It had been a while since I saw Denise. We went on our separate ways and nearly lost touch with each other when she called me unexpectedly.

“Hi, Nick,” my ex-girlfriend said on the other end of the telephone. “How are you?”

“I’m fine, Denise,” I said. “What about you?”

“I am great,” she said. “I am going to get married in ten days on Saturday.”

“Great,” I said. “Congratulations.”

“I am inviting you to my bachelorette’s party,” she said.

“You mean to your wedding,” I said.

“To my bachelorette’s party,” she said. “You heard it right.”

“That’s supposed to be thrown by your friends and all the invitees should be women,” I said.

“I don’t care about what it’s supposed to be,” she said. “If you don’t come, you won’t come. The address is 1500 Prescott Avenue. Be there on Friday at six. See you there. Bye.”

“Bye, Denise,” I said.

A Nightingale Classic

The Bachelorette’s Party

Denise could be crazy at times. I did not know what her mind was cooking, but, if it was something good, I did not want to miss it. So, a few days later, I was there right on time. That place was a house, which had its own front and back yards. Five cars were parked in front of the house.

Before I reached the front door, it opened, and Denise ushered me into a big room. The room had plush carpeting. There were three pieces of furniture on one side: two chairs and a sofa. Coffee and end tables, a chair, a sofa and a mattress were lying in the far side of the room. There were four guys already seated.

With a smile, I remembered that I had told my girlfriend I would be hanging out with the boys. I did not know how right I was. Denise was something.

“Please sit down here,” she said, motioning me to the center of the sofa between two guys.

There were two guys on either side of me. The ones of the farther ends were sitting in chairs. Denise was in a black stretch dress. The dress exposed much skin at the top and the bottom. She had high heels on, and her face was in full makeup. The stretched fabric of her dress outlined her nipples clearly.

“If any of you gets hungry or thirsty, food and drinks are in the kitchen,” said Denise. “This room will be reserved exclusively for party activities. Alcohol isn’t allowed; I want you all awake.”

Some of the guys looked familiar, but I did not actually know any of them. It was apparent that none of us had the slightest idea about what was going on.

“First, let me introduce you all,” said Denise.

She pointed at the farther guy to my left and said, “This is Mitch, the guy who took my cherry.”

We all looked at him.

“Give him a hand, guys,” she said.

A round of applause followed.

“This is Paul, the guy who introduced me to deep throat,” she said, pointing at the guy to my left.

A round of applause followed.

“This is Nick, the guy who introduced me to ass fucking and did a great job at that,” she said, pointing at me.

A round of applause followed.

“This is George,” she said, pointing at the guy to my right. “He didn’t do anything new but enjoyed what I knew.”

A round of applause followed.

“Last but not least, this is Erik, my fiancé and the last guy who has fucked me up to now,” she said, pointing at the guy farther to my right. A round of applause followed. “However, I am not the last girl he has fucked up to now.” We gave the guy a second look. “He has a nice cock like the rest of you, and that’s why you are all here this evening.

“I know what a bachelorette’s party really is,” she continued. “It’s the party thrown for a bride to-be so that she can fool around for the last time before she gets married. That’s exactly what I am going to do this evening.”

We looked at one another in confusion.

“Because I am a nice girl, I don’t want to fool around behind Erik’s back,” she said. “That’s why he’s here. Right?”

He nodded with a deep blush.

“I guess we are all ready,” she said as she walked over toward Erik. “Let’s get our party started.”

Denise retrieved a couple of handcuffs from a bag that was lying next to Erik’s chair. She cuffed his hands behind his back and cuffed his feet to the legs of the chair. She parted his knees and unzipped his fly. She fished out his cock and started to jack it off. Erik’s face was deep red, but his cock hardened anyway.

“You are still as sexy as ever, Denise,” I said. “Erik’s a lucky guy to get to marry you.”

“Thank you, Nick,” she said, smiling while stroking his cock. “You’ve always been the nicest to me.”

“If a guy has to fuck another girl behind your back, you have to be there, and that’s only because you have an incredible ass that he can enjoy while doing the other girl so he doesn’t have to close his eyes and fantasize,” I said.

“Oh, Nick, you still like my ass?” she smiled.

“I’ll always love your gorgeous ass,” I said. “Remember that I didn’t dump you. You dumped me.”

“I didn’t dump you,” she said. “We split amicably. I’ll never forget our goodbye fuck. It’s still my best ever.”

“I’ll never forget it either,” I said. “I fucked your hot ass silly. I almost fucked it all I wanted and ruined it forever.”

“Didn’t I tell you that you could have it whenever you wanted?” she said. “You never came back.”

“You did, but I thought that would put your current boyfriends at a great disadvantage,” I said.

“Erik, would it have been unfair to you had Nick fucked my ass whenever and however he wanted?” she said.

“No,” he said.

“Did you think I let them touch my ass?” she smiled at me. “They were all at a great disadvantage anyway. My offer’s still on the table. I won’t take it back. You can do it while I am married if you or your girlfriend doesn’t mind.”

“There is no way she wouldn’t mind,” I said.

“Is her ass hotter than mine?” she smiled.

“I only go out with the girls with incredible asses, so hers is as good as yours,” I said.

“You have a better deal with me,” she said. “My ass will always be available to you, but hers may not be. She may break up with you and take her ass elsewhere. My ass will be waiting and ready for you forever.”

“It’s a very tempting offer,” I said. “I’ll see what I can do.”

Denise took her fiancé’s cock into her mouth and started to suck it. She soon took him down her throat and demonstrating her mastery of cock sucking skills. She dropped Erik's cock from her mouth and smiled at Paul.

“Thanks, Paul, for introducing me to this art and making me love it,” she said.

“Sure,” said Paul as she returned to sucking Erik's cock. “It was fun.”

“I think we all should thank you,” I said.

“You are welcome,” he said.

Erik was getting close to orgasm very fast. Denise eased on him for a while, taking him to the brink several times. She then let go of his cock. She retrieved a blindfold from that same bag and blindfolded him.

“I am too shy to fool around while my future husband watches me,” she smiled. “I am still not a complete slut.”

“You may not be a complete slut, but you are hotter than all complete sluts,” I said as she returned to sucking him.

“Thanks, Nick,” she said. “Mitch, why don't you come here and let me suck your cock when I give Erik breaks? Guys, please remain seated unless you want food. You are welcome to take out your cocks and play with them though.”

Mitch walked over to Denise. She took out his hardening cock while she sucked Erik's.

“It’s too bad that my fiancé won't be able to see the wild things I am going to do to your lovely cock,” Denise said to Mitch. “Most of all, he won't be able to see the wild things you are going to do to me. Oh, I am getting wet just thinking about it. If you’ve ever fantasized about doing anything to me or anybody else, this is your chance to do it.”

She sucked Mitch while jacking Erik. When she had Mitch rock hard, she let his cock go and looked up at him.

“You were the first to ever fuck me and you’ll be the first to fuck me this evening,” she said. “As you remember, I sucked your cock back then, but you didn’t eat my pussy, so you don't get to eat it now. Kneel behind me, hike my dress, lower my panties, put your cock in my pussy and you know the rest.”

Mitch did as instructed while Denise returned to sucking Erik at an easy pace except for her sudden grunts and jerks as Mitch slammed into her. The rest of us played with our partly hard cocks.

She was getting closer to orgasm. She dropped Erik's cock from her mouth and looked over her shoulder.

“Mitch, make me come while I suck my future husband,” she said, looking at him with glazed eyes. “Make me come, and come inside me. If that’s all I get from you, it’s a great wedding gift.”

Mitch doubled his effort and started to rub her clit. She dropped Erik's cock from her mouth and gripped his cock. She gasped and stiffened.

“I am coming,” grunted Mitch. “Take it all in your pussy.”

“Yes, Mitch,” she gasped. “Fill my slutty pussy with your hot come.”

As Denise convulsed in orgasm, Mitch shot into her pussy and Erik's come squirted onto her face and hair. She made sure to drain both guys with her pussy and hand. She licked their cocks dry and rubbed Erik's come into her face. She finally licked her fingers.

“Mitch, don't go away, the party hasn't really started yet,” she said.

“I am not going anywhere,” said Mitch as he returned to his seat.

“While I let Erik rest,” she said, “I am going to give Paul the best cock sucking I'll give anyone tonight.”

“He definitely deserves it,” I said as she moved to him.

She took off his pants and shorts and made sure he was very comfortable in his seat. She knelt between his feet and started to lick his balls. She gave his balls and cock a thorough licking before she took his cock head in her mouth and started to suck it. She sucked him at an easy pace, taking him just a little deeper every time until he was balls deep. She fondled his balls with her right hand while her other hand snuck between her legs and fingered her pussy.

All kinds of sucking sounds, grunts and moans filled the room as we all watched silently. Erik's cock was soon hard again. Denise's tongue got out of its way to do a number of tricks on Paul's cock head. He did not try to hide his joy. She also rubbed and slapped her face with his cock.

“Hey, I am the one who taught you to rub and slap your face with a cock,” I said.

She dropped Paul's pole and looked at me.

“That's right,” she said. “You were the dirtiest of the bunch. I am sure, if it weren't for you, I wouldn't be here on this beautiful night. You are going to get a decent blowjob; so, don't worry.”

“I am not worried,” I said. “I just want to take credit for what I did.”

“Thank you, Nick,” said Paul. “I like those tricks.”

“You are welcome,” I said.

She returned to sucking Paul. She removed her left hand from her pussy and jacked me off with it. Her hand was slippery with her juices and traces of Mitch's come. I unbuckled my belt and kicked my pants and underwear off.

“You've become a hot slut, Denise,” I said.

She moaned around his cock.

Keeping her lips wrapped around Paul's hard cock, she got up on her feet, straightening her knees. Up to then, her panties had been wrapped around her thighs a little above her knees. She used her right hand to lower her white skimpy panties and kicked them off. In that position, she spent several minutes deep throating Paul and jacking my cock while swaying her ass from side to side. She obviously was getting very hot. She dropped our cocks and stood up, rubbing and fingering her sticky pussy with her right hand.

“My pussy needs cock,” she said as she climbed astride him.

“Be my guest,” he said.

She reached between her thighs and guided Paul's cock to her sloppy pussy. She moaned as she slid herself down his cock, taking him all the way into her slimy pussy. He grabbed her ass, and they started to fuck.

“It's too bad that your fiancé won't see your hot ass bounce as you get your almost-married pussy fucked,” I said.

“He must have or should have watched his floozy's ass while he fucked her,” she said.

“There is no way her ass could have been as hot as this,” I said as I reached out and squeezed her ass.

“Tough luck,” she said. “I was going to let him fuck it on our wedding night, but that won't happen now.”

“If you have to get your fine ass fucked on your wedding night, you should get it fucked by the best,” I said.

“I know,” she said as she squeezed my hard cock with her left hand. “I may do that.”

“You should,” I said. “You deserve the best on your wedding night.”

She drooled in her hand and returned to jacking me off. I reached out and popped her tits out of her skimpy top.

“Let's share,” he said as he pounced on her right nipple.

“Yes, share my tits,” she moaned, pulling my head to her left tit.

She raised his hands to her waist and guided my right hand to her left ass cheek as I captured her sweet nipple between my lips. We both started to nurse her stiff nipples while I fondled her ass. She went nuts and started to rub her clit furiously, jacking me off at the same pace, while I teased her asshole. I gripped her wrist and slowed her down.

“You are still a dirty boy,” she moaned as I popped my middle finger up her tight asshole.

“Doesn't your fiancé deserve to know what's going on if he can't see it?” I said.

“I am riding the cock of one of my ex-boyfriends while he sucks my nipple,” she moaned. “Another's sucking my other nipple and fingering my horny asshole.”

She gasped and soon came on Paul's cock and my finger, soaking him with her juices as her asshole twitched around my finger. We continued to suck her nipples until she recovered. She got off the sofa and knelt between my feet. I let her suck my middle finger. She did it lewdly.

“Paul, please fuck my pussy from behind while I prepare Nick for the next session,” she said.

“Sure thing, he doesn't seem ready,” laughed Paul since my cock was as hard as it could ever get.

“Take it easy on me until I bring Nick up to speed,” she said. “Then, give me all you got and unload in my womb.”

“You got it, babe,” he said as he prepared to enter her.

She started on my cock with a nice, slow but thorough blowjob, increasing the depth and the pace gradually. Paul let her control the pace while he milked her lush tits. Later, while I held her head and fucked her throat, she diddled her clit and bucked her ass back into him as he slammed into her pussy with resounding slaps. When she stiffened, she tried to pull her mouth off my cock, but I held her head down, keeping my cock halfway inside her mouth.

As she convulsed in orgasm, he grunted and slammed into her a few times. He held his cock as deep as it would go and pumped his come into her womb, making her groan with every jet. When he pulled out of her, I let go of her head. She licked his cock clean and wiped her slimy pussy with her hand. She thoroughly licked her sticky palm.

“Now, show them what my ripe ass was meant for,” she said to me, squeezing my cock.

She was squatting on the floor as I got up and put my hand on her head. She jacked me off slowly.

“Guys, her ass was meant for my big cock,” I said. “I am being a little kind to share it with other guys.”

“Thanks, buddy,” said George.

“Sure, but before I go ahead and demonstrate that, I want to fuck her face hard because I am not satisfied with the mediocre blow job she's given me,” I smiled. “Who supports me?”

They all raised their hands except Erik.

“Erik, do you support me or not, not that your vote matters at all?” I asked.

“Yes,” he said.

“Thanks, man,” I said. “You deserve to see it then. George, will you please uncover his eyes?”

“Sure,” said George as he walked over.

Before George was able to remove Erik's blindfold, I straightened Denise's dress, covering her tits and ass.

“Although Paul had taught her deep throat, I taught her face fucking,” I said, slapping her face with my cock.

“Nick, you are the horniest pervert I’ve ever met,” she said.

“Why don’t you wash up and refresh your makeup?” I said. “I need you ready for this.”

She took a few minutes to oblige me.

“I’ll kiss you now,” I said. “Guys, memorize carefully this angelic face to compare when I am through with it.”

Wrapping my arms around her, I showered her face with little kisses, starting with her lips and then covering all her face, neck and ears while I stroked her back. She closed her eyes and clung to me, grinding her pussy into me. I gave her face a tongue bath while massaging her ass. I even licked her eyelids and probed her ears with my tongue.

“You are still delicious, you sexy bitch,” I said, squeezing her ass.

“Thank you,” she moaned.

“You look like a sweet bride,” I said. “You are the kind of girl any guy would be privileged to take to his mom as long as she had no idea about tonight.”

“Thank you,” she smiled.

“Are you going to let Erik’s mom know about tonight?” I teased.

“I don’t think he’d want me to,” she said.

“You are so sweet she may be okay with it,” I said.

“Thank you,” she said.

“She may even want to join you,” I whispered.

“I’d love that,” she moaned.

“Is she hot?” I whispered.

“I think so,” she said. “You are invited. You can meet her there.”

“If I meet your future mother-in-law, I may unintentionally tell her what a dirty slut you are,” I said.

“Try to be careful,” she said.

After that romantic break, we kissed lustfully and deeply. Her mouth had a light taste of come.

“You taste of come, you whore,” I said as I gripped her ass and thrust my boner into her pussy.

“I am a dirty girl,” she moaned.

She ground her pussy into me as we sucked each other’s tongue and explored each other’s mouth. I also sucked her lips and nipped at them, making her moan.

We finally broke the kiss, and I pushed her shoulders down. She knelt before my raging cock.

“Suck it ladylike like a classy bride,” I said. “In the end, I’ll fuck your face like the dirty whore you really are.”

“That sounds like fun,” she said. “I don’t know why I let you go.”

“It must be that in the end you thought that my big cock was too good for you,” I said.

“It must be that,” she smiled. “I can’t think of any other reason.”

She wrapped her lips around my cock and sucked its leaking head. She held me by the hips and worked her lips back and forth halfway down my shaft.

“Take it deeper, ma’am,” I instructed. “Show them that ladies can suck cock and love it.”

“Yes, sir,” she said.

“That also shows your fiancé that you are not a total whore,” I said. “Some guys can’t tell that you are a hot slut only because you are a very sweet girl.”

“Thank you,” she said.

She took me deeper and deeper into her throat until my balls were bumping her chin with every stroke. While her mouth and throat milked me, her lips traveled smoothly back and forth over the length of my shaft as if they were made solely for that specific purpose. I thrust gently in her.

“Erik, your fiancée’s an incredible woman,” I said. “I am sure I am now happier than most husbands. I can’t even imagine how happy she can make you.”

“Thank you,” said Erik.

“Her mouth’s better for cock than most pussies,” I said. “I don’t know how Mitch let it go.”

“She sucked my cock, but she wasn’t this good,” said Mitch.

“When she became my girlfriend, I helped her perfect everything,” I said. “I didn’t know I was doing Erik the biggest favor anybody would ever give him. Thanks to me, he’s going to be a very happy husband.”

“Fortunately, he didn’t think that was enough,” he said. “He had to fuck that other slut.”

“We can’t blame him for our good luck, can we?” I said.

“No way,” he said. “We should actually thank him. Let’s say ‘Thank you, Erik,’ on three. One. Two. Three.”

“Thank you, Erik,” we all said.

“You are welcome,” said Erik.

While she deep throated my cock, I ran my fingers through her hair. I then held her head gently and paced her. I gradually tightened the grip on her head and took control of the situation. Eventually, I was working her head back and forth over my cock at different depths and paces. I was practically fucking her face.

“Suck it, you horny slut,” I urged. “Show your future husband how depraved you are.” I turned to Erik, whose cock was probably harder than mine. “Watch me fuck your future bride’s face. I am glad you are enjoying the show.”

In the course of fucking her throat, I occasionally pulled my cock out and slapped her face a few times with it before I resumed thrusting in her mouth. I rubbed my cock head over her lips, and she pouted for me. I drooled on her lips and used my cock head to spread my drool all over her lips. I shoved my cock back between her sticky lips.

“Isn’t she the best cocksucker you’ve ever seen?” I said as I thrust in her throat.

“Yes,” he said.

As I continued to use her hot mouth, I interrupted the face fuck several times, a few times to drool in her open mouth before sticking my cock back in. I rubbed my cock several times over her face. I also drooled on her face and rubbed my shaft over my drool. I also had her drool on my shaft and rubbed it all over her face. I even rubbed my cock head over the shells of her ears. Her entire face was getting stickier and stickier with drool.

She let me have my way with her. I still held her head and fucked her mouth like a sloppy pussy. I put so much drool on her face it was running down to her neck. I swabbed her eyelids gently with my wet cock head. She was receiving her first thorough cock bath ever. I had actually never done that to anyone. When I finished, I yanked my cock out of her mouth and turned her head toward the guys.

“Look at the formerly angelic face now, and I am not even halfway through,” I said. The guys cheered. “Now, let’s do the ass thing. George, please restore Erik’s blindfold. I don’t think it’s appropriate for him to see it.”

“Thank you, Nick,” she said.

Erik was disappointed as George blindfolded him again.

“Let’s show them your gorgeous ass,” I said as I arranged her on all fours with her ass toward the guys.

Facing the audience, I crouched astride her. I started to stroke her ass through the stretched fabric of her dress. She moaned and humped back. I hiked her dress, exposing her ass, and started to stroke and knead her flesh, pulling the cheeks apart to expose her pussy and asshole.

“Look at her pussy, all wet and swollen,” I said. “She’s obviously enjoyed getting her face fucked. Right, bitch?”

“Yes,” she said.

“When I first saw this hot ass, it was virgin as you all know,” I said. “Its beauty, ripeness and tightness had to be put to good use. What it was made for is obvious. I don’t know how Mitch and Paul missed it, but, boy, am I glad!”

“Nick, they tried, but they didn’t have what it would take to take it like you did,” she said.

“I had what it was made for,” I said, spreading her ass wide.

Her exposed asshole winked at me. I drooled on it and rubbed my drool in with my middle finger. I wet that same finger in my mouth and pushed it gently into her asshole, all the way in. She moaned as it slid in. I wiggled it around and worked it in and out. She humped back. I drooled on her tight asshole again and squeezed a second finger in. I pumped my fingers deeply if gently into her rectum. I twisted and wiggled my fingers within her hot ass to loosen up her asshole, which responded nicely as she humped my fingers.

“It’s a lot tighter than I remember it,” I said.

“It’s been neglected,” she said. “Nobody can take care of it like you can.”

“It won’t be neglected tonight,” I said as I knelt next to her and spread her ass wide, making her asshole gape.

Her gape was not wide enough. I bent over and started to massage and flick her pucker with my tongue. She moaned and whimpered. Her asshole relaxed gradually, and I tongue fucked it. She moaned and thrust her ass back.

When I pulled back, I kept her ass spread wide. Her asshole stayed open. I drooled near her anal opening and let my drool run into her open rectum. I drooled directly inside her ass. I drooled several times on and in her ass and then inserted two fingers to rub my drool into her rectal walls. I pulled my fingers out, added more drool to her asshole. I then finger fucked her ass furiously with my two fingers.

“There is a plate of your favorite butter on the TV,” she gasped.

“Great,” I said, as I walked over and grabbed the butter. “Apply a nice, thick coat to my cock.”

While she carefully coated my cock with butter, I busied myself with pinching and twisting her nipples. When she was done, I applied a pinch of butter to her anal pucker. I dipped my greasy fingers in her ass just once before I put her back on all fours.

“Are you ready to get fucked in the ass, my sexy bitch?” I said as I joined her knees together and pushed her ass forward. “Is this slutty ass ready for my big cock?”

“You know it’s more than ready,” she moaned as I crouched over her, my back to the guys.

“You want me to fuck you in the ass with my big cock?” I said as I lowered my cock to her asshole.

“Yes,” she hissed as I pressed my cock head gently but firmly into her relaxed asshole.

“Why don’t you beg for it to show them how much you want it?” I whispered.

“Please fuck my horny ass with your big cock,” she moaned.

Her asshole dilated gradually, letting my cock head slide slowly in. She gasped when the engorged head popped past her tight asshole, stretching it wide.

“Yes,” she hissed as I paused.

“Do you like this?” I said.

“Yes,” she hissed.

“There is more of it,” I said as I gripped her hips and thrust gently in her ass.

She groaned and pushed back as my hard cock sank into her offered ass little by little. My balls finally rested on her sticky pussy. I paused and pulled her top down, uncovering her tits.

“Your horny ass feels as hot as ever,” I said.

“Your big cock feels even better than ever before,” she moaned.

While pausing for a few more seconds, I toyed with her tits. I sawed my cock in and out of her tight rectum. She moaned, and her ass anticipated every coming thrust. Her asshole felt much tighter than when we were together. Obviously, it was not getting as much attention as I had given it before. I grabbed her tits and used them to pull her into me as I thrust in her ass. I made sure to pinch her nipples between my fingers. I spent several minutes fucking her at a relatively easy pace to warm her up. I gently lowered her shoulders to the floor and had her pull her ass open with her hands. In that position, I fucked her ass harder and harder. Before long, I was slamming into it and letting my balls slap her wet pussy with every thrust. She gasped and groaned constantly.

“Do you like this, bitch?” I said, drilling her open ass.

“I love it,” she gasped. “I am going to come.”

“Come for the big cock your luscious ass belongs to,” I said.

She stiffened.

“I am coming,” she gasped.

She shook wildly. I held her ass tightly and fucked it even harder until she went limp.

“Did you enjoy that, bitch?” I said, thrusting gently in her ass.

“Yes,” she hissed.

“Do you want more?” I said, picking up the pace.

“Yes,” she hissed.

She held her ass up for me, and I fucked it briskly. I frequently pulled out of her ass and drooled on her gaping asshole before I rammed my cock back in, making her groan. Her pussy and asshole were getting very sloppy. I pulled my cock out of her ass and used three fingers to fuck it vigorously.

“Ride me, bitch,” I said as I lay back.

She mounted me in the anal Asian cowgirl position. I spread her ass and helped her impale it on my hard cock.

“Ride it, you hot slut,” I urged.

Her back was facing our audience as she bounced her spread ass on my cock. I moved my hands to her tits and proceeded to pinch her nipples and pull on them, making her yelp and squeal. She soon came.

“I am coming again,” she gasped.

“Do it, bitch,” I urged.

She stiffened and shook in orgasm. I fucked her twitching asshole hard until she went limp.

“Turn around,” I said, slapping her ass when she caught her breath.

She turned around, and the audience could see her leaky pussy while she skewered her ass on my hard cock. As she approached orgasm, I pinched her nipples and teased her clit. She bucked wildly, gasping and groaning lustfully.

“I am going to come,” she gasped. “Come deep in my ass.”

“Come hard for me if you want that,” I said.

As she lost control, I grabbed her ass and jerked her up and down my cock until her convulsions subsided.

“Get on your knees and lower your face to the floor,” I said, tapping her ass. “Spread your horny ass for me.”

She dismounted me and got into position.

“You told me to come in your ass,” I said, kneeling next to her. “Do you guys think she should be punished because she told me what to do with her ass which belongs to me?”

They all cheered.

“Here is the deal, bitch,” I said as I slid two fingers of my left hand all the way up her ass. “Play with your pussy until you come. I’ll spank your ass silly until you do. So, the faster you come, the less spanking you get. Get going!”

As soon as she reached for her pussy, I started her spanking. I used my right hand to deal hard, stinging smacks to her pale ass cheeks each in turn. She grunted and jumped with every strike. Sounds of slapping and grunts filled the room as she tried to concentrate on her pussy and my spanking tried to break her concentration.

Her ass was getting redder and redder all over. Her asshole squeezed my fingers with every smack. After about twenty smacks, her pussy juices were flowing profusely. After about twenty more slaps, she yelped, stiffened and came. I stopped the spanking and pumped her asshole vigorously with my fingers. She had a hard orgasm. Her ass was all bright red.

“Now, I’ll finish the face fuck,” I said as I arranged her on her knees.

She looked at me as I stood before her. I tilted her face up, drooled on her lips and rubbed my drool all over her lips and chin with my cock head. I pushed my cock into her mouth and started fucking. While I worked her head back and forth over my cock, I drooled on my cock. Much of my drool landed on her face. I used my cock to rub my drool evenly over her face. She soon had fresh drool all over her face.

“Don't use your hands,” I instructed.

Grabbing her hair, I held her head tilted up and started to jack off. She opened her mouth, anticipating my come. I drooled several times on her face and into her mouth while I stroked my cock vigorously.

“I am coming,” I announced.

My cock swelled, and my come boiled over, firing into her mouth and all over her face. I milked my cock onto her face, and then used it to rub my come and drool into her skin.

Using her hair, I turned her head aside and asked the guys, “Do you recognize this face?”

“This is a slut's face,” said Paul.

“Are you a slut, bitch?” I asked her.

“Yes,” she hissed, nodding.

“You got that right, Paul,” I said, as I pushed my softening cock into her mouth.

She sucked my cock clean and dry.

“Rub this slime into your skin,” I said as I pulled my cock from her mouth.

She rubbed my come and drool into her face and licked her fingers.

“I need to wash my face,” she said.

“No, you don’t,” I instructed. “Just wipe it with your hands and lick them. You are a slut, not a lady.”

She did as I told her. I kissed her on the mouth and returned to my seat.

“George, it’s your turn,” she said moments later. “Fuck me any way you want.”

“Suck my cock,” said George, motioning her to his cock.

She deep throated him for a while. He then rubbed her pussy and fucked it with three fingers. He had her lick his slimy fingers before he put his cock to her. He put her on her back on the mattress and fucked her in the missionary position to orgasm. He then put her on all fours and fucked from behind. As he fucked her hard, he drooled on her asshole and fucked her ass with his thumb until she came.

“I’ll try the ass that Nick had discovered,” he said.

He drooled on her asshole again and pushed his cock into her puckered hole. She groaned as his shaft slid into her. He manhandled her tits while she played with her pussy.

“Give it to me,” she panted as she started to come. “Fuck my ass harder.”

“I am coming,” he grunted.

He grunted a few times as he filled her rectum with come. They kept banging into each other until their orgasms ended. She turned around and licked his cock clean.

“Now that my pussy and ass are slimy with come, it’s about time I introduced you to my last guest,” she said. “Welcome Nicole, the first and only girl to eat my pussy ever. This will be her first time to eat it freshly fucked.”

A girl wearing an identical dress to Denise’s came in, and we all applauded. My heart sank as I recognized Nicole as my girlfriend’s best friend. Both Nicole and Denise were brunettes. Denise let her hair down her back and Nicole wore her hair short. Nicole’s tits seemed a little smaller than Denise’s C-cups too. They both were about five foot six in height and both had enough curves, i.e. great asses.

“Hi, guys,” greeted Nicole.

“Hi, Nicole,” we all said.

Nicole kissed Denise deeply, leaving us all awe struck. Denise lay on the floor, and Nicole lay between her legs. Nicole started by licking Denise’s pussy clean. She then sucked her pussy. She opened her mouth, showing us the come she had sucked out before she swallowed it.

“Your pussy has never tasted better,” Nicole said to Denise.

“Thanks,” said Mitch and Paul.

“I’ll remember that,” said Denise.

Nicole sucked Denise’s pussy dry. She then crawled over Denise, opened her mouth with her fingers and dribbled come into Denise’s mouth. That was quite shocking. They kissed deeply.

Nicole helped Denise get on her hands and knees. She knelt behind Denise, spread her ass and licked her asshole. Denise’s ass suddenly dribbled come. Nicole shockingly lapped it up.

“Oh, fuck!” exclaimed Paul. “This is incredible!”

Denise squeezed all George’s come out of her ass, and Nicole lapped it all up. The girls kissed and passed that come back and forth from one to the other.

“My come has never been appreciated this much,” said George.

Nicole took off her panties and then collected Denise's panties off the floor. She walked over to Erik and hung the two identical pairs around his neck. They collected their dresses around their waists, baring their tits and asses.

Denise lay back and Nicole knelt on top of her, heads to tails. Nicole's ass was facing us. That ass was probably new to all of us. Nicole also had no hair on her nether regions. As soon as Denise grabbed Nicole's ass, my eyes zeroed in on that new pink pucker. Denise started to lick Nicole's wet but tight looking pussy lips. Minutes later, Denise licked Nicole's asshole. I wanted my tongue there. Nicole was also working on Denise's pussy, but we could not see what was going on there. Denise soon finger fucked Nicole's asshole while tongue fucking her pussy. Moans were coming out of both pink eating mouths. My eyes locked on Denise's finger as it moved and jerked within Nicole's tight asshole. Needless to say the girls were soon coming in each other's mouth.

“Now, I am up for grabs,” said Denise. “You all can fuck me or gang bang me any way you want. This is likely the only gangbang I'll ever do, so don't miss it. You may never get a chance to fuck me again.”

“All right!” the guys cheered.

“There is a rule, though,” she said. “To keep my pussy and ass tongue ready, you all have to either come in my mouth or, if you come in my pussy or ass, you have to suck your come out and dribble it into my mouth.”

“I don't have a problem with that,” said Paul.

“What about Nicole?” asked Mitch.

“She's a guest just like you,” said Denise. “Don't solicit her. If she wants you to fuck her then go ahead, but I suggest that you all direct your attention to me. I am the bride-to-be. She's my Maid of Honor.”

While sitting in my seat, I watched the guys storm toward Denise.

“Mitch and Paul, don't miss this last chance to try her ass,” I said. “It's incredible.”

“Thanks, pal,” said Paul.

While the guys went crazy over Denise, I did not pay attention to what was going on. A guy was fucking her mouth, another was sucking her tits and the third was eating her pussy. Nicole sat next to me.

“So you are leaving Beth all alone while you orgy here,” smiled Nicole.

“I didn't know it would be an orgy,” I said.

“I bet you still don't know,” she laughed.

“What about you?” I asked.

“You don't know my boyfriend, but I am your girlfriend's best friend,” she said.

“So?” I teased. “Are you offering to introduce me to your boyfriend so we can be even?”

“I hope we can work out something,” she said extending her hand to hold my soft cock.

“Like what?” I said as she stroked my cock gently, getting it to harden in her hand.

“Like you give me some of this,” she said, making my cock twitch.

“On top of each of us not telling on the other, you want some of my big cock?” I said.

“Yes,” she said.

“Isn't that greedy?” I said.

“I guess,” she said.

“Why should I fuck you?” I said. “You are hot and all, but are you a good piece of ass?”

“I think I am,” she said. “If you don’t like fucking me, don’t fuck me ever again.”

“I won’t fuck you until you become a good fuck,” I smiled.

“That can work too,” she said.

“I didn’t know you were such a slut,” I said.

“I didn’t know you’d fuck your ex-girlfriend while you had a girlfriend,” she said.

“That makes two of us,” I smiled. “I didn’t know that too.”

“I am going to take advantage of my new knowledge,” she said.

“I am considering that too,” I said.

“You better make sure that knowledge doesn’t get to your girlfriend,” she said.

“How do I do that?” I smiled.

“These guys are not likely to say anything,” she said. “You just need to shut up the two sluts who know about it.”

“The *two* sluts?” I said.

“You don’t want Denise to say anything, do you?” she said. “Her fiancé already knows, so she’s free to tell.”

“She isn’t like that,” I said. “Besides, she’s getting married. She’ll never do this.”

“Of course, she won’t do another silly gangbang, but why should she give up her best lover if she doesn’t have to, especially when he fucks her best friend regularly?” she said.

“You think she’d want me to fuck her after this?” I said.

“Why not?” she said. “You think her wimp husband would stop her? Look at him. He has a big boner while she lets a bunch of guys use her like most cheap whores wouldn’t.”

“I guess I’ll have to fuck you both,” I said.

“I think so,” she said. “You may even fuck us together.”

“That would be incredible, especially if you turned to be the hot piece of ass I think you are,” I said.

“You wanted to fuck me anyway, you horny pervert?” she said, fingering her leaky pussy.

“Only if you are a fun cock-loving slut like I think you are,” I said.

“You bet I am,” she said. “I’ve heard about your incredible cock for years. I’ll show you how much I love it.”

She took my hand and walked toward Erik, and I followed, my hard cock bouncing in front of me.

“Erik, I am Nicole,” she said as she knelt before him. “I am not your slut fiancée. She’s busy being a whore.”

She engulfed his boner in her mouth, making him moan.

While she sucked him, she waved me to her dripping pussy. I stood behind her and pushed my cock into her horny pussy, making her moan over his cock. I held her hips and pumped her at an accelerating pace. I soon grabbed her tits and milked them while pounding her horny pussy vigorously. She soon came, letting go of his cock.

“I am coming on your incredible cock,” she gasped. “No wonder the other sluts love it.”

She gasped and shook wildly while her pussy drenched my cock and balls with its hot juices. When she caught her breath, she removed his blindfold. At that time, Denise was having a ball. She had a cock plugging her every hole.

“I want you to lick my asshole,” Nicole told him as she got up, letting my sticky cock pop out of her soaked pussy.

She turned around and pushed her ass in his face. His view was soon blocked by her ass, which he started to eat actively while she pulled it open for him. I got up, and she sucked my sticky cock eagerly. I fucked her mouth gently while pulling on her nipples and watching him eat her splayed mouthwatering asshole.

“Let's fuck there,” she said, pointing to a small mattress near the wall. “I want to get fucked seriously.”

She pushed me onto my back on the mattress and mounted me, dangling her tits over my face. I grabbed her tits and sucked her sweet nipples as she bounced energetically on my cock.

“Beth and Denise told me you were into asses,” she gasped. “You deflowered Denise’s ass, and she made it yours.”

“That's right,” I said as I reached out and squeezed her ass. “I love fine asses and sweet assholes.”

“I am wondering if you'd be interested in fucking my virgin ass,” she said, surprising me.

“Your virgin ass?” I asked in disbelief. “Your ass is virgin, and you want me to fuck it?”

“Yes, I've never had a cock up my ass, and I can't think of a cock better than yours for the task,” she said.

“I will be thrilled to help you with that,” I said. “Do you want to do it here on the sidelines of a wild orgy?”

“Why not?” she said. “What they are doing turns me on. It's what gave me the courage to do this.”

“Do you want to announce the big news to them?” I said.

“I don't want to spoil my best friend's orgy,” she said as I drooled on my fingers. “I just want to have fun too.”

Her virgin asshole did not resist much when I slowly slid a slick finger and then two into it. Her sphincter milked my fingers. I gently reamed out her asshole while she lustfully worked her pussy up and down my cock, moaning.

“You are about to make me come,” she said.

“Why don't you come for me, Nicole?” I said. “Show me you are happy to be my slut.”

“Of course I am,” she gasped, bouncing faster as I pumped my fingers in and out of her asshole briskly.

“Come for me as my slut, Nicole,” I said. “Tell me that you are my slut when you come for me.”

“I am coming, Nick,” she gasped, stiffening. “I am your slut. I am coming for you.”

“You are a dirty slut, Nicole,” I said. “Come hard for me.”

She shook, gushing profusely on my cock and balls. Her pussy and asshole twitched wildly around me as I thrust hard into her pussy and jerked my fingers within her asshole. When she collapsed, we kissed slowly but deeply.

“Did you enjoy making your slut come on your big cock?” she gasped.

“I did,” I said. “Did you?”

“Oh, yes,” she hissed as I took my fingers out of her asshole and offered them to her. “Your cock's incredible.”

“Let's sixty-nine,” I said as she moaned over my sticky fingers. “Let me eat your juicy pussy and sweet asshole.”

“I also want to suck your big juicy cock,” she smiled.

“You are a hot slut,” I said, slapping her ass playfully.

She smiled and pivoted over me. I lapped her juices off her pussy while she licked the rest off my cock. I parted her cheeks and licked her asshole gently, giving it time to relax and enjoy the attention. As her hole relaxed, it accepted my tongue tip. I toyed with her asshole while she sucked my cock, moaning around it. She pushed my cock deeper and deeper into her mouth. She soon forced it down her throat and proceeded to fuck her throat with it.

“Push your hot ass out like a hot bitch,” I said, slithering from under her.

She assumed the position as I knelt behind her. I bent over her sexy ass and dove between her cheeks. I spent over quarter of an hour tongue probing her asshole and sucking her pucker while kneading her ass cheeks. Her whimpers and soft moans made eating her asshole even more enjoyable. I let my drool flow smoothly into her rectum.

When her asshole relaxed, I included my fingers in the game. I drooled on her asshole and used my fingertips to massage her relaxed pucker. My fingers got more and more involved in the act, finally delving deep inside her tight ass. Her rectum milked the invading fingers. I twisted my fingers and moved them around within her rectum to loosen up her sphincter further. I was able to slide two fingers fluidly in and out of her clamping hole. I increased the pace gradually while rubbing her pussy gently and drooling on her asshole. She moaned and bucked her ass lustfully.

“You like this, you hot slut?” I teased.

“I love it,” she moaned as I grabbed the butter.

“I should tell your boyfriend what a hot slut you are so he may dump you and leave you to me,” I said.

“You don’t have to do that,” she moaned as I applied butter to her asshole. “He’s no competition for you.”

She moaned and squirmed as I lubed her asshole thoroughly. At the end, I was able to work three fingers all the way in and out of her ass comfortably. I twisted my fingers and pumped them in and out, reaming out her asshole wide. I finally applied some butter to my hard cock.

“Are you ready to give up your sweet ass cherry, Nicole?” I said as I aimed my slick cock at her offered asshole.

“Yes,” she hissed.

“Don’t be shy,” I whispered, gently pressing my cock head into her ready asshole. “Beg for it like good sluts.”

“Please fuck my virgin ass with your big cock, Nick,” she begged lowly. “Please use your slut’s horny ass.”

“You are so dirty, Nicole,” I said, pressing firmly into her asshole which tensed a little. “I love fucking you.”

“I want you to fuck me at every chance you get,” she moaned as my cock head slowly sank into her asshole.

“I’ll probably do that,” I said. “You are more than hot enough.”

When my cock head popped in, I paused for several seconds. I fondled her ass while her tight asshole got used to the tight stretching. I then grabbed her tits and resumed driving my hard cock into her sizzling ass.

“Your cock’s so big,” she moaned. “It stretches my little asshole to the limit.”

“Isn’t that what you want, my dirty slut?” I said.

“Yes,” she hissed.

“I love the feeling,” I said. “You have a sizzling ass.”

“Enjoy it,” she said.

“I am doing just that,” I said.

She whimpered as my cock advanced deeper into her virgin territory. A few minutes later, my balls rested against her pussy as my cock enjoyed the sizzling tightness of her fresh rectum.

“Your ass is incredible, Nicole,” I said lowly.

“This is the most wonderful feeling I’ve ever experienced,” she moaned. “You have a magic cock, Nick.”

“Play with your clit, and rock back and forth,” I instructed.

She rocked gently. When she touched her clit, she stiffened.

“I am coming, Nick,” she gasped. “My horny ass is coming on your big cock.”

“Come for me, my hot bitch,” I said. “Show me that your luscious ass is mine.”

“It’s yours, lover,” she gasped.

She shook in orgasm, shoving her ass into me wildly. I held her hips and ground into her writhing ass.

“I love having your slutty ass come for me,” I said as I returned to kneading her tits and pinching her nipples.

“It’s incredible,” she gasped.

Her orgasm subsided, and I bent over and kissed her deeply. She kissed back feverishly.

“You love being my dirty whore, don’t you?” I teased, thrusting gently in her ass.

“Yes, I love it,” she gasped.

“I’ll keep you my whore if you promise to be a good whore for me,” I said.

“I promise,” she hissed.

She caught her breath and started to move her ass in slow motion. In a few minutes, she bucked her ass hard to swallow my cock balls deep again and again. I thrust hard into her eager ass as well. She soon came. After that, we changed into the anal reverse cowgirl position, and she rode my cock wildly while I kept switching my hands between her wet pussy and bouncing tits. She came and turned around into the anal cowgirl position and rode my cock with her horny ass for a few more minutes to her next orgasm. I had her squat on her feet into the anal Asian cowgirl position and spread her ass. She bounced on my cock, and I paced her. I soon thrust vigorously in her jerking ass while she had a wild orgasm. When I wiped her dripping pussy, she shivered and had a little orgasm.

When she recovered, I rolled us into the anal missionary position. She held her ass about a foot above the mattress when I pinned her feet to the mattress. I pounded her upturned ass vigorously as she spread her ass wide open for me. She had a long hard orgasm very soon. I then rolled her onto her stomach and mounted her ass, impaling it deeply. She pushed her ass up for me, and I drilled it from above while fingering her leaky pussy. She stiffened and came hard. As she convulsed, her asshole twitching madly around my cock and her pussy gushing in my hand, my own orgasm hit. I let go, pumping a big load of come deep into her sucking bowels.

“I am flooding your sizzling ass with my hot come, Nicole,” I announced.

“Give it to me, Nick,” she gasped. “Fill my horny ass with your come.”

Her orgasm peaked again as my cock jerked and shot deep inside her hot ass.

“That was incredible,” she gasped. “My horny ass will be yours from now on.”

“It’s an amazing ass, Nicole,” I said. “I am very lucky to have it even once.”

“You’ll have it whenever you want from now on,” she gasped as I showered the side of her face with kisses.

“I am sure I will,” I said.

After a short break, I dismounted her and rolled her over. I licked her copious juices off her drenched pussy. I mounted her chest and had her suck my sticky cock clean. We then shared a long hot tongue kiss. I turned her around and looked at her asshole. It had that lovely freshly fucked look. I laid a soft kiss on her glistening pucker.

“Your sweet asshole looks happily well fucked,” I said.

“It is,” she said.

Nicole pecked me on the lips before she walked over toward Denise, who was then riding Paul while Mitch and George took turns fucking her ass. At that time, Mitch was drilling Denise's ass. George was jacking off, waiting for his turn. Erik watched the action, his cock never softening. Nicole straddled Paul's face, feeding him her sticky pussy.

"Eat my ass, Denise," said Nicole, leaning forward.

Denise obliged Nicole, who dribbled some of my come out of her ass. Denise lapped it up eagerly and lewdly.

"You are a filthy bitch, Denise," said Mitch.

She looked back, smiling at him mischievously, and kissed him, sticking her tongue in his mouth. They shared a long kiss. She let him taste my come on her tongue. She went back to Nicole's ass and sucked it dry. Nicole dismounted Paul's face, and she and Denise kissed deeply, trading my come back and forth.

George was still on his knees, jacking his cock. Nicole replaced his hand with hers and tongue kissed him while he fingered her pussy. She then knelt down on her hands and knees, and took him in her mouth. He soon fucked Denise's ass while Nicole sucked Mitch's cock, which was fresh out of Denise's ass.

Minutes later, Denise and Nicole were lying on their backs, their faces next to each other, while the guys jacked off over their faces. Before long, white jets of thick come flew into the girls' mouths and faces. After they milked the guys dry, the girls licked the come off each other's face.

It was past midnight already, and we all were tired and wanted to go home except Denise and Erik.

"Are you ready to drain your balls in my well-fucked pussy and then eat it all out?" Denise asked Erik.

"Yes," he said.

"Denise, thank you for the party," I said. "I wish you and your future husband a very happy life."

"Thanks, Nick," said Erik.

"Nick, you are invited to the wedding," said Denise. "I'll call you and give you the details tomorrow."

"I'll be there," I said.

"You and Beth," she said.

"You got it," I said.

"Nick, can you give me a ride?" asked Nicole.

"Sure," I said.

As Nicole and I left, the other guys wished Denise and Erik a happy marriage.

"Where do you want me to take you?" I asked Nicole as I opened the car door for her.

"To my apartment," she said. "I'll be alone. Why don't you spend the night with me and keep me company?"

"I don't think that's a good idea," I said.

"You don't think spending the night with your whore a good idea?" she said, squeezing my cock. "We can fuck."

"You are a greedy bitch," I said as I put the car in gear.

"If I can make you hard, you have to use it on me," she said, unzipping me.

She naturally got me hard, and I spent the night in her bed, mainly training her slutty ass.

When we slept, her well-used ass was full of come.

Nicole and I fucked again in the morning.

“You’ve become an anal slut,” I said after I filled her ass with my come.

“Nick and Nicki are perfect together,” she smiled.

“Nicki’s a perfect whore for Nick,” I smiled.

“Yes,” she hissed.

“I’ll be fucking this hot ass at every chance I get,” I said.

“Thank you, lover,” she said. “My ass is yours whenever you want it. I want you to want it all the time.”

We showered together, and I left.

“I missed you,” I said to Beth when I saw her. “Are you ready to make it up to me for leaving me alone last night?”

“I didn’t leave you alone,” she said. “You went out with your friends.”

“I’d have loved if you’d sucked and fucked me while with my friends,” I said.

“Yeah, right,” she said.

“Are you ready to get fucked silly now?” I said.

“Yes,” she said.

“Every hole you have will be fucked open,” I warned.

“That’s the idea,” she said.

She swallowed my first come load, and her other holes swallowed a come load each before I let her go well fucked.

Denise stopped by and gave me an invitation to her wedding.

“Why don’t you come in for a few minutes?” I invited innocently.

“Sure,” she said. “I haven’t seen you alone in a long time. I always think about you.”

We sat down, and she soon got on her knees.

“I can’t be so close to my favorite cock and not say hi,” she said, unzipping my fly.

“You are a bad girl, Denise,” I said as my cock hardened. “You are getting married. You should behave.”

“Those are just excuses,” she said, stroking my cock. “I am a good ex-girlfriend. I love my ex-boyfriend’s amazing cock. I can’t neglect it with a clear conscience. Besides, I owe you the best blowjob I’ve ever given.”

She took my shorts and underwear off and proceeded to give me the best blowjob I had ever had.

“Come on my face,” she said in the end, pulling me up. “You are the only one who can do that to me anytime.”

She opened her mouth wide and offered her face for my bursting come.

“Take it, you dirty come slut,” I said as my cock twitched and splattered her face.

After she sucked my cock dry, she used her fingers to feed herself my come. I gave her a deep kiss in the end.

“Nick, I’ll be a good wife,” she said. “I’ll never let anybody else do this to me. Good wives don’t swallow come or let guys come on their faces. They naturally don’t let guys fuck them in the ass no matter how horny they are.”

“You are a great girl, Denise,” I said. “I wish you a very happy married life.”

“Thank you,” she smiled. “I’ll do my best to have a great married life.”

Nicole visited Beth around that time.

“Did you know that Denise had the craziest bachelorette’s party ever?” said Nicole.

“No,” said Beth. “You didn’t invite me to it. What did she do? Did she give a stripper a blowjob?”

“That isn’t crazy,” said Nicole. “That’s lame. By the way, she did the invitations herself, not me.”

“Maybe that was why,” said Beth. “What did she do?”

“Erik fucked a stripper at his bachelor’s party, and she heard about it,” said Nicole. “He actually admitted it.”

“That’s crazy,” said Beth. “I mean he’s crazy.”

“She forgave him, but guess how?” said Nicole.

“How?” said Beth. “She let a stripper fuck her?”

“No,” said Nicole. “For her bachelorette’s party, she had him tied up and blindfolded while she had a gangbang.”

“No way,” said Beth.

“I was there,” said Nicole. “At one point, she was airtight with a cock in every hole.”

“He let her do that?” said Beth in disbelief. “Is the wedding still on?”

“He had an iron-hard boner throughout the party,” said Nicole. “I sucked it while she was busy being a whore.”

“You sucked his cock?” said Beth. “What about your boyfriend?”

“Can you imagine watching your best friend get gangbanged like the cheapest whore in town?” said Nicole.

“Not really,” said Beth.

“I sucked a couple of cocks,” said Nicole. “I ate come out of her pussy and ass and had mine eaten.”

“You ate come out of her pussy and ass in front of everyone?” said Beth.

“Sure,” said Nicole nonchalantly. “I loved it too. I was so horny, and I wanted to be so dirty.”

“You are a whore,” said Beth.

“I know,” smiled Nicole.

“Her fiancé was excited about watching her get gangbanged?” said Beth.

“In the end, she had him drain his balls in her pussy and eat it out,” said Nicole. “I wasn’t there to see it though.”

“If he liked it that much, it wasn’t really a punishment,” said Beth. “It was a treat.”

“I am sure he loved it much more than fucking a stripper while drunk,” said Nicole. “He’d never do that again.”

“I didn’t know that Denise was a dirty whore though,” said Beth.

“You didn’t know I was one either,” smiled Nicole.

“Naturally, your boyfriend doesn’t know about anything,” said Beth.

“Of course not,” said Nicole. “I’d kill for a boyfriend like Erik.”

“Who wouldn’t?” laughed Beth.

“You shouldn’t,” said Nicole. “Denise said Nick was her best lover ever. She’d trade all others combined for him.”

“I have to agree,” smiled Beth. “I was lucky she let him go. My fingers were better than the other guy I tried.”

“Was Nick your best lover ever too?” said Nicole.

“Nick got all my cherries,” said Beth. “We then broke up because I was stupid, but that will never happen again.”

“I gather that he was your best lover too,” said Nicole.

“Obviously,” said Beth.

“Have you ever thought about rewarding him for being so good to you and fucking you like a whore?” said Nicole.

“He gets all the pussy and ass he wants,” said Beth.

“He’d get that from any slut,” said Nicole. “You are not doing him any favors.”

“That may be right,” said Beth. “How can I reward him?”

“Literally give him all the pussy and ass he may want,” said Nicole. “Give him a threesome with your best friend.”

“You want me to let my boyfriend fuck my best friend, the whore I didn’t know about?” teased Beth.

“Why not?” said Nicole. “You are not afraid he’d dump you for her, are you?”

“What about your boyfriend?” said Beth. “You want to be a complete whore behind his back?”

“For his own sake, he doesn’t need to know that his girlfriend’s a whore,” said Nicole.

“You are a real whore,” said Beth.

“I’d eat Nick’s come out of your pussy and ass,” said Nicole. “I have experience, and I loved it.”

“You are dying for his big cock, aren’t you?” said Beth.

“Yes,” said Nicole. “I am sure he’d love to fuck the two of us together.”

“If I do that, you can’t fuck him behind my back,” said Beth.

“Why would I do that, if he can fuck us together?” said Nicole. “I’d eat your pussy and ass whenever you want.”

“Would you do that now?” said Beth.

“Yes,” hissed Nicole excitedly. “I’ve fantasized about it.”

“You may get traces of his come in me,” said Beth.

“I hope so,” said Nicole. “It’s a lot of fun to eat pussy juices and come blended together.”

“You are a slut,” said Beth. “I’ve never had a girl eat my pussy.”

“That isn’t a big deal,” said Nicole. “You are not turning lesbian. You are just allowing your best friend to thank you for the biggest favor anybody has ever done her. The pleasure in it is a bonus.”

“You have to make me come though,” said Beth.

“Of course,” said Nicole excitedly. “I love drinking gushing pussy juices.”

“You are crazy,” said Beth, hiking her skirt and exposing her bare pussy. “Go for it. I am curious about it.”

“Thank you,” said Nicole as she took her position in front of Beth’s pussy.

Beth's pussy glistened with her juices. Nicole dove in and proceeded to lick it and tease it, making Beth moan.

"You have a delicious pussy, Beth," said Nicole. "You should have let me eat it before. I'd eat it any day."

"You apparently will, you slut," said Beth. "I like what you are doing."

Nicole probed Beth's pussy with her tongue, making her moan and hump her face.

"I can taste Nick's come inside you," smiled Nicole. "It's delicious. I am going to suck it all out."

"Do that, you dirty whore," said Beth.

Nicole gave Beth one of the best pussy lickings she had ever had and made her gush in her eager mouth. She drank every drop Beth offered and sucked for more.

"Wow, Nicole!" gasped Beth. "That was incredible."

"Your best friend's even a better friend than you thought," smiled Nicole from behind her sticky face.

Beth was still catching her breath when Nicole teased her asshole with her tongue tip.

"You are dirty," moaned Beth.

"Did he come in your ass too?" said Nicole.

"Yes," hissed Beth.

"I'll suck out every delicious drop I can get," said Nicole.

"You are a come slut," said Beth, pulling her legs over her head.

Nicole spread Beth's ass and ate it more and more eagerly. Beth squirmed and moaned happily. Nicole opened up Beth's asshole with her wicked tongue and sucked all the come she could get. She finally made Beth come hard.

"Is your best friend good?" smiled Nicole as Beth gasped for air.

"You are apparently my best friend for a reason," gasped Beth.

"Just one reason?" teased Nicole.

"Multiple reasons," gasped Beth. "You've just added a new big reason though."

"Am I good enough to deserve having you share your stud boyfriend with me?" said Nicole.

"Yes," hissed Beth.

Nicole climbed over Beth and showered her face with kisses. They concluded with a deep kiss.

"I've never kissed a girl before," gasped Beth.

Nicole returned her lips to Beth's. They kissed for a few minutes.

"All your holes are delicious," smiled Nicole. "No wonder Nick and his big cock like them."

"You are so dirty, Nicole," smiled Beth.

"Thank you, Beth," said Nicole. "You'll never regret this."

"I'll kill you if I regret it," smiled Beth.

"That won't happen," said Nicole. "I intend to get fucked royally for years."

"You are a cock-craving bitch," teased Beth.

"I'll be busy with Denise till Saturday," said Nicole. "Can I get fucked royally on Sunday?"

"You can't wait, can you?" said Beth.

“Obviously not,” said Nicole. “I am soaked.”

“I don’t see why we can’t get you fucked on Sunday if everything goes well,” said Beth.

“Thank you, Beth,” said Nicole. “I so appreciate that.”

“You’ll owe me forever,” smiled Beth.

“Of course,” said Nicole. “I’d save your life and still owe you.”

“I am glad you know how much you owe me,” smiled Beth.

“Meanwhile, do you want me to eat your pussy and ass daily especially after he comes inside you?” said Nicole.

“You are eager to please, aren’t you?” smiled Beth.

“Yes,” said Nicole.

“I’ll do that if I can get away with it,” said Beth.

“Thank you so much,” said Nicole.

Beth spent the next couple of days shopping for a dress for Denise’s wedding.

“Don’t get one that would keep you bent over with my cock up your ass throughout the party,” I warned.

“You are a pervert,” she chided. “In weddings, you should think about love, not sex.”

“I do, but my cock thinks about love too, and it wins every time,” I said.

“I am not going to let you fuck me there no matter what,” she said.

“If I get too horny, I can fuck the bride,” I said. “I am sure she still appreciates my big cock.”

“Good luck with that,” she said.

On Monday, I opened the door to find Denise standing there fully made up.

“Hi, Nick,” she smiled.

“Hi, Denise,” I said, opening the door for her.

She went in, her face fully and elegantly made up. She looked so good I wanted her to drop to her knees instantly.

“This is going to be my makeup on my wedding day,” she said. “Do you like it?”

“It looks great,” I said. “You always look beautiful.”

“How do you like my lipstick?” she asked.

“It has a perfect color,” I said. “I love it. It makes you look so lovely and so sexy at the same time.”

She dropped to her knees and undid my shorts. I should have wished for a million dollars on top of that.

“What are you doing?” I asked.

“I want your opinion about my lipstick when my lips are in action,” she said.

“Didn’t you say you’d never do that?” I said.

“I didn’t say I’d never suck cock,” she said. “Even if I did, that wouldn’t apply to special cases and special cocks.”

“You are a bad girl, Denise, but a good slut,” I said, pulling her head to my hard cock.

She wrapped her lips around my cock and moaned.

She deep throated my cock for several minutes. She then got up and walked to the living room.

She hiked her skirt and sat back on the sofa, exposing her leaky pussy.

“How does my makeup look when I come?” she said, pulling her legs up. “Stick your big cock in, and let’s see.”

Her ass had a fat glass butt plug.

“I am sure it will look great,” I said, pushing my cock into her pussy.

“We need to find out for sure,” she moaned.

“I agree,” I said, picking up the pace.

“Nick, you are doing me and my fiancé a great favor by helping with our wedding,” she gasped.

“What are friends for, Denise,” I said. “You can always depend on me.”

“I appreciate that, and I will,” she gasped. “You are the most dependable guy I’ve ever met.”

“Your little pussy feels so good on my big cock with that makeup,” I said.

“Is that right?” she smiled.

“It’s a perfect makeup,” I said.

“I’ll soon come and put it to the test,” she said.

She soon stiffened.

“Let’s find out now,” she gasped.

She convulsed in orgasm, and I drilled her gushing pussy vigorously while looking at her contorting face.

“What do you think?” she gasped when her orgasm subsided.

“It’s perfect,” I said, thrusting gently in her drenched pussy. “You looked so good I wanted you to come forever.”

“Let’s see if it can handle anal orgasms,” she gasped. “Take my butt plug out, and fuck my horny ass hard.”

“Gladly,” I said, pulling out of her pussy.

She spread her ass with both hands.

“It’s well lubed,” she gasped as the butt plug popped out of her ass. “Just shove it in, and fuck my ass.”

She came hard after a few minutes of hard anal drilling.

“What do you think?” she gasped.

“Still great,” I said. “Your orgasm felt better too.”

“Let’s find out how many orgasms it can handle,” she gasped. “This is a stress test.”

“Why not?” I said as I pinned her legs down and thrust in her ass. “I’ll gladly put it to the test for you.”

She came again and again as I continued to fuck her ass hard, only slowing down briefly.

“If you have to, come in my ass,” she gasped. “I want to teach Erik how to clean it. Last time, Nicole did.”

“Okay,” I said. “I think he should learn that if you intend to do it in the future.”

She had a few more orgasms before it was my turn to come.

“I am going to come in your sizzling ass, Denise,” I announced.

“Flood it with your hot come, lover,” she gasped. “Erik will appreciate the good training.”

We came together, and her twitching asshole drained my balls deep in her ass.

“I hope this isn’t too deep for him,” I said.

“He’s a big boy,” she gasped.

“I bet,” I said.

“How does my makeup look now?” she gasped.

“It’s still great,” I said.

“Plug my ass, lover,” she gasped.

“Your hot ass is getting back in shape,” I said as I pulled out and popped the butt plug in.

“I guess it is,” she gasped. “It’s now back with the big cock it has always belonged to.”

“What a nice ass!” I said, slapping her plugged ass. “It deserves to get fucked royally on a daily basis.”

She got up and faced me.

“I may stop by in a couple of days to see how my makeup holds up if come’s shot all over my face,” she said.

“Sure,” I said.

“Nick, you have no idea how much Erik and I appreciate what you are doing for us,” she said.

“Does he know that you are here getting fucked?” I said.

“No way,” she said. “He’ll just know what concerns him—that my well-used ass is full of come and ready to eat.”

“Okay,” I said.

She knelt down and sucked my sticky cock clean. She then got up and gave me a deep kiss.

“Nick, you are the best,” she said. “Thank you.”

“You are welcome, Denise,” I said. “You are a very hot slut. It’s a great pleasure to fuck you.”

My phone rang half an hour later. It was Nicole.

“Didn’t I tell you she’d never give you up?” she said.

“What are you talking about?” I said.

“I am talking about my slut best friend who’s just fed your come to her fiancé out of her well-used ass,” she said.

“Who told you she’s done that?” I said, my cock twitching.

“I saw her,” she said. “She’s just come in his mouth after feeding him your come.”

“What do you want now?” I asked.

“Nothing,” she said. “I just wanted to say hi and keep you posted.”

“Thank you, but you didn’t actually say hi,” I said.

“Hi and goodbye,” she said.

“Bye, Nicole,” I said.

On Wednesday, Denise stopped by again. She was wearing the same perfect makeup of two days before.

“Nick, I want you to fuck me silly and shower my face with your hot sticky come,” she said as soon as I let her in.

She dropped to her knees before I could say anything.

She gave me a serious blowjob, and I fucked her pussy on the sofa. Her ass was plugged and well-lubed too. I fucked it for over an hour before I was ready to come.

“Nick, come all over my face,” she said. “Let’s put this makeup to its toughest test.”

“With pleasure,” I said.

She tilted her face up, and I carefully shot my come all over it. She sucked my cock dry.

“How does my makeup look?” she asked as she got up, still tilting her face up.

“It looks great, but it’s all covered with come,” I said.

“That’s perfect,” she said. “Thank you so much, Nick. I have to run to Erik before your come dries. I want him to lick it all up while it’s still fresh and sticky.”

“You are going home like this?” I said.

“Don’t worry,” she said. “Nicole’s waiting for me. I’ll sit back, and she’ll drive me to Erik.”

“You are unbelievable,” I said. “When did you get this crazy?”

“I don’t know,” she said. “I have to run now.”

“Bye, Denise,” I said.

She rushed to the door, and I let her out. I saw Nicole waiting for her, and she waved to me. I waved back, shaking my head in disbelief.

Denise was back on Friday—one day before her wedding.

“What is it today?” I smiled.

“You must know that Erik has never eaten your come out of my pussy,” she said.

“What’s the problem with that?” I said.

“That’s the problem,” she said. “I am here now to fix it. I want him to eat your come out of my slimy pussy.”

“Why does he need to eat my come out of your pussy anyway?” I said.

“He’s going to be my husband tomorrow,” she said. “He has to eat my lover’s come out of every hole I have.”

“I am your lover?” I said.

“Yes, Nick,” she said, dropping to her knees. “You are my perfect lover. Why do you think I crave your big cock?”

“This isn’t going to stop tomorrow?” I said.

“I’ll try hard, but I love your big cock too much,” she said. “I don’t think I can succeed. I need your help.”

“I’ll give you all the help you need and then some,” I said, pulling her head to my cock. “Suck it, baby.”

In the following hour or two, she got fucked in every hole and left with her pussy full of my come. Her butt plug helped squeeze her pussy shut and lock my come inside.

Saturday came, and it was Denise's wedding day. Beth and I were there. She wore a nice light-green dress. It was a nice wedding, going without a hitch. I danced with Beth, and I danced with the bride.

"Come with me," said Nicole, taking my hand later.

"Where are we going?" I asked, following her.

"You'll see in a minute," she said.

We walked in a hallway and then found an open door.

"Here," she said, pushing me inside.

As soon as I walked inside, she closed the door, remaining outside.

"Do you want to be the first to fuck the bride?" said Denise, smiling wide.

She was still in her wedding dress.

"Denise, are you crazy?" I said. "You are married."

"You can't fuck the bride unless she's married," she smiled.

She squatted before me.

"You are crazy," I said as she undid my pants.

"Most guys would love to be in your shoes," she said.

"I am in my shoes for a good reason," I said, pulling her head to my cock. "Suck it."

She moaned around my cock and proceeded to suck it eagerly.

We did not have much time, but I fucked her throat, her pussy and her ass. Her ass was plugged. I left it plugged after I filled it with my sticky come.

"Now, you know why we tested the makeup thoroughly," she smiled as we straightened our clothes.

"You are a dirty slut, Denise," I said.

"According to Nicole, you'll soon fuck us together," she said. "I am looking forward to that."

"Me too," I said.

"You may need these," she said, taking a butt plug and a tube of lube out of her purse.

She put them in my breast pocket.

"Why would I need them?" I said.

"I don't know," she smiled. "It may be because you are a very horny guy."

She opened the door for me, and I left.

Nicole returned to the room and let Denise out without anybody noticing anything out of the ordinary.

The bride returned to the hall her ass full of my come.

"Nick, let me introduce you to my new mother-in-law," said Denise. "Feel free to seduce her and fuck her ass off."

“You are nuts,” I said as she led me to Erik’s mom.

“Shelly, this is Nick, my best lover ever,” said Denise cheerfully, startling her mother-in-law. “Nick, this is Shelly, my best mother-in-law ever.”

“Nice to meet you, Shelly,” I said as Denise walked away.

“Nice to meet you too, Nick,” said Shelly.

“Would you care to dance?” I said, offering her my hand.

“Sure,” she said. “Thank you.”

We joined the dance.

“Your new daughter-in-law’s an incredible girl,” I said. “I’ve known her for a long time. According to her, I am her best lover ever. I don’t know why she let me slip through her fingers. She apparently found a better husband.”

“It doesn’t have to be like that,” she said. “You seem like a great guy.”

“Girls obviously like to meet good lovers, but in the end they want good husbands,” I said. “Don’t you think so?”

“I don’t know,” she said. “Maybe.”

“How do women feel when they are good in bed and their boyfriends leave them to marry better wives?” I said.

“They must feel bad if they are dumped,” she said.

“Was your husband your best lover, or did you let your best lover go and marry a better husband?” I asked.

“I don’t know,” she said. “I’ve never thought of it like that. Things just happened.”

“You have to know if he’s your best lover or not,” I said.

“I don’t think he was ever my best lover,” she said.

“Do you know if the other guy felt used?” I said.

“I don’t think so,” she said. “We split because he cheated on me.”

“I hope he didn’t make you feel that it was because you were not good in bed,” I said.

“Oh, no,” she said. “I think it was because the girl was a slut.”

“Sluts are pretty good in bed,” I said. “They are willing to do most dirty acts too. Don’t tell me you were a prude.”

“I hope not,” she said.

“When I first met Denise, I deflowered her incredible butt,” I said. “She said it was the best thing anybody had ever done for her or to her. I think she still thinks so. The losers she met before were unlucky with her fantastic butt.”

“Oh!” she said.

“I hope you are not offended by my candidness,” I said. “I feel comfortable about talking to you freely.”

“It’s okay,” she said.

“I am not a dirty guy, I hope,” I said. “I am just what they call an ass man. I love women’s hot asses. I hope you take it as a compliment when I tell you that you have a sexy ass.”

She was startled for a second.

“Thank you,” she said.

“Have you ever tried it?” I said.

“Tried what?” she asked.

“Anal sex,” I said.

“No,” she said.

“You should try it, Shelly,” I said. “Try it once with someone who appreciates nice asses and can handle them.”

“I am married now,” she said. “I can’t do that.”

“That’s just an excuse,” I said. “It wouldn’t hurt anybody if you tried something that could be the hottest thing you’ve ever experienced. Once you try it, you can decide whether it’s worth doing or not.”

“It’s still cheating,” she said.

“Not really,” I said. “It isn’t something you’d do with your husband, so it may not be cheating to do it alone.”

“I’d consider him cheating if he did it,” she said.

“You shouldn’t,” I said. “He should be able to do with a slut something you wouldn’t do for him. Now, you can’t do it without guilt if you don’t open your mind and believe that he should be able to do it with a slut.”

“I don’t know,” she said. “I can’t think it’s right for him to do it.”

“Focus, and think straight,” I said. “He wouldn’t hurt you if he ruined the slut’s little asshole. Why is he guilty?”

“I don’t know,” she said.

“If you don’t know, give him the benefit of the doubt, and say he isn’t guilty,” I said.

“Let’s say I agreed it wasn’t cheating,” she said.

“Let me take you to your room and lick your little asshole so you can see if you’d like it or not,” I said.

“You’d lick my asshole?” she said in surprise.

“I’d lick any hole I’d fuck,” I said. “Haven’t you ever had your little pussy licked?”

“Yes,” she said.

“It’s about time you had your little asshole licked,” I said. “Take me to your room.”

“Are you sure this is a good idea?” she said.

“We won’t do it until you’ve agreed it is,” I said. “Lead the way. I’ll follow at a discreet distance.”

“Okay,” she said.

“I’ll be able to enjoy your sexy ass too,” I said.

She blushed.

Shelly walked out ahead of me, and I caught up with her by the elevators.

“You are a sexy woman, Shelly,” I said as we got into the elevator. “Relax, and have fun. Love’s in the air.”

She smiled shyly.

“I feel like a teenager,” she said.

“If you feel as hot as a teenager, I bet you are,” I said.

“Thank you,” she said.

“Why don’t you grind that little ass into me and feel the big boner it gave me?” I said.

“That’s outrageous,” she said.

“What matters is that it’s fun,” I said as I gently turned her around and pulled her into me.

“Oh,” she said as my boner touched her ass.

“Can you feel it?” I said, as I held her hips and pulled her ass into me.

“Yes,” she hissed.

“You have nice tits too,” I said, gently cupping her tits.

She moaned.

“Do you want me to feel them up a little?” I whispered, teasing the shell of her ear with my tongue tip.

“Yes,” she hissed.

“I’ll do that later,” I teased, taking my hands off her tits.

“You are a tease,” she accused.

“Are you wet?” I said as the elevator door opened.

“Yes,” she said. “I am acting like a slut.”

“Maybe you are one,” I teased. “You know that I like sluts.”

“You are a bad boy,” she said.

“Dirty girls always say I am a bad boy,” I said. “You must be a dirty girl.”

“I am not,” she said.

“We’ll find out soon,” I said, squeezing her ass.

She opened the door to her room, and I went in behind her.

“Shelly, get down to your knees and take a look at my big cock,” I said, nudging her shoulders down. “If you don’t like it, there will be no point in letting your little pussy drip.”

She knelt down and opened my fly with trembling hands. I helped her pull my pants and underwear down. My hard cock greeted her.

“It’s big and hard,” she said, her eyes glued to my throbbing cock.

“Suck it,” I whispered, pulling her head gently to my cock. “It likes you.”

She did not resist hard enough. She opened her mouth and let my leaky cock head in.

“Taste it,” I said softly. “It’s leaking like your little pussy.”

She sucked my cock tentatively.

“Take it deeper, Shelly,” I said. “You are a mother-in-law. Your slut daughter-in-law can easily deep throat it.”

She sucked my cock eagerly, taking it deeper and deeper, and I thrust in her mouth.

“That’s it, Shelly, you hot slut,” I encouraged. “Suck my big cock.”

She sucked my cock for a couple of minutes before I pulled her up and kissed her deeply. She kissed back passionately. I broke the kiss when I had her on her hands and knees on the bed.

“You can’t deep throat it, can you?” I said.

“No,” she said. “I’ve never done that before.”

“You’ll do it now,” I said, pulling her head to my cock. “Just suck it the best you can.”

She sucked my cock eagerly, and I adjusted the angle of her throat.

“Take it deeper, my hot cocksucker,” I said.

She did her best, almost forcing my cock down her throat, and succeeded.

“You did it, Shelly, you hot slut,” I said, moving her head back and forth over my head.

She deep throat my cock hungrily.

“Turn around, and show me your hot virgin ass,” I said, taking off my coat.

She turned around, and I hiked her dress and pulled down her panties. Her asshole clenched when I spread her ass. I kissed her little asshole, making her gasp.

“You have a pretty asshole,” I said. “I have no doubt it was made for my big cock.”

“Nick, you are too big,” she said nervously.

“No girl has ever had a problem taking my big cock balls deep up her virgin ass,” I said. “You won’t change that.”

She gasped when I applied my lips to her asshole. It clenched for several seconds and then relaxed gradually. She moaned and humped my face as I licked and sucked her puckered skin. After a few minutes of that, I retrieved the lube and squeezed some on my fingers. I gently pushed my middle finger into her tight asshole, making her moan.

“I am going to loosen up your little asshole so it can handle my big cock comfortably,” I said.

She groaned as I squeezed lube on her asshole and squeezed my index finger in.

“You have a hot ass, Shelly,” I said. “There is no way I’d let it go to waste. You won’t leave this room before your luscious ass is well fucked and full of my hot sticky come. You deserve to enjoy that, and you will.”

She moaned, humping my fingers gently. I pumped and twisted my fingers within her asshole, adding lube constantly. I finally squeezed my ring finger in and stretched her tight asshole with three fingers.

“Do you like having your tight virgin asshole finger fucked?” I said, working my fingers in and out.

“Yes,” she hissed.

“Lower your face to the bed, and spread your horny ass with both hands like dirty sluts,” I said.

She lowered her head and spread her ass with both hands. I twisted and pumped my fingers within her asshole for a few minutes. I lubed the butt plug and slowly removed my fingers from her asshole. I firmly pushed the butt plug in. Her asshole tensed up a little.

“Relax, Shelly,” I said softly.

“What’s that?” she asked.

“It’s a butt plug to help your little asshole stretch,” I said. “Your sweet hole has to be ready before I can fuck it.”

She groaned as I worked the butt plug up her ass and popped it in.

“How does it feel?” I said. “Are you horny?”

“I am so horny,” she moaned.

“You are a hot slut, Shelly,” I said as I aimed my cock at her dripping pussy. “I am so lucky to be here.”

She gasped when my cock head touched her wet pussy. I brushed her horny pussy with my cock head, drenching it with her juices. She gasped and trembled, leaking profusely on my cock head.

“Please put it in,” she moaned a minute later.

“Your hot married pussy’s so hungry for my big cock,” I said. “Are you sure you want me to fuck it?”

“Yes,” she hissed.

“Beg me to fuck it if you are serious,” I teased.

“Please fuck my married pussy,” she begged.

“With what?” I teased.

“Please fuck my married pussy with your big cock,” she begged.

“Are you a married slut?” I teased.

“Yes,” she hissed.

“Okay,” I said, shoving my cock into her soaked pussy.

She gasped and stiffened as my cock head stretched her pussy and slid in.

“I am coming,” she gasped.

“You are a dirty slut,” I said, thrusting firmly into her twitching pussy. “You love being my married whore.”

She shook in orgasm as I held her hips firmly and fed her needy pussy my hard cock with long thrusts. Her orgasm peaked when I was balls deep in her twitching pussy. I fucked her pussy hard until her orgasm subsided.

“You are a cock-hungry slut, aren’t you?” I teased, fucking her drenched pussy gently.

“Yes,” she hissed.

“Do you like having more fun than the bride?” I teased.

“Yes,” she hissed.

“Do you like my big cock?” I said, picking up the pace.

“Yes,” she hissed. “It’s so big and filling.”

“You like having your slutty pussy stuffed tightly with my fat cock like your husband never stuffs it?” I teased.

“Yes,” she hissed.

She fucked back more and more energetically, and I pounded her horny pussy to another hard orgasm.

“Suck my sticky cock clean,” I instructed when her orgasm subsided. “Show it you appreciate being its whore.”

She turned around enthusiastically and swallowed my cock. I fucked her throat gently for a minute.

“Turn around, Shelly,” I said. “It’s time you lost your sweetest cherry to your new lover’s big cock.”

She turned around, and I helped her thrust her ass out lewdly. I gently pulled the butt plug out of her ass while I used my free hand to lube my cock.

“Do you want me to fuck your virgin ass, bitch?” I said.

“Yes,” she hissed.

“You need to beg, Shelly,” I said as the butt plug popped out of her ass. “I only fuck sluts who need it bad.”

“Please fuck my virgin ass,” she begged as I touched my cock head to her relaxed asshole.

“You need to specify with what,” I said.

“Please fuck my virgin ass with your big cock,” she begged.

“Now, you are taking,” I said as I held her hip and shoved my cock in.

She gasped, and her asshole clenched when my cock head popped in.

“Your sweet asshole’s now having serious fun for the first time in its life,” I said, pausing.

“Yes,” she hissed.

Her asshole relaxed a little, and I thrust in her ass gently.

“Do you like being my anal slut?” I said, pushing my hard cock little by little up her offered ass.

“Yes,” she hissed, thrusting back gently. “This feels so good.”

“Dirty whores love it,” I teased.

“I am a dirty whore,” she gasped.

“Of course you are,” I said, thrusting harder up her tight ass. “I love fucking good dirty whores’ slutty asses.”

“Fuck my slutty ass, baby,” she gasped.

“You got it, my sexy bitch,” I said, shoving my cock into her ass.

She stiffened when I shoved my hard cock balls deep up her ass.

“I am coming,” she gasped.

“Come for my big cock, you dirty married whore,” I urged, fucking her trembling ass vigorously.

She had a wild orgasm, shoving her ass wildly into me. Her orgasm subsided, and I slowed down.

“That was unbelievable,” she gasped.

“You agree that your slutty ass belongs to my big cock?” I said.

“Yes,” she hissed.

“Are you my whore and nobody else’s?” I said.

“Yes,” she hissed.

“We need to pick it up so I can let you go,” I said, picking up the pace. “We can’t spend all night here.”

“We can’t although I want to,” she gasped, thrusting her ass back.

Within ten minutes, she came twice, and I filled her twitching ass with come. Her anal spasms drained my balls deep in her ass. I kissed both her sticky asshole and drenched pussy before I plugged her slimy ass with the butt plug.

“This butt plug will make sure your guests won’t slip in my dripping come and break their necks,” I said.

“That’s a good idea,” she laughed as I pulled her panties up.

“Suck my cock clean,” I said.

She turned around and sucked my cock clean. I kissed her deeply when she was done.

“How does your hot ass feel?” I said, squeezing her ass.

“My slutty ass and I are very happy,” she said.

We straightened our clothes, and she touched up her makeup before we left.

“Don’t you feel better now that your hot ass is full of my come like your new daughter-in-law’s hot ass?” I said.

“You fucked Denise’s ass today?” asked Shelly in shock.

“She wanted me to be the first to fuck her on her wedding day,” I said. “What could I say to that?”

“I can’t believe that,” she said.

“Had you been my whore, wouldn’t you have wanted me on your wedding day to stick my big cock where your groom had just kissed you and fuck you in every hole you had before he could touch you?” I said.

“That’s so treacherous,” she said as we got into the elevator.

“I thought she’d stop being my dirty whore once she got married, but the slut exceeded my expectations,” I said.

“It’s unbelievable,” she said.

“You can’t believe it when your hot ass is full of my come,” I said, squeezing her ass. “Imagine how believable it would be to a woman with an empty ass.”

“I can’t believe what we’ve just done either,” she said.

“It’s incredible,” I said. “My whore ex-girlfriend’s new mother-in-law has just become my dirty whore like her.”

“Yes,” she said.

“Shelly, as a woman, you belong to my big cock from now on,” I said.

“That’s the sluttiest thing I’ve ever done,” she said.

“It’s so slutty most whores have never done it,” I said.

“That’s true,” she said.

“Although you are a very dirty whore, your new daughter-in-law has just been married and has become the dirtiest wife in town,” I said. “For your own sake, don’t spare an effort to be the dirtiest you can. You are now my whore.”

“Yes,” she hissed.

The elevator doors opened, and we walked out respectfully.

“You are a hot piece of ass, Shelly,” I said. “I am so happy I met you. I hope we can meet again soon.”

“Me too,” she said. “Thank you.”

We exchanged phone numbers and went on our separate ways.

“Nick, you need to help Erik,” said Nicole as she caught up with me.

“I need to help him with what?” I said. “I am not even his best man.”

“You are the best man for what he needs help with,” she said.

“What is it?” I asked.

“Denise is no longer a whore,” she said. “She doesn’t need multiple cocks in her body on her wedding day and night. Since you’ve already got your cock inside her, you are the only one who can fuck her for the rest of the night.”

“You are kidding me,” I said.

“She wants her wedding day to be the best while being monogamous, and I can’t blame her,” she said. “Don’t disappear. I’ll take you to the honeymoon suite in half an hour.”

“What about Beth?” I said. “She came with me.”

“Don’t worry about her,” she said. “I can make her come. I mean I’ll take care of her.”

“What are you going to tell her?” I said.

“I’ll tell her the truth,” she said. “There was an emergency, and I volunteered to tell her you had to leave.”

“Your friend’s crazy,” I said.

“She’s in love,” she said. “I can’t blame her for falling in love with your amazing cock. Stay with Beth now.”

Nicole walked away, and I went to look for Beth, who was busy with her girlfriends, so I left her alone.

Half an hour later, I walked out, and Nicole left me in the honeymoon suite. I sat back and waited.

A few minutes later, Denise and Erik walked in.

“Boy, am I ready to get fucked!” said Denise. “Are you ready to watch me get fucked royally, my loving husband?”

“Yes,” he said.

“I picked my best lover ever to share this amazing night with,” she said. “You are in for a serious show.”

“Great,” he said.

“Oh, Nick, what a perfect start to a perfect wedding night,” she said cheerfully, running into my arms and lap.

She kissed me deeply and slid off my lap onto her knees on the floor. She took my pants and underwear off, and I cooperated. She was soon face to face with my hard cock.

“Your bride’s the hottest bride in town,” I said to Erik as she licked and sucked my hard cock.

“Thank you,” she said.

He watched me fuck his bride in every hole she had while she was wearing her wedding dress. We then got out of our clothes and continued.

She took my first come load in her mouth. She kissed him deeply, sharing the come with him. She revived me right away, and we resumed our fucking session. My next come load went up her ass. He ate it out of her ass, making her come, while she revived my cock. She took the next come load in her pussy, and he ate it out of her, making her come again in his mouth. She sucked my cock clean, and we called it a night.

“Give me a big goodnight kiss, my loving husband,” she said as she and I lay in bed and pulled the covers.

They kissed goodnight while she snuggled into me and I wrapped my arm around her, holding a tit possessively.

“Good night, Erik,” I said as I cupped her pussy and pulled her ass into my groin.

“Good night,” he said.

It turned out that we were still horny, and my cock was soon thrusting into her eager ass. We fell asleep after I emptied my balls in her twitching ass.

Denise and I showered together in the morning, and room service delivered breakfast while I fucked her ass briskly.

We had breakfast while fucking. I came in her ass, and she sucked my cock clean. We then showered again.

“I wish you a great married life and hope to see you soon,” I said to them when I was ready to leave.

“Thanks, Nick,” they both said.

“My husband and I will never forget your contribution to our marital happiness,” said Denise.

“That’s right, Nick,” he said. “Thank you.”

She gave me a deep kiss, and I shook his hand before I left.

My car was still parked at the hotel. I drove home and called Beth.

“You left me alone again last night,” I said. “Are you ready to get fucked silly to make up for it?”

“What happened?” she said. “Why did you have to leave?”

“It was a personal issue that came up suddenly,” I said. “Nicole persuaded me to leave without talking to you. She said she’d take care of it.”

“She told me that much,” she said. “Is everything fine now?”

“Everything’s perfect,” I said. “It wasn’t a life or death issue, so take it easy. I am back and horny.”

“How horny are you?” she said.

“I am as usual very horny,” I said.

“Can you drive, or are you too horny to drive and you need me to come over?” she said.

“I can drive,” I said.

“Come over then,” she said. “I’ll meanwhile get ready.”

“I’ll be over right away,” I said.

Beth deep throated my cock lazily as soon as I sat down on the sofa.

“Nick, have you ever fantasized about having a threesome?” she asked, stroking my hard cock.

“What kind of threesome?” I asked.

“You with two women?” she said.

“What kind of question is that?” I asked.

“It’s just a question,” she said. “I am just curious.”

“Every guy, including me, has fantasized about fucking multiple women all day and coming in every hole they have and all over them until they can swim in his come, but every guy knows that isn’t possible,” I said.

“What about the possible fantasizes like fucking me with a friend of mine?” she said.

“That’s obviously possible if I don’t have to drown you in my come,” I smiled.

“If I brought a friend of mine, would you fuck the two of us?” she asked.

“On two conditions,” I said.

“What conditions?” she asked.

“She has to be hot, and you have to be okay with it,” I said.

“If she’s hot and I am okay with it, you’ll fuck us?” she said.

“Sure,” I said. “You’d need to ask me to fuck you together though.”

“Okay,” she said.

“Why are you asking all those questions?” I asked.

“I am considering that,” she said.

“You are considering what?” I said.

“I want you to fuck me and a friend of mine together all you want,” she said.

“Is this like my last wish or something?” I said. “Am I going to die soon, and I don’t know?”

“No, no, nothing like that,” she said. “It’s just a gift from me.”

“What if I liked fucking the two of you together?” I said. “Will we do it often, or what?”

“I am sure we can do it often if we all like it,” she said.

“My question was actually about the case where *I* liked it,” I said. “I am sure, if we all liked it, we’ll be doing it often. I am concerned about the case where I am hooked on it and you never agree to it. Can I do it behind your back?”

“Only if you can hide it extremely well,” she said.

“Okay,” I said. “I am in.”

“Are you ready now, or do you need to think about it?” she asked.

“Guys who need to think about fucking are morons,” I said. “I am at least an average guy.”

“You are no average guy, Nick,” she said. “Are you ready to fuck me and my slut friend silly?”

“Of course,” I said. “Bring her on.”

“Come out, my slut friend,” she called.

A few seconds later, Nicole came out of the kitchen, smiling shyly.

“This is the slut I want you to fuck with me,” said Beth. “Is she hot enough? Show him your horny ass, bitch.”

Nicole turned around and hiked her skirt, showing me her bare ass.

“She’s hot enough,” I said. “Now, you need to ask me to fuck you both.”

“Please fuck my slut friend and me together silly,” she said.

“Nicole, get down here, and show me if you and your friend can share a big cock,” I said. “Suck it together.”

Nicole knelt down next to Beth, who moved a little aside to give her room, and they tried to lick my cock and balls together. It was a little awkward and more like taking turns than doing it together in the beginning. That improved quickly as they established a routine.

“You are doing great, sluts,” I complimented. “This is something I’d love to have often.”

“She’s a good cocksucker, isn’t she?” said Beth.

“You both are,” I said. “It’s great to have two slut friends suck my big cock. Keep it up.”

They did a great job sucking and worshiping my cock together for several more minutes.

“Let me see your hot asses,” I said, getting off the sofa. “Get on your knees on the sofa.”

They got into position on the sofa, and I hiked their skirts, exposing their bare asses.

“You have very nice asses,” I said, squeezing both asses.

“Thank you,” they both said.

“Nicole, is your slutty ass hungry for my big cock?” I said, teasing Nicole’s asshole with my fingertips.

“Yes,” hissed Nicole.

“What about this?” I said, tickling Beth’s asshole.

“Yes,” said Beth.

“Are you both ready to get used like dirty whores?” I said.

“Yes,” they both said.

“Beth, would you mind if I fucked your slut friend’s horny ass first?” I said.

“No,” said Beth.

“In that case, get up and spread it for me,” I said. “I want you to see what you are getting me into.”

Beth got up and spread Nicole’s ass.

“She has a pretty asshole, doesn’t she?” I said.

“Yes,” said Beth.

“Do you think it can accommodate my big cock?” I said.

“I think you need to stretch it a little or rather much,” she said.

“It must feel good around my big cock once I have it impaled balls deep on it,” I said.

“Yes,” she said.

“You have a beautiful asshole, bitch,” I said.

“Thank you,” said Nicole.

“Do you want me to fuck it open?” I said, kneeling down.

“Yes,” she hissed.

Nicole gasped a few times as I teased her asshole with my tongue tip. She moaned as I licked and sucked her asshole firmly. She squirmed and humped my face, her asshole relaxing gradually.

“Do you like this, Nicole, you slut?” said Beth.

“Yes,” said Nicole. “Your boyfriend knows how to lick a girl’s asshole.”

“He sure does,” said Beth. “You’ll soon find out that he knows how to fuck it too.”

“I already know that,” moaned Nicole. “I am having a good time.”

“That’s why you are here,” said Beth.

Nicole’s asshole relaxed more, and I slid a middle finger inside it. She groaned as I reamed out her asshole. I grabbed the lube and squeezed lube on her pucker, squeezing my index finger in. Before long, I squeezed my ring finger into her ass and proceeded to ream out her asshole with three fingers. She moaned and humped my fingers.

“You are getting ready for his big cock,” said Beth.

“Yes,” hissed Nicole.

“Do you want me to fuck your horny ass, bitch?” I said, lubing my cock with my free hand.

“Yes,” she hissed.

“Beg,” I said. “Good sluts beg for cock shamelessly.”

“Please fuck my horny asshole with your big cock,” she begged.

“I’d love to do that,” I said as I got up behind her.

“I need it so bad,” she said as I slowly withdrew my fingers from her asshole. “My asshole’s so hungry for it.”

When my fingers popped out of her asshole, I swiftly popped my cock head in, making her gasp. Her asshole clenched around my cock. I paused for several seconds.

“You have a tight asshole, you hot slut,” I said.

“Your cock’s so big,” she moaned. “It stretched my little asshole so wide.”

“You need it,” I said, thrusting gently in her ass. “This is what your slutty ass was made for.”

“Yes,” she hissed.

“How does it feel?” said Beth.

“It feels amazing,” hissed Nicole. “I want more.”

“You’ll get it all, my bitch,” I said as I held her hips and thrust in her ass. “I’ll fuck your horny ass open.”

“Yes,” she hissed, pushing back.

“Fuck her cock-hungry ass,” urged Beth as my cock sank little by little into Nicole’s stretched asshole.

Finally, my cock was balls deep up Nicole’s tight ass. I paused for a few seconds and then made the first thrust, making her gasp and stiffen.

“I am coming,” gasped Nicole. “Beth, I am coming for your boyfriend’s big cock.”

“Come for me, you dirty whore,” I said, thrusting harder.

“Come for my boyfriend’s big cock, you ass whore,” urged Beth.

Nicole convulsed, shoving her ass into me, and I drilled her twitching ass hard.

“I love getting fucked in the ass,” she gasped finally as her orgasm subsided.

“It’s what your slutty ass was made for,” I said, thrusting gently in her ass.

“Do you like fucking my slut friend’s horny ass?” said Beth as I squeezed lube on my cock.

“Of course I do,” I said, picking up the pace. “She has a great ass. It was made for my big cock.”

“Fuck it, Nick,” gasped Nicole. “I’ll never let any other guy touch it.”

“You are becoming a good whore, Nicole,” I said. “As long as you reserve it to me, I’ll take good care of it.”

“I’ll always reserve it to you,” she gasped.

“The slut’s getting addicted to your big cock up her cock-craving ass,” said Beth.

“She definitely deserves to be your best friend,” I said.

“She sure does,” gasped Nicole.

Nicole picked up the pace. She fucked back energetically and came on my cock twice more. I took my cock out of her ass and pushed it in Beth’s face. Beth opened her mouth and sucked my cock eagerly. I held the back of her head and fucked her throat. I made Nicole come twice more, letting Beth suck my cock after each.

“Nicole, it’s your turn to spread your slut friend’s ass,” I said, thrusting in Beth’s throat.

“I’d love to do that,” gasped Nicole, getting up.

Nicole got up, and Beth knelt down. Nicole spread Beth’s ass as I lubed my cock and Beth’s asshole. I pushed my cock into Beth’s ass and proceeded to fuck it.

“You are seriously reaming out her little asshole,” said Nicole as she watched me thrust in Beth’s stretched asshole.

“Of course,” I said. “This is what her slutty ass was meant for.”

“Yes,” she said.

“Yes,” hissed Beth.

Nicole deep throated my cock after each of Beth’s next five orgasms.

“Get into position next to her,” I said, slapping Nicole’s face with my cock. “You are both fucked up the ass.”

“That’s what we are here for,” said Nicole as she assumed the position.

Nicole pushed her ass out lewdly, and I fucked her ass briskly. I switched asses after each orgasm. I occasionally fucked their drenched pussies, taking their excess juices back to their asses.

“Nicole, you are going to eat my come out of Beth’s ass,” I said, drilling Beth’s offered ass vigorously.

“I’d love that,” said Nicole. “It won’t be my first time to eat come out of a well-fucked ass but not yours.”

“In that case, I expect you to do a good job and share the come with her,” I said.

“Sure,” she said.

“Are you up for that, Beth?” I asked.

“Of course,” said Beth. “I won’t let you down.”

Beth and I came, and her twitching asshole drained my balls inside her ass. Nicole got up and watched me fill her friend’s ass with come. She pounced on my cock and sucked it clean when I popped it out of Beth’s ass. She then knelt on the floor and buried her face in Beth’s come-filled ass. Beth moaned and ground into Nicole’s face.

“This feels so good,” gasped Beth as she fed my come to her friend. “She’s a good come-eating slut.”

“I only fuck the best sluts,” I said.

“You sure do,” gasped Beth.

Nicole devoured Beth’s loose asshole, making her come. She finally got up and pulled Beth up. They kissed sloppily, passing my come back and forth a few times. They finally broke the kiss and each swallowed her share of my come.

“Get it hard again, bitches,” I said, sitting back on the sofa.

They knelt down on the floor and went to work, reviving my cock.

“Do you love getting fucked together, you dirty whores?” I said as I got up.

“Yes, I love it so much,” said Nicole.

“Me too,” said Beth as I arranged Nicole on her back with her legs over her head.

Beth got into position next to Nicole, and I lubed my cock.

“Spread your horny asses bitches,” I said as I stood before Beth’s offered ass.

Beth’s pussy got fucked first. I then fucked Nicole’s. After that, I switched my cock between their horny asses after every orgasm as they spread them shamelessly for me.

“This is so much fun,” gasped Nicole as I fucked her ass briskly. “We should do it often.”

“Yes, I agree,” said Beth.

“You don’t have to be together for me to fuck one of you, hot sluts, or the other though,” I said.

“Of course not,” said Beth.

“I hope your boyfriend wouldn’t mind if I fucked you silly alone,” I said to Nicole.

“My boyfriend doesn’t know about any of this, so feel free to fuck me any way you want,” she gasped.

“I will, my dirty cheating whore,” I said.

My next come load went deep in Nicole’s twitching rectum, and Beth did not hesitate to suck it all out, making Nicole come in her mouth. They shared my come lewdly and swallowed it all.

“Let’s go into the bedroom,” suggested Beth.

We moved to the bedroom, and they revived my cock while I lay back in bed.

Beth lubed my cock and pushed Nicole onto it in the anal cowgirl position.

“Stuff your slutty ass with my boyfriend’s fat cock,” said Beth as she held my cock up for her friend.

“Thanks, girlfriend,” moaned Nicole as she impaled her ass on my hard cock.

Nicole rode my cock while I fondled her tits, pinching her stiff nipples. They soon kissed lewdly, moaning into each other’s mouth. I fondled and fingered Beth’s ass while they fingered each other’s pussy.

They came at about the same time and switched places. We fingered Nicole’s fuck holes while Beth got her ass fucked energetically on my cock. They sucked my cock together after Beth came, and I fondled their asses.

“Sixty-nine, you sluts,” I instructed, slapping their asses.

They got into position, and Nicole was on top. I lubed her asshole as Beth spread her ass for me. I fucked Nicole’s ass to orgasm while they ate each other’s pussy and Nicole fingered Beth’s asshole. Beth came right after Nicole did. They rolled over, and I fucked Beth’s spread ass similarly.

We changed positions before I came in Nicole’s pussy. Beth ate my come out and shared it with Nicole. About an hour later, Nicole returned the favor and shared my come with Beth.

“I am so hungry,” said Nicole. “We need to eat.”

“We need to make lunch or rather dinner,” said Beth.

“As long as you are naked, you can do whatever you want,” I said. “You can even make breakfast.”

We moved to the kitchen, and I fondled their tits and asses and fingered their pussies and assholes while they prepared food. Dinner was still not ready when I bent Nicole over the counter and fucked her ass, using butter to lube my cock. Beth got her ass fucked similarly while Nicole finished dinner.

“You love fucking two sluts,” said Beth as we had dinner.

“I told you how it worked,” I said. “If I had three or four sluts to fuck together, it would only be hotter.”

“You have a greedy boyfriend,” said Nicole.

“Like your boyfriend would pass on that,” I said.

“He wouldn’t pass on it, but I hope he wouldn’t say it right in front of me,” she said.

“She asked me, and I answered,” I said.

“Should we try getting him more sluts?” said Beth.

“We can try Denise,” said Nicole. “She obviously loves his big cock.”

“Denise was married yesterday,” said Beth. “You think she’d cheat right away?”

“Do you think she’d give up this incredible cock just because she got married?” said Nicole. “Would you give it up if you got married? I know I wouldn’t. Besides, that wouldn’t be cheating for Denise. Erik would be okay with it.”

“Erik would let her whore herself to another guy?” said Beth.

“He’d even watch and probably spread her ass for Nick,” said Nicole.

“That’s so crazy,” said Beth.

“She’s a lucky bitch,” said Nicole. “She’d jump at the chance of whoring herself to her ex-boyfriend Nick.”

“I expect you to bring her in as soon as she’s back from her honeymoon,” I said. “I want to fuck you all together.”

“Of course you do,” said Beth.

“Do you want me to talk to her maybe while she eats Nick’s come out of my pussy or ass,” said Nicole.

“She eats your pussy and ass?” said Beth.

“We are best friends,” smiled Nicole. “She and I would eat each other’s pussy or ass just like you and I would.”

“You are all whores,” I said. “It would be fun to fuck the three of you together.”

“Talk to her, or Nick would fuck her behind our backs,” said Beth.

“He wouldn’t have time,” smiled Nicole.

“Are you going to eat all day?” I said.

“Not if we can get fucked all day,” she said.

We quickly cleared the table, and headed back to the bedroom.

Surprisingly, we went to bed early that night, all in the same bed. We did not go to sleep directly though.

Naturally, I fucked them both in the morning and filled both their asses with come. My come stayed there.

As soon as I returned home, I called Shelly.

“Hi, Shelly,” I greeted. “How are you?”

“Nick?” she said. “I am fine. How are you?”

“Are you horny already and miss the big cock you belong to?” I teased.

“I wasn’t horny until you called me,” she said. “Now that you mention it, I am horny.”

“Do you miss my big cock?” I said. “Do you want to feel it inside you?”

“Yes, I do,” she said.

“Do you want me to come over and fuck you silly in your bed, or do you want to reserve it for mediocre sex?” I teased. “You have to be so dirty to want me to fuck you in your marital bed. Are you dirty enough?”

“You are wicked, Nick,” she said. “I am dirty enough to welcome you into my marital bed.”

“Take a thorough enema so I can use your horny ass well,” I said.

She gave me the address, and I was there twenty minutes later. I parked a little away and walked to the door.

Shelly opened the door for me, wearing a lace chemise and nothing else.

“Hi, Shelly,” I greeted, smiling. “You are apparently horny indeed.”

“Did you think I was kidding?” she said as she closed the door and I pulled her to me.

“I wasn’t sure,” I said, squeezing her ass.

We kissed passionately, and, meanwhile, I hiked her chemise and felt up her bare ass.

“Is this slutty ass ready for the big cock it belongs to?” I said as I spread her ass and tickled her asshole.

“Yes,” she hissed, squeezing my boner. “It’s ready for anything you can give it.”

“Kneel down, and welcome me to your house,” I said.

She knelt down, and I helped her rid me of my pants and underwear, setting my hard cock free.

“I missed your big cock,” she said, stroking my cock.

“Show me how much you did,” I said. “Suck it, my sexy cocksucker.”

“It’s so ready to fuck its slut,” she said.

“It’s almost as ready as she is,” I said.

“I bet it’s readier,” she said.

She took my cock in her mouth and sucked it eagerly.

“Yes, Shelly,” I encouraged. “Make me feel deeply welcome in your house.”

She deep throated my cock hungrily.

“Now, I feel welcome,” I said, thrusting in her throat.

She took my cock out and slapped her face with it.

“Take me to your bed, you hot married slut,” I said. “Let’s put that bed to good use for the very first time.”

She got up, and I kissed her deeply, squeezing her ass and finger fucking her leaky pussy with two fingers.

“You have two holes that are very ready,” I said, teasing her asshole. “What about the hole I am here for?”

“My asshole’s even hornier,” she said.

She led me to her bed, and I fucked her throat there in the doggy position. I fingered her pussy and ass while I did.

“Turn around, Shelly, my bitch,” I said, slapping her face with my cock. “Let me fuck your slutty married pussy.”

She turned around and pushed her ass out lewdly. Her pussy was dripping.

“Are you still a good slut?” I said, brushing her pussy with my cock head. “Do you still know how to beg for it?”

“Please fuck my married pussy with your big cock,” she begged as I gently pressed my cock head into her pussy.

“That’s what I am here for, my hot bitch,” I said, pushing my cock into her wet pussy.

“Yes,” she hissed, pushing her ass back.

“I should instruct all my ex-girlfriends to marry guys with hot moms,” I said as I held her hips and thrust in her.

“You are a horny guy,” she said, fucking back.

“Am I not the kind of guy you, hot sluts, need?” I said.

“Yes,” she hissed.

“Are you a horny bitch or not, Shelly?” I teased, picking up the pace.

“Yes, I am a horny bitch,” she gasped.

“Prove it to me,” I said. “Come all over my big cock in your marital bed.”

She fucked back harder and stiffened within a minute.

“I am coming for you in my marital bed, lover,” she gasped.

She stiffened, and I pounded her twitching pussy. She gushed profusely, shoving her ass back wildly.

“That was nice, bitch,” I said when her orgasm subsided. “Turn around, and clean after yourself.”

She turned around and swallowed my dripping cock. I leaned over and fondled her ass.

“Turn around, and show me your pretty asshole,” I said, slapping her face with my cock.

She turned around, and I spread her ass, making her asshole twitch.

“It’s as pretty as ever,” I said. “Do you want it fucked open?”

“Yes,” she hissed.

“Spread it like the dirty bitch you are,” I said.

She lowered her head and spread her ass with both hands. I gave it a soft kiss, making her gasp quietly. I then licked it leisurely, making her squirm. I ate her asshole more and more hungrily, slobbering all over it and probing it with my tongue. It opened for my tongue and nibbled it. She humped my face constantly, approaching orgasm steadily.

“I am going to come, Nick,” she gasped.

That was an incentive for me to eat her luscious asshole harder. She stiffened and came.

“My horny asshole’s coming on your tongue,” she gasped.

She convulsed wildly. I held her hips tightly and devoured her twitching asshole until she went limp.

“You are definitely the ass man, Nick,” she gasped as I lubed her asshole.

“You are the ass whore, Shelly, aren’t you?” I said, aiming my cock at her offered asshole.

“Yes,” she gasped when she felt my cock head touch her asshole. “Fuck your ass whore’s horny ass, Nick.”

Her asshole clenched before it accepted my cock head. She was still spreading her ass for me. I held her hips and thrust gently into her ass, driving my cock little by little up her splayed but tight asshole.

“That feels so good, lover,” she moaned when my cock was halfway up her ass. “My slutty ass loves this.”

My cock sank all the way up her ass, and I proceeded to fuck her ass at an accelerating pace. She came within a few minutes. I drilled her ass until she went limp. When she caught her breath, she rose on her hands into the doggy position. She pushed her ass back when I fucked it briskly.

Shelly came several times in that position before the phone rang.

“See if you need to answer the phone,” I said, thrusting in her ass.

“Let me go,” she said, pulling away.

“I can’t let such a hot ass go,” I said, holding her ass tightly.

She crawled to the phone, and I followed, my cock up her ass.

“This must be Erik,” she said.

“Take the call,” I said, thrusting in her ass. “I want to talk to Denise later, but don’t let him know I am here.”

“Of course not,” she said as she picked up the phone.

“Don’t let him know his new friend’s fucking his slut mom in the ass in his dad’s bed,” I said lowly.

“Hi, honey,” she greeted, her asshole twitching.

They talked for a few minutes about the silly things the newlyweds were doing on their honeymoon.

“Let me talk to your lovely bride,” she said in the end.

Shelly and Denise talked for a couple of minutes.

“Someone wants to talk to you, but don’t let Erik know,” said Shelly.

Shelly handed me the phone.

“I am now fucking your hot mother-in-law in the ass,” I said.

“That’s nice,” said Denise.

“Is your new groom fucking you as well as I can?” I teased.

“No way,” she said.

“Is he preserving your energy for me for when you come back ready to get fucked royally?” I said.

“I think so,” she said.

“Take good care of your luscious ass for me,” I said. “Don’t let anybody touch it.”

“Of course not,” she said.

“My big cock missed his dirty newlywed whore,” I said.

“I missed it too,” she said.

“Take care, babe,” I said. “See you soon.”

“Bye,” she said.

Shelly hung up, and I resumed drilling her ass.

“Now, your slut daughter-in-law knows that your hot ass isn’t being neglected like hers,” I said.

“Erik doesn’t fuck her in the ass?” she said.

“No slut of mine lets other people touch her ass,” I said. “She only does that on her bachelorette’s orgy gangbang. She dedicated her hot ass to me after that. You dedicated your luscious ass to me too, didn’t you?”

“Yes,” she hissed.

Shelly and I spent six hours fucking and sucking. I came on her face, and she used her fingers to eat my come. I came in her ass and fed her a scoop of it. I came in her twitching pussy. I fed her some of it, and she ate some. I came in her ass again and plugged it. Before I left, I came in her pussy. Her butt plug up her ass held the come in her pussy.

“If you want to be dirty, take the butt plug out of your well-used ass right before you feed your husband my come out of your slimy pussy,” I said. “You’ll love it.”

“Nick, that’s extremely dirty,” she said.

“I have faith in you,” I smiled.

“I’ll do my best,” she said.

“I’ll drop by in a couple of days just in case he liked the taste of my come out of your juicy pussy,” I said.

We showered together, and I left.

“I have a little homework for you,” I said to Nicole as I visited her on my way home.

“What’s that?” she asked.

“I want you to feed your boyfriend my sticky come out of your slimy pussy,” I said. “I’ll come in your pussy.”

“You are playing dirty,” she smiled.

“Is that too dirty for you?” I challenged.

“No,” she smiled, dropping to her knees. “I think I am going to enjoy it a lot.”

It took a little more than an hour to fuck all her holes and come in her pussy. I again used a butt plug to lock it in.

Shelly and Nicole fed my come to their men.

On Tuesday afternoon, Beth and Nicole came over, and I fucked them both, sending them home with their asses full of my come. Shelly kept the come I pumped in her pussy on Wednesday to herself and fed her husband the come I left in her pussy on Friday. Nicole fed her boyfriend my come out of her pussy for the second time on Saturday.

Denise and Erik returned late on Saturday night. Nicole and I picked them up at the airport. Nicole and I kissed Denise deeply and shook Erik’s hand. I drove Erik and Denise home. They talked about their honeymoon while Nicole sucked my cock leisurely. Nicole swallowed my come before I dropped her off at her place.

Denise banished Erik from home on Sunday and had Shelly spend the day with her. Shelly and Denise spent an hour together before I joined them. I kissed them both deeply before I sat between them on the sofa.

“Is our lovely bride ready to get fucked royally in her marital bed?” I asked.

“Oh, yes,” said Denise, fondling my boner through my pants. “I haven’t been fucked in it yet.”

“Shelly, are you ready to establish a great relationship with your slut daughter-in-law?” I said as I slipped my left hand down Shelly’s top and squeezed her tit. “Are you ready to be more of a best friend to her than a mother-in-law?”

“Oh, yes,” moaned Shelly. “We are going to be dirty married whores for the same incredible cock.”

“You sure are,” I said. “Let’s move to the bedroom and show our beautiful bride how nice married life can be.”

We went to the bedroom and got out of our clothes.

“Suck my big cock together, you hot married whores,” I said as I sat back on the bed and spread my legs.

Neither of them had ever shared a cock, so it was a learning experience for both of them, but it turned out well. They worshiped my cock together for about half an hour. The fucking then started. I fucked their horny pussies for about half an hour and then their hot asses for another half hour.

Shelly eagerly ate my first come load out of her daughter-in-law's well-fucked ass. Denise happily returned the favor a little over an hour later.

The phone rang while I fucked Shelly's ass and she ate Denise's pussy.

It was Nicole.

"Hi, Denise," greeted Nicole. "How do you feel now?"

"I feel great," said Denise cheerfully. "It's so good to be back home."

"I managed to talk Beth into sharing Nick with me," said Nicole. "He's already fucked the two of us together a few times and fucked me alone once. I fed his come out of my pussy to my boyfriend twice."

"Wow!" said Denise. "That's great. You sure work fast."

"Do you want to join us so he can fuck the three of us together?" said Nicole.

"Is she okay with that too?" said Denise.

"Yes," said Nicole.

"That's impressive," said Denise. "Do you know where Nick is by the way?"

"Don't tell me he's fucking you now," said Nicole.

"No, he isn't," said Denise.

"I have no idea where he is," said Nicole.

"He's fucking my slut mother-in-law in the ass while she eats my leaky pussy," said Denise.

"You are kidding me," said Nicole.

"I am not," smiled Denise. "She's pretty good at it too. I am having a great time."

"Is he fucking your mother-in-law?" said Nicole. "Where did he meet her?"

"I introduced them at my wedding reception, and he worked fast," said Denise. "He taught her deep throat and ass fucking then and there. They've been getting it on since then. She got fucked on my honeymoon more than I did."

"So, you have your own slut team?" said Nicole. "You don't want to join us anymore?"

"Of course, I want to join you," said Denise. "I haven't signed an exclusive contract with anybody yet."

"That's great," said Nicole. "We are still on."

"Maybe we can add her to our group soon," said Denise. "She'll fit right in."

"Yes," said Nicole. "We can try that in a week. We don't want Beth to think we are hijacking her boyfriend."

"That would be great," said Denise.

"Can we get together tomorrow or the day after?" said Nicole.

"We can get together tomorrow in the late afternoon," said Denise.

"I'll be the only cheating slut," said Nicole.

“Only for a week, right?” smiled Denise. “Enjoy the feeling. I am sure you’ll like it.”

“I guess I will,” said Nicole.

Denise and Shelly licked my come off each other’s face and ate it out of each other’s pussy.

Before I left, I left a come load up Denise’s ass to feed to her new husband.

Arrangements were made to have me drive Beth and Nicole to Denise and Erik’s house at five.

At five sharp, the three of us stood at Denise’s door. I rang the bell, and Denise let us in.

“Oh, Nick, my best lover ever,” said Denise, throwing her arms around me.

She kissed me passionately, and I kissed back and felt up her ass.

“Some poor guy has made a decent woman out of you,” I teased.

“The poor guy tried,” she laughed. “I am still an indecent woman though. A decent woman doesn’t rub her horny married pussy all over her best lover ever and let him feel up her outrageous ass freely.”

“I guess he could only turn you from a slut to a married slut,” I said.

“A married slut’s exactly what I am,” she said. “It’s exactly why you are here, I hope.”

“I hope so too,” I smiled. “I am committed to the happiness of my good girlfriends even after they move on.”

She hugged and kissed Beth and Nicole on the cheek while I shook Erik’s hand.

“Erik, you married my hottest ex-girlfriend ever,” I said. “Do you have any idea how lucky you are?”

“I know I am unbelievably lucky,” he said.

“Who told you that?” I said. “Did you cheat somehow?”

“I figured it out on my own,” he said. “It was pretty easy.”

Denise snuggled into me and wrapped my arm around her. I pulled her to me.

“I am as lucky to have you, honey, even if my behavior doesn’t show that,” she said.

“I know you are lucky,” I said to her, squeezing her ass. “An average or even a good husband wouldn’t let his slut wife’s best lover ever feel up her luscious ass freely.”

“Let’s go inside and find out how lucky I am,” she said.

We walked into the living room while I fondled her ass.

Denise sat me in the middle of the sofa. She and Beth sat on either side of me, and Nicole took the loveseat.

“How was your honeymoon?” asked Beth as Erik sat in the chair. “Was it as good as you wanted it to be?”

“It was great,” said Denise, fondling my hardening cock through my pants. “It was a nice break from everything.”

“You look so happy,” said Beth. “You must be looking forward to married life.”

“Oh, yes,” said Denise, teasing my boner with her fingernails. “I am so horny and ready for married life.”

“You should have had enough sex on your honeymoon,” teased Beth. “Isn’t that what it’s for?”

“We tried, but I turned out to be a slut,” smiled Denise, squeezing my boner. “I now need cock more than ever.”

To prove her point, Denise scooted off the sofa and knelt before me. She squeezed my boner and stroked it.

“Nick, please let me suck your gorgeous cock,” said Denise, looking up at me. “I need your incredible cock bad.”

“Knock yourself out, Denise,” I said. “Show them that you still belong to my big cock.”

“You’ve always been the best, and you’ll always be the best,” she said, undoing my pants.

“You are an incredible woman, Denise,” I said. “The fact that you are a cock-craving slut doesn’t make you any less of a woman. If anything, it makes you more of a woman. You are a very hot woman.”

“Beth, you are a lucky girl to have this boyfriend,” said Denise, pulling my pants and underwear down and off. “Hold on tight to him. If I were you, I’d never let him go.”

My hard cock greeted everybody, pointing to the ceiling.

“I know I am a lucky girl,” said Beth, squeezing my throbbing cock. “I am not letting him go. I am just sharing.”

“I am very lucky for that,” said Denise. “Thank you for sharing.”

“Suck my stud boyfriend’s big cock, Denise,” said Beth. “Show me you are worthy of it.”

“With humility and pleasure,” said Denise. “I’ll also show my new husband that my best lover’s worthy of me.”

Denise licked and sucked my cock and balls. I reached between Beth’s legs, and she spread them for me. I found her leaky pussy and proceeded to play with it. She squirmed and moaned quietly. Meanwhile, Denise deep throated my cock hungrily and worshiped it happily, occasionally rubbing or slapping her face with it.

“You are supposed to keep an eye on my married whore to see if she’s worthy of my big cock,” I said to Beth.

“She’s worthy of it,” moaned Beth. “That’s obvious.”

“Thank you,” said Denise. “I appreciate your trust in me.”

“Denise, since you are worthy of my big cock, I can use you like a cheap whore whenever I want,” I said.

“Thank you,” she said. “I look forward to getting used with your incredible cock in every possible way.”

“Your slut wife’s a serious cocksucker,” I said to Erik. “No sane man can push her off his cock.”

“Thank you,” he said.

“Denise, can I join you?” said Nicole.

“Sure,” said Denise. “You are my best friend.”

“Nick, you don’t mind, do you?” said Nicole.

“Of course not, you hot slut,” I said.

“Beth?” she said.

“Go for it,” said Beth. “Help her suck my boyfriend’s big juicy cock, you horny slut. What are best friends for?”

“You are a wonderful best friend,” said Nicole as she knelt next to Denise.

Denise and Nicole have never sucked my cock together, but that did not prevent them from giving me a royal blowjob while Beth watched, squirming on my fingers.

“Beth, why don’t you join them so everybody knows that you belong to my big cock too?” I said.

“The two of them belong to your big cock too?” said Beth.

“Do you, bitches?” I said.

“Yes,” said Denise and Nicole in unison.

“I do too,” said Beth, scooting off my sticky fingers and kneeling next to Nicole.

“My big cock wants to enjoy its hot bitches together,” I said.

Beth licked the side of my cock while I sucked her juices off my fingers. They were then licking my cock head, my shaft and my balls at the same time. That felt good. My cock twitched and leaked happily.

“This is my first triple blowjob ever, and the hot cocksuckers belong to my big cock,” I said, looking at Erik.

“You are a lucky guy,” he said.

“I know I am,” I said. “So are you though.”

“Yes,” he said.

My three sluts sucked my cock eagerly for several minutes.

“I need to get fucked,” said Denise finally.

“Go for it,” I said.

“I am going to ride my favorite cock,” she said, getting up.

“Show your new husband that your juicy pussy belongs to my big cock like your hot mouth does,” I said.

“Yes,” she said.

Denise climbed astride me, and Nicole held my cock for her as she impaled her dripping pussy on my cock. Beth and Nicole licked my balls while Denise bounced on it. I spread Denise’s ass and paced her.

“I love your amazing cock,” gasped Denise, riding my cock hard. “I am going to come.”

“Come for me, bitch,” I said, popping my middle finger into her asshole. “Show them all that you are mine.”

“Of course, I am yours, lover,” she gasped.

Denise gasped and stiffened instantly. She shook in orgasm, drenching my cock and balls in her juices, while I jerked my finger within her twitching asshole and thrust in her pussy. She brought her mouth to mine, and we kissed feverishly while she gasped for air.

“Beth, lube her horny asshole, and get it ready for my big cock,” I said as I pulled my sticky finger out of Denise’s asshole and let Nicole suck it.

Beth lubed Denise’s asshole and used two slick fingers to work the lube inside.

“She’s ready,” said Beth.

“Thanks, Beth,” said Denise.

“Sure,” said Beth.

“Honey, you don’t fuck my ass,” said Denise. “Why don’t you come over and guide my lover’s big cock into it?”

Beth and Nicole watched as Erik came over and knelt next to them. I raised Denise’s knees, putting her in the Asian cowgirl position. He held my shaft as I spread his wife’s ass and lowered it onto it.

“Thank you, honey,” said Denise when my cock head popped past her asshole. “Stay there, and watch it fuck it.”

“Your bride has a fantastic ass, Erik,” I said. “I am sure you know that though.”

“Yes,” he said.

He stayed there and watched her ass bounce on my cock while I spread it wide.

“Does it look good?” she said.

“Yes,” he said.

“Can you see how hungry for his big cock my horny asshole is?” she said.

“Yes,” he said.

“Do you think my lover’s taking good care of my slutty ass?” she teased.

“Yes,” he said.

“Are you proud of me for being such a dirty whore for my lover?” she said.

“Yes,” he said.

“Thank you,” she said.

“You are shameless,” teased Beth. “You’ve just got married, and you are looking for cock on the side.”

“I am not looking for cock on the side,” said Denise seriously. “I *have found* a perfect cock *in the backside*.”

“You are cock-craving whore,” teased Beth.

“I am a good wife too,” said Denise. “My husband wants me to whore myself to your boyfriend. Right, Erik?”

“Yes, honey,” he said.

“Would I be a better wife if I said no to my husband?” she said.

“I don’t think so,” said Beth.

“Do you agree that I am a good wife?” said Denise.

“I have to,” said Beth.

“Nicole, pull her dress off,” I said. “Let’s see how good a wife she is.”

“She’s a very good wife,” said Nicole. “I vouch for her.”

“You are a good friend,” said Denise as Nicole got up and reached out for her dress.

Nicole pulled Denise’s dress off. I watched Denise’s big tits bounce with her while Nicole took off her own dress and then Beth’s. They were all naked. I captured a stiff nipple in my mouth and sucked it hard. Denise gasped, and her asshole twitched around my cock. I did the same to her other sweet nipple, and she groaned.

“Erik, you and I want your hot wife to get her sexy ass fucked royally,” I said. “Does it look like she’s doing that?”

“Yes, it does,” he said. “She’s taking it balls deep every time.”

“I love helping her with that,” I said. “Her tight ass feels so good around my big cock.”

“Yes,” he said. “She has a beautiful ass.”

“Her little asshole massages my big cock so lustfully and exquisitely,” I said. “She has a perfect ass for this.”

“I have to agree with you,” he said.

“Our slut friend looks like a happy wife,” said Beth.

“Yes,” said Nicole. “I am looking forward to getting married myself.”

Denise picked up the pace, and I helped her with that. She soon stiffened.

“I am coming,” gasped Denise. “Honey, your whore wife’s horny ass is coming so hard on her lover’s big cock.”

“Enjoy yourself, honey,” he said. “Enjoy your lover’s big cock.”

“I am doing just that,” she gasped.

She shook wildly while I steadied her and kept my cock thrusting in her writhing ass.

Her orgasm subsided, and she moved into the cowgirl position. I rocked her ass gently while she gasped for air.

“Welcome back to the big cock you belong to,” I said.

“It’s good to be back where I belong,” she gasped.

“This is where we all belong, girlfriend,” said Nicole. “Get ready to make room for the rest of us horny sluts.”

“I got to get off,” smiled Denise, dismounting me. “I’ll be back where I belong very soon.”

“I’ll be waiting for you,” I said.

“Can I ride him now?” Nicole said to Beth.

“Sure,” said Beth.

“Thank you, girlfriend,” said Nicole, climbing astride me.

Beth held my cock as Nicole lowered her dripping pussy on it.

“Honey, lick my pussy until it’s my turn again,” Denise told Erik as she sat back next to me and spread her legs.

He knelt down before her and dove into her drenched pussy.

Nicole and Denise were soon moaning. Beth licked my balls and the juices leaking out of Nicole’s horny pussy.

Nicole came, and Denise came right after her.

Beth lubed Nicole’s asshole and moved my cock into her friend’s ass of her own accord.

“Get your slutty ass fucked, my dirty whore,” I said to Nicole, raising her knees into the Asian cowgirl position.

“That’s why I am here,” smiled Nicole.

Nicole’s horny ass bounced on my cock energetically to orgasm as I spread it and paced her.

“I love coming on your big cock,” gasped Nicole as her orgasm subsided. “I am glad I am a slut for it.”

“So am I, my hot bitch,” I said.

Denise came again in her husband’s mouth. Nicole dismounted me and sucked my cock briefly.

Beth replaced Nicole astride me, and Nicole held my cock for her. She also lubed Beth’s asshole and moved my cock into it after Beth’s pussy gushed on my cock. I helped Beth bounce her ass on my cock to orgasm. Denise managed to keep up with us, coming in Erik’s mouth.

“I think it’s my turn again,” gasped Denise as Beth dismounted my cock.

“It is, but the three of you need to get on your knees on the sofa,” I said, getting up, as Beth sucked my cock.

Beth took the center as they knelt on the sofa and pushed their horny asses out lewdly.

“Spread your asses, whores,” I said, grabbing the lube.

Each spread her ass with both hands, and I lubed all three assholes thoroughly.

“You can have your husband spread your hot ass for you,” I said to Denise as I aimed my cock at her asshole.

“Do it for me, honey,” she said.

Erik spread Denise’s ass, and I pushed my cock in.

“Do you want me to fuck your slut wife’s hot ass?” I teased.

“Yes, please,” he said.

“You are a good husband, Erik,” I said. “She better know it.”

“I do, lover,” she said.

Denise pushed her ass out lewdly, and I fucked it hard from the start. She soon convulsed in orgasm.

Beth was next, and I fucked her ass to orgasm.

“Denise, can your husband spread my ass for my lover?” asked Nicole.

“Sure,” said Denise. “Honey, do that for her.”

“Thanks, Erik,” said Nicole as he spread her ass.

“You are welcome,” he said.

Nicole’s ass received a serious drilling, and she came.

“You can sit down,” I said to him. “They don’t need to have their asses spread anymore.”

He sat back in the chair and watched as I fucked his wife’s offered ass.

Denise came, and I fucked Beth and Nicole’s asses to orgasm each. I moved back to Denise’s ass.

“Hi,” I suddenly heard someone say.

That startled me for a second. I looked to the side to find Shelly standing there.

Beth and Nicole jumped in surprise and covered their tits and pussies with their hands. Erik’s face turned red.

“Shelly?” I said as I resumed thrusting in nonchalant Denise’s ass. “Hi.”

“Hi, Nick,” she said. “Hi, Erik.”

He did not know what to say.

“Hi, mom,” he finally said lowly.

“What’s going on here?” she said, moving closer to where I fucked Denise’s offered ass. “You are giving my daughter-in-law’s butt a serious drilling.”

“Yes, Shelly,” I said. “I’ve told your son how her luscious ass was perfect for this.”

Nicole relaxed as Beth and Erik watched and listened in disbelief.

“You are stretching her little butthole so wide,” said Shelly.

“This is what her hot ass needs,” I said as I squeezed her ass. “Is anybody giving your sexy ass what it needs?”

He and Beth were startled and shocked at my move.

“No,” said Shelly. “I’ve never let my husband or any boyfriend pamper my ass like you are pampering hers.”

Nicole followed in amusement, but the others were completely shocked.

“Would you like me to take care of it for you?” I said, feeling up Shelly’s ass. “I’d love that. You have a hot ass.”

“Can I take a look at your big cock first?” she said.

“Sure,” I said, popping my cock out of Denise’s ass.

Shelly knelt down and admired my cock at I pointed it at her.

“It’s so mouthwatering,” she said. “Can I suck it a little?”

“Mom!” he finally whined. “It was in her ass.”

“I know where it was, silly,” she said. “My daughter-in-law has a beautiful asshole.”

“Thanks, Shelly,” said Denise.

Shelly teased my engorged cock head with her tongue tip, making my cock jump and leak on her tongue.

“It tastes good,” she smiled.

“Thank you,” I said.

She gently took my cock head in her mouth and sucked it gently for a few seconds.

“I like that,” she said.

“My big cock seems to like you,” I said. “Do you want to do more with it?”

“Sure,” she said.

“Shelly, these whores belong to my big cock,” I said. “You can’t do more until you belong to it like they do.”

“I am very interested,” she said. “What do I need to do to belong to your big gorgeous cock?”

“You just need to declare it,” I said.

“I belong to your big cock, Nick,” she said. “Can I suck it now?”

“Mom!” he whined.

“Your mom’s a woman,” she said. “She has a horny little pussy, and she loves big hard cocks. Let her have fun.”

“Shelly, if you want to suck my big cock, beg me to let you suck it,” I said.

“Please let me suck your big cock,” she said.

“Go for it, Shelly,” I said.

She took my cock in her mouth and proceeded to suck it eagerly.

Erik did not like that.

“Honey, your mom deserves to be happy like the rest of us,” said Denise.

“She’s married,” he said.

“So am I,” she said.

“She’s my mom,” he said.

“I am your wife,” she said. “Why don’t you let the guy that made your wife happy make your mom happy?”

“This is cheating,” he said.

“If you can tell your dad about it without causing a disaster, go ahead,” she said.

Meanwhile, Shelly deep throated my cock hungrily.

“I can’t,” he said.

“Then, let her pursue her happiness in the way she knows best,” said Denise.

“Beth, make room for her,” I said. “Shelly, take off your clothes, and kneel next to your slut daughter-in-law.”

“Are you going to fuck me?” said Shelly cheerfully.

“In every hole you have,” I said.

“Thank you,” she said excitedly. “You are an amazing family friend.”

“You are an amazing slut,” I said as she took her clothes off at blurring speed, her son looking in disbelief.

“I love this,” she said as she assumed the position between Denise and Beth, who got back into position.

“Beg me to fuck your horny married pussy, Shelly,” I said.

“I am your whore now,” said Shelly. “You have to fuck me in every hole. You promised.”

“You beg meekly, and I fuck vigorously,” I said.

“Please fuck my married pussy, lover,” she begged. “Please use your big powerful cock on my cock-hungry holes.”

While I fucked her pussy, I lubed her asshole thoroughly. She came wildly.

“Beg me to fuck your slutty ass, bitch,” I said. “Let them all know how hungry for my big cock it is.”

“My horny ass is so hungry for your big cock,” she said. “Please fuck it royally with your big fat cock.”

“Erik, won’t you spread your mom’s hot ass for the big cock it belongs to like you did for your wife?” I said.

“I can’t,” said Erik. “She’s my mom.”

“You can, honey,” said Denise. “Get up, and do it.”

He reluctantly came over and spread his mom’s ass for me. I popped my cock in and proceeded to fuck it gently.

“If you do a good job, she may let you eat my come out of her pussy and ass,” I said.

“He has to be a very good boy for that,” she gasped.

“That’s incest,” he said.

“Incest’s when you do anything to her with lust,” I said. “I hope you won’t do that with lust but with love.”

His mom and wife had no problem coaxing him into eating my next two come loads out of his mom’s well-fucked ass and pussy. He made her come each time. He then watched her eagerly eat my come out of the other three happy asses, making them come in her mouth and sharing the come with them. He ate my last come load out of his wife’s ass, making her come. While I fucked his mom’s ass, she called her husband to tell him she was spending the night.

From that day on, I fucked my four sluts freely in any combination I wanted whenever I wanted, owing it all to Erik’s indiscretion and the dirty minds of his new slut wife and her and my girlfriend’s slut best friend.

The End

The Bachelorette’s Party

My ex-girlfriend was throwing a bachelorette's party for herself and she invited me along with her other former boyfriends and her fiancé. She orchestrated an orgy while her fiancé watched. In the middle of the party, she had another surprise for us! In the end, there was a priceless grand prize.
