Roger had been my best friend for a long time. We talked about everything together, especially girls and sex. We were so close we fucked our girlfriends together several times, but we did not swap. Somehow he started seeing my sister, and then I started seeing his. Our sisters were also old friends. Naturally we no longer had the luxury of fucking together.

Although we dated each other's sister, we continued to talk about sex. Even once we discussed how good each other's sister was in bed. Probably our sisters were doing the same. One day, we talked very openly about it, and I discovered that Roger did not manage to get my sister's ass. That day he learned that I had deflowered his sister's tight little ass and turned her rectum into a freeway, drilling it at blinding speeds, and she loved every moment of it.

Trying to be supportive, I gave him pointers on how to seduce my sister's ass. He said, most of them failed, and he since long gave up trying. We changed into other topics.

A Nightingale Classic

Sunday Mystery

As we left the café early that evening, we saw a girl with a hot tight ass, so I whistled. The girl looked back. She looked us all over then beckoned with her finger. I called Roger and followed her. Roger declined. He said he would wait for me there.

SUNDAY FUN

After the girl and I crossed a street, I caught up with her. We were then in front of a software company.

"Hi, sexy," I greeted.

"Hi, handsome," she said. "Stay with me."

Before I answered, she turned into the company. She showed her badge to security and got me a visitor's badge. We took the elevator to the fourth floor. There, she led me through the aisles to a cubicle.

"What do you do here?" I asked.

"I do programming," she said.

"How come such a pretty lady like you does such a boring job," I said.

"It isn't a boring job," she said. "Let me show you."

She logged on to her computer and put a pair of headphones on my ears and clicked an icon. A porn movie started playing with a woman sucking a guy's big cock. The picture and sound were unbelievably clear. My cock jumped like a cobra.

"This is hot," I said as I handed her the headphones.

"Do you want to see something hotter?" she said.

"Sure," I said.

She reached for my fly and popped out my boner.

"I am so lucky tonight," she smiled. "You have a big juicy one."

"You are very sweet and hot yourself," I said.

She pounced on my cock, and my cock head was instantly past her lips. She sucked deeper and deeper.

"Miss, are you sure it's safe to do this here?" I asked.

"I must be sure," she said, letting my cock out for a second. "If I get caught, I'll lose my job."

"Wow!" I said as she struggled to stuff my cock down her throat.

She swallowed my entire cock and proceeded to deep throat it expertly. My throbbing cock leaked profusely in her eager mouth as I thrust in her throat.

“Do you have a condom?” she asked.

“No,” I said in disappointment. “I didn’t expect this.”

“Don’t worry, I do,” she said. “It will feel tight though.”

She retrieved a condom from her desk and rolled it onto my shaft. She bent over the desk and waited.

“Let’s see if it can fit in my little pussy,” she said. “It isn’t used to the family size. It’s going to be very tight.”

She shook her tight ass in my face, and I went to work. I unbuckled her belt, undid her jeans and pulled them down her hot ass. It was a tight fit. I finally got her pants down to her ankles.

“Leave them there,” she said.

As soon as I lowered her panties, I dived between her cheeks. I licked her pussy, making her shiver and moan. I spread her ass wide and went for her sweet little asshole. She gasped and tensed at first.

“You are crazy,” she said, her asshole clenching.

She soon gasped and moaned happily while I gave her tight asshole a serious licking, loosening it a little. She enjoyed herself especially when I tongue fucked her asshole while teasing her slick clit.

“Fuck me,” she finally begged breathlessly. “Stuff that big cock in my little pussy, but take it easy at first.”

“You got it,” I said, rubbing her dripping pussy with my cock head. “I am good at reaming out tight holes.”

“You have to be when you have that big cock,” she moaned.

Her pussy was soaked. My cock throbbed as I pressed it into it. I lunged into her heated pussy, and my cock head slit in, stretching it tightly.

“Oh, you are going to stretch my pussy seriously,” she moaned. “I’ve never been stretched this wide.”

“I am sorry about this, but your little pussy won’t be tight when I am through with it,” I said, grabbing her hips. “Anybody would know that it has received a serious reaming. It will take days to recover.”

“Don’t apologize,” she said as I thrust firmly into her little pussy. “That’s exactly what I want you to do to it.”

She moaned and pushed back as I stuffed her pussy with more and more of my hard cock. She stiffened and came when I was halfway in. She came soon, gushing on my pumping cock. My cock hit bottom, and her orgasm exploded harder. I fucked her gushing but tight pussy mercilessly until she calmed down. She gasped for air, and I fucked her drenched pussy gently.

“That was the most serious drilling I’ve ever had,” she gasped. “Thank you.”

“I enjoyed it,” I said, picking up the pace. “I enjoyed it so much I am going to do it again if you don’t mind.”

“Please do,” she said, fucking back. “I don’t.”

She came again a few minutes later.

While she recovered, I pulled out and wiped her drenched pussy with my thumb. I shoved my cock back in and gently pressed my slick thumb against her asshole. I massaged her asshole gently as I thrust in her pussy. She fucked back more and more energetically. Her asshole slowly relaxed, and my thumb sank slowly in. I soon had it all the way in. I fucked her hard while her asshole milked my thumb. I swirled my thumb within her asshole, loosening it up gently and gradually but firmly and constantly. She fucked more energetically, her asshole milking my thumb.

“You have an incredible ass,” I said.

“Thank you,” she gasped.

“Your pussy and asshole are so hot and tight,” I said. “I love sinking deep inside of them.”

“You are a horny guy,” she gasped. “I normally don’t let guys toy with my asshole.”

“You are a bad girl for letting a stranger toy with your very sweet asshole,” I said.

“I am being very bad tonight,” she gasped.

She stiffened and convulsed in orgasm. I drilled her hard as her pussy and asshole twitched crazily. I did not slow down when her orgasm subsided, leaving her gasping for air. She recovered quickly, and I pounded her soaked pussy into a new orgasm. By then, her asshole had loosened up quite a bit.

“Do you take it up the ass, miss?” I asked, pulling the inside of her anal ring out.

"I can't say no after that hot rimming and hard drilling you gave me," she said. "You are so big. Will you be gentle with my virgin asshole?"

"I am usually too gentle with virgin assholes," I said.

"If you know how to do that, go for it," she said.

While I did not carry condoms, I always carried lube with me. I squeezed lube generously on her asshole and gently worked it inside her asshole using my thumb. I replaced my thumb with two fingers to work the next helping of lube in as I pulled out of her drenched pussy. I reamed out her asshole for a few minutes while she moaned and squirmed. I added more lube and squeezed a third finger in. I slowly worked the three fingers in, making her moan and squirm around my fingers. I used the three fingers to ream out her asshole for a few more minutes.

"Do you like this?" I said.

"Yes," she hissed. "It feels strange but so hot."

"You have a very hot ass, baby," I said. "I am sure it was made for this. I am so lucky to help you with it."

When she was ready, I rubbed my cock head a few times up and down her leaky pussy. I removed my fingers from her asshole and squeezed fresh lube on it. I gently but firmly pushed my cock in. I went in slowly, popping my cock head in. I took my time sliding deeper until my balls touched her sticky pussy. She grunted softly when I fed her the last of my cock. Her ass was so hot and tight. I paused for several seconds, giving her time to get used to the tight stuffing. I fucked her in a slow rhythm that accelerated gradually until my pelvis hammered her offered ass.

"Your ass feels amazing around my big cock," I said.

"Your big cock feels so good inside it," she gasped.

"It's because it's what it was made for," I said. "The guys who saved your incredible ass for me were crazy."

"I did, not they," she said. "They tried to get it."

"You were very wise to save it for the big cock it was meant for," I said.

"I was just lucky," she said.

"I am the lucky one," I said.

Her asshole milked my cock exquisitely. I grabbed her tits and milked them through her top. She came wildly soon, her extremely tight asshole twitching wildly around my pumping shaft. I drilled her ass with fast short strokes until she went limp. While she recovered, I sawed my cock in her ass with long slow strokes. I generously added lube to my cock and her asshole, getting her ready for the next round. When she responded to my thrusts and fucked back, I picked up the pace. I fucked her ass nicely for a few minutes before she came wildly again.

When she recovered, she received a harder drilling that made her come faster and harder than before. I decided to take advantage of her anal spasms and come right then. When she felt my orgasm approach, she pushed me back, pulled the condom off my cock and took my cock in her mouth in less than a second. My cock swelled and jerked as it shot its load of come against the back of her throat. She drained my balls completely with her thirsty mouth.

"By the way, I am married," she said as she put my cock back in my pants.

"Definitely to a very lucky man," I said.

"Thank you," she said.

"Thank *you*," I said.

"Don't look for me here, I work at a different site," she said. "I am only here on business."

"I now realize how lucky I am," I said. "You definitely met me because your luscious ass was meant for me."

"That's very likely," she said.

"This is me if you even want to look me up," I said as I grabbed a note and scribbled my name and number.

"I might," she said. "I normally don't cheat on my husband, but I was pissed at him tonight, and I saw you."

"I told you it was fate," I smiled.

She led me through security and returned to finish her business. Roger was still waiting for me. I thanked him and told him the story. He didn't believe it, of course. Minutes later, the same lady passed before us.

"Here, Nick," she said handing me something. "Souvenir!"

"Thanks," I said as she walked away.

When I spread the ball she gave me, I realized it was her panties. They were wet with her pussy juices. I inhaled her aroma deeply. Roger was flabbergasted.

In the next evening Cathy and I were in my room going at it hot and heavy. I had just finished pumping her wet pussy into a gushing orgasm. I turned her onto her stomach and started licking her sweet little asshole. She moaned and squeezed her still dripping pussy gently, grinding her ass into my face. I wet two fingers in her pussy and corkscrewed them slowly into her ass. I drooled onto her asshole and pumped it deeply. She moaned and bit her fingers while humping her ass back.

While she squirmed lustfully, I lubed my hard cock. I aimed it at her offered asshole and pushed it in. She groaned as she relaxed her asshole to take me in. My cock and her ass thrust into each other as we settled into a nice, deep ass fuck.

"I love your cock in my ass," she moaned.

"Me, too," I said. "Do you know that Roger and Alex don't engage in ass fucking?"

"Yes, I know," she said.

"How did you know?" I said.

"Alex told me," she said. "She said Roger tried to fuck her in the ass a few times but she turned him down."

"I am lucky you didn't turn me down," I said.

"Me too," she laughed.

"Do you know why she turned him down?" I asked.

"She isn't sure how it would feel," she said. "She thinks she might get hurt, but she thinks she might like it too, but she isn't ready to try it yet."

"What do you think?" I said.

"I think if she tried it, she'd love it," she said. "She'd go nuts if she had a nice, long ass fuck like the ones I so often have."

"Why don't you persuade her?" I asked.

"I think she's almost there," she said. "She just needs a little push. I am sure if Roger tries a couple of more times, he'll succeed."

"You may be right," I said.

"Now tell me how did you know?" she suddenly asked.

"Just like you," I said.

"Roger told you?" she asked.

"Yes," I said.

"Of course you told him that we do it all the time," she said.

"Didn't you tell Alex?" I asked.

"Yes," she said.

"We are even," I smiled.

"So my brother now knows that my ass is getting fucked day in and day out?" she said.

"He knows that I've turned it into a raceway, but what's wrong with that?" I said. "That's what it was made for anyway. Don't you agree?"

"Yes, but it's a bit embarrassing," she said.

"Not at all, baby," I said, stepping my pace a little.

She moaned with every thrust, pushing her ass back lustfully.

"Oh, yes, baby, get that ass fucked," I urged.

She came wildly, and I pounded her twitching ass vigorously. When she recovered, I rolled her over and shot my come load all over her face. I lay next to her and watched as she used her fingers to feed herself my hot, sticky come. We had another round before I took her home. That was how we spent Friday night.

On Saturday we went to dinner and a movie and then to her home. In her room, we fucked till late at night. We had never fucked on Sundays. Cathy and Alex usually spent the afternoon together and did girl things. In the evening, Cathy was always busy.

NOT AN AVERAGE SUNDAY

That Sunday, I was near Cathy's house, so I thought I would drop by. If she were busy, it would not be a big deal. Otherwise, we could have some fun. So I entered the house. There was no one in the first floor, so I climbed up the stairs for her room.

As I approached, I heard sounds coming from her room. That cheered me up. The door was slightly ajar so I looked in before I entered, and I was shocked. I saw two girls in bed, one going down on the other. In moments, I recognized Cathy to be the pussy eater and Alex to be the other girl. Before my eyes, my girlfriend brought my sister to a thrashing orgasm. Then the roles were reversed.

Alex now went down on Cathy's pussy. My cock pulsed wildly. That was the first time I saw Alex naked, not to mention her pussy and ass put on horny display. I took off my pants and stroked my shaft while I watched Alex's wet pussy and unspoiled ass, which was in full view as she ate Cathy hungrily. I finally decided to surprise the girls as they had surprised me.

Luckily the door did not make any sound as I pushed it in and snuck into the room. I pushed the door back very slowly and locked it, so we would not be caught. I tiptoed until I was a couple of feet behind Alex. Both girls were too busy to notice me. In a minute, Cathy glimpsed me. I gestured to her to keep silent. She did. I was salivating over my sister's utterly exposed pussy and ass. I suddenly wanted to fuck Alex.

Cathy pulled Alex's face tightly into her pussy. I took Alex off guard, and, before she knew it, my cock head forced her tight pussy open and penetrated it. As she shivered and her pussy twitched involuntarily, she tried to raise her head and look back, but Cathy's legs locked her head in.

"Yes, fuck her," urged Cathy.

Probably Alex thought it was Roger who was stuffing her pussy, so she relaxed and resumed eating Cathy but at a feverish pace, moaning and groaning into her dripping pussy. Alex's own pussy was soaked but very tight. She humped back for every thrust. I fed Alex's pussy my cock little by little. Cathy relaxed her thighs, but kept a hand behind Alex's head.

As the fuck heated up, I grabbed Alex's tits and took her with ass banging thrusts while I milked her tits and pinched her nipples. When my cock sank balls deep in her pussy, she stiffened and shook wildly, her pussy gushing all over my cock. She gasped into Cathy's pussy as I pounded her twitching pussy vigorously, giving her a long hard orgasm that left her out of breath. She had stopped licking Cathy's pussy a while back. When her orgasm subsided, she collapsed on the bed. I fucked her drenched pussy slowly. Alex finally looked over her shoulder.

"You?" she gasped in shock, her peaceful smile disappearing. She looked back at Cathy. "You assholes!"

"Shut up, and eat," Cathy said, pulling Alex's head back into her pussy. "You loved every moment of it. I bet my brother has never fucked you like that."

"I should have known it wasn't Roger's cock," gasped Alex. "Nick's cock almost split my little pussy."

"You thought Roger's cock suddenly doubled in size?" teased Cathy. "Was that why you came your ass off?"

"You are a bitch," said Alex. "You don't care that your boyfriend's fucking your brother's girlfriend."

"What am I supposed to do when the slut comes her ass off on my boyfriend's big fat cock?" teased Cathy.

As Cathy held Alex's face to her drenched pussy, I picked up my pace. Alex fucked back, enjoying my cock.

"This feels so good, you dirty fucker," gasped Alex. "Why can't Roger fuck me like this?"

"You don't know why?" teased Cathy. "It's because you are too much of a whore for him. My brother needs a nice l girl with a tight pussy, not a cock-craving whore that lets her own brother ruin her pussy with his big cock."

"You are a bitch," gasped Alex, shoving her pussy wildly into me.

Alex came within a minute, her ass jerking back and forth uncontrollably as she convulsed in ecstasy.

"Come your ass of on your brother's big fat cock, you cock-craving whore," teased Cathy.

Alex seemed to oblige Cathy as her orgasm peaked again as I drilled her gushing pussy mercilessly. Her orgasm finally subsided, and she collapsed, gasping for air. I gently fucked her pussy.

Alex grunted in disappointment when I pulled out of her drenched pussy. She moaned happily again when I put my tongue to her wet pussy. I lapped up her juices thoroughly and probed her pussy hole. While I did that, I gently massaged her clit and pussy lips with my fingertips. My fingers gradually entered her juicy pussy. I soon finger

fucked her with one finger as my tongue licked around. I pushed a second finger into her leaky pussy and finger fucked her rhythmically. She humped back, moaning lustfully into Cathy's hot pussy.

Alex's asshole beckoned to me. I licked around it with ever tightening circles. She shivered several times. She instinctively tightened her asshole when my tongue tip touched it. Her asshole soon opened up under the warm licking of my tongue like a blooming rose. Her pussy twitched around my pumping fingers.

When I thought her ass was ready, I squeezed lube on it and wormed a finger of my free hand inside it. Both her holes tightened. I wiggled my fingers and jerked them around within her pussy until her asshole relaxed again and I could continue to worm and sink my finger in. Finally I had it all the way in. I flexed it gently and move it around. I wiggled my finger and swirled it within her rectum to loosen her up while maintaining my assault on her hot pussy.

As Alex's asshole relaxed, I added more lube and squeezed a second finger inside it. Cathy removed her pussy from Alex's face and joined me to watch. She milked Alex's tits, making her let out longer moans. I squeezed more lube inside Alex's asshole. Cathy spread Alex's ass for me while I pumped two fingers in each of Alex's hot holes. Cathy occasionally licked the small of Alex's back and sometimes drooled onto her asshole to lube my fingers. Alex continued to moan and groan, humping her ass back and forth.

"I'll lube your big cock," Cathy whispered.

Cathy applied a thick coat of lube to my hard cock while I gently but thoroughly lubed Alex's asshole. Alex knew what was coming, and that made her pussy leak like a loose faucet. I could tell she was a little nervous so I took extra time to lube and massage the inside of her ass. Cathy used one hand to lube my shaft and the other to toy with Alex's stiff clit.

Cathy brought a slick finger to Alex's asshole and pushed it in alongside my fingers. Alex groaned as she took the third finger in. Cathy pumped her finger within Alex independently of my pace, making Alex gasp.

"She's ready," Cathy said. "Give her what she wants."

"What do you want, Alex, you little slut?" I teased.

"I want your big cock in my virgin ass," she moaned.

"Are you sure, you little whore?" I teased.

"Yes," she hissed. "Please fuck my horny ass."

Cathy and I pulled our fingers out of Alex's holes, but Cathy took over playing with Alex's pussy. Cathy pulled one cheek to the side and I pulled the other while I pressed my slick cock head into Alex's glistening asshole. Alex tensed when she felt the pressure on her virgin hole. I maintained firm pressure on her asshole while Cathy busied herself with Alex's clit, taking her attention off her ass. Alex groaned and grunted as my cock head made little but steady progress. She gave out a louder grunt as my cock head popped in. I paused, but Cathy continued to tease Alex's clit. Alex's asshole contracted around my rock hard cock in sympathy with her pussy.

It was not an easy job to slide into Alex's ass, but it was a lot of fun. She had the tightest ass I had ever fucked. Cathy kept urging her to relax her asshole. Despite her honest tries, Cathy and I worked hard for five minutes to get five inches of my cock in, and then we could not make any further progress. Alex's asshole squeezed my shaft very tightly and something blocked the way. Her rectum milked my cock as if to digest it.

"How is her pussy doing?" I whispered to Cathy.

"It's oozing profusely," Cathy whispered back.

"How does it feel, Alex?" I said.

"I am going to come," gasped Alex.

"What's holding you back?" I teased.

"Nothing," she gasped.

Holding Alex's hips tightly, I thrust gently back and forth. My cock made little strokes but with no forward progress as she stiffened.

"I am coming," she gasped.

"Come on my big cock, you little whore," I urged, fucking her twitching asshole harder.

While Alex shook wildly, I took advantage of her anal spasms and shoved my cock in, using fast short thrust. It gradually got easier to slide my cock within Alex's ass. I was able to drive it balls deep up her ass just as her orgasm peaked. I drilled her trembling ass hard, enjoying her orgasmic spasms.

"It felt that your hot ass was made for cock," I said, thrusting gently in her ass, as she recovered.

“Yes,” she hissed.

Alex started to moan and hump back a minute later, enjoying her first ass fuck. Cathy interrupted her digital play to pinch Alex’s nipples. I fucked Alex’s ass smoothly, skewering it completely with every thrust. Cathy stood astride Alex’s ass and bent forward over her. She grabbed Alex’s tits and pushed her ass into my face.

“Eat my ass while you fuck your slut sister’s,” urged Cathy.

Holding Alex’s hips tight, I pushed my tongue between Cathy’s ass cheeks. I licked her wet pussy a little before I rimmed her asshole. Alex fucked back on her own, so I released her hips and grabbed Cathy’s ass. I pushed a finger into each of Cathy’s holes and pumped her while licking around her clit and asshole. As she heated up, I used two fingers on each hole while I diddled her clit with my free hand.

Cathy reached out for Alex’s pussy and fingered it. Alex fucked back faster, grunting with every stroke. Her asshole tightened its grip on my cock. As Cathy came on my fingers, she attacked Alex’s pussy fiercely. Alex stiffened and came on Cathy’s fingers and my cock. She gasped, shoving her ass back uncontrollably. I used my free hand to hold her waist and doubled the speed of fucking her twitching asshole, doubling the strength of her orgasm. Her ass was so tight and hungry. Alex relaxed and lowered her head and shoulders to the bed while I held her ass against my pelvis, thrusting gently in it.

“Your slut sister apparently liked her first ass fuck,” teased Cathy as she shoved her pussy into Alex’s face.

“Is that right?” I teased as I fondled Alex’s tits and sawed my cock in her ass with longer slow strokes.

“I love it,” gasped Alex. “It was incredible. No wonder my slut friend loves it so much.”

“Your slut friend wasn’t dirty enough to let her own brother fuck her virgin ass,” teased Cathy.

“I did that and she didn’t do it because *my* brother’s the best,” said Alex.

“I thought so, but you are the one who tried both,” said Cathy.

“I tried both, and I am telling you that my brother’s the very best,” said Alex.

“That compliment deserves a big kiss,” I said as I pulled her up.

Alex turned her face to the side, and we kissed sinfully and deeply, exploring each other’s forbidden mouth thoroughly as my cock explored her forbidden ass. I tasted Cathy’s pussy on her lips. I wiped her pussy and had her lick her juices off my fingers.

“You said you loved getting your horny ass fucked, didn’t you?” I whispered, thrusting gently in her ass.

“Yes,” she hissed.

“My big cock’s still hard, and it’s still inside you,” I said.

“Yes,” she hissed.

“It isn’t done with its new little whore,” I whispered. “It thinks you are its new little whore. Are you?”

“Yes,” she hissed, her asshole twitching around my cock.

“You want more of the big cock you belong to from now on?” I whispered.

“Yes,” she hissed.

“You’ll get it,” I assured as I maneuvered us onto our right sides without taking my cock out of her ass.

Cathy brought her pussy to Alex’s mouth and put her own mouth to Alex’s pussy and spread her ass. I fucked Alex’s ass briskly, and Cathy occasionally licked my balls. Alex ate Cathy’s pussy eagerly while I finger fucked Cathy’s ass with two fingers. They came in each other’s mouth nearly at the same time.

Rolling onto my back, I brought Alex on top of me. She supported herself on her arms as she bounced her ass on my hard cock. Cathy put her mouth back to Alex’s pussy slowing her down. I held Alex’s ass, spreading it, and fucked it faster. Alex came, convulsing wildly. I held her tightly, keeping her thrashing ass impaled on my cock.

When Alex recovered, I laid her on her back and pushed her legs over her head.

“Spread your horny ass,” urged Cathy as I lubed my cock thoroughly.

Alex spread her ass, and I fucked her defenseless asshole at an accelerating pace. Her ass received a serious drilling, coming three times within the following ten minutes.

“I am going to fill your hot ass with come,” I announced, pounding Alex’s ass.

While Alex shook in her third orgasm, I pumped my come past her twitching rectum, and her orgasm exploded.

Cathy pounced on my sticky cock when I pulled it out of Alex's slimy ass. She sucked it clean. She rolled Alex onto her stomach and ate her gooeey asshole hungrily. Alex soon responded to her and had another wild orgasm. Cathy let go of Alex's asshole, and Alex rolled onto her back.

"Welcome to the A-Club," Cathy smiled at Alex. Alex smiled back. Cathy turned to me. "We will suck your cock back to full hardness because we have a few more holes that need plugging."

Cathy motioned Alex to my cock. Alex got up and crawled to my cock. Cathy knelt on my face, bending over my cock. I ate her pussy and asshole while Alex sucked my soft but hardening cock.

My cock grew quickly in Alex's mouth as I licked Cathy's pussy and asshole. I tongue lashed Cathy's clit while pumping her holes with four fingers, two in each. They took turns slobbering and sucking my hard cock. Cathy dismounted my face and mounted my cock, facing me as Alex moved over and straddled my face with her back to Cathy. I licked Alex's dripping pussy while Cathy bounced on my cock. Cathy lubed her asshole and switched my cock to it. She finger fucked Alex's asshole while riding my cock energetically.

Cathy had herself and Alex come at the same time, one milking my cock wildly and the other gushing in my mouth generously. They kissed, and Cathy straddled my face and let me lap up her juices. Meanwhile, Alex licked and sucked my cock.

"This is so much hotter than our lesbian fests, isn't it?" said Cathy.

"Of course," said Alex. "You are a greedy bitch. Had my boyfriend been as good as Nick, I'd never have let you touch my pussy."

"Now you can have my boyfriend fuck you silly," said Cathy. "Are you going to cut me off your juicy pussy?"

"It's too late now," said Alex. "Besides, I now like the taste of your horny pussy."

"Your ass needs more cock now, right?" asked Cathy.

"I think so," said Alex.

"I know that a grown-up girl like you needs cock up her ass a little more, especially a hot slut," teased Cathy.

"Girls, both your asses are still hungry for cock," I said. "I will take turns on them until you are fucked out."

"Alex, do you want to share your horny brother with his slut girlfriend?" asked Cathy.

"Sure," said Alex.

"On all fours," I instructed.

As Alex and Cathy got down on hands and knees, I lubed my cock generously. I knelt behind Alex and lubed her asshole, reaming it out. She moaned and squirmed, humping my fingers. I pressed my cock head into her asshole, and it slid right in. In a few seconds, I was balls deep in her ass. She was no longer virginally tight, but she was exquisitely tight and hot. I thrust gently in her ass, and she fucked back stroke for stroke. As Alex humped back, I grabbed her tits and milked them rhythmically. We picked up the pace, and pounded her ass, slapping her dripping pussy with my balls. I pinched her nipples and pulled on them. She stiffened and came wildly almost immediately. Her asshole twitched madly as I drilled it mercilessly. I fucked her ass gently when she collapsed on the bed.

Cathy received a similar treatment. From then on, I fucked their asses equally, but I also let them eat pussy. I finally shot my come deep in Cathy's ass.

"Alex, it's your turn to eat my come out of your slut friend's slimy ass," I said as I withdrew from Cathy's ass.

Cathy sucked my sticky cock clean while Alex licked her gooeey asshole.

"Eat it all, Alex," I said. "Your friend keeps her ass clean."

"So do I," said Alex.

"You do?" I said.

"Yes," said Alex. "We also eat each other's asshole, but they were never full of come before."

"You are good girls," I said.

Alex took my next come load straight into her mouth and swallowed it all. They ate my come out of each other's pussy before we called it a night.

"Which is better a fresh or creamy fuck hole?" I asked.

"A creamy fuck hole of course," said Alex.

"Come's the icing on the cake," said Cathy.

“Nick, we can do this whenever you want, but please don’t tell anybody about it,” said Alex.

“You mean you both will be my whores as long as I don’t tell anybody that you are lesbian whores?” I asked.

“Yes,” said Alex.

“Are you okay with that?” I asked Cathy.

“I am already your whore,” she said.

“Alex, I can also fuck you individually at home or wherever,” I said.

“Sure,” said Alex.

“Let’s seal it all with lewd deep kisses,” I smiled.

Each one of us kissed the other two lewdly.

Cathy checked the way for us and snuck us out.

“I am so happy I decided to stop by,” I said.

“You are not happier than us, especially me,” said Alex.

“I am so happy your hot ass is now all mine,” I said, squeezing her ass.

“Me too, but don’t let anybody see you assert your possession of it,” she said.

“I am going to fuck you again tonight and send your ass to bed full of my come,” I said.

“You haven’t had enough?” she asked.

“It isn’t easy to have enough of the sweetest and sluttiest sister in the world,” I said.

“Thank you,” she said.

When we arrived at home, I led Alex to my room. I locked the door and pulled her to me.

“Are you ready to get fucked like you’ve never been fucked before?” I said, squeezing her ass.

“You’ve already fucked me like I’d never been fucked before,” she said.

“You are now my little whore,” I said, grinding my boner into her pussy. “My favorite little whore gets fucked better than anybody else. Wouldn’t you like that?”

“Yes,” she hissed, grinding into my boner. “I appreciate that.”

We kissed leisurely and sensually, and I felt up her tits and ass.

“Get down on your knees and suck my big cock like you should,” I said, nudging her shoulders down. “You are now my special whore. You are no longer an innocent little girl. You need to learn how to deep throat my big cock.”

“I’ve never done that before,” she said, kneeling down.

“Have you ever been a special whore?” I said as she undid my pants.

“No,” she said.

“Now you are,” I said. “Special whores are special.”

My pants and underwear were soon lying aside as she teased my cock head and sucked it lazily.

“My big cock was meant to be taken balls deep in every hole its slut has,” I said. “I’ll teach you.”

“Your cock’s bigger and more beautiful than Roger’s,” she said.

“That’s why you are my special whore, not his, and you are going to deep throat my big cock, not his,” I said.

“I am also going to get fucked silly by your big cock, not his,” she giggled.

“That’s right,” I said, slapping her face with my hard cock. “If you are not a good girl, I am going to spank your hot little ass, not he either.”

“I’ll be a good girl,” she said.

She spent the following twenty minutes learning and practicing deep throat. She became very comfortable with it and did it very eagerly.

“Lie back, and let me at my slut sister’s juicy little pussy,” I finally said, slapping her face with my sticky cock.

Alex lay back on the bed and spread her legs wide, exposing her leaky pussy.

“Everything in you is special,” I said. “You have a special sweet pussy. When I put my big cock inside it, I thought you and Roger had saved it for me. It was so tight.”

"I can't believe I thought you were Roger," she said. "All my blood must have been in my horny pussy."

"Even after the serious fucking you received, your little pussy still looks too small," I said.

"It felt so good when you stretched it wide and stuffed it with your big cock," she said.

"It did," I said.

Her pussy was already wet. I licked it leisurely for a couple of minutes, making her squirm and leak more juices. I teased her asshole with my tongue tip a little before I ate her pussy to orgasm. I lowered my tongue to her asshole and licked it gently while she recovered. When she resumed moaning and squirming, I picked up the pace, and she came, her asshole twitching around my tongue tip.

While she recovered, I climbed up her body and sucked her stiff nipples gently while fondling her tits. I aimed my hard cock at her drenched pussy and pushed it gently in.

"Roger will never need foreplay to slide his cock into your little pussy," I said as I stuffed her pussy.

"I hope he can feel anything," she giggled.

"He will," I said. "You have a hot tight pussy."

She moaned when my cock was balls deep in her pussy. I braced my hands on either side of her and fucked her at an easy pace. She fucked back, moaning happily.

"I love fucking you like this," I said.

"Me too," she moaned. "Your big cock's what my little pussy was made for."

Although I fucked her gently, I made her come three times within fifteen minutes. I fucked her gently while she recovered. I then moved my dripping cock head to her asshole.

When my cock head popped in her asshole, stretching it wide, I paused and lubed my shaft thoroughly. I fucked her gently, working the lube inside her ass. When her asshole loosened up, I fucked it at an easy pace. I again made her come three times within fifteen minutes.

"Get on your hands and knees, baby," I said. "I want to fuck you like a bitch in heat."

"Yes," she hissed, getting up.

She assumed the position, and I lubed her asshole thoroughly. I pushed my cock in her ass and fucked it at an easy pace. She fucked back, moaning and gasping happily.

"Thank you for saving your sweet ass for me," I said.

"It was blind luck," she said. "I was so lucky."

"It will always be mine, isn't it?" I said.

"Yes," she said. "I was going to let Roger fuck it when he tried next time but not anymore. I now have the best."

"So do I," I said, fucking her ass harder.

She came wildly time after time.

"Alex, I am going to come in your sizzling ass," I said. "I don't want to fuck it out of commission. I want to be able to fuck it again very soon."

"Yes, Nick," she gasped. "Come in my ass. Fill it with come. You've fucked it to satiation."

We came together, and our combined orgasms drained my balls past her twitching rectum. I pulled out and gave her asshole a deep kiss. She turned around and sucked my cock clean.

"Now that I am your little whore, I am going to get your cock at every chance I get," she smiled.

"That's the point, baby," I said. "You'll always be well fucked."

"I just hope mom and dad don't catch us," she giggled.

"Baby, your ass is mine regardless of what happens," I said.

"I know," she smiled.

She came up to me, and we shared a long deep kiss.

"Good night," she said lowly.

"Good night, my little whore," I said.

She left, and we showered and went to bed very happy.

WHAT ARE FRIENDS FOR?

On Monday evening, Roger and I met and chatted for a while.

“Roger, you told me you gave up on Alex’s ass, right?” I said.

“Yes,” said Roger. “I didn’t get anywhere with it.”

“Would you mind if I made a play for it?” I asked.

“What do you mean?” he asked.

“Yesterday I looked at her ass, and I thought it was incredible,” I said. “Somebody has to fuck it. If he can’t be you, it better be me.”

“She’s your sister,” he said.

“I know,” I said. “I am okay with that. Her ass is too good to pass even though she’s my sister. I don’t want you to feel hurt or betrayed. Whatever happens, I don’t want you to tell Cathy.”

“Of course I am not going to tell Cathy, but are you sure it’s a good idea to try for your own sister?” he said.

“Roger, you don’t understand it,” I said. “You are not an ass man. I am. I know an ass that was made for cock when I see one, and Alex has one. It’s now my job to see it fucked royally like it was meant to.”

“Okay,” he said.

“Maybe one day we can share her,” I said. “You can take her pussy while I skewer her succulent ass.”

“There is no way she’d agree to that,” he said.

“I’ll worry about that, but would you mind if she did?” I asked. “She’ll still be your girlfriend.”

“This is so crazy, but, if she wants us to share her, I sure won’t mind,” he said.

“I’ll take care of that,” I said. “I assure you that someone’s going to fuck your hot girlfriend’s incredible ass, and you are going to see it with your own eyes. That fantastic ass is going to get what it deserves. I guarantee it.”

“Nick, it isn’t likely that she’d let her own brother fuck her virgin ass, which she didn’t let her boyfriend touch,” he said. “Be very careful anyway. If it didn’t work out, she’d hate you and despise you for a long time.”

“I am aware of that,” I said. “That won’t happen whether I succeed or not, but I am sure I’ll succeed.”

“Good luck,” he said.

“Thank you,” I said.

That night, I fucked Alex after mom and dad went to bed.

“I told your boyfriend I wanted to fuck your ass while you were his girlfriend,” I said as I fucked Alex’s ass gently in the horizontal tailgate position. “He even agreed to fuck your pussy while I fucked your luscious ass.”

“You want Roger to know that you fuck me?” she asked.

“He’s safe,” I said. “He agreed not to tell Cathy. I want to share you with them but without each knowing about the other. Is that okay with you?”

“Sure,” she said.

“Obviously he can’t know how it happened,” I said.

“Of course not,” she said.

“Are you looking forward to trying two cocks at the same time?” I said.

“Sure as long as your big cock’s one of them,” she said.

“Of course, baby, and you can’t deep throat any other cock, swallow its come or take it in the ass,” I said.

“That’s reserved to my favorite cock,” she said.

She naturally went to bed after I came in all her holes.

“Stop by after lunch,” I told Roger on the phone in the morning. “We’ll have our threesome.”

“This fast?” he said in disbelief. “No way.”

“Last night, I sent her to bed all her holes full of come,” I said.

“All her holes?” he asked.

“Yes,” I said. “She swallowed my come, and I came in her pussy and in her ass.”

“She’s never swallowed my come,” he said.

“You don’t know how to bring out the slut in the girl,” I said.

“How did you seduce her?” he asked.

“By being direct like I always am,” I said. “Anyway, don’t be late.”

“I’ll be there,” he said.

Alex walked by after I hung up with him.

“Alex, you are going to whore yourself to me in front of your boyfriend right after lunch,” I said. “Be ready.”

“Where are we going to do it?” she asked.

“Right here—in the living room,” I said.

“What about mom?” she asked.

“She’ll be out,” I said.

“I’ll be ready,” she said. “I’ve never been fucked in a living room.”

“You are now an elite slut,” I said. “You get to do all kinds of slutty acts.”

“I like that,” she said.

Alex wore a crop tank top and a short skirt with nothing underneath. Her top accentuated her ripe tits, showing cleavage and outlining her nipples, and her skirt emphasized her tight little ass. I sat on the sofa, and she sat in my lap, facing me, while we waited for her boyfriend. We kissed and petted leisurely. I even sucked her nipples a little.

“Get your boyfriend,” I said when the doorbell rang.

She got off my lap and soon returned with Roger.

“Hi, Nick,” he greeted.

“Hi, Roger,” I said, motioning him to the loveseat.

He sat down, and she sat next to him.

“Alex, are you ready to show your boyfriend whose little whore you are?” I said.

“Only if he wants to see,” she teased.

“Do you want to?” I asked him.

“Sure,” he said.

“Why don’t you first tell him whose little whore you are?” I said.

“I am Nick’s little whore,” she said to him with a smile.

“Is there anything my sweet little whore wouldn’t do for me?” I said.

“I don’t think so,” she said.

“Come here, my sweet little whore,” I called.

She got up and walked to me with a smile and sat in my lap, facing me. I held her ass, and we shared a deep kiss.

“Are you going to show your boyfriend what a dirty little whore you are for your horny brother?” I whispered.

“Yes,” she hissed.

“Are you going to leave any doubt in his mind about which cock you belong to?” I whispered.

“No,” she whispered.

“If you are a good girl, I’ll let him fuck your hot pussy while I fuck this fine ass,” I whispered, squeezing her ass.

“I’ll be a good girl,” she said.

“Roger, your girlfriend promised to be a good girl,” I said, taking her top off. “Why don’t you come over here so you can see if she can keep her promise?”

While he got up and walked to us, I gave each stiff nipple a smacking suck.

“Why don’t you get down on your knees and show your boyfriend how lucky you are to have a horny brother that indulges you and lets you do whatever you want to and for his big fat cock?” I said as he sat next to me.

“With pleasure,” she said, smiling, as she got off my lap and knelt before me.

“Your girlfriend’s a very sweet girl,” I said to him as she undid my shorts. “I can’t deny her anything at all. I am afraid I may spoil her for you, but I can’t do anything about it. She loves my big cock, and my big cock loves her.”

“I don’t mind that,” he said. “I spoil her myself.”

She took my shorts and boxers off, and my hard throbbing cock greeted her. She smiled at it and held it.

“Roger, doesn’t my brother have the most beautiful big cock in the world?” she teased him, startling him.

“I don’t know,” he said awkwardly as she stoked my cock. “I actually don’t have any knowledge of cocks.”

“It’s funny how your girlfriend knows more about them while you have one and she doesn’t,” she teased.

“I am not interested in cocks,” he said.

“Can’t you at least see that this one’s big and beautiful?” she said.

“I guess,” he said.

“Trust me it’s gorgeous,” she smiled.

While holding my cock up, she teased the underside of its tip with her tongue tip, looking at him teasingly.

“It’s delicious too, but you wouldn’t know that,” she teased.

“Isn’t she a little slut?” I said to him. “Had I known how slutty she was, I’d have been fucking her or at least letting her suck my cock ever since I knew cocks could be sucked and fucked.”

“She’s being slutty, but she’s never slutty with me,” he said.

“I am only slutty with my big favorite cock,” she teased, flicking my cock head on her lips.

“Is that the big cock you belong to?” I said.

“Yes,” she hissed, brushing my cock head over her lips.

“Suck it, baby,” I said. “Show my big cock you are its dirty little whore.”

“I’ll show it not only by sucking it but also by doing all other hot acts,” she promised.

“Suck it, my slut,” I said. “Show your boyfriend the special acts you’d only do to your favorite cock.”

“You got that, stud,” she said.

She held my cock firmly in her right hand and licked it and teased it actively with her tongue. She took the head in her mouth and sucked it while working it spiritedly with her tongue.

“It’s so big and juicy,” she moaned. “It’s perfect for sucking.”

She returned my cock head to her mouth. She stroked my shaft slowly while sucking and licking the head harder.

“I love how it leaks its tasty fluids in my mouth,” she said, looking up at me. “Nick, I should have been sucking your juicy cock ever since mom weaned me.”

“I think so too, you dirty cocksucker,” I said.

“Do you like how I suck your big cock?” she asked.

“I love it, but you are only sucking the head, so I wouldn’t call it sucking,” I said. “Your boyfriend can’t tell yet if you really belong to my big cock or not.” I turned to him. “Can you?”

“Not really,” he said.

“I’ll take it in deeper right away,” she assured.

She took my cock head in her mouth and sucked it more eagerly. She took it deeper and deeper little by little.

“She’s a sweet little cocksucker, isn’t she?” I said to him.

“Yes,” he said.

“When I look at her sucking my cock devotedly, I am tempted to think she was only meant to suck it,” I said.

“Of course,” she said, looking up at me. “I was made to worship this gorgeous cock.”

“Do that, Alex,” I said. “Show your boyfriend how lucky I am that you are my little whore.”

“I can’t do that,” she pouted. “I don’t want to deceive him. I can only show him how lucky I am that I am your big cock’s dirty little whore.”

“Would that work?” I asked him.

“Sure,” he said.

“Go ahead, and do that,” I said.

She resumed sucking my cock but harder and with more hunger.

“Do you know that the first thing I do only for my big juicy favorite cock?” she asked him.

“You let him come in your mouth?” he asked.

“No,” she whined. “I wouldn’t do that before I hardly started. I probably can’t even make him come now. Didn’t your sister tell you how she has to bust her butt to make him come? She’s dead by the time she makes him come a few times. Besides, that has nothing to do with cock sucking. You can fuck a girl’s pussy and shoot in her mouth.”

“I don’t know,” he said.

“I am going to take his big fat cock all the way down my throat,” she said.

“I don’t think you can do that,” he said. “You can’t even do it to me.”

“Do you want to bet five bucks that I can easily take it balls deep down my throat?” she challenged.

“Sure,” he said. “I’ll gladly take your five bucks.”

“I’ll even lick his balls with his cock down my throat,” she said.

“I can’t wait to see that,” he said.

She smiled at him before she opened her mouth and took my cock in. She slid her lips all the way down my shaft. She then stuck her tongue out and licked my balls. He looked in disbelief.

“How can you do that?” he said.

“Do you like when I do that for you, stud?” she said to me.

“Of course,” I said.

“You owe me five bucks, boyfriend,” she said to him.

“I do, but you did you do it?” he asked.

“Nick taught me how to do it,” she smiled.

“You did?” he looked at me.

“Yes,” I said. “I teach it to all my girlfriends.”

“That’s why I only do it to his big juicy cock,” she said.

“Wow!” he said.

“You need to learn how to bring out the slut in the girl,” I said.

“You brought out the whore in me,” she giggled.

“You do that to Cathy too?” he asked as she hungrily stuffed her throat with my cock.

“That’s why you should never watch her suck my cock,” I said. “You may never respect her again.”

“I don’t want to watch her, but I am impressed,” he said.

“Girls love cock as much as we love pussy,” I said. “No girl can love cock as much as I love ass. Anyway, they only need guidance so they don’t go astray and waste their time on silly things even in sex.”

“I thought our sisters were nice girls,” he said.

“They are, but they are even nicer to my big cock,” I said.

“You guessed right that I wouldn’t let any other cock shoot its come in my mouth,” she said, rubbing her tits with my sticky cock.

She sucked my cock sloppily and deep throat it hungrily for fifteen minutes while he and I watched.

“Why don’t you suck your boyfriend’s cock a little while I find out if you crave mine elsewhere in your horny body?” I asked, slapping her face with my cock.

“Sure, but you don’t need to check to know that I crave your big cock everywhere in my body,” she said. “I even crave it in my ears, but it’s too big to fit there.”

“I enjoy doing that,” I said.

She scooted to the side and proceeded to take off his shorts and underwear. I knelt behind her and took off her little skirt, exposing her ass and dripping pussy.

“Your girlfriend has an incredible ass,” I said, looking down at her offered ass and feeling it up.

“Thanks,” she said, stroking his hard cock.

“Anybody who can’t tell that this ass was made for cock doesn’t know the first thing about female asses,” I said.

“It sure was,” she said, thrusting her ass out lewdly.

“It has a delicious asshole too,” I said, lowering my mouth to her asshole.

She moaned and pushed her ass out as I licked her asshole.

“Can you see how he eats my little asshole?” she said to him.

“Yes,” he said.

“That’s why I’d never let anybody else touch it,” she said. “They don’t deserve it.”

She moaned and squirmed as I ate her asshole hungrily. She licked and sucked his cock, but she was very distracted by what I did to her asshole. She finally came. Her asshole twitched around my tongue tip.

“He can make me come just by eating my horny asshole, and I’d let anybody else touch it?” she said. “No way.”

Her pussy was drenched by then. I licked it clean and ate it to another orgasm.

“I am going to fuck your little pussy, you little whore,” I said, rubbing her juicy pussy with my cock head.

“Please do, stud,” she said, pushing her pussy back.

“I apologize for that, Roger,” I said, pressing my cock into her pussy.

“You shouldn’t,” he said. “I don’t mind that.”

“The first time I fucked it, it was so tight I thought she was virgin,” I said. “It almost didn’t fit in.”

“Your big cock made me feel like a virgin,” she said, pushing her pussy down my cock.

“You are so thick,” he said.

“When you fuck it next time, you’ll notice that it’s no longer that tight,” I said, thrusting in her. “I’ve loosened it up well. You’ll never need to open it with your fingers. I’ve already taken care of that. You can fuck it right away.”

“That’s okay,” he said.

“She always makes me work to open her tight pussy,” I said, picking up the pace.

“Of course I have to make him work,” she gasped. “He makes me come when he stuffs it all the way in.”

True to her word, she stiffened when I drove my cock balls deep in her pussy. She shook and gasped while I drilled her gushing pussy hard.

“Didn’t I tell you?” she gasped.

“You call that work?” he said. “He made you come in half a minute.”

“You want him to make me come in half a second?” she gasped.

Her orgasm subsided, and she panted for a minute while she recovered. I fucked her drenched pussy gently.

“Tell your boyfriend where you want my big cock,” I said, grabbing the lube.

“Baby, I need my brother’s big fat cock deep in my horny tight ass,” she moaned. “I need him to fuck it open.”

“Can it fit in your ass?” he said as I worked lube inside her asshole. “You were afraid mine would hurt you.”

“A good whore can fit her stud’s big cock in any of her holes,” she moaned, as I squeezed a second finger in.

“You are a very good whore,” I said as I pulled my cock out and squeezed a third finger up her ass.

“Thanks, stud,” she said, squeezing my fingers with her asshole.

“Why don’t you climb up next to your boyfriend so he can make sure my big cock can fit well up his girlfriend’s tight little asshole?” I said, pulling my fingers out of her ass.

“Are you going to be a good boyfriend and spread my horny ass for my brother’s fat cock?” she teased.

“Sure,” he said as she climbed next to him.

“Spread my horny ass wide,” she said, pushing her ass out lewdly.

He spread her ass as I finished lubing my cock. I stood behind her and aimed my cock at her splayed asshole, which winked at me.

“Alex, what do good whores do?” I teased as I touched my cock head to her asshole, making her gasp.

“They beg,” she said lowly.

“Go ahead,” I said, pressing my cock more firmly into her asshole.

"Please fuck my cock-hungry ass with your big cock," she begged. "Please open my tight little asshole wide."

"Don't you think she's a good whore?" I teased as her asshole dilated slowly.

"Yes," he said.

"Watch her greedy asshole open up and take something previously presumed to be too big for it," I said.

"It's really greedy if it can take your big cock in," he said.

"A good whore takes her stud's big cock balls deep in every hole she has," she said.

She gasped when my cock head slid past her stretched sphincter, making it twitch and tighten.

"This is unbelievable," he said. "Her asshole's stretched so wide."

"Do you think your girlfriend has a greedy ass or not?" I said.

"She definitely does," he said.

"Do you think this greedy ass deserves to get fucked royally or not?" I said, thrusting my cock deeper up her ass.

"It sure does," he said.

"That's exactly what I am going to give it," I said, holding her hips tightly. "I am only being a good brother."

"Yes," she hissed as I fed her ass my cock in precise small strokes. "You are the best brother ever."

When most of my cock was in, I shoved the last inch in in one swift stroke, making her gasp and stiffen.

"My little asshole's coming on its big fat cock," she gasped.

"Is she really coming?" he asked in disbelief as she shook wildly.

"She actually comes harder in the ass," I said, thrusting in her ass hard. "Her asshole's twitching madly."

"This is incredible," he said as she convulsed on my cock.

"Of course," I said. "You now can't have any doubts that this amazing ass was made for cock."

"I am stunned," he said.

"Your slut girlfriend's horny ass was actually made for her brother's big fat cock," she gasped.

Her long hard orgasm finally subsided, and I thrust gently in her ass.

"Aren't you happy I finally put your girlfriend's incredible ass to good use?" I asked him

"Yes," he said.

"Now the whore inside her is very happy," I said. "Isn't she, Alex?"

"Yes," she hissed.

"Enough babysitting!" I said. "Get your cock-craving ass fucked."

"Yes," she hissed, bucking her ass into my cock.

"Your ass is so beautiful and so hot," I said. "It deserves to get fucked royally."

"Thank you, Nick," she gasped. "Thank you for showing me what my horny ass was made for. Thank you for fucking it for me. Thank you for making me a happy little whore."

"You are welcome, my little whore," I said. "What are big brothers for?"

He spread her ass and watched me fuck it through orgasm after orgasm. She moaned, gasped, sobbed and shook ecstatically again and again.

"You are really putting it to her," he said half an hour later. "I didn't know she could come this many times."

"What can I do?" I said. "She has a greedy ass. I have to feed it until it's sated."

"That's one of the reasons I love you so much," she gasped.

After I gave her a few more orgasms, I pulled out.

"Get down on your knees, and thank my big cock for fucking your horny ass," I said.

She knelt before me and pounced on my cock, shocking him. She sucked my hard cock hungrily and deep throated it for a few minutes.

"Don't get disgusted," she giggled at him. "I've washed my insides thoroughly. My ass is squeaky clean."

"Get on your back," I instructed.

She sat back next to him and pulled her legs over her head.

“You need to help a little,” I said to him. “Your girlfriend’s pussy’s soaked. Lick it clean, and make her come.”

“Sure,” he said, kneeling before her offered pussy and ass.

“Do a good job, baby,” she teased. “Show my brother I am not his whore because my boyfriend’s no good.”

While he ate her pussy, I sat down and fondled her tits. She stroked my hard cock while talking dirty to him.

“Lick my drenched pussy clean so my brother can fuck my horny ass again and soak it again,” she teased.

He made her come within several minutes. She licked her clean again and returned to his seat.

She sat up and lubed my cock thoroughly. She lay back, pulling her legs over her head and spreading her ass with both hands as I stood before her.

“Baby, guide his big cock into my little asshole,” she cooed to him. “Show me that you care about my tight ass.”

He was startled.

“Alex, I am not gay,” he said.

“I thought gay guys don’t have girlfriends,” she said. “Do they actually guide their friends’ big cocks up their slut girlfriends’ horny asses? Don’t be silly. Guide his cock into my ass. It will only take a second.”

He looked up at me with apprehension.

“If you do it, it won’t make you gay,” I said. “It’s up to you.”

He reluctantly reached out for my glistening cock and held it tentatively.

“Just aim it at her asshole,” I said.

He aimed my cock at her splayed asshole, and I pushed forward. My cock popped in, making her gasped.

“Thanks, baby,” she said to him. “That wasn’t bad, was it?”

“No,” he said.

“It meant a lot to me,” she said as I sank my cock deeper up her ass. “I love to be spoiled by my boyfriend.”

She spread her ass, and I pinned her legs to the back of the sofa as I pounded her defenseless ass vigorously. She again came repeatedly, gasping and shaking blissfully.

“Do you want me to fill your horny ass with come, baby,” I said after over half an hour of solid ass drilling.

“Yes, Nick,” she gasped. “I thought you’d never ask.”

When she came, I let her anal spasms drain my balls deep in her ass. I thrust in her until my cock was soft.

When I pulled out, I knelt down and gave her asshole a gentle kiss, making her moan. I gently pushed two fingers up her asshole and scooped some come out. She smiled when I offered her my gooey fingers. She sucked them thoroughly, moaning around them, stunning him.

“You are so timid,” she smiled at him. “It’s great. My asshole’s squeaky clean, and his come’s delicious.”

“She’s right,” I said. “It’s only a little sluttier than swallowing my come directly.”

Alex knelt down and sucked my sticky cock clean. I sat back, and she revived my cock.

When I was rock hard, she climbed astride me and fed my cock to her drenched pussy. She rode me briskly in the cowgirl position. I held her ass and paced her. I soon had two fingers up her ass, and she came almost instantly.

She raised her knees and guided my cock into her ass in the Asian cowgirl position. I spread her ass and bounced it on my cock. She soon shook in orgasm.

“Don’t you, guys, have enough?” he asked.

“My little whore can’t have enough until she has my come in all her holes,” I said. “Isn’t that right, baby?”

“Yes,” she gasped.

She had a few more orgasms and turned around into the reverse Asian cowgirl position. I again spread her ass and bounced it on my cock.

“Do you want to lick her dripping pussy while she bounces her horny ass on my cock?” I asked him.

“Yes, baby, do that,” she gasped. “I’d like that a lot.”

“Are you sure that’s a good idea?” he said timidly.

“She’d love it,” I said. “It’s good moving target training. Besides, if you eat her pussy while I fuck her ass, she’ll let you fuck it while I fuck her ass.”

He reluctantly knelt before her and carefully licked her pussy leaky pussy. She gushed on his tongue again and again, her asshole twitching wildly around my cock.

“Do you want my come in your pussy now?” I asked while she recovered.

“Yes,” she hissed.

She was soon on her back, my cock pounding her asshole vigorously.

“Didn’t she want it in her pussy?” he asked.

“That’s where she’ll get it,” I said.

She had an anal orgasm. When she was about to have the next one, I switched my cock to her pussy. She came immediately, and I shot my come deep in her twitching pussy.

“Here comes the come, my little whore,” I said, slamming in her pussy.

“Baby, I want you to eat my pussy when he pulls out,” she gasped.

“It’s full of his come,” he protested.

“I assure it won’t make you gay,” she gasped. “I just don’t want you to be timid. His come’s deep inside me, and it’s even diluted in my overflowing juices. Can’t a good boyfriend spoil his slutty girlfriend?”

He reluctantly knelt down as I pulled out of her slimy pussy.

“Dive right in, and don’t look back,” she said.

He dived in, and he did not look forward either. He covered her drenched pussy with his mouth and devoured it. She humped his face while moaning around my hardening cock. When he got used to it and ate her pussy eagerly, she gradually pushed the come into his mouth. She came in his mouth, washing the rest of the come out.

“Now that you’ve cleaned my slimy pussy, you can fuck it,” she said as she got up and pushed him onto the sofa.

She straddled his hard cock in the cowgirl position and took it in.

“Fuck my ass, stud,” she said, looking over her shoulder at me, as I lubed my cock thoroughly.

She guided my slick cock into her asshole, and I pushed it in. She moaned as I gradually stuffed her ass with it. She stiffened and came when I shoved the last of my hard cock up her ass.

“I am a lucky bitch,” she gasped, shaking wildly. “I am coming on two cocks: my boyfriend’s and my stud’s.”

“Did you ever know that your sweet little girlfriend loved cock this much?” I asked, thrusting hard in her ass.

“No way,” he said. “I can’t believe it.”

We fucked her through her next orgasm. He came then.

“I am coming,” he grunted.

“It’s okay, baby,” she gasped. “Flood my pussy with your come. You are going to eat it all out.”

When her orgasm subsided, I pulled out and climbed onto the sofa. She deep throated my cock eagerly.

“Roll me over, and pull out,” she instructed him when I pulled out of her pussy. “Don’t make me make a mess.”

He was soon on his knees, eating her slimy pussy with zest.

“Don’t leave a trace of come inside me,” she moaned, shoving her pussy into his face. “I don’t want your come and Nick’s come fighting inside my pussy.”

He spent several minutes eating her pussy clean, and she came in his mouth.

“You owe me a come load in my mouth,” she said to me when he got up.

“You’ll get it, my slut,” I said, taking my position before her.

“Fuck my pussy a little,” she said. “My boyfriend has done a great job on it. It’s almost as fresh as it can be.”

She remained in her position, and I pushed my cock into her juicy pussy. I fucked her to a quick orgasm. She lubed her asshole while I fucked her pussy gently. She moved my cock to her horny ass, and I impaled her with it.

We did not change positions as I pounded her ass for a little over half an hour, making her come six times.

“We are running out of time,” she said. “Come in my mouth.”

She knelt before me and sucked my cock hungrily. I soon shot against the back of her throat. She smiled at him before she tilted her head back and gargled with my come. She then swallowed it all.

“What do you think of your slut girlfriend?” I asked.

“I think she’s the sluttiest girl in the world,” he said. “I can’t believe what we’ve just done.”

“Can you see how lucky you are to be the boyfriend of such a slut?” I said.

“Yes,” he said.

At that point, we heard the garage door open.

“This is mom,” said Alex, snatching her skirt off the floor.

We pulled our clothes on hurriedly.

“Hi, kids,” greeted mom.

“Hi, mom,” I said cheerfully.

“There is a funny smell here,” she said.

She returned to the kitchen.

“Mom smelled a whore,” I teased lowly.

“I think she smelled your sticky cocks,” said Alex. “Women smell a cock a mile away.”

Alex opened the windows.

“I better get going,” said Roger.

“Next time, I’ll let you eat Nick’s come out of my ass,” she told him. “I know I love to eat it out of there.”

“See you, guys, later,” he said, rushing away.

“Bye, Roger,” I said.

“Where are you going?” she said, chasing him. “You need to kiss me goodbye.”

He did.

NEW BUSINESS AT HOME

While Alex went to take a shower, I went to mom. I helped her with the stuff she had bought, and noticed her ass when she bent over—after all that ass fucking. My cock twitched and got hard. I finished helping her and rushed to my room to take a shower.

“I love having multiple whores,” I said to Alex while we lounged in the living room and mom worked on dinner.

“Wow!” she teased. “You must be the only guy like that.”

“I am serious,” I said. “I want mom’s ass.”

“How are you going to get it?” she asked. “I don’t think you’ll suddenly find her eating Lydia’s pussy.”

“I want Lydia’s ass too,” I said.

“All you need is to stumble on them while they eat each other’s pussy,” she teased.

“Had I known you had such a hot ass, I wouldn’t have waited to catch you eating my girlfriend’s pussy,” I said. “I’d have snatched it long ago.”

“I was at fault,” she teased. “I didn’t flaunt my ass well in front of my horny brother.”

“Mom was at fault too, but that ended half an hour ago,” I said.

“You were obviously at fault regarding Lydia because you didn’t need her to do anything to make you want her ass,” she said.

“Lydia’s different,” I said. “Her ass was the first ass I ever wanted, but I’ve never thought I could get until now.”

“Why do you think you can get it?” she asked.

“Because it isn’t impossible,” I said.

“Which ass do you want first?” she asked.

“Mom’s,” I said. “When I get mom’s ass, I can have yours almost anytime and right in front of her.”

“That’s so depraved, but I love it,” she smiled.

“I think I have an idea,” I said. “Let me think about it.”

“What idea?” she asked.

"We can let mom catch me fucking you," I said.

"That's a great and innovative idea but for suicide," she teased.

"Not if I do my homework right, so to speak," I said, getting up. "I need to start to work on it right now."

"Where are you going?" she asked.

"I am going to work on mom," I said.

"Don't tell her anything about us," she said.

"Of course I won't," I said. "She'll have to find that out on her own."

"Good luck," she said.

Before I entered the kitchen, I stood back and watched mom for a minute.

"Mom, can I ask you something?" I said as I entered the kitchen.

"Sure," she said.

"My girlfriend begs me to have anal sex with her almost every time," I said. "Is that a good idea?"

"Cathy?" she asked.

"Let's not use names," I said. "She has a gorgeous butt especially up close and personal. If it were up to me, I'd have anal sex with her twenty-four hours a day, but is it a good idea?"

"I don't think that's a good idea," she said.

"Mom, you obviously have a very sexy butt," I said. "Have you ever begged your boyfriends or dad to have anal sex with you all the time? Is it normal for a girl to do that?"

"I've never done that," she said. "They begged me to let them have anal sex with me, but I didn't let them. It's certainly not normal for a girl to be obsessed about it."

"You never let them do that?" I said. "You mean you are still anally virgin? Really?"

"Yes, I am," she said. "Why are you surprised? Most girls are. Your girlfriend's different, not the rest of us."

"You must have fought heroically," I said. "If I were your boyfriend, I'd be begging you to have your exquisite butt. How long did you have to fight them till they gave up?"

"They gave up right away, and you would have," she said. "I told them they had better luck having anal sex with their own butts than mine."

"That wouldn't have worked with me," I said. "I'd have remained after you until *you* gave up."

"I'd have dumped you," she said.

"I'd have let you go then because a woman that would dump a guy because he's in love with her incredible butt doesn't deserve him," I said. "She must have been given a luscious butt she didn't deserve."

"Is that right?" she said.

"Definitely," I said.

"How come you don't beg your girlfriend for that or even give her what she wants if you think so?" she asked.

"My girlfriend doesn't beg for it because I don't give her what she wants but because she's addicted to it," I said.

"You mean you actually have anal sex with her?" she asked.

"That's beside the point," I said. "You'd only despise us anyway."

"I wouldn't despise you even if you have a different opinion," she said.

"Suffice it to say that it's a small miracle that her little asshole can still close shut after all the drilling it gets," I said. "It's another miracle that her blood's still red for all the sperm I pump into her rectum and her bloodstream."

"Do you mean that the two of you are addicted to anal sex?" she said.

"I am not addicted to it but obsessed with it, but, ever since I taught her what her cute little asshole was made for, she's been addicted to it, and I am a sucker for pleasing my girlfriends by doing what they love."

"Nick, that's dangerous to your health, to her rectum, and to your sexual health," she said. "You should research it before getting deeper and deeper into it."

"I am already as deep as possible," I said. "I've researched it well enough to write books on the subject. I am so good at it I can turn girls that would rather commit murder than have anal sex into anal addicts. It's too late for me."

“Nick, I am a little too busy now to give it due attention,” she said. “Let me think about it, and we can talk more about it at another time.”

“Sure, mom,” I said. “I just want you to know that had you ever been my girlfriend you’d have been an anal addict and advocate. Thank you for talking to me.”

She hesitated as I walked out.

“You are welcome,” she finally said.

“I’ve done my homework,” I said when I sat next to Alex.

“What did you do,” she asked.

“I told mom that I wanted to fuck her in the ass and make her my anal whore,” I said.

“Just like that?” she said.

“Don’t be silly,” I said. “That takes only five seconds and gets *my* ass kicked out of the window. Seduction’s only persuading the girl to fuck and then fucking her, but Devil’s in the details. That makes seduction the art it is.”

“What’s the next step?” she asked.

“The next step’s to have her catch me fucking your horny ass tomorrow when she comes home,” I said.

“Are you sure it isn’t the next step in your creative suicide scheme?” she said.

“I assure you that this time tomorrow mom’s hot virgin ass will be a distant memory for us all,” I said.

“How do you know it’s virgin?” she asked.

“You are being silly,” I said. “How would I ever know? I had her tell me.”

“I hope you do what you are doing,” she said.

“I have to know when mom’s luscious virgin ass is at stake,” I said.

“The worrying part’s that your cute ass and my cock-craving one are at stake too,” she said.

“That’s part of the incentive,” I said. “Nothing’s risky if you know how to do it right and you do it.”

“Good luck, Nick,” she said.

“Thank you, but this isn’t a matter of blind luck,” I said. “Mom’s fucked. Trust me.”

We had enough time to entertain Roger because I had mom get some extra stuff that took her a while to get. When she left after lunch on Wednesday, I expected her to be back in an hour or a little more, so Alex and I started right after she left.

Alex started with sucking my cock. I ate her pussy and asshole and fucked her pussy. That took half an hour. I lubed her asshole and fucked it in the missionary and doggy positions for the next half hour. I sat on the sofa and had her impale her ass on my cock in the Asian cowgirl position. I bounced her ass through a few orgasms, and she lowered her knees into the cowgirl position.

Alex had come twice by the time mom walked in. It was just a matter of luck that Alex did not hear the garage door sound. She rode my cock like we had all the time in the world. I paced her, making her bounce faster. Mom slowly walked to us. I acted as if I did not see her. She finally knelt behind Alex and watched intently as my sister’s stretched asshole traveled up and down my shaft at a blurring speed.

“My little asshole’s going to explode again on your incredible cock,” gasped Alex as her orgasm approached.

Alex stiffened and shook in orgasm. I held her ass tightly and kept it impaled as it jerked in ecstasy.

“Let it explode, you little whore,” I said. “It’s what your sweet little ass was made for.”

“Yes,” she gasped.

When her orgasm subsided, Alex collapsed in my arms. I gently worked her ass up and down the bottom few inches of my hard cock, while she gasped for air.

“Do you think there is a cure of your anal addiction to my big cock?” I said quietly.

“I don’t think so, and I hope not,” she gasped. “If there is, I don’t want it. This is heaven. Only the idiot leaves. I am so lucky you took my virgin ass instead of letting me give it to my boyfriend. I’ll be forever in your debt.”

“Nick, what are you doing to your sister?” asked mom quietly.

“Mom!” cried Alex, startled.

Alex tried to get off my cock, but I held her tightly.

“Stay as you are, Alex,” I said firmly but calmly. “She’s seen it all. Besides, we are not doing anything wrong.”

“You have the nerve to have sex with your sister right in front of me?” said mom, still looking at Alex’s asshole.

“You’ve already seen it all,” I said. “Besides, I am not having sex with her. Can’t you see where my big cock is? It’s balls deep up her tight little asshole. Sex is what makes babies. This is more like playing chess with my sister.”

“You sodomize your sister’s little butthole with your big hard thing and tell me it’s like playing chess?” said mom, her eyes fixed on Alex’s stretched asshole as it slowly traveled up and down near the base of my thick shaft.

“It’s more fun than chess, but otherwise it isn’t all that different,” I said. “Alex, don’t you just love to whore your hot little ass to your horny brother’s big fat cock as mom called it?”

“Yes, I love that,” hissed Alex, trembling and her asshole twitching.

“If this isn’t sex, then having sex is better,” said mom. “At least, it wouldn’t hurt your sister’s delicate butthole.”

“We tried that, mom, but it wasn’t as much fun,” I said. “We even did it today. My hot sister tried my big cock in her mouth, in her pussy and in her ass. This was our favorite. We both love skewering her hot ass on my cock.”

“Why did you have to do it in the living room?” she said. “You could have at least hidden it in a room behind closed doors. What if your dad came home and caught you like this? Do you think he’d be as understanding as me?”

“Mom, we appreciate your being so nice and considerate, but we are sick of having to hide as if we were doing something wrong,” I said. “I love my sister’s luscious ass. It’s my right to fuck it silly as long as she’s okay with it.”

“Mom, not only am I okay with this, but I also need him to fuck my ass,” said Alex. “My ass is now addicted to his amazing cock, and thankfully there is no cure. We can’t stop.”

“Alex, show her how much you love it,” I said, raising Alex’s knees into the Asian cowgirl position. “Get that incredible ass of yours fucked well.”

Alex proceeded to bounce her ass on my cock. I carried it in both hands, spreading it, and paced her.

“Watch this, and in the end tell me it’s wrong,” I said, bouncing Alex’s ass faster.

Our animated ass fuck lasted only for two minutes before Alex started to lose control and tremble as her orgasm approached in a hurry. She stiffened and shook ecstatically as I kept her ass moving up and down my hard cock albeit erratically. I lowered her ass to my balls when her orgasm subsided.

“Does she love it or not?” I asked as Alex collapsed on me, gasping.

“She obviously loves it so much,” said mom as I gently moved Alex’s ass on my cock.

“Are you ready for more, baby?” I asked Alex. “I want to show mom how beautiful your ass is. I want her to see why I had to fuck it when I saw it. She doesn’t know that you have most irresistible ass I’ve ever seen.”

“Okay,” gasped Alex.

Alex cooperated as I took her ass off my cock and arranged her on her knees next to me. I stood behind Alex as she thrust her ass out lewdly.

“Sit down here, and spread her ass,” I said to mom, motioning her to the seat I had just left.

“You want me to spread her ass for you?” said mom in surprise as I pulled her up to her feet.

“Yes, mom,” I said. “I want you to spread your daughter’s luscious ass for your son’s big fat cock *and* watch.”

Mom sat down and spread Alex’s ass tentatively. I held her hands and adjusted their position.

“Her asshole gapes,” said mom in surprise as Alex’s asshole opened.

“It’s supposed to,” I said, squeezing lube inside Alex’s open ass and on her asshole. “This shows you that it’s fully relaxed and ready for the hard drilling it craves. It hurts much to fuck an asshole that isn’t ready.”

“Does it close shut?” she asked as I gently pushed my cock into Alex’s open asshole.

“Of course,” I said as my cock slid all the way in Alex’s spread ass. “Ass fucking improves anal fitness when it’s done right. Your question is like asking if gymnasts that do splits can ever walk again or close their legs.”

“This is incredible,” said mom, watching my cock pump Alex’s stretched asshole briskly.

“Isn’t her ass beautiful?” I said.

“Yes,” she hissed.

“Does dad fuck your luscious ass?” I asked.

“I told you he didn’t,” she said lowly.

"Is it still virgin?" I asked.

"Yes," she hissed.

"Alex's sizzling ass was virgin the first time I fucked it," I said. "I love deflowering sweet innocent asses."

"Doesn't it hurt?" she asked.

"It only hurts as much as you want it to," I said. "If a guy shoves his cock in a dry pussy, it hurts like murder. When the ass is ready, it knows it and it begs for cock. Alex begged me to fuck her virgin ass before I did."

"Alex, didn't it hurt you at all?" asked mom.

"Nick told me my ass was the tightest ass he'd ever had, but he took his time," gasped Alex. "I came when he was halfway up my ass. It was so incredible, and we lived happily ever after."

"Do you still think it's wrong?" I said, fucking Alex harder.

"I don't know," said mom.

"Do you want me to stop fucking my sweet sister in the ass?" I asked.

"No," she said quietly.

"You know it's right, don't you?" I said.

"I think it's good for you, and it doesn't hurt anybody, but you can't let people know about it," she said.

"That's understood, mom," I said. "We know that people aren't open-minded like our sexy mom."

"You are the best, mom," gasped Alex.

"Yes, mom," I said. "It's unfortunate that your succulent ass has never been fucked royally."

"I didn't have a horny brother like you," she teased.

"You did better," I teased. "You have a horny son that's exactly like me."

"You are a naughty boy," she said. "Not only do you fuck your sister's ass, but you also lust for your mom's."

"I don't care about being naughty," I said. "What I care about is you. Are you mad at me?"

"No," she said.

"You must know that it was my choice to fuck Alex and deflower her magnificent ass," I said. "Are you mad at her for letting me have my way with her?"

"No," said mom. "You have a beautiful cock. She's lucky to have you use it on her."

"Thanks, mom," I said. "Have I ever told you that I think that you have the best tits and ass I've ever seen?"

"No, Nick, and you were not supposed to tell me that or even think like that," she said.

"Would you get mad at me if I did now?" I said, squeezing her left tit. "I think you have spectacular tits."

"Thank you," she said.

"You are welcome," I said as I slipped my right hand down her top.

She did not resist or say anything as I slid my hand inside her bra cup and squeezed her bare right tit. She let out a faint moan. I gently pinched its stiff nipple, making her gasp.

"They are so nice," I said.

Alex soon came, and I drilled her shaking ass mercilessly until she went limp.

When mom least expected it, I popped my cock out of Alex's gaping asshole and thrust it in her face. She opened her mouth to say something, but my cock darted right in. She closed her lips around my shaft tentatively and tasted it. I thrust gently in her mouth.

"Her little asshole's delicious," I said, gently pushing my cock down her throat. "I also taught her deep throat."

Naturally mom could not comment. She sucked my cock quietly with increasing eagerness. Alex was too busy gasping to notice anything.

"My big cock deserves to fuck her luscious ass, doesn't it?" I said, thrusting in mom's throat.

Alex finally looked over her shoulder. She was shocked to find mom eagerly stuff my cock down her throat.

"A good mom isn't only open-minded, but she's also open-holed in all three hot holes," I said. "I want to fuck your virgin ass." Mom trembled but continued to suck my cock eagerly. "I want to fuck your juicy pussy too."

"You want all her fuck holes to be yours," said Alex.

“Yes,” I said. “Our mom’s so hot. I can’t leave her luscious fuck holes to anybody else. She has to be mine.”

“I am sure she’d love that,” she said.

“Don’t just sit there,” I said. “Help her out of her clothes. I want to see my hot mom’s sexy body.”

Alex sat next to mom and helped her take off her clothes. Mom cooperated, interrupting her blowjob minimally. I pushed my cock in mom’s cleavage, and she squeezed them around it. She smiled at me as I fucked her tits.

“Shouldn’t I be able to compliment you on your lovely tits when I can fuck them?” I teased.

“You sure can,” said mom.

“I love your beautiful tits, mom,” I said.

“Thank you,” she said.

In the end, I slapped mom’s face with my cock. I gently arranged her on her knees just like Alex was before. She did not resist. I rubbed her dripping pussy with my cock, making her gasp and moan. Alex watched.

“Fuck her,” Alex said lowly as mom’s juices bathed my cock head.

“You think I should?” I teased as I tickled mom’s stick clit with my cock head, making mom gasp.

“Yes,” hissed Alex.

“You think it’s okay for a guy to fuck his prim and proper mom with the biggest cock she’s ever seen?” I teased.

“Yes,” hissed Alex as mom squirmed.

“Do you think so, mom?” I teased. “Do you really agree that horny guys with big cocks should fuck their prim and proper moms like dirty whores?”

“Not all of them,” gasped mom.

“What about me?” I teased.

“Yes,” she hissed.

“You think I should fuck you like a dirty whore?” I said.

“Yes,” she hissed, trembling and her pussy gushing fresh juices.

“Don’t you think that prim and proper moms should beg for such a fucking?” I teased.

“Please fuck me like a dirty whore,” gasped mom, trembling at I aimed my cock at her pussy.

The sudden shove I made, sent my cock head inside her pussy. Mom stiffened even before my hands gripped her waist securely.

“I am coming,” she gasped as I made several hard thrusts, driving my cock balls deep in her drenched pussy.

She shook wildly as I held her and made sure she did not take her gushing pussy off my cock.

“I am coming so hard on your incredible cock,” she gasped, convulsing in ecstasy.

“You are a bad girl,” I teased. “You shouldn’t come this hard on your son’s big cock. You should come harder.”

She actually came harder, and I pounded her twitching pussy hard until she went limp.

“Your pussy’s so tight,” I said. “Is it also virgin, and Alex and I are adopted?”

“No, but you are thicker than your dad,” she gasped.

“Dad didn’t have to be thick,” I said. “His job was to prime you so I could fuck you and hold you up till then. He did a great job. He kept your little pussy tight and saved your ass virgin for me. Did you swallow his come?”

“No,” she said.

“You didn’t have to,” I said. “You can now swallow mine.”

“Yes,” she hissed.

She recovered, and we picked up the pace.

“This is how you were meant to be fucked, right?” I said.

“Yes,” she said.

“Your little pussy was meant for my big cock, wasn’t it?” I teased.

“Yes,” she hissed.

“Have you ever cheated on dad?” I asked.

“No,” she said.

“This is the only cock worthy of cheating on dad for, isn’t it?” I teased.

“Yes,” she hissed, stiffening.

“Your married pussy’s now mine,” I said.

“Yes,” she gasped.

“You are on your way of being a dirty whore for your horny son,” I teased, fucking her harder. “Enjoy.”

She enjoyed a gut-wrenching orgasm. I drilled her pussy until her orgasm subsided.

Alex spread mom’s ass as I thrust gently.

“You have a very sweet virgin asshole, mom,” I said. “Who have you been saving it for?”

“I’ve saved it for you,” she gasped, trembling, as I wet my thumb Alex’s mouth.

“You’ve been a very wise girl, mom,” I said. “Your delicate asshole can only be satisfied by my big fat cock.”

“Yes,” she hissed as I touched my wet thumb to her asshole.

“Alex wants to taste your juicy pussy on my big cock,” I said, worming my thumb into her ass. “Is that okay?”

“Yes,” she hissed.

When my thumb was halfway up mom’s tight asshole, Alex swallowed my dripping cock down her throat. She deep throated it eagerly.

“It’s delicious, isn’t it?” I said, slapping Alex’s face with my cock while swirling my thumb in mom’s asshole.

“Oh, yes,” said Alex. “Mom has a very tasty pussy.”

“I’ll soon taste it and devour it raw,” I said, pushing my cock back into mom’s drenched pussy.

Mom received a hard fucking that ended in an equally hard orgasm, both her holes twitching around me.

“Mom, are you ready to get your hot ass prepared for the big cock it belongs to?” I said, thrusting gently.

“Yes,” hissed mom, trembling and both her holes twitching.

“Alex with explain to you how to clean your luscious ass inside out and make sure it’s good for cock and come,” I said. “After all, she’s going to taste your sweet ass on my big cock and eat my come out of your well-fucked ass.”

“Okay,” said mom as I pulled out of her pussy and ass and helped her get up.

“Taste your pussy on my big cock now,” I said, gently nudging her shoulders down.

She knelt down and tentatively took my cock in her mouth. She soon sucked it eagerly, and I fucked her throat.

Alex led mom away, and I sat back, watching their hot asses twitch before they disappeared. They returned ten minutes later.

When mom arrived, I silently helped her onto her knees on the sofa. She cooperated and pushed her virgin ass out on her own. Her pussy was dripping. I knelt behind her and gently wormed my index finger into her asshole, which tensed a little in the beginning. She moaned as I corkscrewed my finger up her ass. I soon had my finger all the way in. I easily slid my middle finger into her leaky pussy.

“Are you ready to have your virgin ass prepared to get addicted to the big cock it was made for?” I teased as I worked my middle finger in and out of her pussy while stirring my index finger within her tight asshole.

“Yes,” she hissed, her holes twitching.

“Do you understand that all your holes will be mine?” I teased.

“Yes,” she hissed.

“They’ll belong to the big cock you belong to,” I said.

“Yes,” she hissed.

“You’ll be my whore,” I said.

“Yes,” she said, trembling.

“Can you handle being addicted to my big cock like your slut daughter?” I asked.

“Yes,” she hissed.

“Do you think she and you will enjoy sharing my big cock?” I said.

“Yes,” she hissed.

“Spread her luscious ass, Alex,” I said. “Let’s get it ready for its grand opening.”

“With pleasure,” said Alex.

“She heroically saved her hot virgin ass for me,” I said. “Don’t you think she deserves to get it fucked royally?”

“Without doubt,” said Alex as she spread mom’s ass wide.

“Remember how nice your slut daughter has been to you,” I said. “She wants your cock-craving ass to be sated.”

“I am not being nice at all here,” said Alex. “Her worst enemy wouldn’t want her sweet ass to starve forever.”

“Her worst enemy wouldn’t eat my come out of her well-fucked ass,” I said.

“Actually she would if she knew how tasty your come is wherever she eats it from,” she said.

“Her worst enemy wouldn’t eat her pussy while I fuck her ass,” I said.

“I think my mom’s pussy’s so delicious her worst enemy would eat it out of sheer selfishness,” she said.

“In that case, I’d like to meet her worst enemy if she has a hot ass,” I said.

“Mom’s worst enemy’s ass isn’t anywhere as hot as mom’s,” she said. “That’s why they are enemies. It’s envy.”

“Mom, it’s up to you, but I think your slut daughter’s very nice,” I said.

“I know,” moaned mom.

My middle finger was soaked in her pussy juices. I pulled it out and slowly squeezed it into her ass, making her moan. I soon had both fingers all the way up her ass. I slid my ring and little fingers into her leaky pussy.

“Your asshole’s so beautiful,” I said. “It’s so hot and tight. Does it look forward to stretching around my big cock like it has never dreamed? Does it want to get fucked royally like it should but it thought it never would?”

“Yes,” she hissed as I started to swirl my fingers within her fuck holes.

“My big cock and your little pussy can’t wait for that to happen,” I said. “They are drooling profusely.”

“Yes,” she hissed.

“You and Alex were meant to be my dirty whores,” I said. “Which is taking after the other?”

“She’s taking after me,” she moaned.

“Are you going to be more devoted to my big cock than she is?” I teased.

“Yes,” she hissed.

“Let’s get to work,” I said, slowly withdrawing my sticky fingers from her fuck holes.

My fingers slid out of her holes, and I sucked them thoroughly one by one, starting with my index finger. Her asshole was relaxed to the point it almost gaped a little. I stuck my tongue tip into its center, making her gasp and her asshole pinch my tongue tip. I turned that into a deep kiss until her asshole relaxed and she moaned and pushed her ass back into my mouth. I ate her responsive asshole more hungrily, and she ground into my face more and more urgently, moaning and gasping. She finally stiffened and came.

While she recovered, I licked her copious juices off her drenched pussy. When she started to moan and hump my tongue, I picked up the pace and ate her leaky pussy eagerly. She soon came in my mouth.

“Your pussy and asshole don’t only look delicious,” I said. “They taste delicious too.”

“Thank you,” she gasped.

“Relax, and have fun,” I said, squeezing lube on her splayed asshole. “I am going to loosen up your little asshole and get it ready to swallow my big cock.”

She groaned, and her asshole twitched.

Alex held mom’s ass spread, and I gently pushed two fingers inside it. I used my fingers to work more lube inside it. She moaned and humped my fingers, milking them. I reamed out her asshole with the two fingers for a few minutes before I added more lube and one more finger, stretching her asshole wider. I took my time corkscrewing the three fingers up her asshole. They were finally all the way in. I swirled them gently until she was comfortable with having me pump them gently.

Mom humped my fingers as they fucked her virgin asshole slowly. I stood up and lubed my cock thoroughly. I gently removed my fingers from her ass and aimed my cock at her virgin asshole. She gasped when my cock head touched her asshole.

“Remind me of what you need,” I teased.

"I need you to fuck my virgin ass," she said lowly.

"Please?" I teased.

"Please fuck my virgin ass, and make it yours," she moaned, her asshole twitching against my cock head.

"Sure," I said, shoving my cock in with enough firmness to send the head in.

She gasped, and her asshole tensed.

"It's so big," she moaned as I paused.

"Is it what you need?" I teased, thrusting gently.

"Yes," she hissed.

She came when I shoved the last inch of my cock in. I held her hips tightly and paced her as she shook wildly.

"I am coming," she gasped. "I am coming."

"Your horny asshole has apparently accepted being mine," I teased.

"Yes," she gasped.

"Are you now all mine?" I asked.

"Yes," she gasped.

"Alex, how do you like sharing me with mom?" I asked.

"I love it," said Alex. "First I need to taste her ass on your big cock."

"Of course, baby," I said. "You'll do that soon."

Mom recovered while I fucked her ass gently, loosening up her asshole further. She soon fucked back, and I picked up the pace but not by much. She fucked back, matching my strokes.

"Your sweet asshole has never looked this beautiful," I said, watching her stretched asshole slide back and forth.

"It has never felt this good either," she gasped.

"Your cock-craving asshole can't feel this good without swallowing my big juicy cock again and again," I said.

Her asshole continued to loosen up. I held her hips and fucked her ass with precise strokes, letting the pace pick up slowly. I maintained a brisk pace until her asshole twitched.

"My ass is going to come again on your big cock," she gasped.

"Enjoy being your horny son's dirty whore," I said.

She soon stiffened and convulsed wildly. I drilled her ass vigorously until she calmed down. We repeated that a few times, drilling her ass a little harder every time, and she shook in ecstasy again and again.

"Do you think you can get on your back and spread your own ass?" I teased.

"Yes," she said.

She got into position with my help, and I lubed her asshole and stuffed it with my cock. I pinned her legs and fucked her ass hard through several orgasms.

"Do you want my come deep in your hot ass?" I said as she approached her tenth orgasm in that position.

"Yes," she gasped.

Mom soon came, draining my balls in her bowels. I pulled out and delved in her slimy ass with two fingers while Alex knelt down and sucked my sticky cock.

"Do you want to taste it?" I asked, offering her my gooey fingers.

"Yes," hissed mom, smiling.

She sucked my fingers thoroughly.

"It's delicious," she said.

"That's why Alex wants to eat the rest right out of your well-fucked ass," I said. "Do you want to let her?"

"Yes," she hissed.

Alex remained on her knees and pounded on mom's offered asshole as I climbed on top of mom and fed her my soft cock. Mom moaned around my cock while Alex ate her asshole eagerly. When mom came, I was ready.

"Do you want to try the position you caught Alex get her ass fucked in?" I asked.

"Sure," said mom.

Mom soon impaled her ass on my cock in the cowgirl position. I bounced her ass on my cock until she came.

“Are you now addicted to my big cock in your horny ass?” I asked.

“I am now addicted to your big cock in every hole I have,” she said.

“You are a good whore, mom,” I said, raising her knees into the Asian cowgirl position. “I am proud of you.”

“Thank you, darling,” she said.

She bounced her ass on my cock. I carried it in my hands and spread it as I paced her. She came a few times within fifteen minutes.

“I am not ready for dad to catch us like this,” I said. “Do you want to continue in my room?”

“Sure,” she said.

“Alex, get our stuff and follow us,” I said as I stood up, carrying mom with her ass impaled on my cock.

A minute later, mom was on her back on my bed, her ass spread with both hands. I pinned her feet on either side of her head and fucked her ass vigorously.

“I don’t have time to make a decent dinner,” she gasped.

“Dad has to bring takeaway,” I said.

“I need to call him soon,” she gasped.

“After you come,” I said.

Mom came and recovered, and I was fucking her ass at an easy pace.

“Alex, call dad, and hold the phone to mom’s head so she can tell him to get dinner,” I said.

“I am going to call dad while you fuck my ass in this position?” asked mom.

“That’s so slutty,” I smiled. “Whatever you do, don’t come or beg me to fuck your ass harder during the call.”

“You are so bad,” she said.

“I am not the one taking to her husband while her son fucks her horny ass,” I said.

Alex called dad and held the phone to mom’s ear.

“Hi, honey,” mom gasped when dad replied.

“What are you doing?” he asked as I fucked her ass harder.

“I am playing with the kids,” she gasped.

“What kind of game is this?” he asked.

“It’s kids’ stuffing,” she gasped. “Kids stuff. Anyway, I called you for a reason.”

“Is everything okay?” he asked.

“Yes, everything’s perfect,” she gasped. “I just got busy with the kids and couldn’t make dinner.”

“You want me to bring dinner with me?” he asked.

“Yes,” she gasped.

“I’ll do it,” he said.

“I love you,” she gasped, her asshole twitching.

“I love you too,” he said.

Alex hung up as mom stiffened.

“That was insane,” gasped mom as she shook in orgasm.

“You are a dirty wife,” I said, drilling her twitching asshole.

“I know,” she gasped.

After a few more orgasms, I came in her pussy.

“I am going to flood your little pussy with come,” I said.

“Yes, do that, baby,” she gasped.

A few minutes later, Alex ate my come out of mom’s pussy and climbed on top of mom.

“Mom, she wants to share the come with you,” I explained.

They shared my come and sucked my cock clean.

BACKSIDE OPEN WIDE

Mom, Alex and I showered separated before dinner.

Alex and I sat across from mom and dad on the dinner table. I was opposite of mom. I took out my hard cock and guided Alex's left hand to it. She was startled when I wrapped her fingers around my thick shaft. She took a few seconds to digest the situation before she smiled and stroked my cock. She spread her legs, causing her short skirt to ride up her legs. I pulled her chair closer and reached out for her hot pussy. I teased it, and it leaked on my fingers.

"Be careful not to smell like a French whore," I whispered to her as I leaned to the right.

"I've just showered," she whispered. "I can only smell like an American whore. Do you think he'd notice?"

"Maybe not," I smiled.

While I talked to Alex, I extended my left foot, pushing it between mom's legs. Mom pushed her ass forward and spread her legs. I teased her pussy with my big toe.

"Dad, how was your day?" I said as I teased both pussies and Alex stroked my hard cock. "Did you have fun?"

"Nick, I was at work," he said. "I've been longer than enough there for it to be fun."

"That's too bad," I said. "I hope it makes you feel better to know that while you worked hard, the three of us had a wonderful time today. We were at it until right before you arrived."

"Yes, dad," said Alex, squeezing my cock. "It was incredible."

"Your mom told me about that," he said. "What did you do?"

"It was a very simple game but very exciting," I said. "It requires stamina on the aggressors side, but otherwise it's very simple and easy and so much fun."

"What is it?" he asked.

"I'll tell you about it if you ever get a chance to play it with us," I said. "I don't want you to play it with the secretaries at work. I don't think mom would like that. Would you, mom?"

"Of course not," said mom, her pussy leaking on my toe. "Don't tell him about it."

"If you tell me about it, I may play it with you," he said.

"I am afraid it's a little more complicated than that," I said. "It's an addictive game. If you know about it, you'll want to play it right away. I can only tell you that you missed it."

"I guess I was unlucky," he said.

"You sure were, dad," said Alex, stroking my hard cock.

When dad got up, I tucked my cock in, and mom and Alex adjusted their positions.

"Keep dad company while I fuck mom in every hole and come in her mouth," I whispered to Alex.

"Sure," said Alex, getting up.

"I'll help you to clear the table and work on the dessert," I said to mom.

"Thanks, darling," she said as dad and Alex left to the living room.

"Are you ready?" I asked.

"I am dripping as you well know," she said.

"Suck it," I said, whipping out my hard cock.

She knelt down and took my cock in her mouth. I held her head and fucked her throat for a few minutes.

"Bend over the table," I said, pulling her up.

She bent over the table, and I hiked her dress. I teased her stiff clit with my tongue a little before I pushed my cock into her dripping pussy.

"This is so crazy," she said as I held her waist and thrust in her pussy.

She had a quick orgasm. While she recovered, I fucked her gently and lubed her asshole.

"Do you want my big cock in your slutty ass?" I teased as I pushed my cock into her ass.

"More than anything," she moaned, pushing her ass back.

Her ass received a vigorous drilling, and she had a hard orgasm.

“We got addicted to this game,” she said.

“This is just the warm-up,” I said. “We’ll play after we clear the table.”

She knelt down and sucked my cock clean.

She lowered her dress, and we cleared the table with my hard cock sticking out.

When we were done, I laid her on her back on the table, and she pulled her legs over her head and spread her ass. I squeezed lube on my cock and impaled her ass with it. I fucked her vigorously for half an hour, switching holes after each orgasm.

“Get ready to swallow my come,” I announced. “I’ll shoot the first shot deep in your pussy.”

She came, and at the end of her orgasm, I had mine. I sent the first come spurt deep in her pussy and pulled out immediately, squeezing my cock. She hopped off the table, and I shot the rest against the back of her throat.

“Gargle with it before you swallow it, and leave some for dad to taste over a deep kiss,” I said.

She sucked my cock dry and gargled with my come before she swallowed most of it.

“You are a bad boy,” she said.

“Don’t forget to let him taste it in your drenched pussy,” I said.

“I won’t,” she said.

Before I let her go, I pecked her on every hole and slapped her ass.

Alex and I were sitting down on the sofa when mom came to the living room.

“What happened to the dessert?” asked dad.

Mom bent over and gave him a deep kiss. Alex and I cheered.

“Get a room,” I teased.

“I have a special dessert for you,” she whispered. “It’s between my legs. Let’s get a room as the kids say.”

“Kids, we are going to bed,” he said, getting up. “Good night.”

“It’s too early, dad,” I teased.

“Nick, don’t be bad,” whined mom.

“I am just reminding him that there is no need to hurry before you actually go to bed,” I teased.

“He knows that,” she said.

“Nick, you are outrageous,” said Alex when mom and dad left.

“Did you see her make him taste my come on her tongue?” I said.

“She really did?” she said in disbelief.

“Of course,” I said. “Why do you think he’s rushing to taste it in her pussy?”

“You came in her pussy too?” she asked.

“Just enough for him to taste it,” I said.

“You are so bad,” she said.

“You think your boyfriend’s the only one who deserves to enjoy it?” I teased.

“My boyfriend knows what he’s enjoying,” she said.

“Did you notice that it’s also too early for us to go to bed?” I teased.

“You want to fuck me here?” she smiled.

“You are so bad,” I teased. “Of course.”

“I love the fringe benefits of being your sister,” she smiled as she knelt before me.

“Me too,” I said as my hard cock made an entrance.

“What did you do last night after we left?” asked mom at breakfast. “Did you watch the movie?”

“Which movie?” I said.

“I guess you didn’t,” she said.

“We played the game,” I said.

“Did you do it in the three holes as usual?” she asked.

“Yes, but I made a kill only in the back hole, which is my favorite,” I said.

“What holes?” asked dad.

“Each castle has three defenseless holes where you can attack it and possibly make it collapse,” I said. “I usually attack on the three fronts. I make a different number of kills, depending on the time we have.”

“Is it a strategy game?” he asked.

“The strategy’s most important in the first attack, but after that it’s less so,” I said.

“I don’t think I’d enjoy that kind of games,” he said.

“Dad, you know nothing about that kind of games,” I said. “It isn’t a board game or a tablet game.”

“What kind of game is it?” he asked.

“That’s still classified top secret, but trust me that we got addicted to it for a good reason,” I teased.

“Okay,” he said.

“Last night while you had teenager fun, I destroyed Alex’s three holes before I made her collapse,” I smiled.

“I don’t care,” said Alex. “I probably had more fun than you did. I don’t consider myself a loser either.”

“You are not,” I said. “You did very well.”

“I missed it,” said mom.

“I know you couldn’t have had as much fun, but I think you had some too,” I said. “Didn’t you?”

“The games we played are none of your business,” she chided.

“Were they fun?” I asked.

“Of course,” she said.

“I am glad you had fun, but you sure missed getting destroyed with my big cannon,” I said.

“You are at an advantage,” she said. “You can easily aim with that big cannon.”

“It’s easy for you to say that,” I said. “It isn’t as easy for others.”

“I know,” she said.

“Do you want to play after dad leaves?” I said.

“Sure,” she said. “I know it’s hopeless, but maybe Alex and I can team up on you and destroy you for once.”

“You can sure try, but you know how it’s going to end,” I said. “You’ll end up gasping and begging for mercy.”

“Doesn’t it irritate you how arrogant he is?” mom said to Alex.

“Not really,” smiled Alex. “I actually like it. I want to be brought down to the ground by that kind of knight.”

“I know, but it makes you feel helpless,” said mom.

“We *are* helpless,” said Alex. “I’ve learned to enjoy that.”

“I guess I’ll leave you to your game,” he said, getting up.

“Try to have a little fun,” I said. “We’ll have so much.”

“Have fun for me too,” he said.

“I’ll do that, dad,” I said. “Mom and Alex can’t because they’ll be overwhelmed.”

“Thanks,” he said.

He pecked mom on the lips and bid us goodbye.

“It’s like he knew it’s the first hole that will be under attack,” I teased.

“My husband supports me in my game,” she smiled.

“He wants me to destroy you because he knows he can’t,” I teased.

“Have fun,” she said.

During that session, mom and Alex’s asses took a big come load each. They ate them out of each other’s ass and shared them lewdly.

EXPANDING THE BUSINESS

For my plan to work well, I needed Lydia to be out for an hour or two.

“Mom, can you call Lydia and find out her plans for the day?” I asked.

“Why do you want me to do that?” asked mom.

“I want to fuck Cathy in her living room,” I said.

“You are crazy,” she smiled. “Okay.”

Mom called Lydia and came back to me.

“She’s out for the whole morning,” said mom. “She’ll be back around two. You need to start now.”

“I will,” I said. “Thanks, mom.”

“You are welcome,” she said.

“Is Roger home?” I asked Cathy on the phone.

“No,” she said.

“How about your mom?” I asked.

“She’s out too,” she said.

“Are you ready to get fucked in the living room?” I asked.

“You are crazy,” she said. “They may come home at any time.”

“That’s the beauty of it,” I said. “Alex loves it.”

“I’ll do it,” she said.

At noon, Cathy led me into her living room. I squeezed her ass as I walked next to her. She fondled my boner. We kissed passionately before the sofa. I felt up her ass and tits before I nudged her shoulders down.

“Affirm your status as my dirty whore,” I said.

She knelt down before me and got rid of my pants and underwear. My hard cock greeted her, and she welcomed it in her mouth. She soon deep throat it, and I fucked her throat for several minutes, occasionally slapping and rubbing her face with it.

“My pussy and ass missed you,” she said as she sat back on the sofa and pulled her legs over her head.

“Are they too tight now?” I teased as I knelt before her and pushed my finger into her leaky pussy.

“Yes,” she hissed.

“Do you think I am thick enough to loosen them up properly?” I teased.

“I think you are going to leave them loose and sticky,” she moaned. “That’s exactly what I want.”

“I am happy for you,” I teased.

She spread her ass, and I gently wormed my slick finger into her asshole, making her moan. With one finger in her asshole, I ate her leaky pussy to an animated orgasm. I sucked the finger that was in her ass and pushed my thumb in her drenched pussy as I took my mouth to her splayed asshole. She came wildly, drenching my thumb. I took it out and pushed it into her asshole.

“Do you want to get fucked, my whore?” I teased as I used my thumb to work lube inside her asshole.

“Yes,” she hissed, her asshole twitching.

Her dripping pussy was the first hole that took my cock, but it wasn’t the last or the one that took my come deep inside it over an hour later. All her holes got fucked royally in several positions before I pumped her twitching bowels full of come in the missionary position with her legs pinned against the back of the sofa.

After she tasted my come out of her ass on my fingers, she knelt down and sucked my cock clean. She revived it, and I fucked her throat for a few minutes.

“Get your horny ass impaled,” I instructed as I sat back on the sofa.

She mounted me in the anal Asian cowgirl position. I spread her ass and bounced it on my cock. She came twice and then rode me in the anal cowgirl position. After her second orgasm, I put her on her knees and skewered her

offered ass from behind. I held her hips and put it to her. She came, and I did not stop fucking her ass. I only slowed down a little, and, when she recovered, I picked up the pace again.

When I sensed Lydia's presence, she was already next to me, watching my hard cock pump her daughter's eager ass vigorously. I froze for a second.

"Don't stop fucking my horny ass, stud," urged Cathy. "You know how much I need your big cock back there."

Lydia signaled me to remain silent and resume fucking her daughter. I obliged them.

"I know, my little whore," I said. "I can't stop with your luscious little ass begs for more of my big fat cock."

"I love you, Nick," gasped Cathy. "Nobody else would ever fuck all my cock-hungry holes like you."

"I should thank your mom for giving me one of the hottest and sluttiest girlfriends in the world," I said. "I should kiss her ass for passing it to you."

"You think I got my cock-craving ass from mom?" she gasped.

"If I thought you got it from your dad, I wouldn't touch it," I teased.

"You are silly," gasped. "When you thank her, are you going to tell her how much you love fucking my ass?"

"No way," I said. "What if she were into ass fucking and wanted to try my big cock up her own ass?"

"You think my mom's a whore like me?" she gasped.

"I am giving her the benefit of the doubt," I said as I squeezed Lydia's right ass cheek, making her blush and tremble. "The sizzling asses on the two of you can turn a nun into a cock-craving whore."

"You think so?" gasped Cathy.

"Why do you think nuns don't have such luscious asses?" I said, squeezed Lydia's left ass cheek. "It's only because they'd be forced by instinct to turn monasteries into free whorehouses."

"You are crazy," said Cathy.

"I am telling you that your sexy mom has an incredible ass," I said, feeling up Lydia's ass freely. "You can even tell her that I love it and report her thanks back to me."

"I'd have to report the ass kicking," gasped Cathy as I hiked her mom's skirt and went inside her panties.

"Your mom isn't rude," I said, feeling up Lydia's bare ass and tracing her ass crack. "She wouldn't hate me for saying she has a hot firm ass that's a pleasure to behold or hold."

"Dream on," said Cathy.

"She has a very tight asshole," I said as I teased Lydia's asshole, making her tremble. "Do you think your dad fuck it?" I turned to Lydia. "Does he fuck it?"

Lydia shook her head, shuddering.

"I don't think so," gasped Cathy.

"I am sure he doesn't," I said. "It wouldn't be this tight if she ever got it fucked with a big fat cock like mine."

"If she ever had it fucked with your big cock, she'd be addicted to it all her life like her slut daughter," she said.

"Your hot mom's horny ass deserves to be fucked," I said as I pulled my hand out of Lydia's panties and pushed her gently toward the sofa.

"I know," said Cathy.

Lydia quietly sat next to her daughter's ass and intently watched her stretched asshole get fucked hard. I tapped her on the shoulder and motioned her to spread her daughter's ass. She hesitated a little before she did. I pounded Cathy's spread ass mercilessly if only for her mom's benefit, and she soon came wildly.

"That's it, boyfriend," gasped Cathy, shaking. "Your dirty whore loves your incredible cock so much."

"She's a good whore," I teased.

Lydia was still watching my cock as it thrust gently in her daughter's happy ass while she recovered. I gently held the back of Lydia's head as I pulled my cock out of Cathy's ass. Lydia was startled when she saw my sticky cock throb just before her lips. She opened her mouth in surprise, and I pushed my cock halfway in.

"You think your mom would like the taste of her slut daughter's hot ass on my big cock," I teased, thrusting in Lydia's mouth and teasing her daughter's gaping asshole with the thumb of my free hand.

"I am sure she'd love it if only for how juicy and delicious your big cock is," said Cathy.

Cathy caught her breath while I quietly thrust my cock in her mom's throat.

"Me too," I said.

A minute later, Cathy looked back, and she was shocked by what she saw.

"Mom!" said Cathy in shock, sitting up. "Have you met Nick's big cock before?"

"No, Cathy," I said. "My big cock has never before had the honor of meeting your hot slut mom or the pleasure of sliding balls deep in any of her luscious holes."

"She's taking to your big cock like a duck to water," she said.

"You should be very grateful she passed all her slut genes to you," I said.

"I am," said Cathy as she turned around and sat next to her mom. "I've never thought I'd see my mom enjoy a big juicy cock like this."

"Your mom's a cock-loving slut," I said as I tilted Lydia's face up and slapped her cheek with my sticky cock. "She has sizzling holes that crave my big hard cock even more than yours. Isn't that right, Lydia?"

"Yes," hissed Lydia.

"Are you saying that she's going to let you fuck her silly like you fuck me?" asked Cathy.

"There is only one way to find out," I said as I pulled out of Lydia's mouth and pulled her up.

Lydia did not resist as I turned her around and pushed her onto the sofa on her knees. I hiked her skirt and pulled her panties down. Her pussy was soaked. I brushed my cock head up and down her leaky pussy, making her gasp. When my cock head was drenched in her juices, I shoved it in. She grunted as my cock forced her horny pussy open. I held her hips and gradually shoved my cock deeper in.

"Her pussy's almost as tight as yours was when I deflowered it," I said to Cathy.

"Dad must have a pencil cock compared with yours," she giggled, making her mom's pussy twitch.

"Is what your slut daughter says right, Lydia?" I said.

"Yes," she hissed.

"I have a feeling that your hot juicy pussy was made for my big fat cock, not his slim cock," I said.

"Yes," she hissed, trembling.

"Does your greedy little pussy love the extra stretching?" I asked.

"Yes," she hissed.

"Wait until you try it in your sweet virgin ass," I said as I buried my cock balls deep in her tight pussy.

She gasped and stiffened when my balls pressed into her clit. She shook in orgasm, jerking her ass wildly. I held her waist tightly and pounded her gushing pussy until she went limp.

"Lydia, you didn't tell us if you wanted me to fuck you silly like I fuck your slut daughter," I teased, thrusting gently in her drenched pussy. "That's the real DNA test."

"Yes," hissed Lydia.

"Yes, what, mom?" said Cathy. "Do you want my boyfriend to fuck you silly like a dirty whore?"

"I've never cheated on your dad," hissed Lydia.

"Is that why you came so hard as soon as your daughter's horny boyfriend shoved his big fat cock into your cock-craving pussy?" teased Cathy.

"Yes," hissed Lydia.

"Are you going to continue to cheat on dad like a married whore?" teased Cathy as I fucked her mom harder.

"Yes," hissed Lydia.

"Do you promise?" teased Cathy.

"Yes," hissed Lydia, stiffening.

Lydia came harder than before, and I pounded her twitching pussy until she went limp.

"Do you think she'll keep her promise?" asked Cathy.

"I have no doubt," I said. "Women keep their promises when they are about getting fucked like dirty whores."

"You are lucky he believed you," teased Cathy. "I'd have thought you'd be more proper than that."

Lydia trembled.

"She's now putty in your hands," said Cathy. "What are you going to do with her?"

"It's a matter of point of view that she's putty in my hands for I am going to do exactly what she wanted me to do from the start," I said.

"You mean you'll fuck her silly in every fuck hole like her slut daughter?" she asked, making her mom tremble.

"Yes," I said, picking up the pace. "I've already claimed two of her hot holes. I only have her hottest one left."

"According to her, she was a prim and proper wife and mother before she whored herself to you," she said. "I think he ass is still virgin."

Lydia's pussy twitched.

"She told me it was while I fucked yours," I said. "She wouldn't be on her knees, getting fucked, otherwise."

"Is it, mom?" asked Cathy.

"Yes," hissed Lydia, her pussy twitching and gushing around my cock.

"Your mom's lucky that your boyfriend doesn't single out virgin asses," I said. "He actually likes them."

"Don't you think her little asshole's too small for your big fat cock?" teased Cathy, spreading her mom's ass.

"Did you think your sweet asshole was bigger when I deflowered it?" I said.

"Mine was this small?" she said.

"Of course," I said. "You also saw another little asshole I deflowered. They were made for this. I assure you that within an hour your mom will be addicted to my big cock in her luscious ass. She'll be all mine just like you."

"You are wicked," she said. "You got my little asshole addicted to your big cock even before you put it there."

"That's what's going to happen to your slut mom, and she knows it," I said as Lydia stiffened. "Your slut mom knows that her luscious ass has reached its journey's end. It was made for my big cock, and it will finally get it."

"The slut apparently can't wait," said Cathy as I pounded her mom's gushing pussy hard.

"Like you did when it was your turn, you little whore," I teased.

"I was a little slut," said Cathy. "She's supposed to be a prim and proper woman."

"Baby, when it comes to cock love, your hot mom's no more proper than a dirty whore," I said.

"Is that right, mom?" she teased.

"Yes," hissed Lydia.

"She's lucky I can handle dirty whores best," I said as I pushed my thumb in Lydia's mouth.

Lydia sucked my thumb, moaning around it, as I fucked her sodden pussy gently. I took it out of her mouth and gently pushed it into her asshole. Her pussy and asshole twitched and tensed, but I easily wormed my thumb all the way in. She ground into my cock more urgently as I gently swirled my thumb within her asshole, loosening it up.

"She liked it, doesn't she?" said Cathy.

"Her virgin asshole's starved," I said. "It doesn't know that this isn't what it's hungry for. It doesn't know that what it craves is now feeding the neighboring equally cock-starved pussy. It will know as soon as it tries it."

"In a few hours, it's going to change from starved to sated," she said, making her mom's holes twitch.

Lydia's asshole relaxed around my thumb by the time I picked up the pace. She fucked back her asshole milking my thumb as it continued to loosen it up. I made her come twice. Her asshole twitched around my thumb wildly.

"Show your mom how to use the extra enema you have," I said to Cathy while thrusting gently in her mom's drenched pussy. "You are going to eat my come out of her sloppy ass and share it with her."

"Okay," said Cathy.

Needless to say, I deflowered Lydia's virgin ass in her living room. Her daughter ate my come out of her mom's slimy ass and shared it with her there. We then moved to Cathy's room, where I fucked the two together, and Lydia returned the favor when I came in Cathy's ass. I also came in Lydia's mouth. She gargled with my come before she shared it with her daughter. Cathy ate my come out of her mom's pussy and shared it with her. My last come load went up Lydia's ass and remained there. Lydia also had to call her husband and ask him to get dinner.

Lydia spent over ten minutes resting before she snuck out of her daughter's room. She showered while Cathy and I showered together.

As the sun set, I happily walked home.

"I taught Cathy and her mom the game," I said as I lounged in the living room with my family.

"You played with Cathy and her mom together?" asked mom.

"Yes," I said. "They both loved it. I think Lydia loved it even more. I destroyed her through every hole until she completely collapsed. She didn't make dinner either."

"Wow!" said mom. "Your game's becoming popular."

"It's addictive," I said.

"You are making me curious about it," said dad.

"I know," I teased.

"I am not sure I want you to learn it," said mom. "You'd then get addicted to it. A game takes hours. Nick, how long did you play with Cathy and Lydia?"

"I played for about six hours on top of the four hours I played with you in the morning," I said.

"You don't have that kind of time for games no matter how fun and addictive they are," she said to him.

"Maybe we can do it on vacation," he said.

"By then, Nick will be so good you'll only watch him slaughter us," she said.

"How come you are not going to get better at it too?" he asked.

"We will, but he has the talent and stamina for it," she said. "It's his game."

"What do you call your game?" he asked me.

"I call it Backside Open Wide," I said. "I know it sounds silly, but it emphasizes the vulnerability in the backside. Although they have three weak points, I focus my attack on the backside because it's more effective."

"You see?" she said. "As long as he does that, Alex and I will never be good enough to defend our backsides."

"You can have fun trying," I said.

"We do, and we will," she said.

Alex and Cathy no longer were too busy to be with me on Sundays, but I was busier throughout the week.

The End

Sunday Mystery

I caught my girlfriend eating out her brother's girlfriend, who happened to be my sister. Then I was in the middle of the action and got to do to my sister what her boyfriend, my best friend, only had dreamed about, but things did not stop there. My friend and our moms got caught in the middle.
