Last summer, I spent a month at my aunt Michelle's house. A couple of days into my stay there, my aunt called me into her bedroom. That was not a normal act, so I naturally did not feel comfortable about it.

"Nick, I need your help," she said. "Can I depend on you in this serious issue?"

"Of course, aunt," I said sincerely, wondering what I could help my aunt with. "I'll do my best."

"It has to remain secret between you and me though," she said.

"Sure," I said, dreading having to do something weird and uncomfortable.

"It's about Mary," she said. "She's now sixteen, and she has never showed any interest in boys unlike Claire, who has been a little tramp ever since she was thirteen. We've tried everything with her, and nothing worked."

"How can I help if you've already tried everything you could think of?" I asked.

"You are the closest person to her," she said. "You are even closer to her than her sister or me. Maybe you can somehow talk her into taking a boyfriend or even seduce her."

"Seduce her?" I asked with shock. "She's my cousin. You want me to seduce my cousin?"

"We are hopeless," she said. "Even if you did that, sex between cousins isn't real incest. You'd be doing her and me a big favor. If you can help her overcome her disinterest and apprehension, you can name your reward."

"I'll think about it," I said, "but I can't promise anything."

"I appreciate that, Nick," she said. "Whatever you do, please, keep it secret; it may backfire."

"That's one thing I can promise," I said.

Virgin Mary

Thinking about what my aunt said, I noticed that Mary spent more time with me than with anyone else.

MY VIRGIN COUSIN

That evening she and I were in my room, chatting and laughing together.

"Mary, you are so beautiful and sexy, but you don't seem to have a boyfriend," I said. "You and I are close to each other, but I have a girlfriend which I don't have sex with her only when we are not alone even in public."

"I don't have a boyfriend," she said. "The boys in my school are all jerks—not worthy of my company."

"There must be at least a few nice boys," I said.

"Believe me, I tried to find them, but there were not any," she said.

"Don't you have any instinctual urges toward boys?" I asked. "Don't you ever think about sex?"

"Of course, I do," she said. "I am not about to hand myself to a jerk though."

"You must know that love's important, but sex is a lot of fun with the right person," I said. "My girlfriend and I can't get enough of it. Her sister teases her that she's my slut. She tells her she isn't my slut but my whore."

"You and your girlfriend must be lucky," she said.

"Have you even seen a naked boy?" I asked.

"No," she said.

"Aren't you the least bit curious?" I asked.

"Sure," she said. "I am only human."

Taking that chance, I locked the door and stood before Mary. I silently took off my shirt and tossed it away.

“Take off my shorts and boxers,” I said, guiding her hands to the waistband of my shorts. She hesitantly looked up at me. “Go ahead; don’t be shy. You know you can trust me.”

My cock started to harden as she slowly pulled my shorts down. It made a tent in my boxers.

“Keep going,” I said, kicking my shorts off.

My cock bounced in her face as she pulled my boxers down. I kicked them off. She silently admired my hard cock as it throbbed in her face.

“Touch it, hold it, fondle it,” I encouraged. “It doesn’t bite, and it obviously likes you.”

She tentatively held my cock in her hand.

“Stroke it a little, and watch it get even bigger and harder,” I instructed.

She stroked my cock for a minute, alternating her eyes between my cock and my eyes. I was harder than rock.

“Kiss it on the head,” I encouraged. “It would really like that. A good girl must show respect to a good cock.”

She smiled up at me before she leaned forward and kissed my cock head, making my cock twitch.

“Did you see that?” I smiled at her. “That’s its way of showing respect to you.”

She smiled.

“Lick the head like an ice cream cone,” I instructed. “It feels good to the cock, and a good girl likes to make a good cock feel good and enjoys it.”

She tentatively proceeded to oblige me. My cock twitched as her tongue teased its head repeatedly.

“Are you having fun, Mary?” I asked.

“Yes,” she hissed.

“Take the entire head in your mouth and suck it like a little baby sucking its mother’s erect nipple,” I directed. “My girlfriend loves to show me how much she loves my big cock. You should too.”

She took my cock head in her mouth and proceeded to suck it tentatively. I liked the way she sucked my cock while stroking my cock gently. My cock started to ooze fluids into her mouth.

“Can you taste the salty fluid leaking out?” I asked.

She moaned affirmatively without taking her mouth off my cock.

“It tells you that my big cock loves what you are doing to it,” I said. “You are a natural. You are such a hot girl.”

“Do you like sucking my big cock?” I said.

She moaned affirmatively.

“Your hot lips feel so good on my big cock,” I said. “I think they were made for it.”

She moaned again.

“Do you like being my sexy cocksucker?” I said.

“Yes,” she hissed, briefly taking my cock out of her mouth.

“You are a good girl, Mary,” I said. “Good girls can make good cocksuckers. I am sure you’ll be a great one.”

She sucked my cock more eagerly, and it continued to leak in her mouth.

“Nick, I like this,” she said, smiling up at me.

“Do you like my big cock?” I said.

“I love it,” she said. “It’s so thick and juicy. It fills my mouth.”

“You are a hot cocksucker, Mary,” I said. “I am honored that my big cock’s the first cock you’ve ever sucked.”

“Thank you,” she smiled.

“You are a hot girl, Mary,” I said. “If those jerks at your school knew what they were missing, they’d be the nicest guys in the world just for a chance to take you out on a date.”

“Thank you,” she smiled.

She sucked my cock hungrily for a few minutes.

“Let’s take a short break,” I said as I gently pulled out and slapped her cheek with my cock. “We’ll get back to this again. I promise you you’ll get to suck my big cock all you want. I want you too.”

“Okay,” she said, blushing as I gently pulled her up to her feet.

“Let me help you take your clothes off so you can show me your sexy body,” I said. “I’d love to see it.”

She blushed.

“Would you mind if I first kissed the sweet lips that sucked my big cock so hungrily?” I said.

She blushed but did not answer as I pulled her gently to me. Our lips met, and we kissed gently for a minute. We did not stop as our kissing heated up. Before long we were kissing feverishly.

“Your lips are delicious,” I said. “No wonder my cock loved them.”

She blushed.

“Your hot lips are not the only delicious things I’ll be kissing tonight,” I said as I took off her top and put it aside. “I’ll be doing a lot of kissing tonight and enjoying myself. My girlfriend would be very jealous if she knew.”

She remained to be silently blushing.

“Let me expose your lovely tits,” I said, unclasping the strap of her bra. I removed her bra, setting her ripe firm tits free. “I never thought I’d be lucky enough to see them. I am luckier than I’ve ever thought.”

“Thank you,” she said shyly as I admired her tits.

“They are beautiful,” I said. “The nipples are already hard. I like that. They are so appetizing.”

“Do you really like them?” she asked shyly.

“I love them,” I said. “Do they want me to suck them like my cock wanted you to suck it?”

“Yes,” she hissed.

“If they really want me to suck them, beg me to suck them?” I said.

“Please suck them,” she said lowly.

“I’d love to do that,” I said as I held her waist and slowly lowered my mouth to her stiff left nipple.

She gasped and shuddered when my lips closed around her nipple. I sucked her nipple gently until she started to moan softly. She surrendered and held my head to her tit. I alternated between sucking hard and gentle for a couple of minutes. She gave herself to me. Having my hot cousin who had never given herself to a guy surrender herself to me had an amazing effect on me and my drooling cock.

“Is your hot little pussy soaked?” I teased as I switched my mouth to her right nipple.

“Yes,” she hissed.

“Does it want me to lick it and slurp all its leaking juices?” I said.

“Yes,” she hissed.

As I sucked her nipple, I reached up her skirt. She gasped and almost lost her balance when I cupped her pussy through her panty crotch. I massaged her pussy and used my free hand to fondle her tight ass. While I sucked her nipple eagerly, I rid her of her skirt and panties. I fondled her bare ass while she moaned and held my head.

“Sit back,” I instructed. “Let me kiss your juicy pussy like you kissed my cock. Let me show it some respect.”

She sat down and did not resist when I knelt down and gently spread her knees. She was all mine to do to her whatever I wanted, and I intended to do to her everything enjoyable I could think of.

“Your pussy is so pretty,” I said, taking in the beauty of her virgin pussy. “It’s so juicy and mouthwatering. It definitely wants me to sample its fine extra virgin juices. Am I the only guy who’s ever seen this sweet pussy?”

“Yes,” she hissed.

“I never knew I was such a lucky guy,” I said, smiling at her.

She smiled shyly.

“Mary, beg me to kiss and lick your luscious pussy,” I said.

“Please kiss and lick my pussy,” she said shyly.

“It will be my greatest pleasure to oblige you,” I said.

“Thank you,” she said.

She inhaled sharply when my lips touched her nether ones. I gave her leaky pussy a few gentle kisses. She gasped and squirmed as I acquainted my tongue with her fresh pussy, which leaked freely.

“Your pussy’s delicious,” I said, briefly taking my mouth off her pink pie. “Thank you for letting me taste it.”

“You are welcome,” she said lowly.

“I am going to eat your pussy hungrily,” I said. “Are you going to be a good girl and come hard for me?”

“Yes,” she hissed.

For the first few minutes, I liked her juicy pussy gently and explored its folds with my tongue. She squirmed and moaned, humping my tongue. I then picked up the pace and devoured her horny pussy. Before she knew it, she had already come three times. Each time she gushed copiously into my eager mouth and her legs tried to crush my head.

“Are you having a good time?” I teased, looking up from her delicious pussy.

“Yes,” she hissed shyly, nodding.

With a smile, I returned my mouth to her pussy and made her come twice more.

While she panted for air, I pushed her knees against her chest.

“What a cute little pucker!” I said, admiring her asshole which glistened in her excess pussy juices.

“You have a pretty asshole, Mary,” I said. “It looks like a little rosebud about to blossom.”

She blushed when I looked at her.

“It’s mouthwatering,” I said.

When I touched my tongue tip to her asshole, she tensed up and attempted to push me away.

“Don’t do that,” she protested.

“Relax, Mary,” I said. “You have a very beautiful asshole.”

“It’s dirty,” she protested.

Ignoring her protests, I returned my tongue to her asshole and tightened my grip on her until her resistance melted. She soon made sounds of pleasure as I gently probed her asshole, which asshole nibbled my tongue tip. I let her squirm for a couple of minutes before I devoured her sweet asshole through a wild orgasm.

“Your asshole’s so delicious and sensitive,” I said while she recovered, gasping.

She came again as I ate her asshole and tongue fucked her ass. I let her catch her breath for a couple of minutes.

“It’s time to go back to cock sucking,” I said as I stood up, thrusting my cock in her face. “Are you ready for it?”

“Yes,” she said.

“I want you to experience sucking my big cock until I flood your mouth with my warm creamy come,” I said. “I want you to savor my silky come and enjoy swallowing it down your throat to the last drop.”

She readily closed her lips around my cock head and proceeded to nurse it.

“Take it deeper,” I instructed, holding the back of her head. “Let it slide in and out of your mouth.”

She eagerly sucked my cock as I patiently taught her how to work her lips back and forth over the shaft. She could take my cock only halfway into her inexperienced mouth. I let her suck my cock like that for a few minutes, allowing her to enjoy what she was doing. I also enjoyed her ministrations.

“Open your throat and try to take my cock all the way in,” I instructed. “Be patient, and don’t force yourself. Pull back whenever you can’t go any further. In a few minutes, you’ll enjoy swallowing my big cock balls deep.”

She tried diligently to carry out my instructions. It took her several minutes of coughing and gagging to overcome her gag reflex and allow my cock head past her throat. After she managed to swallow my cock balls deep, she pulled back quickly, gasping for air.

“Good cocksucker,” I said, applauding her success. She blushed, and I kissed her on the lips. “I knew you’d make a great cocksucker. You’ll only get better with every suck and lick.”

Happy with her achievement, she resumed sucking my cock deeply. She took several more minutes to get at ease with getting her throat fucked. She was slow and gentle at first but gained confidence and skill quickly.

“Very impressive,” I commended, playfully slapping her face with my sticky cock. “Do you have any doubt that your sweet mouth was made for sucking and fucking my big cock?”

“Not at all,” she smiled shyly.

“Do you love being your horny cousin’s hot cocksucker?” I teased.

“Yes,” she hissed.

“You are a good girl and a talented cocksucker,” I said. “You have earned your reward. When I get ready to come, I am going to tell you so you can fully enjoy the experience. I want you to purse your lips just past my cock

head so you can taste every drop of thick silky come I am going to spurt in your hot mouth. While sucking hard, stroke my cock furiously with your hand to drain my balls and milk it dry. You deserve every goopy drop.”

She proceeded to suck energetically, and I thrust in her mouth. I enjoyed her hot mouth for several minutes before I allowed myself to yield to her sweet pressure and fill her mouth with come.

“Here it comes, baby,” I grunted as my cock swelled. “Get ready to swallow it all, Mary. Suck my big cock dry.”

She eagerly did as she had been instructed, draining my balls in her mouth and swallowing every drop of my come. She sucked my softening cock a little more before she dropped it out of her mouth.

“That was wonderful,” I said, smiling at her. I gave her a kiss on her mouth. “Did you like it?”

“Yes,” she said. “It tasted a little strange but not bad. I actually liked it.”

“You are a very hot girl,” I said. “You’ll soon get addicted to my cock and come. It’s your reward for doing a great job pleasing your horny stud. Didn’t you know that you have done a wonderful job pleasing me?”

“Yes,” she hissed, smiling shyly.

“Now it’s my turn again to please you and savor and drink your luscious juices,” I said. “Lie back and enjoy as I eat out your delicious pussy and asshole and make you come in my mouth a few more times. You deserve that too.”

She lay back readily and pulled her legs over her head, exposing her pussy and asshole shamelessly.

“Spread your cheeks just a little,” I said, guiding her hands to her ass. “Let your pretty pussy and asshole stand out in their full glory. I want you to enjoy this more than the most decadent sluts in town.”

She obediently spread her ass. I adjusted the position of her hands to accentuate her cute asshole.

“Your hot little pussy’s already drenched in its tasty juices,” I said. “It’s begging to be savored and enjoyed. I am sure your shy asshole can’t wait to be teased and pleased either.”

She gasped when my tongue touched her asshole. She moaned softly and squirmed as I gave her asshole a long French kiss. She squirmed again as I gave her wet pussy a similar kiss. I lapped up her juices, sucking her pussy for more, before I moved back to her asshole.

She purred and squirmed as I teased and massaged her asshole with my tongue, saturating it with drool. I let her heat up slowly but constantly as I toyed with her asshole, letting it relax well. Leaving her asshole drenched in my drool, I soaked a finger in my mouth and then popped its tip into her asshole as I touched my tongue tip to her clit.

“What are you doing?” she gasped, her asshole clamping tightly at my finger.

“Relax, Mary,” I said. “I am toying with your sweet little asshole.”

“It’s dirty,” she protested.

Silently worming my finger into her ass, I lashed her clit insistently. She came within seconds, gasping and convulsing. Taking my tongue off her clit, I pumped my finger within her asshole. She came hard as I jerked my finger within her twitching asshole. Keeping my finger rooted in her ass, I licked her drenched pussy gently.

“You liked that, didn’t you?” I said, gently stirring my finger within her ass. “Your horny little asshole loved it.”

“Yes,” she hissed shyly.

“You are a sex fireball, baby,” I said, gently popping my finger out of her ass. “You are going to love what I am going to do to you. I’ll do everything I can to enjoy my amazing cousin’s hot body and give it utmost pleasure.”

She moaned as I got up. I retrieved a coconut oil bottle and returned to her.

“I am going to use coconut oil so your sensitive flesh doesn’t get sore,” I said as I opened the bottle. “You’ll also like how slippery it can make your flesh. Relax, and let your cousin handle your sizzling body.”

“Okay,” she whispered.

Kneeling down, I poured oil onto her pussy and asshole. I gently massaged her oily pussy lips and anal pucker, making her moan and squirm. Adding more oil to her asshole, I gently pushed my middle finger into her ass. She grunted softly as my fingertip popped into her asshole. I slid my finger in and out of her asshole, working oil inside her rectum. She moaned and gasped as I gradually increased the depth of penetration to oil her rectum thoroughly. She obviously had a good time as I finger fucked her oily asshole, which milked my finger happily.

“Do you like the way my finger fucks your tight asshole?” I asked as she continued to moan and squirm.

“Yes,” she hissed.

“I also like the way your excited asshole milks my finger,” I said. “You are so hot, and your asshole’s so horny.”

Meanwhile, her pussy oozed so much. I licked her juices gently while I twisted and swirled my finger within her asshole to ream it out for her. I continued to add oil to her asshole every once in a while. Within a few minutes, I added my index finger to her asshole, squeezing it gently while sucking her clit.

She held her breath as my second finger popped past her sphincter. She then resumed squirming as I slowly pumped my fingers within her asshole, stretching it wider. I gradually increased the pace of finger fucking her ass while I continued to lick her leaky pussy. When her asshole was comfortable with my fingers, I moved my mouth off her pussy and finger fucked her asshole at a brisk pace. She gasped and moaned rhythmically.

“I am fucking your horny ass with my fingers,” I teased.

“Yes,” she gasped, humping my fingers.

Her lovely body squirmed, and her head turned from side to side as she responded to my fingers. Her heat increased constantly, and her orgasm approached insistently. Her breathing got faster and shallower, but her hands continued to hold her ass open for me. Before long, she stiffened and started to convulse. I held her right knee with my free hand to steady her as I vigorously pumped my fingers within her twitching asshole, making her shake violently. Finally her orgasm subsided, and I slowed down my digital assault.

While lapping her drenched pussy, I twisted my fingers within her asshole, making room for a third finger. I generously added oil to my fingers, including my ring finger. I gently sucked her clit as I squeezed my ring finger into her asshole. She hardly felt it until my fingers slid halfway into her ass. I continued to eat her pussy while I slowly let her asshole stretch to accept my three fingers all the way in.

My cock was already rock hard and leaking. I did not interrupt fingering her ass or eating her pussy as I thoroughly oiled my cock with my free hand. Her eyes were closed as she happily enjoyed my wicked assault at her virgin asshole. She only opened her eyes when my cock head popped past her sphincter.

“What are you doing?” she asked softly as she saw me standing before her.

“Just relax and enjoy yourself, Mary,” I assured. “I am going to fuck your sweet virgin asshole.”

“Wouldn’t that hurt?” she asked nervously, her asshole tightening around my cock.

“I already have my cock in your ass,” I said, teasing her clit with my thumb. “Did it hurt at all?”

“No,” she gasped softly.

“Relax, and let me please you,” I said, gently thrusting in her asshole, which started to relax.

“Please be gentle,” she said weakly.

“Don’t you ever worry about that,” I said. “If I am any gentler, you won’t feel any pleasure.”

“Okay,” she breathed.

“This is going to be the hottest, happiest and most important day of your life,” I said. “You’ll never forget it. I want it to be perfect. It’s going to be perfect because of you.”

“Thank you,” she whispered.

My only choice was to be gentle because her asshole was so dangerously tight and hot for me to maintain control of my excited cock. I used short thrusts to inch my cock slowly into her tight vaginal depths. It took me a few minutes to slide my cock most of the way up her ass. It took two more minutes for her rectum to adjust itself and accept the last two inches of my cock.

“Did it hurt at all?” I asked as I paused, my balls pressing gently against the back of her ass.

“No,” she said.

“How does it feel to have my cock balls deep up your no-longer virgin asshole?” I asked, making her shudder.

“I feel so strangely and intensely full,” she said. “It feels good in a weird way.”

“Are you aware that your pussy has been leaking like a loose faucet all the time?” I teased.

She blushed.

“Don’t be shy,” I encouraged. “I love it when you enjoy yourself like a dirty slut. I want you to be my slut.”

She gasped and her asshole twitched when I wiped her drenched pussy with my thumb. She stiffened and her orgasm started as I sucked her juices off my dripping thumb while looking into her eyes.

“I am coming,” she gasped as I returned my hand to her leg and pinned her down.

“Come your ass off, my hot slut,” I said, pumping her ass with fast short strokes.

Her asshole twitched around the base of my hard cock uncontrollably until her orgasm subsided.

She panted for a minute to catch her breath.

“Are you ready for me to fuck your hot tight ass, my horny little whore?” I whispered.

“Yes,” she hissed, shuddering. “Fuck me in the ass.”

“You are a good slut, Mary,” I said, thrusting gently in her ass.

Leaning forward, I gave her a long kiss. While we kissed sloppily, I gently fucked her ass. Pinning her legs under my shoulders, I slowly pumped her ass. She gasped and moaned, and her asshole relaxed slowly. In a few minutes, her asshole was able to accept long smooth strokes. The instinctive milking of her asshole on my cock was exquisite, keeping my cock harder than steel. Her dripping pussy glistened in its juices.

“Do you like being your horny cousin’s little whore?” I teased.

“Yes,” she hissed.

“You were meant to be my whore,” I said. “That was why you found all other guys jerks.”

“Yes,” she hissed.

For the following ten minutes, her eager if inexperienced ass received a deep hard fuck. Her abundant leaking pussy juices soaked her asshole and my pumping shaft. Her asshole had relaxed quite a bit, and she was losing control. I fucked her ever harder as her orgasm approached. When she stiffened and shook, I pinned her legs tightly and drilled her twitching asshole vigorously until her orgasm died and she went limp. I did that three times.

“Are you enjoying your first ass fuck, my whore?” I asked as I slowly sawed my cock in and out of her ass.

“Yes,” she gasped, smiling. “It was amazing.”

“I also loved fucking you up the ass,” I said. “Your asshole’s so tight and responsive. I am going to fuck it a few more times before I come inside it. Do you want me to come deep inside your horny ass?”

“Yes,” she hissed, her asshole twitching.

“You really enjoy being my dirty little whore, don’t you?” I teased.

“Yes,” she gasped, shuddering.

“It’s what you were made for, isn’t it?” I teased.

“Yes,” she hissed.

“Whose dirty whore are you, Mary?” I teased.

“I am your dirty whore,” she gasped, trembling.

“That’s what you are, and I am going to fuck you accordingly,” I said. “Do you want that?”

“Yes,” she hissed as I lowered my mouth to hers.

We kissed deeply. Her kissing had improved a bit.

Breaking the kiss, I slowly removed my cock from her ass. I squeezed oil onto her asshole and my cock before I pushed my cock back in. My cock smoothly sank all the way up her ass, making her moan. Since her asshole was relaxed, I was able to fuck her faster and harder than before. She also was more responsive to my strokes. She came all over my cock twice within five minutes. I pounded her shaking ass until she went limp each time. We kissed while I pumped her ass slowly. I popped my cock out of her ass, making her gasp. I pulled her up and broke the kiss.

“Suck it,” I instructed softly, thrusting my glistening cock in her face.

Seeing my slick cock bounce before her eyes, she did not hesitate to open her mouth and take it in.

“You are a good dirty whore, Mary,” I said, thrusting in her mouth. “You suck my cock right out of your ass.”

She sucked my cock eagerly. I held the back of her head and fucked her throat for a few minutes. She reluctantly let me yank my cock out.

Climbing onto the bed, I arranged her onto her hands and knees. I lowered my mouth to her ass and gave her relaxed asshole a long kiss, dipping my tongue inside in. I poured oil onto her asshole and used two fingers to work it inside her rectum. I then aimed my cock at her glistening pucker and popped my cock head in with my right hand. I held her hips with both hands and pulled her back over the entire length of my thick shaft, making her moan.

“Get your ass fucked, Mary,” I directed, rocking her ass back and forth. “Move your ass like a good whore.”

She started rocking. I paced her a little, adjusting the length and rhythm of her strokes. When she established a nice rhythm, I spread her cheeks and watched her asshole hungrily swallow my entire cock again and again.

“You are so beautiful and sexy,” I said. “Your ass is gorgeous, especially as its stretched little mouth hungrily gobbles down my big cock again and again. I am not sure I can ever get enough of your hot tight ass.”

“I love that too,” she moaned.

“I think you were specifically made to be fucked in the ass, don’t you think so?” I said.

“Yes,” she gasped, shuddering.

“I am so glad you saved your hot ass for me,” I said.

“Me too,” she gasped.

“I think your amazing ass was made for my big cock,” I said.

“Me too,” she gasped.

Leaning forward, I cupped her tits and proceeded to squeeze them and pinch her erect nipples. That drove her wild. She bucked her ass back briskly. I used her tits to pull her even harder. She soon lost control and convulsed in orgasm. I used her tits to hold her up as I pounded her trembling ass vigorously until she went limp.

Putting her down onto her forearms, I raised myself on one of my feet and resumed fucking her ass from above. She took a minute to catch her breath before she started to respond to my thrusts. I pushed her upper back down, causing her to lower her head and chest onto the bed.

“Spread your horny ass for me, baby,” I instructed, guiding her hands to her offered ass. “Do it like a whore.”

As she spread her horny ass for me, I raised myself onto my other foot and proceeded to drill her splayed ass vigorously. She moaned with every thrust. My balls slapped her dripping pussy repeatedly. She did not last long. When she started to shake, I gripped her hips tightly and held her ass up for my hard thrusts.

When her orgasm subsided, I let her down. She lay flat on her stomach. I went down with her, keeping my cock in her ass. I showered her sweaty face with light kisses as she panted to catch her breath.

“You are so hot, baby,” I whispered in her ear. “You like being my anal little slut, don’t you?”

“Yes,” she whispered, smiling weakly.

“I am still not done with you,” I said as I started thrusting in her ass. “I am not sure I can let you go tonight. I haven’t come in your hot ass yet. I’ll show you that saving yourself for me was the best thing you’ve ever done.”

“I already know that,” she moaned.

She pushed her ass up into me to meet my thrusts. We had a long gentle fuck that only became wild near the end. I made her come twice and joined her third orgasm.

“Mary, I am going to fill your sizzling ass with my hot sticky come,” I announced when my orgasm hit me.

“Yes, yes,” she gasped. “Shoot your come deep in my horny ass.”

Her rectum twitched wildly as I pumped my come through it. I held my pulsing cock so deep in her ass, spurting my come into her bowels. We continued to grind into each other until our orgasmic spasms drained my balls completely. We lay limply, me holding her in my arms as she deliberately milked my softening cock with her asshole. My cock started to harden as I thought about her virgin pussy.

“I am so proud of you and so happy for you, Mary,” I said softly. “You’ve done and enjoyed two of the hottest sexual acts. You’ve become a come-drinking slut and an ass whore.”

“Thank you, Nick,” she moaned. “I loved every second of it.”

“I’ll make you sluttier than the school slut but with class,” I said. “You’ll still be a good girl. You’ll never give your amazing body to those jerks that don’t deserve it.”

“I’ve never given myself to them before meeting you,” she said. “There is no way I’d do that after this.”

“I wish I could fuck you all the time,” I said.

“Me too,” she said.

“Do you want me to come all over your pretty face and use my fingers to help you eat my come?” I asked.

“Yes,” she said. “That’s so dirty.”

“You are a very dirty girl,” I teased. “I am so happy you are my dirty girl.”

“You are a dirty boy too,” she said. “You turned me into a dirty girl.”

“My dirty whore deserves to be the dirtiest girl in town,” I said. “Don’t you think so?”

“Yes,” she hissed.

"It's funny that you are a very dirty girl but you are still virgin," I said.

"I am a virgin whore," she giggled.

"You know that my whore can't be virgin anywhere in her body, don't you?" I said.

"Yes," she hissed.

"Have you been saving your hot little pussy for me too, or have you been saving it for some jerk?" I teased.

"Of course I've been saving it for you," she said.

"You are a good girl," I said, thrusting gently in her ass. "I want to fuck your hot virgin pussy and fill it with my come. Do you want me to make you a woman—my woman—just like I've made you a whore—my dirty whore?"

"Yes," she said. "Make me your woman. I want to be your woman and whore. I know you'll be gentle with me."

"I am never rough with my little whore," I said, sawing my cock in her ass. "I am going to eat your horny virgin pussy for the last few times because it will never be virgin again. Is my dirty little whore ready to suck my cock?"

"Yes," she hissed.

"I think the only things you and I will be doing from now on will be fucking and sucking," I said, getting off her.

"Yes," she smiled. "I'd love that."

"Me too," I said as I lay back and pulled her on top of me in the sixty-nine position.

She took my hard cock in her mouth and proceeded to suck it as I pulled her drenched pussy down to my mouth. After cleaning her sticky pussy with my tongue, I ventured up to her well-fucked asshole. I rimmed her relaxed pucker for a few minutes, probing it gently. She moaned around my cock as she deep throat me eagerly.

Going back to her pussy, I sucked her lips thoroughly and probed her virgin hole insistently. Her juices leaked constantly into my eager mouth. I toyed with her pussy for a long while before I let her gush into my mouth. I drank her copious juices thirstily and sucked her dry. She laid her head next to my hard cock as she recovered.

After she recovered, I gently rolled her off me. I kissed her deeply while I fondled her tits. I lowered my mouth to her tits and sucked her nipples for a couple of minutes, using both hands to squeeze her tits. As I let my tongue glide down her belly, I maneuvered myself astride her. When I reached her pussy, my cock dangled over her face. She opened her mouth and took my cock in as I worked my tongue between her lips. While I ate her pussy to orgasm, I thrust in her mouth and fingered her asshole with my middle finger.

She recovered, and I oiled her pussy well. I also oiled her asshole, using one finger to work the oil inside her rectum. I sat her up and gave her the oil bottle, thrusting my cock in her face. She got the hint and oiled my cock.

"I am not going to fuck your sweet virgin pussy yet," I said as I spread her legs and knelt between her thighs. "I am just going to dry hump you to get you ready for my cock. I want everything to be perfect for you."

"Thank you," she said as I laid my cock along her slick pussy lips.

"Is your virgin pussy hungry for my big cock?" I teased, thrusting gently against her pussy.

"Yes," she hissed.

"I'll sate it," I said. "It's going to be a multicourse meal, but it has to start with the appetizer."

"I love the appetizer," she smiled, humping back.

"You are a hot slut," I teased, grinding harder into her pussy. "You love cock too much."

"I only love your big cock," she moaned.

"You are a good girl," I smiled. "A good girl only loves the cock she belongs to. You belong to my big cock."

"Yes," she hissed. "I am its little whore."

She came within a few minutes, gushing under my cock.

When she recovered, I rubbed my cock head up and down her wet pussy. She moaned, humping my cock. After a few minutes, I aimed my cock head at her pussy hole and thrust gently into her pussy while rubbing her clit with my thumb. She moaned, grinding her pussy into my cock. When she was ready to come, I shoved my cock deeper into her pussy, making her stiffen. While she convulsed in orgasm, I held her legs tightly and thrust gently but firmly into her tight pussy, sinking my cock deeper inside her. I thrust harder as her orgasm peaked, driving my cock all the way into her sizzling pussy. I ground my pubic bone into her clit until her orgasm ended.

"Now you are all mine, Mary," I said. "All your hot fuck holes will always belong to me."

"Yes," she gasped. "Thank you for taking me. I love you."

"I love you too, my dirty little whore," I smiled. "I'll show you how much I love you by fucking you like the dirty whore you deserve to be."

"Yes," she hissed.

We kissed lovingly and then rested for a minute.

When she caught her breath, I resumed thrusting in her pussy. She fucked back. She came within a few minutes as I drilled her twitching pussy vigorously. I continued hammering her pussy until she came again.

"I am going to fill your tight pussy with come because you and your sizzling pussy are mine," I announced.

"Yes," she gasped. "Fill my horny pussy with your hot come."

As her pussy twitched madly, I pumped my come deep inside it. Its wild spasms milked my cock dry.

We shared a long deep kiss and rested while my cock softened in her pussy. My cock finally slipped out of her pussy. I wiped both with soft tissues.

"Mary, you are so hot and delicious I'll never get enough of you," I said. "Let's wash up before we continue."

"Okay," she said.

"I hope you don't mind that I am going to fuck you until you can't move," I said.

"No way," she said. "You are now responsible for your cock-craving whore. You have to fuck her silly."

"That's exactly what I intend to do," I said.

She put on her top and skirt, and I put back my clothes on.

We returned to my room in fifteen minutes. I immediately got out of my clothes and helped her out of hers. I fondled her tits and sucked her nipples until she started to squirm. I thrust my hard cock in her face. She eagerly opened her mouth and sucked it in.

"This is so much fun, isn't it?" I said as she deep throated my cock hungrily.

"I've never had this much fun ever," she smiled. "I've never even thought I ever could."

"Mary, you are going to have much more fun because you deserve it," I said.

"Thank you," she said.

After a little while, I pushed her onto her back and proceeded to eat her asshole. I sucked and tongue fucked her asshole until she came. I thoroughly oiled her asshole and fucked it with two fingers, getting it ready for my cock.

"Tell me about your hot asshole," I said. "How is it doing?"

"It's doing great, but it's still hungry for your big cock," she said.

"Do you know what to do whenever it acts up like that?" I said.

"What should I do?" she said.

"Beg me to fuck it royally," I smiled.

"Please fuck my horny ass royally," she begged, smiling.

"Spread it," I said, pushing her legs over her head.

She spread her horny ass, and I fucked it briskly in the folded deckchair position until she came.

"A good whore doesn't just lie back and get fucked silly," I said, lying back. "Ride the big cock you belong to."

She mounted me in the anal Asian cowgirl position. In that position, I spread her ass for her, and she bounced it on my cock energetically until she had a violent orgasm, losing her balance. I held her trembling hips and thrust in her twitching ass hard until she went limp. We kissed while I fucked her ass gently.

"Did you enjoy your first ass fucking mission as my whore?" I teased.

"I loved it," she gasped. "I'll be going on such missions very often."

"Turn around, and go on your next mission," I said.

"Yes, sir," she smiled, sitting up.

She rode my cock in the reverse cowgirl position. I occasionally raised my head and watched her stretched asshole briskly slide up and down my hard shaft.

"You are becoming a very good whore," I said, slapping her ass playfully.

"I have a great teacher," she gasped.

“Don’t you ever forget who taught you how to suck and fuck,” I said.

“I’ll never forget the wonderful guy and the amazing cock I belong to,” she gasped.

After she came, I rolled her onto her left side and fucked her ass from behind to a wild orgasm. I rolled her flat onto her stomach and gave her ass a leisurely fuck, picking up the pace and making her come a long while later. While she recovered, I pulled her hips up into the leapfrog position. She spread her ass on her own, and I fucked her offered asshole hard until she had a wild orgasm.

“Your incredible ass has done a great job,” I said, fucking her harder. “It’s about to get the come it deserves.”

“I don’t know if it deserves your hot come, but I know it wants it,” she gasped.

“I know that it deserves it,” I said as my cock swelled and started to twitch.

Her orgasmic spasms helped drain my balls deep in her ass. She lay on her stomach, and I lay on top of her and showered the side of her face with kisses. We rested for minutes, occasionally kissing deeply.

“I heard that your sister’s a horny tramp,” I said.

“Yes, she is,” she said.

“I assure you that she’s never been fucked like you just have and that she’s never pleased anybody like you’ve just pleased me,” I said.

“I am sure of that too,” she said. “You are amazing. Her boyfriends are nothing like you.”

“The only thing good about me is that I know how hot and special you are,” I said.

“No way,” she said. “You are an incredible person. I am so lucky I saved myself for you.”

“I am so lucky you saved your delicious body for me,” I said. “I am though horny and selfish. I am going to take full advantage of your hot body. I am going to fuck it senseless.”

“I want you to do that, Nick,” she said, squeezing my hardening cock. “That’s what my body was made for.”

“That’s right, Mary,” I said. “Your gorgeous body was made so I could fuck it royally. I am going to do that.”

“Some of my friends are tramps,” she said. “My sister is one too. They are so horny and love cock so much they almost fuck anything with a cock. They tell me about their adventures. They’ve never been fucked like this.”

“When you fuck anything with a cock, you don’t get fucked royally,” I said. “You get fucked cheaply.”

“That’s true,” she said. “I am the luckiest bitch in town thanks to you.”

“I am glad that you think so,” I said. “How are you going to thank me? Are you going to give me a royal blowjob and at the end swallow every drop of hot come I have?”

“I’d love to do that,” she said. “Is that what you want?”

“Would you have a good time?” I said.

“Absolutely,” she said.

“Do it,” I said. “I want you to have a great time.”

She gave me a long royal blowjob while I lay back and watched her have fun with my hard cock. I finally came in her eager mouth. She thirstily swallowed every drop I offered and sucked me dry.

“Did you enjoy yourself tonight, Mary?” I asked, holding her in my arms.

“Yes,” she smiled happily. “I’ve never thought I could ever have so much fun and pleasure.”

“You have also given me so much pleasure,” I said. “I am so proud of you. You are such a hot young lady. You are now dirty little whore. Whenever you need cock, you can have mine, and whenever I need your hot little ass, I know I can have it whenever and however I want. I am sure I’ll be fucking your sweet little ass very often.”

“Me too,” she said. “The tramps I know will look like nice girls compared with me.”

“That would never happen, Mary,” I said. “You are a good girl. You are an amazing girl, but you are my whore.”

“Thank you,” she said.

“You know, Mary, I don’t want to let you go,” I said. “I didn’t have enough of you, but I don’t want to send you to the hospital on your first night of sex. We have to take a break.”

“I’ll miss you, and I’ll be dreaming about you,” she said. “Thank you so much, Nick.”

“I enjoy getting thanked profusely for having an amazing time,” I smiled.

“How come you don’t thank me?” she smiled. “I had an amazing time too.”

“Thank you so much for enjoying yourself,” I smiled.

We shared a long deep goodnight kiss before we parted.

“How do you feel today?” I asked her on the next morning.

“I feel great,” she said. “I am just a little sore.”

“That’s normal,” I said. “It’ll go away soon. We’ll play other games today, won’t we?”

“Yes,” she said. “My throat isn’t sore.”

“Aren’t you the little whore?” I teased.

“I thought we agreed on that,” she smiled. “Sore or not sore, I am still your dirty whore.”

“You sure are,” I said, squeezing her ass and tits. “Among other things, I’ll come on your face and tits today.”

“I’d love that,” she said. “I want to take full advantage of being my stud cousin’s whore.”

“You will,” I assured.

We did that in the morning. I fucked her mouth and tits before I came on her mouth and tits, respectively. We used our fingers to feed her my come off her face and tits. It was a lot of fun. I also ate her pussy and ass to orgasm.

After lunch I broke the news to my aunt. She was alone in her bedroom when I knocked.

“I have good news for you,” I said. “Mary no longer has that problem.”

“What do you mean?” she said.

“Her problem’s solved,” I said.

“What happened?” she asked. “Has she already have sex with someone?”

“You are looking at him,” I said.

“Have you actually had sex with her?” she asked suspiciously.

“Yes,” I said.

“You are kidding,” she said in disbelief. “You couldn’t have done it in one day.”

“I was very lucky,” I said.

“I can’t believe that,” she said. “That can’t be true. It couldn’t have been that easy.”

“It’s true,” I said. “I can prove it.”

“How can you prove it?” she asked.

“You can hide in my room tomorrow morning and watch,” I said.

“Really?” she said excitedly.

“Of course,” I said. “You have to remain silent though. I don’t want her to think we betrayed her.”

“Of course not,” she said.

“As long as it’s consensual, you have no say in it,” I said. “Our sexual preferences are none of your business.”

“Of course not,” she said. “I’d be only too happy. I am only concerned about my daughter’s wellbeing.”

“Don’t be,” I said. “You have an amazing daughter. Her boyfriend will be the luckiest bastard in the world if he deserves her, and she’s mature enough not to take up with someone who doesn’t.”

“Nick, I’ll be very grateful to you forever,” she said. “I’ll owe you forever. If you want anything, let me know.”

“Aunt Michelle, being with Mary was the biggest reward I’ve ever had, but I’ll remember your offer,” I said.

“Take me on my offer, Nick,” she said. “I don’t care about the reward that she’s given you.”

“It’s a reward that keeps giving,” I smiled.

“Enjoy,” she said. “I’ll still owe you forever.”

“Are you also going to reward me for treating you to your first live sex show ever?” I teased.

“That depends on the quality of the show,” she said.

“It’s of quality that money can’t buy anywhere, especially than watching minors have sex is illegal,” I smiled.

“Are you going to charge a high price for that illegal activity?” she smiled.

“I’ll give you a deep discount if you are a good spectator,” I smiled.

“You said I couldn’t cheer,” she teased.

We agreed to set up a show for my aunt without Mary's knowledge.

In the evening Mary and I met in my room. We started kissing and petting immediately. Before long, I was fondling and sucking her tits. She moaned joyously. I had her kneel on the bed without interrupting my oral attack on her erect nipples. I reached up her skirt and lowered her panties. I continued to suck her tits while I felt up and fondled her ass. I turned her around and had her bend over onto her hands and knees. I licked her asshole a little and ate her pussy to orgasm. I retrieved the coconut oil and proceeded to oil and finger her asshole.

"I got you this butt plug," I said, showing her a glass butt plug that I got for her earlier. "It is going to help relax your asshole and help you exercise it besides giving you a feeling of fullness, horniness and depravity."

She did not protest as I gently worked the butt plug into her ass. She gasped when it popped all the way in.

"Does it feel good?" I asked as the plug filled her ass.

"Yes," she said. "I feel so slutty."

"That's the point," I said. "Milk it so you can later milk my cock."

She base of the butt plug twitched as her anal muscles worked on it.

"I also got you an enema so you can keep your hot ass squeaky clean all the time for our fun and games," I said.

"Okay," she said.

She attacked my hard cock, and I lay back and let her suck it deeply and hungrily for over an hour. She loved it.

"You'll soon be one of the best cocksuckers in the world," I said.

"I love your cock more than they love any cock, and your cock deserves the best," she said.

"Best of all, my dirty whore deserves to be the best in every way," I said.

"Thank you," she said.

"I want to come on your face again," I said. "I want you to lie back and let me come all over your pretty face."

She smiled as she took her mouth off my cock.

"I love the dirty things you do to me," she smiled.

"Do you know why?" I asked.

"Because I am your dirty whore," she said.

"That's right," I said. "That's why I love to do dirty things to you in the first place."

She lay back, and I straddled her chest. I fucked her mouth a little. When I was ready, I popped my cock out of her mouth and stroked it vigorously.

"Open your eyes and mouth," I said as my cock swelled. "Let me see how beautiful you are as I glaze you."

My flying come hit her on her cheeks, nose and chin. Some come landed inside her open mouth. I pushed my cock in her mouth, and she sucked it dry. That time, I held a mirror for her and watched her use her fingers to wipe my come off her face and feed it to herself. She sucked her sticky fingers eagerly.

"I love your come," she said cheerfully.

"I only feed my come to the best whores," I said.

"How many whores do you have?" she asked.

"What matters is that I have you," I smiled. "I now feel like eating what I have."

Turning around, I dangled my softening cock in her mouth and dived between her legs. I ate her juicy pussy through a couple of orgasms while she sucked my cock to full hardness.

When I was rock hard, I turned around and laid my cock along her slick pussy lips. I pushed her legs over her head and humped her pussy lips and clit. She humped back eagerly. We ground into each other until she came a few times, drenching her pussy and my balls. I turned around, and each licked the other clean.

"I want to come in your ass," I said as I arranged her on her hands and knees. "I am going to put my cock head inside your anal mouth and stroke my cock with my hand while you finger your pussy until we both come."

I oiled my cock and replaced the butt plug with my cock head. Each one masturbated until she came. I came right away, slamming my hard cock all the way up her twitching rectum. I let her orgasmic anal spasms drain my balls. After her asshole sucked my cock dry, I pulled out and replaced the butt plug up her ass, locking the come up.

"Can we do the same trick with my horny pussy?" she asked.

"We can do anything my sweet whore wants," I said.

She sucked my cock to full hardness, and we did the same trick to her pussy, filling her twitching pussy with come. I used my fingers to feed her some of the come out of her pussy. I gave her pussy a kiss at the end.

"When you use the enema, we'll be able to feed you my come out of your luscious ass," I said.

"That's a nice dirty act worthy of me," she said.

As we continued to play, I came on her tits, on her ass and finally in her mouth. She wiped the come off her tits and licked it off her fingers. I wiped my come off her ass and fed it to her.

"I love having you shoot your hot come everywhere in and on my horny body," she said.

"Me too," I said. "I only do that to my best whores."

"You are not saying how many whores you have," she said.

"All you have to know is that now you are my only dirty whore," I said. "You shouldn't be jealous of anybody."

"I am not jealous," she said.

We snuggled a little before we called it a night, agreeing to meet tomorrow morning for a serious showdown.

"Wear the butt plug for an hour or two and then take it off before you come over to get fucked," I instructed.

"Why don't I come wearing it and let you take it out for me?" she asked.

"That's good too," I said.

"You can then put it back after you fill my ass with come," she said.

"Sure," I said.

"Nick, I love being your whore," she smiled.

"I love it more than you can know," I said. "You are an incredible girl, woman and whore."

"You are an incredible stud," she said. "I am your girl, woman and whore."

"Of course you are, my hottest cousin," I said.

"You think I am hotter than Claire, who tries to make sure everybody knows that she's a slut?"

"You only let the person who matters know that you are a slut?" I teased.

"Yes," she said.

"Your sister's a hot slut," I said. "I think we all agree on that, but right now you are the hottest slut in the world."

"Really?" she said, beaming.

"You know that," I said. "You are my whore, and she isn't. There is no comparison between a slut who's my whore and a slut who isn't. Don't you agree?"

"Yes," she hissed. "I guess I am your hottest and sluttiest cousin."

"You are," I said. "That may change in the future if you let it."

"What do you mean?" she said. "Are you going to fuck Claire?"

"Would you feel jealous of her if I did?" I asked.

"I guess I would," she said.

"Don't," I said. "If you let Claire be hotter and sluttier than you, she will. That part may change. That's up to you, but it isn't up to you to stop being my whore. You'll be my whore forever. You'll always belong to me."

"I don't want to stop being your whore ever," she said. "I'll always be your whore."

"You are a good whore, Mary," I said. "A good whore's always her stud's whore whether he has other whores or not. If he has other whores, she becomes a better whore to show him that she deserves to be one of the very best."

"I'll always try to be your best whore regardless of what whores you have," she said. "I don't care if Claire becomes your whore or not, but she's a tramp. She doesn't deserve to be your whore."

"Don't worry about that," I said. "If she tried my big cock, she'd stop being a tramp and would abandon the jerks she currently fucks. If she didn't, she'd stop being my whore."

"Maybe you should fuck her," she said. "I don't want my sister to be a tramp."

"Me neither, Mary," I said. "We'll see how things go, but, whatever happens, I am not letting go of my whore."

"Of course not," she smiled.

MY SEXY AUNT

My aunt came over early in the morning while the rest of us had our breakfast. She took her position inside the closet over fifteen minutes before Mary and I went into my room.

Mary and I started slow, kissing, petting and fondling for several minutes.

"How is my little whore doing?" I smiled, squeezing her ass.

"She misses her stud's big cock in every hole she has," she said, squeezing my hard cock.

"You are hungry for my big cock?" I teased.

"Yes," she hissed.

"I guess I need to feed you," I teased.

"You sure do," she said.

"You are a good girl, Mary," I said. "You know what you need to do for me to feed you my big cock."

"Please let me suck your big cock," she said.

"You know I can never say no to you," I said. "Help yourself."

She took off my shorts and underwear, setting my hard cock free.

"Good morning, you gorgeous big cock," she smiled at my throbbing cock. "Your little whore has missed you."

"My big cock has missed his dirty whore too," I said.

She gave my cock head a big kiss and showered the shaft with small kisses. She then took the head in her mouth and sucked my cock. I let her spend a long time sucking and deep throating my cock. She frequently praised my cock and expressed her joy about sucking it.

"Are you thirsty for my creamy come?" I asked over half an hour later.

"Yes," she said.

"Are you going to gargle with it like a dirty come slut before you swallow it?" I said.

"I'd love to do that," she said.

"Go ahead," I said.

She deep throated my cock hungrily for a few minutes.

"Open your mouth wide and stick your tongue out," I said.

She opened her mouth wide, and I shot my come against the back of her throat. She tilted her head up and gargled with it happily before she swallowed it to the last drop.

"You are a good come slut," I said.

"Only for my stud," she said.

"Make it hard again, Mary," I said. "Suck the cock you love so much."

She sucked my cock to full hardness and deep throated it for a few minutes.

"It's my turn now," I said, pushing her onto her back.

She lay back, and I took her out of her clothes. I kissed her, fondled her tits and sucked her stiff nipples before I reached her pussy. She spread her legs lewdly, and I tortured her leaky pussy with my tongue for a few minutes before I let her come. I drank all her gushing juices and sucked for more. I licked her drenched pussy clean and showered it with kisses. While she recovered, I rolled her onto her tummy.

"Spread your hot ass like the dirty girl you are," I said, raising her ass.

She thrust her ass out and spread it with both hands. I gently worked the butt plug in and out of her asshole, watching it stretch her asshole wide and let it contract. I finally popped it out and ate her luscious asshole for a few minutes, sticking my tongue deep inside it. It nibbled my tongue. She moaned and squirmed. I finally devoured her asshole, giving her a wild orgasm. When her orgasm subsided, I returned the butt plug to her asshole.

Throughout the session, I made sure to arrange her in a way to give my aunt a good view. She sucked my cock eagerly for a few minutes.

"What do you want?" I asked.

"I want you to fuck me," she said.

"Say something," I said.

"Please fuck your dirty whore's horny little pussy," she begged.

"Do you want me to fuck you like the dirty whore you are?" I teased.

"Yes," she hissed.

"Lie back, and pull your legs over your head," I said.

She complied, and I guided my cock into her pussy. I slowly worked it into her tight pussy until my balls rested on the base of her butt plug, which made her pussy tighter.

"Fuck me, baby," she said.

"You got it, babe," I said, thrusting in her leaky pussy.

"It's so tight and hot with both my fuck holes full," she moaned.

"It is," I said, fucking her pussy harder.

We changed positions after every orgasm. We did that repeatedly. She came many times.

"Is your horny pussy ready for its share of my hot sticky come?" I teased, fucking her harder.

"Yes," she hissed.

She came, and I flooded her drenched pussy with come.

"Here it comes, my whore," I said. "I am shooting my come deep in your hot little pussy."

"Give it to me, my stud," she gasped.

When her orgasm subsided, I gave her a deep kiss. I pulled out and pecked her on her messy pussy.

She playfully ate my come out of her pussy, moaning around her fingers.

"How does my come taste out of your juicy pussy?" I asked.

"It tastes as delicious as always," she said.

She sucked my cock back to life.

She got on her knees and spread her plugged ass wide.

"Please fuck my horny ass," she begged.

She milked the butt plug while she waited. I fucked her ass with it for a minute and popped it out. I ate her asshole hungrily to orgasm. I used my fingers and the butt plug to lube her asshole. I left it up her ass.

She oiled my cock thoroughly and lay back, pulling her legs over her head. I popped the butt plug out of her ass and let her suck it lewdly before I put it aside. I gently but smoothly sank my cock all the way up her ready and willing asshole, making her moan. I fucked her ass at an easy pace.

"That's it, baby," she moaned. "Fuck your dirty whore's horny ass."

"I love fucking my dirty whore in every hole she has, especially up her sizzling ass," I said, fucking her faster.

"I love to have you fuck me in every hole I have, especially up my cock-craving ass," she gasped.

"You are an incredible whore, Mary," I said. "I am so happy you are mine."

"Not half as much as I am," she gasped.

She had orgasm after hard anal orgasm as I fucked her ass in several positions, allowing her to ride my cock a several times. I made her asshole gape as she held her ass open for me.

"I have a feeling that your hot ass is ready for my come," I said, fucking her ass hard, as she approached orgasm.

"Of course it is," she gasped.

She stiffened and came.

"Here it comes, my whore," I said as my cock swelled and twitched.

Her twitching rectum sucked my cock dry before I pulled out. I scooped the first lump of come out of her ass and fed it to her. She did the rest. I gave her asshole a long French kiss at the end.

"I am so proud of you, Mary," I said. "I bet your mom would never believe that her sweet shy daughter can ever be such a shameless little whore for her own horny cousin."

"I am a dirty whore only for my amazing cousin," she said. "I don't care about what mom thinks about me."

"I do," I said. "I want the whole world to know that you are the most incredible girl in the world."

"Thank you, Nick," she said.

She got up and gave me a deep kiss.

We were not done yet. She sucked my cock to full hardness. We fucked in different position, switching my cock between her three hot holes. She came several times before she swallowed my last come load for the morning.

We snuggled for a few minutes, occasionally kissing gently or passionately.

She put on her clothes, and I plugged her ass. We shared a long kiss before she left.

After Mary left, I locked the door. I put on my clothes and let my aunt out of the closet. She was silent.

"Do you believe now?" I asked.

"That was incredible!" she said in awe. "You are amazing."

"So is she," I said.

"I guess," she said. "I've never thought she could be capable of any of that, let alone all of it."

"She's a fantastic girl with the right guy," I said.

"Wow, Nick!" she said. "You are incredible. I've never thought you were like that. You are an amazing lover. You put my best boyfriend or date ever to shame. Your girlfriend's a very lucky girl."

"Thanks," I said, blushing. "I just think that the hot girls that give me themselves deserve the best."

"You definitely give them the best they can ever have," she said. "Although you are so wild, I am proud of you."

"Thanks, Aunt," I said. "Aren't you proud of Mary? She's turned into a fantastic hot girl."

"I am proud of her too," she said. "Thank you so much for what you did for her."

"In case you missed it, I had an amazing time," I said.

"That isn't my problem," she smiled.

She quietly snuck out of my room.

"Can you see me in my room in half an hour?" my aunt whispered in my ear after lunch.

"Sure," I said.

Her expressions did not betray her feelings. I did not know what she was going to say to me. I wondered whether the reality of what she had seen was more intense than she had expected. Would she scold me for treating her little innocent daughter like a whore? She probably did not want me to talk to her daughter ever again. She might even never want me in her house. I could not infer anything from her look at me. I wondered if really no good deed went unpunished. Regardless of what would happen, I would never regret what I had done, and Mary would always be my whore like we promised each other. Neither her mom nor anybody else can have control over us forever.

After thinking silently for a long while, I decided that what I had done was good for my cousin. We both had enjoyed it immensely. I would never regret it. I might though regret letting my aunt know about it. I just wanted to assure her that her daughter was normal—even hornier than most girls. I did that out of my goodwill and in good faith, so I should never regret it regardless of the consequences. I was a horny kid, but I had to be a man too.

It was finally time to see my aunt. I bravely approached her room and knocked on the door.

"Come in," she called.

With as much courage as I could gather, I opened the door and went in.

"Come over here," she called as I closed the door.

She was sitting at the edge of the bed. I walked toward her. She motioned me to keep moving closer until I was less than a foot away from her. She had her hair teased up and was wearing a short red dress. The scoop neck of her dress exposed her generous cleavage. She also had on black fishnet stockings and matching high heels. The hem of her dress rode almost to the tops of her stockings.

"Are you leaving?" I asked to break the tension.

"No, I am not going anywhere," she said. "I have the entire afternoon free. I haven't dressed up like this to leave in a very long time. I only dress up like this for very special occasions."

"You are dressed as if you are going somewhere," I said, trying to talk longer.

"I sometimes get sick of my kitchen clothes," she said. "Don't I look better in these clothes?"

“Yes, you do,” I said conservatively. “This is a pretty dress, and you are a pretty woman.”

“Thank you,” she said.

“You are welcome,” I said.

“You said you did that on special occasions,” I said. “Is there a special occasion today?”

“Isn’t solving my sweet daughter’s big problem a special occasion?” she said.

“Yes, of course it is,” I said. “Are we going to celebrate somehow? We can’t tell them why though.”

“We are going to celebrate, but we are not telling anybody how or why we are going to celebrate.”

“That’s great,” I said.

What she said did not make sense to me, but I let it go.

It was awkward. We had never talked like that before. I had never let a woman watch me fuck her daughter.

“Do you know why I wanted to see you?” she asked, finally getting into our subject.

“Why?” I asked instead of answering.

“Your morning show was impressive,” she said. “You are much more dangerous than I had thought.”

That was something I could not comment on, so I waited silently for a more detailed explanation.

“I haven’t realized that you’ve grown into a man,” she said, stroking my chest. “You are now all man—a stud.”

She stroked my chest and then my butt. When I did not talk, she proceeded to stroke my crotch. She looked up at me intently as she stroked the outline of my cock. My cock started to harden of its own accord.

“You have earned your reward,” she said, squeezing my cock through my shorts.

“What reward?” I asked.

“The reward of your choice,” she said, slowly pulling my shorts down. “Would you mind if I took a look at your awesome equipment that has made my girl into a woman and a slut?”

“Go ahead,” I said.

She pulled my shorts and boxers down, and my cock popped in her face. She held it in her right hand and stroked it gently.

“The little whore’s now a better lover than I am,” she said. “Of course she had you to teach her. I didn’t have a teacher like you to teach me. I didn’t know women gave birth to studs like you, not to mention my own sister.”

“I am a normal guy, Aunt Michelle,” I said, gently thrusting in her hand.

“You are not a normal guy at all,” she said. “You are a normal guy, but you are not an average guy at all. You are an incredible guy and an awesome lover.”

“Thank you,” I said. “I guess I love sex so much.”

“That isn’t it, Nick,” she said. “All guys love sex too much. Loving something doesn’t make you any good at it.”

“Okay, I am an exceptional guy for some reason that I don’t know,” I said.

“You can ask for anything in my power,” she said, looking up at me as she continued to stroke my hard cock.

“Anything in your power?” I asked.

“Yes,” she said and teased my cock head with her tongue tip, making my cock twitch, as if to give me a hint.

“Do you think I did that for the reward?” I asked as she licked my cock head.

“Even if you didn’t do it for the reward, you earned it,” she said. She started to suck my cock head in a teasing way. “You have an amazing cock, Nick. It can have any woman it wants.”

“Thanks for this great offer but no thanks,” I said as I held the back of her head and proceeded to fuck her mouth gently so she would not get me wrong. “I did what I did for Mary and for you. I did it only because I cared.”

She sucked my cock, letting me fuck her mouth as I talked. I continued to thrust in her mouth while holding the back of her head after I finished talking. She continued to suck my cock.

“I didn’t want to insult you,” she said, stroking my cock with one hand and holding my balls with the other after I let go of her head. “I just want to show you how much I appreciate what you’ve done.”

She returned to sucking my cock. This time she took it all the way down her throat.

“The look of ecstasy on Mary’s face was all the reward and appreciation anybody could ever give me,” I said, thrusting in her throat. “It was priceless. Sweet words and pure emotions can go further than any physical reward.”

She deep throated my cock eagerly, and I fucked her throat for a minute.

“Don’t you want to make love to me?” she asked, stroking my cock briskly.

“Aunt Michelle, you are a hot woman,” I said, pulling her head to my cock with one hand and reaching for the zipper of her dress with the other. “I don’t make love to hot women. I treat those like I treated your hot daughter.”

She cooperated on undoing her dress.

“That’s exactly how I want you to treat me,” she said when I let go of her head.

“I won’t accept that as a reward,” I said, thrusting in her throat. “I’d only do it for you because you need it.”

“You don’t know how bad I need it,” she said.

“You need it bad, Aunt Michelle,” I said. “You are a hot woman after all, and I love pleasing hot women.”

By the time, her dress was down her shoulders, exposing her lush tits. I fondled her tits gently and teased her stiff nipples while she sucked my cock deeply.

“I really love the way you put it,” she said, stroking my cock.

“Why don’t you get on your hands and knees and show me the rest of your wonderful body that craves my attention?” I said, pulling her up.

When she stood up, I pulled her to me and proceeded to fondle her tits and suck her sweet nipples. My hands soon slid down to her ass, which I felt up a little before I hiked her dress and felt up her bare ass. Meanwhile, she moaned and held my head to her tits.

“You are really good, Nick,” she moaned.

“You are so hot, Aunt Michelle,” I said, giving her bare ass a final squeeze.

She got onto her hands and knees and thrust her ass my way. I pulled her so her knees were at the edge of the bed. I hiked her dress and lowered her thong to her ankles. I pulled her knees farther apart and pushed her lower back down to expose her pussy and ass obscenely. Her pussy was soaked.

“Aunt Michelle, when you were young, were you a tramp like Claire or a good girl like Mary?” I asked while I fondled her ass freely, admiring her leaky pussy and cute little asshole.

“I was somewhere in between,” she said. “I don’t know how Mary will be from now on though.”

“She’s going to be incredible,” I said.

“I hope so,” she said.

“You look so hot and delicious where I am looking at you,” I said as I repeatedly spread and squeezed her ass, watching both her pussy and asshole wink at me. “You are so wet too. I like your smell and love your cute rosebud.”

“Thank you,” she said.

She gasped and shuddered when I tickled her asshole with my tongue. I took my sweet time licking and teasing it. She moaned softly, pushing back into my mouth. Her asshole definitely was not virgin; it hungrily nibbled at my tongue tip. After a little while, I stepped up the pace of my oral assault. She did not last for long. I continued to probe her twitching asshole while she shoved her ass into my face until her orgasm died completely.

“Do you want me to fuck you?” I teased.

“Yes,” she hissed.

“You don’t know what you should do to get me to fuck you?” I teased.

“Please fuck me, Nick, you hot stud,” she begged.

She was still panting when I brushed my cock head up and down her drenched pussy lips.

“That’s all you have to do,” I said, pushing my engorged cock head into her pussy.

She gasped sharply when I stabbed my cock all the way into her soaked pussy. Her pussy twitched, and she came immediately. I held her hips and fucked her convulsing frame vigorously. She had multiple orgasms before she went limp. I drooled on her asshole as I took my last strokes in her pussy.

“Aunt Michelle, I want to fuck you up your sexy ass?” I said, pressing my dripping cock head into her asshole.

“Please do,” she gasped as my cock head popped past her sphincter. “You can do to me anything you want.”

“You want to be my dirty whore just like your little daughter,” I said, thrusting in her ass.

“Yes,” she grunted as I rammed my cock all the way up her ass.

“Do you want me to treat you like a cheap whore?” I teased, thrusting hard in her ass.

“Yes,” she gasped.

“You are so hot,” I said, grabbing her big dangling tits. “You really deserve to be treated that way.”

“Thank you,” she gasped.

“You are going to get fucked like you’ve never been fucked before,” I said.

“Yes,” she gasped.

“Do you also want to be my whore forever?” I asked.

“Yes,” she hissed.

“That means you and I will be visiting frequently,” I said. “I need to fuck my dirty whores often.”

“Yes,” she hissed. “I’ll even pay for your tickets.”

“You are going to be a good whore, Aunt Michelle,” I said.

“Thank you,” she gasped.

Holding her tits tightly, I drilled her ass through a wild orgasm. I slowed down while she recovered and then picked up the pace again. She came again within a few minutes. I climbed onto the bed, crouching astride her ass, without taking my cock out of her ass. I fucked her ass gently while I pushed her head and shoulders onto the bed and guided her hands to her ass.

“Does Uncle Fred know what you are doing behind his back?” I teased as she opened her ass wide for me.

“He hardly remembers that I have a pussy,” she gasped as I fucked her ass harder.

“He probably wouldn’t mind if I filled your cock hungry holes with come, would he?” I teased.

“Even if he would, I wouldn’t,” she gasped. “Don’t worry about him. Do to me whatever you want.”

“In this case, I am going to fill every hole in your body with hot thick come,” I said.

“That’s what they are there for,” she gasped. “They’ve never been fucked by anyone worthier than you.”

“I love a woman who knows what she was made for,” I said.

“Every woman knows she was made to be fucked,” she gasped. “Most men don’t know that though.”

“I do,” I assured. “I do.”

“If you really do, you’ll get more pussy than you can handle,” she gasped.

“How about ass?” I teased.

“More ass too,” she laughed. “You’ll be swimming in hot and horny asses. You really like asses, don’t you?”

“Just like the next guy,” I said.

“What next guy?” she gasped. “You are the first to stick a tongue up my ass.”

“No one else has ever sampled your delicious asshole?” I said.

“Nope,” she gasped. “Can you see what kind of next guy we are talking about?”

“Blind?” I said. “Idiot?”

“Now you know you are unlike the next guy,” she gasped. “You are a real stud.”

“You are so hot, Aunt Michelle,” I said. “You are a real slut.”

“That’s what I am, baby,” she gasped. “That’s what I am with the right guy.”

“When it comes to hot women, I am the right guy for anything,” I said.

“I bet,” she gasped.

She shamelessly spread her ass for me while I pounded her ass through a couple of hard orgasms.

“I want to come in your mouth,” I announced, popping my cock out of her ass, when she recovered.

She rolled onto her back, and I knelt astride her chest, thrusting my cock in her mouth. I did not last long in her mouth before I spurting my first come load against the back of her eager throat. She sucked my cock dry and continued to suck until I pulled it out of her mouth.

Rolling off her, I lay on my back to rest for a minute. She soon knelt on top of me in the sixty-nine position. I ate her drenched pussy and relaxed asshole through a wild orgasm while she revived my cock.

“Ride it like a cowgirl,” I instructed, slapping her ass.

She mounted me in the cowgirl position and rode me until her horny pussy drenched my cock in its gushing juices. Before she recovered, she guided my cock into her ass and resumed bouncing in the Asian cowgirl position.

“Nick, I love your big cock up my ass,” she said. “As you can tell I’ve been fucked up the ass, but you may not know that nobody else has ever given me an anal orgasms. You gave me anal orgasms harder than all my orgasms.”

“Aunt Michelle, you have a sizzling ass,” I said. “Those idiots had no clue what they had in their hands.”

“You were born to fuck,” she said. “Fuck all you can for our sake.”

“I’ll fuck you royally,” I assured. “After all, you were born to be my dirty whore.”

“Yes,” she hissed.

After she came, I rolled her onto her back and pinned her legs under my shoulders. I drilled her pussy in the missionary position to a wild orgasm. Before she recovered, I pushed my slick cock into her ass and fucked her ass vigorously until we both came.

“Aunt Michelle, is your horny ass ready for a big load of my hot come?” I said as my orgasm approached.

“Oh, yes,” she gasped. “Fill my horny ass with your hot creamy come.”

“You got it, my hot bitch,” I said as my cock swelled.

When I felt my come burst out of my balls, I repeatedly slammed my cock deep in her twitching ass, allowing her sucking rectum to suck my cock dry. I only relaxed when both our orgasms subsided.

When I popped my softening cock out of her ass, I pushed two fingers up her ass and scooped a lump of my come out. I looked into her eyes with challenge as I brought my fingers to her mouth. She opened her mouth lewdly and sucked my fingers dry. I held her legs for her while she scooped the rest of my come and ate it hungrily.

We lay for a minute, kissing sinfully and petting. She was soon bent over my soft cock. My cock did not stay soft for long. Neither did it stay in her mouth. She kicked off the next round in the cowgirl position. We cycled through all the positions we knew and all her holes.

“Your hot ass is perfect for my big cock,” I said as I fucked her ass briskly and deeply.

“Your big cock’s perfect for every hole I have,” she gasped.

“Do you have any doubt about what you were made?” I teased.

“I was definitely made to be my stud nephew’s dirty whore,” she gasped.

“That’s exactly what you were made for, and you are perfect at it,” I said.

At the end of that heated round, I filled her trembling pussy with come.

“Let’s not fuck each other to death,” she smiled as she finished eating my come out of her pussy.

“Oh, you are already fucked out?” I teased.

“Nick, I’ve never been fucked anything like that,” she said. “I am surprised I could handle all that fucking.”

“Of course you can handle that,” I said. “You were born to be my whore after all.”

“You are an insatiable stud,” she said. “You’ve fucked my daughter and her mom silly, and you are still horny.”

“What can I do when my whore and her slut daughter are so hot and sweet I can’t get enough of them?” I said.

“Don’t fuck them to death so you can keep fucking them again and again,” she smiled.

“Aunt Michelle, this was the hottest afternoon of my life,” I said.

“Of mine too,” she said. “I have never come as many times in one day, not even in one week.”

“I hope it won’t be the only time,” I said.

“Me too,” she said. “You’ve won yourself a new dirty whore, baby. You can fuck me any time you want please.”

“I sure will,” I said. “You too, my dirty whore, can come to me anytime and use my cock all you want.”

“You are so sweet, baby,” she said. “I am sure I’ll be begging for your cock soon and often.”

Before I snuck out of her room, we had our longest and lewdest kiss. I showered and slept for a couple of hours to recharge my systems.

From then on, my cousin and my aunt shared my cock almost daily. I started to spend very little time with Jim. I had planned to stay for two weeks, but I stayed for a full month. I had never had sex as often or as good. Unfortunately I had to go back home.

MY WICKED MOM

A few days later, I started to miss my aunt and my cousin despite calling them and talking dirty to them daily. I was getting very horny too especially since my girlfriend was still away on vacation. In addition to that, I was getting bored. I was watching a movie on television in the afternoon while mom sat next to me.

“Did you enjoy your stay at your aunt’s?” asked mom.

“Yes, I did,” I said. “It was a nice change, and they were nice to me as usual.”

“Did you have a good time with your cousins?” she asked.

“Yes,” I said.

“Did you enjoy Mary?” she asked.

“Yes,” I said. “We spent a lot of time together.”

“No kidding,” she said.

“We are each other’s favorite cousin,” I smiled.

“I bet,” she said. “Was she good?”

“Yes, she was very nice as always,” I said.

“That wasn’t what I meant,” she said.

“What did you mean?” I asked.

“Was she good in bed?” she asked, shocking me.

“In bed?” I said, feeling my heart sink in my belly. “What do you mean?”

“I know that you had sex with her,” she said.

“Who said that?” I asked nervously.

“She didn’t tell me,” she said, smiling wickedly. “Who else knew about it?”

“Who?” I asked.

“Don’t worry,” she said. “Michelle would never let you do that without my permission.”

“Your permission?” I asked in shock.

“Are you surprised?” she smiled. “You are still my son.”

“I thought I was an independent adult,” I said. “I don’t need a guardian.”

“You are an adult all right,” she said, “Though, you’ll be independent when you pay your own bills.”

“I see,” I said.

She moved closer to me and laid her left hand on my bare right thigh. Several seconds later, she started to stroke my thigh lightly. I thought that was odd, but I did not protest. One or two minutes into her stroking my thigh, my cock started to grow inexplicably. I tried to ignore it, but it continued to grow, making an obvious tent. I hoped she would not notice my predicament. My hopes were destroyed when she laid her hand on my bulge and wrapped her hand around my hard cock through my shorts.

“Mom, what are you doing?” I asked as I stiffened.

“Relax,” she said as she started to stroke my cock.

Naturally I could not relax. I tried though. She turned toward me and slipped her right hand up the right leg of my shorts. She held my bare cock and proceeded to stroke it.

“Mom, you shouldn’t be doing this,” I said.

“You can’t be serious when you are this hard,” she smiled. “I think you are having a good time.”

Unable to do anything, I watched as she fished my cock and balls out of the leg of my shorts.

“Do you miss Mary?” she asked, holding my balls in one hand and stroking my cock with the other.

“Yes,” I said.

“Was she a good little slut for you, or do you call her a good little whore?” she said.

“Mom!” I protested.

“Relax, Nick,” she said calmly. “Your mom’s your friend. You can say anything to her. Was she good?”

“Yes,” I said.

She scooted off the sofa and knelt between my legs. She stroked my cock for a few seconds, teasing the engorged head with her tongue tip.

“Thank you for being so nice to your cousin,” she said. “I am proud of you.”

“I only did what I had to do,” I said as she teased and sucked my cock head playfully.

“She’ll never forget what you did for her,” she said. “A girl never forgets her first time and her first guy.”

“She wasn’t my first, but I’ll never forget our amazing experience,” I said as she sucked my cock head hard.

“You made me so happy and proud,” she said. “You made your aunt very happy too.”

She sucked my cock halfway into her mouth. My cock twitched, and I almost came.

“Mom, what are you doing?” I protested.

Ignoring me, she silently sucked my cock deeply for one very sweet minute, working her lips all the way down my shaft and up repeatedly.

“I am sure you know what I am doing,” she said, looking up off my cock. “I’ll do it again to give you a clue.”

She fondled my balls while she deep throated me for several minutes.

“She must have had a wonderful time,” she said. “I’d have. You have a great cock. I am sure you know that.”

“We both had a wonderful time,” I said as she licked my balls.

After that wonderful cock sucking, she started to tease my cock head with her tongue tip. She teased me so much I had to do something.

“Suck it, mom,” I said, pulling her head all the way down my cock. “Suck it like you mean it.”

From then on, she sucked my cock devotedly for many minutes. She finally took her mouth off my cock and looked up at me while stroking my hard shaft.

“This visit to your aunt has turned you into a pervert,” she said

“What do you mean?” I asked as she sucked my cock hungrily.

“You no longer have a problem with shamelessly seducing your own mom,” she said.

“Mom, I didn’t seduce you,” I said. “*You* are seducing me.”

“I was innocently stroking your thigh when you sported the biggest boner I’d seen in a very long time,” she said stroking my cock. “What’s a woman who hasn’t had sex for weeks to do? I am sure that was how you seduced Michelle too. The poor woman had never cheated on her husband before.”

“What?” I said in shock. “I seduced neither her nor you. It was the other way around.”

“You took advantage of her being a horny married wife,” she said. “At first, I blamed her, thinking she was a little too weak, but now I know there was nothing she could do. The woman of us can’t resist a young man with a big raging hard cock like you. You can do anything to a slightly neglected wife. That was what you’ve done to her too. You turned that sweet loving wife into a wanton slut. She could only do your bidding and beg for more.”

“Is that what she told you?” I asked.

“She just told me what happened,” she said. “She didn’t say that you’d seduced her, but it was clear.”

“Now I am seducing you, right?” I asked sarcastically.

“Nick, you don’t seem to realize how delicate cock-craving married women are,” she said. “Once you brandish your big hard cock in their faces, they are putty in your hands.”

“I didn’t brandish my big hard cock in anybody’s face,” I said.

“We are delicate,” she said. “You don’t have to take it out and shove it in our faces to brandish it in our faces.”

“Is that right?” I said.

“Our pussies can smell a big hard cock often even when it’s still soft,” she said. “We’d then flirt and tease to make it hard to see if it’s what we thought. Once we find out it is, our little pussies go crazy and never listen to us.”

“How is that my fault?” I asked.

“Can’t you see what my horny little pussy’s forcing me to do and I can’t resist it at all?” she said.

“No,” I said. “I think it’s a nice little pussy.”

“That was the case before it saw your big powerful cock,” she said.

“What happened then?” I said. “Is it soaked now?”

“You think I am kidding,” she said as she got onto the sofa on her hands and knees, thrusting her ass in my face. She hiked her dress and pulled the crotch of her panties aside, lewdly exposing her leaky pussy and little asshole.

“You are going to fuck me now, aren’t you, you horny savage?” she said.

“I don’t think your wet pussy can resist my big hard cock, can it?” I teased as I turned toward her offered ass, rising up onto my right knee on the sofa and my left foot on the floor.

“No way,” she said as I aimed my hard cock at her dripping pussy. “Your rampant cock can slice through it like a hot knife in butter. You like to have those cock-craving little fuck holes at your mercy, don’t you?”

“Have I already turned you into a married whore?” I said, brushing her leaky pussy with my cock head.

“Yes,” she hissed.

“Beg me to fuck you like the dirty married whore you think you are,” I said.

“Please fuck your slut mom like the dirty married whore she is,” she begged.

“You think your horny little pussy’s so defenseless I can impale it with one thrust?” I teased.

“Yes,” she hissed.

“There is only one way to find out,” I said as I shoved my cock all the way into her pussy, making her gasp sharply and start to convulse in orgasm.

“I told you so,” she gasped as I held her hips and pounded her gushing pussy vigorously. “I told you that my cock-hungry little pussy was no match for your big powerful cock. You made me come like a depraved whore.”

She continued to convulse as I fucked her pussy hard.

“Are you a depraved whore or not?” I said. “Am I fucking you like something you are not?”

“I am *your* depraved whore,” she gasped.

She finally went limp, and then I fucked her gently until she started to fuck back.

“Move your ass, mom, you dirty whore,” I urged, rocking her back and forth. “Get your horny pussy fucked.”

She bucked her ass over my cock repeatedly until she came again.

“I love fucking cock-craving whores who need my big cock so bad they can’t do anything about it,” I said.

Losing her breath, she shoved her twitching ass into my cock uncontrollably, drenching my cock. I gently removed my dripping cock from her pussy and then thrust it in her face.

“Your slutty pussy has made a mess,” I said.

She took my glistening cock into her mouth and sucked it clean. I carried her onto my shoulder and took her up to her bedroom. I locked the door and tossed her onto the bed.

“I love to fuck married whores in their husbands’ beds,” I said.

“I knew you were a pervert,” she said. “Married whores can’t resist you. They want you to fuck them in their marital beds like cheap whores. Your slut mom’s no exception.”

“I want to eat your juicy pussy first,” I said as I hiked her dress. “Married pussy’s delicious.”

She raised her ass off the bed to help me take off her panties. I pushed her legs over her head, and she held them in place with both hands.

“Your have pretty orifices down here,” I said, spreading her cheeks. “Married fuck holes are so hot.”

She was drenched. I dipped my forefinger in her wet pussy, soaking my finger in her juices. I sucked her juices off my finger, tasting her pussy for the first time, and then returned my finger to her pussy. I removed my dripping finger from her pussy and placed its tip gently against the center of her asshole, applying the least possible pressure just so she could feel its presence.

With my fingertip at her asshole, I proceeded to clean her drenched pussy with my tongue. She moaned and squirmed. Her pussy leaked fresh juices onto my tongue. I sipped everything she offered and sucked for more. I ate her pussy harder while gently massaging her asshole with my fingertip. She ground her pussy into my mouth. When she was about to come, I popped my fingertip into her asshole, triggering her orgasm. I sucked her gushing pussy thirstily while pumping my fingertip in her twitching asshole until she went limp.

She took a minute to catch her breath. Meanwhile, I knelt before her ass and massaged her pussy gently with my cock head. She moaned when I slid my cock all the way into her pussy. Leaning forward, I fucked her hard through two wild orgasms. When she recovered, I straddled her chest and fucked her mouth for several minutes. At the end, I slapped her face with my sticky cock and dismounted her.

“Ride my big cock, mom,” I said, lying on my back. “Show me how much you need it.”

“You know I need it bad,” she said, straddling me in the cowgirl position.

While she rode my cock, I helped her get out of her dress and bra, setting her lovely full tits free. I watched her tits bounce for a minute and then fondled them, pulling on her stiff nipples. I pulled her tits down to my mouth. While sucking her sweet nipples, I spread her ass and bounced it rhythmically. Before long my frisky fingers were teasing her asshole. I wet two fingers of my left hand in her mouth while I massaged her asshole with the fingers of my right hand. I returned my wet fingers to her ass, popping one and then both into her asshole.

“Look at me,” she said, riding me wildly. “You have me bouncing on your big cock like a street whore.”

“I like the way you look and feel,” I said, finger fucking her asshole in her rhythm. “Don’t you?”

“That’s what makes me feel like a whore,” she said. “I love the way you fuck my horny married pussy.”

Within moments of that, she started to gasp and convulse. I steadied her with my right hand while I thrust hard in her gushing pussy and pumped my fingers within her twitching asshole. We kissed deeply when she collapsed on top of me. My cock and fingers thrust gently inside her.

After a little rest, I turned her around into the sixty-nine position. I ate her drenched pussy, and she sucked my cock through a mutual orgasm.

“I am going to come in your mouth,” I said. “Be a good come slut, and swallow it all.”

With my forefinger in her ass, I drank her gushing juices as she swallowed my come load. She continued to suck my cock to revive it. Meanwhile, I licked her asshole. Her asshole relaxed and I tongue fucked it. I made her come while she deep throat my new boner. After she came, I gently fucked her ass with two fingers as she continued to deep throat my cock hungrily.

“You are going to fuck me in the ass, aren’t you?” she asked as she dismounted me and got onto her hands and knees, obscenely thrusting her ass out. “You are such a horny monster.”

“Do you have lube?” I asked.

“Yes, right there,” she said, pointing at the drawer of the nightstand.

“If there is lube, I have to fuck your horny asshole,” I said. “It’s so full of lust and hunger for my big cock.”

Retrieving the lube, I generously applied lube to her asshole. I thoroughly massaged the lube into her asshole and worked it inside her rectum. She moaned, thrusting her ass back against my fingers. I flipped her onto her back and fucked her pussy in the missionary position.

“Do you want me to fuck you in the ass?” I teased after she recovered from her orgasm.

“You are not going to make me beg for it, are you?” she said in mock horror. “I didn’t raise you that way.”

“I am afraid I am,” I said, touching my dripping cock head to the glistening pucker of her ass.

“What kind of brute are you?” she said. “Please fuck your slut of a mom in the ass, you barbarous beast.”

“Guide it in, my whore,” I teased, applying just a little pressure to her asshole.

She held my shaft, pressing its head into her pucker, until it popped past her sphincter, making her gasp.

“I want to make you my ass whore,” I said, thrusting in her ass, “just like your sister.”

“You are not my son,” she gasped in mock disgust. “You are some horny bastard after my tight married ass.”

“Do you want to get back to being a prim and proper mom and use your fingers to satisfy yourself, or do you want to become my anal slut and let me make you my ass whore?” I teased, thrusting hard in her ass.

“I don’t have a choice,” she gasped. “I can’t say no to you, you ass fucking animal. I have to be your ass whore.”

“Your asshole’s too tight for a dirty whore like you,” I teased. “I am going to fuck it until it gapes wide.”

“You just don’t have any mercy,” she said. “I knew you’d fuck me into pieces, but I love it.”

“You were right,” I said. “I am going to fuck you like never before. You are going to beg for mercy.”

“Fuck me all you want,” she said, “but I am not a little girl—you can’t make me beg for mercy.”

“I hope you are right,” I said, “because even if you begged for mercy, I wouldn’t stop fucking you.”

We went silent for a few minutes of hard deep ass fucking that made flesh slapping and bed creaking sounds. She was losing control. Within a minute she stiffened and came under my fast vigorous thrusts. I continued to pound her twitching ass until she stopped convulsing.

Putting her legs down, I straddled her chest and pushed my cock in her mouth. I fucked her throat for a few minutes and then returned my cock to her ass in the same position. I drilled her ass again in the missionary position until she came. When she recovered, I flipped her onto me in the Asian cowgirl position. After she came, she turned around and rode me in the reverse cowgirl position. Her orgasm laid her flat on top of me. I fucked her in that position until she came, and then I rolled us onto our left sides. She came again, and I rolled her onto her stomach and rode her ass from above to her next orgasm.

After we rested, I raised her hips into the leapfrog position and had her spread her ass for me. I made her come and then popped my cock out of her ass. I licked her drenched pussy clean and gave her gaping asshole a long deep kiss. I filled her rectum with drool before I shoved my cock back in.

"I am going to fill your hot married ass with come," I warned, fucking her harder.

"Do what you have to do," she gasped. "My horny ass needs you to do that."

When she came, I filled her sucking rectum with come. I drained my balls in her ass before I withdrew my softening cock. When I guided her fingers to her come filled asshole, she knew what to do.

When she finished eating my come out of her ass, I lubed her asshole thoroughly for our next round. She sucked my cock back to life. I fucked her pussy and ass through several positions and as many orgasms.

"You know I am going to flood your tight married pussy with come, don't you?" I teased, drilling her hard.

"I didn't put it beyond you to fill me with hot come in every married hole I have," she gasped. "I need you to."

She came, and I filled her twitching pussy with come.

She ate my come out of her pussy, and we resumed fucking.

After an hour or so, I fucked her tits and came all over her face. She used her fingers to clean her face and eat my come. I dangled my softening cock in her mouth. She sucked it until it was hard again. I fucked her mouth for a few minutes before I put it to her pussy and ass.

Over an hour later, she was lying prone and I was fucking her ass from above.

"Your cock doesn't quit, does it?" she said.

"Not so soon," I said.

"If you keep fucking me, you'll make me too sore to fuck tomorrow," she said.

"Can I take that as a plea for mercy?" I teased.

"I guess you can," she said.

"Let's finish this fuck and then quit," I said.

Within a couple of minutes, I made her come and filled her fluttering rectum with come. I rolled off her and lay on my back. Keeping the come in her ass, she sucked my cock clean. She continued sucking until I got hard.

"No wonder you were giving Mary and Michelle more cock than they could handle," she said, slapping her face with my sticky hard cock. "I didn't think you could tire me out and still want more."

"I am just a horny teenager," I said.

"I was once a teenager," she said. "No one has ever fucked me half as much or as good as you have."

After a long royal blowjob, she made me come in her mouth and sucked me dry.

"Since you are this horny, why don't you try your sister?" she said.

"Alex?" I asked surprised.

"Yes," she said. "There is no way her wimp boyfriend can fuck her half as good. Besides, if your aunt and her daughter deserve your incredible cock, your sister does too."

"You wouldn't mind if I fucked her?" I asked.

"Why would I?" she said. "Isn't that better than fucking me sore?"

"How can I seduce her?" I asked.

"You are asking me after all what you've done?" she said. "You seduced your own mom."

She put her clothes back on, and I left.

MY HOT SISTER

Late that night, Alex looked hot to me. I had never thought about her in a sexual context ever before. My cock hardened as I ogled her and fantasized about doing wild things to her hot body. I naturally paid special attention to her hot ass. I decided that there was no way anybody, especially her silly boyfriends, was able to figure out how special and incredible her luscious tight little ass was. My cock throbbed at the thought of being able to explore it thoroughly and being the first and only person to be able to do that.

“Is there anything wrong?” she asked.

“You just look so beautiful,” I said.

“Really?” she said. “Thanks.”

“How come you don’t see your boyfriend often?” I asked.

“I see him every weekend,” she said.

“Is that all?” I asked.

“Yes,” she said.

“Is he gay?” I asked sarcastically.

“Of course not,” she said. “Why do you say so?”

“If I had a girlfriend anywhere as sexy as you are, I’d be all over her day and night, not once a week,” I said. “Can’t you see how Beth and I are all over each other all the time? Do you know why I am not in bed with her right now? It’s because she’s far away out of town. You seriously underestimate yourself.”

“I don’t know,” she said.

“Why don’t you find yourself another one?” I asked.

“Why?” she said. “I haven’t seen anything wrong with him.”

“Don’t you find it wrong that he isn’t always worshipping you and the ground you walk on?” I said.

“I am not a goddess or something,” she said.

“You are a goddess, Alex,” I said. “Any guy who doesn’t admit that doesn’t deserve you to even look at him.”

“You are exaggerating,” she smiled.

“Have you ever tried anyone else?” I asked.

“No,” she said.

“That’s why,” I said. “How can you know how he compares if you’ve never tried anyone else?”

“Do you think so?” she asked pensively.

“He doesn’t know how sexy you are,” I said. “Any normal guy would know that you are a goddess and treat you accordingly. Let me say this. You are my sister and all, but, if you let me, I’d make love to you in a heartbeat.”

“Nick, you are gross,” she glared. “You can’t think of me that way.”

“Am I gross because I recognize how beautiful and sexy you are?” I said as I got up. “I don’t think there is anything wrong with admitting that my sister’s so pretty and hot that I’d love to make mad passionate love to her luscious body without giving it a second thought, especially if my sister isn’t getting her fair share of loving. If thinking that you have a fantastic body makes me gross, so be it. Whether you like it or not, you are a sex goddess.”

While she thought about that, I left to my room and went to bed.

On the next day, Alex avoided my eyes. She did not look mad at me, but we did not talk at all. Mom and I spent the morning in her bed, fucking madly. Early in the evening, I was lying in my bed, thinking about the next step with Alex. I was in deep thought when I heard knocking on my door.

“Come in,” I said, coming out of my trance.

Alex entered, and I sat up.

“Nick, were you serious when you said you wouldn’t hesitate to make love to me?” she said lowly.

As she looked at me nervously, I got up and walked to her.

“Sit down, Alex,” I said softly, guiding her to the bed. “Let me tell you how special I know you are.”

She sat at the edge of the bed, and I squatted before her.

“Alex, you are so beautiful,” I said, looking in her eyes. “You have a great figure. Your body’s so ripe. Your boobs stand out and up in femininity and challenge. Your tight butt juts out in invitation as if it dares the guy to reach out and squeeze it. Your sexy legs tell a story that only a very lucky guy can have them wrap around him. Your hot lips are so sweet. They make one wonder how passionate they can be when they talk, they kiss and they do other hot things. You look edible. Who can miss a chance to make love to a sweet sexy girl like you? Not a boy who has any respect for himself or you. That’s definitely not me. Don’t you know anything about boys?”

She did not speak. Her chest rose and fell quickly.

“Alex, you are no longer a little girl,” I said. “You are quickly becoming a young woman—a gorgeous one at that. Sex is becoming an important part of your life. I know I am not supposed to look at you as a sex object, but I really don’t see any harm in doing so. You ooze beauty and sex. I so want to enjoy your hot body and let you enjoy mine. I want to please you like you deserve and let you please me like you deserve. I want to help you become a real woman and enjoy that fully. You can trust me because you know that I care about you more than any boyfriend ever can. I care about you so much that I’ll stop whenever you want me to. Doesn’t this sound good to you?”

“Yes,” she said lowly, nodding.

“Alex, you are so sweet,” I said. “I know that you have a delicious little pussy. I want you to relax and let me see and admire your hot temple of love and sex. Doesn’t your cute little pussy deserve to be loved and respected by us?”

“Yes,” she hissed.

“Let’s show your little pussy love and respect,” I said as I reached up her skirt and pulled her panties down.

She nodded silently, letting me take her panties off.

“Is your little pussy excited about meeting her craziest fan?” I said as I hiked her skirt and parted her knees.

“Yes,” she hissed, smiling shyly.

“You have a sweet little pussy,” I said, admiring her moist pussy. “Lean back a little bit so I can see it well.”

She shyly obliged me, and I pulled her ass to the edge of the bed and spread her legs wider.

“Does your boyfriend kneel down before your magnificent pussy and tell you how beautiful and mouthwatering it is in words or in the way he kisses it, licks it or devours it hungrily?” I asked.

“No,” she said lowly.

“Alex, your little pussy deserves to be worshipped,” I said. “Every guy knows that, but not every guy deserves to worship your sweet pussy and have it water for him and leak in his thirsty mouth,” I said. “Only a select few do.”

She did not comment, but her pussy continued to leak.

“You shouldn’t let a guy touch your pussy if he doesn’t show you how happy and lucky he is he’s favored by the privilege to worship, serve and service your horny little pussy,” I said. “That’s how I treat my little sluts. I let them show me they deserve to serve my big cock. So fat they’ve always been nice and eagerly worshipped my big cock, but I always let them worship my big cock and show their worthiness. That’s how you should treat your minions.”

“Would they do that?” she asked quietly.

“Alex, you are a goddess,” I said, looking up at her. “If you can’t find a guy worthy of you, bring your sweet little pussy to me, and I’ll always treat it right. Your juicy pussy deserves to be treated right. You owe that to it.”

“Okay,” she said.

“Don’t be shy, Alex,” I said softly, eying her leaky pussy. “You are beautiful. Your pussy’s mouthwatering. It’s so hot and wet. It’s getting wet and juicy for me. It looks so delicious. It wants me to eat it, doesn’t it?”

“Yes,” she hissed.

“Does it want me to kiss it deeply and show it how much I love it?” I said. “Does it want to leak in my mouth?”

“Yes,” she hissed.

“When it’s your turn, are you going to treat my big cock right and show it that you are its little whore?” I teased.

“Yes,” she hissed.

“Be a good girl, Alex,” I said. “Good girls beg for what they need. You need me to eat your hot little pussy.”

“Please eat my pussy,” she gasped, trembling.

“You need me to eat it because it’s horny, don’t you?” I teased.

“Yes,” she hissed.

“Beg me to eat your *horny* little pussy,” I said, admiring her leaky pussy.

“Please eat my horny little pussy,” she begged softly.

“I only eat good girls’ pussies,” I said. “Are you going to make your pussy gush in my thirsty mouth?”

“Yes,” she hissed.

“Are you going to come for me like a dirty little whore, or are you too shy to do what you have to do?” I teased.

“I’ll come for you,” she gasped.

“Like a dirty little whore?” I teased.

“Yes,” she hissed.

“You are not too shy to do that, are you?” I said.

“No,” she said.

“Say it,” I said. “Tell me you’ll come for me like a dirty little whore.”

“I’ll come for you like a dirty little whore,” she gasped.

“If you do that for me, I’ll fuck you like a dirty little whore,” I said. “Would you like that?”

“Yes,” she hissed.

“Tell me that you want me to fuck you like a dirty little whore,” I said.

“I want you to fuck me like a dirty little whore,” she gasped.

“Alex, you won’t be my only dirty little whore,” I said. “Is that a problem?”

“No,” she said.

“Tell me that you want to be my dirty little whore,” I said.

“I want to be your dirty little whore,” she gasped.

“Are you going to be a good dirty little whore for me?” I teased.

“Yes,” she hissed.

“Promise me you’ll be a good dirty little whore for me,” I said.

“I promise I’ll be a good dirty little whore for you,” she gasped.

“I’ll hold you to that, Alex,” I said. “You are going to keep your promise, aren’t you?”

“Yes,” she hissed.

“Do you want me to promise you something in return?” I asked.

“That’s up to you,” she said.

“I promise you you’ll love being my dirty little whore,” I said. “You’ll never want to be any other guy’s slut. Your brother will fuck you like you deserve to be fucked. He’ll make you his devoted whore. Would you like that?”

“Yes,” she hissed.

“Alex, I am so excited about this,” I said. “My big cock wants you to belong to it. It loves you so much.”

She trembled.

“You are so sweet,” I said. “You are about to find out how sweet girls like you deserve to be treated. They deserve to be treated like queens. You’ll be treated better than royalty. Your brother will fuck you royally.”

She trembled.

She gasped when my tongue touched her glistening lips. I gave her two long licks and loved the taste.

“I knew you’d taste delicious,” I said, returning to her pussy. “I’ll be eating your juicy little pussy very often.”

She moaned and squirmed for several minutes while I ate her juicy pussy gently, enjoying her leaking juices. While probing and sucking her pussy teasingly, I fondled her tits through her top. She humped my mouth desperately before I ate her harder, working her toward orgasm. I drank every tasty drop her pussy gushed as I ate her through five hard orgasms. Each orgasm left her completely breathless.

“You did a great job coming for your horny brother,” I said. “Did you enjoy it at all?”

“I enjoyed it so much,” she gasped.

“Does that mean that you like being your horny brother’s little whore?” I teased.

“Yes,” she hissed.

“It only gets better, so hang on,” I said.

She was still gasping when I pushed her legs farther up, exposing her shy little asshole. Her light pink little pucker was irresistibly pretty.

“Your little rosebud looks so cute,” I said. “Spread your hot ass proudly so I can see it better.”

She did not resist as I guided her hands to her ass. She shyly spread her cheeks, exposing her asshole utterly.

“It’s more beautiful this way,” I said.

She gasped, her asshole clenching shyly, when I kissed it. I lightly licked her asshole, making her shudder.

“Don’t do that,” she protested, wiggling her ass.

“I know what I am doing,” I assured. “Just relax and enjoy yourself. You are my hot little whore after all.”

A minute later, she was moaning happily and pushing her ass against my mouth. She spread her ass lewdly, and her asshole nibbled my tongue. I enjoyed eating her asshole for a long time before I let her come.

“I am going to come,” she announced, gasping.

She convulsed wildly as I devoured her twitching asshole. I lazily cleaned her drenched pussy with my tongue.

“I’ll let you take a break,” I said as I got up and sat her up.

She let me guide her hands to my shorts and shyly pulled my shorts and boxers down. My throbbing cock jumped happily in her face.

“Can you see what you’ve done to me?” I asked. “My big cock loves you so much.”

She blushed.

“You are much thicker than my boyfriend’s,” she said.

“Hold it and enjoy it,” I said, guiding her right hand to my shaft. “You deserve the best, and you’ll get it.”

She held my cock and stroked it gently, looking at it intently. It twitched and got bigger in her hand. I put my hand behind her head and pulled it gently to my cock. She tentatively licked the leaky head and then took it in her mouth, stretching her lips around it.

“You have very pretty lips, Alex,” I said. “This is where they can shine and do the most good while having fun.”

She sucked my cock gently.

“Suck it, baby,” I instructed softly, pulling her head closer. “Be a good little cocksucker for your big brother.”

She sucked my cock deeper, and I thrust in her mouth, meeting her strokes. She sucked it eagerly for a few minutes. She soon reached her limit and could not go any deeper but continued to have fun.

“Alex, relax your throat and suck me deeper,” I instructed. “Take it easy, but you can do it. You deserve to.”

She did her best, gagging and coughing several times.

“Take your time, baby,” I said. “I know you are going to be a great cocksucker. Your lips were made for cock.”

She finally was able to take my cock balls deep down her throat.

“Good girl,” I commended. “I told you, you could do it. I knew you were a sex goddess and a dirty whore.”

She deep throted my cock more and more happily and hungrily for several minutes, practicing her new skills. She got very comfortable with smoothly taking my cock down her throat.

“Do you swallow your boyfriend’s come?” I asked.

“No,” she said.

“You are a good girl, Alex,” I said. “You are not his whore. You are my whore. Make me come in your mouth. You deserve to swallow every drop you can get. Take your prize.”

She sucked my cock harder. In a few minutes, I was ready to come.

“I am going to come,” I warned. “Get ready to swallow it all after you taste every gooey bit. Show me you deserve to be my hot little come slut and dirty whore.”

She sucked me even harder. When my cock swelled and started to twitch, I held the back of her head so she would not pull back. She eagerly sucked my cock thirstily while I shot my thick come against the back of her throat. She swirled my come with her tongue before she swallowed every last drop and sucked for more.

“You did a great job, Alex,” I said, tilting her face up. “I am so proud of you.”

“Thank you,” she said.

“Did you enjoy sucking your brother’s big cock and swallowing his big come load to the last drop?” I asked.

“Yes,” she hissed.

We then had our first kiss, which was long and passionate.

“Now that you’ve rest, are you ready to come in my mouth again?” I said, pushing her onto her back.

“Yes,” she hissed.

She pulled her legs over her head. I guided her hands to her ass. She did not hesitate to spread her cheeks shamelessly. Her pussy was wet, and her asshole was not as shy as earlier. I went after her asshole. I ate it and probed it with my tongue until she came. I left it soaked with my drool and soaked my middle finger in her drenched pussy. While I cleaned her pussy with my tongue I gently massaged her asshole with my slick finger. I soon popped my fingertip into her ass. She stiffened.

My tongue on her pussy made her relax, and I slid my finger all the way up her ass. I finger fucked her ass while I ate her pussy toward orgasm. When she was close to orgasm, I took my mouth off her leaky pussy and made her come just by pumping my finger in her ass. Our eyes met when she finished convulsing in orgasm. I slowly sucked my finger while holding her eyes.

“You have a delicious asshole, Alex,” I said. “Did you enjoy having me lick it and play with it?”

“Yes,” she hissed.

“You don’t mind having me do that, do you?” I said.

“No,” she said.

“Do you let your boyfriend touch it?” I asked.

“No,” she said.

“You are a good girl,” I said. “I love your sweet little asshole. I want to play with it much more.”

“Okay,” she said.

“Do you like being my dirty girl?” I smiled.

“Yes,” she hissed.

“I love that,” I smiled, sitting her up. “Do you want to suck my big cock again?”

“Yes,” she hissed as I thrust my hard cock in her face.

She sucked my cock eagerly for a few minutes, deep throating it hungrily. I fucked her throat for a couple of minutes. I took off her top and bra, setting her lovely tits free. I knelt down and sucked her nipples. She held my head to her tits, moaning happily. She cooperated when I pulled her skirt down her hips and tossed it away. I fingered her pussy while I continued to suck her sweet nipples. She squirmed and moaned delightfully, leaking on my fingers while she held my head to her tits.

She reluctantly let me take my mouth off her nipple. I pushed her onto her back and pushed her legs over her head. I was still finger fucking her leaky pussy. I let her suck my dripping fingers as I brought my cock to her pussy.

“Do you want me to fuck your hot little pussy?” I teased, brushing her leaky pussy with my cock head.

“Yes,” she hissed.

“Good girls are never too shy to bed,” I said. “Beg me to fuck your cock-hungry little pussy.”

“Please fuck my cock-hungry little pussy,” she gasped as I gently pressed my cock head into her pussy.

She grunted when my cock head popped into her pussy. My cock forced her lips open and sank slowly in.

“I’ve never been so stretched,” she said when I thrust into her tight pussy. “You really fill and stretch my pussy.”

“You have a tight little pussy,” I said. “Your boyfriend has somehow saved it for me. I am going to thank him by ruining it for him. I hope you don’t mind that, do you? You are after all *my* whore, not his.”

“I want you to do that,” she gasped. “I begged you to do it.”

“My sweet little sister always gets what she begs for,” I said. “Am I being a good brother for you?”

“Yes,” she hissed, smiling.

“I am not a gullible brother though,” I said. “You have to keep coming for me, or I’ll stop being a great brother.”

“You can count on that,” she smiled.

With a few gentle but firm thrusts, I drove my cock all the way into her pussy, stuffing her.

“I told you I would,” she gasped, stiffening. “I am going to come for you right now.”

She shook in orgasm, and I fucked her pussy hard but with short strokes until her orgasm subsided, leaving her limp and gasping for air.

“That was amazing,” she gasped. “I love coming on your big cock.”

“I love that too,” I said. “My big cock was made so my cock-hungry dirty whores can come their asses off on it.”

“I’ve just come my ass off on it,” she gasped. “I’ve never done that before on a guy’s cock.”

“You know which cock you were made for,” I said. “You know which cock you belong to.”

“Yes,” she hissed, squeezing my cock with her drenched pussy. “I belong to this big cock.”

She moaned softly as I fucked her tight pussy gently, giving her pussy time to stretch and warm up. She started to fuck back, and I fucked her horny pussy harder. She gasped and moaned with every thrust. She came wildly within a few minutes, giving my cock and balls a fresh coat of her juices. I slowed down while she recovered, and picked up the pace later, fucking her vigorously through another hard orgasm.

“I love your tight little pussy, Alex,” I said. “I think I’ll fuck it every day. Do you like my big cock?”

“Yes,” she hissed. “I love it.”

“Do you want it to fuck you silly every day?” I said.

“Yes,” she hissed.

When she recovered, I held her ass tightly with one hand and pulled her back up with my other hand, carrying her off the bed as I stood up.

“Hold on to my neck tightly,” I instructed.

She held my neck tightly, and I held her ass with both hands. I swung her ass back and forth, fucking her.

“Have you ever been fucked like this?” I asked.

“No,” she gasped.

“Enjoy,” I said, picking up the pace.

She came, and I lay on the bed, getting into the cowgirl position.

“Ride my big cock, Alex,” I said, rocking her ass. “Get your little pussy fucked hard to your heart’s content.”

She did not need any further encouragement. She rode me energetically, coming wildly on my cock. When she recovered, I started her bouncing again. She was heading to orgasm when I inserted a slick finger into her asshole, triggering her orgasm. While she convulsed in orgasm, I worked my finger all the way up her ass. I used my finger to fuck her ass while I let her ride me through a few more orgasms.

She panted while she recovered, gently grinding her pussy into my cock. I gently pumped my finger within her ass. We kissed deeply and lewdly while I thrust in her pussy and finger fucked her ass.

“Alex, I want to fuck you in the ass,” I said when we broke the kiss.

Her pussy twitched, oozing fresh juices, and her asshole clenched defensively, clamping around my finger.

“Doesn’t that hurt?” she said timidly.

“Do you think I’d ever want to hurt you?” I said. “Do you think your brother would hurt his sweet little whore?”

“I know you wouldn’t, but I am a little nervous,” she said.

“Don’t be,” I assured, stirring my finger within her tense asshole. “Relax and leave the rest to me. I’ll get you ready for it so it doesn’t hurt at all. You are going to have pure fun, I promise; sex is fun. Ass fucking’s wonderful.”

“Okay,” she said weakly, her asshole relaxing slowly around my finger.

My gentle thrusts in her pussy made her ride my cock. I fingered her asshole through a new wild orgasm.

“Do you want me to get your virgin asshole ready for my big cock?” I teased softly.

“Yes,” she hissed, her asshole twitching around my finger and no longer clamping apprehensively.

“Your sweet little asshole belongs to my big cock, doesn’t it?” I asked.

“Yes,” she hissed.

"It's the only cock you'll ever take up your sizzling ass, isn't it?" I teased.

"Yes," she hissed.

"I am going to start by eating your delicious asshole," I said. "Are you ready?"

"Yes," she hissed.

"You are going to love being my dirty whore even more," I said. "Do you think you can handle that?"

"Yes," she hissed.

"Get on your knees," I instructed. "Lower your head to the bed, and spread your virgin ass with both hands."

She spread her ass for me, and I ate her asshole through a nice orgasm. Her asshole twitched around my tongue tip until her orgasm subsided.

"Ass fucking's like any serious workout: it needs a good warm-up," I said. "Are you ready to warm up for it?"

"Yes," she hissed.

"We need to lube and open up your asshole," I said as I retrieved the lube and squeezed a generous amount around her asshole, making it clench defensively. "You want your little asshole to open wide for my big cock, don't you?"

"Yes," she hissed as I gently worked the lube inside her asshole with a finger.

"I'll teach your asshole how to open wide for the big cock it belongs to," I said, squeezing a second finger.

"Yes," she hissed.

"Don't you want your little asshole to be able to swallow my big cock hungrily but comfortably?" I said.

"Yes," she hissed.

"Alex, baby, this is part of being my dirty whore," I said. "It's what you were made for, so relax and have fun."

"Okay," she said.

Her asshole accepted my two slick fingers all the way in. I gently swirled them and twisted them within her ass.

"Your hot asshole already likes my fingers, doesn't it?" I said, slowly finger fucking her asshole.

"Yes," she hissed.

"It will soon remember that it was made for my big cock, and the cravings will start," I said.

She moaned.

After several minutes of finger fucking her tight asshole and reaming it out with two fingers, occasionally working lube inside it, I made her come by diddling my fingers in her asshole vigorously. Her pussy was already drenched. I wiped it with my ring finger and squeezed the slick finger into her asshole. I took several minutes to stretch and fuck her asshole with three fingers.

"Alex, your hot asshole's ready for my big cock," I said, smoothly sliding my three fingers in and out of her ass. "Do you want me to fuck it for you and make you my dirty ass whore?"

"Yes," she hissed, her asshole twitching involuntarily.

"All you need to do is to ask nicely for it," I teased. "You are a good girl after all, and you'll always be one."

"Please fuck me in the ass," she said smiling and trembling.

"Your hot ass will be always mine," I said.

"Yes," she hissed.

She squirmed and gasped as I continued to fuck her ass with three fingers while I lubed my cock thoroughly.

"Do the honors, baby," I said as I popped my fingers out of her ass and poised my raging cock at her ready asshole, making her gasp. I steered her hand to my cock. "Guide my big cock into your virgin little asshole."

Her trembling hand pressed my cock head into her asshole which tensed. Her asshole relaxed as I pressed gently. It opened up slowly and finally let my cock head pop inside. She gasped, and her asshole clamped at my cock.

"It feels so big," she breathed.

"Let's wait a little," I said, guiding her hand back to her ass cheek. "You'll get used to it. A dirty whore like you needs a big cock. Didn't you see how you loved it in your hot pussy? You'll love it even more up your horny ass."

Her asshole relaxed gently as I paused for half a minute.

"Does it hurt?" I asked, thrusting very gently.

“No, not at all,” she said. “It actually feels good. It feels so good. It’s so intense.”

“That’s because your hot ass was made to be fucked,” I said, making her tremble. “Your little asshole feels so tight and hot around my big cock. Look at your pussy; it’s drooling like an idiot. You were meant to be my whore.”

Her asshole was ready for more. I slowly made my way up her virgin ass, taking several minutes to stuff my cock balls deep inside her. I paused to let her get used to it. Her asshole twitched around the base of my cock.

“Nick, I am going to come,” she gasped, her asshole twitching.

“That means you are indeed my ass whore,” I said.

“Yes,” she hissed, stiffening.

“Come for me, my dirty ass whore,” I urged.

She shook in orgasm, and I held her hips and pumped her twitching asshole vigorously with short fast strokes. She had her wildest orgasm for the day. Her orgasm finally subsided, leaving her breathless.

“Nick, I am really your ass whore,” she gasped. “That was my hardest orgasm ever.”

“You thought I was kidding?” I teased, thrusting gently in her ass. “Of course you are my dirty ass whore.”

“I love being your dirty ass whore,” she gasped, thrusting gently into me.

When she picked up the pace, I leaned forward and proceeded to fuck her ass harder. Several minutes later, she had a wild orgasm. It was her hardest orgasm so far. I drilled her asshole vigorously. She lost her breath while her asshole and rectum convulsed desperately around my thrusting shaft. Her orgasm finally subsided.

“You love getting fucked up the ass, don’t you?” I teased, thrusting gently as she recovered.

“Yes,” she gasped. “It feels so good.”

“You were made to be my ass whore,” I said. “From now on, my big cock will spend a long time up your ass.”

“Yes,” she hissed.

As she trembled, I leaned down and kissed her on the lips.

Her hot ass received another good hard drilling in the same position. I drilled her into a wilder orgasm. When she recovered, I carefully maneuvered her into the missionary position without taking my cock from her ass. I pinned her legs down and fucked her defenseless ass vigorously. She spread it for me. She came several times before I emptied my balls in her sucking rectum. I showered her face with kisses and kissed her deeply.

We rested for a few minutes, and then she sucked my cock to full hardness. I fucked her pussy and ass for over an hour and came on her face. I helped her eat my come off her lovely face. We fucked more, and I filled her pussy with come. I had her eat my come out of her pussy. I emptied my fifth come load in her twitching rectum and my last load in her mouth.

“Did you enjoy being my dirty little slut?” I said as we snuggled in bed.

“Yes, very much,” she said, shuddering. “I’ve never had such a good time before.”

“Now you know where you belong, don’t you?” I said.

“Yes, Nick,” she said. “I belong to you. I am your dirty little slut.”

We showered and went to bed. I let her rest on the next day, busying myself with mom. I explained to Alex the rules of anal fitness and hygiene and got her a nice glass butt plug. From then on, I fucked both my sluts daily.

Alex started to get fucked silly before every date and leave with my come in all her holes. She started to go out with her ass full of come and plugged with her butt plug.

“What are you wearing that for?” asked her boyfriend when he saw her butt plug.

“I wear it to tell you that there is no entry into my ass,” she said.

“Isn’t it too big?” he asked.

“I am a big girl,” she said. “I can easily take your cock up my ass, but that’s wrong. I am not that kind of girl.”

“Of course not,” he said.

She made sure he praised her pussy lavishly and ate it thoroughly before he fucked it.

Mom knew that I fucked Alex. She often left the house for us so I could fuck Alex in the living room. Alex loved it. We never got caught because mom knew what we were doing.

Actually we got caught once. Mom and I had arranged for that. I wanted to be able to fuck them together.

Mom was out, and Alex and I decided that we had enough time to fuck in the living room.

When mom returned only fifteen minutes later, Alex was still sucking my cock. We had just got comfortable, and Alex had established a nice rhythm for deep throating my cock. I sat back and watched, enjoying myself.

Mom walked in stealthily. She stood there for a minute. I pretended I did not know, and Alex was oblivious.

“Suck my big cock, Alex, my dirty whore,” I said. “It has short memory. Show it how much you love it.”

“No matter how short its memory is, it can’t forget how much I love it,” she said. “I am all over it all the time.”

“I am so proud of you, Alex,” I said. “You are hotter and sluttier than Beth, and she’s been my whore for ages.”

“Of course,” she said. “No girl or slut can love you and love your big cock as much as your slut little sister does. Your slut little sister will never love any other cock as much as she loves your big cock either.”

“Do you love me and love my big cock enough to vow to be its whore forever?” I said.

“Of course,” she said. “You can always fuck me any way you want.”

“You are so hot I always send you on dates with my come in all your holes, but I want you to be full of my come when your lucky future husband proposes to you, and I want you to walk down the aisle full of my come,” I said.

“I’d love to do that for you,” she said.

“Here is the real test,” I said. “Would you let me be the father of your firstborn when you get married?”

“You think your future wife would love you more than I do?” she said. “Of course I’d do that for you.”

“You are the most amazing sister in the world,” I said.

“I want to be your most amazing slut in the world too,” she smiled.

“You are,” I said.

“I am glad that you love each other that much,” suddenly said mom, startling Alex.

“Mom!” said Alex in shock. “You are home?”

“Yes, sweetie,” said mom, squatting next to Alex. “I am home, and I’ve seen you and heard you profess your love to your brother verbally and orally.”

“Are you going to kill us?” asked Alex in panic.

“What mother kills her children because they love each other so much?” said mom.

“But we are having sex,” said Alex.

“Most girls don’t express their love to their brothers by whoring themselves to their horny brothers, but you are pretty eloquent in the way you express your love to your brother,” said mom. “It’s still a way to express love.”

“You are not mad at us?” said Alex in disbelief.

“Of course not,” said mom. “Don’t fret, Alex. Suck your brother’s big cock freely. Your mom believes in your right to be your horny brother’s little whore as long as you are a good little whore for him.”

“I am a good little whore for him,” said Alex.

“Is that right, Nick?” asked mom.

“Yes, mom,” I said. “Alex is a very good dirty little whore for me and my big cock.”

“A good whore doesn’t leave her stud’s big cock unattended like that,” said mom.

Alex returned to sucking my cock. She was soon deep throating it hungrily.

“Suck that big cock, you little whore,” cheered mom.

Alex deep throated my cock more eagerly.

“Do you think she’s good enough to share?” asked mom.

“Of course,” I said.

“Is that right, Alex?” asked mom.

“What?” asked Alex.

“Would you share your brother’s big cock with your slut mom?” asked mom.

“Do you want to have sex with Nick?” asked Alex in shock.

“He has a big hard cock, and I have a horny little pussy,” said mom. “Would you mind?”

That was how I had my first double blowjob and threesome. They ate my come out of each other’s holes too.

MY TRAMP COUSIN

That morning mom was excited as she silently but cheerfully led me to her room. I wondered about what was going on, but I knew she would tell me as soon as she wanted to.

“What’s going on, mom?” I asked after we entered her room and she locked her door.

“Congratulations, Nick!” she said excitedly. “You are going to be a father! I am going to be a grandmother”

“What?” I said in shock.

“You are going to be a father,” she said with a big smile.

“Are you pregnant?” I asked.

“I wish,” she said.

“Is Alex pregnant?” I asked.

“No, silly,” she said.

“Is Mary pregnant?” I asked.

“No,” she said.

“Is Beth pregnant?” I asked.

“No,” she said. “This is very important, Nick. You can’t make a single woman or girl pregnant, especially a young girl. It’s always rough on the single woman and the baby but it can ruin a young girl’s life.”

“I didn’t try to impregnate anybody,” I said. “I assumed they’d take care of that.”

“They do, but you need to be careful too,” she said.

“How am I going to be a father if all those are not pregnant?” I asked.

“Your aunt’s pregnant,” she smiled.

“How do you know it’s mine?” I said.

“Your uncle had a vasectomy ages ago,” she said. “It’s nearly impossible for him to impregnate her but it’s still possible, and that’s how she’s going to pass him as his.”

“That’s a big betrayal,” I protested.

“When a man neglects a woman, the woman can neglect telling him that she’s getting fucked on the side or that her virile lover has made her pregnant,” she said. “Don’t worry about that. You should be excited about your baby.”

“I don’t know how to feel,” I said. “I didn’t expect that or plan for it.”

“Your aunt’s so excited about it,” she said. “She wanted to break the great news to you, but I insisted I would.”

“I guess I need to call her and congratulate her,” I said.

“Of course you do,” she said. “Be ready to head there in eight months and hold your firstborn’s mother’s hand while she delivers your baby.”

“How can I do that without tipping my uncle?” I asked.

“You’ll be the godfather of the baby, and you’ll pick the name for it,” she said. “Aren’t you excited about that?”

“I guess,” I said.

“That’s not all why I am excited,” she said.

“Is there any other good news?” I asked.

“Yes,” she said. “I am ovulating. You can fuck my ass as much as you want and keep it full of your creamy come, but we also need to keep my pussy sticky with your come. Your firstborn needs a sibling in the same age.”

“You want to get pregnant too?” I asked in shock.

“Yes,” she smiled. “It’s great to be a grandmother, but I also want to be a mom.”

“Dad would think it’s his?” I said.

“Yes,” she said. “I’ll get him to fuck me after I make sure I am pregnant.”

“You are a very treacherous woman,” I said.

“What can I do?” she smiled. “I need to make sure I am a mom and a grandmother at the same time.”

"This is making me so horny," I said, feeling my cock throb.

"Can you see, darling?" she said, fondling my boner. "It's instinctive. You need your whore to carry your baby."

"I apparently also need her husband not to know that it's mine," I said.

"Of course," she said as she knelt before me. "You want him to take good care of it for you."

"This is so crazy but so exciting," I said as she proceeded to suck my cock.

"Your aunt and I will make sure that your kids stay close," she said. "We naturally can't tell them that they are siblings, but you'll be their godfather, and we'll make sure they'll see each other and interact with each other often."

"Wow!" I said.

"You'll naturally get to fuck their moms silly often too," she said.

"That's the fun part," I said.

"Are you ready to celebrate your firstborn by working on your next baby?" she said.

"I am readier than ever," I said. "Are you going to tell the baby that his dad fucked his mom harder than a cheap whore to make sure she conceives?"

"Only if he turns to be a stud like his dad," she said.

"Being his godfather, I think I can work with him on that," I said.

We took the entire morning, getting her fucked silly in every hole. I shot my first and biggest come load in her hot pussy. She stood upside down while she revived my cock to help conception. I fucked her pussy and ass in that position right after I got rock hard. We snuggled for a long time in the end.

My aunt naturally had to wait until I finished fucking mom and taking a shower.

"Congratulations, Aunt Michelle!" I said.

"Congratulations, Nick!" she said cheerfully. "You are going to be an amazing father."

"Does Uncle Fred know yet?" I asked.

"No," she said. "I'll tell him in a month or two. You and your mom are the only ones who know."

"I'll let you handle when and whom to tell," I said.

"Your firstborn's mom misses you so much," she said.

"I miss the whore too," I said. "Can't you come over and spend a couple of weeks here, getting fucked silly?"

"I don't know," she said.

"Give it a try," I said. "It would be good for the baby."

"I'll see," she said.

She was not able to get away in the summer.

Mom declared herself pregnant a week later. We naturally celebrated by getting her fucked silly in every hole.

"Nick, now that I know I am pregnant, I am going to have your dad fuck me," she said that evening. "I want to be full of your come when he does. Fuck my ass and split your come between my pussy and your ass."

She sucked my cock, and I fucked her pussy to orgasm. I then fucked her ass through several orgasms. When she had her last orgasm, I shot the first jet deep in her twitching pussy. I drained my balls in her twitching rectum.

"Thank you, baby," she said after she sucked my sticky cock clean.

She got up, and we shared a long kiss.

"I am so horny you need to fuck me right away or find someone else to fuck your wife," she whispered to dad.

Not knowing that someone else had already fucked his slut wife silly, got up and obliged her.

She douched her pussy well after they were done and came to me. I fucked her pussy and ass silly and came in her pussy before she went to bed.

"It's so nice to go to bed my pussy full of come," she said to him.

"You were so horny today," he said.

"I feel I am going to be a mom again," she said dreamily.

"Don't be silly," he said. "That can't happen. I am shooting blanks."

"Sometimes blanks kill," she said.

“Do you really want to be a mom?” he asked.

“Why not?” she said. “Isn’t that why we get horny?”

“I guess,” he said.

My aunt congratulated me on my second baby the next morning, but mom let dad and Alex know two months later just like her sister did with my uncle. Mom, my aunt and I were the only ones who knew that I was the father.

“Nick, is it your baby?” asked Alex that day. “It isn’t likely that dad would get mom pregnant now.”

“Of course it’s my baby,” I said. “It’s next to impossible for dad to get a woman pregnant after his vasectomy.”

“I can’t believe mom neglected proper precautions for conception,” she said.

“Alex, our new sibling isn’t a mistake or surprise except for dad,” I said.

“You mean mom wanted to get pregnant?” she asked.

“When she was ovulating, we fucked silly and made sure her pussy was always sticky with my come,” I said. “She revived my cock while upside down to help conceive. When she made sure she did, she let dad fuck her.”

“She did that?” she asked.

“Yes,” I said. “I’ve known she was pregnant for nearly two months.”

“Is that sister rivalry?” she said. “Her sister got pregnant by accident, so she wanted to get pregnant at any cost?”

“Aunt Michelle didn’t get pregnant by mistake either,” I said. “She just didn’t tell me.”

“She didn’t tell you?” she said. “What did you have to do with that? Oh! You had sex with Aunt Michelle?”

“She seduced me when she found out how well I fucked Mary,” I said.

“You fucked Mary too?” she asked in disbelief.

“You know how Mary used to be aloof and didn’t date?” I said. “Because I was close to her, Aunt Michelle offered to reward me if I persuaded Mary to date and have sex. She said I could seduce Mary if I had to, so I did.”

“You seduced Mary, and Aunt Michelle seduced you?” she asked.

“Aunt Michelle didn’t believe I’d seduced Mary so quickly, so she hid in my room and watched me fuck Mary like a dirty whore,” I said. “When Mary left, Aunt Michelle played with my cock, saying I’d earned my reward.”

“She seduced you as a reward?” she said.

“That was what she intended to do, but I told her I wasn’t taking a reward for what I did for my cousin and my aunt because I cared. I wanted to fuck her though, so I said that while I fucked her eager mouth.”

“In reality you let her reward you by sex,” she said.

“I didn’t,” I said. “A reward’s a onetime thing. I wanted to turn my aunt into my whore just like her daughter.”

“You are a greedy fucker,” she said.

“I hate onetime sex,” I said.

“You spent the visit there fucking Aunt Michelle and Mary?” she said.

“Yes, but separately,” I said.

“How proper!” she teased.

“When I came home, I found out that Aunt Michelle had been telling mom about everything,” I said. “Mom told me about that while she fondled my cock, making it hard, and then nature took its course.”

“You mean mom seduced you before she caught us in the living room?” she asked.

“Yes,” I said. “She did it in the living room but a few days after I came home. When I fucked her silly, she suggested that I seduce you so I wouldn’t fuck her to death. I looked at you that way for the first time, and I liked what I saw, so I seduced you, but she decided she wanted a baby after Aunt Michelle announced her pregnancy.”

“There has been a lot going on behind my back,” she said.

“Imagine how much has been going on behind dad and Uncle Fred’s backs,” I said.

“Well, congratulations on your two babies,” she said.

“Thank you, my sweet little whore,” I said.

Mom, Alex and I celebrated that afternoon by getting the expecting mom and sister fucked silly in every hole. I only let them lick up the come that leaked out of their well-fucked pussies.

That evening, dad took us to a celebratory dinner. Mom and Alex's pussies and asses were full of my come. I took my hard cock out at the restaurant, and Alex and Mom played with it. Mom squeezed my cock especially whenever she mentioned her new baby, and dad did not feel a thing.

On the following morning, I gave mom the hot mom anklet I got for her earlier.

"I got you a special gift to remind you that you are a hot mom," I said as I showed mom the anklet. "Some women wear them to advertise that they are hot wives or slut wives."

"It's beautiful," she said as she inspected it, "but does your dad know that?"

"If he doesn't, we can tell him," I smiled.

"Why would you tell him?" she said. "He wouldn't want me wearing an anklet like slut wives."

"Mom, dad may not know that you are the hottest slut wife he's ever seen, but he needs to know that you are hotter than any slut wife he has ever seen," she said. "You like the anklet, don't you?"

"Yes, I like it very much," she said. "I also like the fact that it's worn by hot wives and slut wives."

She smiled mischievously.

"You are going to wear it regardless of what dad thinks," I said as I wrapped the anklet around her right ankle. "I'll make sure of that, but I think you need to get fucked to christen it."

"Of course I do," she said. "My pussy's already leaking, and my asshole's tingling."

"You definitely deserve to wear that slutty anklet," I smiled.

"It has an effect on me too," she said.

"It has an effect on me too," I said, pointing to my boner.

"Your big cock apparently wants its slut mom to suck it a little," she said, getting down to her knees.

"That's what it expects from her especially when she advertises being its whore," I said.

Alex walked in while mom devoured my cock.

"You started without me?" complained Alex, kneeling next to mom.

"This is a special occasion," said mom. "Nick got me a hot mom anklet."

Alex inspected the anklet before.

"It's nice," said Alex.

"It's the kind of anklets worn by hot wives or slut wives," I said.

"What if dad realized that?" she asked.

"If he didn't, I'd tell him about it," I said. "I want him to know that mom's wearing an anklet like slut wives."

"I don't think he'd like that," she said.

"I don't want him to like it," I said. "I do. A good whore wears what her stud likes, not what her husband likes."

"You are looking for trouble," she said.

"Not really," I said. "I am just asserting myself and exercising my right."

"Mom, are you okay with that?" she asked.

"Sweetie, I am carrying your brother's baby," said mom. "You think I wouldn't wear his slut mom anklet?"

Alex joined mom, and they gave me a royal double blowjob.

We fucked in the living room for several hours.

They were well fucked by the time dad came home. They sucked my cock to full hardness at the end.

"Honey, Nick got me a hot mom anklet," announced mom, showing him her anklet, her holes full of my come.

"What?" he said. "A hot mom anklet? Nice."

"Dad, I hope it doesn't bother you that this kind of anklets is often worn by hot wives or swinging wives."

"It's worn by hot wives or swinging wives?" he said. "Why did you get it for your mom then? Are you crazy?"

"I did that for a couple of reasons," I said. "First, you liked it before you knew that, so it's nice. Second, those hot wives think they are so hot and sexy, and they show it off. Mom's hotter and sexier than any of them."

"What would people who know that that means think of her when they see her wearing it?" he said.

"They wouldn't think," I said. "They'd know that she's a hot mom. Don't you agree that she is?"

"Of course I do," he said.

"Aren't you afraid I may let a hot young stud pick me up at the supermarket and never come home?" she teased.

"Don't be silly," he said. "No young stud would pick you up at the supermarket."

"If I were a young stud and I saw mom at the supermarket, I'd pick her up if she'd come with me," I said.

"You think your mom would go with a young guy like you?" he said. "You can't handle a woman like her."

"I can, dad," I said as I thrust my pelvis, letting my boner bounce in my shorts. "I assure you I can."

"Nick, have some shame!" he glared. "Don't do that in front of your mom."

"Dad, you insulted me," I complained. "You claimed that no hot mom would pick me up at the supermarket."

"You think they would?" he said.

"Dad, I've already had sex with married women with teenage kids," I said. "I make them worship it. I make them beg for it before they suck it, take it in or take it up the butt. I make them work for it, and they love it."

"Don't say that in front of your mom," he admonished.

"You've just insulted her son, claiming he was no good in bed," I protested. "I am just defending myself."

"Are you serious that you've had sex with married women?" he asked.

"I don't lie to defend my pride," I said.

"Are you crazy?" he said. "What if you got caught? You'd break their marriages and be in trouble yourself."

"I wouldn't be in trouble," I said. "I am not doing anything wrong. I am even the minor."

"I am glad that you know that it's illegal," he said.

"I know it's child abuse," I smiled.

"Their husbands may not care," he warned.

"If a husband cares about his wife, he shouldn't starve her for sex so bad she'd beg a kid to let her suck him and have vaginal and anal sex with him," I said. "They can only blame themselves."

"Married women beg you to have anal sex with them?" he said in disbelief. "I can't believe that."

"They do, dad," I said. "Not only that, but they don't let their husbands even touch their buttocks."

"I can't believe that," he said.

"You better believe it, dad," I said. "Your son can make you proud. They seduced me. I didn't seduce them."

"It's still dangerous," he warned. "It can backfire, and you may get hurt."

"There is nothing I can do about it," I said. "A man's got to do what a man's got to do. I am not raised to say no to a hot woman who'd beg for my big love tool. I am doing their husbands a big favor anyway. If you knew how bad they need it and how pathetic their husbands are, you'd disown me if I turned them down even if I got killed for it."

"How bad do they need it?" he asked.

"They need it so bad they are all but my sex slaves," I said. "They swallow my sperm and swallow nobody else's. They let me have threesomes with them and their daughters. They eat my sperm out of each other's orifices."

"You are making this up," he said. "No woman would do that."

"You said it yourself, dad," I said. "You can see how desperate they are, and it isn't because they are not hot. They are actually so hot. I want them as much as they want me. Their husbands don't know that just like you don't know how hot mom is. You should listen to my friends talk about her when they think I am not around."

"Your dad thinks I wouldn't interest any young studs," she said.

"If you wore sexier outfits, an army of them would follow you all over town," I said. "He should know that."

"Nick, if I wanted to be picked up by a young stud, I wouldn't find anyone better than you," she said.

"I wouldn't find a hot mom or a hot wife hotter than you either," I said. "Dad's lucky I am his son."

"I am even luckier that you are my son," she said.

"That two of you are silly," he said.

"Wear sexier outfits and occasionally neglect to wear a bra or panties to show dad how serious I am," I said.

"You want your mom to dress like sluts?" he said.

"She deserves to dress up more than any slut," I said. "She's a very sexy woman, and she deserves to show it."

“Thanks, darling,” she said.

“Is that all you have to say to him when you find out that he has sex with married women?” he chided.

“What do you want me to say?” she said. “You heard him. The sex-starved married sluts shamelessly seduced him and begged for his big cock. They do for him what very few girls would ever do. Do you want me to tell him not to fuck them? Do you think if we told him not to he’d listen to us? He’d do it anyway but never open up to us.”

“Do you believe that they beg him and do all that stuff for him?” he said.

“Of course I do,” she said. “He wouldn’t lie to us. Horny women and girls would beg and grovel for the right cock, and I am pretty sure our son’s big cock’s what most women want.”

“At least, tell him it’s dangerous,” he said.

“You think our son’s a moron?” she said. “You think he doesn’t know that fucking a clueless man’s slut wife like a cheap whore behind his back isn’t dangerous? Of course he knows that, and he’s very careful about it.”

“Dad, I always make the woman or girl beg for it on our first time,” I said. “I make her admit that she’s my dirty whore before I give it to her. She has to know who’s in charge. The only time I didn’t do that was when I lost my virginity. I was new to that, but I made her beg for it and admit she was my dirty whore too many times since then. If a woman or a girl doesn’t beg for it and admit that she’s a dirty whore made to serve and service my big cock, she doesn’t need it bad enough and doesn’t deserve it. Many others do, so why would I waste any time with her?”

“Maybe they say that in the heat of passion,” he said.

“They do the first time, and I take full advantage of that and make them prove it,” I said. “Once they do it, it’s real, and they can’t take it back. By the end of our first time, she’d have done things that make a real whore blush.”

“If that’s true, you are so wicked,” he said.

“Of course, dad,” I said. “You think I am a moron? You expect me to let sex-crazed sluts have sex and fun at my expense? No way. I have to have fun too, and I have lots of it.”

“Be careful, Nick,” he said. “This isn’t a joke.”

“I know,” I said. “Though, I am going to get each a hot mom anklet and tell her husband what it means.”

“Are you crazy?” he said.

“I want them to know that, if they are too blind to see how hot their wives are, others are not,” I said.

“In what capacity can you do that without making her husband suspicious?” he said.

“That’s so easy,” I said. “Say I am doing that to my girlfriend’s mom, not that I am having sex with her yet but as an example. I can easily thank her for being a hot mom in appreciation in giving me my girlfriend. Say I am doing it to a friend’s mom. I can do the same if that friend’s special or say that I have a crush on her. There is nothing wrong with a guy’s having a crush on his friend’s mom. They might laugh at my expense, but I’d laugh a lot later. Do you think my friend and his dad might suspect that I am saving a few thousand dollars a month fucking her?”

“Saving a few thousand dollars?” he said. “Are they paying you?”

“No, but do you know how much I’d have to pay to do that to a professional whore in addition to that being doubly illegal because I am a minor?” I said. “She’s also doing it eagerly and begging for it. That’s priceless.”

“Is that what you are doing with your mom?” he asked.

“Yes, dad,” I said. “I want you to know that she’s hot. All my friends and yours know that already.”

“I got your message,” he said.

“I am glad you did,” I said.

“Thank you, darling,” she said.

“Anytime, mom,” I said. “Thank you and dad for standing by me.”

“That’s our job,” she said.

My aunt wanted me to spend the two weeks of the winter holidays with her, but mom would only let me spend Christmas week with her. Somehow my aunt persuaded mom to let me spend the full two weeks with her.

By then, my aunt and mom had found out that they were pregnant with baby boys. I went with mom to see my baby in ultrasound. She and I celebrated when we went home. My aunt sent me pictures of her baby. I picked the name Lucas for my aunt’s baby and the name Logan for my mom’s baby. They all loved the names. Each mom told her family that I had picked the names being the godfather.

Jim chose not to come home for the holidays, so he was out of the way. I was too busy to miss him anyway. Both my aunt and Mary were starving for my cock. I fucked both of them silly in every hole on my first day there. My aunt got fucked in the day, and Mary got fucked all night long.

In the evening, I presented my aunt with her hot mom anklet, and we had with my uncle an abbreviated version of the discussion mom and I had with dad on mom's similar occasion especially since my cousins were right there.

"I wish that I had one like it," said Claire.

"I can get you one just like it," I said. "All you have to do is become a mom. You are already hot."

"You are silly," she said, punching me.

"What can I do?" I shrugged. "They don't have hot daughter anklets."

While most people spent the Boxing Day shopping, I spent most of the day in Mary's room after I took a quick tour of my aunt's horny orifices in the morning. We had so much time alone I fucked Mary in every hole and in every conceivable position and then some. I had come in every one of her holes at least once. We concluded with fucking her ass in the leapfrog position while she spread her ass wide for me. Her asshole already gaped. I fucked it vigorously and dumped my last come load in her twitching rectum. After she ate my come out of her ass, she sat up and sucked my cock.

"Claire?" she suddenly said, freezing.

When I looked back, I saw Claire standing in the open door. She entered the room while Mary covered herself with the sheets. I quickly pulled my shorts up. Mary and I were extremely embarrassed.

"Very impressive," said Claire, shaking her head. "You've turned Little Miss Innocence into a dirty little slut. I don't take it up the ass, and I thought I was the wild one, but I have to admit that you are really good—both of you."

"Are you going to tell on us?" I finally asked Claire.

"Why would I do that?" she said. "I am actually happy. After all, my sister wasn't a big loser."

Claire left, and I stayed to reassure Mary that everything would be okay. I still had to talk to Claire. I went to her room. I knocked, and she let me in. She sat at the edge of her bed.

"Please promise me you are not going to tell anyone about what you've just seen," I said.

"I promise," she smiled. "It's none of my business anyway. It was just something I wouldn't have imagined in a million years. I thought you and she were not into sex, but boy, was I mistaken!"

"Claire, I don't know anyone who isn't into sex," I said, sitting next to her.

"You are right," she said. "I shouldn't have thought that way. You guys are more into sex than I am."

"Speaking of that, is it true that you have never had anal sex?" I asked.

"Never," she said.

"Excuse me, but you have a great ass," I said. "I can't imagine any guy would miss it."

"Thanks for the compliment," she smiled. "Actually my boyfriend has suggested it, but I refused. I am not as big a tramp as they must have let you believe. With how slutty Mary is, you must think that I am a gang bang whore."

"I wouldn't think so, but I'd wonder why you've never taken it up the ass," I said.

"Because it would be dirty and painful," she said. "I can't believe my little sister loved it so much and even ate your come straight out of her gaping ass. I don't know any sluts who'd do that. Did you drug her or something?"

"Sex is the most potent drug," I said. "We can easily get addicted to it, but it has to be good."

"I guess that's true," she said.

"Now back to ass fucking," I said. "You think so bad about it because you don't know any better. It doesn't have to be painful or dirty unless you are doing it with a jerk. I can help you with it. I am an expert ass fucker."

"I couldn't have missed that, but I've seen your big cock," she said. "You'd tear my ass apart."

"Only a jerk would," I said. "I'd never hurt an ass as gorgeous as yours."

"You are too thick," she said.

"Once you get to know my cock intimately, it wouldn't look intimidating to you at all," I said as I stood up and lowered my shorts. "This is the kind of cock you deserve to play with. You are a big girl. Look at your little sister."

My cock was getting hard while it listened to our conversation. It was still getting bigger as I showed it to her.

"Touch it and play with it," I said. "See how warm and loving it is. It loves good girls even if they are sluts."

She eyed my hard cock for a few seconds before she extended her hand and held it. She squeezed it and stroked it gently. My cock continued to get harder.

“After seeing my little sister, I don’t think I am a slut at all,” she said. “I think I am a prude.”

“My big cock can turn you into a whore even if you were a virgin prude, and you are not,” I said.

“I bet it can,” she said, stroking my hard cock a little faster.

“It likes to be sucked too,” I said, pulling her head to my cock. “I am sure you know how to suck a big cock.”

She smiled at me and took my cock head in her mouth. She sucked my cock, taking it deeper into her mouth.

“Suck my big cock, Claire, baby,” I urged. “Show me you are a great cocksucker. I know you must be.”

She was indeed a great cocksucker. She sucked my cock with eagerness and skill, but she did not suck it all the way down her throat. I thrust in her mouth briskly. While she sucked my cock, I got rid of her top and bra, briefly interrupting her sucking. After several minutes, I gently pushed her head away.

“You are a great cocksucker,” I said, tilting her head up to me. I brushed my cock head over her stiff nipples while I talked. “Every female who has ever sucked my big cock to this date has taken it balls deep down her throat and loved it. I don’t want you to be or feel any less. Relax your throat and do it gently. Take your time and enjoy it.”

Needless to say, within several minutes she was happily taking my cock down her throat. I thrust gently in her mouth as she trained herself. I soon fucked her throat just like I fucked her mouth earlier. I occasionally took a break and slapped or rubbed my sticky cock over her face.

“You are an amazing cocksucker, Claire,” I said. “I am so happy I am your first down your throat.”

“You have a big mouthwatering cock, Nick,” she said, smiling at me. “I love sucking your cock.”

“Am I going to be the first to feed you warm creamy come?” I asked.

“Yes,” she said.

“You are a good girl, Claire,” I said. “I love the good girls who drink only my hot thick come.”

She smiled.

“Are you going to be a very good girl and gargle with my come before you swallow it to the last drop?” I said.

“You are a dirty boy, Nick,” she smiled. “I’ll do that for you.”

“Don’t do it for me, Claire,” I said. “Do it for us.”

“I’ll do it for us,” she said. “This incredible blowjob definitely deserves to end that way.”

“This incredible blowjob won’t be the last thing we’ll do now though,” I said. “You are too hot for that. I intend to enjoy your company fully. I want to fuck you royally—like you’ve never been fucked before.”

“Yes,” she hissed.

“I am going to make an honest girl out of you,” I said.

“You’ll do that by fucking me silly?” she said.

“Yes,” I said. “I’ll make you quit spreading your hot legs for jerks.”

“You want to ruin me for my boyfriend?” she asked.

“Only if you want me to,” I said. “It’s still early enough to stop.”

“I am not stopping,” she said. “If you can ruin me for my boyfriend, do it. I want to get fucked royally.”

“You will,” I assured.

She deep throat my cock hungrily for fifteen more minutes. My orgasm approached steadily, and she felt it.

“I am going to come for you, Claire,” I said. “Be a good girl and come slut for your horny cousin, and gargle.”

She sucked my cock harder. My cock soon swelled and twitched, spewing hot thick come against the back of her throat. She sucked every drop she could, leaving my cock soft and dry.

She tilted her head back and gargled with my come. She then swallowed it all.

“Was I a good come slut for my horny cousin?” she teased, smiling.

My answer was to tilt her face up and give her come-tasting mouth a deep passionate kiss.

“I guess that was a yes,” she smiled as I knelt down and proceeded to fondle her tits and suck her stiff nipples.

We both moaned, I my agreement and appreciation and she her appreciation. She held my head to her tits.

She lifted her ass when I pulled her skirt down and helped me take off her panties. I teased her wet pussy with my fingers before I slid two fingers inside. Pressing a finger of my free hand to the pucker of her asshole from behind, I finger fucked her pussy through orgasm while sucking her nipples and reaming out her asshole with the tip of my finger. Her virgin asshole resisted for a minute before it started to relax. I removed my dripping fingers from her wet pussy and sucked them clean.

“Your delicious pussy’s ready to be eaten,” I said, gently pushing her onto her back.

“You are way better than my boyfriends,” she said.

“Do you know why?” I said as I returned a finger to each hole.

“Why?” she said as I gently finger fucked her holes.

“Because I only associate with the hottest sluts and I appreciate the hot slut I am with,” I said.

“You can turn a prude into a hot slut,” she moaned.

“She has to be a good girl though,” I said.

“I am sure of that,” she smiled.

She lay back and spread her legs. I pushed her legs over her head, and she held them in place, exposing both her pretty fuck holes. Her pussy glistened in its juices.

“I can’t see this cute little rose and not kiss it,” I said, lowering my head to her asshole.

She gasped and shuddered when I kissed her twitching asshole.

“You have a very pretty asshole,” I said. “I am going to eat it raw when its turn comes.”

While fondling her tits and pinching her stiff nipples, I gently ate her pussy for a long time, sipping her tasty seeping sap. She moaned and humped my mouth happily. Finally I made her gush in my thirsty mouth. I drank her copious juices and continued to suck until she started leaking again.

My cock had become rock hard. I stood up and brought it to her wet pussy. I repeatedly brushed my cock head up and down her pussy lips for a minute or two. She squirmed, and her juices drenched my cock head.

“This is where I when I find out if you are really a good girl,” I said. “Good girls for the cock they need.”

“Please fuck me, Nick,” she said.

“Are you sure?” I teased, rubbing her leaky pussy with my cock head.

“Of course I am sure,” she moaned.

“At your own risk,” I said as I aligned my cock with her pussy hole and thrust gently.

My cock sank slowly into her pussy, stretching it tightly.

“You have a big cock,” she said as my cock head slowly opened up her tight pussy.

“I am sure a big slut like you wouldn’t have preferred a small cock,” I teased.

“Of course not,” she smiled.

She moaned as I made my way into her pussy, allowing her pussy to coat my cock with her juices little by little. Soon my balls were gently tapping her splayed asshole.

“I love this,” she gasped. “I am going to come for you, Nick. I am going to come for your big cock.”

“I’d love that,” I said, grinding into her pussy.

She stiffened and started to shake in orgasm. I fucked her twitching pussy hard with short strokes.

“I love your big cock, Nick,” she gasped. “It’s the best cock that has ever been in my slutty pussy.”

“It’s the best cock that has ever been in any of your holes, you little whore,” I corrected.

“Yes, it is,” she gasped.

Her orgasm subsided, and I slowed down. I used long slow strokes on her drenched pussy.

“You are so sexy, Claire,” I said, fucking her harder. “Your pussy is so heavenly. I love fucking it.”

“I am glad that you like my horny pussy because I love your big cock,” she moaned. “Fuck me hard, baby.”

As told, I fucked her hard, making her come wildly and repeatedly. She sang my praise.

When her recovered after her last orgasm, I sat her up and thrust my dripping cock in her face.

“Suck it, my hot slut,” I said. “Suck the big cock that’s going to make you an honest girl.”

She did not hesitate to suck it deeply and eagerly. I fucked her throat for several minutes before I pushed her back onto her back and pushed her legs over her head.

"I love fucking cock-craving whores like you," I said, shoving my hard cock into her soaked pussy.

"Don't stop fucking my slutty pussy, Nick," she gasped as I drilled her pussy. "I love being your whore."

"You have to be my dirty whore and nobody else's, or I'll yank my big cock out of your horny pussy and never show it to you," I threatened, fucking her pussy harder.

"I am only your dirty whore, Nick," she gasped. "I've never been any other guy's whore, and I never will be."

"You are a good girl, Claire," I said. "Had I not known that, I wouldn't have touched you."

"I've never been fucked before today," she gasped.

She came time after time. I finally pulled out and cleaned her drenched pussy with my tongue. I resumed fucking her and made her come three more times. Her pussy juices soaked my balls and her asshole. I licked her pussy clean and licked her asshole. She gasped and twitched until she got used to my tongue on her asshole.

"You are a dirty boy, Nick, but that feels so good," she moaned. "Don't stop."

She pushed her ass into my mouth. She was not too shy to spread her cheeks for me when I guided her hands to her ass. I sucked her asshole and probed it with my tongue. It relaxed and nibbled my tongue tip. A few minutes later, she came while I pressed my tongue into her twitching asshole.

"Has anyone ever told you that you have a delicious asshole?" I smiled, raising my head from her hot ass.

"No, never," she giggled. "You are amazing."

"They didn't do you justice," I said. "You surely do. I immensely enjoyed eating your sweet asshole."

"You really know how to treat a girl," she said. "That was the most thrilling act of love I've ever experienced."

"Wait until you try my cock back there," I said.

"I am actually looking forward to that," she said.

"First we have to finish your horny pussy," I said, lying back on the bed.

She straddled me and rode me in the cowgirl position. I let her come twice before I rolled her onto her back in the missionary position. I made her come twice in that position.

"I am going to fill your tight little pussy with come," I announced when my orgasm approached.

"Do that, Nick, you hot stud," she gasped. "Fill your slut cousin's horny pussy with your hot come."

When she came, I filled her twitching pussy with come. I pounded her until my cock went soft.

We rested a little, snuggling and kissing, before my soft cock slipped out of her pussy. I sat up and reached inside her slimy pussy with two fingers. I scooped mixed come out and brought it to her mouth. She hesitated for a split second before she opened her mouth and sucked my fingers clean. I repeated that, completely cleaning out her pussy. I bent down and licked her pussy and anal area.

"Let's get your breathtaking virgin asshole ready for its first and only cock," I said, pulling her up.

She let me lead her off the bed. I arranged her on her knees on the floor, bending over and resting her upper body on the bed. I adjusted her knees and the small of her back so her ass was thrust out obscenely, utterly exposing her pussy and asshole. Furthermore, I guided her hands to her ass. She willingly spread her cheeks for me.

"You are so pretty in this position," I complimented.

"I know I look very slutty," she smiled.

"I like that look," I said.

Kneeling behind her, I playfully ate her asshole through a frantic orgasm.

"Stay as you are," I said, getting up. "Don't move while I quickly get the lube from my room."

Half a minute later I returned with the lube. She was still in the same position, holding her ass wide spread.

"Let's lock the door," I said, locking the door. "We don't want someone to catch us with my cock balls deep up your ass. This time we can't guarantee the consequences."

"That's thoughtful," she said. "I don't want anyone to spoil our fun, especially my mom."

With the lube in arm's reach, I kicked off my shorts and knelt behind her. I started with fingering her pussy and licking her asshole. It had been a long while since I had last worked on a virgin asshole, so I took my sweet time. I

spent nearly fifteen minutes massaging her asshole and working the lube inside with one and then two fingers. She moaned and humped my fingers lewdly. I made her come by fucking her ass with two fingers.

Her asshole took several more minutes to stretch wide enough to accept three fingers comfortably. I finger fucked her ass with three fingers for a few minutes, getting her ready for the real thing.

“Lube my cock, baby,” I said, standing up and pulling her upright. “Make it ready to slide up your horny ass.”

She took the lube and thoroughly coated my rock hard cock.

“I want to look in your sexy eyes as I fuck your hot ass for the first time,” I said, laying her back on the bed.

She pulled her legs back and spread her ass with both hands.

“Are you still a good girl?” I teased. “Are you going to beg for what you want?”

“Please fuck my virgin ass, Nick,” she smiled. “Please take my horny ass and fuck it royally.”

“You got that, my whore,” I said as my cock head touched her glistening pucker, making her gasp. “Guide it in.”

She held my cock, and my engorged cock head gently and slowly popped past her asshole. She moaned, and her asshole squeezed my cock, making it twitch.

“Do you like your first taste of my cock in your hot ass, baby?” I asked softly, pausing.

“Yes,” she hissed. “It’s so big. It’s so filling.”

“Now you know that your magnificent ass was made to be enjoyed,” I said. “I am going to enjoy it fully. You’ll soon find out that your hot ass was made for my big cock and no other.”

“I think I know that already,” she moaned.

Her tight ass took several minutes to swallow my cock balls deep. She stiffened and came when I thrust.

“My horny asshole really loves your big cock,” she gasped. “It’s coming all over it.”

“Come your ass off for me, my dirty whore,” I said, thrusting harder with short strokes.

When her orgasm subsided, I fucked her ass gently. As she warmed up, I fucked her harder and harder. When she convulsed in orgasm, I held her tightly and drilled her twitching ass vigorously, doubling her orgasm. I pounded her until she went limp.

Since I had already come several times that day, my cock was ready to fuck for hours. I let it do just that, fucking her ass in every position we could think of and making her come numerous times. My favorite was fucking her ass from behind. That way I could see her hot ass as her stretched asshole swallowed my hard cock balls deep again and again in extreme hunger.

“Your ass is beautiful,” I said, fucking her ass briskly. “I love watching it get fucked nice and deep.”

“I love feeling it get fucked that way,” she gasped.

“I am so happy for you,” I said. “Your hot ass is finally getting used like it was made for.”

“Thank you so much for that,” she gasped. “I had no clue what my horny ass was made for.”

“What was it made for, Claire?” I teased.

“My horny ass was made to get fucked,” she gasped.

“It was made to get fucked with my big cock, my dirty whore,” I corrected.

“Yes,” she gasped. “It was made exactly for what it’s doing right now.”

“Whose ass whore are you, cousin?” I teased.

“I am my horny stud cousin’s ass whore,” she gasped.

“I am sure you’ll be a good ass whore for him,” I said.

“Of course,” she gasped. “I worship his big cock.”

“His big cock loves you,” I said. “It loves all your cock-craving holes, especially your exclusive asshole.”

“All my horny holes love it,” she gasped. “My greedy asshole loves it most.”

Her asshole remained well lubed so it could endure all that deep vigorous drilling. I also did not let her pussy and her mouth rest too much. She loved it all.

In the end, we were both getting tiring. We had our last fuck with her lying prone and me pounding her ass from above. When she came, I dumped my last come load of the day in her desperately sucking rectum. We kissed and rested a little with me still on top of her. She continued to milk my softening cock until it started to get hard again.

“Did you enjoy becoming my dirty ass whore, Claire?” I whispered in her ear.

“You know I did,” she cooed. “It was the most exhilarating time of my life. What about you? Did you enjoy fucking my virgin ass and turning me into your ass whore just like my formerly prudish sister?”

“Yes, a little,” I teased.

“Just a little?” she said disappointed.

“Yes, because then your delightful ass was no longer virgin but more thrilling,” I said.

“All right,” she smiled.

She puckered up, and I pecked her lips.

“If you don’t mind, I intend to enjoy your ass every chance I get,” I said.

“I don’t mind,” she said. “I want you to. I need you too. You’ve created a monster. You now have to feed.”

“The problem’s that I enjoy doing that too much,” I said.

“That isn’t my problem,” she smiled.

We had our long goodnight kiss, and then I left with the lube. I showered and went to bed.

On Friday between fucking her mother and sister, I got Claire a good lube, an enema package and an identical butt plug to her sister’s. I instructed her on how to care for her ass. We had a quickie. I fucked her pussy through a few orgasms and came on her face. I watched her use her fingers to feed herself my sticky come off her face.

Late on Saturday morning, my aunt had hidden in the closet before I called Claire and Mary to my room. I sat on the edge of my bed and had them sit on either side of me, wrapping my arms around them.

“You are both gorgeous,” I said, looking at one and then the other.

They smiled, blushing slightly.

“Do you know how you can get even more beautiful?” I said.

“How?” asked Claire.

“Get down on your knees,” I said, gently pushing them off the bed. “Be good girls: play together and share. Take turns sucking my cock. Get me ready to take care of your other horny orifices. You’ll look incredible.”

They looked at each other and smiled. Claire’s smile assured Mary.

“You are the wickedest cousin I’ve ever seen,” said Claire.

“Mary thinks I am nice,” I teased.

“I think you are nice too,” she said.

On their knees, they pulled my shorts down, each pulling one side. My cock popped up, greeting them. I sat back and enjoyed myself as they sucked and licked my cock and balls.

“Take your sister’s clothes off while she sucks my cock,” I instructed Claire.

Mary cooperated as Claire stripped her naked.

“Be a good girl and return the favor,” I instructed Mary.

Naked, they resumed sucking my cock and deep throating it. Lying back, I pulled Mary astride my face. I fondled her tits and pinched her nipples while eating her pussy to orgasm. I pushed her off my face and onto my cock. She rode my cock to a wild orgasm while her sister rode my tongue to one. Claire then mounted my cock.

“Mary, lube your sister’s asshole thoroughly just like I do yours,” I instructed. “Get it ready for mu big cock.”

Claire started to gasp and twitch as Mary worked on her asshole. I felt Mary’s fingers work inside Claire’s asshole. Mary continued to finger her sister’s ass until she came.

“Guide my big cock into her little asshole,” I instructed Mary. “Be gentle because she’s new to this unlike you.”

Mary popped my cock out of Claire’s pussy and gently pushed it into her asshole. Claire grunted softly when my cock head popped past her sphincter. She bounced gently, driving the rest of my cock up her ass.

“Lube her asshole while she rides my tongue,” I instructed Claire.

Pulling Mary astride my face, I proceeded to lick and probe her pussy. While bouncing on my cock, Claire lubed Mary’s asshole, working her fingers in her own rhythm and causing Mary to ride my tongue in the same rhythm. I orchestrated our fuck so Mary came immediately after Claire.

“Help your sister sit on it,” I instructed Claire as I arranged Mary astride me in the reverse cowgirl position.

Claire held my cock as I spread Mary's ass. Mary gasped when she lowered herself, swallowing half of my cock up her ass. She plunked down, swallowing the rest and gasping again.

"Finger fuck her pussy with one hand and yours with the other so you can come together," I instructed Claire. "Bring your ass over here so I can finger fuck it for you."

Mary bounced on my cock happily. Claire squatted to my right and used her left hand on her sister's pussy and her right hand on her own. I fucked her ass with two fingers of my right hand while I used my left hand to fondle Mary's tits. It was not hard for them to come together. They both went nuts as both holes of each were diddled.

"Lick your left hand clean and let Mary lick your right hand," I instructed Claire.

Each sister licked the other's juices off. I helped Mary off my cock and pulled both sisters by their heads to my cock. Lying back, I enjoyed their mouths on my cock and balls. I pulled their asses closer and fingered them while they slobbered on my cock. A little later, I pulled Mary astride my face and ate her fuck holes to orgasm while she took turns with Claire to suck my cock. I next gave Claire the same treatment.

After I sucked Claire's pussy dry, I laid her so that her head was near the edge of the side of the bed and her ass was near the edge of the foot of the bed. I arranged Mary on top of her in the sixty-nine position. Standing behind Mary, I slipped my cock into her pussy.

"Finger her asshole," I said, guiding Claire's hand to Mary's ass. "Mary, finger your sister's holes. Make her come when you come on my cock."

Each girl had her holes diddled to orgasm. I removed my dripping cock from Mary's pussy and pushed it into Claire's mouth. Claire sucked me clean. I walked over, bringing my cock to her pussy. This time Mary fingered Claire's ass while Claire fingered both Mary's holes to orgasm. I pulled my dripping cock out of Claire's pussy and pushed it into Mary's mouth. Mary sucked my cock eagerly.

"Guide my cock into her ass," I said, pulling my cock out of Mary's mouth.

Mary pressed my cock head into Claire's asshole, and it popped in.

"Finger her pussy," I instructed Mary as I fucked Claire's ass.

Having learned the lesson, Claire fucked her sister's holes with her fingers while her sister and I took care of her own fuck holes. After they came, I moved my cock from Claire's ass to Mary's mouth. Mary did not hesitate to suck me deeply. I held the back of her head and fucked her throat.

"Now clean your slut sister's sticky pussy," I said, taking my cock out of Mary's mouth and pushing her face into her sister's drenched pussy.

While Mary licked her sister's drenched pussy, I guided her fingers into Claire's ass.

"Keep eating her and fingering her ass while I fuck yours," I instructed Mary as I moved to her ass.

A good girl, Claire was already eating her sister's pussy. Each sister moaned into her sister's pussy. I removed Claire's fingers from Mary's ass and guided her hand to my cock as I aimed my cock at Mary's asshole. Claire guided my cock in while eating her sister's pussy. Claire came in Mary's mouth while we made Mary come in hers.

Each girl cleaned her sister's pussy with her tongue while I gently sawed my cock in and out of Mary's ass. I finally removed my cock from Mary's ass and pushed it into Claire's mouth. I rolled Mary off Claire and sucked her tits while fucking Claire's mouth.

After they ate each other's pussy and tasted each other's ass on my cock, we were ready to romp. I fucked Mary's pussy and ass while she ate Claire's pussy and ass, respectively, to orgasm. They traded places, and Claire got to eat her sister's pussy and ass while I drilled her own.

My first come load splattered their faces. Each licked my come off her sister's face. After they sucked my cock back to life, I fucked every hole they had before my next come load flooded Mary's pussy. I had Claire eat it out and dribble it into Mary's mouth. After fucking and sucking for a long time, Mary got to return the favor.

Each spread her sister's ass for me while I fucked it into a nice wide gape. I frequently switched my cock between a girl's ass and her sister's mouth and had the latter drool into her sister's gaping ass.

We continued to fuck until I gave each girl the chance to eat my come out of her sister's ass and feed it back to her sister over a lewd kiss. By the time Claire got to eat my come out of Mary's ass, we were all tired.

They rested in my arms for a few minutes and then left. I locked the door behind them, giving my aunt a chance to come out of the closet. She was already naked. She immediately attacked my resting cock.

"You have become the family stud," she said, stroking my cock briskly.

"It's a great privilege for me," I said. "I really appreciate it."

"It's even a greater privilege for us," she said. "You are such a wonderful stud."

"Thanks," I said.

"You are good," she said. "My daughters have never got along this nicely. You made them friends."

"They are now more enjoyable to fuck," I smiled.

"They are more enjoyable to be around too," she said.

"My son's sisters need to be nice," I said.

"Your son's mom needs your big cock bad," she said.

"My son's mom's going to get fucked silly," I assured.

It was dark by the time I dumped my last come load of the day deep in her twitching rectum. I had already come inside her mouth and pussy. She left with her well fucked ass full of my come.

For the following week, I enjoyed fucking Claire and Mary together almost daily.

Claire and Mary were once worshipping my cock in the living room when my aunt came home suddenly. They did not sense her presence until she nonchalantly sat next to me.

"Mom, it isn't what you think," said Claire, flustered, as they pulled back as if my cock had turned into a cobra.

"What do I think, and what really is it?" asked my aunt, smiling at Claire.

"Mary, while your sister explains it to your mom, you don't need to sit there," I said. "You can continue."

"Nick!" whined Mary.

"Mary, be a good girl, and do as your cousins tells you," said my aunt.

"Mom, are you serious?" said Mary.

"Of course," said my aunt. "I've already seen you do that. You might as well continue and explain it to me."

Claire watched in disbelief as her little sister hesitantly resumed licking and sucking my cock.

"Okay, Claire, you can speak now," said my aunt. "What do I think? What is it?"

"I don't know, mom," said Claire. "I guess that was stupid of me to say. What we were doing is obvious."

"Did you enjoy what you were doing?" asked my aunt.

"Yes," said Claire shyly.

"Help your sister," said my aunt. "She apparently needs help."

"You are not mad at us?" said Claire.

"For making my favorite nephew feel at home?" said my aunt. "Of course not. Why do you think I fought with your aunt to have him spend the two weeks here? I knew you'd turn the house into a whorehouse."

"Are you really okay with this?" asked Claire. "My sister and I are sharing our cousin."

"He's much better than your silly boyfriends, isn't he?" said my aunt.

"Yes, mom," said Claire. "I'll no longer be a tramp. I promise."

"Thank you, Claire," said my aunt. "I am happy for you."

"Thanks, mom," said Claire.

Claire rejoined her sister, and the royal double blowjob resumed.

"Your lovely daughters are so beautiful as they suck my big cock together," I said to my aunt.

"You have a gorgeous cock, and they are so good at treating it right," she said.

"I bet they are taking after their hot mom," I said, startling my cousins.

"You think their old mom's that good?" she said.

"I think you are hotter," I said.

"You are a flatterer," she said.

"Girls, don't you want to watch your sexy mom suck my big cock?" I said.

They looked at me in disbelief.

"Don't be afraid," I said. "Say yes. If we all say yes, she has to suck it."

“Yes, mom,” said Claire. “Suck it. I am sure you’ll love it.”

“Yes, mom,” said Mary. “Please suck it.”

“Aunt Michelle, you can’t turn us all down,” I said. “Get on your knees and suck it. Girls, make room for her.”

The girls moved to the far side, making room for their mom as I gently pushed her forward.

“I’ve never thought I’d ever suck cock in front of my daughters,” she said, reluctantly scooting off the sofa.

“Let your daughters know who they owe your hot genes to,” I said.

“Girls, you can’t tell your dad,” said my aunt as she knelt before my throbbing cock.

“Of course not, mom,” they sisters said.

“Suck my big cock, Aunt Michelle,” I encouraged. “Show your slut daughters what a hot cocksucker you are.”

“Suck that big mouthwatering cock, mom,” said Claire.

“It’s so big and delicious, mom,” said Mary. “Suck it.”

“Aunt Michelle, do you want to suck my big cock?” I asked.

“Yes,” hissed my aunt.

“I always let the sluts who want to suck my big cock beg for it,” I said. “Go ahead and beg for it.”

My cousins looked at me in disbelief.

“Please let me suck your big cock,” begged my aunt, shocking her daughters.

“Go for it, Aunt Michelle,” I said. “You must know that I’d never say no to you.”

My aunt started my licking the underside of my cock. She licked her way up to the tip. She teased my cock head a little before she took it in her mouth. She sucked and licked my cock head for half a minute and then worked her lips deeper down the shaft. She sucked my cock eagerly, and before long she was deep throating it hungrily.

“Way to go, mom!” cheered Claire.

“Your mom’s a serious cocksucker, isn’t she?” I said.

“No kidding,” she said.

“Can you handle fair competition?” I asked.

“Sure if you consider that competition,” she said. “I consider it sharing.”

“You wouldn’t mind sharing my big cock with your slut mom?” I asked.

“I’d actually love that,” she said.

“Go ahead and help her take off her clothes,” I said.

She did not hesitate for long before she pulled her cooperating mom’s dress off, leaving her naked.

“Mom, you don’t wear underwear?” asked Claire.

My aunt continued to stuff my cock down her throat again and again.

“Hot sluts don’t wear underwear,” I said.

“You may be right,” she said.

“Go ahead and suck my cock with your mom,” I said. “Show me that you can share. If you give me a decent triple blowjob, I’ll fuck you all silly in every hole you have. Take your clothes off first.”

Claire and Mary got out of their clothes and joined their mom. Soon my naked aunt and cousins were sucking my cock eagerly together.

“The three of you are even more beautiful as you all suck my cock together,” I said.

“Nick, you are the horniest nephew in the world,” said my aunt.

“Aren’t you the hottest and sluttiest aunt in the world?” I said.

“I hope so,” she said.

“Trust me you are,” I said.

They sucked my cock together for several more minutes.

“Get on your knees on the sofa,” I finally instructed, getting up.

They assumed the position on the sofa, my aunt in the middle, Claire on her right and Mary on her left.

“Aunt Michelle, your cock-craving pussy’s soaked,” I said, teasing her dripping pussy with my cock head. “It apparently needs cock bad. Beg for what you need.”

“Please fuck my cock-hungry pussy with your big cock,” she begged.

She gasped as I popped my cock into her pussy. I held her hips and fucked her pussy briskly.

“Girls, I am fucking the hot pussy that gave birth to you,” I said. “Do you want me to fuck it well?”

“Of course we do,” said Claire. “Please fuck mom’s horny pussy royally.”

“Yes, Nick, do that,” said Mary.

“I will,” I said, fucking my aunt harder. “After all, I owe your juicy pussies and luscious asses to this hot pussy.”

My aunt came repeatedly in the following fifteen minutes.

“Who’s the dirty whore who wants to be the first to taste her slut mom’s horny pussy on my big cock?” I asked.

“I do,” they both said.

“Mary, you get it because you were my first whore,” I said.

“Thanks,” said Mary as I pulled my dripping cock out of her mom’s drenched pussy.

Mary deep throated my cock for a few minutes.

“How was it?” I asked, slapping her face with my cock.

“It was great,” she said. “Thank you.”

Claire was next on my cock. I fucked her pussy through a few orgasms.

“Aunt Michelle, do you want to taste your daughter’s hot pussy on my big cock?” I asked.

“Sure,” said my aunt.

My aunt deep throated my cock before I fucked Mary. My aunt got to taste Mary’s pussy next.

“This is for Mary,” I said as I pushed my cock into my aunt’s pussy.

Mary soon sucked her mom’s copious pussy juices off my cock.

“Girls, spread your mom’s sexy ass,” I said. “It’s going to get fucked next if she begs for it when it’s time.”

“I am sure she will,” said Claire, pulling her mom’s right ass cheek out.

Mary pulled the other cheek out, and I ate my aunt’s asshole to orgasm. I then lubed it thoroughly.

“It’s time, Aunt Michelle,” I said, aiming my slick cock at my aunt’s offered asshole. “Beg for what you need.”

“Please fuck my horny ass with your big cock, Nick,” she begged as I brushed her asshole with my cock head.

“You got it, aunt,” I said, popping my cock head past her asshole.

She gasped, and her stretched asshole clenched around my cock. I held her hips and thrust in her ass gently.

“Aren’t you proud that your slut mom was meant to be my ass whore too?” I said.

“Yes, I am so proud of her,” said Claire.

“Me too,” said Mary.

“Can you see that her hot ass was made for my big cock and only my big cock?” I said.

“Yes,” Mary and Claire said.

“Aunt Michelle, tell your slut daughters that your sweet asshole only belongs to my big cock,” I said.

“Girls, your slut mom’s horny asshole belongs only to your stud cousin,” gasped my aunt as I stuffed her ass.

My aunt stiffened, and she came on my cock when my balls pressed into her dripping pussy.

“I am coming for your big cock, Nick,” she gasped. “My asshole, which belongs to you, is coming for you.”

“Let it come all it wants, Aunt Michelle,” I said as I held her hips tightly and drilled her twitching asshole.

Her orgasm subsided, and I slowed down.

“Do you love being my ass whore, Aunt Michelle,” I said, picking up the pace.

“You know I do,” she gasped.

“Claire, you’ll be the first to taste your slut mom’s ass on my cock,” I said. “You’ll also be the first to eat my come out of her pussy and share it with her. Mary will eat my come out of her ass first and share it with her.”

“You want us to do that with mom?” asked Claire.

"She's my ass whore no less than you are, isn't she?" I said.

"I guess so," she said.

My aunt came twice more before Claire got to taste her ass on my cock. I fucked my aunt's ass through three orgasms, and Mary tasted her ass on my cock.

Mary's ass was next for three wild orgasms, and finally Claire got her ass fucked for three orgasms. Their mom tasted their asses on my cock.

"Have you ever had as much fun as this?" I said as I fucked my aunt's ass.

"Never," they all said.

"The only more fun I can think of is if Uncle Fred was her spreading your asses for my big cock and eating my slimy come out of his wife's well-fucked pussy and ass."

"Nick, you are crazy and shameless," said Claire.

"Nick, you are actually greedy," said my aunt. "Isn't what you've done already to him enough?"

"You are fucking his wife and daughters," said Mary.

"That's nothing," said my aunt.

"Is there more?" asked Mary.

"You can't mention that to a soul," warned my aunt.

"Of course not," said the girls.

"Promise," said my aunt.

"I promise," said the sisters.

"Nick's your new brother's father," said my aunt, shocking the girls.

"What?" said the girls in disbelief, looking at me and their mom.

"Nick has been fucking me since his previous visit," said my aunt. "He impregnated me then. I wanted him to."

"You did?" they said.

"Yes, girls," she said. "I wanted my best lover ever to give me a baby."

"Wow!" said the girls.

"Yes," said my aunt, stroking her bulging belly. "Your dad can never find out."

"Of course not," said the girls.

"Only the four of us and your aunt know that," she said. "She's my sister and the baby's grandmother after all."

"Don't even think about it until you are married," I said to the girls.

"You'd impregnate us too?" said Claire.

"Only if were good girls and you wanted me to," I said. "It's more treacherous than leaving on a date with my come in all your well-used holes."

"You and mom are so wicked," she said.

"You don't want me to father your firstborn?" I said.

"Maybe I do," she smiled mischievously.

"Me too," smiled Mary.

"Can you see?" I said. "We are all bad. We deserve each other."

"We sure do," they said, smiling.

Claire ate my come out of her mom's pussy, and Mary ate it out of her mom's ass. They shared it with her. We then moved to Claire's room, where my aunt ate my come out of her daughter's well-fucked asses. My cousins ate my come out of each other's pussy.

My aunt left me with her daughters and went to make dinner.

"Nick, you are the horniest guy I've ever seen," said Claire. "You've been fucking my mom and sister for so long right under my nose, and I was none the wiser?"

"He was fucking both mom and me, and I didn't even know about it," said Mary.

"You are not supposed to suspect that your cousin's fucking your mom like a dirty whore," I said.

“Yeah, sure,” said Claire.

“If you can keep a secret, I can tell you that I intend to fuck my girlfriend’s sister and mom,” I said.

“You are insatiable,” she said.

“You don’t say that when you are stuffing my big cock in every hole you have,” I teased.

“Of course not,” she said. “You are then fucking *me*.”

“I want to give my girlfriend a priceless gift,” I said. “I want to give her an adorable little sibling.”

“You want to impregnate your girlfriend’s mom too?” asked Mary.

“Isn’t she a woman with a motherly instinct?” I said.

“She has kids of her own,” she said.

“Let her have a kid of my own,” I said. “What’s wrong?”

“If you get caught, you’d get killed,” she said.

“I better not get caught then,” I said.

“If you get yourself killed, I’ll kill you myself,” she said.

“Don’t worry,” I said. “I don’t want you to go to jail.”

“Thank you,” she said. “That’s so nice of you.”

“By the way, I am expecting two sons,” I said.

Mary looked at me silently for several seconds.

“Nick, don’t tell me that your new brother is yours,” said Mary.

My smile was enough answer for her.

“You fuck your own mom?” she said.

“I fuck any hot slut who deserves my big cock,” I said. “That’s why I fuck my sister too.”

“Wow, Nick!” she said. “You fuck every female you can lay your hands on.”

“I only seduce girls,” I said. “Our moms seduced me. I intend to make my girlfriend’s mom seduce me too.”

“My mom and aunt seduced you?” she asked.

“Yes,” I said. “You can ask your mom. I am now wondering how to make my girlfriend’s mom seduce me too.”

“Nick, be careful,” she said. “If your dad caught you, it would be a disaster.”

“You think I don’t know that, but thanks for the advice,” I said. “We shouldn’t fuck in the living room often.”

“I can’t believe you fucked mom and us in the living room,” said Claire.

“You better believe it,” I smiled.

“You are silly,” she said, punching me playfully.

“You should be thankful for it,” I said. “Otherwise, I wouldn’t fuck everything that moves, and you’d lose.”

“Okay, but don’t be too silly,” she said.

From that night on, I went to be with the two sisters in Claire’s room.

The four of us got together only a few times, but I fucked the sisters together and my aunt alone daily.

The girls and I spent New Year’s Eve at home while everyone else was out.

We rented a few sex movies and spent the evening in the living room. The movies had heavy anal themes. The young girls in the movies got their asses fucked hard and deep. Their assholes gaped wide, and they did not have a problem sucking the big cocks coming right out of their asses. They all swallowed come like it was the elixir of life.

At first we were sitting back, enjoying the movies, with the girls sitting on my sides. My cock hardened, and their hands fondled it through my shorts. I fondled their tits through their thin tops, but soon they needed attention between their legs. Before long, they were taking turns sucking my cock while I fondled their asses and fingered their tingling fuck holes.

Claire was the first to ride my cock. She leaned to the side so I could continue watching the movie. Mary switched her tongue between my balls and her sister’s asshole. Her tongue and my fingers took turns probing Claire’s asshole. Mary got up and kissed me. She guided my hand to her pussy. While I fingered her pussy, she fingered her sister’s ass.

Claire came, and Mary replaced her on my cock. After Mary came, I arranged them on their hands and knees on the floor so we could fuck while watching. I started with Mary's ass. While I fucked her ass, she fingered both her sister's holes. It was wild to fuck while watching and hearing other people fuck onscreen.

For the rest of the night, my cock did not enter their pussies. Their receptive assholes eagerly swallowed my thick shaft repeatedly as I fucked them deeply. They came frequently, and their assholes gaped nicely. They were soon doing everything the girls in the movies did—that could be done with one cock—and then some. Neither did the girls in the movie come nor did they eat come out of each other's well-fucked asses like my horny cousins did, proving they were world-class ass whores. Obviously my cousins did it because they loved it not for money.

My first come load spurted into their mouths, but all my subsequent come loads exploded in one twitching rectum or the other. They were soon eaten nonetheless.

At midnight, I was fucking Claire's ass in the missionary position and tongue fucking Mary's. Claire spread her sister's ass for me and ate her pussy. Instead of dropping the ball, I dropped a ball load of come deep inside Claire's twitching rectum. Both she and Mary were coming as we rang in the New Year.

The two sisters shared that celebratory come load over a kiss. When I kissed them, wishing them a happy new year, I tasted my come on their tongues. They immediately went to work on my cock, giving me my first double blowjob of the year.

My sweet aunt called before leaving the party, giving us time for Mary's thirsty asshole to swallow my last come load. We naturally were not ready for my uncle to walk in on our little orgy. The sisters immediately shared my come over a lewd kiss. They next spread each other's ass for me while I gave each gaping asshole a deep kiss, sticking my tongue as far as it would go up their well-fucked rectums. We showered and called it a night just before my aunt and uncle returned home.

When my aunt entered my room, I was drifting into sleep.

"Are you going to sleep with your firstborn's mom hungry for your big cock?" she said, reaching for my cock.

"Of course not, but I thought she was too busy being a good wife," I said.

"I am now going to be a better wife but for you," she said.

Her talented mouth did not fail to suck my cock to rock hardness within a couple of minutes. She hiked her dress and knelt astride me. Her pussy was soaked when she pulled her panty crotch aside and squatted on my cock, swallowing it all the way in. I pulled her straps off her shoulders, and we soon had her dress collected around her waist, setting her braless tits free.

She fed me her tits while I fingered her ass. Her asshole was already lubed. It accepted two fingers readily. After she had her first orgasm, drenching my cock in her juices, she effortlessly put my cock in her horny asshole.

"Nothing feels like bouncing on a big cock in a dirty whore's ass," she gasped. "It beats any New Year's party."

"Nothing feels like a dirty whore's tight ass bouncing on a horny guy's big cock either," I said.

Needless to say, a couple of hours later I had fucked her silly and filled her three holes with come. I fed her the come load I dumped in her pussy but let her keep the one in her ass.

"I wish you a happy new year full of all the pussy and ass you want, my stud," she said.

"Thanks," I said. "I wish all your dreams come true."

"Thanks," she said.

"Do you know what my New Year's resolution is?" I asked.

"What?" she asked.

"I intend to fuck you and mom together," I said.

"I don't mind if your mother doesn't," she said.

"Do you think she'd mind?" I asked.

"I am not sure," she said. "We've never shared a man before."

"Anyway, New Year's resolutions are not supposed to be too easy, just easy enough," I said.

"Good luck," she said before kissing me goodnight.

Naturally on Sunday, the day before I left, we had wild goodbye fucking.

When I arrived home on Monday afternoon, I found mom and Alex starving for my cock. I had missed them too. I had to fuck them right away. I fucked mom first.

Mom took me to her room. We attacked each other like long-lost lovers. Our mouths crushed each other, and our tongues dueled like foes before laving each other lovingly.

“Your slut mom and your son missed you so much,” she gasped.

“I missed both of you too,” I said. “I am going to fuck my slut mom and my son’s mom silly.”

“That’s exactly what they need,” she said. “Lucas needs to know that his dad fucks his slut mom royally.”

“He also needs to know that his mom’s a very good dirty whore,” I said.

“He sure does,” she said.

Meanwhile, we groped each other, tearing each other’s clothes off.

When I finally cupped her bare pussy, she shuddered. Her pussy was already drenched, and my cock was rock hard. My cock slid into her pussy effortlessly, and we fucked vigorously without any foreplay.

“Yes, finger my ass,” she breathed urgently when my fingertips teased her asshole.

She came before my finger was all the way up her ass. I did not release her until she came again, drenching my cock and balls. I already had two fingers in her ass. I pushed her onto the bed and pushed her legs over her head. She promptly guided my cock into her ass.

“I want to fuck you and Aunt Michelle together,” I said, just after she gasped when I slipped my cock up her cock-starved ass.

“You want to fuck the sisters like you did to your slut cousins?” she moaned. “That would be really hot.”

“So you already know about what I’ve done with my cousins?” I asked.

“Your mom has to know all about your achievements,” she said. “It’s my duty to stand by you and my right to be proud of you like I am now. You fill me with pride just like you fill me with cock.”

Mom got all the cock she could handle in her favorite positions, and I made sure to fill all her holes with come.

Poor Alex had to wait to the evening, but she got to spend the night with me. When our lips met, she guided my hand to her pussy. Before we broke the kiss, she was coming all over my fingers. I ate her pussy through another orgasm to calm her down a little. She was so horny and receptive I had to take advantage of her and fuck her hard and wild like I had never fucked anyone before. She loved it, coming more than ever.

Every one of her holes had its fill of my cock in every position we could think of. I also filled them with come. I had missed every one of them. I did not let them go until I sated them and satisfied my hunger for them. She must have received the hardest fucking of her life. In the end, she was so fucked out she had to take a break the next day. Mom naturally took advantage of that and got herself fucked into the same state.

They were so horny they took turns getting fucked out of commission. We could not have a threesome before Saturday. Then it was like old time—more threesomes than not. Whenever we lounged with dad while their asses were not full of come, I snuck one or the other into the kitchen to fix that.

All that bliss started with doing my cousin a favor. My belief had always been that being good is its own biggest reward. That belief never failed me especially in sex.

The End

Virgin Mary

My aunt needed my help for her little daughter that was not interested in boys. She was so desperate she was going to give me any reward if I succeeded. I naturally did it for my cousin, not for the reward. My aunt did not believe that I succeeded, so I let her hide and watch. She insisted to give me my reward, and I insisted that I did not want any.
