

## Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

A captivating picture of a delicious anal pucker and a juicy pussy was filling my computer screen. The lighting was so right and the resolution was so high the gorgeous ass almost jumped out of the screen into my hands. I was totally absorbed with it. My cock and balls were sticking out of the right leg opening of my shorts. My cock was rock hard in my hand as I deeply fantasized about what I would do to that magnificent ass if it were in my room instead of my computer. My mouth watered as I imagined licking every wrinkle in that light pink pucker and massaging its tight orifice until it opened up and started to nibble at the tip of my tongue. I could almost hear the voice of the girl, whose face I did not know or care about, moan and gasp as my tongue toyed with her delicious asshole, probing it deeper and deeper and opening it up for later and more serious fun.

“Nice cock!” a voice said, startling me and bringing me out of my trance.

My state of mind was so far from reality I almost fell off the chair. I was so taken by surprise I did not know what to do. I scrambled to cover my outrageously rampant cock with my hands, but the picture was still obscenely displayed on my monitor.

“Aunt Mish?” I said in shock, almost voicelessly, as I looked to my left.

My embarrassment could not be exaggerated. I liked Aunt Michelle, and she liked me. I had just destroyed all that, replacing it with eternal disgrace. I gazed down in shame. She had a package in her hand that she put on my desk.

“Don’t panic,” she said, pushing my hands off my cock. “I know what it’s like to be a hot-blooded teenager.”

She went down to her knees and turned my chair toward her. I was totally frozen as if I were in a nightmare.

“You should never have to take care of this gorgeous cock yourself,” she said, wrapping her hand around my hard cock. Her hand could not fully wrap around its shaft. She stroked it gently, smiling at me. “Why don’t you let me take care of it for you?”

“What?” I said, completely flabbergasted.

“Do you enjoy getting your big cock sucked?” she teased, looking at me.

She licked her lips sexily as she waited for my answer.

“Yes,” I said lowly, nodding.

My cock twitched in her hand, almost spurting on her face.

“Has anyone sucked your big mouthwatering cock today?” she asked.

I shook my head.

“In this case, this is going to be your birthday blowjob,” she said.

My birthday? I suddenly remembered it was actually my nineteenth birthday.

## Nightingale

March 2014 Remake of April 2003

Presents

A Nightingale Classic

**Shock and Awe**

Aunt Michelle used to surprise me on my birthdays, but never in such a compromising position.

“Is this real?” I asked in disbelief.

“No, it’s a dream,” she smiled, stroking my cock with her right hand and teasing my balls with the fingertips of her left hand. “It’s a dream come true—at least for me.”

Even I did not understand the sound I made in reply to that.

“You have a gorgeous cock,” she said. “If you are not in the mood to enjoy this blowjob, why don’t you relax and let me enjoy it? Don’t you want to be nice to your aunt?”

“Yes,” I hissed.

“I am not asking you for anything,” she said. “I just want you to relax and let me play with your big toy.”

Her hot breath tickled the underside of my cock and my balls as she inspected my cock closely. My cock twitched when she moved her face closer. I gasped when her tongue tip scraped the line separating my balls. She continued to stroke my cock while she licked and mouthed my balls. She gently sucked each of my balls into her mouth. My cock started to drool. She licked the big clear drop off the tip and then pulled back.

“Your big cock seems to like me,” she said. “Does it really like me?”

“Yes,” I hissed.

“Let’s take these shorts off so I can make it like me even more,” she said, pulling at the waistband of my shorts.

We had to maneuver my shorts around my stiff shaft. I robotically cooperated as she slid my shorts down my legs. With my shorts and boxers off, I sat back again, spreading my legs.

Palming my balls with her left hand, her tongue started at the base of my cock and teased its way up the underside of my cock, finally reaching the point directly under my cock head. She held my cock firmly while licking the point where my cock head met the shaft. She tilted my cock forward and let her tongue lick its head slowly and thoroughly.

“Your big cock’s delicious,” she said. “I bet you have a problem keeping it away from the little sluts.”

My cock drooled more. She took its head between her lips and nursed it gently, sucking for more of my leaking fluids, as if it oozed honey. Her lips were tightly stretched around the end of my shaft. She held my eyes with hers as she nursed my cock urgently like a hungry baby. Her lips gently worked up and down my shaft. Her tongue toyed with my cock and her lips massaged it lovingly as she slowly took it deeper and deeper into her warm mouth, bathing it with her saliva.

“Am I a good cocksucker compared with your little cocksuckers?” she teased.

She knew what she was doing. Her magic mouth was causing wonderful sensations to course up and down my spine. My cock was rock hard, drooling constantly in her eagerly sucking mouth. She continued to suck my cock until she took two thirds of it in her mouth.

“It’s going to be a little hard for me to take it all in my mouth,” she said, stroking my shaft. “I’ve never sucked a cock this big, but don’t worry; I am going to do it. I am not going to let you down on your birthday.”

Her announcement made my cock jump in excitement.

“Oops!” she said, stroking my cock. “I didn’t ask for your permission. Do you want me to suck your big cock?”

“Yes,” I hissed.

“You want to be nice to your old aunt and let her enjoy the most delicious cock she’s ever sucked?” she teased.

“Yes,” I hissed.

“Do your little cocksuckers take it all the way down their throats?” she asked.

“Yes,” I said lowly.

“You have very dirty cocksuckers,” she said. “Do you want me to be a dirty cocksucker for you and do that?”

“Yes,” I said, my cock twitching in her hand.

“You are such a naughty nephew,” she said, occasionally licking my cock head. “I like that. You know, most guys may get intimidated by having their aunts suck their extremely hard cocks. I only like to offer my services where they are appreciated. Now that I know I am wanted, I’ll help myself to your mouthwatering piece of meat.”

She spent several minutes fucking her mouth with just over half of my cock. She frequently slobbered all over my shaft and licked up her drool. She was moaning and making sucking and slurping sounds. I was having a great time, and so was she.

“Do you like this, Nick, or am I the only one having fun here?” she teased.

“I like it a lot,” I said.

After a while of this sloppy sucking, she raised herself on her knees, thrusting her ass out. That made my cock grow even bigger if that was at all possible. She took a deep breath and then swallowed my cock all the way down her throat, pressing her nose into my pubes and touching my balls with her tongue and lips. Her ass swayed from side to side, and she rocked back and forth as she let my cock fuck her mouth balls deep. She deep throated my cock for a few minutes before she pulled back for the first time.

“Did you like that?” she teased, smiling mischievously.

“I loved it,” I said. “Please don’t stop.”

“Oh, I am not going to stop until you empty these balls down my throat,” she said as she squeezed my balls gently, making my cock twitch. “I hope you don’t mind coming in your aunt’s come-thirsty mouth.”

“If this is a dream, I don’t want to ever wake up,” I said. “I don’t want it ever to end.”

“Don’t worry,” she smiled. “It’s not going to end anytime soon. Your aunt’s enjoying herself with your big juicy cock. I am going to keep sucking your delicious cock until you can’t take it anymore.”

“You are the best aunt ever,” I said. “I’ve always thought you were great; now I know you are the greatest.”

“In turn, you are the sweetest nephew with the juiciest big cock in the world,” she smiled. “I didn’t know I’d enjoy your birthday more than you would.”

She gulped down my cock again and resumed fucking her throat with it. For the following fifteen minutes, I enjoyed switching my eyes between her twitching ass and stuffed mouth. I reached out and pulled her dress up, gradually exposing her ass. In addition to enjoying her hot oral ministrations, I delighted in watching her ass sway and move, her pale tight cheeks split by her black thong.

“I almost forgot that you liked that slut’s ass,” she said. “Do you like mine?”

“Yes,” I said.

“Thank you,” she said.

“Let’s go to the bed,” I said. “I want to be able to thrust in your amazing mouth.”

“Sure,” she said, getting up.

Taking off my T-shirt, I walked to my bed, my hard cock leading the way.

“How do you want me?” she asked.

“I want you to lie on your back,” I said. “I want to fuck your mouth while I kneel astride your chest.”

“You want to straddle my big tits and fuck my cock-hungry mouth?” she teased.

“Yes,” I said.

“I’d love that,” she said.

Totally naked, I straddled her chest and pushed my cock into her mouth. I started to thrust in her mouth gently, but soon I was fucking her mouth balls deep. After several minutes, I helped her sit up with my cock in her mouth. Standing on the floor, I fucked her throat gently with my hand on the back of her head to make sure my cock sank as far as it could go down her willing throat. She eagerly pulled me into her throat, moaning whenever she could.

By then, I was very emboldened. Every once in a while I pulled my sticky cock out and gently slapped her face with it before pushing it back into her mouth. I occasionally rubbed her face with my cock or flicked her lips and tongue with it. In that position, her deep cleavage was exposed to me every time I pulled out teasingly. I tilted her face up and slapped my cock on her cheeks.

“Can I please fuck your big lovely tits?” I asked, gently rubbing my cock over her face.

“You are a greedy nephew,” she smiled.

“Please, aunt,” I almost begged. “Please?”

“Okay,” she said, slipping her dress down her shoulders.

“Please, allow me,” I said, reaching for the clasp of her bra.

Her bra fell off setting her full ripe tits free. I put her bra aside, keeping my eyes glued to her tits. Her nipples begged for attention.

“They are beautiful,” I said, making her blush, as I admired her tits and nipples.

“Do you like them?” she asked holding them up for me in her hands.

“Of course, I do,” I said, dropping to my knees before her. “They are fantastic.”

I could not resist the urge to close my lips around her left nipple.

“What are you doing?” she gasped as I sucked her nipple gently. “I thought you just wanted to...”

Her soft voice trailed off.

As she moaned, I wrapped my right arm behind her back so she would not pull back. She held my head with her right hand while she continued to hold her left tit for me. I used my free hand to squeeze her right tit and toy with her stiff nipple. She moaned softly.

“You are such a bad boy,” she moaned. “I like you; you are so good to me.”

My moan answered hers as I enjoyed the feel and taste of her thick nipple in my mouth. A few minutes later, I switched my mouth to her right nipple. This time, I used my left hand to stroke her back while I used my right hand to fondle her left tit. With all the encouragement I received, I spent more time on her tits, switching my mouth from a sweet nipple to the other. She just moaned happily, surely getting wetter.

“They are delicious,” I said.

“I am glad you like them,” she said.

Done sucking her tits, I gently pushed her onto her back. I licked her cleavage, making a slippery channel for my cock. I straddled her, laying my cock between her tits. She squeezed her tits around my cock, and I proceeded to fuck her satiny cleavage. She moaned softly as my cock massaged her tits. In the next fifteen minutes, I switched my cock between her cleavage and her mouth a few times. Dismounting her, I turned her around so her head was at the edge of the bed. I leaned forward, pushing my cock in her mouth. I braced my hands on either side of her and proceeded to thrust deep in her mouth. Her moans let me know that she was enjoying herself. I occasionally fondled her tits and pulled on her stiff nipples, twisting them.

As I fucked her throat, she adjusted her position, bending and spreading her knees. This position let her dress ride up her thighs and expose the crotch of her panties. After a little hesitation, I reached out with my right hand and cupped her pussy through her panty. She let out a long groan around my cock but did not resist at all. I could feel the heat and dampness of her pussy through her thin panties. I squeezed and massaged her pussy gently, making her moan. She started to hump my hand. Her heat increased constantly, and she humped my hand more urgently.

“I like your pussy,” I said. “It’s so hot and wet. Do you like what I am doing with it?”

She moaned affirmatively.

That achievement was beyond my wildest dreams, so I did not want to make her come and blow it all up. I started to ease off to make her cool down a little. I continued to fuck her throat and toy with her pussy through her panties for several more minutes. I occasionally squeezed her tits and pulled on her nipples.

That was taking its toll on me. I pulled out of her mouth and rearranged her along the side of the bed. I threw my right leg across her and pushed my cock into her mouth. I thrust in her mouth for a couple of minutes before I felt my orgasm hit. I did not want to resist anymore.

“I am coming,” I groaned as I felt my cock stiffen. “Drink my come, Aunt Mish. Swallow it all.”

She doubled her efforts sucking my twitching cock as it spewed thick wads of come down her swallowing throat. I gently thrust in her mouth while she drained my balls. After she made sure she sucked my cock dry, she let it slip out of her mouth.

“Your come’s delicious,” she said, smiling at me.

“You are amazing,” I said. “This is the best birthday gift I’ve ever received.”

Dismounting her, I pushed my right hand between her legs. She moaned and started to hump my hand as I massaged her pussy through her panty. I continued to rub her pussy while I rearranged her, laying her across the bed and allowing her to lower her feet to the floor. Going down onto my knees, I reached for the waistband of her panties and pulled it down.

“Nick, what are you doing?” she protested. “Don’t do that.”

“I have to return the favor,” I said, pulling her panties down insistently. “This may be my only chance ever.”

She lifted her ass, allowing me to pull her panties down her hips. She lifted her feet so I could pull it off. I put her panties aside and pushed her dress up her hips.

“Nick, you shouldn’t do this,” she said as she lifted her ass again, letting me collect her dress around her waist. “This isn’t right.”

“Just relax and let me at your juicy pussy,” I said, pushing her knees against her chest. “You want to come in my mouth, don’t you?”

She just whimpered.

“I want you to, too,” I said.

“You are a bad boy,” she moaned.

“I hope you like bad boys, because this bad boy likes what he’s seeing,” I said.

This position obscenely exposed her dripping pussy and cute asshole. Her anal pucker was even prettier than the one I had been watching on my computer screen and fantasizing about.

“You are so beautiful,” I said, admiring her pink asshole.

“You like my pussy?” she giggled.

When she said that, I had to look at her leaky pussy. It was also very pretty.

"I like both adorable holes," I said. "They both look yummy. They are much prettier than the ones I was admiring."

"You are definitely a bad boy," she moaned.

Before she knew what happened, I had touched my tongue tip to her asshole and licked it gently.

"Nick, stop," she protested, stiffening. "Don't do that."

Naturally, I pushed her knees tightly against her chest and proceeded to lick her asshole. She gasped and wiggled futilely. Her resistance soon diminished, and she started to moan, enjoying my tongue on her asshole, which relaxed under my tongue.

"This is crazy," she moaned. "It feels good."

Hearing that, I let her knees go and used my hands to fondle her tits.

"Yes, yes," she hissed, holding her ankles with her hands.

Her asshole relaxed and opened up for my tongue. I spent over ten minutes licking and sucking her happy pucker. She moaned, humping my tongue more and more urgently. I was already licking her leaking pussy juices off her asshole. In a couple of more minutes, I made her come just by licking her asshole. She went nuts as I continued to push my tongue into her twitching asshole until she went limp.

"Nick, you are a wicked boy," she moaned. "Nobody has ever made me come like that."

"Did you like having me eat your delicious asshole?" I said.

"Yes," she hissed.

Her pussy was drenched. I cleaned it with my tongue before I ate it through a new orgasm. I returned my mouth to her asshole and gave it a deep kiss.

"Spread your hot ass for me," I said, guiding her hands to her ass cheeks.

"No one has ever had me do that," she said as she complied readily. "It's so slutty."

"I am glad I am pleasing you like no one else ever has," I said.

"You are making me enjoy your birthday more than I've ever enjoyed mine," she moaned.

"I am glad you are enjoying helping me enjoy my birthday," I said. "Maybe I'll help you enjoy yours next time."

While soaking my forefinger in her wet pussy, I licked her asshole for a few minutes, feeling it relax. I gently sucked her clit as I used my slick fingertip to massage her asshole. Her sphincter soon opened up, accepting my fingertip. I kept my fingertip there, gently drawing tiny circles within her asshole. She moaned, and her asshole milked my fingertip as it continued to relax around it.

Returning my finger to her pussy, I alternated between dipping my finger in her wet pussy and using its slick tip to tease her clit. She moaned, humping my finger. Her eyes were closed as she turned her head from side to side. While keeping her absorbed in what I was doing to her, I stealthily grabbed the lube from the drawer of the nightstand. My cock, which had already been rock hard, twitched in excitement.

"You are such a hot woman, Aunt Mish," I said.

"You like having me act like a slut," she moaned.

"We both seem to like that," I teased.

"We do," she moaned.

Bringing the lube bottle up, I poured lube into my mouth to warm it up so she could not detect it. I finger fucked her pussy a little before I moved my finger to her asshole. I slowly dribbled the lube onto her asshole, gently rubbing it into her pucker. Her asshole did not resist my fingertip as it penetrated her sphincter. I used the thumb of my free hand to rub her clit while I worked the lube inside her asshole. My finger sank deeper each time it penetrated her asshole. She seemed to like the new sensations.

“Nick, what are you doing?” she asked when my finger sank all the way up her ass.

“I am toying with your cute asshole,” I said, finger fucking her willing asshole gently.

“Oh, you shouldn’t do that,” she moaned weakly. “I’ve never let anyone touch me there.”

“Don’t you like it?” I asked, returning my thumb to her clit.

“Yes, I do,” she moaned. “It feels good, but it’s the wrong hole.”

“Your asshole’s so pretty and responsive,” I said. “To me, that’s as right as it can get. Just close your eyes, relax, and enjoy yourself.”

“You are a dirty boy,” she moaned.

“It takes a dirty girl to know a dirty boy,” I teased. “Are you a dirty girl?”

“Yes,” she hissed.

Her pussy was leaking freely, making it obvious that she was not serious about her protest. I moved my thumb off her clit and concentrated on finger fucking her asshole rhythmically. She moaned louder, humping my finger urgently. Our pace accelerated constantly. Within two minutes, she had a violent orgasm. I jerked my finger within her twitching asshole until she went limp. I lapped her copious juices while swirling my finger within her asshole.

“You are having a good time, aren’t you?” I teased, smiling at her.

“Oh, yes,” she hissed. “You seem to know how to show a horny woman a good time.”

“You are a hot woman and a horny woman,” I said.

“I am a very horny woman,” she moaned. “I am letting you do to me what nobody else ever has done to me.”

“I am only doing that to you because you are a hot woman who deserves it,” I said.

“Thank you,” she said.

While reaming out her tight asshole gently, I poured another helping of lube into my mouth. Soon, I was using my middle finger to work this lube into her asshole while moving my forefinger inside her ass. Two minutes later, I was easily pumping two fingers in and out of her ass. She humped my fingers happily. While warming the next helping of lube in my mouth, I twisted and swirled my fingers within her asshole, preparing her ass for a third finger. I effortlessly worked my three fingertips into her ass, but I took my time working the rest in, occasionally lapping her leaking pussy juices. She moaned and squirmed happily.

“Your ass is so hot and tight,” I said. “I love playing with it.”

“You sure know how to play with it,” she moaned.

“Your loser boyfriends have never played with it?” I said.

“I’ve never let them,” she moaned.

“You were saving it for me?” I teased.

“It looks like that,” she said.

“You did the right thing,” I said.

“I think I did,” she said.

When she could comfortably take my three fingers all the way up her ass, I finger fucked her tight ass rhythmically.

“Do you want to come again for your horny nephew?” I asked.

“Yes,” she hissed, humping my fingers.

“You are such a dirty girl,” I teased.

“Yes,” she hissed.

She soon had a more violent orgasm. I jerked my fingers vigorously within her twitching asshole while she shook wildly in orgasm.

“You are such a slut,” I teased, lubing my hard cock thoroughly with my free hand.

“Yes,” she gasped.

She gasped for air, still humping my fingers.

“You look so beautiful when you come,” I said, twisting my fingers within her asshole. “Do you know that?”

“You make me feel so good,” she moaned, opening her eyes lazily. “I’ve never come this hard before.”

“I love making my dirty aunt happier than anybody else ever has made her,” I said. “Do you love it?”

“Yes,” she hissed.

She closed her eyes again as I leisurely fingered her ass. Her asshole was so relaxed and ready for my drooling cock. I quietly got up and maneuvered my cock toward her asshole. Her face was so calm and smiling when I slowly popped my fingers out of her ass. I held my raging cock and pushed it into her asshole. I was neither slow nor abrupt. Her relaxed asshole opened up and took my cock in, closing behind the ridge of my bulbous cock head. The feel of her tight sphincter and the view of her asshole stretched wide around my cock almost made me come. I leaned forward, bracing my hands on either side of her. She remained calm for a few seconds before she felt the difference. She opened her eyes and was surprised to find me on top of her.

“Nick, what’s this?” she asked, confused.

“I want to fuck your hot ass,” I said.

“Please, don’t,” she said in panic. Her asshole clamped at my cock, almost making me come. “You are going to hurt me very badly.”

“I am not going to hurt you,” I said lovingly. “My cock’s already in your ass, and you don’t feel any pain. I have prepared you well for it. Your sweet asshole’s ready for me. It’s expecting me.”

She did not speak for several seconds as if she was making sure she was not hurting.

“Please be gentle,” she finally said softly. “I’ve never done this before.”

“Of course, I will,” I said, my cock twitching with lust. “You’ll come like never before. I promise.”

My cock cooled down a little as I did not move for a little while so I can withstand the heat and tightness of her ass. When I felt that her asshole and my cock relax a little, I started to push forward gently. My extremely hard cock sank ever so slowly into her tight vaginal canal.

“Thank you for saving your fantastic ass for me,” I said, smiling at her.

“I didn’t know I was saving it for you,” she moaned.

“Are you happy that you’ve saved it for me?” I said.

“Yes,” she hissed.

“I am going to fuck it royally,” I said. “When I push in, push out very gently. That makes it slide in more easily.”

Her cooperation let my next gentle push sink half my cock into her ass. I paused a little. The following push only left two inches of my cock outside her ass. I stopped.

“Take a deep breath and hold it in,” I instructed as I prepared to drive the rest of my cock in.

As she held her breath, I applied gentle pressure to her ass, gradually pushing harder and harder. I had to apply high pressure to overcome her last resistance and pop my cock head past the end of her rectum. She groaned, and my pelvis and balls slapped her ass as her insides gave way and swallowed my cock all the way in.

“My big cock’s balls deep up your hot tight ass,” I smiled. “It feels wonderful. How does it feel to you?”

“It feels so big,” she said. “I can’t believe you could fit your huge cock back there.”

“Of course, I could,” I said. “Your hot ass was made for cock. Why don’t you reach with your hand and feel how my big cock’s filling your horny ass to the brim?”

Seconds later, I could feel her fingers touch the base of my cock where it met her stretched asshole.

“I can feel it,” she said, still touching my cock. “It’s so big and hard.”

“What do you expect when you are very sexy and you have a very hot ass, you hot slut?” I teased, making her blush. “Alternate between squeezing it gently and pushing out so you can get comfortable with it.”

She started doing that tentatively. I enjoyed the way her once innocent asshole milked my cock, making it even harder. I started to grind into her ass, pushing in when she pushed out and pulling out when she squeezed her sphincter. I brushed my thumb up her drenched pussy and then over her erect clit. She gasped, and her asshole twitched, nearly biting my cock off. She almost came, but I did not want her to come yet.

Within a few minutes, I was working my cock in and out of her ass slowly but smoothly. She deliberately milked it, making it feel wonderful. I fucked her with long strokes, pulling out until only my cock head was left inside, and then pushing in until I skewered her entire rectum, letting my cock head pop into her colon.

As my cock and her ass took to each other, our pace picked up gradually. I was soon fucking her ass deeply at an easy pace. She moaned and humped back, enjoying herself.

“I see my hot aunt enjoying her first ass fuck,” I teased. “Am I right?”

“Oh, yes,” she gasped. “It feels so hot.”

“Do you still think that my big cock is too big for your little asshole?” I asked.

“Not anymore,” she said. “It now feels just right. It feels as if your big cock was made for my horny ass.”

“It really does,” I said. “Maybe it was.”

“I’ve always thought this was perverse and dirty,” she said. “I’ve never been curious enough to try it, not even when your uncle tried to talk me into it.”

“On one hand, you have been missing on a lot of fun,” I said. “On the other hand, I am so glad you have saved your magnificent ass for me. I am going to make it up to you.”

“You are a horny fucker, Nick,” she said. “You don’t mind fucking your own aunt in the ass, but you are a good boy. I really like you. You are my favorite nephew, and it is not only because you have the best cock I’ve ever seen.”

“You are a hot woman,” I said. “Why would I deprive myself of fucking your outrageous ass? You are also my favorite aunt, and that isn’t because you have an incredible ass. I am glad we are taking our relationship a little deeper.”

“Balls deep,” she giggled.

“It can’t get any deeper than this,” I smiled, thrusting my cock all the way up her ass.

“With the size of your cock, this is deeper than I’ve ever thought possible,” she smiled.

We silently concentrated on our fuck. I pushed her ankles down, causing her ass to rise up and become more vulnerable to its first, merciless fuck. The only sounds in the room were moans, gasps, groans, and wet sliding and slapping sounds as I fucked her receptive ass hard and deep. After ten minutes of solid rhythmic ass fucking, she started to lose control. She moaned louder, crying for more. Her body, shaking with every thrust, started to tremble with the precursors of her orgasm. Her asshole contracted and relaxed involuntarily as I drilled it vigorously.

“I am going to come for you,” she gasped.

“You are a dirty slut,” I teased, smiling.

“You are a dirty fucker,” she said.

“Come for me, you hot slut,” I urged, pounding her ass.

She stiffened before her entire body started to convulse in a violent gut-wrenching orgasm. I continued to pound her twitching ass until her orgasm subsided. We were both panting. While she tried to catch her breath, I gently thrust in her happy ass.

“That was incredible,” she gasped. “I’ve never felt pleasure this intensely.”

“Indeed it was,” I said. “Your hot ass was virgin, but it was naturally ready for my big cock.”

“This is also my butt feeling,” she smiled.

“Do you still think ass fucking is perverse and dirty?” I teased.

“Of course not, silly,” she said, fucking back. “I think ass fucking is so wild and wonderful.”

“I take it that you are ready for what I am planning for you,” I said, picking up the pace.

“I guess I am,” she said. “Fuck your aunt’s ass silly, Nick.”

“You never need to coax me to do that,” I said.

The next ten minutes of hard ass pounding made her come again as had if not even more so. I dipped two fingers in her drenched pussy and licked her juices off my fingers. I did that again giving her a taste of her own juices. She did not hesitate to suck my fingers eagerly.

“You are so dirty, and I love you for it,” I smiled.

“The feeling’s mutual,” she smiled.

After giving her less than a minute to rest, I rolled her around onto her knees without taking my cock out of her ass. I held her hips tightly to my pelvis as I helped her lower her knees to the floor. I pulled her back a little so she could lower her lower back and thrust out her horny ass lewdly for my cock.

“Push your slutty ass for me,” I said. “I want to fuck you in the ass like a bitch in heat.”

“Do that, you horny fucker,” she moaned.

Her position made her lush tits dangle accessibly as she rested her head on her folded arms on the bed. I fondled her tits, toying with her nipples as I thrust in her ass at an easy pace. I let her tits go and braced my hands on either side of her shoulders, preparing to fuck her harder. She had more leverage to fuck back than before.

“Are you ready for a serious ass fucking?” I teased.

“I am ready,” she moaned. “Give it to me.”

Soon, my thighs were slapping her ass as my balls slapped the back of her dripping pussy with every deep thrust.

“You like this, you hot slut?” I said.

“I love it,” she said, fucking back energetically.

For the following ten minutes, I fucked her ass at different paces. In the following five minutes, I pounded her willing ass hard. We were making loud groans, moans and slapping sounds. She fucked back urgently as she felt her orgasm imminent. I fucked her ass with extreme vigor until she started to gasp for air as her frame shook uncontrollably in a wild orgasm.

“I am coming my ass off for you, Nick,” she gasped. “Fuck my slutty ass hard.”

“Come for me, Aunt Mish,” I said. “Leave your hot ass for me.”

When her orgasm died down, I slowed down thrusting in her ass and fondled her tits lovingly. She was still gasping breathlessly while grinding into my hard cock.

That was when we heard clapping. I looked back in horror to find Aunt Leanne standing behind us.

---

“That was amazing,” said Aunt Leanne.

“Aunt Leanne?” I gasped in panic.

Aunt Michelle and I were shocked beyond belief. I hurriedly yanked my cock out of her ass with an audible plop. I stood up and covered my cock with my hands in shame. Aunt Michelle pulled her dress down, covering her ass, and buried her face in the bed sheets.

“I knocked twice, but nobody answered,” said Aunt Leanne calmly as she knelt before me.

She pushed my hands away and took my cock in her mouth. My hard cock was freshly out of her big sister’s ass, but she did not care. I stood there in shock like a statue as she sucked my cock deeper and deeper. Soon, I was instinctively thrusting in her mouth without knowing it.

After a minute of silence, during which Aunt Michelle only heard her own heartbeat, she looked up to see what was going on. She was obviously stunned to find her little sister deep throating my cock.

“What are you doing, Lee,” asked Aunt Michelle.

Without taking her mouth off my cock, Aunt Leanne signaled Aunt Michelle to wait a little.

“This is crazy,” said Aunt Michelle in awe. “It’s getting out of control.”

“I hoped you wouldn’t mind sharing this beautiful cock with me,” said Aunt Leanne.

“I don’t,” said Aunt Michelle. “It’s just that this is going beyond my wildest imagination.”

“Do you think I’d ever imagined this could ever be possible?” asked Aunt Leanne. “We are just too lucky to have an accommodating nephew like Nick.”

“Hey!” I said. “I am even more shocked than you both are. I am glad it all came to a happy end.”

“I’d call this a happy start,” said Aunt Leanne.

“Me too, actually,” I said.

“I am not done either,” said Aunt Michelle.

“Not even close if I have my say,” I said, thrusting deep in Aunt Leanne’s mouth.

“Of course, you do,” said Aunt Michelle. “You are the one who has the most say here.”

Aunt Leanne moaned her consent over my cock without interrupting her deep sucking. She let me fuck her throat for a few minutes before she beckoned Aunt Michelle to come closer. She took Aunt Michelle's hand and pulled her down. When Aunt Michelle knelt next to her, Aunt Leanne pulled back and turned me toward her sister. Expecting that, Aunt Michelle did not hesitate to open her mouth and gulp my cock down. In the following several minutes, I switched my cock from eager mouth to the other.

"I just hope mom doesn't miss you and come to join us," I said.

"Your mom doesn't know I am here," Aunt Leanne said, walking to the door. "I'll lock the door anyway."

"She doesn't know I am here either," Aunt Michelle said, briefly taking her mouth off my cock.

"Mish, get down on your knees again so he can resume fucking your horny ass," suggested Aunt Leanne.

"What about you?" asked Aunt Michelle. "Don't you want some of it?"

"Maybe later," said Aunt Leanne.

Aunt Michelle was a little shy to get into that obscene position before her sister, so I helped spread her knees and adjust her lower back into a position even more obscene than the previous one. My crazy Aunt Leanne drooled on her sister's asshole and guided my cock in. As Aunt Michelle and I established a nice ass fucking rhythm, Aunt Leanne sat on the edge of the bed and fingered her pussy while watching us fuck.

"Mish, I've never imagined you could be an ass fucking slut," teased Aunt Leanne.

"I am not," gasped Aunt Michelle. "This is my first time ever. I was virgin back there an hour ago."

"You are taking his big cock up your ass like you've been doing it all your life," said Aunt Leanne.

"That is because I have prepared her well," I said.

"Did it hurt much?" asked Aunt Leanne.

"No, not at all," replied Aunt Michelle. "Why don't you try it?"

"I've never put anything in my ass before," she said.

"That's how I was a couple of hours ago," said Aunt Michelle.

"Do you think you can do it to me without hurting me?" Aunt Leanne asked me timidly.

"Of course," I said confidently. "It's all about taking our time. If we took our time, not only there would be no pain, but there would also be no discomfort. There would only be hot fun and intense thrill."

"Would you do it to me?" she said weakly, blushing.

"With pleasure," I said. "Why don't you first get on your knees and show me your hot virgin ass?"

She hesitantly got on her hands and knees on the bed. She hiked her dress and lowered her panties, exposing her tight ass. Her pussy was wet, but her asshole was not lewdly displayed.

"Lower your face to the bed and spread those lovely cheeks," I said as I slipped my left middle finger into her wet pussy, making her gasp.

She complied timidly as I gently slid my finger in and out of her pussy.

"It's so beautiful," I said as I inspected her pink rosebud just before I planted a light kiss right at its center, making her gasp and tremble. "It's so tight. It won't be when I am through with it." She trembled again. "Give me a few minutes to finish with Mish, and then I'll take care of you."

As Aunt Leanne whimpered, I removed my dripping finger from her wet pussy and sucked her juices off it audibly.

"Sure," she said.

“Why don’t you lose your panties and bra while you wait?” I directed. “Leave your dress on.”

She got up and stood behind me, but I watched her as she pulled down her panties and then kicked them off. She turned around, lowered her top and took off her bra. She straightened her dress and came back. She sat next to us and resumed playing with her pussy. I occasionally squeezed her thinly covered tits or fingered her wet pussy.

“Mish, are you ready to receive my come in your bowels?” I teased.

“Yes,” she hissed, gritting her teeth, and fucking back harder.

“She wants me to come deep in her hot ass,” I said to Aunt Leanne. “Is that what you want me to do to you too?”

“Yes,” she hissed.

“I am going to come in every hole in your body, not only your luscious ass,” I said. “Would you like that?”

“Yes,” she hissed.

“I must be the luckiest nephew in the world,” I said.

“I don’t know about that,” gasped Aunt Michelle. “I only know I am the luckiest aunt in the world.”

“I am also going to make Lee very lucky,” I said.

“I am sure you are,” gasped Aunt Michelle. “This is shaping up like the best birthday party ever.”

“To me, it surely is,” I said.

Within two minutes, Aunt Michelle convulsed in orgasm seconds before I slammed my swollen cock all the way up her jerking ass and let it spasm, spewing thick come past the end of her twitching rectum. I thrust into her, keeping my cock deeply rooted in her ass until both our orgasms died completely. She deliberated milked my cock as it softened and started to shrink within her ass. Meanwhile, I cupped her tits, and we kissed lewdly.

When my cock was too soft to remain in her ass, it plopped out of her asshole. Her contented asshole closed tightly, guarding my come inside. I gave her asshole a big kiss before I pulled her upright and let her suck my cock clean. She did without hesitation, making sure it was completely drained.

“Lee, get on your knees like Mish was so I can introduce you to anal fun,” I said to Aunt Leanne.

Aunt Leanne complied readily. I adjusted her position before I hiked her dress, exposing her drenched pussy and virginal asshole obscenely. I cupped her cheeks and started to knead and fondle her ass.

“How can I help while you corrupt my little virgin sister?” asked Aunt Michelle, smiling. “I guess I can suck your cock to make sure it will be ready when she is.”

Aunt Michelle took her position and proceeded to suck my limp cock. Aunt Leanne was startled when my tongue tip touched her asshole although she had previously seen me give her sister’s well fucked asshole a big kiss. She resisted and tried to push me away, but I, expecting her resistance, held her tightly until my tongue sweet talked her delightful asshole into surrender. She started to moan and push her ass back for more of my tongue.

“You have a delicious little asshole,” I said.

Aunt Leanne just moaned.

As Aunt Leanne asshole relaxed and warmed up to my wicked tongue, my cock hardened in Aunt Michelle’s eager, skillful mouth. I thrust gently in Aunt Michelle’s mouth as she palmed my balls and sucked life back into my cock. I slipped my middle finger in Aunt Leanne’s drenched pussy so she could hump against it and milk it. After eating her hot asshole for several minutes, I applied lube to her asshole and started to push my forefinger inside. She squirmed as I wormed my finger up her hot ass.

With a finger up each hole, I started to fuck both her holes gently. She humped back eagerly, and I soon was finger fucking both her holes briskly. When she was about to come, I slowed down. I applied more lube to her asshole and moved my middle finger to her asshole. I patiently squeezed it into her asshole. Once the tip popped in, I slowly twisted both fingers all the way up her ass. She relaxed quickly and humped back as I pumped my fingers within her ass faster and faster. She came within two minutes. I continued to jerk my fingers within her twitching asshole until her orgasm subsided. I gently removed my fingers from her ass and let her suck them.

While Aunt Leanne sucked my fingers, I pushed Aunt Michelle away and aimed my cock at Aunt Leanne's pussy. She was so wet my first push drove my cock halfway into her pussy, making her gasp. I gripped her hips and shoved the rest of my cock in, making her groan. With my cock balls deep in her sizzling pussy, I pulled the top of her dress down her shoulders, setting her tits free. I held her tits tightly and drilled her pussy vigorously. She gasped her way to a quick orgasm within two minutes. I slowed down a little and then resumed pounding her leaky pussy to another orgasm. Before she could catch her breath, I fucked her through a third hard orgasm.

"You like our nephew's big cock, don't you?" teased Aunt Michelle.

"Oh, yes," gasped Aunt Leanne.

"He's going to give us the best sex of our lives," said Aunt Michelle. "He's already done that to me."

"Yes," hissed Aunt Leanne.

"I am not even through with you," I said to Aunt Michelle.

"You are an incredible nephew," she said.

"Any guy who has one aunt like either of you is the luckiest guy in the world, not that I think that's possible," I said. "You are both unbelievable."

"So are you, Nick," she said.

After Aunt Leanne relaxed, I pulled my cock out and brushed its dripping head over her asshole, making her tremble. I pulled back and pulled Aunt Michelle's head to my glistening cock. As Aunt Michelle closed her mouth around my cock, I returned my tongue to Aunt Leanne's asshole. I thoroughly licked her pussy juices off her pussy and asshole and then applied a thick coat of lube to her pucker.

Aunt Leanne moaned lowly as I pushed two fingers up her ass. I applied more lube to her asshole before squeezing the tip of a third finger in. I slowly opened her ass up with my fingers, pushing them gently into her tight ass while thrusting my cock in her sister's throat. I concluded her priming with finger fucking her ass with my three fingers to a hard orgasm. I pulled my fingers out of her ass and applied a helping of lube to her anal pucker. I pushed Aunt Michelle away and moved closer to Aunt Leanne's ass.

"You are ready," I said as I gripped her hips and slowly pushed my cock all the way into her pussy, making her let out a long moan. "Tell your sister very explicitly what you want me to do to you."

She hesitated, blushing, as I ground gently into her pussy.

"What do you want, little sister?" teased Aunt Michelle.

"I want him to fuck me in the ass," Aunt Leanne finally blurted out.

"Why are you shy," I said as I slowly pulled out of Aunt Leanne's drenched pussy. "Say it again."

"I want you to fuck my virgin ass with your big cock," said Aunt Leanne as I motioned Aunt Michelle to guide my cock into her sister's offered asshole.

"Little sister, I am guiding his big cock into your virgin little asshole," teased Aunt Michelle as she pressed my cock head against her sister's slick pucker. "Are you ready?"

"Yes," hissed Aunt Leanne.

Aunt Leanne's asshole dilated slowly as I pushed my cock gently in, easily popping the head in. She gasped softly. I paused for several seconds, fondling her tits. I gently raised her shoulders up to improve the penetration angle and to give her more freedom of movement.

"Move your ass back very slowly," I instructed. "Let your virgin little asshole swallow the rest of my big cock as you gently push out with your anal muscles."

While she backed up over my cock, I fondled her tits with one hand and gently massaged her clit with the other. Her widely stretched asshole sucked my cock in bit by bit. In a few minutes, I pulled her hips back hard, helping her take the last two inches of my cock. She groaned as my cock head peeked past the end of her rectum.

"That's it, Lee," I said, cupping her tits. "It's all the way up your sizzling ass. You are no longer virgin anywhere in your hot body. You've taken my very cock balls deep in each of your horny holes."

While we paused like that, I kissed Aunt Leanne's shoulders and played with her tits and pussy. Aunt Michelle watched, fingering her pussy and fondling her tits.

"As big as it feels, it didn't hurt at all," said Aunt Leanne, obviously feeling how tightly she was stuffed in her once virgin ass. "It feels good in a new way."

"If you want to get used to it quickly, milk it," advised Aunt Michelle from her fresh experience.

Aunt Leanne started to milk my cock tentatively. Previously her asshole twitched as I teased her pussy, but then she was doing it deliberately. I ground gently into her ass, enjoying her milking ever more. Within a few minutes, we were fucking gently at a constantly accelerating pace. A few minutes later, I was fucking her at a nice pace. I pushed her shoulders down and raised myself on my feet, bracing my hands on the bed. In this position, I fucked her ass in different paces to break her ass in. After several minutes of that, I pounded her ass as hard as I was doing her sister's when she first caught us.

"You are now getting fucked hard up the ass as if you've been doing it all your life," teased Aunt Michelle.

"I didn't know it would be this easy," gasped Aunt Leanne.

"It isn't this easy, but we are lucky to have a gentle nephew although he isn't always gentle," said Aunt Michelle.

"I am only gentle when it makes sense," I said.

"Don't we know?" she said.

Aunt Leanne survived several minutes of fast, hard ass pounding before she started to shake, losing control.

"I am going to come," gasped Aunt Leanne.

"Of course, you are," I said.

She stiffened before she convulsed in a long, wild orgasm. I continued to pound her writhing ass vigorously until her orgasm died completely. I later gave her a minute to catch her breath as I thrust gently in her ass while showering her face with light kisses.

She was still panting when I held her tightly and walked her to the armchair across the room. I sat in the chair, setting her in my lap, my cock still rooted in her ass. I spread my knees and placed her feet on my knees. She braced her hands on the armrests as I spread her ass and bounced her gently on my cock. She soon rode my cock on her own as I continued to hold her ass open.

Aunt Michelle sat on the floor, playing with herself, as she watched her sister's ass shuttle up and down my cock animatedly. I occasionally spread Aunt Leanne's empty, dripping pussy with my fingers. I fondled her tits and pulled on her stiff nipples on her way to orgasm.

"I am going to come again," gasped Aunt Leanne. "This is incredible."

“We have an amazing nephew,” said Aunt Michelle.

“We sure do,” gasped Aunt Leanne, stiffening.

Aunt Leanne convulsed in orgasm, shoving her twitching ass wildly into the base of my cock. When she finished coming uncontrollably, she slumped in my lap, swallowing my cock balls deep up her ass. I ground gently into her.

“That was unbelievable, Nick,” she gasped.

“I loved it,” I said.

She rested a little before I helped her turn around and face me. She was soon bouncing energetically to a new orgasm. After she came, I turned her around again to face away. I held her tightly and put her on her knees on the floor. I gently pushed her face and shoulders onto the floor. Furthermore, I guided her hands to her ass and had her spread her cheeks for me.

“Open yourself up for me, you hot slut,” I said.

“She’s now a dirty slut like her big sister,” said Aunt Michelle.

“I have the hottest aunts in the world,” I said.

With Aunt Leanne’s ass most vulnerable in the leapfrog position, I impaled her horny ass and pounded it vigorously from above. Her entire body shook with every hard thrust. My full balls slapped her leaky pussy repeatedly. She gasped and groaned urgently, bravely holding her ass up for my ruthless cock. Aunt Michelle continued to play with her pussy while she intently watched her sister’s ass get pounded mercilessly for several minutes.

“She fucks like a slut,” said Aunt Michelle. “It’s hard to believe she was virgin an hour ago.”

“I am going to fuck your hot ass like this too,” I said.

“I’d love that,” she said. “It looks like a lot of fun.”

“It is,” gasped Aunt Leanne.

Aunt Leanne’s brave ass fuck was coming to an end as she started to lose control. She shook and moved her ass hysterically. She stiffened and groaned loudly as her orgasm hit her. She convulsed violently, gasping for air, her asshole twitching around my cock. I slammed my cock balls deep in her ass as it swelled and started to spasm.

“I am filling your hot ass with come,” I announced, ramming my cock into her ass hard.

“Yes, yes,” she gasped.

Within several seconds, I emptied my balls in her sucking bowels. She milked my cock deliberately after her orgasm subsided. I held my cock in her ass until it was completely drained. It started to slip out of its own accord. I gave her asshole a big French kiss before I helped her sit up and presented my sticky cock to her. She did not hesitate to suck it dry and clean.

---

“You haven’t fucked my pussy,” complained Aunt Michelle.

“We are at most halfway through,” I said. “I have only come three times, and you two have six holes.”

“Are you not tired yet?” asked Aunt Leanne.

“Of course not,” I said.

“That way we would be late for dinner,” said Aunt Michelle. “We are taking you to dinner. Why don’t we continue at night? Lee and I are spending the weekend here.”

“In this case, we need to shower,” I said.

“We also need to iron our crumpled dresses,” Aunt Michelle said.

Aunt Michelle showered first. Meanwhile, Aunt Leanne ironed her dress with her legs spread as I ate her pussy to orgasm. She showered while Aunt Michelle dried and fixed her hair. Aunt Leanne did her hair while Aunt Michelle ironed her dress, her pussy riding my tongue to orgasm.

“You are not wearing any underwear for dinner,” I said.

“That way my tits would be obvious,” protested Aunt Michelle.

“That’s the point,” I said. “I also want you to lube your hot asses just in case we need to fool around while out.”

While they finished their preparations, I showered, shaved and put nice clothes on. My aunts were already waiting for me in the living room—with mom, who was dressed to the nines.

“You look gorgeous tonight,” I said to mom, smiling at her. “Are you going anywhere?”

“As a matter of fact, I am,” she said. “We are taking you to dinner.”

That was a surprise to me. She would be like a chaperone to us. I tried to smile anyway.

“Whose car are we taking?” I asked.

“My car,” said mom.

“Give me the keys please,” I said, extending my hand. “I’ll be driving.”

Not a perfect gentleman but much like one, I opened and closed the doors for them. Mom rode in the passenger seat next to me, and my aunts rode in the back seat. They all got into the car in a sexy way. I just noticed that mom was as pretty and sexy as either of my aunts. However, since my relationship with her was not as deep as with my aunts, I would not be able to fully enjoy her company.

We went to a nice restaurant. We sat in a U-shaped booth. Mom was on one edge, then Aunt Michelle, then Aunt Leanne, and finally I was on the other edge opposite mom. Mom was putting a lot of her deep cleavage on display. Although half my aunts’ tits was on display, I did not remember mom to have ever done that in my presence. I could not avoid her lovely tits very long. I started to steal glances as often as possible.

Aunt Leanne occasionally stroked my right thigh lightly, making my cock harden. After a few times, she squeezed my boner. She did that every once in a while, keeping my cock partly hard throughout dinner.

“Since we have a young man with us, why don’t we take him to a dance club?” suggested mom.

“Great idea,” said Aunt Michelle. “I feel like dancing with a handsome young man.”

“I don’t remember the last time I danced with such a handsome young man either,” teased Aunt Leanne.

“I don’t think you have ever danced with such a handsome young man,” said Aunt Michelle.

“I think that’s why,” laughed Aunt Leanne.

“What about you, Amy?” asked Aunt Michelle.

“Maybe when his dad was his age, but that was years ago,” said mom.

“I don’t think his dad was this handsome,” said Aunt Leanne, squeezing my boner.

“He wasn’t,” said mom.

“I guess we are in the same boat,” said Aunt Leanne.

“That’s true,” said mom. “It was my suggestion anyway.”

We went to a romantic dance hall, where they mainly played slow music.

“The first dance should be mine,” said mom as soon as we took a table. “It was my suggestion.”

“That’s fine as long as you don’t hog him all night,” said Aunt Michelle.

Therefore, I led mom to the dance floor. On the dance floor she wrapped her arms around my neck, so I only had the choice of wrapping mine around her waist. She held me so close we almost had full frontal contact. With her so close to me, her sexy heady perfume was taking me into a new world. Her lush tits were flattened on my chest. Without an undershirt, I thought I could feel her nipples poke into my chest, but I dismissed that initially. Later, I made a seemingly unintentional move to scan her back, and I did not feel any bra straps. I just remembered that, when she sat down in the car or in the booth, her tits jiggled. I had previously thought her bra was a little loose.

While all this coursed through my head, she had her head nestled in the crook of my neck innocently, and she was totally relaxed. I allowed my hands to slide ever so slowly down her lower back. I was soon cupping the tops of her ass cheeks, and I felt no evidence of panties. I scanned her back again and did not find any evidence she was not totally naked under her thin dress.

That discovery made my cock get harder although she was my mom. I could not resist her perfume, closeness and her nakedness under the dress, in addition to that she had a great body. The problem was that I could not afford to have a boner with her so close to me. Soon, it would be poking into her crotch or belly. I started to pull my hips back to make room for my developing bulge, but she kept moving her hips forward to keep them close to mine. I could feel my hardening cock press lightly against the bottom of her belly just above her pussy before the song ended thankfully.

Aunt Michelle was next and then Aunt Leanne. We groped each other freely and even ground our crotches together on the dance floor. It was mom’s turn again, but I had a huge boner to maneuver away from her pussy.

“Let’s make the turn two songs because one song is too short,” suggested mom as she stood up.

We held each other tightly again, her arms around my neck and my hands on the top of her ass. After what I had done with my aunts on the dance floor, my dirty mind started thinking about moving my hands further down. That mere thought made sure my boner could only get bigger and harder. I did not face any resistance as I slowly slid my hands down her ass. Within two minutes, I was fully cupping her firm ass cheeks, and she did not mind it the least bit. My cock naturally had never been bigger or harder. It pushed gently against the top of her pussy. She ignored it. She was totally relaxed in my arms, her body molded to mine.

After a minute or so, I gently squeezed her left ass cheek, making my cock twitch. She seemed to press her hips into mine harder. I soon squeezed her other cheek and received the same response. After that, I started to knead her ass gently, feeling my cock grow even bigger.

“Oh, yes, Nick, I like that,” she hissed. “Rub my back like that.”

It was obvious that I was not rubbing her back, but I did not mind. I was actually feeling up her ass through her thin dress, and she clearly did not have anything underneath it. From then on, I groped and felt up her ass freely. In response to my ministrations, she gently ground her crotch into mine. That was unexpectedly wild. My cock was rock hard and dangerously close to coming.

“You are so beautiful,” I complimented, squeezing both her cheeks. “Your back is so nice and firm.”

“You have grown quite a bit,” she said, grinding her crotch into mine. “Your stomach is hard.”

“Oh, mom, I love holding you in my arms,” I said.

“Me too, baby,” she said. “Nobody has ever made me feel like you do.”

“You have a fantastic body,” I said, holding her ass possessively. “Thank you for letting me hold it like this.”

“Oh, Nick, I love how you hold it,” she moaned.

“You are the sexiest mom in the place, and you are mine,” I said.

“Yes, I am yours,” she hissed, making my cock twitch.

As the first song neared its end, we danced toward the darker side, and I turned her ass away from the crowd. By the beginning of the next song, I was slowly hiking the back of her dress, and she did not seem to mind. Soon, my fingertips touched her bare ass. I slipped my hands under the back of her dress and cupped her bare cheeks. My fingertips were close to her crack. She trembled and thrust her crotch into mine when I spread her cheeks. Holding her cheeks apart, my fingertips traced up and down her ass crack and tickled her anal pucker, making her tremble again. Pressing a fingertip against the center of her asshole, I gently massaged it circularly. She relaxed to my finger, showing that she was no stranger to anal fun.

“Do you like how I hold you, mom?” I said.

“Oh, yes,” she hissed. “Nobody holds me like you do.”

“You are too hot for them,” I said.

“Am I not too hot for you?” she teased.

“Of course, you are, but I don’t care,” I said. “I want to show my hot mom a great time.”

“You are exactly doing that, baby,” she moaned.

Exploring further down, I reached the back of her dripping pussy. She gasped when I slipped my fingertip into her leaky orifice. I soaked my fingertip in her juices and used it to massage her asshole gently. I scooped more juices out of her pussy and applied them to her asshole. When her asshole was wet enough, I pushed my slick fingertip in. She effortlessly let it pop in, gasping softly. I corkscrewed my finger deeper into her ass. I gently worked my finger in and out of her asshole and around, making her hump my crotch urgently. As the song neared its end, I diddled her asshole.

“Let yourself go, mom,” I urged. “Enjoy yourself.”

“I am having a great time,” she gasped, stiffening.

“You do that, mom,” I said.

She came hard. I kept my finger jerking in her twitching asshole until she relaxed completely. I held her tightly until she recovered. I finally removed my finger from her ass and sucked it, tasting her mixed flavors.

“You are the most delicious mom in the world,” I said.

“Thank you,” she whispered.

Her lips trembled when I looked at them.

“Thank *you*,” I said, lowering my lips to hers.

She mashed her lips into mine while I held her ass tightly. It was not a long kiss, but it was feverishly hot. Our lips parted, and our tongues touched briefly.

That was crazy. I had never thought I would ever make mom come in my arms, let alone in a public place. The kiss at the end was amazing too. She took a deep breath and relaxed for several seconds before we returned to our table. She was a little flushed, but no one seemed to notice. My boner was obvious for anyone who cared to look.

Leading Aunt Michelle, I went past the dance floor to the restrooms. That surprised her.

“I think you know what I am going to do,” I said as I bent her over in the handicapped stall.

“Your mom teased you silly?” she giggled as I hiked her short dress.

“That’s none of your business,” I said, whipping out my hard cock.

“I guess my business is to get fucked nicely, isn’t it?” she said as I pressed my cock into her dripping pussy.

“You are a smart girl,” I said, thrusting in her horny pussy.

That pussy fuck was vigorous from the very beginning. I held her hips and put it to her. When she finished coming all over my cock and balls, I gently pushed my dripping cock into her ass, making her let out a long soft moan. I waited for several seconds before I started to fuck her ass hard. She came again quickly. I dipped my cock in her drenched pussy and then licked her pussy dry. She licked my cock and balls clean. She did not suck my cock thoroughly not to mess up her lipstick. We returned to the dance floor and danced for half a minute before the end of our second song.

“Thank you for the dance, especially the first part of it,” she teased as I walked her to the table.

“Thank *you*,” I said. “I loved it.”

Aunt Leanne enjoyed the same treatment, and then it was mom’s turn. Mom expected to dance with me, but I led her to the restrooms.

“I sometimes like to dance faster,” I said.

“Nick, are you sure this is a good idea?” she said, reluctantly letting me lead her.

“Of course, it is,” I said. “Just relax, and have fun. Am I not supposed to show you a good time?”

“Yes,” she hissed.

In the restroom, I nudged her shoulders down. She took the hint. She squatted, letting her pussy and ass peek out of her dress, and reached out for my pants.

“You are big,” she said excitedly when my hard cock popped in her face.

“I bet I am not too big for the hottest mom in the world,” I smiled.

“I hope not,” she said.

She held my cock by the base and licked its head.

“It has a tangy flavor to it,” she said. “I like it.”

Obviously that was the flavor of her sisters’ fuck holes. My cock had just been through all their holes. I just hoped she would not suspect that or at least not find it repulsive.

“I’ve been told that my big cock and sticky come taste good,” I said.

“Is that right?” she teased, looking up at me.

“If you are lucky, you may find out,” I said.

“I hope I am a lucky girl,” I said.

“So far, I am a very lucky boy,” I said.

Showing that she liked the taste of my used cock, she thoroughly licked my cock and balls, giving special attention to my cock head. She slobbered all over my cock and licked up her drool. Closing her lips around my cock head, she sucked it and licked it for a little while. She took my shaft halfway in her mouth and sucked gently while jerking the rest with her hand. She suddenly gulped down my entire cock. While holding my cock all the way down her throat, she licked the beginning of my balls, and then she massaged my entire cock wonderfully with her lips, tongue and throat. She just did that to show me what she was capable of.

She finally closed her lips around the middle of my shaft and stroked the rest of my shaft with her hand. I wanted to thrust in her mouth, but, learning from Aunt Michelle’s experience, I did not want to ruin her lipstick. I did not want to resist much, so I let her make me come quickly.

“I am coming,” I announced.

She pursed her lips behind the bulbous head of my cock and jerked my shaft vigorously while sucking hard at my cock head. My swollen cock violently twitched in her mouth, spurting thick come against the back of her throat. She savored the taste of my come and then swallowed eagerly, leaving me dry.

“You were not kidding,” she said, smiling at me. “I like its creamy texture and its rich taste. It’s delicious.”

“I am glad you like it,” I said as I helped her get up. “Did you like the taste of my big juicy cock too?”

“I loved it,” she said.

She kissed back feverishly when I claimed her lips in a deep kiss, tasting my come on her tongue.

“You are a very hot girl, mom,” I said as I bent her over and flipped her dress over her back, exposing her bare hot ass. “I bet you are delicious too, but I have to taste you.”

“You are a bad boy,” she moaned as I spread her cheeks and admired her cute pink asshole.

She gasped when I touched her sweet asshole with my tongue tip.

“What are you doing?” she gasped.

New to that, she tried to push me away, but I held her tightly until she relaxed and let me have my way with her hot asshole. I spread her ass and probed her pucker lovingly, making her moan.

“You have a great ass and a delicious asshole,” I said, still holding her cheeks apart. “I knew it.”

“Nobody has ever done this to me,” she cooed.

“It must have never fallen in the hands of an ass lover,” I said. “I can never resist a hot rosebud this cute. You don’t know how pretty it is because you’ve never seen it. I do, because I am mesmerized by it.”

While licking and sucking her asshole, I gently pumped two fingers in her wet pussy. I soaked her asshole with drool and gently pushed my slick fingers into her ass. Her asshole opened up, and I drilled each of her holes with two fingers. My cock was already hard again. After she came, I licked my fingers and licked her holes clean. At the end, I gave each of her holes a long deep kiss and slapped her ass playfully with my hard cock, making it twitch. I wiped the leaky head of my cock on the side of her ass.

“That was the best birthday present you have ever given me,” I said.

“It was the most enjoyable birthday present I’ve ever given,” she said.

On our way back to the table, I washed my face.

In the next two turns, my aunts and I actually danced. We dry humped while I felt up and fingered their asses. That was the end of our dance party. We immediately left for home.

---

After mom went to bed, I grabbed my lube and joined my aunts in the guestroom. We all got naked and jumped onto the bed. They took turns sucking my cock, which had already been partly hard. Meanwhile, I fondled and fingered all their hot holes. Aunt Michelle soon straddled me and rode my cock with her pussy in the cowgirl position while Aunt Leanne rode my tongue, facing her. I licked Aunt Leanne’s pussy and asshole before she dismounted me. She took the lube and proceeded to lube her sister’s asshole with one hand and her own with the other.

After Aunt Michelle came, Aunt Leanne guided my dripping cock to Aunt Michelle’s ass. Aunt Michelle came hard within several minutes of energetic bouncing and gasping. Aunt Leanne helped her dismount me and sucked my cock thoroughly before she straddled me, guiding it to her own asshole. I drilled her responsive ass through two wild orgasms before I rolled her onto her back and pushed my cock into her mouth. I fucked her throat until I came in her mouth. She drained my balls, and then I lay back.

They teamed up on my cock and brought it up in record time. I started with Aunt Michelle's ass in the doggy position. I motioned Aunt Leanne to let her eat her pussy. By the time Aunt Michelle was coming on my cock, her sister was coming in her mouth. They traded places, and Aunt Michelle got to come in her sister's mouth. Soon, I was fucking them as they ate each other in the sixty-nine position, spreading each other's ass for me.

At the end of that round, Aunt Michelle's pussy swallowed my come load. I coaxed Aunt Leanne to suck my come out of her sister's pussy and then dribble it into her mouth. In due time, Aunt Michelle returned the favor. That time they traded my come back and forth a few times before Aunt Leanne swallowed it.

We showered and slept together naked.

---

When I opened my eyes in the morning, Aunt Leanne was smiling at me as she rode my hard cock gently, soaking it in her leaking juices.

"Good morning, sleepyhead," she said as she guided my cock to her ass.

"Good morning, Lee," I said.

It was much earlier than I would usually wake up on a Saturday. I spent the next hour fucking their every hole. After I dumped a big come load deep in each desperately sucking ass, I snuck to my room.

---

After the heavy drilling, I gave my aunts the rest of Saturday off so they could recover and stay tight. I introduced them to internal anal hygiene and spent the rest of the day with my girlfriend, taking care of her cock-hungry orifices. She wanted to celebrate too.

Needless to say, my aunts and I fucked each other silly throughout the weekend, especially in my room, where I had computer video cameras recording everything. I let them practice eating my come out of each other's well-fucked ass. I was obviously sad they finally had to leave, but we promised each other we would meet often.

The following week seemed very quiet except for a few hot phone sex calls with my aunts. I only saw my girlfriend twice. Mom acted as if nothing out of the ordinary had ever happened. She hid her skin away as usual.

---

On Friday night, I stayed home. I was sitting in bed, reading a book, when someone knocked on my door. I called the visitor to come in. It was mom. I had never seen her like that. She was dressed in an ivory silk kimono with lace and embroidery. She was well made up, and her hair, nails and toenails were well done. She was wearing platform sandals. She was apparently getting ready for a romantic night with dad, but for some reason she needed to talk to me. She stood before me.

"Have a seat," I said, motioning her to the armchair across.

"Nick, you have been a bitter disappointment to me," she said, still standing up.

"Me?" I asked in confusion. "Why?"

"It's about how you treated your aunts," she said.

"How did I treat them?" I asked. "I don't recall treating them bad at all."

"Nick, you know what you did," she said. "This is your last chance to correct your mistakes, or else I'll be very mad at you for a very long time."

"I can't afford to make you mad at me for a second," I said. "I'll do whatever you want me to."

"I want you to do to me everything that you've done to your aunts," she said.

“What do you mean?” I asked, perplexed.

“I know that you’ve made wild passionate love to them,” she said, shocking me.

“How did you know that?” I asked after a little silence.

“Nick, that isn’t why I am here,” she said.

“Do you really want me to do that to you?” I asked.

“That’s why I am here,” she said. “I let you do whatever you wanted to do to me on your birthday night, and you totally ignored me afterwards like I was a slut you picked up off the street.”

“I am so sorry,” I said. “I thought you didn’t want any of that. You didn’t give me any positive signs.”

“You haven’t even tried to touch me ever since that night,” she said.

“Let’s not waste more time,” I said as I put the book aside and stood up. “I am going to touch you now like you’ve never been touched before. Are you game?”

“That’s why I am here,” she smiled.

“Do we have enough time?” I asked.

“We have all the time you want,” she said.

“In that case, I’ll try to make this weekend hotter than the last weekend,” I said.

“Thank you,” she said.

Taking her in my arms, I looked in her eyes and slowly moved my lips to hers. She held my head and touched her lips to mine, letting an electric spark pass between us. The last time we had kissed like that, she tasted of my come. This time she tasted fresh and sweet. Our kiss built up slowly and continued to build up to a feverish level. She was soon grinding her crotch against my hardening bulge as I felt up her ass through her silk robe. We finally broke the kiss, gasping for air. I gently nudged her shoulders down. She smiled lewdly as she squatted obediently.

“I’ve missed your big cock,” she said, stroking the outline of my cock through my shorts.

“It won’t happen again,” I promised.

“I am so hungry for it,” she said.

“While I want you to be always hungry for it, I’ll try to sate you every time,” I said.

She slipped her cool hand up the leg opening and wrapped her hand around my cock. She continued to stroke my cock while pulling my shorts down. She took my cock head in her mouth and sucked it gently as she moved her hand off my cock and pulled my shorts the rest of the way down, letting me step out of them.

She had not given me a real blowjob in the dance club; this time was totally different. She held my cock upright and licked all the way from my balls to my cock head. She spent several minutes just licking and kissing my balls and cock and sucking my cock head. My cock was harder than granite.

“Why don’t you sit back and relax while I take good care of your big juicy cock?” she cooed sexily.

“You like sucking my big cock, mom?” I asked.

“Yes,” she hissed. “You have an amazing cock. It’s the most mouthwatering cock I’ve ever seen.”

“Are you a cocksucker?” I teased.

“I am a cock-craving cocksucker,” she said. “I wish I could suck your big cock for hours.”

“If you want that, we can arrange it,” I said.

“I think we should, but not today,” she said. “Today, my mouth isn’t the only cock-hungry hole I have.”

“Oh, so you are not only a cock-craving cocksucker,” I said. “You are also a cock-craving slut?”

“Yes,” she hissed.

“Suck my big cock, mom,” I said. “Indulge.”

“Thank you,” she smiled.

She took off her kimono, leaving a matching chemise that showed her deep cleavage wonderfully. Kneeling between my knees, she treated me to a long, slow, luxurious blowjob. She worshipped my cock and made love to it for over half an hour. She was never in a hurry. She bathed my cock in her saliva and let it sensually slide all the way down her throat again and again. She continued to palm my balls, occasionally licking and sucking them.

“You are a serious cocksucker, mom,” I smiled.

“Thank you,” she smiled.

“You deserve to keep sucking my big cock all the time,” I said.

“Thank you,” she said.

“Nothing and no one should stop between my big cock and its cock-craving cocksucker,” I said.

“Please don’t let anything or anybody stop between your gorgeous cock and me,” she said.

“Are you my cock’s cock-craving cocksucker?” I teased.

“Yes,” she hissed.

“In that case, nothing and nobody can stand between the two of you,” I said.

“Thank you, darling,” she said.

“Suck my big cock, mom,” I said. “Show my big cock how much its cocksucker loves it.”

“Yes,” she hissed.

“My hot mom’s the hottest cocksucker,” I smiled.

“Yes,” she hissed, smiling.

“I love watching you suck my big cock,” I said.

“Enjoy, baby,” she smiled.

“I will,” I assured.

Sitting back, propped on my arms, I watched her every move as she continued to devote her loving attention to my cock like it was the most precious thing in the world. My cock leaked freely in her appreciative mouth and throat. She maintained eye contact most of the time. Her dreamy eyes showed how much she enjoyed loving my cock and toying with it so skillfully.

“You are the most beautiful woman in the world,” I smiled.

She smiled at me silently and continued to worship my cock.

“Do you want to come in my mouth?” she finally asked sexily. “I want to drink your delicious come. I missed it so much. I dreamed about it.”

“Yes,” I whispered. “Drink my hot sticky come. Quench your thirst.”

“I will,” she smiled. “Thank you.”

She gradually and slowly picked up the pace, taking over five minutes to send me to orgasm. When she felt my cock swell, she tightly pursed her lips just behind my cock head and massaged it hard with her taut lips until my cock stopped spurting thick come deep into her eager mouth. She deep throat me for a couple of minutes, leaving my cock soft and contented.

“Did you like that?” she smiled.

“I am sure you know this was the best blowjob I’ve ever had,” I said. “I loved it. What about you?”

“It was the best blowjob I’ve ever given too,” she said.

“Did you enjoy it?” I asked.

“I loved it,” she smiled. “I love your big delicious cock. I wanted our first time together to be special. What happened that night was only teenage petting.”

“I must admit it was,” I said as I stood up and pulled her to her feet.

“This time, I am your woman, and you are my man,” she said.

“You are my slut, and I am your stud?” I teased.

“Yes,” she hissed. “That’s how I want it.”

“Me too, mom, you hot slut,” I said, holding her tight ass, possessively.

We shared a long slow kiss before I sat her on the bed. I then remembered that we did not want my sister or dad to interrupt us for any reason. I locked the door before I knelt before her.

“Is my hot slut ready to be devoured?” I teased.

“Yes,” she hissed.

She spread her knees, showing that her dripping pussy was bare under her chemise. She raised her ass when I hiked the hem of her chemise. I guided her feet to the edge of the bed to expose her leaky pussy well. I could also see her shy little asshole peek between her cheeks. I obviously owed her the best pussy eating I could ever give. I had to eat her pussy like I had never eaten any other.

“Your little pussy’s so mouthwatering,” I said, admiring her pussy.

“Do you want to eat it, baby?” she said.

“Do you want me to?” I teased.

“Yes,” she hissed.

“I do too,” I said. “I am going to do my best. However, I am not sure I can eat your juicy little pussy with the same skill and talent you’ve sucked my big cock.”

“Don’t worry, baby,” she cooed. “I just want to feel your love and passion as your tongue and lips touch my pussy. I don’t want you to feel any stress; I just want you to enjoy yourself. Your slut will enjoy herself with you.”

“You are the hottest slut in the world, mom,” I said.

“Thank you, baby,” she smiled.

“You are *my* hottest slut,” I said.

“Yes, Nick,” she hissed. “I am *your* slut.”

“You are mine,” I said.

“I am yours,” she said.

Spreading her knees further apart, I slowly lowered my mouth to her juicy pussy. I showered her pussy and anal areas with light kisses, avoiding her orifices. I almost drooled on her pussy. She trembled when I wiggled my tongue tip against her sweet asshole. I dragged my tongue from her asshole all the way up to her clit, licking her drenched pussy lips in the process. She gasped and her legs trembled.

“My slut’s so delicious,” I whispered, smiling at her. “I am going to eat her raw and then fuck her silly.”

“My stud’s so hot,” she whispered. “I can’t wait to have him do that to me.”

She watched as I kissed her juicy pussy passionately and licked it. She soon closed her eyes and started to moan softly and squirm. I licked her pussy lips, probed her leaky pussy hole and licked her slit, never spending a long while doing one thing, but slowly changing from one act to another. Her pussy kept leaking tasty juices that I eagerly but quietly sipped and sucked for more.

“Yes, yes,” she hissed, humping my face.

She moaned and squirmed, trying to hump my unpredictable tongue as I continued to tease her hot pussy patiently. I spent over half an hour eating her pussy gently, gradually increasing the timeshare of her clit. She gasped and leaked fresh juices into my appreciative mouth.

Pulling back from her pussy, I used one and then two fingers to fuck her at a slow pace. I let her squirm in need of relief for a couple of minutes before I lowered my mouth to her pussy and closed my lips around her clit. While gently sucking her pussy, I removed my fingers from her pussy and pressed one slick fingertip against her tight asshole. Her puckered hole opened up and accepted my fingertip. Leaving my finger motionless there, I sucked her clit harder for a minute and then lashed it with my tongue.

“Make me come,” she gasped urgently but quietly.

She gasped, humping my face. I could feel her asshole spasm as her orgasm approached. She soon squeezed my head tightly between her thighs and convulsed in orgasm.

“I am coming,” she gasped. “I am coming in your mouth, my hot stud.”

Her clit trembled and her asshole twitched. Her horny pussy gushed profusely. My tongue continued to lash her clit mercilessly until she relaxed and her thighs released my head. I kept my fingertip in her ass while I cleaned her sodden pussy with my tongue. I finally slid my finger out of her ass and sucked it.

She had not caught her breath by the time I gently rolled her over into the leapfrog position.

“You are a hot slut, mom,” I said, gently slapping her ass crack with my cock. “Are you a good girl too?”

“Yes,” she hissed.

“I want you to be a good girl and spread your pretty ass cheeks for me so I can eat your sweet little rosebud like it has never been eaten before,” I said, guiding her hands to her ass, which was already spread.

“You are the only one who has ever eaten me back there,” she cooed, pulling her ass cheeks apart.

“Did you like it when I did it to you that night?” I asked. “Did you enjoy having me eat your sweet little asshole?”

“Yes,” she hissed.

“Do you want me to eat your mouthwatering asshole now?” I teased.

“Yes,” she hissed.

“It’s so pretty and tight,” I said. “I am afraid it may not be so when I am through with it.”

“I want you to ream it out for me,” she said. “I’d sure love that.”

“You are one hot lady,” I said. “Tonight, you are going to get all what you want, you hot slut.”

“Thank you,” she whispered.

Kneeling behind her offered ass, I kissed every square inch of her ass before I kissed her asshole. She was soon squirming as my tongue gently stroked her asshole. I sucked and licked her pucker gently for a long time, feeling it relax gradually. I slobbered on her asshole and sucked my drool back repeatedly, enjoying the flavor of her tasty asshole. I massaged her pucker with my tongue and sucked her sensitive flesh playfully.

“Your little asshole’s so delicious I’d eat it all night,” I said.

“I am sure I’d love that,” she moaned.

“Is my hot slut having a good time?” I teased.

“Yes,” she hissed.

After over twenty minutes of rimming her asshole, I increased the pace of sucking and licking her pucker. She moaned and pushed her ass back urgently as I led her to her first hard anal orgasm for the night.

“I am coming for you, baby,” she gasped, stiffening.

She convulsed while I pressed my tongue against her twitching asshole. I continued to wiggle my tongue until her orgasm died down, leaving her gasping for air.

Her drenched pussy needed attention. I cleaned it with my tongue thoroughly before I started to apply lube to her asshole gently and patiently.

“Do you want me to get your hot asshole ready for what I have in mind for it?” I teased.

“Yes,” she hissed.

“What’s that?” I teased.

“You want to fuck your slut mom in the ass,” she moaned.

She squirmed as I rubbed lube into her anal pucker carefully, using a finger to work the lube the inside her sizzling ass. I patiently worked my way from one to three fingers, swirling and twisting my fingers gently to massage her sphincters and rectal walls. She moaned quietly and humped my fingers, milking them.

“Do you like what I am doing to you, mom?” I teased.

“Yes,” she hissed.

“You are a dirty slut,” I teased.

“Yes,” she hissed.

“I love my dirty slut,” I said.

“She loves you too,” she moaned.

“She’s a good dirty slut,” I said.

After getting her asshole well relaxed, I fucked it with three fingers briskly until she convulsed in a long wild orgasm. Her hot asshole twitched wildly around my fingers. While gently pumping my fingers in her ass, I licked her soaked pussy dry.

“My slut’s so horny,” I teased.

“She’s so hungry for your big cock,” she moaned.

“She’s going to get all the cock she can handle and then some,” I said.

“That would make her a very happy slut,” she moaned.

She caught her breath, and I helped her sit up and face me. I thrust my hard cock in her face. She smiled and took it in her mouth. I gently fucked her throat for a few minutes as she sucked my leaky cock to full hardness, bathing it in her saliva and enjoying its leaking fluids. We were finally ready to fuck. I playfully slapped my sticky cock on her face before I laid her along the bed.

“Is my hot slut ready to get fucked?” I teased.

“You know she is,” she moaned, pushing her pussy up.

“Put it in,” I whispered as I lay on top of her, my raging cock pointing at her leaky pussy. “Let me fuck her.”

She smiled as she reached between us and held my cock.

“Fuck me, baby,” she cooed, guiding my cock head into her willing pussy hole. “Fuck your slut.”

Making one long, slow push, I smoothly slid my cock all the way into her sizzling pussy. She let out a long moan and wrapped her legs around me. Her pussy twitched, drenching my cock with its juices. I paused for several seconds to savor the sensations and then started to fuck her slowly with long, gentle strokes. She moaned, fucking back. We established a nice, slow rhythm and kissed sensually while we fucked. She moaned into my mouth as we explored each other’s mouth with our dueling tongues.

“Does my slut likes how I fuck her to show her how much I love her?” I said.

“Oh, yes,” she hissed. “Don’t stop.”

Our romantic fuck lasted for over fifteen minutes before I felt that she wanted to come. She was trying to fuck more urgently.

“Does my slut want to come for my big cock?” I teased.

“Yes,” she hissed. “I want to come for your amazing cock.”

“You seem to be a good slut,” I teased. “I often let good slut come all they want on my big cock.”

“I am a good slut,” she moaned. “Please make me come on your big cock.”

While smiling at her, I matched her accelerating pace. She came within two minutes.

“Your good slut’s coming for her stud’s big cock,” she gasped.

She shook wildly, shoving her gushing pussy into the base of my cock. We fucked hard while she convulsed in orgasm, bathing my cock and balls in her gushing juices. We broke our kiss when she came.

“I love coming for you,” she gasped.

“Me too,” I smiled.

As she relaxed, we resumed kissing. We ground our crotches together gently. Her pussy deliberately milked my cock. She occasionally moaned happily.

“Are you ready to take it up your gorgeous ass?” I whispered, making her pussy twitch.

“Yes, baby,” she said, trembling. “My little asshole’s so hungry for your big hard cock.”

“I am going to fuck it to satiation,” I said, slowly pulling out of her pussy. “Roll over. Show me your sizzling ass.”

She rolled over as I raised myself, spreading my legs astride her. I guided her hands to her ass, one and then the other, and she spread her ass for me.

“My slut mom wants me to fuck her hot tight ass,” I teased.

“Yes,” she hissed.

“Guide it in,” I whispered as I parked my cock head at the center of her asshole, making her shudder.

She held my shaft with her right hand and kept its head pressed against her asshole as I applied gentle pressure. Her asshole relaxed slowly, and my cock head popped in. She gasped. I guided her hand back to her ass and paused for several seconds, giving us a chance to enjoy the new sensations and adjust for deeper penetration.

“You like this, you hot slut?” I teased.

“Yes,” she hissed. “Ream out my little asshole.”

“You want me to stretch it and make it loose?” I teased. “You want it to miss my big cock whenever it isn’t inside it? You want to be a dirty whore for my big cock?”

“Yes,” she hissed. “That’s what I want.”

Applying gentle pressure, I let my cock slide slowly into her tight ass. She moaned softly as my cock filled more and more of her ass. With a little more pressure, my cock head overcame the extra resistance at the end of her rectum. She trembled, and I paused, when my balls touched her wet pussy.

“How do you like having your ass tightly stuffed with my big cock?” I teased.

“I love it, baby,” she moaned. “It’s so thrilling. Every hole in my body loves your amazing cock.”

“You think your hot fuck holes were all made for my big cock?” I teased.

“Yes,” she hissed. “I am sure of that.”

Hearing that, I started to thrust gently. I lowered myself onto her and started to nibble her earlobe. I fucked her ass with short, gentle strokes, allowing her ass to relax and get ready for harder fucking. Her ass milked my cock wonderfully as she pushed back to meet my strokes. I gradually increased the length of my strokes until I was sawing almost the entire length of my shaft in and out of her receptive asshole. I enjoyed the way her asshole massaged my entire cock as she fucked back in my rhythm.

“You have a fantastic ass, mom,” I said.

“Fuck it, baby,” she moaned. “Use it any way you want. It’s yours.”

“I am going to fuck it all the time,” I said. “It will never be this tight again.”

“I don’t want her to,” she moaned.

“You want me to fuck it open because it belongs to my big cock?” I teased.

“Yes,” she hissed.

“I think my big cock will be very pleased with you,” I said.

“Thank you,” she moaned. “I want it to be very pleased with me.”

“As long as you are a good slut for it, it will be very pleased with you,” I said.

“I’ll be a very good slut for it,” she moaned.

We slowly accelerated our pace until we established an easy pace. We fucked with long, smooth strokes for several minutes. I slowed down the pace, employing shorter strokes, until I was only pumping the last two or three inches of my cock in and out of her sizzling asshole, letting her pussy kiss my balls gently with every thrust. She moaned softly, fucking back and milking my cock exquisitely. After fucking like that for half an hour, we both needed to come. Our pace started to accelerate of its own accord.

“Are you going to be a good slut and come for me?” I teased.

“Yes,” she gasped.

“Your horny asshole’s going to come around my big cock?” I teased.

“It’s going to come hard around your big cock,” she gasped. “It has never done that before.”

“Your hot ass has never been fucked to orgasm?” I asked in surprise.

“My horny ass has never been fucked,” she gasped.

“What?” I asked.

“You’ve just got my ass cherry,” she gasped.

“Really?” I said in disbelief, my cock twitching in her ass.

“Of course, darling,” she gasped. “Did you think your slut mom was a slut?”

“Why didn’t you tell me your gorgeous ass was virgin?” I said. “I’ve have made it special for you.”

“It was very special for me,” she gasped. “It was perfect.”

“Mom, I am going to fill your bowels with hot thick come,” I announced as we fucked more and more savagely. “Your hot ass is going to get its first come load ever too.”

“My horny ass is going to suck your balls dry,” she gasped, shoving her ass into me harder and harder.

“I want to flood it with my hot sticky come,” I said.

Seconds later, she burst with orgasmic convulsions. I propped myself on my arms and pounded her jerking ass vigorously, letting my own orgasm explode. I slammed my cock hard and deep in her ass as it twitched and spewed come deep past her wildly sucking rectum.

“I am filling your sizzling ass with come,” I announced.

“Yes, baby, fill me up,” she gasped.

She shook wildly while I drilled her ass vigorously. I slowed down when both our orgasms died down. I finally lay on top of her, and we kissed lewdly, still gasping for air.

“That was incredible, Nick,” she gasped. “Thank you for taking my ass cherry.”

“Thank you for saving it for me,” I said.

“I was lucky I saved it for the best ass fucker in the world,” she gasped. “I saved it for my handsome stud son.”

Her ass continued to milk my cock as it softened and shrunk. My cock finally slipped out of her ass. We remained in that position for a couple of minutes, resting. We shared a last kiss before I rolled off her.

She straddled my head and proceeded to lick my sticky cock clean. Meanwhile, I licked and sucked her drenched pussy dry. She started to suck my cock, and I proceeded to eat her pussy. I made her come while she made my cock rock hard and deep throated it eagerly.

After she finished gushing in my mouth, she turned around and straddled me in the cowgirl position. She swallowed my cock in her pussy and proceeded to ride it at a brisk pace. Within a few minutes, she was drenching my cock and balls with her gushing juices as she wildly shook in orgasm. I thrust hard into her convulsing frame until she relaxed and collapsed on top of me.

“This is the best sex of my life,” she gasped. “I am so happy.”

“I am even happier, mom,” I said. “Not only am I having the best sex of my life too, but I am making the hottest woman and slut in the world feel wonderful. I feel wonderful.”

“You make me envy your girlfriends,” she gasped.

“You make me envy dad,” I said.

“You won’t envy your dad from now on, because I am your slut,” she gasped.

“You won’t envy my girlfriends from now on, because you are my slut,” I smiled.

“Your slut wants your incredible cock up her horny ass,” she said as she reached between us.

She smiled at me sexily as she moved my dripping cock out of her drenched pussy and guided it to her asshole. She effortlessly gulped my entire cock up her ass and started to bounce. I pulled the straps of her chemise down her shoulders and proceeded to play with her lush tits. She lowered them to my face, and I sucked her nipples while fondling her full tits.

“My slut has fantastic tits,” I said, smiling at her.

“My stud has an unbelievable cock,” she smiled. “His big cock’s so unbelievable his slut mom’s going to keep it inside her horny fuck holes as much as she can.”

“My slut mom’s apparently a dirty slut,” I teased.

“She definitely is,” she smiled.

We fucked hard for two more hours. She came numerous times, and I came three more times. I dumped the first of those come loads in her pussy and used two fingers to feed it to her. I shot the next come load against the back of her throat, and she swallowed it eagerly. The last come load was delivered deep in her twitching bowels. She sucked my cock clean, and we had a long deep kiss before she put her chemise and kimono back on.

“How did you know about me and my aunts?” I asked.

They could not have told her all about it. At least, I doubted that.

“By accident,” she smiled. “I just heard strange sounds coming from your room, and I thought you were alone. When I checked, I heard your Aunt Michelle’s voice. At first, I thought I was mistaken, but soon it was obvious.

“I was shocked and outraged. I went to my room and locked the door, trying to comprehend what was going on. I was mad at both of you, especially her for taking advantage of you. I thought about barging in on you, but I reasoned that would destroy my relationship with her and with you and probably your relationship with her—a real disaster. I pondered forgetting all about it and hoping it would never happen again.

“I wondered how and why it could have happened and what could be happening right then. My imagination ran wild. I soon found myself getting turned on.” She blushed. “I wanted to find out what was going on. I went to your room and listened in at your door. I heard the voices of both your aunts. From the limited verbal exchange among you, I figured out most of the wild acts you were doing. I found myself rubbing myself.” She blushed again. “I didn’t make myself come. I finally knew about your plans for the evening and got ready to take advantage of them. You know the rest. The only thing you don’t know is that I was disappointed that you didn’t fuck me in the restroom. I wanted to be fucked then and there like a slut. I could tell that you had just fucked them there. I felt jealous and mad.”

“Poor baby,” I said lovingly as I hugged her. “You’ll never have to rub yourself or feel jealous. You’ll get fucked much better than the cheapest whore in town. Do you want to be my special whore?”

Her answer was a long deep kiss, more eloquent than any speech.

“I am going to hold you to your promise of keeping my big cock inside you as much as possible,” I said.

“It will be my pleasure to keep that promise,” she smiled.

---

From then on, mom and I managed to sneak and fuck almost daily. Some days, we had long and wild sessions. We were both extremely happy.

---

My sister and I were watching television in the living room.

“Alex, have you ever had anal sex?” I asked just out of the blue.

“Nick, you are gross,” she said angrily. “What kind of a pervert or a slut do you think I am?”

“Take it easy,” I said. “I didn’t mean to insult you or anything.”

“What did you mean by asking me this disgusting question?” she asked.

“I just wanted to hear your opinion on the issue,” I said.

“You have,” she said. “It’s perverse and disgusting. I’d never even think about it.”

“Why do you hold such a negative opinion about it?” I asked. “Have you ever tried it?”

“Of course not,” she said. “A couple of my friends have.”

“What did they say?” I asked.

“They said it was very painful,” she said.

“That’s only because their boyfriends were jerks,” I said. “Why don’t you ask Beth?”

“You don’t do it to her, do you?” she asked with wide open eyes.

“We do it all the time,” I said. “It’s great. It’s the hottest thing we’ve ever done.”

“You and she are sick perverts,” she said. “What’s wrong with the right way?”

“We do the so-called ‘right way’ too,” I said.

“You guys are sick,” she said, disgusted.

“We are sick, or you are an ignorant prude,” I said. “Why don’t you ask her to find out which it is?”

“I already know what was made for sex and what wasn’t,” she said.

“I think you are afraid of the truth,” I challenged. “That’s what is called narrow mindedness.”

“I am not narrow-minded,” she said.

I just smiled defiantly.

---

The following night I learned that my sister was not narrow-minded.

“Beth, have you ever been asked to try anal sex?” asked Alex.

“This question is really hard to answer,” said Beth. “I have never been literally asked to do it, but I was coaxed into doing it unwittingly.”

“What do you mean?” asked Alex.

“I didn’t know Nick was actually going to do it to me until he actually did it,” she said. “We were having a good time as he played with my butt so wonderfully, and then he suddenly told me that he was in my butt. That was good, because, otherwise, I’d never let him do it to me.”

“Why not?” Alex asked.

“Because for two reasons,” Beth said. “I was afraid of trying that kind of thing, and he was huge.”

“Nick is huge?” asked Alex.

“Not really huge but quite big,” Beth said. “The first time I saw him I thought he’d stretch my little pussy out of shape, but it was really good.”

“Did it hurt when he did it to you in the back?” asked Alex.

“Oh, no,” said Beth. “It was great. Your brother really knows how to get a girl ready for his big cock. He made me come like I had never come before.”

“That’s amazing,” said Alex. “I’ve never thought anal sex could be fun.”

“Me neither,” smiled Beth. “It can be the most thrilling experience of your life if you do it with a considerate lover like Nick. On the other hand, it can be a nightmare if you do it with a jerk.”

“Thanks, Beth,” said Alex. “I really appreciate your sharing these intimacies with me.”

“Sure,” said Beth. “We are friends; you can ask me about anything.”

---

“What about letting her watch us do it tomorrow?” I asked Beth.

“Are you crazy?” she asked. “Do you want your sister to watch you fuck my ass open?”

“I am sure she could learn a thing or two,” I said.

“I don’t know,” she said. “No one has ever watched me have sex.”

“It sounds like fun though,” I said.

“Let me think about it,” she said.

---

In the morning, she let me know she agreed.

“I think I can do it,” she said. “I’ve been so wet just thinking about it.”

We needed to invite Alex.

---

“Alex, you can watch me with Beth tonight,” I said. “We are definitely going to have anal sex.”

“What?” she said, totally taken aback. “You want me to watch you have sex with Beth?”

“It’s a good opportunity for you to learn about it from real people you can trust,” I said, shrugging.

“Is she okay with that?” she asked.

“Of course,” I said. “Actually, she’s thrilled about the opportunity of being watched for the first time.”

“I’ve never watched people have sex,” she said, “not even in porn videos.”

“This is even better,” I said. “It would be a thrilling experience for you just like it would be for us.”

“Okay,” she said shyly. “I can try that.”

“Don something sexy so you can get into the mood,” I said. “She’ll be well dressed and made up.”

“Okay,” she nodded.

“Don’t wear underwear, shorts or pants,” I said. “She doesn’t.”

She nodded silently.

“Our date’s at seven,” I said, concluding our conversation.

---

At seven the doorbell rang. Alex was ready.

“Alex, please let her in, and bring her to my room,” I called.

Soon, I let them into my room and locked the door. I was wearing a silk robe and matching boxer shorts. They were both wearing shorts dresses with plunging necklines. Alex had cap sleeves, and Beth had no sleeves. I kissed Beth for a minute and led her to my bed. I let her sit on the edge of the bed. I let Alex sit next to her.

“Both of you look good enough to eat,” I said, making them blush.

Kneeling before Beth, I kissed the side of her neck. I kissed my way down until I reached the beginning of her cleavage. I pulled the straps of her dress halfway down her arms and kissed my way to her right nipple. She held the back of my head and moaned softly as I licked and sucked her nipple for two minutes. I kissed my way to her other nipple and gave it the same treatment.

“I am not a tit man, but your nipples are delicious,” I said to Beth.

“I am not a tit girl, but I love having you play with my tits,” she said.

She pulled my face back to her tits, and I switched my mouth between her nipples several times. I finally stood up, thrusting my bulge in her face.

“Do you know what to do?” I said.

“I am going to have a good time sucking your big juicy cock,” she smiled.

Beth pulled my boxers down as I tossed my robe away. Alex was surprised when she saw my mostly hard cock pop in Beth’s face. I kicked my boxers away before Beth closed her mouth around my cock head. My cock was soon fully hard and fucking her mouth deeply. Alex was surprised when she saw Beth comfortably take my cock balls deep down her throat. I occasionally took my cock out of Beth’s mouth and slapped her face with it to show Alex how thick and hard it was. Beth occasionally rubbed her nipples with my sticky cock head.

“You are a good cocksucker,” I said. “I am so happy you belong to my big cock.”

“I am so lucky I do,” she said.

“You love being the property of my big cock?” I teased.

“Yes,” she hissed.

“There is nothing my big cock may want you do for it that you wouldn’t do for it, is there?” I asked.

“No way,” she said.

“Is there anything a whore would do that you wouldn’t do for my big cock?” I asked.

“No,” she said.

“My big cock’s pleased with you because you are a good dirty whore for it,” I said.

“I am so happy that your big cock’s happy with me,” she said. “I love being its dirty whore.”

“Show it how much you love being its dirty whore,” I said, pulling her face to my cock.

She swallowed my cock, and I fucked her throat for ten to fifteen minutes. She moaned happily around my cock.

“Alex, I don’t want you to be a passive spectator,” I said. “I want you to kneel behind Beth so you can help her.”

Confused, Alex complied hesitantly.

“Hold her head and work it back and forth over my big cock,” I said. “Deep throat my cock with your friend’s mouth. Hold her head with one hand behind her head and the other against her throat so you can feel me in her throat.”

Beth smiled and nursed my cock head while Alex held her head. Alex started moving Beth’s head tentatively, but she was soon doing a good job at it. Beth still had one hand palming my balls and the other on my hip.

“Alex, you are in control,” I said. “You can pull her head all the way back, change the pace or do whatever you want. Be creative. You are now sucking your horny brother’s big juicy cock with his slut girlfriend’s hungry mouth.”

Alex managed sucking my cock for several minutes, doing a great job.

“Alex, you’ve done a great job,” I said. “Now, come over and stand behind me.” She got off the bed and stood behind me. “Press your pelvis against my butt and hold me here.” I guided her right hand to the front of my right hip. “Hold your friend’s head like this,” I guided her hand to Beth’s head, “and fuck her mouth with my big cock.”

A quick learner, Alex was soon fucking Beth’s throat nicely with my cock. It was a lot of fun, so I let her do it for several minutes.

“You did a great job, Alex,” I said as I pulled back and pushed Beth onto her back. “Thank you.”

“You are welcome,” said Alex.

Kneeling between Beth’s legs, I hiked her dress and collected it around her waist. She raised her legs and pulled her knees against her shoulders, totally exposing her pussy and asshole. While Alex watched, I ate Beth’s leaky pussy to orgasm and licked it clean. Beth gasped when my tongue tip tickled her asshole.

“Alex, spread her ass for me,” I said, guiding Alex’s hands to Beth’s ass cheeks. “I’ll eat her sweet asshole raw.”

Holding Beth’s cheeks apart like that, Alex witnessed every move my tongue and lips made to Beth’s vulnerable asshole. For her benefit, I spent a long time teasing, rimming and probing Beth’s responsive asshole before I let her come. Alex was surprised that Beth came from merely getting rimmed. I also took my time lubing Beth’s asshole and reaming it out with my fingers. I fucked her ass with three fingers to orgasm. When she recovered, I arranged her on her hands and knees with her ass facing me.

“Lube my cock head,” I said to Alex, handing her the lube.

Alex did not hesitate to oblige me. I put the lube aside and guided her right hand to Beth’s left cheek as I aimed my cock at the waiting asshole.

“Pull her cheek out and guide my big cock into her horny ass,” I instructed, guiding Alex’s left hand to my shaft.

Holding my cock against Beth’s asshole, Alex watched closely as my cock head gently indented the glistening pucker and popped in, making Beth gasp softly.

“Wow!” exclaimed Alex as she watched my cock stretch Beth’s asshole wide. “It’s so thick!”

“That’s how it should be,” moaned Beth as I guided Alex’s left hand to her right cheek.

With Alex obscenely spreading Beth’s stuffed ass, I slowly slid more than half of my shaft into the receptive ass. Beth let out a long low moan as more of my cock filled her ass. She let out a soft gasp as I shoved the rest of my cock in, completely skewering her sizzling ass. My balls pressed gently against her wet pussy. I paused for several seconds, allowing her ass to adjust to the shape and size of my cock.

“How does it feel, Beth?” I asked.

“Awesome,” she cooed. “The only thing that feels better than this is having your big cock thrust in my horny ass.”

“My big cock isn’t going to do that,” I said. “You are going to thrust your ass over my cock instead. I want you to move your cock-craving ass and get it fucked like you should. Show my sister that you are really my dirty whore.”

“Alex, you can’t tell your friends that I am your horny brother’s dirty whore,” said Beth. “This is between us.”

“I’d never do that,” said Alex. “I am so grateful you let me see this.”

“Now, watch me get my cock-hungry ass fucked with your brother’s big fat cock,” said Beth.

Alex continued to spread Beth’s ass as Beth started to rock back and forth, working her stretched asshole over my cock. Beth established an easy rhythm, getting her ass fucked with long strokes. With every thrust her pussy gave my balls a wet kiss, and with every pull she nearly let my cock head pop out of her ass. She moaned joyously as her asshole massaged my entire shaft lustfully and lovingly. Alex’s eyes were glued to the stretched asshole.

“Make my sister proud of me because this beautiful girl’s the property of my big cock,” I said.

“Your sister should be proud of you,” moaned Beth.

“Are you proud of me, Alex, because this hot slut belongs to my big cock?” I said.

“Yes,” hissed Alex.

“Thank you, Alex,” I said. “That means a lot to me. I’d feel miserable if my sweet sister thought I was a jerk.”

“I’d never think you are a jerk,” said Alex.

“Thank you,” I said.

Beth got her ass fucked for several minutes before she gradually accelerated her pace, chasing her orgasm. As her orgasm approached, she used shorter and faster strokes. An experienced anal lover, she made sure her asshole stayed as close as possible to the base of my cock so it would not pop off my cock when she would lose control. I met her strokes with vigorous short thrusts.

“I am going to come on your big fat cock,” gasped Beth.

“Do it, you dirty slut,” I urged. “I want to see you writhe in ecstasy.”

She soon came.

“I am coming on your amazing cock,” gasped Beth.

“Come for me, you sexy bitch,” I urged.

Beth’s orgasm was so hard it startled Alex. She moaned, groaned and gasped, her ass jerking violently. Her twitching asshole milked the base of my cock wildly. Her orgasm finally subsided, leaving her limp. I gently fucked her ass while she recovered.

“That was so good,” gasped Beth.

My cock finally popped out of her ass. She turned around and gulped my cock down, stunning Alex with her lewd behavior. My cock was instantly down her throat.

“Shouldn’t you clean it up first?” asked Alex in shock.

“She keeps her ass squeaky clean instead,” I explained to Alex. “I’d never stick my big cock in a dirty place.”

After deep throating my cock for a few minutes, Beth turned around and got back on all fours.

“Fuck my ass, baby,” moaned Beth.

“Drool on her asshole and guide my big cock in,” I instructed Alex.

Alex complied readily. She even spread Beth’s ass after my cock head popped in. I started to fuck Beth’s offered ass, and she fucked back. I was soon pumping her ass vigorously, her moans and gasps filling the room. I made her come within five minutes. Her orgasm was hard but not as violent as the previous one. I gave her a minute to calm down before I gently popped my cock out.

“Stay as you are, Beth,” I instructed as I thrust my cock in Alex’s face. “Lick the head a little.”

Alex looked at me in confusion unable to decide what to do.

“Don’t be afraid,” I encouraged. “I want you to find out for yourself that it’s clean.”

Alex stuck her tongue out and gave my cock head a little quick lick.

“That’s it,” I encouraged, guiding her hand to my shaft. “Lick it a little more.”

Holding my shaft with her left hand, she gave the head a few more tentative licks. I held the back of her head, encouraging her to keep licking. She overcame her fear and gave my cock head a few nice licks.

“You are doing great,” I said, pushing my cock head past her lips. “Lick it thoroughly.”

My hand on her head helped her overcome her hesitation. She kept licking my cock head as her lips stretched around the beginning of my shaft. I pushed my cock an inch deeper in her mouth and started to thrust gently in her mouth. She instinctively sucked my cock. Before long I was fucking her mouth as deep as she could handle. She could not take it all the way in, but she sucked what she could eagerly.

Having completely overcome Alex’s resistance, hesitation and shyness to suck my cock fresh out of Beth’s ass, I had her return it to Beth’s ass. During the following several minutes, I switched my cock a couple of times between Beth’s ass and Alex’s mouth. Alex started to do that on her own, deciding when to pull it out and take it in her mouth and when to put it back in Beth’s ass. She finally let me fuck Beth’s horny ass to orgasm.

“Suck it, and then guide it into her pussy,” I instructed Alex before popping my cock out of Beth’s ass.

Alex eagerly obliged me. I fucked Beth’s pussy hard to orgasm and then gave Alex my dripping cock to suck. Alex sucked it thoroughly, and then I returned it to Beth’s pussy. I fucked Beth’s pussy a little, then her ass and then Alex’s mouth. I repeated that sequence a few times before I fucked Beth’s pussy to orgasm. Alex eagerly sucked Beth’s copious juices off half my drenched cock.

Beth sat up and took turns with Alex on sucking my cock. At the end, I spurted my big come load against the back of Beth’s throat. As Beth smacked her lips, Alex sucked my cock dry and cleaned it.

“Did you enjoy that, Alex?” I asked.

“Yes,” said Alex.

“We’ve just started,” I said. “Are you ready for more?”

“Yes,” she said.

“You are overdressed,” I said, helping her to her feet. “Let me help you with your dress.”

She shyly let me unzip the back of her dress.

“Relax,” I said softly. “You’ve seen everything we have. It’s okay for us to see what you have. You are so sexy.”

“Okay,” she said lowly as I slowly pulled her dress down, leaving her naked.

Alex stepped out of her dress and stood awkwardly.

“You are beautiful,” I said, raising her face up by the chin. “Don’t be shy.”

She smiled shyly as I smiled at her.

“You should be proud of your sexy body,” I said.

She gasped and trembled as I gave each of her stiff nipples a light kiss.

“Bend over,” I said, turning her around. “Let me take a look at your pretty ass.”

She shyly bent over, resting her hands on the bed. She trembled when I parted her cheeks, utterly exposing her little asshole and drenched pussy. She gasped when I laid a kiss on her asshole. She gasped again when I kissed her wet pussy. She gasped and trembled when I slid my middle finger into her sodden pussy. She gasped and moaned softly while I gently pumped my finger within her pussy.

“You are so hot and wet,” I said. “I love how your little pussy grips my finger hungrily.”

She gasped, subtly humping my finger.

“Am I hurting you?” I asked as her pussy leaked on my cock.

“No,” she said lowly.

Removing my dripping finger from her pussy, I straightened her back. I sucked my glistening finger thoroughly as I looked into her eyes.

“Your pussy tastes great,” I said, making her blush. “You are delicious.”

“If you liked what I did to you, say thank you,” I said as I held her left tit and tickled her stiff nipple.

“Thank you,” she said shyly.

“My slut girlfriend needs help getting my big cock hard again,” I said, pointing at my mostly hard cock.

“You are already hard,” she said.

“It should be much harder when I am with two incredibly hot girls,” I said as I lay back on the bed.

Beth took off her dress and pounced on my hardening cock. Alex joined her, and they took turns reviving my cock. When my cock was rock hard, Beth mounted me, taking it in her pussy. While Beth rode me, I fingered Alex’s pussy. I made Alex come while Beth drenched my cock with a new dose of juices. Alex eagerly cleaned my cock with her mouth before guiding it into Beth’s ass.

Half an hour later, I pumped a come load deep in Beth’s convulsing pussy. I used my fingers to scoop the come out and feed it to both girls. When Alex saw Beth suck my slimy fingers hungrily, she did not hesitate to do the same.

“Are you having fun, Alex?” I said, fingering Alex’s leaky pussy.

“Yes,” hissed Alex.

“It’s so much fun to watch your horny brother use his slut girlfriend, isn’t it?” I said.

“Yes,” she hissed.

“I am not through with the slut,” I said. “Help her get me ready for more.”

They revived my cock quickly, and I used it on Beth’s holes and Alex’s mouth. I finally spurted my come load in Beth’s twitching bowels. I let each girl get one taste of my come out of Beth’s slimy ass. They revived my cock again, and we had our last fuck round.

“Alex, you did a great job,” I said, aiming my cock at Alex’s mouth. “You’ve earned my next come load.”

Alex and Beth sucked my cock hungrily, and I shot my come against the back of Alex’s throat. She swallowed my come to the last drop and sucked my cock dry before she let it go.

“Did you like the taste of my come?” I asked Alex.

“Yes,” she said blushing.

“Did you enjoy our show?” I asked.

“Yes,” she said. “It was very hot. Thank you, both of you.”

“Our pleasure,” said Beth.

“Let me clean your pussy for you before you go,” I said as Alex went for her dress.

Alex sat back shyly, and I proceeded to lick her leaky pussy. She squirmed and moaned, and her pussy continued to leak, so I spent several delightful minutes cleaning it. Her pussy suddenly twitched around my tongue. When I looked up, I found Beth sucking one of Alex’s nipples and fondling her free tit. In a few minutes, Alex gushed in my mouth, convulsing in a long hard orgasm. I licked her clean.

“Thank you for watching,” I said. “It was so hot.”

“Thank you,” said Alex on her way out.

---

Needless to say, my cock was hard again. I used it on Beth, finally dumping my come load deep in her ass. She cleaned my sticky cock, and I cleaned her drenched pussy before walking her home.

---

Although I had fucked mom silly in the morning, I wanted to fuck Alex in the evening. Early in the afternoon, I bought a reusable enema kit for her.

“Did you enjoy what we did last night?” I asked.

“Yes,” she said. “I appreciate your letting me in on your intimate life. It was very informative.”

“You are welcome,” I said. “You are my sister and a sexy girl to boot. You deserve to have a great sex life. I don’t want you to fall prey to myths and inhibitions.”

“Thanks, big brother,” she said, hugging me.

“You are welcome, little sister,” I said, handing her the package. “This is an enema kit you can use prior to anal play if you ever decide to try it.”

“Thanks, Nick,” she said. “I don’t think I know any nice guy whom I can trust with my butt.”

“Don’t rush it,” I said. “If you are free tonight, I can introduce you to anal rimming. Last night, we didn’t have a chance to try it. I am sure you’d love it.”

“I’d like to try that,” she said, “but I don’t want to bother you too much.”

“You never bother me,” I said. “Use the kit and come to me whenever you are ready.”

“Thanks, Nick,” she said.

“Sure,” I said as I left with a big boner.

---

An hour later, Alex came to my room.

“I am ready,” she said shyly when I opened the door.

“Don’t be shy,” I said as I led her to my bed and let her have a seat. “It’s fun.”

“It’s just that I’ve never done it before,” she said.

“Let’s give you some time so your bowels can absorb the extra moisture,” I said. “If you want, I can help you learn deep throating meanwhile.”

“Do you think I can ever do it?” she asked.

“Do you think you’d enjoy being able to deep throat my big cock like Beth?” I said.

“Yes,” she said.

“Do you promise to be nice to yourself and have fun when you do it for me?” I said.

“Yes,” she said.

“I think you can do it within half an hour,” I said as I stood before her. “Take it out, and suck it. Let’s have fun.”

A minute later, my shorts were lying on the floor as she sucked my cock eagerly. I let her suck my cock on her own for several minutes.

“Are you having fun?” I asked.

“Yes,” she said.

“I love having you suck my big cock,” I said. “My big cock definitely loves you.”

“I love it too,” she smiled.

“You’ve been a nice cocksucker for my big cock,” I said. “My big cock loves you so much it wants to slide all the way down your throat. Do you want it to?”

“Yes,” she hissed.

“Slobber on it abundantly,” I instructed as I pulled backward, pulling her head forward to straighten her throat. “When it’s drenched with your saliva, gradually take it deeper and deeper.”

She naturally gagged and coughed several times, but her trials kept improving. It took her about ten minutes to be able to swallow my cock all down her throat for the first time.

“I did it,” she said, smiling up at me.

“Good job!” I complimented. “Now, you just need to practice.”

She practiced, and I encouraged her constantly. She spent fifteen minutes deeply sucking my cock.

“My big cock’s pleased with you,” I said, slapping her face with my sticky cock. “It wants to reward you. Are you ready to drink my hot creamy come?”

“Yes,” she said, smiling.

“Are you happy that my big cock’s pleased with its little cocksucker?” I said.

“Yes,” she smiled.

“You are a sweet girl, Alex,” I said. “I am privileged to have you suck my big cock.”

“Thank you,” she said.

“Get your reward, girl,” I said, pushing my cock into her mouth. “You’ve earned it, my dirty little cocksucker.”

She made me come and eagerly swallowed my come load. She continued to suck my cock until it was soft.

“Are you ready to get rimmed?” I asked as I helped her out of her dress.

“Yes,” she said.

“You have a sweet asshole,” I said. “I can’t wait to feast on it. Are you looking forward to having me eat it raw?”

“Yes,” she hissed as I slipped a finger into her wet pussy.

She gasped and leaked on my finger. I fondled her fine tits and sucked her stiff nipples. After a few minutes of that, I let her suck her juices off my finger.

“Let’s get your luscious ass ready to eat,” I said.

For the following round, I arranged her on her knees on the floor, letting her head and shoulders rest on the edge of the bed. I arranged her position so her ass was lewdly thrust out, shamelessly exposing her virgin asshole.

“Your ass is so beautiful,” I said. “Don’t let any guy see you in this position. You are too hot for most guys.”

“Okay,” she smiled.

She was not very comfortable with my tongue on her asshole at first, but she soon started to enjoy it. I spent half an hour eating her fresh asshole. She squirmed, moaned and humped my face. She came twice too. I ate her pussy to a third orgasm. After she recovered, I ate her asshole a little and then started to use my fingers on her pucker.

“Your asshole’s so sweet it deserves a nice long massage,” I said.

Using lube generously, I gently wormed my finger into her virgin ass. She moaned quietly.

Within the following half hour, I made her come with one finger in her ass, then with two fingers and finally with three fingers. Each orgasm was wilder than the previous one. Her sweet asshole was happy and ready for my hard cock. I cleaned her drenched pussy with my tongue while gently swirling three fingers within her ass. I finger fucked her ass gently while I lubed my hard cock thoroughly.

She was very relaxed when I replaced my fingers with my cock head. I pressed my slick cock head into her asshole, and it popped right in, making her gasp. Her asshole clenched instinctively but not tightly. My cock twitched and leaked in her hot ass. She looked back at me with questioning eyes.

“Relax,” I said softly, reaching for her clit. “I don’t want to fuck you in the ass yet. I just want you to experience the feel of having your ass fully stuffed. Relax and push out gently as I push in. I am now training your luscious ass.”

Gently massaging her clit, I slowly sank my cock into her ass. I had to thrust harder to drive the last two inches into her ass, making her groan. Once all the way in, I paused.

“Did it hurt you at all?” I said as I squeezed her tits gently.

“No,” she said.

“Alternate between squeezing gently and pushing out to let your hot rectum adjust to my big cock,” I instructed.

She milked my cock tentatively while I massaged her stiff clit. Her asshole relaxed in a minute, and I started to grind gently into her ass.

“You have a fantastic ass, Alex,” I said softly. “It feels so good around my big cock. How does it feel to you?”

“It feels nice,” she hissed. “It’s so intense.”

“Do you want me to grind gently into your hot tight ass?” I asked as I rubbed her clit and ground into her ass. “That makes it feel even better.”

“Yes,” she hissed.

Before long, I was repeatedly sliding my cock about an inch out of her ass and then back in in the rhythm she used to milk my cock. She moaned and gasped, fucking back.

“Do you want me to fuck your gorgeous ass a little?” I asked as I fucked her ass gently.

“Yes,” she gasped, her asshole twitching.

“You have a wonderful ass,” I said, fucking her ass with longer strokes. “It’s perfect for fucking. My big cock’s so happy inside it. It’s leaking freely. It loves how your hot ass milks it to keep it leaking. Do you like how it feels?”

“Yes,” she hissed. “It feels so good. I’ve never imagined it could feel this good even when I saw you do it to Beth.”

“Your hot ass was definitely meant for cock,” I said. “I think you are going to be even sluttier than Beth.”

“You think so?” she said.

“Yes,” I said. “Can’t you feel it? You are my sister. If there is one sizzling ass made for my big cock, it’s yours.”

She trembled and stiffened.

“I am coming,” she gasped.

“This settles it,” I said.

She writhed in my arms, shoving her twitching ass into the base of my cock. I thrust into her until she went limp.

“That was the most intense orgasm of my life,” she gasped.

“Doesn’t that tell you that your hot ass was made for my big cock?” I said.

“Yes,” she hissed.

“Are you ready for me to fuck the luscious ass that was made for my big cock?” I said.

“Yes,” she hissed.

In a few minutes, I was fucking her ass with long brisk strokes, and she was fucking back like her life depended on it. Moaning and gasping, she massaged my cock very nicely for a virgin. I took it easy on her and let her enjoy her first ass fuck for ten more minutes at an easy pace.

“You seem to like having your slutty ass fucked,” I teased.

“On, yes, Nick, I love it,” she gasped. “Thank you for fucking my ass.”

“I just want my hot sister to be very happy,” I said.

“I am very happy,” she gasped.

“You want me to make you come again?” I said.

“Yes,” please,” she gasped.

“Hang on, baby,” I said as I pounded her ass vigorously.

She fucked back urgently, meeting my thrusts stroke for stroke.

My left hand was braced on the bed and my right hand was fondling her right tit and pulling on her nipple while I gave her the hardest orgasm of her life. When she started to jerk violently, I held her hips tightly and drilled her twitching asshole until she went limp.

“Wow, Nick!” she gasped. “That was so hard I almost fainted.”

“I think my slut sister’s horny ass is in love with my big cock,” I teased.

“I think so too,” she gasped.

She gasped, trying to catch her breath. I fucked her ass gently until she started to fuck back again. I slowly pulled my cock out of her ass, letting its bulbous head pop out audibly. I straightened her back and shoved my cock in her face. She smiled before taking it in her mouth. She deep throtead it eagerly.

“Show my big cock how happy with it you are,” I said.

She sucked my cock hungrily. After a few minutes, I pushed her onto the bed and had her pull her knees against her shoulders. I cleaned her wet pussy with my tongue and pushed my cock into her ass. I watched her face twitch as she rolled her head from side to side while I fucked her tight ass gently.

“You like this, don’t you?” I smiled.

“Yes,” she hissed. “You have the most amazing cock in the world.”

“It loves you,” I smiled.

“I love it too,” she smiled.

“Your sizzling ass is an invaluable pleasure treasure that has been waiting to be discovered,” I said.

“You seem to have a precise map for it,” she said.

“The map was precise,” I said. “It described a cute little rose an inch behind another well-known treasure well. When I saw it yesterday, I knew I found it.”

“I am so happy you did,” she said. “I like the way you took advantage of it.”

“You understand that this priceless treasure now belongs to me,” I said.

“Yes,” she hissed.

“Your hot ass is the property of what?” I asked.

“It’s the property of your big cock,” she gasped.

“The sweetest ass in the world belongs to my big cock,” I said. “My big cock’s so happy.”

“I am so happy my horny ass belongs to your amazing cock,” she gasped.

“My big cock thinks you are the sweetest girl in the world,” I said. “It wants you to belong to it.”

“I want that too,” she gasped.

“You want to be my dirty whore and belong to my big cock?” I said.

“Yes,” she hissed.

“You are and you do,” I said.

Holding her in that position, I picked up the pace and fucked her ever faster and harder. Within half an hour, I drilled her bouncing ass through two new wild orgasms.

“I love coming for you,” she gasped.

“My dirty whore loves coming on my big cock, which she belongs to?” I teased.

“Yes,” she hissed.

“My big cock loves that too,” I said. “It wants it’s dirty whore to be happy.”

“I am very happy,” she gasped.

Her pussy, which I had not fucked yet, was drenched. It leaked so much that her juices were lubing my cock as it fucked her ass. I popped my cock out of her ass and pushed it all the way into her sopping pussy with one long stroke.

“My big cock wants all of its dirty whore,” I said.

“Yes,” she hissed.

She trembled and had a small orgasm. I fucked her pussy briskly to orgasm.

“My big cock wants to flood its dirty whore’s little pussy with its hot sticky come,” I said as she writhed.

“Yes, yes,” she gasped. “Come deep in my horny pussy.”

While she convulsed in orgasm, I spurted my hot come deep in her twitching pussy.

“Now, you all belong to my big cock,” I said. “Are you happy?”

“Yes,” she hissed. “I am so happy.”

My spent cock finally slipped out of her come-filled pussy. I used my fingers to feed her my come out of her pussy. She sucked my fingers hungrily.

“You know that my big cock isn’t done with its dirty whore,” I said.

“It’s going to fuck me silly, isn’t it?” she smiled.

“You seem to know the big cock you belong to well,” I said.

“Yes,” she smiled.

She cleaned my cock with her mouth and continued to suck it until it was rock hard again.

“Fuck me, Nick,” she said. “Fuck me any way you want.”

“You are fucked, Alex,” I smiled.

In the following two hours, I fucked her silly in every position and pace I could think of. She extremely enjoyed getting used like a cheap whore. At the end, I let my come burst into her sucking bowels. She revived my cock again. I let her take control to help develop her slutty talents and skills. She gave me the wildest tour of her cock hungry orifices. We started the evening in her mouth and concluded it in her mouth. She swallowed my come to the last drop and sucked my cock dry.

Lying back, I took her in my arms. Her sticky pussy lay against my spent cock. While we kissed sensually, I had a fingertip possessively lodged in her asshole.

“Did you enjoy getting rimmed?” I asked, smiling.

“I really did,” she smiled. “I like the way you trick girls into letting you fuck them in the ass. You know how to get your big cock in a girl’s tight timid ass, and you know what to do with it once it’s there.”

“Believe me, you also know what to do with it once it’s there,” I laughed.

“I was meant to be my horny brother’s dirty whore,” she smiled.

---

Seducing Alex’s ass made me busier than ever; I had to fuck her and mom almost daily. She was very hot and talented. After a week of intensive ass fucking, she became a serious anal slut, even hotter than Beth, who had two years of anal experience.

---

On Saturday, dad was out. Mom, Alex and I were lounging in the living room.

“You know, mom, Alex is taking after you,” I said.

“How is that?” asked mom.

“She’s been taking me balls deep up her hot ass like a champion,” I said.

Alex’s face turned into several shades of beet red.

“That’s my girl,” smiled mom, looking at embarrassed Alex.

“I want to fuck you both together,” I said to mom as I got up and stood before her.

“Do you want to suck him first?” mom asked Alex as she pulled my shorts down, letting my hard cock out.

Alex blushed silently, shyly watching mom stroke my cock.

"I'll start," mom decided finally. "You have to take turns with me though."

Mom teased, licked and sucked my cock for over five minutes, giving Alex a show of her cock love, oral skills and erotic artistry. Alex was soon intently watching her suck my cock like no one else ever had. I motioned Alex to move closer. She was finally sitting next to mom, crisply hearing every slurp and wet sound she made.

"Alex, your turn," said mom.

Alex moved over hesitantly. Her shyness disappeared once she closed her lips around my cock. She was soon taking me down her throat happily and eagerly.

"This is impressive," complimented mom. "She's a deep throat cocksucker too."

"I'd never put it in a female's ass if she couldn't take it in her mouth," I said.

We let Alex suck my cock for over ten minutes. I occasionally slapped her face with it. Mom took turns with her for several more minutes. They even occasionally worked on my cock at the same time.

"Let's go to the bedroom," suggested mom. "It's more comfortable than here."

"Let's go to my room," I insisted, wanting our tryst recorded.

Alex resumed sucking my cock. Meanwhile, mom licked Alex's pussy and ass, startling her at first. Before long, Alex was moaning around my cock as she humped mom's face. She returned the favor while I fucked her pussy in the doggy position. They were in the sixty-nine position, eating each other's pussy, when I pushed my cock into Alex's ass, which mom spread wide.

Mom let me fuck Alex most of the time. She occasionally fingered Alex's and her pussies simultaneously when they were not eating each other lewdly. Mom also had her share of my cock in her ass and pussy while Alex ate her pussy or ass. They also sucked each other's tits whenever one rode my cock and the other rode my tongue.

As I fucked their asses deep and made them gape nicely, they liked drooling into each other's open ass. I got Alex to suck my come out of mom's ass and dribble it into mom's mouth. Mom eagerly and even more lewdly returned the favor, trading my come back and forth with Alex before she let Alex swallow it. They also enjoyed sucking my cock fresh out of each other's sloppy pussy or gaping asshole.

We had a long wild orgy, fucking and sucking in every position we could think of. I got to come in every one of their six come thirsty holes.

"Mom, don't you mind doing this behind dad's back?" Alex asked mom at the end.

That was the question I never dared to ask.

"Your aunts and I don't do this behind our husbands' backs," said mom, shocking Alex and me.

"My aunts?" asked Alex.

"You don't know that Nick also fucks your aunts?" asked mom. "It doesn't hurt to let you know."

"You don't do it behind your husbands' backs?" asked Alex.

"Never," said mom. "They know all about it. They just don't know whom we do it with. I am also not going to tell your dad that my boyfriend has fucked you and me together. I'll just refer to you as a blonde teenage slut from the neighborhood that he has surely seen more than once and that we can trust. I am going to tell him that it was my boyfriend's idea to fuck us both together like cheap whores. He's going to love it."

All that was news to me. It was actually shocking news to me. I was my mom's boyfriend? My dad knew in vivid details that someone else was fucking his wife, and he did not mind it at all? He actually loved it? My uncles did too? That was crazy. I thought I was a wicked stud, playing behind husbands' backs, but, in reality, they were playing behind mine. On one hand, I was not doing something wrong, or at least it was less wrong. On the other hand, I could ask my aunts to come over because I wanted to fuck them. They would not need to come up with lame excuses; they could just tell my uncles the truth—that they were coming over to get fucked silly!

Despite dad and my uncles' permissiveness, we still could not let them know that I was their wives' boyfriend or lover. Knowing about that though, made me want to fuck mom with dad's knowledge that I was her stud.

---

"I want dad to know that I fuck you and our sisters silly," I said to mom later that Saturday. "Can you find a good way to tell him? I don't want to have to sneak around him. I want to be able to fuck you while he's watching TV."

"I need to think about it," I said. "We may be able to pull it off if we are careful."

"I want to fuck Alex and you in the living room while he's there," I said.

"You are a horny pervert," she said.

"I am glad you've finally figured it out," I teased.

"I've figured it out long ago," she said. "Let's see how to keep our pervert happy."

---

Wearing a short dress without underwear, mom plopped her hot ass in my lap, turning to the right to face dad, who sat in his chair to my right.

"I am so horny," mom whispered. "I want you to fuck me while your dad's home."

"You are a dirty slut," I whispered as my left hand moved to her ass.

My cock was instantly hard as I traced mom's ass crack. She subtly ground into my boner.

"You are a pervert," she whispered. "You are playing with my horny asshole right across from your clueless dad."

That gave me an idea. I started to tug on the back of her dress. She had to cooperate and let me pull the back of her dress from under her ass. My fingers were exploring her bare ass crack. I pressed a fingertip into her asshole. She adjusted her position to give me better access to her asshole. My finger slid up her ass. I started to ream out her asshole.

"Our son has become a stud recently," said mom, milking my finger.

"What do you mean?" asked dad, looking at us, as I squeezed a second finger up mom's asshole.

"He recently deflowered three sisters anally," she said.

"Three sisters?" he asked, looking at me as I swirled my fingers within mom's ass. "Did you break up with Beth?"

"He didn't break up with Beth, but one girl isn't enough for him," she smiled. "I am proud of him."

She hugged my face to her tits, letting me feel her stiff nipple on my face.

"Did you date them and break up with them sequentially?" he asked.

"He's a stud," she said. "He didn't date them. He deflowered the big and little sisters together on one weekend and deflowered the middle sister on the following weekend."

"Without dating them?" he asked. "What are they tramps?"

"They are not tramps," she said. "They are nice married women."

“What?” he asked in shock. “He had sex with married women?”

“Yes,” she said. “They were anal virgins, and he was the hot anal stud. They couldn’t resist him. He even anally deflowered the daughter of one of them and had her and her mom together. Dan, you are looking at a serious stud.”

“This is crazy,” he said. “What if he got caught?”

“How is anyone going to catch the sluts whoring themselves to our stud son in his room?” she asked.

“In his room?” he said.

“Yes,” she said. “I am home too. If a woman visits me at home, will her husband suspect that she’s whoring herself to my stud son? I don’t think so.”

“You are conspiring with them?” he said.

“Do you expect me to call their husbands on my son?” she said.

“No,” he said.

“How are you hiding this from Alex?” he asked.

“Alex knows about it,” she said. “She knows that her brother’s a stud.”

“I am the last to know?” he said.

“You wanted to know as soon as he deflowered the first butt?” she asked.

“How long has this been going on?” he asked.

“It started on his birthday,” she said. “Aren’t you proud of him?”

“On one hand, I am proud of him, but, on the other hand, I think it’s very dangerous and unethical,” he said.

“Why is it unethical?” she asked. “I don’t see anything wrong with it.”

“The women are cheating,” he said.

“That’s none of our business,” she said. “That isn’t our son’s fault either.”

“Dad, thanks for being proud of me,” I said, stretching mom’s asshole wide. “I’ll let mom and you figure out the ethical and social aspects of these relationships. The women are too hot for me to care about those aspects.”

“Nick, you are old enough to care about the consequences of your actions,” he said.

“What actions, dad?” I asked. “I have sex in my room. That’s none of anybody else’s business. I don’t even know why mom let you know about it.”

“I wanted to show my pride in you,” she said. “I also wanted to give him a chance to show his own pride. I wanted him to know why you started to look arrogant recently.”

“I started to look arrogant?” I said.

“I am proud of you and all, but that doesn’t imply that you are the only stud in the world,” she said.

“Did I ever say I was the only stud in the world?” I said. “I am only the best stud in the world.”

“Did you hear that, Dan?” she said. “He thinks he’s the best stud in the world.”

“I claim I am the best stud in the world,” I said. “Can you prove that I am not?”

“Not without trying you and putting you through your paces,” she said.

“You think you can put me through my paces?” I laughed. “I bet you’d be begging for more until you can’t take it anymore and start begging for mercy.”

“Nick, that’s arrogant and even rude,” he said. “She’s your mom.”

“Dad, mom or now, she can’t criticize my manhood based on baseless ideas or dreams,” I said.

“Nick, if you can make me beg for mercy, I’ll be a slave to your big cock, which is pushing into my ass,” she said.

“Mom, that’s a challenge,” I warned.

“Of course, it’s a challenge,” she said. “You can’t say that about me and expect me to remain silent.”

“I am willing to take you to bed right now,” I said. “You have to either let me or apologize.”

“I am not apologizing,” she said.

“I guess you aren’t letting me either,” I said.

“If you are man enough, take me to bed right now, and show me what you are worth,” she challenged.

“Dad, did you hear that?” I said. “I am not going to let it go. She has to apologize, or I’ll take her to bed.”

“Dan, I am not apologizing,” she said. “If he wants to take me to bed, I am game.”

“That’s it, dad,” I said as I removed my fingers from her ass and scooped her up in my arms, getting up. “I am not going to let her get away with what she did. I am going to teach her a lesson.”

“Nick, she’s your mom,” he said.

“Don’t try to hide behind your dad,” she said. “Take me to bed if you are man enough.”

“I am going to take you to bed and film it,” I said. “Dad’s going to watch you and hear you beg for mercy.”

“Go for it, stud,” she teased.

“Dad, because you are her husband and you didn’t rein her, if I make her beg for mercy and you verify that I did it fairly, you are going to eat her out when I am through with her,” I said.

“What?” he asked.

“She’s a luscious woman if I have to say so, so don’t look disgusted,” I said.

“What if you failed?” he said.

“In that case, I’ll eat her out when I am done with her,” I said.

“Nick, you are on,” he said. “You could be good, but you are no match for your mom.”

“You and I will both be there when that happens in front of the camera,” I said. “We may have to wake you up.”

“Sure,” he said. “I wouldn’t mind.”

“See you then, dad,” I said.

“Have fun,” he said, shaking his head as I headed to the stairs.

“We will,” I said.

---

“Take me to his bed, and fuck me there,” she whispered.

“You are a treacherous whore, but I am going to make you beg for mercy,” I whispered.

---

Alex ran into us, going down the stairs as we went up the stairs.

“What’s going on?” asked Alex.

“Mom has been a bad girl,” I said. “I am going to teach her a lesson. I may spank her little ass too.”

---

“Dad, what’s with Nick and mom?” Alex asked. “He was carrying her and taking her upstairs.”

“They had an altercation,” he said. “He wants to teach her a lesson.”

“Is he really going to spank her?” she asked.

“Did he say so?” he asked.

“He said he might,” she said.

“I don’t know,” he said. “I guess that’s up to them.”

---

As soon as I entered the master bedroom, I tossed mom on her back on the bed. I rushed to my room to get the camcorder. When I came back, I found the bed stripped, and she was on her back. Her legs were spread wide while she fingered her leaky pussy, moaning lustfully. I started recording and I joined her.

“If I am expected to give you the best fuck of your life, you are expected to try to give me the best fuck of my life,” I said. “I’ll be on my best, and you’ll be on your best. Can we agree on that?”

“You bet,” she said.

“You can’t do this when there is a decent man in the room,” I said, moving her hand off her pussy.

“A decent man can’t handle an indecent woman?” she teased.

“Don’t be silly, mom,” I said. “We are here so the two of us can have the hottest time in our lives.”

“You are right,” she said.

“That’s our goal,” I said. “I am not going to beat you up and make you beg for mercy, and you are not going to be mean so you can win. We have it all on camera.”

“I am going to have a wonderful time,” she said. “If I do that well, I’ll win automatically.”

“The same goes for me,” I said. “We are not going to insult ourselves for this. You’ll cherish tonight forever.”

“So will you, Nick,” she said.

She spread her legs wider, and I dove between them. I ate her leisurely, making her gasp and squirm while leaking profusely in my mouth.

“Please make me come,” she gasped.

Taking a break from the leisurely pussy eating, I made her come, gushing in my mouth. I resumed eating her pussy as she recovered. She begged again, and I let her come. I made her beg and come a third time.

“Please fuck me,” she gasped.

“Not yet,” I said, rolling her onto her stomach.

She groaned.

“Spread it,” I said, guiding her hands to her ass.

She spread her ass, and I dove between her cheeks. I tortured her through three orgasms again.

“Please fuck me, Nick,” she begged.

“I am not going to let you be a bad girl,” I said as I lay on my back on the bed. “Good girls suck cock royally.”

“Sorry,” she said, getting up on all fours.

She rid me of my shorts and underwear, setting my hard cock free.

“If you can use this amazing cock, you can make me beg for mercy,” she said, gently stroking my cock.

“I am going to use my big cock and use you,” I said. “I’ll make you beg for mercy, but not before you suck it.”

“I wouldn’t want to miss sucking your fat juicy cock either,” she said, touching my cock head to her lips.

“Are you going to be my dirty little cocksucker tonight?” I teased.

“If you let me have fun sucking this big mouthwatering cock, I’ll be your dirty little cocksucker forever,” she said.

“That depends on you,” I said as she teased my cock head with her tongue tip. “I’ll let you suck my big cock all you want. Go for it.”

“Everything you do right, I’ll let you do forever,” she said. “If you fuck my pussy right, I’ll let you fuck it whenever you want forever. That goes for fucking my ass. So far, you can eat my pussy and asshole whenever you want forever.”

“If you are serious, you are going to be my dirty whore forever,” I said. “I am looking forward to that.”

“Me too if you can pull it off,” she said, brushing her right cheek with my cock head.

“You are a lucky bitch, mom,” I said.

“Why is that?” she asked.

“You are going to enjoy the consequences of your indiscretion, while poor dad will end up eating your well-used pussy and asshole when I am through with them,” I said.

“You think my pussy and ass are delicious, don’t you?” she asked.

“Sure,” I said.

“I think your come’s delicious too,” she said. “Your *poor* dad wouldn’t suffer from eating something delicious?”

“I hope so, because this wasn’t his fault,” I said as she licked my cock head.

Before she had my cock head in her mouth, I pulled two pillows and propped myself on them, sitting back. While sucking my cock head gently, she teased it with her tongue tip. My cock leaked in her mouth. She held my eyes.

“This is a very juicy cock,” she said. “I love sucking it for you.”

“Suck it, mom, you dirty cocksucker,” I said. “Show it you are worthy of sucking it.”

She moaned as she took my cock in her mouth.

“That’s it, mom,” I said. “Surrender your holes to it, one after another.”

She licked and sucked my cock leisurely and teasingly for about five minutes. She then picked up the pace and proceeded to suck my cock hungrily. She took it down her throat repeatedly, working it exquisitely with her throat.

“You are not bad,” I teased. “I may let you suck my big cock every once in a while.”

She had been deep throating my cock for about five minutes then.

“You’ll soon want me to suck it at every chance you get,” she said.

“At every chance *I* or *you* get?” I teased.

“You have a gorgeous cock,” she said. “I am sure you’ll want me to suck it whenever either of us wants.”

“You may be right, mom,” I said. “I think you’ll belong to my big cock like its other cocksuckers and whores.”

“If you can make me your whore, I’ll be happy for us,” she said.

“You are as good as my whore,” I said. “You seem to be too good for me to let you go.”

She feasted on my cock, stuffing her eager mouth repeatedly for about ten minutes without coming up for air.

“I love this,” she said, smiling at me. “I don’t know how I found your mouthwatering cock without a slut’s mouth wrapped tightly around it.”

“You were lucky,” I said. “Now, a dirty slut’s mouth’s wrapped around it. It could have been another slut.”

“I sure was lucky,” she said.

She stuffed my cock down her throat and continued to suck it hungrily.

“You have a nice mouth,” I said. “I am sure glad I am putting it to good use.”

She moaned around my cock in acknowledgment.

She proceeded to give me the best blowjob of my life, using her lips, tongue and throat mostly at the same time.

“You are such a cock-hungry slut,” I teased. “I am enjoying feeding you my big cock.”

She moaned happily.

She sucked my cock masterfully for ten more minutes.

“Whenever you want this big juicy cock sucked royally, bring it to your slut mom,” she said, coming up.

“I’ll make sure of that,” I said.

“Can I please fuck it now?” she said.

“Your pussy’s so hungry for it?” I teased.

“Yes,” she hissed.

“Go ahead, and ride it,” I said as I turned around to give the camcorder a better angle.

“I am sure your big cock can give your slut mom a serious ride,” she smiled as she straddled me.

“It’s going to fuck her senseless,” I said.

“I am looking forward to that,” she said, rubbing her dripping pussy with my cock head.

She pressed my cock head into her pussy and moaned as my cock head opened her tight pussy and pushed in. I held her ass and spread it.

“It stretches my little pussy so wide,” she moaned, thrusting her pussy down.

“It’s going to fuck it loose,” I said.

“I wouldn’t be surprised if it did,” she moaned. “I am actually looking forward to that.”

She worked her pussy down my cock as I smiled at her.

“Yes,” she hissed when her horny pussy swallowed my cock down to the balls. “It’s all the way in.”

“How does it feel?” I said.

“It’s so filling,” she said, rocking on my cock.

“You have a very tight pussy,” I said. “I am going to loosen it up for you.”

“I bet,” she moaned as she started to work her pussy up and down my cock.

“I am going to enjoy doing that too,” I said, pacing her.

“Me too,” she moaned. “I am going to come my ass off on your amazing cock if you let me.”

“That’s why you are here, mom,” I said. “You are going to come on it until you can’t come anymore.”

“Yes,” she hissed.

“Take off your little dress,” I said, pulling her dress up. “Let me see your big tits and put them to good use.”

She pulled her dress over her head and tossed it aside. Her tits were soon in my hands. I fondled her tits and pulled on her nipples. She lowered them to my face, and I switched my mouth between her sweet nipples.

“I love your beautiful tits,” I said. “I am going to fuck them and come all over them.”

“You are a pervert,” she teased. “You want to fuck the tits you used to nurse and come all over them?”

“What are you going to do about that?” I said.

“I am going to have a great time,” she smiled.

“You are such a slut,” I teased.

“I know,” she smiled.

“Come on my big cock like the dirty slut you are,” I said.

“Yes,” she hissed, picking up the pace.

“Show me that my big cock isn’t lost on you,” I urged.

“Of course not, baby,” she gasped, riding my cock wildly.

She bounced energetically on my cock, and I fondled her tits and sucked her nipples, until her orgasm hit her.

“I am coming,” she gasped.

As she stiffened, I grabbed her hips and pounded her pussy hard. She convulsed wildly, shoving her twitching pussy hard into my cock. When her orgasm subsided, I slowed down, and she went limp on top of me.

“You sure know how to make your slut mom come on your big cock,” she gasped.

“You came all on your own,” I said.

“I did, but then you make me come my ass off,” she gasped. “I couldn’t have done that on my own.”

“It’s my job to take care of my slut anyway,” I said.

“Your slut loves coming on your amazing cock,” she gasped.

“My big cock’s going to claim her,” I said. “You are going to be the property of my big cock just like Beth.”

“You take full advantage of the poor girl,” she gasped.

“She’s such a poor girl she doesn’t even complain,” I teased.

“I bet she loves it,” she gasped.

“You think you’ll love it as much as she does?” I teased.

“I already love it more than she does,” she gasped.

“I think you are going to be a better dirty whore for my big cock than she is,” I said.

“Definitely,” she said.

She had recovered a little, and she was riding my cock at an easy pace.

“I have a very beautiful dirty whore,” I smiled.

“My horny son’s a very hot stud,” she smiled.

“His slut mom’s taking advantage of that,” I teased.

“She’s such a whore,” she smiled.

“That’s okay as long as she’s mine,” I said.

“Of course, the whore’s yours,” she said.

She picked up the pace, and I held her ass and paced her. I helped her come hard a few times.

“How is my whore doing?” I teased.

“Like you don’t know how much fun she’s having,” she gasped.

“I only know that she’s having a *lot* of fun,” I said.

“It’s actually *lots* of fun,” she gasped. “You are so good you can fuck her whenever you want. She’s yours.”

“My big cock has claimed her horny little pussy?” I teased.

“Yes,” she hissed.

“Let’s see what else it wants to claim,” I said, pressing a middle finger into her asshole.

“You are a dirty boy, aren’t you?” she moaned, riding my cock at a nice pace.

“Don’t think about it like that,” I said. “You are so hot my big cock wants to claim all of you.”

“Thank you, but I still think you are a dirty boy,” she moaned.

“What are you?” I teased, worming my finger all the way into her ass.

“I am that dirty boy’s dirty whore,” she moaned.

“You are the property of what?” I teased, reaming out her asshole.

“I am the property of his big beautiful cock,” she said.

She came while I reamed out her asshole with one finger. While she recovered, I squeezed a second finger into her ass. She came while I used my fingers to stretch her asshole wider. She came again while I corkscrewed three fingers up her ass. She came hard when I had them all the way in.

“Your fingers up my ass are driving me crazy,” she gasped.

“Do you know whose property your hot ass is?” I teased as I continued to ream out her asshole.

“It’s the property of your big cock too,” she gasped.

“Do you know what it’s going to do to it?” I teased.

“It’s going to fuck it royally,” she gasped, her holes twitching around me.

“Your horny asshole’s practically ready for that, isn’t it?” I said.

“Yes,” she hissed.

“Your slutty ass is the exclusive property of my big cock,” I said.

“Yes,” she hissed.

“Why don’t you bring your drenched pussy to my mouth so I can clean it up while you suck and lube my big cock and I lube your horny asshole?” I said.

“Yes,” she hissed.

She slowly rode, letting my dripping cock plop out of her pussy. She turned around carefully with my fingers up her ass and lowered her pussy to my mouth. As I licked her copious juices off, she sucked my cock deeply, moaning around it. I continued to ream out her asshole. The lube was in arm’s reach. I grabbed it and generously lubed her asshole while her pussy leaked in my mouth. She moaned around my cock.

My three fingers were moving easily in and out of her horny ass. I handed her the lube, and she lubed my cock thoroughly while humping my fingers and moaning, letting my fingers slip out of her ass. She dismounted me and got on her hands and knees.

“Fuck my horny ass, baby,” she said, shaking her ass at me.

“Are you ready to surrender your slutty ass for me?” I teased, returning my fingers to her ass.

“Yes,” she hissed.

“Spread it with your left hand to show me it’s a horny marred ass,” I said, spreading her ass with my right hand.

She reached back with her left hand and spread her ass. I removed my fingers from her ass and touched my cock head to her shiny asshole.

“Please fuck my horny ass with your big cock,” she hissed as I pressed my cock head in.

“I’ll show you that this hot ass belongs to me,” I said.

“Yes,” she hissed as my cock head popped inside her ass.

“So hot and tight,” I said, pausing.

“So big and hard,” she moaned.

“It’s going to stuff your tight ass to the brim,” I said, thrusting gently.

“Yes,” she hissed, thrusting back gently.

We continued to spread her ass as I held her waist with my left hand and pushed my cock firmly into her ass, watching it slowly sink up her stretched asshole. She moaned as she fucked back.

“Does my big cock feel good up your luscious ass?” I asked.

“Yes,” she hissed. “The more you give me, the better it feels.”

“I am going to give it all to you,” I said.

“Yes,” she hissed.

When my cock was most of the way up her ass, I shoved the rest in, making her gasp. She thrust her ass back a few times and stiffened.

“My horny ass is coming on your big cock,” she gasped.

“Who does this slutty ass belong to?” I asked, thrusting in her ass.

“My horny ass is the property of your big cock,” she gasped.

“Just like the rest of you,” I said.

“Yes,” she gasped.

She convulsed, shoving her twitching ass into the base of my cock. I fucked her ass hard until she went limp.

“I am not kidding,” she gasped. “My ass is the property of your incredible cock.”

“My big cock’s going to use what belongs to it like it should,” I said, fucking her ass gently.

“That’s what it’s there for,” she gasped.

“What’s your slutty ass there for, mom?” I teased.

“It’s there to be fucked royally with your big cock,” she gasped.

“That’s right,” I said, picking up the pace.

“Fuck my ass, baby,” she moaned, fucking back.

She soon had a hard orgasm. She went down to her forearms. After her next orgasm, she lowered her head and shoulders to the bed and spread her ass with both hands. I added lube and fucked her ass harder to a harder orgasm. She remained in that position as I made her come several more times.

In the end, she was flat on her stomach. My cock was still up her ass as I fucked it gently.

“Nick, you are incredible,” she gasped. “You are going to make me your dirty whore.”

“You thought I was kidding?” I smiled. “You are going to beg for mercy, and you’ll be my dirty whore forever.”

“I am already your dirty whore,” she gasped.

“I know,” I said as I maneuvered us so the camcorder was behind us. “Spread your slutty ass.”

She spread her ass, and I fucked it harder.

“This amazing ass is mine,” I said.

“Of course, it’s yours, baby,” she gasped.

“You are all mine, mom,” I said as I slipped my hands under her and grabbed her fine tits.

“Yes, baby,” she gasped.

She pushed her ass up, and I fucked it harder.

“You like this?” I said. “You like being my dirty whore?”

“I love it, Nick,” she gasped.

She came several more times, and I was ready to come in her ass.

“I am going to flood your bowels with my hot sticky come,” I said as I pounded her ass hard.

“Yes, Nick, give it to me,” she gasped.

“Come hard for me so your horny ass can swallow my come deep inside it,” I urged.

“I am coming,” she gasped, stiffening.

“So am I,” I said, letting go.

She convulsed underneath me, and I blasted my come up her twitching bowels. I pumped a big come load up her ass, and she came harder than ever. We finally were both limp. I brought my lips to hers, and we kissed lewdly.

“Nick, that was the best fuck of my life,” she gasped, squeezing my cock tightly with her ass.

“You can no longer deny that you are the private property of my big cock,” I said.

“No way, baby,” she gasped.

“Have you completely surrendered to me, mom?” I asked.

“Yes,” she hissed.

“Make me hard again so I can fuck what’s mine,” I said as I rolled off her, popping my sticky cock out of her ass.

“With pleasure, baby,” she gasped.

She lazily mounted me in the sixty-nine position. I pulled her ass down to me as she licked my sticky cock. Her holes were sticky and loose.

“Your fuck holes look so much better when they are happy,” I said.

“They are so happy now thanks to you,” she moaned as I kissed her pussy and asshole gently.

“I am going to make them even happier,” I said.

She took my cock in her mouth and sucked it eagerly while I licked and probed her pussy and asshole. My cock started to grow in her mouth right away, and she sucked it even more hungrily.

“I’ll make sure it can fuck its dirty whore silly,” she said.

“You are a good dirty whore, mom,” I said. “I am proud of you.”

“Thank you, baby,” she said. “I am proud of you too.”

She came in my mouth, and I lubed her asshole. She dismounted me and lay on her back, pulling her legs over her head, her spread ass facing the camcorder. I impaled her ass deeply, pushed her legs down and went to work.

During the next hour, I fucked her ass hard. I fucked her pussy a little and finally pushed my cock in her mouth. She sucked me hungrily.

“I am going to come in your hot mouth,” I said.

“Give it to me, baby,” she said.

She jacked me off hard when my orgasm started. I shot my come against the back of her throat. She swirled my come in her mouth, savoring it, before she swallowed it all. I kissed her deeply.

“You know what to do,” I said, motioning her to my limp cock.

She went to work right away. My cock was hard within several minutes.

She lubed my cock and mounted it in the anal Asian cowgirl position. After about an hour of ass fucking, I was ready to come.

“I am going to come deep in your slutty pussy,” I said.

“Yes, Nick, fill my pussy with your hot come,” she gasped.

We came together, and her twitching pussy drained my balls in her pussy.

“I’ve had enough, Nick,” she gasped when I dismounted her.

“Are you begging for mercy?” I asked.

“Yes,” she hissed.

“My big cock needs to be hard to claim its victory,” I said as I straddled her, bringing my sticky cock to her mouth.

She sucked my cock lazily, and it started to get hard. She sucked it harder, and it was soon rock hard.

“Stay as you are,” I said, hopping off the bed.

---

Mom was on her back as I left the room and went to the living room. It was past midnight, but dad was awake.

“Dad, mom needs you upstairs,” I said.

“What does she want?” he asked uncomfortably.

“You’ll soon find out,” I said.

He got up, and I followed him to the bedroom.

“She’s fucked out,” I said. “She can’t get herself cleaned up before bed. She needs your help.”

“Your horny son made me beg for mercy,” moaned mom. “Eat my well-fucked pussy, honey.”

She spread her legs lewdly.

“Go for it, dad,” I said. “She has luscious orifices.”

He hesitated for several seconds before he took his position and proceeded to lick her slimy pussy gently.

“This should be easy,” I said, straddling mom’s belly. “I just want to fuck your gorgeous tits.”

“You are insatiable,” she said, squeezing her tits around my cock.

“I haven’t fucked them and come all over them,” I said, thrusting in her cleavage. “We can take advantage of dad’s being here so he can clean them up for you.”

“You need a long time to be able to come,” she said.

“Not really,” I said, squeezing lube on my cock.

Mom held her tits for me, and I fucked them briskly. She moaned constantly because of my cock and dad’s tongue. I switched my cock between her tits and mouth several times. She sucked hard whenever I pushed my cock in her mouth. He ate her slimy pussy eagerly, eating out my come. When she was ready to come, I fucked her tits hard. As she came, I came all over her tits. I used my softening cock to rub my come into her tits. She sucked my cock clean before I dismounted her.

“Dad, her lovely tits need cleanup too,” I said.

He climbed up her body and proceeded to lick her tits clean. Meanwhile, I let her suck my soft cock, which hardened in her mouth as he licked up my come off her lovely tits. I started to slap her face with my hard cock.

“You never get enough, do you?” she said.

“Her luscious ass is also slimy,” I said, rolling her over onto her stomach.

Mom nursed my engorged cock head, moaning around it, as dad licked and sucked her sloppy asshole.

When dad was done, I lubed my cock and mounted her. I pushed my cock all the way up her ass while dad watched. She moaned and ground her ass into me.

“Are you not done?” asked dad in surprise.

“We are done,” I said. “My big cock, though, loves her sizzling ass so much it wants to sleep inside it.”

“He’s insatiable,” moaned mom, squeezing my cock with her asshole.

“My big cock wants to enjoy its dirty whore,” I said. “Can you blame it?”

“Of course not,” she said. “I love this.”

Dad shook his head and got off the bed.

“Take the guestroom, honey,” she said.

“Dad, can you please turn off the camcorder?” I said.

“Sure,” he said.

He turned the camcorder off and headed to the door.

“Good night, dad,” I said.

“Good night,” he said.

---

“I am sleeping with my whore while dad’s home,” I said.

“Yes, baby,” she said. “Do you know what that means?”

“What?” I asked.

“You are going to fuck your whore again before leaving the room,” she smiled.

“I am,” I smiled.

We rolled onto our sides, keeping my cock up her ass. I pulled the covers, and we drifted to sleep.

---

When dad came in the morning to get ready for work, I was fucking mom’s ass from behind. He watched for a minute, and mom came hard. I filled her ass with come.

“She loves it just like the other whores,” I said.

“I am sure I love it more,” she gasped.

She turned around, and sucked my sticky cock clean.

“Honey, help me clean up,” she said.

He reluctantly ate my fresh come out of her slimy ass. I was fucking her throat by the time he was done.

---

Mom and I were naked when we had breakfast. Dad was already at work. Alex joined us.

After breakfast, I fucked my mom and sister together, filling Alex’s pussy and ass with come. Mom sucked my come out and shared it with Alex.

In the evening, mom sat in my lap, wearing one of her outrageous dresses without underwear. She was facing dad like the previous evening. I reamed out her asshole without his seeing anything. Alex saw it, and she was surprised.

Dad slept in the master bedroom, and mom slept in my bed, getting fucked.

---

“I want you to fuck me with your aunts over the weekend,” said mom in the morning.

“Invite them to come over,” I said. “Don’t let them know what’s going on.”

“Okay,” she said.

---

“Honey, take Alex to Disney for the weekend,” mom said to dad when he came home.

“What’s the occasion?” he asked.

“I want the house all to Nick and me,” she said.

“Okay,” he said.

---

“I am taking you to Disney for the weekend,” dad said to Alex at dinner. “We are leaving on Friday afternoon.”

“Wow!” said Alex excitedly, looking at me. “We are going to have fun.”

“Just you and me,” said dad.

“What?” she said. “Nick and mom aren’t coming?”

“They have some work to take care of,” he said.

“Why don’t we wait for them and go on another weekend?” she asked.

“We had a special deal,” he said.

“Okay,” she said.

“Have fun for all of us,” I said.

“I will,” she said.

---

After dinner, mom sat in my lap, and I reamed out her asshole as usual. Mom got off my lap, and Alex soon replaced her. She ground her ass into my boner.

“You are being a dirty boy,” whispered Alex.

“What are you talking about?” I teased.

“You are reaming out mom’s asshole right across from our clueless dad,” she whispered.

“Alex, you are too young to understand these things,” I said.

“I am too young to understand that you are getting her horny asshole ready for when she sleeps in your bed and dad sleeps alone?” she teased.

“Yes,” I said, massaging her asshole through her skirt.

---

Alex and dad left the house, and mom knelt down and proceeded to worship my cock.

“Are Nick and mom having sex?” Alex asked dad about half an hour into the drive.

Dad was startled.

“What?” he said. “Why do you say that?”

“Ever since I ran into him carrying her in his arms up the stairs, she’s been sitting in his lap without underwear, and he’s been having a huge boner,” she said.

“Really?” he asked.

“I once asked him about it, and he said I was too young to understand,” she said.

“Oh,” he said.

“Dad, do you know, and you are okay with it, or are you clueless?” she asked.

He was embarrassed. He did not know what to say.

“You know,” she said.

“Yes,” he hissed.

“Are you okay with it?” she asked.

“Yes,” he said lowly.

“She’s such a slut,” she said.

“Alex!” he chided.

“We are leaving them home so they can fuck?” she asked.

“Yes,” he said.

“We are going to Disney, but the lovebirds staying at home will have much more fun,” she said.

“Nothing’s stopping us from having more fun,” he said.

“Dad!” she whined.

“Oh, I didn’t mean that,” he said, blushing.

“That’s the only way we can have more fun,” she smiled.

“You are a bad girl,” he admonished.

“Dad, would it be okay if I let Nick fuck me?” she said. “If he’s good for mom, he’s good for me.”

“Alex, your mom’s older than you,” he said. “She knows what she’s doing.”

“Exactly,” she smiled. “I want to do like her. I am not coming up with something on my own.”

“I don’t think that’s a good idea,” he said.

“I’ll talk to mom and see if she’s okay with having me whore myself to my horny big-cocked brother,” she said.

“Do you have to do that?” he asked.

“Yes,” she said.

---

My aunts arrived about an hour after Alex and dad left. Mom and I were making out on the sofa with her juicy pussy impaled on my hard cock. I had two fingers up her ass, but we were mainly kissing deeply. We were both naked. When we heard the doorbell, mom went up to her bedroom. I turned the camcorder on and went to get the door.

---

Both my aunts were at the door. I let them in and closed the door. They were both dressed sexily, wearing short tight dresses without underwear.

“You are naked,” smiled Aunt Michelle.

“You are sexier than naked,” I smiled, pulling her into me.

We kissed deeply and I squeezed her ass. She squeezed my sticky cock. She took her hand to her nose. She smelled it and tasted it.

“This is pussy juice,” she said.

“It’s imitation pussy juice to attract the sluts like honey attracts bees,” I said.

“Imitation my ass,” she said. “This is the real deal.”

“I am afraid your ass is too hot to be imitated,” I said as I pulled Aunt Leanne to me.

Aunt Leanne kissed me deeply. I felt up her ass, and she stroked my cock. She also smelled and tasted her fingers.

“What do you think?” Aunt Michelle asked Aunt Leanne.

“This is premium pussy juices,” said Aunt Leanne. “It’s more genuine than my own pussy juice.”

“Nick, is this imported?” asked Aunt Michelle as I fondled her tits and ass.

“Imported?” I said. “Are you crazy? Nothing even comes close to original California fresh pussy juices.”

“Where is your California slut?” asked Aunt Leanne.

“You may meet her tomorrow if you are good girls,” I said.

“We just missed her?” she asked.

“You can say that,” I said as I collected Aunt Leanne’s dress around her waist, exposing her tits, ass and pussy.

“More importantly, where are your mom and sister?” asked Aunt Michelle as I worked on her dress.

“Don’t worry about them,” I said, leading them to the living room. “They won’t bother us.”

“That’s why you are naked and free,” she said. “You have the house to yourself.”

“You now have my big cock to yourselves,” I said as I sat on the sofa. “Do something with it.”

“Of course,” smiled Aunt Leanne as she dropped to her knees before me.

Aunt Michelle knelt down, and the two sisters proceeded to lick mom’s pussy juices off my sticky cock.

“Aren’t you surprised that Nick’s cock smells and tastes of pussy?” asked Aunt Leanne.

“Why should I be surprised?” said Aunt Michelle. “He’s a stud, not a virgin.”

“His cock tastes of pussy, not ass,” said Aunt Leanne.

“Yes, you are right,” said Aunt Michelle, looking at me. “What’s with that?”

“My big cock wanted to wait for your luscious asses,” I said.

“Good cock,” said Aunt Leanne.

Aunt Leanne kissed my cock a few times. Aunt Michelle did the same.

“Suck my big cock, you hot cocksuckers,” I said. “Take off your dresses while you do that.”

They were soon naked, worshiping and deep throating my cock happily.

Aunt Michelle climbed astride me, and Aunt Leanne helped her impale her pussy on my cock. Aunt Michelle soon had two fingers up her ass while she bounced on my cock. I sucked her nipples too. She soon came, and her sister took her place. Aunt Leanne dismounted me after she came on my cock.

They both got on their knees on the sofa.

“Fuck our asses,” said Aunt Leanne.

With a little lube on Aunt Michelle’s ass, my cock slid all the way in, making her moan. I held her hips and proceeded to fuck her ass at an easy pace. I soon picked up the pace and fucked her ass hard to orgasm. I treated Aunt Leanne to a similar ass fuck and orgasm.

---

Mom came into the living room while I fucked Aunt Michelle’s ass from behind. My aunts were too busy to notice her. She watched silently for a couple of minutes.

“I am glad that you liked the taste of my pussy,” said mom.

“Amy?” said both my aunts, looking at mom.

“Was that your pussy juice?” asked Aunt Leanne.

“You’ll soon taste it from the source,” said mom as she knelt between her sisters.

“Your stud son couldn’t spare you, could he?” smiled Aunt Michelle.

“I couldn’t spare him,” smiled mom. “He’s too good.”

“You got that right,” said Aunt Michelle.

“I had Dan take Alex to Disney for the weekend,” said mom. “We’ll enjoy more thrilling rides right here.”

“Amy, you are my favorite sister,” smiled Aunt Michelle.

“You are my favorite sister too,” said Aunt Leanne.

“You are my favorite slut sisters,” said mom. “This is going to be the hottest weekend of our lives.”

“You bet,” said Aunt Michelle.

“I’ll later tell you what my perverse son has been up to recently,” said mom.

“He’s been up to no good?” asked Aunt Leanne.

“He’s been up to so much good,” said mom.

“Mom, you’ve been up to even more good,” I said.

“Thank you, darling,” she smiled.

Aunt Michelle came, and I lubed mom’s asshole and fucked it to orgasm. I then fucked Aunt Leanne’s ass. I made rounds like that, changing asses and making them come one after another.

“This is a wonderful weekend,” smiled Aunt Michelle as I fucked mom’s ass briskly.

“It has hardly started either,” smiled mom.

“I am the luckiest man in the world,” I said.

“We are the luckiest slut sisters in the universe,” said Aunt Leanne.

“That’s right,” said Aunt Michelle.

Mom soon came.

“Taste this luscious ass,” I said as I thrust my cock in Aunt Michelle’s face.

Aunt Michelle swallowed my cock eagerly and sucked it deeply, moaning around it.

“You have a delicious ass, Amy,” smiled Aunt Michelle.

“I am sure you do too,” said mom.

Mom tasted Aunt Leanne’s ass on my cock after Aunt Leanne came. I occasionally fucked their pussies, making sure they tasted one another’s pussies and asses on my cock.

---

“I am going to come, you hot sluts,” I announced fucking Aunt Michelle’s ass hard. “Get on your knees and prepare your pretty faces to be blasted.”

Aunt Michelle came and hurriedly joined her sisters on the floor. I soon splattered their faces with come.

“Lick one another clean,” I said.

They obliged me lewdly. I kissed each one of them deeply when they were done. I kept them on their knees and offered them my soft cock. They soon had it hard.

Before we called it a night, I came in every pussy and asshole. I had each feed her slimy pussy to a sister and feed her gooey ass to the other sister, making sure each ate come out of the others.

We slept in the master bedroom, the bed packed. I slept between my aunts.

---

After the morning session, mom and her sisters went shopping their asses full of come. I took the chance to get Beth in. She came over happily.

“You are naked,” smiled Beth as I let her in and proceeded to take off her clothes.

“So are you,” I said, tossing her top and skirt aside.

“I guess we can fuck in the living room,” she said as I pulled her to me.

We kissed passionately, and I felt up her ass and sucked her nipples.

A minute later, she was on her knees as I sat back on the sofa and watched her worship my cock happily.

“Take your time, my slut,” I said. “My big cock has missed all his dirty whore’s holes.”

“They missed it too,” she said.

She sucked my cock for over half an hour. I then pulled her astride me.

“Suck it with your little pussy,” I said.

“My little pussy’s so hungry for your big cock,” she said.

She inserted my cock in her pussy and lowered herself on it moaning.

“Fuck your dirty whore,” she smiled, riding my cock.

“My dirty whore’s a big girl,” I teased, grabbing her ass. “She can get herself fucked on her own.”

“Not without the big cock she belongs to,” she said.

“Of course not,” I said.

She soon came. I let her come a few more times with two of my fingers up her ass.

“Why don’t you sit back and let me eat out your luscious orifices?” I said after giving her a deep kiss.

“I think I’d enjoy that,” she gasped.

She dismounted me and sucked my cock clean before she sat back on the sofa. I knelt down and pushed her legs over her head. She spread her hot ass for me. I started with her drenched pussy. I licked it clean and made her come in my mouth. I then went after her sweet asshole. I sucked it and probed it for a long time, making her squirm and leak. I finally let her come, enjoying the way her asshole twitched around my tongue tip.

While she recovered, I followed the stream of her juices to her pussy and licked it clean. I returned to her asshole and tortured it with my tongue to another orgasm. I lubed her asshole while I slurped her copious juices off her pussy.

Pushing her knees down, I touched my cock head to her horny asshole. She guided my cock in, and I popped it in. I proceeded to fuck her ass at an easy pace. We had a good time, and the pace accelerated until I pounded her ass into a wild orgasm. I repeated that a few more times.

Her pussy was drenched. I put her juices to good use, stuffing her pussy with my cock. I fucked her through a few orgasms, and I was ready to come.

“You want me to fill your horny little pussy with come?” I said, pounding her pussy.

“Yes,” she gasped.

She came, and I let her spasms drain my balls in the depths of her twitching pussy. When we both relaxed, I climbed astride her and let her suck my cock clean. I smiled at her as I guided her hand to her pussy. She smiled at me as she took out the first scoop of come on her fingers. She sucked it eagerly, and did that several times.

---

The three sisters came home in the early afternoon. Beth was in my lap as we kissed deeply. Her ass was impaled deeply on my cock. I thrust gently in her ass while our tongues played together. She moaned happily into my mouth.

“Nick, who’s that beautiful girl in your lap?” asked Aunt Michelle, startling us.

Beth stiffened for a second. She soon found out that we had no room for modesty. She looked right at my aunt.

“Hi,” greeted Beth, smiling. “I am Nick’s dirty little whore. I also happen to be his girlfriend, Beth.”

“Nick, why didn’t you tell us that you had such a gorgeous girlfriend?” asked Aunt Leanne.

“I didn’t want you to get jealous,” I teased. “I actually tried to hide her from mom.”

“Don’t be silly, Nick,” said Beth. “I think you were afraid I’d get jealous of them.”

The fact that Beth and I were naked and that my cock was balls deep up her ass was irrelevant to anything.

“Beth, these two hot women are Aunt Michelle and Aunt Leanne, my hot mom’s sisters,” I said.

“Nice to meet you, ladies,” said Beth.

“Nice to meet you, Beth,” said Aunt Michelle and Aunt Leanne.

My aunts hugged Beth gently and kissed her cheek.

“Do you want us to leave you alone, do you want to tease us, or do you want us to join you?” asked Aunt Michelle.

“I don’t know about Beth, but, given how hot you are, I sure want you to join us,” I said.

“Can your haughty boyfriend handle four horny women, or are you not horny anymore?” Aunt Leanne asked Beth.

“That depends on how horny you are,” said Beth. “I am still horny though.”

“I guess we are as horny as you are,” said Aunt Leanne. “You think he can handle us?”

“I don’t see why not,” said Beth.

“Beth, may I taste your hot ass on his fat cock?” asked Aunt Leanne, startling Beth.

Beth recovered quickly.

“By all means,” said Beth.

“I was thinking orally only at least for now,” smiled Aunt Leanne.

“Go ahead,” said Beth.

Aunt Leanne knelt down and held the base of my cock. Beth raised her ass, letting my cock pop out of her ass and into my aunt’s mouth. Beth twisted to the right and looked back to watch my aunt deep throat my cock eagerly.

“Your sweet ass tastes good on my nephew’s big juicy cock,” said Aunt Leanne. “Thank you for the taste.”

“Sure,” said Beth.

“Would you mind if my sisters tasted it?” said Aunt Leanne.

“Not at all,” said Beth.

“You may want to refresh the taste,” said Aunt Leanne, holding my cock up for Beth.

Beth lowered her ass onto my cock moaning. She bounced on my cock for a minute. By then, Aunt Michelle had taken her position behind Beth. My aunt popped my cock out of Beth’s ass and into her mouth. Beth watched her deep throat it happily.

“It tastes great,” said Aunt Michelle. “This beautiful ass belongs with this beautiful cock.”

“Not only does this hot ass belong to my big cock, but it also belongs to it,” I said as my cock entered Beth’s ass.

“I belong to this gorgeous cock,” said Beth, bouncing on my cock as mom knelt behind her.

My cock popped into mom’s mouth, and mom deep throat it hungrily.

“Can I taste your cute asshole directly?” said mom, stroking my cock, when she was done with it.

“Sure,” said Beth.

Beth gasped and moaned as mom licked and probed her asshole.

“We all need to taste your delicious asshole,” said Aunt Michelle kneeling down.

“I have no problem with that,” said Beth.

“She actually has no say in it,” I said as Aunt Leanne knelt down. “Her little ass is the property of my big cock.”

“Yes,” hissed Beth.

Aunt Michelle and then Aunt Leanne made out with Beth’s asshole a little. My cock returned to Beth’s ass.

“Do you want to taste their asses on my big cock and directly?” I asked Beth as she bounced on my cock.

“Really?” said Beth in surprise. “I can taste your mom’s and aunts’ asses on your big cock?”

“If you want to,” I said. “My big cock’s a serious ass collector. Their asses belong to it too. Isn’t that right, ladies?”

“Yes,” said my mom and aunts.

“Aren’t you proud of the big cock you belong to?” I said.

“Oh, yes,” said Beth.

“You want to taste its other cock-hungry asses?” I asked.

“Absolutely,” said Beth, dismounting my cock.

“Lose your clothes, and kneel on the sofa,” I said, getting up. “Everybody’s going to taste everybody else’s holes.”

“This is so crazy,” said Beth as my mom and aunts pulled their dresses off.

“Are you excited about it?” I asked.

“Oh, yes,” said Beth as she knelt on the right end of the sofa.

Mom knelt next to Beth, and Aunt Michelle took the left end. I lubed my cock and stood behind Aunt Michelle.

“Did you enjoy shopping with your slutty asses full of my come?” I asked as I fucked Aunt Michelle’s ass gently.

“Yes,” hissed Aunt Michelle.

“It was fun,” said Aunt Leanne.

“We can get used to that,” said mom.

“I should limit my girlfriend’s interaction with you lest you corrupt her,” I said.

“I believe you,” teased Aunt Leanne. “I am sure you’ve already corrupted her beyond repair. She didn’t blink when you had your mom and aunts taste her luscious asshole on your big cock.”

“That was because she knew she had a delicious asshole,” I said.

“Not really,” said Beth. “That was because I was and I still am a dirty whore.”

“You are all alike,” I said. “It isn’t common that three married sisters go to the mall with their well-fucked asses full of the come of the horny son of one of them.”

“The best thing any slut can ever do is send her husband and daughter to Disney so she and her sisters can whore their married asses to her insatiable stud son,” said Aunt Michelle.

“Is your dad and sister in Disney?” Beth asked me.

“You know how everybody has their own favorite rides,” I said.

“This is unbelievable,” laughed Beth.

“When are you going home, girlfriend?” I said.

“I am not going home,” she smiled. “I won’t miss this incredible orgy. I am leaving when your aunts are.”

“Aunt Leanne was right,” I said. “I must have corrupted you.”

“Oh, yeah?” she said. “I bet a nun wouldn’t miss this.”

“I bet Nick now wishes he went to Disney with his dad and sister,” teased Aunt Leanne.

“No way,” I said. “For one thing, I don’t have to stand in lines for my favorite rides.”

“We should scream when we come,” she said.

“I am going to do that very soon,” gasped Aunt Michelle.

“This is the ultimate Disneyland,” I said, pounding her ass hard.

Aunt Michelle squealed and screamed during her gut-wrenching anal orgasm.

Each one of them got a chance to screech and shriek while she had a wild anal orgasm on my cock.

---

Mom called Alex while I fucked her ass briskly.

“Hi, mom,” answered Alex.

“Hi, sweetie,” gasped mom. “Are you having fun?”

“Not as much as you are,” said Alex.

“You think your mom’s having more fun staying all alone at home?” gasped mom.

“Is that why you are gasping?” asked Alex.

“Yes,” said mom.

“I am not having enough fun here to gasp,” said Alex.

“You think Disney’s boring compared with staying home?” asked mom.

“Yes,” said Alex.

“Next time, we may send your dad alone to Disney, and the rest of us stay home, having more fun,” gasped mom.

“That’s a good idea,” said Alex.

“Meanwhile, have as much fun as you can, and your brother and I will do the same,” said mom.

“Sure,” said Alex. “Thanks for calling. Say hi to Nick and to his big cock. I missed both of them.”

“Bye, sweetie,” gasped mom, moving the phone away from her mouth. “I am going to come.”

“Bye, mom,” said Alex.

Mom hung up while she convulsed in orgasm. I fucked mom’s ass hard until she went limp.

“She finds Disney boring compared with staying home,” gasped mom.

“What does she do at home?” asked Aunt Leanne.

“She has more fun,” gasped mom. “By the way, Nick, she misses you both and says hi to both of you.”

“Both of who?” asked Aunt Leanne.

“Both of Nick and his big cock,” gasped mom.

“Does she know Nick’s big cock?” asked Aunt Leanne.

“Of course,” I said. “She’s also the property of my big cock.”

“Oh, that’s why she’s bored to tears in Disney,” said Aunt Leanne.

“Why did you send her to Disney?” asked Aunt Michelle. “Can’t Nick handle her too?”

“Of course, he can, but I didn’t want to spring that surprise on you in addition to joining you myself,” said mom.

“Maybe Dan isn’t much into Disney, but next time, you can send him fishing or something,” said Aunt Michelle.

“Fuck my ass hard, Nick,” said mom. “I am going to call your dad.”

“You got it, mom,” I said, picking up the pace.

As I fucked mom’s ass briskly, she called dad.

“Hi, Amy,” greeted dad.

“Hi, honey,” gasped mom. “How is Disney treating you?”

“It’s okay,” he said.

“Are you having fun?” she gasped.

“Yes, a little,” he said. “What about you?”

“I am having a lot of fun,” she gasped. “Nick has been very nice to me.”

“Say hi to him, mom,” I said.

“He says hi to you,” she gasped.

“Say hi to him,” he said.

“Your dad says hi,” she gasped.

“You are having sex right now?” he asked.

“He’s giving me a nice deep massage,” she said. “He’s giving it his all. That’s why I am out of breath.”

“I see,” he said.

“It’s getting too hard to hold conversation,” she gasped. “I have to go. Have fun, and take care. I love you.”

“You too,” he said. “I love you too. Bye, Amy.”

“I am coming,” gasped mom as she hung up.

“You’ve been a bad girl, mom,” I said, pounding her convulsing ass hard. “I have to make you come hard.”

“Yes, baby, do that,” she gasped.

When her orgasm subsided, I slowed down.

---

“Beth, you are next,” I said. “You want to tell your mom that you are spending the weekend here.”

“If I did that while you fucked me, she’d know,” said Beth.

“Just tell her that I am giving you a deep anal massage with my big fat cock,” I said.

“If I did that, she’d give me a deep ass massage with her feet while wearing steel-toe boots,” she said.

“She can’t,” I said. “Did you forget that you are my big cock’s private property?” I said. “Just tell her that.”

“That’s a good idea,” she said.

“Suck it,” I said, popping my cock out of mom’s ass.

Beth deep throat my cock for a few minutes before she returned to her knees on the sofa, holding her phone.

“You are a wicked fucker,” said Beth as I impaled her ass with my cock. “I hope mom won’t kick my ass.”

“Your mom or not, if she as much as says a word against your magnificent ass, I’ll spank hers,” I said.

“She’d kick your ass too,” she said.

“Your mom can’t kick my ass or any ass that belongs to my big cock, and she knows it,” I said. “Don’t worry.”

“Let’s see,” she gasped as I fucked her ass vigorously.

Beth called her mom.

“Hi, Beth,” greeted her mom.

“Hi, mom,” gasped Beth.

“Why are you out of breath?” asked her mom.

“Nick’s amazing,” gasped Beth. “I am going to explode.”

“What?” asked her mom.

“I am going to explode in a huge orgasm,” gasped Beth, stiffening. “Oh, yes. Oh! Uh! Ooh! Oh, baby!”

“What are you doing?” asked her mom.

Beth continued to gasp and convulse wildly. I fucked her twitching ass even harder. When her orgasm subsided, I slowed down, but I continued to fuck her ass.

“Are you having sex while talking to me?” asked her mom.

“Mom, we are having a girl’s only weekend,” gasped Beth. “Nick’s dad took Alex to Disney.”

“You are staying with his mom?” asked her mom.

“Her sisters are here too,” gasped Beth. “It’s us, four girls.”

“Where is Nick?” asked her mom.

“He’s here,” gasped Beth. “We need a guy to take care of us.”

“Were you having sex with him a minute ago?” asked her mom.

“Is that what you thought?” asked Beth.

“What was it then?” asked her mom.

“Did you think Nick would have sex with me in front of his mom and aunts?” asked Beth.

“His mom and aunts are with you?” asked her mom.

“Yes,” said Beth. “They say hi to you.”

“Hi to them,” said her mom.

“Nick’s mounting a new attack on me,” gasped Beth as I fucked her ass hard. “I have to go.”

“Okay,” said her mom.

“I’ll see you on Monday,” gasped Beth. “He’s going to make me come. Bye, mom.”

“Bye,” said her mom.

Beth hung up and came a minute later.

“I don’t know how she took it,” she gasped as I pounded her offered ass.

Beth’s orgasm subsided, and I pulled out of her ass.

---

When I went around the sofa and pushed my sticky cock in Aunt Michelle’s face, she knew she was next.

“Lee, hand me my phone,” said Aunt Michelle.

Aunt Michelle deep throated my cock eagerly for a few minutes. I then stood behind her. I lubed her asshole and skewered it with my cock. I held her hips and proceeded to fuck her ass.

She called her husband when I started to fuck her ass at a brisk pace.

“Hi, Michelle,” answered Uncle Fred.

“Hi, honey,” gasped Aunt Michelle. “I am having a wonderful time here.”

“What are you doing?” he asked.

“You wouldn’t believe me if I told you I am getting fucked up the ass and it feels so incredibly good,” she gasped.

“Are you in a teasing mood?” he asked.

“My horny sisters and I decided to get fucked when Dan and Alex went to Disney, leaving us alone with Nick,” she gasped. “We thought Nick would love having three horny married women willing to do his bidding on his hands.”

“Your sisters and you decided to seduce Nick?” he asked.

“It wasn’t that easy,” said Aunt Leanne, taking the phone from Aunt Michelle.

“How’s that?” he asked. “Is that Lee?”

“Yes,” said Aunt Leanne. “Nick turned out to have a gorgeous girlfriend that claimed to be the private property of his big cock. Have you ever had a girlfriend claim she was the private property of your cock?”

“Not even in my dreams,” he said.

“That slut was even proud of it,” she said.

“Your wife and her slut little sister started to fantasize about my stud son when they found out he had a big cock,” said mom, taking the phone from Aunt Leanne.

“Amy, you are with them?” he asked.

“You thought I’d leave my son to the wolves?” said mom.

“It isn’t that bad, sir,” said Beth, taking the phone from mom. “My boyfriend can handle the married sluts.”

“Are you Nick’s girlfriend?” he asked.

“I am his gorgeous girlfriend,” said Beth. “I am the private property of his big cock because it deserves it.”

“I don’t know you, and I’ve never seen you, but he must be a lucky guy to have you,” he said.

“I think I am a lucky bitch to have him,” she said. “He knows how to use that big fat cock of his. Your wife and her sisters envy me.”

“They envy you, and I envy him,” he said.

“Uncle Fred, they are just being nice,” I said, taking the phone.

“Nick?” he said. “You are with them?”

“Don’t you think four horny women need a man so they won’t go out and pick up bad guys?” I said.

“I think you are right,” he said.

“Aunt Mish has a great ass,” I said as I used my free hand to spread Aunt Michelle’s ass while I fucked it briskly. “If you want me to fuck it royally, I’d love to do that for you. My big cock would enjoy making her its property too.”

“I can’t believe we are talking like this, but so what?” he said. “Your aunt won’t let you fuck her in the ass though.”

“He says you won’t let me fuck you in the ass?” I said.

“I wouldn’t let anybody else fuck me in the ass, but Nick has an amazing cock,” gasped Aunt Michelle, taking the phone. “It’s an honor for any woman to be the private property of his gorgeous cock.”

“Did you hear that?” said mom, taking the phone. “My horny sisters are shameless about their lust for my stud son. I am dripping too. My baby has an incredible cock, and he knows how to use it.”

“What do you think, Uncle Fred?” I said, taking the phone. “Do you want me to fuck your slut wife in the ass?”

“Do you think you can do that?” he said.

“It doesn’t matter what I think,” I said. “Everybody else thinks I can.”

“Honey, ask him to fuck me in the ass,” gasped Aunt Michelle into the phone. “I am sure he’d do it if you did.”

“Do you want me to do it and put her luscious ass to good use?” I said, putting the phone on speaker.

“Sure, do it,” he said.

“Honey, you need to ask him nicely,” gasped Aunt Michelle. “I don’t think his lovely girlfriend would like it if you were indifferent about having her boyfriend fuck his slut aunt’s ass.”

“Nick, please fuck your aunt Michelle’s ass,” he said.

“Honey, do you know how I’d come if he fucked me in the ass?” she gasped as I drilled her ass vigorously.

“Not really,” he said.

“Like this,” she gasped. “It’s going to feel incredible. I can feel the tide come and take me.”

Aunt Michelle convulsed, gasping for air, and I fucked her twitching ass hard until she went limp.

“Uncle Fred, do you think that’s worth it?” I asked, thrusting gently in my aunt’s ass.

“Definitely,” he said.

“Your slut wife’s ass is in good hands,” I said. “Don’t worry about it.”

“It will never be tight again,” said Aunt Leanne. “He’s going to fuck it open.”

“Isn’t that the point, Uncle Fred?” I asked.

“Sure,” he said.

“Take care, honey,” gasped Aunt Michelle. “Tell the kids I love them while I whore my ass to their cousin. I love you. Bye for now.”

“I love you too,” he said. “Have fun. Bye.”

“That was crazy,” she gasped, hanging up.

“I need to be a good nephew and do like my uncle asked me to do,” I said.

“I am sure you’ll do much better than that,” she said.

---

Aunt Leanne took her phone before she knelt down to suck my cock. She deep throat it for a few minutes.

She called her husband while I fucked her ass briskly.

“Hi, Lee,” greeted Uncle Ken.

“Hi, Ken,” gasped Aunt Leanne. “How are you?”

“I am good,” he said. “Why are you short of breath?”

“I have a confession to make,” she gasped. “My sisters talked me into letting Nick fuck me in the ass.”

“She’s lying,” said Aunt Michelle, taking the phone. “I’d never talk my sister into letting my favorite nephew fuck her in the ass. I’d keep him to myself.”

“Michelle?” he said.

“Yes,” she said. “Your slut wife’s accusing Amy and me of talking her into letting Nick fuck her ass. She’s too embarrassed to admit that she wanted his gorgeous cock the moment she saw it. I am not too shy to admit that I did.”

“Ken,” said mom, taking the phone.

“Amy?” he said.

“Yes,” she said. “My son has a breathtaking cock. That’s why your slut wife’s out of breath. He has a gorgeous girlfriend though. My slut sisters wanted his cock, but how could they seduce him when he had that lovely girlfriend?”

“How?” he asked.

“They obviously had to do his bidding,” she said. “They couldn’t deny him anything. They found out that he was an ass connoisseur and decided to lure him with their virgin asses. He has a soft spot for hot virgin asses.”

“Is that right?” he said.

“I wasn’t about to let them get away with that,” she said. “If my stud son’s big cock was up for grabs, I sure wanted in on that action. I also had a virgin ass. Why not use it to my advantage?”

“What happened then?” he asked.

“We had to deal with his girlfriend,” she said.

“Why did you have to deal with her?” he asked. “You could do it behind her back.”

“Nick wouldn’t fuck a bunch of married sluts behind her back even though he deflowered their asses,” she said.

“Oh!” he said. “What did you do?”

“Nothing much,” she said. “His girlfriend turned out to be an incredible girl. She didn’t mind.”

“That’s hard to believe,” he said.

“She said she was the private property of his big cock,” she said. “When a girl’s the property of a cock, she can have no say in what that cock does, right?”

“Right, but I can’t believe that a girl would say or do that,” he said.

“You don’t believe that Nick’s gorgeous girlfriend’s the private property of his big cock?” she asked.

“That’s right,” he said. “I seriously doubt that.”

Mom handed the phone to Beth.

“Sir, you’d be very mistaken if you doubted me,” said Beth.

“Are you Nick’s girlfriend?” he asked.

“Yes, I am Nick’s gorgeous girlfriend,” she said. “I am the private property of his big wonderful cock. He can suck and fuck any slut he wants any way he wants whether she’s your wife or not.”

“Wow!” he said. “I’ve never had a girlfriend say that about me even in my dreams.”

“Sir, if your cock were worthy of that, your slut wife wouldn’t be all over my boyfriend’s amazing cock,” she said.

“Touché,” he said.

Beth handed me the phone.

“Uncle Ken, do you want me to fuck my sexy aunt in the ass?” I asked as I put the phone on speaker.

“This is the craziest thing I’ve ever come across,” he said. “You guys are incredible.”

“Thank you,” I said. “Was that a yes though?”

“If everybody’s okay with it, go for it,” he said.

“I don’t know who you mean by everybody, but this is only my aunt’s and my business,” I said. “If we both want to do it, we’ll do it. My girlfriend graciously wanted me to fuck my aunt’s hot tight ass. Do you also want me to?”

“Sure, but I don’t think she’d let you do that,” he said.

“Don’t worry about that,” I said. “If I wanted to fuck her ears, she’d let me.”

“Okay,” he said. “Go for it.”

“Honey, you need to ask him nicely to fuck me in the ass,” gasped Aunt Leanne. “Show him that you care about me. If you don’t, he’ll do to me whatever he wants without ever checking with you.”

“Please fuck Lee’s hot ass,” he said.

“I am coming,” gasped Aunt Leanne.

“My horny aunt’s crazy,” I said, pounding my aunt’s convulsing ass hard. “She wants it so bad she’s coming.”

“Is she really coming?” he asked as he listened to his wife gasp and groan in ecstasy.

“You are your husband,” I said. “You are supposed to know if she’s faking.”

“That sounds real,” he said.

“Let’s hope she hasn’t been faking all her life and you now have no clue,” I teased.

“You think so?” he said.

“You can never tell, right?” I said.

“I guess you are right,” he said.

“I assure you though that, if I find out that she faked this one, I’ll never fuck her,” I said.

“Okay,” he said.

“Thanks, honey,” gasped Aunt Leanne. “I love you. Good night.”

“I love you too,” he said. “Good night.”

---

We had dinner after I came in Beth’s ass. Mom and her sisters sucked my come out and shared it with her.

Our night did not end until I came in my mom’s and aunts’ asses and Beth sucked my come out and shared it with all of them.

The bed did not fit, so we laid two mattresses on the floor. Mom and Aunt Michelle took one mattress with mom on the side close to the other mattress. Beth and Aunt Leanne took the other mattress with Beth on the inner side. I switched between the two mattresses, sometimes, snuggling into my girlfriend and, other times, into my mom.

---

Sunday was an orgy day. I shot my first two come loads on their faces. During the day and night, I came in every pussy and ass. We naturally took breaks, but we fucked for a total of over twelve hours. They were completely fucked out by the time we called it a night.

The sleeping arrangements were like the previous night. The difference was that we all slept like logs.

---

My aunts left in the morning after breakfast with their well-fucked asses full of my come. I fucked mom and Beth after that. I came in mom’s ass before I took Beth home.

---

Beth was naked, but I was dressed. My hard cock and balls stuck out of my shorts. Beth was riding me in the anal reverse Asian cowgirl position. I spread her ass and paced her, smiling at her. I was sitting on the sofa in her living room. That was when her mom stumbled upon us.

Beth’s mom was shocked speechless. If Beth heard her sharp gasp, she did not let on. Beth and I kept doing what we had been doing without missing a beat.

“Beth, are you having sex in the living room?” asked Victoria lowly.

Beth continued to ride my cock at an easy pace with long strokes. She did not answer her mom.

“Beth, are you having sex?” asked Victoria more loudly.

“Good morning, Mrs. Conkley,” I greeted with a smile.

“Good morning, Nick,” she answered nervously. “What are you doing?”

“Mrs. Conkley, please pardon me,” I said. “I am a guy. A guy does whatever a gorgeous girl asks him to do.”

“She asks you to do this?” she said. “That’s outrageous.”

“She’s a gorgeous girl,” I said. “Any guy would do her bidding.”

“I can’t believe this,” she said.

“This feels so incredibly good too,” I said. “Please don’t blame me.”

“I am not blaming you,” she said.

My cock twitched in Beth’s asshole when her mom said that.

“You are a wonderful woman, Mrs. Conkley,” I said. “Please sit here next to me.”

Victoria came to the sofa and sat to my right where I patted the seat. I wrapped my right arm around her.

“She’s a beautiful girl, isn’t she?” I said.

Beth looked at her mom and smiled sweetly while she continued to ride my cock with her ass at an easy pace.

“Yes,” said Victoria.

“How can a guy say no to her?” I said.

“I am not blaming you,” she said.

“Do you know why you are not blaming me?” I said.

“Because it wasn’t your fault,” she said.

“No,” I said. “It’s because you are a beautiful woman. You are a beautiful woman with a beautiful heart.”

“Thank you, Nick,” she smiled.

“Are you mad at your beautiful daughter?” I asked.

“Yes,” she said lowly.

“I don’t want you to be mad at her,” I said. “It’s wrong for a beautiful woman to be mad at another beautiful woman, especially when I love both beautiful women.”

“Can’t you see what she’s doing?” she said.

“I can see it, and I can feel it,” I said. “It’s beautiful. She’s making love to her boyfriend’s big fat cock.”

“She can’t do that in the living room,” she said.

“Can I call you Victoria?” I said.

“Sure,” she said.

“Victoria, have you seen my big fat cock?” I asked, startling her.

“No,” she said.

“Why don’t you take a look at it?” I said. “You are trying to judge your beautiful daughter. You have to know all the facts. I don’t think she’d do this for just any cock. Why don’t you find out if she had an excuse to do this?”

“I can’t look at your…cock,” she said.

“You are a beautiful woman, Victoria,” I said. “Beautiful women can look at big cocks. Go ahead. Don’t be shy.”

She reluctantly bent over and looked at my cock as her daughter’s asshole slid up and down its hard shaft.

“What do you think about my cock?” I asked.

“It’s big and beautiful, but it’s in her butt,” she said.

“Victoria, your beautiful daughter has one of the hottest asses I’ve ever seen,” I said. “I’d let a gorgeous girl get away with almost anything, but I wouldn’t let her take my big cock up her tight ass unless it’s hot. That’s dirty, right?”

“Yes,” she said.

“On the other hand, it’s okay for a tight beautiful ass to take a big beautiful cock all the way in, right?” I said.

“Doesn’t that hurt?” she asked.

“Do you think she’s in pain?” I asked.

“No,” she said.

“Victoria, your beautiful daughter has a very horny ass,” I said. “She loves having me fuck her hot ass with my big cock. I am a nice guy. When my beautiful girlfriend needs me to fuck her gorgeous ass, do you think I’d say no?”

“No,” she said.

“Can you blame me for fucking her sweet ass with my big cock?” I asked.

“No,” she said.

“Take another look, but, this time, pay attention to her cute asshole as it slides up and down my big cock,” I said.

She bent over and watched her daughter get her ass fucked.

“Isn’t her asshole beautiful as it hungrily swallows the big fat cock it’s in love with?” I asked.

“Yes,” she said lowly.

“Can you blame your beautiful daughter for having me fuck her horny ass with my big powerful cock?” I asked.

“No,” she said.

“Are you still mad at her?” I asked as I placed my hand on the side of her ass.

“No,” she said.

Beth smiled.

“Your beautiful daughter may be a bad girl,” I said, gently stroking the side of Victoria’s ass. “If you were made at her, you’d be a bad girl too. Do you know what I’d have to do if you were both bad girls?”

“What?” asked Victoria.

“I’d have both of you kneel on the floor and bend over the sofa,” I said, moving my hand to the center of her ass cheek while I stroked gently. “I’d have to spank both bare beautiful asses. Would you want that?”

“No,” she said.

“I am a nice guy,” I said. “If I decided that your beautiful daughter and her beautiful mom were bad girls and deserved to have me spank their bare beautiful asses. Would you let me spank you, or would you be a haughty bitch?”

“I’d let you spank me,” she said lowly.

Beth was surprised, but she smiled.

“Thankfully, that doesn’t have to happen, right?” I said.

“Yes,” hissed Victoria.

“We both love your daughter, right?” I asked.

“Yes,” she said.

“One of us may love her more than the other,” I said.

“I am her mom,” she said. “I love her more than anybody else ever can.”

When she turned to me, I leaned toward her and sucked her upper lip into my mouth. She was startled, but she could not pull back. She kissed me for several seconds.

“Nick, we can’t do that,” she said. “I am a married woman.”

“There is a misunderstanding,” I said. “We are not making out. I am just trying to show you how much I love your daughter. You need to kiss back to show me how much you love her. The winner is the one who loves her most.”

“Are you serious?” she asked.

“Sure,” I said. “Give it a try. Don’t hold back. I won’t.”

Our lips met, and she was gentle in the beginning. I picked up the pace, and she matched me. I moved my hand to her ass crack, making her tremble and gasp into my mouth. That drove her crazy though. She kissed feverishly. We both went all out.

Beth watched with amusement as her mom and I tried to swallow each other’s mouth to prove our love for her.

Victoria was gasping when we broke the kiss.

“That was the warm-up,” I said. “Let’s get it on. Beth will judge. If you break the kiss, you lose the round.”

Victoria’s and my lips met, and we kissed feverishly from the start. I rubbed her asshole through her clothes, driving her crazy. She ground her ass into my hand. Our session lasted for a few minutes, and Victoria broke the kiss.

“Mom, you broke the kiss,” whined Beth. “You lost this round.”

“I’ll do better next round,” said Victoria.

Victoria did better mainly because I rubbed her asshole and pussy from behind. She tried to devour my mouth. We lasted longer, but she broke the kiss again.

“You did better, but it wasn’t good enough,” said Beth. “You lost again. Try to do better.”

Victoria and I were back kissing feverishly. She did better than both rounds, but she lost.

“Mom, I am sorry, but he won,” said Beth.

“Victoria, you say you love her more than I do, but you wouldn’t kiss for her longer than I would,” I said. “We were not trying to sacrifice our lives or anything. It was just a kiss, and you didn’t outlast me.”

“You are a better kisser than I am,” said Victoria.

“I don’t know about that,” I said. “That wasn’t a contest of skill. It was of endurance. Did you have fun anyway?”

“Yes,” she said, blushing.

“After this, can we have a kiss for us?” I said. “Let’s enjoy kissing each other and have the most fun.”

“Sure,” she said.

Victoria and I made out like lovers for about ten minutes. That was what it was. She enjoyed herself and moaned in my mouth several times. I enjoyed the kiss too, rubbing her ass gently. We kissed deeply and our tongues had fun.

“You are delicious,” I said, smiling at her.

“Thank you,” she said. “So are you.”

“Victoria, your beautiful daughter has a beautiful ass,” I said. “You have a beautiful ass too.”

“Thank you,” she said.

“Beautiful asses were not meant to be spanked, right?” I said.

“Yes,” she said.

“Do you know how beautiful asses were meant to be treated?” I asked.

“How?” she asked.

“Don’t be a bad girl,” I chided. “You’ve just seen one.”

“They should have sex?” she asked.

“You are a big girl, Victoria,” I said. “Is that what your beautiful daughter’s doing with her beautiful ass?”

“I don’t know,” she said.

“Your beautiful daughter’s worshipping my big cock with your hot ass,” I said. “Isn’t that right?”

“Yes,” she said.

“Is that how your beautiful ass should be treated?” I said.

“I’ve never done that before,” she said lowly.

“Is your beautiful ass virgin?” I said, gently tracing her ass crack.

“Yes,” she hissed.

“That means that you’ve been a good girl,” I said. “Are you embarrassed because you’ve been a good girl?”

“No,” she said.

“It’s okay if you’ve never met a guy deserving of your beautiful ass,” I said. “Don’t be embarrassed for that.”

“Okay,” she said.

“Don’t you think that your beautiful ass deserves to be treated right?” I asked.

“Yes,” she hissed.

“How does it deserve to be treated?” I asked.

“It deserves to worship a big beautiful cock,” she gasped.

“Victoria, I am a nice guy,” I said. “I promise you that your beautiful ass will be treated right. Are you happy?”

“Yes,” she hissed, trembling.

“Victoria, are you going to be a good girl and do me a little favor?” I asked.

“Yes,” she hissed.

“I want you to kiss my balls,” I said. “I want to make sure you are a good girl who respects big beautiful cocks.”

“Now?” she asked nervously.

“A good girl does the right thing every time,” I said.

Beth looked at me in surprise as her mom scooted off the sofa and knelt behind her. Victoria gently kissed my balls, making my cock twitch inside her daughter’s ass. Beth felt it.

“Victoria, stay there for a minute, and watch your beautiful daughter’s beautiful ass in all its glory,” I said.

Victoria stayed on her knees and watched her daughter’s ass travel up and down my cock as I spread it wide.

“Is it beautiful or not?” I asked.

“Yes,” she said.

“Does your beautiful ass deserve it or not?” I asked.

“Yes,” she said.

“Of course, it does,” I said. “Can you tease the underside of my big cock with your tongue tip when your beautiful daughter’s beautiful ass goes all the way up?”

Victoria did not say anything, but her tongue tip soon tickled the middle of my cock, making it twitch. Beth knew what her mom did and could not believe it.

“Did it taste bad?” I asked.

“No,” said Victoria.

“That’s because your beautiful daughter’s beautiful ass is delicious and clean,” I said. “She cleans her sweet ass thoroughly in respect to the big cock she’s in love with. Why don’t you use your tongue to taste my big cock well?”

Victoria obliged me without hesitation. She licked the underside of my cock eagerly and thoroughly for a few minutes. My cock leaked more profusely inside Beth’s ass.

“Do you like the taste?” I asked.

“Yes,” she said.

“Is Lisa home?” I asked.

“Yes,” she said.

“I don’t want her to have misconceptions about this,” I said. “Do you think it’s a good idea to call her now and explain all this to her so she doesn’t get deprived of her right to have her beautiful ass treated right?”

“You think so?” she asked.

“I am asking you,” I said. “Don’t cheat.”

“I think it’s a good idea,” she said.

“If you can talk her into licking my big juicy cock like you did, I’ll reward both of you,” I said.

“Okay,” she said, getting up. “I’ll be back in a minute.”

“Victoria, while you are gone, lose your underwear,” I said. “See if you can talk Lisa into that too.”

“Do you think that’s a good idea?” she asked.

“Given the situation we are in, it is,” I said. “The two of you, beautiful women, are too hot not to oblige me.”

“Okay,” she said.

---

“Wow, Nick!” said Beth in awe. “I can’t believe this.”

“Do you still think anyone can kick an ass that belongs to me?” I smiled.

“I don’t think so,” she smiled. “You are going to fuck us all together.”

“Do you want that, you dirty slut?” I teased.

“Yes,” she smiled.

“I am a guy,” I smiled. “A guy does a gorgeous girl’s bidding.”

“Yeah, right,” she smiled.

“You’ll see,” I smiled.

---

When Victoria and Lisa walked into the living room, I knew that they were braless.

“This is shameless,” said Lisa when she saw what was going on.

“Sweetie, your sister’s doing this for us,” said Victoria.

“What do you mean?” asked Lisa.

“Let’s kneel here so I can explain it to you,” said Victoria as she knelt before me slightly to the right.

Lisa knelt on her mom’s right.

“This is gross,” said Lisa. “It’s in her butt.”

“Lisa, you are acting like a child,” chided Victoria. “Are you going to let me explain it to you, or do you know it all and you want to explain it to me? You think I don’t know that it’s in her butt?”

“Sorry, mom,” said Lisa. “Please go ahead.”

“What do you think of your sister’s boyfriend’s impressive cock?” asked Victoria.

“It’s so big,” said Lisa. “I don’t know how she can take it all the way up her butt.”

“She can take it all the way up her butt because her boyfriend’s a nice guy,” said Victoria. “He’s considerate of his girlfriend. He makes sure she’s ready before he impales her tight butt with his big fat cock.”

“I see,” said Lisa.

“Do you know that your sister thoroughly cleans her butt inside out, out of respect for her boyfriend’s big beautiful cock?” said Victoria.

“She does?” said Lisa.

“Did you think you were the only smart girl in the world who knew that a girl’s butt needs deep cleaning before it’s skewered with a big cock?” said Victoria.

“Sorry,” said Lisa.

“Now that you know this, what do you think?” asked Victoria.

“I think it’s amazing,” said Lisa.

“Your sister’s worshipping her boyfriend’s fat cock with her tight little asshole,” said Victoria. “Can you see that?”

“Yes,” said Lisa.

“Her tight ass is so hungry for his big cock,” said Victoria.

“Yes,” hissed Lisa.

“Isn’t her little asshole and his big cock beautiful together?” asked Victoria.

“Yes,” said Lisa.

“Do you think her beautiful ass deserves to worship the big cock it belongs to?” asked Victoria.

“Yes,” said Lisa.

“Your sister has a horny ass,” said Victoria. “Her boyfriend’s big cock has been very nice to it, right?”

“Yes,” said Lisa.

“Kiss his balls,” said Victoria.

“What?” said Lisa in surprise.

“It’s okay,” encouraged Victoria. “Show him that you respect his gorgeous cock. Kiss his big balls.”

Lisa hesitated for a few seconds before she slowly brought her mouth to my balls and kissed them gently.

“Tickle his big cock with your tongue tip right here when her asshole’s all the way up,” said Victoria.

Lisa pondered that idea for a few seconds before she tickled the underside of my cock, making it twitch.

“It’s delicious, isn’t it?” said Victoria.

“Yes,” said Lisa.

“Knowing that, lick it freely,” said Victoria.

Lisa’s first licks were a little cautious. She became more and more daring.

“Do you like what she’s doing?” asked Victoria.

“Of course,” I said. “She has a hot tongue. I’d like it more if you helped her. My big cock would love that.”

Victoria tentatively joined Lisa, and they licked the underside of my cock as Beth went up.

“Nick, I am going crazy,” said Beth. “I need to come.”

“Stop the licking, and suck my balls,” I said.

When Victoria and Lisa started to suck my balls, I bounced Beth faster.

“Come for the big cock you belong to, my dirty whore,” I said to Beth.

Beth bounced faster.

“Oh, I am going to come,” gasped Beth.

“Show your hot mom and sexy sister that you are a dirty whore,” I said. “Come hard for my big cock.”

“I am coming,” gasped Beth, stiffening.

Victoria and Lisa continued to suck my balls while Beth writhed on my cock, shoving her twitching ass into the base of my cock wildly. As soon as her orgasm subsided, I popped her ass off my cock and plugged it with two fingers.

“My big cock’s all yours,” I said. “Lick it, and suck it, freely.”

Beth kissed me lewdly while gasping for air. Her mom and sisters licked my cock all the way to the tip.

“Kneel down, and coach them,” I said. “They don’t know how to treat my big cock like you do.”

“Okay,” said Beth, dismounting me.

Beth knelt down behind her mom and sister, and I watched Victoria and Lisa lick my cock, occasionally sucking the engorged head.

“Take turns taking his big cock halfway in your mouths,” instructed Beth. “Don’t be shy. Go all out.”

Victoria and Lisa licked and sucked my cock more daringly. They became even more daring as I reached out and fondled their tits, occasionally pinching their stiff nipples through their tops.

“Take them out of their clothes,” I said. “Let me see their beautiful bodies.”

Victoria and Lisa did not resist when Beth pulled their clothes off, leaving them naked.

“Spoil that big cock,” urged Beth. “It deserves it. You know it does.”

“Your beautiful mom and hot sister seem to like my big cock,” I said, pinching a nipple of each woman.

“I’ll disown them if they are not in love with the most beautiful cock in the world,” she said.

“Victoria, are you in love with my big beautiful cock?” I asked.

“Yes,” said Victoria.

“Lisa, are you also in love with my big beautiful cock?” I asked.

“Yes,” hissed Lisa.

“You don’t have to disown them,” I said to Beth.

“I am proud of them,” she said.

“Sexy ladies, why don’t you climb up and let me suck your luscious tits while you play with my big cock?” I said.

Victoria and Lisa did not resist as I took their outer hands and pulled them up. They climbed on either side of me, and I gave Victoria’s right nipple a quick suck, making her gasp. I then gave Lisa’s left nipple a similar suck. Lisa gasped too. I teased their dripping pussies while I sucked their sweet nipples. Each contributed a hand to stroke my cock. I soon was fingering each leaky pussy with two fingers. They moaned and humped my fingers while holding my head to their tits.

“Who wants me to fuck her first?” I said.

“I am a married woman,” gasped Victoria, gushing on my fingers.

“I know that you need it more,” I said. “Climb astride me.”

Victoria trembled as she straddled me.

“Lisa, hold my big cock for your mom,” I said.

Lisa held my cock up.

“Victoria, take your time,” I said. “I don’t want you to treat your little pussy while you stuff it too fast with my big cock. I want to fuck your horny little pussy for a long time. Don’t you want me to?”

“Yes,” hissed Victoria as I removed my dripping fingers from her pussy.

While looking Victoria in the eye, I sucked my fingers.

“You taste delicious,” I said.

She trembled as her leaky pussy touched my cock. I held her left ass cheek and stroked it while she stuffed my cock into her tight pussy, moaning. As soon as my cock head opened her tight pussy and slid in, I started to tease her asshole with my middle finger.

“Is it big enough for you?” I smiled.

“I just hope it isn’t too big,” she moaned.

“Beautiful women love big cocks,” I said, worming my finger into her asshole.

“Oh, I love your big cock,” she said.

“My big cock loves your tight little pussy,” I said. “It’s going to stretch it for you.”

“I know it is,” she gasped as my fingertip popped inside her asshole.

“It wants to stretch this too,” I said as I hooked my finger inside her asshole and pulled on the back of her asshole.

“Oh,” she gasped, her pussy and asshole twitching.

“Are you a dirty girl, Victoria?” I teased, swirling my finger within her asshole.

“I am being a very dirty girl right now,” she moaned.

“My big cock loves dirty girls, especially when they are good girls,” I said. “You are a very good girl.”

She moaned.

My cock was halfway in her tight pussy.

“Some people call very good girls sluts,” I said. “Are you a slut?”

She trembled and both her holes twitched.

“Are you?” I smiled.

“Yes,” she hissed.

“Are you going to worship my big cock with your tight little pussy?” I asked.

“Yes,” she hissed.

“My big cock loves to be worshiped with very good girls, with every hole they have,” I said.

She gasped, and her holes twitched.

“Do you know what the most important thing I care about is?” I said.

“What?” she asked.

“If a beautiful woman’s in contact with my big cock isn’t having fun, I remove her from it,” I said. “You are a beautiful woman. Are you having fun?”

“I am having a lot of fun,” she moaned.

“That’s what I care about most,” I said.

“You are a great lover, Nick,” she said.

“You are a very hot woman, Victoria,” I said. “I am glad that you’ve finally met the big cock you deserve.”

“Me too,” she moaned.

“Worship my big cock, Victoria,” I said. “Show me that you are worthy of it. I know you are.”

Victoria slowly worked her pussy up and down my shaft, pushing her pussy a little farther down with every new down stroke. My finger continued to ream out her asshole. I soon squeezed a second finger into her ass. She groaned as I stretched her little asshole wider.

“Are you having fun too, you little slut?” I smiled at Lisa.

“Yes,” hissed Lisa, her pussy leaking fresh juices on my fingers.

“Your pussy’s so tight,” I said. “Are you also looking forward to having it stretched wide on my big cock?”

“Yes,” she hissed.

“You want to worship my big cock with your little pussy and show me that you respect big cocks?” I teased.

“Yes,” she hissed.

“I am sure you are a very good girl like your mom,” I said. “I bet she’s proud of you.”

“Yes, I am,” gasped Victoria.

---

Late on that beautiful Saturday morning, Beth was sitting on the loveseat in her living room as I sat in the middle of the sofa. My hard cock and balls were sticking out as naked Lisa slowly and precisely worked her stretched asshole up and down my entire shaft in the Asian cowgirl position. That was when their dad ventured into the living room and froze in shock when what he saw registered. He was speechless for several seconds.

“What’s going on here?” he asked.

Nobody acknowledged him. Lisa continued to work her hot tight asshole up and down my happy cock.

“Lisa, are you having sex with your sister’s boyfriend, or did he break up with her?” he asked.

“Nick didn’t break up with Beth, and I am not having sex with him,” said Lisa, not missing a beat.

“What are you doing then?” he asked. “What do you call this?”

“Dad, it must have been so long,” she teased. “You can’t distinguish sex from other activities?”

“Enlighten me please,” he said. “What do you call this activity?”

“It’s cock worship,” she said. “I am worshipping my sister’s boyfriend’s magnificent cock because it deserves it.”

“What?” he said in surprise.

“Dad, I am a very good girl,” she said. “I am showing my sister’s boyfriend’s big gorgeous cock that I respect it.”

“Beth, are you okay with this?” he asked, turning to Beth, when he lost hope in Lisa.

“You mean the cock worship?” asked Beth, looking at her dad.

“Yes,” he said.

“Of course, dad,” she said. “I want every woman in the world to show my boyfriend’s glorious cock due respect. I definitely want my sister to show her subservience to the gorgeous cock she’s deeply impaled on.”

“You want her to show her subservience?” he said in disbelief.

“Sure,” she said. “Women, including me, must know that are only slaves to my boyfriend’s big powerful cock.”

“Women are only slaves to your boyfriend’s...?” he said.

“Yes, dad,” said Lisa. “Why are you surprised?”

“It’s an instinctive need,” said Beth. “We need to belong to a big overwhelming cock.”

“This is so crazy,” he said, walking away. “Where is your mom?”

“I am coming,” gasped Lisa, stiffening, when her dad was out of earshot.

“Poor dad!” said Beth lowly, smiling.

Lisa shook wildly shoving her convulsing ass into the base of my cock until her orgasm subsided. She kept her ass deeply impaled on my cock while she caught her breath. I thrust gently in her ass.

Victoria was having a quiet cup of coffee on the patio when her husband caught up with her.

“Did you see what your daughters are doing?” asked John.

“It must be something you think is bad, or they’d be your daughters,” she said.

“It’s something totally crazy,” he said.

“I am sure it isn’t worth getting upset about,” she said calmly. “What is it?”

“Why don’t you come with me, and I’ll show you?” he said.

“Why don’t you take a deep breath and have a seat until I finish my coffee?” she said.

He sighed and sat down.

“Would you like some coffee?” she said.

“No, I am fine,” he said.

“Come on, say thank you,” she said. “You shouldn’t be that upset.”

“I am sorry,” he said. “Thank you.”

“Did you have your coffee this morning?” she asked.

“No,” he said.

“Maybe that’s why you are not fully awake,” she said.

“I am wide awake,” he said. “What your daughters are doing made sure of that.”

“You think I should quit coffee and keep track of my daughters’ shenanigans instead?” she said.

“I don’t know,” he said.

She took a few minutes sipping her coffee.

---

Lisa had recovered and resumed her precise slow ass fuck while I spread her ass and paced her when her mom and dad walked into the living room.

“Can you see what your little daughter’s doing?” offered John.

“What’s she doing?” asked Victoria nonchalantly.

“She says she’s worshiping his…cock,” he said.

“That’s what it looks to me,” she said.

“Are you okay with that?” he said in disbelief. “Have you all gone crazy?”

“It’s apparently true that men don’t know anything about women,” she said, taking her husband’s hand in hers and leading him toward where Lisa worked her hot ass up and down my cock. “A lesson’s in order.”

Victoria knelt down behind Lisa and pulled her husband down. He resisted.

“Come down, and let me explain things to you, you ignorant doofus,” she said.

He relented and knelt down next to her.

“Can you see what’s happening?” she asked.

“He’s in her butt,” he said in alarm and disbelief.

“Yes, his big fat cock’s deep in her tight little ass,” she said. “Why are you scared? It’s *her* ass.”

“Doesn’t that hurt?” he said. “He’s too big.”

“Of course, he’s so big,” she said. “That’s why this gorgeous cock deserves to be worshiped, and that’s why this sounds like Greek to you, no pun intended. Relax. She isn’t hurting at all. She’s actually having a lot of fun.”

“She is?” he said.

“Can’t you see her dripping pussy?” she asked. “Her juices have soaked his pubes. The little slut loves it.”

“Oh,” he said.

“She isn’t getting her little ass fucked though,” she said. “She’s paying homage to this magnificent cock.”

“Does she have to do it here in front of us?” he asked.

“Are you offended by what your sweet little daughter’s doing, or are you intimidated of your other daughter’s boyfriend’s big impressive cock?” she asked.

“Of course not,” he said, blushing.

“What seems to be the problem then?” she asked.

“I don’t know,” he said.

“Lisa, you’ve had enough,” she said. “You can’t keep him all to yourself all day.”

Lisa slowly took her tight ass off my cock. Victoria pulled back, and Lisa knelt in her place. Lisa took my cock in her mouth and deep throated it slowly and lovingly to her dad’s shock.

“She isn’t sucking his big beautiful cock,” explained Victoria. “She’s showing it that she’s its slave.”

“She’s its slave?” he said in disbelief. “He’s her sister’s boyfriend.”

“It doesn’t matter who this gorgeous cock belongs to,” she said. “What matters is that its worthy of her servitude.”

“Worthy of her servitude?” he asked in disbelief.

“Yes, honey,” said Victoria, tapping Lisa’s shoulder. “Let me show you.”

Lisa sat to my right, and her mom took her place. I stuck two fingers up Lisa’s ass.

“Are you happy now, Lisa?” I asked softly as Victoria stroked my cock.

“Yes,” said Lisa. “Thank you so much, Nick.”

“You are welcome, baby,” I said.

Victoria took my cock in her mouth and worshiped it in front of her husband, shocking him.

“What are you doing?” he asked.

“Honey, I am a woman,” she said. “I have to pay my dues.”

“You are a married woman,” he argued.

“I know, but that doesn’t matter,” she said. “What matters is that I am a woman, and this is a magnificent cock.”

“You are a very sexy woman, Victoria,” I said.

“Thanks, Nick,” she said, smiling at me. “You are an incredible young man.”

Victoria deep throated my cock for another minute.

“I want to worship your big cock with my ass,” said Victoria.

“As long as you’ll have fun, I don’t care what you do,” I said.

“I assure you I am going to have a lot of fun,” she said.

“Go for it,” I said.

Lisa handed her mom the lube. Victoria lubed my cock thoroughly and yanked her dress off, getting stark naked.

“Watch this closely, honey,” said Victoria as she climbed onto the sofa and squatted astride me.

Victoria held my cock upright. I took my fingers out of Lisa’s ass and spread Victoria’s ass wide with both hands. Victoria lowered her ass slowly, and my cock head pressed into her tight asshole. She slowed down as my cock head opened her asshole up and popped in, making her gasp.

“Honey, watch me worship this big beautiful cock,” said Victoria, thrusting gently down my cock.

Victoria fed my cock to her tight ass slowly, using longer and longer strokes.

“It’s so powerful,” moaned Victoria when my cock was halfway up her ass. “It’s so filling.”

“Isn’t that why you need to worship it and enjoy doing it?” I asked.

“Yes,” she hissed.

Within a minute, Victoria was slowly working her stretched asshole all the way up and down my hard cock while her husband watched in puzzlement.

“Isn’t it beautiful, honey?” she asked.

“Yes,” he said absentmindedly.

“Doesn’t it deserve me to be a slave to it?” she asked.

“I don’t know,” he said.

“You don’t have to guess,” she said. “Just watch and see. Isn’t it perfect? Doesn’t it deserve my servitude?”

“Yes,” he said lowly, making my cock twitch in his wife’s ass.

Victoria smiled at me.

“It’s an honor for me that you are a slave to my big cock,” I said.

“Nick, don’t try to be humble,” she said. “The honor’s all mine. I really appreciate this.”

“Are you having fun?” I asked.

“Honey, check my pussy, and tell him if I am having fun,” she said.

“You are soaked,” he said.

“You think I am having fun?” she asked.

“Definitely,” he said.

“That’s what matters to me,” I said.

“You are a very nice guy, Nick,” she said.

“You are a very good girl, Victoria,” I said.

“Nick, I also want you to have fun,” she said. “Is your big cock pleased with its whore?”

“I am having a lot of fun too,” I said. “My big cock’s very pleased with you too.”

“That’s what matters most to *me*,” she said.

“You are a beautiful woman with a beautiful heart and a beautiful ass,” I said.

“Thank you,” she said.

John remained in his place as his wife worshiped my cock with her horny ass.

“I’ve never felt I am a woman so completely like I feel now,” she said.

“That’s the greatest compliment I’ve ever heard,” I said. “Thank you.”

“You deserve it, Nick,” she said. “I am just describing what I feel.”

“You are so beautiful on the inside,” I said.

“Can your big cock feel my inner beauty?” she said.

“Of course, it can,” I said. “It’s enchanted by you.”

---

“Nick, Lisa and mom have done their duty,” said Beth. “Didn’t they earn a reward?”

“Beth, we didn’t do this for the reward,” said Victoria, slowly dismounting me.

“That doesn’t matter,” I said as she knelt down and took my cock in her mouth. “I always settle my debts.”

“My boyfriend’s a very nice guy,” said Beth.

“Of course, he is,” said Victoria, taking her mouth off my cock.

“You’ll be rewarded too,” I said to Beth.

“I’d love that,” smiled Beth, getting up.

Victoria lubed my cock thoroughly while Beth took off her top and skirt.

“Get on your knees on the sofa,” I said, getting up.

John stood up.

Victoria took the middle of the sofa, Lisa kept her place, and Beth knelt to her mom’s left.

“I’ll reward Lisa first,” I said as I stood behind Lisa.

Lisa pushed her ass out, and I pushed my cock into her ass, making her moan. I took a minute to warm her up, using an accelerating pace. I then fucked her ass hard, making her come within a minute. Her dad watched intently.

“I am coming,” gasped Lisa, stiffening.

Lisa convulsed, and I pounded her writhing ass hard until she went limp.

“Are you ready, Victoria?” I asked as I squeezed lube on Victoria’s asshole and pressed my cock head in.

“Yes,” hissed Victoria as I entered her ass.

Victoria needed a minute to warm up, and I then drilled her ass hard.

“I am coming for your amazing cock,” gasped Victoria a minute later.

Victoria writhed in orgasm, and I fucked her ass hard until she went limp.

Beth enjoyed two minutes of warming up before takeoff.

“My ass is coming,” gasped Beth, stiffening.

Beth shoved her ass into me wildly, and I pounded it until it stopped moving.

“Are you having real orgasms?” asked John when I returned to Lisa’s ass.

“Of course, honey,” said Victoria. “That’s why this amazing cock deserves our servitude.”

“You are having orgasms by anal sex?” he asked.

“The young man has an incredible cock,” she said.

“He sure does,” moaned Lisa as I fucked her ass at an easy pace.

“This is unbelievable,” he said.

“Can you see how nice he is to us?” she asked.

“Yes,” he said.

“Don’t you think this gorgeous cock deserves us to be slaves to it?” she asked.

“Yes,” he said.

“If you want us to enjoy this, why don’t you ask him to fuck us royally?” she asked.

He thought about it for several seconds while I fucked Lisa’s ass briskly and she fucked back energetically.

“Nick, fuck them royally,” he said.

That made my cock twitch although it was not what I wished he would do.

“Honey, show him that you care,” said Victoria. “Say please, and say my sexy wife and beautiful girls or something like that, not just them.”

“Nick, please fuck my hot wife and sexy daughters royally,” he said.

“I am coming,” gasped Lisa, stiffening.

“Sir, I am honored that you asked me to do that and be a part of your family happiness,” I said as I drilled Lisa’s convulsing ass hard. “I promise you I’ll do my best to show them a great time at every chance I get.”

“Nick, we are humbled and honored that you accepted taking care of our slutty asses,” said Victoria.

Lisa’s orgasm subsided, and I pushed my cock into Victoria’s ass.

“Victoria, you are all gorgeous women,” I said. “Any guy would love to fuck you in every possible way.”

“Any guy would love to but wouldn’t be capable of it,” she said. “We need *you* and want *you*.”

“I’ll happily be here for you,” I said, picking up the pace.

From then on, each took about five minutes to come. I took a little over an hour fucking their horny asses.

“How can you last this long?” John asked me.

“If I didn’t, they wouldn’t worship my big cock,” I said.

---

“Do you want me to come in your sizzling ass?” I asked as Victoria approached orgasm.

“Oh, yes, please,” gasped Victoria.

Victoria soon came, and so did I.

“I am flooding your hot ass with come,” I said.

Victoria had the hardest orgasm of her life as her twitching asshole drained my balls while her husband watched.

“I’ll eat it,” said Beth as I pulled out of her mom’s slimy ass.

To John’s shock, Beth knelt behind her mom and dove in her come-filled ass. Lisa knelt down and proceeded to suck my sticky cock.

“What are you doing?” he asked in disbelief.

“It’s okay, sir,” I said. “Their luscious asses are clean inside out.”

When Beth finished siphoning my come out of her well-fucked ass, she turned to Lisa, who let go of my cock. Beth and Lisa kissed lewdly while their dad watched. He saw them trade my come back and forth over the sloppy kiss before each swallowed her share.

“They are dirty little whores,” said Victoria, smiling.

“I can’t believe this,” he said.

“It’s delicious,” said Lisa, smiling at her dad.

He shook his head left and right.

The sisters turned to my cock and proceeded to revive it. Their mom joined them, and the three of them sucked my cock eagerly, taking it to full hardness.

“Are you ready for more, you dirty cock-craving whores?” I asked, slapping their faces with my hard cock.

“You bet,” the three of them said at the same time.

“Get on your backs on the sofa,” I said.

The three women got on their backs and pulled their legs over their heads, spreading their asses lewdly.

“You don’t get enough?” asked John as I thrust in his little daughter’s offered ass.

It was about two hours since he walked into the living room to find his little daughter’s ass worshipping my cock.

“Get enough and leave my hot sluts wanting?” I said. “Was that what you expected from me when you asked me to fuck them royally?”

“I don’t know,” he said.

“That wasn’t what I meant when I accepted the responsibility,” I said.

“Last Sunday, Nick fucked me with three married women,” said Beth. “He kept pounding us until we all begged for mercy. Expect him to fuck us for ten more hours.”

“Really?” he said in disbelief, switching his eyes between Beth and me.

“You thought we’d worship any cock or we’d want you to whore us all to any guy?” said Beth. “He’s the best.”

When he realized that it was going to take a while, he sat in his armchair.

“Honey, why don’t you take care of lunch?” said Victoria. “I am sure we’ll be ready to eat after Nick comes in Lisa’s ass in an hour or two.”

“Do you prefer anything?” he said, getting up.

“Nick, do you want a specific lunch?” asked Victoria.

“As long as I can eat your juicy pussies and sweet asses, I don’t care about anything else,” I said.

“Of course, you can eat our pussies and asses whenever you want,” she said. “John, surprise us.”

“Okay,” he said, walking away.

He returned a few minutes later, and I was fucking Beth's ass.

After that, I made a pussy fucking round. Victoria alerted him to that.

"Fuck my pussy too," sang Victoria. "All my holes belong to you."

"I'll stick my big cock wherever it fits," I sang. "I'll definitely also fuck your tits."

"You are a good boy," she smiled. "Use your fuck toy."

"I'll go pick up the food," said John, getting up.

---

"This is incredible," said Lisa. "We can whore ourselves to you freely right in front of dad."

"You are lucky bitches," I smiled.

"We sure are," said Victoria.

"I didn't even dream this was possible," said Beth.

"Are you happy now?" I said.

"Like you don't know," she smiled. "I am euphoric."

John returned with lunch.

A little over an hour later, Lisa had a gut-wrenching orgasm, draining my balls in her ass.

"It's my turn," said Victoria, kneeling before Lisa's come-filled ass.

John watched as his wife dove in his little daughter's ass and proceeded to eat my come out. Lisa moaned and squirmed, feeding her mom my come. Victoria turned to Beth, and they traded my come back and forth while he watched. In the end, they swallowed their shares.

We broke for lunch—steak, grilled chicken, baked potatoes and steamed veggies. It was nice.

---

It was my turn to get down on my knees and have dessert. They were on their backs, their legs pulled back and their asses spread. I spent over half an hour eating their pussies and assholes. I made each hole come once.

"Are you ready to get your hot asses fucked in the position you used to worship my cock?" I said.

"Sure," they said.

A minute later, I was sitting back while Victoria rode my cock in the anal Asian cowgirl position.

"Honey, come here, and see the difference," gasped Victoria.

John knelt behind his wife and watched her ass bounce energetically on my cock.

"This is definitely ass fucking, isn't it?" she asked.

"Yes," he said.

"Isn't it completely different from cock worship?" she asked.

"Yes," he said.

"That was appreciation for the magnificent cock," she gasped. "This is a reward for the cock-craving ass."

"I see," he said.

In the end, I came in Beth's ass in the same Asian cowgirl position. Lisa sucked my come out of her sister's slimy ass and shared it with her mom lewdly while her dad watched.

---

Victoria and her daughters revived my cock, and I proceeded to fuck their asses in the reverse Asian cowgirl position. Victoria mounted my cock first.

In the second round, Beth knelt down and ate her mom's leaky pussy until she gushed in her mouth. From then on, the one riding my cock had a tongue in her pussy. In the third round, Lisa ate her mom's pussy.

"Honey, eat my pussy this time," called Victoria as she climbed onto my cock in the fourth round.

John as reluctant, but he finally took his position and ate his wife's pussy until she came in his mouth.

"Honey, do you want to eat Nick's come out of my ass and share it with me next time?" asked Victoria.

John was shocked speechless with the request.

"I am not sure I can do that," he said finally.

"Maybe next time," she said.

Beth ate my come out of Lisa's pussy and shared it with her mom.

---

The women knelt on the sofa and pushed their horny asses out. I lubed their asses thoroughly and proceeded to fuck them briskly. At the end of the hour, I came in Victoria's pussy. Lisa ate it out and shared it with Beth.

They were on their backs for the next session, and I came in Beth's pussy. Victoria ate my come out and shared it with Lisa. I kissed them when they were done.

Our last session lasted for over two hours. We changed positions frequently, and I ate their pussies and asses. In the end, I pumped my come up Victoria's convulsing ass and kept it there. They sucked my cock clean.

"Nick, I am completely fucked out," said Victoria.

"Me too," said Beth.

"The same goes for me," said Lisa.

"That was very impressive," said John. "I'd have bet a million dollars you wouldn't last half this time."

"We are dirty whores, and we have a stud on our hands," said Victoria.

"That's obviously the case," he said.

---

"Honey, it's late, and Nick's tired now," said Victoria. "He'll spend the night here. The four of us will take the master bedroom's bigger bed."

"Okay," said John.

Victoria gasped when I pulled her by the ass and sucked her drenched pussy.

"You didn't have enough, baby?" she said.

"You hot sluts are so beautiful," I said. "It isn't easy to get enough of you."

"Nobody said it was easy, but you've been fucking us all day," she said. "We need a week to recover."

"I don't think I can stay away from you for a week," I said. "You are too hot."

“Can you see, honey?” she said. “Isn’t he the sweetest guy in the world?”

“He apparently is,” he said.

---

“I’ll check on John,” said Victoria when we were all in bed in the master bedroom.

Victoria left.

“Nick, you are hard,” said Lisa, squeezing my cock. “I can’t believe you.”

“I am in your dad’s bed with his slut wife and daughters, and you expect me to be soft?” I said.

“Is it too crazy after you fucked them for around twelve hours?” she said.

“Fourteen hours, but who’s counting?” I said. “You are all so hot.”

“Thanks, but I am afraid you’d need to use your own hand,” she said. “Even my hand’s tired.”

---

“He’s incredible, isn’t he?” Victoria said to her husband as she sat on the edge of the bed.

“I still can’t believe that,” said John. “You almost need to beg him to come. He lasts forever.”

“Are you happy that your slut wife and daughters worship a cock so amazing you can’t believe it’s real after watching it in action for so many hours?” she said.

“If there is a single cock that deserves that, it’s definitely his cock,” he said.

“Our daughters ate his come out of my pussy and ass,” she said. “Why didn’t you?”

“It’s come,” he said.

“That’s what they ate out of my pussy and ass,” she said. “Did you think they ate ice cream, not that ice cream’s as delicious as his luscious come?”

“I wasn’t ready for that,” he said. “I’ve never considered it.”

“You now have,” she said. “You are going to do it next time.”

“I guess,” he said.

“There is no guessing,” she said. “You are going to do it in front of them just like they did it in front of you.”

“Do I have to do it in front of them?” he asked.

“They showed everyone how much they loved me,” she said. “You need to show them that you do too. I am now embarrassed that you turned me down in front of my daughters and the family stud.”

“I am sorry,” he said.

“Why don’t you practice?” she said. “My ass is full of come right now.”

She got on her hands and knees and pushed her ass out.

“Now?” he said in surprise.

“Sure,” she said. “You are lucky you can have your first time without an audience. It’s like a rehearsal.”

He hesitated, but she maintained her position. He finally took his position behind her and lowered his mouth to her slimy asshole. He licked it tentatively, slowly gaining courage.

“Yes, like that,” she encouraged, humping his face.

He soon got absorbed into eating her asshole, and she fed him my come little by little.

“Suck my come-filled ass clean,” she gasped, thrusting her ass into his face.

He ate her asshole eagerly.

“Since there is nobody to watch, you don’t have to share it with me,” she said. “You can swallow it all.”

Since he had already tasted my come and held it in his mouth for a while, swallowing it was not a big step. He was going to swallow some anyway. He soon finished eating the come out of her ass.

“Thank you, honey,” she said.

She pecked him on the lips.

“Good night,” she said on her way out.

“Good night,” he said.

---

“He ate your come out of my ass to the last drop and swallowed it all,” said Victoria when she returned, making my cock twitch. “Next time, he’s going to do it in front of everyone.”

“Wow!” said Beth. “Congratulations, mom.”

“Thank you, sweetie,” said Victoria.

“That’s unbelievable,” said Lisa.

“Your dad’s a good guy,” said Victoria.

“His slut wife and slut daughters are very good girls,” I said.

“Thank you, stud,” she said.

“Dad’s the best husband,” said Beth.

---

After our morning showers, the women and I fucked in bed.

“Nick, build a big come load to feed it to my ass and watch my husband eat it all out,” said Victoria.

We fucked leisurely for over an hour and went down to the living room.

---

“I see that you didn’t need a week to recover,” said John when he joined us in the living room.

“We do,” said Victoria. “He’s taking it easy on us. Can’t you see?”

“As a matter of fact, I can,” he said.

Half an hour later, I pumped a big come load up Victoria’s convulsing ass.

“Honey, eat his come out of my fucked-out ass,” said Victoria when I pulled out of her ass.

John blushed a little, but he proceeded to kneel behind her offered ass.

“Because this is your first time, you don’t need to share,” she said.

He ate my come out of her ass and swallowed it all. My cock was hard again.

“Nick, sorry,” said Victoria. “You have to find some other sluts to fuck for a while.”

“Okay,” I shrugged.

We had breakfast, and I left.

---

“Why did you spend the night out?” asked mom.

“I fucked Beth with her mom and sister in front of her dad,” I said. “He even ate my come out of his wife’s ass.”

“Really?” smiled mom. “Congratulations. This is very good new.”

“Beth’s dad’s now even a better husband than dad,” I said.

“We can’t have that,” she said. “Your dad needs to beat him.”

“I’ll be very happy to help,” I said.

“I am sure of that,” she said.

“I’ve fucked them out, and I am now looking for fresh ass,” I said.

“Don’t look past me,” she smiled as she thrust her ass at me. “We can also get your dad back in the game.”

---

Mom broke the news to her sisters in a conference call while I fucked her ass in the living room.

“We got the head start, and we’ve been left in the dust,” said Aunt Michelle.

“We have to fix that,” said Aunt Leanne.

“Beth was afraid she’d get her ass kicked,” said Aunt Michelle. “Now, she can get it fucked with her sister’s and mom’s asses while their dad watches. Shame on us!”

“I am going to fix the come eating right after Nick fills my ass with come,” said mom.

“Why don’t we get our husbands together and have Nick fuck us all even with Alex?” said Aunt Leanne.

“That’s a good idea,” said Aunt Michelle. “Can we do it today? I don’t want to wait for an entire week.”

“Nobody does,” said Aunt Leanne. “Let’s see what we can do.”

“By the way, I want Nick to fuck my daughters’ asses,” said Aunt Michelle.

“I thought you’d never ask,” laughed mom.

My mom and her sisters decided to spring a surprise on their husbands.

---

In the late afternoon, my dad and uncles were in the living room, chatting and watching sport. I was with my mom, sister and aunts by the pool. Each was on her knees and forearms on a chaise, her well-lubed ass pushed out lewdly. We were all naked while I took turns fucking their offered asses.

We had been going at it for about two hours before the men missed us.

Uncle Fred was the first to come out of the house, followed by Uncle Ken and then dad. They all froze when they saw me fucking Aunt Michelle’s ass. They did not know I was fucking her ass yet. Dad only knew about mom. The others did not know about any. They were all shocked.

“What’s going on?” asked Uncle Fred.

“Why don’t you come over and get a closer look?” suggested Aunt Leanne.

The men slowly walked to us.

“Why are you surprised?” said mom. “He’s doing our backs.”

“He’s obviously doing my wife’s backside,” said Uncle Fred.

“Why are you all surprised?” I asked. “Didn’t you all beg me to fuck your wives’ luscious asses?”

“We thought it was a joke,” he said.

“Oh, Uncle Fred, you can’t joke about these things,” I said. “It’s too late now. The four luscious asses offered shamelessly here and the hot sluts attached to them are now the private property of my big cock, and it isn’t selling.”

“How did you manage to talk them into letting you fuck them in the ass?” asked Uncle Ken.

“That was too easy,” I said. “Your slut wives can’t say no to my big cock no matter what it asks of them.”

“That’s true, honey,” said Aunt Leanne.

“I have to hand it to you, Nick,” said Uncle Ken. “I have never even dared fantasize about having the three sisters together, not to mention fucking them in the ass.”

“He’ll soon have my two daughters with us,” said Aunt Michelle.

“Son, I don’t think there is any guy as lucky as you are,” said dad.

“Gentlemen, we are gathered here today because your slut wives are jealous of my girlfriend’s mom,” I said. “My girlfriend’s dad watched me fuck his wife and daughters in every hole and ate my come out of his wife’s ass.”

“We want fair treatment,” said Aunt Michelle.

“Please sit down, and enjoy,” I said. “Uncle Fred and Uncle Ken, figure out who wants to go first. I am ready.”

“Why isn’t it your dad?” asked Uncle Fred.

“He’s the host,” I said. “He can’t go before you.”

“Let’s toss a coin,” suggested Uncle Ken.

Uncle Ken won.

“I won,” screamed Aunt Leanne. “I won.”

She soon took my first come load up her ass, draining my balls with her orgasmic spasms.

The beginning was a shock, but everything worked out wonderfully.

**The End**

### **Shock and Awe**

My favorite aunt caught me in a very compromising position and took advantage of it. My other aunt soon did the same to us. My mom somehow did it once more. I arranged with my girlfriend to trick my sister into a similar situation and took advantage of it. In the end, it was wilder than my dreams, and everyone was happy.
