Please read [disclaimer](#) and [summary](#) at the end of document

On that weekend, my girlfriend's folks decided to visit her aunt when she invited them to spend the weekend with her in San Francisco. Their sudden decision made my girlfriend cancel our Saturday date.

Alone, I spent the evening in the mall and then stopped by a local bookstore, where I spent one to two hours. In the end, I went to bed with a big boner. My horniness survived the night and lasted to Sunday. When I woke up, my parents were already gone to church. I grabbed some food and watched television.

Flipping channels continuously, I searched for scenes of cleavages and whatnot. By the time I was bored silly, my parents returned. They have stopped by the mall and on their way home picked up some groceries. By their return, life returned to the house.

After lunch dad picked up his golfing gear and left. I decided to kill time by helping mom in the kitchen and around the house. Despite that, my brain kept wandering to sex. As she pulled a heavy bag from the bottom kitchen cabinets, the bag slipped from her and she dashed back, causing her ass to bump into my perpetual boner. My cock twitched in response and got even bigger and harder.

My horniness eased off as I grabbed that bag and pulled it up. I climbed on a chair to put the bag away in the top shelf. As she helped steady me, her face was inches away from my shameless boner. When I looked down, I could see down her top as her hefty breasts filled it and pushed it forward. While standing there on the chair, my thoughts wandered to the fact that her tits were about twice the size of my girlfriend's. That was actually an exaggeration. I shook that thought off my head and returned to reality.

As she and I did more work in the house, I found myself for the first time paying attention to how her dress hugged her body, how her tight ass looked when she bent over and so on. My cock pulsed constantly, threatening to make an embarrassing bulge even more so. I sighed in relief when we were done and lounged in the living room.

Presents

A Nightingale Classic Three Holes in One

Even as we sat on the same sofa, chatting while drinking juice, my horny thoughts did not leave me alone. I even paid extra attention to the way mom's tits jiggled softly when she sat on the sofa.

PUTTING AND PUTTING OUT

As my cock pulsed, I realized for the first time that she, barely at forty, had a pretty face and a great figure. I had obviously known that all my life, but it was a case when something hits you suddenly and you feel the impact of it although it had been there since forever. Her curves were more pronounced than most teenagers and definitely more than my girlfriend's. My girlfriend was hot, but when I looked at mom's ass, my cock twitched. I wanted to find a way to talk about mom's big tits and hot ass. It was not easy, but, when there is a will, there is a way.

"Are your boobs natural?" I finally blurted out, surprised at my boldness and immediately regretting it.

"Yes, sure, they are natural," she said. "Women that augment their boobs are silly."

"They are big," I said. "I mean they look bigger than most women's boobs."

"Sizes differ from a person to another, just like people's heights are different," she said proudly.

“I know that, mom,” I said, looking at her bulging top. “Yours are not only big but also firm. Are you sure you haven’t enhanced them somehow?”

“Of course, I’m sure,” she said. “Why would I lie to you?”

“I am sorry, mom,” I said. “I didn’t mean you were lying. I just mean they are amazing.”

“That’s okay, Nick,” she said.

“You are really endowed, mom,” I said.

“Thank you,” she said, blushing slightly.

“I can’t believe I got to play with them freely when I was little,” I said. “I was a very lucky baby.”

“Nick, you didn’t get to play with them,” she said. “You were feeding.”

“I know, mom, but I mean that you wouldn’t have slapped my hands away if I squeezed or slapped a fine boob, sucked the other or pinched a sweet nipple,” I said.

“Of course not,” she said.

“It’s too bad I wasn’t mature enough to appreciate their beauty or compliment you on them,” I said.

“Nick, you couldn’t even talk,” she smiled.

“I bet I just hung on to the lush orbs for dear life and sucked the mouthwatering nipples madly,” I said. “I probably slobbered all over them. I am so embarrassed about having been such a savage.”

“Nick, babies aren’t expected to be refined at that age,” she said.

“I know, but your boobs deserved that,” I said. “A refined boob deserves refined treatment from everybody. If a baby had the privilege of touching them, it must have the duty of respecting them and treating them right.”

“I loved everything you did then,” she said.

“Even being savage about your fine boobs and delicate nipples?” I asked. “That’s a little hard to believe.”

“My boobs are resilient,” she said. “They are not made of fine china. There was no risk of breaking them.”

“Thankfully, they are not made of fine china, but who cares if a fine china plate gets broken?” I said. “We are talking about finer boobs. They are made of fine flesh. I caused you pain whenever I bit your sensitive nipples.”

“You didn’t do that often,” she said. “Besides, the occasional bite was a welcomed change of pace.”

“You liked having me bite them?” I said. “Were you able somehow to teach me how or when to bite them?”

She smiled.

“You didn’t bite them too hard,” she said. “I liked that, but I didn’t need to teach you anything. You seemed to know when and how to do that. It seemed to be instinctive.”

“I am so relieved I wasn’t so bad to your lovely boobs,” I said.

“You were nice to them,” she said.

“Was I nicer than Alex?” I said.

“As a matter of fact, you were,” she said. “Maybe boys know how to treat boobs better than girls.”

“That isn’t what lesbians think,” I said.

“Lesbians are a minority,” she said.

“I am sure most guys can’t treat fine boobs properly,” I said.

“That may be right,” she said.

“Does dad know how to treat yours?” I asked.

“He used to,” she said.

“He’s unbelievable,” I said. “If I had a hot wife like you, I’d be all over her big tits at every chance I get.”

“I am sure you’ll make a lucky woman very happy,” she smiled.

“Mom, Beth’s tits are smaller than yours,” I said. “I love yours better. Should I find another girlfriend?”

“Nick, it isn’t all about boob size,” she said.

“I know, but a woman looks so hot when she has big firm tits like you do,” I said.

“Some men like them big; some, small,” she said.

“I think my mom’s tit size is perfect,” I said. “Anything smaller is small, and anything bigger is fit for a cow.”

“Nick, it isn’t like that,” she smiled.

“Mom, could you show them to me just a little?” I almost begged.

“What do you want to see?” she said.

“I want to see your beautiful boobs,” I said. “I have never seen anything like them. I am finally old enough to appreciate them. I have to show them some respect.”

“Nick, I am your mom not your girlfriend or a girl you picked up down the street!” she chided.

“I know, mom,” I said. “First, I have no interest in sluts’ tits. Second, if my girlfriend had anything like these, I wouldn’t be asking you this now although I should anyway. Though, I wouldn’t even leave her alone.”

“Do you think my boobs are prettier than hers?” she asked.

“I know so,” I said. “When you compare hers with these, her fine tits are not in the same league as yours.”

“Your request is very strange, but I am going to let you see them,” she finally said, making my heart jump.

“Thanks, mom,” I said. “Thank you so much.”

She smiled and reached back to unzip her dress.

“Allow me, please,” I said reaching behind her to undo her zipper.

She relaxed her arms and leaned forward to give me better access. I lowered her dress over her shoulders and had her pull her arms out. I peeled the dress off her upper body and let it hang around her waist. Her bra strained to hold the pale orbs as her chest rose and fell with her deep breathing. More of her tit flesh and her entire cleavage were now exposed, making my heart throb audibly. Her thin white bra completely defined the shape of her tits and outlined the shape and hue of her nipples and areolas.

“Wow!” I exclaimed. “They are so big your bra can hardly hold them, Let me take it off.”

She did not resist as I reached behind her and unfastened her bra and took it off, setting her D-cup tits free.

“They are so pretty,” I said as I admired them. I moved my head closer and inspected those tits thoroughly with my face a couple of inches away and my breath tickling the nipples. I could see her nipples get thicker. I gently hefted her tits. “They sag a little. They are real. They are so lovely.”

“What, haven’t you ever seen a pair of tits?” she asked.

“I have but not as pretty,” I said, gently pressing into her tit flesh. “Mom, how do you keep them firm?”

“How do you keep your hair brown?” she said.

“I see,” I said. “Can you please clasp your hands behind your head and arch your back?”

She shrugged and obliged me, thrusting her tits up and forward, almost touching my face.

“Fantastic!” I cheered. “I wish my girlfriend had such tits. Are they sensitive?”

“Of course,” she said.

“The boobs or the nipples?” I asked.

“Both,” she said.

“Wow!” I exclaimed. “They look so firm now.”

As she held her position, I put my left palm under her left tit and pushed it up a little. She let out a little moan. I did that again, making her tit jiggle gently.

“I like the way they move,” I said as I moved to her other tit. “I think I should change my girlfriend.”

“You shouldn’t think that way,” she said.

“You don’t know what effect big firm tits topped with thick mouthwatering nipples can have on a guy,” I said.

By that time, her nipples were fully erect.

“All boobs are nice,” she said.

“Mom, does dad shoot his sperm all over them and let you rub it in?” I asked as I held her right tit.

“Nick, that only happens in cheap porn movies,” she said. “Real people don’t do that.”

“You mean you have never had a guy do that to you?” I asked.

“Of course not,” she said.

“The guys you met were crazy,” I said. “If you were my girlfriend or wife, I’d fuck your fine tits and come all over them even if I had to tie you up. I do that to Beth, and she doesn’t have half your tits. We both love it.”

“You spurt your sperm on her boobs, and she rubs it in?” she asked.

“Yes,” I smiled. “Beth’s a hot come slut. She loves my come. I come on her face, in her mouth, on her tits, on her ass and elsewhere. She loves it so much she’d lick it off the floor. Do you know what we sometimes do?”

“What?” she asked.

“When I want her to show how slutty she is, I have her leak my come out of her and lick it off the floor, leaving no traces. She loves it. By the time she’s done, we are both roaring to go again.”

“You have a very accommodating girlfriend,” she said. “Most girls wouldn’t do that.”

“She isn’t the only one,” I said. “All my girlfriends loved to do the dirtiest acts for me. They don’t get to do it with other boyfriends. Don’t tell Beth, but that’s why my ex-girlfriends keep coming back for the real thing.”

“You mean you still see your ex-girlfriends behind Beth’s back?” she said.

“What am I supposed to do when an ex-girlfriend comes to me, begging me to use her any way I wanted?” I said. “Did you raise a son that could say no to that? I have to oblige. I can’t leave them to their pathetic boyfriends.”

“Why did you break up if they liked you so much?” she asked.

“People make mistakes,” I said. “They don’t have to keep paying for them all their lives.”

“All your girlfriends let you ejaculate on their boobs?” she asked.

“I don’t know if you’ve ever watched depraved porn movies on the Internet, but all my girlfriends have done almost everything you could watch there,” I said. “They did it because they loved it, not because paid whores did it.”

“You make those innocent girls behave like dirty whores?” she said.

“Mom, I don’t make them,” I whined. “They like that, and I practically let my girlfriends do whatever they like.”

“Nick, your girlfriends like to lick your sperm off the floor after leaking it out?” she said. “Are you serious?”

“They love it,” I said. “It lets them show how dirty they are and how devoted to me they are.”

“They all did that?” she asked.

“They all leaked my come out of their well-used assholes onto the floor and licked it so well a good crime scene investigator wouldn’t have found a trace,” I said.

“They leak it out of their buttocks?” she asked. “That’s disgusting. Do you have anal sex with them?”

“I told you we do almost everything that can be done, and we love it,” I said. “Those girls are so hot.”

“Your sweet girlfriends do that?” she said in disbelief.

“They still do it, and they are now other guys’ girlfriends,” I said.

“You know this is wrong, don’t you?” she said.

“Having so much fun?” I asked.

“No, but doing the kinky things you do,” she said.

“You want me to do like the other losers so my girlfriends would spread for bad guys behind my back?” I said.

“It can’t be as bad as that,” she said.

“Have you ever had a boyfriend express the urge to come all over your pretty face?” I asked.

“Of course not,” she said. “They know I am not that kind of girl.”

“You’d look exquisite with your lovely face covered with pearl white creamy come,” I said, brushing her face.

“Nick, don’t say disgusting things about me,” she admonished.

“It’s hot, not disgusting,” I said. “You think so because you are inhibited just like my sweet girlfriends when I first meet them. They wouldn’t even suck my cock. They think it’s too big for their little mouths, but, when I teach them deep throat, they go crazy with lust and shed their inhibitions like a model sheds clothes out of fashion.”

“You corrupt them,” she said.

“You are inhibited like a virgin teen,” I said. “You’ve never had a decent boyfriend. All your boyfriends were pathetic. They left you as is. They didn’t nurture your femininity. You are still as good as a virgin.”

“Nick, I am your mom,” she admonished. “I’ve been having sex since well before you were born.”

“I bet that sex was very impressive in neither quantity nor quality,” I said. “When a girl experiences intense sex, she transforms into a depraved whore. She enjoys the dirtiest acts. You’ve definitely never experienced that.”

“Of course not,” she said. “I’ve never and will never let any guy have dirty sex with me.”

“You think cock sucking’s dirty?” I asked.

“No,” she said.

“By the time an innocent girl’s done sucking my cock, she’s dying to have me come all over her face so much she’d beg me to do it,” I said. “I can transform her into a shameless whore while she sucks my cock. If she’s been a

complete virgin, I fuck her ass first. After I fuck her in either hole she's a complete slave to my cock. You've never met a guy who could handle you like that. You remained a virgin. None of your pathetic boyfriends deserved you."

"Bad boys don't deserve good girls," she said.

"Good girls deserve to be bad more than bad girls," I said. "By the way, when we break up, they promise to remain my dirty whores and reserve their depraved side to me. They know that their slutty bodies belong to me."

"We can talk about this later," she said. "I don't think we should discuss it with my boobs out."

"Are you afraid I may corrupt you?" I teased.

"Of course not," she said.

"You should be," I teased. "I can't handle girls like none of your pathetic boyfriends."

"I think you had enough," she said, lowering her arms.

She had kept her arms up and her tits offered to me throughout our conversation.

"Just one more second, mom, please," I begged as I pushed her hands back gently. "I am not done."

"Just one more second," she said, raising her arms up.

"They are so beautiful," I said, lowering my mouth to her left nipple. "No man can resist this."

She gasped sharply, throwing her head back, as I wrapped my lips around her erect nipple and sucked it in. She drew her feet up just off the floor, and her left hand swung down, stopping behind my head, barely touching my hair.

"Nick, no," she protested softly. "Don't do that. Don't be a bad boy. I am not one of your girlfriends."

She did not understand it when I mumbled that she should be while I sucked her nipple, not missing a beat.

Ignoring her protests, I sucked her nipple in the technique Lydia taught me to use on her own tits. I varied the intensity of my sucking continuously. According to Lydia, a couple of minutes of this would turn any woman's pussy to mush. I knew it worked that way on her and on my girlfriends, and I was sure that mom's pussy was already soaked. Mom held my head to her tit while I sucked her sweet, thick nipple hungrily but carefully.

Mom had no idea that I lost my virginity to one of her friends. That was why I liked older women. That was how I learned the different kinds of sex early in my age from a hot, adventurous and willing partner. I enjoyed being trained and lewdly used by that woman to realize her every fantasy. She also enjoyed being my teacher and whore.

Lydia was older than mom by a couple of years. Her two kids were already out to college while I was still in high school, but my training had started while they both still lived at home. She enjoyed having me slam into one or another of her hot fuck holes after school while her husband was still at work. I enjoyed it too because I got to do to her everything I dreamed of, and she was not naïve when it came to pleasing cock. In addition to that, she used to give me classy presents, especially on Valentine's Day.

"Oh, god, it feels so good," mom gasped, her voice trailing off, "but we shouldn't..."

She gasped and moaned softly as I used my left hand on her right tit.

"You are so wicked," she gasped. "No wonder you can get your poor girlfriends to do your bidding."

"I was trained by a friend of yours," I said. "I was so well trained I turned her into a dirty whore."

"That slut definitely taught you well," she gasped. "Little girls are no match for you. You effortlessly slaughter them. I bet you can have your pick of married women."

“I’ve just picked my favorite married woman,” I said.

“You are a pervert,” she gasped. “You shouldn’t seduce your own mom especially when she can’t resist you.”

“Is that because she’s a hot slut?” I teased.

“Yes,” she hissed, stiffening.

She held on to me tightly as she gasped and convulsed while I sucked one nipple hard and pinched the other.

While she recovered, I sucked her other nipple gently.

“Wouldn’t you have loved it had I sucked your nipples like this when I was little?” I teased.

“I’d have never weaned you,” she gasped.

“You are a dirty girl, mom, but you are so delicious I don’t know how I let you wean me,” I said.

“You fought hard,” she gasped. “You apparently loved my tits so much even then.”

“I did, mom, but now your luscious tits are not all I love about you,” I said. “I love your hot ass too.”

“You are so bad,” she moaned.

In a couple of minutes, she was rolling her hips gently. Her pussy must have been drenched.

As I applied the same technique to her right, delectable nipple, she held my head with her right hand. I guided her left hand to my boner. She squeezed it gently. She soon had in out and in her hand. She stroked my shaft slowly.

“Play with my big cock, mom,” I mumbled over her nipple.

“You have a big cock, you horny fucker,” she moaned. “No wonder it intimidates little girls.”

“Sluts love it,” I said.

“No wonder they keep coming back for more,” she moaned.

“You love it too, don’t you?” I teased.

“Yes,” she hissed.

“You are a dirty slut just like they are,” I said.

She groaned.

“Admit that your boyfriends were pathetic,” I said.

“Yes,” she hissed.

“You were too good for all of them,” I said.

She moaned.

“Relax, and let me show you how a hot slut like you should be treated,” I said.

She groaned.

She lifted her ass when I pulled the hem of her dress up.

When I cupped her pussy through her wet panties, she shivered and spread her legs wider. I rubbed her pussy a little before I slipped my hand down her panties, making her shiver again. I traced her sticky pussy lips with my fingertips, making her squirm and moan. I toyed with her clit a little and fingered her pussy with my middle finger.

“You have a hot pussy,” I said as her pussy leaked around my finger.

“I am so horny,” she moaned.

“It’s because you are a hot slut,” I said, wiggling my finger within her dripping pussy.

“Yes,” she hissed.

Before I pulled my hand out of her panties, I soaked my forefinger and ring finger in her leaking juices. She watched me suck her juices off my glistening index finger, moaning around it.

“You are delicious,” I said. “I don’t know how dad leaves a hot slut at home and goes to play golf.”

“Your dad can’t turn his slut wife on like you can,” she moaned. “You are wicked kid.”

“Aren’t you happy your son specializes in handling cock-craving sluts like you?” I teased.

“Yes,” she hissed.

“You admit that you are a cock-craving slut?” I teased.

“Yes,” she hissed.

She did not hesitate to suck her juices off my middle finger. I finally sucked my ring finger. I pushed my three fingers in her mouth and pumped them while she sucked them. Meanwhile, I climbed onto the sofa, bringing my cock, which she stroked, to her mouth.

“Your cock’s gorgeous,” she said when she saw my throbbing cock. “How can any slut resist it?”

“They only resist losing it,” I said, holding her head gently. “Suck it. Show me you are a cock-craving slut too.”

She opened her mouth and took my cock in. The hard shaft stretched her lips as it slid in. She sucked it eagerly. I held the back of her head and drove my cock all the way down her throat. I pulled back until only the head was past her lips and then plunged back in. I did that a few times as her mouth milked me. I pulled all the way out and slapped her face with my sticky cock.

“Do you like sucking my big cock?” I teased, rubbing my cock over her face.

“Yes,” she hissed.

“Is it worthy of this hot slut?” I teased, slapping her face with it.

“Yes,” she hissed.

“More of this later,” I said as I stepped off the sofa and knelt between her knees. “I’ll now tend to the sweet little pussy I came from. Do you want me to do that? Do you want a real stud to touch it finally?”

“Yes,” she hissed.

“It’s so hungry for cock, isn’t it?” I teased, squeezing her pussy through her panty crotch.

“Yes,” she hissed.

“Is it hungry for the big cock you’ve just sucked?” I teased.

“Yes,” she hissed.

“It’s going to get its fill of it and then some,” I promised.

She moaned.

“Let it know that it’s about to get deflowered,” I said.

She trembled.

“It’s very rare for a horny kid to deflower the pussy he came from, isn’t it?” I teased.

“Yes,” she hissed.

Covering her panty crotch with my mouth, I sucked hard. She moaned and shivered. I pulled her panties off and put them away. Her hairless pussy was all shiny and sticky with her juices.

“I am not surprised that I came from the prettiest pussy in the world,” I said, admiring her juicy pussy. “It’s so hungry for cock now because my dad doesn’t fuck it well. It will be well fucked and sated when I am done with it.”

She trembled.

“Isn’t that what you want, mom?” I teased.

“Yes,” she hissed.

“What do you want?” I teased.

“I want you to fuck it hard like it should be fucked,” she gasped.

“You want me to fuck it like a dirty whore’s pussy?” I teased.

“Yes,” she hissed.

“You want to enjoy being my dirty whore like no one of your pathetic boyfriends has ever treated you?” I teased. “You want to finally get fucked?”

“Yes,” she hissed.

“We both want my slut mom to get fucked like she deserves, don’t we?” I said.

“Yes,” she hissed.

“You haven’t been fucked until you’ve tried your son’s big cock in every fuck hole you have,” I said.

She groaned.

She cooperated when I held her hips and pulled her ass to the edge of the sofa. I flattened my tongue and gave her drenched pussy a long swipe from the bottom of her pussy to the top of her mound. She let out a long, loud moan and shivered. Her pussy was delicious.

“Oh, Nick, this feels so good,” she gasped.

“This is what big boys nurse,” I said. “Your pussy’s so tasty you won’t be able to wean me this time.”

“It was so hard weaning you the first time I am not going to do it again,” she moaned.

“Poor dad has just lost his hot wife,” I said. “She’ll be mine from now on. She’ll be my dirty whore.”

“She’ll love that,” she moaned.

“I am sure she’ll love being my dirtiest whore,” I said, brushing my cock head up and down her leaky pussy.

“Yes,” she groaned as I shoved my cock balls deep into her soaked pussy in one long thrust.

Her pussy was so hot and wet, but it was so tight it must have hurt her a little to stuff it suddenly like that. She arched her back and groaned as my hard cock stretched and stuffed her hot tight pussy, shivering as I hit bottom. She immediately stiffened and shook in orgasm.

“I am coming,” she gasped. “Your slut mom’s coming on your big cock.”

“She’s such a slut,” I said, grinding my cock into her twitching pussy. “Let her come her hot ass off.”

Her juicy pussy gushed around my cock, and I fucked it hard until her orgasm subsided and she calmed down.

“You are a real cock-craving slut,” I said, slowing down.

“I love your big cock,” she gasped. “I don’t want you to take it out of my horny pussy ever.”

“I can’t leave my big cock in your horny pussy,” I said, thrusting in her pussy gently. “You are a big slut with three cock-craving holes that need it bad. I have to sate every one of them and fill them all with hot thick come.”

She trembled, and her pussy twitched.

“I also have to fuck your spectacular tits and come on them and on your pretty face,” I said, fucking her harder.

“You want to make your mom one of your dirty whores,” she gasped as I pinned her legs to the backrest.

“As I told you, I let my sluts do whatever they want,” I said, pounding her pussy vigorously. “Do you expect me to say no to my mom if she wants to be my dirty whore?”

“No,” she gasped.

“Does she want to be my dirty whore?” I teased.

“Yes,” she hissed, stiffening.

She had another orgasm, shaking wildly, as I drilled her twitching pussy. I slowed down when she went limp.

She took a minute to recover while I fucked her at an easy pace. I picked up the pace, and she came again. I repeated that a few times, and she came each time.

“I can make you come whenever I want,” I said while she recovered. “Did your loser boyfriends do that to you?”

“No,” she said.

“I love fucking you,” I said. “I am going to make you come a hundred times.”

“Who taught you to fuck like this?” she gasped. “I have to thank her.”

“Your friend was very valuable to me,” I said. “She taught me the basics to be a good lover, and then it was up to me to practice on her and improve. I practiced as if I was going to the Olympics, and she loved it.”

“I bet she did,” she said.

“How are you going to thank her?” I asked. “Thank you for helping my son be a stud that can seduce his mom and fuck her like she’s never been fucked before?”

“I am not going to tell her that you fuck me,” she said. “I won’t deny that I know that you are a hot stud though.”

“Are you really going to thank her?” I asked.

“Sure,” she said.

“You won’t be mad at her?” I asked, fucking her harder.

“No way,” she gasped.

“It was Lydia,” I said.

“I should have known that,” she gasped. “No wonder the two of you are as thick as thieves.”

“When she found out that I was an ass man, she offered me her luscious virgin ass,” I said. “Since then, my big cock has fucked her poor ass more than a busy whore’s.”

“She gave you her virgin ass?” she asked.

“Yes,” I said. “It was the most precious gift anybody had given me till then. Did you know that she was the first to leak my come out of her well-fucked ass and lick it off the floor? It then became a requirement for my whores.”

“Lydia did that?” she asked in disbelief.

“It’s her legacy,” I said.

“My best friend’s my son’s dirtiest whore,” she gasped, stiffening.

“That’s going to change now,” I said, pounding her gushing pussy. “From now on, *you* are going to be your son’s dirtiest whore. Aren’t you going to give it your best shot?”

“Yes,” she gasped.

“You realized the importance of being a dirty whore for having good sex?” I said.

“Yes,” she hissed.

When she recovered, I pulled out and pulled her up. I pulled her head to my dripping cock. She opened her mouth readily, and I pushed my cock all the way down her throat. She deep throteated my cock hungrily and skillfully for a few minutes. She rubbed and slapped her face with my sticky cock. I held her head in both hands and fucked her throat for a few more minutes. In the end, I drooled on her stiff nipples and rubbed them with my engorged cock head, one and then the other. She eagerly squeezed her big tits around my cock when I laid it in her cleavage. She drooled on my cock, and I fucked her tits for a few minutes.

In the end, she deep throteated my cock, and I slapped her face with it. I pushed her back, pushing her legs over her head, and knelt down. I pounced on her drenched pussy and ate it. She moaned and gasped continuously, urging me to keep eating her hot pussy. She humped my face urgently until she finally stiffened and gushed in my eager mouth. I thirstily drank all her tasty juices and sucked for more.

“Are you ready to be taken like a bitch in heat?” I asked as I got up.

“Yes,” she gasped.

She was still gasping when I arranged her on her knees on the sofa, resting her head on the backrest. I crouched behind her, aiming my hard cock at her horny pussy. I grabbed her tits and proceeded to fuck her pussy hard. She raised her head off the backrest and fucked back energetically, urging me to fuck her harder.

“Yes, yes,” she gasped. “Fuck your slut mom with your big cock. Fuck her pussy hard and deep.”

“You love to be fucked like a bitch in heat?” I teased.

“Yes,” she gasped.

“Are you now my bitch in heat?” I teased.

“Yes,” she hissed, stiffening.

“Now, you know that every boyfriend you’ve ever had was pathetic, don’t you?” I teased.

“Yes,” she hissed.

She had a hard orgasm while I gripped her hips tightly and pounded her trembling frame. I thrust gently in her drenched pussy while I spread her ass and admired her little asshole.

“You have a sweet little asshole, mom,” I said, making her pussy and asshole twitch. “Do you know what I am going to do with it?”

“You are going to deflower it and fuck it royally,” she gasped, her holes twitching.

“How did you know that?” I teased, gently massaging her asshole with a thumb slick with her pussy juices.

“You said so,” she said.

“Do you want me to do that?” I said. “Remember that I let my whores do whatever they want.”

“Yes,” she hissed, her pussy and asshole twitching. “I want to be your ass whore.”

“Push your hot ass out lewdly,” I said, pulling out of her. “Show me how depraved you can be. Show me how much you need your horny son to take your cock-starved ass.”

She pushed her ass out, and I knelt behind her. I spread her ass with both hands, and licked her offered asshole, enjoying its texture and taste. She gasped, and her asshole twitched and clenched. Her asshole relaxed, and she moaned and gasped, her ass squirming under my tongue.

“You are a horny pervert,” she moaned. “You are waking up the most depraved desires inside of me.”

“You were meant to be my dirty whore,” I said. “Your horny body’s making sure you have no choice.”

“You mean it’s all in my mind?” she moaned as I soaked my middle finger in her dripping pussy.

“It’s all in your dirty mind,” I said. “I just do what you want me to do. Do you want me to stop?”

“No,” she cried as I pushed my slick finger into her glistening pucker. She took short breaths as my finger sank slowly halfway up her hot ass.

Her asshole relaxed in several seconds, and I slid my finger in and out and moved it around before I sank it all the way up her ass. I finger fucked her ass and reamed it out for a few minutes. She purred and humped back.

“Yes, baby, ream out my tight asshole,” she gasped. “Get it ready for your big cock.”

“It’s so hungry for my big cock,” I said.

“Yes,” she hissed.

Her asshole loosened up, so I drooled on it and squeezed a second finger in. I slowly fed her horny ass my fingers, twisting and flexing them gently within her. She moaned and pushed back, her pussy leaking freely.

Her neglected but happy pussy was so wet it was about to drip. I lapped up her excess juices while working my fingers in and out of her stretched asshole. A couple of minutes later, I slowly introduced a third finger into her relaxing asshole. I reamed out her asshole for several minutes, making her moan and squirm. Finally, I pulled my fingers out and pulled her cheeks apart, dropping a ball of spit inside her gaping asshole. I drooled on her anal pucker and watched my drool run inside her open rectum. I pushed my two thumbs into her asshole and stood up, bringing my cock head to her pussy.

My hard cock sliced through her soaked pussy like a hot knife in butter. I fucked her slowly while repeatedly opening her asshole wide with my thumbs and then letting it close partially. I occasionally drooled inside her rectum while holding her asshole agape with my thumbs.

“Your sweet virgin asshole’s going to be perfect for my big cock,” I said.

“Yes,” she hissed.

“It’s ready for it,” I said.

“Yes,” she hissed.

“I want you to take an enema so you can do the come leaking and licking trick,” I said. “You didn’t think I’d let you lick contaminated come off the floor, did you?”

“I didn’t know, but I don’t have an enema bag,” she said.

“I do,” I said, fucking her pussy hard. “Nothing’s going to stop us now. Dad’s having fun, and so are we.”

“I am having a lot more fun than your dad ever can have,” she gasped.

“Me too, mom,” I said. “Don’t underestimate making the hottest mom in the world my dirty whore.”

“I don’t baby,” she gasped. “I love it.”

She soon came. I sucked my thumbs and I let her suck my cock clean before I sent her to take her enema.

Mom came back, and I helped her kneel on the sofa and push her hot ass out lewdly. I spread her ass and ate her asshole to orgasm.

“What do you want, mom?” I teased while she recovered.

“I want you to fuck my virgin ass and make me your dirty ass whore,” she said.

“Spread your hot ass with both hands, and beg me to fuck it,” I said.

“Please fuck my horny ass with your big cock,” she said, spreading her ass with both hands.

“Your luscious ass is going to get fucked royally,” I said, working a generous amount of lube inside her ass.

Using three fingers, I thoroughly loosened up her asshole for her.

“Are you ready?” I said as I shoved my bulbous cock head past her unsuspecting asshole.

“Yes,” she hissed, her asshole clenching around my hard shaft.

“The head’s in,” I said, pausing. “Your once-virgin asshole has been penetrated. It’s going to be conquered completely in a few minutes. You are practically already my dirty ass whore.”

“Yes,” she hissed, her asshole twitching around my cock. “I love being your dirty ass whore.”

“Does it feel as good to you as it does to me?” I asked.

“It must feel to me a lot better,” she said.

“Can you deny that it’s what your hot ass was made for?” I said as I held her hips and gently pushed my cock in.

“No way,” she said. “It feels incredible.”

“It looks so beautiful too,” I said, watching my shaft sink slowly up her stretched asshole.

“Enjoy, baby,” she said. “You are the only one who’s ever deserved to fuck my virgin ass.”

“I am enjoying this like I’ve never enjoyed anything else,” I said. “Thank you for saving your sweet ass for me.”

“It was blind luck, darling,” she said. “I was so lucky to save it for you.”

“It was fate, mom,” I said. “Your luscious ass was made for my big cock, so it had to get it.”

“Yes, baby,” she said. “My horny ass was made for your amazing cock.”

“Your ass is so beautiful and so hot,” I said. “I love holding it and fucking it.”

“Nick, darling, your slut mom’s going to come on your incredible cock,” she gasped suddenly. “It’s so wild.”

She stiffened and shook in orgasm.

“I am coming,” she gasped.

My cock was halfway up her ass. Her asshole twitched uncontrollably around my cock. I held her hips tightly and thrust into her trembling ass, driving my cock in deeper into her hot ass. Her hard orgasm peaked again when I shoved my cock balls deep up her ass. I fucked her ass with short fast strokes until her orgasm subsided.

“Now, there is no denying that you were meant to be my dirty ass whore,” I said, fucking her ass slowly.

“That was obvious to me since you took my nipple in your mouth,” she gasped. You really know how to handle your slut mom like nobody else does.”

“Mom, you no longer belong to dad,” I said. “From now on, you are mine.”

“Yes,” she hissed. “I am your whore.”

“I’ll fuck your sizzling ass at every chance we get,” I said.

“Yes,” she hissed as I fucked her ass faster. “My ass is yours, baby. All of me is yours.”

She pushed her ass back for more, and I gave it to her. She came again a few minutes later, and that was her biggest orgasm so far. I slowed down while she recovered and then fucked her hard again to another orgasm. I again showed her that I could make her come whenever I wanted.

“Oh, Nick, I love having my horny asshole come on your fantastic cock,” she gasped. “It’s unbelievable.”

“I love it as much as you do or more,” I said. “I was meant to fuck your fantastic ass.”

She came a few more times before I decided to change positions.

“Now that your hot ass is ready to get fucked, I want you on your back,” I said. “I want to fuck it hard.”

“You got that, baby,” she said, getting into position. “I want you to fuck it hard too.”

She pulled her legs over her head, and I guided her hands to her ass. She spread it wide. I gave it a deep kiss before I worked lube on it and inside it.

“Your hot ass is the greatest present in the world,” I said, pushing my cock into her defenseless asshole.

“Enjoy it, baby,” she moaned as my cock sank up her eager ass. “It’s yours and only yours.”

When my cock was balls deep up her ass, I grabbed her ankles and pinned them down. I smiled at her and started to fuck her ass. I picked up the pace quickly and soon drilled her happy ass mercilessly.

She babbled incoherently between orgasms as I pounded her ass hard, never slowing down. She came again and again, convulsing wildly. I only slowed down after her tenth orgasm.

“Nick, this is incredible,” she gasped. “You got me addicted to this like your little whores.”

“Do you want to do the leaking and licking?” I asked. “You want to prove to yourself that you are my whore?”

“Of course, darling,” she said. “Did you think your slut mom would ever let you down?”

“Of course not, mom,” I said, picking up the pace.

She came within a minute. I pounded her ass until she was ready for another orgasm.

“I am going to flood my slut mom’s hot ass with thick come,” I said, pounding her ass harder.

“Do that, baby,” she gasped. “Fill my ass with your hot creamy come. Make my horny ass permanently yours.”

She came, and I obliged her, letting her anal spasms drain my balls in her twitching bowels. I thrust in her until our orgasms died down completely. She milked my softening cock deliberately.

“Squeeze your ass tightly,” I said as I wrapped my arms around her.

She gasped when I carried her off the sofa. I took her to the kitchen. I knelt down and put her down, letting my cock slip from her come-filled ass.

“Go for it, mom,” I said. “Don’t leak it all. Leave some for your horny ass. It did a great job.”

She squatted and leaked some of my come on the floor.

“That’s enough,” I said. “The thought’s what counts. Wipe your asshole, and suck your fingers clean.”

She sucked the come that clung to her asshole off her fingers, moaning around it. She went down on her knees and forearms like a cat and looked at me seductively as she stuck her tongue out and lowered it to the come on the floor. She licked up the come eagerly, leaving no trace.

“Is your slut mom good enough?” she said, smiling.

“Did she enjoy it?” I asked.

“I loved it,” she said.

“Do you still think my other whores are crazy?” I said.

“I think they are lucky bitches,” she said. “I’d do that every time and love it.”

“You are a dirty girl,” I said, tilting her face up. “You are my dirty girl.”

“I am a dirty whore—my stud son’s dirty whore,” she smiled.

Our lips met, and we shared a long passionate kiss.

When I stood up, my hard cock looked her in the face.

“You were not kidding,” she smiled at my cock.

“Mom, you are going to get fucked silly,” I said. “When I am through with you, you’ll be completely useless.”

“That’s how I want you to fuck me, baby,” she said as I pulled her head to my cock.

Our second round took place in the kitchen. She deep throted me, and I fucked her throat. I then bent her over the dining table and fucked her pussy and ass from behind, making her come several times. I lubed my cock and lay on top of the dining table. She impaled her ass on my cock in the anal Asian cowgirl position, and rode my cock through two orgasms. She rode me in the anal cowgirl position for two more orgasms while I fondled her tits and sucked her sweet nipples. She turned around and got her ass fucked in the reverse cowgirl position for two orgasms.

She mounted me in the sixty-nine position and deep throted my cock while I ate her pussy and ass to orgasm. I got off the dining table and laid her on her back on it. I switched my cock between her pussy and ass several times, making her come as many times.

“Are you ready for me to come on your lovely tits?” I asked.

“Darling, I am ready for you to do anything you want to me,” she said. “How do you want me?”

She knelt down, and I fucked her throat and tits for several minutes before I shot my come all over her tits while she held them up for me. She rubbed my come into her tits and licked her fingers. I moved forward and gave her my sticky cock to suck clean. I pulled her up to her feet and kissed her sticky nipples.

“I need to take you to my room so dad or Alex doesn’t walk in on us and wonder how I got the dirtiest whore in the world into the house,” I said, squeezing her ass.

“You are not done with me?” she asked.

“Didn’t I tell you that you wouldn’t be able to do anything when I am?” I said. “I am nowhere near done.”

“No wonder those little whores can never give you up,” she said.

We walked out of the kitchen, my hand on her ass. She picked up our clothes, and we went to my room.

“Do you want me to suck your amazing cock?” she said when she sat on my bed.

“I’ll eat you out,” I said, pushing her onto her back.

She lay back and spread her legs. I pounced on her drenched pussy and proceeded to lick it. She leaked on my tongue, and I slurped her juices. She moaned and squirmed her way to orgasm. She gushed into my mouth, and I sucked everything she offered.

My cock was rock hard by then. I mounted her and pushed it into her juicy pussy. She moaned as I filled her pussy with my cock. I fucked her to a quick orgasm.

“Pull your legs over your head, and spread your horny ass,” I said.

She complied readily, and I lubed her asshole thoroughly. I took my position and maneuvered my cock into her asshole without guiding it with my hands. The head popped in, and I drove the shaft all the way in. I leaned over her and proceeded to fuck her offered ass. She moaned, meeting my strokes to the best of her ability in that position.

“Do you like having your hot ass used for what it’s for?” I teased.

“Oh, yes,” she moaned. “It’s amazing. I never want you to stop.”

She came again and again as I pounded her pussy and asshole, switching between them after each orgasm.

“Nick, nobody has ever made me come like this,” she gasped. “I didn’t even know it was possible.”

“It’s only possible when you are with the big cock you belong to,” I said. “Which cock do you belong to?”

“I belong to your big cock, baby,” she gasped.

“That’s why everything’s special,” I said. “I love being with my special whore too.”

After a few more orgasm, I pulled out and climbed astride her chest.

“Do you want me to come all over your pretty face?” I asked, slapping her face with my sticky cock.

“Oh, yes,” she said.

She welcomed my cock into her mouth, and I fucked her throat for a few minutes.

“Here it comes,” I announced, taking my twitching cock out of her mouth.

“Shoot it all over my face, baby,” she urged.

My come shot onto her face in long thick ropes, drawing designs in white on her ivory face. I finally wiped my sticky cock head on her cheek and pushed my cock into her mouth. She sucked me dry. I dismounted her and she rubbed my come into her face. She sucked her sticky fingers moaning.

“It’s always delicious,” she said.

“You’ve become a great come slut,” I said. “No slut of mine has anything on you.”

We kissed passionately.

We rested for a few minutes, and she got up and revived my cock.

“Fuck your slut mom’s ass, baby,” she said as she got on all fours and shook her ass at me lewdly. “You got it addicted to your amazing cock. Now, it’s insatiable.”

“You got it, babe,” I said, kneeling behind her luscious ass.

We sucked and fucked for two hours. I fucked her pussy and ass in different positions, and she deep throated my cock a few times. I ate her pussy and ass and fucked her tits before I came in her mouth. She swirled my come in her mouth before she swallowed it all.

While we rested, I ate her pussy and ass to an orgasm each. I fucked all her holes in several positions, and, over an hour later, I came deep in her twitching pussy.

“Use your fingers to scoop my come out of your pussy and eat it all,” I instructed.

She obliged me happily.

She was completely fucked out when, an hour later, I fucked her ass in the prone position. I had her tits in my hands, fondling them and pinching her nipples, while I pounded her ass as she pushed it out and spread it with both hands. When she came, I shot my last come of the day and night up her happy ass.

She ran her fingers through my hair as we rested.

“You really fucked your slut mom out,” she moaned. “I just want to rest for a week.”

“Did you like it, mom?” I asked quietly.

“I loved it,” she said. “I didn’t know you were this good. You are unbelievable. Had I not experienced it myself, I wouldn’t have believed it if someone told me you, or anybody else for that matter, could fuck half this good.”

Dad and Alex were asleep when mom used all her willpower and energy to take a shower before laying her tired, well-fucked body with the come-filled ass next to her clueless husband.

In the morning, dad and Alex left, leaving me alone with mom. We fucked in her bed.

“Had I known you were available, I’d have fucked you for years,” I said after she had several orgasms.

“Nick, I was never available,” she said. “I am your mom, and I am still married, but I am so happy I am now your dirty whore too. I am only available to you.”

“Had I known I could have seduced you, I wouldn’t have strayed and left you neglected,” I said.

“So, what are you going to do now?” she teased.

“First, I’ll punish you because you sinned,” I said. “Second, I’ll keep you from sinning again.”

“How are you going to punish me?” she said.

“I am going to spank your ass till it’s beet-red, then I’ll fuck it to oblivion,” I said.

“That’s going to straighten me out,” she smiled. “How are you going to keep me from sinning again?”

“That’s very easy,” I said. “You sinned because you were horny and not satisfied. I am going to fuck your every hot fuck hole silly on a daily basis so you’ll never need to sin again.”

“Wow!” she laughed. “That’s going to turn me into an angel. Shall we start with the punishment?”

“Sure,” I said as I arranged her on hands and knees.

Kneeling before her, I pushed my cock into her mouth. I reached for her ass and started to squeeze it and slap it playfully while thrusting gently in her sucking mouth. I dipped two fingers in her wet pussy and then used them to fuck both her holes simultaneously. She moaned around my hard cock. I held her head in my hands and gave her a slow throat fuck. Finally I pulled my cock out and slapped her face with it.

“Are you ready to get spanked like the bad girl you let your horny son turn you into?” I teased as I threw a couple of pillows at the headboard and sat back against them, pulling her toward me.

“Yes,” she hissed as I laid her across my lap with her head to my right.

Spreading her ass with one hand, I drooled on her asshole and used my other hand to rub my drool into her pussy and asshole, working my fingers inside her holes. She moaned as I pushed my left hand into her, rooting two fingers in each horny hole. I wiggled my left hand within her as I dealt a hard smack to her left cheek with my right hand. She yelped and jumped, her holes twitching and clenching around my fingers. She panted.

While she caught her breath, I wiggled my fingers within her constantly. I dealt her a hard smack on her right cheek, making her jump again. While she panted, I pulled my ring and little fingers from her pussy and maneuvered my cock into her hot pussy. She groaned as I pushed her ass down, driving my cock all the way in.

She relaxed, and I resumed spanking her ass with hard smacks. Every single smack made her yelp and jump and caused her holes to clench tightly. The hue of her ass changed to red, and its saturation increased constantly. Her leaking juices soaked my cock and balls. As I spanked her cheeks, alternating my hand between the two cheeks, her yelps turned to soft groans, but her holes continued to twitch.

As I approached my target of fifty swats in total, she panted faster, and I could sense her orgasm coming. I increased the strength of my smacks although my hand stung. She suddenly inhaled sharply and stiffened. She convulsed wildly. I jerked my fingers in and out of her twitching asshole as I gave her the last two smacks. She shook, milking my cock and fingers. She involuntarily shoved her pussy into my cock as her orgasm jolted her.

Removing my fingers from her ass, I grabbed her hips and let her calm down while I gently worked her pussy up and down my cock. Before she relaxed completely, I rolled her over, yanking my cock from her pussy. I popped my cock up her ass. That awkward angle allowed my cock to go only halfway in.

“Raise your shoulders and arch your back,” I said. “Work your ass all the way down.”

She sank her ass all the way down my cock as I toyed with her drenched pussy. I pushed her shoulders down, causing her to support her weight on her elbows. I pumped her pussy with the middle finger of my left hand while I jerked her clit with my right hand, making her gasp and shiver. She humped gently.

Leaving her clit alone, I pinched her nipples. I held my middle finger in her pussy and playfully slapped her clit and the upper parts of her pussy lips with my right hand. I increased the strength of the pussy spanking gradually, stopping at a certain degree, guided by the reaction of her pussy and asshole on my cock and finger. She panted and groaned constantly. To relieve the pain, I gave her a few breaks, massaging her pussy lips and toying with her clit, while finger fucking her. Her moaning and humping her ass were my cue to resume slapping her drenched pussy.

She did not last long this time. Her orgasm hit, and she shook hard, thrusting her ass over my cock. I added another finger to her pussy and drilled her hard while her holes twitched lustfully. Before she lost her strength, I slid under her and let her collapse on my chest. I pulled my drenched fingers out of her pussy and let her suck them.

While she recovered, I cupped her tits. I squeezed them gently and tickled her stiff nipples. When she responded, I rolled us over, getting her on her stomach beneath me. I continued to fondle her tits while I fucked her ass. She fucked back, matching my rhythm. We started with slow, deep strokes that gained speed and urgency as our heat increased constantly. My thighs and balls were soon making slapping sounds as they spanked her ass and pussy.

She was soon on the verge of orgasm, so I stuck my wiggling tongue into her mouth and pinched her sensitive nipples. She yelped and came. Her wild anal spasms almost made my cock yield under the pressure of my bubbling come and the milking of her ecstatic rectum. She recovered, and I fucked her ass again to another orgasm.

As soon as her asshole stopped twitching, I jerked my cock out and crawled up over her. She panted softly, her head lying on its right side. I stroked my shaft as I sidled her hair. I shot my bursting come onto her left cheek. My come naturally started to run down her face. I wiped my cock head on the shell of her ear before I pushed it into her mouth. She milked my shaft into her mouth, and, as I moved aside, she scooped my come into her mouth. When she finished eating my come, she closed her eyes and relaxed.

As she breathed smoothly, I rolled her onto her back and lapped up her copious juices. She moaned softly. I cleaned her pussy area with my tongue, but there was a couple of wet spots on the bed. I kissed her mouth gently.

“What do you think of this punishment?” I said.

“Very thorough,” she said.

“Do you think it was wasted on you?” I asked.

“Oh no, it wasn’t,” she said.

“We still have your rehabilitation program ahead,” I said.

“That should be very useful too,” she said.

“I am concerned about its potential impact on the tightness of your holes,” I said. “You need to do anal and vaginal exercises regularly to keep tight and fit. Dad shouldn’t suspect your holes have been tampered with.”

“Good point,” she said. “I can squeeze them around my fingers for a couple of minutes every now and then.”

“Great,” I said. “You are now all set to receive all the hard fucking you need to forget your depravity and become a prim and proper lady again.”

That day, I took it easy on her, so her holes could recover instead of going out of commission.

When dad came home, I went to my girlfriend and fucked her silly in her room.

On the following days, mom and I fucked daily. That was no problem for me since I spent much more time at home than dad. Mom acted like a horny teenager that could never get enough of my cock in all her holes, and I naturally loved that. I soon was able to do to her things I had never done to Lydia or anybody else since she loved being dirty more than any other slut I had ever met. That made me dirtier with my girlfriend. Mom and I fucked in every room in the house, in the bathroom, in the kitchen, on the stairs and in the garage. We even fucked in the car while parked in the garage, while on the phone, during meals, at night while dad was downstairs, watching the news, or asleep upstairs, and every other way we could think of. I even fucked mom’s ass leisurely in my bed while talking dirty to my girlfriend. Mom and I did it so often in the first couple of weeks I was amazed we did not get caught.

Mom decided to work out harder to be able to fuck harder. Dad liked her new look, but it was me who got to put her fitness to the test in our long, heated fuck sessions. Those workouts made her look sexier and increased her stamina and horniness. I loved the eagerness and new vigor with which her tight ass bucked for my cock. She started to show me her fashion and lingerie catalogs to help her choose new articles since she would wear them primarily for me. I liked her to dress up for our fuck sessions. I especially liked to fuck her silly in a business suit and full makeup, making sure to shoot my first come load on her face. We also did it in sexy and skimpy outfits such as tight shorts and halters. In short, we did everything we could think of that appealed to us.

My horny mom was meant for anal sex. My obsession with it turned her into a devoted anal slut so much her ass became self-lubricating. Her increasingly horny fuck holes remained as tight as ever despite all the drilling they so willingly received. She was so eager to exercise and hone her fine sexual skills, and I loved that.

THE NEXT THREE HOLES

Although I was able to fuck mom mostly daily, Alex restricted our freedom. On a Saturday while dad was out, I had mom lose her underwear. We ended up on the sofa, Alex and I on either side of mom, me on her left. Her nipples were stiff, pushing against the fabric of her top.

“Alex, can you see how mom’s lovely tits are so big and firm?” I asked Alex, squeezing mom’s left tit.

“Nick, what are you doing?” she asked in shock as I felt up mom’s right tit.

“What?” I said, returning my hand to mom’s left tit.

“You are feeling up mom’s boobs,” she said.

“Of course I am,” I said. “Try them. They are so firm.”

“Mom, how can you let him do that?” she asked.

“How can I let him do what, sweetie?” asked mom calmly as I gently pinched her left nipple.

“He’s fondling your boobs,” said Alex.

“What can I say to him?” smiled mom. “He likes his mom’s big tits, don’t you, baby?”

“I love them,” I said, pinching her right nipple. “The nipples are so thick and stiff.”

“Would you like to fondle them a little?” she said to Alex. “I’d like that.”

“This is so weird,” said Alex.

“What’s so weird?” I said. “They are our sexy mom’s fine tits. We have the right to be proud of them.”

“You are not supposed to touch them like that,” she said.

“I have mom’s permission,” I said. “Mom, can’t I touch your spectacular tits any way I want?”

“Sure, baby,” said mom. “Alex can too.”

“Alex, you can too,” I said. “Why don’t you try them? Are you jealous?”

“I am not jealous,” said Alex. “This is not right.”

“Her tits are obviously bigger than yours, but yours look so sexy too,” I said, slowly pulling mom’s top down.

“What are you doing?” asked Alex as I exposed mom’s tits.

“I am taking these beauties out,” I said. “Mom, you don’t mind, do you?”

“Of course not,” said mom. “You and your sister can play with my tits freely.”

While Alex watched in disbelief, I took mom’s stiff left nipple in my mouth and sucked it gently, making mom gasp. I moaned quietly as I tasted mom’s sweet nipple.

“It’s so delicious,” I said. “It’s as delicious as it was the first time I sucked it.”

“Thank you, darling,” said mom. “You are as sweet as you were then.”

“Alex, taste it,” I said. “Mom’s nipples are delicious.”

“I don’t feel comfortable doing that,” said Alex as I sucked mom’s right nipple.

“Don’t be silly,” I said. “You are her child just like I am. We are going to suck her luscious nipples together.”

“We are no longer babies,” she protested.

“We sucked them then out of selfishness,” I said. “Now is our chance to suck them out of appreciation. We now know how to suck them better so she can enjoy it most.”

“That feels so good, baby,” moaned mom, holding my head to her tit, as I licked and sucked her sweet nipple.

“Alex, grab a big tit, and get to work,” I said.

Alex hesitantly held mom’s right tit and slowly lowered her mouth to its stiff nipple. She sucked the nipple tentatively, making mom moan. Mom wrapped her right arm around Alex and held her head to her tit.

“Mom, let’s have a contest and see who can suck your luscious tits better,” I said.

“That would be unfair to your sister,” said mom. “She didn’t suck tits in years, but you do it to your girlfriends.”

“She has tits though, and I don’t,” I said. “She must know how anything feels.”

“Alex, do you want to compete against Nick and see who can suck my tits better?” she said.

“This is so crazy,” said Alex. “I’ve never had anything like this even cross my mind.”

“Are you taking the challenge, sister?” I teased.

“Why not?” she said. “You are on.”

“Let’s see who the better tit sucker is,” I said. “Mom, let’s have the winner play dad.”

“Don’t be silly,” said mom. “We don’t want your dad to know about these special motherly family games.”

“I think you know I’ll beat him,” I teased.

“Why don’t you concentrate on beating your sister now?” she said.

“Sure,” I said.

Alex and I lowered our mouths to mom’s nipples and went to work. She held our heads to her tits, moaning and gasping. While Alex focused on mom’s right nipple, I spread mom’s legs to let her juicy pussy breathe.

“This feels so nice,” moaned mom. “I’ve never had both my nipples sucked at the same time before.”

Mom hissed and gasped more and more as I used both hands to hold and fondle her left tit.

In a few minutes, mom gasped and stiffened. Alex was startled and stopped sucking mom’s nipple for several seconds. I sucked mom’s nipple harder while she shook in orgasm, shoving her pussy up a few times.

Mom panted after her orgasm subsided.

“Who won?” I smiled.

“Your sister did very well for a first-timer, but you won,” mom smiled at me.

“Now, I get my prize,” I smiled.

“What do you want, baby?” she asked.

“I want you to sit in my lap, facing me so I can play with your gorgeous tits and suck them all I want,” I said.

“You like your mom’s big tits, don’t you, baby?” smiled mom as she straddled me.

“I love them,” I said as I helped her get into position.

Since mom was not wearing panties, when she straddled me, her bare pussy was in my lap. She placed it exactly against my hard boner. Alex could not tell yet that mom’s pussy and ass were bare.

“You’ll make your mom very happy,” said mom, grinding her pussy into my boner as if to adjust her position.

“Of course, mom,” I said, holding her hips.

“Are you really going to do that?” asked Alex.

“He won, sweetie,” said mom. “This is his prize. Had you won, you’d have gotten your prize of choice.”

Mom moaned when I captured her left nipple between my lips and sucked it gently.

“Your brother’s so good at this,” moaned mom. “I am sure you can get better with practice.”

Mom gently ground her pussy into my hard cock while holding my head to her tit. I slowly moved my hands to her ass. Within a minute, I was cupping her ass through her short dress. As the tit sucking progressed, I felt up her ass and pulled her into my hard cock. She moaned happily, occasionally praising me.

“Mom, he’s feeling up your butt,” complained Alex.

“That’s okay, sweetie,” said mom. “Your brother knows how to handle his women.”

“You shouldn’t let him do that,” said Alex.

“Sweetie, I love to have my ass massaged while I get my tits played with and sucked,” said mom.

“Isn’t this inappropriate?” said Alex as I slipped my hands under mom’s dress and held her bare ass.

“Sweetie, there are no boundaries between me and you,” said mom. “There are no limits to what we can do.”

Mom moaned and gasped, humping my boner more urgently as I fondled her bare ass. I spread her ass and wormed a finger inside her asshole, making her moan.

“You know exactly how to make your mom feel good,” moaned mom.

“Mom, you are not wearing panties?” said Alex in surprise.

“No, sweetie,” said mom. “They just get in the way.”

Alex soon took a closer look and found out that I had two fingers up mom’s ass.

“Mom, he has his fingers in your butt,” said Alex.

“I know, sweetie,” said mom. “Your brother’s reaming out your mom’s little asshole so wonderfully.”

“Are you sure this is right?” said Alex.

“Of course, baby,” said mom. “A woman’s asshole gets so tense when it’s neglected. Having your brother loosen up and ream out my little asshole makes me feel free and wild.”

“Is a guy supposed to do that to his mom?” asked Alex.

“Sweetie, don’t worry about others,” said mom. “There are no limits between the three of us. Don’t tell anybody about this though. You can’t even tell your dad about it. He wouldn’t understand.”

“Okay,” said Alex.

Mom and I focused on her pussy, tits and ass, and she humped my hard cock urgently. She soon stiffened and came, shoving her gushing pussy into my cock wildly and gasping for air.

“Did you like that, mom?” I asked while mom recovered, my fingers still up her ass.

“Oh, yes, baby,” she gasped. “That was so nice.”

“I love playing with your sweet little asshole,” I said.

“I love that too,” she gasped. “Most moms would think you were a bad boy though.”

“I don’t care about most moms,” I said. “I only care about the hottest mom in the world.”

“Your mom loves everything you do to her,” she said. “She loved this so much she soaked herself. I am sure I soaked your pants too.”

“Don’t worry about my pants,” I said. “They can be washed. Sit back, and spread your legs. I’ll lick you dry.”

“You spoil me, baby,” she said as I withdrew my fingers from her ass and she dismounted me.

Alex looked in disbelief as I sucked my sticky fingers.

“Your asshole’s delicious,” I said to mom as she sat back.

“I love what you do to it,” she said.

Mom spread her legs, and I knelt before her offered pussy. It was soaked.

“Alex, take a look at mom’s beautiful pussy,” I said. “It’s soaked.”

Alex hesitated.

“Don’t be shy,” I said. “It’s the beautiful place we came from.”

Alex leaned over slowly and took a look at mom’s pussy.

“It’s dripping, isn’t it?” I said.

“Yes,” said Alex lowly.

“Isn’t it beautiful?” I asked.

“I guess,” she said.

“I’ve seen pussies before, and I tell you that this is beautiful and mouthwatering,” I said. “If I were dad, I’d be eating it all the time.”

“Only eating it?” teased mom.

“Eating it and fucking it,” I said, startling Alex.

“You are a liar,” teased mom. “Anyway, you can eat it all you want without having to be your dad.”

Mom gasped when I swiped my tongue along her drenched pussy from bottom to top.

“It’s delicious,” I said to Alex. “Do you want to taste it?”

“No,” said Alex.

“Don’t be silly,” I said. “You came out of it too, so don’t be disgusted. Show some respect.”

“I am not disgusted,” she said.

“Taste this,” I said as I stabbed a finger into mom’s juicy pussy.

Mom gasped as my finger slid all the way into her pussy. It glistened when I pulled it out.

“Taste it,” I said to Alex, offering her my dripping finger. “Suck it.”

Alex timidly inspected my finger. I kept holding it to her mouth, and she finally sucked it tentatively.

“Isn’t it delicious?” I said.

“Yes,” said Alex lowly.

“Taste it firsthand,” I said, moving to the side. “Don’t get me wrong though. It’s my turn to eat it raw.”

Alex reluctantly knelt next to me. She hesitantly brought her mouth to mom’s leaky pussy.

“It’s mouthwatering,” I said. “Taste it well.”

Mom gasped when Alex’s tongue tip touched her dripping pussy. Alex gave mom’s pussy a tentative lick.

“That was a test,” I said. “Now, taste it.”

Alex licked mom’s leaky pussy more daringly.

“Had you not been my sister, I wouldn’t have shared mom’s tasty juices with you,” I said, moving toward Alex. “Her being drenched helped a little too.”

Alex got up, and I proceeded to lick mom’s horny pussy. Mom moaned, humping my face right away.

“Your brother’s girlfriends must be the luckiest girls in the world,” moaned mom, looking at Alex.

“Mom, isn’t this oral sex?” asked Alex as mom grabbed her heels, spreading herself lewdly.

“Sweetie, there are no limits between the three of us,” said mom. “We are not denying each other regardless of what anybody else thinks or calls anything.”

Mom went nuts as I fondled her tits and pinched her stiff nipples while devouring her leaky pussy. She stiffened soon and gushed in my mouth, convulsing wildly. I sucked and slurped everything she offered. I licked her pussy gently while she recovered.

“This must have taken an effect on you,” said mom, getting up. “Let your mom take care of you.”

Mom pulled me up, and we swapped places.

“I soaked your pants,” said mom as she looked at the wet spot along my bulging boner.

Mom undid my pants and pulled off. I cooperated when she pulled down my underwear, setting my hard cock free. Alex watched intently.

“Mom, what are you doing?” said Alex absentmindedly as she stared at my throbbing cock.

“Your brother’s big gorgeous cock needs some attention too,” said mom.

Alex watched intently as mom gave my cock and balls a tongue bath. Mom took my cock head in her mouth and proceeded to suck my cock.

“Your cock’s so beautiful and delicious,” mom smiled at me.

“You know the reason’s that it came out of your beautiful and delicious little pussy,” I said.

Mom sucked my cock for a minute before she deep throat it. Alex watched mom eagerly swallow my entire cock over and over.

“I love this,” said mom happily. “I can suck your delicious cock for hours.”

“Enjoy,” I said.

“I appreciate your letting me indulge,” she said.

“My hot mom gets whatever she wants,” I said.

“Right now your mom wants to worship your gorgeous cock,” she said.

“Let her indulge,” I said.

Alex and I watched mom happily and eagerly worship my cock for fifteen minutes.

“Alex, I am sorry for being so selfish,” said mom. “Do you want to try it? It feels great when this big juicy cock slides down your throat.”

“I can’t take it down my throat,” said Alex. “It’s so big. How can you do that?”

“I can’t tell you how I can do it,” said mom. “I can teach you how to do it though, and then you’ll know.”

“Can I really take it down my throat?” asked Alex.

“Sweetie, you are a girl,” said mom. “You were meant to worship cock. Of course you can.”

“Can you teach me?” asked Alex shyly.

“Of course,” said mom, pulling Alex off the sofa. “Get your little ass over here. You’ll love it, and you and I will fight over your brother’s big juicy cock all the time.”

“There is no need to fight,” I said. “You can worship it and suck it together.”

“I am sure that’s what we’ll end up doing whenever your dad’s out,” said mom.

Mom made room for Alex, and Alex tentatively licked my throbbing cock, making it twitch.

“Suck it, sweetie,” encouraged mom. “Suck it to the best of your ability. When you do your best, you know you are ready to expand your skills and do more. I’ll help you with that.”

Alex sucked my cock shyly for a minute.

“Alex, sweetie, you are a girl,” encouraged mom. “Girls love cock. There were made for cock. Most girls would kill for your brother’s mouthwatering cock. Don’t be shy. Your brother and mom know that you need it, so get it.”

Alex sucked my cock more and more eagerly. She soon sucked it hungrily, enjoying herself immensely.

“Do you like having your little sister suck your big fat cock?” teased mom.

“I love it,” I said. “She’s so sweet and so hungry for it. I love feeding my big cock to cock-hungry sweet girls.”

“Wait until I teach her how to take it down her throat like she should,” she said.

“I can’t wait,” I said.

“You are overdressed for this,” said mom, kneeling behind Alex.

Alex cooperated as mom slowly took her out of her clothes. Mom took off her own dress and tossed it aside.

“See how wet she is,” said mom, handing me Alex’s light-blue panties.

The panty crotch was soaked. I took the panties from mom and inhaled Alex’s aroma.

“It smells so nice,” I said. “I am not surprised my sweet sister has a sweet pussy.”

“Wait until you taste it,” she said.

“Maybe I don’t have to wait,” I smiled, taking the wet panty crotch to my mouth.

“Alex, your horny brother’s sucking your pussy juices off your panties,” said mom.

Alex blushed as she watched me do that.

“I knew it would be delicious,” I said. “I want to taste it from the source, where there is so much of it.”

“You’ll have to wait for that,” said mom. “Your little sister isn’t letting go of your big juicy cock for a while. She won’t let it go until she’s swallowed it all and satisfied some of her hunger for it.”

“That’s fun too,” I said.

“Your little sister has a sweet little asshole,” said mom, making my cock twitch in Alex’s mouth, as she spread Alex’s ass. “Alex, is it virgin?”

“Yes,” hissed Alex.

“You are a good girl,” said mom. “Good girls don’t let bad boys fuck their sweet little assholes and ruin them for them. Ass fucking requires a considerate guy like your brother.”

Alex trembled but did not comment.

“Mom, don’t scare her,” I said.

“I want her to anticipate it,” said mom. “I want her to know that there is so much fun she can have with you.”

“I am sure after this Alex and I will be having all kinds of fun together all the time,” I said.

“Are you going to forget your mom?” pouted mom.

“Of course not,” I said. “You’ll be with us. I know that you need my big cock even more than Alex does.”

“I am a big girl, baby,” she said.

“You’ll get your fill of it and then some,” I said.

“I know, baby, and I appreciate it,” she said.

“I appreciate that, mom,” I said.

“Alex, sweetie, are you ready to learn how to swallow your brother’s big cock down your throat?” asked mom.

“Yes,” hissed Alex.

Mom adjusted Alex’s position and told her how to relax her throat. Alex took a few minutes to be able to take my cock head past her throat for the first time.

“Take it all the way in, sweetie,” encouraged mom.

Alex swallowed my cock all the way in and held it there for a few seconds.

“I can’t believe I did it,” gasped Alex excitedly when she pulled out.

“Sweetie, this is what you were made for,” said mom. “There is nothing you can’t do for your brother’s fantastic cock. You only need to believe in yourself. Now, practice so you can do your best for this wonderful cock.”

Alex returned to my cock and deep throat it eagerly, getting better and better at it as she learned how to control her throat. I enjoyed watching her do that gleefully.

“Aren’t you happier now that you can be this nice to your brother’s gorgeous cock?” said mom.

“Yes,” said Alex.

“Don’t go deep throating every guy’s cock at school,” warned mom. “I don’t want everybody to think my sweet daughter’s the school whore. Save your favorite things for your brother and his big juicy cock.”

“I’ll only do this for Nick,” smiled Alex. “He’s spoiled me for everybody else.”

“Good girl,” said mom. “Now, you know why your mom loves your brother’s amazing cock and happily lets him do whatever he wants to her.”

“Yes,” said Alex.

“Mom, can you worship my big cock together?” I suggested.

“Of course, baby,” smiled mom. “It sure deserves that. I hope your sister doesn’t mind sharing.”

“Alex, would you share my big cock with our hot mom?” I said.

“Of course,” said Alex, scooting a little to the side.

Mom knelt next to Alex, and they proceeded to lick and kiss my cock and balls. They gradually slurped it and sucked it. They worked out a routine, and my cock was soon getting sucked, licked and deep throat it eagerly.

“Isn’t this the most beautiful cock you’ve ever seen?” mom asked Alex.

“Mom, I’ve only seen one cock,” said Alex. “This is at least twice as big and a hundred times as beautiful.”

“You don’t blame your mom for falling in love with it?” said mom.

“Of course not,” said Alex. “I am in love with it too.”

“My big cock’s in love with the hottest mom and sister in the world too,” I said.

“Thank you, baby,” said mom.

“Thank you both for being mine,” I said.

“Darling, we love being your dirty whores,” she said.

Mom and Alex worshipped my cock happily for nearly half an hour.

“Alex, you must be soaked by now,” said mom. “I know I am. Do you want your brother to eat your juicy little pussy? You heard him say how he wanted to taste your juices from the source.”

“Is that okay?” asked Alex shyly.

“Sweetie, you are your brother’s little whore,” said mom. “Anything’s okay between the two of you.”

Mom slapped Alex’s ass and pushed her up. I got up and helped Alex sit back on the sofa.

“You owe me this,” I said as I knelt before Alex and spread her legs. “I am going to suck you dry.”

“Did you enjoy sucking his big juicy cock?” asked mom.

“Yes,” hissed Alex.

“He’s going to enjoy eating your juicy little pussy as much,” said mom.

Alex’s pussy was soaked. It was small and sweet.

“I am glad you didn’t show it to me earlier,” I said. “It looks so sweet I wouldn’t have been able to wait.”

Mom pushed Alex’s legs over her head and guided her hands to her ass.

“Spread it, sweetie,” said mom. “Don’t hide anything. Your brother loves it.”

“Oh, yes, I do,” I said as I admired Alex’s splayed asshole. “She has a beautiful asshole.”

“Her virginal little asshole looks so sweet, doesn’t it?” said mom, stroking my twitching cock.

“Yes,” I said. “It’s even more mouthwatering than her juicy pussy.”

Alex trembled when I smiled at her while lowering my mouth to her offered orifices. She gasped when I gave her asshole a light kiss. She tensed when my tongue touched her asshole and licked it gently.

“Relax, sweetie,” said mom. “You’ll love this.”

“He’s licking my butthole,” gasped Alex.

“He’s licking your sweet virgin asshole because he wants it,” said mom. “He’ll stuff his big fat cock in every hot little hole you have. That’s what a stud does to his dirty little whore. You’ll love every second, you lucky bitch.”

Alex trembled, and her asshole twitched under my tongue. Her defenseless asshole soon surrendered and relaxed under my tongue. She moaned softly.

“You like it, you little slut, don’t you?” teased mom.

“Yes,” hissed Alex, trembling.

“You are taking after your slut mom,” said mom, squeezing my cock. “I love being your brother’s dirty whore.”

Alex’s asshole was very responsive to my ministrations. She soon stiffened and came. She convulsed wildly, and I ate her twitching asshole hungrily. She gasped and sobbed as her orgasm shook her.

“Aren’t you happy you’ve become your brother’s dirty little whore?” teased mom.

“Yes,” hissed Alex as I licked her drenched pussy gently.

“He’ll spoil you for other boys like he spoiled me for your dad,” said mom.

Alex started to respond and leak fresh juices. I made her moan and squirm for a few minutes before I let her gush in my eager mouth. I drank all her juices and sucked for more. I then moved to her asshole, which I ate eagerly and unhurriedly to a big orgasm.

“Do you want him to fuck your horny little pussy with his big cock?” asked mom, making my cock twitch.

“Isn’t it too big?” asked Alex nervously.

“Don’t underestimate your greedy little pussy,” smiled mom, squeezing my cock. “It will open wide and stretch to swallow its best cock ever right to the balls.”

Mom slapped my ass, and I got into position, aiming my leaky cock head at my sister’s leaky pussy. I held my cock and rubbed her pussy with my cock head, making her moan and squirm.

“Do you want it, sister, you little slut?” I teased.

“Yes,” she hissed, leaking fresh juices on my cock head.

“You want it balls deep, you greedy bitch?” I smiled.

“Yes,” she hissed, blushing.

“You’ll come your little ass off,” I said. “You’ll always come back to the big cock you belong to. You’ll cheat on all your boyfriends and your future husband because you won’t be able to give it up ever. Can you handle that?”

“Yes,” she hissed as I pushed my cock head into her pussy.

Her answer was interrupted with a gasp as my cock head opened her dripping pussy and slid in. She stiffened and came with only my cock head in her pussy. I thrust firmly so her twitching pussy would not lose my cock.

“The little whore’s sincere,” teased mom.

While Alex trembled and shook, I pinned her legs to the back of the sofa and fed her twitching pussy my cock in a few big bites. I was balls deep in her pussy in the middle of her orgasm. Her orgasm multiplied, and I fucked her gushing pussy with short fast strokes until her orgasm subsided and she went limp.

“How does it feel?” smiled mom as I thrust gently in Alex’s drenched pussy. “Did you like it at all?”

“Oh, mom, it was incredible,” gasped Alex. “I never thought I could come this hard.”

“I know the feeling, but wait until you try it in your horny little ass,” said mom. “You’ll go crazy about it.”

Alex’s pussy twitched.

Alex’s ankles were still in my hands. I picked up the pace and pounded her horny pussy into orgasm after wild orgasm, not slowing down between orgasms. She gasped, shook and gushed on my cock. That was all she did. I slowed down and smiled at her while she recovered from her twelfth orgasm.

“Mom, was that real, or am I dreaming?” gasped Alex.

“It’s real, sweetie, and you are really your brother’s dirty little whore,” smiled mom. “Don’t you love it?”

“Yes,” hissed Alex.

“Do you want to suck and worship the incredible cock that made you feel so good?” said mom.

“Yes,” hissed Alex.

“Your little pussy’s so hot I don’t want to take my big cock out of it,” I said as I slowly withdrew my dripping cock out of her drenched pussy. “I’ll fuck it again soon.”

“Yes,” she hissed, getting up.

“This is the most amazing cock in the world,” smiled Alex when my glistening cock looked her in the eye.

“Suck it, my little whore,” I said softly. “Show it that you belong only to it.”

“Get down on your knees, Alex,” instructed mom.

Alex knelt down and pounced on my cock. She deep throated it and licked my sticky balls. I held her head and fucked her throat for a few minutes. In the end, I rubbed and slapped her face with my sticky cock.

“I’ll tell her what she needs to do before you claim her sweet little ass,” said mom, pulling Alex up.

Mom led Alex away, and I sat back.

Mom returned a minute later. She straddled me and lowered her pussy on my hard cock.

“I don’t want my pussy to complain that you ignore it completely,” she smiled as she bounced on my cock.

Mom soon came. While she recovered, I lubed her asshole.

“This is the real thing,” she said as she guided my cock to her asshole.

Mom rode my cock to orgasm, and then I flipped her onto her back. I pushed her legs over her head and pounded her ass as she spread it for me. I made her come three times in that position before I arranged her on her knees. She pushed her ass out lewdly while I lubed my cock. I stuffed my cock into her ass and proceeded to fuck it.

Mom had come twice in the doggy position.

Mom was on her way to her third orgasm when Alex came back. She watched intently as I drilled mom’s lewdly offered ass to a wild orgasm.

“Sit down, and spread mom’s hot ass for me,” I said, thrusting gently in mom’s ass.

Alex sat down, and I guided her hands to mom’s ass.

“It’s so big,” said Alex lowly as she watched me fuck mom’s stretched asshole with long brisk strokes.

“It feels so wonderful,” gasped mom. “You’ll soon try it.”

“Can I take it in my virgin ass like this?” asked Alex nervously.

“Has there been anything you haven’t been able to do for your brother’s big cock and love so far?” asked mom.

“No,” said Alex.

“Your horny brother has already fucked my ass more than your dad has fucked my pussy in all our years of marriage, so don’t expect to be able to take this vigorous drilling from the start, but you’ll love it all,” said mom.

Mom soon came, and I offered my sticky cock to Alex, startling her.

“Suck it,” I said softly, aiming my cock at her lips. “Taste our mom’s luscious ass on it.”

She inspected my cock briefly before she opened her mouth and took my cock in. She deep throated my cock eagerly, and I fucked her throat for a minute.

“How did it taste?” I asked, playfully slapping her face with my cock.

“It was delicious,” she said.

“Only a dirty whore would love the taste of a horny ass on a big juicy cock,” I teased.

“I must be a dirty whore then,” she smiled.

“Do you plan to return the favor and let mom taste your sweet ass on my big cock?” I asked.

“Yes,” she hissed.

“Show me your luscious ass, baby,” I said to Alex. “Let’s get it ready for the big cock it belongs to.”

Mom got up and helped Alex sit back and pull her legs over her head.

“Is your sweet virgin asshole ready to be eaten for the last time before it’s no longer virgin?” I teased.

“Yes,” hissed Alex.

Alex spread her luscious ass on her own as I knelt before her. I took my time eating her luscious asshole. She moaned and squirmed happily. I finally let her come. While she recovered, I worked lube inside her asshole, and reamed it out with one finger. As it relaxed, I squeezed a second finger in. She moaned and humped my fingers, her asshole milking them as I gently finger fucked it. I was gentler when I squeezed a third finger up her tight ass. She was finally able to take my three fingers all the way up her ass comfortably. I twisted my fingers within her asshole, loosening it out further. Mom watched while stroking my hard cock.

“She’s ready,” said mom, lubing my cock. “Your dirty little whore’s ready to give the rest of her horny body to her stud brother. Aren’t you, Alex?”

“Yes,” hissed Alex, her asshole twitching around the bases of my fingers.

“Take her horny little ass, baby,” said mom. “Show her what it was made for.”

“I bet she knows that already,” I teased.

“Do you, sweetie?” said mom.

“Yes,” hissed Alex.

“What was your horny little ass made for?” teased mom.

“It was made for Nick’s big cock,” gasped Alex, trembling.

“Are you ready to give your brother’s big cock the horny little ass that belongs to it?” teased mom.

“Yes,” hissed Alex.

“Spread it wide, sweetie,” said mom as I rose on my feet. “He’s going to take it.”

Mom continued to hold my slick cock as I slowly removed my fingers from Alex’s tight asshole.

“I’ll guide it in,” said mom, stroking my cock. “Hold her legs for her.”

As mom aimed my cock at Alex’s virgin asshole, I held Alex’s ankles tightly and pushed into her ass.

Alex and her asshole tensed a little when she felt my bulbous cock head press firmly into her defenseless ass. I held position and waited for her asshole to relax.

“Relax,” said mom softly. “You are so ready for it. Let your virgin little asshole open wide and swallow it all.”

Alex’s asshole relaxed, and my cock head slid in. I slowly fed her more and more of my hard cock. I was not even halfway in when she stiffened and came.

“Oh, I am coming,” gasped Alex, shaking in orgasm.

Alex’s asshole twitched, and I fed her tight ass my cock in bigger bites. Her orgasm exploded astronomically when I pushed the last inch up her ass. I fucked her trembling ass with short fast strokes. Her orgasm lasted for a while.

“Mom, that was incredible,” gasped Alex when her orgasm finally subsided. “It was more intense than before.”

“Now, can you ever believe that your horny little ass was made for anything else?” smiled mom.

“No way,” gasped Alex.

“I take it that you’ve enjoyed getting your luscious ass deflowered,” I teased.

“Oh, yes, like nothing ever before,” she gasped.

“Get ready for your first ass fuck,” I said.

Alex’s asshole continued to relax as I fucked it gently while she recovered. I fucked it faster and faster, and she responded to me, moaning and fucking back. I took it easy on her for the next two orgasms. Mom thoroughly lubed my shaft after each orgasm.

“Give it to her,” urged mom as I fucked Alex’s ass briskly. “Fuck your slut sister’s ass hard.”

“Do you want that, Alex, my little whore?” I teased, thrusting harder in Alex’s ass.

“Yes,” gasped Alex.

“Ream out her tight little asshole,” urged mom.

For the following thirty to forty minutes, I did not take any breaks. I fucked Alex’s ass fast and kept it coming every few minutes. She gasped and shook ecstatically.

“Do you want me to flood your slutty ass with come?” I finally asked Alex.

“Yes,” she hissed. “Come deep in my horny ass.”

Alex had her wildest orgasm ever as I pumped her twitching ass full of come. Her spasms made sure I did not hold anything back. I thrust gently in her as my cock softened.

“Are you ready for the leaking and licking, sweetie?” asked mom as Alex recovered.

“What’s the leaking and licking?” asked Alex.

“You’ll leak some of his come out of your ass onto the kitchen floor and lick it up, leaving no trace,” said mom. “Would you do that for your brother to show him that you are fully devoted to his amazing cock?”

“Yes,” hissed Alex without hesitation.

Alex sucked my soft cock clean while she leaked my come onto the kitchen floor. She wiped her asshole and sucked her fingers clean.

“Good girl,” said mom as she watched Alex lap my come off the floor like a thirsty cat, leaving no trace.

When Alex finished, I pulled her up and we shared our first kiss. It was long and passionate.

“You are now officially your brother’s dirty little whore,” said mom. “Are you happy with that?”

“Yes,” hissed Alex excitedly, holding me tightly to her. “I love it.”

“We are both his dirty whores,” said mom. “He’s now going to take us to his bed and fuck us royally.”

“He isn’t through with us?” asked Alex.

“Does it look like he is?” said mom, pointing at my hard cock.

“No,” giggled Alex.

“You are now giggling like a little girl,” I said. “When I am through with you, you won’t be able to move.”

“I want that,” she smiled.

“You are a dirty whore,” I teased.

“So, fuck me,” she teased.

“I will, you little slut,” I said, chasing after her.

Mom brought our clothes and followed us.

Alex and mom sucked my cock together before Alex watched me fuck mom's pussy to orgasm and tasted it on my dripping cock. I then fucked Alex's ass.

"You said you'd return the favor and let mom taste your delicious ass on my big cock," I said to Alex. "You haven't done that yet."

"Let's do that next," gasped Alex.

After Alex came, mom deep throated my cock, tasting her daughter's luscious ass on my cock.

Although mom had her fair share of my cock in all her holes, I gave my first come loads to Alex. I shot my next come load on Alex's face and watched her rub it into her face and suck her sticky fingers. Mom licked Alex's face clean before the two of them revived my cock. My third come load exploded deep in Alex's twitching pussy. Mom sucked it all out and shared it with her. I shot my fourth come load in Alex's mouth, and she shared it with mom.

Alex got to eat my fifth come load out of mom's pussy and share it with her. I shot my next come load in mom's ass. Alex's ass got my last come load. They were both well fucked by then.

"That was incredible," said Alex as we all rested. "I didn't know that was possible."

"Sweetie, your mom had been having sex for ages, and she didn't know that was possible until your horny brother effortlessly seduced her and masterfully showed her what sex was all about."

"I am glad you enjoyed yourselves," I said.

"We sure did," said Alex.

"Sweetie, this is between the three of us," said mom. "Nobody can know anything about it."

"Of course not," said Alex.

"You can't whore yourself like that to anybody else either," said mom.

"Of course not, mom," said Alex. "I am not crazy."

"If you don't want me fucking your hot asses again, take them away," I said.

"You are a greedy pervert," teased Alex, getting up. "You want to fuck your own mom and sister...to death."

"It's nine," said mom. "We've been fucking for ten hours."

"Wow!" said Alex.

"Alex, my slut, you can't get fucked like that in ten minutes," I said.

"Nick, I've never been fucked for five solid minutes before this," she said. "I am so grateful to you."

"Mom, I want you to go to church tomorrow with your hot ass full of my come," I said.

"That's so slutty," said mom. "You got it."

"Mom, that's sacrilegious," protested Alex.

"I know, sweetie," smiled mom.

"Alex, it's important for you and mom to feel that you are my dirty whores anywhere and everywhere," I said. "It strengthens your loyalty to me. You'd both enjoy it too."

"Okay," said Alex.

“Mom, I don’t want you to wear underwear either,” I said. “You can wear a glass butt plug so you won’t leak my come all over the place and have to lick it off the floor so it won’t go to waste.”

“Okay,” said mom. “I’ll go get one tonight.”

“Get one with a head two inches wide and a shaft one and a half inches wide so you can feel it,” I said. “You are at the point where you can wear it to bed all night long.”

“I’ll do that, baby,” she said.

“Don’t wear underwear when you go to get it,” I said.

“Okay,” she said.

“While at it, get a few golf balls,” I said. “I want you to learn how to work golf balls in and out of your hot ass. I want you to play a trick on dad tomorrow.”

“You got that, baby,” she said.

“Good girl,” I said. “Let’s all shower, and see what dad’s up to.”

TEASING DAD

Dad was still alone in the living room when I went down after my shower.

“Hi, dad,” I greeted.

“Hi, Nick,” he said. “Where is everybody?”

“I was in my room,” I said.

A few minutes later, mom and Alex came down, looking very well fucked and happy.

“Where have you been?” asked dad.

“We were upstairs,” said mom.

“I’ve been home for five hours, and I didn’t see any of you,” he said.

“We didn’t leave the house,” said mom. “It was actually strange. I saw Nick and Alex all the time.”

“That’s strange,” he said.

We lounged for a while before mom disappeared.

Mom came back dressed and ready to go.

“I’ll run a quick errand and get back in less than an hour,” mom said. “Does anybody need anything?”

We all shook our heads, and mom left.

Mom returned from her errand about an hour later. She beckoned me to the kitchen when she arrived.

“Nick, I am so horny,” she said. “I need you to eat my soaked pussy.”

“Why are you so horny?” I asked.

“When I got the butt plug, I went straight to the restroom,” she said. “I washed it and popped it up my ass. It drove me absolutely crazy. It took me several minutes to learn how to walk with it.”

“Good girl,” I smiled. “Wait here. I’ll be back in a minute.”

Mom remained in the kitchen as I returned to Alex.

“Alex, keep dad company,” I whispered. “I am going to fuck mom in the kitchen.”

“In the kitchen?” she whispered in disbelief. “Are you crazy?”

“It’s okay,” I whispered. “Make a loud noise or something if you see him head to the kitchen.”

“Okay,” she said.

“Dad, do you need anything?” I said. “I am going to help mom in the kitchen with the stuff she bought.”

“No, thanks,” he said. “I am fine.”

“Bend over, and show me your new toy,” I said to mom when I returned to the kitchen.

Mom hiked her short skirt and bent over the dining table. I inspected her plugged ass. The fat glass butt plug stretched her asshole wide and allowed me to see inside it.

“It looks beautiful,” I said as I fished out my hard cock.

Her pussy was soaked. I aimed my cock at it and pushed it in. She gasped as my cock slid halfway into her pussy. Her butt plug made it tighter. I held her hips and proceeded to fuck her.

“This is even better,” she moaned, fucking back.

“Of course,” I said.

Within ten minutes, I made her come four times. I licked her drenched pussy clean and gave her a deep kiss.

“I want you to learn how to push your butt plug out of your ass, using your anal muscles only,” I said. “Don’t use your hands except in the beginning. You can’t use your hands to pull out golf balls.”

“Okay,” she said.

“I am going to let Alex suck your juices off my cock,” I said. “I want you to be between dad and me until then.”

“Okay,” she said.

Mom preceded me to the living room. I walked in front of dad, my glistening cock bobbing in front of me, but mom was between us. She stood between him and Alex as I stood in front of Alex, who panicked when she saw my glistening cock throb in her face.

“Suck mom’s juices,” I whispered while she was speechless.

“Are you crazy?” she whispered. “He’d catch us.”

“Do it while mom blocks him,” I whispered, pulling her head to my hard cock.

Alex opened her mouth, and I fucked her throat for a minute. She then licked my balls clean. I then zipped up.

“Thank you,” I said, lowering my mouth to hers.

We kissed deeply.

“I am going to feel up mom’s ass while she talks to dad,” I said lowly.

“You are dying to get caught,” she said.

“It’s a piece of cake,” I said.

“You are crazy,” she said, shaking her head in disbelief as I walked to mom.

“Am I interrupting something,” I said as I stood to mom’s left and squeezed her right ass cheek.

“No,” said mom as I squeezed her left ass cheek. “We are done. Did you need something?”

“Did dad compliment you on your sexy skirt?” I said, feeling up mom’s ass freely.

“No,” said mom.

“Dad, you should have told her how sexy you thought her skirt was,” I said. “It hugs her curves, emphasizing her narrow waist and accentuating her shapely behind, not to mention showing her nice long legs.”

“Have you been checking out your mom?” said dad as I continued to fondle mom’s ass.

“Actually, I suddenly have an interest in fashion,” I said. “Besides, one of us should be checking out mom. If you don’t do it, you should at least thank me for doing it for you.”

“What do you mean?” he asked.

“Several of my girlfriends commented that mom had a killer ass,” I said. “Those were my girlfriends. My friends didn’t dare comment on it, but I knew they stared. Despite all that, I’ve never heard you even mention mom’s ass.”

Mom smiled as she followed our conversation, enjoying the exchange as well as the ass groping.

“I am not supposed to mention it in front of you,” he said.

“You better then mention it in front of her,” I said. “Mom, has dad been complementing you on your hot ass?”

“Not that I am aware of it,” said mom.

“Can you see, dad?” I said. “Are you the only one not aware of it?”

“I am aware of it, but that’s none of your business,” he said. “You can’t talk about it like that either.”

“Dad, you don’t want to talk about it or let anybody else do that?” I teased. “I don’t think mom would appreciate that. Besides, I didn’t hear her complain about the way I talked about her luscious ass. If I were you, I’d start talking about it just like my son did because your hot wife has one sizzling ass and she obviously likes it to be admired.”

Before he could reply, I turned around and sat next to Alex.

“I’d appreciate that, honey,” said mom.

“He can’t talk about your butt like that,” complained dad. “You can’t let him. That’s crude.”

“Why don’t you teach him how to talk about it properly?” she challenged. “Until then, he talks about it much better than you do. By the way, anybody can talk about my butt as long as he or she is complimenting it.”

Mom said that and walked away.

“Nick, you were outrageous,” whispered Alex. “I was afraid he’d hit you at any moment. You did all that while feeling up mom’s ass. Had he known that, he’d have killed you.”

“Alex, baby, knowledge or lack thereof is the greatest weapon,” I said.

“Be careful,” she said.

“Do you think I should catch up with her and fuck her again?” I teased. “She must be so horny now.”

“Please don’t,” she said. “Don’t get caught.”

“I was kidding,” I smiled. “The quick drilling I’ve just given her can hold her for a while.”

“I am happy for that,” she said.

“Alex, I don’t want you to wear underwear at home,” I said as I felt up her tits while looking at dad.

“Stop it,” she whispered, pushing my hand away. “You’ll get us caught.”

“Just act normally so you won’t draw his attention,” I said, squeezing her tits again. “He wouldn’t suspect that I am feeling up my other dirty whore’s lovely tits right across from him.”

She relaxed a little, and I felt up her tits for a few minutes.

“Good night, Alex,” I said, turning her face to me.

“Good night,” she said as I brought my lips to her.

She was startled when I gave her a deep kiss, but she soon kissed back. I felt up her left tit.

“Good night, dad,” I said, getting up.

“Good night,” said dad.

When I woke up in the morning, my horny mom was already on top of me in the sixty-nine position. She was naked, her dripping pussy and plugged ass rocking in my face as she deep throtead my hard cock. I pulled her ass and gave her juicy pussy a deep kiss, sucking as much as I could of her tasty juices.

“Good morning, darling,” she said. “Are you ready to help your slut mom prepare for church?”

“What do you think?” I asked.

“I think you are,” she said.

She soon came in my mouth and turned around, switching lips on me. She stuffed her hot pussy with my hard cock, and we kissed while she rode my cock gently. She picked up the pace and came, drenching my hard cock.

When she recovered, she dismounted me and got on her hands and knees, waving her plugged ass at me.

“Push it out, mom,” I said as I knelt behind her. “Show me you trained well.”

She pushed the butt plug out as I held my hand behind it. She was able to pop it out into my hand. I worked the butt plug in and out of her ass a few times, watching her asshole stretch and contract around it, while I lubed my cock. I finally popped the butt plug out and my slick cock in. It slid all the way in, making her moan.

“You did well, mom,” I said, fucking her ass briskly. “I am proud of you.”

“Thank you, darling,” she moaned.

When I offered her the butt plug, she sucked it without hesitation.

“How much time do we have?” I asked.

“You can fuck my ass for an hour,” she said. “I want you to send me to church reasonably well fucked.”

“You got that, mom,” I said, picking up the pace.

Her ass got the lion’s share of my cock, but I also fucked her juicy pussy and eager throat. In the end, I pumped my come deep in her twitching bowels. I pulled out and popped the butt plug in.

“Have fun,” I said as I offered her my sticky cock.

“I will,” she said.

She sucked my cock clean and left.

While she got ready for church, I showered and returned to bed.

Alex awakened me by sucking my hard cock.

“Alex, baby, never do this again,” I said. “Always bring your luscious ass where I can eat it or play with it.”

“Sorry,” she said as she adjusted her position.

By lunch, I fucked Alex in every hole and pumped her ass full of come.

Our feature presentation was due after lunch when dad was going to leave for golf. When it was time, mom was ready and waiting in the kitchen. She wore a sexy little dress that exposed a generous part of her lush luscious tits, hugged her tight ass and emphasized her legs. She wore light makeup and her hair was in an up-do. She was good enough to eat. Most importantly she had two golf balls up her hot ass.

“Before you go, can I show you something?” I called dad to the kitchen. “It won’t take a minute.”

“What?” asked dad as he came to the kitchen.

“Look at this,” I pointed to mom. “Isn’t this a very sexy woman?”

“Yes,” he said. “Where is she going?”

“That hasn’t been decided yet,” I said. “She has fine tits, a perfect ass, and sexy legs. Look at her pretty face and juicy lips. What man leaves such a hot woman at home and goes to play golf with a bunch of lazy old men?”

While I talked about mom’s assets, I pointed to them with my hand.

“Golf isn’t for lazy old people,” he said.

“Your friends break a sweat while they look for their balls in the bushes?” I teased. “Is that called aerobics?”

“Nick, you are being rude,” he said.

“I am sorry, dad,” I said. “If you think your friends are worth this, suit yourself. This hot woman may not be waiting for you when you come back. That would be a huge waste of her time. Someone else may snatch her away.”

“I’ve already snatched your mom away,” he said. “She’s married to me. Nobody can take her away. Show some respect to your own mom. I don’t know how she lets you talk about her like that.”

“Honey, Nick respects me perfectly,” said mom. “I like how he talks about me.”

Alex watched silently.

“She also can do golf tricks,” I said.

“What are you talking about?” he said.

“Show him, mom,” I said.

Mom smiled as she popped a golf ball out of her ass. The ball fell down and bounced on the hard floor a little.

“What is this?” he said. “Where did it come from?”

“Pay attention closely this time,” I said.

Mom popped the other ball out of her ass, and it bounced on the floor.

“You are not hiding the balls in...,” he said.

“If that’s what you think, she wasn’t hiding the balls in her little pussy,” I said. “You are talking about a prim and proper wife and mother, not a sleazy woman with a loose pussy.”

“Sorry,” he said.

“Was the trick wasted, or do you now want to spend the afternoon with her?” I asked.

“I have an appointment with my friends,” he said. “I can’t stay.”

“You can always cancel if you think this luscious woman’s worth a lazy golf game,” I said.

“I can’t,” he said. “I have to go.”

“I warned you, dad,” I said. “She isn’t going to wait for you. A lucky guy may enjoy her company.”

“I’ll see you later,” he said, leaving.

“That was hilarious,” said Alex.

By the time dad backed out of the garage, Alex and mom were on their knees worshipping my hard cock.

“Alex, you need to learn the golf ball trick so you can show it to him next time,” I said.

“Okay,” said Alex.

After they sucked my cock for ten minutes, we moved our party to the living room. Mom collected her golf balls before she got on her knees next to Alex on the sofa. I ate their pussies and assholes to an orgasm each before I pushed my well-lubed cock into mom’s asshole.

Alex sucked my come out of mom’s ass after I worked on their six holes for nearly two hours. They shared the come before they revived my cock together. We moved our party to my room after mom ate my come out of Alex’s ass and shared it with her.

The next two come loads stayed in Alex and mom’s asses. It was after ten when I sent mom to dad, well fucked and her ass full of fresh come and a fat butt plug.

“How was your game?” mom asked dad when she joined him in the living room.

She had not showered yet.

“It was okay,” he said. “How was your day?”

“I had a wonderful time,” she said.

“Did you go out?” he asked.

“Maybe,” she said coyly.

“What do you mean?” he asked.

“I had fun,” she said. “I don’t think the details are any of your business just like what happened at every hole in your boring game is none of mine.”

“Mom, I take it that you had a great time today,” I said.

“Yes, darling,” she said. “I am sure the guy I was with enjoyed my company more than your dad would have.”

“I am sure dad would have enjoyed your company, but I think he has his priorities upside down,” I said. “It’s like having the top in the bottom and the bottom in the top.”

As I said that, I explained it by pointing to mom’s tits and ass.

“Nick, that’s enough,” he said.

“I thought so too,” I smiled. “Good night.”

They bid me a good night, and I left.

On Monday night, there was a time that my dad and I were alone in the living room.

“Nick, you’ve been talking to me rudely recently,” he said.

“When?” I said. “I’ve never done that to you.”

“When you talk about your mom,” he said.

“That isn’t rude, dad,” I said. “I just use forceful words to make my point. I am sorry if that was too harsh.”

“I didn’t like how you talked to me,” he said.

“Dad, do you think mom likes how you neglect her?” I said.

“I don’t neglect her, but I have other things to do,” he said.

“You hardly pay any attention to her when you don’t,” I said. “She could be naked, and you wouldn’t notice.”

“It isn’t like that,” he said.

“I don’t mean to be rude or pretend that I know more than you do, but I have to remind you that women love attention and sweet words,” I said. “See what I am going to do when mom comes back. She’ll love it.”

Alex came down and sat to my left. Dad was to our right.

“Mom, come here, and sit that luscious ass of yours in my lap,” I said.

Dad heard me and looked at me in disbelief.

“Yes, darling,” said mom, smiling.

Mom came over and sat in my lap on my boner. She turned to the left, and I proceeded to fondle her left tit. Dad could not see that, but Alex did and watched in disbelief. I took mom’s tit out and teased its stiff nipple with my fingertips. I pinched it before I put it back in her top.

“You are crazy,” whispered Alex.

“I’ll soon fuck that luscious ass of hers right in front of him,” I whispered.

“He’d soon kill you,” she whispered.

“Mom, I like your top,” I said. “If I were your date, I’d only be thinking about your spectacular tits.”

“Thank you, darling,” said mom. “You are always so nice to me.”

“I am not being nice,” I said. “Any guy would be all over your big firm tits, especially when he can clearly see the outlines of your thick mouthwatering nipples. You need gay bodyguards to leave the house like this.”

“You think so?” she laughed.

“Otherwise, your bodyguards would rape you,” I said. “Do you ever look in the mirror? You are so hot.”

While I flirted with mom, I fondled her left tit freely and pinched its stiff nipple through her thin top. She subtly ground her ass into my boner.

“Thank you, darling,” she said.

“Your hot ass feels so good in my lap,” I said. “You should always sit here.”

“Are you sure it isn’t uncomfortable?” she said, grinding her ass into me.

“It’s incredible,” I said.

“I’d love to sit in your lap if you keep talking sweetly to me,” she said.

“I like your sexy legs too,” I said. “They are long and hot. I bet every guy who can see them would dream about having them wrapped around him.”

“You think all men are dirty like that?” she said.

“Most men are not dirty but are men,” I said. “It isn’t a man that doesn’t think like that. You are just so hot.”

“Thank you, baby,” she said.

She kissed me on the cheek while I fondled her tit.

“Darling, what’s your favorite part of me?” she asked.

“You mean the hottest part of your very hot body?” I asked.

“Yes,” she said.

“That’s definitely your incredible ass,” I said. “That’s why I want it always in my lap.”

“You think your mom has a sexy ass?” she said.

“I think my gorgeous mom has the hottest ass in town,” I said. “Actually, I think you and Alex have the hottest asses in the whole world.”

“You think your sister has a fine ass too?” she asked.

“That’s obvious,” I said.

“Do you check her out?” she teased.

“Don’t be silly, mom,” I said. “All a guy needs is poor eyesight, and he’d be able to notice your fantastic asses even if he looked the other way.”

“Thank you, darling,” she smiled. “Nobody has ever complimented me on my ass like you do. You are so nice.”

“I make it a point to let any hot woman know how hot I think she is,” I said. “I think that’s why she’s hot. When she feels appreciated, she’ll try to be even hotter. Don’t you think so?”

“You are sure wiser than most or all the men I’ve ever met,” she said.

“Does that mean you’ll always be your hottest for me and make sure that your hot juicy ass will always be encased in something very hot?” I asked.

“You bet,” she said. “I’ll even model anything new I buy for you, and, if you don’t like it, it goes back regardless of what anybody else thinks.”

“Thank you, mom,” I said. “You are the best.”

“So are you, baby,” she said.

“Are you going to help Alex accentuate her amazing ass too?” I asked.

“Absolutely,” she said. “Your sister and I will make sure that our ass man’s always pleased with us.”

“That’s what I’d expect from the hottest sirens in the world,” I said.

“That’s what you’ll get, darling,” she said.

Things quieted after that, and mom turned forward. My cock lay along her ass crack. She subtly rode it while I wrapped my arms around her. Mom finally got up, and I squeezed her ass before she walked away. Alex left too.

“Did you see that, dad?” I said. “She loved it.”

“That was too daring,” he said. “It bordered on being sexual.”

“Dad, the most major difference between a woman and a man is sex,” I said. “It has to take part somehow. That’s irrelevant though. The most important thing’s how receptive she’s to it.”

“I couldn’t believe how receptive she was,” he said.

“Words are very powerful,” I said.

“What about Alex?” he said. “Do you want her to dress inappropriately?”

“Who said that?” I said. “That’s only about what she’d wear at home just like mom. I wouldn’t want them to dress sexily and go out alone. That can be very dangerous especially for Alex.”

“Why do you want them to wear revealing clothes at home?” he asked.

“Women love to wear revealing outfits and show off,” I said. “It’s part of their being. I just want it to be safe.”

“I see,” he said.

“I am sure I can get them to spend Saturday naked by the pool,” I said.

“Naked?” he said. “That’s outrageous.”

“Do you think those swimsuits hide anything?” I said. “Being naked though has an effect on the woman. She can’t hide anything. She has to embrace herself, her appeal and her sexuality.”

“You think so?” he said.

“Yes,” I said. “Are you going to spend Saturday at home and enjoy seeing the hottest two women in the world naked, or are you going to leave them to me?”

“You don’t know that you can do that,” he said.

“I do,” I said.

“I don’t know,” he said.

“You’d have to be naked too,” I said. “We can’t wear anything when they are naked.”

“I’ll think about it,” he said.

“Don’t miss it,” I smiled. “They are too hot to miss.”

Needless to say, on Tuesday, mom and Alex dressed scandalously and without underwear. Mom’s tight little dress was so short whenever she bent over, half her ass peeked out and her tits all but spilled out. Alex’s crop top was so thin her nipples were outlined even when soft and their hue was obvious. It opened, exposing her entire tits, whenever

she bent over. Her skirt was as short as mom's dress, exposing most of her ass whenever she bent over. Dad was stunned, but he did not comment. I flirted with them outrageously and had them take turns in my lap, practically sitting their bare asses in my lap. They thanked me profusely, driving him nuts. I also teased him cruelly.

"Dad, don't you think Alex looks like a princess out of a fairytale?" I said.

"Yes," he said.

"I know crude people would call her a wet dream come true," I said.

He did not comment.

"Even dad agrees that you are the sweetest and sexiest girl in the world," I said. "Crude people would concur but obviously in a crude way."

"Thank you," said Alex shyly.

"Dad, look at mom," I said at another point. "Isn't she the sexiest you've ever seen her?"

"Yes," he said.

"Her mouthwatering tits can make a man about to die of thirst drool," I said. I turned her around and squeezed her ass. "This sizzling ass can make an impotent man rock hard instantly. Don't you agree?"

Mom smiled as I said that and pushed her ass out.

"Yes," he said.

"Thank you, honey," she said.

"What about me?" I said, slapping her ass as I squeezed her left tit, which he could not see.

"You are the sweetest son and man in the world," she said.

"Now, you are talking," I smiled, slapping her other ass cheek.

She squealed and rushed away.

Since mom and Alex were either in my lap or next to me, I talked dirty to them, never missing a chance to feel them up. I occasionally disappeared into the kitchen or upstairs to fuck one or the other.

"Nick, I can't believe this," dad said when we were alone. "They are completely outrageous."

"When women are helped to realize their full potential, they become incredible," I said.

"They don't have any shame," he said.

"We have shame when we do something that's frowned on," I said. "They don't and shouldn't be ashamed of doing what we encourage and reward lavishly."

"You are rewarding them for being shameless," he said.

"We are making them happy," I said. "If they can't be free at home with the two of us, then *we* have a problem."

"You think this is good?" he said.

“I think it’s incredible,” I said. “We are on track for our nude pool day.”

“I am not sure that’s a good idea,” he said.

“You are not going to be part of it?” I said. “Are you no longer able to have fun, or do you no longer stand being around happy people?”

“It isn’t that, but it’s outrageous,” he said.

“It isn’t a success if you aren’t there,” I said. “We are one family. You have to be part of the family. You have to fight the urge to be alone and outside our lives.”

“I don’t have an urge to be alone or outside your lives,” he said. “I just have other responsibilities.”

“We are okay with your golf responsibility,” I said. “On Saturday, you don’t have any responsibility not to be with us. You have to relax a little and see your family outside of commercial breaks.”

“I am not like that,” he whined.

“There is a golden chance pushing you forcefully to show that you aren’t,” I said.

“I’ll think about it,” he said.

“You better think hard,” I said. “Don’t see fun a threat.”

We continued that trend for the following few days. I let dad see me squeeze or pinch their asses more and more often as I flirted with them. On Thursday, I let him see me squeeze their tits while I complimented them. On Friday, I pinched their nipples while telling them how mouthwatering they must be. They always smiled and thanked me.

NO MORE TEASING

Our nude pool day started in the morning just after brunch. While I cleared the table, mom and Alex got their stuff and got naked by the pool.

“Dad, we are late,” I said when I caught dad in the living room. “Our lovely ladies are already naked by the pool. We don’t want them to have to find other guys to keep them company.”

“Okay,” he said, reluctantly putting his paper aside.

He got up while I took off my clothes. I tossed my clothes aside and waited for him. My cock was rock hard.

“Nick, you have an erection,” he said.

“I bet when you were my age you had a perpetual boner as well,” I said.

“You need to hide it,” he said. “You can’t show it to your mom and sister.”

“It’s okay, dad,” I said. “Don’t worry about it. It’s my boner, and I am not worried.”

“I warned you,” he said.

“Thanks,” I said.

Mom and Alex were lying face down on their towels in the shade.

“Who’s going to do our backs?” called mom.

“That must be me,” I said. “Do I get to do your luscious asses too?”

“That’s a tough question, but the answer is a resounding yes,” she smiled.

“Your positions are perfect,” I said. “I can work on the two of you together.”

“That’s very efficient,” she said.

When dad saw that, he returned to the house. He came back with a book.

“Dad, the word fun doesn’t exist in your dictionary, does it?” I teased, squeezing sunscreen on mom and Alex.

“Having fun doesn’t mean I shouldn’t do anything,” he said. “I can have fun and still enjoy myself.”

“What a chore!” I teased.

After squeezing sunscreen on mom and Alex’s backs, asses, arms and legs, I quickly did their arms, backs and legs. I spread their asses and kissed both assholes. I leisurely fondled their asses.

“I can work on your gorgeous asses all day,” I said.

“You wouldn’t catch us complaining,” moaned mom. “Your hand feels so good on mine.”

“Mom, he has to do our fronts too,” said Alex. “Doesn’t he like your tits?”

“He will, and he does, sweetie,” said mom.

“Roll over, you lovely ladies,” I said five minutes later. “Let me work on your spectacular tits.”

They rolled over. Their nipples were stiff.

“They are so beautiful,” I said. “I have to kiss those mouthwatering nipples first. They are so sweet and stiff.”

“Please do,” said mom as I lowered my head to her tits.

Dad looked. I squeezed mom’s left tit gently and took her entire nipple in my mouth, giving it a smacking kiss, making mom moan. I did the same to her other nipple and to Alex’s.

“You spoil us,” said mom as I squeezed sunscreen on their fronts.

“Anybody would,” I said. “You are too sexy not to be spoiled.”

“Thank you, baby,” said mom as I worked on their legs.

Dad did not see me kiss each leaky pussy on the clit or massage them, but he saw me take my time working on their lush firm tits.

“It’s your turn now,” said mom finally, getting up.

“Dad, don’t you want sunblock?” I asked as I lay prone on mom’s towel.

“I am fine,” he said. “I am in the shade anyway.”

“UV is everywhere,” I said.

“If that’s so, we need sunblock even when we are inside,” he said.

Mom and Alex sat on either side of me and started working, each taking a side. They applied sunscreen to my balls before I rolled over. My cock was still rock hard.

Mom hid my throbbing cock from dad’s eyes, but her statement drew his attention.

“Alex, isn’t this the most gorgeous big cock you’ve ever seen anywhere?” said mom.

“Yes,” said Alex.

“It’s so big and beautiful, isn’t it?” said mom, teasing my throbbing cock with her fingertips.

“Yes,” said Alex.

“Your brother’s girlfriends definitely have the best deal in town,” said mom.

“Yes,” said Alex. “My boyfriend’s cock’s so skinny and short I now think it must be anorexic.”

“Your brother’s so big and fat,” said mom. “It’s so juicy and mouthwatering.”

“Yes,” said Alex.

“Do you think it’s fair for us not to kiss his big appetizing cock after he kissed our nipples?” said mom.

“No,” said Alex.

“May I please go first?” asked mom.

“Sure,” said Alex.

Dad followed that exchange closely.

Mom got on all fours and lowered her mouth to my throbbing cock. She took the engorged head in her mouth and gave it a resounding smacking kiss, sucking some of its leaking juices. My cock twitched.

“It’s as juicy as it looks,” said mom as she sat down. “Give it a try.”

Alex got on all fours and gave my cock head a similar kiss.

“Did you like it?” asked mom as Alex sat down.

“Yes,” said Alex. “It tasted much better than my boyfriend’s.”

“Sweetie, this is the most delicious cock you or your mom has ever seen,” said mom. “Don’t even compare it to or with anything else.”

“There is no comparison, mom,” said Alex.

They worked on my front, finishing it in half a minute, and spent five minutes fondling and stroking my hard cock, which dad could not see from where he sat.

“You are still applying sunblock to him?” asked dad, exasperated.

“He invited you to have a similar treatment, and you declined,” said mom. “He’s now getting all the attention.”

“You are overdoing it,” he said.

“Honey, if you don’t want to have fun, it’s okay, but please don’t spoil our fun,” she said.

He returned to his book, and they returned to playing with my hard cock.

“I think my cock now has permanent immunity from the sun,” I said, getting up.

“It deserves all the protection it can get,” said mom.

“You kissed my cock, and I didn’t kiss your sweet little pussies,” I said. “Get up, and bend over.”

They got up and bent over, making dad to their left. He looked at them as I knelt behind mom.

“Mom, I want you to know that where I came from is so pretty everybody else should envy me,” I said.

“Thank you, darling,” said mom.

“You also gave it to Alex,” I said. “She’s going to give birth to the next luckiest babies.”

“Thank you,” said Alex lowly.

“Dad, this is so beautiful,” I said. “Why don’t you take a look?”

“This is silly,” he said. “Can’t you see what you are doing? You are staring at your mom and sister’s privates.”

“I am not staring,” I said. “I am admiring the sweetest and juiciest two little pussies in the world. If this isn’t the most beautiful view you can ever see, never believe anything I say.”

“What you are doing is perverse,” he said.

“If kneeling before absolute beauty is perverse, I am the most perverse person in the world,” I said.

“You are hopeless,” he said.

“I am before the cure of impotence,” I said.

Mom and Alex’s pussies leaked freely. I finally leaned forward and gave mom’s dripping clit a gentle sucking kiss that made her gasp. Alex responded similarly to an identical kiss.

“Dad, do you know what the only things prettier than their sweet pussies are?” I said.

“I am not interested in that,” he said.

“It’s their sweeter little assholes,” I said. “Have you ever knelt down like me and admired mom’s cute asshole?”

“No,” he said.

“You can do it now if you want,” I said.

“I don’t,” he said.

“Spread your hot asses,” I said.

Each reached back and spread her ass with both hands.

“Naturally, you’ve never admired Alex’s succulent asshole,” I said. “They are so much alike, but I can see the subtle differences between them. They are both very beautiful.”

When he looked my way, I leaned forward and gave mom’s cute asshole a gentle kiss, making her gasp. Alex also gasped when I kissed her sweet asshole. I got up and slapped mom’s ass and then Alex’s with my hard cock.

“Get up,” I said.

They got up, and I led them toward dad. I had them turn their backs to him.

“Bend over,” I said.

They complied readily.

“Although I am the ass expert and my opinion counts most, you have to kiss each ass on the cheek to show them that you also think they have lovely asses,” I said.

“I am not doing that,” he said.

“You could have already done it and got it over with,” I said. “It’s your duty. You are a member of this family.”

He wanted to fight it more, but he suddenly changed his mind.

“Kiss them, and tell them their asses are beautiful,” I said.

He kissed mom’s left ass cheek and Alex’s right ass cheek.

“Be honest, dad,” I said. “Aren’t they beautiful?”

“Yes,” he said.

“Tell them,” I said.

“Your asses are beautiful,” he said.

“Thanks, honey,” said mom.

“Thanks, dad,” said Alex lowly.

“Mom, are you happy now?” I asked.

“Yes,” said mom. “Thank you.”

“Alex?” I asked.

“Me too,” said Alex.

“Get up,” I said, slapping their asses playfully. “That’s enough ass appreciation for now.”

They got up, and I gave each stiff nipple a peck.

“Is it tit appreciation time now?” giggled Alex.

“Why not?” I said. “Your tits are beautiful. I’d love to appreciate them a little.”

“Sure, darling,” said mom.

“While we are here, let’s let dad give each tit a quick kiss,” I said. “Is that okay with you?”

“Sure,” she said. “It’s been a while since he kissed mine.”

“Dad, it’s up to you where to kiss each tit, but, if I were you, I’d kiss the nipples because they are so sweet and sensitive,” I said as mom and Alex turned to face dad. “Unfortunately, you have to stand up.”

He reluctantly stood up and kissed each tit on the side, starting with mom’s tits.

“Thanks, dad,” I said. “That meant a lot to me and to them.”

“You are welcome,” he said.

“Are you ready for the real tit appreciation now?” I asked.

“Lead the way, darling,” said mom as I took Alex’s hand and led her toward the towels.

“Kneel down here,” I said as I sat down on my heels, facing dad.

Mom and Alex knelt before me side by side.

“Clasp your hands over your heads,” I said as I slid my middle fingers over their clits and into their dripping pussies since dad could not see my hands or their pussies but I could see him.

They gasped and their pussies twitched and leaked on my fingers as they clasped their hands over their heads, lifting and offering their fine tits. I lazily finger fucked their leaky pussies, which milked my fingers lustfully.

“This is so crazy,” hissed mom. “I am getting finger fucked in front of my husband.”

“You are a good girl, mom,” I said. “Good girls are so hot.”

“I can’t believe this,” gasped Alex, her soaked pussy humping my finger subtly.

Dad looked our way a few times, but he could not see anything. For all he could see, I was staring at my mom and sister’s spectacular tits. I took my glistening fingers out and painted a nipple of each with pussy juices. I returned my fingers to their pussies and painted the other nipples. I repeated that several times, soaking their nipples with their pussy juices. I repeatedly sucked the tasty juices off each sweet nipple before repainting it with fresh juices.

“You are driving me crazy,” moaned mom.

“I know, mom,” I said. “This is so much fun. We’ve never done it before.”

After sucking their pussy-flavored nipples for a few minutes, I let them suck their juices off my fingers. I then let each suck the other’s juices off my fingers. I finally sucked their juices off my fingers.

“Nick, let’s appreciate your gorgeous cock a little,” said mom.

“Alex, do you want to do that?” I asked.

“Yes,” said Alex.

“Get up, Nick,” said mom, lowering her hands. “I’ll teach Alex how to appreciate your big mouthwatering cock.”

“Okay,” I said, getting up, as Alex lowered her hands.

“Alex, you can kiss a juicy cock in a several ways that have different meanings,” said mom. “A kiss can mean teasing, lust, love, admiration, appreciation, respect, promise or hope. Which kiss do you think we gave it earlier?”

Dad watched although he could not see much and listened in amusement.

“An admiration kiss?” asked Alex.

“No,” said mom. “It was a promise kiss. When you kissed it, didn’t you mean to tell it that more was coming?”

“I guess,” said Alex.

“You can’t guess, sweetie,” said mom. “If you didn’t know, it would be a hope kiss.”

“I wanted to do more,” said Alex.

“What did you want to do?” asked mom.

“I wanted to admire it, appreciate it and love it,” said Alex.

“Did you want to tease it too?” asked mom.

“Yes,” said Alex.

“I’ll teach you how to do all that, using kissing,” said mom.

“Dad, have you ever heard of those kisses?” I asked.

“I’ve known your mom for over twenty years, and she’s never mentioned that to me,” said dad.

“Maybe you didn’t encourage her to express herself freely to you,” I said.

“Maybe,” he said.

“Sweetie, your relationship with a big mouthwatering cock starts with admiration,” said mom. “If you don’t admire a cock, get up and walk away. It wouldn’t be worth your while.”

“Okay,” said Alex.

“Appreciation’s totally different,” said mom. “When a cock does something very good to you, you appreciate it. You tease it before, and you love it when it deserves your admiration and respect. Lust’s when you need it bad.”

“I see,” said Alex.

“That covers all the types, right?” said mom.

“I think so,” said Alex.

Mom pushed me to the side so I was in front of Alex.

“Hope is when there is longing and uncertainty,” said mom. “It’s all instinctive, but you have to have the right emotions sincerely. Show me how you’d give it a hopeful kiss. You have hope. Express it with a kiss.”

Alex looked hopefully at my leaky engorged cock head and gave it a kiss, making my cock twitch.

“That’s right,” said mom. “Now, give it a promise kiss full of certainty.”

Alex took my cock head in her mouth and gave it a smacking kiss.

“You are in front of this gorgeous cock, and you are awed by it,” said mom. “Give it an admiration kiss.”

Alex gave my cock head a very light kiss.

“Great,” said mom.

“You are now kneeling in front of this impressive cock, and you are so grateful to be given this opportunity,” said mom. “Give it an appreciation kiss.”

Alex gave my cock a gentle kiss on the head.

“You respect this incredible cock because it’s so beautiful, big, powerful and so nice to you,” said mom. “Now, express all that with a single kiss.”

Alex gave my cock head a firm kiss.

“After all that, you admire, appreciate and respect this amazing cock,” said mom. “You’ve fallen in love with it. Tell it that with a kiss.”

Alex gave my cock head a kiss that was gentler than her respect cock but firmer than her appreciation kiss.

“Very good,” said mom. You are in love with this gorgeous cock, and you want to please it. Give it a teasing kiss to whet its appetite and show it what you are capable of. Use a hint of tongue.”

Alex gave my cock head a kiss, parting her lips just enough to tickle it with her tongue tip.

“The lust kiss is when you are hungry for it and you need it bad,” said mom. “You give it a firm suck and apply your tongue fully to it to show it your passion. It’s more powerful than the promise kiss.”

Alex took my cock head in her mouth and sucked it hard while swabbing it with her enthusiastic tongue.

“There remains the goodbye kiss, which you give to the upper side if the cock is tired or on the underside if it’s hard and you are fucked out,” said mom. “Give it a try although this isn’t the time for it.”

Alex gently kissed the underside of my cock.

“That’s very good,” said mom. “I am proud of you. You can express yourself eloquently to the cock that deserves you. Now, give it your choice of kiss.”

Alex took my cock all the way down her throat and massaged it with her throat for a few seconds.

“You’ve summed all your emotions in one kiss,” said mom when Alex broke that deep throat kiss.

Mom pulled me to the side so I was standing before her.

“Let me see what I have for your beautiful cock,” said mom.

Mom stuck her tongue out and teased my cock head thoroughly. She then took the leaky tip of my cock head between her lips and sucked it firmly, making my cock leak in her mouth.

“Did you get the message?” asked mom, looking up at me.

“Loud and clear,” I said.

Mom grabbed the lube, which was lying next to her towel, and squeezed a generous amount on my cock. She lubed it thoroughly. She motioned me to take Alex.

“Alex, do you want to sit your luscious ass in my lap?” I asked as I took Alex’s hand and pulled her up.

“What about your big boner?” asked Alex as mom squeezed lube in my right hand.

“We can take it out of the way,” I said as I pushed my hand between Alex’s cheeks and lubed her asshole.

When we reached the deckchair next to dad, I took my fingers out of Alex’s ass and sat down.

“Push it in the back,” said Alex as she reached between her legs and pushed my cock back.

She sat in my lap, guiding my cock head into her asshole. My cock head slid in. She adjusted her position, taking the rest of my cock up her ass as I leaned a little to the back, propping myself on my arms. I was all the way in. She milked my cock.

“Alex, do you like sitting in my lap?” I asked.

“I love it,” she said. “You like my ass, and I like your big cock. What’s there not to like about it?”

“Nothing,” I said, thrusting gently into her ass.

Mom turned around and lubed her own asshole. She came over and squatted in front of Alex, placing her hands on her knees. She saw Alex’s dripping pussy and plugged ass.

“Are you comfortable, sweetie?” asked mom.

“Yes, very much,” said Alex.

Dad buried himself in his book, and I fucked Alex’s ass subtly. It took us ten minutes to get Alex to come. She bit her lip and remained quiet as she shook on my cock, her asshole twitching wildly. Mom talked to cover it up. She let Alex rest for a couple of minutes impaled on my cock. She then helped her off, letting my cock pop out of her asshole.

Alex stood between dad and us as mom sat in my lap, skewering her horny ass on my hard cock. Alex returned to her towel as mom gently ground into my cock.

“Honey, this is better than being at work at the office or at home or playing golf, but you hardly did anything with us except kissing our tits and asses when Nick pressured you into it,” said mom, her asshole twitching.

“I am with you, but you are doing things I am not interested in,” said dad. “I don’t like the teasing stuff.”

“It’s fun,” she said. “We are having fun with each other. Is that wrong?”

“It isn’t wrong, but you are being a little too sexual,” he said as I gently thrust in her milking ass.

“If we didn’t do that, Nick would go off with his horny girlfriend, and Alex would go with her boyfriend with the anorexic cock,” she said. “Each would be doing something different. It wouldn’t be a family activity anymore.”

“I know,” he said. “I am sorry.”

“Maybe this has to be gradual,” I said, pinching mom’s stiff right nipple. “Dad may soon have fun with us.”

“I hope so,” she said.

“Don’t you think so, dad?” I said.

“Maybe,” he said.

“I can’t believe this,” mom said lowly, squeezing the base of my cock with her asshole. “Your dad has no clue that his horny son’s fucking his slut wife in the ass while she’s right next to him, talking to him.”

“He underestimates how depraved his slut wife is,” I said lowly.

“A man should never underestimate his wife’s capabilities,” she said.

“What are you talking about?” he asked.

“I was telling Nick how a man should believe in his wife,” she said. She leaned forward, raising her ass nearly halfway up my cock, and then shoved her ass all the way down, stifling a gasp. “Don’t you believe in me, honey?”

“Yes,” he said.

“A good man supports and encourages his wife to be all she can,” she said. “Isn’t that right?”

“Yes,” he said.

“That’s what you should do, Nick, when you get married,” she said. She then continued lowly. “You need to make your wife your dirty whore, or someone else may. Your own son may do that.”

“Of course,” I said.

“Nick, you say you are an ass man,” she said, milking my cock with her asshole. “Have you ever impaled a girl’s little ass on this big fat cock of yours?”

“Are you sure you want to know the answer?” I said as I subtly pulled back and thrust back in.

“Yes,” she said.

“Mom, that’s what I do,” I said. “I do that most and best. I did it with every girl and woman I’ve been with.”

“What do you mean by every girl and *woman*?” she said. “Have you done it with women?”

“Don’t hate me, but I’ve done it with a few of your hot friends,” I said.

“You did it with some of my friends?” she said in disbelief.

“Mom, a few of your hot friends have incredible asses men were not built strong enough to resist,” I said.

“My friends are married,” she said.

“Their husbands have no clue what hot asses they have,” I said. “I do.”

“That’s dangerous,” she said. “What if their husbands or children caught you?”

“I am too nice to suspect,” I said. “I’ve fucked most of them in the ass in the kitchen while they talked with their husbands in the living room, and nobody suspected a thing.”

“That’s insane,” she said. “You need to be careful.”

“I am,” I said. “As long as the husband doesn’t walk in on us while I am coming deep in his wife’s sizzling ass, I can manage, and I did before. I only shoot in their slut wives’ hot asses when they are safely away or busy.”

“You mean a man walked in on you while you fucked his wife in the ass and didn’t catch you?” she asked.

“Yes,” I said. “I pulled out of his wife’s horny ass while he looked at us, and he didn’t suspect a thing.”

“That’s incredible,” she said as I tickled her clit. “Please be careful. I don’t want you to get caught.”

She stiffened and shook in orgasm quietly. Her asshole twitched around the base of my hard cock.

“That time was hilarious,” I said. “His wife came right after I pulled out of her ass. He was concerned about her as she convulsed right in front of him. When he went away, I resumed fucking her ass and left it full of come.”

As I said that, she convulsed around my cock, holding her breath as much as she could. He was looking at me. He finally noticed that she was trembling.

“What’s that?” he asked her.

“I trembled at the sheer depravity of the scene,” she said, getting out of breath at the end.

"It was unbelievable," I said.

"That was one of my friends?" she said. "I don't have crazy friends like that."

"You don't know what those bored wives would do for my big fat cock," I said. "They become slaves to it."

"Have you ever deflowered a virgin ass?" she asked.

"Nobody has fucked an ass I fucked before or after," I said. "I only fuck virgin asses and make them all mine."

"Doesn't it hurt them when you impale their delicate little assholes on your big fat cock?" she asked.

"I don't impale their little assholes on my big fat cock," I said. "I work on their little asses for a while to make them ready for that. Most of them beg me to fuck their asses before I finally impale them without any pain. That's the critical time when we don't want to be interrupted, so we do it in our living room or in my room."

"You do it in *our* living room?" she asked. "Where would we be?"

"You'd all be out for several hours," I said. "We only spend a couple of hours in the living room."

"Nick, I want you to fuck me in the ass with your big fat cock," she said, her asshole twitching around my cock. "I want my horny ass to be yours and only yours like my whore friends' asses."

"Are you crazy?" he said. "What are you talking about? He's your son for crying out loud."

"I'd love to do that, mom, but you won't be like your whore friends," I said, signaling him to remain silent. "You are the most special woman in the world. Don't worry about anything. Your ass is mine now and forever."

"Are you crazy too?" he said. "You are talking like that to your mom in front of me."

"Mom, don't get mad at dad," I said. "Leave us alone for a minute. I'll clarify this misunderstanding with him."

"Okay, baby," said mom, getting up and popping my cock out of her ass.

She knelt down and gave my sticky cock head a kiss.

"What misunderstanding?" he said. "Didn't you hear the two of you talking?"

"Relax, dad," I said calmly. "Let me explain."

"Okay," he said impatiently. "Go ahead."

"You are swimming against the flow," I said. "Do you know what happens when you do? It's useless, and you use up all your energy for nothing. You have no power to control anything. The flow smashes you on the rocks."

"What do you mean?" he said.

"We have to think about the consequences of our actions," I said. "Mom now wants my big fat cock up her tight horny ass bad. If you fight her, she'll want it even more. Is that what you want?"

"Of course not," he said.

"Don't push things in the direction you don't want," I said.

"You want me to let you fuck her ass?" he said incredulously.

"I want you to make the best of the situation," I said. "Let's consider our options. You can let me fuck her ass, and that wouldn't hurt anybody, or you can fight it. If you fight it, she may let me do it behind your back. If I don't, she may find somebody else to do it. Do you want one of my friends or one of her friends' husbands to do that?"

"Of course not, but I don't want you to do it either," he said.

"Mom's a big girl," I said. "She'll do whatever she wants. We can't control her, but we don't want to lose her. This is like when you see someone run a red light. Do you want to exercise your right and get killed or let them go?"

“I’d let them go,” he said.

“Your best bet is to go to her and apologize,” I said. “Tell her there was a misunderstanding and that you now want her to let me fuck her hot ass with my big cock and do whatever she wants because you want her to be happy.”

“You want me to apologize and tell her to let you fuck her ass?” he said. “That’s crazy.”

“I am not going to let one of my friends, one of her slut friends’ husbands, or worse a stranger touch her luscious ass,” I said. “I’d have to do it behind your back. Think about your options. I am sure you’ll take the wisest one.”

He sat silently, thinking, for a minute.

“Go for it,” I encouraged. “I’ll call Alex and pretend I am coaching her on cock kissing.”

She hesitantly got up.

“Alex, come here, baby,” I called, getting up.

Alex rushed to me.

“Get down on your knees, baby,” I said. “Suck my big cock. Taste your slut mom’s juicy ass on it.”

Dad was still walking toward mom as Alex knelt down before my sticky cock. Her back was to them.

“I can’t believe I am doing this,” smiled Alex, holding my hips.

Alex opened her mouth and took my cock in. She sucked it eagerly. She took it down her throat and devoured it.

“I am sorry about what happened,” dad said to mom awkwardly. “There was a misunderstanding.”

“I thought so,” she said as she got up, standing before him. “It wasn’t like you to act like that.”

“You took me off guard,” he said.

“I know, honey,” she said. “What Nick said made me so horny. I envied my slut friends. I want to experience that incredible pleasure like them without having to cheat on my husband.”

“I want you to,” he said.

“What?” she asked.

“I want you to let Nick fuck your ass and do whatever else you want,” he said. “I want you to be happy.”

“Really?” she said excitedly.

“Yes,” he said.

“Are you going to watch him fuck my ass and make me very happy?” she said suspiciously.

“Yes,” he said.

“I love you, honey,” she said, pulling him for a hard kiss.

“Tell your mom you’ve just swallowed my big cock balls deep down your throat,” I said to Alex, slapping her face with my sticky cock. “Bring dad to watch you do it too.”

Alex smiled as she got up. She rushed to mom and dad.

“Mom, I took Nick’s big cock all the way down my throat,” Alex said excitedly.

“Show me,” said mom.

“Dad, come with us,” said Alex excitedly, pulling him by his hand.

He did not know what to do as his thrilled daughter dragged him toward me. He just followed her.

Alex knelt down before my throbbing cock and held my hips. She smiled at me before she opened her mouth and took my cock in. She deep throated my cock for a minute. I gently held the back of her head and fucked her throat for another minute. Mom and dad watched.

“You are a great cocksucker, little sister,” I said, thrusting in Alex’s throat.

“Sweetie, your dad and I are very proud of you,” said mom. She turned to him. “Aren’t we, honey?”

“Yes,” he said for the lack of anything else to say.

“Tell her you are proud of her,” she said.

“I am proud of you, Alex,” he said.

“Thanks, dad,” said Alex cheerfully. “Nick’s the best brother in the world. He brings the best out of everyone.”

“Everything in you is the best, you hot little cocksucker,” I said, slapping Alex’s face with my sticky cock.

“I want to try this,” said mom, kneeling next to Alex. She looked up at me. “May I, darling?”

“Of course, mom,” I said. “It’s my pleasure. You and Alex have no limits. You may do anything at all.”

“Thanks, baby,” said mom. She turned to Alex. “Excuse me, sweetie.”

Instead of letting Alex scoot to the side, I moved to the side, standing before mom. My throbbing cock bobbed in front of her face. She held my hips and proceeded to suck my hard cock as dad and Alex watched.

“Mom, you are so beautiful,” I said, thrusting gently in her mouth. “Your juicy lips are so perfect for this. I am sure they were made for it. Your hot lips were made to suck cock like no other lips can. You are so good.”

Mom happily moaned her pleasure and acknowledgment around my cock.

“Take it deeper, mom,” I said. “Your hot throat was meant to be fucked deeply with my big juicy cock.”

She took my cock down her throat and held it there for several seconds.

“Dad, mom’s good, isn’t she?” said Alex.

“Yes,” he said absentmindedly.

“Are you proud of her like you are proud of me?” she asked.

“Yes,” he said.

“Tell her,” she said. “We love to be told how good we are.”

“I am proud of you, honey,” he said as mom hungrily stuffed her throat with my cock again and again.

“Thank you, honey,” said mom. “I am proud of you too. Thank you for letting me do this.”

“You are welcome,” he said.

“Nobody’s proud of mom as much as I am,” I said. “It’s incredible to be the son of such an incredible woman.”

“Nick, darling, no woman can be proud of her son as much as I am proud of you,” she said. “You are a great guy and an amazing lover. We are all proud of you.”

“We are all so happy when you are happy,” I said as she resumed devouring my cock. “Aren’t we, dad?”

“Yes,” he said.

Mom pulled back a few minutes later. She kissed my cock on the head and got up.

“That was a wonderful treat,” she said. “Thank you, darling.”

She pecked me on the lips.

“I loved every moment of it,” I said. “You can have it whenever you want.”

“I will,” she said. “I’ll have it in my horny ass too. I’ll be back soon. Keep it hard for me.”

“It will always be hard for you,” I said.

“You are coming with me, Alex,” she said, pulling Alex up by the hand. “Your brother’s going to fuck our horny asses open with his gorgeous cock.”

“I want that,” said Alex, getting up. “I want it in every hole I have.”

“You’ll get it, you little slut,” said mom, walking away with Alex.

“You are going to have sex with your mom and sister?” he said.

“Dad, you worry too much,” I said. “If you don’t loosen up, you won’t live long enough to be my age.”

“Don’t be silly,” he said. “I’ll never be your age again.”

“Do you envy me?” I teased.

“I don’t know,” he said.

“You don’t know if having two hot women crave your cock is more fun than what you did at my age?” I asked.

“This is obviously more fun than what I had, but the two hot women are your mom and sister,” he said.

“My mom and sister are the hottest two women in the world,” I said. “I love them much. They are very special. The fact that they have fantastic tits and asses is the icing on the cake.”

“Okay, I envy you,” he said.

“Wait until you watch me fuck their incredible asses,” I said. “There is nothing like fucking a hot tight ass with a big fat cock. I’ll love it, and they’ll love it.”

“Wouldn’t that hurt them at all?” he asked.

“No, not at all,” I said. “This is my specialty. They’ll come their hot little asses off. You’ll be impressed. Dad, hot asses were made for cock. I know how to get them ready for it. Everything will be perfect.”

Mom and Alex came back.

“Our horny asses are clean and ready,” said mom. “They are eager and ready for the big fat cock they crave.”

“Get on your knees here and spread your luscious asses,” I said, pulling two deckchairs together. “Let me see those hot asses offered to the big cock they belong to. Isn’t my big cock the cock they crave most?”

“Darling, your big cock’s the only cock and the only thing our horny asses crave,” she said.

“I thought they craved my hot creamy come too,” I teased.

“They do, baby,” she said. “They do.”

“Is that how you feel too, Alex?” I said.

“Yes,” hissed Alex.

They knelt on the deckchairs in the leapfrog position and spread their asses. Mom was on the right. I gave mom’s asshole a gentle kiss followed by a similar kiss to Alex’s before I knelt down behind mom’s ass.

“Your little assholes are so sweet and mouthwatering,” I said. “Relax, and have fun.”

Dad watched as I licked mom’s asshole leisurely for a few minutes, making her moan and squirm. I made her come and moved to Alex’s asshole, which I treated similarly to orgasm. I squeezed lube on both assholes and used a finger to work it inside each. I added more lube and worked it inside. They moaned and squirmed as I slowly reamed out their assholes. I took a few minutes to work them up to three fingers. I twisted my fingers within their relaxed assholes for a minute before I pulled my sticky fingers out.

“Rise on your hands, mom,” I said. “Your hot juicy ass is about to get fucked royally.”

“Yes,” hissed mom, rising onto her hands and knees as I lubed my cock thoroughly.

“Dad, spread mom’s luscious ass by pulling out here,” I said, spreading mom’s ass with both hands. “It will open her ass up and show you how it’s done.”

“What?” he asked in surprise.

“Kneel down and spread her gorgeous ass open,” I said. “You’ll like it.”

He hesitantly knelt down and spread mom’s ass open.

“The more obscenely her horny ass is spread, the more depraved it makes her feel,” I said. “Mom, doesn’t it make you feel so depraved to have your husband spread your cock-craving ass for your horny son’s big fat cock?”

“Yes,” hissed mom.

“Are you ready, mom?” I asked. “Is your cock-hungry ass ready for the big cock it belongs to?”

“Yes,” she hissed.

“Is my big cock the only cock your slutty ass belongs to?” I teased.

“Yes,” she hissed.

“What do you want now?” I asked. “Admit it without any shame. You are completely shameless anyway.”

“I want you to fuck my horny ass royally,” she said. “Please. Please fuck my lustful ass with your big cock.”

“You want me to fuck you up your hot ass like a dirty whore?” I teased.

“Yes,” she hissed.

“I only do that to and for my dirty whores,” I teased as I slowly brushed my engorged cock head up and down her leaky pussy and offered asshole. “Do you want me to treat you like I treat my dirty whores?”

“Yes,” she hissed.

“You think you can be a devoted depraved whore for my big cock?” I teased.

“Yes,” she hissed.

“Promise dad you are going to be the most devoted dirty whore for my big cock,” I said.

“Honey, I promise you I’ll be the most devoted dirty whore for Nick and his incredible cock,” she said.

“Promise him you’ll never say no to my big cock,” I said.

"I'll never say no to our amazing son's fantastic cock," she said.

"Do you know why I had you make those promises?" I asked.

"No, darling," she said.

"I did that to show dad how dirty and craving for my big cock you are," I said. "I wanted him to see that you really needed my big cock in every fuck hole you have. You need it so bad you'll be a slave to it forever."

"Yes," she hissed.

"Now, he knows that we are doing this because we have to, not only because it's a lot of family fun," I said.

"Oh, yes, darling," she gasped. "I have to have your incredible cock up my ass. Please give it to me."

"What do you think, dad?" I teased. "Should I give this cock-craving whore my big cock up the ass or not?"

"Yes," he said.

"Thank you, honey," gasped mom. "Nick, please fuck my ass."

"You got that, mom," I said, pressing my glistening cock head into her asshole. "Relax, and enjoy."

Mom's asshole relaxed, and my cock head slid in, making her gasp. She squeezed my cock tightly with her anal muscles. I paused for several seconds.

"Can you see how beautiful it is?" I said.

"It's so big," he said. "Doesn't it hurt at all?"

"Mom, does it?" I asked as I thrust gently.

"No way," said mom. "It feels incredible. It must be what my ass was made for. I am going to come very soon."

True to her word, mom stiffened when I was halfway in.

"I am coming," she gasped.

She shook, and her asshole twitched. I drove my cock all the way up her ass in short strokes. Her orgasm peaked, and I drilled her ass hard until she went limp.

"Do you believe her, dad?" I asked as I gently fucked mom's ass while she recovered.

"I can't believe it," he said.

"You believe every word she said earlier though, don't you?" I said.

"Yes," he said.

"Women's asses are incredible," I said. "They are so beautiful and responsive. They are perfect for big cocks. Fucking this incredible ass is the hottest thing I've ever done in my life."

"Yes," she hissed.

"Dad, you'll never fuck this fantastic ass, but let me assure you that your son's enjoying it like it should be enjoyed," I said. "This amazing ass will be fucked royally by the exact big cock it was made for."

"You think your mom's ass was made for your cock?" he asked.

"I do, but what I think doesn't matter," I said. "What matters is what mom thinks. What do you think, mom?"

"Darling, your slut mom's horny ass was made for no other than the incredible cock that's impaling it so deeply right now," she said. "Thank you for giving it to me."

"You are welcome, mom," I said. "I can't deny such a luscious ass the big cock it was made for."

“This is so good,” she moaned.

“Do you agree, dad, that my big cock and mom’s hot ass belong together?” I said as I sawed my hard cock in and out of mom’s stretched asshole with long smooth strokes.

“Yes,” he said, making my cock twitch in mom’s ass.

Mom squeezed my cock in acknowledgement.

“Now that we are all in agreement, ask me to fuck mom’s whoring ass with my big cock,” I said.

“Fuck your mom’s whoring ass with your big cock,” he said, making my cock twitch again.

“Dad, please say please,” I said. “I am doing this as a courtesy. It isn’t really my job to fuck your slut wife in every lustful hole she has. I am doing it because I am a great kid.”

“Please fuck your mom’s whoring ass with your big cock,” he said.

My cock and mom’s asshole twitched.

“You got that, dad,” I said.

Mom had recovered, and I picked up the pace. He spread her ass while I fucked it briskly.

“Dad, am I a good boy?” I said.

“Yes,” he said.

“Am I fucking your slut wife’s horny ass well?” I teased.

“You sure are,” he said.

She had three hard orgasms during the following ten minutes. I pulled out and gave her splayed asshole a deep kiss before I licked her drenched pussy clean.

“Spread Alex’s succulent little ass for my big cock,” I said to dad as I moved to Alex’s ass.

Alex rose onto her hands and knees and pushed her ass out lewdly.

“Mom, stay as you are,” I said. “I am not through with you yet. I love your luscious ass too much to.”

“Okay, darling,” said mom.

Dad spread Alex’s hot ass, and I pushed my cock in. She also came before I was all the way up her ass. I fucked her through her first orgasm and gave her three big orgasms. I kissed her asshole deeply and lapped up her copious juices off her sticky pussy.

“Dad, they are loosened up now,” I said as I moved to mom. “You don’t have to spread their asses anymore.”

He stood next to Alex and watched me aim my cock at mom’s offered asshole.

“Dad, would you like to guide my big cock into mom’s horny asshole?” I said.

“What?” he said in surprise.

“You asked me to fuck mom’s ass royally,” I said. “It would show her that you really meant it if you guided my big cock into her horny asshole.”

“That’s gay,” he said.

“I am not gay,” I said. “It isn’t gay to help your horny son fuck your slut wife’s whoring ass. It’s considerate.”

“Do it, honey,” said mom. “Don’t keep me waiting.”

He reluctantly held my cock tentatively and guided it into mom's asshole. A gentle push popped my cock head in, making mom gasp softly.

"Thank you, honey," she said as he let go.

"You are welcome," he said.

He stood back and watched me drill mom's eager ass. He returned to his deckchair after mom's first orgasm. I gave mom's ass two more orgasms and returned to Alex's. He did not hesitate as much when I asked him to guide my cock into Alex's horny ass. She thanked him as my cock head slid in. I switched asses after every three orgasms.

"Don't you tire?" asked dad after I finished Alex's second round and moved to mom.

"How can a guy tire when the most succulent asses in the world beg for his cock?" I said.

"I was never able to do this when I was in my teens," he said.

"I love doing this like nothing else in the world," I said. "It just needs a little training and a lot of passion."

"Maybe," he said.

"Roll over, mom," I said.

Mom rolled over, and I pushed her legs over her head.

"Dad, you should move every once in a while," I said. "Why don't you get up and hold mom's legs for her?"

He reluctantly obliged me. Mom spread her ass with both hands, and I proceeded to fuck it hard. I fucked Alex's ass in the same position next, and he held her legs for her.

"Mom, do you want me to come deep in your hot ass?" I said as mom approached her third orgasm in that round.

"Yes, baby," gasped mom. "Fill my ass with your hot come."

"What do you think, dad?" I teased. "Do you think mom has earned a big come load for her sizzling ass?"

"Long ago," he said.

"Thanks, honey," she gasped.

Mom came, and I pumped her twitching rectum full of come. When our orgasms subsided, I pulled out. I knelt down and gave mom's come-filled ass a deep kiss on the hole. Dad saw it. I licked her drenched pussy clean.

"Dad, give mom's sweet asshole a kiss," I said, getting up. "You've admitted that it did a great job and earned its big prize. Show it you are proud of it."

He reluctantly walked around. He knelt down and kissed mom's sticky asshole.

"Thank you, honey," said mom as he got up.

"Did you have a good time, mom?" I asked mom. "Did your horny son treat his slut mom properly?"

"Yes, baby," said mom, getting up. "That was the hottest time of my life."

"What about my slut little sister?" I said to Alex.

"That was incredible just like mom said," she said.

Mom squatted on the floor and leaked come out of her asshole.

"Amy, what did you do?" said dad. "That's disgusting."

"I should clean it up, right?" she teased.

"Yes, quickly," he said.

She smiled at me before she lowered her head and lapped up my come off the tiles like a cat lapping cream.

“Are you crazy?” he said in shock. “What are you doing?”

“It’s okay, dad,” I said calmly. “All the girls and women I fucked did that to show their loyalty to my big cock.”

“They licked your come off the floor?” he said in disbelief.

“Yes, dad,” I said. “They wanted to show me their appreciation and devotion in no uncertain terms. I don’t think anybody can now question mom’s attachment to me and my big cock. I am very pleased with her.”

When mom was done leaving no trace on the floor, she sat up and wiped her gooey asshole with her fingers. She sucked them clean while looking up at us.

“You are a good girl, mom,” I said as I gently held her chin and leaned down. “You are so hot and so dirty. I love having you as my dirty whore. I am proud of you.”

He watched in disbelief as we shared a long deep kiss.

“Thank you, baby,” she said, getting up. “That was the most incredible thing I’ve ever experienced. No wonder my whore friends let you do it to them while their clueless husbands are home.”

“I have to tell you that there is no comparison between your incredible ass and their slutty asses,” I said. “It’s like real sex to masturbation.”

“Thank you, baby,” she beamed, pulling me to her.

She gave me a long deep kiss.

“Thank you, honey,” she said to dad.

She pulled him to her and gave him a deep kiss. He was reluctant at first, but he soon kissed back.

“Are you still disgusted with me?” she asked.

“No,” he said.

“Mom, I am not anywhere near done with you and my slut little sister,” I said, pointing to my hard cock.

Mom smiled wide.

“I am so happy you are not,” she said. “Your slut mom feels insatiable today.”

“My big cock never leaves an unsated whore behind,” I said. “You are going to get fucked to satiation.”

Alex knelt down and beat mom to my cock.

“I won’t be done until your half dozen holes are out of commission,” I said.

“Why didn’t my whore friends tell me you were this good?” said mom.

“They were probably afraid you’d keep it all to yourself,” I said.

“At least, I don’t have dumb friends,” she said.

“You have wary friends,” I said. “They should have known that I could effortlessly satisfy you even though you are hotter, hornier and dirtier than they are.”

Mom and Alex sucked and deep throat my cock together for several minutes.

“How do you want us?” said mom finally.

“I want you to ride it like a cowgirl,” I said, lying back on her towel. “I want you to show dad what dirty whores you are for my big hard cock.”

“I am sure he knows that by now,” she said.

Mom squatted astride me in the Asian cowgirl position and impaled her ass on my cock to the balls.

“Dad and Alex, don’t just sit there,” I said. “Each, hold one of mom’s hands to help her bounce.”

Dad and Alex held mom’s hands, and she rode my cock to three orgasms. Alex replaced her, and mom and dad held her hands. Mom and Alex next rode my cock in the anal cowgirl position followed by the anal reverse cowgirl position. After that, they were on their hands and knees on the deckchairs.

“Dad, if you don’t do anything more fun, you are going to have to spread their horny asses for me and guide my big cock in although their asses don’t need any spreading and my big cock doesn’t need any guidance,” I said.

He came over and helped me fuck their asses.

After over an hour of heated ass fucking, I came in Alex’s ass.

“Alex, baby, it’s your turn to get your slutty ass filled with come,” I said as Alex’s orgasm approached.

“Give it to me, Nick,” gasped Alex. “Fill my horny ass with your hot come.”

“What do you think, dad?” I said. “Has this little whore earned it?”

“Of course,” he said. “I didn’t even imagine she could handle any of this.”

“That was a great compliment, dad,” gasped Alex. “Thank you.”

“You are welcome,” he said.

“She’s an impressive kid,” I said. “I assure you that most whores can’t fuck like her.”

“I believe you,” he said.

When my balls were drained, I pulled out of Alex’s ass. I gave her asshole a big kiss and licked her pussy clean.

“Dad, it’s my turn to do the leaking and licking,” said Alex.

“What’s the leaking and licking?” he asked, dreading the answer.

“This,” she said as she squatted.

Alex leaked some come out of her ass on the floor and licked it up, leaving no trace. She also cleaned her goopy pucker with her fingers and sucked them clean.

“I also belong to Nick’s incredible cock,” said Alex. “I am his complete whore—like mom.”

“Like mother, like daughter,” he said.

“They are both incredible, aren’t they?” I said.

“Absolutely,” he said.

My cock was mostly hard when mom and Alex sucked it.

“Are you going to keep doing this all day?” asked dad when I pushed my cock up mom’s offered ass.

“Dad, to us, this is a lot of fun,” I said. “I wish I could do it forever.”

“Me too, darling,” said mom.

“We’ll take a few breaks so they can fuck the longest,” I said.

After mom came, I switched my cock to her drenched pussy. I fucked their pussies and asses equally until I came deep in mom's pussy over an hour later.

"Dad, kiss mom's juicy pussy," I said after I gave mom's slimy pussy a big kiss. "It's earned it's come load too."

He knelt down and kissed mom's pussy.

"Honey, lick it a little more," she said. "You haven't eaten my pussy in a long time."

"It's full of come," he protested.

"Alex and I ate Nick's hot come out of our asses off the floor," she said. "This is nothing, or do you want that?"

He silently ate her gooey pussy.

"Do it, dad," I encouraged. "She deserves it more than all the whores who have their husbands do that for them."

She fed him the come little by little.

"That's it, honey," she urged. "Eat our son's creamy come out of your slut wife's well-fucked pussy."

She came wildly in his mouth. My cock got hard while I watched.

Alex sucked my cock when dad got up.

"Thank you, honey," said mom, pulling dad for a deep kiss. "I enjoyed that so much."

"You are welcome," she said.

"Did you enjoy it?" she asked.

"Yes," he said.

"Next time, I'll let you eat his hot come out of my well-used ass," she promised as she knelt next to Alex.

An hour later, I came in Alex's pussy.

"Mom, why don't you eat my come out of Alex's juicy pussy?" I said.

"With pleasure, darling," said mom, kneeling before Alex's slimy pussy.

Alex came in mom's mouth. Mom gave dad a deep kiss, passing him most of the come.

"You never get enough, do you?" smiled mom when she saw my cock get hard.

"You are just too hot and dirty to," I said.

"Let's go inside," she said. "I want you to fuck me in the living room like you fucked my whore friends."

"I'll even fuck you in dad's bed," I said.

"You are a bad boy, but I like the idea," she said as we gathered our stuff.

Mom got what she wanted.

"Dad, which is more fun: my game or yours?" I asked around dinner.

"There is no comparison," he said.

"My game's the winner?" I said.

"Absolutely," he said.

“I don’t want to play your game, but would you like to play mine?” I said. “We can share mom occasionally. We can even share one of her friends or one of my ex-girlfriends. How would you like that?”

“The stakes would be too high for me,” he said. “Thanks for the offer, but I have to decline.”

“Do you still have that fun phobia?” I teased.

“No, but I can’t do that,” he said.

“Anyway, you can play or do whatever you want,” I said. “Rest assured I’ll take good care of our family sluts.”

“Thank you, Nick,” he said. “I know you will, and I appreciate that.”

“Mom, how do you like to go to church tomorrow with your well-fucked ass full of my creamy come?” I said.

“That’s so dirty,” smiled mom. “I’d love it.”

“Are you serious?” he said.

“Of course,” she said.

“Nick, that isn’t good,” he said.

“Not good for whom?” I said. “Mom loves it.”

“It isn’t right,” he said.

“Dad, do you still want to play golf tomorrow?” I asked.

“Yes,” he said.

“You know I’ll be meanwhile in the living room, fucking my hot mom and sister’s asses off,” I said.

“Enjoy,” he said.

“You’ll be part of our family fun every Saturday though, aren’t you?” I said.

“Yes,” he said.

“You are going to watch me and help me fuck the hottest two sluts in the world,” I said.

“Okay,” he said.

“Many husbands enjoy doing that and eating their wives’ lovers’ come out of their wives’ well-used pussies and asses, but I want you to be a bigger part of our family fun than that,” I said. “I am sure mom wants that too.”

“What do you want me to do?” he asked.

“I want you to put your book aside for a while,” I said. “Mom will suck your cock while I fuck her pussy and ass. She’ll then ride it in the cowgirl position. While you fuck her pussy, I’ll fuck her ass. Does that sound like fun?”

“It sounds like a lot of fun to me,” said mom.

“Yes,” he said.

“She’ll then impale her ass on my cock in the reverse cowgirl position,” I said. “You’ll fuck her pussy and fill it with come while I fuck her ass. You’ll eat your come out of her pussy while I continued to thrust in her ass.”

“I’d love that,” she said.

“Okay,” he said.

“Do you know what you’ll do when I finally flood her happy ass with come?” I said.

“I’ll eat your come out of her ass?” he said.

“That’s right,” I said. “You’ll eat her slimy ass while she revives my cock.”

“What about me?” complained Alex. “Am I going to watch while all that happens?”

“Dad can’t fuck you, because that’s incest,” I said. “He’ll spread your horny ass for my big cock though.”

“Okay,” he said.

“Are you going to enjoy that?” I asked.

“Yes,” he said.

“Are you ready to have your slut wife suck your cock while she whores herself to your horny son?” I said.

“Yes,” he said.

“Alex, you are going to bend over astride mom so I can eat your pussy and ass while I fuck hers,” I said.

“Okay,” said Alex.

“I won’t be able to see what she’s doing,” I said. “You need to make sure she’s giving dad a decent blowjob.”

“I’d love to do that,” she said.

“If you do a good job, I’ll fuck your pussy and ass while you do that,” I said.

“I’ll watch mom like a hawk,” she said.

That was how we did it. Mom used her fingers to feed dad my come out of Alex’s ass.

“Honestly, dad, didn’t you have more fun than your best golf game ever?” I said.

“Yes,” said dad.

“We’ll do it every Saturday,” I said. “We’ll all go to bed drained and happy.”

“Okay,” he said.

“What are you going to do with Beth?” asked Alex.

“I’ll let her know that I’ve been fucking her mom for a long time,” I said.

“Have you?” she said in disbelief.

Mom and dad looked at me too.

“I’ve been fucking Beth’s mom and sister for a while,” I said. “It’s about time I fucked them in front of her dad.”

They looked at me in surprise, but nobody said anything.

“I am not exclusive to mom’s hot friends,” I said.

“You should have fucked me first,” said mom.

“I sometimes keep the best for last,” I said.

She smiled and kissed me on the lips.

“Be careful,” said dad. “Beth’s dad may not like that.”

“Nobody does at first,” I said. “He’ll come around.”

MORE TEASING

That night, I called Victoria. I asked her to have a family pool party on Sunday afternoon and invite me.

“Wear your skimpiest swimsuit,” I said. “If you don’t have one skimpy enough, get one.”

“You are a horny kid,” she said. “You want to ogle my practically bare ass in front of my husband?”

“If you are a good girl, I’ll someday fuck it in front of him,” I said.

“I wish you could,” she said. “I’ll get one especially for you.”

“You are a good slut,” I said. “Get one for Lisa too.”

“You are bad,” she said. “You want your girlfriend to look like a prude.”

“If you are afraid of that, get her one too,” I said. “I enjoy looking at her hot ass too.”

“Okay,” she said. “You are always hard. How are you going to hide your boner?”

“Do I need to hide it?” I teased.

“Not on my account, but I don’t think you can get away with it sticking out outrageously,” she said.

“I’ll try my luck,” I said.

Mom took my first come load in her ass to church. I fucked Alex until mom returned and joined her. I was fucking mom’s ass when dad bid us goodbye and left for his golf.

“Nick, you have a big boner,” said Beth when I changed into my swim trunks.

“I can afford it,” I smiled.

“You can’t be like that in front of them,” she said.

“Don’t worry about it,” I said. “It will go away when it finds out it isn’t needed.”

Beth was in her skimpiest swimsuit ever.

“I like your swimsuit,” I said. “You are all but naked.”

“I wouldn’t have worn it if it were not from mom,” she said. “It’s so skimpy.”

“You are only with your boyfriend and family,” I said. “I’d enjoy it if you kept me hard.”

“My family wouldn’t,” she said.

“Your dad may be jealous, but I am sure your mom and sister wouldn’t mind being around a big cock,” I said.

“You’ll embarrass yourself and everybody else if you remain hard like that,” she said.

“You can just ignore what embarrasses you,” I said. “By the way, why don’t you wear your butt plug?”

“With this swimsuit?” she said. “It would be obvious.”

“Just don’t bend over and thrust your horny ass in the faces of people you don’t want to see it,” I said.

“It’s so fat they’d be able to see it even if I didn’t bend over,” she said.

“Ignore them,” I said. “You only need to say something if someone asked you about it.”

“What would I say?” she said.

“Tell them why you’d have worn it,” I said.

“I’d have done it because you asked me to,” she said.

“That’s fair,” I said. “If they asked me why I did, I’d handle them.”

“What would you say?” she said.

“I’d tell them that I’d asked you to wear it because you enjoyed that,” I teased.

“That’s silly,” she said. “I am not wearing it.”

“You are, Beth,” I said. “Now, don’t be silly, and put it in.”

“Are you serious?” she asked.

“Yes,” I said. “Be a good girl, and do as your horny boyfriend tells you to do if you are really his dirty whore.”

“You better not embarrass me,” she said.

“Nothing should embarrass you,” I said. “You are a big girl. You can do whatever your boyfriend wants you to.”

She reluctantly lubed her butt plug and popped it up her ass.

“Strut your luscious ass in front of me, but be sure not to wave your butt plug in their faces,” I said.

“You are nuts,” she said. “If somebody saw it, I’d tell them you made me do it.”

“I made you do it so your hot tight ass can handle all the drilling it’s going to get later,” I said. “Am I at fault?”

“Not really,” she said.

She led me to the pool, and I followed her twitching ass.

“What a nice ass!” I teased. “I like how the base of your butt plug sticks out.”

“You are a horny pervert,” she chided.

“It’s okay to be rock hard over my slut girlfriend,” I said as I reached out and squeezed her bare ass cheek.

“They’ll think you’ve never had sex with me,” she said.

“I’ll tell your dad I am still a virgin and his daughter just teases me with her outrageous ass,” I teased.

Victoria and Lisa smiled stealthily when they saw my big boner. Since Beth was walking ahead of me, blocking her dad, I swiftly took my hard cock out and put it back in.

“Hi, Victoria,” I greeted. “Hi, Lisa.”

“Hi, Nick,” Victoria and Lisa greeted back.

“Hi, Mr. Conkley,” I said as I sat down on a lounge by John.

“Hi, Nick,” he said as I lay back, leaving my boner outrageously tenting my trunks.

Beth lay down on a lounge next to me. I was between her dad and her.

“The weather’s great, Mr. Conkley, isn’t it?” I said as I closed my eyes.

“Yes,” he said. “It’s very nice.”

“The scenery’s better than any beach,” I said.

“Is that why you closed your eyes?” he teased.

“No,” I said. “I closed my eyes because the weather’s nice.”

We silently lay there for a while. I fantasized about fucking Victoria and her daughters in front of him.

He left to the house several minutes later. He returned a while later.

“Your mom has a fantastic ass,” I said to Beth as I turned to the right, propping myself on my right elbow.

“Nick, are you crazy?” said Beth as I looked at her bent-over mom’s ass.

“Can’t you see it?” I said nonchalantly.

“You can’t check out mom’s butt,” she said.

“You are silly,” I said. “I don’t need to check it out. I am an ass man. I can sense a hot ass a mile away while blindfolded. You must know that by now.”

“You can’t talk about mom like that,” she said.

“I am just saying that she’s hot,” I said.

“You are being crude,” she said.

“I bet, if I squeezed her ass and complimented her on it, she’d thank me,” I said.

“You can’t talk about mom like that in front of dad,” she said.

“In front of who?” I said, turning toward John in pretend surprise. “He’s back? Oh! I didn’t mean harm, Mr. Conkley. It was an appreciative remark. She just looked awe-inspiring. I hope I didn’t offend you.”

“That’s okay, but be careful next time,” he said.

“She deserves a compliment though, don’t you think so?” I said.

“Yes,” he said.

“Did you give her one today?” I teased.

“No,” he said.

“Don’t worry about it,” I said, getting up. “It’ll take care of it.”

They both watched as I walked toward Victoria.

“Bend over again, you hot slut,” I said lowly. “Show me that hot ass.”

“You want to ogle my horny ass in front of them?” she said, bending over again.

“I want to fuck it front of them, but I don’t think I can get away with that right now,” I said.

“I bet not,” she said.

“You have a luscious ass, Victoria,” I said as I reached out and squeezed her bare left cheek.

“Thanks, lover,” she said, getting up.

“I told Beth you had a fantastic ass, and your husband heard me,” I said, squeezing her right ass cheek.

“I don’t dare telling her that you have a fantastic cock while he listens,” she said.

“That’s too bad,” I said as I stood in front of her, facing her. “Do you think we can get away with getting nude?”

“With your big cock rock hard like that?” she said.

“Maybe a little harder,” I said.

“I don’t know,” she said as I reached for her bikini top.

“Let’s give it a try,” I said, untying her top.

Her top came off, and I put it aside. I kissed her stiff nipples.

“Turn around, you hot slut,” I said, kneeling down. “Show them your big tits while I expose your cute asshole.”

She turned around and I pulled her skimpy thong down. I spread her cheeks and kissed her asshole, making her gasp. She stepped out of her thong, and I put it aside.

When I got up, she knelt down. She pulled my trunks down, setting my boner free. She kissed it on the head, making it twitch, as I stepped out of my trunks. Her husband and my girlfriend watched intently. She got up, and we walked to them, my cock sticking out and up outrageously.

“Do you feel like some skinny dipping?” I asked. “Victoria hasn’t done it in a long time.”

“Nick, you have a big erection,” remarked Beth.

“Good girls don’t look there,” I chided.

“It’s right in our faces,” she said.

“It’s out of control,” I said. “I just let it be. So should you. It doesn’t offend anybody. You are overdressed.”

Beth did not say anything, so I reached out and took her top off. I knelt down and pulled her thong off. She did not cooperate. She actually resisted a little, glaring at me.

“I took my girlfriend’s swimsuit off,” I said to Victoria. “Do your husband.”

John did not resist as Victoria pulled his trunks off.

“I’ll do Lisa,” I said, walking away.

“Nick, you are unbelievable,” smiled Lisa. “I can’t believe you are walking with your huge boner like that.”

“I can only think of nine places to hide it,” I said, reaching out for her bikini top. “All are more outrageous.”

“I wish you could choose my three places, but we can’t get away with that,” she said.

Lisa was soon naked.

While we walked toward her family, I inserted my right middle finger up her asshole.

“Is that where you want to hide your big hard cock?” she said.

“Yes,” I said. “Do you have a problem with that?”

“No, but, if dad and Beth knew where your finger is, they’d kill us,” she said, her asshole twitching.

“Do you know which would kill which?” I teased.

“I think they’d both kill you and then kill me,” she said.

“I think Beth would kill you first,” I said. “By then, I’d be running in the neighborhood naked.”

“You wouldn’t defend your little slut?” she pouted.

“Of course,” I said. “Beth would let you go and chase after me. You’d need to run then.”

“Take it out unless you want to give that a try,” she said.

“Beth’s wearing a butt plug,” I said, withdrawing my finger from her ass. “Ask her about it when you can.”

“Okay,” she said. “You are so wicked.”

“We are all ready,” I said.

“Nick, I can’t remember when I last saw a guy this big and hard,” said Victoria, startling John and Beth.

“Really?” I teased. “It was only a minute ago.”

“You are silly,” she said, slapping me playfully.

“Beth gets jealous when girls and women talk about her boyfriend’s not-so-private parts,” I teased.

“Is that right, Beth?” said Victoria, taking Beth off guard.

“No,” gasped Beth.

“You are crazy,” I said. “She’ll now be talking about my equipment all day.”

“You are so full of yourself,” she said.

“My girlfriend doesn’t have a jealous bone in her body,” I teased.

“She should be very jealous of any girl roaming around her boyfriend’s impressive equipment,” said Victoria.

“If you keep talking about my impressive equipment, it will never go soft,” I said.

“Let’s do some skinny dipping,” she said. “I doubt that the cool water will make it any softer though.”

“Do you actually want it to get soft?” I teased.

“It’s more majestic this way,” she said. “Isn’t that right, John?”

He was startled.

“What?” he said.

“Don’t you think that a man’s equipment’s more majestic when it’s big and hard?” she said.

“I don’t think we should be talking about that around the girls,” he said.

“The girls can see it, honey,” she said. “They are not little girls anymore. They know exactly how majestic it is.”

“I don’t know,” he said.

“Lisa, don’t you think that Nick’s equipment’s very majestic?” she asked.

“Yes,” hissed Lisa, blushing.

“Tell your dad,” said Victoria.

“Victoria, that’s enough,” he said.

“You are acting like we are little girls,” she said.

“Okay, it’s more majestic when it’s big and hard,” he said. “Are you happy now?”

“Not yet,” she teased. “Don’t we have the right to wish it would stay big and hard?”

“Yes,” he said.

“Nick, you shouldn’t be embarrassed or uncomfortable about having such a big beautiful erection,” she said.

“I am not,” I said. “This is just what or who I am.”

“You are a wise kid,” she said.

“Thank you,” I said. “Are you ready?”

“Sure,” she said.

“Let’s go,” I said as I crouched and wrapped my arms around her thighs.

She gasped when I lifted her. I carried her to the pool and jumped in with her.

“Aren’t you going to join us?” she called when she emerged.

They came over and got into the pool.

“Beth, are you up for chicken fight?” said Victoria.

“Are you sure you want to do that?” asked Beth.

“Sure,” said Victoria.

“You are on,” said Beth, smiling.

Beth hopped onto my shoulders, and her mom climbed onto her dad’s.

“Who are you cheering for?” I asked Lisa.

“I am cheering for my parents,” she said.

“I’ll beat them, and then I’ll beat you,” said Beth.

“We’ll see,” said Lisa.

The fight started, and Beth and I won within one minute.

“It’s your turn, Lisa,” called Beth.

“Victoria, are you going to cheer for the winners or the losers?” I teased.

“She cheered for me,” said Victoria. “I have to cheer for her.”

“Misery loves company,” I teased.

“We’ll win,” said Lisa.

“We’ll see,” I said.

Beth and I won again within one minute.

“Victoria, do you want to fight Lisa?” I asked. “You can win if you team up with me.”

“Lisa, do you want to fight?” asked Victoria.

“You can get beaten again,” I teased.

“I’ll beat you,” said Lisa.

Lisa got beaten again within one minute.

“Beth, do you want to try me now?” challenged Victoria. “Climb on your dad’s shoulders.”

“Okay,” said Beth.

Victoria beat Beth within one minute.

“Beth, stay where you are,” said Lisa. “Let me pay you back.”

“You think you can beat me now?” said Beth.

“I do,” smiled Lisa.

Lisa replaced her mom on my shoulders and beat Beth.

“Nick’s the winner, not you,” said Lisa.

“He’s my boyfriend, not yours,” said Beth.

“Don’t say that, Beth,” I said. “I’d love to be Lisa’s boyfriend. She’s a very sexy girl.”

“You can’t,” said Beth. “You are already my boyfriend.”

“What do you think, Victoria?” I said. “Can’t I be both your daughters’ boyfriend?”

“You sure can if both are okay with that,” she said.

“My girlfriend’s a little too jealous,” I said.

“She should be afraid I’d take you away from her because I am sexier,” teased Lisa.

“Is that right, Beth?” I teased.

“No way,” said Beth.

“What are you afraid of then?” I asked.

“I am not afraid of anything,” she said.

“Are you okay with her being my girlfriend too?” I said.

“Sure,” she said. “If she wants to be your other girlfriend, I am fine.”

“I do,” said Lisa.

“Lisa, are you serious?” asked Victoria.

“Yes, mom,” said Lisa.

“You can’t be any other guy’s girlfriend though,” warned Beth.

“If I am Nick’s girlfriend, I don’t want any other guy,” said Lisa.

“Lisa, are you sure?” said Victoria. “This isn’t normal.”

“Of course, I am sure, mom,” said Lisa. “Can’t you see how big he is?”

That startled everybody.

“Is that why you want to be my girlfriend?” I asked Lisa.

“Of course not, but that’s important too,” she said.

“Lisa, you can’t be your sister’s boyfriend’s girlfriend,” said her dad.

“Why not, dad?” said Lisa. “I can. If he’s okay with it, I am.”

“Say something, Victoria,” he said.

“I think they should give it a try and learn on their own if they are okay with it,” said Victoria.

“Thanks, mom,” said Lisa.

“Are you okay with that, Beth?” I asked.

“Sure,” said Beth. “Lisa and I are your girlfriends from now on.”

“I thought I was the luckiest guy in the world,” I said. “Now, I know I am even luckier than that.”

“Nick, you need to be very nice to them,” he said.

“Otherwise, I’d lose them both,” I said. “Thank you and Victoria for trusting me with your precious daughters.”

“You are welcome,” he said.

“Thanks, dad,” said Lisa, warping her arm around me.

“You are welcome,” he said as I wrapped my arm around her and squeezed her ass underwater.

“May I kiss my new girlfriend?” I said, turning to Lisa.

Lisa brought her lips to mine, and I gave her a long kiss.

“What about my old girlfriend?” I said, beckoning Beth.

Beth came over, and I gave her a long kiss.

“Victoria, go ahead, and kiss,” I said. “This is a family setting.”

Victoria went to her husband and kissed him. I proceeded to make out with Lisa and Beth while fondling their asses. I tugged at Beth’s butt plug while I teased Lisa’s asshole. I then teased both pussies from behind.

“Play with my big cock, both of you, you hot sluts,” I said lowly.

“You are crazy,” whispered Beth. “You want them to kick our asses.”

“They are too busy,” I said. “They can’t see underwater either.”

“I don’t think that’s a good idea,” said Beth.

“If you don’t, I’ll suck your stiff nipples,” I said. “The first who does gets my big cock up her tight ass first.”

Lisa was the first to hold my hard cock. She stroked it gently. Beth soon joined her.

“You are both shameless whores,” I teased. “You are doing this in front of your parents.”

Beth took her hand off my cock. Lisa slowed down her fondling.

“You are still whores,” I teased. “You are still letting me tease your pussies and leaking into the pool.”

Beth swam away.

“This is so much fun, isn’t it?” I said as I stood behind Victoria and squeezed her ass.

“Yes,” she said, squeezing my boner inconspicuously.

“What do you think, Mr. Conkley?” I said.

“This is fun,” he said as I squeezed his wife’s ass.

All of a sudden, I ducked down and threw Victoria up, making her gasp. I swam away.

“Your mom has great tits and ass,” I said to Beth. “Do you think your dad would let her be my girlfriend too?”

“Don’t do anything stupid,” she said. “He somehow let it go so far and this far. That won’t happen again.”

“You think he wouldn’t let me suck her luscious nipples?” I teased.

“I think he’d kick your ass,” she said.

“I’ll try to suck your mom’s nipples,” I said. “I’ll show you that she’s a slut like you and your sister. Watch!”

“Don’t,” she warned as I swam toward her mom.

Victoria turned toward me and smiled, her tits just above the water level.

“You have amazing tits,” I smiled, looking at her tits. “You look amazing when you are completely naked.”

John did not comment.

“Thanks,” she said, smiling, “but aren’t you afraid your girlfriends may hear you flirt with their naked mom?”

“Lisa, come here,” I called.

Lisa swam toward us.

“Don’t you think your hot mom has gorgeous tits?” I said.

“Of course,” she said.

“You have mouthwatering nipples too,” I said, looking at Victoria’s stiff nipples.

“Is that right?” teased Victoria.

“I can envy my girlfriends for getting to nurse them freely when they were little,” I said.

“Didn’t you get to nurse your mom’s nipples when you were little too?” she said.

“Of course, I did,” I said. “My mom has luscious nipples too. I wish she never weaned me.”

“You liked them that much?” she said.

“I still do,” I said. “They are still fantastic.”

Lisa stealthily stroked my hard cock underwater. Beth joined us.

“Aren’t you too old for that now?” said Victoria.

“I don’t think so,” I said. “I think I can nurse them better now.”

“Is that right?” she laughed.

“I now know what I am doing,” I said. “Your sweet nipples make my mouth water.”

“You want to nurse my nipples too?” she said.

“I’d love to,” I said.

“I’d love to give you a shot, but I think John would get jealous,” she said.

“Don’t you think he should be too secure for that?” I said.

“I don’t know,” she said.

“Mr. Conkley, would you really get jealous of your daughters’ boyfriend?” I said. “Are you afraid your hot wife would run away with me and leave her lovely daughters behind?”

“Of course not,” he said.

“Didn’t I tell you?” I said to Victoria.

“In that case, go ahead,” she said. “Nurse them.”

“They are now contaminated with chlorinated water,” I said. “We need to wash them first. Lisa, get me the garden hose so I can clean your hot mom’s luscious nipples.”

Lisa shrugged and obliged me.

“Dad, are you going to let Nick nurse mom’s nipples?” asked Beth.

“Your mom’s a big girl,” he said. “She knows what to do.”

“It looks that your daughter’s the one getting jealous,” I said to Victoria.

“I am not,” said Beth.

Lisa handed me the end of the hose. I used the mist setting to soak her mom’s nipples. That made them stiffer. I washed them thoroughly without touching them. I handed Lisa the hose back, and she took it away.

“Is your boyfriend really good at nursing nipples?” Victoria asked Beth.

“He’s very good, but you shouldn’t let him nurse yours,” said Beth as Lisa joined us.

“Don’t you think your statement’s contradictory?” said Victoria. “If he’s good, I should want him to.”

“You are a married woman,” said Beth.

“Sweetie, married women like to have their nipples nursed too, and your dad’s okay with that,” said Victoria.

“Are you ready, Victoria?” I asked.

“Yes,” she said. “Show me what you’ve learned since your mom weaned you.”

“Allow me to hold you,” I said as I moved toward her and held her waist.

“Be nice,” she said as I lowered my mouth to her stiff left nipple. “Don’t be bad to your girlfriends’ nice mom.”

“I’ll show you how nice I can be,” I assured, holding the top of her ass underwater.

Everyone watched my lips slowly approach her nipple as I lowered my left hand to her ass and squeezed it. I fondled her ass with my left hand while I teasingly lowered my lips to her stiff nipple. I freely felt up her ass as I pulled up and changed course, going for her right nipple. Just before my lips touched her right nipple, I moved to her left nipple and sucked it into my lips, making her gasp.

“You are a wicked kid,” she moaned as I wormed my middle finger into her asshole. “This feels nice.”

While gently sucking her nipple, I worked my finger all the way into her asshole. I reamed her asshole out a little before I slid my index finger into her asshole and my ring finger into her pussy. When my fingers were all the way in her holes, I proceeded to work on her nipple seriously. Her holes twitched and milked my fingers.

“You are so good,” she moaned, holding my head to her tit. “Beth was right. I like this.”

Wiggling my fingers within her fuck holes, I switched my mouth to her right nipple. She concentrated while I tortured her nipple and fuck holes. Within a couple of minutes, she stiffened and shook in orgasm. She just gasped as her orifices convulsed around my fingers.

“What do you think?” I smiled when she recovered and I removed my fingers from her.

“I have to admit that I’ve never had my nipples nursed like that,” she said. “You’ve definitely learned quite a bit.”

“Beth, do you want to challenge me?” I asked. “Each one can take a nipple.”

“I know how good you are,” said Beth. “There is no way I can compete with you.”

“You never know,” I said. “It’s fun anyway.”

“What do you think, mom?” she asked.

“Sure,” said Victoria. “Why not?”

“I’ll give you a head start,” I said. “Go on.”

Beth took her mom’s left nipple in her mouth and proceeded to suck it. I guided her left hand to my hard cock. She resisted a little, but I did not let go until she started to stroke it. I took Victoria’s right nipple and returned my fingers to her pussy and ass while I sucked it. Victoria held our heads to her tits. I fingered Beth’s pussy too. I finally took my fingers off Beth’s pussy and attacked her mom’s clit. Victoria soon came.

“Nick’s the winner,” declared Victoria, gasping for air.

“Do you want to play me?” I asked Lisa.

Lisa finally took her mom’s right nipple, and I took Victoria’s left nipple. I guided Lisa left hand to my hard cock and used my right hand to finger Victoria’s pussy to another silent orgasm.

“Nick wins,” announced Victoria finally, gasping.

“Mr. Conkley, it’s your turn,” I said.

John finally accepted the challenge and took his wife’s left nipple. She held our heads to her tits, and I fingered her pussy and ass while I sucked her nipple to orgasm.

“Nick’s the champion tit sucker,” gasped Victoria her declaration.

“I have to nurse mom’s nipples when I go home today,” I said.

“I am sure she’d love it if she let you,” she said.

“What did *you* learn since your mom weaned you?” I asked her, squeezing her ass.

“I am a big girl,” she said. “I learned to suck cock.”

Her husband was startled, but he did not comment.

“Is that all?” I teased.

“Don’t take that lightly,” she said. “I am very good at it.”

“How can you prove that?” I teased.

“If your girlfriends don’t get jealous, I can show you,” she said.

“I don’t think my girlfriends would get jealous of their own mom, but do you think your husband would let you suck my big fat cock?” I teased. “He must think it’s too big for you. He wouldn’t want you to get hurt.”

“No cock’s too big for Victoria,” she said. “If my husband doesn’t know that already, it’s about time he did.”

“Anyway, I think it’s too big for you,” I said. “I bet you anything you can’t make me come in fifteen minutes.”

“You are arrogant,” she said.

“Do you think your hot wife can make me come in fifteen minutes?” I asked him.

“Without a doubt,” he said.

“Do you want to bet?” I asked.

“What are the stakes?” he asked.

“The loser eats my come,” I said. “If she wins, I’ll eat my come. If I win, I’ll fuck her and feed her my come.”

“You are on,” he said.

“Dad, he’s going to fuck mom,” protested Beth. “She can’t make him come in fifteen minutes.”

“Don’t be silly,” he said. “He can’t last for fifteen minutes.”

“Dad, Nick can last for fifteen hours,” she said.

“No way,” he said. “Your mom’s good.”

“You think I am not?” she said.

“You are going to get the best blowjob of your life as long as it lasts,” said Victoria. “Let’s wash your big cock.”

Lisa brought the hose, and Victoria washed my cock and balls thoroughly.

“Wash your fine tits,” I said as I sat on the edge of the pool, placing my feet on the stairs. “I’ll fuck them too.”

“That’s a good idea,” she said, taking the hose to her tits.

“I am going to fuck you in every hole you have,” I said when she took her position before me. “If you don’t want that, you better make me come. Your reputation’s on the line.”

“Your big cock’s in for a real treat,” she said. “I promise you that.”

“You have a nice mouth,” I teased. “Why don’t we make it half an hour?”

“My husband can’t last in my mouth for one minute,” she said. “You think you can do better?”

“If you can make me come within one minute, I’ll die my hair pink on top of everything else,” I said.

“Beth, what do you think?” she asked.

“Nick can fuck the three of us halfway to death and then come all over our lifeless bodies,” said Beth.

“If he can do that, I’ll gladly let him fuck me any way he wants,” said Victoria.

“He’ll fuck you in the ass too,” warned Beth.

“I’d even let him fuck my ears,” said Victoria.

“So far, it seems that you’ve only learned talking,” I teased. “You are pretty good at it too.”

“I’ll show you that talking isn’t my strongest point,” she said.

“Unfortunately, talking isn’t the way to show me that,” I teased.

“I have half an hour?” she asked.

“You have all the time you want,” I said. “If you want to suck my cock for two hours, go for it.”

“I want to make sure I can afford to play with it a little,” she said. “It looks too good to make come too soon.”

“Suck my big cock any way you want,” I said. “It will be here for you for all the time you want it.”

She stuck her tongue out and proceeded to tease my engorged cock head. It twitched and soon leaked. She looked at me teasingly while she continued to toy with it with her tongue.

“You have a big mouthwatering cock,” she said.

“Enjoy it, Victoria, just like I enjoyed your big mouthwatering tits,” I said. “I am having a good time.”

Taking my cock head between her lips, she sucked it and moaned around it.

“Suck my big cock, baby,” I encouraged. “Show me you are a serious cocksucker like you claimed.”

She looked at me teasingly as she went to my balls.

“You are taking your time, aren’t you?” I said as she teased my balls with her tongue.

“I have half an hour, don’t I?” she said. “I am going to take my time with your big juicy cock.”

“Those aren’t my cock you are licking,” I said. “They have the come you’ll eat if you take your time too much.”

“Let me pamper your big balls,” she said. “One of us is going to eat their big come load.”

“Have fun,” I said. “If you want, we can even start your half hour whenever you want.”

“No, I don’t want to suck your big cock all day although it’s a lot of fun,” she said. “If you last, I want it in me.”

She sucked my balls gently for several seconds and returned to my cock head. She sucked and licked my cock head for half a minute. She then licked the underside of my cock. She took my cock head in her mouth and worked her lips up and down my shaft, taking it a little deeper each time.

Beth looked at me, and I beckoned her with my finger.

“Your dad will soon watch his slut wife whore herself to me,” I whispered to her. “He’ll watch me drill her hot ass, which he’s never fucked. He can do nothing to keep her from being my dirty whore like her whore daughters.”

“You are a sick pervert,” she said lowly.

“What about your slut mom and your naïve dad?” I teased.

“They are crazy,” she said lowly.

“Enjoy the show,” I whispered. “I hope your dad will.”

“He has no clue how bad you are,” she said.

“His cluelessness about how *good* I am has already cost him his slut wife,” I whispered.

“You are too happy for that,” she said.

“Who can blame me?” I whispered. “I now have the little whores and the big whore.”

“You are a horny pervert,” she said.

“I know, and I love it,” I smiled.

When Victoria was halfway down my shaft, she did not go any deeper. She worked her lips briskly up and down my cock, sucking hard. I let her do that for a minute.

“Take it all the way down your throat,” I said. “Show me that you are a real cocksucker. This is kid’s play.”

“I am just warming up,” she said. “You’ll soon see the real deal.”

“I can’t wait,” I said. “It better be within the time limit though.”

She slowed down and slowly worked her lips down my cock. When I was balls deep in her mouth, she held my cock there for several seconds.

“It feels better in my throat,” she smiled.

“Now, you know what your throat was made for,” I said. “Put it to good use.”

“You bet,” she said.

She took my cock in her mouth and deep throated it eagerly for several minutes with very little breaks.

“She isn’t bad, is she?” I teased Beth.

“She’s very good,” she said. “A normal guy wouldn’t have lasted in her mouth this long.”

“For some reason, I don’t think she’s complaining,” I teased.

“She obviously loves it,” she said. “You have a big delicious cock.”

“Thanks, baby,” I said.

“I am sure she’s giving you the best blowjob she’s ever given anybody,” she said.

“Is that right, Mr. Conkley?” I asked.

“Yes,” said John. “At least, she’s never given me a blowjob like that.”

“Honey, this kind of blowjob can be given only to a guy who can last forever,” said Victoria. “I’ve never given it to anybody else. I am going to devour this amazing cock.”

“You already are,” he said as she swallowed my entire cock.

“Are you proud of how good a cocksucker your mom is?” I asked Lisa.

“Yes,” said Lisa.

“You think Beth’s proud of her too?” I asked.

“Of course,” she said.

“What about your dad?” I asked.

“He must be prouder than the two of us combined,” she said. “She’s his wife.”

“Is that right, Mr. Conkley?” I asked. “Are you proud of your hot wife’s oral prowess?”

“Yes,” he said.

“Do you still think she can win?” I asked.

“I am not so sure,” he said.

“You should be sure she can’t,” I said. “She’ll make you prouder when she swallows my creamy come. I am going to put her through her paces before I let her do that. You’ll enjoy a show like no other.”

“You have incredible lasting power,” he said.

“It’s more fun when a woman gives up and surrenders to my big cock,” I said. “It’s like taming a rodeo.”

“She’s trying to tame your big cock, but she can’t,” said Lisa.

“In essence, she’s using my big cock to tame herself,” I said. “She’s as good as a slave to it, and she loves it.”

“You like doing that to her, don’t you?” she said.

“I won’t be the only one complaining,” I said. “It’s what my big cock’s for anyway.”

“In all honesty, mom’s very lucky to enjoy your big juicy cock,” said Beth.

“In all honesty, I am very lucky to have it down her throat,” I said. “I can’t wait to have it balls deep elsewhere.”

“I am sure you can’t,” she said.

“Slap and rub your face with it,” I said to Victoria. “Show them you are a dirty girl. It’s fun.”

“I can be a very dirty girl for the right cock,” she said as she slapped her face with my sticky hard cock.

“Can you be a very dirty girl for *my* big cock?” I asked.

“Not only can I, but I also have to,” she said, rubbing her face with it. “This big cock can turn nuns into whores.”

“You are a dirty girl,” I teased.

“You like having me be a dirty girl for your big cock in front of my husband and daughters,” she said.

“I like that because you enjoy it,” I said. “Don’t you enjoy being my big cock’s very dirty girl?”

“Yes,” she said.

“Use your tits,” I instructed. “Show them how dirty you can be.”

She used her nipples to tease my cock head. She brushed them up and down the underside of my shaft. She then drooled on my cock and wrapped her tits around it. She used my cock to fuck her tits for a minute.

“Stand up, and fuck my face,” she said. “Use your dirty cocksucker.”

“You want to act like a dirty whore now?” I teased.

“Yes,” she said.

“What do you think, Mr. Conkley?” I said. “Should I get up and fuck your hot wife’s lovely face?”

“Sure,” he said. “You’ve earned it.”

“You must mean she did,” I said, getting up. “I haven’t done anything so far. I am just sitting on my lazy ass.”

“In that case, it’s about time you got off your lazy ass and moved it,” he said.

Victoria took my cock in her mouth, and I gently held the back of her head with my right hand. I slowly fucked her throat while she eagerly worked her mouth back and forth on my cock. Before long, I held her head tightly and fucked her throat deeply. I occasionally slapped and rubbed her face with my cock.

“Lie back,” she said.

She pulled me down, and I lay on my back. She straddled me.

“What are you doing?” I asked as she guided my cock head to her dripping pussy.

“Didn’t you say you’d fuck all my holes if I lost?” she said, lowering her pussy onto me. “I’ve luckily lost.”

She moaned her way down my cock before she rode me at an easy pace.

“I am fucking your hot tight pussy in front of your husband and daughters,” I said.

“You are,” she said. “Enjoy.”

“It feels so good,” I said. “I am enjoying it immensely.”

Beth climbed out of the pool, and Lisa saw her butt plug.

“What’s that thing sticking out of your butt?” asked Lisa.

“What?” asked Beth.

“There is something in your butt?” asked Lisa.

“It’s a butt plug,” said Beth. “Nick makes me wear it.”

“You do?” Lisa asked me.

“Contrary to common belief, a woman’s asshole’s very sensitive,” I said. “It loves to be stretched and stuffed. That’s why I encourage Beth to do that. She loves it.”

“Do you?” Lisa asked Beth.

“Yes,” said Beth.

“Does he have anal sex with you?” asked Victoria.

“Yes,” said Beth.

“He sticks his big fat cock up your little asshole?” asked Victoria, her pussy twitching around my cock.

“His cock isn’t much bigger than this butt plug,” said Beth. “This helps me last longer while he fucks my ass.”

“You can take his big cock in the ass?” said Victoria.

“Yes,” said Beth. “You soon will too. You think he’ll let you go before he fucks your ass open?”

“He will?” said Victoria, her pussy and asshole twitching, as I slid a finger up her asshole.

“Yes, mom,” said Beth.

“That’s perverse,” said Victoria as I squeezed a second finger up her ass. “I’ve never let your dad do that to me.”

“My boyfriend will,” said Beth. “He’s already reaming out your little asshole to get it ready.”

“This is so slutty,” said Victoria.

“You are being a dirty whore,” said Beth.

“Beth, we need lube,” I said.

Beth disappeared into the house for a minute and returned with lube.

“Fuck mom’s ass royally,” said Beth, handing me the lube. “You’ve both earned it.”

“Do you want me to fuck you up the ass, where your husband has never fucked you?” I teased Victoria.

“Yes,” she gasped, stiffening.

Victoria shook in orgasm, both her holes twitching around me. Her pussy drenched my cock in its juices. I jerked my fingers within her asshole until her orgasm subsided.

While she recovered, I lubed her asshole and used two fingers to ream it out. She lowered her mouth to mine, and we kissed lewdly while she humped my cock and fingers.

“Ride my big cock, and show them how much you love it when you are its dirty whore,” I said, thrusting in her.

“I love it so much,” she moaned as she worked her pussy up and down my cock.

“Are you its dirty whore?” I teased.

“Yes,” she hissed.

“Get fucked, and come for it,” I said, pinching a stiff nipple with my free hand.

She rode my cock energetically, and I finger fucked her asshole at the same pace until she came.

She ground into me gently as she recovered. I added lube to her ass and resumed reaming out her asshole.

She picked up the pace and bounced on my cock to a third orgasm.

“Lisa, do you want to suck my big cock clean?” I asked as I helped Victoria off my cock.

“Sure,” she said.

“Suck your hot mom’s tasty juices of my big sticky cock,” I said.

While Lisa eagerly sucked my dripping cock, I added lube to her mom's asshole. Victoria spread her ass as I squeezed a third finger into her asshole and corkscrewed my three fingers all the way in. I squeezed lube on Lisa's asshole and worked two fingers into each hole while reaming out her mom's asshole with three fingers. They humped my hands, Lisa moaning on my cock.

"Your new girlfriend's a real cocksucker," said Victoria as Lisa deep throated my cock.

"You think the little slut may be taking after her mom?" I teased.

"I bet," she said.

"You think she deserves a reward?" I said, finger fucking Lisa's holes faster.

"Of course," said Victoria.

Lisa devoured my cock more hungrily as I finger fucked her pussy and ass vigorously. She soon stiffened and came. Her orifices twitched around my fingers as she gasped for air. I kept my fingers inside her while she calmed down. I then took them out and sucked them.

"What do you want now, Victoria?" I asked, twisting my three fingers within Victoria's asshole.

"I want you to fuck my ass," she said.

"Are you sure?" I teased.

"Yes," she hissed. "I need it there. You've made my little asshole so hungry for your big cock."

"Are you going to be a good girl and say please?" I teased.

"Please fuck my horny ass," she said. "Your dirty whore needs it bad."

"Your tight asshole definitely needs to be reamed out well," I said.

"Yes," she hissed.

"Are you okay with that, Mr. Conkley?" I said. "Your hot wife has a fantastic ass. I'd love to fuck it royally with my big cock, which you saw her enjoy so much in her mouth and pussy. Now, she needs it up her cute little asshole."

"That's up to her," said John.

"You heard her beg," I said. "Do you want me to fuck her luscious ass or let her down?"

"Do it," he said.

"Do what?" I asked.

"Fuck her ass," he said.

"Let's go inside where it's more comfortable to kneel," I said, getting up.

Victoria got up with my fingers still in her ass.

"Hang on to my neck," I said. "I'll carry you inside."

Victoria wrapped her arms around my neck, and I looped my left arm under her knees while keeping my three fingers up her ass. I carried her and walked to the house. I turned around halfway.

"Beth, why don't you get us a gym mat since this is a pool party?" I said.

While Beth went to get the mat, I continued to carry her mom, reaming out her asshole.

Beth returned and laid the mat on the ground. I put Victoria down on her knees. She got on all fours and pushed her ass out. I knelt behind her and gently twisted my fingers within.

“Would you like to spread her ass to make it easier on her and watch closely that it doesn’t hurt?” I asked John.

“What?” he said, startled.

“Honey, kneel down next to me and spread my ass so he doesn’t hurt me with his big fat cock,” she said.

“Don’t you want her to have a great time?” I said. “Go ahead. Be part of it.”

He reluctantly took his position next to his wife and spread her ass tentatively. She adjusted his hands.

“She has such a beautiful ass,” I said, adding lube to her asshole while slowly working my fingers in and out.

Beth took the hint when I handed her the lube and motioned her to my cock. She eagerly deep throated my cock for a minute before she lubed it thoroughly.

“Lisa, guide my big hard cock into your hot mom’s horny little asshole,” I said, slowly pulling my fingers out.

Beth let go of my slick cock, and Lisa aimed it at her mom’s splayed asshole.

“Are you sure it isn’t too big?” asked John as my engorged cock head approached his wife’s forbidden asshole.

“Relax,” I said softly, pushing my cock head into Victoria’s asshole. “You’ll now see your hot wife have the hottest time of her life. Most people have no clue that this is what hot asses were made for. Watch, and have fun.”

Victoria’s asshole dilated slowly as I tantalizingly pushed my cock head into it to tease everybody, including myself. She gasped when my cock head popped in, stretching her asshole wide around the beginning of my shaft. I paused for several seconds.

“This feels so good,” she moaned. “I want more.”

“Your slut wife has a greedy asshole,” I said as I resumed pushing into her ass. “She’ll swallow it balls deep.”

“This looks so hot,” said Lisa. “I love watching your big cock sink slowly into mom’s stretched asshole.”

“Wait until it sinks slowly into yours,” I said.

“I can’t wait, but I can’t see it then,” she said, watching me gently thrust into her mom’s spread ass.

“What do you think, Mr. Conkley?” I asked when I was halfway in.

“It’s amazing,” he said.

“It sure is, honey,” said Victoria.

“You can see how wet her juicy pussy is,” I said.

“It’s soaked,” he said as he leaned forward.

“Your hot wife was definitely meant to be an anal slut,” I said. “This is exactly what she now is.”

“I can see that,” he said.

“You are a very strong man,” I said. “There is no way I could have a wife with an ass this hot and not fuck it.”

“I tried, but she’s never let me,” he said.

“I am too weak to let anything keep me away from such a luscious ass,” I said. “I admire your resolve.”

“It wasn’t exactly my resolve,” he said. “It was hers.”

“How come she didn’t show any of that resolve to me?” I said.

“I don’t know,” he said.

“You should, honey,” she said. “Nick has an amazing cock. I couldn’t deny it. That’s why.”

“You have an amazing ass and a sweet asshole, Victoria,” I said. “I had to fuck it.”

“You just do that, lover,” she moaned. “Fuck my horny ass, baby. Show my husband how it should be fucked.”

Victoria humped my cock. I held her hips and worked my cock into her ass with precise strokes. I made her come exactly when my balls touched her pussy. I let go of her ass and let it jerk uncontrollably back and forth on my cock as her asshole twitched ecstatically and she shook wildly.

“I am coming so hard,” she gasped.

“You are an ass whore, Victoria,” I teased. “You love my big cock in your forbidden but greedy little asshole.”

“Yes, yes,” she hissed. “It’s wonderful.”

Her hard orgasm finally subsided, and she calmed down.

“Do you think that hurt her?” I asked him as I thrust gently but deeply in her ass.

“No,” he said. “It looks so natural.”

Victoria recovered, and I slowly picked up the pace.

“When I told you that your slut mom had a fantastic ass, did you expect to see me fuck it royally while your dad graciously spreads it for me?” I asked Beth.

“I actually expected dad to kick your ass,” said Beth.

“Your dad must agree that ass fucking’s more fun than ass kicking,” I said.

“I don’t know how they let you do this,” she said.

“It’s fun,” I said. “Everybody loves fun. Aren’t you having fun, Mr. Conkley?”

“Yes,” he said.

“You’ll never know how fantastic your hot wife’s ass is,” I said. “You have to take my word for it.”

“It can’t be half as fantastic as how your amazing cock feels inside it,” gasped Victoria.

“I am sure it can,” I said.

“You are giving it a serious drilling,” said Lisa as I fucked her mom’s ass briskly.

“That’s what it needs,” I said. “Isn’t that right, Victoria, baby?”

“Yes,” hissed Victoria.

“Are you happy for your slut mom, Beth?” I asked. “She’s finally getting her hot tight ass fucked royally with the big fat cock it deserves in front of her wonderful and supportive family.”

“Yes,” said Beth quietly. “She’s obviously having a great time.”

“She loves it as much as you do,” I said.

“She apparently does,” she said.

“Her sizzling ass was definitely meant for my big cock,” I said.

“You think so?” she said.

“I am not the only one who does,” I said.

“That’s right, lover,” gasped Victoria. “I do too.”

“I am not going to be through with your hot mom’s luscious ass anytime soon,” I said to Beth. “Would you like to have her lick your juicy pussy while I continue to drill her hot ass?”

“You are sick,” said Beth. “Of course not.”

“Lisa, would you like that?” I said.

“Sure,” said Lisa.

“You are sick,” said Beth as Lisa took her position before her mom.

“I am so wet I’d let dad lick my pussy,” said Lisa.

Beth and her dad watched intently as Victoria stuck her tongue out and proceeded to lick Lisa’s dripping pussy.

“This is lesbian incest,” said Beth.

“Why don’t you bring your soaked pussy where I can lick it for you instead of teaching us morals?” said Lisa.

“Of course not, you pervert,” said Beth.

“Beth, do it for her if not for you,” I said. “She’d love it.”

“Dad, say something,” she whined.

“Mr. Conkley, tell her to be a good girl and listen to her boyfriend,” I said.

“Be a good girl, and listen to your boyfriend,” he said, stunning her.

“You want my little sister to lick my pussy?” she said in disbelief.

“Everybody else does,” he said.

“The first of you to come gets my big cock first,” I said.

“You are sick,” said Beth.

“Be nice to your thirsty sister and feed her your leaky pussy,” I said.

“You are all perverts,” said Beth as she knelt astride Lisa’s face. “Dad’s spreading his wife’s ass for his daughter’s boyfriend. Mom’s getting her ass fucked by her daughter’s boyfriend while eating her other daughter’s dripping pussy. My sister’s licking my pussy while feeding mom hers. I am feeding my sister my soaked pussy while watching my boyfriend fuck mom’s ass and my mom eat my sister’s pussy.”

“In short, you are a whore,” I teased.

“I know,” she said.

“Are you going to be a good girl and taste your slut mom’s hot ass on my big cock when I take it out?” I said.

“Yes,” she hissed.

“How is your sister doing?” I said.

“She’s pretty good,” she said.

“You like what she’s doing to your horny pussy?” I said.

“Yes,” she hissed.

“Lesbian incest isn’t all that bad, is it?” I teased.

“No,” she said.

“You are a sick pervert,” I teased.

“Yes,” she hissed.

Victoria came first followed by Beth and finally Lisa after Victoria recovered.

“Taste your mom’s ass on my big cock,” I said to Beth, slowly withdrawing from her mom’s ass.

Victoria’s ass gaped slightly. Beth knelt down and swallowed my cock. I fucked her throat for a minute while fingering her mom’s asshole. When Beth was done, I bent over and gave Victoria’s relaxed asshole a deep kiss.

“It tastes good, doesn’t it?” I asked Beth.

“Yes,” said Beth.

“Rotate, Victoria,” I said. “Beth will replace you, and you’ll replace Lisa.”

They soon took their new positions.

“Mr. Conkley, please spread your daughter’s hot ass for my big cock,” I said, fingering Beth’s pussy.

“She’s my daughter,” he complained.

“You’d only help her do something legitimate,” I said. “You won’t have sex.”

He spread Beth’s ass, and I worked the butt plug in and out of it for a minute. It gaped when I pulled the butt plug out. I squeezed lube inside it and pushed my cock in. I reached out and offered Lisa the butt plug. She leaned forward and took it in her mouth like a big pacifier. She moaned as she sucked it. I pinched and twisted her stiff nipple on my way back, making her let out a long moan.

“It doesn’t hurt to watch her luscious ass get fucked nicely for its educational value if not for its sheer beauty,” I said, fucking Beth’s ass briskly. “I love watching my fat cock fuck a sweet tight asshole until it’s no longer tight.”

“This is a new experience for me,” he said.

“It’s a unique experience too,” I said. “Make the best of it just like I am doing. I am going to fuck these hot sluts in every hole they have royally. Am I not fucking my slut girlfriend’s horny asshole royally?”

“You sure are,” he said.

Beth moaned into her mom’s pussy. Her mom moaned into Lisa’s. Lisa moaned around the butt plug.

“Your ass is next,” I said to Lisa.

“Mom’s fingering it,” she mumbled. “She’s making sure it will be ready.”

“Beth, finger your mom’s asshole,” I said. “Show her you are a dirty good girl.”

Beth came twice on my cock. Lisa came before Beth’s second orgasm. Her mom came after.

“Do you want to taste your sister’s asshole on my big cock this time?” I said to Lisa.

“Yes,” said Lisa, taking the butt plug from her mouth.

Beth’s asshole gaped when I pulled out. I gave it a deep kiss. Lisa took my cock in her mouth and deep throat it. I held the back of her head with one hand and fucked her throat while fingering her pussy and ass with the other.

John did not hesitate to spread Lisa’s ass while Lisa ate Beth’s pussy and fingered her asshole. Beth ate her mom’s pussy and fingered her ass. I squeezed lube on Lisa’s asshole and used two and then three fingers to ream it out. I squeezed more lube and worked the butt plug in. I fucked her ass with it for a minute.

“Taste it on the butt plug first,” I said to Victoria, offering her the butt plug.

Victoria took the butt plug in her mouth, and I pushed my cock into Lisa’s asshole.

“You like this, you little whore?” I teased Lisa when my cock head popped up her ass.

“Yes,” she hissed.

“You like whoring yourself to your new boyfriend?” I said.

“Yes,” she hissed.

“They all have amazing asses and sizzling assholes,” I said to her dad, thrusting gently into Lisa’s ass. “This isn’t as easy as it looks. Aren’t you happy to find someone who can take care of them without hurting them?”

“Yes,” he said.

“You are a lucky person to have such a beautiful family,” I said.

“Thank you,” he said.

Lisa’s asshole loosened up, and I fucked it briskly.

Lisa came three times. Victoria and Beth came between Lisa’s second and third orgasms.

Lisa’s asshole gaped, and I gave it a long kiss, sticking my tongue in it. I drooled inside it when I broke the kiss.

“Do you want to taste it on my big cock?” I asked Victoria.

Victoria soon swallowed my cock. I fucked her throat while working the butt plug in and out of her ass.

“Lie back and place your feet on either side of your ears,” I said to Victoria. “You’ll get to spread your own ass.”

Victoria got into position, and I pinned her feet to the mat. Lisa lubed my cock. She took the butt plug out of her mom’s asshole and put it in her own mouth while she guided my cock into her mom’s spread ass.

Victoria’s ass received a vigorous drilling, coming three times. Beth and Lisa’s got fucked similarly. I kept the butt plug in the next ass I was going to fuck.

“Do you want to leak my come out of your ass on the tiles and lick it with your daughters to show your husband what devoted whores for me you all are?” I whispered to Victoria while I fucked her ass from behind.

“Yes,” she hissed, her asshole twitching. “That will blow his mind.”

Victoria came six times before I decided to fill her ass with come.

“I am finally going to come,” I said to him. “Do you want me to flood your hot wife’s sizzling ass with come?”

“Yes,” he said.

On Victoria’s seventh orgasm in that position, I let go.

“Victoria, I am filling your hot ass with come,” I said as my cock swelled and pulsed in her twitching asshole.

“Yes, yes, lover,” she gasped. “Flood my horny ass with your hot come.”

Her orgasmic spasms drained my balls into her rectum. I pulled out when she recovered and my cock softened.

Lisa pounced on my sticky cock and swallowed it down her throat.

Victoria squatted aside and let my come gush and drip onto the tiles.

“Victoria, what are you doing?” he said in shock as she wiped her sticky asshole with her fingers.

She sucked her goeey fingers first.

“I want to show my appreciation for Nick,” she said. “I want to show him how much I love his cock and come.”

“That’s disgusting,” he said, pointing with his eyes to the pool of come.

She knelt down and stuck her tongue out into the come. She lapped up some of the come as he watched in shock.

“Lisa, would you like some?” asked Victoria.

“Sure,” said Lisa.

Lisa got on all fours and lapped up half of the remaining come.

“Do you want to finish it off?” Lisa asked Beth.

“Why not?” said Beth.

Beth left no trace of the come on the tiles.

“That was disgusting,” he said.

“Don’t say that, dad,” pouted Beth. “It was delicious.”

“Yes, dad,” said Lisa.

“It was, honey,” said Victoria.

“You are all crazy,” he said.

“Wait until you taste it out of my ass,” she said.

“I am not going to taste it out of your ass,” he said.

“You are, honey,” she said, pointing to my hard cock “Nick’s ready for more. I am sure he won’t mind pumping another big creamy come load up my ass for you.”

“No way,” he said.

“I insist,” she said. “You have to try it to see that it isn’t disgusting like you think. Besides, you are a member of our family. You have to eat Nick’s come like the rest of us. You’ll love it.”

Meanwhile, Lisa deep throated my cock. I turned her around, lubed my cock and impaled her ass.

Victoria got closer and watched me fuck her daughter’s offered ass.

“Is that how he fucked my ass, honey?” she asked her husband.

“Yes,” he said.

“No wonder it felt incredible,” she said. “It looks great, doesn’t it?”

“Yes,” he said.

“It’s a treat to watch his big fat cock pump her tight asshole with long smooth strokes at a brisk pace,” she said. “Don’t you think so too?”

“Yes,” he said.

Lisa soon came.

“I want some of that,” said Victoria.

Victoria got on all fours next to Lisa.

“Fuck my horny ass, lover,” said Victoria. “Let me show my husband how much I love your incredible cock.”

“Your hot wife has turned into an insatiable slut,” I said to him as I took my position behind his wife’s hot ass.

“I’ve always been so, but there was no reason to show it,” she said as I pushed my cock into her offered ass.

“Did you know that your hot wife had been such a slut?” I asked.

“No,” he said.

“I knew it the first time I saw her,” I said.

Beth knelt next to her mom and spread her ass for me as I fucked it at an easy pace. I picked up the pace.

“What do you think of her little asshole,” I said.

“You are stretching it wide,” he said.

“Don’t you think it’s beautiful?” I asked.

“Yes,” he said. “She’s never let me touch it.”

“It wasn’t meant for you,” I said. “It was meant to be deflowered and fucked by the big cock drilling it now.”

“Yes,” hissed Victoria.

“What do you think, Beth?” I asked. “Don’t you think that your slut mom’s hot ass was meant for my big cock?”

“Yes,” said Beth. “They are obviously perfect together.”

“Don’t you think it belongs around my big cock, Mr. Conkley?” I said.

“I think so,” he said.

“Aren’t you happy it’s finally where it belongs?” I said.

“Yes,” he said.

Victoria soon came, and Beth got on her hands and knees next to her. I impaled her ass and put it to her. Victoria got up and spread Beth’s ass for me.

“They are completely shameless, aren’t they?” I said.

“Yes,” he said.

“Victoria, next Saturday I am going to fuck you and your daughters at my house in front of my family,” I said.

“They’d freak out if you did that,” said Victoria.

“I don’t think so,” I said. “Mom’s a married woman just like you. If she can’t understand that you need to whore your slutty self to me, nobody can.”

“What about your dad?” she asked.

“He’s old enough to know that married women are whores waiting to get used properly,” I said. “If he doesn’t know that already, it’s about time he did.”

“What would your sister think?” she asked.

“She needs to know that hot girls remain whores even after they get married,” I said.

“You think they wouldn’t mind watching you fuck us royally?” she said.

“They’ll even spread your asses for me,” I said. “Who do you want to spread your ass first? They all will.”

“That would be your mom because she’s supposed to understand most,” she said.

“Would she let me nurse her mouthwatering nipples while I fuck your luscious ass?” I said, pinching a nipple.

“I don’t think so,” she said, “not in front of your dad and sister.”

“Would she let me cop a feel when they are not looking?” I said, squeezing her left tit.

“You want to feel up your mom’s tits?” she said.

“Had she not had great tits, I wouldn’t have wanted to nurse them,” I said.

“I don’t think she’d let you do that,” she said.

“You think you are sluttier than her?” I said.

“Of course,” she said.

“I’ll need to have a talk with her,” I said. “I don’t want her to look like a prude.”

“She isn’t a prude if she spreads your whores’ asses for your big cock,” she said.

“Something’s wrong if a woman spreads a whore’s ass for a guy but doesn’t let him feel up her tits,” I said.

“Good luck with that,” she said.

“Thanks,” I said. “I want you all to wear butt plugs like Beth’s. I want them to know that you are dirty whores. I don’t want them to think that I fuck mediocre sluts.”

“Those butt plugs would drive us crazy,” she said.

“I know, especially that you’ll wear outrageous outfits without any underwear,” I said.

“We will?” she said.

“Of course,” I said. “You are going to make me proud, aren’t you?”

“What do you think, honey?” she said. “Do you think we are dirty enough for that?”

“I think you are,” he said.

“Thanks for your vote of confidence,” she said. “We won’t let you down.”

“To make sure they are ready, I’ll come over during the week and take them out dressed outrageously. I’ll also introduce them to public debauchery. You’ll see pictures of them sucking and fucking at malls and parks.”

“Do you think that’s a good idea?” he asked.

“Absolutely,” I said. “These hot sluts deserve to be used to their full potential. That’s how they feel so special.”

“Thanks, lover,” said Victoria.

After Beth came, I got up and fucked Victoria’s throat for a minute.

“Should we go inside,” I said, pulling Victoria up to her feet.

“I think so,” she said as I lubed my cock.

“Climb up,” I said. “I want to carry you with my cock up your sizzling ass.”

She wrapped her arms around my neck and climbed onto my arms which went under her knees as I held her ass.

“Mr. Conkley, guide my slick big cock into your hot wife’s horny asshole,” I said, spreading Victoria’s ass.

“What?” he said in surprise. “No way!”

“Do it for your wife and daughters,” I said. “They want to see that you want them to be happy.”

“Do it, honey,” said Victoria. “Help your slut wife’s stud lover fuck her horny ass.”

He reluctantly held my slick shaft and popped my cock head up his wife’s splayed ass.

“Thank you, sir,” I said, working her ass all the way down my cock.

“Thanks, honey,” she said as I bounced her ass on my cock.

“You are welcome,” he said.

“Are you now happy that your husband has conceded his slut wife to me?” I said lowly, heading to the house.

“Yes,” hissed Victoria. “I love it. You’ll get to fuck me freely like a cheap whore from now on.”

“That was why I showed him that you and your daughters were dirty whores,” I said.

“I can’t wait to feed him your come out of my slimy ass,” she said.

“Me neither,” I said.

“It’s so good to be your official dirty whore,” she said.

“It is,” I said as I sat down in the middle of the sofa.

Victoria was in the anal Asian cowgirl position. I spread her ass and bounced her. Lisa knelt and licked my balls.

“I love fucking your slut mom’s sizzling ass,” I said to Beth when she sat next to me.

“You are a horny bastard,” she said.

“Why do you say that?” I said. “You think I fucked my own mom and got her pregnant with me?”

“You’d have done that if you could have,” she said.

“Of course, I would have,” I said. “I’d have deflowered all her holes too.”

“You are a pervert,” she said.

“Of course,” I said.

Victoria came. When she recovered, I rolled her onto her back and pinned her legs down. She spread her ass wide with both hands. Lisa guided my cock into her mom’s asshole, and I pounded it hard.

“Beth and Lisa, get into the same position as your mom,” I said. “I am going to fuck you in all nine fuck holes.”

Victoria came quickly, and I lubed and stuffed Lisa’s spread ass. I fucked Beth’s ass, then pussy and finally mouth. I fucked Lisa’s ass, pussy and mouth and did the same to her mom. I fucked them like that for over an hour.

“Let’s play a family game,” I said, pulling Victoria and the girls off the sofa.

“What game?” asked Victoria.

“Get on your knees here,” I said, pushing Victoria on her knees in the middle of the sofa. “Mr. Conkley, sit on your hot wife’s right. Beth, sit on her left. Lisa, kneel down on the floor in front of Beth.”

They got into the position.

“Mr. Conkley, pull your hot wife’s right ass cheek out with your right hand,” I said. “Beth, pull your hot mom’s left ass cheek out with your left hand. Victoria, fondle your husband’s cock. Lisa, finger yourself and your sister.”

They complied.

“Beth’s going to call the shots,” I said. “She’ll call a stop whenever she wants. If I am fucking Victoria, I’ll switch my cock to Lisa’s mouth. If Lisa’s sucking my cock, I’ll aim it at Victoria’s holes, and Mr. Conkley will guide it into the hole of his choice. If it’s Victoria’s ass, Lisa squeezes lube on my shaft when the head pops in.”

“That’s an interesting game,” said Victoria.

“Is everyone ready?” I said as I held the back of Lisa’s head and pushed my cock down her throat.

“Yes,” they all answered except for Lisa.

Victoria proceeded to fondle her husband’s cock. Lisa deep throated my cock eagerly, and I fucked her throat while she fingered Beth and herself until Beth called a stop. I took my cock out of Lisa’s mouth and aimed it at Victoria’s offered orifices. John guided it into her pussy.

Beth tortured her mom before she let her come on my cock.

“Rotate,” I said when Victoria recovered. “Lisa, replace your mom, but don’t touch your dad.”

Victoria tortured Lisa similarly as John aimed my cock at one of his daughter’s horny holes or the other.

Lisa came, and Beth replaced her. Lisa tortured her sister before she let her come.

Victoria took her turn next.

“Do you still want me to pump a big come load up your slutty ass?” I asked Victoria as I drilled her ass.

“Yes,” she gasped. “I want you to pump my ass full of your creamy come for my husband.”

“You want to be a dirty slut wife?” I teased.

“Yes,” she gasped. “A hot slut wife loves feeding her husband her lover’s come out of her well-used fuck holes.”

“What about her husband?” I asked.

“Her husband enjoys that too,” she gasped. “He likes being part of his wife’s whoring ways.”

She soon came. I maintained my vigorous drilling of her ass, making her come a few more times before I let her twitching asshole suck my come out of my balls to the last drop. She had her wildest orgasm so far.

“Swallow all my come up your horny ass, you dirty whore,” I said as I pumped her rectum full of creamy come.

“Yes, yes,” she gasped, shaking ecstatically.

After I drained my balls in Victoria’s ass, I pulled out.

“She’s ready,” I said as Lisa pounced on my sticky cock.

“Eat my slimy ass, honey,” said Victoria, spreading her ass with both hands.

He reluctantly knelt before her offered ass. He inspected her asshole for several seconds before he stuck his tongue out and tasted it tentatively.

“It’s delicious and healthy,” I said. “You saw how they ate it off the floor. This is just a sentimental exercise.”

He licked his wife’s goopy asshole more and more daringly as Beth watched. Lisa sucked my hardening cock while watching her dad in the corner of her eye. My cock grew in her mouth quickly. My cock was rock hard, and I was fucking Lisa’s throat as her dad ate her mom’s slimy ass eagerly.

“That’s it, honey,” encouraged Victoria. “Eat my stud lover’s hot come out of my well-fucked asshole. Show him that you really want me to whore myself to his big fat cock. Show our daughters that you are a good husband.”

“You are a lucky bitch, Victoria,” I said, lubing Lisa’s asshole.

“I know,” said Victoria as I arranged her little daughter on her knees next to her and pushed my cock into her horny asshole. “I couldn’t have been so without you.”

“Enjoy,” I said, fucking Lisa’s ass at an easy pace.

John sucked his wife’s ass clean and made her come. He licked her pussy clean while she recovered.

“Thanks, honey,” she said as she got up and pulled him for a kiss. “I love you.”

“I love you too,” he said.

She gave him a big kiss.

“You are not done with us, are you?” asked Victoria.

“Not at all,” I said. “I am going to fuck the three of you senseless.”

Lisa soon came, and Beth sucked my cock.

“Mr. Conkley, I am going to fuck one of your hot wife’s luscious holes, and you are going to lick the other to orgasm,” I said as I pulled Victoria off the sofa and sat in her place. “Which hole do you want me to fuck?”

“Fuck her ass,” he said.

Victoria mounted me in the anal reverse Asian cowgirl position.

“Suck her tits,” I said to Beth and Lisa.

Beth and Lisa sucked their mom’s stiff nipples and their dad licked her leaky pussy while I spread and bounced her ass on my hard cock. She soon came in his mouth, and he sucked her juices eagerly.

“Let’s switch holes,” I said. “I’ll fuck her pussy now.”

Victoria turned around into the Asian cowgirl position and impaled her pussy on my cock. He licked her asshole to orgasm while I spread her ass and bounced it and her daughters sucked her nipples. Beth sucked my dripping cock clean while Lisa licked her mom’s drenched pussy, making her come in her mouth.

“This is so much fun, isn’t it?” I said.

“Yes,” he said.

“I can never get enough of these hot sluts,” I said. “I hope you don’t blame me.”

“I don’t,” he said.

“Honey, I want him to fuck us in our marital bed to show him how depraved we are and how supportive you are,” gasped Victoria while she recovered from her last orgasm.

“Okay,” he said.

“This is a great privilege, Mr. Conkley,” I said. “I appreciate your unlimited trust. Thank you.”

“You are welcome,” he said.

“You are going to spread their asses for me there and guide my cock in, aren’t you?” I said.

“Sure,” he said.

“I so appreciate your extreme hospitality and helping me use my hot sluts properly,” I said. “They do too.”

The three sluts went to bed their asses full of my come. Victoria used her fingers to scoop come out of each asshole for her husband to taste. He was not too reluctant to suck her fingers clean. I kissed their assholes goodnight.

Each of my sluts had only three holes, but each of their hot holes outshone any eighteen holes combined. I never liked the idea of sinking my balls in holes. I would rather sink my club anytime where it was always hole in one.

The End

Three Holes in One

On one of dad's golfing Sundays, I was feeling extra horny and had nowhere to go. A move that mom made suddenly redirected my interests to her. I talked her into showing me her natural globes and something led to another. Finally as dad enjoyed the holes in the green, I was enjoying the holes in the pink.
