yes," said Victoria lowly. "He seduced me and spent the week having sex with me."

"He turned you into his dirty whore like he did to me?" said Lisa.

"Yes," said Victoria.

"He's incredible, isn't he?" said Lisa. "We should share him sometime. It would be a lot of fun."

"It would be so depraved," said Victoria.

"I know," said Lisa.

"Tell her my big cock already misses her hot ass," I said.

"His big cock already misses your hot ass," said Lisa.

"My horny ass misses his big cock too," said Victoria. "All my holes do."

"He's going to fuck me silly tonight," said Lisa. "He already has. Good night, mom."

"Good night, Lisa," said Victoria.

Lisa got every hole in her body fucked silly in every position we could think of. She took to deep throat and ass fucking like a duck to water. Her once-virgin asshole got fucked royally. I also fucked all Beth's holes.

In addition to sending Lisa to bed very late all her holes full of come and her slimy ass plugged, I had her and Beth eat my come out of each other's ass as promised. I also fucked Beth's tits and had Lisa lick my come off them. I had them suck and revive my cock together and fucked them in many combinations, eating and tasting each other.

Lisa's ass got fucked silly daily. I did not fuck her pussy from Thursday night on so it would tighten up before her date with her fiancé on Friday night, which she went to loaded with our greetings and regards to her fiancé, her well-fucked ass full of come, plugged and without panties. I also came deep inside her pussy before I sent her off.

THE PATERNAL AUNT

Alex arrived on the morning right after I sent grateful Lisa's well-used orifices to her fiancé with my regards and gratitude, both her pussy and ass full of my come and her ass tightly plugged to lock the come inside.

"Don't worry about it," Lisa told Derek when he asked about the big butt plug up her ass. "I've learned this trick recently, and I like how it feels. That doesn't mean that I want you to violate my butt and have dirty sex with me."

"Of course not," he said. "I can never think of that."

We took it easy on Alex until lunch.

"Alex and I will clear the table," I said at the end of lunch.

"Thank you," said Beth.

"Alex, we are relaxed around here," I said to Alex when Beth left. "You can go as casual as you want around the house. You can even be nude if you want. It's perfectly acceptable."

"I wouldn't want to go nude, but thanks for the offer," said Alex.

"To emphasize that, I've got you an outfit to wear for dinner tonight without underwear," I said.

"I don't need to go without underwear to be casual," she said.

"I want you to," I said. "Beth always does. She now has to wear a nursing bra though."

"I've never went out without underwear," she said.

"You'll like the experience," I said. "It's sexy and comfortable. Beth and the others who've tried it loved it."

"I'll think about it," she said.

"I am telling you this so you won't be offended or surprised by our behavior," I said.

"What behavior?" she asked.

"Beth and I take this time for family bonding between the three of us," I said. "It's very casual for us, but you may be surprised or shocked by some of our behavior."

"It's understood that this is bonding time for you," she said. "Why would I be surprised or shocked?"

"While the baby bonds with his mom, I bond with her at a different level so she feels that she has two guys that she belongs to and belong to her," I said. "That keeps her motherly and wifely emotions balanced."

"That's great," she said. "It wouldn't shock me."

"That's what I expect from you," I said. "I don't want you to feel estranged or ignored by our bonding."

"Of course not," she said.

"You are part of our family at a different level too," I said. "You are bonding with us too."

"Of course," she said.

"I don't want you to forget that," I said.

"Of course not," she said.

"Great," I said.

We all lounged in the living room for several minutes before Beth started to nurse the baby. I was sitting in the middle of the sofa, Alex to my left and Beth to my right. I pointed to Beth and winked at Alex. She nodded.

"This is family bonding time, but you are part of the family, so don't go anywhere," I said to Alex as I got up.

"I am not going anywhere," smiled Alex.

Alex's smile gave way to a look of surprise when I pushed my pants and underwear down, setting my hard cock free. My cock throbbed as I pushed it in Beth's smiling face.

"Is this how you bond?" asked Alex lowly in surprise as Beth stuck her tongue out and teased my cock head.

"Yes," I said. "Each pair of us bonds at their level. It's so natural. It fulfills our emotional needs."

"You have oral sex?" she said.

"That's what it seems at first sight, but it's bonding, not sex," I said. "It's more emotional than sexual. The physical part may seem similar, but emotional interactions have physical components too."

"How is that different from sex?" asked Alex as I thrust deeper and deeper in Beth's eager mouth.

“Look at the baby as he sucks his mom’s nipple,” I said. “Although it’s sucking, its meaning’s totally different from when I suck her nipple. The meaning’s different when I suck yours. It’s still different when I suck mom’s.”

“You can’t suck my nipples though,” said Alex.

“You say that because you are unaware of the different meanings of the same act,” I said. “When the baby does it to Beth, he bonds with her at their level. When I do it to her, I bond with her at our level. When I do it to you, I bond with you at our level. When I do it to mom, I bond with her at our level. Don’t confuse the meanings.”

By then I was holding the back of Beth’s head and thrusting in her throat at an easy pace.

“Brothers and sisters don’t bond like that,” she said.

“You must think because it turns you on it’s wrong,” I said. “It’s wrong when you take it out of context. Body language’s a means of communications. You can communicate whatever you want in any single action.”

“I don’t know about that,” she said.

“Let’s try this,” I said as I pulled out of Beth’s mouth and moved before Alex.

“What?” asked Alex as my cock throbbed in front of her face.

“Stick your tongue out, and toy with my cock head,” I said. “Remember that I am your brother when you do that, but otherwise toy with my cock properly. That’s how to communicate the emotion you want to get across. Rape and sex are the same act, but they can’t be more different. It’s all different because of the mindset. Give it a try.”

“Are you sure this is a good idea?” she said, looking up at me.

“Of course,” I said. “I’ve tried it numerous times. That’s why Beth doesn’t mind having me do any bodily act with almost anybody. You’ll get into the right mindset and feel how enjoyable it can be physically and emotionally.”

“This is so strange,” she said.

“That’s only because you’ve never done it or thought about it,” I said, pushing my cock forward. “It’s instinctive though. Have fun with it. Be playful. Don’t make it look or feel serious. Kiss it first. You are still a woman. A hot woman should show respect to a big hard cock. Kiss its engorged head firmly before you play with it.”

She kissed my cock head, making my cock twitch. She stuck her tongue out and teased it with her tongue tip, making her jump and pulse.

“That’s nice,” I said. “Don’t forget who and what you are. You are my sister, and you are a hot woman.”

She licked my cock head and teased it for a minute.

“That’s great,” I encouraged. “Take the bulbous head in your sexy mouth, but don’t suck it like a baby sucks his mom’s nipple. Play with it like a hot woman plays with a big juicy cock. Never forget what you are.”

She took my cock head in her mouth and proceeded to suck it, lick it and tease it. I placed my right hand behind her head, but left her on her own for a few minutes.

“Do you like it?” I said, not giving her room to pull back.

She moaned affirmatively.

“You are doing great,” I said, letting go of her head and gently thrusting in her mouth. “Have more.”

She sucked it deeper and deeper with increasing eagerness.

“Is it big and juicy enough for you?” I said.

She moaned.

“Your lips are perfect for sucking my big cock,” I said. “Can you feel how it helps us bond?”

She moaned.

She sucked my cock as deep as she could but did not take it all the way down her throat.

“Why don’t you get down on your knees so you can do it more comfortably,” I said, slowly pulling back.

She scooted off the sofa and knelt on the floor with minimal interruption of sucking my cock.

“You are a good cocksucker, Alex, but you need to suck it balls deep,” I said as she sucked my cock hungrily.

She tried to take my cock in deeper, and I helped her by adjusting the angle of her head and pacing her. She managed to swallow my entire cock within a few minutes.

Good girl,” I said, holding the back of her head to keep my cock down her throat for several seconds.

She gasped when I let her go.

"I've never done that before," she said excitedly.

"You've never been treated properly," I said, pulling her head to my cock. "That's how you deserve to suck my big cock, and that's how my big cock deserves to be sucked. Practice so you can suck it royally like you deserve to."

She swallowed my cock down her throat eagerly and repeatedly, getting better and better at it.

"You are a very hot girl, Alex," I said. "Show my big cock how hot you are. Make it proud of its little slut."

She deep throated my cock hungrily.

"My little sister loves my big cock almost as much as it loves her," I said.

"Is that right, Alex?" asked Beth.

Alex moaned affirmatively.

As Alex indulged in sucking my cock, I introduced slapping and rubbing her face with my sticky cock. She soon integrated that into her routine and did it on her own happily.

"I am proud of you, Alex," I said. "You are a good cocksucker. You definitely deserve to suck my big cock."

"I love sucking your big cock," she said. "It's delicious. It's so much fun."

"Fun brings people closer together," I said. "Can you feel us get closer than ever before?"

"Yes," she said.

"We can get much closer," I said. "The more you trust my big cock and it trusts you, the closer we get."

"Yes," she said.

"Suck my big cock," I said. "Show it how much you love it. Show it how much you love being its little slut."

She eagerly deep throated my cock for several minutes. I then held her head and fucked her throat gently. I patiently coached her until she was capable of getting her throat fucked at a nice pace.

"You can last for a long time," she said when I finally pulled out and playfully slapped her face with my cock.

"Of course," I said. "I wouldn't want to interrupt my little sister's fun. You are having fun, aren't you?"

"Absolutely," she said. "I've never enjoyed sucking a cock like this. I just love sucking your big cock, and you can last forever. I can suck it all day. It's so much fun."

"You are going to suck my big cock all you want," I said, pulling her up. "I love having you suck it too, but sucking isn't the only type of fun you can have with your brother's big cock. I now want to have fun and lick you."

She got up and let me pull her top off. I tossed her bra aside, exposing her fine tits.

"I'll enjoy nursing your luscious nipples," I said as I tickled her stiff nipples with my thumbs, making her gasp.

She did not resist when I knelt down and took off her skirt and panties. Her pussy was wet. I inhaled her aroma.

"Are you ready to get devoured?" I smiled, getting up.

"Yes," she hissed as I squeezed her tight ass and let my cock bump her belly.

"Get on your back, and pull your sexy legs over your head," I said, pushing her toward the sofa.

She let me help her get into position.

"Spread your tight ass," I said, guiding her hands to her ass. "Show your pride in your hot ass."

She spread her ass shyly.

"I am sure you already know that you have a juicy little pussy, but you also have a sweet little asshole," I said.

She blushed as I admired her pink asshole.

"Did you know how appetizing your little asshole is?" I asked, not taking my eyes off her asshole.

"No," she said lowly.

"Let me show you," I said, lowering my mouth to her asshole.

She did not expect the kiss, which made her gasp and made her asshole clench.

"This is how sweet your little asshole is," I said, smiling at her. "I am sure nobody has ever told you how beautiful your little rosebud is. Can you see how being so close allows us to overcome unnecessary shyness?"

"You shouldn't have kissed it," she said lowly.

"I am not done with kissing it yet," I said. "I want you to keep your luscious ass spread and let me show you how much I love my little sister and her hot little ass. Kissing your delectable asshole is a lot of fun for both of us."

She gasped and her asshole twitched when I touched it with my tongue tip. She tensed when I gave it a long deep kiss, which I did not break until she relaxed and moaned. I cupped her tits and squeezed them gently as I licked and sucked her sensitive asshole, making her moan and squirm.

“That feels so good,” she gasped as I probed her asshole with my tongue tip.

By then, I was gently twisting her stiff nipples. She had surrendered completely. I made her dance on the tip of my tongue as I worked her asshole with it.

“Do you like being a dirty little slut for your big brother and his big cock?” I teased, pinching her nipples.

“Yes,” she hissed.

“Enjoy being so close to your brother and his juicy cock, which loves you even more than you love it,” I said.

She gasped and moaned as I devoured her asshole on her way to her first anal orgasm. She finally stiffened and came, gasping quietly, as her asshole twitched around my wiggling tongue tip. I pulled back when she was limp.

“Did you like that, Alex, baby?” I said, smiling at her. “Did you enjoy having hot anal fun?”

“Yes,” she hissed.

“You have a delicious asshole,” I smiled. “Has anybody ever told you that?”

“No,” she gasped. “You are the first person ever to kiss me there.”

“Are you surprised I am closer than any other guy to you?” I asked.

“No,” she said.

Her pussy was drenched. I dipped a middle finger inside it and then corkscrewed it slowly into her asshole as I gently licked her copious juices off her pussy. When my finger was all the way up her ass, I paused for a few seconds. I gently worked my finger circularly inside her tight asshole, reaming it out slowly.

“Your hot asshole’s so tight,” I said. “Has anybody ever fucked it for you?”

“No,” she said, her asshole twitching.

“Is it still virgin?” I said, my cock throbbing.

“Yes,” she hissed.

“Have you been saving it for me because you think I am the only one who deserves it?” I asked.

“Yes,” she hissed, trembling.

“You are a good girl,” I said, sliding my index finger into her pussy. “Your brother will love bonding with you.”

“Yes,” she hissed, her pussy oozing fresh juices on my finger. “I’ll love that too.”

“Thank you for being a good slut for your brother,” I said.

“Thank you,” she hissed, her holes twitching.

“Do you want me to eat your juicy little pussy?” I teased, gently finger fucking her holes.

“Yes,” she hissed.

“Don’t be shy,” I said. “Beg me to eat your horny little pussy. Good sluts enjoy begging their studs.”

“Please eat my horny pussy,” she begged, her pussy drooling on my finger.

“Do you want to be a good girl and come in your brother’s appreciative mouth?” I teased.

“Yes,” she hissed, trembling.

“Are you going to come hard for your brother to show him how much you love him?” I teased.

“Yes,” she hissed.

“You’ve sucked my big cock very well,” I said. “You deserve the best. Relax, and feed your horny brother fresh loads of your delicious pussy juices while you dance on his wicked tongue.”

“Thank you,” she said.

While she squirmed with lust, I teased her leaky pussy with repetitive light kisses, enjoying her sweet aroma and softness. She moaned when I let my tongue tip part her slick pussy lips and slide between them up to her clit. As she squirmed, she worked her pussy and ass over my slick fingers. I ate her juicy pussy gently, giving her time to squirm and get hotter and hotter. After a few minutes of torture and gasping, I let her gush on my finger and in my mouth. I wiggled my fingers within her twitching orifices while I sucked her flowing juices. She shook wildly and went limp.

“You are a good girl, Alex,” I said. “You kept your promise. You came big for your brother.”

"That was so nice," she gasped.

"You love coming for your brother, don't you, you little slut?" I teased.

"Yes," she hissed.

"Your brother wants to eat your sweet asshole again, but this time you need to beg him to do that," I said.

"Please eat my little asshole," she said.

"You want me to eat the sweet little asshole you've been saving for me and for my big cock?" I said.

"Yes," she hissed.

"Spread your hot ass wide, baby," I said. "Show your brother how much you want him to take what's his."

She spread her ass a little wider, and I slowly pulled my fingers out of her pussy and ass. I smiled at her as I sucked my sticky fingers, moaning quietly.

She trembled when I applied my mouth to her asshole, and her asshole clenched instinctively only for a few seconds. It soon relaxed and welcomed my tongue tip. Both my hands were back on her firm tits, fondling and squeezing them gently while teasing and twisting her stiff nipples. I devoured her delicious asshole, and she humped my face until she convulsed in orgasm, her asshole twitching around my tongue tip.

While she recovered, I lubed my index and middle fingers in her dripping pussy and slowly corkscrewed them into her tight asshole. She moaned and squirmed until they were all the way in.

"Your little asshole's so tight," I said, gently reaming out her asshole. "I love toying with a hot tight asshole."

"Enjoy it," she moaned.

"I will, my little slut," I said. "Thank you."

"You are welcome," she said.

"Will you let me suck your sweet nipples like the baby sucks your sister's if I make you come?" I said.

"I'll let you suck my nipples anyway," she said.

"I'd love to bond with you that way," I said.

"Me too," she said.

This time I gave her a longer pussy licking, focusing on reaming out her asshole. By the time I let her come, her asshole was ready for a third finger, but I did not give it to her. I licked her wet pussy clean while I used my two fingers to lube her asshole thoroughly.

"Are you ready to give me your fine tits to nurse?" I said, slapping her pussy with the underside of my cock.

"Yes," she hissed as I helped her get up.

"Bring them over, and sit in my lap," I said as I sat in her place and pulled her into my lap.

She sat astride me, and I pulled her by the ass until her pussy touched the underside of my hard cock. She gasped and pulled my head to her tit when I sucked her right nipple into my mouth. While I sucked her sweet nipple gently, I worked my two slick fingers back up her asshole. I finger fucked her asshole and reamed it out gently while I sucked her nipples. She humped my cock and fingers, moaning. She soon came, jerking her ass between my fingers and cock while gushing on my cock.

"Do you want my big cock in your little pussy?" I whispered after she recovered.

"Yes," she hissed.

"Guide it in," I whispered. "I won't deny my little slut anything."

"Thank you," she hissed as she reached for my cock with her right hand.

"You are going to let me suck your tits while my big cock stuffs your little pussy, aren't you?" I whispered.

"Yes," she hissed, pressing my cock head into her leaky pussy.

She gasped when my cock head slid inside her dripping pussy.

"It's so big," she whispered.

"Little sluts love big cocks, don't they?" I teased.

"I do," she moaned, pushing her pussy further down my shaft.

"Take it balls deep," I said. "Show me you are really my little slut."

"Of course I am your little slut," she grunted, shoving her pussy all the way down.

She stiffened and shook in orgasm. Her pussy twitched and gushed around my cock while her asshole fluttered around my fingers. I jerked my fingers vigorously within her asshole, giving her a hard orgasm.

“Do you believe me now?” she gasped.

“Had I not known that you were my little whore, I wouldn’t have let you touch my big cock,” I said. “I only fuck the best. You are impaled on my big cock because you are one of the best.”

“Thank you,” she gasped.

She kissed me on the mouth, and that turned into a long passionate kiss.

“Ride my big cock, my little whore,” I said when we broke the kiss. “Get your hot little pussy fucked royally.”

“Yes,” she hissed, working her pussy up and down my cock. “It’s so hungry for your big cock.”

Taking a stiff nipple in my mouth, I used one hand to pace her and the other to finger fuck her ass while she took care of getting her pussy fucked harder and harder.

“I love this,” she gasped. “Your big cock’s incredible. I don’t want it to leave my horny pussy ever.”

“Don’t worry about your hot little pussy,” I said. “I’ll fuck it silly, and I’ll then fuck your sweet virgin ass.”

“Yes,” she hissed, her holes twitching around me.

“Your brother’s going to fuck every one of your three hot fuck holes to satiation,” I assured.

“Thank you,” she gasped.

“I take good care of my little whores if they want me to fuck them royally at every chance we get,” I said.

“I do,” she said.

“Do you want me to return you to your boyfriend well-fucked and sated?” I asked.

“Oh, yes,” she hissed, stiffening.

“I’ll do that, my little whore,” I said as she shook wildly, her pussy gushing around my cock while her asshole twitched around my wiggling fingers. “You’ll never worry about getting your fill of my big cock and then some.”

“I’d love that,” she gasped. “Thank you.”

“You are so special to me, Alex,” I said. “I am honored you are my little whore.”

“So am I,” she gasped.

“You and every hole you have belong to my big cock, don’t you?” I said.

“Yes,” she hissed.

“I can see that you and your slut sister have hit it off,” said Beth.

“Of course, baby,” I said. “I hit it off with every slut who belongs to my big cock.”

“There is no shortage of those,” she said.

“Thankfully not,” I said.

“I am afraid your son may see more whores than a pimp,” she said.

“Definitely in quality but not in quantity,” I said.

“The quantity won’t be bad either,” she said.

“You are going to be a very good whore for your nephew’s dad, aren’t you?” I asked Alex.

“Oh, yes,” said Alex. “I’ll make both proud.”

“Pick it up, baby,” I said, slapping her left ass cheek. “Show his mom how good his slut aunt is.”

“Your brother’s a pervert,” said Beth. “If you are good, he may let his son fuck you when he’s old enough.”

“Really?” asked Alex, bouncing harder on my cock.

“He has to be good too,” I said. “I’d only share you with a stud.”

“Thanks,” she smiled.

“Only the best for my little whore,” I said.

Alex rode my cock, coming time after time, as I urged her to get fucked and come harder and harder. After several orgasms, I let her suck my sticky fingers before I flipped her on her back. I drilled her defenseless pussy from above, making her come many more times. She convulsed ecstatically, singing my praise, again and again.

“I want to fuck your tits before I come in your mouth,” I said. “Do you want to swallow my hot creamy come?”

“Yes,” she hissed.

“You are a real whore, Alex,” I said. “Your brother’s going to use you accordingly. Isn’t that what you want?”

“Yes,” she hissed.

“You want to get fucked like the dirtiest whores who had the pleasure of whoring themselves to me?” I said.

“Yes,” she said.

“Get down on your knees, and let me fuck your great tits,” I said, pulling out of her soaked pussy.

Before she got a chance to oblige me, I licked her drenched pussy clean.

She knelt down and squeezed my dripping cock between her ripe tits. I fucked her tits for a few minutes and then pushed my cock into her eager mouth. She deep throteated it for several minutes, and I fucked her throat a little more.

“Get ready, baby,” I warned when my orgasm approached. “I am about to flood your mouth with hot come.”

She sucked me harder for the several seconds that preceded my pulling out and aiming my twitching cock at her open mouth. My come shot in long thick sticky ropes against the back of her throat. When I finished filling her mouth with come, she swirled my come around with her tongue and swallowed it all. She sucked my cock dry.

“You are a good girl, Alex,” I said. “We’ll now resume preparing your hot virgin ass for my big cock so you’ll be ready to lose your sweetest cherry right after dinner. We’ll start with getting your fine ass cleaned thoroughly.”

“You got yourself another eager whore,” said Beth after Alex left to wash up her insides.

“This baby has one of the hottest sets of genes ever,” I said.

“I wonder where his grandpas’ genes went,” she said.

“Weak genes lose,” I said. “They drop out of the race.”

“If this is true, this baby’s going to be even hornier than his dad,” she said.

“What’s the point of raising him otherwise?” I said. “Useless babies should be put for adoption.”

“Sex isn’t the only thing a guy should be good at,” she said.

“Sex is one thing a guy should be good at,” I said. “Otherwise, his useless genes will be lost forever. That’s why good guys should fuck and impregnate more hot sluts than their fair share.”

“You got a good philosophy going,” she said.

“It’s just one of the laws of nature,” I said.

While Alex got her ass ready for further use, my cock toured Beth’s orifices and tits.

When Alex came back, I was fucking Beth’s ass from behind while I spread it wide and she nursed the baby.

“I didn’t expect that,” said Alex when she came back with the butt plug and the lube.

“This is family bonding,” I said. “The only things I don’t do to Beth while she nurses the baby is fucking her tits and coming all over them. The rest of her body is mine. I sometimes squeeze her tits too.”

“You are the horniest parents I’ve ever seen,” she said.

“We are a close family,” I said. “That’s why you are going to get fucked silly around the baby.”

“I wouldn’t mind that,” she said. “I am a horny slut as well.”

“Do you want to taste your sister-in-law’s luscious ass on your brother’s big cock?” I asked, picking up the pace.

“Sure,” she said.

“She’ll taste yours after dinner,” I said.

Beth came, and I returned the butt plug to her ass while Alex deep throteated my cock eagerly. Beth remained in that position, nursing the baby. I dipped my cock in her drenched pussy and had Alex suck it clean.

“She tastes good, doesn’t she?” I said, slapping Alex’s face with my cock.

“Yes,” said Alex.

“Get on your back, and spread your luscious ass,” I said.

Alex got into position and spread her hot ass wide, exposing her mouthwatering asshole. I knelt down and pounced on it with my mouth. I devoured her asshole from the start. She moaned and squirmed, humping my face and nibbling my tongue with her fresh little asshole. She came within a few minutes, her asshole twitching around my tongue tip. When her orgasm subsided, I gently licked her drenched pussy clean.

Her asshole opened up under my slick fingers as I generously worked lube inside it. She squirmed, and her asshole milked my fingers as I swirled them and twisted them inside her. I used two fingers in the beginning and a minute later patiently squeezed a third finger in. It took a few minutes to corkscrew my three slick fingers all the way up her tight asshole. I took a few more minutes loosening up her asshole further.

She humped my fingers as I slowly finger fucked her virgin asshole. I slowly pulled my fingers out while I lubed the butt plug. Her asshole tightened up again as I pushed the blunt head of the butt plug into it. It slowly relaxed and opened up, stretching wider and wider around the butt plug as it got thicker and thicker. I paused for a few seconds and kissed her leaky pussy as the butt plug stretched her asshole around its thickest point.

"This is going to make sure your virgin asshole will be ready for my big cock after dinner," I said as the butt plug popped all the way up her ass, making her gasp.

"Yes," she hissed. "I am looking forward to that."

"Me too, my little whore," I said. "Your sizzling ass and the dirty whore attached to it will soon be all mine."

"Yes," she hissed.

"Roll over onto your knees," I said. "I want to fuck your horny pussy from behind."

She got onto her knees, and I grabbed her tits and fucked her pussy at an accelerating pace. I enjoyed the extra tightness of her pussy. She came ten times and begged for mercy half an hour later.

Beth eagerly sucked my cock clean, deep throating it.

Alex held the baby, and I fucked Beth's pussy and ass to an orgasm each. Alex sucked Beth's copious juices off my cock and held Beth's butt plug in her mouth while I fucked Beth's ass. She sucked my cock clean afterwards.

Alex sucked my cock on the drive to the restaurant. I fucked her ass with the butt plug there, and she fondled my bare hard cock. I occasionally pinched her stiff nipples. I let the baby taste her pussy on my finger.

"You are bad," said Alex. "You shouldn't violate the baby's innocence and make him a pervert like his dad."

"I want him to be a stud like his dad," I said. "I am not going to spare an effort. That starts when he's born."

"What would you do if he developed a liking to the taste?" she said.

"He could have as much of it as he wants," I said.

"He'll sometime be old enough to know what it is," she said.

"He could then have it from the source," I said. "He'd be very good at it, and hot sluts would love it."

"Wouldn't that be child abuse?" she said.

"That's silly," I said. "Why isn't teaching kids boring baseball child abuse? Why is training them to be studs is?"

"I don't know," she said. "That's how the law is."

"We should go by the spirit of the law," I said. "That's against the spirit of the law. Guys need to be studs."

"Women would love that," she said.

"Do you think guys wouldn't?" I said.

"I am sure they would," she said.

Alex came twice during the course of dinner.

She sucked my cock, and I fucked her ass with the butt plug on the drive home.

"Is your tight little ass ready for what it was for?" I said when we got off the car.

"Oh, yes, my virgin asshole's so ready and hungry for my brother's big cock, which it was made for," she said.

"Your brother's big cock's so hungry for your sweet little asshole too," I said. "It can't wait to impale it deeply and fuck it to oblivion. It won't leave it until it's loose and stuffed with its white goeey goodness."

"I've never been this horny," she said. "I've never needed a cock as much as I need your big one in my ass."

"It's what you were made for," I said, squeezing her ass. "You were meant to be my little anal whore."

"Yes," she said. "I am so close to achieving that I can taste it."

"I am so happy for you, Alex, my little whore," I said. "I am so lucky to be the one to help you be what you've always been meant to be. I am so happy you'll be mine forever and you'll always belong to my big cock."

"So am I, Nick," she said. "I wasn't meant to be anybody else's dirty little whore."

"Those jerks don't know how to treat and use my dirty little sister properly," I said. "I do."

"I was so stupid I didn't know that a long time ago," she said.

"It was fate, Alex," I said. "Your nephew was meant to witness your transformation into his dad's little whore."

"I guess so," she smiled.

"He's so lucky it's part of his education to be a future stud," I said.

"I am lucky about that too," she said.

When we were in the living room, I nudged her shoulders down. She knelt down and eagerly deep throated my hard cock for a few minutes.

"Is the baby ready?" I asked Beth as I thrust in Alex's throat.

"He's as ready as ever," said Beth.

"Get on your back, and spread your virgin ass for the last time," I said to Alex, slapping her face with my cock.

Alex assumed the position and spread her ass wide. I knelt before her and gently fucked her ass with the butt plug. I occasionally took the butt plug out of her ass and worked it in and out of her mouth.

"Your virgin asshole's definitely ready for what it was made for," I said, fucking her ass with the butt plug.

"Yes," she hissed.

Beth rid me of my pants and underwear and lubed my cock thoroughly. I took the butt plug out of Alex's ass and worked it in and out of Beth's mouth.

"Your nephew has gotten into the perverse habit of tasting his dad's whores' virgin assholes right before his dad makes them no longer virgin forever," I said to Alex. "Are you ready for him to taste your asshole on his finger?"

"Yes," she hissed.

"Spread it wide," I said.

Beth held her baby and helped him stick his index finger into his aunt's virgin asshole. Alex gently milked the baby's finger before he took his little finger out. Beth helped him suck his sticky finger clean. He seemed to like that. Beth took the baby away and held it up so he could watch his aunt lose her sweet ass cherry to his dad.

"You know what you want, Alex," I said, aiming my glistening cock at Alex's splayed asshole. "Beg for it. Let your nephew know that his dad fucks his dirty whores' asses because they need it bad, not because he's a pervert."

"Please fuck my horny virgin asshole," begged Alex, spreading her ass wide and winking at me with her asshole. "Please make your little sister your little ass whore like she should be."

"You got that, baby," I said, pushing my hard cock into her offered asshole.

Her little asshole only held up for a couple of seconds before my engorged cock head popped inside it, making her gasp softly. Her asshole clenched a little around the beginning of the shaft stretching it wide.

"Yes," she hissed.

"How does it feel?" I said. "How does it feel to give your virgin little asshole to the person it belongs to?"

"It feels wonderful," she moaned. "Your big cock feels so good up my ass. Please give me more. Take my ass."

"I've already taken all of you, Alex," I said. "You are mine. I can now fuck you any way I want, and I will."

"Yes," she hissed.

"I love taking what's mine," I said, thrusting in her ass gently.

"Me too especially when what's yours is your slut sister's horny ass," she moaned.

"Your sizzling ass is so nice," I said, watching my shaft sink deeper inside her ass. "I love being inside it."

"My pussy loves that too," she moaned. "Can you see how wet it is?"

"I can see it," I said. "It's so wet it's trying to drench my big cock and your little asshole with its excess juices."

"Yes," she hissed. "It's so excited about having me become my horny brother's little ass whore."

"You are so hot you'll soon be your brother's big ass whore," I said.

"Yes," she hissed.

"Take it all, baby," I said, driving the last of my cock up her ass.

"Yes," she hissed, stiffening. "I am coming."

"Let your little asshole come for the big cock it belongs to," I said, thrusting into her ass. "Have fun."

She convulsed ecstatically, her ass jerking up and down. I pinned her legs down and took her twitching asshole with short fast thrusts, making her come harder.

"I love this," she gasped. "I love you, Nick. I love your big cock."

"I love your little ass, my little whore," I said, fucking her shaking ass harder. "I love you. I love all of you."

Her orgasm finally subsided, and she went limp. I fucked her ass with long slow strokes. She smiled at me as she gasped for air, and I smiled back.

"I am now all yours with every hole," she gasped.

"Yes, Alex, you are all mine like you were meant to be," I said. "This is how good sisters are for good brothers."

"Yes," she hissed. "I am your dirty little whore."

"Hold your nephew, and show him how much you love being his dad's little whore while you enjoy your first ass fuck ever," I said, pulling her legs apart while still pinning them down.

Beth held the baby over Alex, and Alex held it over her chest. The baby rocked as I spread his aunt's ass and fucked it at an easy pace.

"Are you happy that your horny dad's fucking your aunt's ass, which nobody else has ever touched?" said Alex.

"You seemed to like the taste of her virgin asshole," I said. "If you are a good boy, your dad will share your slut aunt with you, but you have to be a stud because your slut aunt deserves the best, and we want you to be the best."

The baby had fun as the pace picked up. When Alex's orgasm hit her, she laid him on her chest face down and held him to her as she gasped and shook ecstatically, her asshole twitching wildly around my pumping shaft. Finally her orgasm subsided, and she calmed down.

"Let him nurse your nipples while you recover," I said, thrusting gently in her ass.

She guided his mouth to her stiff left nipple, and he sucked it for several seconds. She then led his mouth to her right nipple, and he sucked it similarly.

"If you are a good boy, you may suck those luscious tits while you fuck your choice of her hot fuck holes," I said. "You may be too young to get this, but this is the best incentive any baby or guy can ever get."

"Your dad's pulling all the stops to corrupt you and make you a pervert like him," said Beth, taking the baby.

"You don't complain when his perverse dad drills your horny orifices," I said, fucking Alex's ass harder.

"Of course not," said Beth. "His aunt wouldn't complain either if he fucked her like you are fucking her now."

"Baby, your dad wants the hot sluts to succumb to your big hard cock instead of letting you succumb to their dripping loose pussies," I said. "He wants you to be a real man like him, not a wimp like your grandpas."

"Don't teach him to disrespect his grandpas," she chided.

"He shouldn't disrespect guys," I said. "He should instead fuck their girlfriends and wives royally. He should learn to call a spade a spade though."

Alex enjoyed several hard anal orgasms while I broke her tight ass in. I finally fucked her throat gently.

"Alex, you need to call your boyfriend and your mom while you play with your nephew and his dad fucks your horny ass," I said, slapping her face with my hard cock. "Are you up for that?"

"Wouldn't they suspect anything?" she asked.

"They should think you are gasping because you are bouncing your nephew," I said.

"Okay," she said.

"Start with your boyfriend," I said. "I won't take it easy on you, so hang up when your orgasm hits you."

"Okay," she said.

"It's okay to come while talking to mom," I said. "She knows that I am a stud and that I may not spare you."

"How does she know that?" she asked.

"Moms know best," I said.

"Did you do something with her?" she asked.

"You should know me better than that," I said. "I only made her my whore like I did to you."

"You are a complete pervert," she said. "This is going to be a lot of fun."

It was.

THE HAREM CONVENTION

After I sent Alex on a date with her boyfriend, all her holes well fucked and full of come and her ass plugged, we took a break for a week. During the break, Beth got every hole fucked silly. By the end of the week, she was begging for mercy, ready for a break even a small one.

We called the following weekend activity a baby slumber party when we invited the family sluts to arrive at six on Friday afternoon. We naturally could not publicly call it baby anal orgy.

"I've never heard of anything like that," said the husbands, fiancé and boyfriend.

"I don't blame you," was the answer. "Women always invent new fun stuff when they don't want guys around."

They shook their heads and let it go.

The guests had to abide by the dress code: slutty, without underwear and with butt plugs.

Mom and Alex were the first to arrive. I let them in, not wearing pants or underwear and my cock hard. I gave each a big kiss while I fondled her tits and ass, starting with mom.

"Are you ready for the slumber party?" I asked.

"I am not sure we are going to get any sleep," said mom, squeezing my bare hard cock.

"At least, we are going to party," smiled Alex, squeezing my cock.

"You are going to party your hot little asses off," I said.

"I am not going to miss sleep," she said.

Victoria and Lisa arrived soon and got a similar reception.

"How is our hot bride-to-be?" I teased Lisa while feeling up her tits and ass. "Is her fiancé keeping her horny?"

"Oh, yes," she said, squeezing my cock. "She misses her stud brother-in-law's big cock so much."

"You think my big cock doesn't miss her even more?" I asked as I hiked her skirt and squeezed her bare ass.

"I miss it so much I am not sure," she said.

"When I am done with you, your fiancé will have the happiest fiancée in the world but unable to move," I said.

"I can't wait for that," she said. "He already has the sluttiest fiancée in the world. She might as well be happy."

"You know she'll be sated and very happy," I assured.

"Without a doubt," she said.

She knelt down and gave my cock head a kiss.

"Has my slut mother-in-law been doing any better?" I asked Victoria, squeezing her ass.

"Not at all," she said, squeezing my cock. "I need it even more. After all, her fiancé fucks her more than your father-in-law fucks her slut mom, who's always horny."

"All that doesn't compare to Nick's foreplay," said Lisa.

"I know," said Victoria. "Your slut mom has more time on her hands to fantasize about Nick's big cock though."

"Mom apparently needs it bad," said Lisa as her mom knelt down and kissed my cock head.

"I know she does," I said. "All of you do. That's why you are here. You'll all get fucked royally."

"We sure will," said Lisa.

Victoria sat on the sofa on Beth's side as mom was sitting on Beth's other side. Lisa sat next to Alex on the loveseat. The games started when I pushed my cock in Beth's mouth as she held the baby.

Beth deep throated my cock for a minute. I then switched it to mom. Mom deep throated me a little, and I slid my cock down Victoria's throat. Lisa deep throated my cock next, and Alex was last.

"Give me the baby, and get on your knees," I said, bending over before Beth.

Beth handed me the baby, and I sat in her place. She knelt before me and proceeded to suck my cock.

"Can you see how your slut mom worships your dad's big cock?" I said to the baby. "Are you going to be a good boy, take after your dad and let dirty sluts worship your big cock too?"

The baby watched innocently.

"Your grandma will explain to you how she's also a whore for your dad's big cock," I said, giving him to mom.

“That’s right, you sweet baby,” said mom, taking the baby. “I am also a whore for your dad. So is your other grandma. Your mom’s a lucky bitch for being a whore for her own husband. Women rarely can have that.”

The baby seemed to follow what his grandma said rather than watch his mom do her magic.

“If you want women to be your whores, you have to be a man,” I said to the baby. “When you are a real man, they are whores for you. When you are a jerk, they are bitches to you, not bitches for you. It’s your choice.”

“Do you want to be a horny stud like your dad and fuck married and unmarried whores royally?” she asked him.

He seemed to lurch up as if to say yes.

“If you don’t, I’ll be fucking your girlfriends and wife,” I said. “I may even be the father of your wife’s kids.”

“You don’t want that,” she said. “If you are a stud, your dad will be proud of you and won’t need to father other children, but, if you are no good, he has every right to father other children even with your own wife.”

“I think my slut wife wants to raise her son to be like his dad, not her dad,” I teased.

“Not your dad either,” said Beth.

“You think I want him to be like my dad except in his good taste in women?” I said.

“Thanks, darling,” said mom.

“Get down on your knees, mom, and show your grandson what a great woman you are,” I said.

Mom and Beth exchanged places and roles, and mom proceeded to suck my cock eagerly. Meanwhile, I wrapped my left arm around Victoria’s neck and slipped my hand down her top. I fondled her bare tits leisurely.

“Can you see your slut grandma worship your dad’s big cock?” Beth said to the baby. “Are you going to be a pervert like your dad and let your mom worship your cock?”

The baby swung back and forth as if to say yes.

“This baby’s apparently taking after his horny dad already,” she said.

“He’s apparently his dad’s son,” I teased.

“Of course he is,” she said.

“Victoria, why don’t you get off your hot ass and help mom?” I said, pinching Victoria’s stiff nipple.

“Sure,” said Victoria.

Victoria knelt next to mom, and they sucked my cock together.

“Alex and Lisa, lie down, and lick each other’s mom so they don’t drip on the carpet,” I instructed.

“What about us?” said Lisa. “We’ll be dripping too.”

“You are not supposed to get excited when you eat pussy, you perverts,” I chided.

“I get excited whenever I do anything sexual,” she said.

“If you leak, you have to lick it up yourself,” I said. “Don’t let the baby notice that you are perverts either.”

Lisa and Alex lay under mom and Victoria respectively. They hiked their dresses and proceeded to eat them out, making them moan around my cock.

“Can you see, son?” I said to the baby. “A good cock can feed more than one whore.”

“Wait until you see your horny dad fuck his five whores together,” said Beth.

“I want you to learn this at a very early age,” I said.

Mom and Victoria sucked my cock eagerly together for several minutes.

“Switch with each other’s mom,” I said. “Mom and Victoria, don’t eat their pussies. Just fuck their pussies and asses with their butt plugs, and make sure their excess pussy juices are worked inside their horny asses.”

Lisa and Alex sucked my cock together as mom and Victoria fucked their pussies and asses with their butt plugs.

“Can you see, baby?” I said to the baby. “Age doesn’t matter. Whores of all ages love and serve cock. If you are a good boy, you’ll never run out of cock-craving whores that love, want and need your cock.”

“You need to be good to your whores though,” said Beth.

“That’s the only thing you need to do,” I said.

“It isn’t as easy as your dad makes it look,” she said. “Most guys can’t or don’t do that.”

“If you are wise like your dad, you’ll know that the reward dwarfs the effort,” I said. “Most guys are jerks.”

"I am not raising a jerk," she said. "If you turn into a jerk, you'll need to find yourself another mom."

"You'd need another dad too," I said. "I am sure you are too smart to be that dumb."

Lisa and Alex sucked my cock for a while.

"Lucas, you can stay with your mom, but I am going to fuck her first," I said, getting up.

Beth scooted her ass forward but kept holding the baby to her chest. I hiked her skirt and pushed her legs over her head, exposing her leaky pussy and plugged ass. I pushed my cock into her pussy and proceeded to fuck it, rocking her and her baby, while the others watched.

"Can you see how your dad fucks your horny mom?" gasped Beth. "That's how you need to fuck your sluts."

The pace picked up, and she and the baby shook with every thrust. She soon came, holding the baby tightly. Victoria sucked my dripping cock and lubed it well. She popped the butt plug out of Beth's ass and into her mouth. Beth moaned around the butt plug as I pushed my slick cock all the way up her ass. Victoria took the butt plug out of Beth's mouth and put it aside.

"Your dad's fucking your slut mom up the ass," gasped Beth. "Nothing in the world feels like that. Your dad loves it, and all his whores do because he's so good at it. That's how you need to be when you are big."

Beth's ass received a serious drilling before she came. When her orgasm subsided, I pulled out and helped her up. She deep throated my cock while still holding the baby.

"Are you ready to watch your dad fuck his other whores in all their holes?" she asked.

The baby shoved his hips back and forth.

"Scoot to the middle, so the baby can be in the middle of the action," I said.

Beth moved to the center of the sofa, and I arranged our moms on their knees on either side of her. I stood behind mom and pushed my cock into her leaky pussy.

"Watch your dad fuck his slut mom," said Beth as I fucked mom. "You need to be very good if you expect your mom and dad to let you fuck your slut mom like that. Are you going to be a stud and pervert and fuck your mom?"

The baby as usual assented.

"Your mom's apparently going to get fucked royally in sixteen years," she said.

"She's going to get fucked royally then, before and after with or without him," I said.

"She's apparently going to get fucked royally with or without you," she teased.

"I hope so too," I said. "What good is a son if he doesn't help his dad?"

"You want him to take over your business when you retire," she said.

"He needs to take over the family business so to speak," I said.

Mom soon came. Lisa sucked and lubed my cock before she replaced mom's butt plug with it, pushing the butt plug into mom's mouth. I held and spread mom's offered ass and put it to her.

"Your dad's fucking his slut mom's horny asshole with his big cock," said Beth.

Lisa got up and spread mom's ass. I held mom's hips and fucked her ass harder.

Mom soon came and deep throated my cock.

"Your dad's so horny he fucks your mom and her slut mom," said Beth as I fucked Victoria's pussy.

Alex sucked my cock, lubed it and guided it into Victoria's ass after popping the butt plug out.

"Can you see your dad drill my mom's horny asshole?" said Beth as Alex spread Victoria's ass for me. "Are you going to fuck your girlfriends and wife's moms like that?"

"He's going to share them with his dad too, aren't you?" I said.

After Victoria deep throated my cock, Alex replaced her, and Lisa replaced mom. I fucked Alex's juicy pussy.

"Are you going to fuck your own sister if we give you one like your horny dad does?" said Beth.

"Only if he's very good and the little slut lets her dad introduce her to sex," I said.

"Your dad's a greedy pervert," she said. "Are you going to be like him?"

The baby seemed to like that and agree to it.

"You are a dirty boy," she said. "You want to fuck your mom and sister."

"He better not leave them to jerks if his dad needs his help with them," I said.

Lisa's pussy and ass came next, and Alex's ass was last.

Alex deep throated my cock. I pushed her and Lisa on their backs on the sofa and arranged mom and Victoria on their knees on the floor, their heads between each other's daughter's legs.

"If I fuck your pussy, you like her pussy," I instructed, kneeling behind mom. "If I fuck your ass, you lick hers. If I am not fucking you, you finger fuck her holes freely. If you don't make her come, I won't make you come."

"That's easy," said mom.

"This is a bonding experience," I said. "I want you to know each other's fuck holes inside out."

"You got that, stud," said Victoria, already sticking a finger into each of Alex's orifices.

Mom got my cock in her leaky pussy first. I fucked her leisurely until she made Lisa come. I make her come and moved my cock to her ass. I made her come right after she ate Lisa's asshole to orgasm. Victoria made Alex come twice as well. Lisa sucked my cock before I put it to her mom's pussy. Alex sucked my cock after I took it out of Victoria's ass. I had mom and Victoria switch places and did it all over again. After Lisa sucked her mom's anal flavors off my cock, it was the girls' turn to get fucked while exploring their mother's orifices. Alex got fucked first while she ate Victoria's pussy and ass. Beth's turn was after Lisa's. Beth got both her holes fucked while she explored the other's pussies and asses in turns. I then fucked the others in both holes while they explored hers.

Each got her ass fucked while she had the others take turns on eating her pussy and sucking her tits. They then got their assholes eaten and their tits fondled and sucked while their pussies got fucked.

After the bonding stage, I fucked them any way I wanted, switching my cock freely from hole to eager hole after every orgasm. They tasted one another's pussy and ass on my cock repeatedly. Each called her guy, gasping, while she held the baby and I switched my cock between her eager holes. I fucked and sucked their tits, including Beth's.

They eagerly helped me fuck one another by spreading and lubing assholes and guiding my cock in and out.

By the time we called it a night, I had come inside each ass and had my come eaten out and shared.

Saturday and Sunday were open orgies. On Saturday I came in every mouth and ass, and on Sunday I came in every pussy and ass. By Sunday evening, they were all very well fucked and happily fucked out.

"Did you enjoy this weekend?" I asked as we all rested.

"I loved it," said Lisa. "I hope I don't lose it when I get married."

"Of course you won't, or I'll spank your tight little ass if your little asshole gets tight enough for that," I said. "I'd even spank you in front of your husband although I wouldn't tell him why."

"I don't want to lose it, but I'll be newlywed and expected to be all over my new husband," she said.

"You'll be all over him alright with your hot orifices loose and sticky with my gooeey come," I said.

"I wish he'd agree to have you fuck me," she said.

"We all wish that," said mom.

"You all think that I'd stoop low enough to fuck cheating sluts?" I said. "This is all temporary. I'll soon fuck you all with your men's consent. I'll even fuck Lisa on her wedding night while her groom spreads her ass for me."

"Don't be silly, Nick," she said. "Your dad would never let me whore myself to you. Neither would the others."

"He may not like it especially in the beginning, but he's going to accept it," I said. "I'll soon fuck you like this while your men know where you are and what you are doing. You'll tell them that I am actually drilling your asses."

"Dream on," she said.

"I'll dream on for a few days," I said. "You are going to spend the next weekend getting fucked royally with dad's knowledge and consent. He'll approve your new role as my dirty whore."

"Don't fool yourself, Nick," she said. "That can hardly happen in cheap porn movies."

"It's going to happen because every one of you is going to do her part perfectly," I said. "Success can't be guaranteed, but it's very likely. I am going to talk with each of you in details and decide how to proceed."

"Do you really think we stand a snowball's chance in hell to succeed?" she asked.

"We are very ambitious, but we'll succeed if we don't make big mistakes, and we won't make them," I said.

"Nick, are you serious?" said Lisa. "You'll fuck my ass on my wedding night while my groom spreads it open?"

"Of course, baby," I said. "It will be my wedding gift to you. Your groom will even eat my come out of your slimy orifices. He'll always bring you to me to get fucked royally like you deserve."

“That makes my pussy and asshole twitch, but it sounds too good to be true,” she said.

“We need to make no mistakes for that to happen,” I said.

“I am willing to do whatever it takes if it can happen,” she said.

“That’s what I expect from all of you,” I said. “That’s why I am telling you that you’ll soon whore yourselves to me freely with your men’s consent. They’ll even encourage you to whore yourselves to me.”

“I find that hard to believe,” said Victoria.

“It isn’t easy to make no mistakes, but it’s possible,” I said. “If you want to get fucked royally, you must do it.”

“We’ll do our part, Nick,” she said. “I assure you of that.”

“Be strong,” I said. “Keep your fingers crossed and your legs spread. We’ll have it our way.”

“Good luck to all of us,” she said.

“Forget about that silly stuff, and let’s talk about the important stuff,” I said.

“What important stuff?” said mom. “Is there anything more important than that? Our asses are on the line.”

“I liked being a father so much, I want to do it again,” I announced.

“Not so soon, stud,” protested Beth. “We can’t start working on our next baby this soon.”

“Of course not,” I said. “I want the others to carry my babies.”

“What?” they all said in shock.

“I want each one of you to carry a baby for me,” I said. “I want to give Alex and Lisa their firstborns and give mom and Victoria an extra baby each. It’s going to be great.”

“Nick, that’s crazy,” said Beth.

“You were right,” said mom. “Having them drink your come out of our well-fucked pussies and asses is nothing compared with having us bear and them raise your children, but it doesn’t make that any easier.”

“Are you willing to give me another baby and sibling?” I asked.

“I’d love to do that, but there is no way your dad would go with it if he thought he were the father,” she said. “If he knew it would be you, there is no word to describe how impossible it would be.”

“Forget about dad for now,” I said. “We’ll work on him later. The most important part is having the prospective dad and mom in full agreement. Would you give me and my son a sibling?”

“Sure,” she said.

“Victoria, do you want to give your daughters and my son another sibling?” I asked.

“Sure,” said Victoria.

“Alex, do you want to give us and your nephew a sibling?” I said.

“I’d love that,” said Alex.

“Lisa, do you want to give you, your sister and your nephew a sibling?”

“Without a second thought,” said Lisa.

“You all will,” I said. “The part we need to work on is your husbands’ consent.”

“That isn’t an easy part,” said mom.

“We all are smart and mature enough to handle that,” I said. “It’s the third and last stage of making you mine.”

“That would make us undoubtedly completely yours, but I can’t see how it can happen,” said Victoria.

“If it can happen, and I am sure it can, we’ll work hard and make it happen,” I said.

“I hope you are right,” she said.

“I’ll try to make you pregnant in pairs so things can always be manageable and I have three sluts on call,” I said.

“That’s the easy part,” said mom.

“You’ll soon have a bunch of siblings,” I said to the baby. “You’ll see that your dad’s big cock isn’t only good for making a bunch of hot sluts very happy, and that’s no little feat that you and they will appreciate later.”

They visited during the week, mom and Alex on Tuesday and Victoria and Lisa Thursday. They all got more than their fair share of cock in all holes. Mothers and daughters took to getting fucked together like ducks to water.

Our plans were ready to be executed.

THE PATERNAL GRANDPA

We arranged with mom and dad to spend the following Saturday with us so he could watch her whore herself to me. We naturally did not tell him that. We left it as a pleasant surprise.

Mom and dad's visit was a normal family visit until lunch.

After we had lunch, Beth nursed the baby. She was sitting on the loveseat while mom was sandwiched between me and dad on the sofa. I was on mom's left. He did not notice that I was fondling her ass from the side.

"I love watching a woman nurse," said mom.

"I love watching a baby nurse," I said. "He attacks his mom's thick juicy nipple like it's going to vanish."

"He does that only when he's hungry," she said.

"My son does that all the time," I said. "I don't think he's always hungry. I think he likes his mom's delicious nipples too much. I can't blame him. I like them myself, but he needs to relax. They are not going anywhere."

"You are just being jealous," she said.

"Of course I am jealous," I said. "He gets to suck his mom's mouthwatering nipples all he wants, and I don't."

"Have some shame," chided Beth.

"I am not talking about his mom's nipples," I said. "I am talking about my mom's. I miss them."

"Have any shame," she chided. "You are too old for that."

"Boys will always be boys," I said.

"You mean babies will always be babies?" she teased.

"Whatever," I said. "I miss my mom's mouthwatering nipples, and, if I could, I'd suck them right now."

"I'd let you suck them if your dad weren't here, but I don't want him to get jealous himself," said mom.

"You'd rather *I* get jealous?" I said.

"Yes," she said.

"I think he should be very jealous because my mom's boobs are more appetizing than his mom's," I said.

"Nick!" glared dad. "That's enough."

"Admit it, dad," I said. "I was a luckier baby. Aren't mom's boobs superior to grandma's?"

"That's none of your business," he said.

"You missed it, dad," I said. "You could have given mom a big compliment, and you let it go."

"Thanks, Nick," said mom.

"What compliment?" he said.

"Your mom isn't here," I said. "You could have said that my mom had the best boobs in the world."

"She does, but that's none of your business," he said.

"I beg to differ, dad," I said. "I love my mom's boobs, and that's nobody else's business."

"You should love your wife's boobs now," said mom. "She has very nice ones."

"I do, but the baby hardly lets me have any time with them," I said.

"You once did that to your dad," she said.

"Dad, did you use to get jealous whenever I nursed my mom's delicious boobs?" I asked.

"No," he said.

"Do you agree that Beth has very nice boobs?" I said.

"Nick, what are you talking about?" he said in surprise. "Since when did we discuss each other's wife's boobs?"

"Dad, we are family," I said. "They are my wife and mom and your wife and daughter-in-law."

"Guys should never discuss women's boobs with anybody regardless of whom they belonged to," he said.

"Is that right, mom?" I asked.

"I think your dad's a little old-fashioned," she said. "I don't mind having the two of you discuss my boobs."

“Me neither,” said Beth. “I don’t feel embarrassed about my big boobs. My husband and my son love them.”

“Can you see, dad?” I said. “There is nothing wrong with that.”

“I’d even show them to you if you want me to,” said mom. “I am still proud of them.”

“If you show them to us, I’ll be all over them and dad won’t like that at all,” I said. “I am so happy the closest two women to me have the best boobs in the world although I am not a tit man.”

“Thank you, darling,” she said.

“Thank you, honey,” said Beth.

“Relax, dad,” I said. “I am not going to grab mom’s boobs and run away with them.”

“If he likes them so much, how come he rarely says hi to them?” said mom.

“Dad, if you don’t take good care of mom’s lush boobs, I will,” I said.

“Nick, stop it,” he said.

“I am serious,” I said. “Mom has fantastic boobs. I am not going to let them go to waste.”

“Between you and me, if he doesn’t take care of them, I’ll bring them to you if Beth’s okay with that,” she said.

“By all means,” said Beth. “That would relieve me from his fighting with his son over mine.”

“We are all set,” smiled mom. “This is a win-win situation.”

The baby had enough, and Beth tucked her tit in. She handed him to mom and knelt before me.

“Nursing the baby makes me emotionally charged,” said Beth, undoing my fly. “I need to discharge.”

“What are you doing?” asked dad in shock.

“She needs to unwind,” said mom.

“I think we should leave,” he said.

“Relax, Dan,” she said. “We are not going anywhere. I’ve seen this before. They are not kicking us out.”

“Of course not,” I said as my hard cock made an entrance. “We are doing this now because we are all family.”

“They want to have sex,” he said as Beth kissed and licked my cock head.

“No, no, no,” said Beth. “We don’t want to have sex. I just want to play with my husband a little and feel close.”

“You should do that without company,” he said.

“Dan, you are family,” she said. “You’ll soon get used to it. It’s no different from nursing.”

He dropped it reluctantly.

“Honey, doesn’t our son have a lovely manhood?” said mom as Beth licked and sucked my throbbing cock.

“What?” he said, startled.

“Doesn’t he have a beautiful love tool?” she said.

“We shouldn’t be talking about that,” he said.

“Are you getting jealous because I am complimenting our son’s big meat flute?” she smiled.

“Of course not,” he said.

“Admit it then,” she said. “He has a mouthwatering lollipop, doesn’t he?”

“That’s none of my business,” he said.

“I am proud that my son has an impressive woman pleaser,” she said. “Beth, are you happy with it?”

“I don’t want to sound shameless, but I am very happy with it and very proud of it,” said Beth. “Your son really knows how to use it, and, to crown it all, it can make adorable babies.”

“I testify to that,” said mom, handing the baby to dad. “Hold this adorable baby, and let me show my pride.”

He took the baby, not understanding what she was talking about.

Mom knelt down next to Beth and took my pants and underwear off. Beth made room, and mom kissed and licked the side of my hard cock to dad’s shock.

“What are you doing?” asked dad in disbelief.

“Are you getting jealous now?” smiled mom. “I am showing my pride in my son and his impressive manhood.”

“You can’t do that,” he said. “That’s incest.”

"Incest's sex," she said. "This isn't sex."

"That's oral sex," he said.

"First, oral sex isn't really sex," she said. "Second, this isn't oral sex. A mother can kiss her son's private parts."

"Kiss it all you want, mom," I said. "I'll only appreciate that."

Beth went back to her seat and watched.

"I like your big balls," said mom, smiling at me. "They must be so full of baby-making cream."

"I think so," I said. "Thank you."

"His baby-making cream's delicious," said Beth.

"I bet," said mom.

She teased my balls with her tongue tip and licked them. She then sucked them gently.

"Do you still think this is sex?" she asked him.

While she waited for his answer, she teased the underside of my cock head with her tongue tip, making it twitch.

"Yes," he said.

"If you really think so, you don't know what sex is," she said.

"Dad, the act may be similar or even identical, but what it is can be very different," I said. "When I kiss you, mom, Alex, Beth, my mother-in-law, my son or somebody else it is the same physical act but totally different."

Meanwhile, mom licked and sucked my cock head playfully, sipping its leaking fluids.

"She's licking and sucking your thing," he said. "How can that be different?"

"You think when mom does that it's similar to when Beth does it?" I said. "Take sucking nipples. Do you think when Lucas sucks his mom's it's the same as when I do that and the same as when I suck mom's and when you do?"

"That's different," he said.

"That's what I am saying," I said. "The physical act's the same, but the meaning's what you have in mind. Do you think mom has in mind the same thoughts a slut would have when she does that to a jerk that picked her up?"

"No, but it's still sexual," he said.

"You don't know that," I said. "Besides, even if it were sexual, it's still different as you've just admitted."

"Dan, you are spoiling my fun and complicating things," complained mom. "Sit back, and let me appreciate my son's manhood and nurture our relationship and intimacy. This is a very special time for us. You need to respect it."

"Moms and sons don't nurture their relationships like that," he protested.

"Dad, people nurture their relationships any way they want at all," I said. "This is mom and my way."

"That's right, honey," she said. "Sit back, and watch your wife be a good mom for her stud son."

Mom sucked my cock deeper and deeper with increasing eagerness, slobbering all over it.

"Do you like this, darling?" she asked me, smiling at me.

"Of course, mom," I said. "You really know how to make your son feel very good. I love everything you do."

"Me too," she said. "You have a mouthwatering specimen. I am grateful to Beth for giving me time with it."

"Don't be silly, Amy," said Beth. "You can have all the time you want with your son. I am not a bitch wife."

"You are an amazing wife," said mom.

"You are," I smiled at Beth.

"Thank you, both of you," smiled Beth.

"Dad, if I were you, I'd be all over mom's tight little butt," I said.

"Nick, you shouldn't talk like that about your mom," he chided as mom teased my cock head.

"You apparently are not an ass man like me," I said. "By looking at mom, it's hard to judge. She has them both."

"She has what both?" he asked.

"She has great boobs and a hot little butt," I said.

"You can't talk about your mom like that," he said as mom hungrily stuffed her throat with my hard cock.

"It's okay, honey," said mom, gently tapping my cock head on her lower lip. "I like being complimented on my body even by my son especially when his dad doesn't."

"Even Beth knows that mom has a fantastic butt," I said.

"That's right," said Beth. "Your wife's butt is Nick's type. If you've ever noticed, it's the same type as mine."

"Dad isn't an ass man," I said. "I don't think he's ever noticed that."

"Of course not," he said.

"It's okay to compliment mom on it regardless of all that," I said.

"You shouldn't be the one complimenting her on it though," he said.

"Don't obsess about that," I said. "It's okay to compliment people in good faith."

"Oh, Nick, I can do this forever," said mom.

"I wouldn't complain," I said. "Do it all you want."

Mom eagerly stuffed her throat with my glistening cock.

"Dad, are you able to understand what mom's doing?" I said.

"All I can see is that she's going down on you," he said.

"That's right," I said. "That's what you should see. You can see an act. You can't see emotions or thoughts. Those you have to interpret. Mom's using an act most people associate with sex to enhance our closeness."

"You mean it doesn't involve lust?" he said.

"Lust's sexual craving," I said. "Is this something we can crave? Of course it is. Is it normal sex? No."

"You are sexually excited," he said.

"It's a result of the physical act," I said. "When women use vibrators, they become sexually excited, but is it because they crave sex with plastic? Of course not."

Mom deep throat my cock hungrily for several minutes.

"Mom, why don't you bring those fine boobs of yours here and let me nurse them?" I said.

"You want to nurse them like you did when you were little?" she smiled.

"I appreciate them more even though you may think I don't need them," I said. "I hope I am better at that now."

"I know you are," she said.

She pulled her top down, exposing her braless tits and climbed into my lap, facing me. As she straddled me, her dress rode up her legs allowing my hard cock to touch her dripping pussy. I held her hips and pulled her into me.

"Do you like your mom's big boobs?" she said as she clasped her hands over her head and jiggled her tits.

"I love them," I said, admiring her stiff nipples.

"Suck them, they are all yours," she said. "Nobody else seems to care about them."

"I no longer feel jealous of the baby," I smiled.

"Of course not," she moaned as I took her left nipple in my mouth and sucked it.

Dad watched me suck mom's nipple for several seconds. When he took his eyes off me, I used my left hand, which he could not see, to guide my cock head into mom's leaky pussy. Once the head slid in, I let it go. Mom subtly moved her hips back and forth, working my cock all the way into her hot pussy. Her pussy twitched and she trembled when her pussy closed around the base of my cock. I was fucking her right in front of dad.

"I love this," she moaned, squeezing my cock with her pussy.

"Me too, mom," I said on my way to her right nipple, flexing my cock within her pussy.

She became less and less subtle as our fuck progressed, but she did not ride my cock openly.

"What are you doing?" asked dad when he saw her move her hips rhythmically. "Are you having sex?"

"Dan, you are being silly," she admonished sternly, stiffening.

Mom gasped and shook in orgasm while he watched.

"Are you having an orgasm?" he said.

"Yes," she gasped, her pussy twitching and gushing around my cock.

"This is obviously sex," he said as her orgasm subsided, leaving her limp.

“Dad, this is a reaction to the physical stimulation,” I said. “It doesn’t change anything.”

“She’s just had a *sexual* orgasm,” he said.

“Mom, did you enjoy it?” I asked.

“Yes,” she hissed.

“Do it again,” I said, bouncing her ass. “Don’t worry about dad. I’ll explain it to him.”

“Explain it to me,” he said sarcastically as she resumed riding my cock but less subtly.

He thought she was just grinding into my boner, but she was getting her excited pussy fucked royally.

“When a surgeon cuts a patient open during an operation, does it hurt if they don’t use anesthesia?” I said.

“Of course,” he said.

“Does that mean the patient feels pain because somebody’s trying to hurt him as pain is intended for?” I said.

“No,” he said.

“The body reacts the same way to a similar stimulus regardless of what it’s done for,” I said. “Mom has orgasms now because her body’s now gratified just like it is during unbridled sex.”

“How is this different from sex?” he asked.

“It’s all in the mind—ours and yours,” I said. “If you want it to be the same, think it’s the same. If you want it to be different, think it’s different. It’s up to you. If you think your sweet wife would whore herself to her son, do it.”

Mom stiffened and came again, drenching my cock and balls with a fresh load of copious pussy juices.

“I think my mom’s an amazing woman,” I said as mom gasped and shook in orgasm. “There is no way she’d do something a dirty whore would do with a passerby. Do you really think mom’s a whore?”

“Of course not,” he said.

“By the way, regardless of what or who women are, they sometimes love acting and being treated like dirty whores,” I said. “Most women would admit to that if they can trust you. Isn’t that right, mom?”

“Yes,” she hissed.

“Tell dad how much you like being my whore and getting fucked on my big fat cock,” I said.

“Oh, honey, I love our son’s big fat cock,” she moaned. “I love being its dirty little whore. I love how it fills my tight little pussy and fucks it royally like no other cock can. My stud son can fuck me like nobody else ever can.”

“If you love my big cock so much, why don’t you ride the big cock you belong to and get your horny little pussy fucked hard until you come your hot little ass off all you want while dad watches?” I said.

“That’s a great idea,” she smiled. “I’ll do just that.”

“Show him how dirty you are,” I said, slapping her ass playfully. “I am sure he’s never seen that.”

“Your grandma’s going to love being your dad’s dirty whore,” she said to the baby, riding my cock gently.

“Don’t talk to the baby like that,” he admonished.

“Do you want to watch your slut grandma get fucked royally, baby?” she said.

The baby did his standard hip nod.

“You see?” she said. “He wants me to.”

“Don’t worry about him, Dan,” said Beth. “He’s a dirty baby. He loves sex.”

“He’s obviously taking after his dad,” I said.

Mom rode my cock energetically as I held and squeezed her tight ass.

“You are a dirty girl,” I teased.

“Yes,” she hissed, riding my cock harder.

“Dad, tell mom she’s a dirty girl,” I said. “She’d love it.”

“Nick, that isn’t funny,” he said.

“Don’t you agree that she’s a dirty girl?” I said.

“Yes,” he said.

“Tell her,” I said.

“You are a dirty girl,” he said.

“Yes,” she hissed, stiffening. “I am coming. This dirty girl’s coming her ass off on her stud son’s big cock.”

“Can you see how she likes it?” I said as mom shook wildly, gushing on my cock.

“I sure can,” he said.

She recovered and resumed riding my cock.

“Dad, this time tell her she’s a dirty whore,” I said as mom energetically bounced on my cock.

“Nick!” he whined.

“Do it, dad,” I said. “She’d love it even more.”

“You are a dirty whore,” he said.

“Yes,” she hissed, stiffening.

“She’s a dirty whore,” I said to him as mom shook in orgasm. “Can you see how much she loves it?”

She resumed riding my cock.

“Dad, tell her she’s her son’s dirty whore,” I said when mom approached orgasm.

He knew what was coming, but he did it anyway.

“You are your son’s dirty whore,” he said.

“Yes,” gasped mom, stiffening. “I am my stud son’s dirty whore.”

She shook in orgasm, and I paced her ass but bounced it hard until her orgasm subsided.

“Did you see how even good girls love to be dirty and be treated accordingly?” I asked.

“Yes,” he said.

“You’ve drenched my cock and balls with your pussy juices,” I said. “Kneel down and lick them clean.”

“With pleasure,” she said. “Your big cock’s been so good to your slut mom.”

“My big cock loves my slut mom,” I said.

“She loves it so much too,” she said, kneeling before me.

She licked my sticky balls clean. She licked her way up to my cock head and took it in her mouth. She sucked my cock with increasing eagerness for several minutes.

When mom finished sucking my cock, I pulled her onto her knees next to dad, facing the back of the sofa. I knelt on the floor behind her and hiked her short dress, exposing her plugged ass. Beth sat next to her and spread it.

“What’s that?” asked dad when he saw the base of the butt plug as I tugged it gently.

“I use this butt plug to keep my asshole elastic and fit,” moaned mom as the butt plug slid slowly out of her ass.

“Can you see how elastic it is?” I said as her asshole stretched wider to accommodate the bulge in the butt plug.

“What are you doing?” he asked.

“I am giving her asshole it a little workout to see how elastic it is,” I said. “Dirty girls love this, and she’s one.”

“Oh, yes, I am, and I do,” she moaned.

She gasped softly when the butt plug popped out of her ass. I took it to her mouth. She sucked it, moaning.

“You suck it?” he said in shock. “That’s disgusting.”

“Dad, a woman’s little asshole has to be elastic and fit, but most importantly it has to be squeaky clean,” I said. “We wouldn’t do this if it were not. She’s sucking it to show us that it’s clean enough. Now we’ll all suck it.”

She sucked the entire butt plug, and I returned it to her asshole. I worked it in and out of her asshole a few times before I took it to my mouth and sucked it.

“It’s nice,” I said, returning the butt plug to her asshole.

“That’s disgusting,” he said as I returned the butt plug to her ass.

“You’ll try it and see that it isn’t,” I said, gently fucking the butt plug in and out of her asshole.

“I am not doing that,” he said.

“You are, dad,” I said, offering him the butt plug. “Beth has already done it before. You are closer to mom than she is. You saw mom and me do it. It enhances intimacy.”

“You are all crazy,” he said, reluctantly leaning forward.

“We are not,” I said, pushing the butt plug closer to his mouth. “Mom has a delicious asshole. You’ll soon see.”

He tentatively licked the tip of the butt plug. He took more of it into his mouth and soon sucked it all.

“It isn’t bad, is it?” I said, returning the butt plug to mom’s ass.

“Not at all, but it’s still weird,” he said as I worked the butt plug in and out of mom’s ass.

“You think so because you’ve never experienced this level of intimacy,” I said, offering Beth the butt plug.

Beth sucked the butt plug eagerly. She lubed my cock thoroughly as I pumped the butt plug in mom’s ass.

Beth guided my slick cock into mom’s relaxed asshole as I pushed the butt plug into mom’s mouth.

“What are you doing?” he asked as my cock head opened mom’s asshole. “You are sodomizing your mom.”

“No, dad, mom doesn’t have anal sex with anybody,” I said. “That makes this very special. It’s anal intimacy.”

“Others call it anal sex,” he said.

“Others don’t know anything about this,” I said as Beth spread mom’s ass and I slowly worked my shaft in. “You already know that. Mom’s a good girl. She’s never let anybody delve inside her luscious ass sexually.”

“She is now,” he said as he watched me impale mom’s stretched asshole balls deep.

“This isn’t sex as you know it,” I said, thrusting in her ass. “The closest thing to this is when I do it to Alex.”

“You do it to Alex?” he asked.

“Yes, I do it to Alex, and I do it to Beth’s mom and sister,” I said.

“You do it to your mother-in-law?” he said. “Does your father-in-law know about that?”

“He will next Saturday,” I said. “You are the first to know about this because you are closer to me. Because Victoria’s a good wife, he can’t have anal sex with her either, but I can.”

“You are calling it anal sex,” he said.

“I don’t,” I said. “We call it ass fucking because fucking itself doesn’t restrict the act to violence, sex, love or intimacy. It’s merely sticking a hard cock into a tight hole and pumping it to completion whatever completion is.”

“How can you be more intimate with your mother-in-law than her husband?” he asked.

“That’s easy,” I said. “They restrict themselves to the sexual aspect of the physical act. We don’t. What I can do to her is a superset of what he can do, and its meaning’s deeper. That frees her from shame when she does acts that only dirty whores do. Propriety falls apart, and we are only restricted by what our bodies can physically do. The extra freedom we have removes any temptation to make it a sexual relationship because that’s more restrictive.”

“I can’t really make sense of what you are saying,” he said.

“Mom, how does what I am doing to you compare with any sex act you’ve ever done?” I asked.

“Nothing compares with this at all, darling,” gasped mom. “This is a completely different dimension.”

“You though enjoy the acts that only shameless whores do, don’t you?” I said.

“Oh, yes, very much,” she gasped. “I enjoy it much more than they do.”

“Tell dad what you want to be,” I said.

“I want to be my son’s dirty ass whore,” she gasped.

“For that, you need to let me use your cock-craving ass any way I want,” I said.

“Of course you can use me any way you want at all in any hole,” she gasped.

“Do you feel any shame at all?” I asked.

“No way,” she gasped. “I am doing this with the closest person in the world to me. He can do anything he wants to my body. Why would I feel any shame?”

“You shouldn’t,” I said. “You should only feel unbridled joy and intimacy.”

“That’s exactly what I feel,” she gasped.

“Tell dad how my big cock feels in your tight sizzling ass,” I said.

“I can’t,” she gasped. “It feels absolutely amazing.”

“Are you going to be a good girl and come hard for the big cock you belong to?” I said.

“Oh, yes,” she gasped. “I belong to your big cock, and I love to come for it. I am about there.”

“Watch this, dad, and tell me if you’ve ever seen mom experience it,” I said, fucking mom’s offered ass harder.

Mom stiffened and shook wildly in a hard orgasm. I held her waist tightly and mercilessly drilled her trembling ass until she went limp, gasping for air.

"Have you ever seen this beautiful woman experience this intense pleasure before?" I asked.

"No," he said. "It looks much like sex though."

"Of course it does," I said. "It feels much different though in addition to being much more intense."

"Honey, this doesn't feel like anything you and I have ever experienced," she gasped.

"Dad, why don't you spread mom's lovely ass and watch closely?" I said.

"You want me to spread her ass and watch you fuck it?" he asked.

"Sure," I said. "You should be part of this intimate act as much as you can. Give it a try."

"That doesn't sound like a good idea," he said as Beth took the baby from him.

"It is," I said. "Mom has a gorgeous ass, and her asshole looks so sweet especially when stretched and impaled."

He reluctantly got closer and spread her ass tentatively as I fucked it slowly.

"You saw how resilient it was," I said. "Don't be afraid to spread it wide and watch intently."

"Do that, honey," she said. "He can fuck my ass harder when you spread it wider. You can also see more clearly how intimate and amazing it is for me to have the closest cock to me be where no other cock's ever allowed to be."

He spread her ass wider, and I fucked it harder and harder.

"It's so special to be where nobody's allowed inside this wonderful woman's magnificent body," I said. "Dad, thanks for being part of this so you can feel and share our unique intimacy. Can you feel anything at all?"

"I can feel that you have a special connection with your mom," he said.

"That's what it is, dad," I said. "Can you see that my hot mom as a woman belongs to my big cock?"

"I sure do," she gasped.

"Yes," he said.

"She's an amazing woman, isn't she?" I said.

"Yes, she is," he said.

"Thank you so much for picking up such a wonderful woman to be my mom," I said.

"You are welcome," he said.

"I returned the favor and picked up a fantastic mom for Lucas," I said. "Don't you think so?"

"Of course," he said.

"Thank you, honey," said Beth. "Thank you, Dan. I am sure he'll appreciate it if it's true."

"Of course it's true," I said.

"Can you see your horny dad fuck his mom in front of his dad?" she said to the baby. "Are you going to be a dirty boy and fuck your mom in front of your dad too?"

The baby shoved his hips back and forth.

"Dan, you have a dirty grandson already," she said. "Every time I ask him if he's going to fuck his mom, he thrusts his crotch happily if not lewdly."

"Maybe he's taking after his dad," said dad.

"Can you blame either of us when our moms are so hot?" I said.

"Of course not," he said.

"I already told him if he turned out to be a good stud, I'll share my harem with him," I said.

"Nick wants his son to be a horny pervert like him," she said. "Do you think that's a good idea?"

"I want him to help me when I get older and my harem gets younger as I add younger sluts," I said.

"He has a point," he said.

"Dad, I am sure you want mom fucked even harder than this," I said. "Aren't you happy I am helping with her?"

"I guess so," he said.

"Am I not taking good care of my hot mom's luscious ass?" I said.

“You sure are,” he said.

“Am I not fucking it harder than you ever dreamed?” I said, drilling mom’s spread ass harder.

“Yes,” he said.

“When I am through with it, it’s going to be looser than you ever thought possible,” I said as mom stiffened.

“Is that what you are going to do to your mom’s little asshole if she lets you fuck it?” Beth teased the baby.

“If he’s my son, that’s the least he’s going to do,” I said as I vigorously pounded mom’s twitching asshole.

“Your dad wants you to be a very dirty boy,” she said.

“What about his mom?” I said as mom’s orgasm peaked.

“His mom too,” she said. “After all, she’s likely to end up on the business end of his big cock.”

Mom’s orgasm subsided, and I fucked her ass with long smooth strokes.

“Dad, don’t you think we now feel more like a family that we ever had?” I said.

“Yes,” he said.

“Keep her ass spread, and watch this,” I said as I slowly pulled out of her ass.

Mom’s asshole gaped.

“It remained open,” he said.

“Yes,” I said, lowering my mouth to mom’s open asshole. “Watch this.”

He watched me kiss mom’s gaping asshole and stick my tongue deep inside it. Mom’s asshole kissed back.

“Give it a kiss,” I said. “It’s so sweet.”

Beth meanwhile deep throated my cock while holding the baby.

Dad reluctantly lowered his mouth to mom’s open asshole.

“Give it a real kiss, dad,” I said. “Beth has already done that, and you are closer to mom than she is.”

He kissed mom’s asshole, and she ground her ass into his face, kissing back.

“It’s nice isn’t it?” I said, pushing my cock back up mom’s loosened asshole.

“Yes,” he said.

“Mom’s delicious anywhere you kiss her,” I said. “She has one of the prettiest assholes I’ve ever seen.”

“Yes,” he said.

“Time equals intimacy,” I said, fucking mom’s ass briskly. “That’s why you and Beth are going to watch me fuck mom’s every hole for a while. I hope we don’t bore you. We’ll find ways to share the fun and intimacy.”

“Bore me, baby, with your big cock,” said mom, fucking back.

“Of course, mom,” I said, fucking her ass harder.

“Can you see how your horny dad fucks your slut grandma in the ass hard while your grandpa spreads it for him?” mom teased the baby. “Do you want dad to spread your mom’s ass for you when you are a big horny stud?”

“Did you see that, dad?” I said as the baby, thrust his hips. “I think this horny kid’s going to be fucking girls and women married and unmarried even before he hits puberty.”

“He apparently has his dad’s genes concentrated,” said dad.

“I better fuck his mom silly before he takes her away from me,” I said.

“Don’t get too busy fucking your own mom,” he said.

“He fucks me silly,” said Beth. “Trust me. I am just taking a short break today.”

“You have a very horny husband,” he said.

“I sure do,” she said. “He spent last weekend fucking the five of us silly. He fucked us out and didn’t tire.”

“Beth isn’t completely off duty today,” I said. “Mom can’t handle me alone.”

“Were you like Nick when you were at his age?” she asked him.

“No,” he said. “Your husband seems to be insatiable.”

“That’s fortunate for his sluts,” she said.

“That’s very fortunate for me,” gasped mom as I drilled her spread ass vigorously.

“You love being my dirty whore, don’t you?” I teased.

“Oh, yes,” she gasped.

Mom stiffened, and I fucked her twitching asshole with extreme vigor until she went limp.

“Suck it, mom,” I said, pulling out of mom’s ass. “Show dad how grateful you are to your favorite cock.”

“Of course, baby,” said mom, turning around.

Mom pounced on my sticky cock and swallowed it all. She deep throated it hungrily for a few minutes. She lubed it and turned around, pushing her ass out lewdly. He spread her ass, and it gaped. I squeezed lube inside it.

“Dad, do the honors,” I said, aiming my glistening cock at mom’s open asshole. “Guide it in.”

“What?” he said in surprise.

“It’s part of the intimacy,” I said. “We are sharing the intimacy. You help me fuck mom’s luscious ass as much as you can. Her asshole’s already open. You’ll just judge my cock in. She’ll love it too.”

“Do it, honey,” urged mom.

He reluctantly held my shaft with his fingertips and guided it into her open asshole as he spread her ass with his other hand. A simple nudge sent my cock head inside her ass. He took his hand away.

“Mom, dad has officially welcomed my big cock into your luscious ass,” I said, thrusting in mom’s spread ass.

“Thank you, honey,” she said, fucking back. “I appreciate that.”

“Do it again, dad,” I said, popping my cock out of mom’s ass. “You were timid the first time as if you were afraid my cock would bite you.”

He held my cock and guided it into mom’s ass. I repeated that before I proceeded to fuck mom’s ass hard.

“Can you see that it belongs there?” I said.

“Yes,” he said.

“Can you feel that everything you do with us helps you share the intimacy?” I said.

“Yes,” he said.

“You’ll soon no longer feel you are like a third wheel,” I said. “Our anatomy gives me the ability to do intimate physical acts with mom, but we are one family. Trust us, and help us advance our intimacy.”

He also got to squeeze lube through her gaping asshole and watch me put it to good use.

“Roll over,” I instructed after she recovered from orgasm.

He let go of her ass, and she rolled over.

“If you stand behind the sofa, and hold her legs by the ankles for her, you’ll get a bird’s view of everything and feel it as I take her in every hole she has,” I said as mom spread her ass and I aimed my cock at her soaked pussy.

He thought about it as I rubbed her wet pussy with my cock head. He finally got up and went around the sofa.

“Thank you, honey,” said mom as he grabbed her ankles and I pushed my cock into her pussy.

“Can you feel it?” I said as I fucked her pussy hard.

“Yes,” he said.

She came, and I squeezed lube on her asshole and impaled it for her as she spread it for me.

“What do you think?” I said as I drilled her ass. “Isn’t this the ultimate intimacy between a mom and her son?”

“Yes,” he said.

“Thank you for helping us be as close as we can and doing your part to be as close to us as you can,” I said.

“You are welcome,” he said.

“Call it what you want, dad, but having you and my wife here help me fuck my hot mom like a dirty whore is the best thing that has ever happened to me,” I said. “I really appreciate it.”

“Me too,” gasped mom.

“They are two of a kind,” said Beth. “I am glad they’ve finally met and mated this way. Aren’t you, Dan?”

“Yes,” he said.

“Even your grandson’s happy about it,” she said. “He loves to have happy people suck and fuck around him.”

“He’s going to be a horny kid,” he said.

“He can be as horny as he wants,” she said. “There will be no shortage of hot sluts around him.”

“That’s right,” he said.

After mom came, I mounted her and fucked her tits. She squeezed them around my cock. I then pushed my cock into her mouth and fucked her throat while dad continued to hold her legs for her. I returned to her pussy and ass.

“Does she swallow your come?” I asked after mom had several orgasms in that position.

“No,” he said.

“Are you going to be a good girl and swallow my come?” I asked.

“Oh, yes, baby,” she gasped.

“Aren’t you a slut wife?” I teased.

“Yes,” she hissed.

Mom came, and I pushed my cock into her mouth. She deep throated me for a couple of minutes before I pulled out and let dad see my come burst into her open mouth. I wiped my cock head on her lower lip, and she swirled my come around her mouth, moaning around it, and swallowed it all.

Dad returned to his seat, and mom knelt before me and revived my cock.

“Let me have some of that,” said Beth, handing the baby to dad, as I fucked mom’s ass.

Beth knelt next to mom. I unplugged her ass and let mom suck her butt plug. I took my pick of their six holes. I drilled them for nearly two hours before I was ready to come in mom’s ass.

“I am ready to unload in mom’s ass,” I said to dad, drilling mom’s offered ass vigorously. “Beth and my other sluts have already eaten my come out of mom’s ass. It’s now your turn.”

“What?” he said in shock. “That’s disgusting.”

“You know it isn’t,” I said.

“Men don’t do that,” he said.

“What other men and women do or don’t is none of our business,” I said. “We are doing this to boost intimacy.”

“It will be full of your come,” he said.

“It won’t have any of it when you are done with it,” I said. “You’ll do it to show how close you are to her and me. The others have already done it. You should have been the first to do it because you are closer to her.”

“This isn’t easy for me to do,” he said.

“I know,” I said. “You think it’s easy for me to feed my dad my come if it isn’t for a very good reason?”

“I’ll try,” he said, making mom stiffen and my cock twitch.

“We appreciate that, dad,” I said as mom shook in orgasm. “We all do our best to strengthen our family ties.”

Mom gasped and shoved her ass back, triggering my orgasm.

“Here it comes,” I said, drilling her ass at a blurring speed. “I am coming deep in my slut mom’s sizzling ass.”

My cock jerked as it spewed thick come deep in mom’s twitching ass. I made sure to spew come along her entire tunnel from the depths of her colon to the loosened opening of her asshole.

Beth sucked my cock clean when I took it out of mom’s slimy ass.

“She’s all yours for a while, dad,” I said. “Show your slut wife how close you are to her despite her depravity.”

“Nick, you’ve done an excellent job on your slut mom,” said mom as dad reluctantly knelt behind her offered ass. “It’s now your dad’s turn to do his job on his slut wife and make her as good as new except for being so happy.”

“Your horny son isn’t done with his dirty whore,” I said as I went around the sofa and offered mom my sticky cock. “Get him ready for more of his cock-craving mom.”

Mom pounced on my cock, moaning around it, while dad tentatively licked her loose asshole. My cock grew in her mouth quickly as dad licked and sucked her asshole more and more eagerly. She humped his face happily. I fucked her throat for a few minutes before she came on his tongue.

“Lick her sticky pussy clean,” suggested Beth.

He obliged her.

“It was fun, wasn’t it?” I said.

“Yes,” he said.

"My hot mom has a very playful asshole," I said.

"Yes," he said.

"Aren't you happy our horny son has finally put my horny little asshole to good use?" said mom.

"Yes," he said.

"How did you like his come?" she said. "Wasn't it the most delicious come in the world?"

"I wouldn't know that, but it wasn't bad," he said.

"It was delicious, wasn't it?" she said.

"I guess," he said.

"You can't guess after eating a big load of it," she said.

"Yes, it was delicious," he said.

"That was because you ate it out of the most delicious little asshole in the world," I said.

"Thank you, darling, but everyone who's ever tasted your come knows that it's delicious regardless of where they eat it from," she said.

"What do you think, dad?" I said. "Do you agree with mom?"

"I have to," he said. "She knows about it more than I do."

"In that case, why don't you tell our stud son how much you appreciate eating his luscious come out of his slut mom's horny asshole?" she said.

"Nick, I appreciate the opportunity to eat your tasty come out of your slut mom's greedy little asshole," he said.

"Dad, I want you to appreciate it not because my come was tasty or there was so much of it but because that experience made you feel closer to your wife and son," I said. "That's the whole point behind it."

"I appreciate that obviously," he said. "I feel now much closer to the two of you."

"Mom has been your wife for a very long time," I said. "Doing that ends the rivalry between us, and I no longer feel threatened by you to take my hot mom away from me. I now feel she's all mine and nobody can change that."

"I am all yours, darling," she said. "Nobody can take me away from you, baby."

"I wouldn't want to do that," he said.

"We appreciate that, dad, but we'll put it to the test," I said. "This is only the second stage of my making the hottest mom in the world mine. I know you are faithful to your family, but the next and final stage's a little harder."

"I am not doing homosexual stuff," he said.

"Me neither," I said. "That wouldn't serve anything. We want to be closer, not disgusting."

"I don't see a problem in that case," he said.

"Me neither," I said. "There shouldn't be one. There will only be sex, fun, joy and love."

"What is it?" he asked.

"I'll tell you after you eat my come out of the most delicious pussy in the world," I said.

"I am not going to let your dad eat your come out of my pussy," teased Beth.

"You have the second most delicious pussy in the world," I said.

"He's only trying to be nice to his mom," said mom. "He knows you have the sweetest pussy in the world."

"Thank you, Amy," said Beth. "I agree that you have the most delicious pussy in the world. I was just teasing."

We had another round. Mom got fucked slightly more than Beth.

"Dad, why don't you eat mom's pussy while I fuck her hot ass?" I said as mom bounced on my cock in the anal reverse cowgirl position. "You can contribute to her fun and feel how much she loves whoring her sweet ass to me."

He silently took his position on his knees before mom's bouncing leaky pussy.

"You can fondle her tits too," I said as I spread and bounced mom's ass on my cock.

"Nick gives my horny ass the most intense orgasms," she gasped. "Be warned I am going to flood your mouth."

"Knock yourself out," he said.

"I am talking about knocking you out," she gasped.

She soon gushed in his eager mouth.

We found other ways for him to stay engaged in helping me fuck mom.

After two hours of fucking and sucking, I was ready to pump mom's little pussy full of come.

"Dad, are you ready to feast on the messiest and most delicious little pussy in the world?" I said, fucking harder.

"I am as ready as ever," he said.

"You need to be readier than ever because your hot slut wife's going to be messier than ever," I said.

"I am," he said.

When I was done with mom's well-used pussy, her pussy and ass were a big sticky mess.

"Go for it," I said as I pulled my softening cock out of mom's gooey pussy.

He knelt down and dived right in. My cock got hard quickly, and she came in his mouth.

We had a break, and mom and Beth made dinner naked. I occasionally teased them, squeezing their fine tits and luscious asses or pushing my hard cock in a juicy pussy or a sweet asshole.

After dinner, we returned to the living room.

Mom got on her knees on the sofa, pushing her ass out lewdly, and I lubed it and stuffed it with my hard cock.

"Dad, I am considering impregnating my sluts to add to the intimacy and strengthen the relationships in addition to giving Lucas brothers and sisters from other mothers," I said, fucking mom's eager ass briskly.

"What?" he said in shock. "You want to impregnate your mom and the others?"

"I want to give Lisa and Alex their firstborns when they get married," I said. "I've already done that to Beth. It's too late for mom and Victoria, but I can give them new babies. I'll be a secondary dad to all those adorable babies."

"Are they okay with that?" he asked.

"The women are obviously okay with it," I said. "You are the first man to know about the plan though. I am sure they'll all be okay with it. This is about sharing. Just like we share mom, we'll share the baby. It will be mine as much as yours and Beth's as much as mom's. It will have two moms and two dads. We'll all be closer together."

"Bringing a new baby is a serious commitment," he said.

"Of course," I said. "With two pairs of parents, that should be a piece of cake and a lot of joy for all."

"Who's going to pay for him?" he asked.

"That's the easiest question," I said. "You'll officially be the father. You and mom will be its parents, so you'll be primarily responsible for it. If you need any help, Beth and I will gladly step in. The kid would only know that I am the real father if and when I share women with him if he's a boy or I fuck her if she's a girl."

"Are you going to get the baby involved in incest?" he asked.

"No, but I am open to it," I said. "It's up to it. That was why I said if and when instead of when."

"I don't think your mom and I are ready for that undertaking," he said.

"Of course we are," gasped mom. "It's going to be a lot of fun. We'll all love it."

"We need to talk about it and think about it before we can make a decision," he said.

"Of course we do," she gasped. "We'll discuss it all you want, and we'll then go for it."

"Dad, thank you so much in advance for being part of this great human project," I said. "You and mom will love it. Alex would love having a little brother or sister too."

"I haven't agreed to that yet," he said.

"I know you will, and I appreciate that," I said. "The others will too. It's an offer that can't be turned down."

"What if I didn't agree?" he asked.

"In the unlikely case that you don't, we'll try to make mom conceive and you'll try to make her not to," I said.

"What does that mean?" he said.

"I'll pump my come as much and as deep into her hot pussy as I can and let you know every time I do that," I said. "It's up to you to eat my come out of her gooey pussy like you've just done to prevent her from conception."

"That's the worst contraceptive method I've ever heard of," he said.

"You'd be voting no against three yeses," I said. "Instead of outvoting you, we are giving you a slim chance. Besides, it would give you and mom an extra way to increase your intimacy. It would do that for the rest of us too because I'd be fucking mom more often and you'd be eating her slimy little pussy dry as often."

"It doesn't look like a good choice to me," he said.

"I guarantee to come in mom's pussy at most as often as I'd come in the least of her mouth and ass," I said.

"That means my mouth and ass will be getting more than their fair share of this big juicy cock," gasped mom.

"How would you know that you are the father, not me?" he asked.

"That doesn't matter," I said. "The kid will still be my sibling. It could be half a sibling and half a son or a full sibling. We'd still be very closely related. You and I are one. You'll wear condoms from now on though."

"You want me to wear condoms whenever I have sex with your mom?" he asked.

"Yes, dad, even during oral sex even if you are giving her oral sex," I said. "We'll do our part to increase the chances for me to be the father, but you'll still have a chance if fate wants it."

"How would I have a chance if I wore condoms?" he asked.

"There are no guaranteed contraceptive methods," I said. "You have a slim chance, but it's still not impossible."

"What about genetic defects?" he asked.

"You are obviously asking about the case with mom and Alex," I said.

"Yes," she said.

"The increase in probability is negligible," I said. "Let's say driving above the speed limit by ten miles per hour doubles the probability of a car accident. Do you think people would stop doing that?"

"I don't think so, but bringing an abnormal baby is a big problem," he said.

"The probability is much less than that," I said. "Besides, car accidents can cause very bad outcomes. It isn't always a broken arm that heals in a couple of months."

"Of course not," he said. "Did you think about that though?"

"Of course," I said. "I am doing it for a great goal, not for a disaster. I am sure we'll make incredible kids that will be the joy and pride of both sets of parents. My sibling will pump a new life into both families."

"I hope you are right," he said, making mom stiffen.

"Of course, dad," I said, drilling mom's shaking frame vigorously. "I want to give you and mom the most precious gift you can ever get just like you gave me the most precious gift I could ever get."

"I know you will, baby," gasped mom. "Your child will be as wonderful as you are."

"It's going to be as wonderful as his hot mom and hopefully as horny," I said.

"Is that what you care most about?" she teased.

"I want a perfect kid," I said.

"You sure do," she gasped.

"Are you okay with that, Beth?" he asked.

"It's wonderful," said Beth. "My son will have brothers and sisters by other women. Nick and the woman would enjoy siring a baby in another man's wife on top of fucking her more freely than her husband ever can."

"We won't do any DNA testing so we can still have the possibility that the kid isn't mine," I said.

"It's nearly impossibility," he said.

"It still allows room for fate to intervene," I said. "Each possible father will treat the kid as his. Do you agree?"

"Yes," he said.

"We all agree that the kid's welfare's of utmost importance," I said.

"Of course," he said.

"Everything else pales compared with that," I said.

"That's right," he said.

"I am so excited about being a mom again," gasped mom.

"I'll love fucking the mom silly in every hole while watching the kid grow inside her and outside of her," I said.

"Me too," she said.

"It's going to be a lot of fun for the whole family," said Beth.

"For our big happy family," I said.

Over an hour later, I came in mom's ass. Beth sucked some of that come out and ate mom's pussy to orgasm.

"Dad, I am not through with mom," I said as mom and Beth revived my cock. "I want to keep her for the weekend. I'll send her to you well fucked and full of come. Rest assured that your wife's in good hands."

"Of course I am," said mom.

"Okay," he said.

"She'll depend on you to do your part when she's home," I said. "I'll do my part, and you'll do yours."

"Okay," he said.

"In appreciation of your contribution to our new baby, we are giving you a box of condoms," I said. "You'll never have to buy condoms to fuck your slut wife, the hottest slut mom in the world."

Beth got up and gave dad a box of twenty-one dozen condoms.

"When am I going to go through all this?" he asked.

"As soon as you can," I said. "We'll get you more before then. Don't worry about my hot mom. I'll take care of pumping her juicy body full of hot gooey come through all her hot holes just like you saw me do."

"I am sure of that," he said.

My cock was hard as we all walked him to the door. Mom gave him a goodnight kiss with her sticky lips after he kissed the baby goodbye.

"Kiss her pussy and asshole," I said. "They've worked hard, and they'll work even harder while you are away."

He knelt down and kissed her well-used fuck holes.

"Dan has just agreed to raise Nick's baby," mom said to Victoria over the phone excitedly as I fucked her ass.

"Are you serious?" said Victoria in disbelief.

"He's just taken a big box of condoms home," said mom. "He spread my slutty ass for Nick and guided his big cock into my horny asshole in addition to eating his come out of my well-used ass and pussy."

"Congratulations, Amy," said Victoria. "Wish me luck for next Saturday. I am so nervous about it."

"Good luck, Victoria," said mom. "I am sure you'll get that sweet baby."

"I hope so," said Victoria. "Thank you."

Alex and Lisa were very excited about the good news, wishing themselves similar success.

Mom was wilder and dirtier than ever as she celebrated dad's blessing of her whoring herself to me and carrying my baby. She called him a few times while I fucked her ass and pussy and made her come hard on my cock. She also called my other sluts especially while their men were around and chatted with them, gasping.

On Monday morning, mom was very well fucked, and her pussy and ass were full of my creamy come for dad. Beth was as well fucked but squeaky clean inside because mom had eaten it all out and shared it with her. Beth ate my come out of mom's pussy and ass only a couple of times. She fed her most of the come she ate out.

Naturally the baby had a lot of fun with all that adult fucking and sucking and baby play and dirty talking. I had no doubt he was going to be a horny kid and a serious lover. Sons were supposed to go further than their dads could.

The End

Baby Care

Mom's visit interrupted our fun as my wife breast-fed our baby. I playfully talked mom to breast-feed me while my wife watched. As she responded to my nursing, I discovered new aspects of the relationship between a mother and her child. My wife soon joined our fun, and we took it further with other relatives.
