

## Nightingale Classics 2013

Please read [disclaimer](#) and [summary](#) at the end of document

It was an ordinary Monday night. I had just finished a long session with my girlfriend, Lynn, and walked her home. She was sated, her insides gooey. I was reasonably satisfied myself. When I returned to my room, I found mom there. She was sitting on a chair, apparently waiting for me. It was not late yet.

“Hi, mom,” I said as I entered the room. “What’s up?”

“I want to talk to you for a few minutes,” she said as I sat on the side of my bed.

“Sure, mom,” I smiled. “You can always talk to me. I am all ears. Please go ahead.”

“You obviously know that you are in your sexual prime,” she said.

“Yes, I know that,” I said, wondering what she was after. “Am I being too obvious? Am I overdoing it?”

“No, you are fine, but do you know that women reach their sexual prime when they are around forty?” she said.

“Really?” I asked. “You mean teen girls are not in their sexual prime? You must be kidding.”

“I am serious,” she said.

“That’s strange,” I said.

“That’s why women in their forties are usually not satisfied sexually,” she continued. “They need young men.”

“Are you having problems with dad?” I asked with concern. “Is he neglecting you?”

“Not really,” she said. “It’s not that bad, but it could be better for all of us.”

“I am listening,” I said.

“Don’t you think it could be very hot for you to pair off with an older woman?” she said. “You could be satisfied better. She’s obviously more experienced than you or your girlfriend. She can teach you new things you may like.”

“I don’t know,” I said. That thought had crossed my mind a few times just out of curiosity especially after her friend gave me my first blowjob on my fifteenth birthday. “I don’t follow. Even if I thought so, what could I do?”

“Answer my question, and you’ll see,” she said.

“Pairing me with a sexy experienced woman in her sexual prime?” I said. “That could be very wild if she’s wild.”

“If she wants you because you have more sexual energy than her husband, she must be wild, but are you going to be wild too?” she said. “She might be a dirty girl. Would you be able to handle her, or would you be shocked?”

“I’d already be shocked that she’d be interested in me, but I might like it if she were a dirty girl,” I said.

Although I did not think about the details of what a mature slut would do with me, my cock was rock hard. Her friend apparently did what she did to make sure she got me first. I looked in my lap to make sure my boner was hidden.

“How would you like to try it?” she asked.

### A Nightingale Classic

### The Game

Was she serious? I still had no idea what she was really talking about. I decided to play along anyway.

“I naturally would love to try that, but how and with whom?” I said cautiously. “It’s an impossible fantasy.”

“Before we jump to that, let me make sure that you also recognize that I should also be able to pair off with a horny young man,” she said. “I am a woman in her sexual prime like the one you want to have unbridled sex with.”

“What?” I said in shock. “You want to have sex with someone besides dad?”

“Why not?” she said. “Don’t I have sexual needs just like you and like the woman you want to have sex with?”

“Would she be a married woman too?” I said.

“Of course, sweetie,” she said. “Divorced or single women would be busy dating adult guys.”

“What about dad and her husband?” I said. “They can’t be okay with that.”

“Your dad and her husband would be okay with it,” she said. “They’d love to pair off with sexy young things.”

“What?” I said in shock.

“They have needs too,” she said. “Their wives can’t be off having dirty sex the likes of which they’ve never had with their husbands while leaving their husbands lonely. They can also teach young girls new things about dirty sex.”

“Is this real?” I said. “Are you really going to do that, or is that a fantasy?”

“We need your cooperation,” she said. “You and Lynn will be involved in it.”

“You mean Lynn my girlfriend?” I said.

“Yes,” she said. “She’d also get to pair off with an older man, but you’d still have sex together just like before. You’d do your thing behind her back, and she’d do hers behind yours on a don’t-ask-don’t-tell basis.”

“Do you think she’d agree?” I asked.

“I have yet to meet anyone who’d say no to extra wild sex,” she said. “Don’t worry. Everybody loves sex.”

“Who’s going to be my partner?” I asked.

“You’ll know later,” she said. “Whoever she is, you have to do it as discreetly as possible. Try not to let your girlfriend and your partner’s spouse know you are seeing each other. Don’t flaunt it.”

“Wow!” I exclaimed. “It looks like a game.”

“It’s a serious game,” she said. “Do you want to play?”

“Yes, of course,” I said.

“Are you sure you don’t need more time to think about it?” she said. “Once it starts, it will be too late to go back.”

“If the woman’s hot, I don’t want to go back,” I said. “If a married woman can play the game, a single boy can.”

“Remember that like you might be having wild sex with one of your friends’ moms, your own mom might be having sex with a friend of yours,” she said. “Your girlfriend might be having sex with one of your friends’ dads.”

“I wouldn’t know about it though,” I said. “I’d only know about having wild sex with my mature woman.”

“That’s right,” she said. “You’ll receive the name of your partner by mail. Good luck.”

“By mail?” I said lowly as she got up and left.

She stopped when she reached the door and turned around.

“By the way, this game will involve oral, vaginal and anal sex,” she said. “Maybe you and your girlfriend want to practice. That’s what everyone else should do. The older guys and gals may be very horny and dirty. Get ready.”

“We all will have anal sex?” I said.

“I think so,” she said. “Some will have already tried that and want to enjoy it with their new partners, and some will want to try it with their new partners. The point of the club is to shed inhibitions and enjoy unbridled sex.”

“I see,” I said.

“The club also wants to expose young people to new experiences,” she said. “It can’t ignore anal sex especially since it’s one of the major sexual practices. Are you against anal sex for some reason?”

“No, I am not against it,” I said. “I actually agree that it makes great sense to expand young people’s horizons.”

## PLAYING THE GAME

Lynn and I had never tried anal sex before. I had fantasized about it a lot, but I was not sure how to approach her about it. I hoped she got the same instructions I got because tomorrow I would be after her hot tight ass. I hoped we both would have the extra courage we needed to put an end to her anal virginity and put her sweet little ass to good use. Her hot tight ass was too good to waste. I was nervous but so excited about it. My cock was constantly hard with hope.

Lynn was back in my room the next day. I made sure to fuck her in the doggy position. I spread her ass and looked at her sweet little asshole. It winked with every thrust. It made my cock get harder and throb inside her horny pussy. That mouthwatering puckered orifice was my next target. I wanted to get inside that cute little hole more than ever.

Later, after I fucked her in the missionary position, I rolled her onto her stomach. I spread her tight ass, and my cock twitched as I saw her appetizing asshole. I kissed her ass lightly. When she warmed up and started to moan, I teased her ass crack with the tip of my tongue. She gasped but did not resist at all. She actually seemed to like it.

“I like your ass, Lynn,” I said. “You have a gorgeous ass.”

"Is that why you are kissing it?" she giggled.

"I enjoy kissing beautiful things," I said. "Do you enjoy having me kiss it?"

"Sure," she giggled. "Kiss my ass."

"Your hot ass is worthy of getting kissed," I said. "I've always thought it's so pretty."

"So, kiss it," she said.

"I'll even spank it if you are a bad girl," I smiled.

"I'll be a good girl," she said. "I promise. I don't want to be spanked."

"I hoped you'd let me spank your sweet ass," I said.

"No way," she said. "You can kiss it, but you can't spank it."

"Suit yourself," I said.

She enjoyed it even more as I kissed and licked her ass crack. She was just a little apprehensive when she felt my tongue tease her asshole for the first time. A minute later, she relaxed and started to enjoy the new stimulation.

"You are licking my asshole," she moaned. "I like that, but isn't it dirty?"

"It doesn't look dirty to me," I said. "If I thought your cute little asshole was dirty, I'd be spanking your tight ass."

"I didn't ask you to lick it, but don't stop," she said.

"It's delicious," I said. "I have to lick it. If you knew how delicious it is, you'd try to lick it with me."

My cock got exceptionally hard when I felt her asshole relax under my tongue. She just moaned softly and pushed her ass up as I pushed my tongue into her puckered hole. Her asshole opened up just a bit. I slid two fingers into her dripping pussy and twisted them, getting them soaked in her copious juices. My tongue continued to probe her asshole.

"I like that," she moaned. "I didn't know my asshole was so sensitive."

"I've always wanted to do this, but I was afraid you wouldn't let me," I said. "I thought you'd prefer spanking."

"Only a moron wouldn't let her boyfriend do something she likes," she moaned. "This feels so good."

Her asshole was soaked with my drool. I took a slick finger out of her leaky pussy and gently pushed it into her hot ass as I pushed another finger into her pussy. She groaned quietly as her asshole opened slowly and my fingertip popped in. Her asshole squeezed around my finger. I swirled my finger gently and felt her asshole relax again. I finger fucked her asshole very gently, pushing my finger deeper and deeper. Her pussy milked my fingers and leaked around them as I finger fucked her virgin asshole slowly. She moaned, humping my fingers.

"You like this, you hot slut?" I teased.

"Yes," she hissed. "I must be a dirty girl. I like what you are doing to my little asshole."

"You are lucky that you have a dirty boyfriend who enjoys toying with your dirty little asshole," I said.

"Yes," she hissed. "You are so dirty, but I like that."

"You are a dirty slut," I teased.

"Yes," she hissed.

While drooling on her asshole, I moved my middle finger to her asshole and slid my little finger into her pussy. I gently squeezed my new finger into her asshole. I had two finger in each of her holes. Both holes milked my fingers. I used the same way I used before to loosen up her asshole. She was soon humping back as I finger fucked both her fuck holes easily, twisting my fingers within both her holes as much as I could.

She humped my fingers rhythmically as I slowly added lube to her asshole and my fingers. A few minutes later, I managed to squeeze a third finger into her tight asshole. It was not easy. She groaned as I corkscrewed my fingers deeper and deeper up her ass. I finger fucked her gently until her asshole relaxed and she was able to take my three fingers in it easily. I added more lube to her asshole and removed my little finger from her soaked pussy. I finger fucked her asshole, twisting my fingers more freely. My cock was rock hard and throbbing. I coated it thoroughly with lube as I helped her rise onto her hands and knees.

"Do you know what I am going to do?" I said, finger fucking her ass smoothly.

"Yes," she hissed, her asshole twitching. "You want to fuck me in the ass."

"Do you want me to?" I said.

"Yes," she hissed.

"You are a very dirty slut today, aren't you?" I teased.

“Yes,” she hissed.

“If you are lucky, you are going to get fucked like one,” I said.

“I hope I am lucky,” she moaned. “You are dirtier than ever today. That’s a sign of good luck.”

“Beg me to fuck your slutty ass, bitch,” I said.

“Please fuck my virgin asshole, dirty boy,” she moaned.

Our hearts beat so loudly as I touched my cock head to her glistening asshole, which clenched defensively. Despite all the lube on her asshole and my cock head, it was not easy to pop my cock head past her sphincter. Her asshole dilated very slowly. I pushed gently but firmly. When my cock head finally made it through, she gasped and I sighed.

“How does it feel, Lynn?” I said, pausing.

“Your cock feels so big, but it doesn’t hurt,” she said.

“You still want to get fucked like a dirty slut?” I said.

“Oh, yes,” she hissed. “Just be slow and gentle.”

“Of course,” I said. “I don’t want to hurt my dirty slut’s little asshole so she’d let me fuck it often.”

“You are selfish,” she giggled.

“Who said that?” I said. “Aren’t you enjoying yourself? Your pussy’s leaking.”

“Okay,” she said. “Sorry.”

“Your asshole’s so hot and tight I can’t believe it,” I said. “Your gorgeous ass looks amazing too.”

“Fuck it, Nick,” she moaned. “I want your big cock balls deep up my ass.”

“I want that too, but we need to take our time,” I said, thrusting gently in her ass.

“Yes,” she hissed.

Her asshole loosened up gradually. It twitched a few times. I held her hips and advanced carefully and patiently into her virgin ass. She breathed audibly and pushed back as her tightly stretched asshole sucked my cock slowly in.

“This is the most intense feeling I’ve ever experienced,” she moaned.

“No kidding,” I said. “Your ass is so hot and tight. It’s amazing. This is the best feeling in the world.”

“I can’t believe we never thought about this,” she moaned.

“I thought about it all the time, but I didn’t think you’d like it,” I said. “I didn’t know you were such a dirty girl.”

“So, it’s your fault,” she said. “You thought about it and never let me know. If I didn’t want it, I’d say no.”

“I was silly,” I said. “I regret it, but let’s not dwell on it. We are going to catch up now.”

Her asshole swallowed all of my cock but an inch and did not accept any more.

“I am most of the way in,” I said. “Are you sure you want it all in?”

“Yes,” she hissed. “Don’t hold back anything. Shove it all in. I want your big cock balls deep up my horny ass.”

“You got it, you greedy slut,” I said, pulling back a little. “Brace yourself.”

“I am ready,” she moaned. “What’s the point of having a big cock if I can’t have it all? Give me that big cock.”

“Here it comes, you hot bitch,” I said. “I am going to impale your cock-hungry ass fully.”

Holding her hips tightly, I took a deep breath and lunged forward. That thrust drove the last inch into her ass, making her grunt loudly. I was balls deep up her heavenly ass.

“Your cock is so big in my ass,” she gasped. “I am so full of your amazing cock.”

“Your ass is incredible,” I said. “It’s sizzling hot and so tight. I love it. I never want to pull out.”

“I love this too,” she said. “It feels so good I am forgiving you for not fucking my slutty ass long ago.”

“Thank you for being so kind,” I teased.

Her virgin ass squeezed my entire cock exquisitely. We paused a little to enjoy the feeling. I cupped her tits and squeezed them gently. She shivered, and her asshole twitched. I bent over and kissed the back of her neck lightly.

“You are so sexy,” I whispered. “You are a very hot slut. I am so lucky you let me fuck your luscious ass.”

“Yes,” she hissed, shivering. “I love this.”

“You love being my dirty slut?” I whispered.

“Yes,” she hissed, squeezing my cock with her ass even more tightly.

“Is your hot ass ready to get fucked with your boyfriend’s big cock?” I said.

“Yes,” she hissed, thrusting into me.

“I am not going to get enough of your hot ass,” I said as I got up and held her hips tightly.

“Fuck it all you want,” she moaned.

We started to fuck very gently. The tight ring of her asshole followed my cock, hollowing in and bulging out. I added lube to it and to my cock. Gradually our strokes got longer and smoother. Within a few minutes, we were having a nice deep fuck. Her asshole milked my cock instinctively. That was exquisite.

“I love fucking your hot ass,” I said.

“I love that too,” she moaned. “I must have a horny ass.”

“You do,” I said. “From now on, I’ll be giving it all the cock it can handle and then some.”

“You better do that after you introduced it to this perverse act,” she moaned.

“Had I known that, I’d have introduced your hot ass to my big cock the first day we met,” I said.

“That’s okay,” she said. “We were young and stupid.”

“We are still young but less stupid,” I smiled.

“Yes,” she giggled.

“We are dirtier though,” I said.

“Yes,” she hissed. “I am so dirty.”

“Enjoy my big cock in your slutty ass, you dirty slut,” I said.

“Yes,” she hissed.

After a few minutes of rhythmic fucking, she started to gasp.

“I am going to come, Nick,” she gasped. “I think I am going to explode in orgasm.”

“Come on my big cock, you hot slut,” I said, fucking her ass harder. “Come as hard as you can.”

Seconds later, she stiffened and came. She convulsed wildly, and my cock lost control. It twitched in its own orgasm as her hot asshole fluttered around my shaft uncontrollably. Her asshole milked wildly as if to suck my come out of my balls. My come burst in powerful jets into her sucking rectum as I shoved my cock deep up her sizzling ass.

“I am coming,” I announced. “I am coming deep in your hot ass.”

“I am coming my ass off,” she gasped.

That was an intense and wonderful orgasm. We writhed for a while, thrusting into each other. When our orgasms subsided, we collapsed flat on the bed, panting for air. My cock was still up her ass. She milked it deliberately.

“That was incredible,” she gasped.

“Yes,” I said. “We came together.”

“You apparently love my horny ass,” she gasped.

“I love it so much,” I said. “I think that was my biggest orgasm ever.”

“It definitely was my biggest and most intense ever,” she gasped. “I am definitely an ass slut.”

“You are a dirty ass whore,” I teased. “You love having me fuck your slutty ass with my big cock.”

“Yes,” she hissed, thrusting her ass into me. “I love being so dirty.”

“Don’t let anybody else know how dirty you are,” I said.

“Anybody like who?” she said.

“Don’t brag to your innocent girlfriends that your horny boyfriend fucked you in the ass with his big fat cock and made you come so hard you almost passed out,” I said.

“It was actually so intense I almost passed out,” she said. “Of course I am not telling my silly friends about this. They’d think I was a whore.”

“You only want your boyfriend to think you are a whore,” I teased.

“Yes,” she giggled. “They’d be all over my horny boyfriend too. I don’t want to share you with a bunch of whores.”

“Your boyfriend loves his girlfriend to be a little whore for him,” I said.

“Is that right?” she smiled.

“Yes,” I said.

“Is he ready to fuck his little whore’s horny ass again?” she said, squeezing my cock tightly.

“What do you think?” I said, rising on my arms.

By that time, my cock was rock hard. I collected my strength and thrust in her come-filled ass. She moaned and fucked back. We fucked more and more energetically. We rose on our knees, and I fucked her ass from behind. She had two hard orgasms before I lost control again and drained my balls in her bowels.

“This must be the hottest thing in the world,” she gasped as I gently thrust my softening cock in her ass.

“If you mean this, you are right,” I said, squeezing her ass.

“I mean this,” she said, squeezing my cock with her asshole.

“Maybe they are both very hot,” I said.

“I only know that I have a horny ass and you have an incredible cock,” she gasped.

“I know that I have an insatiable cock and you have an amazing ass,” I said.

“As long as we are both happy, this is wonderful,” she said.

“I am very happy,” I said.

“So am I,” she said.

After my balls were completely drained, I popped my cock out of her ass, and her asshole snapped shut. She did not hesitate to spin around and suck my glistening cock clean and hard again.

“Let’s give your freshly deflowered ass a break,” I said as I pushed my cock into her pussy.

“Yes,” she hissed. “My pussy’s soaked. It can use some serious drilling.”

In the end, I came in her mouth, and she swallowed it all.

“This was my hottest night ever,” she said when we came out of the shower.

“That goes for me too thanks to your luscious ass,” I said.

“Thank you for fucking my horny ass,” she smiled.

“Don’t be silly,” I said, slapping her ass. “I loved it. I’d fuck your hot ass all night but I have to send you home.”

She soon went home very well fucked and her ass full of the two come loads I had pumped deep inside it.

Two days later, I received a letter that looked like sweepstake junk mail. I would normally throw those in the trash without giving them a second look, but that day I opened it:

Dear Member,

Welcome to the Discreet Cheating Club. Please find enclosed the name of your partner and the terms and conditions of the club membership. Please call your partner between 8:00am Monday Dec 20<sup>th</sup> and 5:00pm Friday Dec 24<sup>th</sup>, citing your partner’s code. Your membership code is FMMPA00015A. Your partner’s code is FMMPA00015B. By contacting your partner, you agree to the terms and conditions enclosed.

Happy sneaking!

Enclosed was a little piece of paper with the name Doris Flint written on it. My partner was my girlfriend’s mom. She had given me a few boners in the past. I thought it was about time I used them on her. My cock sported an instant boner to show assent. Let the game begin.

The enclosed terms and conditions described in detail the nature of the relationship between cheating partners. They emphasized that the relationship would be strictly confidential and nonjudgmental. Partners should feel completely free to express their deepest and darkest desires to each other and should only be met by complete support and consideration. Members were encouraged to overcome their inhibitions and were expected to help their partners overcome theirs. When partners were together, anything and everything sexual would be fair game if they agreed to it consensually. Members were encouraged to fully utilize that clause.

The terms and conditions proceeded to state that partners were expected to satisfy each other orally, vaginally and anally, including internal ejaculation. Respect of privacy was paramount. If any member were caught spying, their sexual rights and privileges with both partners would be revoked for a month. Furthermore, if cheating partners were caught due to negligence, their sexual rights and privileges would be revoked for a month. Their privacy rights would be revoked for another month, during which their partners would have the right to spy on them and subject them to new terms of penalty if caught. Cheating outside the limits of the rules would have the member in question expelled.

Needless to say, Lynn and I fucked like animals every day. I fucked her ass so hard I felt sorry for her, but she loved it, came her ass off and begged for more. The little slut fucked and came like a dirty whore. We started to spend most of our time getting her ass fucked. I naturally fantasized about her mom several times. She probably fantasized about someone else too. We both were hornier than ever. I did not fuck her on Sunday to save myself for Monday. By then, she could take it in the ass like the best of them, and she loved it more than most. I was also able to last in her hot ass and fuck it for a long time. We were ready for anything. My cock was hard most of the time to the extent that it became a little tricky to hide it around the house and elsewhere.

On Sunday, it was tough to keep my hands off my perpetual boner as I could not help thinking about Doris and what I would do to her on Monday. I could not wait for Monday morning to come. At five minutes past eight, I called her. I was shaking when I heard her voice on the other end of the phone.

“Hello,” she answered.

“Hi,” I said, shaking. “I am calling about Code FMMPA00015B.”

“You must be Code MFMPA00015A,” she said.

“Yes,” I said in relief.

“How about it if I picked you up in front of Albertson’s at five?” she said.

“Perfect,” I said.

It was a little inconvenient to have to fuck on a Monday night, but it was a cheating club. People could not easily go out stealthily on a Saturday night or Friday night and cheat.

When the time was near, I took a shower, shaved and put on extra cologne. I walked down the street and waited before the supermarket. I must have looked at my watch a hundred times in five minutes.

Finally, Doris arrived in her luxury car. She waved to me and proceeded to park the car. I followed her. She motioned me to the passenger door. As I got in the car, I noticed that her black dress was so short her pale thighs were completely exposed. They contrasted beautifully with the dress.

“Hi, Mrs. Flint,” I smiled nervously.

“You know why we are meeting here, don’t you?” she said.

“Yes, ma’am,” I said.

“Then, call me Doris,” she smiled.

When she leaned toward me, I glanced at her generous and exposed cleavage. Her tits were noticeably bigger than her daughter’s. My cock twitched. She pecked me on the lips. That peck gave my boner another twitch.

“Of course, Doris,” I said. “You are so sexy.”

“Are you sure?” she teased.

“Yes,” I said. “I’ve known you for a long time, but you look incredible today.”

“Is that why you are hard?” she said.

That made me blush deeply.

“Don’t be shy,” she smiled. “I am wet too. It’s a compliment to me that you are hard, so I have to believe you.”

Her forwardness shocked me although we were there for sex.

“Oh!” I said.

“I love sex so much, and I am not too shy to admit it,” she said. “Don’t you?”

“Yes,” I said.

She returned to my mouth. This time, her lips stayed. Our lips parted and our tongues went after each other. Meanwhile, her left hand cupped my bulge and started to rub my crotch. My hard cock jumped in her hand.

“You are so hard,” she smiled, stroking my cock through my pants. “This is the hardest cock I’ve ever touched.”

I blushed again.

“You are so cute,” she teased. “I love hard cocks. Yours is harder than rock, so don’t be shy.”

“Okay,” I said shyly.

“You are not the only one,” she whispered in my ear. “My pussy’s dripping. It’s never been this wet. It’s so hungry for your big hard cock. Why don’t you feel it up a little and make sure that I am not bluffing?”

My cock twitched.

She left my cock and guided my hand to her crotch, parting her legs. When I cupped her crotch, I could feel the heat and moisture of her pussy. She smiled at me. I gave her juicy pussy a gentle squeeze, making her gasp.

“What do you think?” she smiled. “Am I bluffing or am I really hungry for your big cock?”

“You are not bluffing,” I said. “You are a very hot lady, Doris.”

“Can you drive?” she said. “That would free up my hands to play with your hard cock. I may even suck it.”

“Whatever you want,” I said, my cock twitching.

“Whatever you want too,” she said. “We are here for each other. Do you want me to play with your big cock?”

“Yes,” I said.

She scooted across the seat and sat in my lap. She ground her ass into my hard bulge a few times.

“You are a horny woman,” I said as I wrapped my arms around her and ground my boner into her ass.

“I am glad you have noticed,” she said.

“I am going to love this,” I said, squeezing her tits gently.

“This or these?” she giggled.

“These and this,” I said. “You are so hot, all of you.”

She scooted off me as I scooted to the left, vacating the driver seat.

“You like my big tits?” she said.

“I like everything about you,” I said. “I love your gorgeous tits and hot ass.”

“I love your big cock too,” she said. “Are you looking forward to using it on me?”

“Yes,” I said. “I’ve been dreaming about that.”

“Me too,” she said. “Why don’t you drive so we can go where you can do that?”

The car was still running. By the time I backed out of the parking spot, she had my cock out and she was stroking it slowly with her left hand.

“It’s so big and hard,” she moaned, milking my cock. “You have no idea how much I am going to love this.”

“You are an amazing woman, Doris,” I said.

“I hope you can drive with one hand,” she said as we drove out of the parking lot. “My little pussy’s so hungry for your big cock. It can use a little fingering.”

“You are acting like a dirty girl,” I teased as I slipped my hand down her panties and started to finger her pussy.

“You like dirty girls?” she teased.

“I love them when they are this hot,” I said.

“Enjoy,” she moaned. “This dirty girl loves your big cock.”

Her pussy was hairless and soaking wet. She started to moan and gasp, but continued to stroke my cock.

“If you make me come I’ll suck your cock while you drive,” she said. “Can you do that to a cock-hungry slut?”

“Why not,” I said as I spread her juices over her clit, making her gasp and squirm.

“Where are we going?” I asked as I resumed finger fucking her pussy.

“I’ll give you directions,” she said. “Just keep your eyes on the road and your fingers in the broad.”

In a minute, she stiffened and came on my fingers, gushing her juices in my hand. I removed my fingers from her dripping pussy and licked them one by one.

“You are delicious,” I said. “I want to eat your pussy.”

“You have to but not while you drive,” she smiled. “That would be a little risky.”

“It wouldn’t be very enjoyable either,” I said.

“Are you happy that I am your slut this evening?” she said.

“I am very happy,” I said. “You are a very hot woman.”

“I am lucky I got you too,” she said.

She panted for a couple of minutes as she recovered.

When she caught her breath, she bent over my cock and started sucking. She was gentle at first.

“Don’t make me lose control on the road,” I warned.

“Don’t worry,” she said. “You are totally under control.”

She sucked my cock deeply, rising up occasionally just to check whether I needed to take a turn. Finally, we arrived at a suite hotel. She tucked my cock in and zipped me up.

“Drop me off at the entrance,” she said. “Let me take my suitcase from the trunk before you park.”

When we reached the entrance, I dropped her off.

“Keep this phone with you,” she said, handing me her cell phone. “Wait until I call you from the room.”

She took her suitcase and went in. I parked the car and waited for a minute or two until she called.

“Hi, Nick,” she said sexily. “I am in room 269, waiting for you. Your slut’s so horny. Don’t take long.”

“I’ll be there in a second,” I said as I rushed inside, hiding my big boner. “Don’t let anybody pick you up.”

“Don’t worry,” she said. “I am inside the suite. Don’t let anyone see the big boner you have for me.”

“I’ll try,” I said.

The room door was propped open. I entered and closed it. She was lying on the sofa. Her dress was gone. She was only in her black shelf bra and matching thong. Her hand was inside her panties, toying with her pussy.

“You are a bad girl, Doris,” I said. “A good slut doesn’t play with her horny pussy when she’s with her man.”

She sucked her sticky fingers and licked her lips as she looked at me.

“You’ve even sucked your fingers instead of letting me suck them,” I said.

“I am a very horny slut,” she said as she slowly went down to the floor. “I’ll make it up to you though.”

She crawled on the carpet until she met me halfway.

“I am still hungry for your big juicy cock,” she said as she reached for my fly. “May I please suck it?”

“Of course, but you have to let me eat your horny pussy,” I said.

“Absolutely,” she said. “I didn’t bring you here to hide my leaky little pussy from you.”

Seconds later, her sensual lips were sliding back and forth over my hard cock, sucking and licking.

“Do you like this?” she teased, looking up at me.

She teased my cock head with her tongue tip while she awaited my answer.

“You are so good,” I said as I held her head and thrust into her eager mouth. “You are so hot. Suck my big cock.”

She moaned as she took my cock in her hot mouth.

Her mouth took my cock balls deep repeatedly, milking my shaft lovingly. That reminded me of my first blowjob.

“I love your mouthwatering cock,” she said, rubbing my sticky cock all over her face. “It’s so big and beautiful.”

“You have an incredible cock-hungry mouth, Doris,” I said. “My big cock loves it.”

She took my cock back in her mouth and resumed sucking it.

“Why don’t you sit back on the couch and let me fuck your hot mouth for you?” I offered.

“I can do that,” she smiled. “I am going to have a wonderful time this evening.”

“Me too,” I said.

She got up and sat back on the couch. I climbed onto the couch and shoved my cock in her face. She opened her mouth, and I fucked her mouth gently, working my cock all the way in with every thrust. I held the back of her head and massaged her throat with every thrust, feeling her mouth milk my entire cock.

“I love this,” I said. “I can fuck your hot throat for hours.”

She moaned whenever my cock was not plugging her throat.

“Play with your horny pussy, you hot slut,” I said as I continued to fuck her throat. “I know you enjoy that.”

As she fingered her pussy, I held her head in both hands and worked it briskly back and forth over my cock for a few minutes. I then removed my cock from her mouth and slapped her face with it.

“You are a horny kid,” she smiled as I got off the couch and reached for her crotch. “I love that.”

She removed her sticky fingers from her pussy and brought them to my mouth as I pulled her panty crotch aside, exposing her juicy pussy. I sucked her fingers while I fingered her leaky pussy, making her moan and roll her hips.

“Do you want me to fuck you, slut?” I said.

“Yes, lover,” she hissed. “Please fuck my horny pussy with your big cock.”

“Your pussy’s so tight,” I said. “If I fuck it, I’ll loosen it up. Your husband may not recognize it.”

“That’s what it’s there for,” she moaned. “Don’t worry about him. My pussy’s all yours. Use it any way you want.”

“Hold your panties out of the way,” I said, taking my fingers out of her pussy. “I am going to fuck your hot pussy.”

“I want you to fuck me, but didn’t you say you’d eat my pussy first?” she said as she pulled her panty crotch aside in a little disappointment that she lost when I touched my cock head to her dripping pussy.

“I am going to eat your pussy after I make it come all over my big cock,” I said as I pressed my cock head into her pussy. “I want to loosen it up so I can stick my tongue deep inside it. Do you want to come over my big cock now?”

“Oh, yes,” she hissed. “I like your plan.”

“Pull your legs back and enjoy, you hot slut,” I said.

She held her legs back. I pushed my cock head in, making her groan. I then shoved my cock in her pussy, driving it in her up to the hilt in one swift thrust that made her grunt. Her pussy clamped at my cock as I withdrew slowly out. When I was almost all the way out, I thrust hard into her, making her grunt again.

“You are so wet and tight,” I said as I pulled my cock out very slowly. “I am going to ream you out.”

“My pussy’s so hungry for your big cock,” she moaned as I slapped her pussy with my cock a few times

She squirmed as I rubbed my glistening cock head all over her pussy lips and clit, spreading her copious juices all over. I centered my cock head at her hole and slid my cock all the way in, making her gasp. Her pussy milked my cock hungrily as I sawed it in and out.

“I love this,” she moaned.

“You have an incredibly tight pussy,” I said. “I love fucking it.”

“Fuck it, Nick,” she gasped. “Fuck it hard. Make it loose.”

“I will, Doris,” I assured as I held her ankles. “You are here to get fucked royally, and you will.”

“Yes,” she hissed. “That’s what I am here for.”

While I pinned her like that, I fucked her pussy at an accelerating pace.

“Yes, yes,” she gasped. “Fuck me hard with your big cock. Show my horny pussy how it should be fucked.”

She shook and gasped on her way to orgasm. Within two minutes, she stiffened.

“I am coming on your big cock,” she gasped. “My horny pussy’s so happy.”

She convulsed wildly, and I drilled her gushing pussy until her orgasm subsided. I fucked her gently while she gasped, trying to catch her breath.

“You have a great pussy, Doris,” I said. “It should be fucked all the time.”

“You have a wonderful cock, lover,” she gasped. “There always should be a slut around to take care of it.”

After a minute of thrusting in her pussy gently, I pulled out and knelt before her offered pussy and ass. My cock was dripping, and her pussy and asshole were drenched. I pulled her panties up to her knees.

“You are soaked,” I said as I pulled her cheeks apart. “Your pussy and asshole are saturated with your hot juices.”

“My pussy loved your big cock so much,” she said.

“I am going to fuck it silly,” I said.

“Yes,” she hissed as I bent over and teased her asshole with my tongue tip.

She moaned as I pressed my tongue to her asshole. I licked it gently, and she moaned and squirmed.

“You are a horny boy,” she moaned. “Nobody has ever licked my little asshole.”

“Either they’ve been blind, or you’ve hidden your luscious asshole well,” I said.

“You like my little asshole?” she said.

“I have to,” I said. “It’s very beautiful.”

She moaned as I moved my tongue up to her pussy and probed her juicy folds. She moaned and squirmed. I thoroughly sucked her juices off her lips and out of her pussy hole. I then sucked her clit gently. While toying with her clit with my tongue tip, I pushed two fingers into her pussy. I twisted and wiggled my fingers within her while I teased and tongue lashed her clit. Her juices flowed around my fingers.

She gasped as I sucked her clit hard while vigorously wiggling my fingers inside her twitching pussy. Within a mere minute, she stiffened and convulsed in orgasm, her pussy gushing all over my fingers.

"I love coming for you," she gasped.

"You do, you slut," I said as I removed my mouth from her clit and stood up.

She continued to shake as I wiggled my fingers within her fluttering pussy vigorously. When her orgasm started to subside, I yanked my fingers from her pussy and shoved my cock in. She grunted and came again.

"I am coming again so fast," she gasped as I held her ankles and pounded her gushing pussy vigorously.

"You love my big cock, you hot slut," I said, fucking her pussy hard.

"Yes," she gasped. "You really know how to use that big cock."

She convulsed wildly until her orgasm subsided. I held my cock deep inside her as she panted to catch her breath.

"Are you having a good time?" I smiled.

"Like you don't know," she gasped.

She suddenly pushed me away and jumped to her feet. She kicked her panties off and continued to push me back until I fell on the bed. She jumped onto the bed and mounted me in the sixty-nine position. She swallowed my dripping cock and sucked it hungrily. I pulled her ass to me and started to lap her copious juices. Meanwhile, the horny hussy doubled her efforts at sucking my aching cock and there was no stopping the inevitable.

"I am going to come," I grunted. "I am about to flood your hot mouth with come."

She only growled like a wild animal and sucked my cock harder. I stiffened and, seconds later, my come burst into her mouth. It felt so powerful that I was afraid it would hurt the back of her throat.

"I am coming in your mouth, Doris," I announced. "I am filling your hot mouth with come."

She swallowed eagerly as if her life depended on it. She continued to suck until I was completely drained. She then went to licking and teasing my balls.

"Not only do you have a gorgeous cock that can last, but you also shoot big loads of the most delicious come I've ever tasted," she said. "Your big cock's a national asset."

"You are a very hot slut," I said, fondling her ass. "I am so lucky to be here with you."

"I am as lucky, Nick," she moaned. "Despite being so young, you are an amazing lover with a wonderful cock."

"It has never been this happy," I said. "My big cock likes you so much."

"Enjoy, lover," she said as I went back to eating her crotch. "This is what I was made for."

She sucked my hardening cock happily while I divided my attention equally among her clit, pussy hole and asshole. She moaned and squirmed, her juices constantly leaking into my mouth. That helped get me hard faster. She soon deep throated my cock hungrily. I thrust in her eager throat while devouring her orifices. She soon came in my mouth.

"I want your big cock back in my horny little pussy," she gasped as she reluctantly let go of my cock.

She smiled at me as she pivoted and mounted my hips. Her smile got wider as she lowered her pussy onto my hard cock very slowly. She squeezed the base of my cock when she had me all the way in. She put her hands on either side of my shoulders and lowered her mouth to mine. She ground her pussy into the base of my cock, and I kneaded her ass while we kissed deeply. I thrust in her pussy, and she moaned into my mouth.

"Do you like fucking me?" she smiled as she broke the kiss. "Do you like fucking your hot married slut?"

"I love it," I said. "You are a hotter slut than I've ever imagined."

"Had I known you were this good, I'd have been your first," she moaned, bouncing on me.

"Me too," I said. "Being my last is as good though."

"Forget about the past," she said. "No time's like the present. Let's make the best of it."

"That's what we should do," I said.

She picked up the pace, and I raised my head and captured one of her stiff sweet nipples between my lips. I sucked her nipple and then the other as I continued to knead her ass. I laid my head back and watched her tits sway and bounce as she rode my cock energetically. She smiled at me naughtily as she put the index and middle fingers of her left hand in her mouth and sucked them lewdly. She then removed her slick fingers from her mouth and reached behind herself. She gasped as she apparently popped her fingers up her ass. She gasped and moaned as she worked her fingers in and out of her tight asshole. Her pussy twitched and tightened around my cock despite getting wetter.

"I am so slutty," she moaned. "My asshole's horny too."

"You are a dirty slut, Doris," I said. "You must be the hottest wife in town."

"You think so?" she teased.

"Yes," I smiled. "It isn't easy for a seasoned whore to be sluttier than you."

She looked me in the eye and moaned as she popped her fingers out of her ass. She brought her fingers to her mouth and sucked them sexily. She then put her fingers in my mouth, and I sucked them. She twisted her fingers and tickled my tongue as I sucked her fingers. She removed her fingers from my mouth and guided my right hand to her mouth. I worked two fingers into her mouth and played with her tongue just like she had done with me a minute earlier. She looked at me as lewdly as she would if she was sucking my cock. She removed my hand from her mouth gently and guided my hand to her ass.

"Do you want to play with my horny little asshole?" she teased.

"Yes," I said, feeling my cock twitch inside her pussy.

"You sure do," she smiled.

"You are a slut," I teased.

"I know," she smiled. "You seem to like that."

She licked her lips as she led my slick fingers to the opening of her ass. She looked at me lewdly and put her hands on either side of me, leaving my hand behind her.

"You are so dirty," I said as I gently popped one and then both slick fingers into her ass, making her gasp.

"As long as you like that, I love it," she said.

"I love it," I said.

"Enjoy, baby," she said. "Your slut's here with you so you can enjoy her fully. Use me for what I was made for."

"You are tight," I said as I slowly worked my fingers deeper into her ass.

"Ream me out," she whispered, smiling. "I'd like that. Wouldn't you?"

"Yes," I said. "You have a sizzling ass."

"You like to play with tight assholes, you dirty fucker?" she teased as I corkscrewed my fingers into her ass.

"Yes," I said as I finger fucked her ass gently. "I've always wanted to fuck a married woman."

"In the ass?" she said.

"Yes, in the ass and in every hole," I said.

"Why didn't you say?" she said. "There are many married women who'd love to try your wonderful cock."

"How would I know?" I said.

"You should have asked," she said.

"I got you without asking," I said.

"You didn't have to wait this long," she said. "You could have been swimming in married pussy for a long time."

Her pussy twitched as I loosened up her sphincter. I soon finger fucked her ass in our main rhythm.

"I like how you play with my asshole," she moaned. "I should let you play with it often."

"I'd love that," I said. "You have a responsive asshole."

"Make me come," she whispered as she stepped up the rhythm. "Make your married slut come in both holes."

She picked up the pace, and I matched her pace with my cock and fingers.

"Come for me, you hot slut," I urged. "Show me how hungry for my big cock you are."

Our pace accelerated, and she came within a minute. She twisted and thrashed on top of me, both her holes twitching wildly. I steadied her with my free hand while I thrust in her hard.

"I am coming so hard, lover," she gasped. "I am coming hard on your big cock and wicked fingers."

Her orgasm subsided, and she collapsed on top of me. She showered me with kisses while gasping for air.

"You are good," she gasped. "That was the best orgasm I had in years."

"I loved making you come so hard," I said. "You look so beautiful when you come."

"In that case, make me come often," she smiled.

“You like coming on my big cock?” I teased.

“I like coming for you on your big cock or anything else,” she said.

We kissed, and I moved my fingers within her ass.

“When I was a teenager, I didn’t meet boys who could fuck like you,” she said.

“You might have associated with nice boys,” I said. “I am a very horny boy.”

“No, I tried bad boys too,” she said. “They couldn’t fuck like you either. You are very impressive.”

“I am a good boy,” I teased. “Of course I can fuck better than bad boys.”

“You sure are, and you sure can,” she smiled.

She removed my fingers from her ass and sucked them thoroughly. She reached between us and removed my dripping cock from her pussy.

“I can’t wait to find out how your big wonderful cock would feel deep in my horny ass,” she said as she rubbed my cock head over her asshole. “Do you want to fuck your dirty married slut in the ass and ream out her little asshole?”

“Yes, I want that so bad,” I said. “My dirty married slut has a luscious ass.”

My cock twitched as she pressed my cock head into her asshole.

“If you do a good job, your married slut will let you fuck her horny ass whenever you want,” she said, making my cock twitch in her hand. “Do you want my horny little asshole to be all yours whenever you want it?”

“Yes,” I said.

“Yes,” she hissed as my cock head popped into her ass. “It’s time you fucked my slutty ass with its biggest cock.”

“Your little asshole isn’t used to big cocks?” I said.

“None of my holes is used to big cocks,” she moaned. “That’s why you are loosening up all my holes.”

“That means your tight holes need serious reaming,” I said.

“They do, lover,” she moaned. “That’s why I am here.”

“Your holes will get all the reaming they need, you hot slut,” I said. “We won’t leave this room until they do.”

“If you do that, I’ll always be yours,” she said. “Horny sluts like me love the guys who fuck them well.”

“I’ll fuck you royally,” I said.

“Let’s now get my horny ass stuffed with your big cock like it has never been stuffed before,” she said.

She worked her ass down my cock in short, gentle thrusts, engulfing my cock little by little in her tight warmth. I spread her ass for her. Finally, my cock was balls deep up her sizzling ass. She milked my cock, squeezing her asshole tightly around it a few times, before she rocked gently, working her asshole in short strokes up and down my throbbing cock. Her asshole milked my cock as it shuttled up and down my shaft in longer and longer strokes.

“I am fucking your luscious ass, Doris, you hot married slut,” I said. “I must be the luckiest man in the world.”

“Is this the first time you fucked a married slut in the ass?” she said.

“Yes,” I said. “It’s wonderful.”

“That makes me the luckiest married slut in the world,” she moaned. “You have a perfect cock for ass fucking.”

“You have a perfect ass for fucking,” I said.

“Enjoy it, lover,” she moaned.

She put her hands on either side of my shoulders and smiled at me as she worked her ass up and down the entire length of my hard cock, milking continuously. Her ripe tits swayed as every slow stroke took her asshole one way or the other along the entire shaft of my cock. I reached for her tits and started to knead them and tease her erect nipples. She moaned, enjoying the sensations. I gently thrust in her ass to meet her strokes.

“This is wonderful,” I said as her ass fucked my hardest cock ever.

“Oh, yes,” she moaned as she lowered her mouth to mine. “My asshole loves your amazing cock.”

We kissed deeply and lewdly as I continued to fondle her tits. She moaned into my mouth with every thrust. Her ass milked my cock exquisitely as we fucked in a nice, slow rhythm.

“Now my ass is nice and ready,” she moaned as she broke the kiss. “Grab it, and fuck it hard, lover. I won’t continue to fuck it for you. Fuck it, and let me enjoy the ride.”

“Yes, ma’am, you dirty slut,” I said as I took her ass in my hands. “I’d love to fuck your hot ass open.”

“Fuck it open, baby,” she said. “It’s so tight and horny. It needs your big cock so bad.”

She raised her ass to give me room for movement. I spread her ass and thrust deeply and vigorously into her.

“This is what I call reaming,” she gasped. “Fuck my ass for me, baby. Ream out my tight asshole.”

“You like getting fucked up the ass, don’t you, you dirty wife?” I teased.

“Of course, I do,” she said. “Do you like fucking my ass? You like fucking horny married asses?”

“I love it,” I said. “It’s the best thing I’ve ever done. I don’t know about other married asses though.”

“I am glad you like my horny married ass because you are going to keep fucking it until it gapes wide,” she said.

“You are so tight I don’t see that likely to ever happen,” I said.

“It’s going to happen,” she assured. “All you have to do is fuck it for me long enough. Don’t give up.”

“I won’t give up, but I am not sure I can last long with your ass milking me this hungrily,” I said.

“I’ll try to contain my anal hunger for your big cock,” she smiled. “Just keep fucking my slutty ass.”

“You got that, baby,” I said. “This is something I’ll never get enough of.”

She could not contain her hunger for long, but I had fucked her hot ass for a while. She came twice, losing control each time. She finally picked up the pace, and I matched her. Our bodies slapped loudly with every deep thrust.

“Keep fucking my horny ass like that, Nick,” she gasped as she raised her knees, supporting her weight on her feet. “I am going to come very hard very soon. It’s going to be a huge anal orgasm.”

She gasped sharply and her asshole went into a spastic fit. I spread her ass and drilled her twitching asshole vigorously, trying not to lose control. When her orgasm subsided, she plopped her ass on my pelvis and collapsed on top of me. I wrapped my arms around her and fucked her ass gently while she recovered.

“You liked that, you hot slut?” I whispered in her ear.

“Yes,” she gasped. “I loved it. That was the best orgasm I had as long as I remember.”

“You are apparently an ass whore, aren’t you?” I said.

“Yes,” she gasped. “You like ass whores.”

“I apparently do if they are as hot as you are,” I said, thrusting gently in her ass.

“I am a very dirty one,” she moaned. “I don’t think they are as dirty as I am.”

“In that case, I like you more,” I said.

“Your big cock did a great job on my horny ass,” she said, slowly raising her ass. “I need to thank it.”

“Go ahead,” I said.

She kissed me deeply before she let my cock pop out of her well-fucked ass. She crawled down my legs until her mouth was above my cock. She took my cock in her mouth and sucked it deeply, moaning around it. She deep throated my cock leisurely for several minutes. She mounted my cock and rubbed her dripping pussy lips up and down the underside of my cock. She took my cock in her pussy in one swift stroke, gasping.

She worked her drenched pussy up and down my cock a few times, bathing my shaft in her copious juices. She dismounted me and sucked my cock again, sucking her juices off. She licked my balls too. While she did that, she pivoted slowly and straddled my face. She lowered her wet pussy to my mouth as she deep throated my hard cock.

Her asshole looked more relaxed than it did the last time I saw it before. I effortlessly slid two fingers into her asshole and started to probe her wet pussy folds with my tongue. She moaned and ground her pussy into my face, her asshole milking my fingers. It took me a couple of minutes to rid her pussy of its excess juices. I then moved my tongue to her asshole, taking my fingers out. I licked her anal pucker and then probed her loose asshole with my tongue. I worked my tongue in and out of her asshole for a few minutes. She moaned and humped my face.

“Can you feel that my asshole has relaxed a little thanks to your fat cock?” she said.

“Oh, yes,” I moaned. “It has relaxed a lot.”

“Are you ready to ream it out even more with your tireless cock?” she moaned.

“Oh, yes,” I said. I gave her asshole one last French kiss. “I can never get enough of your hot ass.”

“I’ve obviously had my horny ass reamed out before, but nobody has ever loved my ass like you do,” she said.

“Don’t blame them,” I said. “They didn’t know how hot your ass was. I do.”

She pulled her ass away as she crawled toward my cock. She squatted over my cock and slapped her pussy with it. She rubbed my cock head along her wet pussy a few times and then pressed it into her relaxed asshole. She let out a soft moan as my cock head popped past her sphincter. She purred as she lowered her ass the rest of the way down. Her ass was fully impaled on my hard cock. She moaned and squeezed her asshole as her wet pussy touched my balls.

“Getting my horny ass fucked is apparently our favorite pastime,” she said.

“Yes,” I said. “You have a sizzling ass. I can fuck it till dawn.”

“I wish we had that much time,” she moaned.

“We should have started in the morning,” she said.

“Yes,” she hissed. “I didn’t know we’d be this horny. This is definitely going to be the best fuck of my life.”

She raised her knees off the bed and leaned back, supporting herself with her hands. She slowly worked her ass up and down my cock, applying her special milking technique. I traced her body from her hips up to her tits. Just then, I discovered that her tits were still confined in her bra. I unfastened her bra and pulled the straps down her arms. She tossed her bra off one arm and then the other. I cupped her tits and pinched her nipples lightly. She gasped, and her asshole twitched. I reached between her thighs and brushed her clit. She reacted similarly.

My horny slut moved her ass up and down my cock in slow, precise strokes as if she was measuring something. After a few strokes, she held her ass up with her back arched and her asshole just above the middle of my cock.

“Now, fuck my horny ass, lover,” she said. “I love having you thrust in it and show me the power of your lust.”

“Yes, ma’am, my dirty married ass whore,” I said as I thrust up driving my cock all the way into her ass.

“That’s it, stud,” she gasped as I bent my knees and fucked her ass rhythmically.

Her hot asshole was wickedly responsive. She moaned but held her ass motionless. I cupped her tits and kneaded them as I continued to fuck her ass briskly.

“This feels so good,” she moaned. “This is the perfect cock and the perfect rhythm. Don’t stop.”

“I won’t stop,” I assured. “As long as you hold your hot ass like that, I’ll fuck it. This is an incredible ass fuck.”

She rolled her head from side to side with joy as she held her ass in perfect position for my deepest thrusts. Every thrust of my cock softened her resistance by a tiny bit. After several minutes of fucking, her ass started to fuck back in very little strokes. I pulled her cheeks apart and fucked her ass harder. Holding her ass spread with one hand, I pushed my free hand between her thighs and pushed two fingers into her pussy. As soon as I wiggled my fingers within her pussy, she groaned and started fucking back wildly.

“You are going to make my horny ass come again on your amazing cock,” she gasped.

“Come for my big cock, Doris, my hot slut,” I urged.

She lost control and came almost immediately. I pounded her writhing ass while wiggling my fingers within her gushing pussy. She gasped and groaned as her ass jerked up and down and her asshole sucked my cock desperately. In the end, her orgasm subsided, and she collapsed on top of me, her asshole deeply impaled on my hard cock.

“You know how to make my horny ass come,” she gasped. “It has never come without having my pussy diddled.”

“I was diddling your pussy,” I said.

“That’s different,” she gasped. “I came because of the ass fucking, not the pussy fingering.”

“Anyway, I am happy you love my big cock up your hot ass,” I said, thrusting gently in her ass.

“Every slut would love to have your perfect cock up her ass or elsewhere in her horny body,” she gasped.

She gasped for air while she recovered. I removed my fingers from her pussy and hooked my left arm under her knees pulling them up against her chest. I stroked my cock slowly in long strokes within her splayed ass. I pulled my cock all the way out and then pushed it back all the way in. I repeated that several times. I then I rolled us onto our left sides. I let go of her legs and thrust gently in her ass. She moaned softly and held her ass open for me.

“I love it when my lover can’t get enough of me,” she moaned.

“Like you can get enough of my big cock,” I teased.

“I am a horny slut,” she moaned. “I can never get enough of a good cock.”

“You think I am a saint?” I said. “I am a horny guy. I can never get enough of a luscious ass or a juicy pussy.”

“What about a cock-craving mouth?” she teased.

“I can’t get enough of that either,” I said. “Every hole you have was made for cock.”

“It’s like we were made for each other,” she moaned. “It’s like we were meant to be together.”

“It’s something like that,” I smiled. “It might have been fate.”

A minute or two later, she started to fuck back and milk my cock gently. I stroked up and down her side as I fucked her ass deeply. My hand made its way to her pussy, and I toyed with her clit. She fucked harder, and so did I.

“Fuck my ass harder, lover,” she said, pulling my hand off her pussy. “Drill my cock-craving ass.”

Holding her hip with that hand, I pounded her ass hard. She soon stiffened and came hard.

“Can you see what I am talking about?” she gasped. “No touching my horny pussy.”

“You have a very horny ass,” I said, drilling her writhing ass. “It was definitely made for cock.”

“It’s only this horny with the right cock,” she gasped. “It’s never been this horny.”

“It’s a fantastic ass,” I said.

“It’s only fantastic when it’s stuffed with an amazing cock,” she gasped.

Her orgasm subsided, and she went limp, gasping for air. I thrust gently in her ass.

When she recovered, I pulled out and arranged her on her hands and knees. She pushed her ass out lewdly, making both her holes available to me. I shoved my cock into her drenched pussy, making her groan.

“You missed my horny pussy?” she moaned as I drooled on her asshole.

“Just a little,” I teased, thrusting in her pussy, as I spread my drool over her relaxed anal pucker.

Her asshole did not resist as I pushed my thumbs in and pulled them apart, stretching it out. I drooled right through her gaping hole. I repeatedly let her asshole close and then pried it open while her pussy soaked my cock with its overflowing juices. She moaned and fucked back happily.

As she pulled forward, I removed my cock from her pussy. When she pushed back, I thrust my cock into her gaping asshole as I yanked my thumbs out of her ass. I grabbed her hips and pulled her the rest of the way back, driving my cock balls deep up her ass. She groaned but continued to fuck. I was again enjoying her anal milking. This time, I could see her pretty asshole tightly stretched around my hard cock, hollowing in and bulging out as I fucked it.

“I love watching your sexy ass while I fuck it,” I said, spreading her ass. “It’s so hot.”

“Enjoy it, baby,” she said. “I love having you fuck it from behind.”

With my eyes fixed on her cute asshole, I watched my hard cock fuck it at an easy pace for a few minutes. I then held her hips tightly. I gradually stepped up the pace, and she fucked back matching my pace. I grabbed her tits and pounded her ass vigorously. My pelvis hammered her ass with every thrust. She fucked back with equal zest. I pinched her nipples, making her asshole twitch.

“My ass is coming again for your big cock,” she gasped.

“I love that, Doris,” I said, fucking her ass hard. “Every orgasm you have is a precious gift to me.”

She stiffened, and anal spasms followed as I maintained the vigorous pounding I was giving her offered ass. She shoved her ass back as her asshole sucked my cock desperately. I drilled her convulsing ass until she calmed down and lowered her head and shoulders to the bed. I held her hips, keeping her ass up for slow fucking.

“Is your hot ass happy?” I said, fucking her ass gently.

“My horny ass and the slut attached to it have never been this happy,” she gasped.

“My big cock and the horny guy standing behind it are happier than ever too,” I said. “They love your hot ass.”

“It fills me with pride that you and your big cock love my slutty ass,” she gasped.

“It only fills you with pride?” I teased.

“It stuffs me tightly with hard cock too,” she smiled.

“It’s going to fill you with come too,” I said.

“Of course,” she said.

When I pulled my cock out of her ass, her happy asshole clenched a little but remained open. I deeply kissed her gaping asshole, wiggling my tongue within her ass. When I broke the kiss, I let a thick string of saliva connect my mouth to her asshole as I drooled into her open hole. I broke the saliva connection and pushed my drool deeper by shoving my cock all the way up her ass.

“You don’t mind this, do you?” I said, thrusting in her ass.

“Oh, Nick, I want you to fuck my ass like this forever,” she moaned.

“Let’s see if we can last that long,” I said.

Bending over her, I wrapped my arms around her and pushed her hips down to the bed, laying her flat on her stomach. I kissed her and nibbled her earlobe. She milked my cock, moaning.

“You were right,” I whispered. “Your lovely asshole started to gape. I’ll make it gape wider.”

She moaned.

The pace picked up gradually, and she reached back and spread her ass for me. I pounded her ass to another wild orgasm. I fucked her ass slowly while she recovered.

“I want you to suck my big cock,” I said as I pulled out of her and rolled her onto her back.

She welcomed my cock as I straddled her chest and pushed it into her mouth. She sucked my cock eagerly, and I thrust in her throat. She sucked my cock for a few minutes. I then pulled out of her mouth and pushed her legs over her head. I pushed my cock into her pussy and proceeded to fuck her at an easy pace.

Her leaking pussy juices soon drenched her asshole. I pulled out of her pussy and pushed my cock into her ass. She moaned as my cock effortlessly slid into her ass. I fucked her briskly, switching my cock between her leaky pussy and horny asshole regularly. We both approached orgasm as the pace picked up.

“I am going to come again,” she gasped as I fucked her ass hard.

“Me too, Doris,” I said. “I am going to fill your bowels with hot sticky come.”

“Yes,” she gasped. “Pump your hot come deep inside my slutty ass.”

Less than a minute later, we came together amidst her squeals and gasps. I pumped her thirsty asshole full of thick come. I continued to pump her twitching rectum until my cock was totally limp. Her twitching asshole had drained my balls completely. I pushed her knees against her tits, raising her ass off the bed, and pulled out. Her asshole gaped, and I saw the white filling of her gaping ass.

“I can see my come inside your hot ass,” I said.

“Feed it to me with your fingers,” she gasped.

“Are you sure?” I asked.

“Oh, yes,” she said. “I am a dirty whore. We should take advantage of that.”

“You are a very dirty whore,” I said as I pushed two fingers into her gaping hole.

She moaned as I scooped come out of her ass. I brought my sticky fingers to her mouth, and she sucked them eagerly, moaning around them. I twisted my fingers within her mouth, and she liked that. I repeated that until her gaping asshole was squeaky clean. My cock was partly hard then. We kissed lewdly while she stroked my cock.

“You are not done with your slut, are you?” she said when she felt my cock get hard in her hand.

“Of course not,” I said, pinching her nipple. “I told you I could never get enough of my hot married slut.”

She rolled me over and mounted me in the sixty-nine position. She sucked my cock eagerly, and I fingered her asshole and licked her leaky pussy, making her moan around my cock. She soon came in my mouth, and I drank all her overflowing juices and sucked for more.

When she recovered, she led me back to the couch. She got on her knees and pushed her ass out. I held her hips and fucked her pussy from behind. When my cock was drenched in her juices, I climbed onto the couch astride her and fucked her offered ass from above. She moaned and fucked back energetically. I pulled out of her ass regularly and drooled in her gaping asshole. I fucked her ass hard until she came, convulsing wildly.

“I am not done with you, my hot slut,” I said as I pulled out of her ass and flipped her onto her back.

She pulled her legs over her head, and I returned to drilling her ass. She came twice before we changed positions.

She pointed to a bottle of lube on the end table, and I lubed her asshole generously. I continued to fuck her ass and make her come. That wonderful day, I fucked her ass for a few hours. We changed positions many times. I came twice in her greedy ass, and she ate my come out of her ass with her fingers while sucking my cock on and off.

We were not done yet though. I fucked her mouth, pussy and ass for over an hour more. In our last fuck, she was upside down with her head between her feet and her lower back supported against the couch. Her asshole gaped wide. I filled her rectum with drool and let it overflow as I rammed my cock in. When I was ready to come, I jacked off over her open asshole and shot my come right through her gaping asshole. I lowered my cock into her mouth and she sucked it eagerly. While she sucked me I finger fucked her drenched pussy and come-filled asshole with two fingers each. I pulled out of her mouth and alternated between feeding her my come out of her ass and her own out of her pussy.

“This is the craziest fuck of my life,” she said as I helped her up. “You sure filled me with come.”

“You deserved every bit of it,” I teased. “This was obviously my best fuck ever too.”

“You are very young, but this was the best sex I’ve ever had,” she said.

“You must be exaggerating,” I said. “You don’t need to go overboard to make me feel good. I already do.”

“I am not exaggerating,” she said. “I’ve never come this many times or been filled with come this much.”

“Let’s get you cleaned up so your clueless husband won’t know about this and get jealous of me,” I said.

“Indeed, he’ll have to be completely clueless to miss how well fucked I am,” she smiled.

“Let’s hope he is,” I said.

We showered together, and we fucked in the shower in the donkey position. We fucked for over half an hour, and I came deep in her hot married pussy while I wiggled two fingers within her twitching asshole. We dried each other and put our clothes on. She stuffed a wad of tissues in her panties just in case my come leaked out of her slimy pussy.

“Did you have a good time?” I asked as I took the driver seat.

“I’ve just had the best time of my life,” she said. “You are an incredible young man. I expected this to be hot and wild, but I had no idea it would be the hottest time of my life.”

“I’ve also had the best time of my life,” I said. “You are an amazing woman. I obviously wanted to fuck a married woman, but I had no clue she’d be the hottest woman in the world.”

Despite all the fucking we had, she spent the drive home playing with my cock. When my cock got hard she took it in her mouth. She swallowed my come load just before we left the highway.

“You put whores to shame,” I said as she licked her lips. “If whores were this good, nobody would afford them.”

“Is that a compliment?” she asked.

“Of course it is,” I said. “You are an incredibly hot slut.”

“Thank you,” she smiled.

“I used to feel guilty whenever I fantasized about you,” I said. “I was so wrong. I should have come on to you.”

“You were a pervert,” she teased. “You should never fantasize about married women. You should fuck them.”

“I wish I had known better,” I said. “I am glad I learned my lesson reasonably early.”

We returned to where she picked me up. She gave me a big kiss goodbye. I left on foot, and she drove off.

Doris and I met on Wednesday, Thursday and Friday for a few hours each day. She was supposed to be doing Christmas shopping, but I fucked all her holes silly, especially her hot ass. I sent her home full of come every time and fucked her horny daughter nightly, sending her home full of come too. It was a living a dream.

With all the Christmas commotion, I could only catch up with mom alone on the Christmas Eve after I sent Lynn home well fucked and full of come.

“How is your game going?” I asked mom. “You are playing the game, aren’t you?”

“Of course I am playing,” she said. “It’s wonderful. My insatiable young lover’s incredible. I am so happy.”

That made me feel jealous. Suddenly flashed through my mind the image of my hot mom on her hands and knees as that bastard pulled his hard cock out of her sexy ass, letting her gaping asshole close slowly. My cock twitched. Although I was using my girlfriend’s mom like a free whore, I did not want that bastard anywhere near my mom.

“He’s a lucky bastard,” I said.

“All I can think about now is that I am one lucky bitch,” she smiled. “I am always looking forward to that.”

“Well, you are a very sexy woman, you deserve the best,” I said. “He’s the lucky bastard.”

“Someday you may be a lucky bastard yourself,” she smiled mischievously.

“I wish,” I said.

“If you wish hard enough, your wish may come true,” she smiled as she left.

“I’ll wish as hard as I can,” I promised at least myself.

That was on my mind as I went to bed on Christmas Eve.

On Christmas morning, I woke up with a big boner, and I felt like someone was straddling me. I opened my eyes and rubbed them to see what was going on. The first thing I saw was mom, smiling at me. She was dressed like a Santa helper. She had a sheer red bra that put her lovely tits on display.

“Merry Christmas,” she whispered, grinding her soft crotch into my hard one. “Have you been a good boy?”

“Merry Christmas, mom,” I said. “What are you doing?”

“Santa told me that you’ve been a very good boy,” she whispered. “I am delivering a very special present to you.”

“What present?” I asked.

“Do you like getting your big juicy cock sucked?” she whispered. “Santa thought you would.”

“Of course, but what does that have to do with it?” I said.

“It has everything to do with it,” she said. “You are going to get the blowjob of the millennium. Relax and enjoy.”

“Who’s going to deliver it?” I said, looking around. “I can’t see anyone.”

“You need not look further than me,” she said.

“What?” I said in disbelief. “You are going to give me a blowjob?”

“Not a blowjob, Nick, *the* blowjob,” she said. “This is from Santa. Santa gives very good gifts to very good boys.”

“Are you sure?” I said, my cock twitching.

“Can’t a horny mom give her horny son a royal blowjob on Christmas morning?” she said. “Santa said I should.”

“Isn’t that wrong?” I said.

“That’s okay, darling,” she said. “If you think it’s wrong, don’t flood my mouth with your hot sticky come.”

That almost made me come.

“Should I start with the blowjob?” she said, grinding into my boner. “If you are greedy, and you want to take advantage of your horny mom and fuck her silly, you may have to be a very good boy and wait for another Christmas.”

My cock jumped against her pussy.

“If you want to fuck your horny mom next Christmas but you don’t want to flood her mouth with hot come now, you have to come in her mouth daily till next Christmas,” she teased, making my cock twitch. “The choice is yours.”

“Oh, mom!” I moaned.

“If you decide to come in my mouth now, you’ll have to come in my mouth at least every Saturday till Christmas,” she said. “That’s fifty-three Saturdays including today. If you don’t, you’ll have to come in my mouth three hundred and sixty-five times until Christmas. Today’s come load is worth three hundred and thirteen come loads.”

She scooted down my legs and pulled my boxers down. My cock flopped up and pulsed with every heartbeat.

“You don’t have to decide now,” she said as she wrapped her hand around my throbbing cock and stroked it slowly. “You can decide while I suck your big mouthwatering cock. I’ll take my sweet time.”

“Mom, this is the best Christmas gift I’ve ever received,” I said.

“Don’t say that, Nick,” she said. “First, you haven’t received this gift yet. Second, you don’t know what it is. I may just tease you and walk away if you don’t want to come in my mouth. You may not like that very much. Can I start with the blowjob, or do you have other questions?”

“Please go ahead,” I said as she slowly lowered her mouth to my cock.

“Nick, you have a gorgeous cock,” she said. “Any guy would think this is a great Christmas gift to you, but any woman would know that this is an incredible gift to me. You have to last to make it worth your horny mom’s while.”

“Okay, mom,” I said.

She stuck her tongue out and teased the underside of my cock, making my cock twitch and jump.

“I obviously like your big juicy cock, and your big cock apparently likes me,” she said.

“It does, mom, very much,” I said.

“That means we’ll both have a hot time,” she said. “It’s a great way to start Christmas. Don’t you think so?”

“It is, mom,” I said. “Suck my big cock.”

“Are you sure?” she teased. “Isn’t it wrong?”

“I don’t care, mom,” I said. “You are so hot it has to be right even if it’s wrong.”

“I knew that even before I saw your gorgeous cock,” she said.

“Aren’t moms supposed to know best?” I said.

“You tell me,” she smiled.

She licked and teased my balls, giving me goose bumps. She sucked my balls very slowly and gently, making my cock get bigger and harder.

“Is your big cock ready for me to give it its best blowjob ever?” she teased.

“Yes, mom,” I said, my cock throbbing.

She gently took my cock head in her mouth and sucked it gently. It leaked profusely in her mouth. She moaned as she tasted my leaking fluids. She slowly worked her lips down my shaft until they reached my balls. I was all the way down her throat. She held my cock there for several seconds. It pulsed and leaked down her throat. She held my eyes.

“That’s incredible, mom,” I said. “You are the best.”

She smoothly slid her lips all the way up my shaft until only my cock head was in her mouth. She sucked it gently.

“This is definitely a priceless gift to me,” I said. “Your hot mouth’s incredible.”

“You can’t say that when you don’t know how wet my little pussy is,” she said.

“Are you wet?” I said.

“Any decent woman would have her pussy leaking as soon as her eyes fall on your mouthwatering cock,” she said.

“You are a very decent woman,” I said.

“Right now I am very indecent,” she said.

“Right now you are very hot, but you are still very decent,” I said.

“Thank you, darling,” she said. “You are always so sweet. No wonder Santa wanted me to give you this gift.”

She returned her lips to my cock and worked them slowly up and down the entire shaft while her tongue and throat did wonderful things to it. I instinctively thrust to meet her sweet lips and slide my cock down her hot throat.

“Your mouth’s perfect for sucking cock,” I said. “It was definitely made for cock.”

“It isn’t the only hole perfect for cock,” she said. “It’s unfortunate that I can’t feel this wonderful cock thrust deep elsewhere in my horny body. Santa didn’t want that. We apparently need to be good and wish harder next time.”

“I am sure it will be worth the wait,” I said.

“Will it be worth all the come you’ll be pumping down your horny mom’s come-thirsty throat?” she said.

“It’s going to be more than worth every drop of come I’ll shoot in my sexy mom’s hot mouth,” I said.

“You are a good boy, Nick, if you are willing to let your horny mom suck your big cock and drink so much of your hot come down her throat to help her get her horny wish,” she said. “I am sure Santa would appreciate that.”

“I love you, mom,” I said. “I’d do a lot more for you. I’d even fondle your hot ass while you suck my big cock.”

“You are a good boy, Nick,” she said. “I am sure I’d love that but not today. This is my gift to you and your gift to me. Just relax, and enjoy yourself. Try to decide whether you want to gag your mom with your hot come.”

“I’ve already decided,” I said.

“What’s your decision?” she said. “Are you going to come in my mouth?”

“If you do a good job, I’ll fill your hot mouth with come,” I said. “It’s in your hands.”

“It’s in my mouth,” she smiled. “I better do a good job then. That would be more fun anyway.”

“Only if you want that come,” I said.

“Of course I do,” she said. “Only bad girls don’t want hot creamy come. Now lie back, and let me show you.”

She spent the next hour giving me the best blowjob of my life. She did every trick in the book and sucked my cock at different paces and different depths. She maintained eye contact most of the time, looking at me lustfully. She held me on the edge most of the time but did not let me come. I was ready to flood her mouth with come at any moment.

“Did I pass?” she teased.

She knew that she had me.

“You know if you did,” I said. “Go for it, and try your luck.”

She closed her lips around the head of my cock and sucked hard. I naturally came in her mouth, flooding it with come. I almost fainted as my hardest orgasm engulfed me. I came so hard I thought my come would go through the back of her head. My cock twitched, delivering my biggest come load ever in powerful bursts against the back of her throat, probably bruising her throat. When she finished draining my balls in her eager mouth, I was panting. She swirled my come in her mouth before she swallowed it all, moaning lewdly.

“Merry Christmas,” she whispered as she came up.

She kissed me on the lips.

“Merry Christmas,” I said as I held and squeezed her ass. “That was my best gift ever.”

“The same is true for me,” she whispered. “Your cock’s mouthwatering, and your come’s delicious.”

“Your lips are incredible,” I said. “So are your tongue and throat. They were definitely made for cock.”

“I am glad you enjoyed your gift,” she smiled. “I’ll let Santa know so he can send you the gifts you want most.”

She smiled at me as she dismounted me. She kept smiling until she left, looking back at me over her shoulder.

The back of her sexy robe stopped well before her ass. For a second, I just panted while watching her tight sexy ass twitch on either side of her red thong. I wanted to eat her juicy pussy and hot ass. I wanted to grab her by the hips.

“Mom, let me return the favor,” I suddenly called.

“I’m sorry, but you are not dressed like Santa,” she said. “Santa would be mad at me. Maybe next time.”

“I’ll get you next time,” I promised. “You better let Santa know that.”

“Get my ass,” she teased, wiggling her ass at me.

“I will,” I said.

“I’ll let Santa know what you want for next Christmas,” she said.

“Tell him that there is nothing you have that I don’t want,” I said as she disappeared.

My present to Lynn was a thong, a matching bra, and a butt plug.

“I am only an ass to you,” teased Lynn when she saw my gift.

“Of course not,” I said, pointing to the bra and thong. “You are also tits and a pussy.”

“You can only think about sex,” she said.

“You let me know of anything better than sex, and I’ll think about it,” I said.

“You are asking the wrong girl,” she said. “When I know of such a thing, I’ll be thinking about it myself.”

“Put my gift on, and let me see if I can take it off,” I said.

“You are really challenging yourself,” she teased.

“You can’t blame a guy who likes a challenge,” I smiled.

She wore the articles I gave to her, and I easily took them off. I also gave her a long Christmas fuck, pumping all her holes full of come. That night I noticed that Lynn had learned a few new tricks with her mouth and ass. She already became a better fuck.

“Where did you learn these tricks?” I asked.

“They are part of my gift to you,” she said.

“What’s the other part?” I asked.

“I got you a box of lube,” she said. “It’s heavy though. You’ll have to pick it up when you come over.”

“Are you serious?” I said.

“I also think about sex,” she said. “Don’t you know me?”

“It better be good lube because I am going to use it on your slutty ass,” I said.

“I know,” she smiled. “Your girlfriend got your back.”

“She got her own backside,” I said.

It was not hard for me to fuck her no-longer innocent ass until it gaped wide. She had apparently been well used by her cheating partner, not to mention me. I had naturally noticed that before, but I did not pay much attention to it because I was busy with her horny mom. I had no idea who was fucking her. Anyway, that only made me hotter for her. I enjoyed soaking her open asshole with drool and then filling it with come. She did not hesitate to eat my come off my fingers as I scooped it out of her well-fucked ass.

In the end, I put her gift back on her body.

“Do you like your gift?” I asked.

“I liked what happened between wearing it the first and second times more,” she smiled.

“Make sure to learn walking before your mom sees you and think I shoved my leg up your horny ass,” I teased.

## GROWING THE GAME

Everybody spent the Boxing Day shopping. Doris and I snuck away for several hours, and I used all her holes thoroughly and filled them with come, and sent her home wearing a butt plug.

“This is the best Christmas gift I had,” she said.

“The butt plug?” I teased.

“No,” she said, punching me playfully.

At night, I had a quick session with Lynn. It was obvious that she came to enjoy getting her ass fucked more than anything else. Her hot ass was my favorite too.

Since I was Lynn’s boyfriend, it was not suspicious for me to visit her house. Lynn was out, and Doris and I spent most of Monday in her marital bed. We locked up the bedroom and fucked the day away. I dumped my last come load in her pussy at around four. She licked my cock clean. I then used my fingers to feed her my come out of her pussy.

“This is the best sex I’ve ever had in this bed,” she smiled. “I finally got fucked royally in my own bed.”

“It sure was a serious fuck,” I said.

“How would you like including a third person in our relationship?” she asked.

“That would be cheating, wouldn’t it?” I said.

“Apparently you didn’t read the terms and conditions thoroughly,” she said. “When partners are together anything and everything sexual is fair game. No restrictions were placed on that.”

“Are you sure that includes involving a third person?” I asked.

“Unless you can show me a rule that says otherwise,” she said. “Is there anyone in particular you’d like to include?”

“As a matter of fact, there is,” I said, thinking of mom. “I am not sure I should say who it is though.”

“It may be your only chance,” she encouraged. “I may be able to help you. I won’t tell anyway.”

“It’s mom,” I blurted out, blushing.

“Good choice,” she said. “I’d love to eat her juicy pussy while you fuck her in the ass. How would you like to fuck her silly on New Year’s Eve? You can fuck the two of us then, and then you can fuck her alone.”

“Really?” I said. “I’d love that.”

“Because she’s a club member, we have to include her partner so that she wouldn’t be in violation of the club rules,” she said. “Do you mind that?”

“No,” I said. “Who’s her partner? I am curious about that.”

“Only she and he know,” she said. “Nobody else does.”

“Really?” I said.

“Yes,” she said. “Everything’s confidential. The club’s very serious about privacy.”

“I had no idea it was to this extent,” I said.

“I can’t tell anybody about you,” she said. “You can’t tell anybody about me. The most anyone can know is that someone else is a member, but nobody knows who has sex with who.”

“I see,” I said.

“Anyway, New Year’s Eve will be a great opportunity for a hot orgy,” she said. “You and your mom’s partner can team up and double fuck each of us horny sluts. I am sure we’ll all love it.”

“What if I didn’t like that kid?” I said.

“All club members are decent members,” she said. “Take it easy, and have fun.”

“I’ll try,” I said. “Though, how do we get rid of our other partners?”

“We’ll improvise,” she said.

She dropped to her knees, and I used my new boner to pump a bonus come load down her eager and hot throat.

“Nick, don’t worry about the other guy,” she said. “I know you. I assure you that you are going to be fucking us all the time. That guy’s as good as not being there.”

“You think so?” I said.

“Nick, you are not the first guy who’s ever fucked me, but you are the best guy who’s ever fucked me,” she said.

“She said he was insatiable,” I said.

“You are in a different dimension,” she said. “When we say a guy’s insatiable, we mean he can last for half an hour. You let me suck your big cock longer than that.”

“Are you sure?” I said.

“Of course,” she said. “You are going to be practically alone with two sluts that depend on you, so be ready.”

“Thank you, Doris,” I said.

Doris managed to sneak me into her bed daily. I fucked her daughter nightly. Both mom and daughter were getting used thoroughly and having all their holes filled with come. I naturally loved it. I only wanted mom on top of that.

It was finally New Year’s Eve, and mom had not mentioned anything about it. I had no idea where she was.

“Are we on for tonight?” I said to Doris on the phone just before noon.

“Of course,” she said. “You need to be ready to fuck all night. Two sluts depend on you.”

“Is mom coming too?” I said.

“That depends on you,” she teased.

“I am serious,” I said. “Did she say she was coming with us?”

“I’ve given her a key to the suite,” she said. “I expect her to be there at six. You and I need to be there too.”

“I need to be ready half an hour before,” I said.

“Dress up,” she said. “You are going to a New Year’s Eve party.”

“What kind of party is it?” I said.

“Sucking and fucking,” she said.

“Oh, okay,” I said.

My cock was rock hard. Mom took the key. She did not turn it down. That meant she intended to come. What irritated me though was that I would have to fuck her in front of her partner, which I had no clue about.

Anyway, I was ready at the prescribed time. I was walking a few blocks down when Doris picked me up. I drove.

“You seem to be ready,” she said as she squeezed my boner.

“I always am,” I said.

“Let me make sure you are,” she said.

She ducked and proceeded to suck my cock.

Only then, did I remember that neither had I talked to Lynn nor had she talked to me. We did not make any arrangements whatsoever for New Year’s Eve. That was strange, but I did not care. My cock was in her mom’s mouth.

“How did you get away from your husband?” I asked.

“I told him I was going out,” she said. “He didn’t ask any questions. He just said to have fun.”

“Are you going to do that?” I teased.

“I am already doing it,” she smiled.

We were going to a hotel we had not gone to before. When I parked, she zipped me up and refreshed her makeup. We went straight to the suite through a side entrance since we already had the keys. I fondled her ass in the elevator.

“Is it horny?” I teased.

“It expects the fucking of the century,” she said. “You are not going to let it down, are you?”

“Of course not,” I said. “I am going to fuck it royally.”

“I think you are ready for that,” she said, squeezing my boner.

We soon entered the suite and closed the door.

“Let me suck your big cock while we wait for your mom,” she said, motioning me to the couch.

“Is she going to be late?” I said as I sat down.

“It’s still ten minutes before time,” she said.

She rid me of my pants and underwear and proceeded to suck my hard cock leisurely.

Doris was deep throating my cock eagerly when the door opened and mom walked in—alone. Mom closed the door and walked to us. Doris did not even slow down.

“Hi,” greeted mom cheerfully.

“Hi, mom,” I said. “You are alone.”

“Yes,” she said.

“Where is your partner?” I said.

“What partner?” she said.

“Aren’t you supposed to be with your partner from the club?” I said.

“Oh!” she said. “Doris didn’t tell you?”

“She didn’t tell me what?” I asked, looking at Doris.

Doris was sucking my cock as if mom was not there.

“Tell him, Doris,” said mom.

“What’s going on?” I said.

“Nick, you are a member of an exclusive club that only has four members,” said Doris. “Your mom isn’t one.”

“What?” I said, looking at mom.

“Darling, I have no partner,” she said.

“You told me you did,” I said.

“Not exactly,” she said. “I just let you think so.”

“Who are the members of the club besides me and Doris?” I asked.

“Your dad and Lynn,” she said.

“You mean dad’s Lynn’s partner?” I said.

“Yes,” she said. “Isn’t it fair for your girlfriend to fuck your dad while you fuck her mom?”

Doris resumed sucking my cock.

“I guess,” I said. “Why did you allow dad to fuck Lynn if you were not a member of the club?”

“Just like you, your dad thought I was a club member,” she said.

“He thought you were having sex with a kid, but you didn’t,” I said. “Why did you want him to think so?”

“Nick, why am I here?” she said.

“To have sex with me,” I said.

“I wanted your dad to give me permission to fuck a kid,” she said. “You are that kid. Your dad knows that I want to get fucked silly, but he also wants to fuck his little slut. He doesn’t know that you are the kid who will fuck me.”

“You mean you wanted me to fuck you from the start?” I said.

She grinned.

“Why didn’t you just say so?” I said.

“It wouldn’t have been that easy,” she said. “Besides, Doris wanted you to fuck her too. That was how we came up with this game. It was fun, wasn’t it?”

“Doris told you that she wanted me to fuck her?” I said in disbelief.

“Not bluntly,” she said. “She alluded to it, and I went after her until she admitted it.”

“Doris, what does your husband think you are doing?” I asked.

“He thinks I am out with your mom doing something boring for him,” said Doris.

“You both are so treacherous,” I said.

“Are you mad at us because of involving your dad and your girlfriend?” said mom.

“He can take her all to himself if I can have the two of you,” I said.

“Of course you can,” she said.

“Didn’t I tell you that you’d be fucking us all the time?” said Doris.

“No kidding,” I said.

Mom knelt next to Doris, and I spread my legs wider. They sucked my cock hungrily together.

“Are you happy now, lover?” said Doris. “You wanted to fuck your slut mom, and she’s now all yours.”

“I am happy,” I said. “I am going to fuck the two of you silly.”

“We have the room till eleven in the morning,” she said. “You can fuck us till then.”

“What about your husbands?” I said.

“We can tell them we were in no shape to drive home,” she said. “We hope you’ll fuck us out of shape by then.”

“I forgot how treacherous you were,” I smiled.

“You think you can give us the fuck of the century?” she said.

“If you are not careful, it’s going to be the fuck of the millennium,” I said.

“We better not be careful,” she smiled at mom.

“I am going to be a reckless slut tonight,” said mom.

“That beats being a reckless driver and getting killed,” said Doris.

“If I am going to get killed, I am going to get killed by cock,” said mom. “That’s how much I love this big cock.”

“I am not fucking either of you to death,” I said. “I intend to live and fuck the two of you over and over.”

“That’s what we prefer too,” said Doris.

“You better lose your sexy dresses if you don’t want me to tear them off,” I said, squeezing mom and Doris’s tits through their skimpy tops. “They are so thin they may tear if I feel you up well.”

They took their dresses off and tossed them aside. They were completely naked.

“I want to fuck your big tits,” I said.

“Whose tits do you want to fuck first?” asked Doris.

“There is no first or last,” I said. “I want to fuck your tits. Each should offer a tit, or even let me fuck all four tits.”

“You are a horny kid,” she smiled.

“If two hot sluts went through all that to have me fuck them, I better be worth something,” I said.

“You are worth a lot,” she said.

“Do whatever you want, Nick, but at midnight I want you to be pumping your come deep up my ass,” said mom as she pushed her tits against Doris’s, surrounding my cock with four big fine tits.

“You want to ring in the New Year while I come inside your hot ass?” I said.

“Yes,” hissed mom as they worked their tits along my cock. “I want to be coming around your big cock too.”

“What about you?” I asked Doris.

“It would be great if you could tongue fuck my ass and finger fuck my pussy to orgasm then,” she said.

“I love fucking your four tits,” I said. “Squeeze them tightly together. They are not big and firm for no reason.”

“You think our tits were made for your big cock?” she smiled as they squeezed their tits together.

“When you find a better reason, let me know,” I said.

“You got me,” she smiled.

They licked my cock head while they worked their tits up and down my shaft.

“Do you like this, darling?” said mom.

“Of course, mom,” I said. “You and your friend are hot sluts.”

They worked my cock like that for several minutes.

“Why don’t you get on your hands and knees on the bed, facing this way?” I said. “I want to fuck your throats.”

They got into position, and I stood before them. I pulled their heads to my cock, and they sucked it together. I reached out and fondled their asses. That was when I found out that they were both plugged. I tugged their butt plugs.

“Your hot asses are ready for action,” I said as I thrust my cock down mom’s throat.

Mom deep throated my cock eagerly. I held the back of her head and fucked her throat. I fucked their hot throats in turns. They both sucked my cock hungrily. I fondled their tits and pinched their nipples, making them moan.

“Turn around, you hot sluts,” I said, slapping their faces with my cock.

They turned around and pushed their asses out. They wiggled their asses lewdly at me. Their pussies were soaked. "Are all your holes ready to get fucked?" I said, aiming my cock at mom's dripping pussy.

"Yes," they hissed.

"I know that Doris is a dirty slut, but what about you, mom?" I said, teasing mom's wet pussy with my cock head.

"I am a dirtier slut," gasped mom. "I am so dirty I am letting my own son fuck me."

"Why are you letting your own son fuck you?" I teased, brushing her clit with my cock head.

"Because I am a cock-hungry slut and my son's a great lover," she gasped.

"Let me find out how hungry for my big cock your horny little pussy is," I said, pushing my cock into her pussy.

"Yes," she hissed, pushing back.

My cock head forced her pussy lips apart and slid in. I held her hips tightly and pulled her firmly onto my cock. Her tight pussy let my cock slide slowly in. Her pussy was so wet and sizzling hot. The butt plug up her ass pressed into the upper side of my cock. I kept yanking her onto my cock until it was all the way in. She stiffened and convulsed.

"I am coming," she gasped as my balls pressed into the front of her dripping pussy.

"Your pussy's definitely hungry for my big cock," I said, holding her hips tightly to steady her.

"Yes," she gasped, shaking wildly.

"Your pussy's the perfect size for my big cock," I said as she shoved her writhing ass into me. "The bigger the cock is, the smaller and tighter the pussy should be."

"I've never come at the first stroke before," she gasped.

"You are obviously a wanton slut for your horny son's big cock," I said.

"Yes," she hissed.

Her orgasm subsided, and she stopped moving. She just gasped for air.

"You have an incredible pussy, mom," I said, thrusting gently in her pussy. "It's so hot, tight and wet."

"Fuck it, darling," she gasped.

"I am only making sure it's good enough for my big cock," I said, sawing my cock in and out in long strokes.

"Is it good enough for your big cock?" she gasped as she thrust into me, meeting my strokes.

"The size, tightness, heat, wetness and horniness are good enough," I said.

"What else do you need to check?" she gasped.

"The friction," I said. "When I fuck your hot pussy, my big cock needs the right amount of friction. That's tricky. It shouldn't be too low or too high. It should be just right. It's the hardest test of all."

"Oh, so, you need to thrust in it for a while?" she said.

"Yes," I said, picking up the pace. "I should have an answer by the time you have your next orgasm. The time it takes you to come around my big cock is important too. It depends on the friction you feel too."

She fucked back rhythmically as I fucked her at an easy pace.

"It feels so good to fuck your hot little pussy," I said. "You did a great job keeping it in tiptop shape for me."

"Enjoy, darling," she moaned.

"How does it feel to you?" I said.

"It's incredible," she moaned. "I am going to come very soon although you are not fucking me hard."

"Dad's crazy for giving you up for Lynn," I said.

"I am so lucky for getting your amazing cock," she gasped, thrusting harder.

"You definitely crave cock more than she does," I said.

"Yes," she gasped, stiffening. "I am coming."

She shoved her ass back, and I pounded her gushing pussy mercilessly until her orgasm subsided.

While she recovered, I thrust gently in her drenched pussy.

"Your big cock's perfect for my horny pussy," she gasped. "Is my little pussy good enough for your big cock?"

"It's actually more than good enough for it," I said. "It feels like it was made for my big cock. It's perfect."

“Thank you,” she hissed.

“You are welcome,” I said, pulling out of her pussy. “Doris, suck my big cock clean.”

Doris spun around and swallowed my dripping cock eagerly. She deep throated it lustfully, and I fucked her throat.

“That’s enough,” I said, slapping Doris’s face with my cock. “Turn around.”

She turned around, and I teased her leaky pussy with my cock head.

“Did you enjoy the taste of my slut mom’s hot pussy?” I said.

“Yes,” she hissed.

“Your pussy’s so wet,” I said, pushing my cock into her pussy. “Do you want me to fuck it?”

“Yes,” she hissed as I pulled her onto my cock. “It’s so hungry for your big cock.”

My cock opened her pussy and sank in. My balls pressed into her clit.

“I am coming,” she gasped.

“You didn’t come at the first stroke the first time I fucked you,” I said, thrusting into her pussy.

“That time you made me come before you fucked me,” she gasped, shoving her pussy into the base of my cock.

“Mom, your friend’s a very dirty slut,” I said, drilling Doris’s gushing pussy.

“I know,” said mom. “She’s fucking her daughter’s boyfriend. That’s so slutty.”

Doris writhed until her orgasm subsided. I then fucked her drenched pussy slowly.

“Mom, my big cock’s soaked,” I said, pulling out of Doris’s pussy. “It needs to be cleaned.”

Mom turned around readily and swallowed my cock. She deep throated it eagerly, and I fucked her throat.

“How did your slut friend’s pussy taste?” I said, slapping mom’s face with my cock.

“It tasted good,” she said.

“Turn around,” I instructed.

She turned around, and I dropped to my knees behind her.

“I think I am going to have a great time tonight,” I said.

“You should, darling,” she said. “You deserve it.”

“I’ll now find out if your horny pussy is as tasty as your friend claimed,” I said. “I don’t think she’s experienced.”

“That was the first time I taste a pussy that isn’t mine in any way,” said Doris.

“Go ahead, baby,” said mom. “Taste my pussy all you want. It’s all yours.”

The inside of mom’s ass looked great through the base of her glass butt plug. I wanted to eat her pussy first though.

“I am going to keep the best for last and start with your juicy pussy,” I said.

She gasped when I kissed her drenched pussy. I started at the top just under her asshole. She started to moan and squirm. I licked her juices gently, occasionally sucking her lips and clit. She sometimes groaned. Her pussy continued to leak while I tried to clean it up. I held her hips and probed her pussy with my tongue. She groaned as my tongue slid inside her pussy. I tongue fucked her pussy for a minute, and she thrust into my face.

“You have a delicious pussy, mom,” I said. “You have to let me lick it regularly.”

“It’s all yours, baby,” she moaned. “You can do anything you want to it whenever you want.”

Pulling her pussy to my mouth, I dove in. I devoured her juicy pussy for a minute. She gasped until she stiffened.

“I am coming in your mouth, baby,” she gasped.

She convulsed and gushed into my mouth, and I slurped and drank every drop of her hot juices she offered. When her orgasm subsided, I pulled out.

“That was so good,” she gasped.

While she recovered, I gently but firmly pulled her butt plug out. She groaned as the butt plug opened her asshole wider on its way out. When it was halfway out, I held it there for several seconds, admiring her stretched asshole. I finally slid the butt plug out. Her asshole closed but remained relaxed.

“You have a very pretty asshole,” I said.

“Thank you,” she said.

“Taste it,” I said, pushing her butt plug into her mouth.

She welcomed the butt plug and moaned around it as she sucked it. I put it aside.

Her asshole opened up and accepted my tongue when I spread her ass wide and pushed my tongue in. She gasped. I gave her asshole a long deep kiss. She moaned and ground her ass into my face, her asshole nibbling my tongue. I licked and probed her asshole leisurely for several minutes. Her pussy leaked profusely. I picked up the pace and ate her luscious asshole hungrily. She moaned and gasped, thrusting her ass into my face.

"I am coming," she soon announced.

She stiffened, and I devoured her twitching asshole until her orgasm subsided. I licked her drenched pussy gently while she caught her breath. I got up and drooled on her asshole.

"Are you ready for me to fuck your hot ass?" I said, pressing my cock head into her asshole.

"Yes," she hissed.

My cock head popped in effortlessly, making her gasp. Her stretched asshole squeezed my cock tightly.

"Your asshole's so hot and tight," I said as I used Doris's lube to squeeze lube all over my cock.

"Your cock's so big," she moaned.

"You know the rule," I said, spreading her ass. "The tighter the hole is, the bigger the cock should be."

"I am not complaining," she said as I thrust gently in her ass. "It's perfect."

"First, I have to make sure that my big cock can fit balls deep inside your luscious ass," I said.

"Yes," she hissed.

"I'll test your horny ass like I tested your juicy pussy," I said.

"Go ahead," she said.

"Nick, you didn't test my pussy and ass like that," said Doris.

"I did, but I didn't tell you," I said.

"Did I pass?" she said.

"You wouldn't have been here otherwise," I said. "It's dangerous to fuck holes that don't fit the cock."

"That makes sense," she said.

Spreading mom's ass made it easier to drive my cock up her ass. I was gentle but not too gentle. I pushed my cock into her ass, sinking about half an inch more with every new thrust. She gasped with every thrust. My balls soon pressed into her dripping pussy. I was all the way up her ass.

"This feels so good," she gasped, stiffening.

"I think so," I said.

She writhed in orgasm, and I held her hips tightly and steadied her while thrusting in her twitching asshole.

"This is a very big orgasm," she gasped, convulsing.

She shook wildly until her orgasm subsided, leaving her out of breath. I fucked her ass gently.

"That was an incredible orgasm," she gasped.

"You have a horny ass," I said. "Its size, tightness, heat and wetness are perfect too."

"You need to check the friction now?" she gasped.

"Yes, mom," I said. "It's very important. Anal friction has to be a little less than vaginal friction."

"Test it, darling," she gasped. "I am sure my ass was made for your amazing cock."

"I think so too, mom, but we have to find out for sure so we don't endanger your delicate asshole," I said.

"Thank you, baby," she said.

Her asshole relaxed, and I fucked it with long slow strokes. She moaned and fucked back. I fucked her ass at an easy pace, adding a little lube. I held her hips and fucked her ass with precise strokes, watching my cock pump her tightly stretched asshole repeatedly. She moaned happily.

"Nick, this feels incredible," she moaned.

"You have a hot ass, mom," I said. "It was definitely made for cock. We'll soon find out if it's my big cock."

"I am sure it is," she gasped, fucking back harder.

"You are a horny slut, mom," I said. "I am sure you wouldn't mind if I ruined your lovely ass, but I can't do that."

She tried to pick up the pace, but I slowed her down. I enjoyed fucking her ass at that easy pace very much. I was going to put her horny ass through its paces later anyway.

“Your horny asshole loves this?” I teased.

“Yes,” she hissed.

“How much?” I said.

“There is no limit,” she gasped. “What about you? Does your big cock love my horny ass?”

“That’s obvious,” I said. “I am doing this for your protection. I want to fuck your hot ass silly without ruining it.”

“I am coming,” she gasped, stiffening.

“Come hard,” I said. “Your luscious ass deserves it.”

She convulsed wildly, and I drilled her writhing ass vigorously until she went limp.

“Your big cock is definitely perfect for my horny ass,” she gasped. “That was amazing.”

“It looked that way,” I said.

“Did I pass?” she gasped. “Was the friction right?”

“Mom, you have a perfect ass,” I said. “Everything about it is perfect. Of course you passed.”

“Thank you, baby,” she gasped.

“Mom, you passed because you had a perfect ass,” I said. “I didn’t help you pass. I was very strict with you.”

“Thank you anyway, darling,” she gasped. “Now you are going to fuck me up the ass at every chance you get?”

“Yes, mom,” I said. “Your hot ass will be fucked royally from now on.”

“Thank you so much for deflowering my horny ass, darling,” she gasped. “No wonder Doris loved it when you deflowered hers. You are a master ass fucker.”

“What did you say?” I said. “I deflowered your ass and Doris’s?”

“You did, baby,” said mom. “You are the only one who has ever fucked our asses.”

“Yes, lover,” said Doris.

“When I fucked your asses for the first time, they did not feel virgin,” I said.

“That was because we didn’t want you to know that,” she said. “It was part of the game.”

“That’s right, Nick,” said mom. “Nobody else has ever fucked our asses.”

“This is crazy,” I said.

“Tell him about Lynn too,” said mom.

“What about Lynn?” I said, looking at Doris.

“You are the only one who’s ever fucked her ass too,” she said.

“I am sure her ass was different recently,” I said.

“It was practice, lover,” she said. “I talked her into practicing so she’d be a better lover.”

“What about dad?” I said. “He didn’t fuck her in the ass?”

“I think we should tell him the entire story,” she said, looking at mom.

“What entire story?” I said.

“Go ahead,” said mom. “Tell him.”

“What else are you hiding?” I asked.

“Your dad has never touched Lynn,” said Doris. “You and I are the only members of the cheating club.”

“What?” I said in disbelief.

“Yes, lover,” she said.

“You mean that you both are cheating?” I said.

“Not really,” she said.

“Let’s come clean,” said mom.

“You better,” I said. “You’ve been hiding too much.”

“Why don’t you fuck my ass while we continue this discussion?” she said.

“Okay,” I said as I squeezed lube on my cock. “Go ahead.”

“When your mom and I came up with the cheating club idea, we discussed it with my husband, your dad and Lynn,” said Doris. “The three of them accepted it. They accepted that the three of us can have sex with other partners.”

“Haven’t you just said they were not members of the club?” I said, fucking mom’s ass at an easy pace.

“That’s right,” said Doris. “We told them that it did not work out, but their acceptance to the idea remained.”

“They accepted on the condition that they’d have sex with others too,” I said.

“They thought so, but in reality the condition was that if they had sex we could too,” she said. “We didn’t say they could have sex with others if we did the same or that we couldn’t have sex with others if they didn’t do the same.”

“That’s playing with the words,” I said. “It’s like lawyers do. It’s cheating.”

“You may think it’s cheating, but it’s legal,” she said. “Lawyers make lots of money. We have lots of sex.”

“Technically we are not doing anything wrong, but, if we get caught, we won’t like it at all,” I said.

“That’s what you think, lover,” she said. “We are not done with them yet.”

“What do you mean?” I asked.

“I mean that we’ll make sure that, if we get caught, nothing bad will happen,” she said.

“We’d sure love that, but how do we do that?” I said.

“Let your wicked sluts work on it, and enjoy the ride,” she said.

“Are you sure it’s going to work out?” I said.

“Nick, we’ve experienced your amazing cock, and we are not giving it up,” she said. “We’d kill for it. Relax.”

“Your statement’s actually disturbing,” I said.

“Didn’t we get you three virgin asses?” she said.

“What three virgin asses?” I said. “You only gave me two.”

“You wouldn’t have fucked Lynn in the ass had mom not given you a nudge,” she said.

“That’s right,” I said.

“Let’s finish the job,” she said. “We didn’t intend to tell you about it until it was done. Let’s do it, and play along.”

“Okay,” I said.

“Fuck my ass hard, baby,” said mom, thrusting her ass back lewdly.

“This hot ass belongs to my big cock?” I said, holding her ass.

“Yes,” she hissed.

“Move it,” I said as I spread her ass with both hands. “Get it fucked.”

She moved her ass back and forth more urgently, and I slowed it down, keeping the pace easy. I enjoyed watching her stretched asshole shuttle along my hard cock. A few minutes later, she picked up the pace and did not let me slow it down. I kept her ass spread until she stiffened.

“I am coming on your amazing cock,” she gasped.

She shook uncontrollably in orgasm, and I held her hips and steadied her, keeping her writhing ass impaled on my cock. I thrust in her ass a few times before she went limp. I soon pulled out.

“I love your luscious ass,” I said, tapping her asshole with my cock head.

“I love your incredible cock,” she gasped.

“Doris, turn around, and suck my big cock,” I instructed as I plugged mom’s ass and moved behind Doris.

Doris turned around and took my cock in her mouth. She sucked it eagerly, and I fucked her throat.

“That’s enough, baby,” I said, slapping her face with my cock. “How did it taste?”

“It tasted good,” she said.

“Turn around,” I instructed. “Show me your hot ass.”

She turned around, and I knelt behind her ass. I pulled the butt plug out of her ass and brought it to her mouth.

“Suck it clean,” I said.

She took the butt plug in her mouth and moaned around it as she sucked it.

“Good girl,” I said as I put the butt plug aside.

“Is your hot ass horny?” I teased as I spread her ass, making her asshole gape.

“Yes,” she hissed.

She moaned as I pushed my tongue up her open ass. She nibbled my tongue as I probed and fucked her ass with it. I ate her asshole eagerly, and she came within a few minutes. She shoved her ass into my face as I held her hips. I wiggled my tongue within her twitching asshole until her orgasm subsided.

Her asshole remained open. I drooled inside it as I got up. I squeezed lube on my cock and pressed my cock head into her asshole, popping it in and making her gasp.

“Do you want to get fucked in the ass, my married whore?” I teased, holding her hips.

“Yes,” she hissed. “You know how much I do, lover.”

“Brace yourself, baby,” I said, picking up the pace. “Your cock-craving ass is going to get fucked.”

“Give it to me, lover,” she gasped, pushing her ass back.

Her horny ass received a vigorous drilling from the beginning. She came hard within a few minutes.

While she caught her breath, I spread her ass and worked my cock in and out of her ass in long strokes. She soon started to fuck back.

“Get your slutty ass fucked,” I said as I stopped thrusting in her ass.

She thrust her ass into me rhythmically at an accelerating pace while I spread her ass for her. I slowed her down when she moved her ass briskly. A few minutes later, she moved her ass faster, and I let her until she came hard. I fucked her ass slowly while she recovered.

“This is a great ass,” I said as I pulled out of her and tapped her ass with my cock head. “It’s worth getting fucked.”

“Thank you, lover,” she gasped.

“It’s your turn to suck my big cock, mom,” I said, plugging Doris’s ass and moving behind mom.

Mom turned around and did not hesitate to suck my cock eagerly. I held her head and fucked her throat.

“How did your slut friend’s horny ass taste?” I said, slapping her face with my cock.

“It tasted good,” she said.

“Sit on the edge of the bed next to each other, facing away from me, both of you,” I instructed.

They soon got into position.

“Fall to the outer sides, and push your asses and legs together,” I said.

They complied, laying their trunks along the edge of the bed.

“Bring your heads as close to your knees as you can, but keep your asses pressed together,” I said.

They got into position, and I popped their butt plugs out.

“This is how I am going to fuck you now,” I said, lubing my cock. “I want your holes together when I fuck them.”

“Fuck us any way you want, lover,” said Doris as I pushed my cock up mom’s ass, making her gasp.

“That’s the plan, my dirty slut,” I said, thrusting in mom’s ass. “Spread your horny asses, both of you.”

They spread their asses, and I fucked mom’s ass harder. Mom soon came. I moved my cock to her drenched pussy. I fucked it to orgasm and moved my cock to Doris’s pussy. After Doris gushed on my cock, I pushed it up her ass and fucked it to orgasm. After that, I switched my cock between their asses, dipping it briefly in both pussies before switching asses to put their leaking juices to good use.

“You’ve tasted each other’s pussy and ass on my cock,” I said as I fucked mom’s ass. “Guess the next step.”

“You want us to taste each other’s pussy and ass firsthand?” said Doris.

“It’s intuitive, isn’t it?” I said.

“You are so dirty,” mom gasped.

“Innocent kids don’t fuck dirty married whores, do they?” I said.

Mom soon came, and I fucked Doris’s ass to orgasm.

“Sixty-nine with mom on top and her ass facing my way,” I instructed.

They got into position as I lubed my cock.

“Lick each other’s pussy to orgasm while I fuck mom’s ass,” I said, pushing my cock into mom’s ass. “Doris, spread mom’s ass too. Mom, you are welcome to finger her asshole.”

Doris spread mom’s ass, and I fucked it briskly to orgasm.

“Mom, you have to make her come,” I said as thrusting gently in mom’s ass.

Doris licked mom’s drenched pussy clean. I then pushed my cock into her mouth. She welcomed my cock and deep throat it eagerly. I fucked her throat until mom made her come. I then fucked mom’s pussy to another orgasm. I pulled out, and Doris licked mom’s pussy clean. She sucked my cock until she came again in mom’s mouth.

“Turn around, and roll over so I can give Doris the same treatment,” I said.

They got into position, and I fucked Doris’s ass and pussy similarly while she ate mom’s pussy to two orgasms. Mom eagerly cleaned up Doris’s drenched pussy and sucked my cock.

“Mom, lie back and pull your legs over your head with your ass next to the edge of the bed,” I instructed.

Doris dismounted mom, and mom got into position quickly.

“Doris, kneel astride mom’s ass, bringing your pussy to hers,” I instructed.

Doris got into position as I lubed my cock. They smiled at each other. I adjusted her positions for maximum access.

“Kiss while I fuck your nether fuck holes,” I said, pushing my cock into mom’s ass.

Doris lowered her mouth to mom’s, and mom started moaning into her mouth as I fucked her ass briskly. I did as I did when they had their asses and legs together, fucking all holes first and then only their asses.

“Do you have any idea what the next step is?” I said.

“You want to come in our mouths or on our faces together?” gasped Doris as I drilled her ass.

“It’s so intuitive again,” I said. “I’ll come on your faces, and you’ll lick my come off each other’s face and kiss.”

“You are a pervert,” she gasped.

“I don’t care as long as it’s the most natural thing to do,” I said. “You figured it out yourself.”

She soon came, and I pulled out of her ass.

“Kneel down on the floor like good come sluts,” I said.

They knelt down side by side, and I offered them my cock. They sucked it hungrily together until I was ready to come. They knew it was time. I pulled out, and they tilted their faces up.

“Get ready, my dirty come sluts,” I said as I stroked my twitching cock vigorously. “The come’s coming.”

They pushed their faces together, and my come started flying and splattering their faces. I drained my balls on their faces and wiped my sticky cock head on their lips.

“Lick it all up, sluts,” I said, pulling back. “Don’t be greedy. Take turn, and kiss every time.”

They took turns licking my come off each other’s face and kissing while I watched. When they were done, I motioned them to my soft cock, and they revived it eagerly.

“Mom, get on your hands and knees on the bed,” I said, slapping their faces with my cock. “Doris, spread her ass.”

Mom got into position, and Doris spread her ass for me while I lubed my cock. Mom’s asshole gaped slightly. It accepted my cock head effortlessly. I held mom’s hips and fed her ass my entire cock. I fucked mom’s ass hard to orgasm. I then pulled out and pulled Doris’s head to my cock. Doris sucked my cock eagerly. I fucked mom’s pussy to orgasm while Doris spread mom’s ass. I let Doris suck my dripping cock clean in the end.

“Switch places,” I said.

Mom spread Doris’s ass for me and sucked my cock after Doris’s anal and vaginal orgasms.

“Get on your hands and knees next to her,” I said, slapping mom’s face with my cock.

Mom assumed the position, and I fucked her ass. I switched my cock between their asses after every orgasm, occasionally fucking their drenched pussies.

“Lie back, and pull your heels to your ears,” I instructed.

They got into position, and I started with mom’s ass. I fucked all four holes and occasionally fondled their tits, pinching and twisting their nipples.

“What’s the next step?” I asked.

“You are going to come in our mouths and have us pass your come back and forth?” said Doris.

“It’s a little more advanced than that,” I said.

“You want to come in my ass and have her feed me the come with her fingers?” gasped mom.

“No, mom,” I said. “I am going to come in your pussy.”

Mom soon came, and, while she shook in orgasm, I switched my cock to her twitching pussy and filled it with come. I drained my balls in the depths of her pussy.

“Doris, you are going to suck my come out and share it with her,” I said. “Make her come when you eat it out.”

“That sounds like fun,” said Doris, getting up.

“It’s supposed to be fun,” I said as she knelt next to me. “Aren’t we celebrating the New Year?”

Doris pounced on mom’s slimy pussy as soon as I pulled out. Mom started moaning. Kneeling behind Doris, I fondled her tits and fingered her holes. She ate my come out, making mom come. She dribbled the come into mom’s mouth. Mom got up, and they kissed sloppily, passing my come back and forth. They finally swallowed their shares.

“Was it fun?” I asked Doris as I hopped onto the bed.

“It was a lot of fun,” she smiled.

“Let me eat your pussy and ass while the two of you get my cock hard again,” I said, lying back.

Doris mounted me in the sixty-nine position, and I pulled her ass down and proceeded to eat her asshole while she and mom sucked and licked my cock and balls eagerly, moaning. I tongue fucked both Doris’s fuck holes while she and mom revived and deep throat my cock.

When my cock was rock hard, Doris sat up, and mom straddled me in the cowgirl position, impaling her pussy on my cock. Mom rode my cock to orgasm while I made Doris come in my mouth again. Mom switched my cock to her ass and rode it to another orgasm. Doris rode my tongue to another orgasm too. They switched places, and I fucked mom’s pussy and ass with my tongue while I fucked Doris’s pussy and ass with my cock. Each came twice. They dismounted me and sucked my cock together.

“Get on all fours, bitches,” I said. “Show me your horny asses.”

They got into position, and I subjected their four fuck holes to vigorous drilling, making each come several times.

“Suck it,” I instructed.

After ten minutes of fucking their throats, I pushed them onto their backs, pushing their legs over their heads. I lubed my cock thoroughly and fucked their holes hard, especially their asses.

“You think you can suck my come out of your slut friend’s pussy and share it with her?” I said to mom.

“Yes,” said mom.

Doris came, and I filled her twitching pussy with come.

Mom ate Doris’s slimy pussy while Doris sucked my softening cock, which started to get hard when Doris came in mom’s mouth. Mom and Doris shared the come lewdly, and each swallowed her share.

My cock was hard enough to fuck. I lubed it and arranged mom on all fours.

“Get on all fours on top of her,” I said to Doris.

They stacked their asses, and I started with mom’s ass. After mom came, I fucked Doris’s ass. I then fucked their pussies to orgasm. I moved my cock up and down, switching it from a horny hole to another, making them come repeatedly for nearly half an hour. I then went around them and took turns fucking their throats.

“Lie on your sides back to back and pull your knees to your tits,” I instructed.

When they got into position, their fuck holes were again next to each other. I started with mom’s pussy and fucked all holes hard, making them come repeatedly.

“Let’s turn the TV on so we don’t miss the turn of the year,” I said.

Mom got up and turned the TV. We were about half an hour away from midnight.

“Nick, I want to come in your mom’s mouth while she eats my pussy and finger fucks my asshole,” said Doris.

“That’s okay by me if it’s okay with mom,” I said.

“It’s fine by me,” said mom.

“We all need to be coming at midnight,” I said.

“We can manage that,” she said.

“I’ll be pumping your hot ass full of its first come load,” I said, lubing my cock.

“Yes,” she said.

“Ride me in the anal Asian cowgirl position,” I said as I sat on the couch.

Mom squatted on my cock, impaling her ass with it as I spread her ass for her. She bounced on my cock, and I paced her until she came. I motioned Doris to take her place, and she did. She bounced her ass on my cock to orgasm. They sucked my cock together.

“Mom, kneel on the chair, and push your ass out,” I said as I lubed my cock.

Mom got onto the chair, and I pushed my cock into her ass. I held her hips and pounded her offered ass to orgasm. She got off the chair, and Doris took her turn. I pulled the chair in front of the couch and sat on the couch.

“Mom, crouch between my legs and bounce your ass on my cock,” I said as I moved forward and spread my legs.

Mom carefully impaled her ass on my cock, propping herself on the chair. I spread her ass and watched it bounce to orgasm. Doris took her turn and rode my cock to orgasm.

“We need to get ready,” I said, pushing them to the bed. “Get on all fours, mom, and eat your slut friend’s pussy.”

Doris lay back in front of mom and spread her legs, bending them at the knees. I lubed my cock thoroughly and skewered mom’s offered ass with it. Mom ate Doris’s pussy and finger fucked her asshole while I drilled mom’s ass at an accelerating pace according to the remaining time. Mom stepped up her attack on Doris’s fuck holes according to my rhythm. Only a few minutes separated us from the New Year.

“We don’t want to come right at midnight,” I reminded. “We need to be coming at midnight. We need to come when the countdown starts at the latest.”

We paced our progress according to the time and vocal feedback, and we hit it.

“I am coming,” gasped mom about seventeen seconds before midnight.

“I am coming too,” I announced at the beginning of the countdown.

“Me too,” gasped Doris.

Three hours after the ball dropped in New York, I dropped the load of my two balls deep in mom’s twitching rectum. My orgasm was so powerful I saw fireworks of my own. Mom came her ass off while Doris gushed in mom’s mouth, her asshole fluttering around mom’s jerking fingers. We all had phenomenal orgasms that drained us completely. I lay on my back on the bed as mom collapsed on her stomach. Doris was already lying on her back.

“That was an orgasm worth the turn of a million years,” gasped mom, breaking our silence.

“I second that,” I said.

“Me too although I was not getting fucked,” gasped Doris.

“I actually saw fireworks,” gasped mom.

“Me too,” I said.

“So did I,” gasped Doris.

“Are you ready to eat this historic come load out of mom’s hot ass and share it with her?” I said.

“Yes, of course,” she said, getting up. “I wouldn’t miss it for the world.”

Mom rose on her hands and knees, and I fed her my soft cock. She sucked it moaning around it while Doris spread her ass and ate her come-filled asshole. Doris did a great job, making mom come while mom made my cock hard. They shared my come lewdly while I lubed my cock and fingered Doris’s asshole, transferring her pussy juices to it.

After Doris swallowed her share, I pulled her ass onto my cock, and she impaled it. I held her hips and thrust into her ass at an easy pace. She got onto her hands and knees, and I picked up the pace. Mom pushed her drenched pussy in Doris’s face. Doris lowered her mouth to mom’s pussy and moaned into it as I fucked her ass.

We changed positions and holes many times before it was time for me to fill Doris’s twitching ass with come in one of her hardest orgasms. Mom came in Doris’s mouth at that time too. She then ate my come out of Doris’s ass, making her come, and shared it with her.

“We didn’t eat anything but come,” said Doris as we lay down.

“We can call room service,” I said.

“I am not going to eat at two in the morning,” she said.

“Let’s then shower and call it an incredible day,” I said.

That was what we did.

We went to bed naked. They wore their butt plugs before bed. I drifted to sleep sandwiched between two of the hottest sluts in the world. My cock started to get hard as I went into sleep.

When I woke up, my cock was already rock hard, and I was instinctively grinding into mom's ass.

"Good morning," said mom when I squeezed her tits.

"Good morning, and happy New Year, sluts," I said.

"We totally forgot about that," said Doris. "Happy New Year, stud. Happy New Year, Amy."

"Happy New Year, Doris," said mom. "Happy New Year, baby."

"Yesterday was the most incredible day of my life," I said.

"Yesterday was the most incredible day of the life of the United States of America," smiled Doris.

"Yes," laughed mom.

"That doesn't mean that I am not going to fuck you silly now and send you home, your asses full of come," I said.

"I hope not," said Doris.

"What are you doing?" I said. "Suck my cock."

Mom and Doris pulled the covers, exposing my hard cock.

"Happy New Year, my baby's big beautiful cock," mom said to my cock, which throbbed in response.

"Happy New Year, my lover's big beautiful cock," said Doris.

Mom's pussy and ass soon greeted me while she sucked my cock with Doris. I unplugged mom's ass and ate her pussy and ass to orgasm. Doris brought her pussy to my mouth, and I ate both her holes to orgasm. A few minutes later, my cock greeted mom's juicy pussy and made it come. I then fucked mom's ass to another orgasm. I greeted Doris's pussy and ass similarly.

"My come's going to stay up your bowels," I announced, plugging mom's ass. "My first come load is for Doris. Mom, I'll fuck her ass and your pussy until I come in her ass. I'll fuck her pussy and your ass until I come inside it."

That was what we did. I had them eat each other's pussy and ass and suck each other's nipples too.

We hardly had enough time to finish, shower and get dressed before the checkout time. We were starved too.

Doris took care of the checkout while mom and I grabbed food.

"If you come with me, I'll suck your big cock while you drive," said Doris.

"It's my turn to do that, you greedy slut," said mom.

Doris drove home alone, and I drove mom home. She sucked my cock on the way. I occasionally reached out and squeezed her ass or tit. She made me come in her mouth right after we left the freeway. She sucked my cock dry and swallowed every drop. She zipped me up and sat up prettily.

"I won't be able to keep my hands off your hot body," I said.

"We have to do it only behind locked doors," she said. "We'll have plenty of time to do that though."

"You are going to get fucked silly," I said. "You'll get more cock than most whores."

"I know, and I love it," she said.

When we parked in the garage, we kissed deeply. Her mouth still tasted of come.

"You are a dirty slut," I said. "Your pussy's dripping, your ass is full of come and your mouth tastes of come."

"I am not as dirty as you allude to," she smiled. "My pussy isn't full of my son's hot sticky come."

"You think it should have been?" I said.

"Do you think it's right for me to start the new year with only two holes full of come?" she said.

"We'll try to fix that," I said.

Lynn came over, and she received her New Year's fuck. I sent her home all her holes full of come.

Mom and I snuck into my room for an hour, and I fucked all her holes. I filled her pussy with come while her ass was plugged. She sucked my cock to make her mouth taste of my come.

"Now I feel complete," she said as she left.

"So do I," I said quietly as I watched her hot ass twitch on her way out of my room.

## HUSBANDS TRAIN FOR THE GAME

Dad was home. He was alone in the living room, reading a book.

“Where is my New Year’s fuck?” said mom. “Nick has just given his girlfriend hers.”

“Don’t talk like that here,” he said lowly.

“Let’s go to the bedroom so we can talk,” she said.

He got up and followed her to the master bedroom.

She locked the door and sat on the edge of the bed, hiking her dress. She spread her legs, exposing her pussy.

“Say happy New Year to my little pussy, and eat it,” she said.

He knelt down before her pussy.

“Happy New Year,” he said.

“Thank you,” she said, leaning back and pulling her knees up.

That exposed the base of her butt plug.

“You are wearing a butt plug?” he said.

“Do you remember the Discreet Cheating Club?” she said. “Didn’t we say that it involved anal sex? I had to train my little asshole so my young lover would be able to fuck my ass with his big fat cock.”

“Didn’t you say that the club didn’t work out?” he said.

“It didn’t work out in the sense that we didn’t find a little slut suitable for you,” she said. “We found a young lover for me who had a big cock. Therefore, I still need to train. I don’t want him to tear my little asshole with his big cock.”

“You are going to join the club without me?” he said.

“Of course not,” she said. “I know you’d go nuts if your wife got fucked royally and you didn’t fuck a little slut.”

“It isn’t like that,” he said.

“What’s it like?” she asked.

“We should both be members of the club,” he said.

“What if we both were members of the club but you didn’t find a little slut?” she said. “Would you say we have to quit because I can’t get fucked while you can’t fuck a little slut and stretch her tight little orifices?”

“No,” he said.

“Would you let me get fucked before you fuck your slut?” she said.

“Yes,” he said.

“Then, why did you panic when you thought I joined the club without you?” she said.

“I don’t know,” he said. “I guess that was wrong.”

“You think it’s okay for me to join the club even if you didn’t?” she said.

“Yes,” he said.

“You think it’s okay for me to get my brains fucked off while you don’t have a little whore to suck your cock and swallow your come?” she said.

“Yes,” he said.

“You know that I don’t have to tell you if I find a lover,” she said. “I don’t have to tell you I am going out tonight to get fucked silly so don’t wait up for me.”

“I know that,” he said.

“Would you like me to tell you if I got fucked royally by my insatiable lover?” she said.

“I don’t know,” he said. “Maybe not.”

“Do you know that talking about getting fucked royally with my young stud’s big cock makes me leak?” she said.

“Yes,” he said.

“You think you can suck my juicy pussy dry?” she said.

“Sure,” he said.

“Go for it,” she said. “You need to suck hard because the butt plug constricts the flow.”

He dove for her slimy pussy and went to work. She moaned and humped his face, encouraging him constantly.

“Eat my squishy pussy after my young stud fucked it silly and filled it with his hot sticky come,” she urged.

Her dirty talking made him eat her pussy more hungrily. He sucked my come right out of it, and that drove her crazy. She came twice while he devoured her gooey pussy.

“Oh, honey, you made me come twice,” she gasped. “Let’s save the fuck for later. You were busy anyway.”

“Okay,” he said with a little disappointment.

Mom called Doris right away.

“I had Nick fuck all my holes and fill my pussy with come and had Dan eat my slimy pussy clean,” said mom.

“You did that?” said Doris in disbelief.

“I even urged him to eat my gooey pussy after my young stud fucked it silly and filled it with come,” said mom.

“He didn’t protest?” said Doris.

“He ate it more hungrily,” said mom. “I came twice while he cleaned my pussy of Nick’s come.”

“You are a lucky bitch,” said Doris. “Let me see if I can do something like that.”

Doris called me right after that.

“Nick, I need you to come in my pussy,” she said. “You can’t neglect it on the New Year’s Day.”

“How am I going to fuck it?” I asked. “Are you alone?”

“I am not alone, but we must be able to find a way to sneak for half an hour or so,” she said. “Just come over.”

“I’ll try to sneak into the bedroom,” I said.

“Okay,” she said.

If I were caught, they would assume I was sneaking up on Lynn. I knew their house very well, so it should be easy.

About five minutes later, I was hiding in the closet of the master bedroom.

“Lock the door,” I whispered when Doris entered the room.

“You made it,” she said, locking the door.

We kissed, and she dropped to her knees. She deep throated my cock for a few minutes. I spent an hour with her. I fucked all her holes in different positions. In the end, I filled her twitching pussy with come. Her ass was plugged.

She helped me sneak out of the house.

“Honey, you have to kiss my horny pussy and eat it for the New Year,” she whispered in her husband’s ear.

“Now?” he asked lowly.

“If you wait, my juices may run down my legs, and Lynn may notice,” she whispered. “Do you want that?”

“No,” he said.

“Follow me, right away,” she whispered.

She headed to the bedroom, and he soon followed.

When he entered the room, she was already sitting back on the bed, her pussy exposed as she spread her legs.

“Can you see how wet and juicy it is?” she teased.

“Yes,” he said.

“Isn’t it mouthwatering?” she said.

“Yes,” he said.

“Dive in, and suck it dry,” she said.

When he dove for her pussy, he saw the base of the butt plug.

“You are wearing a butt plug?” he said.

“It’s for the Discreet Cheating Club,” she said. “I had to be ready for anal sex.”

“Didn’t you say the club was canceled?” he said.

“It got complicated,” she said. “Because it’s difficult to find little sluts, the men had to find their own little sluts. That practically turned the club into a cougar club.”

“What?” he said.

“Because it’s easy to find young boys willing to fuck anything that moves, it became easy for hot wives to find young studs,” she said. “That made it more appealing to bored wives.”

“Are you a member of that club?” he said.

“You don’t want me to join?” she said.

“How can you join if I am not a member?” he said.

“You can be a member, but you can’t find a partner, so what’s the point?” she said.

“In that case, you shouldn’t join either,” he said.

“Oh, so you let me get fucked only because you wanted to fuck little whores?” she said. “You actually didn’t care about me and my satisfaction and happiness?”

“Of course I care about your satisfaction and happiness,” he said.

“Then, why do you want me to quit after you agreed that it was a good idea for me to join?” she said.

“It was supposed to be a couples club,” he said.

“It wasn’t supposed to be a wife swapping club,” she said. “Couple would be separated and isolated.”

“Yes, but we’d still be there as a couple,” he said.

“You can still join, but it wouldn’t make a difference,” she said.

“That would be unfair,” he said.

“It isn’t fair for your wife to have fun and find happiness if you didn’t fuck a young slut?” she said. “It’s fair for your wife to be bored and miserable as long as you are without a teenage whore?”

“It isn’t like that,” he said.

“You mean I can have the type of fun you’ve already agreed to if you don’t have a young whore?” she challenged.

“Yes,” he said.

“Imagine that my young stud has fucked me silly and filled my juicy pussy with come,” she said. “Eat it all out, and suck my pussy clean so my lover can fuck me again and fill my horny little pussy with more of his creamy come.”

He lowered his mouth to her drenched pussy and proceeded to eat it.

“If you are hard when you are done eating my lover’s come out of my pussy, I should join the club,” she said. “If you are soft, I shouldn’t join the club. Instead, I should bring a young lover home and have you watch him fuck me.”

He devoured her pussy, and she kept talking dirty to him. She came twice in his mouth.

“Is your cock soft or hard?” she asked.

“It’s hard,” he said.

“I should join the club and have my young lover fuck me in every hole I have like a cheap whore?” she said.

“Yes,” he said.

“You’ll eat his come out of my well-used pussy and ass?” she said.

“No,” he protested.

“Honey, when you are the husband of a cougar, you should eat her lover’s come out of her pussy and ass,” she said. “If you think that’s wrong, you need to think about it. It’s important to her. It makes a world of difference.”

“Are you serious?” he said.

“Of course,” she said. “A friend of mine has just had her husband eat her lover’s come out of her well-fucked pussy. That was why I wanted you to eat my lover’s hot come out of my slimy pussy. Did you enjoy that anyway?”

“Yes,” he said.

“You’ll enjoy eating my lover’s creamy come out of my loose asshole even more,” she said.

“That’s crazy,” he said.

“Didn’t it make your cock hard?” she said. “The husband gets hard when he tastes his slut wife’s lover’s come in her pussy and ass. It makes him know what a cock-craving slut his wife is.”

“I’ll think about it,” he said.

“As soon as you agree, I’ll tell you who my young lover is,” she said.

“Do you already have a young lover?” he said.

“It all depends on you,” she said. “I told you nearly every kid’s willing to fuck anything that moves. I only need one with a big hard cock who knows how to use it.”

“How are you going to find that?” he asked.

“Just like you can spot a girl with nice tits or a nice ass, I can spot a guy with a nice cock,” she said.

“Okay,” he said.

“I actually have one in my mind, but you have to be ready,” she said.

“Okay,” he said.

In the evening, mom snuck into my room for an hour. She left with her plugged ass full of come.

When mom and dad went to bed, she got on all fours and hiked her nightgown, exposing her plugged ass.

“Honey, take the butt plug out, and eat my asshole,” she said.

“What?” he said. “Why do you want me to eat your asshole?”

“My ass is now relaxed and full of gooey stuff,” she said. “You can stick your tongue inside it and suck its filling. You can find out how it feels to eat my lover’s come out of my ass after he fucks it royally and fills it with his come.”

“I am not going to eat your lover’s come out of your ass,” he said.

“If you like this, you may,” she said. “Give it a try. Can you see how wet I am? You can eat my pussy after that.”

“What’s in your ass?” he said.

“It tastes a little better than come, but you can think of it as my lover’s come,” she said.

“You are obsessed with this,” he said.

“Having an insatiable young stud fuck your wife like a cheap whore is a big event in her horny life,” she said. “Of course, I have to be obsessed with it. Weren’t you obsessed with your first piece of ass?”

She trembled when he reached for the base of the butt plug. He gently pulled the butt plug out. She relaxed her asshole to make it slide out easily. Her asshole was so relaxed it almost gaped.

“This butt plug’s big,” he said.

“Your wife’s ass has to be ready to get fucked with a big fat cock,” she said. “Her young lover has such a cock.”

He licked her asshole tentatively, making her gasp.

“You can stick your tongue inside it,” she said. “It’s clean. Eat my come-filled ass, honey. You’ll love it.”

He ate her asshole more and more daringly. She moaned and ground her ass into his mouth, encouraging him.

“Show my young lover that, if he wants to keep my ass full of his sticky come, he has to keep fucking it and filling it with come,” she moaned. “He can’t do that once and expect my ass to be slimy with his hot come forever.”

She relaxed her asshole and started feeding him the come. He licked and sucked her asshole hungrily.

“Make me come,” she urged, gasping and thrusting her ass into his face. “Good husbands do that.”

He kept it up until she came.

“You did a great job, honey,” she gasped. “Now my asshole feels so empty. Pop the butt plug back in there.”

He pushed the butt plug into her ass, and it popped in.

She lowered her hips to the bed and rolled over.

“Did you enjoy it as much as I did?” she gasped.

“I enjoyed it but maybe not as much as you did,” he said.

“You can eat my drenched pussy to make up for that,” she said, spreading her legs. “It’s so ready to be eaten.”

He took his position and ate her pussy to orgasm. He licked it clean after she came.

“You made me come four times today,” she said. “Do you want to fuck me until you come four times?”

“I don’t think I can come four times,” he said.

“You can come as many times as you want as long as you don’t come inside me,” she said. “From now on, I only want my lover to come inside me so you can fully enjoy having a slut wife.”

“Where am I supposed to come?” he said.

“Outside,” she said, spreading and bending her legs. “Go for it.”

He took his clothes off and took his position between her legs. He inserted his cock in her pussy and fucked her. "Do you like to fuck me after my lover has fucked me royally?" she teased.

"You like that idea," he said.

"Any woman would love to have two guys fuck her especially if one of them fucks her for hours," she said.

"You really think a young lover can fuck you for hours?" he said. "I was young, and could never do that."

"He's a young stud, not just a young lover," she said. "Can't you feel how loose he made my little pussy?"

"You feel loose, but that has nothing to do with it," he said. "Dream on."

He made her come before he pulled out and came on her belly.

"Stick your tongue out, and taste your come," she said. "See how your come tastes compared with his come."

"That's disgusting," he said.

"Don't be silly," she said. "You know that most well-paid whores swallow come."

He tentatively tasted his come on her belly.

"Your lover's come tastes better," he said.

"You've eaten a lot of his come today," she said. "Be fair to yourself. Taste your come well."

He took another taste.

"Your lover's come's tastier," he said. "I'd rather eat it than eat my own come."

"Well, we don't have any more of my lover's come," she said. "Why don't you clean me up? You may like it."

"You want me to lick all my come off your body?" he said.

"You've sucked more than that out of my ass," she reasoned. "I know it was more delicious, but it was still come."

He reluctantly licked his come off her belly.

"Thank you for cleaning after yourself," she said. "Do you want to come three more times?"

"This is enough," he said.

"You seem to have enjoyed eating my lover's come out of my pussy and ass more than fucking me," she teased.

"I enjoyed eating your pussy and ass," he said.

"You didn't eat my pussy and ass, honey," she said. "You ate my come-filled well-fucked pussy and ass."

"I enjoyed eating your come-filled well-fucked pussy and ass," he said.

"I am sure my lover would love to hear that," she teased.

"I bet," he said.

"My lover thought I'd keep his come up my ass all night," she said. "I bet he'd grab my ass and fill it with come again if he found out that I'd cheated and fed his come to my husband. Wouldn't you do that to your own slut?"

"What?" he said.

"If you filled your young whore's little fuck holes with come and she had her boyfriend eat her slimy holes clean, would you grab her and fill her horny fuck holes again with your come or would you think it's her problem?" she said.

"I don't know," he said.

"I guess I have to have my lover agree that it's his job, not mine, to keep my fuck holes full of his come," she said.

"I am sure you'd enjoy that," he said.

They went to sleep after that.

In the morning, mom broke the good news to Doris over the phone.

"You are a lucky bitch," said Doris.

"I sure am," said mom.

Doris called me later in the morning.

"My horny ass is hungry for your big cock and come again," she said. "Aren't you going to stop by and feed it?"

"You want me to fuck you in your marital bed again?" I said.

"Yes, I love having you fuck me in my marital bed especially when my husband's home," she said.

"You are a dirty whore," I said. "You are trying to get caught."

"I am a dirty whore, but I am not trying to get caught," she said.

"Is your asshole the only hole hungry for my cock and come?" I said.

"You know it isn't," she said. "It's only the hole hungriest to your big cock and hot come."

"Let them all know that I'll feed them well," I said.

"They are listening," she said.

Sneaking into Doris's bedroom went smoothly.

"This is so hot," she said as she locked the door.

"You are a bad wife," I teased.

"I am a good wife," she said. "Do you know what I did with the come you pumped in my pussy yesterday?"

"What?" I said. "You must have eaten it."

"I fed it to Andy," she said.

"You did?" I said, my cock twitching.

"Yes," she said.

"What did he say?" I said.

"He liked it," she said. "Do you know what I am going to do with the come you are going to shoot up my ass?"

"You are not going to feed it to him," I said.

"I am," she smiled.

"How are you going to do that?" I said. "Does he know about us?"

"He doesn't yet, but I'll manage," she said.

"You are a treacherous slut," I said.

"I am," she smiled, dropping to her knees.

She deep throated my cock eagerly, and we spent about an hour in her bed. In the end, I pumped her ass full of come and plugged it for her. She sucked my cock clean, and I went looking for her daughter.

Lynn was excited to see me.

Meanwhile, Doris lured her husband into the bedroom.

"Honey, to help you decide, I want you to eat my slimy ass," she said.

"What?" he said.

"I want you to see what it's like to eat my lover's come out of my ass," she said. "My ass is full of goeey goodness."

She got on her hands and knees on the bed and wiggled her ass at him.

"What's in your ass?" he asked as she exposed her plugged ass.

"You can call it super come," she said. "It's like come but a little tastier."

"Is your ass clean?" he said.

"Of course, honey," she said. "Do you think I'd let my stud stick his big cock deep up my ass if it were not clean?"

"You are so wet," he said.

"I obviously love feeding my lover's hot come to my loving husband," she said. "My asshole's ready to be eaten. Take the butt plug out, and dive it. It's loose and sticky."

"You are a horny woman," he said as he reached for the butt plug.

"I am a horny slut, but I am a good wife," she said. "I am sharing the goeey goodness with my loving husband."

He popped the butt plug out, making her gasp, and tentatively tasted her asshole, making her moan.

"My asshole's delicious," she moaned. "Otherwise, I wouldn't want you to taste it and eat it."

He held her hips and licked her asshole more daringly.

"All husbands who opened their minds and ate come out of their slut wives' well-used holes loved it," she moaned.

She moaned and ground into his face.

"Spread my ass wide," she moaned. "You need to work harder to get my lover's hot delicious come out."

He ate her asshole more and more hungrily, and she rewarded him by leaking the come into his sucking mouth.

“My asshole’s open,” she moaned. “You can stick your tongue inside it.”  
He probed her asshole with his tongue.  
“Eat my asshole raw,” she moaned, humping his face. “Make me come.”  
He ate her slimy asshole clean, and she came in his mouth.  
“Pop the butt plug up my ass, honey,” she gasped. “I hate feeling so empty.”  
He pushed the butt plug up her ass.  
“Did eating my lover’s hot come out of my well-fucked ass make you hard?” she gasped.  
“Yes,” he said.  
“You enjoyed that, didn’t you?” she gasped.  
“Yes,” he said.  
“You are a good husband,” she gasped. “My pussy must be drenched. Lick it clean, and make me come again.”  
He obliged her and licked her pussy clean.  
“Would you like to fuck me and come all over my ass?” she said.  
“Sure,” he said.  
“Your slut wife wants to reward you for doing a great job at eating her lover’s come out of her ass,” she teased.  
“Okay,” he said.  
“Fuck me, but don’t come inside me,” she moaned. “Only my lover can come inside me. Come on my horny ass.”  
He did not pay much attention to what she had just said as he took his clothes off.  
“Yes,” she moaned as he entered her pussy. “Fuck my faithless pussy.”  
He fucked her hard, and she came.  
“Come on my ass,” she urged while shoving her pussy into him.  
He pulled out and came all over her ass.  
“Is my ass a mess?” she said.  
“Yes,” he said.  
“Why don’t you clean it up for me with your tongue?” she said.  
“What?” he said. “You want me to lick my come off your ass?”  
“Don’t feel bad, honey,” she said. “It’s your come. How are you going to eat my lover’s come then? Taste it.”  
He tentatively tasted his come on her ass.  
“Is it bad?” she said.  
“It isn’t too bad,” he said.  
“Many sluts love to eat come, so it has to taste okay,” she said. “Lick it all up, honey.”  
He was reluctant at first, but he soon picked it up and cleaned up her ass.  
“You did a great job,” she said. “Your slut wife’s proud of you. I am sure my lover will be pleased with you too.”  
“Are you going to tell him if I eat his come out of you?” he said.  
“Aren’t you supposed to take credit for your hard work that your slut wife appreciates so much?” she said.  
“What would he think?” he said.  
“Don’t worry,” she said. “If he doesn’t know already that it’s expected of a good husband to eat his slut wife’s lover’s come out of her well-fucked orifices, I’ll tell him about it. He should think you are a great husband like I do.”  
“Okay,” he said.  
She got up and pecked him on the lips.  
“I must smell like a whore,” she said, getting off the bed. “I need to take a shower. I am a very happy slut though.”  
She walked to the bathroom, swinging her plugged ass.  
Lynn drained three come loads into her horny body before I headed home.  
“Mom, can you believe that Doris yesterday fed my come out of her pussy to her husband?” I said to mom when I caught her alone. “She was going also to feed him the come I pumped up her ass today.”

“What did you think I did with your come that you pumped up my pussy and ass yesterday?” she said.

“What?” I said.

“I fed it to your dad,” she said.

“You are kidding,” I said in disbelief.

“I am not,” she said. “I really did. He doesn’t know it’s real come though.”

“You and she are very treacherous sluts,” I said.

“I know,” she smiled. “Aren’t you proud of us? Don’t you love having our husbands eat your come out of us?”

She reached out and squeezed my boner.

“Is that a yes?” she said, holding my hard cock.

“Yes,” I said.

“You must be a dirty boy,” she teased. “You enjoy feeding your dad your come out of your slut mom’s fuck holes.”

“I guess I do,” I said.

“She’s fed her husband your come out of her ass,” she said. “From now on, we can do that whenever we want. We’ll get them addicted to eating your come out of our well-fucked pussies and asses.”

“You are so faithless,” I said.

“Your big cock’s important to us,” she said, fondling my boner. “We’ll do whatever it takes to keep it.”

“I am sure you will,” I said, shaking my head.

“Don’t forget that I need two come loads to feed your dad tonight,” she said, squeezing my cock.

“How can I forget that?” I said.

“Let me feed you to keep you strong and horny,” she smiled.

She sat next to me while I had my late lunch and fondled my boner all the time.

“Are you ready to fill your slut mom with come?” she asked when I got up.

“What does it look like?” I said, looking down at my bulge.

“It looks wonderful,” she smiled.

“Let’s do it in the master bedroom,” she said.

That was the first time I fucked mom in her marital bed. I spent over two hours there. I spent most of the time fucking her ass. I came inside it and plugged it. She revived me, and I fucked her pussy until I filled it with hot come.

“Be a sweetheart, and ask your dad to come here,” she said after she sucked my cock clean and zipped me up.

That made my cock twitch.

Dad was in his home office.

“Mom’s calling you,” I said. “She’s upstairs in the bedroom.”

“Thank you,” he said. “I’ll be there in a minute.”

He soon went up.

“Lock the door, and come to eat,” she called. “I am full of my lover’s come in both holes.”

She was naked on the bed, her legs spread wide. Her pussy was drenched.

“You like this too much,” he said as he got onto the bed.

“Do you want me to find another lover to do my husband’s duties?” she teased. “I thought you enjoyed it.”

“I like it, but you like it too much,” he said.

“Men are funny,” she said. “If we don’t give them what they like, they complain. If we do, they complain too.”

“I am not complaining,” he said.

“Start with my slimy pussy,” she said. “My pussy’s the appetizer. My ass is the main course.”

He dove between her legs and went to work, making her come. She rolled over and pushed her ass out. He unplugged it and ate it clean, making her come again. He plugged it on his own when he was done.

“Lick my pussy clean, and make me come while you are at it,” she gasped.

He obliged her.

“Aren’t you happy now that you have a happy wife?” she smiled, getting up. “You have a dirty but happy wife.”

“I am happy,” he said.

“Thank you, honey,” she said.

She pecked him on the lips.

For the following few days, I daily pumped six come loads into my sluts’ pussies and asses. In the middle of the day, I filled Lynn’s pussy and ass with come. I did that to her mom in the late afternoons and to mine in the evenings.

“Honey, I found the perfect lover,” said Doris to her husband right after he ate my come out of her pussy and ass.

“Who?” he asked.

“Nick, Lynn’s boyfriend,” she said.

“What?” he said. “You want to have sex with your daughter’s boyfriend?”

“He’s perfect for this,” she said. “He can come to our house freely because of that. Nobody would suspect a thing.”

“What would your daughter do if she found out about that?” he said. “She’d go crazy.”

“Honey, don’t be silly,” she said. “Did you think I didn’t think about that? A moron would have.”

“What would he think?” he said.

“He’d think I am a hot woman,” she said. “I hope he’s right.”

“Wouldn’t he tell his friends?” he said.

“Do you think we can prevent him from telling his friends now?” she said. “He doesn’t have to have a proof.”

“Okay, but this is very risky,” he said.

“Why is that?” she said.

“I don’t know,” he said. “What if anything went wrong?”

“Like what?” she said. “Are you afraid my mom or yours would suddenly walk into my bedroom and find my daughter’s boyfriend using me like a cheap whore? That doesn’t even happen in cheap movies.”

“Are you sure this is the right way to go?” he said.

“Yes,” she said. “I already know that he’s a good lover and that he has a big cock.”

“What if he wasn’t interested?” he said.

“You are silly,” she said. “A woman who can’t seduce a kid doesn’t deserve to have a pussy.”

“Be careful,” he warned.

“I’ll soon have him fuck Lynn and me together,” she said.

“You are crazy,” he said. “You are looking for trouble.”

“Honey, you need to take me seriously,” she said.

“Okay,” he said, shaking his head.

“I’ll have a talk with Lynn so she doesn’t go crazy,” she said, getting up. “I don’t want to smell like a whore then.”

She took a shower, and then sat down with Lynn.

“Sweetie, do you remember the Discreet Cheating Club?” said Doris.

“Didn’t you say something was wrong with it?” said Lynn.

“Yes, but you remember that it was beneficial for me to take a young lover, right?” said Doris.

“Yes,” said Lynn.

“Your dad naturally agrees to that,” said Doris.

“Okay,” said Lynn.

“I think I found the perfect lover for me,” said Doris.

“Who?” asked Lynn. “Do I know him?”

“Yes, he’s your boyfriend,” said Doris.

“You want to have sex with my boyfriend?” said Lynn in surprise.

“You agreed that I should take a young lover and that Nick should take a mature woman,” said Doris. “He’s perfect for this. He’s a great lover with a big cock, and he can visit us freely without raising any suspicions. We can share.”

"I don't know what to say," said Lynn. "You took me by surprise."

"We can give it a try," said Doris. "Why don't we have a threesome with him tomorrow while your dad's at work? We can learn from each other and be so slutty and dirty."

"Is dad okay with that?" asked Lynn.

"Sure," said Doris. "I'll soon let him watch Nick fuck me so he can see how much fun and happiness I can have."

"This is so strange," said Lynn.

"Are you ready to do it tomorrow?" said Doris.

"What if he didn't agree?" said Lynn.

"Sweetie, we won't force him," said Doris. "Just give me several minutes with him. Join us when you see me suck his big cock. Everything will go smoothly. I'll take care of it. I promise you he's going to love having us together."

"This is unbelievable," said Lynn.

"It's going to be incredible," said Doris. "The three of us will love it. Your dad will love it too."

"Okay," said Lynn.

"Maybe we can put on a show for your dad on Saturday," said Doris. "You want him to watch Nick fuck us?"

"I am not sure I'd want dad to watch me have sex," said Lynn.

"It's okay," said Doris. "I want to show him that Nick can take care of the two of us. You'll enjoy it."

"This is the craziest thing I've ever imagined," said Lynn.

"My pussy's dripping already," said Doris.

Lynn looked at her in surprise.

"Sweetie, if we are going to get fucked like whores together, we should be able to talk freely," said Doris. "Relax."

"Okay," said Lynn.

"Is your little pussy dripping too?" asked Doris.

"Yes," hissed Lynn, blushing.

"Your boyfriend's going to be a very lucky guy tomorrow," smiled Doris, getting up.

"It looks that way," smiled Lynn.

"We'll try to be as lucky," said Doris.

"Yes," said Lynn.

"Thank you, sweetie," said Doris, leaving.

"Sure, mom," said Lynn.

Doris returned to her husband.

"It was a piece of cake," she said. "While you are at work tomorrow, Nick will fuck me and my daughter silly."

"She agreed to that?" he said.

"Of course," she said. "It's going to be a pleasant surprise for Nick though."

"You think he'd be okay with it?" he said.

"Honey, even a gay guy would convert even if briefly to fuck a woman and her daughter," she said. "Relax."

"Okay," he said.

In the morning, Doris called me.

"Nick, why don't you come over and have lunch with me?" she said. "After I feed you, you can feed your big juicy cock to all my hungry orifices. Does this look like a fair exchange?"

"Sure," I said innocently.

My cock twitched when she met me at the door, wearing a sheer nightgown.

"You are already ready for dessert," I smiled.

"I call it the main course," she smiled.

We kissed deeply, and I felt up her tits and plugged ass thoroughly before she led me to the dining table.

She teased my boner with her toes while we had lunch.

“Are you ready for the main course?” she smiled, leading me to the living room.

“It’s going to be an open buffet,” I smiled.

“You have no idea,” she smiled.

She pushed me onto the sofa and knelt before me.

“You are going all out today,” I said as she pulled my pants and underwear off, setting my hard cock free.

“We can go to the bedroom later,” she said, stroking my hard cock. “Are you comfortable here?”

“I am very comfortable,” I said.

She spent a few minutes licking and teasing my cock and balls. My cock leaked, and she licked its juices off. She took my cock in her mouth and sucked it lazily. It was soon down her throat. She deep throated my cock leisurely.

“Mom, you are sucking my boyfriend’s big cock,” whined Lynn suddenly.

That took me by complete surprise. I did not know what to say or do. I remained silent, looking at Lynn as she looked at her mom, waiting for an answer.

“It’s a big juicy cock, isn’t it?” said Doris, surprising me even more.

“Yes,” said Lynn, kneeling next to her mom. “Why are you sucking it?”

“It’s a beautiful cock,” said Doris. “Any woman or girl would love to suck it.”

“But he’s my boyfriend,” whined Lynn.

“Sweetie, when your hot boyfriend has such a gorgeous cock, you have to share,” said Doris.

“You want us to share him?” said Lynn.

“Yes,” said Doris. “Why don’t you lick one side, and I’ll lick the other? We’ll soon figure out a nice routine.”

“I’ve never done that before,” said Lynn.

“You can learn easily,” said Doris. “I am sure Nick has never fucked a married slut with her daughter.”

That made my cock twitch.

Doris moved a little to the side, and Lynn moved closer to my throbbing cock.

“Nick, are you okay with this?” asked Lynn.

“Sweetie, never ask a guy with a rock hard cock,” said Doris, shaking my cock. “This is your answer.”

“Okay,” giggled Lynn.

My cock twitched as they stuck their tongues out and approached it from both sides. My cock twitched again as they teased it with their tongue tips. They licked and sucked my cock firmly, occasionally holding my eyes.

Doris was the first to take my cock head in her mouth. She sucked it while Lynn licked my shaft. After that, they took turns sucking my cock deeper and deeper. Before long, they were deep throating it hungrily like they had been doing it all their lives. I enjoyed that very much.

“Mrs. Flint, can you please show me your beautiful tits?” I said.

“Nick, I am sucking your big mouthwatering cock,” said Doris. “Don’t call me Mrs. Flint. Call me Doris or slut.”

“You are a hot slut, Doris,” I smiled.

“Now you are talking,” she smiled, pulling her nightgown off.

Doris was completely naked.

“Lynn, show me your fine tits too?” I teased, squeezing Doris’s tits. “Do you want me to call you slut too?”

“No,” said Lynn, blushing.

She took her top off, exposing her tits.

“You are a hot little slut,” I said, squeezing Lynn’s tits. “You are obviously taking after your hot slut mom.”

“You like having two horny sluts spoil your big cock?” said Doris.

“Oh, yes,” I said. “My big cock will soon spoil your tight fuck holes, leaving them loose and sticky.”

“I bet it will,” she smiled. “Let’s spoil it while we can.”

“Are you having fun?” I said as I pinched both Lynn’s stiff nipples while she sucked my cock, moaning around it.

“Yes,” hissed Lynn.

“I can’t wait to fuck you and your slut mom together,” I said. “Are you excited about that?”

“Yes,” she hissed.

“You are a good slut,” I teased.

“She’s her mother’s daughter,” said Doris.

“A good slut can only give birth to a good slut,” I said.

“That’s right, lover,” she said.

“The little slut’s still overdressed though,” I said.

Lynn blushed. She took her skirt off.

“Now she’s a great slut,” I said as I reached out and squeezed Lynn’s ass, which was plugged too. “Your slut daughter has a fine tight ass.”

“I bet your big cock won’t leave it tight for long,” said Doris.

“That’s right,” I said. “When I am done with the two of you, all your holes will be loose. Make sure not to let your husband see your well-used holes. He might think you were gang-raped.”

“I’d tell him that I was just fucked royally by my young stud,” she said.

“He might not believe that one guy could do so much damage,” I said.

“He’s welcome to watch next time,” she said.

“That’s one way to do it,” I said.

They sucked and deep throated my cock hungrily together for several minutes.

“Let’s not keep him sitting back all day,” said Doris. “Let’s let him get off his ass and do something himself.”

“Okay,” said Lynn.

“I’ll get off my ass and do *things* to your hot ones,” I said as I got up and pulled them up.

Doris brought her lips to mine, and I kissed her deeply, fondling her tits and ass. I treated Lynn similarly.

Doris got on her knees on the sofa, and I pushed Lynn next to her. They pushed their plugged asses out.

“You are both wearing butt plugs, you dirty whores,” I said. “You didn’t want my big cock to do too much damage to your horny little assholes.”

“We just didn’t want you to put them out of commission so you wouldn’t be able to fuck them,” said Doris.

“That’s nice,” I said, slapping her ass.

“We did it because our asses are so hungry for your big cock,” she said.

“What about your pussies?” I said. “They are dripping. Are they hungry for cornflakes?”

“They are also hungry for cock,” she gasped as I teased her leaky pussy with my cock head.

“Is that right, Lynn?” I teased as I brushed Lynn’s wet pussy with my cock head.

“Yes,” hissed Lynn.

“Do I have four fuck holes hungry for my big cock?” I said.

“Four plus our mouths,” said Doris. “That’s six cock-hungry fuck holes.”

“I am apparently going to have a fun afternoon,” I said.

“Us too,” said Doris.

“I hope your husband has a lot of work at the office today because I won’t be done with you anytime soon,” I said.

“I can call him and have him spend more time at the office because I am a little too busy,” she said.

“Don’t tell him you are too busy getting fucked silly though,” I said as I knelt down and fingered both pussies.

“Maybe I should, but I am not sure if Lynn wants me to tell her dad that she’s getting fucked with me,” she moaned.

“If you tell him about yourself, you have to tell him about her so he doesn’t think she’s neglected,” I said, pinching Lynn’s clit. “Isn’t that right, Lynn?”

“Yes,” hissed Lynn.

They moaned and humped my fingers as I finger fucked their leaky pussies with two fingers each.

“Her dad has the right to know that his little daughter has matured into a little slut,” moaned Doris.

“What did his loving wife mature into?” I teased.

“His loving wife has matured into a big whore,” she said, her pussy oozing fresh juices on my fingers.

“He should be proud,” I teased. “His wife’s a big whore, and his daughter’s a little slut.”

“He should be proud of that,” she said.

“Do you agree, Lynn, that your dad should be proud of both of you?” I teased, twisting my fingers in their pussies.

“Yes,” hissed Lynn.

While I finger fucked Lynn, I licked and tongue fucked her mom, fondling her tits and pinching her nipples.

“Your boyfriend’s licking and fucking my horny little pussy with his wicked tongue,” moaned Doris.

“He’s fingering my pussy,” moaned Lynn.

“He’ll soon make me come,” gasped Doris.

“Me too,” gasped Lynn.

Doris rode my tongue lustfully and soon gushed around it. Lynn gushed around my fingers.

While they recovered, I switched. I ate Lynn’s drenched pussy while I finger fucked her mom’s to orgasm.

“Are you ready to get fucked, slut?” I said, rubbing Doris’s soaked pussy with my cock head.

“Yes,” hissed Doris. “Fuck me, lover. Fuck your girlfriend’s slut mom.”

“It’s a great fortune when one’s girlfriend’s mom’s a slut,” I said, pressing my cock head into her pussy.

“It’s even a greater fortune when one’s daughter’s boyfriend’s a stud,” she moaned.

“Lynn, how do you like having a slut mom and a stud boyfriend?” I teased, pushing into Doris’s pussy.

“I like it,” said Lynn.

“Do you like it or love it?” I teased.

“I love it,” she said.

Doris thrust back, allowing my cock head to penetrate her pussy.

“Ask me to fuck your slut mom, and acknowledge her as a slut when you do that,” I said, holding Doris’s hips.

“Fuck my slut mom,” said Lynn.

“Thank you, sweetie,” said Doris.

“You want your boyfriend to fuck a married slut and make her his dirty whore?” I said, thrusting in Doris’s pussy.

“Yes,” hissed Lynn.

“You are a good girlfriend, Lynn,” I said. “I am going to fuck your slut mom and you royally.”

“Thank you,” she said.

Doris stiffened when my balls pressed into her clit.

“I am coming,” gasped Doris.

“Your mom’s such a cock-hungry slut, Lynn,” I said, fucking Doris’s gushing pussy harder.

“Yes,” hissed Lynn.

Doris convulsed in orgasm, shoving her pussy into me. I pounded her pussy, giving her a gut-wrenching orgasm.

“Your mom has a hot cock-hungry pussy,” I said.

“Fuck it,” said Lynn.

Acting on Lynn’s advice, I did not slow down. I fucked Doris’s drenched pussy hard even as she went limp. Doris started to fuck back even before she recovered.

“I love fucking your hot little pussy, slut,” I said.

“Fuck it, lover,” gasped Doris. “It’s all yours.”

“I can’t wait to fuck your luscious ass,” I said.

“My ass is all yours too,” she gasped. “You can fuck it whenever you want.”

“I will,” I assured.

Doris came twice, and I pulled my dripping cock out of her pussy.

“Lynn, your slut mom drenched my big cock,” I said. “Suck it clean for me, or I may never fuck her again.”

Lynn turned around and sucked my cock without hesitation. She soon deep throat it hungrily.

“Do you want me to fuck your pussy, my little slut?” I said, slapping her face with my cock.

“Yes,” she hissed.

Lynn turned around, and I skewered her pussy with my cock. I held her hips and fucked her through three orgasms.

“Doris, my big cock needs a little cleaning,” I said when I pulled out of Lynn’s pussy.

Doris turned around and swallowed my cock hungrily. She deep throat it, and I fucked her throat.

“Is your horny ass ready for my big cock?” I said, slapping her face with my cock.

“Yes,” she hissed. “Please fuck it.”

“Let me see it,” I said.

Doris turned around and pushed her ass out. I slowly popped the butt plug out of her ass.

“Taste your slut mom’s luscious ass, baby,” I said, bringing the butt plug to Lynn’s mouth.

Lynn took the butt plug in her mouth and sucked it.

“Good girl,” I said, putting the butt plug aside.

Doris’s asshole was relaxed. It gaped when I spread her ass wide. I gave it a deep kiss. It nibbled my tongue.

“He has his tongue deep in my ass,” moaned Doris.

“I know the feeling,” said Lynn.

“Your mom has a delicious asshole,” I said as I squeezed lube on Doris’s asshole. “It’s very horny too.”

“Please fuck it, lover,” moaned Doris. “It’s so hungry for your big cock.”

“I’d love to do that for you, my slut,” I said, pressing my cock head into Doris’s asshole.

My cock head popped in effortlessly, making Doris gasp. I squeezed lube on my cock and held her hips. I thrust in her ass, driving my cock in little by little. In the end, I made a hard shove, driving the last inch of my cock up her ass and bumping my balls into her dripping pussy. She stiffened.

“I am coming,” gasped Doris. “My horny asshole’s coming for your big cock.”

“Enjoy, my dirty whore,” I said, fucking her twitching asshole briskly.

Doris shook in orgasm, and I pounded her writhing ass until she went limp.

“Your mom has an incredible ass,” I said, thrusting gently in her ass while she recovered.

“You have an amazing cock too, lover,” gasped Doris. “I love it in all my holes.”

“Do you think your slut mom really loves my big cock in all her holes?” I said.

“Yes,” hissed Lynn. “So do I.”

“Having two horny sluts is wonderful,” I said.

“Enjoy, lover,” gasped Doris.

Doris thrust her ass into my cock, and I fucked her offered ass briskly. She came three times.

“Suck my big cock, Lynn,” I said, pulling out of Doris’s ass.

Lynn turned around and eagerly let me fuck her throat.

“Does your horny ass want it?” I said, slapping her face with my cock.

“Yes,” she hissed.

“Show it to me,” I said.

Lynn turned around and presented her ass. I popped her butt plug out and had her mom suck it thoroughly. I gave her relaxed asshole a deep kiss, making her moan.

“Are you ready for it?” I said, squeezing lube on her asshole.

“Yes,” she hissed.

“Here it comes, baby,” I said, thrusting my cock head into her glistening asshole.

She gasped, and my cock head went in. I held her hips and drove my cock the rest of the way in. I pulled nearly all the way out and shoved my cock all the way in. I repeated that, and she stiffened.

“I am coming,” gasped Lynn.

“You love getting fucked in the ass, don’t you?” I said, fucking her ass briskly.

“Yes,” she gasped.

Lynn shoved her ass back, convulsing in orgasm. I drilled her ass until it stopped moving. I then slowed down.

“Your daughter has a sizzling ass,” I said.

“Enjoy it, lover,” said Doris. “That’s what it was made for.”

“Was her hot ass made for my big cock just like yours?” I said.

“Yes, lover,” she said. “Every hole we have was made for your big cock.”

“Is that right, Lynn?” I said.

“Yes,” hissed Lynn.

Lynn fucked back, and I picked up the pace. I made her come twice, and she was heading to her third orgasm.

“I am going to come in your slutty ass,” I said, pounding her ass hard. “Do you want that, bitch?”

“Yes,” gasped Lynn.

“Doris, I want you to eat my come out of her ass and share it with her,” I said. “Will you do that for me?”

“Oh, Nick, you know I would,” said Doris. “Don’t you know that I’d do anything for you?”

“I know that, my married whore slut, but I wanted to make sure your slut daughter knew that too,” I said.

“I am sure she does,” she said.

“Do you know that, slut?” I said.

“Yes,” hissed Lynn, stiffening.

Lynn had a wild orgasm, and her twitching asshole drained my balls in her hot ass.

“Go for it, Doris,” I said as I popped my cock out.

Doris knelt behind Lynn and spread her ass, making her asshole gape. She dove in and proceeded to devour her daughter’s come-filled ass. Lynn was stiff in the beginning, but she soon moaned and ground her ass into her mom’s face. Doris sucked all the come out and made Lynn come.

“Lynn, she’s going to kiss you, and you’ll pass my come back and forth until each swallows her share,” I said.

“Okay,” gasped Lynn.

Doris took it easy on Lynn in the beginning. They traded my come a few times before each swallowed her share.

“Did you enjoy that, Lynn?” I said.

“Yes,” she said. “It was so dirty.”

“The two of you are dirty whores,” I said. “What did you expect?”

“I sure didn’t expect that,” she said.

“Do you want me to come in her hot ass so you can return the favor?” I said.

“Sure,” she said.

“This is an incredible bonding experience for the two of you, isn’t it?” I said.

“Yes,” she said.

“You’ve never been this close together, have you?” I said.

“No,” she said.

“Aren’t you going to thank me for this unique opportunity?” I teased.

“Thank you,” she smiled.

“Get my big cock hard again for the very first time,” I said, sitting down on the sofa.

They revived my cock together, and I got up and pushed them on their backs on the sofa.

“Pull your legs over your heads, and spread your horny asses,” I instructed.

They got into position, and I started with Doris’s ass. I lubed my cock and pushed it into Doris’s ass. I held her legs down on either side of her head and proceeded to fuck her ass briskly. When she came, I switched my cock to Lynn’s ass. For over an hour, I mostly fucked their asses, but I also fucked their dripping pussies through a few orgasms. It was finally time for me to come.

“Are you ready for come, my slut?” I said, pounding Doris’s spread ass.

“I always am, lover,” gasped Doris. “Give it to me.”

“Come for me, and get it,” I said, drilling her ass harder.

She stiffened immediately.

“I am coming,” she gasped.

She convulsed in orgasm, and I pumped my come into her writhing ass. She drained my balls in her rectum.

“Eat the come, and share it with your slut mom, baby,” I said to Lynn, pulling out.

Lynn took her position before her mom’s come-filled ass. She had never done that before.

“Do like she did to you,” I instructed.

Lynn was tentative in the beginning. I knelt next to her and fingered her pussy and ass, encouraging her. She ate her mom’s asshole eagerly, and Doris fed her the come. Lynn continued to devour her mom’s ass until she made her come. Doris then got up, and they kissed, passing my come back and forth. I kissed Lynn after they swallowed.

They revived my cock again. When they were done, I pulled Doris astride me.

“Ride my big cock, slut,” I said.

Doris took my cock in her drenched pussy and rode it to orgasm. She impaled her ass with it and rode it to another orgasm while I spread her ass and bounced it. She dismounted me and pushed Lynn in her place. Lynn rode my cock with her pussy and ass similarly.

“Turn your hot ass toward me, and ride it again,” I said to Doris when Lynn dismounted me.

Doris got her ass fucked in the reverse cowgirl position. Lynn did the same.

“Doris, lick her pussy to orgasm,” I instructed.

Lynn sat in my lap, her ass impaled deeply, and her mom ate her drenched pussy. Lynn did not remain motionless all the time. She ground into her mom’s mouth and humped my cock more and more urgently as her orgasm neared. She finally gushed in her mom’s mouth.

“Do you want to return the favor?” I asked a minute later.

“Yes,” hissed Lynn.

Doris sat in my lap, impaling her ass on my cock, and Lynn ate her pussy to orgasm.

“Should we get you fucked in your marital bed now?” I said, squeezing Doris’s tits.

“It’s about time,” said Doris.

Doris got off my cock, and I plugged both asses. Lynn and I followed her mom’s ass to her bedroom.

“Lynn, lie back on the bed, and let your head hang off the edge,” I instructed.

Lynn got into position, and I fucked her throat gently for a few minutes.

“Scoot a little onto the bed,” I instructed, fondling her tits. “Doris, get on top of her in the sixty-nine position.”

Doris mounted her daughter in the sixty-nine position. I guided Lynn’s hands to her mom’s ass. She spread it, and I unplugged and lubed her mom’s splayed asshole.

“Eat each other’s pussy to orgasm,” I said as I pushed my cock into Doris’s offered ass.

They proceeded to eat each other’s pussy as I held Doris’s hips and thrust in her ass. I controlled the pace, allowing Lynn to climb toward her orgasm at the same pace her mom did. Doris unplugged Lynn’s ass and finger fucked it. Lynn came right after her mom did. She eagerly sucked my cock, and I fucked her mom’s pussy until they both came.

“Swap places,” I said, slapping Lynn’s face with my sticky cock.

They got into the new position, and I fucked Lynn’s ass and pussy similarly. Her mom and I had to slow down to make sure they came at the same time.

“Lie on your back, and pull your legs over your head,” I instructed Lynn.

Lynn got into position, and I lubed my cock.

“Doris, get on top of her in the doggy position,” I said.

Doris mounted her daughter, and I pushed my cock into her ass.

“Lynn, you have to spread the ass I fuck,” I said.

Lynn spread her mom's ass, and I picked up the pace.

After Doris came, I fucked both pussies to orgasms, starting with hers. I then fucked Lynn's ass to orgasm.

"Doris, you need to delay your husband," I said, returning my cock to Doris's ass. "We need two more hours."

"Okay," said Doris, pointing at the phone.

The phone was too far for me to reach it while my cock was up her ass, so I had to pull out. I gave her the phone and returned my cock to her ass. I fucked her ass hard right away even as she dialed.

"Hi, Doris," answered her husband.

"Hi, honey," she gasped. "When do you plan to come home?"

"I am coming home in an hour," he said. "Why are you out of breath?"

"That's okay," she gasped. "Can you delay yourself by an hour or a little more? I am a little too busy."

"What are you doing?" he asked.

"My lover stopped by, and I thought we had enough time for him to fuck me royally," she gasped as I drilled her ass vigorously. "We still need a couple of hours though. He's now fucking my horny ass."

"Your lover stopped by?" he said.

"I am coming," she gasped, stiffening.

She shook in orgasm, and I pounded her writhing ass mercilessly. Her orgasm subsided, leaving her out of breath.

"That was a big orgasm," she gasped as I switched my cock to Lynn's ass. "Do you want to talk with Lynn?"

"Is Lynn with you?" he asked as I fucked Lynn's ass hard.

"Yes," she gasped. "Talk to her."

Doris held the phone to Lynn's mouth and ear.

"Hello," he called.

Lynn was gasping as I drilled her ass.

"Lynn?" he said.

"Yes, dad," gasped Lynn, stiffening. "I am coming."

"What's going on?" he said.

Lynn convulsed, and I fucked her twitching ass hard.

"The slut's coming," said Doris. "My lover made me come and then shoved his big cock up her little asshole."

"Are you really having sex?" he said.

"Didn't you hear her gasp that she was coming?" she said. "Oh, that could be a recording. Sorry."

"Anyway, what did you want?" he said.

"Come home one hour later," she said.

"Okay," he said.

"I love you," she said.

"I love you too," he said.

She hung up and put the phone aside.

"You enjoyed getting fucked in the ass while on the phone with your dad too much, didn't you?" she said.

"It was so slutty," gasped Lynn.

Lynn's orgasm subsided, and I dipped my cock in both drenched pussies.

"Since you love getting it in the ass so much, why don't you ride my big cock?" I said as I lay on the bed.

Doris lubed my cock and squatted on it. I spread her ass, and she impaled it.

"Bring your juicy pussy and ass where I can eat them," I said to Lynn.

Lynn sat on my face, facing her mom, and I went to work while her mom bounced on my cock. They came and switched places. They came again. When Lynn dismounted me, I guided Doris's ass forward into the reverse cowgirl position. I had Lynn straddle my face, her back to her mom. They soon came, switched places, and came again.

"Get into the doggy position, one on top of the other," I instructed, getting off the bed.

Doris got on her hands and forearms, lowering her ass, and I helped Lynn get on top of her. I started with Doris's pussy and worked my way up to her daughter's ass. I repeated that a few times.

"Do you want me to fill your ass for your husband?" I asked as I drilled Doris's ass.

"Sure," gasped Doris. "I am sure he'd love it."

Within a minute, we both came, and I drained my balls in her ass. I pulled out and plugged her ass.

They turned around and sucked my cock back to full hardness. I fucked their throats for a few minutes.

"Turn around," I instructed.

As soon as they got into position, I pushed my hard cock into Lynn's drenched pussy. I fucked it to orgasm and then fucked her ass to orgasm. I moved to Doris's pussy and fucked it hard to a quick orgasm.

"Roll over, Doris, and pull your legs over your head," I instructed while I fucked Lynn's ass.

Doris got into position.

"Get on top of your mom in this position," I said to Lynn while I continued to thrust in her ass.

Lynn straddled her mom's ass while I fucked hers. I switched between Lynn's ass and her mom's pussy after each orgasm. I used Doris's overflowing juices to lube Lynn's ass while her mom spread it for me.

"You know that I'll come in your mom's pussy before your dad comes home so she can feed it to him," I said.

"Mom, are you really going to feed dad Nick's come?" gasped Lynn.

"Of course, sweetie," said Doris. "I can't have all this fun and not share Nick's delicious come with your dad."

When it was time for Doris's husband to come home, I made her come and came deep inside her twitching pussy. I drained my balls in her pussy and pulled out. I kissed Doris's drenched pussy and her daughter's pussy and asshole.

Doris knelt on the floor and sucked my cock clean. I dressed quickly and kissed them goodbye.

"Nick, we have to do this often," said Doris.

"Of course," I said.

Lynn headed to the shower, and her mom dressed and went down to prepare dinner. I headed home happily.

Lynn's family had dinner normally.

"What was that phone call?" Lynn's dad asked her mom later. "Did you really get fucked with Lynn?"

"Did you believe it?" she smiled.

"Was it a prank?" he said.

She laughed.

"Why don't you come up and eat my lover's come out of my pussy and ass?" she said. "You'll then know."

She headed to the bedroom and motioned him to follow.

She was naked and spread on the bed when he entered the room.

"Eat it, honey," she said.

He started with her pussy as usual and ate it to orgasm. She got on all fours, and he ate her slimy ass to orgasm.

"What do you think?" she smiled when she rolled onto her back.

"It's the same stuff," he said. "It was a prank."

"It wasn't a prank," she said. "Nick fucked Lynn and me together. We really came while he fucked our asses hard when I talked to you on the phone."

"That was his real come?" he said. "It tasted the same."

"On Saturday, you'll see him put it there and make sure it's real come," she said.

"You are going to let me watch?" he said.

"It has to be that way," she said. "We don't want him to think I am cheating. I don't want you to think that an unworthy kid's fucking your wife and daughter silly. I want you to know that he's actually an incredible kid."

"Will he be okay with that?" he said.

"Of course," she said. "Leave all that to me. I'll take care of it like I took care of everything."

"Okay," he said.

She got up and showered.

Meanwhile, mom and I snuck into my room.

“Are you ready to make your dad’s favorite dessert?” said mom.

“Favorite dessert?” I said.

“If it isn’t already his favorite dessert, it should be,” she said. “It sure is mine.”

“I am ready to make it,” I said, squeezing her ass. “Are you?”

“More than ever,” she said.

We locked the door, and she dropped to her knees.

Two hours later, she walked out of my room full of come and her ass plugged.

Dad ate my come out of her pussy and ass normally, making her come twice.

“Did you enjoy eating my lover’s delicious come out of my well-fucked pussy and ass?” she said.

“Yes,” he said.

“Did you notice that it was real come?” she said.

“It was?” he said.

“Yes, it was the real deal,” she said.

“I didn’t notice that,” he said.

“It was good come, wasn’t it?” she said.

“Where did you get it?” he asked.

“Where do women get come in their pussies and up their asses?” she said. “Last I checked, it was from big cocks.”

“You had sex with a lover?” he said.

“I found the perfect lover,” she said. “Did you like the taste of his come?”

“Yes,” he said. “Where did you find him?”

“A friend of mine referred me to him,” she said.

“You mean he has sex with one of your friends?” he said.

“Yes,” she said. “She feeds his come to her husband out of her pussy and ass too.”

“Are you going to tell her that I eat his come out of your pussy and ass?” he said.

“You want to look more macho than her husband?” she said. “Don’t worry about that.”

“Do I know him?” he said.

“You know him,” she said. “It may come as a shock to you.”

“Why is that?” he said.

“Because you wouldn’t expect him to be the one,” she said.

“Try me,” he said.

“Brace yourself,” she said.

“I am ready,” he said.

“He’s our son, Nick,” she said, shocking him.

“What?” he said.

“I told you,” she said.

“Nick, our son?” he said. “You had sex with your own son?”

“I did, and he was incredible,” she said. “He’s safer and more reliable than anybody else.”

“This is incest,” he said.

“We know,” she said.

“The woman knows that you have sex with your son?” he said.

“Don’t worry about that,” she said. “He has sex with her and her daughter together. They eat his come out of each other’s pussy and ass and share it. They are safe.”

“Nick’s okay with having sex with his own mom?” he said.

“It’s very easy for a woman to seduce her son,” she said.

"I can't believe you did it," he said.

"Honey, our son's a great lover," she said. "I couldn't afford to miss him."

"I am completely shocked," he said.

"Are you ready to watch him fuck me royally?" she said. "That would convince you."

"You want me to watch my son fuck his mom, my wife?" he said.

"You ate his hot come out of my pussy and ass," she said. "Watch him put it there, and let him watch you eat it."

"You want him to watch me eat it?" he said.

"Honey, don't get hung up with the macho stuff," she said. "You enjoyed it, and he understands."

"I've never imagined anything like that," he said.

"Don't be hard on yourself," she said. "He's your son. It's okay if he used your wife and you ate his come."

"You are taking it so lightly," he said.

"He's already fucked me silly," she said. "You've already eaten his come out of me and loved it. Everybody had fun. If you can convince me that being worried and miserable has any benefits, I'll be worried and miserable like you."

"Are you sure he wouldn't think we were sick or something?" he said.

"A guy who fucks his own mom like a cheap whore may think you are sick?" she said. "Are you serious?"

"I guess you are right," he said.

"Our son's so nice," she said. "You have to watch him. Once you do, you won't have those crazy thoughts."

"Okay," he said.

"Take tomorrow off, and let's do it tomorrow morning," she said.

"Why the rush?" he said.

"On Saturday, he's going to fuck that slut and her daughter in front of her husband," she said. "I want to beat her."

"You compete with your friend on that?" he said.

"He's my son," she said. "It's bad enough that she beat me to his amazing cock."

"I am not sure I'll be ready tomorrow," he said.

"That's why," she said. "I don't want you to keep thinking and entertaining crazy ideas. Now we are all tense. Once you watch him, everything will be done and everyone will be comfortable. I'll be able to get fucked freely."

"Is that what matters to you?" he said.

"Everything matters to me," she said. "I am obviously doing this to get fucked, so getting fucked matters a lot."

"Okay," he said.

She got up and put on a robe.

Mom came to my room. She knocked gently and went in.

"Nick, are you still awake?" she said lowly.

"Yes, mom," I said. "As you can see, the light's still on."

"Don't make plans for tomorrow morning," she said. "You are going to fuck me in my bed for the entire morning."

She sat down on the edge of my bed.

"Sure, mom," I said.

"Is this looking forward to using me thoroughly?" she said, squeezing my cock.

My cock started to get hard.

"Of course, mom," I said as I reached out and squeezed her left tit under her robe.

"Your slut mom expects a serious fucking, not a quickie," she said, stroking my hardening cock.

"My slut mom will get what she expects and then some," I said.

She leaned over and pecked me on the lips.

"Good night, darling," she said, getting up.

"Good night, mom," I said.

She left and closed the door.

## HUSBANDS JOIN THE GAME

In the morning, we had breakfast normally.

“Go to your room,” mom whispered to me. “I’ll get ready and come get you.”

Less than a minute later, I was back in my room, my cock hard. I busied myself while I waited.

About fifteen minutes later, mom knocked on my door and opened the door.

She was wearing a sexy little dress that hugged her curves and revealed so much alabaster skin. Her hair and her face were well made up. My cock twitched.

“Come to the bedroom,” she said lowly. “Don’t let your sister sense anything.”

She returned to the bedroom.

My cock throbbed as I left my room. I knocked quietly.

“Come in,” she said lowly. “Lock the door please.”

The door was not completely closed. I went in and locked the door. When I turned around, I saw dad. He was sitting on a chair. I was shocked and confused. I still had a big boner though, and I did not get a chance to hide it.

“Dad?” I said.

“Darling, your dad’s my husband,” she said. “It’s his job to make me happy. From now on, it’s going to be your job to make me sexually happy. He just wants to make sure that I’ll be in good hands. Isn’t that right, honey?”

“Yes,” he said.

“He wants to know how you’d treat me when he weren’t here,” she said. “Act normally as if he were not here. You know how to make me happy. Just do it. If anything, try to make me even happier, not the other way around.”

“Okay,” I said.

She walked to me and dropped to her knees.

“Do you want your dirty slut to set your big cock free and worship it?” she said, reaching for my shorts.

“Yes, mom,” I said.

“I like dirty talking, so don’t be shy,” she said. “Talk dirty to me. You are trying to make *me* happy.”

“Suck my big cock, my hot slut,” I said as she pulled my shorts and underwear down, setting my hard cock free.

“I want to worship your gorgeous cock because that makes me happy,” she said.

“Do it, mom,” I said. “I love to make you happy.”

She tossed my shorts and underwear aside and proceeded to lick and kiss my cock and balls. She gave them a quick tongue bath before she teased and swabbed my engorged cock head with her tongue, making it leak on her tongue. She licked my cock head for a minute and then took it in her mouth, sucking it gently and moaning.

“I love your big cock, Nick,” she said. “This is my favorite cock ever.”

“My big cock loves you too,” I said. “You are its favorite slut ever. Show it how much you love it, my sexy bitch.”

She took my cock head in her mouth and sucked it harder, moaning around it.

“That’s it, mom,” I said. “Show it how much you need it. Show it that you need no other cock.”

“Yes,” she hissed.

“Show my big cock that you completely belong to it,” I said.

“Of course I do, and it knows it,” she said.

She sucked my cock eagerly, taking it deeper and deeper until it sank all the way down her throat. I held the back of her head and paced her as I thrust in her throat. She moaned happily whenever she could. She deep throated and licked my cock for several minutes.

“Get up, mom, you hot slut,” I said finally, slapping her face with my cock.

She got up, and I pulled her to me. I fondled her ass freely grinding my hard cock into her pussy through her dress while we kissed deeply. I occasionally fondled her tits, pinching her stiff nipples. She moaned into my mouth.

“Get on your hands and knees on the bed, facing my way,” I instructed. “You are not done sucking my big cock.”

She got into position, and I pushed my cock into her mouth. I fucked her throat gently while stroking her back. I often reached out and squeezed her ass. Her dress was so short most of her ass was exposed. I hiked it a little more, exposing her plugged ass, and kneaded her bare cheeks. She deep throated my cock hungrily. I took it out and rubbed it all over her face before pushing it into her mouth again. She did that on her own a few times.

“Are you ready to get fucked, mom,” I said, slapping her face with my cock.

“I always am, stud,” she said. “Every hole I have is always ready for you. Please fuck me.”

“Turn around, and let me fuck you like a hot bitch,” I said.

She turned around, and I pushed my cock into her dripping pussy. She moaned as I opened her pussy. I held her hips and thrust firmly, driving my cock slowly into her soaked but tight pussy. When I was all the way in, she stiffened.

“I am coming,” she gasped.

“Come hard, my dirty slut,” I said. “That tells my big cock how much you need it.”

“My horny pussy needs your big cock so bad,” she gasped. “I am sure your big cock knows that already.”

“My big cock’s going to fuck your horny little pussy to satiation,” I assured.

She shook in orgasm, and I thrust in her pussy vigorously until her orgasm subsided and she calmed down.

The pace picked up soon, and she came again. I let her come a few times before I pulled out.

“Suck my big cock clean,” I said. “Clean after yourself. A good slut always does that.”

She spun around and pounced on my cock. She deep throated it hungrily, and I fucked her throat.

“Flip back onto your back,” I said. “You deserve to have your horny little pussy eaten.”

She got onto her back and raised her legs, spreading them. That exposed her drenched pussy and plugged asshole. I knelt down and gently licked the excess juices off her pussy area. She moaned quietly. I soon proceeded to probe her pussy and suck her pussy lips. She leaked fresh juices. I teased her for a few minutes, making her moan and squirm. I fondled her tits a little, pulling on her stiff nipples. I finally stepped up the pace and devoured her juicy pussy. She humped my face urgently until her orgasm hit her.

“I am coming in your mouth, baby,” she gasped, shoving her pussy into my face.

She convulsed, gushing in my mouth, and I sucked all her juices.

While she recovered, I slowly pulled the butt plug out of her ass, leaving her asshole relaxed. I pushed it into her mouth, and she sucked it lewdly, moaning around it. I probed, licked and sucked her asshole, making her moan. She pulled her knees to her tits and spread her ass with both hands. She humped my tongue, and I ate her asshole more and more hungrily. Her asshole nibbled my tongue. She came within a few minutes. I let her asshole twitch around my wiggling tongue until her orgasm subsided and she went limp.

“Do you want to get fucked, bitch?” I said as I got up and popped the butt plug from her mouth.

“Yes,” she hissed as I squeezed lube on my cock.

“Where?” I said, touching my cock head to her asshole.

“Everywhere,” she gasped. “Please fuck my horny ass.”

“You want me to fuck every hole you have, you dirty slut?” I said, pressing my cock head into her asshole.

“Yes,” she hissed as my cock head popped up her ass.

“You want me to fuck you like a cheap whore?” I said as I held her ankles and thrust in her ass.

“Yes,” she said. “Use me like a cheap whore.”

“You want me to fuck you any way I want?” I said, fucking her ass deeply at an easy pace.

“Yes, darling,” she said.

“Is that because you belong to my big cock?” I said, picking up the pace.

“Yes,” she hissed.

“You are going to get fucked royally, mom,” I said. “Royally doesn’t mean like royalty but like a dirty whore.”

“Yes,” she hissed, stiffening.

“Come, you dirty slut,” I said, fucking her ass harder. “Come your horny ass off. Show dad how wanton you are.”

“I am coming,” she gasped.

She writhed, and I pounded her convulsing ass until she went limp. I fucked her ass gently then.

When she recovered, I picked up the pace. I fucked her ass hard through orgasm. I repeated that several times.

“Suck it,” I finally said, popping my cock out of her ass.

She flipped onto her hands and knees and swallowed my cock. I fucked her throat leisurely for a few minutes.

“Turn around,” I said, slapping her face with my cock. “Let’s get you fucked like the depraved slut you are.”

She turned around, and I rammed my cock into her pussy. I held her hips and fucked her hard to orgasm. I switched my cock to her ass and fucked her to another orgasm. I switched my cock between her holes for over half an hour.

“I am going to come in your slutty ass, bitch,” I announced, pounding her ass vigorously.

“Yes,” she gasped. “Fill my ass with your hot come.”

She soon stiffened, and I let her twitching asshole drain my balls in her rectum.

“Suck it, bitch,” I said, popping my cock out of her ass.

“Honey, eat his come out of my well-fucked ass,” she cooed as she turned around.

She took my softening cock in her mouth and proceeded to suck it eagerly.

He hesitated for several seconds before he got up reluctantly and got on the bed behind her. He lowered his mouth to her come-filled ass and went to work, making her moan on my cock. He spread her ass and ate her asshole eagerly.

“I enjoyed filling your luscious ass with my hot sticky come,” I said.

“Me too, baby,” she moaned. “Now your dad enjoys eating your delicious come out of my well-used ass.”

“Be a good wife, and feed him all the come,” I said. “Don’t be a greedy bitch and hold anything back.”

“Of course, darling,” she moaned. “Your mom’s a dirty whore for you, but she’s a good wife for your dad.”

She sucked my hardening cock eagerly, and I thrust in her throat while she humped his mouth. She approached orgasm, and I fucked her throat faster. She soon stiffened, taking her mouth off my hard cock. I held her head and slapped her face with my cock repeatedly while she convulsed and gasped in orgasm.

“Clean my pussy, honey,” she gasped. “Make me come again too.”

He ate her pussy to another orgasm and licked her drenched pussy clean while I fucked her throat.

“You enjoyed having your husband eat your faithless pussy and ass?” I said, slapping her face with my cock.

“Yes,” she hissed as he returned to his chair. “That was so nice.”

“Most guys can’t handle a slut this dirty,” I said. “I am glad I am dirty enough for you.”

“Me too, darling,” she said.

“Get on your back, and pull your legs over your head,” I said.

She got into position, and I stuffed her pussy with my cock. I pinned her legs down and fucked her pussy hard. Her leaking juices reached her asshole. She came within a mere minute. I pulled my dripping cock out of her drenched pussy and pushed it into her ass. She spread her ass for me, and I fucked it briskly. I switched holes after every orgasm, and she kept fucking energetically and coming for me.

“Suck it,” I said, taking a break half an hour later.

When she got on her hands and knees, I pulled her dress off, getting her naked. She deep throat my cock eagerly, and I fucked her throat for a few minutes.

“Get back into position,” I instructed, slapping her face with my cock.

She got back on her back and pulled her legs up. I pinned her legs down and pushed my cock into her pussy. I resumed fucking her pussy and ass, switching holes after every orgasm. When I was ready to come, I drilled her pussy.

“I am going to fill your horny married pussy with come,” I said. “Do you want that, bitch?”

“Yes,” she gasped. “Come deep in my slutty pussy.”

We soon came, and she drained my balls deep in her twitching pussy. She milked my cock until it was soft. I pulled out and climbed astride her, keeping her legs between mine.

“Honey, eat my come-filled pussy,” she said as I lowered my sticky cock into her mouth.

She proceeded to suck my cock as he knelt on the floor and licked her slimy pussy. She moaned around my cock, humping his face. My cock hardened in her mouth, and I fucked her mouth gently. She fed him the come and came in his mouth. I kept my cock in her mouth while she came. He licked her pussy clean and returned to his chair. I fucked her throat as my cock reached full hardness. I finally slapped her face with my cock and dismounted her.

“Sit in my lap, and ride my big cock,” I said as I sat on the edge of the bed, my feet on the floor.

She sat in my lap and inserted my cock into her juicy pussy. She bounced on my cock to orgasm, while I fondled her tits and pinched her stiff nipples. She then moved my cock to her ass and rode it while I spread and paced her ass. She bounced on my cock more energetically until she came again.

“Turn around,” I said, slapping her ass gently.

She rode my cock with her pussy in the cowgirl position, and I paced her, occasionally fingering her ass. After she came, she impaled her ass on my cock. I spread it and bounced it on my cock to orgasm. I kept her ass bouncing on my cock through a few more orgasms while I sucked her nipples.

“Suck my big cock,” I instructed, slapping her ass.

She dismounted me and knelt down on the floor. She deep throated my cock for several minutes.

“Get on your hands and knees,” I said as I got up and pulled her onto the bed.

She got on all fours on the bed, and I squeezed lube on her asshole. I pushed my cock into her ass and fucked it briskly. I fucked her pussy to one orgasm after every two anal orgasms. I fucked her like that for over half an hour.

“I am going to come in your mouth,” I whispered as I thrust gently in her ass. “Don’t swallow. Instead, kiss him.”

“Okay,” she gasped.

“Suck it,” I said, pulling out and back.

She dropped to her knees and deep throated my cock hungrily. I fucked her throat for several minutes.

“Get ready,” I said.

She opened her mouth wide, and I shot my come against the back of her throat. I wiped my cock on her lower lip.

She got up and walked to him. She wrapped her arms around him and kissed him. He found out what she was trying to do and resisted, but she insisted and prevailed. He opened up, and she passed the come to his mouth. He swallowed it, and they kissed him deeply. Meanwhile, I sat on the edge of the bed, my cock hardening.

She returned to me, and knelt down. She revived my cock eagerly. I lay on the bed, and she rode me in the cowgirl position. She came and got into the Asian cowgirl position, impaling her ass on my cock. I held and spread her ass for her while she bounced on my cock lustfully.

“What do you think, honey?” she gasped. “Am I in good hands or not?”

“You are,” he said.

“Can our horny son fuck me freely from now on?” she gasped.

“Yes,” he said.

“Dad, I promise I’ll take good care of my slut mom,” I said.

“Thank you,” he said.

“Thanks for letting me take care of her,” I said.

“You are welcome,” he said.

“You can now go back to work,” she gasped.

He got up and left.

“You did a great job on me, baby,” she gasped.

“You did great yourself,” I said.

“I went all out,” she gasped.

“You are a lucky bitch,” I said. “From now on, you’ll get all the cock you can handle right at home.”

“Yes,” she hissed, stiffening.

She came, and I drilled her ass from below until she went limp and collapsed on top of me. I fucked her ass gently.

We fucked for about an hour before I filled her ass with come and plugged it. She sucked my cock clean, and we showered together. By then, my cock was hard again. I saved it for my girlfriend and her mom.

Mom and I had lunch together, and I headed to my girlfriend’s house.

Lynn and her mom let me fuck them together in the living room until it was time for her dad to come home. I left Doris’s pussy and ass full of come for him.

Doris walked me to the door.

“Can you fuck us tomorrow morning in front of Andy?” she said, making my cock twitch.

“Is he ready for that?” I asked.

“Yes,” she said.

“When do you want me to be here?” I asked.

“Is nine good?” she said.

“I’ll be here,” I said.

She kissed me deeply, and I headed home.

Later, Doris had her husband eat my come out of her pussy and ass.

“Are you ready for tomorrow?” she said.

“What about it?” he said.

“You are going to watch Nick fuck Lynn and me together,” she said.

“Do we have to do that?” he said.

“Definitely,” she said. “They’ll watch you eat his come out of my slimy holes to show them you are okay with it.”

“That’s humiliating,” he said.

“You’ve just eaten it out of my well-used orifices,” she said. “There was no humiliation in it. They’ll understand.”

“Okay,” he said.

“You’ll see that he deserves to use your wife and daughter,” she said.

“We’ll see,” he said.

On Saturday morning, I got ready and headed to Lynn’s house, my cock hard. Doris opened the door for me.

“Are you ready to use your dirty sluts thoroughly?” she said, squeezing my boner. “Of course you are.”

She was wearing a tight little blue dress. We kissed deeply, and I felt her up a little.

“The question is are *you* ready to get used well?” I said, squeezing her ass.

“My ass is ready,” she laughed.

“If your luscious ass is ready, so is the rest of you,” I said.

She led me inside, and I squeezed her ass a few times.

“You are so hungry for my ass, I see,” she said.

“Of course I am,” I said.

Lynn was in the living room. She was wearing a sexy dress. We kissed, and I felt her up a little.

Doris motioned me to the sofa, and I sat down. She knelt at my feet and proceeded to rid me of my pants and underwear. She soon had my hard cock throbbing in her face.

Doris licked my cock and balls and sucked my cock for a minute, getting it down her throat.

“Call your dad, Lynn,” she said.

Lynn got up and went to call her dad while her mom deep throated my cock leisurely. She obviously enjoyed every second of it. I also enjoyed myself.

Andy came into the living room, following Lynn.

“Hi, Mr. Flint,” I greeted as his wife deep throated my cock eagerly.

“Hi, Nick,” he said.

Lynn motioned him to sit down on the loveseat. He sat down and watched his wife.

“Sweetie, come help me with your boyfriend’s big cock,” Doris said, looking at Lynn.

“Sure, mom,” said Lynn.

Lynn knelt next to her mom, and they proceeded to suck my cock together.

“They are so good together,” I said to him.

“Yes,” he said.

“I am so lucky I am the only one who’s ever had them work together like this,” I said. “I am also proud that my big cock has brought them closer together than anything else.”

"It sure did, lover," said Doris.

"They enjoy this so much," I said, ruffling their hair. "I love to watch sexy women have fun."

He nodded.

"You love my big cock, don't you, you hot sluts?" I said.

"Yes," they both hissed.

"Show Mr. Flint how much you do," I said. "Make sure he agrees that you love it enough to be its whores."

"Of course, lover," said Doris.

"Suck the big cock you belong to," I said.

They sucked my cock together. I reached out and hiked their dresses, exposing their plugged asses. They worshiped my cock and sucked it eagerly, deep throating it most of the time, for several minutes.

"What do you think, Mr. Flint?" I said. "Are they good enough?"

"They are very good," he said.

"They deserve a reward, right?" I said.

"Yes," he said.

"You are going to be rewarded, you hot sluts," I said, getting up.

"Thanks, lover," said Doris.

"I'll fuck your hot throats to show you how much my big cock likes you," I said, pulling their heads together.

"Thank you," she said as I thrust my cock into Lynn's throat.

They eagerly let me fuck their throats as I switched my cock between them for a few minutes.

"Sit on the sofa, and spread your legs," I said, slapping Doris's face with my cock. "Expose your other fuck holes."

Doris got into position, and I pulled her legs all the way apart. Her dripping pussy and plugged ass were exposed.

"Sit in your mom's lap," I said, slapping Lynn's face with my cock. "Spread your legs similarly. Expose yourself."

Lynn sat in her mom's lap, and I helped her adjust her position so their fuck holes formed a straight line.

"Do you want my big cock here?" I said as I darted my middle finger into Lynn's leaky pussy, making her gasp.

"Yes," hissed Lynn.

"Good girl," I said, offering my glistening finger to her.

Lynn sucked her juices off my finger.

"Here?" I said, darting the same finger into her mom's wet pussy.

"Yes," hissed Doris.

"You are a good girl too," I said, pushing my glistening finger into her mouth.

She sucked my finger moaning.

"What about here?" I said as I pulled Lynn's butt plug halfway out, stretching her asshole wide.

Lynn groaned.

"Yes," she hissed.

The butt plug popped out of her ass easily. I pushed it into her mouth, and she sucked it eagerly. I returned it to her ass. She moaned as I pushed it in.

"Here?" I said, pulling Doris's butt plug similarly.

"Yes," hissed Doris.

She sucked her butt plug, moaning around it, and I returned it to her ass.

"My big cock has six cock-hungry holes to fuck any way it wants?" I said.

"Yes," they hissed.

"Don't you think I have a very lucky cock, Mr. Flint?" I said, looking at Andy.

"Yes," he said.

"We have very lucky six fuck holes to be fucked with your amazing cock," said Doris. "Isn't that right, Lynn?"

"Yes," hissed Lynn.

"I am sorry, Mr. Flint, but you are outvoted," I said as I worked the butt plugs in and out of both asses, making both girls moan. "Your slut wife and slut daughter are the lucky ones here."

He shrugged.

"Do you know why I am here today?" I said.

"You are here to have sex with them while I watch," he said.

"Why?" I said.

"To show me how you treat them?" he said.

"Why?" I said.

"So I know that you are treating them well?" he said.

"Why?" I said.

"So I can feel good about this," he said.

"Why?" I said. "We could have done it behind your back."

"You were afraid of getting caught?" he said.

"You already know that I fuck them, and you are okay with it," I said. "There is no longer that risk."

"I don't know," he said.

"We are here to show you that they are the lucky ones in this relationship," I said. "They also want to show you that they are worthy of serving my big cock. Isn't that right, bitches?"

"Yes," Lynn and Doris hissed.

"I am going to eat your mouthwatering fuck holes," I said, popping the butt plugs out and putting them aside.

Their leaking pussy juices reached their assholes. I started with licking Doris's asshole and going up to her pussy. She moaned and squirmed. I continued my way to Lynn's asshole and pussy, making her moan and squirm. I licked and sucked their fuck holes freely, going up and down.

After a few minutes of that, I used my thumb to fuck Lynn's pussy and asshole while I focused my oral attention on her mom's pussy and asshole. I tongue fucked and sucked Doris's orifices while working out her daughter's with my thumb. I kept them at the same level of arousal, intending to make them come together.

"I am coming," gasped Doris.

"I am coming too," gasped Lynn a few seconds later.

They both gasped and writhed. I tongue fucked Doris's twitching asshole and worked out Lynn's fluttering asshole with my thumb until their orgasms subsided, leaving them limp and gasping for air.

While they recovered, I licked Lynn's pussy and asshole gently and slipped two fingers into either of Doris's holes. I slowly fucked Doris's holes with my fingers while I probed her daughter's orifices with my tongue. They soon started to respond to me, and I picked up the pace. Doris again won the race by a few seconds.

When I took my mouth off Lynn's holes, I filled her holes with two fingers each. I slowly finger fucked all four holes while they recovered. They humped my fingers gently in the beginning. The pace soon picked up, and I matched it. I fucked their holes at the same pace until they both came. Doris won by a second or two.

"Mr. Flint, do you think they are ready to get fucked?" I said.

"Yes," he said.

"Should I start with your hot wife because I've fucked your sweet daughter very many times more?" I said.

"Sure," he said.

"Thanks, honey," said Doris.

"Are you okay with that, baby?" I said to Lynn.

"Yes," she hissed.

"Your dad picked the whore, and you pick the hole," I said. "Should I start with her juicy pussy or cute asshole?"

"Start with her cute asshole," said Lynn.

"Thank you, sweetie," said Doris. "You know your slut mom so well."

"Are you okay with that, Mr. Flint?" I said as I removed my fingers from their pussies and asses.

"Sure," he said.

“Let’s make it official,” I said, squeezing lube on my cock. “Ask me to fuck your hot wife’s cock-craving asshole.”

“Please fuck my hot wife’s cock-craving asshole,” he said as I pressed my engorged cock head into his wife’s ass. Doris reached under herself and spread her ass.

“Yes,” she hissed when my cock head slid into her ass.

“Your wife has a sizzling ass,” I said. “It wasn’t easy for me to believe that she was lucky for letting me fuck it.”

“It’s very easy for any woman to see that,” said Doris as I thrust gently in her ass. “Most guys have no idea how much women love cock. They think only sluts beg for cock. In reality, any woman would beg for a worthy cock.”

My cock slid a little deeper with every little thrust. I enjoyed fucking her ass for the first time in front of her husband after he begged me to. She moaned and gasped repeatedly. It took me about a minute to sink balls deep.

“I am balls deep up your hot ass, bitch,” I announced.

“I am coming, lover,” gasped Doris, stiffening.

Her asshole fluttered around my cock, and she shook in orgasm. I pinned her knees to the edge of the sofa and fucked her twitching asshole at a brisk pace until she went limp.

“Do you think your slut wife loves my big cock up her ass?” I asked, thrusting gently in her asshole.

“She definitely does,” he said.

“I haven’t fucked her ass yet,” I said. “I’ve only impaled it on my big cock. Would you like to see me fuck it?”

“Yes, please,” he said.

“It’s a unique experience to fuck a slut in the ass while her daughter sits in her lap,” I said, picking up the pace.

“Yes,” he said.

“You like having me fuck your slut mom in the ass while you sit in her lap, my little slut?” I said to Lynn.

“Yes,” hissed Lynn.

“You like feeling her writhe in orgasm while you sit in her lap?” I said.

“Yes,” she hissed.

“Very few girls can enjoy this unique experience,” I said. “You’ll soon enjoy writhing in her lap when I fuck you.”

“Yes,” she hissed.

“Are you looking forward to that?” I said.

“Yes,” she hissed.

At that time, Doris and Lynn shook with every hard thrust. Doris’s next orgasm was coming in a hurry.

“Fuck my ass hard, lover,” gasped Doris.

Doris stiffened as soon as I obliged her.

“I am coming,” she gasped, announcing her orgasm.

Again, I pinned her knees and pounded her convulsing ass until it stopped moving, leaving her out of breath.

“My horny asshole loves your amazing cock,” she gasped.

“It belongs to my big cock, doesn’t it?” I said, thrusting gently in her ass.

“Yes,” she hissed.

“All of your hot body belongs to my big cock, doesn’t it?” I said.

“Yes,” she hissed.

“Promise your husband you’ll always belong to my big cock and never say no to it,” I said.

“Honey, I promise you I’ll always belong to Nick’s big incredible cock and never say no to it,” she gasped.

“Mr. Flint, we know that she’ll keep her promise, but will you be my witness that she made this promise?” I said.

“Sure,” he said.

“Your loving husband witnessed you pledge yourself to your lover’s big cock,” I teased. “You are a dirty slut.”

“Yes,” she hissed.

Her drenched pussy kept my cock and her asshole lubed as I picked up the pace.

“Fuck my horny ass, lover,” she gasped. “Use it for what it was made for.”

"It was made for my big cock, wasn't it?" I said. "Even your husband knows that."

"Yes," she hissed.

She soon came, and I fucked her ass gently while she recovered.

"I want to thank your juicy pussy for keeping your asshole lubed," I said as I moved my cock to her soaked pussy.

"Yes, baby," she moaned.

"Aren't you going to tell your husband to ask me to fuck his slut wife's horny pussy?" I teased, thrusting gently.

"Honey, ask my lover to fuck my horny married pussy," she moaned.

"Please fuck my slut wife's horny married pussy," he said.

"You got it, sir," I said, picking up the pace. "I love fucking every hole your hot wife has."

"Every hole I have loves your big cock, lover," she gasped.

She fucked back more and more urgently until she gushed on my cock.

When Doris's orgasm subsided, I pulled out of her drenched pussy and climbed onto the sofa. I pushed my dripping cock into Lynn's mouth. Lynn did not hesitate to suck my cock. I held her head and fucked her throat gently.

"Are your other holes ready for my big cock, little slut?" I said, slapping Lynn's face with my cock.

"Yes," hissed Lynn.

"Pick the hole, my big whore," I said to Doris as I knelt down and touched my cock head to Lynn's wet pussy.

"Fuck her ass, lover," said Doris.

"Is that okay with you, Mr. Flint?" I said, pressing my cock head into Lynn's asshole.

Doris spread her daughter's ass.

"Yes," he said.

"Go ahead, and ask me to do it," I said.

"Please fuck my daughter's horny ass," he said.

Lynn gasped as my cock head penetrated her asshole.

"Aren't you going to thank your dad for begging on your behalf, bitch?" I said, thrusting in Lynn's ass.

"Thanks, dad," gasped Lynn.

"You are welcome," he said.

"Ask your friends if their dads have ever begged their boyfriends to fuck their cock-hungry asses," I said.

"They'd never do it," she gasped.

"You know that already," I said. "You should show some appreciation for your dad."

"Dad, I appreciate what you are doing for me and for mom," she gasped.

"That's my job, sweetie," he said.

She stiffened. I was not even all the way in.

"I am coming," she gasped.

"Can you see how much she appreciates that?" I said as I pinned Lynn's knees and thrust firmly in her ass.

"Yes," he said.

Lynn convulsed in her mom's arms and lap, and I thrust in her ass, driving my cock all the way in.

"My slut daughter's a good girl," said Doris. "She loves her dad almost as much as she loves her stud boyfriend's big cock. Isn't that right, sweetie?"

"Yes," gasped Lynn.

"She loves her mom a little more," said Doris. "Isn't that right, baby?"

"Yes," gasped Lynn as her orgasm subsided.

"She loves her mom a little more than what?" I said as I thrust gently in Lynn's ass.

"She loves her mom a little more than her dad, not her boyfriend's incredible cock," said Doris.

"Is that right, slut?" I said.

"Yes," hissed Lynn.

“Her dad and I don’t own her,” said Doris. “Your big cock does.”

“Is that right, bitch?” I said.

“Yes,” hissed Lynn.

“You are indeed a good girl but an incredible girlfriend,” I said, picking up the pace.

“Thank you,” she gasped.

“Mr. Flint, you must be proud of your lovely daughter for being such an amazing girlfriend,” I said.

“Yes,” he said.

Lynn fucked back more and more urgently, and I made her come twice before I pulled out of her ass.

“You want me to fuck your little pussy to thank it for lubing your horny asshole?” I said, brushing her drenched pussy with my cock head.

“Yes,” she hissed.

“Do you want to say something, Mr. Flint?” I said, pressing my cock head into Lynn’s pussy.

“Please fuck my daughter’s horny pussy,” he said.

“Are you going to thank him, my little slut?” I said as I thrust my cock halfway into her tight pussy.

“Yes,” she gasped. “Thanks, dad.”

“You are welcome,” he said as I shoved the rest of my cock into her pussy.

Lynn stiffened and writhed in orgasm. I fucked her gushing pussy hard until she went limp.

Doris did not hesitate to swallow my dripping cock when I climbed onto the sofa and brought it to her mouth. She deep throated my cock for a few minutes.

“Get up and kneel on either end of the sofa,” I said as I slapped Doris and then Lynn’s faces with my cock.

They knelt on the sofa, leaving the middle of the sofa empty, and pushed their asses out.

“Mr. Flint, that was a sneak preview,” I said. “The show starts now. Please have a seat between them.”

“Thank you, but I think this is good enough,” he said.

“Not for what I have in mind,” I said. “These are dirty sluts, not your typical loving wife and sweet daughter.”

He reluctantly got up and moved to the sofa.

“I am going to fuck them in this position until I come,” I said. “Are you ready?”

“Yes,” he said.

“Now that you know how it works, you’ll pick the whore and the hole—every time,” I said. “The end of every orgasm is the beginning of a new fuck. This is an interactive show so you can enjoy it and don’t get bored. Is it okay?”

“Yes,” he said.

“To pick the whore, you spread her ass,” I said. “To pick the hole, you wink. The left eye means the ass, and the right eye means the pussy. You need to keep the ass spread until I pull out. Are you ready to get started?”

“This is weird,” he said.

“This is the ultimate in entertainment,” I said. “You don’t only watch, but you also interact and feel. By spreading an ass, you’ll feel every thrust and every tremor. You’ll know what’s voluntary and what isn’t. Are you ready?”

“Yes,” he said.

“Remember that they prefer the ass,” I said. “If you want to be nice to them, pick the ass often. If you spread an ass and don’t wink, it’s the mouth. You are the boss. Let’s get started.”

He spread his wife’s ass and winked with his left eye.

“Your husband obviously likes you,” I said, squeezing lube on my cock head.

“I thought he loved me,” said Doris.

“Maybe he does,” I said, pushing my cock into her splayed asshole.

“I think he does,” she gasped as my cock penetrated her ass.

“Do you love this slut?” I said as I held her hips and proceeded to fuck her ass.

“Yes,” he said.

“Had she not been a lovable slut, I wouldn’t have been here, enjoying her luscious ass,” I said.

Doris fucked back energetically, and I drilled her ass to orgasm. When her orgasm subsided, I pulled out. When he spread Lynn's ass and did not wink, I knew we were going to have a lot of fun.

"Suck big cock, my little slut," I said.

Lynn turned around and eagerly sucked her mom's anal flavor off my big cock. I finally slapped her face with it. He spread Lynn's ass and winked with his left eye. I lubed my cock and pushed it into the spread ass.

"Your dad apparently loves you too, little slut," I said, driving my cock up Lynn's ass.

"Yes," she hissed.

"Am I right, Mr. Flint?" I said as I grabbed Lynn's hips and fucked her ass.

"Yes," he said.

"You are a great husband and dad," I said.

"Thank you," he said.

"Most guys aren't like you," I said. "They'd worry about silly things like what others might say or think. If you want to have sex according to what others want, you are better off becoming a priest. You'd get more pussy then."

"You have a point," he said.

"If one can't be himself or herself at their own house or in their bedroom, then when and where can they?" I said.

"You are right," he said.

After Lynn came, he had me let her mom suck my cock. I then fucked Doris's pussy. He had me popping my cock from hole to hole, making sure that all six holes got their fair share of my cock.

"Mr. Flint, I am going to come, and you are going to eat my come out of there," I said. "To be fair, before I leave, you'll have eaten my come out of all four holes. You get to pick the order though. I am ready to come. You can have me come immediately or in an hour. When you want me to, pick the whore and the hole and blink both eyes. Okay?"

"Okay," he said.

"To be fair, the second the third come loads should go to the other slut but in the reverse order," I said. "Once you pick the first whore and hole, the sequence has been decided. You only need to pick the time for each come load."

"Okay," he said.

"Are you ready for come, bitches?" I said.

"Yes," Lynn and Doris hissed.

He had me fuck his daughter's ass and then his wife's pussy and come inside it.

"I am going to come deep in your horny pussy, my married slut," I said, drilling Doris's pussy.

"Do it, lover," gasped Doris. "My pussy's so thirsty for your come."

"Now everybody knows that the next come load will go up Lynn's ass," I said. "The third one will go into her pussy and the fourth will go up her mom's ass."

She came hard, and I filled her pussy with come. I drained my balls in her pussy and pulled out.

He knew what to do. He knelt behind his wife quickly and pounced on her slimy pussy. He ate all the come out and made her come in his mouth. She turned around and kissed him when he was done.

"They obviously need to get me hard again," I said as I sat on the loveseat.

Doris and Lynn crawled to me and proceeded to revive my cock.

"Go back to your positions but on your backs," I said, slapping their faces with my cock.

They quickly got into position on either side of Andy.

"We'll do it similarly, but they'll spread their own asses," I said. "You'll pick the whore by standing behind the sofa and holding her legs by the ankles. You'll pick the hole like before."

"Okay," he said, getting up.

He walked around the sofa and stood behind it. His wife and daughter spread their asses already.

He held Lynn's legs and winked with his right eye, and the second round started with a vigorous pussy drilling for Lynn. My cock went then to her mom's ass, then her own ass, and then her mom's pussy. After that, Lynn sucked my cock clean. We continued according to his choices until it was time for me to come in Lynn's ass.

“Lynn, is your slutty ass ready for come?” I said as I pounded Lynn’s ass vigorously.

“Yes,” she gasped.

“I am going to flood it with come,” I said.

“Yes, please do that,” she gasped.

“You know that your dad isn’t going to leave my come there, don’t you?” I said.

“Yes,” she gasped.

“You are a good girl, Lynn,” I said.

Lynn’s orgasm soon engulfed her.

“I am coming,” she gasped.

While she shook in orgasm, I let go, letting her twitching asshole drain my balls in her rectum.

“I am filling your slutty ass with come, baby,” I said, drilling her ass hard.

When our orgasms subsided, I pulled out slowly. Her dad came around and knelt before her come-filled ass. She took her hands off her ass, and he spread it for her and lowered his mouth to her loose asshole.

“You are a special girl, Lynn,” I said as Doris sucked my softening cock. “Most girls don’t do this. This is a unique experience. I am sure your dad appreciates it. Don’t you, Mr. Flint?”

“Yes,” he said, briefly taking his mouth off her asshole.

“You should feel proud of being such a loving daughter, my little slut,” I said.

“I’ll try,” she gasped.

Her dad was experienced at what he was doing. She moaned and gasped, humping his mouth. He ate all the come out and made her come. My cock was hard in his wife’s eager mouth as I fucked her throat gently.

“It’s okay to lick her sopping pussy clean,” said Doris, briefly taking her mouth off my cock.

He tentatively licked his daughter’s drenched pussy. She moaned and squirmed.

“The little slut obviously likes it,” said Doris. “Make her come.”

He ate his daughter’s horny pussy to orgasm and slurped all her gushing juices.

“Thanks, dad,” she gasped when he got up.

At that point, I was sitting on the sofa next to Lynn, and her mom was on her knees deep throating my cock.

“Now, I’ll get to sit down,” I said to him. “You’ve become experienced at this. You’ll pick the whore, the hole and the position as long as I remain seated like this. The main positions will be cowgirl and reverse cowgirl.”

“Okay,” he said.

“Remember that I have to come in Lynn’s pussy next,” I said.

“I remember that,” he said.

“Let’s get started,” I said.

Doris let go of my cock and got up.

“Lynn, take him in your pussy in the cowgirl position,” he said.

Lynn straddled me and pressed my cock into her pussy.

“I am going to start and end with your horny little pussy,” I said as she worked her pussy down my cock, moaning.

“Yes,” she hissed.

She rode my cock, and, while she did, I took her dress off. I sucked her nipples while I held her ass and paced her until she came, gushing on my cock.

“Doris, take him in your ass in the same position,” he instructed.

Lynn dismounted me, and her mom took her place. I spread Doris’s ass as she worked my cock into it. I also took her dress off and sucked her nipples. She bounced her ass on my cock to orgasm and dismounted me.

“Suck him,” he said to Lynn.

Lynn knelt down and deep throated my cock for a few minutes.

“In the pussy in the reverse cowgirl position,” he said to Doris.

Doris sat in my lap, taking my cock in her pussy, and I helped her bounce to orgasm.

"In the ass in the same position," he said to Lynn.

Lynn held my cock and sat on it while I spread her ass for her. I paced her as she bounced her ass to orgasm.

"Suck it," he instructed Doris.

He directed our fucking until he decided it was time I filled his daughter's little pussy with hot come for him.

"Come in her pussy," he said as I bounced Lynn's ass in the cowgirl position.

Lynn rode my cock wildly. When she came, I came too, thrusting into her convulsing pussy. When we were drained, I flipped her on her back and pulled out.

Her dad pounced on her come-filled pussy and ate it to orgasm, sucking it clean.

While that happened, Doris revived my cock.

Lynn joined her mom and sucked my cock with her.

"Mr. Flint, now you have full control on the position," I said, slapping Lynn and her mom's faces with my hard cock. "If it's anal in the doggy position, you spread the ass for me."

"Doris, in the ass in the doggy position," he said.

As Doris got into position, I lubed my cock. He sat next to her and spread her ass for me. I skewered her spread ass with my hard cock and proceeded to fuck it briskly.

"I'll again finish with the whore and the hole I started with," I said.

"Yes," hissed Doris.

She came, and I pulled out.

"On your back in the pussy," he said to Lynn.

Lynn got into position, and he held her legs from behind the sofa. I fucked her to orgasm.

"In the pussy in the doggy position," he said to Doris.

Doris knelt on the sofa, and I fucked her pussy to orgasm.

"Suck him," he said to Lynn.

Lynn eagerly knelt down and deep throated my cock.

"In the ass in the cowgirl position," he said to Doris.

In the end, he had me come in his wife's ass while he spread it for me in the doggy position.

When I pulled out, he knelt down and ate my come out, making her come. Lynn sucked my cock clean meanwhile.

"I had a great time, Mr. Flint," I said as my cock hardened in Lynn's mouth. "I hope you enjoyed our little show."

"Your show wasn't little," he smiled. "It was a marathon show. I enjoyed it so much."

"In this case, this shouldn't be the only time we put on a show for you," I said.

"I hope not," he said.

"I promise I'll take good care of these cock-craving sluts even if you are not watching," I said.

"I am sure of that," he said.

"Thank you," I said, shaking his hand.

"Thank *you*," he said.

Doris and Lynn kissed me deeply, and I squeezed their asses possessively.

"Did you have fun, bitches?" I said.

"We had a wonderful time, the best ever," said Doris. "Didn't we?"

"Yes," said Lynn.

"Feel free to go out and celebrate," I said, grabbing my underwear and pants.

"That's a great idea, isn't it, honey?" said Doris.

"Yes," he said as I pulled my pants up.

"Have a great weekend, everybody," I said on my way out.

"Have a great weekend, Nick," said Doris.

Her husband and daughter wished me a great weekend as well.

## ALEX JOINS THE GAME

Meanwhile, mom had a talk with my sister, Alex, in the living room to explain things to her.

“Alex, you are old enough to learn almost everything about sex,” said mom.

“Mom, I already know about the birds and the bees,” said Alex. “Is this a refresher course?”

“Do you know that some women have sex with their daughters’ boyfriends or with their own sons?” asked mom.

“That’s sick,” said Alex.

“Why is it sick?” asked mom. “Why is it wrong for a woman to have sex with her daughter’s boyfriend?”

“If the daughter or the husband found out, it would be a disaster,” said Alex.

“That makes it stupid, not sick,” said mom. “What if the woman was divorced and her daughter left her boyfriend?”

“It’s still wrong,” said Alex.

“Why is that?” said mom.

“Because of the big age difference,” said Alex.

“Don’t you think the big age difference allows the boy to benefit from the woman’s experience and allows the woman to benefit from the boy’s sexual energy?” said mom. “Isn’t that a win-win situation?”

“If the people found out about it, it would be a scandal,” said Alex.

“Forget about the people,” said mom. “Think about yourself. If you found out that a woman has sex with a young boy, would you think she’s crazy or sick?”

“I don’t know,” said Alex.

“Imagine Lynn’s mom having sex with Nick,” said mom. “Do you think that’s crazy?”

“Lynn’s mom’s married, and Lynn’s still with Nick,” said Alex.

“Imagine Lynn and her dad agreed that the relationship was beneficial to both Nick and Lynn’s mom,” said mom. “Imagine Nick was having sex with both even maybe together so Lynn’s mom can teach them new tips and tricks.”

“You want me to imagine that Nick was having sex with both Lynn and her mom in the same room?” said Alex.

“Yes,” said mom. “Imagine that Lynn’s dad was okay with that. What’s the problem?”

“I don’t know, but that’s impossible,” said Alex.

“It’s an imagination,” said mom. “We can imagine that. What would you think about that situation?”

“I guess, if nobody was taking advantage of another, it should be okay,” said Alex.

“Imagine your dad was okay with letting me have sex with Nick,” said mom.

“Yuck!” said Alex.

“Are you disgusted with me or with Nick?” asked mom.

“I am disgusted with the thought,” said Alex.

“Why?” said mom.

“It’s sick,” said Alex.

“Why?” said mom.

“Mothers and children shouldn’t have lust for each other,” said Alex.

“Why not if they don’t intend to make babies?” said mom.

“It’s wrong,” said Alex.

“Why?” said mom.

“It isn’t natural,” said Alex.

“Actually it’s more natural than you might think,” said mom. “Why isn’t it natural anyway?”

“Guys are supposed to desire other girls,” said Alex.

“That’s all for making babies,” said mom.

“I don’t know,” said Alex. “You don’t think it’s wrong?”

“Like you, I couldn’t find a reason why it should be wrong; so, I can’t say it’s wrong,” said mom.

“You mean you think it’s okay for you to have sex with Nick if dad’s okay with it?” said Alex.

“Don’t you think so too?” said mom. “You couldn’t give one reason why it should be wrong. Can you?”

“Not really,” said Alex.

“Would you be disgusted if I had sex with Nick and helped him be a better lover?” said mom.

“I can’t imagine that,” said Alex.

“Imagine I am working in the kitchen and Nick comes in,” said mom. “He stands behind me and wraps his arms around me. He squeezes my boobs and grinds his big erection into my butt. Do you find that disgusting?”

“I don’t know,” she said. “If I saw that, I’d look away and leave.”

“Imagine I moaned and ground my butt into his erection,” said mom. “He sucked my earlobe gently. He said I love you mom, and I said I love you too. He said I miss your hot body. I said I miss your powerful woman pleaser. I then turned around and went down to my knees. I proceeded to suck his big erection. Do you think that’s wrong?”

“I don’t know,” said Alex.

“Does it hurt anybody, including me and him?” said mom.

“Probably not if dad’s okay with it,” said Alex.

“Imagine you visited Lynn and caught Nick making out with her mom in the kitchen,” said mom. “Doris took her boobs out, and Nick sucked her nipples gently while feeling up her butt. Would that hurt anybody?”

“Not if Lynn and her dad were okay with it,” said Alex.

“Are *you* okay with it?” said mom.

“I guess it’s none of my business,” said Alex.

“What if you caught Nick feeling me up in the kitchen or living room,” said mom. “Would you be okay with that?”

“I guess,” said Alex.

“Think hard, Alex,” said mom. “Would you be okay with both cases?”

“Sure,” said Alex.

“Alex, we are going to put you to the test,” said mom.

“What do you mean?” asked Alex.

“Today or tomorrow, I’ll let you catch me on my knees sucking Nick’s big erection in the kitchen,” said mom. “I want you to watch for five minutes at least and then walk away. I want to see if you are okay with it.”

“Why do you want to do that?” asked Alex.

“If you are okay with it, we may do it, and you can learn from me and Nick,” said mom.

“Is dad okay with that?” asked Alex.

“We won’t do it if any member of our family isn’t okay with it,” said mom. “I want *your* opinion, not your dad’s.”

“Okay,” said Alex.

“After that, we may find out if you are okay with touching or sucking Nick’s big erection,” said mom.

“Oh!” said Alex in surprise.

“We’ll test our limits to find out what suits us,” said mom.

“Okay,” said Alex.

It was just before three in the afternoon when I arrived at home. I had spent over five hours with the Flints. I was hungry, so I headed to the kitchen.

There were some leftovers, so I managed to find enough food to eat.

Mom walked in while I put the dishes away.

“You are done with the whores?” she said.

“You know?” I said.

“Of course,” she said.

“Everything went great,” I said.

“I already know that too,” she said.

“Is there anything you don’t know?” I said.

“There is something *you* don’t know,” she said.

“There are quite a few things I don’t know,” I smiled. “Which one of those are you talking about?”

“You don’t know that you can’t fuck me freely,” she said.

“Why not?” I said. “Dad’s okay with that. Did that change?”

“No,” she said. “Your dad will always be okay with it. It’s your sister.”

“Oh, yes,” I said. “We have to make sure she doesn’t see or feel anything out of the ordinary.”

“Nick, that wouldn’t help you fuck me freely,” she said.

“Of course not, but it would prevent a disaster,” I said.

“That isn’t good enough,” she said.

“What do you mean?” I said.

“I want to expose your sister to this and help her accept it so we can fuck freely,” she said.

“That would be great, but how can you do that?” I said.

“Are you horny and ready to fuck me, or did the whores fuck you out?” she said.

“I am always horny and ready to fuck the hottest slut in the world,” I said as I walked to her and squeezed her ass.

“No other whores can change that. Is she horny and hungry for my big cock?”

“Of course,” she said. “I guess we are ready.”

“We sure are,” I said.

“We are ready to put on a show for your sister,” she said.

“You want her to watch us fuck?” I said.

“Not yet,” she said. “Today, I just want her to watch you feel me up and so on without taking your big cock out.”

“Can I take your tits out or finger you?” I said.

“Yes,” she said. “We can say or do anything as long as your big cock’s in your pants.”

“I am game,” I said.

“Give me five minutes, and come into the kitchen,” she said. “I’ll be cleaning up. I’ll make sure Alex will spy on us. Don’t try to catch her. Focus on me.”

“Okay,” I said.

“Disappear for a few minutes now,” she said.

“You got it,” I said, leaving the kitchen.

While I was in my room, mom went to Alex.

“Alex, your brother has come home,” said mom. “I am going down to the kitchen. Go downstairs, and wait. I am sure he’ll soon make his way to the kitchen. Move quietly like a spy, and find out what will happen between us.”

“Are you going to have sex?” asked Alex.

“No, but you may catch us flirting or groping each other,” said mom.

“Okay,” said Alex.

“Don’t let him catch you,” warned mom.

“I’ll be careful,” assured Alex.

“Get moving,” said mom. “I am going down.”

Mom returned to the kitchen. Alex went down and hid in the spare bedroom, leaving the door ajar.

A couple of minutes later, I wandered down and went to the kitchen.

Mom’s back was turned toward the door of the kitchen.

“My sexy mom’s here,” I said as I walked to mom.

“Hi to you too, handsome,” she said.

“How is my hot mom,” I said as I held her from behind, wrapping my arms around her.

“She’s good,” she said.

“She’s better than good,” I said as I cupped her tits and ground my boner into her ass.

“Your big boner’s poking into my ass,” she moaned.

“Maybe it wants to get inside it,” I teased.

“You are a horny kid,” she moaned.

“I am always horny when I am around the hottest woman in the world,” I said.

“Is that why your big cock’s so hard?” she moaned.

“Yes,” I said. “It loves your hot ass.”

“If you had your way with me, you’d be fucking me all the time, wouldn’t you?” she moaned.

“Of course,” I said. “Any guy with a mom as hot as you would do the same.”

“If all the boys were like you, all the moms would be whores,” she said.

“Like you?” I teased.

“Yes,” she hissed.

“You wish my big cock were inside you all the time, don’t you?” I teased.

“Yes,” she hissed.

“You are a dirty mom, aren’t you?” I teased.

“Yes,” she hissed.

“I love you,” I said as I pulled her dress off her shoulders and pulled her neckline down, exposing her tits.

“What are you doing?” she said as I cupped her bare tits.

“I took my dirty mom’s gorgeous tits out so I could play with them,” I said as I teased her nipples.

She moaned.

“What if your sister caught us like this?” she said.

“You think she’d be jealous because she can’t get to play with her hot mom’s mouthwatering tits?” I said.

“She may be jealous because her horny brother isn’t playing with her own tits,” she moaned.

“You think I should play with her lovely tits?” I teased, kneading her tits.

“That’s up to her,” she moaned. “Would you play with her young tits if she let you?”

“Would I play with my sister’s fine tits if she let me?” I said. “Would I tease her stiff nipples with my tongue tip and then suck them hard, making her gasp and making her pussy leak? Should I?”

“Maybe,” she said.

“If I play with her nice tits and make her little pussy wet, I am sure we’ll end up fucking,” I said. “There is no way her little pussy can resist my big cock when her pussy’s soaked. My big cock wouldn’t let it escape either.”

“You are a pervert,” she said. “You want to fuck your slut mom and innocent little sister.”

“My big cock loves you,” I said. “The two of you are so hot. I tell it that you are my mom and she’s my sister. It says when a woman or a girl’s this hot, it doesn’t matter who she is.”

“You can’t let your big cock make all the decisions for you,” she moaned, grinding her ass into my boner.

“It doesn’t make all the decisions for me,” I said. “I decide what food to eat and what to drink.”

“Is that all?” she teased.

“I guess,” I said as I turned her around.

She gasped when I sucked her stiff left nipple hard.

“Your big cock tells you that it’s okay to fuck your slut mom?” she moaned, fondling my boner.

“Yes,” I said. “It loves you so much. I bet your little pussy tells you my big cock should fuck it too.”

“Yes,” she hissed as I sucked her right nipple while fondling her ass.

“My big cock and your little pussy love each other, don’t they?” I teased, hiking her dress.

“Yes,” she hissed. “My little pussy wants your big cock to fuck me in every possible way.”

“It wants my big cock to fuck you like a whore?” I teased, fondling her bare ass.

“Yes,” she hissed. “I have a horny little pussy.”

"I have to take you to your marital bed and fuck you," I said as I carried her on my shoulder, making her gasp. Her tits and ass were exposed as I carried her and headed out of the kitchen.

"You can't take your slut mom to her marital bed and fuck her like a whore," she gasped.

"Watch me," I said. "Though, I won't fuck you until you beg me to fuck you with my big cock."

"You are a dirty boy," she gasped. "You can't make your slut mom beg for your big fat cock."

"I can, and I will," I said. "I am not going to force you, but you are going to beg for it."

"I'll tell your sister that you make me beg for your big cock lest she lets you take advantage of her," she gasped.

"She can't avoid it," I said. "If she's taking after her slut mom, she's going to beg for it just like her slut mom."

We finally reached the master bedroom. I had walked slowly to allow Alex to listen longer.

"You are a bad boy," she gasped as we entered the bedroom.

"You are a good slut," I said as I closed the door. "If you don't want me to fuck you, don't beg for it."

"I may not be able to do that," she gasped as I put her down. "You have a big powerful cock."

"Do you want to suck it?" I said.

"Yes," she hissed.

"Beg for it," I said.

"Please let me suck your big juicy cock," she begged, kneeling before me.

"Go for it, you hot slut," I said.

She pulled my pants and underwear down, setting my hard cock free. She took it into her mouth and deep throated it hungrily for a minute.

"Any woman would beg for this big powerful cock," she said, rubbing my cock over her face. "You can't expect your slut mom not to beg for it."

"I expect you to beg for it," I said, slapping her face with my cock. "Now suck it."

She returned my cock to her mouth and resumed deep throating it hungrily. I thrust in her throat.

"Please fuck me, darling," she said, getting up a few minutes later. "My pussy's so hungry for your big cock."

She climbed onto the bed on her hands and knees as I kicked my pants and underwear off.

"You want my big cock deep in your tight little pussy?" I said as I stood behind her and pulled her ass to me.

"Yes," she hissed when my cock head touched her dripping pussy.

"Your horny little pussy belongs around my big cock," I said as I held her hip and thrust my cock into her pussy.

"Yes," she hissed as my cock stretched and entered her tight pussy. "Fuck it."

"Of course I am going to fuck it," I said as I held her hips and thrust in her pussy. "This is what it was made for."

She fucked back energetically, coming within one minute. I did not slow down until she came twice more.

"You want it in the ass too?" I said, thrusting gently in her drenched pussy.

"Yes," she hissed as I drooled on her asshole.

"Beg for it," I said, sticking my thumb into her asshole and stretching it for her.

"Please fuck my horny ass," she begged.

"That's more like it," I said as I removed my cock and thumb from her holes and pushed my cock into her asshole.

"Yes," she hissed as my cock penetrated her asshole.

"Where does this slutty ass belong?" I said as I held her hips and thrust in her ass.

"It belongs around your big cock," she gasped. "Fuck it, baby."

"I'll fuck you silly in every hole," I said, picking up the pace.

She fucked back more and more energetically, and I drooled on my cock and fucked her ass briskly.

"You can't fuck your slut mom in the ass in her marital bed," she gasped. "If you do, you make her come hard."

"Show me," I urged, drilling her ass harder.

"I am going to come, Nick," she gasped.

"So, come," I said.

"I am coming," she gasped, stiffening.

She convulsed wildly, and I held her hips tightly and pounded her writhing ass until she went limp.

"Can you see how hard you can make your slut mom come when you fuck her ass in her marital bed?" she gasped.

"Yes," I said as I spread her ass and thrust gently in her splayed asshole. "I like that."

"Me too," she gasped as I reached out and grabbed the lube off the nightstand.

"Do you need more of my big cock up your horny ass?" I teased as I squeezed lube on my cock.

"Yes," she hissed. "Your greedy slut mom wouldn't beg for just one orgasm."

"My greedy slut mom wants me to fuck her ass royally?" I teased, picking up the pace.

"She wants you to fuck every hole she has royally," she gasped, fucking back.

"That's exactly what I intend to do to her anyway," I said.

"You are a good boy after all," she gasped.

"I guess your efforts in raising me were not completely lost on me," I said.

"I am proud of how you turned out," she gasped.

"I am proud of how hot and slutty my mom is," I said.

"Enjoy her horny body, lover," she gasped. "Fuck her silly."

"That's why I am here, mom," I assured. "I won't walk out of here until you are well fucked and full of come."

"Yes," she hissed.

The pace picked up, and she came. I kept up the pace until she came again.

She was still gasping when I yanked my cock out of her ass and dove for her asshole. I spread her ass and devoured her asshole. She moaned and gasped, thrusting her ass into my face, until she came. I licked her drenched pussy clean and ate it to another orgasm, slurping all her gushing juices.

"Suck it," I said, tapping her asshole with my cock head.

She spun around and pounced on my cock. She deep throated my cock hungrily, and I fucked her throat briskly.

She lay on her back and pulled her legs over her head.

"Fuck me, stud," she gasped, spreading her ass with both hands.

That was our wildest fuck session. I came in her mouth first, and she swallowed every drop thirstily. The next time, I came in her ass and plugged it. Dad walked into the room while I was getting ready to come in her pussy.

"Don't go, honey," she gasped. "I want you to eat his come out of my pussy and ass before I prepare dinner."

"Okay," he said.

He sat down and watched. To make it worth his while, I made her come a few times before I filled her pussy with come. I drained my balls in her pussy and pulled out. I climbed astride her, and she sucked my slimy cock clean.

"Are you well-fucked, slut?" I said.

"Oh, yes, I am very well fucked," she said. "Thank you, my wonderful stud."

"You are welcome, my dirty slut," I said, dismounting her. "Dad, she's all yours."

"Thank you," he said as she turned her come-filled pussy and plugged ass toward him.

He dove for her pussy while I pulled my underwear and pants up. I closed the door on my way out.

A quick shower was in order. I then went down to the living room.

Alex was in the living room. She looked at me strangely. I did not know that she had eavesdropped at the door.

"You don't recognize me?" I teased. "I know I haven't seen you in a few days. I was a little busy."

"Oh," she said, blushing.

"It's okay," I said. "Don't be shy. Had you not been such a pretty girl, I wouldn't have recognized you either."

She continued to blush.

"So, did you have as much fun as I did on this winter break?" I said.

"I guess," she said.

"Are you ready to get back to the boring stuff?" I said.

"I have to," she said.

"You'll soon find a worthy boyfriend and get to have fun even then," I said. "I used to like kissing and petting when I was your age."

She blushed.

"Don't be shy," I said. "We all have to go through that. We kiss and pet, and then things get crazy and we need to be careful. It's the nature of life. If we don't do that, it becomes very boring."

"That may be true," she said.

"I still remember my first kiss," I said. "I can't tell you much about it because it wasn't with my girlfriend. That woman, I mean girl, sure could kiss. I was so lucky she taught me all about kissing that day, but we practiced later."

"Oh!" she said.

"Thanks to her, I can kiss in my sleep," I said. "I seduced my girlfriend by kissing, so be careful who you kiss."

"I don't kiss anybody," she said.

"Someday you will," I said, looking at her lips. "You were given luscious lips to kiss and be kissed. That's life."

"I'll be careful," she said.

"I know you are a smart girl, but one can't be too careful," I said.

"I guess you are right," she said.

"Your brother's often right, sister," I said. "You better pick a nice boyfriend, or your brother will kill him."

"Okay," she smiled.

"You don't want to be the cause of loss of lives," I said. "You don't want people's blood on you, do you?"

"Of course not," she said.

Mom showered after she fed dad my come out of her well-used pussy and ass. She came down a few minutes later. She was so happy she was walking on clouds.

"I feel like a million bucks," said mom cheerfully.

"You look like a million bucks too," I said.

"Nick, you are the sweetest son in the world," she smiled, coming to me.

She bent over and pecked me on the lips.

"Mom, you are the prettiest and sexiest mom in the world," I said. "Isn't that right, Alex?"

Alex was caught off guard.

"Yes," gasped Alex.

"I am sure dad agrees too," I said.

Dad came down while I said that.

"Dad, don't you agree that mom's the prettiest and hottest mom in the world?" I said.

"Yes," he said.

"Can you see, mom?" I said. "It's unanimous."

"Thank you, darling," she smiled, heading to the kitchen.

The dress she wore hugged her ass. I watched it with a smile as it twitched away until it disappeared.

"Ladies and gentlemen, that was my beautiful mom," I said.

Alex watched me as I enjoyed the view of mom's hot ass, my cock stretching languidly.

"Alex, come help me, sweetie," called mom.

Alex got up and went to the kitchen. I stared at her tight little ass for the first time. My cock firmed up.

"Did you see what happened in the kitchen between your brother and me?" said mom.

"I did," said Alex. "Did he have sex with you?"

"It's a little too early for this question, sweetie," said mom. "You'll soon find out why a woman feels like a million bucks. Let's now talk about what you saw and heard earlier."

"Okay," said Alex.

“Did you see how we talked, flirted, teased, and felt up each other?” asked mom.

“Yes,” said Alex.

“Alex, do you think you can handle what I am about to say to you?” said mom.

“I hope so,” said Alex.

“Try your best,” said mom.

“I will,” said Alex.

“Sweetie, you have no idea what it feels like to have a young man grind his big hard boner into your ass,” said mom. “It makes you tremble. It makes your little pussy leak. It makes you feel so horny. It makes you want and need sex. It makes you feel like a woman. It makes you want him to treat you like a man should treat a woman especially when he squeezed your tits, pinches your nipples and tells you that you are his slut and you belong to his big cock.”

“Oh!” said Alex, surprised at mom’s language.

“You may not understand how that feels without experiencing it,” said mom. “Have you ever experienced that?”

“No,” said Alex lowly.

“It all but turns the woman into putty in the man’s hands,” said mom. “Your brother knows how to turn a woman into mush. He knows how to turn her into putty. Did you see him do that to your mom right in front of your eyes?”

“Yes,” hissed Alex.

“Did you see how I let him do whatever he wanted to me?” said mom. “Did you see him expose my tits and ass?”

“Yes,” hissed Alex.

“Did that disgust you?” said mom. “Did it make you think your mom was a filthy whore?”

“No,” said Alex.

“I am proud of you, sweetie,” said mom. “I knew you were mature enough to handle what you saw. Most moms would think you were too young to handle watching your mom and brother express their love and lust for each other.”

“Thank you,” said Alex.

“Did you see how he threw me on his shoulder and took me to my bed?” smiled mom.

“Yes,” said Alex.

“That was so hot,” said mom. “Nobody had ever done that to me. I hope you’ll experience that someday. Anyway, while you saw and heard what happened, did you want me to stop him or let him continue?”

“I don’t know,” said Alex shyly.

“Were you disappointed when I let him continue?” asked mom.

“No,” said Alex.

“So, you wanted me to let him continue?” said mom.

“I guess so,” said Alex.

“Did you enjoy watching your brother treat your mom like a slut and make her wet and horny for him?” said mom.

“Yes,” hissed Alex.

“Did you like the fact that your mom was human like you, made of flesh like you and susceptible to the desires of the flesh like you?” said mom.

“Yes,” said Alex.

“I can’t tell you what your brother did to me in my marital bed, but can you see its effect on me?” said mom.

“Yes,” said Alex.

“Do I glow and look happier?” said mom.

“Yes,” said Alex.

“Did our show turn you on?” asked mom.

Alex blushed.

“Don’t be shy, sweetie,” said mom. “You can say anything to your slut mom. I don’t think you can be dirtier than I am, but, if you were, I’d be proud of you, not disgusted with you. Did that turn you on?”

“Yes,” hissed Alex.

“Are you ready to watch me suck his big wonderful cock in the kitchen tomorrow morning?” asked mom.

“I don’t know,” said Alex.

“Do you want to watch your mom worship your brother’s big cock like a slut does her stud’s big cock?” said mom.

“I don’t know,” said Alex again.

“Do you think you can handle it?” asked mom.

“I think so,” said Alex.

“I want you to do it,” said mom. “It’s the next step in your training. Will you do it for me?”

“Yes,” hissed Alex.

“I am sure it will turn you on more than today’s show,” said mom. “Your mom loves to worship your brother’s amazing cock to show him how much she appreciates everything he does to her and for her.”

“Okay,” said Alex.

“Alex, your mom wants you to be a big girl,” said mom. “She wants you to be able to handle anything.”

“Thanks, mom,” said Alex.

“I want you to be able to handle having a brother that has an incredible cock any girl would fight for,” said mom.

“Okay,” said Alex.

“Most of all, I want you to be a very happy girl,” said mom.

“Thank you,” said Alex.

“Till then, don’t think too much about your brother’s mouthwatering cock,” said mom. “It’s too early for that.”

“Okay,” said Alex, blushing.

“Are you ready to help me with dinner now?” said mom.

“Sure,” said mom.

Both Alex and I tried to be normal at the dinner table, but she could not hide that something was different. Mom did not let sleeping dogs lie though.

“Honey, Nick was so nice to me this afternoon,” said mom. “It was he who made me feel like a million bucks.”

“That’s nice,” said dad.

“Aren’t you going to thank him and express your pride in him for being such a great son?” she said.

“Nick, thank you for being so nice to your mom,” he said. “I am so proud of you.”

“It was my pleasure, dad,” I said. “I love making mom happy. She’s my mom after all.”

“You are a good kid, darling,” she said.

“Look at who raised me, and you’ll see why,” I said.

“Thank you, darling,” she said. “You are so sweet.”

“You spoil me rotten, mom,” I said.

“You do the same to me, darling,” she said.

“Anybody would spoil his mom when she’s as sexy as mine,” I said.

“Thank you, baby,” she said. “You are still very special.”

“So are you,” I said. “You are more special to me than any mom is to her son.”

“Thank you,” she said.

Alex followed the exchange with false indifference.

“Alex, you are not jealous because I am so nice to mom, are you?” I teased.

“No,” said Alex. “I am okay.”

“Your sister’s nice in her own way,” said mom.

“She sure looks nice,” I teased.

“Nick!” whined Alex.

“I am just teasing,” I said. “Look at mom. She didn’t get mad when I told her she was so pretty and sexy.”

“She thinks you are making fun of her,” said mom.

“Only a moron would make fun of my sexy sister,” I said. “I am not admitting to being a moron ever.”

“Alex, be nice to your brother,” chided mom. “Thank him for being nice to you.”

“Thank you,” said Alex, blushing.

“You are welcome, my sexy sister,” I smiled.

The rest of dinner was uneventful—thankfully.

In the morning, mom arranged with Alex to spy on us before she drew me to the kitchen.

Mom and I stood in a way that would give Alex an eyeful.

“Oh, Nick, I so want to suck your big beautiful cock,” said mom as soon as she turned to me.

“Is that right?” I teased.

“I am serious,” she said.

“Wasn’t what we did last night good enough for you, you cock-craving slut?” I said.

“It was amazing,” she said, kneeling before me. “You know that. You have a very horny mom though.”

“If you really need it, beg for it,” I said as she undid my shorts.

“Please let me suck your mouthwatering cock,” she said as she set my hard cock free.

“Go for it,” I said as she pulled my shorts and underwear down. “You seem to be hungry enough for it.”

She kissed my cock head while I stepped out of my shorts and underwear.

“Suck it, you dirty cocksucker,” I said, slapping her face with my cock. “Show my big cock you are a good slut.”

“I am going to worship it, baby,” she said.

She licked my cock and balls sloppily, slurping my shaft loudly. She spent a few minutes licking and kissing my cock head, making it leak and licking its fluids. She moaned happily. She then licked my cock lovingly.

“Do you like that, baby?” she said.

“You are a great cocksucker, mom,” I said. “Of course I love it. Don’t stop.”

She took my cock in her mouth and proceeded to suck it, taking it deeper and deeper little by little. She took a few minutes before she took it all the way down her throat. I thrust gently in her mouth while she did that.

“I love your gorgeous cock, darling,” she moaned, rubbing my cock on the side of her face that faced the door.

“It loves you too, mom,” I said. “Suck it. It loves it when you show it how much you love it. Spoil it.”

She swallowed my cock and deep throat it hungrily for several minutes.

“I don’t want to stop, but let’s not get carried away here,” she said as she pulled my underwear for me to step into.

“What am I supposed to do with my big cock now?” I said as she helped me pull my underwear and shorts on.

“Hide it for now,” she said. “I am not finished with it. I promise you I’ll take very good care of it very soon.”

“I am not leaving until you bend over and let me eat your juicy little pussy,” I said, pushing her to the counter.

“You are a horny kid,” she moaned as she bent over the counter.

“You are too delicious to let go just like that,” I said.

She hiked her dress as I knelt behind her. I spread her ass and gave her asshole a deep kiss, making her squirm. I ate her pussy and asshole hungrily until she gushed in my mouth. I licked her clean and straightened her dress.

“Don’t you feel better now?” I said.

“Of course I do,” she said, smiling as she turned around. “Your face is sticky with my juices though.”

“It’s too bad that I can’t lick my face clean,” I said.

“Unfortunately, you have to wash it,” she said.

She pecked me on the lips, and I washed my face.

Alex was gone when I made my way to my room a little too slowly.

Mom went up to Alex’s room.

“Did you see that, sweetie?” asked mom.

“Yes,” said Alex.

“Were you able to handle it?” said mom.

“Yes,” said Alex.

“Isn’t your brother’s cock big and beautiful?” said mom.

“I guess,” said Alex.

“Trust your mom, sweetie,” said mom. “Your brother has a very beautiful and mouthwatering cock.”

“Okay,” said Alex.

“Did it turn you on to see me worship that gorgeous cock?” asked mom.

“Yes,” said Alex shyly.

“Are you ready to watch me suck it right next to you?” said mom.

“What do you mean?” asked Alex.

“I want you to sit down next to me on the sofa,” said mom. “When Nick goes down, I’ll call him and suck him. Do you think you can handle that?”

“Will he be okay with that?” asked Alex.

“Don’t worry about him,” said mom. “He’s a big boy. Are you a big girl too?”

“Yes,” said Alex.

“Let’s go to the living room and wait,” said mom.

Alex went down with mom. Mom sat in the middle of the sofa and motioned Alex to sit next to her.

A few minute later, I went down to the living room.

“Come here, Nick,” called mom when she saw me.

“Sure,” I said, heading toward her.

“Come right here, baby,” she said when I stood a few feet away from her.

“Is this good?” I said as I took a step toward her.

“This is good,” she said as she leaned forward and pulled me one more step to her.

She proceeded to undo my shorts.

“What are you doing, mom?” I said as she pulled my shorts down.

“Didn’t I tell you I wasn’t finished with your gorgeous cock?” she said. “I am going to take care of it right now.”

“In front of Alex?” I said as she yanked my underwear down, setting my hard cock free.

“Yes,” she said.

“Can she handle that?” I said as I kicked my shorts and underwear off.

“Ask her,” she said.

“Alex, can you handle this?” I said.

“Yes,” hissed Alex shyly as mom stroked my cock.

Mom leaned forward and pulled me to her by the hips.

“You are going to corrupt her,” I said as mom teased my engorged cock head with her tongue, making my cock twitch and jump. “She’s an innocent girl. When she sees her mom suck my big cock like a slut, she’ll want to do it.”

Mom moaned as she took my cock head in her mouth and sucked it gently while teasing it with her tongue tip, making it twitch and leak in her mouth.

“Darling, your sister’s a big girl,” she said, stroking my cock. “If she wants to wrap her sweet lips around a big fat cock, she should do that and enjoy herself. I am sure she can handle it.”

“Can you handle a big cock like mine, Alex?” I said as I pulled mom’s head to my cock.

Mom opened her mouth and took my cock half way in. She sucked it eagerly, not taking it deeper than that.

“I don’t know,” said Alex lowly.

“Maybe you should start with a small cock,” I said.

“No, darling,” said mom. “Your sister isn’t going to start with a small pathetic cock. If the cock doesn’t make her drool at both ends, it doesn’t belong anywhere near her, not to mention in her.”

“You want her to start with a big fat cock like mine?” I said.

“Yes,” she said. “Your sister’s taking after her mom. She can handle big cocks.”

“That would make me proud of her,” I said.

“Sweetie, do you want to suck your brother’s big cock and show him that you can handle it?” said mom, making my cock twitch in her hand. She pushed me toward Alex. “Give it a try, and find out.”

“I’ve never done that before,” said Alex nervously as my cock throbbed in her face.

“Never worry when your mom’s by your side,” encouraged mom. “Do what you can, and I’ll give you pointers. Now, beg him to let you suck his big beautiful cock. Don’t be too shy to call it big and beautiful because it clearly is.”

“Please let me suck your big beautiful cock,” said Alex lowly.

“Go ahead, Alex,” I said. “Indulge.”

“Thank you,” she said lowly.

My cock twitched when she leaned toward it and stuck her tongue out.

“Lick his big juicy plum,” said mom. “Show that big cock that you are a big girl.”

Alex’s tongue touched my cock cautiously, making it twitch.

“It likes you,” said mom as Alex licked my leaky cock head tentatively. “Let it leak on your tongue, and enjoy it.”

My cock leaked, and Alex licked it more and more daringly.

“Do you like that, darling?” said mom.

“Yes,” I said. “It’s hot. She must be taking after you. I can’t wait to have her take my big cock in her little mouth.”

“Don’t let your brother wait, sweetie,” said mom. “Take that big plum in your mouth, and suck it. Suck it gently, and suck it hard. Lick it lightly, and lick it hard. Make it leak more profusely in your mouth.”

Alex took my cock head in her mouth, stretching her lips around the shaft, and sucked gently. My cock twitched and leaked in her mouth. She sucked my cock head harder, and it leaked again. She licked it while it was in her mouth.

“You wanted her to start with a tiny cock when she could start with your big juicy cock?” said mom.

“I didn’t know she was so ripe and ready for the taking,” I said. “She’s apparently ready for my big cock.”

“She is,” she said.

“Her lips are perfect for my big cock,” I said as I held the back of Alex’s head and thrust gently.

Alex took the hint and started to move her head back and forth.

“They might have been made for it,” said mom.

“I think her hot lips were custom-made for my big cock,” I said. “They feel so good around it.”

“You just need to break them in,” she said.

“Once I break them in, I’ll have her suck my big cock all the time,” I said. “She’ll be my hot little cocksucker.”

Alex unintentionally moaned.

“Don’t be shy, sweetie,” encouraged mom. “Moan to show him that you enjoy it as much as he does.”

Alex was less shy about moaning around my cock.

“She obviously loves your amazing cock,” said mom. “Any girl or woman who doesn’t must be both dead and lesbian. If a girl’s only dead or only lesbian, she’ll love it.”

“My sister isn’t only a girl,” I said. “She’s a very hot girl. I didn’t tell her that before because I wasn’t sure she could handle it, but, now that she can suck my big cock, I’ll let her know that she’s so hot and I want to fuck her silly.”

“If she can handle your big cock with her mouth, I am sure she can handle it with her other holes,” she said.

“When the girl’s this hot, I am sure there is nothing she can’t do for my big cock,” I said as I leaned down and pulled Alex’s top by the hem. “I am sure Alex is going to be even sluttier and dirtier than her dirty slut mom.”

Alex pulled back for a second, and I took her top off. My cock twitched when I saw that she was braless. I pushed her a little to the back and drooled on her left nipple as I aimed my cock head at it. She gasped as my drool and my cock head touched her stiff nipple. I rubbed her nipple gently, making her moan. I did the same to her right nipple.

“Suck it, Alex,” I said, pushing my cock into her mouth. “Suck my big cock. Be my hot little cocksucker.”

“If you love your brother’s big cock, show him how much you love it,” advised mom. “Never be too shy to show the big cock you belong to how much you love it. From now on, you belong to your brother’s big powerful cock.”

Alex trembled as mom said that.

“Take it in deeper,” I said, thrusting in Alex’s mouth.

“If you want me to teach you how to take it all the way down your throat, suck it hungrily,” said mom.

Alex sucked my cock more and more eagerly, and I thrust in her mouth, pushing my cock deeper in her mouth.

“Drool all over it, and suck your drool when it’s flavored with his delicious cock,” advised mom.

Alex did as mom suggested.

“This girl’s going to be a serious cocksucker,” said mom, watching Alex suck my cock hungrily.

“She has all the genes she needs,” I said.

“She has all the cock she needs too,” said mom.

“She can suck my big cock whenever she wants,” I said. “That’s all she needs.”

“Are you ready to learn how to take it down your throat so you can suck it all the time, little slut?” said mom.

“Yes,” hissed Alex.

“Tilt your head back to straighten your throat and try to swallow his big juicy cock, sweetie,” instructed mom.

Alex did that right away, but, had it been that easy, most girls would have been deep throat experts. Actually, had that been the case, there would be no such thing as deep throat. Alex though was already in love with my cock. She was going to take it down her throat no matter what that took. It took her several minutes of hard cock sucking and determination, but it all paid off, and she did it.

“I did it,” she gasped excitedly when she took my cock out of her throat for the first time.

“You did it, sweetie,” said mom. “Your brother and I are so proud of you. You got my genes for a good reason.”

“I am so proud of you, Alex,” I said. “You are a good cocksucker and a hot slut. Now put what you’ve just learned to good use. Suck your brother’s big cock like a sweet sister should.”

“Sweet sisters shouldn’t do this,” she smiled. “I am a dirty sister.”

“In that case, suck my big cock like a very dirty sister should,” I said. “You are a cock-craving little slut.”

She pounced on my cock and proceeded to fuck her throat with it. I gently thrust in her throat.

“It’s a crime to waste this talent on a small cock,” said mom.

“It’s a crime to waste this talent on any other cock,” I said.

“I think so too, you greedy fucker,” she said.

“What matters most is what she thinks,” I said.

“Alex, do you think there is any other cock that deserves your talented mouth?” she asked.

“No way,” said Alex. “This is the perfect cock.”

“You want to belong to my big cock like mom?” I said.

“Yes,” she hissed.

“I am so happy for the two of you,” said mom.

“I am so lucky the hottest two sluts in town belong to my big cock,” I said. “Alex and I are so grateful to you.”

“A mother’s ultimate job’s to make her children happy forever,” she said.

“Did you hear that, Alex?” I said. “You and I should keep doing this forever if we want to be happy forever.”

“I love this, and I want to be happy forever,” gasped Alex.

“Me too, my little slut,” I said.

Alex deep throated my cock hungrily for several minutes. She became much better at it.

“I think she’s earned her reward,” said mom.

“Alex, I am going to come in your hot mouth,” I said. “When I am done, I want you to swallow my come slowly.”

“Okay,” said Alex.

“Suck my big cock as hard as you can,” I said. “Make me come.”

Alex sucked my cock hard, and I allowed her to make me come.

“Open wide, and stick your tongue out, baby,” I said when my cock swelled.

She opened wide, and I shot my come against the back of her throat. I wiped my cock head on her tongue.

“Swallow it all but slowly so you can taste it well,” I instructed.

She swallowed my come slowly.

“I like it,” she said when she was done.

“You are a natural come slut,” I said.

“That’s true, sweetie, but your brother’s come’s delicious too,” said mom.

“Do you want me to eat your juicy little pussy and make you come so hard in my mouth?” I said.

“Yes,” hissed Alex shyly.

“Darling, she’s just discovered how much fun she can have with her mouth,” said mom as I knelt before Alex. “It’s time now for her to find out how much fun she can have with her other holes. She has three fun-loving holes.”

“Did you enjoy sucking my big cock like a greedy cocksucker and swallowing my sticky come like a dirty come slut?” I said as I hiked Alex’s skirt.

“Yes,” hissed Alex as she helped me pull her skirt from under her ass.

Alex’s bare pussy looked me in the eye, surprising me pleasantly. It was drenched.

“Try to lie back and pull your legs over your head,” I said, gently pulling Alex’s ass to the edge of the sofa.

She obliged me and pulled her legs up.

“Spread your luscious ass,” I said, guiding her hands to her ass.

She shyly spread her ass, exposing her sweet virgin asshole, which was sticky with her excess pussy juices.

“Your pussy and asshole are mouthwatering,” I said. “They are so sweet I don’t know where to start.”

She trembled and blushed.

“Start with your favorite,” suggested mom.

Alex’s pussy continued to leak while we had that exchange.

Mom knew where I was going to start. Alex gasped when my tongue tip touched the center of her puckered asshole. Alex’s asshole clenched. I licked it gently, making her moan and making her asshole relax.

“Relax, sweetie,” advised mom. “Sex is what your little pussy and tight asshole were made for. You’ll see.”

Alex’s asshole relaxed and let me probe it with my tongue on its way to orgasm. She had her first orgasm, her tight asshole twitching around my tongue tip. While she recovered, I licked her juices off her asshole and licked my way up to her drenched pussy. I cleaned up her pussy before she started to moan and hump my tongue.

“Both your asshole and pussy are delicious,” I said. “I’ll taste them often with my tongue and my big cock.”

She trembled as I lowered my mouth to her pussy. She enjoyed the ride, and I soon had her gushing in my mouth.

When I came up for air, mom handed me lube and a butt plug, making my cock, which was rock hard, twitch. Alex did not see that. She was too busy catching her breath.

A quiet moan left Alex’s lips when I gently pushed a well-lubed finger into her tight asshole.

“Relax, baby,” said mom softly. “He needs to open your little asshole for his big cock so it won’t hurt.”

“Do you want me to fuck you in your sweet ass?” I asked Alex as my fingertip slid into her asshole.

Alex’s asshole clenched around my finger.

“Yes,” she hissed, her asshole twitching.

“You want me to fuck your hot ass hard with my big cock like I do to our slut mom, which you take after,” I said as I corkscrewed my finger into her tight asshole.

“Yes,” she hissed.

“Our slut mom loves my big cock up her ass more than anything,” I said.

“You are going to love it too,” assured mom.

“Are you going to love it more than anything too?” I said.

“Yes,” hissed Alex.

“I am sure of that,” I said, swirling my finger within her asshole to loosen it up. “You are a hot slut like mom.”

“Yes,” she hissed.

While I reamed out Alex's tight asshole, I occasionally licked the excess juices approaching her asshole. I gently and patiently worked lube and fingers into her asshole. Within several minutes, I had three fingers twisting deep in her stretched asshole. She groaned quietly and humped my fingers. Her pussy leaked profusely.

A few minutes later, I slid my fingers out and pushed the well-lubed butt plug in. She groaned when it stretched her asshole wide around its widest point. It popped in, making her gasp.

"It will help you stretch and exercise your little asshole," said mom. "Your hot ass needs to be always ready."

"If you want me to fuck your hot ass freely, it has to be ready for me all the time," I said as I scooped Alex's copious juices off her pussy with the pad of my thumb and brought it to her mouth. "Suck it."

Alex only hesitated for a second before she sucked my dripping thumb clean.

"Does your little pussy taste good?" I teased, smiling.

"Yes," she hissed, smiling.

"Suck my big cock, sluts," I said as I got up and pulled their heads to my cock. "Show it that you are my whores."

They soon established a routine and sucked my cock hungrily together. I pulled back, pulling them onto the floor. They knelt on the floor and resumed sucking my cock.

"Get on your back like before, Alex," I said, slapping Alex's face with my cock.

Alex got back into position, spreading her ass. I gently pulled on her butt plug, and it slowly slid out.

That was when dad walked in.

"What are you doing?" he asked as Alex's asshole stretched around the wildest point of the butt plug.

Alex was startled. She tensed, took her hands off her ass and tried to get up, but mom held her back by her legs.

"Can you see her little asshole, honey?" said mom. "See how it stretches around that fat butt plug. Aren't you proud of her? Most women can't take a butt plug that big up the ass."

"Why are you doing that to her?" he said. "She's too young for this."

"Aren't you proud of her being so young but able to take that big butt plug up her tight virgin asshole?" she said.

"Yes," he said.

"Tell her you are proud of her," she said.

"I am proud of you, Alex," he said.

"Thank your dad, sweetie," she said.

"Thanks, dad," said Alex shyly.

"Nick's getting her ready for his big cock," said mom. "He's about to take her sweet ass cherry."

"Isn't she too young for that?" he said.

"He thought so too, but we tested her, and she showed superior maturity," she said. "She deep throated his big cock nicely. She's definitely ready. Can you see how wet her virgin little pussy is?"

"Yes," he said.

"Why don't you sit down and watch?" she said. "That would make her know that her entire family supports her."

"Okay," he said reluctantly, sitting on the loveseat.

During the exchange, Alex's asshole was stretched around the widest point of the butt plug. I gently worked it in and out of her ass, making her moan quietly. She returned her hands to her ass and spread it. Her pussy was so drenched the butt plug worked the excess juices into her asshole. I lapped up her juices off her soaked pussy in one stroke.

"Are you ready to give up your sweet ass cherry to the big cock you belong to?" I said.

"Yes," hissed Alex.

Mom lubed my cock.

"Are you going to beg?" I said.

"Please fuck my virgin ass with your big cock," said Alex shyly.

"Dad, do you think she's ready for it?" I asked, slowly withdrawing the butt plug from her ass.

"I think she is," he said.

"Stay relaxed," advised mom as I pressed my cock head into Alex's relaxed asshole.

My cock head popped in, and I slowly worked the rest of my cock in in short thrusts. She gasped softly.

“Do you like this, Alex?” I said.

“Yes,” she hissed.

“She’s definitely taking after me,” said mom.

“She’s going to be a perfect slut for my big cock,” I said.

My cock soon sank balls deep in, and Alex stiffened instantly.

“I am coming,” she gasped softly.

“That’s the point, Alex,” I said, thrusting in her ass harder. “I want you to come your hot ass off on the big cock you belong to. Will you do that for me?”

“Yes,” she gasped.

Her ass convulsed around me. I pinned her legs down and drilled her twitching asshole until her orgasm subsided.

“Do you like coming on my big cock?” I teased.

“Yes,” she hissed.

“Honey, aren’t you going to congratulate your daughter for losing her ass cherry and taking her brother’s big fat cock balls deep up her tight ass for the very first time?” said mom.

“Congratulations, Alex,” said dad.

“Thanks, dad,” gasped Alex.

“Mom and dad want you to be a good slut for my big cock,” I said. “Isn’t that right, dad?”

“Yes,” he said.

“Are you going to make them proud of you?” I said.

“Yes,” she hissed.

“I’ll fill you with my big cock, and you’ll fill them with pride,” I said. “Is that okay?”

“Yes,” she hissed.

Mom squeezed lube on my cock as I took Alex’s ass with long smooth strokes.

“Do you want me to fuck your horny ass harder?” I said.

“Yes,” she hissed.

“Ask me to do that,” I said. “Don’t wait for me to offer.”

“Please fuck my ass harder,” she gasped.

“Can you see how easy that was?” I said, picking up the pace.

“Yes,” she gasped.

Alex came for me repeatedly. I slowed down after every orgasm to give her time to catch her breath.

When I popped my cock out of Alex’s ass for the first time, mom pounced on it and deep throated it eagerly while Alex watched. I returned my cock to Alex’s ass and fucked her ass through several orgasms.

“Suck it, Alex,” I said, popping my cock out of her ass.

Alex sat up and deep throated my cock for a few minutes. I impaled her ass again.

“I am going to flood your hot ass with come,” I announced several minutes later. “Are you ready, baby?”

“Yes,” gasped Alex.

She came, and her twitching asshole drained my balls in her ass.

“Sweetie, I am going to suck Nick’s come out of your slimy ass and share it with you over a sloppy kiss,” said mom, kneeling on the floor, as I pulled out of Alex’s come-filled ass. “It will be so hot. You’ll love it.”

“Meanwhile, suck my sticky cock,” I said as I knelt next to Alex’s head and threw one leg over her head.

Alex was a little distracted when she sucked my cock as mom licked and sucked her asshole. She soon got used to it and sucked my cock more eagerly, moaning around it. Mom made her come in her mouth. I pulled out of Alex’s mouth and dismounted her, and mom pulled her up and brought her mouth to hers.

“Don’t swallow right away,” I said. “Pass the come back and forth a few times.”

Alex soon learned come trading, and, in the end, each swallowed her share of my come.

“What do you think, honey?” asked mom as Alex resumed sucking my hard cock. “Isn’t she hot and dirty?”

“Yes,” said dad.

“Kneel on either end of the sofa, both of you,” I said. “I want to fuck your hot asses while dad spreads them.”

Mom got into position on one end of the sofa, and I helped Alex get into position on the other end. Dad reluctantly sat between them. I squeezed lube on mom’s ass and proceeded to fuck it. He took turns spreading their asses for me.

“Nick, come in my ass for your dad,” said mom nearly an hour later while I fucked her ass.

“Sure, mom,” I said, picking up the pace.

Mom came, and I filled her ass with come. She nodded at dad, and he knelt behind her and went to work. Alex watched him eat mom’s ass to orgasm while she revived my cock.

“Thank you for cleaning my slimy ass,” mom said.

“You are welcome,” he said.

When my cock was rock hard, I pulled Alex onto the floor. Mom joined her, and they sucked my cock together for over half an hour. Their routine improved considerably.

“Alex, lie on your back like before,” I said, slapping Alex’s face with my cock. “I want to deflower your sweet pussy. Do you want me to make it mine too?”

“Yes,” she hissed.

“Get into position, and spread your virgin little pussy for me with your fingers,” I said.

Alex assumed the position, and mom helped her spread her dripping pussy properly. I teased Alex’s open pussy and stiff clit with my cock head for a few minutes. She moaned and squirmed, drenching my cock head in her juices. When she was ready to come, I penetrated her pussy, breaking her cherry. She stiffened and came.

“I am coming,” she gasped.

“Come hard, sweetie,” said mom. “You are no longer virgin.”

Alex writhed under me, and I thrust my cock the rest of the way into her convulsing pussy. A second orgasm started just before her first orgasm subsided. I thrust in her pussy until she went limp.

“You are no longer virgin anywhere in your hot body, Alex,” I said, thrusting gently. “You are now all mine.”

“Yes,” she hissed.

As she recovered, I fucked her pussy harder and harder. When she started to fuck back, I fucked her pussy briskly. She came a few times before I let her twitching pussy drain my balls.

“I am coming deep in your little pussy, Alex,” I announced as she shook in orgasm.

“Yes,” she gasped.

When our orgasms subsided, I pulled out. Mom helped Alex clean up and wash up.

By the time Alex and I showered separately, it was time for lunch.

After lunch, I headed to Lynn’s house. I fucked her and her mom silly, leaving their asses full of come for her dad. Meanwhile, mom and dad had a talk.

“Did you have to have Nick and Alex have sex?” asked dad.

“We had to let Alex know,” said mom. “She had to be part of it. Anyway, this has already happened. You saw him fuck her in every hole she had and saw her love every second of it. That’s past. Let’s now think about the future.”

“What future?” he said.

“Alex needs you to eat Nick’s come out of her pussy and ass more than Lynn needs her dad to do that,” she said.

“Lynn?” he said.

“The cat was going to get out of the bag at some point anyway,” said mom. “Nick’s other married slut’s his girlfriend’s mom. That shouldn’t make a difference anyway.”

“Nick has fucked his girlfriend and her mom together?” he said.

“Not only that, but his girlfriend’s dad watched and ate Nick’s come out of his wife and daughter’s pussies and asses while Nick watched,” she said.

“Andy did that?” he said in disbelief.

“Honey, you are a great husband and dad, but there are other great husbands and dads in the world,” she said.

“I can’t believe that,” he said.

“Anyway, Lynn’s Nick’s girlfriend,” she said. “He’s supposed to come in her pussy and ass. Alex is Nick’s sister. He isn’t supposed to come in her pussy or ass. She needs more fatherly support than Lynn does.”

“Alex is younger than Lynn too,” he said.

“See?” she said. “She needs more of your support, doesn’t she?”

“I guess,” he said. “This is a very sticky situation.”

“No kidding,” she smiled. “It’s slimy but delicious.”

“I’ll soon watch Nick fuck his sister and fill her pussy and ass with come for me to clean up?” he said.

“You should also eat Nick’s come out of his girlfriend and her mom’s pussies and asses,” she said. “Andy should eat it out of my and Alex’s well-used fuck holes too.”

“You want Andy to know about Nick’s relationship with you and with Alex?” he said in surprise.

“He ate Nick’s come out of his daughter’s pussy and ass,” said mom. “You think he’d say to his friends the guy whose come I eat out of my wife and daughter’s pussies and asses is a sick pervert; he fucks his own mom and sister?”

“I guess not,” he said.

“I also want us to have an orgy and have Nick fuck his four sluts while you and Andy watch and spread each other’s wife and daughter’s ass for Nick. I want you both to eat Nick’s come out of each other’s wife and daughter.”

“That’s so depraved,” he said.

“I want us to do it soon so Nick can fuck his sluts in any combination at either house whenever he wants,” she said. “Let’s do that on Saturday. We have enough time to make the arrangements. What do you think?”

“It’s as good a day as any other,” he said.

“Great,” she said, getting up.

On Monday, I had to go back to school. It was very fortunate that we were able to get dad and Andy on board before then. I had to fuck Alex, Lynn and our moms after school—mostly while our dads were home. That was great on another account. Our dads were able to eat my come out of well-used orifices while it was fresh and creamy. That in turn freed up the holes for further use right away instead of closing them down for the day.

During the week, I fucked Alex with Lynn and Doris in Doris’s living room. Lynn and her parents were surprised when I asked Lynn and her mom to suck my cock in front of Alex. Lynn and her dad were shocked when I asked Alex to join them. Doris was just surprised. I had Lynn’s dad call the shots, so to speak. He spread all three asses for me and ate my come out of every well-fucked pussy and asshole. He was a little embarrassed when he ate it out of Lynn.

On the next day, I fucked Lynn with Alex and mom in mom’s living room. I taught dad to call the shots, and he did the ass spreading and come eating out of every pussy and ass. He was a little embarrassed in the beginning.

Lynn’s dad did not know that I fucked mom. It was a big surprise for him on Saturday even after he saw me fuck my sister. He and dad called the shots for each other’s wife and daughter and ate my come out of each other’s wife and daughter’s well-used pussies and asses. We had the orgy mom wanted all day, and we all lived happily ever after.

**The End**

## **The Game**

Mom approached me about a surprising and very tempting idea to match sex drives and help transfer sexual experience between generations. A club was formed that gave members a special license to cheat discreetly. My assigned cheating partner was an older woman. My girlfriend would have a partner of her own and so would mom, dad and others. Things progressed unexpectedly though and the truth finally came out.
