Last month Beth, I, her older sister, Ellen, and her husband visited my in-laws and spent the week there in their big house. We went on picnics and made barbecues. enjoying the nice weather.

On Wednesday after lunch, Beth's younger sister, Lisa, was talking on the phone with her ticklish feet exposed. I knelt next to her and tickled her feet. She gasped and pulled her feet away, but I was insistent. I grabbed one leg by the ankle and proceeded to tickle her foot mercilessly. She motioned to me to go away and tried in vain to free her foot. As she struggled, her leg moved out, and I saw her red panties. She twisted her head left and right and could not hold her end of the phone conversation.

Finally, she gave me an angry look and concluded the phone call quickly. I let go of her foot and moved away, but she chased after me. I ran up the stairs, and she followed in pursuit. I ducked into the nearest room which happened to be Ellen's room. I did not expect Lisa to follow me in, but she did. I retreated onto the bed. She pushed me back and wrestled me onto the bed.

"Do you want me to kill you?" she said under her teeth as she straddled my hips.

Lisa grabbed my neck and attempted to strangle me playfully. I tried to throw her off without hurting her. She spread her legs and pressed into me to brace herself, making her pussy press hard right into my cock. That and the jerky movements as we struggled with each other caused my cock to jump to life. I held her under her armpits and shock her left and right and bent my knees to lift her off my bulge, hoping she would not notice it grow underneath her, but that made it only worse. She shoved herself harder into my bulge, making it bigger and harder. I tried not to meet her eyes as I twisted left and right to free myself, but that only served to rub my cock over her pussy. She insinuated her feet under my legs and pressed herself harder into me, making it harder to kick her off and much harder to hide my boner.

Finally, I surrendered, but my cock did not. Lisa ground her crotch into mine, and I still hoped she did not notice. I soon figured out it was not possible for her to miss it. She continued to grind herself into me.

"You have a boner, you pervert," she suddenly said, embarrassing me to no end. "I can feel it. It's outrageously big and hard."

"What am I supposed to do when you rub your little pussy into my big cock?" I asked.

"It's big all right," she said.

She continued to hump my boner. I remained silent, not able to think straight.

"Enough of this," she finally said as she dismounted me.

When she sat at the edge of the bed next to me, I sighed in relief, but that was short lived. Before I finished my sigh, my fly was open and her hand was digging inside my underwear. I had not expected that.

"I have to see it," she said as she fished out my boner and let it in the open. "It's too big to leave alone."

She unexpectedly closed her lips around my cock head, making me grunt. My cock twitched, and I almost came immediately. I was happy that I could resist the urge to come, but I did not dream of resisting her advances in that condition. She loosened her lips around the head and let her drool flow all over the shaft.

"So big and hard," she moaned as she came up. "I love it. Beth can't keep it all to herself, the greedy pig."

Lisa sank again, taking me all the way down her throat. I moaned and put my right hand behind her head. I bounced her head over my cock as I started to stroke the backs of her thighs with my free hand, working her dress up her thighs. She raised her hips so that I could work her dress around her waist. I collected the back of her panties in her ass crack and kneaded her ass cheeks for a while.

“If my boyfriend had a cock this big and juicy, I’d never leave it alone,” she said. “Beth’s crazy.”

“She doesn’t know that her little sister’s a little slut,” I teased.

“I could have been a nun and still done this,” she said. “Your cock’s amazing.”

She swallowed my cock again. As I thrust back into her mouth I massaged her heated pussy through her panty crotch. She moaned and pushed her ass back, grinding her pussy into my fingers. A minute later, I pulled her panty gusset to the side and worked one and then two fingers into her wet pussy. She gasped as my fingers probed her leaky opening. Soon, I was finger fucking her pussy in the same rhythm I fucked her mouth.

Suddenly, the door opened, and we froze. We had not thought about that. I yanked my fingers out of Lisa’s pussy, and she spit my cock out and sat up. It was Ellen.

“What do we have here?” said Ellen, closing the door behind her as she stared at my boner. “A big beautiful cock being sucked in *my* bed by a pair of lips that are *not* mine? Is that what it is?”

Lisa and I looked at each other and then at Ellen in confusion as she walked toward the bed. Ellen sat on the edge of the bed opposite to Lisa and reached for my cock with her left hand.

“You must think she’s a better cocksucker than I am,” said Ellen as she started to stroke my glistening shaft. “Do you think, because she’s a younger little slut, she’s a better cocksucker than I am?”

That thought actually had not crossed my mind. I did not know what to do or think at all, but my cock did—it responded favorably.

“I can’t possibly make that judgement without sufficient basis,” I finally said.

“Then why was she sucking your big juicy cock in my bed?” Ellen asked. “Shouldn’t I be sucking it?”

“She chased me, and we somehow ended like this,” I said. “Believe me it’s too hard for a man to say no to a sexy woman with her lips around his cock.”

Lisa watched in shock as that scenario unfolded before her eyes.

“So, if I put my lips around your fat cock, you won’t say no to me?” teased Ellen.

“You are right, but I don’t recommend that,” I said.

She smiled at me as she slowly lowered her head to my cock.

“It isn’t up to you, Nick,” she said. “You are in my bed.”

She took half my shaft in her mouth in one gulp and slid her lips all the way down, making me moan. She worked her mouth up and down my entire shaft several times, demonstrating her oral expertise.

“Do you still not recommend that?” she asked.

“I am not sure,” I said.

“I do,” she said as she let my cock out. “Now, you know who should be sucking your big cock.”

“Are you saying that you are a better cocksucker than I am?” challenged Lisa finally.

“You got that right, kid,” said Ellen with a smug smile.

“But you didn’t,” said Lisa. “I don’t think you can compare with me.”

“What do you think?” Ellen asked me.

“What I have just experienced is not sufficient for me to make a thorough and fair judgement,” I said. “If both of you are interested, I’ll be glad to referee an all-out cock sucking contest. Each has to do her best.”

“Sure,” they both said.

“Here are the rules,” I said. “You’ll take turns sucking my big cock for two minutes each. I’ll set up a timer for that. If whichever of you fails to let go of my cock immediately upon hearing the beep or makes me come or go limp in her mouth, she loses the contest. A good cocksucker must command full control over herself and over the cock she sucks. Each of you will take five rounds. While you do that I will be finger fucking both of you. Do you agree?”

“Yes,” they both said.

“Very good,” I said as I set up my timer for the event. “Come here, Ellen, sit on my right side opposite to Lisa. Hike your dress and both of you get rid of your panties.”

Lisa and Ellen complied with my instructions.

“Hold this while I get my fingers where they belong,” I said to Ellen as I handed her my watch.

My cock pulsed with my heartbeat as I worked two fingers into either pussy. They were both wet. I pumped them several times, making them moan and squeeze at my fingers.

“This is so hot,” I said.

“No kidding,” moaned Ellen.

“You are both wet so we are ready to start,” I said. “We’ll start with Lisa. Ellen will start the timer and then put it away so that all of us can hear it. Remember that the timer does not mean that you have to suck as hard and fast as you can but as expertly as you can. By the way, you can’t use your hands. Ellen start the timer.”

“Ready, set, go,” said Ellen as she started the timer.

Lisa lowered her head and took my entire shaft in her mouth in one gulp. She started to suck it while Ellen put my watch on the nightstand. I started to finger fuck both my sisters-in-law as Lisa milked my cock and let me fuck her throat. They both moaned, Lisa’s moans muffled by my cock.

“That’s it, you dirty cocksucker,” I teased. “Show my big cock that you are worthy of sucking it.”

That encouraged Lisa to suck my cock more hungrily.

The first two minutes finished very fast. In a fraction of a second, my cock was engulfed in Ellen’s mouth. It was obvious that the two sisters had completely different cock sucking styles, but both were good at perfecting their styles. Ellen kept my cock soaked in her saliva and alternated between easy and hard sucking, whereas Lisa maintained a tantalizing level of sucking all along.

“You are not bad, Ellen,” I teased. “You must have sucked a few cocks in your time.”

That made Ellen pick up the pace.

By the end of those exquisite twenty minutes, my cock was aching to come. Their pussies and my fingers were drenched in pussy juices.

“What do you think?” smiled Ellen confidently after she had just finished her last round.

Both sisters awaited my answer anxiously.

“I think you are both winners,” I said. “You suck differently, but I’d love to have either of you suck my big cock any time. You are both equally accomplished cocksuckers.”

Both of them were mildly disappointed.

My fingers glistened in their juices as I pulled them out of their soaked pussies.

“I am sure my pussy is tighter and sweeter than hers,” said Lisa.

“Do you want to bet?” challenged Ellen.

“Of course,” said Lisa.

“What’s the wager?” asked Ellen.

“I’d say the loser should eat the winner to orgasm,” I said.

“Agreed,” they both said, exchanging challenging looks.

“You are both perverts, aren’t you?” I teased.

“I am not going to let my little sister win,” said Ellen.

“I am not going to let my ancient sister win either,” said Lisa.

First, I sucked Ellen’s juices off my fingers, and then, Lisa’s.

“First, I need to come in your mouths,” I said as I stood up on the bed, holding my hard cock in my hand. “Good sluts don’t leave a big cock like this. Open wide, and get ready.”

Ellen and Lisa brought their heads together and opened their mouths wide as I jacked off. In less than a minute, my come was flying in thick jets into their open mouths and onto their faces.

“That’s it, you dirty come sluts,” I said.

They wiped the come off their faces and sucked their fingers. I wiped my cock on their faces.

“Lick my cock clean,” I instructed.

They took turns cleaning my cock with their mouths. They continued to lick their lips as I bent over and planted a kiss on each sticky mouth.

“Are you ready now to have your pussies tasted thoroughly?” I asked as I sat down on the bed.

“I am,” said Lisa.

“So am I,” said Ellen.

“Okay, girls,” I called. “Lie down and spread those legs. Let me see the pink. Show me how slutty you are.”

As they got in position, I set up my watch as a stopwatch.

“I’ll eat each of you to orgasm,” I said as I dove between Ellen’s thighs. “The one who comes faster is hornier and sluttier.”

“I am the hornier and sluttier,” said Lisa.

“We’ll see,” said Ellen.

“We will,” said Lisa.

As my tongue touched Ellen’s pussy, I started the stopwatch. I licked her all over, savoring her taste.

“That’s it,” encouraged Ellen, squirming. “Eat my juicy pussy. You are much better than Mike.”

Soon, I devoured her leaky pussy hungrily.

“He apparently likes to eat pussy,” said Lisa. “My boyfriend doesn’t.”

“No kidding,” gasped Ellen.

Ellen moaned, gasped, and humped my face till she came.

“I am coming in your mouth, Nick,” gasped Ellen. “Drink all my juices.”

She gushed in my mouth, and I lapped up and sucked every drop of juice her pussy put out. It took me just over four minutes to make her come. I showed both sisters the time as I adjusted my position for my next task.

“Are you ready to break that record?” I asked Lisa.

“I am ready, Nick,” she said. “I am so horny I can almost come without having you touch me.”

“We’ll see about that,” I said.

“Yes,” she hissed as I dove between her legs.

Lisa received the exact treatment her sister had received earlier. She responded similarly. It took me half a minute more to make her come.

“Oh, fuck!” gasped Lisa. “I am coming.”

She gushed in my mouth and her pussy tasted better.

“As you both know Ellen finished first, so she’s hornier,” I said. “Though, Lisa tasted a little better so I pronounce you equals. To judge your tightness, I have to fuck both of your little pussies with my big cock.”

“I am all for it,” said Ellen. “I’d love to try your fat cock. It’s bigger than Mike’s.”

“That doesn’t come for free,” I warned. “I may ruin your little pussy for him.”

“By all means,” she smiled.

“Me first this time,” said Lisa.

“No, I have just finished eating you,” I said to Lisa as I moved towards Ellen. “It may be unfair to you. I’ll give you time to rest.”

“I am going to win this time,” said Ellen. “I don’t think your big cock can taste pussy.”

“It can feel tightness,” said Lisa. “I am going to win.”

“The winner has the pussy that will make my big cock feel happier,” I said.

“That’s my pussy,” said Ellen.

“That’s actually mine,” said Lisa.

“We’ll now find out,” I said as I took my position between Ellen’s legs.

Ellen shivered. I guided her hand to my cock.

“Fuck my horny little pussy, Nick,” said Ellen, guiding my cock to her pussy. “Show my little sister that I am a real cock lover.”

“I love cock a lot more than you do,” said Lisa.

“You have to prove it,” said Ellen.

“I will,” said Lisa.

In three minutes flat, Ellen was convulsing under me and drenching my shaft with copious juices. I pounded her twitching pussy vigorously.

“Nick, you are amazing,” gasped Ellen as I pulled out of her drenched pussy. “That was the best orgasm of my life ever. I am so happy I don’t even care of Lisa wins.”

“I’d fuck your little pussy any day, regardless of who wins too,” I said. “Now, lick it clean.”

Ellen licked her juices off my dripping cock before I put it to Lisa.

“Your big cock feels incredible already,” said Lisa as soon as I stuffed her tight pussy with my cock.

“You have a nice pussy yourself,” I said, thrusting in her pussy.

The pace picked up, and she came.

“I am coming on your big cock, Nick,” she gasped. “Your big cock’s definitely the best cock in the world.”

It took me fifteen seconds longer to make Lisa come with my cock. She was tighter though.

Lisa eagerly sucked her juices off my cock.

“Equal again,” I said after Lisa finished licking my cock. “Lisa was tighter.”

“You are much bigger, but I take it up the ass,” said Lisa.

“So do I, kid,” said Ellen. “It’s going to be a tight fit, but I can do it.”

“You want me to ruin your little assholes?” I asked.

“Your big cock’s so good I don’t care as long as you are willing to fuck me every once in a while,” said Ellen.

“Same here,” said Lisa.

“Move to the edge of the bed, and let me see what we are talking about,” I called. “I have no doubt that I’d love to fuck your luscious asses on a daily basis.”

“You are a real stud, Nick,” said Ellen.

“The two of you are real sluts,” I said as I got off the bed. “I am proud of both of you.”

“Thank you,” said Ellen as I helped both of them get their asses to the edge.

“Nick, you are the best,” said Lisa. “I am willing to dump my boyfriend if you fuck me like this regularly.”

“You haven’t seen anything, Lisa,” I smiled.

“I can’t wait,” she said.

“Pull those legs back,” I said, pushing Lisa’s legs over her head. I did the same to Ellen. “Let it all out.”

“We are so slutty,” said Lisa, smiling at Ellen.

“We are real whores,” smiled Ellen.

“You are good whores,” I said.

Having set the timer again for two minutes each, I knelt before Lisa’s ass. When my tongue tip touched her wrinkled orifice she gasped sharply. I started to lick her asshole lightly.

“Oh, he’s eating my asshole out,” gasped Lisa. “It feels so good.”

“You have one great ass,” I said, briefly leaving her asshole. “It looks so edible and so fuckable.”

“I love this, but I can’t wait to have your big cock up my horny ass,” she gasped.

“Me too, Lisa,” I said. “Your hot ass was definitely made for cock.”

“So was mine,” said Ellen.

“Of course,” I said.

Guiding Lisa’s hands to spread her ass, I started to massage and probe her anal pucker with my tongue. I could feel her asshole relax under my tongue before I had to switch to Ellen.

Ellen’s asshole was no less responsive than Lisa’s.

“You have a serious asshole too, Ellen,” I said.

“Of course,” she moaned. “It was made for cock.”

“No kidding,” I said.

Ellen’s asshole relaxed faster than Lisa’s did. I pushed two fingers into each sister’s pussy at the same time. I wiggled and jerked my fingers within their pussies, getting them drenched in juices. They had to moan and gasp as I did that. I moved my slick middle fingers out of their pussies and into their asses. They gasped as my fingers started to fuck their pussies and assholes simultaneously.

“This is so good,” I said.

“Yes,” hissed Lisa.

“My ass is so hungry for cock,” moaned Ellen.

“So is mine,” said Lisa.

“That’s why you are here, bitches,” I said.

“Yes,” hissed Ellen.

At the right time, I gave one clit and then the other a tongue flick as I continued to finger fuck both holes of each sister. Soon, I worked my forefingers out of their pussies and into their asses, joining my middle fingers there.

“You have tight assholes, you hot sluts,” I teased.

“My little asshole’s so tight,” moaned Lisa. “Loosen it up for me.”

“Mine’s as tight,” moaned Ellen.

“Don’t say that sluts,” I said. “My fingers are up your slutty asses. I know exactly how tight each is.”

“Mine’s tighter, isn’t it?” moaned Lisa.

“I’ll decide that later,” I said.

“My asshole’s tight too,” moaned Ellen. “Nick’s big cock’s much fatter than Mike’s.”

“You think my boyfriend has a fat cock?” moaned Lisa.

“I know he doesn’t,” moaned Ellen. “If your asshole’s tighter than mine, that’s why.”

“We’ll see,” moaned Lisa.

While fucking each asshole with two fingers, I licked and sucked each pussy for two minutes. I pulled my head back and watched their offered treasures as my fingers continued to pump and twist within their asses. Ellen milked my fingers actively.

“I hope Mike doesn’t walk in suddenly,” moaned Ellen.

Ellen's statement was practically Mike's cue. The door opened and he barged in. He stopped in shock when he saw us in that very decadent arrangement. I yanked my fingers out of the ladies' asses and they sat up as if struck by a lightening bolt. Our faces instantly turned beet red in embarrassment. I saw my partners' and felt mine.

"What is this?" Mike asked in shock. "Is it a party I am not invited to?"

He looked at us one after the other and we looked away in silence.

"Why isn't anyone speaking?" Mike asked. "Nick, what's going on? At least you are the only one with your equipment still in the open."

That made me more embarrassed. I forgot that my cock was still sticking out until he reminded me.

"They were fighting over who has the sweeter pussy," I finally blurted out. "I was the elected judge."

"Can I join the jury?" he said. "I am a pussy gourmet too."

The girls and I sighed in relief when Mike said that.

"I am afraid not because you are strongly affiliated with one of the contestants while they are equal to me," I said. "However, you can whip your cock out and keep their mouths busy. This timer will help us track time."

"What are we waiting for?" Mike said as he jumped out of his pants, letting his hard cock in the open.

The girls got back in their previous positions, splaying their asses.

"I am a fun guy," he said as I wet my fingers in their pussies and then resumed finger fucking their asses.

Mike mounted Ellen's chest and started fucking her mouth. At the sound of the beeper, he switched to Lisa. Just then, I poised my cock at Lisa's pussy and pushed it in.

"This is the real thing," I said.

Mike's cock muffled Lisa's moans as I stroked my cock several times in and out, soaking it in her juices. I removed my cock from her pussy and pushed it gently into her ass. She mewled around Mike's cock as my shaft advanced firmly into her rectal depths. After several slow strokes, the timer beeped. I yanked my cock out, leaving Lisa's asshole with a plop.

Mike's cock was in Ellen's mouth in time to muffle her moan as I drove my cock balls deep into her pussy. After several shaft lubing strokes, I moved my cock to Ellen's ass. Her asshole was easier to penetrate, but as soon as I was all the way in and started to stroke in and out, I felt the magic. Ellen's asshole was more skilled and talented. As soon as I started to enjoy her anal ministrations, the timer beeped.

Lisa sucked air around Mike's cock as I stabbed her pussy with my cock. I pulled my wet cock out and pushed it into her ass. Holding her ankles, I pumped her ass enjoying her natural milking action for the rest of her time slot. I wet my cock in Ellen's pussy and then pushed it into her marvelous ass. I fucked her ass rhythmically as she milked me exquisitely.

"Mike, your wife's ass is fantastic," I said as I continued to pump Ellen's butt. "It feels like heaven."

"Are you fucking her in the ass?" he asked looking over his shoulder. "She's great in that department."

"Indeed she is," I said.

"Do you mind if I try Lisa's?" he said as he removed his cock from his wife's mouth.

"Not if she doesn't," I said.

"Of course I don't," Lisa called. "Put it to me. I am sure my ass is tighter than hers."

Mike spit in his hand and then worked two fingers in and out of Lisa's ass. He slid his cock into her pussy for extra lubrication and then drove it into her ass, making her moan. I continued to drill his wife's ass beyond her time slot as he fucked Lisa's ass.

"She's good, isn't she?" I said.

"Oh yes, she's good," Mike said as he fucked Lisa's ass deeply.

"Ellen is better though," I said.

"Yes, but Lisa has five more years of improvement ahead of her," he said. "I'm sure she'll be like Ellen or even better. It must run in the family. Is your wife good at it?"

"Surely," I said. "She's no less talented than yours."

"Ass fucking rocks, doesn't it?" he said.

"Oh yes," I agreed.

Mike grabbed Lisa's tits and fondled them through her clothes. I leaned over and kissed Ellen deeply as I continued to drill her eager asshole. She started to breathe in short gasps, and I sped up my pace. In less than a minute, Ellen's asshole was in an orgasmic fit as she convulsed and gasped for air.

"I am coming for your amazing cock, Nick," gasped Ellen.

"Enjoy, you hot slut," I urged, pounding her ass.

When her orgasm subsided, I pulled my cock out of her ass gently.

"Would you care to switch?" I called to Mike as I slapped my cock over Ellen's drenched pussy.

"Sure," he said.

"It's so good to fuck sisters' asses, isn't it?" I asked.

"Oh, yes," he said.

We switched partners, and I arranged Lisa on her hands and knees and pulled her ass further back, working it over my cock. When we established a steady rhythm I reached forward and worked her dress down her shoulders and removed her bra, exposing her tits. I fondled her tits for a little while. I reached between her legs and started to rub and jerk her clit. She bucked back urgently, gasping and begging for more. As soon as our thrusts were making slapping sounds, she stiffened and started to shake in orgasm.

"Fuck, I am coming on your big cock, Nick," gasped Lisa.

"Do it, bitch," I urged as I grabbed her hips and continued to drill her ass vigorously.

She collapsed onto the bed. I collapsed with her, keeping my cock inside her ass, and started kissing her sweaty face and then her gasping mouth.

Lisa started to hump me.

"You are a horny slut, aren't you?" I said, thrusting in her ass.

"I love your big cock, especially up the ass," she moaned.

"You have a sizzling ass, Lisa," I said. "I love fucking it."

"Fuck it," she gasped.

"I will," I said, picking up the pace.

Meanwhile, Mike made his wife come.

“I am coming,” announced Ellen.

He fucked her ass hard.

“I came first,” gasped Lisa.

“You are getting your slutty ass fucked with the bigger cock,” gasped Ellen.

When Ellen’s orgasm subsided, Mike pulled out of her ass. He watched me fuck Lisa’s ass.

“Fuck her tight ass,” he urged.

“That’s what it’s there for,” I said.

“No kidding,” he said.

Lisa fucked back energetically, and her orgasm approached hurriedly.

“I am coming,” she gasped.

“Come, my hot bitch,” I said, pounding her ass.

She convulsed in orgasm, and I soon pulled out of her ass. She moaned as I dipped my cock into her drenched pussy. She squeezed my cock too.

“Ellen won this round,” I called to the girls, taking my cock out of Lisa’s pussy. “If she wins the snowballing round, she’ll be the winner. If Lisa wins the snowballing round, you’ll be tied.”

“What’s snowballing?” asked Lisa.

“It’s spitting come into another’s mouth, kid,” said Ellen.

“Here are the rules,” I said as I helped Lisa and then Ellen onto their knees. I brushed Ellen’s face with my hand and pushed my cock into her mouth, motioning Mike to do the same to Lisa. Both sisters started to suck. “You’ll suck it all but not swallow or leak anything out of your mouths. Each of you has to deliver everything into the other’s wide open mouth until one of you fails. Lisa is going to do the first delivery.”

“Give it to us,” said Ellen.

A minute later, Mike and I unloaded in our respective partners’ mouths.

“Here it comes,” I announced.

“I am coming too,” said Mike.

The sisters made a good job sucking us dry, and then Lisa carefully spit Mike’s load into Ellen’s waiting mouth. From then on, each girl spit the two loads into the other’s mouth slowly and carefully. This lasted until two minutes later Lisa’s mouth leaked a little come when she closed her mouth over the two loads and the collected saliva.

“Swallow it all,” I said to Ellen when Lisa had finished dribbling the snowball of come into her mouth.

“What happened?” asked Lisa.

“You lost,” I said as I wiped the side of her chin and fed her the sticky come. “Now, you have to eat pussy.”

“Oh, I almost forgot that,” smiled Ellen.

Ellen sat on the edge of the bed, smiling victoriously, as I pushed Lisa’s head between her legs. Lisa was not thrilled about eating Ellen’s pussy.

“You have to eat it to orgasm,” I said. “The sooner you do it, the sooner you can finish.”

“This is so crazy,” smiled Mike.

“Like what happened before wasn’t,” I smiled.

“That’s right,” he said.

Mike and I climbed onto the bed and fed Ellen our cocks. She started to suck, getting us hard.

“A real woman sucks men’s cocks,” teased Ellen. “You are just a pussy eating lezzy.”

“You won because you are a whore,” countered Lisa.

“Hey, you both have better things to do with your mouths, if you don’t want to be spanked,” I said.

When my cock was hard enough I hopped off the bed and knelt behind Lisa. I drooled on her asshole and then pushed my cock in.

“This will help you sharpen your anal skills,” I said as I grabbed Lisa’s hips and started to fuck her ass. “Come on, make her come quickly so that you can fully enjoy the rectal plunging you are receiving.”

“Eat my little pussy harder so I can get fucked too,” urged Ellen.

Lisa seemed to put more effort in eating her sister’s pussy as I fucked her ass hard and fast. I yanked my cock from her ass and put it back in Ellen’s mouth. Mike took my place behind Lisa. He fucked her ass hard, making her moan and grunt into his wife’s pussy. We switched again, and Ellen came in Lisa’s mouth while I fucked Lisa’s ass. Mike came in Ellen’s gasping mouth.

“I am coming in your mouth,” grunted Mike. “Suck it all.”

“Come for me, bitch,” I urged, pounding Lisa’s ass.

“I am coming,” gasped Lisa.

“So am I,” I announced. “I am filling your hot ass with come.”

“Give it to me, Nick,” she gasped.

Lisa came on my cock and I unloaded in her convulsing asshole. Her rectum milked my cock dry while Ellen continued to lick her husband’s sticky cock.

“Let me kiss your pussy-eating mouth,” I said to Lisa.

“Yes, kiss her lezzy mouth,” teased Ellen.

“Don’t embarrass your husband,” I chided. “You got your prize. Don’t make us spank your ass while you eat her pussy. You have to be humble.”

“He’s right,” said Mike.

“Don’t you think she should at least kiss Lisa’s little pussy for eating her pussy to orgasm?” I asked.

“Definitely,” he said.

“Let me first taste her pussy on her sister’s tongue,” I said.

“Take your time,” he said.

Lisa gave me a deep kiss, and I let her suck my cock clean.

“Kiss your little sister’s juicy little pussy,” I said to Ellen.

Lisa brought her pussy to Ellen, and Ellen kissed her sticky pussy gently. Lisa held the back of Ellen’s head and ground her pussy into her face.

“I’ll go get some rest,” I said as Lisa and I got dressed.

After washing my face, I returned to Beth's and my room.

When I opened the door, I was shocked to find my mother-in-law in our bed.

"Victoria?" I said in surprise.

Naturally what shocked me was not that she was in our bed. She was sitting on the bed with her knees bent and parted. Her panties were pulled to the side as her fingers worked on her obviously wet pussy.

"Yes," she smiled slyly as she continued to finger herself nonchalantly. "I've been waiting for you."

"Are you okay?" I asked, still in shock.

"I'll let you judge for yourself," she said, extending her free hand. "Come here."

"What's going on?" I asked.

"You are old enough to know that," she said. "Don't be afraid. It doesn't bite."

"You are a hot woman," I said. "Why do you have to do this?"

"Nick, I love cock," she said. "Can you blame me for loving cock?"

"Of course not," I said.

"Do you blame me for not getting enough cock?" she asked.

"Of course not," I said.

"That's what's happening to me," she said.

"That isn't fair," I said as I moved forward and extended my hand to her.

She guided my hand toward her pussy as she removed her sticky fingers from there. She also had a small pussy just like her daughters. My cock jumped from totally soft to mostly hard immediately. She singled out my forefinger and pushed it between her swollen pussy lips, letting out a gasp, as her wet pussy sucked it in.

"Can you feel how hot and wet it is?" she moaned.

"Yes," I whispered, twisting my finger within her. "It's very tight too. You have a nice little pussy."

"It's so horny," she moaned.

"Yes, but what does it have to do with me?" I said.

"I need to be satisfied like the others," she said.

"You sure do," I said, holding my finger deep inside her, "but where do I fit in this?"

"Right where your finger is, for one place," she said, her pussy squeezing on my finger.

"Excuse me?" I said.

"I need cock just like my daughters," she said.

"What do you mean?" I asked.

"I know that you've just fucked Ellen and Lisa," she said, grabbing my hard cock through my pants. "Are you going to leave their mom hungry for cock?"

That shocked me for a second. She stroked my cock to help make up my mind.

"You want me to fuck your hot little pussy?" I asked.

"Is that such a bad thing?" she asked.

“Of course not,” I said as I started to finger fuck her pussy, “but what if Beth comes suddenly?”

“I sent her on an errand the moment I found out you were fooling around with her sisters,” she gasped. “I didn’t want her to walk in on you like her brother-in-law did. She won’t be back in a while.”

“You are a very thoughtful woman,” I said.

“Am I being a good mother-in-law for you?” she asked.

“Definitely,” I said.

“Are you going to reward me for that?” she asked as she scooted to the edge of the bed and reached for my fly with both hands.

“I am tempted to reward myself,” I said as I removed my finger from her pussy and stood up.

“Reward me, and I’ll reward you,” she said as I tilted her head up.

She sucked my sticky finger. With one hand she unzipped my fly and fished my cock and with the other she unbuckled my belt and lowered my pants and underpants down. My cock bounced before her as it pulsed excitedly.

“You have a gorgeous cock,” she said. “No wonder all my daughters love it.”

“Does their mom love it too?” I teased.

“I’ll let you find that out on your own,” she said.

She pounced on my cock and started to suck it while fingering herself.

“Don’t play with yourself while you are with me,” I said as I pulled her hand off her pussy and brought it towards her mouth as I popped my cock out. “You are even hornier than your daughters.”

“I need your cock more than they do, right?” she moaned.

“Apparently yes,” I said as I removed her fingers from her mouth and pulled her head to my cock. “Now, show me what you are going to do with it.”

She held me by the ass and swung her head back and forth, moaning around my cock. I held her head gently and thrust into her, meeting her strokes. She took my shaft all the way down her throat with ease and expertise. She was a better cocksucker than all of her daughters and my moans reflected that.

“You are a serious cocksucker,” I said. “You are better than all your daughters combined.”

“Your big cock likes that?” she asked.

“Let’s see,” I said, pushing my cock into her mouth.

She deep throated my cock eagerly, and I fucked her throat in a nice rhythm.

“I need it in me,” she said as she pulled her panties down her legs. “Lie down, and let me ride it.”

“You are a horny slut, aren’t you?” I teased, getting into position.

“That’s why I am here,” she moaned.

Victoria hiked her dress and sat astride me, holding my cock by the base.

“It’s so big and fat,” she moaned, pressing my cock head into her leaky pussy.

Her wet pussy swallowed my entire shaft in one gulp, making us both moan.

“This is what fucking should be like,” she moaned, squirming on my cock.

“It is,” I said.

As she started to rock, I reached for her tits and started to fondle them through her dress.

“You have nice tits,” I said.

“You like them?” she moaned.

“I like all of you,” I said.

“I love your big cock,” she moaned, riding my cock gently.

“You should be my slut like your daughters,” I said.

“My exact thoughts,” she moaned.

“You are a horny woman,” I teased.

“I love your amazing cock,” she moaned.

“Your little pussy’s too good to be left alone,” I said.

“That’s why I didn’t want it to be left alone,” she moaned.

“You want it to be fucked with my big cock?” I teased.

“Oh, yes,” she moaned.

“You are a real woman,” I said.

“I am a real slut,” she moaned.

“You are,” I smiled. “Do you like that?”

“Only if I get fucked accordingly,” she moaned.

“You are getting fucked right now,” I said.

“Oh, yes,” she moaned. “I am getting fucked with the biggest cock I’ve ever tried.”

“Move your hot ass,” I said. “Get fucked hard.”

“Yes,” she hissed, picking up the pace.

We started to fuck slowly, meeting each other’s thrusts. Our pace accelerated gradually.

“This is how I should be fucked,” she gasped.

“Whenever you want this, bring your little pussy to me,” I said.

“If I do that, it won’t be little for long,” she gasped.

“Who cares?” I said.

“Definitely not me,” she gasped.

“Let’s do it,” I said.

“We should,” she gasped. “I am going to come.”

“This is the perfect time for Beth to come home,” I smiled.

“We are safe,” she gasped. “She’s far away.”

“Let’s hope so,” I said.

Putting my hands to good use, I grabbed her ass and fucked her with harder strokes. Soon, we were making loud flesh slapping sounds.

Suddenly the door opened, and it was Beth!

“Mom?” called Beth.

Victoria and I froze in mid stroke and looked at Beth in shock. Victoria smoothed down her dress, covering both of us. She kept my cock inside her though.

“Keep going, don’t stop,” said Beth. “I don’t want to interrupt your fuck.”

Victoria and I did not move and continued to stare at Beth blankly.

“Don’t stare at me,” Beth said in earnest. “I want to talk to you while you fuck so do it, and, mom, raise your dress let me see what’s going on.”

Victoria and I did not know what Beth was after but we resumed fucking tentatively as Victoria flipped her dress up and leant forward.

“You were supposed to be out for a while,” gasped Victoria.

“This is why you got rid of me? Beth said. “To have sex with my husband?”

“Not really,” gasped Victoria. “If that was my purpose, I’d have taken him elsewhere.”

“So what was it?” asked Beth.

“It was just a coincidence,” gasped Victoria.

“Dad isn’t taking care of business?” asked Beth.

“Sweetie, your husband’s worst is better than your dad’s best,” gasped Victoria.

“Is Dad that bad?” asked Beth.

“Nick’s that good,” gasped Victoria.

“You like his big cock in your little pussy?” asked Beth.

“Like no other cock I’ve ever had there,” gasped Victoria.

“Anyway, you’ll get more than you bargained for,” said Beth as she pushed her mom’s shoulders down over me. “Ride that big cock.”

Victoria picked up the pace.

“Hold her tightly, and fuck her hard, Nick,” urged Beth. “Show her how good your big cock is.”

What would a guy want more than having his wife urge him to fuck her mom harder? I squeezed Victoria in my arms tightly and thrust harder into her drenched pussy. She started to grunt with every thrust of mine.

“You like this, Mom?” asked Beth. “You like getting fucked with that fat cock?”

“Oh, yes,” gasped Victoria.

“Is it stretching your little pussy to the limit?” asked Beth.

“Yes,” gasped Victoria. “You are a lucky girl. I am so happy for you.”

“Oh, Mom, I didn’t know you were this hungry for cock,” said Beth.

“I am so hungry for cock,” gasped Victoria. “I am coming.”

“Come hard, Mom,” urged Beth.

Victoria stiffened and started to convulse in orgasm. I fucked her gushing pussy hard until she went limp.

While she recovered, I fucked her pussy gently. She soon started to fuck back.

Beth winked at me as she started to lick her forefinger seductively. She sucked her finger and drooled on it as she moved toward her mom's ass.

"Fuck her well," urged Beth as she pushed her hand toward her mom's totally asshole.

"Uh!" gasped Victoria. "You are a naughty girl."

"I am not the one riding my son-in-law's big cock," teased Beth.

"You are right," gasped Victoria.

"What's she doing?" I asked.

"She's fingering my little asshole," gasped Victoria.

"She's a good girl," I said.

My cock soon felt Beth's finger work inside Victoria's ass. Beth swirled her finger around and then started to massage my cock through the thin membrane separating her finger from my cock.

"Honey, did you notice that mom has a great ass?" asked Beth.

"No, but I've always suspected that," I said as I fucked Victoria vigorously, feeling my cock grow harder. "Now I am sure she does. I know it's tight."

"Never mind that because I am loosening it up," said Beth as she wiggled her finger within her mom's ass.

"Do you know why she's loosening up your little asshole?" I asked Victoria.

"She wants to get it ready for your big cock," she gasped, her pussy twitching.

"She must think that her mom's a cock-craving whore like her," I teased. "Is she right?"

"You bet," she gasped.

"You are all cock-loving whores," I said.

"Yes," she gasped.

"Do you like what your slut daughter's doing for your horny asshole?" I asked.

"Yes," she gasped.

"Keep it up, Beth," I said.

"Of course," said Beth. "She needs to be ready for your fat cock."

Beth fingered her mom's ass for a few minutes and then suddenly yanked her finger out, making her mom gasp. She moved over and extended her wet finger to her mom.

"Suck it, Mom," urged Beth. "Show Nick that you are a dirty girl."

Victoria opened her mouth and sucked Beth's finger eagerly. Beth introduced a second finger into her mom's mouth, and Victoria sucked both fingers hungrily.

"Make them wet," directed Beth.

Victoria drooled on Beth's fingers while fucking me rhythmically. Beth pulled her fingers out and dribbled more drool onto them as she moved back. Shortly Victoria let out a moan as Beth's fingers insinuated themselves into her mom's ass. This time, I could feel Beth's fingers more than before as they pumped, twisted, and massaged inside her mom's rectum. I could also feel Victoria's pussy milk my cock more urgently.

"You like having both holes entertained?" I asked Victoria.

“Yes,” gasped Victoria.

“This is a very hospitable ass,” said Beth. “It likes my fingers.”

“Your mom apparently has a horny ass,” I said.

“Definitely,” she said.

Beth started to finger fuck her mom’s asshole at a brisk pace. Victoria gasped and grunted, fucking my cock energetically. After a while, Beth yanked her fingers out and brought them to her mom’s mouth. Victoria sucked her daughter’s fingers even more eagerly than the first time.

“You are getting dirtier,” teased Beth.

Victoria moaned affirmatively.

Beth moved away or that was what I thought until I heard a loud smack, and her mom jumped in my arms.

“Ouch,” cried Victoria as Beth gave her ass a sharp smack.

Before Victoria finished her first cry, she jumped again at the next smart slap that made her lose her breath.

“Stop it!” gasped Victoria. “What are you doing?”

“I am going to smack your ass bright red,” grunted Beth as she delivered another smack. “Then Nick will fuck it raw.” Beth grunted again as she continued to smack her mom mercilessly. “Are you up to it, honey?”

“Sure, baby,” I said. “I’d love to fuck your hot mom’s tight ass open.”

“You won’t be able to walk or sit down for days,” grunted Beth, “but it’ll be worth your while, right, honey?”

“Oh, yes,” I said.

“There is a price for everything,” said Beth.

Victoria bucked like a wild bronco as Beth smacked her ass continuously. I tightened my grip on her and fucked her faster. She grunted and gasped for air, and her pussy squeezed, twitched, and jerked around my cock, leaking juices copiously. I fucked her harder and harder as her orgasm neared, crushing her to me with every thrust. Beth’s spanking followed our pace.

“Come for me, Victoria, you hot slut,” I urged.

Victoria groaned and stiffened.

“I am coming,” she gasped.

Beth stopped the spanking as her mom convulsed in orgasm. Victoria shoved her gushing pussy madly onto my hard pumping shaft, gasping and grunting. I grabbed her ass and continued to drill her twitching pussy until she went limp. I thrust gently into her pussy until Beth pulled my cock out.

“She’s really soaked your cock,” said Beth.

“She’s a good slut,” I said.

“Of course,” she said.

Beth stood my cock against her mom’s ass crack and started licking. She started at my balls and kept going to the tip of my cock. She held my cock by the base and took the head in. She nibbled the head, slowly taking it deeper and deeper. She removed her hand and started to deep throat my hard shaft.

“She’s a good cocksucker,” I said to Victoria.

“She has to be,” she moaned.

Beth took her mouth off my cock and pushed my cock back into her mom's wet pussy. Victoria moaned as the shaft slid all the way into her and started to thrust gently against it. Beth repeated that several times. She finally pulled my cock out once more and slapped it against her mom's ass crack. She took it in her mouth and deep throated me for a couple of minutes. In the end, she soaked my cock head with saliva and then pressed it into her mom's ass. Victoria grunted as her asshole gave way and my cock head popped in.

"Your hot ass is going to get fucked," I said.

"Yes," hissed Victoria.

"Sit up and impale yourself on it," directed Beth as she helped her mom sit up. "Take it all the way in."

"Use your hot ass for what it was made for," I urged.

Victoria worked her ass down my shaft, taking me deeper and deeper into her tight warmth. Soon, my balls were nestled against the back of her ass crack. Beth reached forward and helped her mom take off her dress and bra. Victoria was left totally naked, sitting on my cock.

"Ride it," urged Beth. "Isn't that what you want?"

As Victoria started to rock on my cock, I reached out for her tits.

"Don't worry about her tits," said Beth. "I'll take care of them. Just fuck her ass."

"Is that what you want?" I asked.

"Yes," hissed Victoria.

Beth bent over, reaching between her mom's legs. Victoria squirmed, gasping as Beth fingered her pussy.

"How do you like this?" asked Beth as she pushed her sticky fingers into my mouth.

My answer was to suck her fingers eagerly, moaning as I savored her mom's taste for the very first time.

Beth bent forward and took one of her mom's nipples in her mouth. Victoria gasped and her asshole contracted around my cock. Beth sucked her mom's nipples, switching from one to the other while I continued to suck every trace of pussy juice off her fingers. She finally removed her fingers from my mouth and returned them to her mom's leaky pussy. She finger fucked her mom while sucking her tits for a long while. Victoria worked her eager asshole up and down my cock happily. I thrust in her bouncing ass as her tight rectum milked my cock exquisitely.

With my left hand I reached up Beth's dress and started to stroke her pussy through her panties. She humped back and moaned softly. Soon, I had her panty crotch pushed aside, and I was working one and then two fingers into her wet pussy. Beth ground her pussy into my fingers as I finger fucked her and twisted my fingers within her. She continued to suck her mom's nipples until I wormed a slick finger up her ass.

Beth let out a long moan and raised her head off her mom's tits. She let out a long moan and started to hump my fingers, enjoying the digital fucking her nether holes were receiving. Meanwhile, my thrusts into Victoria's ass became deeper and harder. Beth finally decided to move out of my reach, letting my fingers pop out of her holes. Seconds later, she started to spank her mom's bouncing ass.

"Come on his big cock," Beth urged, smacking her mom's ass. "Don't you love his big cock up your slutty ass?"

"Yes, yes," gasped Victoria.

Victoria grunted and gasped as her ass was being reddened again. I held her hands to steady her as she bucked like a racer in the final stage. Her daughter's smacks continued to ignite her zest. I held her hands tighter and dilled her ass like a jackhammer, watching her gasp, twitch, and grunt.

"Come on my big cock," I urged.

"I am going to come," she gasped.

Victoria gave up and surrendered to her lust. Beth stopped her vicious spanking of her mom and watched my cock pound her mom's twitching asshole with extreme vigor.

"I am coming on your big cock," gasped Victoria, convulsing as her orgasm wracked her body wildly.

When her orgasm subsided, she collapsed on top of me.

Beth let her mom and me rest for a minute or two, grinding into each other gently while kissing and sucking each other's tongue, before she popped my cock out of her mom's ass and deep throat it for a while.

"I think you are ready to feed her some come," said Beth. "She's ready to swallow too."

Beth rolled her mom off me onto her back, and I got up and straddled Victoria's chest. Beth took my cock in her hand and started to jack me off. Victoria opened her mouth in anticipation of my flying come.

"Shoot it to me," gasped Victoria as my cock swelled.

"Just open up," urged Beth as she jacked me off faster. "It's coming."

"Get ready," I grunted as I felt my come burst out of my balls.

Come started to fly out of my cock in long, thick jets as Beth aimed my twitching shaft at her mom's face and open mouth. Come landed on Victoria's face, lips and tongue as the rest went straight to the back of her throat. Victoria moaned as she swallowed my come and licked her lips as Beth continued to milk my cock onto her face.

Beth guided my sticky cock head into her mom's mouth and Victoria sucked it dry. Beth stroked my cock with her left hand as she used her right hand to feed her mom the come that clung to her face. Victoria eagerly sucked her daughter's sticky fingers. I dismounted Victoria's chest and sucked her sweet nipples as her daughter sucked my cock. A few minutes later, Victoria was moaning and squirming passionately, and I was fully hard and ready to go.

"Lie down again," directed Beth as she took off my shirt.

As my cock pointed to the ceiling, Beth proceeded to thicken the saliva coating of my cock.

"Get up and squat on it with your back to him," Beth instructed her mom as she stroked the lower half of my shaft. "I don't think he's through with your horny ass."

"Of course not," I said as Victoria proceeded to comply with Beth's instructions. "Your mom has a hot ass."

Beth held my cock up as her mom lowered her ass slowly onto it, moaning and grunting as the shaft stuffed her rectum. I could tell that Beth was teasing her mom's pussy with her free hand. Beth let go of my cock, and her mom's ass continued its descent down my shaft until her cheeks pressed firmly against my hips.

"Ride his fat cock with your slutty ass," instructed Beth.

Victoria bounced, and I fucked back. Beth held her mom's ass firmly and brought it to a stop, letting me do all the fucking. Beth then pushed her head between her mom's legs. When Victoria gasped and her asshole clenched, I could tell that Beth was eating her pussy. Victoria moaned, and her asshole twitched involuntarily.

Suddenly my cock was yanked out of Victoria's asshole and engulfed in Beth's mouth. Beth sucked me for a minute and then put my cock back in her mom's ass. I resumed fucking Victoria's ass at a brisk pace. From Victoria's vocal and bodily reactions, I could tell that Beth was eating her pussy hungrily.

"I am coming," gasped Victoria a minute later.

Victoria stiffened in mid air and started to convulse. I drilled her ass, and Beth ate her pussy until she collapsed.

Beth rolled her mom off me and helped her get on her hands and knees. Beth slipped her pussy under her mom's face, and I watched as Victoria ate her daughter's pussy tentatively.

"Fuck her in the ass while she eats me," instructed Beth.

“If you want to get fucked up the ass you got to do better than this,” I said to Victoria.

Victoria doubled her efforts at Beth’s pussy as I took my position behind her. I licked Victoria’s asshole, soaking it in drool. I pushed my cock into her offered ass and fucked it nice and deep, making her moan into Beth’s pussy.

“Suck my clit,” directed Beth, grinding her pussy into her mom’s face.

Holding Victoria’s hips I fucked her ass with deep, smooth strokes. My balls slapped pussy with every thrust.

“Come on make her come,” I said, stepping up my pace.

Grabbing Victoria’s tits, I fucked her hard, banging her hips forcefully with mine. She ate Beth’s pussy hungrily, growling like a wild animal. Beth’s orgasm neared. I started to jerk Victoria’s clit while fucking her ass hard.

“I am coming,” gasped Beth.

Beth writhed in orgasm, and her mom started to convulse in a big orgasm. I continued to drill Victoria’s ass, slapping my balls against her gushing pussy until she collapsed forward and laid her head on Beth’s belly.

Beth rolled her mom over and knelt between her legs, diving for her drenched pussy.

“Fuck my pussy,” urged Beth just before she buried her face between her mom’s legs.

Beth’s wet pussy accepted my cock easily, and I started to fuck her, gradually gaining speed.

“Fuck me nice and slow,” gasped Beth.

My wife ate her mom’s juicy pussy happily while I gave her a deep fuck. Minutes later, she got up and moved forward, letting my cock pop out of her pussy.

Beth pushed her mom’s legs over her head and lifted her ass up, making it face upward in the pile driver position. Beth moved around her mom and knelt astride her head facing her upturned ass. She spread her mom’s ass and started to rim her splayed asshole. She soaked the spread asshole with drool and lashed it with her tongue tip.

After all the drilling Victoria’s asshole had received, it could not resist the gentle pressure Beth’s tongue exerted. The little hole opened up and sucked in all the drool and then allowed Beth to fuck it with her tongue. Beth moaned and ground her pussy into her mom’s apparently active mouth. Beth raised her head up leaving a ball of drool on her mom’s gaping asshole. She pushed first one finger and then two into the gaping sphincter. She pumped her fingers slowly and deeply in her mom’s ass. Victoria moaned into Beth’s pussy. Beth twisted and wiggled her fingers, opening up her mom’s asshole wider.

“This ass is no longer tight,” said Beth, jerking two slimy fingers in and out of Victoria’s asshole. “It’s still hungry for your big cock though. What a greedy slut!”

Beth stretched out her mom’s asshole with her fingers and dribbled thick drool into the open rectum. She pulled her fingers out and fired a ball of spit into the open hole as it contracted but did not shut.

“Her ass is waiting,” moaned Beth, looking up at me, as she spread her mom’s asshole. “Come here and plug it for her with your hard cock. Fuck her gaping ass while she eats my leaky pussy.”

“Of course,” I said as I walked on my knees toward the offered ass, jacking my cock.

“Bring your big cock here first,” said Beth, pointing to her mouth, as I stood up. “I’ll get it nice and slick.”

Beth opened her mouth and took my cock in. She deep throteamed me, and I soon put my right hand behind her head and started to thrust in her face, working my cock all the way into her eager mouth. She started to bathe my cock in her saliva until her saliva started to trickle down my balls. Her hands were still holding her mom’s asshole agape. She took my cock out of her mouth and let out a thick stream of spittle onto her mom’s gaping hole. She then let out another stream of spittle onto the head of my cock until her saliva dribbled into her mom’s ass.

“Fuck her slutty ass,” said Beth, pushing my shaft down so that my slimy cock head touched the waiting asshole.

Beth aimed my cock in the right direction, and I gave it a gentle push, popping its head past Victoria's relaxed asshole. Beth pulled her head back and ground her pussy into her mom's mouth, moaning in joy as she worked her head around. I was soon making slapping sounds as I fucked Victoria's rippling asshole.

"You like fucking my mom's cock-craving ass with your big cock?" gasped Beth.

"Oh, yes," I said. "Your mom's hot ass is perfect for my big cock."

Victoria humped her ass into my cock as she moaned into her daughter's pussy. Beth massaged and teased her mom's wet pussy constantly. She suddenly put her hand on my pubes and slowed me down to a stop. She popped my cock out of her mom's ass and into her mouth. She deep throated me for a minute, refreshing the coat of spit on my cock. She drooled onto her mom's asshole and then put my cock back in. She repeated that procedure three times within the following minutes. In the end, Beth worked two fingers into her mom's drenched pussy and fucked her with them, matching my brisk pace backdoor.

"I am coming," gasped Victoria.

Victoria enjoyed a big orgasm, desperately milking my cock and her daughter's fingers. She gasped and groaned into Beth's pussy until she went limp.

Beth removed my cock from her mom's ass and sucked it deeply. She dismounted her mom and lay back.

"Come in my pussy," instructed Beth, pulling her legs far back and apart.

As aroused as I was, I had no problem to oblige. I knelt before her ass and drilled her pussy for a minute before I dumped my load inside her. She squeezed her pussy tightly and milked my cock until I was totally drained.

Victoria was meanwhile on her back, still catching her breath from her last orgasm. Beth flipped and straddled her mom's head, her back to me. I jumped toward the action and stuck my head over Victoria's and watched closely as her tongue repeatedly swiped Beth's come-leaking pussy.

"Yes, suck it all," urged Beth, grinding her pussy into her mom's face. "You love come, don't you?"

Victoria could only moan into Beth's pussy.

"Naughty, naughty," I chided as I playfully pinched an erect nipple of Beth's.

Rising to my knees, I kissed Beth. We devoured each other's mouth lustfully as Victoria continued to eat her daughter's freshly made cream pie.

Beth guided me to stand up and took my cock in her mouth. A couple of minutes later, my cock started to grow and reach deeper inside her mouth. By the time Victoria slithered out from under Beth's thoroughly eaten pussy, my cock was very hard and ready for another round.

"I have to go now," Victoria said as she dressed. "I'll leave you to have some fun alone."

"Did you get enough cock?" I teased.

"I can never get enough cock," she said. "I have to be nice and leave something for my daughter though. After all, she was nice to me and shared you with me. She could have yanked your big cock from me and kicked me out."

"I'll never do that to you, Mom," said Beth as she got on her hands and knees, aiming her ass at me. "You can hang around if you want to, and we can share."

"Thanks, guys, for letting me play with you," said Victoria as she put her hand on the doorknob.

"Put it in my ass," said Beth to me just before her mom left.

It was hard ass fucking for the next hour or so. I finally pumped the last load for the night deep up Beth's convulsing ass, leaving it happy and sticky.

Things returned to normal for the following couple of days except that we looked at each other in a new way. We occasionally teased each other when no one else was around.

“Is this hot ass happy?” I asked, squeezing Ellen’s ass.

“Not as happy as when it’s wrapped around this big cock,” she said, squeezing my cock.

“Does it miss my big cock,” I teased, fondling her ass.

“Of course it does,” she said. “You have the best cock I’ve ever experienced.”

“You are a hot woman,” I said.

“Tell me about your big cock,” she said, stroking my hardening cock. “Does it miss my tight ass?”

“What do you think?” I asked as I turned her around and ground my cock into her ass.

“I think it does,” she said, grinding her ass into my cock.

“It actually misses all your holes,” I said.

“They all miss it too,” she moaned.

“I don’t think Beth would appreciate this if she walked in on us,” I said, squeezing her tits.

“That’s too bad,” she moaned. “She’s a greedy slut.”

“I think she’d say the same about you,” I said, squeezing her pussy through her clothes.

“That shows you what a greedy slut she is,” she moaned.

“Like you’d let her do this with Mike,” I said.

“If she lets me play with you, she’s welcome to do whatever she wants with him,” she said.

“You are a good sister,” I teased.

“I am a horny sister-in-law,” she moaned.

“You are a hot sister-in-law,” I said, pulling back.

The next time I caught Lisa making a phone call, I started to tickle her feet. She reached out and tickled my cock, making it get hard in no time.

“You are a bad girl,” I teased.

She smiled at me as she held my hand and pulled it to her crotch. She spread her legs.

“Tickle this,” she whispered.

“You are a very bad girl,” I said as I pulled her panty crotch to the side and started to tickle her pussy lips.

“Yes,” she hissed.

Her pussy leaked, and I started to finger fuck it gently. She humped my fingers.

“This feels so good,” she hissed.

“You are a slut,” I teased.

“I know,” she moaned.

She continued to talk on the phone while I teased her leaky pussy.

When we heard a sound, I took my hand away and sucked my sticky fingers, and she covered up.

On our last day at my in-laws', when I woke up about two hours before brunch time, I did not find Beth in bed. I shaved and showered before I went down for breakfast.

In the living room, I found my wife, her sisters, and her mom on their knees on the sofa with their heads resting on the top of the sofa. Their dresses were flipped up and their panties were lowered to their knees. My cock jumped to full hardness in a few seconds.

"What is this?" I asked. "Is breakfast an open buffet today?"

"You got that right," said Victoria. "It's hole you can eat and meat."

"Ladies, you are exposing your hot tight asses outrageously," I said as I visually inspected the splayed asses. "Don't you have any shame?"

No one answered. They only swayed and ground their asses lewdly.

"You obviously have no shame," I said as I squeezed Victoria's offered ass.

She moaned and ground her ass into my hand. Her daughters responded similarly.

"I see that you take great pleasure in this depraved act," I said as I took turns spreading their asses one after the other. "You have to be punished. The wetter and hotter you are, the greater the punishment you get."

"We are good girls," whined Victoria.

"Good girls do this?" I asked, working a finger in and out of her leaky pussy.

"Yes," she hissed.

"No," I said.

For a minute, I walked back and forth, squeezing and pinching the women's asses.

"Victoria, my supposedly prim and proper mother-in-law, I'll start with you," I said as I took out my raging cock. "I'll make an example of you for your slutty daughters."

"I am a good role model," she whined.

"You are a bad role model," I said. "Because of you, your hot daughters are lined up like dirty whores."

Aiming my cock at Victoria's swollen and glistening pussy, I slammed in. She grunted, and her head lurched.

"First, I have to see how much punishment you deserve," I said as I cupped her tits through her dress and thrust in her. "You are too wet and hot for a respectable mother and mother-in-law. You sure deserve to be punished."

"I like this part," she moaned.

"You are shameless," I said as I pulled my cock out and brushed its dripping head over her asshole, wetting it.

She moaned as I dipped my forefinger in her drenched pussy and then pushed it into her ass. As her asshole relaxed and started to enjoy the way my finger slid in and out of it, I gave her the first smack on her right ass cheek. She yelped and jumped. While I finger fucked her asshole, I proceeded to give each of her cheeks five sharp smacks, giving her ass a bright red color.

"Are you still having fun?" I asked.

"Not as much as before," she said as I walked around the sofa and pushed my cock toward her mouth.

"Suck your pussy juices off my big cock, naughty woman," I commanded. "Suck it hard. Show your remorse."

She swallowed my cock eagerly. I placed my hand behind her head and proceeded to fuck her mouth balls deep. A minute later, I yanked my cock out and moved back.

Skipping Ellen, I moved left to my wife.

“My sweet loving wife has her delicious pussy and ass exposed shamelessly,” I said as I slammed into Beth’s wet pussy, making her grunt. “You are blistering hot and soaking wet. What is it? Don’t I give you enough cock?”

“You do,” she said as I pumped her vigorously, gripping her tits through her top.

“You admit that you have no excuse to do this?” I asked.

“No, I don’t,” she gasped.

“You’ll be punished,” I said, brushing her asshole with my drenched cock head. “You should be a model wife.”

“I am a model wife,” she moaned as I wet a finger in her pussy and then pushed it into her ass.

Her ass received ten smacks as I finger fucked it. I paused a little and then gave her an unexpected sharper smack, making her jump.

“What?” she protested. “You have already gave me ten smacks.”

“You are my wife, and you are wetter than your mom,” I said as I proceeded to give her ten extra smacks.

Her ass was very red when I finished with her. I sank my cock down her throat and had her suck her juices off.

Ellen grunted as I slammed my cock into her dripping pussy and grabbed her tits.

“You are married and you expose yourself,” I said as I squeezed her tits. “Aren’t you ashamed of yourself?”

“Yes,” she said meekly. “I am ashamed of myself, but I love it.”

“Can you see that you deserve to be punished?” I said as I started to thrust in her hot pussy.

“Yes,” she said, thrusting her ass back.

“At least, you admit your mistake,” I said as I pulled my glistening cock out of her pussy.

After wetting her asshole with my cock head, I pushed a wet finger into her ass. Ten sharp smacks followed to her ass, turning its color to bright red. I held her head and fucked her throat for a minute.

Lisa’s pouting pussy received an identical slam to what the others had received. She grunted as my shaft made its way forcefully into her depths.

“You are the youngest here, but you have to be treated like the grownup you are,” I said as I held Lisa’s tits in my hands and gave them a squeeze through her clothes.

“Yes,” she moaned.

“You are exposing your lovely ass indecently and you are very excited about it, aren’t you?” I said as I started to thrust in her pussy vigorously.

“Yes,” she gasped, bucking her ass back for more cock. “I love cock.”

“You have to be punished like the others,” I said.

“Yes,” she gasped. “I am a slut like they are.”

Her ass received ten smacks while I fingered it just like I had done to her mom and sisters. I then moved around and pushed my cock into her mouth.

“Suck your juices off my bog cock,” I urged.

She sucked my sticky cock eagerly. I soon pulled out.

“I hope this is going to be a good lesson for you,” I said as I moved behind the offered asses. “Now, I’ll show you what’s likely to happen if you misbehave like this in the presence of a lewd man. Fortunately, I happen to be one. When I see a buffet of delicious asses offered like this I can’t resist the urge to penetrate and take my pleasure of each and every inviting rosebud. Men are animals. They treat every woman offered in this position like a whore.”

While I removed my pants and underpants, I checked out Victoria’s ass closely. I bent over and started to lick her asshole while working two fingers in and out and around within her wet pussy. She moaned and ground her ass back. Her asshole relaxed and accepted the tip of my tongue. When I pulled back, her asshole was soaking wet and gaping slightly. I removed my slick fingers from her pussy and pushed one and then both into her asshole.

Victoria moaned and humped back as my fingers fucked her ass. I twisted my fingers within her to loosen her asshole up further. I pulled her left cheek out with my left hand and pulled the fingers within her ass to the right, making her asshole gape. I drooled generously into the open hole, flooding her rectum. I then worked my spittle within her with my fingers. I slowly removed my fingers from her ass, leaving her pucker slightly open.

As I slammed my shaft into her pussy, she grunted, and her asshole snapped tightly shut. Pausing deeply within her, I reached beneath her and started to tease her clit. I rolled her clit around until I could feel her pussy milk my cock and see her asshole twitch. I withdrew my cock from her pussy very slowly as I dribbled a thick string of drool on her clenched asshole. I touched my dripping cock head to Victoria’s drenched pucker, making her gasp. I pressed into her ever so gently, feeling her asshole dilate slowly. I paused very briefly when my cock head popped past her sphincter, making her gasp softly. I soon resumed my gentle pressure, watching my hard shaft sink slowly into her, until my balls nestled against her wet pussy lips. I paused there.

Leaning forward, I unzipped her dress. She helped me work the dress down over her shoulders and get rid of her bra. I squeezed her dangling tits, pinching her erect nipples between my fingers. She gasped, and her asshole tightened around my cock. Holding her tits in my hands, I started to fuck her ass first with short, slow thrusts.

“I bet you didn’t know you’d end up with a hard cock up your slutty ass when you did your misconduct,” I said.

“No I didn’t, but I hoped I would,” she moaned, fucking back.

“You are a whore,” I said as I tightened the grip on her tits and drilled her ass vigorously.

“I guess I am,” she gasped.

“Girls, your mom’s hopeless,” I said as I reached between her legs and started to diddle her pussy. “Don’t be like her, except for being a great fuck.”

“I think they should be like me,” she gasped.

She bucked urgently, and I could feel her asshole clench and unclench repeatedly as her pussy leaked freely.

“Come for me, you horny hussy,” I urged, fucking her harder. “Come for me, slut.”

Several seconds later, she gasped sharply and started to convulse. I continued to pummel her twitching asshole until she stopped moving. I bent over her and we kissed sinfully. I pulled my cock out, leaving her asshole gaping. I walked around the sofa with my sticky cock bouncing before me.

“Suck it,” I directed as I pushed my cock toward Ellen’s mouth. “You are next.”

Ellen took my cock in her mouth and sucked it eagerly. I was soon fucking her mouth at a brisk pace. A minute later, I was eating her asshole. Several minutes later, I was working my hard shaft into the depths of her fabulous rectum. I uncovered her tits and fondled them while I fucked her gently.

“You are soaked down here,” I said as I fingered her drenched pussy, making her asshole twitch around my cock. “You must be a slut just like your mom.”

“I think I am sluttier,” she gasped.

Just as I grabbed Ellen's hips and started to drill her ass with vigor, Mike entered the room.

"What is going on here?" asked Mike. "Another party?"

"Whip out your cock and check it out," I said.

"Bring it over here," called Victoria when she saw Mike's cock.

"Victoria, I didn't know you were so hot," he said.

"You thought my daughters were taking after the neighbors?" she said. "The neighborhood women are prudes."

"I am not complaining," he said as he brought his cock to her mouth.

"We are lucky," I said.

"We are very lucky," he said as she took his cock in her mouth.

"I love your hot wife's ass," I said.

"Fuck it hard," he said. "That's what it's there for."

"He's doing just that," gasped Ellen.

"You love this, bitch?" I asked.

"Oh, yes," she gasped.

Victoria sucked Mike's cock eagerly while I continued to drill his wife's ass.

"This is the best blowjob I've ever had," moaned Mike.

"I know what you mean, but this is not a blow job," I said. "You have others standing in line for your cock."

"I need to suck it," Beth called to Mike.

"I guess you are right," he smiled.

"They are all cock-hungry whores," I said.

"This is so good," he said.

"It's amazing," I said.

Victoria reluctantly let go of Mike's cock. As my wife sucked Mike's cock, I started to finger his wife's dripping pussy. Ellen fucked back enthusiastically.

"Your wife has a great mouth," said Mike.

"Thanks," I said, fucking Ellen's ass harder. "So does yours, but I love her hot ass more."

Ellen groaned in frustration when I removed my cock from her ass just before she would come. I moved aside and socked my cock to Lisa's pussy. As soon as I started to fuck Lisa, she pulled Mike's hand. Soon, Mike was fucking her mouth as I fucked her pussy. Before long, I was drilling her ass while Mike continued to enjoy her mouth. I let Lisa come in my hand, enjoying her anal convulsions on my cock. A minute later, I moved my cock to her mouth. I held her head in my hands and fucked her throat slowly. I was totally absorbed in her oral ministrations until I heard Beth squeal. When I looked toward her, I saw Mike pump his cock in her pussy.

"Fuck her well," I called to Mike.

"You bet I will," he smiled.

As Mike fucked Beth vigorously, I returned my cock to Victoria's ass.

For whatever reason, I looked to the right and back. I was shocked to find my father-in-law sitting at the sidelines with his hard cock in his hand.

“Mike, we have company,” I called.

Everybody looked around and all the eyes were immediately focused on John.

“Good morning,” he greeted.

“Good morning,” we all replied.

“Keep going; I feel like watching,” he said.

“I hope we are putting on a good show for you,” I said.

“You sure are,” he said. “I like how you are reaming out my wife’s tight ass with your fat cock.”

“She has a great ass,” I said. “I love fucking it.”

“I am glad that you are taking full advantage of it,” he said.

“I am trying to be a good son-in-law,” I said.

“You are an amazing son-in-law,” gasped Victoria.

“If you mean it, come for me,” I said.

“I am coming,” she gasped.

Victoria writhed in orgasm while I pounded her writhing ass. When her orgasm subsided, I pulled out and kissed her relaxed asshole deeply. She moaned and ground her ass into my face.

“Did you enjoy getting your slutty ass fucked with my big cock while your husband watched?” I asked, tapping her asshole with my cock head.

“Oh, yes,” she gasped. “Your big cock’s the perfect cock for it.”

“Shove it up mine,” called Ellen.

“They all know how good your big cock is,” said Victoria.

“Only sluts with fantastic asses know that,” I said.

Ellen was next. No sooner had I started fucking her ass than Mike was fucking Victoria’s pussy.

“Feed my cock-hungry ass, Nick,” urged Ellen, fucking back.

“You have a sizzling ass,” I said.

“Fuck it, lover,” she gasped.

Ellen came within a couple of minutes. I then moved to Lisa.

“Thanks, Nick,” moaned Lisa as I skewered her offered ass with my cock.

“I’d love to fuck your hot ass all the time,” I said, thrusting in her ass/

By the end of that morning session, Mike and I had introduced my wife and her mom to double penetration. I called John to help us with a triple penetration for his wife. He muffled her moans as Mike took her pussy and I took her ass. After a long fuck, Mike and I dumped our loads in her nether come receptacles while her daughters watched, playing with their pussies. Beth cleaned our cocks while her father shot his come load down her mom’s throat. Victoria cleaned her husband’s cock while Lisa and Ellen fed on her fresh cream pies.

Ellen and Lisa made their mom come, and Beth sucked my soft cock while I sat back.

“You have a horny wife,” said Ellen, looking at Beth as she sucked my cock.

“I have a horny husband,” said Beth.

“He isn’t doing anything,” said Ellen. “You are.”

“He soon will,” said Beth.

My cock hardened in Beth’s skilled mouth, and she started to deep throat it.

“You were not kidding,” said Ellen as she watched Beth deep throat my hard cock eagerly.

“I know my husband,” said Beth.

“I guess you do,” said Ellen as she came over and knelt next to Beth. “Let’s share.”

“Who’s the horny wife now?” teased Beth.

“I am a horny sister-in-law,” smiled Ellen.

They sucked my cock together for a few minutes.

“Can I join you?” asked Lisa, kneeling behind her sisters.

“Nick’s cock’s big enough,” said Beth.

As soon as Lisa joined her sisters and they started to suck my cock together, their mom knelt behind them.

“Make room for me, girls,” said Victoria.

The girls obliged her, and the four of them sucked my cock together.

“Why don’t you fuck us while they watch?” suggested Ellen.

“I don’t see why not if that’s what you want,” I said.

“Let’s do that,” said Beth. “I want to show them that my husband’s a stud.”

“By all means, as long as you are willing to share,” said Ellen.

“I have to pay the tax,” smiled Beth as I got up.

“Get on your knees on the sofa,” I instructed.

They climbed onto the sofa and thrust their asses out lewdly.

“Fuck us, Nick,” urged Victoria.

“Your asses are so hot I’ll only be fucking them,” I said, worming a finger up her ass.

“Your big cock’s perfect for that,” she moaned, grinding into my finger. “You can fuck my ass anytime.”

“Here,” said Beth, handing me a tube of lube. “Let’s do it for a long time.”

Victoria moaned and squirmed while I lubed her asshole thoroughly. It accepted my cock effortlessly. I held her hips and proceeded to fuck her ass briskly.

“This is what my ass was made for,” gasped Victoria, fucking back happily.

“This is what all our asses were made for,” said Ellen.

“No kidding,” gasped Victoria.

After about two hours of hard ass fucking, Beth ate my come out of Lisa’s ass.

We discovered later that horny John had filmed the entire session.

Beth had us drive to her folks on the following Friday afternoon.

No sooner had my ass hit the sofa in the living room than Lisa dragged me to her room.

She closed the door and knelt before me.

“You are a slut,” I teased as she unzipped me.

“I missed your big cock,” she said, fishing my hardening cock out. “Did it miss me?”

“What do you think?” I asked as she stroked my cock.

“I think it did,” she said. “It’s getting hard for me.”

“You are its little slut,” I said. “Of course it missed you.”

“I love being its little slut,” she said.

“Suck it, Lisa,” I said, pulling her head to my hard cock. “Show it how much you do.”

She moaned around my cock as she took it in her mouth.

She sucked my cock eagerly, soon deep throating it, and I thrust in her face.

“Nick, I have a special request of you,” she said, slapping her face with my cock.

“What’s that?” I asked.

“I want you to come in my pussy and ass,” she said. “I am going out on a date, and I want to be full of your come with I am with my boyfriend.”

“You are a dirty whore, aren’t you?” I smiled.

“Yes,” she smiled. “I have a big butt plug so I don’t leak your hot come out.”

“When is your date?” I asked.

“It’s about two hours away,” she said.

“We don’t have much time,” I said, slapping her face with my cock. “Show me your cock-hungry fuck holes.”

“Yes,” she smiled, getting up.

She got out of her clothes and climbed on her bed, thrusting her ass lewdly my way.

“Fuck me, Nick,” she urged.

“I missed your little pussy and sweet asshole, but we don’t have much time to play,” I said, brushing her leaky pussy with my cock head.

“Fuck them, Nick,” she moaned as I pushed my cock into her pussy.

“That’s what they are here for,” I said, thrusting in her pussy.

“Yes,” she moaned, fucking back. “Nobody fucks them like you do.”

“Let’s make sure you are well fucked when you go on your date,” I said, fucking her pussy vigorously.

“Yes,” she gasped, fucking back energetically.

About an hour later, I pumped her twitching pussy with come. She plugged it with her butt plug and revived my cock. The butt plug remained in her pussy until I came in her ass. She then switched it to her ass and revived my cock, leaving it hard.

“Thanks, Nick,” she said, rushing to get ready for her date.

Lisa kissed her boyfriend and got in his car.

“Where are you taking me?” she asked.

“We are going first for dinner,” he said.

“Why don’t we have an appetizer first?” she suggested.

“Sure,” he said.

“My pussy’s so juicy,” she said. “Take me somewhere you can eat it dry.”

“You are horny?” he asked, turning toward his place.

“I am so wet,” she smiled. “You think you can take care of me before dinner?”

“Of course,” he said.

He soon got her to his place. As she sat on the sofa, she popped her butt plug out in the process of hiking her skirt and pulling her panty crotch aside.

“Eat it, baby,” she said, spreading her legs.

He knelt down and dove in her pussy. She started to squirm and hump his face.

“You are so juicy,” he said.

“Of course,” she said, pulling his head to her pussy.

He ate her pussy eagerly. She fed him my come and came in his mouth.

“When I am in this state, my ass is juicy too,” she said, pulling her legs over her head. “Eat it dry too.”

He proceeded to eat her come-filled ass.

“How come your ass is so juicy?” he asked.

“Did you forget that it loves cock?” she asked, pulling his head into her ass.

He ate her come-filled ass, and she came.

“Did you enjoy eating my juicy pussy and ass more than ever?” she asked.

“Yes,” he said.

“Now, I can tell you that they were tastier because you ate my brother-in-law’s come out of them,” she said.

“What?” he said in panic.

“You are silly,” she said. “You loved it. There is no point in denying it. I did this for you anyway.”

“How did you do it for me?” he asked.

“My sisters and I have orgies,” she said. “You can’t fuck my married sisters just because you are my boyfriend. Now, you can join our orgies. By the way, my sister has already eaten his come out of my ass, so take it easy.”

“You have orgies with your sisters?” he asked.

“I have orgies with my sisters and my brothers-in-law,” she said. “I wanted you to join us.”

“Okay,” he said.

“Now, let’s go for dinner,” she said as she sent a text message out of her phone.

“Let’s go,” he said.

“Where do you think you are going?” asked Ellen, squeezing my boner, as I walked out of Lisa’s room.

“Hi, Ellen,” I greeted.

“Where are you taking this big hard cock?” she asked. “Don’t you know that big hard cocks need attention?”

“Are you willing to pay my big cock the attention it needs?” I asked, squeezing her ass.

“I am all yours as long as you fuck my pussy and asshole loose and fill them with your come,” she said, leading me to her room. “What do you think?”

“You are so hungry for cock, aren’t you?” I teased, squeezing her tit.

“My holes still taste of your big cock,” she said. “You are the last one to fuck them.”

“You want me to talk to Mike?” I asked as she knelt before me.

“I want you to fuck his slut wife,” she said, setting my hard cock free.

“Is he becoming lazy because I fuck his slut wife?” I asked as she stroked my cock.

“His slut wife’s become so horny because you fuck her with your amazing cock,” she said.

“Let me take care of that,” I said, pulling her head to my cock.

She took my cock in her mouth and proceeded to suck it eagerly. She deep throat my cock, and I fucked her throat, holding the back of her head.

“My fuck holes are so hungry for this,” she said, slapping her face with my cock.

“Let’s take care of them,” I said, pulling her up.

We kissed passionately before I pushed her onto the bed.

She took her clothes off and lay back on the bed.

“Pick your target,” she said, grabbing her heels.

“Your slutty ass is my favorite, but I have to fuck your little pussy,” I said, pushing my cock into her pussy/

“You are so good,” she moaned.

“Isn’t that why you are here?” I teased.

“Of course,” she moaned.

“Let’s do it,” I said as I grabbed her ankles and proceeded to fuck her pussy.

She was soon gasping and shaking.

Both her pussy and ass got fucked hard in the following hour.

“Where do you want the come?” I asked, drilling her ass.

“Shoot the first one into my pussy,” she gasped. “I have a big butt plug to plug it.”

What? Was that a coincidence?

Anyway, I soon pumped her twitching pussy with come. She plugged it and revived my cock.

“Fuck my slutty ass, and fill it with come,” she urged, getting on all fours.

“Of course,” I said, pushing my cock into her ass.

Her ass drained my balls, and she revived my cock. She finally kissed me and pushed me out of the door.

Ellen popped her butt plug out of her ass and spread her legs as soon as Mike opened the door.

“Eat my juicy pussy, honey,” she said.

“What’s with pussy eating today?” he asked.

“What about it?” she asked.

“I’ve been eating your mom’s pussy for a while, and your dad was eating your sister’s pussy,” he said.

“Is it wrong for men to appreciate women?” she asked as he climbed onto the bed.

“Of course not,” he said.

“I bet you wouldn’t have complained had you been having blowjob after blowjob,” she said.

“I am not complaining,” he said. “I am just wondering.”

“I think they were getting ready for cock,” she said.

“Your mom didn’t want me to fuck her,” he said.

“Maybe she wanted Nick to fuck her,” she said. “She likes his fat cock.”

“Whatever,” he said, diving in her offered pussy.

He ate her pussy eagerly, and she humped his face, leaking freely in his mouth.

“You are so wet,” he said.

“Eat me dry if you want to fuck me,” she urged.

He ate my come out of her pussy, making her come.

“Eat my asshole too,” she said, grabbing her heels. “It’s so juicy too. Suck it dry if you want to fuck it.”

“Why is your ass juicy?” he asked.

“It’s always like that when I am like this,” she said. “It’s a cock-craving ass.”

He ate my come out of her ass, and she came.

“Did my pussy and ass taste good?” she gasped.

“Yes,” he said. “They were juicier and tastier than ever.”

“I knew you’d love eating Nick’s come out of them,” she said.

“You fed me Nick’s come out of your pussy and ass?” he asked in disbelief.

“I did, and you loved it,” she said. “I ate Nick’s come out of Mom’s ass and loved it. I shared the joy.”

“You are a woman,” he complained.

“That doesn’t matter,” she said. “You loved it even more than I did. Lisa’s boyfriend loved it too.”

“Lisa fed Nick’s come out of her pussy and ass to her boyfriend?” he asked.

“Of course,” she said.

“I can’t believe this,” he said.

“Now fuck me,” she urged.

He took his hard cock out and climbed on top of her.

When Victoria caught me, my cock was still sticking out of my fly. I had not gotten a chance to zip up.

“What’s this?” asked Victoria, squeezing my cock. “Did my daughter send you out with a big hard cock?”

“I guess she had enough,” I said.

“If she did, her mom didn’t have any,” she said, stroking my cock.

“Are you hungry for cock?” I asked, squeezing her ass, as she led me to her room.

“Of course I am hungry for the best cock in the world,” she said, closing the door.

“You are a good mother-in-law,” I said as she knelt before me.

“Thanks, Nick, but I want to be a good wife,” she said, rubbing her face with my cock.

“I am sure you are,” I said.

“Did my daughters leave enough come here to fill their slut mom’s pussy and ass?” she asked, holding my balls.

“I am sure they did, but I am not sure you are going to leave enough come for Beth’s pussy and ass,” I said.

“That’s okay,” she said. “She’s your wife. She had you all to herself all week.”

“I am not sure she brought me here just to fuck her mom and sisters,” I said.

“You don’t think she’s such a good daughter and sister?” she asked.

“I don’t know,” I said.

“You have the entire weekend to find out,” she said.

“I guess I do,” I said, pulling her head to my cock.

She moaned as she took my cock in her mouth. She sucked it eagerly, taking it down her throat. I held the back of her head and fucked her throat for a few minutes. I finally slapped her face with my cock and pulled her up.

“You are ready to fuck me silly and fill me with come,” she said, taking her clothes off.

“Of course,” I said, squeezing her ass.

She climbed onto the bed on all fours and thrust her ass out lewdly.

“Fuck me, baby,” she urged.

“You are a good mother-in-law,” I said, pushing my cock into her pussy.

“Tonight’s all about being a good wife,” she moaned, pushing her ass back.

“I don’t know what this has to do with it, but sure,” I said, thrusting in her pussy.

“You just fuck my little fuck holes open and fill them with come, and let me worry about that,” she moaned.

“With pleasure,” I said, picking up the pace.

“That’s the point,” she gasped.

She came many times while I fucked her pussy and ass for over an hour.

“Come in my pussy,” she gasped.

Her pussy soon drained my balls. She retrieved a butt plug and plugged her pussy while she revived my cock!

Her ass got fucked alone for over an hour. I finally came inside it, and she switched the butt plug to it.

She revived my cock and gave me a deep kiss. I walked out with my hard cock sticking out.

John returned to his bedroom.

“Nick has fucked me silly in all my holes,” said Victoria.

“That’s nice,” he said.

“He didn’t eat my pussy and ass though,” she said.

“Oh,” he said.

“He just fucked them,” she said.

“I see,” he said.

“I am not complaining, but I still need to have my pussy and ass eaten,” she said.

“I guess you want me to eat them?” he asked.

“You want your sons-in-law to fuck me and eat me?” she asked. “You don’t want to do anything anymore?”

“I didn’t say that,” he said.

“Eat my pussy,” she urged, popping her butt plug out of her ass. “It’s soaked.”

“You are insatiable,” he said.

“Eat my pussy dry,” she urged.

He climbed onto the bed and took his position as she thrust her pussy forward lewdly.

“Your pussy’s so sticky,” he said.

“I want it squeaky clean,” she said.

He dove in and went to work. She humped his face eagerly, and he ate her pussy more and more actively.

“That’s it, honey,” she urged. “Suck all that stuff. Good husbands eat their slut wives clean.”

He ate her pussy more hungrily, making her come.

“Eat my slutty ass too,” she gasped, getting on all fours.

She thrust her ass out lewdly, and he proceeded to lick it. He ate her ass, and she started leaking in his mouth.

“Your ass is leaking,” he said.

“Of course,” she said. “My ass gets juicy when I get fucked like that. I don’t think it tasted bad.”

“It doesn’t,” he said.

He ate my come out of her ass and kept it up until she came.

“Weren’t my pussy and ass tastier than ever because they were so juicy?” she asked.

“Yes,” he said.

“I am glad that you enjoyed eating Nick’s come out of my pussy and ass,” she said.

“What?” he said in shock. “You fed me Nick’s come?”

“I did, and you loved it, so don’t be silly,” she said. “We’ll do it again too. Now, fuck me instead of wasting time.”

“You are unbelievable,” he said, getting into position.

“It was fun, so don’t sweat it,” she said.

“Oh, they left you horny?” asked Beth as she squeezed my hard cock.

“Your mom and sisters are extra horny today,” I said.

“That wasn’t good enough for you though, was it?” she said, stroking my cock.

“I guess not,” she said.

“You’ve been fucking them for around seven hours,” she said, leading me to the sofa in the living room.

“They have fine asses,” I said as I sat down.

“They love your big cock too, don’t they?” she said, kneeling before me.

“They apparently do,” I said.

“I am now horny,” she said, stroking my cock.

“What were you doing while I was with them?” I asked. “Did Mike fuck you?”

“Mike and Ellen had not arrived when you fucked Lisa,” she said. “While you fucked Ellen, Mom had Mike eat her pussy. While you fucked Mom, Mike was with Ellen.”

“What about your dad?” I asked. “You did nothing with him?”

“Of course not,” she said. “I am not a sick pervert. I only let him eat my pussy.”

“Oh!” I said.

“Now, they are all with their guys, and I am with you,” she said.

“I guess I saved the best for last,” I said.

“Do you really think I am the best?” she asked.

“Of course,” I said.

“Do you know how you can prove it?” she asked.

“How?” I asked.

“Fuck me silly, and fill my pussy and ass with come,” she smiled. “Can you do that?”

“What’s with filling your pussies and asses with come today?” I asked.

“It’s a good conclusion to a good fuck,” she said.

“I’ll do my best,” I said.

“Let me help you,” she said.

She took my cock in her mouth and proceeded to deep throat it.

“Yes,” I said as I reached out and bounced her head on my cock.

She soon lost her clothes and climbed astride me. She impaled her pussy on my cock and bounced on it while I fingered her asshole and reamed it out with my fingers.

She handed me the lube, and I lubed her asshole thoroughly. She soon moved my cock to her ass.

“Come in my pussy,” she urged as I pounded her ass with her on her back, holding her heels.

She stiffened when I shoved my cock into her pussy. I pumped my come into her pussy, and she plugged it!

Over an hour later, I came in her ass. She moved the butt plug to her ass, kissed my soft cock, and walked away!

Naked Beth walked into her mom and dad's room. They were still awake despite how late it was.

"Dad, Nick has just fucked me silly," said Beth.

"Good for you," said her dad.

"It's good for you too, isn't it?" she said.

"I guess I like having happy daughters," he said.

"He made my sisters happy too," she said.

"He made your mom happy too," said Victoria.

"Dad, my husband has come in my pussy and ass, and I want my dad to lick me clean," said Beth.

"What?" he asked. "What do I have to do with that?"

"I can't go to my brother-in-law when my dad's available," she said.

"Go to your husband," he said. "Let him clean his own mess."

"Honey, don't be silly," said Victoria. "Nick isn't the kind of guy who'd eat his own come out of his whores."

"She's his wife, not his whore," he protested.

"Whatever, Dad," said Beth as she climbed astride her dad's head, facing the rest of his body. "Eat me."

"Eat her come-filled pussy clean, honey," urged Victoria.

He opened his mouth to say something, and Beth stuffed it with her juicy pussy. As he gave up and started to eat her pussy, she reached back and popped her butt plug out of her ass.

"That's it, Dad," urged Beth, grinding her pussy into his face. "You are lucky you are eating more of Nick's yummy come than the others."

"He's being a good dad too," said Victoria.

"Of course," gasped Beth.

Beth fed her dad my come out of her pussy and gushed in his mouth.

"My horny husband came in my ass too," gasped Beth, moving her asshole to her dad's mouth.

"Poor baby," said Victoria. "He filled your sweet ass with his slimy come."

"He did," gasped Beth.

"Your dad's going to make it all good," said Victoria.

"I know," said Beth, grinding her loose asshole into her dad's mouth.

"Suck all that slime out of her sweet ass," urged Victoria.

John ate Beth's come-filled ass actively as it leaked constantly. She finally came in his mouth.

"Thanks, Dad," she gasped, dismounting him. "You did great."

"You are welcome," he said.

"Wasn't it fun?" she asked.

"I guess," he said.

"Good night," she said, heading out of the room.

Because of all the fucking and going to bed late, I woke up just before noon.

My cock was hard, and it was being sucked. I opened my eyes to see an asshole looking me in the eye. I kissed it gently, making it twitch.

“Is that Lisa?” I asked.

“You recognize my asshole?” asked Lisa.

“You have a pretty asshole,” I said. “Of course I recognize it.”

“You are amazing,” she said.

“What are you doing here?” I asked.

“You didn’t wake up, so I woke you up,” she said.

“That’s a great way to wake somebody up,” I said.

“You are the only one I’ve ever woke up this way,” she said.

“I guess I am special somehow,” I said.

“Of course you are special,” she said.

“So are you,” I said, squeezing her ass.

“Would you like me to wake you up well with all my holes?” she asked.

“Sure,” I said.

She turned around and straddled me, engulfing my cock in her juicy pussy.

“By the way, my boyfriend loved eating your come out of my pussy and ass,” she said.

“You fed it to him?” I asked as she rode my cock.

“Yes,” she said. “When he found out what it was, he was taken aback, but he finally admitted that he liked it.”

“That’s nice,” I said.

“Because he was nice, I am going to let him watch you fuck me,” she said. “Is that okay?”

“Sure,” I said.

“That way, he can watch you pump more come inside me and eat it while it’s fresh,” she said.

“That’s a good idea if he’s okay with it,” I said.

“Leave that to me,” she said.

She picked up the pace and bounced on my cock energetically to orgasm.

“I am sure my little asshole will make you wide awake,” she gasped, moving my dripping cock to her asshole.

“The wider open I fuck it, the wider awake I’ll be,” I said as she stuffed her ass with my cock.

“Fuck it wide open,” she urged, working her ass up and down.

“Of course,” I said, thrusting in her ass.

She rode my cock to a wild orgasm and then deep throated my cock. I grabbed her ass and kissed each of her fuck holes deeply. She ground into my face, moaning happily.

“Get up,” she said, dismounting me. “You are now wide awake.”

After my shower, I went down to the living room. Lisa was sitting on the loveseat next to a guy.

“Nick, this is my boyfriend, Derek,” introduced Lisa. “Derek, this is my brother-in-law Nick.”

After the greetings, I sat in the middle of the sofa. Lisa came over and sat astride me.

“You are finally awake,” she smiled, grinding her pussy into my cock.

“Yes, I am finally awake,” I said, holding her waist.

She lowered my hands to her ass, and I squeezed her ass gently as my cock started to get hard.

“I want to suck your big cock to show my boyfriend that you let me suck it because I am a good cocksucker,” she said, grinding into my boner.

“You don’t have to do that,” I said as she slid off my lap and knelt before me. “I can testify to that.”

“My boyfriend wants me to suck your big cock,” she said, unzipping my fly. “Isn’t that right, Derek?”

“Sure,” he said.

“Don’t you want me to be a good girlfriend and do what my boyfriend wants me to do?” she asked, stroking my cock while she touched its engorged head to her lower lip.

“Go for it, Lisa,” I said.

She teased my cock head with her tongue tip, making my cock twitch.

“Are you going to reward me if I do a good job?” she asked.

“That depend on how good the job is,” I said.

“I am a good girlfriend,” she said. “I’ll do a very good job.”

“A good girlfriend doesn’t ask for a reward when she sucks her brother-in-law’s big cock,” I said. “What do you think, Derek?”

“You have a point,” he said.

“Okay, I’ll do a good job even if there is no reward,” she said.

“Good girl,” I said, pulling her top off.

She took her skirt off, getting completely naked.

“I love your big cock,” she said, smiling at my cock.

“Show it how much you do,” I said.

“Of course,” she said.

She teased and sucked my cock head for a minute before she started to work my cock in and out of her eager mouth. She was soon deep throating my cock hungrily. I placed my hand on the back of her head and paced her.

“She’s a good cocksucker, isn’t she?” I said.

“Yes,” he said.

“Are you proud of her?” I asked.

“Of course,” he said.

She held my cock down her throat for nearly a minute before she took it out, gasping.

“Do I deserve a reward?” asked Lisa, climbing astride me.

“You still want that reward?” I asked as Lisa rubbed her leaky pussy with my cock head.

“You don’t have to reward me,” she said.

“You did a good job,” I said as I held her waist and pulled her down.

She took my cock head into her pussy and lowered herself onto my shaft, moaning.

“Am I a good slut for you?” she moaned, riding my cock gently.

“Of course,” I said.

“Are you going to fuck me?” she asked.

“Do you want me to fuck your hot girlfriend?” I asked Derek as I held her ass and paced her.

“Sure,” he said.

“Her little pussy feels so good around my big cock,” I said.

“Yes,” he said.

“Doesn’t my brother-in-law have a fantastic cock?” she asked.

“Yes,” he said.

“Can you blame me for whoring myself to him?” she asked.

“No,” he said.

“You are spoiling your girlfriend,” I said, fondling her tits.

“She deserves it,” he said.

“You have a nice boyfriend, bitch,” I said, pinching her nipples.

“I know,” she smiled. “I am a lucky little bitch.”

“Show me how lucky you are,” I said, slapping her ass.

“I am very lucky,” she gasped, picking up the pace.

“Let it show,” I urged.

“Yes,” she gasped.

“You love my big cock, don’t you?” I teased.

“Oh, yes,” she gasped.

“I love it so much,” she gasped.

“Are you going to come for it?” I asked.

“Yes,” she gasped.

“Show me,” I urged.

“I am coming,” she gasped, stiffening.

“That’s it, you sexy bitch,” I said, slapping her ass.

She writhed, gushing on my cock.

When her orgasm subsided, she showered my face with kisses.

“Baby, lube my little asshole,” said Lisa, holding up a tube of lube.

Derek came over and took the lube from Lisa's hand. He started to lube her asshole. I could feel his fingers work inside her asshole.

"Move his big cock to my little asshole," she said.

"What?" asked Derek.

"Take his big cock out of my pussy and stick it up my horny ass," she said.

"I don't think that's a good idea," he said.

"It is," she said. "Show him that you want him to fuck my hot ass. It isn't gay or anything. It only takes a second."

He reluctantly pulled my cock out of her pussy as she raised her ass a little. He then pressed my cock head into her lubed asshole, popping it in.

"Thanks, baby," she said, pushing her ass down.

"You are welcome," he said, returning to his seat.

"Wasn't that fun?" she asked, working her ass up and down my cock.

"I guess," he said.

"I have a good boyfriend, don't I?" she asked me.

"You do, Lisa," I said.

"Are you going to fuck his girlfriend's ass royally because he's a nice boyfriend?" she asked.

"Is that what you want, Derek?" I asked.

"Yes," he said.

"You have a hot ass, Lisa," I said. "If your boyfriend wants it fucked royally, I'll fuck it royally."

"What if *I* wanted it fucked royally?" she asked, picking up the pace.

"If you want it fucked royally, you have to work for that," I said.

"Is this how I work for it?" she asked, bouncing on my cock.

"Yes," I said, spreading her ass.

"I am getting my slutty ass fucked on your big cock while my boyfriend watches," she gasped.

"You are a slut," I teased.

"Am I a good slut for your big cock?" she asked.

"Of course," I said, slapping her ass.

"I love being a good slut for your big cock," she gasped.

"Good girl," I said.

She rode my cock energetically for a few minutes.

"I am coming," she gasped.

"Come, you hot slut," I urged.

She convulsed on my cock, shoving her ass wildly into the base of my cock.

When her orgasm subsided, she gave me a deep kiss.

Lisa kept my cock balls deep up her ass as she turned around, facing away.

“Baby, my pussy’s soaked,” moaned Lisa. “Lick it clean for me.”

Derek hesitated for a second before he got up and knelt before her. He proceeded to lick her pussy, making her asshole twitch around my cock.

“Just like that, baby,” she moaned.

“You are taking advantage of your boyfriend,” I said, pinching her nipples.

“What’s the point of having a nice boyfriend if he doesn’t show how good he is?” she moaned.

“You have a point,” I said.

“I am so wet,” she said, pulling her feet to the edge of the sofa. “I love your big cock.”

“You are a horny slut,” I said.

“Yes,” she hissed.

She started to work her ass up and down my cock at a slow pace.

“I don’t think he can ever lick your little pussy dry,” I said.

“That doesn’t matter,” she moaned. “What matters is that it’s fun.”

“Are you having fun, Derek?” I asked.

“Yes,” he said.

“Keep it up until I come in your mouth,” she moaned.

“You are really taking advantage of him,” I said as I spread her ass and paced her.

“Of course,” she moaned.

“You like getting your slutty ass fucked while he eats your leaky pussy?” I teased.

“Yes,” she hissed.

“You need to pick up the pace if you want to come in his mouth anytime soon,” I said.

“No kidding,” she gasped, picking up the pace.

“That’s it, you dirty whore,” I urged.

“I love this,” she gasped.

“I am sure you do,” I said.

“I am going to come on your big cock,” she gasped.

“Is that right?” I teased.

“Oh, yes,” she gasped.

“Knock yourself out,” I said.

She bounced her ass on my cock harder.

“I am coming,” she gasped.

“Drink it all, Derek,” I said.

She writhed on my cock, gushing in his eager mouth. When her orgasm subsided, she sat limply in my lap.

“Derek, you did a good job,” I said. “Why don’t you fuck her?”

“That’s a good idea,” gasped Lisa. “I’d love to get double fucked.”

“See?” I said. “She’s a whore.”

“Stick your cock in my horny pussy,” she urged.

Derek got up and set his hard cock free.

“Put it in, baby,” she urged. “Give your slut girlfriend more cock.”

“You are a greedy bitch, aren’t you?” I teased.

“Yes,” she hissed.

Derek maneuvered his cock into her pussy. It was not easy, but he managed to get it in.

“Yes,” she urged. “Fill me with cock.”

“Fuck the bitch,” I urged.

“Fuck my pussy and ass at the same time,” she said, rocking her ass back and forth.

“Take your time, Derek,” I said, holding her tits. “Take it easy at first.”

He thrust in her pussy gently, his cock rubbing along mine through her thin membranes.

“You like this, bitch?” I asked as I held and spread her ass.

“It’s getting good,” she moaned.

While he fucked her pussy, I moved her ass up and down my cock in rhythm with his strokes.

“This is nice,” she moaned. “I am getting fucked in both holes.”

“You are such a whore,” I teased.

“Oh, yes,” she moaned.

“Pick up the pace, Derek,” I urged.

Derek fucked her pussy harder, and I bounced her ass on my cock accordingly.

“That’s it,” she gasped.

“Are you proud of your whore girlfriend?” I asked.

“Oh, yes,” he said.

“Thank you for sharing her with me,” I said. “I love fucking cock-craving whores.”

“You are welcome,” he said.

“Let’s make the bitch come,” I said.

“Yes,” she gasped.

“Come for us, bitch, or we’ll never fuck you like this,” I urged, bouncing her ass harder.

“I am coming,” she gasped.

“Good bitch,” I said.

She writhed wildly, and I steadied her as he fucked her gushing pussy hard.

When her orgasm subsided, he pulled out of her pussy.

Lisa dismounted me and knelt on the sofa next to me.

“Stick your head under my pussy, and lick it dry,” Lisa said to Derek, parting her knees.

Derek got into position, sitting on the floor and sticking his head under head.

She moaned as she lowered her pussy to his mouth.

“Spread my ass too,” she instructed.

He spread her ass right away.

“Nick, lube my asshole,” she said, stroking my sticky cock.

She handed me the lube, and I used three fingers to lube her asshole thoroughly.

“It’s ready,” she said. “Fuck it while he eats my pussy.”

“You like this, bitch, don’t you?” I said, getting up.

“Of course,” she said.

“Me too,” I said, pushing my cock into her ass.

“Yes,” she moaned.

“Your hot ass was made for this, wasn’t it?” I said, thrusting in her ass.

“Oh, yes,” she moaned, fucking back.

“Are you keeping your boyfriend hydrated?” I teased, pinching her nipples.

“I just hope he doesn’t drown,” she moaned.

“You love my big cock up your ass this much?” I asked, picking up the pace.

“I love it this much and more,” she gasped.

“I love fucking your luscious ass this way too,” I said.

“Fuck it, Nick,” she urged. “Fuck it open.”

“You want me to show your boyfriend how much I love it?” I asked.

“Oh, yes,” she gasped. “Show him why I love to whore my slutty ass for your big cock.”

“I think you do because you are a whore,” I teased.

“That’s one reason,” she gasped. “Show him the other reason; that you are a stud.”

“So, you want me to fuck your ass hard?” I asked.

“Oh, yes,” she gasped. “Make me gush in his mouth.”

“His breath will smell of pussy for days,” I said.

“I’ll take care of that,” she gasped.

“Come in his mouth, bitch,” I urged, pinching her nipples.

“I am coming,” she gasped.

“Do it, bitch,” I urged.

She convulsed wildly, gushing in his mouth. I fucked her twitching ass hard until her orgasm subsided.

He came up as soon as I pulled out of her ass.

“Baby, sit next to me, and spread my ass while he continues to fuck it,” gasped Lisa.

Derek sat next to Lisa and spread her offered ass.

“Fuck it, Nick,” she said, looking back at me.

“You want me to fuck it open?” I asked, squeezing lube on her splayed asshole.

“Yes,” she hissed.

“Do you want your boyfriend to guide my big cock into your little asshole to show you that you are a shared whore?” I asked.

“Yes,” she hissed.

“Guide me in, Derek,” I said, parking my cock head at her asshole.

He held my shaft and pressed my cock head into her ass. I popped it in, and he spread her ass with both hands.

“She’s shameless, isn’t she?” I said, thrusting in her ass.

“Yes,” he said.

“Derek, don’t you think that I have every right to love Nick’s big cock as much as I do?” she asked, fucking back.

“Yes,” he said.

“Can you see how big and fat it is?” she gasped as I picked up the pace.

“Yes,” he said.

“Isn’t this the kind of cock you want up your girlfriend’s horny ass?” she gasped.

“Yes,” he said.

“Nick, fuck my ass open, and fill it with come,” she gasped.

“You got it,” I said, fucking her ass harder.

She came several times before I was ready to come in her ass.

“I am filling your slutty ass with my slimy come, bitch,” I said, slamming into her ass, as she convulsed in orgasm.

“Yes, Nick, give it to me,” she gasped.

She writhed in orgasm, her asshole draining my come in her ass. I then pulled out.

“Sit down, Nick,” she gasped, getting off the sofa.

She pushed me into her place and knelt on the floor before me.

“Baby, eat his come out of my ass while I get his big cock ready for more,” she said.

As his face turned red, she took my sticky cock in her mouth and proceeded to suck it eagerly.

He hesitated for several seconds before he took his position behind her ass. He spread her ass and dove in.

“That’s it, baby,” she moaned as he licked her come-filled ass. “Eat that yummy come out.”

My cock hardened in her mouth while she fed her boyfriend my come.

“Your big cock and my slutty ass are getting ready for each other,” she gasped, smiling at me.

She continued to deep throat my cock while he ate her ass to orgasm.

She stroked my hard cock while she writhed in orgasm.

“Now I am ready for more,” she gasped.

“Suck my tits,” Lisa said to Derek as she got on her back on the sofa, grabbing her heels.

Ellen and Mike walked in as I pushed my cock into Lisa’s offered ass. Derek was sucking her left nipple.

“Hi,” greeted Ellen, startling Derek. “What’s going on?”

He got up, his face turning red.

“I am getting fucked in the ass while my boyfriend sucks my nipples,” said Lisa.

“Our horny brother-in-law’s fucking your horny ass with his big cock?” said Ellen.

“Yes,” said Lisa. “This is Derek, my boyfriend. Derek, these are my sister Ellen and her husband, Mike.”

Derek shyly greeted Mike and Ellen.

“What do I have to do to get that kind of service?” asked Ellen.

“Get naked, and taste my ass on Nick’s big cock,” said Lisa. “If you like the taste, we can arrange something.”

Ellen took her clothes off right away and dropped to her knees.

“Let me taste my slut sister’s slutty ass on your big juicy cock,” said Ellen.

“Sure,” I said, popping my cock out of Lisa’s ass.

Ellen swallowed my cock and deep throat it eagerly. I held the back of her head and fucked her throat.

“She apparently likes it,” Lisa said to Derek.

“I guess,” he said.

“I like it,” said Ellen, taking my cock out of her mouth.

“I want to taste her pussy on your big cock,” Lisa said to me. “Fuck her pussy to orgasm, and let me suck it.”

Ellen got on her knees on Derek’s other side.

“Guide my big cock into her horny pussy to show Derek that you are okay with this,” I said to Mike as I touched my cock head to his wife’s dripping pussy.

“Do I have to do that?” he asked.

“Yes,” said Ellen.

Mike held my cock as I pushed it into Ellen’s pussy. She moaned and pushed her ass back.

“My big sister’s a whore like me,” Lisa said to Derek.

“I am a bigger whore, little slut,” gasped Ellen as I fucked her pussy hard.

“Do you really think she’s a bigger whore than me?” asked Lisa.

“I don’t know,” he said.

“What do you think?” she asked Mike.

“I don’t know either,” he said.

“I am coming,” gasped Ellen.

Ellen gushed on my cock. When her orgasm subsided, I pulled out, and Lisa deep throat my cock eagerly.

“She’s good,” said Lisa.

“Fuck my ass, Nick,” urged Ellen. “That’s where I want your big cock.”

“Only if you let Derek guide my big cock in,” I said, working lube inside Ellen’s asshole.

“Derek, please guide his big cock into my ass,” she urged.

Derek hesitated a little before he held my cock, and I pushed it up her ass.

Ellen moaned as she pushed her ass back.

“Your boyfriend guided my lover’s big cock up my ass,” moaned Ellen as I fucked her ass gently.

“I am going to have your husband guide my lover’s bug cock up my ass too,” said Lisa.

“You are a copycat,” gasped Ellen as I fucked her ass hard. “Who’s the big whore now?”

“Me,” smiled Lisa.

“The big whore’s the one who can please my big cock most without talking,” I said.

Ellen gasped silently to orgasm.

“Let’s do it, Mike,” called Lisa when I aimed my cock at her asshole.

Mike did not hesitate to guide my cock into Lisa’s offered asshole.

Lisa pulled Derek’s head to her tits as I started to fuck her ass.

“Derek, do something,” moaned Lisa. “Eat her pussy from below and spread her ass so Nick can fuck it.”

“That’s a good idea, honey,” said Ellen.

Mike got into position and proceeded to eat Ellen’s pussy.

Lisa came, and I fucked Ellen’s ass, making her come in Mike’s eager mouth.

“Get under me,” said Lisa, getting on her knees. “I want to see my slut sister while we get our asses fucked.”

Derek stuck his head under Lisa’s pussy and spread her ass for me.

Derek and Mike kept eating their women’s pussies while I switched my cock between their asses.

“Nick, I want you to come in my ass while I come in my husband’s mouth,” gasped Ellen as I pounded her ass.

“That sounds good,” I said.

“Give it to me, Nick,” she gasped. “I am coming.”

She stiffened and convulsed in orgasm.

“Take it, baby,” I said, slamming into her writhing ass.

Her twitching ass drained my come, and I pulled out.

“Eat it out, Mike,” gasped Ellen. “I want my slutty ass to be clean for the next round.”

Mike came out from under her drenched pussy.

“Don’t be shy,” said Lisa as I pushed my sticky cock into Ellen’s mouth. Derek has already done that for me.”

“They are both dirty whores,” I said as Mike spread Ellen’s ass and dove in.

“That’s right,” said Lisa.

Ellen revived my cock while Mike ate my come out of her ass and made her come. Lisa kept Derek under her eating her leaky pussy meanwhile. Ellen gave Mike a deep kiss when he pulled back.

“Let’s get triple penetrated,” Lisa said to Ellen.

“You are really a big whore,” smiled Ellen.

“Of course,” smiled Lisa.

“What do you think, Nick?” asked Ellen.

“I am all for it,” I said. “I am hard and ready to go.”

“We need to get our guys hard,” she said.

“Let’s suck,” said Lisa.

Lisa and Ellen knelt on the floor as Derek and Mike sat on the ends of the sofa.

While Lisa and Ellen sucked cock, I knelt behind Lisa and pushed my cock into her ass. She moaned around Derek’s cock while I fucked her ass to orgasm.

“Keep going,” I said as I knelt behind Ellen.

Ellen thrust her ass out, and I skewered it with my cock. I held her hips and proceeded to fuck it. She moaned around her husband’s cock while she fucked back to orgasm.

“Climb astride your boyfriend’s cock,” I said to Lisa.

Lisa straddled Derek, taking his cock into her pussy.

“Fuck my ass, Nick,” she called, guiding Derek’s hands to her ass.

“This is triple penetration, Mike,” I said, pushing my cock into Lisa’s spread ass. “Come over here.”

“Stick your hard cock here,” said Lisa, pointing at her mouth.

Mike got up and stood on the middle of the sofa, offering Lisa his cock. She took it in her mouth and proceeded to suck it. I held her hips and fucked her ass, rocking her on Derek’s cock. She moaned around Mike’s cock.

“Fuck the whore in every hole,” urged Ellen.

Lisa and I picked up the pace, and she soon gushed on Derek’s cock.

“My turn,” said Ellen as I pulled out of Lisa’s ass.

Mike sat down, and Ellen climbed astride him, taking his cock in her pussy.

“You’ll get to taste my pussy on my boyfriend’s cock,” said Lisa as I climbed behind Ellen.

“I don’t mind that,” said Ellen. “You have a nice pussy.”

“Thank you,” said Lisa.

Ellen moaned as I skewered her ass, which Mike spread for me.

“Fuck my three holes,” urged Ellen, pulling Derek to her mouth.

She took his cock in her mouth and moaned happily as I fucked her ass.

“Fuck her slutty ass,” urged Lisa.

“Of course,” I said as I held Ellen’s hips and picked up the pace.

My thrusts shook Ellen on Mike’s cock. He did not have to move. She approached orgasm steadily.

“I am coming,” gasped Ellen.

Ellen gushed on Mike’s cock while I pounded her writhing ass. When her orgasm subsided, I pulled out.

“Sit next to us, and spread our asses,” instructed Lisa, moving to the center of the sofa.

Ellen squeezed next to Lisa, leaving room for Mike next to her. Mike and Derek obliged them.

“Are you having an orgy?” asked Victoria as I pushed my cock into Lisa’s spread ass.

Victoria and John had just walked in. Derek let go of Lisa’s ass.

“Nick’s fucking our asses while our men spread them for his big cock,” said Lisa.

“That looks like fun,” said Victoria.

“It is,” said Lisa, returning Derek’s hands to her ass.

“Hi, Derek,” greeted Victoria.

“Hi,” he said shyly.

“They got you into this?” asked John.

“Yes,” said Derek.

“Honey, spread my ass here,” said Victoria, taking her dress off. “I want it to get fucked.”

Victoria climbed onto the loveseat, thrusting her ass out. Derek was surprised.

John sat next to her and spread her ass.

Lisa soon came, and I moved to her mom.

“Guide my big cock into her little pussy,” I said, touching my cock to Victoria’s leaky pussy.

John held my cock, and I pushed it into his wife’s pussy, making her moan.

“Is Nick the only one who gets to fuck?” asked John as I fucked his wife gently.

“Didn’t you see what he did yesterday?” said Victoria. “He earned it.”

Victoria soon gushed on my cock, and I fucked her spread ass to orgasm.

While I fucked all the asses, I made sure to fuck Victoria’s ass through two orgasms every time.

“Come in my ass, Nick,” gasped Victoria about an hour later.

“You want me to fill your sizzling ass with my slimy come?” I asked, fucking her ass hard.

“Yes, Nick,” she gasped. “Flood it with your hot come.”

“Come for me,” I urged.

“I am coming,” she gasped.

“Take my come, bitch,” I said, slamming into her ass.

She writhed wildly, her asshole sucking my come right out of my balls. When her orgasm subsided, I pulled out.

“Let me get it hard again while my husband eats your come out of my slutty ass,” she gasped.

John hesitated a little before he took his position behind his wife’s come-filled ass. Meanwhile, I pushed my sticky cock into her mouth.

“Dad’s a good husband, isn’t he?” Lisa said to Derek.

“Yes,” he said.

John ate my come out of his wife’s ass, making her come, while she sucked my cock to full hardness.

“Let’s all kneel side by side,” said Lisa as she pulled Derek and Mike up by their hands.

Derek and Mike got up, and Lisa and Ellen knelt on either side of their mom on the sofa. John sat in the chair, and Mike and Derek sat on the loveseat.

“That’s a nice arrangement,” said Beth as she walked in. “Is there room for me?”

“Of course there is,” said Lisa as I pushed my cock into her ass. “Right next to me.”

“Hi,” Beth greeted Derek. “You must be her boyfriend. I am her sister Beth. I am Nick’s wife.”

Derek and Beth exchanged greetings, and she took her clothes off.

Ellen and Victoria squeezed to the side, making room for Beth next to Lisa.

“Isn’t this fun?” gasped Lisa, looking at Derek, as I fucked her ass hard.

“Yes,” he said.

Lisa soon came, and I moved to Beth.

“John, guide my big cock into my wife’s little pussy,” I said.

John came over and guided my cock in. I proceeded to fuck Beth’s pussy hard.

Beth came, and I lubed her asshole and skewered it with my cock.

“Fuck my ass,” she moaned as I thrust in her ass.

“Of course,” I said.

Beth fucked back, and I picked up the pace. She soon writhed in orgasm.

“It’s so good to fuck the slut mom and all her slut daughters,” I said, pushing my cock into Victoria’s ass.

“It’s so good to me,” she moaned.

“You are a cock-hungry whore,” I teased, fucking her ass briskly.

“Of course,” she gasped.

After several rounds, I was ready to come in Beth’s ass.

“Fill my ass with come, Nick,” gasped Beth as her orgasm approached.

“Come,” I urged.

“I am coming,” she gasped.

She came, and I pumped my come up her twitching ass. She milked my cock dry, and I pulled out.

“Dad, eat it out,” she called.

John did not hesitate to kneel behind her ass and dive in. I fed her my sticky cock, and she revived it while he ate my come out of her ass and made her come.

“Nick, you were wonderful,” said Lisa, leading me to the sofa. “Sit back, and relax.”

Victoria, Ellen, and Beth left the sofa for me. Lisa and they knelt before me.

As I sat back and relaxed, my mother-in-law and her three daughters sucked my hard cock leisurely together.

From then on, our visits became more frequent and more fun.

**The End**

## **Heads and Tails**

Lisa chased me into her older sister's room where she jumped on me and tried to strangle me playfully in revenge. That soon took a wild turn, and we got caught by her sister, who joined in! We got caught again and again. Things went totally out of control.
