

## Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

It was Friday afternoon, and I had nothing to do when mom came over and stood by me in the living room.

“Nick, be a sweetheart, and visit your aunt Leanne,” she said. “She’s lonely. You can help her around the house and keep her company. She’s been very nice to us.”

“I’d love to, but she lives too far, and I don’t have a car,” I said the obvious, trying to wiggle out of half a day in public transportation or paying a fortune for a cab.

“Don’t be a crybaby,” she said. “I’ll give you a ride.”

We got dressed, and, in fifteen minutes, mom was driving to my aunt’s at the other end of town.

“You are welcome to spend the week with her, but be a gentleman,” she advised as she dropped me off in front of my aunt’s house. “Your mission’s to be good to her.”

She reached out and closed the door.

“What if she...” I started to say as she drove away, “were not home?”

When I looked at my aunt’s house, my aunt was at the door, smiling at me. I walked briskly to her and we hugged.

“How are you, Nick?” she said, squeezing me tightly. “Did you forget you had an aunt over here?”

“I just remembered I didn’t have a car,” I smiled.

“What a lame excuse!” she said. “You could have called me. I’d have picked you up gladly.”

“I didn’t want you to go through all that,” I said.

We chitchatted over a couple of soft drinks. Leanne had always been my favorite aunt.

“I think you are man enough to be of good help to a lonely woman like me,” she finally said.

## Nightingale

March 2014 Remake of January 2001

Presents

**A Long Nightingale Classic**

**Mission Accomplished**

Before long, my aunt put me to work. During the following hour, I moved some stuff around the house for her. It was an easy job that a kid could have done but maybe less efficiently. I did not even break a sweat. When I finished, she brought me a wonderful cake she had made for me.

“It’s wonderful,” I mumbled with a mouthful of cake. “Why don’t you join me?”

“It would be a minute on my lips and an eternity on my hips,” she said. “I like my hips the way they are.”

“You have great hips if I may say so,” I said.

She laughed.

“Guys are crazy to leave a sexy woman like you alone,” I said.

“You think so?” she said.

“That’s obvious,” I said. “You have a great bust and a killer butt. If I had a woman like you, I’d keep her in bed.”

“Thanks for the compliment,” she said.

“Aunt Leanne, you need to go out and find someone to dine you, wine you and treat you like that,” I said.

“You got it,” she smiled.

“You can then make cake for him instead of making cake for me,” I said.

“Okay, but don’t eat much;” she said saw me going through the cake like fire in a pile of hay. “I am taking you out for a nice dinner.”

“You don’t have to,” I said. “I’d eat anything.”

“I can see that,” she laughed. “I want to.”

“No, this is good, not anything,” I said.

“If you say so,” she smiled.

She left me eating and disappeared. I ate a quarter of the cake and put the rest in the fridge.

“Why don’t you take off your work clothes, take a shower and put on these?” she said, handing me a bag. “We are going out. I want my date to dress nicely.”

When I looked at her quizzically, she motioned me to go ahead and do it.

“You should go out and meet someone worthy of you, and *he* should take *you* out to dinner,” I said.

“I think you are worthy of me,” she smiled. “You are so worthy I’d love to take *you* out to dinner.”

“Don’t blame me if I disappointed you,” I said.

“I know you won’t,” she said. “You’ll be very nice and fun to be with no matter how you try not to be so. I am worried about you not enjoying my company.”

“You have things upside down, Aunt Leanne,” I smiled. “Don’t you ever worry about that.”

“Okay,” she said.

What she gave me was a set of expensive clothes, including a pair of shoes. The silk briefs felt so cool and wonderful my cock started to grow. I dressed and put on cologne that she selected for me. I finally was ready to go.

She came downstairs, looking wonderful in that black backless mini dress. She was my aunt, but her curves could not be ignored. Her ex-boyfriend must have been gay to let her go. Her perfume was mood setting. I let out a wolf whistle. She smiled and gave me the keys to her car.

Like a real gentleman, I opened the passenger door for her gentlemanly. She pulled her legs so slowly in, letting the hem of her dress ride way up on her alabaster thighs, past the tops of her sheer stockings. I closed the door for her and took the driver seat. She said the name of the restaurant we were going to and let me drive.

“It’s been a while since I’ve been with a handsome man,” she said. “I want to have some fun, are you game?”

“Why not?” I said. “You definitely deserve it.”

We had an expensive dinner. I thought I should have eaten more of that cake!

“Would you like some wine?” she said.

“No, thanks,” I said. “I am already a troublemaker, so I don’t need the help.”

“I do,” she smiled. “So, you’ll be my designated driver?”

“With pleasure,” I said.

She had a glass of fine wine over the course of the meal.

When I saw the bill, I thought they could have put some more food for that kind of money.

“Let’s go dance,” she directed once we were in the car.

She directed me to a dance club. There, on our table, she had a glass of wine while I had a soft drink.

She took my hand and led me to the dance floor. We danced to two quick songs that got us warmed up. We returned to our table and sat for several minutes until a slow song started. My aunt took my hand and led me again to the dance floor. I put one hand on her waist and took her hand in the other. She guided my hand to her waist on the other side and wrapped her arms around my neck. Her sweet perfume filled my head. Her tits did not bump into me yet, but the position of her arms showed off serious cleavage. We started to dance like that, but only for several seconds.

“Your hands are too cold,” she said, guiding my hands down to the top of her ass.

My curvaceous aunt was in my arms, her ass in my hands. While watching other couples dance, her perfume and the softness of her body were taking me away. She nestled her head against my neck, letting her ripe tits press gently against my chest. I saw other dancing men eye my pretty aunt as she totally relaxed in my arms, her body pressing against mine. My cock started to grow involuntarily. I tried to pull my crotch back, but she continued to push hers forward. I nervously waited for the moment my rampant cock would bump into her pussy.

For a brief moment, I was relieved when that song ended, but my aunt did not let me go as another slow one started. She removed her right hand from my neck and squeezed it between us.

“Aunt, what are you doing?” I whispered nervously as she slipped her hand down my pants and into my briefs.

“Relax, I like to hold a man’s cock, especially if it’s hard and so big,” she said as she took hold of my growing cock. “I like to play with it and feel it grow get harder and bigger. I never knew you were such a *big* boy.”

“You are a bad girl, Aunt Leanne,” I chided.

“Didn’t you say you were a troublemaker?” she said. “Are you afraid your aunt might be a bigger troublemaker?”

“My aunt’s looking for trouble,” I said.

“I think I’ve found it,” she squeezing my boner. “You feel like a very *big* troublemaker.”

She uncoiled my cock and made it point upward, making me feel a lot more physically comfortable although more nervous and embarrassed. She started to squeeze and stroke my hard shaft. She looked me straight in the eye as she did that as if she was enjoying my discomfort.

“Are you in pain, Nick?” she teased. “Did your aunt forget how to handle a big cock? Did it ever occur to you that that might be because she’s never handled a cock this big and hard?”

“You enjoy being a bad girl,” I said.

“You are harder than rock, Nick,” she said. “Does that happen to you when you are in pain?”

“That happens to me when I am with a dirty girl,” I said.

“Is your aunt dirty enough for you?” she teased.

“She’s acting like a very dirty girl,” I said.

“She might be doing that because big cocks bring the dirty girl out of her,” she teased.

“You are now blaming my big cock?” I said.

“I am complimenting it,” she said. “If it can do this to me when it’s in my hand, can you imagine what it could do to me if it were elsewhere?”

“What could it do to you?” I said.

“Your guess is as good as mine,” she said. “I’ve never tried that before.”

“You are so bad,” I said.

“I am so good to big cocks,” she said.

“We call a woman who does what you are doing a cock tease,” I said.

“You want to fuck your aunt on the dance floor?” she said.

“I just don’t want her to tease me without mercy,” I said.

“I have a big heart, Nick,” she said. “I’d never be merciless to your big cock,” she said. “Do you know what I’d like to do to it but I can’t do it here?”

“I have no idea,” I said.

“I like to lick it, kiss it and suck it,” she said, licking her lips. “I love to suck a big juicy cock. Do you like to have yours big fat cock sucked?”

“Who doesn’t?” I said.

“I know what you mean,” she smiled mischievously. “I don’t remember a man who has ever put his cock in my mouth and wasn’t very reluctant to take it out. I’d never let him take it out if I didn’t need it elsewhere in my body. As long as a big hard cock’s inside me and thrusting, I am one happy girl.”

“You are one dirty girl,” I said.

“Did the *big* troublemaker find his match?” she said.

“He has no idea yet,” I said.

She teased me for a minute.

“Your cock’s thicker than that of my last date,” she said. “I like a thick cock. It’s so much better to suck.” My cock twitched involuntarily as she said that. “It’s more filling wherever it goes. You have no idea what your aunt does when she has a nice cock like yours in her mouth. I go nuts. I take it all the way down my throat. I believe that every millimeter of that beautiful cock deserves to be sucked. I let the man fuck my mouth and throat any way he wants, and men love it. Don’t you love to hold a woman’s head and fuck her face freely especially when she loves it?”

“Of course,” I said.

“Does your big juicy cock get sucked properly?” she asked.

“I think so,” I said.

“I think not,” she said. “If you really thought so you wouldn’t be that hesitant to say it. What a shame! You deserve better than that. You deserve a cocksucker like your aunt—who truly loves cock.”

“If this were true, how did any boyfriend ever let you go?” I said.

“It was effortless for them,” she smiled. “They got dumped.”

“All of them?” I said.

“Of course,” she said. “If you want a cock lover, you have to be a pussy lover.”

She continued to massage and tease my cock, and I continued to struggle to avoid coming in her hand and my pants. I was still holding her ass and occasionally squeezing it.

“I’ve been flirting with your beautiful cock for quite a while,” she said. “You’ve been holding my ass for longer than that and you haven’t said a word about it. Don’t you like my ass?”

Her question caught me off guard.

"I like it," I stuttered.

"Don't feel obliged to say that," she said. "I would still like your big cock even if you didn't like my ass."

"I truly like it," I blurted out. "It's sexy and tight. That's why my cock's hard in the first place."

"Oh, what a naughty boy!" she laughed. "Do you want to see it?"

"I don't know," I said hesitantly.

"Then you don't like it, you liar," she pouted.

"I do like it, I swear," I said. "I want to see it too, but are you sure that's a good idea?"

She could not have missed the way my cock pulsed as I said that.

"That's a great idea, Nick, but there is a greater idea," she said.

"What's that?" I said.

"I'll let you see it if you let me see your big cock," she said. "Is that a deal?"

"Yes," I said.

"Let me shake your big cock on that," she said, shaking my cock as if it were a hand. "This is a great deal."

"I'm sure it is," I said.

"Do you have the slightest idea how wet I am?" she said.

"No," I said.

"I must be dripping," she said. "We'd better leave before they put wet floor signs all around us."

"You are more than a match for me, Aunt Leanne," I said.

"I am not sure about that," she said. "I'll have to find out."

She gave my cock a final squeeze and pulled her hand out. She pulled me behind her by my belt and made her way to the door. We rushed home.

"Have a seat," she said, motioning me to the sofa as soon as the door closed shut.

She stood before me and bent over the coffee table. She then reached back for her dress and hiked her dress just a little to show me her bare fine ass. Her beautiful half moons parted to display the wrinkled lips of her dewy pussy and the little puckered rose of her ass. I could smell the aroma of her excited pussy. My cock twitched.

"I think you'll like this better," she said as she walked to the loveseat. She reclined on the couch and pulled her legs all the way back, totally and obscenely exposing her leaky pussy and pink little asshole. "Come take a look."

Although I was no virgin, my aunt had an undeniably delicious looking compact pussy and a light pink asshole. What she displayed was literally mouthwatering despite the eccentricity of the situation.

"You are very beautiful and very wet," I said as I knelt down. "You are mouthwatering."

"You like my horny pussy, don't you?" she said, pulling her ass cheeks apart.

"Yes," I said lowly, my eyes glued to her sweet asshole. My cock twitched and leaked. "Can I touch?"

"If you can make me come without touching me, you don't have to," she smirked, pulling her knees back and apart with her hands. "Do you think you can do that, or is that too much trouble to make?"

"I am afraid I can't do that," I said.

“In that case, I suggest you start touching,” she said. “By the way, don’t ask for permission to do anything. Just do it. Surprise me. In the unlikely event that I don’t like it, I’ll tell you to stop, but I am now in the mood for anything.”

“Aunt Leanne, you are a serious troublemaker,” I said, admiring her orifices. “No wonder you had to dump them.”

“You’d never dump a trouble maker like me?” she said.

“Not even if I could only get her in this position and just admire her mouthwatering fuck holes,” I said.

“You are a dirty boy,” she said. “You like my fuck holes?”

“Each one’s more mouthwatering than the other,” I said.

Bracing my hands on the edge of the couch, I admired her pussy and asshole for half a minute, feeling my cock ooze into my briefs. I slowly moved my mouth to her pussy and gave her swollen pussy lips a tongue swipe.

“Yes,” she gasped.

Encouraged by her reaction and motivated by her taste, I rolled her erect clit with my tongue tip. She moaned and squirmed. I licked her clit and pussy lips gently for a while, enjoying her involuntary sounds and spasms.

“You are so hot and delicious,” I said, looking her in the eye.

“If I had a boyfriend like you, I’d never let him go,” she moaned.

“Is that because I like your hot fuck holes?” I said.

“No,” she smiled. “It’s because my fuck holes like you.”

She moaned and ground her pussy into my face when I took her clit between my lips and lashed it with my tongue. Her breathing was shallow as she surrendered her pussy to me.

“Eat my horny pussy, baby,” she moaned.

Finally, I removed my mouth from her pussy and looked at it with its pouting wrinkled lips. I wet my middle finger in my mouth and then pushed it between her lips into her pussy hole. She let out a long if low moan. I slowly pumped my finger in and out, feeling her pussy squeeze and clamp at it while drooling all around it. She humped my finger, whimpering and moaning softly. I removed my glistening finger from her and sucked it, savoring her taste. I returned my finger to her pussy and finger fucked her a little more.

“My little pussy’s so horny,” she moaned, humping my finger.

“You are a bad girl,” I said. “You should be nicer to your little pussy.”

“That’s why you are here, baby,” she moaned. “I think you’ll be very nice to my horny little pussy.”

“Of course, I will,” I said. “It’s a sweet pussy, and it belongs to my sweet aunt.”

The second time I removed my finger from her pussy, her asshole stared straight at me. I remembered what she had said to me earlier and moved my dripping finger to her wrinkled hole. Her asshole looked relaxed so I stabbed it, sinking my finger to the first knuckle. She gasped and her asshole contracted around my finger. I moved my finger in little jerks, working it deeper into her ass as her asshole relaxed again.

“Your little asshole’s so hot and tight,” I said.

“It likes you,” she moaned. “It likes what you are doing to it.”

“You also neglect it?” I said.

“There are not many guys worthy of it,” she moaned.

“I agree,” I said. “Not everyone can be nice to your sweet and delicate asshole.”

“I am sure you can, Nick,” she moaned. “You can be nice enough to your aunt’s tight little asshole, can’t you?”

“I think I can,” I said.

She moaned and humped my finger as I pumped her ass in a steady rhythm. A little later, I removed my finger from her ass and sucked it. I felt my cock get harder as I tasted her anal flavor. I pulled my finger from my mouth and dove between her spread cheeks, letting my tongue at her asshole. She gasped initially and then started to moan, enjoying my tongue there. Her bodily feedback got me wilder.

“Eat my asshole, baby,” she moaned, humping my face.

Obliging her, I sucked, licked and probed her asshole. Her anal ring relaxed and accepted my tongue inside it. I was too inexperienced to try to probe her asshole deeply so I kept it shallow for a while. My aunt purred, whimpered and squirmed joyfully. I gave her asshole a parting French kiss before I returned to finger fucking her ass. Her pussy was soaked and her juices trickled down to her asshole.

“You have a delicious asshole, Aunt Leanne,” I said.

“Nobody else has ever licked it,” she said.

“They didn’t know what they were missing,” I said. “Did you like having me lick it?”

“Yes,” she hissed.

“You like this too, don’t you?” I said.

“Yes, yes,” she gasped, humping my finger. “I love everything you do to me.”

“How about this?” I said as I pushed my forefinger into her pussy and proceeded to finger fuck both holes.

“Yes, yes,” she gasped, her holes milking my fingers. “This is even better.”

“You are a horny woman,” I said.

“I am a cock-hungry woman,” she moaned.

“You are a dirty woman,” I teased.

“I am a dirty slut,” she moaned.

“You are a hot slut,” I said. “No sane man can ever let you go.”

“Thank you,” she gasped.

She jumped and squealed when I gave her clit a sudden tongue flick. While finger fucking her holes, I switched my fingers several times, working more pussy juices into her tight asshole.

“I can play with you like this all night,” I said.

“I wouldn’t get enough of it, but please make me come,” she gasped.

“My horny aunt wants me to make her come?” I teased.

“Yes,” she hissed.

“Is she bored already?” I teased, continuing to pump her holes at an easy pace.

“Don’t tease me,” she said urgently. “Make me come please.”

“Did you forget how much you teased me on the dance floor?” I said, speeding my pace slightly. “You always said, ‘Turnaround’s fair play.’”

“You were holding my ass throughout that time,” she said.

“If you want to hold my ass while I tease you, be my guest,” I said.

“Damn you,” she whimpered.

“Be a good girl, don’t curse if you don’t want me to spank you,” I said. “Say, ‘Please.’”

“Please,” she begged.

“Please what?” I teased.

“Please make me come,” she begged.

“You got it,” I said, suddenly diddling her fuck holes vigorously.

“Yes,” she gasped.

She humped back urgently, gasping. When her orgasm neared I slowed down gradually, making her groan in frustration. I picked up the pace again.

“Nick, make me come now, or else I’ll kill you,” she shouted.

“Say please even when you threaten,” I said.

“Please make me come now, or I’ll kill you, you pussy tease,” she gasped.

“All right,” I said as I bent over her pussy.

While diddling her fuck holes vigorously, I took her clit between my lips and sucked it hard.

“I am going to come,” she gasped.

She gasped and groaned, humping her ass into my face. Seconds later, she squealed and started to come.

“I am coming,” she gasped, stiffening.

Her pussy gushed on my finger, her clit twitched in my mouth, and her tight asshole twitched around my other finger. I had never made a girl come that way and my aunt came like gangbusters. She twisted and flailed crazily as I continued to suck and diddle her holes. When her orgasm subsided, I lapped up her copious juices while keeping my fingers inside her hot orifices.

“That was good,” she gasped as she raised her head. “Now, show me that big cock.”

“I enjoyed making you come,” I said. “You don’t want more?”

“I do but later,” she said.

“Okay,” I said as I stood up.

My cock was mostly hard, and the tip was dripping.

“I think you are ready to fuck me,” she said, taking my cock in her hand. My cock got rock hard and throbbing immediately. She smiled. “Let’s get rid of your pants and go to the bedroom. Didn’t you say you’d keep me in bed?”

“You want me to do that?” I said.

“Sure,” she said. “I enjoy being in bed with a horny guy with a big cock. Aren’t you a horny guy with a big cock?”

“Yes,” I said as she took my cock in her mouth.

She sucked my cock while she unbuckled my belt and undid my pants. She sucked my throbbing cock constantly until I stepped out of my pants and briefs. She sucked my cock eagerly, and it leaked in her mouth. She finally let my cock out of her mouth and got up. She led me to the bedroom by my cock.

“Lie back, and let me ride your big cock,” she said, motioning me to the bed.

“You want it in your tight pussy?” I said as I lay back.

“Are you surprised?” she smiled as she straddled me. “Isn’t that what a dirty slut should do?”

“Yes,” I said as she pulled her dress over her head, leaving herself stark naked except for her garter belt, stockings and high heels. “You are a dirty slut.”

Her firm tits greeted my eyes, topped with light pink nipples, thick and stiff. Her matching areolas were tight. I reached out and squeezed her tits playfully. She gasped as she rubbed my cock head back and forth along her slick pussy lips. She guided my cock into her entrance and slowly lowered herself onto it, moaning as my cock opened her pussy lips and sliced through her tight pussy. She fed her pussy my hard cock in little thrusts.

“Oh, baby,” she moaned as her pussy squeezed my entire cock. “I love being impaled on a big cock.”

“Your pussy’s so tight,” I said as she paused.

“A whore’s pussy must feel tight around your fat cock,” she said.

“Not this tight though,” I said.

“Hopefully not,” she smiled.

My cock pulsed and leaked inside her hot pussy. She milked my cock gently, before she started to rock slowly. Her juices bathed my cock. She guided my hands to her tits and rode me at an easy pace, her horny pussy milking my hard cock repeatedly. I fucked back as I played with her tits and teased her nipples.

“Your hot pussy feels so good on my big cock,” I said.

“You like it?” she said.

“I love it,” I said.

“Are you going to visit me often from now on?” she teased.

“I’ll do my best,” I said.

“I want you to, Nick,” she said. “My pussy loves your big cock.”

“You have a cock-hungry pussy, don’t you?” I said.

“Yes,” she hissed.

She bounced faster and faster as her orgasm neared. I squeezed her tits for a while <sup>ثم</sup>then grabbed her ass and fucked back vigorously. She gasped and came, convulsing on top of me. She shoved her twitching pussy into me until her orgasm died down. She bent over me, and we kissed for the first time as I held her ass and fucked her pussy gently.

“I love coming on your big cock,” she gasped.

“Me too,” I said.

My hungry cock did not get enough of her horny body. I rolled her onto her back, getting on top of her. Bracing myself, I fucked her drenched pussy at an easy pace.

“Yes, baby, fuck me,” she urged. “Fuck my horny pussy.”

“I am going to fuck your horny pussy hard,” I said, picking up the pace.

“Yes, baby,” she gasped. “That’s what it’s there for.”

“It’s so hot and wet,” I said.

“It’s so hungry for your big cock,” she gasped.

We fucked briskly for a few minutes before I started to drill her hard.

“Pound my horny pussy, baby,” she gasped, fucking back lustfully.

Within a couple of minutes, she convulsed beneath me. I hammered her writhing frame until she went limp, but I still needed to come. I fucked her a gently while she recovered.

“My pussy loves your big cock,” she gasped, squeezing my cock with her pussy. “It doesn’t want you to stop.”

“I’d love to fuck it all night,” I said.

“Where do you want to come?” she gasped. “In my pussy or in my mouth?”

“Wherever you want me to,” I said.

“I am letting you choose,” she said.

“I want to come on your pretty face,” I said.

“You’re bad,” she admonished playfully. “You want to treat me like the dirty slut I am.”

“Yes,” I said.

“I’ve never let anybody come on my face,” she said.

“You let me choose, and I made my choice,” I said.

“You are special to me, Nick,” she said. “You’ll get what you chose. I want you to come all over my face, my horny nephew. Why don’t you fuck my mouth first?”

“Sure,” I said, pulling out of her sticky pussy.

She remained on her back, and I crawled up her body.

“When it hits you, jerk it out and plaster my face with your hot sticky come,” she said.

“You got it,” I said, plugging her mouth with my dripping cock.

She sucked my cock eagerly as I fucked her mouth gently. I soon fucked her mouth faster, and she sucked me harder. I fuck her mouth faster as my urge to come grew quickly. Finally, my cock swelled and got ready to come.

“I am going to come all over your face,” I said, yanking my twitching cock out of her mouth.

My come burst out forcefully, and I aimed it at her face. My cock spewed my come all over her face. She opened her mouth and stuck her tongue out to intercept my come, but there was so much of it, and it covered most of her face.

When my spurts diminished, I pushed my cock into her mouth. She sucked it hard and stroked it vigorously, milking the last drops into her mouth. I pulled out of her mouth and looked at her pretty face covered with come. She smiled contently as she stuck her tongue out and licked the corners of her mouth.

“You look like a come slut,” I teased.

“I am not?” she said.

“I think you are,” I said.

“If after all this I don’t make a come slut, I don’t know when I can,” she said. “Anyway, let’s find out.”

She held my eyes as she wiped my come off her face bit by bit and fed it to herself.

“You are so hot,” I said.

“Nobody else has ever seen me do this,” she said.

“I appreciate it,” I said.

When she was done, I bent down and kissed her on the mouth. She stuck her tongue into my mouth, making me taste my come on it. As we kissed, I reached between her legs and wiped her drenched pussy. I brought my sticky fingers to my mouth and licked her juices off. She pulled me down for another deep kiss. While we kissed, I fingered her sticky pussy, and my cock started to grow. She reached down and fondled my cock.

“Did you enjoy fucking your slut aunt?” she smiled, squeezing my cock.

“I enjoyed that a lot,” I said.

“Do you want more?” she asked.

“I want a lot more,” I said.

“I think you are telling the truth,” she said, milking my cock. “Your big cock’s getting hard for more.”

“My big cock knows what’s good for it,” I said.

“It obviously does,” she said as she rolled me onto my back and got on top of me in the sixty-nine position.

“Your pussy obviously wants more too,” I said as I held her ass.

“It obviously does,” she said. “I have an insatiable pussy.”

She closed her mouth around my cock and started to suck it eagerly. I pulled her drenched pussy to my mouth and lapped her copious juices, making her moan around my cock.

“I loved it when you licked my ass before,” she said. “Would you like to do that again?”

“Sure,” I said, spreading her ass. “I loved it too. You are a dirty girl, but you have a luscious asshole.”

“I am only dirty with you because you are a very dirty boy,” she said.

“I’ve never been this dirty before either,” I said.

“I guess we bring the best out of each other,” she said.

“I think so too,” I said.

She adjusted her position to give me more access to her asshole. I pulled her cheeks apart and started to lick her pink pucker. She humped my tongue and moaned around my cock as she sucked it deeply. My cock got even harder as I probed her asshole, feeling the little hole relax slowly. I licked her asshole while stretching her pussy lips and then letting them close back. With her asshole drenched with my drool, I pushed a fingertip in. My finger was soon sliding in and out of her hot ass deeply.

“Drool on it and stretch it out,” she said. “Make my little asshole ready for your big cock.”

What she said made my cock jump.

“You like that don’t you, you dirty boy?” she said.

“Are you surprised?” I said. “You have a fantastic ass and a sweet asshole.”

“You want to stretch it around your fat cock, don’t you?” she said.

“I want to stretch it wide and stuff it tightly,” I said. “I want to go balls deep inside it and enjoy it fully.”

“Me too, baby,” she said. “Get it ready for that.”

While working my finger in and out of her asshole, I drooled on it and worked my drool inside. As her asshole relaxed and opened up, I squeezed a second finger inside it. I soon had three fingers working in and out of her asshole, twisting and swirling within her tight ass. She moaned and humped them, but her mouth sucked my cock continuously.

“You got me ready,” she finally said, dropping my cock from her mouth.

She crawled away, letting my fingers pop out of her ass.

“I am so ready for your luscious ass too,” I said.

She turned around and squatted astride me. She squeezed lube on my cock and lubed it thoroughly.

“Now, you are going to fuck my tightest, most delicate and most private hole,” she said, guiding my cock to her asshole as I spread her ass wide. “Very few people had a shot at my ass, but you’ve proved you deserve it.”

“Aunt Leanne, I don’t think anybody has ever deserved your magnificent ass,” I said. “I am honored.”

“You deserve it, Nick,” she said.

She must have known something I did not know. I had no idea how I deserved her hos ass, but I did not want her to change her mind. Maybe I would ask about that later.

“Thanks, Aunt Leanne,” I said, feeling my cock get bigger if possible. “I appreciate your invaluable trust.”

“I appreciate your thrusts,” she smiled, pressing my cock head into her asshole.

She gasped when my cock head popped past her tight asshole.

“Is this tight enough for you?” she said.

“Every hole you have is incredible,” I said.

She moaned as she descended delightfully, taking my hard cock deeper and deeper into her sizzling tightness. Finally, her cheeks were sitting on my hips with my cock balls deep up her ass.

“You are filling my ass to the brim,” she moaned. “I like that. How do you like it?”

“It’s the tightest thing I’ve ever been in,” I said as she squeezed my cock with her anal muscles. “I love it.”

“It’s so tight and dirty,” she said. “I feel like a slut when I get fucked up the ass. Is it dirty enough for you?”

“It’s perfectly dirty for me,” I said. “You are definitely the hottest slut in the world.”

“At least, that’s how I feel,” she said, squeezing my cock again. “I feel so good impaled on your big cock.”

“It’s an incredible feeling,” I said, reaching for her pussy.

She gasped and her asshole contracted around my cock when my fingertips touched her drenched pussy lips.

“You’re soaked,” I whispered as I teased her pussy, making her asshole twitch. “You are a very dirty woman.”

“Well, I come from a very dirty family,” she said as she started to bounce gently.

“What do you mean by that?” I said.

“For one thing, your mom’s even dirtier than me,” she said.

“I’ve always thought she was a hot piece of ass,” I said. “Though, she’s a prim and proper married woman; she can’t possibly be dirtier than you. You are a hot slut.”

“Have you ever fantasized about her?” she said.

“Of course not,” I said. “Neither have I fantasized about you although I always thought you were hot.”

“That doesn’t make you a saint, judging by the whereabouts of your big hard cock,” she snickered.

“You mean because I am fucking the dirtiest aunt in the country up the ass?” I said as I plunged two fingers into her wet pussy, making her tremble.

“Uh-huh,” she said.

“Have you ever tried to seduce an angel and he declined to fuck your sizzling ass?” I said.

“No,” she said.

“Then you have no case,” I said as I brought my dripping fingers to her mouth.

She moaned as she sucked my fingers lewdly. I fucked her mouth with my fingers for a minute.

“Finger your leaky pussy,” I whispered, guiding her hand to her pussy. “Scoop juices out, and feed them to me.”

My cock slid in and out of her tight ass in short gentle thrusts. I held her tits and fondled them while she fingered her dripping pussy. When she brought her fingers to my mouth, I stuck my fingers into her pussy and rubbed her pussy while sucking her sticky fingers. We took turns fingering her pussy and feeding each other her juices until she was squirming for release.

“Make me come, Nick,” she gasped, bouncing her ass on my cock faster.

Holding her fingers between my teeth, I diddled her clit vigorously, pushing her over the edge. She thrust her ass back, taking my cock all the way into her, and came instantly. I thrust in her twitching ass hard as she convulsed in orgasm. She had an irresistible orgasm. I groaned when my aching cock reacted and twitched wildly, spewing thick come deep inside her sucking bowels, while she twisted and shook in my arms. I slammed my cock hard into her ass as her twitching asshole continued to drain my balls.

“Don’t take your cock away,” she said as she collapsed on me, tightening her asshole around my cock.

“I am not going anywhere,” I said.

“Wipe my pussy and let me lick my juices off,” she moaned, her asshole milking my softening cock.

“Sure,” I said as I reached between us.

Her pussy was much more soaked than before. I wiped it and let her lick and suck my dripping fingers. I wrapped my arms around her and kissed her deeply, tasting her pussy on her playful tongue. By that time, my cock was hardening again in her sizzling ass.

“You have an incredible ass, Aunt Leanne,” I said, squeezing her ass.

“I can feel your cock get bigger inside it, you dirty boy,” she said, squeezing my cock with her asshole. “I think you want to fuck my horny ass again. You are a horny and shameless nephew.”

“Would you mind if I did, my slutty aunt?” I teased.

“No, but I’d mind if you didn’t,” she said. “I am now ready and dying for a vigorous ass fucking. Are you going to let your lady down, or are you going to fuck her horny ass open?”

“Are you my slut or my lady?” I teased, rolling her onto her back. “A vigorous ass fucking’s anything but ladylike.”

“I am your dirty slut, baby,” she said. “Fuck my ass like you should, nephew!”

“I am not going to let down my dirty slut,” I said as I pulled out and then shoved my cock all the way up her ass, making her grunt. “My big cock’s getting used to your tight ass.”

“My horny ass is getting used to your big cock too,” she gasped. “There is no avoiding getting together often.”

“We’ll find a way to do that,” I said.

Pinning her hands on either side of her, I proceeded to pound her ass like a jackhammer.

“Is this what you want?” I said.

“Yes, yes,” she gasped. “Fuck my horny ass hard.”

“This is what you get, you dirty slut,” I said. “Your horny ass is going to get drilled silly with my big cock.”

“Yes,” she gasped.

For the following several minutes, I drilled her ass vigorously. She held her ass up for me and thrust back to meet my thrusts. Her asshole milked my cock despite the hard pounding it was receiving. She finally stiffened and convulsed wildly in orgasm. I pulverized her twitching asshole until she went limp. I then slowed down and thrust into her gently, catching some rest while she caught her breath.

“Do you need more?” I asked as I wiped her drenched pussy with my hand.

“Yes, but not as hard,” she gasped. “I don’t want you to ruin my delicate asshole.”

“Get on top, and do what you want,” I said as I squeezed lube on my cock while I pumped her ass.

“I can get used to that,” she said as she rolled me over, getting on top of me.

She turned around, straddling me in the anal reverse cowboy position, and started bouncing her hot ass on my hard cock. I reached for her pussy and fingered it, causing her to lose her rhythm several times. I grabbed her tits and played with them, squeezing the orbs and pulling on the thick nipples until she came. She convulsed and twisted for a little while, while I thrust hard in her twitching ass. She finally went limp, collapsing on top of me.

“Are you having a good time, Aunt Leanne?” I said as I wrapped my arms around her.

“Yes,” she gasped. “You are so good to my horny ass.”

“Your hot ass belongs on my big cock,” I said.

“Yes,” she hissed.

She turned her face to me, and we kissed lewdly while I thrust deeply but gently up her ass. Holding her with one arm, I reached with my free hand for her sodden pussy and started to finger her. She milked my cock with her asshole continuously. I pumped her pussy and rubbed her clit with my fingers until she came again, convulsing in my arms. Her anal orgasmic spasms were enough for me to set my cock off.

“I am going to fill your hot ass with come again,” I said, slamming hard into her twitching asshole.

“Fill my ass with come, baby,” she gasped.

My cock pulsed and fired geysers of hot come deep inside her sucking bowels while she shook wildly.

When my balls were drained, she tightened her anal grip on the base of my cock as if to prevent any come from leaking out. I rolled us over, getting her under me.

“Your big cock’s so good to my ass,” she gasped, milking my cock with her asshole. “It loves it.”

“My big cock’s in love with you, holes and all,” I said.

She puckered up, and we kissed gently.

“That was good,” she said. “Maybe you should live with me, and then you can fuck my horny ass freely.”

“I think I should, but I am not sure I can,” I said as I slowly pulled out of her slimy ass and lay back next to her.

She cleaned my sticky cock with her mouth and sucked it gently at first. She sucked it harder and harder until it was rock hard again.

“You are ready for more, my horny nephew,” she said as she straddled me in the cowgirl position.

“You already know that my big cock loves you, my slutty aunt,” I said.

“Yes,” she hissed, pushing my cock into her sticky pussy.

“It missed your hot pussy,” I said.

“I am going to let it fuck my horny pussy a little,” she moaned, riding my cock at an easy pace.

“You are a good slut,” I said.

“I am glad you approve,” she smiled.

“You are a perfect slut,” I said as I held her hips and pounded her leaky pussy from below.

“Fuck my perfect little pussy, baby,” she said, thrusting her pussy into me energetically.

“I’ll make it come,” I assured.

“It’s going to come right now,” she gasped.

She convulsed on top of me, shoving her pussy into me wildly. I kept thrusting hard into her as she gushed all over my cock and balls. In the end, her orgasm subsided, and she went limp.

While she recovered, I finger fucked her asshole with two fingers while I fucked her drenched pussy gently.

“My horny ass still needs your big cock,” she gasped. “Please fuck it.”

“I think your ass didn’t have enough time to absorb all the come I’ve pumped inside it,” I said.

“Use your fingers to scoop the remaining come and feed it to me,” she gasped.

“Are you sure you want to do this depraved act?” I asked.

“A slut’s got to do what a slut’s got to do,” she said as she dismounted me and put her head and chest on the bed, rising on her knees and thrusting her hot ass up.

“Whatever you say,” I said as I knelt next to her.

She made a lewd act of sucking my slimy fingers as I scooped come out of her ass. After she had sucked the last of the come off my fingers, I went down on her ass and filled it with drool. There was so much drool inside her ass that when I thrust my hard cock into her ass the spit overflowed around my cock. I started fucking her ass in the leapfrog position while she spread it for me with both hands. I fucked her ass at an easy pace.

“It’s obvious that your hot ass was made for my big cock,” I said, watching my cock pump her stretched asshole.

“Yes,” she hissed. “From now on, I need to make sure to use my horny ass for what it was for.”

“You do,” I said. “I have to fuck it royally regularly.”

“You owe your slut aunt that much,” she moaned.

“I’d be so happy to pay my dues to this luscious ass,” I said.

The pace picked up naturally, and I drilled her offered ass to a wild orgasm. When she recovered, we changed into the doggy position. I fucked her horny ass in several different positions. In the end, she had me come in her mouth and swallowed my come eagerly and lewdly.

“Did you enjoy your first night with your slut aunt?” she smiled after we shared a kiss.

“I loved it,” I said. “It was the best thing I’ve ever experienced.”

“It was so to me too,” she said. “We definitely belong together.”

“Aunt Leanne, you have a fantastic ass,” I said. “Thank you for sharing it with me.”

“Don’t be silly, Nick,” she said. “I enjoyed it as much as you did and then some. From now on, I am your whore. You can and have to have me any way you want whenever you want.”

“I am looking forward to that,” I said.

We shared one last kiss before we fell asleep together, my arm possessively wrapped around her and her happy ass pushed against my happy cock.

In the morning, I woke up with my hard cock in her mouth.

“Good morning, my hot stud,” she greeted.

“Good morning, my beautiful slut,” I smiled.

“My horny pussy wants to say good morning to the best cock it has ever met,” she said, straddling me.

“My big cock wants to say good morning to the rest of your holes too,” I said.

Our morning fuck lasted for about an hour and ended with a sticky come load deposited deep up her contented ass. That became a daily habit. She sucked my hard cock after dinner, and we resumed fucking in the living room.

For the rest of my stay with my sexy aunt, we spent our days, fucking, eating and working out. In the evenings we went out for dinner and maybe dancing and finally we fucked till the wee hours. My technique and stamina improved considerably, and she got fucked longer in every hole, and she had more orgasms every day. We definitely belonged together. In that week I had the hottest time of my life till then. I did not want it to come to an end, but it sadly did.

Friday night was our last night together, and we were bent on making the best out of it and exceeding everything we had done before. We started our night with a long sensual sixty-nine. She came in my mouth, and I came in hers. Then, the fucking started. In the beginning, we fucked in the missionary position.

We changed positions several times as I pounded her leaky pussy. When we were back in the missionary position with her ankles against my shoulders, I pumped a big come load deep in her twitching pussy. We had a sixty-nine session, and this time I was on top. She sucked my cock while I ate her asshole, which was my next target.

“Fuck my ass, baby,” she said. “Let the main course start.”

She got on her hands and knees, and I lubed her asshole thoroughly and took my position behind her. I fucked her horny ass in many positions and many paces for a long time before I pumped a load deep inside her sucking bowels. She was on her stomach, and I was on top of her back when her twitching asshole drained my balls thirstily. We rested in that position for a few minutes, cuddling and kissing. Her asshole milked my soft cock continuously, making me grind into her ass until I was rock hard. I fucked her ass gently, and she fucked back for a minute, moaning quietly. She then slithered from beneath me and pulled me to my feet on the floor.

“I think you are now ready to be teased,” she said, walking toward the nightstand.

“I don’t know,” I said.

“This is a heavy-duty blindfold,” she said as she retrieved a thick, big black blindfold. “Once you wear it, you won’t know whether you are standing in the bright sun or in a dark dungeon. We are going to enjoy this.”

She walked over and stood behind me.

“Are you ready?” she said as she tied the blindfold around my eyes.

It felt like the power supply to my eyes was completely shut off. However, the blindfold felt unexpectedly light and not annoying.

“I have never tried it,” I said.

“That changes now,” she said. “Enjoy.”

She teased the shell of my ear while tickling my chest with her fingertips. My cock got harder. She teased my other ear while her fingertips ran up and down my chest and sides. Her fingertips started at my shoulders and tickled their way down my back. I shivered when she tickled my ass cheeks.

“Are you having a good time?” she whispered. “I can see that your big cock’s rock hard. It obviously likes this.”

Soon, my ass cheeks were lightly tongued, making me tingle. My cheeks were parted and my asshole was tongue teased slowly and deliberately. That made my cock twitch. Next, the underside of my cock base was tongued ever so

lightly while my ass was tickled. The tongue traveled up my chest and my face. It teased my face and lips. I stuck my tongue out, and it toyed with it a little.

In the extreme darkness of the blindfold, I felt my cock and balls get tongue tickled exquisitely. I felt warm drool drip on the underside of my cock and then get spread up and down by a moist tongue. My balls also got swabbed lightly. That playful tongue tickled my oozing cock head and then swabbed it thoroughly. My cock head got engulfed in warm oral moistness. It was being licked again while sucked gently.

“Do you like that?” she whispered in my ear.

“Yes,” I hissed, enjoying the expert oral ministrations. It finally dawned on me that there was another mouth around my cock. My cock twitched. “Who’s sucking my cock?”

“A great cocksucker,” she whispered. “Shut up, and enjoy!”

That was my best choice anyway, so I shut up and enjoyed that mysterious masterful mouth. My ass, back and chest were continuously teased and tickled while that fantastic mouth took complete control of my throbbing cock. That lasted for a long sweet time. My orgasm approached ever so slowly until my cock lost complete control. My cock could only swell and twitch, shooting jet after powerful jet of thick come into that eagerly sucking mouth.

“Fill her mouth with your hot come,” whispered my aunt.

That was out of my control anyway. My cock was already doing that, and I could not have stopped.

My cocksucker sucked and licked my cock gingerly until it completely relaxed. The mystery woman stood up and kissed me on the mouth. She was as good a kisser as she was a cocksucker. I could taste my come on her wicked tongue. That kiss was so hot it made my softening cock twitch and harden again as the woman pulled me into her. I wrapped my arms around her and felt up her bare ass thoroughly. She had a hot tight ass that I loved. I tickled her asshole too, making her tremble in my arms.

“Turnabout is fair play,” announced my aunt as the woman and I broke our kiss.

My aunt guided me and helped me kneel down. I could smell the aroma of hot pussy as soon as I was on my knees.

“Make her squirm,” whispered my aunt as she gently nudged my head forward. “This woman’s dirtier than your aunt. Torture her slutty pussy. Show her that you can handle the dirtiest whores in the world. Don’t let me down.”

Using my hands, I traced the woman’s legs from her upper thighs down to her ankles. She was apparently on her back with her legs parted and pulled over her head, widely spreading her ass crack. I started with teasing her inner thighs with my tongue tip. I could hear her gasp. That was going to be fun.

“She’s dripping as you must know,” whispered my aunt. “She’s where you want her. Take advantage of her.”

As I held both her ankles, I alternated my mouth between her feet, licking and teasing her soles and toes. She clenched her toes and gasped. I could feel her squirm. I licked up her inner legs until I reached near her pussy. The aroma of her excited pussy filled my head. I teased around her pussy with the tip of my tongue for a couple of minutes while tickling her nipples with my fingertips. She squirmed, trying to get my tongue to touch her pussy. After she had enough of that, I started to trace her pussy lips with my tongue, licking her juices. She moved her hips, trying to grind her pussy against my tongue, but that made me withdraw my tongue. She tried a few times but finally learned the lesson and gave up, surrendering her pussy to me to tease any way I wanted. Since I could not see her pussy, I had to survey it with my tongue. I found her clit and subjected it to a lot of teasing. She squirmed and leaked constantly.

“You are doing great,” whispered my aunt in my ear as she held my partly hard cock and stroked it. “Don’t stop.”

My cock grew in my aunt’s hand as I toyed with the woman’s leaky pussy for a while. I had teased myself more than enough. I started to eat her pussy more and more hungrily. I pushed two fingers into her pussy and let it suck them while I lashed her clit mercilessly. She gasped and stiffened. Her orgasm hit her. She twitched and convulsed, her pussy gushing over my fingers. I sucked her clit gently as I withdrew my fingers from her drenched pussy. I

brushed them lightly over her asshole, making her gasp. I gently lapped up her copious juices as I tickled her asshole with my slick fingertips, making her squirm.

“As I told you, he’s a butt hound too,” my aunt said to the woman. “You are going to enjoy stretching your tingling asshole around his fat cock. I know I do. You’ll want his big cock up your horny ass all the time. He’ll want that too.”

That let me know that the woman’s ass was available. While probing her pussy, I moved my fingers off her asshole and reached out for her mouth. I found her lips and pushed my fingers into her mouth. While she sucked my fingers gently, I lowered my tongue to her asshole and explored her pucker, making her asshole clench and unclench as she moaned around my fingers. I had her suck on my fingers for a while as I tongued her asshole, which started to nibble my tongue tip playfully.

“Get that tight asshole ready for your big cock,” whispered my aunt. “Open it up.”

Removing my fingers from the woman’s mouth, I moved my tongue to her clit. I toyed with her clit while I finger fucked her pussy with two fingers. Soon, I poised my slick fingertips on her asshole while drooling there. I gently pushed my fingers in. Her asshole opened up slowly and took them in. I drooled on my fingers as I drove them further in. Her ass sucked my fingers all the way in. I pumped them slowly in and out of her sizzling ass. Her asshole milked my fingers hungrily. I drooled on my fingers and returned my tongue to her clit. I lashed her clit while pumping her ass faster with my fingers. She thrust her ass to meet my fingers. She soon stiffened and convulsed in orgasm, her clit twitching under my tongue and her horny asshole lustfully sucking my fingers.

To see how far the woman would go, I pulled my fingers from her ass and moved them to her mouth. I pushed them into her mouth as I licked her drenched pussy gently. She took my fingers into her mouth and sucked them eagerly, moaning quietly around them. She was a dirty slut as my aunt had said.

When I finished cleaning up the woman’s soaked pussy with my tongue, my aunt pulled me up gently. She guided me onto the bed and laid me down. As I lay there, the woman kissed me on the mouth. I held her tits and kneaded them gently. Meanwhile, my aunt sucked my hard cock gently. The woman soon joined her, and two mouths were taking turns on my throbbing cock, which was in heaven.

After they deep throated my cock royally for several minutes, my aunt held my cock up while the woman squatted on it. My cock head forced the woman’s tight pussy open, making her moan. She took my cock all the way in her dripping pussy. She milked it a few times before she started to ride it gently. Her pussy milked my cock while shuttling up and down its entire length. She leaned forward and brought her tits to my face. I held her tits and sucked her nipples, switching my mouth from one to the other. She moaned and bounced faster on my cock. I let go of her tits and held her ass, pacing her. She approached orgasm steadily, shoving her leaky pussy into the base of my cock more and more urgently. She soon stiffened and writhed uncontrollably in orgasm, gushing all over my cock and balls.

“That’s it, baby,” said my aunt. “Make the slut come hard on your big cock. Show her how good you are.”

The woman’s orgasm subsided, and she brought her mouth to mine. We kissed for a while while I fondled her ass. She resumed riding my cock. She let me suck her nipples, alternating them on my mouth. I held her ass and bounced her on my cock. I let the middle finger of my right hand find her asshole. Right then, I felt my aunt drool on my finger. I popped my finger into the woman’s asshole, making her pussy spasm and gush a fresh load of juices all over my cock and balls. Her asshole twitched around my finger as she convulsed on top of me. She rested a little, and we kissed with my finger still up her ass.

“I love your big cock, Nick,” whispered the woman. “I don’t want to take it out of my horny pussy, but I have to.”

The woman’s pussy reluctantly let go of my cock as she dismounted me. The next thing I felt was something soft and warm being pressed to my face. From the smell and feel of it, I supposed it was the woman’s ass. I grabbed it with my hands and discovered I was right.

“Her ass is so hungry for your big cock,” whispered my aunt as I spread the woman’s ass and teased her asshole with my tongue. “She can’t wait.”

The woman gasped and squirmed as I licked her delectable asshole. I took a brief detour and lapped up her copious juices off her drenched pussy. She could not help gasping and shivering. I returned to her ass and rimmed her gingerly.

“That’s it, baby, open her slutty ass up,” whispered my aunt. “Make sure she can fit your outrageous cock in her tight albeit horny asshole.”

My aunt’s sexy banter made my cock twitch. It made me hungrier for the woman’s dilating asshole. That little culprit sucked my tongue, making me want it even more. The lustful woman rode my tongue as it fucked her ass.

“Can you see how hungry for your fat cock her ass is?” whispered my aunt. “I told her you’d feed it to satiation.”

As I ate the woman’s hot asshole devotedly, I felt my cock get engulfed in a warm mouth, obviously my aunt’s. I was distracted shortly as the eager mouth started to travel up and down my hard cock, making it twitch. From the way my aunt sucked my cock, I predicted her position and reached out for her ass. I squeezed her ass and fingered her pussy. She moaned around my cock.

“You are a greedy fucker,” my aunt said, briefly leaving my cock. “You can’t get enough, can you?”

Without taking my mouth off the woman’s ass, I made animalistic sounds while devouring the woman’s asshole as I abruptly darted a finger up my aunt’s ass, making her gasp sharply. I returned my hand to the woman’s ass and ate her gaping asshole hungrily. She gasped and squirmed continuously, grinding her horny ass into my face.

My cock was getting soaked in saliva as my aunt sucked it, drooling on it constantly and rubbing her drool with her hand. As suddenly as it started, my aunt’s mouth and hand left my cock, letting me feel a rush of cool air on my cock. Shortly, the woman’s ass left my face. I sensed the movement on the bed as the woman adjusted her position to straddle me. I then felt her ass brush the tip of my cock.

“Be courteous, Nick,” whispered my aunt. “Hold the lady’s ass open as she lowers it on your shameless cock.”

Reaching forward, I held the woman’s ass and pulled her cheeks apart. Someone held my cock upright by the base. A ball of spit was shot directly on the head of my cock briefly before I felt the woman’s asshole touch my cock head. The woman’s tight asshole pressed gently on my engorged cock head. Her puckered asshole dilated and then sucked my cock head in, making me gasp.

As soon as my cock head popped past her asshole, the woman somehow started to nibble my cock head with her asshole like nothing I had ever felt before. Just when I lost myself in the deliciousness of that original anal trick, the She suddenly shoved her ass all the way down my cock, making me gasp in surprise. I kept her cheeks in my hands as she rested her hips on mine. My hard cock was balls deep up her sizzling ass.

My mystery lover gave me several seconds to absorb the surprise before she proceeded to milk my cock gently with her wicked asshole, making my cock grow bigger and bigger. Just when my cock felt as big as Texas, she let her ass implode around my cock, squeezing the life out of me as if to show me who was in control. I had to groan, acknowledging her mastery. After that, her asshole relaxed and she started to rock gently.

“This is incredible,” I said lowly.

“She has an amazing ass, doesn’t she?” whispered my aunt.

“She sure does,” I said.

“Enjoy it fully,” she whispered. “Thanks why it’s here. It’s so hungry, and it expects your big cock to feed it.”

“It will feed it well,” I said.

“I am sure of that,” she whispered. “That’s why I invited her.”

The woman took it easy as she worked her ass up and down the entire length of my cock. She picked up the pace slowly but constantly. I grabbed her bouncing tits and squeezed them as I fucked back into her ass. Just when my orgasm was imminent, she slowed down and started to work her ass over the first quarter of my cock. My aunt stroked

the rest of my shaft. She pulled my cock out of the woman's asshole and covered it with her mouth. She sucked the head for several seconds and then went deeper, sucking my entire cock in. She deep throated my cock for a minute and then returned it to the woman's ass. The woman resumed fucking my cock deeply with her hot ass for a few minutes. She eased down again, letting my aunt suck it again. The woman picked up the pace once more and continued to bounce her ass until her orgasm and mine hit at the same time.

As soon as the first jet of my come burst deep inside the woman's twitching ass, my aunt squeezed my cock and popped it out. She pushed it into the woman's gushing pussy, where I pumped the rest of my come load. The woman's twitching pussy sucked my cock dry. My aunt pulled my softening cock out and sucked it into her mouth. The woman moved around, and her mouth joined my aunt's on my cock. My searching hands found the woman's ass. I fondled it with my left hand and then started to finger fuck it.

"You're hard again," my aunt commented, squeezing the base of my cock. "Now you can fuck her hot ass again."

The woman's asshole contracted around my finger, and I moaned in lust at the thought of skewering that fantastic orifice for a second time.

"Fuck her slutty ass until she comes," said my aunt. "Then, shoot your hot come in her mouth. We want her mouth to taste of fresh come when she kisses her husband so that he'll know right away that she's been fucked royally even before inspecting her come-filled pussy and distended asshole. That's why she's with us tonight: to give her husband a hot surprise. Are you going to let her down?"

"No," I said, shaking my head.

My aunt helped me get into position on top of the woman, who lay back and pulled her legs over her head. She guided my cock into the woman's defenseless asshole as I pinned the woman's legs down by the ankles. She lubed my shaft as I pressed my cock head into the woman's horny asshole. My cock head popped in. I leant forward, pressing the woman's legs into the bed. I pushed the rest of my cock in until my balls pressed into the back of her ass. I thrust gently, fucking her ass at an easy pace. Her asshole squeezed my cock on the outstroke as if it did not want me to pull out. I enjoyed that fuck immensely as the pace accelerated gradually. Judging by the soft noises and moans she made, I decided that she had a good time too. I fucked her ass deeply with rhythmic strokes. Her asshole tried to take control of the situation like she did earlier, but I focused on what I did, ignoring what her asshole did. I decided to show her a good time rather than enjoy myself.

"That's it, Nick," urged my aunt. "Fuck her slutty ass hard. She's being nice to you. She's holding her ass wide open for you. All you have to do is use it for what it was made for and show both of you a great time."

"I am doing that," I said.

"I think you are doing great, and she concurs," said my aunt. "You need to push a little harder to make her come. Her cock-craving ass needs your big cock. Don't come yourself though; your come is wanted elsewhere."

The woman practically surrendered to me and to her lust. I tightened my grip on her ankles and fucked her faster and harder. Her humping and anal milking followed my rhythm.

"Faster, faster, baby," urged my aunt. "She's about there. Pound her horny ass."

The woman was gasping and shaking under me. I used all the power and concentration I could muster to fuck her ass faster and harder. Her anal milking kept up with my pace, urging me to try harder. The second her asshole lost synchronization with my thrusts, her asshole fluttered, and she stiffened and started to come.

"I am coming," gasped the woman.

She writhed wildly under me, and I concentrated on her responses rather than my own pleasure. I drilled her imploding asshole earnestly. I could feel her gushing juices reach my cock as it hammered her ass with extreme vigor. When her orgasm faded, she relaxed and went limp. I worked my cock in and out of her ass at a lazy pace.

“You’ve done a great job, Nick,” said my aunt. “You can dismount her now.”

Instead of dismounting the woman, I picked up the pace, making her moan.

“Oh, you want more of her horny ass?” said my aunt. “I can’t blame you. Fuck her ass.”

Since I had already conquered the woman’s ass, I was more relaxed the next time. I fucked her ass for a longer time, taking my time before I pounded her defenseless ass vigorously to a harder orgasm than before.

“That was great, Nick,” said my aunt, as I gently thrust in the woman’s ass. “However, that animated fuck made the lady thirsty. Can you guess what drink she craves right now?”

“It can’t be nut juice,” I said as my aunt helped me dismount the woman.

“It actually is,” said my aunt. “She can’t resist that warm drink fresh out of a thick fleshy straw. She wants to meet her husband with her mouth tasting of your fresh come. He’s still waiting for her in the car. Their kiss will have a lot to get across. You know a car isn’t the best place to inspect a woman’s come-filled pussy and distended asshole. They have too long a drive to wait till they get home.”

While my aunt talked, the woman stroked my cock with her hand, keeping me at the brink of orgasm.

“The natural way to come is while fucking,” my aunt added. “Straddle her, and fuck her mouth.”

My aunt and the woman helped me adjust my position for fucking the woman’s mouth. The woman held my ass and teased the tip of my cock with the tip of her tongue, making my cock twitch and the rest of me shiver. She pulled me into her mouth, taking me in slowly. Finally, I was all the way in and my balls pressed gently into her chin. She tightened her mouth around me in such a way to remind me that she was in full control as usual. Holding my hips, she started to move me up and down. I fucked her mouth at the pace of her choice, and her mouth and throat worked on my cock magically.

“That’s it, fuck her throat,” urged my aunt. “Get it ready to swallow your hot come.”

Although I was on top and my cock was all the way down the woman’s throat, I was the farthest from being in control. I just groaned and continued to thrust in her throat. A minute later, I groaned when my cock started to twitch.

“I am going to come,” I announced.

The woman pushed me up so that her lips were closed around my cock head. She moved me back and forth in very short strokes to keep my cock spurting in her mouth as she sucked exquisitely. When my come ceased to dribble into her mouth, I was pushed completely away.

“Can I please see your face now?” I said to the woman, holding her hand.

“Of course not,” said my aunt said. “If you saw her for the first time with her mouth full of your come you’d think she was a filthy whore.”

“No, I wouldn’t think that,” I said.

“We don’t want to risk that,” said my aunt.

“Can I at least see her luscious ass?” I said.

“You are a troublemaker, Nick,” she said. “You can’t see anything.”

“Did you enjoy yourself as much as I enjoyed myself?” I asked the woman.

The woman squeezed my hand silently.

The bed moved as the woman got off. My aunt laid me on my back and proceeded to suck my cock. A minute later, I heard the door close as the woman left. My aunt removed my blindfold, causing me to squint as if looking directly at the sun.

“Did you like my goodbye gift to you?” she said. “She has one of the hottest cock-craving asses in town.”

“I loved her,” I said. “Who was she?”

“If she trusted you enough, she’d probably let you in on her identity without your asking,” said my aunt as she moved around and mounted my face. “You liked her a lot, didn’t you?”

“Oh yes,” I said as I parted her cheeks, exposing her asshole and wet pussy.

“She liked you a lot too,” she said. “I am proud of you.”

My cock was hard by then. She sucked it eagerly while I licked her pussy and ass. I inserted one and then two fingers into her pussy as I ate her asshole. I finger fucked her pussy until my fingers were soaked in her juices. Then, I transferred one finger and then the other to her asshole. I fingered her asshole while I sucked her clit, making her asshole spasm around my fingers while her pussy leaked profusely.

She gasped as she yanked her clit off my lips. She squatted astride my cock and filled her pussy with it. She rocked gently in the beginning. I reached for her ass and fucked her back as I slipped two fingers up her ass.

“You are still hungry for my ass, aren’t you?” she teased.

“Of course,” I said. “I can never get enough of it.”

“Let’s enjoy trying,” she said, reaching beneath herself.

She guided my cock to her asshole and impaled her ass on it all the way. I gave her a long ass fucking. After her first orgasm, I laid her onto her stomach and jumped on her ass. After she came twice, I let go and let my come explode deep inside her convulsing ass. I thrust in her ass until my balls were completely drained.

“What a wonderful day!” she moaned, squeezing my cock gently with her asshole.

“What a wonderful week!” I said, squeezing her tits gently.

We were so spent we slept immediately.

As usual, my hard cock was in her mouth when I woke up in the morning. She rubbed her clit while riding my hard cock in the cowgirl position to a quick orgasm before we went to the shower. After we showered, we had breakfast. By the time I finished my breakfast, she was sucking on my hard cock again.

“Are you going to give your dirty slut a goodbye fuck?” I said.

“Yes, a good one,” I said.

“Let’s get started,” she said.

For our goodbye fuck, I gave her a long sold fucking.

“You have to say goodbye to every one of my holes and fill it with come,” she said.

“I’d love to do that for my dirty slut,” I said.

Just after I finished draining my third load of the morning in her pussy, she put on a little dress without bothering with cleanup or putting on any underwear. I dressed without a shower too.

She drove me home. I let her talk with my parents and rushed to have a well-needed shower. When I came out of the shower, I found mom sitting alone in the living room.

“Did Aunt Leanne leave?” I asked.

“No, darling,” said mom. “She’s now having a private talk with your dad.”

It took me several days to figure out what kind of talk my aunt had with my dad. It was a talk that heavily involved body language and had minimal talk.

“Nick, according to your aunt, you were very good to her,” said mom. “I think you deserve a little reward.”

“Nay,” I said. “I don’t need a reward. I’d love to do it regularly. It was fun.”

“I’m sure it was,” she smiled.

Since I was still tired, I went to my room and had a healthy sleep. When I woke up late in the afternoon, I was horny. I went to watch television. That was when mom came into the living room. She was carrying what looked like a big photo album and wearing a tight little black dress that showed a lot of cleavage and hardly covered the tops of her thighs. I was sure, if she bent up, her panties would be on display. She sat across from me. Her position completely exposed her thighs.

Her every movement distracted me, especially whenever she moved her legs. I could see the crotch of her white panties as she crossed and uncrossed her legs. My predicament and the week I had spent with my aunt had me look at her in a different way. I followed her moves closely in the corner of my eyes.

When she got off the couch I thought she would leave. She turned around and bent over the couch instead. The back of her short dress was tightly stretched over her tight ass. Not only was her dress short and tight, but also it had a back slit high enough to show that the white crotch of her panties narrowed down into a thong. She started to smooth or rub the cushion of the couch as if she was searching for a tiny pin.

Her tight ass twisted and shook from side to side for a while as she continued to search the cushion. Whether she was putting her ass on display intentionally or not did not change the effect it had on me. My cock uncoiled like a snake pouncing for the kill.

“Do you still think I am a hot piece of ass?” she said nonchalantly.

That obviously caught me off guard. I coughed and swallowed, unable to answer.

“Don’t be shy,” she encouraged. “What do you think?”

“I guess I was out of my mind,” I stuttered. “I didn’t mean to offend you.”

“I am not offended yet,” she said. “I am actually flattered. I’d only be offended if you couldn’t deliver if you were given the chance.”

She sat down, and I turned to watching television without saying a word. My cock relaxed slowly.

“Have you seen my wedding pictures?” she asked.

“Several times,” I said.

“I am sure there are some pictures that you haven’t seen before,” she said. “Come here, and take a look.”

“I might have missed a few,” I said as I got up and walked to her.

“Have you seen this picture before?” she asked, opening the album, as I sat next to her.

That picture showed her in her wedding dress. She held her hem up, exposing her lacy panties.

“No,” I said, my voice croaking.

“Would you like to see the rest of them?” she offered.

“Sure,” I shrugged, trying to sound nonchalant. “You look gorgeous in this picture, and you still do.”

“Thanks, darling,” she said, smiling at me. “Let me tell you what happened that day.” She turned toward me. I looked at her intently. “After the reception ended, we had a private reception at a friend’s house. The invitees were all your dad and my very best friends.”

As she talked, she turned the pages of the album to show what she was explaining. The guys were all in tuxes, and the women were in fine dresses.

“This was our version of ‘You may kiss the bride,’” she said as we browsed a series of pictures showing her and dad deeply kissing and dad’s hands travelling up and down her body, especially her tits and ass.

“Wow!” I exclaimed. “You did that in front of all your friends?”

“That was only the beginning,” she smiled. “In this picture, we are celebrating the wedding with champagne. What you don’t know is that my glass was heavily laced with come and your dad’s, with pussy juice. Everyone in the audience helped prepare our drinks.”

“You’re kidding,” I said.

My cock twitched and started to grow.

“You can see here that I am not,” she said, pointing to a close-up of herself sipping her cloudy drink.

“That’s wild,” I said.

“Here is the post-drink kiss,” she said as we looked at a picture of her and dad kissing deeply.

“Since we were all best friends, there were kisses for all,” she said as we browsed through pictures that showed her give every guy in the room a deep kiss and dad doing the same to the women. A lot of groping was going on too.

“Here, the bride goes down on the groom,” she said.

“You are not serious,” I said.

“I am glad that you noticed it, but your mom has always been a hot piece of ass, even well before you were born,” she said. “You’ll see.”

We leafed through pictures of her on her knees, sucking dad’s cock from the initial teasing to completion. She had been a deep throat cocksucker from day one. The last several pictures showed close-ups of dad’s cock shooting come right into her open mouth.

“I can’t believe that you did that in front of them,” I said.

“It was nothing,” she said.

“I bet,” I said.

“The bride’s turn to be eaten,” she said, turning to a photo where she had reclined in a couch with her wedding dress hiked out of the way and her panties pulled to the side. Her legs were pulled all the way back, one leg by the best man and the other by the maid of honor. Dad was on his knees admiring the horny display.

The subsequent pictures showed the progress of the pussy eating, the teasing, the licking and the fingering. Dad also got to lick and finger her asshole. The camera captured her facial expressions as she came in his mouth witnessed by all their friends.

“Then the games started,” she said, pointing to a picture where she had been blindfolded. “First, I was required to identify your dad with my mouth.”

The pictures showed cock after hard cock being introduced into her mouth.

“The maid of honor called time,” she said. “I was given a minute per guy.”

“I see that you had succeeded,” I said, pointing to a picture where dad was removing her blindfold while everyone applauded.

“I did,” she said. “Then it was your dad’s turn to identify my mouth.”

Dad was blindfolded as one woman after the other knelt before him and sucked his hard cock for a minute. He easily guessed her.

She was blindfolded and her pussy was exposed. She was asked to identify dad's mouth. Every man in the room sampled her wet pussy while two of her maids held her legs up. She passed the test successfully.

Next, dad was blindfolded. He was on his knees as every woman took her turn to bend over before him so he can eat and taste her pussy and asshole. Unfortunately, or fortunately, he could not guess mom from the first time. They had to redo it so he could guess again. For that, he was made to eat her to orgasm. She got on her knees, leaning over the couch, and he went to business.

After mom came in dad's mouth, he moved a side and the best man took his place. The best man proceeded to lick and finger her ass.

"Here I was being prepared for my first ass fuck," she said, making my cock jump.

"You were an anal virgin then?" I said.

"Yes," she said.

"You lost your anal virginity then?" I said.

"Yes," she said.

"That's unbelievable," I said.

Dad was on the sidelines watching as the maid of honor sucked his cock leisurely but deeply. The best man lubed up mom's asshole and managed to work three fingers in and out of her virgin asshole. The maid of honor thoroughly lubed dad's hard cock for the task ahead.

The best man pulled mom's ass cheeks apart, spreading her virginal pucker, and the maid of honor fingered mom's asshole with two fingers as she stroked dad's cock with her free hand. Mom apparently enjoyed that. Next, the maid of honor brushed dad's cock head over mom's dripping pussy. She then pressed it into the spread asshole.

"Nick, am I offending you?" she said. "Should I stop? According to the law you are still too young for seeing such stuff, but I think you are mature enough. What do you think?"

"Don't stop," I said. "I am not offended."

"You don't mind that you are looking at pictures of your parents having unbridled sex?" she said.

"Not at all," I said. "Although this is outrageous and you are my parents, but you were in great shape. You were and still are a very sexy woman. I can't brag about this to my friends, but I am actually proud of you."

"Thank you," she said. "Your dad and I are proud of you too. You are a mature young man. You are in great shape, and I am sure you are big where it counts."

"Thank you," I said, blushing.

"I am sure you'll make a few very lucky girls and women very happy," she said.

The next pictures showed the slow progress of dad's hard cock up mom's inexperienced asshole. The best man spread her ass, and the maid of honor fingered her pussy. When finally dad was balls deep up her ass, she smiled and everybody applauded.

"I had formally lost my anal virginity," she commented.

"You seemed to like it," I said.

"I still do," she said.

The best man moved to the couch, and mom started to suck his cock as dad proceeded to fuck her no longer virgin ass. The maid of honor rose to her feet and bent over to hold mom's cheeks apart. The best man hiked up the maid of

honor's dress and fingered her pussy. Among the audience hard cocks were being stroked, bare asses, stroked, and wet pussies, fingered.

Mom raised her head all the way up as she came on dad's cock.

"That was my first anal orgasm," she said.

"Dad was losing control too," I said. "You obviously had a sizzling ass."

"Thank you," she smiled.

Dad came inside mom's ass and pulled out. The camera captured his come leaking out of her gaping asshole as the maid of honor spread her ass wide. The maid of honor rubbed his come up and down mom's pussy and asshole and licked her sticky fingers. Everyone applauded the loss of the bride's anal virginity and taking her first come load up the ass. Her first ass fuck had officially ended.

While mom cleaned dad's cock with her mouth, the audience paired off and started to fuck and suck. Finally, the bride and groom waved as they left. Their friends waved back as they continued to fuck.

"That was a very wild wedding party," I said, flustered.

"Indeed it was," she said.

"Don't you have it on video?" I asked.

"Now, we have it on DVD," she said. "However, you don't have enough privilege to watch it yet."

"What do I have to do to get that privilege?" I asked.

"It's a privilege," she said. "We decide whether and when to give it to you."

"Okay," I said, hiding my disappointment and hope.

She spread her legs. My cock jumped.

"So are you interested?" she asked, teasing her pussy through her panties.

"What do you think?" I said, pointing to the big tent in my pants.

"I think it's great," she said, grinning widely, as she gave my bulge a little squeeze. "I love your cock, and I can't wait to suck it and fuck it again."

"Again?" I said in confusion. "You are not..."

She just smiled.

"I can't believe this," I said, shaking my head in disbelief.

Aunt Leanne gave me a clue, but I missed it.

"Now, carry me in your arms," she said. "Can you take me to my bed and fuck me all night long?"

"I sure am willing and able, but what about dad?" I said.

"He'll get really mad unless you show me a great time," she smiled. "You have to give him a good reason to spend the night alone while you take his horny wife in his own bed. Let's see if you can beat my wedding night."

"I'll do my best," I said as I pulled her onto my arms.

"He'll be happy as long as you make me come and pump my body full of your hot thick come," she said. "Do you think you can do that?"

"Fortunately, there is only one way to find out," I smiled.

“Let’s go find out,” she said.

“Mom, you are the hottest piece of ass in the world,” I said as I carried her and headed to the master bedroom. “I am incredibly lucky to spend the night with you, but you already know that.”

“I don’t,” she said. “I need to see it, but thanks for the compliment.”

“It’s going to be too easy for me to show you how lucky and happy I am,” I said.

“Don’t forget to find out how lucky and happy I am,” she said.

“Don’t worry,” I said, depositing her on the bed. “I took it easy on you yesterday.”

“Is that right?” she smiled.

“I’ll show you,” I assured as I hiked her little dress and pulled her panties off. “Nice panties.”

“You think so?” she smiled, spreading her legs, as I inhaled her aroma off the crotch of her thong.

“They definitely smell nice, but I already knew that,” I said.

“Is that because you like the smell of my pussy?” she said.

“Not really,” I said as I gently parted the sticky lips of her pussy. “It’s because your pussy smells nice.”

“Have fun with it,” she said.

“I will,” I said as I held her ass and raised it until her pussy was right under my nose.

She moaned as I kissed her pussy and sucked her lips gently.

She pulled her knees to her chest, and I held her by the waist. Her position made her ass accessible too. I switched my mouth between her leaky pussy and luscious asshole. She spread her ass, and I gave her asshole more attention. She liked that too, and so did I. I kept that up until she came. I soaked a finger in her drenched pussy and pushed it gently into her asshole. I reamed out her asshole gently while I licked her copious juices off.

While she recovered, I continued to ream out her asshole. She started to hump my finger, moaning. I soon added a second finger to her asshole and stretched it wider. As I added drool, I stretched her asshole open with my middle fingers, making a gap between them. I drooled inside her open ass. With her asshole stretched like that, I licked her dripping pussy until it gushed in my mouth, and I slurped it all until her orgasm subsided.

My cock was naturally rock hard. I set it free while I licked her pussy clean. I kept her knees pulled to her chest and lowered her ass down. I aimed my cock at her pussy and pushed it in.

“Are you ready to get fucked, mom?” I said.

“I am always ready to get fucked like I should,” she said. “Fuck me.”

“You are a bad girl, mom,” I said. “You want to get fucked before you suck my big cock.”

“I am going to suck your big cock sooner or later,” she said. “You didn’t stick it in my mouth and get denied.”

“You are going to suck it, but it will be drenched in your juices,” I said.

“I’d love to do that,” she said.

“Hold my big cock in place,” I said as I let go and braced my hands on either side of her, pushing her legs down.

She reached down for my cock and held its head against her wet pussy. I pushed in until my cock head sank inside her pussy. I then pulled out. I repeated that several times.

“You are a tease,” she said.

“Your pussy seems to like this,” I said.

“It does,” she said.

“Does it like to be teased?” I said.

“A little,” she said.

“Is your little pussy horny now?” I teased.

“Yes,” she hissed.

“Is it begging to be fucked?” I said.

“Yes,” she hissed.

“Why aren’t you?” I said.

“Please fuck me,” she begged.

“Okay,” I said as I shoved my cock halfway into her pussy, making her groan.

“Yes, give it all to me,” she said.

“You have a greedy pussy,” I teased, thrusting gently in her pussy.

“What about your big cock?” she said. “Doesn’t it want to go balls deep inside me?”

“It does,” I said. “It likes your horny pussy.”

“Give it what it wants,” she said.

“My big cock has you any way it wants, doesn’t it?” I said.

“Yes,” she said.

“That’s what it wants,” I said, shoving my cock all the way into her pussy. “This is what you want.”

“Yes,” she hissed.

“Dad waited for you while you whored yourself to me yesterday?” I said, fucking her pussy briskly.

“Yes,” she said.

“Did he know that you were whoring yourself to me?” I said.

“Of course,” she said.

“Did he taste my come on your tongue?” I said.

“Yes,” she said.

“Did he taste my come in your pussy and ass?” I said.

“Yes,” she said.

“You are a dirty wife,” I said.

“I am a good wife,” she said. “I share my rewards with my husbands.”

“Are you going to share your rewards of today too?” she said.

“Of course,” she said. “I never take vacation from being a good wife.”

“Do you ever take vacation from being a hot slut?” I said.

“Of course not,” I said.

“That means you won’t get vacation from being my whore,” I said.

“Of course not,” she said. “I don’t want to either.”

“Neither do I,” I said. “I am going to fuck you in every hole you have on a daily basis.”

“I’d love that,” she said. “I’ve only had that luxury a few times, starting with my honeymoon.”

“It’s going to be a great luxury for me too,” I said.

“You deserve to have some fun, darling,” she said.

“So does my slut mom,” I said, picking up the pace. “This luxury’s going to be our way of life.”

“Yes,” she hissed.

“This is how I want to live, mom,” I said.

“Me too, darling,” she gasped.

“Are you going to come for the big cock that’s going to use you on a daily basis from now on?” I said.

“Oh, yes,” she gasped. “I am going to come very soon.”

She soon stiffened and shook in orgasm. I pounded her gushing pussy while she writhed wildly under me.

“This is the life, mom, isn’t it?” I said, thrusting gently in her drenched pussy, when her orgasm subsided.

“Yes, darling,” she gasped.

While she gasped, I removed my dripping cock from her pussy and pushed it into her asshole. She spread her ass, and my cock head popped inside her ass. I took it out and sank my cock all the way into her drenched pussy. I kept repeating that until she recovered.

“Fuck my ass, baby,” she said.

“I am going to fuck your hot ass open but after you suck my big cock,” I said.

“Let me suck it, Nick,” she said.

“I will,” I said as I thrust in her pussy. “Now, relax, and have fun.”

“Fuck me, Nick,” she said.

“I haven’t put your jiggling tits to good use in ages,” I said, picking up the pace.

“You want to suck them, baby?” she gasped.

“Sucking’s for babies,” I said. “I want to fuck them.”

“Big boys suck tits too, but they do it much better than babies,” she gasped.

“I’ll do that too,” I said.

She soon came again, and I repeated popping my cock head into her ass and then returning my cock to her pussy. When she recovered, I pushed my cock all the way up her ass. She milked it exquisitely with her ass, moaning.

“I think you are ready to suck my big cock,” I said.

“Do you want me to suck it with my mouth or with my ass?” she said.

“I want to start with your mouth,” I said, slowly withdrawing from her tight ass.

“You got that,” she said.

As soon as I pulled out of her ass, she got on all fours and pounced on my cock. I reached out and slapped her bare ass playfully. While she devoured my sticky cock, I took her dress off, leaving her naked. I fondled her lush tits.

She played her tricks on my cock, but I focused on playing with her tits and transferring juices from her leaky pussy to her tight asshole and reaming it out. I also transferred drool to her asshole and stuffed it with more fingers.. She moaned and sucked my cock hungrily.

“Let’s get your slutty ass fucked,” I said, slapping her ass.

She let go of my cock and turned around, pushing her ass out for me. My cock had a thick coat of her drool. I aimed it at her asshole and pressed it in. My cock head popped into her asshole effortlessly, making her gasp. I held her hips and proceeded to thrust in her ass, feeding it more and more of my cock. She fucked back, moaning.

“I can finally see your luscious ass while I fuck it,” I said.

“Do you like what you see?” she said.

“I love what I see and what I feel,” I said.

“Enjoy yourself, baby,” she said. “This is what my horny ass was made for.”

“It sure it,” I said as I spread her ass and watched my cock pump it at an easy pace. You have a beautiful asshole.”

“Your big cock feels so good inside it,” she said.

The pace picked up gradually, and I held her hips again and fucked her ass briskly. I occasionally drooled on my cock and watched her asshole rub my drool all over my shaft. She tried to use her anal tricks, but I fucked her ass harder while squeezing her tits and pinching her stiff nipples. She fucked back more urgently and soon stiffened and came. While she came, I drilled her twitching asshole vigorously, giving her a long hard orgasm. When she calmed down, I slowed down to a slow pace.

“You are doing better than yesterday,” she gasped.

“You thought I’d fuck my wonderful mom like I’d fuck a random slut no matter how good she was?” I said.

“You are being extra nice to your slut mom?” she gasped.

“What do you expect?” I said. “She’s my wonderful mom, gorgeous woman and hot slut.”

“You are so nice, Nick,” she said. “Keep it up, and your mom will treat you like she’s never treated anybody else.”

“I will,” I smiled as I spread her ass and picked up the pace.

“Your dad will be pleased with you if a little jealous because you are his wife’s favorite lover,” she said.

“What about my mom?” I said. “Her happiness matters to me most.”

“She’s very pleased with you, baby,” she said. “You are perfect for my horny ass.”

“What about your other holes?” I said.

“You are perfect for them too,” she said.

“You have a perfect body and perfect holes,” I said. “I’ll put them all to good use.”

“You do that, baby,” she said.

She soon came while I squeezed her tits and pounded her bucking ass.

“Suck my big cock, mom, and let me put your fine tits to good use,” I said, holding her tits and thrusting gently.

She turned around and deep throated my cock eagerly for a few minutes.

“Fuck my tits, baby,” she said as she lay back.

“They should be put to good use, shouldn’t they?” I said, twisting her nipples.

“Yes,” she hissed.

She held her tits. I drooled in her cleavage and straddled her, laying my cock between her tits. She squeezed them around it, and I started to fuck her tits.

“Your firm silky tits should never be neglected,” I said.

“Love them, baby,” she said.

Leaning forward, I braced my hands on the bed and fucked her tits briskly. She teased my cock head with her tongue. I enjoyed her cleavage like that for a few minutes. I fucked her throat gently for a minute before I dismounted her. I kissed and sucked her nipples gently. She moaned, holding the back of my head.

As I let go of her tits, I pushed her legs over her head. I knelt in front of her pussy and pushed my cock in. I thrust in her pussy, getting my cock soaked in her juices. I then touched my cock head to her asshole, drooled on it and pushed it in. My cock head slid in, and I pinned her legs down and sank the rest of my cock up her horny ass.

“Fuck my horny ass, darling,” she smiled at me.

Her asshole milked my cock exquisitely as I fucked it at an easy pace. When I had enough of that, I picked up the pace and pounded her ass hard. She soon surrendered and came around my cock. I slowed down while she recovered, and when she was ready, I repeated that again.

“You are becoming very good,” she gasped.

“I am glad you like that,” I said.

“I love it,” she gasped. “Keep going.”

Instead of obliging her, I moved my cock to her drenched pussy. I fucked her pussy to orgasm before returning to her ass. I gave her two anal orgasms and then one vaginal orgasm. I returned to her ass and made her come twice.

“Are you ready for come?” I said just before her second anal orgasm.

“Yes,” she gasped.

We came together, and I filled her twitching ass with come. She drained my balls in her ass, and I pulled out. She got on her hands and knees and sucked my sticky cock clean.

“Let me catch my breath,” she said, getting up.

“Sure,” I said.

She got up and left the room. She looked left and right carefully and then dashed out. I lay back and had a break.

“All fresh and ready for more,” she smiled when she snuck into the room and closed the door.

“You unloaded?” I said.

“Find out,” she said as she got on her hands and knees and pushed her ass my way.

“You are a dirty mom,” I said as I brushed her asshole with my thumb and gently pressed it in. “I already have.”

“I am ready for more,” she said.

“I need to fill you up again,” I said, slapping her ass. “Turn around.”

She turned around and got my cock hard within a couple of minutes.

“Turn around again,” I said, slapping her ass.

“I want to ride your big cock this time,” she smiled, rising on her knees. “Lie back.”

“You want to bounce your tits for me?” I said as I lay back.

“I want to bounce my ass for you,” she smiled as she straddled me. “My tits bounce on their own.”

She drooled in her hand and reached back before she popped my cock head up her ass.

“Are you ready?” she teased.

“I think I am,” I said as I reached out for her tits and captured her nipples. “Ride it like a champ.”

“That will come later,” she smiled.

“That and you will come together, right?” I teased.

“Yes,” she smiled, riding my cock at an easy pace while taking it deeper and deeper up her ass.

She used her anal tricks, and I loved them, but I did not lose control to her. She came for me several times.

“You need to be ridden now,” I said, wrapping my arms around her as she lay on top of me.

“Yes,” she hissed.

“Enjoy,” I said as I rolled us so I was on top of her.

She pulled her legs over her head, and I pinned them down. I switched my cock between her drenched pussy and her sticky asshole a few times before I proceeded to fuck her ass.

Again, I switched my cock to her pussy for one orgasm after every two anal orgasms. The difference was that I pumped my come into her twitching pussy when it was time. I climbed on top of her, and she sucked my cock clean.

“Another break’s in order,” she said, getting up.

“Enjoy it,” I said.

“I will,” she said.

She dashed out of the room and returned ten minutes later.

She sucked my cock to fill hardness, and I filled her ass with drool before I took her in the doggy position.

We changed positions several times before I came in her mouth.

“Now, we are on our own,” she said when she returned from her break, which lasted for a minute. “I am yours.”

“You’ll always be mine, right?” I said, sliding a thumb into her pussy while popping a middle finger up her ass.

“Yes,” she hissed. “Use me. Let’s have some serious fun.”

We did all night long. In the end, we were very fulfilled and exhausted.

“Your dad wants to watch us together,” she said as we lay in each other’s arms. “How about next Friday?”

“That’s okay with me,” I said. “I need to fuck you again before then though?”

“You have to,” she said. “Is tomorrow morning soon enough?”

“I think I can wait until then,” I said.

“That won’t be our only time tomorrow,” she said.

“I can’t believe I found a woman as horny as I am,” I smiled, pulling her tighter to me. “You are fucked forever.”

“I can tell you that you are going to have a very busy summer,” she said.

“I like that kind of busyness,” I said. “I plan to have a busy life.”

Our next session started in the shower and blossomed in the bedroom. After dumping three loads in her body through her different orifices, we went for a late breakfast, which dad had graciously prepared.

---

Alex had spent the night with friends. Mom had to look before dashing out just in case Alex might have returned unexpectedly. She was not ready to let Alex know yet.

While my parents were in the bedroom, I took my shorts and underwear and sat back on a towel on the sofa with a jar of coconut oil. I spread my legs and oiled my cock well. I stroked it gingerly. It was rock hard soon. It glistened with the oil. I stroked it slowly.

That was when Alex came home.

“Nick, what are you doing?” she said in shock.

“What?” I said nonchalantly as I continued to stroke my oiled cock.

“Are you masturbating in the living room?” she said in disbelief. “That’s gross. Where are mom and dad?”

“Alex, you are too young to know what masturbation is,” I said. “This isn’t masturbation.”

“What is it?” she said. “Are you rubbing that stuff over your thing for some reason?”

“No, silly,” I said. “I am giving my big cock a massage.”

“What?” she said. “You are giving it a massage?”

“Yes,” I said. “It works like a muscle. It appreciates a nice long massage after it works hard for a long time.”

“After it works for a long time?” she said. “What did you do? You masturbated for ten minutes?”

“You are being silly,” I said. “Sit down here, and let’s talk.”

“I am not sitting down there,” she said as I patted the seat on my right. “I’ll sit there.”

“That doesn’t work,” I said. “If you are old enough to have this talk, you are old enough to sit right next to me. Don’t be afraid of my big hard cock. It may be big and intimidating, but it doesn’t bite.”

“I am not afraid of your...cock,” she said.

“It’s my *big* cock,” I said. “Good girls show respect.”

“I am not afraid of your big cock,” she said.

“Sit down here, and let me explain it to you,” I said, patting the seat next to me.

Since I was sitting in the middle of the sofa, there was no room for her to sit far from me. She hesitantly sat down.

“Isn’t my cock big and beautiful?” I teased, stroking it slowly.

“Are you in love with your...big cock or something?” she said.

“Alex, you are a young girl, but I am sure you know a thing or two about sex, right?” I said.

“I know about sex more than you do,” she said.

“Do you love your juicy little pussy?” I said.

“You are gross,” she said. “Don’t talk to me like that.”

“Are you too young to say pussy?” I challenged.

“No,” she said.

“Do you love your juicy little pussy?” I said.

“Yes, but I don’t massage it in front of people,” she said.

“I don’t massage my big cock in front of people either,” I said. “Don’t you think your pussy’s sweet and pretty?”

“Yes,” she said, blushing.

“You are welcome to massage your juicy little pussy in front of me,” I said. “As a matter of fact, I am willing to massage it for you.”

“You are sick,” she said. “I am your sister.”

“It isn’t sick to be nice to one’s hot little sister,” I said. “Are you afraid I might hurt you?”

“No, but that’s obscene,” she said.

“Be honest, Alex,” I said. “Can I count on you to do that?”

“Yes,” she said.

“Isn’t my big cock beautiful?” I said.

“I guess,” she said. “It isn’t bad.”

“Do you think what I am doing is obscene?” I said. “Do you think taking good care of one’s big cock is obscene?”

“I don’t know,” she said. “Why are you massaging it?”

“Have you ever seen a guy’s cock?” I said.

“Not in person, but I’ve been told they are smaller than that,” she said.

“Most of them are,” I said. “Do you know how car lovers keep waxing and shining their expensive cars?”

“Yes,” she said.

“My big cock’s very expensive to me,” I said. “I want it to be in tiptop shape. I want it always to be ready and capable of hard tasks.”

“What hard tasks?” she said. “What do you do with it?”

“Alex, hold my big cock and massage it a little,” I said, applying more oil on my engorged cock head.

The oil gave a thick coat to my cock, and I spread it all over it.

“I can’t do that,” she said.

“You can, Alex,” I said. “You’d only be nice to your brother’s big cock. Eventually, you’ll have to hold a guy’s cock. Why don’t you start with a nice big one? It’s already oiled too. You said you were not afraid of it. Show me.”

She hesitantly reached out for my glistening cock as I let go of it. It throbbed as she tentatively wrapped her fingers around it. It was too thick for her hand.

“How does it feel?” I said.

“It feels big, hard and hot,” she said.

“Massage it gently,” I said. “Slide your hand up and down the slick shaft. Find out how that feels.”

She timidly worked her hand up and down my oily cock, making it twitch.

“Don’t stop,” I said. “A hot girl like you should learn how to massage a big cock properly. How does it feel?”

“It feels so smooth and slippery,” she said.

“That’s how it should be when it’s ready for work,” I said.

“What did it do?” she said. “What do you do with it?”

“A big cock can show hot girls and sexy women a good time,” I said. “She’d suck it and fuck it. Cock lovers, which everybody calls dirty girls or sluts, love to take it in the ass and swallow its come down their throats.”

“Aren’t those actually sluts?” she said.

“Some are in a good way, and some are in a bad way,” she said. “Loving cock and being nice to it and able to please it don’t make a girl a slut. Spreading for unworthy guys does even if she isn’t a real cock lover.”

“Did you do something recently that required this massage?” she said.

“Yes,” I said. “I met a real cock lover, and my big cock had to work hard to satiate each one of her holes.”

“That’s why you need to massage it?” she said.

“In a way it’s appreciation for what it did, and, in another way, it’s to keep it always fit and ready,” I said.

“I see,” she said.

“Alex, while you continue to hold my big cock, why don’t you get down on your knees in front of me and find out how it feels for you to be on your knees in front of a big cock?” I said. “Someday, you’ll find yourself in that position.”

She hesitated before she obliged me and knelt in front of my hard cock.

“Massage it, and tell me how it feels,” I said.

She stroked my cock slowly.

“Do you feel good or bad?” I said. “Do you feel degraded because you respect big powerful cocks?”

“I feel nice,” she said. “I don’t feel degraded.”

“Do you respect my big cock, Alex, or do you think it’s pathetic?” I said.

“I respect it,” she said.

“Show it respect for having been nice to a fellow cock lover,” I said. “Kiss it on the head.”

She thought about the situation for a few seconds before she kissed my cock head lightly, making my cock twitch.

“You are a good girl, Alex,” I said. “Thank you.”

“You are welcome,” she said, smiling shyly.

“It wasn’t bad to kiss my big cock on the head, was it?” I said.

“No,” she said.

“Did you like it?” I said.

“Yes,” she hissed.

“Do it again,” I said. “Don’t be too shy. As long as you are massaging it, you can kiss it as hard as you want.”

She kissed my cock head firmly.

“Kiss it harder,” I said. “It appreciates the attention. Kiss it as hard as you can.”

She kissed my cock head hard.

“Do you want to learn how to make it dance?” I said.

“How?” she said.

“Imagine a tune in your mind,” I said. “Touch its base with your tongue tip, and let your tongue dance to the music while it goes up the sensitive underside of the shaft. My big cock will dance with you. Take your hand off, and try it.”

My cock started to dance as soon as she stuck her tongue out. She touched the bottom of my shaft just where it met my balls, making my cock twitch. Her tongue danced along my cock, making it dance with it. She watched me while she did that.

“That’s nice, Alex,” I smiled.

She soon reached the top of my cock and pulled back.

“You did well,” I said. “Did you like it?”

“Yes,” she hissed.

“Did you like the taste?” I said.

“Yes,” she said.

“My big cock loved it,” I said. “Repeat it until you are very good at it and very comfortable with it.”

She was more daring as she let her tongue dance along my cock again.

“Do it again, Alex,” I said.

She repeated that.

“This time, dance from the top to the bottom,” I said.

She readily touched her tongue tip to my cock right under my cock head and let it dance its way down.

“That was a little harder, wasn’t it?” I said.

“Yes,” she said.

“Repeat it a few times,” I said.

She let her tongue dance down my cock a few times.

“Try doing it up and down any way you want,” I said.

She obliged me happily.

“My big cock likes you,” I said.

“Thank you,” she said.

“Thank it, not me,” I said.

“Thank you,” she said, looking at my cock.

“Can you see my cock head where it looks like an inverted heart?” I said.

“Yes,” she said.

“Press your tongue tip to the bottom of it, and move your head circularly while keeping your tongue tip where it is,” I said. “Change directions between clockwise and counterclockwise freely, and see how it works.”

She did that eagerly, and my cock danced for her.

“That was nice,” I said. “Now, keep your head motionless, and move your tongue tip left and right and up and down, focusing on the same point at the bottom of the inverted heart.”

She tried that trick.

“It was harder, wasn’t it?” I said.

“Yes,” she said.

“Practice for a few minutes,” I said. “Develop your oral skills.”

She practiced for a couple of minutes and improved. My cock head leaked on her tongue, and she did not complain.

“Move a little to the back,” I said as I got up.

She obliged me.

“I want you to stick your tongue out and cradle my cock head with it,” I said. “Like a cradle, let your tongue swing left and right. Let your tongue always stay under my cock head.”

She performed that trick, and I let her repeat it a few times.

“Stick your tongue all the way out, and cradle as much as you can of my big cock,” I said.

She complied readily.

“See if you can make waves with your tongue to massage the underside of my cock,” I said. “Don’t move though.”

She proceeded to do that.

“Practice of these oral exercises can make you the hottest girl in town, so do your best,” I said.

She did that trick for a minute and pulled back.

“Stick your tongue out and work it around my cock head,” I instructed. “Move it circularly but don’t move your head. This is an exercise for your tongue.”

She worked her tongue around my cock head, coating it with her drool.

“That was nice,” I said. “Close your lips normally, and let them touch my cock head. Repeatedly but slowly turn your head left and right, teasing my cock head with your lips.”

She did that for less than a minute.

“Take half of my cock head between your lips, and hold it gently,” I said. “While you do that, work on it with your tongue any way you want. You can massage, brush, tickle or tease the tip freely.”

She obliged me, and my cock leaked inside her mouth. She lapped it off.

“Take the entire cock head in, and keep doing that,” I instructed.

She did that eagerly.

“Now, just touch my cock head with your tongue while you suck it gently,” I said.

She complied happily.

“You can suck harder or any way you want,” I said.

She sucked my cock head, varying the pressure.

“While you do that, let your lips slide back and forth over the next half inch,” I said.

She sucked my cock in that fashion, and I held the back of her head and paced her.

“Try to do both together,” I said. “Suck and lick at the same time.”

She started to lick my cock head while I thrust gently in her mouth.

“Your hot lips feel so good stretched around my fat cock,” I said. “Can you feel my cock drool in your mouth?”

My hand behind her head let her know that she should answer without pulling back.

She moaned affirmatively.

“Do you like that?” I said.

She moaned again.

“That’s how my big cock tells you that you are doing a great job,” I said. “Don’t stop.”

While she sucked my cock like that, I gradually thrust deeper and deeper into her mouth. Before long, the span of my strokes reached two inches. She eagerly sucked my leaky cock.

“That was great, Alex,” I said as I pulled out of her mouth and held her head with both hands, tilting her face up. “Do you think you can do it while I sit down?”

“Yes,” she said.

“You are becoming so good at this,” I said as I sat back and spread my legs.

“Thank you,” she said.

“My big cock doesn’t know how to thank you for being so good to it,” I said.

“I am having fun too,” she said.

“Suck it, Alex,” I said. “Show me that you really like it.”

She took my cock in her mouth and proceeded to suck it happily.

“My sweet sister’s becoming a dirty little cocksucker,” I teased, smiling. “I like that.”

She sucked my cock more eagerly.

“She likes my big cock, and my big cock likes her,” I teased.

She moaned.

“She’s drooling on my big cock, and my big cock’s drooling inside her hot mouth,” I said.

She moaned approvingly.

“She looks so pretty when she’s so good to my big cock,” I smiled.

My comments and dirty talking encouraged her to do more and more.

“Stop for a minute, Alex,” I said.

“What?” she said in disappointment.

“Do you like sucking my big cock?” I said.

“Yes,” she said.

“Do you want to learn how to take it all the way down your throat?” I said.

“Is that possible for me?” she said suspiciously.

“Alex, if that’s possible for anybody, it’s possible for you,” I said. “You love my big cock, don’t you?”

“Yes,” she said shyly.

“Your love for my big cock won’t leave limits for what you can do for it,” I said. “Do you want to deep throat it?”

“Yes,” she said.

“Alex, you’ll soon be the best cocksucker at school, teachers and school sluts included,” I said, holding her head.

“Do you think so?” she said.

“As long as you love my big cock sincerely, nothing can stop you,” I said. “You’ll be the best if you want to.”

“I love your big cock, and I want to be the best,” she said.

“You are going to be the best, and you’ll get to suck my big cock more than a baby sucks its pacifier,” I said.

“Thank you, Nick,” she said.

“Get on your hands and knees on the sofa, facing my big cock, and let’s teach you how to suck the big cock you belong to properly,” I said as I got off the sofa.

She got into position, and I fed her my cock.

“Your love for my big cock will get you over this,” I said. “The more you have love for it, the easier it’s going to be. You may not even gag once if you love it so much. Suck it as hungrily as you can, and try your luck.”

She sucked my cock eagerly.

“Do it with love, but don’t rush it,” I said. “It will come naturally to you when it’s time. It doesn’t matter when it comes to you as long as you are having fun.”

She experimented while sucking my cock deeper and deeper.

“This should help you,” I said as I leaned forward and hiked her skirt.

She did not complain as I pulled her panties down to her knees. She actually sucked my cock more eagerly.

“You have a sweet ass,” I said, slapping her ass playfully.

She soon found out how to relax and let my cock go deeper inside her throat. It took her several minutes to swallow my entire cock. She let my cock head slide out of her throat and took it back in a few times to make sure she knew how to do it comfortably.

“I did it,” she smiled excitedly.

“You can do anything when you are in love with the big cock you do it for,” I said. “Don’t stop. Indulge yourself.”

She resumed deep throating my cock happily. I thrust gently in her mouth.

“Get down on your knees, and do it like the first-class cocksucker you are about to be,” I said.

She knelt down, and I sat back on the sofa.

“Suck my big cock, Alex,” I said. “Enjoy yourself.”

She effortlessly swallowed my cock all the way down her throat and went to work.

“I love this,” she said, smiling, several minutes later.

“Don’t stop,” I said. “You look so beautiful when you enjoy yourself.”

She returned to sucking my cock happily.

“When you are ready, I’ll come all over your pretty face,” I said. “You’ve earned it.”

“Okay,” she smiled.

“Are you looking forward to getting your trophy?” I said.

“Yes,” she hissed.

She happily deep throated my cock for over fifteen minutes.

“I am ready,” she smiled.

“You are so hot,” I said, getting up while holding her head to my cock. “Suck it harder.”

She sucked my cock hard, and I thrust in her throat.

“Look at me, and say cheese,” I said, pulling out of her mouth.

She tilted her face up and smiled at me. My cock soon twitched and spewed come on her face. I aimed my cock to cover most of her face.

“Suck it dry,” I said, returning my cock to her mouth.

She eagerly sucked my cock hard.

“Stay where you are,” I said, smiling at her, as I sat down. “You look wonderful.”

“You like how I look?” she said.

“Of course,” I said. “I’ll now finger feed you all this yummy come.”

“Okay,” she said.

She maintained her position as I used my index finger to wipe my come off her face and feed it to her. She was tentative when she sucked the first lump of come off my finger. She then moaned.

“I like it,” she smiled.

“Of course, you do,” I said. “You are a very hot girl.”

She sucked my entire come load off my fingers as I cleaned up her face. I then pecked her on the lips.

“Sit back, and pull your legs over your head,” I said, pulling her up onto the sofa. “It’s your turn.”

She got into position, and I pulled her panties off. Her pussy was dripping, but I did not comment on that.

“Your pussy and asshole are so sweet,” I said, spreading her ass.

She blushed.

“I am serious,” I said.

“Thank you,” she said shyly.

“I am going to massage your little asshole,” I said, taking some coconut oil on my fingers.

“Isn’t that dirty?” she said, stiffening as my fingertips touched her asshole.

“That’s what silly girls think,” I said. “Real cock lovers like you know that it isn’t.”

“Okay,” she said as I gently pressed my oily middle finger into her tight asshole.

“Relax, and let me do it for you,” I said. “You’ll like it.”

“Okay,” she said.

“Don’t let just anybody touch your sweet asshole,” I said. “You need to trust the guy completely.”

“I’ve never let anybody touch me there,” she said as I massaged her asshole gently.

“Alex, you are a precious girl, and you should be treated like that,” I said.

“Thank you,” she said.

She moaned as the tip of my middle finger sank inside her ass.

“Relax, and spread your sexy ass with both hands,” I said.

She spread her ass readily.

“Your ass is so hot and tight,” I said. “It can use a nice long massage.”

She moaned as I slid my finger in and out and moved it around to ream out her asshole.

“There is no need to be tense,” I said. “It’s going to relax on its own anyway.”

Her asshole relaxed, and I applied more coconut oil to it. I soon squeezed my index finger in. I gently corkscrewed my two fingers all the way up her ass. She moaned quietly.

“Can you feel your tight asshole relax gradually?” I said.

“Yes,” she hissed.

“I’ll stretch it for you and make it relax completely,” I said.

“Okay,” she said.

She moaned and squirmed as I used my two fingers to ream out her asshole, constantly applying oil to it. Before long, I squeezed my ring finger in. I slowly fed her ass my three fingers, stretching her little asshole wide.

“Does it feel good now?” I said when I had my fingers all the way in.

“Yes,” she hissed.

After a short pause, I proceeded to ream out her asshole with my three fingers.

“You are so hot,” I said. “You like this. Your hot little pussy’s drooling freely.”

“Yes,” she hissed.

“Would you like me to stretch your little asshole wider and stuff it deeper?” I said.

“Yes,” she hissed.

“I’d need to use my big cock for that,” I said, making her asshole twitch and clench. “You are ready for that.”

“It won’t hurt?” she asked.

“We are past this, Alex,” I said. “My big cock and you are best friends. Neither of you can hurt the other.”

“Okay,” she said.

“You’ll love this, Alex,” I said as I lubed my cock thoroughly with my free hand. “We’ll both love it.”

“Okay,” she moaned as I slowly withdrew my fingers from her asshole, twisting them constantly.

As soon as my fingers popped out of her asshole, I popped my engorged cock head in before her asshole clenched.

“Relax, Alex,” I said softly. “I am already in.”

“It’s so big,” she moaned.

“It’s what your luscious ass needs,” I said. “Big cocks were specifically made for hot tight asses like yours.”

“It feels good in a different way,” she moaned.

“My big cock loves your sizzling ass too,” I said. “It can’t wait until it’s balls deep inside it. Are you ready?”

“Yes,” she hissed.

“Your little asshole likes being stretched to the limit around my big cock?” I said, thrusting gently.

“Yes,” she hissed.

“I am not surprised,” I said. “You are a very hot girl. You are a genuine cock lover.”

“Thank you,” she smiled.

“You are welcome,” I said. “Your little pussy’s drooling even more profusely, isn’t it?”

“Yes,” she hissed.

“My big cock’s drooling more profusely up your sizzling ass too,” I said. “Can you feel it go deeper up your ass?”

“Yes,” she hissed.

“I like how your tight asshole milks my fat cock,” I said. “It’s so hungry for it.”

She groaned.

“My big cock’s so hungry for your hot ass too,” I said.

“Yes,” she hissed.

“You want my big cock balls deep up your sizzling ass to show it how much you love it?” I said.

“Yes,” she hissed.

“It’s now halfway in, and it’s having so much fun already,” I said.

“So am I,” she moaned.

“I am going to give you the rest,” I said as I held her legs by the ankles and thrust in her ass more firmly.

“Yes,” she hissed.

Her leaking juices had reached where my cock stretched her asshole, and my thrusts worked them inside her ass. It took me a little over half a minute to sink my cock all the way up her ass. My last thrust made her gasp and stiffen.

“I am coming,” she gasped.

“Enjoy,” I smiled. “You obviously have a horny cock-craving ass.”

“Yes,” she gasped.

She convulsed wildly, and I held her ankles tightly and thrust in her twitching ass with short fast strokes.

“Come for my big cock, Alex,” I urged. “It loves to make hot sweet girls happy. Are you happy?”

“Oh, yes,” she gasped.

“I can feel your hot tight asshole spasm in ecstasy,” I said.

“Yes,” she gasped.

“You look so pretty when you writhe with joy,” I said.

“Yes,” she gasped.

“Your sizzling ass feels incredible as it twitches around my big cock,” I said.

“That was unbelievable,” she gasped as her orgasm subsided.

“I loved it,” I said, thrusting gently in her ass. “I loved giving you so much pleasure through your luscious ass.”

“Thank you,” she gasped.

“Is it now fair to say that your hot ass belongs to my big cock?” I said.

“Yes,” she hissed.

“You don’t mind if my big cock fucked the sizzling ass that belonged to it, do you?” I said.

“Not at all,” she gasped.

“Do you want me to?” I teased.

“Yes,” she hissed.

“Go ahead, and beg me to fuck your cock-craving ass with my big cock like I should,” I said as I applied oil to the bottom half of my hard cock.

“Please fuck my cock-craving ass with your big cock like you should,” she begged.

“You are not afraid that my big fat cock may hurt your delicate little asshole?” I teased.

“No way,” she smiled. “I know it’s going to be wonderful.”

“You are becoming a dirty girl, Alex,” I teased, picking up the pace.

“I am a dirty girl, and I love it,” she smiled.

“How dirty are you?” I teased. “Do you now belong to my big cock?”

“Yes,” she hissed.

“Don’t let anybody else find out how bad you are,” I said.

“Of course not,” she said.

“I guess now you know what kind of hard work my big cock does,” I said.

“Yes,” she hissed.

“You know what kind of hard work it is, but you don’t know how hard that work is,” I said. “You’ll find out soon.”

“I am looking forward to that,” she said.

“You want my big cock to fuck you like a dirty little slut?” I said.

“Yes,” she hissed.

“You got it, you little slut,” I smiled.

“Thank you,” she smiled.

While fucking her ass at an easy pace, I lubed my cock thoroughly. I then picked up the pace and thrust in her ass briskly. She moaned and fucked back as much as she could.

“Do you want to come again for the big cock you belong to?” I said.

“Yes,” she gasped.

“I want you to too,” I said, drilling her ass hard.

She stiffened within half a minute and started to writhe in orgasm. I pounded her convulsing ass vigorously, making her come harder than her first time. When she calmed down, I slowed down.

“Did you enjoy that?” I smiled.

“I loved it,” she gasped.

“My big cock isn’t going to get enough of your hot ass anytime soon,” I said.

“I don’t want it to,” she gasped.

“You have a greedy asshole, my little slut?” I teased.

“Yes,” she hissed.

“I like that,” I said, picking up the pace.

She came three more times before I pulled out.

“Show me how dirty you are, Alex,” I said, sitting her up. “Suck my big cock.”

She took a quick look at my slick cock and took it in her mouth. I fucked her throat for a few minutes.

“My big cock wants more,” I said, brushing my cock head up and down the side of her face. “Does your ass?”

“Yes,” she hissed.

“Get on your knees on the sofa, and bend over the back,” I said. “Show me your cock-craving ass.”

She got into position quickly. I pushed the small of her back down, making her ass push out. I gave her asshole a light kiss, making her gasp. I used two fingers to lube her asshole gently.

“Are you ready, my little slut?” I said, gently pressing my cock head into her asshole.

“Yes,” she hissed, pushing her ass back.

My cock head popped up her ass, and she gasped.

“You have a beautiful ass, Alex,” I said as I spread her ass and thrust in it.

“Fuck it, Nick,” she said, pushing back.

“That’s what I am going to do, you hot slut,” I said. “I am going to fuck your tight ass open.”

“Yes,” she hissed.

When the pace picked up a few minutes later, I held her hips and fucked her ass harder. She soon came.

---

Alex had come twice in that position when I saw mom stealthily coming down the stairs. Alex had her head on her forearms, looking in mom’s direction but apparently not seeing her yet. I held her head and turned it to the other side. I kissed Alex’s ear gently before I motioned mom to come over.

Mom tiptoed to us and stood a few feet away. She watched as I spread Alex’s ass and fucked it at an easy pace. She smiled and nodded after a while. Alex did not sense mom sit next to her. I let go of Alex’s ass, and mom spread it. Alex did not notice either.

“You have a fantastic ass, Alex,” I said. “Promise me you’ll always bring it to me whenever it needs cock.”

“I promise,” said Alex.

“I’ll never let you need any other cock,” I said.

“I am sure of that,” she said.

“Do you want to come again for my big cock?” I said.

“Yes,” she hissed.

“Brace yourself, baby,” I said, picking up the pace.

Mom spread Alex’s ass for me and watched me pound it to orgasm. She held it open as I popped my cock out and pushed it into her mouth. I fucked mom’s throat gently for several seconds and returned it to Alex’s ass. I thrust gently in Alex’s ass, and she thrust back.

“Did you like that, Alex?” said mom calmly while she continued to spread Alex’s ass, making Alex freeze.

“Mom?” said Alex in shock as she got up and pulled her ass away.

“Yes, sweetie,” said mom as I held Alex’s hips and kept her ass impaled on my cock.

That was when Alex noticed that mom was spreading her ass.

“She loves it, mom,” I said, thrusting gently in Alex’s ass.

“I saw you come, but I want to hear you admit that,” said mom.

“You are not mad at us?” said Alex in disbelief.

“For what?” said mom.

“Nick and I are having sex,” said Alex.

“Nick has an impressive cock,” said mom. “I can’t blame you for letting him have his way with you. You are a sweet girl, so I can’t blame him for wanting a piece of your hot little ass either.”

“This is a fun talk, but can you talk while I fuck Alex’s ass nicely?” I said.

“I can’t believe you, Nick,” said Alex. “Mom has just caught us fucking in the living room.”

“We haven’t fucked yet,” I said. “I am fucking your luscious ass. You are still virgin aren’t you?”

“Yes,” she said.

“Bend over nicely, and let me fuck your sweet ass,” I said.

Alex returned to her position, and mom spread her ass wide.

“She has a beautiful asshole, doesn’t she?” I said.

“Yes,” said mom. “Take good care of it.”

“Of course, mom,” I said. “My sweet sister’s hot ass is in good hands.”

“It’s in my hands, but you meant yours, didn’t you?” she said.

“I meant both,” I said.

“Fuck her ass, baby,” she said. “Make her come.”

“Is that what you want, Alex?” I said, picking up the pace.

“Yes,” hissed Alex.

Alex soon came again.

When Alex’s orgasm subsided, I pushed my cock into mom’s mouth. Alex looked back and was shocked to see mom deep throat my cock.

“Taste my sweet sister’s delicious ass on my big cock, mom,” I said, thrusting in mom’s throat.

Mom hungrily deep throated my cock, moaning.

“Mom, what are you doing?” said Alex as I pulled out of mom’s mouth.

“I sucked your brother’s big cock after he fucked your little ass,” said mom as I pushed my cock into Alex’s ass.

“Where is dad anyway?” said Alex.

“He’s taking a nap upstairs,” said mom.

“What if he walked in on us?” said Alex.

“Yes, what?” said mom. “We are not doing anything wrong.”

“He wouldn’t mind what we are doing?” said Alex.

“Of course not, sweetie,” said mom. “Did you think I’d let you do it if it were wrong?”

“I don’t know,” said Alex lowly.

Alex did not remain silent for long. She soon started to moan and gasp. She finally came hard on my cock.

While I thrust gently in Alex's ass, mom got into position next to her and pushed her ass back.

"I want some of your gorgeous cock, Nick," said mom, surprising Alex.

"I'd need Alex to spread your hot ass," I said, hiking mom's robe and exposing her ass. "Would you mind that?"

"Of course not," said mom.

"I want her to taste you on my big cock too," I said.

"That's okay," she said.

"Alex, get up, and spread mom's sexy ass," I said, pulling out of Alex's ass.

Alex was still surprised as she turned around and sat on the sofa. She spread mom's offered ass as I grabbed the oil. I gave mom's asshole a light kiss, making her gasp softly. Alex watched me lube mom's asshole thoroughly using one to three fingers.

"You want it in your pussy first?" I said.

"Yes," hissed mom.

"Beg for it," I said, aiming my cock at mom's leaky pussy.

Alex looked up at me in disbelief.

"Please fuck my horny pussy with your big cock, baby," begged mom.

"You are a good slut, mom," I said, pushing my cock into mom's pussy.

"I am your whore, baby," moaned mom as I thrust in her pussy.

The language mom and I used surprised Alex.

"You were made for big cocks like Alex?" I teased.

"Yes," hissed mom.

"You love my big cock like she does?" I said.

"I love your big cock more than I love any other cock," she moaned.

"You love my big cock even more than dad's?" I said.

"Of course, baby," mom moaned, surprising Alex.

"You are a hot slut mom," I said.

"I am your dirty slut mom, baby," moaned mom.

"You belong to my big cock like Alex?" I teased.

"Yes," hissed mom.

"You are the property of my big cock like she is?" I said.

"Yes," she hissed.

"I am going to fill your hot ass with come like I did to hers," I said.

"Thank you, baby," she moaned.

Mom soon came, and Alex was startled when she found my dripping cock thrust in her face. She did not hesitate to suck it though. She deep throated my cock while mom watched.

"She's good," said mom.

“She’s her mom’s daughter,” I said as I pressed my cock head into mom’s asshole. “Now, beg for what you want.”

“Please fuck my horny ass with your big cock, darling,” moaned mom.

“Our slut mom loves it in the ass just like you do, Alex,” I said, popping my cock head up mom’s ass.

“Watching this happen is so difference,” said Alex, watching me thrust in mom’s stretched asshole. “I didn’t know it was such a wide stretch. I didn’t imagine that you stretched my asshole like this.”

“It’s incredible though,” I said.

“I bet, but it’s so crazy,” said Alex. “I never thought mom would like it up the ass, not to mention my spreading her ass for none other than my own brother and watching him fuck her ass with his big cock.”

“Alex, your brother has a great cock,” said mom as I thrust in her ass. “No sane woman would let her ass pass it.”

“I know how good it is, and I can’t blame you,” said Alex. “I just have never imagined this.”

Mom used her anal tricks on my cock sneakily.

“Alex, mom has the hottest ass in the world,” I said. “You can’t see what her wicked ass is doing to my big cock.”

“What do you expect?” said mom. “I’ve been training my ass ever since I lost my anal virginity.”

“I didn’t expect you to be the hottest slut in the world, but I am so happy you are,” I said.

“I am so happy you think so,” she said.

“Has anybody ever fucked your sizzling ass and not thought so?” I said.

“Your dad’s the only other person who’s ever fucked my ass,” she said. “I don’t think he noticed. It was gradual.”

“If he fucked any other ass, he would,” I said.

“If he fucked any other ass, he wouldn’t be able to fuck mine ever again,” she said.

“You are a jealous woman, aren’t you?” I said.

“I have a one-man ass,” she said.

“Now, you have a two-man ass,” I said.

“I still have a one-man ass, but I changed that man,” she said. “Now, you are that man.”

“How often can you change that man?” I said.

“I’ve only changed him once, and I don’t think I’ll ever do that again,” she said.

“I am your ass man, but dad obviously can fuck it too,” I said.

“Of course not,” she said. “That would make my ass a two-man ass. You are the only one who can fuck it.”

“Dad can’t fuck it?” I said in disbelief.

“Not anymore,” she said. “Now, you know how much I trust you and depend on you.”

“This is unbelievable,” I said.

“Alex, is your sweet ass a one-man ass too?” she said.

“Yes,” said Alex. “I only want Nick’s big cock up my ass.”

“You are a good girl like your mom,” said mom

“She’s an incredible girl,” I said, squeezing Alex’s right tit.

“Thank you,” said Alex.

“Let me see your fine tits,” I said, reaching out for the hem of her top.

Alex cooperated, and we soon had her top and bra put aside. I fondled her bare tits and teased her stiff nipples, making her moan, while I fucked mom’s spread ass.

“I love your tits,” I said as I squeezed Alex’s left tit and pinched her nipple.

“Thank you,” gasped Alex.

“Mom, take out your tits too,” I said.

Mom untied her belt, and I pulled her robe off, leaving her naked.

“You have fantastic tits,” I said as I squeezed both mom’s tits.

“Enjoy them, baby,” moaned mom.

While playing with mom’s tits, I picked up the pace. I soon got up and held her hips tightly. I fucked her ass hard.

Mom soon came, and Alex did not hesitate to deep throat my cock.

“Get into position next to mom,” I said to Alex. “I want to take turns fucking your hot asses.”

Alex assumed the position while I lubed my cock. I popped my cock up Alex’s ass and proceeded to fuck it.

My cock hopped from sizzling ass to the other after each orgasm.

“Are you ready for me to come in your hot ass that belongs to me?” I said as I fucked mom’s ass hard.

“Yes,” gasped mom. “Come in my ass, baby.”

Alex sucked my cock clean after mom came, draining my balls in her ass. I pulled out of Alex’s mouth and used two fingers to scoop come out of mom’s ass. Alex was startled but did not hesitate to suck my fingers clean. I took out another scoop for mom, and she sucked it off my fingers eagerly. I kissed mom’s asshole deeply.

Alex returned her mouth to my softening cock. I helped her off the sofa and sat back in her place. Mom joined her, and the two of them proceeded to revive my cock together.

“Alex, you are still virgin?” said mom.

“Yes,” said Alex.

“Do you want Nick to deflower your little pussy now, or do you want to save it for another time?” said mom.

“I want him to deflower it now,” said Alex.

“Why don’t you lie back here and let him eat your sticky pussy to get it ready for his big cock?” said mom, patting the sofa to my right.

“Sure,” said Alex.

My cock was getting hard, but it was not hard yet. Alex sat back and pulled her legs over her head. I knelt down before her and inspected her drenched pussy.

“Spread your ass,” I said.

Alex spread her ass with both hands, and I held her legs up by the ankles and kissed her asshole lightly, making her gasp. She moaned as I gave her asshole a deep kiss. I proceeded to probe her asshole with my tongue.

“You’ve already deflowered my asshole,” moaned Alex.

“I haven’t eaten it yet though,” I said.

Alex surrendered her ass to me, and I ate it hungrily to orgasm. By then her pussy juices were leaking all the way down to her asshole. I licked them up all the way to her dripping pussy and cleaned it up all around. I then ate it eagerly, and it leaked profusely into my mouth. In the end, I devoured her virgin pussy to orgasm and slurped all its gushing juices. I cleaned it up gently while she recovered.

“Are you ready, Alex?” asked mom, stroking my cock, which was rock hard.

“Yes,” hissed Alex.

“Are you ready to surrender your virgin little pussy to your brother’s big fat cock?” said mom.

“Yes,” hissed Alex, smiling at me.

“Are you going to be a good little slut and beg him to take it and make it his?” said mom.

“Please deflower my virgin little pussy, and make it yours,” begged Alex as I stood up and aimed my cock at her virgin but leaky pussy.

“Consider it done,” I smiled as mom guided my cock head to Alex’s pussy. “Your brother won’t say no to you.”

Mom rubbed my cock head up and down Alex’s pussy, making her moan and gasp. Alex squirmed and moaned for a while, her pussy juices soaking my cock head, but mom continued, bringing her closer and closer to orgasm.

“Give it to her,” said mom finally, pressing my cock head into Alex’s pussy.

“With pleasure,” I said, firmly pushing my cock in.

My thrust was not hard, but I did not stop until my cock head broke Alex’s cherry, making her wince and stiffen.

Despite the wide stretching and the little pain, Alex came instantly.

“I am coming,” gasped Alex.

“Give her the rest of it,” directed mom.

My cock was halfway in. I held Alex’s legs by the ankles and firmly drove it the rest of the way in with a few thrusts. Alex was convulsing as I fed her gushing pussy the rest of my cock. I held my cock balls deep in her pussy while she writhed wildly. I ground firmly into her twitching pussy until her orgasm finally subsided.

“Did you like that, sweetie?” mom asked Alex.

“Yes,” gasped Alex. “I loved it.”

“Did you enjoy making your sister’s sweet little pussy yours?” mom asked me.

“Of course, mom,” I said, smiling at Alex, as I thrust gently in Alex’s soaked pussy.

“She’s now your little whore,” said mom.

“Are you happy that you are now my dirty little whore?” I asked Alex.

“Oh, yes,” she hissed.

“Fuck her, darling, and don’t pull out until you’ve filled her little pussy with come,” said mom.

“Is that what you want, my little whore?” I asked Alex.

“Yes,” she hissed.

“Does your little pussy love my big cock?” I said, picking up the pace.

“Oh, yes,” she hissed.

“I am going to show it a good time,” I said.

“Thank you,” she gasped.

Mom laid a towel under Alex’s ass and sat on the sofa. She watched me fucked Alex’s pussy through one wild orgasm after another. I slowed down, giving Alex a little time to recover, after each orgasm but otherwise kept fucking her drenched pussy tirelessly.

“Fill her pussy with come, darling,” said mom about an hour later. “She’s had enough. Don’t fuck her to death.”

“You got it,” I said.

When Alex had her next orgasm, I let go, pumping her twitching pussy full of come. I kept my cock in Alex’s slimy pussy until it was completely limp. Mom used the towel to clean up my cock and Alex’s pussy.

“Is your little pussy happy now?” I smiled at Alex.

“Yes,” smiled Alex. “It’s very happy. Thank you.”

“Don’t be silly,” I said as I lowered my mouth to hers.

We shared a long gentle kiss before I left to my room to take a shower.

Mom was in the kitchen, working on dinner, when I caught up with her later.

“How did you know I wanted you to do Alex next?” said mom.

“I didn’t actually know that,” I said. “It must have been instinctive.”

“You knew it even without thinking about it?” she said.

“I guess so,” I said.

“You are good,” she said.

“Thanks, mom,” I said.

---

Mom went back to her work, and I lounged on the sofa in the living room, watching television. Alex walked in.

“Can I suck your big cock?” said Alex, standing before me.

“Sure,” I smiled.

“Thank you,” she said, getting down on her knees.

“Anything for my sweet little slut,” I said.

My cock started to get hard as she worked on setting it free. I sat back and spread my legs, and she went to work.

“I love your big cock,” she said, stroking my cock as she held it against the side of her face.

“It loves you too,” I said.

She teased my cock head with her tongue and sucked it a little.

“I love sucking it,” she smiled.

“I love that too,” I said. “You are a good cocksucker.”

“I want to be much better,” she said. “I want to be the best.”

“Passion and practice will get you there,” I said.

She proceeded to suck my cock eagerly and play with it. It was soon rock hard in her mouth. She deep throated it leisurely but kept experimenting with it and trying new tricks.

---

Dad came over.

“Hi, kids,” dad greeted before he sat in his chair.

“Hi, dad,” replied Alex, smiling.

She returned to sucking my cock instantly.

“Hi, dad,” I said.

Alex continued to deep throat my cock eagerly.

“She’s a little slut and a great cocksucker, but she wants to be the best cocksucker in the world,” I said when dad glanced at her later. “I am helping her. It’s a lot of fun for me too.”

“I love his big mouthwatering cock with every hole in my body,” she said.

“Be nice to each other, and don’t let anybody know about this,” he said.

“Of course, dad,” I said. “My big cock’s in love with her too. By the way, thank you for sharing mom with me.”

“As long as you are good to her, it’s my pleasure,” he said.

“I learned how to be good to her, and I’ll be even better,” I said.

“She says so too,” he said. “I am proud of you.”

“Thanks, dad,” I said.

Alex sucked my cock eagerly like nothing else existed. She did it better than ever before too.

“I think she’s learned about cock sucking today more than anybody else has ever learned in a single day,” I said.

“She obviously likes it,” he said.

“It’s true cock love,” I said.

“That’s what it looks like,” he said.

“I prefer its taste this way,” she said.

Alex continued to suck my cock until mom called us for dinner. She resumed sucking after dinner, but the difference was that mom joined her.

“You are both sucking my big cock and leaving dad alone,” I said.

“Dad, are you okay with this, or do you want me to suck your cock?” asked Alex.

“I am fine,” said dad. “Thank you.”

Mom and Alex sucked, licked and teased my hard cock together happily for over an hour. In the end, they made me come all over their faces.

“You are dirty come sluts,” I teased.

“We’ll soon be clean, aren’t we, Alex?” smiled mom.

“Of course,” smiled Alex.

Alex was the first to lick come of the other’s face. They licked each other’s face clean. They finally kissed lewdly.

“I think we are clean now,” said mom.

“You are,” said Alex.

“So are you, sweetie,” said mom.

“Do you have any other complaints?” said Alex.

“I didn’t have any complaints at all,” I said. “That was a compliment.”

“Thank you,” she said.

“Thank you, both of you, for the best blowjob of my life,” I said.

“Anytime, darling,” said mom.

“That’s right,” said Alex. “Your big cock will be in my mouth more than a pacifier in a baby’s mouth.”

Before they got up, I held their heads and gave each a deep kiss.

Mom walked to dad and gave him a deep kiss.

“I saved some for you,” smiled mom when they broke the kiss.

“You are a dirty come slut like your son said,” he said.

“He meant it a compliment,” she said.

“So did I,” he said.

After a while, I headed to my room to go to bed.

---

While I was getting ready for bed, Alex knocked and entered.

“Can I sleep with you in your bed?” she asked.

“Sure, but we may not get much sleep,” I said.

“That’s the point,” she smiled. “I’ll change and come back.”

She disappeared for a minute and returned naked.

“You are naked,” I said.

“I don’t have anything to hide from you,” she said. “Do you have anything to hide from me?”

“I don’t have anything to hide from you, but I have something to hide in you,” I said.

“As long as it’s big and hard, I don’t mind,” she said.

“It isn’t big and hard right now, but I am sure it will be very soon,” I said.

“That’s good enough,” she said.

My cock was soon rock hard, and I had to drain my balls deep in her ass after about an hour of leisurely ass fucking. She milked my cock well before she let me pull out.

“We are ready to sleep now,” she said.

“Yes,” I said. “Good night.”

We shared a goodnight kiss, and drifted to sleep with her in my arms and her ass pressed into my groin.

---

When I woke up in the morning, Alex was already deep throating my hard cock. I opened my eyes to see her pussy swaying in front of my face. I grabbed her ass and pulled it down. I gave her leaky pussy a kiss, making her moan. I

then pulled her ass further down and kissed her asshole. I licked her asshole, probing it with my tongue and fingers until she came while she sucked my cock eagerly.

While she recovered, I licked her drenched pussy clean and she lubed my cock thoroughly.

“Please let me take your big cock in my horny ass,” she said as she turned around, straddling me.

“You have a greedy ass, don’t you?” I teased.

“Yes,” she hissed.

“It belongs to me,” I said. “I have to feed it because I enjoy that so much. Feed it my big cock.”

She guided my cock head to her asshole, and I spread her ass for her.

“Good morning, Nick,” she smiled when her asshole was halfway down my cock.

“Good morning, my little whore,” I smiled.

“This is a wonderful morning,” she said, working her ass down my cock.

“It is,” I said.

“I am so happy I belong to your big cock,” she moaned.

“So am I,” I said. “I am so lucky to have such a sweet and slutty sister.”

“You are not half as lucky as I am for having a horny brother with an incredible cock he’s willing to share with me,” she said. “I must be the luckiest girl in town.”

She came several times before I pumped her twitching ass full of come. She sucked my cock clean, and we showered, put on some clothes and went down.

---

Dad had already left for work. Mom made a late breakfast and joined us.

“Did you enjoy sleeping together?” said mom.

“I had my best night and morning ever,” said Alex.

“Mom, she’s the hottest little slut in town,” I said.

“You must be enjoying that,” teased mom.

“Of course,” I smiled.

After breakfast, mom and Alex sucked my cock for a while. Mom then left Alex alone with my cock.

---

Mom returned with Aunt Leanne. Alex was not aware of that. Mom stood away, and Aunt Leanne walked to Alex and knelt next to her. Alex thought she was mom, so she made room for her. Aunt Leanne proceeded to lick and suck my cock with Alex. After a few minutes, Alex sensed something strange. She looked at our aunt and was shocked to find Aunt Leanne sucking my cock eagerly.

“Aunt Leanne?” said Alex in disbelief.

“Hi, Alex,” smiled Aunt Leanne. “You’ve become a serious little cocksucker, haven’t you?”

Alex was speechless.

“She has,” I said.

Alex stuttered a little, and I reached out and pulled their heads to my cock. They silently resumed sucking my cock together. After a while, mom knelt next to Aunt Leanne.

“Is there room for me?” asked mom.

Alex and Aunt Leanne silently made room for mom, and she joined them. The three of them sucked my cock eagerly, most of the time the three mouths working on it at the same time.

“How do you like this, Nick?” asked my aunt.

“I love it,” I said. “Don’t stop.”

They sucked my cock like that for fifteen to twenty minutes.

“I am sorry, Nick, but, at least, I have other holes,” said Aunt Leanne.

“So do I,” said mom.

“What about you, Alex?” I said. “Do you have other holes?”

“Yes,” said Alex.

“Get on your knees side by side on the sofa, and let me see what I can do,” I said, getting up.

They were soon in position. I lubed their assholes thoroughly but started with Alex’s pussy. I fucked all their pussies to orgasm before I fucked Aunt Leanne’s ass. I kept Alex’s ass for last and made a few rounds before I pumped my first come load up Aunt Leanne’s ass. I came in mom’s ass and came in Alex’s ass just before our late lunch.

After lunch, we resumed the ass fucking in the living room. I came in Aunt Leanne’s pussy and had mom eat my come out and share it with Alex, who ate my next come load out of mom’s pussy and shared it with Aunt Leanne, who ate my next come load out of Alex’s pussy and shared it with mom.

“Next time, you’ll eat my come out of each other’s ass,” I said.

“Your son’s a dirty boy,” Aunt Leanne said to mom, smiling.

“Like he’s doing that to the choirgirls,” said mom.

“We are all lucky we are all dirty,” said Aunt Leanne.

“That’s right,” said mom.

“Do you agree, Alex?” asked Aunt Leanne.

“I agree most,” said Alex.

“You are a dirty girl, aren’t you?” said Aunt Leanne.

“I am a dirty whore,” smiled Alex.

“You obviously are,” said Aunt Leanne.

It was time to work on dinner.

Dad came home, and Aunt Leanne had dinner with us and then headed home right away.

---

Mom sat on my right, and Alex sat on my left.

“Nick, I want to suck your big cock with my horny pussy for a long time,” whispered Alex.

“Sure,” I said, pulling her astride me.

She undid my shorts, and I helped her pull my shorts and underwear to my ankles, setting my hardening cock free. I hiked her skirt, and she rubbed my cock over her leaky pussy until it was hard. She then impaled her pussy with my cock. I held her ass, fondling it, and rocked her gently while she milked my cock with her pussy. Before long, my cock was drooling deep inside her pussy while it drooled all over it.

She occasionally kissed me gently and deeply. I wormed two fingers up her ass and reamed it out gently. Both her holes milked leisurely.

“I love this,” she whispered.

“You are a dirty slut,” I teased, whispering. “You are getting fucked right in front of your mom and dad.”

“Yes,” she hissed.

She milked and sucked my cock with her pussy for well over an hour. I only made her come a few times. My fingers remained up her ass all the time. Her asshole relaxed noticeably.

“We’ll continue in bed,” she whispered, slowly pulling her pussy off my drenched cock.

“You are a greedy bitch, aren’t you?” I teased, removing my fingers from her ass.

“Yes,” she hissed.

Alex dismounted me and got up.

“I am going to tuck my little sister in,” I said, getting up.

My hard cock throbbed in front of me.

“You are going to tuck what where?” teased mom, looking at my cock.

“Don’t embarrass the little slut,” I smiled as I kicked my shorts and underwear off and picked it up.

Alex led, and I followed.

It took some time to put Alex to sleep because she could not fall asleep without a big come load up her ass.

Aunt Leanne did not visit again that week, so I spent Tuesday fucking mom and Alex in every possible way for most of the day. Each ate a come load out of the other’s ass.

In the evening, Alex straddled me and sucked my cock with her asshole, training it for over an hour.

On Wednesday, we had a short session in the morning.

---

“Watch this movie, Nick,” mom said, handing me a video in the afternoon “It’s good.”

“Thanks, mom,” I said as I took the video. “What is it?”

“Watch it, and find out,” she said.

She followed me to my room. I popped the video into my computer, and it started playing as I sat back.

“I think you are now ready to be teased,” I heard my aunt say onscreen.

“You didn’t film what happened that night?” I said to mom in surprise.

“You didn’t think we’d film what happened twenty years ago but not what happened the other night,” she smiled.

“You are amazing,” I said happily.

“When you are done with it, I’ll be in bed ready and waiting for you in case you want the real thing,” she said.

“I’ll be there,” I promised. “You can count on it.”

It pleasantly surprised me that the video also included the encounter that had happened between Aunt Leanne and dad immediately after she had dropped me off at home. I saw what dad could and would do to a well-fucked woman. I wanted to watch the video again but not while a horny hot woman was waiting for me. After all, a video can wait longer than most people can.

Mom and I spend the afternoon together, and Alex spent the evening deep throating my cock leisurely.

On Thursday, Alex joined us, and we spent most of the day fucking. She trained her pussy in the evening.

Then, Friday came. Mom saved herself for later, and I only gave Alex her morning fuck.

“Be ready at two,” said mom.

Dad came home early, and he was in the master bedroom when I went there at two.

Mom smiled wide at me, wearing the tightest and shortest red dress. Three quarters on her big full tits was on display, and I was not sure the hem of her dress reached her pussy. I had ever seen her in with black sheer lace-top thigh-high stockings. I naturally saw the tops of her stockings. She wore red high stiletto heels. Her lipstick matched that red color. My cock twitched when I saw her. She got up and walked to me.

“Are you ready, stud?” she said, opening her arms for me.

“I didn’t know you’d be all dolled up,” I said. “I am not dressed up for the occasion.”

Dad had three camcorders to cover the action from all angles. He adjusted one of them as mom and I talked.

“I just wanted you to like what you see,” she said.

“I love what I see,” she said.

“Let me see,” she said, reaching out for my boner. She squeezed my hard cock. “I think you do.”

“Of course, I do,” I said.

“I love what I feel too,” she smiled.

“I want to kiss your hot lips,” I said.

“You can kiss them and do anything you want to them,” she smiled, bringing her lips to mine.

“I’ll do all that,” I assured just before our lips touched.

We kissed feverishly, and, meanwhile, I fondled her tits and ass. I kissed down her neck all the way to her tits. I pulled her neckline down a little, exposing her nipples. I sucked her nipples while I hiked her dress and fondled her bare ass. I massaged the back of her leaky pussy and wet two fingers in her juices. I carefully worked a slick finger up her ass and reamed out her asshole. I soon squeezed the second finger in. I corkscrewed my fingers up her ass while fondling her tits and sucking her nipples. I used my free hand to stick two fingers into her wet pussy. While I fingered both her holes, I switched my mouth between her nipples.

“You are wasting no time, are you?” she moaned, humping my fingers while stroking my cock through my shorts.

“Nobody can afford to waste a second with the hottest slut in the world,” I said.

While still working on her pussy and ass, I returned my mouth to hers and kissed her deeply.

“Suck it,” I said as I removed my fingers from her holes.

As she knelt down and pulled my shorts and underwear down, I sucked my sticky fingers.

My cock was rock hard. She proceeded to tease its engorged head with her tongue, licking its leaking fluids. She took her time teasing my cock head before she took it in her mouth and sucked it leisurely, moaning.

She toyed with my cock for a few minutes before she took it all the way down her throat. I held the back of her head and gently fucked her throat. I pushed her straps down her shoulders, and she worked her arms out. Her little dress was collected around her waist. She took my cock out of her mouth and let me fuck her tits for a few minutes. She returned my cock to her mouth and deep throated it leisurely for several minutes. I occasionally bent down and fondled her ass, fingering her pussy and asshole.

“Please fuck me,” she said, finally getting up.

She got on her hands and knees on the bed and pushed her ass out lewdly.

“Are you sure?” I teased as I brushed my cock head up and down her dripping pussy.

“Yes,” she hissed, pushing her ass out.

She kept thrusting her ass back until I held my cock for her, allowing her pussy to take its head in. I then held her hips and paced her ass she lustfully worked her pussy back over the rest of my cock, mooning and gasping. She ground into me, making sure that my cock was balls deep in her pussy. I squeezed her tits and pinched her nipples.

She proceeded to toy with me. While she slowly worked her pussy back and forth over my hard cock, bathing it in her juices, she milked my cock, rolling and twisting her hips. Her ass looked so hot as she did that, so I enjoyed the view, smiling. I occasionally spread her ass and admired her sweet asshole, which belonged only to me.

“Keep doing that, mom,” I said. “Your hot ass looks incredible as you dance like that.”

“My pussy’s doing all that, and you are enjoying my ass?” she said.

“I am enjoying the view of your luscious ass while enjoying the feel of your hot juicy pussy,” I said.

“Okay, so my tricks are not lost on you,” she moaned.

“Of course not,” I said. “You have the hottest pussy in the world. That fact that your ass is hotter is a compliment.”

“Thank you, darling,” she said.

The first time she did those tricks on me, I was squirming on the verge of begging for mercy. I still enjoyed them, but I could handle them for a long time without losing control.

“What a hot ass!” I teased, squeezing her ass.

While she continued to wriggle, I drooled on her asshole and wormed a thumb in. I reamed out her asshole gently, and she milked it like she milked my cock with her pussy. I occasionally reached out and fondled her tits, pinching her nipples and pulling on them. She moaned constantly.

After a while, she gave up at making me beg and went for her own orgasm.

“You want to come, you hot slut?” I teased.

“Yes,” she hissed. “I want to come on your big cock.”

“As long as you are a good whore for my big cock, you can come on it all you want,” I said.

“Your big cock must know already that I am its best whore ever,” she gasped, thrusting urgently.

“Of course you are,” I said. “Come hard on it.”

She bucked her ass faster, and I fucked her asshole with my thumb in her rhythm. She soon stiffened and writhed in orgasm. She shoved her gushing pussy wildly into the base of my cock until her orgasm subsided. She gasped while I gently thrust in her soaked pussy, holding her hip with my free hand. I occasionally pulled out of her pussy and ass and wiped my dripping cock head on her asshole before returning my thumb to her ass.

“That was a great orgasm,” she gasped. “No wonder I love your big cock.”

“My big cock has learned how to fuck its hottest slut,” I said. “It’s going to fuck her silly in front of her husband.”

“I am sure of that,” she gasped.

“What do you think, dad?” I said.

“You are obviously perfect together,” said dad.

“This hot slut belongs to my big cock,” I said.

“Yes,” she hissed.

“You did well so far,” I said. “Now, relax, and let me fuck you to reward you for being such a hot slut for me.”

“Thanks, baby,” she said.

With my thumb up her ass and my free hand holding her hip, I proceeded to fuck her drenched pussy at an easy pace while working on her asshole accordingly. She fucked back in my rhythm. After a minute of that, I started to change the pace for both her holes. She tried to fuck back, but she soon gave up and held her ass motionless for me as I worked on her any way I wanted. I maintained a pace until she started to fuck back and then changed the pace. She lasted longer and longer, and, in the end, she had to remain motionless until her orgasm hit her. She then lost control. I let her get away with that. She convulsed and bucked wildly, gushing all over my cock and balls.

“That one was so good,” she gasped.

“A hot slut of your caliber should have been able to remain motionless to the end,” I said, slapping her ass lightly. “I’ll let you go this time, but there is no telling what I may do next time you misbehave.”

“Okay,” she gasped.

The lube was in arms reach. I grabbed it and proceeded to lube her asshole thoroughly while gently thrusting in her drenched pussy. She moaned and ground into me. I squeezed my other thumb into her ass and held her ass by hooking my thumbs inside her asshole and pulling her asshole open.

“This time, don’t move your ass,” I said as I picked up the pace.

She held her ass motionless as I stretched her asshole open and drooled inside it. I changed my pace according to her moans and gasps, keeping her on the edge for the longest time. She milked my cock and thumbs with her holes, but I was in full control.

“Do you want to come, my dirty slut?” I teased after about ten minutes of that.

“Yes, please,” she gasped.

“You can’t move while you come,” I said.

“Okay,” she gasped.

Stretching her asshole widest, I fucked her leaky pussy vigorously. She stiffened and came within half a minute. She convulsed but held her ass motionless as her pussy twitched and gushed all over my cock.

“Good girl,” I said, thrusting gently in her drenched pussy after her orgasm subsided.

“It wasn’t easy to stay put,” she gasped.

“You did it,” I said. “You’ve earned whatever you want. What do you want?”

“I want you to fuck my horny ass,” she gasped. “Please fuck my ass with your big cock.”

“Are you sure that’s what you want?” I said.

“Yes,” she hissed.

“You want me to fuck the hot ass that’s exclusively mine?” I teased.

“Yes,” she hissed. “Nobody else can fuck it, and it needs cock bad right now.”

“Is your little asshole going to be nice to my big cock?” I teased.

“Yes, like never before,” she said.

“I love your luscious ass, mom,” I said. “From now on, I want you to sit on my big cock in the evening like Alex.”

“Yes,” she hissed.

“Get my big cock ready,” I said. “Clean it of your copious juices with your mouth, and lube it with your drool.”

She pulled away, letting me pop my cock and thumbs out of her holes and turned around, facing my dripping cock.

“My horny pussy did a good job, messing it up,” she said.

“Now, your mouth’s going to do a good job fixing that,” I said.

She swallowed my cock and proceeded to deep throat it eagerly. I reached out and soaked two fingers in her drenched pussy before I inserted them into her ass. I reamed out her asshole while I fucked her throat for a few minutes. I let my fingers up her ass while she turned around and pushed her ass my way.

“Please stuff my horny ass with your big cock,” she begged.

Although her asshole was lubed, I added lube to it before I firmly pressed my cock head in.

“Yes,” she hissed as my cock head popped up her ass.

“Get your slutty ass fucked,” I said, spreading her ass.

“I am going to get it fucked royally,” she moaned as she thrust back, working her asshole deeper down my cock.

“That’s one of the reasons I love to fuck your sizzling ass,” I said.

She leisurely and playfully moved her ass, rotating it and milking my cock exquisitely, as she worked her stretched asshole deeper and deeper over my cock.

“You like this, baby?” she moaned. “You like how your slut mom’s horny asshole pleasures your big fat cock?”

“Yes, mom,” I said. “Keep that up. That’s why you are the hottest ass whore in the world.”

“Thank you, darling,” she moaned.

“What about you, mom?” I said. “Do you like being a dirty ass whore for your son’s big cock?”

“Oh, yes, I love it,” she moaned.

“You love how my big cock stretches and stuffs your little asshole?” I teased.

“Oh, yes, baby,” she moaned.

“Let’s have fun,” I said.

“We are going to have a lot of fun, darling,” she moaned.

“I love this, mom,” I said. “You can do this to me all day.”

“I love doing it for you,” she moaned.

“Dad, you know what a wicked little asshole she has, don’t you?” I said.

“Yes,” he said. “Can you last when she does that to you?”

“I figured out how to enjoy it but not too much,” I said.

“That’s impressive,” he said. “I’ve never figured that out.”

“Mom’s horny ass was made for my big cock,” I said. “It better know how to handle it.”

She constantly played her anal tricks on my cock for over five minutes. I enjoyed feeling and watching her hot ass twist and dance as it milked and teased my cock skillfully.

“I need to come,” she moaned finally, picking up the pace. “You have a stubborn cock.”

“I told you I loved it,” I said. “I don’t need to lose control to prove it.”

“I can’t do that all day without coming,” she gasped. “I have a very horny asshole.”

“Come freely,” I said. “I love that too. I love feeling and watching you come on the big cock you belong to.”

“I am going to come,” she gasped.

“Come for me, mom,” I urged. “Show dad how your slutty ass has to surrender to my formidable cock.”

“I am coming for you, baby,” she gasped, stiffening.

She convulsed wildly, and I only spread her ass and watched it buck and writhe in ecstasy until she calmed down.

“What do you think, dad?” I said, fucking mom’s ass gently. “Shouldn’t this amazing ass belong to my big cock?”

“Yes,” he said.

“It does, darling,” she gasped.

“This hot ass was made for fucking,” I said.

“It was meant to be fucked with your big cock,” she gasped.

“That’s what’s going to happen to it from now on,” I said.

“Yes,” she hissed.

“Go ahead,” I said, slapping her ass. “Get your slutty ass fucked again.”

She used her anal tricks for a couple of minutes before she picked up the speed and came on my cock.

“You should do better, mom,” I said while she recovered. “Don’t neglect your anal training.”

“I intend to train my asshole while I sit in your lap,” she gasped.

“You’ll have to sit in my lap for long periods of time in that case,” I said.

“I’d love that,” she gasped.

“I’ll get even for all the time I spent in your lap, but we’ll enjoy it much more,” I said.

“I am sure we will,” she said.

She resumed getting her ass fucked with precise strokes. I watched and enjoyed myself. She came time after time.

“Mom, you’ve done a great job,” I said. “You’ve earned a big come load. How do you want it delivered?”

“Up my ass but not too deep,” she said.

“Is that because you are a dirty wife?” I said.

“Yes,” she hissed.

“You need to work for it,” I said. “Get started.”

She picked up the pace, and I paced her, thrusting in her ass. The pace accelerated without bound.

“I am going to come,” she announced, stiffening.

“So am I,” I said, slamming harder into her ass.

Her asshole twitched, and my come burst out into it. She convulsed and writhed while she drained my balls in her sucking ass. When I was spent, I pulled out gently.

“Bring your lovely cock where I can suck it,” she gasped, patting the bed in front of her. “Lie back here.”

She remained in her position as I took mine, lying back with my legs on either side of her. My sticky cock was right under her nose.

“Lick my ass, honey,” she said to dad.

She proceeded to lick and suck my sticky cock before he took his position behind her and proceeded to lick her loose and sticky asshole. My cock started to harden in her mouth.

“Lick it clean, honey,” she said, looking back. “There is so much more where this gooey goodness came from.”

He devoured her slimy ass, and she deep throat my hardening cock hungrily. My cock was rock hard by the time he made her come.

She silently climbed astride me and guided my cock to her wet pussy.

“I need to get fucked, baby,” she said, lowering her pussy onto my cock.

“I need to fuck you too, mom,” I said, holding her ass.

“Your slut mom’s going to ride your big cock,” she moaned. “Enjoy!”

“I will as long as she does,” I said, squeezing her ass.

As soon as she started riding my cock, I used two fingers to scoop juices off the underside of my cock. I pushed my slick fingers into her asshole and proceeded to ream it out.

“You can’t get enough of your mom’s horny asshole, can you?” she moaned.

“I am not supposed to,” I smiled.

“Your slut mom can’t get enough of you and your amazing cock,” she moaned.

“You shouldn’t either,” I said. “You should always be skewered on my big cock.”

“Yes,” she hissed.

“You’ll soon return my big cock to your hot ass, won’t you?” I said.

“Yes,” she hissed.

“Come a few times before my big cock returns to its cozy home,” I said.

“I’ll do that soon,” she gasped, bouncing faster.

“There is no rush, mom,” I said. “You are going to get fucked for a long time no matter what you do.”

“I want to make the best of all that time,” she gasped.

“I want you to enjoy yourself as much as you can,” I said.

“That’s exactly what I am doing,” she gasped.

“Show dad what a dirty whore for my big cock you are,” I said.

“Yes,” she hissed. “I am a very dirty whore for my favorite cock.”

“Let me suck my dirty whore’s tits,” I said.

“Sure, baby,” she gasped, leaning forward.

Her tits jiggled wildly. I grabbed one and sucked her nipple hard, making her ride my cock harder. I only switched my mouth to her other nipple once before she stiffened.

“I am coming,” she gasped.

She gushed on my cock and balls while she writhed happily.

While she recovered, I gently pumped her holes. I gradually picked up the pace. She raised herself a little, giving me more room to fuck her drenched pussy. I pounded her pussy vigorously through two orgasms before I slowed down. She collapsed on top of me, and we kissed gently and deeply.

She moaned into my mouth as I moved my cock into her ass. She ground into me, taking my cock deeper and deeper up her ass as I spread it for her.

“Get your hot ass fucked, mom,” I said when we broke the kiss.

“I’d love that,” she smiled, sitting up.

She rode my cock in the anal cowgirl position for a few minutes coming wildly. I rocked her ass on my cock while she recovered. She soon resumed riding my cock.

“Raise your knees, and do squats on my big cock,” I said, gently pushing her knees up.

She got into the anal Asian cowgirl position and started to work her ass up and down my cock. I held her knees to steady her. She smiled at me as she bounced her ass on my cock.

“You like this, baby?” she gasped.

“Isn’t my big cock where it belongs?” I said.

“Yes,” she hissed.

“I am very happy,” I said.

After a minute of that, I spread her ass and paced her. She rode my cock to orgasm and lowered her knees.

While she caught her breath, I fucked her ass gently. I picked up the pace and fucked her ass vigorously. She soon came. I maintained the pace until she came again.

“Turn around, and ride it again,” I instructed.

She got into the reverse Asian cowgirl position and started to bounce on my cock. I fucked her ass hard from below. She held her ass in place and let me drill it until she came. She came twice more before I slowed down.

She leaned back and braced her hands on either side of me.

“Honey, my pussy’s soaked,” she said to dad. “Can you lick it clean for me?”

He took his position and proceeded to lick her drenched pussy while I fucked her ass gently. She rode my cock faster as her orgasm approached. He soon slurped her gushing juices.

She collapsed on top of me, and I rolled us over, getting her flat on her face under me. I raised myself up and proceeded to fuck her ass gently. She pushed her ass up for me. I soon made her come, but I continued to fuck her ass.

She gradually moved into the leapfrog position and then the doggy position, coming once in each position.

“My pussy needs your come,” she moaned, gently working her ass back and forth over my cock.

“Lie back,” I instructed.

She lay back and pulled her legs over her head.

“Fuck me, baby, and fill my horny pussy with come,” she moaned.

She guided my cock to her pussy when I pinned her legs down by the ankles. I fucked her pussy hard through two orgasms. At the end of her second orgasm, I let go. She came again, and her spasms drained my balls in her pussy. I continued to thrust in her pussy until my cock softened.

“Let me suck your cock, baby,” she said.

“You got it,” I said, climbing astride her legs.

“Honey, clean me up,” she said.

She took my slimy cock in her mouth and proceeded to suck it.

Dad dove into her pussy and went to work. He made her come twice while she got my cock rock hard.

“Thanks, honey,” she said to him when I dismounted her.

“You are welcome,” he said.

“Fuck my ass, baby,” she said to me, spreading her ass, in the same position.

“I’ll fuck it silly,” I said, lubing my cock thoroughly.

She winked at me with her asshole as I took my position before her offered asshole. I popped my cock head in and pinned her legs down. I gently pushed my cock up her ass until my balls pressed into the back of her ass. I was not gentle when I proceeded to fuck her ass though.

“Fuck my ass hard, baby,” she gasped as I pounded her ass. “Make me come.”

She soon stiffened and came hard.

After a few orgasms, her leaking pussy juices reached her asshole. I started to switch my cock between her pussy and asshole after each orgasm. I also started to change paces frequently. I kept her coming regularly though.

“You definitely know how to fuck this slut,” she gasped after her tenth orgasm.

“Do you think so, dad?” I said.

“That’s obvious, son,” said dad.

“You think this is how I should treat my hot mom?” I said.

“Definitely,” he said.

“Do you think so too, mom?” I teased.

“Oh, yes,” she hissed.

“In that case, this is how I am going to treat you from now on,” I said.

“Thank you, baby,” she said.

“My pleasure, mom,” I said.

“Mine too,” she smiled.

“Let’s get you fucked from behind like a bitch in heat,” I said.

“I’d love that,” she smiled as I pulled out of her.

She got on all fours and pushed her ass out lewdly. I squeezed lube on her asshole and impaled it on my cock.

“What a wonderful ass!” I said, slowly sliding my cock in and out of her ass.

“Enjoy it, baby,” she said, milking my cock.

“I’ll enjoy it for a few minutes before I fuck it,” I said.

“Yes,” she hissed.

“You can do whatever you want with your sizzling asshole, but don’t move your hot ass,” I said.

“Okay,” she said.

She held her ass in position while I fucked it very slowly. She milked my cock exquisitely, and I enjoyed that fully. I maintained the slow pace, but I changed the length of my strokes randomly. I liked it so much I did it for several minutes.

“I’ve never been able to do this to your dad for this long,” she moaned.

“I know the reason,” I said. “You are too dirty for dad. You don’t have that excuse with me though.”

“You think I am being very dirty now?” she said.

“You are being yourself,” I said. “That’s too dirty for most guys, but, to me, you are about dirty enough.”

“You sound like a dirty boy,” she said.

“I am not a dirty boy,” I said. “I am a good boy, but I know how to handle dirty whores more than dirty boys do.”

“Is that right?” she said.

“You tell me,” I said.

“I think it’s right,” she said.

“Dad, do you think I am a dirty boy because I can handle mom’s slutty ways?” I said.

“Not at all,” said dad.

“She’s a dirty wife though, isn’t she?” I said.

“Definitely,” he said.

“This sweet boy’s going to show this dirty whore the sweetest time of her life,” I said, picking up the pace.

“Yes, baby,” she hissed.

“You still can’t move your ass,” I reminded as I reached out and pinched her nipples.

“You are bad,” she groaned.

“I am not a bad boy either,” I said. “Isn’t this what your hot ass was made for?”

“Yes,” she hissed.

“Keep it in place, and have fun,” I said.

She soon came but held her ass in position while she convulsed in orgasm.

“You are a good slut, mom,” I said, thrusting in her ass gently. “That’s how you can keep me coming for more.”

“I’ll always be a good slut for you, baby,” she gasped.

“Of course,” I said. “You’ll always be my hottest slut.”

“Yes,” she hissed.

After that, I started to switch my cock between her pussy and ass. I occasionally had her deep throat me. We kept going for nearly two hours before I was ready to come.

“Come in my mouth, baby,” she said as she deep throat my cock.

“Sure,” I said.

She deep throated my cock hungrily, and I soon came in her mouth. She sucked my cock dry before she let it go.

She got up and gave dad a deep kiss, sharing the come in her mouth with him.

“Nick, what you did was amazing,” she said to me. “I am sure your dad agrees.”

“Of course, son,” he said to me. “I am proud of you.”

“Thanks, dad,” I said. “I’ll take good care of our slut.”

“I am sure of that,” he said.

“I need to shower and then finish up dinner,” she said.

“I think I can help you with that,” I said.

“I’ve already gotten dinner almost ready,” she said. “It will only take several minutes.”

“I can’t help with that,” I said. “I’ll help with the shower.”

“Oh, sure,” she smiled.

We showered together, and she sucked my cock to full hardness.

She went down to the kitchen, and I went to my room.

Alex was hanging out with her friends. She returned just in time for dinner.

“Dinner’s served,” called mom.

“Oh, I thought I’d suck your big cock a little before dinner,” said Alex.

“Maybe you should suck it a lot after dinner,” I said.

“That’s what’s going to happen,” I said.

“I am going to sit in your lap this evening,” said mom.

“You have competition, Alex,” I said.

“We can share the market,” said Alex.

“Sure,” I said. “Mom’s a high-end slut, and you are an introductory slut.”

“Nick, I am not that bad,” said Alex. “I am a serious slut but not as good as mom yet.”

“Okay,” I said.

In the evening, mom sat in my lap, facing me, and impaled her ass deeply on my cock. Alex licked my balls while mom milked my hard cock exquisitely. They switched about half an hour later.

Alex had me fill her horny ass with come before she slept in my arms.

---

A major reason that I accepted to visit my aunt was that my girlfriend, Beth, was away with her folks. They returned on Saturday morning. We did not meet right away. She came over in the afternoon.

Alex was on her knees sucking and deep throating my cock leisurely when the doorbell rang. My pants and underwear were lying by my feet.

“Are you expecting anybody?” asked Alex.

“I don’t think so,” I said.

“Should I check?” she said.

“Sure, but don’t open the door,” I said.

“Of course not,” she smiled, getting up.

Alex ran to the door and ran back.

“It’s Beth,” she said lowly.

“Hide for a few minutes,” I said. “I’ll get the coconut oil jar.”

Alex went up to her room, and I got the coconut oil jar and lubed my hard cock thoroughly.

The doorbell rang again, and I went to the door.

Beth ran to me when I opened the door. She saw my glistening rampant cock just before she hugged me.

“Nick, what are you doing?” she said. “Were you jacking off?”

“Me jacking off?” I said. “Of course not.”

“What’s this?” she said. “You are hard, and your cock’s glistening.”

“Give me a kiss, and we’ll talk about it inside,” I said, pushing the door closed.

We shared a deep kiss, and I fondled her ass with my clean hand. I hiked her skirt and, as we broke the kiss, I yanked her panties down with both hands. She instinctively stepped out of them.

“You don’t need them,” I said, tossing her panties aside.

“What were you doing?” she said as we walked inside. “Where are your folks? You could have pulled on shorts.”

“Have a seat, Beth,” I said as I sat in the middle of the sofa.

She sat next to me, and I wrapped my hand around my hard cock and stroked it gently.

“You are still jacking off,” she said.

“You have no clue what jacking off is,” I said. “I am giving my big cock a long-due massage.”

“You are giving your big cock a massage?” she said.

“Although a big cock doesn’t really have muscles, it can use a massage like any muscle,” I said.

“You are doing that in the living room,” she said. “What if your folks came home suddenly?”

“You are not listening, Beth,” I said. “I am giving my big cock a massage. I am not jacking off. It’s okay if a news crew walked into the living room and saw me do this.”

“Did you lose your mind?” she said. “You think you can do this in front of your folks?”

“Sure,” I said.

“Have you ever done it in front of them before?” she said.

“There wasn’t an occasion for that,” I said.

“You are playing with me,” she said. “Are your folks out of town?”

“Take off your bra, and hand it to me,” I said. “Keep your top on.”

“Okay,” she said.

She unhooked her bra and pulled it out while wearing her top. She gave it to me, and I tossed it behind me.

“Would you mind massaging my big cock while we do this interrogation?” I said.

“This isn’t an interrogation,” she said. “I am just surprised.”

“Anyway, how was your vacation?” I said.

“It was nice,” she said. “I missed you though.”

“I can see that,” I teased. “You are all over me.”

“You are all over yourself,” she said.

“I like my big cock,” I said. “It’s big, hard and beautiful. Why shouldn’t I like it?”

“Are you in love with yourself now?” she said.

“No,” I said. “Haven’t you ever given anybody a massage? Do you have to be in love with them?”

Right then, Alex came into the living room.

“Hi, Beth,” greeted Alex. “When did you come back?”

Beth was speechless. She did not know what to do while I continued to stroke my cock.

Alex sat on my other side.

“You didn’t say when you came back,” I said.

“We came back this morning,” said Beth.

“Did you have a good time there?” said Alex. “Did you suntan?”

“Yes, did you suntan naked?” I asked.

“Of course not,” said Beth. “Where did you think we were?”

“You can suntan naked anywhere,” I said. “All you need is sun.”

“No, I didn’t suntan naked,” she said.

“What about your mom and sister?” I said. “They didn’t either?”

“Of course not,” I said.

“You are prudes,” I said. “I love to suntan naked especially in the shade.”

“Nick, you are massaging your own big cock?” said Alex.

“Yes,” I said.

“It’s a shame that you have to massage your gorgeous cock yourself,” she said.

“I asked Beth to massage it, but she turned me down,” I said.

“If your girlfriend isn’t willing to massage your big cock, your sister is,” she said.

Beth watched in disbelief as Alex reached out for my glistening cock, and I let it go.

“You are the best sister in the world, Alex,” I said as Alex stroked my cock slowly.

“You are both crazy,” said Beth. “This is incest.”

Alex smiled.

“Incest is having sex between relatives,” said Alex. “It isn’t giving massages.”

“You are jacking him off,” said Beth.

“This is jacking off,” said Alex as she stroked my cock harder. “This is massage.”

Alex stroked my cock slowly while milking it.

“This big beautiful cock deserves to be pampered all the time,” said Alex.

While that happened, I wrapped my left arm around Beth’s neck and slid my hand down her top. I held her left tit and squeezed it gently. I proceeded to toy with her nipple.

“Have you ever massaged it?” asked Alex.

“No,” said Beth.

“I am massaging your tit,” I said. “Go ahead, and massage my big cock.”

“Let’s do it together,” said Alex.

“Do it together,” I said.

“Nick, you are hard,” said Beth.

“You can’t massage a dead cock,” I said. “It has to be alive to feel what you are doing.”

Alex massaged my engorged cock head.

Beth looked at me, and I motioned her to my cock. She reluctantly reached for my cock.

“Take the top, and I’ll take the bottom,” said Alex. “The top includes the head, and the bottom includes the balls.”

Alex stroked the lower hand of my cock, teasing my balls, while Beth stroked the upper half of my cock.

“Do you like this?” Alex said to me.

“It’s nice, but Beth’s new to this,” I said.

“It’s instinctive,” said Alex. “A baby can do it.”

“I think a baby would want to suck the head,” I said.

“Nick, you are sick,” said Beth.

“Sucking is what babies do,” I said.

“Would you let a baby suck your cock head?” she said.

“Only if it doesn’t have teeth,” I said. “I don’t want her to bite it.”

“You are a pervert,” she said.

“Alex, do you think it’s sick to have a baby suck the head of a big hard cock?” I said.

“Nick, I think it would be too big for her mouth,” said Alex.

“She doesn’t have to take the entire head in her mouth,” I said. “She can suck the very tip. Don’t you think that’s healthier than most if not all pacifiers?”

“I guess, but there is an ethical issue about it,” she said. “It may be considered child abuse.”

“That’s sick,” I said. “A girl’s going to suck cock sooner or later. When she’s a baby, she has no notion of sex or carnality, so there is no abuse involved. This is like saying you can’t breastfeed a baby in case it wants to be vegan.”

“If someone had you babysit their baby girl, would you let her suck your cock?” said Beth.

“There is a big difference between sucking my big cock and sucking the tip of my cock head,” I said.

“Would you let her suck the tip of your cock head?” she said.

“Does she have teeth?” I said.

“No,” she said.

“That depends,” I said.

“What do you mean?” she said.

“It depends on her mom,” I said. “If her mom’s a slut, sure. I may even come in her mouth. It doesn’t hurt to give her a head start and get her used to the taste early. If her mom’s a prude, it depends on the baby’s personality.”

“Do you know that you can go to jail for doing that?” she said.

“That only tells you how dumb our law and society are,” I said. “Is cock head sucking harmful to the baby?”

“I guess not,” she said.

“Is feeding a baby girl come harmful to her?” I said.

“I don’t think so,” she said.

“What’s harmful is if someone got pleasure or felt lust about doing that,” I said. “A good guy would fantasize about the baby’s mom while letting her suck his engorged cock head or feeding her his warm sticky come.”

“I think that’s sick even if it doesn’t hurt anyone,” said Beth.

“I agree, but that’s because our society’s screwed up,” I said. “There should be a reason for anything to be sick or perverse. The reason should not be some weird association between that and something else.”

“Let’s forget about this crazy topic,” said Alex, scooting off the sofa. “I want to use my mouth in this massage.”

Alex continued to palm my balls as she stuck her tongue out and flattened it, curving it over her chin. She used her tongue like that to rub it up and down the bottom of my shaft.

“Isn’t this oral sex?” said Beth.

“Of course not,” said Alex. “You don’t lick a big juicy cock the way I am doing. This is oral cock massage.”

“Okay,” said Beth.

“Let me show you how you can massage his cock head with your tongue,” said Alex.

Beth took her hand off my cock.

“You normally tease a cock head with your tongue or tongue tip,” said Alex. “That isn’t what I am going to do.”

Alex stuck her tongue out and used the middle of it to rub my cock head. She used both the upper side and underside of her tongue on my cock head.

“You can also massage it with your throat,” said Alex.

Alex opened her mouth wide and engulfed her cock all the way in, taking its head through her throat. She did not close her lips. She worked her throat up and down my cock head for half a minute.

“This isn’t how you’d deep throat a cock, is it?” said Alex.

“I guess not,” said Beth.

“There must still be stubborn people who’d consider it oral sex,” said Alex. “Those people don’t know much about cocks or cock sucking.”

“How come you know all this?” asked Beth.

“It’s all instinctive,” said Alex. “I’ve never done any of this before.”

“Really?” said Beth.

“You think Nick gives his big cock daily massages?” said Alex. “I’d love to massage his big cock on a daily basis. He has a gorgeous cock.”

“Have you ever offered to give me a cock massage, and I said no?” I said.

“Maybe I should start doing that,” she said.

“I think you should,” I said.

“Beth, get down here, and help me with it,” she said.

“This is my craziest day ever,” said Beth as she scooted off the sofa and knelt next to Alex.

“Let’s each take a side,” said Alex, moving as far as she could to her left. “We should be opposite of each other.”

Beth took her position.

“Massage his left side, and leave his right side to me,” said Alex. “Remember this is a massage. We’ll go all the way from the base to the tip and back and repeat.”

Alex and Beth proceeded to massage the sides of my cock with their tongues. Each went up and down at her own pace independently from the other.

“Nick, why don’t you lie down so we can access all the sides of your big cock?” said Alex.

“Sure,” I said, sliding off the sofa.

“Let’s take the coffee table out of the way,” said Alex.

Alex and Beth pulled the coffee table away, and I lay in its place.

“Let’s start with the sides and rotate so each can work on the entire gorgeous cock,” said Alex.

“Okay,” said Beth.

Alex started with my left side, and Beth, my right side.

“Let’s try to move in opposite directions all the time,” said Alex. “If I rub my tongue up, you rub yours down. If I rub to my left, you rub to your left and so on.”

“Okay,” said Beth.

In the beginning, that did not work well, but they soon established a rhythm. Within a few minutes, they were working like a team.

“You are so good, you cocksuckers,” I teased.

“We are massaging your big cock, not sucking it,” protested Alex.

“I know, but you are so good at this I should call you whores,” I said.

“My brother sure knows how to compliment a girl,” Alex said to Beth.

“Tell me about it,” said Beth.

“Let’s rotate slowly,” said Alex.

Their rotation brought Beth’s ass closer to me. I reached up her skirt and proceeded to finger her wet pussy.

“What are you doing?” asked Beth.

“I am massaging you,” I said, swirling a finger within her leaky pussy.

When her juices soaked my finger, I moved it to her asshole and pushed another finger into her pussy. I gently finger fucked both her holes while she worked orally on my cock. Her pussy leaked profusely around my finger. I kept doing that until she straddled my face. I then changed hands and continued to finger fuck her on the other side.

As Beth's ass went out of reach, Alex's ass came closer. I treated it similarly.

"He's massaging my pussy and asshole," moaned Alex.

"He did the same to me," said Beth.

"This is so crazy," moaned Alex.

"Yes," said Beth.

"You can't talk when you give an oral massage," I complained.

"Sorry," said Alex.

They returned to massaging my cock with their tongues, rotations slowly.

When they finally returned to their original positions, they came up.

"We are done," said Alex.

"You did great," I said. "Thank you."

"You are welcome," they both said.

"Who wants to massage my big cock with her juicy little pussy?" I said.

"Go for it, Beth," said Alex.

"If you don't want to do it, it's okay," I teased Beth.

"Thanks, but I want to do it," she said.

"Remember that it's massage, not fucking, so it's torture for both of you," said Alex.

"Okay," said Beth.

"Ride my big cock, you hot slut," I said.

"It's massage," she said.

"I am going to stretch and massage your juicy little pussy deeply," I said.

"No fucking though," said Beth as she straddled me.

She held my cock, and I hiked her skirt, exposing her ass.

"Take it slow so it doesn't turn into fucking," said Alex.

Beth pressed my cock head into her pussy and slowly worked her pussy down until I was balls deep in.

"Milk and squeeze his big cock as you massage it," directed Alex.

"Okay," said Beth.

Beth milked my cock as she ground her pussy into me.

"Move your pussy up and down, but be slow and work your muscles," directed Alex.

Beth experimented with that, her pussy leaking constantly.

Alex offered me the coconut jar, and I lubed two fingers. I wormed my oily fingers up Beth's asshole. I reamed out Beth's asshole while she massaged my cock with her pussy.

“Do you like this?” said Beth.

“Yes, it’s nice,” I said. “You are getting better and better. Do you like my fingers up your slutty ass?”

“Yes,” she hissed.

“I missed your hot ass,” I said.

“It missed you too,” she said.

“She can massage your big cock with her tight asshole if she wants too, but that should come later,” said Alex.

“Do you want to massage my big cock with your tight little asshole?” I said to Beth.

“Yes,” she hissed.

“Did it miss my big cock too?” I said.

“Yes,” she hissed.

“Let me ream it out to get it ready,” I said.

She worked her pussy on my cock while I finger fucked and reamed out her asshole leisurely.

“Your little asshole has tightened up,” I said. “It’s almost virginally tight.”

“It was neglected for two weeks,” she moaned.

“I’ll stretch it for you while you massage my fat cock,” I said.

“Yes,” she hissed.

She got hornier and hornier as she continued to massage my cock with her leaky pussy.

“I think I am going to come,” she moaned. “Is that okay?”

“Of course, it’s okay as long as you don’t turn it to fucking,” said Alex.

“If I come, I’ll lose control,” said Beth.

“You can’t be accounted for whatever happens out of your control,” said Alex. “However, he can’t thrust in you.”

“Okay,” said Beth.

Beth tried not to make it look like fucking, but she was getting hornier and hornier. I did not take it easy on her asshole either. She approached orgasm steadily.

“I am coming,” gasped Beth finally, stiffening.

Her asshole twitched around my fingers. She writhed on top of me, gushing all over my cock. She tried not to shove her pussy into me wildly while I finger fucked her ass vigorously. She finally went limp. I rocked her gently.

“I needed that,” gasped Beth.

“Did you enjoy how she massaged your big cock especially when she came all over it?” said Alex.

“Yes,” I said.

“You can dismount him,” Alex said to Beth.

Beth dismounted me, and I took my fingers out of her ass.

Alex straddled me, and I hiked her skirt.

“Let me show you how it should be done,” Alex said to Beth, inserting my dripping cock into her wet pussy.

“Okay,” said Beth.

“You take it slow, but you massage it on every step of the way,” said Alex, working her pussy up and down slowly.

Alex took my cock into her pussy little by little. She paused when it was all the way in. She milked it hard.

“Do you like this?” said Alex.

“Yes,” I said. “You have an incredible pussy.”

“Every girl has one,” she smiled.

“Every girl has a pussy but not an incredible one,” I said as I held her ass and slowly wormed my slick fingers into her tight asshole. “Yours is amazing.”

“Your big cock likes the massage my little pussy’s giving it?” she said.

“It loves it,” I said, reaming out her asshole.

“It’s about to get better,” she said.

“Bring it on,” I smiled.

She started to work her pussy up and down my cock in long slow strokes while milking it skillfully.

“How do you like this?” she said.

“All I can say is that you have an amazing pussy,” I said.

“My pussy can’t do anything,” she said. “I am using it to do what I want.”

“You are an amazing girl,” I said.

“He has a wonderful cock too, doesn’t he?” Alex said to Beth.

“Yes,” said Beth.

“It’s so big and filling,” said Alex. “This is mutual massage. He stretches my little pussy to the limit.”

“This is how your little pussy was meant to be stretched, Alex,” I said. “You were made for big cocks.”

“Yes,” she hissed.

“Massage my big cock with your fantastic muscles,” I said.

She pulled almost all the way up and used tiny strokes to massage my cock head.

“Do you like this?” she smiled.

“I love it,” I said. “You are a whore.”

“Is that how you compliment your little sister?” she said.

“Most whores can’t do this,” I said. “If that isn’t a compliment, I don’t know what is.”

“In that case, thank you,” she smiled.

“You are welcome, my little whore,” I smiled.

“I enjoy doing this,” she said.

“Beth, you have to learn this,” I said to Beth. “I don’t know how she does it.”

“It’s instinctive,” said Alex. “I am a girl. I was made for big cocks. I can handle them. This is what I am doing.”

“You don’t feel the urge to come?” asked Beth.

“You shouldn’t succumb to that,” said Alex. “I feel the urge, but I can resist it.”

“I resisted it all I could,” said Beth.

“Have you ever taken a big cock all the way into your horny little pussy when it was soaked with another girl’s pussy juices?” said Alex.

“No,” said Beth.

“It’s crazy, but I have to resist,” said Alex.

Alex was an expert at what she was doing. She made random and slow strokes, but she knew how to make each stroke count and get her closer to orgasm. I felt her pussy twitch involuntarily despite how well she hid it from Beth. She rode my cock like that, bathing it in her constantly leaking juices all the time, for about fifteen minutes.

“Beth, I give up,” gasped Alex finally. “I can’t resist anymore. A huge tsunami’s going to take me.”

“You did a lot better than I did,” said Beth.

“You may change your mind when you see how big this orgasm’s going to be,” gasped Alex.

“I am sure I’ll be impressed,” said Beth.

“I am coming,” gasped Alex.

Alex spread her knees wide, and her twitching pussy jerked back and forth in tiny strokes around my cock as she drenched it in her gushing juices. She gasped and convulsed in a quiet but long and hard orgasm that left her breathless.

“That was impressive,” said Beth.

“Yes, Alex,” I said. “Your orgasmic spasms massaged my big cock wonderfully.”

“I am glad you enjoyed it,” gasped Alex.

Alex dismounted my dripping cock and kissed it gently on its glistening tip.

“You are a sweet girl,” I said. “You love my cock head like a baby girl would.”

“Is this how you want her to suck it?” she smiled at me.

She took half of my cock head between her lips and sucked it gently while teasing its tip with her tongue tip.

“Yes, that’s perfect,” I said.

“You need a baby whore, not a baby girl, to suck your big cock,” she smiled.

“That’s right,” laughed Beth.

“How can I tell if the baby’s a baby whore or not?” I said.

“That’s easy,” said Alex. “There are no baby whores.”

“That’s too bad,” I said.

“Beth, do you want to do it with your ass?” Alex asked Beth.

“Sure,” said Beth.

“Lube your tight asshole a little,” said Alex, offering Beth the jar of coconut oil.

Beth took some on her fingers and reached back for her asshole.

Beth straddled me, and I spread her ass for her. She guided my cock head to her asshole and popped it in, gasping.

“I missed this,” hissed Beth as she pushed her ass down onto my cock.

“My big cock missed your cock-craving ass too, but this is massage,” I said. “I don’t want to show Alex that you are a dirty ass whore.”

“Okay,” she hissed.

Beth worked her asshole up and down my cock, milking it to her best ability. She took my cock deeper and deeper up her tight ass while she squeezed it and massaged it with her asshole.

“Your hot asshole definitely needs a serious reaming,” I said.

“Yes,” she hissed.

“We shouldn’t do that in front of Alex though,” I said. “I don’t want her to think that I pick whore girlfriends.”

She moaned.

“Is she doing a good job on your fat cock?” said Alex. “Can her little asshole handle your big cock? If she isn’t, I won’t think she’s a whore. I’d think she’s a virgin.”

“She’s doing a good job, but she’s still learning,” I said. “I am sure there is still big room for improvement.”

“Big room in her tight ass?” she said. “I doubt that.”

“Do a good job, Beth,” I said. “If you don’t, she’ll be massaging my big cock with her little asshole all the time, and you’ll never be able to catch up with her.”

“I’ll do my best,” said Beth.

“You need to learn how to pamper your boyfriend’s gorgeous cock,” Alex said to Beth. “If you don’t, his sister will spoil his big cock rotten.”

“I am doing my best,” said Beth. “Don’t you have a boyfriend of your own to spoil rotten?”

“With a cock this big and beautiful?” said Alex. “No, and no way. You think gorgeous cocks grow on trees?”

“I know they don’t,” said Beth.

“You need to appreciate the one you have,” said Alex.

“I am doing that,” said Beth.

“You need to do better,” said Alex.

“I am trying,” said Beth.

“Beth, I love your hot ass for a reason,” I said. “Give me more.”

“Okay,” she said.

“Why do you love her ass?” asked Alex.

“It’s sexy, hot, beautiful, horny, sizzling, perfect for my big cock,” I said.

“That’s a huge compliment,” Alex said to Beth. “You need to deserve it, or your boyfriend will find himself addicted to my anal massages.”

“You are a slut,” said Beth.

“Am I a slut, Nick, because I want your big cock to be the happiest cock in the world?” said Alex.

“No way, Alex,” I said. “You are a whore.”

“Nick!” whined Alex as I smiled.

“That’s a compliment, silly,” I said.

“Thanks,” she said.

“I know that I should last longer, but I can’t,” said Beth. “I am going to come very soon.”

“Are you going to let Alex beat you?” I said.

“I can’t help it,” she said. “She’s using the fact that you are her brother to last longer.”

“Which fact is she using to come her ass off on my big cock?” I said.

“I don’t know,” she said.

“I am using the same fact, silly,” teased Alex.

“Try to last, Beth,” I said. “Imagine that I am your dad if you have to.”

“You are sick,” said Beth.

“Suite yourself,” I said.

“She can’t imagine you are her dad because his cock isn’t this big and hard,” teased Alex.

“Alex!” glared Beth.

“I am helping you last,” teased Alex.

“I don’t want to last,” said Beth.

“I am glad you’ve finally told the truth,” teased Alex.

“I mean that I don’t want to last like that,” said Beth.

“Last any way you want as long as you can do it,” said Alex.

“It’s okay if you can’t last on your boyfriend’s big cock,” I said to Beth.

“How come your boyfriend can last?” asked Alex.

“I don’t know,” said Beth.

“Girls are supposed to last longer than boys,” said Alex.

“Your brother’s different,” said Beth.

“My brother’s girlfriend has to be different too,” said Alex.

“I am trying,” said Beth.

Beth tried for about a minute and then gave up as her asshole twitched.

“I can’t resist anymore,” gasped Beth.

“You better come as hard as you can then,” said Alex. “Massage his big cock madly while you come.”

Beth was already convulsing in orgasm. She tried not to go wild, but she had a decent orgasm.

“That was so good,” gasped Beth. “I hoped you enjoyed it.”

“I enjoyed it,” I said. “You were not that bad.”

She slapped me playfully.

She caught her breath and dismounted me.

Alex lubed her asshole with coconut oil and straddled me.

“Are you ready for a serious massage?” she said, stroking my cock as I hiked her skirt.

“I am sure you can tell,” I said.

“You definitely are,” she said, pressing my cock head into her asshole.

My cock head popped up Alex's asshole, making her gasp.

"Your big cock's going to massage my tight asshole no less than my asshole's going to massage it," she said.

"You have a tight asshole, Alex," I said. "It has to be reamed out open. There is nothing much I can do about that."

"Let's do this," she said, thrusting her ass gently down my cock.

"I can only spread your hot ass for my big cock," I said as I held her cheeks and spread her ass.

"Yes," she hissed.

Alex milked my cock expertly as she worked her asshole up and down its hard shaft on her way down to the base. When she was close to the base, she rose her knees into the anal Asian cowgirl position and shoved her ass down. I let go of her ass.

"It's balls deep in," moaned Alex, squeezing my cock.

"Beth, can you check if it's really balls deep in?" I said.

Beth looked behind Alex's ass and pulled my balls down.

"Yes, it's balls deep in," said Beth. "Nothing's left outside."

"Is it filling your hot ass?" I said to Alex.

"It's filling my tight ass to the brim," she moaned. "It's stretching my internal muscles to the limit."

"Your ass is sizzling hot," I said. "My big cock's leaking deep inside it."

"I think your big cock's leaking in my bowels," she moaned.

"I like this feeling," I said. "Do you like it?"

"I love it," she said. "I love to have my ass stuffed this tightly."

"Get to work," I said.

She thrust her ass into the base of my cock repeatedly as if she was trying to take my cock even deeper up her ass.

"Do you like having me massage your entire big cock with my tight ass?" she moaned.

"Yes," I said. "My big cock loves it."

She continued her fast tiny strokes as her asshole slowly traveled almost all the way up my cock until it was only massaging my cock head.

"Do you like this?" she said.

"Yes," I said.

She continued her vibrational massage of my cock going all the way up and down my cock.

"You have an amazing asshole, Alex," I said. "I bet you put most anal whores to shame."

"Thank you," she smiled. "My little asshole appreciates how wide your fat cock stretches it."

"That's the least I can do for it," I said.

"My ass is very happy to serve you," she said.

"Beth, have her teach you this," I said. "This is the most incredible massage my big cock has ever experienced."

"What's she doing?" asked Beth.

"She's milking and massaging my cock like you can't believe," I said. "It's out of this world."

“I am glad you like it, Nick,” smiled Alex. “I’d love to do it to your gorgeous cock whenever you want it. It feels great to my asshole too. I love to have my little asshole stretched wide and massaged nicely and deeply.”

“I’d love to massage your sweet asshole in every possible way,” I said. “It deserves the best.”

“Thank you,” she said.

Alex continued her high-power massage for a few more minutes. She then started to tire.

“I’d love to do this all day, but it isn’t easy to keep it up for a long time,” said Alex. “I am getting tired.”

“Lower your knees to the floor, and do whatever you can in that position,” I said.

“Are you sure that’s okay?” she said. “You won’t be getting the best my ass can offer.”

“I actually will,” I said. “I want to experience the best your hot ass can offer in different positions.”

“Okay,” she said, lowering her knees into the cowgirl position.

“Show me what your fine ass can do now,” I said as I reached out and held her ass, spreading it.

“I’ll do more of the same, but I won’t be able to go all the way down to your balls or be as fast,” she said.

“That’s okay,” I said. “Slow massage isn’t bad either.”

Alex moved her asshole up and down my cock like before, massaging and milking constantly. Her asshole occasionally twitched around my cock.

“Your little asshole must have been made for cock massages,” I said.

“Ass fucking too,” she said.

“Yes,” I said. “You have a fantastic ass.”

“You have a gorgeous cock,” she said. “If I had my way, I’d be all over it all the time.”

“You are greedy,” I teased.

“I just love your beautiful cock,” she said.

“If you keep treating it this way, it will want to be all over you all the time too,” I said.

“Ahem!” said Beth.

“You obviously need to share it with Beth,” I said. “She needs to practice after all.”

“You are greedy,” said Beth. “You want a girl or another to pamper and spoil your big cock all the time.”

“My big cock likes to be the center of attention,” I said. “What can I do?”

“You have a spoiled cock,” she said.

“Don’t say that, Beth,” said Alex. “I love spoiling his beautiful cock.”

“It got spoiled because we spoiled it,” said Beth.

“We love spoiling it though, don’t you?” said Alex.

“Of course, I do, but that’s part of the problem,” said Beth.

“I love this problem,” I said. “I don’t want it solved.”

“It won’t be solved,” said Alex. “I’ll always spoil your big cock. It will always be my pet.”

“What about you?” I said to Beth.

“Me too,” said Beth. “It wouldn’t work if one of us kept spoiling it. You are in luck.”

“Of course, I am in luck,” I said. “I have two gorgeous girls spoiling my big cock like nobody else ever had.”

“Nick, your wicked cock’s going to make me come,” said Alex.

“If it gives you a reward for being so nice to it, enjoy it,” I said.

“Of course, I will,” she said. “I am going to resist the urge as long as I can though.”

“Try your luck,” I said.

“You don’t feel the urge to come too?” Beth asked me.

“Come by a massage?” I said.

“It’s making me and Alex come,” she said. “Why not you?”

“Beth, I have a big powerful cock, not a tiny powerless cock,” I said. “You have delicate pussies and assholes.”

“We’ve been doing it for over an hour,” she said.

“Yes, using your delicate orifices,” I said. “Your flimsy holes are no match for my big cock.”

“Other guys wouldn’t have lasted for a few minutes,” she said.

“Under a massage?” I said.

“Even under a massage,” she said.

“They must have pathetic cocks,” I said. “Your tight little orifices are nearly powerless.”

“We did it with our hands, mouths, pussies and asses,” she said.

“I can tell you that you haven’t done it with your lovely tits,” I said.

“Would that make a difference?” she said.

“Maybe not, but you have to try it before you concede defeat,” I said.

“We’ll do it with our tits after Alex is done,” she said. “Is that okay, Alex?”

“Sure,” said Alex. “I’d love to pamper his gorgeous cock with my tits.”

“You have nice tits, Alex,” I said as I reached out and squeezed Alex’s tits gently.

She cooperated as I pulled her top over her head and tossed it aside.

“Let me massage them a little,” I said as I cupped her tits.

“I’d like that,” she moaned.

“I have to get them ready to massage my big cock,” I said. “I need to lube them too.”

Beth offered me the jar of coconut oil, and I applied some oil to Alex’s tits. I proceeded to massage and knead the tits gently while teasing and pinching the stiff nipples.

“They need to be able to slide up and down my big cock,” I said.

“Yes,” hissed Alex.

“Bring your luscious tits down so I can suck your sweet nipples a little,” I said.

Alex lowered her tits to my face. I continued to fondle them while sucking her nipples gently. I pinched the nipple I was not sucking. She moaned and moved her ass up and down my cock faster.

“You are going to make me lose control,” gasped Alex.

“I guess that’s enough,” I said, letting go of her tits. “Let’s not interfere with the anal massage. Beth, take out your fine tits, and let me massage them and suck them a little. You are first anyway.”

Beth took off her top, and I applied oil to her tits and proceeded to knead them and fondle them, making her moan.

“Bring them here where I can suck them,” I said.

She leaned over me, and I sucked her nipples for a minute.

Meanwhile, Alex was very close to orgasm.

“I am going to come,” gasped Alex, stiffening.

“That’s okay,” I said as I reached out and pinched her nipples. “Come hard on the big cock you love most.”

Alex came, convulsing wildly, while I squeezed her tits and twisted her nipples. She writhed while keeping her twitching ass impaled deeply on my cock.

“Your little asshole did a wonderful job while you came like a dirty little whore,” I said when her orgasm subsided.

“You liked that?” she gasped.

“Oh, yes,” I said, still fondling her tits.

She milked my cock deliberately for a minute. I then helped her off me.

“Beth, can you clean my big cock of her anal flavors with your mouth?” I said.

“Sure,” said Beth.

Beth got on her hands and knees and proceeded to deep throat my cock. I fingered her pussy and asshole with two fingers each meanwhile.

“Let’s put your lovely tits to good use,” I said, getting up. “Beth, you are first.”

Beth knelt before me and squeezed her tits around my cock. She proceeded to rub her tits up and down my cock.

“Let me massage them too,” I said, thrusting in her cleavage. “Your tits are perfect for this.”

“You like this?” she said.

“I love it,” I said.

“I love it too,” she moaned. “I love feeling your big cock slide up and down between my tits.”

“Good massages are very enjoyable, aren’t they?” I said.

“Yes,” she said.

“I am so lucky my girlfriend has such fine tits,” I said.

“Your sister has nice tits too,” she said.

“She does,” I said. “I think she’s taking after mom. Mom has incredible tits.”

“You check out your mom?” she said.

“I used her fine tits when I was a baby,” I said. “I had to know how good they were.”

“You still remember them from when you were a baby?” she said.

“I remember them from this morning,” I said. “I’ve seen them daily ever since I was born.”

“You don’t see them naked though,” she said.

“I’ve never seen your mom’s tits naked, and I know that they are fantastic,” I said.

“You must have been checking her out,” she said.

“You think so?” I said. “You think I couldn’t have unintentionally glimpsed them occasionally?”

“You could have, I guess,” she said.

“My favorite’s when she’s in her neon orange swimsuit,” I said.

“You’ve seen her in that?” she said.

“The one with the puckered thong backside?” I said. “I saw it.”

“When?” she said.

“A few times,” I said.

“A few times?” she said. “I think it’s outrageous for her to where it with the family.”

“That’s only because you are silly,” I said. “When a woman has your mom’s tits and ass, she should walk naked, and everybody should just admire and drool.”

“Was that what you did?” she said. “You drooled when you saw her in that skimpy swimsuit?”

“Of course not,” I said. “I just got hard.”

“You are not serious,” she said.

“What can I do?” I said. “My big cock liked what I saw.”

“You lust for my mom?” she said.

“That was admiration for a hot woman,” I said. “Lust’s when one wants to fuck her. I guess I do.”

“You do what?” she said. “You want to fuck her?”

“Sure,” I said. “She’s a hot woman, and my big cock likes her a lot. It’s dumb not to want her.”

“You are sick,” she said.

“Beth, let’s not go there,” said Alex. “We’ve had more than enough with the baby girls sucking his cock head.”

“You are right,” said Beth. “He’s hopeless.”

“The moral of the story is that our moms have fantastic tits that my big cock likes,” I said.

“Your big cock liked your mom’s tits?” she said. “Sorry. Wrong turn.”

“Anyway, if you can give me one reason why my big cock should hate our moms’ tits, I’ll think about it,” I said.

“I think you’ve had enough tit massaging,” she said, pulling back.

“It’s my turn,” said Alex.

Alex squeezed my cock with her tits, and I proceeded to fuck her tits. We did that for ten minutes. When she was done, I rubbed her nipples and then her tits all over with my cock head.

“I found out that there are three more ways you can massage my big cock,” I said.

“Three more ways?” said Beth. “What? You want us to massage it with our ears?”

“You are close to one of the three ways,” I said. “I’ll call it the double facial massage.”

“What’s that?” she said.

“Hold your faces together like you’d hold your tits,” I said. “I’ll slide my big cock between your faces.”

“I’ve never heard of this before,” she said as I reached for the coconut oil.

“One has to be creative,” I said. “We can’t depend on other people to make every new thing for us.”

In preparation, I rubbed oil on Beth’s left cheek and Alex’s right cheek.

“Press your ears together, and let me put your faces to good use,” I said.

They pressed their ears, and I laid my hard cock between their faces nearly upright. I held their heads and proceeded to fuck their faces in that fashion. I did that for a few minutes.

“What are your other two crazy ways?” asked Beth.

“They are pretty lame but fun,” I said. “I guess the first isn’t that lame. It’s the double pussy massage.”

“What’s that?” asked Alex.

“You need to press your pussies together,” I said. “My big cock will lie between them along the lips.”

“How do we do that?” asked Beth.

“Lie back, and pull your legs over your head, and she can kneel astride you and press her pussy into yours,” I said. “Let’s do it on the sofa so it’s more comfortable for all of us. Get rid of your skirts first.”

They got naked and got into position, and I helped them make the angle and everything right.

“I am going to get my big cock massaged with your juicy pussies until you both come,” I said, pushing my hard cock between their sticky pussies.

“Okay,” said Beth.

“Does everything feel okay?” I said, thrusting gently.

“Yes,” they both said.

“Your hot little pussies will bathe and massage my cock,” I said.

“Okay,” said Alex.

“Does it feel good?” I said, thrusting with long smooth strokes.

“Yes,” they hissed.

Their pussies leaked on my cock, and I changed paces frequently, torturing them. I fondled their tits and teased their nipples. After about ten minutes, I established a fast pace and maintained it until they both came.

“I am coming,” gasped Beth, stiffening.

“Me too,” gasped Alex.

They writhed wildly, gushing on my cock from both sides, and I kept thrusting hard until their orgasms subsided.

“It was fun, wasn’t it?” I said, thrusting gently.

“Yes,” they both hissed.

“Get on your knees side by side both of you,” I said, pulling back.

Alex knelt on my right, and Beth rolled over in the middle of the sofa.

“You are going to use your ass cheeks to massage my cock like you did with your tits,” I said as I applied oil to their ass cracks. “My big cock will slide along your ass cracks. Your assholes and cheeks will massage it.”

Beth was first. I laid my cock along her ass crack and proceeded to hump her ass.

“You are very sexy girls,” I said. “Every part of your hot bodies should be put to good use. I am doing just that.”

While I fucked Beth's cheeks, I fondled her tits and pulled on her nipples. She humped back. In the end, I rubbed her pussy to orgasm. I had her suck my dripping fingers clean and pulled back.

Alex received the same treatment and came similarly. I had her suck her juices off my sticky fingers too.

"You probably know that your sweet assholes were my favorites," I said as I used two fingers to lube each asshole.

"Yes," they hissed.

"I am going to use them in this position," I said, pressing my cock head into Beth's asshole.

"Yes," hissed Beth.

"Are you ready, Beth?" I said as I spread her ass and thrust gently in it.

"Yes," she hissed.

"You don't have full control of the massage, but you have full control of what your hot asshole does," I said.

"Yes," she hissed.

"You need to use it well," I said. "I won't make it very easy for you. I may change paces abruptly."

"Okay," she moaned.

"Hold your hot ass in position, and let's get to work," I said.

"Yes," she hissed.

Beth milked and massaged my cock as I fucked her ass deeply, but she lasted less than she did earlier. I pounded her twitching ass vigorously until her orgasm subsided.

"That was incredible," gasped Beth as I fucked her ass gently.

"I guess I know how to massage and ream out your tight little asshole," I said.

"Yes," she hissed.

Alex received a similar ass fucking and came even harder than Beth.

"Let's do this for a while since we all like it," I said.

"Yes," they both said.

"I love your cute assholes," I said, returning my cock to Beth's ass.

"You sure know how to make them feel good," she moaned.

Beth and Alex took turns coming on my cock.

---

Mom came home while I fucked Alex's offered ass.

"Hi, kids," greeted mom, startling us all because we were consumed with what we were doing.

"Hi, mom," I said, still thrusting in Alex's ass.

Beth stood up and tried to cover up with her hands.

"What are you doing?" said mom.

"I am reaming out their tight little assholes," I said. "They need deep massaging."

"Oh, Beth's here," smiled mom. "Welcome back, Beth."

“Hi, Mrs. Callaby,” said Beth lowly, blushing deeply.

“Did you have a good trip?” said mom.

“Yes,” hissed Beth.

“Is Nick giving you a good homecoming?” said mom.

“Yes,” hissed Beth.

“Nick, are you really being nice to them?” said mom.

“You can see me at work,” I said. “What do you think?”

“That seems nice,” she said. “Can I join you?”

“I think that’s unfair,” I said.

“Why not?” she said.

“They’ve massaged my big cock with their hands, mouths, tits, pussies, asses, and everything,” I said. “I only didn’t let them massage it with their feet because I wasn’t a foot man.”

“You are an ass man,” she said. “Let me massage your big cock with my asshole.”

“You’ll have to make it up to me later,” I said.

“Sure,” she said.

“Take your clothes off, and get into position,” I said.

Beth watched that conversation in disbelief.

“Get back into position, Beth,” I said as mom took her dress off. “You didn’t have to get up to talk to mom.”

Beth got back into position, and mom got naked and knelt on her other side.

After Alex came, I moved to Beth’s ass.

“You’ll have to wait for your turn,” I said to mom.

“Sure,” she said.

While I fucked Beth’s ass, I lubed and reamed out mom’s asshole. She was ready when it was her turn.

After Beth came, I pushed my cock up mom’s hot ass.

“Your tight asshole needs to be reamed out too,” I said, thrusting in mom’s ass.

“It sure does,” moaned mom. “Stretch it open.”

“I’ll keep after your little assholes until they gape wide,” I said.

“Yes,” she hissed.

“Don’t forget to use your hot asshole to massage my big cock though,” I said.

“Of course not,” she said.

Mom milked my cock for a few minutes, and then she enjoyed the ride.

“My ass is going to explode all around your big cock,” gasped mom when her orgasm approached.

“I know your delicate assholes can’t last if your lives depend on them,” I said.

“Nick, you have an impressive cock,” gasped mom. “Women’s pussies and asses can’t resist it for long.”

“I know, mom,” I said.

“I am coming,” she gasped.

Mom came even harder than Alex. She convulsed wildly until her orgasm subsided.

“You are amazing, baby,” gasped mom as I thrust gently in her ass.

“You have an amazing ass yourself,” I said, pulling out.

It was Beth’s turn again after I pulled out of mom’s ass.

For the following half an hour, I fucked their asses like that. Beth got hers fucked after each of mom and Alex. Their asshole gaped whenever I spread their asses.

“I’ve been hard for a long time,” I said as I fucked mom’s ass. “I think I should come.”

“Come in my ass, baby,” gasped mom. “Don’t come too deep though. I want to enjoy the feel of your hot come.”

“Okay, mom,” I said.

When mom came, I let go.

“I am coming in your hot ass, mom,” I said, drilling her twitching ass with half of my cock.

“Flood it with hot creamy come, baby,” she gasped.

Her orgasmic spasms drained my balls in her ass. I finally pulled out.

“Thanks, mom,” I said, lowering my mouth to her ass.

“You are welcome, darling,” she gasped as I kissed her asshole.

Before I stood up, I kissed both Beth’s and Alex’s assholes.

Mom knelt down and sucked my cock dry and clean. She gave it a kiss in the end.

“I am going to relax with Beth a bit,” I said as I took the jar of coconut oil and led Beth toward the stairs.

---

Beth and I were in my room. She was still naked, but she had her clothes and purse.

“How did your mom let you do that?” asked Beth.

“How did she let me do what?” I said.

“You did her ass and came inside it,” she said.

“Did you see her tits?” I said. “Aren’t they great?”

She shook her head.

“Forget it,” she said.

“After that long massage session, are you ready for sucking and fucking?” I said.

“You really don’t call that fucking?” she said.

“You didn’t notice that it was different from fucking?” I said. “Have we ever done anything like it?”

“Not really, but it was still sex, right?” she said. “We came. You also came in the end.”

“It’s tiring for my big cock to be constantly hard for hours,” I said. “It had to relax. It needed to come.”

“I don’t mind as long as your family’s okay with it,” she said.

“Would your family go crazy if they caught you massaging my big cock like that?” I said.

“They’d kick both our asses to Alaska,” she said.

“I think I need to talk to them,” I said. “It’s okay for a girl to massage her boyfriend’s big fat cock.”

“Let me know when you do so I can be away and not get my own ass kicked with yours,” she said.

“Maybe I should talk to your mom while she’s wearing her outrageous swimsuit,” I said. “I may be able to persuade her to take it off and do some skinny dipping.”

“Yeah, right,” she said.

“Did you see her ass in that thong?” I said. “It begs to be massaged and even fucked.”

“You stared at mom’s ass?” she said.

“No,” I said. “I am just guessing.”

“Yeah, right,” she said.

“I wish I could do to her and you like I did to Alex and you,” I said.

“That’s a perverse dream,” she said.

“There is nothing perverse about having your hot mom massage my big cock with every hole she has,” I said.

“There is no way you can convince her that’s massage,” she said.

“Anyway, talking about your hot mom made my big cock hard,” I said. “Why don’t you put yourself to good use?”

“That was why I came here in the first place,” she said.

“Let’s sixty-nine and see what happens,” I said.

We got into position, and she deep throat my cock while I licked her sticky pussy and asshole. She started to moan around my cock and suck it more actively. I dabbed coconut oil on her asshole and proceeded to ream it out leisurely with two fingers while tongue fucking her leaky pussy.

“I missed this,” she moaned.

“You should know by now that what we did downstairs was massage,” I said.

“Yes,” she hissed.

“It’s something that your hot mom shouldn’t mind doing,” I said.

“I doubt that,” she said.

She returned to sucking my cock, and I returned to eating her pussy while reaming out her asshole. She soon came. I licked her pussy clean and took my fingers out of her ass. Her asshole was relaxed, so I easily probed it with my tongue while eating it eagerly. She continued to deep throat my cock hungrily until she came again.

While she recovered, I gently licked her pussy clean and lubed her asshole.

“Ride my big cock, baby,” I said.

She spun around into the cowgirl position and inserted my cock into her pussy. I finger fucked her ass while she rode my cock to orgasm. I then replaced my fingers with my dripping cock. She bounced her ass on my cock wildly until she came several times.

Meanwhile, dad came home, and mom had him clean her up.

“Let me fuck your slutty ass from behind,” I said, thrusting gently in Beth’s ass, when she collapsed on top of me.

Beth dismounted me and got on all fours. I knelt behind her and proceeded to fuck her ass.

“Your cock-craving ass missed my big cock?” I teased as I spread her ass and fucked it at an easy pace.

“Oh, yes,” she hissed.

“From now on, I am going to keep it loose for you,” I said.

“It seems that way,” she said. “How did you learn how to last that long?”

“Special massages helped,” I said.

“You were busy massaging your big cock while I was away?” she said.

“You didn’t massage your pussy and asshole while you were on vacation?” I said.

“No,” she said. “I just masturbated a few times.”

“I’ll take care of you from now on,” I assured, grabbing her hips.

“Yes,” she hissed as I picked up the pace.

She came a few times before we heard knocking on the door.

“Dinner,” called Alex.

“We’ll be down in a minute,” I said, picking up the pace.

Beth came, and I pulled out.

“I left my underwear downstairs,” she said as I pulled on shorts.

“Underwear isn’t needed for dinner,” I said.

“You are silly,” she said.

She put on her top and skirt, and we headed downstairs.

---

Dad was there.

“Hi, Mr. Callaby,” greeted Beth.

“Hi, Beth,” said dad. “How are you? Did you have fun away from Nick?”

“Not as much fun as when she isn’t away from me,” I said.

“I had fun,” she said.

We had dinner together.

While we had dinner, I took my hard cock out and guided Beth’s hand to it. She was startled when her hand touched it. She pulled her away. I shrugged and proceeded to stroke my cock.

“Nick, you can’t leave your big cock alone while you have dinner?” said Alex.

“It was interrupted by dinner,” I said. “It isn’t its fault.”

“Of course not,” she said. “Beth wouldn’t play with it?”

“She’s a prude,” I said. “For some reason, she thinks massaging her boyfriend’s big cock at dinner is a no-no.”

“I’ll take care of it after dinner,” she said.

“She has to too,” I said. “Meanwhile, I have to take care of it myself.”

“I’ll take care of it for you while you have dinner, darling,” said mom. “I’ll finish my dinner later.”

“Mom, it’s okay,” I said as she pushed her chair back. “I can take care of it.”

She went under the table and knelt before me. She pushed my hand away and proceeded to suck my cock.

Dad acted nonchalantly while Beth was shocked.

“Mom, you are the best,” I said.

Mom moaned around my cock.

“This is my best dinner ever,” I said. “I only hate that mom had to leave her dinner.”

“My dinner isn’t going to run away,” said mom. “This is a lot more fun than dinner too.”

“Mom’s a smart girl,” said Alex. “That idea didn’t cross my mind.”

We returned to dinner, and mom sucked my cock expertly and leisurely.

“Mom, you have the best mouth in the world,” I said when I was done with my food.

“Did you enjoy your dinner, darling?” said mom as she came up from under the table.

“It was my best dinner ever,” I said.

“Your dad will make it up to me,” she said. “He’ll lick me while I finish my dinner.”

“Why doesn’t he do that?” said dad.

“Because he has his girlfriend with him,” said mom.

“Okay,” he said.

Dad went under the table as the rest of us put our plates away and left to the living room.

---

“I can’t believe that,” said Beth.

“It’s cool, isn’t it?” I said, taking my shorts off.

“I guess,” she said as I sat back in the middle of the sofa.

“Suck my big cock, Beth,” I said.

Beth and Alex knelt down before me and proceeded to suck my cock and deep throat it together. I sat back and enjoyed myself while flipping television channels and mostly watching them work on my hard cock.

We soon heard mom come.

“Mom has apparently finished dinner, and dad has finished his dessert,” I said.

---

Mom and dad came to the living room. Dad sat down, and mom came to us.

“Is there room for me?” mom asked me. “I owe you.”

“I think there is room for you,” I said, spreading my legs wider.

Mom knelt next to Beth, and the three of them worked out a routine to suck my cock together. That lasted a little over fifteen minutes.

“Nick, do you want this all night, or do you want us to take turns sitting in your lap?” asked mom.

“I’d like you to sit in my lap,” I said.

“Let me get the lube,” she said, getting up.

Mom returned with the lube a minute later.

“Beth, you’ll be the first,” said mom as she squeezed lube on her fingers.

Beth and Alex pulled back, and mom proceeded to lube my cock thoroughly.

“Impale your tight ass on it,” mom said to Beth when she was done.

As Beth got into position and lowered her ass on my cock, I spread her ass and mom held my cock for her.

“Remember that you need to work out your muscles,” said Alex when Beth’s ass was skewered all the way.

“Okay,” said Beth.

As Beth milked my cock with her ass, I reached up her top and fondled her bare tits.

“Let me feel your muscles work,” said Alex.

Alex stuck her tongue out and pushed it into Beth’s leaky pussy, startling her and making her stiffen. Beth’s asshole twitched and tensed around my cock.

“What are you doing?” asked Beth lowly.

“Relax, and let her do her thing,” I said softly.

Mom sat next to me.

Alex proceeded to tongue fuck Beth’s pussy leisurely.

“Milk her tongue too,” I whispered.

“This is so crazy,” whispered Beth.

“It’s still massage,” I said. “Enjoy it.”

Alex occasionally sucked Beth’s stiff clit, making her pussy and asshole twitch.

“She’s going to make you come in her mouth and on her brother’s big cock,” I whispered.

Beth trembled.

“Don’t stop milking,” I whispered, thrusting gently in her ass.

“I can’t believe I am doing this in front of your entire family,” she whispered.

“You are a bigger whore than you’ve ever given yourself credit for,” I whispered.

She gasped and stiffened.

“I am coming,” she gasped.

“Come hard in her mouth,” I whispered. “Show her how much you appreciate what she did for you.”

Beth convulsed on my cock, shoving her ass and pussy into my cock and Alex’s mouth, respectively. She gushed into Alex’s mouth, and Alex slurped it all and sucked for more. When Beth’s orgasm subsided, she went limp and Alex gently licked her drenched pussy clean. Alex finally pulled back.

“Did you like that?” asked Alex.

“Yes,” hissed Beth.

“You came hard, didn’t you?” smiled Alex.

“Yes,” hissed Beth.

“She’s a dirty whore, but she didn’t know it,” I whispered, making Beth tremble.

“I knew it,” smiled Alex. “That was why I started teaching her how to keep you happy.”

“She now knows that she’s a big whore,” I whispered. “Don’t you, Beth?”

“Yes,” hissed Beth, trembling.

“Are you going to return the favor and tongue fuck Alex’s little pussy while she sits in my lap?” I whispered.

“Yes,” she hissed.

“Get up, and do it,” I said.

Beth got off my cock, and mom lubed it again. Alex sat on it, and Beth ate Alex’s pussy while Alex massaged my cock with her skilled asshole. Ten minutes later, Alex came in Beth’s mouth.

“Stay where you are, Beth,” I said as Alex got up.

Mom lubed my cock and sat on it. Beth did not hesitate to eat mom’s pussy until she gushed in her mouth.

“It’s your turn again,” I smiled at Beth when mom got off my lap.

Mom lubed my cock for Beth and knelt before her. Mom ate Beth’s pussy to orgasm.

It was Alex’s turn to get her ass impaled on my cock, and mom ate her pussy until she came.

Alex ate mom’s pussy to orgasm next as mom massaged my cock with her amazing ass.

When Beth impaled her ass on my cock, I pulled her knees up, bringing her feet to the edge of the sofa, into the anal reverse Asian cowgirl position. There was no pussy eating. I spread her ass and paced it up and down my cock to orgasm. I bounced her ass to another orgasm. Alex and mom got their asses fucked similarly.

When mom left my lap, I pulled Beth again into my lap.

“Do you want to go home?” I asked Beth, thrusting gently in her ass.

“Yes,” she hissed.

“Let me fill your hot ass with come in the doggy position,” I said, wrapping my arms tightly around her.

My cock remained up Beth’s ass as I maneuvered her onto her knees on the sofa. I grabbed her hips and pounded her ass vigorously to a wild orgasm. Her anal spasms helped drain my balls into her twitching bowels.

“Suck it clean, and let’s go,” I said, pulling out of her ass. “Squeeze your come-filled ass tightly.”

She squeezed her ass and knelt down. She sucked my cock clean and got up.

Beth and I got dressed, and I walked her home.

---

“Your dad doesn’t mind that?” she said on the way.

“The massage?” I said.

“What we did last was plain ass fucking,” she said. “Your mom bounced her ass on your big cock to orgasm.”

“The most important difference between fucking and massage is the state of mind,” I said.

“How can you tell what the state of mind of anyone is?” she said.

“Who cares as long as that person does what should be done?” I said.

“Your dad trusts that you are not fucking?” she said.

“If he can’t tell the difference between fucking and massage, he shouldn’t care about it,” I said.

“What do you mean?” she said.

“Let’s say he can’t tell whether we are fucking or massaging,” I said. “He’d ask himself what if they are fucking? He’d think about it a little. In the end, he’d say yes, what if they are fucking? Why should I care?”

“Were you fucking or massaging?” she asked.

“That applies to you too,” I said. “Who cares?”

“It could be either?” she said.

“Assume it’s whatever you want,” I said. “You can assume that every other stroke is fucking and the rest is massaging. You can assume anything. It doesn’t matter. Think whatever you want to think.”

“I see,” she said. “Doesn’t that mean that one should be okay with fucking too?”

“That’s up to you,” I said. “You can ask yourself, why would I not be okay if that stroke was fucking?”

“That involves lust,” she said.

“If you use a vibrator, does that mean you lust for it or you are in love with it?” I said.

“No,” she said.

“You can still use it like a cock and come your ass off on it, right?” I said.

“Yes,” she said.

“Do you think your pussy cares?” I said.

“Not really except for the feeling,” she said.

“If the feeling were the same, it wouldn’t care, right?” I said.

“Yes,” she said.

“That’s what I am talking about,” I said. “Why would I say she might be in love with the vibrator? If it makes no difference, I shouldn’t care. If your being in love with it has no impact on anything, I shouldn’t care at all.”

“I see,” she said.

“Do you still care about what we did today was?” I said. “Would you enjoy it more or less if you thought it was all massage or it was all fucking and sucking?”

“I guess not,” she said.

“Regardless of what we did, you can tell that mom and Alex are fantastic pieces of ass, right?” I said.

“Yes,” she said.

“They know the same about you,” I said.

“I am not sure I was up to par,” she said.

“I am sure that you’ll do your best to be up to par,” I said.

“Of course,” she said.

“That’s what matters—the future,” I said.

“Okay,” she said.

By then, we had arrived at her house.

“Say hi to your hot mom, but don’t tell her that I want to fuck her or massage her—whatever you prefer,” I said.

“I’ll just say hi,” she said. “I won’t mention the neon orange swimsuit either.”

With a smile, I pulled her to me. We kissed goodnight deeply, and I let her go.

We waved at each other before she closed the door.

That was the first night mom and Alex slept with me in my bed. I naturally fucked them silly before we did.

---

In the morning, I went shopping, and, in the afternoon, I headed to Beth’s house, carrying a backpack.

Beth’s entire family and I were lounging in the living room. Beth was next to me on the sofa, and her mom and sister were on the loveseat. Her dad sat in the chair.

“The weather’s great for hanging around the pool,” I said. “Mr. Conkley, would you like to suntan with us?”

“No, I am afraid I have to go,” said John. “I am meeting friends to watch sports.”

“Hanging around the pool is a form of sports too,” I said. “You can swim too.”

“Enjoy yourselves,” he said.

“Your dad insists on keeping three half-naked hot girls with me,” I whispered to Beth.

Beth elbowed me.

“Isn’t it actually too cold for that?” said Beth.

“You are kidding,” said Victoria. “The A/C can hardly catch its breath.”

“You can wear a wool bikini or throw on a fur coat,” I said.

That earned me another elbow.

“If you still think it’s cold, you can stay in the living room and watch sports,” I teased.

“I hate sports,” said Beth.

“You can watch soaps,” I said.

“I hate them too,” she said.

“You can stand by the door and watch us,” I said.

“I hate you too,” she said.

“Stand in front of the mirror and watch yourself,” I teased.

“I’ll be back in a minute,” I said, getting up.

Carrying my backpack, I headed to the stairs.

“Where are you going?” asked Beth.

“I’ll be back,” I said. “I have a surprise for you.”

“Okay,” she said.

In the morning, I had bought skimpy swimsuits for Beth and Alex. I left each her swimsuit on her bed. I got Beth a neon blue swimsuit and got Lisa a neon green one. Both had tie side thong bottoms.

John left minutes later.

“Mrs. Conkley, please wear your neon orange swimsuit,” I said.

“Nick, how do you know about my neon orange swimsuit?” asked Victoria.

“I just know that it looks great on you,” I said.

“That’s skimpy,” she said. “I don’t think it’s appropriate.”

“Mrs. Conkley, you must know that skimpy swimsuits are meant for hot girls,” I said. “You have the body for it.”

“Mom, don’t listen to him,” said Beth.

“You are just jealous,” I said. “You and Lisa should wear your skimpiest swimsuits too. You are hot girls as well.”

“Lisa and I don’t have skimpy swimsuits,” she said.

“Would you wear them if you had them?” I said.

“Maybe not around you,” she said.

“Mrs. Conkley, do you think they should rather wear their skimpiest swimsuits around other guys?” I said.

“Of course not,” said Victoria.

“Would you wear a skimpy swimsuit if you had one, Lisa?” I said.

“Sure, if mom lets me,” said Lisa.

“You are going to let them wear skimpy swimsuits at home, aren’t you?” I said to Victoria.

“I guess,” she said.

“You are all sexy girls,” I said. “You should enjoy that. I should enjoy it too.”

“You’d just enjoy it too much,” said Beth.

“Don’t you just love her logic?” I said to Lisa. “She’d rather you all be ugly so I wouldn’t enjoy your company.”

“I wish I were the hottest girl in the world even if everyone stared at me,” she said.

“I can’t make everyone stare at you, but I promise you that I’ll stare at you,” I teased.

“That wasn’t what I meant,” she said.

“Every guy in the house will stare at you,” I said. “That’s all I can do for you.”

“That’s why you want us to wear skimpy swimsuits,” said Beth.

“Let’s not waste time,” I said.

The three of them headed upstairs. I took off my clothes, staying in my trunks.

Beth came down quickly, still wearing her clothes.

“Nick, you are wicked,” she said.

“Put it on, you hot slut,” I teased.

“I don’t think mom would appreciate that,” she said.

“I’ll be busy appreciating her neon orange swimsuit,” I said.

She shook her head and left.

Lisa soon came down in her neon green swimsuit.

“I think mom’s going to kill me,” she said.

“Nobody can kill a girl who looks this hot,” I said.

She blushed.

“Turn around, and show me your sexy butt,” I said.

“Nick!” she whined.

“Don’t be silly,” I said. “You are so hot. You should be proud. Turn around.”

She reluctantly turned around and stood there shyly. Her ass was practically fully exposed.

“You have a great butt, Lisa,” I said. “The thong’s perfect on you. Although I enjoy the view, you don’t have to keep your sexy butt turned toward me. You can turn around.”

She faced me, blushing.

“I guess I have great taste in swimsuits,” I said. “Are you going to thank me?”

“Thank you,” she said shyly.

“Come here, and kiss me on the cheek,” I said. “I like to be kissed by hot girls.”

She smiled as she walked to me.

She kissed me on the cheek and pulled away.

Beth soon came down.

“You got Lisa that?” said Beth in disbelief.

“I had to level the field with your mom’s neon orange swimsuit,” I said. “Show me your butt.”

“You are outrageous,” she said.

“Do it,” I said.

Beth turned around, and her ass looked great.

“You have a great ass,” I said. “Had you been able to turn your head all the way back, I’d have always wanted your sexy ass facing me.”

“You are crazy,” she said, turning around.

Victoria came down.

“Here comes the neon orange bikini with the hot woman inside it,” I teased.

“Nick, you are embarrassing me,” said Victoria. “Do you want me to go back and change?”

“No way,” I said. “As I told Beth last night, you are so hot you should always be naked and people must admire.”

“You are shameless,” she said. “What did she say to that?”

“She accused me of drooling whenever I saw you in this bikini,” I said.

“You’ve never seen me in this bikini,” she said.

“I did but in my mind’s eye,” I said.

“Did you drool?” she teased.

“I just licked my lips,” I teased back.

“You are outrageous,” she said.

“You are outrageously hot,” I said. “Don’t blame me for that.”

“Let’s go,” she Victoria.

When I got up, my big boner made a big tent in my trunks. Beth looked at it, and Lisa giggled. I grabbed Beth and moved her in front of me.

“Your mom has a great ass,” I said lowly, but Lisa heard me. “So do you and your sister.”

“Shut up,” said Beth.

“Do you feel jealous?” I teased. “You are not the only one with a hot ass.”

“No, but I don’t want you to stare at my mom and sister,” she said.

“They are okay with that,” I said.

“No, they are not,” she said.

“Every sexy girl needs a guy to admire her fine ass,” I said. “I am that guy for the three of you.”

“You are a pervert,” she said.

“A pervert’s a guy who’d deny the obvious,” I said. “Every healthy guy has to bow to your gorgeous asses.”

She slapped my hand away when I reached out and squeezed her ass.

“You have a serious ass, girlfriend,” I said.

“Thank you, but how are you going to hide your huge boner?” she said.

“From who?” I said. “Who’d steal it?”

“You don’t want mom to see it, silly,” she said.

“Is she afraid of big cocks?” I said.

She punched me.

“I didn’t think so either,” I teased.

They took towels and sunscreen, and I took my backpack with me.

“Since I am the only guy here, I get the privilege of spreading sunscreen on all of the lovely ladies,” I said.

“I am glad you know that it’s a privilege,” said Beth.

“Of course, it’s a privilege especially for your sexy mom,” I said. “Mrs. Conkley, if you don’t mind, I’d like to start with you.”

“You don’t have to do that, Nick,” said Victoria.

“I know I don’t have to be privileged, but I’d love that,” I said.

“Nick, you have a huge erection,” said Beth.

“You don’t know that,” I said as Victoria instinctively looked at my big boner. “It could be a cucumber.”

“Why would you carry a cucumber in your trunks?” she said.

“Don’t be silly,” I said. “To look big obviously.”

“I know that you don’t need that,” she said. “You are bigger than most cucumbers.”

“Thank you for the compliment, but what if I am carrying it to look small?” I said.

“The only reason why you’d carry it is to look silly,” she said.

“I am sure we are not here to discuss my big cucumber,” I said. “Let’s not get sunburned while doing that.”

“We are in the shade,” she said.

“We should stay here until I am through with you all,” I said. “I don’t want you grilled. Ready, Mrs. Conkley?”

“I guess,” said Victoria as I pulled a chaise longue into the shade for her.

“Lie down prone, and let me take care of your back,” I said, flattening the chaise longue.

Victoria got into position, lying on her stomach, and I knelt behind her and went to work on her feet. Her toenails were painted in red nail polish. I gently and thoroughly applied sunscreen cream to her toes and feet. Meanwhile, Beth and Lisa sat on other chaise lounges and watched, chatting together.

“Your feet are so nice,” I said lowly to Victoria. “I like the color of your nail polish.”

“Thank you,” she said.

When I was done with her feet, I kissed the sole of her right foot gently.

“What did you do?” she said.

“I kissed your foot like I’d kiss a baby’s foot because it’s so cute,” I said.

“You shouldn’t do that,” she said as I kissed her left foot.

“It’s natural for one to kiss cute things,” I said as I proceeded to apply sunscreen to her right calf.

She dropped it and let me continue with her calves. I worked on them until I reached her knees. I was gentler as I did the backs of her knees.

When I reached her thighs, I spread her legs a little and sat between them, draping my legs over hers and placing my feet flat on the floor. Her thong only covered her pussy and asshole, framing her bare ass cheeks.

“You are in great shape,” I said as I worked on her right thigh while admiring her ass. “You have a nice butt.”

“Thank you,” she said lowly.

“Thongs were made for this kind of butt,” I said. “You should be proud of it.”

“You shouldn’t dwell on my butt,” she said.

“I haven’t touched it yet,” I said. “I am just stating the obvious. Thank you for wearing this sexy swimsuit for me.”

“I didn’t wear it for you,” she said.

“You granted my wish anyway,” I said. “I can now admire your sexy butt.”

“You shouldn’t stare at my butt,” she said.

“I am not staring at it although it deserves to be stared at, and you shouldn’t blame anyone for doing that,” I said. “I like how it’s curved where it meets the back of your thighs.”

“You shouldn’t talk about my butt,” she said.

“How can I not talk about it when it’s so pretty and it’s right in my face?” I said. “Am I embarrassing you?”

“You are not embarrassing me, but you are making me feel a little uncomfortable,” she said.

“You are not used to being complimented on your luscious butt?” I said.

“No,” she said. “I don’t think it’s considered appropriate.”

“I disagree,” I said. “I think it’s inappropriate and plain rude not to compliment a sexy woman on a butt this hot.”

“Thank you,” she said.

“Thank you for allowing me the privilege of admiring it,” I said.

“You are welcome, but you are not supposed to be admiring it,” she said. “You are supposed to apply sunscreen.”

“I know your butt isn’t a tourist landmark, but I think it should be,” I said. “No one can afford not to admire it.”

“Thank you,” she said.

“Please forgive me for focusing on your butt, but it’s so pretty and it’s right in front of me,” I said.

“That’s okay,” she said.

“It made me forget that I am working on sexy legs,” I said, squeezing sunscreen cream on her left thigh. “You should be proud of them too.”

“Thank you,” she said.

“Thank you for allowing me to work on them,” I said, rubbing the cream into her thigh.

“Thank you for working on them,” she said.

“Do you like how I rub them?” I said. “Am I being too rough or too soft?”

“No, you are good,” she said.

“Your sexy legs and butt should be insured,” I said.

“You think so?” she said.

“They are a serious asset, especially your butt,” I said. “You are a woman, and you don’t get to see them like I see them now, so you can’t assess them like I can. Trust me that it’s a privilege for me to be here.”

“Thank you,” she said.

By then, I had finished applying sunscreen to her thighs to the beginnings of her ass cheeks. I squeezed cream on the hilltops of her ass cheeks and kissed both cheeks on either side of her thong.

“What did you do?” she asked.

“Your butt’s so pretty,” I said. “I had to kiss it to show my appreciation.”

“You shouldn’t do that,” she said as I gently spread the cream on her ass cheeks.

“I know that some people think it’s inappropriate, but there is no way I can see something irresistibly pretty and not kiss it no matter what everybody else thinks,” I said. “Please forgive me if you are one of those.”

As I rubbed the cream into her right ass cheek close to her ass crack, I pulled her thong up, and my rubbing of her cheek, splayed her exposed asshole.

“What are you doing?” she said as I exposed her pussy and asshole and worked on her left ass cheek.

“I am applying sunscreen to all the exposed skin,” I said calmly.

“You are exposing me,” she said.

“Don’t worry about that,” I said. “Your sexy thong doesn’t cover anything. I’ve seen your private orifices, and they are so pretty. You don’t have anything to be shy about.”

“This is embarrassing,” she said.

“It isn’t,” I said as I pulled the thong out of the way and spread her ass. “Let me show you.”

She did not expect me to kiss her splayed asshole. She gasped. I kissed her pussy, making her gasp again.

“I’ve just kissed your sweet rosebud and cute passion rose,” I said. “You can’t be embarrassed of showing them to me. Besides, I am your daughter’s boyfriend, not a stranger.”

“Nick, you shouldn’t have done that,” she said.

“You can’t say that to me when they are this mouthwatering,” I said. “I have to do that again.”

She gasped again as I kissed her asshole and pussy.

“Are you okay, or do you want me to keep kissing them?” I said.

“I am okay,” she said.

“Why don’t you all, pretty ladies, take off your swimsuits and skinny dip?” I said.

“If we take them off, you’ll have to take yours off,” she said.

“You want to see my tiny cock?” I teased as I slowly pulled her thong down to her mid thighs.

“It isn’t tiny,” she said. “I bet it’s bigger than any I’ve seen.”

“Don’t look while I take it out,” I said as I swung my left leg to the right over her right thigh.

The girls were behind me as I pulled my trunks off. I swung my left leg back across her left thigh.

Beth and Lisa watched intently as my hard cock pointed forward and up. I untied the sides of their mom’s thong and tossed it a side, leaving her ass and pussy naked.

“It’s like it knows what’s good for it,” I whispered. “My big cock points are your hot pussy and ass.”

“It’s bad like you,” she said lowly.

“Are you sure?” I whispered, leaning forward.

“Yes,” she hissed.

“Isn’t a good cock supposed to point at the hottest fuck holes in the vicinity?” I whispered as I brought my mouth to her ear, letting my cock head touch her pussy lips, making her gasp. “That’s what it’s doing.”

“It’s touching me,” she hissed.

“It apparently likes you,” I whispered.

“It’s bad,” she said.

“Can you blame it for touching the hottest pussy in the house?” I whispered.

“I can’t blame it,” she said. “I am blaming you.”

“You shouldn’t blame me because my big cock loves you,” I whispered. “You should forgive me.”

“Pull it away, and I’ll forgive you,” she said. “We can’t do this in front of the girls.”

“Don’t worry about the girls,” I said. “Their turns are coming.”

On my way back, I untied her top and tossed it aside.

“Girls, we are skinny dipping,” I said as I squeezed cream on her back. “Take it off.”

“Is that right, mom?” asked Beth as I rubbed her mom’s back.

“Yes,” said Victoria.

Beth and then Lisa took off their swimsuits.

While I rubbed Victoria's back, I scooted forward and trapping my cock head down against her pussy. I as I moved, rubbing her skin, my cock head rubbed against her pussy, which started to leak. She moaned occasionally. I took my time applying the cream to her back, allowing my cock head to press into her leaky pussy and dent it. My cock head went halfway into her pussy and thrust gently as I continued with my work. Except for her occasional quiet moaning, we both ignored it but enjoyed it.

Eventually, I was done with her back. I worked on her shoulders, arms and hands while humping her leaky pussy with my cock head. My entire cock head was drenched in her pussy juices.

"I am ready to do your front," I said as I dismounted her and turned my back to her.

She rolled over onto her back, shyly exposing her tits and pussy. I backed up onto the chaise and swung my legs under hers without showing her my cock. My cock pointed at her pussy again.

"You are sexy from every angle," I said lowly, smiling at her, as I squeezed cream on the tops of her thighs.

"Thank you," she hissed shyly.

While admiring her juicy pussy, I rubbed the cream into her pussy area, avoiding her pussy. As I moved up her tummy, I scooted forward and pressed my cock head into her pussy. She only acknowledged that by a soft moan. My engorged cock head entered her leaky pussy, and I went to work, thrusting it gently in and out.

"It's big," she whispered.

"You are tight," I said lowly.

The farther up her front I went, the deeper my cock thrust in her pussy. She went crazy when I worked on her tits.

"You have fantastic tits," I said, rubbing her stiff nipples. "They are so big and firm."

"Thank you," she said lowly. "I can't believe we are doing this in front of the girls."

"This is nothing compared with what I am going to do to them," I said. "You are a married woman after all."

"You are a bad boy," she said.

"Your little pussy's singing my praise," I teased.

"It's as bad as your big cock," she said.

"Something this tight and little can't be as bad as something that big and fat," I said.

"Maybe your big cock's a bad influence on my little pussy," she hissed.

"I don't think so," I said. "It just wants to spend time with a very hot hole."

My cock was halfway in her hot pussy when I did her face.

As I hovered over her, I pecked her nipples and lips.

"If you are a good girl, you may get more of this," I said as I pulled back and out.

"We'll see," she said.

"Kiss its head in front of your daughters to show them that you are a nice girl," I said, standing up.

When she sat up, she was face to face with my dripping cock head. She pecked it gently.

"It's bigger than any I've ever seen," she said lowly.

"It fits though, doesn't it?" I said.

"Yes, very tightly," she hissed.

“Thank you for soaking half of it with your sweet juices,” I said.

“You are welcome,” she said.

“Lisa, it’s your turn,” I said as I picked up the sunscreen.

Lisa lay prone on her chaise, and I knelt behind her I held her legs together by the ankles and raised her feet.

“You have sexy feet,” I said. I kissed both sets of toes and then both soles. “Have they ever been kissed?”

“No,” she said.

“Whenever you want them to be kissed, bring them to me,” I said, squeezing cream on her soles.

“Okay,” she said.

“Lisa, you are so sexy I want to use my big cock to apply sunscreen to your entire body,” I said as I used my cock head to rub the sunscreen on her right sole. “Would you like that?”

“Would mom be okay with that?” she said.

“If she asked about it, I’d tell her it’s a special treat to you because you are a sexy young girl,” I said. “What matters is whether you are okay with it.”

“Yes,” she hissed.

“I don’t know any other woman who’s had this done to her,” I said. “Do you like to be pampered?”

“Yes,” she hissed.

“My big cock will get to know every square millimeter of your sexy body,” I said. “Are you excited about that?”

“Yes,” she hissed.

“You think my big cock’s big enough for you?” I said as I carefully worked on her toes.

“Yes,” she hissed.

“Your mom may think you are a little slut, but that’s okay,” I said, moving to her left sole. “Hot girls like you deserve to be treated like little sluts. Do you like how I treat you?”

“Yes,” she hissed.

“Are you virgin?” I said lowly.

“Yes,” she hissed.

“Don’t worry about that,” I said. “If you are a good girl, that won’t be the case in a few hours.”

She trembled.

“Are you going to be a good girl?” I said.

“Yes,” she hissed.

“Do you want me to deflower you with my big cock, or do you prefer tiny cocks?” I said.

“Don’t big ones hurt?” she said.

“Only if they are operated by jerks,” I said. “The only advantage of a tiny cock is that you can lose your virginity without feeling it. The guy might have finished while you thought he had not started yet. Do you want that?”

“No,” she said.

When I was done with her toes, I used more of my cock to rub the rest of her feet. I used even more of my cock to work on her legs while crouching astride the chaise.

Victoria saw me and came over.

“You are giving her special treatment,” said Victoria.

Lisa tensed a little.

“She deserves it,” I said. “She promised to be a good girl.”

“She obviously deserves it,” said Victoria. “Do you like the treatment?”

“Yes,” hissed Lisa.

“I told her you might think she was a little slut,” I said.

“It’s too early for that,” said Victoria. “Till now, she’s still a sweet girl. Don’t you think so?”

“Absolutely,” I said.

“Have fun, both of you,” she said.

Victoria walked away and jumped into the pool.

Beth watched from afar.

“Your mom wouldn’t mind if you became a little slut for a worthy big cock,” I said. “Do you want to be one?”

“I don’t know,” said Lisa.

“If you want to be a little slut for my big cock, you have to be a good girl,” I said. “You said you would.”

“Yes,” she hissed.

Naturally, rubbing her legs with my cock was not as easy as doing that with my hands especially to reach the fronts of her legs. We both had to twist to do that. Finally, I reached her tight little ass and had a field day with it.

“I’ve finally reached your luscious ass, Lisa,” I said, squeezing cream all over her ass. “Are you excited about it?”

“Yes,” she hissed.

“If you are a good girl, my big cock will get to know your hot ass inside out,” I said. “Do you want that?”

“Yes,” she hissed.

“You have a fantastic ass,” I said, rubbing the cream into her firm ass cheeks with the underside of my cock. “Do boys stare at it all the time?”

“I don’t know,” she said shyly.

“You do, right?” I said.

“Yes,” she hissed.

“They can stare at it all they want, but they can’t play with it like I can, can they?” I said.

“No,” she said lowly.

“Do you like how I play with it?” I said.

“Yes,” she hissed.

“This is only the beginning,” I said as I used my cock head to rub the cream into the edges of her cheeks. “I think you’ll like it so much you’ll make your sexy ass mine and only mine. Would that surprise you?”

“No,” she said.

“I’ll spoil your tight little ass rotten,” I said, rubbing her ass crack with my cock head. “Do you want that?”

“Yes,” she hissed.

“Have you sucked cock before?” I asked as I massaged her asshole with my cock head.

“No,” she moaned.

“All your holes are virgin?” I said.

“Yes,” she hissed.

“When I leave, all your holes will be corrupted,” I said. “You’ll be ecstatic. Do you want that?”

“Would they let us do that?” she said.

“Lisa, I am rubbing all your body with my big cock,” I said. “That lets them know that you belong to my big cock. You are mine. I can do to you whatever I want. Isn’t that what you want?”

“Yes,” she hissed.

“Your mom will let me do whatever I want with my little slut,” I said. “Isn’t that what you are to me?”

“Yes,” she hissed.

“You can drink my come right in front of your mom, and she’ll be proud of you,” I said.

She trembled.

“Are you going to be a good girl and swallow my come if I come in your hot mouth?” I said.

“Yes,” she hissed.

“You are definitely a good girl,” I said. “That’s the kind of sluts my big cock wants.”

She trembled.

“I’ll leave your lovely ass alone for a while and explore the rest of your sexy body,” I said. “Is that okay?”

“Yes,” she hissed.

“My big cock likes you as much as it likes your hot mom,” I said, squeezing cream on her back. “You know that your mom’s a hot woman, don’t you?”

“Yes,” she hissed.

“Do you love my big cock?” I said, rubbing her back with my cock.

“Yes,” she hissed.

“She loves it too,” I said. “You think you are taking after her?”

“I don’t know,” she said.

“You have the same sweet assholes,” I said. “Actually, Beth has the same asshole. Your assholes are all fabulous.”

She did not comment on that.

“You have to thank me for that compliment,” I said.

“Thank you,” she said.

“Maybe one day, I’ll be able to play with all three sweet assholes at the same time,” I said. “Would you like that?”

“I don’t know,” she said.

“Are you jealous or selfish?” I said. “You don’t want me to toy with your mom’s l asshole while I toy with yours?”

“She’s a married woman,” she said.

“Let her worry about that,” I said. “We are assuming that she wants me to play with her asshole just like you do.”

“I want that,” she said.

“I want to make her a slut for my big cock just like you,” I said. “Do you think she’d enjoy that?”

“Maybe,” she said.

“Do you want to watch me fuck your slut mom?” I said.

“Yes,” she hissed.

“If you are a good girl, you’ll watch me fuck her in every hole she has,” I said. “I want to be nice to her just like I want to be nice to you and to your sister. Do you want me to be nice to her too?”

“Yes,” she hissed.

By then, I had finished her back, shoulders and the back and sides of her neck.

“Roll over, Lisa,” I said. “I’ll now work on your front.”

She rolled over as I stood astride the chaise longue.

“You have nice tits,” I smiled at her as I backed up until I was over her pussy.

“Thank you,” she said shyly.

“I’ll play with them soon,” I said, squeezing cream on her pussy. “Do you want me to?”

“Yes,” she hissed as I touched her pussy with my cock head.

“Spread your sexy legs a little so I can have better access to your juicy little pussy,” I said, rubbing her pussy.

She gladly spread her legs, and I freely rubbed her leaky pussy with my cock head.

She soon started to moan and squirm. I teased her pussy for a few minutes.

“Do you want me to make you come?” I whispered.

“Yes,” she hissed.

“Try to be quiet,” I said. “I don’t want your mom to get jealous. I didn’t make her come.”

“Okay,” she said lowly.

“Are you looking forward to having me deflower your juicy little pussy with my big cock?” I said.

“Yes,” she hissed.

“Do you want your tight little pussy to come hard around my big cock?” I said, rubbing her pussy hard.

“Yes,” she hissed, stiffening.

“Come your little ass off, but be quiet,” I said, rubbing her soaked pussy harder.

She convulsed in orgasm, gushing on my cock head as I diddled her twitching pussy with it. She finally went limp, gasping for air. I gently rubbed her drenched pussy.

“Did you like that, you little whore?” I teased lowly.

“Yes,” she hissed.

“My big cock’s going to claim your little pussy and fill it with sticky come,” I said, pressing my cock head gently into her pussy. “Are you looking forward to that?”

“Yes,” she hissed.

“That’s how you become a good girl,” I said, squeezing cream all over her tummy.

“I’ll be a good girl,” she moaned as I rubbed the cream over her tummy with my cock.

“My big cock’s claiming your hot body little by little,” I said. “You’ll soon be all mine.”

“Yes,” she hissed.

“I am about to claim you fine tits,” I said, squeezing cream on her tits.

She moaned as I rubbed her tits, especially her stiff nipples, with my cock head.

“Squeeze your tits around my big cock,” I said, as I knelt stride her on the chaise longue and laid my cock between her tits. “I am going to fuck them.”

She squeezed her slick tits around my cock, and I leaned forward and proceeded to fuck them, making her moan.

“Is this your first tit fuck?” I said.

“Yes,” she hissed.

“My big cock’s going to be the first cock to do everything to you,” I said. “You belong to it, don’t you?”

“Yes,” she hissed.

“Lisa, tell me that you are my slut,” I said.

“I am your slut,” she gasped, trembling.

“You’ll love that,” I said. “I promise.”

“I know,” she moaned.

“My big cock likes your fine tits, but it wants to claim the rest of you,” I said, thrusting gently in her cleavage.

“Okay,” she said lowly as I squeezed cream on her shoulders.

When I was done with her shoulders and neck, I dismounted her. I used my cock head to rub sunscreen on her hands and my shaft to rub it into her arms.

“Get up, and let me do your face,” I instructed.

She sat up, and I started with her ears. I carefully used my cock head to spread sunscreen on her ears and eyes. I left her lips to the end. I spent a few minutes teasing her lips with my cock head.

“Stay as you are,” I said as I cleaned my cock with a towel.

She remained in her position as I retrieved coconut oil from my backpack. I oiled my cock thoroughly.

“Kiss my big cock,” I said, thrusting my cock in her face. “Take the head in your mouth, and suck it gently. That’s how little sluts kiss big cocks.”

She tentatively and nervously took my cock head in her mouth and sucked it gently.

“That’s it, Lisa,” I said. “It likes how you kiss it. Make out with it for a few minutes.”

She sucked my cock head more and more eagerly, and it leaked in her mouth.

“You are a hot slut, Lisa,” I whispered. “No wonder my big cock likes you so much. Do you like this?”

She moaned affirmatively.

“My big cock wants you to be its little cocksucker,” I said. “If you don’t want that, stop immediately.”

She did not stop.

“My big cock’s going to be nice to you because you’ve been nice to it,” I said. “It’s going to turn you into its little whore and use you like you were meant to be used.”

She occasionally moaned as she sucked my cock head. I gently held the back of her head and thrust in her mouth. Before long, I was fucking her mouth with half my cock. She sucked it eagerly.

“Don’t stop, Lisa,” I said lowly. “Your mom and sister know that you belong to my big cock. You are free to do whatever you want to my big cock and let it do whatever it wants to you.”

She moaned, trembling.

“Can you feel my big cock drool in your mouth?” I said.

She moaned affirmatively.

“My big cock and your hot mouth express their love to each other by drooling,” I said. “I can tell that your mouth’s in love with my big cock too. You are a very good girl, my little cocksucker.”

She moaned appreciatively and sucked my cock more eagerly.

“My big cock’s pleased with its little cocksucker,” I said. “Do you want to suck it even deeper?”

She moaned affirmatively.

Keep my big cock in your mouth while you get on your hands and knees on the chaise,” I said.

She continued to suck my cock while she maneuvered herself onto her hands and knees.

“I like watching your hot ass rocking as you suck my big cock,” I said as I reached out and squeezed her ass.

She moaned quietly.

“In this position, you can suck my big cock as deep as you want,” I said. “You’ll soon take it balls deep down your throat, but I don’t want you to gag. I want you to take your time and impress your mom.”

She tried to take her mouth off my cock, but I held the back of her head firmly.

“I am not taking my big cock out of your mouth until you’ve sucked it balls deep,” I said. “I want you to show your mom that you belong to my big cock so she’ll encourage you to whore yourself to me all the time.”

As she sucked my cock more eagerly, trying to take it deeper and deeper, I adjusted the angle of her throat.

“Relax your throat, and it will slide right in like anything else you swallow,” I said. “Your hot throat was made for my big cock like your other holes. My big cock will go balls deep into each of your hot holes.”

She tried to swallow my cock right away.

“Slow down, Lisa,” I said. “Take your time. Meanwhile, I’ll toy with your other holes.”

She slowed down a little, and I proceeded to finger her leaky pussy and transfer her pussy juices to her asshole, which tensed defensively when it felt me push a slick finger inside it. Her asshole relaxed slowly as I wormed my finger inside it. Her asshole clamped at my finger, but I slowly loosened it up.

“All your holes belong to my big cock,” I said, making her asshole twitch. “All your holes will take my big cock balls deep, and you’ll love every second of it. My big cock will make you its little whore because you deserve it.”

She sucked my cock eagerly while I reamed out her asshole and teased her leaky pussy.

“I am going to loosen up your tight fuck holes and get them ready for the big cock you belong to,” I said. “Your holes were made for my big cock just like your sister’s and your mom’s horny fuck holes.”

She moaned.

Her asshole relaxed, and I squeezed a second finger in. She swallowed my cock all the way down her throat almost instantly. I held her head in place for several seconds.

“Don’t take your mouth off my big cock, my little cocksucker,” I said, letting go of her head. “You did well. Don’t stop now. Let’s impress your mom.”

She took my cock down her throat repeatedly while I worked my fingers deeper up her ass.

Her mom saw her and came over.

“She can take it all down her throat?” said Victoria in disbelief.

“Your little daughter’s a natural cocksucker,” I said.

“I bet,” she said.

“I’ll never let her go,” I said.

“I bet not,” she said.

“This is the only cock she’s ever seen and the only cock she belongs to,” I said.

“That’s impressive,” she said. “I’ve never done that before.”

“Do you want her to teach you?” I teased.

“That would be incredible,” she said.

Beth came over. She watched and listened silently.

“Lisa’s my little whore,” I said. “She’d gladly teach you how to suck my big cock if I asked her to.”

“You think a young virgin should teach her mom how to suck a big cock properly?” said Victoria.

“Absolutely,” I said. “That’s a perfect way to celebrate her achievement and give her credit for it.”

“You have a point,” she said.

“Beth, should your little sister teach your mom how to suck my big cock like she should?” I said.

“It’s up to mom,” said Beth.

“Of course, but what do you think?” I said. “Do you want your hot mom to remain a lousy cocksucker?”

“Mom isn’t a lousy cocksucker,” said Beth.

“Victoria, aren’t you a lousy cocksucker compared with Lisa, who learned cock sucking minutes ago?” I said.

“I am embarrassed to admit that I am,” said Victoria.

“So, you want your mom to remain a lousy cocksucker?” I said to Beth.

“No,” she said.

“We all want her to be a great cocksucker so the three of you can suck my big cock together at every chance you get,” I said, brushing Victoria’s lips with my thumb. “Isn’t that what you want, Victoria?”

“Yes,” said Victoria.

“You want to belong to my big cock like your daughters do?” I said as she sucked my thumb gently.

“Yes,” she said.

“Sucking won’t be the only thing you’ll do for the big cock you belong to, will it?” I said, squeezing her ass.

“No,” she said.

“Bring your chaise over here, and let the youngest cocksucker in the house teach you,” I said. “I may play with your other holes while you learn.”

“Okay,” she said.

Victoria pulled her chaise closer, arranging it next to Lisa’s, and got on her hands and knees on it.

“You have a nice ass, Victoria,” I said as I reached out and squeezed her ass. “I like it.”

“Thank you,” she said.

“Is it still virgin like Lisa’s?” I said.

“Yes,” she hissed.

“That will change right away,” I said. “You can’t belong to my big cock and be virgin anywhere in your body.”

“Okay,” she said.

“Lisa and you deserve to be my dirty whores no less than Beth,” I said.

“Thank you,” she said.

“My big cock has to claim your throat first,” I said.

“Okay,” she said.

“Mom, suck it normally first to work up your appetite,” instructed Lisa.

As Victoria took my cock in her mouth and proceeded to suck it, I started to finger her dripping pussy and transfer her copious juices to her asshole. She tensed a little when my middle finger penetrated her asshole. She relaxed soon as I gently loosened up her tight asshole while rubbing her leaky pussy with my index finger. She sucked my cock even more hungrily when I squeezed my index finger into her asshole, stretching it around two fingers. Before long, I had my two fingers all the way up her ass. I reamed out both assholes similarly although hers was a little tighter.

“I love toying with two hot virgin assholes,” I said. “Your tight assholes apparently like it too.”

“Yes,” hissed Lisa.

Victoria moaned.

“These hot assholes are enjoying the last hour or two of their virginity,” I said, making their assholes twitch. “After that, they’ll immensely enjoy getting fucked royally with the big cock they belong to. They are getting ready for that.”

“Yes,” hissed Lisa.

“So is my big cock,” I said.

Victoria sucked my cock hungrily, trying to swallow it, and Lisa gave her pointers. Meanwhile, I stretched their tight assholes wider and wider. Victoria finally swallowed my entire cock.

“You are a good slut, Victoria,” I said. “I am pleased with you. Don’t stop now.”

Victoria continued to practice deep throating while I continued to stretch both assholes.

“Take turns with the little cocksucker,” I said. “Learn how to suck it together.”

While they took turns sucking and deep throating my cock, I pulled my fingers out of their asses.

“Beth, come here, and let me apply sunscreen to your hot body,” I called.

“While they suck your cock?” said Beth.

“Yes,” I said. “Bring the sunscreen, and stand on the chaises between them. I’ll take care of you.”

Beth obliged me readily.

“Turn your hot ass to me first,” I said.

She turned around, and I started with her neck. I worked my way down and fingered her asshole when I reached it. I kept going until I finished her feet.

“Turn around,” I instructed.

Beth faced me, and I started with her face and worked my way down her neck, shoulders and tits. I fondled her tits, sucking her nipples. She held my head and moaned. I rubbed cream all over her tits, pinching and twisting her stiff nipples. I did her tummy and in the end finger fucked her pussy. She moaned, humping my fingers. I soaked two sets of fingers in her leaking juices, and, when she climbed down, I used my slick fingers to ream out her sister and mom’s tight assholes while they continued to deep throat my cock together.

“Victoria, do you want me to fuck your horny pussy before I deflower Lisa’s hot virgin ass?” I said, making both assholes twitch around my fingers.

“Yes,” hissed Victoria.

“Turn around, and show me where you want my big cock,” I said, taking my fingers out of both asses.

Victoria quickly turned around, and thrust her ass out. Lisa sat up and watched.

“Where do you want it, my cock-hungry slut?” I said.

“I want it right here,” she said, reaching between her thighs and pointing at her dripping pussy.

“You want it in your hot little pussy?” I teased as I touched my cock head to her wet pussy, making her gasp.

“Yes,” she hissed.

“I don’t want Beth to think I am raping you,” I said, brushing my cock head up and down her slick pussy lips. “Beg me to fuck your hot married pussy to show her otherwise. Show her that you want her boyfriend’s big cock.”

“Please fuck my horny married pussy with your big cock,” she begged.

“Do you still think I am raping your slut mom?” I said to Beth, firmly pressing my cock head into Victoria’s pussy.

“I think you’ve turned mom into a whore,” said Beth as my cock head entered her mom’s pussy, making her gasp.

“Have I really turned you into a whore, Victoria?” I said as I held Victoria’s hips and thrust gently in her pussy.

“I am your whore,” gasped Victoria, stiffening.

“I told you that,” said Beth. “She’s coming. I bet she’s never come like this on any other cock.”

“Is that right, Victoria?” I said as I held Victoria’s hips tightly and thrust firmly into her gushing pussy.

“Yes,” gasped Victoria, convulsing.

“Is that because you are my whore?” I said.

“Yes,” gasped Victoria.

“You belong to my big cock, don’t you?” I said.

“Yes,” she gasped.

“I bet your daughters have no doubt in that,” I said.

Victoria writhed wildly, and I took that chance to feed her twitching pussy the rest of my cock. That made her come harder. When her orgasm finally subsided, I was balls deep in her tight pussy. She was gasping for air.

“Your mom’s hot pussy’s so tight,” I said to Lisa. “It hasn’t been getting its fill of cock.”

“No,” gasped Victoria as I thrust gently in her drenched pussy.

“That changes now, Victoria,” I said. “From now on, your hot daughters and you are the property of my big cock. It’s going to take care of all of you and give you more than your fill of cock in every hole. Do you want that?”

“Yes,” she hissed.

“Do you want that, Lisa?” I asked.

“Yes,” said Lisa.

“Do you want that, Beth?” I said.

“Yes,” said Beth.

“Victoria, tell your daughter’s whose dirty married whore you are,” I said, picking up the pace.

“I am Nick’s dirty married whore,” gasped Victoria, looking at her daughters.

“If dad found out about this, he’d kill us,” said Beth.

“We better not let him find about it until we figure out something,” gasped Victoria. “If we work together, it will be impossible for him to find out.”

“You want to cheat on dad?” asked Beth, making her mom’s pussy twitch around my cock.

“Sweetie, you saw how Nick has just made me come,” gasped Victoria. “Nobody else has ever done that.”

“Beth, your mom didn’t pursue this as you know,” I said. “It just happened. She couldn’t resist it because she hasn’t been getting her fill of cock. You can’t blame her. If this is wrong, it isn’t solely her fault.”

“I don’t think dad would see it that way though,” said Beth.

“Of course not,” I said. “People see other people’s mistakes more clearly than they see their own although they know every detail about their own mistakes. They can somehow justify them just like we are justifying this.”

“You admit that this is wrong?” she said.

“Not necessarily,” I said. “I mean that we can justify our mistakes like we can justify our rights.”

“Most people think this is wrong,” she said.

“We think it’s just fun,” I said. “We are not hurting anybody, including your dad. The four of us are becoming happier. He’d appreciate my making his wife and daughters happier until he finds out how I am doing that.”

“Now, make me happier, and forget about everything else,” said Victoria.

“Beth, apply sunscreen to me while I make your slut mom happier,” I said.

Beth applied sunscreen to me from my face to my toes while I fucked her mom briskly. That took a minute or two.

Victoria was ready to come again when Beth was done. I grabbed Victoria’s tits and fucked her pussy hard. She came within seconds, gushing all over my cock and balls.

“I am coming again on your big cock,” gasped Victoria.

“Come your ass off, Victoria,” I said. “This is what you were made for. You were meant to be my whore.”

“Yes,” she gasped, convulsing. “You have an amazing cock.”

“You have an amazing pussy too,” I said. “I am going to fuck it silly.”

“Yes,” she hissed.

“Mom, I don’t know how this happened, but Nick has recently somehow learned how to last forever,” said Beth. “He can fuck you for hours. He can fuck the three of us until we beg for mercy, and he’ll still be horny for more.”

“Really?” gasped Victoria excitedly.

“Yes, mom,” said Beth. “Actually, that’s why I think you should try him. I don’t think you’ve ever tried anything like that or anyone like him.”

“I’ve never even heard about anyone or anything like that,” gasped Victoria.

“That’s why it’s natural for the three of us to be his whores,” said Beth. “It’s nothing to be ashamed of either.”

“If what you are saying is true, we are the luckiest three bitches in the world,” gasped Victoria.

“It’s true, mom,” said Beth. “You’ll soon experience it too. I just hope dad doesn’t walk in on us suddenly.”

“Your dad’s going to come home late,” said Victoria.

“As long as he’s coming home tonight, Nick can be still fucking us,” said Beth.

“Let’s make sure that the house is locked up and nobody can enter without our knowledge,” said Victoria.

“I’ll make sure of that,” said Beth.

Beth headed to the house, and I picked up the pace.

“If what Beth’s saying is true, I am going to be more than a whore for you,” said Victoria.

“Victoria, you are my girlfriend’s lovely mom,” I said. “You are a faithful dirty married whore for *my big cock*.”

“Yes,” she hissed.

“My big cock takes good care of its faithful dirty whores, married or single,” I said. “If you want it to take good care of you, all you have to do is be a faithful dirty married whore for it.”

“I already am,” she said.

“That’s all you have to do,” I said, squeezing her tits. “You are in good hands.”

“I am sure of that,” she said.

Beth came back.

“We are ready for dad,” smiled Beth.

“Is your pussy dripping, Lisa?” I said, fucking Victoria’s pussy briskly.

“Yes,” hissed Lisa.

“Wipe it with your fingers, and let me suck them clean,” I said.

“It’s so wet,” said Lisa.

“That’s the point,” I smiled.

She wiped her pussy and tentatively offered me her glistening fingers.

“Don’t be shy,” I said as I held her wrist and pulled her hand to my mouth.

We held eyes as I sucked her juices off her fingers, moaning around them.

“Now that you know how it works, do it again and again,” I said. “Beth, you can do that too.”

“I’ll wait,” said Beth.

Lisa fed me her leaking juices while I fucked her mom to orgasm.

While Victoria recovered, I soaked my thumb in Lisa's copious juices and gently wormed it into Victoria's asshole. Victoria moaned and ground her drenched pussy into the base of my cock. My thumb slid all the way in, and I gently reamed out her asshole. I did not thrust in her pussy. She thrust into me.

"You like this, bitch?" I said.

"Yes," hissed Victoria.

"Show me how much you do," I said. "Get fucked."

Victoria picked up the pace.

"Lisa, spread your slut mom's hot ass for me," I said. "Help me stretch her tight little asshole wide."

Lisa bent over and spread her mom's ass for me. I stretched Victoria's asshole more actively.

With Lisa's ass pushed out, I reached out with my free hand and proceeded to transfer juices from her leaky pussy to her tight asshole. I soon wormed my middle finger in and reamed her asshole out in the rhythm I used on her mom.

"Beth, spread her ass," I said.

Beth knelt behind Lisa and spread her ass wide. Lisa's asshole relaxed, and I squeezed my index finger in.

"Your asshole needs to be reamed out too," I said to Lisa.

"Yes," she hissed.

"You know that a tight asshole needs to be stretched wide for what it was made for?" I said.

"Yes," she hissed.

"What was your slut mom's tight asshole made for?" I said.

"It was made for sex," she said, her own asshole twitching around my fingers.

"Was it made for a specific big cock?" I said.

"Yes, it was made for your big cock," she said.

"What about your own tight asshole?" I said.

"It was made for your big cock too," she said, her asshole twitching.

"You know that most girls' assholes are not made for the same cocks their moms' assholes were made for?" I said.

"Yes," she hissed.

"Do you think that you are lucky that both your mom's and your assholes were made for the same big cock, which you both love so much?" I said.

"Yes," she hissed.

"They were made for the same big cock your sister's asshole was made for too," I said. "I guess you and your mom are very lucky. Don't you think so?"

"Yes," she hissed.

"It's so much fun when you, your sister, and mom belong to the same big cock, isn't it?" I said.

"Yes," she hissed.

"You are looking forward to getting fucked with them whenever your dad's out?" I teased.

"Yes," she hissed.

"You are all going to get fucked more than most whores," I said.

“Yes,” she hissed.

“Victoria, are you excited about that too?” I said.

“Yes,” hissed Victoria.

“Do you think it’s more fun for the slut mom to get fucked with her slut daughters with the same big cock?” I said.

“Yes,” she hissed.

Victoria soon stiffened, and came, gushing on my cock.

“Lisa, you want your tight ass fucked royally?” I said, thrusting gently in Victoria’s pussy.

“Yes,” hissed Lisa.

“Beth, take a box out of my backpack, and help your slut sister get her ass ready to be prepared,” I said.

As Beth opened my backpack, I removed my fingers from Lisa’s ass. Beth knew what I wanted. She pulled an enema package out and let go of the backpack. I drooled on Victoria’s asshole.

“Go with your sister, Lisa,” I said.

Lisa left her mom’s ass and walked to the house with Beth, and I squeezed my other thumb into Victoria’s ass.

“She’s going to get her luscious ass fucked before yours,” I said.

“That’s okay,” said Victoria.

“You are going to get fucked silly too though,” I said, stretching her asshole firmly with both thumbs.

“Thank you,” she moaned.

“I’ll fill all your holes with hot come,” I said. “Do you want that?”

“Yes,” she hissed.

While fucking her drenched pussy with long slow strokes, I stretched her asshole as wide as it would go.

“You are stretching my little asshole,” she moaned.

“Don’t you want me to get it ready for the real thing?” I said.

“Yes,” she hissed.

“You want your sweet little asshole to be one of my favorite fuck holes?” I said.

“Yes,” she hissed.

“You want to be a role model for your daughters to show them how to be good whores for my big cock?” I said.

“Yes,” she hissed.

“Get fucked while I stretch your little asshole even wider,” I said. “Continue to milk with your asshole too.”

She milked my thumbs as I stretched her asshole as wide as I could, and that increased gradually. I alternated between stretching her asshole horizontally and vertically. I occasionally drooled through the gap between my thumbs.

“Does your virgin asshole know what its life mission is?” I said.

“Yes,” she hissed.

“What is it?” I asked.

“Be a faithful fuck hole for your big cock,” she gasped.

“You deserve to come again,” I said, picking up the pace.

She soon stiffened, and both her holes twitched as I drilled her gushing pussy hard.

“Your little asshole’s ready for my big cock, but it has to wait its turn,” I said, thrusting gently in her pussy.

“Okay,” she said.

“Stick three fingers up your ass to make sure that you are ready,” I said, slowly pulling out of her relaxed asshole.

Her asshole closed shut, and I drooled on it.

She carefully pushed three fingers of her left hand into her asshole. She soon had them most of the way in.

“What do you think?” I said, fucking her pussy at an easy pace.

“I think it’s ready,” she said.

“Keep them there while I fuck your hot pussy a little more,” I said, picking up the pace.

She pushed her fingers as deep as she could up her ass, and I held her hips and fucked her dripping pussy hard, occasionally pinching her nipples and pulling on them. She came within a few minutes. While she convulsed in orgasm, she jerked her fingers within her asshole. Her pussy gushed on my cock.

“Nick, you are an amazing guy,” gasped Victoria. “I’ve never been fucked like this.”

“Your little pussy’s happy with my big cock?” I said.

“Oh, yes,” she hissed. “It will be in love with your big cock forever.”

“My big cock’s going to be in love with you as long,” I said.

“I am so lucky things progressed this way today,” she said.

“Me too, but they are still progressing, and they are going to be a lot better,” I said.

“Yes,” she hissed.

“You have no idea how excited I am that you are going to be my dirty whore,” I said.

“You can’t be half as much as I am,” she said.

“You love my big cock, Victoria?” I said.

“Oh, yes,” she said. “You have a perfect cock. I am finally getting fucked like I’ve always dreamed.”

“You are not yet, but you’ll be very soon,” I said.

“I’ll soon get fucked like nothing in my wildest dreams,” she said.

Beth and Lisa returned while I thrust gently in their mom’s drenched pussy.

“The little slut’s ready and eager,” said Beth.

“Suck my cock clean, Lisa,” I said, pulling out of Victoria’s pussy.

Victoria removed her fingers from her ass as Lisa knelt down and took my dripping cock in her mouth.

“Take the other box for your mom,” I said to Beth.

Beth led her mom to the house while Lisa deep throted my cock hungrily.

“Are you ready to surrender your hot self completely to my big cock?” I said, looking down at Lisa, as I held the base of her head and thrust gently in her throat.

She nodded.

“Lie back, and let me eat your virgin juicy pussy,” I said, pulling out of her mouth.

She lay back on the chaise, and I helped her pull her legs over her head and grab her heels, opening herself obscenely for me.

“You have a juicy pussy, but I want to eat your sweet asshole a little,” I said, spreading her ass. “Is that okay?”

“Yes,” she hissed.

“Make your little asshole wink at me,” I said. “My big cock would like that.”

She winked with her asshole.

“You are a dirty slut, aren’t you?” I teased.

“Yes,” she hissed.

“Both holes are hungry for my big cock?” I said as I used my fingers to splay her pussy and asshole.

“Yes,” she hissed.

“I am going to fuck you silly,” I smiled.

“Thank you,” she hissed.

“Lisa, these little holes will never be tight again,” I assured. “My fat cock’s going to take care of that.”

“Yes,” she hissed.

Spreading her ass wide, I planted a light kiss on her asshole. She gasped. I kissed her clit gently, and she gasped again. I lowered my mouth to her sweet asshole and went to work. I kissed her asshole more and more firmly, using my tongue more and more. Her asshole tensed instinctively, but it soon relaxed, and she started to moan and squirm.

“Do you like this, you little slut?” I teased.

“Yes,” she hissed.

Her asshole continued to open up as I sucked it and probed it with my tongue. I occasionally fondled her tits and pinched her nipples. When she was so wet, I was licking her juices off her asshole, I picked up and pace, and she started to gasp while humping my face. She was heading to orgasm.

“I am going to come,” she gasped, her asshole twitching.

She stiffened several seconds later, and I devoured her asshole.

“I am coming,” she gasped.

She convulsed wildly, her asshole twitching around my tongue, as I tongue fucked her asshole as hard as I could. Her orgasm finally subsided, leaving her limp.

“Your little asshole can’t wait to get fucked,” I teased, smiling at her.

“It’s so horny,” she gasped.

“It should,” I said, gently pressing my middle finger into her asshole. “It knows it’s going to get fucked royally.”

“Yes,” she hissed.

“It’s dying to get fucked, isn’t it?” I said.

“Yes,” she hissed.

“Are you dying to be my little fuck toy?” I said.

“Yes,” she hissed.

“My big cock can’t wait to take you,” I said.

“Me neither,” she gasped.

My middle finger was halfway up her ass. I reamed out her asshole with it.

“I am going to fuck your luscious virgin ass first,” I said.

“Yes,” she hissed, her asshole twitching.

“If you are a good girl, your sweet asshole will soon be my favorite fuck hole in your hot body,” I said, squeezing my index finger into her asshole.

“I’ll be a good girl,” she moaned.

“I am sure of that,” I said, stretching her asshole wide.

Her pussy was drenched, and it was still leaking. I lowered my mouth to it and licked it gently. She gradually started to moan and squirm, and her pussy leaked more profusely. I ate her pussy more and more actively. She gasped and moaned, humping my face with increasing urgency. Her asshole twitched as I continued to stretch it.

My free hand fondled her tits and pulled on her nipples while I licked her copious juices. I enjoyed her pussy for a few minutes before I picked up the pace and ate it hungrily. She shoved her pussy into my face as her orgasm neared.

“I am coming,” she announced soon.

She trembled and convulsed, her pussy gushing in my mouth. I slurped her juices and sucked for more, devouring her twitching pussy. When her orgasm subsided, I licked her soaked pussy clean. While I did that, I removed my fingers from her ass and brought them to her mouth. She sucked them, moaning around them.

She continued to suck my fingers as I lowered my mouth to her sweet asshole. I easily probed her ass with my tongue. She moaned, and her asshole twitched around my tongue. I tongue fucked her asshole while fondling her tits with my free hand, making her moan around my fingers.

Victoria and Beth returned in time to watch me suck and tongue fuck Lisa’s asshole to orgasm. Lisa writhed, shoving her ass into my face as her asshole twitched wildly around my wiggling tongue. When her orgasm subsided, I followed her copious pussy juices to her pussy and licked it clean.

“Beth, hold your sister’s legs for her while she spreads her virgin ass for the big cock she belongs to,” I instructed.

Lisa spread her ass, and Beth sat on the chaise behind her and held her legs by the heels.

“Victoria, play with my big cock to make sure it stays big and hard for your daughter’s little asshole,” I directed.

Victoria knelt down and stroked my cock slowly with her right hand. I retrieved the lube from my backpack and proceeded to lube Lisa’s splayed asshole. Lisa moaned as my slick fingers slid in and out of her asshole, taking the lube inside with them.

“Do you like this, slut?” I smiled at Lisa.

“Yes,” she hissed.

“Enjoy your little asshole while it’s still virgin,” I said. “It will soon be no longer virgin forever.”

“Yes,” she hissed, her asshole twitching.

“Your slut mom’s going to help you have a great anal defloration,” I said as I reached out and fondled Victoria’s ass with my free hand. “Isn’t she a great mom?”

“Yes,” hissed Lisa.

“She’s helping you lose your sweet ass cherry before she loses her own,” I said.

“Yes,” she hissed.

“You are a great mom, Victoria,” I said as I transferred pussy juices from Victoria’s leaky pussy to her asshole and worked them inside her ass.

“Thank you,” said Victoria, squeezing my two fingers with her asshole.

“We’ve missed last Mother’s Day, but remind me next Mother’s Day to give you a royal fucking,” I said.

“I am sure you are going to give me many royal fucking sessions before then,” she said.

“Of course,” I said. “Great moms must be celebrated and fucked royally every day.”

“Thank you,” she said.

“Hold the lube for me because both my hands are busy,” I said.

Victoria grabbed the lube, and I extended two fingers. She squeezed lube on my fingers, and I returned them to Lisa’s asshole. I removed the other fingers from Victoria’s asshole, and she squeezed lube on them. I pushed them back up her ass and proceeded to ream out her asshole.

“You can lube my big cock too,” I said.

She squeezed lube in her right hand and used it to stroke my hard cock.

“This is so much fun, isn’t it?” I said.

“Yes,” she hissed.

“I’ve never prepared two sweet virgin assholes for my big cock at the same time,” I said. “This is a hot experience for me. My big cock’s so excited about it.”

“Me too,” she said.

Lisa was ready for a third finger. I took my fingers out of her ass and extended three fingers. Victoria squeezed lube on my fingers, and I corkscrewed them up Lisa’s asshole, making her moan. I soon extended three fingers of my other hand, and Victoria generously added lube to them. I carefully squeezed them into her asshole.

“Lisa, does your sweet asshole know how much I love it?” I said, pushing my fingers deeper into Lisa’s ass.

“Yes,” she hissed.

“What about yours, Victoria?” I said, corkscrewing my other slid fingers up Victoria’s ass.

“Of course,” she hissed.

“They love me too,” I said.

“Yes,” they both hissed.

“Lisa, do you know that, if I fuck your hot virgin ass, no other cock can ever fuck it?” I said.

“Yes,” hissed Lisa.

“The same goes for you, Victoria,” I said.

“Yes,” hissed Victoria.

“Your three hot asses will only belong to me,” I said.

“Yes,” they both hissed, their assholes twitching around my fingers.

“You are all my whores,” I said.

“Yes,” they hissed.

Victoria laid the lube on the chaise and used her hand to spread her ass when my fingers went deeper inside it. My other fingers were all the way up Lisa's asshole. I twisted them and swirled them, reaming it out further. Victoria pushed her ass out, taking my fingers all the way in.

"You can't wait to take the big cock you are playing with up your slutty ass, can you?" I teased Victoria.

"No," she moaned.

"I'll make it mine and fuck it open," I assured.

"Yes," she hissed.

"Lisa, are you ready to get fucked up your virgin ass?" I said, stretching both assholes wide.

"Yes," hissed Lisa.

"Do you think she's ready to be mine?" I asked Victoria.

"Yes," she hissed.

"So are you, Victoria," I said. "You only have one hole for me to take to make you mine. She has two such holes. You are going to be mine before she does."

"Thank you," she said.

"You are a great mom after all," I said. "You deserve the best."

"Thank you," she said as I slowly withdrew my fingers from Lisa's stretched asshole.

"You can only thank me by being a good whore for my big cock," I said.

"I'll do that," she promised.

Lisa's asshole gaped slightly for a few seconds and then closed shut. It remained relaxed though. I extended my fingers, and Victoria squeezed lube on them. I applied the lube to Lisa's splayed asshole.

"Hold your own legs," I said, getting up. "Beth will spread your ass, and your mom will guide my big cock in."

Beth let go of Lisa's heels, and Lisa held them. I removed my fingers from Victoria's ass and I crouched astride Lisa's ass. Beth knelt behind me and spread her sister's ass. Victoria held my cock from behind and touched its engorged head to Lisa's offered asshole.

"Do you want it, bitch?" I said.

"Yes," hissed Lisa, trembling.

"Beg for it," I said.

"Please fuck my virgin ass," she begged.

"Do you want me to make it mine and fuck it royally?" I said, pressing into her asshole.

"Yes," she hissed.

Her asshole relaxed gradually as it accepted my cock head little by little.

"You got it," I said, shoving my cock into her ass.

My cock head popped up her ass, making her gasp.

"I am in," I smiled at her as I paused.

"It's big," she hissed.

"Aren't you proud that your little asshole belongs to my big cock?" I said.

“Yes,” she hissed.

Victoria stroked my hard shaft and teased my balls.

“Victoria, do you think they are ready to take on your sweet little daughter?” I said.

“Oh, yes,” said Victoria. “You have an incredible cock. She’s so lucky to have it.”

“Lisa, do you have my big cock, or does it have you?” I teased.

“It has me,” hissed Lisa.

“Do you want it all the way in, or is this enough for you?” I teased.

“I want it all the way in,” she moaned.

“You’ll get it,” I said as I held her ankles and started to thrust gently in her ass. “Spread your own ass, and I’ll hold your legs for you. Your sister and mom can sit back and watch. Thank them for what they’ve done so far.”

“Mom and Beth, thank you for what you’ve done for me,” said Lisa, spreading her ass.

“You are welcome,” said Beth and Victoria.

Beth and Victoria sat side by side

“My ass misses your fingers,” said Victoria.

“This is the last time it does,” I said. “It will soon only be able to miss my big cock.”

“I am looking forward to that,” she said.

My cock sank slowly into Lisa’s stretched asshole. When I was an inch deep past the head, I proceeded to fuck her ass with that inch. I was slow and gentle in the beginning, not going beyond the depth I had gained so far. Her asshole relaxed, and I thrust faster at that shallow depth. She moaned and gasped, her asshole twitching.

“Do you like this, you little bitch?” I said.

“Yes,” she gasped.

“You like getting your hot ass fucked?” I said.

“Yes,” she gasped.

“It wants my entire big cock though, doesn’t it?” I teased.

“Yes,” she hissed.

“I’ll give it more when it’s ready,” I said.

When her asshole relaxed enough to handle any pace, I started to change the pace frequently while maintaining the length and depth of the thrusts.

“I am going to come,” she gasped.

“Most of my big cock is still out,” I said. “Are you sure you want to come on only a little part of my cock?”

“I can’t help it,” she gasped. “You have an incredible cock.”

“I can feel how your sweet little asshole twitches around it,” I said. “You have an amazing asshole too.”

“I am coming,” she gasped, stiffening.

“You are an ass whore, aren’t you?” I teased, sticking to a fast pace.

“Only for you,” she gasped.

“Your little daughter’s an amazing girl, Victoria,” I said as I pinned her feet all the way down to the chaise.

“I can see that,” said Victoria. “She’s a horny little slut.”

Lisa convulsed, writhing underneath me. I held her down and kept fucking her twitching asshole with short fast strokes. She lost control, but I did not allow her asshole to pop off my cock.

“I wonder who she’s taking after,” I teased.

“You think she’s taking after her slut mom?” said Victoria.

“What do you think, Beth?” I said.

“She and I are,” said Beth.

Lisa finally calmed down and went limp. I fucked her ass slowly with that one inch of cock.

“Your little asshole loves my big cock that much?” I teased Lisa.

“It loves it much more,” she gasped. “You’ll see.”

“It loves *all* my big cock, doesn’t it?” I teased.

“Yes, and it wants it all inside it,” she gasped.

“I love your sizzling asshole, Lisa,” I said. “I’ll give it what it wants and spoil it rotten.”

“Thank you,” she gasped.

While she recovered, I gradually increased the length of my strokes, sinking another inch of cock up her ass. I then fucked her ass faster with that length of cock until she was ready for it. I changed the pace frequently like before, and she gasped and moaned her way to a new orgasm.

“I am going to come again,” she gasped.

“Your horny little asshole’s having a great time, isn’t it?” I teased, maintaining a fast pace.

“Yes,” she hissed.

“Come for me, my little ass whore,” I said.

“I am coming,” she gasped.

“Come, bitch,” I said as I pinned her down and drilled her ass vigorously with two inches of my cock.

She writhed under me, and her asshole twitched madly. I maintained my pace until she went limp.

“You have a great ass,” I said, slowly fucking her ass with the two inches of my shaft. “I am so glad it’s happy.”

“It’s so happy with your big cock,” she gasped.

“My big cock wants to keep it happy forever,” I said.

“I love your big cock,” she gasped.

“It loves you too,” I said.

Maintaining the slow pace, I sank my cock deeper and deeper little by little, opening up her sizzling insides and claiming more of her hot ass. I finally only had less than an inch outside her ass.

“I am most of the way in, Lisa,” I said. “I’ll soon be balls deep up your incredible ass.”

“I can’t wait,” she gasped.

She held her ass open wide for me, and I fucked it faster and faster with what I already had up her ass. She gasped and moaned, her asshole twitching frequently. I finally shoved the rest of my cock in, making her groan softly.

“I am balls deep up your sizzling ass,” I said, holding my cock all the way up her ass.

“I am coming,” she gasped, stiffening.

“Let your hot ass celebrated being all mine,” I said.

“Yes,” she gasped.

When her orgasm started, I started to fuck her ass with the last inch of my cock.

“This is going to be big,” she gasped.

“Show my big cock how big your love for it is,” I said.

She convulsed wildly, and I fucked her twitching ass with the entire length of my cock but with short fast strokes.

“I want this all the time,” she gasped when her orgasm subsided, leaving her limp.

“You’ll get more than your fair share of it,” I assured, thrusting gently in her ass. “Congratulations!”

“Thank you for taking my ass cherry,” she gasped.

“My pleasure,” I said. “Now that I’ve taken your sweet ass cherry, I’ll be taking your sweet ass very often.”

“Yes,” she hissed.

“That was incredible, Nick,” said Victoria. “Had I known ass fucking would have been this hot, I’d have been an ass whore all my life.”

“It can only be this hot when you are with the big cock you belong to,” I said. “In your case, it’s my big cock.”

“I can’t wait to be with your big incredible cock,” she said.

“It can’t wait either, but I have to finish training your slut little daughter’s hot ass first,” I said.

“Of course,” she said.

“You are so beautiful when you are happy,” I smiled at Lisa.

“Thank you,” she hissed.

She gasped when I wiped her drenched pussy with the pad of my thumb. I brought my thumb to her mouth, and she sucked it hungrily, moaning softly around it.

“Milk my big cock,” I said.

Lisa milked my cock with her asshole very gently at first.

“Are you ready for your anal training, bitch?” I smiled after a minute of anal milking.

“Yes,” she hissed.

“Victoria, please lube my big cock for the little slut’s little ass,” I said, holding Lisa’s ankles tightly.

Victoria lubed my cock thoroughly as I slowly thrust in Lisa’s ass.

“Let’s get to work,” I said.

“Fuck her horny little ass,” said Victoria.

“My ass is yours,” smiled Lisa as I picked up the pace.

“It will always be mine,” I said.

“Yes,” she hissed.

While I held Lisa in place and she spread her ass for me, I fucked her ass, changing the pace frequently. She sometimes moaned and sometimes gasped, and her asshole twitched occasionally around my cock. I maintained that for several minutes, feeling her asshole relax constantly.

“Nick, you definitely deserve her ass,” said Victoria. “Nobody else can ever be this nice to it.”

“It’s mine,” I smiled at Victoria. “I take good care of what belongs to me.”

“If she knows what’s good for her, she’ll never take it away from you,” she said.

“She’s a smart girl,” I said. “I never take stupid girls as my whores.”

“Thank you for making me your whore,” gasped Lisa.

“Thank me by never letting me down,” I said.

“I never will,” she gasped.

“You are a good girl, Lisa,” I said. “You deserve the best.”

“Please fuck my ass, Nick,” she gasped.

She was so close to orgasm maintaining a fast pace for a minute drove her over the edge.

“I am coming,” she gasped.

While she convulsed happily, I pounded her twitching ass hard. When her orgasm subsided, I slowed down.

“Do you want to get on your hands and knees and get your hot ass fucked from behind like a bitch?” I said.

“Yes,” she hissed.

“Victoria, do you want to spread your hot daughter’s ass?” I said, slowly withdrawing out of her ass.

“Sure,” said Victoria.

When Victoria moved closer, I pushed my cock into her mouth. She hesitated for half a second before she took my cock in. She soon deep throat it, and I fucked her throat.

“She tastes good, doesn’t she?” I said when I pulled out.

“Yes,” she said.

Lisa got into position while I lubed my cock. Victoria spread Lisa’s ass, and I squeezed lube on Lisa’s asshole.

“Beth, guide me into your sister’s luscious ass,” I said, aiming my slick cock at Lisa’s offered puckered orifice.

Beth pressed my cock head into Lisa’s asshole, and I pushed it in. It did not slide right in. Lisa’s asshole clenched a little before it relaxed and let my cock head pop in. Beth pulled her hand away and watched. I held Lisa’s hips, and a few firm thrusts drove my cock all the way up her ass. My balls touched Lisa’s dripping pussy, making her gasp.

“Does it feel good?” I asked, pausing.

“Yes,” hissed Lisa.

“Enjoy,” I said, thrusting in her ass.

Victoria held her daughter’s ass open and watched me fuck the stretched little asshole at an easy pace.

“It’s beautiful, isn’t it?” I said.

“Yes,” said Victoria.

“It feels great too,” moaned Lisa.

“Do you think your little sister’s tight ass was made for my big cock or not?” I asked Beth.

“I think it was,” she said.

“Do you want to share my big cock with her?” I said.

“Sure,” she said. “I want my little sister to be happy.”

“Thanks, sis,” said Lisa.

“You are welcome,” said Beth.

“I love fucking this hot ass,” I said, picking up the pace.

“Fuck it, Nick,” moaned Lisa. “I am your whore.”

“I am going to fuck your hot ass silly,” I assured.

“Yes,” she hissed.

“When I am through with it, your tight asshole will be loose,” I said.

“I want it like that,” she gasped.

“You have a cock-craving ass, don’t you?” I teased.

“Yes,” she hissed.

Lisa fucked back energetically, and the pace accelerated constantly. My balls started to slap her leaky pussy.

“Fuck my ass hard,” she gasped.

She soon stiffened and came.

When Lisa’s orgasm subsided, I pulled out of her ass and aimed my cock at Beth’s face. Beth eagerly took my cock into her mouth and deep throated it. When she was done, she guided my cock back into her sister’s ass.

“Your sister has a delicious asshole, doesn’t she?” I said.

“Yes,” said Beth. “Fuck it for her.”

“With pleasure,” I said as I held Lisa’s hips and thrust in her spread ass.

Lisa fucked back all the way to orgasm.

While she recovered, I repeatedly pulled all the way out of her ass and then pushed my cock all the way in to train her asshole on easy penetration. When her asshole reflexes improved, I fucked her ass to orgasm.

“It’s your turn to suck it, Lisa,” I said, pulling out of Lisa’s ass.

Lisa turned around and deep throated my cock for a few minutes.

“Are you ready, Victoria?” I said.

“Yes,” said Victoria excitedly if nervously.

“Lisa, lie back, and pull your legs over your head,” I instructed. “Victoria, get on your hands and knees on top of hers. I’ll fuck her ass gently while she spreads yours so I can get it ready for my big cock.”

“Okay,” said Victoria as Lisa assumed the position.

Victoria climbed on top of Lisa after I adjusted Lisa’s position. I lubed my cock and pushed it into Lisa’s offered ass. I thrust gently in Lisa’s ass while I adjusted Victoria’s position.

“Your fantastic ass will soon be mine,” I said as Lisa spread her mom’s ass.

“I can’t wait,” said Victoria.

Victoria's pussy was already soaked when I lowered my mouth to her asshole. I fondled her tits and pinched her nipples while I sucked and probed her asshole with my tongue. She gasped and moaned, squirming and pushing her ass into my face. Meanwhile, I thrust gently in Lisa's ass. I occasionally fondled her tits and pulled on her nipples.

Beth teased her leaky pussy while she watched.

"Wipe your pussy juices on the single virgin asshole in the house," I said to Beth.

"You are dirty," she smiled as she wiped her dripping pussy with her fingers.

"If I were dirty, I wouldn't lick it clean," I said.

Beth wiped her wet fingers on her mom's asshole, making it glisten, and I licked her juices off. I scooped Lisa's juices off her pussy with my thumb and wiped it on Victoria's asshole, which I licked clean again. I finally used my thumb to transfer Victoria's copious pussy juices to her asshole and licked it up.

"Victoria, your sweet asshole's delicious in any dressing and without any dressing," I said.

"Thank you," said Victoria. "Enjoy."

"I am enjoying myself," I said. "What about you?"

"I love it," she said.

Victoria's asshole opened up and accepted my tongue tip. I probed it and ate it seriously, and she humped my face more and more urgently. Her orgasm neared slowly but surely, and that reflected on her moaning and humping.

"I am going to come," announced Victoria soon.

Gasping, Victoria humped my face urgently. I ate her twitching asshole more and more hungrily.

"I am coming," she gasped, stiffening.

She convulsed, and her asshole twitched madly around my tongue. I tongue fucked her asshole as hard as I could while she writhed in ecstasy.

"I have a very horny asshole," gasped Victoria when her orgasm subsided.

"I love horny assholes," I said, grabbing the lube. "I'll leave yours sated."

"Yes," she hissed as I squeezed lube on her asshole.

She moaned and squirmed as I used one finger to work the lube inside her asshole. I squeezed a second finger in and proceeded to ream out her asshole. Within a few minutes, she was ready for a third finger. I added lube and squeezed my ring finger in. She groaned as I corkscrewed my fingers all the way up her ass. I spent a few more minutes stretching her asshole with my three fingers.

"You are ready," I said, twisting my fingers within her ass.

"Yes," she hissed.

"What do you want, my dirty whore?" I said.

"I want your big cock balls deep up my virgin ass," she moaned, squeezing my fingers with her asshole.

"You want to be my ass whore like your slut daughters?" I said, gently finger fucking her ass.

"Yes," she hissed.

"If you want to get fucked up your slutty ass like the dirty bitch I think you are, you have to beg for it," I said.

"Please fuck my virgin ass with your big cock, and use me like a dirty bitch," she moaned, her asshole twitching.

"Beth, guide me in," I said, pulling my fingers out of Victoria's ass and my cock out of Lisa's ass.

Beth lubed my cock as I crouched astride the chaise, aiming my hard cock at her mom's virgin asshole. She squeezed lube on her mom's splayed asshole before she held my shaft and pressed my cock head into the waiting hole.

"Here you go, Victoria," I said, pushing in.

"Yes," gasped Victoria as my cock head popped up her ass, stretching her asshole wide.

"How does it feel?" I said, pausing.

"It feels bigger than it looked," she moaned.

"Your little asshole's going to have a big feast," I said.

"Yes," she hissed.

"Milk my big cock, baby," I said.

She proceeded to milk my cock, and her asshole relaxed gradually as she did that. I thrust gently.

"Do you want me to break your tight asshole in like I did Lisa's, or do you have something else in mind?" I said.

"My ass has been virgin all its life," she said. "You are the expert, lover. Do whatever you want to it."

"Nick, the way you did my ass was perfect," said Lisa. "I am sure she'd love it."

"Spread her ass wide like she spread yours, and let's do it," I said.

"Sure," said Lisa, spreading her mom's ass wider.

Opening up Victoria's virgin ass was as much fun as opening up Lisa's. I made Victoria come three times long and hard by the time I was balls deep up her sizzling ass. She spent most of the time promising to be a perfect whore for me. She also sang my praise.

Beth eagerly swallowed my cock when I offered it to her. She deep throat it hungrily. I lubed it thoroughly and returned it to her mom's no-longer virgin ass.

"Milk my big cock, you hot slut," I said before starting Victoria's anal training.

Victoria milked my cock happily. I put her hot ass in its paces, changing the pace frequently, and she enjoyed every second of it. Her asshole relaxed constantly before it finally exploded to orgasm.

"I am so happy I saved my horny ass for you," gasped Victoria.

"I am even happier you did," I said. "You have a fantastic ass, and it's all mine."

"Yes," she hissed.

"Get on your back, and spread your hot ass for me," I said, pulling out of her ass.

As Victoria got into position, Lisa welcomed my cock down her throat. I let Lisa deep throat my cock hungrily for a few minutes. I kissed Victoria's drenched pussy deeply, sucking most of her copious juices. I kissed her asshole, sticking my tongue deep inside it. She moaned and milked my tongue with her asshole. I finally lubed her splayed asshole and impaled it with my cock. I fondled her tits while I fucked her ass at an easy pace.

Victoria held her horny ass open for me. I repeatedly popped my cock out of her ass and popped it back in. I soon picked up the pace and fucked her hot ass hard. She came several times.

"Are you ready to suck it?" I said as I pulled out of her ass and sat her up.

She pounced on my cock and swallowed it all down her throat. I fucked her throat for a few minutes.

"I want the last cherry in the house," I said, looking at Lisa as I thrust in her mom's throat. "Is it ready for me?"

"Yes," hissed Lisa.

“Take your mom’s place, and see what we can do with it,” I said.

Lisa and her mom switched places, and Lisa opened herself for me obscenely.

“This is the last time I can eat your sweet pussy while it’s still virgin,” I said.

“Yes,” hissed Lisa.

Victoria fondled my hard cock while I feasted on her daughter’s virgin pussy. Lisa leaked constantly, and I enjoyed myself, making her squirm and hump my face. I finally picked up the pace and made her gush in my eager mouth.

“Beg for it, baby,” I said.

“Please take my pussy cherry, and make me all yours,” begged Lisa.

“You got it, slut,” I said as I touched my cock head to her pussy.

Lisa squirmed and moaned as I teased her leaky pussy with my cock head.

“I can’t wait to have you all for me,” I said.

“Me neither,” she gasped.

When she was so horny and relaxed and she least expected it, I shoved my hard cock into her virgin pussy. She lost her cherry and gasped, stiffening, instantly. I paused for a few seconds before I started thrusting gently in her extremely tight pussy.

“I am coming,” she gasped.

She was convulsing in orgasm by then. I held her legs by the ankles and thrust in her twitching pussy. Her gushing juices helped me drive my cock deeper. I hit bottom before her orgasm subsided, but that started a new orgasm, which was harder than the previous one. I fucked her pussy gently while she writhed under me.

“You are all mine, Lisa,” I said.

“Yes, I am all yours, Nick,” she gasped.

When Lisa’s orgasm subsided, I fucked her gently. I gradually picked up the pace. I was not too hard on her. I made her come half a dozen times.

“I am going to fill your tight little pussy with hot sticky come,” I announced.

“Yes, please, Nick, give it to me,” she gasped as she approached her next orgasm.

When she came, I let her orgasmic spasms drain my balls deep in her pussy.

“I am flooding your hot pussy with come, baby,” I said.

Her orgasm peeked, and she came harder than any time with her pussy.

“Congratulations, Lisa,” I said, smiling, as I leaned over her.

Our lips met, and we kissed passionately for a few minutes. We broke the kiss a few times because she was out of breath. She was very eager to kiss me though.

“Thank you, Nick,” she gasped when we broke the kiss for the last time.

“Thank you, Nick, for being so nice to my sweet daughter,” said Victoria.

“I was nice to her because she was very sweet, not because she was your daughter,” I said. “She was very sweet because she was your daughter though.”

“Thank you, Nick,” she said.

“You are welcome,” I said.

---

We took a short break. Victoria helped Lisa clean up, and I washed up.

“Let’s go to the master bedroom,” I said to Victoria. “I want to fuck you all, you hot sluts.”

Victoria led the way to her bed, and her daughters and I followed. I fondled Beth’s and Lisa’s asses on the way.

“Are you excited that you are going to get fucked royally with your slut mom and sister, or do you prefer massages?” I teased Beth.

“I love this, but maybe we can try the massages at another time,” she said.

“Maybe when your dad’s home,” I teased.

“Yeah, right,” she said.

“You think he wouldn’t let you massage my big cock while we watch TV after dinner?” I teased. “If he wouldn’t, I could let your little sister do it.”

“He’d be massaging your ass,” she said. “Everybody calls it ass kicking.”

“Your dad’s hot wife and sweet daughters are my whores,” I said. “He can’t kick my ass. You’ll soon whore yourselves to me freely in front of him. Your mom will be able to give me long nice blowjobs while I talk with him.”

“Dream on,” said Beth as we entered the master bedroom and locked the door.

---

“Suck my big cock together,” I said.

Victoria and her daughter got on their hands and knees on her marital bed in front of me. I thrust my hard cock, and they proceeded to suck it and deep throat it lovingly.

“That’s it, babies,” I said, fondling their rocking asses. “This is what hot sluts in your caliber should be doing.”

They moaned happily, pushing their asses into my hands. Their pussies leaked freely, and I worked their juices into their tight assholes, which milked my fingers.

“Victoria, turn around,” I instructed. “Your daughters will spread your luscious ass for me.”

Victoria was in the middle. She turned around, and each of her daughters pulled an ass cheek out. I lubed her asshole thoroughly and stuffed it with my hard cock, making her moan.

“Fuck our slut mom’s ass, Nick,” urged Beth. “Make her happy.”

“I am so happy,” moaned Victoria, thrusting her ass into the base of my hard cock.

“I’ll make you happier, Victoria,” I said, picking up the pace. “Do you want that?”

“You bet,” she gasped.

Beth sucked my cock after her mom’s first anal orgasm, and Liza deep throated it after her mom’s next orgasm. I repeated that with Victoria’s pussy.

“Replace your mom,” I said to Beth.

Beth and her mom swapped places, and I fucked Beth’s ass, letting her mom and sister suck my cock after that. I also fucked her pussy and let them suck her juices off my dripping cock.

“Your turn, Lisa,” I said.

Lisa and Beth swapped places, and I treated Lisa like I treated her mom and sister.

“Swap places with your mom, but keep your ass my way,” I said to Lisa. “Beth, turn around.”

They all knelt in the doggy position with Victoria in the middle. I started with Beth’s ass and made my rounds, occasionally fucking a random drenched pussy to orgasm. Victoria got her ass fucked twice as much as each daughter.

“This is unbelievable,” gasped Victoria. “Our stud never quits.”

“You expect me to quit and leave my hot sluts unsatisfied?” I said.

“Everybody else does that,” she gasped.

“That’s why we are here, isn’t it?” I said.

“Yes,” she gasped.

“Enjoy,” I said.

“Beth, your boyfriend’s the most incredible lover I’ve ever seen or heard about,” gasped Victoria.

“He sure is,” said Beth.

“Suck it,” I said about an hour later.

They all turned around and deep throated my cock eagerly for several minutes.

“Get on your backs with your feet behind your heads,” I instructed, slapping Victoria’s face with my sticky cock.

They obliged me right away. I lubed their asses thoroughly and resumed fucking them.

“I am not complaining, but are you going to fuck us until my husband comes home?” gasped Victoria.

“Is that what you want?” I asked.

“He comes home at dinnertime,” she gasped. “I wouldn’t mind if you fucked them till then, but I need about an hour to make dinner.”

“When are you going to leave me with the little sluts?” I asked.

“At five,” she gasped.

We changed positions a few times, and Victoria left us at five, her ass full of come.

“Nick, let’s move to my room,” said Beth. “We need to make the bed and air this room too.”

“Go for it,” I said as I led Lisa to Beth’s room.

---

Beth joined us in her bed when Lisa was halfway through reviving my cock. I let them suck my cock together for about half an hour to bond.

Each girl had four anal orgasms before their mom called us for dinner.

“We smell of sex,” said Beth. “I am sure dad would easily pick that up.”

“Your mom must smell of sex too,” I said. “She didn’t take a shower.”

“That was dumb,” she said. “What if he smelled sex on her?”

“You think he’d know that I’ve been drilling his wife and daughters together in every hole they have?” I teased.

She punched me.

“Relax,” I said. “Just wash up your slutty pussies quickly. I’ll wash up my cock and balls.”

---

Beth's dad was sitting at the head of the dining table. When I guided Beth's left hand to my bare hard cock, she looked at me, yanked her hand away and panicked. I smiled at her. She did not know what to do.

"Can you please get me a small piece of butter or cooking oil?" I asked Beth.

Beth looked at me strangely.

"Never mind," I said. "I think I have some coconut oil with me," I said.

"What do you need it for?" asked Victoria from opposite of Beth.

"I need a little for my hand," I said as I reached inside my pocket.

Beth was the only one who saw what I was doing. I took some coconut oil on my left hand and wiped my hand on the underside of my cock.

"Just like this," I said, showing Victoria my left hand with a hint of shine on it. I lowered my hand to my cock. "I'll now retire my hand and keep it in my lap."

Beth looked in disbelief as I slowly stroked my hard cock, rubbing the oil into it.

"Are you crazy?" she whispered to me as she leaned toward me. "You'll get your ass kicked."

"This is massage," I whispered, smiling. "It's okay."

She shook her head and returned to her food.

"Mr. Conkley, do you know what Beth was whispering about?" I teased, looking at her dad, while stroking the entire length of my cock.

"What?" he asked.

"I think she feels guilty about this afternoon," I teased.

"Why is that?" he asked as Beth looked in panic.

"We had a wonderful time by the pool this afternoon," I said. "We missed you. You really missed it."

"What did you do?" he asked.

"The first thing we decided to do was skinny dipping," I said.

"Nick!" glared Beth.

"Beth's scared," I said. "She thinks you'll get mad at her if she did a little skinny dipping. Some people think skinny dipping is like having sex. In reality it isn't much different from normal swimming. What do you think?"

"It's a little different," he said. "It has full nudity."

"Most of the swimsuits girls wear these days don't cover anything anyway," I said.

"That's true," he said.

"Mrs. Conkley, did you enjoy skinny dipping this afternoon?" I asked.

"We didn't do any skinny dipping," said Victoria.

"Mrs. Conkley, you ruined it completely," I said. "I am trying to show Mr. Conkely what he missed, and you come forward and ruin it all."

"Sorry," she said. "I didn't know what you were trying to do."

"At least, we did the fun part," I said.

“What fun part?” she said.

“We got naked,” I said.

“Yes,” she said.

Beth was still nervous, and I was still stroking my oiled cock.

“You all looked more beautiful like that,” I said.

“Thank you,” she said. “So did you.”

“Thank you,” I said.

“Mr. Conkley, there was a lot of beauty on your deck, more than there is at your dining table now,” I said.

“I guess I missed it,” he said.

“What do you think, Beth?” I said. “Don’t you think he missed a lot of fun?”

“Yes,” said Beth.

“Lisa, didn’t you have a lot of fun?” I said.

“Yes,” said Lisa cheerfully. “I loved it.”

“I even loved it,” I said. “I guess everybody likes to look beautiful every once in a while.”

“Nick, mom was just being nice to you,” teased Beth. “Don’t take it seriously. Especially don’t brag.”

“You don’t have to be this jealous,” I said as I took her left hand and pulled it to my cock.

She tried to pull her hand away, but I held it tightly and touched it to my cock. She finally gave up and wrapped her fingers around my hard cock. I worked it up and down until she took over stroking my cock.

“Jealous about what?” she asked.

“Jealous of Lisa,” I said. “She’s no longer a little girl. She’s now a very sexy young woman, and she knows it.”

“Thanks, Nick,” said Lisa.

“I am not jealous,” said Beth.

“Says the big sister,” I said. “I bet you are even jealous of your mom. She’s a beautiful woman too.”

“Thanks, Nick,” said Victoria.

“I am still a sucker for holding hands,” I said, keeping my left hand hidden although Beth was doing the work.

“I’ll kill you if we get caught,” hissed Beth.

“No, you wouldn’t, because you’d be dead,” I teased.

“We’ll see,” she said.

“I am not done with you and your slut mom and sister,” I whispered. “I’ll fuck you all while your dad’s home. My big cock’s now well lubed. It’s in the mood for a nice anal massage. I’ll grab your mom as soon as he turns his back.”

“We won’t let you do that,” she hissed.

“If you don’t want your horny ass to get fucked in front of your dad, I am sure Lisa will entertain me,” I whispered. “She may become my number one girlfriend because her sister has become a bitch instead of being *my* bitch.”

“I am massaging your big cock, and you call me a bitch?” she whispered.

“My girlfriend has to do better,” I hissed. “For example, spread your legs. I want to taste your pussy on my fingers.”

She spread her legs. I stealthily reached between her legs and dipped my middle finger into her leaky pussy.

“You are so wet,” I whispered.

“Of course,” she hissed.

My finger glistened when I returned it. I held Victoria’s eyes as I sucked it.

“This is so delicious I am going to help Mrs. Conkley clear the table,” I announced.

“Thanks,” said Victoria.

“Why don’t you clean it alone?” asked Beth.

“If I did that, you may find some plates in your socks drawer,” I said. “Anyway, your mom appreciates my help.”

“Of course,” said Victoria.

“I think she knows that I am going to fuck her hot ass as soon as your dad walks away,” I whispered.

“Dream on,” said Beth.

“If you keep this up, your dad will catch us,” I teased.

She pulled her hand away. I wrapped my cock with a napkin and tucked it in.

---

Everybody got up. As soon as Beth’s dad walked away, Beth saw me take my oily cock out.

“Bend over the dining table, Victoria,” I said lowly but both Beth and Lisa heard me.

“You are definitely the horniest guy in the world,” said Victoria, bending over the table.

“Lisa, let’s get out of here,” called Beth, rushing out of the dining room.

Victoria was so horny she came as soon as my hard cock entered her dripping pussy. I held her hips and shoved my cock the rest of the way in,

“You are such a horny bitch,” I teased as she convulsed in my hands.

“Yes,” she hissed.

When she went limp, I moved my dripping cock to her asshole. I grabbed her hips and pumped her horny ass for a minute. That was all she needed to come. I knelt down and lapped up her juices as soon as her orgasm subsided.

“Suck it clean,” I instructed, getting up.

She dropped her head knees and deep throated my cock eagerly. I gave her a deep kiss and zipped up.

“Find a good way to tell him that I’ve fucked Lisa,” I said as I walked away.

---

Beth and Lisa were sitting on either end of the sofa. I sat between them.

“I am sorry I didn’t get to help your mom,” I said lowly. “I just fucked all her holes, and she came twice.”

“She came twice already?” said Beth as I pulled the two of them to me.

“She was so horny,” I said. “She loved the fact that her lover was fucking her where her husband could hear her if she gasped a little loudly.”

“You’ve corrupted us all,” she said.

“You all love it,” I said.

“That’s the definition of corruption,” she said.

“Let’s make out,” I said. “After I fucked his wife in his presence, he shouldn’t complain about my making out with his daughters.”

“You are so disrespectful,” said Beth.

With a hand holding each ass, I kissed Lisa.

“What are you going to say if dad caught you make out with Nick?” asked Beth.

“I’ll figure out something,” said Lisa as I kissed Beth.

“Tell him you did that because I was feeling up your hot ass,” I said.

They took turns on my mouth. Each turn was about five seconds.

“You’ll soon be able to take turns making out with my big cock,” I said.

“Dream on,” said Beth.

---

Victoria came from the kitchen and sat in her husband’s lap while he sat in his chair.

“Why are you sitting in my lap?” asked John.

“If Nick can make out with the girls, I can sit in my husband’s lap,” said Victoria.

John looked toward us and verified that I was actually making out with both girls.

“Why is he making out with both our girls?” he asked.

“I can tell you, but you have to promise not to get mad,” she said.

“Why would I get mad?” he said.

“Maybe because he’s making out with both and he may take them both to bed,” she said.

“Would he really take the two of them to bed?” he asked.

“Why not?” she said. “They both adore him, and there is no sane boy who’d say no to two sisters as sexy as our daughters. Our baby girl has developed some big ripe tits.”

“Victoria, I don’t need to know about that,” he protested.

“I am just telling you that she’s no little girl anymore, and they both know it,” she said.

“Is that why she’s making out with her sister’s boyfriend?” he said.

“Are you going to promise so I can tell you or not?” she asked.

“Okay, I promise,” he said.

“Today’s Lisa’s big day,” she said.

“What do you mean?” he asked.

“He deflowered her today, and it was so much better than anything she could have dreamed about,” she said.

“He deflowered his girlfriend’s sister?” he asked.

“In every virgin little hole she had, and it was wonderful,” she said.

“What do you mean by every virgin little hole she had?” he asked.

“Do you want me to tell you the story while they make out?” she asked.

“Yes,” he said.

“It started with the sunscreen rub,” she said. “It was so romantic.”

“What’s so romantic about a sunscreen rub?” he asked. “It’s copping cheap feels.”

“He didn’t cop cheap feels,” she said. “We are talking about Nick here, not a stupid jerk.”

“Okay,” he said. “Tell me about it.”

“We were all naked,” she said. “We’d decided to skinny dip.”

“Didn’t we say that was a joke?” he said.

“We didn’t skinny dip, but we actually got naked,” she said. “He’d rubbed sunscreen on me, and he was very nice. He then moved to her. He rubbed sunscreen on every square millimeter of her skin, using his big beautiful cock.”

“He did what?” he said.

“He touched every part of her body with his gorgeous cock,” she said. “She had a wonderful time.”

“She let him do that?” he asked. “I can’t believe it.”

“She adores him,” he said. “She’d let him do anything to her.”

“Where were you when that happened?” he asked.

“I was there, watching,” she said.

“You let him do that?” he asked in disbelief.

“I wanted my baby girl’s big day to be perfect,” she said.

“I can’t believe that,” he said.

“Our daughter could be the only girl you’ve ever seen who had a gorgeous cock touch every part of her skin, including her ears and eyes,” she said.

“That isn’t such an achievement,” he said.

“Imagine you were in her age and beautiful woman touched every cell in your skin with her lovely tits,” she said. “Would you think that wasn’t such an achievement? Who should judge your achievements? You or others?”

“Okay, so he rubbed her skin like that,” he said.

“His mouthwatering cock head ended at her sweet innocent lips,” she said. “It was a beautiful dance as that juicy cock seduced her innocent lips gradually, opening them and sinking between them ever so slowly. It tantalized her and made her mouth water as he made her hunger for more and more of that delicious cock.”

“Why are you talking like that?” he asked.

“I am reliving the moment,” she said dreamily. “I can see that gorgeous cock dance at her sweet lips, showing them that they can’t resist it, inviting them to resist it and showing them that they were completely powerless. The engorged head leaked inside her innocent mouth, corrupting it and corrupting her ever so slowly. It was a beautiful dance. It ended with the complete surrender of her mouth. Our beautiful daughter’s innocent mouth was so perfect for that gorgeous cock. It surrendered, but the big juicy cock teased it endlessly, showing it that it was the victor. That was the most romantic thing I’ve ever seen. It was perfection. There was my Titanic.”

“You read all that into it?” he said, looking at her in disbelief.

“Our daughter’s boyfriend’s an incredible lover,” she said. “He played her like a violin. His big cock didn’t only conquer her sweet mouth. It conquered her completely. It showed her that her whole being belonged to that big cock.”

“She belonged to it?” he said.

“When her sweet mouth surrendered to that big cock, his beautiful cock didn’t quit,” she said. “It continued to tease that mouth and show it that those sweet lips were only made to kiss it, suck it and surrender to it. It explored that innocent mouth slowly, claiming it, and then it went inside, claiming her hungry throat. That kid’s big beautiful cock went balls deep down our lovely daughter’s hot throat.”

“He went all the way in her mouth?” he said.

“Yes,” she said. “He claimed her entire mouth and throat,” she said.

“He must have been small,” he said.

“Don’t belittle your daughter and her achievements,” she said. “That sweet girl swallowed the biggest cock I’ve ever seen down her throat. She made me jealous. I’d never been able to do that for smaller and skinnier cocks. She did it for that beautiful cock that she belonged to, and that gorgeous cock appreciated what she did for it.”

“Really?” he said.

“My mouth watered,” she said. “I wished I were a teen. I wanted to be that beautiful girl that gave herself to that wonderful cock with complete devotion. That amazing kid sensed that. He asked me if I wanted my little daughter teach me. I didn’t have to dream and wish. I could have it just like she did. He gave me a chance to be a teen again. His gorgeous cock has asked me for that beautiful dance. It wanted to dance with my lips. It thought that my lips were good enough for it and maybe made for it.”

“What?” he said.

“Our sexy little daughter taught me how to open up for that magnificent cock and give it all of my mouth,” she said. “She helped me surrender to that powerful cock.”

“You sucked his cock?” he said.

“Hush!” she said. “Did you go nuts?”

“Did you suck it?” he said lowly.

“Slow down,” she said. “You are ruining my story. First, let’s show you how our sweet little daughter can give herself to that breathtaking cock.”

“What are you going to do?” he asked.

“Lisa, come here, sweetie,” called Victoria.

Lisa blushed and got up. She nervously walked to her mom.

“Sweetie, are you a big girl?” asked Victoria lowly.

“Yes,” hissed Lisa.

“Your dad can’t wrap his mind around that,” said Victoria. “He can’t believe that such a sweet innocent girl can give herself completely to her lover’s big mouthwatering cock. Do you think you can suck that big juicy cock and make your mommy and daddy proud of you? Can you show your daddy how your wicked little tongue can dance with that big powerful cock? Can you show him that you’ve matured over five years just this afternoon?”

“Do you want me to suck it?” asked Lisa in disbelief.

“Sweetie, sweet girls like you don’t suck cock,” said Victoria. “They sing and dance with the cock. They can paint masterpieces with that beautiful cock. Can you give your lover the best blowjob possibly can for your daddy?”

“I am sure I can,” said Lisa.

“I know you can,” said Victoria. “You’ll make your lover and your family all proud.”

Lisa returned to us and knelt before me.

“Lisa, what are you doing?” asked Beth as Lisa reached for the front of my shorts.

“Hush, Beth,” said Lisa lowly. “Sit back, and watch. I am putting on a show for daddy.”

“What?” said Beth in disbelief.

Beth looked at her mom and dad and found them watching Lisa intently.

“Did everybody go crazy today?” said Beth lowly.

“Shut up, sis, and watch,” said Lisa.

Lisa took off my shorts and boxers, setting my hard cock free.

“This is such a beautiful cock,” whispered Lisa. “I am going to show it how beautiful I think it is.”

She was like a feather touch as she kissed, teased and licked my throbbing cock with her tongue tip.

“I love this cock,” whispered Lisa.

She gave my cock and balls a teasing tongue bath before she stopped at the top.

“I’ll make daddy wish it were his cock,” Lisa smiled at me.

Her tongue danced and floated on my cock head for a few minutes. She took it slowly into her mouth, and teased it with the inside of her lips. It leaked inside her mouth. She took over ten minutes to work her lips all the way down my shaft. My cock was finally all the way down her throat, leaking past her throat.

Lisa took her mouth off my cock and got up. She took my hand and pulled me gently. I got up and followed her as she led me to her dad. Victoria was sitting in his lap across his legs.

“Mom, let’s share dad’s lap,” said Lisa.

Victoria sat on her husband’s right leg, and Lisa sat on her dad’s left leg. Lisa pulled her dad’s left arm around her and leaned to the side to wrap his other arm around her mom. He took the hint and obliged her. She pulled me to her.

“Can you see how beautiful his big cock is?” said Victoria lowly.

Lisa took my throbbing cock in her mouth. She sucked it and teased it with her tongue so unhurriedly.

“Can you see, honey?” said Victoria lowly. “This isn’t cock sucking. This is a dance. This is our sweet daughter showing us that she’s a magnificent woman. Isn’t she so beautiful?”

“Yes,” he said absentmindedly.

“This is our daughter, honey,” she said. “I am so proud of her. Aren’t you?”

“Yes,” he said.

Lisa pulled her mom’s head toward my cock with her right hand as she pushed me a little toward her mom while her tongue danced on my cock head. Victoria stuck her tongue out, and both tongues danced on my leaky cock head.

“Mom, show him what I taught you,” said Lisa as she pulled back and pulled her mom and me together. “Show daddy you are the most beautiful woman, wife and mother he’s ever seen.”

Lisa and her dad watched her mom’s tongue dance around my cock head. Beth watched from a far. I beckoned her with my finger. She hesitated for several seconds before she got up and walked to me hesitantly.

While Victoria's tongue teased my cock, I bent over and kissed Lisa's mouth deeply.

"Use your lips, Victoria," I said lowly as Beth stood next to me. "Show my big cock what you are."

"Tell that delicious cock what you are," said Lisa lowly. "I am sure daddy won't get mad at you. Right, daddy?"

"Yes," he said lowly.

"I am your little cocksucker, beautiful," Victoria told my cock lowly.

"Show it that you mean it," I said.

Victoria slowly let my cock sink in her mouth. I was finally balls deep in her mouth.

"Show daddy you can be a dirty cocksucker too," said Lisa. "Let him fuck your throat like a dirty little whore."

Victoria sucked my cock faster. I thrust in her throat as I held the back of her head.

Lisa got up and bent over, bracing her hands on the left armrest and pushing her ass toward me.

"Daddy, spread my ass," said Lisa lowly. "Let me show you that I am a big girl."

Beth looked at me. I motioned her to hand me the lube, and she did. I pulled out of Victoria's mouth and gave it a deep kiss. I squeezed lube on Lisa's asshole. Lisa guided her dad's hands to her ass, and he spread it tentatively. Lisa moaned as I used my cock head to work the lube inside her asshole.

"Watch her beautiful ass," said Victoria lowly when my cock head popped in Lisa's asshole for the last time.

"Yes," hissed Lisa.

More of my hard cock sank up Lisa's ass as I held her hips and thrust gently up her ass.

"Watch that beautiful cock claim her sweet ass," whispered Victoria.

"Show them I am your little whore, Nick," gasped Lisa.

My cock sank slowly up her ass, pulling out a little and pushing in a little deeper. When my balls touched her leaky pussy, she gasped and stiffened.

"Watch her tight asshole come for the big cock it belongs to," whispered Victoria.

Lisa convulsed in orgasm. She lost all control and writhed around my cock. I held my cock for her, and she shook.

"She's lost her control," whispered Victoria. "She's surrendered to the big powerful cock that owns her hot body."

"Yes," gasped Lisa.

Lisa's orgasm finally subsided, leaving her gasping for air. I pulled out and kissed her asshole gently.

"Nick, show him how powerful you are," said Victoria as she got up and bent over the other armrest.

"Yes, Nick," said Lisa, getting up and grabbing the lube from Beth. "Show him how beautiful mom really is."

Lisa squeezed lube on her mom's asshole. She then guided her dad's hands to her mom's ass.

"See how pretty it is, dad," whispered Lisa. "See it surrender to that big cock."

Lisa's dad spread her mom's ass, and she guided my cock to her mom's splayed asshole.

"Yes," hissed Victoria and Lisa at the same time as my cock head popped past Victoria's asshole.

"You have a wonderful ass, Victoria," I said lowly as I held Victoria's hips and thrust gently.

"Take it, lover," hissed Lisa. "Show daddy how perfect it can be."

"It's so hot and tight," I said lowly as my cock sank slowly up Victoria's offered ass.

“Let your big cock go so deep inside it,” whispered Lisa. “Show her that she can’t resist it. Show her she’s yours.”

Victoria gasped and stiffened. I was halfway up her ass.

“Yes,” hissed Lisa. “She’s surrendered to the big beautiful cock.”

“Have you really surrendered, Victoria?” I asked as Victoria convulsed around my cock.

“Yes,” gasped Victoria. “I’ve surrendered to the most powerful cock I’ve ever seen. My ass belongs to you, lover.”

“Thanks you,” I said, thrusting in her writhing ass. “Your ass is so beautiful.”

“It’s yours,” she gasped.

Victoria had a gut-wrenching orgasm as I thrust hard in her twitching ass. When her orgasm finally subsided, I was balls deep up her ass.

“I have another hole you haven’t taken, lover,” said Lisa, bending over the left armrest like before. “Take it.”

My cock was still balls deep up Victoria’s ass. I pulled it out and gave her asshole a deep kiss. I then pushed my cock into Lisa’s dripping pussy.

“Take my pussy too,” gasped Lisa as my cock penetrated her hot pussy. “Show them it’s yours too.”

When my cock sank balls deep in Lisa’s tight pussy, Lisa gasped and came.

“See?” gasped Lisa. “It’s all yours.”

Lisa writhed around my cock, drenching it with her copious juices. Victoria was still bent over.

“Do mom now,” gasped Lisa when her orgasm subsided.

Victoria had her dripping pussy pushed out when I pulled out of Lisa’s pussy. My glistening cock sank in Victoria’s hot pussy effortlessly. I held her hips and thrust firmly. She stiffened when I was all the way in.

“I am coming,” gasped Victoria.

“Yes, mom,” whispered Lisa more to her dad than her mom. “Surrender your little pussy to that big fat cock.”

Victoria came hard, drenching my cock in her juices. I finally pulled out.

“Show daddy you belong to Nick’s big cock too,” Lisa said to Beth, pushing her to take her previous position.

Beth absentmindedly took Lisa’s position, pushing her ass out. Lisa squeezed lube on Beth’s offered asshole. I skewered Beth’s asshole and held her hips.

“Show daddy she has a horny ass too,” urged Lisa. “Stuff her tight asshole with your big fat cock.”

“Is that what you want, Beth?” I asked.

“Yes,” hissed Beth.

Beth came before I hit bottom. I fucked her twitching ass until her orgasm subsided.

Lisa did not wait for me to pull out of Beth’s ass. She took my cock out of her sister’s ass and pushed it into her pussy. Beth moaned when I thrust in her pussy.

“Take her little pussy too,” whispered Lisa. “Show him we all belong to your big cock with every hole we have.”

“You are all hot sluts,” I said.

Beth came when I was all the way in her soaked pussy. I thrust in her gushing pussy until her orgasm subsided.

“Suck it, Beth,” urged Lisa.

Beth pushed me back, popping my cock out of her pussy, and dropped to her knees before me. She deep throated my cock hungrily.

Lisa gave Beth a few minutes, and then took her mom's and sister's hands in her hand and led them to the sofa. She pushed her mom onto her knees in the middle of the sofa and Beth to her left. She knelt to her mom's right.

"Nick, fuck us all," urged Lisa. "We are all yours. Start with mom. Show her that she belongs to your big cock like my sister and I."

John was still in shock. I could not afford to give him time to recover. I stood behind Victoria and shoved my cock into her dripping pussy. I held her hips and fucked her pussy hard. She came within one minute. I moved my glistening cock to Lisa. She also came within one minute. Beth did not fare much better.

"Fuck her ass," urged Lisa as I squeezed lube on her mom's offered asshole.

They all came within one minute, and I was back at Victoria's ass.

"Daddy, come here watch him make your wife and daughters very happy," gasped Lisa as I fucked her ass in my third ass fucking round.

John walked slowly to us and watch me fuck his little daughter's ass hard to orgasm. I moved to his other daughter and then started over with his wife. I had fucked them for fifteen minutes, and I was going hard.

My happy sluts kept coming, having an orgasm every two or three minutes. Each came twice within the next fifteen minutes.

"Dad, can you see his beautiful cock at work?" gasped Lisa twenty minutes later.

"Yes," said John absentmindedly.

"Can you see how beautiful they are?" I said.

"Yes," he said.

He did not say anything. He just watched me make them come repeatedly.

"Can you see, dad?" said Lisa as I drilled her mom an hour and a half into that session. "Nobody can fuck us like the big beautiful cock we belong to."

He started to look at me strangely, as I continued to drill my sluts' offered asses. Half an hour later, he looked at me in awe. He followed me intently, and I kept it work, pounding those hot asses. He was back sitting in his chair.

"Don't you tire?" he asked.

"Not before they beg for mercy," I said.

"Oh!" he said in surprise.

"Roll over," I instructed.

They rolled onto their backs and pulled their legs over their heads. I refreshed the lube and continued to fuck their asses. They continued to come for me.

"Who wants my come?" I asked.

"Come in my ass," said Victoria.

"Your slutty ass is thirsty for my warm sticky come?" I said.

Oh, yes," she said.

"Lisa, are you going to eat my come out of your mom's luscious ass and share it with Beth?" I asked as I pushed my cock into Victoria's offered ass.

“Yes,” hissed Lisa.

“You are a dirty girl,” I said.

“Yes,” she hissed.

John soon watched in disbelief as his little daughter ate my come out of her mom’s ass and shared it with her big sister over a sloppy kiss. Meanwhile, Victoria sucked my cock clean.

Beth and Lisa joined their mom, and they revived my cock.

“I am going to fuck you all night long,” I said.

“Let’s go to the bedroom,” said Victoria. “It’s more comfortable. We can nap every once in a while too.”

“Sure, but I don’t think you’ll get any napping before you beg for mercy,” I said.

“Good night, Mr. Conkley,” I said as Victoria led me away.

“Good night,” said John.

Beth and Lisa followed us.

---

“I have to give it to you, Nick,” said Beth in our next break about an hour later. “Within one day, you seduced my mom and sister and fucked them silly in front of dad. He even spread their asses for you.”

“Nobody kicked anybody’s ass, right?” I said.

“You are incredible,” she smiled. “Poor dad’s going to sleep alone tonight.”

Because I took it easy on them, they begged for mercy at two in the morning. We all slept together. I slept between Victoria and Lisa. Beth was on her mom’s other side.

“The three of you have to be naked around the house whenever I am here unless we have guests that can’t handle that,” I said as my cock stirred in Lisa’s and her mom’s hands. We were all naked.

“That would be nice,” said Victoria. “Are you going to be naked too?”

“Only if a slut or more is sucking or fucking my big cock,” I said.

“I am sure we can arrange that,” said Lisa.

As I lay there between my girlfriend’s sister and her mom, I remembered how all that started with my mom and my aunt. I wondered if I was going to be content with what I had or I would be greedy and want more.

**The End**

### **Mission Accomplished**

Mom sent me on a secret mission to my aunt’s house. The mission was so secret I did not know what it was, but, fortunately, my aunt did. When I returned home after having accomplished my mission, mom had a briefing for me. That was not the end of it though.

Content: mf, ff, group, oral, anal, risk, seduction, voyeurism, exhibitionism, intergeneration, incest, cuckoldry.
