

## Nightingale Minigales 2010

Please read [disclaimer](#) and [summary](#) at the end of document

Beth did not believe in going all the way on the first date. However, on our second date, she decided that she had known me well enough for her to go half the way. Actually, her lips went all the way down my cock. That night had been an unforgettable one. She gave me a reference blowjob.

Being the nice guy I prided myself to be, I offered to return the favor. In reality, that involved my being the horny guy I secretly pride myself to be too. She declined, saying that she was so sexual she would end up doing much more than what she had intended which was what she had just done. I respected her decision and could not wait for our third date, when, I assumed, she would go all the way. She did, after each of us had gone half the way.

True to her word, by the time I finished eating her fine hairless pussy, she had become hotter than a bitch in heat. That was another memorable night. During the course of that night, I discovered that her very responsive rosebud had been virgin. My heart and cock jumped in joy at that discovery. Her asshole was so sensitive she came while I rimmed her. The night I deflowered her gorgeous asshole was even more superb than the other two nights.

Beth and I went steady, and I got to visit her family. The day I saw her mother, I felt very happy that I was with Beth. Her mother was sexy in every way. I hoped and expected my girl to stay sexy like her mother had. On the first day I met her mom, I caught glimpses of her panties a few times.

"I have a very sexy mom, don't I?" said Beth.

"Indeed you do," I said. "Now, I know whom you are taking after."

### A Nightingale Classic In-Law and Order

After dinner, Beth showed me her room, where I peeled her clothes off and proceeded to enjoy her lovely body and let her enjoy mine. I toured her all delightful holes a few times, filling each of them with cream. By then, she had come to enjoy eating my come out of her freshly fucked holes. I occasionally helped her with that either by scooping it out with my fingers and then feeding it to her or by sucking it out and then dribbling it into her mouth. That night, I helped her that way a few of times.

By the time I married Beth, I had seen her mom, Victoria, many times. On each time, I happened to catch glimpses of her panties or the beginnings of her nipples. She was absolutely nonchalant about it. Beth had to have noticed that more than a few times and had been totally indifferent. Seeing that, I got used to it like everyone else.

When my mother-in-law decided to visit Beth and me and spend a week or two with us, that had to change. Victoria's peeking panties and tits went over the limit that I could ignore. My problem was that she was very sexy. Her full tits, narrow waist and tight ass could not be ignored. They started to distract me.

Once, Victoria and I were chatting in the living room. Beth was out shopping. It was no accident that Victoria let her knees part so that I could see her flimsy red panties. Her panties were so thin I could see the outline of her pussy.

"Nice panties," I teased. She was taken aback by my comment or at least acted that way. "Didn't your mom tell you not to let men see your panties?"

"You are peeking up my dress, you monster," she said, squeezing her legs slightly in mock modesty but making sure it made no real difference.

"It's more like your panties are peeking out of your dress and waving to me," I said.

"Nick, I am like your mom," she said.

"Do you think I'd let my mom alone if she teased me like this?" I said.

"What would you do to her?" she said.

"I'd do to her what I'll do to you if you keep it up," I said. "If you really want to know, stick around."

"Shame on you," she said. "Don't you respect the age difference?"

"It's true that you are old enough to be my mom," I said, "but you are acting horny enough to be my slut."

“Slut?” she said, faking being offended. “That’s a strong word.”

“I know,” I said. “Have you every fantasized about being somebody’s slut?”

“Maybe,” she teased.

“Have you ever tried it?” I asked.

“Maybe,” she said.

“Would you like to?” I asked.

“Maybe,” she smiled mischievously, “but I don’t think you can hold your end of the deal.”

“Why not?” I asked.

“I think you’d chicken out,” she said. “After all, I am your wife’s mother. Also, I have been doing this to you for a few days now and you haven’t done anything about it.”

“Let’s see who’ll chicken out,” I said. “Show me you are serious about your dare. If you are not a cock tease, go inside, lose your panties and give them to me.”

“Do I have to go inside?” she said as she hiked her dress.

She slid her thumbs inside the waistband of her panties. She smiled as she closed her legs and slid her panties down, lifting her butt to pull the panties down her hips. She seductively pulled one leg out of the panties and then let them dangle off her other foot for a little while, swinging them from side to side. She kicked her panties off to me. Without panties, her knees were not as wide apart as before but I could clearly see her bald pussy. I held the crotch of her panties to my nose and inhaled. I could identify the strong smell of excited pussy. It was going to be fun.

“You are on,” I smiled. “Get on your hands and knees and crawl over here.”

She was surprised by my command and did not move.

“You’d better get moving if you don’t want your white butt spanked into this color,” I said, waving her panties.

She got down on her hands and knees and crawled around the table.

“Using your face only, feel how hard you made me,” I instructed.

She rubbed her face into my crotch, making my cock feel hotter.

“Without using your hands, take my cock out,” I said.

“That can’t be done,” she said.

“I didn’t see you try hard enough,” I said. “You are too smart and too horny to give up without trying. If you can’t take it out, you won’t get it. If you fail you’ll get my hand on your ass instead. It won’t be that bad either.”

“I’ll give it my best shot,” she said.

“Unbuckle my belt first,” I directed.

It was not easy for her to unbuckle my belt and unbutton my pants with her teeth, but it was not too hard, either. She unzipped my fly and then proceeded to tug my pants down. I lifted my butt off the sofa to make her task achievable. She lowered my pants halfway down my thighs, and then she tugged on the waistband of my briefs. I raised my butt again until she had my briefs around my thighs. My cock bounced up into freedom with a clear drop of precome on the head.

“Lick that drop on the tip,” I directed.

Victoria licked her lips and then licked my cock head taking the precome drop with her tongue.

“Take my pants off,” I ordered.

She struggled with my pants and underwear, but finally got them off.

“Stand up, turn around and bend over,” I commanded.

In that position, the skirt of her dress could hardly cover her asshole and the back of her pussy, which was visibly moist. I wetted two fingers in my mouth and then used my fingertips to tickle her pussy lips and toy with them. She gasped and moaned. I pushed a finger into her pussy, making her grunt. I pumped her with my finger a little and then squeezed another finger in.

“You have a nice hot wet pussy,” I said as I pushed my fingers into her. “I can hear its silent screams for cock.”

I finger fucked her pussy for a little while, feeling her horny muscles milk on my fingers.

“Pull your ass cheeks apart,” I directed as I twisted my fingers within her wet pussy.

She reached back and spread her ass. I admired her outrageously exposed asshole for a moment as I continued to fuck her with my fingers.

“You have a lovely looking asshole, too,” I said. “Turn around and suck my cock.”

She turned around and knelt before me. She extended her right hand and held my cock by the base.

“You can’t use your hands unless I tell you otherwise,” I said. “Use your mouth to suck my cock. Use your hands to spread your cheeks. That should remind you of what may come.”

She reached back and spread her ass as she lowered her mouth to my cock.

“That’s it,” I said as she sucked my cock into her mouth. “You should always conduct yourself as a slut.”

Her lips worked up and down my cock as she sucked it eagerly. She soon swallowed my shaft and started to deep throat it. She drooled on my cock and then suck her drool off.

“That’s it, baby,” I encouraged, thrusting into her mouth. “Make it hard and all wet.”

“Why do you want me to make it hard and wet?” she teased.

“Because it is going up your tightest hole?” I said.

“You are not going to fuck me in my ass, are you?” she teased.

“Where else?” I said. “A slut like you has to have her tight ass fucked silly.”

“Aren’t you going to fuck my pussy?” she asked in mock disappointment.

“Oh, no,” I said. “Good girls get fucked in the pussy. I can’t do something like that to you.”

I held her head in both hands and worked it up and down over my cock. Her mouth and throat worked on my cock skillfully.

“Now, I need to inspect your ass,” I said, pulling her head off my cock. “Keep it spread.”

I scooted aside and guided her head and shoulders onto the sofa cushion. I moved around her and knelt behind her. I moved her hands, making her spread her ass most outrageously. I admired the curves of her ass and the inviting puckered rose displayed shamelessly in the center.

“You have such a gorgeous ass,” I said. “It’s even more tempting than your pussy.”

I moved her left hand off her ass, replacing it with my left hand. I guided her left hand to her asshole.

“Tease this lovely pucker with your fingers,” I directed. “Wake it up.”

“It’s wide awake,” she moaned as she started to tickle her asshole with her fingertips.

I silently watched her asshole twitch as she teased it lightly.

“I can only say it is mouth watering,” I said. “It’s going to make me drool.”

Pulling her left hand just above her asshole, I drooled right onto the pink pucker.

“Massage your asshole and work my drool inside,” I directed. “I want you to make it wetter than your pussy.”

She used the pad of her middle finger to spread the drool around. She pushed her fingertip against her asshole, popping it in. Next, she worked her finger in and out, working the drool inside her rectum. I drooled on her finger and watched her finger fuck her ass deeper and deeper. Holding my cock in my right hand, I started to rub it up and down her pussy, making her moan and squirm. I paid extra attention to her clit as I used my cock head to rub her juices in. She moved her finger around, reaming out her asshole.

“That’s it, baby,” I said. I drooled on her asshole. “Open it up wide.”

She worked her asshole out slowly and tantalizingly, opening it wider and wider. Soon, one finger was not enough for the hungry little orifice.

“It needs one more finger,” I said.

I drooled on her asshole and she squeezed her index finger in. I added spittle to her fingers and watched them sink deep inside. She had fun fucking her ass with two fingers. She tilted her ass up and down as her fingers pumped her ass and my cock head tormented her clit.

“Your pussy is drooling on my cock,” I said, flicking my cock head on her pussy lips. “It must really want it to slide smoothly up your ass.”

“Oh, yes,” she moaned.

“You need to make your ass ready,” I said. “Stick a third finger in.”

I drooled on her asshole as I watched her stretch it with three fingers.

"We are getting there," I said as she smoothly slid her fingers in and out of her ass.

I wetted two fingers of my right hand in my mouth and then used them to fuck her pussy. I pumped my fingers in her pussy in opposite directions with her fingers. Her pussy drenched my fingers with juices. I removed my fingers and then pushed them into her mouth. She sucked them eagerly.

"I'll spread your ass for you," I said, pulling her right hand off her ass. I wetted her middle finger in my mouth and then guided it to her asshole. I moved forward, laying my cock along her pussy lips and then used my right hand to pull her right ass cheek out. "Stretch your asshole open with your middle fingers."

I drooled on her asshole as she removed her index and ring fingers from her ass and pushed her other middle finger in. She slowly pulled her asshole open. I drooled right through the gaping hole.

"Massage my drool into your rectum," I directed, gently sliding the underside of my cock against her pussy.

She used her fingers to fuck her ass, rubbing its inside walls. Her asshole opened wider. I continued to drool inside it.

"I think you are ready now," I said, taking my hands off her ass and pulling hers off. "Suck your fingers and then pull your ass open."

She sucked her fingers thoroughly and then reached back for her ass. Guiding her hands to her ass cheeks, I spit on her relaxed but closed asshole. When she pulled her cheeks apart, her asshole gaped. I guided my cock head to her gaping hole and pressed in. Her asshole tightened up a little and then started to open up, letting my cock head sink slowly in. She breathed deeply as the bulbous head of my cock opened her sphincter wide. She grunted softly as her sphincter swallowed my cock head.

Pausing briefly, I drooled on my cock and spread my drool all over the shaft with my fingers. Meanwhile, her asshole milked on the beginning of my shaft tentatively. Placing my hands on the sofa on either side of her shoulders, I started to thrust gently, driving the rest of my shaft in. She let out little grunts and moans as little by little of my shaft disappeared up her tightly stretched asshole. Finally, my balls touched the back of her sticky pussy. I rested a little there and then started to thrust gently in and out.

"Your ass is ready," I said, fucking her ass with slow but long strokes. "But my cock isn't. It's not wet enough."

I popped my cock out of her ass and then drooled on its head. I spit on the rim of her gaping asshole and rammed my cock all the way in, making her groan.

"It's not ready," I said, bugging her with deep brisk thrusts. "You need to suck it some more."

She moaned and fucked back as I pumped her ass for a minute or two.

"You need to suck it and make it really wet," I said, plopping my cock out. I spit inside her gaping asshole. "You have to keep your cheeks spread."

She turned around, holding her ass open with both hands. She did not hesitate to open her mouth as I pushed my cock forward. She closed her lips around my cock and I started to thrust. Holding the back of her head in my left hand, I fucked her mouth deeper, dipping in her throat. She soaked my shaft in her drool as I continued to fuck her throat gently albeit deeply. A couple of minutes later, I held her head in both hands and jerked her head back and forth over my cock. I finally yanked my cock from her mouth. I tilted her face up and drooled on her lips. I spread my drool over her face with my cock, and then I slapped her face with it. I spit on my cock and then slid it in her mouth for a few deep strokes.

She sucked my fingers as I turned her around.

"Never move your hands off your ass unless you are told to do so," I said as I sat in the sofa and pulled her astride me.

Letting her suck two of my fingers, I wetted two fingers of my other hand in her drenched pussy. I pulled my two fingers from her pussy and brought them to her mouth as I removed my other fingers from her mouth and popped them up her ass. She eagerly sucked her juices off my fingers while I finger fucked her ass. While pumping her ass with my fingers, I brought my other hand to her pussy and diddled her clit to a hard orgasm. I rubbed my cock head over her dripping pussy, soaking it in her juices.

Pushing her knees up, I had her squat. I let her suck my fingers as I guided my cock head to her ready asshole. She pressed her spread ass down, sliding my cock head past her sphincter. I removed my fingers from her mouth and watched while she proceeded to bounce on my cock. She fucked her ass deep and hard, making herself come in a few minutes. I enjoyed the way her asshole fluttered around my cock. While she recovered, I held her ass and

bounced it gently up and down my cock. She was soon back in the saddle, bouncing like her life depended on it. After her ass had another orgasm on my cock, I pushed her off me and pulled her head to my cock. She sucked me in hunger.

She sucked my cock really hard. I pushed her away before she could make me come. I arranged her on her hands and knees on the sofa and popped my cock head in her ass.

"Make yourself come, whore," I directed as I started to stroke my shaft with my hand.

Her asshole nibbled at my cock head while she diddled her clit. When she was about to come, I came, spurting come deep inside her rectum. That triggered her orgasm. While she gasped for air, her ecstatic asshole milked on my cock desperately as if to suck every drop. When my come slowed down, I started to stroke my cock in and out of her, allowing her asshole to milk on my entire shaft.

After she drained my cock in her ass, my softening cock slipped out. Her asshole closed shut, guarding its prize. She turned around and sucked my sticky cock squeaky clean.

"Now, we have to feed you some come," I said.

"Sure," she said, pouncing on my cock.

"No, no, no, not like that," I said, pulling back. "You already have a big load of come up your ass. Eat it."

"What?" she said unexcited. "You want me to eat your come out of my ass? I've never done that."

"We'll fix that now," I said, pushing her onto her hands and knees. "We'll make you a real slut."

Pulling her ass cheeks apart, I started to lick her asshole. After a little oral play, her asshole opened up and started to suck on my tongue tip.

"Use two fingers to scoop come out of your ass and feed it to yourself," I directed, pulling my head back. "I am sure you'll love it."

She hesitantly reached back for her ass. She pushed one and then two fingers up her ass. She swirled them around and then brought them to her mouth. She tasted the come on her fingers cautiously, but then licked it hungrily, moaning.

"I like it," she said, nodding her head.

She did not need any encouragement to scoop the rest of my come out and eat it. She continued eating my come out of her ass until her rectum was squeaky clean.

As I pulled my briefs and pants on, she straightened her dress and sat in her seat.

"Aren't you going to put your panties on?" I asked.

"No," she said. "You can keep them."

"I think I should," I said, stuffing her panties down my pocket.

Half an hour later, Beth returned from her shopping spree.

"Your mom wants to watch us make love," I said to Beth, making her mom blush. "Apparently she wants to make sure her daughter is properly taken care of."

"Is that right, mom?" asked Beth.

Victoria blushed some more and did not answer.

"If you want to see that happen, you have to say, 'Yes,'" Beth said.

"Yes," Victoria hissed, gazing at the floor.

"Are you ready to grant the lady her wish?" Beth asked me.

"Ready when you are," I said.

"Let's do it," Beth said.

"I think we are missing something," I said.

"What?" said Beth.

"In order for your mom to really appreciate the show she has to play with herself while she watches," I said. "She has to have at least one hand inside her panties all the time and has to come at least once during the show."

"I like this idea," Beth said. "How about it, mom?"

"I can't do it," Victoria said weakly.

“Yes, you can if you want to watch us devour each other shamelessly,” Beth said as she sat in my lap. “It’s your call. You have to do it to watch him do me. We are waiting for your signal.”

Beth and I started to kiss and fondle each other teasingly. I motioned Victoria behind Beth’s back to go ahead. Beth and I kissed feverishly. I hiked her dress and shoved both hands down her panties, one in the front and one in the back. As I massaged Beth’s pussy and ass inside her panties, Victoria hiked her own dress and started to finger her bare pussy.

“Let’s party,” I said to Beth pointing to her mom.

“My pussy is already drooling,” Beth said.

“Tell me about it,” I said as I slipped a finger up her pussy, making her gasp.

I continued to finger fuck Beth as I helped her take her dress off and then unsnapped her bra. I sucked one sweet nipple into my mouth and massaged it with my tongue as I moved her off my lap and onto the sofa. She moaned and squirmed on my hand. Diddling her pussy with one hand, I used my free hand to tug on her panties. She helped me work her panties down her hips and then kicked them off. I did not interrupt fingering her as I slid off the sofa onto the floor and knelt between her legs. Swirling my finger within her dripping pussy, I raised her legs up one and then the other and pushed her knees over her chest.

I tickled Beth’s clit with my thumb, making her pussy leak more juices onto my already glistening fingers. Victoria watched intently, moving her hand actively against her pussy.

“You can sit right here,” I said to Victoria, patting the sofa next to Beth and motioning her with my head to come over.

As Victoria sat next to Beth, I put my tongue to Beth’s clit and removed my finger from her drenched pussy. I teased Beth’s asshole with my slick fingertips and then pushed one finger in. Her asshole fluttered around my finger but my finger sank all the way in. It took Beth a couple of minutes to come with my finger pumping her asshole and my tongue working her pussy. Over those minutes, her leaking juices ran down to her asshole where they were needed more. As she came wildly, I diddled her twitching asshole vigorously while sucking her gushing juices.

When Beth relaxed, I removed my mouth from her pussy and slid my thumb there as I pulled her for a sloppy kiss. When we broke the kiss I removed my fingers from her pussy and ass and let her suck them as I stood up before her. She proceeded to undo my pants as I took off my shirt. My cock pulsed, getting harder and harder, its head sticky with precome. She licked my cock head all over and then took my cock in her mouth.

“Are you aware that you are overdressed?” I said to Victoria.

“I am a spectator,” she said.

“I know that,” I said as I reached out and unzipped her dress. “You can watch better when you are dressed for the occasion. Take it all off.”

Holding Beth’s head in my hands, I watched Victoria take off her clothes. I pulled Beth’s head deep down my cock with one hand as I reached forward with my other hand, pushed her mom’s bra out of the way and pinched an erect nipple. Victoria gasped.

“Spread your legs and let’s see your naughty fingers play,” I said.

Beth continued to work her eager mouth up and down the entire length of my hard shaft. I pushed her head off my cock and kissed her on the mouth. Then I arranged her on her knees, pushing her face into the back of the sofa. I rubbed my cock head up and down her wet pussy a few times and then plunged right in, making her grunt.

Sitting on the edge on the sofa, Victoria rubbed her pussy furiously while watching my cock slide in and out of her daughter’s leaky pussy.

“Spread your daughter’s ass for me,” I said to Victoria as I guided her left hand to Beth’s right ass cheek. “I want to see where I am going next. Beth, don’t you want me to feed your tiny mouth some meat?”

“I sure do,” Beth said. “I am so hungry back there.”

Victoria parted Beth’s ass cheeks and I could see the little puckered asshole winking at me. I dropped a few string-connected balls of spit onto Beth’s pucker and started massaging it with my thumb. As her asshole relaxed little by little, I could feel her pussy spasm around my cock. I suddenly shoved my thumb into her ass. She gasped and both her holes contracted tightly. I pumped my thumb several times in her ass and then took it out. I removed my cock from her pussy and slapped her asshole with it. I dropped a big ball of spit on her asshole and rubbed it with my cock head and then returned my cock to her pussy. I fingered her asshole as I fucked her pussy deeply.

Victoria watched the action closely, her face a few inches away from where my cock and fingers worked. I yanked my cock from Beth's pussy and pushed it toward Victoria as I held the back of her head with my left hand. She opened her mouth in surprise. When she closed it next, my cock was deep inside. I kept holding her head as I thrust in her mouth several times. I pulled out and returned to Beth's pussy. I gave Beth several deep thrusts and then pulled out and knelt on the floor.

Beth's ass was still held open by Victoria. I spitted on the glistening asshole and then pumped my index finger inside. I removed my finger and spitted again on the sticky pucker and then pushed two fingers in. I finger fucked Beth's ass for a few minutes while gently rubbing her clit with the thumb of my free hand. I twisted my fingers within her rectum, thoroughly massaging her anal muscles. I removed my fingers from Beth's ass and brought them to Victoria's mouth. Victoria pulled away so I held the back of her head and pushed my fingers into her mouth. I pumped my fingers in her mouth, making her suck them well. When I next moved my fingers towards Beth's ass they were sticky with Victoria's saliva.

I drooled constantly onto Beth's asshole as I fucked it with two fingers. I pumped two fingers of my free hand into her mom's wet pussy as I licked her own sticky pussy. Victoria squirmed as her pussy milked and drooled on my fingers. Adding a big ball of spit to the plugged asshole, I removed my fingers from Victoria's pussy and pushed them into Beth's ass.

"My wife's horny mother, why don't you get a towel so that you won't soak the sofa with your leaking juices?" I said to Victoria, making her blush.

My wife moaned and grunted as I fucked her ass with four fingers, stretching her asshole wider. I pulled my fingers in opposite directions, making her asshole gape, and spitted directly through the gap.

Victoria spread a towel under her ass and sat down. I removed my fingers from Beth's ass and brought them to Victoria's mouth. She sucked them thoroughly while fingering her pussy. I removed my fingers from her mouth and guided her hands to Beth's ass.

I spitted on Beth's spread asshole and inserted my thumb in. As I pumped my thumb in and out of her ass, I rose behind her and guided my cock into her pussy.

"Play with your clit, baby," I said, holding my cock balls deep inside Beth's pussy. "Come all over my cock."

My cock remained motionless inside Beth's leaky pussy as she fingered her clit and I fingered her ass. She soon started to pant, squeezing her pussy and asshole tightly. Then she let out a loud grunt and started to come, both her holes twitching furiously. I continued to pump her asshole as her pussy gushed copiously onto my cock. I gave her a little time to catch her breath, gently pumping my cock in her drenched pussy.

Removing my dripping cock from Beth's pussy, I spitted on her asshole. I gently pushed the bulbous head into her asshole. She gasped as I made my way into her. Soon, I was taking her ass with hard, deep strokes. She grunted repeatedly, bucking her ass back for more.

"Beth, your mom is helping you get a better fuck," I said. "Why don't you be a good girl and pay her back a little."

"Sure," Beth said as she reached under her mom.

Victoria started to squirm and moan as Beth fingered her pussy. She suddenly she gasped.

"She's fingering my ass," Victoria grunted, bucking her ass back.

"What a naughty girl!" I said. "I wonder whom she's taking after."

"She must be the black sheep of the family," Victoria gasped.

"Or is it the family of black sheep?" I said.

I pushed Victoria's hands away and bent over Beth, taking her breasts in my hands. Victoria went back to diddling her own pussy. The next time I checked on her, she had a hand behind her, apparently working on her ass.

Using one hand on Beth's jiggling tits and the other on her dripping pussy, I deeply fucked her ass in a brisk rhythm. It did not take her long to convulse in my arms, her pussy gushing in my hand. I continued to thrust in her trembling asshole until her spasms died down. Then I let her lick her juices off my hand. I stood upright and thrust in her ass several times before I yanked my cock out with a plop, making her gasp.

Standing up, I held Victoria's head in my hands and guided it to my cock. At first, she was not eager to suck me, but all her resistance vanished as soon as her lips closed around my cock.

"Beth, you need to suck my cock now," I said as I thrust in and out of Victoria's throat.

Beth pulled the towel under her and sat next to her mom. She watched as I fucked her mom's mouth balls deep. Holding each head in one hand, I slowly withdrew my cock from Victoria's mouth and then pushed it toward Beth's. I fucked Beth's throat for a little while and then returned to her mother. I held their heads together and switched my cock from mouth to mouth. Then I let them take turns on my cock.

"Now on your knees on the floor with your faces on the towel," I directed. "Smell your own juices."

Once they got into position, I knelt behind them and started fucking their pussies with two fingers each. Then I moved my wet fingers to their asses. I fucked their assholes and pussies with two fingers each. They both moaned and squirmed. I wiggled my fingers vigorously within them, making them gasp, and then I yanked my fingers out.

They rested for a few seconds and then I suddenly started to spank their asses with hard smacks, making them jump and grunt with every smack. When they started to enjoy the spanking I stopped and knelt behind Beth. I pushed my cock into her pussy and started to fuck. A minute later, I switched my cock to her ass and fucked her deeply as I rhythmically squeezed her jiggling tits.

"Beth, do you mind if I fucked your mom?" I asked.

"No, I'd love that," Beth grunted.

As soon as she said that, I removed my cock from her ass and shoved it into her mom's pussy. Victoria moaned as her drenched pussy milked on my cock. I drilled her pussy hard and fast for a minute and then switched my dripping shaft to her ass. I gently but firmly pushed my cock into her ass, driving it all the way in. I held her tits and started to thrust in her, making her grunt with every thrust.

"Hold hands, little whores," I directed, squeezing Victoria's tits tighter.

They held hands and looked at each other as Victoria continued to shake with every hard thrust. I switched my cock between her pussy and ass several times, getting her asshole soaked with her pussy juices.

"Beth, come hold your mom's ass open for me so that I can fuck her deeper and faster," I said.

Beth complied readily. She sat on the towel next to her mom's face and pulled her mom's ass cheeks apart. Victoria's asshole was utterly exposed as it was pumped deeply by my glistening thick shaft. When I pulled out, Victoria's asshole stayed open. I spitted right into it and then shoved my cock back in. I did that several times. That encouraged Beth to spit inside her mom's asshole the next time I pulled out. She also spitted on my pumping shaft and watched her mom's hole work the spit into foam.

"Make her come," Beth said, looking at me.

"You got that," I said as I grabbed Victoria's hips and started to thrust into her vigorously.

My balls slapped Victoria's dripping pussy repeatedly as we thrust into each other furiously. Two minutes later, Victoria stiffened and started to shake in a gut wrenching orgasm. I wrapped my arms around her and continued to drill her convulsing rectum lustily, fighting to hold back my own orgasm. She finally relaxed in my arms and I slowed down my thrusts within her, matching the rhythm of her panting breath. I planted little kisses all over her face and then we tongue kissed lewdly.

When Victoria recovered, I withdrew my cock slowly out of her, and then tongue kissed her well-fucked asshole. I stood up and moved toward Beth.

"Your mom has a great ass," I said as I pulled Beth's head toward my cock.

Beth opened her mouth and started to suck my cock eagerly. Soon, Victoria sat up next to her daughter. Naturally my cock was soon being traded between their mouths.

"Is it okay if your mom got a taste of my come, Beth?" I asked.

"Sure," Beth said. "But she has to make you hard again because I am not satisfied yet."

"You are being a pig, honey, and you are going to be punished," I said. "She is going to suck me off, and then *you* are going to make me hard so that I can fuck her again. You won't get my cock until you show some good manners. Now go get your vibrator and butt plug from upstairs."

Beth proceeded to comply with my instructions in humility.

"You know sometimes women need to be disciplined," I said to Victoria.

"I know what you mean and I think you are right," she said.

I held the back of her head as I pushed my cock into her mouth and started to fuck her throat.

"Make me come and swallow it all," I urged, thrusting into her eagerly sucking mouth.

She held me by the hips and proceeded to suck me expertly. Soon, my cock was twitching inside her tightly pursed lips and spewing thick come against the back of her zestfully sucking throat. Beth stood to the side watching as her mom drained the last drops of come out of my softening cock. When Victoria set my cock free, it was totally spent.

“Bend over,” I ordered Beth as I took the butt plug from her.

She complied readily.

I spitted on Beth’s asshole and used the tip of the butt plug to spread the spittle over her asshole and then I pushed the plug into her ass. Her sphincter opened easily and took in the plug, closing around the groove in the base.

Moving to Victoria, I pushed her back and raised her legs up over her chest. I took the vibrator from Beth and stroked it in and out of Victoria’s wet pussy several times, getting it slick. Then I gently pushed the vibrator into Victoria’s ass.

“Now you are going to be punished for being rude and insensitive to your mom,” I said to Beth. “You are going to be spanked hard while you eat her out to orgasm. You can only use your mouth. When she starts coming I’ll stop spanking you and you’ll switch the vibrator on and pump it in and out of her ass to enhance her orgasm while you drink every drop of her gushing pussy juice. Get on your knees and let’s start.”

Beth knelt down and started to lick her mom’s splayed pussy. Soon, Victoria was moaning and humping Beth’s face. That was when I gave Beth’s squirming ass its first hard smack. Beth jumped, grunting into her mom’s pussy. Before she recovered from the first smack, I gave her the next and I kept going, pausing for a couple of seconds between each pair of smacks.

“You have to get back to work if you want this to ever stop,” I reminded Beth.

Beth resumed eating her mom’s wet pussy, grunting with every smack. It took Victoria about five minutes to come, costing Beth over fifty smacks for each cheek. Beth’s ass was red and hot all over. As soon as Victoria started to come, I stopped spanking Beth and started to pinch and pull on Victoria’s erect nipples. Beth switched the vibrator on and started thrusting it in her mom’s ass while she faithfully sucked the gushing juices.

Finally Victoria relaxed, but continued to pant for air. Beth licked her mom’s sticky pussy gently while slowly pumping and twisting the vibrator in her ass.

“Now take the vibrator out and eat her ass,” I said to Beth. “Make it ready for my cock. We have to make it up to her.”

I climbed onto the sofa and pushed my partly hard cock into Victoria’s mouth, trapping her legs between mine. I thrust into her mouth as she sucked my hardening cock. When I was fully hard, I cradled her head in my hands and started to fuck her mouth deeply. She made guttural sounds as I repeatedly thrust into her throat. I finally removed my cock from her mouth and slapped her left cheek a few times.

When I climbed down, Beth was tongue fucking her mom’s asshole. I pushed her aside and poised my raging cock over her mom’s glistening pucker.

“Drool on my cock head,” I directed Beth.

She complied.

I pressed my slimy cock head into Victoria’s asshole. The cock head popped in and the shaft started to sink until it was all the way in. I paused a little and then I started to gently saw in and out. I picked up the pace and fucked Victoria’s ass in a brisk rhythm.

“Use the vibrator on her clit and make her come,” I commanded Beth.

Beth switched the vibrator on and started to massage her mom’s clit. Victoria squirmed passionately, her asshole contracting in spasms around my hard pumping shaft. In a couple of minutes, she stiffened and started to shake in orgasm. Her asshole convulsed. I could feel her gushing juices run to where my cock drilled her ass. I squeezed her tits tightly and continued to thrust in her jerking ass.

When Victoria relaxed, I removed my cock from her ass and thrust it into Beth’s mouth. Beth sucked it as I thrust in her mouth. I shoved my cock in Victoria’s drenched pussy. I thrust a few times in her pussy and then returned my cock to Beth’s mouth. I continued to switch my cock between Beth’s mouth and her mom’s pussy and asshole for a while.

“Are you happy now?” I asked Victoria as I ground my cock into her pussy.

“Yes,” she said lowly, all relaxed.

“Do you forgive us for what Beth did?” I asked.

“Yes,” she hissed again.

“I am going to fuck you in the ass while you sixty-nine with her,” I said. “I want both of you to be good to each other. Munch on her horny pussy while she and I make you come in her mouth.”

I pulled Beth to her feet and pushed her onto the sofa. She lay on her back and her mom mounted her in the sixty-nine position. I positioned myself behind Victoria with one knee on the sofa and the other foot on the floor. When I spitted on her relaxed pucker, Beth spread her mom’s ass. I plunged my cock in, making Victoria grunt. I proceeded to fuck her ass deeply and steadily as she and her daughter ate each other’s sticky pussy eagerly.

In a few minutes, Victoria was convulsing as she gushed in her daughter’s thirsty mouth. I continued to drill her twitching asshole until she went limp. Then I pulled my cock out and had Beth suck it.

I sat on the couch across from them and rested for a minute.

“Beth, come sit your ass over here and let’s see if your mom can eat you to orgasm,” I called stroking my cock.

Victoria and Beth got up and walked over to me. I bent Beth over and yanked the butt plug from her ass, making her gasp. Then I helped her sit on my cock. She held my cock upright as I spread her ass for her. Her asshole easily swallowed my cock. I pulled her legs up and placed her feet on the couch on either side of my knees.

“Get down,” I said to Victoria as I held Beth’s ass in my hands and started bouncing it gently. Victoria got on her knees and started to eat Beth’s pussy. I could sense Beth’s response in the way her asshole twitched around my cock. “Remember, no hands.”

Holding Beth’s parted cheeks in my hands I bounced her faster, really working her asshole while her mom feasted on her juicy pussy. Beth was shaking in my hands and her asshole was twitching. She came in her mom’s mouth in two minutes flat. I continued to bounce her as fast as I could until her asshole relaxed. Then I sat her down in my lap, stuffing her ass full of my thick cock.

As Beth sat in my lap, my arms wrapped around her, her mom ate her to another quick orgasm. I could feel her asshole spasm violently around my cock as her orgasm twisted her body.

“Great job, Victoria,” I complimented. “Now you really earned what I have in my balls.”

I helped Beth off my lap and kissed her ass. I moved to Victoria and arranged her on her hands and knees. I knelt behind her and spitted on her asshole and then slid my cock in. I wrapped my arms around her and started to thrust gently into her ass.

“Make me come in your mom’s ass,” I said, looking at Beth.

She knelt behind me and started to jerk the base of my cock while probing my asshole with her tongue. I also could feel her fingers pump her mother’s pussy. I cupped Victoria’s tits and started to knead them and pinch her nipples. Victoria moaned and humped her ass back.

My cock started to swell, getting ready to shoot, as my orgasm approached. Beth worked harder on my asshole, my cock and her mom’s pussy. I stiffened, holding Victoria tighter, and thrust into her ass squeezing Beth’s hand between her mom and me. Beth yanked her hand out and pushed a finger into my ass. My cock started to twitch, spewing thick come deep into Victoria’s bowels. Victoria herself started to come seconds later. Her convulsing rectum milked my cock dry.

We both collapsed to the floor. I kept my cock inside her ass until it got too soft. Then I rolled off her. Beth proceeded to clean my sticky cock with her tongue.

“Beth, I want you to suck my come out of your mom’s ass and feed it all to her,” I said, pushing her head off my cock. “Don’t be a pig; feed it all to her.”

Beth gave me a funny look. I sternly motioned her to get to it. She reluctantly proceeded to do it.

I watched, stroking my soft cock lazily, as my wife spread her mom’s ass and sucked my come out. At first Victoria was stiff, but she relaxed soon and started to push her ass into her daughter’s face. In a minute, Beth was done there. She rolled her mom over and then poised her mouth inches above her mom’s. Victoria opened her mouth and then thick strings of come and saliva started to dribble from Beth’s mouth to her mom’s open mouth. Victoria waited until Beth finished dumping the snowball into her mouth and then she swirled the come before she swallowed it all.

“What a pair of sluts!” I smiled. “Let’s go upstairs; I am sure your greedy holes are still hungry for cock.”

We all climbed the stairs with me cupping an ass in either hand. Beth held the toys.

In the bedroom, both horny ladies attacked my cock orally and it responded. Beth let her mom suck my hard cock and moved over to kiss me.

"Fuck her," Beth whispered as we broke the kiss.

I reached down and pulled Victoria onto my cock. Once she settled down on my cock I pulled her down and started to suck on her tits. She moaned, riding my cock in an easy pace. A little later I could feel fingers moving inside her ass, Beth's. Moments later, she pulled my cock out of her mom's pussy and poised it at her mom's asshole. She spitted on the tip of my cock and then pressed it in.

"Fuck her ass," Beth said as my cock head popped past her mom's sphincter.

I pulled Victoria's ass down my cock and started to fuck her deeply. Beth lay down on her side and joined me in sucking her mom's tits. Victoria moaned and bounced her ass on my cock joyfully. I thrust into her lustily.

I fucked Beth and her mother for a few hours, dumping a come load in a hungry hole or another every hour or so.

Beth and her mom got fucked silly for the following couple of days. We had morning quickies before I left for work and spent the entire evening fucking. Victoria loved the treatment she was getting so much she decided to call her little daughter over and have us seduce her.

When Lisa arrived, I was at work. When I got home, I spent an hour or two without sex and then dragged Beth to the kitchen. Beth was sucking my cock when Lisa walked in on us.

"Sorry," Lisa said in embarrassment and walked away.

"Lisa, wait," called Beth.

Lisa waited but did not look straight at us.

"When you find us having sex while you wander around, feel free to ignore us, watch us or preferably join us," said Beth, stroking my cock with her hand. "If you want to suck cock or get reamed, Nick will be happy to oblige you, right honey?"

"Sure, anytime," I said.

Lisa was obviously shocked to hear that.

"Thanks," she said lowly and then walked away.

"Stay here," Beth said to me as she followed her sister out.

A couple of minutes later, she returned with a blindfold. She blindfolded me and then pulled me out of the kitchen. She had me stand and started to suck my cock. I held her head and started to thrust in her mouth.

"No hands," said Beth, pushing my hand off her head.

She teased my cock almost cruelly with her tongue and lips before she sucked it a little. She continued to pull away for a few seconds and then resume sucking. Beth pulled away and a strange pair of lips closed around my cock. It was obvious those lips were not hers. They were too tentative and clearly not as experienced. My cock twitched.

"Guess who's sucking you," said Beth.

"Is it someone I'd love to fuck?" I said.

"Uh-huh," she replied.

"It has to be sexy Lisa," I said.

"Yes, you're right," she said.

"So, what's my prize?" I said.

"I guess you get to return the favor?" Beth asked. "But you need to come in her mouth first, right, Lisa?"

"I am not sure," Lisa said, pulling back briefly.

"If you keep him hard, you'll be coming on his cock before you know it," Beth said. "Keep sucking him until you can make up your mind. That's all the time you have. You won't be able to think straight once he gets his head between your legs."

"Do I still need this blindfold?" I asked.

"Yes," Beth said. "It may improve your chance of getting rewarded."

Lisa held my cock in her hand and resumed sucking my cock.

“No hands for all,” I said.

She pulled her hand away.

“Since you can’t use your hands anyway,” Beth said, “why don’t you play with your tits or pussy while you suck him?”

Lisa sucked my cock eagerly. I thrust gently into her. A few minutes later, my cock swelled and got ready to come.

“He’s going to come,” said Beth. “Get ready to swallow.”

I came in Lisa’s mouth and she swallowed it all. She licked my cock clean.

Beth nudged my shoulders down, and then pushed my face forward. I was face to face with Lisa’s bare, wet pussy. I inhaled its aroma and then dived tongue-first. Lisa started to twitch and gasp as my tongue touched her pussy. I had just pulled her cheeks apart and stuck my tongue between her pussy lips when Beth yanked the blindfold off my head.

“This is going to help you concentrate on the pleasant sensations,” Beth said as she tied the blindfold around Lisa’s eyes. “Relax and have fun.”

Beth pushed Lisa’s legs over her head. Lisa held her legs back. Beth got under me and took my hardening cock in her mouth. She wanted me to be ready when her sister would be.

“Your sister has a pretty pussy and a gorgeous asshole,” I said. “You were right; if I were hard, I would be thrusting inside her in no time. She’s too tempting to let go.”

Lisa shivered.

From then on, I alternated my tongue between her pussy and her asshole. She moaned whenever I teased her pussy and gasped whenever I teased her asshole. Her pussy leaked and her asshole relaxed. I wanted both holes tonight.

It was not hard to make Lisa come quickly to break the ice. I used her leaking pussy juices to finger her asshole. I made her come another time with one finger pumping her ass. I used two fingers to ream out her asshole while I ate her pussy and lashed her clit through a third orgasm. By then, my cock was rock hard in Beth’s mouth.

Beth got up and motioned me to fuck Lisa. I removed my fingers from Lisa’s asshole and pushed them into her mouth. She hesitated to suck them.

“Suck,” Beth whispered.

While Lisa sucked my fingers, I moved up and Beth guided my cock to Lisa’s wet pussy. She spread Lisa’s pussy with one hand and guided my cock with the other. One gentle thrust sent my cock halfway in. Lisa jumped and shivered.

“No,” Lisa said as I thrust my cock the rest of the way in. “I don’t want to cheat.”

“Just tell your boyfriend you are polygamous,” Beth said. “If he doesn’t like it, dump him and find another. That’s not cheating.”

My thrusting cock did not give Lisa much time to think. She was coming within a minute. I continued to fuck her hard through two consecutive orgasms. I let her rest while thrusting gently within her. When she caught her breath, I resumed drilling her. I fucked her through two more orgasms.

“I told you, once he starts thrusting in you, you’ll be coming not thinking,” Beth said as Lisa panted for air.

I grabbed Lisa, holding her hips tightly against mine and sat in the sofa, taking her astride me. Beth removed Lisa’s blindfold. As Lisa rode me, I drooled in my hand and then slipped two fingers up her ass. I was finger fucking her ass as she came wildly, gushing on my cock. She was bouncing towards her next orgasm when her mother came in, but she did not see her.

“Having fun, Lisa?” Victoria said suddenly.

Lisa froze, but I continued to thrust in her pussy. She tried to dismount me.

“It’s okay, baby,” I assured as I held her tightly, keeping my fingers up her ass. “No one is going to take you off my cock.”

“No one wants to, anyway,” said Victoria. “I just want you to give my little baby a nice hard fuck. Judging by the wetness on your cock and balls, I can tell you are doing very well.”

Lisa was shocked by what had just happened, but she no longer tried to get off me. Victoria sat in the sofa next to us. I resumed bouncing Lisa up and down my cock, and then she picked up the pace on her own. She was coming within a minute as her mother watched. She collapsed on top of me when her orgasm ended. I fucked her gently as she recovered.

"I see that you really enjoy his big cock in your little pussy," Victoria said, leaning towards Lisa. "It's so filling, isn't it?"

Lisa nodded.

"Wait until you try it up the ass," said Victoria, smiling as she left. "I can see he is already readying you for it."

Lisa's pussy and asshole contracted around my cock and fingers, respectively.

"Is he really going to fuck me in the ass?" Lisa asked Beth lowly, her asshole twitching.

"You can ask him," Beth smiled. "It would be too bad if he didn't, but if he did, it would be your lucky day."

"So, you want to know whether I am going to fuck your gorgeous ass?" I teased.

Lisa nodded, her pussy leaking around my cock and her asshole contracted around my fingers. She rode my cock gently.

"Do you want me to?" I teased.

She nodded.

"I am going to fuck your tight little ass and make you come until you can't come anymore," I said, moving my fingers around within her ass. "At the end, I am going to fill it with come, but, first, I am going to fill your pussy with come. Are you ready?"

She nodded, smiling.

I gently arranged her on her back without taking my cock out of her pussy. I braced myself and started to fuck her pussy deeply, gradually increasing my pace. She was heading to a big orgasm and so was I. As soon as she came, my swollen cock started to twitch, spewing thick come deep inside her convulsing pussy.

After her pussy drained my cock, I took it to her mouth. She sucked me clean and then let my cock go. Beth took my soft cock in her mouth and started to suck it. While she did, she used two fingers to scoop my come out of Lisa's pussy and then feed it to her. Lisa was hesitant at first, but her hesitance quickly changed to eagerness. She ate all my come out of her pussy. My cock was already hard in Beth's mouth.

I maneuvered Lisa so that she sat back against the back of the sofa and pulled her legs all the way up and back. I licked her asshole until it started to nibble at my tongue tip. I soaked her asshole with spit and then fingered it with one finger while sucking her clit. I dipped a second finger in her pussy and then pushed it into her asshole. I used both fingers to ream out her asshole, working my drool generously inside. I spent several minutes fingering her asshole and working spit into her rectum. Finally, I squeezed a third finger in.

For the next five minutes, I stretched her asshole and massaged its inside with three fingers, working drool inside continuously. She was ready. Beth sucked my cock, soaking it in her drool and then guided it to her sister's glistening asshole.

"Is it going to fit easily?" Lisa asked in anticipation and concern.

"Making it fit is the hottest part of it all," I said, smiling as I toyed with her clit. "Afterwards, it is merely drilling your ass through orgasm after another until you can't come anymore. When you are satisfied, I am going to fill your ass with come so that your body can absorb it and make you feel like the hot little slut you are."

As I pushed my cock head into her asshole, I teased her clit with my thumb. Beth held her hand. Lisa's asshole took a little coaxing to let my cock head pop in. She grunted softly and her asshole throbbed around my cock. I gave her several seconds to get used to it before I started to thrust my shaft in. She grunted softly with every little thrust as I worked my cock little by little up her rectum. She finally let out a loud grunt as I shoved the last inch of my cock inside, planting my cock all the way up her ass.

Her pussy was drenched. As I paused, I pumped my thumb in and out of her pussy, making her gasp and her asshole twitch. I let her suck my sticky thumb as I thrust gently within her ass. I cupped her tits, capturing her nipples between my fingers, and slightly stepped up my pace. Her asshole milked on my cock, loosening its grip gradually. Within a few minutes, I was able to fuck her ass deeply at a decent pace, kneading her tits in the same rhythm. Beth guided Lisa's hands to her cheeks and had her spread her ass open for me. Lisa moaned, enjoying herself, as I fucked her milking asshole.

Her relaxing asshole could take faster and smoother thrusts. She seemed heading to a hard orgasm. I fucked her faster and harder for a couple of minutes before she started to lose control. As her orgasm hit her, she gasped and convulsed, her asshole twitching around my cock. I drilled her vigorously throughout her orgasm. When her orgasm subsided, she panted for air.

Keeping my cock inside her, I carried her and sat in the sofa. I let her recover as I thrust gently up her ass. She soon started to ride my cock. She bounced energetically as I spread her ass for her.

Victoria came back.

"It's almost too big for her little butt," Beth said to her mother.

"Almost, but not quite," said Victoria. "No cock is too big for my little baby, right, Lisa?"

"It's big," gasped Lisa.

"Believe me, I know exactly how big it is," said Victoria. "It's big but not too big. Spread your ass and let us take a look."

Lisa reached back and pulled her cheeks apart. Victoria held my cock by the base and gently nudged Lisa forward. Lisa leaned forward, letting my cock pop out of her ass.

"It's gaping nicely," commented Victoria as she inspected her daughter's asshole.

Victoria took my cock in her mouth and proceeded to suck it deeply. Meanwhile, Beth spat on her fingers and then pushed three fingers up Lisa's ass, making Lisa moan.

"Her asshole has been reamed out really well," commented Beth as she worked her fingers in and out of her sister's ass.

Victoria deep throat me for a minute, and then pulled back. Beth removed her fingers from Lisa's ass. Victoria spat on the head of my cock and then aimed it at Lisa's open asshole. While Beth had Lisa suck her fingers, Victoria popped my cock up Lisa's ass. Lisa grunted and then started to bounce.

"Her ass can use a nice deep drilling," said Victoria.

"It sure can," said Beth.

"Ride it like a champion, baby," urged Victoria, slapping Lisa on the butt. "You owe it to yourself."

Beth and Victoria sat across from us and watched Lisa's stuffed ass bounce on my hard shaft.

"Give the ladies a good show," I said to Lisa, giving her ass a smart smack that made her jump. "Show them you come from a slutty family."

While I sucked her tits, Lisa bounced her ass through a wild orgasm. I continued to fuck her twitching ass until she resumed riding my cock steadily. She rode me to another orgasm. When she recovered, I arranged her on her hands and knees, and then I drilled her ass from behind to a simultaneous orgasm. As she convulsed, her twitching rectum swallowed a big load of my spewing come. I continued to thrust in her until both our orgasms died out completely.

Getting off the sofa, I let Lisa clean my sticky cock with her mouth. When she was done, I sat back and Beth pounced on my soft cock.

"Now, you can watch me fuck your mom and show you whom you are taking after," I said to Lisa as Beth sucked my cock.

"Do you want to watch your mom get fucked in every hole in her body like a cheap whore?" teased Victoria, smiling at Lisa.

"Yes," nodded Lisa.

"Hang on, baby," smiled Victoria. "Now, watch me suck that cock and make it ready to show me a great time."

Victoria pushed Beth away and pounced on my cock. Beth moved back. She hiked her mother's dress and proceeded to finger her wet pussy.

"Look how wet she is," Beth said, showing two fingers glistening with Victoria's juices.

Beth sucked her fingers and resumed fingering her mom. While Victoria deep throat me, Beth worked her out of her clothes, leaving her stark naked. Victoria moaned and swayed from side to side as she sucked my cock.

"In this household, sex is a team activity," I said to Lisa as I stood behind Victoria. "Get down here and help."

Lisa got on her knees and I thrust my cock in her face. Victoria thrust her ass out, lewdly presenting her pussy and asshole. While Lisa sucked my cock, Beth continued to finger her mother's pussy.

"Guide it into your mother's pussy," I said to Lisa as I knelt behind Victoria.

Lisa guided my cock in, making her mother gasp. I thrust and Victoria fucked back, moaning. Beth guided Lisa's hands to Victoria's cheeks. As Lisa spread her mother's ass open, Beth drooled on her mother's asshole. I popped my thumb into Victoria's drenched asshole, making her gasp. I finger fucked her ass while drilling her pussy through her first orgasm. I swirled my thumb within her asshole as I thrust gently within her while she recovered.

"Suck," I said, pushing Lisa's head down as I pulled my dripping cock out of her mother's pussy.

Victoria continued to moan and squirm as I continued to ream out her asshole with my thumb. I yanked my cock from Lisa's mouth and then shoved it back into Victoria's pussy. I fucked Victoria through another orgasm and then let Beth suck my cock.

While Lisa watched, holding her mother's ass open, I worked two and then three fingers into Victoria's ass, working my drool inside. I finger fucked her butt for a couple of minutes. Meanwhile, Beth stroked my cock with one hand and toyed with her mother's leaky pussy with the other. I removed my fingers from Victoria's asshole and had Lisa suck them thoroughly.

"Make it slick," I said, pulling Lisa's head to my cock.

Lisa soaked my cock in her drool and then let it go.

"Drool on her asshole," I instructed Lisa. "Then guide my cock in."

Lisa drooled on her mother's asshole and then poised my cock at her asshole. Victoria gasped as my cock head touched her horny asshole. Lisa pressed it gently in, popping it past her mother's experienced sphincter. Victoria grunted and started to fuck back, sucking the rest of my cock up her ass.

"I can't believe this thing was all up my ass," commented Lisa as she saw how widely her mother's asshole was stretched out. "I am glad it did not split me in two."

"It can't split you in two unless it is attached to a jerk," gasped Victoria, bucking her ass eagerly.

Lisa watched as I buggered her mother through a wild orgasm. Beth spread her mother's asshole as I withdrew slowly, popping my cock from Victoria's ass. Beth drooled inside her mother's gaping asshole as I pulled Lisa's head to my cock. I let Lisa suck my cock thoroughly before I pushed her off.

"Drool inside," I directed Lisa, pulling her head to her mother's gaping ass.

Lisa drooled though her mother's open asshole and then guided my cock back in. I fucked Victoria through another wild orgasm. While she convulsed, I spewed my come load deep inside her twitching rectum. Beth held her mother's ass open as I pulled out and let Lisa suck my sticky cock clean.

Victoria reached back and dipped two fingers in her come-filled gaping ass. She scooped out a lump of come and then lewdly sucked it off her fingers, looking at Lisa. Lisa did not expect that from her mother.

"Your turn," I said, guiding Lisa's hand to her mother's asshole. "Have a taste."

Lisa tentatively reached inside her mother's ass and scooped out a white lump of come. She licked it off her fingers initially cautiously. Beth also had a taste. Finally, Victoria reached inside her own ass and scooped a big lump, which she savored, moaning happily. I tongue-kissed Victoria's open asshole before I sat in the sofa.

Victoria sucked and licked my cock thoroughly. She led Lisa out while Beth took over sucking my cock. A few minutes later, Beth was enjoying herself immensely, deep throating my cock.

A few minutes later, Victoria came back, pushing Lisa before her.

"She's now ready for serious fucking," Victoria said.

I pulled Lisa astride me. She guided my cock into her pussy and rode it gently. I gave her two fingers to suck and moan around while working her pussy up and down my shaft.

"Now that I have showed you that you are genetically a slut, coming from a family of sluts, I am ready to toy with you like I would with a slut," I said as I removed my fingers from her mouth. I guided my fingers to her ass. I worked one and then both up her hole and started to move them gently within her ass. "That amounts to fucking your ass long and hard enough for you to forget what your pussy was meant for. Are you ready?"

"Yes," she nodded.

Victoria removed my cock from Lisa's pussy. She sucked it and slobbered on it while I reamed out Lisa's asshole with my fingers.

"I'll bugger you while you hug your mom," I said to Lisa while she sucked my fingers.

Victoria sat next to me and then pulled Lisa astride her thighs. Lisa hugged her mom while her mom pulled her cheeks apart. As I got behind Lisa, I dipped two fingers in her pussy and then up her asshole. I pumped her asshole for a few seconds and then brought my fingers to her mouth. Beth guided my cock into her sister's asshole. Lisa moaned around my fingers as my cock slid all the way up her rectum, skewering her ass.

"I'll make you a whore," I said to Lisa, smiling as I started to thrust within her ass.

"You already did," she moaned.

"I am glad to hear that," I said. "But I am not even halfway through with you yet."

While I paused, Victoria fingered Lisa's drenched pussy, making her gasp and milk on my cock.

"You really love it and he hasn't started fucking your ass yet," Victoria said to Lisa.

"She doesn't have a choice," I said. "It's genetically programmed in her system. Sluts are born, not made. They just need the right environment to rise and shine."

"This is the right environment for my slut baby to blossom," said Victoria.

"I am going to keep drilling her rosebud until it blossoms into full bloom and then some," I said as I started to thrust into Lisa's ass.

"I bet you will," smiled Victoria as she spread Lisa's ass.

Lisa continued to gasp and milk on my cock involuntarily as we talked. Grabbing her tits, I drilled her ass through a wild orgasm. She gasped and convulsed, holding her mom tightly. When her orgasm died down, I plopped my cock out of her ass and walked around the sofa. I held the back of her head as I thrust my cock in her face. She opened her mouth and sucked my cock dutifully.

Sitting back in my original seat next to Victoria, I pulled Lisa astride me. Victoria knelt on the floor as Beth sucked my cock, slobbering on it generously. Victoria yanked my cock from Beth's reluctant mouth and popped it up Lisa's asshole. I spread Lisa's cheeks and started to bounce her on my cock.

Lisa had hardly started to ride my cock in a wild rhythm when her mother and sister started to take turns yanking my cock out of her ass, sucking it, spitting on her asshole and then plugging it back. While one tended to my cock, the other fingered Lisa's ass. Lisa got used to those frequent breaks and started to enjoy them. On those occasions, I spread her ass wider and sucked her nipples.

"That's it, girl," urged Victoria. "Loosen up that asshole really well."

"If you spread your ass wide, I'll do that for you," I smiled at Lisa.

Lisa reached back and pulled her cheeks apart. I grabbed her tits and proceeded to drill her ass vigorously while kneading her tits and pulling on her nipples. She rode me like that through two hard orgasms. Then I flipped her onto her back and drilled her ass vigorously until we both came. Her twitching rectum totally drained my balls. Holding her legs up by her ankles, I pulled out from her ass and let her suck my cock.

Victoria guided Lisa's hands to her ass. As Lisa spread her cheeks wide, Victoria dipped two fingers into Lisa's come-filled asshole and scooped a big lump. She brought her fingers to Lisa's mouth. Lisa dropped my cock and sucked the come of her mother's fingers eagerly. Victoria ate another come lump and then fed Beth a third one, practically cleaning out Lisa's rectum.

While I sat back to rest, Victoria pounced on my limp cock and started to suck it. Beth joined in shortly. She licked my balls while her mom sucked my cock. While they continued to play with my hardening cock, the phone bell rang. Lisa handed me the handset and then joined her mother and sister. They continued to work on my cock as I answered the phone.

"Hi, Nick," my sister Alex called on the other end of the line. "How are you?"

"I am doing fine," I said. "What's up, kid?"

"I am free this weekend," she said. "How about it if I came over and spent the weekend with you?"

"Let me check with Beth," I said. "Hold on for a minute."

I muted the phone and looked at Beth.

"It's my sister, Alex," I said. "She wants to spend the weekend with us."

"Why not?" Beth said, palming my balls.

"She would disturb our arrangement, wouldn't she?" I said.

“Nay,” Victoria said, briefly taking her mouth off my cock. “She’s merely going to get herself fucked.”

“She’s my sister,” I said.

“Even your sister can use a good booty camp,” said Victoria. “She’ll love it, just like Lisa.”

“I am not sure,” I said.

“Come on,” said Victoria. “Surely you can find a place for her on your big cock. They can take turns on your cock instead of letting you fuck Lisa’s ass out of commission. We’ll arrange everything.”

“That way they’d tire me out,” I said.

“Yeah, right,” she laughed. “I am sure you’ll fuck them out and come after my ass and Beth’s. By the way, you won’t get enough of her ass over the weekend; have her stay for a week.”

“Okay,” I said, feeling my cock get harder as I involuntarily thought about what my wicked in-laws would have me do to my innocent sister.

“You can come whenever you want,” I said to Alex.

“I’ll come tomorrow evening,” she said.

“Why don’t you stay for the entire week?” I said.

“Sure,” she said. “I’d love to.”

“See you tomorrow,” I said.

“Bye,” she said.

“She’ll be coming tomorrow evening,” I said as I hung up.

“I’ll make sure she does,” laughed Victoria.

“She’ll stay for a week,” I said.

“It’s going to be the happiest week of her life,” Victoria said.

After the three horny sluts got my cock hard again, I arranged them on the floor on their knees in a triangle. I had each one bend over another’s ass, spreading the other’s ass with her hands. Since Lisa had already seen her mother get fucked silly, I had her hold Beth’s ass. I had Beth hold her mother’s ass and had Victoria hold Lisa’s ass, putting Lisa’s least experienced ass in good hands, so to speak. Each one thrust her ass out, spread the ass in her hands open and proceeded to rim the hole. That position had a mouth next to every asshole to provide oral services to that asshole and my cock.

When they started to moan and squirm, I moved in. I started with Lisa’s mouth. I removed my dripping cock from her mouth and stabbed Beth’s pussy with it, making her grunt into her mother’s ass. Beth fucked back and, soon, her juices bathed my cock. I removed my cock from her pussy and pushed it into Lisa’s mouth. Lisa guided my dripping shaft into her sister’s wet asshole. Naturally, I switched my cock several times between her mouth and Beth’s asshole, allowing Lisa to replenish the wet coat of my cock. Beth’s ass gaped so nicely Lisa admired it vocally. When finished with Beth’s ass, I took my cock directly to her mouth before using it on her mother’s ass. I continued like that for a few rounds, paying Lisa’s ass extra attention. By the time I was done with them, I had fucked each of their assholes to a nice wide gape. They knelt next to each other and gathered their faces together as if for a family close-up. When they smiled, I used my big-zoom cock to point and shoot.

Alex arrived before I was home. Beth got her settled in the same room as Lisa. Alex and Lisa were close friends, being about the same age.

“You know, your brother is a super fucker,” Lisa said to Alex.

“How do you know?” Alex asked.

“From firsthand experience,” said Lisa.

“What firsthand experience?” Alex asked totally dumbfounded.

“He fucked me silly,” Lisa said.

“Don’t be ridiculous,” said Alex. “He’s your brother-in-law.”

“I know,” said Lisa. “I didn’t want to do it at first, but I was seduced little by little. It was recreational sex. It does not matter who the partners are as long as they are discriminating horny adults looking for fun.”

“So he cheated on Beth and you cheated on your boyfriend for recreational sex?” Alex asked.

“No, nobody cheated on anybody,” said Lisa. “Actually, Beth was the one who seduced me. I’ll tell my boyfriend that I am not a monogamous girl. If he doesn’t like it, he can go away. I don’t care after I tried Nick.”

“Was he that good?” Alex said.

“Yes and more,” said Lisa. “You got to try him.”

“Lisa, he’s my brother,” Alex said.

“Brother or not, you have a wet tight pussy and he has a big hard cock,” said Lisa. “Once he gets his big cock in you, you’ll only remember that you are a horny girl getting fucked like never before; you’ll be coming like mad.”

“What if he doesn’t want to fuck me?” asked Alex.

“He does,” said Lisa.

“How do you know?” asked Alex.

“You are spending the entire week here and so are my mom and I,” said Lisa. “If he doesn’t fuck you, he can’t fuck us. There is no way he or we can let that happen. He wouldn’t invite you to spend the entire week if he did not intend to fuck you six ways to Sunday.”

“You said your mom too?” asked Alex in disbelief.

“Yes,” said Lisa. “She’s hornier than both of us.”

“Beth doesn’t mind?” Alex asked.

“She is involved in it just like the rest of us,” said Lisa. “Anyway, get ready to be seduced. Get ready for the most unforgettable experience of your life. My pussy is dripping as I think about it. If I were you, my pussy will be dripping too.”

“It is,” hissed Alex.

When I got home, we all went out for dinner and dancing. Victoria chose the outfits for everybody. She and both her daughters wore black velvet long-sleeve crop tops and matching miniskirts, without bras or panties. She chose an equally revealing white velvet outfit for Alex, which consisted of hot pants and a matching tie front top with long sleeves. That was a little too revealing for everybody to wear in public, so Victoria had to do some coaxing to get every girl in her outfit. She also gave them a short introduction on how to put their curves to good use on the dance floor. Naturally, our group turned every male head in the vicinity.

After dinner, we went to a nightclub, where many men attempted to dance with my women. We told them they were all taken. At first, I danced with Beth. Victoria danced with Lisa and Alex, teaching them how to shake their butts. We took the far dark corner of the dance floor. Victoria and the girls hid us from the crowd, allowing my hands to roam freely over Beth’s body. Alex was aware of what I did to Beth.

Beth and Lisa switched places. I danced with Lisa for a while. Alex saw how lewdly we danced. It was then her turn. Having seen what Beth and Lisa had done with me, Alex was a little daring in grinding her body into mine. I guided her hips, but did not feel up her ass as I had done with my previous partners. However, she had her fair share of bumping her crotch and butt into my bulging crotch. Finally, it was Victoria’s turn. She was obviously the wildest of the bunch. She guided my hands to her tits and stroked my boner through my pants.

Our next dance round was wilder. By the time we spent an hour in the nightclub, we all were too hot to trot we practically ran to the car. Lisa pulled Alex away from the group.

“Did you feel how big his boner was?” Lisa asked Alex.

“Yes,” Alex hissed.

“Can you imagine what it can do to your tight ass?” Lisa said.

“I don’t take it up the ass,” said Alex.

“I didn’t either, but now I do and I love it,” said Lisa. “I am sure you will too. You’ll come your ass off. You know, as a matter of fact, now I can’t live without it.”

We put Alex in the passenger seat and Beth drove. I sat in the back between Victoria and Lisa. Alex chatted with Beth while I made out with Victoria and Lisa.

“Let the party begin,” announced Victoria as we entered the house. “Alex, come here.”

“Yes,” said Alex innocently, walking towards Victoria.

"You are the only one wearing white here," Victoria said. "That's because you are the new and innocent one. We are going to play a sexy game; you are going to be blindfolded. As you play, you'll have chances to work your way out of the blindfold. Are you ready?"

"Yes," Alex nodded.

While that happened, I was sitting on the sofa, Lisa in my lap, grinding her ass into my big boner.

Victoria retrieved a white blindfold from her purse and proceeded to blindfold Alex. She turned her around a few times and guided her around before us. Alex walked cautiously. Victoria finally sat her on the loveseat.

"Here, change into these," Victoria said, handing me a short silk robe and matching boxer shorts. "Then sit next to your sister."

I went aside and changed, and then sat next to Alex. My boner made a tent of my boxers.

"Here are the rules," Victoria explained. "Each of my daughters and myself is going to do something sexy to Nick and then sit on the sofa. We'll do the same exact thing. After you guess what it was, you have to take off our tops one by one. If you guess right, you can keep yours. Otherwise, you have to take off your top. We'll take another turn where Nick will do something sexy to each of us. After you make your guess, you have to take off our skirts. If you guess right, you can take off your blindfold; otherwise, you have to get your hands tied behind your back."

"Okay," nodded Alex.

"Great," said Victoria. "I'll start."

Victoria went down on her knees and fished out my hard cock and balls. She kissed and licked my balls thoroughly. She spent a minute or two before returning to her seat. Beth followed and finally Lisa.

"What's your guess?" asked Victoria.

"You were kissing," Alex said.

"Sorry, wrong," Victoria said. "We licked his balls. Now take off our tops."

Alex walked very cautiously to the opposite sofa. She started with Beth.

"Touch our tits to make sure they are bare," Victoria said as Alex set Beth's tits free.

Alex moved to Victoria and then Lisa, making sure their tits were bare. She returned to her seat.

"Now, take off yours," Victoria instructed. Alex hesitated. "Don't be shy; we are all topless."

Alex hesitantly took off her top, setting her fine tits free.

"Now, it's Nick's turn to do something to us," said Victoria getting on her knees.

Victoria rested her chest on the sofa and so did her daughters. They reached back and spread their asses. I knelt behind Victoria and rimmed her ass for a minute. By the time I finished with her ass, her asshole was nibbling my tongue tip. I did the same to Beth and Lisa, and then returned to my seat.

"What's your guess?" called Victoria.

"He kissed your breasts?" said Alex.

"No, sorry," said Victoria. "He licked our rear holes. Now, your hands have to be tied, but first you need to take off our skirts. Make sure we are stark naked when you do."

Alex proceeded to take off their skirts, starting with Beth and ending with Lisa. Each one would stand and then Alex would let her step out of her skirt. Alex then would trace her subject's sides to make sure she was naked.

With the three women totally naked, Victoria retrieved a white silk belt from her purse and then led Alex to the center of the room. She had Alex spread her feet and then tied her hands behind her back securely.

"Thrust out your lovely tits and hot ass," said Victoria as she pushed Alex's shoulders back and her lower back forward. "You are going to be teased before you get another chance."

Victoria motioned me to sit between Beth and Lisa. As soon as I did, Beth and Lisa guided my hands to their bare pussies and started to stroke my boner through my boxers.

Alex was facing us, Victoria standing behind her. Victoria started to run her fingertips up and down Alex's back, tickling and teasing her. Alex started to gasp. Victoria started to tickle Alex's sides and then belly. In a few minutes, Alex's skin was full of goose bumps and her nipples were standing out. Victoria tickled Alex's tits, avoiding her stiff nipples. She continued to tickle Alex's bare skin all over, but concentrating on her tits.

Victoria beckoned both her daughters. I had to take my fingers out of their wet pussies and then suck them. Beth and Lisa stood before Alex. Victoria motioned them to suck Alex's nipples. She resumed tickling shivering Alex's

skin. Alex gasped sharply when she felt a pair of lips close around each of her erect nipples at the same time. She gasped and shivered constantly as her nipples got sucked and her skin got tickled. She started to moan softly.

Victoria knelt down and proceeded to tickle Alex's legs, concentrating on the backs and inner sides. Beth and Alex each held a tit, sucking and licking like there was no tomorrow. I stroked my cock slowly, enjoying the show. Victoria's wicked fingertips tickled the bare parts of Alex's ass cheeks and reached within two inches of her crotch. Alex moaned and squirmed. She could hardly stand under all the stimulation her innocent body was getting.

Victoria beckoned me to her. She had me kneel behind Alex and guided my hands to Alex's ass. I started to feel up and knead Alex's ass through her hot pants. Victoria stood aside and watched. I took my time, stroking and enjoying my excited sister's tight ass. Alex humped back, pushing her ass into my hands.

As I massaged Alex's ass, I let my thumbs move closer to her crack. Soon, I was tracing her ass crack up and down with my thumbs. I placed my thumbs against her pussy and she started to hump them. I massaged her pussy through her hot pants. She ground her pussy against my thumbs lustfully.

Seeing that, Victoria nudged Alex's shoulders down. Alex went down to her knees. Victoria pushed her further down, making her squat. I reached between her legs and proceeded to squeeze and massage her pussy through her hot pants. Victoria pushed her daughters away and knelt before Alex.

"Open wide, Alex," Victoria instructed.

When Alex opened her mouth wide, Victoria held her right tit in her hand and pushed it into Alex's mouth, but without letting it touch Alex's lips.

"Close your lips gently," Victoria said. Alex complied. "Suck."

Alex sucked Victoria's nipple for a while as I massaged her heated pussy. Victoria pulled her tit out.

"Open wide," Victoria said as she pushed her left tit into Alex's face. "Close gently and suck."

While Alex sucked Victoria's tit, I reached up and held her tits. I fondled her tits and teased her nipples, making her gasp and moan over Victoria's tit. While holding Alex's head to her tit, Victoria motioned me to stand up and move closer to her. She fished out my cock and stroked it to full hardness.

"Open wide," Victoria instructed as she guided me to stand before Alex.

Victoria guided my hard shaft into Alex's open mouth without letting it touch her lips.

"Now suck," directed Victoria, reaching for Alex's pussy.

Alex was surprised as she closed her lips around my cock, but that did not make her hesitate much, especially that Victoria was massaging her pussy. Alex started to suck my cock, moving her head back and forth.

"Don't move your head," Victoria instructed. "Just suck while your horny brother fucks your sweet mouth."

Alex stopped moving and I proceeded to thrust gently, working half my shaft in and out of her eager mouth. While Alex sucked my cock, Victoria started to pull her hot pants down. Alex got on her knees, cooperating to get her shorts off. She was still wearing a white silk thong. Victoria took it off and handed it to me. I inspected it and found the wet crotch. I smelled it and then sucked it before I tossed the panty aside. I held Alex's head and worked it back and forth over my cock. Finally, Victoria pushed me away. She drooled on Alex's stiff nipples and used my cock head to rub her spit in.

"Now, your friend is going to get fucked," announced Victoria. "Spread your knees and get ready to hold her."

Lisa knelt before Alex and they held each other. I knelt behind Lisa and guided my cock into her pussy. She started to moan and fuck back, shaking Alex with her. Alex held her with her hands still tied as she moaned and gasped her way to a squealing orgasm. Victoria pulled us apart and motioned me to stick my cock in Alex's mouth.

"Open wide, Alex," Victoria said. I pushed my dripping cock into Alex's mouth. Victoria reached between Alex's legs and proceeded to finger her pussy, making her gasp. "Now, suck."

Alex was surprised by the strange taste, but she sucked eagerly. I thrust gently into her mouth.

"Enough," Victoria instructed, pushing me back.

She motioned me to lie under Alex. She motioned Lisa to straddle me and hug Alex. As Lisa started to ride me, I raised my head and licked Alex's wet pussy. Alex gasped sharply and shivered. I continued to lick her gently, slurping her leaky juices. Lisa came on my cock and continued to bounce. Poor Alex needed to come. When she was too close to orgasm, I pulled her cheeks apart and licked her asshole. She was coming wildly in less than a minute. As she recovered, I lapped up her copious juices. Lisa moaned and squealed in Alex's ear through two more orgasms while I continued to lick Alex's pussy and asshole, driving her crazy.

Victoria arranged Lisa on her knees, bending over the sofa.

"Now, your brother is going to prepare your friend's ass for his cock," Victoria said, guiding Alex's hands to Lisa's cheeks. "Spread her ass open for him."

I knelt behind Lisa and proceeded to lick her asshole. She moaned and gasped, pushing her ass back into me. Her asshole was soon sucking at my tongue. I wetted one finger in Alex's mouth and then pushed it into Lisa's ass. I repeated that and pushed two fingers up Lisa's ass.

"Don't feel jealous," Victoria said, fingering Alex's pussy. "Your turn is coming up very soon." Alex shuddered. "Every female hole in this room is going to get its fill of Nick's cock, especially yours."

By that time, I had been working three fingers in and out of Lisa's ass. Victoria pointed at Alex's mouth. I pushed my cock into it.

"Suck it," Victoria directed. "Make your brother's big cock slick and ready for your friend's horny ass."

Alex sucked Lisa's dry juices off my cock and coated my cock with her saliva.

Lisa moaned as I slipped my cock balls deep up her ass. Alex held her ass open. I held her hips and proceeded to thrust in her ass, making her gasp and shake. Soon, my cock was pumping smoothly and deeply at a brisk pace.

"Feel how wet her empty pussy is while her asshole gets fucked silly," Victoria said, guiding Alex's right hand to Lisa's dripping pussy. Victoria was still fingering Alex's hot pussy. "That's how wet you will be when you try it."

Poor Alex shuddered. She had been teased for over an hour, coming only once: on my tongue. Victoria removed her dripping fingers from Alex's pussy and let me suck them. She put them back in and continued to finger Alex while Lisa came twice in Alex's hand.

While thrusting gently in Lisa's ass, I pulled Alex's hand and sucked her sticky fingers clean. I finally plopped my cock out of Lisa's ass. Her gaping hole took several seconds to close. I lapped up her copious juices and then took my cock to Alex's mouth. Wicked Victoria pinched Alex's nose shut after she exhaled. As Alex opened her mouth wide and gasped sharply, I pushed my cock in. Victoria let go of Alex's nose. Alex closed her mouth and proceeded to suck me. Victoria continued to toy with her aching pussy.

Holding the back of Alex's head in my hand, I proceeded to fuck her mouth, feeling my cock swell as my come got ready to burst. I stiffened and let my cock twitch, spewing a big come load down Alex's throat. The poor girl almost gagged, but swallowed it all. I let her suck my cock dry before I pulled out.

"In case you didn't notice, your brother has just shot a big come load in your mouth and you swallowed it all," teased Victoria. "You did a good job. You only have two more holes for him to fill with come."

Alex shuddered.

Victoria sat Alex back in the sofa and pushed her legs back over her head. Beth and Lisa held Alex's legs up by the ankles. That position totally exposed Alex's dripping pussy and tight asshole. Victoria motioned me to eat Alex. While I did, she lay between my knees and sucked my cock back to life. I occasionally licked Alex's asshole, making her gasp and making her asshole twitch. I soaked her pucker with drool and wormed a finger in.

By the time my cock was rock hard, Alex had come in my mouth twice while I finger fucked her ass. I lowered her legs and mounted her chest, pushing my cock into her mouth. As she sucked me, I fucked her mouth gently. Meanwhile, Victoria reached under Alex and untied her hands.

"When you come three more times, I'll remove your blindfold," Victoria said.

I removed my cock from Alex's mouth and laid it between her tits. She squeezed her tits around my cock and I fucked them for a couple of minutes. I dismounted her and sucked her tits for a few minutes as I fingered her pussy.

Victoria guided me to sit next to Alex. While holding my cock head against my stomach, she guided Alex to straddle me. She started Alex sliding her pussy up and down the underside of my cock. I held Alex's hips and rocked her back and forth until she came, soaking my shaft. I continued to rock her gently as she recovered.

"All you have to do is to swallow his cock into your cock hungry pussy and start coming," Victoria said, making Alex gasp. "Though, since he's your brother I will understand if you are not ready for it yet. You can skip that and go directly to ass fucking. I recommend that you ride it in your pussy through a few orgasms before you stuff it up your tight ass and start coming like you have never come before. It's your choice."

Alex leaked freely on my cock as she listened to Victoria's wicked talk. I continued to slide her along my shaft as she thought about it. She suddenly reached underneath herself and guided my cock head to her pussy hole. She gasped as she lowered herself on it, sucking it all the way in.

“Good choice,” commented Victoria as I started to bounce Alex on my cock. “Stuff that hot little pussy and ride that big hard cock.”

Alex had a wild orgasm in less than a minute. I let her suck on two fingers while she recovered. I teased her asshole, making her pussy contract around my cock. I pushed a slick finger up her ass and resumed bouncing her. She rode me while I finger fucked her asshole. She came within a few minutes. As she recovered, we kissed, letting our tongues play together and explore each other’s mouth. We were still kissing when Victoria removed Alex’s blindfold. We broke the kiss and smiled at each other. She looked around to see our naked partners.

“Welcome to the club,” smiled Victoria.

Alex and I resumed our kiss. She started to bounce on my cock before we broke the kiss.

Victoria removed my finger from Alex’s ass. She drooled into her hand and slapped her spit on Alex’s pucker. I soaked my fingers in Victoria’s spit and then pushed two fingers up Alex’s ass. Alex came on my cock quickly as I reamed out her asshole with two fingers. I continued to finger her asshole through two more orgasms.

It was about time I came in her pussy. I flipped her onto her back, capturing her legs under my shoulders. I drilled her drenched pussy vigorously. When she started coming, I let go, flooding her pussy with a load of my come. I continued to thrust in her until her twitching pussy drained my balls.

When I pulled my cock out, Lisa pounced on it and Victoria pounced on Alex’s come filled pussy. Victoria sucked my come out of Alex’s pussy and then passed it to Beth. Beth passed it to Lisa, who had finished cleaning my cock. Victoria signaled Alex to open her mouth. Lisa dribbled all the come into Alex’s open mouth.

“Swallow it all,” Victoria instructed.

Alex complied obediently.

I sat back and my four women proceeded to suck my cock back to full hardness, sharing my cock and balls whenever possible.

“Now, we need to get your ass ready for it,” Victoria said to Alex.

Alex got on her hands and knees, thrusting her ass out. Victoria pushed her shoulders down, letting her rest her head and chest on the floor. She guided Alex’s hands to spread her own ass open. I bent over and proceeded to feast on my sister’s lovely rosebud.

Enjoying Alex’s gasps and moans, I licked her twitching asshole, occasionally lapping her leaky pussy. She had not been used to getting her asshole eaten, but she was soon pushing her ass back like her life depended on it. Her asshole continued to relax until I was able to tongue fuck it and drool inside it. I occasionally used my fingers to stretch her asshole wider before sliding my tongue back in. I used two and then three fingers to fuck her ass while using two fingers on her drenched pussy. I switched my fingers several times, working her juices inside her ass.

Fifteen minutes later, Alex was ready and wanting. I flipped her onto her back and pushed her legs over her head. I dipped my cock in her pussy and thrust several times, getting my cock soaked in her juices. I drooled on her asshole and guided my cock to her relaxed pucker. I gave her asshole time to dilate and suck my cock in. She gasped when my cock head slid in. We smiled at each other as I gave her a few seconds to get used to it before I gently pushed the rest of my shaft in. Two minutes later, I was balls deep up her ass. I paused and we kissed feverishly.

“Wow!” exclaimed Lisa. “It’s stretching her asshole so widely.”

“That’s how it stretches yours when it’s up you,” said Victoria, fingering Alex’s pussy. “Besides, this could be her first time with a real cock up her tight ass.”

Alex’s asshole milked my cock as Victoria teased her clit.

“How does it feel, Alex?” asked Victoria.

“I feel so full,” Alex gasped.

“So full and slutty?” Victoria said.

“Yes,” Alex nodded.

“That’s what it’s all about,” said Victoria, pumping a finger within Alex’s leaky pussy. “That and the wild orgasms you’ll have once your big brother starts drilling his little sister’s horny little ass.”

Victoria removed her dripping finger from Alex’s pussy and showed it to her.

“Can you see how wet you are already and he hasn’t even started fucking your ass?” said Victoria, waving her finger before Alex’s eyes. “Suck it.”

Alex sucked her juices off Victoria’s finger obediently.

“How does it feel, Nick?” Victoria asked.

“It feels so tight,” I said.

“Fuck your new slut’s ass, baby,” she said. “Fuck her tight asshole loose; make her a real slut.”

Alex’s asshole continued to contract and twitch around my cock as Victoria fingered her pussy. I proceeded to fuck Alex’s ass gently as Lisa held her hand. In a few minutes, Alex’s ass got used to my cock. Victoria removed her sticky fingers from Alex’s pussy and sucked them. I proceeded to fuck Alex harder, making her moan with every thrust. Her asshole milked my cock lovingly. Soon, our flesh was slapping audibly as we thrust into each other wildly. A few minutes later, she was coming, squealing and gasping. Her asshole twitched around my pumping shaft. I drilled her ass hard until her orgasm subsided. While she recovered, I fucked her gently.

Alex pulled me to her, and we kissed. I slowly pulled my cock from her ass, leaving her with a little plop. As she watched, I brought my cock to Victoria’s mouth. Victoria sucked my cock eagerly, soaking it in her drool. I returned my cock to Alex’s ass and proceeded to fuck her through another orgasm.

When she recovered, I pulled my cock out of her ass and brought it to her own mouth. She sucked it eagerly. I sat in the sofa and had her straddle me. She lowered her ass on my cock and started riding. The others interrupted us a few times to suck my cock and then put it back in. Alex rode me through a wild orgasm while I sucked her tits.

We had Alex sit back in the sofa, her legs pulled over her head by Lisa. I pushed my cock up Alex’s ass and fucked her to orgasm. While she came, I dumped my third load deep inside her twitching rectum. When I pulled out, Victoria sucked my cock while fingering Alex’s ass.

Victoria removed her sticky fingers from Alex’s ass and sucked the come off them. Beth dipped a finger in Alex’s ass for another taste, and finally Lisa did the same. I pushed two fingers up Alex’s ass and scooped a lump of come that I fed to her. She sucked my fingers eagerly.

Now that every hole in Alex’s body got fucked and sucked a come load from my cock, I let the four horny sluts share my cock. Alex watched as I fucked Victoria and her daughters in every hole in their bodies. I fucked her too. She spit and drooled in their open assholes and they drooled in hers. She also got to suck my come load out of Victoria’s ass and pass it to Beth. Beth passed it to Lisa, who dribbled it in her mother’s open mouth. Before we called it a night, Alex participated in passing my come around after I came inside each of Beth’s and Lisa’s asses.

By the end of the weekend, Alex’s ass was well used to my cock. She had a lovely gaping asshole that is a real come sucker just like the others. She could hardly get enough of my cock. I spent the next week through the weekend feeding my sluts’ hungry holes hard cock and hot come. As Victoria promised, Alex really loved it.

After helping Alex turn into a real slut, I started to debate whether we should invite mom for a long happy visit. After all, Beth and my mother’s should get to know each other.

My wife’s mother was too sexy to be my mother-in-law. When she visited us, she was outrageous and somewhat slutty. When I dared her to be a real slut, she took me on. Beth was very considerate and even encouraging. Victoria thought that her little daughter can also enjoy our new environment, but she did not stop at that.
