

Nightingale Classics 2013

Please read [disclaimer](#) and [summary](#) at the end of document

Beth and I met at school. She was almost twenty. I liked her so much I accepted her reluctance to having sex. She wanted to know me well before going to bed with me. She was great out of bed. Several weeks later, it was her birthday. We had a great time dining and dancing. When I walked her home, I expected the usual goodnight kiss, but I was pleasantly surprised that she invited me in.

That was when I discovered she was a complete virgin. On our first night, I had her squirming with my tongue squirming between her cheeks before I had her pussy gush in my mouth. On that night, she lost her oral and vaginal virginities, and either cavity had more than its fill of my accumulated come. On our second weekend together, she did not resist as I arranged her on her forearms and knees and proceeded to prepare her virgin ass for my cock. Ready and eager as she was, she was still a little nervous as my bulbous cock head touched her timid albeit relaxed pucker. A couple of minutes later, she found out that her apprehension was unwarranted. Several minutes later, she was gasping and convulsing as our first ass fuck was crowned with the most violent orgasm she had ever had. I liked her ass so much she could hardly walk after we were done. Her virginal anal tightness was lost forever.

Less than an hour later, she sucked my cock to full hardness and shyly thrust her ass my way in a silent but clear invitation. That was when our textbook anal love story started.

Presents

A Nightingale Classic Love and Marriage

It was during a break in sex that she introduced me to her family, including her little sister Lisa, who was around sixteen years of age. From then on, I visited Beth at her home. Lisa and I became friends. She took to sitting in my lap, wearing short and flimsy clothes. Since I was not made of steel except for my cock, I softened and my cock hardened embarrassingly. The wicked wench surely took note of that but did not let on. She enjoyed sitting in my lap and squirmed enough to keep my cock hard. Beth did not seem to notice. Lisa started to confide in me about her relationships with her boyfriends, and she soon was asking me about sex. I answered honestly, and our friendship deepened until she asked me for a crazy favor.

“Nick, would you do me a favor?” she asked.

“Sure,” I said.

“Would you, please help me with oral sex and let me practice on you?” she cooed shyly.

The shock kept me silent for a minute.

“I really want to help, but for many reasons I can’t do that,” I said.

“I thought you were my friend,” she said angrily, jumping off my lap and storming out of the room.

That happened while Beth got ready for our date. A few minutes later, she came down disappointed.

“What did you do to my little sister?” she asked angrily. “Why did you make her mad?”

“She asked me to do something for her that I could not possibly do,” I said.

“Nick, Lisa’s my only sister,” she said. “I’d do anything for her. Treat her as you treat me if not better.”

“But she was...” I said.

“No buts, Nick,” she interrupted. “If you can’t get along with her, maybe we shouldn’t be together.”

“Even if she...” I started to say.

“Yes,” she said. “She’s sixteen tomorrow. Please make her happy on her birthday at any cost.”

That Wednesday night Beth was not in the mood for sex because her sister was unhappy although I promised to make her happy no matter what it took. The fact that I talked to Lisa, and she was happy again did not help.

SEX IN THE AIR

On Thursday I picked Lisa up late in the afternoon for a special birthday celebration. I was dressed well. She was gorgeous, dressed as if she was going to the prom. I smiled and let out a wolf whistle, making her blush.

“I hope Beth does not get jealous,” I said, smiling.

“Don’t worry,” said Beth. “Tonight you are all hers. Show her the best time you possibly can.”

“I am sure her boyfriend wouldn’t be that considerate,” I said.

“She’s my sister,” she said. “I care about her more than he does, and what he doesn’t know won’t hurt him.”

“I hope what he may know won’t hurt him either,” I said.

“Let me take a few pictures of you and my innocent little sister before you take her out,” she said.

Lisa and I happily posed for a few pictures. She would never forget that night. It was on me to make sure that she remembered it with her biggest smile.

We went for an early and light dinner at a nice restaurant. I showered her with compliments on our way to the restaurant. When the waitress brought us our drinks and took the rest of our order, I started my assault.

“As I expected,” I said, “I am with the prettiest young woman here.”

She blushed.

“Tonight’s going to be a very special night for you—and me,” I said. “It is going to be wilder than your wildest dreams. Are you ready to have more fun than you have ever dreamed possible?”

“Yes,” she said in anticipation.

“I’m sure you are,” I said. “Are you wearing a bra and panties?”

“Yes,” she hissed, nodding.

“Wear these instead,” I instructed handing her a packaged pair of white fishnet thigh-highs. “Go to the restroom and change. Shove your bra and panties in your purse. You are sixteen tonight; you are no longer a girl. You are a young woman. I want you to act and feel like one. Let yourself go.”

She thought it over for a few seconds and then proceeded to carry out my instructions. A couple of minutes later, she returned, trembling in excitement. She looked very sexy.

As soon as she sat down, I took her purse and looked inside it, finding her lacy bra and thong panty.

“What a sexy choice!” I said. She blushed. “You are a hot young woman. You look much sexier now though.”

Throughout dinner, I continued to feed her compliments. Once done, I took her to my apartment, where we started by dancing slow. I constantly whispered sexy words to her. I wrapped my arms around her waist, and we danced properly throughout the first song. When I lowered my hands to her ass, she trembled. By the end of the second song, we were grinding our crotches together as her tits flattened against my chest. Her stiff nipples pushed into my chest. During the next, I felt up her ass thoroughly. Soon my fingers were tracing her ass crack while she laid her head against my shoulder, molding her body to mine. We separated at the end of the song.

“Change into this,” I said, handing her a packaged outfit.

The outfit consisted of two identical articles in white. Each article would fit as a loose miniskirt or a top. In her new outfit, she was covered, but her body was fully accessible. She came back, looking giddy with anticipation albeit a little self-conscious.

“You are beautiful,” I said. “Sit on your heels right here.”

When she sat down, I pulled her knees apart.

“Close your eyes,” I instructed, kneeling behind her. “Don’t open your eyes until I tell you to.”

She complied readily.

“Let me make sure you are not wearing anything underneath,” I said as I pushed my hands up her skirt and spread her ass and brushed my fingertips over her pussy and asshole to make sure she was ready.

She gasped when I tickled her leaky pussy. Outlined with her thin top, her nipples were obviously erect. I reached up her top and gave her tits a gentle squeeze, pinching her nipples anyway. She gasped softly.

“You are a little excited,” I said lowly.

“Yes,” she hissed, trembling.

“Good girl,” I said. “Don’t get wet too quickly though. Remember that you are not wearing any panties. I don’t want your sweet honey to drip onto the carpet and go to waste.”

She trembled again.

While she sat there, I changed into a silk robe and brought a honey jar, a dessert plate with three seedless cherries in it and a small spoon. I also brought my high quality anal lube and placed it on the coffee table.

“I am placing a plate right underneath you,” I said as I put the plate under her crotch. “You’ll like it more if you save your honey for later, but don’t feel bad if you get too wet and your honey drips. It wouldn’t go to waste.”

She trembled.

“Now open your mouth and stick your tongue out,” I said. “Do not pull your tongue back or close your mouth unless I tell you to.”

She opened her mouth and stuck her tongue out. I dribbled some honey onto the bed of her tongue. I closed my lips over her tongue and sucked the honey off. I repeated that a few times.

“Eat it slowly,” I said as I dribbled more honey onto her tongue.

She did.

She stuck her tongue out again, and I took a cherry out of the plate, dipped it in honey and laid it on her tongue.

“Eat again,” I said.

She ate the cherry slowly. I repeated that with the other two cherries.

“Open wide again and stick your tongue out,” I said as I dipped my cock head in honey.

As she complied, I stood up and brought my hard cock to her mouth. I lightly brushed my cock head against and around her tongue tip.

“Suck it off your tongue,” I said, pulling back.

While she did, I dipped my cock head in honey again and brought it to her mouth.

“Stick your tongue out and lick what’s presented to you clean,” I said, holding my cock head a fraction of an inch off her lips.

She thoroughly licked the honey off my cock head.

“Good,” I said, dipping my cock head in honey again. “Now open wide.”

As she opened her mouth, I maneuvered my cock head past her lips, without touching her lips.

“Close your lips gently and suck while swabbing with your tongue,” I instructed. “Don’t move your head.”

She closed her lips around my cock head and started to suck, lightly at first. I could feel her tongue licking my cock head while she sucked. My cock throbbed and leaked in her mouth.

“We’ll do that again,” I said, dipping my cock halfway in honey.

When she opened her mouth, I stuck my cock halfway in her mouth. Due to the thickness of my cock, the underside of my cock head tickled her tongue.

“Suck and don’t move,” I instructed.

She sucked my cock hungrily.

“Don’t move your head,” I said as I thrust gently in her mouth.

As she held her head still for me, I fucked her mouth slowly, pulling my cock almost all the way out and then pushing it halfway in. She was very eager to suck and did not show any discomfort. I let her suck my cock for a few minutes before I let it pop out of her mouth.

“Did you like sucking my big juicy cock, Lisa baby?” I asked softly, brushing my cock lightly over her face.

“Yes,” she said.

“You are a good girl,” I said. “You look so lovely with your lips stretched wide around my fat cock. I loved what your hot little mouth did to me too. Did you like the way I fucked your mouth?”

“Yes,” she said.

“You are a cock lover, aren’t you?” I teased.

“Yes,” she hissed.

“We’ll do it once more,” I said, dipping my cock all the way in honey.

She opened her mouth, and I stuck my cock half way in. As she sucked, I held her head and thrust deeper, fucking her mouth with the rest of my cock. I increased the depth gradually, stretching her limit slowly. Within several minutes, the little slut took my cock all the way down her throat again and again.

“Lisa, I am impressed by your talent,” I said, letting her head go. “You can open your eyes and move your head now. Suck my big cock, you hot little cocksucker.”

She looked up at me as she worked her lips back and forth over the entire length of my shaft. I smiled at her, gently thrusting in her mouth.

“Slobber all over it and then suck your drool off,” I instructed. “You’ll attend your birthday party after the best sex anyone attending your party has ever had including your mom and sister. Wouldn’t you like that?”

She moaned affirmatively, trembling.

She eagerly sucked my cock for several minutes, getting comfortable with it, and it freely leaked in her mouth.

“Not only am I going to let you suck my big juicy cock all you want, but I am also going to let you make me come in your mouth,” I said, pulling my cock out of her mouth and slapping her face gently with it. “You’ll get to taste my hot, thick creamy come and swallow a big come load. Would you like that?”

“Yes,” she said excitedly.

“You’ve really earned that, you sexy little whore,” I said, pulling her up to her feet. “First I want to acquaint myself with your lovely tits. Do you want me to play with them?”

“Yes,” she smiled as I held her ass and squeezed it gently.

When I grabbed her and kissed her deeply, she kissed back instinctively.

“I like kissing a pair of cock loving lips,” I said, breaking the kiss. “If you are a good girl, I’ll make you my whore. Do you want to be my dirty little whore, Lisa?”

“Yes,” she hissed, trembling.

“Are you in love with my big cock?” I teased.

“Yes,” she hissed.

Sitting down on the sofa, I pulled her astride me.

“I want you to lay your pussy against the underside of the big cock you are in love with,” I said, pulling my cock back by the head. “Use my cock like a rail, and slide your horny little pussy back and forth along it.”

She adjusted her position and rocked her wet pussy along my shaft. I grabbed her bare ass under her little skirt and paced her. She moaned softly.

“Does it feel good?” I asked.

“Yes,” she hissed.

“Your little pussy’s soaked,” I smiled. “You are becoming a hot little slut quickly.”

She blushed.

“Your pussy can leak honey as much as it likes because you are going to suck my cock clean,” I said.

As she took over the rhythm, I slid my hands up her top and started to knead her tits and tickle her erect nipples. She moaned appreciatively. She cooperated as I pulled her top up over her head.

“You have fine ripe tits,” I complimented as I put the top aside. “Are you going to let me fuck them?”

“Yes,” she hissed.

“You want me to come all over them like dirty whores?” I teased.

“Yes,” she hissed, her pussy gushing fresh juices.

“You are a dirty girl,” I smiled. “You are dirtier than Beth. I like you so much.”

She trembled.

Returning my hands to her ass, I captured a sweet nipple between my lips. She gasped as I sucked it gently. While sucking and licking her happy nipple, I spread and kneaded her ass, working my way slowly toward her asshole. By the time I switched my mouth to her other nipple, my fingers were very close to her asshole. While sucking her nipple, I tickled her asshole, making her gasp and tremble. I synchronized my teasing of her asshole with her thrusts against my cock. She soon was enjoying my fingers on her asshole.

“Do you want to suck my cock and make it feel good until it starts to twitch and spew its thick creamy come in your hot mouth?” I teased. “Are you ready to be my hot little come slut?”

“Yes,” she hissed.

“When that happens, I don’t want you to swallow my come right away,” I said. “Swirl it around in your mouth and taste it well, so you can acquire the taste quickly and get to enjoy it. I want you to enjoy being my come slut.”

“Okay,” she said. “I am sure I am going to love your come like I love your big cock.”

“Come for me first, baby,” I whispered. “Grind your hot pussy harder into my big hard cock, you hot little slut.”

She rocked harder, losing control quickly. I held her ass and pulled her harder into me. She soon gasped and stiffened. She convulsed in my arms, her twitching pussy bathing my cock in her juices. I rocked her trembling frame gently until she recovered.

“Did you enjoy coming for me, you dirty little whore?” I teased lowly.

“Yes,” she gasped.

“I am going to keep you coming until you can’t come anymore,” I said. “Next time I am going to make you come on my tongue. I want to taste your sweet little pussy juices. Do you want me to?”

“Yes,” she gasped.

A minute later, I helped her get off me and onto her knees. I thrust my cock in her face and watched her suck it eagerly. I let her deep throat my cock, enjoy herself, for several minutes.

“Get ready, my little come slut,” I said. “I am about to flood your little mouth with a big load of my hot come.”

She instinctively sucked harder. I came in her willing mouth, forcefully shooting my come against the back of her throat. She sucked hard, holding my cock head just past her lips. She swirled the come around in her mouth before she swallowed it all.

“How did it taste?” I asked, smiling at her.

“I like it,” she smiled. “Your come’s delicious.”

“You are a born slut, baby,” I said, returning my cock to her mouth. “I’ll love having you my come slut.”

She sucked my cock until it was soft.

“I am going to continue converting you from an innocent girl to a young slut,” I said. “Now that you have swallowed my come, you are no longer innocent. You are a horny girl. You are my cocksucker and come slut. I am going to take advantage of you and turn you into a dirty whore. Are you ready to be a dirty whore for my big cock?”

She nodded, shivering.

“I am going to eat you out while my cock rests,” I said, bending her over the sofa.

Kneeling behind her, I flipped her little skirt over her back, exposing her pussy and ass.

“You have a mouthwatering pussy and a delicious rosy asshole,” I said, spreading her cheeks wide.

Before lowering my mouth to her pussy, I adjusted her position so her ass was thrust out shamelessly. Both her hairless pussy and asshole were presented lewdly.

“You have a fantastic ass,” I said.

“Thank you,” she giggled shyly.

“Lisa, you put whores to shame,” I said. “The guy who has you must know he’s the luckiest guy in the world.”

She gasped when my tongue tip tickled her clit. With my hands on the floor on either side of her legs, I gently explored her wet pussy with my tongue tip. My touch was agonizingly light, making her gasp and shiver. I tasted her leaking juices, as I slowly got to know her pussy, sucking her lips and probing her fresh folds. For a few minutes, I enjoyed the feel and taste of her pussy. She squirmed and moaned softly, leaking constantly.

After sipping most of her tasty juices, I slowly moved to her asshole. I spent a few minutes just lightly kissing her puckered asshole and exploring it with my tongue. Having enjoyed my fingers earlier, her asshole welcomed my tongue readily. She was soon squirming and pushing her ass back into me. I enjoyed feeling her delicious asshole twitch and relax under my tongue. My little slut had a great time too.

As my tongue and her asshole got to know each other fairly well, her asshole nibbled at my tongue tip. I pushed against her sphincter, making it open up further. I licked her faster, flicking my tongue tip against the center of her asshole. Her pace quickened too. I occasionally lapped her pussy, which leaked freely. She liked what I was doing to her asshole, and I could tell she was approaching orgasm quickly.

When she was dangerously close to orgasm, I slipped my hands under her chest and grabbed her tits, pinching her nipples. That and doubling my oral efforts at her asshole triggered her orgasm. I held her tits tightly and continued to flick my tongue against her twitching asshole as her body convulsed in orgasm. She softly gasped for air until her orgasm subsided. I licked her asshole gently and then lapped her copious juices off her drenched pussy.

By the time I was done cleaning her pussy with my tongue, she was humping my tongue. I licked her pussy, drawing more juices out for a while. I ate her pussy hungrily for a few minutes, making her come again. I cleaned her pussy after she recovered partially.

“Now that your three holes have been used sexually to orgasm, I can say that you are very hot,” I said as I massaged her pussy and asshole with my fingertips. “I consider myself privileged to be with you on your special night. You are so fresh, young, sexy and sexual.”

“Thanks,” she gasped.

“Do you want me to fuck you like I fuck Beth?” I asked.

“Yes,” she hissed.

“I think you can be wilder,” I said. “I am going to fuck you harder than I fuck her. Do you want me to?”

“Yes,” she said, trembling.

“I am going to pop your ass cherry first,” I said. “I am going to fuck your ass through several orgasms to make you addicted to getting fucked, especially up the ass. I’ll also pop your pussy cherry. Are you on the pill?”

“Yes,” she said.

“That’s very thoughtful,” I said. “Now I can christen both your nether fuck holes with thick come just like I’ve christened your mouth. Don’t you think that would be a lot of fun?”

“Yes,” she said.

“You are so sexy,” I said. “Would you like to be my special fuck slut?”

“Yes,” she nodded.

“Beth’s my girlfriend, and you are my slut,” I said. “Who does a guy fucks harder his girlfriend or his slut?”

“His slut,” she said, trembling.

“That’s right,” I said. “Beth was not jealous today. If she knew how I’d fuck you, she would be. You are my friend and my slut. Even if Beth and I break up, you’ll still be my friend and slut, right, Lisa?”

“Yes,” she said.

“Today we’ll forge between us a tie that can’t be broken,” I said. “Isn’t that right, Lisa?”

“Yes,” she hissed.

“You’ll always be my slut, and I’ll always be your stud,” I said. “Are you going to be my slut forever, Lisa?”

“Yes,” she hissed.

“If Beth doesn’t like that, we’ll do it behind her back,” I said. “Can she or anyone else break us apart?”

“No,” she breathed.

“I appreciate that, Lisa,” I said. “I am going to make tonight an unforgettable pleasure night for you.”

“It already is,” she said.

“Before I pop either cherry hole of yours, I am going to prime it well for my big cock until it’s ready and eager to swallow my cock and have a great time sucking it,” I said. “I want you to just relax and enjoy yourself while I give you pure pleasure. Are you ready? Are you ready to be my slut and little whore?”

“Yes,” she hissed, shivering.

“Spread these lovely cheeks,” I said. “Your mouthwatering asshole’s coming under heavy friendly fire.”

She trembled as she spread her ass cheeks wider. I drooled on her asshole and slowly but effortlessly popped my fingertip into her ass. I swirled my finger gently within her milking asshole before I popped it out and let her suck it while I let my tongue at her asshole. I licked and probed her asshole, making her squirm to orgasm. When she came, her asshole desperately sucked my tongue tip. I licked her wet pussy before I grabbed the lube.

She shivered when I squeezed a generous amount of cool lube onto her asshole. I gently rubbed the lube into her asshole, slowly teasing and massaging her pucker. She moaned quietly, and her asshole relaxed under my touch. I often popped my fingertip into her ass and then out to tease her. I took my time, toying with her virginal asshole.

My anal probing went deeper and deeper. In a few minutes, I was working my finger all the way in and out of her happy asshole. I added more lube and worked it into her rectum, pumping her ass rhythmically. She moaned to my rhythm, gently humping her ass back. I finger fucked her ass at an accelerating pace until she stiffened and came. I licked her drenched pussy while gently fingering her asshole.

“Your asshole’s so hot,” I said, swirling my finger within her rectum. “Do you want me to fuck it?”

“Yes,” she hissed, her asshole twitching.

“Do you want me to fuck your up the ass like a cheap whore, you naughty girl?” I teased, fingering her ass.

“Yes,” she hissed, her asshole contracting around my finger.

“You want me to give you the best birthday ass fuck ever, don’t you?” I teased.

“Yes,” she said, trembling.

“Do you want to come and come and come all over my cock while I pump your ass silly?” I teased.

“Yes,” she hissed.

“Tonight you’ll be the birthday girl and the birthday whore,” I teased. “Do you want that?”

“Yes,” she hissed.

“I am going to fuck you up the ass like you’ve never dreamed,” I said. “Therefore, I want you to go to the bathroom and use the enema hanging there. Take it up your bowels and let it rest for a few minutes before you flush it out. I want you to be very confident and comfortable about your cleanliness. I want you to give your all to sex and focus on the lustful sensations while we go at it all night long. It’s going to be refreshing too, my naughty princess.”

While she was in the bathroom, I rearranged the filming setup.

“Do you feel okay?” I asked after she came back.

“Yes,” she nodded.

We kissed for a minute before I helped her get back on her knees and bend over the sofa. I could taste the sweet flavor of the flavored enema solution when my tongue touched her cool asshole which had tightened up a little. I massaged her asshole with my tongue until it relaxed again. I lubed her asshole again and fingered it.

Before long, I had two fingers working in her asshole. I used them to fuck her ass to a nice orgasm. When she calmed down, I squeezed a third finger into her ass. I slowly allowed her asshole to stretch wide and get comfortable with my three fingers.

“I want you to lay back along the sofa, rest your head on the armrest and pull your legs way back without letting my fingers slip out of your hot ass,” I instructed.

She proceeded to carry out my instructions very carefully, and I helped her get into that position.

“Suck my cock,” I instructed as I pulled her head to the edge of the armrest and thrust my cock in her face while fingering her shamelessly exposed asshole. “Make it ready for your cock hungry asshole.”

She moaned around my cock as I thrust in her mouth in the same rhythm I used on her ass. After a few minutes of fucking her mouth, I pulled out and grabbed the lube.

“Lube it well so it can easily slide all the way up your horny ass,” I instructed as I handed her the lube.

She took the lube in her hand and squeezed lube all over my shaft. She used her free hand to rub the lube into my shaft. I put the lube aside and knelt before her ass. I continued to finger her asshole as I pushed her legs farther back, tilting her ass up until it was in line with my cock.

“Guide my cock into your asshole and beg me to fuck it, my hot little slut,” I said, guiding her hand to my cock.

When she held my shaft, I popped my fingers out of her ass. She gasped when she pressed my cock head against her glistening pucker.

“Fuck my ass please,” she said lowly, trembling.

“Take a deep breath and hold it in,” I instructed as I gently pushed my cock into her ass.

My cock gradually stretched her asshole. She gasped softly as my cock head popped through her asshole. Her tightly stretched asshole contracted around the beginning of my shaft.

“What a hot tight asshole!” I said, pausing. “Does it hurt?”

“No, but It feels so big,” she said.

“You’ll get used to that,” I assured. “Actually you’ll get addicted to it. Now milk my cock, my hot anal slut.”

As she milked my cock, I thrust forward whenever she relaxed her grip and stopped whenever she squeezed. My cock slid slowly up her ass in short gentle thrusts. Soon most of my shaft was up her ass. I paused and teased her clit with my thumb. Her pussy was drenched. I wiped it with my thumb and brought my glistening thumb to her mouth. She did not hesitate to suck it.

“Good girl,” I said, gently stroking in her ass while she sucked my thumb. “You are a natural slut.”

Giving her insides a chance to line up for deeper penetration, I thrust gently and carefully into her. My cock continued to advance slowly, opening her up deeply. Finally my balls pressed against the back of her ass. I paused and teased her clit, making her asshole twitch.

“I am balls deep up your hot slutty ass, baby,” I said, spreading her wet pussy. “How does it feel?”

“I feel so tightly stuffed,” she said. “It feels so hot.”

“Good,” I said. “Now wipe your leaky pussy and lick your fingers like a good little slut.”

She wiped her pussy, trembling, and sucked her juices off her fingers.

“Do you want me to fuck you in the ass now?” I teased.

“Yes, please,” she said as I thrust gently in her ass.

While I fucked her ass, I gradually decreased the depth of penetration until I stopped with only my cock head in.

“Squeeze tightly,” I said as I pulled out slowly.

My cock popped out of her asshole. I applied a fresh coat of lube to it and worked lube inside her asshole.

“I want to keep your asshole well lubed because I am going to fuck your ass so hard and I want it to be pure pleasure for you,” I said as I pushed my cock back into her ass. “You are going to love being my anal slut.”

Holding her knees against her shoulders, I gently thrust in her ass. My cock went deeper and deeper until my balls were bumping into the back of her ass with every thrust.

“Lisa, I am falling in love with your sizzling ass already,” I said, fucking her ass with longer strokes and feeling her inexperienced sphincter milk my shaft. “You’ll be my special ass whore forever, won’t you?”

“Yes,” she hissed, trembling.

“I am going to fuck you like I don’t fuck anyone else,” I said, fucking her hot tight ass harder. “I am going to fuck you in every hole in your body every which way possible. I am going to make you come like nobody else and pump your body full of come like you deserve. You are going to be my whore. No one else is, not even Beth. You are going to be my only whore, and you are going to be a whore for nobody else.”

“Yes, yes,” she hissed.

Moments later, she gasped and convulsed in orgasm. I took the chance to fuck her ass vigorously, giving her the hardest orgasm of the night and most probably of her entire young life yet. I fucked her hard until she went limp. I thrust gently in her ass while she panted for breath. A minute later, I bent over her, and we kissed. She kissed lewdly, sucking my tongue hungrily.

“Is my whore having a good time?” I teased as I pulled up and resumed fucking her.

“Yes,” she smiled. “I didn’t know sex was so much fun.”

“You still don’t,” I smiled, picking up the pace. “You are my fuck toy from now on. You are going to get fucked like never in your dreams. You want that, don’t you?”

“Yes,” she hissed.

“I am going to fuck you like a cheap whore,” I said. “You *are* my cheap whore. You are my whore for free. It doesn’t get cheaper than that. I’ll do to you whatever I want. The more of a slut you are, the more you are going to like it. I don’t want any limits for your lust and depravity. Is that what you want too, my dirty little whore?”

“Yes,” she gasped.

“Good girl,” I said, fucking her harder.

In the following fifteen minutes, I gave her a hard, animated ass fuck. She came in the middle of the fuck and came at the end very violently. I slowed down for her to catch her breath. She calmed down in a minute.

“Spread it wide,” I said, guiding her hands to her ass. “I am going to make it gape.”

While she held her ass spread wide, I fucked her through two orgasms. When she calmed down, I maneuvered her into the leapfrog position without taking my cock out of her ass. I had her spread her ass and proceeded to fuck her

hard through one orgasm and slow through another. When she calmed down, I popped my cock out of her ass. Her asshole gaped nicely. I drooled in her open ass and rammed my cock in, making her grunt.

“Your beautiful asshole gaped in appreciation of the deep fucking it has received,” I said, thrusting in her ass.

After pounding her asshole to orgasm, I popped my cock out again and spread her cheeks wide.

“Stick your fingers in your ass to see how wide it’s gaping,” I said. “It’s gorgeous.”

While she reached back for her ass, I drooled inside its open hole. She slid two fingers in it.

“It’s open,” she said. “I didn’t know it could open like this.”

“It can open wider, but I want to keep it tight for my cock,” I said, taking her fingers out of her ass.

She spread her ass after I sucked her fingers.

“You deserve a big kiss right here,” I said, lowering my mouth to her gaping asshole.

She moaned as I gave her asshole a deep kiss, working my tongue deep inside it. I drooled in her asshole before I crouched astride her and shoved my cock up her ass. I fucked her ass to orgasm and then popped my cock out. I made sure her ass gaped nicely before I shoved my cock back in.

With my cock up her ass, I maneuvered her into my lap. Pulling her feet up onto the sofa, I adjusted her position so she could ride my cock comfortably.

“Bounce to your heart’s content, Lisa,” I said as I spread her cheeks and started moving her up and down. “Get your hot tight ass fucked nice and deep. Be my sweet little whore.”

She braced her hands on the back of the sofa and started bouncing. She moaned happily as her asshole swallowed my entire cock again and again.

“Come for me, my lovely whore,” I urged as her pace accelerated. “Come for your stud’s big hard cock.”

Within a minute, she lost control. I steadied her and kept her bouncing as she convulsed in orgasm. When her orgasm died, I let her squat in my lap. I gently rocked her, letting her asshole massage the base of my cock.

“I want you to do that again,” I said. “This time I want you to concentrate on pushing your asshole open every time you come down on my cock. I want to make you a real anal whore. You’ll learn how to please me with your amazing ass like only you can. Are you ready, baby?”

“Yes,” she said as she started to bounce.

Her deliberate anal relaxing enhanced the instinctive milking her asshole used on my cock.

“You are doing great, Lisa,” I encouraged. “You really deserve to be my whore.”

She gasped, and her pace accelerated.

“Yes, yes,” I encouraged. “Be a good girl and come hard for your stud.”

A good girl, she had a wilder orgasm than the one before.

“I want you to do that always,” I said, rocking her gently after she calmed down. “Your ass feels so good on my cock when you do it. Did you enjoy doing that for me?”

“Yes,” she hissed.

“You were made to be my fuck slut, Lisa,” I said. “I am so happy I found you and even happier you are mine.”

“So am I,” she said.

“Don’t forget that you are my friend too,” I said. “You are not a cheap slut I picked up off the street. You are my friend, and you’ll always be my friend. Never forget that, baby.”

“I never will,” she said.

“Now suck my big cock,” I instructed. “I love feeling your sumptuous lips and hot tongue on it. I love fucking your throat too. I love everything you do, Lisa. Indulge me and indulge yourself, baby.”

She leaned forward, and I helped her plop her ass off my cock. She got onto her knees and proceeded to lick my shaft from the base up before she took it in her mouth. I let her toy with my cock and deep throat it for several minutes before I pointed to the lube. She lubed my cock thoroughly, and then I pulled her astride me.

She held my shaft, and I spread her ass as she lowered herself onto my cock. As soon as her ass rested against my thighs, I pulled her head and kissed her. We continued to kiss feverishly as she bounced on my cock, employing the milking technique she had just learned.

“Are you happy, Lisa?” I asked. “I want my little whore to be very happy. I am very happy when you are.”

"I am very happy, Nick," she gasped. "This is the happiest day ever in all my life."

"I want you to be happy always," I said. "You have to tell me when you are not happy. You are my little princess, Lisa. Don't think that because you are my dirty little whore, you are not the sweetest thing in the world."

"Thank you," she gasped.

After she came, I put her on the floor in the leapfrog position. I fucked her vigorously, making her grunt and moan throughout the fuck until she came.

"I am coming inside you, Lisa," I announced. "I am coming deep inside my sweet little whore's hot tight ass."

While she gasped in orgasm, I filled her twitching rectum with thick come. She went nuts. I thrust hard in her ass until my balls were totally drained.

"Squeeze your ass tight so you can keep my come inside," I said as I slowly withdrew my cock.

My cock popped out of her ass, and I lay on the floor before her.

"Suck it dry," I whispered.

She did not hesitate to suck my sticky cock clean. She tried to suck more come out of it too.

"Keep sucking until it's hard again," I said. "I am not through with my little whore. You deserve the best."

She smiled while sucking my cock.

She faithfully sucked my cock to full hardness. I pulled away, keeping her in that position, her ass up in the air. I gently worked two fingers into her ass and scooped some come out. She eagerly sucked my fingers clean while I stuffed my cock up her ass. I thrust a few times within her ass and then pulled out and pulled her up to her knees. I fucked her throat for a few minutes and then I laid her on the sofa, resting her head on the armrest.

"You are still virgin, my sweet little whore," I said, teasing her wet pussy with my thumb. "Are you ready to give me my last cherry?"

"Yes," she gasped.

She spread her legs, and I dived between them. I ate her dripping pussy to a long hard orgasm. I drank her fresh juices and then laid my cock along her pussy. I humped her leaky pussy. She moaned and humped back. Her pussy was soon soaking wet. I rubbed my cock head up and down her pussy. I finally aimed it at her hole and thrust very gently. She continued to hump back eagerly. I suddenly made a hard thrust and my cock went in.

She came immediately. I pumped her pussy, doubling her orgasm. I fucked her pussy hard until she went limp. I held my cock inside her and rubbed her clit until she started to thrust her pussy into me. Leaning forward, I fucked her pussy through orgasm and kept going until she started to fuck back.

"I am going to come in your pussy," I teased, fucking her harder. "I am about to assert my claim on all of you."

"Yes," she gasped and started to come. "Make me yours."

"You *are* all mine, Lisa," I said. "Never forget that."

"I never will or can," she gasped.

In the middle of her wild orgasm, I let go, pumping thick come deep in her twitching pussy. I thrust in her until my balls went dry. I kept my cock inside her and kissed her lightly on the lips. Our kiss built up into a lewd kiss. When my cock went soft, I pulled out and pushed her legs up.

"Hold your legs like this to keep my come in your pussy," I said.

She remained like that while I washed up.

"Go wash up," I said, covering her pussy with a wad of soft tissues.

While she was in the bathroom, I loaded the camera with a new videotape and set it up in the bedroom.

When she returned, I took her to the bedroom. I took off her skirt and laid her on her back the bed. I lay next to her and proceeded to tease her nipples with my tongue, waking them up. She put her right hand behind my head and moaned softly, enjoying herself.

"I am proud of you," I said as I fondled her tits while thrusting my hard cock into her hip. "You are a hot slut. You have taken my cock in every hole in your body and loved it as much as I did. We are going to let your pussy rest, but we are not going to leave your amazing other holes alone. Do you want to fuck and suck all night long?"

"Yes," she hissed.

"That's my little whore," I smiled and pecked her on the lips, "always hungry for my cock."

She smiled at me as I straddled her chest. I fucked her tits for a few minutes before I pushed my cock into her mouth. She sucked my cock eagerly as I fucked her mouth for a long while. I finally took my cock out and slapped her face playfully with it. I rolled her over and lay on top of her in the opposite direction. While she nursed my cock, I spread her cheeks and ate her asshole. I kneaded her cheeks while I ate her asshole to orgasm.

She could hardly catch her breath by the time I lubed my cock and straddled her ass. I lay on top of her, pushing my cock all the way up her ass. I kissed her as she milked my cock. I gave her a long, slow fuck, making her come twice. I then fucked her mouth and filled it with come. I thrust in her sucking mouth until my cock was hard again.

In the next couple of hours, I fucked her ass in several positions, making her come many times and coming in her ass twice. I fed her most of the first come load out of her ass and let her keep the second load in her ass. I plugged her ass with a clear butt plug like the one I got her sister. The plug was long and thick. Its middle was not much thicker because its shaft was thick all over. Its groove, where the sphincter would snap, was shallower but steeper than usual—to stretch the asshole wider while still entrenching securely. Its base was not very wide, facilitating long wearing. Her asshole looked gorgeous with the plug providing a window. Beth and I had come to calling this kind of plug a contact lens because it was actually a lens to be worn directly on the third eye.

“I want you to use this plug to exercise your anal muscles daily for at least an hour,” I said. “Fuck your ass with it for a few minutes before you snap it in. Once it’s in, alternate between squeezing and pushing out. I want you also to practice fucking positions while wearing it. In the doggy style, thrust back and forth; in the cowgirl position, bounce up and down, and so on. Squeeze it when you pull your ass in and push out when you push your ass out. Before you pop it out, fuck your ass with it for several minutes, practicing anal milking. It can well build up your anal strength, stamina, elasticity and technique. I am going to fuck you hard twice or three times a week for four to six weeks to get you well trained. Is my dirty little whore ready for that?”

“Yes,” she said.

“Did you enjoy your birthday?” I asked.

“Yes,” she said. “It was my best birthday ever.”

“Is that because I fucked you?” I teased.

“Yes,” she smiled.

“You are such a whore, Lisa,” I laughed. “You are wonderful.”

“Thanks,” she smiling wide. “You are wonderful too.”

“You can’t wear any underwear from now on,” I said, giving her back her dress.

After she put on her dress, I nudged her shoulders down. She got on her knees and proceeded to suck my cock to full hardness. I pulled her up and kissed her. I took her to my car, still wearing my boxers and robe. I had her suck my cock while I drove her home.

When I parked before her house, it was very late at night. There were hardly any cars driving in the neighborhood. I walked around and opened the door for her.

“Make me come on your sweet face,” I said, thrusting my cock in her face.

She obediently sucked me hard and then jacked me off onto her face. My swollen cock jerked and shot a few jets of come on her lovely face. She continued to stroke my cock, milking it dry. She thoughtfully sucked my cock, cleaning its head and making sure my balls were drained.

“Rub the come into your face,” I said.

She rubbed the come into her skin, and I kissed her on the mouth and helped her out of the car.

“I wish you a wonderful year,” I said as I gave her a gift-wrapped big bottle of lube.

We had a goodnight kiss before I got back into the car as she went home.

Lisa was going to celebrate her birthday over the weekend, so it was not a problem that I kept her to myself on her birthday night.

“I really appreciate what you did for my little sister,” Beth said when we met on Friday.

“My pleasure,” I said.

“I am sure,” she smiled. “You have won her little heart after you nearly broke it and lost it.”

“That would have been a tragic loss,” I said. “I am glad I came around.”

“Me too,” she said. “I just hope you left something for me. I need cock too.”

“There’s only one way to find out,” I said.

We had a great time finding out.

“I told them I had a cramming session and could not be disturbed,” Lisa said as she snuck me into her room a few days later.

“You couldn’t have said it better than that,” I smiled.

“What is this stuff?” she asked when she saw my videotaping equipment.

“We’ll tape the session so we can watch it later,” I said. “You’ll love watching yourself getting fucked silly.”

She agreed, so we set up the video camera and started filming.

She was wet, and I was hard. We started by taking off her contact lens and sticking my cock in her pussy. After quickly making her come a few times, we moved to the foreplay.

She had practiced very well. It was apparent the moment I popped my cock up her ass. We spent a most enjoyable cramming session, and I left after midnight.

We continued seeing each other, mostly at my place. She showed continuous progress in her skills and love for wild sex. By the time I finished breaking her in, she was wilder than Beth in bed. Because she was my little whore, I did not hold anything back, and she loved it and begged for more.

On the day of her inauguration, I had her pledge allegiance to my cock and to commit to abide by the Gaping Ass Slut Pact, which mandated that a GASP slut would never wear underwear; would wear her butt plug, black fishnet stockings and high heels whenever and wherever we might meet and preferably on all social events and would never let anyone else fuck her in the ass without my permission. The hem of her dress or skirt should never be below the tops of her stockings by over five inches unless absolutely necessary. I also gave her a gold anklet inscribed with the acronym GASP and the date of her inauguration.

HAPPY BIRTHDAY TO ME

Lisa gave me a very pleasant surprise on my birthday. After going home from work, I changed into silk boxers and robe. I went to the bathroom. When I left the bathroom, I was face to face with her.

“Lisa?” I said in surprise. “What are you doing here?”

“I am here to help you celebrate your birthday,” she said, presenting me with a gift-wrapped present. “I brought you a gift I am sure you’d like. Here! Open it.”

“Thanks,” I said, taking the gift from her, “but you don’t have to do that.”

In the box there were three contact lenses identical to the one she must have been wearing.

“What are these?” I asked.

“They come complete with three virgin asses,” she said. “You also get three virgin pussies and one virgin mouth as a bonus—seven virgin holes in total. You were very nice to me on my birthday. I want to be as nice.”

“What seven virgin holes are you talking about?” I asked.

“Let me show you,” she said, leading me to the living room.

There I was shocked to find three teenage girls, sitting on the sofa. When they saw me, they started singing the Happy Birthday song.

“This is Vicky,” introduced Lisa, pointing to a busty blond, “the girl with three virgin holes.”

“Hi, Vicky,” I nodded at the blushing girl.

“This is Ginger and this is Angel,” she said, pointing to a redhead and a brunette, respectively. I nodded at them. “Each has sucked cock a few times, but they are otherwise virgin. These horny albeit innocent teens are dying to get on their knees in the direction of your choice and serve your big cock.”

As Lisa said that, she stroked my cock through my thin clothes. My cock started to harden. Lisa and I sat in the loveseat, and she continued to stroke my cock.

“How old are they?” I asked Lisa.

“They are all my age,” she said.

“You look so beautiful, innocent and tempting,” I said. “Do you know what you are getting yourselves into?”

“Yes, they do,” said Lisa. “We’ve been here for a while. I showed them the movie of my deflowering. They know the entire deal. These innocent girls do not want to leave until you’ve turned them into sluts.”

“Is that right?” I asked the girls.

They all nodded.

“None of them is wearing any underwear,” said Lisa.

“Lisa, why don’t you sit on that couch and let me check out your friends?” I said.

“Come over here, Vicky,” I called, patting the seat next to me, as Lisa took her seat on the couch.

“You have never sucked cock, have you?” I asked, looking in Vicky’s innocent eyes, as I wrapped one arm around her shoulders and guided her hand to my tented boxers with my free hand.

“No,” she shook her head, while stroking my cock excitedly.

“You want to suck mine, though?” I said.

“Yes,” she hissed.

“Do you, girls, mind if I let her suck my cock first?” I asked Ginger and Angel.

“No,” they said, shaking their heads.

“Why don’t you first sit in my lap so you can feel my big cock press against your hot ass?” I instructed Vicky.

As she sat in my lap, I aligned my cock with the crack of her ass.

“Can you feel it?” I asked, cupping her lush tits through the top of her dress.

“Yes,” she hissed.

“Do you enjoy the feeling?” I said.

“Yes,” she hissed.

“Keep moving gently so it stays hard and you continue to enjoy it,” I instructed, fondling her tits.

She ground her ass into my cock for a while, and I kneaded her tits and pinched her erect nipples over her top.

“Pull your top down and show me your pretty tits,” I said, turning her to the side.

She obliged me and gasped when I lightly kissed her left nipple. She gasped again when I sucked it into my mouth. I also sucked her right nipple a little.

“Is your sweet little pussy getting wet?” I whispered.

“Yes,” she hissed, nodding.

“Part your knees a little so I can touch it,” I said softly. “I like juicy little pussies like you like big hard cocks.”

She shyly parted her knees.

“You like big hard cocks like mine, don’t you?” I said.

“Yes,” she hissed.

She almost jumped when my fingertip touched her leaky pussy. I scooped her juices with my finger. She gasped.

“You are so wet,” I teased, bringing my glistening finger to my face. “Does your little pussy like my big cock?”

“Yes,” she hissed.

Looking straight in her eyes, I sucked her juices off my finger. She tasted fresh and sweet.

“You taste so good I have to lick your pussy,” I said. “May I?”

“Yes,” she hissed.

“Do you also want me to lick your hot asshole?” I teased.

“Yes,” she hissed.

“Why don’t you bend over and show me your pretty pussy and sweet asshole?” I instructed, helping her get up.

She shyly complied. She hiked her dress, exposing her hot ass.

“Spread this lovely ass a little,” I said, guiding her hands to her ass. “Don’t be shy. You have a gorgeous ass.”

She spread her cheeks, exposing her wet pussy and little asshole.

“You are so beautiful back here,” I said, wrapping my arm around her thighs. “They are both pretty.”

With my arm around her thighs, I leaned forward and licked her asshole lightly, making her gasp. She tensed up a little. I repeated that a few times. She relaxed gradually but continued to hold her breath. Her asshole tasted like strawberries and vanilla. I knew that was Lisa's idea. When I looked for Lisa, I found her holding the video camera and following the action closely. She winked at me. Vicky soon moaned in delight. I moved down to her pussy, making her gasp. I lapped her pussy juices and then straightened her dress.

Standing up, I nudged Vicky's shoulders down. I turned her to the side so her friends could watch her.

"Take it out," I instructed, guiding her hands to my boxers.

She tentatively fished my hard cock out. She was taken aback when it popped in her face. She looked at it for a little while, admiring it.

"Reach back and spread your ass while you suck it," I whispered. "I want you to feel like a dirty girl."

She reached down for her ass as she opened her mouth wide and leaned forward. My cock twitched when she wrapped her innocent lips around it. She sucked my cock tentatively for a few seconds, but soon she sucked eagerly and deeply. She was not an expert, but she was too good for a first timer.

"I thought she had never sucked cock," I said to Lisa.

"I didn't say she had never practiced," winked Lisa.

"Good girl," I said, patting Vicky's head, as I thrust gently in her mouth.

After a minute, I pulled out of her mouth and slapped her face gently with my cock.

"Go back to your seat, lovely," I said, pulling her up to her feet. "We'll meet again soon."

Vicky returned to her seat.

"Who sucked cock first?" I asked Ginger and Angel as I sat in my seat.

"Me," said Ginger.

"You are going to suck my cock last, Ginger," I said. "Angel, come over here."

When Angel reached me, I had her stand before me.

"Are you really an angel?" I asked as I felt up her ass through her thin dress.

"I don't know," she said.

"You look and feel like an angel," I said, "but I need to see your ass so I can decide."

She shyly turned around and hiked her dress to her waist.

"Bend over and spread your lovely ass," I instructed. "Don't be afraid to show how beautiful you are."

She complied bashfully.

"Your virginal orifices are definitely angelic," I said. "You are as wet as a human angel too."

She gasped when my tongue touched her asshole. I held her hips while I teased her asshole, getting her used to my tongue there. Her gasps turned into short, quiet pleasure moans as her asshole relaxed. I lapped up her wet pussy before I turned her around.

"Sit your pussy against the shaft of my cock," I said as I pulled her astride me.

She gasped when her moist pussy touched the underside of my cock. I held her ass and rocked her gently. She soon ground her pussy into me on her own. I pulled the straps of her dress down her shoulders and exposed her tits. Her tits were ripe and pretty although smaller than Vicky's.

"You have nice tits, Angel," I said. "Would you mind if I enjoyed them a little?"

"Please go ahead," she whispered.

She gasped when I sucked an erect nipple into my mouth. I sucked her nipples while I kneaded her tight ass. She moaned, grinding her pussy into me.

"Your pussy has drooled on my cock," I said, pushing her off me. "You need to suck it clean."

She got down on her knees and sucked my cock. She was not as shy as Vicky.

"Spread your ass while you do it," I instructed. "Show me you are a dirty girl and you are proud to be one."

She reached back and spread her ass.

"Good girl," I said as I put my hand behind her head and bobbed her head over my cock.

A better cock sucker than Vicky, Angel was not a deep throater either. Holding the top of her head, I pushed her head off my cock and tapped my cock head on her lips. I pulled her up and pushed her toward her seat.

By the time Angel had sat in her seat, I was thrusting my cock in Ginger's face.

"Suck it," I instructed. "Show me you are worthy of sucking my big cock."

When Ginger opened her mouth and leaned forward, I pulled back.

"Get down on your knees and spread your ass when you do it," I instructed.

Ginger was the best cocksucker of the three but still not a deep throater.

"Take your tits out and rub my cock over them," I instructed.

She complied and let me fuck her tits.

"Now show me your hot little ass," I said, pulling her up.

She turned around, bent over and spread her ass as I knelt down.

"Is this where you want my cock?" I teased, spreading her ass wider.

"Yes," she hissed.

Holding her hips, I explored her cute asshole with my tongue for a minute and then licked her wet pussy.

"Nature definitely meant your orifices for cock," I said. "I am pretty sure it meant them for mine."

Keeping my hands on her hips, I stood up. I laid my cock along her ass crack and thrust into her. She moaned, humping back.

"Good girl," I said, pushing her into her seat.

"Lisa, show them how my cock should be sucked," I called.

Lisa immediately got on her knees before me and proceeded to deep throat my cock as if coaching her friends.

"You need to open your throats and take me all the way in," I said to my new cadets.

Lisa sucked me for a couple of minutes before I pulled back.

"Try it, but take your time," I said, thrusting my cock in Vicky's face.

It took Vicky a few minutes of gagging until she could take my cock all the way down her throat.

"Good girl," I said, patting Vicky's head as I moved my cock to Angel.

In a few minutes each, Angel and Ginger learned taking my cock all the way down their throats. I let each girl suck my cock a couple of more times for practice.

"Lisa, come here and let's show them how we use your nether orifices for our pleasure," I called.

Lisa came over, and I arranged her on the sofa with one knee between Vicky's thighs and the other between Angel's. I hiked her dress, exposing her plugged ass. I had Vicky and Angel each pull one of Lisa's cheeks out.

"This is a great anal training tool," I said as I popped Lisa's contact lens off and set it on the coffee table. "It also keeps the asshole ready for cock."

As the new sluts watched intently, I aimed my cock at Lisa's pussy and pushed it all the way in, making her moan. I fucked her until my cock glistened with her juices. I took it out and let Vicky deep throat it. I put my cock back in Lisa's pussy. A little later, I had Angel deep throat my slick cock. I later gave Ginger the same treatment.

After Lisa finished coming on my cock, I drooled on her asshole while gently pulling out of her drenched pussy. I gently but firmly pushed my cock into her ass. When my balls touched her sticky pussy, I started fucking her ass. I let each of the girls deep throat my cock, showing them Lisa's asshole gaping wider and wider. After Lisa came, I licked her wet pussy and French-kissed her ass, sticking my tongue deep inside her asshole. She finally knelt before me and sucked my cock clean.

"She's a good cock pleasing slut," I said. "A good girl's a good slut. Do you want to be like her?"

"Yes," they nodded, one after another.

"When I say a good slut, I mean a good slut not a tramp," I said. "I am going to satisfy your wildest sexual desires as long as you exhibit great control of your sexual desires at school and in the community. You have to behave as good girls. You must not have sex with your boyfriends. You can only suck their cocks without deep throat or come swallowing. They can feel you up a little, but they can't touch your pussies or asses. Remember that you are good girls being seduced into sucking their cocks a little but nothing more. I want you to try to persuade your friends not to buckle under sexual temptation. You may think it's hypocritical for a slut to preach abstinence, but it isn't. You are

not sluts; you are good sluts. You are my sluts, but otherwise you are good girls. We can have sex responsibly albeit excessively, but this isn't the case with others, especially with boys at your age. If you feel that a nice girl's about to yield to sexual temptation, you can bring her to me, and I can try to save her like you.

"When you are engaged, you can relax a little but just a little," I continued. "You can enjoy oral sex with your fiancés without deep throat or come swallowing. You can't have sex. You are still good girls. When you get married, you obviously have to have sex, but you still should not deep throat, swallow come or take it up the ass. Although those acts are not bad in reality, but this opinion isn't shared by everybody. I don't want you to look like sluts or whores to your husbands. I want you to be the classic good wives. You can save those perversities for me because I know how pure you really are."

"Wouldn't that be cheating?" asked Vicky.

"So what?" said Ginger.

"No, it doesn't have to be cheating," I said. "When the time comes, we'll see how to do it morally. I am going to help you save the cake and eat it. Do you want to go my way or your own ways?"

"I'll go your way," said Angel. "It sounds like a lot of fun."

"Me too," said each of Vicky and Ginger.

"Good," I said. "Now I want you upside down. I want your heads where your asses are now, your asses where your heads are now and your legs over your heads."

They started to get into position, and I helped. Soon their pussies and asses were tilted up and offered to me. I sequentially spread their asses and planted a light kiss on each cute pink asshole.

"While I get your little pussies and tight assholes ready for my big cock, I'll keep my cock in Lisa's ass to keep it warm and ready," I said. "I'll let you suck it every once in a while so you can fall in love with its taste in action."

As I took my position behind the sofa and dived into Vicky's ass, Lisa set up the camera and knelt before me. She sucked my cock to full hardness and then bent over to the side and worked my cock into her ass. We fucked gently while I licked the girls' pussies and asses.

After Vicky came with my tongue probing her responsive asshole, I walked around and let her suck my cock while I lapped up her copious juices. I did the same with Angel and Ginger. Using lube, I gently loosened up their assholes and finger fucked each with one and then two fingers to orgasm. I let each suck my fingers and my cock.

For the next phase, I arranged them on their knees on the sofa and let them rest their heads and hands on the back of the sofa. I placed Vicky in the middle. After Lisa adjusted the camera, I arranged her on her knees with her head and upper body between Vicky's legs.

While thrusting in Lisa's ass, I tongue fucked Vicky's asshole and reamed it out with my fingers, preparing her for three fingers. I alternated my free hands between Ginger and Angel, finger fucking their asses with two well lubed fingers each.

In less than ten minutes, Vicky was comfortable with three fingers fucking her ass. I popped my cock out of Lisa's ass and motioned her to the camera. I walked around and offered my cock to Vicky. With my hand behind her head, I gently fucked her throat for a minute.

"Spread her ass for me," I said, guiding Angel and Ginger's hands to Vicky's ass. "She's ready."

While working three fingers in and out of Vicky's asshole, I lubed up my cock thoroughly.

"Take a deep breath and guide it in," I instructed as I guided Vicky's right hand to my cock.

She poised my cock head at her asshole, and I pushed gently. Her asshole opened up under the pressure, and my cock head popped past her sphincter, making her gasp. I held her hips and rocked her gently. She started humping, taking more and more of my cock into her ass.

After a few minutes of careful maneuvering, my balls touched her virginal, but wet pussy; my cock had impaled her ass completely. We paused for several seconds to make her get used to it. While we paused, I pulled her dress down, exposing her full tits. I kneaded her tits, and she rocked gently.

"Play with her tits while I fuck her tight ass," I instructed Angel and Ginger.

Angel and Ginger kneaded Vicky's tits while still spreading her ass. I held her hips and fucked her ass slowly with short strokes. Her asshole milked my cock instinctively. My strokes gradually grew longer. Our fucking pace picked up as she relaxed. She was soon moaning happily and bucking her ass eagerly.

"You like my big cock up your hot little ass, you little slut, don't you?" I teased, thrusting harder into her ass.

“Yes,” she gasped.

After pumping her asshole for ten minutes, I made her come. She stiffened and went into a wild spastic fit as I pounded her twitching ass. I drilled her ass until she went limp. I slowed down while she caught her breath. I picked up the pace again and fucked her ass through another orgasm.

When Vicky calmed down, I maneuvered her onto the floor. I had her lay her upper body on the sofa and had Angel straddle her, thrusting her ass in my face. I tongue fucked Angel’s asshole and reamed it out with my fingers while fucking Vicky’s. Vicky thrust her ass back, doing most of the fucking.

“Lisa, give me Vicky’s plug,” I said as I easily worked three fingers in and out of Angel’s ass.

Vicky’s asshole was soon plugged. I had Angel suck my cock before I had Vicky and Ginger spread her ass for me. I fucked Angel and then Ginger just like I did Vicky. At the end, the three of them had their asses plugged.

Moving back to Vicky, I fucked her ass to a nice gape. I had Angel and Ginger drool inside her open asshole. I returned the plug to her ass and moved to Angel. I finally did Ginger.

They were sitting on their plugged asses while I had them take turns sucking my cock.

“Get ready to swallow my come, little whores,” I said when I was ready to come.

My cock swelled, and I shot the first jet into Vicky’s open mouth, the next into Angel’s and the third into Ginger’s. I drained my balls in their open mouths.

“Now swallow,” I instructed.

They took turns trying to suck more come out of my cock. I let them suck my cock back to life. When my cock was rock hard, I had them push their asses to the edge of the sofa and pull their legs all the way back. I unplugged their asses and had them spread their asses wide. I proceeded to fuck their asses to orgasm one after another. Their assholes gaped for a while after I moved to the next asshole.

The doorbell rang while I fucked Angel for the second time.

“I’ll get it,” shouted Lisa.

“I am not expecting anyone,” I said.

“I am,” she said.

When she opened the door, Beth entered, carrying a big box in her hands.

“Don’t stop on my account,” called Beth. “I am not a party pooper; I am a poop partier. There is no birthday party without a cake.”

Beth set up the table while I finished fucking Angel and then Ginger.

“I see that you have finished initiating your new sluts,” Beth said as she looked at Ginger’s open ass. “I have special plugs for them and one for Lisa.”

She brought thick candles with their bases carved like butt plugs.

“I’ll start with you, Vicky, if you don’t mind,” she said.

Vicky did not object. She kept her ass spread, grunting as the candle popped in her ass. Beth plugged Angel, Ginger, and finally Lisa.

“You are going to sit upside down at the table,” explained Beth. “Your knees will be on the chairs, your hands on the floor and your asses way up.”

Their chairs were facing away from the table. When they got into position on all sides of the table, Beth lit the candles and turned the lights down. They sang the Happy-Birthday song for me, and I blew out the candles.

Beth applauded, and the girls got up from their positions. She turned the lights up.

The writing on the fancy one-layer cake read, “Happy Birthday, Nick, you ass fucking Cupid.”

“Sit down,” Beth instructed. “You obviously need to let your asses hang a little off your chairs.”

When they sat down, Beth bent over the table and hiked her dress.

“Fuck my ass and let your sluts suck your cock,” said Beth.

When I stood behind her, I aimed my cock at her pussy. She held my cock and guided it into her ass. It went smoothly all the way in. I fucked her ass hard through four orgasms. After each orgasm, I popped my cock out and let one of the girls deep throat it.

“Once more, for me,” said Beth.

After Beth's fifth orgasm, she sucked my cock to orgasm. When my cock swelled, she pulled the cake to the edge of the table and jacked me off onto the cake. She used the knife to spread my come evenly over third of the cake. She cut the cake and served each girl and herself a come-frosted slice and cut a clean slice for me.

Leaving my plate untouched, I moved behind Vicky. I had her stand up and bend over the table. Kneeling behind her, I proceeded to eat her pussy. She moaned all the way to orgasm while she ate her cake.

Beth manned the camera while I deflowered the girls' pussies and came in each freshly deflowered pussy, washing up and getting my cock sucked between rounds. Next I fucked their asses. I made each come twice before I came in her ass. I plugged each girl's asshole after I let her lick a fresh lump of come out of her ass. I fucked Lisa to orgasm before moving to each new ass.

Lisa rode in the front when I drove the girls home late at night. She was sucking my cock. Before I dropped her off, I fucked her ass and drained my last come load of the night deep in her twitching rectum.

From then on, I fucked each of my new sluts regularly, sometimes with Lisa. I also taught them to eat my come out of one another's ass.

THE MARRIAGE CHALLENGE

Several weeks later, I was ready to propose to Beth. I took her to a fine dinner.

"Would you marry me?" I proposed, going down on one knee as I offered her an engagement ring.

"I sure would," she said excitedly as she took the ring from me. "It's beautiful."

Smiling widely at her, I took the ring out of the box and slipped it over her finger and then kissed her hand.

"You are much more beautiful," I said, looking in her eyes.

We kissed, slowly and deeply.

"There is a request that I want to make before I officially accept," she said as she moved her hand, watching the ring sparkle. "Would you do that for me?"

"Sure," I said.

"I want to make sure you can get along with mom," she said. "I don't like the traditional rivalry."

"That's very thoughtful of you," I said. "Your mom and I get along very well."

"We don't know that for sure," she said. "The relationship's still too superficial."

"What do you have in mind?" I asked.

"Why don't you take her out next Saturday night and show her the best night of her life?" she said.

"You mean, take her to dinner and a movie?" I said.

"You have to do better than that to show her the best night of her life," she said.

"Dinner and dance?" I said.

"Are you assuming she's never danced before?" she said.

"What else?" I asked. "Does she have a certain hobby or passion?"

"Surprisingly she's still an anal virgin," she said, shocking me. "That's a golden opportunity for you."

"Are you suggesting that I should make love to her?" I asked.

"Make love?" she said, smiling. "I am not sure you can make love, but I know you can fuck a woman like a whore just like you fuck my slut sister and her friends."

"Are you serious?" I said.

"Of course," she said. "If you do that to her, you'll win her heart forever, and I can be assured that there will never be any rivalry between you two."

"If something goes wrong, our marriage will be impossible," I said.

"You are right," she said. "If you can't do that, you may as well take your ring back; I know you can."

"That's going to be a big challenge," I said thoughtfully.

"I am sure you and your cock can rise to that challenge," she said.

We left soon.

“Obviously we can’t have any sex until you’ve succeeded in the challenge,” she said.

When I dropped her off, we had a long kiss.

“Good luck, Nick,” she said as we broke the kiss. “I really want to marry you; don’t let me down.”

On Sunday morning, I called Lisa to my apartment and fucked her silly.

“I don’t know why you are doing this to me,” she commented on the vigorous fucking I subjected her to, “but I am not complaining.”

When I was through with her early in the evening, I drove her home. I had dumped so much come up her ass she could hardly walk.

“I can’t believe I am saying this,” she said as I dropped her off, “but I need a break.”

“A twenty-four hour break should do,” I said.

“I am not sure of that, but I can’t resist your cock either,” she smiled.

“You are my fuck slut,” I said. “You shouldn’t resist my cock; you should beg for it.”

“I’d been begging for it to the end,” she said.

We parted after a goodnight and a squeeze to her come filled ass.

Two days later, I was picking up Beth when I was alone with her mom.

“Victoria, you are cordially invited to a night on the town this Saturday,” I said cheerfully. “Dress to kill and don’t get shocked if you have more fun than you’ve ever had. How would you like that?”

“I’d love it,” she said with a wide smile. “It’s very kind of you to do that.”

“It’s very kind of you to accept my humble invitation,” I said. “I am going to do my best to show you a good time. It’s going to be a privilege for me, so I’d better deserve it.”

“You are so sweet,” she said.

“Thank you, ma’am,” I said as I raised her hand to my mouth and kissed it.

Beth and I had dinner and went to a movie. On Wednesday night, I took Lisa home where I gave her another vigorous marathon fuck. I saw neither her nor Beth until Saturday, saving my energy for the big night.

“Mom, your date has arrived,” called Beth.

A couple of minutes later, Victoria came down. When I saw her, my cock twitched. She was in a sexy black dress. She had donned a short, low scoop, curve hugging silky dress. She was indeed dressed to kill. I drank in her sensuality as she stepped down confidently and sexily. Beth disappeared.

“To a very beautiful lady,” I said as I presented her with a fresh red rose. “You are stunning.”

“Thanks,” she said, blushing, as she took the rose.

We went to a nice, pricey restaurant. I acted like a gentleman, opening doors for her, letting her go before me and saying polite but fervent compliments whenever possible. Though, there was nothing gentlemanly about my taking every chance to sneakily check out her bountiful cleavage and curvy behind.

The dinner was great, including the food.

“Are you ready to have some fun?” I said as we left.

“I guess I am,” she said.

We went to a nightclub. We sat down and had drinks. While sipping our drinks, we watched people dance.

“Let’s dance,” I said, extended my hand for her as a fast song played. “Would my lady grant my wish?”

“I am too old for this,” she said.

“Tonight you are very young,” I smiled. “I am not taking no for an answer. Tonight you are a single teenager.”

We warmed up with a few songs. She had a great time, and so did I, enjoying the way her lush tits jiggled and bounced. We smiled at each other most of the time. She did not resist when I pulled her for a slow song. She enjoyed my compliments as I told her how hot and beautiful she was and that I must have been the envy of every man there among other honest compliments.

By the end of the third slow song, she was close enough for my cock, which was pretty hard, to occasionally bump into her. She did not pull back; she actually continued to get closer. A few minutes later, her body was molded to mine. I continued to tell her how sexy she was and how much I enjoyed being with her. She just relaxed, laying her head against my shoulder as I allowed my hands to slide a little lower and cup her ass.

We were living in our own world in a dark corner of the dance floor. Our crotches gradually ground into each other. I was telling her how sensuous she was and that her femininity deserved to be appreciated and celebrated when I started to feel up her firm ass.

It was obvious that we reluctantly let each other go when the songs returned to fast. We were still holding each other tightly for a minute before we left the dance floor. I took her arm and we left. I opened the car door for her.

After backing out of the parking spot and before going forward, I stopped and looked at her.

"It was a wonderful night for me," I said, looking into her eyes. "You are a wonderful woman."

"I had a wonderful time too," she said. "You are a perfect gentleman."

Leaning forward, I kissed her on the lips. The kiss was a little longer than a peck. She was surprised and did not react. I leaned forward again and gave her a long, gentle kiss. Several seconds later, she started to kiss back, very gently at first. I wrapped my right arm around her back and laid my left hand gently on her right tit. Our tongues got bolder. Her mouth felt like the mouth of an active volcano.

As we kissed feverishly, I gently felt up and kneaded her tits through the top of her dress, allowing my fingers to touch the bare flesh. Our kiss continued to build, giving me enough encouragement to pull the straps of her dress over her shoulders and pop her tits out of her flimsy bra. Already hard, her nipples enjoyed the light teasing of my fingertips and the palm of my hand. She moaned into my mouth. Finally our long kiss ended. While she took her first breath, my lips captured her right nipple, making her gasp.

"Oh, we shouldn't do this," she moaned, wrapping her right arm behind my head.

While I savored her sweet thick nipple, she moaned and gasped excitedly.

"You have to have some fun every once in a while," I said while moving my mouth to her left nipple.

While her hand continued to hold my head to her tit, I stroked her legs with my left hand. As I slid my hand up her inner thigh, she parted her legs. She melted and moaned louder as my hand cupped her hot pussy through her panties. I massaged her pussy a little before I pulled her panty crotch aside and teased her bare pussy, which was already getting wet. She held my head tighter, and I sucked her nipple harder as I slid my middle finger into her wet pussy. Her pussy milked my finger and drenched it with juices.

"You are so hot and wet," I said, switching my mouth to the other nipple.

She subtly thrust her pelvis to meet my finger as it fucked her gently. I gave her other nipple equal time and then pulled back as I pulled my glistening finger out of her pussy. I sucked my finger slowly as I looked in her eyes.

"You are so tasty," I said, pulling her for a kiss. "I have to taste your delicious pussy directly."

While we kissed, I guided her right hand to my crotch. She stroked the outline of my cock. I guided her hand to my zipper. We continued to kiss lewdly while she fished my hard cock out. She stroked it gently.

"Suck it," I whispered. "Wrap your luxurious lips around it. Make it feel your womanliness and lust."

She did not resist as I gently guided her head to my protruding cock. She closed her lips around the head of my cock, making my cock twitch. She sucked my cock tentatively as I toyed with her hair. When she lost her shyness and started to suck eagerly, I released the brake and drove out of the parking lot.

In a few minutes, she was sucking my cock skillfully as I drove slowly through quiet streets on my way home. When I finally parked before my apartment twenty minutes later, she doubled her efforts.

"I am going to come," I announced as I felt my cock swell. "I am going to flood your hot mouth with my warm creamy come. Get ready to swallow it all, you hot sexy lady."

She sucked even harder, and my cock started to twitch.

"I am coming, baby," I grunted, holding the back of her head down. "Swallow it all, my sexy cocksucker."

She pursed her lips around the head of my cock and sucked hard as my cock spewed thick come in her eager mouth. She sucked and swallowed until my cock went completely limp. She tucked my cock inside and finally rose up, looking triumphantly as she smacked her lips sexily. I grabbed her head and kissed her hard on the mouth.

"Let's get inside so I can return the favor," I said.

She quickly straightened her dress. I opened the car door for her and took her inside.

"Sexy woman, I am going to eat you raw," I said as I locked the door behind us and turned her toward me. "Are you ready for the hottest night of your life ever?"

"Yes," she hissed breathlessly.

“Victoria, tonight you are a virgin on your first date,” I said, “and you are all mine.”

She gasped when I carried her in my arms. I deposited her onto the bed, rolling her onto her stomach.

“Get on your hands and knees, sexy,” I said as I stealthily turned on the camcorder that I had put there.

She eagerly complied.

She let me push the small of her back down, so her ass would thrust out. Hiking her dress, I exposed her ass cheeks, sexily split by her sheer thong panty. I showered her cheeks with light kisses, making her tremble.

“Is your delicious pussy ready for my tongue?” I teased, holding the waistband of her panty.

“Yes,” she hissed.

“Is it hungry for cock?” I said.

“Yes,” she hissed.

“I need to taste it first,” I said. “I promise you I’ll fuck it silly later.”

Her shy asshole and then her wet pussy peeked at me as I slowly lowered her thong. I pulled it completely off.

“You have such a dainty asshole,” I said as I pulled her cheeks apart. “Did you know that?”

“Nobody has ever mentioned that to me,” she said. “Do you really think my little asshole’s pretty?”

“I think it’s mouthwatering,” I said.

Before she knew what happened, I had planted a big smacking kiss right on her pink pucker, making her squeal. While she squealed, I swiftly lapped her wet pussy, making her gasp.

“Both your holes are sweet,” I said as I adjusted her position, parting her knees and lowering her head and shoulders to the bed to expose her hairless crack completely.

Starting with her clit, I lapped her pussy lightly, licking up her juices. She moaned and squirmed as my tongue explored her pussy thoroughly. I probed her pussy and sucked her clit and pussy lips. She oozed fresh juices, and I eagerly sucked them. I returned to teasing her pussy with my tongue, slowly making my way to her asshole. I teased the delicate skin between her pussy and asshole for a little while, approaching her pucker. She continued to gasp and tremble as my tongue tip tickled the outer edge of her puckered orifice. A minute later, I was freely licking her twitching asshole, and she was enjoying it immensely.

“You have a delicious asshole, Victoria,” I said.

“Nobody has ever done that to me,” she moaned.

“Tonight’s different,” I said. “Somebody’s going to enjoy your hot body fully. You’ll have an incredible time.”

She squirmed, pushing her ass back, as my tongue gave her asshole a serene relaxing albeit thrilling massage. Her pussy continued to leak. I occasionally lapped her oozing juices. I proceeded to probe and suck her asshole as she let out pleasure moans. After keeping her on a pleasure plateau for a long while, I started to probe and tongue lash her asshole faster. She was heading to an imminent orgasm, thrusting her ass back more urgently. I held her hips and doubled my efforts, making her shake.

“Nick, I am coming,” she gasped. “This has never happened to me before.”

She gasped breathlessly as her twitching asshole continued to receive quick licks of my tireless tongue. I continued to lick her asshole until she went limp. As she panted for air, I lapped her drenched pussy gently.

“That was wonderful,” she panted.

“Indeed,” I said. “Your cute little asshole’s so responsive and delicious; I am going to enjoy playing with it.”

Lying on my back, I pulled her onto me in the sixty-nine position. I occasionally licked and sucked her asshole while eating her pussy through a new orgasm as she worked on deep throating my cock, succeeding within a few minutes. She eagerly stuffed my cock down her throat.

“I love your big juicy cock,” she moaned. “I can suck it all night.”

“I am sure you can, and I’d love it, but I have bigger plans for my girlfriend’s hot slut mom,” I said.

After sucking her pussy dry, I rolled her onto her back and knelt between her legs.

“I’ve never cheated on John,” she said as I slid the underside of my shaft back and forth along her pussy lips.

“You don’t have to cheat on him,” I said. “I am just going after your hot ass. I’d love to fuck your horny little pussy to oblivion, but I am not going to fuck it unless you want me to.”

“I want you to,” she said weakly.

“In this case, you have to guide my cock into your juicy pussy,” I said, guiding her hand to my cock.

Holding my shaft, she maneuvered my cock head between her pussy lips. When she held it against her pussy hole, I thrust gently, pushing my cock head in and making her grunt softly.

“If you really need me to fuck your hot married pussy, beg me to,” I said as I paused momentarily.

“Please fuck my horny married pussy,” she begged.

“You got it, my hot married slut,” I said, thrusting gently in her pussy.

My hard shaft slid slowly into her stretched pussy. I was soon all the way in. I paused a little, letting her get used to getting stuffed so tightly.

“You are filling me up with your big fat cock,” she gasped.

“Your hot tight little pussy feels so good around my big cock,” I said. “When I am through with it, it will be hotter and wetter but loose.”

“That’s what you should do to it, lover,” she moaned. “You should fuck it senseless.”

“Do you want me to make you come like a whore, you hot slut?” I teased as I started to fuck her pussy.

“Yes,” she hissed, trembling.

“I am going to make you forget you’ve ever been fucked before,” I said.

“Yes,” she hissed. “Fuck me, baby. Use me with your big cock.”

Leaning forward, I fucked her slowly but deeply, getting my cock bathed in her juices. I gradually increased the pace until my balls were slapping her asshole audibly. I fucked her faster and faster, shaking her body and the entire bed with every thrust. Within two minutes, she was convulsing in a wild orgasm. I fucked her until she calmed down, and then I pulled out.

While I lapped her copious juices, I let her suck two of my fingers. I worked those fingers into her pussy and finger fucked her slowly while licking her clit. I tongue fucked her while I let her suck her juices off my fingers. I returned my fingers to her pussy and drenched them with her juices. I gently pushed my middle finger into her ass. I tongue lashed her clit until my fingertip popped inside her ass. I pushed my index finger in her pussy and slowly worked my fingers in and out of her until I had my middle finger all the way up her ass. Her holes milked my fingers hungrily. I teased her clit with my tongue until she was close to orgasm. I gently removed my fingers from her holes and sucked them both while looking into her eyes.

Holding her ankles against my shoulders, I fucked her pussy through another quick but hard orgasm. I removed my dripping cock from her pussy and used my cock head to tease her asshole, making her gasp. I dipped my middle finger into her pussy and pushed it into her ass. When it was halfway in, I started to pump it gently.

“Your tight ass is still virgin, isn’t it?” I asked, looking in her eyes.

“Yes,” she hissed.

“You know that’s going to change tonight, don’t you?”

She just trembled, her asshole clamping at my finger.

“Are you a little nervous?” I asked as I gently massaged the inside of her asshole.

She nodded.

“Don’t be,” I said. “I am not going to rush it because I am enjoying every second of it. I am not going to put my cock in your ass until your ass is completely ready and begging for it. It’s going to be pure fun. I think you can handle violent orgasms. Don’t worry if you can’t; I’ll get you used to them. You are my hot married slut after all.”

She gasped softly as I popped my fingertip out of her ass. I brought my finger to her mouth, and she did not hesitate to suck it. I pushed her knees against her chest and guided her hands to hold her legs like that. I pushed my cock into her wet pussy and proceeded to drill it to orgasm. When I pulled out, her asshole was already drenched in her pussy juices. I teased it with my glistening cock head for a little while, making her squirm and gasp. Pulling back, I shoved two thick pillows under her ass, tilting her ass up and making it possible for me to see her face while licking her asshole. I lowered my mouth to her ass and proceeded to lick her asshole for a few minutes, frequently looking in her eyes. She continued to squirm as her asshole twitched under my tongue. I finally raised my head and reached out for the lube, which was sitting on the nightstand.

“I am going to give your asshole a relaxing massage so I can play with it while I fuck your pussy,” I said as I squeezed lube onto my fingers. “We’ll both love it.”

She looked at me as I teased her asshole with my slippery fingertips. I took my time lightly stroking her anal pucker with my fingertips, feeling the texture and enjoying her reaction. After a minute of that, I applied light pressure to massage her asshole and make it relax. I increased the pressure gradually but continued to tease her asshole occasionally. Her asshole relaxed under my fingers. I probed it with my fingertip for a minute without allowing the fingertip to pop inside. Adding more lube, I allowing my fingertip to pop in, making her gasp softly. I repeatedly but gently pumped my fingertip in and out of her ass, working more lube inside her asshole. After a minute of teasing her anal opening, I allowed my finger to slowly but surely slide all the way in. I gently fingered her instinctively milking asshole, loosening up her sphincter while working more lube inside. She moaned quietly.

“You have such a fun loving asshole,” I said, looking in her eyes. “I am very lucky to find it virgin.”

“I’ve never let anybody touch it like that,” she moaned.

“I appreciate that,” I said. “You knew they had no business touching it.”

“You think my daughter’s boyfriend has business touching my asshole?” she said.

“We both think so,” I said. “That’s why we are both having a good time as I toy with it.”

After a few minutes, she became very comfortable with my finger pumping and reaming out her asshole. I gently squeezed a second finger in. I slowly corkscrewed my fingers all the way up her ass. I held my fingers inside her ass and lapped up her leaking juices until she relaxed. I slowly pulled my fingers out and removed the pillows.

“Ride my big cock, baby,” I said as I lay back. “Get your horny little pussy fucked.”

She rode me in the cowgirl position. While she bounced on my cock, I slipped a middle finger up her ass and fingered her until she had a wild orgasm. When her asshole quit twitching around my finger, I removed my finger and let her suck it. I helped her get off me and guided her head to my glistening cock. She was eager to suck her juices off my cock thoroughly while I teased her pussy and ass.

“Are you ready for me to fill your pussy with come?” I asked as I fucked her pussy with two fingers.

“Yes,” she hissed, taking her mouth off my cock.

“You know I am going to come in every hot hole you have, don’t you?” I said.

“Yes,” she hissed, trembling.

“Are you excited about being my married come slut?” I teased.

“Yes,” she hissed.

“You are a good slut, Victoria,” I said. “We’ll both enjoy that.”

“You are a horny guy, Nick, and I love that,” she said.

“A nice guy can’t handle a cock-craving slut, can he?” I teased.

“I don’t think so,” she said.

“Victoria, promise me you’ll enjoy tonight as much as you can and be the dirtiest whore you can for me,” I said.

“I promise,” she said.

“Thank you,” I said. “That will make it an incredible night for the two of us.”

“It’s already an incredible night for me,” she gasped. “I don’t think I’ve ever had so much fun.”

“That’s expected,” I said. “I am the horniest guy you’ve ever met. I’ll make you forget all the sex you’ve ever had. Tonight, you are going to get fucked royally. I want you to know that we haven’t actually started.”

“I love how you fuck me, Nick,” she gasped. “I am going to come on your big cock.”

“You do that, you hot slut,” I said. “You come for me, and I’ll come for you and flood your hot little pussy.”

“I am coming for you, Nick,” she gasped, stiffening. “Come for me. Pump your hot come deep in my pussy.”

“Brace yourself, Victoria,” I said, pounding her pussy hard. “I am going to pump your little pussy full of come.”

She was on her back, her legs under my shoulders, coming, when my thrusting cock swelled and spewed come deep inside her convulsing pussy. After draining my come inside her, I straddled her face.

“Suck it clean, you sexy bitch,” I instructed. “Show me how much you love my big cock.”

She gladly licked and sucked my cock clean. I dismounted her and used my fingers to scoop come out of her.

“Let’s see how dirty you are,” I teased as I offered her my gooey fingers.

“I am a very dirty slut for your big cock, Nick,” she smiled.

“You are a dirty come slut, Victoria,” I said as she took my finger into her mouth.

She moaned around my fingers, sucking them thoroughly. I did that repeatedly, and she eagerly licked the come off my fingers, cleaning out her pussy. I had two fingers up her ass as I ate her freshly cleaned pussy to orgasm. By then, her asshole was milking my two fingers comfortably and happily.

As I gently worked my fingers in and out of her ass, I added lube and worked it inside her rectum. She squirmed and moaned while my fingers fucked her ass smoothly. I occasionally licked her leaky pussy and sucked her pussy lips, savoring her juices. I pumped and twisted my fingers within her ass, reaming her tight asshole out wider until she was ready for a third finger.

While adding a generous amount of lube on my fingers, I squeezed my ring finger in. She froze and held her breath as my three fingertips penetrated her asshole. She relaxed again as I gently worked my fingers in and out, driving them slowly inside. A couple of minutes later, I had my three fingers all the way up her ass. A minute later, I was fucking her ass with the three fingers while occasionally licking her clit until she came violently. While she calmed down, I cleaned her drenched pussy with my tongue, gently pumping my fingers in her ass. I finally removed my fingers from her ass, letting her orifice close softly but remain totally relaxed.

“Your horny ass is all ready,” I said as I let her suck my fingers. “Make my cock ready for it.”

She glanced at my cock, which was very hard and pulsing with lust. I helped her sit up as I stood up, bringing my cock to her face.

“I’ve never seen a cock this ready,” she said, eyeing my cock intently while slowly stroking the shaft with her right hand. “It’s drooling like a loose faucet—just like my pussy.”

She opened her mouth and engulfed my glistening cock head. I thrust gently as she sucked my cock, slowly taking it deeper and deeper in her mouth. Soon my cock head was dipping again and again in her throat while her eager, skillful mouth worked smoothly on my entire shaft. I lightly placed my hand on the back of her head as I fucked her throat nice and deep. She happily moaned around my cock.

“That’s it, baby,” I encouraged softly. “Make it hard and big, so it can stuff your horny virgin ass.”

She sucked my cock harder for a few more minutes.

“Now you need to lube it generously and make sure it’s slick enough to slide all the way up your tight asshole,” I said as I removed my cock from her mouth and gently slapped her face with it.

She grabbed the lube and squeezed a generous amount along the upper side of my cock. She slowly rubbed the lube all over my cock, looking at me seductively.

“You really want it in your ass, don’t you, you hot slut?” I teased.

“Yes,” she hissed excitedly.

“Lie back, baby,” I said as I playfully pushed her head back, making her fall onto her back.

As I knelt down, I pushed her knees against her chest. I moved forward, almost letting my cock head touch the glistening opening of her ass.

“Guide my cock in,” I teased. “Show me you are my bad girl tonight. Show me that you are my whore.”

She reached with her right hand for my cock. Holding my cock by the shaft, she touched my cock head to her asshole, letting out a soft gasp.

“Take a deep breath and hold it in,” I said as I applied light pressure to her asshole. “Relax. You’ll love it.”

Her asshole tightened reflexively but remained a little relaxed. I waited for several seconds as her asshole got used to the blunt pressure of my cock head and started to open up. I could feel my cock head sink slowly. She let out a soft grunt as my cock head popped past her sphincter. Her asshole clamped defensively as it started to lose its virginity. I paused and used my thumb to tease her clit. That made her gasp and made her asshole twitch. She was still holding my cock. I guided her hands to her cheeks. She took the hint and spread her ass.

“Push out gently,” I instructed. “Try to push my cock out only with your anal muscles.”

She pushed out, and her asshole relaxed. I gently but firmly pushed forward, sinking my cock deeper.

“That’s it,” I encouraged, watching my cock slide deeper and deeper. “Keep pushing. Let’s impale your hot ass.”

She concentrated and kept her ass open until my cock was almost all the way up her ass. The resistance of her rectum increased, and I paused for a few seconds.

“Push, baby,” I said as I pushed more firmly, driving my cock slowly the rest of the way in.

She grunted as my last push buried my cock balls deep up her ass. I paused, savoring the heat and tightness of her virgin insides. My cock throbbed and leaked deep inside her ass.

“Congratulations,” I smiled. “You have your once-virgin ass fully impaled on my big cock. How does it feel?”

“I feel as if I was impaled on a telephone pole,” she said.

“Does it hurt?” I asked.

“No,” she said. “It feels good in a new way.”

“Do you want me to fuck your hot ass?” I teased as I thrust gently without actually moving my cock in and out.

“Yes,” she hissed.

“Do you want me to make you my ass whore?” I teased.

“Yes,” she hissed.

“I will,” I said. “You are a very sexy woman; you can make a wonderful slut. Let’s start by letting you alternate between squeezing your horny asshole when I pull back and relaxing it by pushing out when I push forward.”

As she complied with my instructions, her asshole relaxed enough for me to slide the last inch of my cock in and out of her ass comfortably. As her asshole milked my cock tentatively, I used ever-longer strokes, burying my cock up her ass with every thrust. Her asshole relaxed as it got used to my cock.

In a few minutes, I was actually fucking her ass at a nice pace. She moaned and fucked back as if I was fucking her pussy, but that was only the beginning. I leaned forward, holding her legs under me, and smiled at her, enjoying her ass as I pumped it deeply.

“If your ass was not made for cock, I don’t know what was,” I said, “and this is only your first time.”

“It feels so good,” she gasped.

“It will only feel better as your anal talents awaken,” I said. “Your body was made to be enjoyed limitlessly. You’ll love getting fucked up the ass like a cheap whore. Your ass will get addicted to coming hard on my big cock, and my big cock will love coming deep inside it to quench its thirst for hot thick come.”

“Your dirty talking makes me so hot,” she gasped.

“You are really enjoying your first ass fuck, aren’t you?” I teased.

“Oh, yes,” she gasped. “It’s so intense and hot.”

“Fucking your fresh ass is so enjoyable,” I said. “I really appreciate your giving me this very special treat. This is the first time such a sexy mature woman becomes my slut. You are a wonderful woman.”

She fucked back happily as I quit talking and concentrated on fucking her and heeding her reactions. I employed a nice rhythm, skewering her ass deeply with every solid thrust. She fucked back lustily. She gasped and grunted, holding her ass open for me. I gradually stepped up the pace as she approached orgasm.

She gasped breathlessly and stiffened seconds before her orgasm hit. While she convulsed in a violent anal orgasm, I drilled her ass vigorously. I slowed down the pace as she calmed down. I fucked her ass gently while she recovered, panting. I lowered my head and kissed her on the mouth. My cock continued to pump her ass slowly as we sucked each other’s tongue lustfully.

“That was wonderful,” she gasped as we broke the kiss.

“*You* are wonderful,” I said. “Your hot ass was definitely made for my big cock.”

“I think so too,” she gasped.

After a couple of minutes of rest, she started to respond to my thrusts. Soon we were fucking seriously. I pounded her ass through another orgasm. While she panted, I popped my cock out of her ass and raised her ass to my mouth. I gave her ass a French kiss, sinking my tongue far as it could up her relaxed asshole. She moaned, and her ass kissed back.

“What a tasty asshole!” I said as I lowered her ass down. “You are such a hot slut.”

“You are so wild,” she said.

Before she had finished her sentence, I was astride her chest, guiding my cock to her mouth. She hesitated for a second before she opened her mouth. I leaned forward and fucked her mouth gently. Before long, I was fucking her eager throat rhythmically.

“Get on your hands and knees,” I said as I dismounted her. “You need to get fucked like a bitch in heat.”

She complied readily, and I adjusted her position for optimal anal penetration.

“Most whores get fucked up the ass in this position,” I said as I redressed her asshole in lube.

She trembled as my cock head touched her asshole and grunted as it popped inside.

“I am sure you’ll love getting fucked like a whore,” I said as I held her hips and drove the rest of my cock up her ass. “Do you think you will?”

“Yes,” she hissed, fucking back.

“You look so beautiful with my cock stretching out your horny once-virgin asshole,” I said, parting her cheeks. “I am proud of you, my sexy whore.”

“Your big cock feels so good up my no-longer virgin asshole,” she gasped.

She gradually took control as I opted to thrust gently to meet her strokes. I intervened only when she started to lose control to her orgasm. I held her hips and made sure her ass was drilled deeply throughout her orgasm. When she finally collapsed, letting my cock pop out of her ass, I had her turn around and fed her my cock. She was soon rocking back and forth, getting her throat fucked. I reached forward and fingered her swaying ass with two fingers.

After sucking my fingers and slapping her face with my sticky cock, I lay back and let her ass ride my cock in the cowgirl position. As she established her rhythm, I busied myself with taking off her dress and bra. I reached for her bouncing tits and held them. I raised my head and sucked her erect nipples one after the other, making her asshole twitch. I lay back and kneaded her tits while fucking her back. She was soon bouncing wildly.

“You are enjoying getting fucked up the ass with the very cock that has deflowered both your daughters’ every hole, aren’t you, you hot sexy whore?” I teased.

“Yes,” she gasped, smiling lewdly. “My daughters are very lucky to be deflowered with your incredible cock.”

“Come for me, you slut,” I urged, pinching her nipples.

After she came, we kissed sinfully. I had her turn around without taking my cock out of her ass and ride me in the reverse cowgirl position. I played with her tits and leaky pussy until she came. When she came, she collapsed onto me. I rolled us over, laying her on her stomach underneath me.

In that position, I gave her a long, slow ass fuck, making her come three times. I drilled her convulsing ass vigorously, doubling her third orgasm. I continued to fuck her ass until she recovered. I plopped my cock out of her ass and gave her asshole a long deep kiss. She rolled over, and I lapped her drenched pussy before we kissed.

We continued to kiss while I helped her off the bed and had her sit back on the floor and lay the back of her head against the edge of the bed. I straddled her and fed her my cock balls deep. She held my hips, and I started to fuck her throat. After a few minutes, I dismounted her and knelt down. I sucked her nipples, one and then the other. I lowered my mouth to her pussy and licked it for a minute. She held my head tightly.

She pulled her legs back when my tongue slid down towards her asshole. While licking her asshole, I maneuvered her onto her knees and pushed her head and shoulders down to the floor, making sure her ass faced the video camera directly. I also guided her hands back to her ass. While she spread her cheeks, I tongue fucked her ass for a few minutes, drooling inside her rectum. In the end, I squeezed lube onto her relaxed pucker and used my cock head to work it in.

Bracing my hands on the bed, I pumped her ass deeply. My balls soon slapped her sticky pussy rhythmically while she moaned and grunted, thrusting her spread ass back. She came within a few minutes. Her asshole gaped when I pulled out. I alternated between fucking her ass and using my fingers to ream out her asshole, frequently drooling inside her open rectum.

Her asshole gaped wider and wider until I was able to spit right inside her open rectum from two feet above. I drilled her ass through her wildest orgasm that night. While she came, I pumped her twitching rectum full of my come, making her come even harder.

“Squeeze your ass tightly,” I said. “Swallow all my come up your rectum.”

While her asshole milked my cock, I thrust in her ass until my balls were drained. When I pulled my cock out, her sticky asshole closed shut with a soft pop, but looked very relaxed. I thoroughly cleaned her drenched pussy with my tongue before I dipped two fingers in her slimy rectum. I let her suck the come off my fingers.

She was on her knees when she sucked my cock clean. I sat at the edge of the bed and pulled her head back to my cock. She continued to suck until my cock was hard again.

“It was so much fun fucking and coming inside every one of your fuck holes,” I said. “You are now a real slut.”

She just moaned around my cock in acknowledgement.

“Give me a kiss, my slut,” I said, pushing her head off my cock.

We kissed very lewdly, and I fondled her tits and pinched her nipples.

“I am not through with your hot fuck holes,” I said, pulling her up.

In the following hour, I fucked her pussy and ass in different positions. I always fucked her mouth after either hole came over my cock.

“I want to conclude this wonderful night by fucking your wonderful tits,” I said, laying my cock between her tits as she lay back. “All of your hot body was made for cock—my big cock.”

“I love your big cock,” she said.

She squeezed her tits around my cock, and I thrust along her deep cleavage. She propped her head up to watch my cock and lick the head whenever it emerged at the end of her cleavage. My cock swelled and shot its first spurt on her neck and chest. I removed my cock from her cleavage and spewed the rest of my come onto her tits. I wiped my sticky cock head on her face before I had her suck it clean.

“Rub my come into your flesh,” I said, dismounting her.

She rubbed my come into her tits, chest, neck and face and then licked her fingers.

“Now I have a gift for you,” I said as I retrieved a contact lens for her. “While keeping your butt full, it allows peeking inside it. Get on your hands and knees.”

“You are so wild,” she said, smiling, as she got into position.

It took no effort to lube her relaxed asshole and pop the butt plug into her ass.

“Nice view,” I said, looking at the reddish pink inside of her ass with the pearly come lining. I planted a light kiss on her cheek. “How does it feel?”

“It feels nice,” she said as she sat up.

“Now that your hot lovely ass has been deflowered, you need to take special care of it during the break-in period,” I said. “The break-in period’s four to six weeks, during which you should wear this butt plug daily for an hour and exercise your anal muscles. You should also get fucked up the ass every three to four days. That’s at least ten times. Fucking you up the ass has to be done very carefully during this period. Do you want me to do it?”

“Sure,” she said. “Whom else can I go to anyway?”

“You can always go to your husband,” I said.

“Oh, no,” she said. “He’d think I am a slut.”

“We don’t want him to know that,” I teased, smiling.

“Of course not,” she said seriously. “It’s going to be our little secret.”

“Let’s take you home,” I said as I gave her the dress. “It isn’t appropriate for you to wear those after getting fucked this long and hard. By the way, I don’t want you to wear any undergarments on our future dates; I want you to wear the plug. It’s also advisable to take a warm cleansing enema a few hours before our dates.”

“Okay,” she said.

It was late when I parked before their house. The house was totally dark. We had a long deep kiss before I walked around the car and opened the door for her.

“I hope I can get up early enough for church tomorrow,” she said.

“You sure don’t want to miss it after all the sins we’ve committed tonight,” I laughed. “Don’t forget to wear your butt plug when you go to church to remind yourself of what a dirty sinner you’ve been.”

“You are so bad,” she said.

“I suppose everything went well,” said Beth over the phone. “Mom stayed out very late last night, and today she looks like I do after we have a marathon sex night.”

“No comment,” I said. “Why don’t you find out on your own?”

“I will,” she said.

“What do you think of Nick?” Beth asked her mom later that day while I was busy fucking Lisa’s ass open.

“He’s a nice guy,” Victoria said.

“Did he show you a good time?” asked Beth.

“Yes, we had a great time,” replied Victoria.

“I can see you are glowing today,” said Beth. “Do you think he’d be a good lover?”

“How could I tell?” Victoria said, taken off guard.

“Judge by your own experience,” said Beth. “You can’t hide the fact that he made love to you last night.”

Victoria went through a few shades of red as she blushed.

“I am not mad,” said Beth. “I only need your opinion. Was he good?”

“He was great,” said Victoria, shyly gazing down. “I am so much ashamed of myself for doing that.”

“Don’t be,” said Beth as she held her mom and kissed her on the cheek. “I am proud of you. You don’t have to be dead for being my mom. I am so proud of having such a sexy mom who can show a horny young guy like Nick a wild time. Mom, you are really something.”

“Are you really not mad at me?” asked Victoria shyly.

“Of course not,” said Beth. “I’d never be mad at you for having enjoyed yourself.”

“Thanks, Beth,” breathed Victoria.

“He took your anal virginity, didn’t he?” asked Beth.

“Yes,” hissed Victoria, embarrassed.

“Was it painful?” asked Beth.

“No,” said Victoria, shaking her head.

“Did you enjoy it?” asked Beth.

“Yes,” hissed Victoria.

“Did he make you...reach orgasm?” asked Beth.

“Yes,” said Victoria.

“Was it the best sex of your life?” asked Beth.

“Yes,” said Victoria shyly.

“In this case, I’ll accept his marriage proposal,” said Beth.

“He proposed to you?” asked Victoria.

“He did,” said Beth, showing her engagement ring to her mom. “He gave me this ring.”

“Congratulations to both of you,” said Victoria, hugging Beth. “I am sorry about what happened last night. I didn’t know he asked you for marriage.”

“Thanks, mom,” said Beth. “Don’t be sorry about last night though. You had a good time. Keep it up.”

“Are you serious?” asked Victoria.

“Of course, mom,” said Beth. “I am happy for both of you. Keep enjoying each other and don’t you worry about me; there is so much of him to go around.”

Beth left, leaving her mom pondering the new situation.

When I arrived to pick up Beth on Monday, she was not ready yet. While I waited for her, I bumped into Victoria. I turned her around and cupped her tits while grinding my crotch into her ass.

“Don’t do that here,” she said, trying to wiggle away.

“Is my hot slut ready for tomorrow?” I whispered in her ear, ignoring her attempts to break away.

“Are we going out tomorrow?” she said.

“It’s more like going in and out,” I smiled. “Are you ready for it?”

“Yes,” she hissed.

“Are you practicing?” I asked.

“Yes,” she said.

“You are such a good girl,” I said as I let her go.

“You are such a bad boy for going after a married woman,” she teased.

“It’s so much fun someone has to do it,” I smiled. “Isn’t it cool?”

“It’s hot,” she smiled.

Beth and I went out for dinner. After dinner, I took her home where I enjoyed her horny body for a few hours, filling her with come through all her holes.

“Your mom left these here,” I said, giving her Victoria’s bra and panty.

“She’s a naughty girl,” she smiled, shoving the underwear into her purse. “I almost forgot to tell you that my aunt Elizabeth’s throwing an engagement party for us next Saturday. We have to be there.”

When I picked up Victoria on Tuesday, I made sure she was wearing nothing under her dress but the butt plug. When we got into the car, I planted a red rose between her tits. When we parked at the restaurant, I gave her a long kiss. While we kissed, I fingered her wet pussy, and then I had her suck my sticky fingers.

When we finally got to my place, I had her take out the plug and suck my cock. While she did, I licked her pussy and ass. When she finished sucking my cock, she smiled mischievously as she dismounted me and grabbed the lube. My cock slid smoothly up her ass. Her poor leaky pussy was mostly neglected: I only fucked it through three orgasms, but I did not neglect to deliver a come load deep inside it. In the end, the butt plug locked the remnants of three come loads up her well fucked ass.

“By the end of your break-in period, you’ll be wilder than a cheap whore,” I said as she swallowed my last come load with sheer hunger.

“I love being your whore,” she moaned, looking up at me as she sucked her sticky fingers.

“That’s one reason why I love you,” I said, slapping my softening cock on her face.

Beth, her mom and her sister got fucked for an entire night each before the engagement party which Elizabeth hosted at her house. The party was women-only; I was the only man there. Elizabeth introduced herself and her teenage daughter Vicky to me. Vicky winked as she shook my hand. She was one of Lisa’s friends whom I deflowered on my birthday. She was a good girl, wearing fishnet stockings and her anklet. I assumed she was also wearing her contact lens. There were other good girls too. I was surprised to see mom, my sister Alex and my aunt Leanne. The clothes were combinations of thin, transparent, short and tight. Cleavages and legs were abundant.

Being the only man there, I had the honor of dancing fast and slow with every woman and girl there in a darkened corner of the living room, including my mom, sister and aunt. I had the pleasure of squeezing every pair of tits against my chest and even feeling up a few asses to make sure the good girls had their contact lenses on. They all did, and they all politely ground their crotches against mine.

ANOTHER CHALLENGE

After the party, Beth was ready to fuck. She surely was not the only one, but she was the lucky one.

“Aunt Elizabeth was very courteous and generous to us,” Beth said as I drove her home.

“Yes,” I said. “She’s really a nice lady.”

“Did you guess that she would be next inline?” she asked.

“Inline for what?” I asked.

“The line of anal virgins,” she said nonchalantly, catching me off guard. “She’s your next mission.”

“Wish me luck,” I said after a few seconds of thought.

“I always do,” she said. “I am not trying to make you fail. I’m sure you can do it. I believe in you.”

Consequently I invited Elizabeth and Victoria to a thank-you dinner on the following Saturday. I picked up both at their houses, starting with Victoria. Naturally Victoria complied with the GASP regulations. She eagerly sucked my cock on the drive to her sister’s. I took them to a nice restaurant, and they loved the setting and the food. Afterward, I suggested going to a quiet nightclub.

Having danced with me on the last weekend, Elizabeth did not object. I danced with her first until her body molded to mine. I complimented her and flirted with her lightly while we danced. When I danced with Victoria, she ground her pussy into my boner to orgasm while I fondled her ass, tugging on her butt plug.

“Why don’t I take you to my apartment and make wild passionate love to you?” I suggested, laughing.

“That sounds good to me,” Victoria said.

“I’d rather go home,” said Elizabeth.

“Come on,” encouraged Victoria. “How often do you get to have a fun night out?”

Taking it in good faith, Elizabeth did not protest.

They sat on the sofa. I served them drinks and sat across from them.

“Victoria, baby, why don’t you come over here and get us started,” I said, beckoning with my finger.

“Sure, Nick, baby,” smiled Victoria as she put her drink down.

Elizabeth was shocked when Victoria got down on her hands and knees and seductively crawled to me around the coffee table. Victoria knelt before me, thrusting her ass toward her sister. Open-mouthed with disbelief, Elizabeth watched her sister unbuckle my pants and unzip my fly. Victoria was blocking Elizabeth’s view, so Elizabeth did not see her fish out my hard cock and take it in her mouth.

“Are you serious?” said Elizabeth in shock as she saw Victoria’s head bob up and down and heard the unmistakable sounds of cock sucking. “Are you, guys, nuts?”

“Take it easy, Elizabeth,” I said, enjoying the feel of Victoria’s mouth on my cock. “We are just having fun.”

“Victoria, he’s your daughter’s fiancé for crying out loud,” Elizabeth said in resentment. “He’s going to marry your daughter. He’s your future son-in-law. You, guys, are sick.”

“That’s why,” said Victoria, briefly taking her mouth off my cock. “Hadn’t he been my future son-in-law, I’d have never done this with him. I’d never cheat on John—not with a stranger.”

“You are nuts,” said Elizabeth. “Anyway, that’s none of my business. I am calling a cab.”

“Relax, Elizabeth,” I said. “You are not going anywhere. I am not going to send you home angry. Try to look at it in our point of view.”

“That’s not my business,” Elizabeth said. “Just get me out of here.”

“You are not leaving until you watch me with your sister,” I said. “We are not forcing our opinion upon you, but we are not letting you go until you’ve seen it all, so you can form a mature opinion.”

“Please let me go,” she said. “I don’t want to form any opinions.”

“Go back to your seat,” I said to Victoria, pushing her away.

As Victoria returned to her seat next to her sister, I took off my pants and briefs. I walked with my cock bouncing before me to Victoria and thrust my cock in her face. She eagerly opened her mouth and took my cock in. I fucked her throat for several minutes.

“Can you see anything wrong with this?” I said to Elizabeth.

Elizabeth sat silently, looking away. Victoria sucked my cock noisily for a long time, occasionally slapping her face with it. I thrust in her throat enjoying her oral skills. We did it long enough for Elizabeth’s curiosity to take the best of her. She started to steal glances at us. Within several minutes, she was watching me fuck her sister’s throat.

“You see?” I said. “It isn’t so bad.”

Elizabeth did not talk. She looked away for a few seconds, but her eyes returned soon to the oral scene. I continued to fuck Victoria’s mouth until Elizabeth started to forget to swallow occasionally. She was getting consumed in watching her sister suck my cock.

“Your sister’s a hot cocksucker,” I said. “She loves sucking my big juicy cock.”

Victoria moaned affirmatively.

“Do you think we can let her go?” I asked Victoria, taking my cock from her mouth.

“I don’t think so,” she said as I rubbed my cock head over her face. “If we did, she’d tell on us.”

“Of course not,” said Elizabeth. “There is no way I can tell on you. I swear I won’t.”

“That isn’t good enough a guarantee,” said Victoria as she stroked my cock with one hand and palmed my balls with the other. “You need to do better than that.”

“What do you mean?” asked Elizabeth.

“If you are part of it, we know you can’t tell anybody,” said Victoria. “You can show your seriousness by kissing his cock or sucking it.”

That shocked Elizabeth, especially as I moved to the left and thrust my hard cock in her face.

“Come on, kiss it,” urged Victoria.

“I can’t do that,” said Elizabeth, swallowing hard. “I’ve never cheated on Ed.”

“Do you think I’ve ever cheated on John?” asked Victoria, gently nudging the back of her sister’s head forward with her right hand as she stroked my shaft with her left hand. “Just kiss it and lick it a little. Look how big and juicy it is. Come on, do it before it gets soft. It isn’t a big deal, and Ed doesn’t need to know.”

When Elizabeth looked down at my cock, the three of us knew she was gone. I pushed my cock forward until its head touched her lips. She kissed it lightly and then licked it tentatively.

“Hold it,” instructed Victoria as she guided Elizabeth’s left hand to my shaft while she kept her right hand behind Elizabeth’s head. “Don’t be afraid. Open your mouth and give it a real kiss.”

Elizabeth licked my leaky cock head a little more and then opened her mouth, taking it in. She gently sucked the bulbous head. I thrust gently into her mouth while she continued to suck. She got more and more into it. She soon held my butt with both hands and started to pull me deeper into her mouth.

“That’s it, sister,” encouraged Victoria, letting Elizabeth’s head go. “Suck that big juicy cock. Indulge.”

Before long I was fucking Elizabeth’s mouth deeply. She deep throated me skillfully after a short struggle.

“Your sister’s a real cocksucker,” I said. “It won’t be easy to take my cock out of her amazing mouth.”

“Don’t take it out,” laughed Victoria. “I don’t think she minds that one bit.”

Elizabeth sucked my cock for over ten minutes, and she was only getting hotter.

“Does your sister drink come?” I asked Victoria, thrusting deep in Elizabeth’s throat. “I can’t resist her talented mouth much longer. I really want to flood her hot mouth with my hot creamy come.”

“She does, but you don’t want to do that,” Victoria said. “Come all over her face, and I’ll feed her the come with my tongue and fingers.”

“That’s a great idea,” I said. “Elizabeth, when I pull out, open your mouth and tilt your face up.”

Elizabeth doubled her efforts, working her head back and forth. I fucked back briskly. A few minutes later, my cock swelled, getting ready to come. As soon as it started twitching, I pulled back. She opened her mouth and stuck her tongue out. I came immediately. Unrestrained, my cock rose up repeatedly, spurting thick come onto her offered face. When my come supply diminished, I pushed my cock into her mouth. She closed her lips and sucked hard as I thrust in her mouth, draining the rest of my come.

When my cock popped out of Elizabeth’s mouth, Victoria pounced on her. She wiped a thick string of come off her sister’s face and fed it to her. Elizabeth sucked her sister’s finger eagerly. Victoria licked another thick string of come off Elizabeth’s face and offered Elizabeth her tongue to suck. Elizabeth sucked the come off Victoria’s tongue without hesitation. That was how Victoria cleaned her sister’s face.

Elizabeth cooperated when I hiked her dress up and pulled down her panties.

“I am going to make you come in my mouth just like you made me come in yours,” I announced.

She did not resist when I pulled her ass to the edge of the sofa and dived between her thighs. She started to moan, sometimes around Victoria’s tongue. Her pussy leaked liberally onto my tongue. Victoria left no trace of my come before she pulled back. She pulled Elizabeth’s left leg way back, and I had Elizabeth pull her right leg up.

Pulling her cheeks apart, I occasionally checked out Elizabeth’s shy virgin asshole. I teased her asshole with my tongue tip a few times, each time making her gasp, and then returning to her pussy.

“Having fun, sister?” teased Victoria as she saw my tongue assault Elizabeth’s asshole repeatedly.

“Yes,” hissed Elizabeth quietly.

Grabbing Elizabeth’s ankles and pushing her legs way back, I solidly went after her asshole. She stiffened and wiggled for many seconds, but her resistance waned quickly. She gave up and started to enjoy herself. I slowed down and started to enjoy the feel and responsiveness of her innocent asshole.

Victoria got off the sofa and started to stroke my cock. Elizabeth gradually lost her shyness and pushed her ass boldly for more of my tongue. I occasionally lapped up her leaking pussy juices. After a little while, I started to lick her asshole aggressively. She insistently advanced toward orgasm. She stiffened and gasped as she came. Her asshole twitched uncontrollably around the tip of my tongue. I thoroughly cleaned her drenched pussy with my tongue. She looked so happy and relaxed when I finally pulled back. She smiled faintly at me.

“You need to get his cock ready for me,” Victoria said to Elizabeth.

“With pleasure, but it looks too ready for me” said Elizabeth as she sat up expectantly as I offered her my cock.

“Making it ready isn’t always hard work,” said Victoria.

While Elizabeth sucked my cock, Victoria removed her butt plug and climbed onto the sofa. She stood on the sofa and bent over, bracing her hands on the back of the sofa and thrusting her ass in my face. I gladly ate her pussy and asshole. I held her ass with my right hand while I held the back of Elizabeth's head with my left hand. Victoria came while I tongue fucked her asshole.

Victoria got down on her knees, kneeling next to her sister, and laid her head on the backrest, thrusting her ass out. I pulled out of Elizabeth's mouth and guided her left hand to Victoria's right ass cheek.

"Pull her cheeks apart as you guide me in," I said, guiding Elizabeth's free hand to my cock.

Victoria's asshole was so relaxed it almost gaped. As my cock approached it, I drooled onto it. My drool soaked her asshole and leaked down to her pussy. Elizabeth guided my cock head toward Victoria's pussy.

"Up, up," I instructed Elizabeth.

She was confused as she pulled my cock a little up.

"Up a little more," I directed.

She tentatively raised my cock until its head was in line with Victoria's asshole.

"Now guide it in," I said to Elizabeth, pushing forward until my cock head touched Victoria's asshole.

Elizabeth was shocked as she pressed my cock head into her sister's asshole. Victoria's asshole opened up, and my cock head popped in, making her gasp softly. Elizabeth looked at me in surprise as she saw that happen.

"Good girl," I said to Elizabeth, guiding her right hand to Victoria's left ass cheek. "Now spread her ass open."

As Elizabeth spread her sister's ass open, I made a long thrust, sinking my cock balls deep up Victoria's ass, making her grunt. I paused for a few seconds, and Victoria milked the base of my cock. I fucked her with long, smooth thrusts. Elizabeth watched in awe as my thick shaft pumped her sister's stretched asshole.

"Her sweet little asshole's perfect for my big cock, isn't it?" I said.

"I don't know how it can fit," said Elizabeth.

"It's very natural," I said. "Women's hot assholes were meant to be fucked with big fat cocks."

"Doesn't it hurt at all?" she said.

"You can't hurt something by using it for what it was made for, can you?" I said.

"Women were meant to be fucked in the pussy," she said.

"That's only true for little girls because little boys can't fuck their luscious little asses properly," I said.

"This is so perverse," she said.

"Your sister's a hot slut," I said.

Our pace increased slowly but constantly. Ten minutes later, Victoria came violently, bucking wildly.

"Your slut sister loves my big cock up her horny ass so much," I said, drilling Victoria's jerking ass.

"She apparently does," said Elizabeth.

While Victoria recovered, I fucked her ass gently. When I pulled out, her asshole gaped. Elizabeth was surprised at that. I drooled inside the open asshole and rammed my cock in without manual guidance, making Victoria groan as my shaft skewered her ass. I fucked her ass gently for a minute and pulled out again, leaving her asshole gaping.

"Drool in your sister's ass," I directed Elizabeth.

Elizabeth looked up at me and then smiled mischievously. She bent over her sister's ass and drooled right inside the gaping hole. I thrust my cock back into Victoria's ass for another minute of slow fucking. When my cock finally popped out, I held the back of Elizabeth's head and thrust my cock in her face.

"Suck it," I instructed Elizabeth gently. She looked up at me in uncertainty. "Be a dirty slut. You'll love it."

Holding her head firmly so she could not pull back, I slowly moved my cock toward her mouth. After a little hesitation, she opened her mouth and sucked my cock head timidly.

Her courage built up quickly, and she soon sucked my cock balls deep. I popped my cock out of her mouth and into Victoria's gaping if tightening asshole. I switched my cock between Elizabeth's mouth and her sister's asshole several times, getting her used to that ritual. I finally popped my cock out of Victoria's ass and pulled Victoria up, thrusting my cock in her face. She sucked it eagerly.

"You are a born slut, Elizabeth," I said. "You are so hot. You take to depravities like a duck to water—like your decadent sister. I bet that you are going to love taking my big cock up your hot little ass too."

"I've never done it like that," she said timorously.

"Every girl starts with three virginities," I said. "It's so thrilling to lose each with the right guy. I won't do anything until you are ready and eager for me to do it. Take now. I want to eat your pussy. Do you object to that?"

"No," she smiled.

"Very good," I smiled. "Get down on your knees and thrust that gorgeous but virgin ass out."

As she complied, I guided her hands to her ass, and she spread her cheeks apart, shamelessly exposing her pussy and asshole.

"Your virginal asshole's so beautiful," I said as I knelt behind her and admired her little pink pucker. "It's so tempting. Would you mind if I kissed it a little and toyed with it?"

"No," she breathed. "Please do."

Leaning forward, I gave her asshole a light kiss, making her shiver. I licked her wet pussy gently and gave it a deep tongue kiss. She moaned quietly, grinding her pussy into my mouth. I broke the kiss and went for her asshole.

Victoria brought the lube before she lay between my knees. She proceeded to suck my cock leisurely. Meanwhile, I used my tongue and fingers to relax Elizabeth's asshole. She had a great time, squirming and thrusting her ass into my face. I made her come four times. First she came with my tongue on her asshole. I lubed her asshole and used one finger to make her come another time. I added more lube and one finger. When she came, I had two fingers in either hole. Finally I made her come with three fingers up her ass. I lapped up Elizabeth's pussy juices while I dismounted Victoria.

Seeing how relaxed her sister's asshole was, Victoria proceeded to lube my hard shaft. Meanwhile, I finger fucked Elizabeth's ass with two fingers. I guided her onto the sofa and adjusted her position for anal penetration.

Elizabeth held her breath as Victoria spread her ass and guided my cock.

"Take a deep breath and relax your asshole, sister," instructed Victoria as she gently pressed my cock head into Elizabeth's glistening asshole.

"Is your virgin little asshole hungry for my big cock?" I said.

"Yes," hissed Elizabeth.

"Do you want me to fuck your virgin ass and make you my married ass whore like your slut sister?" I said.

"Yes," she hissed, trembling.

"Do you promise to be a good whore for my big cock?" I said.

"Yes," she hissed.

"Beg me to fuck your virgin ass and make you my married whore," I said.

"Please fuck my virgin ass and make me your married whore like my slut sister," she begged.

Although Elizabeth's asshole was physically ready, we gave it time to relax under the loving pressure of my cock. She made a soft gasp when her asshole finally opened up fully, allowing my cock head to pop in. While I paused, Victoria kneaded Elizabeth's ass cheeks. I reached under Elizabeth and toyed with her wet pussy. She gasped, her asshole twitching around my cock.

"How does it feel, sister?" asked Victoria.

"It feels so big and good," breathed Elizabeth.

"Your ass is so hot and tight," I said. "I am going to love using it for what it was made for."

"Yes," she hissed, squeezing my cock with her asshole.

As Elizabeth's asshole relaxed, I thrust gently in her ass. Victoria returned to spreading her sister's ass. My hard shaft advanced slowly, opening up Elizabeth's rectum and stuffing it tightly. In a couple of minutes, I was almost all the way in. I took another minute to stuff the last inch of my cock up her ass. I paused when my balls touched her dripping pussy. I reached between her legs and teased her clit, making her gasp and making her asshole twitch.

"Congratulations, sister," said Victoria. "His big fat cock's balls deep up your tight little asshole. Your ass is no longer virgin. Relax and have fun while he fucks you up the ass and uses you like a cheap whore."

"This feels so good," gasped Elizabeth. "I've never felt anything like it."

"Enjoy, my hot married whore," I said.

"I am going to come," she gasped.

Elizabeth trembled and came. As she convulsed in orgasm, her twitching asshole opened up. I took that chance and thrust hard in her ass, grabbing her hips tightly. I fucked her bucking ass hard and deep, prolonging and intensifying her orgasm. She gasped and shook wildly until her orgasm subsided, leaving her panting for air. I slowed down the pace but continued to fuck her ass deeply.

“You are one hot anal fuck slut,” I teased as she fucked back. “I want you to rise up on your hands and do all the fucking. Let’s show your sister how much you love her future son-in-law’s big cock.”

She complied and started to work her ass back and forth as I held my cock motionless.

“That’s it, baby,” I encouraged. “Get your horny married ass fucked on my big cock, my hot whore.”

Hearing that, she stepped up her pace.

Victoria freed her sister’s tits, lowering the top of her dress and casting her bra aside. I cupped Elizabeth’s big tits and toyed with them, pinching her stiff nipples. That made her fuck more wildly. I occasionally wiped her pussy with my fingers and had her suck my fingers clean.

“You love it up the ass, don’t you, you sexy bitch in heat?” I teased.

“Yes,” she hissed.

“Your ass was made for my big cock, wasn’t it?” I said.

“I guess so,” she gasped.

“You have a talented ass,” I said. “I love the way it milks my big cock. I am not sure I can get enough of it. I hope you won’t mind if I fuck you too much.”

“Fuck me all you want, lover,” she gasped.

“You are such a hot slut,” I teased. “Do you know what I do to hot sluts like you?”

“No,” she said.

“Do you want to know?” I teased.

“Yes,” she hissed.

“I fuck them hard in every possible way, especially up their cock-hungry little asses,” I said. “While I do that, I pump their lustful bodies full of hot come through all their holes. Do you think you can handle that?”

“Yes,” she hissed, stiffening.

“Good girl,” I said as I grabbed her hips and jerked her shaking ass back and forth over my cock.

Elizabeth gasped and convulsed as her asshole twitched desperately around my cock. She finally relaxed and lowered her head to the backrest. I thrust gently in her ass, working my cock almost all the way out and then all the way in, until she recovered. Victoria watched while playing with her own pussy and asshole.

While holding Elizabeth’s hips tightly, securely impaling her on my cock, I maneuvered her into the leapfrog position on the floor. I adjusted her position for maximum penetration before I thrust in her ass, using long, slow strokes. I pulled my cock out until the beginning of my cock head emerged out of her asshole each time before I pushed it back in until my balls rested on the back of her sticky pussy. Her asshole involuntarily milked my thick shaft as it stuffed her ass again and again. She soon started to moan and hump back. I fucked her like that for several minutes before I guided her hands to her ass. She pulled her ass wide apart, and I fucked it harder and faster.

My balls slapped Elizabeth’s wet pussy audibly whenever my pelvis bumped her ass at the end of each deep throat, shaking her entire body. While fingering her own pussy, Victoria used her free hand to finger her sister’s. Elizabeth reached orgasm quickly. After she finished convulsing through her wild orgasm, Victoria removed her sticky fingers from her sister’s pussy and let me suck them. I thrust gently in Elizabeth’s ass while she panted for air.

“Would you mind if your sister was the first to taste your luscious ass on my big cock?” I asked Elizabeth.

“Of course not,” she said.

“Spread it wide and show her how well I fucked your hot ass,” I instructed.

As Elizabeth spread her ass wide, I slowly pulled out, allowing my cock head to pop out of her asshole. Her asshole gaped nicely. I drooled right through it. Seeing her sister’s gaping asshole, Victoria bent forward and drooled inside it. I held her head and pressed my cock to her lips. She opened her mouth eagerly and sucked my cock deeply. I let her deep throat me for a couple of minutes.

As usual, Victoria reluctantly let my cock go. I thrust my cock all the way up Elizabeth’s asshole which tightened up a little. I stroked my cock several times within her ass.

“Do you want to taste it, Elizabeth?” I teased as I popped my cock out of her ass.

“Yes,” she hissed.

Elizabeth sat up and turned back, facing my cock. She did not hesitate to deep throat me for a couple of minutes. I finally pushed her away and arranged her on her hands and knees. I knelt behind her and aimed my cock at her asshole. Victoria squeezed lube onto Elizabeth’s asshole and guided my cock in.

Elizabeth fucked back eagerly as soon as my cock impaled her ass. I held her hips and paced her as her moans and our flesh slapping sounds filled the room. I finally grabbed her tits and fucked her harder. She came violently, wildly bucking her ass into me. Her orgasm subsided, and she calmed down.

“Anal sex is especially good for married women,” I said, thrusting gently in her ass. “It preserves your pussy, so you don’t have to cheat on your husband. When I am fucking you up the ass, you can be absolutely certain that your married pussy isn’t violated. You can ask your sister.”

“That’s right,” said Victoria as she took my cock out of her sister’s asshole and rubbed it on her own face. “When you fuck me up the ass, I am in a different world: I only exist as your slut—for you to do to me as you please. I hardly remember I even have a pussy, but my pussy leaks as if you are fucking it.”

Holding my cock by the base, Victoria opened her mouth and took it in. She sucked half of my cock while stroking the rest. I turned toward her and held the back of her head. I fucked her throat for a little while. She held my ass and pulled me into her mouth eagerly. She finally pulled back and touched my cock to Elizabeth’s soaked pussy.

“Her pussy is so wet,” said Victoria, brushing my cock head up and down her sister’s pussy, making her gasp. “Why don’t you fuck it so she can find out how wonderful it feels when you use her ass?”

Victoria guided my cock head into her sister’s hot pussy hole. A gentle push made Elizabeth gasp as my cock head went past her pussy lips. I thrust briskly in her pussy, making her moan. She soon fucked back eagerly.

“Don’t confuse this with cheating,” I said. “I am just fucking you to enhance your anal experience and get you ready for the big come load I am going to pump deep inside your pussy. You know, an ass fuck isn’t complete until the woman gets big loads of come pumped through all her holes. She has to have traces of come in all her holes to feel as an absolute sex object. You’ll experience that priceless feeling when I make you my new anal slut.”

Elizabeth was gasping and shivering as I said that.

“Oh, I love that feeling,” said Victoria. “I love the freedom of feeling like a cheap whore living for hot wild sex and totally forgetting that I am a respectable wife and mother of three angelic young children.”

Obviously Victoria had no idea how angelic her daughters really were, especially when begging for my cock in their asses just like she always did.

Meanwhile, Elizabeth surrendered her pussy like a cheap whore.

“You like getting your horny married pussy fucked silly without having to cheat on your husband?” I said.

“Yes,” she gasped.

“I don’t know why wives cheat when they can get their married pussies fucked royally without cheating,” I said.

“Many married sluts love the feeling of cheating on their husbands,” said Victoria.

“I am glad your slut sister loves being my dirty married whore while being a faithful wife,” I teased.

“Yes,” hissed Elizabeth, stiffening.

“Come for me, you hot married whore,” I said, pounding her pussy harder.

Elizabeth came wildly. Her gushing pussy drenched my cock in her juices. When she calmed down, I had her share sucking her juices off my cock with her sister.

“Did it feel good to have your married pussy fucked well for a change?” I teased.

“Yes,” hissed Elizabeth. “I loved it.”

“Your husband’s so lucky to have such a faithful wife with a hot faithful pussy,” I teased.

“I am luckier that I found a hot lover who can fuck every hole I have so well,” she said.

After they finished with my cock, I pulled Elizabeth up to her feet, bent her over and had her spread her ass as I pushed my cock into her ass. I straightened her back and walked her to the bedroom with my cock up her ass. While walking her, I motioned Victoria to replace the tape and follow us with the video camera. By the time I had Elizabeth on her hands and knees on the bed, Victoria had set up the camera and joined us.

Victoria spread her sister's ass as I started to fuck it. Later she and her sister took turns spreading each other's ass for me and switching my cock between each other's pussy and ass, frequently sucking it.

After a few orgasms for each slut, I shot my come through Elizabeth's gaping asshole from above. I thrust my cock a few times in her ass to drain it well. While Elizabeth sucked my sticky cock clean, Victoria swirled her fingers within her sister's come filled ass.

Elizabeth sucked her sister's sticky fingers eagerly each time Victoria scooped come out of her ass. They sucked my cock to full hardness, and I took turns fucking their horny holes in several positions. I came deep in Elizabeth's pussy when the time was right. She gleefully shared the come with her sister.

Our orgy continued, allowing Victoria to suck a come load through each of her pussy and asshole. Before the end, I dumped a come load up Elizabeth's asshole and plugged her ass with a new butt plug. While I drove them home, she sucked my cock and I explained the rules of the break-in period to her. I dropped Victoria off first. Elizabeth swallowed my come before I kissed her goodnight and complimented her on the great time I had with her.

"Next time you'll have me all for yourself," I promised. "I am going to fuck you in your own bed too, so you can be most comfortable and horny. You deserve to enjoy being a good wife."

"You are so wicked," she teased.

"You should have great sex at home," I smiled. "I just want to make sure you do."

On the following Wednesday morning, we were in her living room. She deep throated my cock while I fingered her ready pussy and asshole. Later we moved to her bedroom, where I fucked her silly, dumping three come loads in her ass, one in her pussy and one in her mouth.

A BIGGER CHALLENGE

A few weeks later, Beth complimented me on the great job I had done with her aunt after she had just finished watching my last video with her.

"Now the women on my side of the family seem to really love you," Beth said. "I am not sure though about the women on your side."

"What do you mean?" I asked.

"Your mom will be my mother-in-law," she said. "She may feel threatened by me. If you deflowered her anally and gave her great sex, she wouldn't feel threatened by our marriage."

"You want me to fuck my own mom?" I said in shock. "Are you crazy?"

"You've fucked my mom, sister, aunt and cousin," she said calmly. "It would be nice if you fucked her."

"How am I going to seduce her?" I said. "Do you want her to kill me?"

"She wouldn't kill you," she said. "She'd love you even more. Believe me."

"By the way, how did you know she was anally virgin?" I asked.

"I'll only tell you when she no longer is," she smiled. "That's your next little challenge."

Consequently I invited mom to a nice dinner. She dressed elegantly. Her innocent display of the beginning of her cleavage made my cock twitch for the very first time. Since she loved dancing, I did not have a problem taking her to a dance club. We danced fast and slow without a break for almost two hours. We held each other closely when we danced slow, but I did not hold her ass. In the end, I was tired and she was more so.

"Let's get some rest and chat," I said as I drove to my residence.

"I am ready for bed," she said as she plopped her tight ass on the sofa.

"Not yet," I thought.

"Are you really tired," I said.

"Oh, yes," she said. "It's been a long while since I danced like that."

"Why don't you go inside, take your clothes off and let me give you a relaxing back rub?" I offered.

"I'd rather go home and go to bed," she said.

"I didn't bring you here to have you sleep," I said. "I'll give you a back rub, and we'll talk. You'll love it."

"You are treating me lavishly tonight," she said.

“You deserve the best treatment in the world, mom,” I said as I led her toward the bedroom. “I promise this won’t be the last time.”

As she entered the room, I brought several towels for her.

“Spread some towels underneath you and some on your back,” I said, laying the towels on the bed. “Take all your clothes off so you don’t get oil on any of them.”

“Do I have to take *all* my clothes off?” she said.

“Unless you want oil on something,” I said. “You’ll have to shower anyway afterwards. I’ll give you five minutes to get ready.”

After a few minutes, I joined her. She was lying prone, covered with towels. I changed into a T-shirt and silk boxer shorts.

“This is more relaxing,” I said as I turned the lights down.

Bringing the message oil, I hopped onto the bed. Uncovering her upper back, I started with her shoulders. I oiled my hands and started massaging her muscles.

Spending a long time on her shoulders, I made sure she was very relaxed before moving down. My hands worked their way down patiently. She occasionally moaned, enjoying the relaxing feelings.

With her back done, I worked on her hands, arms and upper arms, stretching and massaging her muscles. I took off my shirt before moving to her legs. I started with her feet, spending a long time on them before I slowly worked my way up. I gradually spread her legs as my hands climbed up. My hands were very close to her ass. The towel was only covering her ass then. I covered her back with it to give her a false sense of modesty.

“The muscles of your legs has worked hard tonight,” I said as I slipped my hands under the towel.

She continued to relax as I took my time rubbing her hips, moving very slowly toward the center of her ass. While keeping my fingers away from her crack, I subtly allowed my hands to spread her ass and then let it pull in. I could tell by her reactions that I was getting through to her pussy.

“You are in great shape,” I said, kneading her firm ass. “Your muscles are tight and strong.”

She enjoyed herself, and I was in no hurry. As I massaged and stroked her ass, my hands got closer to her ass crack little by little and the towel rode up her ass slowly. The bottom of her cheeks and her pussy gradually got exposed. Several minutes later, her ass was totally exposed as the towel lay over her back. Her pussy lips glistened in juices. Her asshole was relaxed, oblivious to the piercing stares of my wicked eyes.

“Mom, have you ever had anal intercourse?” I asked as I massaged her ass, watching her pink asshole wink at me as I spread and released her cheeks.

“No,” she said.

She must have been so relaxed to answer that easily.

“You look so youthfully tight but a little tense back here,” I said. “Although anal play’s usually considered perverse, it can provide a unique opportunity to massage and relax the usually neglected and tense anal muscles. Those muscles need to relax just like every other muscle. That actually makes anal sphincters more fit and healthy.”

She did not comment. I continued to feel up her ass, getting my fingers closer and closer to her asshole. She moaned and squirmed happily. I gradually teased her anal pucker with my fingertips, making her gasp.

“You are so beautiful I am going to kiss you right here,” I said, spreading her cheeks.

She gasped as I planted a soft kiss right on her asshole.

“Nick, don’t do that,” she said.

“I just wanted to show you how lovely you are,” I said. “It’s an innocent kiss to your innocent rosebud.”

She returned to moaning as my fingertips returned to teasing her asshole.

“You are so beautiful between the cheeks,” I said. “I am so proud that my mom’s such a goddess.”

She just moaned, allowing me to toy with her asshole. I slowly added lube to her asshole and rubbed it gently. I spent several minutes just teasing and massaging her asshole with my slick thumbs. I could feel her asshole relax gradually. I pressed my forefinger into her asshole and let it squirm until its tip popped through her sphincter. She grunted softly and stiffened.

“Relax,” I said softly as I held my fingertip just past her sphincter. “You’ll love this special massage.”

She relaxed as I massaged her cheeks. I slid my fingertip in and out, working more lube into her asshole and getting her used to having her asshole fingered. She was soon moaning and pushing her ass up for my finger. Within a few minutes, I was smoothly fucking her ass with the entire length of my finger. Her innocent asshole playfully milked my finger. I frequently swirled my finger within her asshole to loosen her up further.

“Can you feel how nice this is?” I said softly.

“Yes,” she hissed.

Enjoying my finger, her ass continued to rise until she was on her knees and face. I nudged her knees apart to expose both her holes. Her pussy was dripping wet. I rubbed it gently with the thumb of my free hand. She gasped and her asshole twitched. I teased her pussy a little more. Her reaction was so encouraging I used my middle finger to fuck her pussy while I continued to fuck her ass with my forefinger, working more lube inside. Her pussy soaked my finger as she fucked back, milking my fingers hungrily.

Finger fucking her at a slow pace, I drove her hotter and hotter but never allowed her to reach orgasm. In a few minutes, I was able to squeeze my slick middle finger into her ass and slip my ring finger into her pussy.

“Does your anal ring enjoy the stretching?” I said softly.

“Yes,” she hissed as I patiently stretched her asshole wider, constantly working lube inside it.

After a little while, her asshole soon accepted a third finger. I paused a little and then slowly pumped my fingers within her ass until she got used to them.

“Your anal muscles are very responsive,” I said, twisting my fingers within her. “Do you feel better?”

“Yes,” she hissed.

“I can feel your little hole milk my fingers in need,” I said. “It loves this, doesn’t it?”

“Yes,” she hissed.

“Nobody has ever given you this kind of exquisite massage?” I said.

“No,” she said lowly.

“You know where to come whenever you want this special treatment,” I said.

“Yes,” she hissed.

As I continued to ream out her asshole, I slowly adjusted her position until she was in the perfect position for what I had in mind for her. She was on her forearms and knees, her knees parted and deeply bent, shamelessly exposing her happy asshole. My cock was extremely hard. It pulsed as I prepared its target for it. I fished my cock out through the wide leg of my boxer shorts and lubed it with my free hand.

Her asshole was well lubed and very relaxed. Holding her hip with my free hand, I popped my fingers out of her ass and immediately pressed my slick cock head in, popping it past her sphincter.

“Uh, Nick, what are you doing?” she grunted, her asshole clamping tightly at the neck of my hard shaft. “We shouldn’t be doing this.”

“Don’t talk, mom,” I said softly, teasing her clit with the finger that had been up her ass. “Just relax and have fun. A woman as sexy as you are deserves to have some serious fun every once in a while. Besides, this is just anal play. I didn’t touch your pussy, so relax and let yourself go.”

“Please be gentle,” she said after a little pause.

Her asshole relaxed a little.

“I will,” I whispered, thrusting gently. “Just spread those lovely cheeks so that I can go all the way in and fully stuff your amazing ass. You’ll love the extreme stretching and stuffing.”

She reached back and spread her cheeks, surrendering herself to my wicked desires—and hers. Holding her hips, I rocked her gently, watching her splayed ass suck my cock in little by little. I thrust gently, feeding her stretched asshole more of my thick shaft.

“Your sweet little asshole looks so beautiful as it opens wider than ever,” I said. “Does it feel good?”

“Yes,” she hissed.

“This doesn’t hurt you, does it?” I said softly.

“No,” she said lowly.

“Your little asshole feels so hot and tight,” I said. “It still needs to be reamed out, doesn’t it?”

“Yes,” she hissed.

“Don’t worry about it, mom,” I said. “It won’t be this tight when I am through with it. You want me to do that?”

“Yes,” she hissed.

“I’ll ream it out for you until it’s so relaxed it will gape wide,” I said. “I’ll then kiss it lovingly and stick my tongue deep inside it.”

“That’s dirty,” she said.

“There is nothing dirty about my lovely mom,” I said. “Everything about her is so hot and beautiful.”

“Thank you,” she said.

Taking my time, I let her get used to every fraction of an inch of my cock that I pushed into her. Within a few minutes, I reached the end of her rectum, meeting stronger resistance to the last inch of my cock. I continued to thrust gently, allowing her to relax further. After a minute of that, I gripped her hips tightly and thrust firmly into her ass, driving the rest of my cock into her ass and pressing my balls to her sticky pussy. She grunted as my cock impaled her ass completely.

“My big cock’s all the way up your hot ass,” I said as I paused and rocked her ass gently just to make her relax. “Your gorgeous ass is no longer virgin. How does it feel?”

“I feel so full,” she breathed. “You feel so big inside of me.”

“Was it painful?” I asked.

“Not at all,” she said.

“Do you like the feel of my big cock so deep up your hot luscious ass?” I said.

“Yes,” she hissed.

“Your sexy ass was meant to be fucked,” I said. “I can feel that. I am going to oblige it. I am going to fuck it with my big cock like it was meant to be fucked. Milk my cock to get us ready for the ass fuck of your lifetime.”

As she milked my cock, I guided her hands off her ass. She was back on her forearms and knees. I spread her ass and rocked her gently, watching her tightly stretched asshole massage the base of my cock.

“It isn’t clear now whether my big cock’s massaging the depths of your sizzling ass or your incredible asshole’s massaging the base of my big cock,” I said.

“They are massaging each other, and that feels so good,” she said lowly.

“It sure does,” I said.

She gradually took over moving her ass back and forth. Her soft moans showed that she was enjoying her first ass fuck. Her asshole slid over my cock in longer and longer strokes.

“You are having fun, aren’t you?” I teased.

“Yes,” she hissed.

“That’s what it’s all about,” I said. “It’s the best part of a full backrub. It’s my favorite part. Is it so to you?”

“Yes,” she hissed.

“This is only the beginning,” I said. “I want tonight to be your best night ever.”

“It’s already an incredible night,” she moaned.

“I won’t stop until it’s your best night ever, and I won’t stop even then,” I said.

As her asshole got used to my cock, she gradually glided into a nice fucking pace. It was soon obvious she was approaching orgasm with every stroke. I admired her stuffed ass and enjoyed the instinctive milking her fresh asshole used on me. Her pace increased slowly as her orgasm approached. She started to buck her ass, losing her rhythm. I held her hips firmly and steadied her while thrusting in her ass ever harder.

“I am going to come,” she gasped, stiffening.

“Come your hot ass off, mom,” I urged, drilling her ass.

“I am coming,” she gasped.

She bucked like a wild bronco as her orgasm hit. I drilled her convulsing ass hard throughout her wild orgasm.

“That was unbelievable,” she gasped when her orgasm subsided.

“You really love getting fucked in the ass,” I teased as I slowed down the pace. “I loved it too.”

While she recovered, I thrust gently in her ass. When she started to fuck back, I picked up the pace. Since her ass had been warmed up, I fucked her harder, taking most of the control away from her. She fucked back happily. My balls slapped her sticky pussy repeatedly. I slowed down whenever she approached orgasm. That way I reamed out her asshole well before I finally allowed her to have a very hard orgasm.

Again I let her rest while I fucked her ass gently. We picked up the pace soon, starting yet a harder fuck. That time I pounded her bucking ass while she came, triggering multiple orgasms. She lowered her head to the bed, panting breathlessly, as I thrust gently in her ass.

A minute later, I slowly withdrew my cock from her ass. My cock head popped softly out of her relaxed asshole. I brushed my cock head over her drenched pussy, making her gasp. I brushed my cock head up and down her pussy lips repeatedly, getting it soaked in her juices.

“Your pussy’s so wet,” I said.

She moaned and gasped, not giving any sign of protest. I aligned my cock head with her pussy hole and applied very gentle pressure. She silently held her breath. I slowly but constantly increased the pressure, giving her a long time to protest. She insistently held herself in place for me, letting out a soft moan when my cock head popped in her pussy. I held her hips firmly and shoved my cock all the way into her wet pussy, making her grunt.

“You are so hot,” I said as I fucked her pussy gently. “Your little pussy’s almost as hot as your luscious ass.”

She moaned, fucking back. Our pace built up wildly. Our flesh slapped audibly as I drilled her pussy through a hard orgasm. While thrusting gently within her pussy, I drooled on her asshole. I popped my thumb into her asshole and kept it there while I fucked her pussy through another wild orgasm. I drooled on her asshole again and squeezed my other thumb in.

With two thumbs stretching out her asshole, I fucked her pussy through a third orgasm. I popped my thumbs and cock out of her and sucked my thumbs. Her pussy and my cock were dripping with juices. I lapped up her pussy juices and kissed her asshole, making her gasp, before I sat her up and lay back.

“Suck it,” I said, pulling her head to my sticky cock.

She took her position between my legs and lowered her head to my hard sticky cock. She licked the underside of my cock from my balls to my cock head, making my cock twitch.

“You have a big one,” she said. “I can’t believe you got it all up my tight asshole.”

“Your little asshole was made for it,” I said. “I am sure you know that now.”

She just moaned around my cock as her lips made their way down my shaft. She kept holding my eyes as she sucked my cock more and more eagerly.

“Take it all the way down your throat, mom,” I said. “I want to take all your hot holes completely.”

She sucked my cock deeper and deeper. Within a few minutes, she took it all the way down her throat and proceeded to deep throat me expertly. I thrust gently to meet her lips. After she devoured my cock for over fifteen minutes, I thought she deserved to taste my come.

“Are you ready for me to come in your mouth?” I said. “Are you ready for the tastiest come you’ve ever tasted?”

She moaned in consent.

“Make me come and swallow it all,” I said. “Drink my creamy come to the last drop. Be my hot come slut.”

She doubled her efforts. Within a minute, I stiffened and my cock started to twitch between her tightly pursed lips. She sucked hard, swallowing every drop I offered. She sucked my cock until she completely drained my balls. She finally dropped my soft cock. I pulled her to me and kissed her on the mouth. Our tongues dueled, hers tasting of my come. Before breaking the kiss, I rolled her onto her back underneath me.

“Did you like my come?” I teased.

“Yes,” she smiled. “Your come’s delicious. I loved it.”

“You want to be my come slut?” I teased.

“Yes,” she hissed.

“I am going to eat your pussy and ass while my cock recovers,” I said.

“Are you not through with me?” she asked in surprise.

“We’ve hardly started,” I said as I moved my head to her tits. “You are going to get fucked like never before.”

“I thought you’d already fucked me like never before,” she said.

"I am afraid not, mom," I said. "Most women get less cock in a gangbang than you are going to get tonight."

"I didn't know my son was a horny stud," she moaned.

"Your son has always given each of his sluts all the cock she could handle and then some," I said.

"You've given me the best sex of my life when I least expected it," she said.

"I haven't yet, but I am working on it," I said.

She moaned, holding the back of my head, as I held her tits and switched my mouth between her stiff nipples, teasing, kissing, licking and sucking. My tongue left a wet trail down her body, passing over her belly button, on the way to her pussy. I pushed her legs over her head as my tongue approached her pussy.

As I teased her clit, I had her hug her legs, holding them in place. Her delicious pussy and asshole were utterly exposed. I teased her clit with my tongue, and she squirmed, moaning happily. I sucked her pussy and drank her juices as I ate her through orgasm.

By the time she recovered, my tongue was teasing her asshole. I held her hands in place, keeping her legs raised defenselessly, until she surrendered to my tongue on her asshole. Having been fucked well, her asshole was very relaxed and playful. I licked it and fucked it with my tongue, driving her crazy. Her asshole nibbled my tongue happily, and I indulged myself, occasionally licking up her leaking pussy juices. She moaned and squirmed in pleasure. When I guided her hands to her ass, she gladly spread her ass wide, allowing my tongue to delve deeper. That happy meal of mine ended with a wild orgasm of hers. After her asshole finished twitching uncontrollably around my tongue, I lapped up her drenched pussy.

By then my cock was rock hard. I climbed up her body, holding her legs under my shoulders, and kissed her deeply as I guided my cock into her pussy. She moaned in my mouth as my cock slid all the way into her pussy.

"You love my cock, you horny hussy, don't you?" I teased, breaking the kiss, as I started to fuck her.

"Yes," she gasped.

"Where do you love it?" I teased.

"In my pussy," she gasped.

"Where else?" I asked.

"In my ass," she said.

"Where else?" I said.

"In my mouth," she said.

"You are my kind of woman," I said. "You are a slut, aren't you?"

"Yes," she hissed, "but only for you."

She came several times as I switched my cock between her pussy and ass after every orgasm. When she had her sixth orgasm in that position, I dumped a come load deep in her twitching pussy. I slid two fingers inside her slimy pussy and scooped a lump of come out.

"Let's see if you are a real come slut," I said, offering her my gooey fingers.

She sucked the come of my fingers eagerly. I guided her hand to her pussy, and she took over.

When she was done with eating my come out of her pussy, I lay back.

"Make it hard again," I said. "I am going to come deep in your hot ass next."

She eagerly sucked my cock back to life. I pulled her astride me, and she guided my cock into her ass.

"Where did you learn all this?" she said as she started bouncing her ass on my cock.

"All what?" I smiled.

"Fucking women up the ass," she said. "You really know how to do it."

"I've been doing it day in and day out for the last three years," I said. "I learned it when I was fifteen, but I didn't get to do it as often and as much as I wanted. Since I love it, I have to be good at it."

"Baby, you are not good," she moaned, "you are wonderful."

"Mom, you were made for it," I said. "Your ass is so tight, so hot and so responsive. It's wonderful."

After I fucked her ass in several positions, I filled it with come in the leapfrog position.

"Is your horny ass ready for its first taste of my sticky come?" I said when my orgasm approached.

“Yes,” she hissed, stiffening, as I pounded her offered ass vigorously. “Give it to me, baby.”

“Take it,” I said as my cock swelled.

Her twitching asshole drained my balls deep in her hot ass. I came in her ass twice more before I plugged it with the butt plug I bought for her. She showered while wearing the butt plug. I drove her home with my cock in her mouth. I came in her mouth before we kissed goodnight.

“Nick, that was indeed the best night of my life,” she said. “Nobody else has ever even come close to that.”

“It was the hottest night of my life as well,” I said. “You are a wonderful dirty married whore for me.”

“You are an incredible stud, Nick,” she said.

“From now on, you belong to my big cock,” I said.

“Of course I do,” she said.

On the following Wednesday morning, I was at my parents’ house, following up with her training.

“Nick, would you give me a backrub like the other day?” she said, blushing a little.

“You liked it, didn’t you?” I teased. “I loved it too. Since there is no longer any need for pretense of a backrub, why don’t you get down on your knees and suck my big cock like the good dirty married whore you are?”

“You like treating me like a whore, don’t you?” she smiled as she went down.

“Your hot body was made to be fucked,” I said as she unzipped my pants. “I just want to do it right.”

She immediately dropped to her knees. My cock was already getting hard when she fished it out. Soon, I was holding the back of her head as I fucked her throat deeply. She pulled me by my butt for more.

In the midst of having that great time, I looked up to find my sister Alex looking at us. There was no hiding what we were doing. Mom had not even seen her. I just motioned Alex to keep silent and go away. As soon as she disappeared, I pulled mom up to her feet and rushed her to her bedroom, intentionally leaving the door ajar.

While fucking mom, I kept glancing toward the door every once in a while. Alex expectedly peeked on us. She watched for a few minutes and then went away. She returned again half an hour later and returned again over an hour later; she saw me fuck mom like a whore.

By the time I was done with mom, I had dumped five come loads in her body, three of which in her ass, one in her mouth and one in her pussy. I returned her plug to her ass before I left her lying in bed and headed for Alex.

Alex was in her room.

“Don’t misunderstand what you have seen,” I said to her.

“What you did to mom was sick,” she said. “What kind of person are you?”

“Don’t jump to conclusions,” I said. “Mom’s human. She needs more sex than she’s getting. What do you want her to do? Do you want her to have an affair or to get a divorce and find someone new?”

“She’s too old for that,” she said. “She must have already had more than her fair share of sex.”

“Try to remember that when you have been married for over twenty years and can’t remember the last time you had sex,” I said. “Don’t be hypocritical. I’ve been with her, and I know she isn’t getting her fair share of sex. She needs it. Didn’t you see how happy she looked since the last weekend?”

“Was that when you started doing it with her?” she said. “It’s still incest, and you should never take advantage of her and do that to her.”

“I am not taking advantage of her,” I said. “I am just giving her what every woman needs.”

“Every woman needs over three hours of solid sex?” she smirked.

“That’s up to each individual woman,” I said. “Some may need more; some, less.”

“What about Beth?” she said.

“What about her?” I said. “She doesn’t have a problem with me having sex with other women.”

“You, guys, are perverts,” she said.

“Anyway, just be considerate and don’t try to judge mom,” I said. “Try to forget what you’ve seen.”

“I am not going to say anything, but I still think it’s wrong,” she said.

“Remember that others have the right to disagree with you,” I said.

“Of course,” she said.

BETH OFFERS A HAND

A couple of days after mom's inauguration, I was with Beth.

"Do you know who will be your next mission?" she said.

"I just hope it isn't Alex," I said.

"Why not?" she asked.

"Because she once caught me with mom," I said.

"What did she see?" she asked.

"She first saw mom deep throat me," I said, "and then she peeked on us while I fucked mom like a dirty whore."

"What happened next?" she asked.

"I tried to convince her it was okay, but she was stubborn," I said.

"That was not necessarily bad," she said. "She now knows that you don't have a problem with fucking her. She probably has already fantasized about you."

"No way," I said.

"We'll see about that," she said. "Anyway, I am going to help you with her. I want to have fun too."

According to Beth's plan, she and I took Alex out to dinner and dancing. Beth arranged for me to pick them both at my folks' house. They both had dressed provocatively in short tight dresses. I immediately noticed that Alex had not worn a bra—like Beth. I naturally imagined her on her knees, her sweet lips stretched wide around my cock.

After dinner, I took turns dancing with them fast and slow. My hard bulge "accidentally" brushed against Alex's thigh, but she did not pull back. By the time we decided to leave the nightclub, I had verified that she had been without panties. We agreed to go to my place.

"Let play the iron horse game," Beth suggested.

"What's the iron horse?" asked Alex.

"It's an adult teasing game you'll see shortly," she said and then turned to me. "Nick, you are overdressed for it. You need to go change into just one article of clothing—like us."

"Whatever you say," I shrugged as I got up.

When I returned, I was wearing a silk robe that reached halfway down my thighs.

"Very good," said Beth. "Now lie on your stomach on the sofa."

Looking confused, I obeyed.

"This is how you ride the iron horse," smiled Beth as she straddled my ass. "Each round's five minutes. The rider rides the iron horse until one of them reaches the breaking point or time's up."

Due to her dress, Beth's knees could not part wide, so she had to keep them up, riding me with her ass. As she established a rhythm, my cock started to harden. By the end of her turn, my cock was rock hard.

"You can ride your horse any way you want," explained Beth as she helped Alex straddle my ass. "Ride it as hard as you can. Grabbing private parts isn't allowed though."

My cock stayed very hard as Alex repeatedly pushed me into the sofa. When she was done, she dismounted me, and I rolled off the sofa, turning toward the sofa so she would not see my boner. I rolled Beth on her stomach onto the sofa. She looked at my tented front and winked at me.

My robe did not allow me to straddle Beth. I had to lean forward, so my cock lay along the crack of her ass. As I humped Beth's ass, I wondered if Alex would let me do that to her. My horny fiancée humped back albeit subtly.

Soon Beth's turn finished. I dismounted her, keeping my cock toward the sofa. Beth helped Alex onto the sofa. Alex lay on her stomach obediently. My cock grew harder as she looked at me, smiling. I mounted her and carefully laid my cock along her ass crack. My cock twitched when it felt her firm ass.

As I gently humped Alex's ass, my cock separated by less than a millimeter of fabric from her anal orifice, I wondered whether her virgin hole would last for long. Beth winked at me as she saw me enjoy riding my sister's upturned ass. Alex held her ass bravely for me to thrust against. My time ran out too soon. I dismounted her and lay on my stomach in her place.

“On your back,” instructed Beth, motioning me to roll over.

There was no hiding my boner. Both Beth and Alex giggled when they saw my outrageous boner.

“By the way, what’s the prize?” Alex asked as Beth mounted me.

“The loser has to go down on the winner to completion,” Beth said nonchalantly as she aligned her ass crack with my boner. “After all, the winner will have to make the loser orgasm in order to win.”

Beth and then Alex rode my boner in that position, and then it was my turn. I bent Beth over the sofa and knelt behind her. I laid my cock against her ass and humped her.

“I guess this is okay,” I said as I reached beneath her and grabbed her tits.

“Yes, but you are going to pay for escalating the game,” she said.

While riding her ass, I played with her tits, occasionally pinching her erect nipples. Alex was not too shy to get into that same position next. I humped her ass while fondling her tits.

“We’ll get undressed now,” Beth challenged. “We’ll see how you can take it.”

Beth was the first to take her dress off. I followed by getting out of my robe. Alex did not resist when Beth helped her with her dress.

“No grabbing private parts and no vaginal penetration,” said Beth as she pushed me into the sofa.

My hard cock pointed to the ceiling as Beth knelt before me.

“I am not grabbing your private parts,” said Beth as she lowered her head to my cock.

Alex and I watched in surprise as Beth opened her mouth and engulfed half of my cock in her mouth. She started sucking, soon taking my entire shaft in her mouth. I sat back and enjoyed her ministrations to the end.

“You don’t have to do like me,” Beth said to Alex. “If you do, you can build on the state of arousal I got him into. It’s so much fun too.”

Alex did not resist as Beth nudged her shoulders down. Alex took a minute to get used to the idea of sucking my cock, but then she gave away her true love for cock sucking. She could not deep throat, but she was great.

Beth obediently spread her cheeks when I guided her hands to her ass after I bent her over the sofa. Before Alex’s eyes, I spent a minute to loosen up Beth’s asshole with my tongue. I grabbed the lube, which had been conveniently put on an end table, and lubed my cock thoroughly.

“I guess this is allowed,” I said as I pressed my glistening cock head against Beth’s relaxed asshole.

“Yes,” gasped Beth as my cock head popped past her sphincter.

My cock slid slowly but smoothly up her ass until my balls pressed against her wet pussy. Alex watched silently as my thick cock pumped Beth’s ass nice and deep. I was not trying to make Beth come; I was after Alex’s ass. I popped my cock out of Beth’s ass and drooled in her gaping asshole before I put my cock back. I fucked Beth’s ass to the end of the round. She sat on the sofa and proceeded to deep throat my cock eagerly, shocking Alex.

“It’s etiquette for the woman to suck the cock that has fucked her, especially in the ass,” I explained.

Alex had been sitting next to Beth when I yanked my cock out of Beth’s mouth and shoved it in her face. She opened her mouth and started to suck.

“You are not going to make her come like that,” protested Beth.

“That’s my problem,” I said, holding the back of Alex’s head as I thrust in her mouth.

After a minute, I yanked my cock out of Alex’s mouth and knelt before her. I raised her feet way up, causing her to fall onto her back. I held her legs over her head and dove between them. Her pussy was wet. I licked it for several seconds, making her moan. I moved down to her asshole. She tightened up as she felt my tongue tease her innocent asshole. Her resistance faded as she started to enjoy my tongue on her asshole well before the round end.

Beth lubed her asshole and straddled me. Since she could not touch my cock, she spread her ass and carefully lowered herself against the head of my cock. She managed to suck my cock head into her ass before she sat all the way down, swallowing my entire shaft. As she rode me, her tits bounced. I cupped them.

“Don’t touch my tits,” she said, pushing my hands away. “It’s my turn.”

She moaned and gasped as she got her ass fucked for about five minutes.

With vaginal penetration not allowed and with her ass virgin, Alex could only kneel down and suck my cock. I sat back and enjoyed myself for those few minutes.

Next, I pushed Beth's legs over her head and fucked her ass to the end of the round. When it was time for her to suck my cock, I switched my cock between her mouth and Alex's.

In Alex's turn, I pushed her legs over her head and laid my cock along her pussy. I started thrusting my cock along her pussy lips hard. She stiffened and came within three minutes, gasping and twitching. After she finished convulsing, I slowed down but continued to hump her until she started to hump back. Without touching my cock, I maneuvered my cock head into her pussy. She did not resist as I fucked my cock head in and out of her drenched pussy. I fucked her deeper and deeper. Soon I was fucking her gently but balls deep.

"Vaginal penetration isn't allowed," Beth said after I had totally overcome Alex's potential resistance.

"I already won," I said. "Now I can do anything."

"The prize is a blowjob, not a fuck," she said.

"Alex, do you want me to take it out?" I said, fucking Alex faster.

"No," gasped Alex.

"You want me to continue to fuck you and make you come, you slut?" I teased.

"Yes," hissed Alex.

"You have turned your sister into a slut," Beth accused playfully.

"Not yet," I said, fucking even harder, "but I am on my way."

Alex gasped and came immediately. I fucked her through her violent orgasm and kept fucking until she came again. When I sat her up and thrust my cock in her face, she sucked it thoroughly.

Pushing her back, I dived between her legs. I licked her pussy clean and then moved to her ass. She eagerly let me lick her asshole for a few minutes. I could feel her pucker loosen up under my tongue. I drooled on her asshole then gently pushed a fingertip in.

"What a tight little orifice!" I said as I corkscrewed my finger into her ass.

"Are you virgin in the ass?" asked Beth mischievously.

"Yes," hissed Alex.

"You are very lucky," said Beth. "Nick knows how to pop a girl's ass cherry with his big cock."

"Wouldn't that hurt?" Alex asked nervously.

"Not at all," said Beth. "When he's done preparing you for it, his plum-shaped cock head will pop right in your virgin asshole. From then on, you'll be too busy coming all over his big fat cock and begging for more as he pumps your ass nice and deep. That was how it happened to me and to every lucky girl who was privileged to impale her virgin ass on his big cock. It'll be the most thrilling experience of your life. When he's done with you, your asshole will gape in satiation. That's when he pumps your bowels full of his hot thick come. When he's through with you, you'll be addicted to his big cock in your horny little ass forever—like the rest of us."

Meanwhile, I managed to work my finger all the way up Alex's ass. I could feel her asshole twitch involuntarily as Beth talked to her about ass fucking.

"Your fresh ass is so ripe for sex," I said to Alex. "You owe it to yourself to experience the thrills of ass fucking. Just relax and let me get your very sexually responsive asshole ready for its first wild party."

She gasped, her asshole twitching. I slowly removed my finger from her ass and proceeded to lick her asshole.

"I'll make sure his big cock's ready when your hot ass is," Beth said as she lay on her back between my knees.

"Beth loves to take my big cock in every hole in her body," I said. "You'll soon be like her, you hot little slut."

While Beth sucked my cock, I made Alex come with my tongue tip wiggling against her happy asshole. Before she could recover, I started working lube up her asshole. I patiently reamed out her asshole and squeezed a second finger in. I licked her leaking pussy juices and teased her clit with my tongue while I finger fucked her ass with two fingers. Her inexperienced asshole milked my fingers in hunger. Before long, she was coming wildly as I pumped my fingers within her ass and let her clit twitch under my motionless tongue tip.

With more lube and patience, I readied Alex's ass for a third finger. Her ass readily accepted my third finger. Soon I was able to work my three fingers all the way in. After she got comfortable with the three fingers in her ass, I spent a few minutes fingering her ass, alternating between two and three fingers.

From her position under me, Beth could see what I was doing to Alex. She could tell that Alex was ready. She removed herself from between my legs and sat next to Alex.

“Your ass looks more than ready for his big cock,” announced Beth, making Alex’s asshole spasm.

Taking my fingers out of Alex’s ass, I sat her up. I thrust my cock in her face. She opened her mouth and sucked my cock eagerly. She was taking four to five inches of my cock in her mouth.

“She needs some training so she can deep throat your big cock after you fuck her horny ass,” said Beth.

For the following several minutes, Beth coached Alex on relaxing her throat and adjusting her head so she could take my cock deeper down her throat. In less than ten minutes, Alex was able to take my cock balls deep in her mouth comfortably. I fucked her throat for a couple of minutes before she reluctantly let me take my cock away. I handed her the lube, and she lubed my cock copiously.

Pushing Alex back onto her back, I grabbed the lube with my free hand. I lubed my fingers liberally and went for her asshole. I worked one, then two and then three fingers up her ass, making sure she was still relaxed.

“What do you want?” I teased, working my three fingers in and out of her milking asshole.

“I want you to fuck me in the ass,” she said shyly after some hesitation, her asshole twitching.

“I want to do that to you too,” I said, twisting my fingers within her ass. “Spread your ass with one hand, and guide my cock in with the other.”

As she pulled her cheeks apart with her left hand and held my slick shaft with her right hand, I slowly removed my fingers from her asshole. She guided my cock head to her pucker, and I gently pushed forward. I patiently let her asshole open up and take my cock head in. Once my cock head popped past her sphincter, I paused.

“Relax, Alex,” I said, guiding her right hand to her ass. “I am in. Spread your hot ass, and have fun.”

As she spread her ass with both hands, I teased her clit, feeling her asshole twitch. I slowly fed my cock into her tightly stretched asshole. She moaned as more and more of my cock stuffed her virgin ass, opening up her rectum and stuffing it tightly. At the end of her rectum, I met more resistance that I patiently but firmly conquered, totally impaling her ass. I paused enjoying the exquisite sensations as my balls lightly pressed against the back of her ass.

“My big cock’s all the way up your no-longer virgin hot ass,” I said. “How does it feel?”

“It feels so big but nice,” she said lowly.

“Milk my cock, Alex,” I whispered. “Enjoy yourself. This is what your hot ass was made for. You’ll love it.”

Several minutes later, she was moaning and gasping happily while I pumped her ass briskly.

“Do you like being his slut, you little whore?” Beth teased Alex.

“Yes,” gasped Alex.

“Like mother like sister,” Beth said as she watched Alex immensely enjoy her first ass fuck.

“I am sure my horny sister takes after our hot mom,” I said. “They are both too hot to trot.”

“You obviously come from a horny family,” said Beth, “just like I do.”

“We definitely do,” I said. “Your sister’s the wildest slut I’ve ever fucked. Your mom’s one of the wildest too. Even your aunt’s no less horny than your mom. Your cousin’s also a feverish cock lover.”

“Whose family do you think is hornier?” she asked.

“It isn’t fair to judge now,” I said. “My slut little sister, Alex, is hardly halfway through her first ass fuck. She has a wonderful cock-hungry ass and is full of potential although she’s still shy and innocent.”

Alex lost control and came, wildly enjoying her first anal orgasm with a hard cock pumping her happy ass. I pounded her twitching ass until she went limp. I thrust in her ass gently while she recovered.

“You want to be my hottest slut, don’t you?” I teased as she started to fuck back. “You are going to be as wild as Lisa, aren’t you?”

“Yes,” she hissed.

“Lisa’s the dirtiest whore in the world,” I said. “It isn’t easy to be like her, but you are not a little girl, are you?”

“No,” she said.

“You’ll have to give it your all,” I said. “Lisa’s wilder and dirtier than a cheap whore.”

Alex came a few more times while I worked on making her little asshole gape wider and wider. She actually pounced on my cock when I thrust it in her face. When Alex finished sucking my cock, I arranged Beth on her knees on the sofa and let Alex spread her ass and suck my cock whenever I popped it out of Beth’s ass. I was ready to come after I fucked Beth through orgasm.

“Get ready to swallow,” I said, pushing my swollen cock into Alex’s mouth. “Have your first taste of my come.”

Alex did not hesitate to swallow every jet I spurted in her eager mouth. She also sucked thirstily for more.

Alex and Beth sucked my cock back to life. I alternated it between their asses and mouths as I charged my balls with the big load I later dumped in Alex’s pussy. Beth fed Alex my come out of her pussy. Alex ate my come off Beth’s fingers hungrily as if it were her last meal.

My next come load went up Alex’s ass. After she sucked my cock clean, Beth had a taste of my come before she helped Alex eat it out. When I later came in Beth’s ass, Alex eagerly cleaned my sticky cock.

“Eat my come out of her ass, and then dribble it into her mouth,” I instructed Alex, pulling back.

Alex thought it over for a split second before she pounced on Beth’s come filled ass. She did a great job sucking my come out of Beth’s ass and then dribbling it into Beth’s open mouth.

Before plugging Alex’s ass with the butt plug I had prepared for her, I dumped a big come load up her eager ass. I let her suck one last come load out of me while I drove her home.

On the following Wednesday evening, I was in her room. I spent over four hours with her, playing with her pussy and ass, fucking her every which way and pumping her body with come through every hole in her hot eager body. After one come load in her pussy, two in her mouth and three in her ass, I plugged her come filled ass.

“Now you know how much sex every woman needs, don’t you?” I teased.

“This is the best night in my life,” she smiled. “I’ve never thought I’d last through all that sex or that anyone could give it all to me like that.”

“Now you know why mom loves to be my slut,” I said.

“I am sure she wouldn’t have it any other way,” she smiled. “Me neither.”

Beth was present on Alex’s inauguration as a GASP member. She even put the anklet around Alex’s ankle. In celebration, I came all over Alex’s face after fucking her mouth and Beth’s ass.

“Next week, we’ll start with your aunt,” announced Beth after we dropped Alex off. “She’s a virgin.”

“How do you know she is?” I asked.

“That’s women’s business,” she said. “It’s beside the point anyway.”

“Do I have to fuck her?” I asked.

“Of course you do,” she said. “You’ve fucked my aunt after all.”

“I wouldn’t have managed to do that without your mother’s help,” I said.

“I know that,” she said. “I’ll help you here. Your aunt’s a lovely woman. I am sure she’d love your cock in her ass among other holes.”

Uncle Ken was not home when I picked up Beth and Aunt Leanne. Aunt Leanne had left her little son with my mom. She was wearing the shortest dress I had ever seen her in. Not only did her black dress expose her generous cleavage, but it also outlined her erect nipples. She was also wearing fishnet stockings and high heels. Her makeup was carefully applied, and her hair cascaded over her bare shoulders. In short, she was dressed as if she was going out to get fucked, but she probably did not suspect she really was.

“Who’s that very sexy lady?” I smiled as I saw her.

She giggled.

“Is that for me?” I teased. “I must be a very lucky guy to be going out with two such sexy ladies.”

“Of course you are,” said Beth.

“You are so sexy tonight, aunt,” I said, playfully pinching my aunt’s ass as we walked to the car.

She gasped and looked around to make sure no one had seen us.

“The sexier lady gets to ride next to me,” I said to my aunt as I opened the passenger door for her.

As my aunt got into the car, I opened the rear door for Beth.

“The other sexier lady gets to ride in the back like a princess,” I smiled at Beth.

Beth smiled back at me. I closed the doors and got into the driver seat.

My aunt’s short dress rode up over the tops of her thigh-highs, exposing pale flesh.

We went to a nice restaurant where they served little but good food. I stealthily enjoyed the view more than the food. After that, we went to a quiet nightclub, where they played a lot of slow music.

“The first dance is for our special guest,” I said, extending my hand to my aunt.

That was not the first time my aunt laid her tits against my chest, but last time she had been wearing a bra. I rubbed her back gently while telling her how sexy she was and how much I enjoyed dancing with her.

The next dance was for Beth. I could feel the base of her butt plug when I felt up her ass. Needless to say, we ground our crotches together and kissed while dancing.

My aunt quickly bumped into my boner when she danced with me next, but she did not let on. She pulled back slightly, but soon my cock lay against her upper thigh and remained like that to the end of the song. We continued to dance. My hands slowly slid down, verifying that she was not wearing panties.

“You are not wearing panties, are you?” I said in her ear and then pulled back to look at her.

She blushed and avoided my gaze.

“You are a naughty girl,” I teased, pulling her back into me. I playfully slapped her ass cheek. “You are even sexier than I imagined. I am glad no one else knows that your beauty is covered only by a thin delicate dress.”

My hands continued to massage her lower back and upper ass throughout the song while my partly hard cock lay peacefully against her thigh, its head so close to her pussy. My aunt rested at our table while Beth and I danced lewdly to the next song. I continued to dance with my aunt to two songs and then dance with Beth to one song. While my hands continued to massage her lower back, my cock head slowly made its way toward her pussy. In the end, she was subtly grinding her pussy against my cock head.

On our way to my place, they both sat in the backseat. They whispered to each other throughout the drive.

At home, Beth and I sat on the loveseat, and my aunt sat on the sofa across from us. Beth stood up and took off her dress. Without underwear, she was stark naked. Her contact lens peeked out of her ass.

“This is my only underwear,” said Beth, turning around and spreading her ass to show my aunt.

“What are you doing, Beth?” I said.

“Now I don’t need any underwear,” she said, reaching back between her cheeks.

Beth gently popped the plug out of her ass, letting out a soft grunt, and set it on the cocktail table.

“Why are you taking your clothes off in front of Aunt Leanne?” I asked Beth.

“You don’t mind, do you?” Beth asked Leanne.

“Oh, no,” said Aunt Leanne. “Feel free to do whatever.”

“You need to undress too,” said Beth as she reached for my shirt.

Beth unbuttoned my shirt and took it off. She also pulled off my pants and briefs after taking off my shoes. She even pulled off my socks, leaving me stark naked with a partial erection. She sat next to me and proceeded to stroke my cock, getting it harder.

“Spread those legs, and do something,” Beth said to Aunt Leanne.

Having said that, Beth lowered her head to my crotch and proceeded to deep throat me.

Aunt Leanne spread her legs shyly and covered her pussy with her right hand.

“Your aunt’s going to masturbate for us,” said Beth, taking her mouth off my cock. “Hike your dress.”

Aunt Leanne hiked her dress with her left hand, exposing her hips. She looked up and started to massage her pussy gently. She was definitely very horny.

“Let’s get closer,” Beth said, pulling me off the loveseat.

Beth and I sat on the floor before Aunt Leanne. Beth stroked my cock while we watched my aunt finger herself.

“You are so hot,” I said. “What a cute little pussy! It’s so juicy and mouthwatering.”

A few minutes later, my aunt became wilder, fingering herself faster.

“Please pull your legs up so we can see more,” I said softly.

Aunt Leanne pulled her legs up. I helped push her legs far enough.

“You have a beautiful ass,” I said eyeing her exposed asshole. “It looks so tight and delicious.”

“Your nephew really loves asses,” laughed Beth as I wetted two fingers in my mouth.

“Can I touch it?” I asked softly as I extended my slick fingers toward Leanne’s ass.

She gasped and trembled as my fingertips tickled her asshole, which twitched defensively, but she did not stop diddling her pussy. I wetted my fingers in my mouth again before returning them to her ass. I teased her asshole lightly. She started to enjoy my ministrations as she finger fucked her wet pussy.

“You need to pull your legs farther back,” I said as I grabbed her legs by the backs of her knees and pushed her knees against her shoulders, “because I have to eat this delectable ass.”

With her ass splayed wide, I buried my mouth between her cheeks and started to suck and lick her asshole hungrily. She was taken aback. Her asshole smelled and tasted of vanilla and strawberry, giving evidence that wicked Beth had somehow betrayed her into taking an enema. Leanne froze and came. I held her legs tightly and devoured her twitching asshole until she went limp. I removed her hand from her pussy and sucked her sticky fingers before I went after her drenched pussy. I was gentle with her pussy but drank her juices thirstily.

“I told you he loves asses,” giggled Beth as Leanne panted for air.

While Leanne rested, I acquainted myself with her pussy and asshole. I verified that her ass was definitely virgin, but it was very responsive to my play. I sucked her clit gently while pumping my index finger in her pussy. I withdrew my slick finger and massaged her asshole with it. I managed to pop my fingertip into her ass, but her asshole clamped tightly. I continued to suck her clit until her asshole relaxed a little.

“Her asshole’s so tight,” I said, looking at Beth.

“Is it virgin?” asked Beth.

“Yes,” nodded Leanne, her asshole twitching around my finger.

“You lucky bastard!” said Beth. “Wherever you go, you run into sweet virgin assholes, and they are no longer.”

Beth grabbed the lube and squeezed some onto Leanne’s asshole. I removed my finger from Leanne’s ass and used it to rub the lube into the tight pucker and work it inside. I soon had my finger all the way up her ass. While my tongue gently toyed with her clit, I finger fucked her ass slowly to a hard orgasm. I eagerly cleaned her sodden pussy with my tongue while I held my finger in her ass. I finally removed my finger from her ass and made sure she saw me when I sucked it slowly.

“Your big delicious cock’s ready to be sucked,” said Beth, stroking my hard shaft slowly. “Its big head’s drooling all over itself. Don’t be a tease, Nick; let her suck it.”

Beth continued to stroke my cock as I lowered Leanne’s feet to the floor and helped her sit up.

“I’ll never tease my lovely aunt,” I said as I stood before my aunt and raised my left foot onto the sofa, thrusting my throbbing cock in her face. “It’s all yours. Suck it all you want.”

Leanne absentmindedly licked her lips as she eyed my cock. I put my right hand behind her head and gently pulled her to my cock for extra encouragement. She opened her mouth and took my cock head inside. She sucked it tentatively, tasting the leaking fluids. She held my hips and started to take my cock deeper. I thrust gently in her mouth. Before long, my once-shy aunt was taking my cock balls deep down her throat. She sucked it like her life depended on it. I prolonged the sweet mouth fuck by occasionally taking my cock out and slapping her face with it.

“Don’t hold back forever, Nick,” my slut fiancée said. “She was nice to you: she didn’t hold back when you ate her horny fuck holes. She’s your mother’s sister; you got to let her drink some of your succulent come.”

She almost made my aunt gag.

“I am going to flood her hot mouth with hot creamy come,” I said. “I am just working up her appetite.”

Within the next minute, I let Leanne suck me to orgasm. When my cock swelled, I held her head firmly, keeping my cock head just past her pursed lips.

“Here it comes, Aunt Leanne,” I said as my cock twitched. “Swallow it all, baby. Enjoy.”

“That’s it, Leanne,” urged Beth as my aunt swallowed my spurting come. “Drink his tasty come.”

My aunt eagerly drained my balls. My cock was soft when she let it go.

“I want to play with your ass a little more,” I said as I pulled her up to her feet.

She did not resist as I arranged her on her knees and let her rest her head and shoulders on the sofa. She even let me adjust her position so her ass was thrust out outrageously. The view of her offered sweet holes made my soft cock twitch and start to grow. On my way to her asshole, I lapped her wet pussy. Her asshole welcomed my tongue, nibbling gently at its tip. She moaned lowly, grinding her ass into my mouth.

“He really likes your ass,” said Beth. “His big cock’s already rock hard and ready to fuck.”

Leanne's asshole twitched as Beth made her mischievous statement. Plugging my aunt's wet pussy with two fingers, I slowly ate her asshole to orgasm. Wrapping my free arm around her thighs, I steadied her as she bucked her ass into my face. Her asshole sucked my tongue tip desperately as her pussy twitched and gushed on my fingers. When she calmed down, I removed my sticky fingers and sucked them noisily.

"Her pussy's so wet and leaking, and your cock's so hard and leaking," said Beth, stroking my throbbing cock. "They definitely belong together. They need each other."

Leanne just trembled when I moved forward and touched my leaky cock head to her dripping pussy.

"Aunt Leanne, do you want me to fuck your hot little pussy?" I said as I brushed my cock head up and down her pussy lips, making her gasp. "Does your little pussy need my big cock?"

"Yes," she hissed.

When I pressed my cock head into her pussy hole, she held her breath. She grunted softly as my cock head split her pussy lips and slid in. I held her hips and pushed my cock firmly into her pussy. She grunted as my hard shaft sank all the way into her sodden pussy. My cock pulsed as I felt the tightness and heat of her pussy.

"I love your sizzling little pussy," I said, pausing. "Do you love my big cock too?"

"Yes," she hissed.

"Do you want me to fuck your horny married pussy royally?" I teased, grinding into her dripping pussy.

"Yes," she hissed.

"Yes, baby, fuck your slut aunt," urged Beth softly. "Fuck her cock-hungry little pussy into mush. Show her how much you like her and lust for her."

Leanne trembled, bathing my cock in juices. Holding her hips, I thrust gently in her pussy, making her gasp.

"Let me help you with your dress so he can play with your tits while he fucks you," offered Beth.

Leanne cooperated as Beth helped her take off her dress.

"Show me your virginal rosebud," I said as I guided her hands back to her ass. "It will soon be no longer virgin."

Her pussy twitched around my cock before she spread her ass open. I reached under her chest, holding her tits and capturing her stiff nipples between my middle and ring fingers. She moaned as I kneaded her tits and pinched her nipples. She fucked back more and more urgently. A couple of minutes later, she came.

"You like his big cock, you sexy whore," teased Beth, making Leanne's pussy twitch, "but who doesn't?"

While Leanne gasped for air, I removed my dripping cock from her pussy and wiped it over her asshole before I put it back in her pussy. Within the following fifteen minutes, I fucked her pussy vigorously, and she came five times. I wiped my cock over her asshole three times. Her pussy and my cock and balls were drenched with her juices. She panted softly as I pumped her pussy gently.

"Did you enjoy getting fucked hard with my big cock, Aunt Leanne?" I said.

"Yes," she hissed.

"I am going to fuck you like you've never been fucked," I said, making her pussy twitch. "Do you want that?"

"Yes," she hissed.

After pulling out of her, I licked her juices off her asshole. I lapped up her copious juices off her pussy, probing her hot insides. I stood up and pulled her to her knees, thrusting my glistening cock in her face. She did not hesitate to open her mouth and take it in. She deep throated me, thoroughly sucking her juices off my cock. She even licked my sticky balls clean.

"Let's give your cock-hungry little pussy more of its favorite big cock," I said as sat down on the sofa and pulled her astride me. "This is your favorite cock, isn't it?"

"Yes," she hissed.

She guided my cock into her pussy and started to ride it. I held her ass and paced her, making sure her pussy swallowed my cock balls deep every time. Beth winked at me as she stood behind Leanne and squeezed lube onto her fingers. I pulled Leanne's cheeks wide apart. Leanne gasped and her pussy contracted around my cock as Beth's finger popped into her asshole.

"What are you doing?" asked Leanne in shock, looking back at Beth.

"Relax," said Beth, her finger smoothly sliding in and out of Leanne's asshole, "I am just preparing your virgin little asshole for his big fat cock. We all know it's what it was made for. You'll love it. Trust me."

“Just relax and have fun,” I calmed Leanne down.

Leanne did not calm down. On the contrary, she stiffened and came wildly. While convulsing, she grunted as Beth popped a second finger up her ass. She finally collapsed in my arms. I rocked her gently, moving my cock within her pussy while Beth continued to ream out her asshole.

“Take a deep breath and open up to the thrills of ass fucking,” I whispered, making her pussy twitch.

“Please be gentle,” she said lowly.

“Don’t worry,” I said. “I’d never hurt the hottest and sluttiest aunt in the world. Are you excited about it?”

“Yes,” she hissed.

“You have a perfect ass, aunt,” I said. “Your favorite nephew’s now going to put it to good use.”

Leanne took a deep breath, and then she had to grunt as Beth squeezed a third finger up her virgin but excited asshole. Leanne’s pussy continued to leak while Beth carefully loosened up and lubed her asshole.

Beth finally pulled my cock out of Leanne’s drenched pussy. I could hear her fingers pop out of Leanne’s asshole as she guided my cock to its virgin target.

“Do you want me to fuck your luscious ass?” I asked.

“Yes,” hissed my aunt.

With a swift move, Beth popped my cock head past Leanne’s innocent sphincter. Leanne gasped, and her asshole squeezed reflexively. While I paused, Beth lubed the exposed shaft of my cock thoroughly.

“Relax,” I said. “I am in.”

Claiming Leanne’s lips in a kiss, I started to rock her very gently just to let her get used to my cock in her ass. Leanne kissed back feverishly. By the time we broke the kiss, her asshole had already started moving gradually down my thick shaft. While Leanne was absorbed in her first ass fuck, Beth adjusted the camera.

“Do you like giving your hot ass to your favorite cock?” I teased.

“Yes,” hissed Leanne.

“You are a cock-loving slut, aren’t you?” I teased.

“Yes,” she hissed.

“Spread your lustful ass like the cock-craving slut you are,” I said as I guided her hands to her ass.

While she spread her ass, I held her waist to encourage her to go down. She rocked gently sinking deeper and deeper onto my cock. In a couple of minutes, I only had one inch of my cock outside her ass. We fucked gently.

“You are so sexy,” I whispered. “Your ass is so hot and tight. It must have been made for my big cock.”

“Yes,” she hissed.

“Do you love having my big cock up your hot ass as much as I do?” I said.

“Yes,” she hissed.

“This is what you were meant for, Aunt Leanne,” I said. “You were given this luscious ass for a good reason.”

She trembled and her asshole twitched. I captured an erect nipple between my lips and sucked it, making her asshole twitch again. I did that to her other nipple, making her tremble for a third time.

“Ride your nephew’s big cock,” urged Beth. “Get your asshole reamed out good.”

Leanne trembled and started to ride me faster.

“I am so happy you saved your amazing ass for me,” I said, pacing her. “Are you happy too?”

“Yes,” she hissed. “This feels so good.”

Her tight asshole milked my cock instinctively. I kneaded her tits and watched her beautiful face as she enjoyed my cock in her ass more and more. Her asshole relaxed gradually. I pulled her knees up, forcing her to squat on her feet in the Asian cowgirl position. I spread her ass and paced her, gradually making her sink deeper on my cock. Before long, her ass was repeatedly swallowing my cock balls deep.

Forgotten, sneaky Beth manned the video camera to take close-ups of the stiff ass fucking my horny aunt was dealing herself. My hands kept my aunt bouncing rhythmically. She was obviously approaching her orgasm steadily.

“Nick, I am going to come on your incredible cock,” she gasped.

“Come your hot little ass off, aunt,” I said. “That’s what you are here for.”

As her orgasm hit her intensely, I had to work harder to steady her.

"I am coming on your big cock," she gasped. "This is unbelievable."

"You have an unbelievably hot ass, Aunt Leanne," I said. "Come as hard as you can."

She gasped and convulsed violently, and her asshole twitched as I kept it shuttling up and down my happy shaft.

When she recovered partially, I kissed her while rocking her ass gently. She kissed back lustfully.

"You love my cock in your slutty ass, don't you?" I teased.

"Yes," she smiled shyly.

"I want you to turn around while keeping your ass impaled on my big cock," I instructed.

She turned around with a little help. With her feet on the sofa on either side of my thighs, I started bouncing her.

"I love the view of a big hard cock stuffing a lucky woman's ass while keeping her leaky pussy empty," said Beth as she brushed Leanne's pussy with her fingertips, making her shiver.

"Your little pussy's so happy your hot ass has finally been fucked with your favorite cock, isn't it?" I teased.

"Yes," hissed Leanne.

Leanne moaned as Beth pushed two fingers into her pussy. Beth removed her glistening fingers and let me suck them. She dipped her fingers in Leanne's pussy again and brought her fingers to Leanne's mouth. Leanne hesitated a little, but Beth's fingers insisted. Leanne finally sucked her juices off Beth's fingers. Beth dipped her fingers in Leanne's pussy and then sucked them noisily.

"By the way, yours isn't the only leaky pussy here," said Beth, sliding her fingers into her own pussy.

Beth brought her slick fingers to Leanne's mouth. Leanne did not hesitate to suck them.

Holding Leanne's ass in my hands so her cheeks were pulled apart, I bounced her twitching ass through orgasm and until she went limp, sitting in my lap with my cock balls deep up her ass.

"She's drenched," said Beth, diving between Leanne's legs. "Somebody has to clean her up."

Leanne gasped as Beth licked her pussy. Beth took her mouth off Leanne's pussy and kissed me, letting me taste my aunt's pussy on her tongue. She knelt down and held my cock by the base.

"I hope you wouldn't mind if I sucked his cock a little," said Beth, pulling my cock out of Leanne's ass.

Leanne raised her ass, allowing Beth to pop my cock out.

"I love this big juicy cock in every flavor I can get," said Beth before taking my cock in her mouth.

Leanne was shocked at Beth's action. Beth instantly deep throated my cock.

"Don't be shocked," I said to Leanne. "It's normal for my sluts to suck my cock after it has fucked a nice tight ass. It isn't as perverse as you think. You'll try it next."

While Beth sucked my cock eagerly, I helped Leanne get off me and guided her head to my cock. Beth pulled back, offering my cock to Leanne, who did not hesitate to suck it. While Leanne deep throated me, Beth got on her knees on the sofa and finger fucked her own ass in a lewd invitation. I gently pushed Leanne away and shoved my cock into Beth's wet pussy.

"Spread her ass," I instructed Leanne as I fucked Beth's leaky pussy.

When Beth came, I pulled out and had Leanne suck my cock clean. I returned my cock to Beth's pussy and got it bathed in her juices before I moved it to her ass. I drooled on her asshole and popped my cock in. After fucking her ass for a few minutes, I popped my cock out, leaving her asshole gaping. Leanne looked in surprise. When she closed her mouth next, my cock was already between her unsuspecting lips. She sucked me deeply. I drooled in Beth's open ass before shoving my cock in. I frequently took my cock out and let Leanne suck it until she started to anticipate it and suck it eagerly. I fucked Beth to orgasm and let Leanne suck me clean.

Next, I laid Leanne back on the sofa and fucked her pussy to a simultaneous orgasm.

"Aunt Leanne, I am going to flood your hot pussy with your favorite come," I said, drilling her pussy harder.

Aunt Leanne came harder as I pumped her twitching pussy full of come. While she sucked my cock clean, Beth surprised her and sucked my come out of her pussy.

"Open your mouth so she can pass the come back to you," I said to Leanne as I dismounted her head.

She hesitated a bit before she parted her lips.

"Never be too shy or hesitant to do anything slutty for your favorite cock," I encouraged.

Beth dribbled the come right into Leanne's open mouth, and Leanne swallowed it all.

"I have to go now," said Beth, grabbing for her dress. "I'll leave you with your new slut. Take good care of her."

"I will," I said. "Thanks, Beth."

"Sure," she said. "Have fun, Leanne. Enjoy your horny stud."

"I will," said Leanne, smiling.

Leanne proceeded to suck my cock to full hardness as I sat back on the sofa.

Beth popped the plug back in her ass before she left.

Leanne was in the bathroom, freshening up when I moved the video camera to the bedroom and switched the tape. I spent most of the next two hours in her ass, fucking it to a full gape. I fucked her in many positions and paces, occasionally switching my cock between her mouth, ass and pussy. Halfway through, I dumped a big come load deep in her happy ass and helped her eat it out. In the end, I dumped another come load up her ass and left it there. I did not forget to plug her ass and sign her up for an anal training course.

On the way home, I let her suck my cock. She finished me off and swallowed my come in her driveway.

"I had a wonderful time with you tonight, Aunt Leanne," I said.

"I had the best time of my life ever," she smiled.

"Say hi to Uncle Ken," I said as we broke a deep come-tasting kiss before she got off. "Kiss him for me."

"I will before I rinse my mouth," she said.

A BIG JUICY WEDDING

Our wedding arrangements had already started even before the end of mom's break-in period. Well before our wedding, my mother and sister, and Beth's mother, sister, aunt and cousin had been hooked on my cock up their horny orifices, especially their tight assholes. I had also been taking good care of Lisa's two horny friends.

On Lisa's eighteenth birthday, I invited my brother Peter. Beth had already started the video camera before I led blindfolded Lisa in.

"The birthday girl's going to suck your cock," I said to my shocked brother, motioning him to keep silent. "Just relax and enjoy."

His eyes bulged out as I helped Lisa kneel between his knees. He did not know what to do while she fumbled with his zipper and fished out his cock, which was getting hard already. He went nuts as he experienced her skilled mouth. He had to utter joy sounds uncontrollably.

Meanwhile, Beth knelt before me and took my cock out. My brother watched my fiancée deep throat my cock while her sister deep throtead his. Soon my cock was hard and slick. I knelt behind Lisa and flipped her dress, exposing her ass. I lapped her leaking pussy juices and licked her asshole for a couple of minutes, making her moan around Peter's cock.

Before long, I was fucking Lisa's pussy through her first orgasm. Drooling on her asshole, I pulled out my dripping cock out of her drenched pussy. She pulled her cheeks apart with one hand as I pressed my cock head into her asshole, making sure Peter saw what I was doing.

"This could be the best ass I've ever fucked," I said as Lisa's ass swallowed my cock, letting my balls touch her sticky pussy. "If it isn't, it's only because her sister has a hotter ass."

When Lisa finished coming on my cock, I withdrew my cock out of her ass and pulled her head off Peter's cock. I had her deep throat my cock before I helped her straddled Peter. I soon treated Lisa to her first double penetration and later treated Peter to his first ass fuck.

A couple of hours later, Peter was fucked limp. He wanted to go home, but I had him stay and man the camera while Beth joined in and helped me fuck her sister. She soon had to have my cock up her own ass. Peter could not believe it when he saw my fiancée and her sister eat my come out of each other's fuck holes.

In the end, we were all tired, but Peter was good for an extra come load. Lisa courteously helped him dump his last load down her throat.

We threw wild orgies when each of Ginger and Angel turned eighteen.

Peter was my best man. In my bachelor's party, he brought Ginger and Angel to dance for us. Lisa must have arranged that. The dancers deep throated my cock and swallowed my come.

"Let's not tire out our future groom," announced Peter more than an hour before midnight.

On our way home, he picked up his hot girlfriend, Laura. She wished me a happy marriage as Peter drove to my place. When I got off the car, Laura got off too.

"I know you are not tired," said Peter. "Laura can help you through the night. Have fun."

Before I had a chance to say anything, he drove away.

"What's going on?" I asked Laura.

"Let's talk inside," she said, smiling mischievously.

As soon as the door closed behind us, Laura was on her knees, opening my zipper.

"I like the way you talk," I said as my cock stretched inside her warm mouth.

After she devoured my cock for a few minutes, I took it out of her mouth and slapped her face with it.

"Why don't you give me a minute to get into something more comfortable?" I said.

While she waited for me, I set up the video camera in the bedroom and took off my clothes.

"Come on in," I called.

"I see you got very comfortable," she said as she entered the room.

Smiling, I lay in bed and motioned her to my cock. She got onto the bed and started sucking my cock. I reached out for her and started feeling up her ass. I soon took her panties off and proceeded to finger her wet pussy. I pulled her astride my face and ate her pussy through orgasm while she sucked my cock, moaning around it. I let her ride my cock through two orgasms. We sixty-nined again, and I got to lick her asshole. She resisted a little at first.

It was a lot of fun for both of us getting to know her fresh asshole and to introduce it to its first cock. We hardly had any sleep that night. She was very excited about getting her ass fucked.

"Fuck me all you want," she cheered, gasping while bucking her ass energetically. "You'll never be a free man again. Say all your goodbyes to my hot tight ass."

That gave me a big smile. She did not know I was hardly halfway through saying my hellos to her horny ass.

"Don't tempt me to cancel the wedding," I laughed.

"No, you wouldn't," she gasped.

"Why not?" I teased. "Don't you think your ass is hot enough?"

"I hope it isn't hot enough to break your marriage," she said.

"Don't rock the boat," I said.

"I am just rocking my ass," she said, thrusting her ass back for my cock.

"Keep doing that," I laughed. "I like it. You are a hot slut. I think you are too slutty for my brother."

"I am a nice girl when I am with him, but you are a dirty boy," she said. "Nobody else has ever touched my ass."

"That has nothing to do with being dirty," I said. "It only has to do with having a pair of eyes. My eyes can't miss or neglect your third eye."

"You are a dirty boy, and you know it, but I love it," she said.

Thinking that was my last indiscretion, Laura let me use her like a cheap whore with hardly any hesitation. She was completely uninhibited. I made sure she enjoyed every lewd act we made, so we would do it again and again. It was too bad there was not enough time to break her in before the wedding, but I fucked her until she begged for mercy and then some.

"This was the best night of my life," she confessed. "It's too sad we can't do it again."

"It would really be too sad if we couldn't do it again," I said. "Don't give up hope just yet though."

"So, you think we can do it again?" she asked.

"I only think everything's possible," I smiled. "Never lose hope."

"Okay, I won't," she smiled faintly.

"You should also wear your butt plug and practice often," I said. "Don't be surprised if sometime, somewhere, someplace when you least expect it, I step up to you and say, 'Smile! I am knocking on your back door!'"

She smiled wide. It was too early for her to know that she had actually been on candid camera.

"This is the kind of smile I want to see then," I said.

We shared a very long goodbye kiss. I was half sleeping when she left.

Beth was surprised that I woke up late, knowing that my bachelor's party had ended early.

"I am just charging for tomorrow," I mumbled on the phone.

Our wedding day arrived in a flash. Everything went smoothly and without a hitch.

Beth's best friend, Nicole, was the bride's maid of honor. Alex and Lisa were bride's maids. I danced with my mom, my new mother-in-law, my new sister-in-law, my sister, my aunt and my cousin-in-law. Each one of them was wearing fishnet stockings, her anklet and butt plug. I urged them to keep their asses warm for me, assuring them that I would resume fucking them silly once I would be back. I also danced with Laura.

"I really enjoyed that night," I said to Laura. "You were wonderful."

"I enjoyed it a lot too," she said. "I've never enjoyed anything like that."

"I really enjoyed fucking you up the ass," I whispered. "I can't get your hot ass out of my mind."

"I can't forget your cock back there either," she said.

"I don't want to give myself a chance to forget it," I said.

"Is that right?" she teased.

"Oh, yes," I said. "Are you wearing your butt plug now?"

"Yes," she said impishly.

"Good girl," I said. "I am sure I'll be back thrusting in your hot ass before you know it."

"I am not sure about that," she said, "but I hope so."

"I wish you could come with us on our honeymoon so I could keep fucking your luscious ass," I said.

"Me too," she said, smiling. "Your bride would go crazy though."

"It would be so much fun to fuck the two of you together," I said.

"Dream on," she smiled.

After the reception, Beth and I left in the limo to spend our first night at a hotel before leaving for Hawaii.

"We need to record our first night together," said Beth as she set up the video camera.

"Come here, Mrs. Callaby," I said, opening my arms.

We were kissing heavily and groping each other when someone knocked on the door. I naturally ignored it, but Beth pulled away.

"Just a minute," Beth called to the person behind the door.

"What?" I asked.

"That must be Nicole," she said. "She wants to congratulate us and wish us a happy married life."

"She already has," I said.

"She's worked hard," she said. "She deserves better than that from us. We need to thank her."

Beth opened the door, and in came Nicole. Nicole hugged Beth, and they kissed on the cheeks. She wished Beth well and then came to me. She hugged me, and we kissed on the cheeks. She gave me her best wishes and stood there. I looked at Beth. Beth gave Nicole a signal that made Nicole squat before me.

"What's going on?" I asked.

Beth gave Nicole another encouraging signal. Nicole reached for my pants and fumbled with my zipper.

"Someone tell me what's going on?" I asked.

"Relax, Nick," called Beth from behind the camera. "She's going to suck your big juicy cock for good luck."

"That's okay, I guess," I said, having been used to Beth's forward behavior.

Nicole was a little shy until my cock started to ooze in her moist, warm mouth. Soon she was sucking me balls deep, and I was thrusting gently to meet her strokes. I alternated between letting her deep throat me on her own and fucking her throat, holding her head with both hands. I occasionally slapped her face with my sticky cock.

After a long enjoyable while of letting Nicole suck my cock, Beth instructed us to move on.

“Let me see your come spurting in her mouth,” directed Beth.

Beth got what she wanted, and Nicole swallowed my come and sucked my cock dry. Beth left the camera on the tripod and moved to Nicole. She led Nicole to a sofa and had her bend over. Beth hiked Nicole’s dress, exposing her bare pale ass.

“Can you see this hot juicy pussy and this tight virgin asshole?” said Beth, spreading Nicole’s ass wide. “They are all yours tonight. You won’t have these fine orifices tomorrow, but you’ll still have mine.”

Beth spread and squeezed Nicole’s ass a few times, making her wet pussy and little asshole wink at me. Nicole moaned softly as Beth touched her ass. I knelt behind Nicole and spread her cheeks as Beth returned to the camera. Nicole gasped when I tickled her wet pussy with my tongue tip. I toyed with her delicious leaky pussy for a long while before I made her pant for air as her twitching pussy gushed in my eager mouth.

My cock was rock hard by then. I had her kneel on the sofa, bending over the backrest. I gently slid into her drenched pussy right up to the hilt. Her pussy twitched when my balls touched her clit. Before I started thrusting, I had her pull her ass open with one hand. When she was about to come, I pulled my cock out and teased her asshole with its dripping head. She gasped, her asshole clenching involuntarily.

“Relax,” I assured. “I am not going to fuck you in the ass anytime soon. I am not even going to do that until you beg for it. I promise.”

My cock was back thrusting in her pussy. When she was near orgasm again, I pulled out and teased her asshole. I did that several times, letting her learn to relax. She started to enjoy the feel of my cock head on her asshole to the point of humping against it. I drooled on her asshole and used my cock head to spread my drool.

Finally I allowed her to have a wild orgasm on my cock. When she finished convulsing, I walked around her and had her suck my dripping cock clean. I returned behind her and touched her asshole with my tongue for the first time, making her gasp.

It took me a few minutes to get her to relax and enjoy the ministrations of my tongue on her asshole. Her tight orifice continued to relax more and more, allowing my tongue to delve deeper. I stepped up my oral attack on her asshole, making her come within a couple of minutes. Her innocent asshole twitched wildly around the tip of my probing tongue. I lapped up her copious pussy juices and returned to her asshole.

Using my tongue on her asshole and two fingers in her pussy, I got her hot in no time. Leaving a big ball of drool on her asshole, I gently pushed my index finger, which glistened in her pussy juices, into her asshole. It was easy to penetrate her sphincter. With a little patience, I soon finger fucked both her holes with the entire length of my fingers.

After she came, I finger fucked her holes gently, constantly adding lube to her asshole. I reamed out her asshole with my finger while soaking it with lube. A little more patience got both my fingers all the way up her ass. Extra patience was needed to get a third finger up her ass, getting her ready for the real thing.

Before I left her ass, I lubed three fingers of her left hand and had her push them up her ass. I walked around her and generously squeezed lube onto the upper side of my rampant cock.

“Lube it thoroughly because it’s about to go all the way up your virgin but ready asshole,” I directed.

She readily used her right hand to spread the lube all over my shaft.

“Do you want me to fuck you up the ass?” I teased when she let go of my slick cock.

“Yes,” she hissed.

“Guide my cock to your asshole and beg me to fuck it,” I teased, aiming my cock at her asshole.

She popped her fingers out of her ass and used her sticky hand to press my cock into her asshole.

“Please fuck me in the ass,” she said lowly.

Needless to say, I spent my wedding night fucking my bride’s maid of honor every which way. I repeatedly filled her with come and had her eat it out. Behind the camera, my bride faithfully recorded everything, occasionally urging me to make her friend a faithful slut of mine. Nicole got fucked silly and then some.

“Beth, thank you so much for this special gift,” said Nicole. “Your wedding night was my happiest night ever.”

“What are friends for?” said Beth. “You are my friend. Never thank me, but thank my husband by showing him how happy you are with his big cock.”

“Thank you so much, Nick,” said Nicole.

“Beth wanted you to thank me by being a good dirty whore for me,” I said.

“I will,” she said.

It was so late Beth insisted that Nicole would spend the night with us. We all slept naked. I held Nicole but did not fuck her. She was fucked out. Beth teased my cock, but we did not fuck.

A HOT HONEYMOON

On the following morning, Beth started chatting with a blonde woman in the airport. The woman was beautiful, wearing a tank top and a miniskirt. They kept chatting until we boarded the plane. The woman and her husband boarded our plane. We could see them from our seats.

“They are out to celebrate their first anniversary,” commented Beth.

“Why did they miss the weekend?” I asked.

“Because on a Sunday exactly a year back they boarded their plane for their honeymoon,” she said. “By the way, they and we are going to the same resort.”

We met again in the lobby and got introduced. Beth again paired off with Samantha—the woman.

“Tony has to take a nap, so Samantha agreed to come over and help us,” said Beth while we unpacked.

“Help us with what?” I asked, looking up at her.

“She can man the camera while we consummate our marriage,” Beth said.

“You want a woman we have just met tape us while we fuck like sex maniacs?” I asked in disbelief.

“She and Tony are considering expanding their sexual horizons by letting another man fuck her,” she said. “Don’t you want to fuck her? Don’t you think she’s hot?”

“Yes, but…” I stammered.

“Butt not but,” smiled Beth. “Tight and virgin.”

“How do you know that?” I asked.

“What did you think we were talking about all that time?” she smiled.

“I didn’t think you’d be talking about that,” I said.

“Anyway, if she can film us fuck, she’s going to want your big cock,” she said. “Her virgin ass can easily be yours—while her happy husband watches.”

“Do you think so?” I said just as someone knocked at the door.

It was Samantha. She looked a little shy. We greeted each other.

“Nick, why don’t you give us ten minutes so I can put on my bridal dress?” suggested Beth.

Beth was in her white clothes when I returned after roaming around the resort for fifteen minutes.

“You need to change too,” Beth said.

Being a good husband, I went into the bedroom and changed into my wedding tux.

When I returned, Samantha was holding the camera. Beth and I embraced tightly and started kissing. We kissed lovingly first, but our kiss kept heating up. We also groped each other. She soon got on her knees, careful not to wrinkle her dress.

My mostly hard cock popped out in her face and greeted everyone. She kissed it all over before she took it into the warmth of her skilled mouth. My cock reached full hardness, and she sucked it deeply. She deep throated my cock for a long while, making joy sounds. I thrust gently to meet her head.

In the end, I slapped her face with my hard sticky cock and pulled her up. I gave her a deep kiss. I bent her over the sofa and flipped her gown over her back, exposing her bare pussy and ass. I aimed my cock at her wet pussy and pushed it in, making her groan as my shaft stuffed her pussy. Holding her hips, I fucked her at a nice pace until she had a double orgasm.

While removing my slick cock from her drenched pussy, I drooled on her asshole. I rubbed my drool into her asshole with my cock head and then pushed my cock in. She grunted softly as my cock popped past her sphincter. I fucked her ass through two orgasms before I popped my cock out of her gaping asshole. Spreading her ass, I kissed her asshole, probing it deeply with my tongue. I filled her ass with drool before I let her asshole close shut.

Turning her around, I thrust my cock in her face. While sucking my cock, she helped me take off my clothes piece-by-piece, starting with my pants. I kicked off my shoes and let her proceed. Before long, my come was spurting

forcefully through her open mouth and against the back of her throat. After she sucked my cock dry, I bent her over and proceeded to eat her pussy and ass through an orgasm each.

Without panties and bra, she was naked after taking off her veil and gown, except for her white gloves, fishnet stockings and her pumps. I sat back, and she rode my cock with her ass through a few orgasms. In the end, I laid her back and fucked her pussy through a simultaneous orgasm. I fed her the first scoop of come out of her pussy, and she seductively ate out the rest.

She sucked my cock back to life, and I fucked her ass through a few positions and as many orgasms. After I filled her twitching ass with come, I fed her the first scoop of come and she fed herself the rest. She sucked my cock clean before she stood up and we kissed, concluding our fuck session.

Beth walked to Samantha, who had faithfully followed our wild action, and took the camera.

“You’ve earned a prize,” said Beth, training her camera at Samantha. “Do you want to suck his big juicy cock or do you want him to eat your juicy little pussy?”

“I want to suck him,” said Samantha shyly after a little hesitation.

“He’s all yours,” said Beth, motioning Samantha to me.

Samantha knelt before me and held my cock gently. She stroked it tentatively, and it hardened.

“Suck it, you hot woman,” I encouraged softly.

She took my cock in her mouth and started sucking. She soon held my hips and started pulling me deeper. Her shyness all but evaporated and was replaced with lust and eagerness as she swallowed my cock balls deep again and again. I smiled at her whenever our eyes met.

“That’s it, baby,” I encouraged, holding the back of her head. “Show me the hot slut you really are. It’s okay to get soaked while you do that. If you get too wet, I’ll lap up your tasty juices for you.”

She let me spurt my come through her open mouth and swallowed it all. She sucked my cock dry before I pulled her up for a kiss. We had a feverish kiss during which I wildly felt up her tits and ass. When we broke the kiss, I had her skirt pulled up out of the way and was squeezing her bare ass. She did not resist as I pushed her onto the sofa and pushed her legs over her head.

“I can’t let you go back to your room this wet...and delicious,” I said, eyeing her drenched pussy.

She gasped when my tongue touched her erect clit. I licked her pussy until her juices soaked her asshole. I did not let her come until I got her asshole used to my tongue play. She moaned and did not hesitate to spread her ass once I guided her hands down. I made her come once with my tongue in her pussy and once with it in her tight little asshole. She was hot.

She had a great time as I lubed her asshole and probed it with my fingers while licking her clit. I made her come twice on the way of stretching her asshole comfortable around two fingers. I did not attempt to squeeze a third finger into her ass until I made her come again, finger fucking her with two fingers in each hole. Within several minutes, I had three fingers all the way up her ass.

“Baby, I know you want to fuck her ass bad, but we want her husband to watch you do that and make her your married slut,” said Beth. “Why don’t you just fuck her pussy today?”

“Do you want my cock in your virgin ass, Samantha?” I whispered, gently thrusting my fingers within her ass while rubbing her clit with my thumb.

“Yes,” she hissed.

“Do you want it now or tomorrow?” I asked.

“Now,” she said lowly.

“Why don’t you call Tony so he can watch me fuck both her holes?” I said to Beth.

“Yes,” said Samantha, her asshole twitching around my fingers. “He must be awake now.”

“Okay,” shrugged Beth, grabbing the phone.

“Why don’t you come over and join us?” said Beth. “My husband’s about to fuck your hot wife. Hurry up. She’s so horny she can’t wait, and he’s so hungry for her hot holes.”

While waiting for Tony, I finger fucked Samantha’s pussy and ass. Tony knocked on our door within a couple of minutes. His wife was writhing on my fingers. I removed my fingers from her orifices and sat her up as Beth went for the door. By the time Tony entered, Samantha was deep throating my cock hungrily.

“Sit down right here so you can see all the juicy details,” said Beth, motioning Tony to sit next to his wife.

For Tony’s benefit, I fucked Samantha’s throat for a few minutes. Although Tony was busy watching his wife, he had to steal several glances toward naked Beth.

“Do you want me to fuck your hot married pussy?” I teased Samantha as I pushed her legs over her head.

“Yes,” she hissed.

“Beg me to fuck your horny married pussy,” I whispered. “Show your husband what a hot slut you are.”

“Please fuck my horny married pussy with your big cock,” she gasped as I touched my cock to her soaked pussy.

My hard cock sliced all the way into her juicy but tight pussy, stuffing it tightly.

“Hold hands,” I said as I started to pump Samantha’s pussy. “Share your love with him and your lust with me.”

While they held hands, I fucked Samantha in a few positions, making her come several times. She ran out of breath every time. I occasionally popped two fingers up her ass when she was close to orgasm. I removed my fingers from her ass and let her suck them while she panted for air. She was on her back when I pumped my come deep in her convulsing pussy. I climbed onto the sofa and had her suck my sticky cock.

“Don’t be shy,” Beth said to Tony. “Go ahead. Eat her creamy pussy; you know you want to.”

Tony hesitated. Samantha continued to suck my hardening cock while she pulled him toward her pussy. He finally relented and knelt between her legs. She started moaning around my cock as he ate her come filled pussy. She came in his mouth before he was through. I took my cock out of her mouth, so they could kiss.

“Happy anniversary, baby,” she said to him after breaking the kiss.

“Happy anniversary, honey,” he said.

“Happy anniversary to you two and many happy returns,” Beth and I said.

“Thank you,” Samantha said happily before she sat up and resumed sucking my hard cock.

“Thank you, guys,” said Tony as I thrust in his horny wife’s mouth.

Samantha was soon back on her back, and I was thrusting in her pussy. While I fucked her, I guided her left hand to her asshole. Soon I could feel her fingers working in her ass.

“Where else do you want my cock?” I teased as she continued to pant after a wild orgasm.

“In my ass,” she said mischievously. “Please fuck my ass.”

“What?” Tony said in shock.

“Good girl, Samantha,” I said. “Spread your ass so Tony can guide my cock into your virgin asshole.”

“No, I can’t do that,” he said. “I am not gay.”

“Me neither, but that isn’t gay,” I said. “You are only helping your wife get fucked royally.”

“You’ll just hold his cock until it pops in,” said Beth.

“Come on, darling,” said Samantha. “Put his big cock in my horny virgin ass. Please!”

While that happened, I liberally refreshed the lube on her asshole, making sure it was relaxed enough. I squeezed a generous amount on my own shaft and rubbed it all over.

“Let’s do it,” I said, aiming my cock at her asshole.

Tony reluctantly held my slick shaft and aimed it at his wife’s virgin anal pucker. I pushed in gently but firmly. Her asshole opened up and let my cock head pop in.

“That’s it,” I said to Tony, pausing. “It wasn’t bad. Now sit back and enjoy the show.”

Samantha and I enjoyed sinking my cock slowly into her hot tight ass. Tony watched his wife come again and again while I pumped her tight ass vigorously, often changing positions to enjoy her fully. She lost her clothes in the process, and I got to fondle and suck her tits. I let him take a good look at her asshole as it later gaped in satisfaction. I even had her wink at him with her open asshole. I occasionally kissed her asshole and devoured it, pushing my tongue in as far as it would go.

When her asshole was very open and receptive, I pumped her ass full of come. It took a little coaxing to have her husband eat her slimy well-fucked ass. She sucked my cock back to hardness, and I fucked her in all her holes. In the end, I filled her ass with come and plugged her ass with a new butt plug.

We put our clothes back on and had drinks. We chatted innocently, except for the long royal anniversary blowjob that Beth gave to Tony, draining his balls down her throat.

On Tuesday, Tony and Samantha joined us as we filmed our first fuck on the beach. Although we had agreed to let Samantha's ass rest that day, she insisted that I must fuck her and come inside her ass. We also filmed a session between her and Tony.

We had a lot of sex indoors and outdoors, usually including Samantha and her voyeur husband. Beth decided that we needed to break Samantha in within our stay there. Therefore, I daily had two long sessions with her and had her wear her butt plug most of the time. We all extended our stay to Wednesday.

Before we left on the same plane, we exchanged phone numbers and addresses. On that morning, we introduced Samantha and Beth to double penetration. Tony graciously volunteered to eat his come out of their pussies. The ladies wore their plugs to travel with come filled asses. Samantha was to join my slut harem officially and receive her GASP anklet.

A HOTTER HOMECOMING

Beth recommended that we abstain from sex for a day or two so we could have a strong come back. I did not know what she really had in mind until a few minutes before the actual event.

"We are having a party this afternoon," announced Beth. "Women on both sides of our family are welcoming us back after our honeymoon."

"So, do you want me to leave?" I asked.

"And who else do you suppose would take care of their sex-starved orifices?" she asked with a smirk.

"It would be hard to sneak them out one by one and fuck them," I said.

"That's right," she said, "but I didn't say anything about sneaking."

"So how do you think we can do it?" I asked.

"Don't worry about it," she said. "I'll take care of everything. Just put on your gold silk robe and do not wear any underwear. You'll love this. We all will."

Since the house entrance was not visible from the family room, I was able to meet our guests one by one as they arrived and pull each aside for a short tongue kiss. With practiced ease, my hands made sure they all wore no underwear and they all wore their butt plugs. They all had their fishnet stockings and anklets on.

Beth guided each guest to her predetermined seat. By four everybody had been seated.

"Tonight we are going to celebrate becoming one big happy family," announced Beth, interrupting their casual chatting, as she slowly stroked my hardening cock through the silky material of my robe. "We'll show you a video of our honeymoon. It contains adult scenes, but thankfully we are all adults here. Not only that, but, judging by the stockings and the anklets, each of our sexy guests is a GASP member." They all looked around, surprised at that revelation. "Having your contact lenses on helps you see this video in perspective. We'll start our celebratory orgy with the video, and then we'll go wild, doing what we do best."

When Beth hit play on the remote control, the video started with "Beth and Nick Home Video Productions present...Horny Moon in Hawaii." The background was waves breaking at the shore. Over the sea sounds, gasping and moaning could be heard. As the camera panned down, the screen was filled with a hard cock deeply pumping a stretched asshole. The asshole humped back eagerly. Suddenly the cock popped out of the asshole, leaving it gaping, and got immediately captured between two lips. The cock fucked the faceless mouth deeply. When the cock popped out of the mouth, the camera zoomed out to show Beth, who smiled, saying "I love this cock."

Everybody looked at Beth.

"Don't we all?" she smiled, stroking my hard cock, which she had uncovered.

Onscreen my cock returned to the gaping asshole. The screen showed Beth holding the woman's ass spread as I resumed fucking her hard and deep.

"Starring...Beth...Nick...Samantha," read the screen, showing the respective faces. Samantha was gasping and moaning as she fucked back. "Camera by Samantha, Tony and Beth."

"I met our new friend Samantha at the airport," introduced Beth. "She and her husband Tony were going for their first anniversary. They didn't expect it would be this wild. She had been virgin where she's gaping now. By the end of our honeymoon, she and I could hardly sit down on our tenderized asses. Her help was greatly appreciated."

Beth deep throated my cock while the screen showed me fuck Samantha to a wild anal orgasm while Beth continued to hold her ass open. As soon as my cock popped out of Samantha's ass, it twitched freely, spewing thick come into her open rectum. When my come slowed down to a dribble, Beth took my cock head in her mouth and sucked it dry. With her fingers she guided stray come that landed around Samantha's asshole into her open hole. She stirred her fingers within Samantha's asshole and licked them dry. She scooped some come out of Samantha's asshole and fed it to her. Samantha sucked Beth's fingers eagerly.

While that happened onscreen, Beth hiked her dress and sat in my lap, swallowing my cock in her ass. Before the eyes looked back at her, she had pulled her feet onto the sofa and was bouncing and moaning. They hardly looked at the screen, which showed Beth and Samantha take turns sucking my softening cock lewdly. I spread Beth's ass while she bounced her way to a wild orgasm. When she recovered, I pulled her ass off my cock and she pulled her legs way back. I turned her left and right, showing everyone her gaping asshole.

Beth got up and led Lisa to me. She nudged Lisa's shoulders down. Lisa got down on her knees and pounced on my cock. She eagerly deep throated my cock while her mother looked at her in disbelief. Lisa sucked my cock while Vicky helped Beth take the coffee table aside and lay a mattress covered with a stain-resistant cover. Lisa reluctantly let my cock go and returned to her seat next to her mom.

"I know you all have missed Nick, and he also missed you," said Beth. "You'll get back together like you always were. He's back! He'll always take good care of his whores, married or not."

Leaving my seat, I offered my sticky hard cock to Lisa, who was sitting closest to me on the right. She sucked it hungrily. I moved on to Victoria. Victoria blushed as I thrust my bouncy cock in her face.

"Don't be shy, mom," encouraged Beth. "Every slut here is going to suck it and fuck it with every hole she has."

That and holding the back of Victoria's head with my hand as I pushed my cock forward helped overcome her hesitation. Before long, she gave herself to it. She totally forgot that a roomful of women was watching her suck her son-in-law's cock like a cheap whore.

"Yes, mom," encouraged Lisa. "You are one hot slut just like me."

"There isn't a nun in this room," I said. "They are all GASP members."

Victoria was still hungry for my cock when I slapped her face with it. She reluctantly let me go when I moved on to Elizabeth. Having made sure that everything was going well, Beth started bringing party platters and laying them onto the coffee table and end tables.

While our honeymoon movie proceeded to show Beth and me consummate our marriage and then coax Samantha into sucking my cock and consequently getting her ass deflowered, I went through our guests, fucking their throats in the order I had deflowered their asses, starting with Beth. Aunt Leanne was the last. After getting done with her mouth, I arranged her on all fours on the mattress, unplugged her ass and fucked her pussy to orgasm while fingering her ass. I removed my fingers from her ass and my dripping cock from her drenched pussy. I gently slid my cock all the way up her ass just to make sure she was ready for the main course.

Beth picked up the video camera, which had been recording an overview of the action until this point. The camera followed my cock closely as it fucked every pussy to orgasm in the reverse order of the preceding oral sex. I fucked each in a different position. I slowly thrust my slick cock balls deep into each woman's ass before letting her go. Every woman had to suck my glistening cock after it popped out of her predecessor's ass and before taking it into her own pussy. Their assholes milked my fingers while my cock pounded their pussies hard. Their butt plugs were finally lined on the coffee table. All assholes were ready and tingling for my rampant cock.

After breaking the ice, the orgy went in full swing. I pulled a few women onto their hands and knees and took turns eating and finger fucking their pussies and asses. Others took turns sucking my cock. Before long I was thrusting deep in Victoria's ass while Lisa spread her ass for me. Soon Vicky knelt across from Lisa and pulled her aunt's left ass cheek out. She and Lisa sucked my cock several times throughout Victoria's ass fuck. Victoria had hardly stopped convulsing on my cock when Aunt Leanne thrust her ass my way to go next.

From then on, two women held each woman's ass open while I fucked it. The two women took turns popping my cock out and sucking it. They occasionally drooled into the woman's gaping asshole and switched my cock between her ass and dripping pussy. We employed different positions too.

Vicky was the last to get her ass fucked, so I pulled her mother next to her. I switched my cock between Vicky's ass and Victoria's mouth. After Vicky came, I spewed my come load into her gaping asshole.

"Feed her my come and have some," I instructed Elizabeth while Victoria and Lisa sucked my cock dry.

Vicky and Elizabeth eagerly complied.

While I rested, they all took turns sucking my cock back to life. I made six more rounds, taking short breaks. When our honeymoon movie ended, the DVD changer played other movies that contained top performances by our guests. Each woman had her own come load shot up her ass to be fed to her by another woman and shared with her. Beth fed Victoria the last come load while Lisa manned the camera.

My horny sluts sucked my cock back to life again. I fucked each of them up the ass to orgasm but I did not come. They had already become a big happy family, having wild sex in the presence of each other with extreme ease, openness and depravity.

In the end, I gave each well-fucked asshole a big deep kiss and put its plug back in. I arranged them all, including Beth, in a circle, their plugged asses facing the center, and took a few family pictures.

Our matinee lasted till after midnight. There was plenty of time for the food to be almost wiped out. We also went through quarter of a family-size lube bottle in addition to the pussy juices and drool used despite that the women only lubed their asses only once after each fuck. Lube was necessary for my cock no less than their assholes to survive that marathon.

“It was a great homecoming party,” said Beth as we lay in bed.

“It was wild,” I said.

“Now that your sluts know one another, we are almost there,” she said.

“We are almost there where?” I asked.

“At the end of the first challenges you have to overcome,” she said.

“Almost?” I said. “What else is there?”

“Many of your sluts are married,” she said, stroking my soft cock lightly. “They now cheat. You can’t keep this up without their husbands’ permission. They deserve to know what your big wicked cock does to their sweet loving wives. You make them convulse uncontrollably in orgasm after hard orgasm until they are defenselessly open and desperately ready to do anything for you. You take advantage of their lustfulness and pump big wads of thick come into the depths of their trembling bodies. Does your father know you fuck his loving wife like she has never been fucked before? Does my father know you fuck his prim and proper wife like a dirty whore? Does your uncle know you fuck his reserved wife like a teenage tramp? Does my uncle know you fuck his stylish wife like a cheap slut?”

“Who would give me permission to fuck his wife?” I asked, my hard cock twitching in her hand.

“All of them,” she said. “Wouldn’t you love it if your mom could suck you while you held conversation with your dad across the room? Wouldn’t you like to be able to fuck mom when you visit without having to sneak around dad? Wouldn’t you like your dad to be able to eat your mom’s freshly fucked pussy or ass so you can fill it again and again with your thick sticky come?”

“Of course, I’d like that but my dad or yours would never agree to that,” I said.

“At the beginning, you thought your mother or mine would never let you fuck her up the ass,” she said. “It’s now a reality. Everything’s possible when done right. Don’t worry; I am your wife, I’ll stand right behind you and make sure you get every one of those permissions so we can move on to new challenges.”

“I hope it’s going to work out,” I said.

“By the way, your brother, Peter, and his girlfriend, Laura, are visiting us tomorrow,” she said. “It would be great if you could fuck her. She’s an anal virgin too. I am sure she can’t say no to your big cock.”

Obviously Beth’s information was a couple of weeks old.

“I can’t say no to her ass either,” I said.

“It’s the natural and logical next step to expand your slut harem,” she said. “Having already fucked Lisa and watched you fuck her and me, Peter’s unlikely to mind watching you fuck his girlfriend. It would be a big step toward our goal if we could get him hooked on watching you fuck his woman like a dirty whore.”

“That would be an exciting challenge,” I said.

“You worked hard tonight, but it shouldn’t be a problem for you to handle Laura and me tomorrow,” she said.

“I can handle the two of you right now,” I said.

“I am fucked out now,” she said. “I know you can handle her easily now, but tomorrow I’ll need cock.”

In the morning, I gave Laura a call.

“I heard that you and Peter are visiting us tonight,” I said.

“Yes,” she said. “You don’t want me to come?”

“Of course I want you to come especially on my big cock,” I said.

“I can’t do that, you dirty boy,” she said. “You are married now. It’s going to kill me to be so close to my hottest lover and not be able to do anything about it.”

“What would you do if you could?” I said.

“If I could, I’d let you fuck me silly in every hole I have—like we did that night,” she said.

“Does your horny ass miss my big cock as much as my big cock misses it?” I said.

“I think it does more than that,” she said.

“Does Peter know about what I did to you then?” I asked.

“We didn’t talk about it, but of course he does,” she said. “He’d have been blind and deaf to miss how well fucked and happy I was the following few days.”

“Beth doesn’t know anything about that,” I said.

“No kidding, Sherlock,” she said. “You wouldn’t have been married otherwise.”

“You don’t seem to know who wears the pants in this family,” I said. “Beth isn’t even allowed to wear panties.”

“You think you can fuck me and she wouldn’t do anything about it?” she said.

“Not exactly,” I said.

“I thought so,” she laughed. “I now know who wears the pants, but I am not sure who wears the panties.”

“It better not be you tonight,” I said. “If you do or if you don’t wear your butt plug, I’ll spank your bare pale ass red in front of my wife and your boyfriend.”

“I’ll be without panties and wearing my butt plug, and my pussy will be dripping, but you’ll be responsible if I leave any wet spots,” she said.

“You are a big girl, Laura,” I said. “You should be able to handle that. If you mean I am responsible for licking your leaky pussy dry whenever is appropriate, then I’d love to do that.”

“I am not sure that would keep my overflowing juices under control,” she said.

“Are you still saving your luscious ass for me?” I said.

“You are still the only one who’s ever fucked it,” she said. “It’s too slutty for me to let Peter fuck me there.”

“You can’t let anybody fuck you there because your hot ass belongs to me,” I said.

“You mean you are going to fuck it again?” she said.

“Of course,” I said. “I love it too much not to.”

“That would be cheating,” she said.

“Laura, there is a special connection between me and your ass,” I said. “It can’t be severed.”

“You are looking for trouble,” she said.

“Promise me you won’t let anybody else fuck it, and let me worry about the rest,” I said.

“I promise,” she said.

“If you are lucky, I’ll fuck you tonight,” I said.

“You are crazy,” she said.

“Tell all your holes than my big cock says hi,” I said.

“They all say hi to you and to your big cock,” she said.

“Take care until they meet tonight,” I said.

“See you tonight,” she said.

When Peter and Laura arrived at our house that night, I got the door.

“Hi, brother,” I greeted Peter, shaking his hand. “Go in. Make yourself at home while I say hi to your lovely girlfriend. I am afraid I missed her more than I missed you.”

“You make me feel jealous of her,” he smiled.

“Say hi to Beth while I say hi to this hot woman,” I said.

“Don’t take too long,” he said. “You don’t know what Beth and I may do if left unattended.”

"It will only be a few minutes," I said.

Peter went in, and I opened my arms and smiled at Laura.

"You are outrageous," she smiled, walking into my arms.

"Come here, you little whore," I said, pulling her into me.

"Don't say that," she protested. "I don't let him call me or treat me like that."

"Of course you don't and he can't," I said. "You are not his whore. You are my whore though, aren't you?"

"Yes, you dirty boy," she said as I ground my boner into her pussy. "You are hard already."

"Are you wet, or am I the only one who missed the other?" I said, feeling up her ass.

"I am getting wet," she said. "You must know by now that I am not wearing panties."

"I also know that you are wearing your butt plug like a good girl," I said, tugging the base of her butt plug.

"You mean like a good whore," she said.

"I am sure you are good at everything you do," I said, dropping to my knees. "You are a good girl, a good slut, a good whore and you'd make a good sister-in-law, but I have to make sure you are really getting wet."

"Don't get us caught," she said as I hiked her shorts dress. "Neither my boyfriend nor your wife would like it if they found you inspecting my horny pussy."

Her statement ended with a gasp as my tongue tip touched her clit. I gave her moist pussy a deep kiss.

"You'll get us caught, Nick," she moaned as I grabbed the base of her butt plug and pulled at it.

She held my head tightly as her butt plug slid out of her ass until it was stretching her asshole with its thickest point. I attacked her clit fiercely.

"You are going to make me come," she gasped.

She guessed right.

"I am coming in your mouth, you crazy dirty boy," she gasped, shaking.

She gushed in my eager mouth, and I sucked everything she put out until her orgasm subsided. I pushed her butt plug all the way in, straightened her dress and got up.

"Your mouth now smells and tastes of my pussy," she gasped.

"Let's make both our mouths like that," I smiled, pulling her mouth to mine.

She only resisted before our lips met. We then kissed passionately.

"I've never enjoyed being received at the door like that," she smiled as I whipped my boner out.

"I enjoyed that too," I said. "Now get down and give my big cock a kiss."

"You are crazy," she said when she looked down and saw my hard cock throbbing.

"Just give it a kiss," I said. "You don't have to return the favor and make me come in your mouth."

She shook her head before she knelt down. She gave my cock a big kiss, taking its head in her mouth and swabbing it with her tongue.

"I hope they don't notice anything," she said as I zipped up.

"It was only a few minutes as I said to Peter," I said as I led her inside.

"Your wife's going to smell my pussy on my lips," she said lowly.

"She might think you were a lesbian bitch," I teased.

"You are not worried, are you?" she said.

"There is nothing wrong with having a brother's lesbian girlfriend," I shrugged.

Peter was sitting on the loveseat as Beth sat on the sofa. Beth got up to greet Laura. They hugged and kissed on the cheeks. I sat on the sofa, and Beth sat back next to me as Laura sat next to Peter.

"How is married life treating you, brother?" asked Peter. "Should I get married?"

"Your girlfriend's so hot I'd marry her myself if that were allowed and you didn't want to marry her," I said.

"I don't think your bride would let you do that even if it were allowed," he said.

"I am sure she'd let you do that," I smiled. "Are you going to marry her, or is she too good for you?"

“She’s too good for me all right, but it depends on her more than it depends on me,” he said. “I am waiting for the right time to pop the question.”

“Why don’t you leave me with her for a few minutes?” I said. “I’ll see what I can do about that.”

“Peter, why don’t I show you the house upstairs while we give my husband and your girlfriend some privacy?” said Beth, getting up. “It will take five to ten minutes.”

“Sure,” said Peter, getting up.

Beth led Peter to the stairs.

As soon as they disappeared, I got up.

“Suck it,” I said, thrusting my hard cock in Laura’s face.

“You are crazy,” she said. “You are supposed to talk to me.”

“I didn’t say anything about talking,” I said. “Suck it. We have ten minutes. Don’t waste time.”

She reluctantly took my cock in her mouth, but her reluctance was soon replaced with eagerness and passion. She deep throated my cock hungrily, and I thrust in her mouth.

“We are looking for deep trouble,” she said as I slapped her face with my cock.

“Now my cock smells and tastes of your horny pussy,” I said as I sat down next to her. “It wants the real thing.”

“I can’t believe we are doing this,” she said as she straddled me.

She guided my cock to her leaky pussy while I hiked her dress to her waist and held her ass. She moaned as her pussy swallowed my cock little by little.

“I love your big cock,” she moaned, riding me gently.

“Of course you do,” I said, pulling the top of her dress down to expose her tits. “You are my whore after all.”

“Yes,” she hissed.

“Ride the big cock you belong to, you dirty whore,” I said, slapping her ass playfully.

She picked up the pace.

“Come for my big cock like you never come for any other cock,” I urged.

Her orgasm soon hit her.

“I am coming on your amazing cock, you dirty boy,” she gasped, shaking wildly.

“Come, you dirty whore,” I urged.

She came hard, gushing on my cock and balls.

She gasped for air while I held her ass and rocked her gently.

“I can never say no to your incredible cock,” she gasped.

“You are a good whore, Laura,” I said. “You belong to my big cock.”

“Yes, I do,” she said, picking up the pace.

Laura did not see Peter and Beth sneak behind her back to the sofa. They sat there and watched.

“Whose whore are you, Laura?” I said.

“I am your dirty whore,” she said.

“Can you ever say no to my big cock?” I asked.

“No way,” she said.

“Why not?” I said.

“Because I am your dirty whore,” she said. “I belong to your big cock.”

“Do you know what my big cock’s asking you to do?” I said.

“What?” she said.

“It’s asking you to marry my brother so it can fuck you all you can handle,” I said. “If you don’t marry my brother, my big cock will dump you and will never fuck you like the dirty whore you are.”

“You are so wicked,” she said. “You want me to marry your brother so you can keep fucking me.”

“You are a silly bitch,” I said. “I can already fuck you all I want even if you marry the Queen of Britain. I want to fuck you so you’ll marry my brother. Are you going to do as my big cock’s asking you or not?”

“Of course I am going to do as your big cock tells me,” she said. “I am a good whore.”

“My big cock cares about you,” I said. “It only asks you to do the right things. You love my brother, don’t you?”

“Yes, I do,” she said.

“Now show me you are a good whore,” I said. “Come for me. While you come, sing: I love your brother, I love your brother; I love your brother, you big hard fucker.”

She picked up the pace, riding my cock wildly. I slapped her ass occasionally.

“I am coming,” she finally said, stiffening.

“Come, my dirty whore,” I urged.

“I love your brother,” she sang, gasping. “I love your brother. I love your brother, you big hard fucker.”

She came hard, and I held her ass tightly and jerked it over my hard cock.

“That was good,” she gasped when her orgasm subsided.

“It sure was,” said Beth, startling Laura.

Beth clapped her hands, and Peter joined her.

Laura looked at Beth and Peter in panic. She tried to get off me, but I held her waist tightly and pulled her down.

“It isn’t what you think,” gasped Laura, her face red with embarrassment.

“I’d never thought I’d hear that,” smiled Beth. “I think you’ve just had a big orgasm on my husband’s big fat cock and your pussy has drenched his cock and balls, but that could be an illusion. What is it really?”

Laura’s face turned redder, but she did not say anything.

Laura tried to get up, but I pulled her down. I spread her ass and rocked it gently. She glared at me.

“Relax,” I whispered. “They’ve already seen it all. We can’t plead innocence now.”

“You are making it worse,” she hissed.

“You are my whore, and you are impaled on my big cock,” I whispered. “Nobody can hurt you. Besides, it’s their mistake. They were not supposed to intrude on us in our private time.”

“We were not supposed to fuck in our private time,” she hissed.

“When you leave dirty boy like me with a dirty whore like you, they have to fuck,” I whispered. “Only a moron would think they wouldn’t, so just relax and let it play out.”

“You really don’t care?” she whispered.

“My big cock asks you to ride it to a big orgasm, and to sing this time: I love your big cock,” I whispered.

“You are not serious,” she hissed.

“I am,” I said. “Do it. They can’t touch you. I promise.”

She relaxed gradually as I bounced her ass at an accelerating pace.

“Ride my big cock, you dirty whore,” I urged. “Come for the big cock you belong to. Show them how much you love my big cock. Show them there is nothing they can do about that. Show them whose whore you are.”

“I am your whore,” she said, picking up the pace.

“You are, Laura,” I said. “You are, and there is nothing anybody can do about it.”

She soon gasped and stiffened.

“Don’t forget what my big cock’s instructions,” I said.

“I love your big cock,” she sang as she shook in orgasm. “I love your big cock. I love your big cock.”

“It loves you too,” I said.

Her orgasm was wilder than before.

Beth and Peter applauded Laura’s performance when her orgasm subsided.

“She’s wearing a big butt plug,” said Beth. “Do you fuck her in the ass regularly?”

“She’s never let me fuck her in the ass,” said Peter.

“Tell him you’ll never let him fuck your ass either whether he marries you or not,” I whispered.

“I’ll never let you fuck my ass either,” said Laura.

“Let’s take a look at that big butt plug,” said Beth as she got up and took Peter’s hand.

Beth led Peter to us, and they both knelt down behind Laura. Beth tugged Laura’s butt plug out, startling her. She tugged gently but firmly, and Laura relaxed her asshole, letting the butt plug slide out until it popped out. I stuck two fingers up Laura’s ass.

“This is pretty big,” said Beth. “It looks like the one up my ass. Peter, can you pull it out and give it to me?”

Beth hiked her dress with her free hand, but Peter hesitated.

“Go ahead, Peter,” she said. “Pull my butt plug out of my ass.”

Peter tentatively reached for Beth’s butt plug and pulled it out, making her gasp softly. He handed it up to her.

“They look exactly the same,” she said, holding the two butt plugs next to each other.

“Yes,” he said.

“Have you ever tasted your girlfriend’s ass on her butt plug?” she asked.

“I didn’t even know she wore butt plugs,” he said.

“Go ahead,” she said, offering him Laura’s butt plug.

He hesitated, and she nodded at him. He stuck his tongue and tasted it cautiously.

“Did it taste bad?” she asked.

“No,” he said.

“Suck it,” she said. “Suck it clean.”

She pushed the butt plug into his mouth, and he did not resist much. He sucked it thoroughly.

“Now taste my ass on my butt plug,” she said, offering him the other butt plug.

He sucked her butt plug thoroughly.

“Can you identify the two butt plugs by their taste?” she asked.

“No way,” he said.

Beth returned her butt plug to her ass and popped Laura’s into her mouth.

“You are all nuts,” whispered Laura.

“I am glad I am fucking the only sane whore here,” I whispered.

Beth grabbed my cock by the base and pulled it out of Laura’s pussy. Laura raised her ass. Beth then guided my cock head to Laura’s asshole. I removed my fingers, and Beth popped my cock into Laura’s ass.

“I think my horny husband’s fucking your slut girlfriend in the ass,” mumbled Beth as I pulled Laura down.

“It looks that way,” he said.

“I am not sure it’s like what we think though,” mumbled Beth as Laura rode my cock gently. “It could be something different. If we want to know what’s really happening, we’ll have to ask her.”

“Laura, do you want to tell them what we are doing, or do you want to keep them guessing?” I said.

“Let them keep guessing,” gasped Laura. “They have no business watching you with your dirty whore.”

“Sorry, our dear audience,” I said. “We are not going to tell you what we are doing.”

“We’ll figure it out sooner or later,” mumbled Beth as I raised Laura’s knees into the Asian cowgirl position..

“Ride my big cock, Laura,” I urged, bouncing Laura’s ass faster. “Show them who your slutty ass belongs to.”

“My slutty ass belongs to your big cock and only to your big cock,” gasped Laura, bouncing faster.

“Is that because my big cock’s the best cock you’ve ever met?” I said.

“Yes,” she hissed.

“Come for it, my dirty whore,” I urged.

Laura soon came wildly, her ass jerking uncontrollably as I held it tightly.

“I love your big cock,” sang Laura, gasping. “I love your big cock.”

While that happened, Beth stroked Peter’s boner through his pants and he fingered her pussy.

“My big cock will never let you go as long as you are a good whore and obey it faithfully,” I said.

“I’ll obey it faithfully,” gasped Laura.

“You are still going to marry my brother, aren’t you?” I whispered.

“Yes, but I don’t think he’ll ever talk to me,” she whispered.

“Suck my cock clean while I take care of that,” I whispered, gently raising her ass off my cock.

Laura knelt next to me and dove for my stick cock. She soon deep throat it eagerly. Beth took the butt plug out of her mouth and popped it into Laura’s ass. I fingered Laura’s drenched pussy while she sucked my cock.

“Beth, have you figured out what Laura and I have been doing?” I said.

“Not really,” said Beth.

“Peter, your sexy girlfriend has agreed to marry you thanks to me,” I said.

“Really?” said Peter excitedly. “Was that what you were doing?”

“What else?” I said. “Give her a big kiss now.”

Laura took her mouth off my cock and looked at him.

“Did you really agree to marry me?” he asked.

“Yes, but you still need to propose,” she said.

She puckered up, and he gave her a big deep kiss.

“We’ll congratulate you when you put a ring on her finger,” I said.

“I’ll do that tomorrow,” he said.

“Why tomorrow?” I said. “Jewelry stores are still open. Grab a nice ring and come back. I’ll keep her company.”

“Really?” he said.

“Of course,” I said.

“Go for it, Peter,” encouraged Beth. “Girls can change their minds.”

“I’ll be back right away,” said Peter, getting up.

“Your future wife’s in good hands,” I said, squeezing Laura’s ass. Laura moaned over my cock. “Beth, why don’t you help him pick a nice ring?”

“Sure,” said Beth. “We’ll be back soon.”

Beth and Peter left.

“I can’t believe this,” said Laura. “Your wife and my future husband are going out to pick an engagement ring for me while you fuck me freely here?”

“Laura, you are my dirty whore,” I said. “They can only accept that. Do you know what’s hotter?”

“He’s going to propose to you while you have a big orgasm while my big cock drills your hot slutty ass, which he can never fuck,” I said.

“No way,” she said.

“You’ll see,” I said. “You’ll even gasp yes when I flood your bowels with my hot sticky come.”

“If that happens, the four of us will be the craziest people on earth,” she said.

“I disagree with you,” I said. “I think we are very sane.”

Beth and Peter returned two hours later. Meanwhile, I fucked Laura in every hole and fed her my come out of her slimy pussy. When they walked in, I switched my cock to her ass.

“We picked a beautiful ring,” said Beth.

“I knew you would,” I said as I motioned Peter to wait when he went down to one knee.

Beth spread Laura’s ass, and I drilled Laura’s ass harder.

“I am going to come,” gasped Laura.

My own orgasm was as close. I nodded at Peter and he opened the ring box for Laura.

“Will you marry me, Laura?” he said, presenting her with the sparkling ring.

“Yes,” she gasped, shaking in orgasm.

As she convulsed in orgasm, he took the ring out and pulled it on her finger.

She pulled him for a kiss.

“I am coming too,” I said, slamming my cock deep up her twitching rectum, while they kissed. Her orgasm exploded as her twitching rectum sucked my come for every sticky drop.

“Congratulations,” said Beth.

“Thank you,” said Peter and gasped Laura.

Beth hugged and kissed both Peter and Laura.

“Congratulations, little brother,” I said to Peter, grinding my softening cock into his fiancée’s ass.

“Thank you,” he said, shaking my hand.

“Congratulations, my little whore,” I said to Laura.

“Thanks, stud,” gasped Laura.

She turned her face, and we kissed deeply.

She deliberately milked my cock with her asshole. I finally pulled out and let her suck my soft cock clean.

Laura was on all fours along the sofa. I turned her to face the back of the sofa, letting her ass face her fiancé.

Beth sat next to Laura and spread her come-filled ass.

“Eat your new fiancée’s happy ass,” invited Beth. “Show your brother’s dirty whore that you love her no matter how slutty or nice she is.”

He hesitated.

“You’ve already tasted her asshole,” she coaxed. “Your brother’s come’s even more delicious. Give it a try.”

While Beth encouraged him, I fed Laura my soft cock. She sucked it eagerly.

Peter finally lowered his mouth to his fiancée’s well-used asshole and went to work, tentatively at first. Laura sucked my cock harder, and it grew faster. He ate her ass more and more eagerly, and she came in his mouth. Laura gave him a deep kiss, tasting my come on his tongue.

Beth led him to the loveseat and pushed him back.

“Now sit back, and watch your slut fiancée get fucked silly,” said Beth, kneeling before him.

Beth proceeded to suck his cock leisurely while I resumed fucking his fiancée.

Beth made him come in her mouth right after I filled his fiancée’s pussy with come. Beth walked to Laura and dribbled his come into her mouth. Laura swallowed it all. Beth then silently led him to his fiancée’s slimy pussy. He knew what to do, making her come in his mouth. He came again in Beth’s mouth after I came in his wife’s. Beth also fed Laura the come. My next come load went up Laura’s ass. Beth made Peter come and fed his come to Laura before she ate my come out of Laura’s ass.

Peter sat back and watched me fuck Beth and Laura together in every hole they had. He watched Laura eat my come out of Beth’s ass. After that, Laura and Beth ate my come out of each other’s pussy.

“Did you enjoy your engagement night?” I asked Laura.

“It was incredible,” she said. “I’ve never dreamed of anything like it.”

“I hope your wedding night will be even hotter,” I said.

“I hope so too, but I am not sure anything can beat this,” she said.

“Did you have fun too, Peter?” I asked.

“Yes, it was amazing,” he said.

“Your big brother and his slutty wife will always take care of you and your slut fiancée,” I said. “If she isn’t a perfect fiancée and wife for you, bring her to me. I don’t only fuck hot asses. I know how to spank them too.”

“I’ll be a perfect fiancée and wife to your brother,” said Laura. “I don’t want your big cock to get mad at me.”

“Keep my little brother happy, and I’ll keep your little ass happy,” I said. “If you give him pain, I’ll give it pain.”

“Deal,” she said.

“That was fun,” said Beth after they left.

“A lot of it,” I said.

“Your brother’s the horniest guy I’ve ever met,” said Laura to Peter on their drive home. “He didn’t fuck me like that on our first time two weeks ago.”

“He obviously deflowered your ass then,” he said.

“Your brother doesn’t give a horny girl a chance to say no to any dirty thing he does to her,” she said.

“I could tell that you had a lot of fun then, and you have even more fun now,” he said.

“I sure did,” she said. “Did you enjoy the show, or did you think your fiancée was too much of a slut?”

“You were too much of a slut all right, but Nick has to deal with that, not me,” he said.

“How come you are not so horny like him?” she said.

“Nick loved sex too much from the start,” he said. “A few girlfriends broke up with him because he fucked them too much. They regretted that when they tried others and came back, so he ended up with multiple girlfriends.”

“You mean his girlfriends were used to sharing him?” she said.

“Yes,” he said. “They figured they’d have to share or get fucked to death. I guess Beth thought so too.”

“Are you okay with his fucking me in the long run?” she said.

“Nick had a girlfriend of his give me my first blowjob,” he said. “He gave me my first pussy and my first ass. He gave me pussy whenever I was between girlfriends. He’s now helping with my slut fiancée. We are all happy.”

“I didn’t know I was such a slut before meeting him,” she said. “I’ll definitely enjoy being his sister-in-law.”

“His sister-in-law or slut?” he teased.

“His slut sister-in-law,” she said. “You’ll enjoy that too. You enjoyed eating his come out of my pussy and ass?”

“I know a guy isn’t supposed to eat come, but, apart from that, I enjoyed it,” he said.

“Me too,” she said. “It was so hot to have my fiancé eat my lover’s come out of my well-used pussy and ass. Your brother’s come’s delicious even out of a slut’s sloppy ass, isn’t it?”

“I have to agree,” he said.

“Although I love it so much, I love you enough to share some of it with you,” she said.

“I love you too,” he said. “I can’t believe your singing ‘I love your brother’ while you came on his big cock.”

“Can you believe that you proposed to me while I came on his big cock and he came deep in my ass?” she said.

“That was so romantic,” he laughed

“I can’t wait to tell my mom all about it,” she laughed.

“I bet she’s going to be very proud of you,” he teased.

“That depends on my story telling skills,” she said. “I have to make it sound like a storybook love story.”

“I sure would love to hear that story when you come up with it,” he said.

“I’ll make sure to run it by you before I tell her,” she said.

“That sounds good,” he said.

Married life is full of challenges, big and small, but the right wife, family and friends can make it a lot of fun. My brother and I learned it early in our lives and took full advantage of it.

The End

Love and Marriage

It was not love at first sight; it was a slow but strong love. Before tying the knot, she made sure I could get along with almost everybody, starting with her little sister. The thrills and challenges got constantly bigger as she tested me with her mom then her aunt then others. There were even challenges on our wedding day and honeymoon.
