

Nightingale Classics 2014

Please read [disclaimer](#) and [summary](#) at the end of document

Under the continuous pressure of my mom, I finally decided to give in and spend the weekend with my aunt. Aunt Leanne was very nice, but the problem was that there was nothing for me to do at her house. Mom continued to tell me that San Francisco was cool in the summer and had lots of places to see and things to do, but I was not interested in all that. I had never been one of those people to whom everything was a wonder worth exploring repeatedly.

Mom took the matters in her own hands and drove me to my aunt's on one sizzling Friday afternoon. The weather was cool where my aunt lived. I tagged along as my mom and my aunt went out touring and shopping. Naturally, they had a great time, and I did not. The activities ended with a great dinner at a nice restaurant.

Mom left me with my aunt and drove away. Uncle Ken came home late as usual. We chatted a little and watched television before I went to bed. If I had been at home, I would have been drilling my girlfriend for all she was worth. That would have been the best form of fun to me. Boring stuff never interested me.

On Saturday morning, my aunt took me out. Her company was more interesting than touring the city. Sensing that, she took me back to her house after we had a nice lunch. On the way back, I saw a pretty girl in front of the next-door house. We exchanged greetings and smiles.

Later in the afternoon, my aunt and I lounged in the back yard. I was in my shorts and my aunt in her shorts and halter-top. Ten years my senior, she had a tight body. I had to acknowledge that Uncle Ken was lucky to have her.

"Unfortunately, we have to go out on a social event this evening and leave you home," she said. "You have the TV, DVD player, computer and my car to keep you entertained. We'll be back late at night."

After they left, I went out in front of the house to try the car. I saw the neighbor girl and somehow we started to talk. I invited her in. She was attractive in her short shorts and crop top. After some chatting, chemistry kicked in.

My next excursion was to take my aunt's car and go out for a quick errand. When I returned, I was alone again. I went to my uncle's home office and switched the computer on. Before long, I was surfing sex sites. Out of habit, I wanted to save a hot picture. The dialog box opened and was full of sex image names that I did not recognize. Just then, it dawned on me that those were not my files. I canceled the operation and instead opened one of those image files. It was a picture of a woman stuffing her ass with a thick cock and her face with another. My cock jumped.

Presents

A Long Nightingale Classic

The Snoop

Things were getting interesting. I went up in the directory tree and saw directory names. I went up again and saw other directory names. Their parent directory name had nothing to do with images or the web. One directory had the name private. I opened the directory and then an image there. I was shocked.

THE DISCOVERY

In the first picture was my aunt on her hands and knees, naked and her ass thrust out. I started to feel guilty but amazingly horny. Naked, my aunt was much hotter than I expected. I thought Uncle Ken was crazy not to be home with her fucking her hot ass silly.

The date stamps showed that the pictures were less than a year old. That was about when my uncle bought their high-end digital camera. I should not have continued, but my cock was harder than my resolve. I browsed through several pictures showing every detail of my aunt's tight sexy body.

Opening the *Orgy 1* directory, I found more shocking content. The first picture I opened showed my aunt sucking a huge cock while stroking another with her hand. There was no way I could stop then even if someone walked in on me. That party had many partners. My aunt and other women sucked, fucked and had their faces and mouths splattered with come like they were cheap whores. My aunt turned out to be a very horny woman. Maybe she was out fucking right then, and I thought they were wasting their time in some silly social activity.

A few of those pictures showed my uncle holding a video camera. Since, where there is a video camera, there must be videos. I had a new task to do: find them. I shut down the computer and started searching. My search of the office did not yield anything. My next stop was the living room. Nothing was there either. I had to go into the master bedroom.

In the dresser drawers, I found an assortment of sex toys. Things looked promising. I searched the drawers thoroughly but found nothing else. I went for the walking closet. There was nothing suspicious there except for a china box on the shelf and a vacuum cleaner box lying in the corner. I started with the china box. It was full of picture albums. I inspected several of them and found them to be ordinary family pictures. Just before putting the box back, for some reason, I decided to look at another album. That one was full of boudoir pictures. I tried another album. It had pictures I remembered seeing in the *Orgy 1* folder. My cock was rock hard throughout this endeavor. I was close but not close enough. There was still no sign of DVDs. As I put the box back on the shelf and just before losing hope, I remembered the other box.

The vacuum cleaner box had two boxes inside. As I inspected the first box, finding wedding videos and other family and leisure events, I discovered that there were other boxes under the ones on the top. The other box on the top had similar videos. My heart started thumping loudly as I hoped to find the jackpot next. I did and felt my cock twitch and ooze sex fluids right then. Both boxes in the bottom had sex videos. I went for the *Orgy 1* video.

My cock had never been harder than when I popped the video in the DVD player in the living room and hit the play button. I fished my cock out and started stroking it.

The scene started with a party where the women were dressed in sexy eveningwear and the men dressed well. People were chatting and drinking as the music played in the background. Although the camera recorded all the happenings, it was obvious it followed my aunt most. The women showed a lot of cleavage and legs. Several minutes passed without anything out of the ordinary, but my cock stayed hard in my hand. I knew that an orgy had sex.

My aunt was finally singled out by a man about her age. They exchanged a few smiles before they started chatting. He led her to a spacious area where other couples were dancing slow. They danced holding each other tightly for a minute or two before the man's hands started to wander over her curvaceous body, and she molded her body into his.

When the dance ended, my aunt's companion led her to a sofa, where they started kissing. The camera showed other couples doing the same. As they kissed, the man's left hand felt up her tits thoroughly before it set out for her legs. It started at her left knee but soon reached her crotch, taking the dress up with it. They kissed deeply as my aunt humped his hand. She started to moan in his mouth. When the camera returned to his hand, it was already inside her

panties. He diddled her pussy, and she responded wildly. He continued to finger her pussy vigorously until she came in his hand, gasping for air.

The man showered her face with kisses while she caught her breath. She scooted down to her knees on the floor. The man licked his sticky fingers as she fished out his cock, which was hardening already. She licked his cock and balls playfully while she rid him of his pants and briefs. She took his cock head in her mouth and started to suck deeper and deeper but slowly, teasing him and herself. Before long, her lower lip pressed against the man's balls as her nose pressed into his pubic bone. My aunt was a serious cocksucker. My cock twitched in her appreciation.

She sucked his cock eagerly, working her lips up and down his hard shaft for a few minutes. A woman joined my aunt and started to take turns with her on sucking the man's cock. The woman was not as good a cocksucker. When it was my aunt's turn to suck, the woman helped my aunt get out of her dress and bra. She put them on the sofa.

The woman left my aunt in her panties and proceeded to play with her swaying tits. My aunt helped the woman get out of her clothes. The woman fingered herself while she sucked the man. My aunt slipped her hand down her panties and fingered her own pussy while she watched. The woman left the man's cock and pulled my aunt's panties down. My aunt stepped out of her panties and the woman guided her astride the man. The woman held the man's stiff shaft by the base as my aunt lowered herself onto it, gasping as its head penetrated her pussy. She moaned her way down the man's cock. He kissed her and held her ass, which looked so hot. As he bounced her, the woman cupped my aunt's tits and started to knead them and pinch her nipples. The woman had a great ass herself. My crazy uncle was watching and filming instead of grabbing either ass and using it for what it was made for.

My aunt rode the man wildly as he kneaded her ass and the woman kneaded her tits. She made herself come within two minutes. The man gently helped her off his cock. The woman gulped down his dripping cock and sucked it thoroughly. Next, she straddled it. My aunt licked the man's balls as the woman rode him, bathing his cock in her juices. Across the room, other people were sucking and fucking. That was where I should have been.

The camera showed that the cameraman, apparently my uncle, had a blonde sucking his cock. He was not doing so bad. Soon, she turned around and worked her pussy over his cock in the donkey position. The camera went back to my aunt's group. After the woman came on the man's cock, my aunt sucked his cock clean. He arranged both women on their knees on the sofa and proceeded to take turns fucking their pussies. After he made both come on his cock, he drooled on the woman's asshole and started to finger it as my aunt sat up and played with both pussies.

My aunt spread the woman's hot ass, and the man gave the woman a long ass fuck, making her come wildly in the end. My aunt sucked his cock deeply as the other woman watched. He shot his come all over their faces. They took turns cleaning his cock with their mouths and then cleaning each other's face with their tongues. What a lucky bastard!

My aunt had hardly caught her breath when a woman led her away. Waiting, there were two men with hard cocks. Each woman took a cock and started to suck. A third man joined in. He knelt behind the two cocksuckers and proceeded to finger their leaky pussies.

Right then, a car came into the driveway. I was not sure I had enough time to return the boxes as they were. I popped the video out and ran up to the walking closet. By the time, I rearranged everything as it was, I could hear voices and footsteps several feet out of the room; I was trapped. I quickly slid under the bed.

"That young man almost ate you raw," my uncle said as they entered the room. "You loved that too."

"He was very wild," my aunt said. "He was a great fuck too."

"That was obvious," he chuckled.

"He was disappointed that I could not let him take me in the ass," she said. "I was disappointed too."

“Anyway, we got a great video and pictures,” he said.

“They would have been better if I could take it up the ass,” she said.

“I am sure you’ll get over your fear one day and you will,” he said.

While they talked, they changed their clothes. They went to the bathroom to shower. When the shower started, I snuck out of the room as stealthily and quickly as I possibly could, my heart throbbing almost loudly enough for them to hear it over the shower noise.

As I drifted to sleep, flashes of my sexy aunt’s hot body in action went through my mind. I would never be able to look at her the same way after I had seen how sexy her tight virgin ass really was and how desperate she was to get it deflowered. My cock was rock hard. It probably stayed up all night. I finally fell asleep though.

When I woke up in the morning, my aunt and uncle were already dressed and ready to go out.

“Good morning, Nick,” my aunt said. “We are going to church. Do you want to come along?”

“No, thanks,” I said. “I am too young to be religious.”

“You don’t have to be religious to go to church,” she laughed.

I thought I knew that much.

“If I am not religious enough, there might be a risk I’d corrupt the flock,” I said.

After they left, the first thing I did was to make sure the boxes in the closet were exactly like I found them. Naturally, the last thing I wanted was to get caught.

On the previous evening, while my uncle and aunt were out to their orgy, Ashly and I had an appropriate moment for our first kiss, and I took it.

“I love your lips,” I smiled when we broke the kiss.

“You are a good kisser too,” she said.

“I have a wicked tongue too,” I teased. “Do you want to try it?”

Before she could answer, I pulled her for the next kiss. Our tongues met and played together. We proceeded to make out. The girl was horny, and so was I. She did not resist when I fondled her tits through her top. She did not resist either when I took her top out of the way. She moaned and squirmed happily, holding my head to her tits, while I sucked her stiff sweet nipples eagerly. Before I let go of her tits, my left hand was down her shorts and panties. Her pussy was soaked. She gasped and trembled when I slipped a finger inside it. My hard cock twitched. She reached out and squeezed my boner.

“I am so lucky to meet you, Ashley,” I said as I fingered her dripping pussy. “You are a very hot girl.”

“Thank you,” she gasped, holding my boner tightly as if her life depended on it. “You are a nice guy.”

“How come a sizzling hot girl like you is all alone on a Saturday evening?” I smiled.

“My silly boyfriend’s out with his friends watching some sports somewhere,” she gasped.

“He’s definitely silly,” I smiled. “If you were my girlfriend, the only sport I’d watch is you bouncing on me.”

“You love sex more than sports?” she laughed.

“I love sex more than other sports,” I smiled. “I think I am better at it than I am at other sports too.”

“You are a horny guy,” she said.

“I have a feeling you are not complaining,” I teased.

“I am not,” she smiled.

“I am not complaining because you are a horny girl either,” I said. “I love dripping pussies.”

“You’d love mine then,” she gasped.

“Don’t you know that already?” I said.

“I guess I do,” she gasped.

“Do you want to try my wicked tongue?” I teased.

While I waited for her answer, I stuck my tongue out and wiggled it.

“Why not?” she said.

“I love horny girls,” I smiled as I pulled her shorts and panties down.

“Enjoy,” she smiled.

“Do you love big cocks, Ash?” I said.

“Yes,” she hissed.

“Sit back, and enjoy,” I said, pushing her back. “I am going to feast on your juicy little pussy.”

“Yes,” she hissed.

She squirmed on the tip of my tongue while I ate her luscious pussy eagerly. She soon came hard in my mouth. She pushed me away when my tongue teased her tasty pink asshole. After I overcame her initial resistance, I licked and fingered her asshole through a second orgasm. I drank all her sweet juices. Before she caught her breath, my leaky cock head was brushing her sweet lips.

“You said you loved big cocks,” I said.

She moaned as my cock head slid into her mouth.

“Suck my big cock, baby,” I said. “Show it you are a dirty little cocksucker.”

She sucked my cock eagerly. She enjoyed herself, and so did I.

“Are you going to be a good little slut and swallow my hot come?” I teased, brushing her face with my cock head.

“Yes,” she hissed. “You have a very nice cock.”

“You have a hot mouth, Ash,” I said. “I can let you suck my big juicy cock for hours.”

“I am glad you didn’t lose control too quickly,” she said.

“I want my little cocksucker to work up a big appetite because she’s going to swallow a big come load,” I said.

“I’d like that,” she said.

She treated me to a long blowjob and swallowed my come in the end.

“I love the taste of your come,” she said when she was done.

“You are a good come slut,” I said.

“I think I am,” she smiled.

“I am not done with you, baby,” I said.

“Nick, I had a wonderful time with you, but I have to go now,” she said.

“Why should I let you go?” I teased.

“I promise I’ll come back tomorrow no matter what,” she said. “I am going to let you watch your favorite sport.”

“Do you like playing that sport?” I teased.

“I am going to love playing it on your big cock,” she said.

She put on her clothes, and we shared a few deep kisses.

“There is no way I am going to let you go before you fuck me royally,” she smiled as she left.

“Good night, Ash,” I said.

After shaving and taking a shower, I went out in front of the house. I sat on the steps and thought about my unexpected discoveries of last night. I was so consumed in my thoughts I completely forgot about Ashley’s promise.

“Hi, Nick,” a female voice said, returning me back to reality.

“Good morning, Ash,” I greeted. “Today, you look prettier than yesterday.”

“Thanks,” she smiled. “Aren’t you going to ask me in?”

“Since I can’t ask you out, I have to ask you in,” I said, standing up so quickly I felt dizzy. “Please come in.”

“The time I spent with you yesterday was more fun than most of my dates,” she said.

“Maybe you should find better guys,” I said.

“I already did, but unfortunately you don’t live here,” she said.

“I think that’s fortunate for you,” I said. “You don’t want a guy to wear out your sweet little pussy.”

“Maybe I do,” she said. “I think that’s what my little pussy was made for.”

As soon as the door closed behind us, I claimed her lips in a long, heated kiss. I felt her up thoroughly, and she ground into my growing boner. When we broke the kiss, we were both panting.

“Why don’t you wait here for a second while I fix my room?” I said. “It’s a mess.”

“Don’t worry,” she said. “That isn’t necessary.”

“Yes, it is,” I said. “This is going to be your first time in my room. I want to make a good first impression.”

While she waited there, I ran up to the master bedroom and picked up the video camera. I set the camera up in my room and started it running before I ran back down to Ashley.

On the way to my room, I grabbed her ass and tits several times. The poor girl was going to get fucked silly. I was going to discharge in her all the lust last night had built up inside of me. I just hoped she was built tough enough to withstand my heavy use and abuse.

“Ashley, you may need a week to recover after I am through with you,” I warned.

“That has never happened to me,” she giggled.

“You’ll have fun before it does,” I said.

“I am sure about the fun,” she said.

“I should thank your boyfriend for leaving you alone for me to enjoy your company,” I said.

“I should do that too,” she smiled.

By the time her ass hit the bed, my left hand was down her panties fingering her wet pussy while my right hand pulled her face into my boner.

“Your pussy’s obviously so hungry for my big cock,” I said.

“Yes,” she hissed.

“Is your mouth hungry for it too?” I said.

“Oh, yes,” she said.

“Feed it, baby,” I said. “I love to feed horny little cocksuckers.”

While moaning, she fished out my cock and started to suck it. She was still trying to stuff her mouth with my cock when I removed my hand from her panties and pulled her tank top over her head. I knelt before her and sucked her tits while I unbuttoned her denim shorts. Soon, she was stark naked, holding my head to her tit while I sucked her nipple hard and fingered her pussy to a quick orgasm.

“You are going to get fucked, Ash,” I smiled.

“That’s why I am here,” she gasped.

“You are going to get fucked like you’ve never been fucked before,” I said.

“That’s even better,” she said.

“You are going to get more than you bargained for,” I said.

“I like good bargains,” she smiled.

“You love cock too much, don’t you?” I said.

“I love it so much,” she said.

“You don’t look like a cock-hungry slut,” I teased.

“I always fool people,” she giggled.

“Are you going to be a good girl and suck my big cock like the cock-hungry slut you are?” I teased, standing up.

“I am going to be a cock-hungry slut and suck it,” she smiled as I held the back of her head and thrust my cock.

She took my cock in her mouth eagerly. I held her head still and gently thrust in her mouth. I fucked my cock halfway in her mouth at a slow pace. She wrapped her right hand around the base of my cock. I took both her hands in mine and held them behind her head.

“You need to suck it like the dirty cocksucker you are,” I said.

She moaned in assent.

She eagerly sucked my cock as I fucked her mouth to the depth where she started to gag. I pulled my cock out of her mouth frequently to slap her face or tits with it or tease her nipples and tongue with the head.

“Do you like sucking my big cock like a dirty cocksucker?” I teased, slapping her face with my sticky cock.

“Yes,” she hissed.

After she sucked me for a good while, I yanked my cock from her mouth.

“I am going to eat your cock-hungry pussy,” I said, shoving my head between her legs.

“Yes,” she hissed.

With her legs pulled up, I ate her pussy through two orgasms. As she gasped for air, I wet a finger in her copious juices and then pushed it up her ass. I had already known she was virgin there. With my tongue on her clit toying with it constantly, I reamed out and finger fucked her tight asshole through a wild orgasm. She was still panting when I stood up and shoved my cock in her face.

She sucked me on her own for a few minutes before I held her head in both hands and started to fuck her mouth faster and faster.

“Did you enjoy my come yesterday?” I said.

She moaned affirmatively.

“There is more for you, you dirty come slut,” I said.

Within a couple of minutes, I pumped a hefty come load down her willing throat.

“Swallow it all, my dirty bitch,” I said, shooting my come against the back of her throat.

She eagerly swallowed my come to the last drop and sucked my cock dry. She finally let go of my cock.

While my cock recharged, I arranged her on her hands and knees.

“Show me your hot ass, Ash,” I said. “I won’t neglect it like your boyfriends.”

“You like my ass, don’t you?” she moaned, thrusting her ass out.

“I’ll show you how much I do,” I said as I spread her ass and admired her cute asshole. “It’s a precious little thing.”

“Are you an ass man?” she said.

“Yes, I am, and you have a great ass,” I said.

“Enjoy it, baby,” she said, pushing her ass out.

“That’s exactly what I am going to do,” I said.

She winked at me with her asshole.

“You are a dirty girl, Ash,” I said. “Wink again with your sweet asshole.”

She winked with her asshole several times.

“Even a blind man shouldn’t neglect such a cute asshole,” I said. “I am going to eat it for you.”

“You are a dirty boy, but I like that,” she said.

“You like it because you are a dirty slut,” I teased.

“I think I am,” she said.

“I love dirty sluts like you,” I said.

She moaned and squirmed happily, as I licked her asshole and teased it with my tongue tip. She humped my face more and more urgently. By the time she came, my cock was hard again. Her pussy was drenched. I drooled on my cock head and shoved it unexpectedly into her dripping pussy, making her gasp.

“You have a tight pussy, bitch,” I said. “It’s been neglected too.”

“Fuck it,” she gasped.

“I’ll fuck it silly,” I said.

Holding her right hip with my right hand, I continued to drool on her asshole and massage it with my left thumb. Before long, her asshole accepted my thumb and gripped it tightly. I swirled my thumb within her ass as I fucked her pussy at an easy pace. She moaned and fucked back lustfully.

“You love my big cock, bitch?” I teased.

“Oh, yes,” she hissed.

Finally, I picked up the pace and made her come. I diddled her twitching asshole with my thumb as she had her hardest orgasm ever.

“I’ve never come that hard,” she gasped.

She was still panting when I yanked my thumb out of her ass and pulled her head back with my right hand. She was caught off guard when I shoved my thumb in her mouth. She did not know what had happened until my thumb was all the way in her mouth tickling her tongue. Having experienced the taste, she did not show any hesitation to suck my thumb hungrily.

“You are a dirty bitch,” I said.

She moaned around my thumb.

Holding my thumb inside her mouth, I pulled my cock out of her pussy and turned her around. She did not object when I thrust my dripping cock in her mouth. She actually opened wide. She sucked my cock eagerly for a few minutes, licking and sucking all her juices off my cock and balls. She knew when to let go of my cock. I returned it to her pussy in the missionary position.

“Your tight pussy loves my big cock, bitch?” I teased.

“Yes,” she gasped.

She opened herself for me and fucked back eagerly. I kissed and nipped her neck and fingered her asshole with my index finger as I fucked her through a new hard orgasm. Before she could catch her breath, I yanked my cock from her pussy and my finger from her ass. I shoved my dripping cock between her lips as I shoved my tongue between her nether lips. I returned my finger to her asshole as I lapped up her copious juices and she sucked the rest of them off my shaft. I thrust gently in her mouth while reaming out her asshole with my finger, occasionally transferring drool and juices from her pussy to her asshole.

We rolled over with my cock in her mouth and my tongue in her pussy. She pulled her knees underneath herself and bobbed her head on my cock. I fingered her asshole a little and then probed it with my tongue. Before long, she turned around and rode me in the cowgirl position.

“This is my favorite spectator sport,” I smiled, watching her tits bounce.

“Enjoy,” she smiled.

While she rode my cock energetically, I alternated the index and middle fingers of my hands between her mouth and ass, letting her suck the two fingers of one hand while I used a finger of the other hand on her twitching asshole. She had a wild orgasm within a few minutes.

She bent over and we kissed gently while she caught her breath. She next turned around and rode me in the reverse cowgirl position while I fondled her tits. Later, I slipped my hand under her bouncing ass and fingered her asshole to a new orgasm. She collapsed back on top of me. I toyed with her clit and let her suck the finger that had been up her ass while I thrust gently in her pussy.

We concluded our pussy fucking session with her on her back and her knees pressed against her shoulders. I drilled her pussy until my cock was swimming in her juices. I pulled out and wiped my dripping cock head over her asshole as I wet a finger in her pussy and then pushed it up her ass. I fingered her asshole until she started to groan, and then I resumed fucking her pussy. I repeated that several times.

“Are you protected?” I panted as I drilled her pussy with extreme vigor.

“Yes,” she groaned.

“Brace yourself for the flood,” I said as I fucked her harder. “I am going to fill your little pussy with come.”

While she convulsed in orgasm, I let go, pumping her ecstatic pussy full of come. I let her spasms milk my cock dry as I continued to pump her convulsing frame. When her orgasm subsided, I pulled out of her and shoved my sticky cock in her mouth. She sucked me clean and soft.

As she popped my cock out of her mouth, I slid two fingers into her come-filled pussy. I scooped come on my fingers and brought my sticky fingers to her mouth. She licked the come off my fingers happily. I scooped come out of her pussy and fed it to her repeatedly until her pussy was clean. Next, I stuck my tongue into her pussy and licked her to orgasm while fingering her wet asshole. Before her orgasm subsided, I drooled on her asshole and popped a second finger in. Her orgasm peaked again as I drove my fingers all the way up her twitching asshole. I finger fucked her asshole gently when she recovered. I popped my fingers out of her ass and sucked them as I held her eyes.

“Are you going to fuck me in the ass?” she asked, showing both eagerness and nervousness.

“Not before you beg for it,” I teased. “You have such a gorgeous ass. I am sure you’ll be begging for it soon.”

“I’ve never tried that before,” she said.

“I know,” I said. “I can’t live with all that guilt if I leave your hot ass neglected like that.”

“Is it going to hurt?” she asked a little nervously.

“No,” I said. “I’ll make you ready for it, and you’ll beg for it. If you don’t beg for it, you won’t get it.”

While she thought about that, I retrieved my heavy-duty anal lube from my bag.

“Pull your legs over your head, and spread your virgin ass,” I directed as I squeezed lube onto my fingers.

She obliged me and spread her ass with both hands. I generously squeezed lube on her asshole and worked the lube inside her ass with my fingers once with one finger and once with two. She moaned as I smoothly fucked two fingers in and out of her squirming ass. Her pussy juices leaked down to her asshole. As I finger fucked her ass faster, she humped my fingers more eagerly, moaning and groaning louder.

“Ash, you are a horny little slut,” I teased, smiling. “Your pussy’s dripping as I finger fuck your ass. Your luscious ass was definitely made for cock. This morning I am going to make you accomplish your life’s mission.”

She trembled. I drilled my fingers in her ass vigorously until she came hard, screaming. I added more lube to her asshole. I licked her drenched pussy while I pumped two fingers in her ass until she came again. While she panted, I squeezed a third finger up her ass. It was too tight at first.

“Push out like you are trying to eject my fingers,” I directed. “That opens your tight ass up.”

She concentrated and pushed out.

“That’s it,” I said, slowly driving my three fingers all the way up her ass. “Good job! That’s how you do it. Once you have learned how to relax your asshole nothing can hurt you. You’ll soon be a cock-craving ass whore.”

She trembled as I fucked her ass with three fingers. I slowly withdrew my fingers out. I added lube to my fingers and posed them at her slippery anal pucker.

“Let’s do it again,” I said, pushing in. She had no problem accepting my three fingers up her ass. “Your ass was definitely meant to be fucked. I am so glad you saved it for me. You won’t regret it.”

A few minutes later, she was screaming her wild orgasm loudly as my three fingers drilled her twitching ass. I just hoped no one was home yet. When her orgasm subsided, I had her suck my fingers. She did not object at all. I dipped my hard cock in her drenched pussy and then pushed it in her face. She sucked my cock clean and let it go.

“Lube it well,” I said, handing her the lube.

She smiled up at me as she took the lube. She gave my cock a thick coat of lube and put the lube aside. I arranged her in the previous position with her hands spreading her ass wide. I poised my cock a fraction of an inch over her asshole. I waited, looking at her with an expectant smile.

“Fuck my ass,” she said softly. “Please fuck my little virgin asshole. Stuff it with your big cock.”

Being a nice guy, I considered that begging. I held my cock and touched the head to her asshole. She trembled.

“Close your eyes, relax and enjoy the sensations,” I said as I gently pressed my cock head into her shiny asshole.

Her asshole dilated gradually and then swallowed my cock head. Her sphincter closed behind my cock head.

“That’s it,” I said as I paused for both of us to enjoy and to get used to the feeling.

“It’s so big,” she moaned.

“Enjoy it, you hot slut,” I smiled. “I have no doubt that this is what your cock-craving ass wants.”

After several seconds, I resumed pushing. My cock went in and my cock head popped past her second sphincter. I paused again and then resumed my slow but thrilling advance. She breathed deeply as she opened her insides to me. My cock skewered her entire rectum and proceeded to delve further. I continued to advance slowly, allowing her to adjust for the deep penetration. In a few minutes, my balls pressed against the back of her ass.

Her once virgin ass was completely skewered on my hard cock, which oozed inside her bowels. I paused there. Her pussy was soaked. It was leaking like a loose faucet.

“This is wonderful,” I said as I teased her clit with my thumb, making her tremble and spasm around my cock. “Your sizzling ass is completely stuffed with my big cock. It’s no longer virgin. Did it hurt?”

“Not at all,” she said. “It’s so deep in me I can almost feel it in my throat.”

“You are going to get addicted to this feeling,” I said as I started to thrust gently.

“I like it already,” she gasped. “I think I am going to come.”

“Come, bitch,” I said, shoving my cock all the way in. “Come for my bit cock.”

She stiffened and started to convulse in orgasm. I held her ankles and let her writhe until her orgasm subsided.

“That was the best orgasm of my life,” she gasped.

“Now, you know what your hot ass was made for,” I said as I fucked her tight ass with short gentle strokes.

“Yes,” she hissed.

My strokes got longer and faster as she got used to having my cock plunge so deep up her ass.

“Yes, yes,” she gasped. “Fuck my ass. Drill my slutty ass. Ream out my little asshole.”

“You are my bitch, aren’t you?” I breathed under my teeth.

“Yes, yes,” she gasped. “I am your bitch.”

“Beg for my big cock, you horny cunt,” I said.

“Please fuck my horny ass,” she gasped. “Stretch it with your fat cock. Please make me come on your big cock.”

“I am going to make you come again, you little slut,” I said, fucking her ass harder. “Come for me, my ass whore.”

Leaning forward, I fucked her ass harder. She gasped and babbled as I drilled her ass almost harder than I did her pussy, and she begged for more. It did not take her a minute to come.

“Yes, yes, yes,” she screamed. “I am coming.”

While she writhed, I drilled her twitching ass as hard as I could, giving her the hardest orgasm of her life. Her asshole went into orgasmic spasms, milking my pumping cock desperately. I drilled her ass until her orgasm subsided.

“Are you ready to suck my big cock, bitch?” I said, sawing my cock in her ass in long, slow strokes.

“Yes,” she smiled.

Holding her shoulders, I slowly pulled out of her ass, leaving her asshole with an audible plop. I sat her up, pushing my cock in her face. She opened her mouth and took my cock in, sucking it gently.

“This was my best fuck ever,” she said, taking my cock out of her mouth.

“That was only the start, my hot slut,” I said. “I’ll fuck your ass until you can’t believe it had once been virgin.”

“I want that,” she smiled before she took my cock back in her mouth.

A little later, I pushed her back onto her back and pushed my cock into her drenched pussy, soaking it in her juices. I stroked my cock within her pussy a few times and then took it out and pressed it against her asshole. She moaned as my cock made its way up her ass to the balls. I thrust in her ass several times, making sure my cock went all the way in and held it there. I maneuvered her onto her side and then onto her hands and knees.

“Move your ass,” I urged as thrust gently into her ass. “Get it fucked.”

She humped back, pushing her ass all the way back over my hard cock. Her asshole looked great stretched wide around my pumping shaft. I grabbed the lube and squeezed some over my cock, watching her asshole massage it all over my shaft. I put the lube back and reached forward for her tits. I played with her jiggling tits as I made sure every thrust sent my cock balls deep up her ass and every pull took it almost all the way out. My thighs slapped her ass cheeks with every thrust and my balls bounced off her dripping pussy repeatedly. She moaned and groaned, pushing her ass back to get it fucked deeply.

“You like being my ass whore, bitch?” I teased.

“Yes, I love it,” she gasped.

“Enjoy it, you sexy bitch,” I said.

She was soon screaming and convulsing in orgasm as I gripped her hips tightly and pounded her trembling ass. When her orgasm ended, I pulled her up by her tits. I kissed her deeply while squeezing her tits and fucking her hot ass gently. She ground into me.

Holding her by the hips, I maneuvered us so that my feet were on the floor and she was sitting in my lap, impaled on my cock. I lay back and let her ride my cock in the anal reverse cowgirl position. I occasionally fondled her tits and toyed with her pussy. I spread her dripping albeit empty pussy widely for the camera as I thrust up in her bouncing ass. I soon made her come in my hand. As she collapsed on top of me, I wiped my sticky hand on her face.

She rested a little while I humped her ass gently. Next, I had her ass ride my cock in the Asian cowgirl position. I alternated my fingers between pinching her nipples and rubbing her clit. She rode me to another gut-wrenching orgasm and then collapsed on top of me. I continued to thrust in her ass while she panted and kissed me repeatedly.

“I’ve never come this many times in my life,” she panted.

“That’s because your magnificent ass had always been neglected,” I said. “I don’t know how any guy with a pair of eyes could miss such a fine piece of female fuck flesh.”

“You certainly didn’t miss it,” she gasped. “I am not complaining, but are you going to fuck me to death?”

“No, just until your horny asshole’s ready to drink its fill of my hot sticky come,” I said.

“It’s never been any readier,” she gasped.

“Turn around,” I said. “Suck my big cock, and let me eat your asshole.”

She mounted me in the sixty-nine position and pounced on my cock. I pulled her cheeks apart and started to probe her ass with my tongue. Her asshole opened for my tongue. I eagerly ate her luscious asshole and tongue fucked it while she sucked my cock, bathing it in her drool.

We kissed deeply before I arranged her on her knees on the floor with her head and chest on the bed. I parted her knees and pushed the small of her back down. I guided her hands to her ass, and she spread her ass. I drooled on her relaxed asshole and then pushed my cock all the way in.

“Relax your ass as much as you can,” I said as I started to saw my cock in her ass.

In that position, I fucked her ass slowly, frequently plopping my cock out to watch her asshole gape wider and wider as it continued to relax.

“Spread it wider,” I said, thrusting my cock all the way in. “Let your horny asshole gape wide for me.”

Her asshole gaped. I started to drool inside her open ass every time I took my cock out. Satisfied with the width of her gapes, I proceeded to drill her ass vigorously, making the bed shake. She started to groan and squeal in delight as her orgasm approached quickly.

When she started to come, I pressed the middle of her back down hard, pinning her against the bed, and maintained my mad thrusts as she shoved her ass back uncontrollably. She was still coming when my cock swelled and started to twitch. I slammed it all the way in and let it pump my come deep in her twitching bowels.

“I am filling your slutty ass with come, my hot bitch,” I announced.

“Yes, yes,” she gasped as her twitching asshole drained my balls.

She instinctively milked my cock.

“Now, squeeze as tight as you can,” I said, moving her hands off her ass. “That’s how your asshole swallows.”

She squeezed her asshole, and I thrust in her ass, allowing her asshole to milk my cock dry.

“Keep squeezing,” I said as I slowly withdrew my cock out of her ass.

Her asshole plopped shut. I pulled her to her knees and, turning her around, thrust my sticky cock in her face. She opened her mouth happily and proceeded to suck and lick my cock and balls clean. When she was done, I kissed her as I wormed my middle finger up her come-filled ass. I swirled my finger within her rectum and then let her suck it. She sucked my sticky finger eagerly moaning around it.

“Keep the rest locked inside,” I said, patting her ass. “It’ll soothe your well-fucked ass.”

“I will,” she said.

“You are wonderful,” I said. “I’d really love to see you and fuck you every day.”

“So are you, and so would I,” she said.

“This cream will help any possible itching heal,” I said as I applied itching cream to her asshole.

We put our clothes back on and had a long, deep kiss before I walked her to the front door.

“Take good care of this sexy ass,” I said, holding her ass. “It’s a fantastic treat. Don’t give it away to just anyone.”

“Now that I know what it’s capable of, I am going to take good care of it,” she smiled. “Thank you for everything.”

“You are welcome, my hot bitch,” I said.

We shared a deep kiss before I let her go.

HELPING MY AUNT

Ashley left, and I returned to my room. I switched the video with a blank one and took the camera down to the living room. I focused it at the sofa and let it run just for fun. I was starved; so, I ran to the kitchen to look for food. I was startled when I found my aunt there.

“Aunt Leanne?” I said in surprise. “Are you home already?”

“Yes,” she said. “I’ve been home for about half an hour.”

“Where is Uncle Ken?” I asked.

“He won’t be back until the early evening,” she said.

That discovery made me forget my hunger. I just drank some water and returned to the living room. I sat back and wondered. My aunt joined me shortly and sat next to me.

“You had a very noisy friend,” she said.

“Don’t blame her,” I said, somewhat embarrassed. “She had never experienced anal love before.”

“Ouch!” she winced. “That must have hurt really bad.”

“Not at all,” I said proudly. “Those were screams of joy. You may recall that she was screaming, ‘Yes! Yes!’ not ‘Ouch! No!’ She was ecstatic. The poor girl had never experienced orgasms that hard before.”

“Really?” she asked with surprise and interest.

“Of course,” I said.

“So, it didn’t hurt her although it was her first time back there?” she asked.

“Not at all,” I said. “Not after I prepared her for it. She loved every second of it, including the preparations.”

“This can’t be true unless you are extremely small,” she said.

“Do you deep throat?” I blurted out.

Obviously, I knew that she did. I had seen pictures of her doing it to a cock longer than mine albeit slimmer.

“Yes,” she said after some hesitation, blushing a little.

“Then you know that, once you learn how to relax your throat, size doesn’t matter, right?” I said.

“Yes,” she nodded.

“It’s the same here,” I said. “Once her tight asshole opened up, she might have felt a slight weirdness or a little discomfort at the very beginning as she got used to the new feeling but no pain. Soon, it all changed to extreme joy.”

“You must be good at it,” she said.

"I am both passionate and patient about it," I said. "I feel so good when I show a girl pleasures she has never experienced before. That's why I generally prefer anal virgins. Unfortunately, a girl's an anal virgin only once."

"How many times have you done it to anal virgins?" she asked curiously.

"Not as many times as I wish," I said. "I did it only five or six times. Ashley was my seventh anal virgin."

"That's more than your fair share," she said.

"I beg to differ," I said. "I humbly think I deserve more because many people I know don't deserve it and many others don't care about it."

"You may have a point," she smiled.

"I think I do," I said.

"Do you let the girls go after you do it to them the first time?" she asked.

"No, of course not," I said. "When I do it to a girl the first time, she's mine. I don't let my girl go easily, but some girls are stupid. They don't know their own good. I don't hold their stupidity against them though. I know that they don't know any better. Others may have some special circumstances. I never let a girl go after she trusts her little virgin behind to me, but I never regret losing one because every time I get better and choosier."

"If you are telling the truth, you must be one hell of a lover," she said.

"I may be, but I am not sure," I said. "All I know is that I try hard. I believe a girl who spreads her legs for a guy, trusts him with a very precious part of her being. She deserves to be rewarded. If the guy doesn't show her a great time, he isn't paying for what he's getting and, thus, he doesn't deserve it and is just waiting to lose it."

"You are a nice and wise guy," she smiled.

"Thanks," I said. "I don't mean to pry, but, speaking of wisdom, you sound like you've never had anal sex before."

"Yes," she nodded, blushing.

"You know you could be missing on a lot of fun," I said.

"I know I am," she said. "I am too afraid to try it though."

"All he has to do is to be extra patient and gentle the first few times," I said.

"Ken's anything but patient and gentle," she said. "He almost hurts me the normal way."

"He surely would be willing to be patient and gentle when you need it most," I said.

"He would, but it isn't like him," she said. "He can't do it. Some people are patient; some are not."

"That's sad," I said. "I am sorry that I couldn't be of any more help since this is very sensitively personal."

Silence enveloped us for a minute or two.

"Maybe you can be of more help," she finally said, breaking the silence, "if you promise never to tell anyone."

"Sure," I said, "but I can't see how I can help."

"Can't you teach me how to relax?" she asked.

"It's not a recipe that I can write for you," I said. "This is a practical matter: I'd have to be there, and I'd have to touch you, see how you respond and coach you."

"I know," she said. "Can I trust you to be nice if I let you do that?"

"You know how nice I am," I said as I felt my cock uncoil. "You are one of the few people I'd be nicest to, but are you sure you want to do that?"

“It’s about time I did something about it,” she said. “I want to experience what many others rave about and many others dread. Are you going to help me?”

“You bet,” I said.

“Let’s do it,” she said.

“Now?” I asked.

“Yes, here and now,” she said. “What do you want me to do?”

“I want you to relax and get in the mood,” I said. “You need to get in a very sexy, playful mood. Your tight virgin butthole will never relax and be playful unless you do.”

“This makes sense,” she said.

“Close your eyes and think about your sexiest fantasies,” I directed. “Be the wildest you can. Be as dirty and depraved as you want to be; no one can read your mind. You are the only one who can enjoy your dirty thoughts.”

She closed her eyes. I had lustful thoughts of my own as I watched her pretty face. I wondered how her sensual lips would feel wrapped around my hardening cock after I saw them in action in video.

“Are you getting excited?” I said lowly.

“Yes,” she hissed.

“Good,” I encouraged. “Let yourself go. Be as horny as you can. Get hot and wet.”

After a few seconds, I leaned towards her and guided her hands to the cushion on either side of her. Several seconds later, I returned her hands the way they were earlier. I continued to move her hands one way or another every little while to get her used to my touching her and directing her while she thought about sex.

A little later, I uncrossed her legs but kept her knees touching. Her dress reached halfway down her thighs.

“Are you getting hot and wet?” I whispered.

“Yes,” she hissed.

“Is your little pussy getting excited?” I said.

“Yes,” she hissed.

“You are doing well,” I said as I pulled her knees a few inches apart. “Let it leak and get your panties wet.”

A few seconds later, I joined her knees together. I waited for several seconds and then pulled them farther apart than before. When she relaxed again, I raised her hands and had her clasp them behind her head. On my way back down, I lightly brushed her left tit, making her gasp.

“You are doing well,” I said as I guided her hands down to her lap. “Let yourself get even hornier.”

Kneeling before her, I brushed both her tits with my hands. She shivered. I waited a little and then guided her knees halfway together. I tickled my way down the outer sides of her thighs from the hem of her dress to her knees, making her gasp.

“Keep your eyes closed,” I said before she could catch her breath as I held her hands and stood up, gently pulling her up to her feet. “That helps your dirty thoughts get even dirtier.”

She stood there for a minute before I had her clasp her hands under her chest. Soon, I raised her hands and had her clasp them behind her head, thrusting her chest forward. I placed both my index fingers at where her belly button

would be and then ran them up and apart either one towards one of her tits. I ran them up the underside of her tits and, when they were about to reach her nipples, I circled her nipples. She moaned.

“Do you like what I am doing to you?” I said.

“Yes,” she hissed.

Shortly I turned her around and guided her hands to cup her tits. As she held her tits, I arranged her posture, letting her thrust her chest a little forward and her ass a little backward. I placed my index and middle fingers at her shoulders and then ran them down over her back and ass to the hem of her dress.

“Does your little pussy like this?” I said.

“Yes,” she hissed.

“I think your panties are getting wet,” I said as I knelt behind her. “I am going to rid you of them.”

She did not protest. I reached up her dress and gently tugged her panty waistband down her hips. I let the panties drop to the floor. Holding her ankles one and then the other, I helped her step out of her panties. That was a thong panty. I held it to my face and inhaled. It erotically smelled of her excited pussy.

“Your horny pussy’s now bare,” I said. “Does this make it feel hornier?”

“Yes,” she hissed.

“Your wet panty crotch smells nicely,” I said. “Naked like this, your heated orifices can cool down.”

When I pulled her dress down her shoulders, the straps of her bra were exposed. I let her hands hold the dress against her tits as I nudged her shoulders down. She went down to her knees. I bent her over the sofa cushion until she rested her head and chest on it. I guided her hands back to her ass.

“Hike your dress all the way up to your waist,” I said. “I need to check out your tight and pretty butt. Pull it up ever so slowly. Your virgin butthole needs to come out and say hi to me.”

After a little hesitation, she slowly pulled her dress up. I watched as her pretty ass was exposed little by little. Her wet pussy and virgin asshole were hairless and very pretty.

“You are very pretty down here,” I said. “You deserve to be pampered and enjoyed.”

“Thank you,” she whispered.

“Relax and enjoy,” I said lowly, guiding her hands to her ass. “You’ll only get hotter and wetter. You have a pretty passion flower and a magnificent rosebud.” I pulled her hands a little apart, spreading her ass slightly. She held her hands as I left them. Her asshole was well but not outrageously exposed. “Your hot pussy lips are wet and swollen as you continue to think about hot wild sex. I can see that you are relaxed and well aroused. I am going to get your tightest orifice as aroused and relaxed as you are. I am sure it will enjoy playing and having fun. Don’t you think so?”

“Yes,” she hissed.

“It’s so pretty,” I said.

Bending forward, I planted a gentle kiss right on her asshole, making her gasp. I felt her asshole clench as it felt the unexpected touch.

“Try to relax,” I said. “This is going to be a lot of fun. Enjoy.”

“Okay,” she said lowly.

“Do you enjoy being in this obscene position?” I said.

“Yes,” she hissed.

“Are you looking forward to this?” I said.

“Yes,” she hissed.

“I can see that your little pussy loves it,” I said. “I’ll soon find out how much your sweet asshole enjoys this.”

She groaned.

“I am going to tease your virginal anal pucker and wake up its very sensitive nerve endings,” I said softly as I placed my hands on her cheeks outside of hers. “As it experiences new exciting sensations, it will relax. Don’t be surprised if it opens up a little and starts to suck my tongue tip. Your innocent rosette’s more sexual and lustful than you might know. I am going to unleash its pent-up desires and let it indulge in wicked pleasures. Are you ready?”

“Yes,” she hissed.

As I talked, I kneaded her ass gently causing both her excited pussy and nervous asshole to spread a little and then contract back. She gasped several times at the sensations.

“Is your little asshole ready?” I said.

“Yes,” she hissed.

“Let it wink at me,” I said.

She winked at me with her asshole.

“It’s so pretty,” I said. “Feel free to wink at me whenever you want.”

“Okay,” she said.

“Get ready to feel the volcanic lust hidden in your sizzling ass explode and come up to the surface as your virginal rosebud learns to trust me just like you trusted me with this very precious part of you,” I said almost as softly as a whisper, bringing my face closer and closer to her ass crack. “Remember that it’s all based on trust and lust.”

“Yes,” she hissed.

Holding my head where she could feel my breath on her ass crack, I reached forward and pulled the top of her dress down. I helped her work her arms out of the dress and collected it around her waist, exposing the straps of her bra. I unfastened her bra and helped her take it off. I cupped her tits, making her tremble.

“You have great tits,” I said as I guided her hands to her tits and had her cup them. “Hole them for me.”

She was stark naked except for the dress around her waist. I rearranged her position so that her ass was thrust out very lewdly. Her little puckered asshole was utterly exposed and vulnerable, making my cock twitch.

“You are so beautiful,” I said. “You are no less pretty in the bottom than you are in the top.”

Her asshole twitched when I blew cool air on it.

“I can see your delicious-looking asshole twitch,” I whispered as I started to knead her cheeks, pulling them apart to fully expose her asshole and then letting them retract together in an attempt to hide her shy orifice. “Its nerves are waking up and getting ready to have their first round of hot wild fun ever. Your virginal asshole’s going to have its grand party today. It’s going to have more fun than in your wildest, wettest dreams. Your virgin asshole’s so beautiful; it deserves to have fun. I am going to wake it up for you and let it loose. You are going to lose control. Pleasure and lust are going to take control of you. Let them, and enjoy. I want you to let yourself convulse in ecstasy. Your asshole will drown you in pleasure. It will receive pleasure and fan it out to your entire hot body. I’ll help you let that happen. *You* are going to make it happen. I am only going to help you. Do you want me to?”

“Yes,” she hissed.

“Do you fully trust me to take you to the hottest delights of unbridled anal sex?” I asked. I paused too shortly for her to answer. “I want you to think of yourself as a slut. A slut’s a woman whose carnal desires take control of her. Every woman’s like that in the right circumstances. All it takes is trust. When you know that your deepest emotions and wildest desires will be respected no matter what they are, you won’t be afraid to be yourself. In this case, your deepest and darkest desires will be welcome, embraced and celebrated. I want you to be your wildest self. I want you to be a slut at least this once. I want you to be as dirty and lustful as you can. Do you think you can?”

“Yes,” she said lowly. “I think I can.”

“As long as you are honest and true to yourself, you’ll enjoy sex more than the dirtiest whores in the world,” I said.

“I’ll be honest and true to you and to myself,” she said. “I want to do that.”

“Let’s do it,” I said as I lowered my tongue to her ass.

“Yes,” she hissed.

Holding her ass cheeks apart, I let my tongue lightly draw ever-narrowing circles around her asshole. She started to gasp. Finally, my tongue tickled her silky pucker. Her asshole contracted defensively and somewhat shyly at first.

“Dirty whores are never timid or shy,” I encouraged.

Soon, her asshole relaxed as it got used to my tongue. She started to moan. I continued to tease and toy with her asshole orally, letting it continue to relax. She started to sway her ass from side to side. Her vocal and physical feedback showed that her arousal was increasing constantly. I enjoyed teasing her luscious asshole for several minutes, letting her moan, gasp and squirm. Her asshole responded nicely, nibbling and sucking my tongue tip playfully.

“Your little asshole’s delicious,” I said. “I am going to eat it raw.”

She just moaned.

She was ready for more. I stepped up my oral assault on her asshole, letting my tongue probe and lash her asshole harder and harder. Her response followed my lead. I continued to lick harder until I sensed the signs of her imminent orgasm. Gripping her hips tightly, I started to lash my tongue into her asshole vigorously.

“I am coming,” she gasped.

As her orgasm took over her, her asshole started to spasm, giving way under my tongue. My tongue tip penetrated her asshole, driving her wilder. I forcefully held my tongue tip inside her ass and wiggled it in her twitching sphincter. She convulsed and screamed as her orgasm wrung her body. I licked her happy asshole gently as she recovered.

“You screamed when you had your first anal orgasm just like the others,” I said, smiling as I parted her cheeks slightly to admire her virgin but fun-loving asshole.

“That was my wildest orgasm ever,” she said.

“That’s the whole point,” I said. “Your little asshole obviously loves sex.”

“Yes,” she hissed.

After giving her asshole a big kiss, I helped her out of her dress. I helped her sit back on the sofa and pull her legs back. I had her hug her knees against her chest.

“You look so good in obscene positions,” I teased.

“I like obscene positions,” she moaned.

“Keep your eyes closed and enjoy yourself,” I said. “Your pussy’s so wet I have to lick it for you.”

“Do to it whatever you want,” she moaned.

“I will,” I said. “You are in good hands,” I said. “I’ll make sure you’ll have a wonderful time.”

“Thank you,” she said.

She sat in that position obediently, waiting expectantly. I drooled on her asshole and, while I teased it with my fingertips, I lapped her copious juices off her pussy. She moaned and gasped. I gently popped the tip of my middle finger into her ass as I let my tongue toy with her clit. Pushing my forefinger into her pussy, I started to pump my fingers in and out of both her holes, still licking her clit. I patiently let my fingers delve deeper and deeper in her holes, taking a few minutes until they were all the way in. Her asshole had already started to milk my finger instinctively. Her pussy bathed my other finger in its juices.

“Your fuck holes are so horny,” I said.

“Yes,” she hissed.

While finger fucking both her holes, I freed my hard cock with my free hand. I pumped my fingers slowly in and out of her holes, adding drool constantly to her asshole until her leaking pussy juices reached her asshole. I occasionally gave her clit little licks to make her tremble.

“You are so hot,” I said. “You were definitely made for sex.”

“I love sex,” she moaned.

“You love cock, don’t you?” I teased.

“Yes,” she hissed.

“You are a hot slut,” I said.

“Yes,” she hissed.

“Do you want me to treat you like one?” I teased.

“Yes,” she hissed.

Her asshole got used to my finger, allowing me to pump her holes faster. She moaned, thrusting against my fingers. I finger fucked her for a few minutes, changing my pace and occasionally drooling on my fingers. She was getting ready to come. I pumped my fingers within her holes faster, and she thrust her hips harder.

“I am going to come,” she gasped.

“Come like dirty whores,” I urged.

She soon screamed as her orgasm washed over her convulsing body.

Her orgasm left her panting for air. While she recovered, I gently licked her sticky pussy. I kept my middle finger in her ass as I slowly removed my dripping index finger from her pussy and squeezed it ever so slowly into her asshole. I gave her clit a few tongue flicks as I twisted my fingers left and right, pushing them deeper into her ass and stretching her tight asshole wider and wider. She whimpered quietly, holding her ass in place for my assault.

“Spread your horny ass,” I instructed.

She spread her ass with both hands.

She moaned and gasped, milking my fingers, as I tongue fucked her pussy, sucking her juices out. I gave her ass time to get used to having two fingers inserted all the way in it while I ate her pussy teasingly. I slowed down eating her pussy as I started to move my fingers gently in and out of her ass. I drooled generously on my fingers and worked my drool inside her ass. I continued to lick her pussy occasionally until I was able to pump my fingers smoothly within her ass. She moaned, thrusting her ass for more. I wiped her wet pussy with my free hand and then wiped her juices on my hard cock, making it twitch.

“You are definitely meant to be a hot slut,” I said.

“I think I am one,” she moaned.

Adding drool constantly, I fucked her eager asshole faster and faster. Her pussy leaked freely, lubing her asshole and my fingers. She was ready to come solely from getting her ass finger fucked. I drooled generously on my fingers and went for the kill. She groaned and thrust back wildly as I drilled her ass with two fingers.

“Come like the dirty whore you want to be,” I urged.

She lost her breath and started to scream in orgasm. I continued to finger fuck her convulsing frame until she went limp. She lowered her legs, placing her feet on the floor. She was still panting when I pulled my fingers out of her ass and then brought them to her mouth.

“Suck my fingers,” I said, pushing my fingers into her open mouth. “Show me that you are a dirty whore.”

When I covered her drenched pussy with my lips and sucked, she moaned around my fingers. She obediently sucked my fingers as I toyed with her tongue, working my fingers in and out of her mouth just as I moved my tongue inside her pussy. I gave her pussy a big deep kiss and then pulled back.

“Keep your eyes closed and open your mouth,” I directed as I helped her sit up. “Open your mouth wide for a few seconds, then close it slowly, and suck gently.”

Covering her eyes with my hands as she opened her mouth, I pushed my tongue between her parted lips and waited, holding my breath. She closed her mouth and sucked my tongue. That started a very hot kiss. She wrapped her arms around my head and kissed me feverishly. I had not known before she was that hot. We finally broke the kiss, and I closed my lips around one of her erect nipples, making her gasp.

With my arms around her waist, I sucked her nipple for a couple of minutes and went for the other one. She moaned, holding my head against her tit. I held her tits with my hands and kneaded them both while I moved my mouth from one sweet nipple to the other.

“You are a real slut,” I said.

“Yes,” she hissed.

“Open your mouth wide,” I said. “Let’s do that again. You have such a sensual pair of lips.”

As she opened her mouth, I stood up and covered her eyes with my hands, holding her head tightly. My cock twitched as I inched its leaky head slowly and precisely between her parted lips. She was surprised when her lips closed around it after she had hardly moved them closer together. Her lips closed just behind my bulbous cock head.

“Suck it, you hot slut,” I directed gently, holding her head so that she could not pull back. “Suck it gently.”

She started to suck, licking my oozing fluids.

“Your mouth must be hungry for cock,” I said.

She moaned around my cock affirmatively.

“Drink my leaking juices,” I said, letting go of her head. “Let them make you hotter and wilder.”

She sucked my cock for a minute and then pulled back.

“I thought we were not going to do this,” she said in a mild protest, tilting her face up, her eyes closed.

“I know, but my cock’s so hard and leaking as you can feel and taste,” I said, pulling her head against my cock. “It can help you get hotter and wetter. As you suck it, let yourself be a slut. I can’t read your mind, so if it makes you feel dirtier and wilder, you can think of yourself as my slut—your own nephew’s dirty whore.”

She trembled and resumed sucking my cock as if my answer made perfect sense. Maybe it did!

She sucked my throbbing cock deeper and deeper, expertly tantalizing my cock. She soon deep throated my cock.

“Suck my big cock like the dirty cocksucker you are,” I said.

While thrusting gently in her mouth, I unbuttoned and lowered my pants and briefs. I kicked them off, only keeping my shirt. She gave my cock a short break as she mouthed my balls.

“You are a great cocksucker,” I said.

“You have a nice thick cock,” she said. “I love it.”

“Enjoy yourself,” I said. “Take your time as you suck my big cock like a hot slut. If you do as great a job as I think you will, I may even think of you as my slut, but I won’t tell you if I do. I don’t want you to know that I am a pervert. My mom wouldn’t like it if she found out what I did to her sister and never tried to do to her. She might get jealous.”

“Nick, you are so bad,” she chided. “Your mom would never think that way.”

“So, tell her that you are my slut,” I teased. “Do you want me to call her?”

“Of course not,” she said. “I am not ready for her to take you away from me—not before you finish your job.”

When she returned to my cock, she sucked it in long strokes, letting me fuck her throat slowly.

“That’s it, Aunt Leanne,” I encouraged. “Fuck your throat with my big cock. Taste my leaking fluids.”

She moaned contentedly, enjoying the feel and taste of my hard cock. She picked up the pace a couple of times, but I slowed her down to prolong the talented cock sucking session that both of us enjoyed. She took the hint and understood that I wanted a marathon blowjob. She was only glad to oblige me. She repeatedly teased my cock almost to tears and then pleased it almost to orgasm. After about twenty minutes of that, we both deserved a reward.

“I am ready to come,” I announced quietly. “A hot cocksucker like you must love to swallow hot creamy come.”

She moaned appreciatively before she sucked my cock harder, working her head back and forth faster and faster.

“Get ready to swallow,” I warned as I sensed the beginning of my orgasm. “I’ll flood your mouth with come.”

Holding the back of her head so that she could not pull back even if she wanted to, I braced myself for a hard orgasm. She pursed her lips behind my cock head and sucked hard. I stood still and moved her head in short but quick strokes as my cock swelled and started to twitch.

“Swallow my slimy come,” I groaned as I felt the first powerful jet of come spurt out of my cock. “Drink it all.”

She sucked thirstily as my cock pulsed again and again, delivering jet after hot jet of thick come into her thirsty mouth. She sucked constantly, swallowing every last drop, until my orgasm died completely.

“Good girl, my come-guzzling slut,” I commended, still holding the back of her head. “Make it hard now.”

She did not hesitate to suck harder and my cock did not hesitate to harden. I used my new boner to fuck her mouth for a few minutes. In the end, I pulled out and slapped her face with my hard cock.

Kneeling before her, I parted her knees. Her pussy was wet. I lapped it up a little, slurping her juices.

“Spread your lips for me,” I urged.

She obliged me, and I went after her clit until she started to gasp and squirm. I pulled back and stood up, thrusting my cock in her face. She opened her mouth and sucked it in. I fucked her mouth for a little while.

“Spread your pussy for me,” I instructed as I pushed her legs over her head.

When she reached down and pulled her pussy lips apart, I brought my cock head to her pussy and started to rub it up and down her wet lips and tease her clit with it. She gasped, and her pussy leaked on my cock head. I drooled on her pussy and applied gentle pressure as I rubbed my cock head over her pussy.

Gradually I slightly pushed against her pussy hole but not hard enough to enter, and then pulled back. She moaned, holding her pussy open for me. My cock head started to sink deeper and deeper with every thrust. Finally, my cock head penetrated her pussy, making her groan.

“We are breaking all the rules,” she moaned as I fucked her pussy with my cock head.

“What rules, Aunt Leanne?” I said.

“You are my nephew,” she said. “You shouldn’t fuck me.”

“Although I don’t agree to that, we are only doing what it takes to make you as hot and horny as possible,” I said, going deeper in her pussy. “Is it working? That’s what matters most. Does your hot pussy like what I am doing to it?”

“Oh, yes,” she gasped.

“Great,” I said, giving her a thrust that drove my cock halfway in and made her groan. “I’d hate to break the rules for no good reason. Your hot tight pussy feels so good around my big cock.”

“If breaking the rules were so much fun, nobody would ever abide by a rule,” she gasped.

“There are rules I’d never break,” I said. “I’ll always be a nice guy and satisfy my cock-craving sluts.”

“Is that what you are doing now?” she said.

“You tell me,” I said.

“I think it is,” she gasped.

Before she could catch her breath, I gave her another thrust, planting my cock balls deep in her pussy. She groaned again. Her pussy twitched around my cock, bathing it in fresh juices. I paused a little and then gave her hot pussy another hard shove, making her stiffen.

“I am coming,” she gasped.

She convulsed wildly, and I fucked her gushing pussy hard until her orgasm subsided. I then fucked her gently.

“Your horny pussy loves my big cock,” I said.

“Yes,” she hissed.

While she recovered, I fucked her tight pussy deeply at a slow pace.

“Your cock’s so big and hard,” she gasped.

“Your pussy’s so hot and tight,” I said, fucking her pussy harder. “Do you want to come again on my big cock?”

“Yes,” she hissed.

“I am not going to make you come on my big cock again unless you beg for it,” I said. “You have to beg for it like a real cock-hungry slut. Aren’t you a real slut—my slut?”

She shivered and her pussy twitched as I said that to her.

“It won’t be hard for you to admit being a slut,” I said. “If you were not a slut that deserved getting fucked with my big cock, I wouldn’t be here, banging you in the living room. I want you to be a perfect slut.”

“Please make me come,” she gasped.

“You want to come on my big cock, Aunt Leanne?” I teased.

“Yes,” she hissed.

“You love being my hot slut?” I said.

“Yes,” she hissed.

“I’ll make you come your hot little ass off on my big cock,” I said, drilling her pussy hard.

“Yes,” she hissed.

She hardly lasted a minute before she stiffened and started to gasp and convulse in orgasm. I pounded her twitching pussy vigorously until her orgasm died down. I gently removed my dripping cock from her drenched pussy and brushed its head over her asshole, making her gasp. She had hardly closed her mouth by the time I sat her up and thrust my sticky cock in her mouth.

“Did you like that, Aunt Leanne, you hot slut?” I teased, thrusting in her mouth.

She moaned on my cock.

“You have a wonderful pussy,” I said. “It’s perfect for fucking.”

She moaned her acknowledgment.

She sucked my cock for a minute before I arranged her on her hands and knees on the sofa. I lapped up her pussy and gave her asshole a nice French kiss, making her moan and squirm. I playfully flicked my cock head on her asshole before I pushed it into her pussy. I let her suck my fingers while I fucked her horny pussy. I later used my wet fingertips to tease her asshole. I popped a fingertip into her ass and proceeded to finger fuck it as she thrust her ass back for more, moaning and bathing my cock with juices.

“Do you like my big cock, Aunt Leanne?” I teased.

“Yes,” she hissed.

“You love being its horny slut?” I teased.

“Yes,” she hissed. “It’s so good.”

“It loves you too,” I said.

“It’s a wonderful cock,” she said.

After I sucked her anal flavor off my finger, I coated my thumb with saliva. I gently popped my thumb in her asshole and proceeded to fuck her pussy hard while pumping my thumb within her ass. She bucked her ass wildly. Before long, she was convulsing in orgasm, both her holes twitching uncontrollably.

“I am coming hard for you, Nick,” she gasped.

After I removed my sticky cock from her soaked pussy, she took it in her mouth of her own accord. I let her suck my cock for a couple of minutes. I only interrupted her sucking to let her suck my thumb, which had earlier been up her ass. She did not have a problem with that.

Sitting back on the sofa, I took her right hand and gently guided her astride me. While she lowered her pussy onto my cock, I let her suck my fingers. As she rode me, I teased her asshole and popped my middle finger up her ass. She rode me wildly as I finger fucked her hot asshole. It did not take her long to come all over my cock and finger. While she convulsed, I popped my index finger into her ass. I pumped her twitching ass with two fingers until she went limp.

“You are a great lover, Nick,” she gasped.

We kissed. She sucked my tongue, grinding her drenched pussy over my hard shaft, while I continued to work my fingers in and out of her asshole. When we broke the kiss, I let her suck my fingers. I kept my cock inside her as I maneuvered her onto her back, laying her head on the armrest. I pushed her legs over her head and drilled her hard.

“You have a cock-hungry little pussy,” I said. “Do you want me to fill it with my hot sticky come, my hot slut?”

“Yes,” she hissed.

“I am going to fill your pussy with come like the dirty whore you are,” I groaned as she started to come.

“Yes, yes,” she hissed.

My cock swelled and pumped come deep inside her twitching pussy. Her orgasm doubled as my cock delivered wads of thick come way into her convulsing pussy. I continued to thrust in her until both our orgasms died completely.

Keeping her legs over her head, I removed my sticky cock from her pussy and pushed it into her mouth. She eagerly cleaned it with her mouth. While she continued to lick my cock, I reached back and pushed two fingers into her come-filled pussy. I scooped a lump of come and brought it to her mouth.

“Show me that you are a dirty whore,” I said.

She smiled lewdly as she held my hand and pulled my fingers into her mouth. She sucked my fingers eagerly, making smacking noises.

“Eat it all,” I said as I dismounted her and brought her right hand to her pussy. “Eat all my come out, you whore.”

She held my soft cock in her left hand and stroked it while she fed herself scoop after sticky scoop of my come out of her pussy. When she finished cleaning her pussy, I returned my hardening cock to her mouth. I was standing on the floor as I thrust gently in her mouth. I threw my left leg over her chest and proceeded to fuck her mouth until my cock was rock hard. I slapped her face with my cock before I dismounted her. I licked her sticky pussy clean.

“I want you to take an enema to clean up your insides,” I said as I removed my mouth from her pussy.

“Do I have to?” she said. “I’ve never taken one before.”

“You don’t have to, but I strongly recommend it,” I said. “It is deeply cleaning and relaxing, and it will make you feel less self-conscious as I dig deep inside you, especially since this is your first time.”

“Did you have Ashley take one?” she asked.

“I would have if we had had enough time,” I said. “We hardly had two hours. Besides, I care about you more than I care about her. She’s a hot slut. You are my lovely aunt too. I want to give you the best service.”

“I don’t have an enema,” she said.

“I always carry a spare fresh one,” I said. “I’ll go get it for you.”

“You don’t leave anything to chances, do you?” she smiled.

“Why should I?” I said as I walked away.

She was still lying on the sofa when I returned to her with the enema package.

“The directions are written on the box,” I said as I handed her the box. “Take your time.”

While she was busy, I checked the camcorder and returned it to where I found it in the master bedroom.

Less than half an hour later, my aunt came out of the bathroom.

“I am ready,” she said shyly.

“Let’s go somewhere more comfortable than the living room,” I said.

“Let’s go to the bedroom,” she said. “Let me get it ready.”

“Meanwhile, let me grab the lube,” I said.

After grabbing the lube from my room, I joined my aunt in her bedroom. As soon as I entered the room, I noticed that the camcorder was focused on the bed and running. I had a wicked aunt. She was lying on the bed, playing with her pussy. I smiled wickedly.

“Let’s first get you back in the mood,” I said as I put the lube aside.

“I am already in the mood,” she said, showing me her glistening fingers.

“You still think of yourself as my dirty whore?” I said.

“Yes,” she hissed.

Her sticky fingers made my mouth water. I grabbed her hand and sucked them clean. I pounced on her and covered her mouth with mine. We kissed feverishly as I fondled her tits. Breaking the kiss, I took my mouth to her tits. I sucked her nipples and kneaded her tits with one hand while teasing her pussy with the other. She stroked my hard cock. I mounted her, pushing my cock into her mouth as I pushed my head between her thighs. I gently fucked her mouth while licking her pussy and fingering her ass to orgasm.

She was still panting when I pushed her legs over her head and thrust my cock into her pussy. I fucked her for several minutes before I stepped up the pace and drilled her to a wild orgasm. I fucked her mouth, allowing her to clean my cock of her copious juices.

“Now, I am going to teach your virginal asshole how to relax and have fun,” I said, arranging her on all fours.

She thrust her ass out shamelessly, utterly exposing her pussy and asshole. I licked her asshole until she started to squirm. Her asshole nibbled my tongue tip. I left a pool of drool on her asshole and proceeded to tease and massage her pucker with the thumb of my right hand while I lapped up the juices her pussy had secreted. She moaned and rolled her hips back and forth.

Briefly interrupting the teasing of her asshole, I lubed three fingers of my left hand. I teased her asshole with my slick fingertips before I popped a fingertip into her asshole and proceeded to probe her ass. I pumped my finger within her asshole and reamed it out, working lube inside her ass. Her happy asshole relaxed gradually. A few minutes later, I added lube to her asshole and squeezed a second finger into her hole. I gave her a couple of minutes to get used to having two fingers fuck her asshole.

When her asshole relaxed well enough, I pumped my fingers faster, allowing my third finger to bump her wet pussy with every stroke. I finger fucked her asshole for over five minutes, making her come in the end. I stroked my fingers in and out of her asshole only slower while licking her drenched pussy. She moaned and humped my fingers.

After she recovered, I started to twist and swirl my fingers within her ass as I continued to pump them in and out to stretch her asshole wider. I added lube constantly as I readied her for a third finger.

“I want you to roll over and pull your legs back without ever letting my fingers get out of your ass,” I said, parking my fingers all the way up her ass.

She maneuvered herself carefully and got into position. Since three fingertips are not wider than the base of two fingers, it was not hard to pop my three fingertips into her ass. It got tight when I pushed deeper.

“Relax your asshole,” I instructed corkscrewing my fingers into her ass. “Push out gently. Your asshole will relax gradually. Soon, it will be relaxed completely.”

Her anal muscles relaxed more and more, and I pushed my fingers deeper and deeper. Finally, my three fingers were rooted within her tight ass to the base.

“Experiment with your anal muscles,” I instructed. “Alternate between squeezing gently and relaxing your tight asshole. That way you can acquire better control.”

She milked my fingers for about a minute. I started to pump my fingers gently in and out of her ass while occasionally flicking my tongue tip against her clit or swiping my tongue over her wet pussy lips. Her asshole soon relaxed enough to take a brisk finger fucking. She moaned, meeting my finger thrusts. Before long, I was vigorously drilling her ass with my fingers, and she was panting and gasping. I gently pressed my tongue tip against her twitching

clit as she came violently around my pumping fingers. She screamed loudly throughout her wild orgasm. She was still panting when she sucked my fingers.

“Your hot virgin ass is ready for cock, and it knows it,” I said.

My cock drooled as the moment of truth arrived. I straightened her legs and mounted her face. I slid my cock between her lips and proceeded to fuck her mouth for a couple of minutes. When I popped my cock out of her reluctant mouth, I handed her the lube.

“I know I shouldn’t let you do this, but you’ve earned it deservedly in more ways than one,” she said, taking the lube from me. “No one else deserves it more than you do. You are the most impressive lover I’ve ever met.”

“I am humbled by this great honor,” I said as she sat up. “I’ll do my best to be best to you.”

“I am sure of that,” she said as she proceeded to lube my hard cock thoroughly.

When she finished lubing my cock, she put the lube aside.

“How do you want me?” she said.

“Bad,” I smiled. “I want you on your back, your knees against your tits and your cheeks gently spread.”

She got in that shameless position immediately and smiled at me.

“Beg for my big cock,” I said as I touched my cock head to the sensitive opening of her ass. She shivered. “Beg me to fuck your virgin ass and make you my anal slut. You are worthy of it.”

“Fuck my virgin ass, Nick, please,” she said. “Make me a slut. Make me your ass whore.”

“That’s what I am here for,” I said as I started pushing into her ass. “Relax your asshole, and have fun.”

Her asshole opened up slowly and let my cock head pop in. She let out a little gasp as her asshole clamped at the neck of my cock, making it twitch and leak inside her virgin ass.

“It’s so big,” she breathed.

“Milk it,” I said as I started to tease her clit with my thumb, making her asshole spasm. “Open up for it.”

She anally milked my cock for a minute, keeping it hard as a rock.

“Now, relax,” I said. “I have more cock to stuff up your horny asshole, the hottest asshole I’ve ever met.”

She relaxed her asshole, and I started to push forward. I continued to tease her clit as I watched my cock advance slowly through the tightly stretched rim of her asshole. I paused once as I passed through each of her two inner sphincters. Finally, my cock was balls deep in her, filling her tight ass to the brim.

“My big cock’s balls deep up your no longer virgin asshole,” I said. “Milk it. Get used to it. It’s going to ream out your asshole like it should. Your asshole was meant to be fucked by my fat cock, wasn’t it?”

“Yes,” she hissed as her asshole twitched involuntarily.

“Your hot ass deserves the best,” I said. “You were meant to be my ass whore, weren’t you?”

“Yes,” she hissed.

As her asshole milked my cock, I could feel my cock ooze fluids deep inside her ass. She was still milking my cock when I started to thrust gently within her. She relaxed her asshole and my cock started to slide in and out, fucking her stretched asshole. I fucked her gently for a few minutes, allowing her ass to open up gradually. Soon, she was able and eager to receive smooth deep thrusts. She moaned, and her asshole milked my cock instinctively. I grabbed her ankles and held them over her head as I proceeded to fuck her ass at a nice easy pace.

“I love fucking your hot ass, Aunt Leanne,” I said.

“Yes, yes,” she gasped, thrusting her ass eagerly. “Fuck it hard, you hot stud.”

She pushed her ass energetically, urging me to fuck her harder as her lust took over her.

“My dirty ass whore’s going to come for me, isn’t she?” I teased as I drilled her ass like a jackhammer.

“Yes, yes,” she gasped.

“She’s going to show me that she deserves to be my ass whore, isn’t she?” I teased.

“Yes,” she hissed.

She did not last for a solid minute under my vigorous thrusts before she broke down in orgasm.

“I am coming hard,” she gasped.

Her asshole opened wider, allowing me to fuck her even harder. Her body convulsed, and she gasped and screamed. I drilled her shaking ass until her orgasm receded. I thrust gently within her while she recovered.

“Congratulations on losing your last virginity,” I said, leaning over her.

“Thanks,” she panted, smiling faintly. “That was incredible. You are the best.”

“You are the hottest and sluttiest,” I said.

Continuing to thrust in her ass, I gave her a deep kiss. She had to break the kiss because she ran out of breath. I slowly withdrew from her ass, letting her asshole plop shut. I climbed astride her and pushed my cock in her face. She hesitated for a split second before opening her mouth wide and letting me sink my cock balls deep in her mouth. I fucked her throat gently for a couple of minutes as her tongue and lips did a wonderful job on my cock.

She got on all fours. Since each of us knew about the video camera, we silently arranged our positions to give the camera the best view. She lowered her head and chest and thrust her ass out in the leapfrog position. I crouched astride her ass and fucked her ass. Since my position was physically demanding, I fucked her ass through another screaming orgasm within ten minutes. When I withdrew from her ass, I got on my knees and turned to the left. She turned around and took my cock in her mouth. I held the back of her head and fucked her throat for a few minutes.

Next, I lay on my back extending my legs towards the camera. She rode me in the anal reverse Asian cowgirl position. I spread her ass and thrust hard in her, making her come within another ten minutes. I steadied her when she turned around into the anal Asian cowgirl position, keeping my cock within her ass. She rode me through another loud orgasm. When she was done coming, she collapsed on top of me. I thrust in her ass gently for a couple of minutes before I picked up the pace, spreading her ass wide with my hands. I fucked her ass hard through a new orgasm. I let her catch her breath before we shared a lewd kiss.

“Are you enjoying yourself as my new anal slut?” I teased.

“Yes, like never before,” she said. “This is the wildest thing I’ve ever done.”

“You have a lot of catching up to do,” I said. “Lie on your stomach.”

She complied, and I, lying on top of her, gave her a slow ass fuck for half an hour. I then fucked her ass hard through a screeching orgasm. I fucked her gently until she recovered and then picked up the pace. In that position, I fucked her ass through two more orgasms.

“I am filling your hot ass with come,” I announced when she was halfway through her last orgasm.

“Yes,” she gasped as I pumped my come into her ass, letting her spastic asshole drain my balls.

She was panting when I pushed my sticky cock in her mouth. She sucked it clean while I swirled two fingers within her come-filled ass. I withdrew my soft cock from her mouth and my come-coated fingers from her ass.

“You are treating me like a real whore,” she smiled before she opened her mouth for my sticky fingers. “I love it.”

“You are my most prized ass whore now,” I said as she sucked my fingers, moaning around them. “You deserve the best treatment. I want you to eat the rest of my come out of your well-fucked ass. I’ll then give you a free refill.”

She smiled as she pushed her fingers into her asshole. I watched her as she lewdly ate my come out of her ass bit by bit. When she was done, I kissed her on the mouth. She stuck her tongue in my mouth, letting me taste my come.

We broke the kiss, and I rolled her over and straddled her face, dangling my hardening cock over her face. She proceeded to suck it. I thrust gently in her mouth, losing my gentleness as my cock hardened. I then fucked her throat.

Next, I arranged her on her knees on the floor and let her lay her chest on the bed, thrusting her ass towards the camera. I crouched over her ass, bracing my hands on the bed. Her asshole was so relaxed I could aim my cock at her pucker and stick it in without using my hands. I fucked her ass in that position for over half an hour, making her come three times before I gave her the promised free refill. I drained my cock in her twitching ass and let her suck it clean.

We lay on the bed, resting, for a few minutes.

“Take a shower, but leave the come in your luscious ass,” I said. “It belongs there.”

As soon as the shower started running, I replaced the video in the camera with a blank one. I put the recorded video in my bag. I also took her panties as a souvenir before I showered.

In the early evening, I was relaxing in bed when my aunt entered my room.

“Are you tired?” she said as she plopped her ass next to me and cupped my crotch.

“Not really,” I said. “I am just relaxing.”

“Do you want to relax or play?” she said as she started to stroke my cock through my shorts.

My cock hardened. I reached between her legs and let my hand climb up her dress. I did not find any panties.

“Why don’t you find out about that?” I said as I tickled her moist pussy with my fingertips, making her gasp.

“I already did,” she said, pulling my shorts and boxers down.

My cock popped up as if to greet her.

“You are a good girl, Aunt Leanne,” I said as I pushed a finger inside her pussy. “I don’t want you to ever wear panties in my presence. Good girls, especially dirty whores, don’t do that around their studs.”

“I won’t,” she said,

She held my cock by the shaft and started to stroke it as I kicked my shorts and boxers off. She got on her hands and knees, her knees next to my right shoulder, and lowered her head over my cock.

“You are too nice to me,” I said as she closed her lips around the head of my cock and sucked it in.

She just moaned.

Her ass swayed left and right temptingly as she sucked my cock. I reached out and flipped her dress over her back, exposing her pussy and ass. I started by feeling up her ass and kneading her cheeks. As her lips traveled up and down the entire length of my cock, taking my cock all the way down her throat again and again, I wet two fingers in my mouth and started to tickle her asshole, making her moan and even gasp around my cock.

While she let me fuck her throat slowly, I toyed with her pussy, getting my fingers wet. I transferred her juices to her asshole, massaging her pucker gently. I then switched my index finger between her pussy and asshole, fingering her holes to the second knuckle. She moaned urgently, sucking my cock harder. I slid my middle finger into her pussy as I popped my index finger up her ass and started to finger fuck her. She came wildly, letting my cock out of her mouth, as I drilled my fingers in and out of her eager holes.

When her orgasm faded, she returned to sucking my cock as I fingered her holes gently. I switched my fingers in her holes and helped her straddle my face. I let my tongue toy with her clit as I resumed fingering her. I pushed both fingers in her pussy and started to lick her asshole, probing the pucker with my tongue tip. Her pussy milked my fingers and leaked around them, soaking them in her juices, as her asshole sucked my tongue tip. I tongue fucked her ass through a second orgasm. I removed my dripping fingers from her drenched pussy and pushed them gently up her ass. I lapped up her juices as I twisted my fingers all the way up her ass.

“Fuck me,” she panted, taking her mouth off my cock.

She maneuvered herself to straddle me in the cowgirl position while I held my fingers within her ass. She let out a long moan as her pussy gulped down my cock in one long stroke.

“You make me want you so bad I should be ashamed of myself,” she said as she rode my cock.

“You are my slut,” I said, fucking her ass with my fingers. “You should never be ashamed of yourself for wanting me; you should be proud. I am proud of you for shedding your inhibitions and letting your unbridled lust take you to extreme pleasure. We should only be ashamed of ourselves for not finding each other long ago. We need to catch up.”

“I guess you are right,” she said. “Speaking of that, what do you have to go home for? You are on a break.”

“Nothing really,” I said. “I just get to lounge around and see my girlfriend.”

“Why don’t you stay here for a week or two?” she said excitedly. “We could fuck and suck all day every day.”

“That’s an irresistible invitation if I’ve ever heard one,” I said. “You are too nice to me.”

“So, you agree?” she said, her face lighting up.

“Do you see me packing up?” I said.

“You are just packing me up,” she smiled.

“Do you know what your reward is going to be for being the sexiest most lustful aunt in the world?” I said.

“What?” she said, smiling.

“I am going to come way deep up your hot ass you’ll be able to taste it,” I said. “Though, you are going to come many times before your reward comes in the end at the end.”

“That would be a great reward,” she said.

“It’s a reward for me as much as it is a reward for you,” I said.

Within the following couple of hours, I fucked her pussy in many positions, repeating a few positions. She came more times than we would care to count. During her last orgasm, I yanked my slick cock from her drenched pussy and shoved it up her ass. When I was all the way up her ass, my orgasm broke, filling her twitching bowels.

“Your ass is very talented,” I said as we lay together to rest. “With good training, it can be perfect.”

“Train me,” she said.

“I’ll train you while I am staying here,” I said. “Taking my big cock up your ass will soon be a second nature.”

“That would be great,” she said.

“You can get addicted to it though,” I said.

“I think I already am,” she smiled.

“Don’t let anyone near your ass until I tell you otherwise,” I said. “You are not ready yet for those animals.”

“Darling, I don’t want anyone near my ass if you’ll always be back there for me,” she said. “Don’t worry about that. You are my anal knight; my ass is yours as long as you want it.”

“I am going to want it for an extremely long time, my anal princess,” I said.

“This is music to my ears,” she said.

“Your orgasmic screams are music to mine too,” I said. “We’ll let your ass rest for a day or so because it’s new to this. Meanwhile, I am not going to let your hot mouth and pussy off my cock.”

“I won’t let you do that either,” she smiled. “If you are not in my mouth, I want you in my horny pussy.”

“That’s where I am going to be,” I said.

On Monday, Aunt Leanne and I sucked and fucked like there was no tomorrow. My cock spent most of the day inside either of her horny experienced orifices or the other.

On Tuesday, my aunt and I were in the master bedroom in bed in sixty-nine by the time Uncle Ken started his car. We used a lot of lube and my cock drilled her ass for a very long time. We fucked in every position we could think of and in every room in the house. She was addicted to my cock in her ass, and we both loved it. From then on, her ass was never empty; it had either my cock or my come inside it.

We fucked daily most of the day. I pretended I did not know when she recorded a few sessions on video.

My aunt left the house on a few occasions, during which I snuck Ashley in and fucked her young ass open and with a sticky inside.

On Saturday, my aunt and uncle left the house in the morning and returned late at night. I had a golden opportunity to dig in the video box. I got a chance to watch the rest of *Orgy 1*.

Later, after the three men fucked my aunt and her lady friend, I received a bigger shock: my mom appeared, making a big entrance. When the camera caught her, she was already riding a man and sucking another. With one hand she held the cock she sucked and with the other she fingered her asshole. The man in her mouth knelt behind her and pushed his cock up her ass. I moved my hand far off my cock not to risk coming suddenly. She came on the men’s cocks and then she sucked them to orgasm. They came on her face and in her mouth. She did not spit a drop. Another woman licked up the rest of come off her face.

After watching that, I put the video back. I sat back and pondered for about an hour. I could not believe that my mom had that private life without my having ever suspected a thing. She was like another person. It looked as if a slut had borrowed her body and used it as her own. My cock had not softened as I wondered. I had to call poor Ashley.

Ashley had become used to taking my cock up her ass, but that day, I fucked her so hard I was afraid I would hurt her. She was a nice girl; she did not understand what was going inside my mind, but she never asked. She took everything I dished out at her considerately, coming time after time. When I let her go, I was surprised she was not perspiring white come. It was a miracle she could walk, but she was happy. That freed me from my guilt.

“You are an incredible girl, Ash,” I said as I walked Ashley to the door.

“You are an unbelievable lover, Nick,” she said.

That night I went to bed before my aunt and uncle returned.

THE CONFESSION

On Sunday morning, my aunt and uncle went to church as usual. My aunt returned alone as usual. She came directly to my room, where I was lying back. She fished out my cock and started to stroke it. I reached between her legs and found her bare pussy. I fingered her pussy while she stroked my cock.

“Last night, we had a sex party,” she said.

“What do you mean?” I said, faking ignorance.

“We had a party where people swapped partners and had group sex,” she said as she straddled me and lowered her pussy on my cock.

“Are you serious?” I said as she started to ride me.

“Yes, I am,” she said. “I fucked five different men, but I missed you. No one was as good as you are. I didn’t let anyone touch my ass because it’s yours.”

“This is a great compliment I am not sure I deserve,” I said.

“I’m sure you do,” she said. “Guess who was at the party?”

“Who?” I said.

“Your mom and dad,” she said.

“You must be kidding,” I said, but I knew she was not kidding at all.

“Oh, no,” she said. “Your mom’s even hornier than I am. I can prove it, but that would be a waste of time.”

“So, my mom had sex with other men?” I said.

“Yes,” she said.

“Why are you telling me this?” I said.

“Because I want to make you an offer,” she said.

“What offer?” I said.

“How would you like to fuck her?” she said. “Your mom’s a hot slut. You’d enjoy fucking her.”

“Are you crazy?” I said. “Do you want her or dad to kill me?”

“Of course not, silly,” she said. “Neither she nor your dad would know about it.”

“How can that be possible?” I asked.

“I’d let her wear contact lenses that would give her blurry vision,” she said. “She’d see you and see your cock but not clearly enough to identify you as long as you don’t talk. You can whisper.”

“Are you sure we can pull that off?” I said.

“Yes, I tried it before,” she said. “She’s on her way here.”

“What is she coming for?” I asked.

“She’s coming to fuck the stud that deflowered my ass,” she said. “She’s the only one who knows about it.”

“Is she virgin back there?” I said.

“Oh, no,” she said. “She’s an anal expert, an anal slut or ass whore as you call it. I am sure you are going to love the feel of her horny asshole on your big cock. What do you say?”

“Let me think about it,” I said, my hard cock twitching.

“I know your answer,” she said. “I can feel it hard and clear inside me.”

“So, what do we need to do?” I said.

“You need to hide in your room until I come and get you,” she said. “I’ll take care of the rest, but first let me come on your cock a few times.”

She lowered her head to my cock. She used my cock to fuck her throat for a few minutes before she straddled me. I fingered her ass with two fingers while she rode my cock with her pussy to a wild orgasm. She moved my cock to her ass and resumed bouncing. Soon, she was convulsing in a wilder orgasm. When she recovered, she dismounted me and got on her hands and knees.

“I want you to come in my ass,” she said, using her left hand to pull her ass open.

Holding her hips, I fucked her through two more orgasms before I pumped my come up her twitching ass.

“Do you want her dressed in anything special?” she said, raising her head after she finished cleaning my cock with her eager mouth.

“Thanks for bringing this up,” I said. “I haven’t thought about it yet.” I paused for a few seconds. “I don’t want her wearing any underwear except a garter belt and sheer stockings. I want her in high heels and satin gloves, dressed elegantly and her hair done in a classy way. I want all that to be black, but I don’t want her pussy and ass covered. The only way to cover them should be to sit down and cross her legs.”

“I think I can arrange that,” she said. “Let me go and get to work.”

She wiggled her come-filled ass out of the door. I could feel my cock pulse in anticipation.

The doorbell rang. Another hour later, my aunt tiptoed to my room and beckoned me. I was naked and my cock was rock hard.

“So tempting, but there is another slut waiting for it,” she said, eyeing my cock. “Come, and get her.”

My cock jumped when I saw mom. She was sitting on the edge of the bed, her legs crossed. She was dressed elegantly as I described. She had a black tank dress the hem of which reached just below her waist. Her deep cleavage was well put on display.

She noticed me coming, but she did not show any sign that she recognized me. I walked towards her and stood before her so that my cock was a few inches off her mouth.

“Kiss it on the head,” I whispered. “Show me that you are as much of a slut as your slut sister claims.”

She leaned forward and laid a gentle kiss on my cock head.

“What’s a gorgeous hot woman like you doing here?” I whispered as I sat next to her. “What are you here for?”

My aunt was already filming the event with her camcorder.

“Sex,” she said lowly, blushing.

“She doesn’t seem to know the terms and conditions,” I whispered to my aunt.

“Tell him very explicitly why you are here?” said my aunt. “Given what he’s going to do to you, you shouldn’t be shy at all. Tell him you want him to fuck you in every hole and use your body however he wishes. You need to tell him that you want to be his slut so that he can fuck you as such. Say it boldly like the slut you are.”

“I want you to fuck me in every hole in my body,” mom said, looking at me, but not really seeing me.

“What holes do you mean?” I whispered, teasing her lips with my fingertips.

“I want you to fuck me in my mouth, my pussy and my ass,” she said. “Make me your slut. Use me like a cheap whore any way you want.”

“That’s my girl,” I whispered, tickling her cheek. “I like a woman who knows what she wants and begs for it so that I can give it to her. Is your pussy as hot and wet as I think it is?”

“Yes,” she hissed, nodding.

“Aren’t you going to spread those sexy legs and let your hot cock-hungry pussy breathe?” I teased, lightly stroking her inner thigh.

She uncrossed her legs.

“You are a tease, Amy,” I whispered. “Spread those legs. You are a slut. Act like one; don’t act like a prim and proper lady. A lady doesn’t take this long drive to get used like a whore.”

She shivered as she spread her legs wider, letting me smell her excited pussy.

“You said you wanted me to fuck your mouth?” I teased, tickling her lips with my fingertips.

She nodded.

She parted her lips when I gently pushed two fingers into her mouth. I worked them slowly in and out. She sucked them playfully, moaning quietly.

“And your pussy?” I whispered, pulling my fingers out of her mouth.

She nodded as I brought my fingers to her pussy.

She trembled when my fingertips touched her wet pussy. I brushed her pussy lips up and down a few times, making her moan, and then pushed the two fingers into her pussy. She gasped as I fingered her hot pussy.

“You have a nice juicy pussy,” I whispered as I used my free hand to guide her left hand to my hard cock. “Do you think it’s going to fit well around my big hard cock?”

“Yes,” she hissed as she started to stroke my cock slowly.

“What about your hot little asshole?” I whispered as I tickled her pucker with my slick fingertips, making her gasp. “Do you think it can swallow my big cock balls deep?”

“Yes,” she gasped as I popped one slick finger into her ass.

“I am sure it’s going to be a thrilling experience,” I whispered, swirling my finger within her asshole. I squeezed a second finger up her ass. “I’ll enjoy stretching your asshole wide enough to be able to swallow my fat cock.”

As I worked my fingers deeper in her ass, I used my free hand to pull her knees up to make her ass more accessible to me. When she knew what I was doing, she pulled her knees up, placing her feet on the edge of the bed.

“You are an accommodating woman,” I said, working my fingers deep in her ass. “You enjoy being my hot slut?”

“Yes,” she hissed as I pulled my fingers out of her ass.

She did not hesitate to suck my fingers when I brought them to her mouth.

“Would you mind if I inspected your pussy and ass before you sucked my big cock?” I teased.

“Not at all,” she said.

Taking her hand in mine, I got up. She lowered her feet to the floor, and I helped her stand up. I turned her around and had her bend over the bed. I knelt behind her and started to knead her ass cheeks.

“Very nice,” I whispered as I pulled her cheeks apart, exposing her asshole utterly. “Your fuck holes are so pretty.”

“Thank you,” she said.

Kneading her ass and occasionally spreading her wet pussy, I spent a couple of minutes admiring her ass and pussy. She moaned and swayed her ass gently. I stood up and started to slap her pussy and asshole with my cock. She gasped. I rubbed my cock head up and down her pussy and asshole, enjoying the feel of her holes and spreading her leaking pussy juices to her asshole. She moaned and pushed her ass back.

“You love cock, bitch?” I said.

“Yes,” she hissed.

She moaned as I rubbed her clit with my cock head. I aimed my cock at her pussy hole and thrust gently. I slowly worked my cock into her pussy, giving her pussy time to wet my cock little by little. I soon held her hips with my cock balls deep inside her pussy. She stiffened and came as soon as I thrust hard in her.

“I am coming,” she gasped.

She writhed wildly. I held her trembling frame tightly and drilled her through her first orgasm.

“You are a cock-craving bitch, aren’t you?” I whispered.

“Yes,” she hissed.

When she recovered, I stopped moving and rocked her ass. She took control and moved her ass rhythmically on her own. I drooled on her asshole and used my thumbs to work my drool inside. She moved her ass faster as I fucked her ass with my thumbs one at a time. She had a harder orgasm within a few minutes. I let her suck my thumbs as I fucked her drenched pussy gently while she recovered.

“Let’s see if your cock-hungry asshole fits,” I whispered.

Drooling on her asshole, I removed my dripping cock from her pussy and pressed its glistening head into her asshole. She groaned as I popped my cock head up her ass. I let her thrust her ass slowly all the way back on my cock. I hardly moved as she started to work her ass back and forth, getting it fucked with my cock. I spread her ass wide and watched. I just enjoyed the view of my cock stretching her asshole tightly and the feel of her anal muscles massaging me expertly as they slid up and down my shaft and milked it. She gasped and moaned as her ass moved faster and faster. Soon, she was shoving her ass vigorously. I steadied her a little to keep my cock in her ass.

“I am going to come,” she gasped as she lost control.

She gasped sharply and started to scream in orgasm. I held her hips and thrust hard in her shaking ass.

“You have a magnificent set of fuck holes, whore,” I whispered as I slowly withdrew my cock from her ass, leaving her asshole with a soft pop. “I guess now we are ready to start our foreplay. My big cock’s ready to be sucked.”

“Foreplay?” she gasped. “You’ve already fucked my pussy and ass.”

“Listen to him,” my aunt said as I sat on the bed. “You haven’t been fucked yet. Get down and suck his big cock.”

Mom obediently knelt down between my feet and lowered her mouth to my cock.

“Good bitch,” I whispered, ruffling her hair.

She teased my engorged cock head with her tongue tip, making my cock twitch.

“That’s it, slut,” I whispered as she opened her mouth for my cock. “Be a good slut and suck it down your throat.”

Bracing my hands behind me, I spread my knees and sat back. Although she could not see me clearly, she looked up at me as she teased my cock head with her tongue and lips a little more. A minute later, her lips closed around my cock head and started to slide up and down but mostly down my hard cock. Soon, her nose touched my pubes as her lips closed tightly around the very base of my cock with the bulbous head well past her throat.

“You are a good slut, Amy,” I whispered. “Don’t stop.”

My cock was rock hard. It oozed constantly as she did every trick in the book on it, trying to impress me. She did everything from nursing my cock head like a little baby to licking my balls with my cock balls deep down her throat. I let her orally toy with my cock and make love to it for about ten minutes, and then I pulled her up.

“You are such a talented cocksucker,” I whispered, bringing my mouth to hers. “You deserve a kiss.”

We kissed deeply. My tongue delved in her playful mouth, and she sucked it. While we kissed, I pulled her astride me and lowered her pussy onto my cock, making her moan in my mouth. I lay back, breaking the kiss, and let her bounce on me. I alternated two fingers between her mouth and asshole. She came, drenching my cock, as I diddled her asshole with my fingers. While she recovered, I gently thrust in her and let her suck my fingers.

Returning my fingers to her ass, I resumed fucking her harder. I continued to switch my fingers between her mouth and ass while I fucked her through another wild orgasm.

As she recovered, I removed my dripping cock from her pussy and gently worked it into her ass, making her moan softly. I pushed my cock all the way up her ass, paused a little before I pulled it out until her asshole closed just past my cock head. I gave her a full deep thrust and then pulled all the way out.

“I had to interrupt you to keep your fuck holes hot and wet because I am going to eat them very soon,” I whispered as I helped her get back on her knees on the floor. “You may resume sucking my big cock.”

She shook her head back and forth, letting my stationary cock fuck her throat as I stood before her. A few minutes later, I stopped her head and held it motionless as I fucked it gently. When I left her head, she kept it still and let me fuck her throat briskly. I occasionally yanked my cock out slapped her face with it.

“Are you ready to drink my come?” I whispered, fucking her throat fast.

She moaned around my cock.

“It’s coming,” I whispered as my cock swelled inside her mouth. “Drink it all.”

She held her head for me as I thrust in her mouth a few times. My cock spewed thick come in her mouth, hitting the back of her throat. When I stopped moving, she started to move her head back and forth, milking my cock in her mouth. When she dropped my cock from her mouth, my balls were completely drained.

“I am going to eat your fuck holes raw,” I whispered as I helped her lie on the bed. “Are they ready?”

“Yes,” she hissed.

Pushing her knees over her head, I lapped up her pussy juices and then licked my way down to her asshole. She gasped as my tongue toyed with her asshole, relaxing its muscles. I soon tongue fucked her ass while she pulled her cheeks apart, moaning happily. I occasionally lapped her leaky pussy. Within minutes, she convulsed in orgasm as her asshole twitched around my tongue in a wild orgasm. I thrust and wiggled my tongue in her ass until she recovered.

While sucking her clit, I dipped two fingers in her drenched pussy. Slick with her pussy juices, my fingers slid all the way up her ass. I twisted them in her ass while I licked her sticky pussy lips. I fingered her ass nearly to orgasm. When I flicked my tongue against her clit, she came. I kept my tongue on her clit while I finger fucked her ass hard.

She sucked my fingers while I guided my cock to her drenched pussy. Holding her ankles against my shoulders, I drilled her pussy to orgasm. She was still panting when I removed my cock from her pussy and slid it up her ass. I thrust in her ass gently until she recovered, and then I returned my cock to her pussy.

For a good while, I just fucked her pussy in several positions. Whenever she came, I switched my cock to her ass and fucked it until she recovered. In the end, she was back on her back, her legs pushed against my shoulders. While she came, I pumped her twitching pussy full of thick come. I continued to thrust in her until both our orgasms died completely. I then collapsed on top of her, kissing her deeply.

“You are still hungry for come, aren’t you?” I whispered as I stirred my come within her pussy with my fingers.

“Yes,” she hissed as I scooped out come on my fingers.

She licked and sucked the come off my fingers hungrily when I brought them to her mouth.

“You can eat the rest,” I whispered, guiding her hand to her pussy. “You are a big slut.”

She lewdly ate my come out of her pussy. When she was done, I gave her a deep kiss. As our tongues wrestled, I tasted my come on her tongue. I straddled her chest and let her lick my cock clean. I turned around, facing her legs, and let her lick my balls. I leaned forward and pulled her legs by the knees. I held her legs by the ankles and stood up on my knees as she continued to lick and mouth my balls.

“Spread your ass cheeks,” I whispered. “Let your little asshole know it won’t be neglected.”

She spread her ass, bending her legs at the knees. I spread her legs and leaned forward, lowering my head to her pussy. By doing that, I let my cock dangle over her face. She started to suck it before I touched her pussy with my tongue. My cock started to grow slowly in her mouth as I licked her wet pussy lips. I watched her pried ass as I probed her pussy with my tongue. I drooled on her pussy. When my trickling drool reached her asshole, I worked it inside with the tip of my index finger. I used that finger to loosen up her asshole and work more drool inside it. Soon, I had both index fingers pumping within her ass and stretching her asshole open. My cock had already been hard enough for me to fuck it gently in her mouth.

My tongue toyed with her clit as my fingers stretched her asshole and my cock fucked her throat. Wrapping my arms around her back, I rolled us over. She sucked my cock while I let my tongue probe her ass. Pulling her cheeks apart, I tongue fucked her squirming ass. She constantly moaned around my cock as I tongued her asshole to orgasm. As she squealed in orgasm, I thrust my tongue as far as I could up her twitching asshole. When her orgasm ended, she took my cock balls deep in her mouth a few times before she collapsed, laying her head on my thigh. As she rested, I held two fingers in her ass and gently licked her pussy juices off

Arranging her on all fours, I grabbed my heavy-duty anal lube. I squirted lube onto her relaxed asshole and worked it inside her ass, adding lube constantly.

“I am going to get you ready for a serious ass fucking,” I whispered, twisting my fingers. “Are you up to it?”

“Yes,” she moaned.

For a few minutes, I reamed out her asshole, adding lube constantly. I applied a thick coat of lube to the shaft of my cock, leaving the head. I wiped her dripping pussy with my cock head, making her jump. I aimed my ready cock at the opening of her ass without touching it. I suddenly thrust forward, driving my cock all the way up her ass in one smooth stroke that made her gasp sharply. She playfully milked my cock as it paused deep inside her ass.

“Is your slutty ass hungry for my big cock?” I whispered.

“Yes,” she hissed. “Please fuck it.”

Her ass was more than ready. I did not bother with taking it gently at first. I suddenly started to thrust hard in her ass. She gasped and fucked back energetically, making sure my cock sank all the way up her ass with every thrust. My balls slapped her sticky pussy lips, making soft clapping noises. I held her hips tightly and delivered a crescendo of fast hard thrusts. She started to tremble and soon convulsed in orgasm, screaming with pleasure. I pounded her convulsing ass vigorously as she writhed in ecstasy.

She lowered her head to the bed and panted for air. I yanked my cock from her ass and shoved it into her drenched pussy, making her gasp. I fucked her pussy gently until she started to fuck back. I removed my cock from her pussy and drove it back up her ass. I let her rock her ass over my cock for a few minutes. Grabbing her, I flipped her on top of me as I lay back. I spread her ass and let her bounce on my cock.

“Ride my big cock, bitch,” I urged.

She soon established a brisk rhythm. I pushed her crop dress over her tits and started to fondle and knead her tits, occasionally pinching her nipples. As our fuck heated up, I started to thrust in her ass while squeezing her tits harder. She quickly came on my cock. I steadied her shaking frame until her orgasm died down, and then I let her collapse on top of me. While she panted, I thrust in her ass gently.

As she recovered, she started to fuck back. I continued to hold her tits while we started a long slow fuck. I enjoyed the way her asshole milked my cock as it pumped it slowly and deeply. We enjoyed that long slow fuck for a while. Our slowly increasing lust started to take over us, making us fuck harder and harder. Before long, she was shoving her ass into my thrusting cock as her orgasm neared. When I pinched her nipples, she screamed in orgasm. I held my pelvis up so that her shaking ass would not slip off and continued to thrust in her twitching asshole.

When she calmed down, I wiped her drenched pussy with my hand and let her lick my fingers. While she sucked my fingers, I rolled us over, getting on top of her. I resumed fucking her ass slowly. Soon, she started to fuck back. She moaned and milked my cock as it slowly skewered her ass repeatedly. We enjoyed that slow fuck for almost half an hour before we started to lose control. She pushed her ass out, and I drilled it vigorously until she came.

“I am filling your hot ass with come, bitch,” I whispered as she screamed in orgasm.

My twitching cock spewed thick come up her twitching bowels. We thrust into each other until we were drained.

After resting for a couple of minutes, I let my soft cock slip out of her ass. I raised my hips and pushed two fingers into her come-filled ass. I scooped out a lump of fresh come and brought it to her mouth. She hesitated for a second before opening her mouth and sucking my fingers in. While she lewdly licked my come-coated fingers, I rolled her onto her back. I removed my fingers from her reluctant mouth and dangled my sticky cock over her face.

She cleaned my sticky cock thoroughly, and I then lapped up her copious pussy juices. I lay back and let her suck my cock back to life while I fingered her pussy and asshole. When my cock was hard again, I pulled her off the bed and bent her over the windowsill. I licked her asshole, leaving it soaked in drool, and then impaled it with my cock. She moaned and fucked back eagerly while I held her hips tightly and fucked her horny ass through a wild orgasm. I removed my cock from her ass and soaked it in her pussy before I nudged her shoulders down. She sucked it clean.

Holding her head to keep my cock in her mouth, I arranged her on all fours on the floor. On my knees, I continued to hold her head as I fucked her throat for a few minutes, occasionally dipping my fingers in her pussy and fingering her asshole to transfer her juices to her ass.

She reluctantly let me take my cock out of her mouth. I lay on my back and let her ride me in the Asian cowgirl position and then the reverse cowgirl position through a couple of wild orgasms, drenching my cock. When she recovered, she mounted me in the sixty-nine position. She cleaned my cock while I licked her pussy and loose asshole.

For the finale, I arranged her on her knees on the floor and let her rest her head and chest on the carpet in the leapfrog position. I had her reach back and spread her ass as I probed her asshole with my tongue. I sank my cock in her pussy, drooled on her asshole and then pushed my cock into her ass. I thrust in her ass for a few minutes and then pulled out, letting her asshole gape for the very first time. I drooled in her open ass and resumed fucking her ass. I fucked her ass almost to orgasm and then yanked my cock out, letting it gape. I repeated that, nearing orgasm myself.

“I am going to come, bitch,” I whispered.

“Come in my ass,” she gasped.

Just as my cock swelled and started to twitch, I yanked it out and let it spurt its first come jet through her open asshole. I thrust my pulsing cock all the way up her ass, triggering her orgasm. As she screamed and shoved her ass back, her desperately sucking asshole took care of draining my balls. I moved her hands off her ass and let my cock soften within her ass while she milked deliberately. I finally let my cock slip out of her slimy ass. Her asshole closed gently. She turned around and cleaned my sticky cock with her mouth. I knelt before her and we kissed deeply.

“You are one of my best sluts,” I whispered, breaking the kiss. “I want to fuck you again soon.”

“Me too,” she said.

“I don’t want you to ever wear panties,” I whispered.

“Okay,” she said.

“I want you to drive home dressed like this,” I whispered. “Your bare pussy sticky and your bare ass full of my slimy come. You can take your clothes with you to change in the garage but not before. Can you do that for me, bitch?”

“Yes,” she smiled mischievously.

“You are a good girl,” I said, giving her a gentle kiss on the lips. “Good girls make great sluts.”

My aunt put the camera aside. She gave mom her clothes and led her out of the room. A minute later, I could hear mom’s car start and drive away, taking my come home in my ass. I lay back on the bed.

“She liked you so much,” said my aunt said when she returned. “I’ve never seen her act this shamelessly.”

“It had to be worth her while,” I said. “You didn’t expect me to give my slut mom anything less, did you?”

“No, but you exceeded her and my expectations,” she said. “While watching you do that, my pussy juices leaked down my thighs. I need some of your cock bad.”

“Of course,” I said, pulling her to me. “You deserve to be rewarded for masterminding this wonderful tryst.”

She mounted me in the sixty-nine position and proceeded to suck my soft cock back to life. I watched her leaky pussy and horny asshole sway and dance before my eyes as my cock hardened in her mouth.

THE ORGY

Within an hour, I fucked my horny aunt in every hole in her body. I made her come several times and, in the end, dumped a fresh come load in her eager ass.

“I want to take you to one of our orgies,” she said as we rested. “There you can fuck a number of horny married women, including your mom and me.”

“How can I get away with that when everybody knows who I am?” I said.

“Let your beard grow and don’t let Ken see you,” she said. “I’ll take care of the rest. No one will know who you are, not even your own mom.”

Throughout the week, she trained me to change the sound of my voice. I practiced my new voice and squinting while fucking her. I would also try not to talk much in the party. On the following Saturday, she wiped out all my body hair. She died my head hair, eyebrows, moustache and beard blonde and made my head hair curly. She also had me wear blue contact lenses. When I looked in the mirror, I almost could not recognize myself. She finally dressed me in new clothes, not in my style, and drenched me with a cologne I had never used.

“Now, you can fuck your own mom before your own dad in broad daylight, and no one will suspect a thing,” she smiled proudly. “Try to walk in a different way too.”

“I am really proud of you,” I said. “You are too good to me.”

“You are too good to me too,” she said. “Tonight, we are going to fuck with your uncle’s blessing.”

After we agreed at a time and place for my aunt and uncle to pick me up, I went out. I could only think about getting to fuck mom while dad watched.

My aunt and uncle picked me up on time. She introduced me to her husband as Mick. We drove for twenty minutes before we arrived at a large house with a few cars parked in the front.

When the door opened, we were greeted by a brunette wearing a thong. She had nice tits. She hugged Aunt Leanne and Uncle Ken. They called her Marge.

In the living room, a man was eating a blonde on a couch. There was also a brunette sucking a seated man. Another lonely man had his hard cock out.

“This must be Mick,” she said, shaking my hand. She hugged me, pressing her big tits into me. “I am sure Leanne wouldn’t mind if I took you on a tour of the house. I am Marge, your hostess.”

Before I could talk, Marge took me away.

“Leanne, I was sucking Ed,” she said, pointing to the lonely man. “Please take over.”

“Sure,” my aunt said as she rushed to the man.

“This is Ed,” Marge said, pointing to the man my aunt knelt before. He nodded. “Those are Frank and Mary,” she said, pointing at the seated man and his cocksucker. Frank nodded and Mary waved with her hand without taking her mouth off his cock. “This is Carol, Frank’s wife, and Phil, Mary’s husband,” she said, introducing the blonde and her pussy licker. They both waved. “This is my husband, Ron,” she said, introducing a man who had just knelt behind my aunt. He smiled and nodded.

Before Marge and I started climbing the stairs, my aunt was on her knees sucking Ed’s cock. Ron was getting ready to fuck her.

Marge led me to the bedroom.

“This is the master bedroom,” she said as she switched the lights on and locked the door.

She smiled at me mischievously as she wiggled out of her panties. She turned around and deeply bent over, spreading her cheeks with her hands.

“Do you like my house?” she said, looking at me from between her legs.

“You have a very beautiful house,” I said, trying to change my voice.

“Thanks,” she said as she stood up. “Now, I want to see yours.”

She knelt before me and proceeded to undo my pants. My cock, already hard, popped in her face. She smiled and then took it in her mouth. She let me step out of my pants and briefs while sucking my cock.

“Very nice,” she said, taking her mouth briefly off my cock.

She sucked me eagerly, letting me fuck her throat. After a few minutes, she got up and lay on the bed.

“Why don’t you help yourself to a tour of my house,” she said, spreading her legs.

“This is a playhouse, not a normal house,” I said.

“Play with it,” she smiled. “It loves big cocks.”

“Are the rooms narrow?” I teased.

“They are narrow and hot,” she said. “They are without A/C.”

Smiling silently, I climbed onto the bed. I gave her two fingers to suck and then took them to her pussy. I teased her wet pussy and then proceeded to fuck it with my fingers while I kissed her deeply. When I broke the kiss, I went after her erect nipples. I switched my mouth from one sweet nipple to the other until she came on my fingers.

“My house likes you a lot,” she gasped.

When she recovered, I let her suck her juices off my fingers. I climbed on top of her and proceeded to fuck her hard to a hard orgasm. While she recovered, I pushed her legs over her head and resumed fucking her pussy to another wild orgasm. I pulled my dripping cock out of her pussy and pushed it into her mouth. She sucked my cock eagerly, letting me fuck her throat.

Pushing her legs back over her head, I dove between her thighs. I ate her pussy to orgasm and rolled her over. I licked her asshole to a wilder orgasm while I let her pussy milk two fingers.

The lube was deliberately made obviously available. I grabbed the bottle and poured lube in my hand. I let my excessively lubed fingers tease her asshole a little before starting to probe her rectum, working the lube inside. She moaned, pushing her ass up. I laid my right hand under her pussy and fucked her ass with two fingers of my left hand. The pace continued to build up until I was vigorously drilling her ass with my fingers. She groaned constantly and pushed her ass back for more. She soon came in my palm. I let her lick her juices off my right palm.

“I am going to enter your hot house through the backdoor,” I whispered, straddling her ass.

“Yes,” she hissed. “That’s what it’s there for.”

She sucked the fingers of my left hand as I used my right hand to guide my cock into her ass. She let out a long moan around my fingers when my cock head popped through her sphincter. Leaning over her, I rode her ass.

“Fuck my horny ass with your big cock,” she gasped.

She had a wild anal orgasm, and I fucked her ass in different positions, making her come every time before switching positions. In the end, she was lying prone as I drilled her ass to her last orgasm. While she came, I pumped my thick come way deep up her sucking bowels. I slowly withdrew from her ass, giving her muscles enough time to contract shut. I rolled her over and let her suck my sticky cock clean. I rolled her over again and pushed two fingers up her tender asshole. I swirled my fingers within her, scooping a lump of come. I brought my come-covered fingers to her mouth. She hesitated a little before she smiled mischievously and sucked the come off my fingers.

“That was wonderful,” she hissed, rolling on her back. “You are a horny and a dirty fucker.”

With a silent smile, I kissed her deeply. I left her lying on the bed and left the room, returning to the living room.

In the living room, my aunt was getting fucked doggy style as Uncle Ken filmed the action. A woman was sucking his cock. Mom, who had obviously arrived while I fucked Marge, was riding a man’s cock while a brunette rode dad’s cock. Carol was now sucking a man’s cock. She was bent over and her pretty ass was presented sexily in my direction.

“Now that everybody has arrived, let me introduce you to the rest,” said Marge, appearing suddenly. “Everybody, this is Mick, a first-timer here that we would love to have every time.”

A cloud of nervousness came over me when mom and dad looked at me. I calmed down when mom smiled and dad nodded. Everybody else nodded or waved.

“Let me introduce them all,” continued Marge. “My husband Ron, Carol and Frank, Mary and Phil, Amy and Dan, Leanne and Ken of course, Barbara and Bob, Heather and Joe, Sarah and Jerry, Lydia and Jeff and, last but not least, Helen and Ed. We don’t usually have any singles, but someone like you will always be welcome.”

Marge had to look through bodies in different sexual positions as she introduced everybody, searching for their spouses. I recognized Barbara, Helen and Lydia from our neighborhood. I had never thought I would ever see them suck and fuck, not to mention having a shot at them although I had fantasized about that more than a few times.

“Thanks,” I said.

Carol’s asshole looked clean and delicious. I bent over her ass and proceeded to lick her asshole. She gasped at the sudden touch and looked back at me. She smiled and then resumed sucking Joe’s cock. I fingered her pussy while loosening up her asshole with my tongue. I poured lube on her asshole and proceeded to probe it, gently at first.

Minutes later, she came loudly on my fingers as I drilled each of her nether holes with two fingers, stroking my cock with my free hand. I was vaguely aware of others watching me.

Carol was still panting when I inserted my cock in her drenched pussy. I let her suck my fingers while I held her hip with my free hand, feeding the rest of my cock to her pussy. I gripped her hips with both hands and gave her a hard fuck that hardly let her suck Joe’s cock perceptibly. She came hard on my cock within two or three minutes.

“You are incredible, Mick,” she gasped.

She had hardly finished twitching in orgasm when I pushed my dripping cock into her asshole, making her moan. She held her breath while I gently but firmly pushed my cock up her ass, holding her hips. When I was balls deep up her ass, she looked back at me with a faint smile. We kissed deeply, and then she resumed her pathetic cock suck. Her asshole was tighter than Marge’s, but I was about to loosen it up for her.

“Fuck my horny ass, lover,” she gasped.

“You got it, bitch,” I whispered.

Holding her hips, I moved her back and forth, making her fuck her ass with my cock. She took over getting her ass fucked, and I played with her tits, making her gasp and twitch. As our fuck heated up, I grabbed her hips and pounded her ass. Within two minutes, everybody in the room was looking at us as she screamed her orgasm, shoving her ass back like a woman possessed. I drilled her twitching ass until she stopped moving. I finally withdrew from her happy ass and let her suck my cock. She did that obviously much better than she had sucked her poor partner.

After she finished cleaning my cock, I walked away. Marge was on her knees sucking Ed’s cock.

“You made quite an impression, pounding Carol’s ass to pieces,” said Aunt Leanne, stopping me.

She squatted before me and deep throated me while fingering her pussy.

When I saw mom on her knees sucking Frank’s cock, I gently pulled away from my aunt and went after mom. I lubed two fingers in mom’s pussy and used them on her asshole while I fingered her pussy with my free hand to a wild orgasm. Frank’s cock muffled her screams.

When I reached out for the lube, Barbara smiled at me and took the lube from me. She proceeded to lube my cock for me. I arranged mom’s position to make her ass accessible to my cock. Barbara guided my cock into mom’s asshole. She held my cock as I pushed it into mom’s ass and let go when my cock head popped in.

Pulling mom into me with one hand, I cupped Barbara’s pussy with the other and fingered her while I kissed her thanks. Mom thrust her ass gently over my cock. Barbara pulled back and watched us. I held mom’s hips with both hands and pulled her firmly over the rest of my cock, making her groan, spitting the man’s cock out of her mouth. She sucked his cock back in as I proceeded to fuck her ass. I noticed dad filming the action.

“Your husband’s watching the action, bitch,” I whispered.

“Yes,” hissed mom.

She milked my cock expertly as she sucked the other cock. After about ten minutes of enjoying her hot ass, I stepped up my pace and made her have a hard loud orgasm. I fucked her ass gently while she calmed down.

“How about a sandwich?” suggested Frank, looking at me.

My answer was a silent smile.

Mom let Frank’s cock go. She parted her knees to make room for him. Frank slipped under her and she lowered her pussy onto his cock. I felt his cock slide into her pussy as it pushed against mine through the thin membranes separating them. She leant forward, and I grabbed her tits. We established a rhythm quickly. The two of us thrust at the same time and pulled out at the same time, giving her maximum impact. She went wild, especially as I pinched her nipples and squeezed her tits. Dad intently followed our session as mom’s moans and gasps filled the room. Our pace built up harmonically as the heat of the fuck continued to rise.

In the end, the pace was so fast we could no longer stay in sync, but, fortunately, she was on the verge of orgasm. As I drilled her ass, she started to convulse. I used her tits to steady her as she screamed in orgasm, shoving her twitching ass wildly into me. She gently ground herself into the two hard cocks inside her as she recovered. I gently plopped my cock out of her ass and got up, thrusting it in her face. She eagerly sucked my cock deeply. As I moved away, she dismounted the dripping cock in her pussy and proceeded to suck it clean.

“I want a piece of you too,” said Aunt Leanne, stopping me.

Aunt Leanne knelt before me and started to suck my cock. Meanwhile, mom made Frank come in her mouth and swallowed his come. After sucking me for a few minutes, Aunt Leanne got up and led me away by my hard shaft. I wet a finger in my mouth and used it to finger her asshole while we walked away to a private bedroom. Uncle Ken followed us with his camcorder until mom stopped him.

“Give me that, and go have fun,” mom said to Uncle Ken. “I’ll take care of it for you.”

It was imperative that neither Uncle Ken nor anyone else, besides mom, would know that my aunt took it up the ass yet. My thoughtful mom knew that her sister would want me to fuck her ass silly in private.

“Thanks, Amy,” Aunt Leanne said to mom as Ken walked away, leaving the camcorder with mom.

“Sure thing,” said mom. “I wouldn’t want you to miss a thing, little sister.”

My aunt led me to the master bedroom, where we started with a wild sixty-nine. She deep throated my cock while I licked and fingered both her nether holes. Next, I fucked her pussy doggy style while working my thumb within her ass. When she came, I thrust my dripping cock in her ass while she was still coming. That sent her into a hard screaming orgasm. I continued to drill her ass vigorously until she came again. I thrust gently within her ass while she recovered. She turned around and sucked my cock.

Lying on my back, I let her take the initiative. She straddled my cock and started riding. She broke a good sweat, bouncing her ass on my cock through two orgasms. She was so tired I had to step in and thrust hard in her ass while she came. We kissed while I fucked her ass gently.

My aunt got on her knees, laying her head and chest on the bed, and thrust her ass out in the leapfrog position. I crouched astride her and proceeded to pound her ass. My balls spanked her sticky pussy loudly. We both came finally. Her asshole sucked my cock wildly as it twitched, spurting come deep inside her thirsty orifice.

After she drained my balls in her ass, she sucked my cock clean. I reached inside her ass with two fingers and scooped out a lump of come, which she licked eagerly. I scooped another lump of come and fed it to mom, who sucked it off my fingers without any hesitation.

Leaving the two sisters in the room, I rejoined the party. I sat back on a couch while Helen and Mary sucked my cock back to life. Helen squatted on my cock and Mary squatted on my face. They respectively rode my cock and tongue to orgasm. They switched places, and I fucked Mary while I rimmed Helen and fingered her pussy.

After they both came, Mary lubed my cock, and Helen sat in my lap, engulfing my cock in her ass. While Helen fucked her ass on my cock, I kissed Mary and fingered both her holes. When Helen approached orgasm, I focused on her. I held her hips and drilled her ass hard, giving her an orgasm that echoed throughout the house. I had her suck me after she popped her ass off my cock. She walked away on wobbly legs, and Mary took her place, sucking my cock.

Mary lubed my cock and sat on it. She bounced on it for a couple of minutes before I maneuvered us into the doggy position. I fucked her ass at an easy pace for a few minutes and then stepped up the pace. She screamed in ecstasy within two minutes. When she collapsed, I rolled her over and fed her my cock.

Barbara joined me before I could catch my breath. She pounced on my cock and proceeded to suck it eagerly. I pulled her onto the sofa and started to finger her pussy and ass. I made her come with one finger in each hole. I removed my fingers from her holes and sucked them before I pulled her astride me.

She gasped as her pussy swallowed my cock in one big gulp. I held her ass and proceeded to bounce her on my cock. I had her suck two of my fingers while I massaged her asshole with my free hand. I took my slick fingers behind her and gently pushed one and then both into her ass. With her pussy sliding briskly up and down my cock and two fingers pumping her ass at the same pace, she came within a few minutes, drenching my cock in her juices.

She ground her pussy into my cock for a minute while she recovered. I removed my cock from her pussy and pressed it into her asshole. She took a deep breath as her asshole dilated and swallowed my cock head. She gently thrust her ass the rest of the way down my shaft. She rode my cock slowly as her asshole got used to the wide stretching. I spread her ass wide and sucked her nipples. Her pace quickened gradually. I let ride my cock for several minutes.

When her orgasm started to build up, I gripped her ass and bounced her faster. With my mouth sucking her nipple hard, her asshole soon twitched around my cock in a loud orgasm. I bounced her on my cock until she went limp. I helped her dismount me and guided her head to my cock. She sucked my cock deeply and cleaned it thoroughly.

Barbara was still sucking my cock when Sarah got on her hands and knees on the sofa and fingered her own ass.

“Please fuck my ass,” begged Sarah, looking back at me as she twisted her fingers within her asshole.

Barbara grabbed the lube and proceeded to lube my cock. I knelt behind Sarah and Barbara guided my cock into Sarah’s asshole. I pushed my cock into Sarah’s ass and proceeded to fuck her. She fucked back urgently.

“You are a dirty bitch, aren’t you?” I said, fucking her ass hard.

“Yes,” she hissed.

She gasped constantly. She was so horny she had a hard orgasm within a couple of minutes. She was so loud she drew all the attention to us. Out of mercy, I fucked her through another equally wild orgasm.

While she recovered, I dipped two fingers in her drenched pussy and had her lick them clean before I pulled out.

While Sarah sucked my cock clean, Lydia and Heather lined up: one blonde and one brunette. When Sarah pulled away, my new partners knelt down and started to suck my cock. I let them suck it for only a few minutes. I then sat them back next to each other and had them pull their legs over their heads. I fucked Heather and then Lydia both to orgasm. I dipped two fingers in each of their wet pussies and used my slick fingers to probe their assholes.

“You want it in your cock-hungry asses, you dirty whores?” I whispered.

“Yes,” they hissed.

Barbara lubed my cock while I reamed out the others’ assholes. I arranged Heather on her knees on the sofa and arranged Lydia on top of her in the spoon fashion such that both their asses were accessible. Barbara guided my cock into Lydia’s ass. I slid it in and proceeded to fuck Lydia’s ass. I was soon drilling her hard to a screaming orgasm.

Before Lydia could recover, I yanked my cock out of her ass, replacing it with my thumb, and shoved my cock into her drenched pussy. Barbara then guided my dripping cock into Heather’s ass. Within several minutes, Heather screamed in ecstasy. Having fucked every woman in the house in every hole, I thought it was about time I came too. I let go, allowing my cock to spurt a couple of come jets deep in Heather’s twitching ass. I immediately squeezed the base of my cock and switched it quickly into Lydia’s ass, pumping the rest of my load up her asshole. I thrust in Lydia’s ass until my balls were drained. She deliberately milked my softening cock with her asshole.

Using my index finger, I scooped some come out of Lydia’s ass and had her lick it off my finger. I did the same to Heather. Both teamed up on my cock and sucked it clean.

Resting on the sofa, I thought I was done for the night, but mom did not share that opinion. She knelt between my knees and proceeded to suck my cock. A few minutes later, my cock was as hard as a rock. She deep throated me for a couple of minutes and then pulled her mouth away. She stood up and took my hand.

“I am not done with you,” she said, leading me away.

Aunt Leanne took the camcorder from dad and followed us to the master bedroom. There, mom sucked my cock again. I ate her pussy and asshole, fingering her through two orgasms. She lubed my cock well and got on her hands and knees. She used her slick fingers to finger her asshole for a few seconds just to make sure it was ready. She removed her fingers from her ass and thrust her ass out in a clear invitation.

Naturally, I could not miss an opportunity like that to dive with my tongue between those lovely round cheeks. I rimmed her asshole to the point where I could tongue fuck it with the tip of my tongue while working two fingers in and out of her wet pussy. I poured lube on her asshole and used one and then two fingers to work the lube deep inside her ass; she was in for a long workout. She moaned, humping her ass back.

“I am going to fuck your hot ass open, bitch,” I whispered.

“That’s exactly what I want you to do lover,” she moaned.

When I popped my cock in her ass, she gasped like she had not been fucked up the ass in ages despite having been fucked up the ass twice while I fucked other women. During one of those times, she was sucking dad. The other time, Uncle Ken fucked her ass violently while dad filmed the action with his cock in Aunt Leanne’s mouth. Anyway, I leaned over her and drove my cock all the way up her ass. I proceeded to fuck her at an easy pace. We took turns thrusting into each other. Although we tried to have a leisurely ass fuck, our pace gradually accelerated to a feverish level. I thrust in her ass from above as she convulsed in a wild orgasm, screaming. I continued to thrust in her ass but at a slower pace until she picked up the pace again. A few minutes later, I grabbed her tits and pulled her upright with me. On our knees, we thrust into each other, getting her ass fucked deeply. I fondled her tits and toyed with her nipples gently at first. I squeezed her tits harder as our pace picked up. She was soon groaning and screaming as she shoved her ass back uncontrollably in an intense orgasm.

We slowed down, recovering our energy. Next, I lay back, pulling her on top of me. She bounced her ass as I drilled it from below. I occasionally fondled her tits and toyed with her drenched pussy. I squinted and made my lips crooked so she would not recognize me. I let her suck my dripping fingers after I took them out of her pussy. Spreading her ass, I helped her bounce it wildly until she convulsed in orgasm. She screamed as I steadied her while drilling her twitching ass from below. When her orgasm died, she collapsed on top of me. I thrust in her gently.

Wrapping my arms tightly around her, I rolled us over, getting her on her stomach and myself on top of her. I raised my hips up and she started to thrust up, getting her ass fucked. I held my cock above her ass for her until she tired. I lowered myself onto her and proceeded to fuck her ass at a slow pace, enjoying the way she milked my cock. Meanwhile, I nibbled her earlobe and shared a few deep kisses with her. I loved fucking her like that because she could not see me. After about twenty minutes of that, I guided her hands to her ass, raising my pelvis slightly.

“Spread it wide, dirty whore,” I whispered.

As she pulled her cheeks apart, I slowly withdrew from her ass. My cock popped out of her ass, leaving it agape. I drooled inside her open ass and gave her asshole a long deep kiss. I broke the kiss and drooled inside her open ass. Propped on my arms, I returned my cock to her ass and thrust deep in her ass, rubbing my drool into the inside of her ass. I fucked her hard for several minutes while she opened her ass for me.

Later, I popped my cock from her ass and brought it to her mouth, sitting before her as I laid my legs on either side of her head. She smiled up at me as she opened her mouth and sucked my cock all the way in. I bobbed her head on my cock for a couple of minutes and then gave her a few more minutes to leisurely worship the cock that had reamed out her asshole thoroughly. Next, I climbed on top of her and resumed fucking her ass. I gave her room to fuck back and pick up the pace. I soon hammered my cock into her ass, making flesh-slapping noises. Gasping, she shoved her ass up for more but could not last long. She groaned and screamed as her orgasm hit her. I drilled her spastic asshole vigorously until she went limp.

We rested a little while I thrust gently in her ass. I then rolled us onto our right sides. She pulled her knees up and I fucked her ass very deeply. This was a hard fuck with slapping noises from the start. I kneaded both her tits with my left hand while I drilled her ass through a loud fuck. She soon screamed in orgasm as I pounded her writhing ass.

“Are you having a good time, my dirty whore?” I whispered.

“Oh, yes,” she gasped. “Nobody else has ever fucked me like this.”

“Enjoy it, bitch,” I whispered. “You are an incredible slut yourself.”

“You are the best, Mick,” she gasped.

Keeping my cock in her ass, I rose to my knees. I rolled her onto her back and pushed her legs over her head. I hid most of my face behind her legs as I proceeded to pound her ass through another wild orgasm. Her pussy was so wet I had to dip my cock in it before shoving it back all the way up her ass to make use of her precious juices. Her leaking juices lubed my cock while I drilled her ass through its next orgasm in that position.

We concluded our epic fuck in the leapfrog position. I banged her ass to a wild orgasm and then pumped my come deep into her twitching bowels. By the time her asshole drained my balls, she was flat on her stomach. When our orgasms died, she deliberately milked my cock. I lay on top of her, resting for a minute, and then pulled my softening cock out of her ass. I wet two fingers in her drenched pussy and used them to ladle a scoop of come. Her tender asshole opened willingly as I pushed my fingers in. She did not hesitate to suck my fingers clean. I rolled her over and straddled her face. I let her clean my sticky cock thoroughly with her mouth. She licked my balls too.

When we were done, I hopped off the bed and pulled my underwear and pants on.

“Bye, my hot sluts,” I said lowly, leaving the room.

Aunt Leanne followed me. She returned the camcorder to dad and then put her clothes back on. The hosts and guests were drinking and talking. No one was fucking anymore. We thanked everybody and left.

My aunt and uncle dropped me off where they had picked me up earlier. I walked to the house and snuck in. My aunt gave me enough time to shave my moustache and beard and shower before she came to my room.

“You made me proud,” she said. “Every slut loved your big cock, especially your mom and I.”

“I had a great time too,” I said. “I’ve never fucked so many women in the same night.”

Fucking mom was the highlight of the party. I just wished I could look in her eyes as I fucked her, but I did not want to risk getting my identity disclosed.

“Did you like that?” she said.

“Yes, it was a lot of fun, but I prefer to fuck one or two women all night long,” I said.

“I am one woman, but I am fucked out for tonight,” she smiled. “We have to do it tomorrow in the day before your mom comes to pick you up.”

“Don’t worry,” I said. “I am also drained. I need at least an hour to recuperate.”

“I need longer than that,” she smiled. “I have to go. I need to hide the tape your mom shot tonight. Good night.”

“Good night,” I said.

Everybody slept late, including me. As soon as Uncle Ken left, my aunt dyed my hair back in its original color. She attacked me as if it was the last fuck of her life, except that it was more than one fuck. As a goodbye and a token of thanks and appreciation for all what she had done for me, I pumped two come loads in every one of her horny fuck holes. She appreciated that.

SNOOPING AT HOME

In the late afternoon, mom picked me up, and we drove home. Before leaving, I made sure I had the three unique videos filming the anal deflowering of Ashley and my aunt. Those were priceless.

On the way home, mom looked prim and proper as if she was a completely different person from the slut whose horny ass I fucked to pieces just last night. I really wanted her to know who I was the next time she came ecstatically with my cock thrusting deep in her ass. While we walked to the car earlier, I paid enough attention to confirm that she was not wearing any panties.

“What are you thinking about?” she said.

“I was thinking about you,” I said truthfully. “I missed you and missed dad and Alex, but I missed you most. You look glowing today.”

“Yes, we were at a party, and I had a great time last night,” she said.

Had I not fucked all her holes last night, I would have never guessed what kind of party it was.

“Me too,” I said.

“What did you do last night?” she asked innocently.

“Just like I have been doing almost every day here,” I said. “Last night was just special somehow.”

“So did you enjoy staying at your aunt’s?” she said.

“Yes, I loved it,” I said. “I should be visiting her often.”

“Just let me know whenever you want to,” she said.

“Thanks, mom,” I said. “You must be the best mom in the world in every way.”

“Thanks, darling,” she said. “You are a nice kid too.”

“Am I the best or just a nice kid?” I said.

“You are the best to me,” she said.

My cock was so hard I almost felt guilty for the way I was thinking about her, but after sampling her charms first hand, there was no softening my cock. It wanted more of her hot holes.

On Monday morning, everybody was out, including Alex. I knew that the video my aunt shot of me fucking mom was at home. There had to be others too. It was about time I found out. I also made a note to check out my dad’s computer since I knew we had a fine digital camera. I would probably need to download a good chunk of his hard disk onto mine or other media. My previous experiences with my aunt and mom, especially in the party, decreased the shock value of my prospective findings, but I was curious and had the opportunity to dig.

Learning from my experience at my aunt’s house, I started with the walking closet in the master bedroom. Since my parents’ walking closet was bigger than my aunt’s, my parents had a fire-resistant cabinet installed. I had seen it before but I had never suspected anything. Unfortunately, it was locked and its key was nowhere to be found. I thought it could be stored in the office. I went down to my dad’s home office and started searching. There, I came across a fire-resistant box in his desk. It was unlocked. Inside it, I found a bunch of documents and a few keys. The cabinet key looked different. When I saw it, my cock started to pulse. I took the key and went back to the closet.

The cabinet was big. Dad’s video library was huge, containing videos of different formats. Some videos were labeled explicitly, such as *First Anal 4/7/79*; *First Threesome 9/17/83*; *First DP 11/12/83*; and some held normal labels, such as *The Burns 3/9/85*. I naturally planned to watch everything in the cabinet, but what piqued my interest was the huge number of compact discs in the cabinet. The compact disc label that interested me most was *Leanne’s Debut 12/25/99*. My sister and I spent that Christmas at my Aunt Michelle’s to enjoy a white Christmas. My parents apparently took advantage of our absence and had a blue Christmas. That turned out to be a four-disc package. I took it, returned everything like I had found it and went to my room.

My cock was still hard when I turned my personal computer on and waited for it to come up. The compact disc had a digital movie. I started it. It started with mom, standing with Aunt Leanne.

“This is my sister Leanne,” giggled mom, making my aunt blush. “I will now get her ready for my husband. Her husband’s waiting to see her get seduced and then fucked silly.”

The camera was left on a stand as mom took my aunt’s clothes off and dressed her in a white lacy thong panty and a black little dress that showed her cleavage and legs. She also let her wear a red garter and black high heels.

They giggled, and mom teased my aunt a lot while she got her ready. Finally, my aunt left the room, followed by my mom, holding the camera. My aunt stopped at the top of the stairs and mom went all the way down, panning across the living room where dad and Uncle Ken waited.

“Now, I proudly present Leanne, the Temptress,” laughed mom.

Aunt Leanne stepped down the stairs, blushing, as dad whistled appreciatively. Mom apparently gave the camera to Uncle Ken. She appeared in the scene. She led my aunt to dad.

“Sit in his lap,” whispered mom.

My aunt complied, blushing. Dad put his left hand on her left knee and wrapped his right arm around her.

“You are ravishing tonight,” whispered dad.

“Do you know how to tell whether he’s honest?” said mom.

“How?” my aunt said lowly.

“You can feel how hard he is under your butt,” laughed mom.

“He’s very hard,” gasped my aunt.

“I can tell that your husband likes what he can see,” said mom from behind the camera. “I can feel it.”

Dad started to rock my aunt gently. The camera zoomed in on my aunt.

“Spread your legs,” directed mom. “Show the camera your wet panties. I am sure they are wet already.”

Dad helped my aunt spread her knees and show her white panty crotch. He continued to rock her in his lap and she seemed to enjoy it.

Mom intervened, taking my aunt’s hand. She pulled her to her feet and then sat her next to dad. She pulled dad up and turned him around, pushing his bulging crotch in my aunt’s face. My aunt was too shy. Mom took my aunt’s hands and put them on his belt buckle. My aunt hesitantly unbuckled his belt and pulled down his pants and boxers, letting his cock pop in her face. Mom pushed my aunt’s head forward towards his hard cock. My aunt started to suck his cock tentatively. She soon got used to the situation and started to suck deeper.

“Suck his big cock, you little cocksucker,” encouraged mom. “Show your husband that you can handle big cocks.”

Mom helped dad step out of his pants and boxers before she walked towards the camera. She went down, disappearing from view. Later, the camera showed her sucking Uncle Ken’s cock. Meanwhile, dad fucked my aunt’s throat. My aunt was sucking dad playfully when mom rejoined them. Mom sat next to my aunt and pulled my aunt’s dress down her shoulders. She helped my aunt work her arms out of the dress, totally exposing her lush tits. Dad removed his cock from my aunt’s mouth and started to rub its wet head over her nipples.

“Fuck her big tits,” whispered mom.

“I want to suck them first,” said dad, getting down to his knees.

Dad held both my aunt’s tits and started to tease her left nipple with the tip of his tongue. My aunt started to gasp. He took her nipple between his lips and started to suck it. She moaned softly and held the back of his head with her hand, pulling him into her tit. She moaned as he continued to devour her succulent nipple. In a couple of minutes, he switched to the other nipple. He sucked it for a few minutes while kneading her tits and occasionally pinching her free but erect nipple. She enjoyed herself immensely.

He was not in a hurry. While he continued to lick and suck her nipples, he used his hands to work her dress up her hips. She cooperated by lifting her ass. Soon, her dress was collected around her waist. He started to stroke her pussy with the back of his right hand through her thin panties. She humped his hand. Meanwhile, mom’s dress was hiked while her hand worked inside her own panties.

He eventually stood up and pushed his cock into my aunt’s mouth. He let her suck him for a minute before he pushed his cock between her tits. She squeezed her tits around his shaft, and he started to thrust. Mom hovered over my aunt and drooled in her cleavage. A minute later, my aunt drooled in her own cleavage to keep dad’s cock fucking her tits smoothly. He let her suck his cock briefly and then pulled it away.

He knelt between my aunt’s knees and proceeded to lick her pussy through her panties. She moaned, thrusting her pussy into his face.

“You enjoy how he prepares your pussy for his big cock, don’t you?” teased mom.

“Yes,” hissed my aunt.

“You want him to stretch your little pussy with his cock, don’t you?” mom continued her sexy banter.

“Yes,” gasped my aunt, shivering.

“I’m sure Ken’s going to enjoy watching you getting fucked, isn’t he?” teased mom.

“Yes,” gasped my aunt.

“I’m also sure my husband will enjoy fucking your tight juicy pussy,” said mom.

“Oh, yes,” said dad, pulling my aunt’s panties down her hips.

He was finally face to face with my aunt’s bare swollen pussy. He pushed her legs over her head, causing her ass to tilt up. Her pussy and asshole were totally exposed. Mom took that chance to get rid of her own panties.

“I am going to enjoy eating your luscious pussy before I fuck it,” said dad, spreading my aunt’s cheeks to further expose her pink anal pucker.

Dad covered her pussy with his mouth and worked his tongue into it. She moaned and squirmed, pulling his face into her pussy. Mom used one hand to finger herself and the other to stroke his cock.

“Do you like what he’s doing to you?” said mom.

“Yes,” hissed my aunt.

“Reward him,” said mom. “Come in his mouth.

“I am going to do that very soon,” gasped my aunt.

“His cock’s so big and hard,” teased mom. “He can’t wait to fuck your tight little pussy.”

“Yes,” hissed my aunt.

“Are you looking forward to that, you little slut?” teased mom.

“Yes,” hissed my aunt, stiffening.

My aunt thrust her pussy into dad’s face as she gushed in his eager mouth.

“That’s it,” urged mom. “Come in his mouth. Show him how horny you are.”

“I am coming,” gasped my aunt.

My aunt was still floating on her orgasmic cloud when he held her legs with one hand and used the other to pull her ass cheeks apart as he let his tongue stray down to her asshole. She squirmed, trying to push him off, but he insisted. In half a minute, he overcame her resistance and, in another half minute, he won her approval. A minute later, he guided her hands to her ass. She gladly spread her ass for his wicked tongue.

“You like having your virgin but horny asshole licked?” teased mom.

“Yes,” hissed my aunt.

“You are a dirty little slut, aren’t you?” teased mom.

“Yes,” hissed my aunt.

“He’s preparing your tight asshole for his big cock,” said mom.

“Yes,” hissed my aunt.

“You want him to fuck your horny asshole?” teased mom.

“Oh, yes,” hissed my aunt.

Within the following few minutes, dad’s tongue relaxed my aunt’s asshole and soaked it with drool. He dipped a finger in her pussy and then pushed it gently into her ass. Her ass cautiously accepted the new intruder but soon

embraced it and started to hump it. He twisted his finger within her asshole while he attacked her clit with his tongue. She shortly came wildly in his eager mouth as he pumped his finger in her ass.

“You liked having your horny asshole finger fucked?” asked mom.

“Yes,” hissed my aunt.

“You are going to love having it fucked,” assured mom.

While my aunt panted for air, mom extended a bottle of lube to dad. He pumped his finger within my aunt’s ass as mom squeezed lube onto his finger. My aunt started to moan as his finger slid effortlessly in and out of her ass, lubing it well. Mom squeezed generous amounts of lube, lubing another one of his fingers. He reamed out my aunt’s asshole with his finger for a little while and then squeezed the other slick finger in. She stiffened as her asshole stretched to accept his second finger. She started to relax as he started to pump both fingers in and out. Soon, he was smoothly working his fingers all the way in and out. His tongue toyed with her clit as he used both fingers to fuck her ass all the way to a hard orgasm. She convulsed wildly, shoving her ass into his fingers.

“Your asshole’s ready to get fucked, Leanne,” said mom. “Is your virgin ass ready to lose its virginity?”

“Yes,” hissed my aunt.

“You’ll love it, you little slut,” said mom.

My aunt trembled.

My aunt had hardly finished coming when dad pushed his stiff cock into her drenched pussy. As he thrust his cock all the way into her pussy, she stiffened and started to come again. He fucked her through her orgasm and then through another. He pulled most of his cock out of her drenched pussy. He was fucking my aunt’s pussy just with the head when mom started to lube his shaft. She finally lubed his cock head and started to rub it over her sister’s virgin asshole. My aunt moaned favorably.

“Are you ready?” he asked.

“Yes,” hissed my aunt nervously.

He held his shaft with one hand and started to push the head into my aunt’s asshole. My cock was dripping as I watched that. He was gentle. Her asshole dilated slowly, and the head of his hard cock started to sink in. She suddenly stiffened, her asshole tensed up, and she pushed him away.

“It’s too big,” she said lowly, unknowingly saving her anal virginity for me. “It hurts too much.”

“Do you want me to go slower?” he asked.

“No, I can’t,” she said. “I am sorry. It hurts too much.”

Dad was disappointed; he did not know it would still be in the family.

“Use it on me,” said mom as she knelt on the sofa and hiked her dress, thrusting her ass out. “Fuck my horny ass.”

Dad bent over mom’s ass and rimmed her asshole for a couple of minutes, practically tongue fucking her ass, while my aunt watched. He fingered mom’s ass with one and then two fingers. He let my aunt suck his fingers as he used his free hand to guide his cock into mom’s ass. Mom’s ass smoothly accepted his cock down to the balls.

“When you relax, you can take it like this,” explained mom.

Dad fucked mom’s ass for a few minutes, making her come wildly.

As mom continued to pant, dad pulled out and pushed his cock in my aunt’s face. My aunt did not think much before she opened her mouth and gulped down his cock. He dipped his cock in mom’s drenched pussy and then returned it to my aunt’s eager mouth.

While my aunt sucked dad's cock, mom whispered something into her ear. My aunt disappeared from view, and then Uncle Ken walked into the scene. Mom had dad sit on the couch. She stroked his cock while she sucked Uncle Ken's cock eagerly. She then sucked dad, grunting while Uncle Ken fucked her pussy vigorously to orgasm. While she deep throated dad, she guided Uncle Ken's cock to her ass. He was only gentle while he worked his cock head in, but then he drilled her ass viciously to a wild orgasm. There was no way he could deflower any virgin ass.

Uncle Ken held his cock in mom's ass while she recovered. She got up, letting his cock pop out of her ass, and straddled dad. She motioned Uncle Ken to fill her ass again. She rode dad's cock while Uncle Ken thrust in her ass. She soon had a hard orgasm. Uncle Ken came inside her twitching ass. After draining himself, he disappeared, and my aunt reappeared. He did not seem to last much, or he was very horny after watching his wife's seduction.

Mom dismounted dad and got on her knees, pulling my aunt next to her. Dad stood up and took turns fucking their mouths. He sat down and pulled my aunt astride his thighs. She lowered herself on his cock and rode him. He pushed two fingers into her ass and pumped her asshole to a wild orgasm. When she recovered, she joined mom on the floor. Dad splattered a big come load all over their pretty faces. The come they could not catch in their mouths they licked off each other's face. In the end, they found themselves pulled into a tongue kiss, apparently their first.

"That was the seduction of my sister," said mom finally, looking into the camera. "So long."

That was very hot. I copied the compact discs onto my hard disk and returned the discs and the key. I knew I would be coming back to that cabinet every chance I would get. I also decided to make use of dad's computer to record the videos I shot onto compact discs. It took me three days to do that, but it was well worth it.

After that experience, I decided to upgrade my own computer with huge hard disks and the necessary software and hardware to make it a serious digital video editing workstation. It took me two days to research, buy and install the necessary stuff and cost me well over a thousand dollars. By the end of that project, my computer was much more powerful than what dad or Uncle Ken had.

STARTING SMALL

Despite fucking my girlfriend three times during the week, on Friday morning, I was very horny. I was at home thinking about mom's ass when Alex's wiggled hers in my face. She was my sister, but she had a gorgeous ass: tight and ripe. After I had been corrupted at my aunt's, I wanted it. I had learned the lesson that incest ass was the most delicious. Since in reality it was all sin, if I had to sin, I ought to be picky. I just hoped that the ass I had just picked out would be virgin. That would not be hard to find out.

"Alex, could you help me with something?" I said. "Could you give me any advice on anal sex?"

"Yes," she said. "Don't do it."

"Why not?" I said.

"Because it's perverse, painful and degrading," she said. "Don't you respect your girlfriend as a person?"

"Of course," I said. "Have you ever tried it?"

"Of course not," she said angrily. "What do you think I am?"

"I just think that you can't give any real advice if you've never tried it yourself," I said.

"A few of my friends have and they regretted it," she said.

"Why?" I asked.

“Because their boyfriends almost tore their buttocks open,” she said. “It was very painful.”

“So, you don’t know of any success stories?” I said.

“No, not from real people, at least not from anyone I know,” she said.

“Thanks for letting me know,” I said.

“Sure,” she said, wiggling her ass away.

Her virgin ass would definitely wait for me, but I could not wait as long as it could—not as long as I could see it every day and night. At night, she had a date. My parents were at home. I ended up with my girlfriend. I fucked her ass silly while thinking of Alex and her luscious ass.

An hour after breakfast on Saturday, I had a plan.

“Alex, do you know how many times a woman can reach orgasm in an hour?” I asked when I caught her alone.

“Once,” she said after a little pause, apparently weighing the situation. “Maybe twice if she was with a great lover.”

“I bet you this that I can make you come ten times in half an hour with my tongue,” I said, waving a one hundred dollar bill in front of her face.

“Nick, you pervert,” she said angrily. “I am your sister. How can you say this?”

“I thought my sister would love to come ten times within half an hour,” I said. “Anyone else would.”

“There is no way you can make me come ten times within half an hour,” she said.

“In that case, you win the money,” I said. “Don’t be too sure though.”

“I am your sister,” she said. “I can’t let you do that to me.”

“I know you can,” I said. “You may have your most and best orgasms ever too.”

“I can’t,” she said as she walked away, wiggling her hot ass, but she was not mad.

“Think about it, and let me know,” I said.

In the early evening, mom and dad left, apparently to one of their parties, leaving Alex and me at home. Neither of us had a date that night. I was too busy to have one and too lucky for her to have one.

“So do you want to bet?” I challenged Alex, looking fiercely in her eyes. “Are you afraid of losing?”

“No, I am not,” she said.

“Can you put money on that?” I challenged, waving the one hundred dollar bill.

“I think you are bluffing,” she said. “I don’t think you would pay up if you lost.”

“Take this,” I said, handing her the bill. “Keep it if I lose. I’ll be in my room. Come to me when you are ready.”

Before she could think or reply, I disappeared.

In my room, I set up the camera and started it running. I lay in bed, waiting. Five minutes later, she knocked on my door and then came in.

“I am ready,” she said nervously.

“Use this and then come back,” I said, handing her an enema kit. “The instructions are on the box.”

“What’s this?” she said.

“An enema package,” I said.

“I am not taking an enema,” she said. “Why do you want me to take one?”

“You’ll be more responsive when your bowels are void,” I said. “I may not be able to hit my target if you are not most responsive. You’ll like it too. Trust me; I want you at your best.”

She hesitated for a few seconds and then went away, taking the enema package with her. I stopped the camera until she came back fifteen minutes later.

“How do you feel now?” I said.

“Not bad,” she said.

“I guess now you are ready to come in my mouth until you can’t come anymore,” I said.

“I am ready to win your money,” she said.

“Of course,” I said. “I am the one who’s ready to make you come in my mouth more times than you think possible. I think you are hot, and I am betting money that I can squeeze that many orgasms out of you. It isn’t the money that matters the most to me. What matters most is making you come that many times. It’s proving myself to myself that I am a good pussy eater and a good lover. I promise you that you’ll always remember the times you are going to gush in my mouth as I devour your tight ripe pussy in hunger you’ve never experienced before. You are going to be a winner too. I am going to let you experience seemingly unreal sexual joy. In order for you to be able to do that, you have to sincerely shed your inhibitions and honestly give your all to sex. If you cheat, you can win the money hands down, but I want you to be an honest and a real winner. I want *you* not your pocket to be the winner. Are you ready?”

That had a great psychological value. I had to say it to get what I was after.

“Yes,” she said.

“Sit back comfortably and let me help you lose your panties,” I said.

She sat down on my bed. I smiled lovingly at her as I reached up her skirt and pulled her panties down.

“Now, I know you are an honest contestant,” I said, holding her panties to my face. “Your panties are wet. They smell nicely too. You are a very hot girl.”

That made her blush.

Pretending that I was getting her ready for the pussy eating, I rearranged her so that the camera would get a great view of her pussy and ass. I had her hold her legs up by the backs of her knees.

“This is obscene,” she whined.

“You are silly,” I said. “You don’t have anything to be shy about. Open yourself up completely.”

She relaxed gradually. She had a tight lovely pussy and a cute little asshole. They made my cock twitch.

“You have such a pretty and juicy pussy,” I said as I gently spread her ass cheeks and admired her nether treasures. “Even your charming little asshole looks so kissable and delicious.”

She blushed.

“Are you ready?” I said.

“Yes,” she hissed.

“That’s the clock,” I said, pointing to a clock on my desk. “Let’s start.”

She gasped and shivered when I let my lips touch her nether ones in a slow gentle kiss. She shivered and tensed when I applied a similar kiss to her asshole.

“What are you doing?” she said.

“Hush,” I said. “Just relax, and enjoy yourself. Leave the rest to me. I know what I am doing. Enjoy it.”

She twitched a little as I teased her asshole with my tongue tip. She was not comfortable for the first few seconds, but she did not resist. I soon won her over. She had already started to enjoy my tongue on her asshole when I returned to her pussy. I sucked her pussy lips a few times and then attacked her clit. She convulsed in orgasm within a minute.

Five minutes had already passed when she finished gushing her copious juices into my eager mouth.

She was still panting when I attacked her asshole with my tongue. With my bare tongue, I made her come within three minutes. Her second orgasm was wilder than her first. She actually screamed. With two fingers pumping her wet pussy, I tongue lashed her clit into a wild orgasm within two minutes. I kept going, making her come again immediately. I lowered my tongue to her asshole and made her come within three minutes. As I returned my tongue to her clit, I dipped a finger in her pussy and then pushed it into her ass. Her asshole clamped initially, but then it relaxed and started to milk my finger. I knew her asshole would be milking my cock eagerly before the night was over. My cock twitched, acknowledging that. By the time she stiffened and came, I was pumping the entire length of my finger within her ass, making her scream. I discreetly dabbed lube on my finger while I tongue fucked her asshole into another wild orgasm. I was making her come every three minutes, alternating my tongue and fingers between her hot pussy and tight asshole. Every time I licked her asshole, I added lube to my fingers. Her asshole was well lubed.

“Twenty-nine minutes, ten orgasms,” I finally smiled up at her glowing face.

She did not mind that I still had two fingers sliding gently in and out of her tight asshole. On the contrary, she humped my fingers gently. I licked her wet pussy while I used my free hand to take off my shorts and briefs, letting my rampant cock out. My cock head was already sticky.

“That was unbelievable,” she gasped. “How did you do it?”

“I picked a very hot girl,” I said. “I can’t do this to every girl in the world.”

Keeping my fingers within Alex’s ass, I maneuvered myself closer to her head. I lowered my head between her legs as she started to stroke my hard cock with her right hand. That was enough encouragement for me to straddle her head and lower my cock to her mouth. She parted her lips willingly and took my cock in. My tongue toyed with her clit as she sucked my cock gently. My innocent little sister was going to get fucked tonight like she had never dreamed. She could not miss how profusely my cock leaked in her mouth as she eagerly nursed its bulbous head. I thrust gently in her mouth, getting it ready for a nice fuck. I was not after more orgasms. I was just teasing her and heating her up. I wanted her to get more used to my playing with her ass and to need my cock more and more.

Licking her pussy, I removed my fingers from her ass and removed my cock from her mouth. I let her suck my fingers. She showed little hesitation. I removed my fingers from her mouth and put my cock back in. I moved my mouth off her pussy and turned around while keeping my cock in her mouth. Bracing my hands on the bed, I fucked her mouth gently for a couple of minutes. I rolled us over, getting on my back. I ran my fingers through her hair as she bobbed her head on my cock. Finally, I pulled her astride me.

“You are so thick,” she said, lowering herself onto my cock. “You are going to stretch out my little pussy.”

“That’s what it’s there for, right?” I said.

“I guess so,” she groaned as my cock head parted her lips and slid into her dripping pussy.

“Now, you owe me one hundred dollars,” I said as she started to bounce. “You won’t owe me anything if you can make yourself come five times on my big cock.”

"I'm not sure I can come this many more times even if my life depended on it," she smiled faintly. "It has been more than worth the money anyway."

"Thanks, but don't give up this easily," I said. "Give it your best shot. I am sure you can come ten more times. I'd bet money on it, but I want to give you a chance to win your money back not to lose more."

"Thanks," she smiled.

"You are welcome," I said as my middle finger started to tease her asshole, seeking entrance. "You have a sizzling asshole. It's so sensitive and fun loving besides being delicious. Without its help, I'd have lost the bet."

"I never thought my little asshole could do all that," she gasped as my finger popped in.

"You still don't know what it's capable of," I said, swirling my finger within her asshole.

She rode my cock wildly as I fingered her ass. She soon came, drenching my cock in her juices. She collapsed on me, and we kissed for the first time. I wiped her juices off the base of my cock and used them to lube her asshole.

"Have you ever swallowed a guy's come?" I asked as I gently thrust in her pussy and fingered her ass.

"No," she said.

"You are such a nice girl," I said. "I am proud of you, but tonight I want you to swallow my hot come. Do you think you can do that for me?"

"Sure," she said. "I'd do anything for you."

"You are so nice," I said. "Your mouth is so innocent looking. It feels so natural that I should come inside it and let you savor and swallow my hot thick come. Do you want me to?"

"Yes," she said.

"You are so nice you make me feel guilty for taking advantage of you," I said.

"Don't," she said. "I want you to. You make me feel so good."

"I want to fuck you in every way possible and pump your hot body full of my hot sticky come," I said. "I want you to be my private slut."

"Yes," she hissed.

As I reamed out her asshole with one finger, preparing it for two fingers, I used my free hand to pull her tee off. She pulled her tee over her head. I unfastened her bra, and she took it off.

She trembled when I captured one of her stiff nipples between my lips. I sucked it gently as I squeezed a second finger into her ass. She rocked as I worked my fingers deeper up her ass. I held her left tit in my right hand and sucked her right nipple while fingered her ass with my left hand. She rode me energetically until she gushed another load of juices all over my cock. We kissed while I swirled my fingers within her ass.

Keeping my cock and fingers inside her, I rolled us over. Propping my upper body on my right arm, I removed my fingers from her ass and brought them to her mouth. She sucked my fingers while I slowly stroked my cock within her drenched pussy. I removed my dripping cock from her pussy and then mounted her chest, bringing it to her mouth.

She opened her mouth, and I fucked it for a couple of minutes. I returned to her pussy, pushing her legs over her head. I pumped her pussy vigorously as she moaned and gasped through a hard orgasm. Her asshole was drenched with her pussy juices. I pulled out of her pussy and teased her asshole with my slick cock head, making her squirm. Next, I arranged her on all fours. I fingered her ass, and she humped back, getting fucked through another wild orgasm.

Finally, I laid her on her back and resumed drilling her drenched pussy. When she started coming, I emptied my balls deep inside her twitching pussy. I collapsed on top of her and we rested for a minute.

“Now I am going to feed you my come,” I said as I gently removed my sticky cock from her pussy.

While she looked at me, still gasping, I swirled my fingers within her pussy and brought them to her mouth sticky with my come. She was surprised with that but did not hesitate for long. She sucked my fingers tentatively at first. She licked subsequent come scoops off my fingers eagerly until her pussy was clean. She then sucked my cock clean.

She continued to suck my cock after she got it squeaky clean. My cock started to harden, and I thrust gently in her mouth. Within a couple of minutes, I was fucking her willing mouth. I playfully flicked my cock head against her lips.

“You are a good slut,” I said as I slapped her face with my cock before I dismounted her.

She got on her hands and knees. I knelt behind her and removed her skirt, leaving her stark naked. I bent over her ass and started to lick her asshole. She rocked, moaning softly. I touched two fingers to her pussy and let her movement get her pussy fucked with my fingers while I teased and loosened up her asshole with my tongue. I pulled my head away and moved one of my slick fingers from her pussy to her asshole. She was soon moaning as she rocked her pussy and ass over my fingers. I drooled on her asshole as it got finger fucked gently.

“You like this, you little slut?” I teased.

“Yes,” she hissed.

“You’ll soon be my dirty little whore,” I said.

Removing my fingers from her holes, I gave her pussy a deep kiss. She watched as I retrieved the lube. I squeezed lube onto her asshole and worked it inside her ass with one and then two fingers. She moaned as I worked generous amounts of lube inside her ass. I held two fingers for her and she rocked back and forth, fucking her ass with them.

She willingly got on her back and pulled her legs over her head. I guided her hands to her ass, and she spread it wide. I ate her pussy slowly to orgasm as I pumped and swirled two fingers within her ass while adding lube.

“Push out and let your asshole relax,” I directed, twisting my fingers within her ass.

When she convulsed in orgasm, I squeezed a third finger into her twitching asshole, making her scream in ecstasy. As she recovered, I worked my three fingers gently in and out of her ass, stretching her asshole further. I continued to tease her clit while I reamed out her asshole for a long while until it was able to take my three fingers comfortably all the way in. Her asshole could not stay virgin much longer. I leaned over her and we shared a long deep kiss while I continued to finger fuck her ass. I helped her sit up as I removed my fingers from her ass.

“Lube it well, you little slut,” I said, handing her the lube as I thrust my hard cock in her face.

She smiled mischievously at me as she took the lube. Holding the lube in her left hand, she held my balls in her right hand and took my cock in her mouth. She sucked me a little and then proceeded to apply a thick coat of lube to my shaft. When she finished lubing my cock, she put the lube aside and looked up at me. I smiled approvingly. After giving her a gentle kiss on the lips, I pushed her onto her back and pushed her legs over her head.

“Where do you want it?” I asked, holding her ankles with one hand and my cock with the other.

“In my ass,” she gasped, trembling.

“Where?” I teased.

“Deep in my virgin ass,” she said.

“That’s my little slut,” I said. “Hold my cock. Guide it to your virgin asshole and beg me to fuck it for you.”

Her hand trembled as she guided my cock head to the glistening opening of her ass.

“I can’t believe I can let anyone do this to me not to mention you,” she said.

“Sister, your asshole’s so pretty it’s a sin not to share it,” I said.

"It's a sin to share it with you," she said.

"You should choose the more enjoyable sin," I smiled.

"I just did," she said. "I must be a very bad girl for doing that."

"Don't think of yourself that way," I said. "You are a good girl and, when you become a slut, you'll be a great slut for giving your virgin ass to the guy who can treat it right. You'll feel great when my big cock's deep up your ass."

"I don't think bad of myself," she said. "I just think I am bad...in a sexy way."

"I see," I said. "Now proudly spread your cheeks and beg me to give you what you want, you little horny slut."

"Please fuck my ass," she hissed, spreading her ass. "Fuck my virgin ass. Make me a whore for your big cock."

"Thanks for giving me this special treat, little sister," I said, pushing gently. "You'll always be happy you did."

There were a few enjoyable stops on the way to the deep penetration of her formerly virgin ass. I enjoyed watching her innocent face and listening to her soft gasps and short grunts while I advanced my cock up her most private hole as she had never dreamed possible. It took me a few more delightful minutes to loosen up her asshole enough for rhythmic thrusts. All it took her asshole to get ready for serious hard fucking was a few more minutes.

"You have an incredible ass, Alex," I said, fucking her ass briskly. "I am going to fuck it every chance I get."

"I want you to," she gasped. "I love it."

"Of course, you do," I said. "You are my dirty whore after all."

She gasped and twitched like she did earlier when I fucked her pussy. She was getting wilder and wilder as she got used to my cock thrusting in her tight but willing ass. I let her enjoy furious ass fucking for a few minutes before I made her scream in orgasm. I vigorously drilled her twitching rectum as she convulsed and gasped for air.

"I never thought I could experience so much pleasure," she gasped.

"What do you think now?" I said.

"I think I want to experience it over and over again," she said.

"If you hang around, you will," I said.

"Would you let my asshole hang around your big cock?" she smiled.

"I want it to," I said.

She calmed down a little while I thrust in her ass gently. I then pulled out and sat her up.

"Suck it," I said softly, thrusting my cock in her face. "Show me you are a good dirty whore."

"I assure you I am a very good dirty whore for your amazing cock," she smiled.

She did not suck my cock; she worshipped it with her mouth. I let her enjoy herself for a few minutes. I occasionally took control from her to fuck her mouth or slap her face with my cock.

"Make it slick because it's going back where it was," I said.

She slobbered generously on my cock as she sucked it and licked it.

"It's ready," she finally said, smiling up at me.

"I want you to get on your hands and knees and back up over it," I said. "I want to fuck you like a hot bitch."

She got into position. I drooled on her asshole before parking my cock head at its pucker.

"Relax your ass and back up on my big cock," I directed, holding my cock firmly.

She took a deep breath and then started to move her ass back. My cock indented her pucker and then popped in, making her gasp. My hard cock stretched her beautiful asshole tightly just past the bulbous cock head. She paused for a second and then resumed pushing back. I pulled her ass cheeks apart just to enjoy the delightful view of my cock sliding up her ass. Finally, her asshole totally swallowed my cock, and her pussy pressed gently against my balls.

“Move your ass back and forth,” I instructed. “Get it fucked in a slow rhythm. Warm yourself up, my bitch.”

She started working her ass back and forth over my shaft.

“Milk it,” I said. “Relax when you back up and squeeze gently when you pull forth.”

She milked my cock for a few minutes. Her lust soon took over her, and she bucked faster, losing the rhythm of her anal muscles. She fucked faster and faster, moaning and gasping. I could tell that her orgasm was forthcoming. When her orgasm was close enough, she lost her rhythm and started to shove her ass back wildly. I grabbed her swinging hips and started to thrust hard in her ass. She was already past the point of no return. She started screaming as I drilled her twitching asshole until she went limp.

As she recovered, I gently rocked her ass. Finally, I let my cock pop out of her asshole with a soft plop. She turned around and sat up. She eagerly took my cock in her mouth and sucked it for a little while.

In appreciation of her fervor, I let her ride me next. She bounced her ass through two orgasms while I thrust up into her. We switched through a few positions before I put her on her knees in the leapfrog position. I fucked her through orgasm and then let her spread her ass with both hands. I worked on making her asshole gape and soon succeeded. I drooled inside her open ass several times and used my cock to rub my drool around.

“I am filling your hot ass with come, my hot bitch,” I said, coming deep in her ass as she convulsed in orgasm.

“Yes, Nick, shoot your hot come deep in my ass,” she gasped.

After she cleaned my cock with her mouth, I fed her a scoop of my come out of her ass. I lapped her pussy dry and gave her a long deep kiss. While we kissed, I fondled her tits. After breaking the kiss, I started to lick and suck her nipples while kneading her tits. I occasionally fingered her pussy and let her lick her juices off my fingers.

My cock hardened gradually. I straddled her chest and let her suck it for a few minutes. I then fucked her mouth with it for a few more minutes. When I was done with her mouth, I pushed her knees against her chest and pushed my cock into her wet pussy. Within the following minutes, I let her gasp and moan until she was convulsing around my cock. I used the fresh coat of pussy juices on my cock to facilitate its deep penetration of her come-filled ass. With her legs against my shoulders, I fucked her ass gently for a few minutes and then drilled it to a loud orgasm.

“My horny ass loves your big cock so much,” she gasped.

“My big cock loves your luscious ass too, my dirty whore,” I said.

When she recovered, I let her suck my cock. I then bent her over my desk and returned my cock to her hot ass. I grabbed her hips and proceeded to fuck her ass, making her shake with every deep thrust. My balls clapped against her sticky pussy louder and louder as our fuck built up. She finally screamed and shook violently in orgasm.

Sitting on the edge of the bed, I let her straddle me. She energetically bounced her ass through another wild orgasm. I next laid her on her stomach on the bed. I squeezed lube on her asshole and lay on top of her, rooting my cock in her ass. We had a long, slow ass fuck. I enjoyed the feel of her ass as I humped her ass ever so gently. She came twice as I kept her ass skewered deeply. In her second orgasm, I let her twitching rectum swallow a second load of my thick come. I collapsed on her back, letting her thirsty asshole drain the last few drops of my come.

My cock slipped out of her ass. I rolled over, lying on my back. She maneuvered around and started to suck my cock. I stroked her back and ass as she did. She licked and sucked my cock for a few minutes, and my cock hardened.

“Do you ever get enough?” she smiled at me.

“Never too soon,” I said.

She sucked my cock for a few more minutes. I pulled her astride me and let her ride me to a new wild orgasm.

“I want to come in your mouth,” I said as I arranged her on top of me in the sixty-nine position. “Take your sweet time though. It’s all fun.”

She came in my mouth before I shot my last come load of the night against the back of her eagerly swallowing throat. I lapped up her pussy juices as she licked my cock lazily. We finally lay in each other’s arms and kissed lovingly albeit lewdly.

“I’ve never come so much or so hard,” she said. “I didn’t know it was even possible.”

“I knew you could do it,” I said. “I had faith in you. I knew you wouldn’t let me down.”

“I am glad you didn’t let my preconceptions hold you back,” she said.

“I wouldn’t miss a hot slut like you for the world,” I said. “Speaking of that, you’ll make a great anal slut if you work out your ass like this regularly.”

“Would you be my personal trainer?” she smiled.

“I’d be honored,” I said. “I’d keep you healthy, fit, full of energy and full of come.”

“Let’s start tomorrow,” she said.

“No, not tomorrow,” I said. “We’ll let your ass rest tomorrow because today’s its first day. I don’t want to fuck it raw. Tomorrow, I’ll use your pussy. If you are a good girl, I just may slide my cock up your ass and fill it with come.”

“I’d love that,” she said.

Before she left, I grabbed the tube of itching cream.

“This won’t let your asshole itch,” I said as I anointed her asshole with the cream. “It will keep your asshole fit for more of my big cock.”

“Thanks,” she smiled.

“I want you to go to bed with my come in your ass,” I said. “Have lewd dreams.”

On Sunday, I fucked Alex’s pussy silly while our parents were at church. I was also nice enough to pump a big load of come up her hot ass. I had her walk in the house before my parents with my come in her ass.

“I feel like a real slut,” she whispered to me.

“What do you think you are?” I teased, smiling.

After lunch, I went to Alex’s room and ate her pussy and ass to an orgasm each. I fucked her pussy to a simultaneous orgasm. I only left after she ate my come out of her pussy.

“You forgot your money,” she said, returning the hundred dollars to me in the evening.

“I want you to keep it,” I said. “I want you to think of it as your price as my private whore forever.”

“You don’t have to pay me,” she said.

“I know but I want to,” I said as I nudged her shoulders down. “You can’t be my whore if I don’t pay you. I want you to be my anal slut and private whore forever.”

Our discussion ended as my cock entered her mouth. She only let it go after swallowing a fresh come load. I pulled her up and kissed her deeply.

“Now, you are my private come-eating whore,” I said. “I don’t want you to ever let anyone else come inside you for obvious reasons until you find someone good enough to be your husband. Until then I’ll keep a continuous stream of come flowing into your come-thirsty holes. Then, you can decide whether you want to keep your pussy available to me or you want to just reserve your ass to me.”

“I’ll always be your slut,” she said. “I want you to fuck me in every hole at every chance we get as long as you don’t get me pregnant.”

“Do you promise to serve my big cock in total devotion, lust and shamelessness?” I said.

“Yes,” she said.

“When we are alone, I want you to be my shameless whore, but elsewhere I want you to remain the same innocent angel that everyone else knows,” I said. “To me you are a whore, but to everyone else you are not that kind of girl.”

“Okay,” she said.

By then my cock was hard again. I pushed her shoulders down and let her suck it for a few minutes. Next, I lubed my cock. I stood behind her and hiked her skirt. I popped my cock head into her ass, making her gasp.

“Jack it off,” I said as I guided her right hand to my cock and her left hand to her bare pussy.

When she started to come in her hand, I was ready to come too.

“I’ll fill your hot ass with come, my hot slut,” I said, slamming my cock all the way up her ass.

“Give it to me,” she gasped.

My cock pumped a load of come deep inside her twitching ass. I finally kissed her goodnight and let her go.

GETTING CAUGHT

On Monday, I talked Alex into letting me fuck her in the living room. I convinced her it would be hotter and there would be very little risk of getting caught. I wanted mom to catch us though, but I did not tell Alex.

Alex was wilder. She sucked my cock eagerly, and then I fucked her pussy through a few positions, making her come a few times. Next, I put her on her hands and knees and ate her asshole. I lubed her asshole thoroughly and pushed my cock in. I fucked her ass through a wild orgasm and continued to fuck it at a nice rhythm. She was gasping, moaning and bucking her ass wildly. She was not aware of mom’s car driving into the driveway. I even grabbed her ass and fucked it harder so that she would not sense mom’s arrival.

When I saw mom, I stopped halfway up Alex’s ass. I was a little nervous at first.

“Don’t stop,” called Alex, thrusting her ass back.

“Mom, what are you doing here?” I said.

“What are *you* doing here having sex with your own sister?” asked mom angrily.

Alex’s face reddened when she saw mom. She tried to move away, but I held her hips tightly, keeping her ass impaled on my cock.

“Mom, it isn’t what you think,” I said as I resumed thrusting in Alex’s ass. “I am sorry, but I can’t stop now. Sit down, and let’s talk it over.”

Poor Alex resumed moaning as I thrust my cock deep in her ass vigorously.

“Nick, you *can’t* have sex with your own sister,” glared mom. “It’s incest.”

“I had to,” I said. “She couldn’t trust her stupid boyfriend with her virgin butt. Besides, anal sex isn’t real sex. Furthermore, we are both adults; we can decide for ourselves.”

“Not in your father’s and my house,” she said. “You can’t have sex in the living room anyway.”

“I am sorry,” I said. “How would we know you’d walk in on us?”

“Nick, you are out of your mind,” she said. “Alex, how did you let him do this to you?”

“I didn’t want to,” gasped Alex. “He tricked me. I am glad he did though. Oh, mom, I am going to come. Nick, give it to me hard and deep. Pound my horny ass hard. Make me come on that big amazing cock of yours.”

Right then, Alex started to gasp and groan as her orgasm started to take over her.

“Sorry, mom,” I said, gripping Alex’s hips tightly. “I have to get her through this, or she’ll hate me forever.”

Alex screamed as I drilled her stretched asshole vigorously through a wild orgasm before mom.

“Mom, why don’t you excuse us for a couple of minutes,” I said, thrusting gently in recovering Alex’s ass. “I’ll come to talk with you shortly. I just need to make sure my sister’s good.”

Mom walked away, shaking her head in disbelief. When she looked back, Alex was sucking my cock hungrily.

“That was hilarious,” said Alex. “Are you sure we are not going to regret it.”

“Yes, I am sure,” I said. “I saw her watch me fuck your ass. She was not very mad. I am going to talk to her after I come in your hot ass and flood it with my sticky come.”

“You are crazy, but I am up for it,” she said.

Alex happily let me arrange her on her back and double her legs over her head. I drooled on both her asshole and my cock head. I pushed my cock in her ass and fucked her hard for a couple of minutes. When she started to come, so did I, flooding her twitching bowels with my come. When her come-thirsty asshole finished draining my balls, I let her suck my cock clean. I put my clothes back on and went searching for mom.

When I knocked, mom was standing in the bedroom, looking out of the window at the far horizon.

“Nick, I know that at your age you are full of sexual energy and you always think about sex, but what you did isn’t acceptable,” she said, walking towards the bed. “In the living room? That’s asking for trouble. What would have happened if someone else had walked in on you? A scandal. I always trusted your judgment, but now you blew it off.”

“You are right,” I said. “It was a close call. We should have been more careful, but we thought it would be more thrilling that way with the slight possibility of getting caught. Alex had wilder orgasms than ever before.”

“What do you have to say now that you’ve been caught?” she asked as she sat at the edge of the bed. “What you did was wrong. Having sex with your own sister is wrong. You know that don’t you?”

“I know that opinion, but she and I don’t share it,” I said. “It’s an obsolete opinion. It’s invalid now. We don’t have sex to make babies; we do it for fun. You saw how much fun Alex and I had earlier.”

“How could you lust for your own sister?” she said.

“I lust for nice sexy girls with some brains,” I said. “If they are my relatives, I don’t hold that against them; on the contrary, I consider that an advantage. Besides, Alex isn’t my girlfriend or lover. So, I can have a girlfriend without cheating. Alex and I trust each other more than I can trust any girlfriend and she can trust any boyfriend. She didn’t trust her boyfriend to take her anal cherry, but trusted me, and I was worth her trust. Now our mutual trust is even stronger. What’s wrong with that?”

“Nick, I could be considerate to your strange opinions, but most people don’t share them,” she said. “So, do yourself a favor and never let anyone else know. I’ll forget that I’ve seen it, and I don’t want to see anything again.”

“So, you don’t mind Alex and me having sex?” I asked in relief.

“No, I don’t,” she said. “I don’t sanction it. I won’t judge you.”

“Thanks, mom,” I said. “You must be the most considerate mom in the world. You are the best.”

“You are welcome,” she said.

“I think I can confess something to you,” I said to mom.

“What?” she asked.

“I think you are very sexy,” I said. “You are sexier than Alex and definitely more experienced.”

“Nick, what are you leading to?” she asked cautiously.

“I am just saying that you are very fit and you have an incredible body,” I said. “I like your sexy butt. You have one of the tightest and roundest butts around.”

“Nick, this isn’t how you should talk to your mom,” she said.

“I know, but I am at loss of words,” I said. “I honestly want to make passionate anal love to you.”

“Nick, are you completely out of your mind?” she said angrily.

“No, but your butt’s driving me out of my mind,” I said. “It’s so tight and gorgeous. I love the way it twitches. I’d love to hold it, kiss it and express my admiration for it physically. I want to please you like the sex goddess you are. Mom, you are a sex goddess. It’s only natural for any man to want you bad.”

“Nick, you shouldn’t be talking this way,” she said.

“I know, but tell that to my appreciative eyes and responsive hormones,” I said. “I am just expressing what I feel. I don’t have control over my emotions. No one does.”

“How did you know my butt was tight and gorgeous anyway?” she said, almost smiling. “How do you know how it twitches too?”

“I saw you in workout clothes many times,” I said. “It’s not something to miss unless someone’s blind. When it comes to butts, I know what I am talking about. You have one of the best.”

“Is that right?” she said, smiling for the first time.

“Of course,” I said. “Can you see how hard I get just talking about it? It’s harder than steel.”

“Is that so?” she said, looking at my tented bulge.

“Look at it,” I said as I lowered my shorts, letting my cock pop out, and moved forward.

She did not talk as she looked at my cock. It was hard and pulsing, a clear drop formed at its big head.

“It’s leaking already,” I said, moving closer to her face. “Please suck it, mom. Please?”

“Nick, you are crazy,” she said as she held my cock in her hand and started to stroke it slowly. “Do you promise to be a good boy if I let you get away with this?”

“You know I am always a good boy,” I said. “I’d never be a bad boy with my mom the goddess.”

“I’ll let you do this only this once,” she said.

“That would be too cruel,” I said. “I don’t think you are ruthless.”

“I am letting you get away with something you shouldn’t get away with ever,” she said.

“A good guy should get away with appreciating his mom if she were as beautiful and hot as you are,” I said.

“Nick, you are getting away with it,” she said. “Shut up and enjoy.”

“Thank you, mom,” I said as she stuck her tongue out and licked up the drop off my cock head, making my cock twitch. “You are the best.”

“This will be our little secret,” she said. “Not a soul must know about it, not even Alex, okay?”

“Yes, mom,” I said.

“You are a crazy but lovable boy,” she said, teasing my cock head with her thumb. “Your big cock’s even more lovable than you are. I am going to let you have your way with me. Does that make you happy?”

“To no end, mom,” I said. “You must be the hottest mom in the world.”

“You must be the craziest son in the world,” she smiled up at me and then looked down at my cock as she stroked its shaft. “You have a beautiful cock.”

“It’s all yours,” I said.

“First, lock the door,” she said, letting go of my cock. “We don’t want to get caught.”

“Of course not,” I said as I rushed to the door.

She was all mine to tease her and please her any way I wanted. She was going to have the time of her life next. I locked up the door and returned to her, my bouncing cock leading the way.

“Suck it, mom,” I said, thrusting my cock in her face. “Make it the happiest cock in the world.”

She opened her mouth and took my cock in. She moaned as she closed her lips around the hard shaft. She held the base with her hand and proceeded to suck it, taking it slowly deeper and deeper. Soon, she removed her hand and let my cock sink all the way down her throat.

“That’s it, mom,” I encouraged. “Suck it all. Deep throat my big cock. You are an incredible cocksucker.”

She moaned as she worked her lips back and forth over my entire shaft. I thrust gently, meeting her strokes. I let her suck me on her own for a few minutes, both of us enjoying ourselves. My thrusts got less and less gentle. She stopped moving her head and let me fuck her mouth. I held the back of her head with my left hand and pushed my cock all the way down her throat with every thrust. She sucked eagerly and expertly, moaning happily.

“You like being my cocksucker, mom?” I said.

“Yes,” she hissed.

“You enjoy being a dirty girl, don’t you?” I teased.

“Yes,” she hissed.

Holding her head with both hands, I fucked her throat for a couple of minutes. I stopped moving my pelvis and started moving her head back and forth. Her hot mouth took my cock all the way in comfortably. I moved her head back and started to fuck her lips with only the head.

“Not only are you the best mom in the world, but you are also the best woman in the world,” I said.

“Thank you, baby,” she said.

“Stick your tongue out,” I said as I popped my cock out of her mouth. “Lick it.”

She stuck her tongue out as I pulled back so that her tongue could hardly touch my cock head. I let her tickle my cock head with her tongue, moving slightly back and forth not enough to let her lips touch my cock head.

“Pull your tongue in and part your lips slightly,” I directed.

She parted her lips and I brushed and rubbed my cock head over her lips, occasionally flicking them with it.

“You are a pussy tease or should I say an ass tease?” she said as I continued to tease her lips.

“You haven’t seen me tease either yet,” I said, letting her go. “I am enjoying your oral company—a mouth tease.”

As soon as I let her head go, she gulped my cock all the way down. I let her suck it greedily for a couple of minutes before I pulled it away, pushing her back onto the bed.

“Let me see how wet your tight little pussy is,” I said, hiking her dress. “I think it’s very wet.”

“Oh, it’s soaked,” she said.

As soon as the hem of the dress cleared her hips, she pulled her knees back, exposing her bare, hairless pussy. She did not wear panties even at home. What a sexy mom! Her pussy was soaked. I brushed my cock head up and down its glossy lips, making her gasp. I teased her clit and pussy lips with my cock head for a minute, making her squirm.

“Your little pussy’s so hot and tight,” I said. “I am not sure it can fit my big cock. It looks so small.”

“You have a big cock, but I am a big girl,” she gasped. “I can take the biggest cocks.”

“You are a bad girl, mom,” I teased. “Good girls don’t take the biggest cocks or brag about it.”

“Yes, I am a bad girl,” she moaned.

“You love big cocks?” I said.

“Yes,” she hissed.

“You are acting like a hot slut,” I teased. “Are you a hot slut?”

“Yes,” she hissed.

“You love cock so much,” I said as I centered my cock head at her pussy hole.

“Yes,” she hissed as I shoved my cock in, driving it halfway into her pussy.

She groaned and her pussy squeezed tightly, twitching around my cock. Before she could catch her breath, I drove my cock the rest of the way in.

“You said you only wanted to fuck me in my ass,” she gasped as I fucked her tight pussy gently.

Her pussy milked my cock happily, bathing it in its juices.

“Your horny little pussy’s so hot and tight,” I said. “I love how it feels around my big cock.”

“Yes,” she hissed.

“Does my big cock feel good in your cock-craving little pussy?” I said.

“Oh, yes,” she hissed. “It feels so good.”

“You didn’t really believe that anal sex wasn’t real sex, did you?” I said, thrusting deep in her pussy.

“Of course not,” she gasped, “but I didn’t know you were a cheat.”

“I didn’t want to make your pussy jealous,” I said, drilling her pussy vigorously. “Do you want me to stop?”

“Only if you want me to kill you,” she gasped.

“Definitely not before I am through with your hot ass and definitely not because of this dumb reason,” I said.

“In that case, fuck my horny pussy very well,” she said.

She surrendered to me as I pressed my shoulders against her ankles and proceeded to pound her pussy hard.

“You want me to fuck you like a slut?” I teased.

“Yes,” she hissed.

“You want to be my slut?” I teased.

“Yes,” she hissed.

She came within a couple of minutes. As she convulsed, I continued to hammer her pussy. Her orgasm chained into another. I continued to fuck her hard. I slowed down as her orgasm subsided. I fucked her gently as she panted.

“You know how to make a woman come,” she gasped.

“Why would a woman give me another crack at her ass if I don’t?” I said, sliding my dripping cock out.

“You have a point,” she gasped as I brushed my cock head over her asshole.

Her asshole was already glistening in her leaking pussy juices. I dipped my cock in her pussy and then pulled it out. I started to rub it over her drenched pussy, making her moan. I drove my cock all the way in her pussy and resumed fucking her. Within five minutes, she had her third orgasm on my cock.

She had almost recovered when I yanked my cock out of her pussy. I sat her up, thrusting my dripping cock in her face. I fucked her mouth for several minutes, taking my cock out occasionally to tease her lips or slap her face with it. I allowed my orgasm to build slowly as she deep throated me. My come soon boiled over, ready to explode.

“I am coming in your mouth,” I announced, instinctively holding the back of her head. “Swallow it all.”

She did not have a problem swallowing down all I gave to her as I held my twitching cock halfway in her mouth. I could feel her throat swallow spurt after hot spurt of thick come. She sucked me dry.

“You are a hot come slut,” I said as she let my softening cock slip out of her lips. “Did you like the taste?”

“I liked the taste and the feel of it,” she said.

“I am sure I am going to like the taste and the feel of your juicy pussy too,” I said, kneeling down.

She lay back and pulled her legs over her head, exposing both her glistening horny orifices.

“Your pussy and asshole look pretty and delicious,” I said. “I am going to eat you raw, you hot slut.”

She trembled.

She started to squirm when I slid my tongue up and down her wet lips, tasting her luscious juices and stimulating her to ooze more. After a few minutes of sipping her leaking juices, I started to suck her pussy thirstily. I sucked her pussy dry and then went for her clit. I tickled her asshole with my tongue while I toyed with her clit and then lashed her clit to orgasm. I drank her copious juices as she gushed, twitching on my eager tongue. My thumb was then halfway up her ass. I slid it out and let her suck it as I straightened her legs, placing her feet back on the floor.

My cock was hard. I climbed over her and pushed it between her lips. She opened her mouth, and I fucked her eager throat. She moaned and sucked my cock as it repeatedly plunged deep in her throat. I fucked her mouth gently for several minutes before I was back at her pussy. I raised her legs and fucked her deeply, occasionally pulling out to brush her asshole with my dripping cock head. She reached down and spread her ass open with both hands.

“You are shameless, aren’t you?” I teased.

“Do you have any shame, seducing your own mom?” she teased.

“Shame’s counterproductive when the stakes are so high,” I said.

“Exactly,” she said.

Her asshole was constantly getting wetter. I poised my cock head at the center of her pucker and pushed in. She groaned softly. When her asshole started to give way, I returned my cock to her pussy. I repeated that a few times.

“You are an ass tease as I told you earlier,” she said in frustration. “Give me that big cock.”

Leaning forward, I drilled her pussy into a wild orgasm. While she convulsed in ecstasy, I yanked my slick cock from her twitching pussy and shoved it up her relaxed asshole. I drilled her writhing frame into a hard double orgasm.

“That was great,” she gasped as I sawed my cock slowly in and out of her ass.

“You know, mom?” I said. “This isn’t the first time I’ve actually fucked your sizzling ass.”

“Yes, it is,” she said.

“Do you remember Mick?” I said.

“No, you are not Mick?” she said in shock.

“Yes, I am,” I said as I started to thrust hard in her ass.

“You bastard!” she said.

“It wasn’t my idea,” I said.

“The slut!” she said. “She made me act like a slut before my own son.”

“She didn’t make you act like a slut, mom,” I said. “You *are* a slut. You just were yourself. We both loved it.”

“Nick, I am already mad at you,” she warned. “Don’t make me any madder.”

“What are you going to do about it?” I teased, pinning her knees to her tits. “Are you going to come all over my big cock so hard your horny asshole’s going to bite it off? Go ahead. Come as hard as you want, you dirty whore.”

“Nick, don’t talk to me like that,” she warned, her asshole twitching around my cock.

“Mom, you are my dirty whore,” I said, fucking her ass harder. “I am going to fuck you any way I want and talk to you any way I want. All you can do is beg for more. Beg for more, or you won’t come. Do it. Beg for it, whore.”

“Nick!” she glared, but her orgasm was getting very close.

“Say ‘please’ when you beg for it,” I urged, slowing down. “I’ll stop fucking your slutty ass if you don’t.”

“Please make me come, you bastard,” she panted.

“I am not a bastard,” I said. “If you want to come, call me ‘wonderful motherfucker.’”

“Please fuck my ass and make me come, you wonderful motherfucker,” she gasped.

“Admit that you are my dirty whore,” I urged.

“I am your dirty whore, you motherfucker,” she gasped.

“Admit that you got mad at me only because you didn’t want to confess that you were my dirty whore,” I said.

“I only got mad at you because I didn’t want to admit that I was your dirty whore,” she gasped.

“You are my dirty whore though,” I said, fucking her ass vigorously. “Aren’t you?”

“Yes,” she gasped.

“Yes, what?” I asked.

“Yes, I am your dirty whore,” she panted.

“You love being my dirty whore, don’t you?” I teased.

“Yes,” she hissed.

“Come for me and tell me you are my dirty whore,” I urged.

“I am your dirty whore, I am your dirty whore,” she gasped as her orgasm hit her.

“Indeed you are my cock-loving dirty ass whore,” I said, pounding her trembling ass vigorously.

Her orgasm was longer and more intense than the one before. It was actually harder than any orgasm she had ever had on my cock. It left her breathless. I slowed down as she struggled to catch her breath.

“Wow!” she gasped. “That was my best orgasm ever.”

“That was your reward for being mad at me,” I said. “Is my dirty whore still mad at me?”

“Not anymore,” she panted. “I am now very pleased with you.”

“You are a good girl, mom,” I said. “Are you going to be a good girl and let me get away with fucking you freely whenever, wherever and however I want?”

“Yes,” she hissed.

“Good girl,” I said.

“Why do you like to treat your women like whores?” she asked.

“Because that’s what they are,” I said. “Aren’t you?”

“Yes,” she nodded.

“I always wanted my women to be sizzling hot and uninhibited,” I said. “Doesn’t it bring out your best when you are treated right—like the dirty whore you really are?”

“Yes,” she said.

“Do you still wonder why I do it?” I asked.

“No,” she said. “You know that time at your aunt’s was the first time I ate come out of my ass.”

“It wasn’t bad, was it?” I said.

“I actually liked it,” she said.

“We are going to do it again today,” I said, “but first you need to eat my come out of your pussy.”

“You are the guy who deflowers girls’ asses?” she said.

“Yes,” I said. “You were my first woman whose ass was already deflowered.”

“Before you were born,” she said.

“If you were not my mom, I’d have never done it to you because of that,” I said.

“Thank god I am,” she said. “So, how many lucky girls’ asses have you deflowered yet?”

“Nine,” I said.

“If you are looking for your tenth virgin ass, try your big sister,” she said.

“Is April still virgin there?” I asked.

“Yes,” she said. “She’s too tight-assed for her own good, so to speak. However, if she ever tries your big cock up her ass, she’ll change forever. That would loosen up her ass in more ways than one.”

“She’s married,” I said.

“Like you care,” she said sarcastically.

“That’s a great idea,” I said. “I need to pay her a visit soon.”

“I’ve been trying to get you to visit her for a very long time,” she said.

“Don’t give up, mom,” I laughed. “Try again.”

“I will,” she said. “If you succeed, I’ll get you more as long as you are good to me.”

“Mom, I am good to everybody,” I said. “I am going to be best to you.”

“Do it, you mother ass fucker,” she said, spreading her ass with both hands.

“I’ll start by letting you suck my big cock, you dirty cocksucker,” I said, gently pulling my cock out of her ass.

She sat up and grabbed my hips, opening her mouth wide as she pulled me in. I fucked her throat for several minutes. I repeatedly pulled out to rub my cock over her face or slap her with it. In the end, I grabbed her head and fucked her throat faster. She pulled me in eagerly every time.

“It’s wonderful to be able to use the hottest woman in the world like she should be used,” I said, yanking my cock out of her mouth and slapping her face with it.

“Yes,” she hissed.

She eagerly let me arrange her on all fours on the bed with her knees on the edge. She pushed her hot ass out lewdly. I held her hips and fucked her pussy into a quick orgasm. She was still coming when I pulled out and flipped her onto her back. I sank my cock back in her drenched pussy and fucked her to another quick orgasm.

“I am filling your hot pussy with come,” I said, coming deep in her sucking push while she convulsed wildly.

“Flood my pussy with your hot come, you motherfucker,” she gasped.

She swallowed my sticky cock eagerly when I pushed it into her mouth. I thrust gently as she sucked my cock dry.

“Now, eat my come out of your slimy pussy,” I directed as I sat next to her lying body.

She smiled lewdly as she reached between her legs with her right hand. I watched her as she used her fingers to take scoop after scoop of my thick come out of her goeey pussy and into her mouth. She sucked her fingers lewdly before returning them to her pussy for more.

“Have you ever had your succulent asshole eaten?” I asked as I knelt on the floor.

“Only twice,” she said.

“Did you like it?” I said, knowing that she did.

“I loved it,” she said.

“Great,” I said. “Today, I am going to give you a reference rimming. Your luscious ass deserves the best.”

She willingly let me roll her over onto her stomach. I dove between her ass cheeks and let my tongue toy with her asshole a little. I then used it to tickle her ass cheeks, making her gasp and shiver. I continued to alternate between licking and kissing her cheeks and tongue teasing her asshole until her asshole started to nibble my tongue tip. I then buried my face in her delicious ass and started to probe her ass with my tongue. She moaned and squirmed.

Her asshole relaxed more, and her ass humped my face, enjoying my tongue. I guided her hands back to her ass, and she spread it wide. I slid two fingers into her wet pussy and let her pussy milk them as I worked my tongue deeper

into her ass. I alternated between tongue fucking and finger fucking her ass, loosening her asshole. I let my fingers soak in her pussy juices when I did not use them on her ass so that they would be slick the next time I did. Using both index fingers, I made her asshole gape. I drooled inside it and used my tongue to delve in her ass. I occasionally wiped her copious juices off her excited pussy and rubbed them into her asshole.

“I love this,” she moaned quietly. “Don’t stop, baby.”

Within half an hour, I made her come twice with my tongue up her ass and my stationary fingers in her twitching pussy. I cleaned her pussy with my tongue and deposited more drool in her ass before I mounted her and lightly touched my cock head to her ready asshole. She gasped as I teased her asshole with my cock head.

“Put it in,” she gasped. “Please don’t make me beg for it.”

“I love to hear you beg for my big cock,” I said, popping my cock head into her ass.

“You are a dirty fucker,” she moaned as I drooled on the upper side of my cock and spread the drool all over it.

She groaned as I gently sank my cock up her ass. She pushed her ass up and soon my balls touched her sticky pussy. I fucked her slowly for a few minutes. She was so hot she could hardly keep her ass in place. Responding to her bodily requests, I fucked her ass harder and harder. She came wildly within a few minutes. She used a pillow to muffle her screams. We smoothly progressed into the doggy position for another wild orgasm. She sucked my cock deeply and thoroughly before she rode me in the anal Asian cowgirl position.

“You like bouncing on the big cock you belong to, my dirty whore?” I teased as she bounced on my cock.

“You know I do, you horny motherfucker,” she gasped.

During the following hour, she let me fuck her ass in many positions, coming as many times on my cock. I made sure her asshole gaped wide before I filled it with come. She eagerly cleaned my cock afterwards and then lay back.

“That was wonderful,” she said dreamily.

“We have to do it again later,” I said.

“Of course,” she said. “First, we have to do it again now. Feed me your come and then let me suck your cock back to life. We are going to use lube this time because I want you to fuck my lustful ass for hours, you insatiable fucker.”

That was what we did. A couple of hours later, her asshole thirstily sucked a fresh come load out of my balls.

On the next afternoon, Alex was in my room. I had fucked her mouth and her pussy and then settled into fucking her ass doggy style when mom knocked gently on the door and then let herself in. Alex was busy gasping, groaning and fucking back to notice. I was not about to stop even if all the news crews in the country barged into the room.

“You are fucking your little slut’s tight little ass?” teased mom.

Mom’s voice startled Alex. She froze for a second, but when she saw that mom was not mad, she resumed bucking.

“Doesn’t she look sexy with my fat cock pumping in and out of her tight asshole?” I said.

“Yes, she looks beautiful, but I doubt that her asshole’s any tight anymore,” said mom.

“Oh, yes, mom, it’s tight enough to feel exquisite and to hold in a hefty come load,” I said.

“You’ve really turned your little sister into a dirty slut,” she smiled. “Are you enjoying yourself, little whore?”

“Yes, mom, it feels wonderful,” gasped Alex. “I didn’t know ass fucking would feel this good.”

“You knew early enough,” said mom. “Your big sister doesn’t know that yet.”

“Poor girl needs help just like I did a few days ago,” gasped Alex. “Can’t you help, Nick?”

"I'm not sure," I said. "She's married already."

"Mom, can't you help?" asked Alex.

"I tried but she's been tight-assed about it," said mom.

"Nick, you are the one to loosen up her ass if there ever is one," said Alex. "You have to. You did mine!"

"Speaking of that, let's show mom how well I did yours," I said. "Spread your slutty ass and show her."

"Sure," said Alex as she rested her head and chest on the bed.

Alex reached back and pulled her ass cheeks wide apart. I made a few strokes within her ass and then withdrew, making a soft pop. Her asshole gaped wide.

"Can you see, mom?" I said, pulling mom closer by the back of her head.

"I can see that," said mom. "It's so nice."

"Drool in it," I said.

Mom drooled right through Alex's open asshole. I held mom's head over Alex's ass and thrust my cock in her mouth. Mom sucked the head of my cock for a few seconds, and then I let her go.

"Watch her asshole snap shut," I said to mom as I stabbed my cock deep into Alex's pussy.

Alex groaned and her asshole snapped shut. I pulled out of her pussy and then stabbed my cock in her ass, making her groan again as my cock skewered her ass.

"Very nice," said mom.

"Alex, mom drooled in your ass to make me able to fuck it harder and faster," I said. "I want you to come for her and show her that you really deserve my big cock up your cock-craving ass. Make her proud of you."

"Sure," gasped Alex, propping herself on her forearms.

As Alex pushed her ass out lewdly, I held her hips with both hands and proceeded to drill her ass vigorously. She bucked wildly, shoving her ass against my cock. In less than a minute, she screamed in orgasm before mom.

"After I make her come like this a few more times, I pump my come deep inside her ass," I said.

"I am glad you are having fun together, but don't let anyone else know about it," said mom.

"Mom, are you really okay with it?" gasped Alex.

"Yes, darling," said mom. "I am even willing to film you in action if you want."

"Thanks, mom," gasped Alex as I thrust in her ass gently. "I do."

"Mom, aren't you proud of this dirty little whore?" I said.

"Of course," said mom. "I am proud of both of you."

"Thanks, mom," gasped Alex.

Mom left, and I finished with Alex like I described.

THE HOUSE CALL

It turned out that my brother-in-law, Keith, was in Europe for two weeks on business. While we fucked, mom and I planned the seduction of my big sister in the second week of his trip. April had lusher tits and a riper ass than Alex did, and it was about time she put them to good use. They were not meant to stuff tops and bottoms.

Late on Friday afternoon, I packed and dressed well. I packed everything I might need there, including a new enema package, a new bottle of good anal lube, two cameras and tripods. Mom gladly gave me a ride for the one-hour drive to my sister April's house.

"Nick, if this works out, we need to get you a car so you can go on your own to your aunt and your sister's houses," said mom on the way. "I won't be able to be your chauffeur for free much longer. This is your last ride. If I ever drive you again, you'll have to pay somehow."

She eyed my crotch, which had a bulge as I thought about April.

"Now, I am tempted not to get a car," I said.

"So am I, but we'll get you one," she smiled. "You can still pay me for getting you the car."

"It's such a materialistic world," I teased. "One can't get anything for free around this house anymore."

"Nick, you are a big boy now," she said. "You can't keep coasting forever."

"Does this mean that I have to pay for the return trip?" I asked.

"No, this ride covers the round trip," she smiled.

"At least, I can get back home for free," I said. "If I don't get a car by next time, I may have April or Aunt Leanne pick me up and drop me off. If I have to pay, why shouldn't they pay too?"

Mom finally parked in my sister's driveway. I grabbed my suitcase from the trunk and put it on the porch. Mom rang the bell, and, within a few seconds, April opened the door with a wide smile.

"Oh, Nick, I finally got to see you," said April opening her arms for me. "I don't remember the last time I saw you. Was it at my wedding?"

"No, not that long, but I am sorry the same," I said as we hugged. "It even seems longer to me."

We hugged tightly for a while before we let go.

"Hi, mom," greeted April, hugging mom. "Thanks for bringing him over."

"Sure, kids," said mom, hugging April. "I got to go now. I have plans for tonight."

"Thanks, mom," I called. "Have a nice trip back."

"Have fun, Nick," said mom. "See you in a week. Take good care of your big sister."

"What's this?" smiled April when she saw me grab my huge suitcase. "Are you moving in with me?"

"I'd love to," I smiled back. "You are much prettier than any girlfriend I've ever had."

"I take it that you've had quite a few girlfriends?" she teased, looking back at me as she led me into the house.

"Just a few, only six," I said.

"Only six?" she said as she led me into the house "In what? One year? Two years?"

"Two years," I said as I followed her twitching ass up the stairs.

My sister's ass was hotter than I had ever remembered. I had already noticed how generous her tits were when we hugged earlier. Her tits were as big as mom's—only nineteen years younger.

“I only had two boyfriends in all my life, and that includes Keith,” she said.

“What can I do,” I said. “I like girls a lot, and there are a few hot ones that are not making it any easier.”

“My little brother has grown into a handsome young man, and he’s now breaking girls’ hearts,” she teased.

“I don’t break anyone’s heart,” I said as we arrived at the spare bedroom I was supposed to use. “I’ve actually been so good to girls that quite a few of them don’t believe I am for real. They almost broke my heart though.”

“Is that right?” she smiled as I put the suitcase aside and motioned her to lead me out.

“Oh, yes,” I smiled as I followed her twitching ass out. “I am such a nice guy, especially in bed.”

“Is this the nice way to admit that you are still a virgin?” she teased, smiling, as we went down the stairs.

“Not in my case,” I said as I sat down on the loveseat and patted the cushion next to me for her to sit on. “If I were a girl, I am sure most people would call me a slut if not a whore.”

“What?” she said as she sat next to me and turned toward me. “A slut or a whore? Why? What did you do?”

“I can never resist a pretty girl with brains and a great personality,” I said.

“That isn’t bad,” she said. “Six girlfriends in two years don’t make you promiscuous.”

“I wasn’t talking about my girlfriends,” I said. “I was talking about the other dozen I had on the side, including ten married women.”

“What?” she gasped. “Ten married women? Are you crazy? Are you trying to break their marriages?”

“No, no, no, it isn’t what you think,” I smiled. “I just happened to go to a swinger party in our neighborhood. I had sex with them in front of their husbands. Some husbands even filmed me having sex with their wives in every depraved way possible. It was a lot of fun, but I only got to do it once. I’d love to do it again.”

“Nick, you are not even eighteen yet,” she said. “That’s illegal. How did they let you do that?”

“They didn’t know who I was,” I smiled. “I was disguised. Even mom and dad couldn’t recognize me.”

“You don’t mean that mom and dad were there,” she asked incredulously.

“Why do you ask?” I asked, feigning ignorance. “Do they swing?”

“No, I, what...,” she stuttered. “Never mind. I just thought that you implied that.”

“As a matter of fact, they were there,” I said, smiling slyly.

“Nick, don’t be silly,” she chided.

“I saw them have sex,” I said. “You’d flip if you saw how uninhibited they were—almost as much as I was.”

“It didn’t freak you to see your parents have sex there?” she asked incredulously.

“I went to the party expecting to see other people have sex,” I said. “Our parents are other people, very horny ones at that. Why should I freak out?”

“You were not scared that they might recognize you?” she asked.

“I was a little nervous at the beginning,” I said. “When I saw that nobody suspected a thing, I relaxed. I kept my mouth shut most of the time, and, whenever I had to speak, I changed my voice or whispered.”

“You are crazy,” she said, shaking her head. “I can’t believe anybody would do that.”

“When somebody’s as horny as I am, he would,” I said.

“You had sex with ten married women that night?” she asked.

“Yes, I had sex with half the wives in our neighborhood,” I said.

“You must be Superman or something to be able to do that,” she said distrustfully.

“No, I am not Superman or anything,” I said. “Sex is a form of sport—at least to me. When you train, your skill and stamina increase. You get better and you figuratively last forever. It’s just like that some people can run a marathon and most can’t run ten feet. The marathon runners are not super people. They are just well trained.”

“I still can’t believe that you went through ten married women in one night,” she said.

“As I told you, a few of the men filmed me use their wives and put them through their paces,” I said. “I actually got copies and even burned them on DVDs. You can watch them so you’d know that I am for real.”

“I am sorry, Nick, I didn’t mean that,” she said apologetically. “I just can’t believe that’s physically possible.”

“If you saw the videos, you’d have no doubt,” I said. “You are probably still thinking of me as your little virgin fourteen-year-old brother who didn’t know what a girl looked like. He surely couldn’t handle a bunch of horny married women, certainly not having wild sex with them in front of their husbands and his mom and dad.”

“Nick, according to my experience, if a guy can satisfy one woman, he’s a stud,” she said. “I’ve never thought a man could be able to satisfy more than one woman.”

“Men and women were not created equal,” I said. “A specific man can satisfy ten specific women, and a specific woman can satisfy ten specific men. I didn’t claim that I satisfied the ten women anyway. I certainly didn’t try to imply that I’d been the only man having sex with the women. The women had sex with other men too. I only said that I had wild sex with those ten women that night they’d never forget. It’s theoretically possible that one of them might have needed a hundred men to satisfy her or that one of the men might have needed a hundred women to satisfy him.”

“I am sorry I misunderstood what you meant,” she said contritely. “Now, I understand. Please forgive me.”

“You are forgiven this time, but, if you ever do it again, I’ll spank your little butt,” I said.

“Okay,” she smiled. “How did you manage to avoid mom and dad?”

“They didn’t recognize me,” I said.

“I know, but how did you avoid having sex with mom?” she said.

“I didn’t,” I said.

“What do you mean you didn’t?” she asked with a puzzled look.

“I was the new kid on the block,” I said. “All the women at the party wanted to have sex with me. I wouldn’t have been able to avoid mom without embarrassing one of us or disclosing my identity.”

“You don’t mean what I think you do,” she said in horror.

“Look, April,” I said. “Mom’s a very sexy woman, and I am a very horny teenager. She was out to have sex with anybody who struck her fancy, and so was I. I could never comprehend why it would be okay for her to have sex with anybody from down the street or across town but not me, even if we liked everything about each other.”

“Nick, I can’t believe you,” she said incredulously. “You are so horrible. She’s your own mom.”

“I gave my own mom pleasure,” I said. “We gave our best. She loved it, and so did I. I didn’t hurt her or rape her.”

“It may be considered rape,” she said. “She didn’t give you consent. She thought you were someone else.”

“So, now if you go to a party and have sex with somebody you don’t know, it can be considered rape because you think he’s someone else?” I challenged. “What kind of logic is this?”

“That’s different,” she said. “Anyway, incest is illegal whether it’s rape or not.”

“I really don’t care about quite a few laws,” I said. “As long as nobody gets hurt, it’s nobody else’s business.”

“You had sex with our own mom?” she said, shaking her head.

“April, our own mom’s a very hot woman,” I said. “She was the hottest woman at the party hands down. Only a moron would pass that opportunity. We both enjoyed every moment we spent together. We did it again in private too.”

“How do you look at her now that you’ve had sex with her?” she asked.

“I look at her as an amazing woman,” I said. “I love her and respect her more than ever. Remember that she didn’t do anything I considered bad. I was shocked when I found out that she went to those parties, but so did I. As long as she and dad are okay with that, it’s up to them. By the way, I have a feeling that you knew all about that.”

“I found out a little over five years ago,” she said. “I once went home unexpectedly on a Saturday night while they had a party at our house. I saw a number of cars in our driveway and in front of the house, so I knew they had guests. I decided to sneak through the backdoor, and I was shocked to find a man and a woman having sex right in the kitchen. I went out and made sure I got the right house. I then snuck into my room unnoticed and sat there in the darkness contemplating what I had just discovered. It turned out that I hadn’t been completely unnoticed. Mom found me and had a long talk with me, missing the rest of the party. From then on, I disappeared whenever they hosted a sex party.”

“Wow!” I said. “You just walked into the party.”

“What about you?” she asked. “How did you find out? Did you meet them at that party?”

“Actually, I found out a week before,” I said. “I stumbled across some digital pictures. I was as shocked as you must have been when you walked in on the party.”

“How did you manage to go to the party?” she asked. “Who invited you?”

“This is top secret,” I said. “Nobody can know that we talked about it.”

“Of course not,” she said. “I’ve never mentioned this before today either.”

“Aunt Leanne took me to the party without letting Uncle Ken know who I was,” I said. “She helped me with the disguise and the voice training.”

“Wow!” she exclaimed. “Aunt Leanne goes to those parties too?”

“She started last Christmas,” I said.

“How did she invite you?” she asked.

“I spent a week with her,” I said. “She heard me with the girl next door, and one thing led to another.”

“You had sex with her, and then she invited you to the next sex party?” she said.

“She was proud of me,” I nodded.

“Can I feel safe in your presence?” she joked.

“I don’t know what I’d do if I caught you naked, especially at a sex party,” I smiled. “You may need a miracle to get away from me. You are just so hot.”

“I guess I need to be careful if I ever go to a sex party,” she said.

“If you want to avoid me,” I teased.

“I’ll cross that bridge when I come to it,” she said.

“Speaking of coming, have you ever considered swinging?” I asked.

“Not seriously,” she said. “Keith and I are not very sexual. I doubt we’d ever try that.”

“It’s okay never to try it,” I said. “I am not sure though about being not very sexual. What does that mean?”

“We have other things on our minds,” she said.

“You think mom and dad don’t?” I asked. “You think the other’s don’t?”

“They do,” she said. “I don’t know how to say it, but it seems that we are less sexual than other people.”

“See a doctor,” I suggested.

“There is nothing wrong with us,” she said.

“When you are different from everybody else, there could be something wrong with you,” I said.

“I am sure there are many people like us,” she said.

“That’s why doctors never run out of work,” I said.

“I don’t think it’s as serious as you may think,” she said.

“When you are young and don’t enjoy sex enough to get addicted to it, it’s serious,” I said.

“We naturally enjoy sex but not as much as you apparently do,” she said.

“That’s a problem,” I said. “When are you going to enjoy sex? When you are sixty, seventy or eighty?”

“I don’t think I’ll enjoy it more as I grow older,” she said.

“You don’t see that as a problem?” I asked. “Why are you alone here while Keith’s in Europe?”

“I can’t leave my work and go with him,” she said.

“They can’t give you an emergency vacation or a personal leave of absence?” I asked.

“I guess they can, but it isn’t really an emergency,” she said.

“That means your work has nothing to do with it,” I said. “It means that the two of you don’t care.”

“We do care, but it isn’t the end of the world,” she said.

“Are you telling me that you made mad passionate love the night before he left?” I asked.

“Well, we made love but not in the form you describe,” she said, blushing.

“Do you call nightly and talk love and sex on the phone?” I asked.

“No, we’ve never done that,” she said.

“April, I am not a doctor or a shrink,” I said. “I am only your little brother. Based on my experience with the eighteen women I’ve had sex with, I bet good money that there is something seriously wrong with your love life.”

“Nick, don’t worry that much and make me worry for nothing,” she said.

“Your thinking that it’s insignificant makes me worry even more,” I said. “You are in denial.”

“Nick, don’t get me scared,” she said.

“I am not trying to scare you,” I said. “I am only trying to make you give it due diligence. You can’t solve the most trivial problem in the world if you never try.”

“What do you suggest I should do?” she asked.

“Do you deep throat him?” I asked.

“No,” she said, blushing.

“Do you swallow his sperm?” I asked.

“Of course not,” she said indignantly.

“Almost every woman I’ve been with did that to me,” I said. “Do you take him anally?”

“Nick, do you think I am a depraved slut?” she asked crossly.

“Mom and Aunt Leanne did that for me,” I said. “I was even Aunt Leanne’s first that way, and I am still the only one. There’s nothing wrong with being your lover’s slut.”

“Nick, I don’t need to know that,” she said.

“I think you should,” I said. “Mom’s a wonderful woman. She’s been doing that with dad since before we were born. She’s my best ever, and I think I am her best too. She isn’t a slut. We should learn from her.”

“Do you think she enjoys it?” she asked.

“I know she does,” I said. “Every woman I’ve been with does. They had spectacular orgasms. Mom’s too strong to be pressured into anything. If she doesn’t get it, she demands it. So should you once you learn how to do it right.”

“Don’t you think it would hurt?” she asked nervously.

“Do you remember the marathon?” I asked. “If you are in bad shape, running ten feet hurts. If you are in good shape, running the marathon is a piece of cake. It’s all about training. Let’s leave it for later though.”

“Okay,” she said.

“Does he eat your pussy regularly?” I asked.

“He did a few times, and it didn’t work well so we stopped,” she said, blushing.

“This is unbelievable,” I said. “When you can’t run the marathon, you train and keep trying. You don’t quit.”

“What if it wasn’t for us?” she asked.

“Sex is like food,” I said. “Is there anybody out there who doesn’t enjoy food? Are there any people who think food wasn’t meant for them?”

“No,” she said, shaking her head.

“People naturally may have different tastes and favorites, but everybody should love it or needs a better cook or a doctor,” I said. “The same goes with sex. Every girl should love it or needs a better cock or a doctor.”

“Do you think so?” she said.

“Without a doubt,” I said. “Why don’t you let me eat your hot little pussy and see if the problem’s in you or him?”

“Nick, I can’t let you do that for two reasons,” she said, “I am your sister and a married woman.”

“These reasons don’t stand here,” I said. “Would you rather see your marriage deteriorate and disintegrate?”

“Of course not,” she said.

“Do you want to suck my big cock instead?” I asked, getting up.

She watched in shock as I unzipped my fly and fished out my rock hard cock and full balls. I thrust them in her face. She could not take her eyes off my rampant cock for several seconds.

“It’s so big and hard,” she gasped, her eyes fixed on my cock. “You don’t put this thing in women’s butt.”

“Of course not,” I laughed as I squeezed the base of my cock to make it look even bigger and shook it up and down. “I have a spare pencil cock that I use on women’s tight little assholes. What do you think? Do you like it?”

“It’s beautiful,” she said dreamily.

“So are you,” she said. “That’s why it’s this big and hard for you. Now that I’ve taken it out, I can’t put it back until you suck it. Because you are my lovely sister, I’ll make you an offer. You don’t have to deep throat it. This time I’ll let you get away just by sucking the head. Close your lips over the engorged head and nurse it like a little baby.”

“Are you sure this is a good idea,” she said, her eyes glued to my cock head as it approached her trembling lips.

“April, your full sexy lips were meant to suck big juicy cocks,” I said. “I can’t think of a better cock than mine.”

“You are my brother,” she protested weakly, hoping I would overcome her feeble resistance.

“Close your eyes and open your mouth,” I encouraged. “You are about to suck my big fat cock like you should.”

She closed her eyes and opened her mouth expectantly.

“Hold it like that,” I said. “Don’t open your eyes or close your mouth until I tell you otherwise.”

As she sat there like that, I tiptoed to my room. I grabbed the video camera and a tripod. I set it up and took it down with me. I put it to the side and focused it on the loveseat. I started recording and stepped into the scene, my throbbing cock aimed at her parted lips.

“What do you want, April?” I asked, my leaky cock head feeling her hot breath.

“I want to suck your big cock,” she said, her voice trembling.

“Are you sure you want to suck my big hard cock?” I teased. “Is your mouth watering for it?”

“Yes,” she hissed.

“That isn’t enough,” I said. “Is your hot little pussy dripping?”

“Yes,” she gasped.

“Are your juices soaking your panties?” I teased.

“Yes,” she hissed.

“You are a bad girl, April,” I said. “You are not ready to suck my big cock.”

“I am ready,” she said.

“No, you are not,” I said. “Your pussy isn’t wet enough.”

“It’s wetter than enough,” she said. “It’s never been this wet.”

“I don’t believe you,” I challenged. “You have to show it to me. Take off your panties and spread your sexy legs, but keep your eyes closed and your mouth open.”

My prudish married sister proceeded to hike her dress and wiggle out of her panties.

“Give me your panties,” I instructed as she pulled them down her legs. “You said your pussy was soaking them.”

She parted her knees with her dress around her waist and offered her panties to me. I took them from her. They were full plain panties.

“April, from now on, you can’t wear plain panties like these,” I said. “Your panties have to be thongs, shear or lacy. You are a very sexy woman. You can’t dress like plain Jane. Preteens wear sexier panties than these.”

“Okay,” she nodded as I inspected her panty crotch.

Her panty crotch was soaked.

“Your panty crotch looks wet enough,” I whispered, leaning over next to her face. “You didn’t lie.” I inhaled deeply and audibly. “They smell sweet. You must have a hot mouthwatering pussy. I can’t believe somebody who

comes home to this can miss a chance to eat it raw. I still need to inspect your pussy and make sure it's soaked. I can't stick my big hard cock in a woman's mouth if she doesn't want me to. Spread your legs a little wider please."

She parted her knees wider apart as I rolled her panties into a ball and shoved them down my pant pocket. I knelt down and pulled her knees a little more apart and pushed my face between her thighs so she could feel my hot breath on her pussy. Her pussy was dripping. It made my cock twitch and leak more profusely.

"You indeed have a hot mouthwatering pussy," I said, getting up. I put my cock in my pants and zipped up. "I am going to eat it raw. It will make a fine dessert. First, we need dinner though. Why don't you go up and wear something very sexy and forget to wear a bra and panties? I am taking you out to a nice dinner. Open your eyes."

When April opened her eyes, I was sitting next to her, smiling at her. She was flushed.

"Go ahead," I said, motioning her to get up. "Get dressed nicely—short, low-cut, tight and thin, a little slutty. You are going out to have fun like you should—like a hot woman that loves sex more, not less, than other women."

She got up and silently went up. I grabbed the phone and made reservations at a nice restaurant. I then took my camcorder to my room. I unpacked and changed into nicer clothes and put on expensive cologne.

April was still getting ready when I was done. I called Aunt Leanne and told her everything was going according to plan. I then waited for April in front of her room. When she came out, she was wearing a blue velvet tank dress that hugged her curves, emphasized her deep cleavage and ended halfway down her creamy thighs. It was matched by four-inch high heels and a small purse. Her hair was teased up. She wore light makeup in addition to the red lipstick on her full lips and her sweet perfume. The luxurious fabric of her top could not hide the fact that her nipples were obviously stiff. I wondered about her juicy pussy. The way she looked and smelled made my cock twitch and my head swim. I gave her a very appreciative look and let out a long wolf whistle, making her blush.

"It's too revealing, isn't it?" she asked. "I can't go out like this."

"It's perfect," I smiled as I walked to her and held her in my arms, cupping her ass cheeks and looking in her beautiful blue eyes. "Its only problem's that it made me wonder if I should cancel dinner and ravish you right here."

"Nick, I am your big sister," she teased. "You can't have those forbidden thoughts about me."

"Oh, what am I doing drooling over my big sister's big succulent tits and tight round ass?" I said, staring down at her deep cleavage while I gave her ass a gentle squeeze. I gave her a light kiss on either side of her cleavage before I looked up in her sexy eyes. "My sister's sizzling hot. She's finally going to be treated like the hot woman she is."

"You've been a naughty boy," she teased.

"I have a little innocent question for my big innocent sister," I teased back.

"Go ahead," she said.

"Is my big sister wet and sticky?" I whispered in her right ear.

"Yes," she hissed, trembling.

"We are both ready for dinner then," I said, letting go of her and motioning her to lead. "After you, my lady."

She giggled and led me toward the stairs on our way down to the garage. As I watched her hot ass, almost every step she took made my cock twitch. She looked back at me and winked.

"You have a killer ass, big sister," I said. "I am going to hunt it down before it can kill me. You can't keep it safe from me much longer."

"Maybe I don't want to," she teased.

“You are smart enough to save yourself the futile trouble,” I said.

“You are intent on corrupting your innocent big sister,” she teased.

“I have to introduce you to the pleasures of the flesh, and then it’s up to you to get addicted,” I said.

“If I am lucky, I may be able to break free before you can give me the doses necessary for addiction,” she said.

“That would never happen to a woman half as hot as you are,” I said. “If you are lucky, you won’t get killed because of an overdose,” I said. “Once your grandiose ass is captured, there is no breaking free.”

“It sure sounds like I am in deep trouble,” she said. “Do I need to get scared?”

“If I were in your shoes, I’d be dripping wet,” I said.

“That I am,” she said.

“That’s all you can do now,” I said.

By then we came to the garage. She unlocked her Lexus, and I opened the passenger door for her. I fully enjoyed the wet pussy flash I got. I got in the driver’s seat, and we drove off to the restaurant.

“Spread your legs so your hot pussy can breathe and enjoy its new freedom,” I instructed.

She complied readily.

“Stick two fingers all the way in your wet pussy and keep them there,” I instructed. “Don’t diddle your pussy.”

“You enjoy making me do naughty acts,” she said as she proceeded to oblige me.

“I enjoy making you do anything you enjoy doing,” I said. “Are you enjoying doing those naughty acts?”

“Yes,” she hissed.

“Me too,” I said. “Always remember that you act like a slut around me only because you want to. If you were not too special to me, I’d let you suck my big cock right here and now.”

“Are you trying to make me wish I were not too special to you?” she teased.

“You don’t have to do that,” I said. “I am sure you’ll soon be sucking my big cock right here. If you are a good girl, I may even fuck your hot ass in the back seat and find out if your orgasmic screams can shatter the windows.”

“That would be an interesting experience and experiment,” she said, “but what are my chances of being a good girl when I am always acting like a slut?”

“You have a sure chance,” I said. “You only need to keep it up.”

“Being a good girl sure sounds like fun,” she smiled.

“That’s why I demand it from all my sluts,” I said. “I never stick my big cock in a bad girl’s fuck hole.”

“What about you, Nick?” she teased. “Are you a good boy?”

“Of course, I am,” I said. “I am a very nice guy and a perfect gentleman. You are now acting like a total slut with your legs spread wide and your fingers lewdly stuffing your leaky pussy. Your provocative misbehavior’s making my cock so hard it’s about to break, but I am not touching you. Any other guy would have raped you already.”

“Your behavior in the living room confused me,” she said. “You had your hard cock out, and I closed my eyes and opened my mouth, but you didn’t take advantage of me. I also offered you my bare wet pussy and you didn’t touch it. You are certainly not gay, or your cock won’t be perpetually hard. How can you do that?”

“I did it because I am a nice guy,” I said. “I respect you. You are much more to me than a few fuck holes for my rampant cock to stuff and drill like a jackhammer. I care about you more than I care about fucking you. I don’t want

to fuck my sexless prude of a sister. I want to fuck my alluring sultry sister. Don't worry though; I am going to fuck you in every conceivable way. When we do it in due time, we'll both want it more and enjoy it much more. It will be more than worth the wait. It will be a special and unique experience for both of us."

"Nick, you are indeed a nice guy," she said in admiration. "I am sure not many guys are this thoughtful."

"Thank you," I said.

"Your big sister's going to reward you handsomely for being this nice to her," she smiled.

"I am also going to reward her for being so nice to me," I said, smiling at her, as I reached out and squeezed her hand that had two fingers in her pussy. "Move your fingers just a little so they don't get stuck in there."

"Whatever you say, little brother," she smiled as she pulled her fingers out a little and then pushed them in. "You are the boss, and you know what you are doing."

"I can never be the boss of the loveliest woman in the entire state," I said. "I am only your humble servant."

"Whatever you are, I won't say no to you," she said. "You can be my servant, but I'll always obey you."

"As long as it's by your own choice, I don't mind," I smiled.

We finally arrived at the restaurant.

"Keep your fingers where they are until I open the door for you," I said as I parked the car under a light.

She seductively swung her legs out, giving me a full pussy flash, when I opened the passenger door for her.

"You may take your sticky fingers out of your wet pussy," I said.

She looked in my eyes as I watched her glistening fingers slide out of her pussy. I held her hand and sucked her fingers gingerly, moaning, as I enjoyed the taste.

"Your pussy's so appetizing I wonder whether it should be an appetizer or a dessert," I said.

"It's too late for it to be an appetizer," she said, getting up.

"I can't wait for dessert then," I said.

We walked to the restaurant, my right hand cupping her left ass cheek.

"Have I told you how much I love your gorgeous ass?" I teased as I squeezed her ass cheek and ran my fingertips up and down her crack through the back of her dress.

"Not really," she said.

"Let me tell you some other time," I said, wrapping my right arm around her and pulling her to me. "If I start describing that now, I won't be done in an hour."

"That sounds like fun when we get to it," she said.

As we approached the restaurant entrance, I slowed us down not to reach the entrance prematurely.

"Is my sweet big sister hot and wet?" I teased.

"I've been dripping ever since you mentioned having sex with those married women," she said. "I started to leak like a loose faucet when you confessed to having sex with mom. I started to imagine being in that party and having you do to me what you did to mom and the other women right in front of everybody."

"You have an active dirty mind, big sister," I teased, looking in her eyes. "That didn't cross my mind."

"You are right I have a very dirty mind," she admitted. "You've awakened the dirty part of my mind."

"From what I hear, it must be a huge part of your mind," I teased.

“It’s my entire mind,” she smiled. “I have a dirty mind, not a part thereof.”

“Welcome to the family,” I said.

April and I entered the restaurant. We were soon led to our semiprivate booth right away.

“Lay a napkin under your pussy to keep the back of your dress dry,” I suggested.

“That’s a good idea,” she said, grabbing an extra napkin.

She pushed the folded napkin under her pussy and made sure it was in the right position before she sat back.

“Now, you may return your fingers to your horny little pussy,” I said. “It’s okay to finger fuck yourself. You only have to be too gentle and slow to make yourself ever come.”

“You want to tease me throughout dinner?” she said as she reached between her legs with her right hand.

“I only want to make sure you stay hot and wet and enjoy your dinner,” I said.

“There is nothing I can do to cool down my pussy or restrict the flow of my juices,” she said.

“You are a good girl, big sister,” I said as she proceeded to finger her pussy. “I want you to keep acting like a slut until you know that you are one.”

“Do you mean that I am already a slut?” she asked.

“You have to find that out on your own,” I said as I fished out my hard cock under the table. “I can only judge you by what I see, and, according to that, you definitely are a hot one.”

“You are a very bad boy,” she chided.

“You are a very good girl,” I smiled, guiding her free hand to my bare cock. “Stroke it in rhythm with the fingers working in your juicy pussy so I can keep track of what you are doing.”

“You are so wicked,” she gasped, wrapping her cool fingers around my hard cock.

“Is that making you any wetter?” I teased.

“I am going to ruin this napkin forever,” she said, stroking my cock gently.

“It’s okay as long as it’s worth it,” I said.

“It’s very much worth it,” she said.

“We’ll take it with us as a memento,” I said. “Soak it as much as you can.”

“My pussy sure doesn’t need any encouragement,” she said.

“Don’t stop when our server comes,” I instructed. “I don’t want your pussy to feel neglected.”

“Don’t you think she’ll figure out what I am doing?” she asked.

“Don’t flaunt it and don’t worry,” I said.

“I’ll have to stop when my food comes,” she said.

“No, you don’t, my lovely big sister,” I said. “You only take care of my big hard cock and my big sister’s juicy little pussy, and I’ll take care of feeding you.”

“Oh, you are going to spoil me,” she smiled.

“That’s what I am here for,” I smiled wide.

“It’s so good to have a little brother,” she said, grinning.

“Big sister, you are so lovely tonight I envy myself for being out with you,” I complimented. “I am not so sure it isn’t a dream. After all, you are what dreams are made of.”

“Thank you so much, little brother,” she beamed. “That’s an outstanding compliment.”

“It’s sincere too,” I said. “You know that.”

“I am also beside myself for being out with my handsome little brother, the stud, as his date,” she smiled shyly.

“Your little brother’s going to make sure it’s worth your while,” I promised. “You’ll never forget it or regret it. Tonight you are my woman, and I am going to take good care of my stunning woman. Whether it’s food or not, I am going to feed her well in every hungry hole she has.”

“Your woman’s hungry tonight, and she has in her hand the hottest and juiciest meal in town,” she said.

“Let her know that she’s going to have more than her fill of it,” I said.

“I don’t think the poor napkin can hold out till the end of dinner if you keep this up,” she said.

“I’ll stop when you want me to,” I said.

“That would be much long past dinner,” she said.

Our server came, and I ordered drinks for us. If she noticed a thing out of the ordinary, she did not let on.

“We’ll need a waterproof container for this napkin,” remarked April.

“I have a zip-lock plastic bag,” I said.

“Really?” she asked, not really believing what I said.

“Yes,” I said, pulling the rolled plastic bag out of my pocket. “I knew you’d make a mess.”

“You really come prepared,” she smiled in surprise.

“There is something I couldn’t prepare for though,” I said.

“What’s that?” she asked.

“It’s that this place is going to smell like a French whorehouse by the time we are done,” I said.

“That isn’t our problem though, is it?” she said.

“That’s right,” I said. “If somebody can’t live with the most erotic aroma in the world, it’s their problem.”

By the time our server came back with our drinks, we had settled on our menu choices. We chose light healthy meals: steak salad for me and chicken salad for her in addition to a grilled mushroom appetizer. April continued to play with my hard cock and her leaky pussy while I fed both of us. Every once in a while, I wiped the leaky tip of my cock and had her suck my sex sauce off my fingers. She liked that.

“What?” she said as I looked at her face with a smile for a while.

“I am just imagining how your sweet lips will look like when stretched around my thick cock,” I said.

“Oh, little brother, you are letting your dirty mind take control again,” she teased.

“Big sister, you are playing with my big cock,” I said. “It’s only natural to imagine what else you can do to it. The first thing that comes to mind is wrapping your full lips around the fat shaft and indulging yourself like you should.”

“Is that indulging myself or indulging you?” she smirked.

“A good cocksucker indulges both,” I smiled. “I have a feeling that you are going to be an incredible one.”

“Little brother, you are making your cocksucker very wet,” she hissed.

“Is my big sister letting her juicy little pussy take control of her dirty mind?” I teased.

“Little brother, your big sister can’t help it,” she hissed.

“Is my big sister going to suck my big cock after all?” I teased.

“Of course she’s going to suck your big juicy cock,” she promised. “She’s going to do much more than that too.”

“Is my big sister going to be my little slut?” I teased.

“Uh-huh,” she moaned. “Your big sister’s going to be a little slut for your big cock.”

“What else is my big sister going to do?” I said.

“Your big sister’s going to be a model sister to you,” she said. “She’s going to do anything and everything you wish of her. She’s going to treat you like a king.”

“I won’t treat her like a queen because that would be a step down for her,” I said.

“Oh, baby, what a compliment!” she beamed, squeezing my cock gently. “Flattery won’t get you anywhere because you are already everywhere.”

“I take it that my big sister’s going to let me get away with coming all over her lovely face,” I said.

“Isn’t that an integral part of being a good sister?” she said.

“Will you also swallow my hot sticky come?” I asked.

“Yes, I’ll do that too,” she said.

“Oh, my!” I said. “You are not kidding about being a model sister.”

“Of course not,” she smiled. “Neither am I kidding about treating you like a king, actually better than a king.”

“You are going to let me deflower your sweet little asshole?” I asked.

“That’s going to be your special gift to me,” she said.

“*My* special gift to you or *your* special gift to me?” I asked.

“From where I stand, it’s going to be *your* special gift to me,” she said.

“I am certainly being treated better than royalty,” I said. “This is too much.”

“Your big cock’s too much for your big sister,” she said. “She’s all yours.”

“That’s only because my big sister is too much for my big cock,” I said.

“What part of your big sister’s body in particular is too much for your big cock?” she asked.

“Every part,” I smiled.

“That’s so sweet, but what’s your favorite part?” she asked.

“It’s the part that I said I’d tell you how much I loved,” I said.

“Would that by any chance be my virgin ass?” she teased.

“It’s your stupendous ass, which now happens to be virgin and innocent,” I said.

“Though, you don’t plan to leave it virgin and innocent for too long,” she said.

“That’s been beyond my control,” I said. “It’s already been virgin and innocent for too long.”

“We are going to fix that tonight, aren’t we?” she said.

“That’s what we are going to do,” I said. “You are going to be my tenth anal virgin.”

“I am going to make the top ten,” she laughed.

“You sure will do better than that,” I said. “I think you’ll make the top: you’ll be my top slut.”

“Am I really that special to you?” she smiled.

“Of course you are,” I said. “If you don’t have your heart in it, you’ll make the top three.”

“I assure you that my heart’s completely in it,” she said. “My heart, mind, body and soul are in it.”

“You are going to make the top, baby,” I smiled. “You can count on it.”

Near the end of our dinner, I pushed her hand off my cock and tucked it in. I let it relax while we got the bill and paid. I left twenty dollars for the soaked napkin. She put it in her purse, and I sucked her dripping fingers before we left, my right hand gently cupping her right ass cheek.

“I want to take a look at your lovely ass,” I said when April and I were out of the restaurant, squeezing her ass.

“Right here?” she asked.

“You know that,” I said. “You know that looking isn’t the end of my plans for your gorgeous ass.”

“Really?” she teased. “What are your plans for my ass?”

“My plans for your hot ass are so dirty I shouldn’t tell you about them,” I said, teasing her anal area with my fingertips through the back of her dress. “All I can say is that your sweet virgin asshole’s the object of my dreams. I know it must be very cute, but I have to see it before we drive away. My cock wants to know what it’s getting into.”

“Your big cock’s going into something very tight and hot,” she said, squeezing my cock through my pants.

“It knows that much,” I said. “That’s why it’s so hard and can’t get soft.”

We continued toward the car, fondling each other like that. It was dark then and the light above the car lit the area directly underneath it very brightly. It was perfect for what I had in mind.

“Bend over right here and show me your luscious ass,” I said as we stopped under the light.

“Nick, this is a public area,” she protested. “We can’t do it here. Anybody could see us.”

“Nobody’s going to see us or pay attention to us,” I said. “All have their own business to tend to.”

“There are cars parked next to us,” she said. “What if their owners left now?”

“What would you do if you came to your car and saw a lovely woman show her hot ass to a man?” I asked.

“I’d shrug and move on,” she said.

“I could have fucked you in the time it took us to have this argument and nobody would have noticed,” I said. “My cock’s losing its patience. Bend over and show me your gorgeous ass unless you want me to spank it first.”

“Yes, sir,” she said, reaching for the hem of her dress.

She bent over the hood of the car as she hiked her dress over her hips, exposing her ass and pussy.

“Spread your tight ass, and show me your cute asshole,” I said, unzipping my fly.

She complied readily, and I proceeded to admire her cute asshole. She had a nice pink pucker. Her asshole twitched as it felt my eyes inspect it thoroughly. Her pussy glistened in its juices.

“Your asshole’s beautiful,” I said, fishing out my hard cock. “May I kiss it?”

“Yes,” she hissed.

A gasp left her lips when my lips touched her virginal anal pucker. I gave her asshole a nice gentle kiss without tongue. She gasped when my tongue tip tickled her clit and again when I swiped my tongue up her sticky pussy lips.

She gasped when I flicked my tongue tip on her asshole before I stood up, holding my cock in my right hand. I rubbed my cock head up and down her pussy dripping from her clit to the back of her pussy. She moaned and her pussy leaked on my cock head. I aligned my cock with her pussy hole and pushed it in just to make the bulbous head disappear inside her pussy. She gasped, and her pussy twitched, drenching my cock head in its copious juices. I cupped her tits through her top and squeezed them gently as I worked my cock head in and out of her pussy a few times, letting her tight pussy milk it. She moaned softly and trembled. I pinched her stiff nipples as I finally pulled my dripping cock head out of her pussy. I held my shaft in my hand and tapped her virgin asshole with my dripping cock head a few times, making her gasp. I wiped her leaky pussy with my cock head before I pulled away.

“That wasn’t bad, was it?” I said as I walked to the passenger door and opened it for her. “Don’t forget to use the napkin under your dripping pussy.”

She left her ass exposed as she retrieved the napkin from her purse and bent over to lay it on the seat. She seductively sat on it and swung her bare sexy legs in. I closed the door and got in the driver seat, my cock still out.

“I am such a dirty girl,” she said.

“Suck my cock head while you finger your leaky pussy,” I said as I started the car. “Your lips can only touch my cock head and one inch below. Do not try to go any deeper.”

“Why can’t I suck more of your big cock?” she asked.

“You are a nice girl,” I said. “I want to take it easy on you. I don’t want to corrupt you completely at once.”

“What a very convincing argument!” she said as I pulled out of the parking space.

“Now get to work with your fingers and your mouth,” I said, driving out.

“Yes, sir,” she said, leaning over my cock.

“You are a good wife,” I teased as she closed her mouth over my cock head. “I can’t stuff your throat with my big cock in the car on our first date, but we sure can have some fun.”

She moaned on my cock, working her fingers between her spread legs.

“Sucking your little brother’s big cock head doesn’t compromise your status as a good loving wife,” I said.

She moaned her acknowledgement on my cock.

She continued to nurse my cock and finger her pussy until we parked at the dance club. There I sucked her sticky fingers before she wiped her pussy, straightened her dress and put the napkin in her purse.

In the dance club, April and I took a booth and ordered drinks.

“Finger your pussy and rub my cock through my pants,” I instructed as soon as our waitress left.

She gladly parted her knees and obliged me. We nursed our drinks a little before we hit the dance floor.

Her tits bounced around for a few minutes before I pulled her by the ass as a slow song started. I fondled her ass, and she mashed her lush tits into my chest as we danced closely. She ground her pussy into my hard cock as it lay along my leg. Our mouths found each other a little before our tongues met and played while I ground her pussy into the hard base of my cock, making her moan into my mouth. I massaged her asshole through the back of her dress.

“You must be the sluttiest woman in the club,” I whispered.

“I think so too,” she moaned.

We took breaks whenever a fast song played and returned to the dance floor only for slow songs. On our breaks, I had her torture her pussy with her fingers. I occasionally squeezed her tits and pinched her nipples on the dance floor, keeping them constantly stiff. As we left an hour later, I cupped her ass with my hand and pressed two fingertips into her crack, letting everybody who cared to look know what was in store for that lovely woman that lovely evening. Many people cared to stare at my hot sister, but they did not expect her to go to bed alone anyway.

“Bend over and show me your beautiful ass,” I instructed when we reached the car.

She did not hesitate to oblige me. I repeated what I did in the restaurant parking lot except that I fucked her pussy with half my cock this time. I was slow and gentle so she would not come.

“Now you get to suck halfway down my cock while you finger your pussy,” I instructed as we set for home.

“When do I get to suck your entire cock?” she asked, spreading her legs to expose her bare pussy.

“As soon as you can,” I said.

She probably did not understand what I meant, but she happily sucked the part of my cock I allowed her to suck. My cock leaked in her eager mouth all the way home.

“You’ll soon be able to deep throat my big cock like a seasoned whore.”

“I can’t wait,” she said. “I want to be my little brother’s little whore.”

We parked in the garage, and I led her into the house, cupping her bare ass and resting the tips of my index and middle fingers on her asshole. We stopped in the living room. I turned her toward me so the sofa was behind her. I looked at her beautiful face, my hands cupping her tight round ass. I gently spread her firm cheeks a little and let them come together. I repeated that as we talked to keep some of her attention on her ass.

“Tonight, you are my virginal princess,” I said, staring in her eyes. “I am going to take you around the world.”

“Nick, I’ve been married for three years,” she said.

“You are still my virginal princess,” I said softly, smiling at her. “My lovely big sister, you’ll soon find out that you haven’t had sex yet. Relax, and let your little brother show you how this magnificent lady should be treated.”

She trembled.

“Do you want to suck my big cock?” I asked, tickling her lower lip with my right thumb.

“Yes,” she hissed, nodding.

“Is your pussy dripping?” I asked, tickling her leaky pussy from behind.

“Yes,” she hissed as I pressed into her perineum.

“My cock loves dripping pussies,” I said. “Is your asshole very tight?” I tickled her asshole with my fingertips.

“Yes,” she hissed as I gently pressed into her asshole not hard enough to penetrate it.

“My cock loves tight assholes too,” I said. “Is your mouth watering as you think about sucking my big cock?”

“Yes,” she hissed.

“Turn around and bend over,” I instructed, letting go of her left ass cheek. She complied. “Spread your hot ass.”

She spread her cheeks, exposing her cute asshole.

“I want to kiss and lick your beautiful asshole,” I said softly. “Do you want me to?”

“Yes,” she hissed.

She let out a little gasp when my lips touched her asshole. I gave her little pucker a few light kisses before I started to tease it with my tongue tip. She gasped as her asshole twitched under my tongue.

“Your pussy’s so wet,” I said, looking at her leaky pussy. “It must need my cock badly.”

She trembled.

“Do you want me to put my big cock in it and help it out a little?” I asked, touching my cock head to her hot pussy.

“Yes, please,” she hissed, trembling.

“You really need my big cock in your hot little pussy?” I teased, brushing my cock head over her slick pussy lips.

“Yes,” she hissed.

“This time it’s going in balls deep,” I teased, pushing my cock head against her pussy hole. “Is that okay?”

“Yes,” she hissed.

“Is this going to be your first time to get fucked like a slut?” I teased.

“Yes,” she hissed, her pussy twitching and drenching my cock head in its juices.

“Beg me to fuck you like a slut,” I said.

“Please fuck me like a dirty slut,” she gasped.

She groaned softly as my cock head spread and penetrated her pussy, moaned as my shaft slid in and groaned again when I hit bottom, completely stuffing her heated pussy, which twitched several times and drenched my cock.

“Does this feel better?” I teased, cupping her tits, as I held my cock motionless inside her pussy.

“Yes,” she hissed.

“How about this?” I asked as I started to work the last inch of my cock in and out of her tight pussy, watching her stretched pussy and splayed asshole as her pussy milked my cock hungrily.

“Much better,” she gasped.

“You like your little brother’s big cock?” I teased.

“I love it,” she gasped.

“On the way to the restaurant, you fingered your pussy,” I said as I continued to fuck her sizzling pussy gently. “In the restaurant, you fingered your pussy and played with my big cock. On the drive to the dance club, you fingered your pussy and sucked my cock head. In the dance club, you fingered your pussy and rubbed my cock through my pants. On the drive home, you fingered your pussy and sucked half of my cock. On both times, I let you suck the part of my cock that I had used on your pussy. Are you aware that you’ll very soon be sucking my entire big cock all the way down your throat? I’ll teach you how to deep throat so you can do that. You can’t be a good girl without it.

“You are a nice married woman, and your husband’s out of the country. I did this in small steps so you’d remain a nice wife while you become your little brother’s dirty slut and depraved whore. You’ve been taught how to be a nice wife, and you’ve been one. I am now going to teach you the basics of being a good girl, and you’ll be one. Your devotion, depravation and creativity will take you beyond the basics and make you an outstanding girl.

“From now on, when I say you are a good wife, a good girl or a good slut, the word good refers to the quality of your being good to my big cock not being good in any other sense of the word.

“Do you want to be the best girl you can be?”

“Yes,” she hissed.

“You have to come hard on my big cock to show me that you really mean it,” I said as I stopped my thrusting but continued to fondle her tits. “A good girl can effortlessly come on her man’s big hard cock. Show me.”

She started to shove her pussy into me. I pulled her by her tits, boosting her pace. She thrust as hard as she could, and I helped without thrusting into her. She panted, and her sodden pussy twitched around my slick cock. Within two minutes, she stiffened, mashing her pussy into the base of my cock. She convulsed, uncontrollably shoving her gushing pussy into my cock. I used her tits to steady her so she would not dislodge my cock or collapse onto the floor.

“You are on your way to be an excellent girl,” I said, gently thrusting in her drenched pussy as she panted for air.

Her orgasm left her limp and hardly able to stay up. When she was able to hold herself up, I drooled on her asshole and pulled out of her pussy. I playfully stabbed her drenched asshole with my dripping cock head. She gasped, and her asshole clenched. I pulled back and stabbed her pussy, driving my cock all the way in. I repeated that a few times.

“Do you want to taste your horny pussy on my big cock like a good girl?” I teased, thrusting in her drenched pussy.

“Yes,” she hissed.

“Turn around and get down on your knees,” I instructed. “Keep your ass spread while you do that.”

She complied, still panting although not as hard as before.

“Take my cock head in your mouth and suck it,” I instructed, pushing my cock head against her lips.

She gladly obliged me. She looked lovely with her full lips tightly stretched around the beginning of my shaft.

“My big cock loves cock-hungry mouths,” I said. “It’s the big cock whose dirty girl you are going to be.”

She trembled.

“Pull my pants down as you continue to suck my cock head like a good girl,” I instructed.

She trembled as she unbuckled my belt and unbuttoned my pants. My pants dropped to the floor.

“Can you feel my cock drool?” I asked as I kicked my pants away.

She moaned affirmatively around my cock head.

“Do you think it’s been doing that because it likes you?” I asked.

“I hope so,” she said.

“You are the only lovely woman here,” I said. “You know so. Take my briefs down, my sweet cocksucker.”

She trembled as she pulled my briefs down. When my briefs fell to the floor, I kicked them off. My cock pulsed in her mouth with every heartbeat.

“This is your biggest fan, so to speak, and new best friend,” I said, popping my cock out of her mouth.

She pulled back and gasped as she saw my entire cock in the light for the first time as it glistened in her juices.

“Do you like my big cock?” I asked.

“Yes,” she hissed, staring at my throbbing cock. “It’s beautiful.”

“It loves you too,” I said. “It thinks you are very beautiful too, and it can’t wait to get to know you very deeply if you know what it means. Say ‘hi’ and give it a little kiss on the head.”

“Hi,” she said lowly as she brought her mouth to my cock head.

My cock jumped a little as she kissed it lightly, making her smile.

“As you see, my cock’s very happy to meet you formally,” I said. “It’s wondering whether you are going to swallow its come when you suck it.”

“Yes,” she said.

“Only in your mouth or in your other sweet fuck holes as well?” I asked.

“In all my holes,” she said.

“Tell it which holes you are talking about,” I said. “When you talk to my big cock, look it in the eye.”

“In my mouth, my pussy and my ass,” she said, looking at my leaky cock.

“Your asshole’s virgin, isn’t it?” I asked.

“Yes,” she hissed.

“You are going to have to change that before you can swallow my come up your bowels, right?” I teased as I held my cock with my right hand and tickled the side of her face with the side of my cock head.

“Yes,” she said.

“Do you have anybody in mind to take care of that chore?” I teased, brushing her lips with my leaky cock head.

“You,” she said lowly.

“To me it isn’t a chore,” I said. “It is a great pleasure. I love to deflower beautiful women’s sweet assholes. Are you sure you want this big fat cock balls deep up your innocent little virgin asshole though? It’s a big undertaking so to speak. It’s going to be very intense. You are going to come so hard you may pass out. Do you still want it?”

“Yes,” she said, trembling.

“If I do that to you, you’ll automatically become my girl,” I said. “Is that what you want to be?”

“Yes,” she hissed, trembling.

“You want to be your little brother’s little slut?” I teased.

“Yes,” she hissed, still trembling.

“If I let you suck my big cock, do you promise to do your best to be my best cocksucker?” I asked.

“Yes,” she said weakly, nodding.

“You are a good girl,” I said, parking my cock head between her lips. “You deserve to suck my big cock. Go ahead and suck it. Take your time and enjoy yourself. Don’t be shy. Suck it like you are the best cocksucker in the world.”

She parted her lips and sucked my cock head into her mouth, stretching her lips around the beginning of my thick shaft. She sucked my bulbous cock head gently for several seconds, doubling the hardness of my rock hard cock if that was possible. It leaked in her mouth, and she sucked eagerly. She let my cock out of her mouth and licked its head, swirling her tongue around the engorged bulb. She returned my cock head to her mouth and sucked it gently for a little while before she let it out again and licked all over the underside of my cock, starting at the bottom. When she reached my cock head, she took it again in her mouth and sucked it for a minute. She took a break from sucking my cock head and licked all over my balls. She gently sucked each into her mouth and massaged it with her tongue. She returned to my cock head and sucked in for another minute.

“I am already proud of you, big sister,” I encouraged. “You are going to make a wonderful cocksucker. Now fuck your mouth with my big cock. Show me that your hot mouth belongs to me.”

She started to work her lips back and forth over my cock, taking it a little deeper with every new stroke.

“That’s it, baby,” I said. “Don’t stop until it’s balls deep down your hot throat.”

She continued to take my cock deeper and deeper in her mouth until she started to gag.

“Relax, and take it easy,” I said. “Take your time. Straighten your throat and let it open.”

Easier said than done, that was not easy to achieve, but she continued to try until she did it five minutes later.

“You are a good girl, April,” I said, holding the back of her head so my cock remained all the way down her throat for several seconds. “You are now my deep throat whore.”

She trembled and her throat tried to inhale my cock even deeper.

When I let go of her head, she pulled back and gasped sharply, letting the cool air breeze around my cock.

“You know my big cock loves you,” I said, tilting her face up. “Do you love it?”

“Yes,” she said.

“Let the way you suck it show your true love,” I said, looking in her eyes. “Suck it like a lover. Show it that you belong to it: that you are its slut. You are its slut, aren’t you?”

“Yes,” she hissed.

“There isn’t anything you wouldn’t let it do to you, is there?” I asked.

“No,” she said, shaking her head.

“You are a slut for no other cock, are you?” I said.

“No,” she said.

“My big cock loves you so much, but it doesn’t know how much you love it,” I said, pulling her head to my cock. “Suck it and show it how much you love it and what you’d do for it.”

She took my cock all the way down her throat and slowly slid her lips back to its head. She did that several times before she kissed my cock all over. She deep throated my cock for several minutes, working her tightly closed lips over the entire shaft. I held her head in both hands and started to work my cock head in and out of her throat.

“Your throat’s no longer virgin,” I said as I continued to slide my cock head in and out of her gullet. “You are becoming a good deep throat slut. I love fucking you down the throat, my hot slut.”

She continued to deep throat me after I let go of her head.

“Did you like the taste of your juicy pussy on my big cock, my little slut?” I asked, tilting her head up but keeping my cock balls deep down her throat.

She nodded.

“Would you like another taste?” I teased, grinding my cock into her throat.

She nodded again.

“Is that a yes?” I asked, letting go of her head.

“Yes,” she gasped, letting my cock pop out of her mouth.

“Keep holding your ass while you get up, turn around and bend over,” I instructed.

She complied readily, shamelessly exposing her shy asshole.

“Every time I see your mouthwatering asshole, I have to kiss it,” I said. “Do you mind?”

“Not at all,” she said lowly.

“Do you want me to kiss it?” I asked.

“Yes, please,” she hissed.

“I can’t wait to fuck it,” I said, making her tremble. “For the time being, I’ll only kiss it.”

My cock twitched and leaked as I lowered my mouth to her pink asshole. She gasped when I kissed it lightly. I gave it a few more kisses before I tickled it with my tongue tip, making it clench involuntarily. I kissed and licked her asshole for a couple of minutes, making her squirm and moan. Her asshole relaxed under my tongue.

When my cock was so hard it needed to slide in a tight hole, I stood up and brought its head to her pussy lips.

“Impale your pussy on my big cock,” I said, holding her hips with both hands, as she trembled.

She pushed back, and I yanked her the rest of the way back. She gasped and stiffened for a second before she started to convulse around my cock. I held her tightly as her pussy twitched and gushed on my cock, bathing it in her copious juices. I gently ground my cock into her drenched pussy as she calmed down.

“You are a good girl,” I teased. “You’ve done such a great job coming all over my big cock I am going to let you do it again. Go ahead and fuck your tight pussy with my fat cock until you come like a cheap whore.”

She trembled and started to work her hips back and forth. I held her hips and paced her, watching her little asshole twitch with every thrust.

“I love watching your virgin asshole,” I said. “The sweet little thing’s winking at me shamelessly. It must be dying to get impaled on my big cock and fucked nice and hard.”

She trembled and started to fuck harder.

Grabbing her big tits, I squeezed them and felt her stiff nipples poke into my palms through her thin top. In that position, it was easy for me to pull her top down her shoulders and arms and let her bare tits fall in my hands.

“Big sister, come for your little brother,” I urged, pinching her nipples.

She trembled and came. She convulsed, shoving her ass uncontrollably into me as I held her tightly and pounded her gushing pussy. She recovered, and I enjoyed the warmth of her drenched pussy for several seconds.

“You seem to enjoy coming on my big cock,” I teased. “You like having your little brother fuck your little pussy?”

“Yes,” she hissed.

Before I pulled out of her soaked pussy, I let go of her lovely tits and pushed her shoulders down, making her bend more deeply. I bent down and kissed her utterly exposed asshole, making her gasp.

“Get down on your knees and get another taste of your luscious pussy on my big cock, my little slut,” I directed, admiring her drenched pussy. “Keep your ass spread to remind yourself what you are getting my cock ready for.”

She got into position and engulfed my entire cock in her mouth and down her throat. While sucking my cock thoroughly, she worked her arms out of her dress and let it collect around her waist as she returned her hands to her ass. She replaced the sheen of her pussy juices on my cock with drool. I gently fucked back, meeting her strokes.

“Does it turn you on to suck your pussy juices off my big cock like a bad girl?” I teased.

“Yes,” she hissed.

“We started all this so you can swallow my come,” I reminded. “Are you ready for that?”

She moaned her consent, not missing a beat.

“Suck it harder and faster,” I instructed. “When it’s ready, open wide, and jack it off into your mouth.”

She was only eager to oblige me. She worked her lips faster back and forth over my cock, trading depth for speed, and sucked harder. I fucked her face in her rhythm.

“Get ready for my sticky come, my little slut,” I warned as I stopped moving and stiffened.

She opened her mouth and took my shaft in her right hand. She stroked my cock vigorously. It twitched and spewed long jets of thick come through her open lips and against the back of her throat. The force and volume of my come spurts diminished, and she wiped my leaky tip with her tongue tip.

“Don’t swallow yet,” I instructed. “Hold it in your mouth for a minute and swirl it around slowly to savor its flavor and texture. When you are ready to swallow, open your mouth and show me the come before you swallow it. Swallow it like a seasoned whore and then show me your empty mouth. I want you to beat real come sluts.”

She did exactly like I had described.

“You are a good girl, April,” I complimented, tilting her face up. “Did you enjoy swallowing my come?”

“Yes,” she said.

“Do you feel good about being my come slut?” I asked.

“Yes,” she said shyly.

“You’ve done a great job,” I said. “It’s time for you to relax and enjoy some pampering. I’ve brought an enema bag for you so you can treat yourself to a couple of nice warm enemas to cleanse your ass deeply. Can you do that?”

“Yes,” she nodded.

“Lose your dress,” I said.

She took off her dress and tossed it off.

“Lead me to my room,” I instructed. “I want to enjoy watching your gorgeous ass. Make it worth my while.”

She gave me a nice show, giving her ass an extra swing, especially climbing up the stairs.

“Read the instructions and give yourself two nice enemas,” I said, handing her the sealed enema package. “When you are ready, we’ll take the party to your bed. I want you to be most comfortable as you have the hottest sex of your life and lose your last and most precious cherry to your horny little brother.”

“I can’t wait,” she said.

She took the enema and disappeared in the master bedroom.

“My pussy leaked so much I am afraid I may dehydrate,” said Aunt Leanne, coming out from her hiding place.

“Set up your stuff in the closet and let me make you come,” I said.

“It’s all set,” she said as she bent over and hiked her dress, exposing her pussy and ass. “I am ready to come.”

My cock was already hard. She came immediately when I shoved it all the way into her drenched pussy. I gave her a little time to recover before I guided my dripping cock head to her asshole. I drilled her ass for two minutes, giving her a huge orgasm. When she calmed down, she took my cock down her throat and sucked it thoroughly.

“Take your battle station,” I said, slapping her face with my cock.

“Yes, sir,” she said, smiling, as she saluted me.

Aunt Leanne left to the closet, and I went to my bathroom and washed my cock and balls well. I sat back and relaxed for fifteen minutes.

“I am ready,” said April.

“Lead the way, beautiful lady,” I smiled. “Let’s get that sweet innocent ass of yours defiled as it should be.”

She led the way as I grabbed the lube and followed. My cock hardened, watching her tight ass twitch.

“The first thing I am going to do to you is to eat your delicious pussy,” I said, pushing her onto the bed flat on her back and getting between her spread legs. “Are you ready?”

“Yes,” she gasped as I guided my cock to her wet pussy and pushed it all the way in.

“You want me to eat your juicy pussy, my horny girl?” I teased as I started to fuck her.

“Yes,” she gasped.

“Are you my little slut?” I teased.

“Yes,” she hissed.

“Yes’ isn’t good enough,” I said, fucking her harder. “You need to come for me like the good slut you are.”

“Yes,” she gasped, thrusting up into me.

She stiffened and convulsed in orgasm. I pounded her twitching pussy as hard as I could until she went limp. I kissed her when her orgasm subsided and let our tongues play together while gently pumping her drenched pussy.

“Now, your succulent pussy’s juicy and ready to be eaten,” I said, breaking the kiss.

“Yes,” she hissed, her pussy twitching around my cock.

“My big cock’s a mess,” I said as I withdrew my dripping cock from her sodden pussy. “Do you want to clean it?”

“Yes,” she said as I straddled her chest.

She opened her mouth, and I pushed my glistening cock between her lips. I held her head up and fucked her throat for a few minutes. I finally pulled out of her mouth and slapped her face with my cock. I crawled back and rubbed her nipple with my cock head. She held her tits for me as I switched my cock head between her nipples.

“Squeeze them around it,” I said, laying my cock along her cleavage.

She eagerly squeezed her tits around my cock, creating a smooth tunnel for me to fuck. I fucked her tits for a few minutes. I then dismounted her and sucked her nipples for a few minutes while fondling her tits and teasing and pinching the nipple I was not sucking. When I was done with her tits, I pushed her legs over her head.

“Hold your heels and pull your knees against your shoulders like a good girl,” I instructed.

She gladly complied as I took my position before her lewdly exposed pussy and ass.

“You are a good wife,” I said, admiring her splayed pussy and asshole. “I am sure you don’t assume this obscene position before your husband. A good wife isn’t supposed to.”

“I don’t,” she said. “It would make me feel like a bad girl.”

“Exactly,” I said. “That’s why I like it. It makes both your horny fuck holes vulnerably accessible. You’ll maintain this position until you are no longer virgin anywhere in your body. This way you’ll never forget how obscene it is.”

Watching her face, I lowered my mouth to her juicy pussy. I grabbed her tits with both hands and spent half a minute tasting her delicious pussy, running my tongue around her lips, between the lips, sticking it inside her juicy pussy and drawing out more juices. She moaned and oozed more juices. I then went to her clit. I sucked it gently through its hood for a few minutes, making her squirm and get hotter and wetter. My tongue pushed the hood away and massaged her clit for a little while before it lashed it mercilessly until she came, trembling under me as I pressed my tongue against her twitching clit. I watched her pretty face as it assumed a mask of lustful bliss.

She gasped for air, recovering from her wild orgasm. She smiled at me dreamily. I waited and watched.

“Is your virgin asshole ready to be eaten?” I asked.

“Yes,” she hissed.

Without any more introductions, I lowered my mouth to her asshole. Her pussy was still drenched as I had not cleaned it after her orgasm. She squirmed and moaned as I teased and massaged her asshole with my tongue. Her pucker relaxed gradually as I sucked it and probed it. Her pussy got even wetter. After a while, I was licking her pussy juices off her already luscious asshole.

“I like your pussy,” I said, looking up at her. “It’s trying to help lube your asshole for its first fuck.”

“I should give it a little reward later,” she said.

“I’ll give it a *big* reward,” I said. “I am so happy it isn’t the jealous type.”

“Me too,” she said.

She continued to squirm, moan and leak as I continued to lick, suck and probe her asshole, which continued to relax and open up under my loving tongue and nibble its tip. Her heat continued to mount as I increased the pace and vigor I put behind licking and sucking her asshole. My efforts got finally crowned with her first anal orgasm. I pressed and wiggled my tongue tip against her twitching asshole until her orgasmic convulsions subsided. She gasped for air while she recovered.

“I never knew I could have one of the best orgasms of my life just by having my asshole licked,” she gasped, looking at me dreamily, after she caught some of her breath.

“Wait until you get your sweet little asshole fucked,” I smiled.

Her pussy and asshole were drenched with her pussy juices. I gently cleaned them up, making her moan. I lazily licked her leaky pussy as I gently lubed and probed her asshole with my fingers. Her asshole resisted as I pushed the slick tip of my index finger past her virgin anal ring. Her asshole clamped at my fingertip. I gently moved my fingertip around, gradually loosening up her asshole. When it loosened up a little, I pushed my finger all the way in and left it there while I teased her clit with my tongue tip. I withdrew my finger from her asshole and pushed it back again, working a lump of lube inside. I repeated that several times, loosening and lubing her asshole and rectum until her asshole got used to taking my finger all the way in without any resistance. It clamped on my finger as I pulled out. I ground my tongue into her clit while I finger fucked her asshole to orgasm. When she was about to come, I let go of her clit and watched her lovely face as I drilled her twitching asshole with my slick finger. I enjoyed watching her enjoy her second anal orgasm. Her asshole fluttered ecstatically around my finger until she went limp.

With a fresh gob of lube, I squeezed my index and middle fingers into her asshole. I slowly pushed my fingers in, giving her resistance time to diminish. When my fingers were all the way up her ass, I let them rest for several seconds, giving her sphincters time to relax. I pulled my fingers out of her asshole and used them to drive more lube inside her ass. I returned my tongue to her clit and pumped my fingers in and out of her excited ass to her third anal orgasm. By then, her pussy juices were lubricating my fingers and her asshole.

When she recovered, I repeated the trick with three fingers, giving her another wild anal orgasm. While I fucked her ass with my three fingers, I used my free hand to lube my rock hard cock. I twisted my fingers within her asshole while she recovered to loosen up her virgin asshole further.

“Big sister, beg for what you want,” I said, gently sawing my fingers in and out of her asshole.

“Please fuck my virgin asshole and make me your slut,” she gasped.

“If that’s what you want, that’s what you’ll get,” I said, slowly withdrawing my fingers from her asshole.

“That’s what I want,” she gasped.

She held her breath as I guided my slick cock head to her glistening asshole.

“Breathe deeply,” I said as I touched my engorged bulbous head to her virgin pucker. “You’ll be my dirty whore.”

“I am already your dirty whore, little brother,” she gasped.

She breathed deeply as I pressed into her asshole with the minimal force to coax her asshole open. She let out a soft gasp when my cock head slid past her asshole, making it clench defensively. I paused for several seconds, enjoying the feel and feat of finally being inside my gorgeous married sister’s virgin and equally gorgeous ass. My cock twitched at the beauty of her innocent asshole as it tightly stretched around its hard shaft. I held my depth for the next half minute, looking in her eyes as I moved back and forth in tiny strokes just to massage her tense asshole. When her asshole relaxed, I pushed gently but with enough force to keep sinking deeper. I watched her asshole as it slowly swallowed more and more of my cock. I paused again when I was halfway in.

“I love your sizzling ass,” I said, smiling at her.

“My horny ass loves your big cock too,” she smiled.

The next stage of penetration left two inches of my cock waiting outside as my cock head met extra resistance. It took two minutes of successive firm thrusts, making slow but sure progress, to sink my cock all the way up her ass and let my balls press gently against the back of her ass.

“I am all the way in,” I announced, smiling at her, as I enjoyed the full tight anal hug on my cock. “Your ass is perfect. It feels like heaven. It’s worth every second I waited for this wonderful moment.”

“Your big cock feels wonderful in my ass too,” she hissed. “It feels so big and hot. It’s making my pussy dizzy.”

“Your amazing ass was made for my cock,” I said. “They belong together and will stay together forever.”

“Yes,” she hissed, trembling.

Just having my cock balls deep up my big sister’s ass, which had never before welcomed a man’s cock, felt exquisite. I could feel my cock leak deep inside her ass. I leaned forward and laid a light kiss on her lips.

“You are my slut forever,” I said softly.

She trembled, and her asshole twitched around the base of my cock. She stiffened and convulsed in orgasm.

“I am coming, Nick,” she gasped, writhing under my cock as I ground it into her twitching ass.

She convulsed as I held my cock in place. Her orgasm finally subsided, leaving her out of breath.

“That was incredible,” she gasped. “Nick, I love your big cock. I am your dirty whore forever.”

“Of course, April,” I said. “This is what you were made for.”

“Yes,” she hissed.

“Milk my big cock and show it it’s welcome where no other cock has ever been before and will ever be,” I said.

She to milk my cock, making my cock feel even bigger.

“Do you want me to fuck your horny ass?” I teased softly, my face hovering above hers.

“Yes,” she hissed, trembling. “I *need* you to fuck it royally.”

“Don’t be shy to beg for what you need,” I whispered. “My sluts get what they beg for.”

“Please fuck my horny ass with your big cock,” she whispered.

“Are you my slut?” I teased.

“Yes, I am your horny slut and dirty whore,” she said.

“My dirty whores get what they beg for,” I assured. “I am going to fuck your tight ass royally with my big cock.”

“Thank you,” she whispered.

“You shouldn’t thank me,” I said. “I am not doing you any favors. It’s your right for being my dirty whore.”

“Okay,” she said.

“Would you mind if I filmed your first ass fuck and kept it as a souvenir?” I asked.

“No,” she said.

“Would you get mad at me if I told you I’ve been secretly filming our session together?” I asked.

“No,” she said.

“I want you to concentrate on our fuck and completely ignore the fact that I am capturing everything on video,” I said. “Do you think you can do that?”

“Yes,” she said.

“Are you okay with having one of my dirty whores take care of filming us?” I asked.

“Yes,” she hissed.

“She’s coming out now,” I said. “Don’t pay any attention to her. I have a candid video of her first ass fuck too.”

I whispered the last statement because I did not tell my Aunt Leanne that I had secretly filmed our first session and took the video she recorded of it.

“Okay,” she said.

Right then, Aunt Leanne came out of the closet and took a better position to capture our full anal penetration.

“Don’t look,” I instructed April as I slowly pulled my cock most of the way out of her clamping asshole, making her gasp. “Keep looking in my eyes and enjoy your first ass fuck. You can only get one first ass fuck, so enjoy it.”

April had to put some effort at first to ignore our camera woman, but she soon forgot all about her. Aunt Leanne stayed out of our way anyway, but was always in the right place for the best angle.

It took a few minutes of slow gentle thrusts to warm up April’s asshole for fucking at an easy pace. By then, her instincts took over, and her asshole milked my cock nimbly. I took her hot ass with long smooth strokes, making her moan and gasp delightfully while pushing her ass for more every time.

“Are you enjoying your first ass fuck as much as I am enjoying it?” I asked.

“Maybe more” she gasped.

“I love fucking your magnificent ass so much that may not be possible,” I said.

“I am so happy we are both having a wonderful time,” she gasped. “I’ve never had so much fun before.”

“You turned out to be a very sexual woman,” I said.

“Yes,” she hissed.

She was ready to come at any time, but I wanted to build up a huge orgasm for her, so I maintained an easy pace for a long time. We were in no rush. I was enjoying myself, and so was she. After ten minutes of feeling her leaking pussy juices lubricate my cock and her asshole, I decided it was time. I did not want to subject her inexperienced asshole to more heat and friction than it could handle. I picked up the pace and had her coming within a minute. As she convulsed wildly, I pounded her twitching asshole like a battering ram. She shook ecstatically, gasping, but I drilled her asshole mercilessly. She almost fainted before her long hard orgasm subsided, leaving her limp and spent.

Her intense orgasm did not leave her enough energy to smile. She gave me a weak smile as she gasped breathlessly. I smiled at her, holding my cock balls deep up her content ass. I gave her a peck on her lower lip.

“Was it good?” I asked, smiling.

“It was wonderful,” she gasped. “It was like nothing I’ve ever experienced or dreamed was possible.”

“So are you, baby,” I said. “If your ass hadn’t been spectacular, it wouldn’t have come like that for me.”

“Nick, you are absolutely the best,” she said appreciatively. “Now I understand what you said before.”

“You are the best first timer I’ve ever had,” I said. “I am sure you’ll be my best girl ever.”

“Is that what you say to every girl you fuck?” she teased.

“Yes, if she’s the best,” I smiled. “It’s going to be difficult and probably impossible to say it ever again.”

She let go of her heels and pulled me for a long passionate kiss that left both of us breathless.

“Nick, do you think I won’t die if I let you fuck my horny ass like that a few more times?” she asked.

“Do you care?” I asked.

“Not really,” she said.

“I do,” I smiled. “You won’t. I won’t put an end to enjoying you and your wonderful ass.”

“Please fuck my ass again,” she said, blushing.

“I won’t fuck your stupendous ass until you die but until you think you died and went to heaven,” I smiled.

“Please do that,” she said softly as I withdrew my cock, preparing for the first thrust in her second ass fuck.

She grabbed her heels, and I proceeded to fuck her incredible ass. I started with long slow strokes, appreciating and savoring the feel of her untrained tight ass instinctively enjoy her first cock. Her sweet asshole milked my cock like only a virgin asshole could, and I loved it.

“I love fucking your breathtaking pure ass,” I said. “I feel like I am in heaven.”

“It’s no longer pure,” she gasped.

“It feels pure to me, and I know what a pure ass feels like,” I said. “It’s still fresh and untarnished. It takes a while to corrupt an innocent ass like yours. I am going to enjoy it as much as I can.”

“That sounded like a great compliment,” she gasped. “Thank you.”

“Thanks for sharing this wonderful ass with me,” I said.

We fucked silently for a while. I still did not want to wear out her inexperienced asshole, so I ended it with another spectacular orgasm that left her breathless. I kept my cock in her ass until she recovered.

“Nick, I don’t know how I can ever repay you for the most wonderful feeling in the world,” she said dreamily.

“If you could make me the happiest man in the world and did, would you want me to pay you back?” I asked.

“Of course not,” she said.

“I wouldn’t want you to pay me back either,” I said. “Seeing you happy is more than any payment I’d ever deserve or ask for, but, in this case, at best we are even because I am enjoying myself to no end in every way.”

She pulled me for another long passionate kiss that was hotter and longer than the first one.

“I am going to give your sizzling ass a break and use your juicy pussy,” I announced.

“Have you had enough of my ass already?” she asked with disappointment. “I thought you liked it.”

“I’ll never have enough of your lovely ass,” I said. “I only don’t want to fuck it out of order. It’s still new.”

“Thank you for your thoughtfulness,” she said.

“Are you sure it isn’t selfishness?” I teased.

“Yes, I am sure,” she smiled.

“Do you want to taste your delicious ass on my cock first?” I asked.

“Yes,” she said.

Keeping her in her position, I popped my cock out of the sizzling asshole and gave it a very deep kiss. She moaned, and her asshole nibbled my tongue as it probed it deeply. I broke the kiss and straddled her.

Her mouth eagerly welcomed my cock. I fucked her mouth gently for a few minutes. She tilted her head back, and I thrust in her throat. We enjoyed that deep throat fuck for a few more minutes. She sucked my cock on the way out and provided resistance to it on the way in. I finally pulled out and shoved it in her drenched pussy, making her grunt.

She held her heels as I fucked her pussy through two wild orgasms. I then dragged my dripping cock to her anal entrance. She moaned as I slowly skewered her ass with my entire shaft. I kept my cock balls deep in her ass and proceeded to kiss her face all over. I concluded by giving her a long passionate kiss, gently grinding my cock into her ass. We looked dreamily at each other as we broke the kiss.

“I love feeling your wonderful ass hug my cock like this,” I said. “I don’t have to move and fuck your hot ass. I can enjoy this fantastic feeling for a long time.”

“Me too, baby,” she said. “I love feeling your big cock filling my ass completely, stuffing it to the limit. It makes my pussy tingle and leak constantly.”

We resumed kissing lovingly.

“I wish I could stay in your ass forever,” I said.

“Me too,” she gasped.

“I love you, April,” I said. “I love you as a person. I love you as my sister. I love you as my friend. I love you as my lover. I love you as my slut. I love you as anything and everything you are. I love everything about you. I love being with you, and I love being in you through every hole you have.”

“I love you too, little brother,” she said. “I am your dirty whore forever. Never forget that. Take me however you want whenever you want. I love it when you use me and treat me as your dirty whore that I am.”

“I’ll take full advantage of you, big sister,” I promised. “From now on, you are my dirty little whore.”

“Your dirty little whore now needs a hard ass fucking to remind her of what she is,” she said.

“That’s going to be a great pleasure,” I said, pulling my cock out until only the head remained inside her ass.

She gasped and smiled as I got ready to ram her eager ass.

During the following twenty minutes, she received a vigorous ass fucking that gave her three violent orgasms and spewed a big load of come deep inside her twitching insides.

“I am coming deep inside your amazing ass,” I groaned, slamming my cock all the way up her twitching ass.

“Yes, yes, fill your ass whore with come,” she gasped when she sensed that I was coming.

She trembled and gasped as I pounded her shaking ass even while my come burst into her twitching insides. Her already powerful orgasm intensified. Her ass sucked my come thirstily. That was a huge orgasm for me too. After her anal orgasmic spasms drained my balls in her bowels, she deliberately milked my softening cock with her anal muscles. I pushed into her ass to keep my cock rooted up her ass.

We kissed although our orgasms had left us breathless. Our kisses grew longer and more passionate as we caught our breath. By then, my cock started to harden. I gently ground into her ass as it continued to milk my cock.

“Oh, you are getting hard already,” she smiled. “This is wonderful.”

“I must really like you,” I smiled as I started to fuck her ass gently.

“You apparently do,” she smiled.

Her ass was naturally wetter and more slippery than before, but it was still hot and tight. It still felt wonderful.

“Do you like fucking my come-filled ass?” she asked, feeling the difference.

“I love your ass unconditionally,” I said. “I love fucking it anyway it is. Do you like it?”

“I love it,” she said. “My ass now has your hot come and your big cock. What else can it ask for?”

“It can ask for another orgasm,” I said.

“It knows you are going to give it that,” she smiled. “Aren’t you?”

“Of course I am,” I said, picking up the pace.

Due to the position and depth I used fucking her ass, my come got driven up her colon. Her ass soon lost the creaminess caused by my come as her bowels absorbed it. By the time her asshole was twitching in preparation for orgasm, her ass was as tight as before if not tighter. I pounded her receptive asshole as hard as it could take, spanking the back of her ass with my recharging balls until her orgasm took control of her. She stiffened and started to convulse uncontrollably. I drilled her ass solidly through her orgasm. I only slowed down to refresh the lube on my cock. I picked up the pace and resumed hammering her ass for the next twenty minutes, giving her five fierce orgasms. She gasped and shook continuously.

Before she could catch her breath, I rolled her over without taking my cock out of her ass. She was soon lying prone, and I was on top of her thrusting in her ass. I pounded her trembling ass through a wild orgasm before I slowed down. I ground into her ass gently while kissing the side of her face as she continued to gasp for air. It took her a couple of minutes to catch her breath enough to be able to talk coherently.

“Nick, that was amazing,” she gasped. “If you keep fucking me like that, I won’t be able to move for days.”

“I am giving you a break,” I said. “After you rest, you are going to ride my cock like a champion jockey.”

“You make sure to keep your cock up my ass while I rest,” she gasped.

“My horny big cock doesn’t want to leave the tightness and heat of your luscious ass anyway,” I said.

“Tell your wonderful cock that I love it,” she gasped, squeezing my cock with her asshole.

“It can hear you,” I said, flexing my cock inside her ass. “You already know it loves you too.”

“Love’s a wonderful thing even between a man’s big cock and a woman’s horny ass,” she gasped.

“It’s wonderful especially between a horny man’s horny big cock and a hot woman’s hot tight ass,” I said.

“Do you love me as much as your big cock loves my ass?” she asked.

“I have no idea,” I said. “All I know is that I love you incredibly much and my big cock loves your ass incredibly much. What about you? Do you love me as much as your sizzling ass loves my big cock?”

“I can’t tell either,” she said. “I thought you’d be able to help me figure that out.”

“I’d rather fuck your hot ass than think about these complicated issues,” I said.

“Me too,” she said.

“Are you ready to squat on my big cock and ride it for all you are worth?” I asked.

“I am not fully recovered, but I don’t think I’ll ever recover when you are around me,” she said.

“You’ll have to learn how to deal with that,” I said, pulling out of her relaxed asshole.

“I am ready for my first lesson,” she moaned as I gave her asshole a French kiss, sticking my tongue inside it.

“Go for it,” I said as I rolled onto my back.

My hard cock stood up like a flagpole. I grabbed the lube and gave it a fresh layer. She straddled me, and reached behind her ass to hold my cock and guide it into her asshole. She let out an appreciative moan as her asshole slid down my cock to my balls. She paused and flexed her asshole around the base of my cock. I flexed my cock in return.

“I love this,” she smiled.

Her lush tits looked appetizing. I reached out and proceeded to fondle them as she bounced on my cock at an easy pace that accelerated slowly. I pulled her down and feasted on her tits, squeezing the firm orbs and sucking the sweet nipples. Although that made it harder for her to ride my cock, it motivated her to pick up the pace. I thrust in her bouncing ass, meeting her strokes and making sure her hot ass was fully impaled on my cock every time. That spurred her to ride me faster. She gasped, and her asshole twitched constantly. She however maintained her pace until she shook in orgasm. I wrapped my arms around her and pounded her ass until she went limp, collapsing on top of me.

While she caught her breath, we kissed, and I thrust gently in her ass.

“Put it in your pussy and give your ass a break,” I instructed.

She complied readily, but did not pick up the pace right away. That was not a full break for her asshole anyway as I plugged her asshole with two fingers. I left them motionless all the way up her ass until she started to come. At that point, I used them to fuck her twitching asshole fast and hard until she collapsed on my chest, gasping for air. While we kissed, I guided my cock back to her asshole.

“Sit up and turn around,” I instructed when we broke the kiss.

She gladly obliged me.

“Lean forward and maintain your position,” I said, raising her ass three quarters of the way up my cock.

As she held that position, I guided her hands to her ass. She spread her ass, and I proceeded to thrust in her offered ass. I watched my hard cock stuff her tight ass repeatedly until she convulsed in orgasm. I held her waist, steadying her until her orgasm subsided.

While she recovered, I sat up and moved onto my knees. We smoothly moved into the doggy position without letting her ass lose my cock. I adjusted her position for maximum penetration before I grabbed her full tits and proceeded to skewer her ass hard and deep at a brisk pace.

“I am going to fill your hot ass with my sticky come,” I said when her orgasm approached. “This time you are going to let my come leak into your hand and eat it.”

She stiffened and came. I tightened my grip on her tits and drilled her wobbly frame until my cock swelled as my own orgasm hit. I slammed my cock all the way up her ass and let her anal spasms suck all my come out. She shook, and her convulsions intensified as she felt me spew my come into her twitching ass. When her orgasm subsided, I thrust in her ass a few times, letting her asshole milk out the last drops of my come.

“Squeeze your asshole tightly,” I said as I pulled her by her tits upright.

She squeezed her asshole as I slowly withdrew my softening cock.

“Leak it all in your hand and lick it up,” I instructed.

She squatted and let my come leak into her open palm. I watched that obscene scene, feeling my cock regain its hardness. She let my come dribble out of her asshole for a minute before she wiped her sticky asshole with her fingertips. She brought her hand to her mouth and lapped up all my come, looking in my eyes. When she was done, she sucked her slimy fingers lewdly. I stood up, bringing my hardening cock to her mouth.

“Oh, you are not through with me yet, are you?” she smiled up at me as she took my sticky cock in her hand.

“Check back with me after I pump three more come loads in your body,” I said, flicking my cock on her lips.

“Do you think I can handle that?” she asked.

“Of course you can,” I said. “Your magnificent body was made for fucking. It can handle that.”

“I sure hope so,” she said. “I’ll give it my best shot.”

“I know you will,” I said. “I’ll give you three come shots. I’ll shoot once in your pussy, once in your mouth and once in your ass. If you want more, just ask nicely.”

She silently took my cock in her mouth and proceeded to suck eagerly.

As it turned out, she did not need more. We fucked in as many positions as we could think of, changing paces frequently. She came more times than she could keep track of, and she was completely exhausted by the time I shot my last come load deep up her well-fucked ass.

“I am done for a long while,” she announced almost inaudibly.

That did not mean I was done though.

“I am ready to rape somebody,” announced Aunt Leanne as April lay, gasping breathlessly next to me.

“We can’t let you need to rape anybody after what you’ve done for us,” I said, inspecting her pussy and legs.

Aunt Leanne’s pussy was swollen and her juices had literally run all the way down to her ankles. She needed my cock desperately. Thankfully, she was easy to satisfy after all what she had been through.

“Lie back and let me take care of your drenched pussy,” I instructed Aunt Leanne.

Aunt Leanne lay back, and I dove between her thighs. By the time she came in my mouth three times, my cock was rock hard and ready to cut diamond. I licked her needy asshole for a few minutes before I pushed her legs over her head and shoved my cock into her horny asshole.

April watched Aunt Leanne come ten times in the following half hour as my cock pounded her hungry responsive ass mercilessly. April was too tired to resist Aunt Leanne when she brought her mouth to her sticky pussy. Before long, April was grinding her leaky pussy into Aunt Leanne’s eager mouth. She came in her mouth five times, helping her replenish some of the pussy juices she lost throughout the night. I came in Aunt Leanne’s ass half a minute before the three of us fell asleep at four in the morning.

It felt like a different world when I was conscious again. Actually, I did not know whether I was conscious or not. It felt as if somebody was fucking or sucking my hard cock, but I could not tell whether it was real or it felt that way because I had had so much sex my mind was in overdrive. It took me several minutes to find out that I was actually awake and that indeed two mouths were taking turns sucking my hard cock. It took me a few more minutes to be able to react. It was already past ten in the morning. I finally remembered where I had been and who those two lovely angels that had been sucking my cock were. They continued to suck my rock hard cock silently until I spoke.

“Good morning, my sexy cock sucking beauties,” I finally greeted, my voice croaking.

“Good morning, stud,” greeted Aunt Leanne as April sucked my cock.

“Good morning, little brother,” greeted April. “It’s about time you woke up. Our aunt needs to go home. You need to fuck her and send her home happy.”

Aunt Leanne got on all fours, lewdly thrusting her ass my way.

“Give her some come to take home,” said April as I slid my hard cock up Aunt Leanne’s well-lubed ass.

Aunt Leanne pulled April underneath her. She went home a happy woman an hour later. My cock spent most of that time in her ass. Her pussy and April’s mouth shared the remaining time. April had her first taste of pussy while she watched me skewer her aunt’s stretched asshole up-close and personal. They came in each other’s mouth several times before Aunt Leanne’s content ass took my morning come load home.

April revived my cock with her mouth, getting her first taste of her aunt’s ass on my cock.

“Now, take care of your hostess,” invited April, getting on all fours.

“Today your ass will be on vacation,” I said, sliding my cock all the way into her dripping pussy. “I don’t want to fuck it out. I’ll come back to it tomorrow.”

“That sounds good,” she gasped. “It feels tingly already. It must have been fucked too much last night.”

“It was fucked enough last night,” I corrected, grabbing her tits. “Now, I’ll take care of your pussy and mouth.”

“That sounds like fun too,” she gasped.

“Whether your ass is on vacation or not, it always has to be clean inside out, lubed and ready for my big cock,” I said. “You have to take an enema every morning and keep your hot asshole lubed. Always carry lube in your purse.”

“I will,” she promised.

She swallowed her first come load of the day before we had a very late breakfast in the early afternoon.

April and I went out to the mall, and she bought sexy clothes to wear for me, including a hot outfit to wear on our Saturday night out. Her tight dress without underwear helped her turn most heads at the mall. I made sure her nipples were stiff and her pussy was wet all the time. On the way home, we stopped at a sex shop and bought her sex toys. It was a very enjoyable drive as my hard cock spent most of the time in her mouth.

In the evening, April and I went out for dinner and dancing. I made her come several times at the restaurant and in the dance club. I even fucked her in the parking lot and came in her mouth. She revived my cock on the way home. I left her ass alone the rest of the night and worked on her pussy and mouth, coming in her mouth as many times as I came in her pussy. She always ate my come out of her pussy, leaving it squeaky clean.

April was still used to going to church. I slept through it. When I woke up, she was back and was sitting astride me, my cock balls deep up her ass.

“My pussy was leaking throughout the service,” she said.

“I am glad that you finally found out that church’s a place of joy not boredom,” I teased. “Imagine what religious experience it would have been if I sent you to church with a big come load deep up your hot ass.”

“That would have been blasphemous,” she said.

“Enjoying your time at church shouldn’t be,” I said. “The question is would it be fun or not?”

“I obviously would,” she said.

That was how we started Sunday. I took it easy on her asshole in the day and fucked it silly in the evening because she would take a break the next day at work. Her ass had my cock two thirds of the time. Her pussy and mouth shared

my cock the rest of the time. Her mouth and pussy swallowed one come load each, and her asshole swallowed eight come loads. Not all were big though.

“I am getting spoiled,” she said as we lay back in bed. “How am I going to live when you go home?”

“You are now catching up,” I said. “After that, we’ll have to get together more often than before.”

“More often than before?” she said sarcastically. “I can never go without this for a week.”

“I thought you were not sexual,” I teased.

“I was not,” she said. “Now I am a nymphomaniac thanks to you.”

“Don’t blame me for your wonderful change,” I smiled. “I didn’t do anything to you. I just gave you all the cock you needed, and you showed your true colors—my favorite colors.”

“I have to thank you,” she said. “Whatever you did, if it were not for you, I’d still be a prude.”

“Now, you are my slut,” I said. “I’ll take care of you. Don’t worry.”

“I am considering taking vacation days to spend the week with you,” she said.

“You shouldn’t,” I said. “We need to rest and recuperate when you are at work, or we’ll kill each other.”

“What will you be doing while I am at work?” she asked.

“I can rest or fuck other women,” I smiled. “Don’t you have any pretty neighbors staying at home?”

“No,” she said disparagingly. “All my neighbors are dog ugly too.”

“They have to do while you are out,” I teased.

“I don’t want to share you with anyone on our honeymoon,” she said.

“Is this our honeymoon?” I asked.

“Yes,” she said. “The least fuck you gave me was superior to my entire honeymoon with Keith.”

“That’s a great compliment,” I said. “Thank you, but you’ve already shared me with Aunt Leanne.”

“The poor woman had been filming us for eight hours,” she said. “I couldn’t send her home like that.”

“Okay, I’ll watch television, sleep or do whatever while you are at work,” I said.

“That’s much better,” she smiled.

On Monday, I woke up at ten in the morning. I ran for half an hour and then took a shower. I found their computer and surfed the web for an hour. I also found pornographic material in a hidden directory. It was all commercial, but it was hot and uninhibited. Come facials, eating come and ass fucking were very abundant. Keith was a pervert.

Although I did not have much hope to find anything in the house, I decided to busy myself by snooping around. Keith might have hidden something here or there. It was a little challenge that I wanted to take. I thought if he had such things, he must have hidden them from my sister. That excluded obvious places such as the closet unless he had hidden them in uninteresting places, such as toolboxes. I decided to start with the den and then check the garage. I doubted I would find anything in the garage, so I decided to leave it for another day and concentrate on the house first. Since I was already in the den, I decided I would search it thoroughly.

Fifteen minutes into my search, I found four camcorder tapes in a CD box covered with other junk. Initial inspection of the tapes showed that they had different designs although they had the same brand and model. That suggested that they were not bought or shot at the same time. They were obviously used but not labeled. I needed a camcorder to be able to view them. I quickly found out that their camcorder was not in the den. I checked the bedroom

closet and found it there. It took me a couple of minutes to hook the camcorder to power and the television in the living room. I held my breath as I played the first tape, hoping it would be worthwhile.

The television screen soon filled with the picture of my mom standing in what had to be the master bedroom of our house. That was odd. It made me nervous. She was wearing a sexy dress I remembered seeing her wear a couple of years back. I only remembered it because it looked too sexy. She was smiling as the camera zoomed in on her. She went down to her knees and waited, her top showing a lot of deep cleavage. A man walked into the picture and stood before her, but the camera only showed him from the waist down. Mom reached out and unzipped his pants. Soon, she had his hard cock out.

Mom did a wonderful job on that lucky bastard whoever he was. She spent nearly an hour sucking his cock in every way possible before she finally let him shoot in her mouth and swallowed his come. She waved to the camera, and the screen went blank. I could not identify that man. The audio track only had moans, groans and grunts.

How did that tape end up there? Did Keith steal it? Who was that man? I could not answer those questions. Ignoring my boner, I rewound the tape and played the next tape. It was nearly the same. The only difference was that mom had a different hairstyle and was wearing a different dress. The man wore different pants. I easily verified that it was the same cock. The third tape was a third marathon blowjob delivered by mom to the same man.

The fourth tape was different. It showed mom sucking and fucking a man I had never seen before. He fucked her in all her holes and came in her mouth and in her pussy. That was even more confusing.

A few minutes later, I finished returning everything to its place, and I was wondering about what I had just seen. It did not make sense that mom would give those tapes to Keith. Although it was theoretically possible that the man in the blowjob tapes was Keith, the fourth tape was definitely of a different man. Why did Keith have those tapes? Stealing the tapes did not make sense either. The tapes were also different from the ones I had seen before. Mom was usually in a group orgy where you can see everybody.

Why did not the first man fuck mom? After thinking about that for half an hour, I decided that I could not answer those questions without asking Keith or mom. If I asked either one, I would have to explain how I found those tapes. Practically there was no way for me to find out. I had just stumbled across something that I could not make sense of. It did not have any entertainment value either since I had already known about mom and her sexual skills. The only new thing I learned was that Keith knew that mom played. I did not even know if he knew that dad was involved or not. Did he resent mom, dad, his wife or even the rest of us? It was just confusing. Why did I do that? I started to regret snooping around Keith's home office. As they say, you win some and you lose some.

My brain was in turmoil for a while. I finally decided to take a nap. It was not easy to find sleep, but I managed after fifteen minutes of tossing and turning. I woke up at five very hungry and horny.

After looking in the fridge, I decided to prepare dinner for April and me. I looked up recipes on the web and made a steak for me and a salmon filet for her. I steamed vegetables and tossed green salad. Within half an hour, dinner was ready. I set the table for her and left the salmon and vegetables in the oven to keep them warm while I gulped down my steak. It was not gourmet steak, but it was more than worth the effort.

When I heard the garage door open, I waited for April behind the door. She was startled for a second when she opened the door to find herself in my open arms. We kissed passionately for a minute, and I fondled her tits and felt up her ass through her clothes. When we broke the kiss, I nudged her shoulders down. She squatted down and pulled my shorts down to be greeted by my big boner.

“This is the best thing to come home to,” she smiled up at me.

“Enjoy,” I said.

We both enjoyed the next ten minutes as she sucked and deep throated my cock eagerly. I pulled her up and bent her over the counter. I hiked her skirt and pulled down her panties.

“You are not supposed to wear panties,” I said, slapping her ass playfully.

“I was at work,” she said.

“You are my slut wherever you are,” I said as I grabbed her hips and slammed my cock into her wet pussy, making her grunt. “Don’t wear panties.”

“Okay,” she gasped as I pulled back for the next thrust.

“I’ll let you get away with wearing bras at work,” I said, squeezing her tits through her top.

“Thank you,” she gasped.

She came twice in the following ten minutes. I took her panties and skirt off and led her to the dining table.

“Dinner’s ready,” I said, pulling a chair for her.

“Oh, thank you,” she said.

While she had her salad and drink, I went to the kitchen and brought her main course.

“Is it my birthday?” she smiled when she saw my creative presentation.

“Every day in your life is at least as special as somebody else’s birthday,” I said.

“That’s so sweet of you,” she said.

“Now, spread your legs and enjoy your dinner,” I said as I went under the table.

“This is really a fancy dinner,” she said.

Her pussy was drenched after she came twice on my cock. I probed her juicy pussy and cleaned most of her juices out before I went for her clit. I soon had one and then two fingers in her asshole. With my tongue in her pussy and my fingers in her ass, her dinner was more enjoyable than ever and took longer than ever—enough time for her to come in my mouth four times.

“Are you ready for dessert?” I asked as I came up from under the table.

“This looks like a royal dinner,” she said as I walked to the freezer.

She smiled as I pulled out a plate with a scoop of ice cream. I added hot fudge to it and took it to her with a spoon. I set the plate on the corner of the table and aimed my cock at it.

“The only thing missing is the whipped cream,” I said.

Holding the spoon in front of my cock so my come would not shoot out of the plate, I started to jack off. Her mouth watered as she watched me work on the finishing touches for her dessert. Soon, my come was shooting into the spoon and dribbling onto the fudge. When my come diminished, I aimed my cock at her face. She licked the sticky tip clean and sucked it gently.

“Enjoy,” I said as I laid the spoon on the edge of the plate.

“Thank you,” she said, smiling.

Before she tasted the first spoon of her special dessert, I was dipping my tongue in her juicy pussy again. I had a finger in her pussy and another in her ass as I worked her clit tantalizingly throughout her dessert, letting her come only when she was done.

“This was the best dinner I’ve ever had,” she said as she got up off the table.

“I am glad you liked it,” I said, pulling her to me.

“I loved it,” she said as I wrapped my arms around her.

We kissed passionately while I rid her of her bra and blouse, leaving her naked.

She smiled when I bent her over the dining table. I shoved my hard cock into her pussy and fucked her to orgasm. I then guided my dripping cock to her asshole and fucked her ass to another orgasm. I switched my cock between her pussy and ass several times, making her come each time. I finally pumped my come deep inside her twitching pussy. She let my come drip into her palm and licked it all. She sucked my cock clean before she went to the bathroom.

We met again in the bedroom an hour later. I fucked her ass almost exclusively for two solid hours, pumping three come loads up her bowels. She let two of them out and into her bowels from the other end. We then went to bed.

On Tuesday morning, I fucked April in the shower before I sent her to work with a come load deep in her ass.

“Nick, you are bad,” she said at the door after I kissed her goodbye, feeling up her bare ass under her skirt. “I won’t be able to think about anything but your big cock at work.”

“That will make sure you won’t forget that you are my dirty whore while at work,” I said.

“I can never forget that I am your dirty whore,” she said.

“You are a good girl,” I said.

While she was at work, I used the computer to look up a good sex shop that had a good selection of sex toys. I took Keith’s Mercedes and bought her a butt plug and a dual-ball pussy toy. The butt plug was six inches long and two inches in diameter at its thickest part. The pussy balls were one and a half inches in diameter. Those were my gift to her. The ones she bought on Saturday were her own.

Bad habits die hard. I spent most of the days while she was at work snooping around. I found Keith’s porn stash hidden somewhere in the den. I also found digital movie versions of the four movies on his computer. I also found a hidden high-resolution solo photo shoot of mom next to the digital movies.

When April came home, another dinner was waiting for her, but she went straight to my cock as if she had been starving for it. Her dinner was a variety on the same theme. This time I provided white dressing for her salad.

“Nick, Keith called me this morning while you were asleep and said he’d be arriving on Saturday afternoon,” she said when we took a break in bed. “When are you going home?”

“I should leave on Friday to give you some time to rest,” I said.

“I am going to take Friday off so you can properly fuck me goodbye,” she said. “I want you to fuck me royally. I don’t know when you are going to fuck me next.”

“You don’t have to worry about starving for my cock,” I said. “I’ll take care of you.”

“I know,” she said. “I only want to end our honeymoon properly.”

“I appreciate this sweet gesture,” I said, pulling her for a passionate kiss. “I’ll call mom tomorrow and tell her to take me home at four on Friday.”

“That would be perfect,” she said.

“I’ll give you a serious fucking and get you ready for your husband’s homecoming,” I assured.

Before April left to work on Wednesday, I bent her over the hood of her car and fucked each of her pussy and ass to orgasm, leaving a nice come load in her ass. I retrieved the butt plug from my pocket as I gently pulled out. The butt plug was already lubed. I popped it in her ass, making her gasp at its coolness and moan as it stuffed her ass.

“What’s that?” she asked, startled at the unexpected intrusion.

“It’s a butt plug,” I said, smoothing down her skirt. “It will make sure you won’t bury yourself in work and forget what you are. It will make it easier for you to keep my come up your hot ass too.”

“You are so wicked,” she said as she stood up and turned toward me.

“You are a good girl,” I smiled, nudging her shoulders down.

She cleaned my sticky cock thoroughly and pecked me on the lips before she got into her car.

“Even women working in the sex industry don’t leave home as horny as I am,” she said through the window.

“Have fun at work, big sister,” I waved.

When April came home, I met her in the garage. I opened the driver door for her.

“Welcome home, big sister,” I greeted, thrusting my hard cock in her face.

She eagerly opened her mouth wide and took my cock in, mumbling contentedly around it. I soon bent her over the hood of the car and fucked her pussy through three orgasms within five minutes. The butt plug up her ass provided visual and physical stimulation to my cock and made her pussy tighter.

“I almost left work on the lunch break to come here and let you fuck me silly,” she said.

“You know I wouldn’t have fucked you then,” I said.

“I knew that, but I was so horny,” she said.

She sucked my dripping cock clean before I led her to her dinner. My cock provided sauce for her meat.

On Thursday morning, I fucked April’s pussy in the shower and fucked her ass in the garage. I came in her ass and plugged it with the butt plug. I then inserted the dual-ball toy in her pussy. The butt plug helped keep the pussy toy in her pussy more securely.

“Nick, you are making it so hard for me to concentrate on my work,” she moaned as I licked her sticky pussy.

“You have to practice controlling your thought processes better,” I said.

“My fuck holes are so full of these toys my drive to work is going to be a challenge,” she said, squatting down.

“I am sure you can manage,” I said, pulling her head to my sticky cock.

She mumbled unintelligibly as she closed her mouth around my softening cock.

“Be a good girl and come home ready for my big cock,” I said when she stood up.

“I’ll try not to rape somebody at work,” she said.

“I’ll try not to rape you when you come home,” I said.

“If you don’t rape me, I’ll rape you,” she said.

“Don’t worry,” I said. “We’ll figure something out.”

When April came home, she came while we kissed as I squeezed her plugged ass and ground my cock into her stuffed pussy. I went down and licked her drenched pussy into another orgasm before I got up and nudged her shoulders down. She sucked my cock very hungrily. I led her to the kitchen and bent her over the counter. I unplugged her ass and put the butt plug in her mouth. I fucked her ass hard until she came four times. That did not take ten minutes. After that, I returned the butt plug to her ass and led her to dinner. This time, my come went to the chocolate milk shake she had for dessert.

“It felt as if I was getting fucked in my pussy and ass all day but not allowed to come,” she said as I laid her back on the sofa in the living room and went for her pussy. “I am not sure I worked for a penny all day.”

“You sound like you need some vacation time,” I teased, working the butt plug in and out of her ass.

“I am on vacation tomorrow,” she said. “Fuck me until mom rings the bell.”

“Are you sure you want me to stop fucking your cock-hungry fuck holes when she rings the bell?” I teased.

“I am not sure yet,” she said. “I hope I can handle that when the time comes.”

“Maybe I should keep fucking you until mom picks Keith up at the airport,” I teased.

“Oh,” she moaned. “That would be perfect if we could pull it off, but we’d need to tell her why she needs to pick him up at the airport instead of me.”

“Mom’s a smart woman,” I said. “I think she can figure it out when she hears your moans and gasps over the phone when you ask her to do you that favor.”

“You think she’d do me that favor if she knew why I need it?” she asked.

“Sure,” I shrugged. “It isn’t a big deal for her to do it, and she’d understand why it’s a big deal for you.”

April and I did not waste any time. That night, we fucked to four in the morning because she had Friday off. Her hot asshole had a thorough workout that we both enjoyed. We used lots of lube to minimize heat and friction and keep our equipment in working order throughout our hard fucking for the longest time. We had a quick food break around midnight. She had tens of gut-wrenching orgasms. I shot the first two come loads down her come-thirsty throat and pumped two loads in her twitching pussy. I spewed the remaining six come loads up her fluttering ass. In the end, we were so sticky we had to shower before falling asleep like logs.

At ten in the morning, we resumed fucking like there was no tomorrow. We fucked in every room in the house, by the pool and in the pool. We only did not fuck on the front lawn. We were hungry by noon, so we had a quick lunch and resumed fucking in the living room. At two in the afternoon, I was sitting back on the sofa, and she was squatting astride me in the anal Asian cowgirl position with my hands going under her knees and clasped behind her back. Her ass was fully impaled on my hard cock and she was panting after she had a wild orgasm.

“Big sister, did you enjoy becoming my dirty little anal whore?” I teased, gently rocking her on my cock.

“I loved it, little brother,” she said. “It was the best thing anybody has ever done for me.”

“I am so happy it worked out for both of us,” I said. “I am very proud of you. You are a wonderful girl.”

“Being your dirty little ass whore is so good sometimes I can’t believe it’s real,” she said. “It’s really amazing that I had never dreamed it could ever happen. Sometimes life’s stranger than fiction.”

“I am so happy your lovely ass is finally all mine,” I said. “It’s my greatest trophy.”

“Your big cock in my ass is my greatest trophy too,” she said, squeezing my cock tightly with her ass.

“I intend to take very good care of my trophy,” I said, thrusting in her ass.

“Me too,” she said, squeezing my cock with her ass again.

Our lips met, and we had a long passionate kiss. I gently thrust in her ass while we kissed.

When April and I broke the kiss, mom and Alex were standing a few feet behind April, smiling at us. April could not see them. I pulled her into a new kiss, and, while we kissed, I gently worked her ass up and down the entire length of my cock, making her moan in my mouth.

“Nick, I knew you could do it,” said Alex, startling April as she rushed to us. “Hi, April.” April tried to get off me, but I held her tightly. Alex hugged her from behind and kissed her on the cheek. “Hi, Nick.”

“Hi, April and Nick,” greeted mom.

“I missed you so much, Nick,” said Alex and pecked me on the lips.

“Me too,” mom said and gave me a peck on the lips.

April was speechless. She tried again to get off me, but I held her still.

Mom sat on my right, and Alex sat on my left.

“I see that you managed to find something in common you both enjoy,” teased mom.

“I am happy to say that April’s company has been extremely enjoyable,” I said, pulling my cock out a little and then pushing it in. “I wish she and I would never have to part.”

“Nick, are you fucking mom and Alex?” asked April, speaking for the first time since Alex and mom came in.

“Yes, April,” said mom. “We are glad you have now joined the club.”

“Nick, I want to be the first to taste her ass on your big cock,” said Alex.

“I want to be the first to taste your come out of her well-fucked ass,” said mom.

Alex was in luck. When I fucked April and Aunt Leanne together, Aunt Leanne was so horny she tasted April’s luscious ass neither on my cock nor directly.

“April, do you want to share?” I asked.

“Haven’t they shared you with me already?” said April. “Can I say no now?”

“Of course you can,” I said. “That would only earn you a spanking until you say yes.”

“I’ll just say yes from the start,” she said.

“You’ve always been a wise girl,” I said.

“She may not be that wise in this,” said mom. “She could be missing a very enjoyable spanking.”

“I can still try that later,” said April.

Alex meanwhile knelt on the floor and pulled my cock out of April’s ass. I spread April’s cheeks to show her how her big sister’s asshole gaped after being well satisfied.

“April, you have a very beautiful asshole,” said Alex. “No wonder Nick doesn’t ever want to leave it alone. I am going to taste it on his cock first, but I’ll soon be eating it raw.”

Alex pounced on my hard cock like it was her last meal. She moaned outrageously around it, letting us know how much she enjoyed it. I filled April’s ass with the index and middle fingers of each hand and pulled her ass up, bringing her tits to my mouth. I sucked her nipples for a few minutes before I helped her dismount me and sit to my left. The

three of us watched Alex deep throat my cock hungrily for a couple of minutes with my arms draped over April and mom's necks. I fondled April's bare tits with one hand while the other squirmed inside mom's top.

"April and mom, get down and join Alex," I instructed, pinching one stiff nipple of each for the last time. "Give my big cock a royal blowjob. Show it how much you all love it."

"I don't need any help to give you that," protested Alex as her sister and mom knelt on either side of her.

"Make it imperial," I said. "Whatever it is, you can't give me a three-woman blowjob without help. If you are too greedy for that, you can sit back and watch."

"That would be too stupid, not too greedy," she said.

"Alex, what brings you here?" asked April as mom took over sucking my cock. "You don't usually tag along."

"I missed you," said Alex as she helped mom out of her dress. "I also wanted to see how my prudish sister has been doing living alone with a free roaming stud with a rampant big hard cock. I knew you wouldn't be prudish anymore, but I had to see my prissy sister take it up the ass with my own eyes."

"Did you like what you saw?" teased April, helping Alex out of her dress.

"I liked what I saw and loved what I tasted," teased Alex. "I want to see and taste more."

"I didn't know that you've grown into such a slut," teased April.

"You should have figured that out on your own, judging by what happened to you in just one week," said Alex.

"I guess you are right," said April. "I am no longer your prim and proper sister."

"You still are," said Alex. "The only difference is that now you know what's good for you."

"You don't know that yesterday Nick sent me to work without panties and with his come and a big butt plug up my ass and another toy filling my pussy," said April. "How is that for prim and proper?"

"That depends on how you behaved at work," laughed Alex. "Did anybody notice anything unusual?"

"Maybe not, but I was so horny all day I went through half a box of tissues wiping my leaky pussy," said April. "I thought people could smell my pussy a mile away."

"I bet that made your pussy even wetter," giggled Alex.

"It did," admitted April.

"You are still my prissy sister, and this hot cocksucker's my prissy mom," smiled Alex. "I love you all more."

"I guess that makes us a model American family," I said.

"If you can think of anything that can make us a better family, don't hesitate to suggest it," said Alex.

"All I can think of now is having you put your sweet mouths to good use," I said.

"What's new?" teased April.

"That reminds me that I also came over to keep him company in the backseat on the way home," giggled Alex.

"You didn't think I'd tire him?" asked April.

"I know Nick more than you do," said Alex. "He'll fuck the three of us here and fuck me on the way home like he hasn't had sex in a week, and he won't be done for the day. Isn't that right, Nick?"

"That depends on you, baby," I said. "If you are up to it, I am."

"Did you hear that, April?" teased Alex. "He's a model brother."

“Oh, I did hear that,” said April. “He might have fucked me blind, but he hasn’t fucked me deaf yet.”

“This is not a social club,” I chided. “Mom doesn’t mind that, but you are down there on your knees for a reason.”

“Sorry, Nick,” said April, “but I didn’t want to yank your cock from mom’s mouth.”

“There will be no yanking,” I said “The three of you will suck my big cock as if you were one masterful cocksucker with three heads. You’ll do your best to please me extremely—not to please yourselves or one another.”

“We’ll do that, Nick,” said April before she brought her mouth to the base of my cock.

“I know you wouldn’t disappoint me,” I said, ruffling April and Alex’s hair.

Alex’s mouth joined the party. It was hard to keep track of how my cock changed tongues, lips and throats, but the sensations were exquisite and were constantly getting better. They became an amazing cock sucking team.

“Alex, is your hot ass ready?” I asked after enjoying that imperial treat for fifteen minutes.

“It always is,” said Alex.

“Hand me the lube and get on your knees right here,” I said, patting the cushion on my left.

Alex quickly handed me the lube from the cocktail table behind her and got into position. I enjoyed my double blowjob while fingering her wet pussy with two fingers and fondling her ass with my free hand. She moaned, her excited pussy milking my probing fingers.

“You really miss my big cock in your ass, don’t you?” I teased, tickling her asshole with my fingertips.

“You know I do,” she moaned.

“April, eat our sister’s horny asshole,” I instructed.

April knelt behind Alex’s offered ass and teased her asshole with her tongue tip while mom had my cock all to herself. Mom eagerly stuffed her throat with my cock repeatedly while Alex happily ground her asshole into April’s mouth. April ate her sister’s asshole as if it were candy.

“Mom, why don’t you taste your big daughter’s asshole plain before you get to taste it filled with my come so you can later compare the original taste with the creamy taste?” I suggested.

“That’s a good idea, but what are you going to do while I do that?” mom asked, letting go of my cock.

“I can take care of myself,” I said as she pulled April’s hips up so she could get to her asshole. “I am a big boy.”

April rose to her feet, bending over to lick Alex’s asshole. Mom knelt behind April and pulled her ass to her mouth. Meanwhile, I lubed my cock. April was soon moaning into Alex’s asshole while grinding her own into mom’s mouth. When my cock had a nice coat of lube, I knelt behind mom and impaled her ass on it. I rocked her ass back and forth over my slick hard cock while she ate April’s asshole. She took over the pace, thrusting her ass into my cock on her own, and I grabbed her big tits. Our pace accelerated as I squeezed her tits and pulled on her stiff nipples. She came before long, shoving her ass into me while her asshole twitched around my cock.

“April, do you want to taste your mother’s tasty asshole on my big cock?” I offered.

“Sure,” said April as I popped my cock out of mom’s ass and got up.

April turned to me as I thrust my cock in her face. She went down to her knees and sucked my cock thoroughly for a couple of minutes. I held the back of her head and fucked her throat gently.

“Lube your kid sister’s cock-hungry asshole so you can watch it get fucked royally,” I instructed.

April took the lube and proceeded to lube Alex’s horny asshole. Meanwhile, mom swallowed my cock and let me fuck her throat. When April was done with Alex’s asshole, she and mom got up and stood on either side of Alex. I bent over and inspected Alex’s pussy and ass. Her pussy was drenched. I aligned my glistening cock with it and pushed

it gently but firmly all the way in, completely stuffing her pussy. She stiffened and convulsed in orgasm. I held her tits tightly and did not move as she uncontrollably shoved her trembling ass into me until she went limp.

“She really misses her big brother,” I said to April on my right.

“She sure does,” said April.

“I told you I did,” gasped Alex.

“You sure did, little sister,” I said to Alex, slowly sawing my cock in and out of her soaked pussy. “I knew you meant it and never doubted you. I knew you were talking about your ass though.”

“Yes,” she hissed as I dragged my dripping cock head along her slippery pussy lips and poised it at her asshole.

“What can I do for you?” I teased.

“You can fuck my ass and never stop,” she said. “Please.”

“That would get mom and April mad,” I said. “You can’t be that selfish.”

“Please, fuck my ass until I can stand not having your big cock in it,” she begged.

“Mom and April, spread this horny girl’s hot ass, and watch her get it impaled on my big cock,” I instructed, holding my cock by the base so it would not slip out of Alex’s asshole.

Mom pulled the near cheek of Alex’s ass out, and April followed her example.

“Alex, take it in very slowly like a lady so they can watch and enjoy your prim and proper act,” I instructed.

Alex squeaked as she pushed her ass back and her asshole popped around my engorged cock head.

“This is so beautiful,” commented April as Alex paused to savor the sensations. “She’s so lucky to have you.”

“Each one of us is very lucky to have the other great members of this wonderful family,” I said. “Right, Alex?”

“Yes,” hissed Alex, slowly pushing her stretched asshole down my hard cock. “I am so lucky to have you all.”

“Alex, does any of your girlfriends ever get to have her mother and sister spread her horny ass so she can impale her little asshole on her brother’s big hard cock?” I asked.

“I don’t believe any of them does,” said Alex. “I don’t think they have brothers with incredible cocks either.”

It was an exquisite sensation as Alex’s tight asshole slowly slid down my cock. My cock was soon balls deep in. She paused for a few seconds and milked it. We both savored the sensations we had missed for a week. I held her tits lovingly feeling her stiff nipples push into my palms. She whimpered, her asshole hungrily clamping at my cock.

“I missed your sizzling ass, Alex,” I said.

“I missed your amazing cock too,” moaned Alex. “It’s wonderful to be back together.”

My cock was rooted up Alex’s ass so deep no part of it was visible. We could only see the upper semicircle of her anal ring tightly stretched around the base of my cock. Meanwhile, Alex’s asshole relaxed, and my cock smoothly emerged from her stretched asshole until only its head remained inside. Her asshole tightened involuntarily and she gasped. I thrust my cock back all the way up her hot ass, making her moan. She rocked her ass, meeting my strokes.

“This is making me so hot,” commented April, watching my rock hard cock pump Alex’s stretched asshole slowly.

“This is what you get when a beautiful big cock meets a cute tight asshole,” said mom.

“What *I* am getting feels out of this world,” moaned Alex.

“Of course it does, you little slut,” teased April.

“You are talking as if you haven’t been getting it on a daily basis for the last week,” said Alex.

“If I hadn’t been getting it every chance I got for the last week, I wouldn’t have known how it feels,” said April.

“Don’t be mean to one another,” I chided. “The three of you are my girls. You all hunger to get my big cock in all your fuck holes, and I love you all for it. Otherwise, you wouldn’t be my girls. Be nice to one another and to me.”

“I am only teasing her,” said April.

“Get down on your knees to taste her sweet ass on my big cock,” I said to April. “She’s already tasted yours and loved it, and you’ve already tasted hers directly.”

“Nick, please make me come first,” begged Alex.

“You got it, baby,” I said as I picked up the pace, slapping her leaky pussy with my swinging balls with every thrust. “After all, you tasted her ass after it came on my big cock several times.”

Alex soon came as I held her tightly and pounded her twitching asshole vigorously. She convulsed, gasping breathlessly, until the waves of her powerful orgasm subsided. I fucked her ass gently while she recovered.

“April, are you ready for that taste?” I offered, slowly sawing my cock in and out of Alex’s ass.

April took my cock in her mouth and slowly worked her lips over it, moaning as she tasted it. She deep throated my cock for a minute before I pulled my cock out of her mouth.

“You look ready to taste her pussy too,” I said to April as I pushed my cock into Alex’s drenched pussy.

Alex moaned as my cock stuffed her soaked pussy. I thrust in her several times before pulling my dripping cock out and thrusting it in April’s face. April eagerly took my cock and deep throated it for a couple of minutes.

“Nick, put it in my ass please,” moaned Alex.

“I’ll get back to you after I take care of mom again,” I said.

Alex whined in disappointment.

“Mom, get into position next to Alex,” I said.

Mom took her position eagerly, lewdly thrusting her ass out.

“April, do you want to watch mom get fucked in the ass?” I asked.

“Sure,” said April.

“Lube her asshole for me,” I instructed.

They all knew to have their asses always lubed and ready, so I wanted April to do that for her own benefit.

April grabbed the lube and proceeded to lube mom’s asshole, starting with one finger and ending with three fingers. Meanwhile, I stood behind Alex and slowly sawed my cock in her ass. She moaned contentedly.

“Spread her ass for me,” I instructed April, popping my cock out of Alex’s reluctant asshole.

April spread mom’s ass and guided my cock into her asshole. Mom moaned and fucked back eagerly. April and Alex watched me drill mom’s happy asshole to orgasm. When I pulled out, mom’s asshole gaped.

“Taste her,” I instructed April, nudging her shoulder down.

April went down to her knees readily and opened her mouth for my cock.

“Taste *her*,” I said, pointing at mom’s asshole. “Spread her ass and stick your tongue all the way in.”

“Oh,” said April before she spread mom’s cheeks and went for her gaping asshole.

“Lick it and tongue fuck it,” I said to April as she rimmed mom’s asshole and probed it with her tongue.

She eagerly licked mom's asshole and shoved her tongue in it for a couple of minutes.

"Now you can taste her on my big cock," I said to April, aiming my cock at her.

April turned to my cock and sucked it for a couple of minutes, letting me fuck her throat.

"Get in position next to them," I instructed April, gently pushing her head off my cock. "I am going to fuck Alex's ass, and then I am in yours."

April got on her knees next to mom as Alex thrust her ass out eagerly. I impaled Alex's willing ass on my cock and fucked her horny hole to orgasm. I wiped her drenched pussy with my cock head before I took it to April's ass. Alex's copious pussy juices on my cock head helped lubricate April's horny asshole. After April came, I fucked mom and then Alex in the ass. I returned to April's ass, and, when she came, I pumped my come load up her twitching ass.

"Mom, her come-filled ass is all yours," I said, withdrawing my softening cock from April's ass.

Alex was only glad to suck my cock clean as mom knelt behind April's ass. Alex continued to suck my cock until it started to get hard while mom expertly sucked my come out of April's ass and then shared it with April over a lewd kiss. Alex kissed April to get a little taste while she stroked my hardening cock.

"We need to get ready to leave," mom announced. "We have plans for tonight."

"I hoped you could stay longer," said April, disappointed.

"We'll have a barbecue this Sunday," said mom. "You and your husband are invited to spend Sunday with us."

"We'll be there," promised April. "My horny ass will have missed Nick's big cock too much."

"My big cock will have missed all your holes too," I said.

"I already have my ride home," Alex said to April, waving my hard cock at her.

"Have a nice trip home," smiled April.

We showered individually to save time and left after kissing April goodbye in a different way for the first time.

Alex did not have any trouble keeping me hard in the backseat. She deep throated my cock for several minutes. I fucked her pussy and ass the rest of the way home, making her come several times.

"Don't fuck anymore until I tell you otherwise," instructed mom when we arrived home. "We have plans."

Mom briefly told us about her wild evening plans.

COMING OUT

That evening, Mom and dad were watching television when mom scooted off the loveseat and knelt by his feet. She started to stroke his cock through his pants. Alex and I were fooling around by the pool.

"What are you doing, honey?" he asked as his cock started to harden.

She looked back at him and smiled silently.

"Amy, let's not get caught by the kids," he said, making no move to push her hand away.

"Nobody's going to catch us," she said as she proceeded to unzip his fly.

"Where are the kids?" he asked as she fished out his cock and balls.

"They are out somewhere," she said, tickling his cock head.

“What if they walked in on us?” he asked as she turned around to face him.

“They won’t,” she said, stroking his cock slowly. “Even if they did, nothing would be wrong. We are husband and wife. Let them know that we still love each other and lust for each other. Doesn’t it turn you on to get caught by your own kids with your hard cock down their mom’s throat? Don’t you want them to watch me suck your big cock hungrily and deep throat it lovingly so they can learn how it should be done? Let them learn from their parents.”

“Where do you get these crazy ideas?” he asked as she proceeded to suck half his cock.

“Crazy ideas come from crazy minds,” she smiled, rubbing his cock head over her lower lip. “I have one.”

“If I knew it wouldn’t freak them out, I’d let them watch the master at work,” he said as she resumed sucking.

“Speaking of the master, I finally found out the identity of the kid who came to Marge’s swing party,” she said.

“Mick?” he asked.

She moaned her agreement around his cock.

“Do I know him?” he asked.

“Yes,” she said, stroking his cock. “Everybody at the party had known him for ages.”

“I thought he looked familiar somehow, but I couldn’t place him,” he said. “Who was he?”

“Nick,” she said, slapping his cock on her face.

“Nick who?” he asked.

“Nick, our son,” she said.

“You are not serious,” he said.

“Yes, I am,” she said.

“The bastard!” he said.

“He isn’t a bastard,” she smiled. “He’s your son.”

“He fucked you, didn’t he?” he asked.

“He fucked the sisters in every hole they had,” she said.

“Except Leanne’s asshole,” he said.

“Without exceptions,” she said.

“Without exceptions?” he asked incredulously.

“He finished what his dad started last Christmas,” she said.

“He fucked Leanne’s virgin ass?” he said in disbelief.

“Why do you think she brought him to the party?” she asked. “He was too much for her. He spent a week with her. When she returned from church, she heard the next-door girl scream in ecstasy as he deflowered her virgin ass. She teased him about it, and he soon ended deflowering hers. The slut called me to her house and had him fuck me like I’d never been fucked before. She caught that on video too. He reamed out her asshole royally that week.”

“Why did the sick pervert do that?” he asked.

“I could never figure out why a horny teenager would fuck every horny woman he could get,” she said.

“How did you find out that it was him?” he asked.

“When I came home one day, I walked on him fucking Alex up the ass in the living room,” she said.

“He fucked his sister up the ass?” he asked in disbelief.

“He fucked his sisters and their mom and her sister up the ass,” she said.

“April too?” he asked.

“Yes,” she said.

“Anyway, what happened when you caught him fucking Alex up the ass?” he asked.

“I was shocked and mesmerized,” she said, stroking his cock with one hand and fingering her pussy with the other. “I stood there for a minute before I could move or talk. I couldn’t help noticing that he very well knew what he was doing. His sister loved it so much too. She eagerly met his every stroke, moaning and gasping happily. I wanted to stand there and watch the masterful ass fucking he was delivering to his horny sister, but I knew I had to stop him.

“It was obviously too late when I finally spoke up and shouted at him. He froze for a split second before he resumed thrusting in her startled ass. He told me he couldn’t leave her like that and said he’d talk to me after he finished her off. He was talking like he was helping her with her homework. I had to leave, but my pussy was dripping. A minute later, I heard her scream in ecstasy. Another minute later, he knocked on my door.

“I admonished him for doing that to his own sister. He defended himself and his sister and somehow talked me into letting him fuck me in the ass. I told him it would be one time only. As he fucked my ass, he was doing such a wonderful job he reminded me of Mick. I choked it to their both being horny teenagers. He soon had me screaming in orgasm just like Mick. I didn’t resist when he started to fuck me after I recovered. He soon commented that it was not his first time fucking my ass and admitted to being the teenager who ravished the married women at Marge’s orgy.

“That made me mad at him. He used my rage to give me the hardest orgasm of my life ever, which consumed all my anger and energy. I fucked back when he fucked my ass toward my third orgasm. He spent four hours fucking me in our room in every hole and every position we could think of. He came in all my holes, twice in my ass. In short, he turned me into his own ass whore and had me promise to keep my ass in the family.”

“Amy, you are a very experienced woman,” he said. “How was he able to do that to you?”

“You saw what he did at the party,” she said as she straddled him and lowered her dripping pussy on his hard cock. “He’s a talented little fucker.”

“I can’t deny that,” he said.

“Aren’t you proud of him?” she asked, riding his cock.

“On one hand, I am,” he said. “On the other, he fucked my wife, his own mom, behind my back.”

“You know nobody else could do that,” she said. “You should be proud of him for that too.”

“You have a point,” he said. “It’s too bad that your swinging friends are going to miss him. He’ll never be able to attend our parties without disguise.”

“If I have any say about it, next time he’s going to attend our party without disguise,” she said.

“How are you going to get Marge or any other woman to fuck her son’s friend and her friend’s son?” he asked.

“Our son’s a talented sexual lover,” she said. “We have to show our pride in him and support him. I’ll bring them to him one by one and let him fuck them like they’ve never been fucked before. They’ll get addicted to his incredible cock. They’ll be his whores forever. They’ll want him and talk their husbands into letting him party with us.”

“Are you going to let them watch him fuck you or even know about it?” he asked.

“No,” she said. “Now that he can fuck me all he wants at home, I won’t let them watch him fuck me again. If they are jealous about the first time, they are welcome to fuck their own sons if they are any good. We’ll have our own incest parties every other week. You’ll get to fuck your horny daughters. How would you like that?”

He did not answer, but his cock jerked within her pussy.

“You don’t need to answer,” she giggled. “Your cock answered for you.”

“You are doing this so you can fuck your son,” he teased.

“I am doing it so my daughters and I can fuck my stud son,” she said.

“You are a very thoughtful mother,” he teased.

“Are you ready to share me with our son?” she asked.

“I thought I was doing that already,” he said. “Oh, you mean at the same time?”

“Yes, that was what I meant,” she said. “I want him to fuck my ass now while you fuck my pussy.”

“I thought you said he was out,” he said.

“I didn’t say he was stranded in a far desert,” she said. “He can be here whenever we want him.”

“Before I do that, I want to film you and him one on one,” he said. “I want to see him use your body fully for hours. It was too bad that we couldn’t film your first fuck with him in our room, but that wasn’t planned.”

“We did,” she said.

“You did what?” he asked.

“We filmed our first fuck in our room,” she said.

“I thought that was spontaneous,” he said. “Didn’t you say he talked you into it?”

“It was—from my side, and he did,” she said. “Though, he planned it all. He arranged it so I’d catch him with his sister. Even that was filmed. They caught my shock and initial reaction on video. They also caught the confrontation. You’ll see our wicked son at work as he talked his angry mom into letting him fuck her ass like a dirty whore and surrender completely to him. You’ll see my outrage and how he used it to his advantage. That’s unique and priceless.”

“I bet,” he said. “How did they manage to do that?”

“They enlisted Leanne’s help,” she said. “She hid and filmed everything. She only came out when Nick overcame my rage and I started to beg him to fuck my ass harder.”

“That’s incredible,” he said. “Who masterminded it?”

“He did,” she said. “Alex had no clue about all that. As far as she knew, I accidentally walked in on her getting her ass fucked royally by her horny brother. She didn’t know about Leanne or about Nick’s plan to seduce me.”

“This is like Candid Camera,” he said. “He set you and his sister up. He’s indeed wicked.”

“He has a wicked cock and a wicked mind,” she said. “Are you ready for him to stuff my empty horny ass?”

“I think I am,” he said.

She picked up the pace and came within several seconds.

“Go to our room and make yourself comfortable while I call him in,” she gasped when her orgasm subsided.

She rocked on his hard cock for a minute before she dismounted him.

“Don’t take long,” he said, getting up.

“It won’t be a minute,” she said.

After dad entered his room, mom came out to the patio.

“Nick, are you ready to share your horny mom with your dad?” she asked as Alex and I kissed and petted.

“Are you sure that will be okay?” I asked.

“Of course,” she said, bending over to stroke my hardening cock through my shorts. When my cock hardened, she gave it a squeeze. “Hurry up; he’s waiting. Don’t make me come back to get you.” She turned around, hiked her dress and wiggled her ass in my face. “My ass needs you. It’s so hungry for your big cock.”

“It always is,” I chuckled.

“It’s more so now,” she said, walking back into the house.

“I’ll miss you,” said Alex, squeezing my boner.

My cock was hard but I felt awkward as I knocked on the open bedroom door.

Dad waved me in.

“I am proud of you, Nick,” he said, extending his hand to shake mine.

Mom bounced on his cock in the cowgirl position as I shook his hand.

“Thank you, dad,” I said.

“Your mom wants you to fuck her ass while I fuck her pussy,” he said. “Why don’t you hop onboard so we can take care of our horny lovely woman?”

“Is that what you want, mom?” I asked as I got out of my clothes. “One big cock isn’t good enough for you?”

“That’s what I want, Nick,” she said. “Two big cocks are going to be amazing.”

“Mom, the way you bounce on your husband’s cock in front of your son doesn’t suggest that you are shy,” I teased. “Why don’t you tell me in your own words what it is that you want from me, your own horny son?”

“I want you to shove your big cock up my tight ass and fuck it hard while your dad fucks my pussy,” she said.

“Dad, are you okay with what your horny wife wants?” I asked.

“Yes, son,” he said. “I want to keep my sexy wife happy.”

“I appreciate that, dad,” I said. “I am sure she appreciates it too, but she isn’t my wife. I am not obligated to keep her happy. I may only give her what she wants if she earns it. I am not going to skewer her gorgeous ass with my big cock gratuitously. She’s a big girl. She has to work for it. Are you okay with that, dad?”

“It’s up to you if you want to make her work for it,” he said. “Don’t tell her this, but I like that.”

“You two are teaming up on me,” she pouted. “You should be competing to please me.”

“Mom, you are not a spoiled brat,” I chided. “You are a big girl now. You have to work for what you get. Oh, this sounds familiar somehow. Do you want to work for getting my big cock up your ass or not?”

“I do,” she said.

“The first thing I want you to do is to ride dad’s cock hard until you come for me,” I said. “Can you do that?”

“Yes,” she gasped, picking up the pace.

“Tell dad you are my dirty whore as you come for me on his cock,” I urged her as her orgasm approached.

“Dan, I am our son’s horny slut,” she gasped as she started coming. “I am his dirty whore.”

“That’s what you are, mom,” I teased. “Let dad know that his loving wife’s a very bad girl.”

“I am a very bad girl,” she gasped. “I am a cradle robber.”

“I think he can’t blame you when you find in the cradle a cock as big and hard as mine,” I laughed.

“You are not an innocent baby,” she gasped. “You are a baby motherfucker.”

While that happened, my cock drooled. Its drool made a rope that extended down toward the carpet. I looked around and found an empty water glass. I grabbed it and collected my sex fluids in it, using the edge of the glass to milk my cock dry. She saw me do that.

“Are you going to let me drink it?” she asked me.

“Maybe,” I said.

As she lay on his chest, panting, I pulled her hips up, letting dad’s cock slip out of her drenched pussy. I grabbed the glass and scooped her copious juices into it. I repeated that a few times, making her moan.

“Nick, what are you doing?” she asked.

“I am juicing your horny pussy,” I said.

“It’s going to take you some time to fill the glass,” she said.

“I am not in a hurry,” I smiled.

“I bet not,” she said.

“I am going to expedite the juicing process,” I said as I straddled dad’s legs, kneeling behind her and aiming my cock at her pussy. “We need your horny pussy to keep leaking.”

She groaned as I stuffed her pussy with my hard cock. She started to rock gently, but I held her hips still.

“Dad, if you want, kiss our slut while you diddle her clit until she comes for you on my cock,” I said. “Mom, you are welcome to grind your pussy into the base of my cock, but fucking isn’t allowed.”

About that time, I saw movement in the corner of my eye. I looked to find Alex filming the action. I shrugged and went back to what I was doing. It seemed this time, she and mom planned something behind my back.

Mom and dad kissed feverishly as he diddled her clit and she ground her pussy into his hand and the base of my cock. I scooped some of her juices off the rim of her pussy on my right thumb and gently slid it up her ass. She moaned into dad’s mouth, and both her holes twitched around me. I held my thumb up her ass, pressing outward on her sphincters to loosen them up. Her pussy bathed my cock and continued to leak. I used my left hand to cup and fondle her left tit and pinch and twist her stiff nipple. She soon convulsed in orgasm, her pussy twitching and gushing all over my cock and balls. While she writhed, I let her fuck her pussy with the last inch of my cock.

Holding her ass by hooking my thumb inside her asshole, I gently pulled my dripping cock out of her drenched pussy. I thoroughly used the glass to scoop her juices off my cock and her pussy.

“Dad, did you think of anything you want her to do to earn her double fuck?” I asked as I put the glass aside.

“Not at this time,” he said.

“Okay, mom,” I said. “You are in the clear. You only need to suck our cocks while he licks your clit. Turn around and get to work. Do a good job on the big cocks that are going to take care of your slutty fuck holes.”

“I always do, Nick,” she said as she got into position, letting my thumb pop out of her asshole.

Her face was next to dad’s and my hard cocks.

“Here are the rules,” I said, holding her head up. “Swallowing isn’t allowed, including swallowing your own saliva. When your mouth overflows, spit in the glass.” I pushed her head down toward dad’s cock. When she started

sucking, I continued. "Dad, we are juicing her pussy and mouth. Lick her clit but not her pussy or asshole. If you finger her asshole, only use her juices for lubrication. If her pussy overflows, collect the juices in the glass."

She took turns sucking dad's and my cocks, spitting in the glass every once in a while. The more and deeper she sucked our cocks, the thicker and stickier her saliva became. Meanwhile, dad dipped a finger in her wet pussy and then slid it up her ass. While he fingered her asshole, he mercilessly lashed her clit with his tongue. Before long, he had two fingers up her ass. When she came, he collected her juices in the glass.

"Suck our cocks together," I instructed, bringing my cock next to dad's.

She stuffed the two cocks in her mouth but naturally was not able to take both all the way down her throat. That produced excess drool that she deposited in the glass. She occasionally held just our cock heads in her mouth and licked them together, teasing them with her tongue. Dad made her come again and added her fresh juices to the glass. I slapped her face with my sticky cock before I pulled away.

"Turn around astride him and push your ass up," I instructed.

When she complied, I knelt behind her, holding the glass of her juices in my right hand. Her drool and juices filled more than a quarter of the glass. I swirled them around to combine them better.

"Spread your ass with both hands," I instructed as I shoved my cock in her soaked pussy, making her gasp.

She spread her ass, and I withdrew my glistening cock from her pussy. I held my cock head at her anal pucker and drizzled some of her juices onto her asshole. I used my cock head to work her drool inside her ass. I repeated that several times before I shoved my cock all the way up her ass, making her grunt. I held my cock there for a few seconds before I popped it out, making her asshole gape. I added more of her drool into her gaping asshole and pushed it all the way in with my cock. I repeated that until her asshole drank all her homemade natural lube.

"Lower your pussy onto his cock," I directed, holding my cock balls deep up her ass.

She moaned as she stuffed her leaky pussy with his cock. We held still for several seconds, and she milked our cocks exquisitely with her experienced fuck holes.

"Move your ass and get your horny fuck holes fucked," I instructed, grabbing her tits. "Get what you need."

She gasped when I pinched her stiff nipples. She rocked slowly working both of her holes up and down on the two hard cocks filling them, repeatedly stuffing herself completely and then all but emptying herself of the cocks. Her pace quickened gradually, and so did her moans and gasps.

"Are you having a good time, mom, you slut?" I teased.

"Oh, yes, I am having a wonderful time," she gasped. "It's so hot to have my horny son fuck my greedy ass while his dad fucks my dripping pussy. It's wonderful in many ways."

"Make yourself come for your son like a good loving mom," I urged, pinching her nipples.

"Yes, yes," she chanted, shoving her ass back and forth vigorously.

"Get fucked like a good dirty whore," I urged. "Show dad how good you are."

Her asshole had been twitching around my cock well before she came. When she started to shake in orgasm, I held her tits tightly and pounded her trembling ass. Dad pounded her from below in his own rhythm. Although we were out of sync, she had a wild orgasm, gasping breathlessly while her fuck holes twitched madly.

"Now, relax, and let us fuck you," I said when she calmed down a little and was able to breathe.

While holding her waist gently, I proceeded to fuck her ass slowly. Dad joined my rhythm, and she soon fucked back in time with our thrusts. She was leaning over so her tits were accessible to dad's mouth. He took advantage of that and started to suck her nipples and fondle her tits. Our pace gradually accelerated until she came again, convulsing between dad and me as I held her tightly to keep our cocks drilling her fuck holes vigorously.

“Turn around so dad can fuck your horny ass while I fuck your drenched pussy,” I instructed.

She complied, and impaled her ass on his cock in the reverse anal cowgirl position. I stuffed her dripping pussy with my cock. She held her ass up while dad and I briskly thrust in her holes until she came, drenching my cock.

When mom calmed down and dad started to fuck her ass gain, I pulled out of her soaked pussy and straddled her head. I pushed my dripping cock into her mouth and fucked her throat from above. I held the back of her head and fucked her throat until dad made her come on his cock.

When she recovered, I took my position between her legs, and dad and I drilled her ass and pussy mercilessly.

“Dad, let’s fill her up with come,” I called when her orgasm approached.

“You got it,” he said.

Both dad and I picked up the pace and drilled mom’s fuck holes as hard as we could. When she came, dad groaned, and I slammed my cock as deep in her twitching pussy as I could. Dad and I ground our cocks into her twitching holes until they drained all the come out of our balls. When she recovered, I held the glass and smiled at her.

“Raise your ass very slowly,” I instructed as I pulled out of her pussy and brought the glass to her pussy hole.

My come started leaking into the glass before she popped her ass off dad’s cock.

“Let it all leak out,” I said as I carefully positioned the glass under her pussy and asshole. “Dad spread her ass.”

He spread her ass wide, and her asshole gaped. As my come continued to dribble out of her pussy, his come started to leak out of her asshole and join mine. She pushed all the come she could out of her slimy holes. She used her fingers to reach inside her asshole and draw more come out. We soon had most of the come in the glass. I moved the glass circularly, allowing the come to swirl and mix well before I gave it to her.

“Drink this fresh come cocktail like a good girl,” I said, handing her the glass.

“I’d love to,” she smiled as she took the glass from my hand

She swirled the come around a little more before she dismounted dad. She smiled at both of us before she raised the glass, tilting her face up. She let the come visibly dribble from the glass into her open mouth. She swirled it around with her tongue before she closed her mouth and gulped it all down.

“Very delicious,” she said, smiling happily and smacking her lips. “Is there more?”

“Surely there is, but you have to work for it,” I said.

“I enjoy working for it,” she said, pouncing on my soft but hardening cock as she held dad’s in her right hand.

“It’s so good to have such a loving mom,” I said, feeding her my cock.

She moaned around my cock contentedly.

“What do you think, dad?” I asked. “Is it good to have a hot loving wife?”

“It’s wonderful especially if one can share her with his growing stud son,” he said.

“Thanks for sharing,” I said.

“You don’t need to thank me,” he said. “It’s so much more fun than playing alone with her. I’ve never seen her this uninhibited. You know how to make a woman go wild.”

“She hadn’t been innocent until I came around,” I laughed. “I luckily was able to bring the best out of her.”

“You know how to finish what your dad starts and go beyond,” he said. “That’s what a son should do.”

“I am glad I am fulfilling my life mission,” I said.

“Me too, son,” he chuckled.

Mom turned to dad’s cock, and I knelt behind her. I drooled on her asshole and proceeded to fuck it, making her moan over dad’s hardening cock. She hungrily sucked his cock as I made her come twice on my cock.

For the rest of the evening, we did not double fuck her again. One of us took her mouth and the other took her pussy or ass. We changed positions many times. We came together in her mouth the next time. She swirled our come around in her mouth and gargled with it to make sure it mixed well before she swallowed it thirstily.

For our last time, dad and I came in her ass me first.

Poor Alex was left alone in the house while mom gasped, moaned and groaned shamelessly. Alex found herself standing in the door, watching mom get fucked and rubbing herself.

After I recovered from coming in mom’s ass, I got up and led Alex away. The poor girl had her pussy juices running down her inner thighs all the way to her knees. I led her to my room.

“You must be horny,” I teased.

“Nick, I am always horny,” she said. “Now, I am ready to rape someone.”

“Don’t be silly,” I said. “You won’t rape anyone. I am going to fuck you silly willingly, and other guys are useless.”

“My point’s that I’ve never been this horny,” she said.

“In that case, you’ve never been fucked like you are going to get fucked now,” I said.

Once Alex and I were in my room, she immediately went down to her knees and proceeded to suck my cock. In the following two hours, I fucked her silly. She came over twenty times before I dumped my second come load deep in her happy ass. We fell asleep in my bed.

Alex enjoyed Saturday, having me all to herself as mom saved herself for the party. Alex had my cock up her ass most of the time wherever I found her even if our parents were there. She must have come over a hundred times. I fucked her so hard she needed a day off.

THE TRICK

Keith and April had brunch with us on Sunday. Mom made up a reason to keep Keith with her while April and I left for a trip to the mall. Alex and dad went out for some reason. As mom had said earlier, we were supposed to have a barbeque in the afternoon by the pool.

“Nick, don’t worry about Keith,” mom said to me earlier. “I’ve given him royal blowjobs on his birthdays. I can do whatever I want with him. We are going to do more this time for your sister’s sake. He’ll let her be all yours.”

“You think so?” I said.

“Don’t worry about it,” she said. “I can handle it. We’ll be able to do anything in his presence. He’ll even help.”

“Great,” I said.

It must have been Keith in the blowjob movies I found earlier in his den.

Mom arranged everything, and the rest of us did what we were supposed to do.

With everybody else out, mom went into the guestroom and let the door ajar. Keith soon joined her there.

“Keith, do you know why I kept you here?” mom said when they were alone in the guestroom.

“You wanted me to help you with preparing for the barbeque,” he said. “What do you want me to do?”

“That wasn’t it,” she said. “Do you know why I invited you and April here?”

“Is there more than the barbeque?” he asked.

“Yes, there is,” she said. “You’ve been away for a while. You thought we’d only celebrate by having a barbeque?”

“I don’t know,” she said. “What do you have in mind?”

“You didn’t miss your mother-in-law at all?” she said.

“Of course, I did,” he said.

“You don’t act like it,” she said.

“What do you mean?” he said.

“Did you miss April too?” she said.

“Yes, of course,” he said.

“Did you fuck her silly all day yesterday?” she said, startling him.

“No,” he said, blushing.

“Why not?” she said. “Do you want someone else to fuck her for you?”

“Of course not,” he said. “We were busy with other things.”

“She didn’t ask you to fuck her?” she said.

“No,” he said.

“She’s a bad girl,” she said. “Let’s forget about her and get back to what matters.”

“Sure,” he said.

“I want you to fuck me in the ass,” she said as she turned around, hiked her dress and bent over, thrusting her bare ass in his direction. His jaw dropped so far in shock it almost hit the floor. “Do you think you can do that for me?”

“What?” he asked, his mouth dry but unable to take his eyes off her offered ass.

“Have you ever fucked a woman’s tight asshole?” she asked, spreading her ass wide to highlight her own.

“No,” he gasped, unable to breath easily, as she dipped a finger in her juicy pussy.

“I think you’d enjoy having my ass engulf your hard cock in its heat and tightness,” she said, sliding the slick finger into her splayed asshole. “I’d enjoy that too. Do you want me to teach you how to fuck a woman’s asshole?”

“Would you?” he asked incredulously, intently watching her finger slide in and out of her asshole.

“I sure would,” she said, rubbing his chest. “Do you want me to? You want my ass to be your first?”

“Yes,” he gasped almost inaudibly.

“We’ll start as usual,” she said, kneeling down before him. “I’ll suck your cock. Are you ready?”

“Yes,” he gasped as she ran her hands up and down the bulging front of his pants.

“Is your cock hard?” she teased. “Is it looking forward to fucking my horny ass?”

“Yes,” he hissed.

“Let me get rid of your pants first,” she said, undoing his pants.

He mumbled unintelligibly.

She soon had him naked from the waist down, his hard cock sticking forward and up.

“Do you think you’ll enjoy fucking my tight asshole with your hard cock?” she teased, stroking his cock.

“Yes,” he panted.

“If you don’t want to fuck me in the ass, it’s okay,” she said, milking his cock. “I have others who’d love to.”

“I want to fuck you in the ass,” he gasped.

“Are you sure?” she teased, rubbing his cock on the side of her face. “I don’t want to talk you into doing something you don’t like. I want to do this for you. I want you to enjoy it as much as I will.”

“I want it bad,” he said. “You are not talking me into it. I’ve dreamed about it.”

“You’ve dreamed about fucking your mother-in-law in the ass?” she teased.

“Yes,” he hissed.

“You are a bad boy, Keith,” she said. “Since you are this bad, would you mind if I let you fuck my pussy too?”

“I’d love that too,” he said.

“I think you’d love to fuck my mouth too,” she said.

“Yes,” he gasped.

“Let’s start with that,” she said. “You are so hard, but let me get you ready to fuck my other holes.”

“Yes,” he gasped as she brought her mouth to his cock head.

He groaned as she closed her mouth over his cock head and sucked the rest in.

“Amy, you are a wonderful woman,” he breathed as she deep throated his cock smoothly. “You are the best.”

She moaned contentedly over his cock.

Alex walked in on Keith and mom. Keith was the first to see her as mom was too busy stuffing his cock down her throat. He froze, but mom pretended not to notice. Alex smiled at him and winked while still standing in the open door. He did not know what to do, and mom continued to suck his cock.

Keith just stood there while mom sucked his cock and Alex watched. In two minutes, he relaxed, thinking Alex was not a threat. Alex walked into the room and stood behind mom. Mom pretended not to know about her. She continued to suck Keith’s rock hard cock masterfully, making sucking and slurping sounds.

“She’s a great cocksucker, isn’t she?” said Alex calmly.

“Alex?” said mom in mock shock, dropping Keith’s cock and looking up at Alex. “What are you doing here?”

“I was watching you suck your son-in-law’s hard cock,” said Alex. “You were so good at it.”

“Alex!” glared mom.

“You got my mouth and pussy watering,” said Alex. “I want to suck it too. It’s so hard, and I am so wet.”

“Alex, you shouldn’t get involved in this,” said mom as she sat on the edge of the bed. “You are too young.”

“I don’t want to get involved,” said Alex, kneeling before Keith. “I just want to suck his hard cock like you.”

“Alex, I am a big girl,” said mom as Alex wrapped her fingers around Keith’s hard cock. “I can handle this.”

“So can I, mom,” said Alex, stroking Keith’s cock slowly. “I can suck him easily. I am a good cocksucker.”

“I am not talking about that, Alex,” said mom. “I am talking about the whole situation.”

“Mom, you have two options,” said Alex, cradling Keith’s balls in her free hand. “You can let me join in and suck his hard cock or let me leave. If he doesn’t gag me with his hard cock, I won’t keep my mouth shut. It’s up to you.”

“Alex, can’t we reach middle grounds?” asked Keith, his cock still hard in Alex’s hand.

“This is middle grounds,” said Alex, squeezing his cock gently. “I am not asking you to fuck me. I actually won’t let you do that. All I am asking for is to suck your cock while you fuck or do whatever to mom.”

“Amy, can’t we let her do that?” Keith asked mom as Alex teased his leaky cock head with her tongue tip.

“You sure wouldn’t mind a teenage girl sucking your cock,” accused mom. “She’s my baby girl.”

“I really don’t want her to do that,” he said, most probably lying, “but we don’t have any other choice.”

“Here is the deal, Alex,” said mom. “If you can deep throat his cock, you are mature enough to stay and do what you want. If not, I’ll send you out and you can’t talk about any of this to anybody. Do you agree?”

“I sure do,” said Alex happily. “I can effortlessly deep throat his cock. This is nothing. I can deep throat big cocks.”

“Show me,” challenged mom.

Alex held Keith’s hips and took his hard cock in her mouth. She proceeded to suck it all the way in. When it was balls deep down her throat, she held it there for half a minute. Keith squirmed helplessly, trying to hold his breath. She let him fuck her throat for half a minute before she popped his cock out of her mouth.

“What do you think now?” Alex asked mom triumphantly. “It wasn’t even a challenge.”

“I think you are a little slut,” smiled mom.

“Like mother, like daughter,” said Alex, sticking her tongue out at mom.

“Alex, you are amazing,” praised Keith when Alex resumed sucking his cock.

“Do you agree that I am a good cocksucker?” teased Alex, rubbing his cock head on her lips.

“Alex, you are an incredible cocksucker,” he said.

“Are you sorry that you let me suck your cock?” she teased.

“I am so very happy I did,” he said. “You are incredible.”

“Are you sorry?” Alex asked, looking at mom, who was fingering her own pussy.

“I am jealous,” smiled mom.

“If you want some, come and get it,” invited Alex. “I can share.”

Keith was delighted as mom knelt next to Alex. They took turns sucking his cock and driving him crazy.

“Don’t you think he’s ready?” asked mom.

“He’s more than ready,” said Alex. “We should let him come in our mouths so he can last long in your pussy.”

Keith’s cock twitched at that statement.

“That’s a good idea,” said mom as Alex resumed sucking his cock.

Within a couple of minutes, he groaned and stiffened. His cock swelled in Alex’s mouth.

“I am coming,” he groaned.

Alex took his cock out and aimed it at mom’s open mouth. Mom took the first two shots. Mom swallowed as Alex aimed his cock at her own open mouth. She jacked his cock off hard until his spurts diminished. She took him in her mouth and sucked as she milked him dry. She swallowed his come before she let his softening cock out of her mouth.

“You can eat mom’s pussy while you recharge,” suggested Alex.

Mom lay back on the bed and spread her legs, exposing her dripping pussy shamelessly. Keith did not need a second invitation. She got on the bed and dove head first between her legs.

“Give her a pussy licking as good as the cock sucking we gave you,” instructed Alex. “Make her come in your mouth a few times if you want to prove yourself worthy of fucking her.”

While Keith did not spare any effort to eat mom’s leaky pussy raw, Alex watched, fingering her own pussy with her right hand and fondling her tits through her top with her left hand. After her first orgasm, Alex moved closer to Keith and slipped her left hand under him. She started stroking his hardening cock while she continued to finger her pussy. He raised his hips, supporting himself on his elbows and knees. By the time Alex came on her fingers twice more, mom came in his mouth twice and his cock was rock hard in Alex’s hand.

“You are ready to fuck her,” said Alex, slowly stroking his cock.

“Put it in my pussy,” urged mom, pulling her knees to her tits. “Fuck me.”

“Fuck her well,” said Alex.

Keith did not hesitate to oblige mom. He mounted her, and Alex guided his cock into mom’s pussy. While he fucked mom’s pussy, Alex used mom’s excess pussy juices to lubricate and finger fuck her asshole with two fingers of her left hand, her right hand still busy between her own thighs.

With Alex’s fingers diddling mom’s asshole, mom managed to come twice before Keith filled her pussy with come. He continued to grind his cock into her slimy pussy until it went completely limp. He dismounted her and lay on his back next to her. Alex pounced on mom’s come-filled pussy and went to work, sucking all the come out.

“That’s it, Alex,” hissed mom, grinding her pussy into Alex’s face. “Suck it all out. I don’t want his come leaking out of my pussy when he fucks me in the ass. I am so ready to have him fuck my horny ass.”

A minute later, Alex came up for air. Her face shone with mom’s copious juices. She crawled over mom and parted mom’s lips with the fingers that had been in her pussy. Mom opened her mouth wide, and Alex dribbled all the come into mom’s waiting mouth. Mom moaned as she tasted the come before she swallowed it all. Keith had been watching in shock while all that happened. His cock started to get hard.

Mom rolled over and got on her hands and knees.

“Lick my asshole,” mom said to Keith. “Get it ready for your cock. Meanwhile, Alex can suck your cock.”

Keith got into position behind mom and proceeded to lick her asshole tentatively at first.

“Yes, baby, eat my asshole,” moaned mom, encouraging Keith, as she ground her ass into his face.

Alex lay back underneath Keith, her legs stretched out next to mom, and proceeded to suck his hardening cock. He lowered his hips and started to thrust gently in her mouth. When his cock was fully hard, he fucked her throat.

“Lube her asshole while I lube your cock,” instructed Alex, handing Keith the lube, after she squeezed some on her fingers. “Start with one finger and slowly work your way up to three fingers to ream out her asshole nicely.”

Without any comments from mom, Keith followed Alex’s instructions. He carefully lubed mom’s asshole while Alex coated his hard cock with an even layer of lube. Mom moaned and thrust back, humping his slick fingers.

“Twist your fingers inside her asshole,” instructed Alex when Keith deeply pumped two fingers up mom’s ass.

He complied happily.

By that time, Alex had let go of his cock and was using her slick fingers on her dripping pussy, occasionally probing her tight asshole. She used two fingers of her free hand to probe mom's leaky pussy.

"Give me more fingers," urged mom.

Keith was happy to oblige, squeezing his ring finger into mom's asshole. She rocked into his fingers, moaning joyously, as he used his three fingers to ream out her asshole further.

"Her ass is now ready for your cock," said Alex, stroking Keith's hard cock. "Is your cock ready for her ass?"

He groaned affirmatively as she squeezed his cock.

"Lie back and let me sit on your cock," instructed mom, pulling her ass off his fingers.

Keith lay back and mom squatted astride him. Alex held his cock by the base as mom slowly lowered her ass onto his hard cock, seductively smiling at him. They both moaned as her asshole slowly sank on his cock, swallowing it up all the way. Alex watched, her face a few inches off their union.

"Your cock feels good in my ass," moaned mom. "Does my ass feel good on your cock?"

"Oh, it feels wonderful," he said.

"Is it tight enough for you?" teased mom, squeezing his cock with her asshole.

"It's incredibly tight and hot," he said.

"Enjoy," she cooed as she slowly pulled her asshole all the way up his shaft, only keeping his cock head inside.

Alex helped mom lose her dress. Mom fondled her tits while she slowly fucked Keith with her ass. Meanwhile, Alex watched, using one hand on her pussy and the other on her asshole.

"I bet April would never let you impale her ass on your cock like this," Alex teased Keith.

"You wouldn't lose on that bet," said Keith.

"Isn't that your fault, mom?" asked Alex. "Have you ever told her she should get her ass fucked royally?"

"I sure did," said mom.

"When?" asked Alex.

"Ever since she got married," said mom.

"That was too late," said Alex. "You should have started when she was so young and curious."

"You may be right," said mom.

"Of course I am right, mom," said Alex. "When I am her age, I'll have been fucked up my ass for seven years."

"You are a hot slut, Alex," said mom.

"You can't blame me for partially taking after you," teased Alex.

"I am not blaming you," said mom. "I wouldn't want you to be a prude. I am actually proud of you."

"Thanks, mom," said Alex. "I really want April to enjoy ass fucking like you and I do."

"Me too," said mom.

"Does she ever let you get anywhere near her ass?" Alex asked Keith.

"Not really," he said.

"I wonder if she lets you fuck her pussy from behind," she said.

“She rarely does,” he said.

“Mom, I think you did the right thing, letting him fuck you especially up the ass,” she said. “She probably fucks the poor guy once a month or even once a year and thinks it’s more than enough.”

“It can’t be that bad, Alex,” said mom.

“Keith, how many times did she fuck you since you came back from Europe?” asked Alex.

“None,” he said.

“She probably thinks her pussy’s so close to her asshole she doesn’t want you in her pussy either,” said Alex.

“Alex, don’t make fun of your big sister,” admonished mom. “She must have her reasons.”

“Come on, mom,” said Alex. “If it weren’t for her prudishness, would he be fucking you up the ass now?”

“I’d sure hope so,” said mom. “This isn’t a bad thing at all. I am enjoying having him in my ass, and so is he.”

“Have it your way, mom,” said Alex.

Mom picked up the pace and used one hand on her pussy while she continued to rub her tits. She soon came on Keith’s cock, making sure he would not come with her.

As soon as mom recovered from her orgasm, she spun on top of Keith into the sixty-nine position. She gulped down his entire cock while she lowered her drenched pussy onto his mouth. He lapped up her copious juices while she slowly and gently deep throated his cock, tempering him to last long.

“Stick your tongue in her asshole,” Alex instructed Keith. “It should be relaxed enough now.”

Keith licked mom’s asshole and pushed his tongue into the loosened orifice, making mom moan around his cock.

“Your cock’s ready for more of my ass,” announced mom a few minutes later.

She dismounted him and lay back on the bed, pulling her legs over her head.

“Fuck my ass,” she urged.

Keith gladly got into position. Alex guided his cock into mom’s offered asshole. He sank his cock balls deep and started thrusting in her ass with short slow strokes.

“Yes,” she hissed. “Fuck my ass nice and slow. We should do this often. Don’t you think so?”

“Yes,” he hissed.

Keith started fucking mom’s ass at an easy pace. Alex fondled mom’s tits with one hand while she fingered herself with the other, watching Keith’s cock pump mom’s asshole. The pace accelerated naturally within the following minutes. Alex reached for mom’s leaky pussy and diddled her clit with her right hand, making her come immediately.

“Don’t come yet,” Alex warned Keith as she continued to rub mom’s clit furiously.

Mom convulsed and gasped as her orgasm took over her. Keith held on tightly, slowing down extremely.

“I am going to let you fuck my ass from behind,” said mom.

“That must be a special treat for you,” Alex said to Keith as he pulled out of mom’s ass. “You’ll get to see her hot ass while you fuck nicely for her.”

“Everything your mom does for me is a special treat,” said Keith gratefully. “I’ll be forever in her debt.”

“You can settle your debts by fucking me well,” said mom, getting on her hands and knees.

Alex squeezed lube on mom's asshole and used two fingers to work it inside her asshole, making mom moan. Keith knelt behind mom, his hard cock ready. Alex held his shaft and drooled on his cock head before she guided it into mom's waiting asshole. He pushed in, and his cock head disappeared past mom's asshole, making her moan.

"You heard the lady," said Alex, spreading mom's ass cheeks. "Fuck her ass very well."

Keith started to thrust in mom's ass. Mom moaned and thrust back, meeting his strokes.

"I love watching a woman's beautiful ass get fucked," said Alex, watching Keith's cock slide in and out of the stretched asshole. "Don't you love it?"

"Oh, yes," said Keith, "especially if I am the one fucking it."

"I bet," laughed Alex, "but don't you think mom has a great ass that would look wonderful whoever fucks it?"

"Absolutely," he said. "Your mom has the hottest ass I've ever seen."

"Make sure you fuck it accordingly," said Alex. "Otherwise, you won't be fucking it ever again."

"I am doing my best," he said.

When the pace accelerated enough, mom reached between her thighs and jammed three fingers into her dripping pussy, making herself come immediately. Alex pushed Keith's chest back, slowing him down, as mom convulsed in orgasm, shoving her ass into him uncontrollably.

"Don't come yet," said Alex.

When mom recovered, Alex let go of Keith, and he resumed fucking mom's ass at an easy pace. Alex pulled back and sat next to mom's head. She spread her legs and proceeded to finger her pussy while she watched.

According to the plan, April and I returned home unexpectedly but quietly. We eavesdropped just outside the guestroom. The door was still ajar. We clearly heard sex sounds. April and I could see mom's head rocking back and forth. Alex winked at us as she continued to finger her pussy.

"Do you like fucking my ass, baby?" moaned mom.

"Oh, yes, it's so phenomenal," he panted.

"You like fucking your mother-in-law up the ass, don't you?" she teased.

"I love it," he said. "You are so hot."

"You never got this royal treatment anywhere else, did you?" teased mom.

"Never," he said. "You are a wonderful woman."

"April's a good girl," said mom. "She isn't a slut like her mom. That's why she doesn't treat you like this."

My cock was rock hard, and April was dripping. She stroked my cock through my pants, and I fingered her wet pussy under her short dress from behind. She thrust her ass back to give me better access.

"You are not a slut," he said.

"Oh, yes, I *am* a slut," said mom. "I am letting my son-in-law fuck me up the ass while my husband and his wife are out. I am even doing that in front of my baby girl. I am a dirty slut."

April reached inside my pants and underwear and caught my bare cock. Her cool hand started to squeeze and stroke my rock hard cock and tease its head. I used one of my slick fingers to probe her asshole.

"If you are a slut, that must be the greatest honor a woman can get," he said. "You are an amazing woman."

“Do you want April to become a slut like me?” asked mom. “She may let other men fuck her up the ass when you are not around. She may even do it when you are around. Do you want that?”

“April’s a sexless woman,” he said. “She can never be like you.”

“You are a sexless bitch,” I whispered, sliding my fingers all the way into her holes. “Did you hear that, sis?”

“I did,” she whispered, squeezing my hard shaft.

“She’s a little uptight,” said mom, “but I bet she can be loosened up and made a dirty whore like her mom.”

“I wouldn’t believe that if I saw it,” he said. “April can never be a hot woman like you.”

“Trust me, Keith,” said mom. “Like mother, like daughter. I wasn’t born a slut. I grew into it.”

“You were born with the right talent and instincts,” he said.

“So was she,” said mom. “She’s just late to discover her talents.”

“She never will,” he said.

“I am sure she will with the right help,” said Alex. “I did. I am a real slut now. I love getting fucked in my mouth, my pussy and my ass. I wasn’t like that a little while back. Somebody outstanding helped me, and I blossomed.”

“A similar experience happened to me long ago,” added mom. “Don’t lose hope in her. She needs ignition once, and then she’ll be forever a firecracker.”

“That obviously...,” Keith started saying.

“What’s going on here?” shouted April, barging into the guestroom, closely followed by me.

Keith’s face lost its color, and he froze. I remained behind April to hide my bulge from him although he was too shocked to notice if I had grown two heads.

“April, it isn’t what you think,” said mom, almost laughing.

“Freeze,” April shouted at Keith when he tried to pull out. “Hold it right there, and let me see what I think.” She turned to Alex. “And you, little Miss Innocent, keep your fingers in your slimy pussy too.”

She walked to Keith and mom and spread mom’s ass with both hand, obscenely exposing where Keith’s hard cock stretched her anal ring.

“I think my loving husband’s fucking my dear mom in the ass,” said April. “Am I right, mom?”

“Yes, but...,” said mom.

“If you know what’s good for you,” interrupted April, talking to Keith, “hold your position and don’t move.”

“Okay,” nodded Keith humbly.

“If you don’t want to wish you haven’t been born, do exactly as I say,” she ordered.

“Yes,” he nodded again weakly.

“You are fucking both my mom and my kid sister?” she asked Keith.

“I didn’t fuck Alex,” said Keith weakly.

“Is she here as an observer or something?” said April. “Why is she fingering her sticky pussy?”

“He didn’t fuck me,” said Alex. “I only sucked his cock and shared his come with mom.”

“I hope you are not expecting a prize for that,” laughed April cruelly.

Alex looked away.

“Nick, we’ve just caught my faithful husband fucking our precious mom in the ass,” said April.

“April, I am a minor,” I said. “I think I should leave and let you grownups sort this out.”

“That’s right, Nick,” volunteered mom. “Please leave and let the adults sort this out.”

“Nick isn’t going anywhere,” said April. “What about the little cocksucker and come slut here? Is she going to leave after she sucked my husband’s cock and ate his come?” She paused. “Nobody’s leaving until we sort this out.”

“April, I am a minor and not involved in anything here,” I said. “I was with you when we got here.”

“Let’s see whether you are a minor or not,” said April, kneeling before me.

“What are you doing April?” I asked as she proceeded to unzip my pants.

“I want to find out whether you are really a minor,” she said, fishing out my rock hard cock.

“April, stop,” I said weakly.

She held my cock and started to stroke it.

“You are not a minor,” she said, eyeing my cock. “Your cock’s bigger and more beautiful than his.”

“Cock size has nothing to do with this,” I said.

“I’ll find out in a little while,” she said. “I want to teach them a lesson. I want you to fuck me in the ass.”

“April, you are my sister,” I said. “I can’t do that to you. You are also married, and your husband’s right here.”

“Are you turning me down?” she said as she got up, bent over and hiked her short dress, exposing her bare ass. She spread her ass cheeks with both hands. “Are you turning down this ass? Are you gay? Can you see how tight it is? I haven’t even let Keith touch it, not to mention fuck it, and I never will. Is it not good enough for your big cock?”

“April, you have an amazing ass, but you are married,” I said. “I can’t do that in front of your husband.”

“Keith, ask Nick to fuck me in the ass,” she said as she turned around and resumed stroking my hard cock.

“Nick, please fuck April in the ass,” said Keith meekly after a few seconds of hesitation.

“I am not sure that’s a good idea, Keith,” I said as April continued to stroke my hard cock.

“Keith, you have to persuade him to do it,” said April. “You won’t like the consequences if he doesn’t.”

“Nick, please do it,” begged Keith. “It isn’t as bad as you think.”

“Is it bad?” asked April. “Didn’t you enjoy it? I know you did. I’ve never seen your cock this hard before.”

“I did enjoy it,” admitted Keith.

“Well, tell him how good it felt,” said April. “Maybe that will get him interested in doing it to my ass.”

“Nick, it feels really good,” said Keith. “You have to try it to believe it.”

“Does it feel better than pussy fucking?” I asked, playing the innocent teenager.

“Yes, much better,” he said. “The ass is much hotter and tighter than the pussy.”

“If it’s tighter and drier than the pussy, it has to hurt the woman, doesn’t it?” I asked. “I am not about to hurt my wonderful sister April in that sensitive area especially at this time.”

“No, no, it doesn’t hurt at all,” said Keith emphatically. “When you use lube, it gets very wet and slippery.”

“Mom has to testify to that,” I said.

“Amy, please tell him it doesn’t hurt,” Keith begged mom.

“No, Keith, not like that,” I said. “You are leading the witness. She needs to tell me the truth.”

“Amy, please tell him the truth,” begged Keith.

“Nick, it didn’t hurt me at all,” said mom. “I love getting fucked in the ass, and that was why I let him do that to me. He didn’t coerce me or talk me into it. I came a few times while he fucked me in the ass.”

“Are you sure you are not saying this to save his ass?” I asked.

“I am sure,” she said. “My pussy’s still dripping. You can see for yourself.”

“Keith, pull back a little so I can see her pussy,” I instructed, moving closer to mom’s ass.

Keith gently pulled half his cock out, and I was able to see mom’s pussy glisten in its juices.

“How do I know this is pussy juice not lube?” I asked.

“You can touch it,” she said. “Go ahead.”

“Mom, do you think this is a good idea?” I asked. “A guy isn’t supposed to finger his mother’s dripping pussy.”

“It’s okay, Nick,” she assured. “We are in an unusual situation.”

“If you say so,” I said, reaching for mom’s pussy with my left hand.

She moaned when my fingers touched her pussy. I slipped two fingers inside her pussy and found it to be very hot and wet. I removed my glistening fingers and smelled them. They smelled of excited pussy.

“I like the smell,” I said.

“That’s the smell of horny pussy,” giggled mom.

“Go ahead and stuff your cock back in her ass,” I said to Keith. “That’s only because she likes it.”

Keith pushed his cock all the way up mom’s ass and held it there.

“I am now convinced that it doesn’t hurt,” I said, looking at April. “If I have to do it though, there has to be something in it for me. Are you going to suck my big cock nicely?”

“You bet I am,” said April. “I am going to suck your cock and let you fuck my pussy and ass any way you want while our lascivious mom and my lecherous husband watch. You’ll be the only one I’ll ever let fuck my tight ass.”

“Do you mean I’ll be able to fuck your ass whenever I want but nobody else will ever fuck it?” I asked.

“That’s right, little brother,” she said.

“This is an offer I can’t refuse,” I said. “You got yourself a serious ass fucking, big sister. Suck my big cock.”

“You are okay with this, aren’t you?” April asked Keith.

“Yes, of course,” he said.

“Why are you acting like you don’t care?” I asked. “A minute ago, you were dying to persuade me to fuck her horny ass. Why don’t you ask her to suck my big cock?”

“April, please suck his big cock,” he pleaded.

“You think that’s a good idea?” she teased. “He’s my brother.”

“It’s okay,” he said. “You can suck his big cock freely.”

“Mom, isn’t that wrong?” she teased.

“No, it’s okay, sweetie,” said mom.

“I don’t know,” she teased, brushing my leaky cock head over her lips.

“You know, come to think of it, I am not sure it’s a good idea either,” I said as I placed my left hand behind April’s head and pulled her lips into my cock. “Because I am a horny teenager, I don’t care though. I was right you should have let me go instead of getting me involved in this mess.”

April opened her mouth and engulfed half my hard cock in one gulp.

“It’s okay, Nick,” he said. “You are a young man even though you are a minor.”

“Minors are so horny,” I said. “They don’t care who or what they fuck.”

“That’s fine,” he said. “She wants you to fuck her anyway.”

April was taking my cock down her throat eagerly by that time. After a couple of minutes of cock sucking, she dropped my cock from her mouth and turned to Alex as she stroked my hard sticky shaft.

“Alex, you little cocksucker, you said you were sucking Keith’s cock,” said April. “Come over here and show us what kind of cocksucker you are. Keep your fingers in your pussy. I think I should tell Nick to fuck your ass too.”

“I’d love that, big sister,” said Alex. “I am not a prude like you.”

“Shut up, and suck his big cock,” said April.

Alex knelt next to April, and April let her suck my cock for a couple of minutes.

“April, I am so horny I’ll probably fuck her ass even if you don’t ask me too,” I said.

“Get up and show him your slutty ass,” instructed April.

Alex got up and bent over, exposing her bare ass.

“Spread it, you little whore,” instructed April. “Show him that you are a dirty little whore.”

Alex complied.

“Do you like her ass?” April asked me. “Do you want to fuck it?”

“She has a great ass,” I said. “Can I really fuck it? I definitely want to.”

“Of course, you can if you want to,” said April. “Isn’t that right, Alex?”

“Yes,” hissed Alex, still spreading her ass. “You have a big cock. You can fuck me any way you want. I love your big cock. I don’t love Keith’s cock. I only sucked his cock because it was the only cock here. I want it in every hole.”

“I am the boss here,” said April. “I can let you fuck mom in the ass too. Do you want to do that?”

“Can I really do that to mom?” I asked. “She has a great ass, and I am an undiscerning minor.”

“Can he fuck your slutty ass, mom?” asked April in a commanding tone.

“Yes,” hissed mom weakly. “I’d love that even more than having Keith fuck my ass. As Alex said, Nick has a big beautiful cock. Any woman would love to whore herself to it.”

“You and your little daughter are whores,” said April.

“Sorry,” said mom.

“April, is mom right?” I asked. “Is my big cock truly so beautiful any woman would love to whore herself to it?”

“I don’t know about any woman,” said April, “but I sure would love to whore myself to it and have you use me in every possible way.”

“Oh, April, I’d love to do that,” I said. “You are my sister, but you are too hot for me to care. I’d prefer to fuck your pussy and ass more though. You talk too much for a cocksucker.”

“Is that right?” she smiled.

“It is,” I said.

“Nick, I am not always like that,” she said. “I promise you I’ll be a good cocksucker for you.”

“Keith, does she really not talk too much when she’s supposed to suck cock?” I teased.

“No, she doesn’t,” said Keith.

“You mean she’s always sucking your cock?” I asked.

“No,” he said.

“Nick, I have to talk now, but I’ll always be your cocksucker,” she said. “I promise I won’t talk much.”

“Show me that you can do that,” I said. “Suck my big cock devotedly for five minutes.”

April swallowed my cock and proceeded to deep throat it hungrily.

“This feels so good I am glad I am a minor,” I said. “Nobody can blame me for loving this.”

“Nick, nobody can blame anyone for loving this,” said mom. “Your big sister’s doing a wonderful job.”

“She said she’d be my cocksucker always,” I said. “Even when I am no longer a minor?”

“Darling, you’ll both get addicted to this you’ll never be able to stop,” she said.

“You are right, mom,” I said. “I don’t think I can ever give this up.”

“You don’t have to,” she said.

“She doesn’t talk at all while she sucks my big cock either,” I said.

“This is the best thing she can do with her mouth,” she said.

April continued to stuff my cock down her throat silently for over five minutes. I thrust in her throat too.

“Am I good enough to be your cocksucker forever?” asked April.

“Definitely, big sister,” I said.

“Do you also want to fuck Keith in the ass or make him suck your big cock?” she asked me, making Keith wince.

“No, I am not into guys,” I said.

“How about it if I make him guide your cock into my ass?” she asked wickedly.

“That would be okay,” I shrugged.

“With this big cock, you are the boss here,” said April, shaking my hard cock. “Anything you want you get.”

“Alex, get back here and suck my big cock,” I commanded.

Alex and April took turns sucking my cock for the following ten to fifteen minutes.

“Do you want Alex and mom to be your whores like me?” asked April.

“Yes, I’d love that,” I said.

“You heard him,” she said.

“Thanks, April,” said Alex excitedly.

Alex held April and showered her face with kisses.

“You are a whore,” said April.

“Thank you, April,” said mom. “I’d love that too.”

“Your slut mom and slut sister are excited about whoring themselves to you,” said April.

“So am I,” I said.

“I’ll go first though,” she said.

“Sure,” I said.

“Alex, get the lube and lube my asshole,” she instructed. “I want this big cock in my ass very soon.”

Alex grabbed the lube, which sat on an end table, and exposed April’s ass before she went to work. Meanwhile, April let me fuck her throat, moaning around it.

“I think you are ready, big sister,” announced Alex a couple of minutes later.

“Thanks, Alex,” said April as Alex put the lube down.

April got up and walked over near where Keith fucked mom. She bent over and spread her ass.

“Nick, come here and fuck my ass,” she instructed, looking back at me. “Keith’s going to guide your big cock into my little asshole. I am sure mom has taught him how to do that.”

Keith held my shaft and guided my cock head into his wife’s glistening asshole. I pushed gently and popped my cock head past her horny asshole, making her gasp.

“Thanks, Keith,” I said as he took his hand away.

April moaned as my cock smoothly slid up her ass until my balls pressed gently into her dripping pussy.

“This is good,” moaned April. “Mom wasn’t kidding. Do you like it, Nick?”

“Yes,” I said. “You have an incredible ass. It’s better than any pussy hands down.”

“I am glad that you like it because I intend to have you fuck my ass very often,” she said, thrusting gently.

“Is Keith okay with that?” I said.

“Yes,” said Keith right away.

“Alex, you’ve done a great job lubing my asshole,” said April. “Go ahead, and let mom lick your pussy.”

Keith watched dumbfounded as Alex and mom went on with that without any protest, but the situation was completely weird for him. I was sure he was happy I did not want him to suck my cock.

“Mom, make her come a few times,” instructed April as I fucked her ass. “Make sure to lube her asshole too because Nick’s going to fuck it after he gives mine some of his big cock.”

Alex reached out for the lube and handed it to mom.

“This really feels nice,” moaned April, fucking back. “Keith, watch Nick fuck my horny ass with his big cock.”

Keith was already watching my cock drill his wife’s tight asshole. I grabbed her hips and pounded her ass hard.

“This feels so good,” gasped April. “Why didn’t anybody tell me how good ass fucking was?”

“I did many times,” said mom.

“You weren’t convincing,” gasped April.

April had five consecutive orgasms. Her orgasms left her so weak she had to walk away and sit down. Meanwhile, mom made Alex come three times.

“Alex, it’s your turn,” gasped April, sitting back on a couch.

Alex got off the bed and bent over before me.

“Keith, honey, guide him in please,” gasped April.

Keith did not hesitate to guide my glistening cock into his sister-in-law’s well-lubed asshole as she spread her ass with both hands. I thanked him and proceeded to fuck Alex through five orgasms. I let her go after that.

“Keith, you can pull out of mom’s horny ass,” instructed April. “Nick’s going to fill it with his big cock.”

Keith pulled out and got off the bed. I knelt in his place and aimed my cock at mom’s offered asshole.

“Guide him in and spread her ass for him,” April instructed her husband as she stood next to the bed.

Keith used his left hand to guide me into mom’s ass. Once I was in, he spread her ass with both hands. I held her waist and pounded her eager ass into five orgasms.

“I am going to fill your hot ass with come, mom,” I announced as mom’s fifth orgasm started.

“Yes, darling,” she gasped. “Do that. Flood my slutty ass with your hot sticky come.”

While mom shook in orgasm, I pumped a big load of come deep inside her twitching bowels. I finally pulled out.

“Alex, suck his come out of her ass and feed it to her,” instructed April.

Keith was shocked with how depraved his prude of a wife had become. That shocked him even more than watching Alex willingly glue her mouth to mom’s well-fucked asshole and proceed to suck while mom pushed it all out into her daughter’s mouth. Alex opened her mouth and showed us all what she had. Mom lay back and opened wide. Alex dribbled all the come into mom’s mouth. Mom swirled it around with her tongue before she swallowed it all down.

“That was delicious,” mom said to me. “Thank you.”

“We need to get him hard again,” announced April. “Keith, sit down on the couch and let us use the bed.”

Keith moved out of the way, and I sat back on the bed. April pulled mom and Alex on either side of her, and they all knelt at my feet and proceeded to lick and suck my soft cock and balls.

“If you come or your cock goes soft, I’ll have to send you home and deal with you later,” April threatened Keith.

Keith proceeded to play with his cock to keep it hard while he watched his wife and in-laws go wild.

My girls soon had my cock rock hard. I fucked each of them in the pussy to orgasm before I fucked their asses. April and I had left the door ajar when we caught Keith with mom and Alex. I was fucking April up the ass from behind on the bed while she ate mom’s leaky pussy and mom ate Alex.

Dad walked into the room.

“What’s this?” asked dad.

We all looked at dad, but April did not miss a beat thrusting her ass back at me,

“Dad, Nick and I caught Keith fucking mom up the ass,” said April. “I decided to punish them by making them watch Nick fuck me up the ass.”

“You decided to punish them?” asked dad. “What about me? She’s my wife.”

“Dad, why don’t you come over here and let me suck your cock while you think of something?” she offered.

“That sounds like a good idea,” he said, fishing out his cock as he walked toward April.

April pounced on his cock. He was soon rock hard, fucking her throat.

“Your wife’s so good at this,” dad said to Keith. “I don’t know why you had to fuck mine.”

“She’s never done this to me,” said Keith.

“Of course, she wouldn’t do it if you don’t let her or ask her to,” said dad.

“Dad, did you think of something?” I asked.

“As a matter of fact, I did,” he said. “I am going to fuck Alex’s little pussy while your mom watches. Is that okay with you Alex, darling?”

“Yes, dad,” said Alex. “You have a big cock. I’d love to have it inside me.”

“You are a little whore, aren’t you?” said dad as he lay back on the carpet. “Come over here and ride my big cock.”

Alex obliged him readily. She came on his cock by the time April came on mine.

April and mom sucked my cock before I knelt behind Alex and filled her ass. She went wild with dad and me filling her horny fuck holes. We made her come twice before April replaced her.

“Keith, come here and fill my mouth,” instructed April. “Your prudish wife wants all the cock she can get.”

Keith did not hesitate to oblige his wife. After all, that beat playing with his cock while everybody else had fun. Dad and I made April come once and were working her toward her second orgasm when she dropped Keith’s cock.

“I want you all to come inside me,” she instructed. “I want three big loads of come in me at the same time.”

The four of us started working hard toward our common goal, making sure we worked like a well-oiled machine.

“Start the countdown sequence,” I signaled, fucking April as hard as I could.

Within several seconds, the four of us were coming. April was first, then Keith and then dad, and I was the last. I pumped my come as deep as I could inside April’s twitching bowels, letting her madly milking ass drain my balls.

“Mom, get ready to suck their come out of me,” gasped April after swallowing her husband’s come for the very first time. “Don’t let anything drip and don’t swallow. You need to share it with Alex.”

Mom sprinted into position next to us. She went on all fours. I held April and lifted her up, getting her off dad’s cock. Mom pounced on her free pussy and fastened her lips to her pussy hole. Meanwhile, dad extracted himself from there and moved away. After sucking dad’s come out of April’s pussy, mom lay back and April straddled her. I pulled out of April’s ass, and mom pulled her ass to her mouth. Mom spread April’s ass and sucked my come out of her asshole. When she thought she got it all, she pushed April’s ass away and went for Alex.

Alex tilted her head up and opened her mouth wide to receive mom’s creamy gift. The two of them passed the come back and forth a few times, swirling it around each time, before each swallowed her share.

“April, can I try the triple penetration?” asked Alex.

“You can if you can get them hard again,” said April. “Can your mouth revive three soft cocks?”

“I am sure it can,” said Alex. “I am a serious cocksucker.”

“Have fun, you little whore,” said April.

“Can you sit side by side on the bed?” Alex asked us, the men. “I want to suck you all back to life.”

We all shrugged and sat at the edge of the bed. Alex knelt on the floor before us and proceeded to suck our cocks, starting with dad’s. Meanwhile, behind us, April mounted mom in the sixty-nine position, and they proceeded to eat

and finger each other's pussy and ass. My cock was the first to get hard. I knelt behind Alex and fucked her pussy and then her ass, both to orgasm, while she stuffed her face with dad and Keith's cocks.

When Alex's asshole stopped twitching around my cock, I held her tightly and maneuvered her astride dad. Dad lay back, and she lowered herself onto his cock, stuffing her pussy with it while my cock impaled her ass. Keith got up and pushed his cock into her eager mouth. The four of us soon established our rhythm, and Alex was on her way to her first orgasm. Within the next fifteen minutes, she had three gut-wrenching orgasms.

Meanwhile, mom and April came in each other's mouth twice each. They sat down and watched Alex get her three holes fucked for the first time in her life. Alex collapsed on top of dad after her third orgasm, dropping Keith's cock but keeping her nether holes skewered on dad's and my cocks.

"Can I be next please?" said mom.

After kissing Alex on her cheek, I gently withdrew from her well-fucked ass. April pounced on my cock and took it balls deep down her throat while mom helped Alex off dad's cock.

"Keith, lie down," instructed mom. "You are going in my pussy."

Keith was very happy to oblige. Mom straddled him, and dad knelt behind her. As Keith and dad filled mom's pussy and ass, April let go of my cock and I brought it to mom's mouth. We were soon getting mom fucked royally on three cocks. She was very enthusiastic about it although it was by no means her first time.

At the end of mom's second hard orgasm, both Keith and dad came inside her twitching fuck holes. When dad pulled out, April fastened her mouth to mom's asshole and sucked all his come out. Keith saw her lewdly share it with Alex. She returned to mom and pulled Keith's soft cock out of mom's slimy pussy. She then sucked her husband's come out and shared it with mom as Keith watched. Meanwhile, Alex stuffed her face with my hard cock.

While everybody else watched, I arranged April on her hands and knees and knelt behind her. I fucked her pussy to orgasm before I crouched astride her ass and drilled her tight asshole through two orgasms. While she convulsed ecstatically, I spewed a come load deep inside her twitching ass. When mom saw that, she lay under April. I popped my cock out of April's ass, and she squatted over mom's face.

April dribbled some of my come into mom's open mouth before mom pulled her ass down and sucked the rest right out of her gaping asshole. When mom was done, she pushed April's ass away and got up. She lewdly shared the come with both her daughters.

As dad, Keith and I lay back resting, each girl grabbed a cock to suck. A few minutes later, they rotated. They rotated another time before we were all hard. Each girl got her turn to deep throat each of our hard cocks. After that, I arranged April and Alex on all fours on the bed and took turns fucking their asses. Meanwhile, dad and Keith doubled on mom, switching holes every once in a while.

"I want you all to come on my face," demanded April when she sensed that the men's orgasms were near.

"You got it, baby," I said, thrusting in her ass.

"Sure, honey," Keith and dad concurred.

When it was time, April sat down on the carpet and Keith, Dad and I surrounded her. She jacked Keith off while mom did dad and Alex did me. Before long, our come jets were flying into her face. When we were done, she licked our cock heads clean. We pulled away, and mom and Alex licked the come off her face and shared it with her. That signaled the end of our surprise homecoming party for Keith.

"Didn't I tell you that your wife could be a real slut?" mom said to Keith.

"I'll never doubt you again, Amy," he said.

"Don't you dare," she laughed.

In the barbeque, clothing was optional. We were all naked. We played around and grabbed ass a little, but we were all satisfied the duration of it.

On one trip to the house, I heard a car leave our garage. I looked out but was too late to see the car. I remembered that while in the guestroom I felt something strange but let it go in the heat of the moment. I decided to check the guestroom and see if I can figure out what was nagging at me.

The guestroom still reeked of sex despite having its window open. I noticed that the furniture was arranged a little differently from usual, but nothing looked out of the place. The mirrored closet doors were halfway open. I did not remember noticing that they had been open before. I walked over to close them.

When I reached the closet, I looked inside, and I was surprised to find two camcorders and a dozen videos in their bags lying there. I knelt down and grabbed a video from a bag and popped it into a camcorder. When I played it, the little screen filled with the picture of Alex lubing April's asshole while April sucked my cock. It was shot from the closet. Since there was some panning and zooming, it was obvious that somebody hiding in the closet had filmed our tryst. That somebody was likely the person who had just driven off.

That could not have been a coincidence. That person must have had insider information. I took the five recorded videos and snuck them into my room. I returned with blanks to replace them with. I used my camcorder to dump the first video onto my hard disk. I left and kept checking back to switch videos. They were done by the end of the barbeque party. I returned the original videos to the bag and took my blanks.

Once I had the videos downloaded, I checked them and found out that the two camcorders and a misplaced mirror were used to capture the action from different angles. Further scrutiny showed mom looking in the direction of the camera too many times to make it coincidental. It was obvious she was in on the filming, but nobody else seemed to have any clue about it. Having seen that, I decide to let her have the videos as long as I had my copies. I thought that the cameraperson must have been Aunt Leanne. There was no way mom would trust anybody else to see our depraved family orgy. I decided to let it go and never let on that I had a clue about that clandestine project.

When we were done with the food, I arranged April on her hands and knees on a chaise long and fed her my cock. The others watched as she deep throated my cock hungrily.

"Aren't you proud of your slut wife?" mom said to Keith as I fucked April's throat at an easy pace.

"I can't believe she's the woman I've been living with," said Keith. "She's incredible."

"She's become Nick's dirty whore," she said. "He's going to keep fucking her at every chance he gets."

"I don't mind that," he said. "They are amazing together."

During the next hour, I used all April's holes in many ways and filled her sizzling ass with come.

When I kissed April goodbye, I made her come on my fingers. She took my come home in her ass.

On their way home, April explained to Keith the whole setup, but he was not mad.

She effortlessly talked him into eating my come out of her well-used ass. He soon got used to it and did it eagerly.

"Are you proud of me for becoming my little brother's dirty whore?" she asked.

"Yes," he said.

THE FULL CIRCLE

From that Sunday on, I could fuck both my sisters, mom and aunt freely at our house, but I was still unable to fuck my aunt, who helped me extremely, with her husband's knowledge. That should not be something hard to fix, but I wondered how we could do it with the least possible effort. I was not the only one who wondered about it either.

"Nick, Ken still doesn't know that you've been fucking Leanne," said mom. "We still need to get him aboard."

"I can easily seduce him," said Alex. "While he fucks me, Nick or Aunt Leanne can walk in on us."

"Leanne can talk Ken into teaching you about sex," suggested mom to Alex. "After that, she can tell him she wants to teach Nick the same way too."

"Uncle Ken still doesn't know that Aunt Leanne takes it up the ass," I said. "We can let him catch me do that to her. When he does, Alex can suck his cock into silence."

"Let's think about it a little more and I'll talk to Leanne and see if we all can come up with the perfect scenario," suggested mom. "All these scenarios leave something to be desired."

Mom broached the subject with Aunt Leanne later that evening.

"Don't you all worry about it," Aunt Leanne said to mom over the phone. "You just send Nick over to me."

"Speaking of sending him over, we need to get him a car," said mom. "He'll have to drive to you."

"That's fine by me," said Aunt Leanne. "That's actually more convenient for everybody."

"Nick, this Friday you'll drive to your Aunt Leanne's, and she'll do the rest," announced mom later that night.

"Are you lending me your car?" I asked.

"No, you'll be taking your own car," she said.

"I don't have a car," I said.

"You will by then," she said.

"Ken, are you ready to watch me get fucked up the ass?" Aunt Leanne asked Uncle Ken when he came home.

"You finally decided to take the plunge?" he chuckled.

"I've actually taken the plunge a few weeks ago," she said. "I've been practicing ever since. I am now ready to put on a decent show for your enjoyment. I think you'll be proud of me."

"Do I know the lucky bastard?" he asked.

"Yes and no," she said.

"What does that mean?" he asked.

"You've met him," she said. "You knew him by Mick. That was not his real identity though."

"Mick wasn't his real name?" he asked. She shook her head negatively. "How did you meet him?"

"I may tell you all about that some other time," she said.

“Is he going to be your show costar?” he asked.

“Maybe,” she smiled enigmatically. “I am still working on the details. Whether it’s going to be Mick or somebody else, you just rest assured that you’ll get your money’s worth and then some—if you are up to it. Are you?”

“Do you think your guest would mind if I filmed the show?” he asked.

“I don’t think so,” she said. “Are you ready to watch your wife take a big cock up her ass, which was once virgin?”

“It’s going to be one on one, right?” he asked.

“I believe so,” she said. “I am dying for a nice long hard ass fucking. I don’t want to get distracted.”

“I see that you’ve come to love getting fucked up the ass,” he commented.

“You know how good Mick was at it,” she said. “He showed me the light.”

“He’s apparently done a serious job on you,” he said.

“He gave me the best fuck or my life in any hole,” she said.

“I am looking forward to seeing you in action,” he said.

“Me too,” she said. “You won’t be disappointed.”

Mom and I went around the car dealerships in our area and ended up getting me a two-year-old full-size car.

We celebrated by taking a drive. She sucked my cock while I drove to a secluded area. There I fucked her pussy and ass in the backseat. It was not as comfortable as a king-size bed, but it was a thrill anyway. I also fucked her bent over the hood and the truck and on her hands and knees in the front with the passenger door open and with me outside.

That was a through test-drive. I fucked her in all major positions in every hole. I also tested the car on my girlfriend.

Late on Friday afternoon, I drove to Aunt Leanne’s house. She met me at the door. We hugged and kissed briefly. She was wearing a little black dress that showed off her generous cleavage and her sexy legs.

“You look hot,” I smiled.

“I feel hot too,” she smiled.

“Are you ready to get fucked?” I said.

“Play along with me,” she instructed. “Before you know it, you’ll be fucking your horny aunt any way you want while your uncle watches.”

“You have everything ready?” I asked.

“Trust me,” she said.

She let me inside, and I squeezed her tight ass. My cock started to get hard when I felt no underwear. She reached back and squeezed my hardening cock.

“Have a seat while I get Ken,” she said, motioning me to a couch. “I am already dripping.”

“Would you like me to clean you up a little?” I teased.

“You’ll soon get to do that but not now,” she said.

“I can’t wait,” I said.

“Ken, dear, Nick got his new car and popped in for a short visit,” she told Uncle Ken. “He won’t in any way slow down our plans for tonight. Be nice as usual, and everything will go well.”

“Okay,” he shrugged.

They soon joined me downstairs.

Uncle Ken greeted me and shook my hand. He sat next to Aunt Leanne on the loveseat. Her legs were exposed all the way up. We chatted inconsequentially for several minutes. She parted her knees but not much.

“Aunt Leanne, you are dressed very sexily tonight,” I said. “Am I interrupting something?”

“Not really,” she said. “It’s a Friday night, and I am looking forward to having fun.”

“Uncle Ken, she’s my aunt, but you are a very lucky guy to be married to my sexy aunt,” I said.

“I already know I am,” he said.

“Thanks, Nick,” she said.

“I guess I should get going and leave you to your fun,” I said, standing up. “I’ve taken enough of your time.”

“Don’t be silly, Nick,” she said. “You can’t take that long drive and stay only for a few minutes.”

“It’s okay,” I said. “It wasn’t like I was formally invited.”

“Nick, at this house, you are always formally invited,” she said. “Isn’t that right, Ken?”

“Yes, of course,” he said.

“Nick, you are nearly an adult,” she said. “You wouldn’t be offended if we talked about sex, would you?”

“I suppose not,” I shrugged.

“You are sexually active, aren’t you?” she asked.

“Yes,” I said, somewhat embarrassed to admit that in front of Uncle Ken.

“Don’t be embarrassed about that,” she said. “Do you enjoy eating girls’ juicy pussies?”

“Yes,” I said weakly, nodding.

“Do you enjoy having them suck your cock?” she asked.

“Who doesn’t?” I said.

“I don’t want you to feel any self-conscious,” she said. “I also enjoy sucking cock and having my pussy eaten.”

“That’s none of my business,” I said.

“Do you engage in anal sex?” she asked.

“Yes,” I said. “I know most people think it’s perverse, but I think they are wrong. It’s my favorite form of sex.”

“So you like fucking girls up their tight asses?” she teased.

“I love that,” I said.

“How often do you get to do it?” she asked.

“As often as I can,” I said.

“How often really?” she asked. “Once a month, once a week or more often?”

“Usually a few times a day,” I said.

“Wow!” she exclaimed, raising her eyebrows. “That often? Have you deflowered any virgin asses?”

“This is somewhat embarrassing,” I said. “It’s nothing that I regret, but most people would think badly of me. I’ve deflowered ten anal virgins, including two married women, but I won’t mention any names.”

“You deflowered ten anal virgins?” she asked.

“Yes,” I said. “I’ve also had anal sex with nine other married women that had not been anal virgins. I am not a bad guy, but things worked out that way. I couldn’t say no to those lovely asses.”

“Did they like it?” she asked.

“This is something I don’t claim to understand,” I said. “Almost always when people talk about anal sex, they say it’s painful and degrading. I must be unbelievably lucky because every girl or woman I’ve been with loved it so much. Otherwise, I wouldn’t be able to enjoy it on a daily basis with hot women and girls.”

“What do you think of incest?” she asked.

“I think it may be good or bad, depending on the situation,” I said.

“If I offered you to fuck me up the ass, would you do it?” she asked bluntly.

“I’d be out of my mind not to,” I said. “You are a very beautiful woman. No man can refuse your offer.”

“Thank you,” she said, smiling. “You don’t mind that I am your aunt?”

“Not if you don’t,” I said. “A hot woman’s a hot woman to me regardless of who she is. If she’s a relative, she means more to me. Uncle Ken has to be okay with that though.”

“You are okay with it, right, Ken?” she asked.

“It’s up to you, two,” he said.

“Nick, how about this?” she said. “You show me your cock. If I like it, you are in, so to speak. If not, I’ll apologize and suck you off for bringing your hopes up.”

“Uncle Ken, are you okay with that?” I asked, looking at Uncle Ken.

“Sure,” he shrugged.

“This had better not be a practical joke,” I said. “If it is, I’ll never talk to either of you.”

“It’s serious,” she said. “It can’t get any more serious than this.”

“If you say so,” I said as I got up and proceeded to unzip my fly. My rock hard cock popped out to say hello. “I am not ashamed of my cock. Every woman or girl who has ever seen it loved it.”

“Oh, you have a big beautiful cock,” she said. “No wonder they all loved it.”

“Thank you,” I said.

“I want it in my ass,” she said. “Do you think you can get it there?”

“If you have an asshole, I can get it here.” I drew a circle around the base of my throbbing cock.

“That’s exactly where I want my tight asshole,” she said.

“If you want it, you’ll get it,” I said.

“Can I suck it a little?” she asked, eyeing my cock.

“I’d love that,” I said. “You have to suck it more than a little though. My big cock’s used to being spoiled rotten.”

“It definitely deserves it,” she said. “I’d love to spoil it for you. Any woman would love to.”

“It’s all yours,” I said.

“Nick, you are my favorite nephew,” she said as she scooted off the loveseat and crawled to me.

“Aunt Leanne, you are my favorite aunt,” I said as she knelt before me.

“Let’s see if I can make you like me even more,” she said.

“I already like you so much, but you are welcome to try,” I said.

She looked at Uncle Ken and motioned him to the camcorder, which was standing where it could take the entire view. He looked where she pointed with her eyes and smiled when he saw it. He got up as she stroked my cock.

“Nick, I want your big cock in all my holes,” she said. “I want you to fuck me senseless any way you want.”

“My big cock’s at your service,” I said. “Anything you want you’ll get. You are my favorite aunt after all.”

“Thank you,” she said.

Uncle Ken held his distance as he focused on us. The zoom did the walking. That was Aunt Leanne’s cue to start her oral assault at my cock by teasing my cock head with her tongue tip and making my cock jump with excitement.

“Aunt Leanne, you are a very beautiful woman,” I said. “Beauty’s usually skin deep, but a good fuck has to be balls deep. Show me how deep your beauty really is.”

“It’s as deep as you can go and then some,” she said, looking up at me. “You’ll find out soon enough.”

“That means you wouldn’t be offended if I called you a slut,” I said.

“Not at all,” she said.

“That’s all I want to hear,” I said. “Suck my big cock like you mean it, my horny slut. I’ll let you tease me later.”

She immediately gulped my cock all the way down her throat and proceeded to deep throat it. I held the back of her head and fucked her throat gently.

“Yes, Aunt Leanne,” I groaned, holding my cock all the way down her throat. “Your beauty’s definitely bone deep. When I say bone deep, I don’t mean your bones but my big cock.”

She moaned around my cock when I let go of her head.

“I am so glad I am not closed-minded when it comes to incest,” I said. “Fucking a wonderful woman like you is an opportunity so valuable no sane man can miss or mess.”

With her hands on her knees and mine by my sides, she sucked my cock eagerly, working her hot lips back and forth over my shaft. She occasionally licked my cock head enthusiastically while sucking it hard.

“You are a good cocksucker, Aunt Leanne,” I said. “Don’t stop what you are doing.”

After a few minutes, she got on all fours. I fucked her mouth gently. She occasionally let go of my cock and rubbed her face over it. I often twisted my hips left and right, slapping her face with my hard cock. She happily held her face.

While fucking her face in that position, I bent over and started to fondle and squeeze her ass.

“Aunt Leanne, you have a very hot ass,” I said, spreading her ass with both hands. “It’s so fit for fucking.”

She moaned around my cock as I continued to knead her ass. I hiked her dress and fucked her pussy with two fingers while massaging her asshole with my thumb. I soon had each of her nether fuck holes busy sucking one of my slick fingers. She eagerly pushed her ass back to meet my fingers and her head forward to meet my cock.

“Stay as you are, you hot slut,” I said as I finally withdrew from all her holes.

She held her position on all fours as I walked around her and knelt behind her. I gently spread her ass with both hands and aimed my cock at her pussy. I shoved my cock in, making her groan. She let out a grunt when I hit bottom.

“I love your hot pussy,” I said as her pussy twitched and doused my cock with a fresh load of juices.

While thrusting in her eager pussy, I pulled her dress down her shoulders. She worked her arms out of her dress. I collected her dress around her waist, setting her lush tits free for a few seconds before I reined them with my hands. Capturing her stiff fat nipples between my fingers while kneading and squeezing her tits, I fucked her pussy harder and harder. She fucked back energetically, begging for more. She came on my cock within two minutes.

“You have a hot little pussy,” I said as I held her tits tightly and drilled her convulsing pussy.

“I love your amazing cock,” she gasped as she went limp in my arms.

Her head hung down as she gasped for air. I withdrew my dripping cock from her drenched pussy and walked around her. I tilted her head up and pushed my glistening cock into her mouth. I fucked her mouth gently, giving her time to catch her breath. When she did, I pulled her dress over her head, leaving her naked.

Tossing her dress away, I pushed her forehead back until she had to prop herself on her hands behind herself, her ass sitting on the floor. I straddled her face and pushed my cock into her mouth. I fucked her throat in that position for several minutes. I slowly turned around while fucking her face until I was facing the rest of her body. I grabbed her tits and proceeded to fondle them and pull on her nipples while she eagerly received my cock down her throat.

While fucking her face in that position, I started to push on her chest, gradually lowering her to her back. When she was lying on her back, her head tilted back, I let go of her tits and lowered my mouth to her pussy. We were then in a variety of the sixty-nine position. I licked her clit while I finger fucked her pussy and asshole and fucked her throat. I reamed out her twitching asshole with two fingers while I ate her leaky pussy to orgasm.

She convulsed underneath me as I held half my cock in her mouth and sucked her gushing pussy thirstily. When she finished coming, I spun around and stuffed her pussy with my cock. Before she caught her breath, she was gasping again on her way to orgasm. I watched her tits jiggle as I pounded her eager pussy. I kept that up until she had two orgasms. I reached behind her and slid two fingers up her ass, making sure her copious juices had soaked her asshole.

“You said you wanted me to fuck you up your tight asshole,” I said, pumping her pussy and ass in the same rhythm. “It’s your only fuck hole that I haven’t fucked, but I am looking forward to fucking it royally.”

Before she could answer, I covered her mouth with mine, and we kissed feverishly. My tongue stuffed her mouth while my cock stuffed her pussy and my fingers stuffed her ass, all of them thrusting in unison. She writhed under me.

“Do you *want* me or *need* me to fuck you up your cock-hungry asshole?” I teased, breaking the kiss.

“I *need* you to fuck me up my cock-hungry asshole,” she gasped.

“How bad do you need it?” I asked, mashing her clit between our pubic bones.

“Very bad,” she gasped, grinding her pussy into the base of my cock. “My ass is so hungry for your big fat cock.”

“I’ll fuck your greedy ass on one condition,” I said.

“Yes, yes, I agree,” she gasped.

“It’s a tough condition,” I warned.

“I don’t care,” she panted.

“I’ll only fuck your ass if it’s mine,” I said.

“My ass is all yours,” she said.

“If your ass is mine, nobody else can ever fuck it without my permission,” I said.

“I agree,” she said. “Nobody else is ever going to fuck it ever. It belongs to you.”

“Are you sure?” I asked. “Once I put my big cock up your sizzling ass, there will be no turning back.”

“Yes, I am sure,” she said. “Fuck my ass already, baby.”

“From now on, your ass is all mine,” I said. “Be nice, or I’ll spank it before I fuck it. I may even decide not to fuck it after I spank it, and nobody else ever will.”

“I am sorry,” she said meekly. “Please fuck my ass.”

“Pull your knees to your tits and beg for it,” I said as I slid my fingers out of her asshole and raised myself on my arms, raising my hips a little.

“Please fuck my cock-hungry asshole,” she begged, holding her knees to her tits.

“I’ll be too nice to you this time,” I said, slowly withdrawing my cock from of her drenched pussy.

“Thank you,” she gasped.

My cock head slid down to her asshole. I held it there and used my right hand to keep it in position as I gently pushed it into her eager asshole.

“Yes,” she gasped when my cock head dented her anal pucker and slid past her sphincter.

“Aunt Leanne, your ass is wonderful,” I said, holding my position. “Thank you for making it mine.”

“You are welcome,” she said. “I am sure I won’t regret it.”

“Now that it’s mine, I am going to take good care of it and fuck it royally,” I promised.

“Yes, Nick,” she moaned. “I knew you would.”

“Are you ready?” I asked.

“More than ever,” she said.

“Let’s do it,” I said, pushing into her ass.

My cock sank in her ass gently and slowly so we could enjoy every delicious sensation. She let out a long happy moan as my hard cock opened up her ass and stuffed it tightly. My engorged cock head peeked past the end of her rectum as my balls pressed gently against the back of her ass crack. I held myself like that and enjoyed the wonderful feeling. She squeezed my cock a few times.

“I told you I must have been so lucky that all my sluts loved the feel of my big cock up their hot tight asses,” I said. “I am even luckier that this slut’s ass feels so exquisite around my hard cock.”

“The luck’s all mine,” she said. “Your big cock feels incredibly good up my horny ass.”

“We are both going to get much luckier when I start actually fucking your amazing ass,” I said.

“What’s holding you back?” she teased. “My ass is yours. Fuck it any way you want.”

“Say ‘please,’” I teased.

“Please fuck my ass,” she begged. “Please fuck it royally.”

“I will, my dirty whore,” I said as I pulled almost all the way back, making her gasp as her asshole squeezed my cock involuntarily as if to keep it from sliding out. “I will.”

With our eyes locked, I proceeded to fuck her tight ass at a nice slow pace, fully enjoying every stroke and making it count. She milked my cock, savoring every sensation. We maintained that pace until she came. I pinned her by her wrists, holding her ankles against my shoulders, and pounded her trembling ass vigorously. She came uncontrollably.

She had multiple orgasms, her juices drenching my balls and her asshole, before she went limp, gasping for air.

“You are definitely the best,” she gasped. “You deserve my horny ass to be yours and only yours.”

When her orgasm subsided, I slowed down my pace but kept it fast. My balls made audible slaps on the back of her ass crack, signaling the end of every deep stroke. A few minutes later, she came again. I kept her on that roller coaster for over an hour, taking her up to a wild orgasm and then down. I was vaguely aware of Uncle Ken silently moving around us to capture every detail of the most intense ass fuck he had ever seen.

After over a dozen powerful anal orgasms, she was getting tired. I held each of her wrists with her corresponding ankle in one hand and pinned them to the floor, raising her ass further up. Holding her like that, I popped my cock out of her ass and scooted forward, thrusting it in her face. She took it in her mouth, and I fucked her face gently.

A few minutes later, I dismounted her face and turned around. I pulled her ass up and proceeded to lick it and probe it with my tongue. My cock had loosened her asshole so well it was easy for me to drive my tongue half way up her ass. She moaned as she stroked my hard cock with her right hand. I used my free hand to pinch her stiff nipples and pull on them. She had an orgasm while I tongue fucked her ass. I then cleaned up her drenched pussy with my tongue. That was not easy especially because my ministrations made her come again in my mouth.

Once I was done with her juicy pussy, I pulled her to her feet, and we had our first full kiss. We kissed deeply and passionately for a few minutes. While we kissed, I fondled her tits and ass and fingered her pussy and asshole.

“You are unbelievable,” she gasped, fondling my cock and balls. “You are spoiling me for everyone else.”

“You deserve to be spoiled, my dirty whore,” I said.

My two fingers remained up her ass as I walked her up to the master bedroom. Her left hand held my hard cock possessively. Uncle Ken followed us with his camcorder. In the bedroom, we kissed again. She sucked the fingers I had up her ass before I nudged her shoulders down and replaced them with my hard cock.

She sucked my cock for several minutes before I laid her prone on the bed and lubed her asshole generously. I mounted her and fucked her ass into three orgasms. Without taking my cock out of her ass, I pulled her hips up and fucked her ass in the doggy position. I made her come twice before I changed into the leapfrog position. I pounded her offered ass from above until we both came. I slammed all the way up her ass and flooded her bowels. When her twitching asshole finished draining my balls, I gently pulled out.

She was still gasping when I flipped her onto her back and pulled her ass to the edge of the bed. I sat her up and had her pull her knees up. I brought my mouth to her asshole. I licked and probed her relaxed asshole with my tongue before I sucked all my come out. It took me a minute or two to get it all out. I then stood up, tilted her face up and pried her mouth open. She held it wide open as I dribbled a mixture of my come, my drool and her pussy juices into her eager mouth. She lewdly swirled it in her mouth before she gulped it down greedily.

“You are a dirty fucker,” she smiled.

We kissed before I pushed her onto her back and went down to my knees. I brought my mouth to her drenched pussy and ate it to orgasm. I moved to her asshole, pushing her legs over her head. I took my time licking and probing her asshole, making her moan and squirm. When my cock was hard, I spun her around, making her head hang off the edge of the bed. I pushed my cock into her mouth and proceeded to fuck her throat deeply while fingering her pussy and asshole. I made her come with two fingers drilling each of her nether fuck holes.

After that, I lay on the bed and let her get her ass fucked any way she wanted. She started with the anal Asian cowgirl position. After she came, she turned around into the anal reverse cowgirl position and bounced to orgasm. She then had me fuck her ass in the doggy position. That was followed by the missionary position with her legs pulled up.

By midnight, I had come in her ass four times. I let her scoop the second and third loads out of her ass and eat them off her fingers. I left the fourth come load up her ass.

“Your bedroom’s going to smell of sex for a week,” I said as I finally lay in bed to rest.

“What a nice aphrodisiac!” she said.

“Have you enjoyed your time as much as I’ve enjoyed mine?” I asked.

“I am considering talking Ken into moving into your neighborhood so I can have more of your incredible cock,” she smiled. “Does that answer your question?”

“I’ve enjoyed myself so much I am not sure if that was a yes or a no,” I said.

“It was a yes if I ever said one,” she smiled as she leaned over me for a long sweet kiss.

“I have to get dressed and get going,” I said, getting up after breaking the kiss.

“Why don’t you spend the night here?” she asked.

“I have to go,” I said. “I didn’t get a chance to show you my car. I guess I have to drive over again another time.”

“Yes, you do that,” she said. “There is no telling how many times you’ll have to drive over until I can get a chance to take a look at it and maybe let you take me for a ride.”

“Uncle Ken, thanks for sharing your wonderful wife with me,” I said.

“I am so glad I did,” he smiled as I pulled on my clothes. “That was the best show I’ve ever seen. You have an open invitation to my house and my wife whenever you want.”

“I appreciate your bottomless generosity,” I said. “I promise I’ll take advantage of your invitation.”

“It’s worthless if you don’t,” he said.

“Don’t worry,” I said. “I’ll make sure it’s priceless.”

That night I slept like a rock and woke up, my cock like a rock.

“Good morning, sleepyhead,” greeted mom, taking her mouth off my cock.

“Good morning, mom,” I said, smiling groggily.

“How was your trip?” she asked.

“If Aunt Leanne made it to the party tonight, it would be only because her hot ass took all the brunt,” I said.

“How did Ken take it?” she asked.

“He got it all on video and loved it,” I said.

“I can’t wait to see that movie,” she said.

“That’s going to be a six-hour movie,” I said.

“A six-hour movie?” she said. “I’d better let you have some more rest.”

“It’s too late for that now,” I said. “I need to discharge my balls deep in a hot tight female fuck hole.”

“Oh, I have just the one,” she said, patting her ass.

“Why don’t you impale it on my big cock and see how it works?” I said.

“Gladly,” she grinned.

She soaked my cock in her drool before she straddled me in the Asian cowgirl position, fully impaling her ass.

“Nick, you know that we party weekly,” she said. “How would you like to join our party next Saturday?”

“I’d like that, but I am not sure the other women would,” I said. “They didn’t know who I was that time.”

“Do you think I am not aware of that?” she smiled mischievously.

“What do you have up your sleeve?” I asked.

“Including today, we have eight days to that party,” she said. “I’ll introduce you to one of them each day.”

“How are you going to do that without making them freak out?” I asked.

“That’s easy,” she said. “I can come up with an excuse to let you fuck them silly before I’ll let them see you.”

“How are you going to do that?” I asked.

“That’s so easy,” she said. “We can use a blindfold, a mask, a dark room or any of a bunch of other ways.”

“That’s brilliant,” I said.

“Thank you,” she smiled. “You’ve used that on me once before. Who do you want to fuck first?”

“If I don’t know, it adds to the thrill,” I said. “How about if we do it so the woman and I get to see each other at the same time? That would be a double surprise.”

“I like that,” she said.

“I want to fuck them in their beds,” I said. “When I am done with them, I want them to rest, not to have to walk, drive or ride home with my come seeping out of their content loose pussies and assholes.”

“That’s very thoughtful,” she said. “I think they’d like that, but how are we going to hide their identities?”

“I’ll let you figure that out,” I said.

“I already did,” she smiled.

“Not only are you a hot woman, but you are also a smart one,” I smiled.

“We’ll make this quick so I can give you time to rest and myself time to make the arrangements,” she said. “I’ll also work on sending you to visit your Aunt Mish. She’s more like your sister April before you corrupted her.”

After all that, nobody knew how it all had started. They thought it was the talk I had with my aunt after she overheard me with her teen neighbor. I decided to leave it that way and snoop around for the other hidden media. My cock twitched in mom’s ass as I thought about watching that hot stuff with Alex behind everybody else’s back. Being a snoop was still a thrill to me regardless of everything else.

The End

The Snoop

Innocently using my uncle’s computer started an adventure not so innocent. Stumbling upon shocking digital pictures piqued my interest and curiosity and made me behave in a questionable way. The sounds my aunt’s teen neighbor made in my room made a tight opening tight enough for me to go deeper and further.
