

Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

When I met Beth, she was eighteen. A complete virgin, she had not even kissed a boy. I liked her much and so lasted a couple of months without a kiss. Lynn, my ex-girlfriend, graciously let me fuck her silly meanwhile. Beth did not want someone who was after her body. The way she dressed made her body a mystery. When I saw her mom, I almost lost hope. Had she not looked much like her, I would have thought she was virgin too and Beth was adopted. Being myself, I wondered how she would look with a thick cock drilling her virgin ass. It took me over two months to kiss Beth. That was the longest anyone had ever lasted with her thanks to Lynn's sexual help.

Beth and I practiced kissing like we were entering a world kissing championship. I got to feel her up a little too. We were falling in love. I soon managed to let her take off her outerwear and stay in her conservative underwear, which could not pass for lingerie. Most girls' public outfits were sexier, but it somewhat showed her great figure.

Soon, Beth and I put the free nights of personal communications to good use as we got addicted to nightly sex talks. I talked her into lying naked under the sheets, just like I did, and talked to her about what I would do to her if I were with her in bed. That loosened her up and persuaded her to wear sexy lingerie and dresses under her bland clothes. She would leave her plain clothes in my car before leaving on our dates.

Introducing her to Lynn helped much as Lynn talked with her about what she and I used to do in bed. She persuaded her to watch us fuck. We had Beth film a very wild session to make it a reference for future use. She was flustered. I effortlessly made her come by massaging her pussy through her wet silky panties. She looked so pretty when she came. I got my lips on her sweet nipples and made her come five times right then. It would probably have taken less time to seduce my own mom than my girlfriend, but every step of the way was very delicious because of the challenge.

Within days, I ate her juicy pussy and rimmed her sweet asshole, and she loved it. A couple of days later, I had my middle finger all the way up her hot tight ass as I maneuvered her through the wildest orgasms ever. I persuaded her to take enemas regularly so I could play with her sizzling ass freely. Using lube, I managed to get three fingers up her ass. Her ass was ready, but I wanted to put my wicked cock in her innocent mouth and feed her come first.

One day after I made her come over twenty times, I introduced her to my throbbing dripping cock, which she had seen at work with Lynn. I taught her how to play with it. Within several minutes, I was thrusting my cock halfway in her mouth. She trusted me enough not to hesitate when I asked her to swallow as I shot a very big come load in her mouth. Lynn filmed that milestone, and Beth liked the taste and enjoyed the experience.

Later, I introduced Beth to ass fucking. We had to overcome her religious inhibitions. Once she tried it and had incredible orgasms, it became the main course of our love sessions. I naturally had Lynn record our first ass fuck. Beth soon became an anal addict, wearing her butt plug to church, so she could summarize the service to me while I pumped her responsive ass through more orgasms than either of us would care to count. I occasionally sent her to church with her plugged ass full of my come and without panties. The slut within her had been unleashed. She loved my cock even more than Lynn did, and she was willing to share. She was more than worth the impossible wait. I had hit the jackpot.

"I sometimes pity your mom," I said. "I am sure she'd love it if she tried my big cock up her surely virgin ass."

Presents

A Nightingale Classic

Show and Tell

Beth laughed hysterically for a minute when she heard my comment.

THE PLAN OF ATTACK

Regardless of my speculation, the idea was obviously fantastic. Beth's mom was in her late thirties, but I did not know what she looked like.

"I'd really love Mom to experience that intense pleasure," said Beth, "but I am sure you realize that it's one of the most impossible things in the world."

"Seducing you wasn't exactly easy," I said. "It would have been impossible without Lynn."

"How did Lynn help?" she asked.

"You must already know that I am a very horny guy," I said. "Lynn was my personal whore, or I'd have killed myself, killed you, or went crazy."

"I should thank her for taking care of you while I was blind," she said.

"Thank her all you want," I said. "She deserves it, but let's get back to your mom," I said as I started to fantasize about her mom. "Would you help me make seducing her more possible?"

"I would as long as that doesn't jeopardize my relationship with her," she said.

"We'll be careful," I said. "We don't want to jeopardize anything."

"What do you have in mind?" she asked.

"First, I want you to find out what kind of lingerie and other clothes she has," I said.

"That's easy," she said.

"We'll always take easy steps but many of them," I said.

"I got you the scoop on Mom," said Beth a couple of days later. "She's thirty-seven, 5'6", 36D-26-36, and 124 lbs. Her shoe size is 7. Her dress size is 6, but she wears 8 or 10 and bland as you know."

Such tits were definitely made for fucking, not to mention the rest of her body, especially her tight ass.

"If this is true, she's a knockout," I said.

"Of course she is," she said. "Who do you think I am taking after?"

"That makes me want her even more," I said. "Even high water wouldn't keep me away from her hot body."

"So what's your next step?" she asked.

"You didn't say what kind of lingerie she has," I said.

"That's right," she said. "She has fifteen sets of very conservative bras and panties."

"What about her other clothes?" I asked. "Anything sexy?"

"Most of her dresses and clothes are very conservative as you know," she said. "She has a number of very old sexy dresses. I don't recall seeing her wearing them ever."

"I want you to find out whether she has always been this conservative or whether something has changed along the way," I said.

"I'll try to do that," she said.

"Good luck," I said.

Beth found out that her mom had always been conservative. She fooled around a little when she was young, but had never gone all the way or even given or received oral sex. She was a genuine prude.

Beth and I started to take her mom along on our dates to dinners and movies. Beth's attire got more daring every time we took her mom with us. After a little while, I decided to take her mom dancing.

Knowing her measurements, I bought her an appropriate outfit. I got her a short red silk dress with a plunging neckline. Besides that, I got her a silk push-up balcony bra, a matching thong, a garter belt, lace-top sheer stockings and high heels. Those were black. I gift-wrapped it all and took it to her before the date. I applied heavy cologne too.

"I hope this is worthy of you," I said. "I'd like you to wear it on our outing tonight."

"Thank you much, Nick," she said, taking the box. "You shouldn't have done that."

"I enjoy giving gifts to beautiful women," I said.

She blushed.

She disappeared for a few minutes and then returned.

"I can't put it on," she said. "It's too revealing."

"Mom, why don't you put it on and come out to us," suggested Beth. "We'll then be able to see how it looks."

Beth put on her own outfit, which was as revealing as her mom's, while her mom donned hers. Beth was out a couple of minutes before her mom. I let out a wolf whistle when Victoria came out in her sexy little dress.

"You look gorgeous, Mom," said Beth. "You look twenty years younger."

Victoria blushed.

"It's perfect," I said. "I think every man in the club will be dying to dance with you, but I am going to try to hog you all to myself."

She blushed.

Victoria agreed to come like that after a little more coaxing and encouragement. I opened the door for her and had her go before me, partly being gentlemanly and partly to be able to check out her ass, which was sexily packaged for the first time in years if not ever. I opened the car door for her and watched her sexy legs scoot in. Her sweet perfume filled the car, making my cock uncoil.

"Where is Beth?" she asked as I started the engine. "Why is she so late?"

"She isn't late," I said, putting the car in gear. "She isn't coming with us."

"Why not?" she asked.

"We are going to a dance club," I said. "If I take both of you, I'll only be able to dance with one of you at a time and leave the other at the table to be overwhelmed by dance invitations by every man. That wouldn't work."

"If you can only take one of us, why didn't you take her?" she asked.

"I see Beth very often," I said. "I want to spend time with you. I want to invest in knowing you."

"That's very nice of you," she said. "We don't need to go to a dance club though."

"We do," I said. "I figured you haven't danced in a long time. I want you to have fun like a little girl."

"Oh, Nick," she laughed. "I am too old to have fun like a little girl."

“That’s another reason why I am taking you dancing,” I said. “I want to show you that you are not old at all.”

“Do you think that’s going to work?” she asked.

“Of course, it is,” I said. “Look at you. You are gorgeous. You are sexier than most girls half your age and as sexy as the best. If it isn’t going to work for you, it isn’t going to work for anyone else.”

“You are just pulling my leg,” she said, blushing.

“Not at all,” I said. “I am taking you with me so we can both have a great time. If I didn’t think you were this sexy and this much fun, I wouldn’t be taking you dancing. I am out to have fun, and so are you.”

“I’ll give it a try,” she said.

“That’s all I ask for,” I said. “Promise me you are going to have as much fun as you can and then some.”

“I promise,” she said.

“I’ll hold you to it,” I said.

Victoria and I had dinner first. Naturally, I took her then to a dance hall where they mostly played slow songs. We danced to our first song at a respectable distance. I enjoyed the view of her lush cleavage. I kept complimenting her lavishly and telling her how much I was enjoying my time with her. When the second song started, I pulled her closer, guiding her arms to my shoulders and wrapping mine around her waist. She did not protest. As we danced, smiling at each other, I started to knead the small of her back gently. She started to relax, and I pulled her ever closer to me. By the end of the song, we had full frontal contact, and my cock started to get hard.

“Victoria, you have incredible tits,” I whispered in her ear.

“Nick, you can’t say that to your girlfriend’s old mom,” she protested, pulling her head back.

“You are so cute when you are shocked,” I teased with a smile.

“You are bad,” she said. “You are making fun of me.”

“Do you really think so?” I teased. “You don’t believe that you have fantastic tits?”

“Even if I did, you can’t talk about them like that,” she protested.

“How should I talk about them?” I teased.

“You shouldn’t talk about them,” she said. “I am a married woman.”

“Bring your ear to my mouth so I can explain it all to you from my point of view,” I said.

She brought her head closer.

“Do you really think that because you are married and a little older than me that I should completely ignore your fine tits and act as if they were not there?” I said. “My mom didn’t teach me to do that.”

“Did your mom teach you to talk about women’s...tits?” she said.

“Do you know why hot women were given mouthwatering tits?” I said.

“Of course,” she said. “So they can feed their babies.”

“You are not serious, are you?” I said. “Hungry babies would eat or drink anything out of anything or anywhere. They have no clue how beautiful the tit they are holding is or how delicious the juicy nipple they are sucking is.”

“So what’s the real reason?” she said.

“Isn’t it obvious?” I said.

“What is it?” she asked.

“You were given such gorgeous tits so they could be enjoyed and complimented,” I said. “You think I am being inappropriate, but that’s exactly the purpose of existence of your lovely tits. I challenge you to challenge my logic.”

“You have crazy logic,” she said.

“Challenge it,” I said. “Give me another good reason why you should have attractive tits.”

“Maybe so my husband can enjoy them and compliment them,” she said.

“Are you saying that you are looking so hot now so your husband can enjoy you and compliment you?” I said.

“I shouldn’t look hot when I am out with you,” she said.

“Victoria, you are so hot,” I said. “There is nothing you can do about it. You sure can wear your baggy frumpy clothes and look weird, but you must know that isn’t right. You deserve to look hot and be complimented.”

“I don’t know,” she said.

“Anyway, now I love your hot tits,” I said. “Am I supposed to pretend I am blind or tasteless, ignore them and ignore you or compliment you on them, letting you know how much I appreciate you?”

“You should ignore them,” she said.

“If I like them so much I have to stare at them, you should ignore me and pretend that you don’t notice?” I said.

“Yes,” she said.

“Can you really know that I like them and convince yourself that I don’t or that they are not beautiful?” I said.

“Maybe not,” she said.

“You have to feel good that they are beautiful and that I like them, right?” I said. “It’s instinctive.”

“Yes,” she said.

“Victoria, you look nice, you are nice, and you should act nicely,” I said. “When I compliment you on your nice tits, you have to be nice and polite to me and thank me. Isn’t that what your mom would have told you to do?”

“I don’t know,” she said.

“Let’s give it a try,” I said, pulling back and looking down at her cleavage. “Victoria, you have beautiful tits.”

“Thank you,” she said shyly.

“Are you going to be a good girl and never be bad to me for being nice to you?” I said, pulling her back to me.

“Yes,” she hissed.

“Are you having fun, Victoria, or am I the only one having fun because I am with a gorgeous woman?” I said.

“I am having fun too,” she said. “Thank you.”

“Don’t thank me for enjoying myself,” I said. “Any guy would have. They all envy me. I am with the hottest woman here, and they all know it. Do you know who the only one who doesn’t know that is?”

“Who?” I said.

“Make a guess,” I said.

“Me?” she said.

“I intend to change that,” I said. “It isn’t fair to you. I don’t want you to be shy about being hot or happy.”

As I continued to massage her lower back, my fingers started to move down ever so slowly. By the end of the third song, my hands were resting on the top of her ass. It was a good time to stop.

“Don’t be surprised if at some point I complimented you on your hot little ass,” I said.

“You are bad,” she said.

“I haven’t said anything yet,” I said. “I am giving you a heads-up so you can prepare.”

“I appreciate that,” she smiled.

“That was so nice,” I said, pulling away from her. “Let’s take a break.”

Before we left to our table, I leaned forward and planted a light kiss on the bare slope of her left tit. She gasped, but, before she had time to react, I led her to our table. While having soft drinks, we watched people dance and chatted about them and other things for two songs. As the song ended, I led her to the dance floor.

“It’s so much fun dancing with you,” I said, pulling her to me. “Are you enjoying yourself?”

“Yes,” she said, wrapping her arms around my neck. “I haven’t had so much fun in a long time.”

“I am not going to stop until you’ve never had so much fun ever,” I said.

“Thank you,” she said.

“Don’t you want me to be happy?” I said.

“Yes,” she said.

“I also want you to be happy,” I said. “The more fun you have, the more fun I have.”

My hands immediately went to the top of her ass and started working as we danced. She molded herself to me, and my cock started to brush occasionally against her thigh. I tried to pull it back since it was still too early for that. As my hands went lower, they parted to go around her ass. Halfway through the next song, my hands were holding her ass, inches off her crack.

“I don’t think you should put your hands there,” she said softly.

“You want me to compliment you on it first?” I teased. “I need to feel it up a little before I can do that.”

“You shouldn’t do that,” she said.

“I think I am ready,” I said. “You have a hot tight ass, Victoria.”

“Thank you, but you shouldn’t hold it like that,” she said.

“I know what I am doing,” I said. “I bet you’ve never tried it. Just relax and enjoy yourself. You’ll love it. I specialize in handling hot asses. Yours is in good hands. If you don’t believe me, you can ask your daughter.”

“I don’t think I am going to do that,” she said.

“If you wait, you won’t need to ask her,” I said. “You’d have found out on your own.”

She did not resist further. I started to stroke her ass very lightly, making her tremble as goose bumps spread over her entire body. I alternated between tickling and kneading her ass cheeks, making her relax completely.

“You have a great figure and a tight little ass,” I said. “Do you work out?”

“Yes,” she said lowly. “I work out regularly to stay healthy and fit.”

“Oh, you are very healthy and fit,” I said. “It feels so nice to run my hands over your toned muscles through the silk of your dress. Does it feel good to you?”

“Yes,” she hissed.

“You are a very sexy woman,” I said, making her blush. “I am a very lucky guy to be dancing with you and holding the sexiest ass in the place. I assure you that I wouldn’t trade your luscious ass for any other here.”

“Thank you,” she said.

She was letting me do whatever I wanted to her ass. That made my cock harder than rock. With her ass in my hands, I gently maneuvered her, aligning her crotch with my hard bulge. When they touched, she gasped softly and stiffened for a few seconds, but she did not let on. Our crotches started to brush and bump against each other accidentally every several seconds, and she enjoyed it.

“I’d indeed be a very lucky guy if Beth was as pretty and sexy as you are in twenty years,” I said.

“Do you really think I am pretty?” she asked.

“I am sure you know the answer to that,” I said.

“Thanks for making me feel like a woman again,” she said.

“Hey, if you didn’t feel like a woman, I don’t know who should,” I said. “Besides, you never have to thank me for enjoying myself. I am having a wonderful time, dancing with you and feeling your presence in my arms.”

“You are such a nice guy, Nick,” she said.

My girlfriend’s very conservative mother told me I was a nice guy as my cock head pressed into her pussy through our clothes and my hands held her ass tightly so her pussy would not pull away.

“You are a very sweet girl, Victoria,” I said. “You are so lovely. You are so sexy. Your company’s so enjoyable. There is something else I want to tell you, but I am afraid to say it.”

“What’s that?” she asked.

“Do you promise not to hold it against me?” I said.

“Yes,” she said. “What is it?”

“You have one of the hottest asses I’ve ever laid my eyes or hands on,” I said, making her blush and gaze down. “I don’t think I can ever get enough of holding your luscious ass in my hands and feeling its warmth, shape and firmness. Please don’t get mad at me for being blatantly honest. You are too sexy for me not to tell you that.”

“I don’t know what to say,” she said shyly. “I guess that’s a compliment. I feel flattered. Thanks.”

“Do you believe me now?” I said, gently pushing my boner into her pussy.

“Yes,” she hissed.

“Thanks for allowing me this privilege,” I said. “Let’s stop talking and concentrate on our dance.”

We danced silently. Her body was completely relaxed and molded to mine, her lush tits flattened against my chest. My hands felt up her hot ass freely and pulled it into me rhythmically so my cock would hump her pussy. She occasionally gasped as my cock head hit the right spot in her pussy with the right pressure.

“What a wonderful time I had!” I said as I parked before her house. “You’ve been magnificent.”

As she smiled, I brought my mouth to hers, and our lips touched. She was startled and froze for a few seconds before she responded to my kiss. Our kiss heated up quickly, and our tongues wrestled and explored each other’s mouth. While we kissed, I cupped her right tit and squeezed it gently, making her moan.

Getting my first kiss from her was actually much easier than getting that from her daughter, my girlfriend.

“Thanks for the fantastic evening,” she panted, breaking the kiss.

“Did you have fun like a little girl?” I asked.

“Yes,” she smiled.

“You’ve been a good girl,” I said. “Have a good night.”

It was a fantastic Friday night indeed. I opened the door for her and walked her to her door holding her ass. I stood a few feet back and watched her ass twitch as she walked to the door. We waved to each other before she disappeared behind the door.

On Saturday night, I told Beth what had happened between her mom and me while she sucked my cock.

“I didn’t know Mom would be that hot,” she said. “This is great.”

A FAMILY DOUBLE DATE

On the following Friday, Beth and I took my folks to a nice dinner and dancing.

“Mom, when was the last time you danced?” I asked as we left the restaurant.

“It’s been a long time,” she said.

“We’re going to a dance club,” I announced.

“Care for a dance?” said Beth, extending her hand to Dad.

He could only accept. That left me with Mom.

“We came here to dance,” I said, extending my hand to mom.

After a few minutes of dancing with Mom, I lowered my hands to her ass. I immediately noticed that she was wearing a thong. My hands were separated from her bare ass cheeks only with her thin silk dress. She absentmindedly relaxed and leaned into me before she knew what had happened.

“Nick, watch your hands,” she said, stiffening.

“What about them?” I asked.

“They are on my backside,” she said.

“I know that,” I said. “I put them there.”

“That isn’t appropriate,” she said, lifting my hands to her waist. “I am your mom.”

“I am sure Dad’s hands are on Beth’s sexy ass right now,” I said.

“Nick, don’t be rude,” she admonished. “Your dad would never do that.”

“Why not?” I asked. “Why wouldn’t a living man put his hands on a young woman’s perfect ass?”

“Nick, it’s your dad you are talking about,” she admonished.

“Isn’t he a man?” I asked.

“Yes, he is,” she said, “but he’s a respectable one.”

“I didn’t say he wasn’t respectable,” I said. “I am just saying that he’s probably enjoying the company of the young woman he’s dancing with.”

“He’s surely enjoying her company,” she said, “but not by holding her behind.”

“I’ll make you a deal,” I said. “If he has his hands on her hot ass, I get to put my hands all over yours. Deal?”

“Nick, you are so crude,” she said. “I am your mom.”

“Aren’t you sure of your man?” I said.

“Of course I am,” she said.

“Deal?” I challenged.

“Deal,” she said after some hesitation.

It was not hard for us to spot Dad and Beth although they were in a dark corner of the dance floor. As I expected, their bodies were glued together and he had his hands on her ass.

“I told you it was natural,” I said as Mom watched in shock. “I am sure she can feel his boner too.”

As we continued to dance, I steered her away to another corner of the dance floor.

“I can’t believe that,” she said.

“Everybody does it,” I said.

“I can’t see anyone else doing it here,” she said.

“Do you think any of their partners has an ass half as hot and tight as Beth’s or yours?” I said.

“Nick, don’t talk about my behind,” she admonished.

“Not only I am going to talk about it, but I am also going to get my hands all over it,” I said. “I’ve earned that.”

“Nick, don’t be a bad boy,” she admonished. “I am your mom.”

“Being my mom doesn’t make you any less beautiful or sexy,” I said. “It only makes me like you more.”

“Nick, let’s not do that,” she begged.

“We had a deal,” I said.

“That was a mistake,” she said.

“That wasn’t a mistake,” I said. “I am sure you are going to enjoy having your hot ass gently stroked.”

“Do you really have to do that?” she asked weakly.

“The more you resist, the more I want it,” I said.

“I guess there’s no way out of it, is there?” she said, not showing real anger.

“I don’t think so,” I said. “Now, be a good girl. Reach back and lower my hands back to your hot little ass.”

“Nick, be nice,” she said as she lowered my hands back to her ass, trembling as my hands touched it.

“I promise to be very nice to you and to your hot ass,” I said, leading her to the darkest corner of the dance floor.

It took her a minute of having her ass stroked and squeezed gently to relax and push her crotch into mine. It did not take her long to find out how hard mine was, but she did not pull back. She held her crotch against the outline of my hard cock. As we danced, our crotches rocked against each other to the rhythm of music.

“Mom, you are a very sexy woman,” I said, freely feeling up her ass. “You have a perfect ass, but that isn’t all. You also have a great figure. Is it 36D-24-36?”

“How did you know that?” she asked in surprise.

“You’ve been in my arms for the last half hour,” I said.

“You really pay attention,” she said.

“Of course,” I said. “I am now paying attention to your luscious ass. Do you like the way I massage it?”

We both knew well I was not massaging her ass; I was feeling it up like a horny teenager, and we both loved it.

“Yes,” she moaned.

“I love massaging tight curvaceous asses,” I said. “It’s what they were made for. Every girl or woman who’s ever had my hands on her hot ass, loved it, and I love it when the woman enjoys what I am doing.”

“Oh, I love it,” she moaned, gently but surely grinding her pussy into my hard bulge.

“It was very sexy of you to wear a thong,” I said, moving closer to her ass crack. “Your sexy ass deserves it.”

She did not show any resistance when my fingers started tracing her ass crack.

“Do you still think it was a mistake to accept my deal?” I teased.

“No,” she smiled.

“You are one of the sexiest moms,” I said as I raised my left hand and squeezed her right tit gently. She moaned and pushed her pussy into me. “You have full ripe tits. Despite being an ass man, I love massaging great tits.”

After gently kneading her tit for a few seconds, I returned my hand to her ass.

“Are you getting excited?” I teased.

“We both are,” she said softly.

“Is your pussy getting wet?” I whispered.

“Yes,” she hissed.

“My big cock’s also leaking,” I said. “It definitely likes your juicy little pussy.”

She trembled.

“Let’s go to the restrooms to clean up,” I said.

“Yes,” she hissed, reluctantly letting go of me.

Hand-in-hand, I led her to the restrooms.

“Let’s clean each other up,” I said, pulling her into the men’s restroom.

Before she knew what had happened, I had locked the large stall behind us.

“We shouldn’t be doing this,” she whispered.

“Just bend over and hold the rail,” I said. “I’ll clean you up and then you can do me.”

She reluctantly bent over. I stood behind her and, holding her hips, I ground my hard bulge into her ass. She soon started to moan softly and push back. She was disappointed when I stopped. I knelt behind her and hiked her dress up, exposing her ass in a thong. I kneaded her ass cheeks a little before lowering her thong to her ankles.

“You are so beautiful,” I said, kneading the flesh of her bare ass.

She moaned contentedly.

As I kneaded her ass cheeks, I spread her ass rhythmically and admired her cute pink asshole.

“Your ass is so pretty,” I said, holding her ass cheeks apart.

She gasped when my lips touched her asshole in a soft kiss.

“What are you doing?” she asked, stiffening.

“I am kissing your cute little asshole,” I said. “It’s mouthwatering.”

She relaxed a little, and I licked her asshole lightly, making her gasp.

“No one has ever done that to me,” she moaned.

“It’s so cute,” I said. “I have to kiss it and lick it. I love to eat sweet little assholes. Just relax and enjoy.”

Before long, she was grinding her ass into my face. Her asshole relaxed and nibbled my tongue tip. Within a few minutes, she was convulsing in orgasm, her asshole twitching against my probing tongue tip. I kissed her asshole gently as she recovered before I licked her drenched pussy dry. I took a few minutes to make her come again, gushing her tasty juices around my tongue.

She was still panting when I licked her excess juices and slipped my right thumb into her pussy. While pumping my thumb in her drenched pussy, I retrieved the lube from my back pocket. I pulled my thumb out of her pussy and squeezed lube onto it while drooling on her asshole. I gently pushed it into her anal orifice.

She grunted softly as my thumb popped into her asshole. I put the lube back and fished out my cock and balls. My engorged cock was leaking. She moaned softly and thrust her ass back against my thumb. I stood up and aligned my cock with her leaky pussy. When I shoved my cock into her pussy, she gasped and came. I held her hip with one hand and thrust in her while I reamed out her asshole with my thumb.

She had a wild orgasm. I pounded her shaking frame until her orgasm subsided. I slowed down until she recovered before I resumed fucking her harder.

“That was incredible,” she said, fucking back.

“*You* are incredible,” I said, fucking her even harder. “My big cock really likes your horny little pussy.”

With my cock pumping her pussy and my thumb drilling her asshole, it was not hard for me to make her come three more times. I licked her pussy and ass clean before I pulled her thong up and her dress down.

“Clean me up,” I said, waving my hard cock at her.

“It’s so big and hard,” she said when she saw my glistening cock throb before her mouth.

“Suck it,” I whispered.

She did not hesitate to take it in her mouth. Before long, she was taking me down her throat. I held her head and gently fucked her throat.

“I am going to come in your mouth,” I said softly. “Get ready to swallow it all. Taste it well before you do.”

Needless to say, she swallowed all I could offer, which felt quite a lot. She sucked my cock dry and licked it clean before she put it back into my briefs and zipped me up.

“You are a great fuck and a wonderful cocksucker,” I said as I pulled her for a long deep kiss. “I cherish the lips that suck my big cock and the mouth that swallows my hot sticky come.”

She panted for breath when we broke the kiss.

“I want to see your beautiful tits,” I said.

“Now?” she asked.

“Yes,” I said, pushing her straps down her shoulders.

As she stood there, I flipped her bra cups down, exposing her tits, held up by the bra.

“You should never cover these beauties when you are with me,” I said, teasing her stiff nipples with my thumbs. I lowered my mouth toward her left tit. “They are so pretty and mouthwatering.”

“This is unbelievable,” she moaned.

She gasped and held my head to her chest as I sucked her nipple gently. I alternated my mouth between her nipples several times, making them stand up proudly. Meanwhile, I slipped my left hand up her dress and massaged her pussy through her thong while I stroked her ass with my right hand. She moaned, rocking back and forth. I finally pulled her straps up her shoulders.

“You forget to cover my breasts,” she said.

“I didn’t,” I said. “I don’t want them covered.”

“Are you crazy?” she said. “My breasts are big, and my dress is thin. My nipples would be obvious.”

“No one would notice,” I said, teasing her stiff nipples through the thin fabric. “Just be a little cautious.”

“Nick, are you serious?” she said.

“Of course,” I said as I pinched her nipples through her dress, making her gasp.

“You are out of your mind,” she said.

“You need to go to the women’s restroom to freshen your lipstick,” I said. “We need to get back soon.”

She was still in shock when I led her out and let her go into the women’s restroom. I waited for her. When she returned, her stiff nipples were obvious. We walked back to the dance floor.

“Nick, we got carried away too much,” she said as I took her in my arms, feeling her nipples push into my chest, and we started to dance. “We should have never done what we’ve just done.”

“What we have done is past,” I said, cupping her ass. “Let’s not worry about the past. Let’s think about the future. Next time, I am going to fuck you in your hot tight virgin ass.”

“Nick, are you out of your mind?” she glared. “I haven’t even let your dad do that to me.”

“It wouldn’t be virgin if you had,” I said, squeezing her ass, “but I know you don’t want it to stay like that.”

“You are too big,” she protested. “Do you want to hurt me?”

“Of course not,” I said. “When I fucked your pussy, your body was silently begging for it, but before I fuck your ass, I expect you to beg loudly for it. Don’t worry; I won’t put it in your ass until you beg for it.”

“I don’t think I’d ever beg for your huge cock in my ass,” she said.

“Hey, if you don’t beg for it, you don’t get it,” I said. “Anyway, neither would you be the first woman to beg for it up her virgin ass nor would you be the first who’d think it was the best thing that had ever happened to her.”

“You sound too sure of yourself,” she said.

“It’s experience,” I said. “I know your ass was made for cock. I promise you it’s going to get it balls deep.”

“We’ll see about that,” she said.

“Of course,” I said. “You just need to take morning enemas daily so you won’t be apprehensive about my probing and delving deep in your hot virgin ass. That would also raise your anal awareness and health.”

“Who told you I’d be interested in that?” she asked.

“At this age, I know about these things without being told,” I said. “Trust me.”

“Don’t you get enough?” she asked when she felt my cock hard against her crotch.

“I never get enough of a good thing,” I said, “not to mention a wonderful thing.”

“Nick, you are a bad boy,” she said. “You are going to send me home dripping wet.”

“You can jump Dad’s bones,” I said. “I am sure Beth is sending him home harder than rock.”

"I'll try," she said. "What about you? You are harder than rock yourself."

"I guess I have to fuck Beth's ass open," I said. "The horny slut must be dying for it right now."

"Does she really like it that way?" she asked.

"She craves it that way," I said. "She'll kill me if I don't give it to her in the ass all night tonight."

"You are making me too horny," she said. "We have to go home before we fuck on the dance floor."

Beth came in dad's arms several times, grinding her pussy against his boner while he fondled her ass.

"Your dad was too happy when I lowered his hands to my ass," said Beth as we drove away. "He really enjoyed having me grind my pussy into his hard cock."

"Did you think he was a saint or an idiot to let that chance slip through his hands, so to speak?" I said.

"Of course not," she said. "I just thought he'd at least put some fake resistance."

"What kind of moron would resist after being teased with your cleavage all night?" I said. "I am proud of him for not raping you."

"What about you?" she asked. "Did your mom resist?"

"Of course, she did," I said. "She's my mom, but I easily neutralized her defenses thanks to Dad's taking your bait and fondling your ass. I fucked her silly in the restroom."

"You fucked her?" she asked, open-mouthed. "You are kidding, aren't you?"

"No kidding in this," I said. "With a mixture of pride and regret, I have to tell you that she's a better cocksucker than you are. You have to practice much more."

"She sucked your cock too?" she asked.

"She also swallowed my come to the last drop," I said.

"I guess you are more dangerous than I thought," she said. "Congratulations."

"Thanks" I said. "Verbal congratulations won't do though. I am so horny I have to take you to my place and fuck your ass hard all night long."

"Is that right?" she smiled, running her hand up my bulge.

"You can do better than teasing with your mouth," I said.

"I sure can," she said, smiling, as she reached for my zipper.

"You can use the practice too," I teased as she wrapped her lips around my hard cock.

She deep throated my cock for a few minutes before coming up for air.

"You were not kidding," she said. "There is a faint taste of pussy on your cock."

"Next time you suck it, there'll be a strong taste of your hot ass on it," I said.

"That will be after you make me come many times on your big cock?" she said.

"Yes," I said.

"I can't wait," she said.

Fortunately for her, she did not have to wait for long. We were very close to my apartment. She tasted her ass on my cock many times. She tasted her pussy too as I kept wiping her copious juices off her drenched pussy with my sticky cock at every chance I got.

When I finished with her, it was too late, so she spent the night with me. I naturally fucked her in the morning.

After I drove Beth home late in the morning, I called Mom.

“So, where is Dad?” I asked after a minute.

“He’s out like every Saturday,” she said.

“Have you taken your morning enema?” I asked.

“Yes,” she said lowly.

“Was it bad?” I asked.

“No, not really,” she said.

“I’d like to come by and spend some time with you,” I said.

“You are welcome, baby,” she said.

“Get yourself ready,” I said. “Dress up for me. I’ll make it worth your while.”

“Okay,” she said.

Before I drove to Mom, I stopped at a store and bought her lube and a sexy butt plug worthy of her ass. I also bought her a shelf bra, which did not cover the nipples, and an open-crotch thong.

When Mom opened the door, she was wearing a red short little tank dress. The neckline of her dress put half her tits on display. Her stiff nipples were clearly outlined by the thin fabric. I soon found out that she wore her bra like I had her do last night. The tight dress hugged her curves perfectly. Its hem hardly reached below her crotch, displaying her long sexy legs. She was wearing sexy red high heels.

“Is this for me?” I asked as I pulled her into my arms.

“Who else?” she said just before her lips met mine.

During the long deep kiss, my hands roamed all over her body, squeezing her tits, teasing her nipples, and fondling her ass. I discovered that she was not wearing any panties.

“Are you always hard?” she gasped as she broke the kiss, grinding her pussy into me.

“Do you know who’s making me this hard?” I teased.

“It can’t be little old me,” she said, stroking my hard cock through my pants.

“It is,” I said. “What about you? Are you always wet?”

“Only when I am with you,” she said. “My horny little pussy’s dripping.”

“Take my big cock out,” I said.

She smiled lustfully as she effortlessly fished out my cock and balls with her right hand. Meanwhile, I hiked her dress, exposing her pussy and ass. My cock extended between her thighs. She ground her leaky pussy on it.

“Guide it in,” I whispered, teasing her asshole with my fingertips.

She gasped as my cock head opened her wet pussy and slid in. I pulled her into me, driving my cock all the way into her. She grunted when I hit bottom. She was soon hanging off my neck as I held her ass and bounced her on my cock. After I made her come, I carried her up the stairs with my cock balls deep in her pussy. In her bedroom, I bounced her on my cock through another orgasm before I put her on the bed, her legs over her head.

The shopping bag was still in my hand. I put it on the nightstand.

“Have you become addicted to my big cock yet?” I teased.

“I am afraid so,” she gasped as I resumed thrusting in her pussy.

“Good for you,” I said, “and me.”

“It’s so good for me,” she moaned.

When I made her come, I knew her asshole would be drenched with her pussy juices.

“Finger your asshole,” I said, thrusting gently. “Loosen it up; I am going to play with it soon.” She tensed up. “Relax; I won’t fuck it today. I just want to tease it a little. It should already know that it belongs to my big cock.”

While she fingered her asshole, I made her come twice. She came harder than ever before.

“Did Dad fuck you last night?” I asked, fucking her slowly.

“Oh, yes,” she said. “He made me come five times, and he came twice. We haven’t done that in years.”

“Very good,” I said. “Did he tell you how many times he made Beth come in his arms on the dance floor?”

“No,” she said. “Did he?”

“Yes,” I said. “Did you tell him how many times I made you come?”

“I didn’t either,” she said. “What about you? What did you do to Beth?”

“I drilled her ass half last night and half this morning,” I said.

“Did you fuck her ass open?” she giggled.

“Yes,” I smiled. “Within a few days, you’ll find out what happens when I fuck your hot ass for hours.”

“I guess, I will,” she said.

“Do you want to swallow my come now?” I teased, slipping two fingers into her mouth.

“Yes,” she mumbled excitedly.

Holding her tightly, I pounded her pussy vigorously. When she came, I filled her pussy with come.

“I thought you wanted me to swallow your come,” she gasped after her orgasm subsided.

“I do,” I said. “I want you to eat it out of your pussy.”

“That’s nasty,” she said.

“You didn’t expect me to be here for a walk in the park, did you?” I teased. “You are going to be my slut. Is it too nasty for you?”

“I don’t think so,” she said. “I can do it.”

“Good for you,” I said. “It isn’t the nastiest thing you are going to do for me.”

“You are a bad boy, Nick,” she said. “I love this.”

“Take your finger out of your ass and suck it before you use it to scoop come out of your slimy pussy,” I said.

When she popped her finger out of her asshole, I drooled on her asshole and wormed my middle finger all the way in. While she scooped my come out of her pussy and ate it, I gently reamed out her asshole, feeling her fingers work on the other side of her rectal wall.

When she finished cleaning her pussy of my come, I pulled her fingers out of her pussy and sucked them.

“Spread your ass,” I instructed.

With her ass wide spread, I buried my face between her ass cheeks. I had her suck my finger while I ate her asshole through orgasm. I reached out and grabbed the shopping bag and retrieved the lube. I squeezed lube on her asshole and massaged it with my middle finger into her anal opening and rectum, working a generous amount inside her ass. She moaned as I fingered her ass. After a few minutes, I added more lube and squeezed a second finger into her ass. Her pussy leaked constantly as I pumped and twisted my fingers within her ass.

The view of her leaky pussy was too tempting to ignore. I lowered my mouth to her pussy and licked it, making her gasp. I teased her clit while I established a rhythm finger fucking her ass. She pushed her ass forth.

“You like how I finger fuck your horny ass, don’t you?” I teased.

“Yes,” she hissed, trembling.

“You’re going to love my big cock there,” I said, making her asshole twitch.

When she reached the edge, I removed my tongue from her clit and watched her face as I finger fucked her twitching asshole vigorously. She came hard, her asshole milking my fingers desperately.

While she recovered, I reamed out her asshole, getting it ready for the butt plug. I finally retrieved the butt plug from the bag and showed it to her.

“This is your anal exerciser,” I said. “It’ll help you get used to having your ass stuffed, and you can use it to exercise your anal and rectal muscles. It’s going to get your ass ready to swallow and enjoy my big cock.”

Her asshole naturally tightened when she saw her new toy. I continued to ream it out until it relaxed again.

“Do you want this beautiful toy in your hot tight ass?” I teased.

She nodded, her asshole twitching.

“Say, ‘please,’” I said.

“Please,” she said softly.

“Please what?” I teased.

“Please put it in my ass,” she gasped, her asshole twitching.

“Sure,” I smiled. “That’s what it’s for.”

Before obliging her, I spread a fresh coat of lube on her asshole. I lubed the glass butt plug and pushed it gently into her asshole, which dilated gradually, taking the blunt head in. I worked the head of the butt plug in and out, watching her asshole open and close. It looked so beautiful. She moaned happily.

“I like the way your sweet asshole winks as I fuck it with the butt plug,” I said.

“I like the way it feels,” she moaned.

Her asshole relaxed well within a few minutes. The thick part of the butt plug slid in and out of her asshole.

“Fuck it in and out of your ass for a few minutes before you leave it in,” I said.

“Okay,” she hissed. “It feels so good.”

While working the butt plug in and out of her asshole, I teased her pussy with my tongue, making her come. I finally left the butt plug securely rooted in her ass.

“How does it feel?” I asked.

“It feels good,” she said. “I feel totally stuffed.”

“Don’t take it out until Dad’s back,” I said, pushing my hard cock in her pussy.

Enjoying the pressure and tightness provided by the butt plug, I fucked her pussy.

“I’ve never felt so full,” she said.

“That’s natural,” I said. “Your hot ass has been neglected forever although it was made for cock.”

She had a couple of hard orgasms as I fucked her vigorously, feeling the base of the butt plug against my balls. I rolled us over, getting her on top of me in the cowgirl position.

“Ride it, cowgirl,” I urged. “Show me your lust. Show me what my big cock means to you.”

“It means the world to me,” she gasped as she started to bounce on my cock. “There’s no other cock like it.”

While she bounced on my cock, I helped her take her dress and bra off, setting her full tits free. I fondled her bouncing tits for a couple of minutes. We kissed deeply for a while. I then pulled her up and captured a stiff nipple in my mouth. While sucking her tits, I paced her ass. I held the base of the butt plug and stirred it within her ass.

After she had her first orgasm in that position, she collapsed on top of me. I worked the butt plug in and out of her ass. She rocked gently, and her pussy leaked freely. I held her ass tightly with my left hand so she could not bounce on my cock. She moaned, and I enjoyed the feel of the butt plug against my hard cock too. In several minutes, she started to grind harder against me. She finally had a hard orgasm.

“You drenched my cock and balls with your pussy juices,” I said. “You need to lick them clean.”

She complied obediently.

After she finished cleaning my cock and balls, I pulled her onto my cock. I fucked her to one last orgasm. While she came, I shot my come so hard into her pussy I thought it would reach her throat.

“I am coming so deep inside your hot pussy,” I said, slamming into her pussy.

“I am coming so hard,” she gasped.

We kissed lewdly while she squeezed her pussy, milking my cock for every last drop.

When she dismounted me, some come leaked out of her pussy onto my cock and balls.

“You need to clean my cock and balls again,” I said.

She obliged me eagerly.

“Wear the butt plug right after your morning enemas,” I said. “Use it for a couple of hours to relax and exercise your anal muscles. Alternate between squeezing your asshole and pushing out as if to eject the butt plug out.”

“Okay,” she said obediently.

“I want you to exercise while you listen to the service tomorrow,” I said.

“What?” she asked in shock. “You want me to wear it to church?”

“Yes,” I said.

“That’s blasphemous,” she said angrily.

“I don’t think there’s anything against wearing a butt plug to church,” I said. “Maybe you shouldn’t have sex at church, but wearing a butt plug isn’t even remotely sexual. It’s a physical exercise unless you play with yourself.”

“I’ll think about it,” she said.

“Great,” I said. “To get you ready for that, I want you to parade in the room while wearing the butt plug.”

She almost fell down when she took her first few steps. It was strange to have her ass stuffed tightly.

“It feels weird,” she said as she learned to walk with the butt plug up her ass, “but nice.”

“Do you think there can be any problem in going like this to church or work?” I asked.

“I don’t think so,” she said.

“Don’t forget to exercise your anal muscles as much as you can while wearing it,” I said. “It enhances the instinctive way your ass is going to milk my cock when I fuck it royally for you.”

“Sure,” she said.

“In this bag you’ll find the underwear to wear to church,” I said. “Shower first and then try it.”

We kissed deeply before I left.

“Nick, there’s no way I can wear this lingerie to church,” Mom said to me over the phone an hour later.

“Why not?” I asked.

“The bra doesn’t cover my nipples,” she said. “I can’t sit there my nipples clearly outlined.”

“If you don’t think about sex, your nipples will be soft and unnoticeable,” I said. “This is a very important test for your concentration. If you think about sex, your nipples will show and your pussy juices will make a wet spot on your dress. Don’t think about sex at church even as you exercise your anal muscles to ready your hot ass for my big cock.”

“Nick, don’t make me do that,” she begged.

“Mom, I know you can do it,” I said. “Trust me, and have some self-confidence.”

“I’ll have to think about it more,” she said.

“Take your time,” I said. “Concentration and daring are very important in your training. If you can’t do it tomorrow, we’ll have to work on it until you can. We can’t move on until you can do it. I’ll reward you for it.”

“Okay,” she said.

“Call me when you get back from church,” I said.

THE PHOTO SHOOT

On Saturday night, I took Victoria out. I brought her a black shelf bra and a matching thong in a gift box. I fucked Beth while her mom got ready for our date.

“Nick, we got carried away last time,” said Victoria, all dressed up and ready to go. “We can’t do that again.”

“Did you put on the things I got you?” I asked.

“Yes,” she hissed.

“Don’t worry,” I said. “We are not going dancing tonight. It’ll be a simple dinner and a movie.”

The movie was at my apartment. It contained a lot of glamour and sexy modeling.

When the movie ended, I switched the lights on. I grabbed my digital camera and started taking pictures of her. She started laughing, but she soon got into it and started to strike poses, still smiling. I started to arrange her poses, making her assume sexier poses with every picture. Before long, she learned to give seductive looks. I persuaded her to crawl on her hands and knees as I took pictures of her from every angle, especially from behind.

“Now, you need to change into this,” I said, handing her a tank mini dress I brought from my room, the hem of which would hardly reach below her crotch.

“No,” she protested.

“Come on, Victoria,” I said. “We have a long photo session. You’ll love it when you see the pictures.”

She finally took the outfit and went inside. I took that chance to switch my video camera on and adjust its zoom and angle for the best view of the modeling area.

When she returned, I whistled in appreciation. When she crawled on her hands and knees, the crotch of her thong peeked perfectly. Her next outfit was short shorts and a crop tank top. She hesitated a little before she took it. She started to enjoy modeling for me as I kept throwing compliments and whistles her way. I also took every chance to squeeze her ass or let my bulge brush over her hips or bump into her pussy as I adjusted her poses. She did not mind that except for gasping occasionally.

Since my focus was on her ass, I had her model outfits with short shorts, hot pants, V shorts, lace-up shorts, tie shorts, boy shorts and booty shorts. Each of those was matched with a revealing top like a string tank top, a halter top, a V bra top, a V key top, a lace-up top or a cut out bra top. We started with the least revealing and worked our way up. Needless to say, there was no hiding my boner. She giggled when she first saw it.

The outfit that I liked most had V shorts that fit her ass like a second skin. I had her do many poses in it. I squeezed her ass and cupped her tits every chance I got. I went as far as laying my boner between her ass cheeks and grinding into her a few times, but I wanted to go past modeling.

“Take off your top with your back to me,” I instructed.

“I am not sure I can do that,” she said.

“Your back will be my way,” I said. “I won’t be able to see your gorgeous tits. It would be a very sexy shot.”

She hesitated for several seconds before she decided to go ahead and lose her top. As her back was to me, she was facing my video camera, but she did not know that.

“Clasp your hands behind your head and keep looking away,” I said.

She obliged me, and I took a few pictures.

“Very nice,” I said. “Now, turn very slightly to the left.”

She did, and I took more pictures.

“Just a little bit more,” I instructed.

She continued to turn slowly, and I could gradually see the bulge of her left tit. We kept going until I could see the tip of her nipple.

“Now, I can see the beginning of your sweet nipple,” I said. “Please pinch it a little so it can stand out proudly.”

Her nipple was already stiff, but I wanted her to pinch it for me. After a little hesitation, she pinched her nipple and returned her hands behind her head.

“Very beautiful,” I said. “Now, get down on your knees, keeping your hands behind your head.”

Before long, she was on all fours. I had her turn around while I took pictures.

“Now, kneel on the sofa with your back to me,” I said. “Rest your forearms on the top of the backrest.”

She got onto the sofa, and I adjusted her pose. In the course of adjusting her pose, I bent over her and touched her head, tits, ass, pussy and legs in addition to accidentally grinding my boner into her ass. I took a few pictures of her like that, and then I put the camera aside.

“To make it fair, I am going to take off my clothes and stay in my boxers,” I said, taking off my shirt.

She turned around and sat on the sofa to watch me. I took off my pants and remained in my boxers.

“Since I don’t have anything as interesting as your tits and you are not completely naked, I decided to make it even by exposing this,” I said, popping my leaky cock head out of my buttoned fly.

She giggled hysterically as she saw that.

“Stay as you are,” I said, grabbing the camera.

She looked sexily at me as I shot a few pictures. I had her spread her legs and then place her feet on the sofa as I continued to shoot pictures. I finally had her return her feet to the floor and clasp her hands behind her head. I took a few pictures and then put the camera on a tripod and set it up for periodic shots. I walked to her and knelt between her feet. She was still holding her hands behind her head.

“Don’t move,” I said. “You are so beautiful, Victoria. Your nipples are so mouthwatering.”

As I held her waist with both hands, I popped her left nipple in my mouth, making her gasp and tremble.

“Oh, Nick, you shouldn’t do this,” she said, still holding her hands behind her head.

She started to moan lowly as I sucked her nipple gently.

“This feels so good,” she moaned, finally lowering her hands and holding my head to her chest.

For the following several minutes, I fondled her tits, switching my mouth from one sweet stiff nipple to the other. She moaned contentedly, holding my head to her.

“You are delicious,” I said, taking my mouth off her tits and standing up before her. “I can keep doing that all night, but it’s your turn to have fun. Lower my boxers and take a look.”

She hesitantly reached out and pulled my boxers down, letting my leaky hard cock pop in her face.

“It’s pulsing and leaking like your hot pussy,” I said. “Isn’t your pussy pulsing and dripping?”

She nodded, blushing.

“Have you ever seen a man’s leaky hard cock?” I asked softly.

“Yes,” she hissed, “long ago.”

“Do you like the way it looks?” I asked.

“Yes,” she hissed, nodding.

“It’s thrilling, isn’t it?” I asked.

She nodded, silently.

“Hold it and see how it feels,” I said guiding her right hand to my shaft.

She timidly held my hard cock in her hand, her fingers not long enough to wrap all the way around its thickness.

“It’s so thick,” she said lowly.

“Your daughter loves how it stretches her,” I said.

“Oh,” she said softly.

“Squeeze it gently,” I encouraged. “Test its hardness.”

She squeezed it gently, making it twitch.

“That feels so nice,” I said. “Can you see how hard you made it?”

She nodded.

“Now, hold my balls with your other hand,” I instructed. “Be very gentle as you hold them and palm them.”

She complied, alternating her eyes between my cock and my eyes.

“You are a fox,” I said. “You are making my big cock so hard and my balls so full and heavy. I like what you are doing very much. Are you enjoying what you are doing?”

She nodded silently, looking up at me.

“I think watching your lovely tits is making my cock so hard,” I said. “Clasp your hands behind your head and watch my leaky cock head intently as it touches your nipple.”

She obliged me.

“Good girl,” I said as I pushed my hips forward, making my cock head approach her stiff left nipple.

She watched intently as my cock head closed in on her nipple little by little. She gasped when my sticky cock head brushed her nipple. My leaking fluids made her nipple slippery as I rubbed it with my cock head. I soon moved my cock to her other tit and gave it the same treatment.

“Have you ever put a thick juicy cock between the sensual lips of your sweet mouth?” I asked softly, thrusting my cock in her face.

“No,” she whispered, her eyes glued to my pulsing cock.

“So, you have never savored the taste and the feel of a nice hard cock sliding smoothly in and out of your luxurious mouth?” I said.

“No,” she said, trembling.

“You are a sweet innocent girl,” I said. “I like that. Do you know what happens to good girls?”

“Yes,” she hissed.

“What?” I asked.

“They get rewarded,” she whispered.

“Have you ever been told that your fresh full lips had been perfectly made for sucking cock?” I asked, making her tremble, as I tilted her head up.

“No,” she hissed.

“They must have been too afraid to tell a prim and proper lady that she made them harder than most teenage sluts ever could,” I said. “I never rob a lovely woman of the compliments she deserves. Your entire hot body was made for carnal pleasures. You were made for sex. Any man would testify to that. I don’t think any man can say no to your taking his leaky hard cock in your adorable mouth and sucking it like a big pacifier. It’s also natural for a hot woman like you to have the desire to suck a big juicy cock like the goddess she is. Do you think you can do that?”

“I don’t know,” she said weakly.

“I know you can,” I said. “I’ll show you how. Open your lovely mouth wide.”

She complied.

Holding the back of her head, I gently pushed my cock head into her mouth.

“Now, close your sweet lips slowly,” I instructed.

She complied, making my cock twitch as it felt her innocent lips close around it.

“Good girl,” I said. “Now, suck it gently like a baby suckling its mother’s delicious nipple.”

She sucked my cock head tentatively.

“Yes,” I encouraged, my cock getting even bigger as she nursed its head.

As my fingers ran through her hair, she got more and more comfortable with sucking my cock head. I let her suck it for a minute before I popped it out of her mouth.

“Is sucking my big cock making your pussy hot and wet?” I asked, teasing both her nipples with my fingertips.

She trembled, blushing.

“Do you know why your pussy’s getting so hot and wet?” I teased.

She looked at me silently.

“Because you are a very hot woman,” I said, squeezing her pussy gently through the crotch of her shorts. She gasped and shivered. “A hot woman trembles and her pussy leaks freely in the presence of a nice hard cock. You are a naturally hot woman. Can you feel how hot you are?”

She nodded, my hand still cupping her pussy.

“Now, hold my cock and brush its head over your sensitive nipples the way you enjoy most,” I instructed as I stood up and brought my cock close to her tits.

She held my cock and moaned as she rubbed it over her nipples, switching from a nipple to the other. A minute later, she let go of my cock. I drooled between her tits and then laid my cock along her cleavage.

“Squeeze your big tits around my big cock,” I said.

She complied.

“Has anyone ever done this to you?” I asked, pumping my cock between her tits.

“No,” she said.

“This is called tit fucking,” I said. “Next time, I am going to fuck your lovely tits and come all over them. This time, I just want you to nurse my cock and have some fun. Put it back in your mouth, and suck it.”

My cock head was back in her mouth, getting sucked eagerly.

“Hold my shaft with one hand and hold my balls with the other,” I instructed. She obliged me. “Milk my big cock and palm my balls in rhythm with the sucking. I want you to be a great cocksucker.”

She soon established a rhythm, and I made gentle thrusts in her mouth in that rhythm.

“Allow my big cock to slide in and out of your mouth,” I said. “Let my big juicy cock fuck your sweet mouth.”

She relaxed her mouth and let me fuck it. She obviously was enjoying herself, occasionally moaning.

“You are doing very well,” I said, pumping my cock halfway in and out of her mouth. “You are obviously talented. You’ll soon become a hot cocksucker. You’ll love my big cock more than a baby loves his mom’s tits.”

She sucked my cock for several minutes.

“I want to come in your mouth,” I said. “Do you want me to?”

She moaned over my cock.

“Would you swallow my come to the last drop?” I asked.

She moaned her consent.

A minute later, I slowed down to a stop and popped my cock out of her mouth.

“Here is how we are going to do it,” I said. “You’ll open your mouth and stick your tongue out. Lay my cock head on the end of your tongue and, while holding my balls in your hand, stroke my shaft vigorously. It’ll soon shoot hot thick come into your mouth. When it stops shooting, taste the come well and swallow it. Can you do that?”

“Yes,” she nodded, excitedly.

“Good girl,” I said. “Let’s do it.”

She did it as I had described and swallowed my come, moaning happily.

“Suck it dry,” I said, pushing my sticky cock into her mouth.

She sucked my cock thoroughly.

“That was excellent,” I said, bringing my mouth to hers. “Your hot mouth deserves a big kiss.”

We shared a long feverish deep kiss. Her mouth naturally tasted of my come. While we kissed, I cupped her pussy with my left hand, feeling its heat and moisture through the crotch of her shorts. I rubbed her pussy a little, making her moan into my mouth. I gently slipped my hand down her shorts and started to finger her pussy. Within two minutes, she stiffened and gushed in my hand.

“I am coming,” she gasped lowly.

She convulsed uncontrollably, and I diddled her pussy until she went limp, gasping for air. I removed my sticky hand from her shorts and sucked my fingers thoroughly, looking in her eyes.

“Next time, I am going to return the favor, and you are going to come in my mouth,” I said.

She trembled.

She showered and changed back into her clothes before I drove her home. I gave her a big goodnight kiss.

A RELIGIOUS EXPERIENCE

Late on Sunday morning, I received a call from Mom that I was expecting.

“Nick, I did it,” Mom said excitedly when I picked up the phone.

“Very good,” I commended. “How did it go?”

“I didn’t understand a word there,” she said, “but I didn’t make a scene.”

“Excellent,” I said. “Now, you deserve a reward.”

“What’s my reward?” she asked excitedly.

“Come, and get it,” I said. “Come to me the same way you went to church.”

“I’ll be right there,” she said.

“I’ll be waiting,” I said.

Mom knocked on my door within an hour.

"Is that how your nipples were standing up when you went to church?" I teased when I let her in.

"Of course not, silly," she said. "I wasn't this horny then."

"Good girl," I said, pulling her into my arms.

We kissed long and deep, and I fondled her tits and ass. When we broke the kiss, we were both panting.

"Did you feel guilty about wearing a butt plug to church?" I asked, feeling the butt plug under her long dress.

"Not really," she said, shaking her head. "It's nobody's business what I wear under my clothes."

"That's right," I said. "The fact that I am going to fuck your hot ass is our own business too."

"My ass is my private property," she said. "I can share it with whomsoever I wish."

"That's right," I said, grinding my bulging crotch into hers, "as long as that person's me."

"Of course," she smiled.

Claiming her lips in another long kiss, I slowly pulled her long dress up until the hem was at the level of her crotch. Gripping the base of the butt plug with my right hand, I slipped the middle finger of my left hand into her wet pussy, making her gasp. I stirred the plug within her ass while I fingered her pussy with more fingers, making her shake and moan into my mouth. She thrust her pussy into my hand, bathing my fingers with her juices.

"You are so wet," I said, breaking the kiss. "You seem to have enjoyed going to church too much."

"Oh, yes," she gasped as I finger fucked her faster. "I didn't understand a word there though."

"Next time, you will," I said. "Wearing a butt plug will be a second nature to you after I fuck your hot ass."

She trembled and started to convulse in orgasm. I continued to finger her twitching pussy until she collapsed against me. I finally removed my dripping fingers from her pussy and licked them one by one, holding her eyes. I kissed her again, letting her taste her pussy on my tongue.

"Are you ready to suck my big cock?" I said, nudging her shoulders down.

"I am dying for it," she smiled, stroking the outline of my cock through my pants.

"Indulge," I said.

Naturally, my cock was mostly hard. When she set it free, it popped in her face and then into her mouth. Within a minute, it was rock hard. She held my hips and deep throated my cock for a few minutes, moaning happily. I held the back of her head and fucked her throat gently, allowing her to suck and massage my cock with her mouth. We alternated between those acts several times. I slapped her face with my sticky cock before I pulled her to her feet.

"I love to kiss the mouth of a great cocksucker," I said, pulling her for a long kiss.

She kissed back passionately, moaning into my mouth.

After breaking the kiss, I guided her to the sofa. I bent her over the back of the sofa and stood behind her.

"Show me your hot ass," I said as I hiked her dress, flipping it over her back.

The butt plug allowed a nice view into her dark pink rectum. Pushing the small of her back down, I slid my cock all the way into her wet pussy. She thrust her ass out and let out a long moan.

"Oh, yes, fuck me," she moaned as I held her hips and thrust in her pussy. "I've been dying for it."

"You are a good slut, aren't you?" I teased.

"Oh, yes," she moaned.

“While I fuck your pussy, I want you to think back to this morning and feel guilty for not paying attention to the service,” I said, fondling her tits through her dress. “I want you to imagine going to the priest and telling him that you didn’t pay attention because you were busy getting your virgin asshole ready for your horny son who loved your hot ass and wanted to sodomize you more than anything. Tell him that there was nothing he could do to keep you from indulging in the carnal delights of nice deep ass fucking. I want you to imagine what he’d say to you.”

Her pussy twitched as I talked to her. She trembled and came within less than a minute.

“Judging by your reaction, I think he told you that he envied your lucky bastard of a son,” I said. “Is that what you imagined he’d say to you?”

“Oh, no,” she said. “He told me that the only way for me to get forgiven is to let him sodomize me with his holy cock which I’d made rock hard.”

“What a horny priest!” I said. “What did you say to him?”

“I told him the farthest I’d go is to let him lick my asshole and finger it to make it ready for your big hard cock,” she said. “He said that was good enough.”

“I wouldn’t trust him,” I said. “I think it’s okay for me to sodomize you as long as you suck my big cock thereafter.”

“Maybe,” she said.

“Speaking of that,” I said, “why don’t you suck me so I can take you inside and check on your little asshole?”

She sucked my cock and licked my balls thoroughly before I led her to my bedroom. I helped her take off her dress and thong, exposing her tits, pussy and plugged ass while she still wore her bra. I bent her over the bed.

“You look so hot,” I said, admiring her luscious ass. “I love your ass.”

She giggled, wiggling her ass at me.

Standing behind her, I aimed my cock at her pussy and shoved it in, making her gasp. I fucked her gently while I unbuckled my belt and let my pants fall to the floor. I kicked them off, and my boxers followed.

“I am going to come on your amazing cock, Nick,” she gasped as her orgasm approached.

When she came, I laid her on the bed and lowered my mouth to her pussy. She spread her legs. I cleaned up her drenched pussy with my tongue and ate her through orgasm, drinking all her gushing juices.

She was still gasping when I pushed her legs over her head and guided her hands to her ass.

“Spread your hot ass, Mom,” I instructed.

She spread her ass eagerly. I carefully pulled the plug out just past the thickest part and then pushed it back in, watching her asshole stretch wide and then close around the groove. She moaned softly as I repeated that several times before I popped the butt plug completely out of her ass. Her asshole was well relaxed. I drooled on it and pushed two fingers all the way inside it.

“Your asshole’s all relaxed and ready to play,” I said, twisting my fingers within her ass.

Her asshole twitched.

Slipping my tongue into her leaky pussy, I gave her a long deep kiss. She moaned and oozed more juices onto my tongue. I sucked her juices happily.

“Don’t get nervous,” I said, gently sliding my fingers in and out of her asshole. “I am not going to fuck your ass here or now. I am going to fuck your virgin ass for the first time in your own bed. I just want to play with your little asshole and get to know it better. I want to make good friends with it before I ravish it with my big cock.”

“Okay,” she moaned lowly.

While I pumped and twisted my fingers within her asshole, I added lube generously and worked it into her rectum. I massaged the inside of her rectum with my fingertips. I established a nice rhythm, finger fucking her ass deeply. She moaned and tried to hump my fingers.

“Do you like what I am doing to your horny asshole?” I teased.

“Oh, yes,” she moaned. “It feels so good.”

“I can see that,” I said, wiping her dripping pussy with my thumb. “Your pussy’s leaking like a loose faucet.”

She trembled.

“Can you imagine how it’s going to feel when I slip my thick cock up your tight asshole and ream it out for you like it’s supposed to be reamed out?” I teased.

She gasped and came.

“I am coming,” she gasped.

Holding her clit under my thumb, I pumped my fingers in her ass vigorously until she started to calm down.

Adding more lube to her asshole, I squeezed a third finger in. She moaned. I sucked her clit gently as I slowly worked my fingers in and out of her asshole until she could comfortably take them all the way up her ass.

“You are stretching my little asshole so wide,” she moaned.

“You like that, don’t you?” I said.

“Oh, yes,” she moaned.

While fingering her asshole with three fingers, I gently licked her wet pussy and sucked her clit. She moaned, urgently pushing her ass for more. When she was close to orgasm, I pulled my mouth off her pussy and finger fucked her receptive asshole vigorously.

“Are you going to be a good slut and come for me?” I teased, looking at her.

“Yes,” she gasped.

She had a hard orgasm that left her panting while I gently twisted my fingers in her ass. I cleaned her drenched pussy with my tongue before I slipped the butt plug up her ass. It popped right in. I wiped the excess lube with soft tissues before I straddled her chest and pushed my cock in her mouth.

“Your ass is willing and able to swallow my big cock and have the time of its life,” I said

She moaned around my cock in consent.

“It’s going to get what it wants soon,” I said, making her tremble.

She eagerly sucked my cock as I gently fucked her throat for several minutes. I finally crawled back down her body, brushing and flicking her stiff nipples with my cock head. I rubbed her clit with my cock head, making her gasp, before I pushed my cock halfway in her pussy, making her moan.

“Do you want my big cock?” I teased, stirring my cock around in her pussy.

“Yes,” she hissed.

“It’s right in your pussy,” I said. “Get yourself fucked with it. Show me that you are a good cock-hungry slut.”

She adjusted her hips for maximum penetration and leverage and thrust her pussy into me, swallowing my cock deeply with every thrust. I kept myself motionless, smiling as I watched her.

“You like this,” she smiled, fucking eagerly, “don’t you?”

“I love it when your lust takes control of you,” I said. “I love to see you act like a horny slut.”

“Watch this,” she said, fucking herself harder.

“Very good,” I encouraged. “Come for me, my hot whore.”

“Of course, I am going to come for you, my pervert lover,” she gasped, her eyes losing focus.

She fucked herself as hard as she could, gasping. She soon gasped sharply and convulsed in orgasm.

“I am coming for your big cock,” she gasped.

“You are a good whore,” I said. “Come hard.”

She shoved her twitching pussy uncontrollably into my motionless cock, bathing it in copious juices. She finally went limp, her chest heaving as she panted.

Lowering my head to her chest, I gently sucked her nipples, switching my mouth from one to the other, while I pushed my cock all the way into her drenched pussy and ground into her. She ground into me, moaning as she held my head to her chest. Reaching under her, I removed her bra, setting her full tits free.

“Your tits are wonderful,” I said. “I want to fuck them.”

“Nick, you are a naughty boy,” she said. “You want to do everything to me.”

“I’d have to be a moron not to enjoy your marvelous body in every possible way,” I smiled.

“You are definitely not a moron,” she smiled. “You are a genius as far as I am concerned. I love it when a man enjoys my body thoroughly, especially you.”

“Rest assured I am going to enjoy your body more thoroughly than you’ve ever dreamed,” I said, admiring her lovely tits as she held them for me. “Are you ready to feel my big cock between your big ripe tits?”

“Oh, yes,” she said. “I am ready to feel it anywhere in and on my body.”

“You are a good slut, Mom,” I said.

Before I removed my dripping cock from her drenched pussy, I drooled in her cleavage. I straddled her and laid my cock between her lush tits. She squeezed her tits around my cock. I pulled a pillow and put it under her head before I leaned forward and started to fuck her full tits. She stuck her tongue out and teased my cock head whenever it emerged from her cleavage while kneading her tits as I fucked them. I occasionally pinched her nipples.

For the following fifteen minutes, I enjoyed her big tits, constantly picking up the pace. In the end, I was ready to come. I pulled my swollen cock out of her cleavage and let it spew thick ropes of come all over her tits.

“Yes, yes,” she urged, rubbing my come into her pretty flesh. “Come all over my tits.”

When I finished emptying my balls onto her tits, I wiped the tip of my cock on her tits and pushed my cock into her mouth. She sucked it dry as I pumped its firm shaft in her mouth until it became limp. I dismounted her, and she continued to massage her tits. She finally licked her sticky fingers.

“I hope you are not done with me yet,” she said hopefully. “I want you to come in my mouth.”

“Let’s sixty-nine,” I said.

She came three times in my mouth while she sucked my cock to full hardness. I occasionally pumped the butt plug in her ass, enjoying the way her asshole stretched and contracted around the clear toy. While she panted for air, I rolled her off me. I helped her onto her knees on the floor.

“Let’s give you what you want,” I said, pushing my cock into her mouth.

She eagerly took my cock in her mouth, and I fucked her mouth for several minutes before I gave her what she wanted. I spewed my come into her open mouth, and she swallowed it all before she sucked me dry.

We showered together, and I fucked her in the shower in the standing doggy position. I made her come a few times before I spewed my come all over her lovely plugged ass. She wiped the come off her ass and licked it off her fingers. She drained my balls in her mouth and licked my cock clean.

In the bedroom, I helped her put her clothes back on.

“On Monday, I naturally want you to wear the butt plug and this underwear to work at least till lunch,” I said.

“I don’t think that would be a problem,” she said.

“You are becoming such a hot slut,” I said, pulling her for a kiss. “I am so proud of you.”

“I’d do anything for my stud son,” she said.

We kissed our way to the door. I naturally could not keep my hands off her tits and ass.

“How is it going?” I asked Mom over the phone just before lunch on Monday.

“I am so wet,” she whispered. “I had to wipe my pussy several times.”

“Very good,” I said. “Take the rest of the day off. I’ll come over and check on you.”

“Okay,” she said.

“Replace your outer clothes with something very sexy,” I said. “I want you to look like the hot slut you are.”

“Okay,” she hissed.

Meanwhile, Beth made her way to Dad’s office just before he would go to lunch.

“Erin, don’t let anyone interrupt us,” she whispered to his secretary, winking. “It’s very personal.”

“You got that,” said Erin, smiling knowingly, as she noticed that half Beth’s tits were on display.

“You are a sweetheart,” said Beth just before she entered Dad’s office.

She locked the door before Dad had noticed.

“Oh, Beth, what a nice surprise!” said Dad, smiling at her, as he stood up.

She walked to him and hugged him, kissing both his cheeks.

“How are you, Mr. Callaby?” she asked.

“I am very good,” he said. “Call me Dan. How are you?”

“I am fine,” she said.

“You are very fine,” he smiled, noticing her braless tits. “Why don’t you sit down?”

“I want to sit down on your desk if you don’t mind,” she said, clearing space on his desktop.

“Sure,” he said.

“Please sit down in your chair,” she said as she plopped her ass onto the desk. He complied. “Come closer; I want to talk to you.”

He moved closer, and she put her feet on the sides of his chair outside the armrests. He could not see her bare pussy yet, but he surely could smell it. He saw her legs almost all the way to her crotch and liked the view.

“I am here on a mission,” she said.

“What mission?” he asked in surprise.

“I am here to find out where your son learned to eat pussy this good,” she said, taking him aback. “Is it from your side of the family or his mother’s?”

“If he’s very good then it has to be from my side of the family,” he said proudly.

“Are you saying you are a good pussy eater?” she teased.

“I know how to do it, and I love to do it,” he said.

“Show me,” she said, suddenly pulling her dress from under her and fully exposing her wet pussy.

He was mesmerized by the view of her young shaved pussy. It was all wet and mouthwatering.

“Aren’t you going to show me?” she asked.

“It’s so beautiful, but are you sure you want to do this?” he said. “You know, you are my son’s girlfriend.”

“We can talk about the weather if you want, but my horny little pussy would be mad at you,” she shrugged.

She moaned as she slipped a finger into her hot pussy and then teased her clit with its glistening tip.

“How do you like today’s weather?” she moaned, delving into her juicy pussy. “It isn’t so hot and wet, is it?”

He took her hand off her pussy and slowly sucked her slick finger.

“It sure isn’t as hot, wet, and delicious as your sweet little pussy,” he said.

“Show me how nicer than the weather my horny little pussy is,” she moaned, leaning back, as he lowered his mouth to her leaky pussy.

“I will,” he said.

“I am sure Nick wouldn’t mind if I let his dad eat my juicy pussy and came in his mouth a few times,” she moaned. “If you eat my pussy very well, I’ll return the favor and suck your big cock very well. I know you can make me come very hard. The other night you made me come a few times just by dancing with me. I liked the feel of your big hard cock against my horny pussy. I hope today I can feel it slide all the way down my throat. You probably wanted to fuck me that night right there on the dance floor, feeling my wet pussy so close to your hard cock. I am still virgin though. I haven’t even let your son fuck my pussy. I am keeping it for my wedding night. However, you can eat it and make it come all you want. Your son is the only guy I’ve ever let eat my pussy. I am so glad I did. I hope you are at least as good as he is. It’s so nice to have a man dive between my legs and eat my juicy pussy like his life depends on it. Nick says my pussy’s the sweetest thing he’s tasted. Is that how it tastes to you?”

He growled like a hungry wild animal.

“I am glad you are enjoying yourself,” she moaned. “Slurp all my juices. There’s more where this came from. I am so happy I have a delicious pussy. Your son has good *taste* in pussy. I like the taste of his big cock too. I am sure your cock tastes good too. I want you to enjoy my pussy very much because I am sure going to enjoy your hard cock very much. I’ll make sure you’ll enjoy that too. I’ll show you how well your son has trained me to suck cock. Most people can’t believe I am a great cocksucker. They think I am too innocent. I’d been innocent before I met your son. He corrupted me. I thought my girlfriends were wild. He made me do things that made them look lame.”

She moaned and gasped, grinding her pussy into his face.

“You really know how to eat a horny girl’s little pussy,” she moaned, pulling his head into her pussy and squeezing her thighs around it. “You are going to make me come. I’ll be visiting you here very often.”

He ate her hungrily, soon making her come and gush in his eager mouth.

“I am coming in your mouth, Mr. Callaby,” she gasped. “Drink all my gushing juices. I have more.”

He licked her pussy gently after her orgasm subsided.

“What a tasty pussy!” he said, briefly taking his mouth off her pussy.

He lapped her copious juices gently until she recovered.

“Don’t stop,” she moaned. “You are slowly but surely making your point.”

Within the next ten minutes, he made her come in his mouth twice.

“Lick my asshole,” she moaned, pulling her legs over her head and spreading her ass with both hands. “I like to have it eaten no less than my pussy. Your son has corrupted it and turned it into a horny little orifice.”

He did not hesitate to slide his tongue down to her pink pucker, making her gasp.

“You have a pretty asshole,” he said.

“Enjoy!” she smiled. “Your son says it’s even more delicious than my pussy.”

He made her come twice in fifteen minutes. She did not stop talking dirty to him.

“Stick a finger up my ass,” she said. “Lick my clit while you finger fuck my hot tight asshole.”

He drooled on her asshole and gently pushed his middle finger in. He was soon finger fucking her ass briskly while sucking her clit. She came in less than five minutes.

“Dan, there is another thing about your son,” she said. “He’s an anal fiend. I am still virgin, but he fucks me up the ass every chance he gets. You’ve probably noticed I am not too tight back there. Is that how you fuck his mom?”

He was taken aback and he was silent for several seconds, his finger lazily sliding in and out of her ass.

“Unfortunately not,” he finally said. “I’ve always wanted to do that, but I’ve never got the nerve and she’s never shown any interest.”

“That’s too bad,” she said. “If she ever tried it she’d surely love it. I’m afraid your son might beat you to it. He’s a very horny guy, and he loves hot virgin asses.”

“Oh, no,” he smiled stupidly. “I’ve had more than my fair share of asses before I met his mom.”

“I’m sure you have,” she said, “but I meant his mom’s virgin ass.”

“What are you talking about?” he asked, his finger stopping in mid stroke in her ass.

“For all we know, he could be fucking his mom up the ass as we speak,” she shrugged. “I am sure he likes her ass, and I don’t think she can resist his big juicy cock.”

“There’s no way that could ever happen,” he smiled. “I wouldn’t believe it even if I saw it.”

“You say this because you don’t know him,” she said. “Have you even thought he could be doing it to me? I am a nice religious girl who’s pledged to stay virgin to her wedding day. I am still technically virgin as it is, but your son has spent many a solid hour pounding his big fat cock up my horny appreciative ass like you wouldn’t believe. My mom’s a conservative religious woman who’s very active at church. She’d kill my dad if he even mentioned her ass, but your son has been after it for a couple of weeks, and it seems that he’s going to get it this weekend.”

“You don’t mind that he’s after your mom’s ass?” he asked in shock.

“Why would I mind his pleasuring my mom?” she said. “She surely can’t steal him from me just like his mom can’t. He’s just showing nice neglected wives a very good time. I love him for it.”

“What an understanding girlfriend!” he said.

“He’s an understanding boyfriend too,” she said. “I’m sure he wouldn’t mind your eating my hot pussy and ass or my sucking your juicy cock all we want.”

“How nice!” he said.

“Now, let me suck your cock,” she said, scooting off his desk. “I’m sure it’s all hard and ready.”

“Oh, it is,” he said, pulling back to allow her room to get between his knees.

“Are your balls full of hot creamy come?” she teased, adjusting her position between his knees.

“Oh, yes,” he said.

“I am dying to get it all the way down my throat,” she said. “Your son taught me to love sucking cock. I took to it like a duck to water. Do you want me to give you a long deep blowjob and finally swallow your hot come?”

“More than anything,” he said.

“I am just making sure my advances are welcome,” she said, stroking his bulge through his pants. “The last thing I want to do is get my lips wrapped around a hard cock of a man who doesn’t want my mouth there.”

“I am a gentleman, and you are a nice young lady, Beth,” he said. “There is no man in the world who wouldn’t welcome you to his cock. Anything you do is welcome.”

“I was counting on that,” she said, fumbling with his belt and fly.

“You can always count on me, baby,” he said.

“Oh, look at that,” she smiled as his hard cock popped out of its confinement. “You have a big juicy cock like your son. I am going to enjoy sliding it in and out of my throat. Be warned, this is not going to be a one-minute blowjob. I am going to spend at least half an hour slobbering on this mouthwatering specimen before I let you shoot your hot come against the back of my throat.”

“Take your time,” he said. “I’ve never been a fan of one-minute blowjobs anyway.”

“This won’t be my only time I suck your appetizing cock either,” she said.

“You are welcome to it anytime,” he said.

“I am just wondering how your secretary isn’t taking advantage of this big juicy cock of yours,” she said, stroking his cock. “Does she ever suck it for you, or is she gay?”

“Of course not,” he laughed. “She’s a sexy young woman, but she’s married.”

“Leave that to me,” she said, teasing his balls. “I am going to arrange a daily blowjob for you. There is no need for your lovely cock to be neglected when I am not around. We’ll talk about the terms and conditions of that later.”

“You are a wonderful lady, Beth,” he said as she licked the leaky tip of his cock.

“If you like me, thank your son,” she said. “I was the most prudish girl in the world when I met him. He seduced my mom much more easily than he seduced me. It took him a couple of months before I gave him his first kiss.”

“That’s unbelievable,” he said. “He sure did a great job though.”

She just moaned over his cock as she sucked its engorged head into her mouth. She licked his balls and shaft all over before she allowed his cock to slide all the way down her throat, making him moan. She deep throated him for a minute before she pulled back.

“So, are you going to find out?” she asked as she looked up at him, stroking his cock. “Why don’t you call home and find out whether your horny son’s really banging his hot mom up her tight little ass while you are at work?”

“I am not sure it’s a good idea to do that while you suck me,” he said. “That’s practically impossible. Besides, he and his mom are supposed to be at work now.”

“You said it,” she said. “They *are* supposed to be at work, but we don’t know they really are.”

“I am sure no one’s home now,” he said.

“Well, I am not going to put your cock back in my mouth until you pick up the phone and dial home,” she said. “It’s your choice.”

She licked his balls and kissed his cock all over. She teased his cock head with her tongue tip without ever taking his cock in her mouth.

“Wise choice,” she said as he picked up the phone.

She swallowed his cock down her throat before he started dialing his home number.

At that time, Mom and I were in her bedroom. She was on her hands and knees on the bed, and I was kneeling behind her, thrusting my cock deep in her bucking ass. I was moaning, and she was moaning and gasping. When the phone rang, she stopped moving momentarily.

“Let it ring,” she said as she resumed shoving her ass back into me.

“It may be important,” I said, reaching for the handset, which I earlier made sure was in arm’s reach.

It was dad’s number. I smiled as I pressed the talk button. I knew where his cock should be. Mom stopped moving. I kept thrusting in her ass. She gasped softly, rocking gently.

“Hello,” I said as I reached for mom’s right tit and started to knead it and pinch her thick nipple.

“Nick?” he said, surprised.

“Dad?” I asked. “Yes, Dad, it’s me.”

Mom naturally pulled away, but I pinched her nipple hard and pulled her back, thrusting forward.

“What are you doing?” he said. “Aren’t you supposed to be at work?”

“Yes,” I said, twisting mom’s nipple. “I took the rest of the day off and thought I’d visit Mom.”

“Isn’t she at work,” he asked.

“No,” I said. “She wasn’t concentrating well at work, so she decided to take the rest of the day off.”

“Is she feeling well?” he asked a little concerned.

“She’s feeling very well,” I said, giving mom a hard thrust. “She just didn’t feel like working today. I thought we could spend some quality time together. You know, I like to spend time with her every once in a while.”

“That’s nice,” he said. “Is she around?”

He moaned after he said that.

“Are you okay?” I asked.

“Yes, I am fine,” he said, moaning again. “Is she around?”

“Or course,” I said. I gave the handset to Mom. “Mom, it’s for you.”

She was irritated. She took the handset and moved away, but I pulled her ass back with both hands.

“You are not going anywhere,” I said lowly. “I am going to keep fucking your hot ass throughout the call.”

She trembled.

“Hello,” she said, holding her ass still for my thrusts.

The volume was high enough for me to hear.

“Hi, honey,” said Dad.

“Hi, darling,” she grunted as I slammed into her ass.

She glared back at me.

“Are you okay, honey?” he asked as I pulled her upright by her tits so she was on her knees before me.

“Yes, darling, I am okay,” she said as I fondled both her tits and teased her stiff nipples.

He moaned.

“Are you okay, yourself?” she asked.

“Yes, I am fine,” he said. “Maybe there is something wrong with the line.”

She gasped sharply when I tickled her clit.

“Did I hear you gasp?” he asked.

“Why would I gasp?” she said as I continued to tease her clit. “The line could be picking up noise.”

“Anyway, is there anything you want me to get on my way home?” he moaned.

“No, thanks, honey,” she gasped. “I am fine here.”

“I love you, honey,” he said.

“I love you too,” she gasped. “See you soon.”

Mom came within seconds of hanging up. She fell forward onto her hands, and I slammed her twitching ass into multiple orgasms. It took her a few minutes to catch her breath as I gently thrust in her ass.

“That was close, you bastard,” she admonished. “You almost made me come while on the phone with him.”

“I had fun trying,” I smiled.

“What would I tell your dad if that happened?” she said.

“You’d have to hang up before he could hear it and tell him that the line got disconnected,” I said. “Don’t tell him you disconnected it. By the way, that would never happen if you were not enjoying yourself too much. You loved getting my big cock in your hot slutty ass while talking to your husband, didn’t you, my horny slut mom?”

“Oh, yes,” she said. “It was the most thrilling experience of my life.”

“There is something you still don’t know about this,” I said. “Maybe he was moaning because Beth was sucking his cock. You know the line wasn’t picking up any noise. The line was crystal clear.”

“You bastard, you set us up?” she glared.

“Of course not,” I said. “I just wanted to be fair. Beth told him that I was probably drilling your ass while he was at work. That’s why he called. You know he didn’t call to get you anything on his way home; he never does. He knows you have your own car, and he couldn’t even know you were home anyway. He probably doesn’t believe it, but he has some suspicions. You also probably don’t believe that he now has his cock balls deep down Beth’s throat, but you have some suspicions. I want you both to have fun without jeopardizing your marriage.”

“That’s really dangerous,” she said.

“Hot sex doesn’t come for free,” I said. “Don’t panic though. I am going to finish with your hot ass before he comes in her mouth and decides to check on us.”

“Yes, baby,” she said. “I haven’t had enough of your lovely cock up my horny ass.”

“I told you he could be fucking her up her tight ass and you didn’t believe me,” Beth said to Dad. “Didn’t you hear her moan and gasp?”

“That could be noise picked up by the line,” he said.

“Yes, right—just like your moans which were picked up by the line,” she teased. “I think I know your secret.”

“What secret?” he asked.

“You like the idea of having your horny son fuck his slut mom up her hot ass, which she’s never given you,” she smiled. “I can feel your cock swell when I mention it. You can never deny that with your cock in my mouth.”

“It’s an interesting idea,” he said.

“Does it turn you on?” she teased.

“Yes,” he said.

“Do you wish it were true?” she pressed. “Do you wish he’s really banging his slut mom’s horny ass right now?”

“Yes,” he hissed.

“You don’t know how her ass would look with his thick hard cock stuffing it to the brim again and again,” she said. “I know how it looks. I saw him do it to Lynn. I filmed it too. I also saw how my ass looks with his big cock pounding it hard and deep. I saw it on film. Lynn filmed it.”

“That’s wild,” he said as she sucked his cock.

“There is another thing that you can never know,” she said. “That’s how it feels to a woman to get fucked up the ass. I know that feeling very well. Your son spends hours at a time pumping his hard cock in my horny ass. Once he puts it in my ass, neither of us can get enough of it.”

“I take it that my son’s a great lover,” he said.

She kept swallowing his cock in her mouth whenever she was not talking.

“Oh, yes,” she said. “He also has a unique way with girls. I’ve always thought I was a good girl and I had never thought I’d ever put my face near a man’s cock, and here I am sucking you, my future father-in-law.”

“I am surprised,” he said, “but I am not complaining.”

“Do you still think I am a good girl?” she asked. “Do you think I am a slut?”

“Of course, you are a good girl,” he said. “As long as you don’t hurt yourself or others, there’s nothing wrong with having some hot fun.”

“Would you think your wife was a slut if she let her son fuck her in the ass and not let you?” she teased.

“I don’t think so if they were discreet and considerate,” he said, his cock jumping in her mouth.

“Don’t you think that would be cheating?” she asked.

“Not if my cock was in your mouth,” he laughed. “Cheating isn’t this perverse. Cheating’s when you do something behind your partner’s back that your partner would not approve of. I think I’d approve of a thoughtful relationship between my wife and son where they’d enjoy each other’s horny body.”

“I like the way you think,” she said. “I am now ready to drink your come, but I am not going to let you come in my mouth until you promise me two things so we can do it every once in a while.”

“Sure,” he said. “What?”

“First, whenever I suck your cock, you have to fuck your wife within twenty-four hours,” she said. “Second, you can’t fuck her ass because Nick’s going to take care of it for her.”

“I promise,” he said without much hesitation with his cock down her throat.

“For your being a gentleman, I have two promises to make to you,” she said. “I am going to arrange a daily blowjob for you, and I am going to arrange a weekly ass fuck for you.”

“Can you really do that?” he asked.

“I don’t break my promises,” she said. “Now, are you ready to feed me your hot come?”

“I am sure you already know how ready I am,” he said.

“Of course I do,” she smiled. “I am so hungry for it too.”

After she swallowed his come and sucked his cock dry, she gently wiped her lips on his briefs and tucked his cock in. She turned around and bent over his desk, hiking her short dress and thrusting her ass in his face.

“Lick my asshole and stretch it with your fingers,” she cooed. “I want to tell your son that you’ve prepared my ass for his big cock. I want you to practice too, so one day you can prepare your wife’s ass for him.”

“You’re a very hot girl, Beth,” he said, spreading her ass cheeks. “Your pussy’s drenched too.”

“Please lick it clean,” she moaned. “I don’t want to leave a wet trail when I leave.”

“I’ll gladly help you with that,” he said.

“It should be fun too,” she moaned.

He kept licking her pussy until she came in his mouth, showing her gushing pussy into his face. He held her trembling frame steady and licked her pussy dry before he moved his tongue to her asshole.

“Lick my horny asshole, and get it ready for your horny son’s big cock,” she moaned.

He licked her asshole, probing its relaxing ring with his tongue, until she came again, her asshole twitching around the tip of his tongue. As he licked her wet pussy, he worked a finger into her glistening asshole.

She reached into her purse and retrieved a bottle of lube.

“You can use this on my asshole,” she said, placing the lube next to her ass on the desk.

“I see that you are well prepared,” he said.

“I have to be,” she said. “Your son leaves me on my tiptoes. He may want to fuck me in the ass at any time.”

“Is he that horny?” he asked.

“More,” she said. “He always carries a small bottle of lube in his pocket too.”

“Do you think he used that on his mom today?” he asked.

“I am sure of that,” she moaned as he applied lube to her asshole. “There’s no way his big cock can fit in her virgin asshole any other way. It would take real skill to make it fit up her little asshole with a ton of lube too.”

He patiently and thoroughly lubed her asshole and reamed out her sphincters with one, then two, and finally three fingers. She moaned, thrusting her ass into his slick fingers. He finger fucked her ass faster and harder, making her come again. She convulsed and gasped while her asshole twitched madly around his fingers. He gently twisted his fingers within her asshole while he cleaned her drenched pussy with his tongue.

“Here, put this in,” she said, handing him her butt plug out of her purse. “It can keep my asshole open and not let your hard work go to waste. I enjoy wearing it everywhere too.”

She moaned as he slipped the glass butt plug up her relaxed asshole.

“What a sexy butt plug!” he said. “I can see all the way up your ass. It looks beautiful.”

“That’s the point,” she said. “It also allows me to warm up my muscles before they get to milk his big cock.”

“Very nice,” he said.

“Yes, I love it,” she said as she straightened her dress. “I am sure he’s got your wife one like it.”

“Do you think so?” he asked as she turned around to face him.

“I am sure of that,” she said, guiding his hands to her top. “I know you are going to look for it. If you can’t find it, she could be wearing it. Promise me you won’t mention it if you come across it. Just enjoy the warm feeling that someone’s indeed taking good care of your loving wife’s hot tight ass. It’s something to be happy about.”

“I promise you I won’t make a scene,” he said, kneading her tits through her thin top.

“Thanks, Dan,” she said, stroking her knee against his crotch. “I am sorry I blew away your lunch break.”

“Don’t be,” he said. “It was the hottest lunch break I can remember.”

“So, do you want me to do it again soon?” she teased as she touched up her lipstick.

“Please do,” he said.

“Oh, I will,” she said. “Remember to fuck your wife tonight. She must be horny. I am sure your call scared your son from spending the whole afternoon pounding her horny ass. He must have flooded her bowels with his hot sticky come and left hurriedly. If you pay a little attention, you can see that her tight asshole has been reamed out well. It won’t have enough time to recover. Enjoy.”

His eyes followed her twitching ass as she sauntered out toward the door of his office.

“You are a wonderful lady, Beth,” he said as she unlocked his door.

“You are a wonderful man too,” she said, smiling wide at him. “I really enjoyed this visit.”

“Thanks, Erin, for allowing us private time,” said Beth, bending over to show Erin the cleavage of her braless tits to give her a hint of what had happened inside. “I am taking you to dinner tonight.”

“Thanks, Beth, but I can’t come,” said Erin. “I didn’t tell my husband I’d be late.”

“There is a phone on your desk,” said Beth. “Tell him you are having dinner with a friend. I’ll pick you up when you get off at six.”

“I am not dressed for dinner,” said Erin.

“You are dressed just fine,” said Beth. “Just don’t tell him your friend isn’t wearing any underwear under her dress so he won’t be jealous.”

Erin blushed.

“I’ll pick you up,” said Beth. “Don’t stand me up.”

Beth kissed Erin on the cheek and left.

As Beth expected, I fucked mom's ass for another half hour before I pumped my come as deep as I could up her twitching bowels. I quickly replaced my softening cock with her butt plug.

"Keep it here until he's home for an hour," I instructed. "Only take it off if he wants to make love to you."

"I will," she said, "but I don't think he'll want to make love to me tonight."

"Not if Beth sucked his cock," I said as I pulled her head to my sticky cock so she could clean it up.

She licked my cock clean and sucked it all the way to hardness before I gently pushed her away.

"Did you enjoy getting your hot virgin ass fucked?" I teased.

"Like you don't know it was the best sex of my life," she smiled.

"Now that I know that I can have you whenever I want, you are going to get used to this," I said.

"I think I can get used to it," she smiled, stroking my hard cock. "This is the only cock that's ever been up my no longer virgin ass."

"I want it to stay this way," I said.

"Of course, it's going to stay this way," she said. "I can't let your dad know I've become an anal whore."

"Anyway, to check whether he really had his cock down Beth's throat, look for traces of her lipstick on his underwear, but don't let on," I said.

We kissed deeply before I left, letting her go to the shower.

"I am dying to get your big cock up my ass," cooed Beth when we met at my apartment. "Your dad did a great job getting my horny ass ready for you. He made me come twice just doing that."

THE SECRETARY

Beth and I fucked for an hour and then relaxed for a couple of hours before we got ready to pick Erin up. As Dad said, the only problem with Erin was that she was married—to a very lucky guy. I drove them to a nice restaurant and dropped them off to pick them up about an hour later.

"Take us to your place," said Beth when I picked them up. "Erin has never watched. I hope you wouldn't mind if she watched while you used me like the hot little slut I am."

"I'd be delighted," I said.

Beth motioned Erin to sit on the sofa, and we sat on the loveseat.

Beth and I started kissing and feeling each other up. My left hand soon made its way up her thigh and stopped on her bare pussy. Erin could see my hand massage Beth's pussy while Beth stroked my hardening cock through my pants. We continued to kiss as I slipped my middle finger into Beth wet pussy, making her moan into my mouth. After breaking the kiss, I sucked my finger.

"Let's give our audience a better view," said Beth as she got up and led me by the hand toward Erin.

Beth sat next to Erin and started to squeeze and stroke my bulging cock through my pants.

“He’s so hard,” Beth said to Erin, pushing me aside toward her. “He’s always like that. Why don’t you set the monster free and see what it looks like?”

Erin blushed and did not move.

“Let’s do it together,” said Beth, reaching for my belt.

Beth unbuckled my belt, unzipped and pulled my pants down to my knees.

“You pull down his briefs,” she said. “He’s already making a wet spot. The poor thing needs to be set free.”

Erin did not move.

“You have to do it,” said Beth. “Don’t be shy, and don’t wait until he’s soft.”

Beth waited for several seconds. When Erin found out that she had to do it, she tentatively reached for the waistband of my briefs and gently pulled them down, letting my hard cock pop in her face.

“I found out today that he’s taking after his dad,” said Beth, stroking my shaft. “His dad’s slightly thinner and longer. I wouldn’t have noticed that had I not been sucking Nick’s fat cock day in and day out. It’s beautiful, isn’t it?”

Erin nodded silently.

“Hold it,” said Beth, guiding Erin’s hand to my cock. “Feel its hardness and warmth.”

After some hesitation, Erin held my cock.

“Stroke it,” said Beth, moving Erin’s hand back and forth on my cock.

While Erin stroked my cock tentatively, Beth helped me get out of my pants and briefs.

“Doesn’t your mouth water as you see this big juicy cock leak tasty sex juices?” asked Beth.

“Yes,” hissed Erin, nodding.

“What are you then waiting for?” asked Beth, nudging Erin’s head forward. “Help yourself. Suck it.”

Finally, Erin parted her hot lips and let my cock in as I pushed forward. My cock twitched when she closed her lips around it. She sucked gently. I placed my hand on the top of her head and pushed forward, meeting her strokes. She got into it little by little, sucking my cock deeper and deeper and with more eagerness,

“You are a very hot woman, Erin,” I said, thrusting in her mouth. “Your hot lips are perfect for this.”

Erin she could not swallow my entire shaft though. We established a nice rhythm, enjoying ourselves immensely, as I ran my fingers through her hair.

“Don’t stop, baby,” I said. “This feels so good. You really know how to suck cock with your hot mouth.”

“You sure like sucking that big juicy cock,” teased Beth. “You must like how it drools in your mouth.”

Erin moaned over my cock.

“This sweet mouth was definitely made to suck cock,” I said. “This is what I thought the first time I saw it, but I’ve never dreamed I’d ever have the privilege of feeling it around my big cock. I must be one lucky bastard.”

“You are indeed one lucky bastard,” said Beth, “going around fantasizing about shoving your big hard cock down prim and proper married women’s throats.”

“Hey, it was an innocent fantasy,” I said. “I am sure it didn’t hurt anyone that I fantasized about this hot woman sucking my big cock and letting me come all over her pretty face. I wouldn’t have admitted it had it not been realized.”

“How many innocent married women have you fantasized about shoving your big hard cock down their throats and splattering their sweet faces with your hot thick sticky come like they never let their husbands do?” asked Beth.

“Only the ones with pretty faces, sweet mouths, hot asses, and killer bodies like Erin,” I said. “Trust me; there aren’t many women like that around. She probably appreciates the fact that I think she’s a sex goddess and fantasize about her tempting body. Don’t you, Erin?”

“Yes,” hissed Erin, blushing, as she took my cock out of her mouth for the first time.

“Look at me, you pretty thing,” I said, tilting her face up. “You are so beautiful. Beth must be jealous.”

She blushed as I held her eyes, brushing my cock head over her sensual lips and pretty face.

“Stick your tongue out,” I instructed.

She stuck her tongue out, and I playfully flicked my cock head on it before I slid my cock back into her mouth.

“You are so pretty, Erin,” I said, thrusting in her mouth. “You look so sweet and adorable with your full lips tightly wrapped around my thick cock as you suck it like the luscious wench you are.”

She blushed, moaning over my cock.

“Suck my big cock, you sweet cocksucker,” I said to her as she resumed sucking my cock. “Make Beth jealous.”

“She’s only making me horny,” said Beth. “I am soaked. The poor woman’s pussy must be drenched too.”

“A hot woman’s pussy leaks like a loose faucet when she sucks a big hard cock,” I said. “I’ll gladly lick up her luscious pussy juices when it’s my turn to return the favor. A good guy and a gentleman, I always do.”

Beth noticed that Erin was reaching her depth limit. She was not able to take my cock any deeper.

“Open your throat and take it in deeper,” advised Beth. “It would feel so nice to have your throat fucked.”

Erin tried, but she gagged.

“Let me show you,” offered Beth.

Erin pulled back, and Beth took my cock in her mouth. She effortlessly swallowed it all and deep throat it, sliding it all the way in and out. Erin was mesmerized by the way my cock fucked Beth’s throat for a couple of minutes. My entire shaft glistened in its thick saliva coat.

“Slobber on it,” advised Beth. “When you feel your gag reflex, open your throat and swallow it in.”

My happy cock went back and forth between Beth and Erin as Beth continued to coach Erin. It took Erin several minutes to be able to overcome her gag reflex. Her face lit up when she did.

“Excellent,” I complimented. “I told you your sweet mouth was made for cock sucking.”

“Congratulations,” said Beth. “Welcome to the deep throat club. Now, you can enjoy sucking big fat cocks.”

Erin eagerly practiced her newly learned skill, improving by the second. I soon started to thrust in her throat. She was able to let me fuck her throat. Fifteen minutes later, I was ready to come.

“Erin, do you want to let him come all over your face like he’s been dreaming since forever?” asked Beth.

Erin moaned her consent over my cock.

“She’s being so good to you,” said Beth. “She’s a real sweetheart. You’ll be as nice to her, won’t you?”

“She’s so sweet I am dying to taste her and be even nicer to her,” I said.

“Let me help you with your clothes, so you don’t mess them up,” Beth said to Erin, reaching for her top.

Erin cooperated while still sucking my cock. Beth took off her top and bra.

“You can keep your panties on,” said Beth, reaching for Erin’s skirt.

Erin was soon in her panties.

“You are really soaked,” said Beth, looking at Erin’s sticky panty crotch.

Erin’s tits were obviously full. I pulled back to take a look at them. They were as pretty as the rest of her.

“Can I fuck your gorgeous tits before I come?” I asked her.

“Yes,” she nodded, smiling.

“You are sweeter than honey,” I said, kneeling before her.

She gasped when my lips closed around her stiff left nipple. She held my head and moaned as I sucked the succulent nipple. I slipped my right hand between her thighs as I moved to her right nipple. At the same time, I slipped my left hand between Beth’s thighs. While sucking Erin’s nipple, I massaged her wet pussy through her panty crotch while massaging Beth’s bare pussy. Erin moaned and humped my hand. A few minutes later, she stiffened.

“I am coming,” Erin gasped softly.

She twitched in orgasm, squeezing my hand between her thighs.

“I am coming too,” gasped Beth.

Beth came seconds later.

When Erin’s orgasm subsided, I touched my lips to hers, and we shared a long deep kiss. My hands were still cupping both pussies and massaging them gently. We were both out of breath when we broke the kiss.

“Are you ready for me to come all over your pretty face?” I asked softly.

She nodded.

“After I do that, I am going to eat your pussy raw,” I whispered softly in her left ear. “Will you let me do that?”

“Yes,” she hissed.

Looking into Erin’s eyes, I licked Beth’s juices off my glistening hand. I then pushed my cock in her mouth.

“All you have to do is suck him until he’s ready to come,” said Beth. “Then take his cock out. Open your mouth, stick your tongue out and jack him off onto your face. Bravely keep your eyes open and look into his while he happily shoots his hot creamy come onto your pretty face.”

Erin did it just like that. Although the second shot of my come hit her left eye, she kept her beautiful eyes open, looking into mine. When my come slowed down to a dribble, she took my cock head into her mouth and sucked me dry while milking my cock with her hand. I gently wiped my come off her eye and had her suck my finger. I carefully wiped every drop of come off her face and tits and fed it to her.

“You are a very hot come slut,” I smiled at her.

She smiled shyly.

When she was done eating every last drop of my come, I tilted her head up and gave her a long deep kiss, tasting my come on her tongue. I massaged her pussy and fondled her tits, gently pulling on her stiff nipples. She moaned into my mouth.

While we kissed, I pulled her up to her feet with my hand still holding her pussy. Holding her ass with my right hand, I slipped my left hand down her panties and started to finger her pussy. She moaned into my mouth and kissed me feverishly. Beth interfered and pulled Erin’s panties down, allowing me access to her bare ass.

“You are a hot slut, aren’t you?” I smiled.

“Yes,” she hissed.

Leaving her pussy, I used both hands to fondle and squeeze her ass. Soon, my fingertips closed in on her ass crack. We continued to kiss as my fingers teased her pussy from behind. She trembled when my fingertips tickled her asshole. She moaned, rocking her hips, and my cock hardened against her pussy.

“Would you like to come in my mouth?” I whispered in her ear, pressing my cock against her pussy.

“Yes,” she hissed, trembling.

“I’ll only let you do that if you let me eat your delicious pussy,” I said, rubbing her pussy.

“I’ll let you do that,” she said.

“You are so sweet,” I said. “I’ll now get to taste you and find out how sweet you really are. All you have to do is sit back and pull those sexy legs over your head. I’ll do the rest. Your luscious pussy’s so wet. I’ll enjoy sucking it dry no matter how hard you gush into my thirsty mouth.”

She took her position on the sofa, and I adjusted her knees so her pussy and ass were obscenely exposed. She did not resist when I guided her hands to her heels. She grabbed them, opening herself utterly for me.

“You are so pretty,” I said, admiring her offered pussy and asshole, as she watched me intently. “Everything in you is pretty. You have such a mouthwatering passion flower and a sweet rosette!” I looked up at her. “I just can’t resist the way your little rose stares at me in anticipation. I’ll have to kiss it first. Is it used to getting kissed?”

She shook her head in disagreement.

“In this case, I am going to give it a big French kiss,” I said, still looking in her eyes. “I am going to spoil it.”

“You don’t have to do that,” she hissed.

“Oh, yes, I have to do that because I love it too much not to,” I said. “I can’t deprive myself of that pleasure. You have probably never met a man who could appreciate the beauty of your little puckered rosebud. I’ll savor it like the gourmet treat it is. You’ll be squirming and moaning as your little rosebud blossoms into full bloom under my loving tongue. Are you ready for your first kiss on the sweet puckered mouth of your tight gorgeous ass?”

She nodded, trembling.

Beth was squatting next to me, stroking my cock with one hand and rubbing her pussy with the other.

“This is so sexy,” said Beth, looking at Erin. “Our swollen pussies and his hard cock are leaking freely.”

“Is your cute little rose virgin?” I asked Erin.

She nodded.

“I guess I should stop talking and get down to work,” I said. “I never waste any time to enjoy virginal puckers. Experience taught me these succulent little orifices couldn’t stay virgin for long. Once they taste kissing, they beg for more, and their innocence is soon forever lost. It’s like I kiss those pure virginal puckers goodbye. Beth was the most timid I’ve ever met. Her little once-innocent orifice lost its cherry within a few days of its first kiss.”

“That was the most thrilling thing that has ever happened to me,” said Beth. “I don’t know why I waited that long.”

Erin’s pussy was leaking all the time. I lowered my mouth to her anxious asshole and gave it a gentle open kiss. She gasped and her asshole twitched. I covered her entire pucker with my tongue and held it there until she relaxed.

“Isn’t this dirty?” moaned Erin.

“You don’t say that to Nick,” said Beth. “He does this all the time. He knows what he’s doing.”

Erin moaned as I moved my tongue tip circularly around and on her anal pucker. Her asshole relaxed gradually. I gently massaged her asshole with my tongue for a few minutes, watching her squirm in pleasure. Her pucker opened up a little, and I probed it with my tongue tip, which it nibbled.

“I love your asshole,” I said, looking up at her. “It’s so sensitive and responsive. It’s delicious too.”

“He sure does,” said Beth, stroking my hard cock. “His big cock’s harder than rock. He must be wondering how long your little asshole can resist the strong urges for more and more fun and thrills.”

During the following half hour, I indulged in licking and sucking Erin’s asshole, making her come hard and wild three times. Her pussy was so wet I was licking her juices off her asshole.

“Did you enjoy that?” I smiled at Erin. “I know I did.”

“I did,” she moaned. “It was amazing.”

“You have an amazing little asshole,” I said.

As she recovered, I moved to her pussy and started to slurp her juices and lick her clit.

Beth squirted lube onto my fingers, and I proceeded to massage Erin’s asshole with my slick fingertips. I was lashing her clit with my tongue when I slipped a fingertip into her asshole, making her gasp and triggering her orgasm. I slid my finger all the way up her twitching asshole and pumped her rhythmically while sucking her gushing juices. When she recovered, I squeezed a second finger into her ass as I continued licking her pussy. I reamed out her asshole patiently before I made her come with my fingers pumping her asshole vigorously.

When I slid my fingers out of Erin’s asshole and looked at her happy face, Beth handed me a lubed butt plug. I gently pushed it into Erin’s ass while licking her clit. I tenderly fucked her ass with it for a few minutes before I left it securely rooted up her ass. I gave her pussy a deep kiss before I stood up.

“Do you want my big hard cock in your juicy little pussy?” I teased, laying my cock along her sticky pussy lips. “You are ready to have the most fun of your life.”

She just trembled.

“Guide it in,” I said softly.

She reached down with her right hand and pushed my cock head into her pussy, moaning as my cock head split her pussy lips and slid in. She let out a long moan followed by a grunt as I drove my cock all the way into her pussy. Her pussy felt so tight with the butt plug pushing against the underside of my cock. She stiffened immediately and came, gasping breathlessly. I thrust in her gushing pussy vigorously, making her come harder. I slowed down when her orgasm subsided. I fucked her gently while she recovered.

“Has anybody ever made you come at the first stroke?” I asked, smiling.

“No,” said Erin.

“No other cock has ever been this nice to your hot little pussy?” I asked.

“No,” she said.

“Are you going to thank me for being the nicest ever to your horny little pussy?” I asked.

“Thank you,” she said shyly.

“My pleasure,” I smiled.

“Nick loves to fuck hot married women,” said Beth. “They love his big cock too.”

“Have you ever cheated before?” I asked with my balls pressed against the base of the butt plug in Erin’s ass.

She shook her head.

“This is so sweet,” I said. “I really appreciate being your first. I am going to make it worth your while and make sure this time isn’t going to be your last. Do you want me to fuck you like you’ve never been fucked before?”

“Yes,” she hissed, nodding.

“Be a good girl, and beg me to fuck your hot married pussy,” I said.

“Please fuck my horny married pussy,” she gasped, her pussy twitching.

“I am going to fuck you so well you’ll keep coming back to me,” I said, thrusting in her sizzling pussy.

“Your cock is incredible,” she gasped.

“Is it the kind of cock that should always fuck your tight little pussy?” I asked.

“Yes,” she gasped.

She came three times within the following fifteen minutes.

“Are you happy?” I asked, slowly stroking my cock in and out of her drenched pussy.

“Yes,” she hissed, nodding. “That was incredible.”

“I think so too,” I said. “I am not sure about Beth though. I think she’s dying for cock.”

“Of course, I am,” said Beth, getting onto her knees on the sofa and resting her forearms on the backrest.

Beth hiked her dress, showing her butt plug.

“I am not through with you,” I said to Erin. “I just want to look after my horny girlfriend a little. Is that okay?”

“Yes,” said Erin.

“Suck my big, my sweet slut,” I said, thrusting my dripping cock in her face as I helped her sit up.

Erin did not hesitate to swallow my cock and let me fuck her throat for a couple of minutes.

“Show her your butt plug so she can see how her ass looks right now,” I said to Beth.

Beth turned to the left and thrust her ass out for Erin.

“It’s so hot,” said Erin, looking through Beth’s butt plug.

“Hold its base and work it in and out,” I instructed Erin. “Let’s make sure she’s ready for the real thing.”

Erin tentatively pumped the butt plug in Beth’s ass. She soon got the hang of it.

“Take it out and let her suck it,” I instructed.

Erin obliged me, and Beth swallowed the butt plug and sucked it hungrily for several seconds.

“Put it back up her ass,” I instructed.

Erin fucked Beth’s ass with the butt plug for a minute.

“Now, take it out and suck it yourself,” I said.

Erin hesitated for a second as she inspected the plug visually before taking it into her mouth.

“Do you think she’s ready?” I asked Erin.

“I think so,” she said.

“Slobber all over my cock because it’s going into her tight horny ass,” I said.

While Erin deep throated my cock and bathed it in her drool, Beth turned to the right, offering her ass to me.

“Do you want me to fuck her in the ass?” I asked Erin, taking my glistening cock out of her mouth.

“Yes,” she said, nodding and smiling.

“Be a sweetheart and spread her ass for me,” I instructed.

Naturally, Beth’s ass did not need any spreading, but I wanted Erin to get very close to the action. Erin spread Beth’s ass cheeks, and my cock popped in with a gentle push without any manual guidance. Beth gasped.

“It’s about time you shoved your big cock up my horny asshole,” said Beth, pushing her ass back into me.

“You are stretching her asshole so wide,” said Erin.

“That’s what it’s all about,” said Beth. “That’s why it feels so thrilling and filling. It feels so much better than the inanimate butt plug. Fuck my ass, baby.”

“My slut girlfriend has never been fucked in her pussy,” I said. “She’s still virgin.”

“I am saving my cherry for my wedding night,” gasped Beth.

“That’s amazing,” said Erin.

Erin was fascinated by the view of my hard cock sliding in and out of Beth’s stretched asshole. She watched intently as I fucked Beth’s horny ass through orgasm. She was startled when I popped my cock out of Beth’s ass and thrust it in her face, but she did not hesitate to suck it deeply and give it a fresh coat of drool.

The next time Beth came, I filled her twitching rectum with come. Erin saw me scoop come out of Beth’s ass and feed it to her. She saw Beth suck my sticky fingers eagerly. When it was her turn to suck my gooey fingers, she did not hesitate much. She sucked my cock clean too.

Erin’s pussy was so wet Beth insisted on licking it clean. She made her come in the process. We showered and returned Erin to her car. On the way, Beth taught her what to do with the butt plug and gave her a bottle of lube. She also explained to her how to keep her ass clean.

“We’ll meet in two days,” said Beth as we dropped Erin off next to her car.

We parted with a deep kiss, and I squeezed her plugged ass before I let her go.

Beth made a conference call just before lunch on the next morning. Beth went straight to the point.

“Dan, are you ready for your first daily blowjob?” said Beth. “Actually, it’s going to be your second because I’ve already given you your first one yesterday.”

“I am ready,” said Dad. He did not know that Erin was on the line. “Are you stopping by over lunch?”

“No, actually I am not,” said Beth. “Does it have to be me, or would any good cocksucker do?”

“What good cocksucker?” he asked. “You are not calling a professional.”

“She isn’t professional at that,” said Beth.

“What do you mean?” he asked.

“Would you mind if your secretary gave you the blowjob on my behalf?” she asked.

“Erin?” he asked.

“Yes,” she said.

“She’s a married woman,” he said.

“You are a married man too, so she’s a perfect match,” she said.

“I don’t think she’d do it,” he said. “She’s too nice to do that.”

“Is that right, Erin?” she said.

“No,” said Erin, startling him. “I am nice enough to do that.”

“Erin?” said Dad in surprise.

“Would you be a sweetheart and suck Dan’s big cock royally for me?” said Beth.

“Sure,” said Erin.

“Are you okay with that, Dan?” asked Beth. “She’s going to deep throat your big cock and swallow every drop.”

“Are you serious?” he said.

“Of course we are serious,” she said. “Besides, you don’t have to fuck your wife when she does. You only have to fuck her when I suck your cock.”

“Erin, are you sure that’s okay?” he asked.

“Of course,” said Erin. “I’d love to do it.”

“I guess you are all set,” said Beth. “I’ll call later to make sure it was great for both of you.”

“Bye, Beth,” he said. “Thank you.”

“Bye, you horny professionals,” teased Beth.

Beth called after lunch to make sure that everything had gone well.

Beth met Erin at the end of the workday and went with her to meet her husband. Naturally, Beth wore a very revealing dress without any underwear. She was wearing fishnet stockings and black high heels.

“This is my friend Beth whom I had dinner with last night,” introduced Erin. “This is my husband, Steve.”

They had drinks and chatted for a few minutes before Erin excused herself as planned.

“I’ll take a bath while you get to know each other,” said Erin. “I’ll be back in an hour to prepare dinner.”

“Take your time,” said Beth. “I am sure Steve and I will enjoy our time together.”

Erin disappeared.

Beth and Steve chatted innocently for a couple of minutes.

“Erin’s a beautiful woman,” said Beth as she uncrossed her legs, exposing her bare pussy. He did not miss that. “I didn’t think her husband was this handsome. She’s a lucky woman to come home to you.”

“Thank you,” he said, trying to avoid staring at her pussy. “I didn’t know her friend was this beautiful either.”

“We are new friends,” said she, opening and closing her legs ever so slowly. “We became very close though.”

She noticed he was getting a boner. She got up and sauntered over to him. She sat next to him, pushing her ripe tits under his nose. She placed her left hand on his left thigh.

“Last night, we talked about sex,” she said, stroking his thigh slowly. “You know, sometimes women talk about sex and compare notes.”

He nodded dumbly.

“She confided in me that she’d always loved to suck cock,” she said. “I love to suck cock and swallow come too. I love both tastes. She said you had a nice juicy one, but she’d never been able to deep throat it. Is that right?”

He nodded.

“Have you ever been deep throated?” she asked, placing her hand on his bulge.

He swallowed, shaking his head.

“Would you like to?” she asked.

“Who wouldn’t?” he croaked.

“That’s what I am here for,” she said, scooting off the sofa and kneeling at his feet. “I am not a cock tease. I don’t go around making men hard for fun. When I do it, I do it so I can suck their hard cocks and swallow their hot come.”

“We shouldn’t do that,” he said as she unbuckled his belt. “Erin may catch us.”

“Oh, no,” she said, unzipping his pants. “She may not. She left us alone so we could get to know each other better. That’s what we are doing right now. I promise you we’ll be done before she’s back.”

She soon had his pants and underwear around his ankles.

“This is indeed a nice cock,” she said, stroking his rock hard cock. “I am going to enjoy deep throating it.”

He groaned weakly.

She teased him for a few minutes, just kissing and licking his cock and balls. She slobbered all over his shaft before she swallowed it all in one gulp, making him moan. He almost came then, but she knew how to handle him. He was in heaven for the following half hour as she deep throated his cock expertly and palmed his balls.

“Do you want to come in my mouth?” she teased, squeezing his twitching cock. “Do you want me to swallow your big come load to the last drop?”

“Yes,” he groaned.

“Are you going to be a good boy and shoot the biggest come load you can for me?” she teased.

“Yes,” he hissed.

A minute later, she showed him her open mouth with his come on her tongue before she swallowed it. She sucked his cock until it went completely limp.

“That was fun,” she said. “Did you enjoy it?”

“It was wonderful,” he said as she tucked his cock in. “I’ve never enjoyed anything like that.”

“Now that you’ve tried it, do you still like it?” she teased as she sat across from him, spreading her legs.

“More than ever,” he said as she teased her wet pussy.

“Do you know why I often don’t wear panties?” she teased.

“No,” he said.

“Because they keep getting wet,” she said. “People would smell my excited pussy a mile away. This way I can just wipe it. Do you want me to wipe it or do you want to lick it for me? We still have time.”

“May I?” he asked eagerly.

“You may, and you should,” she said, laying back and pulling her legs up. “Don’t use your fingers on my pussy. You can finger my ass though.”

Ten minutes later, she convulsed as she gushed in his thirsty mouth as he pumped his middle finger within her twitching asshole.

“That was so nice,” she said, sitting up. “You need to wash your face before Erin comes back.”

“Did I take too long?” asked Erin minutes later.

She was wearing a silk chemise without any panties.

“Not at all,” said Beth.

“Do you want to help me prepare dinner?” Erin asked Beth.

“Sure,” Beth said, getting up.

In the kitchen, Beth told Erin all about what had happened between her and Steve.

After dinner, Beth and her hosts sat back and chatted.

“You know what I’d like to do after this nice dinner?” smiled Beth.

“What?” asked Erin.

“I want to suck cock,” giggled Beth.

“If Steve doesn’t mind, I don’t,” said Erin.

“What are you talking about?” asked Steve.

“Can she suck your cock?” asked Erin.

“If it isn’t okay with him, I can settle for eating your juicy pussy,” said Beth.

“I am sure it’s okay with him, but you are welcome to eat my pussy if he isn’t interested,” said Erin.

“Have you ever seen a woman deep throat your man?” Beth asked Erin.

“No,” said Erin.

“Sit back and enjoy the show,” said Beth as she walked to Steve.

Steve did not know what to do. He remained motionless as Beth attacked him, exposing his hardening cock.

“I told you it would be okay with him,” laughed Erin.

Erin lazily fingered her pussy as she watched Beth deep throat her husband for nearly half an hour before she made him come in her mouth, sucking him dry. She pulled his pants back up, covering his limp cock.

Beth moved to Erin and hovered over her, tilting her head up. Steve watched in shock as Beth kissed Erin, passing his come to her. The two women kissed for a while, visibly trading his come back and forth, before they finally broke the kiss, each swallowing her share.

Meanwhile, Erin was still fingering her pussy. Beth took her glistening fingers out of her wet pussy and sucked them sexily. She pushed Erin back and kissed her wet pussy gently.

“I enjoy eating pussy too,” said Beth, looking at shocked Steve, “especially when it’s sizzling hot and dripping wet like your hot wife’s right now.”

He watched his wife squirm under Beth's tongue for fifteen minutes, gushing three times in her eager mouth. Beth concluded by giving Erin's asshole a long French kiss. She left her sated.

"She offered to teach me how to deep throat," Erin said to Steve. "Would you mind if she trained me?"

"Not if you wouldn't," he said.

"She wants me to practice on her boyfriend," said Erin.

"His cock's bigger and thicker than yours," said Beth. "It's ideal for deep throat. If she could deep throat him, she could really deep throat."

"Is that okay with you, honey?" asked Erin.

"Sure," he said.

"Our guest must be dripping," Erin said dreamily to Steve. "Would you like to eat her pussy?"

Beth reclined across from them and spread herself open.

"Sure," said Steve.

"Use two fingers on my horny asshole," instructed Beth as he proceeded to lick her wet pussy.

He obliged her, and within several minutes she gushed in his mouth.

"Can you believe she's still virgin?" said Erin. "She only takes it down the throat and up the ass."

"Is that true?" he asked in surprise.

"Yes," said Beth. "I want to keep my cherry for my wedding night."

"That's nice," he said.

"Would you like me to train Erin to take it up the ass?" asked Beth. "I know she doesn't."

"It's up to her," he shrugged but looked excited.

"I don't feel comfortable about that," said Erin. "I'd feel degraded if he did me that way."

"Do you think it's degrading for a woman to get fucked up the ass?" Beth asked Steve.

"I don't know," he said. "I guess it depends on the woman."

"I think it does, and I think it is, but I enjoy being degraded by my man," said Beth. "I love it when he drills my ass and tells me that I am his cheap ass whore and depraved anal slut. Other women may not like that, but I really do. I think that's my real femininity—to please my man as much as possible. It indeed pleases my man, and I know that he loves me, so I don't feel humiliated. I feel loved and appreciated, and I love it."

"Our marriage might get defiled by this carnality," said Erin. "What do you think, Steve?"

"I agree," he said with disappointment.

Meanwhile, I took Victoria to dinner and then to my apartment.

"We are not going to have sex," I said. "I know you are married, and I am attached. We are just going to have innocent clean fun."

As soon as we sat down on the loveseat, we started kissing. I guided her hand to my crotch and started to fondle her tits through the top of her dress. My hand made its way to her crotch, and I massaged her pussy through her panty crotch, making her moan into my mouth.

“Take it out,” I said between kisses.

She immediately fished out my cock. While she stroked it, I pulled her panty crotch aside and fingered her pussy to orgasm. I sucked my fingers before I stood up, bringing my cock to her mouth. She sucked my cock as I thrust in her mouth. I let her suck my cock for ten minutes before I decided to feed her my come to the last drop.

“I am going to come in your hot mouth,” I said. “You’ve earned every drop.”

My come soon burst against the back of her throat. She savored every bit and sucked for more.

“It’s my turn to eat you,” I said, kneeling at her feet.

She cooperated as I hiked her dress, pulled her panties off and pushed her legs over her head, exposing her drenched pussy and shyly puckered asshole for the first time. She grabbed her ankles.

“I am sure no one has ever told you how beautiful you are down here,” I said, admiring her pussy and asshole. “They both look delicious. I am going to kiss them both.”

Spreading her ass cheeks, I planted a light kiss on her wet pussy and another on her asshole, making her gasp. Wrapping my hands over hers over her ankles, I gave her asshole a long French kiss. Her asshole clenched and she gasped before she tried to push me away. My hands over hers made it impossible for her to wiggle out of my grip.

“What are you doing?” she protested, wiggling her ass. “Don’t do that. It’s dirty. Please stop.”

She could not fend me off her cute asshole. I continued to kiss it until she gave up and her asshole relaxed. She started to enjoy my tongue, moaning and grinding her asshole into my mouth as if kissing back.

“Yes, yes,” she hissed, urging me not to stop.

When her asshole started to open up, I broke the kiss. I had finished seducing her ass.

“You have a delicious asshole,” I said.

“I didn’t know that would feel so good,” she moaned.

“Enjoy,” I smiled.

Within the following fifteen minutes, she gushed four times in my mouth as I ate her pussy, slurping her copious juices. She was still gasping when I returned my tongue to her asshole. That time she did not resist, especially when she sensed that I was taking her to a long hard orgasm.

“No one has ever done this to me,” she moaned, spreading her ass open with both hands. “It feels so good.”

“I knew your hot little asshole had been sweet and innocent,” I said. “From now on, I am going to take good care of this fun-loving little orifice. I have big plans for it. It’s going to have a hot time. Relax, you sexy thing, and enjoy.”

After she came, I dabbed lube on her asshole and started to massage it gently with my fingertips. As it relaxed, I started to push against its center, testing its elasticity. When it was ready, I popped a fingertip in. She gasped, and her asshole clenched defensively. I slowly wormed my finger into her ass and started to ream out her tight sphincters gently. Before long, I was smoothly sliding my finger in and out of her asshole, which milked my finger instinctively. I occasionally lapped her leaking pussy juices.

“You have a very responsive asshole,” I said as she pushed back. “Can you feel how it milks my finger?”

She just moaned happily.

During the next hour, I licked and fingered her asshole, lubing it thoroughly. She came several times, gushing in my mouth as I drilled her asshole vigorously with one or two fingers. She was ready for the butt plug.

“I am going to slide this toy up your hot ass,” I said, showing her the butt plug. “It was designed for this purpose.”

“Okay,” she said a little nervously but continuing to spread her ass.

“Relax,” I said. “It won’t hurt. You are ready for it, and I’ll be very gentle.”

Her asshole smoothly accepted the butt plug, taking it all the way in. I fucked her ass with it while eating her pussy through orgasm. I left the butt plug in her ass and talked to her about anal health and fitness while teasing her nipples and gently rubbing her clit.

My cock was naturally hard again. I sat down on the sofa and helped her get down on her knees between my feet. She took the hint and started to suck my cock.

“Slobber all over my cock and balls,” I instructed.

She sucked my cock for ten minutes, drooling on it and sucking back her drool.

“I want you to sit in my lap and grind your hot ass along my cock like lap dancing,” I said, helping her stand up. “We need to take the butt plug out so it doesn’t crush my cock.”

She turned around, and I gently popped the butt plug out of her ass. Her asshole was relaxed, so I could not resist the temptation to slip two fingers in and finger it a little while I rubbed her clit, making her moan and sway. Her pussy was wet and her asshole was lubed, so she was ready to sit in my lap.

“Sit down and let my cock lie between your hot ass cheeks,” I said as I sat back letting my pulsing cock hover over my stomach. “All you have to do is slide your ass back and forth along my hard shaft and have fun.”

She sat in my lap and started rocking. My cock got to rub against her pussy and asshole and bathe in her hot juices. She moaned in pleasure, often gasping as her clit rubbed against the underside of my cock. I enjoyed watching and feeling her ass move over my cock, but she did more than I did, coming within several minutes.

“That was hot, wasn’t it?” I said, helping her get off my cock.

“Yes,” she hissed.

Her pussy was drenched, so I had her bend over and licked her pussy dry. She moaned, grinding her ass into my face. I gave her asshole a French kiss, slipping my tongue tip inside. Her asshole nibbled it. I finally slipped the butt plug back in. She went back on her knees and sucked her juices off my cock.

“It’s time to fulfill a promise,” I said, gently pushing her head off my cock. “Lie back on the sofa.”

As I had promised earlier, I lubed her cleavage.

“Your fine tits were meant to be fucked,” I said as I laid my cock between her tits.

“I think so,” she smiled.

She squeezed her tits around my cock, and I fucked them until I came all over them. She sucked my cock clean while thoroughly rubbing my come into her tits.

“You are a good girl,” I said as I dropped her off at her house with the butt plug still up her ass. “Next time’s going to be even hotter than tonight.”

Beth brought Erin to me on the next day after work.

“Her husband agreed to have you train her on deep throat,” said Beth.

“I’d love to do that,” I said.

“Thank you,” said Erin.

“It’s going to be my pleasure, Erin,” I smiled.

“Mine too,” she smiled.

We started with deep throat practice. While Erin sucked my cock for half an hour, Beth fingered her pussy and asshole, making her moan on my cock.

“You are a hot cocksucker,” I said to Erin, slapping her face with my cock. “I want to play with your juicy pussy.”

“Sure,” she said.

Erin got into position, and I ate and fucked her pussy for another half hour, making her come several times.

“Is your sweet little asshole ready for some fun?” I teased, tickling her asshole.

“Yes,” she smiled.

Erin held herself open for me, and I spent half an hour eating and fingering her virgin asshole for the last time. When I was done with it, it was well lubed and ready to welcome its first cock. She was lying on her back, her legs pulled over her head.

“He said it was up to her if she wanted to train on ass fucking,” said Beth.

“I’d love to help her with that too,” I said. “Do you want that, Erin?”

“Yes,” hissed Erin.

“What do you want, slut?” I teased, rubbing my cock head up and down her pussy and asshole.

“I want you to fuck my virgin ass,” she said.

“I can’t see you spreading it open for me,” I said.

She spread her ass with both hands.

“I can’t hear you beg,” I said.

“Please, Nick, fuck my asshole,” she begged. “I really need your big cock up my ass.”

“Do you want me to fuck it well and turn you into a good ass whore?” I teased.

“Yes,” she hissed.

She concluded her answer with a gasp as my cock head popped past her sphincter. I gently thrust my cock into her ass, taking my time. She gasped softly as I slid up her rectum. A couple of minutes later, my balls were pressed tightly against the back of her ass. She milked my cock deliberately.

“She told her husband she’d feel degraded and humiliated if he fucked her up the ass,” said Beth.

“You are such a slut, Erin,” I said, pausing deep in her ass and teasing her clit with my thumb. “You tell your husband that, but you let me do it to you.”

“I didn’t lie,” she said. “I really feel degraded by getting fucked up the ass. I just didn’t tell him that I’d really love it. I find it more degrading to deny him but let you fuck my ass and use me like a cheap whore.”

“You are a real slut,” I said. “I really like you. I’ll enjoy using you and making you a depraved slut of mine.”

“Yes,” she hissed.

“My big cock’s balls deep up your hot ass,” I said.

“Yes,” she moaned. “It feels incredible.”

“You like having your horny ass stuffed tightly with my fat cock?” I teased.

“Yes,” she moaned. “Please fuck it.”

“Of course,” I smiled.

As her asshole relaxed, I thrust gently with very short strokes. She gasped as my hard shaft slid in and out of her gripping sphincter. I took several minutes to train her inexperienced asshole with slow deep strokes.

“I love training your inexperienced ass on the first art of ass fucking,” I said.

“Me too,” she gasped.

Her instinctive milking action was very enjoyable, especially that it would go away with practice and get replaced with deliberate squeezing and milking. By the end of the training period, I was rhythmically fucking her tightly stretched asshole with long smooth strokes, and she was fucking back eagerly.

“You like being my anal whore, don’t you, slut?” I teased, drilling her ass harder.

“Yes,” she gasped. “Fuck my ass good and hard.”

“I am going to fuck your ass open,” I said. “Your asshole’s going to gape in awe when I am done with it.”

“Yes,” she gasped. “Use me like a dirty whore.”

“That’s what I do best,” I assured.

While I fucked Erin’s ass, Beth busied herself with fingering herself whenever the position did not allow her to eat or fondle Erin or be eaten by her. Each came in the other’s mouth a few times.

Needless to say, when I was ready to come, Erin’s asshole gaped nicely.

“Your hot ass is doing great,” I said. “I’ll reward you by coming in your hot married pussy.”

“Thank you,” she moaned.

Before long, I came in her pussy, and Beth sucked my come out and snowballed it to her.

Erin used her cock sucking skills to bring me back to life while Beth ate her pussy and ass. By the end of the next round, her asshole gaped wide.

“You have a wonderful ass,” I said. “It deserves a big reward. I’ll flood it with my hot sticky come.”

“Yes, Nick, thank you,” gasped Erin.

Erin came hard at the end of a vigorous ass fucking. I came in her ass, making her orgasm harder. I gave her a little taste of my come before I sealed her asshole with her butt plug. She was ready to go home to her husband.

“Guess who’s going to fuck her ass next?” asked Beth.

“Not her husband?” I said.

“No, silly, your dad,” said Beth. “That’s why I had you initiate her, but you’ll get a shot at her often enough.”

“Is he going to do her tomorrow?” I asked.

“She’ll rest tomorrow,” said Beth. “He’ll get her horny ass on Friday.”

Victoria spent Thursday evening with me. I introduced her to the art of sixty-nine. I ate and fingered her pussy and asshole thoroughly and used the butt plug to train her ass while she indulged in sucking my cock. She swallowed my first come load. I spewed my next come load on her asshole as she spread her ass with both hands and came last on her pussy as she spread it open. She moaned as I used my fingers to work the come inside her respective orifices. I let her suck my sticky fingers clean each time. I naturally plugged her come filled ass right after working the fresh come inside it.

“You are a very hot woman,” I said, working the last of my come inside her pussy. “Now, every hot hole in your body has tasted my come. Each one of them deserves a special kiss.”

She moaned as I gave her holes big French kisses, starting with her asshole and concluding with her mouth. When I broke the kiss with her asshole, I popped the butt plug back in.

“Mr. Callaby, would you like to fuck my ass...every Friday?” asked Erin on Friday while sucking Dad.

His cock jumped in her hand.

“Are you serious?” he asked.

She just smiled and got up. She turned around and bent over the disk, hiking her skirt. She exposed her bare ass, which was stuffed with a butt plug. There was a note attached to the base of the butt plug:

Have fun. Nick has initiated her sexy ass and primed it for you.

–Love, Beth.

“You didn’t answer, sir,” said Erin. “Would you?”

“Of course, I would,” he said. “May I?”

“Please,” she said.

He removed the butt plug and ate her ass to orgasm before he fucked it silly.

“Come in my ass,” she gasped when he was ready to come. “I want to take your come home.”

“You are a horny woman,” he said.

“I am glad you’ve finally notices,” she gasped.

He naturally filled her ass with come.

“Plug it to keep the come inside,” she said, handing him the butt plug.

“Did you like my gift?” Beth asked dad over the phone.

“I loved it,” he said. “It was the best gift I’ve ever received.”

“Treat her well, and keep your hot come pumping down her throat and up her ass,” she said.

“I will,” he said.

THE PROPOSALS

Beth’s father was away for the weekend, coming back on Sunday afternoon. She and I spent Saturday morning planning her mother’s final seduction. Late in the afternoon, I took them both out for an early dinner.

“Beth, I need to talk to your mom in private for a few minutes,” I said when we returned to their house.

Victoria led me to the master bedroom. I locked the door, and pointed at my cock as I stood before her.

“Is this how you are going to talk to me?” she said, smiling as she fished out my cock.

“I’ll talk in a minute,” I said.

She sucked my cock for a few minutes, making it glisten in her saliva.

“Open your throat and take it in deeper,” I instructed.

Naturally, she gagged several times as she tried to carry out my instructions. It took her about ten minutes to be able to swallow my cock to the balls. I had her practice for fifteen minutes before I fed her a big load of come.

“You’ve been a good girl sucking my hard cock all the way down your throat,” I praised, smiling as I fingered her pussy and rubbed her clit. “You know what happens to good girls.”

“They get rewarded,” she smiled.

“You are going to get rewarded lavishly tonight,” I said. “I am going to fuck you up your hot tight ass.”

“That’s sodomy,” she gasped, stiffening. “It’s taboo.”

She convulsed in orgasm.

“Don’t worry about it,” I said. “We’ll talk about it later. All you have to care about is that later tonight I am going to sodomize you and show you the hottest time of your life.”

“You can’t do that,” she gasped as I licked her drenched pussy. “I am a married woman.”

“That’s okay,” I said. “Sodomy, as you call it, isn’t real sex.”

“It’s still cheating,” she said.

“We’ll talk about it later, but, trust me, it isn’t,” I said.

“I am not sure about that,” she said.

“We’ll talk later,” I said. “Now I want to show you something else.”

“What?” she asked.

“You know Beth’s a very nice girl,” I said. “She’s saving herself for her wedding night, so our relationship can be considered platonic. Since we’re getting serious, we’re building our love and passion to get ready for our commitment and marriage. We want to show you what kind of relationship we have, so you can advise us and support us as we proceed. Would you do that for us?”

“Sure,” she said.

“Do you promise?” I asked.

“Of course,” she said.

“Some things may seem crazy,” I said, “so bear with us.”

“Okay,” she smiled.

“Beth,” I called.

“Yes,” Beth shouted from outside.

“Come here,” I called.

Beth knocked on the door and waited.

“Come here,” I instructed gently, opening the door for her. She entered the room. “Beg your mom.”

Victoria was surprised when Beth went down on all fours and crawled toward her feet. She was shocked when Beth started to lick her shoes.

“Beth, stop it!” called Victoria, pulling her feet away. “What are you doing?”

Beth silently held her mother’s ankles and continued to lick her shoes.

“Beth, have you gone crazy?” said Victoria. “Stop it.”

Beth ignored her mother and continued to lick her shoes.

“Nick, what’s going on?” Victoria asked me finally.

“Why don’t you ask her?” I suggested.

“Beth, what are you doing?” asked Victoria.

“I am begging you,” replied Beth, briefly taking her tongue off her mother’s shoes.

“You’re begging me?” asked Victoria confused. “What are you begging me for?”

“Please, Mom, let me go down on him,” begged Beth, hardly taking her mouth off her mother’s shoes.

“What?” asked Victoria in panic. “What are you taking about?”

When Victoria looked at me in embarrassment, I smiled and guided her right hand to my hardening crotch. She yanked her hand away in horror. I winked at her and nodded toward Beth.

“Please let me deep throat him,” begged Beth. “Please, Mom.”

Victoria was taken aback once more. She had only learned that phrase less than half an hour ago.

“I want to feel him all the way down my throat,” continued Beth, still licking her mother’s shoes.

Reaching out for Victoria’s right tit, I started to squeeze it and fondle it through her dress. She pushed my hand away several times before she finally surrendered and let me play with her tit. I nodded again toward Beth.

“Okay, Beth,” said Victoria finally.

“Are you serious, Mom?” asked Beth, still licking her mother’s shoes.

“Yes, I am serious,” said Victoria. “Now, get up.”

“Thanks, Mom,” said Beth, now kissing her mother’s shoes. “You are the best.”

“Stop it, Beth,” said Victoria. “That’s enough.”

“Mom, I want you to pull down his pants and underpants so I can see that you really mean it,” said Beth.

“Beth!” glared Victoria.

“Please, Mom,” begged Beth, lowering her mouth again to her mom’s shoes.

“Okay, okay,” said Victoria.

“You are the best, Mom,” said Beth, now kissing her mom on the cheeks.

Beth stood up on her knees and motioned me toward her mother. I stood up before Victoria with an outrageous bulge. She took the hint and reached for my belt.

“Yes, Mom, take his big cock out,” said Beth as her mother lowered my pants.

“Don’t talk like that, Beth,” admonished Victoria.

“She talks dirty when her lust overtakes her,” I said.

My hard cock finally popped out in Victoria’s face. Beth pulled my pants and briefs the rest of the way off.

“Doesn’t he have a nice hard cock, Mom?” teased Beth. “I bet he can fuck both of us for long solid hours.”

Victoria silently ignored Beth's comment.

"It's as close to your mouth as if you are going to suck it," giggled Beth. "Why don't we take turns?"

"Beth!" glared Victoria.

"Mom, have you ever sucked cock?" teased Beth, tickling my balls with her fingertips.

"Beth, I am your mom," admonished Victoria. "Don't talk to me like that."

"I want you to be my friend too," said Beth. "I want us to open up to each other."

"I also want to be your friend," said Victoria, "but this is very personal."

"That's what makes friendship deep," said Beth, stroking my shaft gently. "I'll start. This isn't going to be the first time I suck and deep throat his big fat cock and drink his come. Have you ever sucked cock and drunk come?"

"Yes," answered Victoria lowly in embarrassment.

"I guess you are right, Nick," said Beth. "Mom's been a hot woman, and I am taking after her."

"Your mom and you are two hot and gorgeous women," I complimented.

"Mom, please suck his big juicy cock a little," Beth said. "Show me how you do it."

"Beth, I am a married woman now," said Victoria hypocritically.

"Of course, you are a married woman," said Beth, "but I am sure you'd love to taste this thick juicy cock."

"Beth, he's yours," said Victoria.

"He's definitely my boyfriend and hopefully my future husband," said Beth. "I still want you to suck his big cock a little though. I like to share with my close friends. Please, Mom."

"Mrs. Conkley, it would be a great honor and pleasure for me if you sucked my big cock," I said. "I'd really love to feel your lovely lips wrapped around my fat juicy cock and sliding up and down my thick shaft. Please suck it."

Victoria did not know what to do or say as her eyes were glued to my throbbing cock while Beth stroked it, making its engorged head leak. Placing my left hand on the back of Victoria's head and gently pulling her head toward my cock was all the encouragement she needed.

"Kiss it first," instructed Beth softly.

Victoria kissed my cock head gently before she opened her mouth and sucked it in. Beth released my cock.

"Kneel on the floor, Mom," said Beth. "That would show more respect to his big cock. Good cocksuckers do it."

Gently holding Victoria's head against my crotch, I helped her get down on her knees on the floor.

"That's it, Mom," encouraged Beth as her mom closed her lips around my hard shaft. "Suck that big cock."

It took Victoria a minute of Beth's encouragement to start sucking my cock even wilder than if Beth was not there, eagerly taking my cock balls deep down her throat.

"She knows how to suck your big juicy cock, doesn't she?" teased Beth.

"Of course she does," I said. "Although she isn't an experienced cocksucker, she has the instinct of one."

"You are a born cocksucker, Mom," teased Beth. "You love his big cock, don't you?"

Victoria moaned, sucking my cock greedily.

“I can’t believe my prim and proper mom’s such a wild cocksucker,” teased Beth. “I’ve always thought she was innocent. I guess an innocent woman’s a woman without a cock-craving pussy. Speaking of cock-craving pussies, I know mine’s soaked. Judging by the hunger mom’s sucking your big cock, I bet hers is too.”

Having said that, Beth moved behind her mom and reached up her dress. Victoria pulled back, taking her left hand off my hip to push Beth’s hand away when she felt Beth touch her crotch.

“Let her do it,” I said, holding Victoria’s head and hand. “You are too busy to take care of yourself.”

Victoria reluctantly returned to sucking my cock. She gradually warmed up to Beth’s hand on her crotch. She soon started to grind her pussy into Beth’s hand.

“You are having fun at both ends, aren’t you?” teased Beth.

Victoria gasped as Beth slipped her hand down her panties and started to finger fuck her pussy.

“She’s even more drenched than I am,” said Beth, making her mom tremble. “Do you want to see?”

She removed her glistening fingers from her mother’s pussy and showed them to me. I held her hand and licked the juices off each of her sticky fingers, moaning.

“She’s delicious,” I said.

“Wait until you taste her right from the source,” said Beth. “I bet her pussy’s as juicy as mine.”

Beth used her free hand to pull her mother’s panties off. Victoria cooperated while riding Beth’s fingers. With her fingers inside her mother’s pussy, Beth started to fondle her mother’s tits, making her tense a little.

“Relax and enjoy yourself,” I said to Victoria. “She’s just telling you what to do to her when it’s her turn.”

“I am also being fair,” said Beth. “I want her to have as much fun as I want myself to have.”

“She’s a good girl,” I said, sinking my cock into Victoria’s throat again and again.

Victoria resisted Beth’s attempts to pull her dress down her shoulders, but Beth’s fingers inside her pussy helped overcome her resistance. Her tits were soon swaying freely, Beth fondling them and teasing their nipples.

A few minutes later, Victoria was too hot to resist when Beth lay on the floor and slid her head under her, pushing her face into her pussy. She let out a long moan when Beth started to lick her pussy while fondling both her tits and pulling on her nipples. She started to ride Beth’s tongue chasing an imminent orgasm.

“Are you having fun, Victoria?” I said.

“Yes,” hissed Victoria.

“Parenting doesn’t always have to be hard work,” I said. “It sometimes can be a lot of fun, right?”

She moaned over my cock.

Beth let go of her mother’s tits and grabbed her hips. She ate her ferociously until she gushed into her thirsty mouth. I held Victoria’s head tightly so she would not drop my cock out of her mouth as she convulsed in orgasm, thrusting her pussy into Beth’s face.

“Flood your slut daughter’s mouth with your hot pussy juices,” I urged.

Beth sucked her mom dry, only leaving her when she was limp.

Beth pushed her mother’s hips up and slid out from under her. She stood up and gave me a long deep kiss, making me taste her mother’s pussy.

“Delicious, isn’t she?” she said as she broke the kiss.

“Of course,” I said.

“Why don’t we lay her on the bed and let you fuck her big tits while I eat her juicy pussy again?” she said.

“Good idea,” I said, pulling Victoria up. “You seem to like your mother’s juicy little pussy too much.”

“I guess I learned to like good pussy from you,” said Beth.

Beth helped her mom slip out of her dress. We laid Victoria back, and I straddled her chest. Beth sucked her mother’s stiff nipples one after the other, making her moan.

“You are a bad girl,” moaned Victoria lowly, holding Beth’s head tightly so she would not take her wrong. “You shouldn’t suck your mom’s sensitive nipples like that. I’ve never had a woman do that to me.”

“She’s a good girl,” I corrected, squeezing Beth’s ass and pinching her mother’s free nipple. “How many girls volunteer their boyfriends to their mothers and selflessly please them sexually?”

Beth gave me a deep kiss before she drooled on her mother’s cleavage and my cock. Victoria squeezed her tits around my cock, and I fucked her deep cleavage. When Beth saw my cock sliding smoothly between her mother’s lush tits, she scooted off the bed and pushed her mother’s legs up, preparing to pounce on her pussy.

“Oh, she’s wearing a butt plug,” said Beth. “Are you going to fuck her in the ass?”

“That’s the plan,” I said, winking at Victoria and pinching her nipple, “unless she doesn’t want me to.”

“Why would any woman in her right mind not want you to stuff her hot tight ass with your thick juicy cock?” said Beth as she pulled at the plug. “No woman would want to miss the chance to convulse in wild orgasms while you thrust your big hard cock up her delightfully twitching asshole.”

“Maybe she doesn’t know what she’d be missing,” I teased, winking at Victoria.

“Mom, have you ever been fucked up the ass?” asked Beth.

“No,” said Victoria lowly, trembling.

“You must now be ecstatic,” said Beth, gently working the butt plug within her mother’s ass. “It’s going to be the most thrilling and fun experience of your horny life. Your asshole’s so pretty. It’s worthy of getting stretched wide and fucked hard by a big cock. We both enjoy the way he reams out my asshole and makes me come like a whore.”

“Oh, yes,” I said. “Your daughter’s one of the hottest anal sluts I’ve ever had the honor and privilege of sliding my wicked cock up their tight ripe asses. She was made for ass fucking. I am sure you are very much like her.”

“I think you are right,” said Beth. “I can tell by the way her asshole grips at the toy. It’s so hungry for cock.”

“Play with it and make it even hungrier,” I said. “Let’s show your mom what her tight ass was made for.”

“We will,” assured Beth. “We will.”

Victoria started to moan and grind her pussy into Beth’s mouth as Beth ate her pussy and fucked her ass with the butt plug. I fucked Victoria’s tits happily while Beth ate her pussy through a wild orgasm. Victoria continued to squeeze her tits around my cock while she convulsed and shoved her gushing pussy into Beth’s face.

When Victoria went limp, Beth removed her mouth from her pussy and brought the butt plug to her mouth. Victoria hesitated to suck the butt plug, so Beth licked it from the groove all the way to the tip before pushing it to her again. Victoria still hesitated to suck it.

“Suck it, Mom,” urged Beth. “You’ll soon suck his big cock after he’s fucked you up the ass.”

“Suck it, Victoria,” I nodded, encouraging. “Don’t be shy.”

Victoria finally opened her mouth and took the butt plug all the way in. She sucked it like a big pacifier.

“Good girl,” said Beth before she pulled away.

Beth rummaged through the nightstand until she found the lube. She squeezed a generous amount on her mother's asshole and started to finger fuck it gently.

"You'll love the way her asshole's going to milk your big hard cock," said Beth. "It's so tight but eager."

"I'm sure I'll enjoy sodomizing your sexy mom," I said, winking at Victoria. "I just hope she doesn't mind my fucking her ass hard all night long. I won't be able to get enough of it anytime soon."

"Oh, no woman would mind your making her come more times that she could count," said Beth.

"You think your mom wouldn't mind coming hard twenty or thirty times while I vigorously pump her stretched asshole?" I teased. "Do you really think so?"

"I'm sure of that," said Beth. "I think you'll find out that she's a hotter anal slut than I am. I am sure she'd love to come hundreds of times around your big fat cock."

"I'd be a very lucky guy, I said, winking at Victoria.

"She'd be a very lucky woman too," said Beth. "What would a hot woman love more than a big hard cock thrusting nice and deep in one of her horny fuck holes or another?"

"I think it's about time I readied my big cock for that," I said, popping the butt plug out of Victoria's mouth and pushing my cock into her mouth. "Suck it, baby. Make it hard and slick for your virgin asshole."

She had been moaning and gasping throughout our teasing banter. She did not hesitate to take in as much of my cock as I gave her. I thrust deep in her mouth, and she sucked my cock eagerly.

"Her asshole's definitely getting readier and readier for your big cock," teased Beth before pouncing on her mother's wet pussy, making her mom moan more urgently around my cock.

"She's also doing a great job readying my big cock for it," I said. "It's going to be so hot and wild."

Beth made audible slurping sounds as she devoured her mother's juicy pussy and finger fucked her ass while she humped her face and moaned around my cock.

"You like the way she eats your horny pussy, don't you?" I teased, fucking her throat gently but deeply.

She moaned around my cock in acknowledgement.

When Victoria's orgasm was near, Beth removed her mouth from her pussy and vigorously finger fucked her ass with three fingers. Victoria concentrated on humping Beth's fingers. I kept my cock inside her mouth, moving it very gently. It helped muffle her screams for the benefit of the neighbors.

"Come for me, Mom," urged Beth. "Let your horny asshole come as I fuck it hard with my fingers."

Victoria could not and did not resist for long even if she wanted to. She was soon convulsing in orgasm as Beth continued to pump her fingers in her twitching ass. Beth continued to move her fingers within her mother's ass while she recovered slowly, sucking my cock lazily.

"Her tight virgin asshole's ready for your big hard cock," teased Beth, making her mother tremble. "Is your big hard cock ready for her tight virgin asshole? Are you ready to loosen it up for her forever?"

"I think so," I said.

"It can't be ready without lube," said Beth, extending her free hand with the lube. "Mom, lube it well. Make sure it can slide smoothly all the way up your tight asshole with minimal friction. He's going to fuck your ass royally."

Victoria took the lube as I removed my cock from her mouth. She lubed my cock carefully while Beth lazily licked her wet pussy and fingered her ass. When she was done, I dismounted her. Beth removed her sticky fingers from her mother's ass and gave them to her to suck. Victoria sucked them after little hesitation.

“A big hard cock’ much better than a butt plug,” said Beth. “It’s warmer, bigger, and softer. It’s more filling and fulfilling, more squeezable, and it feels hotter. Besides, there’ll be a real man enjoying you sexually like you’ve always thought you were not meant to. It makes you feel like a bad girl—like a dirty whore. It’s so much fun.”

“I am going to fuck your hot mom like a dirty whore,” I said. “It’s what her luscious body was made for.”

Victoria trembled when I took my position before her ass, my pulsing cock aimed at her glistening asshole.

“I am a married woman,” said Victoria weakly as Beth held my shaft and gently rubbed my cock head over her mother’s asshole while teasing her clit. “I don’t think this is right.”

“Are you afraid you may be cheating?” I asked softly.

“Yes,” she said.

“Don’t worry,” I assured her. “As long as you’ve never done it with your husband and you’ll never do it with him, it isn’t cheating. Your mouth and ass are yours since your husband hasn’t claimed them. You are free to receive pleasure through them. It’s the right way for a married woman to be enjoyed sexually by a horny lover.”

“It’s taboo too,” she said. “Sodomy’s wrong.”

“Not in this case,” I said, fingering her drenched pussy. “It may be considered wrong when it happens among men as in Sodom. It may also be considered sinful for a man to sodomize his wife because he can fuck her pussy, but in this case sodomy’s the right thing for us to do because it keeps you faithful to your marriage while it allows us to advance our intimacy beyond straight sex. You are a very sexy woman. Your gorgeous ass was perfectly made for fucking. If your husband shouldn’t fuck it, I could and I should. It isn’t taboo; it’s just innocent clean fun. Your little asshole’s much tighter than your pussy and is at least as sensitive, so fucking your ass is going to be much more thrilling and fulfilling than fucking your juicy pussy. I am sure you can have the best orgasms of your life while I pound my hard cock up your hot asshole. I know you are much like your slut little daughter. You need my big cock.”

“Wouldn’t that hurt?” she asked weakly, squirming as I lightly teased her timid albeit ready asshole with my glistening engorged cock head.

“Of course not,” I said. “You are well prepared for it. Besides, Beth’s going to guide my big cock in to make sure I am gentle. You just need to relax and enjoy your wildest orgasms ever. Relax, and enjoy this guiltless pleasure.”

“Yes, Mom,” encouraged Beth. “Let him fuck you in the ass like he’d fuck a dirty whore. You’ll love it.”

“Do you think so?” she asked hesitantly.

“Of course,” I said, teasing her stiff nipples. “I always do it to your sexy daughter.”

“You won’t regret it, Mom,” said Beth, audibly fingering her mother’s leaky pussy. “I guarantee that. Relax. If it were wrong, neither would he do it nor would I agree to it.”

“It’s up to you,” I said as I pushed her legs over her head and guided her hands to her ass. “I am not fucking your hot tight ass until you spread it wide, look me in the eye, and beg me to fuck it like I should.”

“Yes, Mom,” said Beth. “Beg him to fuck you in the ass so he knows you really need it.”

“I can’t do that,” said Victoria lowly, spreading her ass with both hands. “It’s so improper.”

“It’s very proper in sex,” said Beth. “You have to be very explicit so your lover knows what you want.”

“I am not used to that,” said Victoria.

“Don’t worry about it, Mom,” said Beth. “You’ll get used to it. I’ll coach you. Say like I say.”

“Keep looking me in the eye while you beg,” I said.

“Nick, please fuck my ass,” coached Beth, teasing her mother’s pussy.

Victoria repeated lowly and hesitantly, briefly breaking eye contact. I forgave her. Holding her legs by the ankles, I pushed them farther so her knees were pressed against her shoulders. Her ass was tilted up, and her asshole was obscenely splayed. Beth held my cock head against the little hole.

“You got it, Victoria,” I said as I pushed forward ever so gently.

“I want you to fuck my tight virgin asshole,” coached Beth, pausing between sentences. Victoria repeated. “My virgin asshole’s so horny and ready for your big cock. I want to be sodomized like a bad girl. I want to come like a bad girl. My ass is yours. Fuck it anyway you want. Make me your dirty slut. Make me come like a cheap ass whore.”

By the time Victoria repeated that, my cock had sunk inside her ass until her sphincter closed behind my bulbous cock head. Her asshole was tightly stretched around my hard shaft. I paused.

“Your asshole feels so good around my big cock,” I said, looking in Victoria’s eyes. “It’s so tight and hot. I am going to immensely enjoy fucking it and reaming it out for you.”

“You like that, you horny hussy,” teased Beth. “Your pussy’s leaking like a loose faucet.”

Victoria trembled, her asshole twitching around my cock.

“How does it feel?” asked Beth.

“Oh, it feels so big,” said Victoria.

“Wait until it’s balls deep up your tight ass,” said Beth. “You’ll love it. You’ll crave it when it isn’t there just like I do. Let’s beg some more so he may slide his big cock deeper up your needy ass.”

Victoria nodded.

Beth let go of my cock and used her hand to tease my balls and asshole.

“Feed your big cock to my cock-hungry ass,” coached Beth. My cock resumed its advance as Victoria repeated behind her. “Fill my ass to the brim with your big fat cock. I want to feel your balls pressed tightly against the back of my ass as you fill it with your lustful cock. Open me up deeply before you fuck my ass hard and deep like a dirty slut you picked up off the street. I want to shake with every hard ass-splitting thrust you make. I want you to use my body like no one else ever has or ever will. Show me how you fuck your dirty whores. Make me your dirty whore.”

“You are a good girl, Victoria,” I said, gently thrusting in her ass. “I am going to do all that to you and then some.”

“I want you to fuck my tight asshole until it gapes wide open in hunger for your fat cock,” coached Beth. “I want you to make my asshole gape so wide as if it’s never been virgin. Open me up all the way up to my throat so you can pump your sticky come so deep up my bowels when you want to.”

“You are talking as if you are reading my mind,” I said, thrusting a little harder, my cock more than halfway up her stretched asshole. “I am definitely going to do all that.”

“Be nice to my mom,” said Beth. “Fuck her like she’s your own.”

“Of course,” I said, looking Victoria in the eye. “I’ll fuck her so good she’ll always want me in her luscious ass.”

Victoria continued to beg me to drive the rest of my cock up her ass. In a few minutes, she grunted as I popped my cock head past the end of her rectum. I was all the way in, my balls pressing against her ass. I paused to savor the sensations and give her a chance to get used to the feeling and enjoy it.

“This feels wonderful,” I said. “Your heat and tightness are engulfing my entire cock. It feels so good.”

“Can you feel his balls pressed against your ass?” teased Beth. “He’s completely stuffing your tight ass.”

“Yes,” hissed Victoria, trembling.

“Milk it like a good girl,” said Beth. “Get your ass used to that big cock. Make it feel at home. It’s its home.”

As Victoria milked my cock tentatively, I leaned forward and kissed her. She kissed back feverishly. I gently humped her ass while we continued to kiss lewdly. By the time we broke the kiss, my cock had started moving in and out of her ass. Her anal ring clung to my cock incredibly tightly, hollowing in and bulging out as it massaged the hard base of my cock.

“Your ass is no longer innocent,” I teased. “It’s now tightly stuffed with my big cock, and it loves it. Can you feel yourself become more and more like a cock-craving whore?”

She trembled.

“I am going to loosen up your tight asshole until you can receive and enjoy fast hard ass fucking like a real ass whore,” I said. “Meanwhile, I am going to enjoy the instinctive and tentative way your asshole milks my big cock.”

For the following five minutes, I fucked her ass with very short strokes, keeping almost all my cock inside her ass, to open her hot insides. I had her anal sphincter massage the base of my cock while I kept stuffing her entire rectum and massaging it into relaxation.

“Yes, Nick,” said Beth, palming my balls. “Fuck my slut mom’s horny ass nice and deep. Ream out her little asshole well. Enjoy her hot tight ass and let her enjoy your big cock. Fuck her like she’s never been fucked.”

“Do you want your asshole reamed out like your daughter described?” I teased Victoria.

“Yes,” she gasped, her asshole twitching.

“That’s the least I am going to do to it,” I said. “I am going to fuck your horny ass like you are a cheap whore.”

“Yes, yes,” she gasped.

“Your mom’s a good girl, Beth,” I said. “She really wants me to have my way with her tight once-virgin ass.”

“Of course, baby,” said Beth. “She’s a slut just like me. You’ve made me a slut. You are now making her one.”

“I am,” I said. “I am going to make her the hottest and most lustful mother-in-law in the world.”

Victoria’s ass loosened up a little, so I started to slide my cock gently almost all the way out and then push it all the way in. It was so delightful to feel my cock repeatedly get engulfed in her anal heat and tightness. I especially enjoyed the way her asshole clenched involuntarily whenever I pulled out and then relaxed to swallow my cock back in. She moaned when I pushed in and gasped when I pulled out.

“You are really stretching out her asshole,” said Beth, intently watching my hard shaft slide in and out of her mother’s lewdly spread ass. “It looks so beautiful.”

“Of course, baby,” I said. “This is only the beginning too.”

“You are enjoying my mother’s hot virgin ass, aren’t you?” said Beth.

“Oh, yes,” I said. “It feels so good around my cock. I just hope she enjoys my big cock there as I much as I do.”

“Are you enjoying having your tight ass stuffed with his big cock?” teased Beth.

“Yes,” hissed Victoria. “It’s so wild.”

“It feels good to have your asshole stretched wide, doesn’t it?” teased Beth, tickling her mother’s clit.

“Yes, yes,” gasped Victoria.

“You like getting your hot ass fucked with his gorgeous cock, don’t you?” teased Beth.

“I really do,” moaned Victoria.

“You haven’t heard flesh slapping yet, Mom,” said Beth. “Wait until he really drills your horny asshole.”

Within a couple of minutes, I was smoothly fucking Victoria's ass in a nice rhythm. She hunched her hips to meet my thrusts, moaning in lust. I gradually fucked her faster and faster, and she kept up with my pace. My thighs started to slap her haunches softly and so did my balls to the back of her ass.

"Yes, yes," hissed Victoria as I continued to skewer her ass again and again.

"Do you want to come, Mom?" asked Beth.

"Yes," said Victoria.

"Do you want him to fuck your ass hard and make you come?" teased Beth.

"Yes," gasped Victoria.

"All you have to do is beg for it," said Beth. "He's a good guy. If you beg him to drill your cock-hungry ass hard, he will. I bet he'd love to feel your asshole twitch in ecstasy around his big cock."

"That's for sure," I said. "I'd love to watch her face and feel her asshole as they both twitch in hard orgasm."

"Here you go," said Beth. "Here you have a horny guy willing and able to fuck your tight ass anyway you want. Take advantage of him."

"Please fuck my ass hard, Nick," begged Victoria. "Please make my ass come all over your big hard cock."

"So, you want your asshole to spasm in orgasm around my big hard cock?" I teased.

"Yes, yes," she gasped.

"Me too," I said. "I want to feel your insides twitch in orgasm as I drill your asshole like a cheap whore."

Holding her ankles tighter, I fucked her defenseless ass faster and faster. Within two minutes, I was pounding her receptive ass as hard and fast as I could, my balls and thighs slapping her flesh audibly. She gasped and shook with every thrust, still begging for more while spreading her ass wide.

"All right!" cheered Beth. "You are really fucking my mom's horny ass now, and she loves it. This is how my mom's slutty ass needs to be fucked. I like it."

"Me too, baby," I said. "It's the most thrilling thing her lovely ass was made for."

"You bet, baby," said Beth. "You bet."

Within a minute, Victoria inhaled sharply and stiffened. She convulse wildly in orgasm, gasping breathlessly for air. Her asshole twitched madly around my cock as I pounded it without mercy.

"I am coming," she gasped. "My horny asshole's coming on your big cock. I am coming like a cheap whore."

"You sure are, you hot slut," I said.

Her orgasm subsided, leaving her limp, and I slowed down. She milked my cock gently while she recovered.

"Tell me this wasn't the best fuck of your life," I teased, thrusting in her ass with long slow strokes.

"I can't," she panted, smiling. "I don't lie."

"So, it was the best fuck of your life?" I asked.

"Yes, definitely," she said.

"You agree that you were made a woman so you could get fucked like that?" I said.

"Yes," she hissed.

"You are a good girl," I said. "Do you know what your reward is going to be?"

“No,” she said, shaking her head.

“I am going to fuck your hot ass like that until it’s wide open and ready to swallow a hefty come load up your bowels,” I said. “How does that sound?”

“It sounds like a lot of fun,” she smiled.

“Was your hot ass meant to be fucked royally and filled with come?” I teased.

“Yes,” she hissed.

“I love you, Mom,” said Beth, kissing her mom on both cheeks. “We are both sluts now. It’s going to be so much fun for us to share Nick’s big juicy cock. I bet he’ll love it just like we will.”

“Speaking of my juicy cock, I’d say it’s ready to be sucked,” I said.

Victoria gasped when I swiftly yanked my cock out of her asshole, leaving it with a soft audible plop. I licked her drenched pussy dry before I pulled her up and thrust my cock in her face. She smiled before she opened her mouth and sucked it in.

“I’ve never dreamed I’d ever see my mom get fucked up the ass like a cheap street whore and then eagerly suck the big cock that skewered her ass so hard,” said Beth. “It’s so hot.”

“I am sure she’s having the hottest time of her life,” I said.

Victoria moaned around my cock in agreement.

She deep throated my cock for several minutes.

“Yes, mom, enjoy that big juicy cock,” said Beth, licking her lips. “It’s what you were meant for.”

“Do you think it’s ready for your horny ass?” I teased Victoria.

“Oh, yes,” she smiled, “and my ass is ready for it.”

We shared a long, sensual kiss.

“Get on your hands and knees, and show me your hot cock-loving ass,” I said. She complied readily. “Thrust out your hot tight ass shamelessly. Show me that you are a real whore for my big cock.”

She complied readily, and I helped her get into position, spreading her knees wide and pushing her ass down so it would be exposed most obscenely and lined up with my cock. I cupped her tits and squeezed them as I gave her asshole a hot French kiss, making her moan. When I broke the kiss, I left a pool of drool on her asshole.

“Your ass is gorgeous,” I said, gently slipping two fingers into her relaxed asshole. “I am luckily the first guy to kiss it after it’s been fucked for the first time.”

“You are the only guy to have ever kissed it before or after that,” she said, humping my fingers.

She moaned as I pumped her ass gently. I stood up behind her and touched my cock head to her anal pucker.

“It will be so nice to watch your tight ass as its wide open mouth repeatedly swallows my big cock in hunger,” I said, gently pressing my cock head into her asshole. “I’ll hold my big cock for you so you can move your hot ass back and forth, getting it fucked however you want. Take my big cock in and get your horny ass fucked, my ass whore.”

Because her asshole and my cock were lined up and her asshole was relaxed, it sucked my cock head in effortlessly when she gently pushed her ass back. She gasped softly and thrust her ass back, swallowing most of my cock. With the next thrust, my balls touched her wet pussy. Beth watched intently.

“This looks good,” said Beth as she reached behind me and started to tease my balls while watching her mother’s ass rock back and forth over my hard shaft. “Her little asshole’s well stretched.”

“That’s for sure,” moaned Victoria. “It feels so good.”

Beth took her clothes off and disappeared for a minute. When she returned, she turned around and bent over, showing her butt plug.

“See, Mom,” called Beth, spreading her ass. “I have one too. I need to warm up in case I can get a turn.”

“Of course, you’ll get a turn,” I said. “There’s enough of my big cock to satisfy a warehouse.”

Beth sat naked, watching her mom. I spread Victoria’s ass with my hands and paced her.

“My pussy’s so wet,” smiled Beth, wiping her pussy, when I looked at her.

“Let me see,” I said, taking her hand.

Her fingers glistened in her pussy juices. I sucked them dry, moaning.

“My mom’s becoming a good slut,” she said. “She moves her ass in rhythmic strokes to swallow your big cock hungrily again and again. She must really love getting fucked in the ass like a whore. Don’t you, Mom?”

“Oh, yes,” gasped Victoria.

“Her pussy must be dripping too,” said Beth, reaching between her mother’s legs.

Victoria gasped when Beth touched her pussy.

“She’s soaked,” said Beth, bringing her glistening fingers to my mouth.

“Her pussy’s as delicious as yours,” I said after sucking her fingers.

“Is her ass as hot and horny as mine?” teased Beth.

“Yes,” I said. “You can’t believe how wonderful it is to watch and feel your religious prim and proper mom shove her ass onto my big cock like a cheap whore.”

“You love corrupting her pure virgin ass with your big sinful cock, you bad boy, don’t you?” teased Beth.

“Of course,” I said. “I love totally defiling pure sexy women. They do too.”

“Do you, Mom?” teased Beth. “Do you really love getting corrupted and used lewdly like a depraved whore?”

“Yes, yes,” gasped Victoria.

“Anyone who could see you now with a huge cock stuffed up your horny ass would never believe you’ve ever been to church,” said Beth. “You look and act like a real slut who’s been getting fucked since she was twelve.”

“She’s a good girl though,” I said. “Good girls should take it up the ass like bad whores. Your mom’s terrific. She should be proud of herself, and you should be proud of her. I am.”

“Of course I am proud of her,” said Beth. “She’s a wonderful mom and a hot hussy.”

“Indeed she’s a wonderful lady and a hot anal slut,” I said.

“Thanks, you two,” gasped Victoria.

“You can only thank me by coming on my big cock as hard and as many times as you can,” I said.

“I am going to come very soon,” she gasped, thrusting her ass back faster.

“Good girl,” I said.

Meanwhile, Beth wet her fingers in her mother’s dripping pussy and used her glistening fingers to fondle her mother’s tits and tease her nipples.

“Fuck him harder, Mom,” urged Beth. “Make your hot ass explode in a wild orgasm on his big cock. Now that you are a cock-craving whore, enjoy what only depraved sluts and cheap whores usually enjoy. Stuff your greedy ass with his big cock again and again. Get your horny ass fucked like the dirty whore you are. Come for your stud.”

Beth’s dirty talk made her mom fuck harder and harder. Beth did not stop talking dirty until her mom finished her loud gut-wrenching orgasm on my cock and went limp. Victoria’s rectum twitched madly around my cock, almost making me come. I held her so she would not collapse onto the bed and rocked her gently.

When Victoria recovered, I grabbed her tits and pulled her upright. We kissed lewdly as I fondled her tits and thrust gently in her ass, making her moan into my mouth. Meanwhile, Beth fingered her and sucked her nipples.

“Did you enjoy getting your horny ass fucked like a dirty whore?” I smiled at Victoria as we broke the kiss.

“Yes,” she hissed. “It was incredible. I’ve never dreamed anything could feel this good.”

“This pleasure has never been open to prim and proper ladies,” I said. “It has always been reserved for unreserved sluts. Now, you can enjoy it as one. You are now a pure cock-craving slut but only for me, aren’t you?”

“Yes,” she hissed, smiling.

“Whose dirty whore are you?” I teased.

“I am your dirty whore,” she said.

“Good girl,” I said.

We kissed again, celebrating that.

“Now, you are the family stud,” said Beth. “You have two hot sluts at your service.”

“That’s true,” I said. “The two of you have an insatiable ass hound at your service too.”

“We are two lucky sluts,” giggled Beth. “Aren’t we, Mom?”

“Oh, yes,” smiled Victoria.

Holding Victoria’s hips to mine, I helped her stand on the floor with her ass still impaled on my cock. I cupped her tits and started to thrust in her ass. She fucked back.

“Spread your hot ass, Victoria,” I whispered. “Show me how much you love my big cock.”

She reached back and spread her cheeks.

“Spread your legs, Mom, so I can eat your dripping pussy,” said Beth, kneeling before her mom.

Victoria and I spread our legs. She bent her knees while still spreading her ass for me. Beth proceeded to lick her mother’s pussy and fondle my balls. I was squeezing Victoria’s tits and pinching her nipples while thrusting in her ass, making her pussy leak into her daughter’s eager mouth. Naturally, she did not last long. Her asshole was soon twitching wildly around my cock as her pussy gushed in Beth’s sucking mouth and she screamed in orgasm.

As soon as Victoria’s orgasm subsided, we kissed long and deep. I bent her over the bed. I had Beth spread her ass as she braced her hands on the bed.

“Let me see how well you’ve reamed out my slut mom’s horny ass,” said Beth, spreading her mom’s ass wide.

My cock popped out, and Victoria’s asshole gaped nicely but not as wide as I wanted.

“It’s so pretty,” said Beth. She drooled into the gaping hole. “It’s very receptive to training, but it needs more.”

She sucked my cock head a little and soaked it in her drool before she guided it back into her mother’s open asshole. She spread her mother’s ass, and I proceeded to fuck it. Victoria bent her knees and spread her legs, providing a better angle for deep anal penetration. She moaned, pushing her ass back to meet my thrusts.

“Close your eyes and open your mouth,” I said to Beth, lowering her head to her mother’s ass.

As soon as she complied, I popped my cock out of her mother’s ass and into her mouth. Beth moaned as I fucked her throat gently. I popped my cock out of her mouth and back into Victoria’s gaping asshole.

“Fuck my mother’s cock-hungry ass,” moaned Beth, her eyes still closed as she spread her mother’s ass wide.

“Yes, yes,” echoed Victoria. “Fuck my cock-hungry ass.”

“I am fucking your cock-hungry ass, Victoria, my dirty whore,” I said, thrusting harder.

My cock was soon thrusting in Beth’s throat as I squirted lube inside Victoria’s open asshole.

“As you can tell, I am switching my big cock between your horny ass and your daughter’s hungry mouth,” I said to Victoria while fucking Beth’s throat balls deep. “If you were not married, I’d be pumping it in your pussy too.”

My cock was back in Victoria’s ass, and Beth was back talking dirty.

“Beth, would you marry me?” I asked, holding a diamond ring while I continued to fuck her mother’s ass.

When Beth opened her eyes, she saw the ring sparkle in her face. She stood up and looked more closely. I took her hand and pulled the ring onto her finger. She was speechless for a few moments.

“Mom, look at this,” Beth said excitedly, showing the ring to her mom.

Meanwhile, I held Victoria’s ass tightly and fucked it hard.

“It’s beautiful,” gasped Victoria, pushing her ass back for more. “Congratulations to both of you. It’s a very special occasion. I am so happy for you.”

“Thanks, Mom,” said Beth.

“Thank you, my future mother-in-law,” I said. “It’s a great honor for me that we become family.”

Beth hugged me and kissed me feverishly. While we kissed, I guided her hands to her mother’s ass. She spread it while we continued to kiss. I cupped her pussy with one hand and stirred the butt plug in her ass with the other. We kissed deeply while I continued to fuck her mother’s spread ass.

“This is a unique way to propose,” gasped Victoria.

“It implies that you are part of our relationship,” I said.

“We have to celebrate,” said Victoria.

“We will after I am through with the two of you,” I said. “No celebration can beat this though.”

After Victoria came, I held her ass to my cock and sat on the bed, taking her into my lap. I placed her feet on my thighs and lay back. She braced her hands on the bed on either side of me in the spider position.

“Ride my big cock, you hot slut,” I urged, spreading her ass and bouncing her on my cock. “Get your hot ass fucked. Show me how lucky I am that you are going to be my slut mother-in-law.”

“Yes, yes,” she hissed, bouncing on my cock.

Beth used her left hand to finger fuck her mother’s pussy while she sucked her left nipple. Victoria had a quick but hard orgasm. Beth had her suck the copious pussy juices off her sticky fingers before she licked her drenched pussy dry. I thrust gently in Victoria’s ass while she panted for air.

Victoria recovered, and I helped her turn around into the anal Asian cowgirl position. She bounced energetically.

“This looks beautiful,” said Beth, watching from behind her mom. “Her stretched asshole and your fat cock look so nice together, thrusting into each other hard. Your big cock goes balls deep you her horny ass every time.”

Beth teased her mom's clit and fondled her tits while she used her dirty mouth to describe how my hard shaft ravished her mother's defenseless but eager asshole. That excited Victoria and made her fuck harder and harder. She had a wild orgasm, screaming like a banshee. I continued to fuck her ass until she recovered. I helped her off my cock, and she watched her daughter pounce on my sticky cock and swallow it hungrily.

"Show your mom what kind of a cocksucker you are," I urged. "I don't think she's ever seen a slut suck a big cock, so give her a good show."

Beth moaned around my cock and then took it out.

"I guess I have to make a first impression," she giggled. "I have to show her I am a good cocksucker."

"You are a great cocksucker, Beth," I said. "Show her that you are a real slut and you'll make a good wife."

"I'll show mom that no good wife can suck a big cock like I can," she said.

While Victoria watched her daughter suck my cock like a cheap whore, I fingered her pussy and asshole with two fingers each. She moaned, humping my fingers. Within the following fifteen minutes, she saw her daughter demonstrate every trick she knew about sucking cock.

"What do you think?" I asked Victoria. "Do you think my fiancée's a good cocksucker?"

"Oh, she's amazing," replied Victoria. "Where did she learn all that?"

"Where you did," I said.

"Your big cock's hard, and your balls are full," said Beth. "You are ready to fill my mother's come-thirsty bowels with a big load of your hot sticky come."

"Victoria, are you ready to swallow my creamy come up your bowels?" I asked, letting her suck my sticky fingers.

"I am sure I am," she said.

"Get on your back and pull your sexy legs over your head," I said, helping her get into position. "Spread your hot ass like the dirty whore you are too. Show me that you need my hot come and deserve it."

With Victoria's asshole totally relaxed, my cock did not need any guidance popping in. Before I let her come, Beth and I made sure her asshole gaped wide. Ten minutes later, she was convulsing in orgasm just like my cock convulsed deep in her ass.

"I am flooding your hot married ass with hot come, Victoria," I said. "I am making your slutty ass mine forever."

"Yes, yes," she gasped, shaking wildly. "Shoot your hot creamy come deep in my horny ass."

While her twitching pussy gushed juices freely, my pulsing cock pumped a big load of come into her sucking bowels. I continued to pound her jerking ass until she and then my cock went limp.

"Squeeze your asshole tightly," I said, thrusting into her gently so she could milk my cock dry. "Drain my balls."

My soft cock finally popped out of her asshole. I took it to her mouth and had her suck it clean. Meanwhile, Beth licked her mother's drenched pussy and ass clean. She then probed her mother's ass with two fingers, scooping out a lump of come that she had her mother suck off her fingers.

"This is going to keep the come inside," said Beth, popping her mother's butt plug up her ass.

"Did you enjoy yourself?" I asked Victoria. "Are you happy you'll be my mother-in-law?"

"Absolutely," she said. "I haven't ever dreamed anything could be this hot and pleasurable."

"Let's get him hard again," called Beth, bending over me as I lay back on the bed. "My horny ass needs cock."

They took turns sucking my cock as I teased their pussies and toyed with the plugs up their asses. With my cock and balls well tended to, my cock was hard in no time. They took turns deep throating it hungrily while I fucked Beth's ass with her butt plug.

"Time to fuck," said Beth, stroking my shaft. "Your future wife needs your big cock bad."

She got on her hands and knees and thrust her plugged ass out lewdly.

"Can you see how beautiful the inside of a woman's ass looks?" I said to Victoria, looking through the butt plug.

She moved closer so she could look inside her daughter's ass.

"Lovely, isn't it?" I asked.

"It looks nice," she said, "much nicer than I expected."

"Fuck her ass with the butt plug," I said. "Make sure it's ready. When you are satisfied it is, take the butt plug out, and have her suck it like she did to you."

"I've never done anything like this before," said Victoria.

"Try it," I encouraged. "It's fun. It can bring you and your daughter closer too. You are both my whores."

"Yes, please do it, Mom," called Beth, looking over her shoulder.

As Victoria held the base of the butt plug, I slipped under Beth in the sixty-nine position. She sucked my cock, moaning around it, while I ate her pussy and fondled her tits, watching the butt plug fuck her ass. A few minutes later, she came, letting my cock go. Her pussy gushed in my mouth as she shoved her pussy and ass back. She lubed my cock before I slid out from under her.

"Let her suck the butt plug," I said to Victoria, kneeling behind Beth.

Victoria brought the butt plug to Beth's mouth, and Beth sucked it eagerly.

"Spread her ass and watch my big cock slide in," I said to Victoria.

As she spread her daughter's ass, I adjusted my hips so my cock was aligned with Beth's asshole and pushed forward, popping it in effortlessly. Beth gasped softly and contracted her asshole around my shaft.

"Wow!" exclaimed Victoria. "Is this how you stretch my asshole?"

"Yes," I said. "If I don't stretch it this wide and stuff it this tight, you won't have those wild orgasms."

"Can it ever close tight?" she asked.

"Of course," I said, popping my cock out of Beth's ass. "Beth, show her how tight your hot asshole can close."

Beth squeezed her asshole shut, making it look much smaller.

"Try it with your finger," I said to Victoria. She pushed a finger in. "Can you see how tight it is?"

She nodded.

"Imagine how tight it would be hadn't the butt plug been stretching it for over an hour," I said, popping my cock back into Beth's ass. "Ass fucking increases anal fitness and elasticity. It's the most perfect activity for a hot ass."

Victoria spread her daughter's ass, and I proceeded to fuck it at an easy pace. Beth fucked back eagerly, matching my strokes and talking dirty.

"Can you see how pretty a cock-craving slut's ass looks with a big fat cock pumping it rhythmically?" I said.

"Yes," said Victoria.

"Now, you know how good it feels too," I said.

“Oh, yes, I do,” she said. “I can’t believe how good it feels.”

“Can you ever live without it?” I asked.

“That would be hard,” she said.

“It won’t happen,” I said. “You are my dirty whore now. I am going to fuck you in the ass day in and day out.”

“That would be great,” she said. “Do you think we can do that?”

“Absolutely,” I said. “We’ll be family. It’s my duty to be nice to my mother-in-law.”

“You are so nice,” she said.

“Would you marry me?” I asked.

“I would if I wasn’t married already,” she laughed.

“So, you would if you could?” I said.

“Yes,” she said.

“You can marry me,” I said. “The law wouldn’t recognize that, but that’s all. We can do it in another state.”

“That would be crazy,” she said.

“Exactly,” I said, presenting the diamond ring I got for her. “Victoria, would you marry me?”

Before she knew it, I had the ring on her finger.

“Oh, this is beautiful,” she said, looking at the ring. “I am not sure we can do that though. It’s illegal.”

“Many men have more than one wife,” I said, fingering her. “It’s illegal, but they do it. Why can’t you?”

“Come on, Mom,” urged Beth. “Say yes. It’ll be our little secret.”

“Okay,” Victoria finally said. “I guess I can try.”

“Congratulations, Mom and Nick,” said Beth, thrusting her ass into my cock.

“Thanks, Beth,” Victoria and I said together.

“You are now my fiancée,” I said, pulling her for a hug. “You’ll be my slut and wife.”

We kissed, and, while we did, I fingered her pussy and pumped the butt plug in her ass. We only broke the kiss when she came in my hand. I licked my glistening fingers.

“It will soon be legitimate for me to fuck you in every hole in your body,” I said, slipping two fingers into her drenched pussy, which twitched as she trembled. “Your hot pussy will me mine like the rest of you.”

“Is that why you want to marry me?” she asked, moaning as I continued to finger her.

“Absolutely not,” I said, teasing her clit. “We won’t have kids, but we’ll do everything lovers and spouses do.”

“This is so cool,” said Beth.

“It’s so hot too,” I said as I removed my sticky fingers from Victoria’s pussy and had her suck her juices off.

When Beth came, I nudged Victoria’s head down. She got the hint and pounced on my cock as soon as it popped out of Beth’s gaping asshole. I fucked her throat for a couple of minutes, occasionally switching it between her mouth and her daughter’s ass.

“You are a dirty slut, my future mother-in-law and wife,” I said.

She moaned around my cock.

Victoria ate her daughter to orgasm when she rode me in the reverse cowgirl position. She rode my face when her daughter rode my cock in the cowgirl position, fucking her mother's ass with the butt plug. After I fucked Beth's ass in several positions, I emptied my balls deep in her sucking bowels. Her mother sucked my cock clean before I had her scoop some come out and feed it to her daughter. She plugged her daughter's well-fucked ass before she licked her pussy dry.

The two horny sluts sucked my cock back to full hardness, and I fucked their asses silly for over an hour. In the end, I fucked Victoria's full tits and came all over her face. I used my cock head to guide the come on one side of her face to her mouth while Beth used her fingers to guide the come on the other side in.

That was not the end of it. We resumed fucking, and they practiced sharing my cock and eating each other's pussy and ass. They enjoyed helping each other get fucked and sharing the come I deposited in their horny asses.

We finally showered and went to bed together. We fucked again in the morning. I came in their asses and plugged them before we showered. They took their asses full of my come to church. Victoria did not object to that at all. She was completely my dirty whore. Her pussy was wet throughout the service.

PLAYING TOGETHER

Mom returned from church ready for me. She had hardly put on her sexy attire when I knocked on her door. She sucked my cock and I fucked her pussy while her ass was still plugged. While I fucked her ass thoroughly, I told her about my escapades with my future wife and mother-in-law.

"You are a sex fiend," she chided. "We are luckily putting as much as we can of your evil energy to good use. If you weren't fucking me and your slut future mother-in-law, you'd be fucking a poor innocent woman's ass off."

"She'd be loving it though," I said.

"That's how evil you are," she said. "You are so evil you take advantage of a woman and make her love it. You are a lovable bad boy. Look at me: I wouldn't trade the feel of your big hard cock up my ass for the world."

"Me neither, Mom," I said. "Fucking your tight ass is one of the hottest things that have ever happened to me. I don't think there's anything evil in taking advantage of a woman as sexy and gorgeous as you are."

"If you think it's okay to take advantage of your own mother, no wonder you take advantage of other innocent women," she said. "You are a dangerous horny boy."

"You are sexist, Mom," I said. "Don't you know how dangerous a woman with full ripe tits and a hot tight ass to innocent men like me?"

"I bet they can be very dangerous if you can't take your eyes and mind off them," she smiled, "not to mention your hands...and your wicked cock."

"Can't you see?" I said. "I am not that bad."

"Oh, you are so good to me right now," she said. "Don't stop fucking my horny ass."

"There's no way I will," I said.

In the following week, I alternated my extended lunch breaks between Victoria and Mom, having three sessions with Victoria and two sessions with Mom.

They became well used to my cock and addicted to it. They lost all their inhibitions and became more natural than most accomplished whores.

After the great success in seducing Mom and Victoria, I decided that it was time my future mother-in-law met my mother. I arranged for Victoria and Beth to visit Mom on Saturday afternoon while Dad was out. I also made sure the three of them wore their butt plugs during the visit.

When Mom went to get the drinks, I stood up and thrust my hardening cock in Victoria's face, startling her.

"Suck it," I said calmly.

"Are you crazy?" she said, looking up at me in shock. "Your mom would call the police on us."

"Don't worry about her," I said. "If it's okay for me to do it, it is for you. I am at the greater risk here."

After some hesitation, she took my cock in her mouth and started to suck it. By the time Mom returned, Victoria was deep throating my hard cock eagerly. Beth had already started the video recorder. Mom was taken aback when she saw that. She froze for a second before she took it in stride.

"Don't you want to wait for the drinks?" asked Mom.

"You can have your drinks while you take turns," I said.

"So, you want me to suck your big cock too?" she asked.

"Of course," I said, "unless you want to be a spectator."

"Of course not," she said.

"Sucking my big cock is just the appetizer," I said.

"This is a great way to get to know each other," said Beth. "I've never seen your mom in a sexual context."

"Not only are you going to see her in a sexual context," I said, "but you are also going to see her get fucked very silly and come really hard."

"She's going to see me do that too, isn't she?" asked Beth.

"That's right," I said. "It's going to be a wild orgy."

By then Mom and Victoria had started to take turns sucking my cock.

"Ladies, why don't you get down on your knees so I can help you out of your clothes?" called Beth.

Victoria and Mom soon knelt down on the floor, and I sat down on the sofa. They helped me out of my pants and briefs while Beth helped them out of their dresses and bras. Beth soon took their panties off. They were completely naked as they worshiped my cock eagerly.

"You horny bastard, you have them ready for your big cock," said Beth as she discovered the butt plugs.

"You know me," I said. "I always hope for the best and plan for it."

Beth started to work the butt plugs in and out of our moms' asses. They started to moan and finger themselves. Beth lost her own clothes and mounted my face.

"Eat my juicy pussy while they suck your big cock," urged Beth.

She pressed her leaky pussy into my mouth, and I ate it and fucked her ass with her butt plug to orgasm.

Victoria soon got on her knees on the sofa and thrust her horny ass out lewdly.

Beth lubed my cock before I aimed it at her mom's offered ass. She spread her mom's ass, and I pushed my slick cock in as my mom watched intently. That was the first time Mom saw me fuck anyone.

"Wow!" exclaimed Mom, watching my cock stretch Victoria's asshole wide. "This looks so hot. She has a little asshole, and you have a big fat cock."

“It feels so good too,” moaned Victoria, thrusting her ass out for me.

“Mom, why don’t you take a closer look?” I said. “Spread her ass and watch her little asshole get ravished.”

Beth let go of her mom’s ass and started to tease both her pussy and her mom’s. Seeing that, Mom pulled Victoria’s ass cheeks apart and watched the stretched orifice as I fucked it briskly. I suddenly yanked my cock out of Victoria’s asshole, making her gasp at both ends as her gaping asshole sucked air and closed shut.

Mom was still watching Victoria’s asshole when my cock head brushed her lips, startling her. She nonetheless opened her mouth and let me fuck her throat for a few seconds before I rammed my cock back into Victoria’s ass, making her groan at both ends. I repeated that several times, enjoying the feel and view of it. As Mom watched, I pinched her nipples and occasionally reached down to finger her wet pussy.

Victoria lowered her head and shoulders to the sofa cushion, and her hands were free to spread her ass.

“Fuck Mom’s cock-hungry ass with your big cock, Nick,” urged Beth.

Mom pulled back as I fucked Victoria’s spread ass hard. Beth dove between Mom’s thighs, startling her. She was resistant at first, but she soon started to like it. Before long, she lay back and pulled her knees to her chest, allowing Beth to work the butt plug in and out of her ass while eating her leaky pussy. She came in Beth’s mouth before it was her turn on my cock.

“Fuck her horny ass,” urged Beth as she moved aside, unplugging Mom’s ass.

“Of course,” I said as I pushed Mom’s ankles against the back of the sofa and aimed my cock at her splayed ass.

Beth squirted lube onto Mom’s asshole and guided my cock head to the hole. My cock slid smoothly in until my balls pressed against the back of Mom’s ass. Beth fingered Mom’s pussy, watching her moan and squirm as my cock pumped her ass deeply. Victoria watched fingering her own pussy and fondling her tits. I occasionally pinched and twisted her nipples.

After Mom came, I sat down on the sofa and Beth squatted in my lap, placing her feet on my thighs. She bounced her ass on my cock energetically in the anal reverse cowgirl position while I spread it for her and paced her.

“Fuck my slutty ass with your big cock, baby,” urged Beth.

“Eat her pussy, Mom,” I instructed.

Mom did not hesitate much before she glued her mouth to Beth’s bouncing pussy. Victoria knelt down and used one hand to finger herself and the other to finger Mom. The three of them came nearly at the same time.

“Let’s take it to the bedroom,” suggested Mom.

We moved to the bedroom and fucked silly for a couple of hours. I came once in each tenderized asshole. They scooped most of my come out and shared it.

We showered, and the ladies prepared dinner together.

Beth, her mom, and I left after dinner.

Beth noticed that I had seduced both our moms but she had not seduced her dad.

“I have to seduce my dad,” she said.

“Your dad’s a strict man,” I said. “You may get yourself in deep trouble.”

“Not if I do it right,” she said.

“You don’t know how to do it right,” I said. “Neither do I.”

“I’ll do my best,” she said.

“You have already made up your mind,” I said.

“Yes, I have,” she said. “I just want you to take Mom to your place next Saturday all day and fuck her silly while I work my tricks on Dad.”

“That’s a fun thing to do,” I said, “but be careful with your dad.”

“I’ll be careful and make sure to have as much fun as I can,” she said.

Beth went shopping for sexy clothes daily that week in preparation for the grand seduction. The cost was well over a thousand dollars, but the clothes and shoes were more than worth it. Everything she bought was tight, skimpy, thin, transparent, with cutouts, or a combination thereof. She also decided to watch several adult movies that involved high cock teasing artistry. She was doing her best to succeed. I had increasing confidence she would.

Victoria loved the idea of spending the whole day with me, and her husband did not suspect a thing.

Beth’s dad was at home in the living room, reading most of the time. She paraded in sexy clothes all morning, trying hot pants, short shorts, micro miniskirts, thongs, thin, mesh, fishnet or transparent tops and so on until she got his attention, but that was only the bait. She made sure he was following her with his eyes when she was around him. She did many tricks such as dropping things on the floor and bending over one way or the other to pick them up, once popping one of her tits out of her top. She squealed, drawing his full attention. When she knew she had him, she walked to him with half her tits on display and her nipples poking through her thin top. Her hot pants were painted on her pussy and ass. When he saw her coming his way, he looked back into his files.

“Dad,” she called when she was a couple of feet away.

When he looked up at her, he saw her tits in his face.

“Beth, you shouldn’t wear this kind of clothes,” he said.

“I know, Dad,” she said. “It’s just that only you and I are home. I thought I could try these outfits.”

“It’s not appropriate to wear them in my presence either,” he said.

“Dad!” she protested. “I am at home. Some girls wear this kind of clothes in public.”

That was not completely true, but he did not know what to say.

“Anyway, sweetheart, what were you going to talk to me about?” he asked.

“These clothes,” she said.

“What do you mean?” he asked.

“You know, I am engaged,” she said. “Since you are a man, I want to take your opinion on these outfits. I want you to tell me which you think is prettier and sexier. I want to surprise and impress Nick.”

“I shouldn’t be the one whose opinion you ask about this matter,” he said.

“Dad!” she protested. “Do you want me to get a guy off the street and ask him his opinion?”

“Of course not,” he said. “You can ask your fiancé.”

“I can’t,” she said. “I want to make it a surprise for him, besides some outfits are very revealing. He may not be able to stay put while I model them for him.”

“Okay,” he finally resigned to it. “I guess I can do that.”

“Thanks, Dad,” she said. “I’ll do three rounds of modeling: dresses, sexy outfits, and lingerie. Compare and take notes while I model every set and then give me your honest judgment at the end of each round.”

“Okay,” he nodded.

“I also want you to give any suggestions you may have on my walk, moves, and poses,” she said. “I want it to be perfect, so be generous with your comments.”

“Okay,” he said.

She started with a mildly sexy dress but without a bra. Her ripe tits jiggled visibly under the top as she saucily paraded and struck sexy poses in her high heels and fishnet stockings. She loved the attention and felt her power.

“I am not sure Nick would like this one,” she said.

Her dad had a legitimate excuse to check her out thoroughly and enjoy her show shamelessly. She also enjoyed having an audience attentively following her every move and twitch. She was so turned on she had to wipe her leaky pussy after modeling every set.

Her first round of modeling showed generous cleavage. Her stiff nipples poked through the thin material of her tops and her panty crotches peeked under the hems of her dresses and skirts. In addition to swaying in her sexy walk, she made it a point to squat, bend over, and crawl on her hands and knees almost in every outfit. Near the end of the round, she did without panties, giving him little peeks at her bald pussy. He enjoyed it all without the slightest disapproval in apparent objectivity.

“Maybe he’d like to take me on a date wearing this,” she said.

He liked most a tight little red dress that exposed the most cleavage and hardly covered her ass. It was my favorite too. She thanked him and kissed him on both cheeks. As she did that, she verified that he had a big boner. That gave her extra courage and confidence.

The second round started with a V-neck halter top and a micro miniskirt. The only underwear she wore while modeling those outfits was a micro g-string, so her nipples were clearly outlined by the fabric. Her ass cheeks peeked out when she bent over. Her tops got tighter, thinner, skimpier, and more transparent with every new set. Her shorts and skirts followed suit, and she tried leggings too. She also modeled fishnet tops, pants, and skirts with nothing underneath. She concluded with a tit top that fully exposed her full firm tits topped with thick stiff rosy nipples. She even pinched her nipples when she had her back to him. She matched that top with chaps without panties, putting her pussy and ass on full display. She flaunted her stuff, making sure he took a good look at her moist pussy and asshole.

“I obviously can’t go out dressed like this,” she giggled.

When he took it in stride and did not protest, she knew she would be able to have her way with him. He liked her last outfit most. She hugged him and kissed him on the cheeks, brushing her stiff nipples over his chest. She almost gasped at the sensation.

Now that he had seen her most private parts without complaints, she freely modeled her sexy lingerie all the way to transparent, peek-a-boo, cupless, and shelf bras and transparent, skimpy, and crotchless panties. He liked her most in a white shelf bra and a matching micro thong. When she kissed him, she was wearing a shelf bra and crotchless panties. She pressed her tits into his chest.

“Dad, thank you so much for what you have done for me all my life and today,” she said. “There’s one more thing I would like you to see. I want to show you a movie of my fiancé and myself so you can get to know him a little more. You’ll see how I manage to stay virgin to my wedding day while we have hot fun.”

He did not comment.

“I hope you’ll like it,” she said.

She retrieved a DVD that we specially prepared for that occasion. She sat in his lap, her tits still uncovered, and started the DVD player. The movie started with innocent things and worked its way through some teasing, kissing, and making out. We had dubbed music onto the movie, so she could innocently grind her ass into his boner to the tune. After fifteen minutes, the scene of her anal defloration started, edited so it would only last for an hour.

“There are some erotic scenes,” she said as the screen showed her take off my pants, “but we are both adults and you have already seen most of my body.”

He remained silent, his hard cock pushing against her rocking ass.

“This is so much fun,” she said as she sucked my cock onscreen. “Nick and I love it. Does Mom do it to you?”

“No,” he said. “Your mom wouldn’t do that kind of things.”

“What a loss!” she said. “Nick and I love it so much. I am sure if she did it to you, you’d both love it too. Maybe I should talk to her.”

He did not comment, but watched silently as his daughter demonstrated her skill onscreen.

“This is so yummy,” she said as she screen showed her swallow my come. “I love Nick’s sperm. I love the texture and the taste in addition to the naughty act. Dad, have you ever had a girl swallow your sperm like that?”

“No,” he said.

“That’s too bad,” she said. “It would be so romantic, don’t you think so?”

“Maybe,” he said.

“We love this too,” she said as I laid her back and ate her pussy onscreen. “I am sure Mom doesn’t let you do that to her either. What a shame! It’s so pleasurable, and it brings lovers closer together. Nick says I am delicious that way. Mom should let you try it.”

They watched her squirm under my tongue until I made her gush into my eager mouth. While she recovered, I moved down to her then-virgin asshole. She resumed squirming and moaning.

“This is even hotter,” she said. “He thinks I am even more delicious there. I don’t have to ask to know that Mom has never let you do that.”

He became even harder as he watched me finger and ream out his daughter’s asshole, starting with one finger and moving slowly up to three. The screen showed me lube her asshole very well. She sucked my cock and lubed it.

“He’s going to take my anal cherry,” she said, as the screen showed her pull her legs over her head and spread her ass wide. “That’s been the most romantic moment of my life. It was what made me fall in love with him wildly.”

“That’s sodomy,” he said. “It’s taboo.”

“No, Dad,” she said calmly. “Sodomy’s homosexual. This is a man and his future wife building their intimacy. It’s wonderful when it’s done by a considerate man like Nick. It’s the best thing that has ever happened to me. I am sure Mom has never let you try that. It’s incredible.”

Anyway, he enjoyed watching his daughter take the first ass fuck of her young life and love it. He watched her get it up the ass in several positions and come very hard. He also watched as I deposited my hefty come load deep in her twitching rectum. He watched her suck my cock clean afterward too.

“Dad, that’s how we have fun while I stay virgin,” she said as she stopped the movie. “What do you think? Don’t you think it’s wonderful?”

“It’s nice,” he said, nodding.

“Dad, have you ever done it to a girl up the ass?” she asked.

“No, never,” he said.

“Dad, you’ve been so nice to me,” she said. “Today, I am going to be nice to you. I am going to suck you and swallow your sperm. I am going to let you enjoy licking me down there until I reach orgasm, and I am going to have you sample my anal delights. It’s going to be my token of thanks to you. It’s my special gift to you.”

“No, Beth,” he said. “We can’t do that. You are my own daughter.”

“Dad, we can do it, and we are going to,” she said, scooting off his lap. “I am your daughter, but we won’t have sex. I’ll still be virgin when we’re done. There’s no way I am going to let my dad stay deprived forever.”

“Beth, I am not sure we should do this,” he said as she started to rub his cock through his pants.

“I am sure we should,” she said, unzipping his pants. “Just relax and leave it all to me. Enjoy yourself.”

He just groaned when she fished out his hard cock and took it in her mouth.

“You have a beautiful cock,” she said, briefly taking her mouth off his cock. “I am going to suck it very well before I make it spurt its tasty milkshake down my throat. I am sure you’ll love it too.”

“Oh, this feels so good,” he moaned as her stretched lips worked up and down the entire length of his shaft.

She moaned her appreciation of that compliment over his cock.

After fifteen minutes of bliss, he was dying to come.

“Dad, are you ready to feed your daughter your hot creamy come?” she teased, stroking his cock.

“Yes,” he hissed.

“Are you going to be nice to me and shoot your biggest come load ever in my come-thirsty mouth?” she teased.

“Yes,” he hissed.

“If you hold back anything, I won’t let you eat my juicy little pussy and my horny asshole,” she threatened.

“I won’t hold back anything,” he promised.

His cock started to twitch and squirt against the back of her throat as soon as she put it back in her mouth. She sucked him dry and let his soft cock drop out of her mouth.

“I liked that, Dad,” she smiled at him. “Did you like it too?”

“I loved it,” he said.

“Do you think your daughter’s the best cocksucker in the world, or do I still need training?” she teased. “If I need training, you have to train me on your cock and your come.”

“You are the best cocksucker in the world,” he said.

“You are sincere, right?” she said. “You are not saying that just so you won’t have to train me.”

“I am sincere,” he said.

She disappeared in her room for a minute. She returned with her butt plug and the lube. She put them on the cocktail table and kicked off her thong.

“It’s your turn to indulge yourself and eat my juicy pussy,” she said as she sat back on the sofa and spread her legs. “It’s so wet and ready. It needs a good licking.”

“Your pussy’s so pretty,” he said as he knelt down between her legs. “It looks delicious.”

“Thanks, Dad,” she said, spreading her knees wider. “Eat it to your heart’s content and make me come in your mouth as many times as you want. Enjoy yourself. I know you need it. If you need training, I’ll happily help you.”

He enjoyed himself immensely as he ate her virgin pussy hungrily. She naturally did not stop talking dirty to him, urging him to make her virgin pussy explode in ecstasy in his mouth.

“Show your slut daughter how much you love her horny little pussy,” she teased. “Is it juicy enough for you?”

“It’s so juicy,” he said. “It’s the juiciest thing I’ve ever had.”

“Are you enjoying yourself, Dad, or am I being selfish here?” she moaned.

“I love it,” he said. “Your pussy’s delicious.”

Ten minutes later, she gushed in his mouth, and he sucked her pussy dry and kept sucking until she came again.

“Lick my asshole,” she said, pulling her knees against her chest and spreading her cheeks apart with both hands. “You are going to fuck it soon. Use your wicked tongue to make it ready for your hard cock.”

He tasted her asshole tentatively a few times before he dove in. She started to squirm and talk dirty.

“You love that cock-hungry little asshole, don’t you?” she teased.

“Yes,” he said.

“It’s the horniest little fuck hole you’ve ever seen,” she said. “Fuck it with your hot tongue. Make your slut daughter’s horny asshole come on your tongue.”

He licked her asshole until she came.

“Use the lube and your fingers,” she gasped. “Open me up for your hard cock. Ream out my slutty asshole. You’ve been so good to your daughter you definitely deserve to enjoy her cock-craving ass with your hard cock.”

Having seen the movie, he knew what to do. He carefully worked her asshole with his fingers, making her come when he had three fingers up her ass. He cleaned her drenched pussy with his tongue.

“Now, use the butt plug,” she said, pointing to the butt plug on the table. “Fuck my ass with it. Stretch it wide. Make sure it’s ready. It’s dirty fun too. I love being a dirty girl for my dad.”

“This is a pretty toy,” he said, picking up the butt plug.

“I use it for anal training,” she said. “I wore it all morning to get my little asshole ready for my dad’s hard cock.”

He carefully slid the butt plug all the way up her ass, making her moan.

“You can look inside my ass through it,” she said.

“Wow!” he exclaimed, admiring the inside view of her ass. “This is so pretty.”

“That’s why it’s clear,” she moaned. “Can you see the lust inside my horny ass? Can you see how hungry it is for my dad’s hard cock? Can you see how much it needs you?”

“I can’t see all that just by looking, but I know you are the hottest girl with the hottest ass in the world,” he said.

“Thanks, Dad,” she said. “Wait until you try my horny ass on your hard cock.”

He soon established a good rhythm, working the plug in and out of her ass.

“Lick my pussy too,” she begged. “Make me come in your mouth.”

He ate her pussy while fucking her ass with the butt plug. She came within a few minutes, and he licked her dry.

“Now, sit back and relax,” she said as she got off the sofa.

He sat back, and she knelt at his feet. She spent a few minutes sucking his cock to full hardness. She lubed his cock before she turned around and bent over, shoving her ass in his face.

“Unplug my horny ass,” she said. “I need your cock. A hard real cock feels much better than a glass butt plug.”

He gently popped the butt plug out of her ass. She turned around and straddled him. She squatted on him in the Asian cowgirl position and placed her hands on his shoulders.

“Are you ready to fuck your slut daughter’s horny ass?” she teased.

“Yes,” he hissed, his cock twitching.

“Spread my ass and leave the rest to me,” she said softly. “You are going to fuck my tight horny ass. Enjoy.”

He gladly spread her ass with both hands. She guided her asshole to his cock head without using her hands and then gently bore down on him, letting his cock head pop past her sphincter with a soft gasp.

“You are in, Dad,” she said, pausing for a few moments. “Your slut daughter’s ass doesn’t need help to swallow a hard cock it wants. Do you like the feeling?”

“Yes,” he said. “It’s so hot.”

She slowly lowered herself onto him until she felt his balls against the back of her ass crack.

“You are balls deep up your slut daughter’s cock-hungry ass,” she said, pausing. “How does it feel?”

“It’s so tight and hot,” he said. “It feels wonderful. It’s the hottest thing I’ve ever experienced.”

“I am glad you are having fun,” she smiled as she started to milk his cock gently. “I love it too. Aren’t you happy that your slut daughter didn’t listen to your silly excuses when you told her she had no business sucking and fucking the cock that has sired her long ago and that your horny cock shouldn’t enjoy its own forbidden fruit?”

“Yes,” he said. “I am glad you persisted. This is the most exquisite feeling I’ve ever felt. It’s out of this world.”

“That’s the point,” she smiled as she started to work her ass agonizingly slowly up and down his hard shaft. “I wouldn’t have gone through all that for an ordinary gift. Enjoy yourself, Dad. Your horny daughter’s going to let you fuck her tight little ass like the hot little slut she is. We are just warming up now so we can last long. You’ll love it.”

“You are out of this world,” he complimented. “If there were ever a sex angle, it would be you.”

“Thanks, Dad,” she said. “This is the best compliment I’ve ever heard. Although this feels like heaven, I’m not sure it has anything to do with angels—far from it.”

“Beth, you are an angel no matter what you do,” he said. “You’ll always be my little angel.”

“Your little angle wants you to suck her hot nipples,” she said.

“Gladly,” he said, popping a sweet nipple between his lips.

“I’ll make sure you’ll never forget this, Dad,” she said. “It’s going to be the best sex of your life ever.”

“It already is, sweetie,” he said.

She soon established a slow rhythm, working her ass halfway up and down his cock. She resumed her dirty talking as her rhythm accelerated slowly.

“Your slut daughter’s little asshole loves cock so much,” she moaned. “Although she wants to be nice to you, you are now being so nice to her. Your daughter appreciates enjoying the cock without which she wouldn’t be.”

“Sweetie, my cock’s enjoying the sweetest daughter any cock could ever sire,” he said.

“Thanks, Dad,” she said. “I want your cock to be happy with what it did to Mom to conceive me and with what it’s doing to me right now.”

“It’s very happy,” he said. “It has never been happier.”

“You like fucking my horny ass, Dad?” she teased.

“I love it,” he said.

“Tell me that you love fucking my cock-craving ass,” she said. “I’d love to hear that.”

“I love fucking your cock-craving ass, my little angel,” he said.

“Thanks, Dad,” she said. “Is it hot and tight enough for your hard cock?”

“It’s hotter and tighter than I could ever dream,” he said.

“I am so happy my dad appreciates my special gift,” she said.

“Your dad appreciates your special gift more than he’s ever appreciated anything,” he assured.

Within a few minutes, she was making slapping sounds.

“I love getting my slutty ass fucked hard on your hard cock,” she gasped.

She could feel her orgasm approach quickly.

“Dad, hang on,” she gasped. “Don’t come; I am far from done with you. I want to come on your cock.”

“Come, sweetie,” he said.

“I am going to come hard,” she gasped.

She bounced faster and faster until she stiffened seconds before she started to gasp and twitch in orgasm.

“I am coming on your cock, Dad,” she gasped. “My horny asshole is twitching in ecstasy.”

She babbled incoherently, fucking her ass hard on his cock, until her orgasm subsided and she went limp.

“That was wonderful,” she gasped. “Did you like it?”

“I loved it,” he said. “It felt incredible to me. It was a miracle I didn’t come.”

“Your cock and its daughter’s horny ass love each other, don’t they?” she gasped.

“Yes,” he said. “They definitely do.”

“My dad loves his slut daughter too, doesn’t he?” she gasped.

“Yes, he loves her more than anyone and anything,” he said.

“Tell me that my dad loves his slut daughter,” she said.

“Your dad loves his sweet slut daughter,” he said.

“Tell my dad that his slut daughter loves him too,” she smiled.

She brought her mouth to his, and they shared their first long deep lewd kiss. When they broke the kiss, they were both out of breath. She dismounted him, letting his cock leave her asshole with a soft pop. She bent down on his cock and swallowed it down her throat.

“You don’t have to do that,” he said. She sucked his cock eagerly, and he loved it. “Oh, don’t stop, baby.”

“I am not stopping,” she smiled, briefly taking his cock out of her mouth.

She deep throted his cock for a few minutes. She pulled back and lowered her face and shoulders to the floor, sticking her ass up.

“Dad, fuck my ass as hard as you want,” she said, spreading her ass with both hands. “Fuck my ass until you fill my bowels with your thick sticky come. Let me enjoy my dad’s hot come deep in my bowels.”

“You got it, sweetie,” he said, getting up.

He naturally did not need a second invitation. He pushed his cock into her ass and pounded her willing ass vigorously as she begged him to fuck her ass hard and fast. They came simultaneously, and her twitching rectum sucked his come-spewing cock dry. He thrust in her ass, and she milked his cock until he was too limp.

“That was incredible, Dad,” she gasped. “Did you like it?”

“I loved it, sweetie,” he said. “That was the biggest and best orgasm of my life.”

“I loved having your hard cock come that hard for me deep in my horny ass,” she gasped.

“You are so hot, angel,” he said.

“Stick the butt plug in so your come can stay inside,” she said, spreading her ass. “Your come’s too precious to lose. It was come like this that made half of me.”

He obliged her, popping the butt plug up her ass. She sat up and licked his sticky cock clean. He sat back on the sofa, and she resumed sucking his cock. He started to get hard.

“Dad, did you enjoy fucking my hot tight ass?” she teased, stroking his hard cock.

“You know I did,” he said. “It was wonderful. You are an angel, Beth.”

“I am so happy you liked it,” she said. “Would you blame Mom if she was tempted into doing it?”

He was startled by her question.

“Your mom’s a wonderful woman,” he finally said. “She’d never do something like this.”

“I know Mom’s an angel too,” she said. “Would you still blame her if she was tempted and couldn’t resist.”

“That’s impossible,” he said.

“She also must think it’s impossible for you to do it to me,” she said. “Sometimes, the impossible may happen.”

“I think you are right,” he said.

“Would you blame her?” she said.

“I guess I shouldn’t,” he finally said.

“That’s fair,” she said.

She returned to sucking his cock.

“Let’s continue our movie,” she said, resuming the show.

She deep throated his cock leisurely.

“This happened last Saturday night when you were away,” she said as her mother’s seduction scene started.

Her father watched silently, his cock rock hard in his daughter’s mouth. She silently sucked his cock while he watched his wife get fucked in the ass for the very first time in her life but like a cheap whore.

“She’s only human,” she said when the movie ended. “She’s every bit a slut as I am.”

“Beth, don’t talk like that about your mom,” he said.

“I don’t mean to insult her,” she said. “I only mean she and I are two of a kind.”

“I have to agree,” he said.

“While we have our fun here, she and Nick are doing the same at his apartment,” she said.

“So that’s why he took her out, the bastard,” he said.

“Without that, we wouldn’t have been able to do this,” she said.

“That’s right too,” he said.

“Would you like to watch them in person as they go at it?” she asked. “I enjoyed watching them.”

“You mean hide in a closet or something?” he asked.

“No, Dad,” she said. “You never have to hide. She’s your wife. You have the right to a first-row seat to watch her get fucked silly. You can even film the action from the angles that turn you on most.”

“I am not sure about that,” he said. “What would they think about me?”

“They’d think you were having a good time,” she said. “What’s wrong with that?”

“Wouldn’t they have a problem with that?” he asked.

“Not if you don’t,” she said. “Mom and Nick like to fuck before an appreciative audience.”

“Let me think about that,” he said.

“We’ll do it tomorrow after church,” she said.

“Where?” he asked.

“Right here,” she said. “Nick likes to fuck married women in their own beds.”

“What a wicked guy!” he said.

“He’s an angel,” she smiled. “Isn’t he?”

“I guess he is,” he said.

“I bet you’ve never come on a girl’s face,” she said.

“Never,” he said.

“Do you want to?” she teased, stroking his hard cock.

“That would be wonderful,” he said.

“You are having a blast with your slut daughter, aren’t you?” she teased.

“Oh, yes,” he smiled.

“You are lucky she loves it,” she smiled. “Most daughters and dads are too silly to enjoy this.”

“You are an incredible daughter, Beth,” he said.

“I am a little whore,” she smiled.

“You are an angel,” he said.

She sucked his cock hard until he was about to come. When his cock stiffened, she popped it out of her mouth and jacked him vigorously.

“Come on your slut daughter’s pretty face, Dad,” she urged. “Don’t hold back.”

He spewed his come onto her face and in her open mouth. She sucked him dry before she sexily used her fingers to wipe the come off her face and lick it up.

“We may never get to do this again,” she said, straddling his thighs. “Nevertheless, I’ll never forget this very special day, and I don’t want you to forget your fortieth birthday ever. Happy birthday, Dad.”

“Oh, thanks, Beth,” he smiled. “I didn’t remember it was my birthday.”

“I did,” she said. “I was going to do that even if it wasn’t. Have you ever had a happier birthday?”

“Of course not,” he smiled.

“That’s all the reward I’d ever want,” she said. “I don’t think we’ve ever showered together.”

“Me neither,” he said.

“Let’s do it,” she smiled.

Beth called me at night.

“Nick, you need to be very considerate of Dad as you fuck his slut wife like he never has or will,” she said.

“That’s understood,” I said. “We’ll have a little talk before we start.”

“That doesn’t mean that you shouldn’t fuck her royally though,” she said.

“I’ll take good care of your hot mom, baby,” I assured.

“I know you will,” she said.

After church, Beth talked with her dad.

“Dad, are you ready to watch your stud future son-in-law fuck your hot wife like nobody else ever has or ever will?” asked Beth.

“Yes,” said her dad.

“Remember that they’ll be happy like you and I were happy yesterday,” she said. “Be happy for them.”

“Okay,” he said.

“He’ll fuck her mouth and ass royally,” she said. “She’s saving her pussy for her wedding night too.”

“What wedding night?” he asked.

“You’ll find out soon,” she said. “I am going out now. Mom’s getting ready for her lover. She’ll be ready by the time he arrives. You can then take him to her.”

“Okay,” he said.

Beth soon left.

Beth went out for shopping and other activities, and I went to my future in-laws.

John let me in while Victoria was getting ready in the bedroom.

John and I had met several times before, so we chatted for a few minutes before I moved to the subject at hand.

“John, you are going to watch and film as your lovely wife and I have sex,” I said. “You are as important in this as she and I are. I want you to be most comfortable and to enjoy yourself as much as we. How do you want it to be? Do you want it to be mild or wild, soft or hard? Do you have any preferences or suggestions? That last thing we want to do is make you uncomfortable, not to mention hurt. It’s supposed to be a lot of fun for all of us.”

“Thanks, Nick,” he said. “It’s very kind of you to consider me as important in this as you are. I appreciate your concern about my feelings and preferences. I actually want you to be natural. I want you to act almost as if I was not there. I want you to please my wife, and I want her to please you as much as you both can.”

“We can do that,” I said. “Do you want to participate verbally or figuratively? If you want, you can ask me to do your wife, eat her out or do anything else, or ask her to suck me or do whatever. You are also welcome to spread her for me or guide me into her if you want. The more you are involved, the more we’ll all have fun. I want you to know and feel that it’s your show. You are in charge.”

“Thanks again, Nick,” he said. “I’ll see what comes up with me.”

“There’s another issue I want to discuss with you,” I said. “Not only do I want to marry your daughter, but I also want to marry your beautiful wife while she’s still married to you.”

“What do you mean?” he asked.

“You’ve probably noticed that my relationship with your sexy wife is purely oral and anal,” I said. “We haven’t had straight sex so she wouldn’t cheat on you. With your permission, I want to establish a full sexual relationship with her. We’ll get married in a different state so we can have full sex together at any time without cheating.”

“That’s illegal,” he said.

“That’s true, but cheating is legal and much worse,” I said. “We chose the better option. What do you think?”

“How’s that going to affect her relationship with me?” he asked.

“It isn’t,” I said. “You are her first husband, so she lives with you as usual. This agreement’s going to give her and me the right to fuck anyway we want as long as we don’t compromise her relationship with you.”

“That’s okay with me,” he said. “Thanks for letting me know about this arrangement.”

“I have to let you know,” I said. “We are family. You are one of us.”

“Thanks,” he said. “Shall we go upstairs?”

“Please,” I said. “I am looking forward to meeting my hot future mother-in-law and second wife.”

John led, and I followed. He started the camera before I went in. Victoria was sitting on the bed in a very sexy outfit, waiting anxiously. Her chemise was so short I could see the sheer crotch of her panties before she stood up.

“I thought you’d never make it,” she smiled. “I was waiting anxiously for you.”

“I am as anxious, my sexy woman,” I said.

We hugged and kissed lightly.

“Honey, I want you to enjoy yourself as much as you can,” he said to his wife. “Do it for me.”

“I sure will,” she smiled. “I am so ready to have fun.”

They hugged and kissed.

“She’s a very beautiful woman,” he said to me. “If I were you, I’d enjoy her all I can.”

“She indeed is,” I said. “Don’t worry about me; I am going to enjoy her very much. I won’t waste any time.”

“Enjoy,” he smiled, motioning me to his wife.

“Let’s show him what a hot and sexy woman my second fiancée is,” I said to Victoria, pulling her to me.

“I am very hot and wet already,” she said before we mashed our lips together.

We kissed deeply for a couple of minutes while our hands groped each other's body. While we feverishly explored each other's mouth, I thoroughly felt up her ass, pussy, and tits through her thin outfit. I even teased her asshole through her sheer thong. She squirmed in my arms and moaned into my mouth.

We finally broke the kiss, and she went down to her knees.

"Suck his cock, honey," called John.

Wow! That pleasantly surprised both Victoria and me.

"I am going to suck his thick juicy cock to my heart's content, honey," she replied. "Would you like me to make him come in my mouth and swallow his hot thick come too?"

"Yes, honey," he said.

"I'll sure do that," she said, popping my hard cock out. "I love swallowing his tasty come."

She took my cock in her mouth while she helped me dispose of my pants and briefs.

"Suck my big cock like the magnificent woman you are," I said, placing my hand on the back of her head. "Show your husband that his wife's one of the hottest and horniest cocksuckers in the world."

She took my cock in her mouth and deep throat it eagerly for half an hour. We changed positions several times.

"Suck my big cock, you slutty cocksucker," I teased. "Show your husband dirty whores have nothing on you."

"I'll make you and my husband proud," she said. "I love this big cock, and I know how to suck it."

"Suck it, Victoria," I said. "Show him you know what your hot mouth was made for."

"I'll make sure he knows that my mouth was made to suck this big mouthwatering cock," she said.

Sometimes, she sucked my cock, and, on other times, I fucked her throat. Sometimes, she was on top, and, on other times, I was. We were vaguely aware of her husband going around the room to capture the action from the best angles. When I came, shooting long jets of come into her open mouth, she was on her hands and knees on the bed, and I was standing I bent over and fondled her ass as she sucked my cock dry.

"Did you like that, honey?" she asked him, smacking her lips. "Was I a good cocksucker for my fiancé? Do you think I am worthy of sucking his big gorgeous cock?"

"Yes, darling," he said. "It was very hot. You were, and I do."

"Is your pussy very hot and ready to eat?" I asked, massaging her noticeably wet pussy through her panties while fondling her tits through her chemise.

"It's so hot it's blowing steam," she said.

"That sounds hot enough to me," I said, rolling her on her back.

She spread her legs, and I licked her juicy pussy through her sheer panty crotch. I soon pulled off her panties and feasted on her bare pussy. She was dripping.

"It's mouthwatering," I said, admiring her glistening pussy lips. "I have to have it."

Diving in, I glued my lips to hers and did not get up until she came three times in my mouth. She squirmed and talked dirty throughout my half-hour assault. I only raised my head to push her legs over her head and go for her asshole. It was already lubed. I ate it to orgasm and used my fingers to ream it out, making her come again.

When she recovered, I straddled her chest and pushed my hardening cock into her mouth. I fucked her throat gently until I was rock hard. I dismounted her and arranged her on her hands and knees.

"May I help you with it?" offered John, leaving the camera on the tripod. "Let me spread her sexy ass for you."

“Please do,” I said, my cock pulsing inches behind its waiting target. “That’s so kind of you.”

His participation was figurative since the position she was in had her ass spread wide. I aligned my cock with her asshole and pushed in without manual guidance. My cock popped in, making her gasp.

“My big cock knows how to go inside your hot wife’s sizzling ass,” I said.

“Her ass is gorgeous, isn’t it?” he said, watching my cock stretch his wife’s asshole wide.

“I wouldn’t be here if it wasn’t,” I smiled as I held her hips and pulled her back onto my cock until my balls touched her leaky pussy. “Your hot wife has a very hot and responsive ass. I am going to fuck it open.”

“Do that, fiancé,” she moaned. “Make your slut fiancée happy.”

He withdrew when his wife started to rock back and forth over my cock.

“Get your ass fucked, my hot slut,” I said to her. “Show him what a dirty ass whore for me you are.”

“That’s why we are here,” she said. “I am going to get my ass fucked long and hard.”

“Good girl,” I said, slapping her ass playfully. “Let’s make your slutty ass happy.”

We naturally fucked in several positions. I came in her ass, and she ate my come out. We ate each other until she came twice and my cock was hard again. We fucked for another long session. I came on her lush tits, and she massaged my come into her tits. She sucked me back to full hardness while I ate her pussy to orgasm. I had her ride my cock in the anal cowgirl and the anal reverse cowgirl positions before I put her on her hands and knees.

“John, let her suck your cock,” I said as I thrust in her ass.

She soon was deep throating him for the first time in their lives.

“You can have her mouth any way you want,” I said to him, “but her ass is still taboo.”

“That’s fair enough,” he said.

When his come shot down her throat, mine shot up her twitching bowels. She sucked my cock clean, and I put my clothes back on.

“I had a very good time, sir,” I said to him. “You are a very kind host, and your wife’s a very sexy lady. I hope this won’t be our last time.”

“You are not leaving until the two of you promise it’s going to happen again—often,” he said.

“Do you promise, Victoria?” I asked.

“Yes,” she said, nodding.

“I do too,” I said.

“I also do,” he said.

“By the way, happy birthday,” I said to him. “I hope you liked our humble present to you.”

“Thanks,” he said. “I loved it. It’s a very special and precious present.”

When I went home, Beth was waiting for me there. She did not have a problem getting me hard again while I told her all about my time with her folks.

“That was wonderful,” she said, bouncing her ass on my cock.

“Yes, it was,” I said, spreading her lovely ass with both hands.

“I don’t think you have fucked your mom before your dad yet,” she said.

“No, I haven’t,” I said.

“Do you need help?” she asked.

“I think I’ll do well,” I said.

On Monday, I took an extended lunch break, which I spent with Mom, fucking her ass silly.

“We need to let Dad watch us fuck,” I said, thrusting gently in her ass after I made her come several times. “We want him to know that you belong to me. Do you think you can talk him into that?”

“Of course not,” she said. “Are you crazy?”

“He already knows we do it,” I said.

“I can’t ask him to watch me get fucked like a dirty whore,” she said. “I won’t even think about it.”

After I arranged my thoughts, I called Dad in the evening after Beth and Erin left.

“Dad, have you ever...fantasized about...,” I said.

“Watching you and your mom fuck?” he said. “Sure. I am ready to make it a reality.”

“Really?” I asked in disbelief.

“Of course,” he said. “Let’s do it next Sunday morning.”

“Sure,” I said.

Naturally, Mom and I fucked each other silly throughout the week. She was hornier than ever.

On Sunday, I went to my parents’ house. They met me at the door. After I shook Dad’s hand, Mom hugged me, bringing her mouth to mine. She held me tightly, slipping her tongue into my mouth. Our kiss obviously was nothing like a mom should kiss her son. It heated up to a feverish level as she rubbed her braless tits into my chest and ground her pussy into my boner. I felt up her ass through her dress, mashing her pussy into my bulge. My hands slipped up her dress and felt up her bare ass cheeks on either side of her thong. She moaned into my mouth, humping my boner.

“Dan, if we start, we can’t stop,” she gasped. “Do you want us to go ahead with this?”

“More than ever,” he said.

She immediately dropped to her knees and fished out my cock and balls.

“Oh, this big beautiful cock’s drooling already,” she smiled, stroking my cock. “It must be dying to skewer every hole in my horny body—just like every hole in my cock-hungry body drools and tingles for it. Fuck my throat, Nick.”

She took my cock in her mouth, and I thrust deeply, fucking her throat from the start. She moaned around my cock, sucking it eagerly. Fifteen minutes later, she rose to her feet. She turned around, bent over, hiked her dress and pulled her thong down to her knees. I could see the base of her butt plug, splitting her lovely ass.

“Fuck my pussy,” she said, looking over her shoulder, as she spread her ass with both hands. “Fuck your mom.”

Although she asked me to fuck her, I held my cock for her and she backed up onto it and proceeded to swing her ass back and forth, fucking herself on it. I spread her ass and enjoyed the view. She was soon bucking toward a hard orgasm. After she came, she dropped down to her knees and sucked my dripping cock clean.

She finally tucked my cock in and walked to the sofa. She lay back on the sofa and spread her legs, pulling them over her head. Her wet pussy and plugged asshole were exposed shamelessly. I gently removed the butt plug from her ass and gave her relaxed asshole a long deep kiss. She moaned and let her ass kiss back. I broke the kiss and put the butt plug back in her ass. I gave a similar kiss to her drenched pussy, sucking its juices. A few minutes later, she was gushing fresh juices into my eager mouth. When I finished cleaning her pussy, she sat up.

“Do you want to fuck me up the ass?” she teased.

“Yes, of course, you sexy thing,” I said.

“Let’s do that in my bed,” she said, getting up.

She sexily led me upstairs, holding her dress up as her thong was still around her knees. I followed her twitching ass, my cock leaking into my briefs. She hopped onto the bed along its side, her face over the bed foot.

“Dan, honey, please lube my asshole so he can fuck it right away,” she teased as she fished out my cock.

Dad graciously obliged her, making her moan over my cock as she deep throated it for several minutes.

“Dan, baby, guide his big cock where it belongs,” she said as she turned around and thrust her ass out for me.

My cock pulsed against her ready asshole as I awaited his response. He calmly came over and held my hard shaft in his left hand.

“Fuck your slut mom’s ass,” he said as he pressed my cock head into her asshole. My cock head popped in, making her gasp. “Ream out her asshole very well, Son.”

“You got that, Dad,”

He withdrew, and I proceeded to fuck her ass. She thrust her ass back as eagerly and energetically as I thrust my cock forward. Our flesh slapped audibly as she begged me to fuck her ass hard and deep.

“Fuck my ass hard, baby,” she urged, bucking her ass. “Let’s show your dad what a dirty whore his wife is.”

Four hours later, Dad knew well what kind of dirty whore his hot wife was. He saw me fuck her every hole in many positions. I came in her mouth, pussy, and ass, and on her face, tits, and ass. She pounced on my cock hungrily to suck it clean whenever it left her pussy or ass, and she ate most of the come I shot in and on her body.

Mom and I put on a very hot show for Dad, and he wisely captured it on film.

“That was wonderful, Son,” he said to me. “You are a serious motherfucker. I am very proud of both of you.”

“Thanks, Dan,” said Mom, spreading her legs. “Come eat my sticky pussy. Show me how proud you really are.”

It was my turn to hold the camera and capture the action as he ate her pussy through orgasm.

“Next time, I am going to let you eat his delicious come out of my well-fucked ass,” she promised, moaning.

“Why wait?” he said, pushing her legs over her head.

She gasped as he pounced on her asshole. She squirmed her way to orgasm as he ate and probed her asshole. He licked her drenched pussy before she pushed him onto his back and fished out his hard cock. She pounced on his cock and sucked it hungrily for several minutes. She rode him in the cowgirl position until she came and then she lay on her back and had him fuck her to another orgasm.

“Give it to me,” she urged, twitching in orgasm. “Pump your come deep in my slutty pussy.”

He did not hesitate to oblige her.

“Oh, my pussy needs to be eaten again,” she moaned as he dismounted her.

He silently dove between her thighs and took several minutes to devour her come-filled pussy. When he was done, she pulled him to her and gave him a long deep kiss.

By then, I was hard again, but I wanted to save my new boner for Beth while I told her the story.

“Next time, we’ll do it before church,” I said. “It’s going to be more thrilling.”

On the following Sunday, Mom and I did it as planned. We started at six in the morning. By the time she had to prepare for church, I had pumped a big come load into her pussy. Her plugged ass was already full of my come.

Erin and I met once or twice weekly, and Beth visited Dad every once in a while, sharing him with Erin. She watched him fuck Erin in the ass a few times. She even tasted his come out of Erin’s ass a couple of times.

THE WEDDING

Beth had me pop her bride’s maids’ ass cherries well before the wedding, so I could fuck them in the ass on the wedding day. What made that hotter was that her bride’s maids included our sisters.

One day, Beth came to my apartment with my sister, Alex.

“Alex is going to be one of my bride’s maids,” said Beth after we had our drinks.

“That’s very nice,” I said.

“I decided that my maids can’t be anal virgins,” she said, making Alex blush. “They agreed.”

“I see,” I said in disbelief.

“That’s why she’s here now,” she said, lightly stroking my crotch. “I guess, you know what that means.”

Alex was still blushing and gazing down as Beth fished out my cock.

“I guess I do,” I said, my cock getting hard in her hand instantly.

“It means you are going to initiate her,” she said, stroking and milking my hard cock. “Do you think you can initiate your innocent sister into the world of hot and dirty ass fucking?”

“I am all for it if she is,” I said.

“Of course she is,” she said. “Come over here, Alex, and suck his big cock. Show him how bad you want it up your virgin little asshole.” Alex hesitated, still blushing. “Don’t be shy. Sucking his big juicy cock hungrily is nothing compared with what he’s going to do to your hot and horny body tonight. You are going to love it.”

Alex walked shyly to me and knelt between my feet.

“Suck it well,” whispered Beth, pulling Alex’s head to my hard cock. “Show him his sweet innocent little sister deserves to be his next depraved ass whore. You want to be a filthy whore for your big brother, don’t you?”

“Yes,” hissed Alex, blushing.

“Show him you can handle his big fat cock, or he’ll never let you touch it,” encouraged Beth.

Alex sucked my cock tentatively at first. She got more and more daring as she saw that I enjoyed her ministrations. She soon swallowed my cock balls deep and let me fuck her throat.

“Since your sister isn’t virgin in the pussy, you can get her in every hole in her body,” said Beth. “There’s nothing to hold you back from showing her the best night of her life. There’s nothing to prevent her from doing whatever you want her to do. She’s very willing and eager to be your decadent ass fucking slut. Aren’t you, Alex?”

“Uh-huh,” mumbled Alex over my cock.

“I’ll leave you together to enjoy a long wild night,” said Beth, getting up.

She bent over and kissed me.

“Promise me you are going to take full advantage of her,” said Beth, breaking the kiss.

“I promise,” I said.

“Alex, promise me you are going to let him use you like a depraved whore,” said Beth.

“I promise,” said Alex, briefly taking her mouth off my cock but never looking up.

“You are all set,” said Beth, leaving. “Have a good time. You don’t have any good reason not to.”

After Alex swallowed my come, I pounced on her pussy and drank her luscious juices. I ate her asshole through orgasm before I ate her pussy through another while I finger fucked her ass. I fucked her pussy, making her come several times, before I proceeded to get her asshole ready for what she was there for. We spent most of the night fucking, my cock hopping from one hot hole to another, making her come hard and loud. Every once in a while I fed her a come load out of one well-fucked nether hole or the other. She had a great time.

“Wow!” she exclaimed as she lay in my arm to sleep. “That was amazing. I’ve never really been fucked before.”

“We’ll just have to make sure you really get fucked ever after,” I said.

We started working on that a little after we woke up. She enjoyed having my cock drill her horny ass to oblivion. I naturally enjoyed having my cock anywhere in her body, especially in her tight ass. I sent her home with my morning come load sloshing in her plugged ass. It enjoyed watching her walk like that to the door.

A couple of days later, Beth brought her little sister, Lisa. Lisa was an innocent seventeen-year old girl, but she was too ripe and ready to be defiled and used carnally. We chatted casually for several minutes, Beth stroking and squeezing my cock through my pants. My cock naturally hardened instantly.

“Lisa’s my second maid,” said Beth. “Do you think you can get her ready for that?”

“Sure, if she wants to be ready for it,” I said.

“You want to be ready, Lisa, don’t you?” asked Beth.

“Yes,” hissed Lisa, blushing.

“Come over here and show him you do,” called Beth. “Show him you are old enough to be my bride’s maid.”

Lisa walked to me, blushing and gazing down.

“Kneel down,” instructed Beth, nudging Lisa’s shoulders down. “Don’t be shy. It’s your life.”

Lisa complied.

“Show him you know how to suck cock,” said Beth, guiding Lisa’s hand to my fly. “Show him you are not as innocent as you look. He likes sweet sluts.”

Lisa proceeded to fish out my cock, and then she started to lick the shaft.

“This is her first cock ever,” said Beth. “She virgin in all three holes. Make sure her pussy’s still virgin when you return her. She isn’t ready for that yet. If you make her like you, I am sure she’ll let you have it when she’s ready.”

“Sure,” I said.

“I am sure you are going to enjoy turning this little innocent girl into a hot little slut,” Beth said. “I am sure she’s going to enjoy that even more. Treat her like you treat me.”

“I’ll make sure of that,” I said.

“Are you going to be a good little whore for Nick?” asked Beth, tilting Lisa’s head up.

“Yes,” hissed Lisa, blushing.

“Good girl,” said Beth. “You’ll never regret it.”

Beth kissed me and left, wishing us a hot night.

Lisa sucked my cock eagerly, taking it down her throat hungrily. After she swallowed my first come load, I ate her virgin pussy and asshole through more than ten orgasms. I then introduced her to sixty-nine. While she sucked my cock, I focused on her asshole, making it hard for her to concentrate, but she soon learned to suck and deep throat my cock while having a great time on my tongue and fingers. Those teamed up to corrupt her innocent little anal pucker.

Using lube and more fingers, I patiently stretched her asshole and got it ready for the butt plug. After training her asshole with the butt plug for about half an hour, I had her suck my cock and make it ready to make her my anal slut.

It was so much fun teaching innocent Lisa to talk dirty like I had taught her sister. It was so hot to listen to her beg for my cock as I drilled her ass like she had never thought possible. She was too eager to please and never hesitated to do anything for me. We hardly slept that night as I used her even more than I did Alex, and she loved it all. Naturally, I had to take half the day off. I shot a big come load up her well-used ass before I took her home on my way to work.

A few days later, Beth brought another hot brunette with green eyes with her.

“This is Nicole,” introduced Beth. “She’s my bride’s maid of honor. Nicole, this is Nick, my fiancé.”

We chatted for a few minutes over drinks as they related to me how they met and became friends. When Beth brought the drink, the tray had a glass butt plug and a big bottle of lube. Nicole blushed when she saw them.

“Nicole’s engaged, but she wants this,” said Beth. “Don’t you think she’d make a great maid of honor for me?”

“Of course,” I said.

“She’s so pretty, isn’t she?” she said.

“Very much so,” I said.

“Thanks,” said Nicole, blushing.

“With all her beauty, her sweet mouth’s still innocent,” said Beth, making Nicole blush deeply. “She’s never swallowed come or deep throated a man’s cock. Don’t you think her lovely lips are ideal for sucking big fat cocks?”

“I don’t want to be crude, but she has perfect lips, especially for that,” I said as she laid her left hand on my boner.

My cock naturally grew instantly as Beth squeezed it and stroked it through my pants.

“With her pretty face and great figure, you’d think she must be drinking gallons of the tastiest creamy come on a daily basis,” said Beth. “I am not a man, but I think there must be something wrong with any man who’d let this sexy thing get away without pumping loads and loads of his warm sticky come down her hot throat, what do you think?”

“I don’t know about other men, but I’ve never let a lovely girl get away with that,” I said.

Beth gave my hard cock a hard squeeze before she walked to Nicole. She took her hand and helped her stand up. She had her turn around and bend over the sofa. Beth hiked Nicole’s dress, exposing her ass clad in a black thong. Nicole did not move as Beth lowered her thong down to her knees. The thong fell down around her ankles. Beth guided Nicole’s hands back to her ass, and she spread her ass wide, shamelessly exposing her sweet pussy and asshole.

“Her tight little asshole’s completely virgin,” said Beth, pointing at Nicole’s little pucker. “It has never been touched by a man or a woman. It’s so fresh and pure. Look at its pink hue. It’s beautiful, isn’t it?”

“Yes,” I said, nodding.

“You can’t see anything from there,” she said, beckoning me to her. “Come over here, and take a closer look.”

When I stood behind Nicole, admiring her offered pussy and ass, Beth reached for my boner and stoked it.

“Her cute little pussy’s virginally tight,” said Beth. “It has never been stretched to its limit. The longest fuck she’s ever had was ten minutes. She’s never come more than once with a cock in her pussy. Doesn’t she deserve better?”

“Of course she does,” I said.

“I promised her that you’d change that tonight,” she said.

“Your promise is my promise,” I said.

“This may be her last chance to get the fuck of her life,” she said. “I assured her she didn’t need another.”

“I won’t disappoint her,” I said. “I’ll fuck her so well she’ll make sure it won’t be her last chance either.”

“Look at her pussy,” she said. “It’s so wet and hungry. Can this little orifice accommodate your big fat cock?”

“I am sure it was made for this,” I said. “I’ll make sure it can before I feed it my big cock.”

“Are you hard?” asked Beth as she squeezed my cock, knowing fully well it was harder than rock.

“Of course I am hard,” I said. “Your friend can give a dead man a boner.”

“Why don’t you try her pussy?” said Beth, making Nicole tremble. She stood behind me and reached for my belt. “She’s as wet as she can ever get. You need to be gentle though. She’s practically virgin to you.”

My pants fell around my ankles and my briefs were around my knees before Beth finished her sentence.

“Give her a taste of what she’s in for,” said Beth, stroking my hard shaft.

Nicole’s pussy was as tight as pussies could be, but she was as wet. Beth guided my cock head to her friend’s pussy, and I held her hips and pushed forward, gently and slowly opening up her tight little pussy.

“Do you want my big cock in your hot little pussy, Nicole?” I asked.

“Yes,” she hissed as my hard cock continued its advance into her tight pussy.

Before long, Nicole was fucking back eagerly as I thrust deep in her hot pussy. She moaned and gasped, shaking as I fucked her needy pussy at an accelerating pace. I did not slow down when she stiffened and convulsed a couple of minutes later. I held her tightly and fucked her ever harder, giving her multiple orgasms. Within the following twenty minutes, she came around ten times. I fucked her pussy gently after that.

“I can’t believe that,” gasped Nicole. “It was incredible. Thank you so much.”

“He hasn’t even started,” said Beth, nudging my shoulders down.

Nicole’s luscious pussy soon came twice in my mouth. Beth pulled up Nicole’s thong and straightened her dress.

“Sit down,” said Beth as she helped Nicole stand up. “What do you think of that?”

“It was unbelievable,” said Nicole as she sat down. “That was the best fuck of my life.”

“As I said, he hasn’t even started,” said Beth, aiming my dripping cock at Nicole’s mouth.

Nicole got the hint and opened her mouth for my dripping shaft. She swallowed it all the way to the balls.

“I thought she’s never deep throated a cock,” I said.

“That’s right, but did you think I’d bring you a girl who could only suck your cock head?” said Beth.

“Beth, you are wonderful,” I said, thrusting in Nicole’s eager throat. “She’s a wonderful cocksucker too.”

“You are going to fuck her throat and let her swallow your hot come, aren’t you?” said Beth.

“Of course,” I said. “I’d be crazy not to.”

“I promised her you’d show her a great time taking her from deprivation to depravation,” she said.

“That’s what I am going to be doing all night,” I said.

“Remember she’s my maid of honor,” she said. “Make it worthy of her.”

“Tonight’s going to be your maid of honor’s hottest night of her life forever,” I assured. “She’s in good hands.”

“I guess I can leave now,” she said, kissing me. “Have fun, you two.”

“We will,” I said as Nicole waved to her while still sucking my cock.

Nicole gave her all to me that night. It was so much fun to put her through her paces and enjoy her body like she and her fiancé had never dreamed. Since that was a Friday night, we were not in a hurry to go to bed. After I opened up her asshole well with my cock, we started to stuff her ass with the butt plug whenever my cock was not skewering her eager ass. Every hole in her body got stretched to the limit and got more than its fill of warm sticky come.

We showered before going to bed. Her asshole rested for those few hours while we were asleep. When we woke up late the next morning, I slipped the plug up her ass before she went down on me. She deep throated my cock for an hour, occasionally taking a break to squat on my cock and ride it to a quick orgasm.

“I want you to fuck me in the ass,” she finally said, looking up from my cock.

“Ride it all you want,” I said.

She popped the butt plug out ass and squatted on my cock. I spread her ass, and my cock slid into her hot ass.

“You made yourself a permanent friend,” she smiled as her ass rested on my thighs.

“You too,” I said, pulling her for a long kiss.

“You can have me any way you want any time you want,” she said. “I’ll be your slut forever.”

“I’ll count on that,” I smiled. “I am so happy I won myself a very hot slut like you, but do you mean forever?”

“Forever means forever,” she said. “I’d rather stay single than miss a chance on this incredible cock.”

Beth came over in the late afternoon. Nicole and I were working on her anal technique.

“I knew you wouldn’t be able to get enough of my sexy friend in one night,” smiled Beth.

“No wonder you know me this well,” I said, fucking Nicole’s ass slowly but deeply. “You’ll be my wife soon.”

“I’ll be forever indebted to you and Nick for this wonderful night,” Nicole said to Beth.

“It isn’t a night,” laughed Beth. “It’s a night and a day, but don’t worry. I’ll get even before you know it.”

Beth watched for fifteen minutes as I fucked Nicole's ass in the doggy position and then in the cowgirl position.

"I know you've fucked her little pussy more than she's ever been fucked, but it still looks beautiful," said Beth, watching Nicole bounce her eager ass up and down the entire length of my cock in the reverse cowgirl position..

"Who told you sex destroys the beauty of fuck holes?" I said.

"I am just teasing," she said, moving closer. "Watching her leaky pussy makes my mouth water."

Nicole stiffened when Beth's mouth covered her dripping pussy. I held her hips tightly so she would not make a foolish move. She soon resumed moaning as she welcomed Beth's oral ministrations. Beth did not pull back before Nicole gushed three times in her eager mouth.

Beth took off her clothes while I arranged Nicole into the doggy position. Beth spread her legs and thrust her wet pussy in Nicole's face. I could see the base of her butt plug. Nicole got the hint and lowered her mouth to her friend's offered juicy pussy. She was tentative at first, but she soon devoured Beth's appreciative pussy.

"Fuck her ass with the butt plug while you eat her pussy," I instructed.

Nicole obliged me, and they came at the same time. Later, Nicole helped me fuck her friend's horny ass. She even sucked my come out of Beth's ass and shared it with her. Beth got to return the favor.

"I have very good news for you," said Beth finally. "Jake wouldn't mind if we got together like this whenever we felt like it and enjoyed a nice wild orgy."

"What are you talking about?" asked Nicole.

"Your fiancé's a nice guy," said Beth. "He did not feel offended that his future wife was getting fucked silly by a man about to get married, especially as I deep throated his hard cock. Actually, the thought helped him pump a big come load down my throat. I have it all on video: the agreement and the blowjob. Is that wild or what?"

"You have it on video?" asked Nicole incredulously.

"Yes, I do," said Beth. "Let's watch it."

The meeting had happened in Beth's room. She did not tell us that she got the agreement during the course of the second blowjob or that, while Jake recuperated, he ate her pussy and ass to a thundering orgasm.

Nicole was so happy she spent the evening with us, eating Beth or getting eaten by her while I fucked one hot ass or the other. Naturally, she could not walk straight after that wild sex, especially with the butt plug up her ass.

On the wedding day, I fucked the bride and all her maids in the ass, leaving traces of come in each ass. We were all in our wedding attire. The maid of honor took on the duty of spreading the bride's ass and making sure her wedding gown did not get ruined. She also sucked my cock clean at the end. The bride's maids graciously sucked the groom's men and eagerly swallowed. Our indiscretion was captured on video.

After the reception, Victoria came with us to our honeymoon suite. She filmed our first fuck as man and wife. I kept my bride virgin. I only used her mouth and ass thoroughly. She got fucked in her ass that night more than most highly paid whores while her mom watched and filmed.

My first come load splattered her face. I was careful not to mess her dress since we were still wearing our full wedding attire. I carefully wiped every drop of come off her face and fed it to her.

We took our clothes off, and I shot my second come load on her tits. She ate the come herself. Before we called it a night, I pumped two loads in her mouth and two others up her ass. I also ate my mother-in-law through a few orgasms. By the time I was done eating her, my cock was hard. I fucked her throat and then her ass through a few more orgasms, coming in her ass. We slept in the same bed, and I woke up in the morning to a magnificent blowjob.

Beth's mom and dad came with us to our honeymoon destination. He walked his wife down the aisle in our ceremony and came with us to our honeymoon suite. He filmed the consummation of my marriages, first to his wife and then to his daughter. For the first time, I fucked their pussies and came in each of them after enjoying a royal blowjob. After deflowering Beth, I gave her pussy a break. To be fair, I also gave her mother's pussy a break and busied myself with the other available four hot fuck holes. They deep throated my cock eagerly, and I ate one hot fuck hole or another every time I took a break from fucking their horny assholes open.

It all happened before my new father-in-law's eyes. When we were done, he was so hard it did not take him a minute to splatter a big load of come on their faces. They naturally licked each other's face clean.

My father-in-law left, and my slut brides took turns filming our honeymoon activities when either of them had time to do that. Whenever they were both too busy, the camera was left on the tripod, capturing the threesome action.

"I've never thought I'd love my son-in-law so much," said Victoria, licking my sticky cock after I came in her ass.

"It's backdoor love, Mom," said Beth. "A cock-craving woman's asshole's a wormhole to her heart."

"There is something you both need to know," I said. "When I fuck either of you in the pussy, I fuck her as my wife. When I fuck Beth in the ass, I fuck her as my stepdaughter, and when I fuck Victoria in the ass, I fuck her as my mother-in-law because it isn't right to fuck one's wife in the ass."

"Fuck my ass, Daddy," teased Beth, finger fucking her ass with two fingers. "My ass is so hungry for your big cock. Teach your slut daughter what her horny little ass was made for."

"You are such a bad girl, Beth," I said, my cock pulsing. "Your ass is insatiable, but it's so much fun trying to satisfy its hunger. You obviously know very well what it was made for."

"It doesn't hurt to make sure that I do," she said as I knelt behind her.

"Come on, my loving husband," said Victoria. "Fuck my poor little slut of a daughter in the ass. She needs your big cock up her hot tight little asshole. There is no one better than you to give it to her slutty ass hard and deep."

A wise man would only grant his new wife's wish and drill her hot daughter's horny ass into oblivion. I naturally was wise enough and more than horny enough for that.

Sharing my fantasy about Victoria with Beth was likely the best thing I had ever done.

The End

Show and Tell

My new girlfriend seemed like a hopeless religious prude. We could not get our first kiss in two months of dating. Once we had our first kiss, the ice started to melt and turn into steam. She wanted to stay virgin till her wedding night. We had a hot time preserving her virginity. Meanwhile, I wanted her mom—and mine. We had all kinds of unbridled fun before we finally got married.
