

## Nightingale Classics 2012

Please read [disclaimer](#) and [summary](#) at the end of document

That Friday afternoon, I finished my work a little early. Instead of starting something new and having to work late, I chose to go home and start the weekend a little early. My sweet secretary had already left to go on a date with her fiancé, so there was no reason for me to stay at work. On my way home, I was thinking about taking a nap before making any plans for the evening.

When I arrived home, I found a car parked in our driveway. It looked like my sister's car. My little sister got married after graduating college. She had just returned from her honeymoon in Hawaii. I decided to surprise her. I parked my car next to hers and went in through the backdoor. As I tiptoed inside, I started to hear the conversation between my sister and my wife.

"I tie him up and then tease him half way to death," Alex said. It was not what I was supposed to do, but what I heard got me curious. I decided to wait a little and listen. "I lick his cock, his balls and even his asshole sometimes."

"Doesn't he object to that?" I heard my wife ask. "I mean being tied up?"

"Au contraire, Beth," said Alex. "He sports the biggest boner and his cock drools like you wouldn't believe. Not as much as my pussy though." Alex giggled. "My pussy loves it when I torture him mercilessly."

"Does he fuck you up the ass?" my wife asked.

"Oh, no, I'd never let him so that," Alex said. "My ass is still virgin, and I intend to keep it that way. However, I may one day end up fucking him up the ass with a dildo or a strap-on." Alex giggled again. "I am such a slut."

"I love getting ass fucked," said Beth. "It's the hottest thing in the world. Nick really knows how to do it."

"Is he big?" asked Alex, shocking me.

"He's this long and this wide," said Beth, apparently using her hands to describe my cock. "When you first see it, you think it's the last thing you want near your ass. You even feel uncomfortable about taking it in your pussy if you are not ready for it, but once he magically gets it up your ass, you know it belongs there. You get addicted to it."

"Do you ever crave it in the ass?" asked Alex.

"All the time," said Beth. "My asshole tingles for it even right now." She giggled. "I am a slut in my own way."

"I am getting wet myself," said Alex. "Do you ever come by getting fucked up the ass?"

"Always, and many times at a time," Beth said. "Your brother really knows how to use his big incredible cock."

"It sounds like my brother has turned you into an anal slut," giggled Alex.

"Oh, yes, and I love it," said Beth. "He turned me into a total whore long ago."

"Maybe it runs in the family," said Alex. "Maybe I should turn Dave into my anal bitch."

"You are so bad," said Beth. "I am sure he wouldn't like listening to you say that about him."

"Luckily for him he isn't listening," giggled Alex. "How do you know Nick doesn't brag to his friends about your being such a cock-craving ass whore? I am sure Dave doesn't dare to brag about getting tied up and tortured."

"If Nick didn't brag when he was a teenager, he wouldn't do it now," said Beth. "I've always been his whore. On the other hand, your husband may brag if he finds a friend like him and he enjoys what you do to him."

"You are right," said Alex.

Oh, man! My little sister, whom I had before conceived of as an innocent girl, was a man-eater! She had never brought home an off-color guy. Her new groom looked like a very nice guy too. What she said shocked me.

"Surprise!" I finally shouted, abruptly jumping out into the open while trying to hide my boner.

**A Nightingale Classic**

**The Mistress**

My wife and sister hushed promptly and changed their facial expressions. Alex even had a slight blush that disappeared quickly when I smiled widely as if I had no clue about what they were talking about. The commotion I made was more to hide my boner than to hide my eavesdropping.

## THE SPANKING

My sister got all excited about seeing me. She looked too innocent for what she had just been saying to Beth. She greeted me, threw her arms around my neck and kissed me on the cheek.

"How are you doing, kiddo?" I kidded her.

"Great," she said. "I am enjoying my new toy!"

"Is your toy enjoying itself too?" I asked.

"Of course," she said.

"I guess you are all excited about your new toy you let it sleep in your bed, right?" I said.

"Yes, you guessed it," she laughed.

"You'll never grow, kiddo?" I said. "You'll always be a kid."

"What?" she said. "Did I misbehave? Do you want to spank me?"

"Maybe it's time," I said. "I bet you haven't been spanked in quite a while."

"You bet, big brother," Alex laughed.

"Dave doesn't spank you when you are bad?" I teased.

"No way, although I am bad pretty often," she said.

"You said it," I said, as I sat on an opposite couch. "Come here and bend over my knees. You've earned it."

Alex surprised me and actually walked over, knelt and bent across my lap.

"Young lady, you warranted yourself one good spanking," I said. "Are you ready for it?"

"Yes," sir," she said.

As I laid my left palm on the small of her back, I felt that her dress was quite thin and that her ass was not well covered so to speak. Bent over, she had the hem of her dress a few inches above her knees. The form of her tight ass was well outlined with her dress and panties.

She giggled as I gave her little ass light playful swats. As the smacks got harder, I tightened my left arm around her waist. I alternated my spanking so that both her cheeks would be spanked equally. As the blows got harder, she stopped giggling and started to grunt softly with every smack.

"Don't take it seriously," called Beth. "She wasn't very bad."

"Does your butt tingle and want a spanking of its own?" I said.

"I'll go make some coffee while you finish your business," she said as she got up and left for the kitchen.

"Take your time," I said to her.

"I bet your little butt's all red," I said to Alex.

"I wouldn't doubt that," she said.

As the opportunity presented itself, I carefully massaged her ass cheeks with both hands, feeling it up thoroughly. She occasionally moaned.

"You have a hot little butt, but, unfortunately for it, you've been a bad girl," I said.

"I know," she moaned.

Her ass was got hot with that beating. I resumed spanking her harder and harder. She grunted harder and deeper. She later jumped with each blow. As the smacks got even harder, she stopped jumping, but her grunts continued. She was getting sexually excited just like Beth when I spanked her. I paused and massaged her ass gently. I resumed the spanking slower, giving her time for each blow to sink in before I landed the next. I maintained Alex' level of heat for quite a while, knowing well that if I slapped her or touched her between the legs, she would come immediately but only in her dreams. I wanted to show her what teasing was like. Even when I gave her a breather to feel up her ass, I made sure to keep her hot.

"It's such a shame to spank your luscious ass, but you deserve it," I said softly.

"Yes," she hissed.

"Let's check on it and see whether it had enough," I said as I pulled her dress up to her waist.

Although she was wearing a white thong that exposed her red ass cheeks, I decided to see everything. The crotch of her thong was soaked, and I smelled her excited pussy. She did not resist as I pulled her thong down to her knees, exposing her completely hairless pussy and ass crack. The sweet smell of her pussy whiffed to my nose as it filled the room. That was the first time I had ever seen her naked ass in its full glory. She instinctively squeezed her ass cheeks together as if she had any modesty left.

"Relax," I said, slapping her ass lightly. "Bad girls have no shame."

It took her a few seconds to relax her ass.

"Don't be shy," I said as I spread her ass cheeks wide, utterly exposing her sweet asshole and dripping pussy. "You have a pretty little ass. It's just perfect."

"Perfect for spanking?" she asked.

"Perfect for everything a man would ever want to do to a sexy woman's luscious ass," I said as I fondled her ass, making her asshole twitch. "You are a bad girl. You are making me hard by making me think about your hot ass."

"Maybe I need another spanking," she said.

"Maybe but not now," I said. "Actually your little ass is so pretty I feel guilty for spanking it. Did I hurt you?"

"No, not at all," she said.

"Did you enjoy it?" I teased.

"As a matter of fact, I did," she said.

"I can see that," I said as I ran a finger along her glistening pussy lips, making her shudder. I brought my dripping finger to my mouth and audibly sucked her juices off. "You are so wet and so delicious. You are a very bad girl; you enjoy having your big brother play with your hot tight ass and touch your juicy little pussy, don't you?"

"Yes," she hissed.

"Me too," I said.

"You are a bad boy, Nick," she said, squirming as I continued to fondle her gorgeous ass. "I like that."

"We are both horny perverts," I said. "This is our little secret. Let's not let Beth know about it."

"I almost forgot about her," she said. "I guess I have to cover my ass, so to speak."

"Get up and bend over," I said. "I want to kiss your sweet ass goodbye for now."

She giggled as she got off my lap. She got off the sofa and bent over, thrusting her beautiful ass in my face.

"It's so beautiful," I said as I leaned forward and held her thighs gently. "I'd love to play with it for hours, but unfortunately we have to stop now. We can't do that while my wife's in the next room."

"Maybe you should send her on an errand so you can play with your little sister's ass a little," she giggled.

"I'd love to play with your sweet ass while she watches so I can show her how nice it is," I said.

"Until we can do that, you should play with it where neither she nor my husband can watch," she said.

"It's too bad that we can't get them both to sit quietly and enjoy the show," I said.

"I also want my husband to know what a horny little slut his wife is," she giggled.

Her round cheeks were still somewhat red. I gave each one of them a light kiss in the middle.

"Spread it like a cheap whore," I said lowly as I guided her hands back to her ass. "Show me how bad you are."

She obediently spread her ass, obscenely exposing her leaky pussy and sweet asshole.

"Good girl," I said. "You look so nice and nasty."

Holding her waist, I gently and kissed her dripping pussy, making her shudder.

"Your asshole's so pretty," I said.

Her asshole twitched when it felt my hot breath. I gave it a light kiss, making her shudder again.

"Stand up," I said, slapping her hip playfully.

As she stood up, I took one last good look at her hot ass before I pulled her thong up and straightened her dress.

"Thanks, big brother, for spanking me," she said as she turned around. "That was very enjoyable."

She gave me a peck on the lips and went back to her seat.

"This will keep you from misbehaving for quite a while or at least until I see you next time," I said.

"I guess so," she smiled.

"Just make sure you remain a good girl and never deserve another spanking when I am not around," I said.

"I'll try, but I am sure I can't last long," she said.

"Remember that whenever you misbehave you'll deserve a sound spanking," I said. "I may make you come."

"I'll never forget that," she said.

"You'll always be a good girl as long as you remember that," I said.

She leaned forward and pulled a wad of tissues that she stuffed down her panties.

"I am sure Beth wouldn't like me to leave a wet spot on the loveseat," she said.

A moment later, Beth returned with the coffee. My cock had lost a lot of its hardness by then.

After the coffee, I left to meet the guys, hang out at some electronics stores and then have dinner together. When I returned, Alex was gone. I went to the bathroom. While there, something smelled of pussy. I found out it was a pair of Beth's panties, soaked with pussy juices. I brought the panties to my face and inhaled. My cock twitched. I sucked the crotch into my mouth and tasted her juices. I went to the bedroom intent on fucking her.

"Honey, are you back from your geeky get-together?" Beth called from under the sheets as I entered the room.

"I guess so, honey," I said as I took off my outerwear and left my briefs on, stuffed with my boner.

When I slipped under the sheets and kissed her, I noticed that she must have showered before bed. I rolled her onto her stomach and lay on top of her. Holding her tits through her bra, I humped her ass, our underwear separating our hot flesh. Soon her bra was out of the way and my fingers were toying with her hardening nipples.

"Guess who's going to get fucked tonight?" I teased as I slipped a hand down her stomach and cupped her pussy.

"Is she a pretty brunette with a hot tight ass?" she teased as I squeezed her juicy pussy.

"Yes," I said.

"Does she have nice tits that hunger to be sucked and fucked?" she said.

"Yes."

"Is she married to you?"

"Yes."

"I give up," she said.

"I'll give you a hint," I said as I took our underwear out of the way. "She's going to get fucked in the ass."

"Balls deep?" she said.

"Yes," I said.

"I don't know," she said as I thrust my hard cock between her legs, making it rub along her slick pussy lips.

"Try harder," I said as my cock inched into her pussy.

"Oh, I know," she said excitedly. "It's me!"

"Yes, baby, it's you," I said. "You are a smart girl."

"Had you told me she's the horniest woman in the world, I'd have guessed it right away," she said.

"I wanted to make it a little harder for you," I said. "Can you feel how hard it is?"

"Yes, baby," she gasped. "It's so hard and big, and I love it."

She was so horny I could have made her come at any moment. Actually not making her come was the challenge. I thrust in her juicy pussy for several minutes, getting it soaked and soaking my cock with it.

"Please make me come," she begged several times, trying to fuck back harder.

"You are going to come, my hot wife," I said. "Relax now, and let me tease you a little."

"I am so horny," she whined.

When I finally pulled out my cock it dripped with her pussy juices. I crawled up her body and touched my sticky cock head to her lips. She opened her mouth and sucked my cock eagerly. That soon turned into a royal blowjob.

"Please fuck me," she begged, turning around into the doggy position.

A good husband does not make his horny wife beg all night. She came within a minute.

Before we called it a night, her bowels sucked every come drop I could offer and left my cock totally spent.

## THE BEGINNING

On the following Sunday afternoon, I was driving through my sister's neighborhood. It happened completely by chance or at least subconsciously. I just took what I assumed to be a shortcut and ended in her neighborhood. I quickly concluded she and her husband were home. I parked and rang their bell a few times. No one answered, so I gave up and got ready to leave. As I turned back, I tried the door. It was open, so I went in.

No one was in the living room. The spare bedroom door was open, and techno music was playing. I took a look and froze. My brother-in-law was blindfolded, tied up spread-eagled and naked on the carpet. My sister was clad in her black thong, her gorgeous ass shaking and her head bobbing to the music. I stepped back to leave, but something tied my feet to the floor and glued my eyes to the scene. It must have been her hypnotic luscious ass.

They were completely oblivious to me as I stood there watching. My cock was rock hard instantly. She used her tongue tip expertly to tease her husband's shiny, rock hard cock as a dark wet spot spread over her crotch. They both panted and moaned so softly it was not easy to hear them. She occasionally reached back and squeezed her pussy or massaged her flawless ass cheeks, making my hard cock twitch every time she did that. Suddenly my pants were too tight for my cock, so I unzipped them and let my hard cock and balls hang out in the open. My cock throbbed.

The two lovebirds were still oblivious to my presence as I watched her perform some tricky numbers on her hubby's cock. I moved stealthily and cupped her wet pussy, startling her. Naturally she was shocked to see me. I held my finger to my lips, motioning her to keep silent as I massaged her pussy gently to the rhythm. She panicked for a few seconds before she saw my hard cock and gave it a big smile. She went back to licking his cock. She jacked my cock while she did that. She no longer needed to squeeze her juicy pussy. I took care of that.

After a few minutes, I moved behind her and pulled her thong aside, exposing her pussy and asshole. They looked so fresh and innocent as if she had never been fucked before. Her little pussy was wet enough to suggest that. Her asshole did not look like a normal asshole. It looked as if it were made of sweet ripe strawberries. It looked like an inverted strawberry, and I drooled at both ends. I wanted to lick it and suck it so bad, but I had to be patient and slowly work my way to it because I already knew she would not like that yet. I admired her delicious asshole for a minute while teasing her pussy idly. She gently rocked to the music rhythm against my fingers. Every second seemed to make my cock harder and bigger. It throbbed with every heartbeat, its fluids leaking freely as she stroked it gently, occasionally squeezing it. I used a fingertip to spread my juices over my cock head.

"Dave, I have a little challenge for you," she said. "Are you ready?"

"Yes," he said.

"I want you to focus and see in the eye of your mind that we have another man in the room with us," she said. "Oh, baby! My new lover's playing with my horny pussy, which is leaking all over his fingers. He's teasing my clit to make my pussy leak more. He's making my pussy so hungry for his hard cock, which is much bigger than yours."

Looking at her cute asshole almost made me dizzy. I bent down to kiss it, but at the last fraction of a second decided not to jeopardize my chances with it and kissed her pussy, making her gasp softly. I was so drunk with lust I had to do something with my dripping cock. Her pussy looked very tempting, so I straightened up and aligned my cock with it. Holding her hip with my left hand I aimed my cock at her pussy and shoved it hard in. One thrust sent my cock balls deep up the tightest pussy I had ever been in, and she gasped and started convulsing in orgasm. It was all I could do not to lose it right then as she shoved her twitching pussy wildly against my cock.

"I am coming," she gasped, trembling as she let go of his cock. "I am coming all over his big cock."

Her pussy was very tight. It squeezed my cock like it was going to strangle it. Its wild spasms tried to suck the life out of my cock. I squeezed her hanging tits tightly as I thrust in her as hard as I could while exerting as much self-control as I could. Her orgasm exploded into multiple orgasms. We continued to thrust into each other until her hard orgasm subsided and she started to recover. When her pussy relaxed, I slowly pulled my dripping cock out.

"Baby, I need to give your cock a break while I suck my lover's wonderful big cock," she said. "It definitely deserves that after it made my pussy come like it had never come before."

She turned around and I stood up, sticking my glistening cock in her face. She looked at my throbbing cock and licked her lips wantonly. She swallowed it down her throat hungrily. I enjoyed myself as my kid sister deep throated me, making wet sucking sounds, while her husband didn't have the slightest clue. She moved her ass and head to the music, and I danced, thrusting in her throat. Before long she replaced her copious juices on my cock with her saliva. After several minutes of enjoying her wonderful mouth, I pulled out and gripped her head. I slapped her face with my sticky hard cock hard to the music beat, making her grunt.

After I made her face all wet with her saliva, using my cock, I moved her onto his cock. She swallowed his cock into her drenched pussy in one gulp. While he fucked her, I grabbed her head and fucked her mouth like I fuck a pussy. The three of us moved to the beat. I occasionally pulled out of her mouth and slapped her face hard. I was using my sweet little sister as I would use a cheap whore, and she loved every second of it. I did too.

Her lovely tits bounced as she rode her husband. I knelt next to her and watched. My mouth watered as I watched her sweet nipples shake. Gripping an erect nipple between my lips and the other between my fingers, I fingered her clit furiously, bringing her very close to orgasm. I stood up and straddled Dave, facing her. She took my cock in her mouth, and I thrust in her throat as she bounced rhythmically on his cock. When she came, she shoved her pussy into his cock to her own rhythm. I held her head to me, muffling her moans and groans with my cock. When she finished coming, I resumed fucking her throat to the rhythm.

Holding her head to me, I moved back and knelt behind Dave's head. She proceeded to suck my cock while she had him suck her nipples. She rode his cock and sucked my cock like that until she came again, losing her rhythm and breath. She held my ass tightly until her convulsions subsided.

When she recovered, I stood up, taking her head with my cock. I pulled her head with my cock, stuffing her face, until she dismounted him. I guided her head down as I knelt next to his hip. I finally removed my cock from her mouth. She took turns sucking his cock and mine hungrily. She jacked the cock she was not sucking.

"I love sucking and fondling both cocks at the same time," she moaned.

Reaching forward, I fingered her drenched pussy and teased her asshole with my slick fingers. She moaned and humped my fingers. I finally got up and knelt behind her. As she sucked his cock, I lapped up her abundant juices off her pussy, continuously pulling at her nipples and stealing glances at her sweet asshole.

"Oh, Dave, my lover's licking my copious juices off my drenched pussy," she moaned. "I like that."

Moving forward behind her, I rubbed her clit with my cock head. I widened the circle of my rubbing until my cock head was rubbing all over her soaked pussy area. I soon used my cock head to smear her ass crack and asshole with her juices. I steadily rubbed my cock up and down her wet crack from pussy to asshole and back.

"He's teasing my pussy and asshole with his cock head," she moaned. "Maybe he wants me to beg for his cock."

Soon, my mouth replaced my cock in her crack. I sucked her clit, tongued her pussy and sucked her pussy lips. I could not stand being so close to her mouthwatering asshole. I had to have it. I pulled her cheeks apart and let my tongue stray to her sticky asshole. She gasped and pushed my head away, but I held on to her ass until her resistance died and she started to enjoy her first anal tonguing. Her asshole instinctively responded to my oral ministrations as I rubbed her slick clit.

"He's licking my pussy and asshole," she moaned. "He doesn't want to give me his big cock easily, but I have to have it, so I had to let him have his way with me."

Her virginal asshole relaxed as I alternated between flicking and probing it with my tongue tip. Her little hole opened up to my tongue, allowing me to drool into it. The more her asshole relaxed, the harder my cock got.

"Dave, I want his big cock inside my pussy again," she moaned. "Would it be okay if I begged for it?"

"Sure, baby," said Dave.

"Please don't tease me to tears, stud," she begged. "Please put your big cock in my cock-hungry little pussy."

Finally I moved forward and slid my cock into her pussy smoothly, making her gasp.

"Oh, Dave," she moaned. "He's stuffing my little pussy with his big cock. It feels so good."

She humped my cock, taking it deeply into her sodden cunt. I grabbed her hips, and we fucked to the music. While we fucked, I drooled onto her asshole and massaged her wrinkled hole with my thumb as I used my free hand to rub her clit. I managed to pop my thumb into her ass and started to finger fuck and ream out her asshole gently while she moaned continuously over her husband's cock. I moved my thumb around to stretch her asshole for more.

"Dave, I am going to come on his fat cock," she moaned. "Baby, do you want me to come on his big cock?"

"Yes, baby," he said. "Come all over his big fat cock."

"I am coming," she gasped, stiffening. "I am coming on my lover's amazing cock. I am a good slut for him."

She came hard while I pumped both her holes and diddled her clit. Although she shoved her ass uncontrollably, I continued to fuck her to the music rhythm, holding her tightly so my cock would not slip out of her jerking pussy. When she relaxed, I pulled my dripping cock out and lapped up her drenched pussy.

"He's cleaning my sticky pussy with his tongue," she moaned.

Soon, I had her sixty-nine with her husband. While he ate away at her horny pussy, I finger fucked her asshole without his noticing a thing. She fucked her husband while I went to the kitchen to retrieve some butter. I concluded that her husband was not permitted to talk unless he was talked to.

There in the kitchen, I greased my cock well and lubed my left hand fingers. Back in the room, I pulled her off his cock and had her suck him again while I greased and stretched her asshole with my slick fingers.

“Baby, he’s fingering my ass,” she moaned. “I don’t know what he wants to do to my virgin little asshole.”

My middle finger was the first to enter her ass. Her asshole accepted it readily. I gently and patiently massaged and greased her sphincters, letting them relax little by little. I soon squeezed my index finger in. After stretching her asshole well with two fingers, I carefully squeezed my ring finger into her asshole. I slowly worked my fingers into her ass, gently twisting them. I finger fucked her tight asshole for minutes, stretching it wide.

“Oh, baby,” she moaned, opening her ass with both hands. “He’s going to put his big cock in my virgin asshole. He’s going to stretch out my little asshole. I can’t believe I am letting his wicked cock ravish my innocent asshole. Dave, please tell me it’s okay to let him skewer my sweet ass. Please tell me it’s you who wants him to do that.”

“It’s okay, baby,” he said. “It’s okay to be a slut. I want him to fuck you up the ass nice and hard all he wants.”

She gasped and her asshole contracted a little when it felt my slick cock head touch it. Her sphincter relaxed gradually as I gently pushed my cock into her ass. She gasped as my cock head finally popped past her sphincter. Her inexperienced asshole squeezed the beginning of my cock tightly. We froze like that, her tight asshole stretched wide. The spectacular view of her stretched little asshole around my hard cock made my cock twitch. She tentatively milked my cock as if to measure it up and find out how wide it was stretching her little asshole.

“Dave, his cock head has entered my ass,” she said. “I can feel his thick shaft stretch out my asshole so wide.”

“It’s okay, baby,” he assured. “Let him stuff your tight ass with his big cock. You may actually like it.”

As I paused, I held her tits and milked them to the beat. Her asshole relaxed as if to welcome my cock. I continued to push forward carefully but rhythmically, feeding her as much cock at a time as she could take.

“I think I like it already,” she moaned. “His big cock’s going deeper and deeper up my ass, filling me up.”

She grunted and breathed deeply. When my cock was about quarter into her tight rectum, I gripped her tits and squeezed them tightly as I inched the rest of my shaft in. Her ass resisted the last inch or two of my cock. It took a little more effort to drive it all in.

“Oh, fuck,” Alex grunted as my cock popped all the way into her formerly virgin ass. “His big cock’s all the way up my ass. I can feel his full balls press into my dripping pussy. I feel like a slut. It feels so good. Please tell me it’s okay to be a slut. Please tell me it’s okay to be *his* slut and ass whore.”

Her no longer virgin asshole squeezed my entire cock so tightly and exquisitely. It was all I could do not to splatter her bowels with come. Her asshole relaxed a little and milked my cock. That felt wonderful. She held her husband’s cock with her left hand and jacked it while she pulled her ass open with her right hand. I gently took her right hand off her ass and arranged her into a more comfortable position.

“It’s okay to be a slut, baby,” he said. “Do you want him to fuck you like a dirty whore?”

“Yes, Dave,” she gasped as I pinched her right nipple. “I want him to fuck me like a depraved whore.”

“Go ahead and let him know how you need to be fucked,” he said. “I bet he wants to know how you want him to fuck your tight ass with his big cock.”

“Lover, please fuck my ass royally,” she begged. “I need you to fuck it nice and hard.”

“You got that, you little whore,” I whispered in her ear.

“He said he’d do that for me,” she moaned. “Thank you, stud.”

With my cock balls deep up her ass, I pulled her up with my hands, making her stand on her knees. She let go of his cock and snuggled into me. I had my left arm around her waist and my right arm around her chest, holding her left tit with her stiff nipples between my fingers. She ground her ass into my cock rhythmically for several seconds before she lowered her left hand to her pussy and cupped her right tit with her right hand. I fondled her left tit, pinching her nipple, and she fingered her pussy and fondled her other tit as we ground into each other to the erotic rhythm of the music for a few minutes, getting her tight asshole used to the size and shape of the shaft impaling it.

Her tight asshole loosened up, and she was able to move it back and forth along my hard cock.

“Oh, Dave,” she gasped as we started fucking, gradually picking up the pace while thrusting rhythmically. “He’s fucking my ass. He’s fucking my ass so deep. His cock feels so big and so good in my tight asshole. It’s making my pussy twitch and drool freely. Please don’t get mad at me because I *love* the dirty things he’s doing to my ass.”

“I am not mad at you, baby,” he said. “Enjoy yourself all you want while he fucks your hot tight asshole.”

As I held her hips to me, I pushed her shoulders forward, getting her on her hands and knees. She gulped down his cock and proceeded to buck her ass back, grunting and gasping softly with every thrust. I pulled on her hard nipples until she was close to orgasm. I started rubbing her clit and finger fucking her pussy. She was close.

“I am going to come, Dave,” she gasped. “I am going to come with his big cock drilling my horny asshole.”

She stiffened and convulsed violently in orgasm, her tightly packed asshole milking my cock wildly.

“Come, baby, come,” he urged. “Come on the big cock skewering your little asshole.”

“I am coming, I am coming,” she gasped. “My horny little asshole is coming on my lover’s big hard cock.”

Her ass jerked out of control. I held her hips tightly and pounded her twitching asshole vigorously, giving her have multiple orgasms. Her asshole milked my cock wildly and desperately, but I resisted the exquisite temptation to fill her fluttering bowels with thick come. When she recovered, I slowly pulled my cock from her ass and watched her gaping pucker wink shut. As I stood up, I pulled her up into sitting up, and offered her my glistening cock. She looked at it for a few seconds before she looked up at me and smiled wickedly.

“Honey, he wants me to suck his cock after he took it out of my slutty asshole,” she said. “Is that okay, baby?”

“Yes, honey,” he said. “Suck his cock well. Show appreciation to the big cock that has fucked your ass nicely.”

She was only glad to oblige him. She let me fuck her throat for several minutes while she stroked his cock with her left hand. She also teased my cock head with her tongue, stroked my shaft and slapped her face with it. I finally pulled away and helped her straddle her husband’s face.

“Eat my pussy, baby,” she said as she lowered her pussy onto his face. “My lover made it so messy.”

After watching him eat her pussy for a minute, I adjusted her position so his tongue will only be able to touch the front half of her pussy. I held her hips for a while, making sure she maintained the position faithfully. I took off my pants and briefs while I fingered her asshole with one then two fingers. Her horny asshole squeezed and milked my thrusting fingers. I twisted and swirled my fingers within her asshole, reaming it out well, before I crouched astride his chest and guided her right hand to my rampant cock as I brought it to her asshole.

“Honey, he’s going to fuck my asshole while you eat my leaky pussy,” she said. “That must feel wonderful.”

She carefully guided my cock into her asshole. She held my cock head against her asshole as I pushed gently but firmly, popping my cock head into her asshole. I slid a couple of more inches of my cock up her ass before she let go of my cock and braced herself with both hands. I gently fucked her ass, feeding it more and more of my thick shaft. She carefully humped back, using short thrusts. We were soon getting her hot ass fucked balls deep to the beat of the music while her husband eagerly and obliviously licked her leaky pussy.

“Oh, Dave, it feels so good to have my lover fuck my wanton asshole while you eat my horny pussy,” she moaned. “I hope you are enjoying yourself as much as I am.”

“I am enjoying myself very much,” he said.

“Do you like having a horny stud fuck your wife for you?” she teased. “You enjoy having him fuck her silly in her horny ass, which she’s never let you touch? You want another guy to take care of her slutty ass because she wouldn’t let you take care of it? You want him to leave her tight asshole loose and gooey with his hot thick come?”

“Yes,” he said.

“I love that too,” she gasped, bucking her ass harder. “You two are going to make me come so hard.”

“Come, baby, come,” he urged.

“Will you be a good husband and eat my lover’s come out of my slimy ass?” she said, making my cock twitch.

“Yes,” he said.

She slowed down while she teased him, me and herself.

“I think he’s going to pump a big come load deep up my horny ass,” she teased. “Do you think you can do a good job, sucking it all out of her sloppy ass and swallowing it to the last drop? Most of all, will you enjoy that?”

“Yes,” he said.

“You heard him, lover,” she gasped. “Be nice to my husband, and flood my horny ass with your creamy come.”

“Only if he promises to eat my come out of your hot pussy too,” I whispered.

“Honey, he’d only do that if you promised to eat his come out of my messy pussy too,” she gasped.

“I promise,” he said.

She was not the only one who was about to come. The three of us doubled our efforts as my own orgasm was near. I squeezed her tits tightly and drilled her asshole vigorously. She soon stiffened and shook in orgasm. Just about then, my cock swelled and my orgasm exploded deeply within her, adding more fuel to her sizzling orgasm. We shoved our hips into each other, losing our rhythm as our orgasms took control of us.

“Oh, Dave, he’s coming in my ass,” she gasped. “I can feel his cock jumping inside me as it pumps his hot creamy come so deep in my bowels. I can feel my come thirsty asshole suck his come right out of his full balls.”

He did not comment. He just ate her gushing pussy hungrily.

After emptying my balls in her sucking bowels, I rested a little, grinding gently into her. I finally got up, taking her with me as I held her ass tightly to my cock. We moved off him and knelt down. I pushed her forward, bending her over his stiff cock. I finally pulled out of her well fucked ass. A drop of come leaked out of her relaxed asshole before it closed shut. I wiped it with my fingers and fed it to her. She sucked my sticky fingers eagerly. With my fingers in her mouth, I pulled her up and stood up. I offered her my sticky cock, and she swallowed it all. She sucked it diligently, making sure my balls were completely drained and my cock was dry and squeaky clean.

When she finished with my cock, she turned around and took his cock in her mouth. He soon came in her ever thirsty mouth. Meanwhile, I lapped her dripping pussy and well fucked asshole. When I was done cleaning her pussy area and she was done cleaning his cock, she turned around and gave him a deep kiss, giving him all his come back. He swallowed it all, and they kissed a little more.

“Are you ready to eat my lover’s come out of my well-used asshole?” she asked softly.

“Yes,” he hissed.

“Are you going to be a good boy and honestly compare his come with yours?” she teased.

“Yes,” he said.

“Meanwhile, I’ll get him hard again,” she said. “You want to eat his hot come out of my pussy too, don’t you?”

“Yes,” he said.

“If you do a good job, I’ll always let you eat his come out of my pussy and ass,” she said. “I may even let you watch him fuck me whenever you are especially a good boy. Would you like that?”

“Yes,” he said.

She squatted on his face, bringing her asshole to his mouth. She spread her ass with both hands, and I pushed my soft but hardening cock into her mouth. He proceeded to eat her asshole right away almost as eagerly as she sucked my cock, making it get hard in her mouth in record time. By the time my come started to leak in his mouth, I was fucking her throat gently but deeply.

He did not comment on the come leaking into his mouth. He only sucked harder.

“That’s it, honey,” she said. “Suck all that sticky come out of my slutty ass.”

He did just that. When he was done sucking my come out of her ass, she came on his tongue. I fucked her throat wildly while she came.

“You’ve sure done a great job, honey,” she gasped. “Did you like it?”

“Yes,” he said.

“Whose come was tastier?” she asked.

“His come,” he said.

“Do you now understand why I never let you come in my pussy or swallow your come?” she said.

“Yes,” he said.

“Are you now looking forward to eating his delicious come out of my juicy pussy?” she asked.

“Yes,” he said.

“Do you know that this is my first time with my lover and that I’ve never tasted his come?” she asked.

“Really?” he said.

“Yes,” she said. “You’ve beaten me to it. Can you see what a good wife you have?”

“Yes, honey,” he said. “Thank you.”

“After you eat his come out of my pussy, I hope he’ll come in my mouth so I can taste his hot come,” she said. “Don’t you think I’ve earned that?”

“Yes,” he said.

“Would you then beg him to come in my mouth so I can taste his come and swallow it all?” she asked.

“Yes, of course,” he said.

“If you keep it up like that, you’ll always eat his come out of my sloppy fuck holes,” she said.

“I’ll be good,” he promised.

“You are a good boy,” she said. “I’ll suck your cock while he fucks my pussy and ass. He’s going to come in my pussy, but there is no reason why he can’t fuck my horny ass too, is there?”

“Of course not,” he said.

Meanwhile, she got into position, and I gently pushed my cock into her dripping pussy. I held her hips and fucked her gently. She fucked back eagerly while teasing his hardening cock with her tongue tip.

“I am pleased with you,” she said. “A good husband helps his slut wife whore herself to her lover, doesn’t he?”

“Yes,” he said.

“You want me to be a good whore for my stud, don’t you?” she asked.

“Yes,” he said.

“I in turn will be a good wife for you and a perfect whore for him,” she said. “Isn’t that what you want?”

“Yes,” he said.

“Are you happy with my husband, lover?” she said, looking over her shoulder.

“Yes,” I whispered, nodding.

“My lover’s pleased with you because that’s what he and I want,” she said.

“Thank you,” he said.

By the time she came, he was hard in her mouth. I quickly brought a stick of butter and lubed my cock before I pushed it up her ass. My cock sank slowly but smoothly all the way up her ass.

“He’s back up my ass, and it feels so good,” she moaned as my cock stuffed her ass. “I never thought ass fucking would be so good. I’d never let you fuck my ass though. My ass is reserved to my lover. Do you understand?”

“Yes,” he said.

“You want my ass to be fucked by the best, don’t you?” she said, fucking back.

“Yes,” he said.

“That’s what I want too,” she said. “It’s what I am having right now.”

“Enjoy,” he said.

“I am enjoying it so much I am not doing a good job on your hard cock,” she moaned.

“You are doing a great job on my cock,” he said.

“I think you like having your slut wife’s lover use her forbidden asshole while she sucks your cock,” she teased.

“Yes,” he said.

“Can you feel every thrust he makes when I suck your cock?” she said.

“Yes,” he said.

“Do you like that?” she asked.

“Yes,” he said.

“I love it,” she said, fucking back harder as I picked up the pace.

She soon came, and I switched my cock to her drenched pussy.

“He’s switching his big cock between my pussy and ass after every orgasm,” she gasped.

She came several times before it was time for me to fill her tight pussy with come.

“He’s going to flood my little pussy with hot come for you, honey,” she gasped as I approached orgasm.

She came, and I came with her.

“He’s filling my horny pussy with come,” she gasped, trembling in orgasm.

Her pussy drained my balls deep in her pussy. She milked my softening cock for every last drop.

We rested for a minute while she continued to milk my cock deliberately. I then yanked my cock out of her pussy. She squeezed her pussy and held it closed with her right hand.

“Are you ready for your sticky snack, honey?” she said as she crawled astride his face.

“Yes,” he said.

“Open wide, and get ready,” she said as she adjusted her position. “The flood’s coming.”

He opened wide, and she moved her hand off her slimy pussy, letting the come gush out into his mouth. She fastened her pussy to his mouth, and he licked and sucked eagerly. Meanwhile, I brought my hardening cock to her.

“You know that my lover isn’t done with me yet,” she moaned. “He still wants to come in my mouth so I can taste and swallow his delicious come.”

“Yes,” he mumbled into her pussy.

“I am going to suck him to make him hard again,” she said.

She took my cock in her hungry mouth and sucked it wildly. It was soon hard, and I fucked her throat.

She came in his mouth while I fucked her throat briskly.

“Did you enjoy eating his creamy come out of my messy pussy?” she teased, dismounting him.

“Yes,” he said.

“You’ve earned a reward,” she said. “Are you ready for it?”

“Yes,” he said. “Thank you.”

“I’ll untie your hands but keep you blindfolded,” she said. “Do you promise to keep your blindfold?”

“Yes,” he said.

“Do you know why I am untying your hands?” she asked.

“No,” he said.

“I want you to guide my lover’s big cock into my pussy and ass,” she said. “Do you think you can do that?”

“Yes,” he said.

“If you do a good job at that, I’ll reward you,” she said.

“I’ll do a good job,” he said.

“Because you’ve been a good boy, you’ll get to pick which hole to guide his big cock in first,” she said.

“I want to guide him in your ass first,” he said.

“We are so good together, Dave, honey,” she said. “That’s exactly where I want you guide him in first.”

“Okay,” he said.

“He has a big fat cock,” she said as she untied his hands. “Don’t be afraid though; he’s already fucked my horny ass with it. It fits perfectly, and it doesn’t hurt at all.”

“Okay,” he said as she knelt astride his face.

“Hold my ass, and spread it,” she instructed.

He spread her ass, and I knelt astride him behind her, my slick cock aimed at her splayed asshole.

“Keep my ass spread with one hand, and guide his big cock in with the other,” she instructed. “His engorged cock head’s touching my asshole right now.”

He moved his hand and froze when he caught my hard cock as he discovered there was actually another live cock in the room. He then proceeded to hold my cock firmly and press it into his wife’s asshole.

“Pop it in, honey,” she urged. “My asshole’s so hungry for it.”

She pushed her ass back, and I pushed forward. My cock head popped in, making her gasp.

“Thank you, honey,” she said. “You can now spread my horny ass with both hands.”

He spread her ass with both hands, and she pushed back.

“Invite my lover to fuck my ass,” she said. “Beg him to fuck it royally.”

"Please fuck my wife's ass," he said. "Please fuck her ass royally."

"You bet," I said, changing my voice, as I held her hips and thrust in her ass.

"That's it, lover," she moaned, fucking back. "Fuck your ass whore's ass please."

"You got it, bitch," I said.

"Honey, I love being my lover's bitch," she said. "Are you okay with that?"

"Yes," he said.

"Can you feel how he fucks my horny ass nice, hard and deep?" she teased.

"Yes," he said.

"You can never fuck it like that, can you?" she teased.

"No," he said.

"That's why I'll never let you fuck it," she gasped. "I'll keep it exclusively for my horny stud."

"That's good," he said.

"Is there a point in having a stud if I don't whore myself to him faithfully?" she gasped.

"No," he said.

"I love whoring myself to my stud," she gasped. "Do you love that too?"

"Yes," he said.

"He's doing you a huge favor by fucking your slut wife royally, isn't he?" she teased.

"Yes," he said.

"Thank him for it," she said.

"Thank you for fucking my slut wife royally, sir," he said.

"It's my pleasure," I said.

"It's your pleasure and ours," she giggled.

"You are a good whore, bitch," I said.

"Thank you," she said.

Our ass fuck progressed at a fast pace.

"Honey, stick your tongue in my pussy, and feel how soaked it gets when I have my lover's big cock up my horny ass," she gasped. "Keep your tongue in my pussy until I come and gush all around it."

She lowered her pussy onto his mouth, and he stuck his tongue inside it. I picked up the pace and drilled her spread ass vigorously.

"He's going to make me come," she gasped. "His big cock up my ass is making my pussy flood your mouth."

She stiffened and gushed in his mouth while convulsing wildly around my cock. I pounded her ass until she went limp. I slowed down the pace but kept fucking her ass deeply.

"Did you feel that, honey?" she gasped. "That must have been the biggest orgasm I've ever had in your mouth."

"Yes," he said.

"Now you know how much your slut wife loves her lover's big cock up her horny ass, don't you?" she gasped.

"Yes," he said.

"Can you see why my tight ass has to belong to him and his big cock and nobody and no cock else?" she gasped.

"Yes," he said.

"Do you think he fucked my horny ass as well as you begged him to?" she asked.

"Yes," he said.

"You need to thank him now, don't you?" she said.

"Sir, thank you for fucking my wife's horny ass so well," he said.

"Anytime," I said, ruffling his hair.

"My lover isn't done with my ass," she said as I picked up the pace. "Do you want me to come in your mouth?"

"Yes, please," he said.

He got what he wanted a few times.

"You've been a good boy," she said. "I'll suck you while you spread my ass for my lover and eat my pussy."

She turned around, and I continued to fuck her ass while she sucked his cock, coming in his mouth a few times.

"I am now ready to get fucked in my pussy and ass at the same time," she said.

She mounted him in the cowgirl position.

"Spread my ass, and guide his big cock into my horny ass," she said as I aimed my slick cock at her asshole.

He spread her ass and guided me in. I impaled her ass on my cock, and we fucked her. We soon established a good rhythm that accelerated until it matched the beat of the music.

"I love this," she moaned.

She lowered her mouth to his, and they kissed while both her fuck holes got drilled briskly.

She came on his cock twice and raised herself off his cock.

"Guide him into my horny pussy," she instructed.

He guided my cock into her dripping pussy, and I fucked it to orgasm. I moved my cock to her ass and fucked it.

She finally knelt on his face and sucked my cock hungrily while riding his tongue.

When my cock swelled and twitched. I pulled it out. I shot two jets against the back of her throat and the rest on her face. She savored the come in her mouth and swallowed it. She then sucked my cock clean and let it go.

She impaled her pussy on his hard cock and leaned over him.

"He shot most of his come load on my face," she said. "Lick it off my face."

He licked her face thoroughly, getting all the come that was on it.

She had an orgasm, and I pulled her off his cock.

"You've been so good I'll let you see my lover next time if you remain good," she said when she rose to her feet.

"I'll be good," he promised.

She let me lead her to the bathroom.

In the bathroom, I sat her in the tub and I stood outside. I pulled her head to my soft cock. She proceeded to suck it to full hardness. I fucked her throat for several minutes, occasionally slapping her face hard with my hard sticky cock. I fucked her pussy and ass for half an hour before I finally came all over her hair and face, some come jets flying into her open mouth.

She was about to wipe my sticky come off her face, but I pulled her hand away.

"Leave the come on your face," I instructed. "I'll take care of it. Just clean my cock."

She continued to suck my cock until it was completely soft.

"I am now going to clean your face of my come," I said, collecting her hair in my hand.

When the first golden jet hit her face, she was startled and tried to escape, but I held her in place by her hair and continued to hose her face. She started moving her head in the stream to wash her face and hair well. She even opened her mouth and stuck her tongue out to intercept the hot stream. She also washed her chest and stomach with her hands. She turned around and let me hose down her sticky pussy and asshole.

When I finished, I had her lick my cock. I grabbed the showerhead and hosed her down again. I returned to the room and put my clothes back on while she dried herself. She followed me to the door, still naked. I fondled her ass, and she pushed it into my hand.

"I love your luscious ass, Alex," I said.

"You should spank me again because I love your big cock too much," she moaned.

"Did you enjoy yourself, little sister?" I asked, pinching her erect right nipple.

"I did very much," she smiled.

"Did you enjoy having me violate and corrupt your little innocent asshole?" I said, squeezing her ass.

"I loved it," she said. "It was the hottest thing I've ever experienced."

"I also enjoyed everything I did to you," I said, cupping her left tit. "I loved every hole in your hot body."

"We need to do this again very soon and very often," she said. "First, let me make sure you haven't fucked my little asshole completely out of its tightness."

“Don’t worry about your anal tightness,” I said. “I’ll teach you how to make your asshole even tighter while you make it very stretchable and amenable to getting fucked. We’ll make it continue to look sweet and virgin despite getting it fucked by my big cock again and again. It has to stay very tight if you want me there ever again.”

“Of course I want you there again and again,” she said. “I’ll religiously carry on your instructions to keep my horny asshole tight for you. You’ve opened my innocent asshole to the joys of sex, and now I am addicted.”

“You are such a slut, Alex,” I said, smiling. “I love you.”

“I am *your* slut, and you are *my* stud,” she said. “I am no one else’s slut. I’ll never let anyone else use me like a cheap whore and do those dirty things to me, not even my husband.”

“You are a good girl, Alex,” I said, stroking her face. “I don’t want anybody else to degrade you. Between you and me, we can do anything to each other, but no one else can ever treat my little darling sister like a dirty whore.”

“You are my hero, Nick,” she said, hugging me.

“You are my princess,” I said, hugging her back.

“So, are you going to take care of your sweet faithful but filthy slut princess or not?” she asked, pouting.

“I’ll do anything for my little sister even if she were not my slut princess,” I said. “Now that you are my slut princess, I am going to fuck you so good you’ll become the queen of sluts. I’ll take good care you, my little whore.”

“Thanks, Nick,” she said. “You are the best.”

She brought her mouth to mine, and we shared our first kiss. It was long, deep and delicious. It was so good it made my cock twitch and start to get hard. I squeezed her tight ass and pulled it to me tightly, and she ground her pussy into my crotch. I was tempted to go back with her, but I saved my new boner for my horny wife.

“You have the prettiest asshole in the whole wide world,” I said honestly. “I am going to make sure to fuck it every chance I get. Be sure of that. Next time, I am really going to have my way with you. I am going to fuck you for hours. I am going to make your sweet tight asshole gape. I’ll show you what it really means to be my whore.”

“In that case, why don’t you come over while Dave’s at work?” she said.

“That wouldn’t be kinky,” I said. “I want to fuck you while he’s present. Otherwise, I won’t be able to fuck your hot ass while he fucks your pussy, but he doesn’t need to know about it.”

“That must be outrageous,” she said, smiling. “My pussy is leaking at the mere thought.”

“Though, I have an assignment for you that you need to finish before we can do that,” I said.

“Sure,” she said. “What?”

“I want you and Beth to eat each other out,” I said. “With your face glistening with her pussy juices, she’ll gladly tell you how to keep your asshole sweet and fit. Not only would she get excited when you beg her to let me fuck you up the ass, but she’ll also get your ass ready and call me. I’d fuck you nicely before we drive you home and get you fucked every which way while your husband doesn’t have a clue who’s sucking his cock while he hears your muffled orgasmic screams. After that, I’ll fuck you silly whenever I see you. You’ll be undeniably my whore.”

“This is so hot,” she moaned. “You are making my juices run down my thighs. I’ll do my best to get my lips on your wife’s hot little pussy very soon. Meanwhile, get ready to see me very often.”

“I am ready whenever you are, my little slut,” I said, smiling. “Take good care of your anal hygiene and fitness so we’ll both be ready to get your little asshole impaled and drilled open at every possible chance we get.”

“From now on, I’ll always keep my little asshole ready for your big cock,” she said, pulling me to her.

We had another long sinful kiss. We both reluctantly broke the kiss, gasping for air.

“Turn around, Alex,” I said as I held her shoulders and turned her around. “I want to kiss you goodbye.”

She turned around obediently. I cupped her tits and knelt down, burying my face in her lovely ass. When my lips touched her asshole, she thrust her ass out, giving me full access to her anal pucker. I gave her sweet asshole a long French kiss, enjoying its buttery feel and taste. She kissed back, nibbling at my tongue tip as she ground her happy ass into my face. I gently kneaded her tits and teased her erect nipples, making her gasp and shudder.

“Oh, you are making my pussy so wet,” she moaned.

Finally, I reluctantly broke the kiss and took one long final look at her cute little asshole before I stood up.

“There’s a man inside waiting for your dripping pussy,” I said, slapping her ass as I walked out of the door.

“See you soon,” she waved from behind the door as she was completely naked.

“See you soon, my little whore,” I said, waving back as I left, letting the newlyweds continue their marital fun.

## BETH'S SURPRISE

On Wednesday afternoon, I received a call from my wife.

"Come home early," she said. "I have a surprise for you. Take off your clothes and bring your big boner to bed."

"You've ruined the surprise," I smiled. "You've already told me you are hungry for my big cock."

"That should never come to you as a surprise," she said. "It isn't the surprise."

"What's the surprise?" I asked.

"You have to bring your big boner to bed to find out," she said.

"Okay," I said. "What should I do with it till then?"

"Have some office bimbo suck it for you, but don't come," she teased.

"You want me to bring my blue balls to bed?" I teased.

"You don't work at a whorehouse," she said. "You don't have office bimbos good enough to give you blue balls within a couple of hours."

"Okay," I said. "I'll try to find one. Bye, cock tease."

"I love you too," she giggled.

"Laura," I called after I hung up.

"Yes," said my secretary, standing in my door.

"Can you believe that my wife thinks you can't give me blue balls in a few hours?" I said.

"She knows you too well," she smiled.

"Does that mean you won't even try?" I said.

"No way," she smiled. "I don't give up easily. I actually love doing that even though I fail all the time. I *love* worshipping your big cock. You don't know how easy it is with my boyfriend. He can't last for a few minutes."

"I can't blame him," I said. "You've quickly become the hottest and the best cocksucker in the company."

"I still can't give you blue balls," she said.

"That's good for you," I said. "It gives you room to improve. You can become the best corporate cocksucker."

"I don't do it for the title," she said. "I do it for the fun of it and for the love of your amazing cock."

"Go for it, baby," I said. "Worship your favorite cock."

"I am already drooling," she said, locking the office door.

"Is your little pussy drooling too?" I teased.

"Of course," she said as she came over. "My little pussy's a big fan of your big cock."

"I thought it was a *little* fan of my big cock," I teased.

"It's only little in size," she smiled, kneeling down.

"It's the perfect size for my big cock," I said as she fondled my boner through my pants.

"That's perfectly right," she said.

"Every hole you have is perfect for my big cock," I said.

"Do you know why?" she said, undoing my pants.

"Why?" I smiled.

"Because I was meant to be your little whore," she said.

"I love being with you so much I sometimes feel guilty," I said.

"You feel guilty about doing it behind your wife's back?" she said.

"No," I said. "I feel guilty you are not mine all the time."

"Oh, baby," she said. "I wish I were yours all the time too."

She kissed my cock head through my underwear.

"Let's not cry," I said. "Let's have fun. Suck my big cock, baby."

“I’ll get you ready to fuck your wife for days,” she smiled, pulling my pants off. “She’ll regret challenging me.”

“You don’t know Beth if you think so,” I said as she took underwear off. “She loves cock.”

“Who doesn’t?” she said.

For several minutes, I sat back and smiled at her as I watched her work. She teased my shaft and balls for a while. She then moved to working on my leaky cock head. Her playful tongue knew exactly what to do and when to do it. She had fun doing that too.

She proceeded to give me one of her amazing leisurely blowjobs while I returned to work. She was incredible. Most whores could not suck cock as long and as good as she did. She had very fit jaws, and I put them to good use. She helped me improve my stamina. Had she been that good when she gave me the first blowjob, I would not have been able to last tenth of the time we built up to. There was no way her fiancé could last that much.

“I need some of it elsewhere,” she said, lubing my cock about half an hour before the end of the work day.

She got up and hiked her skirt. She turned around and bent over the desk, spreading her ass with both hands.

“Please fuck me in your choice of my wholes,” she begged.

Her pussy was soaked, and her asshole was so small and mouthwatering. I gave each a kiss, making her gasp

“We don’t have enough time to take good care of you,” I said, teasing her leaky pussy with my cock head.

“You can make it up to me on another day,” she said as I gently pushed my cock into her splayed asshole.

“I will,” I said as I held her hips and thrust in her tight ass. “Is your hot ass still mine?”

“Of course it’s still yours,” she said. “Nothing will ever change that.”

“I can’t think of anybody else who deserves it,” I smiled.

“Me neither,” she smiled. “That’s why it will always be yours and only yours.”

“It’s one of my most prized possessions,” I said, fucking her ass briskly. “My big cock loves it so much.”

“Thank you,” she said.

She came a few times, and I fucked her pussy for one orgasm. She sucked my cock clean and I licked her pussy.

“I enjoyed your wife’s challenge so much,” she smiled. “Thank her for me.”

“I am no body’s messenger,” I teased. “You know her number. Thank her whenever you want.”

“I’ll do that as soon as my fiancé thanks you for making me a very passionate cocksucker,” she smiled.

“You’ll wait for long,” I said.

“That’s why I am asking you to thank her for me,” she smiled.

“Sorry,” I smiled.

When I arrived at home, I parked in the garage like every day. I even thought Beth must have forgotten about the surprise, but I took my clothes off and let my boner lead me to the bedroom.

On the bed, a naked woman was on her knees, naked and her ass spread with both hands.

“You are fucked,” I said as I climbed onto the bed. “I am so ready for this.”

“I hoped so,” said Beth.

Blond hair covered her face.

Just before I aimed my hard cock at the soaked pussy, I gave it a little kiss, eliciting a gasp. I kissed the sweet little asshole next to it. That was when I noticed that it was not Beth’s asshole. It was well lubed and ready, but it was definitely not my wife’s asshole. The engagement and wedding rings on the left hand were not Beth’s. That was a sweet asshole I had met very recently and could never forget. It was Alex’s asshole and pussy and body. It was Alex, and she was on my bed offered shamelessly to me to do with here whatever I wanted.

My cock throbbed as I aimed it at Alex’s leaky pussy. I gently pushed it in, making her moan quietly, and held her hips. I drove my cock all the way in and proceeded to fuck her.

“Your tight little pussy won’t be so tight when I am through with it,” I said, fucking Alex’s pussy harder.

“I know,” moaned Beth.

Alex soon came, gasping and convulsing wildly.

Before she recovered, I moved my dripping cock to her ready asshole. I slowly impaled it on my cock and thrust gently. She fucked back, and I picked up the pace. I soon fucked her ass vigorously to a wild orgasm.

Beth should have known that I would easily know I was not fucking her pussy or ass. Everything was different. The tightness of her holes, their experience and the way they responded to me were different.

“What’s my surprise?” I asked as I slowly but deeply fucked Alex’s ass while she recovered.

“You are not fucking me,” said Beth.

“I must be fucking some other ass whore then,” I said.

“That’s right,” she said.

“Don’t be silly,” I said.

“I am serious,” she said, getting up from behind the bed. “You are fucking another slut. Didn’t you feel that?”

“Of course I did,” I said. “I knew it wasn’t you when I saw her asshole. Did you think I wouldn’t notice that?”

“Who is she then?” she asked.

While we talked, I did not take one look at Alex.

“The moment I saw her sweet asshole, I knew she was my sister, Alex,” I said. “I have photographic memory when it comes to hot girls’ luscious assholes. You think I’d ever meet a sweet little asshole and ever forget it?”

“When have you ever seen your sister’s asshole?” asked Beth.

“Last week when I spanked her,” I said.

“You saw her asshole when you spanked her?” she asked.

“I wanted to make sure I didn’t hurt her tight little ass, so I took a look at it,” I said. “I accidentally pulled her thong down and spread her ass cheeks. Her asshole was right in my face.”

“You accidentally pulled down her thong and spread her ass cheeks?” she said. “How did that happen?”

“I unintentionally did it,” I said.

“You unintentionally pulled down her panties and spread her ass?” she said. “Are you serious?”

“I unintentionally got so horny I couldn’t resist the urge to take a look at her sweet asshole since I was so close to it and I was sure it was virgin,” I said.

“What happened when you saw it?” she asked.

“I didn’t have time to toy with it,” I said as I stuck two fingers in Alex’s mouth and worked them in and out of her mouth in the same slow rhythm I used on her ass. She sucked my fingers gently. “We agreed that I’d play with it on our next chance, which happened to be last Sunday, when I stopped by her house only to find her nearly naked and teasing her blindfolded and tied-up husband. It was a perfect perverse chance for me to play with her luscious ass right next to her clueless husband. One thing led to another, and I fucked her pussy and deflowered her asshole. He ate my come out of her ass and pussy, guided my cock into her ass and pussy and licked my come off her face without knowing who I was. She was so pleased with him she decided to let him see me fuck her next time.”

“Very nice,” said Beth. “When are you going to do that?”

“It must be over the weekend, isn’t it, Alex?” I said, taking my fingers out of Alex’s mouth.

“I think so,” said Alex.

“I’d sure love to be there,” said Beth.

“Of course,” I said.

“I am looking forward to that,” she said.

“By the way, I found a cocksucker at the company, and she did a decent job,” I said. “I am now ready to fuck the two of you till dawn. Now assume the position next to your friend, and get ready to get your ass fucked open.”

“I’d love that,” she said, climbing onto the bed.

“I missed your hot little ass, Alex, my little whore,” I said, picking up the pace.

“Fuck it, Nick,” gasped Alex. “It’s all yours.”

“Beth, how did my sister’s fine ass end up on my bed spread, well-lubed and begging to be fucked?” I asked.

“She asked me about anal fitness and hygiene, and I explained it to her,” said Beth. “We got her a kit for it, and she gave it a try. We both got excited, and she got anally horny so I figured you were the best to explain it to her.”

“Your mom didn’t teach you that brothers were not supposed to fuck their sisters in the ass no matter how hot, tight and horny their sisters’ asses were?” I said.

“Nick, had I listened to my mom, you’d never have fucked my own ass,” she said. “Why didn’t you ask your sister either? I didn’t drug her or force her to get into that position. Didn’t your mom teach her that? Besides, you said you recognized her asshole when you first saw it, but you still fucked it. How can you blame me?”

“I am not blaming you,” I said. “I love you for bringing my sister’s luscious ass to me. I was just wondering. Regarding our mom, my sister and I are horny people. We forget all about our mom when we are very tempted.”

“Are you going to regret it when you are done?” she asked.

“I’ll only regret fucking my hot little sister’s incredible ass royally if I lose my mind completely?” I said.

“She’s newlywed,” she said.

“That’s why her husband and my wife will eat my come out of her well-fucked pussy and ass,” I said.

“I wouldn’t mind eating your come out of her pussy and ass, but do you think her husband wouldn’t?” she said.

“Alex, do you think you can get your husband to eat my come out of your slimy pussy and ass?” I said.

“Sure,” gasped Alex, stiffening.

“That’s what this weekend’s all about,” I said, drilling Alex’s twitching asshole vigorously.

“I want to be there,” said Beth when Alex’s orgasm subsided and I slowed down the pace.

“You’ll be there,” I said. “He needs to know that my wife’s a better wife than he’s a husband. If he’s a good boy, he’ll get his cock wet, and, if you are a good girl, you’ll get your orifices reamed out.”

“You already know that I am a good girl,” she said.

“You just need to make sure not to go crazy with jealousy when you see him eat your husband’s come,” I said.

“I can manage that,” she said.

“Why don’t you manage this now?” I said as I knelt behind her and pushed my cock into her dripping pussy.

“I’d love to manage this,” she moaned. “I love to manage it even more in my horny ass.”

“You’ll get to that,” I said, fucking her pussy briskly.

“Alex, how did you like getting your horny ass fucked with your horny brother’s big cock?” asked Beth.

“Aren’t my big orgasms a good answer for your question?” said Alex.

“I want to hear you say it,” said Beth.

“It’s incredible,” said Alex. “It’s the best sex I’ve ever had.”

Beth came, and I pushed my glistening cock into her offered asshole.

After that, I switched my cock between their horny asses for nearly an hour, refreshing the lube occasionally.

“You don’t tire, do you?” said Alex when I pulled out of Beth’s ass and grabbed the lube.

“I told you my office cocksucker had primed me for an all-nighter,” I said.

“Good for me,” she giggled.

“Roll over,” I instructed, lubing my cock. “Your horny asses need to get fucked harder.”

They got into position, and Alex was the first to get my cock up her ass with her feet pinned behind her head.

“Is my slut sister getting her ass fucked well?” I teased Alex as I drilled her defenseless ass.

“Oh, yes, Nick,” she gasped. “I love it.”

“This is how your horny ass needs to be fucked, isn’t it?” I teased.

“Yes,” she gasped. “This is how I need to be fucked.”

“You can now see clearly that you’ve always been meant to be my ass whore?” I said.

“Yes,” she gasped. “I love being your ass whore.”

“Where are you going to go whenever you need the big cock you belong to?” I asked.

“I’ll come looking for it,” she gasped.

“That’s how you become a good whore,” I said.

She soon came, and I alternated between their asses. I occasionally fucked their pussies.

It was in that position that I pumped what’s likely to be the biggest come load of Alex’s life up her twitching ass. Beth ate my come out of Alex’s ass while Alex nursed my soft cock to full hardness. Alex came on Beth’s tongue, and Beth shared some of the come with her.

After giving each come-tasting mouth a deep kiss, I fucked Beth's throat for a few minutes. She turned around, and I fucked her pussy and ass. Alex's three holes were next.

We changed positions many times during the following couple of hours. I used all their holes and used my mouth on them and on their tits. It was then Alex's turn to suck my come out of Beth's ass and share it with her. Beth revived my cock until she came on Alex's tongue.

Alex's ass rode my cock in the Asian cowgirl position while Beth licked my balls and teased Alex's stretched asshole. Alex's ass sucked the next come load after about two hours. I plugged Alex's ass with her new butt plug and licked her drenched pussy leisurely while Beth revived my cock.

Just before midnight, Alex took my last come load of the night in her twitching pussy and headed home.

Beth and I showered and went to bed after she changed the sheets, but Alex was not done yet.

"You've turned your little sister into a whore," said Beth as we lay in bed.

"It's what she was made for," I said. "She's just found what she's been looking for all her life."

"You love the fact that you are fucking your own sister," she said.

"Of course," I said. "She'll always be my sister and my little whore."

"She'll always be a good little whore for her horny brother," she said.

"She'll only get better," I said.

"You are lucky you have an accommodating wife," she said.

"My wife's lucky she has a horny husband," I said.

"That's true too," she said.

Dave was already asleep. She woke him up gently.

"Honey, you need to greet your well-used wife," she said when he opened his eyes. "She has presents for you."

"What presents?" he asked, looking at his naked wife.

"Warm cream," she smiled, straddling his face. "Work for it, and get it."

"You were with your lover?" he asked.

"Yes," she said. "Are you ready to watch him fuck me on the weekend?"

"Yes," he said.

"Start with my pussy," she said. "His wife ate the biggest come load in history out of my well-fucked ass, but he pumped a new come load up my ass for you."

"Is he married?" he asked.

"Yes," she said. "He fucked his wife and me all evening. We need days to recover."

"His wife's okay with that?" he asked.

"With getting fucked royally until she can't move?" she said. "Of course."

"I meant with fucking you," he said.

"He said even an office slut sucked his cock for a few hours," she said.

"Doesn't he ever get enough?" he asked.

"I don't know," she said. "All I know is that I can't get enough of him, and you'll reap the benefits. Eat me."

He sucked my come out of her pussy to orgasm. She popped the butt plug out of her ass and fed him the bigger load out of her happy slimy ass.

"Honey, I want to invite my brother, Nick, and his wife to lunch on Saturday," Alex told Dave in the morning.

"You are inviting them to lunch?" he said. "Why not dinner?"

"Did you forget that I am going to get fucked silly later that day so I could sleep in?" she said.

"Why do you have to invite them on the same day your lover's coming?" he asked.

"Is there a problem in having fun with my brother and lover?" she said.

"No," he said.

She kissed him goodnight, and they went to bed.

## A LIGHT LUNCH

Early on Saturday afternoon, Beth and I arrived at my sister's house. Beth was wearing a very short skirt and a thin tank top that exposed her cleavage and outlined her nipples even when soft.

Alex opened the door for us, wearing a skirt even shorter than Beth's and a tank top more revealing than Beth's top. I squeezed her ass when we hugged.

"I am wearing a butt plug for underwear," she smiled.

"So is my horny wife," I said.

The girls hugged and kissed. We went in, and Beth and I greeted Dave, shaking hands with him. We sat down and started chatting.

"I sometimes can't believe that my little sister has become such a lovely woman," I said.

"She's a very beautiful woman," he said.

"She knows it too," I said. "She knows how to dress to show it off."

"That's true too," he said.

"What about me?" said Beth as she got up and pirouetted.

"You are a very hot woman too," I said as I reached out and squeezed her ass.

She tried to slap my hand, but I had already pulled it back.

"You sure are," said Dave.

"Thank you," she said, taking her seat back.

"As you can see, I can't easily keep my hands off her," I teased.

"That isn't easy for me with Alex wither," he said.

"Dave's apparently more disciplined than Nick," said Alex.

"I have a horny wife," I said.

"He does too," she said.

"I have a horny husband," said Beth.

"Are you implying that she doesn't?" I said.

"No, I just implying that *I* do," she said.

"I do too, but I don't let Dave get away with the stuff you let Nick get away with," said Alex.

"I can't get away with the things your husband lets you get away with either," said Beth.

"Are you saying that you do my brother's bidding?" said Alex.

"Ever since we met," said Beth.

"We have it the other way around," said Alex. "Dave's so nice he lets me get away with anything."

"I am so nice too," smiled Beth. "I let Nick get away with anything."

"Are you implying that my sister and I are not nice?" I said.

"No," said Beth. "I let you get away with anything because you are very nice."

"I am sure that's why Dave lets Alex get away with anything too," I said.

"That's right," he said.

"Nick somehow can get anybody to do his bidding," said Alex. "I definitely do his bidding too. Mom and dad do too. Maybe some of that rubbed off on me."

"It's nice to have people do one's bidding," I said.

"I still remember when he talked mom into letting him have sex with you in the living room," Alex said to Beth, making her blush. "I was shocked when I walked in on you. You turned beet red, but he didn't miss a beat. I complained to mom who was home at the time, and she said it was okay but not to tell dad! You think he wrapped it up quickly? No. He continued to pound the poor girl for nearly another hour."

"You did that?" he asked, smiling.

“Yes,” I said. “I wanted my family to know that Beth was mine to do to her whatever I wanted.”

“You didn’t have to let them watch us,” complained Beth.

“They didn’t watch, but I wished they would so they’d be proud of me,” I teased. “Mom might have forgotten all about it. Don’t you think we should do it again?”

“No,” she said.

“What do you think, Alex?” I asked.

“I don’t know,” teased Alex. “You need to make sure Dave and I are visiting too.”

“Did he bring other girls when I wasn’t around?” Beth asked Alex.

“He didn’t do anything with those in the living room,” said Alex. “He took them to his room. They could have been playing chess for all I knew.”

“Your brother would only play chess if someone went down on him,” said Beth.

“How do you know that?” I said. “You’ve never seen me play chess.”

“I’ve seen you play computer games while I went down on you,” she said.

“Is he any good when he does that?” he asked.

“He’s very good,” she said.

“I love leisurely marathon blowjobs when I am busy with something besides sex,” I said.

“I wouldn’t be able to concentrate,” he said.

“Maybe your thing doesn’t have a mind of its own like mine,” I said.

“That may be true,” he said.

“Alex, let’s go before he decides to enjoy a long blowjob while he visits his sister and her husband,” said Beth.

“You are right,” said Alex, laughing, as she got up. “He doesn’t mind audience.”

Beth got up, and they went to the kitchen.

“This talk made me wet,” said Alex quietly as they disappeared into the kitchen, but we heard them.

“Me too, but we shouldn’t let Nick know,” said Beth.

“Alex was the only girl who entered my room and didn’t get it in every hole,” I said. “Getting it on with the girls in the living room would only let my mom see that all girls were sluts. She might think I thought so of her too.”

“You had sex with them while you were with Beth?” he asked.

“They were nice girls,” I said. “Somebody nice had to introduce them to good sex. I volunteered.”

“What if Beth found out?” he asked.

“Nice girls wouldn’t brag that I used them like little whores,” I said. “I naturally didn’t brag so my friends wouldn’t let me near their girlfriends. That wouldn’t have helped anybody.”

“You had sex with your friends’ girlfriends?” he asked.

“I had to,” I said. “Someone did, and my friends were not good enough. Most of them should thank me because, without me, they’d have taken forever to get anywhere with their girlfriends. I trained them girlfriends for them.”

“They never caught on?” he asked.

“Who’d suspect that two nice girls would visit their boyfriends’ friend to get used like little whores?” I said.

“You had sex with more than one girl at the same time?” he asked.

“Not often, only once or twice a week,” I said. “Girls are dirtier in groups.”

“It’s harder to get more than one girl to have sex with you though,” he said.

“If you know how to do it, it gets easier,” I said. “A girl opens up more easily when she’s with a slut friend.”

“I’ve never even considered trying that in reality,” he said.

“I was driven by the sense of duty,” I said. “I believe that those sweet girls deserved to enjoy sex fully and they were not doing that with their boyfriends or didn’t have boyfriends. Somebody had to step forward. Why not me?”

“You had a girlfriend though,” he said.

“If you want to run away from your duty, you’ll find many excuses,” I said. “I didn’t. There is no good reason not to do good or to do bad. Don’t let your morals prevent you from doing something good that should be done.”

"That's an interesting guideline," he said.

"It makes most sense, doesn't it?" I said.

"I guess," he said.

"You should be sure," I said.

"Do you still have sex with other women after you got married?" he asked.

"What do you think?" I smiled.

"I don't know," he said.

"Do you think marriage's a good excuse to evade one's duties?" I asked.

"I guess not," he said.

"It surely isn't," I said.

"She has no clue about it?" he said.

"I don't really know," I said. "I don't lie about it. She sometimes calls me at the office and asks me about what I am doing. I tell her that my office cocksucker's giving me a long slow blowjob. Maybe she doesn't believe me."

"You have a woman that gives you blowjobs at work?" he asked.

"Horny girls don't become sexless saints when they go to work," I said. "My office cocksucker's probably the best part-time cocksucker in the state. She spends at least ten hours a week on her knees in the office."

"Wow!" he said.

"You'd need to try her mouth to know how good she is," I said. "She gets fucked only five hours a week."

"Only?" he laughed. "I bet whores don't have sex that much."

"I don't know, but she's very good," I said.

"I bet," he said.

"Beth knows her, but I don't think she knows how good or happy she is," I said.

"I am sure she doesn't," he smiled.

"Lunch's served," said Alex, standing several feet away.

"I bet it isn't my favorite lunch," I teased.

"That you prefer to be served in the living room, don't you?" she teased.

"Or in the bedroom," I said.

"No, it isn't your favorite lunch," she said. "I need to feed others."

"I can't complain," I said, getting up.

Lunch was reasonably light, but it had many varieties that were all delicious.

"This is the best lunch I've had in a very long time," I said. "Thank you, Dave and Alex."

"You are welcome," Dave and Alex said.

"I contributed to planning the executing the lunch too," said Beth.

"Thank you too," I smiled.

"You are welcome," she said, "but is it better than our special lunches?"

"Those are *special* lunches, not lunches," I said. "You could have made it better had you wanted to."

"What special lunches?" asked Alex.

"Your brother likes to have long lazy lunches while I go down on him," said Beth.

"Are those your favorite lunches?" asked Alex.

"No," I smiled. "Those are her favorite lunches. In my favorite lunches, *I* do the eating."

"The two of you are selfish and greedy," she said. "Each one of you likes to eat more than the other."

"What can you do when the food's so delicious?" I smiled.

"I guess I am selfish too," she said. "I enjoy feasting on Dave."

"Does he enjoy feasting on you?" I said. "He should."

"He does," she said.

"He's here," I said. "Why don't you let him answer?"

"Of course I do," he said.

"We are all selfish," I said. "We should have a group lunch someday."

"You mean a potluck?" she asked.

"No," I said. "We know what we'd be eating, and we know how delicious it is."

"Maybe they are not into public lunches?" said Beth.

"It doesn't have to be public," I smiled. "We can have it at one of our homes."

Meanwhile, Beth and Alex cleared the table.

"This lunch calls for my favorite dessert," I said as we lounged in the living room.

"What's your favorite dessert?" asked Alex.

"Beth knows it," I said.

"When your brother wants to sit back and be lazy, he enjoyed a leisurely marathon blowjob," said Beth.

"Feel free to give him what he wants," said Alex. "Didn't you say you did his bidding? It seems that he'd like his favorite dessert right now. Dave and I wouldn't mind, right, Dave?"

"Of course not," said Dave.

"You are the hostess," said Beth. "He's your guest. Didn't you say Dave let you do whatever you wanted?"

"Dave, would you mind if I gave Nick a marathon blowjob?" asked Alex.

"That's up to you," he said.

"Would you mind?" she said.

"No," he said.

"Dave, don't you think that they've teased us long enough with their sexy cleavages and fine tits?" I said.

"I guess," he said.

"Don't you think they should take them out and stop the teasing?" I said. "Don't we deserve that?"

"That's up to them," he said.

"Forget about them for a minute," I said. "If they took them out, wouldn't they be doing something we deserve?"

"Sure," he said.

"Would you mind if they did something we deserved?" I said.

"Of course not," he said.

"Girls, take out your luscious beauties, and let's see them," I said.

"You want your wife and sister to be topless in front of you and your brother-in-law?" said Alex.

"My wife and sister have perfect tits," I said. "I wouldn't want them to be topless otherwise."

"Nick, are you sure you want me to expose my tits to Dave?" said Beth.

"I want you to be a good wife and let him take your top off for you," I said. "Kneel in front of him and politely ask him to do it for you. Let's show them that you are as good as we claim. I assure you he won't bite them."

Dave watched in disbelief as Beth walked to him and knelt before him.

"Please take off my top for me," she said to him.

"Are you sure this is a good idea?" he asked nervously.

"Do it, honey," said Alex. "I'll soon have Nick return the favor."

He helped Beth out of her top with trembling fingers.

"Thank you," said Beth as she got up and took her top from him.

"You are welcome," he said shyly.

"Doesn't she look hotter this way?" I said.

"Yes," he said.

"Why don't you tell her that?" I said.

"Be courteous, honey, and compliment her on her tits especially if you think they are beautiful," said Alex.

“They are beautiful,” he said to Beth, blushing.

“Thank you,” she said. “Thank you for taking them out for me.”

“You are welcome,” he said.

“Kiss them if you think they deserve a kiss,” I said.

Beth leaned forward, bringing her firm tits close to his face. He did not know what to do.

“Kiss them, honey,” instructed Alex.

He hesitantly kissed Beth’s tits on the sides.

“Thank you,” said Beth, getting up.

Beth walked to me and handed me her top.

“Let me kiss them,” I said, pulling her into my lap.

She knelt astride me, and I held her waist. I took each stiff nipple into my mouth and sucked it hard for a few seconds, making her gasp and moan.

“That wasn’t a kiss,” she said, dismounting me and sitting next to me. “You made my pussy vibrate and leak.”

“You shouldn’t blame me for being a hot and horny woman,” I smiled. “You should take the credit instead.”

“Are you happy now that I am exposing my bare tits to you and to your brother-in-law?” she said.

“I can see that I am not the only one happy with that,” I said, looking at her stiff nipples.

“Thanks to your kiss,” she said.

“It’s your turn, Alex,” I said.

Alex came over and knelt before me.

“Please take off my top and expose my tits,” said Alex, looking up at me.

Without hesitation, I reached out for her halter top and smoothly pulled it off.

“Thank you,” she said as I gave her the top.

“You are welcome,” I said.

“Do you want to kiss them?” she said, getting up.

“Only if they are beautiful,” I said.

“Are they beautiful,” she said, jiggling her ripe tits in front of my face.

“I think they are,” I said. “What do you think, Dave?”

“They are definitely beautiful,” he said.

“You think I should kiss them too?” I said.

“That’s up to her,” he said.

“Do they deserve to be kissed?” I asked.

“Yes,” he said.

“Let’s see,” I said, pulling her astride me.

She clasped her hands over her head, holding her tits proudly out for me.

“Your nipples are so sweet and mouthwatering, but, because you are not my wife, you need to ask me to kiss them,” I said. “When the woman isn’t my wife, I only do what I have to do. What do you need me to do?”

“Please kiss them,” she said.

“Dave, your sexy wife’s begging me to kiss her delectable nipples,” I teased. “What should I do?”

“Kiss them please,” he said.

“Please,” she said quietly as my lips approached her stiff left nipple.

Each sweet nipple got a kiss identical to what Beth’s nipples received. Alex gasped and moaned.

“Thank you,” she said, getting off my lap.

“You are welcome, little sister,” I smiled. “Anytime.”

“You were right, Beth,” she said as she returned to her seat. “His kisses made my pussy vibrate and soak itself.”

“Have some shame!” I chided. “I am your brother.”

"My brother or not, nobody else has ever had that effect on me," she said.

"Aren't they more beautiful when topless?" I said to him.

"Yes," he said.

"Now that everybody's comfortable, who's going to serve my favorite dessert?" I said.

"The hostess should," said Beth.

"Do you know the recipe?" I asked Alex.

"In general," she said. "I may need a few pointers from your wife since she knows it most."

"You need two ingredients," said Beth. "Take it slow, and have fun."

"That's easy," said Alex as she walked to me.

She knelt down before me.

"You are still not my wife," I said. "I can only let you serve my favorite dessert if you feel you have to do that."

"I do," she said.

"Ask for it," I said.

"Please let me serve you your favorite dessert," she said.

"Spell it out," I said.

"Please let me give you a leisurely marathon blowjob," she said.

"Be a little more explicit," I said.

"Please let me suck your big cock for a long time," she said.

"Did you hear that, Dave?" I said. "Can I say no to that?"

"She's your sister," he said.

"If you have the heart to say no to your little sister when she begs for your cock, I don't," I said.

"You are right," he said. "I don't know what I'd do if my sister said that to me."

"Alex, I am going to be nice to you," I said. "I'll let you suck your brother's big cock, but in return you have to promise to be a good cocksucker for my big cock."

"I promise I'll be a perfect cocksucker for your big cock," she said.

"Is your husband okay with that?" I said.

"Yes," she said.

"I want to hear him say it," I said. "I don't want him to get mad at you or me."

"I am okay with it," he said.

"Do it, Alex," I said. "Let's show them what a hot little cocksucker my sweet little sister is."

She reached out for my pants. She undid my pants, and I cooperated as she pulled my pants and underwear down and off. My bare hard cock throbbed in her face.

"You are big and hard," she said, looking at my cock. "You are ready for this."

"Of course I am ready to give my little sister what she needs," I said. "Is this the big cock you need to suck?"

"Yes," she hissed.

"Go ahead," I said. "Show it you are its sweet little cocksucker, but, as Beth said, take your time and have fun."

"I can guarantee that," she said. "It's so mouthwatering. I am going to enjoy that."

She suck her tongue out and slowly teased her way from the base of the underside of my cock to where it met my cock head, making my cock twitch.

"Your big cock's delicious," she smiled at me.

"Are you enjoying my favorite dessert more than I am, you greedy little cocksucker?" I teased.

"I think I am," she smiled.

"Now I feel good," I said. "That's why I do this."

She used her tongue tip for a few minutes, teasing my balls, shaft and cock head.

"Dave, what's your favorite dessert?" I asked.

"It's nowhere as good as yours," he said.

"I think this is my and Beth's favorite dessert more than it's yours," said Alex. "Your big cock's so tasty."

"We'll get later to my very favorite dessert," I said.

"What's that?" she asked Beth.

"Should I tell her?" Beth asked me.

"I don't know," I said.

"Please tell me," said Alex.

"He likes to eat my little asshole until I go crazy," said Beth.

"How does that compare with this?" asked Alex.

"It's great," said Beth. "They are both amazing, but they taste differently."

"Would you do that for me?" asked Alex.

"Let you serve my very favorite dessert?" I said.

"Yes, please," she said.

"Only if you do a very good job at this," I said.

"I promised I would," she said. "I'll do my best."

"Do it, Alex," I said. "You deserve to enjoy your dessert fully."

She took my cock head in her mouth and proceeded to suck it and lick it leisurely.

"She looks so beautiful as she does this, doesn't she?" I said to him.

"She's always beautiful," he said.

"Why don't you come over here and sit next to me?" I said, scooting toward Beth. "You'd see better."

"It's okay," he said. "I can see well from here."

"I made room for you," I said. "Come on."

She got up and came over. He sat next to me.

"I love to play with my brother's big beautiful cock unhurriedly," she said to him.

"Enjoy," he said.

"Isn't this a better angle to enjoy her full beauty?" I said.

"Yes," he said.

"Tell me now," I said. "Am I being nice to her or not?"

"You are," he said.

She took my cock deeper and deeper down her throat but tantalizingly slowly. She took several minutes to close her lips around the base of my cock. She held her lips there and looked at me.

"Isn't she absolutely beautiful?" I said.

"Yes," he said.

While Alex worshipped and deep throated my cock leisurely, I worked my right hand between Beth's legs. Beth resisted a little but soon gave up and parted her legs. Her pussy was soaked. I fingered it lazily. She gradually spread her legs and pushed her pussy forward, subtly humping my fingers. I occasionally sucked her juices off my fingers. I let her suck them a few times. When Alex saw that, she started to squeeze her husband's cock, which was hard, every once in a while. He was not comfortable at first.

"Relax," I said to him, showing him my glistening fingers. "See how wet my wife is. Everybody loves dessert."

He watched as I sucked my fingers clean and returned them to Beth's pussy.

"Nick, I need to suck your big cock too," said Beth.

"You need to ask my sister," I said. "It's hers now."

"Alex, can I suck your brother's big cock with you?" asked Beth.

"Sure," said Alex. "There is more than enough of it to share."

"Thank you," said Beth, kneeling next to Alex.

"Thank *you* for letting me suck your husband's delicious cock," said Alex.

As they adjusted their positions, I scooted a little to the right and spread my legs wider.

"This is going to be my first double blowjob," I said. "Make it special. Suck and lick my big cock together."

"Of course," said Beth.

"Have you ever had a double blowjob?" I asked him as each woman licked a side of my hard shaft.

"I've never been in the same house with two topless women before," he said.

"A woman doesn't have to be topless to suck your cock," I said.

"I've never had that," he said.

"You've missed your chance," I said. "I know my little sister. I am sure she'll never let you experience that."

"I am sure of that too," he said.

"She's somewhat like me," I said. "I'd never let Beth touch another cock not to mention put it in her mouth."

"You and your sister are selfish," said Beth.

"I didn't know you were complaining," I said.

"I am not," she said.

"Are you complaining," I asked him.

"No," he said.

"I can see no problem where I can hear no complaint," I said.

"I didn't say there was any," said Beth.

"It's so much fun to watch two lovely cock worshippers in their temple, isn't it?" I said.

"Yes," he said.

"Do you agree that there is a natural need in a hot woman to succumb to a big hard cock and worship it?" I said.

"Yes," he said.

"I feel good when I can satisfy a hot woman's need to be a woman and show her pride in being one," I said. "Can you see the joy and pride as they are down on their knees, worshipping my big hard cock?"

"Yes," he said.

"Do I have the right to be happy for helping these poor cock-craving little whores?" I said.

"Yes," he said.

"I've always felt good about being good," I said. "Does it now make sense to you?"

"Yes," he said.

"Helping horny hot women is my favorite charity," I said.

"It's a very enjoyable charity," he said.

"Not everybody can do it," I said. "It's so easy to please oneself, but it isn't so to please others even more."

"That's right," he said.

"Others fight world hunger," I said. "I fight cock hunger. Everybody should do what he or she can."

"That makes sense," he smiled.

Meanwhile, Beth and Alex had established a routine licking, sucking and deep throating my cock leisurely and joyously. Their synergy improved constantly.

"I can suck your juicy cock for hours and not have enough," said Alex after nearly an hour of cock worship.

"You are a greedy hot little slut," I said. "Those are my favorites."

"Honey, are you having fun watching your slut wife worship her horny brother's big fat cock?" she asked him.

"Yes, of course," he said.

"What about you, Nick?" she said. "Have I been a perfect little cocksucker for your big cock like I promised?"

"So far, so good," I smiled. "As long as you are having the most fun you can, you are my perfect cocksucker."

"Of course I am having the most fun I can," she smiled.

"Have some more," I smiled.

She returned to sucking my cock.

“Honey, can I have a quick word with you?” he said an hour later.

“Excuse us, Nick and Beth,” she said. “We’ll be back in a minute.”

They left to the kitchen.

“Alex, this is fun, but what about your lover?” he asked lowly. “Isn’t he supposed to stop by? What if he came in while they are still here?”

“Oh, don’t worry about that, honey,” she smiled.

“Why not?” he said.

“Haven’t you figured it out yet?” she said.

“What?” he said.

“Nick’s my lover,” she said.

“You mean this isn’t your first time?” he said.

“No,” she said. “Our first time was last Sunday when he accidentally stopped by and found us in the middle of our play. One thing led to another, and you know what happened.”

“You mean it all started by accident?” he said.

“Yes,” she said.

“I can’t believe that,” he said.

“He’s here today to fuck me in front of my husband and his wife,” she said. “You and she are going to eat his come out of my pussy and ass. Are you ready for that, honey?”

“She’s going to eat his come out of your pussy and ass too?” he said.

“Didn’t I tell you that she’d eaten his come out of my ass last Wednesday?” she said.

“Oh, I didn’t digest that yet,” he said.

“It’s her husband’s come and whore after all,” she said. “It’s your wife and her stud’s come.”

“This is so crazy and perverse,” he said.

“Are you ready for it?” she said. “Should I beg him to fuck me when we return?”

“Sure,” he said.

“Do you want to watch your slut wife be a total whore for her horny brother and his big cock?” she teased.

“Yes,” he said.

“Let’s go,” she said.

He returned to his seat, and she knelt down and resumed sucking my cock with Beth.

“Nick, I love doing this, but it’s making me so horny,” said Alex a few minutes later. “My juices are running down my legs. I need your big cock inside me.”

“Alex, you are not my wife,” I said. “You need to beg for what you need. I often make my own wife beg for it.”

“Please fuck your slut little sister’s cock-hungry little pussy with your big fat cock,” she begged.

“Are you going to get yourself fucked royally?” I asked.

“Yes, I promise,” she said.

“Beth, would you hold my big cock for her so she can impale her horny little pussy on it?” I said.

“Sure,” said Beth.

“Go ahead, Alex,” I said. “Get fucked. Show your husband what a good little whore you are for my big cock.”

“Thank you,” said Alex, getting up.

“You don’t mind this, do you, Dave?” I asked.

“No, not at all,” he said.

“Do you want me to fuck your slut wife royally?” I said.

“Yes, please,” he said.

“Don’t be shy,” I said. “Ask for it. When I hear people beg sincerely, I know I am about to do something good.”

“Please fuck my slut wife royally,” he said.

“Of course,” I said. “I’d love to. You know how much I love doing good. Fucking your wife is good, isn’t it?”

“Yes, of course,” he said.

“Consider her fucked,” I said.

“Thank you,” he said.

“You are welcome,” I said.

Beth took Alex’s skirt off and put it aside. She then held my cock by the base, and naked Alex climbed astride me. She carefully lowered her dripping pussy down my cock, moaning. She gasped when I was all the way in. Her butt plug pressed against the underside of my cock.

“Oh, honey, my brother’s big cock feels so good balls deep in my little pussy,” she moaned, squeezing my cock. “It’s like they were made for each other.”

“You mean that your hot little pussy belongs to my big cock?” I said.

“Yes,” she hissed.

“Get fucked, my little slut,” I said as I held and spread her tight ass. “Put your horny little pussy to good use.”

“Yes,” she hissed as she started to ride my cock at an easy pace.

“My big cock loves fucking its little whore,” I said, bouncing her on my cock.

“Not as much as I do,” she gasped.

“You don’t know how much my big cock loves you,” I said.

“Does it know how much I love it?” she gasped.

“It wants you to keep showing it how much you love it,” I said.

“I won’t get enough of that,” she gasped.

“You are a good little whore, Alex,” I said. “Your husband’s very lucky to have you.”

“Are you, honey?” she gasped.

“Yes, and I know it,” he said.

“Why don’t you help me with her delicious nipples?” I said. “Take her right nipple, and I’ll take her left one.”

“That would be so nice,” she gasped.

Alex leaned toward him, and I took her left nipple in my mouth. While we sucked her nipples, I held the base of her butt plug and worked it in and out of her ass. Beth licked and fondled my balls. I took the butt plug out of Alex’s ass and gave it to Beth. I squeezed two fingers into Alex’s well-lubed asshole and started to toy with it.

Alex soon came. We let go of her nipples, and I jerked her ass wildly as she convulsed in orgasm. I rocked her ass gently while she recovered.

“Nick, I need it in my ass,” she gasped. “Please fuck me in the ass.”

“Not before your husband watches my big cock fuck your horny pussy,” I said. “Don’t you want to watch?”

“Sure,” he said.

“Kneel down, and watch all you want,” I said as I removed my fingers from her ass and spread it.

He knelt down behind her and watched as I gradually bounced her faster and faster. She picked up the pace on her own and rode my cock energetically.

“Dave, is your slut wife’s horny little pussy getting fucked well or not?” I said.

“It’s getting fucked very well,” he said. “Thank you.”

“You are welcome,” I said.

“Get off on the big cock you belong to, or get off,” I said. “Show your husband you are a good little whore.”

Alex rode my cock harder and came within a minute. She moved her twitching pussy wildly as it gushed around my cock and she shook wildly. I reamed out her asshole with two fingers while she recovered.

“Do you want me to fuck her wanton little asshole?” I said.

“Yes, please,” he said.

“Go ahead, and guide it into her hot tight asshole,” I said as I removed my fingers from her ass, spread it and raised it until my cock popped out of her pussy. “Make sure she impaled her luscious ass balls deep.”

He held the base of my cock, and I slowly lowered her ass down. He pressed my cock head into her splayed asshole, and it popped in, making her gasp.

“Thank you, honey,” she moaned as she lowered her ass down my cock.

“Is it stretched wide enough, Dave?” I said.

“It’s stretched to the limit,” he said.

“All we have to do is to impale it to the limit,” I said.

“It’s on its way,” he said.

When Alex’s ass was halfway down my cock, I raised her knees into the Asian cowgirl position, and reached for her ass from between her legs. I spread her ass wide, and she worked it the rest of the way down my cock. Her asshole twitched when it was fully impaled. She milked my cock deliberately.

“It’s balls deep in,” he said.

“Doesn’t her little asshole look gorgeous when stretched widely around the big cock it belongs to?” I said.

“Yes,” he said.

“It feels as good,” I said.

“It has to,” he said.

“Show your husband that you can get your horny asshole fucked on the big cock it belongs to,” I said.

“Of course,” she said, moving her ass up and down gently. “He deserves to see that.”

“Your sizzling ass feels amazing on my big cock,” I said.

“It belongs to your big cock, which feels incredible deep inside it,” she moaned.

“Get it fucked, my little ass whore,” I said. “Put your luscious ass to good use.”

“Yes,” she hissed as she picked up the pace.

Beth continued to fondle my balls as Alex bounced her horny ass on my hard cock. With my hands, I helped bounce Alex’s ass, and she soon established a nice rhythm with long smooth strokes.

“What do you think, Dave?” I said. “Is your slut wife’s hot little ass getting fucked royally?”

“Oh, yes,” he said. “It’s getting a serious fucking.”

“Isn’t that how a good wife gets her horny ass fucked?” I said.

“Yes, it is,” he said.

“Are you pleased with your slut wife?” I said.

“Yes, of course,” he said.

“Pick it up, my little whore, and come for your loving husband,” I said. “Show him you are a serious ass whore.”

Alex picked up the pace, and I helped her.

“Dave, would you like to hold her ass and bounce it faster while I play with her bouncing tits?” I said.

“Sure,” he said.

His hands replaced mine, and I captured her tits with my hands. I squeezed her tits and pinched her stiff nipples while her husband energetically bounced her ass on my hard cock.

“Now your husband clearly deserves to have you come very hard for him,” I said. “Do it, my little ass whore.”

“I am close,” she gasped.

She soon came wildly, jerking her ass back and forth, and he tried to keep her ass under control.

“That was nice,” she gasped.

“Dave, do you want to do that again?” I asked.

“Sure,” he said.

“Let’s do it,” I said.

Alex resumed bouncing on my cock, and Dave spread her ass and helped her bounce faster to another orgasm. We did it for a third time. Alex then dismounted my cock and helped Beth straddle me.

Beth impaled her pussy on my cock and started bouncing. I paced her with two fingers up her ass until she came. Alex helped Beth get her ass skewered on my cock in the Asian cowgirl position.

"Dave, would you like to help Beth ride my cock?" I said as Beth rode my cock gently.

"Sure," he said.

He held her ass and bounced it on my cock while I fondled her tits and pinched her nipples. We did it that way until she had three orgasms. She then dismounted me, and I got up.

"Sit down here so you can spread their asses for me," I said to Dave, pointing to the middle of the sofa.

He took his position, and they knelt on either side of him.

"Spread her ass for me," I said as I stood behind Alex, holding the lube.

He spread his wife's ass, and I lubed her asshole thoroughly.

"Guide it in," I said, aiming my cock at her offered asshole.

He guided me in, and I proceeded to fuck her ass at an easy pace.

"It's beautiful, isn't it?" I said as I watched her stretched asshole repeatedly take my cock balls deep.

"Yes," he said.

"I love watching a sweet asshole stretch wide and take the big cock it belongs to balls deep again and again with eagerness and hunger," I said. "Don't you like that?"

"Yes," he said.

"It's almost as good as feeling the hot asshole swallow my big cock so lustfully," I said.

"It's hot," he said.

"You are enjoying it without having to do anything," I said.

"I am spreading her ass," he said.

"Your lovely wife has a gorgeous ass," I said. "Do you enjoy spreading it for her brother's big cock?"

"Yes," he said.

"Can you see how well my stud brother fucks my horny ass?" she said.

"Yes," he said. "He's doing a great job."

"Now you know for sure that your slut wife and her cock-craving ass are in good hands when she's with her brother," she said. "I don't mean your hands either."

"Yes," he said.

"Nick, we should let Dave watch and help you fuck his wife regularly," she said.

"Sure," I said. "What's the point of being married if your husband isn't there for you when you get fucked?"

"Thank you, Nick," she said.

The pace picked up, and she soon came. I made her come three times before I pulled out.

"That fucking wasn't lost on her luscious asshole," I said as her asshole gaped.

"Not at all," he said as I gave the open asshole a deep kiss.

He spread Beth's ass when I moved to her. I lubed her asshole and fucked it through three orgasms. I switched to her pussy and fucked it to orgasm. I then fucked her ass to orgasm.

He spread Alex's ass as I fucked her pussy to orgasm and then her ass.

"Are you ready for come, Alex?" I said.

"I am ready," she gasped. "I am sure Dave's ready too. Give it to me."

"I am flooding my slut little sister's ass with come for her and for her husband," I said as my orgasm hit.

She came wildly, her twitching asshole sucking every drop of come it could out of my balls.

"Eat me out, honey," she said as I withdrew from her slimy ass.

He knelt behind Alex and ate her come-filled ass while she sucked my cock clean. Beth revived my cock. I fucked her throat while Alex came on her husband's tongue.

"Did you enjoy eating my brother's creamy come out of my well-fucked ass?" Alex asked her husband.

"Sure," he said.

“Roll over,” I said as I stood behind Beth.

Beth rolled over and pulled her legs over her head. She spread her ass, and I lubed it.

“Dave, would you like to stand behind the sofa and hold her legs for her?” I asked.

“Sure,” he said, getting up.

He held Beth’s legs, and Alex guided my cock into Beth’s spread asshole.

“Thank you for helping me fuck my wife’s hot ass,” I said, fucking Beth’s ass hard.

“No problem,” he smiled.

Alex sat next to Beth and fondled her jiggling tits.

Alex and Beth had orgasms in that position, and Alex was riding me in the reverse cowgirl position.

“Honey, eat my juicy pussy while my brother fucks my horny asshole,” called Alex.

He soon knelt before her and ate her pussy while I spread her ass and helped bounce it on my cock. Alex came a few times, and it was Beth’s turn. Alex ate Beth’s pussy while I fucked her ass.

About half an hour later, I was ready to come in Beth’s ass in the doggy position.

“Nick, can Dave eat your come out of Beth’s asshole?” asked Alex.

“I don’t think that’s a good idea,” I said. “I don’t want Beth to get involved sexually with other guys.”

“I don’t want Dave to get involved sexually with anybody else either,” she said. “He’d only have to spread her ass like he did before while she squats over his face. He doesn’t have to touch her asshole. She can leak the come out into his mouth, and I’ll clean her asshole thoroughly after that. Although it isn’t sexual, it strengthens their ties.”

“In that case, it’s up to them,” I said.

“Are you okay with that, honey?” she asked.

“Sure,” he said.

“Beth, would you do that for Dave?” she asked.

“Sure,” gasped Beth..

Beth soon came, and her twitching asshole drained my balls in her ass.

While Alex sucked my cock clean, Beth squatted over Dave’s face, and he spread her ass for her. She let her asshole gape and leaked most of the come into his mouth.

“Thank you for doing that for me, Dave,” said Beth as Dave moved away.

Alex replaced Dave and devoured Beth’s sticky asshole, while Beth revived my cock.

Ornery continued, and I came in Alex’s pussy. Her husband devoured her pussy, trying to leave no trace of my come inside it. When it was Beth’s turn, she leaked most of the come into his mouth, and Alex devoured the rest.

We took a dinner break.

After dinner, Alex and Beth sucked my cock, and we resumed our orgy.

Alex plugged her asshole after I came inside it.

“This is for bedtime,” she smiled.

When I came in her pussy, the butt plug locked the come inside. She did not let Dave eat it out right away.

We said our goodbyes, and I kissed the base of her butt plug and her come-filled pussy.

“We have to do this often,” said Alex.

“I am sure Nick will make sure of that,” said Beth.

“Of course,” I smiled.

“Dave, thank you for having us,” she said.

“You are welcome,” he said.

In bed, Alex had Dave eat my come out of her pussy. She then unplugged her asshole and had him suck out every drop he could. She came in his mouth both times.

“It was so crazy to watch you fuck your sister right in front of her husband and watch him help you and eat your come out of her pussy and ass,” she Beth.

It was, and I loved it, but I knew that Alex loved it even more than I did.

## ALEX'S ANTICS

After Dave ate my come out of Alex's pussy and ass, she straddled him, taking his hard cock in her pussy. She sat there and milked his cock gently.

"There is so much come in your balls," she said.

"Yes," he said.

"You know you can't shoot it in my pussy," she said.

"I know," she said.

"I am vulnerable now," she said. "I've stopped taking the pill."

"Nick came in your pussy twice," he said.

"I was kidding," she said. "I can't get pregnant tonight. I don't have an egg."

"Will Nick continue to come inside your pussy when you have an egg?" he asked.

"Of course," she said. "Nick will continue to come in every hole I have. There are no limits for him."

"He may make you pregnant," he said.

"You mean for all the come he'll be pumping so deep inside my horny little pussy?" she said, milking his cock.

"Yes," he said.

"That's very likely," she said. "You may make me pregnant too even without coming in my pussy. If you ever come in my pussy, you'll have to wear condoms whenever you fuck me and will never be able to impregnate me."

"How can I make you pregnant without coming inside you?" he said.

"It's possible when it's meant to be," she said.

"He'll be much more likely to make you pregnant though," he said.

"Not if you eat his come out of my slimy little pussy to the last bit," she said.

"Eating his come out of your pussy isn't a good contraceptive," he said.

"That's why I am stopping the pill, silly," she said. "I want to be a mom. Don't you want to start a family?"

"Sure," he said.

"Does it really matter if our children are biologically yours or your wife's lover? They'll be still ours."

"Yes," he said.

"Do you think I'll let Nick and Beth raise our children?" she said.

"Of course not," he said.

"We want even know they are his," she said. "You'll assume they are yours, and he'll assume they are his. I'll naturally know they are mine."

"Of course," he said.

"Let's celebrate that next weekend," she said. "We'll celebrate and orgy at their house."

"Sure," he said.

"Since I had my period last Monday, I'll be most fertile on the next weekend," she said. "You can't fuck my pussy till then so we can give him a fair chance at my hot fertile pussy."

"Okay," he said.

"Your wife's becoming a real slut wife, and you are becoming a real cuckold," she said. "Aren't you excited?"

"Sure," he said.

"Give your slut wife a big kiss," she smiled.

He gave her a big kiss on the mouth.

"Now give her slutty little pussy another big kiss," she said.

He knelt down and gave her pussy a deep kiss, making her moan.

"Give her whoring little asshole a big kiss," she said, turning around.

She again moaned as he gave her asshole a deep kiss.

“You are a perfect husband for me,” she said, cuddling him. “I could never be happier with anybody else.”

“You are a perfect wife for me too,” he said. “No other woman can make me this happy.”

“We were made for each other just like I was made to be my horny brother’s little whore,” she smiled.

“That’s right,” he said. “You fit together so perfectly.”

“Keep your cock hard for me,” she said. “I’ll torture it to tears in the morning.”

“It will always be hard for you,” he said.

“As long as it is, your slut wife will always be a happy little whore,” she said.

She teased his hard cock mercilessly in the morning. She finally took it in her pussy again. She rode him until he was ready to come. When his orgasm hit him, she took his cock out of her pussy and sat her pussy against his underside. He shot his come on his belly and chest.

“Shoot it all out,” she said, grinding her pussy into the underside of his cock. “Don’t leave a drop in your balls.”

She rubbed her pussy over the underside of his shooting cock until his orgasm subsided. She dismounted him and milked his softening cock dry. She then leisurely used her fingers to scoop his come off his body and feed it to him until there was no trace of it. She finally pecked him on the lips.

“Was this a good way to start the day?” she teased.

“It was a great way to start the day,” he said.

“Save more come for me,” she said. “I’ll drain it all.”

“I am counting on that,” he said.

Alex stopped by on Wednesday evening. Beth and I were home.

Immediately after the greetings, Alex knelt down and fondled my cock briefly through my shorts. It got hard in no time. She took my shorts and underwear off and kissed it all over.

“I hope you don’t mind that I’ve missed your gorgeous cock so much,” she teased.

“Not at all,” I said. “It has missed you too.”

“Does it know that I missed it in every hole?” she teased.

“It expects that, but you need to show that to it in the language it understands,” I said.

“I’d love to do that,” she smiled.

She let her tongue toy with my leaky cock head for a minute.

“You and Beth are invited to spend the weekend at our house from Friday evening to Monday morning,” she said while she sucked my cock leisurely. “We are throwing a baby making party or orgy. I’ll be ovulating. I want you to pump a lot of come deep in my pussy. I want you to leave me pregnant.”

“Are you serious?” I said. “You really want me to make you pregnant?”

“Yes, I do,” she said. “I want to carry your baby. You are not only my stud but my lover too.”

“Is Dave okay with that?” I said.

“Of course,” she said. “Dave’s always okay with whatever I say or do. He’ll help me raise the kid.”

My cock twitched.

“Beth, what do you think?” I asked.

“It’s between you and your sister,” said Beth. “If you love her, give her the baby she wants.”

“Of course I love her,” I said.

“You know what to do then,” she said.

“I’ll be a good mom to your baby,” said Alex.

“I know you will,” I said.

“When our baby grows up, it will feel proud when it finds out that its dad fucked its mom silly in every hole she had to conceive it,” she said.

“Are you going to tell the baby that you were a total whore for me?” I asked.

“Only if it’s a girl,” she said. “If it’s a boy, you should tell him.”

“Why don’t we show them?” I said.

“That may work too,” she said. “Maybe we should film it and save it for us and for the baby.”

“That may be a good idea,” I said. “It would show how passionately the slut mom worked for the baby.”

“I like that,” she said.

Needless to say, I sent Alex home to her husband her pussy and ass full of come.

On Friday afternoon, my secretary sucked my cock for a couple of hours. I fucked her pussy and ass for an hour, making her come many times, but I did not come inside her. I saved my come for Alex.

When I went home, Beth was ready. I showered while she packed, and we headed to Alex’s house.

“This is so crazy,” said Beth on the drive. “You are going to make your own sister pregnant.”

“We have a special relationship,” I said. “She and her husband have been very nice to me.”

“He lets her do whatever she wants,” she said.

“He’s a good husband,” I said. “He’ll get his turn at impregnating her someday.”

“You are happy,” she said. “You are fucking his wife any way you want in front of him and impregnating her.”

“She needs it,” I said. “I am not a guy who denies his sweet little sister what she needs even if it’s his big cock.”

We soon parked at Alex’s garage. I liked her slutty outfit and kissed all her holes as soon as I saw her.

Alex led us inside. We greeted Dave. As soon as I sat down, she knelt before me and took my hard cock out of my clothes, putting my pants and underwear aside.

She had apparently commissioned him to film the action. He was already behind a video camera I did not notice when we went in. He got everything going and took his seat back.

“I don’t miss anybody and anything like I miss you and I miss your big cock,” she smiled, stroking my cock. “It apparently has missed me too.”

“Of course,” I said. “My big cock wants its little whore to be always around it.”

“Me too,” she said.

We chatted inconsequentially while Alex sucked and deep throated my cock leisurely.

“Your balls seem so full of hot come for your little whore,” she said, teasing my balls with her fingertips.

“They are,” I said.

Alex beckoned to Beth about half an hour later, and I had a long slow double blowjob.

“Every hole I have is so hungry for your big cock,” she said, getting up. “Do you want to fuck my little pussy?”

“Does it need my big cock so bad?” I teased.

“Oh, yes,” she said.

“Climb up, and let your husband guide my big cock into your horny little pussy,” I said.

“Help me, honey,” she said as she climbed astride me.

Dave came over and held my shaft as his wife impaled her pussy on it.

“Yes,” she hissed as my cock filled her tight pussy.

“Is this where you need my come?” I asked as she rode me gently.

“I need your come in every hole I have, but my horny pussy’s especially thirsty for it,” she moaned.

“I’ll give your hot little pussy what it needs,” I said.

“It needs a lot of your big cock and a lot of your creamy come,” she said.

“It will get it,” I assured.

“I know, Nick,” she said. “That’s only one of the reasons why I love being your whore.”

“You are a good whore, Alex,” I said. “I love using you like the dirty whore you are.”

“Use me, baby,” she said, bouncing on my cock eagerly.

Alex had her butt plug up her ass as she rode my cock energetically, and I held and fondled her ass. Beth licked my balls. After Alex had her first orgasm, I replaced the butt plug with two fingers. She bounced on my cock faster to her second orgasm. She had her third orgasm while I had three fingers in her horny asshole, which twitched wildly around the bases of my fingers.

“Do you want it up your horny ass?” I teased, twisting my fingers within her asshole.

“You know I do,” she gasped.

“Have your husband lube my big cock and guide it in,” I said.

“Honey, lube Nick’s big cock and work it up my little asshole,” she called as I raised her pussy off my cock.

He lubed my cock generously and guided it into his wife’s ass as I spread it wide. My bulbous cock head popped right in, making her gasp.

“My asshole has missed your amazing cock so much,” she said, squeezing my cock.

“I love your sweet little asshole,” I said.

She moaned as she worked her ass the rest of the way down. I raised her knees and held and spread her ass. I paced her as she bounced on my cock.

“I love this so much,” she gasped.

“Enjoy,” I said.

Alex’s fitness in that position had improved in the recent few weeks. She bounced on my cock energetically through several orgasms before she dismounted me and deep throated my cock. She kept her butt plug up her ass whenever my cock or fingers were not inside it.

Beth joined Alex, and they sucked my cock for a few minutes. Alex pushed Beth to me and guided my cock into her pussy. Beth rode my cock to orgasm, and then Alex lubed it and guided it into her asshole.

Alex licked my balls while I spread Beth’s ass and she bounced it on my cock through a few more orgasms.

When Beth dismounted me and sucked my cock, I laid Alex on her back on the sofa and pushed her legs over her head. Beth guided my cock into Alex’s pussy, and I fucked it vigorously through several orgasms.

“I am going to flood your sweet pussy with my creamy come,” I said as my orgasm approached.

“Yes, lover,” gasped Alex. “Fill my horny pussy with your baby-making cream.”

Within a minute, her twitched pussy swallowed a big come load.

“My slimy pussy’s served,” said Alex when I dismounted her.

Beth sucked my softening cock while Dave knelt before his wife’s offered goeey pussy. I shot so much come in Alex’s pussy but the butt plug in her ass held it all in and made it harder for her husband to suck it out.

“This is no longer a game, honey,” she said. “Any little bit of come you leave inside me can make me pregnant.”

“I’ll do my best,” he said.

“I want you and Nick to do your best, and we’ll see who wins,” she said.

Alex squeezed her pussy and asshole as tightly as she could to hold back the come. While he ate my come out of his wife, mine revived my cock, which thrust briskly in Beth’s ass while Alex came in her husband’s mouth.

“Honey, get dinner ready while Nick fucks his wife and my asses a little,” said Alex.

He left to the kitchen, and I fucked Beth and Alex’s asses through a few orgasms.

“Dinner’s served,” he announced as Beth and Alex sucked my cock.

We finished dinner quickly and returned to the living room.

My second come load exploded deep in Alex’s twitching bowels. He sucked all he could out, making her come.

At the end of our next round, I shot my come against the back of Alex’s throat. She and Beth traded my come back and forth before she swallowed it all.

Alex sucked my next come load out of Beth’s sloppy ass and shared it with her.

My last come load of the day went deep in Alex’s pussy to be sucked out by her husband. Again the butt plug up her ass and squeezing her pussy and ass made it a big challenge for him.

We showered and called it a night, or that was what I thought.

“You and Beth will spend the night with me in my bed,” announced Alex. “Dave will take the spare bedroom.”

We went to bed naked. As I lay between Alex and Beth, Alex toyed with my cock, and it soon got hard. I lay on my back and let her play with it freely. She finally straddled me.

“Did you think I’d let my husband eat out all your come out of my pussy?” smiled Alex wickedly as she impaled her pussy on my cock. “Get ready to fill my little pussy with come for the night.”

My cock throbbed. She leisurely worked her pussy up and down my cock for nearly an hour. I finally flipped her onto her back and filled her pussy with come. She was wearing her butt plug to lock it inside.

Saturday was packed with sex. Alex's pussy got three loads of my come. She swallowed one down her throat and her and Beth's asses gulped down two come loads each. Each ass kept one come load for itself. When we went to bed, Alex snuck one last come load in her pussy, going to be both holes full of come.

Sunday was more of the same, and Alex went to be with come-filled orifices.

On Monday morning, I pumped my last come load there into Alex's pussy before Beth and I left. Dave naturally tried to suck all my come out, but I hoped it was already too late.

"Good luck, little sister," I said before I kissed Alex goodbye.

"I am trying to get pregnant," Alex said to mom over the phone later. "Dave and I are so excited about it."

"That's nice if you are both ready for it," said mom.

"Of course we are ready for it," said Alex.

"Good luck," said mom.

"Over the weekend, we had a baby making party," said Alex. "It was a blast."

"What's a baby making party?" said "Is it like a baby shower?"

"Mom, you know how people make babies," said Alex. "They have lots of sex. It's a sperm shower."

"Oh!" said mom in surprise. "You didn't have to tell me about that."

"Why shouldn't I tell my mom that I had so much fun I need days to recuperate and have fun again?" said Alex.

"It's your private life," said mom.

"If I can't discuss my private life with my mom, who can I discuss it with?" said Alex. "Are you going to tell your friends your daughter had so much sex over the weekend she's now so sore she can't walk, sit down or talk?"

"Of course not," said mom.

"Speaking of not being able to sit down, I haven't told you that I tried anal sex two weeks ago and loved it," said Alex. "It was a phenomenal. I am now addicted to it."

"You had anal sex?" said mom.

"Yes, mom," said Alex. "I love it so much I now mostly have anal sex even though I am trying to get pregnant."

"Doesn't it hurt?" said mom.

"You thought I let Dave ream out my tight little asshole and drill it like a jackhammer?" said Alex.

"What do you mean by that?" said mom.

"I only take Dave the normal way and in my mouth," said Alex. "I'd never let him inside my wanton butt."

"What do you mean?" said mom. "Are you cheating on him?"

"No way, mom," said Alex. "Your daughter isn't a bad girl. She's only a sexual girl."

"You said you tried anal sex but you didn't let your husband do your butt," said mom. "What does that mean?"

"Don't get me wrong, mom, but I have a lover," said Alex.

"What?" said mom. "You have a lover? You said you didn't cheat."

"I don't cheat," said Alex. "Don't think we are nuts, but Dave approves of my lover and watches him have me."

"Your husband watches you have sex with your lover?" asked mom.

"Oh, yes," said Alex. "Many husbands do that. It's so hot you can't believe it until you try it. I love it especially when my lover floods one of my holes or the other with his sperm and Dave eats every slimy drop out of me."

"Your husband eats your lover's sperm out of you?" said mom in disbelief. "Are you serious?"

"Of course," said Alex. "Many husbands do that. They call it cream pies. They do it to show that they are okay with having their wives freely whore themselves out to their lovers."

"You can have sex freely with your lover?" asked mom.

"Of course," said Alex. "I haven't even told you that I don't let Dave ejaculate inside me. In the end, he has to eat his own sperm. If he ejaculates in my mouth, I feed it to him mouth to mouth."

"He eats his own sperm?" said mom in disbelief. "Is he okay with that?"

“He loves it,” said Alex.

“I can’t believe that,” said mom.

“Because I don’t let Dave ejaculate inside me, my children are likely to be my lover’s,” said Alex.

“What?” said mom in shock. “You want to carry your lover’s babies? You want to carry a stranger’s babies?”

“Mom, that’s called breeding,” said Alex. “My lover isn’t a stranger. You make my love affair sound so cheap. It’s very special to me. My lover’s so special to me I’ll carry his babies although he has his own wife.”

“Why do you want to carry his babies if he already has a wife to do that?” asked mom.

“His wife won’t carry his babies in my belly,” said Alex. “I will. She won’t let me raise her babies.”

“Does Dave know about that?” asked mom.

“Of course,” said Alex. “He guides my lover’s big love tool into my pussy and asshole. He bounces my butt on my lover’s big shaft. He helps me whore myself to my lover. He’s okay with all that.”

“This is the weirdest thing I’ve ever heard,” said mom.

“I was born to be a slut wife, and my husband was born to be a cuckold,” said Alex. “We are both very happy.”

“I don’t know what to say,” said mom.

“Don’t hate us,” said Alex.

“I don’t hate you,” said mom.

“Believe me, mom, if you try our lifestyle you’ll love it,” said Alex.

“Are you crazy?” said mom. “You want me to take a lover?”

“I am suggesting that you try something I tried and loved,” said Alex. “Why am I crazy because of that?”

“I am not like you, and your dad isn’t like your husband,” said mom.

“Do you think, when he proposed, he asked me to marry him but take a lover to whore yourself to?” said Alex. “Do you think, when I accepted, I told him I’d marry him but I’d have to whore myself to a lover with a big tool?”

“How did you start with your lifestyle?” asked mom.

“It was by pure accident,” said Alex. “Two weeks ago, my lover stopped by while Dave was tied up and blindfolded naked and I was licking his hard thing, wearing only panties. He signaled me to remain silent, and he teased me a little. One thing led to another, and he had sex with me while I toyed with my husband. He deflowered my butt too. By the end, Dave had guided my lover’s big tool in both of my holes and eaten his sperm out of them.”

“That was the first time you’ve ever done anything like that?” asked mom.

“Yes,” said Alex. “Naturally I’d tiled up and blindfolded Dave and teased him to tears before, but we’d never involved others. Dave didn’t get to see him on our first time. He only saw him and knew who he was last Saturday.”

“That’s so crazy,” said mom.

“If you tried it, you’d love it,” said Alex. “You’d discover sex all over again.”

“There is no way I can do that,” said mom.

“I was like you before my lover introduced me to his gorgeous cock,” said Alex. “Now Dave understands that his slut wife deserves to get fucked royally with that big amazing cock. I am sure you’d love to bounce on it wildly.”

“Alex!” chided mom weakly.

“You may think you are too old to take a lover and have incredible sex and gut-wrenching orgasms,” said Alex. “You are not. If dad thinks you are and he’s done with you, he should set you free. You deserve to be used like you were meant to be used. You deserve to have a hot lover and feed his hot come to dad out of your well-used orifices.”

“Alex, have some shame,” chided mom.

“You are a horny woman,” said Alex. “Dad needs to help you get fucked silly. He can’t let you wither and die.”

“Your dad isn’t like Dave,” said mom.

“Dave wasn’t like Dave,” said Alex. “You need to make him. You’d both be happier.”

“It isn’t easy,” said mom. “You can’t make people like you want.”

“Do you want me to talk to him?” asked Alex.

“Are you crazy?” said mom.

“Do you want to talk to him yourself?” said Alex. “If I talk to him, you won’t take the responsibility for it.”

“He’d think I’d become a whore,” said mom.

“Not yet, mom,” laughed Alex. “You *will* become a whore when you meet my lover’s big cock. You’ll then know that you were meant to be its shameless whore.”

“Alex!” chided mom shyly.

“I won’t tell him you juices ran down your legs at the mere thought of whoring your slutty self to your slut daughter’s horny stud and his big cock,” said Alex.

“Alex!” whined mom.

“Are your pussy juices running down your legs or not?” said Alex. “If not, you are not a woman cut for that.”

“They are,” said mom shyly.

“Leave the rest to me,” said Alex.

“What would your lover think of me?” said mom nervously.

“You want to be his dirty whore,” said Alex. “You want him to think you are a saint or a nun?”

“I guess not,” said mom.

“Don’t you want to know who my incredible lover is?” said Alex.

“Do I know him?” asked mom.

“Of course you do,” said Alex. “You know him very well, and you like him. Did you think your sweet daughter would whore herself to an unworthy guy and carry his babies?”

“Who’s he?” asked mom.

“Do you promise not to hate him?” said Alex. “After all, he’s only making me very happy.”

“I promise,” said mom.

“Nick,” said Alex.

“Nick?” said mom. “Nick Who?”

“My handsome brother,” said Alex. “Who else?”

“What?” said mom in shock. “You are having sex with your brother?”

“Yes, mom,” said Alex. “I told you it was accidental but addictive.”

“I can’t have sex with my own son,” said mom.

“If you can’t, don’t, but I assure you that you can,” said Alex. “Just play along. He’ll take care of you. Before you know it, you’ll be his cock-craving whore. Relax. If you don’t beg for his big cock, he won’t let you touch it.”

“He’d have sex with his own mom?” said mom.

“Leave that to me,” said Alex. “All you have to do is fantasize and keep your little pussy wet. Can you do that?”

“Yes,” hissed mom.

“Mom, you are fucked,” giggled Alex.

“Alex!” whined mom.

“I can’t wait to have Nick fuck the two of us together while dad and Dave watch,” said Alex. “It would be wild.”

“Do you think that can ever happen?” asked mom.

“On top of that, Dave will eat Nick’s come out of your slimy pussy and ass and dad will eat it out of mine,” said Alex. “That’s how they show us, dirty whores, some real respect.”

“You are outrageous,” said mom.

“Mom, are you an anal virgin?” asked Alex.

“Yes,” said mom.

“Nick’s going to love toying with your virgin little asshole and deflowering it with his big fat cock,” said Alex.

“That doesn’t hurt?” asked mom.

“Nothing hurts if you know how to do it,” said Alex. “If there is one guy who knows how to fuck ass, it’s Nick.”

“Okay,” said mom.

“You need to take daily enemas though to make sure that your hot tight ass is clean whenever Nick wants it,” said Alex. “He’ll want it very often. Your enema and butt plug will be a gift from me.”

“Thanks, Alex,” said mom.

“You are welcome, mom,” said Alex.

After Alex hung up, she pondered how to approach dad while teasing her pussy lightly with her fingertips.

“Dad, can you stop by today after work?” asked Alex over the phone. “I’d like to have a private talk with you.”

“Sure,” he said. “Is there a problem?”

“Of course not,” she said. “Can’t a newlywed girl talk to her precious daddy except when she has a problem?”

“Of course not,” he said. “I’ll be there.”

“Don’t tell anyone where you are going,” she said.

“I won’t,” he said.

“Thanks, dad,” she said.

“You are welcome, sweetie,” he said.

“Honey, don’t come home today until I give you a call,” she said to Dave right away. “I’ll have a guest.”

“Is it Nick?” he asked.

“Of course not,” she said. “If it were Nick, I’d have you here watching and helping.”

“Okay,” he said.

“Don’t go picking up bimbos,” she said.

“Of course not,” he assured. “You know I’d never do that.”

“Of course I do,” she said. “I love you.”

“I love you too,” he said. “Bye.”

It was a little after five when dad arrived at Alex’s house. After the greetings, they sat down in the living room.

“Dad, I am so excited to tell you about the thrilling things that happened to me during the last three weeks,” said Alex, smiling. She was not going to waste any time. “Don’t think I am a bad girl though.”

“Why would I think you are a bad girl?” he asked.

“You’ll find out soon, but please open your mind and don’t try to judge me by ancient traditions,” she said.

“Okay,” he said.

“About twenty days ago, I visited Nick and Beth,” she said. “In the course of conversation, I playfully asked him if he wanted to spank me, and he said yes. He bent me over his knees and spanked my bottom hard. Beth protested, and he asked her if her own bottom needed a spanking as well, so she left us alone and went to the kitchen. The hard spanking gradually turned me on. He alternated between walloping my bottom and massaging it so it wouldn’t hurt too much, and that turned me on even more. By the time he was done, I was soaked and almost ready to kill for sex. I had luckily never been spanked. It turned out that spanking can turn me into a very bad girl.”

“That’s strange,” he said.

“When he was done, he hiked my dress to take a look at my bottom,” she said. “It was naturally red. He saw that my thong was wet. He pulled it down to take a better look and saw that I was soaked. He gave me a kiss on my private hole that sent a strong electric jolt right to my brain. He gave me a kiss to my rear hole that had a similar effect on me. He said my butt was so pretty he wanted to play with it for a long time but he couldn’t do that while his wife was home. He said he should do that some other time.”

“How did things go that far?” he asked.

“Nick’s an ass man,” she said. “Butts are his weak point. He liked my butt so much, and I was so horny.”

“That was it?” he said.

“That was it until he visited us a few days later,” she said. “As luck had it, I was naked except for my thong, teasing my blindfolded, tied-up naked husband in the spare bedroom. Nick let himself in and found us like that. Watching us must have turned him on. It turned me on madly too. He pulled my thong to the side and teased my excited orifice with his fingers, driving me crazy. I asked Dave to see in his mind’s eye my lover as he did the things that Nick did to me, and I described what Nick did to me. Nick gave my leaky orifice a kiss and then shoved his rock hard shaft all the way into my little hole. I instantly had the wildest orgasm of my life till then.”

“You let him have sex with you?” he asked.

“We had to do that,” she said. “Lust overwhelmed us. I gave myself to my brother’s big manhood. I knew then that nobody could take me like he could. I knew I belonged to my brother, not to any other guy.”

“You are a married woman,” he said. “You can’t belong to your brother anyway.”

“That’s what ancient people think,” she said. “I now know better. I’ve experienced it. It was incredible.”

“What about Dave?” he asked.

“Do you want me to tell you the rest of the story?” she asked.

“Yes,” he said.

“Do you still promise not to hate us?” she said.

“Yes,” he said.

“Nick soon deflowered my virgin rear hole,” she said. “I’d always thought that was perverse and dirty. He showed me that it was incredible. He showed me that I’d been meant to be taken that way. It was wonderful.”

“You liked it?” he asked.

“I loved it,” she said. “Mom doesn’t let you do it, does she?”

“No,” he said shyly.

“I don’t let Dave do it to me either,” she said. “My butt belongs only to Nick. He discovered it. He brought it to life. He reamed it out. He made it addicted to his big tool. He’s a true ass man. He knows how to treat a girl’s butt. Did you know that I was the only girl who’d ever entered his room and he didn’t have in every hole? Not anymore.”

“He had sex with all the girls who’d ever been to his room?” he asked.

“Yes, dad, in every hole,” she said. “He turned them into his private whores. He knew how to make them feel good and keep coming for more. Most of his friends’ girlfriends knew his big fat shaft more than their boyfriends’,”

“That isn’t right,” he said. “A guy shouldn’t do that to his friends.”

“He didn’t do anything to them until they begged for it,” she said. “Once a girl begs for a guy’s big shaft, he isn’t much of a guy if he denies her. After all, a girl deserves good sex whether she’s his friend’s girlfriend or not.”

“Maybe so but not like that,” he said.

“Anyway, the anal orgasm I had while he was all the way up my butt was even more incredible than the one I had when he impaled my other hole for the first time,” she said. “I knew my butt belonged to that incredible pole.”

“You did all that while your husband was with you?” he asked.

“Yes,” she said. “He was blindfolded. I don’t know what he thought when I told him my lover had ejaculated in my butt, but he eagerly ate all that sperm out of my butt. He did the same when Nick ejaculated in my front hole.”

“He ate Nick’s sperm out of you?” he asked in disbelief.

“Yes, out of both holes,” she said. “When I asked him to guide my lover into my holes, he knew there was a man with us, but he still licked Nick’s sperm off my face, when Nick shot it on my face knowing well it was sperm.”

“Dave did that?” he said.

“Yes, dad,” she said. “He’s a perfect husband for me just like Nick’s a perfect lover for me. Dave was so good I promised him I’d let him watch my lover have me. He still didn’t know who my lover was.”

“Did you let him watch you?” he asked.

“I did, but, before that, I visited Beth and asked her about anal sex and anal hygiene,” she said. “I somehow got her to call Nick and ask him to have me. He had the two of us in every possible way in her bed.”

“Nick had sex with you and her together?” he asked.

“Yes,” she said. “I’d cleaned up my insides, and she ate his first sperm load out of my butt. He sent me home with two new loads in my holes for my husband. Dave ate them out hungrily.”

“That’s unbelievable,” he said.

“On the following Saturday, we invited Nick and Beth to have lunch with us,” she said. “We chatted somewhat about sex. After lunch, Beth let it be known that Nick’s favorite dessert was a long blowjob. I told her she was welcome to give it to him. She said I was the hostess and I should serve it. Dave agreed, and I begged Nick to let me suck him. I was soon sucking his mouthwatering shaft in front of our spouses. Dave didn’t know yet that Nick had

been my lover. We talked in private and I let him know. I then begged Nick to have me, and he did. We soon had Dave helping us have sex. He and Beth ate Nick's sperm out of both my holes."

"They both did that?" he asked in disbelief.

"Yes," she said. "Later that night, I let Dave know that I'd stopped the pill and that I was trying to get pregnant. I told him he was still not allowed to ejaculate inside me but there was still a chance he could get me pregnant. He protested that Nick had a better chance to get me pregnant because he flooded me with sperm. I told him only if he didn't do a good job sucking all Nick's sperm out of me. That satisfied him. I told him that he could not have sex with me in my most fertile time so Nick would have a fair chance on my very fertile womb. He accepted that."

"You are likely to get pregnant by your brother," he said.

"That's exactly what I want," she said. "I want that to cement my affair with Nick. It isn't a cheap affair. I hope I am already pregnant. We had a baby making party over the weekend. Nick spent three nights in my bed. He pumped a dozen sperm loads deep inside me in addition to the ones he shot in my mouth and my butt and Beth's butt. Dave naturally tried to suck all Nick's sperm out of me, but I snuck a load a night and kept it inside me all night."

"Wouldn't the kids be genetically defective?" he asked.

"That's overstated," she said. "They'll be adorable. Any kid may have problems, but it's marginally different."

"I see," he said.

"Do you hate us now?" she asked.

"I don't hate you, but what you are doing is very different," he said. "Be careful. It may backfire."

"We are very careful," I said. "Do you know why I told you all those secrets?"

"Why?" he asked.

"I want you and mom to adopt our lifestyle," I said.

"You want your mom to take a lover?" he asked.

"I want mom to *share my lover*," she said.

"You want her to have sex with her own son?" he asked.

"Yes," she said.

"I don't think your mom would ever do that," he said.

"Forget about what mom would or wouldn't do," she said. "I want you to let her do what she wants."

"I can't let my own son have sex with my wife, his mom," he said.

"Why not?" she said. "Don't think in ancient ways. Do you think Dave's superior to you?"

"No," he said.

"You can let her pick her lifestyle and support her," she said. "You'll enjoy watching Nick have her. He can bring her inner slut out of her. You'd be amazed at the things she'd do for him and for his incredible love shaft. You'll enjoy eating your son's sticky sperm out of your wife, his mom's well-used orifices. I know Dave does."

"Even if I let her do what she wanted, she wouldn't do that," he said.

"Are you going to let her do what she wants?" she asked.

"Yes," he said.

"Leave the rest to me, and you'll watch Nick use her and me like depraved whores next weekend," she said.

"Your mom isn't like that," he said.

"You say that because you don't know Nick and you don't know mom as much as I, a woman, do," she said.

"We'll see," he said.

"Dad, Nick's sperm's delicious, and mom will have washed her insides, so don't get disgusted when it's time to eat his sperm out of her gooeey orifices," she said.

"You think it would come to that?" he said.

"Count on it, dad," she assured. "There is no woman who can't be a whore."

"You may be right," he said.

"You are not going to mention this to anybody or pretend that you know anything about what I said," she said.

"Of course not," he said.

"Thanks, dad," she said.

"You are welcome," he said.

"Do you want to watch me suck Dave and tease him to tears when he comes home?" she asked. "You'd love it."

"No, I don't think I am ready for that," he said.

"You want to watch mom do that with Nick first?" she said.

"It isn't that," he said.

"Do you want me to be there when she does it for the first time, or do you want to be alone?" she asked.

"I don't know," he said. "I think it's better to be alone."

"In that case, get ready to watch your son use his mom on Wednesday evening," she said. "You and Dave will still see Nick use mom and me together on the weekend."

"You think that can happen so soon?" he asked.

"Leave all that to me, dad," she said. "Your slut daughter will get her slut mom taken care of properly. Now can you have dinner with us, or do you certainly have to go?"

"I don't have to go, but I'd rather do so nobody knows that I even stopped by," he said.

"That's a good idea," she said. "Thank you for stopping by and being there for me."

"You are welcome, Alex," he said. "I have to be there for you."

He left immediately.

My secretary had missed my cock over the weekend, and I had missed her mouth on it. We were working late so she could have enough time with it. She was leisurely reacquainting herself with it when Alex called.

"Do you have some time to talk?" asked Alex.

"I always have time for my sweet little sister," I said.

"Your sweet little sister or your sweet little whore?" she teased.

"I have time for both of them," I said.

"Do you think two days are enough for you to get ready to fuck mom while dad watches?" she asked.

"What are you talking about?" I said, my cock twitching in my secretary's mouth.

"Mom wants you to fuck her while dad watches, and he's okay with that," said Alex.

"Who told you that?" he said.

"Who would have?" she said. "Of course they did separately."

"When?" I said.

"Wednesday evening," she said.

"I meant when did they tell you?" I asked.

"It's fresh news," she said. "Dad has just agreed. Get your big cock ready for your slut mom. I am now going to give her the good news. Remember that mom's ass is still virgin. You need to change that. We'll take later."

"If this is true, you'll get you a special gift," I said.

"Do you know what the gift I want is?" she said.

"What?" I asked.

"My gift's to have you fuck mom and me together while dad and Dave watch," she said.

"You'll get it if that's at all possible," I said.

"It is," she assured. "Bye for now."

"Bye, kiddo," I said.

"Mom, you are fucked as I told you," Alex said on the phone while dad was still on the way.

"Why do you say that?" asked mom.

"Dad and Nick have agreed to have Nick fuck his slut mom while his dad watches in two days," said Alex.

"Are you serious?" asked mom.

“Dad will eat Nick’s come out of your well-used pussy and ass on Wednesday evening,” said Alex. “On the weekend, he and Dave will eat Nick’s come out of our slimy pussies and asses. It’s going to be a blast.”

“That easy?” said mom.

“It’s so easy to get fucked hard,” said Alex. “You’ll see. You’ll make the first move though. When Nick visits, find an excuse to see his big hard cock. Nature will take its course after that, and you’ll be happier than ever.”

“You want me to ask Nick to show me his cock out of the blue?” said mom. “That would be embarrassing.”

“You have two days to think about it and come up with the right way to do it,” said Alex. “From now on, you are his dirty whore, so don’t be embarrassed about being what you are or acting like it. Take matters into your hands.”

“Okay,” said mom. “I’ll figure out something.”

“Congratulations, mom,” said Alex.

“Thank you,” said mom.

Mom called a few minutes later.

“Nick, are you free on Wednesday evening?” asked mom after the greetings.

“Of course I am,” I said.

“Can you have dinner at the house with me and your dad?” she asked nervously.

“I’d love to,” I said. “Are you going to serve me my favorite dessert?”

“You mean banana split?” she asked.

“Not anymore,” I said. “I am a big boy now. It’s still split but not banana.”

“What’s your favorite dessert now?” she said. “I’d love to make it for you.”

“It’s something hot and wet, and it keeps oozing fresh juices,” I said. “It’s readymade. You only need to make sure it’s hot and wet for me. Is it getting hot and wet for me already? My mouth’s watering, and I am twitching.”

“Oh!” she said. “Yes.”

“Be advised that I’ll be very hungry for it,” I said. “You’d all think I’d never had dessert before.”

“Okay,” she said. “I’ll see you then.”

“I am looking forward to eating you,” I said. “I mean your hot juicy dessert.”

“Me too,” she said. “Bye.”

Beth stopped by at the office right after lunch. My secretary was on her knees, having her favorite dessert. The office door was locked.

“Stay where you are,” I said, getting up and zipping up, when Beth knocked on the door.

Beth kissed me and sat on a chair in front of the desk as I took my chair behind the desk.

“You are all alone,” she said as I unzipped my pants and snuck my hard cock out. “Where is Laura?”

“She’s busy,” I said, pulling Laura’s head to my hard cock. “She’s a great secretary.”

Laura hesitated a little before she resumed sucking my cock silently.

“She’s so sweet,” said Beth. “She doesn’t know she works for the horniest guy in the world.”

“Why do you say that?” I said.

“I know you,” she said. “You must be fantasizing about her all the time.”

“You think I’d do that to my lovely secretary?” I said as I pulled Laura’s head all the way down. “I’d imagine her sexy green eyes look me in the eye while her sweet lips wrap tightly around the base of my big hard cock?”

“Why not?” said Beth. “I am sure you fantasize about her tight little ass as the poor girl spreads it wide for you to impale her sweet little asshole with your big fat cock. Look me in the eye and tell me you’ve never done that?”

Beth looked at me teasingly as she spread her legs and teased her pussy lips.

“How can you ask that after you describe it in graphic details?” I said. “I had to imagine what you described.”

“For the very first time?” she teased.

“Instead of playing with your horny little pussy, why don’t you come over here and suck my big cock so I can fantasize about sweet Laura doing dirty acts that should be illegal for her?” I said.

“Do you have time for that?” she asked.

"I always have time for my hot wife and my sweet secretary," I said, holding Laura's head to my cock as I pushed my chair a little back.

Beth got up and walked around the desk. She was shocked when she found Laura on her knees, her lovely face stuffed with my cock.

"Laura?" said Alex in shock as I let go of Laura's head.

Laura blushed.

"You wouldn't do that to your lovely secretary?" said Beth.

"Why would I do that to her when I could do this?" I smiled, pulling Laura's head back to my hard cock.

Laura resumed sucking my cock if hesitantly.

"She was really sucking your cock whenever you told me she was?" said Beth.

"I wouldn't lie to my wife," I said. "Kneel down, and show her I don't have a good reason to do that."

"Not only does the little slut know that her boss is the horniest guy in the world, but she's also taking full advantage of that," said Beth as she knelt down next to Laura, who was surprised.

"She's a fantastic cocksucker, but she's never shared it with another slut," I said.

"Well, she'll have to share from now on," said Beth. "She'll be lucky too."

"She knows that," I said.

"Isn't she engaged?" she asked. "Did they break up?"

"Why would they break up?" I said as I held Laura's left hand and showed Beth her big engagement ring. "The only reason for them to break up is if her fiancé turns to be a jerk or a moron. She's an incredible girl."

"Is this all she does, or do you fuck her?" asked Beth, making Laura blush.

"She's an incredible girl," I said. "She promised me she'll let me fuck her in every hole on her wedding day. She'll walk down the aisle with her luscious ass full of my come."

Laura blushed.

"You've turned the poor girl into a total whore," said Beth, making Laura blush deeper.

"Isn't that what you've always wanted, Laura?" I said, tilting Laura's face up.

"Yes," hissed Laura.

"Be proud of yourself, and don't blush," I said. "Tell my wife you are proud to be my dirty whore."

"Mrs. Callaby, I am proud to be your wonderful husband's dirty little whore," she said.

"I don't blame you," said Beth. "You are a lucky bitch to be his dirty little whore."

"Yes, ma'am," said Laura.

"Laura, you are both my whores," I said. "You are sister sluts. Call her by her first name."

"Okay," she said.

"We can talk all day, but any girl can talk," I said. "I want you to do what you do best—together."

"I've shared Nick's big cock before," Beth said to Laura. "Do whatever you want, and I'll do what makes sense with it. You'll soon get the hang of it. We are here to give this gorgeous cock the best double blowjob we can."

"Okay," said Laura.

"Let's first take his pants and underwear out of the way," said Beth. "This won't stop at cock sucking."

They cooperated and got my pants and underwear off. I spread my legs and sat back, watching.

"Suck my big cock, you dirty cocksuckers," I said.

They took several minutes to establish a good routine, but they were both talented cocksuckers.

"This is so much fun, isn't it?" said Beth.

"Yes," smiled Laura.

"What until we eat his come out of each other's well-fucked pussy and ass," said Beth.

"We'll do that?" said Laura.

"You bet, but first I want to watch my husband's big cock fuck your little pussy and tight asshole," said Beth.

"You will, and you'll taste my sweet secretary on my big cock," I assured.

“How much time do we have?” she asked.

“We have all the time we want,” I said. “My top priority’s to get my cock-craving whores fucked royally.”

“You must love your boss,” smiled Beth to Laura.

“I do,” said Laura.

They resumed my double blowjob eagerly for half an hour. Beth then helped Laura out of her clothes. She took off her top and skirt, and they were both naked.

“How do you fuck here?” asked Beth.

“For starters, you bend over the desk and hold on tight,” I said.

“Bend over, Laura,” said Beth. “I want to see you take your boss’s big cock in your little pussy.”

Laura bent over. Her pussy was soaked.

“Taste her juicy pussy,” I said to Beth.

“She has a sweet little pussy and cute asshole,” said Beth.

Laura tensed when she felt Beth’s tongue on her leaky pussy. She soon relaxed and started to moan. Beth teased her for a few minutes and slurped her juices.

“Let her hear you beg,” I said as Beth held my cock and teased Laura’s wet pussy with it.

“Please fuck my little pussy with your big cock,” begged Laura.

Beth guided my cock in, and I impaled Laura’s tight pussy.

“It’s tightened up over the weekend,” I said, thrusting gently in Laura’s pussy. “I’ll enjoy loosening it up.”

“Fuck your little office whore, honey,” urged Beth as I fucked Laura’s pussy harder. “Fuck her hard.”

“He’s fucking me hard,” gasped Laura.

“You love that, you little bitch, don’t you?” teased Beth.

“Yes,” hissed Laura.

“I can’t wait to see him skewer your little asshole with his fat cock,” said Beth, spreading Laura’s ass.

“Me neither,” gasped Laura. “I love his big cock in my horny ass.”

“It must be so tight after a few days of no action,” I said.

“It is,” she gasped.

“You didn’t fuck the bitch yesterday?” asked Beth.

“She just sucked my cock,” I said.

Laura stiffened and came. When her orgasm subsided, Beth sucked my cock clean.

“Spread your luscious ass, Laura,” I instructed.

Laura reached back and spread her ass wide with both hands. I pounced on her sweet asshole.

“Do you want it in the ass, bitch?” teased Beth as I licked Laura’s asshole.

“Yes,” hissed Laura.

“Beg for it,” said Beth.

“Nick, please fuck my horny asshole,” begged Laura. “It needs your big cock so bad.”

“Lube my cock,” I said to Beth, opening a drawer.

“You have the lube in arm’s reach,” she said, grabbing the lube.

“Of course,” I said.

Beth lubed my cock and pressed it into Laura’s tight asshole. She let go when my bulbous cock head popped in, stretching Laura’s asshole and making her gasp.

“Hold on tight, Laura,” said Beth, spreading Laura’s ass with both hands. “I’ll spread your horny ass for you.”

Laura held on to the far edge of the desk, and I held her hips. I thrust in her ass, driving my cock deeper and deeper in. I paused when it was all the way in. I fucked her ass at an easy pace for a minute.

“Fuck her horny ass harder,” urged Beth.

“You got that, baby,” I said, picking up the pace.

“Her ass is beautiful,” she said. “No wonder you couldn’t resist it.”

“You’d wonder how her fiancé can,” I said.

“He can’t, but I don’t let him,” gasped Laura.

“You are a good whore, baby,” I said. “That’s why I love wrapping you around my big cock.”

“I love your big cock, Nick,” she gasped.

Laura came, and Beth tasted her ass on my cock.

“She has a delicious ass,” said Beth, getting up. She bent over the desk. “Now it’s my turn to get fucked.”

“Laura, taste my wife’s juicy pussy,” I said.

Laura did not hesitate before she knelt behind Beth and licked her leaky pussy for a minute.

“Give it to me, honey,” moaned Beth.

“You need to be a role model for my secretary,” I said. “Beg for it, Beth.”

“Please fuck my cock-hungry little pussy with your big cock,” begged Beth. “I need you so bad there.”

“Guide me in, Laura,” I said.

Laura happily guided my cock into Beth’s dripping pussy. I fucked her hard to orgasm.

“Work the lube inside with your fingers,” I said to Laura as I squeezed lube on Beth’s asshole.

Beth spread her ass, and Laura worked the lube inside.

“Tell her she needs to beg for her husband’s big cock in her horny ass,” I said, guiding Laura’s hand to my cock.

“Beth, you need to beg for your husband’s big cock if you really need it in your horny little asshole,” said Laura.

Laura touched my cock head to Beth’s asshole and teased it. I squeezed lube on my cock head.

“Please fuck my cock-craving little asshole with that big fat cock of yours, honey,” begged Beth.

Laura pressed my slick cock head into Beth’s asshole, and it popped in, making Beth gasp.

“Fuck your wife’s horny ass,” said Laura, spreading Beth’s ass with both hands.

“You think she’s a good wife?” I teased as I fed Beth’s ass the rest of my cock.

“She obviously is,” said Laura as I fucked Beth’s ass gently. “Fuck her cock-hungry ass harder.”

Laura eagerly swallowed my cock when I took it out of Beth’s ass after her first anal orgasm.

“Each ass whore needs to spread her own ass,” I said as I bent Laura over the desk.

They spread their asses, and I impaled Laura’s ass. I switched asses after each orgasm.

“Beth has done this before, so you’ll now eat my come out of her well-fucked ass,” I said, pounding Beth’s ass.

“Okay,” said Laura.

“It’s not all yours though,” I said. “You need to share it with her over an open kiss.”

“Okay,” said Laura.

Laura ate my come out of Beth’s ass and shared it with her. They both revived my cock.

Needless to say, by the end of the workday, they had both eaten my come out of each other’s pussy and ass. Beth also insisted that I send Laura home with her ass full of my come, and I was a good husband. Laura thanked Beth profusely for sharing me with her.

“Next time, we have to do it at our house where it’s more comfortable,” said Beth.

“I’d delighted,” said Laura.

At the end, they kissed each other’s every well-fucked hole goodbye, and Laura kissed my cock.

“I didn’t know meeting your wife would be so much fun,” said Laura on the following morning.

“All my sluts are special, and that includes you,” I said. “I only fuck the best.”

“Thank you,” she said.

“Do you know how to thank me with your mouth but silently?” I said.

“Not only do I know how to, but I also love it,” she smiled.

“I am glad you enjoy being a nice girl,” I said.

That resulted in a nice morning leisurely blowjob. She gave me another before I headed to my parent’s house.

## MEET THE PARENTS

Mom opened the door for me, wearing a short tight blue dress that showed her deep cleavage and sexy legs and hugged her waist, hips and the bottoms of her lush tits, outlining her stiff nipples. Her hair was pulled up, and her face was well made up.

“You look so hot today, mom,” I greeted, pinching her left nipple, as she closed the door.

She blushed.

“You look ready for my favorite dessert,” I smiled, pulling her to me as I fondled her left tit.

She did not reply.

“If you are not, I am leaving,” I said as I squeezed her firm ass with my free hand, discovering that she was without panties. “It’s why I am here.”

“I am ready,” she said shyly.

“Do you want me to kiss your hot lips before they are messy with dessert?” I teased, tilting her face up.

“Yes,” she hissed.

“Are you going to be a good mom and give me a big kiss?” I teased as I pulled her to me by the ass, bumping her soft pussy into my boner and making her gasp.

“Yes,” she hissed as I swiftly hiked the hem of her short dress to her waist.

My hands cupped her bare ass and pulled her pussy into me just before our lips met. We kissed gently at first, and I felt her ass as gently. Our kiss heated up quickly, and I squeezing and felt up her ass accordingly. She ground into my boner, moaning into my mouth as our tongues met and fought passionately.

“Do you swallow dad’s come?” I asked as I pulled back and squeezed two fingers into her dripping pussy.

“No,” she gasped as my fingers slid inside her.

“A good mom swallows her son’s thick come,” I said, finger fucking her leaky pussy. “Are you a good mom?”

“Yes,” she hissed, humping my fingers gently.

“I also hear that you have a virgin asshole,” I said as I pressed the tip of the middle finger of my free hand into her asshole, making her pussy twitch. “Is that true?”

“Yes,” she hissed, gushing fresh juices on my fingers.

“Is it ready to come out of its shell and start living and having fun?” I said, popping my fingertip up her asshole.

“Yes,” she hissed, both her holes twitching.

“I want to kiss your other hot holes that I’ll be using heavily tonight,” I said as I removed my glistening fingers from her pussy and offered them to her. “Are you okay with that?”

“Yes,” she hissed.

She did not resist when I pushed my fingers into her mouth. She sucked them gently but thoroughly.

“Are you okay with letting me kiss them later?” I asked.

“Yes,” she gasped as I popped my finger out of her asshole.

“Your virgin asshole’s so tight,” I said, bringing my fingertip to my mouth. I looked her in the eye as I sucked my finger thoroughly, moaning around it. “It’s delicious too. You want me to ream it out for you, don’t you?”

“Yes,” she hissed.

“Get down on your knees, and kiss my big cock on the head through my pants,” I said. “Show it some respect.”

She obediently knelt down and gave my cock head a kiss.

“You are a good girl,” I said, pulling her up to her feet.

“Thank you,” she said lowly.

“Is dad ready to meet his real wife, the hot slut, for the first time?” I said as I straightened her dress.

“I think so,” she said.

“It’s wicked to shake his hand as my hand tastes and smells of his slut wife’s horny pussy, isn’t it?” I teased.

“Yes,” she hissed.

“Should I do that, or should I wash my hand?” I asked, fondling her right tit.

“Don’t wash your hand,” she said.

“You are a wicked slut, aren’t you?” I teased, pinching her stiff nipple.

“Yes,” she hissed.

“Let’s go so I can shake dad’s hand,” I said.

We went in, and I gave her hot ass a squeeze on the way.

“Hi, dad,” I greeted, smiling, as I shook his hand.

“Hi, Nick,” he said.

“Did you tell mom that she looked good enough to eat this evening?” I said to him as I sat down.

“Not literally but I said something like that,” he said.

“Mom, is dinner ready, or should I eat you instead?” I teased.

“You should eat both your dinner and your dessert,” she teased.

“Where is dinner so I can get it out of the way?” I said.

“It’s on the dining table,” she said. “Help yourself.”

We sat around the dining table and went to work on our dinner. She had naturally cooked my favorite dinner.

“I am a very lucky kid,” I said. “I am having my favorite dinner and my favorite dessert tonight.”

“Thank you,” she said.

“Dad, if I were you, I’d have mom dress like this all the time,” I said. “She looks so hot.”

“Thank you, darling,” she said.

“I don’t mind her dressing like this,” he said.

“Mom, whenever you visit me and Beth, you have to dress like this or better,” I said.

“What would Beth think if I did that?” she said.

“She’d *know* that her mother-in-law’s hotter than her mom,” I smiled.

“Thank you,” she said.

“Don’t you think so too, dad?” I said.

“Sure,” he said.

“She’d know that my mom isn’t only very good but very good looking too,” I said.

“Thank you,” she said.

“You’ll look hot when you come to dinner at our place this Saturday, won’t you?” I said.

“Yes,” she said.

“Dad, you are invited too,” I said. “So are Alex and Dave.”

“Thank you,” he said.

“We’ll have a family dinner and a lot of family fun,” I said.

“We’ll be there,” she promised.

“It will be our pleasure,” I said.

“Yes, our pleasure,” she said.

“I’ll help mom clear the table,” I said after dinner.

He left to the living room.

“Is my favorite dessert ready?” I said as I pulled her to me, nestling my boner between her cheeks, and cupped her pussy through her thin dress.

“Which one’s your favorite dessert?” she gasped.

“The one nearer to my big cock,” I said.

“They are both ready,” she said.

“What about this one?” I said touching a fingertip to her lips.

“It’s ready too,” she said.

"Is it what we'll start with?" I said as I squeezed her tits gently, feeling her stiff nipples poke into my palms.

"Yes," she hissed.

"Is it hungry for my big juicy cock?" I whispered, pinching her nipples.

"Yes," she hissed.

"We have a three-course dessert, don't we?" I said.

"Yes," she hissed.

We cleared the table and joined him. She sat next to him.

"Are you ready for dessert, mom?" I asked.

"Yes," she said.

"Let's have it," I said.

She shyly got up and walked to me. I held her hands and gently pulled them down. She went down to her knees.

"You look so lovely when on your knees in this revealing dress," I said.

"Thank you," she said.

"Why are you on your knees, mom?" I said. "I am sure it isn't to show me your fine lush boobs."

"I want to suck you," she said lowly.

"You have to see it before you can decide to suck it or not," I said. "Isn't that right?"

"I want to see it," she said. "Please let me see it."

"Go ahead, and see it, mom," I said. "I can't say not to a hot woman when she's on her knees, begging."

She pulled my pants and underwear off, setting my hard cock free, and I cooperated.

"It's beautiful," she said. "It's so big and hard."

"Do you want to suck it?" I asked.

"Yes," she hissed.

"All you have to do is beg," I said.

"Please let me suck it," she begged.

"Dad, your hot wife wants to suck my big cock," I said, not taking my eyes off her. "Are you okay with that?"

"Yes," he said.

"I have a spoiled cock," I said. "Are you going to spoil it and suck it like you've never sucked any other cock?"

"Yes," she hissed.

"Do you know what your first priority is?" I asked.

"I'll suck it to the best of my ability," she said.

"I am sure of that, but your first priority's to have the most fun," I said. "Do you think you can do that?"

"Yes," she hissed.

"Do it," I said. "I want you to have the most fun you've ever had. Take your time. I am not in a hurry. All I want is to see my wonderful mom have an incredible time with no worries at all, or I'll be mad at you."

"I'll have the most fun, and you'll be pleased with me," she promised. "It's what this is all about."

"I knew I could count on you," I said.

"I've never had a cock this beautiful, big and hard for me before," she said. "I'll sure take full advantage of it."

"Do it, mom," I said. "Show me how hungry for your son's big juicy cock you are," I said.

She held my cock gently and kissed it on the head, making it twitch. She gave my balls a tongue bath. She then gave my shaft a slow and thorough tongue bath.

She licked my leaky cock head for a minute before she took it into her mouth and proceeded to suck my cock. She spent a couple of minutes sucking and licking my cock head playfully and happily, occasionally moaning.

"Dad, the hot slut loves this," I said, watching mom toy with my cock head.

"Don't talk about your mom like that," he chided.

"Tell dad what you are, mom," I said. "He doesn't know yet, or he's in denial."

"I am a slut," she said.

"Whose slut are you?" I asked.

"I am my stud son's dirty slut," she said.

"You love sucking his big cock and being his wanton cocksucker?" I teased.

"Yes," she hissed.

"You want him to make you his dirty whore like he used to do to his friends' sweet girlfriends at school?" I said.

"Yes," she hissed. "Those little sluts were very lucky."

"Why don't you tell dad that I can freely talk dirty to you and about you?" I said.

"Honey, Nick can talk to me and about me any way he wants no matter how dirty it is," she said. "He's the only one in the world who can do that with my full and unlimited consent."

"You want me to treat you like a cheap whore like I treated those cheating little whores in my room?" I said.

"Yes," she said.

"Dad, cock-craving sluts love to be treated like dirty whores," I said. "Mom, isn't it how I compliment you?"

"Yes," she hissed.

"Suck my big cock like the dirty whore for my big cock that you want to be," I said. "Show dad and me that you love my big juicy cock like you've never loved any other cock. Don't you?"

"Yes," she hissed.

"Don't be too shy to show it," I said. "Show him that you are worthy of my big fat cock. I want him to know that his hot wife's one of the hottest slut wives in the world. Make me proud of you."

She took my cock head in her mouth and eagerly sucked my cock deeper and deeper.

"Dad, this is a very special occasion for mom," I said. "It's your and my job to make tonight her most special night. That's why I won't hesitate to do anything that can make her night more special. You shouldn't either."

"I am letting her do whatever she wants," he said.

"It doesn't stop at that," I said. "I can let her do whatever she wants too, but we have to help her actively."

"I'll try," he said.

"Mom, if you want to be my dirty whore, I won't leave until you are," I said.

"Yes, I want to be your dirty whore," she said.

"Dad, can you handle a dirty slut wife?" I said. "It isn't for the squeamish."

"I can handle your mom whatever she does," he said.

"Mom's going to impress you tonight," I said. "Most men think their loving wives are good-for-nothing prim and proper wives. Mom isn't like that. Mom's good for everything. She knows how to be a big cock's best friend."

"Thank you, darling," she said.

"You can only thank me by not letting me down and by proving me correct," I said.

"I will," she assured.

She resumed sucking my cock eagerly. She worked her lips up and down half the shaft.

"You look so sexy with your hot lips stretched tightly around my fat cock," I said. "Does it taste good?"

She moaned, smiling around my cock.

"Are you having fun?" I asked.

"Oh, yes, I love this," she said.

"Have more," I said.

She sucked my cock like that for several minutes.

"Suck it deeper, mom," I said. "A good cocksucker takes her stud's big cock balls deep down her throat."

"I've never done that before," she said.

"That's okay, mom," I said. "You haven't met a cock that deserved that. That's changed now. Give it a try."

"I'll do my best," she said.

“You’ve pledged to spoil my big cock,” I said. “It’s used to deep throat for lengthy periods of time. If you don’t give it that, you can’t spoil it. My secretary does it for at least ten hours a week.”

“I’ll do it just for you,” she said.

“You have sex with your secretary?” he asked.

“Dad, deep throat isn’t real sex,” I said. “It’s more like quiet conversation.”

“It’s still ground for sexual harassment lawsuits,” he said.

“Don’t worry about that,” I said. “Every slut who gets my cock has to beg for it first. I have video clips of her begging me to let her suck my cock and worship it. I have others of her begging me to fuck her tight pussy and ass.”

“You have sex with her after all,” he said.

“Sure,” I said. “I can’t say no to a hot slut begging for my cock.”

“Is she married or single?” he asked.

“She’s still engaged,” I said. “Her fiancé’s no stud. She’s promised to let me fuck her on her wedding day in every hole while wearing her wedding gown and walk down the aisle with my come in her ass.”

“It would be a scandal if you get caught,” he said.

“Don’t worry about that,” I said. “I’ve already fucked her bride’s maids. They’ll watch for us.”

“Do you have sex with anything that moves?” he said.

“No, dad,” I said. “It isn’t what you think. I am very picky. I’ve picked her bride’s maids with her.”

“She let you pick her bride’s maids?” he said in disbelief.

“We picked them together,” I said. “I’ve also met her fiancé and approved of him.”

“You are more like her dad or even more,” he said.

“Of course, dad,” I said. “I am like her big brother and best friend and lover. My sluts are very special to me.”

“Does Beth know about that?” he asked.

“Beth knows about what concerns her,” I said. “My work life doesn’t concern her.”

“You consider having sex with your secretary and her friends part of your work life?” he said.

“Of course,” I said. “I wouldn’t have met them if it hadn’t been for my work.”

Meanwhile, mom worked on deep throating my cock. I adjusted her angle of attack. She finally succeeded at swallowing my cock balls deep. I had her practice a little, and it got easier for her.

“That’s it, mom,” I cheered. “You were definitely born to be a fantastic cocksucker.”

“Thank you, baby,” she said.

“Now you can worship my big cock properly,” I said. “Go ahead, and show dad who you really are. I am sure he’s never seen you indulge like you deserve.”

She smiled and pounced on my sticky cock.

“I love stuffing your big juicy cock all the way down my throat,” she said a few minutes later. “Thank you so much for teaching me how to do it. I’ll want that very often from now on.”

“That’s how you thank me, mom,” I said. “You have more and more fun. Do it.”

She smiled before swallowing my cock again.

“Isn’t she more beautiful as she worships my big cock properly?” I said.

“Yes,” he said.

“I am proud of my slut mom,” I said. “She can suck and worship my big cock whenever she wants.”

“I’ll make sure to do that every chance I get,” she said.

“Me too,” I smiled.

She deep throated and worshipped my cock for over fifteen minutes.

“That’s how you spoil my big cock, mom,” I said. “When you spoil it, it returns the favor.”

“I love spoiling your delicious cock,” she said. “I can do it for hours.”

“Me too, but I am sure dad wouldn’t want to watch the longest blowjob in history especially that he can’t be enjoying it as much as you and I are,” I said as I got up while holding her head to my cock.

My cock was down her throat. I held the back of her head and fucked her throat gently with long strokes.

"This hot throat was definitely made to be fucked," I said. "It's my great pleasure to use it for what it's for."

She eagerly let me fuck her throat. I slowly picked up the pace, and she kept up with me. I did that for minutes.

"It's so nice to train and enjoy a virgin throat," I said, slapping her face with my cock. "Are you having fun?"

"Yes," she hissed. "Thank you so much."

"You like having your throat fucked with my big cock?" I said.

"I love it," she said.

"It's your job to come to me whenever you need cock, and it's my job to give you all the cock you can handle in any way you want and then some," I said.

"I'll do my job," she said.

"I'll do mine," I said, pulling her up to her feet. "Now I'll be the first to kiss these serious cocksucker's hot lips."

She smiled as I pulled her to me. We kissed passionately while I fondled her ass and she ground into my cock. I hiked her dress and fondled her bare ass freely, and she slid her leaky pussy back and forth along the upper side of my shaft, moaning into my mouth.

"Is my juicy dessert ready?" I asked as I finger fucked her pussy and fondled her tits.

"You know it is," she moaned, humping my fingers.

"Why don't you serve it?" I said.

As she sat back on the sofa and spread her legs, I sucked her juices off my fingers, moaning approvingly. I knelt before her and looked at her dripping pussy.

"Dad, you need to come here," I said, finger fucking her tight pussy. "Mom's little pussy's mouthwatering."

"I can see it from here," he said.

"You and I are not spectators," I said. "You need to help me with what I am doing."

He reluctantly walked over and sat next to her.

"Hold her right leg out," I said, pushing her leg toward him. "She needs to expose her horny pussy proudly."

He held her legs as I showed him.

"Your pussy's so tight," I said to her. "It's definitely not getting fucked like it should."

"I know," she moaned.

"Tonight it's going to get fucked like it has never been fucked," I said, making her pussy twitch and leak.

"I know," she moaned. "Your dad doesn't fuck it as often and as well as I want him to."

"I don't think you know," I said. "It's never going to be this tight."

"Yes," she hissed. "I don't want it to be this tight. I want it to be well fucked."

"It will always be sweet and delicious though," I said as I removed my sticky fingers and offered them to her.

She sucked her juices off my fingers.

"She's a slut, isn't she?" I said to him.

"She's acting like it," he said.

"This is how a woman behaves in her natural habitat," I said. "Women are bitches in heat when unleashed, and I am now unleashing this sexy bitch. She's so juicy and mouthwatering."

She was still sucking my fingers when I kissed her pussy. I teased her clit, making her gasp, and took my fingers out of her mouth. I licked her juicy pussy and probed it for a few minutes.

"There is a special bond between me and this luscious pussy," I said. "Nobody can love it as much as I do, and nobody can fuck it like I will."

"It craves your big cock like it's never craved any other cock and like no other pussy does," she moaned.

She moaned and squirmed as I licked her leaky pussy leisurely for many minutes. I brushed her asshole with my thumb constantly. When her juices soaked her asshole, I massaged it gently. Before long, my thumb was half way up her asshole. I reamed out her tight hole slowly and patiently while I continued to tease and probe her juicy pussy. He could not see that my thumb was up her ass.

The more I licked her excited pussy, the more I teased her and the more she leaked. I gently worked her excess juices inside her asshole, which milked my thumb. Her asshole relaxed and accepted my entire thumb. I continued to loosen it up gently while slowly fucking it with my thumb.

"I love eating your juicy little pussy, but I am now ready for my very favorite dessert," I said as I slowly withdrew my thumb from her tight asshole. "Roll over."

He let go of her leg, and she rolled over, lowering her knees to the floor.

"Spread your hot ass shamelessly," I instructed.

She reached back and spread her ass wide with both hands. I admired her pink little asshole for a while.

"You have a hot ass, but you have a sweet little asshole," I said. "It's so mouthwatering."

"Thank you," she said.

"It's so sweet and innocent," I said. "Is it virgin?"

"Yes," she hissed.

"Does it know that it won't be virgin when I am through with it?" I said.

"Yes," she hissed, her asshole twitching.

"It must be very tight now," I said. "It won't be when I am done with it."

"I know," she moaned.

"Are you excited about that?" I asked.

"Yes," she hissed.

"Is your virgin little asshole excited about that too?" I said.

"Yes," she hissed.

"Dad, have you ever admired this sweet asshole and wanted to fuck it?" I asked, still admiring her asshole.

"Yes, but she wouldn't let me," he said.

"You didn't know she was saving it for me, did you?" I teased.

"No," he said.

"I am sure she didn't know that either," I said.

"No," she said.

"I am sure your little asshole knew that all along though," I said.

"Maybe," she said.

"You didn't know you were meant to be a dirty whore, did you?" I said.

"I didn't know I was meant to be *your* dirty whore, but I am so thrilled with that," she moaned.

"Me too," I said, lowering my mouth to her asshole.

She gasped when I kissed her asshole lightly. I licked her asshole gently until she squirmed. I applied more pressure, and she moaned and squirmed constantly. Her asshole opened up and nibbled my tongue tip. I licked it and sucked it for a long time, enjoying its feel and taste. She squirmed and humped my tongue. Her pussy was soaked. I toyed with her asshole orally for a long time before I finally let her have her first anal orgasm.

"Oh, I am going to come," she gasped when her orgasm hit her. "My asshole's going to come on your tongue."

She shook wildly, and her asshole twitched around my tongue tip as I probed it with it at a fast pace. She finally relaxed, and I pulled back.

"Did you like that, mom?" I said as I helped her climb onto the sofa on her knees.

"Oh, yes," she gasped. "That was the most intense orgasm of my life."

"It won't be so for long," I said as I stood behind her. "Do you need anything now?"

"I need you to fuck my horny pussy with your big cock," she said.

"Are you going to beg for that anytime soon?" I teased.

"Please fuck my cock-hungry pussy with your big cock," she begged.

"Dad, her pussy's drenched," I said, pushing my hard cock toward her pussy. "Rub it gently with my cock head to get it soaked in her juices, and guide me in."

“What?” he said, looking up at me.

“Help me insert my big cock into her tight pussy,” I said. “I’ll take over after that.”

“You are asking for too much,” he said. “You are lucky I am letting you have your way with her.”

“*Letting* isn’t good enough,” I said. “You need to help. This isn’t a cheap sex show that you are watching. This is your hot wife having the best sex of her life. You have to be part of it. She’ll never forget this.”

He reluctantly held my shaft and rubbed her soaked pussy with my cock head, getting it slick with her juices. She moaned quietly. He aimed my cock at her pussy hole, and I pushed it in, opening her tight pussy.

“That was easy,” I said as my cock head slid inside her pussy.

“Thanks, honey,” she said. “I appreciate that.”

“You have a very hot and tight pussy, mom,” I said, thrusting firmly into her sizzling pussy.

“Stuff it with your big cock, darling,” she moaned.

“It craves my big cock, doesn’t it?” I said.

“Yes,” she hissed.

“Has it ever craved any other cock this bad?” I said.

“No,” she said.

“It knows which cock it belongs to, doesn’t it?” I said.

“Yes,” she said.

“It’s incredible when such a hot juicy pussy belongs to the big cock that once came out of it,” I said.

“Yes,” she hissed.

“I bet your little pussy didn’t know my cock would come back for it when it was big and powerful,” I said.

“No,” she said.

“Now that they are back together, they’ll always be together,” I said.

“Yes,” she hissed.

When my cock was finally all the way in, I squeezed her tits and held my position there. Her pussy twitched.

“Your cock’s so big and amazing,” she moaned. “It stuffs my little pussy so tightly.”

“Your pussy’s so hot,” I said. “It bugs my big cock so exquisitely. I love it.”

“Nick, I am going to come,” she gasped, her pussy twitching.

“Go ahead,” I said. “Show dad how much your little pussy loves my big cock.”

“Yes,” she hissed, stiffening.

She shook in orgasm, and her pussy gushed around my cock. She shoved her ass back and forth, wildly working her twitching pussy back and forth over my cock. I thrust in her, matching her thrusts as much as possible. She had a long hard orgasm. When it subsided, I gently thrust in her pussy.

“That was the best orgasm of my life,” she gasped.

“It makes a big difference when the horny little pussy’s with the big cock it belongs to, doesn’t it?” I teased.

“Yes,” she hissed.

“Did you see that incredible orgasm, dad?” I said.

“Yes,” he said.

“Aren’t you happy you were part of it?” I said.

“I guess,” he said.

“Do you want me to fuck your hot wife royally?” I said.

“Yes,” he said.

“Ask me to do that, and say please,” I said. “I want to feel that I am being good to you too.”

“Please fuck my slut wife royally,” he said, making my cock twitch deep in her pussy, which squeezed it.

“With pleasure,” I said as I held her hips and thrust in her tight pussy harder.

She fucked back, and the pace picked up. She came again and again.

“This is the most special night of my life,” I said.

“Me too, baby,” she gasped.

“It’s so special when one fucks his own hot mom,” I said. “It’s nothing like fucking any other hot slut.”

“Yes,” she hissed.

“Dad, are you having a good time, watching your hot wife and son have hot fun and being part of it?” I said.

“Yes,” he said.

She came a few more times before I pulled out my dripping cock.

“Suck it, mom,” I said.

She turned around and gulped down my glistening cock. She deep throated my cock for a few minutes. I held her head and fucked her throat for a couple of minutes.

“Do you have lube?” I asked, slapping her face with my cock.

“Yes,” she said, pointing to the side. “It’s on the end table.”

“Get back into position,” I said as I grabbed the lube. “I am going to prepare your virgin little asshole for what it was made for. Isn’t that what you want?”

“Yes,” she hissed, getting back on her knees on the sofa.

“We need your help dad,” I said as I knelt behind her. “Spread your hot wife’s horny virgin ass for me. Spread it wide. Make her feel that she’s a dirty whore for me.”

He spread her ass, and I gave her asshole a long kiss, making her moan and grind into my face. I generously squeezed lube on her asshole and gently worked it inside her ass with my middle finger. She moaned and milked my slick finger. I reamed out her asshole slowly while working lube inside it.

“I don’t get to play with sweet virgin assholes as often as I want to,” I said. “I like it so much.”

“It feels so good,” she moaned.

“Wait until we try the real thing,” I said. “We’ll love it.”

“I can’t wait,” she moaned.

“Me neither, but we have to make sure you are ready,” I said.

Her asshole relaxed, and I gave it a second finger. I worked more lube inside her as I twisted and swirled my fingers within her tight asshole. Within a few minutes, I fed her ass a third finger. I was very slow as I squeezed the three fingers inside her, giving her asshole time to dilate. It took her several minutes to be comfortable with three fingers. I reamed out her asshole with them for a few more minutes.

“What do you need, mom?” I said as I got up but continued to ream out her asshole.

“Please fuck my virgin ass with your big cock,” she begged, her asshole twitching around my fingers.

“Your horny asshole can’t wait to engulf the big cock it belongs to?” I teased.

“No,” she said.

“What do you think, dad?” I said, working my fingers in and out of her ass. “Should I fuck this cock-craving whore’s tight virgin asshole with my big cock until it’s loose and happy?”

“I think so,” he said.

“Are you ready to guide me in?” I said, lubing my hard cock.

“I guess I am,” he said.

“Spread her ass with one hand, and guide me in with the other,” I said as I slowly pulled my fingers out.

He was less reluctant than before as he held my shaft and I pushed it toward her splayed asshole.

“It will take longer to pop it into her virgin asshole,” I said as my cock head touched her asshole.

He pressed my cock head into her asshole, and I firmly pushed forward. Her asshole dilated gradually and let my cock head pop in. She gasped at that.

“You can now spread her horny ass with both hands,” I said as I paused. “Can you see how beautiful her little asshole is when it does what it was made for?”

“Yes,” he said.

“How does it feel, mom?” I said.

"It feels amazing," she said. "I've never known that my little asshole was so horny."

"What are you going to do now that you know?" I said.

"I am going to make sure that you fuck it very often," she said.

"I'll do that too," I said, gently thrusting in her ass. "Let's feed your sizzling ass more of what it craves."

"Yes," she hissed.

"Dad, you and I are so lucky to witness this amazing virgin ass get deflowered and fucked royally," I said. "I am obviously luckier than you because I am the one deflowering it and fucking it. You feel lucky though, don't you?"

"Yes," he said.

She gently thrust into me. I held her hips and helped her, watching my hard shaft sink slowly into her hot ass, which felt hotter and hotter as it engulfed more of my cock.

She stiffened when my balls touched her dripping pussy.

"I am coming," she gasped.

Her orgasm engulfed her body, making her shake wildly. Her asshole twitched madly around the base of my hard cock. She shoved her ass back and forth uncontrollably, and I held it tightly, keeping it impaled on my cock.

"Enjoy your first orgasm with your horny asshole impaled fully around the big cock it belongs to," I urged.

"Yes, yes," she gasped.

She continued to writhe until her orgasm subsided.

"That was the best orgasm of my life," she gasped.

"I love how your tight little asshole feels around my big cock when it twitches in orgasm," I said.

"I love it more than anything," she gasped.

"You want me to fuck your slut wife's cock-hungry ass royally?" I said.

"Yes," he said.

"Show me that it means anything to you," I said. "Ask me to do it."

"Please fuck my slut wife's horny ass to oblivion," he said.

"You got that, dad," I said, thrusting in her ass gently. "I am going to leave it flooded with warm creamy come for you to devour to the last drop. Your slut wife would love having you do that."

He did not comment, but her asshole twitched.

"Isn't that right, mom?" I said.

"Yes," she hissed.

We picked up the pace, and her ass received a royal drilling, coming wildly again and again.

"Are you ready to suck the big cock you belong to after it claimed all your holes?" I said.

"Yes," she hissed as I popped my cock out of her well-fucked ass.

"Suck it, my dirty whore," I said. "Show your husband what you really belong to."

She turned around and swallowed my sticky cock to the balls and deep throated it hungrily.

"Roll over, and pull your legs over your head," I instructed, slapping her face with my cock.

She got into position while I squeezed lube on my cock. I guided her hands to her ass, and she spread it.

"Guide me in, dad," I said, pinning her legs to the back of the sofa. "See how easy it is now."

He guided me into her ass, and I impaled her smoothly and effortlessly. I fucked her ass briskly from the start.

"Can you see that, dad?" I said, drilling her defenseless ass mercilessly.

"Yes," he said.

Her ass received vigorous drilling in that position, and she had several orgasms.

"Roll over," I instructed, taking my cock out of her ass.

She rolled over, and I pushed my cock toward her ass. He spread her ass and guided me in. I held her hips and resumed pounding her offered ass. I popped my cock out of her ass after each orgasm, showing him how it gaped.

"A good fucking leaves a fuck hole loose, sticky and above all happy," I said. "Can you tell if I am doing well?"

“Yes,” he said.

Before I pushed my cock into her open asshole, I drooled in her rectum.

“Is your greedy asshole ready for the come?” I said, drilling her ass hard fifteen minutes later.

“Yes,” she hissed. “Give it to me.”

When she came, I obliged her.

“Take it up your slutty ass,” I said as my cock twitched and spewed come inside her twitching rectum.

Our orgasms drained my balls in her ass. When I pulled my softening cock out, her asshole gaped.

“Hold it open until it closes of its own accord,” I said.

Her asshole closed slowly but remained loose.

“It’s now ready to be eaten raw,” I said. “Go for it, dad. It’s all yours. Enjoy it.”

While he reluctantly knelt behind his wife’s come-filled ass, I walked around and offered her my sticky cock. She sucked my cock while he licked her slimy asshole and sucked my come out of it. She helped by pushing the come out whenever he needed help. My cock hardened quickly.

“Keep eating her whoring ass until she comes,” I said, thrusting in her throat.

She soon came on his tongue.

“You did a great job, dad,” I said as he returned to his seat and I pushed my cock into her pussy.

He did not comment.

“They tell me my come tastes good,” I said. “Did it taste good to you too? Mom hasn’t tasted it yet.”

“It wasn’t bad,” he said.

“That wasn’t very encouraging,” I said. “Did it taste good or not?”

“It did,” he said.

“I can’t wait to taste it myself,” she said.

“You will after he eats it out of your horny pussy,” I said.

Every hole in her body got fucked silly before I came deep in her pussy in the folded deckchair position.

“Help yourself,” I said as I pulled out of her gooey pussy.

While she fed him her come-filled pussy, I mounted her and fed her my softening cock. It was soon hard.

We enjoyed another round of serious fucking. At the end, I fucked her throat and came in her open mouth.

“Now you can taste my creamy come,” I said, spewing come against the back of her throat.

She swirled it in her mouth and swallowed it to the last drop.

“It’s delicious,” she said.

“I am glad that you like it,” I said. “Make me hard. I want to leave a come load up your hot ass before I leave.”

At the end of the next round, I pumped her bowels full of come in the doggy position.

“This is for you,” I said as I came deep in her ass. “Dad got two loads, and you get two loads.”

Her twitching asshole drained me past her rectum. I kissed her well-fucked pussy and ass, and she sucked my cock clean. When she was done, I gave her a deep kiss.

“This is the hottest night of my life,” I said as I pulled my underwear and pants up. “I hope it was good for you.”

“It was the best night of my life as well,” she said.

“Did you enjoy it?” I asked him.

“Yes,” he said.

“From now on, I am going to treat my slut mom like this very often,” I said. “You don’t have to watch though.”

“Okay,” he said.

“Thank you, and good night,” I said, shaking his hand.

“Good night,” he said.

“Good night, darling,” she said.

She came up and gave me a long goodnight kiss. I kissed both her nether holes goodbye.

## FAMILY FUN

Arrangements were made for mom, dad, Alex and Dave to come over to Beth and my house on Saturday after brunch. They arrived by eleven in the morning. The three women dressed in a slutty manner and wore butt plugs.

Beth let me meet each couple at the door. Mom and dad arrived first. I kissed each woman deeply and felt up her tits and ass freely before I took them to the living room.

Mom silently squeezed my boner and smiled.

“Are you ready to fuck your cock-craving whores silly?” said Alex, fondling my boner through my shorts.

“Would I bring you here all wet and sticky and not take good care of you?” I smiled, squeezing her ass.

“Of course not,” she said, kneeling down. “I am such a slut.”

She took my hard cock out and sucked it for a minute, deep throating it.

“You have one of the hottest wives in the world,” I said to Dave as I held the back of her head and thrust gently.

“I know,” he said.

“You are a flatterer,” she smiled, tucking my cock in. “A nun would have knelt down and sucked your fat cock.”

“That has never happened to me yet,” I said as she got up.

“You need to go to church first,” she teased.

“I’ll think about it if they have nuns half as hot and sexy as my slut little sister,” I said.

“You are pushing your luck,” she teased.

“I am content the way things are,” I said.

“Let’s get inside so I can get to suck my juicy best friend,” she said.

As soon as we sat down, Alex knelt before me.

“Does anybody mind?” she asked, reaching for my shorts.

Nobody commented, so she pulled down my shorts and underwear, setting my throbbing cock free. I naturally cooperated, and, when my cock stood hard, I spread my legs. Beth was sitting next to me. She glanced at my parents, not sure how they would react.

“I created a greedy monster,” I said as she licked my cock.

“I am a greedy little cocksucker all right, but you love it though, don’t you?” she said.

“I love *her*,” I said.

“She loves this big cock,” she said. “She isn’t afraid to show it either.”

“Show it, Alex,” I said. “Show them how much you love the big cock you belong to.”

“I am not waiting for an invitation to do that,” she said. “Sit back, and watch. Everybody will soon know that your little sister’s a serious little whore for her big brother and his big amazing cock.”

“No wonder you are the sweetest and sluttiest sister in the world,” I said.

Alex’s leisurely blowjob heated up slowly. Within several minutes, she was deep throating my cock eagerly.

“Mom, don’t you want to help your slut sister with her stud brother’s big cock?” whined Alex, looking at mom.

“You don’t seem to need any help,” said mom.

“I don’t, but you do,” teased Alex.

“As a matter of fact, I do,” said mom, getting up.

Mom knelt next to Alex as Beth and Dave watched in disbelief.

“It’s so beautiful it makes you proud it’s your son’s big cock,” said Alex.

“Yes,” hissed mom.

Mom and Alex licked and sucked my cock eagerly, establishing a nice routine.

“My brother has a delicious cock, doesn’t he?” Alex smiled at mom.

“He sure does,” said mom, returning the smile. “We are so lucky he lets us suck it.”

“And fuck it,” smiled Alex.

They sucked and deep throated my cock together for several more minutes.

“Beth, don’t you feel like sucking your husband’s big juicy cock?” Alex asked Beth. “Don’t you need to help?”

“As a matter of fact, I do,” said Beth. “Watching made me water.”

“Come down, and join us,” invited Alex. “We are also watering at both ends.”

Beth knelt next to them, and I enjoyed my first triple blowjob. They worked together and did a great job at sucking and licking my cock and balls.

“Are you having fun, stud?” asked Alex.

“As much as the three of you are,” I said.

“The three of us are having lots of fun,” she said.

“I am glad we are taking advantage of this great day,” I said. “It’s all about our family having fun.”

“We are still warming up, but can you see how much we love your big juicy cock?” she said.

“That can’t be missed,” I said.

“We have more cock-craving holes for you too,” she said.

“I’ll make sure they all have as much fun as they can handle,” I said.

“We are sure of that,” she said.

They worshipped and sucked my cock together for half an hour before Alex stood up.

“I have great news to share with you,” said Alex. “I haven’t shared it yet with anybody at all.”

“What’s the news?” I said.

“Last weekend was fruitful,” she smiled. “I am now pregnant.”

“Are you sure?” asked mom.

“Of course I am sure,” said Alex.

“Congratulations to the mom and dad,” I said.

“Thank you so much, Nick,” she said.

She bent over me and gave me a long deep kiss.

“I am so happy for you,” I said.

Beth and mom congratulated, hugged and kissed Alex and congratulated Dave.

Dad congratulated Alex and Dave too. She let him give her a kiss on the cheek.

“Congratulations to us all,” I said.

“Yes,” smiled Alex.

“My little sister’s going to be a mom,” I smiled.

“Now you know why I am in a celebratory mood,” she said as she knelt on the sofa next to me.

Alex hiked her skirt and pushed her plugged ass and dripping pussy out.

“The newest mom needs to get fucked,” she said, wiggling her ass, as she beckoned to her husband.

“Craving cock is better than craving strawberries,” I said, standing behind her.

“Give me what I crave, stud, or something may happen to the baby,” she said as Dave guided me into her pussy.

“My little sister gets whatever she craves whether she’s pregnant or not,” I said, thrusting in her.

“Dad, are you happy for me?” she gasped as I fucked her leaky pussy briskly.

“Of course,” said dad.

“Are you excited about having your first grandchild?” she gasped.

“Yes,” he said.

“What about you, mom?” she gasped.

“I am very happy for you, sweetie,” said mom.

“Dave and I are going to give my baby the best life we can,” gasped Alex. “Isn’t that right, honey?”

“Absolutely,” said Dave.

Alex came, and I took my cock out of her drenched pussy after her third orgasm.

Mom sucked Alex's copious juices off my cock. Alex soon joined her.

Mom replaced Alex on the sofa, and dad guided my cock into her pussy.

"The new grandmother deserves to get fucked silly, doesn't she?" I said, fucking mom's heated pussy briskly.

"Yes," gasped mom.

After mom's third orgasm, she and Beth sucked her juices off my cock.

It was Beth's turn, and I fucked her pussy through three orgasms.

"Now that the foreplay's out of the way, let's get our asses fucked," said Alex.

"Line up on the sofa, and push your cock-craving asses out lewdly," I instructed.

Alex knelt in the middle of the sofa, and Beth was on her left. I popped the butt plug out of her ass and used it to work some of her pussy juices inside her asshole, making her moan. I used the butt plug to work lube inside her ass.

"Please fuck my horny ass," begged Alex as I touched her asshole with my cock head.

"You crave my big cock in all your holes?" I said as Dave helped pop my cock head in her ass, making her gasp.

"Yes," she said. "I crave it most in my ass."

"I guess I have to give your cock-hungry ass a serious drilling," I said.

"Please," she said.

"Don't worry about it," I said as I spread her ass and thrust in it. "I will."

My cock slid all the way up Alex's ass, and I proceeded to fuck it at an easy pace, which soon accelerated. I fucked her ass hard until she came. I slowed down a little while she recovered and picked up the pace again. She came twice more, and I moved to mom's ass.

Mom spread her ass while I toyed with it with the plug and lubed it. Dad guided me in, and I filled it with cock and proceeded to fuck it. She had three anal orgasms, and I turned to Beth, whose ass I treated similarly.

"Dad, you and Dave will swap wives today," said Alex as I fucked her ass briskly. "Each has already guided Nick's big cock into his wife's pussy and ass. You'll eat Nick's come out of my ass, and he'll eat it out of mom's."

"I can't do that," he said. "You are my daughter."

"Eating come out of a woman's well-fucked hole isn't sex," she said. "It's an act of love, appreciation and respect. After all, mom's ass and mine belong to Nick. We wouldn't let anybody else do anything sexual to them. Though, a husband should make his wife come when he eats her slimy hole but can't make another woman come."

"Does that mean I can have Dave and Dan eat Nick's come out of my pussy and ass?" said Beth.

"I can't see a problem with that," gasped Alex.

"Nick, I want your dad to eat your come out of my pussy and Dave to eat it out of my ass," said Beth.

"You should do it the other way around," I said. "Eating it out of your luscious ass is more intimate."

"Dave and Dan, are you okay with that?" said Beth.

"Sure," said Dave.

"Dan, are you okay with eating Nick's come out of my ass?" she asked.

"Yes," said dad.

"I am going to fill your ass with come, Alex," I said as our orgasms approached.

"Give me a big load for daddy," she gasped.

"Are you daddy's slut little princess?" I teased.

"I am daddy's whore little princess," she gasped.

She shook in orgasm, and I drained my balls in her twitching rectum.

Mom and Beth sucked my softening cock when I pulled out.

"Daddy, my ass is ready to be eaten," called Alex. "It's all yours. Don't leave anything."

Dad ate Alex's come-filled ass while mom and Beth revived my cock.

"Thanks, daddy," said Alex at the end.

"You are welcome," he said.

Meanwhile, I fucked mom's offered ass.

An hour later, I shot my come deep in mom's ass.

"It's your turn honey," said Alex as Beth sucked my sticky cock. "Eat mom's slimy ass clean."

Dave ate mom's come-filled ass while Beth and Alex revived my cock.

"Thank you, Dave," said mom. "That was so nice."

"You are welcome," he said.

Beth left to the kitchen to prepare lunch while I fucked mom and Alex.

We soon broke for lunch.

Alex turned my chair sideways and sat astride me, impaling her ass on my hard cock. We fed each other.

"Look at the lovebirds," teased Beth.

"I am a love mink," said Alex.

"There is nothing wrong with a girl who loves her brother's big cock so much," I said.

"I love your big cock so much, but I know that mom and Beth do too," she said.

"I know I have an adorable cock," I teased.

"You actually do," she said. "Besides, I am a pregnant woman. I have my cravings."

"Alex, pregnant women don't crave cock," said mom.

"I do," said Alex. "Does anybody have a problem with that?"

"Certainly not me," I said.

After lunch and about an hour of fucking, Beth got her ass full of come.

"Dan, it's your turn already," called Beth as Alex and mom revived my cock.

Dad knelt behind Beth's gooey ass and went to work.

Nearly an hour later, Beth's pussy got its load of come.

"Dave, my come-filled pussy's served," said Beth.

"Honey, she's on the pill, but that doesn't mean you shouldn't suck her slimy pussy dry," said Alex.

Dave ate my come out of Beth's pussy while Alex and mom sucked my cock back to life.

My next come load went deep in Alex's pussy.

"Honey, I am already pregnant," said Alex offering her slimy pussy. "I can't get any more pregnant, but I can sure enjoy getting my gooey pussy eaten squeaky clean."

Dave ate his wife's come-filled pussy and made her come while mom and Beth revived me.

My last come load for the event went deep in mom's pussy.

"It's your turn, honey," called mom.

"Dad, do a good job unless you want mom to become a mom like me," said Alex as dad knelt before mom. "Nick shoots potent come deep inside a woman's horny pussy."

"Amy, are you not on the pill?" dad asked mom.

"No," said mom. "I haven't taken the pill in so many years."

"Do you use a diaphragm or any other contraceptive?" he asked.

"No," she said. "I can get pregnant."

"How can you let Nick come inside you?" he asked.

"I am his whore," she said. "He can anywhere in and on my body."

"He may make you pregnant," he said. "Are you ready for that?"

"Sure," she said.

"You want to carry your own grandchild?" he said in disbelief.

"What's wrong with that?" she said. "Alex may be carrying her nephew or niece, and she loves it."

"Mom, you need to let Nick fuck you silly on your most fertile time," said Alex. "That was what I did."

"That will be in three weeks," said mom. "I'll do that."

"Nick, are you okay with that?" he asked me.

“Am I okay with what?” I asked.

“Are you okay with making your own mom pregnant?” he said.

“Dad, take it easy,” I said. “More than two women get pregnant every second. Mom isn’t an immature teenager who could ruin her future. She’s an experienced mom. I’d be honored to have her carry my baby.”

“Thank you, darling,” she said.

“Who’s going to take care of the baby once born?” he said.

“My son’s your son,” I said. “I can’t find anybody better than you and mom to raise it. I am just the big brother.”

“You are so generous, Nick,” she said.

“We haven’t planned to have a baby now,” he said.

“You have three weeks until mom’s very likely to be pregnant,” I said. “You can think all about it.”

“You are letting sex decide the future of a new person,” he said.

“The future of any person is decided by the person’s personality and the people who raise that person,” I said. “You and mom will have the most influence on your baby. You are not rash kids. I am not worried about it at all.”

“Your baby will be a bastard,” he said.

“That isn’t true,” I said. “My relationship with mom may be illegal, but it’s authorized by our entire family. The baby will be yours just like Alex and me, and will be a great kid.”

“My children are perverts,” he said.

“Your children are good people,” I said. “The society thinks they are, but everybody’s a pervert somehow.”

“Don’t be silly or pessimistic,” she said to him.

“If you don’t want her to get pregnant, don’t leave any come inside her tight little pussy,” I said.

“Act now,” she said. “You can think later.”

He dived between her spread legs and went to work. She soon came in his mouth.

Beth and Alex sucked my cock clean. When it started to get hard, I pushed them away.

We showered and dressed.

We then had dinner.

“We need to get going,” dad said, getting up.

“Us too,” said Dave, getting up too.

“Go ahead,” said Alex. “Mom and I will spend the weekend. Beth can use our help with her horny husband.”

“I sure can,” said Beth.

“They’ll be in good hands,” I assured.

Dad and Dave kissed their wives goodnight and goodbye and left.

All of that came out of giving a lesson in kinky sex for my little sister.

**The End**

## **The Mistress**

Ever since I overheard my sister tell my wife about her kinky sex life, I looked at her in a different way. One day I accidentally saw her practicing her kinky acts and curiosity then lust had the best of me. I watched. Moments later, I let my sister discover her life could be way kinkier. She returned the favor.
