

Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

My wife and I decided to visit her folks on that long weekend last February. Early Friday afternoon we packed and started the six-hour drive north and arrived there at night. After the hugs and kisses, Beth's mom, Victoria, insisted to treat us to a delicious dinner she had prepared for us.

We stayed late, talking and laughing and got up late the next morning. After we had breakfast, Beth's younger sister, Lisa, volunteered to guide us around the lake and river some thirty miles off the little city, especially that it was a great sunny weekend for California's winter. We spent most of the day there, and I had to pay a couple of appreciative looks to Lisa's tight ass and ripe firm tits.

Late in the afternoon Beth changed her mind inexplicably and decided that we should head home. She did not want to discuss it. I had to apologize to my in-laws and prepare for leaving. When our departure was inevitable, Victoria suggested that she could come with us and spend a week with her daughter. We welcomed her suggestion.

Because we left late, it was obvious that we needed to either drive way into the night or take a detour into the closest town and spend the night in a hotel. We opted for the latter choice. Victoria insisted we should take one room since we were only going to spend the night and one big bed would suffice if we could not find a room with two beds. We found a room with one king bed.

Our sleeping habits had to change. I naturally had no idea how Victoria slept, but I assumed she wore a conservative nightgown to bed. I used to sleep naked and Beth in a sheer nightgown. That night I had to wear boxers to bed and Beth had to wear a tee and panties. Beth slept in the middle between her mom and me. Beth and I spooned together, and I slipped my right hand down her panties. I teased her dormant pussy until it got moist, and she subtly ground her hot ass into my hardening boner. When we got horny, she stopped moving and tried to pull my hand out of her panties. I kept my hand down her panties and cupped her horny pussy motionlessly. She reached back and gave my hard cock a firm squeeze before she tried to go to sleep. As we drifted to sleep, Beth and I snuggled close together to give Victoria more space. My cock stirred in vain until it slept unsatisfied.

Presents

A Long Nightingale Classic

The Outlaw In-laws

In the middle of the night, I woke up to find my hard cock nested between two legs. My horny cock apparently woke up and worked its way out between Beth's legs. My boner was too big to ignore and was getting even bigger. I thrust gently into the warm cleft of soft flesh, but that was not going to satisfy my horny cock.

Grabbing my shaft by the base, I searched for the pussy entrance, which was too dry to accommodate easy penetration. I used my right hand to tickle the guarding clit into waking up and juicing the dormant pussy. Soon, I was able to thrust my cock gently into the moistening slit. A soft groan and a little shift met the advance of my hard cock into the awakening pussy. I pumped gently as I played with the erect clit, trying not to make noise, but soon my sleeping partner was panting softly and thrusting her ass back into me. I reached into her gown and squeezed her tits. I returned to her clit, and she soon stiffened and came, drenching my hard shaft.

We kissed passionately before I rolled her onto her stomach. I licked her asshole while fingering her wet pussy. Her asshole was a little tense due to the strange situation we were in. In time, I had that asshole wet and ready. I slowly fed it my cock. It took time and persistence, but the tight little asshole finally swallowed my entire cock. I thrust very gently until her rectum got used to my cock, and then I pumped her ass deeply but slowly to keep the noise under control. She groaned and humped her ass back as I fingered her wet pussy.

Her happy pussy twitched in orgasm, and her asshole fluttered around my pumping cock, but my cock still needed more. I diddled her gushing pussy and pumped her ass throughout her orgasm. I fucked her gently as she recovered, but we were soon thrusting into each other, threatening to awaken our sleeping company. Her hot pussy leaked steadily in my hand as my own orgasm approached.

Concentrating on her clit, I decided to make it a mutual orgasm and my cock got ready to fire. We soon stiffened, and I pumped a big load of come deep in her twitching rectum, which milked me dry.

THE NIGHT SURPRISE

My fuck partner and I relaxed and panted for air, me on top of her. With my cock still in her come-filled ass, I sidled her hair and kissed her on the cheek.

“Baby, when did you have a haircut?” I whispered.

“Nick, I am not Beth,” she whispered. “I am Victoria.”

“What?” I shouted voicelessly as I looked at the silhouette lying next to us with Beth’s long hair. I felt my heart stop in my chest. “Why did you let me do this to you?”

“When I woke up, you were already fucking me, and it was too good to stop,” she whispered.

“What are we going to do now?” I asked.

“First, remove your big cock from my ass,” she said. “I’ll suck it clean, and then you can go back to sleep.”

She sucked my cock dry and licked it clean.

“Next time, I want you to fuck me while I am awake,” she said as she put my cock inside my boxers.

“There is no next time,” I whispered. “This was a mistake.”

“We both enjoyed this mistake too much never to repeat it,” she countered.

“Because I didn’t know,” I said.

“Now you do,” she said. “I am also sure you don’t want your wife to. The evidence is still wet in my ass, you know. It’s very naughty to fuck your mother-in-law in her horny ass, especially in her sleep.”

My mind raced for a way out. It was obvious my mother-in-law was crazy enough to tell her daughter about that mishap. There would be no way to know how Beth would react. She might understandably not be able to believe that her mother was that crazy, and I would be the culprit.

“Do you agree?” asked Victoria.

“I don’t see any other way out,” I said in defeat.

“Me neither,” she said. “I see three ways in though, one through each of my holes.”

“Why do you want to do this?” I asked.

“One good reason is that I’ve never come three times in one night before,” she said. “You’ll have to discover the other reasons on your own.”

As I woke up in the morning, I felt my morning boner push into a soft butt as my right arm was wrapped around somebody. I opened my eyes in panic and pulled my arm. The person in front of me turned out to be my wife. I returned my arm to her and pulled her possessively as I closed my eyes again and smiled to myself, pushing my hard cock against her lovely ass.

When Beth came out of the shower, I woke up again.

"I am going to the fitness room for my workout," Beth said. "I'll relax then in the spa. Do you want to come?"

"You go ahead," I said. "I think I'll sleep in a little."

She smiled and kissed me on the lips before she left.

Victoria was still in bed.

"That gives us enough time for our workout," said Victoria, reaching for my cock under the covers.

"So, that wasn't a dream," I mumbled to no one in particular.

"No, mister, that wasn't a dream," she said. "It was a dream come true. Smell your hand."

My hand smelled of her pussy.

"It was more like a nightmare," I said.

"We'll see if your big cock agrees," she smiled.

"What do we do now?" I asked.

"This," she said as she flipped the covers away and fished my cock out.

My cock was partly hard on its own. She engulfed it in her mouth and sucked eagerly. She was not new to cock sucking although she struggled a bit to take it all the way down her throat. She worked her lips up and down the entire length of my shaft several times, and then she let my cock out and proceeded to lick my balls.

"Your cock's so thick," she said.

"You don't like it?" I asked.

"Of course I do," she said. "Last night, you stretched out my pussy and asshole to the limit. I loved it."

She licked her way up the length of my shaft before she sucked it back into her mouth. That woman really knew how to work out a hard cock. As she fucked her throat with my shaft, she turned herself around and straddled my face, presenting me with her moist pussy. In the middle of the night, I could not see her pussy or asshole although I rimmed her; now I could. She had a dainty pussy and a pretty asshole.

"You have a pretty little pussy and a hot tight asshole, Victoria," I said.

"I am glad you like them," she said. "They don't get used as often as I want them to."

"That's even better for me," I said. "I really like them. It's a shame I am forced to enjoy them."

"If you like them, enjoy yourself without pressure," she said. "I know I am not forcing you to have the biggest and most delicious boner I've ever seen or tasted."

She had a point. I was probably happy that I somehow ended face to face with her hot pussy and ass.

She squirmed and moaned with a full mouth when I tickled her clit with my tongue tip before I let my tongue at her moist pink lips. I probed and fucked her pussy with my tongue, lapping her leaking juices. I pulled her ass cheeks apart and admired her wrinkled asshole for a few seconds before I gave it a kiss that made her gasp. I licked her pucker gently. She tasted fresh. She obviously had removed every trace of our night activities. Her asshole was tighter and less responsive than Beth's, but my tongue knew how to open it up while I pumped my middle finger in her pussy. I pulled my slick finger from her pussy and wormed it slowly into her tight asshole as I pushed my index finger into her pussy and licked her clit.

"Your asshole's much tighter than your daughter's," I said, pumping my fingers within her holes.

“You are probably drilling her little ass with your big cock day in and day out,” she said. “I don’t have that luxury. Speaking of that, I think it’s about time we did some drilling.”

“You have the kind of pussy and ass a man needs to take time to admire and enjoy not to be done at gunpoint or in a very short time,” I said as I gently spread her ass cheeks and let them come together again.

“I also wish you and I could go alone to Hawaii for a week or two and enjoy each other,” she said.

“I think Alaska has a better weather in winter,” I said.

“It’s all snow and snowstorms,” she said.

“Isn’t that the perfect weather to stay in the room and enjoy each other?” I said.

“If you really want to fuck me for two solid weeks, quit pretending you are being forced,” she said.

“I just take sex seriously,” I said. “When I see a hot pussy and ass as tight as yours, I have to ream them out.”

“What would two weeks with your big cock do to my poor pussy and asshole?” she moaned.

“They’d look like you were gang raped on a daily basis,” I said, “but you’d love it.”

She moaned one last time over my cock.

She maneuvered herself around and straddled me, face to face. She held my cock by the base and lowered herself slowly, swallowing me all the way in. She gasped when the last couple of inches slipped in her tightly stretched pussy. As she rode my cock, her full tits bounced. I reached for them and squeezed them through her thin gown. I pulled her down and sucked her left nipple while bouncing her ass briskly.

“This is what sex should be,” she moaned. “This feels so good.”

By the time I switched to her other nipple, I had moistened a finger in our combined juices and started to prod and probe her asshole. She had come once by the time I had two fingers pumping and reaming out her asshole. I stepped up the pace and had her come again in a few minutes. When her holes stopped convulsing, she collapsed on top of me. I kissed her, and she showed me how well she could kiss.

“Do you think it’s time to loosen up your tight asshole a little?” I whispered.

“Yes,” she hissed. “With the size of your hot cock, you are going to loosen it very much.”

Grabbing her hips tightly, I flipped her under me and then thrust in her wet pussy until she fucked back. I pushed her legs over her head and had her hold them there. I stroked my cock in and out of her slowly while I rubbed her clit with my thumb. Pulling my dripping cock from her, I rubbed its slick head over her sticky asshole. I dipped it several times in her pussy, transferring her juices to her asshole. When her asshole was glistening in her juices, I pushed her legs further down, raising her ass off the bed. I lowered my mouth to her crotch and licked her drenched pussy. I opened her asshole up and probed it with my tongue, drooling constantly inside it. She humped my face, holding her ass cheeks wide apart.

As I used my fingers to ream out her asshole wider, I drooled more inside her rectum. Twisting and swirling my fingers within her rectum, I rubbed my spit into the walls of her rectum. She was ready.

After I dropped a final spitball on her asshole, I rolled her over and arranged her on her knees and forearms. Kneeling behind her, I guided my cock head to her asshole and pulled her gently onto my shaft, watching the thick column of flesh advance slowly into her tight wrinkle-free asshole. I slid my hands inside her gown and grabbed her tits. As I milked her tits and pinched her nipples, I gently fucked her tight asshole. She shoved her ass back for every next thrust, making my balls slap her wet pussy repeatedly.

Slowing our pace gradually, I brought it to a stop. I plopped my cock out of her asshole and pulled her cheeks apart, opening her asshole. I spit several times right inside her open rectum and made her asshole wink and blow bubbles of spit. I shoved my cock back into her and resumed skewering her eager ass.

“I want you to come in my mouth this time,” she panted, bucking her ass for more.

“You got it,” I said as I reached for her pussy.

She bucked urgently as I finger fucked her drenched pussy to a quick but hard orgasm and enjoyed her anal spasms. When her orgasm subsided, I flipped her onto her back. Pushing her legs over her head, I shoved my cock back in her ass and resumed thrusting. I pounded her ass hard through another orgasm.

Before she recovered from her orgasm, I sat her up and fed her my cock. I thrust in her throat as she sucked my shaft and palmed my balls. I pulled my stiff cock from her mouth and slapped her cheeks and lips with it before shoving it back in her mouth. When my orgasm hit, I pulled my cock out and shot the first two jets onto her face. I shot the rest of my come down her thirsty throat. She sucked my cock thoroughly, making sure not to miss a drop.

We barely had enough time to shower and dress before Beth was due. We had a quick meal before we left.

The rest of Victoria’s stay was uneventful since I had a full time job and I did not try hard. She had two chances though, one to suck my cock and the other to let me eat her pussy. She went home on the following weekend, Beth volunteering me to drive her mom on Saturday, spend the night there and come back on Sunday.

“Why don’t you drive her and spend the weekend with your folks?” I asked.

“It’s only spending the night, not the weekend, there,” she said. “I don’t like to drive that much just to get to sleep there. Besides, I have work to do at home.”

Beth waved at us, and Victoria and I waved back as I pulled out of our driveway. Victoria’s free hand was already squeezing my cock through my pants.

“Victoria, you have to behave,” I said as I drove off, pushing her hand away.

“You don’t put a horny woman like me next to an amazing cock like this and expect her to behave,” she said, returning her hand to my crotch.

“We have a long drive and I have to drive safely,” I said.

“Don’t pay any attention to me,” she said. “I’ll just be sucking your big cock.”

“You are too good a cocksucker for me to be able not to pay you any attention,” I said.

“Just give me enough attention to keep your big cock hard,” she said, feeling my cock get hard already. “We are not in a hurry. Take the slow lane.”

Before I could think of anything to say, she was stroking my bare cock. I groaned as she leaned over and took it in her mouth. What added to the torture was that I wanted to play with her ass, but I could not do it while driving on the freeway. I resigned myself to enjoying her marathon blowjob and focused on the road. Judging by her moans, I could tell that she enjoyed what she was doing as much as I did.

An hour later, she decided that she needed some come. I steeled myself and pumped her thirsty throat full of come. She swallowed it all and sucked for more.

“It’s a straight boring road,” she commented. “I bet you can drive with one hand and finger fuck my pussy.”

“Are you serious?” I asked, looking at her incredulously.

“I have to entertain myself while you recharge,” she said.

“Go ahead and entertain yourself,” I said.

“Not in the presence of a hot stud like you,” she said, hiking her dress and shoving her bare pussy forward.

She actually pulled my right hand to her wet pussy. When I started fingering her pussy, she pushed her seatback all the way back and closed her eyes. I shook my head and continued to play with her leaky pussy. She squirmed and bathed my fingers in her juices. After I made her come ten minutes later, I reached with my dripping fingers down toward her asshole. She pushed my hand away, pulled her knees up and then pulled my hand back to her ass.

“I knew you were good,” she gasped when I popped a slick fingertip up her asshole.

She hooked her arms behind her knees and moaned softly as I lazily fingered her leaky pussy and horny asshole. I teased her for twenty minutes before I let her come with my fingers in both horny holes. I did not pull my hand back, and she did not push it away, so I continued to finger her eager holes. This time, I took it slower and made her come over half an hour later.

“That was wonderful,” she gasped. “Thank you.”

“You are welcome,” I said as I lazily probed her asshole.

While she recovered, she reached out and squeezed my cock, which was already hard. She pushed my hand away, and I sucked my fingers as she sat up and pulled her seatback up. Her hand stroked my hard cock until she engulfed it in her mouth.

She gave me two more blowjobs, and I gave her two more finger fucks before we took the exit to her house.

“I know I reek of sex,” she said. “I have to shower before I see anybody.”

“Me too,” I said.

“I hope you are not done for the day,” she winked. “I am not done with you yet. I still need your big cock.”

“Here?” I said incredulously. “At your house?”

“Do you want to rent a hotel room like our first time?” she said. “It would be fun. I can be your hotel slut.”

Victoria and I snuck into the house and showered before we were discovered.

We met John and Lisa an hour later while Victoria prepared dinner. We had dinner together, and I resorted to the room Beth and I used the weekend before, which had been Beth’s room.

An hour after dinner, Victoria gave me a card in a sleeve.

“What is this?” I asked.

“This is where you are meeting your hotel slut in half an hour,” she said. “Blowjobs and fingering don’t last her much. She needs serious fucking.”

She left before I could say anything.

If she needed serious fucking, we needed lube for sure. I got ready and looked up an adult store close by. I left immediately and got good anal lube. I estimated that we could get away with three hours and intended to use them fully. There was going to be very little cock sucking and very little pussy play. It was all between her ass and me.

My cock was hard when I left their house, and it stayed that way until I entered the hotel room. She was already there, dressed in a robe. We started our evening with a feverish kiss. She lost her robe while we kissed and was clad in a sheer bra and a matching thong. By the time we broke the kiss, her bra was lying on top of the robe. I was soon sucking her stiff nipples while I squeezed and kneaded her ass. Not a slouch herself, she already had my hard cock out and was playing with it.

When she went down on her knees to get my pants and underwear the rest of the way off, I let her stuff my cock in her greedy mouth for a minute.

“You had enough of this already,” I said, pulling her up. “You have other holes that need cock.”

She complained until I turned her around and stuffed her pussy with my cock.

“You are my hotel slut,” I said, thrusting hard in her pussy. “I decide how I am going to use you.”

She came within a few minutes. I pushed her onto the bed and dived between her cheeks. I teased her asshole for a few minutes, making her squirm, before I ate it hungrily to orgasm. When her tight pucker stopped twitching against my tongue tip, I licked her drenched pussy clean and lubed her asshole thoroughly. She squirmed and moaned, humping my fingers. I started with one finger and ended with three, carefully stretching out her asshole and working generous amounts of lube inside it. I made her come in the process.

We had already used up over half an hour when I patiently slid my lubed cock up her tingling asshole. She let out a long moan as I stuffed her ass with my cock.

“Yes, Nick,” she hissed. “Fill my cock-hungry ass with your big cock.”

She squeezed my cock when it was balls deep up her horny ass. I took it easy on her for a minute or two before I stepped up the pace and drilled her ass vigorously. My thighs slapped her ass, and my balls spanked her leaky pussy with every stroke. She bucked back, meeting every thrust and begging for more.

“That’s it,” she gasped. “Fuck your slut mother-in-law’s ass hard. Ream out my asshole with your big cock.”

In response to her babbling, I squeezed her tits tightly and pounded her receptive asshole even harder. She came soon. Her body shook violently as I held her tightly and drilled her twitching asshole until she went limp. I allowed her another minute of cock sucking and squeezed a dollop of lube inside her relaxed asshole before I resumed fucking her ass in the leapfrog position.

When she came the second time, I dumped a come load deep in her bowels. Her orgasmic spasms drained my balls nicely. I ate her asshole to orgasm in that same position while my cock rested. She sucked my cock for a couple of minutes before I was back drilling her ass in the missionary position.

When I was ready to come the second time, I shoved my cock all the way in her pussy. She came, and I filled her twitching pussy with come. I had arranged her in the pile driver position so the come that might leak out of her pussy would drip into her mouth.

“Open your mouth when you feel the come leak out of your pussy,” I instructed as she drained my balls.

Some come leaked right away, and she caught most of it and had to lick the rest. The remaining come leaked out of her pussy while I ate her asshole in the same position. We had another quick round of cock sucking before I stuffed my cock up her ass in the prone position.

Since she had already swallowed three come loads on the road, I dumped my third come load up her ass with her on her left side. I cleaned up her drenched pussy with my tongue before I let her suck my sticky cock clean. We showered and left with the lube in her purse.

“We have the room till noon,” she said before we kissed goodnight. “Let’s use it for three more hours.”

In the morning, I dumped three more come loads up her ass.

“Try to keep my come from leaking out of your ass,” I said as I withdrew my softening cock from her ass.

We showered, and I left while she went to check out of the room.

Those crazy happenings made sure that I arrived home horny. Beth ate it all up, thinking that I missed her much. I actually missed her and fucked her silly that evening.

LIKE MOTHER, LIKE DAUGHTER

In late April, Lisa came to spend a weekend with us. She was slimmer than Beth, but she had a tight round ass that pushed back and a pair of firm tits that pushed forward. I had to take notice of that on several occasions. She was nice to be around until Beth suggested we have dinner at a place a friend of hers recommended.

Early that Saturday evening, Beth took the driver seat since she knew that area better than I did. The place was nice and dinner was great. Finally, it was time to head back home.

“Let’s take the backseat,” said Lisa, pulling my arm. “I want to lay my head against you; I feel sleepy.”

“Sit in the back with her, Nick,” said Beth.

As Beth drove, Lisa laid her head on my chest and laid her right hand on my right thigh. She relaxed totally and her head slid slightly down my chest. I adjusted my position so that her neck would not be strained. She stirred, and her right hand ended on my crotch. I was startled at first, but then I dismissed it as an innocent move from my sleeping sister-in-law. As the car turned and bounced, her hand tickled my cock and made it grow. My cock grew constantly, threatening to become an obvious boner.

Gently I removed her hand and put it on my knee. She soon stirred, and her hand ended again on my bulge, which grew to dangerous dimensions. I was thinking about a way to remove her hand without disturbing her when her hand felt as if it was deliberately stimulating my cock. I looked at her face. Her face was all relaxed and her eyes were closed, a faint smile painted on her lips. I gently held her hand and tried to move it away, but her hand clutched my crotch tightly. Her face was still peacefully calm.

My trying harder to move her hand away only made her grip tighter almost to the point where Beth would know we were struggling in the back. So I finally withdrew my hand, hoping that Lisa would remove hers. What happened next shocked me. When my hand was safely away, she made some snoring sound as she expertly unzipped my fly so that Beth would not notice. Before I knew what hit me, Lisa had my hard cock out in her fist. As I sat there flabbergasted, she stroked my cock gently. Even before I woke up from my shock, her tongue and lips were toying with my cock head.

Soon, she stretched her lips around my hard shaft and there was no way to take it away from her. I resigned myself to that and relaxed. Her lips could travel quite far down my shaft, and it was very enjoyable. The naughty wench even managed to swab my balls with her tongue. I subtly thrust in her throat. While she fisted my cock slowly, she raised her head and brought her mouth to my ear.

“You have a nice, big cock,” she whispered. “I am going to make you come and flood my mouth. I want to drink your warm sticky come. Get ready.”

My cock twitched as she returned her mouth to it. Her mouth was far from new to the art of cock sucking. She sucked deeply and silently, giving me a hard time to keep my cool. I instinctively held the back of her head and pushed her down deeper on my cock. She raised her head in another break.

“Next time, I want you to come in my tight ass,” she whispered as she played with my hard shaft. “I want you to ream out my little asshole with your fat cock.”

“No way,” I whispered back.

“Do you want me to tell Beth you took your big cock out and shoved it down my throat?” she whispered.

“Of course not,” I whispered, conceding defeat.

The devil was as wicked as her mom.

“Good,” she whispered, smiling triumphantly. “So, you are going to drill my tight ass.”

“I am going to come inside it,” I whispered.

“What are you whispering about?” Beth called, looking at us through the rearview mirror.

“If we wanted you to know, we wouldn’t be whispering,” I said.

Lisa smiled wickedly.

“So you are cooking up something behind my back, so to speak?” Beth said.

“You guessed it,” I said.

Lisa squeezed the base of my cock and lowered her head back to my crotch. Minutes later, there was no stopping my come from exploding in her eager mouth.

“I am going to come in your mouth, bitch,” I whispered. “Swallow it all.”

She sucked my cock dry and tucked it in my pants. She curled herself and laid her head in my lap like a content pussy cat. She looked up at me, licking her lips lewdly.

“Next time,” she whispered, guiding my right hand to the cleft of her ass. “Okay?”

I nodded as I squeezed her young ass cheeks.

“Beth, your husband’s so sweet,” she called, winking at me, with my hand still holding her ass.

She smacked her lips silently.

“I am glad you get along very well,” Beth said.

After Beth left for her fitness session on Sunday morning, I sat in the living room, browsing the paper. A couple of minutes later, Lisa joined me. She had a cotton T-shirt and a short skirt on.

“Let’s do it,” she said.

“Do what?” I asked.

“Do my ass,” she said.

“Excuse me!” I said, looking up from my paper.

“Don’t you remember that last night you promised to fuck me in the ass?” she said.

“No,” I said. “I remember that I promised to come in your ass. I can do that without fucking you. You can hold your asshole open for me while I jack off until I spurt into your rectum.”

“That wasn’t what I meant,” she said.

“So?” I said.

“Aren’t you going to fuck me in the ass?” she asked in frustration.

“I can’t decide before I check out your ass,” I said. “If your tight little ass is worthy of my big fat cock, I may.”

She jumped off the sofa, bent over slightly and hiked her skirt, exposing her bare ass.

“Pull your cheeks apart,” I instructed. “Let me see your little asshole.”

She obeyed, exposing her pink anal pucker shamelessly. I wet my middle finger in my mouth.

“You have a nice little pussy,” I said as I took my finger to her pussy.

She gasped as I tickled her pussy.

“Bend over a little deeper and thrust your ass out,” I directed. “Show me your slutty ass.”

She obeyed, presenting her ass more outrageously to me.

“You have a pretty asshole,” I said as I stroked my finger up and down her pussy slit. She moved gently against my fingertip. “I may fuck you if you confess to being a slut.”

“I am a slut,” she said right away.

“I know you are, but that didn’t sound convincing,” I said.

“I am a slut,” she said emphatically.

Her pussy swelled and leaked.

“You have to be *my* slut for me to fuck you,” I said.

“I am your slut,” she said, moaning as I applied more pressure to the crack between her pussy lips.

“Do you have a boyfriend?” I asked.

“Yes,” she gasped.

“Promise me to fool around neither with him nor with any other boy for the next ten days,” I asked.

“I promise,” she said.

“Promise me you won’t let your boyfriend fuck your ass for a month,” I said.

“I’ll never let him fuck my ass,” she said. “I am not that kind of girl.”

“How come you are begging me to fuck it?” I asked.

“He’s had it long enough, and he hasn’t fucked it,” she said. “You are different. You have a great cock too.”

She obediently took my finger in her mouth and sucked it eagerly. I added three other fingers to her mouth one after the other until she sucked the four fingers of my right hand. As she moaned around my fingers, I licked her asshole. She gasped, but continued to suck my fingers. When she ground her ass into my face, I removed my fingers from her mouth and pushed my middle finger into her pussy, making her moan.

“Your pussy’s so tight,” I said, gently working my finger in and out of her leaky pussy.

“Yes,” she moaned.

As I pumped my finger and jerked it around within her pussy, I made room for another finger. I added my ring finger to her pussy and pumped her slowly several times while my tongue continued to open up her ass. I removed my fingers from her pussy and gently wormed my middle finger into her asshole. She gasped as my finger made its way into her tight orifice in little sudden jerks. While swirling my finger within her asshole, I drooled onto her pucker and then squeezed my index finger in. I also slipped my ring and little fingers into her pussy. I finger fucked both her holes, and she humped back, moaning softly.

“You have a very tight pussy,” I said. “I think I should try it for size too. Is that okay with you?”

“Yes,” she gasped. “That’s what it’s there for.”

“You are a greedy bitch,” I said. “You want my big fat cock in your tight little pussy. Don’t you know that my big cock will stretch and stuff your little pussy like it has never been stretched and stuffed before?”

“That’s what I want, Nick,” she said. “I love your big cock.”

“Thank you,” I said. “Straighten up, and put your left foot on the coffee table. Let go of your ass cheeks.”

She complied.

“Suck the fingers of your left hand while rubbing your clit,” I instructed as I slid off the sofa and squatted.

Her holes milked my fingers as she worked her clit and hunched her hips back and forth. Her pussy leaked steadily. While she humped and moaned, I licked and nibbled the back of her left leg and knee.

“That’s enough,” I said as I pushed my head between her legs. “Remove your fingers from your pussy, but keep sucking your other fingers.”

She trembled and gushed more juices onto my fingers when my tongue tip tickled her excited clit. I licked her juices off her pussy lips and my fingers.

“Slowly get down on your knees and forearms,” I said, steering her around the coffee table. “Crawl to the kitchen like a bitch in heat.”

As she crawled, I followed her, keeping my fingers inside her, letting her holes milk them as she moved. In the kitchen, I had her squat. I guided her left hand to her ass and her right one to her pussy.

“Put two fingers in each hole,” I instructed. “Don’t fuck yourself. Just keep your holes plugged.”

She obliged me right away.

“Are you aware that I am not one of your pathetic boyfriends?” I said. “I am going to fuck you like you’ve never dreamed. You are going to get fucked like a little whore.”

“That’s what I want,” she moaned.

“You are a cock-craving slut, aren’t you?” I said as I dropped my shorts, letting my partly hard cock bounce out.

“Yes,” she moaned.

“You are going to get fucked like one, bitch,” I said.

“Thank you,” she said.

My cock head was already wet. I sidled her hair and wiped my cock head on her cheek. I rubbed my cock head over her lips and then pushed it into her mouth. I thrust in her mouth as she rocked her head back and forth. Soon my shaft glistened with her saliva as her lips traveled back and forth over most of its length.

“Take it all in,” I urged, holding my hips forward. She twisted her head and struggled a little, but finally managed to take my cock all the way in. “Good slut!”

She deep throated my cock, milking my shaft, as I thrust in her throat. Holding her head by her long hair, I removed my cock from her mouth and rubbed it over her face. I slapped her face with my cock and helped her to her feet, keeping her fingers inside her. I bent her over the counter and drooled just above her plugged asshole.

“Finger fuck your little asshole,” I said as my spit ran down to where her fingers stuffed her asshole. “It’s going to get stretched so wide by my big cock.”

As she fucked her own ass, her fingers worked my drool into her rectum while I rubbed a coat of butter over my cock, listening to her gasps and moans. I suddenly dealt a smack to her right ass cheek. She yelped and jumped. Before the slapping sound faded, I dealt another equally hard smack to her other cheek, making her yelp again.

“This will make you hotter,” I explained as she panted. “You need to be sizzling hot to handle my big cock.”

Removing her fingers from her ass, I guided her left hand to her mouth. As she sucked her fingers, I pulled her ass open and drooled inside her rectum. When I pressed my greasy cock into her drenched asshole, my bulbous cock head slowly opened her asshole and sank into her ass. She gasped when it popped past her sphincter.

“The head’s in,” I said, pausing. “How does it feel, Lisa, my little bitch?”

“It’s too big,” she groaned.

“Do you want me to take it out?” I teased.

“No!” she groaned. “I want to take it all the way in. I want you to stuff my ass with it balls deep.”

“You are a real slut, aren’t you?” I said.

“Yes,” she moaned.

“Play with your little pussy,” I directed as I thrust gently in her tight anal channel. “If you are a good girl, I’ll fuck it for you later.”

“I’ll be a good girl,” she said.

“Do you know what it means to be a good girl?” I said.

“Yes,” she moaned. “I’ll be nice.”

“It’s a lot more than that,” I said. “Good girls make excellent sluts. Are you going to be an excellent slut for me?”

“Yes,” she moaned.

“That’s how big girls become good girls,” I said.

“I’ll be a good girl,” she said.

She pushed her ass bravely against my cock. In a minute, I held my hard shaft all the way up her milking rectum as she massaged her pussy.

“Your tight ass is perfect for this,” I said.

“Yes,” she moaned. “You are filling my ass to the brim.”

“This is what your slutty ass was made for, bitch,” I said.

“Oh, yes,” she moaned.

“Are you ready to get your horny ass fucked?” I asked as I held her by the waist and thrust in her ass.

“Yes,” she moaned. “Please fuck my ass.”

“You got it, slut,” I said, picking up the pace.

She groaned and gasped, fucking back.

“You like this?” I said, fucking her ass hard.

“Yes,” she gasped.

“Me too,” I said. “Your tight asshole’s going to be loose when I sent you home.”

“I don’t care,” she gasped. I love this.”

“As long as you are a good slut for my big cock, you’ll get it all you want,” I said.

“I’ll be a good slut,” she gasped. “I want it a lot.”

She soon came on her fingers as my cock pumped her twitching asshole at a brisk pace. When her orgasm subsided, I guided her wet fingers to her mouth as I popped my cock out of her ass. I got rid of her short skirt.

“You want it here too, bitch?” I said as I pushed my cock into her drenched pussy.

“Yes,” she gasped.

Her drenched pussy was nevertheless tight.

“Your horny pussy’s almost as tight as your little asshole,” I said, thrusting in her pussy.

“Stretch it for me with your big cock, Nick,” she gasped.

As I fucked her pussy at an easy pace, I maneuvered her into putting her hands on the floor and lifted her feet off the floor one by one, carrying her legs by the thighs.

“To your room, bitch,” I instructed as I steered her like a wheelbarrow, making her pussy jerk over my shaft.

She walked on her hands, taking me to her room.

In her room, I lowered her onto her knees and chest on the carpet, keeping my cock in her. I drooled on her asshole before I thrust my cock into her ass, making her groan.

“Is this where you want it, whore?” I said, thrusting in her ass.

“Yes,” she gasped.

“Finger your pussy,” I urged as I pounded her splayed ass.

Removing my cock from her ass, I held her ass cheeks apart and drooled in her gaping asshole.

“Are you ready to get your slutty ass fucked in different positions?” I asked.

“Yes,” she gasped.

“Go for it, bitch,” I said as I lay on the bed and pulled her onto me.

She rode my cock with her tight pussy in the cowgirl position. I finger fucked her asshole while she did. With my free hand, I hiked her shirt, and she took it off, letting her bouncing tits out for the first time. Pulling her to me, I captured one stiff nipple between my lips and sucked it while I squeezed her right tit with my left hand.

“You have nice tits, little slut,” I said.

“Play with them any way you want,” she said.

While nursing on her tasty nipple, I moved my cock to her asshole. As she worked her ass up and down my cock, I switched my mouth to her other nipple. I kept on switching my mouth from a sweet nipple to the other as I switched my cock from a horny hole to the other. She gasped and moaned continuously as she bounced on top of me. Finally, my cock was up her ass as I squeezed her tits wildly and she bounced energetically on my cock, giving her ass a vigorous fucking. We both headed to orgasm.

“Are you going to come for me, whore?” I teased.

“Oh, yes, Nick,” she gasped. “I am going to come hard for your big cock.”

Suddenly, I heard a resounding scream that did not come from Lisa’s mouth, but rather came from somewhere behind her. My heart almost jumped out of my throat, and I froze, but Lisa kept bouncing wildly as if nothing out of the ordinary had happened. She probably had not heard the scream. I raised my head and looked around the room to find what made my hair stand on end for a second. Beth was lying on the floor, her workout bottoms around her ankles and her hand between her parted thighs. She was propped on one elbow and her eyes were closed. My wife was coming while she diddled her pussy with her fingers.

Lisa let out a scream of her own when she came, her powerful anal convulsions causing my cock to twitch wildly as it pumped big jets of come deep up her sucking bowels.

“I am filling your slutty ass with come, bitch,” I said, slamming into her writhing ass.

“Yes, yes, Nick,” she gasped.

When her orgasm subsided, she dismounted my cock and licked it clean, oblivious to her sister. Finally, I tapped her on the shoulder and pointed at Beth. Lisa was startled to say the least, and her face lost its color for several seconds. Beth had glazed eyes and looked as if she could not see us.

“Eat her pussy,” finally Lisa said as she pulled me off the bed.

My brain unable to think properly, I obeyed quietly. Lisa pushed her sister’s knees against her chest to give me full access to Beth’s crotch. I glued my mouth to my wife’s drenched pussy and ate it hungrily. Beth humped my face wildly, moaning and gasping. When my tongue drifted to her asshole, she pulled her ass cheeks apart for me. While I probed her asshole, I felt my asshole being probed by Lisa’s wicked tongue. My cock was hard again in no time. I fucked either of Beth’s nether holes with a finger for a minute before I mounted her, stuffing her wet pussy.

“Fuck her horny pussy with your big cock,” urged Lisa.

“Is this what you want, baby?” I asked.

“Yes,” gasped Beth.

“Say it,” I said.

“Fuck my horny pussy with your big cock,” she gasped.

Beth held her legs over her head as I fucked her pussy vigorously. Lisa got rid of Beth’s shoes, socks and bottoms. With Beth totally naked from the waist down, Lisa pushed her head between Beth and me and moved my cock from Beth’s pussy to her own mouth. She sucked my cock for a while before she drooled on her sister’s asshole and guided my cock into it. Beth gasped when my cock popped past her sphincter.

“Do you want this, Beth?” I asked, thrusting gently in Beth’s ass.

“Yes,” gasped Beth.

“What do you want?” I teased.

“Fuck my ass with your fat cock,” she gasped.

She moaned continuously as I delivered long, deep strokes to her experienced and eager asshole. Lisa reached between Beth’s legs and fingered her pussy.

“Your slut little sister’s playing with your dripping pussy,” I said. “Do you want her to make you come?”

“Yes,” gasped Beth.

“Make her come, little slut,” I said.

Lisa diddled Beth’s pussy to a wild orgasm.

“I am coming,” gasped Beth, convulsing.

When Beth’s orgasm subsided, Lisa licked her own fingers. I continued to stroke my hard shaft gently in and out of Beth’s stretched asshole.

“Fuck my ass,” I heard Lisa call.

When I looked, I found Lisa on her knees, bent over the bed, holding her ass cheeks apart. She looked over her shoulder in anticipation. I did not know what to do. I looked at Beth with questioning eyes.

“Don’t make her wait,” urged Beth. “Fuck my little sister’s horny ass.”

“She’s a little slut, isn’t she?” I said, pulling out of Beth’s ass.

“She’s a little whore, but she deserves it,” she said.

“You have a good sister, Lisa,” I said as I crouched over Lisa’s ass.

“I sure do,” moaned Lisa as I lowered my cock all the way up her ass.

“Are you going to be a good sister too?” I asked as I grabbed her tits and drilled her upturned ass as she held it open for me with both hands.

“I am going to be a good sister and a good sister-in-law,” gasped Lisa.

Beth took off her top and bent over next to Lisa, holding her own ass cheeks apart. Lisa soon came.

“Your hot ass is hungry for my big cock too, Beth?” I asked as I fucked Lisa’s ass gently.

“Yes,” said Beth.

“I am not going to get enough of your luscious asses today,” I said as I pulled out of Lisa’s ass.

“You don’t have to,” gasped Lisa. “At least, you don’t have to get enough of my ass.”

“Neither do you have to get enough of mine,” moaned Beth as I impaled her ass with my cock.

The sisters soon held hands and smiled at each other while I drilled their pussies and asses, switching my hard cock from a horny tight hole to another.

“Let’s go to the master bedroom,” said Beth after Lisa came on my cock.

We moved to the master bedroom and continued fucking. I was fucking Lisa up the ass when Beth pushed her pussy in her sister’s face.

“Eat your sister’s pussy, bitch,” I said. “Show her that you are a good sister.”

Lisa dove in her sister’s drenched pussy, and Beth started moaning and humping Lisa’s face right away.

“Is she a good sister?” I asked Beth.

“Oh, yes,” she moaned.

“That’s what matters most,” I said, fucking Lisa’s ass briskly.

Beth shoved her pussy into Lisa’s face more and more urgently. I made Lisa come only when Beth came in her mouth. They switched, and Beth came on my cock while she drank Lisa’s gushing pussy juices. When Beth’s ass rode my cock in the reverse cowgirl position, Lisa ate her bouncing pussy to orgasm. Beth returned the favor.

“Is Beth a good sister to you?” I asked Lisa.

“She’s a wonderful sister,” she said. “She’s sharing her stud husband with me.”

“She’s a lot better than that,” I said. “She’s going to eat your horny asshole to orgasm while I fuck hers.”

“She’s amazing,” she said.

When I fucked Beth’s ass next, she ate Lisa’s asshole to orgasm. They naturally switched.

My next come load exploded deep in Beth’s twitching pussy.

“Eat it all,” I said to Lisa as I pulled out of Beth’s come-filled pussy and took my sticky cock to Beth’s mouth.

Lisa licked Beth’s pussy clean, eagerly eating my come out, while Beth cleaned my sticky cock with her mouth.

The two sisters sucked my cock back to life, and we resumed fucking.

“I want to eat your come out of her horny pussy,” demanded Beth.

Lisa and I were so happy to oblige.

They pounced on my sticky cock and sucked it back to full hardness. We fucked for a long time before I dumped my next come load deep in Beth’s sucking rectum. We were not done yet. They eagerly resurrected my soft cock, and we fucked. In the end, the horny sisters sucked my cock clean and licked my come off each other’s sticky face.

At night when I went to bed, I found the two sisters on opposite sides of the bed. Beth was wearing panties, and Lisa was wearing a matching bra. Beth patted the middle of the bed for me.

“I have work tomorrow,” I protested.

“Now, you have work at home too,” Beth smiled, stroking her sister’s bare pussy. “Do your work as it comes, and let’s all come.”

My hardening cock made the decision for me, making a tough Monday morning wakeup job tougher although Lisa sucked my cock an hour earlier than my usual wakeup time.

“Give her one last fuck,” said Beth. “When you come back from work she’ll be gone.”

About an hour later, I pumped a hefty come load up Lisa’s desperately sucking rectum. Beth had had some of the action too. I dipped two fingers into Lisa’s come-filled ass and had her suck the come off my sticky fingers while Beth cleaned my cock with her nimble mouth. Lisa moaned, savoring the taste. I slid my fingers back into her ass for a second helping, which I fed to Beth, who sucked it eagerly. Beth dipped a finger into Lisa’s ass and let Lisa suck it. Lisa returned the favor by sticking a finger in her own ass and giving it to Beth to suck.

Lisa pounced on my softening cock and sucked it into full hardness. We fucked for an hour, and I dumped my come load in Beth’s twitching ass. While Beth sucked my cock clean, Lisa grabbed her sister’s come-filled ass and ate it raw, leaving it dry.

“Enough naughtiness,” I chided, smacking both sisters’ asses.

Pouncing on Lisa’s ass, I lifted it to my mouth and licked her drenched pussy and ass crack dry.

Besides arriving late at work, I was so tired I had to take a sick leave two hours later. I spent the rest of the day in bed—alone and not able to sleep well.

THE MEMORABLE NIGHT

Our life went back to normal until Beth decided that we were going to spend the long weekend in May with her folks. I naturally agreed, pretending that I had a choice in the matter, since my folks lived in town and we exchanged visits more often than with hers. Beth took advantage of that and suggested that we take a few days of vacation and spend the entire week there.

We had never spent that long a time with her folks, so I put up a mild fight and naturally lost. I was not really decided whether I should like it or not. There was a big difference from the last trip we took there that ended with Beth deciding to leave abruptly and never telling me why. Since then, I had fucked both her mother and sister, and both admitted to being my sluts. She knew about her sister and did not give me any hard time about it except for my cock. In addition to being nervous about her reaction if she found out about me and her mom, I was not sure how I would behave with those horny sluts around me for over a week. They would have all kinds of chances to take advantage of me and my horny cock—and get caught. I wanted neither Victoria to catch me with Lisa nor Lisa or Beth to catch me with their mom. With how slutty Victoria and Lisa had been, they might be reckless. We could be even caught by my father-in-law. That would have been a disaster.

Beth’s parents took us out to dinner the Friday we arrived there. I was innocently washing up in the restaurant restroom when Lisa walked in. She kissed me as she pulled me into the handicapped stall. I kissed back, and we broke the kiss after she locked the door. Before I could say anything, my cock was hardening deep in her mouth.

“They are going to miss us,” I whispered, holding the back of her head to let her know that I was not complaining.

“They can’t miss us as much as I missed your big amazing cock,” she said as she got up and turned around. “Besides, it won’t be long. I am so horny.”

She hiked her short skirt, exposing her bare ass, and bent over the handrail. I could smell her excited pussy.

“Put it in my pussy,” she urged. “I am so wet and ready.”

Her pussy glistened. I decided that ten seconds would not delay us much, so I went down and licked her leaky pussy for five seconds, spending two seconds on her clit. Her pussy leaked more. I then licked her asshole for five more seconds. Her asshole opened up and welcomed my tongue tip. She ground her ass back both times, moaning.

“My big cock missed you, bitch,” I said as I aimed my cock at her pussy and pushed it in.

“Take me,” she urged. “Take what’s yours.”

“You are mine, whore,” I said, grabbing her hips tightly.

She came as soon as I shoved my hard cock in her dripping pussy and pulled her into me by the hips.

“I am coming on your big cock,” she gasped.

She trembled, and I held her convulsing frame tightly until her orgasm died completely.

“Put it in my horny ass,” she gasped.

That was something I was not about to leave without.

“I wouldn’t miss that for the world,” I said.

“Me neither,” she gasped.

“My little slut missed my big cock in her little asshole?” I teased as I carefully used my fingers to work a dollop of my emergency anal lube into her rectum.

“Your little slut missed your big cock in her little asshole so much,” she moaned as I reamed out her hot asshole.

Unlike the teens of today, I did not carry rubbers; I carried lube in a little inconspicuous hand sanitizing bottle.

“My big cock missed its little slut’s little asshole too,” I said as I put my lube in my pocket.

“Not as much as my little asshole missed it,” she moaned as I gently impaled her hot ass on my rampant cock.

“We’ll see about that,” I said as I pulled her by the hips onto my cock.

“You have my sister to fuck any way you want, but you are my only stud,” she gasped as I thrust in her ass. “Nobody else can fuck me like you do. Besides, my horny ass is reserved to you. Nobody else will ever touch it.”

“You are a good slut, Lisa,” I said. “That’s why I love to fuck you.”

“Fuck your needy little slut up her cock-starved asshole, lover,” she gasped.

“You are indeed a needy little slut,” I said, fucking her ass harder. “Your horny little ass is now around the big cock it belongs to.”

“Yes, baby,” she gasped. “I belong to your big cock. Give it to me. Use me.”

Holding her hips tightly, I drilled her tight asshole for three minutes.

“I am coming for you, Nick,” she gasped. “Your slut sister-in-law’s little asshole’s coming around your fact cock.”

“Come, bitch,” I urged, drilling her ass. “This is what you were made for.”

“Yes, lover,” she gasped.

Her orgasm built up to a gut-wrenching explosion. When she came, I decided to join in.

“I am filling your slutty ass with come, bitch,” I said.

“Yes, yes,” she gasped, shoving her ass into me.

Her orgasmic convulsions and anal spasms drained my balls in her bowels. When we finished coming, she bent over deeply and grabbed her ankles, apparently to keep my come deep inside her. I held her hips for half a minute, keeping my softening cock rooted inside her ass.

“Plug my ass with this,” she gasped as she reached back and handed me a clear glass butt plug.

“You come prepared, don’t you?” I teased as I took the butt plug from her hand.

“I prepared to come,” she said as I pulled out of her ass. “I also have lube in my purse just in case you didn’t.”

“I am always prepared because of the abundance of cock-hungry asses,” I said, popping the bug plug in her ass.

“Are there any besides mine?” she teased as I licked and wiped her sticky pussy and anal area.

“You don’t think you are the only slut in town in need of this big cock, do you?” I teased as I had one last look inside her lovely ass through the base of the butt plug.

“I guess I must be very grateful I was the first to get it,” she said as I slapped her ass and straightened her skirt.

“If you don’t show enough gratitude, you won’t be getting it often,” I said as she licked my balls and sucked my sticky cock clean. “You have serious competition.”

“I am very grateful, baby,” she said, squeezing my soft cock as she got up. “You know how bad I need you.”

“Keep it in till morning,” I instructed.

She pecked me on the lips before she slipped out, leaving me to wipe my cock and balls and zip up.

Nobody paid me any attention when I returned to our table, but Lisa got all the attention when she returned a couple of minutes later.

“Do you feel better now?” asked Victoria with concern.

“Wow!” I wondered silently. “Was it that obvious how hungry she was for my cock in her ass?”

“I am okay now,” said Lisa. “Thanks.”

“Are you sure?” asked Victoria. “You don’t look okay to me.”

“I am fine,” said Lisa. “Trust me.”

“What happened?” I asked.

“Nothing out of the ordinary really,” said Lisa. “I feel much better now. Thank you.”

“My pleasure,” I shrugged.

That was one horny slut. For a moment, I was glad she did not try to go under the table and suck my cock right there, but then she would need relief.

Since six people could not fit in a car, we had taken two cars and decided to split me and Beth. On the way to the restaurant, I rode with Beth’s dad, brother and sister and Beth rode with her mom. On the way back, Beth and I switched, and it was my turn to ride with her slut mom.

“How is my horny slut mother-in-law doing?” I said, reaching between her legs as soon as we left the parking lot. “Are you wearing panties?”

“Of course I am wearing panties,” she gasped as I tickled her pussy through her panty crotch. “What kind of mother-in-law do you think I am?”

“The slutty kind,” I teased. “Your panties have to come off. My sluts can’t wear panties in my presence.”

“I’ll take them off when we get home,” she said.

“You’ll take them off now while you drive,” I instructed. “You are too slutty not to.”

“You are not serious, are you?” she said.

“I am very serious,” I said firmly. “My sluts can’t be prudes. Take them off. Have you forgotten the time you sucked me for hours while I drove?”

“How can I forget that?” she said.

She took the right lane and slowed down while she took her panties off. I shoved them in my pocket.

“We need to take a detour and get you fucked,” I said, fingering her heating pussy. “Come before then.”

“They’d miss us,” she protested weakly.

“We have a problem if they miss us more than my slut misses my big cock and my big cock misses her,” I said.

“They can’t miss us as much as I miss your big cock,” she said.

“We’ll stop by a supermarket and pick up some stuff,” I said. “We won’t tell them we are late because I fucked you in all your holes and flooded your horny ass with hot come.”

“You are not going to do that, are you?” she trembled as I teased her clit.

“I don’t need a hotel room to be able to do that,” I said. “Go into the closest adult bookstore and let’s find out.”

“What do you want from an adult bookstore?” she asked.

“I want to buy you a nice gift,” I said.

“I’ve never been to an adult bookstore before,” she said.

“You’ve never been my slut before,” I said. “Now you have to act like it.”

“You are getting me so hot I’d do anything for you,” she gasped.

“My slut has to do anything for me whether she’s hot or not,” I chided, pinching her clit. “Though, my sluts are hot all the time. By the way, you can’t resist my big cock even if I decided to fuck you on the roadside.”

“I think you are right,” she gasped, reaching out with her right hand and squeezing the outline of my hard cock.

“Focus on the road and your horny pussy,” I said. “Leave my big cock for later. I don’t go for hand jobs.”

She came on my fingers within a minute. I sucked my sticky fingers and returned them to her pussy. I lazily teased her pussy until she parked the car in a strip mall.

“Take off your bra,” I instructed. “I want them to know that you are a serious slut.”

“Do I have to?” she asked nervously.

“Only if you don’t want me to rip it off,” I said. “They have to know that I am going to fuck your ass tonight.”

“You want to embarrass me, don’t you?” she asked as she proceeded to take off her bra through her dress.

“Of course not,” I said. “It’s my duty to make sure you are treated like the slut you are.”

“You like treating your mother-in-law like a slut,” she said as she handed me her bra.

“Not like *a* slut,” I said, tossing her bra onto the backseat. “I enjoy treating her like *the* slut she is. What’s the point of being a slut if you don’t get celebrated and treated like one?”

“This is the whole point,” she said, squeezing my cock.

“No, this is the hole point,” I smiled, reaching under her pussy and touching her asshole.

“You are so bad,” she giggled as I got out of the car.

“Lead me with your hot ass,” I said as I opened her door.

“Gladly,” she said as she got out of the car and wiggled her ass at me.

“Wiggle that hot ass, baby,” I said. “You are earning a thorough ass fucking.”

It was early enough that the cash register of the adult bookstore was manned by a woman in her thirties. No one else was in the store. Cupping Victoria’s ass with my right hand, I greeted the woman and walked Victoria directly to the anal toy area. I grabbed a clear glass butt plug similar to the one Lisa wore.

“I think this should be able to hold my come in your ass,” I said quietly but loudly enough for the cashier to hear. “I don’t want you to leak throughout the evening lest your daughters, especially my wife, may know that their sweet respectable mom’s sitting on enough come to float the Titanic.”

“You are a pervert,” she said. “You enjoy fucking your mother-in-law too much.”

“Not as much as she does,” I said. “*She* started it. Do you think this will fit nicely up your horny asshole?”

“You are going to put it in my ass before you take me home?” she said.

“I’ll take you home a well-fucked come-filled slut,” I said. “I want you to go to bed with it.”

“You want me to go to bed with my husband with my ass full of your come and wearing this fat butt plug?” she asked incredulously.

“Doesn’t it make you proud how much of a slut I think you are?” I smiled.

“You are the biggest pervert in the world,” she said as I cupped her ass and pushed her toward the storefront.

“Is this going to do it for you?” asked the cashier, smiling knowingly.

“Not without this,” I smiled, squeezing Victoria’s ass and making her face beet red.

We paid and left.

“Get on your knees on the seat and stick your head out of the window,” I instructed Victoria when we got in the car. “I want to stick the new toy up your ass.”

“Are you serious?” she asked.

“I know your pussy’s drenched,” I said. “I want to make sure your ass is very ready when I fuck it shortly.”

She reluctantly assumed the position. I lubed her asshole thoroughly with two fingers. She moaned and humped my fingers. She was so hot I could smell her excited pussy. I lubed the butt plug and gently worked it up her ass. Her asshole had tightened up because it had not been used for a while. The butt plug finally popped it up her ass, making her gasp. I grabbed a soft tissue and wiped her drenched pussy. Her position was too awkward for me to be able to clean up her soaked pussy with my tongue and slurp her copious juices.

“Nick, I can’t drive like this,” she gasped when she sat down on the seat. “I feel like I am getting ass fucked.”

“How do you think I felt when I drove with my rock hard cock down your throat for hours?” I said. “You know how payback goes. Wait until I start playing with your horny pussy too.”

“You are going to make us have an accident,” she warned.

“The only accident I am after is making you come your ass off,” I said. “Get going; we don’t have all night.”

She managed to drive while squirming through two orgasms on the way to the supermarket.

When Victoria and I got to the supermarket, we took a cart and went directly to the restrooms. She did not resist when I quietly pulled her into the men’s restroom and locked the door.

“On your knees,” I instructed, nudging her shoulders down.

She complied readily and promptly freed my hardening cock. She sucked it for a minute before I held the back of her head and fucked her throat deeply. A couple of minutes later, I pulled her to her feet and bent her over. I hiked her dress and aimed my cock at her drenched pussy.

“Did your cock-hungry pussy miss me?” I said, pushing my cock into her pussy.

“Oh, yes,” she moaned.

Holding her hips tightly, I fucked her pussy hard. The butt plug felt nice against my cock through her thin membranes. She moaned quietly and fucked back urgently. She soon came drenching my cock and balls.

“You want it up your slutty ass, my whore?” I teased, pulling out of her soaked pussy.

“Yes,” she gasped.

She was still gasping when I gently popped the butt plug out of her ass. I wiped it nicely and pushed it into her pussy. I aimed my cock at her relaxed asshole and filled it with my cock, making her let out a long moan.

“I am fucking your cock-craving ass, Victoria,” I said as I held her hips tightly and thrust in her ass.

“Yes, Nick,” she gasped. “I missed your big cock up my horny ass.”

“You’ve been a bad whore,” I said. “You should always come back to my big cock and whore your hot ass to it.”

“Yes,” she gasped.

Within the following ten minutes, I fucked her horny ass through three orgasms.

“I am going to fill your slutty ass with hot come,” I said when her third orgasm approached.

“Yes, Nick, do that,” she gasped, fucking back urgently.

While she had her orgasm, I emptied my balls past her twitching rectum and let her anal spasms make sure I did not hold back a drop. When our orgasms died down, I pulled out of her ass.

“Your ass is full of my come, bitch,” I said.

“Yes,” she gasped.

“I want it like this all night,” I said, pushing the butt plug up her ass.

“Yes,” she gasped.

While she pushed her ass out, I licked her drenched pussy and wiped my cock nicely. I got up and nudged her shoulders down so she could lick my cock and sticky balls clean. I gave her a deep kiss on the lips when she got up. We washed up, and I let her leave a minute ahead of me.

“Pick up stuff for tomorrow’s dinner,” I suggested when I caught up with her. “You have to feed me well if you want more of my big cock and slimy come.”

“Don’t worry about food when I am around,” she assured. “I’ll pick up stuff for tomorrow’s brunch too.”

“Take care of my mouth, and I’ll take care of your mouth and other holes,” I promised.

“It sounds like I am getting a real bargain,” she smiled.

“How does it feel?” I teased.

“It feels wonderful,” she said.

Beth saw her mom and me when we took the groceries into the house.

“Why did you guys need to bring the groceries now?” asked Beth.

“She needed stuff for brunch,” I said. “We also got what she needs for dinner.”

“You are a sweetheart, Nick,” she said and pecked me on the lips.

After I helped put the groceries away, I ran to the bathroom to wash the remnants of my adventures.

“I am so horny I need to fuck you right away,” I told Beth when I got her alone.

“I’ll be in our room in a minute, but we have to be quick,” she said.

“Am I not supposed to be able to fuck my wife all I want?” I asked.

“Not when you are visiting your in-laws and early in the evening,” she said.

“I am sure Lisa wouldn’t have complained,” I said.

“I am a prim and proper wife,” she said. “Lisa’s a slut.”

“You are a prim and proper wife who her slut sister and she eat my come out of each other’s ass,” I teased.

“Well, I am not a very proper wife, but I am reasonably prim and proper,” she said.

Beth caught up with me in our room.

“Let’s save time,” she said. “Let’s sixty-nine.”

We started with a sixty-nine session. I ate her pussy and asshole each to orgasm.

“Are you ready to get fucked?” I asked as I rolled her onto her back and mounted her.

“Yes,” she moaned as I teased her leaky pussy with my cock head.

“You are so horny for a prim and proper wife,” I said as I pushed my cock into her pussy.

“Yes,” she moaned.

Pushing her legs over her head, I fucked her pussy vigorously. When she came, I pulled out.

“You want it here too?” I teased as I lubed her asshole.

“Oh, yes,” she gasped. “I guess I am not that proper.”

“You are sluttier than most sluts,” I said, pushing my cock into her ass as she spread it with both hands.

“Yes,” she gasped as my cock entered her ass. “This feels so good.”

“You like it, don’t you?” I said as I pinned her legs down and thrust in her horny ass.

“Fuck my horny ass, Nick,” she urged.

“You may even be hornier than your slut sister,” I teased, picking up the pace.

“I am sure of that,” she gasped.

She came five times by the time I was ready to come deep in her twitching bowels.

“I am filling your slutty ass with come, baby,” I said.

“Do that, darling,” she gasped.

She came and drained my balls in her ass.

She always had a butt plug with her. We used it to seal her come-filled ass. I cleaned up her drenched pussy with my tongue and she cleaned up my cock and balls with her mouth.

We finally washed up.

Everybody was sitting there in the living room, chatting and watching television. I made sure to sit across from Beth’s dad and brother, so I could have a private view of the women. My wife, her sister, and their mother had butt plugs locking my come deep in their asses, and I was the only one who knew that. My cock stirred.

As the evening went on, I was very helpful, never missing a chance to help in the kitchen. The first time it happened, I startled Victoria as I snuck behind her and squeezed her tits.

“Nick?” she gasped, giving me an opportunity to slip my hand up her dress. “What are you doing?”

“I am trying to help,” I said as I pressed my hand into her pussy.

“Nick, stop it,” she urged quietly. “You’ll get us caught.”

“If you don’t want to get caught, come for me and I’ll be out of here,” I said.

She moaned and humped my fingers, rubbing her ass into my hardening cock. She came within a minute, drenching my fingers. I licked my sticky fingers and returned to the living room.

When I next snuck up on Lisa, she smiled and squeezed my cock through my pants.

“You didn’t have enough of this ass, did you?” she teased, grinding her ass into my boner, as I fingered her pussy.

“I never get enough of my cock-hungry slut,” I teased back. “Tell me you are not hungry for my big cock.”

“That would be a lie,” she said.

“Come for me, you horny slut, and don’t let the neighborhood know all about it,” I urged.

She did. I licked my sticky fingers and went back to my seat.

To make it look coincidental, I kept going to the kitchen every once in a while. Once Beth decided to follow me and find out what I was doing. She brought it to herself. I pulled her for a kiss and slipped two fingers into her pussy, which was moist.

“Nick, what are you doing?” she gasped, breaking the kiss.

“I am finger fucking my horny wife in her mother’s kitchen,” I said.

“What if somebody walked in on us?” she asked.

“Let them know how much I love you,” I smiled teasingly. “If you come quickly, you diminish their chances. Do you want them to know how much I love you or not?”

“No,” she said.

When she realized that I was serious, she humped my fingers. I slipped my free hand down her top and fondled her tits, pulling on her nipples. She moaned quietly, focusing on her pleasure. I did not stop when she came. I continued to diddle her pussy until she was about to come again. That was when I stopped.

“We’ll continue later,” I teased, bringing my glistening fingers to my mouth.

She silently pleaded with me as I licked my fingers, walking away.

My next kitchen trip went uneventful. On the following one, someone snuck behind me and reached for my fly.

“What are you doing here?” asked Lisa, unzipping my fly.

“Setting up a trap for a horny slut of mine,” I said as she knelt before me and took out my hardening cock.

“I fell right into your trap,” she smiled.

“Actually, my cock fell right into your trap,” I said as she sucked my cock into her mouth.

She moaned as my cock grew in her mouth, soon reaching full hardness.

“Fuck me,” she said as she got up and turned around, bending over the counter.

She had already hiked her dress, so I just plunged into her wet pussy. A minute later, she came all over my cock. She caught her breath and gave my cock a quick suck before she zipped me up. I left her in the kitchen.

Needless to say, when Beth and I returned to our room, I was so horny and so was she. As soon as we closed our door, she willingly let me bend her over and fuck her from behind.

“I can’t believe how horny I am,” she moaned as I fucked her pussy hard.

“You are a cock-craving slut for a prim and proper wife,” I teased, pinching her nipples.

“I think I am a slut,” she gasped.

“I am sure of that,” I teased.

“Fuck me, baby,” she urged.

We maintained that pace until she had three orgasms. I pulled her dress off while I fucked her pussy.

When I pulled out and turned her around, she eagerly knelt down and swallowed my cock after her copious juices washed every last trace of her sister’s flavors. I fucked her throat for several minutes before we moved to the bed, starting with the missionary position.

“Fuck me,” she urged, opening herself up for me obscenely.

Her come-filled ass remained plugged. I spent the next hour fucking her leaky pussy and cock-hungry mouth well.

“Come in my pussy,” she urged in the end.

Her twitching pussy drained my balls. I sucked some of my come out and passed it to her over a sloppy kiss. We showered with the butt plug up her ass and slept like naughty babies.

THE MEMORABLE DAY

Beth and I slept well and woke up at around ten in the morning.

“Good morning,” she said groggily when we finally woke up snuggled up, my cock pressing into the firm cheek of her ass. “It’s ten already. We need to get up before brunch’s ready.”

Actually, we had barely showered and got ready before somebody knocked on the door.

“Good morning, sleepyheads,” called Victoria. “Brunch’s served.”

“Good morning,” I answered.

Everybody was soon around the brunch table.

“I want to go shopping,” announced Beth after brunch. “Would you like to come with me?”

“Shopping isn’t an activity that can make me come easily,” I teased.

“Nick!” glared Beth as Lisa smiled and Victoria stifled a smile.

“There has to be something special to make me come,” I said nonchalantly. “Shopping for clothes isn’t it.”

“Okay, I’ll see you later,” she said with a grudge.

“Take care, baby,” I said. “I love you.”

“I love you too,” she said, waving at me.

“Don’t be silly,” I said. “Come here. If I am not coming, the least I can get is a kiss.”

She came back and gave me a kiss. I gave her ass a quick squeeze. She gave me an accusing look and left.

Within the following half hour, John and Tom left, leaving me alone with my hot sluts in the living room.

“Did you leave the butt plug up your ass till the morning?” I asked Victoria when Lisa was away.

“Yes,” she said, blushing. “It was so naughty.”

“Did it make you horny?” I asked.

“It kept me horny so much I almost attacked John, but I didn’t want him to find out why,” she said.

“Are you still horny?” I asked.

“Very much so,” she said.

“Do you want my big cock in there?” I asked.

“Oh, yes,” she said.

“Go and put the butt plug up your ass,” I said. “I want your hot ass ready when I take it.”

“I’ll do that,” she said, getting up, “but my ass is already ready for your big cock.”

“Good slut,” I said, smiling, as I reached out and squeezed her ass. “If you wear panties, I’ll rip them off.”

“Got it,” she said.

Victoria went away.

Lisa returned while her mom was still away.

“Are you wearing your butt plug?” I asked Lisa.

“Not at this time,” she said. “I want your big cock up my ass instead.”

“I want you to wear it to loosen up your little asshole for my big cock,” I said.

“Wearing it all night has already done that,” she said.

“I am sure of that, but it doesn’t hurt to err on the side of caution,” I said.

“You are not erring, Nick,” she smiled. “You are doing this to make me feel like a slut. I like that.”

“You are a smart slut,” I said, squeezing her ass. “I like keeping your ass bare under your skirts.”

“I am glad you like that,” she smiled. “Let me go do something else you like.”

“Good girl,” I said, patting her ass.

Lisa left, wiggling her ass.

Victoria returned while Lisa was away.

“I am all set,” said Victoria, smiling, as she sat next to me.

“Are you all set or all wet?” I teased.

“I am all both,” she smiled. “Let’s sneak away before Lisa’s back.”

“Actually, I want your sweet daughter to suck my big cock before I put it in your luscious ass,” I said.

“You are not serious?” she said incredulously. “She isn’t even eighteen yet. She’s still young and innocent.”

“Relax,” I said calmly. “I am not going to corrupt her and take away her innocence, replacing it with decadence. If it’s her first time and she’s really young and innocent, I won’t let her do it even if she wanted to. On the other hand, if she has done it before and she’s willing to do it for me, I am not dumb enough to turn that down.”

“Okay, but don’t try to take advantage of her,” she said.

“Nobody can take advantage of you or your daughters,” I said, pinching her nipple through her top. “I am afraid she may take advantage of me. If she’s half the slut her mom is, my fears are not unwarranted.”

Lisa returned.

“Lisa, sit right here next to your mom,” I said as I moved aside and patted the space between Victoria and me.

“Thank you,” smiled Lisa as she sat next to me.

“Lisa, what’s your point of view on oral sex?” I asked.

“I don’t think I can talk about that,” said Lisa, looking at her mom nervously.

“That’s okay, Lisa,” assured Victoria. “As long as you are not vulgar, you can talk about anything.”

“I am not judgmental,” said Lisa. “If the people involved like it and don’t hurt anybody, I am okay with it.”

“What about you?” I asked. “Do you like it?”

“That’s personal,” she said nervously.

“You know that this answer’s as good as yes,” I said.

She stammered, blushing.

“You are not mad at her, Victoria, are you?” I asked.

“No,” said Victoria. “Her personal life’s her own business—as long as she doesn’t hurt herself or others.”

“Lisa, when you say you like oral sex, do you mean you like giving or receiving oral pleasure?” I asked.

“Both,” she said lowly, blushing.

“Do you *think* you like it or do you *actually* like it?” I asked.

“I like it,” she said lowly.

“That implies that you’ve tried it,” I reasoned.

“Yes,” she hissed.

“Are you any good at it?” I asked. “I mean at giving oral pleasure obviously.”

“I think I am okay,” she said.

“Were you told you were okay or did you figure that out on your own?” I asked.

“I was told I was okay, and the responses I got suggested that too,” she said.

“How many guys have had the privilege and pleasure of receiving oral pleasure from you?” I asked.

“Two,” she said lowly.

“You are not a slut by a long shot,” I said. “I am proud of you.”

“Thank you,” she said lowly.

“I think your mom’s also proud of you,” I said.

“As a matter of fact, I am,” said Victoria.

“Thanks, Mom,” said Lisa shyly.

“Lisa, you’ve just made three claims,” I said. “First, you’ve given head before. Second, you enjoyed doing it. Third, you know how to do it. Since your mom didn’t expect those answers on all accounts, I am going to put them to the test to show her that you are no longer a naïve little girl. Do you think you’d enjoy giving *me* oral pleasure?”

“You are my brother-in-law,” she said.

“I know, but that has nothing to do with it,” I said. “You are my wife’s sister, but trust me when I tell you that I’d really enjoy having you give me head if you are any good at it.”

“If you put it this way, sure,” she said.

“I don’t know what kind of boys you’ve given head before, but I last for a while and demand that my woman give me serious head,” I said. “Do you think you can perform at that level?”

“Sure,” she said. “I think I am a serious...”

“Cocksucker?” I smiled.

“Yes,” she said lowly, blushing.

“I don’t think your mom can believe that,” I said. “Your only option’s to get down on your knees and show her.”

“If I did that, she’d disown me,” she said.

“I don’t think so,” I said as got up and stood before Lisa. “You are okay with that, Victoria, aren’t you?”

Victoria nodded silently.

“If you are okay with it, tell her to do it,” I said.

“Do it,” croaked Victoria.

“Are you sure?” asked Lisa hesitantly.

“Yes,” hissed Victoria.

“Suck my big cock, baby,” I said. “Show your mom that you are a serious cocksucker.”

“Okay,” shrugged Lisa as she scooted off the couch and knelt before me.

As Lisa reached for my fly, I turned slightly so Victoria was exactly to my right at a great angle to watch her daughter’s oral skills at work. My cock was naturally rock hard, making it harder to fish out, but Lisa managed.

“Oh!” exclaimed Lisa, admiring my cock in pretense for her mom’s benefit. “It’s so big and hard!”

“Do you like it?” I asked.

“Yes, I like it very much,” she said, never taking her eyes off my throbbing cock. “It’s bigger and harder than my boyfriend’s. It’s gorgeous.”

“You sound like a real cock lover,” I said.

“I sure am,” she said, gently wrapping her right hand around the middle of my hard shaft.

“Suck it, baby,” I said softly. “Show your mom you really are.”

“It’s leaking,” she said, stroking it slowly. “Does it really like me as much as it looks?”

“Of course it does,” I said. “You are my wife’s sexy little sister. Why wouldn’t my cock like you?”

“I love your big cock,” she said, her eyes still fixed on my cock. “Thanks for letting me suck it.”

“If you do a great job on it in front of your mom, I’ll let you suck it whenever you want,” I said.

“Now I have my reputation and this prize on the line,” she said. “I have to give it my best shot.”

“Be careful though,” I said. “If you give it your best shot, it may give you its best shot too.”

“Is that a warning or an incentive?” she smiled up at me.

“That’s up to you,” I said. “Though, I don’t think your mom would like it if you made me come in your mouth and swallowed it all. I don’t think she can believe a sweet girl like you is capable of that depraved behavior.”

“Nick, when you have a cock as beautiful as this, I’d drink your pee if you want me to,” she said.

“I’d never want you to do that, but thanks for letting me know how much you love my big cock,” I said. “Now, it’s time for your mouth to walk the walk.”

“I can’t wait anymore,” she said. “I am about to start drooling all over myself.”

“You never have to drool over yourself when you have my big cock to drool all over all you want,” I said.

Still holding my cock in her right hand, she proceeded to lick its head with her tongue tip, licking up the leaking fluids and teasing the engorged head for more. My cock twitched in her hand.

“Your big cock tastes delicious too,” she said.

“Enjoy, my sweet cocksucker,” I said as she resumed licking my cock head, especially its underside. “Show your mom you are a serious cocksucker. If you don’t, she won’t believe that I have an excuse to let you suck it always.”

“Don’t worry about that, stud,” she said. “I’ll be so nice to your juicy cock you won’t care what Mom believes.”

“Victoria, if your little slut daughter sucks my big cock royally, it will be down her throat every chance we get,” I said. “You are not going to stand between my big cock and its little cocksucker, are you?”

“Of course not,” said Victoria.

Lisa sucked my cock head eagerly. After a minute, she sucked my cock deeper and deeper. By the end of the next minute, she was sucking my cock all the way down her throat while moaning happily.

“Lisa, do you have any virgin hole in your body?” I teased.

She shook her head without taking my cock out of her mouth.

“Shame on you, Lisa,” chided Victoria. “You let Derek do your butt? He looked like a nice guy.”

“He’s a very nice guy, Mom,” said Lisa. “He didn’t do my butt. He’s too nice to know how to.”

“Oh, I thought you meant that you were not virgin there,” said Victoria.

“I did,” said Lisa.

“You did, but it wasn’t Derek?” said Victoria confused. “Did you break up with Derek?”

“No, Mom, I am still seeing him,” said Lisa.

“Did you lose that cherry before him?” asked Victoria. “I don’t recall that you went out with anybody else.”

“No, Mom, I didn’t lose my butt cherry before I went out with him,” said Lisa.

“You let somebody else do your butt while seeing Derek?” asked Victoria incredulously.

“Yes, Mom,” said Lisa. “Having my butt serviced isn’t worth breaking up with my boyfriend, especially if he’s so nice and he doesn’t know about it like he doesn’t know that I am now sucking my brother-in-law’s big fat cock.”

“That’s cheating,” chided Victoria.

“It’s no more cheating than sucking Nick’s big juicy cock,” argued Lisa.

“That’s different,” said Victoria. “Nick’s family. He’s a nice guy. He’ll never take advantage of you.”

“The guy who popped my ass was nice too,” said Lisa. “He’s even nicer than Derek, but he knows how to fuck.”

“This girl’s getting out of control,” complained Victoria.

“Victoria, if she wants to get her little ass fucked, let her do it,” I said.

“She’s too young,” she said. “She may get hurt.”

“She has to live her own life and build her own experiences,” I said. “Look at her now. She really knows what she’s doing. Give her some credit and much support.”

“Do you think I am being a little too protective of her?” she asked.

“Maybe,” I said. “She’s a big girl. Be her friend, and let her grow at her own pace.”

Victoria watched her daughter demonstrate every skill Beth had taught her when she spent the week with us last month. Lisa also demonstrated a few tricks of her own. She sucked my cock and licked my balls expertly, happily slobbering all over them. Seeing her passion, I fucked her throat in a few positions, starting with her on her hands and knees. I then laid her prone on the sofa and had her grab her ankles. I flipped her over and had her hang her head down. I had her sit on the floor and hang her head back. In short, I showed her mom beyond doubt that her little daughter could take a cock down her throat as well as she could take it in her pussy if not better. I finally put her on her knees and fucked her face gently.

“What do you think?” I asked Victoria as I held the back of Lisa’s head and thrust in her throat.

“I think she’s a better cocksucker than me,” she said.

“Do you know what that means?” I asked.

“What?” she asked.

“It means two things,” I said. “First, that you need training. Second, that *she* can train you. So, bring your hot ass over here and get down on your knees. Let your slut little daughter make a decent cocksucker out of you.”

“That would be embarrassing,” she said. “Do I have to do that?”

“You have just witnessed your little innocent daughter earn an open permit to suck my big cock,” I said. “She has just become my cock sucking sex toy. If you want me to bestow that privilege on you, you have to be on par.”

Victoria scooted off the sofa and knelt next to her daughter, who continued to deep throat my cock eagerly after I let go of her head.

“Lisa, would you teach me?” asked Victoria.

“Victoria, that isn’t good enough,” I said as I held the back of Lisa’s head. “It’s unusual for a little slut to teach her mom how to suck cock. You need to beg her to teach you how to suck my big cock like a real cocksucker. You may need to tell her why it’s so important for you to be able to suck my big fat cock like an obsessive cocksucker.”

“Lisa, please teach me how to suck Nick’s big cock like a real cocksucker,” begged Victoria, blushing.

“Mom, you are a married woman,” protested Lisa in mock seriousness, playing along. “Why do you want to suck your son-in-law’s big juicy cock like a dirty cocksucker? Don’t you think Beth and I can take care of him?”

“You sure can take care of him,” said Victoria, still blushing. “I want to be able to suck him too. He has such a big mouthwatering cock, and I want him to fuck me.”

“You want to be your son-in-law’s slut?” teased Lisa. “You want to pamper his big cock like a devoted slut?”

“Yes,” hissed Victoria, nodding.

“Okay,” said Lisa, moving aside. “Show me what you got so I know what I have to work with. Suck his big cock as if you were in a world-class cock sucking championship.”

Victoria was shy the first half minute, but then her mouth watered, and she sucked my cock with evident zeal and prowess. She was definitely not a bad cocksucker, but Lisa was noticeably superior. Lisa watched intently.

“Don’t hold anything back, Mom,” egged Lisa. “Suck it like a seasoned whore.”

Victoria sucked my cock with more gusto.

“Show me how you fuck your face with it,” urged Lisa.

Her mom complied obediently, holding my butt.

“Hold it all the way down your throat and lick his balls,” instructed Lisa.

Victoria obliged.

“Drench his cock with your drool and then lick it up,” instructed Lisa.

Victoria obeyed her daughter like a good girl.

“You are not bad, Mom,” said Lisa, “but there is always room for improvement.”

Lisa let Victoria suck my cock on her own for a few more minutes.

“Mom, do you love sucking Nick’s big juicy cock?” asked Lisa.

“Of course I do,” said Victoria.

“Move aside, and let me show you,” instructed Lisa. Victoria moved aside. “Watch me intently because you are going to do exactly like I do. As long as you love it, you’ll effortlessly be an animated proficient cocksucker.”

Victoria watched Lisa work on my leaky cock head for a minute. She copied her daughter’s routine very faithfully. Lisa returned to my cock and worked on it for another minute. They kept switching my cock back and forth between their mouths and doing fun things to it. They did that for over twenty minutes.

“Nick, can you use my mouth for a minute and then do the same to Mom?” asked Lisa.

“Sure,” I shrugged.

Lisa took my cock in her mouth. I held the back of her head and proceeded to fuck her face. A little later, I switched to Victoria and fucked her face similarly. As I switched my cock back and forth between their mouths, I put them in more and more obscene positions, taking the opportunity to go wild. As part of the training, I squeezed their tits roughly and pulled on their stiff nipples. I slapped and rubbed their faces with my sticky cock.

“Now, you get to suck my cock any way you want as a team,” I said fifteen minutes later, setting them free.

They teamed up on my cock and sucked it hungrily for ten minutes.

IN THE OPEN

Victoria and Lisa took a break, teasing my hard cock playfully.

“Don’t you think she deserves a reward after all this?” I asked Victoria, gently rubbing her face with my cock.

“She sure does,” said Victoria, taking my cock and slapping her face with it.

“I am thinking about returning part of the favor and giving her some oral pleasure,” I said.

“That’s reasonable,” said Victoria, rubbing her face with my cock.

“That isn’t necessary,” said Lisa. “I’ve enjoyed what I’ve done very much.”

“We all did,” I said. “You said you enjoyed receiving oral sex. I enjoy giving it, so what’s the problem?”

“I won’t feel comfortable doing that in front of Mom,” she said shyly.

“You won’t do anything,” I said. “Just spread your legs obscenely, and relax. I’ll do everything.”

“Nick, we really shouldn’t do that,” she said.

“It’s okay, honey,” intervened Victoria. “Don’t feel shy about it. I also enjoy getting my horny pussy eaten.”

“Lisa, you had your fun and enjoyed sucking my big cock,” I said firmly. “Now, it’s my turn to have my fun and enjoy eating your sweet juicy pussy. I am not going to let you wiggle out of it even if I have to spank your bare ass.”

Lisa reluctantly let me push her onto the sofa and hike her skirt to her waist. I pushed her legs over her head, exposing her pussy and plugged asshole.

“Is this why you are so resistant?” I asked Lisa, tugging the base of her butt plug. Lisa’s face turned beet red. “I am sure your mom knows what it is.”

“It’s a butt plug,” said Victoria.

“It’s a nice looking one too,” I said. As Lisa’s asshole bulged out as I gently pulled the butt plug. “You can see right inside her sweet ass through it. You don’t mind her wearing it, do you?”

“Not at all,” said Victoria. “It’s completely personal. I actually think it’s hot.”

“She has a good personal taste, doesn’t she?” I said as the butt plug slowly slid out of Lisa’s stretched asshole.

“She sure does,” said Victoria, watching her daughter’s asshole stretch around the thick part of the butt plug.

“Aren’t you curious about why she’s wearing it?” I asked, gently sliding the butt plug an inch in and out of Lisa’s tightly stretched asshole.

“Sure,” she shrugged.

“Lisa, why are you wearing this nice butt plug?” I asked.

“It makes me feel sexy and keeps my butt ready,” stammered Lisa, blushing.

“You mean ready for cock?” I teased.

“Yes,” she hissed, blushing.

“It looks so ready to me,” I said, looking at Victoria, as I pumped the butt plug slowly. “Don’t you think so?”

“I think so too,” said Victoria.

“Do you think it can fit my big cock?” I asked, making Lisa gasp.

“I think your cock’s too big for her tight butthole,” said Victoria.

“Let’s leave that for later and worry now about her dripping pussy,” I said, reseating the butt plug in Lisa’s ass.

Lisa’s pussy was literally dripping by then.

“She’s so wet,” commented Victoria.

“I love juicy pussies,” I said, taking my position for diving. “This one looks especially delicious.”

Victoria held my cock and proceeded to play with it.

“Are you having a good time?” I asked, squeezing Victoria’s ass.

“I am soaked,” she whispered.

“Like this?” I whispered, pointing with my head to Lisa’s drenched pussy.

“Maybe more,” she whispered.

“If you are a good girl, you may end up like this,” I whispered, making her tremble and squeeze my cock.

Lisa gasped when I swept my tongue along her wet pussy from bottom to top. Victoria watched while stroking and milking my hard cock. I slurped Lisa’s copious juices before I ate her pussy seriously. I teased her clit while I slowly pulled the butt plug out until her asshole was stretched around its thick middle. I held it like that and sucked her hot pussy lips. Within the following ten minutes, she came in my mouth three times, and I eagerly sucked every drop of her juices that I could get. Her orgasms left her limp. I popped the butt plug back in her ass.

“Don’t you think her horny pussy needs some cock?” I asked Victoria, gently tugging Lisa’s butt plug.

“It sure does,” she said, “but the only cock available belongs to her brother-in-law.”

“Normally, a horny girl isn’t supposed to get fucked by her equally horny brother-in-law,” I said, slowly fucking Lisa’s asshole with the butt plug. “Lisa, though, was a great cocksucker, and her pussy was so delicious. Maybe this one time we can make an exception and let her brother-in-law ravage her sweet little pussy.”

“The situation’s really complicated,” said Victoria. “Her brother-in-law has a big fat cock. I want her horny pussy to get its fill of cock, but I don’t want you to ruin her dainty pussy forever.”

“You have a good point,” I said, getting up. “I guess rubbing my cock on the outside of her pussy can’t hurt.”

“You can do that while I think about getting her fucked,” Victoria said as I leaned forward, laying the underside of my cock along Lisa’s dripping pussy lips. “That will keep her hot until I can make up my mind.”

Lisa gasped and squirmed as I let my cock glide back and forth over her slick pussy lips. I started with pressing my shaft flat against her pussy. I then raised the base of my cock, letting only my cock head slide up and down her slipper pussy. I paid more attention to her clit but kept her entire pussy covered.

“Nick, you both deserve a break,” said Victoria. “I think it would be okay if you fucked her silly this once.”

“Thanks, Mom,” gasped Lisa as I teased her clit with my cock head.

“Victoria, you are such a sweetheart,” I said. “That’s so kind of you. Now be a good girl, and rub my cock head over your daughter’s horny pussy like you’d rub it over your own wanton twat.”

“You are not taking my kindness for weakness?” said Victoria as she wrapped her right hand around my shaft and wickedly grabbed the base of Lisa’s butt plug with her left hand.

“Of course not,” I said as she slid my cock head up and down her daughter’s slick slit, making her gasp. “I take your kindness for passion and desire. You can’t hide what you really are when you suck a man’s big cock hungrily.”

“Thank you,” she said.

Lisa squirmed and trembled, her head rolling from side to side and her pussy leaking profusely. She moaned and babbled incoherently as her mom teased her excited pussy with my cock head while slowly working the butt plug in and out of her asshole.

“Are you going to fuck the poor little slut, or are you going to keep torturing her?” teased Victoria.

“You are the one who’s torturing her cock-starved fuck holes,” I said. “You are just using my big cock for that.”

“Whatever,” she said. “Do you want to fuck the poor slut or do you want me to keep using your big cock and her butt plug to torture her horny orifices?”

“Do you want me to fuck you, Lisa?” I teased.

“Yes, please,” gasped Lisa.

“Victoria, your daughter’s a minor,” I said. “Her opinion doesn’t mean much to me. If she were an adult, I’d have her beg for my big cock and then give it to her, but now you are her guardian. You decide whether I should fuck her or not, and, if so, you have to beg for my big cock on her behalf.”

“You want me to beg you to fuck my sweet lovely daughter?” asked Victoria while still rubbing my cock head over her daughter’s leaky pussy and slowly pumping her asshole with the butt plug. “That’s too humiliating.”

“It’s actually so ladylike,” I said. “A real woman enjoys begging for cock, especially as big and hard as mine.”

“You are right,” she said. “I’ll do that on her behalf.”

“I think you should let her beg you a little,” I said. “It should be part of her growing up like a lady.”

“Lisa, if you want this big cock in your horny little pussy, you need to beg me for it, and I’ll beg him for it on your behalf,” she said, making Lisa tremble. “If you are old enough to need cock, you are old enough to beg for it.”

“Mom, I need his big cock so bad,” begged Lisa. “Please have him fuck my horny pussy with it.”

“Nick, my slut daughter needs your big cock so bad,” begged Victoria. “Please stuff her little pussy with it, and give her a nice hard fucking.”

“Okay, Victoria,” I said. “I’ll fuck this little slut just for you.”

“Thank you so much, Nick,” said Victoria. “I owe you one.”

“Let go of the butt plug and guide my big cock head into her hole,” I instructed. “Use one finger to hold it in place until it slides in her horny pussy.”

Victoria complied readily.

After making sure the angle was right, I slammed my cock all the way in. My cock stuffed Lisa's pussy, and the butt plug stuffed her asshole, pressing against the underside of my cock.

"I am coming," gasped Lisa, stiffening.

She came immediately. While she shook, I grabbed her ankles and pounded her twitching pussy vigorously.

"Come for me, little bitch," I urged, drilling her gushing pussy.

When her orgasm subsided, I stopped moving and held my cock halfway in her pussy.

"Lisa, do you want more of my big cock?" I teased, letting go of her ankles.

"Yes," she gasped as I leaned over her, pinning her legs under my shoulders.

"If you want it, fuck it," I said. "I am not going to move. You have to do all the moving."

Lisa tried to fuck my cock, but, with her legs pinned under my shoulders, she did not have much leverage to get a nice rhythm going. After several trials, she settled on jerking as hard as she could.

"Show your mom how bad you need my big cock," I teased. "Let her know that she begged for a good cause."

"Nick, you are so cruel," accused Victoria. "You are giving her half of your big cock and pinning her down. At least, give her all your fat cock. You'd even like it more."

"Your mom really has your welfare at heart," I said to Lisa, driving the rest of my cock into her eager pussy. "You'd better be very nice to her, and that doesn't stop at teaching her how to suck my big cock."

"I am nice to her," gasped Lisa.

"You are not doing her any favors," I said. "Being nice to your wonderful mom is the least you could do to be a good girl besides being a good slut for me."

"Nick, she isn't your slut," protested Victoria. "You are only fucking her because she needs your big cock."

"That's what a slut is," I said. "She lets men fuck her because she needs their cocks. I don't want Lisa to spread her legs for just anybody. I want her to be *my* slut, not a common slut."

"She won't be a common slut," she said. "She only needs your big cock this once."

"Is that true, Lisa?" I asked. "Is this the only time you need cock, and then you'll become a nun, or do you think you'll need it constantly?"

"I know I'll need cock constantly," gasped Lisa.

"Victoria, as her guardian, it's up to you," I said. "She can be a common slut or my slut."

"If you put it this way, she's much better off being your slut," said Victoria.

"Did you hear that, Lisa?" I said. "Your mom's pulling out all the stops to take good care of you."

"Thanks, Mom," gasped Lisa.

"You are welcome, baby," said Victoria.

"Thank her for making you my slut," I urged. "That must mean a lot to you, and not many moms would do it."

"Mom, thanks for making me Nick's slut," gasped Lisa.

"You are welcome, Lisa," said Victoria. "You seem to like his big cock so much."

"Oh, yes, Mom, I love it," gasped Lisa. "It's the best cock I've ever seen or fucked."

“Nick was so nice I was pleased he married your sister,” said Victoria. “I am sure he can satisfy your needs too.”

“Your mom deserves a reward, but is she right that I am really satisfying my slut’s need?” I teased.

“She’s right,” gasped Lisa. “You are satisfying your slut’s needs perfectly.”

Lisa stiffened and came.

“I am coming for you,” she gasped.

“That’s what you should do if you are a good slut for my big cock,” I said.

“I am,” she gasped.

She convulsed beneath me, my cock and shoulders pinning her down. She shook and gushed around my cock as I held it as deep in her twitching pussy as I could. She relaxed when her orgasm subsided but continued to gasp. I held my cock in her for a minute or two while she caught her breath.

“This is the reward your mom gets for making you my slut,” I said to Lisa as I withdrew my dripping cock from her drenched pussy and thrust it in her mother’s face.

Victoria did not hesitate to swallow my glistening cock, sucking her daughter’s copious juices off. While she sucked my cock, I twisted myself and brought my mouth to Lisa’s soaked pussy. I cleaned it up the best I could while it leaked constantly. I took my mouth off Lisa’s pussy, and she sat up.

“Do you think my big cock’s ready to fuck?” I asked Victoria, slapping her face with my cock.

“Oh, yes,” said Victoria. “It has been more than ready to fuck ever since she took it out.”

“Do you think it’s ready to fuck *you*?” I teased.

“Yes,” she hissed, holding my cock to her face.

“Are *you* ready to fuck it?” I teased.

“Yes,” she hissed.

“Where do you want it?” I asked.

“You know where I want it,” she said shyly.

“Even if I did, Lisa might not,” I said. “You need to make sure everybody here knows where you want it.”

“I want it in my ass,” she said, shocking Lisa.

“You want my big cock in your cock-hungry asshole?” I teased.

“Yes,” she hissed, blushing more deeply.

“Your attitude was disrespectful of your teacher,” I said. “If you want me to fuck your horny ass, you need to beg your teacher. She has to spread your luscious ass for me and beg me to fuck it, or I simply won’t fuck it.”

“Lisa, would you please do that for me?” asked Victoria, blushing.

“Mom, if you beg me for something specific, I’ll gladly do it for you,” said Lisa with a reassuring smile. “I’ll never forget how nice you’ve been to me.”

“You have a very sweet daughter, Victoria,” I said. “Most girls wouldn’t do that for their slutty moms. You did a wonderful job raising her, and it’s about to pay off. If I were you, I’d get into position and start begging her nicely.”

Victoria got on her knees on the sofa and laid her head on the backrest. She hiked her dress and thrust her ass out. Lisa got another shock when she saw the butt plug filling her mom’s ass.

“Your hot mom’s wearing an identical butt plug to yours,” I said. “I bet she’s wearing it for the same reasons.”

“Is that true, Mom?” teased Lisa. “Are you wearing it to keep your horny asshole ready for cock?”

“Yes,” hissed Victoria.

“Lisa, why don’t you find out if it worked?” I said. “Fuck her asshole with the butt plug for a minute to make sure it’s ready. I am sure your mom wants a nice hard ass fuck. Isn’t that right, Victoria?”

“Yes, Nick,” gasped Victoria as Lisa pulled her right ass cheek out and tugged the butt plug. “Thank you.”

“Your lovely mom’s a good girl,” I said, intently watching the butt plug stretch Victoria’s asshole wide. “She’ll soon thank you for making sure her little asshole’s ready for my big cock to give it the nice hard workout it needs.”

“I am sure of that,” said Lisa, teasing her mom’s asshole with the butt plug.

“Do you think it’s ready for my big cock?” I teased.

“It’s so ready,” said Lisa. “I think if you are not careful, this greedy fucker can swallow your balls too.”

“Lisa, you are so kind to make sure my horny little asshole’s ready for Nick’s big cock,” gasped Victoria. “You are a sweetheart. Thank you so much.”

“You are welcome, Mom,” said Lisa, carefully sliding the butt plug in and out of her mom’s stretched asshole.

“Lisa, please beg him to fuck my horny asshole,” begged Victoria. “I really need his big cock there.”

“Victoria, I can’t fuck your ass when it’s stuffed with a big butt plug,” I said.

Victoria reached back to remove the butt plug from her ass while Lisa continued to fuck her ass with it.

“She’s the one who has to take your butt plug out of your ass and put it in your pussy so I can fuck your horny asshole,” I said, pushing her hand aside. “This is another unusual favor you need to beg her for.”

“Lisa, please take my butt plug out of my ass so he can fuck it,” begged Victoria.

“Sure, Mom,” said Lisa as she slowly slid the butt plug out of her mom’s asshole, letting it pop out.

Victoria’s slightly gaping asshole looked relaxed but hungry for cock.

“Suck it before you put it in her pussy,” I said as Lisa held the butt plug in her right hand and inspected it.

While Lisa sucked the butt plug, I aligned my cock with her mother’s drenched pussy and shove it all the way in. Victoria stiffened and came. I held my cock deep in her gushing pussy while she gasped and convulsed. When her orgasm died down, I pulled my dripping cock out, and Lisa put the butt plug in her mom’s pussy.

“Does your mom’s horny asshole taste good enough for my big cock?” I asked.

“Yes, it tastes good,” said Lisa.

“Did you want to say something?” I asked.

“Please fuck my slut mom’s cock-hungry asshole,” begged Lisa, spreading her mother’s ass with both hands.

“Spit on her asshole,” I instructed, aiming my cock at Victoria’s offered asshole. “If you miss, you have to suck your spit back and try again.”

Lisa obliged me readily and hit the bull’s eye. Victoria gasped and her asshole clenched when she felt Lisa’s warm saliva cover her puckered asshole. She gasped again when I popped my engorged cock head past her sphincter.

“Please ream out the slut’s asshole,” said Lisa, watching my hard shaft impale her mother’s spread ass.

“You are a good girl, Lisa,” I said, holding my cock balls deep in Victoria’s ass. “You want me to give your slut mom a good ass fucking, don’t you?”

“Yes, Nick,” said Lisa. “I want Mom to be happy. She’s been so good to me.”

“You are happy that she’s a slut like you, aren’t you?” I teased, gently thrusting in Victoria’s receptive ass.

“Of course I am,” she said. “I am so happy I am not the black sheep of the family.”

“Lisa, you come from a hot family,” I said. “Your family has no black sheep. It’s all white hot.”

Lisa held her mother’s ass spread for me and watched me ream out her receptive asshole for the next fifteen to twenty minutes. Victoria moaned, babbled and gasped, coming wildly four times. Lisa deep throated my cock eagerly when I took it out of her mom’s ass.

“I also want you to fuck my ass,” Lisa said when I took my cock out of her mouth.

“We’ll soon have you get into position so your mom can spread your ass and beg me to fuck it,” I said.

Lisa got into position next to her mom almost before I finished my statement. Her mom got up and sat next to her, her butt plug still in her pussy.

“Lisa, don’t you think his cock’s a little too big for your little asshole?” asked Victoria, lazily sliding Lisa’s butt plug in and out of her asshole.

“No, Mom, it isn’t too big,” protested Lisa. “My horny asshole needs a big cock. Besides, I am his slut; he’s supposed to fuck me any way he wants and satisfy all my needs, or do you want me to find another guy for my ass?”

“I was just teasing,” smiled Victoria, popping the butt plug out of Lisa’s asshole. “I know that nobody can fuck your horny ass like Nick can.”

Victoria voluntarily sucked the butt plug before she put it in her daughter’s wet pussy.

“Nick, are you ready to fuck your slut’s little asshole?” teased Victoria, stroking my cock with her left hand.

“I am always ready to take care of my sluts,” I said as Victoria licked my cock head.

Victoria spread her daughter’s ass and spit on her asshole.

“Take care of my slut daughter please,” she said, looking up at me.

“Gladly,” I said, aiming my cock at Lisa’s hot spit-covered asshole.

“Please fuck my baby’s little asshole like the slut she is but don’t hurt her,” begged Victoria.

Lisa let out a contented moan when I pressed my cock head into her offered asshole. Her asshole dilated, and my cock head slid in, making her gasp. I paused for a few seconds before I pushed my shaft in. Victoria intently watched my shaft disappear up her daughter’s stretched asshole. I paused again when I was balls deep inside.

“You are right, Lisa,” commented Victoria. “Your asshole definitely needs a big cock. I am happy you found one. Nick’s big cock looks perfect in your ass as it stretches out your little asshole to the limit.”

“A girl has to know what she needs,” gasped Lisa as I fucked her ass slowly.

“Nick, sweetheart, give my baby what she needs,” said Victoria, looking up at me. “Fuck her ass royally.”

“Taking care of my little slut is a duty I take very seriously and enjoy extremely,” I said, thrusting harder.

“Your big cock and her stretched asshole look perfect together,” said Victoria.

“That’s because every horny fuck hole you and your daughters have was made for my big cock,” I said.

“Being so horny, I am so lucky to find a son-in-law who can take care of me and my daughters,” she said.

“I am also lucky to marry into a horny family,” I said. “I can’t find this hospitality at the best whorehouses.”

“Whores only care about your money,” she said. “We care about you and about your big juicy cock. We love you.”

“My big cock and I love you too,” I said.

Meanwhile, gasping Lisa approached her orgasm steadily, and I picked up the pace accordingly. The gasping and flesh slapping sounds filled the living room, taking the foreground. In less than a minute, she had her first anal orgasm of the day, but her mom continued to spread her ass and I continued to fuck it hard. A few minutes later, she had her second orgasm. By the time her mom's lips closed around my cock, she had come three more times. Victoria sucked my cock for a few minutes before she knelt down next to her daughter.

"Take care of me," said Victoria, thrusting her ass out. "I am your slut too, and I need your big cock."

Needless to say, Victoria's asshole was soon twitching around my pumping cock as she came wildly. I switched my cock to Lisa's ass and gave her a hard pounding. After she came, I switched back to her mom.

Victoria came, and I was fucking her ass slowly when we heard applause. It took several seconds for that to register. When I looked back, Beth was sitting on the loveseat right next to us, clapping her hands.

"Beth?" gasped Victoria, pushing me off her ass.

Victoria and Lisa straightened their clothes and sat down on the sofa, leaving my hard cock sticking out.

"So impressive," said Beth as her clapping came to a stop. "You are fucking my mom and sister in the ass together."

Before anybody could say anything, Beth was on her knees stroking my hard cock slowly.

"I am not mad at any of you *yet*," she said. She paused and took my cock in her mouth. She deep throated me for half a minute. "Not bad. The three of you are on trial." She got up and pulled me by my cock as she knelt on the sofa next to Lisa. "Nick, come fuck my ass while you all tell me how we came to be in this position so to speak."

One could hear a pin drop when I hiked Beth's short skirt, exposing her plugged ass.

"I came home to get my ass fucked," explained Beth with a gasp as I slowly fucked her ass with the butt plug. "I am not about to change my plans because my mom and sister turned to be sluts, but you are not off the hook yet."

Nobody volunteered to say anything as I licked Beth's leaky pussy for several seconds, making her moan, while I continued to ream out her asshole with the butt plug. I finally popped the butt plug out of her ready asshole and sucked it before I put it in her wet pussy. I licked her asshole for a minute. She ground her ass into my face eagerly, letting her asshole nibble my tongue tip. I drooled on her asshole generously and got up. I popped my engorged cock head into her asshole and gently spread her ass as I unhurriedly skewered it with my thick shaft.

"Mom, I thought you were against ass fucking," moaned Beth as I fucked her ass. "Oh, this feels so good, but both of you know that already, you sluts."

"That's right, Mom," said Lisa. "You admonished me when you thought I let Derek fuck my ass, and Derek's my boyfriend. You are a married woman, and you take your son-in-law's big cock up your ass like a cheap whore."

"Lisa, are you implying that your mom's a whore?" I teased.

"No, of course not," she said. "After all, I like taking your big cock up my ass like a cheap whore too. I am only perplexed by her behavior. It seems hypocritical to me. That's all."

"I was against it until Nick accidentally deflowered my innocent virgin ass," said Victoria, dropping a bomb.

"I deflowered your innocent virgin ass?" I asked in disbelief. "When did I do that?"

"When you fucked me for the first time in the hotel," she said.

"That's so nice," said Beth sarcastically, not missing a beat. "You also meet at hotels behind my back."

"We didn't meet behind your back," I said. "You were with us in the same hotel room and in the same bed, but we were literally behind your back."

“What are you talking about?” she asked.

“Do you remember back in February when we visited your folks and your mom came home with us?” I said. “We slept in the same bed on the way back home. In the middle of the night, I had a boner, and I fucked your mom, thinking she was you. When I finally found out it was her, she threatened to tell you that I was so horny I raped her in her sleep unless I fucked her again while she was awake. I fucked her in the morning while you had your workout.”

“Is that true, Mom?” she asked.

“I was asleep when he started playing with me,” said Victoria. “When I woke up, I was too horny to stop him. When he fucked me, I liked it so much I had to have him again. I know it was lame, but I was so horny.”

“Actually, it wasn’t that lame,” said Beth. “If you had never been fucked like that, I can’t blame you much.”

“You know that I’d never been fucked in the ass before,” said Victoria.

“What about Lisa?” asked Beth, looking at me. “I never found out how it started between the two of you. I thought she tempted you and you succumbed to her charms.”

“Lisa’s her mother’s daughter,” I said as I pinched Lisa’s nipple through her top. “The night we took her to dinner, on our way back, she had me to sit in the back so she could lean on me. She just wanted to suck my cock. She threatened to tell you that I took my cock out and wanted her to suck it unless I promised to fuck her ass later.”

“Is that right, Lisa?” asked Beth.

“Yes, Beth,” said Lisa. “I heard you moan and scream too often when he fucked you in the ass. I had to try it.”

“Blackmail runs in the family,” I said.

“What do you mean?” asked Beth.

“Do you remember when you threatened to tell your girlfriends that I turned gay if I didn’t fuck you in the ass right away?” I said. “I wanted to very much, but I didn’t want to scare you away.”

“I was kidding,” she said. “I’d never do that, but I didn’t want you to keep beating around the bush.”

“For all I know, either of them could have been kidding too,” I said. “Even I may be kidding.”

“What do you mean?” she gasped as she came.

“I mean if the three of you know what’s good for you, you’ll be my anal sluts and do my every bidding,” I said.

“What are you going to do if we don’t meet your demands?” gasped Beth with a smirk.

“Let me just draw your attention to the camcorder right there that has captured all our exchange,” I said.

They all looked to where I pointed and gasped when they saw the high-definition camcorder right there staring them in the eye.

“You wouldn’t do that, Nick,” she said.

“I already said I could be kidding, but we here take blackmail threats very seriously,” I said as I took my cock out of her ass and moved to her mom, “especially if we are blackmailed into realizing our own fantasies.”

“If you did something, you’d lose us,” she said as I arranged her mom on her knees and proceeded to fuck her willing ass. “I know you can’t stop fucking our asses.”

“I can’t stop fucking women’s asses, but those women don’t have to be you,” I said. “Instead of fucking your mom and sister, I should probably be fucking mine. They are hot, and I am sure they’d appreciate my big cock.”

“That’s incest,” she said as I fucked her mom’s ass briskly.

“What was it when you and Lisa sucked my come out of each other’s pussy and ass?” I laughed. “Family fun?”

“You sucked his come out of each other’s pussy and ass?” asked Victoria in shock.

“Don’t be so shocked, Mom,” said Lisa. “You’ll get hooked on it soon too.”

“Shame on you, Lisa,” chided Victoria.

“Mom, you should realize that you no longer stand on a moral high ground with my husband’s big fat cock sawing in and out of your stretched asshole,” said Beth. “Like she said, you’ll soon be sucking his come out of our pussies and assholes and wishing he could come a gallon so you could suck more. You are as depraved as we are.”

“Mom, do you want him to be fucking us or his own family?” asked Lisa.

“I obviously want him to be fucking us,” gasped Victoria, bucking her ass eagerly.

“So do I,” said Lisa.

“I guess that settles it,” said Beth. “Lisa, what are you waiting for? Get into position.” She turned to me. “We’ll be your anal slaves. We’ll show you that you’ll never need any other sluts whether they are family or not. I’ll be a model wife and help you seduce your mom and sister if you really want them.”

“That’s very generous,” I said, “and I really want them.”

“Your anal slaves beg you to use them any way you want,” she said.

“They bet I will,” I said, picking up the pace.

My anal slaves maintained their positions, each having a butt plug in her pussy and her asshole lewdly offered for my pleasure. When Victoria finished coming on my cock, I moved to Lisa.

“Do you know when I first felt the three of you should become my anal sluts and planned all this?” I asked.

“When?” asked Victoria as I drilled her little daughter’s hot ass.

“When we sat in the living room last night after dinner with each of you wearing a butt plug to hold my come deep inside her well-fucked ass,” I said.

“You fucked both of them before we sat in the living room?” asked Beth.

“I fucked your slut sister at the restaurant when you thought something was wrong with her,” I said.

“Something was really wrong with me,” said Lisa. “I really needed your big cock.”

“I fucked your horny mom in the supermarket just before we bought the groceries,” I said. “Actually, bringing the groceries was our cover-up story after we stopped at a sex shop to buy your mom’s butt plug. It was a perfect end to a wonderful evening to send you all to bed with my come up your asses. I am sure you all enjoyed it.”

“Let’s move our orgy to our room before somebody crashes it,” suggested Beth. “Let’s make sure we continue to enjoy this as long as we can.”

“I am very close,” gasped Lisa, fucking back urgently.

The orgy moved to our room. We all got naked and went wild. Having sucked my cock right out of her ass, Victoria did not put any real resistance to sucking my come out of Lisa’s or trading it back and forth with Beth. We all already knew she was not the family prude if there was one. I did not quit until I filled their asses with come and plugged them with their butt plugs. I later furnished them with three fresh come loads to get them through the night.

Needless to say, the three of them had all the cock they could handle during the day and went to bed with my come and their butt plugs filling their sated asses on each night of our visit. I fucked the three of them in every room in the house and even fucked them by the riverside and in their boat in the middle of the lake in broad daylight.

A BETH MOTION PICTURE

On Friday, Beth decided to produce and direct her first adult home movie, starring the four of us and with her own screenplay. We filmed it in her parent's living room while her dad was at work. The movie showed how Lisa seduced me. Beth caught us with my cock drilling her sister's eager ass and joined the fun. Finally, their mom walked in on us, and Beth persuaded her to give ass fucking a shot, promising she would not regret it.

On the following Friday morning, I woke up in our house with my hard cock down Beth's throat. I had a quick tour of her other fuck holes before I had to leave to work, but I was still horny when I left.

"There will be more of this when you come back, baby," said Beth, patting her ass after she kissed me. "Be a good boy. Don't fuck your secretary and keep the poor girl's ass full of come all day."

Beth's last comment made me think about fucking the secretary for the first time. Every time I saw her ass, I had to imagine how it would look if it were full of my come after a long hard reaming. Suffice it to say that I was horny throughout the day. I finally had enough and decided to go home early to surprise Beth and fuck her silly.

My plans did not work out. As soon as I approached the house, I recognized my mom's car in the driveway. At first, I was disappointed, but then I thought I would surprise Mom, hoping she would leave soon. I silently snuck into the house through the backdoor until I was able to hear the conversation coming from the living room.

"It's something that you shouldn't do," said Mom.

"You've never done it?" asked Beth.

"Never," said Mom, shaking her head.

"Haven't you ever been curious about it?" asked Beth.

"I've sure been curious about it," said Mom, "but it isn't worth the risk."

"You've never been persuaded or pressured into trying it?" asked Beth.

"Early in our marriage Dan asked for it a few times, but I rejected it flatly," said Mom.

"You didn't think you could enjoy it?" asked Beth.

"Women who do it do it for money or under pressure," said Mom. "I don't think any woman really likes it."

"You are actually talking to one," said Beth.

"You like anal sex?" asked Mom, assuming she had misheard Beth.

"Very much," said Beth. "Nick has been drilling my butthole practically every day ever since the day he took my three cherries over six years ago. The last time he skewered my butt was this morning before he left to work."

"Nick does that to you, and you enjoy it?" Mom asked in disbelief.

"We both love it," said Beth. "He uses my butthole nearly ten times as much as he does my pussy, and I hardly ever get enough of it. I think butt sex is wonderful when done right."

"What about the health concerns, the pain, and the grossness of it?" asked Mom.

"I think this little home movie can answer all your questions," said Beth as she grabbed the remote and turned on our HDTV and DVD player. "It's a private low-budget movie that we made ourselves. It didn't cost five bucks."

That did not help at all relieving my perpetual boner.

“The crisp large screen and the high resolution of the picture put you right there,” commented Beth as the screen filled with the picture of her parents’ empty living room.

“The clarity of the picture is as good as any I’ve ever seen,” said Mom.

The camera panned to show me sitting on a sofa, browsing through a magazine. Lisa came down sauntering down the stairs. She was wearing a deep cowl-neck top and a super micro miniskirt, both in cream. The plunging neckline of her top reached past her belly button. Her outfit was completed with a pair of cream high-heel platform sandals as high as the length of her little skirt. The camera zoomed in and showed that her pussy was trying to peek out every time she took a step.

“This is outrageous,” commented Mom as Lisa sauntered toward me.

“I know,” replied Beth. “My little sister’s a little slut, but she looks hot. Don’t you think so?”

“Sure,” shrugged Mom. “She’s young and pretty, and her outfit isn’t hiding anything.”

“Let’s watch silently and see how your son will hold out,” said Beth. “We can comment on it later. I am showing you this movie for a reason.”

“Good morning, Nick,” greeted Lisa.

“Good morning, Lisa,” I replied.

“What are you doing?” she asked as she sat on a couch at right angles with the sofa I was sitting on.

As she sat down, she bent over so her top opened out and exposed her ripe tits completely. When she sat down, her pussy peeked at me briefly before she crossed her legs.

“I am browsing this magazine,” I said.

“That sounds boring,” she said, getting up. “Do you like my outfit?”

She pirouetted as I looked at her.

“Isn’t it a little too revealing?” I said.

“I bought it to wear it at home,” she said. “I know I’d get raped if I leave home like this.”

“No kidding,” I said.

“Do you like it?” she asked.

“It looks very sexy,” I said.

“It feels even sexier,” she said.

“I bet,” I said.

“It’s new,” she said. “This is the first time I wear it. I love the skirt. Can you believe it’s only six inches long?”

“Wouldn’t it flash your panties when you sit down?” I asked, pretending I had not already seen her bare pussy.

“I am not wearing any panties,” she grinned.

“If you don’t wear them, you can’t flash them,” I smiled.

“That’s the point,” she smiled.

“I see that you also don’t want your bra to show,” I said.

“You are very perceptive,” she smiled.

“I think I am pretty smart too, but average people might think you are flashing your tits and little pussy,” I said.

“You can’t control how mediocre people think,” she said. “I only care about the people I care about.”

“Can you actually wear it around your mom and dad?” I asked.

“Of course not,” she said. “They are too old-fashioned. I only wear it when I am alone like now.”

“You are not exactly alone now unless you ignore me,” I said.

“Of course I am not ignoring you,” she said apologetically. She bent down, exposing her tits for me and her ass for the camera, and gave me a kiss on the cheek. “You are a cool guy. I can act around you as if I am alone.”

“I can see that,” I said, admiring her exposed tits. “Your top’s pretty cool.”

“Thanks,” she said.

She gave me another kiss on the cheek and got up.

Two magazines were lying on the coffee table. She bent over, thrusting her exposed ass in my face, and rearranged them. When she bent over, her skirt rode up and completely exposed her ass and pussy. The camera at that point caught her exposed tits. It also caught my stare at the offered ass.

Lisa moved around restlessly in her skimpy outfit. She went back and forth to the kitchen, sat down, stood up, bent over, and paraded around. She never stopped moving.

“Lisa, you can’t parade like that in front of me,” I chided finally.

“What do you mean?” she said in mock innocent, looking at me.

“You are half naked,” I complained.

“Am I turning you on?” she giggled.

“Yes,” I shrugged. “You are a hot young lady, and I am a man.”

“Don’t be silly, Nick,” she said. “You are my brother-in-law. I could get naked, and nothing would happen.”

To prove her point, she took off her top and skirt, and stood before me naked. She even spun around before me.

Mom gasped when that happened.

“I can even sit in your lap, and you won’t touch me,” said Lisa, walking toward me.

She sat in my lap, her left ass cheek against my hardening cock. Her left stiff nipple was an inch off my lips.

“Can you see?” she said, wiggling in my lap. “It’s okay. I knew you were a nice guy.”

My cock was rock hard immediately. It almost lifted her up by the ass.

“Is that you?” she giggled, grinding her ass into my hard cock.

“What do you mean?” I asked shyly.

“Is this you?” she said as she reached down and squeezed my boner through my pants, making me groan. “Oh, baby! You must think I am a dirty cock tease.”

She was still holding my boner as she got off my lap and knelt before me.

“Poor baby!” she said softly, laying her left cheek against my boner. “The nice guy has a nice cock.”

She raised her head and kissed the outline of my boner. She then unbuttoned my pants and unzipped me.

“What are you doing?” I asked lowly as she freed my big boner.

“Your cock’s so big and beautiful,” she smiled, squeezing my naked cock. “I am going to enjoy this.”

She pulled my pants and boxers down, and I cooperated.

“Nick, you are my favorite brother-in-law,” she said as she held my hard cock in her right hand and stroked it.

“Lisa, I am your only brother-in-law,” I said. “You only have one sister.”

“I know,” she said, gently brushing my cock over the right side of her face. “You are still my favorite.”

“You are my favorite sister-in-law too, but you are being naughty right now,” I said. “You shouldn’t do this.”

“Do you want me to stop?” she teased.

“No, of course not,” I said. “I am just making a point. It’s bad enough that you’ve given me this boner.”

“I know,” she said, still rubbing my cock on her face. “I am now making amends. Your wife’s my only sister. If she isn’t here to take care of you, I should take care of you, especially since I gave you this painful boner. In short, I gave you this boner, so it’s mine to do with it as I wish. Besides, Beth shouldn’t keep this big gorgeous cock all to herself. I owe her to help her share and be a little less selfish. Don’t you agree that this cock’s too big for one slut?”

“You are calling your sister, my wife, a slut,” I said.

“Any single woman who tries to keep this big juicy cock to herself is even a bitch,” she said. “Don’t you wish she’d let you share it with other hot sluts, especially me?”

“Lisa, even if I did, it wouldn’t work this way,” I said as her tongue started to lick around my leaky cock head.

“I am too busy to talk now,” she mumbled, rubbing my cock head on her lower lip. “We’ll talk later.”

She watched me closely as she let her tongue play around my cock head.

“Nick, you have the loveliest cock I’ve ever seen,” she said. “Please let me play with it. If my sister’s selfish, you don’t have to be like her.”

“You don’t seem to be all that concerned about getting my permission,” I said. “Didn’t you say it was yours?”

“Of course I am, and it is,” she said, “but I won’t take it in my mouth until you give me permission to do so.”

“Lisa, you are a good girl,” I said. “This time I am going to let you play with it all you want. Please be nice.”

“Thank you so much,” she said excitedly. “I knew you were the nicest guy in the world.”

She gave my cock head the loudest smacking kiss. She tossed away my pants and boxers and proceeded to suck my cock and lick my balls in earnest. After fifteen minutes of sucking and deep throating my cock hungrily, she rubbed her tits on it. She drooled on my cock head and rubbed her stiff nipples with it.

“Nick, do you like my tits?” she teased as she ran her right nipple up and down the underside of my hard shaft. “Would you like to suck them?”

“Fuck!” I said.

She instantly jumped into my lap, bringing her tight nipple to my mouth while guiding my cock into her pussy.

“Sure!” she said, swallowing my hard cock into her tight wet pussy. “You can suck them while you fuck me.”

She gasped and came immediately when I sucked her stiff nipple into my mouth as she hit bottom. Her pussy twitched around my cock, bathing it in hot juices. I held her tightly as her body trembled in orgasm.

“Nick, your big cock’s wonderful,” she gasped when her orgasm died down. “Nobody else has ever made me come this fast. Beth’s so lucky, and I am so happy I am helping her share. Please don’t stop fucking me.”

She gave me a feverish kiss. I was not about to stop fucking the hot slut if she wanted me to. While we devoured each other’s mouth, I held her ass and bounced her on my cock.

“Ride my big cock, Lisa,” I urged when we broke the kiss. “Ride it like the slut you are.”

“Yes, I am a slut, Nick,” she said, bouncing energetically. “I am your slut. I am your little slut.”

“Come for me, my little slut,” I urged. “Show me that you love my big fat cock more than Beth does. Show me you are really my dirty little slut.”

She eagerly obliged me as I sucked one of her tasty nipples hard. She drenched my cock and balls with her pussy juices. I eased on her, rocking her gently until she recovered.

“Do it again, my little slut,” I urged, squeezing her ass.

“I love your big cock,” she gasped, picking up the pace. “I love coming for you. I don’t want to stop doing it.”

“Don’t stop, my slut,” I said. “I love feeling your tight little pussy convulse ecstatically around my big cock.”

She bounced on my cock faster as I squeezed and fondled her ass. The camera focused on her bouncing ass. She came within a few minutes. I steadied her as she shook in orgasm. We kissed breathlessly while she recovered.

“Nick, please fuck me from behind,” she said, dismounting me. “I want you to fuck me like a bitch. Please do.”

She knelt on the sofa next to me and thrust her ass out. I got off the sofa and stood behind her. I spread her ass gently and blew her cute asshole a kiss. I filled her pussy with my dripping cock and proceeded to fuck her. I squeezed her swinging tits and drilled her eager pussy. She came twice, but we never slowed down.

“Nick, do you like my ass?” she teased, looking over her shoulder.

“You have a beautiful ass,” I said.

“Do you fuck Beth up the ass?” she asked.

“That’s personal,” I said. “I don’t want to discuss that with you.”

“I know you do,” she said. “Do you want to fuck *me* up the ass?”

“You are not the school slut who takes every cock she can get up her ass, are you?” I teased.

“Oh, no, of course not,” she said. “I’ve never let a boy touch my ass. I want to share my ass only with you.”

“Why me?” I asked.

“Because I know you take good care of Beth’s ass,” she said. “I want you to take care of mine. I’d never place my ass at any kid’s mercy. They don’t even know what to do with my pussy.”

“Ass fucking isn’t trivial,” I said. “I can’t just take my cock out of your pussy and stick it up your ass.”

“I know,” she said. “You need to loosen up my tight asshole a little, and for that we need good lube.”

“In addition to that, we’d need to give you an enema,” I said offhandedly. “It’s just not worth the hassle.”

“Don’t worry about that,” she said. “I’ve already taken an enema. I thought my brother-in-law may turn out very naughty and want to fuck my little asshole. I always count on boys to be boys. I knew if you were half the man I thought you were you wouldn’t let me go without reaming out my little asshole very well. You can’t blame a girl for being ready for the dirty men of today.”

“You planned all this, didn’t you?” I accused.

“I just thought you might not be as innocent as you looked,” she said. “I thought I knew you better.”

“Are you Miss Innocence?” I teased.

“I am innocent enough,” she said. “What do you expect when you show an innocent teenage girl your big hard juicy cock that’s ready to fuck her brains out? I fell head over heels in love with it.”

“Hey, I didn’t show it to you,” I said. “You took it out without my permission.”

“It doesn’t matter how I came to see it,” she said. “My point’s that when I saw your irresistible cock, I turned into mush. You have to assume your responsibility and fuck me well just like I assumed my responsibility and took care of your big boner. You have to fuck my pristine ass if you are really the nice guy you pretend you are.”

“Lisa, you are a spoiled brat,” I said. “We need lube.”

“Here it is,” she said, extending her hand back with a bottle of lube.

“Put it aside,” I said as I spread her ass with both hands.

She put the lube aside, and I wiped my dripping cock on her asshole. I drooled on her asshole while I resumed fucking her pussy. I slowly wormed my right thumb into her asshole. She fucked faster as I slid my thumb up her ass.

“I love your little asshole, Lisa,” I said.

“It’s hot and tight, isn’t it?” she moaned.

“Yes,” I said.

When my thumb was all the way up her ass, I held it there and picked up the pace. She came in less than a minute. Both her holes twitched as she bathed my cock in fresh juices. I pounded her trembling pussy vigorously while firmly holding my ground in her ass. When her orgasm ended, I fucked her gently for a couple of minutes until she calmed down. My thumb was still plugging her asshole. In the end, I gently withdrew my thumb from her asshole and then pulled my glistening cock out of her sodden pussy.

“My little slut, you enjoyed sucking my big hard cock for a while, but I didn’t get a chance to eat your juicy pussy and sweet asshole,” I said, kneeling behind her.

“I didn’t try to be mean,” she gasped when she felt my breath on her ass crack. “Please eat them now.”

“I will,” I said, slapping her ass playfully.

She yelped teasingly and spread her ass with both hands. I licked her drenched pussy before I zeroed in on her horny asshole. She squirmed and ground her ass into my face, her asshole relaxing constantly. It soon nibbled at my tongue tip. I plugged her wet pussy with two fingers and held them there while I licked her asshole to orgasm. Her excited asshole twitched around my tongue as she came, her pussy milking my fingers in spasms.

When her orgasm subsided, I removed my slick index finger from her pussy and pushed it into her asshole. I gently fucked both her holes with a finger each. I grabbed the lube and squeezed some on her asshole as I squeezed my middle finger inside it. I used the two fingers to finger fuck her asshole and work the lube deep inside it. I twisted and swirled my fingers within her asshole thoroughly before I finally took them out. I squeezed a big dollop of lube on her glistening asshole and stood behind it, my cock ready for the task ahead.

“Are you ready to fuck my innocent little asshole?” she teased as I brought my cock to the center of her pucker.

“Yes,” I said softly, gently pressing my cock head into her asshole.

“Please fuck it,” she cooed.

She let out a little gasp and held her breath. Her puckered asshole relaxed and let my cock head inch in. She let out another gasp when my cock head popped past her sphincter.

“Oh, Nick,” she moaned. “Your cock’s too big for my little asshole. I am going to come. My pussy’s leaking.”

“Hold on, baby,” I said. “I’ve only got the head inside.”

“Give me more before I explode all over your amazing cock,” she urged.

“Take it easy, my little slut,” I calmed her down, slowly pushing into her ass. “I am going to give it all to you.”

“I can feel your big cock filling me,” she gasped as my shaft slid slowly but smoothly up her stretched asshole.

When I hit resistance at the end of her rectum, I squeezed her tits and gave her a firm thrust, driving my cock balls deep up her ass and pressing my balls against her empty but leaky pussy.

"I am coming," she gasped.

She stiffened and convulsed wildly. While she shook in my arms, I held her tightly and fucked her ass hard. Her orgasm multiplied, and, when it finished, it left her limp. I held her and thrust gently in her ass.

"Nick, you are the best brother-in-law in the world," she gasped.

"I got upgraded from your favorite to the best in the world?" I smiled.

"Yes," she hissed.

"If you are saying this so I would say you are the best sister-in-law in the world, think again," I teased.

"I am saying that because it's a fact," she said. "Nobody else can ever fuck me like this."

"You only had one boyfriend," I teased. "You can't make such a blanket statement."

"Trust me on this, Nick," she said. "I know a great fuck when I get one."

"Lisa, get ready," I said, picking up the pace. "You are about to get one."

She had three hard orgasms within the next fifteen minutes, but we both wanted more.

"What's going on here?" asked Beth angrily, suddenly appearing from nowhere.

"It isn't what you think," I said as I continued to fuck Lisa's eager ass vigorously.

"You are fucking my little slut sister in the ass, and you are telling me it isn't what I think?" she demanded, closely watching my hard cock as it pumped her sister's stretched asshole.

"I am really fucking her ass, but it isn't because of lust or anything," I said.

"Let me guess," she said sarcastically. "You are just trying her little asshole for size on a bet?"

"That's close but not it," I said. "*She* is trying my big cock for size. She wouldn't let little boys fuck her in the ass, so she wanted to find out what it felt like to try it with a real experienced man."

"You fell for that?" she asked.

"What do you mean?" I asked.

"How was it, you little slut?" she asked Lisa. "Do you like it?"

"I love it," gasped Lisa. "I can't get enough of it."

"Are you happy now?" Beth asked me.

"What do you mean?" I asked. "What's wrong if she's a hot little slut?"

"She isn't any hot little slut," she said. "She's *your* hot little slut. Did you get it?"

"Did I get what?" I asked.

"She's *your* little slut," said she. "From now on, *you* are responsible for keeping her cock-hungry ass sated."

"What do you mean by that I am responsible for keeping her ass sated?" I asked dumbly.

"You have just created a monster," she explained. "You have to deal with it. You have to fuck her in the ass royally at least once a week. From now on, we are going to have to visit my folks every other weekend and Lisa will have to visit us on the other weekends so you can keep her ass full of cock so she won't turn into a whore."

"Are you serious?" I asked.

“Of course I am serious,” she said. “Can you see what you got yourself into, so to speak, by being this naïve?”

“Are you mad at me?” I asked.

“No,” she said, shaking her head. “I’d love to visit my folks every weekend, and I’d rather have you drill my sister’s ass than have a jerk take advantage of her delicate little asshole.”

“Would you like to join us?” I suggested.

“Let me first taste her little ass on your big cock,” she said. “If it tastes as delicious as it looks, you can bet I will.”

“Sure,” I said, popping my cock out of Lisa’s reluctant asshole. “I assure you that it’s delicious.”

“No,” said Beth. “Make her come first.”

Beth pushed my cock back into her sister’s offered ass, and I resumed drilling it while I held Lisa’s hips. I pounded Lisa’s happy ass to a big orgasm a minute later.

“Now, I can taste it,” said Beth, kneeling next to me.

“I hope you like it,” I said, thrusting my cock in her face.

Beth opened her mouth eagerly and sucked my cock in. She spent five minutes deep throating my cock eagerly.

“Did you like it?” I asked when she finally dropped it.

“I loved it,” she smiled, pulling her dress over her head. “Why would I keep sucking your big cock if I didn’t?”

“Just to tease me?” I shrugged.

Beth pushed me onto my back on the carpet and squatted astride me in the Asian cowgirl position. She dipped my cock in her wet pussy and then guided it into her asshole. She moaned as she swallowed it and then started bouncing. Lisa squatted behind her sister and watched her hungry asshole swallow my cock again and again. Beth came a few minutes later and rode it gently until she recovered. She finally dismounted me and sucked my cock.

“Your turn, sister,” said Beth, pulling Lisa astride my cock in the same position.

While Lisa rode my cock with her ass, Beth finger fucked her pussy, making her come twice. She helped her off my cock and guided her head to my cock. Lisa sucked my cock eagerly. Meanwhile, Beth sat back on the sofa and pulled her knees to her shoulders.

“Fuck my ass,” demanded Beth, spreading her ass cheeks with both hands.

Lisa lubed my cock before she guided it into her sister’s asshole. When she made sure I was fucking her sister’s ass well, she assumed the same position next to her. After Beth came, I switched to Lisa. I fucked their asses in that position through a few orgasms each.

“Fuck me like you were fucking her earlier,” said Beth, getting on her knees next to Lisa.

When I switched to Beth’s ass, Lisa assumed the same position. I switched between their asses several times.

“I see that you are sodomizing my daughters,” Victoria shouted suddenly, making me freeze in mid stroke.

Beth had not let each one of us know the entire screenplay. That helped make things more natural. Although I expected Victoria to show up at some point, I was so absorbed in fucking her daughters she genuinely startled me.

“It’s okay, Mom,” said Beth.

“Did you lose your mind, Beth?” asked Victoria. “He’s sodomizing your little sister, and you don’t mind.”

“Mom, somebody has to,” said Beth. “Better Nick than somebody else.”

“You really lost your mind,” said Victoria. “Nobody should sodomize your sister or you.”

“My husband has to sodomize me if he knows what’s good for him,” said Beth.

“I knew he must have brainwashed your sister and you,” said Victoria. “Shame on you, Nick!”

“Victoria, I didn’t brainwash anybody here,” I said. “Your little daughter tempted me.”

“My little daughter tempted you?” laughed Victoria. “What are you? A little kid without a brain?”

“A little kid doesn’t get tempted by a hot sexpot,” I said as Lisa started to rock her ass.

“Look at the slut, she’s lewdly and shamelessly humping his big fat cock,” Victoria glared at Lisa.

“I can’t stand it, Mom,” said Lisa. “It’s filling my ass and driving me crazy. I have to fuck it.”

“Let’s say she’s a sexpot,” Victoria said to me. “Since when do men get tempted to sodomize women?”

“Come on, Mom, since the beginning of time,” said Beth.

“You are a bad girl, Beth,” said Victoria. “I didn’t raise you like this.”

“Oh, yes, you did, Mom,” said Beth. “You raised me to be a wise independent thinker able to distinguish right from wrong and do the right thing regardless of other people’s opinions.”

“You didn’t turn out that way though,” said Victoria. “You allowed others to corrupt you.”

“Nobody corrupted me,” said Beth. “I found out that ass fucking was very good for me, and I did it regardless of your ancient opinion.”

“My ancient opinion?” glared Victoria.

“Yes, Mom,” said Beth. “You are afraid to try anal sex and find out that you’ve always been wrong.”

“I am not afraid of trying it,” said Victoria. “I can try it, but if you turn out to be wrong, I’ll punish you.”

“Sure,” shrugged Beth. “I am sure once you try it, you’ll get hooked.”

“Do you think his big cock can fit in my little asshole without ripping it open?” asked Victoria timidly.

“No doubt, Mom,” said Beth. “Look at how it slides in and out of Lisa’s tiny asshole as if it was made for it.”

“If Nick’s cock wasn’t made for my horny asshole, I don’t know what was,” gasped Lisa.

“It was, baby, it was,” I assured her.

“What do I need to do now?” asked Victoria.

“You first need to take an enema,” said Beth.

“I already did,” said Victoria. “When I found out he was sodomizing your sister and you, I thought he must have tricked you or coerced you somehow. I decided to confront him, but I was afraid he might trick me the same way and get his monster cock shoved up my innocent butthole. I didn’t want it to be a messy affair on top of everything.”

“Mom, you are a smart woman,” said Beth. “You did the right thing. All you have to do now is bend over next to Lisa. This time we persuaded you to try it. Once you do, nobody will ever be able to persuade you to stop.”

“I am willing to take that risk,” said Victoria. “If you are lying though, I’ll never talk to you again.”

“I am willing to take that risk too, Mom,” said Beth. “Not only will you be talking to me nonstop, but you’ll be also kissing my ass so I will keep my husband fucking yours.”

“Beth!” glared Victoria. “That’s uncalled for.”

“She’s right, Beth,” I said. “We won’t humiliate people to uphold our responsibilities. Just like Lisa, if she likes it, it will be my duty to keep her cock-starved ass sated.”

“Relax, you two,” said Beth. “I was just teasing.”

“Can I suck him a little?” said Victoria, intently watching my hard shaft skewer her little daughter’s receptive asshole repeatedly. “I want to get to know that monster cock a little before it skewers my inexperienced little butthole.”

“I don’t see why not,” said Beth. “I am sure he’d love to let you suck his big cock a little .It’s your right anyway to suck a big juicy cock before you take it anywhere in your body. Wait until he makes Lisa come on his big cock.”

“He can make Lisa come just by fucking her asshole?” asked Victoria.

“That’s why we let him get away with making us his little anal sluts,” said Beth.

“You are his little anal sluts?” asked Victoria. “That’s despicable.”

“Yes, we are, Mom,” said Beth. “You will be one of us in no time too.”

“I don’t know about that,” said Victoria.

“I understand, Mom,” said Beth. “When you try it in your ass, you’ll have an epiphany.”

“We’ll see about that,” said Victoria suspiciously, watching me vigorously drill her trembling daughter’s stretched asshole. “I can’t believe my slut of a daughter’s willingly taking this abuse.”

“Mom, your slut of a daughter’s coming,” said Beth as Lisa gasped and convulsed in orgasm. “Watch!”

“She’s sick if this abuse makes her come this hard,” commented Victoria.

“We’ll shortly see what this ‘abuse’ is going to do to you,” said Beth.

“If getting my little asshole pounded like this will make me come, I am a sick pervert too,” said Victoria.

“Victoria, baby, why don’t you shut up and suck the big cock that’s going to make you a good slut?” I teased, thrusting my sticky hard cock in her face. “If you don’t show some respect, you are never touching it again.”

“Since when have you become an arrogant dickhead?” she asked, looking up at me.

“Since you’ve become an annoying bitch,” I said. “Do you think you know how to suck a nice big cock anyway?”

“I’ve been sucking cock since before you were born,” she said.

“You don’t have the attitude of a good cocksucker,” I said. “Did you ever get to suck the same cock twice?”

“I sure won’t suck *your* cock twice, but this time I am going to show you what real cock sucking is,” she said. “Do you think my little slut daughters know how to treat a cock this big and juicy? Think again. I’ll now show you.”

“I am sure you can if I somehow can get you to shut up and do it,” I said.

Victoria did not reply. She opened her mouth and took my leaky cock head in. She calmly and lovingly proceeded to suck my cock, carefully working her lips up and down the shaft while using her tongue skillfully.

“Mom’s a big baby,” explained Beth. “She only needs a big pacifier. Now that she has it, she’s a good baby.”

“Had I known that, I’d have let her suck my big cock the first time I met her,” I said, thrusting in Victoria’s throat.

“It takes time to get to know people this well,” said Beth. “Otherwise, men would love their mother-in-laws.”

Victoria sucked my cock thoroughly for ten minutes before she took a break.

“This is really good,” said Victoria. “You have a delicious big cock, Nick. I can suck it all day and never get enough. I wish you let me suck it the first time I met you. I’d have showed you a lot more respect.”

“You are not bad yourself,” I said. “You really know how to suck a big cock. You are always welcome to mine.”

“Thank you,” she said. “I am glad you liked it.”

“Mom, do you want to try it in your pussy before you let it violate your sweet little asshole?” teased Beth.

“That sounds like a good idea,” said Victoria. “I want to get to know it a little better before it skewers my ass. It’s such an impressive cock. No wonder you and your little sister love it.”

“Let’s get you out of your clothes,” said Beth, reaching for her mother’s dress. “You haven’t seen anything yet.”

Victoria was naked once Beth took off her dress. I pulled her to her feet and sucked her nipples while feeling up her ass. She moaned and held my head to her tits. I helped her onto the sofa on her knees, and she bent over.

“You have a great ass, Victoria,” I said. “I can’t wait to give it all the cock it can handle.”

“I’ll let you do that once you give my pussy a good fucking,” said Victoria. “After all the perverse ass fucking you’ve been doing, I hope you still know how to fuck a horny little pussy.”

“Your pussy’s drenched,” I said, teasing her leaky pussy with my cock head. “It really needs a good fucking.”

She gasped and convulsed in orgasm when I suddenly shoved my cock balls deep in her excited pussy.

“I can’t believe it,” she gasped. “I am coming already. Nobody else has ever made me come this fast.”

“You are a real slut, Victoria,” I said as I held her hips and fucked her slowly as she twisted ecstatically.

While she recovered, I fucked her drenched pussy gently.

“Is there magic in your big cock?” she gasped when she finally could speak. “I’ve never come at the first stroke.”

“The only magic in my cock is that your little pussy was made for it,” I said as I continued to fuck her sodden pussy. “I think your little asshole was too.”

“No kidding,” she gasped. “Your big cock really feels divine in my pussy.”

“It’s going to feel even better in your ass,” said Beth.

“If what you are saying has any truth to it, I’ve just become another anal slut for your hubby,” gasped Victoria.

“I don’t have a shred of doubt in that, Mom,” said Beth. “Neither should you.”

“I have very little doubt already,” gasped Victoria as her next orgasm approached.

Holding and squeezing Victoria’s lush tits, I pounded her pussy through two more orgasms.

“Do you think I know how to fuck a pussy?” I teased, slowly sawing my cock in and out of her soaked pussy.

“Do you ever!” she gasped.

“In a little bit, you’ll try what I really know how to do,” I said, making her gasp. “You’ll experience true bliss.”

When Victoria recovered, I withdrew my dripping cock from her drenched pussy and wiped it on her asshole, making her gasp. I bent over and teased her asshole with my tongue tip, making her gasp and squirm.

“I am going to come,” she gasped.

She soon had a big orgasm, her asshole twitching around my tongue.

“You can even make me come by licking my asshole?” gasped Victoria. “I think I am gone already.”

“We all know that, Mom,” assured Lisa.

Victoria squirmed and came again as I patiently lubed and loosened up her asshole. Meanwhile, Beth lubed my rock hard cock. I aligned it with Victoria’s glistening asshole and slowly got her ass impaled as Beth spread it for me. Victoria squirmed and gasped until my balls pressed into her profusely leaking pussy.

“How does it feel, Victoria,” I asked, holding my cock balls deep in her tight asshole.

“I am your anal slut,” gasped Victoria. “There is no point in denying that. Fuck me any way you want, baby.”

“That’s my plan, but first you have to play with your pussy and make yourself come for me,” I said.

“You want me to play with my pussy in front of my daughters?” she protested.

“Aren’t you my anal slut?” I reminded.

“Yes,” she hissed.

She stiffened and came. I held her hips and fucked her twitching asshole nice and deep, enhancing her already big orgasm. When her orgasm died down, she panted for air. I fucked her ass gently.

“I’ve just come without touching myself,” she gasped. “Does that count?”

“I’ll let you get away with it this time,” I said as I pinched a stiff nipple, making her asshole twitch.

The camera zoomed in, filling the screen with the view of my hard shaft deeply sinking in Victoria’s tautly but eagerly stretched asshole again and again. Her once puckered asshole was stretched to the limit wrinkleless. The tight anal ring tried to follow the strokes of the cock, hollowing in and then bulging out, but the cock was so well lubed that did not slow down the fast hard thrusts even one bit. Victoria moaned and gasped, singing my praise, as she bucked her ass to meet every new thrust.

“Fuck my whore mom’s ass open,” urged Beth, holding her mom’s ass open for my hard thrusts.

“Are you really my whore, Victoria?” I teased.

“Oh, yes, lover,” gasped Victoria. “Fuck my horny ass hard.”

THE CAT AND THE ASS

Mom’s eyes were glued to the big screen as it showed in crisp clarity her son’s hard cock drill his mother-in-law’s wide-stretched asshole with long fast strokes while his wife and her mom begged him to fuck it harder.

“Amy, have you by any chance taken an enema before you came here?” asked Beth.

“I did,” said Mom, blushing. “You told me I had to, but you didn’t tell me why.”

“I just did,” smiled Beth. “Are you willing to take that risk?”

“Are you sure Nick would do that to his own mom?” asked Mom nervously.

“That’s why you are here,” said Beth. “He realizes that you are a hot woman, and he wants your hot tight ass.”

“I don’t know what to do,” said Mom, blushing. “This is going to be awkward and weird.”

“You can do like Mom did,” said Beth, pointing to the screen where her mom’s stretched asshole continued to get fucked nice and deep. “You can just bend over, but I want him to work for it, so he appreciates you even more.”

“When is he going to come home?” asked Mom.

“Anytime now,” said Beth.

“Hi, honey,” I called, entering the living room with a big stupid smile. “I am home, and I have a big boner.”

Mom blushed when she saw me, and I blushed too and froze in my tracks, pretending deep embarrassment. Beth took the chance to turn off the television and the DVD player.

“Hi, Mom,” I said. “I am sorry about that.”

“It’s okay,” Mom said, still blushing.

“Come here, Nick, and show me that big boner if you really have it,” called Beth. When I did not move, she beckoned me with her finger. “Come here, Nick. I can see it from right here.”

With no real intention to resist, I walked hesitantly to Beth. When I approached her, she pulled me by my belt and unzipped my fly.

“Beth, what are you doing?” I asked as she reached inside my pants to fish out my hard cock.

“I am taking care of my man,” she said as she freed my boner and let my pants and boxers drop to the floor. “Your mom knows all about the birds and the bees and knows that a good woman has to take good care of her man.”

With that settled, Beth leaned forward and took my cock in her mouth. Before long, she was deep throating my cock as Mom stole occasional glances at her.

“Amy, am I offending you at all?” asked Beth after sucking my cock for over five minutes.

“No, not at all,” said Mom. “You’ll never offend me by taking care of my son.”

“If so, why don’t you watch me closely and see how much I enjoy taking care of your son?” said Beth. “I want to show you that your son’s in good hands.”

Beth sucked my cock for another solid five minutes before she took a break.

“Nick, your mom’s willing to let you fuck her virgin asshole if you earn it,” said Beth, making my cock twitch in her hand as she stroked it gently. “Are you interested?”

Mom blushed deeply at that but did not comment.

“How can I earn that?” I asked.

“The first thing you have to do is to last in my mouth for half an hour while you fantasize about reaming out her virgin little asshole with your big fat cock,” said Beth. “Do you think you can do that?”

Beth resumed sucking my cock nonchalantly but expertly.

“How can you tell I am not fantasizing about a long boring baseball game?” I asked.

“Don’t worry about me,” she smiled. “I can tell, so don’t even try.”

“That’s going to be very difficult because of the value and nature of the prize,” I said.

She did not even acknowledge my comment. She took her next break five minutes later.

“Amy, do you want to suck his big juicy cock a little,” Beth said to Mom, making her blush. “I want to take a little break so I can really put him through his paces. Your mouth on his cock would make it even harder for him so to speak. He’d be forced to think about how your innocent little asshole would feel around his big fat cock.”

Beth did not wait for Mom’s reply. While she talked, she pushed me aside toward Mom and then nudged her head forward, leaving only a few inches between her lips and my leaky cock head. I thrust my cock forward, touching its head to her lips. Mom gasped, parting her lips. I gave the back of her head a gentle nudge that drove my cock head a couple of inches into her mouth.

“That’s it, Amy,” encouraged Beth. “Show him you really know your birds and bees. Suck your son’s big cock.”

Mom only had a couple of seconds to make up her mind. I kept gentle pressure on the back of her head until she started sucking. I released the pressure on the back of her head as I made a gentle short thrust in her mouth. I kept my hand touching the back of her head to give her the little extra encouragement she needed to keep sucking. She kept sucking, and I thrust gently in her mouth. She soon got into it.

“Your mom obviously loves sucking your big juicy cock,” teased Beth. “You have the kind of mouthwatering cock no woman can resist. She’s a real cocksucker, isn’t she?”

“She sure is,” I said. “She’s a real woman. She knows how to please her man with her mouth.”

“You are not her man, Nick,” teased Beth. “You are *my* man. She’s your slut. She makes you want to fill her talented mouth with a big load of thick come.”

“She does, but I am after a bigger prize,” I said, feeling my cock twitch deep in Mom’s mouth.

“She knows fully well that you are after her sweet ass cherry,” teased Beth. “She wants to make sure you deserve it though. If you lose it, she may not lose it. There will be only one winner and one loser here.”

“I’ll do my best to send her home a very happy woman, but how did you get her to agree to this?” I said.

“I showed her that movie where you fucked Lisa, me, and Mom,” she said.

“Mom must think that you come from a depraved family,” I said as Mom deep throated my cock expertly.

“Isn’t that the truth?” said Beth. “Is it natural for a man to fuck his wife, her sister, and their hot mom together?”

“It is if they are as cock-hungry as you and your sister and mom are,” I said. “It may not be normal though.”

“Is it natural for my mother and sister to be this cock-hungry?” she asked.

“It’s natural again, but it may not be normal,” I said.

“Is it natural for a respectable married woman like your mom to come continuously on her horny son’s big hard cock while his wife watches?” she asked.

“I think Mom’s trying to show you that I don’t come from a frigid family,” I said. “She’s proving to you that my family’s as hot as yours.”

“Well, she can’t do that by herself,” she said. “Both my mom and sister are hot. This is only your mom.”

“I am sure she’ll help us find out how hot my sister is,” I said.

“Amy, is your daughter an anal virgin like you?” she asked.

“I think so,” gasped Mom, “but I am not sure.”

“Will you help Nick fuck his sister’s tight virgin ass?” asked Beth.

“I don’t know how to do that,” gasped Mom.

“Beth, your question isn’t fair,” I said. “Mom hasn’t even tried it yet. I am sure, once she tried it and loved it, she’d help us with Alex. She’d surely want her daughter to experience that intense pleasure.”

“First, you have to make it through my mouth,” said Beth. “I know what I want to do. I am going to suck your big cock the rest of the time while you eat her pussy and ass. That has to be hard enough on you.”

“If that’s how I earn her amazing ass, let’s do it,” I said.

“That isn’t all though,” she said. “Once you pass that, you have to last in her pussy for half an hour.”

“You didn’t need to tell me that right now,” I whined.

“Oh, yes, I did,” she smiled. “Your big cock isn’t ready for my mouth yet. It needs several more minutes in hers.”

“Mom, stick your tongue out and make it stiff,” I said, pulling out of Mom’s mouth. “I want to toy with it.”

Mom complied. I used my pelvic muscles and twisting my hips to make my cock circle around her extended tongue with my cock head so close to her lips it occasionally brushed them. I slowly pulled back while working my cock around her tongue until my cock head was circling her tongue tip. I flexed my cock up and down, brushing her

tongue tip with my leaky cock head. I slowly slid the underside of my cock back and forth over the bed of her tongue. I repeated that with the upper side of my cock and the underside of her tongue.

“Good job,” I complimented. “Now, do it on your own while I hold my cock stationary for you.”

Mom took a few minutes working my cock with her tongue, and that felt very nice.

“Are you having a good time?” I asked.

“Yes,” said Mom.

“This is a new trick,” commented Beth. “Where did you learn it?”

“I was just inspired,” I said. “I actually learned it from a martial arts movie.”

“You always think about sex, don’t you?” she said. “You should use martial arts in marital arts. I am going to try it on you right away.”

“Be my guest,” I said.

“That time doesn’t count though because your cock won’t be in my mouth,” she said. “You have to last *in* my mouth for half an hour.”

“Knock yourself out, Beth,” I said. “I am going to pay you back sometime.”

“Is that what I get for getting you your mom?” she pouted.

“Of course not,” I said. “You get rewarded for that, and you get teased back senseless for the teasing.”

Beth let her tongue play with my cock for five minutes before she pulled back and let Mom take over.

“This is fun, isn’t it?” asked Beth.

Mom moaned around my cock.

Mom sucked my cock eagerly for several minutes before she quit.

“Sit back and let me return the favor,” I said, pushing her back gently.

Mom shyly complied, and I soon had her dress hiked and her hairless pussy exposed since she did not have panties on. I pushed her legs over her head, exposing her asshole completely, and kissed her asshole, making her gasp. I laid a few soft kisses on her asshole before I proceeded to lick it gently.

“Your virgin asshole’s beautiful and delicious,” I said, smiling at her.

She blushed.

Mom started to gasp and squirm immediately when I returned my tongue to her asshole. Her pussy leaked constantly, but I did not intend to touch it until its juices reached my tongue on her asshole. Satisfied with what she saw, Beth lay underneath me and took my cock in her mouth.

“I can’t wait to fuck your sweet asshole,” I said.

Mom trembled.

Although it was not easy, I focused on making Mom come, shutting Beth out of my mind. My cock remained hard and leaking in her mouth, but my mind was focused on the hot woman squirming under my tongue.

“I am going to come,” gasped Mom finally.

She came, and I enjoyed feeling her excited asshole twitch against my tongue as she convulsed under my hands.

“Did you enjoy that, Mom?” I asked.

“Yes,” she gasped.

“You have a very horny asshole, don’t you?” I asked.

“Yes,” she hissed.

When Mom recovered, I followed the trail of her pussy juices up to her horny pussy. I teased her for a few minutes before I ate her pussy seriously.

“I am going to come again,” she gasped.

She gushed in my mouth, and I drank all her overflowing juices.

“You are going to come your luscious ass off several times before I send you home to Dad,” I said.

She trembled.

Within the following few minutes, I made her come twice more. She gushed in my mouth profusely. I returned to her asshole and ate it to another orgasm.

“That’s enough,” announced Beth. “Now, fuck her pussy for half an hour. She must be so horny.”

Mom trembled when she heard that.

“Do you want my big cock in your little pussy, Mom?” I teased as I got up.

“Yes,” she gasped.

Mom was shaking when I touched my cock to her pussy. I slowly filled her pussy until I felt my balls rest on her asshole. Her pussy felt like molten butter. She took her breath in shallow bursts. With my cock balls deep in her pussy, I teased her clit with my thumb for a few seconds before she stiffened.

“I am coming,” she gasped.

“Come on my big cock, Mom,” I said. “Show Beth that you belong to my big cock even more than her mom does.”

“I’ll try,” she gasped.

Mom shook wildly in orgasm. I grabbed her ankles tightly and pounded her gushing pussy until she went limp. I gave her a minute to catch her breath before I returned my thumb to her clit. She came within half a minute.

“You love my big cock, don’t you?” I said as I pounded her twitching pussy throughout her orgasm.

“Yes,” she gasped. “It’s big and incredible.”

Her orgasm subsided, leaving her limp, but I did not stop fucking her drenched pussy hard. I drilled her pussy vigorously, making her come again and again.

“Your mom apparently loves being your slut,” said Beth.

“Is that right, Mom?” I asked.

“Yes,” gasped Mom.

“Tell Beth that you were meant to be my whore more than her mom was,” I said.

“Beth, I was meant to be my son’s whore more than your mom was,” she gasped, stiffening.

“No kidding,” said Beth.

“Mom’s a real slut,” I said as Mom convulsed around my pumping cock.

“No wonder you wanted to fuck her,” said Beth.

Mom came hard, and I pounded her pussy until she went limp.

When I withdrew my cock from Mom's soaked pussy, her asshole was drenched.

"You've done a serious job on your mom's little pussy," said Beth.

"This is how my slut mom should be fucked," I said. "Isn't that right, Mom?"

"Yes," gasped Mom.

My index finger did not face any resistance as it slid all the way up Mom's soaked asshole. Her sphincter clamped at the end of my finger when it was too late. I held my finger deep in her ass as her asshole unintentionally clenched around it not to let me take it out.

"Your little asshole's so hungry for my big cock, isn't it?" I asked.

She trembled, and her asshole twitched.

"You can't hide it, Mom, so admit it," I teased.

"Yes," she gasped.

"Don't be too shy to whore yourself to the big cock you belong to," I said. "Beth's mom and sister demanded it. They even blackmailed me into it."

"Nick, you didn't have to tell her that," whined Beth.

"Beth did too," I said.

"We did that because we loved your big cock so much," she said.

"Show her that you love my big cock even more," I said.

Mom squirmed as I teased her clit with my tongue tip. She came hard within a couple of minutes. My finger enjoyed her orgasmic anal spasms. I sucked her clit gently as I slowly withdrew my finger from her ass.

"You love coming for me, don't you?" I said.

"Yes," she gasped.

"Ride my big cock, and do more of that," I said as I sat next to her.

Mom straddled me, hiking her dress to her waist, and I held my cock for her until it nuzzled her pussy. She gasped as she sat on it swiftly, swallowing it entirely in one big gulp. She moaned as my cock stuffed her wet pussy. I took the hem of her dress from her hands and, as she rocked on my cock, I pulled her dress over her head. That left her naked. I pulled her to me and sucked a stiff nipple hard, making her gasp and making her pussy spasm. She rode my cock gently at first but picked up the pace quickly. My hands held her ass, pacing her and kneading her firm ass cheeks.

"You like bouncing on my big cock?" I smiled, pinching her nipples.

"Yes," she gasped.

"Tell Beth that you love being my whore," I said.

"I love being my son's whore," she gasped, looking at Beth.

"I can see that," said Beth. "Enjoy."

"I am enjoying that too, Mom," I said. "I love your tight little pussy."

"You have an amazing cock, darling," gasped Mom.

"Come on it all you want," I urged.

Mom came twice in that position. After her second orgasm, I teased her asshole with my fingertips, transferring some of the pussy juices that leaked profusely out of her heated pussy to her tight pucker. She rode me harder.

“You like this, Mom, don’t you?” I said.

“I love it,” she gasped.

“Are you ready to find out what this hot hole was made for?” I teased, rubbing her asshole with my fingertips.

“You mean this?” she teased, squeezing my cock with her pussy.

“Do you know already?” I teased, pressing a fingertip into her asshole.

“I can guess,” she said.

“Do you want to find out whether your guess was right or not?” I teased, popping my fingertip into her asshole.

“Yes, yes, yes,” she gasped, convulsing in orgasm.

While her asshole twitched in orgasm, I fed it the rest of my finger.

“I want you to come again for me while my finger violates your innocent asshole,” I said when she recovered.

She trembled and resumed bouncing on my cock. I rhythmically finger fucked her milking asshole.

“I am going to come for you, Nick,” she gasped when her orgasm approached.

“Do it, Mom,” I urged. “I love watching you and feeling you convulse on my big cock. The more you come for me, the more I’ll make you come. Come like a cheap whore.”

“I am coming,” she gasped, stiffening.

She came hard. I steadied her as both her fuck holes twitched around me ecstatically.

“I love coming on your incredible cock,” she gasped.

“It’s where you belong, Mom,” I said. “You belong to my big cock.”

“Yes,” she gasped.

While she recovered, I pulled my finger in different directions to ream out her asshole, which relaxed gradually. I squeezed the tip of my index finger into her asshole, and it clamped tightly. I patiently wiggled and wormed my fingers up her ass until they were all the way in.

“I love your tight asshole,” I said, gently twisting my fingers within her asshole. “It’s going to feel sizzling hot and wonderful around my big cock.”

“Your big cock’s going to feel so good in my ass too,” she moaned, her pussy bathing my cock in fresh juices.

“Come for me again while I loosen up your horny asshole,” I said, grinding into her wet pussy. “Show me how much it needs my big cock.”

She gasped, when I sucked her left nipple in my mouth, and started to ride my cock. I wiggled my fingers within her asshole and switched my mouth from a sweet stiff nipple to the other, sucking harder and harder. She moaned and rode me faster. Before long, I steadily finger fucked her tight ass.

“I am coming for you, Nick,” she gasped.

She shook and jerked on my cock and fingers before she collapsed in my arms. I gently swirled my fingers within her asshole while she recovered.

“Are you ready to have your virgin asshole readied for my big cock?” I asked softly.

“Yes,” she hissed, trembling.

“You can’t wait to lose your sweet cherry?” I teased.

“Not at all,” she gasped.

“Me neither,” I said. “I want to take what’s mine. Isn’t your luscious ass mine?”

“Yes,” she gasped.

“This may be the only time you can taste your virgin asshole,” I said, slowly pulling my fingers out of her ass.

She smiled when she saw my sticky fingers approach her mouth. I teased her lips with my fingertips before I slid them into her mouth. She sucked them slowly and thoroughly. I removed my fingers from her mouth and pulled her for our first long deep kiss. While we kissed, I squeezed my fingers back into her ass. I pumped my tongue in her mouth as I pumped my fingers in her asshole. She sucked the three of them.

When Mom and I broke the kiss, I popped my fingers out of her ass and sucked them. I helped her dismount me and assume her previous position. I had her grab her heels before I got off the sofa and knelt before her splayed ass.

“Do you like opening yourself obscenely for me to show me that you are mine?” I teased.

“Yes,” she hissed.

Mom’s pussy was drenched. I drooled on her asshole and gently licked her pussy clean while sliding two fingers in and out of her asshole. Meanwhile, Beth sucked my sticky cock.

Beth dropped my cock and showed me the bottle of lube. I motioned her to squeeze some. She did, and I removed my fingers from mom’s asshole and proceeded to work the lube inside. Beth generously added lube as I gently worked it inside Mom’s virgin asshole, reaming it out in the process. Mom moaned and squirmed, her pussy leaking freely. I ran my tongue up her glistening pussy lips and sucked her clit gently while I smoothly lubed and reamed her receptive asshole. She gasped and leaked profusely. She approached orgasm within a few minutes.

“I am coming,” she gasped.

Her clit trembled against my tongue and her asshole twitched around my fingers while she shook in orgasm.

When Mom’s orgasm subsided, I gently removed my fingers from her ass. Beth squeezed a big dollop of lube, and I patiently corkscrewed three fingers into Mom’s asshole, making her moan.

“You like having your horny little asshole stretched?” I teased.

“Yes,” moaned Mom.

While slowly sliding my fingers up Mom’s dilating asshole, I gently nursed her stiff clit. Before long, her asshole was stretched tightly around the bases of my three fingers. I held my fingers inside her ass and licked her clit gently to orgasm while Beth lubed my rampant cock.

“Is your innocent asshole ready for my wicked cock?” I teased Mom, slowly twisting my fingers within her ass.

“Yes,” she hissed, her asshole twitching.

“Spread your hot ass,” I said, guiding her hands to her ass. “I’ll take care of your sexy legs.”

As Mom spread her cheeks, I got up and grabbed her ankles with my left hand. I brought my cock to her glistening asshole, and Beth guided it in.

“You are the only one who can tell me to fuck your hot ass,” I said to Mom. “I make the others beg.”

“It’s okay, darling,” she said. “I want to be your slut. Please fuck my ass with your big fat cock.”

“You got that, Mom, you hot slut,” I said.

Although Mom’s asshole was relaxed enough that I could have popped my cock head past its sphincter with a swift shove, I slowly pushed it in, enjoying the little perfunctory resistance it involuntarily put on.

“Are you as excited about this as I am?” I asked.

“Yes,” she moaned.

Her sphincter opened up gradually and let my cock head sink slowly in. She let out a soft gasp when my cock head disappeared past her stretched anal ring. Her asshole clamped defensively again.

“Take a deep breath and hold it in,” I instructed softly, holding my cock motionless. “Your tight little asshole’s where it belongs.”

“Yes,” she moaned.

She took a deep breath, and I gently pushed my right thumb into her wet pussy. I slowly swirled my thumb within her leaky pussy, feeling her asshole twitch but relax. I removed my sticky thumb from her pussy and brought it to her lips. While she nursed it gently, I resumed my slow glide into her stretched asshole. I impaled her ass in a few short stages, taking very short pauses, while she sucked my thumb and moaned around it.

“This feels so good,” I smiled at her.

She moaned around my thumb.

When my cock was balls deep up her hot tight ass, I stopped moving and took my thumb out of her mouth. I dipped my thumb in her soaked pussy and returned it to her mouth.

“Milk my big cock,” I instructed as she nursed my sticky thumb like a baby. “Surrender your hot ass to me.”

“I already have, baby,” she moaned. “My horny ass is yours.”

“You are all mine now, aren’t you?” I said.

“Yes,” she moaned.

Her asshole milked my cock for a minute, gradually relaxing its grip. I returned my thumb to her pussy. I gently pumped my thumb in her pussy and my cock in her ass, slowly increasing the length of my strokes. Her asshole involuntarily milked my cock as I fucked it with short smooth strokes. I sucked my sticky thumb and used my right hand to grab her left ankle as my left hand grabbed her right ankle. I used longer and longer strokes, watching her asshole squeeze my cock tightly and her pussy leak profusely. I often smiled at her as she moaned, and her face twitched with every exquisite stroke.

“You are stretching her little asshole to the limit,” said Beth.

“This is what it was made for,” I said.

“Definitely,” she said.

“How do you like getting your once-virgin asshole fucked nice and deep?” I teased Mom, fucking her ass briskly.

“I love it,” she gasped. “It feels so good it’s the most delicious feeling I’ve ever felt.”

“Do you still think I shouldn’t do it?” teased Beth.

“Once you try it, you shouldn’t care about what anybody else thinks,” gasped Mom.

“You don’t care that I think you are a depraved slut lewd and outrageous enough to let her own horny son fuck her virgin asshole with his big hard cock while his decadent wife watches?” teased Beth, pinching Mom’s left nipple.

“I should be pleased that you know me so well,” gasped Mom as I picked up the pace and Beth continued to pull on her stiff nipple. “You know it takes one to know one.”

“Mom, are you admitting that you are my dirty slut?” I teased.

“What else can I be with your big cock pounding my little asshole like a battering ram?” she gasped. “A nun?”

“I am glad that you know what you are and you like it,” I said.

“I like being your slut because you take good care of me,” she gasped. “I love how you fuck my tight asshole. I am about to come for you.”

“That’s what you should be doing most,” I said.

Mom came almost immediately. Her poor pussy leaked like a loose faucet as if to keep her hammered asshole lubricated with its natural lube. I pounded her twitching asshole until she went limp.

“You are a hot slut,” I said, slowly pumping her asshole. “I am going to enjoy using you.”

“Me too,” she gasped.

“You have every right to want to fuck your slut mom,” said Beth.

“Of course,” I said.

Beth licked my balls and replenished the lube on my cock while I gently fucked Mom’s recovering ass. When Mom resumed moaning rhythmically, I picked up the pace and fucked her ass hard. She came twice before I climbed up astride her legs and thrust my cock in her mouth.

“Show my big cock your appreciation,” I said.

Mom took my cock in eagerly, and I fucked her face for a few minutes. Beth took the chance to eat and tongue fuck Mom’s asshole, making her moan around my cock. She also thoroughly lubed Mom’s asshole, fucking it with two fingers and then three fingers.

“Is my horny slut mom ready for more?” I teased as I pulled out of Mom’s mouth.

“You bet,” she said.

Beth guided my cock into Mom’s waiting asshole and fondled my balls as she watched me take Mom’s spread ass with long smooth strokes.

“Yes, baby,” egged Beth, slapping my ass. “Give your slut mom’s tight asshole a good fucking.”

Mom was soon gasping and moaning in rhythm with the flesh slapping sounds as I pounded her receptive ass. She came within a few minutes. When she recovered, I held her tightly and rolled us over so I was sitting on the sofa and she was squatting in my lap in the Asian cowgirl position.

“Bounce on my big cock, Mom,” I instructed, holding and spreading her ass. “Get your horny ass fucked.”

“Yes, Amy,” urged Beth. “Ride your son’s big cock like the decadent slut you claim to be. Show him how much you love his cock up your horny ass if you really do.”

“I love his cock,” gasped Mom, bouncing on my cock. “I love it more than anything, and I love it up my ass.”

“The big cock that you love so much is up your insatiable ass,” said Beth. “Indulge.”

While Mom indulged both of us, I sucked her nipples, switching my mouth from one to the other. She came soon. After her convulsions died down, she collapsed in my arms. I fucked her ass gently until she recovered and resumed riding my cock. Beth licked my balls as Mom got her ass fucked royally and came again on my cock.

Beth fondled my balls as she watched Mom ride my cock hard toward her third orgasm in that position. When Mom finished coming on my cock, Beth took it out and sucked it. She also licked Mom’s asshole. She refreshed the lube on my cock and put it back up Mom’s ass.

“Mom, turn around without losing my cock,” I instructed.

Mom carefully maneuvered herself into position. She was soon riding my cock with her tits in my hands. Beth took notice of Mom's available pussy and dove in it, slurping the copious juices. Mom moaned and slowed down to enjoy Beth's tongue. I thrust in Mom's ass harder to compensate. She soon came in Beth's eager mouth.

"Don't you think she's a good girl?" I asked as Mom moaned and squirmed contentedly in my arms.

"Oh, yes," she moaned. "She licked my sticky pussy clean."

"Are you going to be a good girl and return the favor when I fuck her horny ass?" I asked.

"I've never done that before," she said.

"I am sure she'll cherish being your first pussy," I said.

"Of course I'll cherish being her first pussy and ass," said Beth, lazily fingering Mom's leaky pussy. "I'll let you eat my pussy and ass whenever you want, and I'll eat yours whenever you want."

"That way, I'll have to let you eat my pussy and ass and eat yours whenever you want," said Mom. "I like that, but doesn't it make us lesbian lovers?"

"You can't do that without my presence and approval," I said. "You do it because you are my sluts."

Beth licked the stretched rim of Mom's asshole.

"Her asshole's full of your big cock, so I can't eat it," complained Beth.

"Mom, I am going to let you prepare Beth's ass for my big cock just for fun," I said. "Beth's my anal slut. That implies that her little asshole has to be ready for my big cock all the time. She'll teach you how to keep yours so too."

"Because he's a horny guy, he doesn't want to spend time on romancing and priming our assholes," said Beth.

"I do, and I enjoy doing that," I said, "but I want to do it for fun not because I have to."

"Excuses," teased Beth.

"Suck my big cock, Beth," I said.

"I'll eat her asshole first," she said. "Now that you've deflowered it, you won't be licking it often enough."

Beth helped Mom raise her ass off my cock and proceeded to lick her asshole. I slid two fingers into Mom's pussy and fucked it gently while Beth held Mom's left leg up with her right hand and stroked my cock with her left hand. Mom moaned and leaked around my fingers as Beth tongue fucked her asshole. A couple of minutes later, Beth used her left hand to hold Mom's right leg and used her right hand to finger Mom's asshole while she stuffed her mouth with my sticky cock. I used my left hand to tweak Mom's stiff nipples and pull on them.

"You like this, Mom?" I asked.

"You are your lovely wife are spoiling me," she moaned.

"We spoil each other," I said.

Beth returned my cock to Mom's ass and proceeded to eat her pussy while Mom and I bounced her ass on my cock. Mom came in Beth's mouth several times within the next fifteen minutes. My cock and I enjoyed every spasm and every gasp she made while her ecstatic asshole twitched around my happy cock. It was one long orgasm with several breaks sprinkled in. They left Mom sated but exhausted for the time being.

"That was wonderful," gasped Mom limply, "but I can't take it anymore."

"You can use a little cleaning up," said Beth.

While I gently thrust in Mom's ass, Beth made her come in her mouth twice more.

"I can't take it anymore," gasped Mom as she collected her strength and rolled off me.

“What do we do now?” asked Beth.

Beth swallowed my cock before I could answer.

“I guess we have to fuck your pussy until Mom can take my big cock in her ass again and prepare yours,” I said.

“That’s a good idea,” she said, straddling me.

Beth energetically rode my cock, gasping and moaning happily.

“Nick, you are so good,” complimented Mom, stroking my upper arm. “I’ve never been fucked this well.”

“I am glad you liked it, Mom, but, as you must know, I am not done with you,” I said.

“I loved it,” she said. “I hope I’ll be able to fuck more.”

“He’s good enough to share,” gasped Beth as I slid two fingers up her asshole. “That’s why I don’t mind sharing him. If you don’t have enough cock, you don’t have any to share.”

“Thanks for sharing, Beth,” said Mom. “Very few women would share even if they had more than enough.”

“I get to eat your delicious pussy and asshole and feed you mine in return,” giggled Beth. “It isn’t totally free.”

“You can’t convince me you are not a sweetheart,” laughed Mom.

“You are a *sweetheart* too,” gasped Beth.

“I’ll find out soon how sweet you are,” laughed Mom.

“Here have this first taste,” I said, offering Mom the two fingers I had had up Beth’s ass.

Mom took my fingers and sucked them thoroughly, moaning over them.

“I can’t wait to taste you firsthand,” Mom said to Beth.

“It’s time you did,” I said. “Get down on your knees and eat out her asshole. We need to get it ready for cock.”

Mom knelt on the carpet behind Beth and proceeded to lick her asshole. Beth stopped bouncing and started to grind her pussy into the base of my cock, enjoying Mom’s tongue. I spread her ass cheeks, giving Mom full access to her asshole, and Mom snatched the chance.

“Your mom’s a firecracker,” moaned Beth, her pussy twitching. “She’s tongue fucking my asshole.”

“She’s a great mom,” I said. “She’s making sure the horny hole receiving her son’s big cock is ready for it. She can also find out whether your ass is always ready for cock as we claimed.”

“You know it always is,” gasped Beth as she came, drenching my cock.

“Nick, your wife’s horny asshole’s very ready for your big hard cock,” said Mom, palming my balls.

“Thanks, Mom,” I said. “Double check that my cock’s ready too, and put it in her slutty ass.”

Mom took my sticky cock out of Beth’s wet pussy and swallowed it down her throat. She sucked it for a minute while finger fucking Beth’s ass with her right thumb. She finally popped my cock head up Beth’s asshole. Beth moaned and swallowed my cock up her ass. Mom returned to palming my balls as Beth bounced on my cock.

“Mom, is my big cock reaming out her asshole nicely?” I teased.

“Oh, yes, baby,” said Mom. “Maybe that’s why it’s always ready for your big cock.”

“Yes, if you mean because I always want to be ready for such a nice reaming,” gasped Beth.

After Beth came, she dismounted me, and I pulled Mom onto the sofa on her knees. I stood behind Mom, and Beth drooled on her asshole and spread her ass for me. I impaled Mom’s ass and proceeded to fuck it briskly.

“Your ass looks so hot,” I said. “There is no way a horny guy like me can resist such a gorgeous ass as long as it belonged to a sexy woman.”

“It’s all yours now,” gasped Mom. “Fuck it any way you want.”

“You can bet your sweet ass I will,” I said, pounding her ass harder.

Mom had a wild orgasm. While she recovered, Beth sucked my cock. I dipped it in Mom’s drenched pussy before I skewered her ass again. We repeated the same treatment. When Mom had her third orgasm, I was ready too.

“I am going to come,” I announced, slamming hard in Mom’s trembling ass.

“Yes, baby,” gasped Mom. “Come in your slut mom’s ass. Fill my bowels with your creamy come.”

“Yes, Nick,” urged Beth. “Flood your slut mom’s greedy ass with a big load of your hot come.”

By popular demand, my swollen cock twitched and spewed come deep in Mom’s receptive and convulsing ass. I held Mom’s hips tightly and made short thrusts as her twitching asshole drained my balls past her rectum. We ground into each other gently as we caught our breath.

My cock slipped out of Mom’s sticky asshole and into Beth’s mouth. I held Beth’s head to my crotch and lowered my mouth to Mom’s asshole. I kissed and licked Mom’s relaxed asshole lovingly, sticking my tongue inside it, before I gently cleaned up her drenched pussy.

“This will make sure what’s inside stays inside,” Beth said as she produced a glass butt plug from nowhere and effortlessly slipped it all the way up unwary Mom’s ass, making her gasp as her surprised asshole clenched around it.

“What’s that?” asked Mom.

“It’s your first butt plug so you can move freely when your ass is full of come,” explained Beth. “Now, come here and help me bring him back to life. I don’t want him to think he’s through with you.”

“He isn’t?” asked Mom with a smile.

“Not if you can still move,” said Beth.

“I think I can still move,” smiled Mom, shaking her plugged ass at me.

“If you can move, you can fuck, and he has to fuck you,” said Beth, stroking my cock.

“How am I going to go home when he’s done with me?” asked Mom.

“Who said you were going home tonight?” asked Beth. “You are leaving tomorrow after breakfast.”

“I can’t,” protested Mom. “Dan and Alex expect me back tonight.”

“They don’t,” said Beth. “I took care of everything. Dan said to make sure to take good care of you, and Nick’s doing just that. We just need to make sure he stays up to the job.”

“You told Dan I’d spend the night here?” asked Mom. “Doing what?”

“I said it was personal,” said Beth. “I didn’t say you’d be getting your horny ass fucked royally with your son’s big cock because I didn’t know then that you were such a dirty slut. I didn’t think he wanted to know that either.”

“I’ve never been a dirty slut before,” protested Mom.

“Do you want to call him and tell him this was your first time but definitely not your last?” teased Beth.

Mom slapped Beth’s forearm playfully.

“Come help me before this horny guy gets hard on his own,” called Beth.

Beth took my hardening cock in her mouth and proceeded to suck it. Mom soon took turns with her. My cock was rock hard in no time.

“Give your asshole a short break and have him fuck your pussy,” suggested Beth.

Mom’s ass had my cock more than half the time, but I fucked all six fuck holes well. Mom constantly had my cock, Beth’s tongue, or her butt plug up her ass. She took her second come load in her pussy, but it did not stay there for long as Beth sucked it out and shared it with her. Mom sucked a come load out of Beth’s asshole and shared it with her. We recessed for a quick dinner. In our second session in the bedroom, Mom took a come load in each hole.

By the end of our fuck fest, Mom was completely fucked out, and there was no break able to replenish her strength. She was practically out of commission for a while. She definitely needed a few days off to recover. She actually gave up before the end of our second session. I had to fuck Beth alone for a while, but, in the end, Beth was fucked out as well. I was not completely fucked out but tired.

“I am glad I don’t have to go home,” said Mom lazily as Beth cleaned her sticky pussy with her tongue.

We all fell asleep in the same bed naturally with Mom’s butt plug up her ass.

In the morning, Beth, Mom, and I showered and had breakfast. We did not have any sexual activity.

“I want you to go home like a good girl except for the butt plug up your ass and the lube,” reasoned Beth.

Mom kissed us goodbye and left after I gave her hot ass one last squeeze.

A BIRTHDAY PRESENT

As soon as Mom left, Beth turned to me with a new surprise.

“You know Mom and Lisa will be here before lunch,” said Beth nonchalantly.

“I do?” I asked.

“Didn’t we agree on exchanging weekend visits?” she said.

“I thought that was in the movie,” I said.

“Did you think in reality my mom and sister would be able to live without your big cock for long periods of time?” she teased. “They are your anal slaves. You are the only one who can and must take good care of their horny asses.”

“Hey, I am not complaining,” I said. “I am just surprised.”

“Now let’s talk about *your* ass,” she said. “You need to move it and get some groceries for lunch.”

The weekend my horny female in-laws spent with us was very hot because we did not have to work around anybody else’s schedule. They had to take two breaks and go shopping, but, otherwise, it was a big continuous orgy. For all the fun we had, we were all sore by Sunday afternoon. We decided to relax, and my in-laws chose to spend the night with us. We spend the afternoon and evening like normal families.

On Monday, Beth called me at work.

“Nick, we are having dinner with your family at their place tonight,” said Beth.

“Tonight?” I said. “Why not on Sunday?”

“You know how our weekends are always busy,” she said.

“When should we be there?” I asked.

“At five,” she said.

“At five?” I asked. “Isn’t that too early?”

“Tomorrow’s a workday,” she said. “We can’t stay up late tonight. You have to leave a little early.”

After work, I drove directly to my parent’s house. I was surprised to find Lisa there. Victoria was not there. Immediately after dinner, Alex left to spend the night at a friend’s. The rest of us lounged in the living room. Lisa got up and went to the kitchen or the bathroom.

“Dan, your wife and son helped me pick out a special birthday present for you,” said Beth.

“My birthday’s several months away,” said Dad.

“I know,” she said. “I wasn’t able to get you this special present on your last birthday, and your next birthday’s way out, so I decided to give it to you tonight. I hope you are okay with that.”

“You gave me a present on my previous birthday,” he said. “You don’t have to give me another one now.”

“What if I wanted to?” she smiled wide. “Wouldn’t you accept it?”

“Of course I would,” he said. “I appreciate that. Thank you.”

“You are most welcome,” she said, smiling. “We are all adults. I thought I’d give you an adult present.”

“Viagra?” he laughed.

“Something like that,” she said. “You don’t mind, do you?”

“You are giving me a present,” he said. “I can only accept it and appreciate it.”

“I think you’ll love it,” she said, getting up. “Excuse me for a few seconds. I’ll now get you your present.”

Beth walked to the kitchen. She soon returned leading Lisa, who wore a gift-wrapped box on her head. Beth led Lisa to Dad. She had her hand facing him and nudged her shoulders down. Lisa knelt down before him, and he was very confused. I was confused myself.

“Your special birthday present’s Lisa’s head,” said Beth. He was still confused. I got the idea but did not feel comfortable about it. “Lisa’s going to give you a royal blowjob. Remember that you’ve already accepted the gift.”

Mom and I held our breath. I did not know how Lisa was doing because her head was fully enclosed in the box. Beth smiled expectantly, and Dad did not know what to do.

“Are you going to leave Lisa’s head in the box?” said Beth. “Go ahead; unwrap your present, and enjoy it.”

“Lisa doesn’t need to stay in the box,” he said, lifting the box off Lisa’s head. Lisa’s lips had a red bow stuck to them. “I appreciate this gesture, but I can’t accept it. I am a married man. My wife’s sitting right next to me.”

“Everybody here is okay with this,” said Beth. “Aren’t you okay with my present, Amy?”

“Absolutely,” said Mom. “I think it’s priceless.”

“It’s priceless, but it’s still not right,” he said.

“Dan, Lisa can’t talk with the bow on her lips,” said Beth. “Please finish unwrapping your present.”

“Lisa, are you okay with this?” he asked, gently peeling the bow off Lisa’s lips.

“I want it even more than you do,” said Lisa, smiling excitedly.

Before he knew it, Lisa had his fly open and her hand inside his pants. He was taken off guard, so Lisa was able to fish out his partly hard cock before he could say or do anything. She took him in her mouth.

“Lisa, stop it,” he said, trying to push her head away.

Lisa held on tight and did not budge.

“Dad, Lisa’s really good at this,” I said. “Although Beth taught her how to suck and deep throat, she’s now the best cocksucker I’ve ever had hands down. Sorry, Beth.”

“That’s okay,” said Beth. “I guess the little slut needs to return the favor and teach me her new tricks.”

“I’d love to do that,” said Lisa. “I still appreciate everything you did for me, especially sharing Nick with me.”

“Dan, sit back and enjoy your present,” said Beth, pushing Lisa’s head down toward Dad’s hard cock. “This isn’t a five-minute blowjob. When she’s done with you, you’ll think it must be the best blowjob anybody has ever had.”

Beth returned to sitting next to me. I wrapped my right hand around her neck and slid my hand down her top. I was soon fondling her tits and teasing her stiff nipples.

After a few tense minutes, Dad relaxed. Lisa took his pants and underwear off while still sucking his cock.

“It’s awkward for me to be like this while the rest of you are sitting normally,” he said.

“Don’t worry about that,” said Beth. “We’ve all given or received this kind of presents anyway. Besides, it’s Lisa’s job to make you comfortable and happy. She’s very excited about giving you an unforgettable experience.”

Beth slipped her left hand down my pants and underwear and proceeded to squeeze my boner.

“Amy, does it turn you on to watch your daughter-in-law’s sister give your husband the best blowjob of his life ever?” teased Beth.

“Yes,” said Mom lowly.

“Is your horny little pussy getting wet and sticky right now?” teased Beth.

“Yes,” hissed Mom.

“How wet and sticky?” asked Beth.

“Very much so,” said Mom, blushing.

“Is there any danger that your overflowing juices may soak through your little dress?” asked Beth.

“Yes,” said Mom lowly.

“I guess I have to take a look and make sure everything’s okay,” said Beth, taking her hand out of my pants.

Beth got up and walked to Mom. She knelt in front of Mom next to her sister.

“Let me see,” said Beth, reaching for the hem of Mom’s dress.

Beth proceeded to hike reluctant Mom’s dress. When she hiked it high enough, Mom had to raise her ass. Mom’s dress was soon hiked over her hips. Beth pulled Mom’s knees apart.

“You are soaked,” said Beth. “Please scoot your ass forward.”

Beth pulled Mom’s ass forward, and Mom cooperated until her ass reached the edge of the loveseat cushion. Dad watched intently as Lisa continued to deep throat his hard cock.

“If we leave you this way, your juices will be dripping all over the seat in no time,” said Beth.

Beth suddenly dived between Mom’s legs and stuck her tongue into mom’s leaky pussy, making her gasp.

“Beth, what are you doing?” gasped Mom as Beth slurped her copious juices.

Beth did not talk or pull back until Mom relaxed and surrendered her pussy to her.

“I am just removing your leaking juices,” said Beth.

Mom moaned as Beth resumed eating her pussy. Beth soon pushed Mom’s legs up, exposing her plugged ass. Mom soon held her heels over her head. Beth licked and sucked Mom’s pussy leisurely while slowly working her butt plug in and out of her ass. Dad saw Mom’s butt plug but did not comment. Lisa kept him on the edge.

“This isn’t a present to your wife,” Beth said to Dad as she fucked Mom’s ass with the butt plug. “I am just making sure your present doesn’t ruin the furniture.”

When they settled down in their cock sucking and pussy licking, I got up and walked to Lisa and Beth. I knelt behind them in the middle.

“Dad, isn’t she a prize cocksucker?” I said as I hiked Lisa’s skirt, exposing her bare ass.

“Yes,” said Dad.

Lisa moaned when I stuck two fingers into her dripping pussy.

“She loves it,” I said, showing him my glistening fingers. “She’s soaked.”

“Of course I love it,” said Lisa as I sucked her juices off my fingers. “Why else would I do it?”

“Let him taste you,” I said.

Lisa reached between her legs with her left hand and stuck two fingers in her wet pussy. She took her sticky fingers out and offered them to dad. Dad sucked her fingers slowly.

“She’s delicious too,” I said as I hiked Beth’s skirt.

“Yes,” he nodded as I stuck two fingers of my right hand into Beth’s wet pussy.

“You are soaked too, Beth,” I said, taking my dripping fingers to my mouth. “You like pussy this much?”

“I am not eating pussy,” said Beth. “I am just licking up her excess juices.”

Both Beth and Lisa moaned as I stuck two fingers in each pussy. I proceeded to finger fuck them at a brisk pace. They thrust their asses out and tilted them up as they moaned and humped my fingers. A minute later, I took my fingers out of their pussies and moved to fucking their asses with their butt plugs. After a while, I started to switch the butt plugs between their pussies and asses.

“Why didn’t I think of that?” said Beth.

“Why didn’t you think of what?” I asked.

“I can use the butt plug to transfer her pussy juices to her asshole,” she said.

“Yes, you can do that,” I said.

Beth proceeded to switch Mom’s butt plug between her fuck holes. She reached back with her left hand. I crawled forward, and she fished out my hard cock. She stroked it for a while and then guided Lisa’s right hand to my cock. They both stroked my cock for a couple of minutes while I worked their fuck holes with their butt plugs.

“Mom, is Beth doing a good job keeping your juices under control?” I asked as I knelt behind Beth and pressed my cock head into her wet pussy.

“Yes,” gasped Mom.

Beth let out a soft grunt when I gripped her hips and slammed my cock balls deep into her pussy.

“You think she deserves to be rewarded?” I asked, fucking Beth’s pussy briskly.

“Yes,” said Mom.

Beth came within a couple of minutes. I fucked her gently while she caught her breath.

“Dad, is your present doing a good job?” I asked as I knelt behind Lisa, pressing my cock against her pussy.

“She’s doing a great job,” he said.

“Does she deserve a reward?” I asked as I slowly pushed my cock all the way into Lisa’s pussy.

“Yes,” he said.

Lisa came on my cock within a couple of minutes.

“Mom, is Beth still doing a good job?” I asked as I knelt behind Beth and switched her butt plug to her pussy.

“Yes,” gasped Mom.

“Does she deserve to get fucked up the ass?” I asked, pressing my cock into Beth’s asshole.

“Yes,” moaned Mom.

Beth let out a long moan as I filled her horny ass with my cock. I held her hips and fucked her ass briskly. She came within a few minutes. After she recovered, I pulled out and switched her butt plug back to her asshole.

“What about Lisa, Dad?” I asked as I switched Lisa’s butt plug to her pussy. “Is she still doing a great job?”

“Yes,” said Dad.

“Does she deserve to get her ass fucked?” I asked, aligning my cock with Lisa’s relaxed asshole.

“Sure if that’s what she wants,” he said.

“That’s what I want,” said Lisa. “Thank you.”

Lisa was soon moaning and bucking her ass as I fucked it at an accelerating pace.

“Her mouth isn’t her only incredible hole,” I said, drilling Lisa’s horny ass.

Lisa soon came while I pounded her ass vigorously. I fucked her slowly while she recovered. I stopped moving, and she worked her ass over my cock at the same pace she used on Dad’s cock. I looked down, enjoying the view and the feel of her ass as it worked on my entire cock, keeping it leaking in her rectum.

“Thank you, Nick,” said Lisa, looking back at me. “This is perfect: one cock in my mouth and one up my ass.”

“The poor girl has never had two cocks inside her at the same time,” I said, looking at Dad. “Enjoy, little slut.”

Lisa moaned as she pushed her ass all the way down my cock and squeezed appreciatively.

“Please make me come,” Mom begged softly.

“You haven’t earned it yet, Amy,” said Beth. “You haven’t even leaked a cup of juices.”

Mom groaned in frustration as Beth continued to tease her pussy and ass.

Lisa’s ass happily massaged my cock for several minutes.

“Do you want to earn an orgasm, Amy?” asked Beth.

“Yes,” hissed Mom.

Beth pushed Mom's butt plug up her ass and got up. She lowered Mom's feet to the floor and took her hand, pulling her to her feet. As Mom stood next to me, Beth took my right hand and pulled me up. I pulled out of Lisa's ass, making her let out a disapproving groan, and got up. Beth turned me around and pushed me onto the loveseat next to Dad. She knelt at my feet and rid me of my pants and underwear. She then got up and stood behind Mom. She pushed her toward me and nudged her shoulders down. Mom knelt down and was face to face with my hard cock.

"He fucked our pussies and asses," said Beth. "His big cock's all sticky and delicious. See if you can clean it up."

Dad watched Mom as she proceeded to lick my balls, but he did not comment. She thoroughly licked my balls and my entire shaft before she took the leaky head in her mouth and proceeded to suck it gently. Meanwhile, Beth knelt behind Mom and Lisa. She took hold of their butt plugs.

"I guess I am not as nice as Nick," said Beth. "I am going to hold the butt plugs for you, but you are going to work your asses over them. Take them all the way in one hole, then all the way out, and then switch holes."

Mom and Lisa worked their pussies and asses according to what Beth laid down. It took them a minute to get the hang of it while they deep throated the cocks in their mouths. Beth moved the butt plugs a little up or down to keep it interesting and challenging.

"Remember that cock sucking's job one," said Beth. "Fucking your pussies and asses is for your own pleasure."

Beth's game lasted for several minutes.

"Amy, do you still want to come?" asked Beth.

"Yes," said Mom.

Beth left the butt plugs in Mom's and Lisa's asses and got up. She took mom's hand, pulling her up to her feet and then did the same to me. She helped mom onto her knees on the loveseat. Mom laid her forearms on the backrest and laid her head on her forearms. She lewdly pushed her plugged ass out. Beth pushed Mom toward Dad until her left knee touched his thigh.

"Dan, why don't you spread your wife's ass so you can see what a slut she is?" said Beth.

Dad leaned to the side and pulled Mom's ass cheeks apart. Beth repositioned his hands for maximum effect. Beth retrieved lube from her purse and gently popped Mom's butt plug out, leaving her asshole slightly agape.

"Can you see how her little asshole gapes?" asked Beth as she squeezed lube inside and around Mom's anal rim and gently pushed the butt plug all the way in.

"Yes," said Dad lowly.

Beth pulled the butt plug out and squeezed more lube inside Mom's open rectum. Beth repeated that several times, working a generous amount of lube inside Mom's ass. Mom moaned quietly, pushing her ass against the butt plug. Beth finally pushed the butt plug into Mom's dripping pussy, causing her asshole to close shut.

"Tell him what you want," instructed Beth as she lubed my twitching cock thoroughly.

"Pleas fuck me," begged Mom lowly.

"Tell him where," demanded Beth.

"Please fuck me in the ass," begged Mom quietly.

"I think she earned it," said Beth, pushing me toward Mom.

"Are you sure?" I asked.

"Of course I am," said Beth. "Ask her."

"Is this what you want, Mom?" I asked.

“Yes,” hissed Mom.

Beth held my cock as I took my position behind Mom. Dad watched intently as I pushed my cock into Mom’s spread ass, popping the bulbous head past her sphincter. Mom gasped and shoved her ass back, taking my cock halfway in. I held her hips and shoved my cock all the way up her ass. My balls lay against the cool base of the butt plug as she gasped and stiffened.

“I am coming,” gasped Mom.

“Can you see how much she loves it?” Beth asked Dad.

“Yes,” he said lowly.

Mom shook in orgasm as I squeezed her tits and fucked her ass with short fast strokes. When her orgasm subsided, I fucked her ass gently.

“Your slut wife really loves getting fucked up the ass,” said Beth.

“I am surprised,” said Dad.

“I know,” said Beth. “The slut never let you touch her ass. My slut mom’s like that. She never let Dad touch hers either. I am different. Not only do I demand that my husband fuck my ass, but I also let him fuck any ass all he wants.”

“Beth, you are the best wife in the world,” I said. “I love you.”

“I love you too, baby,” she said.

Beth gave me a deep kiss.

“Your husband’s a very lucky guy,” said Dad.

“Why, thank you!” smiled Beth. “I am a lucky bitch myself.”

While keeping my cock balls deep in Mom’s ass, I arranged her position, pulling her ass back and tilting it down for a better angle of penetration. Dad continued to spread her ass for me. I held her waist and proceeded to fuck her at a slow pace, constantly gaining speed.

“Dad, Mom has an incredible ass,” I said.

“I know,” he said.

Within a few minutes, I was giving it to her hard and fast. She came wildly a couple of minutes later.

“Nick, show your dad how his slut wife’s asshole gapes,” said Beth.

“Sure,” I said as I slowly pulled out of Mom’s asshole.

Mom’s asshole gaped, and Dad looked at it. Beth popped the butt plug out of Mom’s pussy and into her ass.

“Get on your back, slut,” instructed Beth.

Dad took his hands off Mom’s ass, and she got on her back. Beth pushed her legs over her head and guided her hands to her heels. Mom pulled her legs by the heels pressing her knees against her shoulders. Beth gently popped the butt plug out of Mom’s ass and pushed it into Mom’s mouth. Mom took it all in and closed her lips around the groove.

“Your wife’s a real slut, Dan,” said Beth.

“I can see that,” said Dad.

Beth squeezed lube on Mom’s asshole and the upper side of my hard cock and pushed me toward the offered ass. I crouched and pushed my cock up Mom’s ass in one swift stroke, making her gasp. Beth took Dad’s right hand and singled out his index and middle fingers. She guided his fingers into Mom’s dripping pussy, and he slid them in.

“Hold them there and see how wet her pussy is,” said Beth. “Nobody touched it in a while.”

“She’s soaked,” said Dad.

“Now tell her she’s a whore,” she said.

“Honey, you are a whore,” he said.

Mom stiffened and came instantly. I thrust in her ass, drilling her twitching asshole with fast short strokes. She had a wild orgasm that left her out of breath.

“Have you ever imagined you could make your hot wife come by a word?” said Beth.

“I can’t believe it,” he said.

“Do you want me to tell you how your prim and proper wife has become her son’s anal whore?” asked Beth.

“Yes,” he said.

“Lisa visited us once for a week, and I caught Nick fucking her ass in her room,” said Beth. “They discovered I was there only when they heard me scream as I came madly on my fingers. That was when I shared Nick with Lisa and taught her all I knew about sex. Now, I hear, the slut’s a better cocksucker than me. As you probably know, we spent the Memorial week with my folks. On the first Saturday, I went out shopping. I got horny and went back home to get fucked. Guess what I was greeted by.”

“What?” he asked.

“In the living room, on the sofa, my slut mom and slut sister were on their knees just like your wife was several minutes ago,” she said. “Nick was switching his big cock between their asses—in the living room on a Saturday. They were asking for trouble. They were in no hurry either. Dad, Tom, or any neighbor could have walked in on them.”

“That’s unbelievable,” he said.

“Guess what I did,” she said. “I got on the sofa in the same position and demanded he fuck me in the ass while they told me how they got into that situation. It turned out that Nick had deflowered Mom’s ass by mistake, thinking she was me, when we once shared a bed in a hotel room. Whoever fucks his wife while her mom’s in the same bed?”

“No one I’d know,” he said.

“Anyway, neither of them could quit,” she said. “Now with both my mom and sister being his sluts, he had fun toying with them to fuck them together. Needless to say, the three of us were soon in that same position, and your horny son was happily switching his cock between our three asses. It turned out that he was filming it all. He threatened to stop fucking us and instead fuck his own family, so we promised to be his obedient anal slaves, and I promised to be a model wife and help him seduce his mom and sister if he really wanted them. He said he did.”

“Alex too?” asked Mom in shock.

“Yes,” said Beth. “We haven’t seduced her yet though, or she’d be right here now.”

“How did you seduce Amy?” he asked.

“I sent Nick to work with a big boner and invited Amy to visit me,” she said. “I showed her a movie we shot of Nick fucking me and my sister and mom together. By the time Nick came home with his big boner, she was his to take. As you can see, she now loves nothing more than being his whore. The same thing will happen to Alex. I suggest that you don’t miss a chance to check out her innocent little ass. It won’t be innocent for long but full of his come.”

That seemed a good time for me to make Mom come. I drilled her hard through her orgasm.

“Is Lisa still doing a good job on your cock?” asked Beth.

“Yes,” he said.

“You saw how your wife loves feeling that she’s his whore,” she said. “Don’t you think she’d feel more of a dirty whore if he fucked her in her marital bed?”

“I guess,” he said.

“Nick, why don’t you take your whore to the master bedroom?” she suggested. “Show her that she belongs to you and that you can fuck her whenever and however you want even in her husband’s bed while he watches.”

Mom stiffened and shook in orgasm.

“The mere thought makes her come like a cheap whore,” teased Beth.

Mom writhed wildly. I fucked her convulsing frame vigorously until she went limp.

When Mom recovered, I carried her with my cock up her ass, my arms under her knees, hers around my neck, and my hands behind her back. I took her to her bed. I threw the covers out of the way and deposited her on the bed with my cock still in her ass. Beth followed us, and Lisa led Dad by his hard cock behind us.

By the time our audience was around the bed, Lisa on her knees sucking Dad’s cock, I was on my knees fucking Mom’s ass with her legs pushed over her head. Beth made the lube click audibly as she placed it on the nightstand.

“Tell Dad whose dirty whore you are,” I whispered as I pounded Mom’s receptive ass vigorously.

“Dan, I am Nick’s dirty whore,” she gasped.

She stiffened immediately and convulsed ecstatically. I drilled her ass hard until she relaxed.

“I think we should leave the lovebirds alone,” said Beth. “You are better off sleeping in the spare bedroom tonight. Tomorrow’s a workday; you don’t want them to disturb your sleep. Lisa still needs to finish your present.”

Mom and I kissed passionately. We took each other’s clothes off, and she mounted me in the Asian cowgirl position. I held her ass and paced her as her asshole traveled up and down the entire length of my hard cock.

“Nick, I’ve brought you a change of clothes in an overnight bag,” said Beth. “It’s in the closet. Good night, baby. Good night, Amy.”

“Thank you, Beth,” I said as she walked out of the room. “You are amazing. Good night.”

“Good night,” said Lisa, leading Dad out by his hard cock.

“Good night, Amy,” said Dad. “Good night, Nick.”

“Good night to you all,” I said. “Thank you, all.”

“Good night, honey,” gasped Mom. “Good night, Beth and Lisa.”

Lisa sucked Dad’s cock royally for over half an hour more while Beth watched. She finally let him come in her mouth and swallowed every drop he offered. She sucked him dry and returned his soft cock to his pants.

“Mr. Callaby, thank you for this lovely evening,” said Lisa. “I really enjoyed it.”

“Thank you,” he said. “You are really the best cocksucker in the world.”

“Thank you,” she beamed.

“We have to go now,” said Beth. “I am so happy we got those lovebirds together without problems. I am so happy my husband and my mother-in-law are very happy. You are a wonderful man, Dan. Thank you for your help.”

“You are welcome, Beth,” he said. “Thank you for the birthday present. Thank you, Lisa.”

Mom and I were hornier than ever. We fucked each other silly, and fell asleep at two in the morning. I went to work despite my lack of sleep. I had to take a nap when I went home.

SEX EFFECTS

Beth gave me a couple of days to recover and invited Mom on Wednesday. She wanted to produce another of her adult movies starring herself and Mom. This time, I did not star; my cock did. It obliged her and fucked them silly. It was not as intense as the previous Friday or Monday as Mom had to drive home afterwards.

“Nick, you need to take tomorrow off,” said Beth on Thursday morning.

“Why?” I asked.

“You need to fuck your sister before we drive to my folks,” she said.

“What if it didn’t work out like that?” I asked.

“Did I get you to fuck your mom or not?” she asked.

“Yes,” I said.

“Do as I say and let me take care of everything,” she said. “The Conkley women get what they want. Your sister indeed is an anal virgin. Do you want her sweet virgin asshole or not?”

“You know I do,” I said, feeling my cock get hard just before leaving to work.

“Do as I say, and you’ll get it,” she promised. “Don’t tell your boss why you need the day off.”

That was how I ended up on Friday morning in the guestroom wearing funny garb provided by Beth. While I waited, I watched on a television monitor what was going on in the living room downstairs.

“Did you do as I told you?” asked Beth.

“Yes,” said Alex, blushing.

“Let me show you this hot erotic movie,” said Beth. “You like sex, don’t you?”

“Sure,” said Alex shyly.

“I think you are going to like this,” said Beth, grabbing the remote.

The black blank screen gave way to an engorged cock head filling most of the screen. It pulsed rhythmically. The cock head was soon joined by a tongue tip, which toyed with it, tickling and teasing it for a minute or two.

“It’s so erotic, isn’t it?” commented Beth.

“Yes,” said Alex.

“It makes my pussy so wet,” said Beth. “I am sure you’ll get soaked very soon.”

The lips joined the action and started to nip, suck and massage the cock head. The camera zoomed out a little, allowing more of the cock to show as the lips proceeded to take the cock deeper and deeper. Due to the aspect ratio of the wide screen, only the woman’s lips could be seen as more and more of the cock filled the screen. The tongue and the lips worked expertly on the cock head and the shaft.

“That woman really knows what she’s doing,” commented Alex.

“Alex, do you like sucking cock?” asked Beth.

“Yes,” said Alex.

“Are you good at it?” asked Beth.

“I think I am okay,” said Alex. “I am obviously not as good as this woman here.”

“If you really like it, why aren’t you very good at it?” asked Beth.

“Guys don’t let you suck their cocks all you want and sucking rubber isn’t as much fun,” said Alex.

“I know what you mean,” said Beth. “Don’t you wish you could spend an hour just sucking this big juicy cock and slobbering all over it like this lucky slut’s doing?”

“Oh, yes,” moaned Alex. “I am soaking my panties just watching her do it.”

“I can’t say that because I am not wearing any panties,” said Beth, as she grabbed a small towel off the end table. “Use this soft towel to stuff your panties or take your panties off and wipe your pussy.”

“Thanks, Beth,” said Alex, taking the towel from Beth. “I can’t believe I am doing this.”

“It’s perfectly normal to get soaked when you see something this hot,” said Beth as Alex wiggled her panties off and shoved the towel between her legs. “Feel free to play with yourself too.”

Beth spread her legs and shoved a towel under her ass. She sat back with her right hand between her legs. Alex started to play with her pussy when she saw Beth do so.

“Do you want to try mutual masturbation?” suggested Beth after a few minutes of solo pussy play.

“What’s that?” asked Alex suspiciously.

“I play with your pussy, and you play with mine,” said Beth. “That way it’s hotter.”

“Isn’t that considered lesbian?” asked Alex.

“You should do something or not do it because of its own merit not because some people consider it one thing or another,” explained Beth. “In this case, it isn’t considered strictly lesbian anyway because we are excited by that big cock not by each other’s little pussy. If we don’t like it, we can stop. I’ve never done it before either.”

“Okay,” shrugged Alex.

Beth scooted next to Alex and guided Alex’s left hand to her wet pussy.

“Play with my pussy like you’d play with yours,” said Beth as she touched Alex’s wet pussy, making her gasp.

“Oh!” gasped Alex as Beth teased her clit. “This feels hotter already.”

“Let’s take it slow and enjoy it fully,” suggested Beth. “Let’s save our big orgasms for later.”

“Yes,” hissed Alex.

“Keep your eyes on the screen,” said Beth. “Imagine it’s you who’s sucking that thick luscious cock.”

A few minutes later, the camera zoomed out further, and Beth’s face filled half of the screen.

“Is that you?” asked Alex, looking at Beth incredulously.

“Thanks for the earlier compliment,” said Beth, smiling mischievously.

“Whose cock is it?” asked Alex curiously.

“I am a married woman, Alex,” said Beth. “I can’t tell you that until you are my coconspirator.”

“What do you mean by coconspirator?” asked Alex.

“I can’t tell you whose cock it is until you’ve sucked it,” explained Beth.

“Can I really suck it?” asked Alex excitedly.

“Everything’s possible,” said Beth cryptically. “Let’s talk about it after we finish the movie.”

“You really know how to suck cock,” complimented Alex. “You must be one of the best.”

“Thanks, Alex,” said Beth. “It’s all about practice and imagination.”

“You got them both,” praised Alex.

“Naturally, that doesn’t mean anything if you don’t love cock passionately,” said Beth.

“Of course,” said Alex.

Beth sucked that cock for ten more minutes. The camera zoomed back in, and Beth pulled back until only her tongue was teasing the cock head. Her tongue finally disappeared and the glistening cock head filled the screen.

A few seconds later, a tongue appeared on the screen, and the same routine started all over again.

“This isn’t you,” said Alex when the lips started to work on the cock head. “Her lips are different.”

“You are right,” smiled Beth.

“She’s a great cocksucker too,” said Alex.

“I’ll make sure your compliment reaches her,” said Beth.

“Do you know her?” asked Alex.

“We both know her,” said Beth. “I wouldn’t share such a succulent cock with just anybody.”

“That cock’s attached to one lucky guy,” said Alex.

“You need to try it to know who really is lucky,” said Beth.

The woman continued to suck that cock skillfully. In a few minutes, her face filled half the screen.

“She looks much like Mom,” said Alex, looking at Beth suspiciously. “Is she Mom?”

“I can’t tell you that,” said Beth. “This woman may be married, and this may not be her husband’s cock. I can’t tell you anything about her, but let’s assume for a moment that she’s your mom. Isn’t your mom a woman? Doesn’t she have sexual needs and urges? Isn’t she entitled to suck a nice big juicy cock like you and me? Whoever she is, let’s focus on what she’s doing to that mouthwatering cock.”

They continued to watch with their fingers working continuously on and in each other’s pussy.

The cock sucking session ended with the tongue teasing the cock head for a minute before disappearing from view.

The next scene started with a wet swollen pussy and the asshole underneath it filling the screen. They were tilted nearly all the way up. The clit was obviously stiff. They looked so hot and mouthwatering. A cock or a tongue was badly needed there.

A big bulbous cock head came from above and slowly forced the pussy lips apart and penetrated the pussy. The thick shaft slowly followed, stuffing the pussy. In a few seconds, full balls covered the asshole, filling the screen. The cock paused like that for a few seconds before it withdrew almost all the way out and then went balls deep again. The cock fucked the pussy with long smooth strokes at a slow pace, accelerating slowly but constantly.

“This looks so hot, doesn’t it?” asked Beth, teasing Alex’s clit.

“Yes,” moaned Alex.

“If you are a good girl, you may get to try it,” said Beth, making Alex tremble. “You like that, don’t you? You want that big hard cock to fuck your horny pussy nice and deep, stuffing it tightly again and again?”

“Yes,” moaned Alex.

“You wish you were lying there getting fucked in place of that lucky slut?” teased Beth.

“Yes,” moaned Alex.

“What if that cock-hungry slut was your own mom?” teased Beth. “Would you still wish you were getting your hot pussy fucked like that instead of hers?”

“Not instead of her but in addition to her,” gasped Alex.

“What if you only had one choice?” asked Beth. “Do you want that big fat cock in your pussy or your mom’s?”

“In mine,” gasped Alex.

“You are a selfish bitch, Alex, aren’t you?” teased Beth.

“I guess I am,” gasped Alex.

“We all are,” said Beth. “Would you suck your mom’s copious pussy juices off that big cock if you had to?”

“In a heartbeat,” gasped Alex.

By then, the cock was pounding that pussy hard. It soon made it come. The overflowing pussy juices bathed the puckered asshole. The cock fucked the drenched pussy slowly for a minute before it slowly slid out, allowing the gaping pussy to close shut albeit loosely. It slowly headed down and then pressed into the glistening asshole, forcing it to hollow in. The asshole dilated slowly, and the bulbous cock head sank in, allowing the sphincter to close around the beginning of the thick shaft.

Alex gasped.

“This can’t be my mom,” said Alex as she watched the thick shaft impale the stretched defenseless asshole.

“What if she weren’t your mom?” asked Beth. “Would you suck a big cock that fucks horny women up the ass?”

“Yes, if it were this appetizing,” gasped Alex.

“Would you suck it right after it has fucked this slut in the ass?” asked Beth.

“Maybe not,” gasped Alex.

“You are a spoiled bitch, Alex,” teased Beth. “I’d suck it fresh out of her ass.”

“I’ve never shared a cock before,” said Alex apologetically.

“You have to if you want a piece of this,” said Beth. “You can’t have this big juicy cock all to yourself. Other sluts would kill you with their bare hands if you tried.”

“I am willing to share,” said Alex.

“Sharing means you have to suck it when it comes out of another slut’s pussy or ass,” said Beth.

“If I have to do that, I’ll do it,” said Alex.

“You have to *want* to do that,” said Beth. “Do you want to suck it when it comes out of a slut’s ass?”

“Yes,” hissed Alex.

“Good girl,” praised Beth, teasing Alex’s clit and making her gasp. “That’s how you become another slut.”

The cock pounded that receptive asshole through orgasm. They could see the asshole clearly spasm in orgasm. After the orgasm died, the cock fucked the asshole with slow deep strokes for a minute or two. It finally slipped out, and the gaping asshole closed shut but loosely so.

The camera zoomed in on the cock head until it was joined by a tongue tip. The camera then zoomed out a little, and the cock thrust in the offered mouth. When the cock thrust all the way in, the balls filled the screen. It fucked the offered mouth hard for a few minutes before it slid out. The cock head and the open mouth filled the screen as thick come spurting out of the twitching cock head into the open mouth.

After several spurts, the come diminished and the tongue licked the sticky tip of the cock head. The cock head disappeared and the mouth closed and swallowed. The camera zoomed out until the screen was filled by the smiling face of the woman Alex thought looked like her mom. The partly hard cock appeared again, and the two women went to suck it hungrily.

“They are not done,” commented Beth. “The horny sluts are getting him hard for the next round.”

“Is that my mom?” asked Alex as the other woman swallowed the hardening cock.

“Do you want to find out who this slut is or do you want to meet the big cock?” asked Beth.

“I want to meet the big cock,” said Alex.

“Suck your juices off my fingers and let me suck mine off yours,” said Beth, bringing Alex’s sticky fingers to her mouth and her sticky fingers to Alex’s.

They did not hesitate to suck their juices off each other’s fingers.

“Let’s get naked and go meet that cock,” said Beth as she pulled her dress off. “If you are lucky, you are fucked.”

Alex took off her top, bra and skirt and looked at Beth, waiting for her next move. Beth turned off the television set and the DVD player.

“Let’s go the guestroom,” instructed Beth. “There is a bed there in case he decides to fuck us.”

Beth led the way, and Alex followed.

“Don’t ask any questions or look too closely or suspiciously,” warned Beth. “Focus on the big cock not the man.”

“Okay,” croaked Alex.

When Beth and Alex entered the guestroom, I was waiting behind the door. Beth pushed the door shut and they went straight in.

“Get down on your knees,” instructed Beth, kneeling, when they reached the center of the room.

Alex knelt down next to Beth, facing the window.

“Close your eyes and count to five slowly before you open them again,” instructed Beth.

Alex closed her eyes for five seconds. Meanwhile, I quietly walked around her and stood before her. I was wearing a black hooded cloak and a matching ski mask with the hood drawn down over most of my face but I could see down. I also had on a pair of black boots. My hard cock extended proudly through the flaps of my cloak. When Alex opened her eyes again, my pulsing cock was inches off her lips. She gasped.

“Is this the big cock that you want?” asked Beth.

“Yes,” hissed Alex.

“Suck it, Alex,” directed Beth. “Suck it like the slut you are. Suck it all you want. If you do a good job, he may fuck you like you’ve never been fucked before. Isn’t that what you want, you horny little slut?”

“Yes,” hissed Alex.

Alex swallowed before she leaned forward toward my throbbing cock.

“Tease it with your tongue first just like you saw in the movie,” directed Beth. “You can do whatever you want later. You have to suck it for fifteen minutes at least. If you don’t, he’ll spank you and send you home unsatisfied.”

Alex obediently proceeded to tease my leaky cock head with her tongue. She did that for a couple of minutes before she sucked my cock head and massaged it with her lips. A couple of minutes later, she worked her stretched lips further down my hard shaft.

“I brought this slut to you because she doesn’t get enough cock to suck,” said Beth, looking down. “She’s a good girl. Her only problem’s being horny. I let her know that, if she was good, you could make her another slut of yours.”

Without a word, I reached down and ruffled Beth’s hair.

“Thank you,” she said.

Meanwhile, Alex stuffed her face with my cock hungrily.

“She’s so hungry for your big juicy cock,” said Beth, shoving her hand between Alex’s legs. Alex gasped and trembled at that. “She soaked her pussy while she watched her slut mom suck your mouthwatering cock onscreen.”

Silently, I reached down and ruffled Alex’s hair.

“You need to thank him when he complements you like that,” directed Beth. “Look down when you do.”

“Thank you,” said Alex, looking down.

“You need to be a good girl if you want this cock-hungry pussy to be fed well,” said Beth, fingering Alex’s dripping pussy. “You are so horny you need a marathon fuck to satisfy you.”

Alex trembled as Beth teased her pussy.

“Taste her pussy please,” said Beth, extending her sticky fingers up to me.

Holding Beth’s wrist, I sucked her sticky fingers slowly one by one, tasting Alex’s pussy for the first time. I released Beth’s hand and ruffled Alex’s hair.

“Thank you,” said Alex humbly.

“He likes you,” said Beth, returning her fingers to Alex’s sodden pussy. “He’s going to fuck you numb with his big fat cock. He’s going to stupefy all your cock-hungry holes and make you forget all about your sissy boyfriends.”

Alex trembled, occasionally losing concentration as Beth’s fingers tortured her leaky pussy.

“Show him you are your mother’s daughter,” urged Beth. “Show him you are a slut worthy of his divine cock.”

Poor Alex sucked my cock like her life depended on it.

“Take it easy, Alex,” suggested Beth. “There is enough cock to feed a small army of little sluts like you. Take a break and work it out with your tongue.”

Alex stopped sucking my cock and proceeded to tease my cock head with her tongue. I ruffled her hair.

“Thank you,” she said.

“Lick the entire shaft and the balls,” directed Beth.

Alex complied. That earned her a token of appreciation from me, and she thanked me for it.

“Are you ready to get fucked, Alex?” asked Beth.

“Yes,” hissed Alex, nodding.

“I know you are,” said Beth, showing Alex her glistening fingers that had been in her pussy. “Get down on your hands and knees like a bitch in heat, and beg him to fuck you.”

“Please fuck me,” begged Alex when she got on all fours, thrusting out her hot ass.

Beth spread Alex’s ass for me as I knelt down behind her. I brushed my cock head up and down Alex’s leaky pussy for a minute before I aimed it at her hole and shoved it all the way in. Alex stiffened and came instantly. I held her hips tightly and drilled her twitching pussy vigorously, giving her multiple orgasms. She was gasping for air when her orgasms subsided. I fucked her gently while she recovered.

“How does it feel so far?” asked Beth.

“It feels wonderful,” gasped Alex. “It’s the best sex I’ve ever had.”

“You haven’t even started yet,” smiled Beth. “As long as he likes you, he’ll fuck you royally.”

As Alex recovered, my pace accelerated. Within a couple of minutes, she came again. I leaned forward and fondled her ripe tits while I fucked her leaky pussy toward her next orgasm. She was starved for cock. She came again and again. I did not want to deplete her energy before even changing positions. I slowed down, but she continued to come every few minutes.

“Alex, I see that you like getting fucked like a little whore,” teased Beth.

“Yes,” gasped Alex.

“Don’t you think that makes you a little whore yourself?” teased Beth.

“Yes,” gasped Alex.

“Your stud already knows you are a little whore,” said Beth. “He can see you, hear you and feel you come all over his big cock again and again, but he doesn’t know whether you are *his* little whore or not. Men usually feel obliged to fuck their own little whores well but not other men’s ungrateful little whores. You don’t want him to take his big cock out of your cock-hungry pussy and find himself another little whore to fuck. You know he has another little whore kneeling right next to you who’s no less hungry for his big juicy cock than you are. Tell him you are his little whore and beg him to fuck you like the cock-hungry little whore you are.”

Alex came again while she listened to Beth’s horny banter.

“Alex, he can’t hear you beg him to continue,” reminded Beth as Alex gasped for air, rocking on my cock.

“I am your dirty little whore, my stud,” gasped Alex. “Please fuck me nice and hard like the cock-hungry little whore I am, and never stop.”

Alex’s pussy twitched as she begged for more of my cock. I held her hips tightly and picked up the pace.

“Can you feel what those few magic words can do?” teased Beth.

“Yes,” gasped Alex.

“You have another hot trick that will make sure he’ll never let you go,” said Beth.

“What’s that?” gasped Alex.

“I’ll let you know soon,” said Beth. “Don’t worry about it for now. You won’t leave until you are his slut forever and you know it. Now, enjoy this hot pussy fuck.”

Alex fucked back eagerly. I made her come twice without a break.

“Alex, your running pussy juices drenched his big cock and balls,” commented Beth. “You need to suck it clean. Let me clean up your soaked pussy first.”

As soon as I pulled my drenched cock out of Alex’s dripping pussy, Beth took my place and sucked Alex’s wet pussy into her mouth, making her gasp. Alex soon moaned and ground her pussy into Beth’s face. With Beth’s ass exposed, I drooled on her asshole and lunged in, completely skewering her ass.

“Oh, he’s fucking my asshole,” gasped Beth, briefly letting go of Alex’s pussy.

“Can I watch him fuck your ass?” asked Alex.

“Sure,” said Beth, “but I want you to come in my mouth first.”

“Okay,” said Alex. “That sounds like fun.”

“It tastes like fun too,” giggled Beth. “Your pussy’s delicious.”

Beth took a few minutes to make Alex come in her mouth while I fucked her ass nice and deep. Beth cleaned up Alex’s fresh orgasmic juices before she raised her head off Alex’s pussy.

“Now, you can watch him fuck my ass,” said Beth.

Alex sat next to Beth and watched my hard shaft pump Beth’s stretched asshole with long strokes.

“Wow!” exclaimed Alex, completely taken by the view. “It’s so big. How does it feel?”

“Touch my pussy if you want to find out how it feels,” moaned Beth.

Beth gasped when Alex reached between her thighs and touched her dripping pussy.

“You are soaked,” said Alex.

“Now, you know how it feels,” said Beth.

“Doesn’t it hurt at all?” asked Alex.

“Can you hear me complain?” gasped Beth as I picked up the pace.

Beth was fast on her way to a big anal orgasm.

“Ass fucking’s my favorite sex act,” gasped Beth just before she stiffened and came.

When Beth’s orgasmic convulsions died down, I popped my cock out of her ass and got up. I held the back of Alex’s head and pulled it to my cock as I thrust my cock in her face. My cock was halfway in her mouth before she knew what happened. She hesitantly sucked my cock, but soon her hesitation was replaced by eagerness.

“I love sucking his big cock after he fucks me up the ass,” said Beth. “Now, you know why as you savor the sophisticated flavor blend of his cock, your pussy and my asshole.”

Beth leaned toward my cock, and I popped it out of Alex’s mouth. Alex watched Beth hungrily deep throat my cock for a couple of minutes.

“Would you like to taste my pussy on his big cock?” suggested Beth.

“Sure,” said Alex.

Beth got on her hands and knees, and I drilled her pussy to a quick orgasm. Alex did not hesitate when I thrust my glistening cock in her face. She soon fucked her throat with it eagerly.

When Alex was done with my cock, Beth helped her onto her back on the carpet and pushed her legs over her head. I took my position before her pussy and pushed my cock all the way into her wet pussy, making her tremble.

“Are you ready now to find out whose little whore you are while he makes you come hard on his cock again and again?” asked Beth as I fucked Alex at an accelerating pace.

Alex nodded.

“He can’t hear you,” said Beth.

“Yes, I am ready,” gasped Alex.

“Are you ready to take this big juicy cock in your virgin ass too?” asked Beth.

“I’ve never done that before,” said Alex nervously.

“That’s the magic trick that can make you his little whore forever,” said Beth. “It would also show him again that you are your mother’s daughter. She was an anal virgin before she took this big cock up her horny asshole last Friday, and she could never get enough of it. Do you think you can show him you are as much of a dirty slut as she is?”

“Yes,” hissed Alex.

“Okay, get ready,” called Beth as she took off my cloak and then my ski mask.

“Nick?” gasped Alex when she saw my face for the first time.

“Yes, my sweet little whore,” I said, picking up the pace.

She was limp in shock, but that did not prevent her from coming on my cock less than a minute later. I drilled her gushing pussy throughout her orgasm and then slowed down.

“Are you ready to be your big brother’s little whore?” I asked, slowly fucking her wet pussy while she recovered.

“Yes,” she hissed, nodding.

“Shove your pussy up and swallow my big cock,” I instructed, pulling out until only my cock head was inside her pussy. “Show me you are really my little whore.”

Alex shoved her pussy up and stiffened in orgasm. I thrust into her, pounding her twitching ass into the carpet as she convulsed and gasped.

“She’s a slut just like her mom,” teased Beth.

“That makes two of you,” I said. “Your mom’s also a slut.”

“Any woman who ever tastes your big cock for the first time will be your slut forever,” she said.

“Alex, do you want me to fuck your virgin asshole?” I asked, gently thrusting in Alex’s pussy.

“Yes,” said Alex lowly, her pussy twitching, “but please be gentle.”

“From now on, your sweet ass is mine,” I said. “You know how well I treat my possessions.”

“Did you really deflower mom’s ass?” she asked.

“You’ll find out later,” I said.

“Your mom had always been a good girl,” said Beth. “She had kept her sweet asshole virgin. That changed last Friday. She’s now Nick’s good girl. She takes his big cock anywhere and any way he wants and begs for more.”

Alex trembled and came. I pounded her twitching pussy vigorously until her orgasm died down.

“You’ve been a good girl too,” continued Beth. “Now, it’s your turn to be Nick’s good girl.”

Alex trembled and came again. I hammered her gushing pussy into complete limpness.

“Tell him you want to be his good girl if that’s what you want,” said Beth.

“I want to be your good girl,” said Alex.

“Beg him to take your ass cherry and make you his good girl,” instructed Beth.

“Nick, please take my ass cherry, and make me your good girl,” begged Alex, gasping.

“I will, Alex,” I promised. “You’ll only leave this house a good girl.”

“What does a good girl do when her wish is granted?” prodded Beth.

“Thank you, Nick, for granting my wish,” gasped Alex.

“You are welcome,” I said, fucking her harder. “You are the kind of good girl I want for myself.”

She soon came.

“Are you ready to be my good girl?” I asked, fucking her gently as she recovered.

“Yes,” she hissed, trembling.

“Get on the bed in this same position,” I instructed as I dismounted her.

While Alex took her position, Beth helped me with my boots. I climbed onto the bed completely naked and lowered my mouth to Alex’s drenched pussy. Beth watched, fondling Alex’s tits and pulling on her nipples, while I ate Alex’s pussy through two orgasms.

When Beth saw me head down to Alex’s asshole, she guided Alex’s left hand to her pussy and pulled Alex’s legs further back, tilting her ass up more. Alex fingered Beth’s pussy while I ate her asshole. Her pussy leaked down on her asshole where my tongue licked up her juices. She soon had a wild orgasm, and her asshole twitched around my wiggling tongue tip.

When I finished cleaning up Alex’s drenched pussy, Beth handed me the lube.

Alex gasped when I covered her asshole with a big dollop of cool lube. I patiently worked the lube inside her tense asshole, using one finger to pump and ream out her asshole. She relaxed, and her pussy leaked profusely. I worked the mixture of lube and pussy juices inside her asshole. I squeezed a second dollop of lube and used two fingers to work it in, slowly twisting my fingers within her ass. When her asshole relaxed well, I fucked it rhythmically until she convulsed in a wild orgasm. I pumped her ass gently while she recovered.

“Do you want me to be the only man to have all your holes?” I teased, lazily twisting and pumping my fingers in Alex’s relaxed asshole while Beth lubed my hard cock.

“Yes,” hissed Alex.

“Do you want to be his anal slut like your mom?” teased Beth.

“Yes,” hissed Alex, trembling.

“Beg him to fuck your little virgin asshole nice and hard with his big fat cock and make you his anal slut like your slut mom,” teased Beth. “Make sure to refer to your mom as a slut so he can tell what you mean.”

“Nick, please fuck my tight virgin asshole really well with your big hard cock and make me your anal slut like our slut mom,” gasped Alex.

“You are a good girl, Alex,” teased Beth. “You are your mom’s daughter. Your mom would have been so proud of you. You are following in her footsteps. I am sure Nick will fuck your horny ass like it belongs to a cheap whore. He never turns down a damsel in distress. You have a dripping pussy, so you are a damsel, and there is nothing that can show you are in distress like begging. Why don’t you beg him a little more to make sure he doesn’t miss it?”

“Nick, please fuck my cock-hungry virgin asshole,” begged Alex, gasping. “Please make me your dirty little anal whore just like our horny slut mom. Please fuck my hot asshole even harder than you fucked Mom’s lewd ass.”

“Do you really want my big cock in your ass that bad, Alex, baby,” I teased as I continued to finger fuck her ass.

“Yes,” she gasped.

“Do you think you can be a real slut like Mom?” I teased.

“Yes,” she gasped.

“Alex, I like the way you beg,” I said. “Beg for my big cock more if you really want it.”

“Nick, please fuck my horny ass,” she gasped. “It’s virgin and so hungry for your big cock. I’ll be your dirtiest slut, even dirtier than Mom. I’ll be your obedient slave. Please fuck my ass.”

“This girl’s good,” I said to Beth. “She wants to be my anal slave just like you and the others.”

“She can’t be your anal slave if you don’t fuck her ass,” commented Beth, stroking my greased cock.

“I shouldn’t make her wait,” I said as I pulled my fingers out of Alex’s ass and took my position before her offered ass, grabbing her heels with both hands.

Beth guided my cock head to Alex’s glistening asshole, making her gasp when they touched. I pressed gently, and Alex’s asshole opened up slowly. When my cock head was halfway in, I lunged forward, driving my hard shaft halfway up her ass. She stiffened and came.

“I am coming,” gasped Alex.

Alex stiffened. I grabbed her ankles and, while she convulsed in orgasm, I drove my cock all the way up her twitching asshole in two swift thrusts. I held my cock balls deep in her trembling ass for a few seconds before I lunged back and started to fuck it hard, making her orgasm explode into a new and more intense one. I pounded her shaking frame until she went limp. I slowed down as she recovered.

“You definitely love your brother’s big cock up your slutty ass,” said Beth.

“Yes,” gasped Alex.

“You are my anal slut now,” I said to panting Alex. “Are you happy with your decision?”

“Yes,” she gasped. “It was the best decision I’ve ever made in my whole life. I love feeling your big cock up my ass. Please keep fucking my ass, and don’t stop.”

“I won’t stop fucking your hot ass before you are so fucked out you can’t tell whether I am still fucking you or not,” I promised, fucking her ass with long slow strokes. “I won’t be able to get enough of your hot ass easily.”

“I don’t want you to,” she gasped. “I never knew how bad I needed your big cock in my horny ass. It’s scary.”

“Don’t fear, baby,” I assured. “From now on, your hot asshole’s going to get more cock than it can handle.”

“Thanks, Nick,” she gasped. “You are so good to me.”

“You are my little sister,” I said. “I have to take care of you. I enjoy that too.”

“No kidding,” laughed Beth. “I am so happy for the two of you.”

“Thanks, Beth,” said Alex. “It wouldn’t have been possible without you.”

“It would have taken a little longer,” laughed Beth. “You two are too horny never to fuck with or without me.”

Alex remained in that position through five hard orgasms. She was then so exhausted I had to give her a few minutes to gather enough strength to assume the doggy position. Beth sucked my cock while I licked and tongue fucked Alex’s relaxed asshole for a few more minutes. I gently worked extra lube inside Alex’s ass before I knelt behind her and skewered her willing ass.

“Get your hot ass fucked, Alex,” I instructed, cupping her tits and squeezing them gently.

Alex rocked her ass back and forth over my cock while I busied myself with her ripe tits and stiff nipples. Our pace picked up quickly, and I fucked her ass through two orgasms in that position.

“You have a great ass, Alex,” I said, fucking her ass gently. “I definitely want it to be impaled on my big cock more often than not.”

“Me too,” she gasped.

Alex went down to her forearms while she recovered. I pushed her shoulders further down into the leapfrog position. My wicked wife guided Alex's hands to spread her own ass as I crouched astride it.

"Never be too shy to show me how hungry for my big cock you are, my little whore," I said.

"I've never been this horny," she gasped.

"I know," I said, thrusting in her ass from above.

The pace accelerated, and I pounded Alex's receptive ass through three orgasms before I lowered myself onto her, flattening her onto the bed with my cock still buried in her ass. I captured her tits and fucked her ass leisurely for half an hour before I picked up the pace and made her come.

"I am going to flood your hot ass with come," I announced. "Are you ready for that, baby?"

"Yes, yes," she gasped, shaking in orgasm. "Fill my horny ass with come."

While she shook wildly, I held her hips tightly and pumped my come deep inside her twitching bowels. Her anal spasms drained my balls, and we rested like that for several minutes, her sticky asshole squeezing my cock.

Alex milked my cock, and it got harder, so she continued to milk it. Within a few minutes, my cock was rock hard, and I fucked her ass gently. I picked up the pace and made her come. When she recovered, I slowly withdrew my cock out of her ass and straddled her shoulders, bringing my sticky cock to her mouth.

"Suck it, my dirty little slut," I whispered.

Alex smiled before she parted her lips and took my cock head in. In a minute, she was on her back, moaning happily as I fucked her face. Several minutes later, I slid down her body and fucked her drenched pussy to orgasm before I pushed her legs over her head and fucked her ass to another orgasm. After she recovered, I rolled onto my back, taking her with me into the cowgirl position. I finger fucked Beth's pussy and asshole while she sucked Alex's jiggling tits while Alex bounced her ass on my hard cock.

Beth soon sat on my face. She bounced Alex and alternated between kissing her and sucking her tits. I eagerly ate Beth's leaky pussy and horny asshole until they came, Alex's orgasm ahead of Beth's by seconds.

"Nick, your sister said she wanted to suck your big cock out of other sluts' asses," said Beth, dismounting me.

"She already did," I said as Alex collapsed on top of me.

"She didn't mean that she wanted to do it only once," protested Beth as I gently thrust in Alex's ass.

"Is that how you tell me to fuck your ass?" I teased.

"It's just a reminder that I am flesh and holes," smiled Beth.

"Can you spare my cock long enough for me to fuck this slut up the ass?" I asked Alex.

"Sure," smiled Alex. "You are going to let me suck it when you are done, right?"

"That's the point," I said.

"Is it?" Alex teased Beth.

Alex dismounted me, and Beth immediately took her place. Alex held my cock to help Beth impale her ass on it. She pulled back and watched Beth work her ass up and down my hard cock.

"Now, I know how this feels," smiled Alex. "I thought it was just perverse."

"It's incredible, isn't it?" moaned Beth.

"It's unbelievable," said Alex.

"You can ride his tongue," suggested Beth as she bounced her ass on my cock.

“That’s a good idea,” giggled Alex.

Alex sat on my face and rode my tongue with her ass most of the time. After they both came, Beth dismounted me and pulled Alex’s head down to my cock. I slurped Alex’s drenched pussy while she stuffed her face with my cock, moaning happily. Beth joined me and ate Alex’s asshole until we made her come. I fingered Beth’s soaked pussy, and she rode my fingers to orgasm, coming just after Alex.

“I can’t believe how much fun I am having,” gasped Alex.

“I am glad you like it,” I said.

Alex rolled off me, and Beth went to kiss her. I arranged them in the sixty-nine position with Alex on top. They proceeded to eat and finger each other’s pussy and asshole. I removed Beth’s fingers from Alex’s asshole. She spit on it and sucked my cock head a little before I stuffed it up Alex’s ass. I grabbed Alex’s hips and fucked her ass nice and hard, making them moan into each other’s leaky pussy until they gushed in each other’s mouth. I let Beth suck my cock before I moved around and fed it to Alex who sucked it eagerly. Alex spit on my cock head before she guided it into Beth’s asshole, which I fucked hard until they both came again in each other’s mouth.

“Do you think you can suck my come out of my horny wife’s asshole?” I asked Alex when she finished slurping Beth’s drenched pussy and raised her head as I thrust gently in Beth’s ass.

“I can, and I want to,” smiled Alex.

“You are a good anal slut,” I said, petting her head. “I am going to fuck your ass once more before we do that.”

“My ass is yours,” she said. “Fuck it any way you want.”

“I want you in the reverse cowgirl position so I can fondle your tits and Beth can eat your juicy pussy,” I said.

“Thanks for the treat, Nick,” Beth mumbled into Alex’s pussy, squeezing my cock with her anal muscles.

Alex happily gushed in Beth’s eager mouth as I drilled her excited asshole. It was then my turn to come in Beth’s ass for Alex to taste her first such come load. For that, Alex lay on her back and Beth mounted her in the sixty-nine position. They ate each other’s pussy and Beth finger fucked Alex’s ass while I drilled hers with my cock.

When it was time for me to pump Beth’s ass full of my come, I did not go for depth because it was Alex’s first time. I shot my come with only my cock head up Beth’s twitching asshole. Some come went in deeper, but most of it was easily accessible. I used one-inch thrusts in addition to Beth’s anal spasms to drain my come up her ass.

“Get ready, Alex,” I warned as my orgasm died down. “Suck it all out and show it to me before you swallow.”

“You have to share some with me too, or I’ll clench my asshole shut,” threatened Beth playfully.

“I’ll share,” promised Alex.

“Good girl,” praised Beth.

When I pulled out, my come leaked out of Beth’s still gaping asshole. Alex licked it up and sucked Beth’s asshole for more. When she thought she got it all, she tapped Beth’s ass. Alex opened her mouth to show me the come before she closed it tightly. Beth dismounted her, and she got up.

“Let’s lewdly trade his come back and forth a few times like cheap whores,” suggested Beth. “I think he’ll like that. It will help us get him hard faster too.”

Alex was all for it. I watched them dribbled my thick come in each other’s mouth several times. In the end, their lips joined in a sloppy kiss. I could tell that my come was still being passed back and forth. They finally broke the kiss, and each swallowed. There was nothing left when they opened their mouths wide next.

Beth was right. My cock stirred as I watched her and my once innocent sister engage in that decadent behavior. One second their mouths were empty, and the next they were full of my hardening cock.

Because I had to save two come loads for the evening for my in-laws, I decided to use three more come loads on Alex. The number was so fitting that each load would go into a different hole. The one that went into her pussy Beth shared with her, and the one that I shot in her mouth she shared with Beth. My last come load went deep up my sister's well-fucked asshole, and that was when Beth presented her with her first butt plug.

Alex was prone, and I was lying next to her with my right leg crossed over her left, lazily stroking her right ass cheek. Beth was lying on the other side of Alex, her left leg crossed over Alex's right and her left hand stroking my balls. We were resting silently until we heard applause.

Beth did not bother to look. I looked and saw Mom clapping her hands, but I did not speak.

"Mom?" asked Alex in shock and embarrassment.

Alex tried to roll over because, in addition to her complete nudity before Mom, her butt plug was in plain view.

"Don't be shy," assured Mom with a smile. "I have one of those too. As a matter of fact, I am wearing it now."

"You are?" asked Alex in shock.

"You have to stay in shape," said Mom. "A good slut's always ready for cock, especially if it's this big. I'll tell you all about it on our way home. I am very proud of you, Alex. You've turned into a hot slut in no time."

"So, what brings you here, Mom?" I asked, rolling onto my back, "Why didn't you announce your visit so we could welcome you properly?"

"I came here to pick up my daughter," she said. "I knew you'd fuck her out of her mind. I didn't announce my visit because I didn't want to disrupt your plans for her."

"How much did you see?" I asked.

"I saw it all," she said. "I even saw them downstairs watch the movie."

"You must be drenched," I said.

"I am all sticky and wet, but I know you are driving to your in-laws soon, so I don't want to tire you," she said as she leaned forward and stroked my soft cock.

"I'll be driving to my in-laws," I said. "Beth isn't. She can take care of you and make you come a few times."

"Sure," said Beth, getting up to make room for Mom.

Mom hiked her dress and sat on the edge of the bed next to Alex. She leaned back, and Beth knelt between her legs and proceeded to lick her sticky thighs before she ate her pussy. Mom moaned and gasped constantly.

"Suck my cock," I said as I stood next to Mom, thrusting my hardening cock in her face.

Alex sat up and watched Mom intently as she worked her tongue over my cock head until my cock was rock hard. Before long, Mom was eagerly letting me fuck her throat.

"Mom, you know you can't bring your hot ass over here and take it home dry," I said. "Alex is about to watch you in person get fucked in all your holes."

"Are you sure you want to do that?" she asked.

"You can't just tease me and expect to go home like that," I said. "If you bring your ass over, I have to fuck it."

Mom came in Beth's mouth within a minute. I got off the bed and pushed her onto her back. I pushed her legs over her head, exposing her plugged ass. Beth guided my cock into Mom's wet pussy, and I fucked it hard. Mom came soon, and I licked her pussy clean.

“Keep it warm,” I said to Beth as I removed the butt plug from Mom’s ass and popped it up Beth’s.

Alex volunteered to hold Mom’s legs over her head as I proceeded to eat Mom’s asshole to orgasm. Meanwhile, Beth lubed my cock thoroughly. When I got ready to enter Mom’s asshole, Beth slapped a big dollop of lube on it. I slowly impaled Mom’s ass on my cock and proceeded to fuck it gently. Beth helped her out of her dress.

Mom’s ass got a solid workout within the following hour with hardly any break. We changed positions several times and ended with Mom and Alex on their knees sucking my cock.

“Am I a good wife for you, Nick?” asked Beth.

“Yes, Beth, you are the best,” I said.

“Now, I am the horniest too,” she said. “Would you mind if I shared your big cock with my in-laws?”

“Not at all if it’s okay with them,” I said.

“Would you kindly share this big juicy cock with me?” she asked as she knelt next to Mom and Alex.

“It would be wonderful,” said Mom while Alex sucked my cock. “We are not here to take over your husband’s gorgeous cock. We appreciate your sharing it with us.”

“From now on, you have as much right to it as I do,” said Beth. “I won’t be doing you any favors either. It’s yours just like it’s mine. I’ll share it with you just like I do with my mom and sister. Nick and I want to see you here often asserting this right that you earned by being the hottest mom and sister a guy can have.”

“That’s true,” I said. “You two have become my sluts just like Beth and her sister and mother. From now on, you’ll have to bring your hot asses over here regularly to get your fill of my cock.”

“We will, right, Alex?” said Mom.

“That’s right,” said Alex, looking up at me and then smiling at Beth. Mom took the chance to take my hard cock in her mouth. “Nick, you are the sweetest brother a girl can have, and you have a wonderful wife.”

“Thanks, Alex,” said Beth. “You and your mom have been a great help for me to make my husband and his family happy. I really appreciate that and look forward to more of it. By the way, next weekend my mom and sister will be here. I expect you to spend the weekend here too. We’ll have a big pool orgy among other fun activities.”

“I wouldn’t want to be Nick on the next Monday morning,” laughed Alex.

“That’s a small price to pay for a wonderful weekend,” I said. “The five of you won’t be much better either.”

Beth neglected to mention that our dads would be here too and that I would fuck their women in front of them.

After they sucked my cock, the three of them got on their hands and knees on the bed. I first fucked Beth’s ass to orgasm and then switched to Alex’s pussy, fucking it to orgasm. I fucked Mom’s pussy to orgasm and ended with her in the position we started with. I drilled her ass hard, and, when she came, I pumped a nice come load up her twitching ass. Beth plugged Mom’s relaxed asshole tightly with the butt plug. Alex licked Mom’s sticky pussy clean, making her come in the process.

A SLUTTY NIGHT

Mom and Alex showered and got dressed. We kissed passionately before they were about to leave, wishing us a good trip to my in-laws.

“Actually there is a small change in plans,” said Beth. “I want Alex to come with us. I want her to suck Dad’s cock while he spreads Mom’s ass for Nick. We need to get Dad ready for the upcoming pool orgy.”

“The men are invited?” asked Mom.

“The men and my brother, Tom,” said Beth. “They need to get used to watching Nick fuck his whores freely.”

“You mean your dad and mine will watch Nick fuck our moms?” asked Alex in disbelief.

“Your dad has already watched Nick fuck your mom,” said Beth. “Last Monday, Nick spent the night in your mom’s bed while your dad slept in a spare bedroom. Tonight, Nick’s going to spend the night in Mom’s bed while Dad sleeps elsewhere. Are you going to help like Lisa helped with your dad?”

“Sure,” said Alex. “I’ll do anything I can.”

“For your trouble, you’ll get to see Nick fuck Mom in front of Dad for the very first time,” said Beth.

“What if your dad didn’t play nice?” asked Alex.

“My dad’s going to be even easier than yours,” assured Beth. “Keep his cock hard in your mouth, and relax.”

Beth put Alex in revealing attire that put most of her tits and all of her legs on display. She also had her not wear underwear except for her butt plug. Beth’s attire was not much more modest.

We set out in the early afternoon. Beth took the driver seat, and Alex and I took the backseat. As soon as we hit the freeway, Alex sat astride me, and we started making out. Before long, her bare ass was in my hands as I gently worked her butt plug in and out of her stretched asshole. Soon, her tits were in my face, and I switched my mouth from a sweet nipple to the other while she moaned and ground into me. I got my pants and underwear out of the way, and we resumed making out while she stuffed her wet pussy with my hard cock and ground gently into it.

Beth fingered her own pussy lazily while she drove. We took it easy. I did not come, but I made Alex come several times. About halfway through the trip, Beth made an emergency stop and switched places with Alex. Throughout the drive, my cock was most of the time in a warm moist hole or another. All their cock hungry holes sucked and milked my happy cock eagerly.

Beth milked my cock with her asshole when she called her mom and made arrangements for us to meet them at a restaurant. We went straight to the restaurant, arriving there just before eight. We took a booth. Alex sat right across from John. I sat next to her across from Victoria, and Beth sat next to me across from Lisa.

By the time we placed our orders for drinks, the toes of my right foot were toying with Victoria’s bare pussy. Victoria pushed her pussy forward and looked at me contentedly.

“I missed you, Nick,” said Victoria, winking.

“I missed you too, Victoria,” I said, grinding my big toe into her clit. “I even missed my sweet Lisa.”

“I also missed you,” gasped Lisa as I switched feet and used my right foot on her bare pussy while I used my left foot on her mom’s pussy.

“Did you miss me?” Alex asked Lisa, smiling innocently as she played footsie with John.

“Yes,” said Lisa. “I am glad you decided to visit.”

“Thanks to Beth,” said Alex. “She invited me.”

“Alex, you don’t need invitation,” said Victoria as Alex’s foot teased John’s inner thigh just past his knee. “Our house is open for you anytime.”

“I really appreciate that,” said Alex.

“Excuse me for a minute,” said Victoria, winking at me. “I need to go to the restroom.”

“So do I,” said Lisa, smiling at me.

“This is as good a time as any,” I said, getting up as soon as Victoria and Lisa walked away. “Excuse me.”

Beth let me out and sat right next to Alex, who by that time had her toes very close to John’s crotch.

“Dad, Nick considers Alex a little slut,” said Beth as Alex’s toes touched John’s boner. “Don’t you think she looks very sweet though?”

Alex smiled at him innocently as she teased his boner with her toes.

“Dad, being a man, do you share Nick’s opinion, or do you think she’s a sweet little girl?” teased Beth.

Alex waited with the most innocent smile in the world while she massaged his boner.

“I think she’s a sweet little girl,” he finally said.

“Thank you, Mr. Conkley,” said Alex, beaming, as she located and teased his cock head.

“You are welcome,” he said.

“Alex, honestly, are you a little slut or a sweet little girl?” teased Beth.

“Do you both promise not to tell anybody if I tell the truth?” taunted Alex, still smiling while teasing his boner.

“I don’t promise,” teased Beth, smiling.

“What about you, Mr. Conkley?” asked Alex. “Do you promise?”

“Yes, I promise,” he said.

“I am a sweet little slut,” said Alex with all the innocence in the world in her smile.

“So, Nick was right after all?” said Beth.

“Nick’s always right,” said Alex. “I can’t fool my own big brother.”

“You don’t seem to mind that Dad now knows that you are a little slut,” said Beth.

“Not only that, but, because he promised, I don’t mind if he called me a little slut whenever we were alone,” said Alex. “I hope you don’t mind that either.”

“Just make sure he doesn’t do that in front of Mom,” said Beth. “I don’t think she’s appreciate that.”

“Your mom would call me a little whore,” smiled Alex.

“You are not a little whore, are you?” teased Beth.

“No, not really,” smiled Alex. “I never do it for money.”

“That’s too bad for the IRS,” laughed Beth.

“Mr. Conkley, I like it when a man I respect tells me I am a sweet little slut,” said Alex. “Please do that for me.”

He was embarrassed. He looked at Beth shyly.

“Go ahead, Dad,” encouraged Beth. “I don’t mind. She deserves it too.”

“You are a sweet little slut, Alex,” he finally said, his face turning red.

“Thank you, Mr. Conkley,” said Alex right way, teasing his cock head. “I’ll find a way to make it up to you.”

“Why don’t you flash him your tits to show him that you are really a little slut?” suggested Beth.

“I’d gladly do that if you flashed him yours too,” said Alex sweetly.

“He’s my dad,” protested Beth.

“That’s okay,” said Alex. “He won’t stare at yours. You’d only be flashing them just in case he wanted to contrast mine with them to make sure that mine are younger and firmer. It would also make me feel better.”

“You are on,” said Beth. “We’ll keep them exposed for five seconds.”

“Are you serious?” he said in disbelief and panic.

“Mr. Conkley, just make sure to take a good look at mine,” said Alex as she continued to tease his cock head.

“Ready,” said Beth, holding her neckline. Alex did the same. “Set. Go.”

Beth and Alex both pulled their necklines down, exposing their bare tits at the same time. Beth turned toward her dad, who went speechless.

“What do you think, Mr. Conkley?” said Alex nonchalantly as she covered her tits. “Aren’t they younger and firmer than hers?”

“Yes,” he said lowly and absentmindedly.

“Mine are bigger, aren’t they, Dad?” said Beth.

“Yes,” he said lowly.

“Just by a little,” said Alex.

“My nipples are bigger and more sensitive,” said Beth.

“I don’t think so,” said Alex. “Mr. Conkley, do you think her nipples are bigger than mine?”

“I don’t know,” he said, still in shock.

“We can have him suck and lick our nipples to find out which are more sensitive?” said Alex.

“How would he know which are more sensitive?” asked Beth.

“The more sensitive the nipples, the wetter the pussy,” said Alex.

“He wouldn’t agree,” said Beth. “Dad, would you suck our nipples to find out which pair is more sensitive?”

“No,” he said.

“Would you like to flash him our pussies so he can see that mine is younger and tighter?” said Alex.

“That’s where you are wrong,” said Beth. “Mine’s tighter. Your brother doesn’t use it much.”

“Are you saying that my brother doesn’t take good care of you?” said Alex.

“He takes wonderful care of me, but he doesn’t use my pussy much,” said Beth.

“Oral isn’t really the same,” said Alex.

“Who said anything about oral?” said Beth, smiling. “Your brother’s the world’s best ass fucker. He reams out my butthole for hours on a daily basis my butthole must be looser than your pussy, but it’s still tight.”

“Despite that, you are telling your dad I am the slut?” teased Alex.

“He’s my husband,” said Beth. “Dad, do you think letting my husband have his way with me makes me a slut?”

“No,” he said.

“Your pussy’s tighter than mine, but my butthole’s tighter than yours,” said Alex. “Does that make it a tie?”

“I still have the bigger tits,” said Beth.

“Mr. Conkley, do you think her tits are bigger than mine by enough to make a difference?” asked Alex.

“Dad, hers are younger than mine by a few years, but mine are bigger than hers a little,” said Beth. “Which pair would you pick?”

“Beth, you can’t ask me this question,” he complained. “I am your dad.”

“What if you had two strange girls with our tits?” said Beth. “Which girl would you pick?”

“I don’t know,” he said.

“He doesn’t want to embarrass you,” teased Alex.

“Is that true, Dad?” asked Beth.

“I don’t know,” he said.

“We both have nice tits,” said Alex. “Mr. Conkley, you’d love to have both pairs, wouldn’t you?”

“I guess,” he said, blushing.

“Dad, have you ever reamed out mom’s asshole?” asked Beth.

“Beth, this isn’t something I want to discuss,” he said, blushing.

“You already know that Nick does mine every day,” she protested.

“He doesn’t want to know that and doesn’t want you to know that about him,” said Alex.

“That’s true,” he said.

Meanwhile, I pulled Victoria and Lisa into the handicapped stall, and they knelt down and proceeded to suck my hard cock right away. I fucked their pussies and asses each to a quick orgasm, and they sucked me clean before I licked their sticky pussies clean. They walked away, and I called Mom, telling her I had just fucked them.

“What took you so long?” asked Beth when her mom and sister returned. “Where is Nick by the way?”

“I saw him make a phone call,” said Victoria.

“There he is,” said Beth as I approached our booth.

Beth let me back into my seat, and she and Alex immediately started to tease and squeeze my hard boner under the table where our hosts could not see.

“Mom, does Dad ream out your asshole with his reamer?” asked Beth.

“Beth, what are you talking about?” asked Victoria.

“Dad already knows that Nick reams out mine daily with his reamer and creamer, but he wouldn’t tell us if he’s ever reamed out yours,” said Beth.

“Not that it’s any of your business, but he’s never done that,” said Victoria.

“Why not?” asked Beth.

“It’s inappropriate,” said Victoria.

“Do you think it was inappropriate of me to have Nick ream out mine?” asked Beth.

“No, I don’t think so,” said Victoria. “It’s okay for a woman to oblige her husband.”

“I didn’t oblige him though,” said Beth. “He obliged me. It was me who first told him to ream out my virgin asshole with his powerful reamer and creamer.”

“It’s nice for a woman to oblige her husband,” said Victoria.

“We are not married at that time,” said Beth.

“It’s nice for a girlfriend to oblige her boyfriend,” said Victoria.

“Lisa, do you let Derek ream out yours?” asked Beth.

“No way,” said Lisa.

“Why not?” asked Beth.

“As Mom said, it’s inappropriate,” said Lisa.

“What about you, Alex?” asked Beth.

“No way either,” said Alex.

“Why not?” asked Beth.

“My boyfriend’s a very nice guy, but he’s the kind of guy you’d only want to eat your pussy,” smiled Alex. “I am sure Lisa knows what I am talking about.”

“I know exactly,” giggled Lisa. “I have a similar boyfriend.”

Our food arrived about then. My cock was harder than rock in Beth and Alex’s wicked hands.

“Nick, come here,” said Beth as she scooted out of the seat and pulled me out.

“What?” I asked as I slid out of the booth and stood next to her.

Beth pushed me toward the other end of the booth, where Lisa sat. She pushed me against the divider with her right hand while she used her left hand to pop my hard cock and balls out. She stroked my cock with her left hand.

“Beth, what are you doing?” asked Victoria as her husband was in shock.

“Mom, don’t you think it’s gorgeous?” said Beth.

“Yes, but why are you showing it to us?” asked Victoria while Alex and Lisa struggled not to giggle.

“Lisa, if you had this, wouldn’t you want it in every hole you had?” said Beth.

“Yes,” hissed Lisa. “It’s so much bigger and more beautiful than Derek’s.”

“What about you, Alex?” said Beth.

“Had I seen this before I met my boyfriend, I wouldn’t have let him touch me,” said Alex.

“Mom, wouldn’t you have thought it were very appropriate to have it ream out your little asshole?” asked Beth.

“Yes,” hissed Victoria.

“Does anybody blame me for constantly craving it up my horny butt?” said Beth.

“No,” said Victoria.

“Lisa, kiss it,” said Beth.

“What?” said Lisa in surprise.

“It’s okay to show your stud brother-in-law some respect,” said Beth. “Kiss his big gorgeous cock.”

Lisa hesitantly leaned toward me and kissed my cock head, teasing it briefly with her tongue tip.

“Mom, kiss it,” said Beth.

“I am a married woman,” protested Victoria.

“Dad wouldn’t mind if you showed your son-in-law due respect, would you, Dad?” said Beth.

“No,” said her dad lowly.

Victoria leaned to the side and took my cock head in her mouth. She swabbed it with her tongue before she pulled back. Her husband naturally did not see what she did.

“Dad, I know you’ve seen other guys in lockers,” said Beth. “Don’t you think this is beautiful?”

“Yes,” said her dad.

Beth bent over and kissed my cock head. She ran her tongue tip around the engorged head in front of everybody before she tucked my cock in.

Beth pushed me back into my seat and sat next to me.

“You are one lucky bitch, sister-in-law,” Alex said to Beth.

“I know,” smiled Beth. “Wouldn’t you be a slave to this big wonderful cock?”

“Yes,” smiled Alex. “I’d let him bend me over this table and fuck me in the hole of his choice.”

“Nick would fuck all your holes, especially your little asshole,” said Beth. “He’s an ass man. Once you try him, you’ll never brag about the tightness of your little butthole. You’d actually brag about how loose he kept it.”

“As I said, you are one lucky bitch,” said Alex. “Don’t you agree, Lisa?”

“Yes,” said Lisa shyly.

“I am sure even your mom agrees,” said Alex. “Don’t you, Mrs. Conkley?”

“Yes,” said Victoria. “I think she’s silly though. If I had this, I wouldn’t waste time here, bragging about it.”

“I am a lucky bitch, but I am not a selfish bitch,” said Beth. “Nick knows that he’s welcome to any slut he deems worthy of his wonderful cock. Any and all of you are welcome to take his big cock for a spin as often as you want.”

“You really don’t mind if he had sex with other women?” asked Victoria.

“As long as she admits she’s his slut,” said Beth. “I’ll always have my fill of his big cock and then some.”

“My stud brother’s married to the best wife in the world,” said Alex. “Mr. Conkley, wouldn’t you love it if your wife gave you a similar permit?”

“I am too old for that,” he said.

“You are not old, but wouldn’t you have loved it even more when you were younger?” she asked.

“I guess,” he said.

“You’d have to satisfy me like Nick satisfies Beth to get such a permit,” said Victoria.

“I know,” he said wisely.

“I appreciate this, but it’s strange to have my equipment be the topic of a dinner conversation,” I said.

“Shut up, Nick,” teased Alex. “I’d have loved it if I had a group of people praising my hot pussy or tight ass.”

Victoria smiled.

“Would you, Mrs. Conkley?” said Alex.

“You bet,” said Victoria.

“Mrs. Conkley, you have a great ass,” I teased.

“Thank you, stud,” she smiled. “It’s yours whenever you want it.”

“Have some shame, Mom,” chided Beth. “You are with your husband and horny teenage daughter.”

“You can’t say this after you flaunt your husband’s impressive cock and have us kiss it,” said Victoria. “Besides, they’ve both admitted that your husband has a gorgeous one.”

“Lisa, Beth and I flashed your dad our tits,” said Alex. “Do you have the guts to flash Nick yours?”

“Somebody could see,” protested Lisa.

“You think everybody was blind when we did?” teased Alex. “Your mom can encourage you by flashing hers.”

“If you do that, I’ll let Nick kiss them for you like you kissed his big cock,” said Beth.

“Are you crazy?” said Victoria. “You want us to do this in front of your dad and maybe others?”

“I am sure Dad wouldn’t mind after Alex flashed him hers,” said Beth. “Would you, Dad?”

“It’s up to them,” he shrugged.

“Get ready to kiss their lovely tits,” said Beth as she scooted off the seat and pulled me out. “Start with Lisa. She kissed your big cock first. I’ll provide some cover.”

Beth stood where I had stood earlier against the divider, and I stood next to her.

“Take them out, Sister,” said Beth.

Lisa looked nervously along the aisle before she pulled her neckline down, exposing her fine tits.

“They are mouthwatering, aren’t they?” said Beth as I bent over and kissed both stiff nipples, sucking each.

“Yes, and they are sweet,” I said.

“It’s your turn, Mom,” said Beth as Lisa covered her tits. “You said your ass was his. Show him your tits now.”

Victoria yanked her neckline down, and I bent over. I kissed each stiff nipple, giving it a quick suck. Meanwhile, Lisa reached out with her left hand and squeezed my boner.

“Mom’s are bigger,” said Beth. “She can easily squeeze them around you.”

“They are as delicious,” I said as Victoria covered up.

“Honey, you are not mad at us, are you?” Victoria said to her husband.

“No,” he said.

Alex never stopped teasing John’s boner throughout dinner.

On the way to my in-laws’ house, Alex rode with John, and Victoria and Lisa rode with Beth and me.

“Mr. Conkley, we’ve had enough sex talk,” Alex said to John. “I’d like to ride with you on the way back.”

“Sure,” he said.

Victoria and Lisa rode in the backseat on either side of me. They took my hard cock out and played with it, and I fingered their pussies while we made out all the way to their house.

“They must be drooling all over my brother’s big cock,” said Alex as soon as John and she drove away. “We’ve had enough of that, didn’t we?”

“Yes,” he said.

“He has an impressive cock though, doesn’t he?” she said.

“He sure does,” he said.

“I am so happy I now have a chance to pay you back for that sweet compliment,” she said, placing her left hand on his right thigh. “The teasing made me so horny.”

“We shouldn’t do this,” he said as she cupped his boner.

“Is your wife’s now drooling all over my brother’s big cock, or is he slobbering all over her big tits?” she teased.

“I don’t know,” he said.

“I enjoyed playing with your big boner through dinner,” she cooed. “I am sure you did too. Now, don’t treat me like a sweet little girl when you know I am a sweet little slut. Keep your eyes on the road, and leave this all to me.”

He just groaned as she unzipped him and fished out his boner.

“I’ve never sucked a guy while he drove a car,” she said, lowering her head to his hard cock. “Relax, and imagine what your wife may be doing when she’s alone with my brother’s big mouthwatering cock.”

“She isn’t alone with it,” he said.

“I bet you anything Beth’s driving while your wife and daughter take turns on Nick’s big cock,” she said.

He groaned, and his cock twitched when she took his cock head in her mouth. She sucked him and deep throated him leisurely, not wanting him to come.

“We are about home,” he warned when they got close to the house.

She pulled away and zipped him up.

“I didn’t make you come because I want you to shoot a very big come load down my throat,” she said. “My lips will be around your hard cock again as soon as we are home.”

“I think we shouldn’t do that,” he said. “We didn’t get caught this time, so let’s not risk it again.”

“I said I was a sweet little slut not a sweet little cock tease,” she said. “I don’t leave unfinished business. Your slutty wife and daughters are not going to stand between me and your needy cock either.”

As John and Lisa got out of the car, John’s cell phone started ringing. He picked up, and Victoria told him they were picking up some stuff from the supermarket and that they would be home in a little over half an hour.

“They stopped by the supermarket,” he said. “They’ll be home in half an hour.”

“You think they didn’t stop by a cheap motel while Beth went out to get some groceries?” she teased.

“Be real,” he said. “They wouldn’t do that.”

“Anyway, this is great,” she said. “I am so lucky tonight. I get to work on my unfinished business right away.”

“Alex, we shouldn’t do that,” he said weakly as she led him to the loveseat.

“We’ve already agreed on this,” she said, pushing him onto the seat. “Now that you know one of my dirtiest secrets, you have to show me that you keep your word.”

She played soft music on the sound system before she knelt before him. He did not resist as she fished out his partly hard cock.

“Mr. Conkley, did you enjoy having me suck your juicy cock on the drive home?” she teased, stroking his cock.

“Yes,” he said. “I enjoyed it so much I am glad we made it safely. I’ve never experienced that before.”

“Do you think I am a good cocksucker?” she asked.

“You are amazing,” he said.

“Sit back, and let’s have fun,” she said. “You’ll love this.”

She pulled off her top, setting her ripe firm tits free. His eyes pounced on them.

“Do you like my tits, Mr. Conkley?” she smiled. “I know at the restaurant it was too brief.”

“They are beautiful,” he said.

“Hold them and give each a little suck,” she said as she got up and thrust her tits in his face. “Pay Nick back. Do to his sister like what he did to your wife and daughter.”

He did not hesitate to hold her tits, one in each hand, and squeeze them gently while he sucked her nipples gently, making her gasp.

“Stick your fingers in my pussy and taste me,” she moaned, hiking her short skirt.

She moaned and squirmed as he searched for her pussy hole and stuck his fingers inside it.

“You are so wet,” he said.

“Taste me,” she whispered.

He took his glistening fingers to his mouth and sucked them.

“Do you like the taste?” she asked.

“Yes, you are delicious,” he said.

“Stick your fingers in my pussy and make me come while you suck my tits,” she said, guiding his hand to her pussy while she pushed a tit into his mouth.

He obliged her while she stroked his hard cock. Within a couple of minutes, she shook, gushing on his fingers while she held his hard cock and his shoulder tightly.

“Taste me,” she said when she recovered, bringing his hand to his mouth.

He obliged her readily.

“Now, you are more than even with Nick,” she said as she knelt down and resumed stroking his hard cock.

“He didn’t do all this,” he said.

“Of course not,” she said. “We were at a restaurant after all. I am sure he’d do more if they were alone.”

“I don’t know,” he said.

“Thank you for letting me play with your cock at the restaurant, then suck it on the drive home, and finally letting me come on your fingers,” she said, smiling at him. “Now, relax, and let me make you feel good.”

Her tits and ass were exposed as she took his cock in her mouth and proceeded to give him a leisurely blowjob. Before long, she had full control of him. He was just singing her praise as she deep throat him.

“Close your eyes, and let me give you the best blowjob of your life,” she said softly.

He relaxed and closed his eyes as her mouth did wonders to his happy cock.

“In the end, I want you to shoot the biggest come load of your life down my throat,” she said. “I want you to remember me forever as the sweetest little slut in the world.”

She resumed sucking his cock and did not come up for air for several minutes.

“Is this your best blowjob ever or not yet?” she teased, briefly interrupting the blowjob.

“Yes, hands down,” he said.

“Keep your fluids leaking into my mouth,” she said. “They work up my appetite for your come.”

She continued to suck his cock unhurriedly.

My party arrived home, and we snuck into the house. Beth and I quietly put the stuff we bought away in the kitchen while Victoria and Lisa snuck into the living room. They sat back on the sofa and watched Alex in the corner of their eyes. Beth and I soon joined, and John had no idea. I sat in the middle, Lisa sat in my lap as her mom and sister sat on either side of me. I draped my arms around Beth and her mother’s shoulders and fondled their bare tits inside their tops while Lisa ground her ass cheek into my boner.

John suddenly opened his eyes. He looked around and saw us sitting on the sofa, but we were not paying any attention to him. He panicked and tried to push Alex away, but she held onto his hips and did not let go. He looked at his surroundings again, and nobody acknowledged him. He was nervous as Alex continued to deep throat his cock nonchalantly. He finally relaxed a little. Within a few minutes, he relaxed completely as he sensed no threat from us. He probably thought either we did not exist, he did not exist, or he was in a dream.

“I missed your sweet little ass, Lisa,” I said, startling John.

He looked at me, but I was talking to Lisa, completely oblivious to his presence.

“My sweet little ass missed your big juicy cock too,” said Lisa.

Beth took my hand out of her top and guided it to Lisa’s inner thigh. Lisa hiked her skirt, and I fingered her dripping pussy, occasionally sucking her juices off. John looked at us and then returned to his blowjob. Beth got up and walked quietly. She stood behind the loveseat and leaned forward, positioning her head on the far side of him so she could watch us while talking to him.

“Are you enjoying the sweet little slut?” she whispered in his ear.

“Is this real?” he asked.

“It may be a dream,” she whispered. “If it were a dream, would you want to wake up?”

“No,” he said lowly.

“I take it that you are enjoying the little slut,” she whispered.

“Yes,” he said lowly.

“Her brother’s sitting right there, playing with your slut wife’s tits and fingering your little slut daughter’s dripping pussy,” she whispered. “Are you going to let him toy with your girls, or are you going to stop him?”

“How can I stop him when his little sister’s sucking my cock?” he wondered lowly.

“I don’t know,” she whispered. “Are you going to let him tease them like that until they can’t stand it?”

“What can I do?” he asked.

“You can let him tease them until they can’t stand it,” she whispered. “He’ll keep teasing them until they beg for his big cock. You saw how much they loved it. They need it bad. Do you want your wife and little daughter to beg for your son-in-law’s big hard cock? Once they do, he has to fuck them; you wouldn’t be able to stop him or them then.”

“What about you?” he asked lowly. “Wouldn’t you mind if he fucked them?”

“No,” she said. “I love my husband, and I love my mom and sister. I want him to fuck them silly. I want them to be happy. I want him to make them his whores. What about you, Dad? Do you want him to make them his whores?”

“I don’t know,” he said.

“Look at them now,” she said. “Things are getting out of hand already. He’s fingering both my slut mom and my slut sister at the same time. I am proud of him. He’ll soon make them his whores. We won’t be able to stop them.”

“Would there be a problem if we let him make them his whores?” he whispered.

“Of course not,” she said. “Why would I want to cause a problem? He’d just be fucking them silly every chance they got and pumping their horny bodies full of his thick come through every fuck hole they had. He may be doing that already. Look at him. He’s playing them like a violin. Dad, I think your girls are lost forever. What do you think?”

“I think you may be right,” he said lowly as I pushed Lisa off my lap.

Lisa and Victoria knelt down before me.

“Dad, are you okay with that, or are you going to be the only one who isn’t?” she teased.

“I don’t know, Beth,” he said. “Should I let it go?”

“I think you should,” she said. “Your girls are totally lost. They are now teaming to suck his cock. Your loving wife and your innocent little daughter are sucking your son-in-laws big potent cock. They are already his whores.”

He looked toward us and saw his wife and daughter working on either side of my hard cock.

“You are right,” he said quietly. “They are lost.”

“Dad, Nick’s going to fuck Mom in the ass,” she said. “She wants him to. She needs him to.”

“Your mom wouldn’t let him,” he said.

“Dad, my slut mom’s now his whore,” she said. “If he told her to suck his cock on the front lawn, she would. Besides, you’ve already heard her at the restaurant tell him her ass was his whenever he wanted it. She meant it.”

“You really think so?” he asked.

“I know so, Dad,” she said. “I want you to spread her ass for him. I want you to show her that she’s a whore to let her husband spread her ass for her son-in-law. By the way, don’t worry about Alex. She’s going to suck your cock until you are ready to shoot a gallon of come down her throat while her brother fucks his whores: your women.”

“You want me to spread her ass for him?” he asked calmly.

“Yes, Dad, both her and Lisa,” she said. “It means that you acknowledge that your wife and daughter have become his whores. I want my slut mom and my slut sister to know that they are my husband’s whores that he can fuck whenever and however he wants and nobody can stop him because you gave them to him as his fuck toys.”

“What would he think of me if I did that?” he asked lowly.

“He wouldn’t think badly of you,” she said. “His dad has already given him his mom and sister as whores. The little slut sucking your cock is his whore as well. He can and will fuck her any way he wants.”

“Really?” he asked lowly albeit excitedly.

“Yes, Dad,” she said. “I seduced his mom and sister for him. I saw him use them like cheap whores. You’ll now see him use my own mom and sister like cheap whores. Do you still feel bad about this?”

“It doesn’t seem as bad,” he said.

“After he fucks his whores here, I want him to take them to the master bedroom,” she said. “I want him to fuck them in Mom’s and your bed. I want them to know that they are his whores even in their marital and maternal temple. I don’t want to leave them any propriety. I want them to be his total whores and feel that they are officially his.”

“Why do you want to do that to your mom and sister?” he asked quietly.

“I don’t want to do it to them but for them,” she said. “That’s how whores need to be treated. You’ll see them come their asses off as they get treated like cheap dirty whores. I’ve seen it before, Dad, but I need your support. Are you going to stand by my side and allow your women to enjoy themselves completely just like you are doing now?”

“Okay, Beth,” he said calmly. “I’ll do that.”

“Are you ready now to whore your wife and little daughter to your son-in-law?” she teased.

“I guess I am as ready as ever,” he said.

She waved at me.

“It’s time, Victoria,” I said.

Victoria got up, leaving Lisa at my cock, and walked to her husband.

“Honey, I am so horny,” said Victoria. “I need Nick to fuck me with his incredible cock. I have an irresistible urge. Is that okay?”

“Go ahead,” he said.

“Good job, Dad,” said Beth.

“Thank you, honey,” said Victoria excitedly.

She grabbed his head and kissed him on the lips. She then got on her knees on the loveseat next to him.

“Nick, sweetheart, come here, baby,” Victoria called to me. “I need your big cock in me.”

Lisa let go of my cock, and we got up and walked to her mom.

“Nick, are you really going to fuck Mom with your wonderful cock?” teased Lisa, stroking my hard cock.

“We’ll see,” I said. “Victoria, you want me to fuck you in front of your husband and daughters?”

“Yes,” hissed Victoria.

“I am not used to fucking women in front of their husbands and daughters,” I said. “If you really want me to do that, you have to beg me for it. Otherwise, I’ll just kneel behind my little slut sister and fuck her sizzling ass open. Alex, do you want me to fuck your tight little ass?”

“Yes, Nick,” said Alex. “I need your big cock up my ass. Please fuck it silly.”

“I’ll actually do that while we resolve this issue with Victoria,” I said as I knelt behind Alex.

Alex pushed her bare ass out, and I slid my cock into her dripping pussy all the way in. John watched in disbelief. She stiffened and came immediately, shaking around my cock.

“Oh, Nick,” she gasped. “Your little whore’s coming all over your big cock at the first stroke.”

While she shook, I held her hips tightly and pounded her dripping pussy.

Before Alex recovered, I unplugged her ass and slid my cock up her ass.

“Oh, yes, fuck my horny ass,” gasped Alex.

They all silently watched me drill Alex’s cock-hungry ass until she came wildly within a couple of minutes.

“Nick, please fuck me in the ass,” called Victoria, thrusting her bare ass out lewdly. “I need your big cock there.”

“If you really need it, ask your husband to ask me to fuck you in the ass,” I said, gently thrusting in Alex’s ass.

“Honey, please ask him to fuck my ass,” begged Victoria.

“Nick, please fuck her ass,” said John.

“Lisa, spread your mom’s horny ass so your Dad can prepare it for me,” I said.

“Dad, use this,” said Beth, handing her dad a butt plug as Lisa spread her mother’s ass. “Use it to work lube inside her tight little asshole.”

Beth generously squeezed lube on her mom’s splayed asshole. Her dad hesitantly used the butt plug to push it in.

“Slide it all the way in,” directed Beth. “Lube it well. He’s going to be drilling her horny ass all night long. Isn’t that right, Mom, you slut?”

“Yes,” hissed Victoria, trembling.

Beth and her dad spent some time lubing Victoria’s horny asshole while I made Alex come again on my cock.

“That’s enough, Dad,” said Beth, taking the butt plug from her dad and giving it to Lisa. “Stick it up your ass; you are going to get impaled next.”

“Thank you,” smiled Lisa, taking the butt plug.

Lisa moaned as she slid the butt plug up her ass.

“Nick, my slut mom’s ready for your big cock up her ass,” said Beth, guiding her dad’s hands to her mom’s ass.

“Your pussy’s drenched,” I said as I stood behind Victoria. “I hope you wouldn’t mind if I fucked it a little.”

“Please go ahead,” said Victoria. “It’s hungry for your big cock too.”

Victoria tilted her ass, pushing her pussy out, and I shoved my hard cock all the way in. She was so horny she stiffened and came right away.

“Your little pussy’s really hungry for my big cock,” I said as I drilled her twitching pussy.

“Of course,” she gasped, writhing in my hands.

When she relaxed, I pushed my cock up her ass, sliding it all the way in. She moaned.

“Whose whore are you, Victoria?” I teased, fucking her ass gently.

“I am your whore, baby,” she gasped, her asshole twitching around my cock. “I am my son-in-law’s dirty whore.”

“Good girl,” I said. “Get your horny ass fucked with my big cock, my whore, until you come for me. Show your family that you mean it.”

She thrust her ass back, getting it fucked at an accelerating pace. I held her hips and paced her. Within a few minutes, she approached orgasm.

“I am going to come on your fat cock, lover,” she gasped.

“Do it, bitch,” I urged. “That would show them that you are my anal whore.”

“I am coming,” she gasped, stiffening.

She came wildly, and I drilled her ass until her orgasm subsided. I slowed down for a minute, and then picked up the pace again. I soon pounded her receptive ass vigorously.

“Dad, tell her what she is,” said Beth.

“You are a whore,” said John quietly.

Victoria stiffened and came immediately.

“Yes, I am a whore,” she gasped. “I am Nick’s dirty whore.”

“Didn’t I tell you she loves being treated like a dirty whore when she’s his whore?” said Beth. “I have to know because I am his whore too, aren’t I, baby?”

“Of course you are,” I said. “You are my dirtiest whore, but your slut mom’s almost as dirty.”

Beth leaned forward, and I met her halfway for a passionate kiss.

“Victoria, suck my big cock,” I said, gently pulling out of her asshole, leaving it slightly gaping. “Make sure it’s clean and ready for your daughter’s horny little pussy and ass.”

Victoria turned around and got on her knees on the floor. She pounced on my cock and deep throat it for a couple of minutes while her husband watched in awe. Meanwhile, Lisa assumed the position next to her dad.

“Dad, we need to lube her asshole,” said Beth. “Take the butt plug out.”

John gently pulled the butt plug out of Lisa’s asshole, and Beth squeezed lube on it. He lubed it thoroughly.

“That’s enough, Dad,” said Beth finally, taking the butt plug back. “I’ll return it to my ass.”

“What do you want, Lisa?” I teased, aiming my cock at her dripping pussy.

“Please fuck me in the ass, Nick,” she begged.

“Lisa, you are too young,” I said. “Both your parents have to ask me to do that. Your mom has to beg.”

“Mom, please beg him to fuck me in the ass,” begged Lisa.

“Nick, please fuck your little whore in the ass,” begged Victoria.

“Dad?” called Lisa.

“Nick, please fuck my slut daughter in the ass,” said John.

Lisa was so horny the first shove in her pussy made her come. When she recovered, I pushed my cock all the way up her ass. I fucked her ass at a brisk pace.

“Is this what you want, bitch?” I teased. “Is this what your hot little ass was made for?”

“Yes, Nick,” gasped Lisa. “My slutty ass was made for your big cock.”

“Tell your parents whose whore you are,” I said.

“Mom and Dad, I am Nick’s whore,” gasped Lisa.

“We know, sweetie,” said Victoria. “You really love his big cock up your horny ass, don’t you?”

“Yes, Mom,” gasped Lisa. “I love it more than anything.”

“Tell your friend whose whore you are,” I said.

“Alex, I am your brother’s whore just like you,” gasped Lisa.

“We are both very lucky, aren’t we?” smiled Alex.

“We sure are,” gasped Lisa. “Beth, I am your husband’s whore.”

“Come for him, you dirty little whore,” urged Beth.

“I am coming,” gasped Lisa, stiffening almost instantly.

Lisa shook in orgasm. I held her ass tightly and pounded her shaking ass through her orgasm, her recovery, and all the way to her next orgasm.

“This is incredible, Nick,” gasped Lisa. “I definitely belong to your big cock.”

“Of course you do, my little whore,” I said.

“Nick, take your whores to the master bedroom and fuck them there all you want,” said Beth. “They are all yours tonight and forever, aren’t they, Dad?”

“Yes,” said John.

“Thanks, John,” I said.

“We’ll check on you in a little while,” said Beth. “I am sure you’ll be fucking them royally, but it’s fun to see.”

“Have fun,” I said.

Fifteen minutes later, Beth, her dad and Alex came into the room. John watched me fuck his wife and daughter up the ass in his bed for ten minutes while Alex deep throated his cock. Each came twice while he watched.

“Dad, let’s go downstairs so you can come in your poor cocksucker’s mouth,” said Beth, leading her dad away. “These horny sex fiends are going to fuck nonstop at least till dawn.”

Needless to say, Alex swallowed one of the biggest come loads of her and John’s lives.

As Beth guessed, we called it a night at five in the morning after I came in every hole Lisa and her mom had. They came until I was afraid they would faint. It was not all fucking. I let them worship my cock to catch their breath.

“Nick, this is the best night of my life,” said Victoria happily.

“You are a whore, Victoria,” I chided. “The best night of your life was supposed to be your wedding night.”

“You said it: I am a whore,” she smiled. “I’ve never been fucked this well before, on or after my wedding night.”

“I am glad you liked it,” I said. “What about your slut daughter?”

“You know this is the best sex of my life too,” said Lisa. “I am now officially your whore.”

“You both are,” I said. “You need to find a way to thank John. I want some of our happiness to rub on him.”

“We’ll think of something,” said Victoria.

THE POOL PARTY

On the following weekend, everybody was at our house. I was worried about Tom’s reaction when he would see me fuck his mom and sisters. Beth sensed it.

“Nick, don’t worry about Tom,” said Beth. “I’ll explain it to him in a minute. You are going to fuck us silly while he watches just like our dads will.”

“Beth, I don’t want to ruin everything we’ve achieved so far,” I said.

“Me neither, baby,” she said.

The pool party started normally. We, guys, were tending the grill when the girls made an entrance. They were all topless and wearing string bikini bottoms. They dashed for the pool. Tom’s eyes almost bugged out when he saw ten fine tits all at the same time. He did not know where to look even after they jumped into the pool.

Beth came over to us, her body dripping and her nipples stiff. She had a big smile. I smiled at her as she sauntered sexily all the way to where the men were.

“Tom, can you take a few pictures of us?” asked Beth.

“Sure,” he said.

“Nick, come here,” she called to me. “Our dads are better with the grill; don’t waste your time and theirs.”

Tom and I followed Beth’s twitching ass, which was practically naked.

“Your sister has an incredible figure,” I said to Tom.

He blushed as he found out that he was staring at her ass. He did not reply.

“Doesn’t she?” I pressed.

“Yes,” he said.

“All of the beauties here do,” I said.

Beth had Tom take many pictures of the girls in many poses while I stood to the side and watched. Most of the poses outrageously showed their tits and asses. She finally had me sit on the edge of the pool between my mom and hers with our feet dangling in the water. She had Lisa and Alex squat in their mother’s laps, and she squatted in mine. I wrapped my arms around our moms and sisters.

“We’ll call this picture ‘Nick and his sluts,’” giggled Beth as Tom clicked the camera.

She had him take a few more pictures of the same sitting. In some of them, we were standing up, kneeling down or in other positions. Some pictures had them on their hands and knees, their all but bare asses facing the camera. Tom had a hard time, trying to hide his boner.

After the photo shoot, Beth led Tom, holding the camera, away.

“Tom, as you can see, there’s an adult theme to this party,” said Beth when they were out of earshot. “Can you handle it like a man, or do you prefer to go off surf the web or play kids’ games?”

“I can handle it,” Tom said nervously.

“Tom, you’ll soon see your mom and sisters having sex while your dad and Mr. Callaby watch,” she said.

“What do you mean?” he asked.

“Nick will have sex with all the girls and women here while you and the other men watch,” she said. “Do you still think you can handle that? You may be too young to be able to handle watching your mom with Nick.”

“You mean Nick will have sex with mom and dad’s okay with that?” he asked in disbelief.

“Come here let me show you,” she said, leading him to the kitchen window. “Can you see there? Your mom’s on her knees going down on Nick, and everybody else is minding their own business. This is only the beginning.”

“I can’t believe this,” he said.

“Do you remember the picture that I called ‘Nick and his sluts’?” she asked.

“Yes,” he said.

“All the girls here are Nick’s sluts,” she said. “He can have sex with them any way he wants.”

“I didn’t see that coming,” he said.

“Just like you can have sex with your girlfriend outside of marriage, married people can have sex outside of wedlock,” she said. “You’d watch real people have wild sex. Can you handle that, or is it too much for you?”

“Can I wait here until I can see how it goes?” he asked.

“Sure,” she said. “I hope you don’t think it’s bad for a girl to be a slut. We are not common sluts who go to bars and get picked up. We are only Nick’s sluts. He’s the only one we whore ourselves to. Do you hate us now?”

“No,” he said. “It’s your personal lives.”

“You are a good kid,” she said. “I’ll talk Alex into giving you a hand job if you want.”

“Really?” he asked excitedly.

“We don’t want you to get blue balls,” she said. “Even Dad and Mr. Callaby will get to ejaculate every once in a while. You are obviously welcome to masturbate if you want.”

“Okay,” he said.

“Everything’s cool?” she asked.

“Yes, sure,” he said.

“Thank you for taking the pictures,” she said, taking the camera from him.

“Sure, no problem,” he said.

“Tom, why don’t I give you binoculars and take you to the spare bedroom where no one could walk in on you?” she said. “Would you like to see Nick fuck mom and me together before you come out?”

“Sure,” he shrugged, trying to hide his excitement.

“With the binoculars, it will be as if you are standing right next to us,” she said, leading him to his vantage point. “You’d be able to count the wrinkles on my asshole, but you may not hear what we are saying. Is that okay?”

“Sure,” he said.

“Keep the blinds drawn so it won’t be obvious that you are spying on us,” she said. “Don’t masturbate; save it for later. Don’t take too long. Once you get used to it, come out and watch the action up-close and personal.”

“Okay,” he said.

She gave him the binoculars and directed him to the window.

“Thanks, Beth,” he said as she left.

“You are welcome,” she said. “See you in a bit.”

Beth came out and walked to me and her mom. Her mom was still sucking my cock.

“Mom, are you ready to get fucked and show your son what a dirty slut you are?” teased Beth.

“Where is he?” she asked. “Is he watching?”

“Yes,” said Beth, dragging a chaise behind her mom. “Are you going to put on a good show for him? I promised him I’d let Nick fuck us together.”

“You are so wicked,” said Victoria as she got on her knees on the chaise, thrusting her ass out lewdly. “You are going to corrupt your innocent little brother.”

“I want him to know that it’s okay to have slut mom and sisters,” said Beth, pulling down her mom’s bottoms.

Beth spread her mom’s ass, and I shoved my cock in her dripping pussy. I held her hips and proceeded to fuck her pussy hard. She came within a couple of minutes, gushing on my cock.

“I hope Tom liked that,” gasped Victoria.

“I am sure he did,” I said. “You are a good mom, and it’s obvious.”

“Thank you,” she gasped.

Alex handed Beth a bottle of lube. While I slowly stroked my cock in and out of Victoria’s pussy, Beth leisurely lubed and reamed out her mother’s asshole, slowly working her way from one finger to three. She finally put the lube on the chaise and guided my cock from her mother’s drenched pussy to her shiny asshole.

“Fuck Mom’s ass for her son, Nick,” urged Beth.

Beth spread her mother’s ass as I slowly stuffed it with my cock until it was balls deep in. I proceeded to fuck her ass at a nice pace. Our pace accelerated, and Victoria soon shook ecstatically as her asshole twitched wildly around my pumping cock.

“Come hard for your son,” I urged, slapping Victoria’s ass.

“I am doing just that,” she gasped.

Beth pulled another chaise along her mom’s and got into the same position. I walked around and pushed my cock into her mouth. While she sucked my cock, Alex pulled Beth’s bottoms down and proceeded to lube and ream out her asshole. I switched my cock between Beth and her mom’s mouths. They soon sucked my cock together.

Alex took my hand and led me to Beth’s well-lubed ass. I gave Beth a quick pussy fuck, and, after she came, I switched my cock to her ass. She soon came, and I switched my cock between her and her mom’s pussies and asses.

“If Tom doesn’t like this, something must be wrong with him,” I said.

“I am sure he does,” said Beth.

Lisa grabbed a chaise and got into position on the other side of her mom. Alex lubed Lisa’s asshole while I let the sisters and their mom suck my cock. I fucked them together, switching my cock between their six nether fuck holes.

Tom came shyly while I fucked his mom and sisters.

“Tom, come here,” called Beth.

He came over, walking very shyly.

“Nick, show him how you fuck your whores,” said Beth.

“Sure,” I said as I fucked Lisa’s ass at a brisk pace. “Tom, come closer and watch. These are serious sluts that I have here. They put all Playboy Playmates to shame. They are not bimbos. They are amazing women that honored me by making themselves my sluts. Maybe one day you’ll have your own stable of sluts, but, no matter what you do, there is no way you can come across any girls or women who can hold a candle to these hot and horny beauties.”

“Oh, Nick, you say the sweetest things,” said Victoria as she got up on her knees and turned around.

She pulled me for a big kiss.

“What can I say when you are the sweetest things in the world?” I said. “I love these sluts.”

As Tom watched, I pulled out of Lisa’s horny ass and spread her ass. Her asshole gaped. I leaned down and gave it a big kiss, showing Tom that I slid my tongue as far inside it as it would go. I repeated that with Victoria and Beth.

“I hope you are not ashamed of being a member of this amazing family,” I said, kneeling behind Victoria. “I am proud that I married into this wonderful family. Are you proud of them or not?”

“I am proud of them,” he said.

“I am going to give you a hand job for that,” said Beth.

“No, I am going to give him a blowjob and swallow his come,” volunteered Alex. “Is that okay, big brother?”

“Sure, little slut,” I teased.

“Tom, are you ready for the best blowjob of your life?” said Alex, leading Tom to a chaise.

He did not know what to say.

“Nick, do you want Tom to spread our asses for you?” asked Beth.

“Are you the sweet woman I once married?” I teased.

“I am the sweet slut you created,” she smiled.

“I love you even more,” I said.

“As a slut, I love you more too,” she said.

While Alex sucked and deep throated Tom’s cock leisurely to help him last long, Mom joined the slut row. I lubed her asshole while I fucked Lisa’s and then let her suck my cock. I was soon hopping from hole to horny hole.

“Are you ready to come?” Alex asked Tom.

“Yes,” he said.

“Give me all you got,” she said.

She sucked his cock hard, and he came within half a minute, grunting and groaning as he shot a big come load down her throat. She swallowed it all and pulled his swimsuit up.

“Tom, come here,” called Beth.

Tom got up and walked to his sister.

“Spread my ass for Nick,” she said. “Show your pride in your married slut sister.”

Tom tentatively spread his sister’s ass. Beth relaxed her asshole and made it gape. He was mesmerized by it. I finished fucking her mom and moved to her ass.

“Tom, see his big cock stretch my little asshole to the limit,” said Beth. “See how he’ll make me come hard.”

Tom watched every stroke as I held his sister’s hips and pounded her offered ass to a screaming orgasm.

“I need some of this too,” said Alex, pulling a chaise to the row.

“Alex, you need to brush your teeth and gargle first,” said Beth. “You have to be fresh for Nick.”

“Sorry,” said Alex.

Alex went into the house and returned five minutes later. She took her position on her chaise.

“Tom, spread your cocksucker’s ass,” said Beth, getting up. “Watch me prepare her horny asshole for cock.”

Tom spread Alex’s ass and intently watched his sister carefully lube and ream out her asshole. Meanwhile, I fucked mom and Lisa’s asses to orgasm. I fed Alex my cock and fucked her throat for a few minutes.

“Your slut sister’s ready,” called Beth. “Tom, keep her horny ass spread.”

Tom soon watched me fuck Alex in the pussy and then in the ass, making her come twice in his hands.

“Do you, guys, want to eat?” called Dad. “Food’s ready.”

“We are ready to take a break,” I said. “I just want to come. It will be a few minutes.”

“Come in my ass,” said Victoria.

“Tom, would you spread her lovely ass for me?” I asked.

“Sure,” said Tom.

“Lisa and Alex, while this happens, take a glass and jack off each other’s dad into it, and then put it in the ice chest,” directed Beth.

Alex and Lisa scrambled to carry out Beth’s instructions as Tom spread his mom’s ass for me. He watched closely as I vigorously fucked his mother’s horny ass to a screaming orgasm. While she came, I filled the twitching depths of her hot ass with come. I finally pulled my drained cock out as she squeezed her asshole. I kissed Victoria’s ass on the hole and the cheeks.

“This wonderful ass now has a big load of my come inside it,” I said. “Every one of my sluts is going to get a big come load up her hot ass. Kiss your mom’s asshole to show your respect.”

He was caught off guard; he hesitated for a few seconds before he bent over and laid a gentle kiss on his mother’s come-filled well-fucked asshole.

“Thank you, sweetheart,” said Victoria.

She turned around and sucked my cock dry and clean.

We all had our late lunch then.

After lunch, each of Mom and Victoria sucked her husband’s cock while I fucked their pussies and asses. After that, they fucked them while sucking my cock.

Meanwhile, Tom caught Beth alone and talked with her.

“Beth, how did you all get into this arrangement?” Tom asked Beth. “Why are you all Nick’s sluts and Dad and Dan don’t mind it at all? I can’t even understand how you don’t mind letting him fuck other women and girls.”

“It all goes back to the personalities of the people involved and coincidence,” she said. “Do you remember when back in February, Mom returned with Nick and me after we cut the visit short?”

“Yes, I remember that because it was the only time she stayed with you for a week,” he said.

“We shared one bed at a hotel, and Nick fucked her at night, thinking she was me,” she said. “She liked it so much she blackmailed him into doing it again. Lisa was so curious about anal sex she blackmailed him similarly when she spent a week with us. When he and I spent a week with my folks, I caught him doing the two together.”

“You caught the three together?” he asked.

“Yes,” she said. “I already knew about Lisa because I’d caught her earlier, but finding the three together was a shock. Anyway, I was so horny I knelt next to them and had him fuck me. He then declared that he wanted his mom and sister too, so I seduced them for him.”

“You seduced his mom and sister for him?” he said in disbelief. “That’s unbelievable. Why did you do that?”

“Because he’s my husband and we love each other,” she said. “I wanted him to be happy.”

“How did Dad and Dan buy into that?” he asked. “I never thought Dad would let this happen.”

“All it took each of them was a royal blowjob and some manipulative speech by yours truly,” she smiled. “We also got you by a blowjob and a little talk. It wasn’t that bad. What do you think now?”

“It’s amazing how things worked out,” he said.

“Tom, you have to remember that we all love each other,” she said. “Nick and I love each and every one of our dads, moms, sisters, and you. We have this dirty sex because we all love it this way—not for control or humiliation.”

“Sure,” he said.

“If you have a shy girlfriend that you want to watch get fucked silly, especially up the ass, you can bring her to Nick,” she said. “He’d take care of her, but she may join his harem and never let you fuck her in the ass ever.”

“My girlfriend isn’t like that,” he said. “She’d never go for the crazy things you guys do. She doesn’t even go down on me or let me have sex with her.”

“Did you think any of us was like this before Nick turned us into what we now are?” she smiled. “Bring her on.”

“You were not like this?” he asked.

“No,” she said. “He deflowered all our asses and taught us some crazy stuff you haven’t even seen us do yet.”

“Does it get any crazier than this?” he asked.

“Tom, you haven’t seen anything yet,” she smiled. “Hang around.”

When Dad and John were ready to come, their wives had them come in the come glass. Alex gave Tom a hand job with some sucking and added his come to the glass before returning it to the ice chest. During the course of the party, dad and John added to the glass one more come loads each, and Tom added five more, bringing the jackpot to a dozen come loads.

“Now that we have a dozen come loads, we are ready to raffle it out,” announced Beth. “Tom, collect their bikini bottoms in that bucket, and bring it here. I am naturally not participating because I am the raffle administrator.”

While Tom collected the bottoms, Beth stirred the come, using a straw.

“Tom, do you want to contribute to the prize by jacking off on the winner’s face?” whispered Beth when Tom brought the bucket to her.

“Sure,” he said in pretense nonchalance.

“The winner gets to drink the come in a showy lewd manner and gets Tom to come on her face,” announced Beth. The sluts squealed.

Beth squatted and shuffled the bottoms in the bucket.

“Close your eyes, Tom,” said Beth. “You are picking out your come target.”

Tom closed his eyes, and Beth brought the bucket to him.

“Pull a pair of bottoms out,” she said.

Tom reached into the bucket and pulled out a bikini panty. I learned later that Beth had *arranged* the bottoms.

“I won!” squealed Victoria.

“Congratulations, Mom,” said Beth, handing the come glass to her mom. “Alex, do you want to make sure Tom’s ready to come on her face?”

“Sure,” said Tom.

“Bottoms up, Mom,” said Beth.

Alex walked to Tom and proceeded to stroke his cock.

Everyone watched Victoria raise the come glass over her face and turn it over, letting the come dribble slowly into her open mouth. She gargled with the come before she swallowed it all and opened her mouth wide to show that it was all gone. She wiped the inside of the glass with her finger and sucked it clean.

Alex led Tom to his mom and jacked him off vigorously. Within a minute, he shot his come onto his mom's offered face as she smiled up at him. His come load naturally was not as big as his earlier ones, but it was okay. The idea was what counted not the come volume.

"Tom, get down and use your fingers to feed her your come off her face," instructed Beth.

Tom dutifully obliged his sister and mom.

By then, I had come in all their asses, but Alex knelt before me and proceeded to suck my cock to full hardness. She got up, turned around and bent over. By the time Victoria thanked Tom and picked him on the lips, I was thrusting in Alex's ass. Other asses followed.

"If it weren't for my slut mom, we wouldn't be here now, enjoying this," said Beth as I fucked her mom's spread ass. "It was befitting that she won the come raffle."

"Sweetie, it was all because of your horny husband who decided to fuck his wife while her mom slept in the same bed," gasped Victoria.

"What should I have done when I woke up in the middle of the night with my hard cock, which wouldn't quit, trying to get into your ass?" I said.

"Honey, your shark of a big cock smelled virgin ass," said Beth. "You can't really blame it."

"I am not trying to blame it," I said. "I am trying to give it credit."

"It must be very happy now," she said. "In addition to all the hot asses it gets to sink in whenever it wants, it gets all the credit for it."

"It's very happy," I said, thrusting in Victoria's ass. "It isn't all because of your hot mom's amazing ass either."

"Your happy cock's making me very happy now," moaned Victoria. "It's all I care about."

"By the way, Beth, I never found out what upset you and made you cut the visit short that time," I said. "That may be the real reason that should take all the credit."

"After this, it may sound ironic," she said.

"What is it?" I asked.

"The way I saw you stare at Lisa's hot little ass when you thought no one else was looking," she said. "Had I not reacted, nothing of this would have happened. My jealousy made me let you fuck all these sluts on a regular basis."

"I guess the credit goes around and comes back to me," I laughed.

"Enjoy," she smiled.

"I guess everybody should learn from this story not to be jealous," I said.

"Or to be," she smiled. "After all, all's well that ends well."

Beth managed to find different ways for Tom to help me fuck my sluts.

He turned out to be fun to be around. He enjoyed spreading asses and holding legs up for me in addition to enjoying watching me fuck those horny asses without mercy or with mercy. I enjoyed that too.

He kissed every asshole after I filled it with come. He learned that well-fucked little holes were to be cherished.

FRESH CHERRIES

On the following Saturday night, when Beth and I visited her folks, after Tom's date, he introduced his sweet blonde girlfriend, Faith, to Beth and me while the others were out. We were sitting in the living room. Beth sat next to Faith, talking to her quietly, when Faith got up and shyly walked to me. She sat in my lap, and I gently held her side.

"Nick, would you please eat my pussy?" she whispered, trembling.

"Faith, you are a delicious pie," I said quietly. "Are you sure you want to grant me this great pleasure?"

"Yes," she hissed. "I've never let anybody else do it."

"Is your little pussy hot and wet?" I whispered. "Is it ready to be eaten?"

"Yes," she hissed, blushing.

"If it's wet, your panties must be wet," I whispered. "Take them off and give them to me."

"Right here, in front of them?" she asked.

"Yes," I said lowly. "We want to show your boyfriend and my wife that you are a nice little slut. Otherwise, my wife wouldn't want me to eat your juicy pussy ever again. Don't you want me to eat it every chance we get?"

"Yes," she hissed.

"Give me your panties," I instructed, helping her get up.

She shyly pulled off her panties and gave them to me. I took her panties and pulled her into my lap. Her panty crotch was wet. I brought her panties to my nose and inhaled deeply, looking at her blushing face.

"You smell nice," I said lowly. "I bet you taste ever more delicious. Give your panties to Beth."

Faith shyly took her panties and gave them to Beth. Beth smelled the wet crotch.

"I am not surprised that you have a sweet-smelling pussy," said Beth, returning the panties to Faith. "I wouldn't have asked you to talk to Nick otherwise. Give your sticky panties to your boyfriend."

Faith gave her panties to Tom, who inhaled them.

"Have you ever smelled your girlfriend's sweet little pussy?" asked Beth.

"No," said Tom shyly.

"Keep the panties," said Beth. "She won't need them tonight."

Faith returned to my lap.

"Tell your boyfriend what you want me to do," I said lowly, wrapping my arms around her. "I want you to feel proud of what you are doing. If not, there is no point in doing it. You should never do anything humiliating."

"Tom, I want Nick to lick my pussy," she blurted out, her voice breaking.

"Tell him you want me to lick your *dripping* pussy," I said lowly.

"I want him to lick my dripping pussy," she gasped.

"Tell them you are proud that you can stand up and ask for what your horny little pussy needs," I whispered.

"I am very proud that I can come out and ask for what my horny little pussy needs," she gasped.

"Do you want to come on my fingers first?" I asked lowly.

"Yes," she hissed.

“Tell him,” I whispered.

“I want to come on his fingers first,” she gasped.

She cooperated as I hiked her skirt up, exposing her ass and pussy. She gasped and trembled when I gently slid my left middle finger into her soaked but tight pussy.

“Have you ever come on your boyfriend’s fingers?” I asked, gently working my finger in and out of her pussy.

“No,” she gasped.

“Come on mine,” I said, jerking my finger within her pussy. “Let’s show him that you are my slut, not his.”

“Yes,” she gasped as she stiffened.

She shook in orgasm while I vigorously jerked my finger within her twitching pussy.

“Come for your lover, my little slut, like you’ve never come before,” I urged as she continued to convulse.

Her wild orgasm finally subsided, and she panted for air, my finger still all the way in her drenched pussy.

“You enjoy being your boyfriend’s brother-in-law’s slut, don’t you?” I teased.

“Yes,” she hissed, her pussy twitching around my finger.

“If you really want me to eat your juicy little pussy, tell your boyfriend that you are my slut,” I said, gently fucking her pussy with my finger.

Her pussy twitched.

“Tom, I am Nick’s slut,” she gasped, her pussy twitching and leaking. “I am proud to be his little slut.”

Tom had already been watching in shock.

“Tell him that you are going to come on my fingers again to show him that you really mean it,” I said lowly, pumping my finger in her pussy faster.

“I am going to come on his fingers again to show you that I am really his slut,” she gasped.

She immediately stiffened and shook in orgasm. I held her tightly and diddled her twitching pussy vigorously until she went limp.

“I guess that leaves no doubt as to what your little girlfriend is,” Beth said to Tom.

“You are a good slut, Faith,” I whispered. “I am proud of you. Now I am going to eat your little pussy. Are you happy now, baby?”

“Yes,” she hissed.

“Take off your skirt,” I said. She got up and took off her skirt. “Sit back next to me and pull your legs over your head shamelessly. Hold your heels so your boyfriend and my wife can tell you are really my decadent slut.”

She collected her courage and got into that position. I adjusted her legs and knees for maximum effect.

“You now look like a real slut,” I whispered as I pushed my sticky finger in her mouth.

She sucked my finger gently.

“Is this where you want to suck my big cock, you little slut?” I teased, smiling at her.

She blushed.

“Don’t be shy,” I encouraged. “Be proud.”

“Yes,” she hissed around my finger.

“If you are a good girl, I’ll let you suck my big cock and swallow my creamy come,” I said. “Good girls come their sweet little asses off for their lovers. Do you want to be a good girl?”

“Yes,” she hissed.

“This is your chance, baby,” I said as I knelt before her offered ass. “Drown me in your overflowing pussy juices. Show them you are indeed my slut. Show me you are so hungry for my big cock and you deserve to get it.”

She nervously returned my smile when I smiled at her. I blew her a kiss. I spread her ass and helped myself to a good look at her dripping pussy and sweet asshole. I gave her asshole a light kiss before I kissed her wet pussy. She gasped twice and trembled.

She started to squirm as soon as my lips touched her pussy. I stroked the back of her thighs in the beginning, but soon I tightly held her legs behind her knees. I let her squirm, gasp and moan as I took her sweet inexperienced body from orgasm to wild orgasm, hardly giving her a chance to catch her breath. When she had a dozen orgasms, including the two on my finger, I pulled back and smiled at her.

“Nick, that was amazing,” she gasped.

“You’ve been a good girl, Faith,” I whispered. “Are you ready to get your prize? Are you ready to suck my big cock and swallow my thick come to the last drop?”

“Yes,” she hissed as I lowered her feet to the floor.

“Tell your boyfriend what you want to do,” I said, pulling her upright. “He deserves to know.”

“Tom, I want to suck Nick’s big cock and swallow his come,” she announced.

“Why do you want to do that, Faith?” I asked.

“Because I am your slut,” she said. “I want to be a good slut.”

“You *are* a good slut, Faith,” I said. “I am proud of you.”

“Thank you,” she said.

“Get on your knees, baby, and take out the big cock that you belong to,” I said, helping her off the loveseat.

She soon had my pants and underwear off. She was face to face with my throbbing cock.

“I belong to a very beautiful cock,” she smiled, never taking her eyes off my rock hard cock.

“You are a beautiful slut, Faith,” I said. “Tell my cock you are its slut, and enjoy.”

“I am your slut,” she sang excitedly, holding my cock in her right hand.

Faith kissed my cock on its leaky head. I made sure Tom and Beth had a good view of what Faith did.

“Have you sucked cock before?” I asked.

“No,” she said shyly.

“I’ll teach you,” volunteered Beth as she walked to us. “Tom, come here to watch your sweet girlfriend become a great cocksucker. Faith, kiss it, lick it and suck it on your own for a while. Let him enjoy your innocence a little.”

Beth knelt next to Faith and watched. Tom sat next to us. Faith proceeded to lick and kiss my cock tentatively.

“Don’t hold back, Faith,” advised Beth. “Show your boyfriend that you belong to Nick’s big cock. He already knows it. He wants to see your actions demonstrate it. He wants to see you lose your innocence completely.”

Under Beth’s supervision, Faith sucked my cock nicely and deep throat it well within half an hour. Beth had her slap her face and rub it with my sticky cock. The girl definitely had talent for it.

“She’s earned her prize,” said Beth. “Give it to her, baby. Come in her mouth and let her swallow it all. Let her feel that she’s really your dirty come slut. Make her proud of what she’s become.”

With Beth’s dirty talk and Faith’s eager sucking, I did not have a problem obliging them.

“Flood her innocent mouth with a big load of your hot thick come,” urged Beth. “Make her your come slut.”

My come soon shot in thick forceful ropes against the back of Faith’s throat. When she finished swallowing my come and sucking my cock clean, I held her head and kissed her deeply for several minutes, toying with her tongue and exploring her no-longer innocent mouth. I left her out of breath.

“You are delicious,” I smiled at her as I got up and pulled her toward the loveseat. “Bend over the loveseat and let me play with your hot ass a little. I am going to kiss your pretty asshole. I want you to relax and enjoy. Okay?”

“Yes,” she hissed, nodding, as I helped her get into position.

“Spread your hot little ass, Faith,” said Beth. “Open yourself for him. Show him your horny ass is his.”

Faith reached back and spread her ass with both hands.

“She has a very pretty asshole, doesn’t she?” said Beth.

“Yes,” I said.

“It’s so sweet and virgin,” she said. “It’s waiting for you to take it and make it yours.”

“Yes, I am going to make it mine,” I said. “I’ve already fallen in love with it. My big cock can’t wait to meet it.”

“Eat it,” she said, stroking my hardening cock. “Show her that her innocent asshole was meant to be yours.”

Faith gasped even as I kissed her ass cheeks lightly. I moved to her asshole right away, kissing it lightly. It twitched, and she tensed a little. I used my tongue on her asshole, and she moaned and gasped, pushing her ass back.

“The slut knows that her sweet ass belongs to you,” teased Beth. “She isn’t holding back. Make her come.”

Within a couple of minutes, Faith’s innocent asshole came wildly around my tongue tip. She sobbed softly and convulsed in bliss. I ate her luscious asshole until she came twice more. I gently lapped her copious juices off her drenched pussy while she recovered.

“You can take your hands off your ass,” said Beth. “Tom will spread it for you.”

Faith removed her hands, and Tom obediently spread his girlfriend’s ass as Beth squeezed lube on her asshole, which clenched when it first felt the gentle pressure of my finger.

“Relax, Faith,” said Beth softly. “You’ll love this. He’s going to prepare your virgin asshole for his big cock. You’ll soon be ready for it. You’ll even crave it.”

Faith relaxed, and I worked my finger in and out of her tight asshole, gradually and patiently reaming it out for her. With my thumb gently pressed into her dripping pussy, I finger fucked her asshole to orgasm. I made her come again and again with two and then three fingers in her ass. I licked her sticky pussy clean while gently twisting my fingers within her stretched asshole.

“Take her pussy,” whispered Beth.

When Faith recovered, I pulled her up to her feet and led her to the sofa. I laid her on her back and lay on top of her, laying my hard cock along her wet pussy. Her legs were spread on either side of mine. I ground my hard cock into her hot pussy. She soon moaned, grinding back. Before long, her legs were wrapped around me.

“My big hard cock’s crushing your soft little pussy,” I whispered. “It’s telling your pussy that it belongs to it. It’s demanding that your juicy pussy surrender to it. Do you think your pussy should surrender to my big fat cock?”

“Yes,” she hissed, trembling.

“Do you want your horny little pussy to give itself completely to my big cock, Faith?” I teased.

“Yes,” she hissed.

“You want to be my little whore while your boyfriend watches?” I whispered.

“Yes,” she hissed, her pussy twitching and leaking against my shaft.

“Tell him you want to be my little whore,” I whispered.

“Tom, I want to be Nick’s little whore,” she gasped.

“Tell him you want me to take your virgin pussy and fuck you like a cheap whore,” I whispered.

“I want him to take my cherry and fuck me like a cheap whore,” she gasped.

Beth and Tom watched from the loveseat.

“Spread her pussy with one hand and guide his cock inside her with the other,” instructed Beth, leading Tom to us. “Give your girlfriend to her lover.”

Tom hesitated.

“You need to show that you are okay with letting your lovely girlfriend whore herself to her stud,” said Beth.

Tom reluctantly came over, and I pulled my hips up, allowing my cock head to touch the center of Faith’s pussy.

“Open her virginal pussy lips with your left hand,” instructed Beth. Tom complied. “Now guide his big cock head to the tight hole of her little pussy. Help him claim her innocent pussy and make it his forever.”

Tom held my shaft and guided my cock head as his sister instructed. I pushed gently but firmly, nestling my cock head inside Faith’s pussy lips. I felt her tight pussy open slowly under my pressure.

“That’s it, Tom,” said Beth. “You can take your hands away and watch her innocent little pussy become his.”

Tom pulled his hands away, and Beth used her left hand to rub Faith’s clit gently. Faith gasped and her pussy twitched against my cock.

“Beg him to fuck you and make you his whore,” said Beth.

“Please fuck me and make me your whore,” gasped Faith.

By the time she said that, my cock head had penetrated her pussy. Her hymen broke, and she came. I thrust in her pussy every time her pussy relaxed. I was all the way in her very tight but soaked pussy before her wild orgasm subsided. Beth had removed her hand.

“Your pussy’s mine, Faith,” I whispered as she panted for air. “You are my little whore. You are mine forever.”

“Yes,” she hissed, her hot tight pussy twitching around my cock.

She gasped and stiffened when I jerked my cock out and then in. She shook in her second orgasm while I pumped her pussy with short fast strokes until she went limp.

“Tom, thank you for letting me be Nick’s little whore,” she gasped. “I love being so full of his big hard cock.”

It was so easy to make her come I made her come four more times in that position, and it took me less than ten minutes. She smiled at me happily as I thrust gently in her pussy after her sixth orgasm. I kissed her. We kissed passionately for a few minutes.

We broke the kiss, and I maneuvered us into the cowgirl position with me sitting back.

“Ride the big cock you belong to, my little whore,” I said, smiling at her.

She smiled at me as she bounced on my cock. She soon was completely naked. I fondled her fine young tits and sucked her sweet nipples. A few minutes later, her hot tight pussy twitched in a wild orgasm.

"I am coming," she gasped softly.

She lost her rhythm, and I stepped in, pounding her gushing pussy until she went limp. We kissed while she recovered. She soon resumed riding my cock. I wormed a finger up her ass, and she went wild. After her orgasm, I squeezed a second finger into her ass. She had another wild ride to orgasm. I gave her three fingers in her ass and made her come three more times.

"This is so good," she gasped as she relaxed around my cock and fingers. "If sex were so good for everybody, all girls would be whores."

"You are very special, Faith," I said, smiling at her. "That's why you are my whore and other girls have no clue how good sex can be."

"I love being your whore," she smiled.

She gave me a big kiss.

"So do I, baby," I said.

"You still don't know how good sex can be, Faith," said Beth, taking Faith's hand. "He's going to fuck you all night long. You won't believe how good that can be."

Faith tried to get off me, and I helped her.

"I'll help you clean up," said Beth, leading Faith away.

"I need to wash up as well," I said, getting up.

Tom was left sitting alone.

"It's a great experience to help a sweet innocent girl to discover her sexuality," I said to him when I returned.

"I can't believe what I've just seen," he said. "I never thought Faith was capable of this."

"Everybody has sexual instincts," I said. "They can be amazing when given the chance to realize their potential."

"I guess you are right," he said.

"The most important thing is to make the people around you happy," I said. "We do it in our own ways."

Beth returned with Faith ten minutes later.

"She's ready," said Beth, pushing Faith onto the sofa.

Faith got onto her knees on the sofa and thrust her ass out.

"You want her sweet virgin ass, baby?" teased Beth.

"Yes," I said.

"Take it," she said. "She's all yours, aren't you, Faith?"

"Yes," hissed Faith.

"Tell him what you want," said Beth.

"What do you want, my little whore?" I asked softly.

"I want you to fuck me in the ass," she said lowly.

"Are you sure?" I teased.

“Beg him, Faith,” said Beth.

“Yes, I am sure,” she said. “I want to be your anal whore. I want to be all yours. Please fuck my virgin asshole.”

“Ask your boyfriend to spread your hot ass for me so I can take what belongs to me,” I said. “Your horny ass belongs to me, doesn’t it?”

“Yes,” she hissed.

“Ask him to open it for me,” I said. “Tell him you are mine.”

“Tom, spread my virgin ass for my lover,” she said. “I am all his. I am his whore.”

Tom spread Faith’s ass, and Beth lubed my cock while I took a couple of minutes to lube Faith’s asshole, working my way from one to three fingers. Faith moaned quietly as I pressed my cock head into her glistening asshole. She gasped softly when it popped in. I held her hips and pushed firmly, watching my thick shaft sink slowly into her widely stretched asshole.

“Her little asshole’s beautiful, isn’t it?” Beth said to Tom.

“Yes,” he said, intently watching his girlfriend lose her ass cherry.

“Don’t you think this is what it was made for?” she said.

“Yes,” he said.

“What was your horny little asshole made for, Faith?” teased Beth.

“It was made for Nick’s big beautiful cock,” said Faith lowly. “I was all made for Nick’s big beautiful cock.”

“Does it feel that way to you too, baby?” asked Beth.

“I wouldn’t be still in it otherwise,” I said.

“Thank you for fucking my brother’s sweet girlfriend like she was meant to be fucked,” she said.

“You are all welcome,” I said. “It’s a unique pleasure for me too.”

My cock was most of the way in. I made a hard shove that sent it balls deep up Faith’s ass. She stiffened and came immediately. I thrust in her ass with quick short strokes, enjoying the amazing orgasmic spasms of her unbelievably tight asshole until her long hard orgasm subsided.

“That was unbelievable,” gasped Faith. “Beth was right. I didn’t know how good sex was.”

“You are getting there though,” smiled Beth as I gently thrust in Faith’s splayed ass.

My thrusts in Faith’s happy ass picked up speed, and I soon fucked her ass at a nice pace. I made her come twice more in that position. While she recovered, I carried her and sat in her place into the reverse cowgirl position. She rode my cock to orgasm, and Beth ate her drenched pussy while she bounced to her next orgasm. It was the first time Tom saw his sister eat pussy, so he was mesmerized by it. Faith gushed wildly in Beth’s eager mouth.

“You have a delicious pussy,” said Beth when she finally pulled back, her face drenched in Faith’s pussy juices.

“Everything about Faith is delicious,” I said, gently bouncing Faith’s ass on my cock.

“Would you mind if I helped myself to a second serving of your luscious pussy?” smiled Beth.

“Please do,” said Faith softly.

A few minutes later, Beth gave Faith the hardest orgasm of her young life. Faith just sat limply in my lap, her ass fully impaled on my cock, after she finished gushing in Beth’s mouth.

“Thank you,” said Beth to panting Faith.

“Thank *you*,” panted Faith almost inaudibly. “That was unbelievable.”

“Your girlfriend’s a very sweet girl,” Beth said to Tom. “I am sure, when she’s ready, she’ll let you taste her.”

Beth got up and helped Faith turn around into the Asian cowgirl position without losing my cock.

“Did you enjoy coming in my wife’s mouth?” I teased Faith as I gently bounced her ass on my cock.

“Yes,” she hissed. “It was so incredibly nice.”

“I am sure she’ll let you lick her delicious pussy when you want to return the favor,” I said. “Do you?”

“Yes,” she hissed.

“We can later eat each other’s hot pussy while Nick takes turns fucking our asses and making us come in each other’s mouth,” said Beth. “Would you like that?”

“Yes,” hissed Faith.

“We’ll do that, baby,” I said, bouncing her ass faster. “My little anal whore will get all her wishes granted.”

“Thank you,” she gasped.

“I love watching your horny ass hungrily swallow my husband’s entire big cock over and over,” said Beth.

“It feels wonderful,” gasped Faith.

“Indeed it does,” I said.

After Faith came, I flipped her onto her back and put it to her appreciative ass. I drilled her open ass like a jack hammer without a break through five orgasms and mine. Her copious pussy juices soaked my cock and her asshole. Beth replenished the lube on my cock while I continued to drill Faith’s ass.

“Are you ready to make your ass mine forever?” I said, pounding her hard before her fifth orgasm.

“Yes,” she gasped.

“I am going to fill your ass with my come,” I said. “That will make it mine forever. Nobody else can touch it.”

“Yes, yes,” she gasped. “Nobody else can touch it; I am your anal whore.”

“Yes, you are, baby,” I said.

We soon came. I pumped a big load of come up her twitching bowels while she gasped and shook wildly. That was her hardest orgasm for the entire night. I kept my softening cock in her ass for a few minutes after her anal spasms drained it. We kissed gently but deeply while her asshole deliberately milked my cock.

“Nick, that was the best night of my life,” she said. “I don’t think anything can ever top it.”

“I loved it as much,” I said. “You are an amazing young woman. I am not sure I can ever get enough of you.”

“Me neither, but I guess I have to clean up and go home now,” she said.

“You are going home tomorrow in the afternoon,” said Beth. “We are not through with you yet. He hasn’t even come in your little pussy. You haven’t eaten mine either. You are going to get fucked silly all night long, sweetie.”

“I’d love that, but I am not sure mom would,” said Faith.

“Don’t worry about your mom,” said Beth. “She would.”

“Faith, we are going to keep you here, getting your horny little ass fucked open even if we have to bring your mom in to show her how much fun you are having,” I said.

“Why didn’t I think of that?” she smiled.

“Because you are a horny little slut,” I said. “All you think of is my big cock and your little pussy and asshole.”

“Is that bad?” she teased.

“It’s wonderful,” I said. “That’s what you and I should be thinking about. We should leave the complicated stuff to my slut wife. She can handle anything.”

“Are you sure I can spend tonight with you?” she asked.

“Tonight and tomorrow,” I said. “Beth will make it happen even if she has to eat your mom’s neglected pussy.”

“Beth’s an amazing woman,” she said.

“All the people I deal with are amazing, especially she,” I said. “Are you ready to relax and suck my cock now?”

“Yes,” she said.

She instinctively squeezed her asshole as I slowly pulled out of her ass.

“Squeeze tightly,” I said as my cock head popped out of her asshole. “Don’t lose that come. It’s yours to keep.”

“Don’t worry,” she smiled as I kissed her asshole and licked her drenched pussy clean. “I am going to keep it.”

My sticky cock has already started to get hard when she knelt down and put it in her mouth. She licked my cock and balls and proceeded to deep throat me. I sat back on the sofa and let her enjoy herself. After sucking my cock eagerly for over ten minutes, she climbed on top of me, guiding my cock to her wet pussy.

She was soon riding my cock energetically, moaning and gasping happily.

“Nick, your big cock’s wonderful wherever you put it,” she said.

“I can only put it in a wonderful hole or another when I am with you,” I said.

“Be quiet, Faith,” warned Beth, holding the phone in her hand. “I am calling your mom. Don’t stop though.”

“You want to call her while we fuck?” asked Faith.

“I want you to talk to her while Nick fucks you,” said Beth. “I think you are depraved enough, aren’t you?”

“I think I am,” said Faith, smiling impishly.

Beth walked away and asked Tom about the phone number. She called and talked for a minute before she came back to us. Faith was riding my cock at a brisk pace but quietly.

“Your mom,” said Beth lowly, handing the phone to Faith.

“Hi, mom,” greeted Faith as she rode my cock with her twitching leaky pussy.

She smiled at me when I slid a finger up her ass. I soon had two fingers up her ass.

“I am getting to know Tom’s sister Beth and her husband,” she said, smiling at me. “They are very nice people. They are treating me so nicely they are spoiling me. I am having a wonderful time.”

She reached back and pushed my hand away from her ass. She then pulled my cock out of her pussy and pushed it up her ass moaning.

“Delicious,” she said.

Her mom apparently asked her about it.

“What they are feeding me,” she smiling and winking at me, as she rode my cock harder. “They are stuffing me, mom. I feel like a happy turkey. I think you should meet them sometime and try this stuff.”

She stiffened and hung up the phone.

"I am coming," she gasped. "Call her again after I finish coming."

Beth smiled as she redialed right away.

"I can't believe what a dirty slut I've become," gasped Faith.

By the time Faith recovered, Beth was talking to her mom. Faith rode my cock at an easy pace.

"She and Tom will sleep in separate rooms," promised Beth. "I know how the teenagers of these days are."

Beth pinched and twisted Faith's stiff nipples while she talked.

"I'll keep an eye on her," assured Beth. She muted the phone. "Your slut daughter's going to get her horny little ass fucked all night." She switched the voice back on. "I assure you of that. She's such a sweet girl." She reached between Faith and me and wiped Faith's dripping pussy. She sucked her sticky fingers. She soaked her fingers again in Faith's pussy and offered them to her to suck. "I am so happy my brother has met such a sweet and lovely girl."

Beth soon hung up as Faith picked up the pace.

"Thank you, Beth," gasped Faith, bouncing on my cock energetically. "I am so happy."

"Your mom asked me to make sure you got home full of come," teased Beth.

"I didn't know my mom was so cool," gasped Faith.

Faith came shortly. We changed positions, and I fucked her pussy a few times, including the once I pumped it full of come so deep inside it. I kept my softening cock in her hot pussy until it started to get hard again. She continued to milk it. I finally pulled out of her slimy pussy and kissed it. Some come leaked out. I climbed astride her and had her clean my sticky cock with her mouth.

"I've just finished coming in all your sweet girlfriend's fuck holes," I said to Tom as I dismounted Faith. "Kiss her well-fucked holes. She deserves it. Show her that she's very special."

Tom did not hesitate to kiss his girlfriend's come-filled pussy and asshole and her sticky mouth. Beth licked the leaking come and cleaned Faith's sticky pussy with his tongue.

"Don't you think your sweet girlfriend's a dirty little slut?" asked Beth.

"Yes," said Tom.

"Show her you think she's a dirty slut," said Beth. "Take your big cock out and jack off on her face. Be careful; come on her face not on the sofa, or mom won't like it."

Tom shyly took out his hard cock and knelt on the sofa next to his girlfriend's chest and proceeded to jack off.

"Tom, look her in the eye," instructed Beth, fingering Faith's sticky pussy. "Faith, look him in the eye, and smile at him, but don't part your lips. He's going to come on your face, not in your mouth."

Faith humped Beth's fingers that matched her brother's rhythm while smiling at him.

"I am going to come," announced Tom after a short while.

"Come on her face," urged Beth, jerking Faith's clit vigorously. "Show her she's a dirty come slut."

Tom's cock twitched and shot come on Faith's face. She closed her eyes when he started to spurt. He shot a big come load, hitting her nose, cheeks and lips.

"Milk your cock dry and wipe its head with your fingers," instructed Beth. "Then wipe your fingers on her face."

Tom obliged his sister.

"Now sit next to her and carefully use your fingers to scoop the come off her face and feed it to her," she said.

Tom sat next to Faith and proceeded to feed her his come off her face until he got it all off her face.

“Good job, Tom,” said Beth. “Good job, Faith. Now go wash your face, brush your teeth and gargle with mouth wash so your lover can use your face and mouth again. There is a new toothbrush waiting for you.”

While Faith went to the bathroom to clean up the traces of her last come adventure, Beth knelt down and proceeded to suck my cock. It was already getting hard, so it was hard in her mouth in less than a minute. She sucked it leisurely until Faith was back. Beth got up and pushed Faith into her place. Faith sucked my cock for a few minutes before she mounted it and stuffed it up her horny ass. She had hardly established an animated rhythm, bouncing on my cock happily, when Victoria came in. Faith did not see her.

“I see that you’ve finally met Faith,” said Victoria, scaring Faith halfway to death.

Faith tried to get off me, but I held her tightly.

“She’s a sweet young woman,” I said. “She’s very enjoyable. I really enjoy her company.”

“I bet,” smiled Victoria.

“Relax, Faith,” I said. “Victoria doesn’t mind seeing her son’s girlfriend bounce on her son-in-law’s big cock.”

“Not at all,” said Victoria. “I am just disappointed she stopped on my account.”

“You scared her,” I said.

“I am sorry,” she said as she knelt behind Faith. “I didn’t mean it.”

“Calm down, baby,” I said to Faith. “Everything’s okay.”

“She has a gorgeous ass, you bastard,” said Victoria. “No wonder you got it impaled on your big cock.”

“Everything about her is gorgeous,” I said.

“Can I please see her horny little asshole go up and down your big cock?” she said.

Faith was speechless in shock.

“Ask her,” I said.

“Faith, can I please watch you bounce your gorgeous ass on his big cock?” asked Victoria as I smiled at Faith.

“Yes,” finally hissed Faith.

“Thank you,” said Victoria.

“Bounce on my big cock, baby,” I said, moving Faith’s ass up and down. “Show her how much you love my big cock up your horny asshole. Come for your stud. Show her you are my dirty whore.”

Faith picked up the pace, and I helped her.

“She’s so hot,” said Victoria. “Watching her makes me wet.”

“Like you are ever dry,” I teased.

“Well, I am now wetter,” she said.

Meanwhile, Lisa came in. She stood behind Faith and watched.

“Should we feel jealous, or are you going to fuck us?” asked Lisa, drawing Faith’s attention to her presence.

“Don’t feel jealous, Lisa,” I said. “You’ll all get fucked silly. On your first time, you didn’t have to share much.”

“I know,” she said. “I am just teasing. Show your new whore a good time.”

John soon joined us, and everybody watched me fuck Faith silly in every hole she had.

"I am going to take my slut to the bedroom," I announced after I came in Faith's mouth.

"I'll catch up with you in a little bit," said Beth.

"Don't take long, baby," I said.

While I took Faith to the master bedroom, Beth sat next to Tom.

"Tom, you are now a cuckold like dad," said Beth. "Your girlfriend must love your devotion. It isn't bad, is it?"

"It's okay," he said.

"As you can guess, now she's addicted to Nick's big cock like your mom and sisters," she said. "Will you keep bringing her to him so he can fuck her for you and indulge the dirty whore within her that nobody else can indulge?"

"Yes," he nodded.

"The little slut's so lucky to have you," she said, "just like our slut mom's so lucky to have dad."

"You have to be very sweet to Tom," I said to Faith. "Don't miss a chance to show your appreciation for his letting you be my dirty whore. Don't let him fuck you because you are my whore, but be very nice to him."

"I'll do that," she said. "I owe him big for introducing me to you."

"Me too, baby," I said. "The best way to thank him is to enjoy each other as much as we can."

"We are doing that," she smiled. "We don't want to disappoint him."

Beth joined us. She and Faith got to sixty-nine and gush in each other's mouth while I fucked either of their asses. She ended up cleaning Faith's pussy of my come. Lisa soon came in. Faith was surprised but not too much when Lisa pounced on my sticky cock and proceeded to suck it and deep throat it. Lisa soon ate Faith's pussy while I fucked her own ass to orgasm. Faith returned the favor when Lisa bounced her horny ass on my cock.

The three of them got very comfortable with each other by the time Victoria joined us. It took Faith a few minutes to get used to the fact that her boyfriend's mom was getting fucked silly with her husband right downstairs.

"Mom, doesn't Faith fit with us like she's one of us?" asked Beth as I fucked Faith's ass and she ate Lisa.

"She *is* one of us after all this," said Victoria, "aren't you, Faith?"

"Yes," gasped Faith. "You are closer than family."

"Come's thicker than blood," I said.

"More delicious too," gasped Faith.

"This girl was born to be a slut," I said.

"From now on, she'll be one of us," said Victoria. "Faith, you are going to spend every other weekend with us here and come with us to spend the other weekends at Nick and Beth's. You'll get fucked silly every weekend."

"I'd love that if mom agrees to it," she gasped.

"We'll have to make her agree," said Victoria.

Before we called it a night, we introduced Faith to eating come out of well-fucked asses and passing come back and forth and around. She slept in my arms, my happy cock nestled against her equally happy ass. That was a sure recipe for a fuck session in the middle of the night reminiscent of my first time with Victoria, but this time all of us ended awake and fucking.

"Doesn't Mr. Conkley mind this at all?" asked Faith when we were alone on the next morning.

"He's Tom's dad," I said. "He wants his wife and family to be happy. Some sluts are really lucky."

“You are talking to one,” she smiled.

“I’ll be fucking her soon too,” I said.

Faith had more than her fair share of my cock in every hole she had. By the time Beth and I were ready to leave, she was well beyond satiation.

“If your mom saw your pussy and asshole, she’d know that you were soundly fucked,” I said as she rode with us to her house. “Make sure not to show them to her.”

“I am your whore, lover,” she said. “My pussy and ass belong to you. I am not showing them to anybody else.”

“Faith, I love you because you are a sweet and faithful girl,” I said.

“I love you because you love me and treat me right,” she said. “Give me a big kiss before I arrive at home.”

Beth was driving, so it was easy for me to turn around and give Faith a deep kiss.

“Give me one last taste of your luscious pussy,” I said.

She stuck a finger into her pussy and jerked it around before she gave it to me to suck and kiss.

We soon dropped her off at her house and waived to each other.

Beth and Victoria managed to convince Faith’s mom to let her come with Tom, Lisa and Victoria to our house on the following weekend and every other weekend thereafter.

ICE CREAM AND FRESH CREAM

Since Dad and John were not going to be there, Mom and Victoria took it upon themselves to milk at least one come load of their husbands and two come loads of Tom every day and freeze the come. Tom contributed five fresh come loads to the come raffle on Saturday. On her first weekend at our house, Tom’s girlfriend, Faith, gulped down about six ounces of thawed and fresh come. She had become a real slut. She had to brush her teeth and gargle thereafter.

In appreciation of what Tom did for Faith and me, she gave him better petting sessions. He also enjoyed watching his sweet girlfriend give it all up to me every weekend.

Alex and Lisa’s boyfriends did not get to watch their girlfriends get fucked silly because their presence was not necessary and they did not contribute to the festivities. Though, Alex and Lisa had them contribute to the come lottery. We soon had one full glass of come to be raffled out every weekend.

My faithful wife never participated but always administered the come raffle. I always shot my come up my sluts’ asses, making sure to come in every ass. My come was often sucked out and shared orally.

We occasionally had dad and John join our orgies and contribute fresh come to our come fund. We had barbeques on those days to make sure they had something to busy themselves with. Mom and Alex came with Beth and me to my in-law’s house more often. They usually spent at least a night with us at home in the middle of the week on the times they did not accompany us on our trip.

Beth and I had enough alone time too. She and I believed that she was a key factor in my success as much as I was. I often thought she was the main factor in my success with my sluts. We both took pride in what we had.

Beth was dangerously ambitious and wicked.

“Nick, one day, we are going to have Tom eat your come out of his girlfriend’s pussy and asshole,” said Beth.

“Beth, you are getting too dangerous,” I said. “Take it easy on your little brother.”

“It will be good for him,” she said. “He’s going to beat his dad and yours at something.”

“What do you mean?” I asked.

“My dad and yours are going to eat your come out of their wives’ pussies and assholes too,” she said.

“Beth, you are walking on thin ice,” I said. “Don’t screw everything up.”

“I’ll take my time, but they have to do it,” she said.

“Why do they have to do it?” I asked.

“It’s the ultimate concession that their women belong to you,” she said.

“Beth, they already surrendered their women to me,” I said. “I am already using them freely. This isn’t necessary.”

“Nick, it’s necessary,” she said. “Maybe you don’t need it, but your sluts do. They need to be fully yours.”

“Okay,” I shrugged, finally giving up.

“Lisa and Alex’s boyfriends need to do the same at some point,” she said.

“I guess I can’t change your mind,” I said. “There is no point in trying.”

“Darling, just let me handle women stuff,” she said.

“Okay,” I said.

“Thank you,” she said.

“Beth, I have a little question for you,” I said.

“Go ahead,” she said.

“With all your manipulative powers, why did you have to blackmail me into fucking your ass?” I asked.

“Do you really want to know?” she asked.

“Yes,” I said.

“I did that to show you that there is nothing I wouldn’t do to get what I want,” she smiled. “As you can see, now I want your sluts’ guys to eat your come out of their pussies and assholes. They have to do it. Do you understand?”

“I guess I do,” I said. “Though, if you ever try to manipulate me, I’ll kill you.”

“Baby, I am your anal slave,” she said. “Good slaves don’t manipulate their masters. I hope you know that I am a good anal slave.”

“I know you are, baby,” I smiled. “I just wanted to show you that I’d kill you if you tried to manipulate me.”

“Don’t worry about that, love,” she said. “It wouldn’t happen.”

“Now manipulate my cock into your horny ass,” I said.

“That’s something, I guarantee you, that will keep happening,” she smiled, getting up onto her knees.

That happened on a Wednesday night. My in-laws would be visiting us on the following Friday night.

On Thursday evening, I heard Beth talking on the phone in the kitchen.

“Are you accusing me of doing something disgusting?” she glared. “Don’t be an arrogant little jerk. If it’s good enough for me, it’s good enough for you. I loved doing it. It was delicious. You’ll love it too.”

Had she wanted me to listen in, she would have made the call in front of me, but I wanted to listen in anyway.

“Faith’s asshole’s delicious, and Nick’s come’s even more delicious,” she said, obviously trying to talk her brother into eating my come out of his girlfriend’s ass. “Don’t miss on that. You’ll love it. I guarantee it.”

There was a short pause as she listened.

“It’s your chance to beat Dad at something,” she said. “He gave mom to Nick before you gave Faith to him. You can prove yourself by taking the lead, and she’d love you for it. She’d let you come on her sweet face again too.”

She paused again.

“I want you to do it because you want to do it for yourself and your slut girlfriend,” she said. “This is a unique experience you can’t afford to miss. I’ll see you tomorrow night if you want to go ahead with it.”

Her poor little brother was no match for her wickedness. I knew he was going to do it, and that gave me a boner. I was apparently as wicked as my wife.

As she concluded her call, I retreated to the living room.

When Beth joined me, I had my rock hard cock and balls out of my pants. My cock pointed at the ceiling.

“You are supposed to save yourself for tomorrow,” said Beth.

“I just want to cuddle and hold you,” I said. “I want us to feel our love for each other.”

“What’s your big cock doing out?” she asked.

“It wants to cuddle too,” I said. “It’s flesh and blood too.”

“It wants to cuddle inside my pussy or ass?” she asked, teasing the underside of my cock with her fingertips.

“It wants to cuddle inside all your warm holes,” I said. “They all belong to it.”

“Okay,” she said. “I’ll kiss it a little before I cuddle it in my nether fuck holes.”

“That would be great,” I said.

She knelt down, licked my balls and deep throated my cock leisurely for a few minutes. She then mounted me and stuffed my cock into her pussy. She milked it gently while grinding into its base. We held each other and kissed deeply. Her pussy leaked around my cock. She reached back and moved my cock to her ass. We resumed kissing and holding each other while she milked my cock lovingly.

“Can you feel my love, baby?” she cooed, squeezing my cock tightly.

“Yes,” I whispered. “Can you feel mine?”

“Yes, balls deep,” she moaned.

“I love you, Beth,” I said softly.

“I love you too, baby,” she said, laying her head against the side of mine.

It did not surprise me to see Tom at our door on the following evening. His dad came too. Mine too. Friday night was normal, and so was Saturday morning. It was not until Saturday afternoon that Beth made her special announcement. I had just come in Faith’s ass and pulled out.

“Grab your heels, Faith,” said Beth. “Don’t touch her. We have a special gift for her.”

That was all Beth had to say.

Tom hesitantly moved toward Faith as she pulled her legs way back out of the way, opening her ass obscenely.

“Tell her what you have for her,” said Beth.

“I want to eat your come-filled ass,” said Tom shyly.

“Really?” said Faith excitedly.

“I told him you’d let him come on your face if he did a good job,” said Beth.

“Sure, if that’s okay with Nick,” said Faith.

“It’s okay with Nick,” assured Beth. “I handle come around here.”

Tom knelt down and proceeded to lick Faith’s ass. The girls gathered around him.

“I’ll spread her ass for you since you always spread our asses for him,” said Beth, spreading Faith’s splayed ass.

Tom soon ate his girlfriend’s ass hungrily as my come leaked out of it.

“Alex, play with his cock so he’ll be ready to come on her face if he does a good job,” said Beth.

Alex moved forward and fondled Tom’s boner through his shorts.

“Suck her slimy ass clean,” urged Beth. “Make your slut girlfriend fresh and ready for her lover’s big cock.”

Faith moaned and squirmed under Tom’s mouth.

“The more thoroughly you eat her, the more come you get and the cleaner she gets,” said Beth. “If you do a good job, you collect a big load of come for her face before she comes in your mouth, feeding you her lover’s hot come.”

Both Tom and Faith worked for her imminent orgasm.

“Come, you little whore,” urged Beth. “Flush the rest of the come out. Show him what a filthy whore you are.”

“I am coming,” gasped Faith soon.

Faith stiffened and shook in orgasm. Tom ate her more hungrily until she went limp.

“Good job, Tom,” said Beth. “Now, you get to come on her face and feed her your come. Straddle her legs and chest and jack off on her face.”

“Thank you,” gasped Faith, smiling at Tom, as he took his position on top of her, aiming his cock at her face.

“Take your time,” advised Beth. “The more you come, the filthier she looks and the more come you’ll feed her.”

By then, Tom had accumulated a big come load. He took a few minutes to jack off as everybody watched, including his dad and mine afar. He soon shot his come onto Faith’s smiling face. He hit her forehead, nose, cheeks, lips, chin, and her closed eyes. He made a mess of her sweet face.

“That was nice,” said Beth as he milked his cock and shook it, getting rid of the last few drops. “Now, use your fingers to feed it all to her. Don’t miss anything.”

Tom dismounted Faith and knelt next to her. Beth pounced on Faith’s drenched pussy as Tom proceeded to feed her his come. My cock was hard already, so I knelt behind Beth and fed it to her soaked pussy. She had a quick orgasm, and then I moved to her ass. I made her come while she ate Faith’s pussy and fingered her ass to orgasm.

“Kiss her,” directed Beth when Tom finished feeding his girlfriend his come.

He pecked her on her sticky lips.

“Faith, go wash up, brush your teeth, and gargle,” said Beth. “Take a shower if you have to. You need to be clean and fresh for your lover.”

Faith got up and went into the house as I fucked my other sluts.

If Faith's folks knew about what we did to her on those weekends, they would kill us with their bare hands.

Beth left the group and went to talk to her dad. I fucked my four other sluts before Faith came back, showered and fresh. She joined the group. I was fucking Victoria when Beth came back.

"Come in her ass, baby," said Beth

When her mom had her next orgasm, I obliged her. By the time I drained my cock inside Victoria's ass, Beth had led her dad to us. I dismounted his wife, and he took his place before her come-filled well-fucked ass.

Alex fondled my father-in-law's boner while he ate my come out of his wife. Beth teased him through it all.

"Are you having a good time?" I asked Victoria.

"Oh, yes," she said. "This is so nice. I can feel him suck the come right out of the depths of my rectum."

"Your husband seems to be happy to eat your slimy asshole, you lucky whore," I teased.

"Are you going to make your dad happy too?" she teased.

"I am going to give him the chance, but then it's up to him," I said.

"Give your mom a good reaming to make it easier on him and a big load to make it worth his while," she said.

"That's my plan," I said.

"Nick, I am going to come in my come-eating husband's mouth," she gasped. "This is so dirty."

"What's new?" I teased. "You are a dirty whore."

"You know I am," she gasped.

Beth talked her dad through coming on her mom's face and feeding her his come. Alex ate Victoria to orgasm while she ate her husband's come. Beth then sent her mom to clean up.

Needless to say, mom got the same treatment.

Two weeks later, when I opened the door for my guests, I found both my parents and in-laws at the door at the same time. I was surprised to find Lisa and Alex on the arms of their boyfriends.

"Who invited the girls' boyfriends?" I asked Beth when we were alone.

"Darling, if they are not here, they can't suck your come out of their girlfriends' asses," she said.

"You think they'd do that?" I asked.

"Didn't the others?" she said.

"Who's going to take care of my big boner now?" I asked.

"It's too bad that we don't have any sluts in the house," she teased.

That night we had private serial fucking.

On Saturday, in the backyard, I left my sister and sister-in-law alone while I fucked the others. Beth had each girl fondle and tease the other's boyfriend while they watched me fuck their girlfriends' moms and Faith.

Beth took turns whispering into the boyfriends' ears. Half an hour later, she led Lisa to me.

"Fuck my sister," said Beth, pushing Lisa toward me.

Alex was then fondling both boyfriends' boners. I proceeded to fuck Lisa and the others as Beth returned to the boyfriends. She continued to talk to them. Half an hour later, she sent Alex to join us. Beth continued to talk to them.

Tom helped me fuck everybody by occasionally spreading their asses. Everybody saw him suck my come out of his girlfriend's ass. He then came on her face and fed her his come. Faith went inside to clean up, and we resumed fucking. Lisa was next to have her come-filled asshole eaten by her boyfriend. Alex's boyfriend could only oblige too.

Dad and John came on each other's daughter's face along with her boyfriend. At that point, the guys found it okay to feed their girlfriends another guy's come with their own. Mom won the come raffle. Almost half of it was fresh.

We made it a biweekly activity for Alex and Lisa to go out on dates with their boyfriends with come-filled asses for their boyfriends to eat before they fucked their pussies. They had to douche before coming back to me.

"Nick, this six-hour drive back and forth every weekend is just too much," said Beth at night. "Are we trying to make gas companies rich? My folks have to move next to us."

"Are you serious?" I asked. "They wouldn't do that."

"I've already talked to Mom, and she loved the idea," she said. "Dad can stay back a little to finish up everything."

"What about Faith?" I asked. "She's such a sweet girl. Do you want to leave her behind?"

"Do I want to leave *her behind*?" she teased. "Once her mom tries your big cock up *her virgin behind*, they'll move here too. Don't worry about her."

"You are serious," I said.

"Get ready for your little slut's mom this weekend," she said.

"Your family and Faith are supposed to spend this weekend at our house," I said.

"That's a great opportunity for Tina to spend the weekend with her daughter and her friends," she said. "When she goes back to her husband, her anal virginity will be just a vague far memory replaced by a warm sloppy feeling."

"How do you know that?" I said.

"Your little slut and I have been working on it for a while," she smiled. "Are you ready to fuck them together?"

"You are unbelievable," I said.

"We'll seduce her for you on the drive," she said. "When she walks in the door, she'll be ready to get down on her knees and pay homage to the big cock she'll belong to from then on. When her daughter wonders what took her mom so long, she'll be shocked to find her on her knees worshipping your big cock. Do you know what she'd do?"

"What?" I asked.

"You'll tell her to teach her mom how to suck your big cock properly because it's inappropriate for the mom of such a hot slut not to know how to suck her lover's big juicy cock," she said. "Five minutes into the visit, your little slut and her mom will be sucking your big cock and getting ready for a full weekend of total debauchery."

"You think that can happen?" I asked, my hard cock throbbing.

"That's only the beginning, baby," she said. "She'll serve your big cock like she should, and she'll be happy and eager to move. Tom will be eating your come out of his girlfriend's mom's fuck holes until we get Todd onboard."

“I see that you have everything planned,” I said.

“I also know that you don’t want to lose Derek after you got used to having him so eagerly eat your come out of my slut sister’s hot ass,” she said. “Good boyfriends aren’t easy to come by. Don’t panic; he can go to college and to work here. I’ve already talked to him. He believes that he should follow his love just like she follows hers—you.”

“Holy...,” I started to say.

“...ravioli, baby,” she smiled. “Or did you mean to say holey?”

“I just meant to say this is fucking amazing,” I said.

“It’s amazing fucking too,” she smiled. “You’ll get more of the cock-hungry asses you came to love so much.”

“I can’t complain,” I said.

“I take it that you don’t mind seeing your in-laws more often,” she teased.

“I’d actually like that a lot,” I said.

“I am such a lucky girl to find a husband who gets along with my folks, especially my mom,” she teased.

“I don’t just get along with my hot mother-in-law,” I said. “I love her deeply too, and that isn’t only for the two very hot sluts she gave me.”

“Darling, she gave you four sizzling hot sluts, her and her son’s girlfriend included,” she said.

“I am so very lucky to find such a sweet mother-in-law too,” I said. “Your entire family’s fucking sweet.”

“You are so naughty,” she teased. “You love feeding your come to all of them.”

“It’s the least I could do to make them happy,” I said. “I want to be more than just an in-law for them.”

“Nobody doubts that you are much more than that, and they all love you for it,” she said.

When my mother-in-law went to the bathroom in the middle of that fateful night in that hotel room, my wife moved away from me in her sleep, taking over her mother’s place. When her mom returned, she thought sleeping in her daughter’s place was less of a hassle than pushing her away to take back her place. That started the avalanche. It never crossed her mind that and her forceful attitude would end up making her share my cock with my mom, their daughters and even her son’s girlfriend. Blackmail rarely paid off, but when it did, it really did.

The End

The Outlaw In-Laws

We had to cut short our visit to my in-laws. My mother-in-law insisted to come with us. On our return trip, we stayed in one hotel room, where mistakenly made love to her. She took advantage of that. On a different occasion, her daughter took advantage of another situation, and we got caught by my wife, who caught me again later with her mom and sister.
